Thank you for this clarifying information. We will need an application from your next-door neighbor as well. If your neighbor can provide us a complete application including:
--their complete scope of work,
--a site plan showing existing and proposed conditions, and
--photos showing all sides of their portion of the building to be demolished, and if they can provide that by the *9/21* deadline, we should be able to put both applications together for review by the Historic District Commission in October. Please contact us at hdc@detroitmi.gov with any questions or concerns.

Thank you again.

## APPLICANT RESPONSE

Response Date: 09/19/2026

My neighbor, Thomas Campbell, submitted an application just now (Saturday 9/19). We've included his phone number and you can feel free to reach out to him, but he is elderly and does not use a computer or have an email address so I have included mine. You may correspond with me via email and I will work with him on anything needed electronically. You can call him to verify this arrangement. Thank you for the extra consideration.
