***(Update text as shown.)***

1.1 SCOPE. This section covers combination water closet/lavatory units.

2.2.01 Combination Toilet Compartment Steel. All cabinet materials, including interior piping, shall be type 304 stainless steel. The fixtures shall be made from heave gage stainless steel with seamless welded surfaces.

End of Provisional Section

*Provisional Specifications—which are issued separately from the Master Specifications on a per contract basis—shall supersede and govern over all other specifications or contract documents. All other wording in the Master Specifications that is not specifically stated to be modified in the Provisional Specifications shall remain in effect as is. The Provisional Specification Summary is included to clarify and/or highlight changes.*
