

**Confirm your coverage or shop around**

- Your doctors, hospitals, and prescription coverage may change each year, so verify that your insurance has remained the same.
- If your insurance has changed, use the open enrollment period to change your insurance coverage to fit your needs.

**Know where to go for answers**

- There are FREE appointments with in-person enrollment navigators in the community.
- Locate in-person help: <https://localhelp.healthcare.gov/#intro>

**Find a provider**

- Select a health care provider in your network.
- If you select an out-of-network provider, you may have to pay more.

**Make an appointment**

- Confirm your provider accepts your coverage
- Talk to your provider about preventive services

**Fill your prescriptions**

- Some drugs cost more than others so ask in advance if there is a more affordable option.
