Detroit, Michigan  
Thursday, January 12, 2012  
About 6:45 p.m.

CHAIRMAN WHITE: Good evening to everybody. Good evening. Let me welcome you to the Board of Police Commissioners meeting dated for Thursday, January 12, 2012. My name is Commissioner Donnell White. I have the pleasure of serving as Chairman for the Board of Police Commissioners. Today I am joined with my colleagues to my right, Commissioner Jerome Warfield and representing the staff of the Board of Police Commissioners, Executive Secretary George Anthony.

Mr. Anthony, for the purpose of the record, can you please introduce the staff?

SECRETARY ANTHONY: Thank you, Mr. Chair. For the record, can everyone hear me? For the record, George Anthony, Secretary to the Board. Our staff members include Miss Dalph Watson who is our director of human resources for the police department; Miss Celia Banks Washington who is our attorney for the Board. Everyone sitting up front, Lieutenant Tim Leach from the Office of the Chief Investigator and Officer Kent Cooper, who is also from the Office of the Chief Investigator. Our office manager Mr. Robert Brown

1 sitting over to my left. Our recorders tonight are  
2 Sergeant Alan Quinn and Miss Wendy Boer from Hanson  
3 Court Reporting Service. That completes the  
4 introductions, Mr. Chair.

5 CHAIRMAN WHITE: Thank you, Mr. Secretary. I  
6 also would like to note the presence representing the  
7 Office of the Chief, Assistant Chief Chester Logan.  
8 Thank you for being with us today, AC.

9 ASSISTANT CHIEF LOGAN: Glad to be here, sir.

10 CHAIRMAN WHITE: At this time, we are not  
11 joined by our chaplain. So I ask if our resident  
12 chaplain, the good Commissioner Jerome Warfield would  
13 lead us in our invocation for this evening.

14 COMMISSIONER WARFIELD: Let us pray. Father,  
15 we come this evening to give you praise and to give you  
16 thanks for getting us through another day and this  
17 portion of our week. We thank you for just protection  
18 and for keeping us. We ask, Lord, that as we assemble  
19 here tonight to discuss matters of law enforcement and  
20 community working together, that you will bless us with  
21 your presence by your spirit. We know that the City  
22 cannot be kept unless you keep the City. And so we need  
23 your presence here tonight. Bless those officers and  
24 protect them who keep our streets safe and look after  
25 our citizens. Bless the administration and bless us,

1 Lord, as we assemble here together just to figure out  
2 how we can do this better. In Christ's name we pray,  
3 amen.

4 AUDIENCE: Amen.

5 CHAIRMAN WHITE: Thank you, Commissioner  
6 Warfield. At this time, I'd like to read the duties and  
7 responsibilities which is customary for our community  
8 meetings.

9 The Board of Police Commissioners was created  
10 by City Charter on July 1st, 1974. Its composition  
11 currently consists of five members appointed by the  
12 Mayor and confirmed by City Council. The Commissioners  
13 serve five-year terms and may not serve more than five  
14 years consecutively. The Commission meets once a week,  
15 52 weeks out of the year. And all meetings are open to  
16 the public according to the Open Meetings Act.

17 The duties of the Commission are to establish  
18 policy, rules and regulations in consultation with the  
19 Chief and the approval of the Mayor, to review and  
20 approve the department budget, to review and approve  
21 department promotions, to receive and resolve complaints  
22 concerning the operation of the police department, to  
23 serve as final authority to impose and/or review  
24 discipline of the police department employees, to  
25 appoint civilian personnel director and also prepare an

1 annual report of department activities for the public,  
2 Mayor and City Council. Its staff consists of an  
3 Executive Secretary who serves as secretary to the Board  
4 and attends all Board meetings, a chief investigator and  
5 additional investigators and other staff as necessary to  
6 provide support to the Board. The Police Commission  
7 considers itself a liaison between the citizens of the  
8 City of Detroit and the police department.

9 At this time, I will table the motions to  
10 approve the agenda and the minutes to such time as a  
11 quorum has been reached. And under the officers report,  
12 currently there is no Chairman's report. So we will  
13 move to the report from the Chief's office and the 12th  
14 Precinct. Assistant Chief Logan?

15 ASSISTANT CHIEF LOGAN: Yes. Yes, sir. I'd  
16 like to call upon I believe Inspector Terry. Are you  
17 going to be doing the presentation?

18 INSPECTOR TERRY: Yes, sir. Good evening.  
19 I'm Inspector Terry from the 12th Precinct. The 12th  
20 Precinct encompasses 11.6 miles. We're located at 1441  
21 West 7 Mile. We are bounded by Woodward and McNichols  
22 north of 8 Mile, 8 Mile to the Lodge, up to Schaefer,  
23 Schaefer to Fenkell Avenue, Fenkell to Wyoming and  
24 Wyoming to -- I'm sorry, Fenkell to Livernois, Livernois  
25 to Linden and Linden down to the railroad tracks. We

1 have approximately 92,000 citizens that reside in the  
2 12th Precinct along with 14 schools which are broken  
3 down as follows: Two high schools, five elementary  
4 schools, six middle schools and one college.

5 We have 300 churches and businesses in the  
6 12th Precinct, 250 block club groups which include 15  
7 new block club groups that were started in 2011, along  
8 with two CB patrol groups that were started in 2011.  
9 Our community projects for 2011, we started Park and  
10 Walk which is what the officers -- they park their  
11 vehicle for approximately a half an hour, get out and  
12 walk the neighborhoods and try to engage the citizens  
13 and see what the issues are in the neighborhoods. We  
14 also did ID kits for kids in schools. We did food  
15 baskets, turkey give away, smoke alarm batteries,  
16 Goodfellows, Cops for Tots, Christmas party, mentoring  
17 program. We gave out gun locks. We did -- we  
18 participated in the take back expired drugs with the  
19 rest of the precincts. We assisted with the gun buy  
20 back. We did gun safety in the schools for the kids.  
21 And we also did a mentoring program and gave out gun  
22 locks.

23 The highlight of our community projects this  
24 year was our senior ball which we had on November 4,  
25 which is for lack of a better word, a senior prom for

1 senior citizens 60 and over where we invited them out.  
2 And we just lay it out real nice for them for the night  
3 so they can have a nice safe place to engage and party  
4 -- not party, I'm sorry, have a good time. We also did  
5 a presentation for senior citizen safety. That's my  
6 report.

7 CHAIRMAN WHITE: Thank you, Inspector Terry,  
8 any questions from the Commissioners? Commissioner  
9 Taylor?

10 COMMISSIONER TAYLOR: No.

11 CHAIRMAN WHITE: Commissioner Warfield?

12 COMMISSIONER WARFIELD: Just quick, the Park  
13 and Walk program that you have in the 12th Precinct, is  
14 that across districts and precincts or just something  
15 you started here in the 12th Precinct?

16 INSPECTOR TERRY: We have done it at other  
17 precincts. I'm not sure other precincts are doing it  
18 now. It's called the Park and Walk Program. And it's  
19 something that we started in the 12th Precinct. And we  
20 find it has really helped us a lot with getting the  
21 officers out of the car and engaging in not only the  
22 businesses but the residents because they have to walk  
23 down the residential streets too. And it has a two-fold  
24 effect, to try to get to know the neighbors and so the  
25 neighbors can get to know the officers that are

1 responsible for their area and for us to get -- for them  
2 to come to know the officers so that if they have a  
3 problem they can call us and perhaps stop some of the  
4 B&E's in the neighborhood.

5 COMMISSIONER WARFIELD: How often do they do  
6 that?

7 INSPECTOR TERRY: They do it every day.  
8 They're required to do it every day from 8:00 a.m. until  
9 about 8 or 9 when it gets dark.

10 COMMISSIONER WARFIELD: Thank you.

11 CHAIRMAN WHITE: Thank you, Inspector Terry.  
12 Assistant Chief?

13 ASSISTANT CHIEF LOGAN: I believe that  
14 concludes the presentation.

15 CHAIRMAN WHITE: Thank you, sir. I would be  
16 remiss if I did not acknowledge the UAW for hosting us  
17 this evening under the leadership of regional director  
18 Roy A. Gamble. I'm going to ask if our good friend  
19 Brother Michael Joseph could come and give us some  
20 greeting remarks on behalf of the UAW who has apparently  
21 found the repast that's available. That's my good  
22 friend. So I can --

23 MR. JOSEPH: Thank you my brother. As you  
24 know, I'm a black male eating chicken. So you'll have  
25 to forgive me. I bring you greetings from a man I call

1 a great man not because of his title behind his name but  
2 because of his name in front of his title, Roy A.  
3 Gamble. He had the vision to have this place. Real  
4 quickly for those who may or may not know, there is  
5 voter outreach training education. My partner Frank  
6 Woods is back there eating chicken too. And what we're  
7 doing, we're putting together a database. We have had  
8 so many people, wonderful people like you, these  
9 wonderful commissioners, these brave officers. I love  
10 you all so much that protect this City every day. We  
11 just -- please give them a round of applause.

12 (Applause)

13 MR. JOSEPH: Real briefly, we're here to make  
14 a difference in the community. We want to turn out the  
15 vote for the candidate of your choice. I ain't telling  
16 you who I'm voting for, but he got big ears. And that's  
17 what we are here for. We are going to do the best that  
18 we can. We're going to turn out the vote in the City of  
19 Detroit.

20 Also want to let you know like Brother  
21 Donnell, we do a lot of community work. If you're  
22 available on Monday, I ask you to honor our children.  
23 We hear about them when their pants are sagging and  
24 they're getting in trouble. Well on Monday at Martin  
25 Luther King High School these young people are putting

1 together for the third year in a row a march honoring  
2 Dr. King that will talk about his history, not just I  
3 Have a Dream speech but about Dr. King. So if you can  
4 come at 9:00 we have a program, 10:00 the march. Please  
5 show up. Again, thank you. You're more than welcome  
6 any time. The march will be at the school, at King High  
7 School. Thank you very much. God bless everybody.

8 CHAIRMAN WHITE: Thank you. At this time the  
9 Chair will entertain a motion for approval of the agenda  
10 dated Thursday, January 12, 2012.

11 COMMISSIONER WARFIELD: So moved.

12 COMMISSIONER TAYLOR: Second.

13 CHAIRMAN WHITE: It's been properly moved and  
14 supported. Any discussion? Seeing none, all those in  
15 favor?

16 COMMISSIONERS: Aye.

17 CHAIRMAN WHITE: At this time the Chair will  
18 entertain a motion for approval of the minutes dated  
19 Thursday, January 5, 2012.

20 COMMISSIONER TAYLOR: So moved.

21 COMMISSIONER WARFIELD: Second.

22 CHAIRMAN WHITE: It's been properly moved and  
23 supported. Any discussion? Seeing none, all those in  
24 favor?

25 COMMISSIONERS: Aye.

1 CHAIRMAN WHITE: At this time, we will move  
2 toward our standing committee reports. And I don't  
3 believe we have any. So at this time I will ask if  
4 Commissioner Taylor could lead us in the reading of our  
5 Resolution honoring Ms. Mary J. Smith. Anybody who has  
6 ever seen small type will appreciate the fact that we're  
7 going to ask if Commissioner Jerome Warfield can lead us  
8 in the reading of the Resolution honoring Ms. Mary J.  
9 Smith. And Ms. Smith, if you could please come forward?

10 COMMISSIONER WARFIELD: This is a Resolution  
11 honoring Mrs. Mary J. Smith. Whereas, Mrs. Mary J.  
12 Smith is a dedicated and committed supporter of the City  
13 of Detroit's 12th Precinct. Her commitment to business,  
14 service and leadership is exemplified throughout the  
15 community. And whereas, Mrs. Mary Smith is a woman  
16 dedicated to education, holds a Bachelor's degree, a  
17 Master's degree and a juris doctorate degree, has  
18 retired from the Detroit Public School system as an  
19 educator, department head and vice principal at Cass  
20 Technical High School.

21 And whereas, Mrs. Smith is the president and  
22 proud member of the University District radio patrol.  
23 She has successfully written two grant proposals to help  
24 benefit the DRP. She works to strengthen her community  
25 by maintaining a registry of vacant homes and aid the

1 effort to keep them secure. And whereas Ms. Smith is  
2 currently a member of the 12th Precinct Neighborhood  
3 Coalition, Vacant House Task Force, the Community Legal  
4 Resources, Vacant Property Coalition, the Detroit Crime  
5 Commission and No More Broken Windows, the anti-gang and  
6 graffiti organization. She has also joined the effort  
7 spearheaded by the Grandmont/Rosedale Development  
8 Corporation to get a special assessment district  
9 ordinance. And that is by the Detroit City Council.  
10 And whereas, Ms. Smith is the University District  
11 liaison with the 12th Precinct for three neighborhood  
12 organizations.

13 Ms. Smith has always supported local  
14 businesses and schools community initiatives not only by  
15 dedicating her time but also by being an example to  
16 others. And whereas Ms. Smith has proven through her  
17 actions that she remains a dedicated and committed  
18 supporter of the City of Detroit and the 12th Precinct.

19 Now, therefore, be it resolved that the  
20 Detroit Board of Police Commissioners speaking on behalf  
21 of the citizens of the City of Detroit and the Detroit  
22 Police Department, acknowledge the giving spirit and  
23 community service of Ms. Mary J. Smith. Her vision for  
24 Detroit and the citizens is unmatched and highly  
25 respected. We thank and congratulate you, Ms. Smith.

1 And this is on behalf of all the Commissioners of the  
2 Board of Police Commissioners.

3 (Applause)

4 COMMISSIONER WARFIELD: At this time,  
5 Assistant Chief Logan has something for you on behalf of  
6 the Chief's office.

7 ASSISTANT CHIEF LOGAN: On behalf of the Chief  
8 of Police and the City of Detroit, Ralph L. Godbee, the  
9 Detroit Police Department would like to present to you  
10 this Certificate of Recognition to Mrs. Mary J. Smith,  
11 resident of the City of Detroit, in appreciation for the  
12 following outstanding service and cooperation. This is  
13 for your years of service to the community and your  
14 involvement supporting our efforts in the community  
15 demonstrates a spirit and commitment that is truly  
16 worthy of recognition. Signed Ralph L. Godbee today.

17 (Applause)

18 SERGEANT BLEDSOE: Good evening. I'm here  
19 instead of Councilman Andre L. Spivey from the Coleman  
20 A. Young Municipal Center Spirit of Detroit Award to you  
21 my dear friend. And the Spirit of Detroit Award is  
22 presented herewith as an expression of the gratitude and  
23 esteem of the citizens of Detroit to Mrs. Mary J. Smith  
24 in recognition of exceptional achievement, outstanding  
25 leadership and dedication to improving the quality of

1 life. Charles Pugh, Council President. And it's signed  
2 by all the Council members on today's date, January 12,  
3 2012.

4 (Applause)

5 MS. SMITH: Thank you. I think I was more  
6 tired hearing what I do than actually doing it. One  
7 thought struck me. Having taught history for so many  
8 years, I tend to think of so many of the things from the  
9 past that are instructive for the present. And I'm  
10 really deeply gratified at receiving this and most  
11 appreciative. But I think about Benjamin Franklin back  
12 in the bleak days when this country was being founded.  
13 And the remark that he made I think really applies to  
14 all of us.

15 He said to people facing possible execution by  
16 the King of England, gentlemen, if we don't all hang  
17 together, we will all hang separately. And I want to  
18 thank all the people in here who have been hanging with  
19 me on so many of these projects over the years. I  
20 accept this on behalf of all of us because we are  
21 hanging together. Thank you.

22 (Applause)

23 CHAIRMAN WHITE: Again, we certainly thank and  
24 congratulate Ms. Mary J. Smith. Let us congratulate her  
25 again for her exemplary service and being a shining

1 example of how one individual can engage and impact  
2 their community. And Ms. Smith, I'm sure I speak on  
3 behalf of all the men and women of the Detroit Police  
4 Department when I say thank you for hanging with us and  
5 being here this evening.

6 At this time, we will move forward to our --  
7 I'm sorry. Let me back up. At this time a motion is in  
8 order to accept the Resolution as presented honoring  
9 Ms. Mary J. Smith.

10 COMMISSIONER WARFIELD: I move that we accept  
11 the motion and include it in our archives and be a  
12 permanent record in our archives.

13 COMMISSIONER TAYLOR: Second.

14 CHAIRMAN WHITE: It's been properly moved and  
15 supported. All those in favor?

16 COMMISSIONERS: Aye.

17 CHAIRMAN WHITE: Thank you. Under old  
18 business, are there any proposed amendments to the  
19 towing rotation -- I'm sorry, to the towing rules?  
20 Seeing none, we will move on to announcements. Please  
21 be mindful that the Board of Police Commissioners will  
22 meet Thursday, January 19, 2012, at 3:00 p.m. at the  
23 police headquarters, 1300 Beaubien, Room 328-A., 1300  
24 Beaubien, Room 328-A.

25 At this time, we will move into our oral

1 communications. If you would like to address the Board  
2 of Police Commissioners, we ask that you will come  
3 forward. Please state and spell your first and last  
4 name for the benefit of the record. And please be  
5 mindful of the two minutes allotted by our office  
6 manager, Mr. Robert Brown, to my left and your right.  
7 Good evening.

8 MR. WELBORNE: Good evening, Board and  
9 Assistant Chief, everybody in here. My name is Bill  
10 Welborne, and I'm the president of City Wide. And what  
11 we are here tonight to discuss is community relations,  
12 okay? I'm not going to speak a lot. I'm going to give  
13 my time to Mr. John Drain. He's one of the original  
14 founders of the community relations back in 1967. And  
15 after that, we're going to give our time to Don Johnson  
16 which will be our keynote speaker.

17 MR. DRAIN: My name is John Drain. I'm one of  
18 the founders of the 12th Precinct police community  
19 relations organization. And what they didn't say is I'm  
20 also past parliamentarian, second vice president, first  
21 vice president and president. So, I have been with this  
22 organization ever since its beginning in one form or  
23 another. And one of the things I want to do of course  
24 is welcome the Commissioners. They call me kind of the  
25 patriarch of the 12th.

1                   So, I want to welcome all of you to our  
2 precinct. And also, we are here too because we have  
3 gotten a little concerned about community relations, its  
4 state, what's going to happen to it because one thing  
5 we're very afraid if something really happens to the  
6 community relations police organization, that then it  
7 will end our's. And we are a liaison -- not as big as  
8 we would like to be -- between the community and the  
9 police because that's the reason we were formed. We  
10 were formed because after the riot in '67, they felt  
11 that one of the reasons for the riot was that there was  
12 a big gulf between the police and the community.

13                   And so this was formed to try to bring that  
14 gulf together. We have done some good I think. And we  
15 hope to keep doing the other. But we do need the help  
16 of the police community, the police community relations  
17 people. And there have been several things that we have  
18 gotten concerned about. I won't talk about those.  
19 They'll do that. But I just want to welcome everybody  
20 here. Thank you. Hope I didn't take too long.

21                   CHAIRMAN WHITE: Thank you.

22                   (Applause)

23                   MS. BARTON: Good evening. My name is Ruth  
24 Barton. I have the same litany as he has and  
25 involvement with the 12th Precinct. I started as the

1 secretary in 1972. And presently I am the treasurer of  
2 the 12th Precinct community relations. I don't want to  
3 talk more, but I want to defer my time to Don Johnson  
4 who is going to talk a lot.

5 MS. JOHNSON: Good evening. My name is  
6 Marietta Johnson, wife of Mr. Don Johnson. And I'm a  
7 member of the 12th Precinct community relations. And I  
8 would like to yield my time to the talker, Mr. Johnson.

9 MS. LOVE: My name is Callie Love. And I'm a  
10 member of the community relations. And I would like to  
11 yield my time to Don Johnson.

12 MS. JOHNSON: My name is Emma Johnson. I'm  
13 the daughter of Mr. Donald Johnson. And I would like to  
14 yield my time to Mr. Johnson.

15 MR. JOHNSON: Good evening.

16 CHAIRMAN WHITE: Don't worry, I've been  
17 keeping track for you, Mr. Johnson.

18 MR. JOHNSON: Don't worry. I'm 'gonna go  
19 fast. My name is Don Johnson. And I yield my time to  
20 Don Johnson. First of all, I'd like to say welcome and  
21 thank you for hosting this wonderful meeting. And to  
22 Roy Gamble who I knew back in the days when I was an  
23 hourly employee at Ford Motor Company back a long long  
24 time ago. What we are here to discuss -- and I would  
25 like to make it very clear to everyone here that the

1 statements I'm about to make are not personal but are  
2 being said to help save the City of Detroit and its  
3 citizens not only from financial ruin but to help them  
4 to a balanced budget and save our City from the crime  
5 that are now witnessing today.

6 The community relations officers for those of  
7 you that don't know provide services over and above the  
8 department's protect and serve motto. They handle the  
9 vast majority of the nuisance complaints the community  
10 has. They are very visible in the community. And as  
11 Inspector Terry spoke about the Park and Walk and what  
12 have you, we've had that for years in the 12th Precinct  
13 when they were riding their bikes. And that makes a  
14 very big difference in the community. When we didn't  
15 see police cars at one time, to see those folks riding  
16 those bikes in the community, gave us a sense of comfort  
17 and what have you.

18 They also are -- they perform their normal  
19 police duties. And since they are out in the community  
20 anyway, they are also able to and available to support  
21 their fellow officers on various police runs. And they  
22 allow the other officers to do their jobs with much  
23 support than they would normally get if they're out on a  
24 run and the community relations officers are already out  
25 in the community, they can support those officers when

1 they go on a run. We are of the opinion that in order  
2 to make the City safe again -- because in certain areas,  
3 our home invasions have quadrupled since last quarter. I  
4 don't attend many meetings as I used to simply because  
5 they are breaking in our houses all time of the day and  
6 night. People are out cutting their grass, shoveling  
7 their snow or whatever. They're being stuck up in broad  
8 daylight.

9 We're walking up and down the street with our  
10 dogs and not my gun. But we are trying to protect  
11 people as much as possible. And I'm not just talking  
12 about the 12th Precinct. I'm talking about all over the  
13 City. And what we would like to do is we would like to  
14 propose that the community -- that each precinct have a  
15 minimum of five community relations officers. And since  
16 we know that they are the goodwill ambassadors for the  
17 Detroit Police Department, we need them out there  
18 because all of us who have some years know how it was  
19 before in the 60's and 70's when a police officer  
20 stopped a car to give them a ticket or something, some  
21 of those officers were being shot at by citizens. We  
22 don't want to go back there. We want to keep that  
23 relationship because they are our goodwill ambassadors.

24 We also with them, we go way back. If we  
25 don't -- without them, we go way back to the we versus

1           them mentality. Other than that, the community in the  
2           City of Detroit has no relationship or interaction with  
3           the police department unless they get a ticket or  
4           they're stopped or something has happened negative. We  
5           have provided a positive image through police community  
6           relations because of that, because we know all of our  
7           community relations officers, and we worked well  
8           together as a team. We work so well as a team, it shows  
9           you what we can accomplish. And I just want to give  
10          this to the Board of Police Commissioners. In 2002 -- I  
11          only got five copies. In 2002 because of our work  
12          together, the 12th Precinct was called the jewel of the  
13          west. And the Detroit News, of all the newspapers -- I  
14          hope they're not here -- I'm not criticizing. They  
15          named the 12th Precinct the best precinct to live in in  
16          the State of Michigan in 2002, above Farmington Hills  
17          and Wyandotte in 2002, not because we were so great but  
18          because of how police community relations and all the  
19          precincts worked together.

20                        When you ask Sergeant Inspector Terry --  
21          excuse me, Inspector Terry. When you ask Inspector  
22          Terry do we have these things all throughout the  
23          district, we used to communicate with each other all the  
24          time. Since we went to districts, we don't do that. I  
25          make a quote from former Police Chief Ella Bully

1 Cummings. "If I had found out about the information  
2 that I didn't have to go to districts, I would have  
3 never went to districts." I didn't say that. She did.

4 Ladies and Gentlemen, Detroit is designed for  
5 precincts. The precincts surround the whole City. We  
6 need to go back to precincts so that we can protect our  
7 City. In 1973 when Coleman Young became mayor, we had  
8 1.6 million people. We are down to 713,000. We used to  
9 rival Chicago. How am I doing with my time? We used to  
10 rival Chicago, fighting for the third and fourth place  
11 of the largest city in the United States. Chicago is  
12 number 3. We're number 18. Ladies and Gentlemen, we  
13 have a great city. We have great jewels in this City.  
14 And we can take lessons from Wayne State University.  
15 How many crimes have you heard in that area? Jay Lu  
16 (phonetic) on 7 Mile, the Repertory Theatre, Detroit  
17 Institute of Arts. We have all these great jewels in  
18 the City that we can take notes from to make this city  
19 better. If we would just swallow our pride because I  
20 know one administration don't like to do what the other  
21 administration did. But we got to swallow our pride so  
22 that we can save this city.

23 Let's talk about the program of some precincts  
24 closing from 4:00 p.m. in the evening until 8:00 a.m. in  
25 the morning. I am quite sure that we have not forgotten

1 the attack on the Northwest District by a person with  
2 numerous warrants for his arrest, just walked in the  
3 precinct shooting. We also forget about the individual  
4 who pulled a gun at the Northeast District and when he  
5 brandished the gun they chased him out, wrestled him  
6 down and took the gun from him.

7 Months later, there were two men chasing  
8 another man, shooting up and down Livernois. And that  
9 man had a gun. He ran into the 10th precinct. That's  
10 three different precincts all over the City. Ladies and  
11 Gentlemen, we've got to be careful. These -- I have a  
12 brother that's in prison up in Marquette. He knows when  
13 we are going to cut police before I do. And I'm  
14 president of the 12th Precinct community relations. He  
15 said what you all doing down there? Detroit is like a  
16 candy store. I said, well, don't come and try to get no  
17 candy because you know I will turn you in.

18 Ladies and Gentlemen, all this happened within  
19 18 months. And we all know what has been happening in  
20 the Eastern District. Let us help you. We have always  
21 only asked for you to let the community relations  
22 people, the community, help you. That's all we want to  
23 do. We are not antagonistic. We don't want to fight.  
24 We just want to help. There's many of us -- and you can  
25 raise your hand if you want to -- that went to the

1 civilian police academy. We can use those people to  
2 come in and answer the phones, anything else you want us  
3 to do, do whatever you want us to do. We are willing to  
4 help.

5 Sergeant Bledsoe and the 12th Precinct  
6 community relations office do a fantastic job. They may  
7 not do things as fast as we would like them to do, but  
8 they do things. We have 30 seconds. Let me say this to  
9 you. In order to save our city, we can no longer  
10 continue to bring people back and lay people off. We  
11 cannot continue to do things the way we are doing them.  
12 What we need to understand is that we need to freeze  
13 salaries and wages at current levels for two years,  
14 freeze all hires and promotions, freeze all pay raises,  
15 freeze all employee replacements. And if you apply the  
16 aforementioned principles, all money saved would go into  
17 the general fund to balance the budget.

18 Let the police department lead by example for  
19 all of the other city departments and unions to follow.  
20 We must make the tough decisions if we are to survive.  
21 And as Edmund Burke said, the only way for evil to  
22 triumph is for good men and women to do nothing.

23 CHAIRMAN WHITE: Thank you, Mr. Johnson, et  
24 al, and the Johnson gang. I do want to afford the  
25 Assistant Chief an opportunity to one -- and I'm not

1           sure if Commissioners will have some additional  
2           follow-up. One, as related to community relations  
3           current staffing levels, were there any projections to  
4           those changes? And secondly, I heard some comments  
5           towards precinct closures. And I think there is a bit  
6           of information or that Assistant Chief might want to add  
7           as relates to that as well.

8                         ASSISTANT CHIEF LOGAN: Through the Chair,  
9           Assistant Chief Logan. My comments will start where  
10          Mr. Johnson ended when he said we must make the tough  
11          decisions. Ladies and Gentlemen, we have to make some  
12          tough decisions in the City. This is not the same City.  
13          This is not the same department. Mr. Johnson referred  
14          back to 2002. Well, in 2002, the city of Detroit had  
15          over 4,000 police officers. Now we are -- we have only  
16          got about 27, 2800 police officers. So this department  
17          has lost over 1300 -- between 12 and 1300 police  
18          officers in that time.

19                         So obviously we've got to make adjustments and  
20          make decisions. That's what we are paid to do. The  
21          other part as far as the -- you know, how to negotiate  
22          and things like that, I'll leave that up to the people  
23          that do that. But when it comes to making the decisions  
24          about what needs to be done in the City of Detroit,  
25          that's what the police department has to do.

1 He also referenced the incident at the  
2 Northwest District. Well, when that incident occurred,  
3 the station was full of police officers. And it didn't  
4 help. So, think about that. We intend to go back to  
5 the precinct format. That's critical to what Chief  
6 Godbee wants to do. We've got a tentative 5th Precinct  
7 that's over at 3500 Conner. As soon as we get it  
8 retrofitted, it will be opening up.

9 Soon -- I hope I'm not letting the cat out of  
10 the bag -- we will be intending to open up a new 2nd  
11 Precinct. The two places that we are having difficulty  
12 with are the 8th Precinct and the 7th Precinct. And we  
13 are constantly looking to try to find a place to house  
14 police officers. But if we are going to do that, if we  
15 are going to open up new stations, what do we need? We  
16 need money, and we need personnel. So, that's what we  
17 have to do. We have to -- we know the community wants  
18 to go back to the old precinct format. But we just  
19 don't have the personnel right now unless we make some  
20 really really tough decisions you know.

21 And probably the last thing I'd like to say is  
22 that I had occasion in my career to win the community  
23 relations award twice. I won when I was commander at  
24 the 7th Precinct. And I'm trying to let you know how  
25 much community relations means to me. And I see

1 Ms. Barton back there nodding her head. The second time  
2 I won the community relations award was here at the 12th  
3 Precinct. And at that time I was not in community  
4 relations. Every officer has to be an ambassador.  
5 Every officer has to do what community relations  
6 officers do until we get some help because right now we  
7 are all we got.

8 So the concerns that you have, Mr. Johnson,  
9 are the same concerns that I have because I too live in  
10 the City, and I intend to be here.

11 MR. JOHNSON: If I could just add one piece?  
12 Assistant Chief, we used to --

13 CHAIRMAN WHITE: Mr. Johnson, if I could ask  
14 you to approach the microphone for the record.

15 MR. JOHNSON: I didn't want to do that  
16 personally. But Don Johnson, president of the 12th  
17 Precinct community relations. Assistant Chief, we  
18 called you Mr. Community Relations -- you know that --  
19 when you were commander because a lot of the innovations  
20 and the things that we picked up throughout the City and  
21 shared with one another came from the 7th, the 11th, the  
22 8th and the 6th Precinct as well as the 12th. But now  
23 we don't even talk to each other. It's hard for us to  
24 get any communication, any communication from the  
25 Chief's office and police community services like we

1 used to and even the Board of Police Commissioners. We  
2 don't even know when the meetings and stuff are  
3 happening. And you know we have always been there to  
4 support you. And all we ask is that you let us help you  
5 in any way that we can. Nobody wants anybody's job.  
6 Ford gives me a very good retirement. I just want to  
7 help. We want to help make this city better. That's  
8 all we want to do.

9 (Applause)

10 ASSISTANT CHIEF LOGAN: And the last thing I  
11 would say, Mr. Johnson, to you, especially to the  
12 community, trust us. That's all we need is your trust.

13 CHAIRMAN WHITE: Assistant Chief, how many  
14 officers do we currently have as relates to assigned to  
15 community relations?

16 ASSISTANT CHIEF LOGAN: Well, for the record,  
17 we have got people under Deputy Chief Turner's shop.  
18 And I'm not certain how many that is. And then we've  
19 got -- each district or precinct has some community  
20 relations officers.

21 CHAIRMAN WHITE: So each precinct currently is  
22 staffed with community relations officers?

23 ASSISTANT CHIEF LOGAN: Yes, not as many as  
24 they formerly had but each one of them do.

25 CHAIRMAN WHITE: Thank you, sir. Good

1 evening.

2 MS. GOODMAN: Good evening. My name is  
3 Jacqueline Goodman, and I am from Burke and Lahser  
4 community. And I am here on behalf because of our  
5 school zone that's over there. I have a son that goes  
6 to Western Preparatory Academy. And just before their  
7 Christmas break, two kids was hit over there severely  
8 bad. Prior to that, I had been standing outside with  
9 the camera taking pictures of cars that fly through the  
10 stop signs. They changed the speed limit down to 25.  
11 It's not working. I was out there this morning. I have  
12 footage of people flying through those stop signs. A  
13 little boy almost got hit this morning.

14 So I've been getting out of my car every  
15 single morning at 7:30 watching kids cross the street  
16 because they're not stopping. And I'm just speaking out  
17 because I'm tired. My son almost got hit. And I'm just  
18 here tonight on behalf of the kids that can't speak out.  
19 They want help as well. So I'm just here asking for  
20 help for more police in our areas to watch our kids.  
21 Thank you.

22 CHAIRMAN WHITE: Thank you. Assistant Chief  
23 Logan?

24 ASSISTANT CHIEF LOGAN: Through the Chair,  
25 Assistant Chief Logan. I would ask that Commander

1 Lewis, I believe that's in your command, would you get  
2 with her?

3 COMMANDER LEWIS: I sure will.

4 MR. DAVIS: Good evening. My name is Ken  
5 Davis. I'm the president of the Roselawn Block Club  
6 which extends from Curtis to 7 Mile. I'm also a member  
7 of the Bagley Community Council. I am here to mimic Don  
8 Johnson and speak about the community that I've been a  
9 resident of for 37 years. I did hear the statistics. I  
10 do understand the state of the economy and all those.  
11 But we are in a position especially in the Bagley  
12 community that encompasses Livernois to Wyoming, 7 to 6  
13 Mile and re-establishing our neighborhoods.

14 I had to talk to my community relations  
15 officer which is Shirley Bledsoe as we were  
16 reconstruction and rebuilding our block club because the  
17 community is no stronger than the residents that live in  
18 it. Without that help and the strain that I know is  
19 about to come on her as we pitch our reorganization of  
20 block clubs community building again, I'm here to kind  
21 of plead in that area of community relationships.  
22 Anything that you can do in that area to help us keep  
23 that is so important when the block clubs get together  
24 and they can call somebody and say, may you have a word  
25 with these people who are trying to come together, build

1 together, establish a relationship, create a  
2 relationship. And no one answered. Thus far, whenever  
3 you make that call, we always got an answer. We always  
4 get a response. That's something we don't want to lose.

5 CHAIRMAN WHITE: Thank you, Mr. Davis.

6 MR. STOKES: Good evening to the Board of  
7 Police Commissioners, Assistant Chief Logan. My name is  
8 Alvin Stokes. I'm the chair person of the 10th Precinct  
9 community relations. And we have a real concern. Right  
10 now, our community relations is pretty much down to  
11 nothing. We have three officers that have been put back  
12 on the street. We have one officer that's off sick. We  
13 have another one that's assigned to the mini station.  
14 So as far as working the street in as far as the  
15 community, we really have no one there as of yet.

16 We have a sergeant there that answers to us,  
17 which is fine. But our concern is the community  
18 relations you know. AC Logan, the Chief, they know all  
19 about community policing. We are there to assist the  
20 police. There's every issue that the citizens bring,  
21 they bring it to the police. Since I have been chair, I  
22 have been bringing in department heads that issues that  
23 are not police issues that other department heads can  
24 deal with it you know. That takes some pressure off the  
25 police department. But community relations is key to

1 this city. My biggest concern is the closing of the  
2 precincts. You're really closing the safe haven for the  
3 citizens. If I have an issue between 4:00 p.m. and  
4 8:00 a.m., I have no where to go.

5 If someone bumped my car, if a blue light  
6 pulls up behind me and I'm not comfortable with it, you  
7 have taught us to go to the nearest police station. But  
8 if that police station is closed, where am I to go?  
9 It's a concern to all of us as citizens of the City of  
10 Detroit. We are here to work with you, to help you. We  
11 are the eyes and ears for you. And we are doing our  
12 job. We just ask that you allow us to assist you in  
13 bringing this community back together. Thank you for  
14 your time.

15 CHAIRMAN WHITE: Thank you, Mr. Stokes. I did  
16 want to add a note of clarity. And Assistant Chief  
17 Logan may want to chime in as well. I'm quite certain I  
18 heard Chief Godbee emphatically say that while we have  
19 heard the news stories that talk about precincts being  
20 closed -- and I say, "closed," in quotations, I think  
21 what we are seeking to do is deploy the limited  
22 resources we have more effectively. Anyone can --  
23 correct me if I'm wrong, Assistant Chief -- who finds  
24 themselves in an emergency situation can definitely find  
25 a safe haven at a local precinct. While precincts may

1 be closed from a clerical standpoint, they are still  
2 fully operational 24 hours a day, seven days a week.

3 So let's make sure we carry the right message  
4 as we talk about how we move forward. And Assistant  
5 Chief Logan, please feel free to add anything to that if  
6 you would like.

7 ASSISTANT CHIEF LOGAN: I can't say it any  
8 more eloquently than you did, sir.

9 CHAIRMAN WHITE: Thank you, sir. Good  
10 evening.

11 MR. CALLOWAY: Good evening. My name is James  
12 Calloway. I'm president of Hogarth Circle  
13 Block Club. I just want to share just a couple  
14 incidents that did happen at the 12th Precinct that I  
15 was not pleased with. One had to do with a grandfather  
16 that came in and his grandson, kind of came in with the  
17 grandson. And the individual that spoke to him treated  
18 him as if he was nothing. I could give you much more  
19 information, but my -- I really was boiling over. I  
20 wanted to get up myself and say to that officer, that's  
21 not the way you treat a citizen that comes in with his  
22 grandson because I'm a grandfather myself.

23 Then there was another incident that came in  
24 recently. Being a member of the block club, I meet down  
25 at the precinct with them. But this was an individual

1 that came in -- and I came in rather to say to him,  
2 there's a car that's been on my block, and it's been  
3 there more than 24 hours. But before I could do that,  
4 he wouldn't even want to speak to me. And I said okay,  
5 if you want to treat me that way, okay. You don't get a  
6 chance to communicate if you don't -- 'gonna shut me  
7 out. And I said, this car has been out here. I kept  
8 talking. He finally let me in. And I said this car has  
9 been out there 24 hours or more. And all I wanted to do  
10 is report the car, what type of car it was, the license  
11 plate number of the car and see if it could get removed.

12 And my thinking simply is this here. I  
13 believe that we can work together better if we kind of  
14 have a little empathy and sympathy for those that come  
15 into the precinct. I did not come in to report anything  
16 but a car was missing. Block club president. What kind  
17 of relationship is that? Okay. God bless you. And I'm  
18 on patrol on Monday nights from ten to midnight. Amen.

19 CHAIRMAN WHITE: Mr. Calloway, before you  
20 leave, thank you. First let me thank you for all you do  
21 for the community and the 12th Precinct in your  
22 volunteerism capacity and also for the courage to come  
23 forward and share with us today these two incidents. I  
24 would like to ask before you leave today if you could  
25 speak with Lieutenant Leach who is right to your

1 immediate left following the meeting so he can insure  
2 that you have the proper procedures for this unfortunate  
3 incident which if you yourself wish or other individuals  
4 wish to file a complaint against a particular  
5 individual.

6 MR. CALLOWAY: No. Let's let bygones be  
7 bygones. But the point is there's a way to talk to  
8 people. If -- you don't talk to he like I'm trash. I'm  
9 a member of the -- former member of the 101st Airborne  
10 Division. And I'm in pretty good shape right now. I  
11 can get going in the morning. God bless you.

12 CHAIRMAN WHITE: Assistant Chief Logan?

13 ASSISTANT CHIEF LOGAN: Sir, Mr. Calloway, I'd  
14 ask that you see Inspector Alicia Terry from the 12th  
15 Precinct who is the head honcho over there. And she  
16 will assure that nothing like this ever happens again.  
17 Also I'd like to let you know that I was in the 82nd  
18 Airborne Division.

19 CHAIRMAN WHITE: Good evening.

20 MR. JOHNSON-EL: Good evening, everyone. I am  
21 Kennis Johnson-El, district manager for Senator Coleman  
22 Young, II. He represents the 1st District. I'm here  
23 this evening -- first I'd like to say good evening to  
24 the Commission, Deputy Chief, Assistant Chief. I  
25 apologize. But I'm here for the citizens, we are.

1 Senator Young has the Northeastern community relations.  
2 He has Midtown, Harbortown, all these communities here  
3 and there. We had a meeting last night. The community  
4 is took back too. They had no knowledge of this. So at  
5 this stage, I would like to know about how long will  
6 this last with the precincts with all the officers being  
7 deployed? And also, the public as one brother just  
8 stated that left, those people in that community and  
9 those certain communities, the community relations  
10 officers, they are not comfortable maybe talking with  
11 another officer. They're depending on those officers  
12 that they became acquainted with over the years because  
13 in those community relations.

14 So, the problem that's faced with the  
15 situation in the community, they were going to those  
16 people and their community relations meeting to handle  
17 those problems. Also, as I stated, we were talking  
18 about the community relations, the communication. They  
19 feel they're deprived. I need some answers on how long  
20 will this last. And also as we stated, how can we  
21 address it?

22 As the senator did point out, we got to rally.  
23 A lot of the answers to some of these issues will be  
24 residency. We need our officers back, the officers that  
25 live out. Some of you might take offense. But we need

1 all the officers that live out of the community back in  
2 the community. And if you could help me or how long  
3 this process will be taking, please, with the precincts  
4 closing and officers being deployed, how long will that  
5 last?

6 CHAIRMAN WHITE: Thank you. We'll ask if  
7 Assistant Chief Logan can respond to that? And  
8 Assistant Chief, I'm not sure if utilizing the term  
9 precincts closing any longer -- I think that's a  
10 misnomer and is misleading individuals. So, is there  
11 another term that we are calling what we are doing with  
12 this precinct process?

13 ASSISTANT CHIEF LOGAN: Sir, through the  
14 Chair, as we speak, not right now but obviously we've  
15 got to come up with a different nomenclature for what we  
16 are trying to do.

17 CHAIRMAN WHITE: And the sunset if you will,  
18 on the sunset if you will on all how this new format  
19 will move forward?

20 ASSISTANT CHIEF LOGAN: We don't anticipate a  
21 sunset until we see a sunrise on our economic plight.  
22 These are some of the things that we have to do to  
23 utilize what limited resources that we have. So, to say  
24 it's going to end next month or next year, it's  
25 difficult to say.

1                   CHAIRMAN WHITE: Thank you, AC. And I'll just  
2 use Northeastern as an example. If you had that  
3 emergency and you went to -- and I will ask you to use  
4 your own judgment. Many of us who are residents in the  
5 City of Detroit would love to see that white and blue  
6 car come drive down your neighborhood on a regular  
7 basis. So the question we have to ask ourselves is in  
8 an economy with declining resources and a situation  
9 where public safety represents 45 to 50 percent of the  
10 city's budget and it's clear that the Mayor has asked  
11 all departments to have reductions, sooner or later you  
12 have to begin to look at it -- we're not going to take  
13 officers off the street. How do we do things? And they  
14 say that necessity is the mother of invention.

15                   So while we are doing things smarter, the goal  
16 isn't to decrease the services to the community or the  
17 citizens but to increase those services to the citizens.  
18 And that's why I wanted to be certain, Assistant Chief,  
19 that as we look at the terminologies that we are using  
20 because if we walk out of here as the message carriers  
21 who have the information, there are a lot of people who  
22 will not have the information. As far as they know,  
23 they turn on 2, 4 or 7 or pick up the Free Press or the  
24 Detroit News. They hear officers laid off, precincts  
25 closing. And both could be none further than the truth.

1           So, we have to be the armor bearers of truth  
2           and go forward, as we move forward. But I know it's  
3           misleading when we say precincts are going to close. I  
4           heard restricted access over there. And even that is  
5           not as creative as I would like to be. But anyway, I  
6           digress. Good evening. Yes, Assistant Chief?

7           ASSISTANT CHIEF LOGAN: I'd just like to make  
8           one other point. Before we got to this point, we did  
9           exhaustive studies. We have looked all around the  
10          country. And this is not anything that we started.  
11          There are a number of cities that limit the access to  
12          the buildings at night. We did our own independent  
13          study. We looked at a particular district back in the  
14          summer for a two-week period. We had five or six  
15          officers in that station. They don't have prisoners.  
16          For a two-week period, not one citizen came in the  
17          station, not one.

18          Now, you tell me what those officers were  
19          doing from midnight to eight in the morning? So, we've  
20          got to utilize the limited resources that we have. I'm  
21          sorry. There's no other way to put it.

22          CHAIRMAN WHITE: Thank you. But before  
23          Ms. Hatcher speaks, Commissioner Warfield?

24          COMMISSIONER WARFIELD: I just want to say  
25          this to the citizens because I think it's important that

1 you all understand that we know the gravity of the  
2 situation that we are in. I feel and understand your  
3 pain as relates to not being able to access the police  
4 stations. Whether you change the nomenclature, whether  
5 you call it closed, whether you call it restricted  
6 access, the issue is still the same. You cannot go to  
7 the desk and access help like we used to. You can put  
8 whatever spin on it you want to. If someone is running  
9 with an emergency, you don't have time for somebody to  
10 get up and come and unlock the door and let you in.

11 I hope that at the end of this trial period,  
12 this 30-day trial period, that we come up with something  
13 just a little bit better. If that means that we have  
14 to use our academy graduates, which is what -- we take  
15 them through that process to be better partners with us.  
16 But there has to be something that allows the citizens  
17 of this City to feel like some part of their tax dollar  
18 is working.

19 When we look at -- and we know we are in bad  
20 shape. We know what the numbers are. We understand  
21 that. But I hope this 30-day trial period is just that,  
22 a 30-day trial period where we understand what learnings  
23 we may get from it. And if there are adjustments that  
24 need to be made, where we bring in again, you know,  
25 citizens that we have trained to come in to answer the

1 phone and keep the cops on the street but to answer the  
2 phone and do other things. So and even if it's to  
3 direct citizens to telephone banks inside of the station  
4 and maybe that course calls for some union concessions,  
5 well that needs to happen if that's the case.

6 But literally at the end of the day, if I'm in  
7 trouble, and if I don't have my help on me, I want to  
8 run into a police station. And I don't want to be told  
9 use the phone on the wall because at the end of my two  
10 weeks or month, however I get paid, I don't tell you to  
11 use the phone on the wall to collect my tax dollars, to  
12 pay salaries. That's all I'm saying. We got to be I  
13 think just a little bit more accommodating to the  
14 overall voice that we are hearing as extensions of the  
15 citizens of the City to say we understand the  
16 predicament that we are in. But we got to come up with  
17 a better plan.

18 This is a good start maybe. But it cannot be  
19 the final plan if throughout and across the City we're  
20 hearing the citizens that put us in the positions that  
21 we are in saying I need to get inside. And I don't  
22 think that's asking too much. We just got to figure out  
23 -- and I think there's enough great minds in this room  
24 and on the department to figure out how do we get  
25 citizens inside, keep them safe and yet at the same time

1 keep our officers on the street. And I think we can do  
2 that because the buildings -- the lights ain't going  
3 off. The electricity is not being turned off. So we  
4 are not saving money that way.

5 And so, if we can come up with a better  
6 alternative, I think that's what we need to direct our  
7 energy to. Thank you, Mr. Chair.

8 CHAIRMAN WHITE: You're welcome. Good  
9 evening.

10 MS. HATCHER: Good evening. I'm Evangelist  
11 Dora Hatcher. And Honor to the Board, to our Assistant  
12 Chief. I stand here tonight to say that I agree with  
13 you, Reverend Warfield, Mr. Johnson. The Northeastern  
14 District is where I'm from. The president is Miss  
15 Jackson sitting back here. We have asked and e-mailed  
16 constantly our Chief to ask him -- we are graduates of  
17 the citizens police academy -- if we could answer phones  
18 or whatever we could do that would help out. Now, it  
19 has been brought to my attention that maybe the union,  
20 police union would not allow this. I don't know. But  
21 if you trained us and you take us over whatever needs to  
22 be done in an office -- I'm crazy but I ain't stupid. I  
23 retired from the corporate medical world. So, I do know  
24 how to do customer service. I love people. I know how  
25 to interact with them.

1 I say this. When you're out there, you ought  
2 to be able to deal with from the president to the crack  
3 head. And I think I can. And I had an incident where I  
4 had to go into Northeastern one time, and it was after  
5 5:00 because my neighbor at that time that I own the lot  
6 now, he threatened me. So I'm a senior. And I'm like  
7 you. I have my CPL. And I told the Chief the other  
8 day, I don't want to have to drop nobody because I can't  
9 get in the police station.

10 MR. CUMMINGS (Phonetic): Good evening Board,  
11 good evening our officers here from the Detroit Police  
12 Department. My name is Marcus Cummings. I'm a board  
13 member for the Schaefer 7, 8 Lodge Association. And on  
14 behalf of our president Luther Blackman and our vice  
15 president, Mr. Don Johnson, we would like to thank the  
16 police department for the hard task that they have and  
17 the jobs that they do. I'm here -- in fact today, we  
18 actually had a PTA meeting at our neighborhood school,  
19 Brown Elementary. It was brought to my attention -- and  
20 this has happened before -- that one of our neighbors  
21 who lives right across the street from the school had  
22 her home broken into.

23 Now, while this is unfortunately common in  
24 most urban areas, it was disturbing to me to find out  
25 that when her neighbors called the police department

1 because the assailants were still on the property for  
2 about 15 minutes, there was not a car to show up to  
3 catch these guys. Now, we do understand and we have a  
4 good -- great relationship with Sergeant Bledsoe. And  
5 we understand the constraints that the police department  
6 has. But our problem is we can't get these folks out of  
7 our community when we call. And we -- sometimes we  
8 catch them in the act. And sometimes I have shown up --  
9 and I'm a big guy -- and tried to hold them for as long  
10 as possible. But unfortunately I can't stay there all  
11 day.

12 Now, one example. I was at work actually. I  
13 used to work for the City of Detroit. I was at work.  
14 Neighbor called. I shot to her house as quickly as  
15 possible. Unfortunately the guys were already gone.  
16 Now, I tried to console her and to let her know, you  
17 know, the police department is under heavy constraints.  
18 Whatever I can do, whether it's buy lighting, whether  
19 it's even patrol myself around her house. And these are  
20 things that we are doing. And the consensus here that  
21 we have is what else can we do to help? And that's the  
22 main focus that we at Schaefer 7 and 8 and we at many  
23 other community organization would like to know what we  
24 can do, whether -- because like we said, like the pastor  
25 said, we are not trying to drop nobody. But we are

1 trying to make sure that these folks know that the  
2 police will show up when we call. And that's our main  
3 focus, and that's our main concern. I thank you all for  
4 this time.

5 (Applause)

6 CHAIRMAN WHITE: Thank you. Good evening.

7 MS. PAYNE: Good evening. My name is Edith  
8 Lee Payne. I am on the executive board of the 12th  
9 Precinct police community relations. I had a couple of  
10 things that I wanted to say with regard to the cost.  
11 And well first of all, let me say this. It may help the  
12 community if you share with us since the stations have  
13 been disabled if you will, whatever word you want to use  
14 for that period, how many cars are on the street now?  
15 If you can give us an increase and we can say that. And  
16 we need to be able to say that; not just that, but we  
17 need to be able to hear that. I'm sorry. But that's  
18 what we need to hear. As a result of this, this is  
19 what, community, you're getting. And we are not hearing  
20 that. So, if that's available, I'd love to hear it.

21 The other thing I wanted to share with you is  
22 that the research analysis and development and the law  
23 department of the City have prepared cost recovery  
24 ordinances for both the fire and the police. They have  
25 been repeatedly presented to public health and safety

1 committees, specifically to Mr. Brown, the Chair. They  
2 have not yet got on the agenda. I have been asked to  
3 provide something to AC Tolbert, which I'll be doing  
4 tomorrow. But for some of the costs, I have done  
5 numbers for the fire department and all the calls that  
6 they have made. And they can garner over 4 million  
7 dollars if the cost recovery ordinance is done. I will  
8 work with the police department to see what they're  
9 doing. So you can do the same thing because obviously  
10 that needs to happen. But if you have those numbers for  
11 the cars that are now on the street, we will know how  
12 much more safer we are, we'd love to hear that.

13 CHAIRMAN WHITE: Thank you, Ms. Payne. I'll  
14 defer to Assistant Chief Logan. I know the Chief at the  
15 press conference put out numbers as relates to the type  
16 of positions that were being re-used and how that gives  
17 us officers on the street. If you could elaborate on  
18 that, please?

19 ASSISTANT CHIEF LOGAN: To give you a for  
20 instance, if we can find a hundred more officers to put  
21 on the street, just 100 more, that equates to over  
22 33 cars in a 24-hour period. So, it takes -- when you  
23 factor in days off and what have you, you need really  
24 three officers to work a scout car; although there's  
25 only two. If you want to make sure it's running every

1 day, you factor in three. So, if we can come up with a  
2 hundred officers, that's 33 more scout cars that are out  
3 there in the streets of Detroit.

4 And it goes back to what this gentleman was  
5 saying. When you call the police, many times it takes  
6 so long; and they don't come. And that's what we have  
7 been hearing for a number of years. And really the  
8 situation is getting worse. It's not getting any  
9 better. There's an old nautical term or old Navy term  
10 that says all hands on deck. Ladies and Gentlemen,  
11 right now all hands have to be on deck. There's no  
12 getting around it. We are going to be starting our  
13 Inside Out again not this coming Monday but next Monday.  
14 And that plan will mean that every -- virtually every  
15 person on this department will be on patrol, every  
16 single one because that's how critical these times are.

17 So, when we talk about community relations,  
18 when we talk about the abandon car officer, no matter  
19 who we talk about, all hands have to be on deck.

20 MR. CALLOWAY: Forgive me, sir, but you don't  
21 give out --

22 CHAIRMAN WHITE: Sir, if we -- not from the  
23 audience.

24 MR. CALLOWAY: Don't give out pertinent  
25 information, please.

1 CHAIRMAN WHITE: Yes, ma'am.

2 MS. WEBB: Good evening. My name is Carla  
3 Webb, and I'm the vice president of City Wide community  
4 relations organization and former president of the  
5 Southwest District police community relations  
6 organization. Throughout all the things that we have  
7 said today, it seems the biggest thing that we need to  
8 go through is that communication is lacking. And that  
9 seems to be the key about everything that's gone on. We  
10 may use semantics about what's going on. But whether  
11 the officer is inside or outside, whether the door is  
12 looked or not locked, it's a matter of access. So, you  
13 have to communicate what you're doing, when you're doing  
14 it and how you're doing it to the citizens so that they  
15 understand because when people know, they're more  
16 cooperative and receptive to change. It's as simple as  
17 that.

18 Now, one of the biggest things we talk about  
19 is using technology. For example, when you talk about  
20 your schedule and someone not knowing about these  
21 meetings, the people who know are there every week. But  
22 3:00, at 1300 versus 6:30 on Livernois and 6 Mile, two  
23 different issues. You have a website. It needs to be  
24 updated, just like you put the minutes out, just like  
25 you put America's Most Wanted out. Put it on the

1 website. Everything that you do can be put on the  
2 website. Your techs can do that. So, utilize the  
3 services that you have to keep people informed and  
4 communicate. And get the community's input when you're  
5 talking about making changes. Don't do it after it's  
6 announced by the media that already knows before we know  
7 because they are going to get it twisted. And all it  
8 does is hype people up and get them mad before anything  
9 has even happened.

10 So, control your message before it gets out.  
11 And that way your public isn't upset when they have  
12 already had some input and they know what's coming down.  
13 That's it.

14 CHAIRMAN WHITE: Thank you.

15 (Applause)

16 CHAIRMAN WHITE: Assistant Chief, Miss Webb  
17 did bring up a very valid point. Is there an effort or  
18 a strategy if you will that entails communicating the  
19 proper information out to the citizens?

20 ASSISTANT CHIEF LOGAN: Through the Chair,  
21 yes, sir, there is. What we -- it was my belief that we  
22 had provided talking points through all the executives  
23 on the department so they could take that message back  
24 to the community, how critical what we are trying to do  
25 is. But we will definitely reinforce that because

1 there's certain talking points that we definitely want  
2 to get out to our community.

3 CHAIRMAN WHITE: I definitely think it would  
4 be to our advantage and particularly with our community  
5 relations councils who are on the ground. I don't know  
6 if there exists but definitely would recommend that we  
7 have some communication mechanism, whether it be e-mail,  
8 Facebook, something that is cost effective and  
9 definitely in a timely manner that would allow us to  
10 disseminate pertinent information, truthful information,  
11 to combat some of the myths that is being put out by the  
12 media. So definitely if that can be created or  
13 strengthened to whatever degree it may currently exist,  
14 I think this would also work to our benefit.

15 Good evening, sir.

16 REVEREND BUSH: Good evening. I am Reverend  
17 Bush, Sr. I'm associate minister at Little Rock  
18 Christian Baptist Church. And I'm also a chaplain for  
19 DPD. I have toyed with the idea of looking at making  
20 the churches -- and you got many thousands of churches  
21 here in Detroit -- as block clubs and radio patrol  
22 centers. That would be using all the resources  
23 available to assist the police department and getting  
24 the control of the crime in the communities. It's a  
25 thought. A community organization with leadership

1 within the police department could look at doing that.  
2 And these churches have a lot of problems with crime you  
3 know. We have assaults, robberies and carjackings and  
4 also break-ins to automobiles. And if you use them  
5 along with the neighborhood associations -- I have been  
6 active in neighborhood associations in my neighborhood  
7 community organization. And we have -- I'm from the  
8 Grandmont community. I have been active both on the  
9 board there and the PTA and the neighborhood patrol, and  
10 the attendant Grandmont Community Association. So we  
11 have done a heck of a job of addressing the crime  
12 problem throughout the community. And this is a way the  
13 churches could deal with assisting the police department  
14 in their communities. And there are many churches all  
15 over the City. And every block has two or three  
16 churches on it. So if we can use churches as a  
17 resource, we can do lot of things.

18 CHAIRMAN WHITE: Amen. Thank you. Good  
19 evening.

20 MS. PANNELL: Good evening, Board and  
21 Assistant Chief Logan. My name is Sharon Pannell. I'm  
22 from Barton-McFarland and the Detroit Civilian Police  
23 Academy. I joined Detroit 300 last week. I'm  
24 interested in the Inside Out. Every time I ask about  
25 it, they tell me we don't know. It's on the east side.

1           What about the west side? We need help on the west  
2           side. That's all I want to know about.

3                       CHAIRMAN WHITE: Thank you, Ms. Pannell.  
4           Assistant Chief?

5                       ASSISTANT CHIEF LOGAN: Miss Pannell, please  
6           be patient. I think you're going to be pleased in the  
7           next couple weeks, okay?

8                       MS. PANNELL: You been telling me that for six  
9           months. I'm tired of waiting.

10                      CHAIRMAN WHITE: Good evening.

11                      MS. SMITH: Good evening to my Commissioners  
12           and to my Chief, Assistant. I was going to add it on,  
13           to my Assistant Chief. I'm going to be very brief. I  
14           have heard quite a few complaints from the various  
15           neighborhoods and relationships that they have with the  
16           police department. I guess I'm the only one that's  
17           blessed and fortunate because I live in Midtown. So I  
18           don't need to tell you what goes on there. Across the  
19           street from me is the Sheriff's Department. And then on  
20           maybe about a couple of miles from me is the Wayne State  
21           Police. And then I have also on the Boulevard, maybe  
22           about six miles from me is the Central Department,  
23           Central Police. So I think I'm very blessed.

24                      But what I do want to tell you, we have had a  
25           decrease in the crime in our area. And I don't know if

1 it's because of the fact that you have this new system  
2 in mind. But the fact is that I'm very grateful and the  
3 citizens in my area are very grateful. I'm a member of  
4 the citizens council there. So, we have been discussing  
5 the response of the police department in every avenue.  
6 So, again, I say I am blessed. And I do hope that the  
7 citizens in the various neighborhoods would keep up with  
8 the meetings of the Police Commission Department because  
9 we have it every Thursday. And if it's possible for you  
10 to be down there at 3:00, we would love to have you.

11 And this way you can be able to complain or  
12 get results from your complaints because we do have  
13 officers that's in the back which I'm very familiar  
14 with. And they will take care of your every need. I  
15 assure you on that. So, please, take advantage of your  
16 Police Commission meetings on Thursdays at 3:00 if it's  
17 possible for you to find a parking space down there. We  
18 will make sure you get one even if you have to pay for  
19 it.

20 Again, I thank you. Oh, by the way, one more  
21 thing. You were speaking about block clubs and how you  
22 want to combat crime. I will be through, Brown, in one  
23 minute. How you going to combat crime? We of the 300,  
24 Detroit 300, is having a block club. I left some of the  
25 flyers back there. We're having our annual block club

1 fair in March. February, I'm sorry, maybe the 9th. And  
2 everything that you have asked about combatting crime  
3 and getting your block club together, we will discuss  
4 this. And it's going to be held at Northwest. We have  
5 it -- this is our second annual year for it. So please  
6 come out. And we will be feeding you because I'm going  
7 to be on the kitchen. So come on out and have some food  
8 with us. 5:30 until.

9 CHAIRMAN WHITE: Thank you. Good evening.

10 MS. McCANTS: Yolanda McCants from the  
11 Northeastern District. I would just like to ask if we  
12 could give our commander who is retiring a couple  
13 minutes of silence in her transition of retiring. She  
14 also has lost her mother. And I don't know. I guess  
15 I'm just a family person. If you lose your mother, you  
16 have lost your best friend. So, I would like to know if  
17 we could just give her a couple minutes of silence,  
18 please. Thank you. And I would like to know if our  
19 commander has been replaced.

20 CHAIRMAN WHITE: Thank you, Ms. McCants.  
21 Assistant Chief Logan?

22 ASSISTANT CHIEF LOGAN: Through the Chair,  
23 Assistant Chief Logan. I don't believe her last -- we  
24 are making reference to Commander Debra Fair. But I'm  
25 not certain exactly what her last working day is. Her

1 coffee gig is the 20th. But I think it might be the day  
2 -- one day next week. She will be replaced probably  
3 within the next week or so. But right now, you've got  
4 two fine gentlemen over there, Inspector Sroka and  
5 Inspector Allen. And they will make sure the ship stays  
6 afloat until we get a commander over there.

7 CHAIRMAN WHITE: Thank you, AC.

8 MR. ERRIGO: Good evening, Board, Assistant  
9 Chief. Greg Errigo, E-r-r-i-g-o, president and owner of  
10 Michigan Auto Recovery. We're a police impound yard for  
11 the City of Detroit, proud to be such. The other day I  
12 found out the Assistant Chief said all hands on deck --  
13 and I agree a hundred percent there -- our ABAN  
14 officers, they made them put a blue slip in and put him  
15 in a scout car. Now, the tow yards depend on our ABAN  
16 officers as well as the citizens because ABAN officers  
17 are somewhat of hands on deck because they go and find  
18 abandoned cars that are there for blight and crime  
19 around blight. And sometimes that car could be used in  
20 an RAUDA (phonetic) or a crime or whatever. You know,  
21 it's sitting there and he runs it, what have you. So he  
22 is helping cases by finding ABAN's and/or RAUDA's and/or  
23 stolen recoveries or whatever it may be. But he's all  
24 hands on deck in this sort of a manner that he is  
25 cleaning the streets up and solving maybe crimes that

1 there's a crime downtown. They're looking for this car,  
2 and it's sitting there. By taking our ABAN officer off,  
3 we can't process any paperwork as tow yards because our  
4 ABAN officer processes our paperwork. So, evidently --  
5 not evidently. As a way of having it, sometimes these  
6 cars that we get in our yards, we have all our proper  
7 paperwork for our officers, but they're not recovered.  
8 By giving our paperwork every week or every ten days  
9 that we're supposed to do for downtown to our ABAN  
10 officer and our ABAN officer only, he corrects all them  
11 problems. We don't know what our yard entails until we  
12 have our ABAN officer come and do our paperwork, find  
13 the cars on the street. Crime revolves around blight.  
14 He is all hands on deck. He is on the street. He is in  
15 a car. But now they put him in a scout car. They made  
16 him put a blue slip in Monday, Assistant Chief, okay,  
17 and he's very very very distraught about it because he  
18 had everything perfect. He had the tow yards under  
19 control. We knew what our cars were. We had our  
20 paperwork back, and we revolved auctions. We moved  
21 things. He recovered things. He found people's  
22 property. Okay.

23 We need our ABAN officer, Assistant Chief.  
24 He's in a scout car fighting crime. But he can fight  
25 crime still the same way by assisting the Detroit Police

1 Department getting the ABAN's off the street. It's got  
2 to be done, sir. We need it. We need it awful bad. We  
3 have nobody to turn to now, nobody. Officer Kilgore is  
4 in a scout car pushing paper now. And he's very  
5 distraught about it, very very upset about it. He's a  
6 real good friend of mine. He is top notch. We need him  
7 in that way to move things and to keep the yards and  
8 everything going. And he would still be serving the  
9 City of Detroit. He would still be on the streets. He  
10 watches for everything. He's very very good. And  
11 please get him out of the scout car, put him back on  
12 ABAN's. We do need him. We don't have nobody to turn  
13 to.

14 CHAIRMAN WHITE: Thank you, Mr. Errigo.  
15 Assistant Chief Logan, maybe not so much as to staffing  
16 decisions but if you could, has the process for ABAN's  
17 been altered or changed? And if so, what is the new  
18 process going forward?

19 ASSISTANT CHIEF LOGAN: Through the Chair,  
20 Assistant Chief Logan. As Commissioner Warfield said,  
21 we're talking about a 30-day window where we'll take a  
22 look at the processes that are in place to see if they  
23 are in fact going to work. The abandoned car piece,  
24 there shouldn't be a problem. But I'll have Deputy  
25 Chief Ben Lee take a look at that. This is the first

1 time I have heard of a problem with the abandoned car  
2 officer. But that's something we will definitely take a  
3 look at.

4 MR. ERRIGO: Thank you very much, Assistant  
5 Chief. I appreciate it. Officer Kilgore is our ABAN  
6 officer. Thank you very much. Thank you.

7 MR. MOORE: Yes, sir. Good evening to the  
8 Board of Police Commissioners, to our Assistant Chief,  
9 Detroit's finest and to the family. My name is Edward  
10 Moore. I am the liaison of the Honorable Kwame  
11 Kenyatta, our Detroit City Councilman. What I've heard  
12 this evening pertaining to Don Johnson, pertaining to  
13 the community relations police officers. Now, what I  
14 have heard, that they are asking through the Chief and  
15 through the Board, they are willing to help us. We need  
16 all hands on deck like the Chief said. So we know that  
17 there are -- we do have a union. I come from Local 174,  
18 Barton Committee man. So I'm familiar with the UAW and  
19 all the unions that we do have in existence. But we  
20 also know that we are in distress and that we as  
21 citizens, Don Johnson and others who have spoke, said  
22 that they're willing to help. So however we can do it,  
23 Chief, you have the people that are willing to assist  
24 you. The union, my opinion, then speaking personally  
25 from myself and hopefully the Councilman feel the same

1 way, they will also have to recognize that we don't have  
2 the 3,000 or 4,000 officers that we had before. We only  
3 have over 2,000 and some officers as we speak. So, let  
4 the people who are willing to assist us, let them help  
5 us. Thank you.

6 CHAIRMAN WHITE: Thank you, Mr. Moore. Any  
7 other communications? Any other communications? Any  
8 other communications? Seeing none, again, please be  
9 mindful that the next Board meeting will be held  
10 Thursday, January 19th, at 3:00 p.m. That meeting will  
11 be held at police headquarters. At this time, there is  
12 no further business before this body. We would ask that  
13 a motion for adjournment be in order.

14 COMMISSIONER WARFIELD: Move to adjourn.

15 MS. TAYLOR: Second.

16 CHAIRMAN WHITE: It's been properly moved and  
17 supported. All in favor?

18 COMMISSIONERS: Aye.

19 CHAIRMAN WHITE: Opposed? Thank you. Have a  
20 good evening.
