PART 3 – EXECUTION

SUBSECTION 3.2 DAMAGED PROPERTY. Restore or replace, when and as directed, any public or private property damaged by Work, equipment or employees, to a condition at least equal to that existing immediately prior to beginning operations and to the satisfaction of the owner of the property. To this end, the Contractor shall perform, as required, all necessary highways or driveway, walks and landscaping work. Suitable materials, equipment and methods shall be used for such restoration. The restoration of existing property or structures shall be done as promptly as practicable as work progresses and shall not be left until the end of the Contract period.

End of Provisional Section

*Provisional Specifications—which are issued separately from the Master Specifications on a per contract basis—shall supersede and govern over all other specifications or contract documents. All other wording in the Master Specifications that is not specifically stated to be modified in the Provisional Specifications shall remain in effect as is. The Provisional Specification Summary is included to clarify and/or highlight changes.*
