## SECTION 03800 – PROVISIONAL

## CONCRETE REPAIR

***Provisional Specification Summary:***
*3.1.05 – Add this subsection*

3.1.05 Concrete Leaks. Contractor to use suitable means and methods for repairs to stop leakage (Prior DWSD approval required)

End of Provisional Section

*Provisional Specifications—which are issued separately from the Master Specifications on a per contract basis—shall supersede and govern over all other specifications or contract documents. All other wording in the Master Specifications that is not specifically stated to be modified in the Provisional Specifications shall remain in effect as is. The Provisional Specification Summary is included to clarify and/or highlight changes.*
