1 Detroit, Michigan

2 November 8, 2012

3 About 6:49 p.m.

4 CHAIRMAN WARFIELD: Good evening. Welcome to  
5 the Board of Police Commissioners meeting. My name is  
6 Jerome Warfield, Chairman of the Board of Police  
7 Commissioners. Serving with me today is the Vice  
8 Chairperson of the Board of Commissioners, Jessica  
9 Taylor, as well as Commissioner Donnell White.

10 We're proud and pleased to have with us  
11 tonight our Interim Chief of Police, Chief Chester  
12 Logan. Sir, good to have you.

13 CHIEF LOGAN: Glad to be here.

14 CHAIRMAN WARFIELD: Also sitting at the table  
15 is our Board Secretary Mr. George Anthony. I'm going  
16 to ask Mr. Anthony if he'll introduce our staff that's  
17 present tonight.

18 SECRETARY ANTHONY: Thank you, Mr. Chair.  
19 For the record, George Anthony, Secretary to the Board.  
20 We have Ms. Pamela Davis Drake seated in front, she's  
21 our Chief Investigator, Ms. Loletha Porter Coleman, who  
22 is our Personnel Director, Ms. Celia Banks Washington,  
23 who is our Attorney to the Board, Mr. Robert Brown who  
24 is our Officer Manager, we also have Officer Dan  
25 Donakowski helping Sergeant Alan Quinn record our

1 proceedings, and Ms. Elizabeth Koller who is from  
2 Hanson Court Reporting Service. That concludes the  
3 introduction.

4 CHAIRMAN WARFIELD: Thank you, Mr. Anthony.  
5 At this point I'm going to ask if Pastor Chaplain  
6 Powell will come and lead us in our invocation?

7 PASTOR CHAPLAIN POWELL: Good evening, Board.  
8 Let us look to the Lord. Lord God of Grace, in the  
9 name of Jesus, we thank and praise you, Lord, for your  
10 keeping power and your blessing power, Lord, for  
11 blessing us, Lord God, to wake up today and to start us  
12 on our way.

13 Lord, as we come together and draw our minds  
14 asking you, Lord, just to bless this Board, bless our  
15 Chief. Look down upon our Mayor also, Lord, strengthen  
16 him, give him, Lord God, all that he needs. Help us,  
17 Lord God, to do your blessed will and help us, Lord  
18 God, to love you and to love your people.

19 Lord, asking you just to bless our Officers,  
20 Lord, as they do their jobs, Lord, on the streets  
21 today. Look down upon us, Lord God, strength us.  
22 Lord, let your blessing be upon us. Lord God, allow us  
23 to do your will. Help us, Lord God, to serve you. We  
24 thank you, Lord God. We praise you. We magnify your  
25 name. In Jesus name, amen.

1 AUDIENCE: Amen.

2 CHAIRMAN WARFIELD: Thank you, Chaplain, good  
3 to see you. We're so happy to be here at the Boys and  
4 Girls Club. And certainly we want to give thanks to  
5 the director here at the Boys and Girls Club,  
6 Miss Jackie Banks for her hospitality.

7 I don't know if she's here tonight. Is she  
8 here, by chance? She stepped out. When she comes back  
9 in let us know so we can acknowledge her and if she has  
10 any words we certainly want to hear from her.

11 At this time I'm going to ask if Vice  
12 Chairperson Commissioner Taylor will read the duties  
13 and responsibilities of the Police Commission.

14 COMMISSIONER TAYLOR: Yes, sir. The duties  
15 and responsibilities of the Board of Police  
16 Commissioners was created by City Charter July 1st,  
17 1974, composed of five members appointed by the Mayor,  
18 confirmed by City Council. Commissioners serve five  
19 year terms and may not serve more than five years  
20 consecutively, meets once a week 52 weeks out of the  
21 year. All meetings are open to the public.

22 The duties include establishing policy,  
23 rules, and regulations in consultation with the Chief  
24 and approval of the Mayor, review and approve  
25 Department budget, review and approve Department

1 promotions, receive and resolve complaints concerning  
2 the operation of the Police Department. Final  
3 authority to impose and/or review discipline of Police  
4 Department employees, appoint Civilian Personnel  
5 Director, prepares an annual report of Department  
6 activities for the public, Mayor and City Council.

7 Staff includes Executive Secretary who serves  
8 as the Secretary to the Board and attends all Board  
9 meetings, Chief Investigator, and additional  
10 Investigators, other staff as necessary to provide  
11 support to the Board. The Police Commission considers  
12 itself a liaison between the citizens of the City of  
13 Detroit and the Detroit Police Department.

14 CHAIRMAN WARFIELD: Thank you, Commissioner  
15 Taylor. At this time I'll entertain a motion to  
16 approve the agenda for tonight's meeting?

17 COMMISSIONER WHITE: So move.

18 COMMISSIONER TAYLOR: Second.

19 CHAIRMAN WARFIELD: It's been properly moved  
20 and supported without discussion. All those in favor?

21 COMMISSIONERS: Aye.

22 CHAIRMAN WARFIELD: All those opposed?  
23 Motion carries. I'll entertain a motion to approve the  
24 minutes from Thursday, November the 1st?

25 COMMISSIONER WHITE: So move.

1 COMMISSIONER TAYLOR: Second.

2 CHAIRMAN WARFIELD: All those in favor?

3 COMMISSIONERS: Aye.

4 CHAIRMAN WARFIELD: All those opposed?

5 Motion carries. Chairperson's Report. First of all, I  
6 want to say, good evening. Always good to be here in  
7 the great Northwestern District, which is always near  
8 and dear to me in my heart, so certainly good to see  
9 the citizens here tonight.

10 Like some of you, I watched the Mayor's press  
11 conference earlier today concerning a restructuring of  
12 top management and other procedural and administrative  
13 changes within the Department pending this Board's  
14 approval.

15 We agree with the Mayor that we need to do  
16 all we can to make our Police Department more effective  
17 and efficient in reducing crime. This Board wishes to  
18 thank and applaud the outstanding work of our men and  
19 woman in blue and all the work they have accomplished  
20 considering the tremendous challenges they face daily  
21 to do more with less.

22 They have made significant strides in  
23 challenging and changing the culture in this Department  
24 as relates to the dictates of our Consent Decree. They  
25 have been solid in performing their duties of

1 protecting and serving our citizens in spite of reduced  
2 and insufficient resources.

3 Like the Mayor, this Board is also focused on  
4 maintaining and improving the gains we've made under  
5 the Consent Decree without slipping backwards while  
6 we're in this transition period. We want to remind the  
7 public that we are in a transition period.

8 Three weeks ago we held an open form to  
9 engage the public and receive their input toward the  
10 hiring of a new Chief of Police. Two weeks ago we  
11 approved two companies to perform the search and  
12 assessment of potential candidates for the Chief's job.

13 To date these contracts have not been signed.  
14 This Board has done its due diligence and has upheld  
15 the mandates of the Charter, and we're now waiting for  
16 the City to do its part.

17 Today I heard on the radio the Deputy Mayor  
18 of the City, Kirk Lewis, state that it would be  
19 sometime in October of 2013 before a new Chief of  
20 Police can be selected. That is certainly in conflict  
21 with our time table. In speaking with the search and  
22 assessment firms it was our goal to have a list to the  
23 Mayor before Christmas of this year.

24 The second week in January would be the  
25 latest that we could get a list to the Mayor as relates

1 to potential candidates for the Chief of Police. That  
2 is why I became concerned while watching the press  
3 conference. We have a number of issues and significant  
4 issues on our desk that I believe and I hope we believe  
5 as a Board that needs to be metered out before we can  
6 consider a major ground sweeping reorganization of this  
7 Department.

8 First of all, we have two contracts on the  
9 table that need to be signed and we need to get on with  
10 the process of searching for a new Chief of Police.  
11 The Charter of the great City of Detroit mandates that  
12 when there is a vacancy it is the job of this Board to  
13 hire a firm to conduct that search. We have done our  
14 due diligence and now we need those contracts to be  
15 signed before we can move forward with anything else.

16 Secondly, earlier this year, late -- early  
17 last year this Board deliberated on and approved a  
18 budget, and in that particular budget there were not  
19 any budgetary items for three Assistant Chiefs of  
20 Police. We say, well, why three? Why you say three?  
21 Well, because the City Charter does not speak toward an  
22 Interim Chief of Police.

23 And so in promoting two individuals to Chief  
24 of Police we would in effect have three Chiefs of  
25 Police, and the Charter does not speak to Interim

1 Chief.

2 We as this Board do our very best to  
3 represent the citizens and the Officers in holding up  
4 and respecting that sacred document. In addition, we  
5 need to know where the money is coming from for these  
6 changes.

7 We need to know where's the money coming from  
8 to hire two additional Chiefs, where's the money coming  
9 from to promote additional Sergeants and Lieutenants,  
10 where's the money coming from to bring on a new academy  
11 class, where's the money coming from to do another test  
12 in order to promote more Sergeants.

13 The budget that we passed last year was a  
14 barebones budget that was additionally cut another  
15 \$75 million dollars. Our men and women in blue took  
16 significant cuts of salary as well as benefits and they  
17 have held a stiff upper lip. Councilman Brown,  
18 Councilman Tate, and others have commented to this  
19 Board as we sat at their table that this Department is  
20 very top heavy.

21 We need to look at before we can approve any  
22 sweeping changes of how we can put more Officers on the  
23 ground and as we're thinking about putting more  
24 Officers on the ground, thirdly, we hear that the  
25 Administration is considering opening impound lots to

1 take aban cars to, which is very disturbing considering  
2 we have a infrastructure in place that saves the City a  
3 considerable amount of money where we would not have to  
4 have Police Officers watching cars on lots. We need  
5 Police Officers on streets watching citizens instead.

6 (Applause.)

7 CHAIRMAN WARFIELD: In addition, we need to  
8 make sure that the items on our desk including the new  
9 towing process and the new towing fees are in place  
10 before we can consider this. Like the Mayor, we're  
11 concerned and we want to make sure that in this  
12 transition period that we maintain our focus on the  
13 Consent Decree.

14 And our men and woman in this Department we  
15 believe are still doing that to this day and we don't  
16 want to lose any ground in doing that, but at the same  
17 time we want to be fiscally responsible to the needs of  
18 this City and the citizens of this City, but more  
19 importantly we want to make sure that we uphold the  
20 Charter of this great City in which we have dictated  
21 to.

22 Let me say this in my comments, the Detroit  
23 City Charter was not a part of the Consent Decree.  
24 Therefore, we would not seek to violated it, we will  
25 not seek to circumvent it, nor, will we seek to

1 overlook what the dictates of the Detroit City Charter  
2 mandates that this Board does.

3 I am very proud of the men and woman in this  
4 Department from the Interim Chief down to the  
5 Street-Beat Officer. I have nothing against any  
6 Officer who was mentioned as relates to being promoted.  
7 Our interest, though, is to make sure that we do our  
8 due diligence and do the jobs that we have been  
9 appointed to do.

10 We are an appointed body to oversee the  
11 process. Now let me give one point of advice and I'm  
12 done. I believe it would have been helpful if the  
13 Mayor would have brought the information to us, allowed  
14 us to deliberate in front of an open forum such as  
15 this, come to a conclusion, give him our results, and  
16 then stand together as a unified public safety entity  
17 saying that these are the changes that need to be made  
18 instead of putting the cart before the horse.

19 I believe that, again, we need to support our  
20 men and woman in blue and we need to look at every  
21 opportunity to put more boots on the ground, to put  
22 more cars on the streets, and to put more cops in our  
23 neighborhoods, and that is my opinion.

24 Now having said that, I would say this, that  
25 I urge the citizens of the City to help us and support

1 us in making sure that the contracts for those  
2 companies and firms that we have voted on are signed  
3 and we can move this process forward. We would  
4 appreciate your help in that effort.

5 I would open it up to my colleagues if they  
6 have any questions or comments regarding my report.

7 COMMISSIONER TAYLOR: I don't have any  
8 comments.

9 COMMISSIONER WHITE: None.

10 CHAIRMAN WARFIELD: Thank you. At this time  
11 we'll go to the Interim Chief, Chief Chester Logan, for  
12 his report and his report coming from the Northwestern  
13 District.

14 CHIEF LOGAN: Through the chair, Interim  
15 Chief Logan. I'd like to call upon I believe Inspector  
16 Thomas is going to be giving the presentation for the  
17 Great Northwestern District. Thank you.

18 COMMANDER MCKISSIC: Good evening, everyone.

19 AUDIENCE: Good evening.

20 COMMANDER MCKISSIC: My name is Duane  
21 McKissic. I'm Commander of the Northwestern District  
22 which under my control is the 6th and 8th Precinct.  
23 The 6th Precinct which is commanded by Inspector Johnny  
24 Thomas, and the 8th Precinct which is commanded by  
25 Inspector Vicki Yost.

1           Tonight Inspector Thomas is going to give an  
2 overview of some of the wonderful things that we do on  
3 a daily basis to support the citizens of the City of  
4 Detroit, and he's also going to make some introductions  
5 of some staff personnel and he's going to present an  
6 award. At this time without further adieu I'd like to  
7 bring -- did I tell you all this is the great  
8 Northwestern District over here?

9           COMMISSIONER TAYLOR: We believe it.

10           COMMANDER MCKISSIC: The City is great but  
11 right now I'm talking about the Great Northwestern  
12 District and without further adieu I'd like to bring  
13 Inspector Thomas to present.

14           INSPECTOR THOMAS: Good evening, everyone.

15           AUDIENCE: Good evening.

16           INSPECTOR THOMAS: Before I get started, I  
17 would like to introduce members of my staff. Will you  
18 please stand? We have Officer Childrey Sims, Community  
19 Relations, D.S. Gray who is my daytime Special Ops  
20 Sergeant, Michael Gordon in the back there. The reason  
21 I want to introduce them is without them a lot of  
22 things I'm going to talk about would not be possible,  
23 so.

24           The 6th Precinct encompasses approximately  
25 16.08 square miles. It's bounded by the north by

1 Fenkell, the south by Ford Road, east by Greenfield,  
2 and the west by Telegraph. We have approximately  
3 82,000 citizens in the 6th Precinct. The precinct  
4 contains eight elementary schools, seven middle  
5 schools, and three high schools. Our community assets  
6 include 200 churches, 400 businesses, which include  
7 35 gas stations and 32 party stores as well as seven  
8 nursing and senior citizen homes.

9 Our Community Relations Department we deal  
10 with a lot of issues including we have our Community  
11 Officers go out and do Cops Read to Kids which is  
12 exactly what it is you go out to elementary and  
13 kindergarten and actually read books to children.

14 We also have Gruff the Crime Dog. Childrey  
15 Sims usually takes on that mantel. She did a very good  
16 job in October before Halloween. We went out to a  
17 couple elementary schools and tell kids about community  
18 involvement and safety and crime prevention.

19 We also have a law enforcement Explorers  
20 Program which deals with children between the ages 14  
21 and 21, and that's where children or young adults are  
22 interested in a career in law enforcement. We also do  
23 Operation Safe Passage, that's where we give special  
24 attention to the routes that kids take to and from  
25 schools to ensure they have safe routes to schools.

1           We also have a senior awareness program. We  
2 go out and we talk to the seniors about different --  
3 just tell them how to be safe. We also discuss  
4 different scams that go out there so they will not be  
5 duped by some unsavory individuals trying to get their  
6 money.

7           We also have a program that we're doing for  
8 the holiday season on the 1st and 15th of the next two  
9 months. We're actually going to retirement homes.  
10 We're conveying citizens to the banks and to the  
11 grocery stores because usually around the holiday  
12 seasons where they start to pick up and prey really  
13 heavily on our seniors, so we're trying to prevent that  
14 from taking place.

15           Also if there's some seniors that want to be  
16 involved or, we have Mike Gordon in the back there so  
17 he can give you the information and we can see if we  
18 can get you into that program. We also have  
19 approximately 45 active organized community groups and  
20 block clubs. In addition we have a city patrol, our  
21 senior patrol. At this point we have 12 patrols. We  
22 are trying to increase that number to 25.

23           We have retired Sergeant Joiner here who will  
24 be taking any applications that anybody of the  
25 community groups that wants to be involved, even if an

1 individual wants to be involved. We are actively  
2 pursuing increasing that number.

3 We have also have Buoy 6 which was founded in  
4 1994 that's where the business owners come together  
5 with the children and add different programs where we  
6 take the kids so that they can see, you know, do some  
7 things that they may not normally do.

8 We also have people who are victims of  
9 breaking and entering. We send out our Officers to do  
10 security surveys to help target and harden their homes  
11 to improve and lessen the chance of a repeat B&E.

12 Right here I'm just going to talk about some  
13 of the work the men and women of the 6th Precinct do.  
14 These are the stats for the year-to-date. As of today  
15 we have made a 1,147 felony arrests, 1,392 misdemeanor  
16 arrests, we've detained 186 juveniles. We've  
17 confiscated 189 handguns, 64 long guns, giving us a  
18 total of 253 guns as well as they investigated 1,277  
19 male and 948 females.

20 That's a brief synopsis of what we have  
21 accomplished this year at the 6th Precinct. If anyone  
22 has any questions I'd be more than happy to answer?

23 CHAIRMAN WARFIELD: Are there any questions  
24 from the Board?

25 COMMISSIONER WHITE: Inspector, as it relates

1 to year-to-date for 2012, how does that compare to 2011  
2 numbers?

3 INSPECTOR THOMAS: We're up actually in all  
4 categories at this point. I don't have the exact  
5 numbers. We're up in arrests approximately 100,  
6 investigations probably a couple hundred.

7 COMMISSIONER WHITE: As it relates to I  
8 believe you mentioned 35 gas stations and 32 party  
9 stores, from the data I've seen there's been a spike in  
10 terms of crime perpetrated particularly at gas station?

11 INSPECTOR THOMAS: Right.

12 COMMISSIONER WHITE: Have you seen that  
13 within the Northwest District and, if so, what are some  
14 of the things being done to curtail that?

15 INSPECTOR THOMAS: Well, actually there is a  
16 spike just about city-wide. And what we do is we do a  
17 lot of patrols in those areas. We have Officers get  
18 out and go talk to the gas station owners. We  
19 encourage them to get video. We encourage them to --  
20 this partnership is a little better because a lot of  
21 things that are occurring if we had a more open  
22 communication line we'd probably prevent some of things  
23 that are going on.

24 COMMISSIONER WHITE: Okay. Thank you,  
25 Mr. Chair.

1 CHAIRMAN WARFIELD: Thank you.

2 CHIEF LOGAN: Through the chair, Interim  
3 Chief Logan. Inspector, would you just touch on the  
4 Beautification Program that you had going on in the  
5 precinct?

6 INSPECTOR THOMAS: Right. We partnered with  
7 actually quite a few agencies. Home Depot was the main  
8 contributor in which we actually redid the entire  
9 precinct just about. We painted the inside. We  
10 replaced the ceiling tiles. They refurbished the  
11 kitchen. Actually the kitchen almost is better than  
12 the kitchen at my house. I might just move in.

13 It was very tremendous. The citizens came  
14 out and showed a lot of appreciation. At the end we  
15 had a dinner in which everybody who was involved,  
16 including the Officers. The Officers are very happy.  
17 I think that the environment that you come to work in  
18 has a lot to do with how you operate throughout the day  
19 and I think it has played a considerable improvement in  
20 the mindset of some of the Officers.

21 CHAIRMAN WARFIELD: Inspector Thomas, can you  
22 give us a phone number the citizens can contact if  
23 they're interested in CB patrols and some of the other  
24 services?

25 INSPECTOR THOMAS: Well, I'll give them my

1 number. They can just called 596-5610, that's my  
2 administrative office and we will refer you to  
3 whichever organization you would like to join.

4 CHAIRMAN WARFIELD: And that number is  
5 596-5610. Thank you, sir.

6 INSPECTOR THOMAS: Thank you.

7 CHAIRMAN WARFIELD: Anymore questions? And  
8 certainly we want to acknowledge Inspector Yost as well  
9 who does a great job over there, as well. Thank you.  
10 Commander McKissic, anything else?

11 COMMANDER MCKISSIC: Nothing, sir.

12 CHAIRMAN WARFIELD: Thank you, sir. A couple  
13 questions, Chief, that we have. We, of course, have  
14 heard of a demotion of two Officers or two Officers  
15 within the Department. Without going into a great deal  
16 of detail, of course, were these demotions due to  
17 discipline or some other actions?

18 CHIEF LOGAN: They were due to, I can't say  
19 discipline. It was due to their conduct. The  
20 discipline hasn't been adjudicated yet. The actions  
21 were so egregious that we had to act on it.

22 CHAIRMAN WARFIELD: Great. Thank you, sir.  
23 Any other questions for the Chief? All right. At this  
24 time we will move on down to New Business and there's a  
25 Resolution that we want to honor one of our citizens

1 here in the great Northwest District. I'm going to ask  
2 if Commissioner White will introduce our Honoree and  
3 call her forward, please.

4 COMMISSIONER WHITE: Is Ms. Hambrick with us  
5 this evening? Please come forward with us.

6 (Applause.)

7 COMMISSIONER WHITE: Commissioners and  
8 members of the Detroit Police Department and community,  
9 before us is a Resolution honoring Ms. Cheryl Hambrick.  
10 The resolution reads: Whereas Cheryl Hambrick is a  
11 proud lifelong resident of the City of Detroit who  
12 resides within the Northwestern District.

13 Ms. Hambrick is member of Gesu Church,  
14 Detroit where her life is enriched with Christian  
15 teaching, and whereas, Ms. Hambrick is an active member  
16 and president of the Warren Avenue Community  
17 Organization. Ms. Hambrick's dedication was  
18 exemplified as she assisted in organizing Motor City  
19 Cleanups which included cutting grass and cleaning  
20 abandon businesses on Warren Avenue.

21 Despite being robbed and shaken up during the  
22 cleanup effort she refused to let this ordeal to take  
23 away her passion for caring for her neighborhood. And  
24 whereas, Ms. Hambrick has always been involved in  
25 community relations and dedicated to improving

1 neighborhood safety and quality of life. She was  
2 involved in getting 98 houses boarded up in her  
3 community.

4 (Applause.)

5 COMMISSIONER WHITE: Through this effort the  
6 neighborhood was stabilized and these homes are now  
7 available for sale to new homeowners. This has also  
8 made it safer for kids going to and from school. And  
9 whereas, a loyal public servant, Ms. Hambrick's  
10 community devotion has been consistent throughout her  
11 lifetime.

12 In 2012 she received first place for Most  
13 Organized Neighborhood Association as well as numerous  
14 awards from Wayne County Commissioners, Wayne County  
15 Clerk, Detroit 300, and Citywide Block Club for her  
16 community service.

17 Her life's combined philosophy is pay it  
18 forward because I believe you get what you give in  
19 life, and I do believe what goes around comes around.  
20 Now therefore be it resolved, that the Detroit Board of  
21 Police Commissioners speaking on behalf of the citizens  
22 of the City of Detroit and the Detroit Police  
23 Department acknowledge the dedication of Ms. Cheryl  
24 Hambrick.

25 Her highly displayed commitment to community

1 service and her ability to build sustainable community  
2 partnerships merit our highest regard.

3 We thank and congratulate you, Ms. Cheryl  
4 Hambrick. Signed the Detroit Board of Police  
5 Commissioners, adopted and dated this day of  
6 November 8th, 2012. Congratulations.

7 (Applause and photos were taken.)

8 INSPECTOR THOMAS: Could I have Councilwoman  
9 Brenda Jones come up to help present this award?

10 MS. HAMBRICK: Thank you.

11 COUNCILWOMAN JONES: We have the Spirit of  
12 Detroit Award to present to a citizen who has  
13 definitely done her share in her community. And it  
14 reads, the Spirit of Detroit is presented herewith as  
15 an expression of the gratitude and esteem of the  
16 citizens of the City of Detroit to Mrs. Cheryl Hambrick  
17 in recognition of exceptional achievement, outstanding  
18 leadership and dedication to improving the quality of  
19 life and is signed by all nine councilmen and we truly  
20 appreciate your work in the community.

21 (Applause and photos were taken.)

22 CHIEF LOGAN: Last one, last one for the  
23 night. The Detroit Police Department, this is a  
24 certificate of recognition to Ms. Cheryl Hambrick,  
25 resident of the City of Detroit in appreciation for the

1 following outstanding service and cooperation for your  
2 involvement in the community and services to the City  
3 of Detroit that demonstrate a spirit and commitment  
4 that is worthy of recognition.

5 And for the first time, I can say I signed  
6 this, Chester Logan.

7 (Applause.)

8 CHAIRMAN WARFIELD: Outstanding.

9 MS. HAMBRICK: I don't have a speech, but I  
10 just want to thank you guys from the bottom of my  
11 heart. You know, they say that it takes a village to  
12 make a neighborhood and I've always believed in that,  
13 and nothing, absolutely nothing couldn't have been done  
14 without so many people in our neighborhood and there's  
15 so many people that I just, I can't thank you enough.

16 And it's because of these people that just  
17 keeps me going and I just want to thank you very much  
18 for this. You know, I just never in my wildest dreams  
19 expected this because, you know, you just do things  
20 because you do them. And there are some just givers  
21 and takers and it's just who I am and that I just --  
22 I'm out of words. I just thank you so very much.

23 (Applause.)

24 CHAIRMAN WARFIELD: At this time I will ask  
25 if Commissioner Taylor will move a motion to receive

1 this Resolution?

2 COMMISSIONER TAYLOR: I would like to approve  
3 the motion to receive the Resolution for Ms. Cheryl  
4 Hambrick.

5 COMMISSIONER WHITE: Support.

6 CHAIRMAN WARFIELD: It's been properly moved  
7 and supported that we will receive this Resolution and  
8 it will be a part of our permanent archives of the  
9 Police Commissioners, therefore, being a part of the  
10 history of the great City of Detroit.

11 All those in favor of said motion?

12 COMMISSIONERS: Aye.

13 CHAIRMAN WARFIELD: All those opposed?  
14 Motion carries. Again, Ms. Hambrick, congratulations  
15 and thank you so much and your neighbors and friends  
16 and supporters for just an outstanding excellent job in  
17 what you do. Amen.

18 There is no Old Business on our agenda today.  
19 I do want to announce that our next meeting will be on  
20 Thursday, November 15th, 2012, 3:00 p.m., at the  
21 Detroit Police Headquarters, 1300 Beaubien, downtown,  
22 beautiful Downtown Detroit.

23 At this time we're going to open up our floor  
24 for oral communications from the audience. If you  
25 could indulge me for a moment. I see an honored guest,

1 the Honorable Brenda Jones, Councilwoman Brenda Jones,  
2 and I'm going to ask if she has anything she would like  
3 to say to come first at this time?

4 COUNCILWOMAN JONES: It is an honor to be  
5 here with you all today just to hear the Police  
6 Commissioner's report, hear the President's report, and  
7 just awaiting to see what's happening.

8 CHAIRMAN WARFIELD: Bless you. Always good  
9 to have you and see you, ma'am. At this time the floor  
10 is open. If you wish to address the Board of Police  
11 Commissioners and the Detroit Police Department, if you  
12 have questions or comments you may come to the mic,  
13 give us your full name first and last. We ask that you  
14 abide by our two-minute rule so we can hear from as  
15 many people as possible. You may come at this time.

16 MR. MCGUIRE: My name is Pat McGuire,  
17 Sergeant of Arms to Warren Avenue Community Center.

18 CHAIRMAN WARFIELD: I'm sorry, sir, would you  
19 say your name for us one more time. Our reporter  
20 didn't hear it.

21 MR. MCGUIRE: Pat McGuire.

22 CHAIRMAN WARFIELD: Thank you.

23 MR. MCGUIRE: I'm Sergeant of Arms for Warren  
24 Avenue Community Center. There was a report given  
25 tonight about 1,147 juveniles. I'm just wondering is

1 that a curfew violation? Because to me there's a lot  
2 of kids that are out after ten o'clock every night on  
3 Warren Avenue and I'm just wondering if we're  
4 emphasizing the curfew or are we just doing it around  
5 Halloween or certain times of the year we do it or how  
6 it's working because there should be a lot more than  
7 1,147.

8 CHAIRMAN WARFIELD: Thank you, Mr. McGuire.  
9 Assistant Chief, would you like to respond to his  
10 question?

11 CHIEF LOGAN: Sir, if I could, I'd like to  
12 direct that question to Commander McKissic.

13 COMMANDER MCKISSIC: Yes, sir, we run a  
14 curfew operation in the 6th Precinct as well as the 8th  
15 Precinct. We have particular specific cars designated  
16 to that operation. Off the top of my head I believe  
17 we've detained 180 something juveniles to date -- 189  
18 juveniles to date, that is a daily operation that we  
19 are undertaking.

20 Any time that any of our citizens have a  
21 particular emerging issue that they see that we are not  
22 aware of they can always forward that information to us  
23 either at our front desk or to our front office at  
24 596-5610 and we will take action on their concerns.

25 CHAIRMAN WARFIELD: Mr. McGuire, does that

1 answer your question?

2 MR. MCGUIRE: Yes.

3 CHAIRMAN WARFIELD: Thank you, sir. Are  
4 there others? Yes, ma'am, sure, come on down.

5 MS. WEBB: Yes, sir, I have a comment. My  
6 name is Marie Webb. I've been broken into three times  
7 this past summer, and as it was I called the 911. They  
8 referred to me crime reporting, an Officer took my  
9 information down as to what was stolen and what I felt  
10 was stolen, and nothing after that come of it.

11 I asked the Officer on the phone, I said, is  
12 someone coming out to see the damages? No. And he  
13 said, I've given you a number, he said, and that's to  
14 report to your insurance company. Well, that was the  
15 first break-in, that was at the end of May.

16 Second break-in came along August 1st, same  
17 thing happened. They give you the crime reporting and  
18 nothing took place. So the next break-in just several  
19 weeks back October the 20th, I thought, well, I'm going  
20 to the 6th Precinct, maybe I can speak to someone  
21 across the desk. So I entered the station and there's  
22 an Officer there, he said, how might I help you? And I  
23 said, well, I'm here to report a break-in.

24 He pointed like this. And he said, well,  
25 there's a telephone there on the wall, he said, they'll

1 give you a number. At that point I turned to him and I  
2 said, you know, I been through this twice already, that  
3 telephone there on the wall is not going to do me a  
4 thing.

5 He said, well, I'm sorry, that's our  
6 procedure, you go ahead and report to crime reporting.  
7 I said, well, I don't care for your procedure. I said,  
8 the hoodlums are still out on the street and we suspect  
9 that is the neighborhood suspects the house in  
10 particular where there at are squatters. And I've been  
11 broken into the three times. There's a lady here been  
12 broke into once. Several neighbors around me have been  
13 broken into.

14 They know who we are. I happen to live  
15 alone. When my car's out of the yard, I'm gone. Oh,  
16 hey, little old lady's gone. We've got opportunity  
17 here to break in. They kicked in the back door twice,  
18 and the front door. My latest break-in was the front  
19 door. The kicked in the front door.

20 Folks, I don't know where to go from here  
21 other than to move and the move possibly will be just  
22 to walk away. I do not own the home. The home has  
23 been in the family for a good number of years, and I'm  
24 going to walk away because I have no protection at all.  
25 And with walking away I might say this, they'll be

1 another burned out boarded up aluminum siding tore off  
2 for my neighbors to look at.

3 So I have no further comment. I don't know  
4 what to do that this point.

5 CHAIRMAN WARFIELD: Well, Ms. Webb, first of  
6 all, thank you for coming and sharing that with us, and  
7 certainly we are sorry that your house has been broken  
8 into those many times. We're even more concerned about  
9 the lack of response that you have received.

10 MS. WEBB: Exactly.

11 CHAIRMAN WARFIELD: So here's what we're  
12 going to do. Certainly I'm sure the Chief wants to  
13 talk to you, but after that I want you to talk to our  
14 Chief Investigator because we want to get some more  
15 information about your interaction directly at the  
16 station, and so we want to get some information with  
17 that, as well.

18 And I just have a question for the Chief,  
19 what is policy and procedures as relates to sending  
20 techs out to the scene to dust for prints where there  
21 may be evidence there?

22 CHIEF LOGAN: Through the chair, Interim  
23 Chief Logan. That should have been followed up on.  
24 But, ma'am, before you go what I need you to do,  
25 Commander McKissic, I need you to get with this young

1 lady and see what her problem is and report back to me  
2 by next Wednesday so I can report back to the Board  
3 your findings.

4 She indicates that the suspects live the  
5 neighborhood.

6 MS. WEBB: Yes, they do.

7 CHIEF LOGAN: So there's something we can do.

8 MS. WEBB: Yes, you can.

9 CHIEF LOGAN: I need you to follow up on that  
10 and I'll report back to the Board next Thursday.

11 CHAIRMAN WARFIELD: Thank you, sir. Let me  
12 say this, too, because I had an opportunity to meet  
13 with the Wayne County Prosecutor and in talking with  
14 her and certainly I know we are resource challenged  
15 right now, but certainly the more we can get techs out  
16 to the scene to possibly capture some fingerprints or  
17 some trace evidence and put that into the database it  
18 helps significantly in capturing these individuals and  
19 tracking them down.

20 So I just hope on the Department's end, I  
21 know we're resource challenged, but if we can send out  
22 techs as much as possible it'll stop the multiple  
23 break-ins I believe at one structure like this.

24 MS. WEBB: Well, might I say this, though.

25 CHAIRMAN WARFIELD: Yes, ma'am.

1 MS. WEBB: As it is I don't know as the techs  
2 would possibly gather fingerprints because, you know,  
3 I've touched things and put things back.

4 CHAIRMAN WARFIELD: Well, if they would have  
5 came when you called.

6 MS. WEBB: Well, absolutely, had they had  
7 come, oh, yes.

8 CHAIRMAN WARFIELD: That's what I'm talking  
9 about. Yes, sir.

10 CHIEF LOGAN: Through the chair, Interim  
11 Chief Logan. The fact that your prints would naturally  
12 be at your house, so we can still send evidence techs  
13 out. Your fingerprints will be there all the time.  
14 Yours can be eliminated. We might come up with some  
15 evidence there.

16 MS. WEBB: Because another thing I might add  
17 is they took literally my jewelry boxes. I have no  
18 jewelry but my Timex watch and I had some very nice  
19 things having traveled abroad and bought things. I  
20 tell you they made a mint on me, believe me they did.

21 CHAIRMAN WARFIELD: Well, we thank you for  
22 coming and we will follow up with you. Thank you,  
23 Ms. Webb.

24 MS. WEBB: Thank you.

25 COMMANDER MCKISSIC: Do you mind if I would

1 make a comment, sir, piggyback on what the young lady  
2 was discussing? Again, Commander McKissic,  
3 Northwestern District. All of our employees they're  
4 not perfect employees. Sometimes they have -- don't  
5 put our procedure out and give our citizens the proper  
6 service that they deserve.

7 And any time that any of our citizens feel  
8 that is an issue an even if they just want to come in  
9 and just talk to the Commander they can feel free to do  
10 it. Our Inspectors as well as Commander McKissic has  
11 an open-door policy. They're often times citizens as  
12 well as citizen groups come in and my Officers will  
13 have an impromptu meeting and we sit down and discuss  
14 concerns in the community and come up with solutions to  
15 the best of our ability.

16 So when have situations like this we  
17 shouldn't have to go months, weeks, whatever that  
18 timeframe is. As soon as you have that issue come in  
19 and see if we can hash that out right away. Maybe this  
20 is an arrest that we could have made on B&E 1 and 2.  
21 I'll just put that out there.

22 CHAIRMAN WARFIELD: Let me say this, I think  
23 that's wonderful. I'm glad you said that because  
24 you're absolutely right. Sometimes, you know,  
25 citizens, maybe I'm not satisfied with the level of

1 help they received at the desk. But it might be  
2 helpful if maybe you posted a sign to say that if  
3 you're not satisfied please call me, put your name and  
4 number on that sign by the desk, and so the citizens  
5 will know there is another step in the process to get  
6 their concerns answered.

7 Because the issue is when citizens are  
8 already violated in their home, when the citizens feel  
9 they're not getting the proper response either by way  
10 of call and then they come in and then our -- someone  
11 will feel like they've been turned away and justifiably  
12 so, you know, they don't feel empowered at that point.  
13 I don't think to ask for, who's your supervisor? Why?

14 Because somebody sitting across that desk  
15 with a gun and badge may with a good, bad, or  
16 indifferent attitude don't know at the time. But I  
17 think it would be helpful to say, to see a sign with  
18 your statement on it if you're not satisfied call me.  
19 Just a suggestion. Thank you, sir.

20 COMMANDER MCKISSIC: It sounds like a great  
21 suggestion, sir. I'm going to take my seat now. Feel  
22 free to call me, come in, talk to me.

23 CHAIRMAN WARFIELD: You can come up to the  
24 mic.

25 MS. PANNELL: Good evening, my name is Sharon

1 Pannell.

2 CHAIRMAN WARFIELD: Good evening.

3 MS. PANNELL: I think that the citizens don't  
4 know about the relations, the community relations  
5 person at the Police Department. If they get familiar  
6 with that then they'll get some kind of response. I  
7 know my community relations person. They know me.  
8 Just about all of you all know me. So that's all I'm  
9 saying is you got to know the person in charge at the  
10 police precincts.

11 CHAIRMAN WARFIELD: Stay right there for a  
12 minute, Ms. Pannell, because, and just give me one  
13 minute to say this, Ms. Pannell started to come to our  
14 meetings about a year and a half ago.

15 MS. PANNELL: Two years ago.

16 CHAIRMAN WARFIELD: Two years ago, on a  
17 regular basis because she was not getting the response  
18 from the Police that she had desired. But since then  
19 she's built significant rapport and relations with  
20 Deputy Chief Turner and her Community Relations  
21 Officers there at the station on the northeast side of  
22 the City of Detroit.

23 And I just stand her up as an example of  
24 citizens that get engaged and get involved because it  
25 take citizens and the police to form a policing

1 community. And so I thank you. Because, I mean, we  
2 saw you from day one to now and I'm telling you just  
3 your response --

4 MS. PANNELL: I'm 2nd Precinct.

5 CHAIRMAN WARFIELD: I'm sorry, 2nd.

6 MS. PANNELL: But, no. The reason I got  
7 involved is I worked for 35 years for a company. I  
8 raised two boys by myself. They're professionals. My  
9 house got broke into. My boys ain't --

10 CHAIRMAN WARFIELD: Right.

11 MS. PANNELL: And I refuse to let somebody  
12 come back up in my house and take my stuff again. I  
13 don't have much, but I want to keep it. And I don't  
14 want to run. I don't want to be one of the 47 percent  
15 of people leaving. I'm not really. Was that the man  
16 that was running for president talking about that?

17 But anyway. I'm trying to stay in Detroit.  
18 I want to keep my stuff, too.

19 CHAIRMAN WARFIELD: Amen.

20 MS. PANNELL: And when I call 2nd Precinct  
21 somebody comes.

22 CHAIRMAN WARFIELD: Thank you, Ms. Pannell.  
23 We call that righteous indignation.

24 MS. PANNELL: Thank you. I appreciate the  
25 comment.

1 CHAIRMAN WARFIELD: Yes, ma'am.

2 MS. MOSLEY: Hi, my name is Demetris Mosley.  
3 This is my first time to a meeting and I'm going to  
4 keep coming after this. I fell a victim. I've been in  
5 Detroit, born and raised in Detroit, 17 years in my  
6 house. First time they broke in was 2010, three times  
7 in five months.

8 The second time I fell victim was I was  
9 harassed by Detroit Police Department. I respect  
10 everything they do. I love them. They do a lot for  
11 me. But this particular night me and my son was  
12 harassed. We were so harassed I had to call somebody  
13 to come sit with me because I was so angry.

14 My son is a student. As a result of this I  
15 have to fly him here next week for a court date,  
16 another court date a week later, and then bring him  
17 back the week before Christmas. Three times for  
18 nothing. When I tell you they wrote him for everything  
19 they could think of they did it.

20 I'm still angry and frustrated. But I pay my  
21 taxes. I do what I do. If he gets pulled over he  
22 knows what he's supposed to do and so do I. And I just  
23 think that it's just unexcusable behavior because  
24 nobody should have to tolerate that. They wouldn't  
25 want their son or their daughter, their mother, treated

1 like I was treated.

2 And I just want to be heard because now we  
3 got to fight to get him here from Alabama then get him  
4 back. He's missing school. I'm missing money. And  
5 it's ridiculous.

6 CHAIRMAN WARFIELD: First of all, thank you,  
7 Ms. Mosley for coming. We do hope to see you at future  
8 meetings. We certainly want you to see our Chief  
9 Investigators. But before you leave my -- before this  
10 meeting is over see myself or Commissioner White.

11 MS. MOSLEY: Okay.

12 CHAIRMAN WARFIELD: Maybe we can do something  
13 to talk to a judge to see if we can alter the schedule  
14 that your son comes --

15 MS. MOSLEY: He comes in Tuesday evening for  
16 the first court date.

17 CHAIRMAN WARFIELD: Maybe we can set  
18 something up where his court dates are scheduled on his  
19 breaks. I know, you know, that some judges actually  
20 are able to do that, are able to delay their dates from  
21 when they're already going to be here so you won't have  
22 to go through the extra expense of that, okay. So talk  
23 to us afterwards we might be able to help with you  
24 that.

25 MS. MOSLEY: Okay. Thank you.

1 CHIEF LOGAN: Through the chair, ma'am. I'm  
2 trying to get an idea where this occurred at?

3 MS. MOSLEY: It was on Myers between Fenkell  
4 and Linden.

5 CHIEF LOGAN: What kind of -- sounds like you  
6 got tickets, your son got tickets?

7 MS. MOSLEY: And I got a ticket, too, for  
8 interfering.

9 CHIEF LOGAN: What kind of ticket?

10 MS. MOSLEY: He got a ticket for blocking  
11 traffic, no proof of insurance and registration, which  
12 I keep in the car. It was something -- you know, I  
13 have a little cover on my plate. He got written for  
14 that. And it was a matter of five minutes because when  
15 he dropped me off -- see, the Police Officer didn't see  
16 him drop me off.

17 I was standing on the sidewalk and he was  
18 waiting on a pedestrian to walk across the street and  
19 he pulled off. He flicked his lights. By the time I  
20 got to my child they had him in handcuffs, searched my  
21 whole car, had everything just out, you know.

22 My ticket -- because when I got there I said,  
23 excuse me, what happened? What'd he do wrong? And he  
24 told me get back in the car with my friend which I did.  
25 Then asked me to get out the car and wrote me a ticket

1 for interference.

2 CHIEF LOGAN: Deputy Chief Wells, I believe  
3 this occurred on your side of the City. Would you get  
4 with her and see exactly what transpired that evening  
5 and here again report back to me preliminary findings?

6 CHAIRMAN WARFIELD: Thank you, Ms. Mosley.

7 MS. MOSLEY: Thank you.

8 CHAIRMAN WARFIELD: Yes, ma'am.

9 MS. HAMBRICK: Cheryl Hambrick. I just want  
10 to piggyback on what this woman here said regarding our  
11 Officers. We know that they work so hard. And the  
12 thing is I go to lot of the meetings where McKissic is  
13 and he never ever ever leaves that meeting without  
14 giving his telephone number to each and every person on  
15 the speaker for everybody to hear.

16 I've emailed on several occasions Inspector  
17 Yost, and she, I mean, not everybody can email, but she  
18 likes to get emails because she never loses them, you  
19 know, and she will get back to you, I mean, like right  
20 on the money.

21 Officer Gordon, I had to be in contact with  
22 him on quite a few occasions and he has always replied.  
23 The thing is, you know, that we have -- I live, you  
24 know, behind that woman that was up here earlier and  
25 there were three house on her street, there were eight

1 on my block on St. Mary's that were, that had gotten  
2 broken into.

3 And my question is is if you have to actually  
4 make the report on the phone or, you know, and I had to  
5 take people down there because some of them were Arabic  
6 descent and didn't want to get involved and I had to  
7 literally take them down there. They didn't speak good  
8 English. They didn't want to do the call in and stuff,  
9 you know.

10 But when you get broken in does somebody  
11 actually have to come out and do an investigation or is  
12 just a report that they do because if you're just  
13 giving in reports and calling this information how are  
14 these people supposed to be, you know, caught if there  
15 no fingerprinting or anybody comes out to followup on  
16 that? So what is the criteria for that.

17 CHAIRMAN WARFIELD: Chief?

18 CHIEF LOGAN: Through the chair, Interim  
19 Chief Logan. I would ask that Commander McKissic would  
20 step to the mic and address her concerns.

21 COMMANDER MCKISSIC: Like I say, there is  
22 some times that call going into telephone crime  
23 reporting that information comes into the Investigators  
24 and the information coming down to our Patrol Officers.  
25 However, a lot of the information that as we reviewed

1 reports we deploy our personnel according to activity  
2 and then that activity we call the various threshold  
3 areas. So if we have those threshold areas that are  
4 having a spike in crime that's where we deploy our  
5 personnel first and foremost.

6 We still deploy everywhere, but that's our  
7 focus of attention where we have the most concern. Now  
8 when we have those concerns which that's why I like to  
9 have as much face to face with my citizens as I can  
10 because information comes out through those  
11 conversations that I can do specific enforcement. I  
12 can have people looking for particular descriptions. I  
13 can have people doing various things.

14 Because most of the times when you have  
15 break-ins in your neighborhood, not all the time, but  
16 most of the times it's someone who lives around there.  
17 And most often times the people that live around there  
18 know who it is. I mean, it's not usually new people  
19 coming and doing that.

20 So if we're able to have that dialog we can  
21 have a more surgical approach to neutralize whatever  
22 those issues are. Just a report is a portion of our  
23 system, but it's not the whole system. The other  
24 portion of the system is the followup the Investigators  
25 do as well as our personnel.

1 CHAIRMAN WARFIELD: So to answer her  
2 questions, Commander, that someone should come out even  
3 after the report's taken?

4 COMMANDER MCKISSIC: Someone should come out,  
5 but they're not going to come out in every instance  
6 unless there is some followup information that we can  
7 work on. If no one sees anything, hears anything,  
8 there are no fingerprints, nothing's been disturbed  
9 that minimizes, but the more information that we are  
10 able to garner in those reports then we know how to  
11 deploy our personnel.

12 CHAIRMAN WARFIELD: Since this is a secret  
13 community meeting right now, nobody here but us, what  
14 can the citizens do especially when they're  
15 experiencing a plethora of break-ins, what can they do  
16 to make sure that somebody comes out?

17 COMMANDER MCKISSIC: Yeah, if it's not on our  
18 radar then do like I said before and call us, call us  
19 in the precinct. Call me in my command. Call 596,  
20 again, 5610 and give us that information. Citizens  
21 like I say, if it's a group of folks that's having  
22 issues such as that, they bring it to our attention  
23 because sometimes we have other things that we're  
24 focusing our attention on and may not bring it us to  
25 that at the time. If they bring it to our attention

1 we'll follow up on it.

2 CHAIRMAN WARFIELD: Thank you, sir,  
3 appreciate it.

4 CHIEF LOGAN: Commissioner, through the  
5 chair, Interm Chief Logan. I also very briefly would  
6 like to bring Commander Bob Ennis to the mic to confirm  
7 and amplify. He's in charge of our Investigators.

8 COMMANDER ENNIS: Through the chair,  
9 Commander Robert Ennis from Criminal Investigations  
10 Bureau. The protocol for ordering or utilizing  
11 evidence techs for home invasions is that when the home  
12 invasion occurs the report is generated, the evidence  
13 techs should be notified and they would then respond by  
14 calling the complainant, setting up a date and time  
15 which would be immediately if possible, if not, then  
16 the next day.

17 In the instance where you have repeated home  
18 invasions that first home invasion has a detective, if  
19 that individual is victimized a second time, a week as  
20 in what the young lady was describing, that home  
21 invasion for that second crime should also be assigned  
22 to the same detective and that's normally, that's what  
23 we always do.

24 If you've got someone who's been victimized a  
25 third time then obviously that rises to an incredible

1 amount of scrutiny within Investigative Ops, within  
2 Special Ops and within the command. We don't always  
3 pick that up because of the number of home invasions we  
4 may have. But normally what will happen is and what  
5 we're training our Investigators to do is when they  
6 have a home invasion for Mrs. Jones on whatever the  
7 street, Joy Road, they will go in and query our system  
8 to see or ask Miss Jones when they do their interview,  
9 have you had any other home invasions, how did they get  
10 in, what was the information, and use that. It's all  
11 part of an investigative process.

12 So anytime you have multiples they always go  
13 or should always go to the same Investigator, so I  
14 don't have three different Detectives working on a home  
15 invasion. Because normally as the young lady was  
16 saying criminals who do home invasion do them within a  
17 particular geographical area, and it's normally an area  
18 where they either live in or they frequent all the  
19 time.

20 We have civilian techs and we got funding  
21 years ago for civilian techs to do nothing more than do  
22 evidence gathering for fingerprinting and for B&Es and  
23 for home invasion and for auto theft, and they are  
24 available and they will dust.

25 We get an incredible amount of what we call

1 AFIS hits which are fingerprint hits, and we do an  
2 incredible amount of prosecutions that doesn't get out  
3 to the community at all that often. But it does happen  
4 we get a lot of hits on fingerprints. And just like  
5 the Chief said we do elimination prints. So if I go in  
6 and I get four sets of prints off a glass and off a  
7 table and off something's that knocked on the floor, we  
8 eliminate everybody. We eliminate the kids. We  
9 eliminate the victim. And then we isolate that until  
10 we get that hit and we frequently get serial B&E  
11 persons from those particular home invasions.

12 And if I have home invasions in a particular  
13 block, all right, then we absolutely need to coordinate  
14 that investigation within that particular squad so that  
15 we absolutely locate and coordinate with our Special  
16 Ops Unit.

17 CHAIRMAN WARFIELD: Chief, if I can press the  
18 envelope just a little bit? Commander Ennis, so if,  
19 again, in the situation of Ms. Webb, she's calling and  
20 no one responded is it possible to give just for the  
21 few citizens we'll give them a number to call in order  
22 that they might get some Investigators out to the  
23 scene, a Detective out to scene? Is there such a  
24 number we can give out they can call to follow up on  
25 that?

1           COMMANDER ENNIS: Yes, sir. They can call my  
2 office, Criminal Investigation Bureau 596-2035.

3           CHAIRMAN WARFIELD: 596-2035. Thank,  
4 Commander, appreciate that.

5           COMMANDER ENNIS: You're welcome.

6           CHAIRMAN WARFIELD: Amen. I'm sorry,  
7 Commissioner White?

8           COMMISSIONER WHITE: Through the chair,  
9 Chief, if we could at least I think this might be a  
10 good litmus test in terms of checking balances when  
11 certain things are happening, this is probably a very  
12 unique case, but when one individual has multiple  
13 break-ins. I also heard mention that there's a series  
14 of things that are going on in that block and I think  
15 she said it was three or four down her block, eight on  
16 the block behind, so I would just be curious to see if  
17 there was the same Investigator or different  
18 Investigators, if an evidence tech ever made it out to  
19 her location?

20           I'd just like to get a totality of her  
21 picture just so we can use this in terms of how this  
22 approach is working. I know you moved to this  
23 telephone crime reporting opportunity to streamline.  
24 This is a perfect example to see if, in fact, service  
25 is being rendered to our citizens to the degree it

1 should be.

2 CHIEF LOGAN: Yes, sir.

3 CHAIRMAN WARFIELD: Thank you, thank you.

4 Are there any other comments tonight?

5 MS. SMITH: Good evening. Bernice Smith,  
6 Political Activist. Your report to the Commissioners,  
7 your report in regards to the news conference that the  
8 Mayor did this afternoon, I'd taken some notes down and  
9 what I'm really surprised about is it really feasible  
10 for him to take, what, over six months to make a  
11 decision in regards to the Chief? Was there anybody  
12 questioning him afterwards in regard to it or is this  
13 his way of saying he's going to take his time until  
14 after the election?

15 CHAIRMAN WARFIELD: Well, you know, the  
16 interview that I heard earlier on the local radio  
17 station is was the Deputy Mayor --

18 MS. SMITH: Kirk?

19 CHAIRMAN WARFIELD: Yes, it was the Deputy  
20 Mayor, Mr. Lewis, who indicated that he believed it  
21 would be into October before a new Chief would be on  
22 staff. Again, that's not our timeline.

23 MS. SMITH: I wished I'd known this morning  
24 he was on the air.

25 CHAIRMAN WARFIELD: Our timeline is very

1 specific. We know that we could have gotten if it was  
2 posted last Friday like we had scheduled we could have  
3 got a list to the Chief by the 21st of December.

4 MS. SMITH: I know we spoke about it at our  
5 meeting. Remember you said it's going to be within two  
6 weeks or better?

7 CHAIRMAN WARFIELD: We still can get a list  
8 of qualified candidates that have been vetted in the  
9 process by at the latest the second week of January if  
10 we move forward and get the contract signed, so that  
11 gives that individual an ample amount of time to be on  
12 the job.

13 The question is and the comment is, well,  
14 it's costly and expensive. Well, it is not as costly  
15 and expensive as hiring two assistant chiefs.

16 MS. SMITH: Yeah, I don't understand that. I  
17 wrote that down, yeah.

18 CHAIRMAN WARFIELD: I just think we need to  
19 keep things in perspective.

20 MS. SMITH: And by the way, my suggestion was  
21 to keep Chief Logan in this position forever unless he  
22 decides to retire again which I hope he doesn't. And  
23 by the way, Chief Logan, you kept something from us. I  
24 understand you got a beautiful wife sitting over here.

25 Ms. Logan, would you introduce yourself so we

1 can see who you are? I'm sorry, anyway, I'm sorry, I  
2 don't want to take over your spot. But, Chief,  
3 congratulations. I'm glad that you brought her among  
4 us so we can get a chance to see who your mate is, and  
5 I approve. You know me, I tell the truth.

6 CHAIRMAN WARFIELD: Bless you. Good to see  
7 you, Ms. Logan. God bless you.

8 MR. STIDHAM: Good afternoon, Mr. Chair,  
9 Commissioners, Chief, Assistant Chief. Tom Stidham.  
10 And a couple weeks ago, Mr. Chair, we learned that the  
11 Department had initiated a new initiative to tow  
12 vehicles to the impound yards. I know the Chief or  
13 Assistant Chief when the Board questioned them last  
14 week or two weeks ago had ask for some additional  
15 information.

16 I was just wondering if we could get an  
17 update on the status of that initiative or if it's been  
18 quashed or placed on hold or what the alternatives are?  
19 Thank you.

20 CHIEF LOGAN: Through the chair, Assistant  
21 Chief Logan. I will ask Inspector Wilson to come from  
22 our staff to report out on this.

23 INSPECTOR WILSON: Inspector Charles Wilson,  
24 Chief of Staff, Chief Logan. As it relates to that  
25 there was actually an initiative coming out of the

1 Mayor's office. And I don't know if you guys are aware  
2 or not but municipal parking handles their own towing.  
3 So we were looking to try to replicate that same  
4 process for police towing.

5 But Commissioner Warfield has been at the  
6 table offering alternatives to avoid having to go to a  
7 process which would require DPD to have Police Officers  
8 still involved in towing. So as of this point we're  
9 exploring other alternatives that would pretty much  
10 allow us to keep the towers in place and move away from  
11 having to use Officers again in towing. So right now  
12 it's still kind of at a standstill. Nothing has moved  
13 forward.

14 CHAIRMAN WARFIELD: Thank you, Inspector  
15 Wilson. And I know you have been meeting with the  
16 Administration as well on this issue. And I'm glad  
17 she's here tonight because it was Councilwoman Brenda  
18 Jones who had encourage us, the Board and the towers  
19 and purchasing to go into locked door session, if you  
20 will, and try to work something out. We believe we  
21 did.

22 The only problem is what we have worked out  
23 has not been acted upon, and not been move forward.  
24 And certainly I have a great deal of concern with that  
25 especially when I still hear rumors that the Department

1 is going to use or the Administration, someone is  
2 thinking about using a pilot program to take cars,  
3 abandon vehicles and tow them to an impound lot.

4 As I told the Mayor in a private conversation  
5 that when you use an impound lot that means Officers  
6 whether they are active duty or nonactive duty will  
7 have to sit there and watch cars sitting in the lot.

8 And we think that is a poor resource, poor  
9 use of public resources. As you said I think so well  
10 that it's our job to try to get Police Officers moving  
11 away from the towing business. And so, you know, in  
12 your meetings, and I'll continue to go to in my  
13 meetings, to encourage the Administration not to open  
14 up any impound lots because we already have a physical  
15 structure in place where aban vehicles can be towed to  
16 and it has more than been adequate to handle the job.

17 INSPECTOR WILSON: Right. And the only thing  
18 I would pretty much say is at all the meetings we call  
19 Detroit Police Department we don't really have a dog in  
20 the fight. A lot of these decisions as you are aware  
21 of are being made much above my pay grade and above the  
22 Chief's pay grade.

23 So if there's anything to be done as far as a  
24 pilot program it will be something that will be coming  
25 from the Mayor's Administration, not from the Chief's

1 Office. And as of this point the last discussions that  
2 we had was everything was at a standstill right now.

3 CHAIRMAN WARFIELD: Unfortunately if that  
4 happens we will issue injunctions to stop it.

5 INSPECTOR WILSON: Understood.

6 CHAIRMAN WARFIELD: Thank you, Chief. Do you  
7 have followup, Tom, to this?

8 MR. STIDHAM: I do. I just wanted to know if  
9 the pilot program are there any plans to put it in  
10 place anytime soon, a month or so, two months or?

11 INSPECTOR WILSON: Again, Inspector Charles  
12 Wilson. As I stated, no, at this point everything is  
13 pretty much at a standstill. I believe they have your  
14 proposal which the Board in conjunction with the towers  
15 presented and I believe they're reviewing that.

16 CHAIRMAN WARFIELD: Okay. Great. Thank you,  
17 sir.

18 MS. ROMANO: Good evening. Ann Romano. This  
19 is just a friendly reminder for everyone that the  
20 Detroit Police Department and Interim Chief Chester  
21 Logan are holding a food drive for the Homeless  
22 Veterans Shelters and they'll be collecting  
23 nonperishable canned goods through November 12th and we  
24 need everyone's participation.

25 CHAIRMAN WARFIELD: Absolutely.

1 MS. ROMANO: Thank you.

2 CHAIRMAN WARFIELD: Are there others who wish  
3 to make comment? Okay. Yes, ma'am. I'm sorry, Anna,  
4 the date for that food drive, the date for the food  
5 drive?

6 MS. ROMANO: It's going on now until  
7 November 12th.

8 CHAIRMAN WARFIELD: Until November 12th?

9 MS. ROMANO: Right, because we'll be  
10 celebrating Veterans Day. Oh, I forgot to mention also  
11 the Northeast District with Interim Chief Chester Logan  
12 are having a Veterans Day Luncheon from 11:00 a.m. to  
13 2:00 p.m., and I think the teletype was sent out to the  
14 entire Department.

15 CHAIRMAN WARFIELD: Okay. Thank you.

16 SPEAKER: Who's invited to the luncheon?

17 MS. ROMANO: Everyone is. It's open to all  
18 Veterans and the citizens.

19 CHAIRMAN WARFIELD: Where's the location?

20 MS. ROMANO: James Post on Mound Road. It is  
21 between East Nevada and Seven Mile. I do have the  
22 address in the envelope if someone needs it.

23 CHAIRMAN WARFIELD: Thank you, ma'am.

24 MS. SEMMA: Good evening, Board, Chief,  
25 Assistant Chief, and everyone here today. In regards

1 to towing -- I'm sorry, Julie Semma, Seventies Towing,  
2 in regards to the towing matters it is been brought to  
3 all our attention that the City needs money. And  
4 myself as well as other tow companies have come up with  
5 ideas, strategies, where we can come up with an admin  
6 fee and the City loved that, this is a way of the City  
7 generating making money.

8           Myself and others have gone to City Council  
9 and this has been well over a month and a half now and  
10 I don't understand why the Administration keeps  
11 stalling taking care of business. There's certain  
12 structure that needs to happen within the City.

13           And we came to certain solutions with your  
14 help as well as other from City Council to come up with  
15 a strategy and we've done that. Now, I don't  
16 understand why the City is taking so long and just  
17 stalling on making money. Because we could have made  
18 money years ago if you guys, if the City and  
19 Administration would have allowed this to happen three  
20 or four years ago. We brought this to the City's  
21 attention.

22           However, here it is three or four years later  
23 and we're still back to the drawing board and it's over  
24 a month and a half and nothing's still gotten done. So  
25 one minute the City needs money. We came up with

1 solutions for the City making money but the  
2 Administration, the Mayor's office is stalling and not  
3 allowing certain things to go in place.

4 Thanksgiving's right around the corner. City  
5 Council is going on vacation here or taking a break and  
6 who knows what's going to happen. But this is just  
7 money, revenue that the City could potentially be  
8 making if they'd work properly and get things in order.

9 So all I'm saying is if you guys could talk  
10 to the Administration saying we're ready to do what we  
11 have to do. The Administration just needs to do their  
12 end and they can start generating some money so we can  
13 get men in blue back on the streets and help generate  
14 money for the City of Detroit. Thank you.

15 (Applause.)

16 CHAIRMAN WARFIELD: Thank you, ma'am. Are  
17 there others who wish to make comments tonight? Are  
18 there others? Hearing and seeing none, I'll entertain  
19 a motion to adjourn the meeting?

20 COMMISSIONER WHITE: So move.

21 COMMISSIONER TAYLOR: Second.

22 CHAIRMAN WARFIELD: It's been properly moved  
23 and supported. All those in favor?

24 COMMISSIONERS: Aye.

25 CHAIRMAN WARFIELD: Thank you, ladies and

1 gentlemen for coming out tonight. We look forward to  
2 seeing you next week.

3 (The hearing concluded at 8:01 p.m.)
