1 Detroit, Michigan

2 July 26, 2018

3 At or about 3:00 p.m.

4

5 COMMISSIONER BELL: Good afternoon.

6 ATTENDEES: Good afternoon.

7 COMMISSIONER BELL: Good to see you this
8 afternoon. I am Police Commissioner Willie Bell. I
9 represent District Four. I serve as Chair of the Board and

11 behalf of the Board for those in attendance, thank you for
12 joining us. For people viewing this meeting on your

14 meeting.

15 I just want to say on behalf of the Board, I
16 would like to have you join us remembering the life of
17 Police Officer James Hearn, Badge 3589. I understand that

19 automobile accident on Woodward and State Fair. The

21 join me in a moment of silence.

22 (MOMENT OF SILENCE OBSERVED)

21 Would you come forward, please. Thank you ma'am.

22 CHAPLAIN DAVIS: Good afternoon everyone.

23 THE BOARD: Good afternoon.

24 CHAPLAIN DAVIS: For surely this is the day the

11 Discussion? Those in favor aye Board aye.

12 THE BOARD: Aye.

13 COMMISSIONER BELL: Those opposed? Motion

16 2018.

17 COMMISSIONER HOLLEY: So moved.

24 COMMISSIONER BELL: Opposed? Motion carried.

25 Thank you.

1 The next item of business would be for Mr. Hicks
2 to introduce the Board staff.

3 MR. HICKS: Thank you, Mr. Chair. I do want to
4 indicate just prior to introducing the staff that Sergeant
5 Quinn is taping the meeting this evening. Media Services
6 is doing the audio visual work. And Donna Williams is the
7 court reporter for today.

8 And then if we could turn our attention to
9 Ms. Bridget Lamar who's sitting on the left side in the
10 first row who is the interim director for DPD Personnel.
11 And then Robert Brown is immediately next to me. And if we
12 go to the first row on the right-hand side we have Mr.
13 Wyrick for attorney for the Board, Ms. Johnson who, of
14 course, is fiscal manager for the Board, and then Dr. Polly
15 McCalister would will introduce not only herself, but the
16 balance of the OCI staff that are present.

17 DR. MCCALISTER: Good afternoon, Board.

18 THE BOARD: Good afternoon.

19 DR. MCCALISTER: I'm Polly McCalister, chief
20 investigator. And attending today's meeting with me today
21 is Senior Investigator Moses, Senior Investigator Madrigal,
22 Senior Investigator Sloan, Investigator Murphy. He's not
23 made it down yet. Investigator Quick, Investigator Nealy,
24 Investigator Hunter, Investigator Stanton, Investigator
25 Turner, Investigator Callaway, and Investigator James.

1 COMMISSIONER BELL: Thank you.

2 Next item of business would -- I see a name tag
3 for Assistant Chief Arnold Williams, but I think this is
4 Deputy Chief Charles Fitzgerald.

5 DC FITZGERALD: Yes, sir.

6 COMMISSIONER BELL: Good to see you this
7 afternoon --

8 DC FITZGERALD: Thank you.

9 COMMISSIONER BELL: -- filling in for Chief
10 Craig. Would you introduce any other DPD staff, please.

11 DC FITZGERALD: Yes, sir. Before I start I want
12 the whole group that came in looking like a walking protest
13 is our L-Pack S-Pack group who's voting tomorrow, so it's
14 good to have them here. And I will start at the beginning
15 and allow them to introduce themselves just so I don't
16 screw up.

17 (At 3:08 p.m., self-introduction by chief's
18 staff)

19 DC FITZGERALD: That's it.

20 COMMISSIONER BELL: Well in my day we call it
21 OCS, Officer's Candidate School. You call it.

22 DC FITZGERALD: L-Pack S-Pack.

23 THE COURT: Well L-Pack stand up and introduce
24 themselves one by one, please.

25 DC FITZGERALD: Doesn't matter who.

1 (Self-introduction of L-Pack S-Pack Group)

2 (APPLAUSE)

3 COMMISSIONER BELL: Thank you. I had the
4 opportunity to speak to this class a week ago. And I
5 assume our chief investigator had an opportunity to speak
6 to them too.

7 DR. MCCALISTER: Not yet.

8 COMMISSIONER BELL: Okay. I would ask that the
9 most senior ranking of -- rank of lieutenant, would you
10 please come to the mic. And you can share any brief
11 remarks that you want to share with the Board.

12 DC FITZGERALD: Who is it?

13 COMMISSIONER BELL: We'll see how fast you can
14 think on your feet.

15 SERGEANT BOWSER: Good afternoon. I'm Brad
16 Bowser, being promoted to lieutenant tomorrow. In regards
17 to the --

18 COMMISSIONER BELL: Whatever you want to share
19 with us.

20 SERGEANT BOWSER: Okay. I think that the group
21 of guys and gals that we have together is a reflection on
22 the department. It's a good mix of folks from a varied
23 background, both patrol, investigative and administrative.
24 So I'd like to say how proud I am of the guys and gals, and
25 I think they're going to do a great job.

1 COMMISSIONER BELL: And thank you for sharing
2 those impromptu remarks.

3 SERGEANT BOWSER: Thanks a lot. I'm all set.

4 COMMISSIONER BELL: That's why you're getting
5 paid the big check now, right? And we're looking forward
6 to seeing you tomorrow; is that correct?

7 SERGEANT BOWSER: Yes, sir.

8 COMMISSIONER BELL: Yes or no?

9 SERGEANT BOWSER: Yes.

10 COMMISSIONER BELL: I mean, we want to know. We
11 plan on being there. We want you to be there too.

12 Thank you. Thank you for coming out and taking
13 time to come to a board. Some of you probably -- perhaps
14 this is your first time attending a board meeting. Is that
15 true?

16 SERGEANT BOWSER: Yes.

17 COMMISSIONER BELL: But you all have probably had
18 the opportunity to interact with OCI though, right? Thank
19 you. Thank you for your attendance. Thank you deputy
20 chief.

21 Do we have any elected officials or elected
22 official representatives in the audience, please?

23 Yes, sir.

24 MR. SLAUGHTER: James Slaughter representing
25 Congresswoman Brenda Lawrence 14th Congressional District.

1 COMMISSIONER BELL: Could you say it a little bit
2 louder.

3 MR. SLAUGHTER: James Slaughter representing
4 Congresswoman Brenda Lawrence, 14th Congressional District.

5 COMMISSIONER BELL: My 14th Congressional
6 District. I just want to share that with you.

7 Any others?

8 If this is your first time -- not discounting the
9 class -- any audience, if this is your first time attending
10 a meeting would you stand please. And your name, please.

11 MS. MAYHAM: Susan Mayham (Phonetic).

12 COMMISSIONER BELL: Thank you for coming out. We
13 appreciate it.

14 MS. MAYHAM: Absolutely.

15 COMMISSIONER BELL: We can move on. On behalf of
16 the Board, I want to express our concern and support for
17 fallen and injured officers and their families including
18 Officer James Hearn. Our board receives a weekly report
19 from the department listing injured officers, but I would
20 ask the chief during his remarks, or the deputy chief
21 during his remarks, to provide us with any additional
22 information related to injured and fallen officers.

23 The Board of Police Commissioners meet every week
24 except for Thanksgiving and Christmas holiday period. We
25 meet at police headquarters in a regular session. Three

1 weeks in the month on Thursday -- third week in the month
2 on Thursday we meet -- let's try that again. Okay, we meet
3 at 3:00 three meetings in the month. On the fourth month
4 -- on the second Thursday of the month we meet at 6:30 p.m.

5 You mentioned I should go over this before I
6 started reading. Get a flow. It's been a while, so --

7 The Board of Police Commissioners exist to
8 provide civilian oversight for the work of the Detroit
9 Police Department. As a Board we receive and investigate
10 noncriminal complaints. We monitor operations of the
11 department and work with the mayor and the chief of police
12 to make or modify police policy. Our objective is the same
13 as the city of Detroit, to provide for the best use of your
14 tax dollars to improve on the quality of life within our
15 city.

16 As a Board we bring a unique perspective to
17 policing, the eyes and viewpoints of civilians. The
18 principle of Civilian Oversight is as old and as important
19 as all of the founding principles in a democracy.
20 Separation of power between when government allows for
21 accountability, transparency, right to appeal and citizen
22 control. These principles are important nationally as well
23 as locally.

24 Today we have two presentations to the Board.
25 The first is the regular report from the Office of the

1 Chief Investigator. Dr. Polly McCalister will be making
2 the report. The second report is from DPD on Advanced
3 Police Technologies. The wording of this presentation in
4 our agenda may appear to be complicated but is a simple
5 concept.

6 Detroit City Charter gives the Board of Police
7 Commissioners supervisory control and oversight over the
8 police department, Section 7802. The charter requires that
9 the chief present to the Board an annual report, Section
10 7806-6, an Annual Department Or Operation Improvement Plan,
11 Section 78067, and under Section 78032 requires the Board
12 to review and approve the department budget before it's
13 submitted to the mayor. If we think about what the charter
14 is attempting to do with these specific requirements within
15 our mandate to provide supervisory control and oversight,
16 the charter is recognizing the importance of civilian
17 authority and policing.

18 Detroit Police Department is a paramilitary
19 organization to provide a crime fighting service for
20 residents and visitors to Detroit. With this in mind, the
21 presentation hopefully would answer four basic questions.

22 Number one, when the department looks outward
23 into the community, what analysis and recommendation does
24 it make for delivering police service to the people?
25 Within the analysis, what two programs and technology do we

1 have to service people? Number three, how well is it
2 working? Can we identify the strength and weakness of our
3 effort? Number four, after examining the effectiveness of
4 these tools, programs and technology, should we continue
5 our investment in these approaches to law enforcement?

6 Depending on the answer to these questions, we
7 can assure the public that our city is using their tax
8 dollars effectively. We can also say that the department
9 priorities reflects the needs of the people because of our
10 proactive view and engagement in policing addressing real
11 conditions.

12 The Board of Police Commissioners depends on the
13 professionalism of the chief and the hard work of the
14 command staff and officers. To make the department work in
15 the interest of all of us, each party must play a role to
16 deliver the police service. Our obligation is to stay out
17 of the day-to-day operation of the department while
18 providing supervisory control and oversight. This means
19 answering the questions and forcing the department to look
20 beyond an individual incident and plan for a reasonable and
21 rational service delivery. Again, I hope the presentation
22 will address these important items. Issues I should say.

23 ON today's agenda is also a resolution to honor
24 32 years of service in the retirement of Police Officer
25 Sharon Elizabeth Tillman.

1 As part of my responsibility as the Chair I have
2 reviewed subcommittee assignments. In your packet you will
3 see a new list of committee assignments. I have tried to
4 balance the assignments and take under consideration the
5 talent and interest within the Board. I have instructed
6 staff to initiate a meeting on under the new committee
7 assignment structure. If any of the Board would like to
8 discuss their assignment, please do so after the meeting.

9 Toward the end of the meeting we'll have oral
10 communication. Please make sure you print your name on a
11 speaker card. Cards are located in the back of the table
12 or can be obtained by Mr. Brown to my far right. And he
13 needs your card before beginning of public comments.

14 That's the end of my remarks. And next item
15 would be the resolution for Retired Police Officer Sharon
16 Tillman by Commissioner Davis.

17 COMMISSIONER DAVIS: Is she in the house? Is she
18 present? If not I will go ahead and read this.

19 RESOLUTION HONORING RETIRED
20 OFFICER SHARON ELIZABETH TILLMAN

22 Police Department on December 3, 1986. Upon

16 Police Department, the citizens of Detroit and
17 its neighboring communities for more than 32
18 years. Her professionalism, commitment to public

20 credit to the Detroit Police Department. She is
21 highly respected as a consummate professional.

22 NOW THEREFORE, BE IT RESOLVED

23 That the Detroit Police of the commission
24 speaking for the citizens of Detroit and the
25 Detroit Police Department award this rest in
recognition of the lifelong commitment to public
safety by officer Sharon Tillman. Your exemplary
service to law enforcement has been an invaluable
asset to the department and meets our highest
regard. We salute and congratulate you officer
Sharon Tillman.

26 The Board of police commissioner with each one
27 signing. So moved.

28 COMMISSIONER BELL: It's been properly moved. I
29 think I hear a second.

30 COMMISSIONER BURCH: Support.

31 COMMISSIONER BELL: It's been properly moved and

1 the supported.

2 Discussion?

3 Those in favor aye.

4 THE BOARD: Aye.

5 COMMISSIONER BELL: Opposed? Thank you,
6 commissioners.

7 Next item would be hearing from Deputy Chief
8 Fitzgerald. But I want to acknowledge Commissioner Willie
9 Burton from District Five for your attendance this
10 afternoon. Thank you, sir.

11 Deputy Chief.

12 DC FITZGERALD: Yes, sir. I will going to the
13 crime stats just go quickly so we can to get to some of
14 this other stuff.

15 The numbers continue to trend in the right
16 direction. We're down 16 criminal homicides over the same
17 period last year, which is in other terms we're at 138 as
18 of this morning. We're at 154 last year, so it's a 10%
19 decrease. Our nonfatal shootings continue to trend in the
20 right direction. We're down 100 over the same time last
21 year, from 387 to 487. We have a slight uptake in the
22 carjackings, and there's a slight uptake in criminal sexual
23 contacts. But it's more of the how we report this year.
24 We've changed the reporting system, so we're working
25 through that now. Response time still hovers right around

1 13 minutes until response time.

2 Update of the injured officers. Officer Waldis
3 Johnson is still recovering at a long-term care facility.
4 Officer Anthony Brown who was run over by a vehicle is
5 recovering at home. For James Kisselburg who suffered
6 gunshot wound is recuperating at home. Officer Eric Smith
7 suffered a gunshot wound as well; recuperating at home.
8 Sergeant Eric Bussi has a broken ankle. He's recuperating
9 at home. Officer Justin Marroquin received trauma to his
10 head. He's recuperating at home. Officer Christopher Bush
11 received some stitches to his right hand. He's
12 recuperating at home as well. Officer Christopher Thurston
13 was involved in a motorcycle accident not too long ago, and
14 he is also doing much much better recuperating. Officer
15 Lemuel Sims early this week was chasing a young man with a
16 pistol, and he thought he fell and broke both legs. Looks
17 like it's going to be ACLs in both knees. So he is -- I'm
18 not sure if that's better than broken bones or not, but
19 he's also resting at home. And then like you stated,
20 Chairperson, that this morning we lost officer James Hearn
21 in a tragic car accident. So, unfortunately, it is another
22 sad day for DPD. I got one other. Officer Robert Kovak
23 who was involved in a bad accident has returned back to
24 work in a restricted duty capacity.

25 On more of a bright side, like I mentioned

1 earlier, a promotional ceremony for our lieutenants and
2 sergeants tomorrow if all can attend. It's at 10:30 a.m.
3 at 14601 Dequindre at the Second Ebenezer Baptist Church.

4 Saturday we have a DPD Field Day over at Wayne
5 State University. It's from 10:00 a.m. to 6:00 p.m.
6 located 42 West Warren. With such events, it's a 5K walk &
7 run, three-on-three basketball, obstacle course, flag
8 football. It's a fun day for everyone. And then next week
9 we have a graduating class from the academy. Class of
10 2018F will be at 1:03 a.m. at 23500 West Seven Mile at the
11 Greater Grace Temple. And that is all I have.

12 COMMISSIONER BELL: Commissioners, any questions
13 or concerns for the deputy chief?

14 COMMISSIONER BURCH: Yes, I do.

15 COMMISSIONER BELL: Yes, ma'am.

16 COMMISSIONER BURCH: Thank you, Mr. Chair.

17 I'd like to ask you, sir, regarding Neighborhood
18 Days; I've heard that Chief Craig is going to be involved
19 with that city-wide organization with Luther Keys of Rise
20 Detroit. Have you heard about that?

21 DC FITZGERALD: I do not know. Is someone here
22 from the chief's office?

23 COMMISSIONER BURCH: Somebody from chief's office
24 should know.

25 DC FITZGERALD: I'm getting a double shake of the

1 head no. So I can follow up on that for you.

2 COMMISSIONER BURCH: Yes. We've heard that
3 ourselves. I believe Chief Craig is supposed to be at
4 Number Eleven --

5 DC FITZGERALD: Okay.

6 COMMISSIONER BURCH: -- on Nevada next Tuesday.
7 The time is 11:00 a.m. with Mr. Luther Keys. And anybody
8 from, Mr. Chair, the Third District. So we want anybody
9 listening, Third District to show up next Tuesday at 11:00
10 a.m. on Nevada.

11 Thank you, sir.

12 COMMISSIONER CARTER: Through the Chair.

13 COMMISSIONER BELL: Yes, ma'am.

14 COMMISSIONER CARTER: I just want to get the
15 deputy chief, if you could point out all seven events
16 that's happening throughout the city of Detroit.

17 DC FITZGERALD: Gnashing that out.

18 COMMISSIONER CARTER: Yes.

19 DC FITZGERALD: Oh, boy, that would be -- again,
20 we have an event. We'll get you the event schedule for all
21 of them. Most of the precincts have an event going.

22 COMMISSIONER CARTER: Okay. That's more so for
23 the audience.

24 DC FITZGERALD: Yeah. No, absolutely, we'll get
25 it out. We blast it anyway. It should go across Facebook

1 and everything else, so --

2 COMMISSIONER CARTER: So National Night Out is?

3 DC FITZGERALD: August 7th.

4 COMMISSIONER CARTER: August 7th.

5 DC FITZGERALD: Yeah.

6 COMMISSIONER CARTER: What time?

7 DC FITZGERALD: At all the precincts I believe it
8 starts at 5:30.

9 COMMISSIONER CARTER: Thank you.

10 DC FITZGERALD: Certainly.

11 COMMISSIONER BELL: I can highlight the Fifth
12 Precinct, because I'm part of the Fifth Precinct.

13 And we are going to be at the water park in
14 Chandler Park. And last year they had over a couple
15 thousand families to come out and able to utilize the water
16 park. And, you know, it's expensive for a family to come
17 out for any gathering of a water park. It's no cost. They
18 got great sponsors and great engagement. So if you're on
19 the eastside of Detroit -- we only want eastsiders coming.

20 COMMISSIONER DAVIS: You can forget that.

21 COMMISSIONER BELL: But it's going to be a great
22 event. They have food. They have games, and they can get
23 in the water. Hopefully it's going to be a nice day. Last
24 year it was just packed. And so look at that on your
25 schedule. All the policemen are participate, and the

1 competition is high. But I just wanted to highlight the
2 Fifth Precinct.

3 I know Eleven and Number Nine, they're all doing
4 some great things, as you mentioned, throughout the city of
5 Detroit. But if you want to get in the water then you need
6 to come to the water park in Chandler Park. It's a great
7 facility. It's one of the blessings of Wayne County on the
8 eastside of Detroit. In fact, it's part of the city of
9 Detroit. So I just want to mention that so you have the
10 date. Once again, only eastsiders are invited but the
11 other folks --

12 COMMISSIONER DAVIS: Everybody's invited.

13 COMMISSIONER BELL: You folks can drop in. They
14 can come. Bring your swimming suit, you know. And also
15 it's just going to be a great day for that type of activity
16 throughout DPD in terms of community, especially the young
17 people and families. So that's really a blessing to all
18 concerned parties. Is that it, deputy chief?

19 DC FITZGERALD: Yes.

20 COMMISSIONER BELL: Okay.

21 COMMISSIONER BURCH: Mr. Chair.

22 COMMISSIONER BELL: Yes, ma'am.

23 COMMISSIONER BURCH: If you would, I do have a
24 flyer for you, sir.

25 DC FITZGERALD: Wonderful.

1 COMMISSIONER BURCH: May I give it to you about
2 the Neighborhood Day?

3 DC FITZGERALD: Absolutely.

4 COMMISSIONER BURCH: Also another event is coming
5 up this Saturday.

6 DC FITZGERALD: I'll get it from you after.

7 COMMISSIONER BURCH: After.

8 DC FITZGERALD: Perfect.

9 COMMISSIONER BURCH: But I want the audience to
10 have this flyer.

11 DC FITZGERALD: Oh, absolutely.

12 COMMISSIONER BELL: Pass it around.

13 COMMISSIONER BURCH: Save one for him. Thank
14 you.

15 COMMISSIONER BELL: Okay. Moving on, next item
16 of business would be hearing from Dr. Paula McCalister, OCI
17 report. Thank you.

18 DR. MCCALISTER: Good afternoon again.

19 COMMISSIONER BROOKS: Good afternoon.

20 DR. MCCALISTER: Okay, so every month we talk
21 about something different. We talked about our pool, our
22 Y, what we do, when we do it. Last month we talked about
23 working together. This month we're going to talk about are
24 we getting it right?

25 In a recent study in Toronto, civilian oversight

1 it noted to really be effective we have to foster a
2 harmonious relationship with the police and the community.
3 And if you notice there's a check there because you're
4 doing that. We must be proactive with outreach efforts.
5 We're doing that. Provide a forum for citizens to voice
6 their concerns. We're doing that. Information must be
7 passed on to the police departments for either remedial or
8 preventive measures, and we're doing that. Create alliance
9 between the police and the community. We need to become
10 the mediators. The only thing that we're not doing is
11 always infer that simply because we have civilian oversight
12 does not mean that there's not a lack of trust. And we'll
13 start that next month. And do not opt out for only
14 civilian system but include police within investigative
15 process, which we do.

16 (Translated in Spanish)

17 DR. MCCALISTER: So are we ahead of other
18 civilian oversights or review boards?

19 Of the top 50 largest police departments 26 have
20 no civilian review boards or oversights. This leaves 23
21 million residents who do not have an avenue to file
22 complaints. While some do have a simple form of civilian
23 oversight, it does not extend beyond the local government.

24 The eight civilian review boards that are led by
25 a majority of non-mayoral nominees are Dallas, Miami-Dade,

1 Las Vegas, Atlanta, Indianapolis, Miami, Newark and
2 Albuquerque. Detroit has a police commission led by eleven
3 members, seven of whom are elected by the people of
4 Detroit. And this is a model that does not exist anywhere
5 else, so you should kind of like clap it up for yourself.

6 COMMISSIONER BURCH: Yes.

7 DR. MCCALISTER: And currently there's not a lot
8 of research on civilian oversight. It's more of a review
9 board, so a lot of it we had to combine.

10 (Translated in Spanish)

11 DR. MCCALISTER: So here is our normal data that
12 we present every month regarding our citizen complaints.
13 We actually had a 22% decrease in citizen complaints for
14 June. I think a lot of that has to do with the training.
15 And then our meetings with Assistant Chief Williams; he
16 takes the information, he contacts the command and kind of
17 like tells them where they're deficient at so they can
18 correct themselves. So we just don't keep repeating the
19 same type of complaints.

20 (Translated in Spanish)

21 DR. MCCALISTER: So for our citizen's complaints
22 regarding member's behavior. We started this last month
23 tracking which command actually gets the complaints. AC
24 Williams also sent out a directive to address the
25 complaints regarding our unknowns. So if you see that 34

1 on there, we're actually working to bring that down.

2 OCI investigators have promptly identified 25 of
3 the 34 that we have received as unknowns. And we have 7 of
4 the 34 that are still being researched to identify the
5 officers.

6 (Translated in Spanish)

7 DR. MCCALISTER: This is just a graph for the
8 unknowns so that you can clearly see that of the ones that
9 we have identified were 25, and we have currently one that
10 we have not been able to identify. So that just gives you
11 a graph so you can kind of really see it.

12 (Translated in Spanish)

13 DR. MCCALISTER: Now these are our CCR
14 allegations. In May we had 52 for procedure. If you
15 notice for procedure right now we're at 47. So that's a
16 good decrease. Demeanor we're up a couple, but we're going
17 to continue working on that. And service we're just a
18 little high. But we hope, you know, as we continue to work
19 with the department we can bring those numbers down.

20 (Translated in Spanish)

21 DR. MCCALISTER: And this was started due from
22 Commissioner Bell about officers using profanity. We had a
23 couple of increases for June. But I think if we continue
24 to talk about it we'll relate to it. However, we are
25 adding offensive slurs which may deal with a race issue or

1 a gender issue. And we're going to start tracking that as
2 of next month. But we did want to include that.

3 COMMISSIONER BELL: Good.

4 (Translated in Spanish)

5 DR. MCCALISTER: So this is our electronic
6 evidence. Out of our complaints, 40 involved body worn
7 cameras, 13 involved in-car video. Thirty-one were
8 actually captured, nine were not, and three were
9 inconclusive. What we want to focus on for this month
10 moving forward and is to really encourage officers to wear
11 their body cameras. Because a lot of complaints that we
12 get in we're actually being able to do unfounded. Because
13 it's really proving that because of that body camera we
14 have actual proof that you did not do what the citizen
15 accused you of.

16 (Translated in Spanish)

17 DR. MCCALISTER: Now this is our seniority and
18 rank as far as complaints. For lieutenants we remain the
19 same for May. Sergeants we decrease by two. Officers with
20 one year or less, we are actually down by eleven
21 complaints. And I think a lot of that comes from the
22 training and constantly talking to them about what they
23 need to do and what they don't need to do. Officers with
24 two years, we're actually down two complaints. Officers
25 with ten to nineteen years, we're down nine complaints.

1 Officers with twenty to twenty-nine years, we're down four.
2 And officers with thirty years, we're actually up eight
3 complaints. I know it's bad.

4 (Translated in Spanish)

5 DR. MCCALISTER: And as always, we talk about our
6 goals. And the checks there lets you know that we are
7 doing this, so we are making progress.

8 I want to address language barriers, which we
9 will continue to do. Continue to build relationships with
10 the Detroit Police Department. Continue to work with
11 Assistant Chief Williams. What we'd like to do is create a
12 mediation initiative. Research has proven it serves
13 citizens better than actual complaints. Senior
14 Investigator Moses will be doing a presentation next month.
15 Develop a positive initiative yearly. We did that. We did
16 the Think Before You Speak. AC William sent out a
17 directive for all precinct to get involved, and we're
18 supposed to get or their calendars monthly, so we're
19 waiting on that. Continue to monitor the profanity
20 complaints for Commissioner Bell.

21 And our new thing for Chief Investigator's Office
22 is improve and inspire. So we always want to improve and
23 we always want to inspire. We had an intern, and she's
24 still here, named Mika Givens. She's not here today
25 because she goes to Cass Tech and they're starting their

1 SAT studies. But she came in and she wanted to do premed.
2 Well after a couple of weeks with me and Investigator Moses
3 she wants to become a police officer.

4 (APPLAUSE)

5 DR. MCCALISTER: So -- yep. So she sat down with
6 Assistant Chief Lashinda Stair and they had an awesome
7 conversation, but we wanted to open that up to the board.
8 We would love for you guys to try to spend some time with
9 her. We only have her Monday, Tuesday and Wednesday from
10 9:00 to 2:00, but I can drive her to wherever you're at,
11 and you can kind of like just explain your role and why you
12 do what you do. She's interested in being a police
13 officer, but she has aspirations of assistant chief or
14 greater. So we really want to kind of like support her and
15 watch her graduate and hopefully come on the job.

16 At this time I really want to thank Murphy and
17 Investigator Quick. Are you here? Could you stand,
18 please. These two started the Think Before You Speak
19 campaign along with Rosie. And they went out to the
20 precincts to speak, and I'm the still getting phone calls
21 about the job that they did. So I really want to thank
22 them for taking the initiative, going out there, talking to
23 the officers and just giving them some overall good advice
24 about how to keep your record clean.

25 (APPLAUSE)

1 DR. MCCALISTER: And I want to thank Rosie for
2 standing up here interpreting this for me. It's important
3 that we try to address all the barriers with our community
4 so that they feel included with our process.

5 In your package you have a couple of sheets of
6 paper. It talks about getting it right. If you look at
7 the other review boards -- and although you're not a review
8 board, if you do a comparison we are so far ahead of other
9 civilian oversights and review boards. And this should
10 make you really feel good about what you do, because you
11 are ahead. Do we have any questions?

12 COMMISSIONER BURCH: You said we are ahead?

13 DR. MCCALISTER: You are ahead, yes.

14 COMMISSIONER DAVIS: Unique.

15 DR. MCCALISTER: You are rather unique too. If
16 you read through this, you can kind of see how far ahead we
17 actually are.

18 Any questions?

19 COMMISSIONER DEWAELSCHE: Mr. Chair, if I may.

20 COMMISSIONER BELL: Questions.

21 COMMISSIONER DEWAELSCHE: I believe that we have
22 the last page that Rosie did not interpret. And I think
23 it's important, because it has all your points there.

24 (Last portion of report interpreted in Spanish)

25 DR. MCCALISTER: Excellent job. Excellent job.

1 Thank you.

2 (APPLAUSE)

3 COMMISSIONER BELL: Commissioners, any questions
4 or concerns for the chief investigator?

5 COMMISSIONER BURCH: Just a comment to say
6 fantastic job Investigator McCalister.

7 DR. MCCALISTER: Thank you.

8 COMMISSIONER BURCH: And Investigator Rosie. Is
9 it Rosie or Rosa?

10 DR. MCCALISTER: Rosie.

11 COMMISSIONER BURCH: Rosie. Excellent job. Just
12 want to thank you, and thanks for taking our comments to
13 put on your checklist.

14 DR. MCCALISTER: Oh, yes. I listen.

15 COMMISSIONER BURCH: Because we work together.
16 It's wonderful. God bless.

17 DR. MCCALISTER: Absolutely. Thank you.

18 COMMISSIONER BELL: Thank you. I just want to
19 convey to our graduating promotion class, I hope that you
20 got something out of this. As we have opportunity to speak
21 to you, you got a firsthand insight in terms of the work of
22 the Board, especially the Office of the Chief Investigator,
23 because you are going to be in close contact, especially
24 with the newly promoted sergeants, that type of
25 interaction. So we want to make sure that you understand

1 the process, why the citizen complaint process is so
2 critical to the community in Detroit and most urban cities.
3 And I've been engaging since 1974 when the first body was
4 by the city charter and Mayor Coleman Young installed the
5 first panel of five individuals. So we continue on that
6 path.

7 There's a distinct difference between a review
8 board and the board that we have in Detroit. And we're now
9 in an electoral process. As I emphasize to you that you
10 need to read the city charter. You really need to
11 understand the city charter, the mandate of this Board of
12 Police Commissioners and also DPD. In the city charter it
13 covers those areas that you should be familiar with. I
14 know sergeant wants to make lieutenant, lieutenant wants to
15 make captain and etc., etc. So you need to just continue
16 to educate yourself as far as what's happening in our
17 community, especially the issues that we're dealing with
18 and why people -- if there's an outlet for them then they
19 can respond. And we're trying to drive down that gap. And
20 we're also trying to be customer friendly.

21 The language that you hear, the F word is no part
22 of communicating. I'm pretty sure as chief investigator
23 you can advance, go to the dictionary and get your point
24 across in other manners. So that's what we're trying to
25 emphasize. Customer service is crucial. And if you drive

1 a certain car, you know, if you go to a certain dealer you
2 get special service. Well I feel as though everybody in
3 Detroit is entitled to special service, VIP treatment
4 whether you live in Palmer Park or Bewick or eastside or
5 west side.

6 You are very fortunate to be in these positions
7 as first line supervisors. My highest rank was lieutenant.
8 And so sergeants and lieutenants, I know you're go to be
9 dealing with the troops, right? So you have the
10 opportunity to have a moral impact because you're there
11 24/7 in some capacity, so we want your lead. Now all I
12 have to say tomorrow is congratulations. I already gave
13 you my speech.

14 But we can move right on to -- the next item will
15 be Advanced Police Technologies. One of our favorite. My
16 former --

17 COMMANDER BLISS: It's the Fifth Precinct.

18 COMMISSIONER BELL: Fifth Precinct. It says that
19 right there.

20 COMMANDER BLISS: Good afternoon, Board.

21 THE BOARD: Good afternoon.

22 COMMANDER BLISS: Good afternoon, Deputy Chief
23 Fitzgerald. I'm commander Mark Bliss, Office Support
24 Operations. I'm here to present to you today on Advance
25 Police Technologies. Originally Assistant Chief White was

1 to give this presentation, but he is off today on personal
2 business. But he did go over this topic with me, and I am
3 prepared to answer any questions that you may have. But as
4 always, if I cannot answer it, I will get you a response in
5 a timely manner.

6 Before I start I just want to single out two
7 people who were critical in putting this together. So the
8 first one, Captain Karey Sloan. Captain Karey Sloan; that
9 is Realtime Crime. Ladies and gentlemen, Realtime Crime.
10 There are so many times that I have to go to her ask
11 questions; how do we do this? How do whoa do this? and
12 she'll give me an explanation. And then I'll say, can you
13 dumb it down for me a bit? So then she will give me well
14 the dumber version. I'll contemplate it, and I'll say can
15 you dumb it down even more for me, and then I'll finally
16 get it.

17 The second person is Mr. Neal Tomby (Phonetic).
18 Mr. Neal Tomby, he's our technology guy. He's a University
19 of Michigan grad. Please don't hold that against him. I
20 didn't. And I'm Spartan, but we still talk. But, you
21 know, when we try to dream up, we try to use technology we
22 need people like that to say, yes, we can do it; this is
23 how you do it. And then in certain cases he can confuse us
24 even more. So it's very helpful. But today we're going to
25 be looking at three areas that technology has assisted us

1 with crime and with quality of life issues.

2 The first one, the obvious one, Project Green
3 Light. We all know what Project Green Light is, but I'll
4 give you a brief example, a little bit of an overview on
5 it.

6 In late 2015 there was a problem identified. A
7 disproportionate number of violent crimes occurred at or
8 near gas stations or liquor stores from about 10:00 p.m. to
9 8:00 a.m. So we started to see that. What did we do? We
10 had a solution for it. We used technology and we launched
11 in 2016 the Project Green Light Detroit. It was a
12 partnership with local businesses to improve neighborhood
13 safety, to increase police presence, deterrence and high
14 quality video Livestream from the business to DPD,
15 specifically realtime crime.

16 So what did it do? What was the impact of that?
17 That technology, putting those high definition cameras out
18 there, allowed us to the impact from 2018 a 39%
19 year-to-date violent crime reduction when you compare the
20 crimes from 2015 to 2018.

21 Success story under Project Green Light. We had
22 a hit-and-run. We responded to a fatal hit-and-run scene
23 on July 17th at West Seven Mile Road. While monitoring the
24 computer aided dispatch crime intel observed this
25 hit-and-run minutes after it occurred. On your upper left

1 of the screen you can see the vehicle that -- it was right
2 after the hit-and-run. It's the one that's circled in red.
3 The analyst quickly identified the vehicle at a different
4 Green Light location that matched the description. Through
5 further investigation the suspect was arrested on the 19th
6 of July, two days later, and charged with failure to stop
7 at a scene of a serious personal injury accident.

8 Another success story. Project Green Light; we
9 responded to a shooting, a stabbing call on Memorial Day on
10 May 28th. At that time crime intel and Homicide analyzed
11 video from a Green Light location. Video evidence to
12 identify the suspect and his license plate. You can see on
13 your left a picture of the vehicle with the license plate
14 obscured, and then you can see on your right a picture of
15 the suspect. Through Project Green Light and the video we
16 were able to identify that suspect who was arrested on the
17 18th and charged homicide. So two success stories just on
18 utilizing that technology in Project Green Light.

19 Another issue, quality of life issue. And we all
20 -- let's go back. Quality of life issue. Dumping.
21 Illegal dumping. We all know that throughout our
22 precincts, throughout the city we have illegal dumping. We
23 identified each week that workers from the city's Detroit
24 Public Works remove about 500 tons of illegally dumped
25 materials across the city.

1 What is 500 tons? So let me give you a
2 comparison of what that would be. It would be about the
3 weight of 250 automobiles. In one week 250 automobiles,
4 that type of tonnage.

5 What did we do? We took the same technology. We
6 used those high definition videos. We installed it in
7 those areas where we saw that there was a lot of illegal
8 dumping. We did it covertly. We were able then throughout
9 the city to identify and prosecute people who dumped
10 illegally in Detroit. The impact? Since July of 2017 till
11 now we have issued about \$73,000 in fine, arrested 53
12 individuals, and we have seized about 80 vehicles.

13 (APPLAUSE)

14 COMMANDER BLISS: Success story for our illegal
15 dumping. On the 27th of June Realtime Crime observed a
16 vehicle discarding waste from a trailer. Realtime Crime
17 called Communications and notified patrol officers who were
18 out on routine patrol who responded to this location and
19 arrested the driver who was from Redford Township on scene.
20 They also issued a violation for littering and his vehicle
21 was impounded. The passenger who was from Detroit was also
22 issued a blight ticket.

23 Now since we are using technology, let's see if
24 it works. Ladies and gentlemen. Or not. Moving on.
25 Moving on.

1 Another success story. Again, Realtime Crime
2 observed a subject dumping on the city's westside. Members
3 of our department's General Assignment Unit conducted an
4 investigation and identified the subject who was from
5 Detroit. He was arrested, issued violations, and his
6 vehicle was impounded. He pled guilty and was find \$1,700
7 for illegal dumping.

8 And finally, if I could get there. Finally I
9 want to change views, and I want to look at Communications,
10 our 9-1-1 operators.

11 This is a quality of life issue. It has to deal
12 with when someone calls in with a medical emergency to our
13 9-1-1 operators. Our previous practice was they would call
14 in, they have a medical emergency, we would ask random
15 questions. And then if we got enough information, we would
16 send an EMS rig out there.

17 Well we took a good hard look at that. Is that
18 the best way to do that? Is that what other large cities
19 do? Is that what is the national protocol? We felt it
20 wasn't. So what we did was we implemented ProQA for calls
21 which guides call takers through questions to better
22 understand the victim's continue condition.

23 So ProQA it's more than a computer program. What
24 it does is it gives -- it was developed by a doctor. Let
25 me give you some background. It was the developed by a

1 doctor; protocol how to ask certain specific questions in a
2 certain order. So what you do is you filter down getting
3 to the root of a problem.

4 And how does that help us? It helps us because
5 as you know we have the rigs, EMS response, all across the
6 city. But there's different type of resources in each of
7 those rigs. So what we never want to do is send EMS to a
8 location and we don't have the resources to handle that
9 problem. This eliminates that. You ask those questions.
10 We know exactly what to send, and then we send it so you
11 get exactly what you need for your medical emergency.

12 But how do we do that? Instead of randomly
13 asking questions, each of our 9-1-1 callers has these types
14 of books (Indicating). They get trained. This training is
15 ongoing. As a matter of fact, I talked to one ProQA person
16 and they indicated that they've been doing this for four
17 years. And due to the updates to the protocols and whatnot
18 that there's always something to learn.

19 But they go through this book. And I will -- you
20 can see the book after my presentation. They go through
21 this book, and they're able to identify and they're able to
22 give specific instructions based on the answers that they
23 get to stabilize that individual while they're getting the
24 resources to that person. And what does that do? Cuts
25 down on time and gets you what you need. Because in an

1 emergency every minute counts.

2 So a perfect example of this, our last success
3 story, May 6, 2018 a 9-1-1 operator receives a call from a
4 citizen needing emergency assistance from her mother who is
5 experiencing life-threatening symptoms. Utilizing the
6 ProQA protocol, the operator provided time sensitive life
7 saving instructions. Additionally, the operator's
8 instructions to the caller stabilized the mother until help
9 arrived.

10 So what they actually did is while EMS was en
11 route they were actually -- the operator was actually
12 working with the person, with the caller, to give CPR to
13 make sure that the timing and the breaths were coming in.
14 And that person did recover from that. So those are just
15 three areas where we have utilized technology in order to
16 not only combat crimes but to work on quality of life
17 issues.

18 Any questions?

19 COMMISSIONER BELL: Commissioners, questions or
20 comments?

21 COMMISSIONER BURCH: Yes, sir. I just want to
22 commend you, because I think it's great when you catch
23 these people that are coming into our cities, especially
24 the dumping. The Green Light is excellent, but I just want
25 to ask you one question. Where does the money -- you know,

1 when you collected the -- what do you call it? I'm trying
2 to think. When they're caught and they're find, right --

3 COMMANDER BLISS: Yes.

4 COMMISSIONER BURCH: -- where does that money go?

5 COMMANDER BLISS: It goes back into the general
6 fund.

7 COMMISSIONER BURCH: What's the general fund?

8 COMMANDER BLISS: It goes back to the city.

9 COMMISSIONER BURCH: You know why I say that?
10 'Cause we've I say that? Because we've been hearing that
11 about public schools, a general fund. So I just think
12 people need to know exactly what mean by general fund. You
13 know, where is it going.

14 COMMANDER BLISS: Through the Chair. What I can
15 do is I can actually get that information for you.

16 COMMISSIONER BURCH: Break it down.

17 COMMANDER BLISS: Yes, ma'am.

18 COMMISSIONER BURCH: Thank you.

19 COMMISSIONER BELL: Break it down.

20 Any other commissioners?

21 Thank you. Outstanding reporting out.

22 COMMANDER BLISS: I do apologize for the
23 technology issues. As you know, technology has a mind of
24 it's own sometimes.

25 COMMISSIONER BELL: Yes indeed. Appreciate it

1 that we have made these advancements, and we're still
2 making progress. I'm just impressed what I have witnessed
3 the last five years sitting here in terms of how we're
4 operating now versus back in 1902.

5 COMMANDER BLISS: We're just getting started.

6 COMMISSIONER BELL: But Commander Bliss, you
7 always -- and he really was an excellent captain at the
8 precinct. We had the ground breaking at the precinct. You
9 ran that precinct and very observant in terms of the
10 interaction with the people there. And happy to see you in
11 the rank of commander and wish you the best. Thank you.

12 COMMANDER BLISS: Thank you, sir.

13 COMMISSIONER HOLLEY: You got a lot of history
14 don't you, man? 1902?

15 COMMISSIONER BROOKS: I would like to compliment
16 our staff. Whoever sends out a list of where the Green
17 Lights are, thank you. Because a lot of times people will
18 ask you if they find out if you're a police commissioner,
19 you know, we want to shop where there's a Green Light. We
20 want to go to a drug store or a gas station. So thanks to
21 the staff for giving us a list of where all the Green
22 Lights are, and they keep it up to date.

23 COMMISSIONER BELL: Okay. Moving on to the next
24 item would be any standing ad hoc committee reports at this
25 time.

1 I do want -- I always want to hear from
2 Commissioner Brooks in terms of some remarks about
3 recruiting. I think that's always appropriate that we sort
4 of share that, especially with our audience that's watching
5 us. So can you make some comments about recruiting.

6 COMMISSIONER BROOKS: The only comments I have to
7 make is that we're moving ahead. We have a meeting with
8 Recruiting for the first of August; field recruiting. And
9 we have a meeting with OCI, the 14th of August, which is
10 being very helpful and helping us to go out and recruit.

11 And I'm not going to tell you anymore because
12 some great things are going on. We're really, really
13 organizing so that we can get out there and help the field
14 recruiters to get a job done so that we can recruit the
15 best police officers that we can recruit. So I'm looking
16 forward to our meeting, our goals and strategies we're
17 putting together, and we're going to make this goal. Thank
18 you.

19 COMMISSIONER BELL: I'd like to have one more
20 comment. Commissioner Brooks, you know, should our
21 sergeants and lieutenants be recruiting.

22 COMMISSIONER BROOKS: Should our --

23 COMMISSIONER BELL: Sergeants and lieutenants.

24 COMMISSIONER BROOKS: Oh, yes. My gosh. When
25 you leave here you are recruiters. In church, wherever you

1 go, please talk about recruiting. It's really, really a
2 good thing. So all of you out there are recruiters. Go to
3 church, tell them about them. At home you might have
4 friends, relatives --

5 COMMISSIONER HOLLEY: In the bar. Everywhere.

6 COMMISSIONER BROOKS: I don't know about the bar.
7 We don't want them from the bar. But any place we really
8 really thank you all.

9 COMMISSIONER BELL: Well Commissioner Brooks is
10 not aware of our activities socially throughout the city of
11 Detroit. We are not restricted, so we are in the bars and
12 inspection and etc., etc. But I know you're going to be
13 highlighting your newly promoted rank. So you can somewhat
14 mention about recruiting that you have arrived as sergeant
15 and lieutenants. So I want to tie that in. Because
16 everybody's going to know you've been newly promoted, your
17 family and loved one, right?

18 OFFICERS: Right.

19 COMMISSIONER BELL: Thank you. Thank you.

20 COMMISSIONER BURCH: Mr. Chair.

21 COMMISSIONER BELL: Yes.

22 COMMISSIONER BURCH: I want to commend
23 Ms. Blossom -- I don't think she's here -- and Mr. Hicks.
24 They put together this community newsletter that went to
25 all of the districts. I know I was more impressed by it

1 because I received more calls because they were aware.
2 Hey, you mean that lady is over here in this district? So
3 the map that they showed -- did everybody out there get
4 these in their neighborhood?

5 UNKNOWN SPEAKER: No.

6 COMMISSIONER BURCH: Who said no?

7 UNKNOWN SPEAKER: Ms. -- inaudible --

8 COMMISSIONER BURCH: Well you're going to get it.
9 Does it come out monthly.

10 MR. HICKS: No. No.

11 COMMISSIONER BURCH: What quarterly?

12 COMMISSIONER BURTON: Me or my residents, we
13 haven't received one of those newsletters.

14 COMMISSIONER BELL: Well we can not -- at this
15 time we cannot mail to the entire city, so it does not
16 reflect the entire city. But hopefully in the future as
17 our budget increases we can do more. I don't know, but
18 there was a significant number that went out. And I know
19 when we met with Chief Craig on Tuesday afternoon his
20 father got one. He was parading that and say, hey, I see
21 you in this community paper here. So we can do better in
22 the future.

23 COMMISSIONER BURTON: But through the Chair, if
24 we have a -- if we have a community newsletter that's
25 supposed to go out to Detroit residents, how come it's not

1 reaching all of our constituents?

2 I have talked to residents from various
3 districts. They received the community news letter, but my
4 residents have not received it. I would like to know where
5 this newsletter went out, what districts did it go out to,
6 and why District 5 was missed.

7 MR. HICKS: Mr. Chair.

8 COMMISSIONER BELL: If Mr. Hicks --

9 MR. HICKS: Yes. If I can -- and I don't want to
10 try to get too detailed in this.

11 COMMISSIONER BELL: Yes, sir.

12 MR. HICKS: What we do is we take essentially the
13 city of Detroit's voter list. We household that list,
14 because they're -- in a household there are anywhere from
15 two to five individuals or whatever in a household. We
16 household it down so that we mail to the top person on that
17 list, and it goes directly to their household.

18 This particular mailing went to all of the
19 districts. I am a member -- I'm a resident of District 5.
20 I did receive such a mailing. And several individuals on
21 my block and people I'm in communication have already fed
22 back that they received it. One of them even came up with
23 a suggestion in terms of how we can improve it and so
24 forth. So there's a certain amount of information that's
25 out there that's feedback and so forth.

1 Whatever you're household on that list reducing
2 it from its largest number. In our case our voter records
3 may contain something like 400,000 individuals. That gets
4 household down to about 150,000. And that's the base group
5 that we mail to. In those situations, yes, there may be
6 some omissions, but that's not the rule. We are -- it's to
7 our advantage to try to reach out to everyone in the
8 community. And as far as we can know, people are receiving
9 this.

10 We would like to know if there are blocks of
11 people in a community that is not receiving it. We would
12 like to know that. Because what we would do is go back and
13 check the original list that we're using to make sure that
14 that list is being updated properly and so forth.

15 COMMISSIONER BURTON: Through the Chair, I just
16 want to say that we should not show any favoritism and
17 nepotism from this body as far as when we're talking about
18 a community newsletter when we are a body that has a Board
19 that has a \$4 million budget. I'd like to see in an email
20 or something in writing where this newsletter circulated in
21 District 5, because my residents have not received this
22 newsletter. I'm out in the community. You know, but we
23 hear that folks in District 1, District 6, District 7 all
24 received the newsletter. My residents, my neighbors,
25 including myself, we have not seen this newsletter.

1 COMMISSIONER BELL: Well, Commissioner Burton,
2 it's been duly noted. And this is a District 5 resident.
3 But I know everybody did not receive one throughout the
4 city of Detroit. But this is rather historic. This is the
5 second mailing of this nature, so we have come a long way.
6 Prior to that it was no mailing at all, so we've come a
7 long way in terms of trying to reach. But it's not
8 practical to say we're going to reach every household in
9 the city of Detroit. Even the city clerk is not able to
10 achieve that because of so many issues. But it's been duly
11 noted.

12 COMMISSIONER BURTON: Mr. Chairman, we had -- I
13 guess you all hired someone to do GSI or something or
14 whatever that's looking at voter data. You know, I'd like
15 to know where this -- I think all of the commissioners
16 would like to know for their districts where this mailer
17 actually -- who it reached in their district. Because my
18 neighbors, once again, have not received it. I talk with
19 seniors daily. None of them have received it. We're
20 hearing about it on social media, I mean, with I guess
21 Commissioner Davis here, you know, talked about the good
22 news about the news letters. My residents have not
23 received it.

24 COMMISSIONER DAVIS: And a lot of my neighbors
25 received it.

1 COMMISSIONER BURTON: And mine haven't.

2 COMMISSIONER BELL: Okay, it's duly noted, sir.
3 We're going to move on and you can talk to Mr. Hicks
4 offline.

5 MR. HICKS: Mr. Chair, what we can do is we can
6 simply pull the receipt that we received from the post
7 office which breaks down the mailings into zip codes, and I
8 can verify through their receipt what zip codes were mailed
9 to. I cannot break it down to the individual street. I
10 mean, we could but that would take a great amount of energy
11 in order to do that. But we can verify what zip codes that
12 these mailings went to.

13 COMMISSIONER BELL: I think the majority of
14 commissioners are pleased that we have taken this
15 extraordinary step to mail out. And like I stated, we
16 can't reach 100%, but we've given it a good start and we've
17 come a long way. So let us move on to the next item and --
18 Mr. Hicks.

19 MR. HICKS: Thank you, Mr. Chair. I just simply
20 under the -- my report, wanted to call your attention to
21 two items. And both of the items are listed on the agenda.
22 And these are again items for your information. It's not
23 necessarily for your action. One of them Deputy Chief
24 Fitzgerald has already reported on, and that was the
25 communications inviting you to attend the 2018-F

1 graduation.

2 And then the second item that's listed on here is
3 that the Board in it's official capacity -- and I believe
4 the City of Detroit and probably the Chief's Office
5 received a summons yesterday in a case that -- this is the
6 case that involved Commander Leach. And what we do with a
7 summons like that is simply turn that summons over to the
8 city's Law Department, and the city's Law Department then
9 represents our interest moving forward. But you need to
10 know that the item is in there. And in your package, for
11 those who wanted to just generally keep up with the case,
12 there is a one page summary.

13 I'll just summarize it. And I'll just remind you
14 that this one page summary represents a summation of the
15 plaintiff's work. It's not necessarily both sides of it;
16 it's only what the complaint is alleging. So that summary
17 is in your package so that you if you want to read it you
18 can keep abreast of it as a topic. And that would conclude
19 any report that I would have this evening.

20 COMMISSIONER BELL: Any questions or concern to
21 the board secretary?

22 If not we move on to old business. Any old
23 business?

24 Any new business?

25 COMMISSIONER BURCH: Excuse me.

1 COMMISSIONER BELL: Yes, ma'am.

2 COMMISSIONER BURCH: Would new business be the
3 cleanup we're doing in the Third District since it's going
4 to be this Saturday? Would that be directed in that?

5 COMMISSIONER BELL: Yes, ma'am.

6 COMMISSIONER BURCH: I would like to invite
7 everybody, especially the listening audience, that you are
8 invite from the District 3 major cleanup on Stender. This
9 is on the eastside of the Detroit, Stender and Dequindre.
10 We're asking for big bulldozers. That this is a horrific
11 spot on the corner of the Stender and Dequindre. That we
12 have the Wayne State University students as volunteers
13 coming out. So if we already have 60 volunteers. We need
14 60 more. Because this is a horrific, like I said, terrible
15 corner. So we're asking all of you to come out this
16 Saturday. We start at 8:00 a.m. until it's completed.

17 So if we have the big bulldozers, they come
18 Friday. Okay? And then the volunteers come Saturday.
19 Okay? So if you know somebody that has heavy equipment,
20 please send them my way. Give them my number. This is the
21 Third District, Eleventh Precinct, and your Commissioner
22 Shirley Burch. Thank you.

23 COMMISSIONER BELL: PSA announcement.

24 COMMISSIONER BURCH: Yes.

25 COMMISSIONER DAVIS: Which we're doing a lot more

1 of, Public Service Announcements.

2 COMMISSIONER BELL: Outstanding. Thank you.

3 Thank you.

4 Any other new business? Announcements?

5 The next meeting is scheduled for Thursday August
6 2, 2018 right here at 3:00 p.m. the Public Safety Building,
7 1301 Third Street. And -- right date, right? On August
8 the 9th would be the community meeting, And that's going to
9 be at 6:30 p.m. That's in the Fifth Precinct at Northeast
10 Guidance Center, Wellness Academy Building A, 2900 Conners.
11 That's just south of Mack. Just south of the Fifth
12 Precinct. So that's going to be the location for the
13 community meeting in the month of August.

14 The next item will be oral communication from the
15 public. You have two minutes. Mr. Brown is going to call
16 you up. Please give your name and your concern. You have
17 two minutes. Mr. Brown is going to hold a card, and I hope
18 that you'll respect the process. It's a privilege. It's
19 not a right. So we want to give you that opportunity at
20 this particular time.

21 MR. BROWN: Yeah, Mr. Chair, I have one card.
22 Ms. Faith.

23 MS. FAITH: Got the laptop left up on here like
24 I'm going to make a presentation. Welcome, to the Board.

25 COMMISSIONER HOLLEY: Can you pull the mic down.

1 MS. FAITH: Can they hear me?

2 COMMISSIONER HOLLEY: Yes, ma'am.

3 MS. FAITH: Okay. Welcome, to the Board. And
4 for the record, my name is Ms. Faith. I want to welcome
5 everyone here, including the commissioners and all of you,
6 and the guest. I thank God for being here. I'm glad to
7 hear everyone's report and enjoyed hearing what I heard.
8 The same thing goes this time as usual. Everybody is
9 treated with respect and dignity. And as they continue to
10 take care not to do anything to the self image as you do,
11 you respect people's self image when you're speaking and
12 when they're speaking. If there's a grievance, even in the
13 task, it's always with dignity and respect to person's
14 treated with patience, especially elders like myself.

15 And I was going to say a lot of different things.
16 There was -- went to visit the hospital. I had --
17 yesterday I had another stroke I believe because one side
18 of my face is dragging and drooping. Same symptoms came up
19 again. And the doctor the last time I was in emergency
20 said there was no stroke, but one side of my face is not
21 cooperating with the other side. It's overcompensating to
22 one side, and so I want to speak to someone about that.

23 And I have only one minute left. So I want to
24 proceed with the other part of the things that I wanted to
25 comment on. There was a blackout last night at the

1 building that I was at. I commend the officers at the
2 precinct of the Fifth Precinct. They were standing by and
3 they were helping and doing what they could do. There was
4 no need for EMS to come, but by morning the lights were
5 back on, and I was very appreciative of 9-1-1 and the
6 officers being there. There was black in this
7 neighborhood. And the work that they did to help me to get
8 to DTE and so that the people there -- there are elderly
9 people in wheelchairs and scooters. Some can't speak,
10 couldn't get down the elevator. There was blackness
11 everywhere. But by morning there was -- the light and the
12 power was restored. So I just want to commend the Fifth
13 Precinct for standing by the 9-1-1 and how they facilitated
14 all the help that they needed to have at the time for the
15 people there as well as for myself. Thank you all very
16 much.

17 COMMISSIONER BELL: Thank you, Ms. Faith. Thank
18 you. Thank you.

19 That's the completion of the public
20 participation. I do see the young man from -- help me out.

21 UNKNOWN SPEAKER: Councilman Ayars.

22 COMMISSIONER BELL: Ayers. Could I get your
23 name.

24 MR. RECORD: Hello I'm Jerome Record (Phonetic),
25 community liaison for At-Large council member Janee' Ayers.

1 COMMISSIONER BELL: Thank you for your
2 attendance.

3 MR. RECORD: Thank you.

4 COMMISSIONER BELL: If there's no other business,
5 the Chair would entertain a motion. But I'll say once
6 again, thank you for the class that's coming out tomorrow.
7 And we wish you the best, and we hope to see you tomorrow.
8 And thank you, the audience, for your participation, and
9 the staff. So this is a good time to adjourn.

10 COMMISSIONER DAVIS: Move for adjournment.

11 COMMISSIONER DEWAELSCHÉ: Support.

12 COMMISSIONER BELL: It's been moved and
13 supported.

14 Discussion? Those in favor aye.

15 THE BOARD: Aye.

16 COMMISSIONER BELL: We stand adjourned. Thank
17 you.
