

EXECUTIVE ORDER 2016-1

TO: ALL BOARDS, COMMISSIONS, DEPARTMENT DIRECTORS, CITY COUNCIL MEMBERS, CITY CLERK, DEVELOPERS, CONTRACTORS, AND DETROIT ECONOMIC GROWTH CORPORATION (DEGC).

FROM: MICHAEL E. DUGGAN, MAYOR

SUBJECT: UTILIZATION OF DETROIT RESIDENTS ON PUBLICLY-FUNDED CONSTRUCTION PROJECTS

DATE: December 16, 2016

WHEREAS, it is the policy of this Administration to encourage and maximize the utilization of Detroit residents on all City contracts and all projects benefited by City subsidies. An important component of the economic revitalization of Detroit is the employment of Detroit residents. Accordingly, this Executive Order directs any entity entering into a publicly-funded construction project to implement specific residency targets for its workforce, as follows:

1. A “publicly-funded construction project,” for purposes of this Executive Order, means (a) any construction contract for more than \$3,000,000.00 (Three Million Dollars) made by the City with any person or entity; and (b) any construction project for which the City, affiliated public or quasi-public entities of the City, or any of their agents or contractors provides funds or financial assistance via any of the following methods, where total assistance from the City or its affiliated entities is over \$3,000,000.00 (Three Million Dollars):

- (1) The sale or transfer of land below its appraised value;
- (2) Direct monetary support;
- (3) Public contributions originated by the State of Michigan or its agencies, the United States government or its agencies, or any other non-City government entity, and for which City approval is required and obtained; or
- (4) Tax increment financing. For purposes of calculating the total assistance directly provided through tax increment financing, tax revenue that would have accrued to all government entities shall be counted.

Other persons or entities doing business with the City, but not covered by this section, may voluntarily agree to be bound by some or all of the substantive requirements of this Executive Order.

2. A “bona-fide Detroit resident,” for purposes of this Executive Order, means an individual who can demonstrate residency in the City of Detroit as of a date at least thirty (30) days prior to the date the person seeks to be employed for work on a publicly-funded construction project. Residency shall be established by the address listed on (a) any one of the following: State of Michigan identification card, State of Michigan driver’s license, or Detroit municipal ID; plus (b) any one of the following: Voter Registration Card, Motor Vehicle Registration, most recent federal, state, or City of Detroit tax returns, Lease/Rental agreement, the most recent utility bill (or utility affidavit signed by a landlord with respect to a leased residence), or most recent municipal water bill. Other forms of proof-of-residence may be accepted under certain circumstances.

3. All publicly-funded construction contracts shall include a provision providing that at least 51% of the workforce on the publicly-funded construction project shall be bona-fide Detroit residents. This requirement shall be referred to as the “Workforce Target.” The Workforce Target shall be measured by the hours worked by bona-fide Detroit residents on the publicly-funded construction project.

4. Developers, general contractors, prime contractors and subcontractors are all required to comply with the terms of this Executive Order. Collectively, these entities are hereinafter referred to as “contractors.” It is, however, the sole responsibility of the person or entity contracting with the City of Detroit to require all of its subcontractors either to (a) meet the Workforce Target; or (b) make the required contribution to the City’s Workforce Training Fund, as provided in Paragraph 6 of this Executive Order. Contractors may utilize local unions, Detroit Employment Solutions Corporation, or other entities to help meet the Workforce Target. Failure to satisfy the requirements of this Executive Order shall constitute a breach of contract and may result in the immediate termination of the contract.

5. Upon execution of a publicly-funded construction contract, the City of Detroit’s Civil Rights, Inclusion and Opportunity Department (“CRIO”) shall determine whether the Workforce Target in the contract shall be measured periodically either (a) monthly or (b) quarterly. This period shall be referred to as the “measurement period.” Thereafter, for the duration of the construction project, the contractor shall, at the end of each measurement period, submit to CRIO a report indicating:

- (1) The total hours worked on the project during the preceding measurement period (“total work-hours”);
- (2) The total hours worked on the project by bona-fide Detroit residents during the preceding measurement period; and
- (3) If applicable, the amount by which the contractor fell short of meeting the Workforce Target. A contractor falling short of the Workforce Target shall report both (a) the raw number of total work-hours by which the contractor fell short of the Workforce Target; and (b) the percentage of total work-hours by which the contractor fell short of the Workforce Target.

6. A contractor who does not meet the Workforce Target in any measurement period shall help strengthen Detroit's workforce by making a monetary contribution to the City's CRIO-administered Workforce Training Fund, thereby supporting the skill development of Detroit residents. The required contribution for any contractor who does not meet the Workforce Target shall be the sum of the following:

- (1) For each work-hour comprising the first 0-10% of total work-hours by which the contractor fell short of the Workforce Target, 5% of the average hourly wage paid by the contractor on the publicly-funded construction project during the preceding measurement period.
- (2) For each work-hour comprising the second 0-10% of total work-hours by which the contractor fell short of the Workforce Target (if applicable), 10% of the average hourly wage paid by the contractor on the publicly-funded construction project during the preceding measurement period.
- (3) For each work-hour comprising the remaining 0-31% of total work-hours by which the contractor fell short of the Workforce Target (if applicable), 15% of the average hourly wage paid by the contractor on the publicly-funded construction project during the preceding measurement period.¹

7. If a contractor contracts for labor through a union which is meeting the goals set for it under the Detroit Skilled Trades Employment Program, that contractor will be deemed to have met the Workforce Target with respect to the employees for which it contracted through such a union.

Specifically: CRIO will make a periodic determination whether a union participating in the Detroit Skilled Trades Employment Program is meeting its established goals under that Program. For purposes of calculating a contractor's compliance with the Workforce Target, a union which, as of the date a contractor executes its publicly-funded construction contract or subcontract, is meeting its goals under the Program shall be deemed to have no less than 51% of the hours worked by its members on the publicly-funded construction project worked by bona-fide Detroit residents. If bona-fide Detroit residents actually account for more than 51% of the hours worked by union members on a publicly-funded construction project, that actual percentage may be used for purposes of calculating compliance with the Workforce Target.

8. If CRIO determines a contractor is in non-compliance with the requirements of this Order, CRIO will notify the contractor, in writing, of the contractor's non-compliance.

If a contractor wishes to challenge a finding of non-compliance, the contractor may, within fifteen (15) days of the notice of non-compliance, file with CRIO a written notice challenging the finding of non-compliance, and detailing the reasons for that challenge. The challenge will then

¹ Thus, for example, if 25% of the total work-hours performed on a publicly-funded construction project were performed by bona-fide Detroit residents, the contractor will have fallen short of the Workforce Target by 26% of the total work-hours. That contractor's minimum required contribution would be the sum of (1) 5% of the average hourly wage for 10% of the total work-hours; (2) 10% of the average hourly wage for 10% of the total work-hours; and (3) 15% of the average hourly wage for 6% of the total work-hours.

be forwarded to a panel comprising of (1) the City's Corporation Counsel or his or her designee; (2) the head of the Department of Administrative Hearings or his or her designee; and (3) the Director of the Buildings, Safety, Engineering, and Environment Department, or his or her designee. The panel shall adjudicate the challenge and issue a written decision. The panel may, but need not, schedule an oral hearing on the challenge.

If, following written notice of non-compliance and the adjudication of any challenge, the contractor fails or refuses to take corrective actions within thirty (30) days, the City of Detroit may do any of the following:

- (1) withhold from the contractor all future payments under the construction contract until it is determined that the contractor is in compliance;
- (2) refuse all future bids on city projects or applications for financial assistance in any form from the city or any of its departments, until such time as the contractor demonstrates that it has cured its previous non-compliance;
- (3) debar the contractor from doing business with the City of Detroit for a period of up to one year.

In addition, the City of Detroit reserves the right to re-bid the contract, in whole or in part, or hire its own workforce to complete the work.

9. All applicable construction contracts, construction contract amendments, change orders and extensions shall include the terms of this Executive Order. CRIO shall have the responsibility for preparing administrative guidelines related to this Executive Order, and for monitoring and enforcing the provisions of this Executive Order.

* * *

Pursuant to the powers vested in me by the 1963 Michigan Constitution and by the 2012 Detroit City Charter, I, Michael E. Duggan, Mayor of the City of Detroit, issue this Executive Order. This Executive Order is effective upon its execution and filing with the City Clerk and supersedes Executive Order No. 2014-4 issued by me on August 22, 2014. Provided, however, that this Executive Order shall not supersede the operation of any prior Executive Order with respect to any publicly-funded construction project on which construction activities have commenced as of the date of this Executive Order.

Michael E. Duggan
Mayor, City of Detroit
