5	CHAIRPERSON BELL: Good afternoon. Welcome
6	to the weekly afternoon meeting of the Board of Police
7	Commission. It's our first meeting for 2017. It's
8	good to see all your smiling face on a warm, warm
9	Michigan day here in Detroit.
10	Willie Bell, the Chair of the Board of
11	Police Commission. I am your Chair from District 4.
12	And I think I spotted her earlier, and that would be
13	the Chief chaplain. Is she here?
14	AUDIENCE MEMBER: Yes.
15	CHAIRPERSON BELL: Okay. I'm sorry. I
16	didn't I don't have your name on, but would you
17	come forward to invocation, please, if you'd be so
18	kind. I should have made note of that, because I
19	think you was at the Detroit Lions football game
20	against Green Bay.
21	CHAPLAIN TAYLOR: Yes, sir.
22	CHAIRPERSON BELL: I heard your lovely
23	voice. I hear from the graduation opportunity all the
24	time. You did an outstanding job.

CHAPLAIN TAYLOR: Thank you, sir.

	Page 4
1	CHAIRPERSON BELL: So I said I know that
2	young lady. So if you would come to the mike, please,
3	and introduce yourself and whatever prayerful remarks
4	you I mean, not prayerful remarks, but prayer you
5	want to offer up for the new year and in your capacity
6	as Chief Chaplain we would appreciate it.
7	CHAPLAIN TAYLOR: Thank you, sir.
8	Deputy Chief Chaplain August Taylor. Let
9	us about our heads for those of you that wish to pray.
LO	Father, we are grateful that you have
11	allowed us to come and gather in this place and space
12	one more time. God, we ask that you give us a sense
L3	of focus and purpose. Help us to be excellent in
L 4	everything that we do. Bless every precious person
L5	that's present here, and we ask that you continue to
L 6	bless our precious men and women in blue in the name
L 7	of the one who loves us better than we can ever love
L8	ourselves, Jesus. Let us say amen.
L 9	AUDIENCE: Amen.
20	CHAIRPERSON BELL: Thank you
21	CHAPLAIN TAYLOR: You're welcome.
22	CHAIRPERSON BELL: Captain Taylor.
23	And next point of business would be
24	introduce the Board of Police Commission, and I'm

going to start with my right and for the commissioners

1	to introduce themselves.
2	COMMISSIONER DEWAELSCHE: Good afternoon.
3	Eva Garza Dewaelsche, At-Large.
4	COMMISSIONER SANDERS: Derrick Sanders,
5	At-Large.
6	COMMISSIONER BROOKS: Elizabeth Brooks,
7	At-Large.
8	VICE CHAIRPERSON MOORE: Commissioner
9	Ricardo Moore, District 7, Vice Chairman.
10	COMMISSIONER BURTON: Commissioner Willie
11	Burton, District 5.
12	COMMISSIONER CRAWFORD: Commissioner Reggie
13	Crawford, District 3.
14	COMMISSIONER VANN: Commissioner Edgar
15	Vann, District 2.
16	COMMISSIONER SHELBY: Richard Shelby,
17	District 1.
18	CHAIRPERSON BELL: Thank you,
19	commissioners. And we have a couple excused absent.
20	And, first of all, with the Commissioner Conrad
21	Mallett, At-Large, and Commissioner Lisa Carter.
22	And, as you well know, she lost her son a
23	week ago. And I would ask that you keep her family
24	and loved ones in prayer and be thankful for the 27
25	years they had, the oldest son in the family. So it's

	Page 6
1	a great homegoing service, and I appreciate all those
2	who are supportive of Commissioner Carter and the
3	family. But it's something that it's a transition.
4	So we hope to see her in the near future, but we have
5	all had some form of interaction with her in terms of
6	the family hour, the funeral and stuff and the cards,
7	et cetera. So just keep her in your prayers.
8	And also supervising investigator, Abdullah
9	Nelson's brother, David Nelson
10	MS. DAVIS-DRAKE: Andre. Andre.
11	CHAIRPERSON BELL: Andre. I'm sorry.
12	Andre was funeralized this morning, and keep the
13	Nelson family in your prayers as they go through the
14	bereavement process, because surely each and every day
15	we need that type of support. And I thank that OCI
16	and others who are supportive of the Nelson family.
17	And so it's good to see Chief Craig. Happy
18	new year to you.
19	CHIEF CRAIG: Likewise.
20	CHAIRPERSON BELL: And you and your family.
21	Hopefully we all are blessed by your interaction as
22	Chief of Police starting off another year.
23	CHIEF CRAIG: Thank you.
24	CHAIRPERSON BELL: Okay. Mr. Hicks,
25	Gregory Hicks, our board secretary do we have a

7	wonderful to see you all again the first of the year

16	is over our policy section, and of course you know

17 here. Thank you for your attendance.

And I just want to once again reach out and acknowledge OCI staff and the Board of Police staff for your attendance, and good to see you this year and an opportunity to interact with you.

Okay. I don't have an official report.

I'm going to reserve the report for our community

meeting next week so we can -- so we have a heavy

agenda. We're going to move right on, and I'm going

to turn the floor over to Chief Craig.

Page 13

	-
2	CHIEF CRAIG: Thank you, Mr. Chair. Again,
3	just I guess the biggest news now is certainly our
4	year-end stats. Our third year we've realized a
5	reduction. I don't want to go through the numbers.
6	It's been all reported in the news.

The one thing I did want to make the board aware of is that when you look at our homicides was the only area that we saw -- well, sexual assaults, but also homicide was slightly up, but that's on the heels of a 47-year low, 2014/2015.

But as we begin to analyze homicide for last year, what was glaring was the fact that of that 302, 114, or a third, were involving disputes. And so we would have thought as the year was progressing that most of the homicides that were occurring had some sort of narcotic nexus, but narcotics ranked number two, disputes ranked number one.

So one of the things the department is going to be working on -- because that was a 100 percent increase from the year prior, just in that one category. And so we begin to think about what's driving some of these spontaneous acts of violence.

You remember the one that happened I think it was Thanksgiving where the uncle shot the nephew.

1	There was another situation where an uncle shot a
2	niece. And so when you think of these horrible,
3	tragic acts, if we could have proactively addressed
4	the issue of conflict resolution early on, because
5	here's the other common denominator. We believe that
6	some of the suspects involved were the majority had
7	prior criminal history.

And so we see an opportunity to maybe do something in terms of prisoner reentry that may help reduce it, because if you think about 114 murders, and that's not including the nonfatal shootings, what impact would that have had on overall violent crime.

Now, overall violent crime we surpassed our stated goal. I think we ended the year with six percent. And the other news was the nonfatal shootings for the first time in over ten years we saw less than a thousand nonfatal shooting incidents.

Again, when I talk about homicide or nonfatal shootings, I still think we have too many. It was trending in the right direction. So we continue to need additional help and work.

And as you know I've been very critical of those who sit on the bench at times for decisions that have been made that I believe have a direct impact on violence in this city. Because if you look at our

	Page 15
1	neighboring counties, whether it's Macomb or Oakland
2	Counties, we don't hear about violent felons in
3	possession of weapons who are arrested who are getting
4	out on low bonds. That must change. And we need your
5	help with it to be candid. We need to speak in one
6	voice.
7	And then when we talk about attacks on
8	police officers, last year was not a good year for the
9	department. Here's a statistic to get all of our
10	attention. So when you think about police officers
11	across the country killed in the line of duty there's
12	a 60-percent increase just in officers shot.
13	And they put out a ranking. Michigan
14	ranked number four in the country for police officers
15	killed from a shooting. So that makes us step back.
16	We know about the three in the last quarter of last
17	year, two Detroit police officers killed in the line
18	of duty. And during that same period two separate
19	incidents involving ambushes.
20	So we certainly do not want to go in 2017
21	with the same trend. Something has got to change. So
22	I just wanted to add that in.
23	Before I take questions, I just wanted to
24	also say Lisa is here and brought our financial folks

here to introduce you to the board. Certainly I'm

1	encouraged that Mr. Hicks met with members of my
2	staff, because frankly what the department has been
3	feeling is if it's an adversarial relationship
4	developing between this body and the Detroit Police
5	Department. I nor my staff wants that to happen. So
6	I'm comforted I'm encouraged with the fact that
7	Mr. Hicks reached out and initiated contact with First
3	Assistant Chief Stair so that we can work through some
9	of the issues.

2.2

I know the budget has been a big issue of contention. I will tell you, and Lisa will support this, that there are some issues with software, which is out of our control. Every city department is facing that. But I just want to remind the board, particularly Mr. Hicks, that Lisa does not work for us.

There are times where we had our own CFO.

That doesn't exist any longer. She works under the authority of the city CFO. And, in fact, Lisa provides the same oversight to your budget as she does ours. So I just wanted to make that point noted that we don't control it.

Now, what I am committed to do for the board, because I want to make sure that we're giving you every piece of information you request, is that

	Page 17
1	while we don't control our budget, what we do control
2	is requesting things, staffing increases, equipment
3	that gives us an opportunity to do our jobs better.
4	I'm committed that we make sure that before we submit
5	it as a budget request we bring it to you for your
6	review and evaluation, and then that way when it goes
7	over to Budget Lisa and the team can evaluate.
8	So I just wanted to put that on the record.
9	We don't want conflict. I know that there was some
10	misunderstanding, and maybe it was, maybe it wasn't,
11	as it relates to appointments versus promotions. The
12	detective appointment the charter is silent on that,
13	and so we recognize that that caused some concern.
14	We would certainly like some representation
15	from this body, the commission, at the recent
16	promotional ceremonies. And several members came to
17	me expressed some concern as to whether or not it's an
18	adversarial relationship developing. And I said,
19	well, I'm going to bring it up at the next board
20	meeting, because there were concerns.
21	And so with that I'll take any questions or
22	concerns you have.
23	CHAIRPERSON BELL: Before I open it up to
24	the floor, I just want to say that the budget issue we
25	are really concerned. And Mr. Hicks has been working

1	with our Budget Director Chair, Mr. Sanders, and
2	myself and the Vice Chair have been involved. And we
3	know that there's a big ticket item and that's why we
4	have staff now to address those concerns versus in the
5	past, especially since we've been on board for the
6	last three years. And we want to not have an
7	adversarial role, but we really want to fill our
8	charter responsibility, as you well know.

CHIEF CRAIG: Absolutely.

CHAIRPERSON BELL: And we have indicated that to the Mayor and everybody else in terms of preparing ourselves to go before and say that we approve or disprove whatever that is. So we now want to be on a sound physical interaction.

So the other item that -- I think Mr. Hicks is under our direction in terms of that type of approach. He's not acting alone. I just want to make sure you understand that, that we are working closely in terms of making sure we fulfill that obligation, because I have stated on record that I felt embarrassed in the past representing this board to go before Council and say we don't really -- we haven't fulfilled our duties and responsibilities. So that's why we have taken that approach this year in terms of staff.

2.2

Page 19

We understand that the board I mean the
charters have been silenced in terms of promotions and
appointments. The only issue in terms of I'm not
determining, but a layperson I have witnessed this
over the years that the charter indicates the Chief
only have authority to appoint to a rank of deputy
chief, period, that we approve. There's no other
appointment that the Chief can make in terms of our
interpretation.

In 1974 this board has approved -- and we have board members sitting here that have approved, even though it's been silenced, but that has come forward in terms of the Mayor, the Chief of Police and the board have approved appointments above the rank of lieutenant.

I understand that the logic in terms of -especially with Mayor Young in terms of I appoint and
I disappoint. I witnessed all of that in my police
career, but we hope that even if -- and there haven't
been adversarial roles. Even if we look at it, I
can't cite the whole history of it in terms of how we
disappointed someone and said, no. I don't know the
history, but I know that these past -- I consulted
with past board members. They pretty much approve
what has come before us.

Pag	е	2	0
	$\overline{}$	_	$\overline{}$

1	So we hope that in the Law Department
2	it's just an opinion. So we can wait on our opinion,
3	too. I witnessed how the Council operates in terms of
4	opinions, disagreements, the Mayor and et cetera.
5	Corporation Counsel has always been an area of concern
6	in the history of this city, especially in recent
7	years, so
8	But the main thing is that when we met last
9	a couple weeks ago we would hopefully I think we
LO	need to have informal discussions, that the Chief
11	needs to sit down and just have casual conversation
12	that we can agree, and not always publicly, on issues
L3	or concerns that we might have. So, therefore, we
L 4	hope that would happen in '17.
L5	CHIEF CRAIG: And the only reason I bring
L 6	it up
L7	CHAIRPERSON BELL: Yes, sir.
L8	CHIEF CRAIG: Clearly, I understand
L 9	Mr. Hicks is new in his position. One thing that was
20	somewhat glaring for me is the fact that my staff
21	submits on November 10th, you know, all of the
22	requested promotions, including detectives, if my
23	memory serves me, but that it didn't get approved
24	until December 1st. From an operational necessity, we
>5	have vacancies

1	And so we said, well, okay, Mr. Hicks has
2	had this document and I believe that you didn't see
3	it until maybe a week before we started our S pack L
4	pack (ph). So we went on and we started the S pack L
5	pack knowing that the promotion doesn't go into effect
6	until after that.

2.2

So again, we don't want the adversarial relationship. I don't want it. We want to work together. We have no secret documents. Whatever we can give you we will.

In terms of having informal conversations,

I welcome it. You know, I'm just a phone call away if

it's something that -- I'd rather deal directly with

you or other board members. And I again applaud the

efforts that Mr. Hicks has made as recent as this

morning to meet with my first assistant chief.

CHAIRPERSON BELL: I agree that we just need to maybe have more dialogue, you know. It's good to see you here, because that was another concern that we get different individuals filling in every other week. And it's not always a good communication in terms of what has transpired from the last meeting or — the community raised that issue in the past and say, well, the Chief supposed to attend community meetings. And we looked at that. And I have been

Page 22 1 defensive of that over the years, but I think that 2 there's a certain expectation that we all have of the 3 Chief of Police. There's certain expectations that we 4 have of this board in terms of coming before the 5 public on a united front. We don't want an 6 adversarial role. We don't want a private fight, we don't want a public fight. We just want what's best 7 for the citizens of Detroit and for the men and women 8 9 in blue. 10 And there's been some key items that I 11 think that maybe we need to just have that type of 12 dialogue. So I'm looking forward to it. 13 CHIEF CRAIG: I'm welcome to it. 14 CHAIRPERSON BELL: This board is looking 15 forward to it. CHIEF CRAIG: I look forward. 16 17 CHAIRPERSON BELL: I'm hoping that we can achieve that and ascribe for that in terms of what's 18 best for the city of Detroit in terms of people that 19 20 live here or do not live here or work and play, 21 whatever that is, okay. 22 Because what I witnessed at the football 23 game, people from all over, even from Green Bay coming 24 to Detroit, and they want to have a safe, quality time

25

while in Detroit, and we all want to see that.

1	So I'm going to open it up to any
2	commissioners in terms of the chief, questions,
3	opinions, whatever that is.
4	VICE CHAIRPERSON MOORE: Through the Chair.
5	How you doin', Chief?
6	CHIEF CRAIG: How you doin'?
7	VICE CHAIRPERSON MOORE: Good. Okay. We
8	talk about homicides going up by seven. Are we
9	talking about criminal homicides or justified
10	CHIEF CRAIG: Criminal.
11	VICE CHAIRPERSON MOORE: Okay. What about
12	justified homicides?
13	CHIEF CRAIG: I don't have that number. We
14	don't count that into the criminal homicides, just
15	homicides. So my staff does have that number. In
16	fact, I don't have any numbers with me. I'm running
17	off my memory. But we did go up. In fact, we backed
18	out a few homicides. The medical examiner came back
19	that at least in I want to say a couple of instances
20	it was ruled a suicide.
21	So the numbers are still apt to change,
22	even though because it's still early in the year.
23	I know in our nonfatal shootings we dropped by one,
24	because again the medical examiner came back and ruled
25	it a suicide.

1	VICE CHAIRPERSON MOORE: And when we talk
2	about crime reporting we're talking about them going
3	to the FBI justified as well as criminal or just
4	criminal?
5	CHIEF CRAIG: We're saying that. But
6	again, homicide is viewed criminal homicide is
7	what's evaluated, and that's what goes. But we have
8	those numbers as well. I just don't have them in
9	front of me.
10	VICE CHAIRPERSON MOORE: Okay. So
11	justifieds do they go to the FBI? I guess that's
12	CHIEF CRAIG: Everything goes.
13	VICE CHAIRPERSON MOORE: Everything goes,
14	okay. Corporal Myron Jarrett, how was his death
15	categorized?
16	CHIEF CRAIG: That was a homicide.
17	VICE CHAIRPERSON MOORE: Criminal?
18	CHIEF CRAIG: As far as I know, unless I'm
19	mistaken. The individual was charged I forgot what
20	the specific charge, but it certainly wasn't
21	justified.
22	VICE CHAIRPERSON MOORE: Well, we're
23	talking about vehicular homicide as well. So I didn't
24	know if that was a third category that might
25	CHIEF CRAIG: Well, that would be

	rage 23
1	considered unlawful killing of another. So it all is
2	looped in.
3	VICE CHAIRPERSON MOORE: So it's
4	CHIEF CRAIG: Justified homicides we're not
5	we don't track those. We track them independent.
6	But when we put out our stats, we don't put it in
7	because it's not criminal unless the prosecutor comes
8	back. Now, we might categorize it initially as a
9	homicide, and then the Prosecutor's office will say
10	it's justified and it's backed out.
11	So those numbers do change. And unlike
12	some of the larger categories in terms of numbers, we
13	manually put those numbers in. So they're very
14	accurate.
15	VICE CHAIRPERSON MOORE: Okay. My final
16	question, Chief, deals with crime statistics. Some
17	people file false police reports, which makes the
18	numbers go up.
19	CHIEF CRAIG: Yes.
20	VICE CHAIRPERSON MOORE: The inverse of
21	that statement would be that people don't file reports
22	when crimes do happen. So what's really like the true
23	purpose of crime reports? Shouldn't that be like more
24	of an internal discussion amongst folks or should it
25	be a public discussion, I mean just your viewpoint?

	Page 26
1	CHIEF CRAIG: Well, I'm not truly following
2	you, but in terms of
3	VICE CHAIRPERSON MOORE: I can clarify it
4	for you.
5	CHIEF CRAIG: Yeah. Well, as far as
6	reporting crime, crime is tracked based on crime
7	reports. And so if we determine that it's a false
8	crime report we can back it out and we can prosecute
9	the individual for filing a false crime report. We
10	can do that. But it's important for us to be
11	transparent about reporting crimes. And not only the
12	community, but also for us, because that is like a
13	road map for us to figure out how we should address
14	crime.
15	Just like I reported out in terms of
16	homicide. One-third of our homicides we know from
17	last year are out of our (Inaudible). So as a police
18	report what role can we play in reducing homicides,
19	because when you talk about someone who gets in an
20	argument at a dinner table and uses a weapon and ends
21	in a fatality, how do we prevent that. Well, it's not
22	like police officers that know that this day and this
23	time this family is going to have an argument, but

there are some things we can do proactively that may

cause people to make different decisions. And so

24

1	that's why it's important to have a conversation and
2	understand what these crime trends mean.
3	And in some instance we can even predict
4	crime. We do a predictive analysis. That's one area
5	that's hard to predict. But let's say, for example,
6	if you have a string of robberies in the Tenth
7	Precinct in a particular scout car area, it's
8	occurring on Thursday at ten o'clock at night, then as
9	a police department we know that we're looking for two
10	Black males dressed in black.
11	VICE CHAIRPERSON MOORE: And that's the
12	point I was getting.
13	CHIEF CRAIG: Right. We do that. That's
14	why we have CompStat. I don't know if you've attended
15	a CompStat, but I would encourage you to attend.
16	VICE CHAIRPERSON MOORE: Just a FYI, too,
17	Chief. The twelfth Precinct will be honoring some
18	officers next week. I don't know if you knew that in
19	regards to the Corporal Jarrett situation. I guess it
20	was some heroic works done around that scenario, and
21	they're going to be honored at our board next week.
22	CHIEF CRAIG: I'm aware of some
23	recognition, but I'm also aware this weekend, Saturday
24	night, that Detroit Police hockey team is going to be
25	acknowledging Captain Stile and Corporal Jarrett at

1	that game, so I'm aware.
2	VICE CHAIRPERSON MOORE: All right. Great.
3	CHAIRPERSON BELL: Yes?
4	COMMISSIONER SANDERS: Chief Craig, first
5	of all, I deal with the budget also as a chairperson.
6	And, you know, Gregory Hicks is a lead person that try
7	to get the information so we can get the budget
8	approved, make sure everything is intact. I'm hoping
9	that your financial people, all the ones I see, work
10	with Mr. Hicks to try to get the information that we
11	may need so we can get your budget approved and move
12	forward.
13	CHIEF CRAIG: I think that
14	COMMISSIONER SANDERS: That's what I'm
15	hoping for, not to have such a dysfunction of us not
16	working together.
17	CHIEF CRAIG: Through the Chair, that is
18	our goal. And I think Lisa explained it very well at
19	the last meeting. There's no effort not to work with.
20	There are some problems with the data, and she can go
21	into that and explain it.
22	In fact, during the meeting, an hour or so
23	meeting that Mr. Hicks had with First Assistant Chief
24	Stair today, that was discussed extensively.
25	So this is not a part of the department

1	saying we don't want to work with you or your board.
2	We do. And I think Mr. Hicks and Mr. Hicks I would
3	offer to respond, because I know you had a meeting
4	today. And, if it's something that we're not doing,
5	this might be a great opportunity to share publicly.
6	MR. HICKS: Mr. Chair?
7	CHAIRPERSON BELL: Yes.
8	MR. HICKS: Mr. Chair, our position then
9	and has been is that we are not experiencing lack of
LO	cooperation in terms of the department. The
11	department within reasonable period of times gets back
L2	with us in terms of requests and things like that.
L3	What we are experiencing is that there is a
L 4	fundamental problem in the system, which is largely
15	something we all put things aside. This is not a
L 6	human problem. It seems to be, as the Chief said, a
L7	software I mean, they've moved to a new system.
L8	There are a number of problems in which they've
L9	encountered in that system. The most fundamental to
20	that system it seems the system is making some
21	calculation errors and potentially some assignment
22	errors, okay. So we were a little perplexed that as
23	they moved to a new system that they were not running
24	a parallel system, because these things tend to happen

when you move to a new system.

1	But I don't want it to be said that either
2	with First Assistant Chief Stair or with Agency CFO
3	Jones that we're having that kind of problem in terms
4	of people are not paying attention to us and so forth.
5	I think that they bring back the information if the
6	system allows them to bring back.

It turns out that much of that information in terms of our responsibility in providing the kind of oversight and providing the type of examination is just not complete enough for us to do that task.

The bottom line of what -- my meeting with First A.C. Stair was today was, one, I wanted to communicate to her that we understand on our side that those problems exist. We also needed to hear that they understood that they exist, and they do. And probably Ms. Jones understands better than anybody that these problems exist.

But at some point we have to bring our analysis to a close. So we've talked about is essentially we have some data. We will with inside of let's say two weeks, no more than three weeks, we're going to disclose our analysis, and we'll make our analysis based on the data that we have. If the data is accurate data, then you'll get a more accurate kind of response from us reflecting what we saw and so

1	forth. If the data is not particularly helpful in
2	terms of that evaluation, we're obligated to point
3	that out to the commission and we would do so.
4	So again, this is not a question of
5	personalities. It's not a question of lack of
6	cooperation and so forth. Unfortunately, I think
7	we're all strapped in a situation where this system
8	and the data that it's generating is put making us
9	all work some overtime that we should not necessarily
10	be forced to work.
11	CHAIRPERSON BELL: Are you finished?
12	COMMISSIONER SANDERS: I'm done.
13	COMMISSIONER BURTON: Through the Chair,
14	you know, I just want to say that, you know, I'm not
15	totally satisfied or happy with the new direction of
16	this board. We're creating three policy positions at
17	a hundred thousand dollars salary that I'm totally
18	against. Wage with benefits and everything it's going
19	to take it to approximately 175,000 each. We're
20	bringing on a CPA. I have not seen any resumes or
21	I don't know how many people apply for these
22	positions, for the CPA position. We still operate
23	without a board attorney. I think we need to be
24	trying to figure out, you know, replacement as far as
25	attorney wise I think before we start filling these

1	other roles. But I still haven't seen any resumes,
2	still haven't seen the candidates that apply for the
3	CPA positions to see if we're hiring the best
4	qualified.

And in addition to that, we have a four million-dollar budget. We have been working with Lisa Jones down in Fiscal who is doing a great job with the department, been doing a great job, you know, working with us with our budget. But towards going into recess we have put a lot of pressure on Lisa Jones who is working not only for the board, but also working for the department.

You know, I'm just not totally happy with this direction, but I still -- I was going to put it on the record today that I voted against all of this. And we need to be working with the department and not working against the department.

And I'd still like to see those new members that's on our team. I'd like to see their resumes along with those who apply for the position. So I can best to see if we have the best qualified person, whether it's policy, the CPA, the new administrative position. I have not seen anybody that applied for this position. So I'd love to see those candidates, those resumes. I want us to operate in good

1	transparency and good accountability.
2	CHAIRPERSON BELL: Commissioner Crawford?
3	COMMISSIONER CRAWFORD: Mr. Chair. Yes,
4	sir. Mr. Chair and also to the Chair of the budget
5	committee, we are we're in the black; is that
6	correct? We are within budget?
7	COMMISSIONER SANFORD: Correct. One thing
8	about it, we do not have a four million-dollar budget
9	also.
10	COMMISSIONER CRAWFORD: Okay. So being in
11	the black and staying in the black is a good thing?
12	COMMISSIONER SANDERS: Correct.
13	MR. HICKS: Okay. Excuse me, Mr. Chair.
14	If I can just comment briefly on that?
15	CHAIRPERSON BELL: Yes, sir.
16	MR. HICKS: We believe that we're in the
17	black given the amount of the resources that we're
18	deploying. The reports that are being generated does
19	not show us to be in the black. That's part of this
20	calculation error to which I'm talking about, okay.
21	If you were to look at the last information
22	that was available to us, we're six months into, for
23	example, the fiscal year. We are shown at this point
24	to have a and this is off the top of the head, to
25	have about \$321,000 available, but if you take what we

	Page 34
1	what is on record spent by us, we will run into a
2	deficit.
3	We know that that is not the case, however,
4	because we know the number of people we have on staff.
5	We are not fully staffed, for example. We know what
6	our expenses are relative to requests that we have put
7	into the department in order to purchase items and so
8	on and so forth.
9	So we have a fundamental problem with the
10	way in which the system is absorbing the information
11	and reporting that out. This is the broad problem
12	that we have in terms of the overall budget. So we
13	I could tell you from what I know operationally that
14	we are not running a deficit, but I could also show
15	you at the same time a report that would clearly say
16	we are very close, and if we were to continue the same
17	spending pattern that is being reported that we would
18	be running a deficit. And it is not true.
19	CHAIRPERSON BELL: Thank you, Mr. Hicks.
20	COMMISSIONER CRAWFORD: Thank you for the
21	information. And also as a follow-up on something
22	that was said earlier, Chief, I've never considered
23	myself or want to be a part of any adversarial
24	relationship. Even, too, I believe there was Chairman

Bill mentioned -- and this was some three years ago at

1	a meeting where some people in the community
2	approached us and stated that the Chief is not at our
3	meetings. And it was they were referencing the
4	commission meetings, and a few that was in the
5	community and I, too, stated that, you know, it's not
6	necessary that you are at all of our meetings.
7	But to move forward, there in reference
8	to what was in the meeting about the Facebook

2.1

to what was in the meeting about the Facebook postings, it's obviously not only in Detroit, but the state of Michigan and across the country some individuals obviously suffering from DTS, Donald Trump Syndrome, and it evidently has to be of epidemic proportions. Perhaps at a time in point I may contact the CDC in Atlanta, Center for Disease Control, and see just how bad it is across America.

But these Facebook postings, the most recent ones, and I'm certain pretty much everyone has heard of them in the media by a particular Officer Wolfe that referenced to the residents of the city of Detroit being garbage.

There was another Facebook posting back in the summer, Officer Nathan Wheatley who posted something on Facebook. And also there was a sergeant that did it. And this one it's been a year anniversary since this was posted, and this was by

1	Officer Loranger (ph) in reference to the Superbowl.
2	I say it's been a year, because it's coming up on a
3	year anniversary.
4	I've said several times at the table and
5	referenced the Detroit Police manual and the
6	department internet usage web page and social
7	networking in the media. And it's really beyond me
8	what anybody would engage. And also, too, I noticed
9	through not only in this department, but other
10	departments and police particular presidents of
11	police unions have, you know, more than so attacked
12	activist groups, tried to attribute a great deal to
13	most notably Black Lives Matter.
14	But I consider any individual who would
15	post anything on Facebook obviously has some issues,
16	because once you post things out there on the internet
17	it's there. And like some of those in the community,
18	activist community in particular, they reference
19	Facebook, that's what it means and Instagram, the FBI.
20	That's what it means, in essence.
21	But speaking of the FBI, there was a report
22	in October 16th I'm sorry, October 17th of 2016
23	that talked about the rise of white supremacist
24	infiltration into law enforcement. And in that
25	intelligence report, which was from the FBI

	Page 37
1	counterterrorism division and, like I said, this
2	has been out since 2006. In one paragraph of this
3	and I'll read it into the record. It talks about
4	"white supremacist sympathizers, the Ku Klux Klan,
5	KKK, notably among white supremacist groups for
6	historically having support in many communities, which
7	often translate into ties into local law enforcement."
8	Although the First Amendment and I'll
9	have to really preference this, emphasize this.
LO	Although the First Amendment freedom of association
L1	provision protects an individual's right to join white
L2	supremacist groups for the purposes of lawful
L3	activity, the government can limit employment
L 4	opportunities of group members who hold sensitive
L5	public sector jobs, including jobs within law
L 6	enforcement. And this is from the FBI report. I
L7	didn't just come up with this. When their membership
L8	would interfere with their duties.
L 9	Recent examples of law enforcement
20	personnel are those activities in support of white
21	supremacist, you know, which and then it talks
22	about other examples that are under scrutiny.
23	But having said that and it's not only
24	in Detroit, but, like I said, this has swept the

country, and it's even -- there may be those who want

1	to attribute it to Donald Trump's election, but this
2	has been there and most recently it's been exposed.
3	Not only here, but on a national level and in the
4	media

What my issue was is the transparency and accountability, because several times I'd asked what has been done or what is being done. I know there was the core group that was formed. And John Bennett and Joseph Wheatley were a part of that group. So in layman's terms it needs to be dealt with. I'll just that. It needs to be dealt with.

And also, too, getting back to information in a timely fashion, and Deputy Chief Washington knows as we've had a couple conversations, not several, about information that comes to the board, particularly me dealing with policy how the issues that I don't like -- I like to deal with them in a two-week time table. I don't like taking a month or two or six months to do anything, and that's why it was always readily available to accept whatever information, because I read and I do a lot of research day and night, particularly when something's given to me so I can make the appropriate decision. Thank you.

CHAIRPERSON BELL: Chief, you heard a whole lot. I think he was specifically concerned about the

1	Facebook
2	CHIEF CRAIG: Through the Chair, I'm
3	CHAIRPERSON BELL: Facebook and uniform, I
4	think.
5	CHIEF CRAIG: Yeah. I'm probably not going
6	to speak as long as the commissioner. However, I do
7	walk to say in terms of
8	AUDIENCE MEMBER: Please don't.
9	CHIEF CRAIG: I'm definitely not going to
10	do that, but I'll just say simply this. It's been
11	reported out in the news, and certainly I am
12	personally deeply troubled by this most recent post.
13	In fact, I speak for my staff and the team. This
14	person is duty status. He's currently off on a
15	duty-related injury. We have opened an investigation.
16	At this point it is an allegation. It is our goal to
17	swiftly address this issue.
18	If this is true, the allegation is true,
19	certainly this person should not be a Detroit police
20	officer. It's just that simple for me. If you don't
21	want to work here, you don't want to serve the people
22	of Detroit and you have that kind of attitude, then
23	you should just simply go away, but I need to do a
24	proper investigation first. That's been initiated.
25	In terms of the other stuff, I won't get

Page 40 1 into. I know that when we talk about adversarial I 2 also applauded and acknowledge that Mr. Hicks, you 3 know, met with our staff and continues to want to have 4 open dialogue. 5 I know, sir, you have made some statements 6 that has infuriated some members of my staff. fact, and there was a statement made I want to say --7 8 maybe I was not at that -- one of the meetings I wasn't at, but according to my staff, and this is in 9 10 quotes, Commissioner Crawford made comments comparing 11 the EM leadership to Jim Crow on December 15th, 2016. 12 And the only reason why I bring that up is 13 because that statement offended some of the 14 department. Certainly that's an opinion that you 15 hold, but as feedback some were very offended by the statement. So I'll close on that note. 16 17 VICE CHAIRPERSON MOORE: Through the Chair, 18 were you offended by that Chief? 19 CHIEF CRAIG: Was I offended? 20 VICE CHAIRPERSON MOORE: Yes. 2.1 CHIEF CRAIG: Well, first of all, I wasn't 2.2 here, but let me remind the board that I did come 23 under emergency manager. To suggest that maybe my 24 role was under emergency manager suggested a part of

Jim Crow philosophy. I wasn't here to here to hear

	Page 41
1	it. I really don't know what the commissioner meant,
2	and maybe he can explain it, because there are some
3	that are attending here today that brought it to my
4	attention that they were a offended by it, so
5	VICE CHAIRPERSON MOORE: Through the Chair,
6	I guess part of the issue is, going back to what
7	Chairman Bell said about your attendance at these
8	meetings. If you're attending these meetings, you
9	would have heard it from yourself what was meant as
10	opposed
11	CHIEF CRAIG: Sir, we've talked about that.
12	We've talked about through the Chair, if it's the
13	board's desire, I will make a commitment to try to
14	come to community meetings. No, I do not come to all
15	the meetings, but it's not like I'm sitting someplace
16	with my feet up. I am working, but
17	VICE CHAIRPERSON MOORE: Come to the
18	meeting, but that's okay.
19	CHIEF CRAIG: I take attending these
20	meetings seriously. And so at this one meeting I
21	didn't hear the Jim Crow comment, whether I was here
22	or not.
23	VICE CHAIRPERSON MOORE: But you mentioned
24	that.

CHIEF CRAIG: I did mention that.

1	VICE CHAIRPERSON MOORE: Right.
2	COMMISSIONER CRAWFORD: Through the
3	Chair
4	CHAIRPERSON BELL: Could we move on.
5	COMMISSIONER CRAWFORD: Excuse me.
6	CHAIRPERSON BELL: Could we move on.
7	COMMISSIONER CRAWFORD: Through the Chair.
8	CHAIRPERSON BELL: Could we move on, just
9	pause for a minute. The Chair is going to recognize
10	Commissioner Brooks. At the time she asks for the
11	floor.
12	COMMISSIONER BROOKS: I just want to talk
13	about this wonderful article that you did today.
14	Detroit sees a drop in violent crime, plans to hire
15	more cops. We hope we're on top of that and working
16	hard. You are all doing a tremendous job, all of the
17	policemen and women are.
18	But, Chief Craig, you also said that you
19	plan to start a new community effort to teach conflict
20	resolution. I think that's a great idea, because all
21	the cases that I read, I don't read homicide cases
22	from OCI. They're all domestic, arguments, fighting,
23	drinking, and I think that is one of the best. My
24	thing is to find solutions, and I think that's a great
25	solution there.

	Is	it	goin	g to	be	lik	.e	the	NPOs	or	hav	е у	7OU

Page 43

CHIEF CRAIG: Through the Chair, this is something that the team -- that we started discussing at the year-end stats realizing that one-third of our homicides were the result of disputes. And as we started to look closely I would have thought when we looked at homicides, I would have thought that there were more homicides involving domestic violence. As it turned out -- well, again, one homicide is too many. There were 26 domestic violence-related homicides.

We were poised to try to get social workers assigned to particular areas that have an inordinate number of domestic violence incidents, but instead because we recognize that one-third of our homicides is out of arguments and that some of the individuals involved, the perpetrators, have been ex-felons, we thought we might be better served if we focus on that returning citizens and partner with maybe MDOC.

So it's still early. We don't know what that effort will look like, but certainly we want to play a role, because we believe we can make some reductions in that area. You're talking about a third

	Page 44
1	of our murders involving argument and the fact that
2	some of the suspects are ex-felons.
3	COMMISSIONER BROOKS: Thank you. And we
4	are really working diligently on recruiting. And so
5	we hope that we can get you 700 recruits.
6	CHIEF CRAIG: Well, I want to acknowledge
7	both First Assistant Chief Stair and Gail Oxendine and
8	their team for the work they're doing. There was an
9	article in the Detroit News recently that talked about
10	the challenges that most, if not all, Michigan police
11	agencies were having in recruiting given the
12	environment today.
13	However, and while it did address Detroit's
14	efforts, it really was kind of watered down. In fact,
15	we really are one of the nation's leaders and still
16	recruiting police officers despite, you know, the
17	crime, despite the fact that we've lost several
18	officers and the violence. People still want to
19	become police officers here in the city of Detroit.
20	COMMISSIONER BROOKS: Thank you.
21	COMMISSIONER CRAWFORD: Mr. Chair
22	CHAIRPERSON BELL: Commissioner Crawford,
23	can we have I know you want to respond, but can we
24	have a brief response. It's your opinion, and you
25	have a right to state your opinion, but can we have a

	Page 45
1	brief response, as Chief Craig brought it up, but we
2	don't want to talk about attendance. We have already
3	resolved that. But, if you can make a brief response,
4	we would appreciate that.
5	COMMISSIONER CRAWFORD: Through the
6	Chair well, I'll say this from a historical
7	perspective. And this is no disrespect to anyone,
8	particularly those on your staff, Chief. And I'm just
9	kind of taken aback that someone would take
10	information back to you that you didn't hear and more
11	or less put in a form that it was I was directly
12	associating you for what happened.
13	The issue came up in reference to the way
14	we were on something was mentioned about the emergency
15	manager, and I did state that and I do stand on that
16	statement. Historically the emergency manager came
17	into all Black cities in the state of Michigan,
18	predominantly Black.
19	Now, in reference to your staff, I don't
20	know what city they live in. I live in the city of
21	Detroit. I've voted in every election in the city of
22	Detroit. I also do know that following emergency
23	manager law, long before it impacted the city of
24	Detroit and other cities around Detroit, like I
25	started, as far away as Benton Harbor, which is only

2.2

Page 46

the predominantly Black city and predominantly Black
school board where emergency managers took over, the
Governor then and Governor now, Snyder, there was a
something put on the ballot. And the citizens of the
state of Michigan voted down emergency law, the entire
state, they voted it down. And then this republican
governor, republican legislature, still brought back
the old emergency manager law.

The emergency manager -- and I likened these laws to the new Jim Crow law, regardless of what anybody said, because when you implement or put laws of a particular group of people predominantly and only Black cities then, yes, that's what it is. It's Jim Crow.

And I have always stood that it was unconstitutional. And it has impacted not only me, but all of those who live in the city of Detroit and even those who have retired in terms of health care and benefits. So, yes, I stand by that statement in terms of who was brought in on the emergency manager. And right now it's criminal in the state of Flint. It's criminal. There have been criminal charges brought against two of the former emergency managers there in terms of what has happened with the water in Flint.

	Page 47
1	So, yes, I stand by that statement, and for
2	those who don't believe in that try go drink some
3	of Flint's water. Thank you.
4	CHAIRPERSON BELL: Commissioner Burton, if
5	you could be brief, please.
6	COMMISSIONER BURTON: Sure, absolutely. I
7	just want to say that the residents of District 5 is
8	very happy and pleased with our Chief, the way he
9	turned the department around from the time he came
10	onboard to where we are today.
11	There was a news article the other day
12	about how the overall crime in the city of Detroit is
13	down. We didn't get here we didn't just get here
14	overnight. We had a Chief that came in that was ready
15	to work, ready to turn this city around, and he did
16	exactly that, is still doing that. I'm excited about
17	the 200 jobs that, you know, officers that we're
18	looking to bring onto this department.
19	Our Chief does attend a lot of meetings for
20	the board. He has a big job to do, a big role. He's
21	got a city to manage, to run, a department to run.
22	You know, I mean where we were ten years ago to where
23	we are, do you see how much progress we have made in
24	this short period of time, you know. I think each and

every one of us as commissioners that's sitting on

1	this board when our Chief comes in the door we should
2	get up and we should salute this man for how he turned
3	this department around. And I'll be the first one to
4	get up and
5	CHAIRPERSON BELL: Thank you, Commissioner
6	Burton. Thank you. We are now going to hear from the
7	Chief Chaplain of the Chaplain Corps. Would you
8	please come forward.
9	LIEUTENANT POTTS: How you doin'?
10	Lieutenant Potts, Chief Neighborhood
11	Liaison on behalf of Chief Craig and Commander
12	Bettison. I would like the Chaplain Corps to come up.
13	Okay. The mission of the Chaplain Corps is
14	to foster a more positive relationship between members
15	of the Detroit Police Department, the community, and
16	render spiritual guidance and prepare chaplains
17	through in-service training programs.
18	The Detroit Police Department Chaplain
19	Corps, while going back to 1949, was formerly
20	established by a Detroit ordinance in January 1975.
21	The Chief of Police appoints members of the clergy of
22	various faiths to serve as chaplains. The Chaplain
23	Corps falls under the oversight of Chief Neighborhood
24	Liaison. As such, the commanding officer of Chief
25	Neighborhood Liaison serves as director of the corps.

1	I'm not going to read this in depth, but
2	the chaplains do a phenomenal job for the Detroit
3	Police Department, the city of Detroit. Not only when
4	Chief Craig instituted the peer support program, Chief
5	Foster, as well as the chaplains, jumped on board.
6	Not only do they go to every other incident that
7	happens in the city, they make all critical incidents,
8	whether it be death of an officer, serious injury of
9	an officer.

2.2

And I can tell you from experience going back 20 years ago when I first started, it's good to see a chaplain when you're dealing with a death of an officer. So what they've done and what they've brought to the board since I've been here to the department is phenomenal, not only under Chief Craig's leadership, but under Chief Foster's leadership as well. They not only visit us, but they go out and visit our families, our friends, co-workers, so forth. They conduct and participate in all of our religious ceremonies when they're asked they come to promotional ceremonies and sit as well.

They also conduct on May of every year the interdenominational Detroit Police memorial service, which I'm sure all of you have attended. They also work in emergency situations such as attempted

2.2

For police officers, as you know, when we're dealing with death, it's hard for us to even want to speak to the next of kin, and we lean on them quite a bit to help us get through that process.

I'm going to let Chief Foster speak on some of the requirements that are required for you to become a chaplain so you guys are aware of what their criteria is.

CHIEF FOSTER: Good evening.

VICE CHAIRPERSON MOORE: Good afternoon.

CHIEF FOSTER: As you can see, I didn't know I was going to be doing this part, but I will just say that we go through a very vigorous vetting process. You guys can read that for yourself, but we go through a vigorous vetting process for any chaplain to be a part of this team. We believe that in order to be a part of the team there needs to be this character, this competency and this chemistry that will help us not only serve the officers, but to actually be a part of a team that helps to serve the citizens, so ...

LIEUTENANT POTTS: Who better to explain than a person who sits and actually vets the person.

1	I have Officer Deck here who is one of my
2	right hands when it comes to keeping me abreast of
3	what's going on in the Chaplain Corps. He does a
4	phenomenal job of keeping track of them. Not only
5	that, but he also does the Police Explorers.
6	We have a total right now of 55 chaplains.
7	There are some recruiting efforts that are underway to
8	get more chaplains. As we try to expand what the
9	Chief wants to do in the community, we're looking out
10	for more clergy to come on board. Officer Deck can
11	tell you about some of the initiatives that are coming
12	on the way for us to get more members.
13	OFFICER DECK: Good afternoon good
14	evening. We're in the process of taking applications
15	at this point. The interviewing process will begin
16	later on this month in January, and then our next
17	academy class for the Chief will more than likely
18	start in February February, March.
19	LIEUTENANT POTTS: As you can see, it's
20	broken down. We tried to disseminate chaplains where
21	they're needed. We kind of keep it even, but if
22	there's a need somewhere else we have no problem with
23	allocating different people to go elsewhere. This is
24	a breakdown. You guys can look at it at your leisure.

The duties of a chaplain are required to do

2.2

a minimum of 16 hours. However, under Chief Craig we
stress that 16 hours is a minimal, that's not the
standard, for a total of 880 hours. Most of the
chaplains, I can speak from experience, go above and
beyond the 16 hours and then go well above that 880
hours. We have some of the most dedicated men and
women who are volunteers. So for them there is no
monetary value. It's just lending a hand to the
department and making sure that our officers feel
connected spiritually as well as appreciated.

Through ongoing professional training and certification, the chaplains strive to understand and address life experiences, events, as they relate to spiritual, moral and emotional well-being of the Detroit Police Department.

Detroit Police chaplain's functions include but are not limited to the following. They maintain confidentiality with those they speak with the exception of present or future harm. So in cases where someone is threatening someone or threatening themselves confidentiality goes out the window.

They minister through peer support, through critical incident stress management, through coaching and reflexion. They perform marriage ceremonies, child dedication and funerals. They make hospital

1	visits and home calls. They establish positive
2	working relationships with members of their assigned
3	district. They inform district personnel of service
4	programs availability. They give moral and ethical
5	counseling, and they provide assistance in
6	notification of death and injury.
7	This is something that Chief Foster brought
8	to us this year, something that myself, Commander
9	Bettison and Chief Craig thought was a phenomenal
10	idea. Oftentimes, as Chief Craig stated, in this year
11	and last year police officers have gotten beat down by
12	the public, the media. And this is something the
13	chaplains thought was needed in the Detroit Police
14	Department to boost morale. And I'll let Chief Craig
15	I mean excuse me Chief Foster speak more about
16	the Heros in Blue.
17	CHIEF FOSTER: Yeah, we wanted Chief Craig.
18	You can come and do this if you'd like.
19	CHIEF CRAIG: I'll let you do it.
20	CHIEF FOSTER: We just want to say that
21	because Chief Craig has been doing a phenomenal job
22	here in the city, it's trickled down to the officers.
23	Because of the fact that they serve and sacrifice on a
24	weekly basis, we wanted as an executive team, as a
25	Chaplain Corps, to honor what we call Heros in Blue.

	Page 54
1	So during the month of January, particularly next week
2	from January 9th through the 14th, we will be actually
3	giving four expressions of support to the officers.
4	First we're providing meals at each platoon. Next
5	week we're providing three meals for each platoon.
6	Second, we will be giving Certificates of
7	Recognition given by the lieutenant or the shift
8	commander to each officer who's done an outstanding
9	job of service throughout 2016. The third expression
10	is a coin. We've had a coin minted. Most of you may
11	know it as a challenge coin. We're calling it a
12	challenge prayer coin. We've had those minted up, and
13	we will be giving those to any officer who requests a
14	prayer challenge coin. That coin given to that
15	officer will be a reminder to that officer that he or
16	she is not forgotten, but it will also be connected to
17	prayer support. The Chaplain Corps will be committed
18	to praying for those officers throughout the year.
19	And then the final expression of
20	appreciation, we've coordinated with Imagine Theaters.
21	And so from January the 9th until the 23rd every
22	officer who would like to go to a movie they can go as
23	often as they like for free to any area Imagine
24	Theater in metro Detroit.

(Applause.)

1	LIEUTENANT POTTS: What he forgot to
2	mention is something that I don't know if we're going
3	to still do, but there was a he wanted to put a
4	prayer box in every precinct in the city. And for me
5	a person who leans on prayer, I thought that was a
6	phenomenal idea.
7	Sometimes officers don't know who to go to
8	and they don't want to tell exactly what's on their
9	heart. And for officers, male and female, to be able
LO	to put something in a prayer box and know that it's
11	reaching a chaplain and they'll be prayed for I think
12	will take tremendous stress off of that officer.
L3	So this is my Chaplain Corps. I'm new. I
L 4	just got the Chief Neighborhood Liaison, but I'm
L5	looking forward to working with them. It's a
L 6	phenomenal group, and I'm just excited to do some
L 7	great things for the city of Detroit.
L8	(Applause.)
L 9	LIEUTENANT POTTS: Any questions?
20	CHAIRPERSON BELL: Yes.
21	COMMISSIONER VANN: I just wanted to first
22	of all commend the Chief and commend this particular
23	department. The people who stand before you are
24	people that I am well acquainted with, and they are

sterling, stalwart members of our community, first of

Page 56

all. They are pastors and leaders in their own right.
They are already busy people with great skills and
great heart for this city, and for them to extend
themselves in this way to help the Chief of the
department and to help the citizens of the city of
Detroit is highly commendable. And I think that this
is something that we should not take lightly, because
we've heard this before at this table that much of the
reason why Detroit is not listed among cities that
have had so far great proliferation of violence and
unrest in those cities is because of our unique blend
of police community relations.

And this particular part, the Chaplain

Corps, has always been, but now under the leadership

of Chief Foster and the other stalwart members of this

Chaplain Corps who are standing before us today, we

see a even higher level of commitment to the community

and the ancillary kinds of services and comfort and

help and just listening ear and voice that is needed

so often. It's needed in the community, but it's also

needed among the officers.

The stress on police officers these days is at an all-time high. We know that. We've been hearing today and we've always heard about the increase. I think you said 60 percent of an increase

1	in police shootings, shootings of police, or homicides
2	of police. And so this is very, very important.
3	And I know, you know, we have other issues
4	that we deal with as a commission and these are
5	proprietary issues that we must deal with, but I just
6	think it's very important to take the time to honor
7	these people who receive no remuneration for their
8	service, who are busy people in their own right. I
9	don't know 880 hours? I don't know you know,
10	I'm a pastor and I'm here every Thursday, but it's
11	hard to squeeze out 880 hours out of what I do. And
12	so for them to do that I think is highly commendable,
13	I think we should not take lightly, and I think it
14	ought to be celebrated.
15	(Applause.)
16	CHAIRPERSON BELL: Thank you.
17	CHIEF CRAIG: Through the Chair.
18	CHAIRPERSON BELL: Yes, sir.
19	CHIEF CRAIG: I would just like to make a
20	comment. I would tell you that all that's been said
21	today is true. I've certainly have had great
22	opportunity to work with each one of them. As I
23	pointed out earlier, you know, with the number of
24	police officer deaths, not just duty, line of duty as
25	well as not related duty-related deaths, they have

	Page 58
1	always been there. And I mean they not only provide a
2	service to the families of the fallen officers, but to
3	all of us that are also suffering at that time.
4	So I just wanted to, you know, give them a
5	thank you for what you do each and every day. I know
6	when we started peer support, something that was
7	severely lacking in this department, they without
8	hesitance joined that effort and certainly have done a
9	phenomenal job. So again, I just want to simply say
10	thank you for what you do.
11	VICE CHAIRPERSON MOORE: Through the Chair.
12	CHAIRPERSON BELL: Yes, sir.
13	VICE CHAIRPERSON MOORE: It's just good to
14	see the chaplains all over the city. The last two or
15	three years the chaplains have really just stepped up
16	to a point where they've laid that spear, that
17	foundation where officers and leaders can go to them
18	just to talk and correct them on Bible verses or
19	whatever. So it's just good to see the Chaplain Corps
20	out and about. And for some I've known since I was 14
21	years old. I'm not going to go into detail on which
22	ones, but thank you and God bless each and every one
23	of you.
24	CHAIRPERSON BELL: Any other commissioners?
25	COMMISSIONER SHELBY: Through the Chair.

1	CHAIRPERSON BELL: Yes. Go ahead.
2	COMMISSIONER SANDERS: With the chaplains,
3	I love the way they sing. I mean, they can really
4	bring the home down. It made me feel like I'm back
5	down south. You guys do an excellent job, and we all
6	appreciate you, every last one of you.
7	COMMISSIONER SHELBY: Yeah, through the
8	Chair. Has any consideration been given to chaplains
9	as (Inaudible) chaplains actually visiting the
10	detention center talking to these individuals?
11	As a commanding officer, I used to take my
12	chaplain with me. When people are at their lowest
13	point, they're really susceptible to any type of
14	spiritual guidance. Has any thought been directed
15	toward that?
16	LIEUTENANT POTTS: Not that necessarily,
17	but we are working to do some things in the city of
18	Detroit that haven't been done before. So I got a
19	core group of people that are committed to doing
20	whatever we need to save souls. And whether that
21	means going into the prison system or going anywhere
22	else, I'm sure we can have volunteers that are ready
23	to do that.
24	COMMISSIONER DEWAELSCHE: Through the
25	Chair. Yes. I do have a question with regard to the

	Page 60
1	program that you have for the 9th through the 14th.
2	LIEUTENANT POTTS: Yes.
3	COMMISSIONER DEWAELSCHE: Where you're
4	going to provide meals, certificates and coins. Do
5	you have a budget or how do you pay for like the
6	meals? Do you
7	CHIEF FOSTER: We personally went out and
8	raised the monies for this.
9	COMMISSIONER DEWAELSCHE: You have to raise
10	the money?
11	CHIEF FOSTER: Yeah, we raised the monies
12	for this, for the coins, for the meals. We went out
13	and actually beat the bushes to raise the money and
14	gave out of our personal income to do it.
15	COMMISSIONER VANN: That's what I'm talking
16	about.
17	COMMISSIONER DEWAELSCHE: Yeah. You know,
18	I would like to know more about your program to see if
19	maybe somehow our organization can support one of the
20	precincts anyways for breakfast or lunch. Thank you.
21	LIEUTENANT POTTS: Thank you.
22	CHAIRPERSON BELL: Any other comments?
23	COMMISSIONER CRAWFORD: Yes, sir. Through
24	the Chair, I just want to say thank you, and thank you
25	for all the work that you do. Really appreciate it.

	Page 61
1	LIEUTENANT POTTS: Thank you. I couldn't
2	do it without this team and the support of the Chief.
3	COMMISSIONER BURTON: Through the Chair.
4	CHAIRPERSON BELL: Yes. We have one more
5	one more minute, please.
6	COMMISSIONER BURTON: I just want to say I
7	appreciate the hard work you all are doing and I
8	appreciate your service. Thank you.
9	CHAIRPERSON BELL: As you know, you was not
LO	on our schedule. You was not on our agenda for the
L1	year, but I thought it was important that we get
L2	exposed to the Chaplain Corps and that you get exposed
L3	to us. We interact sporadically in different
L 4	settings, but nobody knew exactly what was happening
L5	with the Chaplain Corps. That's why we made the
L 6	request. And hopefully we can have more meaningful
L7	interaction with the Board of Police Commission,
L8	because I think that if not have shown up today we
L9	wouldn't have known about January the 9th or the 14th.
20	And that's getting back to, Chief Craig,
21	that we need more communication about what is
22	happening in our family, DPD family. The
23	commissioners feel as though we are left out in terms
24	of communication. Sometimes we hear about it in the

media, but we don't get the feedback directly. So,

Page 62 1 therefore, it's as though we are not supportive. But, 2 if we don't know, we cannot interact with you and be part of the family. 3 4 I'm well familiar with the Chaplain Corps in terms of most of us was on the police department. 5 As Bishop Vann stated, you do an excellent job, but 6 7 basically I'm glad you have raised the bar. 8 basically we need to have more interaction with you in 9 terms of what is --10 I'm not talking to you directly. talking to the DPD Chief and staff. That's their 11 12 responsibility. You're doing the work, but you want the department to communicate and include us. 13 14 CHIEF FOSTER: Well, I can say at least 15 with the Chief and with our new liaison and with our 16 lieutenant, I'm sure that you're going to gain more communication. 17 CHAIRPERSON BELL: Yeah. I didn't know we 18 19 had a lieutenant. Lieutenant Potts was promoted. 20 Before that we had an office we passed by out in the 21 hallway, but other than that we had no interaction. 22 So thank you for coming out, continue the 23 work, and we want to be involved, and keep us in your 24 prayer. Thank you.

LIEUTENANT POTTS: Thank you.

1	COMMISSIONER BURTON: I just want to say I
2	think the department does do a great job as far as
3	giving us communication. I just want to put that on
4	the record. I don't want us to appear as a board like
5	we have conflict with the department, because that's
6	not true. We do get those notifications. And we do
7	have the Chaplain Corps and the NPOs. I work closely
8	with both of them, especially over at number 7 and
9	number 3. You know, and all of us have those
10	opportunities to work closely with our NPOs or our
11	Chaplain Corps or whatever, but we do get those
12	notifications out. I don't want to put something out
13	there that's not totally correct. We do get them. I
14	get them. I receive them. I don't always get the
15	notifications from Greg Hicks, but, you know, I do get
16	the notifications.
17	COMMISSIONER CRAWFORD: Through the Chair.
18	CHAIRPERSON BELL: Yes, sir.
19	COMMISSIONER CRAWFORD: Well, Mr. Burton
20	just made my point. He said he gets the notifications
21	from the department, but he doesn't get the ones from
22	the commission, that we get that he doesn't get.
23	No, I'm just making a point here, because
24	you've been time and time again, sir, at this able

you've complained about you -- there was a lack --

	Page 64
1	pardon me there was a lack of communication on the
2	board in terms excuse me? There was a lack of
3	communication on the board in terms of notification
4	coming from the board secretary and all the
5	information just generated among the board members
6	you didn't receive those E-mails. You said it time
7	and time and time again at this table and all of us
8	have. And I've sat right here next to you and pointed
9	out notifications.
10	COMMISSIONER BURTON: Through the Chair,
11	the notifications that I have not received as far as
12	with the CPA that we hired
13	CHAIRPERSON BELL: Can we pause.
14	COMMISSIONER BURTON: the three
15	positions for policy person that this board has hired.
16	CHAIRPERSON BELL: Commissioner Burton
17	COMMISSIONER BURTON: I didn't get that,
18	and that's something from the board. But from the
19	department I do receive those E-mails. All of us do
20	get those at the same time. It's just the little
21	things that's going on within our office I don't
22	always get that about who the CPA is, how many people
23	applied for that position or a policy position, what
24	is going on with the board's attorney. We're still
25	operating without a board attorney.

Page 65 1 CHAIRPERSON BELL: Okay. Let us --COMMISSIONER BURTON: And then I come into 2 3 the office and we've got a new staff -- you know, a 4 new staff person. 5 (Reporter's note: Chief Craig replaced by First Assistant Chief Stair.) 6 CHAIRPERSON BELL: Let us move on. Some 7 8 things we need not respond to. 9 Chief Investigator Drake, you have the 10 mike. MS. DAVIS-DRAKE: Good afternoon, board. 11 12 THE COMMISSIONERS: Good afternoon. 13 MS. DAVIS-DRAKE: And happy new year to 14 everyone. 15 CHAIRPERSON BELL: Same to you. 16 MS. DAVIS-DRAKE: All right. I'm going to 17 cover information from our statistical reports for the month of November and December since because of the 18 19 holidays we didn't cover November last month. 20 Currently we have 174 open cases. Six 21 cases have been submitted to the supervisors for 2.2 closure. I'm sure I'll be getting those shortly. And 23 no cases have been submitted over 90 days. 24 The management team met over several weeks

to review and amend the OCI.

1	Current SOP, while it was a daunting task,
2	it was very enlightening for us. It was a very good
3	experience. We realized how far we've actually come
4	in the last four years. No major changes in place,
5	just a few modifications to our current processes,
6	largely due to updated technology.
7	They're also a couple of procedural
8	additions that added some clarification to our
9	practices. I'm in the process now of making those
10	changes, and within the next week or so I'll be
11	distributing those to Mr. Hicks and also the citizen
12	complaint committee so that they can review them. And
13	I'm sure at that time the out of committee the
14	committee will bring it to the attention of the full
15	board for approval.
16	Also, interviews. We have two vacancies,
17	as the board knows. We will be interviewing for those
18	two vacancies in the next week or so. We have them
19	scheduled for the 17th and 18th, full interviews. So
20	we have 16 candidates. We're excited about that.
21	For the month of November there were 92
22	cases that came into the office, which represents a
23	six-percent increase from last year. At the same time
24	we had 87 cases in November of 2015.

However, overall the cases are still at a

1	low. We kind of evened off. We had 1,035 cases this
2	past month, November, and then we had 1,037 cases in
3	November of 2015. So it's been pretty consistent year
4	to date.
5	At the end of November 2016 we had 177
6	cases that were opened, cases filed, 1,035, and we
7	closed 1,031 cases. So we almost broke even there.
8	Of the 92 cases filed in November, 30 percent involved
9	unknown officers of the known units. Leading in
10	allegations were the Eighth Precinct at 13 percent,
11	the Twelfth Precinct at six percent and the Sixth
12	Precinct and traffic enforcement at five percent.
13	Of those 92 cases, we had 184 allegations
14	total. The leading areas of concern for those
15	allegations, demeanor at 29 percent, procedure at 26
16	percent, service at 16 percent and force at nine
17	percent.
18	Ninety-two cases that were closed in 2016
19	had leading findings as follows. Not sustained 38
20	percent, exonerated 16 percent, unfounded at 12
21	percent and sustained at six percent.
22	And the leading areas of concern in those
23	92 cases were as follows. Procedure 37 percent,
24	demeanor 27 percent, service 13 percent and force at
25	eight percent.

1	That concludes the stats for the month of
2	November. The month of December stats are as follows:
3	We had 74 complaints that were filed with
4	the department, ten percent decrease represented from
5	last year at the same time at 82 percent. Overall we
6	had a one-percent decrease in comparison to last year
7	overall for the entire year. At the end of December
8	we had 174 open investigations. We filed cases that
9	were filed, 1,109, and we closed 1,108. So we again
10	pretty much broke even.
11	Of the 74 cases filed in December, 30
12	percent involved unknown officers. Of the known
13	units, the leading units for complaints were the
14	Second and Sixth Precinct at nine percent, Fourth
15	Precinct at five percent, the Eighth and Twelfth at
16	four percent.
17	Also, 2016 December involved 122
18	allegations of those 74 cases, demeanor 34 percent,
19	procedure 31 percent, service 18 percent and
20	harassment at seven percent. Of those 77 cases in
21	December 2016, leading in allegations and findings,
22	the findings were as follows:
23	Not sustained at 38 percent, exonerated at
24	17 percent, unfounded at 16 percent and sustained at
25	ten percent.

1	The cases that were closed the leading
2	areas of concern were, as usual, procedure and
3	demeanor were the top, 42 percent, demeanor was 26
4	percent, service was 12 percent and force and search
5	were six percent.
6	I also passed out a chart for you. It is
7	the citizen complaint totals by year, and it will give
8	you a good detailed description. If you look at the
9	bottom, the totals, the number of cases that we had
LO	over the last 11 years basically. And you can see
L1	that we had higher numbers, 2007, 2008 and 2009 were
L2	our highest numbers over the last 11 years, roughly
L3	averaging about 1,700 cases. We slowly began to
L 4	decrease 2010, 2011, 2012. Each year we dropped by a
L5	hundred cases. In 2012, 2013 and 2014 we maintained
L 6	right around 1,300 cases, which was still a
L7	significant difference from when we started out with
L8	those high numbers in 2007 and so forth.
L 9	And then this past year, in 2015 I'm
20	sorry. In 2015 we had 1,119 cases and in 2016 1,109.
21	So our numbers have been pretty consistently going
22	down through the years. I think that that has a lot
23	to do with a lot of things. I'll certainly provide a
24	more comprehensive report. My yearly and annual

report will be -- I probably will have together no

	Page /C
1	later than March of this year. So it will be a little
2	bit more detail as to this description as to why those
3	numbers are down.
4	And that concludes my report. Are there
5	any questions?
6	CHAIRPERSON BELL: Commissioners, questions
7	or comments or concerns?
8	COMMISSIONER CRAWFORD: Yes. Excuse me.
9	Through the Chair. Yes, ma'am. Chief Drake, as
10	always I have concern about the stats for November and
11	December, the 30 percent involved of unknown officers.
12	And I've stated before that perhaps we need to the
13	commission, and just get information throughout the
14	community of various ways to make sure that they're
15	obtaining badge numbers, car numbers, whatever is
16	necessary. And that would help us also to determine
17	whether or not whether or not it's either a Detroit
18	police officer involved.
19	MS. DAVIS-DRAKE: Yes, sir.
20	COMMISSIONER CRAWFORD: With these
21	unknowns, because 30 percent that's again and I
22	know we talked about this before in the past. That's
23	one-third of complaints filed against unknown
24	officers. And we don't even know I mean perhaps

some may not even be Detroit police officers --

	9
1	MS. DAVIS-DRAKE: Right. And oftentimes
2	they're not. Actually, that number has decreased by
3	ten percent over the last few years. It used to be
4	right around 40 percent, and now it's down by ten
5	percent. So that's a good thing.
6	I think we have made a lot of efforts when
7	we do community meetings. We go out into the
8	community on a pretty regular basis. Whenever we go
9	out into the community, we talk to them about citizen
10	complaints, how to file. Also, we talk to them about
11	making sure you have accurate information when you
12	call us, including providing names, addresses, phone
13	numbers for those for the not only the
14	complainant, but for witnesses, getting accurate badge
15	numbers, getting accurate police squad car numbers and
16	so forth.
17	So we are really we have a concentrated
18	effort. The supervisors are going into the community
19	as well as staff and myself and making sure that that
20	happens at least once a month, in addition to the
21	meetings that we attend for the board.
22	COMMISSIONER CRAWFORD: Yes, ma'am. And
23	also, too, the pilot program for the body cams, it's

24

25

in the Seventh Precinct and is it the Fourth Precinct

-- Fourth Precinct, okay. That's what I thought. In

	Page 72
1	coming months could you compile that data just before
2	Seven in terms of whether or not there's a increase or
3	decrease in complaints?
4	MS. DAVIS-DRAKE: Actually, I'm working
5	already with the Fourth, not so much with the Seventh,
6	but with the Fourth to do that. So that's not a
7	problem at all.
8	Also, I know that there is a presentation
9	that's coming for body cams.
10	And, A.C. Stair, I'm sure you can provide
11	more information at a later date on that information.
12	FIRST ASSISTANT CHIEF STAIR: Through the
13	Chair, A.C. White and his team who have been working
14	diligently to move this project forward will be doing
15	a presentation.
16	CHAIRPERSON BELL: Thank you.
17	MS. DAVIS-DRAKE: So they'll be able to
18	show us exactly how the body cams work, the company
19	that's being used once that is etched in stone,
20	because I think it's still up in the air right now,
21	isn't it?
22	COMMISSIONER CRAWFORD: Yes, ma'am. But,
23	if you could definitely compile that information from
24	2016 to 2015, just take a year, go a year back, just

the two precincts, to show that body cams from the

Page 73 1 time that the pilot program is implemented in Seven 2 and Four. MS. DAVIS-DRAKE: Sure. I think that was 3 4 in September, if I'm not mistaken, was it? Yeah, is 5 when the pilot actually ended. I think it was September; is that correct? 6 7 FIRST ASSISTANT CHIEF STAIR: The pilot is 8 still going. 9 MS. DAVIS-DRAKE: It's still going? 10 COMMISSIONER CRAWFORD: It's still going It's still ongoing. Yes, ma'am. 11 on. 12 MS. DAVIS-DRAKE: All right. Okay. 13 COMMISSIONER CRAWFORD: Thank you. 14 MS. DAVIS-DRAKE: Not a problem. 15 Any other questions? 16 COMMISSIONER BROOKS: Good report. 17 MS. DAVIS-DRAKE: Thank you. 18 CHAIRPERSON BELL: Thank you. Outstanding. 19 Appreciate it. 20 MS. DAVIS-DRAKE: Thank you. 2.1 CHAIRPERSON BELL: Director Gail Oxendine, 2.2 HR report. Thank you. 23 MS. OXENDINE: Good afternoon, board. 24 THE COMMISSIONERS: Good afternoon. 25 MS. OXENDINE: For the month of November --

1	Time seems December 2016 were report to as fellows.
1	I'm sorry, December 2016, your report is as follows:
2	In your packet on Page 1, the current
3	department staffing, we have 2,356 sworn positions
4	filled, 506 civilians, for a total of 2,862. We have
5	a total of 206 sworn vacancies, 55 civilian vacancies
6	and which is a total of 261 vacant.
7	It should be noted that we hired 18
8	civilians this past Tuesday, primarily in
9	communications and in TCRU. And also we are set to
LO	hire on Monday, January the 9th. Keeping our fingers
11	crossed for 40. We have 40 that are ready to go and
12	we're hopeful to see 40 on Monday.
13	With respect to recruiting, this is for the
L 4	first half of the fiscal year you see below, we have
L5	102 that are in process. Our disqualification numbers
L 6	are reducing in overall. And I'll provide you with a
L7	more comprehensive report later this year with respect
L8	to the added report for 2016 calendar year.
L9	Our MCOLES awaiting MCOLES number is
20	also decreasing. If you'll see in the next graph
21	below with respect to the testing of MCOLES, we had a
22	much larger number that we scheduled this month.
23	We're doing testing. We're running four sessions of
24	testing as opposed to two. And we are having a little

better success. Our show-up rate is a little better

	Page 75
1	for the physical agility, about the same, a little
2	lower for written, but our pass rate has improved. So
3	it was a good month for us in terms of getting more
4	people through the MCOLES process.
5	We hired six people total in the month of
6	December. We did not do any sworn hiring in the month
7	of December, but we are doing two classes in the month
8	of January. So January 9th and January 30th those are
9	respective dates.
10	Going to Page 2, you have your residency
11	information. It pretty much stays about the same in
12	terms of percentages. Detroit residents sworn 629,
13	nonresidents 1,727, civilians 326, Detroit residents
14	and non-Detroit residents 183.
15	Our student internship program for the
16	winter will begin on January 23rd. We're still
17	accepting applications through the end of next week.
18	Our attrition numbers are as you see, 14 sworn, 13
19	civilian, for a total of 23.
20	You have your restricted duty and leave of
21	absence category numbers in the next graph, and the
22	one special project we'll continue to work with A.C.
23	White's staff on improving that MCOLES testing process
24	to prepare people to be successful in that.

And with that, that concludes my report and

1	I'll take any questions that you have.
2	CHAIRPERSON BELL: Commissioners?
3	VICE CHAIRPERSON MOORE: Through the Chair.
4	Director, if someone wanted to join the
5	Detroit Police Department, how could they go about
6	joining?
7	MS. OXENDINE: Our application process is
8	online at Detroit MI dot gov backslash employment.
9	And all of the jobs that we have available to the
10	public are listed there.
11	VICE CHAIRPERSON MOORE: Is there a
12	telephone number they can dial?
13	MS. OXENDINE: You can dial 596-2145 for
14	additional information, but that information all
15	the information that you would be seeking in terms of
16	eligibility and requirements of the process are online
17	as well.
18	VICE CHAIRPERSON MOORE: Thank you, ma'am.
19	COMMISSIONER VANN: Mr. Chair?
20	CHAIRPERSON BELL: Yes, sir.
21	COMMISSIONER VANN: To our director, you do
22	a great job. A recent article, of course, seemed to
23	highlight again the disparity between those in the
24	department who are residents of the city of Detroit
25	and those who are not I don't know if you saw that

1	article. I know that it is a subject that we've
2	mentioned I've mentioned and other commissioners
3	have mentioned here at the table.
4	MS. OXENDINE: Yes.
5	COMMISSIONER VANN: Often you provide great
6	information for us. Do you knowing the department
7	as you do and its staff, is there an effect? Is there
8	what do you believe to be the effect on the
9	department because of the lack of residency and it
10	being so dramatic?
11	MS. OXENDINE: I don't I don't have any
12	sense of any effect at all, not to say that there
13	isn't, but I don't have any effect of that. I think
14	in my role, I pay more attention to diversity with
15	respect to gender and race as opposed to residency
16	issues.
17	So I think our department is much more
18	diverse than many other agencies, and we focus on that
19	with respect to recruiting. But I have seen a decline
20	in residents for the city of Detroit, not only in this
21	department, but for the city at large. So we have
22	more and more city employees that are either leaving
23	the city or those that are applying and do not live in

24

25

the city.

	Page 78
1	think that's probably a better question for the Chief.
2	FIRST ASSISTANT CHIEF STAIR: Through the
3	Chair.
4	CHAIRPERSON BELL: Yes, ma'am.
5	FIRST ASSISTANT CHIEF STAIR: I just wanted
6	to say that, you know, this has been a discussion for
7	a very long time. Certainly I've been here a couple
8	decades now, which sounds ridiculous, but it's the
9	truth.
10	CHAIRPERSON BELL: Getting younger and
11	younger.
12	FIRST ASSISTANT CHIEF STAIR: I know,
13	right. But I'll say that every single man and woman
14	that works for the City of Detroit Police Department,
15	regardless of where they come from, whatever the color
16	of their skin, they do an incredible job.
17	And when we talk about the officers that
18	we've lost over the years and the sacrifices that
19	they've made, at the end of the day we don't think
20	about whether they were Black or White or if they
21	lived in Livonia or the east side of Detroit. That's
22	not something that really matters to us as long as
23	they give their all when they're here to work for the
24	City of Detroit in concern to citizens.

And it's really, really important, as the

1	director said, that we continue to strive for
2	diversity, because the department does do a really
3	good job with that.

And as I travel all across this country and communicate with other law enforcement agencies, large and small, they always want to know how we do what we do as relates to diversity, whether that be Black, White and certainly females. As you all are probably aware, we have the largest number of females per capita than any other agency across the country. And so I think that's what we focus on. And we focus on making sure that we're hiring the best people for the job so that they'll done a good job to respect the citizens of the city of Detroit and those folks who come and work and/or play as well here.

16 COMMISSIONER CRAWFORD: Through the Chair.

17 CHAIRPERSON BELL: Yes.

18 COMMISSIONER CRAWFORD: Yes, sir.

Residency was abolished in 1999. I sat on the opposite side of the table, fault against the abolishment of residency, went to Lansing several times against abolishment. The law, as they say in the community, it is what it is now, you know. You can live wherever you chose to live, and there is no residency.

1	I liken this to when I worked in the state
2	of Georgia. We had people driving in to the police
3	department from Alabama. However, it is a loss in the
4	connection with the community. And most importantly,
5	the management and budget director back there can
6	understand this. It was abolished in 1999. Two years
7	later a think tank out of Lansing, this is their think
8	tank, put the numbers, the figures out there. The
9	impact on the city of Detroit, the city of Detroit law
10	abolishment of residency for police, firefighters and
11	also city employees was 300 million dollars, two to
12	300 million dollars at that time.
13	So you fast forward this to 2017. A low
14	conservative number is 700 million dollars. Now, you
15	can ask our budget director what she can do with 700
16	hundred million dollars.
17	And then we want to talk about all the
18	other financial impact it had on this police
19	department in terms of over the years. I don't know
20	if it was layoffs during that period, a few maybe, but
21	I can say in terms of equipment and money that could
22	have been spent within this police department in terms
23	of hiring, pay raises, et cetera.
24	So just information that's out there.
25	That's the truth about residency, so

1	CHAIRPERSON BELL: Commissioners, do you
2	have any other
3	COMMISSIONER BROOKS: Yes, I just have one
4	thing, the article that came out the other day on
5	other areas looking for recruiters. You know, we
6	really have to step up our pace, because I didn't
7	realize that cities like Livonia and a lot of other
8	places are in Detroit recruiting.
9	MS. OXENDINE: Yes, that is true.
10	COMMISSIONER BROOKS: So we have got to
11	step up our pace. And just what she was talking
12	about, we want the best.
13	MS. OXENDINE: Yes.
14	COMMISSIONER BROOKS: I'm at the point of
15	at where I don't really care what color you are or how
16	you look, as long as you are the best.
17	MS. OXENDINE: Yes, ma'am.
18	COMMISSIONER DEWAELSCHE: Mr. Chair, if I
19	could just add one comment to Mrs. Brooks.
20	I think it was mentioned earlier that this
21	Chief and this department, and I think, Ms. Brooks,
22	you may have made the comment, is about coming up with
23	solutions.
24	MS. OXENDINE: Yes.
25	COMMISSIONER DEWAELSCHE: And that's what's

1	going to work here, as was mentioned by Commissioner
2	Crawford. Nonresidency is what it is and so we have
3	to work around that. And we have to be successful
4	regardless of that in coming up with solutions.
5	And I think last a couple of meetings
6	ago, a few weeks ago we were on break, but you had
7	mentioned that you were going to look at testing at
8	different sites on MCOLES. That to me is such a huge
9	step forward, because this is how you're going to
10	reach communities that, you know, are not going to be
11	that are not easy to reach, you know. You're going
12	into their community. You're going to set up the
13	testing. And I think the numbers are going to improve
14	as a result. And I think that's why we're nationally
15	recognized for diversity in all of that, because we
16	are coming up with solutions, you know, the Chief and
17	the staff, and we're trying to support those solutions
18	as much as we can.
19	MS. OXENDINE: Yes.
20	COMMISSIONER DEWAELSCHE: So I commend you
21	for coming up with those solutions.
22	MS. OXENDINE: Thank you, and I thank you
23	for your assistance and support.

24

1	officers separating from the department, are they
2	leaving for other departments? Do you get that
3	feedback?
4	MS. OXENDINE: Yes, they do.
5	CHAIRPERSON BELL: I know there's not
6	aggressive recruiting of Black officers historically.
7	I think Harper Woods just hired their first in quite
8	some time, but I know historically officers coming
9	here getting trained and they leaving for Livonia,
10	Dearborn and et cetera, et cetera.
11	Do we do a exit interview to get an idea
12	are they going to law enforcement or
13	MS. OXENDINE: Yes, I have that data.
14	CHAIRPERSON BELL: Okay. Could you share
15	that with us in the future.
16	MS. OXENDINE: Absolutely. I can give you
17	the hard numbers for the last 12 months or so.
18	CHAIRPERSON BELL: Okay. Because I know
19	Dearborn we're not represented I know not
20	Dearborn. Grosse Pointe and the Parks, I don't think
21	you'll find us being recruited. That's still so
22	this issue is still before us in terms of residency.
23	I attended a meeting that the governor
24	sponsored, and Darnell White, former police
25	commissioner and NAACP, still raised the issue about

	Page 84
1	residency. You know, so we still in the core fiber of
2	the community that officers do not live in the city of
3	Detroit. We cannot ignore that. I understand the
4	whole other issue, but the bottom line is there's a
5	separation. They come up in well integrated
6	community. Officers live in the city of Detroit. We
7	know that. And I don't think that's going to change,
8	but I think Darnell say we still have to raise the
9	issue. We still have to be aware, because the
10	community feels as though they bailed out on us. So
11	it's not something that I like you talking about
12	solutions, to try to address that, so
13	MS. OXENDINE: So if I could just speak to
14	that for a minute, a couple things that you said. The
15	first thing is that what we're finding is not
16	officers are not getting trained and leaving
17	immediately. That's not the case.
18	CHAIRPERSON BELL: Okay.
19	MS. OXENDINE: Where we see our highest
20	attrition numbers is when people have vested. And so
21	they have vested at that ten years. That ten to
22	14-year period is where we see our highest attrition
23	numbers.
24	And many of those officers are going to
25	other police agencies or either some other employment

	Page 85
1	that's not law enforcement, but they are being what we
2	call recruited away. So I can provide you with those
3	hard numbers for the last 12 months or so.
4	With respect to the recruitment of Detroit
5	residents, we are in Detroit doing recruitment.
6	CHAIRPERSON BELL: Yeah, I know.
7	MS. OXENDINE: We're everywhere doing
8	recruitment. We're wherever we can possibly be to
9	get, you know, meet the goal of 40 a month, because
10	clearly that's the goal. And we want to fill every
11	position that we have.
12	So, you know, we're at churches, we're at,
13	you know, colleges, we're at, you know, WC3, you know,
14	we're wherever, you know, gyms, grocery stores, you
15	know, malls. We're wherever, strip malls, you know.
16	We've even been on corner sometimes just setting up
17	shop and when there's a busy street or a lot of
18	traffic. So we are attempting, doing our very best to
19	recruit Detroit residents. We just have not been as
20	successful as we would have liked to have been.
21	But we will continue to push. We have a
22	good recruiting team and we will continue to push. We
23	have a good field recruiting team, and we will just
24	keep pushing.

CHAIRPERSON BELL: Appreciate it. I know

1	you're doing the work.
2	COMMISSIONER DEWAELSCHE: I would just like
3	to add one comment and that is you have been
4	successful in getting the numbers, because they're in
5	this report. What the problem is is that people are
6	not meeting the qualifications. That's and that's
7	where we're trying to find the solutions, too.
8	MS. OXENDINE: Yeah. That is part of the
9	struggle. That is part of the struggle. And there
10	are some solutions that are on the table like the
11	driver's training piece that we're looking at and the
12	cadet program that's at Cody and University Prep.
13	COMMISSIONER DEWAELSCHE: Right.
14	MS. OXENDINE: Trying to reach the younger
15	people, you know, the student internship program that
16	we have. So I appreciate, you know, the
17	acknowledgment that we are
18	COMMISSIONER DEWAELSCHE: Because I see the
19	numbers. They're in the thousands.
20	MS. OXENDINE: Yeah. We're doing a much
21	better job.
22	CHAIRPERSON BELL: Yes.
23	MS. OXENDINE: We're still falling a little
24	short, but we're coming. We're going to keep pushing
25	until we get there.

Page 87 1 COMMISSIONER DEWAELSCHE: Great. 2 COMMISSIONER CRAWFORD: Through the Chair. 3 CHAIRPERSON BELL: Yes, sir. 4 COMMISSIONER CRAWFORD: Madam Director, 5 thank you. And I'm always encouraged to hear that you continue to try to recruit Detroit residents. 6 MS. OXENDINE: Yes, sir. 7 COMMISSIONER CRAWFORD: Because there's 8 9 nothing wrong with that. As a matter of fact, every 10 police department in America, every city in America, its police personnel are a reflection of their 11 12 community. And we do have a very diverse police 13 department here in the city of Detroit, but I just 14 want to emphasize that check it out, check the stats. 15 Every city in America, every police department, their 16 personnels are a reflection of their community. 17 And so I encourage you to continue to try 18 to recruit those within the city and make sure that 19 this department remains -- try to keep its diversity 20 where it is today and even more so. Thank you. 21 MS. OXENDINE: Yes, sir. Thank you. 2.2 That's the mission. 23 CHAIRPERSON BELL: Thank you, ma'am. 24 MS. OXENDINE: Thank you.

CHAIRPERSON BELL: Appreciate it.

Page 88 1 COMMISSIONER BROOKS: Ouestion. Do we have 2 a graduation tomorrow? 3 MS. OXENDINE: Oh, we do. We have a 4 graduation tomorrow. Thank you for bringing that up. 5 I'm not sure how many are graduating, but it's tomorrow at 10:30 at Tabernacle Missionary Baptist 6 7 Church on Grand River and the Boulevard. Yes. 8 COMMISSIONER BROOKS: That's Miss Bernice's 9 church. 10 MS. SMITH: That's right. COMMISSIONER BROOKS: Thank you, Miss 11 Bernice. 12 13 MS. OXENDINE: Yes, and thank you. ASSISTANT CHIEF STAIR: There's about 20 14 15 graduating. 16 MS. OXENDINE: Thank you. 17 CHAIRPERSON BELL: Thank you again. I'm 18 going to ask any standing ad hoc committee reports to reserve those reports if you have any for next week, 19 20 because the hour is late. 21 Mr. Hicks, do you have anything else? 2.2 MR. HICKS: No, Mr. Chair. I have nothing 23 additional. 24 CHAIRPERSON BELL: Okay. Any old business?

Any new business?

	Page 89
1	We have resolutions for two retirees. And
2	I'm going to ask the first one for Officer Brown, that
3	would be Commissioner Brooks.
4	COMMISSIONER BROOKS: "Whereas Trent Brown
5	was appointed to the Detroit Police Department on June
6	13, 1994. Upon graduating from the Metropolitan
7	Police Academy, Officer Brown began his career at the
8	Eastern Precinct Support Unit. And now, therefore, be
9	it resolved that the Detroit Board of Police
10	Commissioners, speaking for the citizens of Detroit
11	and the Detroit Police Department, award this
12	resolution to Police Officer Trent Brown in
13	recognition of his 22 years of dedication and diligent
14	public service, his professionalism, integrity and
15	standard of commitment to the city of Detroit and its
16	citizens, merit our highest regard and best wishes for
17	continuing success. We thank and congratulate you,
18	retired Police Officer Trent Brown."
19	CHAIRPERSON BELL: The Chair will entertain
20	a motion.
21	VICE CHAIRPERSON MOORE: So moved.
22	COMMISSIONER DEWAELSCHE: Support.
23	CHAIRPERSON BELL: It's been moved and
24	supported. Those in favor, aye?
25	COMMISSIONERS: Aye.

Page 90 1 CHAIRPERSON BELL: Those opposed? 2 The motion is carried. 3 The next resolution for Sergeant Lightfoot. Commissioner Sanders. 4 "Resolution to honor 5 COMMISSIONER SANDERS: 6 Sergeant James H. Page 91 1 COMMISSIONERS: Aye. 2 CHAIRPERSON BELL: Those opposed? 3 Motion carried. 4 Announcements. Our next community meeting 5 will be next Thursday, January the 12th, 2017 at 6:30 p.m., Twelfth Precinct at Detroit Unity Temple, 17505 6 7 Second Avenue in Detroit. Our next community meeting in February will be February the 10th, 6:30 in the 8 9 Ninth Precinct, location forthcoming. 10 At this time we're going to have oral communication from the audience. You have two 11 12 minutes. Please give your name and be respectful. And, if you're going to speak, please come to the 13 14 mike. But, if not, come to my left in preparation for 15 speaking, so ... 16 MS. GEORGE: I would like to say good 17 afternoon and happy new year to the commission. 18 My name is Michelle George, and I spoke 19 before, once before. I'm a public health nurse. Hi, 20 Bishop Vann. You spoke at our church, Unity Baptist 21 Church. 22 I wanted to -- Commissioner Crawford 23 already kind of honed in on Officer Daniel, because I 24 was on the radio. And how I heard about the story I

was listening to 910 AM with Bankole Thompson.

that's	how	I fo	ound	out	about	the	off	icer,	because	the
Second	Pred	cinct	t is	in m	ny comi	nunit	cy.	And C	Commande	r
Muncy	is do	oing	an a	awesc	ome jol	o at	the	Secon	nd Preci	nct.

So I was concerned as a public health nurse, because this week I will be speaking -- I have a nurse show on the internet called Nurse Inform, and I will be speaking on racism and how it impacts your health from a nursing perspective. So this is really important, because as a member of National Action Network we fight police brutality, what's going on across the country.

But on the second hand, I'm an advocate of police officers, because they may save my life one day. So it's kind -- it's not either/or. You know, I know a lot of times we try to push it -- the community against the police officers and what's going across the country, but honestly we know that there are a lot of police officers who do put their life on the line every day. And I'm always in support of them making more money, like the young lady mentioned here.

And I mentor at-risk youth. I was at the Congressional Black Caucus in September, and spoke to four brilliant African-American FBI agents. So I also tried to get African-American males to join in and get into law enforcement. So I'm glad to hear that with

1	that.
2	But I wanted to just mention that as a
3	public health, I was alarmed about what's happening
4	with the officers, because I think even among our
5	elected officials, and I will bring this up in our
6	City Council meeting, that there is a disrespect with
7	the citizens of Detroit.
8	And a lot of times when you're constantly
9	seeing trauma, trauma, trauma and constantly seeing,
10	okay, you think you saw a African-American and I
11	just spoke recently. There was violence among I
12	was on a radio program. They talked about violence
13	among African-Americans being violent. I said Whites
14	were violent in the '60s, when we look at the lynching
15	among our people. So it's not either/or when you tend
16	to commit crimes in the community that you live in.
17	So I just wanted to hone in on that. I
18	hope they do get prayer in the police precinct,
19	because I do pray for the officers all the time, and
20	we do need that prayer. Thank you.
21	CHAIRPERSON BELL: Thank you.
22	MS. SMITH: Good afternoon, A.C., and to my
23	commissioners, and a happy new year also to you.
24	I'm going to be brief, because I know time
25	is of the essence. The first thing I have two

Page 94

things I was going to tell you. First was, Reverend
Vann, I want the public to know and the commissioners
also that you presented a proposal to the legislature.
And it was a CPR that you had asked to be taught in
the schools. I thought that was a very good idea
because of the fact that you had a incident yourself
personally when you got through speaking at a sermon
that you had at your church and you had a heart
attack. So I thought that was very good for you to
suggest to the state legislature to pass that and let
the schools know that it is important for the students
to be able to do that to each other in case of an
emergency in that way.

Now, the last thing, and I'm going to be brief before Brown puts that sign up. On my way here I ran into a young lady, and we were discussing her position at the City Council where she's one of the officers there and she wants to be recruited to the recruitment. And there's a hesitation in regards to that. But in the meantime she was telling me about — I mentioned it. You know I'm always asking questions. This officer who we all know has made this outrageous, and I mean outrageous statement in regards to the police department.

Now, most of you know I have been

1	affiliated with the police since 1973 under Coleman
2	Young. So I've always been a supporter of the police
3	department regardless of who was the Chief. But this
4	Chief I feel as though has done a great job in regards
5	to getting the people together and knowing what he is
6	doing.

In the meantime, when I talked to her about what the police is doing in her neighborhood or in her whatever, her knowledge about, she stated that she knew this Officer Wolfe. She worked with him. she could not understand the fact that he made those statements in regards to the city of Detroit, because -- it may be gossip to you guys, but I believe it. He went with a Black woman for years without anyone knowing about it. So I want it to be on known, and I'm through with that.

CHAIRPERSON BELL: Excuse me. Excuse me. MS. SMITH: I'm through with that. I just want it to be known so it can be investigated, all right. And I'm through with it, because he said stop so I'll stop.

CHAIRPERSON BELL: Thank you. Thank you. MS. SMITH: Have a blessed day. I know you don't what to hear what I got to say all the time, but I tell the truth. I don't come before you with

	Page 96
1	gossip. That's the truth. So we'll know about it
2	soon. Thank you.
3	CHAIRPERSON BELL: Thank you. Thank you.
4	Yes, ma'am.
5	Any other speakers?
6	MS. WATKINS: Good afternoon.
7	THE COMMISSIONERS: Good afternoon.
8	MS. WATKINS: I'm actually supposed to be
9	sitting in the meeting today listening because I am
10	new to the game of Police Commissioner Board and what
11	the Detroit Police do. However, I've been all over
12	this city this year, last year training as well to be
13	an effective part of change in my city.
14	VICE CHAIRPERSON MOORE: What's your name,
15	for the record?
16	MS. WATKINS: My name is Latrice Watkins
17	(ph).
18	The one thing that I just really that it
19	really, really bothered me today in the meeting was
20	that we talked a lot about racism. And we are in a
21	situation where we need to bring the community and you
22	guys and our Detroit police officers together. It is
23	important that we unite. That is the only way we are
24	going to make it out of this struggle with our new
25	president and with these new guidelines going on.

1	And when I come out into the community with
2	my nonprofit organizations I talk out a lot about
3	racism and our Jim Crows and things that we are still
4	letting bog us down. And there is something that I
5	try to teach citizens. There is two forms of racism
6	that's going on. There is creed, color, religion,
7	which we know, oh, so well, and there is structural.
8	And the thing that we don't teach African-Americans is
9	that that structural racism, that level, we don't even
10	begin to comprehend what's going on on that level.
11	That is why we have officers who are not
12	making enough money. That is why we have counselors
13	who are bickering instead of worrying about issues.
14	And when we walk the streets and we advocate with the
15	citizens to join with these officers and help them
16	out, we are talking about that structural racism as
17	well as a system that has been implemented to keep us
18	down.
19	And I think those are some of the things
20	that we need to start focusing on besides the yay-say
21	and the nay-say, and I thank you.
22	CHAIRPERSON BELL: Thank you.
23	MS. OSBORNE: Good evening. My name is
24	Rosalind Osborne (ph). Once again, I'm precinct
25	delegate for 336. I'm also block club president for

1 Warwick from Tireman to Warr
--------------------------------

2.2

2	What I just wanted to present earlier, we
3	discussed about a glitch in the system. I feel that
4	there's a glitch in the system with our car thefts.
5	My car was stolen the night I patrolled Angels Night,
6	but when I went to report it I have to go to the
7	police station to make my report. My car was stolen.
8	I actually found out 5 a.m. in the morning.
9	So to me those are little things that I

So to me those are little things that I think we have to discuss with policing and making it more effective.

I'm a president, but my captain has actually been on my block over 43 years. And this is why I do what I do. I'm her legs, I'm her voice. And I feel that if that had happened to one of my seniors, how are they actually going to get to the police station to make that report.

So I think we need to look at some of these glitches and some of this things that make it more convenient for our seniors, our disabled and even our vets in our city, because our main objective is to make sure our residents feel safe and they have support. But when those bridges and, like I say, glitches in the system, and then when I go you tell me, well, the issue is because what if you just

	Page 99
1	calling and say your boyfriend you just mad because
2	your boyfriend stole your car. That is not what you
3	tell me. You give me, please, another example. So I
4	just wanted to state that so you all can ponder on
5	that.
6	Now, I want to give God the glory. My
7	vehicle was found in Plymouth. It is returned. But I
8	just wanted to allow you all to understand, I'm a
9	able-bodied individual, but I'm thinking of my
10	seniors, my disabled and my veterans. All right.
11	CHAIRPERSON BELL: Thank you, ma'am.
12	There's some rationale for that, and I think A.C.
13	Stair is going to give you that rationale why they
14	changed the policy back to the way it is I mean
15	what it is today.
16	FIRST ASSISTANT CHIEF STAIR: Through the
17	Chair, it certainly isn't the policy to give a
18	response to a citizen as the young lady was given, but
19	one of things we hope to do as we move forward in the
20	department, especially with hiring more officers, is
21	to have them available to do things like that, right.
22	And then, you know, if you call a precinct, a precinct
23	captain or your neighborhood police officer when
24	things like that happen, they can figure things out,

certainly if it's a senior or disabled person or a

1	vet, but we hope that moving forward we'll be able to
2	do that.
3	I mean, because if you recall not so long
4	ago, they closed the precinct down after four o'clock
5	in the afternoon. And we, you know, made some efforts
6	to change that as well. And again, we really, really
7	want to do everything that we can. But seniors, our
8	veterans, are near and dear to our heart. And
9	certainly, you know, if you have issues like that in
_0	the past or someone in your neighborhood group, I'd be
11	happy to hear what you have to say and work with you
12	all to make sure some things are taken care of.
13	CHAIRPERSON BELL: Thank you.
L 4	COMMISSIONER BURTON: Through the Chair.
15	CHAIRPERSON BELL: Yes.
16	COMMISSIONER BURTON: I just wanted to add,
L7	back in October in my district, in District 5
L 8	downtown, I host a neighborhood crime prevention
. 9	forum. We talked about auto thefts, and we had
20	someone from Commercial Auto Theft there present to
21	talk to many of the residents. It was well received.
22	A lot of great information was shared. We're going to
23	have some more of these forums throughout the city,
24	possibly February and March, but it was well received
> 5	and it was great A lot of you know residents!

1	concerns was answered.
2	And, you know, crime overall is down in the
3	city. I mean, you go hear, you know, something that's
4	going to be reported here or there, but overall crime
5	is down, you know. And but you know, we have to
6	give you know, we have to keep in mind that we have
7	to watch out for our neighbors as well.
8	I like what the lady said about the seniors
9	and the veterans. You know, this department is
10	working and they're working for you. So your tax
11	dollars are at work, but we will have more of these
12	forums as well.
13	CHAIRPERSON BELL: I just want to take this
14	opportunity to thank you for your attendance and for
15	your patience. It's been a long meeting. I wish you
16	the best in 2017.
17	We've got another speaker? Any other
18	speaker would you please come to the mike. I thought
19	we was closing out. Any other speakers?
20	Yes, sir.
21	MR. OWENS: Sorry. I didn't mean to
22	CHAIRPERSON BELL: Yes, sir. That's okay.
23	MR. OWENS: My name is Marcus Owens. I
24	live in the Rosedale Park area, District 1, 16,
25	high-schooler.

1	I'm writing a paper on the benefits that
2	community policing and other initiatives that have
3	reduced civilian complaints against the Detroit Police
4	Department over the last couple years. I've gone to
5	the Detroit Police website. I've looked at the 2015
6	commissioners report. As has already been stated,
7	I've seen just drastic decrease of complaints against
8	the Detroit Police Department for since 2008.
9	But to really complete my paper, I ask
10	what my request is to complete the paper I need the
11	I need access to the raw data, the where the
12	complaints are coming from precinct wise, like where
13	exactly they are coming from.
14	I guess my request to you is is there
15	anyone within your staff that could
16	CHAIRPERSON BELL: Could you interact with
17	our chief investigator sitting right there, and she
18	can be a great help to you.
19	MR. OWENS: Yes.
20	CHAIRPERSON BELL: Thank you.
21	COMMISSIONER CRAWFORD: One question.
22	You're writing a paper for what college? What or
23	just your own research?
24	MR. OWENS: This is a it's kind of a

high school like college AP level paper. It's

1	supposed to be social sciences. I'm very interested
2	in the Detroit residents and understanding, you know,
3	what really goes into a police department. I've
4	looked at the President's task force, a report that's
5	come out. And really the NPO program that Detroit has
6	just implemented is almost a direct definition of what
7	they to the community policing and what districts
8	around the country are trying to work towards. And
9	I'm very interested in researching that, and that's
10	something that I want to do research on my paper.
11	COMMISSIONER CRAWFORD: Thank you. Thank
12	you very much.
13	CHAIRPERSON BELL: Any other speakers?
14	MS. BILLINGSLEY: Hello. My name is
15	Yolanda Billingsley (ph). And my son, Angelo Goforth,
16	was robbed and murdered on November 15th no, excuse
17	me, November 21st, 2015.
18	Now, the detective that was assigned to the
19	case, I was told that I could call him any time and if
20	I couldn't reach him I can call his supervisor. I
21	have done that several times. I left voice messages.
22	I have not talked to anyone. They have not returned
23	my call. The only time that I get to speak with the
24	detective is I pop up here on him and ask him
25	questions. And the only answers that I get from him

1	is the same thing, we know who we looking for.
2	I did a second Crime Stoppers, and when I
3	did my second Crime Stoppers the streets started
4	talking. We came up with a suspect name who he
5	confessed to and everything, and we E-mailed that to
6	the detective. And right now today I still have not
7	spoke with the detective about anything.
8	I'm here I just want justice, and I just
9	I'm just looking for some help, because I just feel
10	like the detective that's on this case is not doing
11	enough. Thank you.
12	COMMISSIONER CRAWFORD: Ms. Billingsley
13	CHAIRPERSON BELL: Could we let the Chair
14	respond first.
15	Would you speak to A.C. Stair sitting right
16	here to my left. She will speak to you directly after
17	the meeting or designate someone to speak to you in
18	reference to your concern that you just raised.
19	MS. BILLINGSLEY: Okay.
20	COMMISSIONER CRAWFORD: Ms. Billinsgley,
21	first and foremost I want to offer my condolences and
22	condolences from this commission, even though it
23	occurred November the 15th last year
24	MS. BILLINGSLEY: November 21st.
25	COMMISSIONER CRAWFORD: I'm sorry.

Page 105 1 MS. BILLINGSLEY: 2015. 2 COMMISSIONER CRAWFORD: November the 21st, 2015. And what was your son's name? 3 4 MS. BILLINGSLEY: His name was Angelo 5 Goforth. COMMISSIONER CRAWFORD: Goforth? 6 7 MS. BILLINGSLEY: Yes. COMMISSIONER CRAWFORD: All right, ma'am. 8 9 Thank you. You have my condolences. 10 CHAIRPERSON BELL: Thank you, ma'am. 11 Any other speakers? Any other speaker after this young man? 12 13 Okay. This is it. Okay. Thank you. 14 MR. RAZO: Good afternoon. 15 CHAIRPERSON BELL: Good afternoon, sir. 16 MR. RAZO: Rico Razo, District 6 manager 17 out of the Mayor's office. 18 Revisiting residency requirements, 19 obviously we know it's not going to change. I think 20 the question is asked does it make a police officer 2.1 better? 2.2 CHAIRPERSON BELL: Yes. 23 MR. RAZO: I don't know if there's data to 24 prove that, and I would have to say yes. But I think 25 residents having an officer in the neighborhood they

2	I don't know if it's a good and this is
3	just a comment, maybe a good time with all the
4	resources we have coming into the city, revisiting
5	incentives to offer to police officers to move back
6	into the city. Midtown, Inc. has a great program,
7	Live Midtown, where they I want to say they've
8	renewed it, or maybe the money has run out to
9	subsidize housing anywhere in midtown, downtown area,
10	Henry Ford employees. I mean, it seems like we're
11	doing a good job at bringing those employees to a
12	certain part of the city. Why not work with the
13	resources that we have coming into the city to help
14	leverage some of the living conditions.

I mean, we all know what police officers We all know what insurance rates are. And as a make. police officer you want to be on the up-and-up. You're not going to drive dirty. So we need to do as much as we can I think as a city, maybe revisit it with the Mayor and have him leverage a business committee and offer an incentive.

Dave Bing started that fight, that effort, rebuilding some houses in the Boston-Edison district offering them, the officers. I don't think it was received too well, and a lot of money was mismanaged

	Page 107
1	and spent poorly. But I think we're at a point right
2	now with leveraging the land bank, the housing stock
3	we have, the business community, we can make something
4	like that happen.
5	CHAIRPERSON BELL: Thank you, sir.
6	If there's no other business, once again,
7	thank you for your attendance and your patience, and I
8	wish you the best in 2017. The Chair would entertain
9	a motion for adjournment.
