CITY OF DETROIT
BOARD OF POLICE COMMISSIONERS MEETING
March 14, 2024 at 6:30 P.M.

1 VICE CHAIRPERSON SMITH: It is now 6:30 PM, I would
2 like to call this meeting into order. My name is Tamara
3 Liberty Smith. I am the Vice Chair of the board. Thank
4 you and welcome. I would like to announce Reverend
5 Richard White, the third senior pastor of Dexter Avenue
6 Baptist Church tonight to give the invocation and words
7 of welcome.

8 REVEREND WHITE: Alright, well good evening to each
9 of you and welcome to Dexter Avenue Baptist Church. I'm
10 Reverend Richard White III. I serve as a senior pastor
11 here at Dexter, and we are so honored to have you all
12 here with us today. So I certainly feel welcome. If I was
13 in a church, I would say give the Lord a great hand clap
14 of praise, but I don't know if I can do that here. So
15 I'll say welcome to each of you. But we are certainly
16 honored to have you all here today, and just know that
17 the doors of Dexter are always open whenever we can be
18 able to serve the community to help to make a difference,
19 we are glad to do this. So certainly to each of you, we
20 welcome you today. Let us pray. Lord, we come to you
21 right now. We thank you for this day. We thank you oh
22 God, that you saw fit to wake us up this morning and
23 allowed us to see a brand new day. Now, God, we ask that
24 you bless this meeting of God, that you would bless the
25 deliberations that would take place, oh God, that we may

1 lead and strengthen and in power. We ask that you bless
2 our police department in a special way. Continue to watch
3 over them and keep them and lead them and guide them.
4 Bless our chief and his staff, continue to be with them.
5 Oh God, we lift up, oh God, this department, oh God,
6 these commissioners, we ask so God, that you would bless
7 them in a special way, that you would lead them, oh God,
8 in their decision making, that you would continue to give
9 them wisdom as only you can, oh God, and that you would
10 bless them in a special way.

11 We ask God, that you would keep them in your care
12 and bless all of those who are here, the community
13 partners who are here today. Bless them right now God,
14 bless all those who are on their way, our God. And we ask
15 that you would lead us and guide us and direct us. You
16 tell us that if we acknowledge you in all of our ways,
17 you would direct our path. God, we need you to direct our
18 city. We need your God to strengthen our city. We ask oh
19 God that you would be with us and keep us in your care,
20 we'll ever be mindful too. Give your name all the praise,
21 the honor and the glory is in Jesus name we pray, amen.
22 God bless you.

23 VICE CHAIRPERSON SMITH: Amen. Thank you. Thank you
24 so much for those words, and thank you for allowing us to
25 use your establishment. As I look around, I don't think

1 that we have a quorum. So I'm asking our acting
2 secretary, Mr. Robert Brown, do we have any public
3 comments?

4 MR. BROWN: Madam Chair, you probably want to do the,
5 or you can do the public comments or we can go to the
6 Chief Investigator Community Impact Report. It's your
7 pleasure. What would you like to do?

8 VICE CHAIRPERSON SMITH: Okay, well then I just went
9 in the order of this paper. Okay. So we can go to Mr.
10 Warfield.

11 MR. BROWN: Yes.

12 CI WARFIELD: Thank you. Good evening, Madam Chair
13 and to the public. Tonight, I want to share with you the
14 Office of the Chief Investigator's report as it relates
15 to where we are in our case and where we are in our
16 improvement plan. I do want to say this, I want to thank
17 the board for approving our automated form. It is still a
18 work in progress as we continue to improve it, to make it
19 more efficient, but we thank you for your vote of
20 confidence as we use it as, and as some of you will see
21 as you're signing our investigations, that that form is
22 actually in play now. And so the reports look different
23 from what it did before as you were signing the reports.
24 As relates to our ROCI mission statement, the mission of
25 the Office of the Chief investigator is to fairly

1 effectively and objectively receive, investigate, and
2 make recommendations regarding complaints concerning the
3 Detroit Police Department and its personnel.

4 It is the goal of OCI in improving the quality of
5 the life of law enforcement services by instilling
6 citizen confidence in the integrity of the Detroit Police
7 Department. As we look at our statistics for the month of
8 February we want to start with complaints versus
9 allegations. In the month of February, we had 121
10 complaints in our office. Of those 121 complaints, they
11 contain 280 allegations that needed to be investigated.
12 When we look at how those complaints came in, the vast
13 majority of those complaints, 67% came by way of
14 telephone or 40% came in, walked in online and other
15 venues that it came in. In the month of February we
16 received 121 cases and we closed 56 cases. When we look
17 at our team alignments and how those cases were closed
18 you'll see that on the screen for those of you who are
19 here, for those of you who are online. But combining the
20 number of cases that were closed and the number of cases
21 that are still in review from February, we have a total
22 of 78 cases in house that our investigators have worked
23 on in the month of February that are either closed or in
24 the process of being closed. And again, those
25 investigators that are in rotation are still 12. So we

1 are still well under the number of investigations that we
2 need to make a significant impact on the citizen
3 complaint reports that are in our office.
4 As we break the allegations down by category in the
5 month of February, about 65% of the allegations came by
6 way of procedure, service, and demeanor. Procedure
7 represented 27% of our allegations, demeanor represented
8 23% and service 15%. Harassment represented 9%, and the
9 rest of the allegations were under 10%. When we again
10 look at it by category, if you look at the aggregate
11 number, there were 77 complaints for procedure, 64
12 complaints for demeanor, and 42 for service 26 for
13 harassment, and force and property had 21 allegations
14 each. When we look at the command structure as it relates
15 to the Precincts and where the bulk of the allegations
16 we're coming from, we are looking at the 7th Precinct
17 with a total of 19, 8th Precinct with 15 9th pre the 9th
18 Precinct with 18, and the 11th Precinct with 15 for a
19 total again of 280 allegations across the command
20 spanned.
21 When we look at the number of cases that we have
22 today, we have received just this year alone, 319 cases,
23 just this year alone, and we have closed 116 cases. We
24 also have incorporated 280 cases from the OIG report that
25 our three brand new investigators are working on as we

1 speak, in an effort to expedite those cases that we
2 received back from the Office of the Inspector General
3 and we are making plans to address the other 550 cases
4 that came over to us as well from the inspector general
5 office. We received the Inspector General, as I said last
6 week, removed about 1,401 cases from our office. We got
7 those 1,401 cases back and 280 of those cases, we are
8 immediately looking into because those are the cases that
9 were said to be closed without proper investigations. And
10 so letters are going out to all citizens of all of our
11 backlog cases to let them know that your case is in
12 process and that we have not forgotten you, and we are
13 going to investigate all. That's my report, Madam Chair.
14 Thank you.
15 VICE CHAIRPERSON SMITH: Thank you. Thank you so much
16 for your report. Okay. Now, Mr. Robert Browner, acting
17 secretary, do we have any public comments?
18 MR. BROWN: Yes, ma'am, Madam Chair, we currently
19 have 3 speakers and I'll call those in attendance and for
20 the record, Madam Chair, because we'll allow an hour for
21 public comments. The cutoff time is 7:30, so you might
22 want to come back if we get any more, but I'll call those
23 three in attendance. Ms. Victoria Shah, followed by Ms.
24 Bernie Smith, followed by Ms. Ray Baker.
25 MS. SHAH: Good evening commissioners. For the

1 record, my name is Victoria. I live in District 7, and I
2 see most commissioners are not here today, so please make
3 sure that they get this message. I know that each of you
4 volunteer for your positions and your schedules are
5 challenging, however you signed up for this and much more
6 than once a week commitment is required. Staff have
7 little to no authority to move the business of the board
8 forward without your consistent and timely engagement.
9 Staff is repeatedly put in an impossible position to try
10 to deliver on the goals approved by this board without
11 the board's engagement. How is OCI going to handle
12 citizen complaints without investigators? Last year when
13 I was secretary, I assisted this board through the
14 arduous and lengthy task of getting approval from HR,
15 budget, finance, and you to use excess budget dollars to
16 hire extra investigators.
17 Where are they? The applications were passed to all
18 commissioners at the January 11th meeting. There has not
19 been a personnel and training committee meeting yet to
20 interview these candidates. Candidate lists go stale
21 after this long. People are applying and accepting other
22 positions. This happens over and over and over again with
23 this board, and it's not because of staff, it's because
24 commissioners aren't available to interview. Staff and
25 city recruiting are in the office Monday through Friday.

1 Commissioners are the missing link. The city's fiscal
2 year ends on June 30th, and you're going to leave
3 budgeted funds on the table again as oversight goes
4 unfulfilled. When I resigned, I offered a transition plan
5 to continue to provide assistance to this board. You
6 voted to decline that assistance, and it's just as well
7 because there's nothing that I or any staff member can do
8 if commissioners don't do their part.
9 VICE CHAIRPERSON SMITH: Thank you,
10 MR. BROWN: Ms. Smith.
11 MS. SMITH: Sorry, it's taking me so long though.
12 COMMISSIONER BERNARD: Get your microphone.
13 MS. SMITH: Oh, sorry. All right. Thank you. Good
14 evening to everyone and to my commissioners. I'm not
15 going to say what I want to say because I want to keep
16 that until we go downtown because certain people are not
17 here presently. But I would like to tell the neighborhood
18 that we have a darn good police commissioner. All of them
19 sitting there, they're doing a good job, believe me. Take
20 my word for it. But this is what I want the citizens to
21 know and do. We must end the crime in our city. Enough is
22 enough. We must stop the shooting and the killings.
23 Detroit should be a peaceful city to love and not have
24 shooting 24 hours a day just about. If you have children
25 still living at home, but not in school, don't have a

1 job, check on them and see what they're doing. See what
2 their associates are doing. And above all, don't allow a
3 gun in your home if it's not registered. And if you do
4 have one, put the lock on it so it can't be used by any
5 of the teenagers that's in your home.

6 If you are not legal and, I'm sorry, the guns in a
7 safe place. Check your children's associates, like I
8 stated. But the main thing is we must respect our police
9 department. As you notice, within the last several days,
10 they have had shootings at the police, which is totally
11 unnecessary. We should have respect for our police
12 department and not continuously let the shooting and the
13 killing go on. The other day, you had police chasing
14 people in their cars going through lights. This is
15 totally unnecessary, we're Detroiters, and we are not
16 gangsters in this city. And we should act like it, that
17 we respect each other. My time is up. All right. See, I
18 respect you. Thank you so much for listening to me. But
19 remember, this is our city. Let's protect it.

20 MR. BROWN: Madam Chair, you currently have a quorum,
21 so if you want to go back to the full agenda.

22 VICE CHAIRPERSON SMITH: Okay. Thank you. We
23 currently have a quorum?

24 MR. BROWN: Yes.

25 VICE CHAIRPERSON SMITH: Mr. Brown, can you please do

1 the roll call?

2 MR. BROWN: Yes, ma'am. Chairperson Pressley asks for
3 an excuse.

4 MR. BROWN: Vice Chairperson Smith - Present.

5 MR. BROWN: Commissioner Linda Bernard - Attorney
6 Linda Bernard, District 2. Welcome, everyone - Present.

7 MR. BROWN: Commissioner Cedric Banks - Present.

8 MR. BROWN: Commissioner Willie Bell asked for an
9 excuse.

10 MR. BROWN: Mr. Willie Burton - Present.

11 MR. BROWN: Commissioner Lisa Carter asked for an
12 excuse.

13 MR. BROWN: Mr. Ricardo Moore asked for an excuse.

14 MR. BROWN: Commissioner Jesus Hernandez - Present.

15 MR. BROWN: Commissioner Roy Gamble asked for an
16 excuse.

17 MR. BROWN: Commissioner Darryl Woods - Present.

18 MR. BROWN: Madam Chair, you have a quorum.

19 VICE CHAIRPERSON SMITH: Thank you. So we will now
20 proceed to the approval of the agenda for March 14th,
21 2024, with the addition of new business. Are there any
22 objections to the agenda?

23 COMMISSIONER BURTON: Yes.

24 VICE CHAIRPERSON SMITH: Go ahead, Commissioner.

25 COMMISSIONER BURTON: Thank you. Through the Chair

1 for parliamentary inquiries, do the bylaws require that a
2 candidate for vice chair is a priority of the votes, or
3 do they get the majority of the votes to win the office?
4 And that was unclear because our parliamentarian I
5 believe was absent.

6 VICE CHAIRPERSON SMITH: So, Commissioner, what are
7 you asking?

8 COMMISSIONER BURTON: It was a question from last
9 week when the board had elections and when the board had
10 election, we don't know if it's a priority of votes or is
11 it a majority of votes, because we were under depression
12 that Chairperson Pressley called the majority, you know,
13 so we want clarity from the parliamentarian at this time.

14 VICE CHAIRPERSON SMITH: Okay. At this time, the
15 parliamentarian isn't here, so we will have to move
16 forward and you can address that next week. So with that
17 being said, we will move for the approval of the agenda
18 of March 14th, 2024, with the addition of new business.

19 COMMISSIONER BANKS: So moved.

20 COMMISSIONER BERNARD: Second.

21 VICE CHAIRPERSON SMITH: Thank you. With that being
22 presented...

23 COMMISSIONER BURTON: Discussion. Are you eliminating
24 new business? Are you keeping new business on?

25 VICE CHAIRPERSON SMITH: Adding new business, not

1 eliminating, but adding.

2 COMMISSIONER BURTON: Thank you for clarity, I
3 couldn't hear it.

4 VICE CHAIRPERSON SMITH: You're welcome. Thank you.

5 So, with no objections, the agenda is presented. Next
6 we'll proceed with the approval of the minutes of March
7 14th, 2024. Are there any objections to the minutes
8 presented?

9 COMMISSIONER BERNARD: Second.

10 VICE CHAIRPERSON SMITH: Second. So with...

11 COMMISSIONER BURTON: Through the Chair, I actually
12 reject the minutes for last week because the
13 parliamentarian was not present and there are still some
14 wanted answers.

15 VICE CHAIRPERSON SMITH: Thank you for your
16 objection. We will continue that next week, and you can
17 bring that forward when the parliamentarian is present.

18 Thank you. There are no objections to the minutes, and so
19 we will move forward. Mr. Brown, can you please introduce
20 the Staff, Elected Officials and Representatives?

21 MR. BROWN: Good afternoon, Madame Chair. Currently,
22 we have Chief Investigator Warfield, Attorney Stephanie
23 LaBelle, Supervising Investigator, or Interim Supervising
24 Investigator Elgin Murphy. Ms. Teresa Blossom, Ms.
25 Candace Hayes, Ms. Jonya Underwood. I've got the names of

1 the two ALS persons.
 2 VICE CHAIRPERSON SMITH: Thank you so much. There is
 3 no chair report at this time. Next on the agenda, I have
 4 resolutions and certificates. We have for NPO, Robert
 5 Barber, NPO, Roberto Berry, NPO Kenneth Jermaine, NPO,
 6 Donald Parker, NPO Charles Rogers, and NPO Nicole
 7 Sumpter. Commissioner Linda Bernard, would you have the
 8 pleasure of reading? We have resolutions and
 9 certificates. I want you to read the resolutions.
 10 Commissioner Burton, would you have the pleasure of
 11 reading the certificate?
 12 COMMISSIONER BURTON: The ones that I have are here
 13 and they were not printed up. So I do have one resolution
 14 that I am planning to read today on the behalf of the
 15 citizens of Detroit.
 16 VICE CHAIRPERSON SMITH: Okay, thank you.
 17 COMMISSIONER BURTON: And for the record, Madam
 18 Chairperson, there was a resolution submitted to the
 19 office for a retired office who just retired. The
 20 department had something for her yesterday, which was
 21 Velma Hampton, Lieutenant. There was another one which
 22 was supposed to be a resolution for the Minister for
 23 Fuqua Bey, who does a great job serving here in the City
 24 of Detroit, all over the entire city.
 25 VICE CHAIRPERSON SMITH: Do we have them today?

1 COMMISSIONER BURTON: Apparently they are not in my
 2 packet today. I guess I'm going to give the board office
 3 the benefit of doubt that they're going to, you know...
 4 VICE CHAIRPERSON SMITH: Are they present?
 5 COMMISSIONER BURTON: I don't see them in the
 6 audience at this time.
 7 VICE CHAIRPERSON SMITH: Okay. So we can make sure
 8 that we get those resolutions printed up and present them
 9 at a different time.
 10 COMMISSIONER BURTON: Sure. But I do have one
 11 resolution that's in my packet here.
 12 VICE CHAIRPERSON SMITH: Okay.
 13 COMMISSIONER BURTON: Thank you.
 14 COMMISSIONER BERNARD: Are you ready for me to
 15 present these?
 16 VICE CHAIRPERSON SMITH: I'm ready. Thank you.
 17 COMMISSIONER BERNARD: Hi everyone again, I'm
 18 Attorney Linda Bernard, and I can't tell you how much
 19 pleasure it gives me to recognize NPOs. What'd you ask
 20 for?
 21 Neighborhood police officers. So let me first and
 22 foremost present this Certificate of Appreciation to NPO
 23 Charles Rogers for developing strong ties with residents
 24 and community organizations and enhancing police
 25 community relations for better public safety in the 10th

1 Precinct. Thank you very much, Mr. Rogers. This is his.
 2 I'll leave it. That's okay. I'll leave. NPO Donald
 3 Parker, your Certificate of Appreciation. Again, for
 4 developing strong ties with residents and community
 5 organizations and enhancing police community relations
 6 for better public safety in the 10th Precinct.
 7 Congratulations, my brother. All right. This is a
 8 Certificate of Appreciation for NPO Nicole Sumpter.
 9 People love you. For developing, again, strong ties with
 10 residents and community organizations and enhancing
 11 police community relations for better public safety in
 12 the mighty 10th Precinct. Congratulations to you, my
 13 sister. There you go. And we have one more here. This is
 14 a Certificate of Appreciation for Neighborhood Police
 15 Officer Robert Barber. For developing strong ties with
 16 residents and community organizations and enhancing
 17 police community relations for better public safety in
 18 the 10th Precinct, presented March 14th. Thank you, my
 19 brother. There you go. Yay. Our NPOs. Sit,
 20 Take a picture.
 21 FEMALE SPEAKER: You want to take pictures?
 22 COMMISSIONER BERNARD: Oh, he's got to.
 23 VICE CHAIRPERSON SMITH: And thank you. Thank you so
 24 much for your service. Let's give him a hand one more
 25 time please. Thank you.

1 COMMISSIONER BERNARD: This is a Resolution from the
 2 Board of Police Commissioners honoring Patricia Carter.
 3 WHEREAS Ms. Patricia Carter has been a resident of
 4 Detroit and is an active member of the Oakman Boulevard
 5 Community Association. And Ms. Carter is a member of the
 6 10th Precinct Police Community Relations Council and has
 7 served in numerous organizations, including the Trade
 8 Union Leadership Council, TULC, and the 13th Democratic
 9 Congressional District, the Keep Detroit Beautiful Task
 10 Force and Focus Hope. And Ms. Carter demonstrates her
 11 broad spectrum of community advocacy and influence by
 12 sharing her knowledge and expertise regarding citizens'
 13 rights, as well as governmental policy. She makes it her
 14 business to keep the neighborhood informed while also
 15 holding community leaders and elected officials
 16 accountable. Ms. Carter has committed her life to service
 17 for decades, also as an oral historian who has donated
 18 artifacts, paraphernalia, and beautiful photos,
 19 demonstrating years of community involvement and service
 20 to the City of Detroit.
 21 NOW THEREFORE BE IT RESOLVED
 22 That the Detroit Board of Police Commissioners,
 23 speaking on behalf of the citizens of the City of Detroit
 24 and the Detroit Police Department acknowledges the
 25 generous giving spirit of Ms. Carter. Her commitment and

1 years of dedication to supporting the community of the
2 10th Precinct and improving the quality of life for all
3 the citizens throughout the city of Detroit. Merit our
4 highest regards. Ms. Carter. There you are. Good to see
5 you. Look beautiful. This is for you. Thank you. You
6 taking pictures? I please. Can I come this way so the
7 microphone won't be in your way?

8 VICE CHAIRPERSON SMITH: So the Chair entertains a
9 motion to adopt this Resolution. Is there a second?

10 COMMISSIONER HERNANDEZ: So moved.

11 VICE CHAIRPERSON SMITH: And this motion is adopted.
12 Congratulations. Thank you.

13 COMMISSIONER BERNARD: Is that it? Have another one?
14 I'm sorry. Come on.

15 Go here.

16 MS. CARTER: I would like to thank the 10th Precinct.
17 I've only lived in two Precincts in my whole life. That
18 was on Woodworth. I lived in Midtown, what they call
19 Midtown now. And then I moved to the Westside. So I was
20 always in the 10th on the Westside when I was a teenager.

21 And I appreciate all the community relations officers,
22 all the 10th Precinct that has helped me so much down
23 through the years. I used to be a third chair with
24 community relations for many years. I did a lot with
25 different organizations. I'm with Oakman Boulevard

1 Community Association now. I've been in my home for 55
2 years. I have moved and I want a decent neighborhood
3 around me, and that's why I work so hard to have a decent
4 neighborhood around me and not let weather creep in, even
5 though they closed up the Rite Aid Store. But we'll find
6 a place. Thank you so very much. And Ricardo Moore,
7 appreciate your kindness.

8 COMMISSIONER BERNARD: Thank you.

9 MS. CARTER: Thank you.

10 COMMISSIONER BERNARD: Our next Resolution is
11 honoring Denise Lyles,

12 WHEREAS Denise Lyles was born in Detroit, Michigan,
13 and when she was a child, her family relocated to East
14 St. Louis, Illinois. She spent the majority of her
15 childhood and early adulthood in East St. Louis and
16 attended Southern Illinois University. Family needs led
17 Ms. Lyles to return to Detroit in 2012. Since returning to
18 Detroit, her passion for her community has driven her to
19 be active in several community groups and organizations.

20 Ms. Lyles lives by the motto "Don't complain about a
21 situation that you are not willing to roll up your
22 sleeves and try to make better." And,

23 WHEREAS Ms. Lyles has a rich and extensive
24 professional background. Over the years, Ms. Lyles worked
25 with Metro Detroit Youth Clubs, being the former Detroit

1 Director of Degrees of Opportunity and former Community
2 Relations liaison, as well as working for Safeco/Liberty
3 Mutual, where she worked in several different capacities,
4 including adjuster, account manager, trainer and senior
5 subrogation agent.

6 Additionally, Ms. Lyles is a former accountant with
7 the Treasurer's Office and former senior accountant with
8 the Township Office. While this briefly touches on the
9 professional background of Ms. Lyles, she has had an even
10 more extensive background in community involvement; and,

11 WHEREAS Ms. Lyles has a plethora of community
12 involvement being active with several organizations and
13 boards over the years, some of the organizations include
14 Metro Detroit Youth Club support team, the CAC Community
15 Advisory Committee for District 5, 10th Precinct Public
16 Relations Team, Brilliant Detroit Community Engagement
17 Board, Brilliant Detroit Dexter Linwood Advisory Board,
18 Gilda's Club Community Advisory Board, LCBC, Lawrence
19 Collingwood, Burlingame Community Block Club. 5 Alive
20 Community Interaction for Change, books for Youth and
21 DPSCD, Faith-based Partnership. Additionally, Ms. Lyles
22 assisted in distributing food to 110 families weekly
23 during the pandemic. Ms. Lyles prides herself on the work
24 she does with Sister Friends as a mentor, a program
25 dedicated to supporting and working with new mothers,

1 most of whom are young, with no family support; and,
2 Whereas Ms. Lyles is a god-fearing lady, a mother,
3 and someone who loves her family, friends, community, and
4 life. Ms. Denise Lyles has a very diverse work history,
5 but one thread ties them all together, which is her
6 passion for service, making sure she gives her best to
7 her fellow man. Today, Ms. Lyles works at Wayne County
8 Community College as a note taker for blind students and
9 others who need extra help, which includes everything
10 short of doing their work for them.

11 NOW THEREFORE BE IT RESOLVED

12 That the Detroit Board of Police Commissioners,
13 speaking on behalf of the citizens of the great City of
14 Detroit, recognizes and honors the lifelong contributions
15 and commitment to excellence in public service of Ms.
16 Denise Lyles. Her display of unwavering community spirit
17 has improved the quality of life for the citizens of
18 Detroit. We thank and we congratulate you.

19 MS. LYLES: Thank you.

20 COMMISSIONER BERNARD: You are welcome.

21 VICE CHAIRPERSON SMITH: Thank you. So the Chair
22 entertains a motion to adopt this resolution. Is there a
23 second?

24 COMMISSIONER HERNANDEZ: Second.

25 MS. LYLES: I want to say thank you to the board,

1 thank you to the 10th Precinct. Definitely thank you to
2 the public relations. We have to remember, it's not a "Me
3 thing, it's not a he thing, it's not a she thing, it's a
4 we thing." And it's not until we all come together that
5 we can make it better. And as far as 10th Precinct, you
6 know, we have nothing but love for our 10th Precinct and
7 our NPOs. So thank you.

8 COMMISSIONER BERNARD: Thank you, Congratulations.

9 MS. LYLES: Thank you, ladies and gentlemen.

10 VICE CHAIRPERSON SMITH: All in favor of the
11 Resolution?

12 COMMISSIONERS: Aye.

13 VICE CHAIRPERSON SMITH: There you have it. The ayes
14 have it. It's been passed. Congratulations. Thank you.

15 Now we'll move forward to the Chief's report, who sits in
16 for the Chief? Deputy Chief Jacqueline Pritchett.

17 DC PRITCHETT: Good afternoon, everyone. Well, good
18 evening everyone. Through the Chair, ma'am, it's a
19 pleasure to report that there are currently no disabled
20 or recovering members, duty members...

21 COMMISSIONER BANKS: Excuse me. Excuse me one second.
22 But I think you may have skipped over the Community
23 Impact report.

24 MR. BROWN: Through the Chair. Commissioner Banks,
25 because we didn't have a quorum, we did that earlier.

1 COMMISSIONER BANKS: Oh, okay. We did?

2 MR. BROWN: Yes.

3 COMMISSIONER BANKS: Okay. Thank you, I appreciate
4 you. Thank you. I don't mind corrections. Bring it.

5 DC PRITCHETT: Through the Chair, may I continue?

6 VICE CHAIRPERSON SMITH: You may continue.

7 DC PRITCHETT: Okay. Like I was saying earlier, there
8 are currently no disabled or recovering members due to
9 on-duty injuries. And as for our crime data, as of 3/13,
10 the homicides are down 27%, and non-fatal shooting
11 shootings are down 22%. Our robberies are down 25%. Our
12 carjackings are down 33%. And our total part one violent
13 crime is down 6%. But there are some significant events
14 that I would like to talk about that happened during the
15 week, during last week and early probably this week. So
16 on Thursday, March the 7th, at around 12:27 AM, officers
17 were dispatched to a 12,000 block of Santa Maria to
18 investigate a fatal shooting. The victim was suffering
19 from multiple gunshot wounds to the upper body. He was
20 conveyed to the hospital, but he was pronounced dead...

21 VICE CHAIRPERSON SMITH: Excuse me, I have to stop
22 you right now. We don't have a quorum. My apologies.

23 DC PRITCHETT: Okay.

24 COMMISSIONER WOODS: You went to the restroom.

25 COMMISSIONER HERNANDEZ: I'm good.

1 VICE CHAIRPERSON SMITH: For the record, Hernandez
2 has joined us back. You may continue.

3 DC PRITCHETT: Okay. So the victim was fatally
4 wounded and was conveyed to the hospital. So we're asking
5 anyone who was in the area on March 7th, around 12:27 AM
6 that saw something or heard something to notify Crime
7 Stoppers 1800 SPEAKUP, at Homicide Section or Detroit
8 Rewards TV. So another incident that occurred was on
9 Saturday, March the 9th, around 7:38 PM, officers went to
10 94 Service Drive in Van Dyke. When they got there, they
11 observed a young man in the vehicle who had been shot
12 multiple times. He was later declared deceased at the
13 hospital. So we are asking anyone who might have been in
14 that area that's seen anything once again to notify, you
15 know, our Homicide Section, our Crime Stoppers
16 1800SPEAKUP or Rewards TV. We have had two incidents in
17 the last three days of officers being shot at.

18 One happened on March the 11th in the area of the
19 11,000 block of Wilshire where officers on FEMA had been
20 carjacked. Officers responding to a location took the
21 report and the car was observed on the Westside of
22 Detroit in the 6th Precinct. Detectives made that
23 location as they began to follow the car. The car ended
24 up going to a street in Dearborn with three young men
25 fleeing on foot and one fired shot. So our DPD officers

1 didn't return fire. All three were detained and warrants
2 were submitted, and they were all taken to the Wayne
3 County Youth Home. And just last night, we had another
4 incident in the 6th Precinct where officers responded to
5 a person with a weapon. As they got there, a car drove
6 by, put the car in reverse and fired shots. Once again,
7 our officers did not return fire.

8 That person ended up parking the car and running,
9 and he was apprehended in a backyard, a couple blocks
10 over, and the firearm was recovered. So our officers are
11 out there, putting their lives on the line each and every
12 day getting a job done. So I just want to let everybody
13 know that they showed immense restraint. They were
14 professional at both of these incidents and they were
15 fired upon. So we have some positives too, that I would
16 like to bring to the attention of the board here. On
17 Tuesday, Chief White held a "Men's only let's chop it up
18 Tuesday," at headquarters. And it was a peer-to-peer
19 round table discussion for men of DPD. So from what I was
20 told there were great conversations, there was great
21 dialogue. Some discussions ran deep. There were police
22 officers of all ranks, all races. And that approximately
23 20 men showed up to the event. Also yesterday, Lieutenant
24 Velma Hampton retired after doing 27 years at DPD. And so
25 on Friday, March the 15th, our officer workplace, the

1 Community Resilience is hosting a care package giveaway
 2 for our unsheltered population from 12 to 4 PM at Grand
 3 Circus Park. Also this week several Precincts held
 4 community meetings including the 2nd, 4th, 5th, and 11th.
 5 So during the month of March, several Precincts will be
 6 reading to children at local schools in recognition of
 7 reading month. Precincts participating this week included
 8 2, 4, 5, and number 10. So, last but not least, the March
 9 Madness Movement. Throughout the month of March, several
 10 of our Precincts will hold an event dedicated to movement
 11 and health, similar to February's various heart events.
 12 So, Precincts holding these events this week were 3, 4,
 13 6, 8, 9, 11, and 12. So that is the report out for the
 14 Chief's report.
 15 VICE CHAIRPERSON SMITH: Thank you so much. Are there
 16 any questions from any board members for the chief?
 17 COMMISSIONER BERNARD: Madam Chairperson?
 18 VICE CHAIRPERSON SMITH: Yes.
 19 COMMISSIONER BERNARD: Just quickly. I think the
 20 community might want to know that on May 23rd, this year,
 21 2024, in a couple of months, the DPD will be hosting the
 22 11th Annual Women in Blue Event to honor female police
 23 officers as well as female firefighters. If there's
 24 anyone that is in this room or anyone that you feel is
 25 worthy of that honor, please submit those nominations.

1 You can submit them directly to us, and we'll make sure
 2 that they get to where they're supposed to be. But it's a
 3 very prestigious honor for a woman to be honored at that
 4 particular ceremony. As a matter of fact, it's the
 5 highest honor they can receive. That's an honorary
 6 recognition. Thank you.
 7 VICE CHAIRPERSON SMITH: Thank you.
 8 COMMISSIONER WOODS: Yes. I don't know if you wanted
 9 to respond, Chief?
 10 DC PRITCHETT: Through the Chair. Yes, the women in
 11 blue is something that I attend monthly. I mean, yearly.
 12 It is a great honor. Shinola also donated a watch, and it
 13 is engraved to the officer that was selected as the
 14 recipient. There's one for police and one for fire. So
 15 they both are rewarded and acknowledged during that day.
 16 So, you know, any DPD, any police women that you would
 17 like to have nominated, please do so. Like Ms. Bernard
 18 said you can do it right through the board. You can go to
 19 any Precinct and nominate a female officer that
 20 procedure's onboard.
 21 COMMISSIONER WOODS: Yeah. So the question I have is,
 22 you said that two officers were shot at in the line of
 23 duty within the last week, right?
 24 DC PRITCHETT: Two incidents.
 25 COMMISSIONER WOODS: Two incidents, right? Are they

1 getting any type of mental health support for that?
 2 DC PRITCHETT: Through the Chair. You know, our Peer
 3 Support is on hand, and what normally happens is that
 4 when they're involved in whether shots were fired at them
 5 or they fired shots, they talk to a psychologist, and
 6 they're put off for a couple days to get their minds
 7 together. Most officers' take the time off to get their
 8 minds together. But Peer Support is all over it. They
 9 offer them, you know, psychological help as well as
 10 mental help. So the department is very aware of the need
 11 for officers to decompress and it is available.
 12 COMMISSIONER WOODS: Thank you very kindly.
 13 COMMISSIONER BANK: Through the Chair. Deputy Chief,
 14 it's good to see crime going down in the city. Just want
 15 to commend Chief White and the commanders of all the
 16 Precincts. I just hear the numbers going down and that's
 17 a blessing. I just wanted to get that out there.
 18 DC PRITCHETT: Thank you. Through the Chair, thank
 19 you. Chief White is committed and so are the deputy
 20 chiefs, assistant chiefs and commanders, to ensure that
 21 the citizens of City of Detroit are as safe as they can
 22 be.
 23 COMMISSIONER WOODS: As well as, I have seen the news
 24 reports in terms of the remarkable numbers as it relates
 25 to, and some of the CVI zones where violent crime is down

1 very significantly in terms of, I think even in the 10th
 2 Precinct area where I believe Aaliyah, Harvey Quinn and
 3 her group got it down by 70 some percent in this
 4 particular area. So that was very impressive that you
 5 guys continue to, or the city is working with the
 6 residents of the City of Detroit and these CVI groups.
 7 And it seemed like a great approach there.
 8 DC PRITCHETT: Yeah. Through the Chair. We couldn't
 9 do what we do without the community's help. You know,
 10 it's a partnership and we need them as much as they need
 11 us. So, I am proud to be part of Chief White's senior
 12 management team and the relationships that I've garnered
 13 throughout my years, you know, so, like I said, we can't
 14 do anything without the community's help.
 15 COMMISSIONER WOODS: Thank you.
 16 COMMISSIONER BURTON: Madam Chair, question for the
 17 Chief. For four weeks, I guess this will make the fifth
 18 week. I've been raising the question about when it comes
 19 to data sharing agreements with cities that the city of
 20 Detroit police department is sharing their data with and
 21 does their policies match up with the City of Detroit's
 22 policies
 23 DC PRITCHETT: Through the Chair. Commissioner
 24 Burton, I don't have the information at hand, so I can't
 25 speak on other agencies sharing policy. But what I can do

1 is that when I get back to work tomorrow, I'll give the
 2 law department, Second Deputy Chief Grant Ha, who's over
 3 our legal, and get the information for you and make sure
 4 you get it.
 5 COMMISSIONER BURTON: Thank you, Madam Chair, but
 6 this has been five weeks we've been raising, you know,
 7 the concern, especially when an article that was
 8 published in the Wire. And so a lot of members, not only
 9 in and around Detroit, but worldwide are talking about
 10 that article and they want to know about their city and
 11 their policies. But we definitely want to know about our
 12 city and do those cities that have a data shared
 13 agreement with the City of Detroit, does their policy
 14 reflect the policies that we have? I was once the
 15 chairperson of the policy subcommittee. Now, I'm
 16 currently active on that committee with our Madam
 17 Chairperson Linda Bernard, who happens to chair that
 18 committee. And this is just a concern because from a
 19 fiduciary responsibility, policies are definitely in our
 20 purview, and we like to know if their policies reflect
 21 ours. And we like to know the name of those cities
 22 DC PRITCHETT: Through the Chair. Mr. Burton, this is
 23 my first time being asked that of...
 24 COMMISSIONER BURTON: Commissioner Burton.
 25 DC PRITCHETT: Commissioner Burton. This is my first

1 time being asked that request. Like I said, when I get to
 2 work tomorrow, I will definitely take it to Second Deputy
 3 Chief Grant Ha of our legal department to get the
 4 information to you.
 5 COMMISSIONER BURTON: I appreciate you.
 6 DC PRITCHETT: No problem.
 7 VICE CHAIRPERSON SMITH: Thank you.
 8 MR. BROWN: Madam Chair.
 9 VICE CHAIRPERSON SMITH: Now I have a question as
 10 well. For the community, we have the missing 13-year-old,
 11 and I know it's not much that you can talk about the
 12 case, but is it something that you could let the
 13 community know what it is that they can do to help the
 14 department in the return of her? She's been missing for
 15 over two months now. Na'Ziyah Harris, who has been gone
 16 since January 9th, 2024, 13-years-old, missing from the
 17 Eastside of Detroit,
 18 DC PRITCHETT: Through the Chair. What I can say is
 19 that she's still missing, we are actively looking for
 20 her. There are some leads which I cannot get into detail
 21 with, but if anyone was in that area who might know
 22 someone that saw when she got off the bus, please say
 23 something to our Homicide Department. Our 1800SPEAKUP,
 24 our Crime Stoppers in Detroit. Rewards TV. But we are
 25 actively looking for Ms. Harris. She is not forgotten.

1 Chief White is on it. He's engaged and making sure our
 2 homicide team knows that it's a priority of this
 3 department.
 4 VICE CHAIRPERSON SMITH: And also, have you all
 5 noticed an influx of missing girls here in the City of
 6 Detroit?
 7 DC PRITCHETT: Through the Chair. You know on our
 8 page each day, each week there's a posting on our page
 9 that shows a number of people that are missing and how
 10 many have been recovered. So there are a lot of runaways
 11 who, initially they are missing, but they are recovered
 12 because they're runaway. So it's not like there are
 13 thousands of young ladies being snatched off the streets
 14 of the City of Detroit. That is not happening. So, like I
 15 said, we have a page on our DPD page, on our Facebook
 16 page where it lists the number of missing, the number
 17 that have been recovered, and how many of those may be
 18 juveniles.
 19 VICE CHAIRPERSON SMITH: Okay. Thank you, because the
 20 communities want to know.
 21 DC PRITCHETT: Absolutely.
 22 VICE CHAIRPERSON SMITH: All right. Thank you so
 23 much. Would that be all of the questions?
 24 MR. BROWN: Madam Chair, before you bring up the 10th
 25 Precinct, that information that Commissioner Burton is

1 requesting, that information has been sent to the
 2 attorney, the board attorney, as well as the DPD's
 3 Attorney, Mr. Ha. So he already has that information and
 4 information concerning the data agreement with the other
 5 law enforcements
 6 COMMISSIONER BERNARD: Chair, just quickly.
 7 VICE CHAIRPERSON SMITH: Yeah, go ahead.
 8 COMMISSIONER BERNARD: I just want to remind the
 9 community and really how courageous our Vice Chair has
 10 been with respect to the issues involving the missing
 11 young lady. You may have seen her on television this week
 12 discussing it. She and the Chief. But I want the
 13 community, when we're talking about this commander, I
 14 mean Chief, Deputy Chief, I'm sorry. What is the reward
 15 for information related to this young lady? Maybe we can
 16 give the community an additional incentive.
 17 DC PRITCHETT: You know, I don't know what the reward
 18 is currently, but I know Crime Stoppers do pay and DPD
 19 Rewards TV as well. So I can't give you the specific
 20 amount that the reward is up to now.
 21 VICE CHAIRPERSON SMITH: The flyer says up to 2,500.
 22 DC PRITCHETT: Okay.
 23 COMMISSIONER BERNARD: Thank you.
 24 COMMISSIONER BURTON: Through the Chair. Real
 25 quickly. You know, I just want to say for a point of

1 information, I do not have that information that I've
 2 been raising for the past five weeks. But also members of
 3 the community have been raising those same concerns these
 4 past five weeks. And I think that from a transparency
 5 standpoint, we owe them an explanation because you know,
 6 this board is very unique, like most cities, I mean,
 7 seven of us are elected or appointed, although we do have
 8 a fifth member of the board that happens to be appointed.
 9 So it's very from a transparent standpoint you know, the
 10 public has been raising these questions and concerns. We
 11 must update them as well. And so far I have not been
 12 updated, nor do I have that information, but I'm still
 13 seeking the information on data sharing agreements with
 14 other law enforcement agencies. Do their policies reflect
 15 the City of Detroit's policies? And so we've been calling
 16 for this for five weeks. And so I would just like an
 17 update on when we should receive that and when the
 18 public's going to be made aware.

19 VICE CHAIRPERSON SMITH: So we'll make sure that that
 20 information is re-forwarded to you and that you
 21 definitely have it. If you haven't received it, I'll make
 22 sure that it's re-forwarded. Okay. Thank you. So now
 23 we're moving forward to the 10th Precinct's report. Do
 24 you have your report ready, please? Thank you, my friend.

25 COMMANDER ALVARADO: Good evening board. My name is

1 Stacy Alvarado. I'm the Commander of the 10th Precinct.
 2 In addition to the NPOs that you all have met, also with
 3 me, I've brought Captain Michael Diccoco. For the 10th
 4 Precinct in the first two months of 2024, we are overall
 5 down 23% in part one crime, specifically in violent
 6 crimes. As of March 12th, we have a 50% decrease in
 7 homicides, an 84% decrease in non-fatal shootings, and a
 8 50% decrease in robberies. We have a slight 18% increase
 9 in sexual assaults. We have a 10% decrease in aggravated
 10 assaults, 100% decrease in carjacking. In our part one
 11 property crimes, we have an increase of 40% in
 12 burglaries, 30% decrease in larcenies, and a 46% decrease
 13 in motor vehicle thefts. In the 10th Precinct, our
 14 strategy for violent crime is raids, OTE operations, and
 15 restoring peace targeted enforcement in high crime
 16 hotspot areas.

17 We've increased patrols along the Davison corridor
 18 with our motor units. We're doing warrant sweeps, MDOC,
 19 home checks focused on perpetrators of gun crimes. We
 20 have a ceasefire initiative app aimed at disrupting and
 21 dismantling groups and gangs. We target high impact and
 22 known offenders. We mobilize patrol level enforcement
 23 directed to hotspots. We have a BCJI grant program that
 24 allows us to fund one car per day for eight hours in key
 25 areas in ten one, ten two, ten three, ten four, ten five,

1 ten six, and ten seven. We are using the burn
 2 discretionary housing and relocation assistance through a
 3 pilot program in the 10th Precinct that combines our
 4 social workers, our PDU, our faith-based coordinators,
 5 resource coordinators to combat gun crimes. For property
 6 crimes. We have directed patrols based on data in areas
 7 experiencing an increase in property crimes. We conduct
 8 surveillance in our hotspots. We work with Commercial
 9 Auto Theft, Vice, other PDUs and collaborative
 10 investigations for crimes that cross precincts.

11 We have deployed focused enforcement and hotspots,
 12 and we're developing strategies by platoon to address the
 13 crimes that occur within their hours of operation. We
 14 have a robust PGL monitoring initiative where we
 15 increased physical and virtual checks of PGL locations.
 16 As you know, our NPOs do an extensive amount of work, but
 17 I'm just going to highlight a couple of the things that
 18 they do. They've participated in the Women's walk. They
 19 have an Easter egg giveaway coming up at the Light of the
 20 World Church, Bi-Monthly Coffee with a Cop. They do a
 21 student reading program, Career Vision Day, and they have
 22 ongoing Gleaners and Goodwill donation drives. They're
 23 also organizing our community Walk for Movement March at
 24 5301 Tireman on March 26th. I believe that's 12 to 4?
 25 Yes. And that is my presentation for the 10th Precinct.

1 VICE CHAIRPERSON SMITH: Alright, thank you. We would
 2 now like to move forward for 10th Precinct Community
 3 Relations Council, Alvin Stokes.

4 MR. STOKES: Good evening, Madam Chair. It's a
 5 pleasure to make your acquaintance. To the board, my name
 6 is Alvin Stokes. I am the President of the 10th Precinct
 7 Community Relations Organization. We are doing great
 8 things over here at number 10. And we've bragged about
 9 our NPOs and our officers over here at number 10, who do
 10 an outstanding job and with the community working with
 11 them. As the commander said, our crime is down. We have
 12 several block clubs that are organizing within our 10th
 13 Precinct. We have new ones, we've got one here, Desoto
 14 Ellsworth Debo, who's looking to do some things over
 15 there at Fenkell and Livernois through the Mayor's
 16 program and make that area a little bit better looking,
 17 anyway. We have the Dexter corridor that's coming through
 18 here that's going to brighten up this spot. Also, we've
 19 got block clubs on the other side of Joy Road and Dexter
 20 that are organizing.

21 Matter of fact, I've had five calls this month to
 22 help organize block clubs here in the 10th Precinct.
 23 We've got block clubs over there on Davison, who expanded
 24 their boundaries to include other blocks in that area,
 25 which is a great thing because some folks don't know how

1 to start to organize. So for them to even expand their
2 boundaries, to include them was an outstanding thing. And
3 I appreciate them over there, Ms. Clarington, and the
4 work that they're doing. We are here at number 10. Let me
5 ask number 10 just to stand up for a minute. And I like
6 to say I would be nothing without this group here behind
7 me. They do an outstanding job supporting everything that
8 DPD does, and we're just happy to be here, happy to host
9 you and welcome. We look forward to the next time. God
10 bless you.

11 VICE CHAIRPERSON SMITH: Thank you. Before I go to
12 Public comments, Commissioner Burton would like to
13 recognize someone?

14 COMMISSIONER BURTON: Thank you. Madam Chair, I want
15 to know, Madam Chairperson the city's council member, the
16 honorable Mary Waters, please rise. It's always a
17 blessing to see her out in the community fighting for the
18 majority of Detroiters. Also want to acknowledge Sam
19 Riddle, JD to please rise, who's no stranger to our
20 community, who does a great job fighting for the majority
21 of Detroiters.

22 MR. RIDDLE: Thank you.

23 COMMISSIONER BERNARD: Just real quickly, I don't
24 think the ladies and gentlemen in this room have a copy
25 of what was opined as the community presentation. I just

1 want to read a couple of facts from it, which I did not
2 know, which I think are very illustrative of this
3 particular community. This is the home to 12th and
4 Claremont Streets, site of the police raid that sparked
5 the 1967 rebellion against widespread police racism and
6 brutality. It is also home to some of Detroit's first new
7 housing planned neighborhoods since post World War II,
8 due to rebuilding after the rebellion. Joseph Walker
9 Williams Community Center opened in 1984 and was named as
10 a prominent leader in the area. Detroit's likely only
11 remaining police mini station is in the 10th Precinct at
12 8675 Rosa Parks Boulevard, because the community fought
13 to keep it.

14 Finally, the report also says, we also have
15 neighborhoods and districts 2, 6, and 7. The 10th
16 Precinct comprises three historic districts, Russell
17 Woods, which we all know well, Boston Edison and the
18 Oakman Boulevard community. A few other neighborhood
19 neighborhoods are Nardin Park, LaSalle Gardens, and
20 Midwest. And there are several people in this room
21 including the gentleman back there with the silver hair
22 who has written many, many articles on the issue of the
23 rebellion and spoken on it reportedly Mr. Sam Riddle. So
24 I know that these facts are important to you and of
25 course, to our Councilwoman Mary Waters. Thank you. Madam

1 Chairperson.

2 VICE CHAIRPERSON SMITH: Thank you for your reports,
3 the addition to your report.

4 COMMISSIONER BERNARD: This is in our report. They
5 don't have it.

6 VICE CHAIRPERSON SMITH: So right now we would like
7 to move forward with public comments. I know we started
8 off earlier without having a quorum, but we would like to
9 continue with public comments. So who do we have
10 speaking?

11 MR. BROWN: Madam Chair, currently we have Ms. Ray
12 Baker, followed by Ms. Betty A. Varner, followed by CAC
13 member, Mr. Scotty Bowman. Ms. Baker.

14 PROFESSOR BAKER: Hello, my name's Professor Rae
15 Baker. It took a long time. So I'd like to...

16 COMMISSIONER BERNARD: Can you speak up just a
17 little, please?

18 PROFESSOR BAKER: So, my name is Professor Rae Baker,
19 and I'm a resident of Bagley District 2. And I'm speaking
20 tonight about the recent public presentation of DPD's
21 ShotSpotter program and their data, both as a concerned
22 community member, as well as someone that teaches
23 qualitative and quantitative research methods to criminal
24 justice students. Public reporting on the ShotSpotter
25 data has largely described the program as a success and

1 using DPD's community violence intervention equation, all
2 six programs were recently given a score based on two
3 factors, reductions in homicide and reductions in non-
4 fatal shootings. Only two of the programs were given
5 scores higher than the score attained by all areas of the
6 city, where no ShotStopper programs are operating.
7 Overall in areas of the city where ShotStopper
8 programming does not exist, there's been a 37% reduction
9 in these forms of violent crime. What we need to be
10 curious about is what is happening in the rest of the
11 city, the majority of the city that has contributed to
12 reductions in homicide and non-fatal shootings? In the
13 absence of ShotSpotters. Seemingly 37% of the decrease in
14 violence prevention in both forced Detroit and Detroit
15 friends and communities areas can be attributed to these
16 unnamed interventions. If we aggregate data in this way,
17 no ShotStoppers (sic) groups have reduced violence more
18 than these areas and the unnamed interventions happening
19 in them without shot stoppers being present. If we look
20 at ShotStoppers, CVI scoring as an average, which is
21 31.7% across all six programs, areas of the city, sorry,
22 of this program, we need to take into account what's
23 happening in these areas without Shot Stoppers being
24 present. Is it housing? Is it access to food? Is it
25 access to job training or GDE programming? Lastly, Chief

1 White's Office is 11 weeks late in responding to an
 2 inquiry regarding the procurement process for mobile
 3 fingerprint readers.
 4 VICE CHAIRPERSON SMITH: That's your time. Thank you.
 5 MR. BROWN: Ms. Varner.
 6 MS. VARNER: Thank you. Good evening, everyone. Now I
 7 want to say upfront I support my police department.
 8 Everybody who knows me knows I support my police
 9 department. I'm in love with Precinct 10. I'm part of the
 10 at large member of the executive board. But I have to
 11 speak about an incident that happened last week to my
 12 family member. My daughter lives in District 1. She was
 13 out, she and my son-in-law, taking care of their
 14 business, got an alert that their home was being broken
 15 into, the alarm was going off. They're looking at people
 16 breaking into their home on the video; calling 911 on the
 17 phone, telling the operator what's going on, step by
 18 step. They get to their property, they could see on the
 19 video as they're on route people running across the yard
 20 with their merchandise in broad daylight. It took the
 21 police over an hour to get to their property. I have a
 22 concern about that. Then one of the items that was stolen
 23 has a tracking device. They called the police department
 24 to let them know, I don't know if it was the police
 25 department, 911 or whatever, but called to let them know

1 where one of the items were. Could not get anyone to go,
 2 go out to that property to investigate. That's a problem
 3 that I feel that someone should be addressing. That's
 4 very dangerous. Thank you for this time.
 5 VICE CHAIRPERSON SMITH: Thank you. Do you have that
 6 information with you right now?
 7 MS. VARNER: My daughter can give you the
 8 information. It was her home.
 9 VICE CHAIRPERSON SMITH: Okay. You can bring that
 10 forward when we are finished, please. Thank you.
 11 MS. VARNER: You're welcome.
 12 MR. BROWN: Mr. Bowman.
 13 MR. BOWMAN: A couple things. I'm not going to make a
 14 big deal about this because I'm not here speaking on
 15 behalf of the District 4 Community Advisory Council, but
 16 for the purpose of introductions, I am an elected
 17 official. I know I'm not dressed like one right now, but
 18 I am so just a matter of accuracy on the introductions.
 19 But I do feel honored to be here again, but I'm also
 20 disappointed that there are cases that are not being
 21 taken care of properly. As far as I know, there still has
 22 not been a missing person's report put out for Shelby
 23 Smith, as was requested by her sister Ashley. And we
 24 think we've all heard about her name before in regards to
 25 the unfortunate beating she received from one of the

1 Detroit police officers who is still on duty. There is
 2 also the matter of Daryl Vance who recently died, and
 3 this man deserves some justice. And I really hope that
 4 the Board of Police Commissioners is looking carefully
 5 into this man's death. It doesn't seem to me that there
 6 was a justifiable reason that a person, there was no
 7 self-defense or such type of merit as to why one would
 8 kill this man. And so I really think the Board of Police
 9 Commissioners needs to thoroughly investigate the Office
 10 of the Chief Investigator, actually should thoroughly
 11 investigate that case and see that whoever was
 12 responsible for that death is held accountable.
 13 VICE CHAIRPERSON SMITH: Thank you.
 14 COMMISSIONER BERNARD: I'll respond to that.
 15 VICE CHAIRPERSON SMITH: Go ahead.
 16 COMMISSIONER BERNARD: Just real quickly, Scotty, the
 17 matter is in the law department. The City of Detroit
 18 Police Department has been sued as a result of that
 19 incident. It's a multimillion dollar lawsuit, and there
 20 are a number of investigations going on. And it was the
 21 Prosecutor's Office that decided not to charge the
 22 officers. It was not the Board of Police Commissioners.
 23 VICE CHAIRPERSON SMITH: But it was resubmitted,
 24 correct? Was it resubmitted?
 25 COMMISSIONER BERNARD: It was resubmitted, but they

1 rarely changed their role, their position.
 2 MR. BROWN: Madam Chair, your next set of speakers
 3 that are in attendance would be Ms. Michelle George,
 4 followed by Mr. Ronald Foster.
 5 MS. GEORGE: So you should be saying evening to the
 6 honorable board, you know, congratulate Chief White. I
 7 know he was at the White House, and we were able to see
 8 one of the young men in Washington, DC that's over at the
 9 Violent Task Force. But one of the things I want to
 10 stress is that we are definitely praying for Isaiah, but
 11 we've been talking about these missing children for a
 12 long time. There have been so many children missing in
 13 the last year, and what needs to happen, regardless if
 14 the child is a runaway, you need to make a press
 15 conference when it's missing children. Now, we know black
 16 children do not get reported as other races of children,
 17 but what needs to happen, because I know there are only
 18 like two persons I know.
 19 The Detroit Police Department gave a presentation
 20 where it's like two people working in the department, and
 21 I'm praying for this young lady that they find because
 22 there's something going on. I still think there is a
 23 shortage of officers because I'm hearing more cases like
 24 this lady has stated. But what we want to see with the
 25 Detroit Police Department, we want every child that's

1 missing. I don't care if it's a runaway or anything.
2 Because I brought this up to one of the police officers
3 at the 2nd police Precinct. I support the police
4 department, but when it comes to missing children, there
5 has to be a press conference about it, rather than they
6 ran away. And I believe that's how Isaiah was missed. I
7 do believe her picture, I didn't know I reported on it. I
8 didn't know it was after a month.

9 So every child that's missing, we are involved in
10 human trafficking. There is a lot going on with missing
11 children, and we are going to be on the forefront because
12 what's going to wind up happening is you're going to wait
13 until the national news media get a report on this. It's
14 not going to look good for the city. So that's what I
15 would like to see, is every child that's missing needs to
16 be reported. Thank you. And now congratulations to the
17 police department. After leaving Washington, DC I'm
18 telling everybody to vote. After being in the Senate this
19 week and the house, we need to vote whatever you vote
20 for, vote because...

21 VICE CHAIRPERSON SMITH: That's your time. Thank you.

22 MS. GEORGE: Thank you.

23 MR. BROWN: Mr. Foster.

24 MR. FOSTER: Good evening. Through the Chair. Glad to
25 see you up there. So I know all the work that you do in

1 the community before you even took that position. So I'm
2 very grateful to see you there. I wanted to take the time
3 out today and just talk about NPOs. Our NPOs are not just
4 pay raises, they're not just some for people that've been
5 around for a while. They're called neighborhood police
6 officers. It is a special title associated with that.
7 Now, our NPOs are entrusted with our most vulnerable
8 citizens here, which are our children, our disabled, and
9 our seniors. Our community cannot afford, literally nor
10 figuratively, for the title of our NPO to be tarnished.
11 And so it's incumbent upon the NPOs to have integrity, be
12 meek, serve and protect and self-govern themselves. It's
13 important that you keep that title and that it be not
14 tarnished by any means.

15 Which means that if your fellow officers are
16 compromising that trust within the community, then you
17 have to step up and keep that trust. You are all out
18 there on the front lines. The first encounter in the
19 community. It's imperative that these people, those
20 titles have integrity and be held to a higher standard
21 than just regular police officers. And so our NPOs are
22 required to be mothers to the motherless, brothers to the
23 brothers' sisters, and so forth and so on. It's a certain
24 spiritual character that you must have to encounter
25 those. And so I appreciate everything. And I want to

1 reiterate, our children have to be our focus. They have
2 to be our focus at all times. It's not just you all in
3 police, but city council are constantly every day
4 financing things, making sure that every development
5 includes these children. So it takes a whole communion
6 and everybody to work together to make sure that our
7 children are a priority.

8 VICE CHAIRPERSON SMITH: Thank you,

9 MR. BROWN: Madam Chair, I go to the six speakers on
10 Zoom, Metro Detroit, DSA, followed by Ms. Ana Shah,
11 followed by Diala.

12 COMMISSIONER WOODS: Madam Chair, before we do that,
13 if I can be recognized.

14 VICE CHAIRPERSON SMITH: Yes, go ahead.

15 COMMISSIONER WOODS: Can we ask the Deputy Chief
16 again to emphasize in terms of the missing children
17 that's in the City of Detroit, that is recorded on DPD's
18 website right now, or how does that work?

19 DC PRITCHETT: Through the Chair, I was told it's on
20 our DPD Facebook page. I know the Chief had given
21 instructions to our media public information. He wanted
22 that posted. He wanted each week to have an update of how
23 many people are missing year to date? How many have been
24 recovered? So it should be on our DPD Facebook page
25 because we talked about it in our Monday morning

1 meetings.

2 COMMISSIONER WOODS: Okay. Thank you very kindly.

3 VICE CHAIRPERSON SMITH: Thank you.

4 MR. BROWN: Metro Detroit, DSA

5 METRO DETROIT, DSA: Good evening. Can I be heard?

6 VICE CHAIRPERSON SMITH: Go right ahead.

7 METRO DETROIT, DSA: Hi my name's Chris Gilmer Hill.
8 I'm a lifelong resident of the city's second district, so
9 I apologize I wasn't able to change my name when I joined
10 the Zoom. I firstly like to urge in the strongest
11 possible terms that this board should consider the
12 ceasefire resolution that Commissioner Burton attempted
13 to bring today. This is something that the board has had
14 that I know was sent to the secretary months ago. This is
15 something that the board ideally should have taken action
16 on way back when the City of Detroit passed a ceasefire
17 resolution citywide. This is also something that the
18 board should have a specific interest in because issues
19 of surveillance, issues of international police
20 injustice, these are issues that this board and the City
21 of Detroit should care deeply about. We all know as
22 Detroiters, an injustice anywhere is a threat to justice
23 everywhere. And what we have seen since October in Gaza
24 is absolutely a massive injustice and one that is
25 inextricable from the systems of police violence,

1 surveillance and oppression that have been set up in Gaza
 2 in the West Bank and any number of other places around
 3 the world.
 4 We, as Detroiters, need to see our Board of Police
 5 Commissioners stand up against that for any number of
 6 reasons, not least because the violence that that creates
 7 often gets brought home to our own streets and
 8 perpetrated against black and brown Detroiters right here
 9 in our community. I'd also like to echo Commissioner
 10 Burton's serious concern. This is the fifth consecutive
 11 week that the board has asked the police chief or deputy
 12 chief point blank about what happens to or surveillance
 13 data and when it's given to other suburban communities.
 14 And they've still just not given any answer they've said
 15 every single time. Oh, we'll be sure to get that to you.
 16 They haven't, and they have never been able to give any
 17 sort of information on that. It is past time for the
 18 board to take action. It may have been understandable to
 19 ask them for information once or twice, after five weeks.
 20 Enough is enough. You need to suspend a ShotSpotter until
 21 they can give you that information. Thank you.
 22 VICE CHAIRPERSON SMITH: Thank you.
 23 MR. BROWN: Ms. Shaw.
 24 MS. SHAW: Good evening. Can I be heard?
 25 VICE CHAIRPERSON SMITH: Go right ahead.

1 MS. SHAW: Alright. I'm also going to echo the
 2 sentiments that resident Chris spoke about. I'm also a
 3 resident of Detroit. And I strongly urge the board to
 4 review and look at the ceasefire resolution and tech
 5 divestment resolution that was brought forth by
 6 Commissioner Willie Burton. I understand it's not being
 7 read today. I look forward to speaking with you all next
 8 week. So for this week, I'll just reserve my comments to
 9 say that I strongly urge you guys to push that forward as
 10 it is something that the community definitely needs to
 11 address, especially given the resolution Detroit has
 12 already passed about Gaza. Thank you.
 13 VICE CHAIRPERSON SMITH: Thank you.
 14 MR. BROWN: Diala.
 15 VICE CHAIRPERSON SMITH: Are you there?
 16 MR. BROWN: They're there, Madam Chair.
 17 DIALA: Hello. Good evening. Can you hear me?
 18 VICE CHAIRPERSON SMITH: You can be heard,
 19 DIALA: Yes. Thank you very much. My name is Diala
 20 and I am a resident of District 5, and also like my
 21 comrades, I am here to speak in support of the resolution
 22 for ceasefire and technology divestment, introduced by my
 23 neighbor, Commissioner Burton and urge the board in the
 24 strongest possible terms to review the resolution at
 25 their earliest convenience. We are witnessing an

1 unimaginable and daily accelerating catastrophe in Gaza
 2 and Philistine implemented by the IOF, with the Israeli
 3 genocidal empire, having murdered over 30,000 present in
 4 their current campaign of terror to decimate the people
 5 of Gaza and level the land to the ground.
 6 Detroit's Board of Police Commissioners has a moral
 7 responsibility to stand on the side of justice,
 8 especially on issues of police injustice and the abuse of
 9 surveillance. Detroiters know that injustice anywhere is
 10 a threat to justice everywhere. In addition, the people
 11 of Detroit want to see peace and justice in Gaza, and
 12 that means we want our elected officials to do the right
 13 things. City council has already led the way on this, but
 14 the use of military technology by police departments here
 15 at home means that this is also a critical issue of
 16 police oversight that the board should address. In
 17 addition, surveillance technology developed for foreign
 18 wards always ends up being used against black and brown
 19 citizens in places like Detroit. And the Board of Police
 20 Commissioners needs to stand up for all of our civil
 21 rights and demand that Detroit should never use
 22 surveillance technology with ties to international
 23 violations of human rights. Through your vote to pass the
 24 ceasefire resolution and the resolution for technology
 25 divestment as well, you can shift the balance of power

1 towards an immediate ceasefire and towards Palestinian
 2 liberation. I plead and urge you to leverage your power
 3 as Board of Police Commissioner members to halt Israel's
 4 daily acceleration.
 5 MR. BROWN: Madam Chair, your last three speakers
 6 would be Black Bad Roo, followed by former commissioner
 7 William Davis, followed by the caller with the last three
 8 numbers 061.
 9 VICE CHAIRPERSON SMITH: Thank you. Go right ahead.
 10 BAD ROO: Good evening, everyone. It's for the joyous
 11 heart that I report to you that the Michigan State Police
 12 have turned over their findings of their review and
 13 investigation into DPD's case 20-11112. That's the death
 14 of Keniesha Coleman. I would ask that the Board of Police
 15 Commissioners today ask that the Detroit Police
 16 Department present a report with the findings of the
 17 conclusion of the Michigan State Police. And now I want
 18 to jump to the most important topic that everybody should
 19 know about. We uncovered Detroit voter trap houses,
 20 that's voter trap houses. This new lingo in Detroit story
 21 history, voter trap houses. We have a number of them
 22 identified in District 7. That's Fred Durhal's District.
 23 They've been cheating in the elections. Dennis Winfrey,
 24 who won her 5 elections in a row, just presented to
 25 council during her budget hearing for her office as well

1 as the Department of Elections, she stated that there
 2 were no findings.
 3 There is Bear Trap still two irrefutable, concrete
 4 proof, irrefutable evidence of absentee ballot fraud
 5 being committed in the 2024 presidential primary. That's
 6 the United States Presidential Primary, held February
 7 27th, 2024 in the City of Detroit. There was a ballot
 8 cast in the name of Mary Elaine Beckman from 12842 Sussex
 9 Street. That's 48227. Mary Elaine Beckman does not live
 10 at that address, and the residents who have been living
 11 there for five months have no idea who Mary Elaine
 12 Beckman is. We've been cheated in the elections and
 13 that's how this city council has been stacked. This Board
 14 of Police Commissioners has been stacked and all other
 15 elected positions in the City of Detroit are now in
 16 question.
 17 VICE CHAIRPERSON SMITH: Thank you.
 18 MR. BROWN: Former Commissioner Davis.
 19 MR. DAVIS: Good evening. Can I be heard?
 20 VICE CHAIRPERSON SMITH: You can go right ahead.
 21 MR. DAVIS: Okay, good. I'd like to start off by
 22 saying I too also support the ceasefire in Gaza. I also
 23 would like to say I believe that a whole lot more needs
 24 to be done for the missing people to come up missing than
 25 not really thoroughly investigating black people. I mean,

1 black women, black girls, boys, all of this is going on
 2 in this city that needs to be more thoroughly
 3 investigated. Also I think that we need to be having a
 4 greater effort at trying to do something about how a lot
 5 of people in this city are running red lights. You know,
 6 there is a lot of stuff going on that needs to be
 7 thoroughly investigated. Also, you know, this board needs
 8 to step up and ask Commissioner Bell and Commissioner
 9 Carter to step down, you know, give them the opportunity
 10 to resign. They are dead weight. And it makes the rest of
 11 the board look bad in the event that they don't step up
 12 and resign after you all asked them to. Then you all
 13 should ask the governor to remove them. You know, we're
 14 coming up on the 50th anniversary of the founding of the
 15 Detroit Board of Police Commissioners and they are a
 16 stain on you all. They make the rest of you all look bad.
 17 You know, we need to be doing a whole lot more public
 18 service announcements. We need to be doing more in the
 19 community. I've been in the community. I've done stuff in
 20 the community. I've helped search for people. You know,
 21 we need to make sure that more is being done. We need to
 22 make sure that these backlog of cases are closed. When I
 23 was on the board, you know, they stopped letting me read
 24 cases because I was asking too many questions. You all
 25 need to ask questions. You all need to make sure that

1 this board is doing a better job and that people have
 2 faith and trust in this board. How can they ask you to
 3 oversee the police department if there's a lot of
 4 questionable people on this board? Thank you.
 5 VICE CHAIRPERSON SMITH: Thank you
 6 MR. BROWN: Madam Chair, your last speaker would be
 7 the caller with the last three numbers, 061.
 8 VICE CHAIRPERSON SMITH: Caller, are you there?
 9 CALLER 061: Can I be heard?
 10 VICE CHAIRPERSON SMITH: Yes. Can I be heard?
 11 VICE CHAIRPERSON SMITH: Yes, go right ahead.
 12 CALLER 061: Yeah. This is James Ford from approved
 13 Detroit streets. I just want to take my hat off to Bertha
 14 Smith. I think she's there. I told her today that the
 15 governor had granted September 18th for us to come up as
 16 a group of Detroiters to complain about red light race,
 17 red light running and drag racing, and she said she would
 18 definitely be there. The cost would be \$35. We would be
 19 taking buses from downtown Detroit to Lansing. Anybody
 20 that's interested in doing this give me a call at (586)
 21 918-3061, (586)-918-3061. The price will be \$35. We are
 22 trying to do all we can to stop this red light running
 23 drag racing. We will not be the first city to have this
 24 problem. I've been from Mackinac all the way to Miami,
 25 Florida. It's happening all over. So we have to step up

1 or get run down. Again, people can call me for \$35. Just
 2 call me and you can go to Lance on September 18th and
 3 complain. My number is (586) 918-3061. God bless you.
 4 Continue to have a great meeting and let's step up or get
 5 ran down September 18th. God bless everybody. Thank you.
 6 VICE CHAIRPERSON SMITH: God bless you and thank you.
 7 MR. BROWN: Madam Chair, that was your last speaker.
 8 VICE CHAIRPERSON SMITH: All our callers are gone?
 9 MR. BROWN: Yes, ma'am.
 10 VICE CHAIRPERSON SMITH: Okay. I wanted to address
 11 one of the callers in regard to the board and saying that
 12 we need to be out in the community more searching for
 13 missing people and the backlog. And that's exactly what
 14 we are here to do. I don't know of anybody more than
 15 myself that's in the community. I was known for being in
 16 the community, known for searching for people. Quite a
 17 few of us. It's what I do. I volunteer my time to be here
 18 on the board, but the community is very important to me.
 19 And the work that I do to serve the community is
 20 extremely important. This backlog that we have that was
 21 here before we came is very important. And we have been
 22 working on this diligently every single day. And that's
 23 our determination to remove this, to get it down to zero.
 24 Commissioner Woods, Commissioner Bernard are part of a
 25 committee that's been established and this is what we're

1 moving forward to do. Go ahead.
 2 CI WARFIELD: If I might add on, and you know, we
 3 will conduct interviews on Monday for investigator
 4 positions. And we will work diligently to make sure that
 5 all positions are filled expeditiously. This is the top
 6 priority for us, and we take this very seriously. You
 7 know we are here for the people and we're going to make
 8 sure that the people have the representation that they
 9 need in a dignified and integral manner. And also as it
 10 relates to the missing people, we have been boots on the
 11 ground. I personally put up a thousand dollars of my
 12 money to add to the whereabouts and of Na'Ziyah, but also
 13 been out looking for other children. You know, that's
 14 what we do as a community and it's up to us as a
 15 community to come together in the spirit of love and the
 16 spirit of unity to serve. And I too want to also
 17 recognize our city council member, Councilwoman Waters.
 18 Thank you for your great leadership and all the service
 19 that you have been doing for this city for years from
 20 being a state rep as well as city councilwoman. And thank
 21 you for everything that you do and to your sidekick. Sam
 22 Riddle. What up Riddle?
 23 VICE CHAIRPERSON SMITH: Thank you once again, thank
 24 you Councilwoman Mary Waters and that sidekick on the
 25 side of you. Thank you so much. So now we would like to

1 move forward as our acting secretary Robert Brown, for
 2 his report. Thank you Mr. Brown. Your report please.
 3 MR. BROWN: Madam Chair, there are currently four
 4 documents that are incoming. The OCI Weekly inventory
 5 report, contract for AC Ewing, and contract for AC
 6 Fitzgerald in a memo from a citizen, which by the name
 7 was perspective on community safety for Blacks America,
 8 which is also located over there on the table. And Madam
 9 Chair, those are my comments.
 10 VICE CHAIRPERSON SMITH: Okay, thank you Mr. Brown.
 11 And also Mr. Brown is our acting secretary. Are there any
 12 announcements?
 13 MR. BROWN: Yes, ma'am, Madam Chair. The next BOPC
 14 meeting, Thursday, March 21st, 2024 at 3:00 PM. That
 15 would take place at Detour Public Safety Headquarters,
 16 1301 Third Street, 48226. The next community meeting
 17 would be Thursday, April 11th, 2024, 6:30 PM with the 9th
 18 Precinct Hosting. And I believe we have the location for
 19 that is the Frank located at Ms. Blossom, what's that
 20 address?
 21 MS. BLOSSOM: The Ford Resource and Engagement
 22 Center. And I'm looking at the address on Madeline.
 23 MR. BROWN: Madam Chair, the monthly committee
 24 meeting scheduled for March, 2024. Policy Committee
 25 meeting. Meet Tuesday, March 19, 2024. And Madam Chair,

1 let me go back because it's not on here, but the
 2 Personnel and Training special committee would be meeting
 3 on Monday from 9 AM to 4:30 PM to do interviews. That's
 4 Monday from 9:00 AM to 4:30 to do interviews for
 5 investigators. And then the following, the last committee
 6 meeting, Citizen Complaint Committee meeting meets
 7 Tuesday, March 26th, 2024 at 5:00 PM. Madam Chair, they
 8 can be viewed on Zoom, and also the public can come down
 9 to Detroit Public Safety Headquarters on the third floor.
 10 The announcement.
 11 VICE CHAIRPERSON SMITH: Go ahead.
 12 COMMISSIONER BERNARD: Just quickly. Thank you Mr.
 13 Brown for announcing that the Policy Committee meeting
 14 will be Tuesday, March 19th. And I'd ask everyone here
 15 who is here, who had comments about ShotSpotter, or any
 16 of the electronic surveillance technology that the City
 17 of Detroit Police Department is currently using to come
 18 to that meeting. We're in the process of developing
 19 policies that will govern the police department in terms
 20 of what it's doing with technology in terms of arrests,
 21 you know, looking at people, listening to people
 22 listening for gunshots, et cetera. So please come. You're
 23 more than welcome. And we'll be right there on the second
 24 floor of the police headquarters. And when you come to
 25 committee meetings and board meetings, just like here

1 tonight, you're not searched, you're not asked for your
 2 ID, and you don't have to go through any of that. So it's
 3 a meeting that's open to the public, and that's
 4 consistent with the Open Meetings Act for the State of
 5 Michigan. So come down, and let us know what you think.
 6 And all of our stuff is posted online, so you can take a
 7 look at it if you want to know exactly what we're talking
 8 about and, you know, submit your comments either verbally
 9 or in writing. Thank you.
 10 COMMISSIONER HERNANDEZ: Through the Chair. Thank you
 11 to your left. I don't know if this is an announcement or
 12 if it's a Policy and Training Committee update. So I
 13 don't know, if you prefer that I give it now or wait for
 14 new business?
 15 VICE CHAIRPERSON SMITH: Oh, I'm getting ready to
 16 announce new business.
 17 COMMISSIONER HERNANDEZ: Okay, perfect.
 18 VICE CHAIRPERSON SMITH: So if there is any new
 19 business?
 20 COMMISSIONER HERNANDEZ: Through the Chair. I still
 21 don't think this is new business because it's still
 22 ongoing, but I do have an update and I have a couple
 23 notes that I'll read regarding the board's secretary
 24 vacancy that we have. So one key update, and before I
 25 even begin with that, this body supported a motion a few

1 weeks ago to have Ms. Katrina Patillo and Ms. Underwood
 2 from BOPC staff support this process. And I would be
 3 remiss if I didn't just publicly acknowledge and thank
 4 the work that both of them have been doing, and thank
 5 this body for allowing that support. Because it's our
 6 executive director position more than anything else. It's
 7 very critical for us to fill. On Monday, sorry, on
 8 Friday, March 1st representatives from the Personnel and
 9 Training Committee, along with representatives from City
 10 HR, met with representatives from the iAdvantage firm,
 11 which this body approved engagement with.
 12 And from communication that I received, I was absent
 13 last week, but communication that I received in regards
 14 to when the posting would be up and how residents in the
 15 community could actually apply to the position, and I
 16 appreciate feedback always. We ended up making the
 17 position available for a period of time, which I'm going
 18 to, to get into so that anyone in the community can
 19 actually go out and apply for this position. It's going
 20 to be directly on the iAdvantage site. I'll make sure
 21 that I get this information to Mr. Brown so that he can
 22 post it on our public website and social media accounts.
 23 But citizens can apply for their position through the
 24 iAdvantage Group website. The website is
 25 www.theiadvantagegroup.com. Again, I'll send that

1 information to Mr. Brown. The position will be listed
 2 under the careers tab.
 3 Under the selected job, the candidate can apply
 4 directly and they can upload the resume for further
 5 review. Also, they can contact the recruiter that is
 6 listed at the end of the job description for more
 7 information. That position is now live on the iAdvantage
 8 website. If any citizens are interested in applying for
 9 the position, the posting is going to be open, and
 10 applications will be accepted until next Friday, March
 11 22nd. So this is an extension from the already one week
 12 posting that occurred sometime in February. And the
 13 reminder is just for anyone who is interested as a
 14 potential candidate and applicant, the secretary shall
 15 not have been an employer or elected officer of the City
 16 of Detroit within three prior years of appointment. So I
 17 think it's an exciting opportunity for anyone in the
 18 community who may be listening. I know Commissioner
 19 Woods, you've been very adamant about wanting to share
 20 with block clubs and sororities and so forth. So this is
 21 definitely the opportunity to spread the word and have as
 22 many applicants as possible in our pool so that this body
 23 can ultimately hire someone who's qualified and prepared.
 24 And with that, that's the last update that I'll give
 25 regarding that posting.

1 VICE CHAIRPERSON SMITH: Okay. Thank you for that
 2 information.
 3 COMMISSIONER BURTON: Chair. Deputy Chair.
 4 COMMISSIONER WOODS: Through the Chair. Commissioner
 5 Hernandez. So, we're saying that the secretary position
 6 is posted now and that people can go to iAdvantage
 7 group.com and it, and that's, that would be up linked on
 8 our website and our social media pages. And so again,
 9 that is something that is vitally important for this
 10 commission to function, to have a good secretary. It's a
 11 great paying job, it's a job that, you know, you can earn
 12 over a hundred thousand dollars possibly for that
 13 particular job. And it is like a chief of staff type job.
 14 Is that correct? And so we encourage the community to
 15 strongly spread the word on this so that we can have as
 16 many applicants that we can possibly get to be able to
 17 get the best talent possible. And I strongly encourage
 18 our secretary to make sure that we share this far and
 19 abroad with the faith-based community, the civil rights
 20 community so that we can get someone here that's going to
 21 have great leadership to move us forward as a city.
 22 COMMISSIONER BURTON: Through the Chair.
 23 VICE CHAIRPERSON SMITH: Go ahead.
 24 COMMISSIONER BURTON: Thank you, Madam Chair. I want
 25 to acknowledge the great work of the honorable Mary

1 Waters and the Detroit City Council for passing the
 2 ceasefire resolution. To my colleagues, you know, there
 3 were 48 cities that passed the ceasefire resolution
 4 calling for a ceasefire. Detroit City Council stepped up,
 5 listened to the Detroiters that came into those meetings,
 6 calling for a ceasefire. They did the right thing.
 7 Chicago, another that Bernice Smith, who's often
 8 crediting Chicago because she's from Chicago, born there,
 9 from there. They also supported the ceasefire resolution,
 10 along with San Francisco, along with Wilmington,
 11 Delaware, the hometown of President Joe Biden. And in so
 12 many other cities. Once again, there are 48 cities. But
 13 I'm really impressed with the work that the Detroit City
 14 Council has done when they passed this resolution and
 15 listening to the majority of Detroiters. So therefore, I
 16 call to make a motion at this time, calling
 17 [unclear01:39:44] a ceasefire surveillance resolution...
 18 VICE CHAIRPERSON SMITH: Excuse me, Mr. Burton,
 19 Commissioner, we can't. It's out of order.
 20 COMMISSIONER BURTON: I made a motion. The motion is
 21 always in order.
 22 VICE CHAIRPERSON SMITH: No, this is out of order.
 23 COMMISSIONER BURTON: Point of order, Madam Chair, I
 24 just made a motion as I made it...
 25 VICE CHAIRPERSON SMITH: There was no second and

1 there was no approval there. No.
 2 COMMISSIONER BURTON: A motion can come up at any
 3 time, and this is under new business, so therefore, it's
 4 definitely appropriate for me to raise this motion under
 5 new business.
 6 COMMISSIONER BANKS: You can make a motion up under
 7 new business. I'm going to second it.
 8 COMMISSIONER BURTON: Thank you.
 9 COMMISSIONER BANKS: I'm going to second it.
 10 COMMISSIONER HERNANDEZ: I'll remind this body that
 11 there's a process for resolutions that should be
 12 submitted. I've actually offered to support you.
 13 COMMISSIONER BANKS: This you?
 14 COMMISSIONER HERNANDEZ: And you've denied support.
 15 So I'm very big about protocol and I suggest that we
 16 follow protocol, not breach the integrity of that
 17 process.
 18 VICE CHAIRPERSON SMITH: And I do suggest that we do
 19 protocol and not to run slickness by me, because our
 20 Chair is not here. So, you know, don't do that.
 21 COMMISSIONER BURTON: For point of order, and for
 22 point of information, a motion has been called, every
 23 commissioner at this table has a copy of this resolution.
 24 VICE CHAIRPERSON SMITH: I don't have a copy.
 25 COMMISSIONER BURTON: It's in everybody's binder.

 3 COMMISSIONER BURTON: The motion has been properly

 5 this.
 6 COMMISSIONER WOODS: It has not been second.
 7 COMMISSIONER BURTON: I'm going to read this into the

 9 VICE CHAIRPERSON SMITH: Hold on.
 10 COMMISSIONER BURTON: Ceasefire...
 11 VICE CHAIRPERSON SMITH: That is out of order. We do
 12 not have a copy. That is out of order. That's out of
 13 order. Let's not do this. That's out of order.
 14 COMMISSIONER BURTON: Through the Chair. This motion
 15 was just recently made under new business. It was
 16 properly seconded by my colleague to my immediate right,
 17 Commissioner Cedric Banks. Therefore...
 18 COMMISSIONER WOODS: Move to adjourn.
 19 COMMISSIONER BURTON: We have to vote this up.
