SECTION 03600 – PROVISIONAL

GROUT

Provisional Specification Summary:
2.1.04 Update text as shown

2.1.04 Epoxy Grout for Reinforcing Bars and Threaded Rod Anchors. Replace the second paragraph with: "Adhesive for vertical surfaces and overhead applications shall be Hilti "HYT-150" or Engineer approved alternate."

END OF PROVISIONAL SECTION

Provisional Specifications—which are issued separately from the Master Specifications on a per contract basis—shall supersede and govern over all other specifications or contract documents. All other wording in the Master Specifications that is not specifically stated to be modified in the Provisional Specifications shall remain in effect as is. The Provisional Specification Summary is included to clarify and/or highlight changes.
