1	On behalf of the Board, I want to express our
2	concern for the fallen and injured officers and their
3	families. Our board receives a weekly report from the
4	department listing its injured officers. I would ask that,
5	Deputy Chief Bettison, during your remarks please provide
6	us with any additional information related to injured and
7	fallen officers.
8	The Board of Police Commissioners meets every
9	week except for Thanksgiving and Christmas holiday periods.
10	We meet at police headquarters in regular session three
11	weeks in the month on Thursday at 3:00 p.m. We also meet
12	in the community every second Thursday of the month at 6:30
13	p.m. Our next community meeting with be Thursday, June 14
14	at 6:30 p.m. at the Adams Butzel Recreation Center, located
15	at 10500 Lyndon Street. We will receive a presentation
16	from Dr. Agustin Arbalu (Phonetic), executive director of
17	the Michigan Department of Civil Rights. Dr. Arbalu will
18	be addressing the topic of Implicit Bias: Does Race Always
19	Matter?

The Detroit Board of Police Commissioners exist to provide oversight for the work of the Detroit Police Department. As a board we receive and investigate noncriminal citizen complaints, monitor the operations of the department, and work with the mayor and chief of police to make or modify police policy. Our objective is the same

23

24

25

1	of the City of Detroit, to provide the best use of your tax
2	dollars to improve on the quality of life within our city.
3	As a board we bring a unique perspective to policing: The
4	eye and the viewpoint of the civilians.
5	The principle of civilian oversight is as old and
6	as important as all of the founding principles in our
7	democracy. Separation of powers between and within
8	government allows for accountability, transparency, rights
9	to appeal, and citizen's control. These principles are
10	important nationally as well as locally.
11	I would like to call your attention to several
12	important items. I want to note the passing of an
13	important scholar, Hubert Lock. Dr. Lock, a Detroit native
14	was, born on August I'm sorry April 30, 1934 and died
15	on June 2, 2018. Dr. Lock served under Mayor Jerome
16	Cavanaugh as the administrative assistant to the Detroit
17	Commissioner of Police. Dr. Hubert Lock was a pioneer in
18	police oversight and the establishment of policies that
19	guide police administration. Dr. Lock was also an adjunct
20	assistant professor of urban education and fellow for the
21	Center For Urban Studies at Wayne State University.
22	Many of you know Dr. Lock's work as the author of
23	the "Detroit Riot of 1967." Most scholars regard this book
24	as the definitive account of the 1967 civil disorder. Dr.
25	Hubert Lock was internationally known and added to some of

1	the most impressive work on police and urban affairs,
2	international study, specifically his work on the Nazi
3	Government and the Church, and the Third Reich, and the
4	holocaust. Dr. Hubert Lock was also a pastor, and early in
5	his worldly travels pastored the Detroit pastored in
6	Detroit at the Church of Christ of Conant Gardens.

As information on his final resting place becomes available, I will share it with the Board. I have directed our staff to prepare a resolution in his honor for our next meeting.

Again as a reminder, commissioners, tomorrow, Friday, June 8th and Saturday, June 9th the Board will convene its annual training session. The training session is an opportunity for the Board to fellowship, address operational issues, and measure our progress over the year. Our session will be focused on the Board's charter mandated responsibilities and how they intersect with the police department. We will also have a special session on police authorized towing. This session will be organized to give background information to some of our new board members and will track significant actions by the board on police authorized towing. The training program will start 12:00 noon on Friday, June 8th for a half day session. We will have a full day session on Saturday. I would ask that each member of the Board please mark your calendar and plan on

1	attending.	Ιa	m s	ure	that	this	sessio	n will	be	productive
2	and informat	ive	as	the	sess	sion :	last ye	ear.		

On our agenda today we have a presentation from Disciplinary Administration. This presentation was originally scheduled for March 1, 2018. At our March meeting, the department requested additional time to prepare its report. In the Detroit Police Manual, Section 102.4 our policy discuss law enforcement as an honorable calling requiring a professional philosophy. The directive on discipline outlines the disciplinary process and the repository or record keepers of information related to disciplinary matters are housed in Disciplinary Administration.

Disciplinary Administration receives and records the results of investigations from Internal Affairs (IA), enforce civil rights, BOPC's citizen complaints, and investigations at the precinct level conducted by supervisory staff. Disciplinary Administration also tracts the actual discipline issued by the department for violations to policies, rules and criminal behavior. In order to get a comprehensive view of officer performance it is necessary to integrate all of this information. I hope that today's presentation will include this type of approach.

Lastly, later in our meeting -- I'm sorry -- in a

Page 11

closed session we will take up the request from Chief of
Police James Craig to suspend without pay Lieutenant
Timothy Leach and Detective Frederick Person, Badge Number
D-5084

Please note that the request from the chief is a personnel item. We are allowed under the open meetings act to discuss personnel items in private. To accommodate this request, we have adjusted the flow of our agenda to go into the closed session after public comments. This adjustment alleviates the need for citizens and visitors to sit around during the closed session. Please note that if an action item results from the closed session, we are required to return to order and take any votes in public. Copies of supporting documents on these cases have been emailed to the Board in advance and are included in our package today.

With the adjustment -- with this adjustment we will have oral communications from the audience early. I remind you, if you would like to speak to the on Board, please make sure that you print your name on the speaker's card. The cards are located on the back table, or you can be on taken one by seeing Mr. Brown seated here in front. And he needs your card before the beginning of public comments. Thank you.

At this time we'll have the chief of police report by Deputy Chief Bettison.

1	DC BETTISON: I'll first start off, Honorable
2	Chair, with update on our crime and the statistics, our
3	comparison from 2017 to 2018 year-to-date. That's the time
4	period that we're discussing.
5	The crime of homicide and, Commissioner Davis,
6	I know you like whole numbers as well, so I'll read out our
7	whole numbers also. So with year-to-date crime for
8	homicide we have a reduction of 7%. The whole numbers are
9	last year 2017, we're at 114. This year, 2018, we're at
10	106. In the category of sexual assault, we're up 41%. So
11	in 2017 we had 248. As of same period of time this year
12	2018 we're sitting at 349. Captain Tucker from SCU will be
13	able to explain or articulate as to the cause of that
14	uptake, what's going on there; because of course it's of a
15	concern. Robbery, we're down 14%. So in 2017 we had 1,700
16	I mean, 1,076. Now 2018 we're sitting at 921.
17	Carjacking we're down 5%. 2017 it was 126. 2018: 120.
18	Get to aggravated assaults, down 6%. In 2017 we had 3,436,
19	and today, 2018, we're sitting at 3,233. And our nonfatal
20	shootings, we're down 28%. Last year, 2017, it was 336.
21	2018 we're at 264. And total nonviolent offenses, we're
22	down 5%. So we're defiantly when it comes to violent
23	crimes, we're trending down except for the category of
24	sexual assault, and it's a reporting issue. But Captain
25	Tucker will be able to report more out on that. And with

1	our property crime were sitting overall at 11% reduction.
2	And the crime of burglary, 2017 we had three hundred
3	673. 2018 we're sitting at 2,830. Larceny: 5,401. 2018,
4	we're down slightly with 5,366. And stolen vehicles, we
5	continue to just trend down. We're down 22%. 2017 we had
6	3,408. This year, 2018, we're down two thousand we're
7	at 2,646. So like I said, for a reduction in an overall
8	part one crimes. So he 11% when it comes to property
9	crimes we're down 13%. So at this time I would ask Captain
10	Tucker to come to the mic.
11	CAPTAIN TUCKER: Good afternoon, Board.
12	THE BOARD: Good afternoon.
13	CAPTAIN TUCKER: Captain Joe Louis Tucker, Jr.,
14	Special Victims Unit. Like Deputy Chief Bettison stated,
15	we are showing a 41% increase in sexual assaults. However,
16	I just want to clear the water up a little bit and use hard
17	numbers, as Commissioner Davis likes.
18	We're showing 355 actual sexual assaults this
19	year; however, 133 of those are law enforcement
20	notifications. And as I explained before, those are
21	third-party reports that come in to us through CPS and
22	hospitals and such. So when you back those third-party
23	reports out and just deal with the victim initiated
24	reports, we're actually showing 220, which is 13% decrease
25	in sexual assaults. These aliens were not captured as rape

1	reports last year. We've changed our protocol to make it
2	true to crime this year, and that's why you see the
3	increase, because the reporting system is different. Any
4	questions for that?
5	COMMISSIONER CARTER: Any questions,
6	Commissioners, before Captain Tucker sits? Thank you.
7	CAPTAIN TUCKER: Thank you.
8	DC BETTISON: And then also with your request,
9	I'll speak at this time on the update of our injured
10	officers. So continue to pray for Officer Waldis Johnson.
11	He's in a long-term care facility. Officer Anthony Brown
12	is recuperating at home. He was struck by a vehicle.
13	Officer Kisselburg is recuperating at home. He sustained a
14	gunshot wound while in duty. Officer Eric Smith who
15	sustained a gunshot wound is recuperating at home.
16	Sergeant Eric Busse, recuperating at home from a broken
17	ankle. Officer Justin Marroquin recuperating at home. Had
18	sustained trauma to the head while on duty. And Officer
19	Christopher Bush is recuperating at home from an on-duty
20	injury to his right hand. Thank you.
21	COMMISSIONER CARTER: Thank you, Deputy Chief.
22	Any questions, commissioners, for Deputy Chief Bettison?
23	COMMISSIONER BROWN: Yes, Madam Chair, I have a
24	question.

COMMISSIONER CARTER: Commissioner Brown.

25

1	COMMISSIONER BROWN: For number one, your
2	CompStat information; can this be given to the Board in
3	advance, be included in our Tuesday packet through email?
4	DC BETTISON: Absolutely. And it will be to date
5	as of Tuesday. And then what I'm reporting out on today is
6	as of date Thursday. So the numbers would change if we
7	provided it to you on Tuesday. Would we like me to report
8	out the numbers on Tuesday so that it would be consistent?
9	COMMISSIONER BROWN: Yeah, that would be fine.
10	Secondly, Lieutenant Shawn Wesley, what is why
11	explain can you explain to me why his death wasn't
12	made a line of duty?
13	DC BETTISON: I cannot explain that at this time.
14	I'm not intimately enough aware of that. So I can provide
15	that in another report to you.
16	COMMISSIONER BROWN: Okay. Thank you.
17	COMMISSIONER CARTER: Any other Commissioner
18	Bell.
19	COMMISSIONER BELL: Yes, Madam Chair. Deputy
20	Chief, could you give us an update in terms of activities
21	by DPD in reference to Greektown enforcement, the issue
22	that we dealt with two weeks ago? I know it's enforcement.
23	Can you give us an update how how is it going?
24	DC BETTISON: It's going. We have a plan. We
25	had a plan in place. And I'm happy to be able to report

Page 16

that even though it was unfortunate and disheartening as to
what occurred with what we saw on TV, what was played out
with in front of Nikki's, the shootout, individuals I
saw the videos as well. But based off of our police
presence and based off of being there, we had already put a
plan in place, we were able to apprehend the subjects ASAP
within seconds; and we did that. A couple evenings later
another dispute occurred in the Greektown area where known
acquaintances and we know this through investigation
they got into a shootout in the ally and four folks were
injured. And we have those individuals in custody as well.
So we are arresting and holding folks accountable.

So one would say, well do you have enough police presence in Greektown? Do you have enough presence? The answer is, yes, we do have enough presence. But with alcohol, with drugs, and with firearms it's a deadly cocktail. And what -- they don't think about the police presence at that time. They're angry, and individuals will shoot. We've talked to our homicide detectives, you know, getting feedback and updates from them to say, well you interviewed the young men or women that commit these violent acts. What do they -- what's going on? What's the reason? You know, what are they thinking? Because that's what if community wants to know, what are they thinking. They'll

1	say, I wasn't thinking; I was angry. And most of the time
2	you have alcohol, drugs involved and firearms. So that's
3	the issue right there. But know that the Detroit Police
4	Department, if you make that decision which it is
5	illegal, even if you're a CPL holder, to drink and possess
6	your firearm. Folks need to leave those guns at home. But
7	if you choose to violate the law or come down to the city
8	of Detroit and do that, we have technology, and we also
9	have the manpower in place, and we had it in place, and we
10	will arrest you, and we will hold you accountable.
11	DC ELDENBERRY: And through the Chair, just
12	speaking more to the plan Deputy Chief Eldenberry. So
13	as we know we were discussing this last week some of the
14	similar information DC is providing. So the plan was
15	implemented that following week. There were on Friday two
16	individuals who came downtown with handguns. One resulted
17	in a foot chase through the streets of downtown. We did
18	apprehend that suspect as he tried to toss that weapon.
19	His history was a narcotics history. We did get him placed
20	into custody without further incident. Another individual
21	came down again with a handgun, small caliber handgun.
22	Made that arrest. Saturday night the plan was still in
23	effect. We had what we believed to be a RA man, armed
24	robbery person. He had a facsimile firearm. We were able

25

to get him in custody and take him down as well. So the

1 plan is moving forward.

As I spoke to before about that balance, I know there's a lot of concerns when we speak specifically to Greektown. A lot of the residents feel well what are we doing for the neighborhoods. I would like to speak very specific to that. For the neighborhood we have minimal manpower requirements for each precinct that has to be met for -- the command staff is held accountable. We have a Parks Unit that also works in the neighborhoods. as you know, once the state took over Bell Isle a lot of our neighborhood parks became flooded with calls and individuals having a good time there. So with our other support units, like our Tactical Support, our Traffic Enforcement, again we also put those units in the neighborhood. And sometimes we'll put this down split -split a visit, if you will, to ensure we have support staff for downtown and the neighborhood. So we are moving forward with our plans. And, again, we're making sure we keep things balanced.

COMMISSIONER CARTER: Commissioner Dewaelsche.

MR. CHUPARKOFF: Yes, Madam Chair, I just wanted to go back to the Greektown incident. And I did want to reiterate that it's a very good thing that the officers are quickly apprehending or making the arrests on -- in these incidents. And that was reflected when the news media

Page 19 interviewed people after -- right after, or during the same 1 2 evening or whatever, and people said they still felt safe; 3 they were still going to come downtown. This was, you 4 know, isolated. It's not their -- you know, it's not recurring frequently. And I think it's because when it 5 6 does occur, the police are quickly addressing it and 7 apprehending the individuals. So, you know, you're to be commended for that. 8 9 DC ELDENBERRY: Thank you. 10 COMMISSIONER HOLLEY: Deputy Chief, this is a different subject if we could. And I should know this, and 11 12 I apologize for not knowing this. But where is the --13 where do we train the academy, the police officers and the training? Where do we train them at? 14 DC BETTISON: The Old McMichaels Elementary with 15 16 the Middle School. So that's located on Linwood at --DC ELDENBERRY: 6050 Linwood. 6050 Linwood. 17 18 COMMISSIONER HOLLEY: So we're still on Linwood? 19 DC BETTISON: Yes, sir, right there in the 20 neighborhood. COMMISSIONER HOLLEY: Okay, let me ask you this. 21 Has any -- any -- I was in a couple of high schools. 22 23 any thought been -- will any thought be -- will anything be

24

25

-- can some thought be considered in terms of having them

in a couple high schools where we could basically have a

1	relationship with young people in terms of cadets or in
2	terms of police thinking about being a police officer
3	rather than because if you're in I'm just saying, is
4	there any thought in terms of having those in the high
5	schools?
6	DC BETTISON: So we have a I'm going to have
7	Lieutenant Johnson step to the podium right now to talk
8	about what we're doing in high schools as far as building
9	and preparing our young folks job readiness for joining
10	public safety; so fire department, but police department
11	specifically.
12	LT. JOHNSON: Yes, sir. And we have currently
13	we have two police magnet schools, which First Assistant
14	Chief Stair
15	COMMISSIONER HOLLEY: You call them magnet
16	schools?
17	LT. JOHNSON: Yes, sir.
18	COMMISSIONER HOLLEY: Okay.
19	LT. JOHNSON: And so that would be University
20	Prep High School and Cody High School. And we are in the
21	process of expanding to two or possibly three more.
22	COMMISSIONER HOLLEY: So what I'm talking about
23	is the training.
24	POLICE OFFICER: Right. So what the schools
25	along with us, we help them develop curriculum where they

1	kind of understand how policing works, how the laws work.
2	They have field trips. The different units come to them.
3	COMMISSIONER HOLLEY: I understand. And just
4	bear with me. I'm just asking and always you know,
5	my my training is that you come to a situation where
6	there's a problem and you have a solution. You try to
7	bring a solution to it. It's not to be adversary or I
8	just want to so I'm just asking you, if we in the
9	community there's a sense that the culture is changing in
10	terms of the city's still 80%, 70% African American, but
11	there's in the community there's a feeling that we are
12	basically talking about we want the best, and that the best
13	not necessarily means that we're talking about the people
14	who are that live in the city. I guess I'm trying to
15	ask you and it may be true or not; I'm just telling you
16	what's in the community. And I'm just asking you, is it
17	possible that even with the fire department and the police
18	department in high schools can have a kind of relationship
19	with police officer academy in terms of not only just
20	trying to just be mentoring? That's not what I'm that's
21	good. But I'm asking also would you consider having the
22	academy in one or two high schools for the purpose of
23	training, and purpose of recruiting, and purpose of having
24	this relationship with these young men and women who
25	basically coming out of high school?

1	DC BETTISON: So I'll take that question. I
2	don't know if that's possible. I don't think that that's
3	possible. It's state requirements. We've invested, the
4	city of Detroit, a tremendous amount of money in the Old
5	McMichaels Middle School. So that's the training academy
6	certified through the state. That is the long-term future
7	plan that has been there. And also it will require a lot
8	of logistics.
9	COMMISSIONER HOLLEY: Okay.
10	DC BETTISON: And it's above my pay grade.
11	That's on the mayor's level. So if City Council and
12	also with a separate entity, the Detroit Public Schools.
13	So we might be able to negotiate something with a charter
14	school, but to be able to answer that question it would
15	take a lot of discussion and a lot of other folks here.
16	COMMISSIONER HOLLEY: Again, I'm just not trying
17	to push anything; I'm just trying to have a conversation
18	with you. Because in the community there's a feeling that
19	we're not doing a whole lot in terms of really getting
20	African American people in the academy. I'm not saying
21	it's true or not, I'm just telling you what the feeling is.
22	Okay, so let me go to this then. And I feel I
23	know you I've been with you for a number of years. And
24	James the late James Brown was considered the hardest
25	working man in show business. You got to be the hardest

1	working police officer in police business, Deputy Chief.
2	So what I'm saying to you is this. I was at a funeral at
3	Grand Lawn Cemetery, and I just inquired. Between January
4	1st and two weeks ago there were twenty-five funerals at
5	this graveyard. There are thirty-seven cemeteries in the
6	Metropolitan area. Thirty-seven. I was just at one.
7	Forty-five young men were killed since January 1st that
8	were buried there. Forty-five. These don't make the news
9	or anything like that. Forty-five under the age of
10	twenty-five. And the thing about it is the chief and I
11	know this and, again, at the end of 2017 we have we
12	have two if we have 300 homicides, January 1st of 2018
13	we start all over again, and we just go on like nothing
14	happened in 2017. And this really concerns me.
15	Let me just finish this. Because I'm not putting
16	this on you, I'm trying to work this with you. You know,
17	when you Google up Detroit, it doesn't come out about Dan
18	Gilbert. It doesn't say nothing about two Greektown. It
19	comes out with we're the worst in education, we're the
20	worst in poverty, and we're the worst in crime. That's
21	what it comes up when you Google. And the problem is that
22	I live here, and it bothers me.
23	So what I'm asking, if it's not your if it's
24	not at your grade level, can you just talk can you kind
25	of when ya'll sit around and have this kind of

Page 24

conversation -- for example, is it possible for the chief and the mayor and maybe a chief judge to have a PSA to talk about crime? In other words, let's be on the offensive rather than defensive. But in other words, there ought to be something that's on television, on the billboards that we ought to be able to work our problems out or at least some -- some mention or advertised in terms of trying to say something to these young people and the people of the city of Detroit that it -- that crime doesn't pay, but also there is a way; there's a crisis center, or crisis line, or something to work this out.

The point I'm making, and I'll leave you alone. I'm trying to make a point. I'm just a preacher, so you got to bear with me. What I'm trying to say to you is, is that I get concerned that we're not saying nothing about it. We just go on as if it doesn't matter. I know it does. But it has the appearance that it doesn't matter. And I feel like that the police, the mayor, and the -- and someone from the -- could be a minister or someone from -- a judge to really go on television as a PSA to talk about what we can do that we can send notice that we ought to -- let's try to do something different about this. You got all this money going on, and it's no way in the world that we cannot get money from these businessmen and women to really do the PSAs, to really go on the attack rather than

1	on the defensive or nothing at all. Am I making sense to
2	you?
3	DC BETTISON: I hear what you're saying,
4	Commissioner. And what I will say as a rebuttal is that we
5	are doing a lot. And not everyone in the community will
6	see it, but a vast majority do recognize the work that the
7	DPD is doing and this community: Our community groups, our
8	community activists. You know, it's no it's no
9	coincidence that we haven't had uprisings and other issues
_0	that a lot of our communities have seen. And that's based
.1	off of for the most part, our police department is
.2	reflective when it comes to race of our community. We do a
.3	tremendous job as far as recruiting Detroiters. And the
_4	COMMISSIONER HOLLEY: Let me tell you
.5	DC BETTISON: Let me jump
_6	COMMISSIONER HOLLEY: Let me just this is my
.7	meeting. My meeting. I'm not trying to be kind. I'm not
-8	trying to be unkind to you. Please don't. I respect you.
.9	Three weeks ago I took a mother and her son to
20	pick out a tombstone for her son. Three weeks later the
21	same son that was with us that we took out the tombstone
22	picked out the tombstone, he died three weeks later. One
23	mother lost two sons in three weeks. What I'm saying to
24	you, it's not to be and that's what I'm saying; it's not
25	to be defensive or that I'm saying this about you, I'm

1	trying to give I'm trying to say to you, can't we do
2	something different. I know you're doing something, but
3	evidentially we're not doing enough. And so my it's not
4	so I don't want to hear you tell me 'cause I know
5	you're doing the best you can. I know you're doing other
6	things. But the point is, my friend, is that we still
7	we're twelve people less than what we had last year. And
8	we're that's not celebrating.
9	DC BETTISON: No. If you will allow me, sir, to
10	give a response.
11	COMMISSIONER HOLLEY: I'm sorry. I'll leave you
12	alone.
13	DC BETTISON: I just want to be able to respond
14	to say that when we say that you know, when we moved
15	from 2017 when it comes to the homicide victims and we go
16	to '18, we may report out what's occurring in '18, but we
17	never forget about '17. We keep hose homicide
18	investigations open. Our homicide folks are here, and they
19	still actively work those cases. And when it comes to
20	closing cases, oftentimes we're still closing case from
21	2017, 2016. We have the Inactive Case Squad. So we have
22	our detectives there working those as well. We formed a
23	partnership with Mothers of Murdered Children, and they
24	assist us also. So we're trending, we're pushing the
25	numbers down.

When it comes to billboards, and when it comes to getting the word out, and when it comes to letting folks know what we're doing -- a lot of our folks right now are on social media, so we have an active social media platform to be able to broadcast what we're doing. And we believe that reaching our young folks is the key.

Three weeks ago we had a male summit where we had 250 young black men from various high schools in the city of Detroit. We held it down at Cobo Hall. Not a lot of fanfare. We invited the media out. We posted it. tweeted it. But these were young men that the principal had identified with and they had self-identified with as being involved in groups and gangs. The chief was there; Detroit Public Schools administration was there, and we came together as one to address it. Something that hadn't really been done before. It was a historic moment. Along with the foundation, Skillman Foundation, who helped fund the Black Family Development. And I can go on and on. we made a substantial impact. And we had Detroit Recruiting there, and we also had the skilled trades there. And we gave those young men hope. And we haven't just let them go. It was so successful, you know what one of the young men said, and the also the school administrator? know what; you're doing a lot for our young black males, our young men of color. We need some help for the ladies.

1	Right now we're in the process of planning a female youth
2	summit to be able to also reach out to our young ladies.
3	Lieutenant Potts from our office is sphere heading that.
4	But I just want to say that we're doing a lot.
5	I'm not waving the white flag of success. And we have to
6	do more. And with us collectively we will. And I take all
7	your suggestions, but I just want to make sure that for the
8	record when we put out I want the community to know the
9	great things that we are doing. But of course it's more
10	work to do.
11	COMMISSIONER CARTER: Thank you.
12	COMMISSIONER HOLLEY: You might have had 200
13	COMMISSIONER CARTER: Mr. Holley.
14	COMMISSIONER HOLLEY: I'm sorry. This only
15	happen you only have so many minutes to ask a question?
16	COMMISSIONER CARTER: No. I just want to do a
17	couple things before we get back to it. For the record.
18	COMMISSIONER HOLLEY: We'll be here till 6:00.
19	COMMISSIONER DAVIS: No, not necessarily.
20	COMMISSIONER MALLETT: No. No. We're not.
21	COMMISSIONER HOLLEY: People come in late, and
22	they don't have to
23	COMMISSIONER MALLETT: Well I hear you, brother,
24	and
25	COMMISSIONER HOLLEY: We still got work to do.

1	COMMISSIONER CARTER: And, Commissioner Mallett,
2	thank you for joining us. You joined us about ten
3	minutes
4	COMMISSIONER MALLETT: You know what; I look
5	forward to seeing you, chairperson. I get here as often as
6	you are here. And you are you are the if Lisa's
7	coming, I'm doing everything I can
8	COMMISSIONER CARTER: To get here to see me?
9	COMMISSIONER MALLETT: to be here.
10	Absolutely.
11	COMMISSIONER CARTER: Okay. Thank you.
12	COMMISSIONER MALLETT: Absolutely.
13	COMMISSIONER CARTER: And I'd like to also
14	acknowledge Councilman McAllister who joined us about ten
15	minutes ago as well. Thank you for joining us, sir.
16	Commissioner Holley.
17	COMMISSIONER HOLLEY: I'm fine. Thank you.
18	COMMISSIONER CARTER: Oh, you're fine. So we can
19	move on?
20	COMMISSIONER HOLLEY: Yes, ma'am.
21	COMMISSIONER CARTER: All right, good. Where am
22	I?
23	At this time if there are no other questions or
24	comments, commissioners, we will have the presentation by
25	the Disciplinary Administration Police Standards Unit.

1	COMMANDER WILSON: Good evening Board.
2	THE BOARD: Good evening.
3	COMMANDER WILSON: For the record, my name is
4	Commander Marlon Wilson. I'm the officer in charge of the
5	Professionals Standards Bureau. As the first slide
6	indicates, that includes Disciplinary, Integrity Unit,
7	Force Investigations and Internal Affairs. So I would like
8	to start off by introducing my team. I got Captain Michael
9	Chambers, who's assigned to Professional Standards;
10	Lieutenant Jeffrey Hohn, who's in charge of Force
11	Investigation; Lieutenant Lori Carter, who's in charge of
12	Internal Affairs; and behind me is Lieutenant Richard
13	Fursnon (Phonetic), who's in charge of Disciplinary.
14	Today we're going to provide a brief overview of
15	each of these units, which is going to include
16	Disciplinary. And at the conclusion, we'll answer any
17	questions. So I'll start off with lieutenant Lori Carter,
18	who's going to give a brief overview regarding Internal
19	Affairs.
20	LIEUTENANT CARTER: Good afternoon. First of
21	all, I want to tell you the mission statement of Internal
22	Affairs. Internal Affairs ensures their public trust and
23	confidence in the Detroit Police Department by conducting
24	thorough and impartial investigations into allegations of
25	criminality and serious misconduct by Detroit Police

officers and also city of Detroit employees that abuse their powers.

If you look at our chart, we're starting to trend down this year at Internal Affairs. I'm proud to say that we are down in the number of cases that we actually have. Right now we have seventy assigned cases. Seventy-six of them are closed. Of that seventy-six, that number represents some of the cases from previous years. There's currently eighty-two open cases. The open cases may include some things -- oh, I'm sorry -- the eighty-two open cases are inclusive of those that are currently open with our open number. Eighty-two open. Seventy of them are assigned, if that makes any sense. Of the other eighty-two, there may be some that are assigned to our PI Squad. And our PI Squad will close those out. That's our Preliminary Investigative Squad.

As you can see, the number of PIs that we see are actually up. That's because a lot the case that we are getting do not rise to the level of criminality, or we are investigating to see if they do. If they do not, I assign them to my PI squad and see exactly what they entail. A lot of them entail things that may be handled by -- that we can close out; that we can send back to the precinct or send to OCI. So right now we have thirty-two assigned; and of those thirty-two, twenty-five of them are closed. And

1	you can see last year that we only had a total of
2	twenty-three PIs. And the year before that we only had
3	fifteen. So we weren't assigning as many PIs. But as I
4	get the cases in I'll look at them little closer. And a
5	lot of them don't rise to the level of criminality or
6	misconduct, so I will assign those as a PI to see exactly
7	if there's something that we can offer to our members.
8	Because we've been seeing a trend in different things, and
9	a lot of the things involve usually alcohol or demeanor.
10	Okay.
11	
12	LIEUTENANT HOHN: Good afternoon. I'm Lieutenant
13	Hohn from Force Investigations. I have six sergeants that
14	work for me. We investigate serious force. Our
15	responsibilities are to investigate deaths resulting from a
16	discharge of a member's fireman or any death following the
17	altercation with a member of the police department, as well
18	as all discharges from a firearm except at the firearm's
19	range or at animals. We also investigate the use of
20	chemical spray against restrained persons who are in a
21	police car, and we any use of force resulting in a
22	broken bone or unconsciousness or any critical injury or if
23	they're hospitalized.
24	Also we do we're responsible for investigating
25	Canine bites and any allegations of any of these

Page 33

categories. And then this year we actually added neck
restraints. So any time someone puts someone in a choke
hold or a carotid hold we would investigate that. As well
as recently well currently we're giving tasers out to
the department. So that's going to give us a couple more
things to investigate. Specifically anything in a taser
that would have caused like an injury as we defined it in
the category one; or also situations of a dry stung, which
is when they directly stung them with the gun without
shooting the probes, and then when the probes shoots the
head, neck, or sensitive areas. And then there's another
category for special persons. And what that is, is if
there's a certain category that you fall in, whether it
would be a mental or an age group or a physical condition
that you have and it prevents you from complying with the
officers, then that is something we would be assigned.
So if you look at the slide, you'll see that
we've closed this year we've closed twenty cases so far.
And we've we're down assignments from last year. We're
only in this first portion of the year, we've only
received twelve assignments throughout May. So we're down
about five. This is relatively a slow season. So I don't
know if this is completely representative, because in the
summer this will probably be a lot more.

And this is a breakdown of the firearm discharges

1	(Indicating). As you can see, we're really down as far as
2	discharges. We've only got the one this year; and that is
3	for a nonfatal shooting. And last year at this time we had
4	three fatal shootings, four nonfatal shootings, two shots
5	fired, and one unintentional discharge. So the
6	department's doing quite a bit better this year. Although
7	last year was kind of a rough year; but I think that had a
8	lot to do with like societal issues and stuff. A lot of
9	people are challenging the police a lot more, so but I
10	think we're doing a pretty good job.
11	The other one of the other things we deal with
12	is vehicle pursuits when they're fatal or critical
13	injuries. And as you'll see, last year we were way up. We
14	had three fatal injuries in this time period. And this
15	year we've got one, which is too many, but it's a little
16	bit better than last year.
17	LIEUTENANT FURSNON: Good afternoon. I'm
18	Lieutenant Fursnon from Disciplinary Administration. Our
19	current manpower staffing, including myself, is seven
20	members which includes two sergeants, two police officers,
21	a police assistant, office management assistant.
22	For the year of 2017 I also do have the stats
23	for 2018. For the year of 2017 we had 271 misconduct
24	excuse me. I apologize 261 misconduct cases where we
25	actually typed notice of disciplines for those matters.

1	And from 2016 we had 196 cases where we typed notices of
2	discipline. And the notice of discipline, for those that
3	don't know, is the charging document. If people that are
4	familiar with the law enforcement world, it's equivalent to
5	a warrant, a or the actual felony warrant. That's what
6	the notice of discipline is. And for 2015 we had 245. So
7	it went down, then it went back up. And for the year of
8	2018 we're currently sitting at 152 cases that we have
9	typed notice notice of discipline for. And that would
10	be for a total of 211 members. And the reason why that
11	number is different is because a case may have additional
12	officers, more than one officer, which would be considered
13	A, B file, C file. Some can go up to K files, depending on
14	the number of members involved and the actual
15	investigation.
16	So for the year of 2017 this is a breakup of
17	exactly the number of cases that we received and where they
18	came from. And we received cases from all these entities,
19	the entities that are listed, which includes the Office of
20	the Chief Investigator, Internal Affairs, Force
21	Investigation and all commands in the city. Our mission
22	statement for the Disciplinary Administration is to ensure
23	that the Detroit Police Department is committed to
24	addressing unprofessional conduct committed by sworn

25

members and to prevent furtherance of that conduct, and

1	that is by corrective actions.
2	COMMISSIONER CARTER: Commissioners, you have any
3	questions? Commissioner Mallett.
4	COMMISSIONER MALLETT: So thank you very much.
5	So the these can we go back to the yeah,
6	the slide that talked about maybe the first couple of
7	slides? Yeah. Now the
8	LIEUTENANT FURSNON: Is this for Internal Affairs
9	(Inaudible)?
10	COMMISSIONER MALLETT: Yeah, page three. For
11	COMMISSIONER DAVIS: Force is page three.
12	COMMISSIONER MALLETT: But this is this yeah,
13	thank you, commissioner. But this is the one I'm it's
14	page three, but they got two on each one.
15	So when we're so these are cases then that are
16	going to result in the notice of discipline that your
17	colleague discussed that would result in then charges of
18	some sort?
19	LIEUTENANT CARTER: Possibly. Not all of not
20	everything not every case that we assign ends with
21	charges or disciplinary. Some of them end up as nothing.
22	Some of them are not sustained. Some of them are
23	exonerated.
24	LIEUTENANT FURSNON: But those that are sustained
25	

## DBOPC 6/7/2018

Page 37 1 LIEUTENANT CARTER: Some are unfounded. 2 LIEUTENANT FURSNON: -- will move to discipline. 3 COMMISSIONER MALLETT: Okay. So in the -- and what -- in the vast majority of these cases, what are we 4 5 looking at in terms of what rises to the level of 6 warranting an investigation by Internal Affairs? 7 LIEUTENANT CARTER: Well we get allegations of 8 larceny. We get allegations of CSC. We get allegations of 9 theft. We get allegations of assault. 10 COMMISSIONER MALLETT: So this is going to be any violation of professional standards? 11 12 IA REPRESENTATIVE: Typically it would be 13 criminality. However, we do handle different things of a 14 high interest or importance to the department. So if 15 something is newsworthy, different things of that nature. 16 We do take case that are not necessarily criminal, but they 17 greatly affect the department. 18 COMMISSIONER MALLETT: All right, thank you. 19 COMMISSIONER CARTER: Commissioner Dewaelsche. 20 COMMISSIONER DEWAELSCHE: Thank you, Chair. looking at actually Force Investigations Firearm and 21 Discharges Chart. And so what this is saying is that in 22 23 two thousand and -- these are force investigations, these are fatal shootings, for instance, that officers are 24

responsible for, right?

25

Page 38 1 IA REPRESENTATIVE: Right. 2 COMMISSIONER DEWAELSCHE: Okay. So in 2016 there 3 were zero. IA REPRESENTATIVE: Correct. 4 5 COMMISSIONER DEWAELSCHE: In 2017, three. That's 6 it, three. 7 IA REPRESENTATIVE: Sure. COMMISSIONER DEWAELSCHE: And 2008 -- are we 8 9 talking January through December? 10 IA REPRESENTATIVE: Through May. Through May. 11 COMMISSIONER DEWAELSCHE: No, but I'm saying 12 we're working with the calendar year here on the chart, 13 right. IA REPRESENTATIVE: This is just the beginning of 14 the -- the year-to-date. 15 16 This is to show you through May of each of these 17 different years to show you where we're at at different 18 points. 19 COMMISSIONER DEWAELSCHE: Oh, okay. 20 IA REPRESENTATIVE: So looking at 2007 --21 COMMISSIONER DEWAELSCHE: I thought it was for 22 the whole year. 23 IA REPRESENTATIVE: No. No, this is --24 COMMISSIONER DEWAELSCHE: So it's year-to-date

for the three years making the same comparison?

25

# DBOPC 6/7/2018

Page 39 1 IA REPRESENTATIVE: Making the comparison. 2 COMMISSIONER DEWAELSCHE: Okay. 3 IA REPRESENTATIVE: With these stopping at the end of May. To show where we're at in each year at the end 4 5 of May. 6 COMMISSIONER DEWAELSCHE: So what is the 7 average --8 IA REPRESENTATIVE: The year-end total? 9 COMMISSIONER DEWAELSCHE: Yeah, year-end total 10 average? IA REPRESENTATIVE: I can tell you that. For 11 12 2017 we had three fatal shootings, seven nonfatal 13 shootings, Seven shots fired, and two unintentional 14 discharges. 15 So there were no more fatals --16 COMMISSIONER DEWAELSCHE: Right. 17 COMMISSIONER CARTER: Hold on. Hold on one 18 second. We need to keep the record clean. So when all of 19 you are talking, you need to say your name. 20 LIEUTENANT CARTER: I'm sorry. 21 COMMISSIONER CARTER: That's all right. Thank 22 you. 23 COMMISSIONER DEWAELSCHE: No, I just wanted some 24 clarification. Because the numbers seemed extremely low.

25

You know, I'm just saying, zero in 2016, that's very low.

1	And I wonder what is the number of officers that were
2	fatally because I know there are a couple of years where
3	we had several officers that were killed, and they were
4	probably more fatal shootings of officers. I'm just
5	saying. I'm trying to make the comparison. So I think
6	that that might be a reason why we're not having the same
7	problem that some other urban areas are having. It's just
8	an observation that I'm making, is that there aren't that
9	many shootings, I guess, both ways If I look at the and
10	that certainly has got to help. So I was just trying to
11	make that comparison.
12	IA REPRESENTATIVE: And in 2017 we did have a
13	couple officers
14	COMMISSIONER DEWAELSCHE: Right.
15	IA REPRESENTATIVE: Well we had several shot and
16	a couple killed, so
17	COMMISSIONER DEWAELSCHE: Right. I remember
18	that.
19	IA REPRESENTATIVE: And those fatals go along
20	with the officers. So, you know, in at least one of them
21	the perpetrator was killed. So
22	COMMISSIONER DEWAELSCHE: So it might have been
23	like the same incidence even is what you're saying. Okay.
24	Thank you. I just wanted to make have some
25	clarification on the time period as well. Thank you.

1	COMMISSIONER CARTER: Commissioner Bell and then
2	Commissioner Mallett.
3	COMMISSIONER MALLETT: Go ahead.
4	COMMISSIONER BELL: Thank you, Madam Chair.
5	I just got two concerns. Could you address
6	repeat offenders and perhaps, you know and the second
7	question would be, what issue of curriculum and speaking to
8	student police officers in the academy; could you share
9	briefly how do you approach in terms of sharing your
10	concerns with the young officers in the academy.
11	COMMANDER WILSON: Commissioner Bell, to answer
12	your first question
13	COMMISSIONER CARTER: Your name for the record.
14	COMMANDER WILSON: Oh, Commander Marlon Wilson
15	for the record. We do apply disciplinary matrix any time
16	we have notice of discipline or any type of discipline that
17	is finalized with us from Internal Affairs, any other
18	command, or OCI. So based on that, the penalty is always
19	aggravated based on your history. And then it's just a
20	standard rule and a standard practice that we send Internal
21	Affairs and Force out to each academy class. We have a
22	standing appointment. Every time an academy class comes
23	in, they give us probably like what, four hours?
24	LIEUTENANT CARTER: Yes.
25	COMMANDER WILSON: About four hours for each

1	academy class we go out and talk to.
2	COMMISSIONER BELL: What is the core message?
3	COMMANDER WILSON: The core message is I mean,
4	we talk about, I mean, the fact of some of the things that
5	officers are getting in trouble for; some of the trends;
6	some of the things to look out for; you know, just how to
7	be professional. That's really just the message.
8	COMMISSIONER BELL: So you mentioned alcohol
9	COMMANDER WILSON: Yes.
10	COMMISSIONER BELL: as being the number one
11	issue that we're dealing with?
12	COMMANDER WILSON: Absolutely. You figure
13	this year we charged we've had nine officers charged
14	with either a felony or a misdemeanor criminal warrant, and
15	probably 70% of those had an alcohol nexus.
16	COMMISSIONER BELL: That's always been an issue
17	in law enforcement.
18	COMMANDER WILSON: So that's one of the things
19	that we are going out, and when we go out we talk about.
20	COMMISSIONER MALLETT: So, thank you, Madam
21	Chairperson.
22	Commander, the every organization, mine, every
23	other organization, we have very very significant reporting
24	responsibilities similar to yours. At the at some point
25	there then is an audit of all of the various reports that

	<u> </u>
1	we are filing. So what is the audit function for your
2	department?
3	COMMANDER WILSON: That audit function lies with
4	a unit called risk I think it's called it's called
5	CRIB (Civil Rights Integrity Bureau).
6	COMMISSIONER MALLETT: Okay.
7	COMMANDER WILSON: They used to be in their
8	former iteration they were attached to Professional
9	Standards. They separated them. So all our information,
10	they become like a repository as well. We keep the
11	information they give us as well, And they do their risk
12	assessment. So every bi-weekly every Thursday at our
13	CompStat meeting we have like two or three slides dedicated
14	just to talk about repeat offenses.
15	COMMISSIONER MALLETT: Okay. And we had a
16	presentation from them in the not too distant past.
17	COMMANDER WILSON: Yeah.
18	COMMISSIONER MALLETT: Thank you for the
19	reminder. Appreciate it.
20	COMMISSIONER CARTER: Any other questions,
21	Commissioners? Thank you.
22	COMMANDER WILSON: Thank you.
23	COMMISSIONER CARTER: Commissioners, any standing
24	committee reports or ad hoc committee reports?
25	COMMISSIONER MALLETT: Madam Chairperson, if I

1	might, at the very latest I owe my colleagues an
2	explanation for being late. And I just want to point
3	out although I came in at the end of the last
4	discussion, I just want to just do a shout out to DC
5	Bettison. We were in we're in the process at the DMC,
6	but most particularly at Sinai-Grace, of trying to figure
7	out a better way to help us manage all of our behavioral
8	medicine patients. This is something that we've discussed
9	at this table before. But literally, Madam Chairperson,
10	last week there were seventeen people in my emergency
11	department who were there for behavioral medicine issues
12	for which petitions had been signed. So this is these
13	are persons who are in trouble, and either a family member
14	or DPD has recognized that the trouble they're in is there
15	and they brought them to the hospital for assistance.
16	So DC Bettison was there with us for two days
17	helping us work through this process. And I was on the
18	phone with my leadership team from Dallas, because we had
19	had over the past couple of months what we called
20	elopements; people who had come in for behavioral medicine
21	services who became distressed and found ways to leave the
22	hospital before their care plan had been completed. And
23	obviously that has the potential for very very serious
24	issues; both from a community protection standpoint, but

25

more importantly from the safety of the person that we're

1	supposed to be providing care for. So I say all that to
2	say that, number one, the work goes on; that it's very
3	complicated; that the work that the Detroit Police
4	Department does in support of this increasingly large
5	segment of our community is to be admired and appreciated.
6	And I do think that the general pathology, both emotional,
7	intellectual and mental associated with poverty, as
8	grinding as the poverty is in the city of Detroit, does
9	result in the acting out in a high level of violence that
10	we confront.
11	So, Reverend Holley, I say all that to say this;

So, Reverend Holley, I say all that to say this; that as much as we would want to address our young people and say to them that their behavior is destructive and dangerous, it is also that -- as a public body and as an informed community, we have to keep the behavioral medicine issue in front of us. Councilman McAllister is coming to my place in the not too distant future to begin a task force to talk about this particular issue. And as I said to one of the assistants, even if the only thing that comes out of that task force is a full comprehensive list of all of the available resources that people could be referred to for the help that they need, that would be a tremendous step forward. Because, Madam Chairperson, at this point that comprehensive list doesn't exist. DPD doesn't have it. I don't have it. The Wayne County Mental Health

1	Authority has a list, but no one is sure and can say with
2	certainty that it is comprehensive and that all of the
3	services that people can receive are on some list that
4	professional persons like DPD or even the hospitals can
5	provide them guidance to.
6	So I just appreciate DC Bettison's participation.
7	All you got to do is call him once and he's going to adjust
8	his schedule and get there. If it's about this community,
9	I have seen the leadership of the Detroit Police Department
10	do whatever they have to do to be present and available.
11	So I just wanted to put that on the record and say to DC,
12	just thank you again, man. I think the report that when it
13	comes out is going to be helpful to us both.
14	DC BETTISON: Thank you, sir.
15	COMMISSIONER CARTER: Thank you, Commissioner
16	Mallett, for sharing that with us. And we look forward to
17	whatever the report is
18	COMMISSIONER MALLETT: Yes, ma'am.
19	COMMISSIONER CARTER: or list is, or anything
20	any outcome as a result. Commissioner.
21	COMMISSIONER BURTON: Through the Chair, you
22	know you know, in 1964 there was a war on poverty when
23	President Lyndon Johnson was the president. So now it's 54
24	years later we're still talking about poverty, and we're
25	also talking about violence. But now what we're starting

1	to see in our neighborhoods, in our communities those that
2	are seriously mentally ill. So in 1997 we had sixteen
3	mental health hospitals closed in Michigan who were
4	seriously mental ill with nowhere to go. So, you know, one
5	of the things that I have done talking to my constituents
6	in the district and also other elected officials on a local
7	and state level, we formed a task force partnering with
8	Wayne State University with Dr. Aaron Carl Martin
9	(Phonetic) dealing with this mental health crisis that we
10	got going on. So this is something we've been doing for
11	the past four months. And we do have some more community
12	discussions on mental health and also on poverty, and I'd
13	like for this board, you know, to be able to participate
14	and get involved along with those that are in your
15	districts. Because this is an issue that's been going on
16	for quite a long time, and we got to get ahold of it.
17	COMMISSIONER CARTER: All right. Thank you,
18	Commissioner Burton. So you get us the information, we'll
19	see who's available to participate.
20	Commissioners, at this time we'll have the report
21	from the board secretary.
22	MR. HICKS: Thank you, Madam Chair. There's
23	something I want to call your attention to, a couple of
24	items that were added to your packets. And there are two
25	functions in which the department had given information on.

1	One has to do with a June 16th event, which is the cars,
2	bikes and coffee activities. And then the second one is a
3	July 14th event, which is a also a bike and cars show
4	extravaganza which is located at the Riverfront.
5	With the exception of those two things, the only
6	thing that I wanted to add is that tomorrow when you attend
7	the training we will have a complete schedule for the
8	training. Right now there are a couple of speakers or
9	participants who are kind of shifting in terms of time.
10	And so we'll have a complete schedule at 12:00 for each one
11	of you to work from for the next two days.
12	COMMISSIONER CARTER: Thank you.
13	Any old business, commissioners?
14	Announcements: Our next Board of Police
15	Commissioners meeting will be Thursday, June 14th, at 6:30
16	p.m. at the Second Precinct, at the Adam Butzel Recreation
17	Center located at 10500 Lyndon. Our next community meeting
18	will be Thursday, July 12, 2018, at 6:30 p.m., in the Tenth
19	Precinct at Joseph Walker William Center, located at 8431
20	Rosa Parks.
21	At this time we'll have oral communications from
22	the audience. Please give your name, and limit your
23	comments to two minutes, please.
24	Mr. Brown.

25

MR. HICKS: Madam Chair, I only have one card.

1	Ms. Valerie Parker.
2	MS. PARKER: Hello. And just to give an amen;
3	yes, Captain Bettison and him, they both helped me in
4	Brightmore with the youth. Whenever I called they were
5	there.
6	COMMISSIONER CARTER: State your name.
7	MS. PARKER: I didn't trust oh, my name is
8	Valerie Parker. I'm sorry. And so kudos to you.
9	My name is Valerie Parker, and I live in the
10	Brightmore Community and a homeowner, and I've been having
11	some concerns about police with private duties in church.
12	They forget that they are men and that they are strong. I
13	am now handicapped because a policeman, security, decides
14	he wants to pull me out of my seat because I wouldn't speak
15	to the first lady. Then he turned around and said I was on
16	crack in 2016. You knew me in 2012. So that was another
17	situation. That's a federal lawsuit that's going on. But
18	I'm seeing that too much in the 13th District. I'm seeing
19	these private policemen, or security, whatever you want to
20	call it in the church, put their hands on women. And then
21	I said, well I'm going to call the police, and then they
22	want to say, I am the police. That is bullying.
23	So you want us to trust you all on duty, but in
24	private duty ya'll doing some bullying. So please

25

there's a difference between public space and private

Page 50 space. There's a -- you can't just be putting your hands 1 2 -- you touch somebody that's assault. So I know Citadel is 3 good at that. Now they got them putting people out. 4 There's some things going on down in Thirteenth District. 5 For some reason private policemen security think they can put their hands on women and it's all right. 6 7 COMMISSIONER CARTER: Deputy Chief Bettison. DC BETTISON: Yes, Ms. Parker, I definitely know 8 9 you. It's good to see you. 10 MS. PARKER: Yeah. DC BETTISON: And of course you know Deputy Chief 11 12 Barron as well. I'm going to have --13 Lieutenant Johnson, would you meet with Ms. Parker real quick and get her information so that we can 14 15 look into this? 16 So we definitely -- I don't know whether or not 17 you made a police report on this, but rest assured that we 18 will look into all of your concerns. 19 MS. PARKER: Thank you. And I'm running for state representative too in my district. 20

- 21 DC BETTISON: Good.
- 22 COMMISSIONER CARTER: Have a good day.
- 23 At this time, commissioners, under new business
- we have two items to address. And at this time --24
- 25 COMMISSIONER DEWAELSCHE: I make a motion to go

Page 51 into closed session for these items. 1 2 COMMISSIONER DAVIS: I think there was another 3 card. COMMISSIONER CARTER: Is there support? 5 COMMISSIONER BELL: Support. 6 COMMISSIONER CARTER: Moved and supported that we 7 go into closed session. Is there any discussion? Those in favor? 8 9 THE BOARD: Aye. 10 COMMISSIONER CARTER: Those opposed? MR. HICKS: Madam Chair, can we read into the 11 12 record the two items themselves; that we're going into 13 closed session for Lieutenant Timothy Leach and for 14 Detective Frederick Persons. Those are the two items that we're going in there for. 15 16 COMMISSIONER CARTER: Okay. Thank you. 17 At this time we're going into closed session. We will reconvene after our closed session. You're welcome to 18 19 stay; but if not, you can go home. We thank you all for 20 attending, and have a good afternoon. 21 (At 4:14 p.m., off the record) (At 5:04 p.m., on the record) 22 23 COMMISSIONER CARTER: Is there a motion to go back on the record? 24

COMMISSIONER HOLLEY: So moved.

25

1	COMMISSIONER DEWAELSCHE: Support.
2	COMMISSIONER CARTER: It's been moved and
3	supported that we go on the record. Is there any
4	discussion? Those in favor?
5	THE BOARD: Aye.
6	COMMISSIONER CARTER: Those opposed? The motion
7	carries.
8	Commissioners, you have before you the request
9	for the change of duty status to suspension without pay for
10	Lieutenant Timothy Leach assigned to the Eleventh Precinct.
11	What's your pleasure?
12	COMMISSIONER MALLETT: Move to support the
13	recommendation of the chief to change the duty status of
14	Lieutenant Leach to suspended without pay.
15	COMMISSIONER CARTER: Is there support?
16	(No response)
17	COMMISSIONER CARTER: So no support, then the
18	motion fails. Thank you.
19	Commissioners, you have before you the motion for
20	I mean, I'm sorry the request to change the duty
21	status to suspension without pay for Detective Frederick
22	Person, Badge D5084, assigned to the Eleventh Precinct.
23	COMMISSIONER MALLETT: Move to accept the
24	recommendation of the chief of police to suspend Detective
25	Persons without pay.

## DBOPC 6/7/2018

Page 53 1 COMMISSIONER CARTER: Is there support? 2 (No response) 3 COMMISSIONER CARTER: The motion fails. Thank you, commissioners. 4 5 Sir, we are concluded with this matter -- these 6 matters. Is that correct? 7 MR. HICKS: Yes. 8 COMMISSIONER CARTER: Okay, thank you, 9 commissioners. 10 Sir, the young man that wanted to speak. 11 MR. DAVIS: Well I wanted to start off speaking 12 to Commander Leach, his character, and how well he --13 COMMISSIONER CARTER: Your name for the record, 14 please. 15 MR. DAVIS: Kenneth Davis. 16 COMMISSIONER CARTER: Okay. 17 MR. DAVIS: And I'm the president of the CRC 18 Radio Patrol -- (Unintelligible). And my neighborhood has 19 changed tremendously since he's been captain over there and then commander. I mean, drug dealers of every kind, 20 21 breaking and entering homes has changed. All that's changed. And you sit here and say you want a department 22 that works with the community. Commander Leach, he sends 23 officers out to the school -- to the schools for different 24 parties that they have to interact with the kids. So when 25

	5
1	you have a good police officer that's making this police
2	force work, you shouldn't be trying to take him off duty.
3	COMMISSIONER CARTER: Thank you, sir, for your
4	comments.
5	MR. DAVIS: He didn't kill nobody.
6	COMMISSIONER CARTER: Thank you, sir.
7	MS. ALFRED: Thank you for allowing me to speak.
8	My name is Joyce Alfred. I'm also from District Three and
9	Zone Seven where the patrol functions from Eight Mile to
10	Seven Mile and Van Dyke to Sherwood area. I'm also a part
11	of the block club which Kenneth Davis is the president. So
12	I wanted to speak to how much my neighborhood has improved.
13	Last year we had the opportunity to speak with
14	Commander Leach at one of the public forums, and the police
15	chief was also present. And we spoke about the block club
16	having a CB patrol, which was not something that was
17	afforded to us before that meeting. We presently have one.
18	And I'm now allowing my child to play outside again. He
19	wasn't allowed to play outside; it was that dangerous. The
20	speeding from and this is a completely residential area.
21	There are no businesses within my within that Eight Mile
22	to Seven Mile stretch. So there will we races up and down
23	Outer Drive, races down Carrie Street from Outer Drive all
24	the way to Seven Mile, and so my child wasn't allowed to
25	play, because I can't control that. But the response time,

1	the presence and the activity level of the policemen in our
2	neighborhood I've seen them pull over people and ticket
3	them for going the wrong way. Many of our streets are one
4	way streets, and many people ignore those signs. So I
5	would just like to acknowledge whatever you guys are doing
6	as a whole. Because it's not just one entity. You all are
7	representative of Detroit; so, therefore, as an addendum,
8	as an arm, as an outreach whatever you guys are doing it's
9	working.
10	I was upset to hear that, you know, Commander
11	Leach is going through these changes in his personal or
12	professional experience, but to speak to my as a new
13	homeowner, as a millennial, as people like to call us, as a
14	34-year-old, as a mother of a young child I'm elated. I am
15	thoroughly grateful. So whatever you guys did, do it
16	please until at least I get him into college. So thank
17	you.
18	COMMISSIONER CARTER: Thank you, ma'am.
19	MS. DAVIS: Thank you.
20	MR. JAMES: Good evening, everybody. My name is
21	Reginald James. I'm vice president of Carrie Rogge and
22	Cliff Block Club with my president here. And I've been
23	staying in my neighborhood since '77. And to see things
24	are going like it is we had a good relationship with

25

Timothy Leach. Wonderful person. Anything I asked him to

1	do, he tried to do it the best way he could. I appreciate
2	everything that the force is doing. We have a good rapport
3	with him. Excuse the expression. Excuse what I'm saying.
4	We have a good rapport with the whole unit of police
5	department, and we hope to continue to have this type of
6	relationship. But Timothy Leach, I hope everything goes
7	out fine with him because he's a wonderful person and he's
8	done a lot for us, our neighborhood. At one time we
9	couldn't even go down, like you say, the streets. But now
10	since '77 up until now a lot of things have changed, and
11	it's becoming a very viable neighborhood. And we
12	appreciate that. And I just want to say thank you. Thanks
13	to all of you.
14	COMMISSIONER CARTER: Thank you.
15	CITIZEN: Thank you.
16	COMMISSIONER CARTER: Thank you for coming down.
17	COMMISSIONER BELL: Madam Chair, if there's no
18	other business, I move for adjournment.
19	COMMISSIONER MALLETT: Support.
20	COMMISSIONER CARTER: Moved and supported that we
21	adjourn. Is there any discussion? Those in favor?
22	THE BOARD: Aye.
23	COMMISSIONER CARTER: Meeting is adjourned.
24	Thank you all for coming down. Thank you.
