### RESIDENTS, BUSINESS OWNERS, CHURCHES, BLOCK CLUBS, AND SCHOOLS, here's what you can do:

- If you plan on joining in the cleanup effort, call the City of Detroit at **(313) 224-4415** to register your group or neighborhood.
- Volunteers may call their DON office to schedule a special pickup or take bagged litter to one of the drop-off locations.
- Clean the area around your home, business, church or school on the Saturday designated for your district. See the map to determine which district applies to you.
- Organize your neighborhood or your employees (if you own a business) for a massive group cleanup. Select a nearby area or call **(313) 224-4415** for a recommended location.
- Beautify your area by planting plants, flowers or trees, and removing graffiti, etc.

For more information, call **(313) 224-4415** or visit our Web site at
