5 CHAIRMAN WARFIELD: All right. Good evening,  
6 ladies and gentlemen again and welcome to the Board of  
7 Detroit Police Commissioners meeting. My name is Jerome  
8 Warfield, chairman of the Board of Police Commissioners.  
9 Serving with me tonight is our vice chairperson,  
10 Commissioner Jessica Taylor, as well as Commissioner  
11 Donnell White. Representing the Chief's office is  
12 Interim Chief Chester Logan. Sir, good to see you  
13 tonight.

14 INTERIM CHIEF LOGAN: Glad to be here.

15 CHAIRMAN WARFIELD: Also sitting at the table  
16 before you today is our chief of staff, Mr. George  
17 Anthony. And I'm going to ask that the Board  
18 secretary/chief of staff -- he's everything -- if he  
19 would introduce our staff that's here tonight.

20 SECRETARY ANTHONY: Thank you, Mr. Chair. For  
21 the record, George Anthony, secretary to the Board. Our  
22 staff includes Miss Pamela Davis-Drake, who is our chief  
23 investigator seated in the front. Next to her is  
24 Ms. Lolitha Porter-Coleman who is our director of police  
25 personnel. And then there's Miss Celia Banks Washington

1 who the attorney to the Board. Our recorders --  
2 Mr. Robert Brown, our office manager, Sergeant Allen  
3 Quinn who is recording our proceedings and Ms. Wendy  
4 Boer from Hanson Court Reporting Service. That  
5 completes the introductions.

6 CHAIRMAN WARFIELD: Thank you, Mr. Anthony.  
7 At this time, I'm going to ask if Chaplain Powell could  
8 come to the mic. And, sir, happy New Year to you again  
9 and good to see you. If you can lead us in our  
10 invocation tonight, we greatly would appreciate that.

11 CHAPLAIN POWELL: Let us look to the Lord.  
12 Lord God of Grace, in the name of Jesus, we thank and  
13 praise you for your keeping power and your blessing  
14 power for blessing us throughout, Lord God, last year  
15 and starting us, Lord, on another year. Ask you, Lord  
16 God, just to bless this, Lord God, Board of  
17 Commissioners, look down upon our Chief, look down upon  
18 or Mayor and look down upon everyone that's in this  
19 building today.

20 Lord, we ask you just to bless our police  
21 officers, strengthen them, let your blessings be upon  
22 them, Lord God, and protect them. Help us, Lord God, to  
23 do your will. Help us to love one another. And help  
24 us, Lord God, to spread your love across the city.  
25 Lord, we ask that you just touch and protect us from all

1 danger both seen and unseen. Help us to draw our minds  
2 together to make this a great city. And let your  
3 blessings be upon us, Lord. We ask you, Lord, again to  
4 just to bless each and every one of us that is in this  
5 building. We thank you and we praise you. We magnify  
6 your wonderful name. Let us all say Amen.

7 AUDIENCE: Amen.

8 CHAIRMAN WARFIELD: Thank you, Pastor Powell.  
9 We appreciate that greatly. We are delighted and  
10 pleased to be here at what I could consider historic  
11 Messiah Missionary Baptist Church with Pastor Littlejohn  
12 who is the under shepherd here. And certainly if there  
13 is someone from the church who would like to extend a  
14 greeting, you may -- you're welcome to come at this time  
15 and to extend a greeting on behalf of Messiah Baptist  
16 Church if there is anyone here. Amen. Well, thank you.

17 It was funny. We were coming in the door, and  
18 as some of you may have noticed, the choir is rehearsing  
19 across the hall. And, you know, if it wouldn't have  
20 been against the Charter, I would have loved to just had  
21 the meeting in the auditorium and had a good praise fest  
22 going on tonight.

23 But we are happy to be here. This church  
24 means a lot to this community. I know Pastor Littlejohn  
25 personally. He is a wonderful, wonderful man of God.

1 And we thank him for his leadership. For those of you  
2 who are here for the first time, certainly we welcome  
3 you. And for those who are our faithful followers, we  
4 certainly welcome you. Want to just give just some  
5 brief information about the Board of Police  
6 Commissioners.

7 The Board of Police Commissioners was created  
8 by City Charter in 1974. Currently, it is composed of  
9 five members, next year to move to 11 members. The  
10 commissioners serve -- that are appointed for a  
11 five-year term and may not serve more than five years  
12 consecutively. Those when they will be elected will  
13 serve four-year terms. The commission meets once a week  
14 with the exception of the New Years holiday, the  
15 Christmas holiday and the Thanksgiving holiday. All  
16 meetings are certainly open to the public. Our duties  
17 and responsibilities are primarily to establish policy,  
18 rules and regulations in consultation with the chief of  
19 police and with the mayor of the City of Detroit. Our  
20 job is also to review and approve the department's  
21 budget, to review and to approve department promotions,  
22 to receive and to resolve complaints concerning the  
23 operations of the Detroit Police Department.

24 We have final authority to impose and/or to  
25 review discipline of police department employees. We

1 also appoint a civilian personnel director who handles  
2 the personnel issues for the Detroit Police Department.  
3 We prepare an annual report of the department activities  
4 for the public, for the mayor and also for the Detroit  
5 City Council. Our staff consists of a secretary -- you  
6 have met him tonight -- Mr. George Anthony who serves as  
7 secretary to the Board and attends all Board meetings.  
8 We also have a chief investigator -- you met her tonight  
9 -- and additional investigators. Other staff we are  
10 able to bring on board as necessary to provide the  
11 support needed by this Board. At this time, I will  
12 entertain a motion to approve tonight's agenda as  
13 listed.

14 COMMISSIONER TAYLOR: So moved.

15 COMMISSIONER WHITE: Support.

16 CHAIRMAN WARFIELD: It's been properly moved  
17 and supported. Any discussion? Hearing or seeing none,  
18 all those in favor of approving tonight's agenda please  
19 say aye.

20 COMMISSIONERS: Aye.

21 CHAIRMAN WARFIELD: All those opposed, you  
22 have the same right. We also entertain a motion to  
23 approve the minutes from Thursday, December 20th  
24 meeting, 2012.

25 COMMISSIONER WHITE: So moved.

1 COMMISSIONER TAYLOR: Support.

2 CHAIRMAN WARFIELD: It's been properly moved  
3 and supported that we will approve those minutes from  
4 Thursday, December 20th. All those in favor?

5 COMMISSIONERS: Aye.

6 CHAIRMAN WARFIELD: All those opposed? Motion  
7 carries. At this time, I'm going to defer my report and  
8 go straight to the chief of police and ask for the Chief  
9 for his report and presentation.

10 INTERIM CHIEF LOGAN: Thank you, sir. We have  
11 just a quick couple of presentations. First of all, I  
12 am not certain from the 12th Precinct who is going to be  
13 doing the presentation. I would imagine the commander,  
14 Commander Dwayne Love, is going to give us an overview  
15 of the 12th Precinct.

16 COMMANDER LOVE: Good evening, Board. Chief,  
17 greetings. Before I get started, I would like to  
18 introduce some of my staff members at the 12th Precinct.  
19 Start off with Inspector Kyriacou who is over the 10th  
20 Precinct, but he works under me as well. Inspector  
21 Kyriacou, Sergeant Bledsoe in the back, Officer Crowder  
22 and Officer Frinkley . And that's  
23 my community relations team. And they do a really good  
24 job at what they do.

25 I've got a brief presentation. They said ten

1 slides. So we kept it to ten slides. The 12th  
2 Precinct, the boundaries are -- they come up to be  
3 15.65 square miles. The precinct is bounded on the  
4 north by west 8 Mile Road, on the south by Lyndon. And  
5 it's not an actual square. So it's like a rectangular  
6 in shape. So, the southern borders, you got Lyndon and  
7 at one point it's Fenkell. At the other point, it's the  
8 railroad tracks down by the 10th, down by -- in that  
9 area. The eastern most points are Woodward, and the  
10 western most points are James Couzens, closer to 8 Mile  
11 and Schaefer when it gets down toward 6 Mile.

12 The population of the 12th Precinct is  
13 approximately 92,091 people. In the precinct, we got  
14 five elementary schools; five elementary/middle schools,  
15 K thorough 8 and then Pre-K; four high schools, two  
16 private schools and one prep and one public school which  
17 is Mumford, Mumford High; two colleges, that is U of D  
18 and Marygrove. And we have two private pre-K through  
19 8th grade schools. And we have over 300 combined  
20 churches in our precinct.

21 12th Precinct organization, the manpower,  
22 we've got one commander there right now which of course  
23 is me. The inspector spot is vacant at this time. We  
24 have four lieutenants in the precinct, 15 sergeants, 123  
25 police officers and three civilian detention officers.

1 The mission and goal of the precinct is to reduce crime,  
2 increase response time. And I'm doing that by  
3 challenging my supervisors to actually monitor the  
4 officers' activities more, be out there monitoring what  
5 they do, also looking at the patrol time to make sure  
6 that they clear up a run fast when they're on patrol so  
7 when another run comes out, they can respond quickly to  
8 the police run. Increase community partnerships among  
9 citizens, businesses, and community and to serve the  
10 community effectively.

11 Our arrest totals for last year, 2012, total  
12 arrests was 1,548. We had 800 felony arrests, 468  
13 misdemeanor arrests, 280 juvenile arrests, 13,423  
14 tickets issued and 605 vehicles recovered.

15 Some of our goals for the next year, 2013, is  
16 at least a five percent reduction in non-fatal and fatal  
17 shootings and a ten percent reduction in part one  
18 crimes. Some things I'm doing to help out with that is  
19 I started a little -- a small -- it's not -- I guess  
20 it's something like an investigative in-house unit at  
21 the precinct. And what they are doing, they're  
22 analyzing all our shootings, non-fatal and fatal. And  
23 they are analyzing the robberies and the burglaries in  
24 the precinct. And they're doing follow-up in the  
25 precinct and giving me real time information so we can

1           deploy our resources accordingly. And that's been very  
2           helpful. They also -- I'm putting the dots on the map  
3           where the crimes are occurring at so I will have a good  
4           idea of how to deploy my people to the areas that need  
5           to be covered right away in real time.

6                       We also coordinate our efforts with the 10th  
7           Precinct because I have both the 10th and 12th Precinct.  
8           So, I've been talking to Inspector Kyriacou, and we are  
9           coordinating efforts a lot to combine to deal with both  
10          precincts and also deployment of our special ops, which  
11          is our plain clothes officers.

12                      As a department, we do a lot of analyzing  
13          crime. We have conference calls daily. We have com  
14          stat meetings. And we constantly look at where the  
15          crimes are occurring at. So, I have a system now where  
16          I can -- I'm taking information from these meetings and  
17          just looking at the crimes on the map and deploying my  
18          special ops people to the high crime areas. They are  
19          doing a great job and working very hard and making some  
20          really good arrests. So that's working pretty good.

21                      Partnerships, doing the partnerships with the  
22          community. We have community relations. They help with  
23          the block club associations. And I have meetings with  
24          the associations myself a lot too. I do a lot of  
25          meetings in the 12th Precinct. We have a lot of

1 community groups. And I meet all the time with CB  
2 patrols, block clubs and any council group as a whole.  
3 We have citizen radio patrols that we help out with a  
4 lot, 12th Precinct community relations volunteers that  
5 help us out with our efforts to bond with the community,  
6 blight enforcement. We have senior movie day which is  
7 the first Wednesday of every month, we take seniors to  
8 the Bell Air show, theatre. And they pay \$5, and they  
9 get a movie and concessions for that \$5. And it's a  
10 very good program. The 10th Precinct does it as well.

11 Youth Explorers program, Parks and Walks. And  
12 we encourage our officers to walk in the community as  
13 much as possible so when they are not on police runs and  
14 when it's feasible to do it, I will tell them get out of  
15 the car and walk the community, be seen in the  
16 community. No Broken Windows, which is an initiative by  
17 a community group that we are dealing with. And what  
18 they are doing, they are repainting buildings,  
19 repainting gang tagging and graffiti. And what we do at  
20 the 12th Precinct, we actually provide security for  
21 them, police protection for them while they go out and  
22 paint over the graffiti. So that's a good thing as well  
23 because, you know, the look of the area is very  
24 important to the people that live in the area.

25 Safe passage to school. And every morning, I

1 have my community relations out and our traffic  
2 enforcement officers going to different bus stops around  
3 schools, in the areas of the schools so we can make sure  
4 that the kids have a safe route to and from school as  
5 well as dismissal time as well.

6 Child safety seat inspections. And my  
7 community relations, they provide that service.  
8 Charitable contributions, food basket distributions,  
9 smoke alarm batteries we give out. We had a seniors  
10 appreciation ball at Focus Hope this year which was  
11 outstanding. Retired Inspector Terry, that was her  
12 initiative; that was her baby. And I came, and the  
13 Chief was there. And it was a great, great event. So,  
14 I was very proud of that.

15 Turkey giveaways. During the holidays, Coats  
16 for Tots events, Christmas events. That was another  
17 thing former Inspector Terry did as well. And she  
18 provided a lot of kids with toys. That was a great  
19 event. And Goodfellows boxes.

20 Keeping our citizens informed, monthly  
21 community meetings, relations meetings. And I make all  
22 of those for both precincts. We do a monthly newsletter  
23 that we send out to all our community. And we actually  
24 have one-on-one's with our community groups as well.

25 So, I always tell the community, whenever you

1 want to meet with me, I'm available. And Number 12,  
2 they take me up on it because I do a lot of meetings.  
3 I'm trying to get Number 10 to come up to that standard  
4 as well as far as meetings. But one-on-one meetings are  
5 very important. I get a chance to find out exactly what  
6 the concerns are in that particular area. And we work  
7 out a lot of things where I can take care of that there,  
8 the quality of life issues as well as the crime  
9 problems. And just knowing is half the battle. That's  
10 the important part about meeting with them. It's a  
11 really good system. And I said I was going to be brief.  
12 And that's all I have. So, any questions at all?

13 CHAIRMAN WARFIELD: Thank you, Commander.  
14 Appreciate it. Ma'am?

15 COMMISSIONER TAYLOR: Yes. I just have one  
16 question. You said you utilize the block clubs for your  
17 partnerships. And I think I heard you say you have 300  
18 churches in this area. I just want to ask, do you  
19 utilize the churches in that partnership? And if so,  
20 what services do they offer to assist the police  
21 officers in crime reduction?

22 COMMANDER LOVE: I cannot say that I have  
23 actually partnered with the churches in that effort.  
24 So, I won't sit here and say that. Of course, if a  
25 church reaches out to me, I'll be available to whatever

1           they need. And that's a good idea. Maybe we will start  
2           reaching out to the churches as well. But I have not  
3           done that since I have been here so far.

4                        COMMISSIONER TAYLOR: Thank you.

5                        COMMISSIONER WHITE: Thank you, Chair.

6           Commander Love, you reference the fact that U of D and  
7           Marygrove are within your district there. Do you see  
8           any collaboration and possibly even with Highland Park  
9           PD like you might see in midtown with Wayne State  
10          University, is there any strategic partnerships between  
11          the agencies?

12                      COMMANDER LOVE: I know for a fact that my  
13          special ops works with U of D a lot with their crime  
14          fighting efforts. I'm not for sure about Marygrove.  
15          But I know U of D, we have a good partnership.

16                      COMMISSIONER WHITE: And does Marygrove have  
17          their own?

18                      COMMANDER LOVE: They do have their own  
19          police, yes. I don't know if they are actually police.  
20          They might be just security. But they do have a  
21          security force for the college.

22                      COMMISSIONER WHITE: Is it strictly on campus  
23          or do they patrol off campus?

24                      COMMANDER LOVE: It's on campus and around the  
25          immediate area of campus.

1 COMMISSIONER WHITE: Highland Park?

2 COMMANDER LOVE: I have not spoken to Highland  
3 Park. We do border Highland Park. If a crime happens  
4 on the border, of course we work together with it. We  
5 don't really -- it's not a regular thing for me to reach  
6 out to Highland Park. But we do deal with border issues  
7 together.

8 COMMISSIONER WHITE: Okay. How has the  
9 12-hour shifts and the virtual precinct model been  
10 working and been received by officers within your  
11 district?

12 COMMANDER LOVE: It's funny you asked me that  
13 because I just chaired a committee for the Chief. And I  
14 don't know what the Chief wants to handle that. I don't  
15 want to divulge that right now. But it's -- some  
16 officers like it and some don't. It depends on where --  
17 the people you ask and the precincts you ask. Some  
18 precincts were in favor of eight and some were in favor  
19 of 12. I know as a department, it has helped us with  
20 our crime fighting efforts with the 12-hour shifts  
21 because it has allowed us to put more vehicles on the  
22 street during the night time hours. But then it's --  
23 you know, some of the officers, they have issues with  
24 that as well. I don't want to say too much because I  
25 don't want to get in trouble.

1 COMMISSIONER WHITE: I understand. And the  
2 virtual precinct model, how is that working?

3 COMMANDER LOVE: It's working well. We go  
4 into the virtual mode at 7:00 p.m. I haven't heard of  
5 any issues. I have not -- some of the citizens don't  
6 like it. But as far as issues, I have not been aware of  
7 any issues with it at all. We service the community.  
8 And I haven't heard of any issues with the virtual  
9 precincts.

10 COMMISSIONER WHITE: Has that model enabled  
11 you to increase your officer presence?

12 COMMANDER LOVE: Absolutely. I believe they  
13 cut our inside desk staff probably more than in half and  
14 put officers on the street on patrol. So, it has helped  
15 with our manpower and our crime fighting efforts as far  
16 as allocations on the street.

17 COMMISSIONER WHITE: Thank you, sir. Last  
18 question. When it -- special ops has been one of the  
19 teams I've been out with probably over the past year  
20 and I think I started off with over at 10 and 12. I  
21 think you might have had one of the oldest fleets I have  
22 seen that special ops was using. Have you received any  
23 new vehicles or has there been any improvement to the  
24 fleet for your special ops team?

25 COMMANDER LOVE: I'm trying to think of the

1 last time we received new vehicles. I don't have that  
2 on hand. We have enough vehicles to adequately patrol  
3 right now. My officers have not come to me recently and  
4 told me that they needed new vehicles, that their  
5 vehicles were inadequate. As far as I know right now,  
6 we have enough and adequate vehicles for them to patrol.

7 COMMISSIONER WHITE: Thank you, Chair.

8 CHAIRMAN WARFIELD: Thank you, Commander.  
9 Sir, this is time for you to also if there are resources  
10 or things that you need the Board to look into from a  
11 policy or resource standpoint, we certainly want to hear  
12 that as well. So, if there are issues out there that we  
13 need to, you know, focus on and concentrate on, please  
14 let us know.

15 COMMANDER LOVE: None right now, sir.

16 CHAIRMAN WARFIELD: I do want to ask a  
17 question about your officers, your community service  
18 officers. If citizens who are here want to get in  
19 contact with them and call, what number should they  
20 call?

21 COMMANDER LOVE: Sergeant Bledsoe?

22 SERGEANT BLEDSOE: 596-1221.

23 CHAIRMAN WARFIELD: 596-1221. So, you can  
24 give them a call.

25 COMMANDER LOVE: They are there. They work

1 very well with the community. When I meet with the  
2 groups -- I meet with a lot of groups. And they have  
3 nothing but praise for Sergeant Bledsoe and her team.  
4 They work very, very hard. And I have a really  
5 demanding community. So, they do a great job.

6 CHAIRMAN WARFIELD: Absolutely. Any other  
7 questions for Commander Love? Thank you, sir.  
8 Appreciate your presentation.

9 SERGEANT BLEDSOE: I just have one thing.  
10 Someone is driving a white Range Rover. It is parked on  
11 Greenlawn in the alley. Would you please remove your  
12 vehicle? You're blocking the pastor's vehicle, and he  
13 needs to leave.

14 CHAIRMAN WARFIELD: Can you just move it and  
15 bring me my keys back? I was just joking. Sometimes it  
16 will work. Chief, is there anything else?

17 INTERIM CHIEF LOGAN: Yes, sir. Just to clear  
18 up a couple of things. You inquired about the vehicles  
19 for -- I'm sorry, Commissioner White inquired about the  
20 vehicles for special ops. We are waiting on an order of  
21 52 new vehicles. They were supposed to be 2012 Dodge  
22 Chargers. But for whatever reason, to get through the  
23 bureaucracy, now they're going to be 2013's. We are  
24 expecting those vehicles in probably within the next 30  
25 to 60 days. Those vehicles will be going to all the

1 special operations units around the city. So that's  
2 what they will be driving. Instead of the black Crown  
3 Vic's, they will be driving the Dodge Chargers.

4 Also, with regard to the issue of 12-hour  
5 shifts, we are kind of reluctant to speak on that right  
6 now because as you are aware, the department is now in  
7 Act 312. And those are some of the issues that are  
8 being bandied around, the 12-hour shift versus other  
9 things that the union is asking for. And also, I  
10 noticed when Commander Love talked about response time,  
11 he used the word increase, but I think you meant to use  
12 the word decrease response time.

13 COMMANDER LOVE: Yes, sir.

14 INTERIM CHIEF LOGAN: So, that's all I have  
15 with regards to the commander's excellent presentation.  
16 Thank you so much. And I just had one other thing.

17 CHAIRMAN WARFIELD: Sure.

18 INTERIM CHIEF LOGAN: The last thing I would  
19 ask that the Board consider the promotions that I  
20 requested, you know, several weeks ago. As you are  
21 aware, the department sorely needs the resources. And  
22 I'm making that request again.

23 CHAIRMAN WARFIELD: Let me say this to that  
24 directly on behalf of the Board. Certainly, we have  
25 been vetting the list of those who are on the promotion

1 list. We only have one thing to check, and I think that  
2 we'll be ready to move. And so hopefully -- and  
3 certainly Board members can speak up -- but we should be  
4 able to move hopefully within the next week on that.  
5 We're just waiting to hear back from legal on one  
6 particular item. And so once we get the clarity on that  
7 item, we will be able to move forward.

8 INTERIM CHIEF LOGAN: Thank you, sir.

9 CHAIRMAN WARFIELD: Okay. Board, do you have  
10 any questions for the Chief?

11 COMMISSIONER TAYLOR: I don't.

12 COMMISSIONER WHITE: No, sir.

13 CHAIRMAN WARFIELD: All right. There are no  
14 standing or committee reports. I want to move to one of  
15 the favorite parts of the agenda for us. And that's  
16 when we get an opportunity to highlight the outstanding  
17 community support that our local precincts get from the  
18 residents in the area. And for that, I'm going to ask  
19 if Commissioner -- the vice chair of our Board,  
20 Commissioner Taylor, will come and offer Resolutions to  
21 Mr. Darrin Cato and doing a separate resolution, retired  
22 Sergeant Daniel Williams. Mr. Cato, are you here? Can  
23 you come to the front right now, sir? Give him a hand  
24 as he comes, please.

25 COMMISSIONER TAYLOR: Resolution Honoring

1 Mr. Darrin Cato. Whereas Mr. Darrin Cato, born and  
2 raised in the 12th Precinct community, remains a pillar  
3 in his neighborhood. His commitment to service and  
4 leadership is exemplified throughout the community; and  
5 whereas Mr. Cato has been instrumental in building  
6 bridges between the community and the Detroit Police  
7 Department, always contributing with efforts to improve  
8 neighborhood safety and quality of life, and whereas  
9 Mr. Cato's passionate participation at the Twelfth  
10 Precinct has been a positive force with the  
11 beautification efforts, cutting the lawn, trimming  
12 edging, and planting flowers. Mr. Cato and his three  
13 sons are a great source of strength to their  
14 neighborhood.

15           Whereas, Mr. Cato has proven through his  
16 actions that he remains a dedicated and committed  
17 supporter of the City of Detroit and the Twelfth  
18 Precinct. His commitment to business, service and  
19 leadership is demonstrated throughout the entire  
20 Precinct.

21           Now, Therefore be it Resolved that the Detroit  
22 Board of Police Commissioners, speaking on behalf of the  
23 citizens of the City of Detroit and the Detroit Police  
24 Department recognize the life's work and dedication to  
25 service of Mr. Darrin Cato. His commitment to

1 community, mission outreach and his spirit of giving  
2 back is felt and shared throughout the Twelfth Precinct  
3 and the entire City of Detroit. We thank and  
4 congratulate you, Mr. Darrin Cato. Detroit Board of  
5 Police Commissioners. And it's signed by all four  
6 commissioners.

7 CHAIRMAN WARFIELD: We are happy to have with  
8 us tonight the Honorable Councilwoman, Brenda Jones.  
9 Give her a hand as she comes to the mic.

10 COUNCILWOMAN JONES: I also have a Spirit of  
11 Detroit Award to present to you. And it reads, "A  
12 Spirit of Detroit Award is presented herewith as an  
13 expression of the gratitude and the esteem of the  
14 citizens of Detroit to Mr. Darrin Cato in recognition of  
15 exceptional achievement, outstanding leadership and  
16 dedication to improving the quality of life," signed by  
17 all nine council members. Thank you for you what you do  
18 in the community.

19 CHAIRMAN WARFIELD: Then, sir, one more. Stay  
20 right there if you can.

21 INTERIM CHIEF LOGAN: From the Detroit Police  
22 Department, this is the Certificate of Recognition to  
23 Darrin Cato, resident of the City of Detroit, in  
24 appreciation for the following outstanding service and  
25 cooperation, for your involvement in the community and

1 services to the City of Detroit. You have demonstrated  
2 a spirit and commitment that is very worthy of  
3 recognition. Signed by me.

4 CHAIRMAN WARFIELD: Do you wish to say  
5 something, Mr. Cato?

6 MR. CATO: Thank you.

7 CHAIRMAN WARFIELD: Thank you, sir. And we  
8 congratulate you again on just outstanding work, just  
9 great, great work.

10 MR. CATO: Thanks a lot.

11 CHAIRMAN WARFIELD: Give him another hand,  
12 please.

13 (Applause)

14 CHAIRMAN WARFIELD: Members, I would entertain  
15 a motion that we will place Mr. Darrin Cato's award that  
16 it would become a part of the permanent archives of the  
17 Detroit Board of Police Commissioners.

18 COMMISSIONER WHITE: Move for adoption.

19 COMMISSIONER TAYLOR: Support.

20 CHAIRMAN WARFIELD: It's been properly moved  
21 and supported that the Resolution that was just  
22 presented will be a part of our permanent archives. Any  
23 discussion? All those in favor?

24 COMMISSIONERS: Aye.

25 CHAIRMAN WARFIELD: All these opposed? Amen.

1 Motion carries. We also want to read into the record  
2 the whereas clause for retired Sergeant Daniel Williams.  
3 Sergeant Williams, are you here today? We certainly  
4 would like to recognize you if you are. Okay. We'll  
5 just read it into the record.

6 COMMISSIONER WHITE: The Resolution Honoring  
7 Retired Sergeant Daniel Williams. Whereas Daniel  
8 Williams was appointed to the Detroit Police Department  
9 on February 22, 1993. Upon graduating from the  
10 Metropolitan Police Academy, Officer Williams began his  
11 career at the Tactical Services Section; and whereas  
12 Office Williams was promoted to the rank of Investigator  
13 on January 22, 1999, and reassigned to the Tactical  
14 Services Section and later with the Twelfth Precinct;  
15 and whereas Investigator Williams was promoted to the  
16 rank of Sergeant on August 11, 2000, and reassigned to  
17 the Twelfth Precinct, and later to the First Precinct,  
18 Northeastern District, Tactical Operations, Executive  
19 Protection, and reassigned to Tactical Operations; and  
20 whereas Sergeant Williams was the deserving recipient of  
21 numerous awards from businesses and community  
22 organizations. Sergeant Williams attended Wayne County  
23 Community College District where he earned his Associate  
24 Degree and later attended Wayne State University for his  
25 Bachelor's Degree. Sergeant Williams also completed the

1 Officer Candidate Schools for both Investigator and  
2 Sergeant; and whereas during Sergeant Williams' law  
3 enforcement career, he was the deserving recipient of  
4 one (1) Department Citation, one (1) Chief's Merit  
5 Awards, one (1) Chief's Unit Award, one (1) All Star  
6 Game Ribbon, one (1) Rosa Park Ribbon, one (1) Super  
7 Bowl, several commendations, and numerous letters of  
8 praise from citizens; and whereas Sergeant Williams has  
9 tirelessly served the Detroit Police Department, the  
10 citizens of Detroit and its neighboring communities for  
11 over 20 years. His professionalism, commitment to  
12 public service, integrity and dedication has been a  
13 credit to the Detroit Police Department. He is highly  
14 respected by the law enforcement community as a  
15 consummate professional.

16 Now, Therefore be it Finally Resolved that the  
17 Detroit Board of Police Commissioners, speaking for the  
18 citizens of Detroit and the Detroit Police Department,  
19 award this resolution in recognition of Sergeant Daniel  
20 Williams' 20 years of dedicated and diligent public  
21 service. His professionalism, integrity, and level of  
22 commitment to the City of Detroit and its citizens merit  
23 our highest regards and best wishes for continued  
24 success.

25 We salute and congratulate you, Sergeant

1 Daniel Williams. Signed by all of the Board of Police  
2 Commissioners, dated January 10, 2013.

3 Mr. Chair, I move for adoption.

4 COMMISSIONER TAYLOR: Support.

5 CHAIRMAN WARFIELD: It's been properly moved  
6 and supported that we adopt the Resolution honoring  
7 retired Sergeant Daniel Williams. Any discussion? All  
8 those in favor?

9 COMMISSIONERS: Aye.

10 CHAIRMAN WARFIELD: All those opposed? Motion  
11 carries. I want to say congratulations to Sergeant  
12 Williams. And we want this to be a part of the public  
13 record. Certainly, we are there unfortunately at times  
14 when officers are taken down in their duty. But again,  
15 it gives us a great deal of joy and and a great deal of  
16 privilege when officers can retire and live a very  
17 productive life after the Detroit Police Department. So  
18 certainly, we thank him for all of his service to this  
19 department. And we wish him and his family nothing but  
20 the best in retirement.

21 There are no department updates that I know  
22 of. I do want to just go -- I deferred my report to  
23 this section. I just want to again say thank you to all  
24 of those who wished us happy holidays during the holiday  
25 season. It's been two weeks since we have met last.

1 And it's been a good break I think for most of us. We  
2 had time to get away and just enjoy life.

3 But certainly, as you know, the City of  
4 Detroit is faced with some serious issues, especially as  
5 relates to crime and safety. And I want the citizens of  
6 this city to understand and to know that the Chief of  
7 Police and this Board are working hand in hand to try  
8 and come up with a very viable solution to make sure  
9 that we get as many resources to the streets and to the  
10 citizens of our city as possible.

11 We want to make sure that we put more boots to  
12 the ground. And we'll make sure we do that over the  
13 next couple of weeks. And you will see that I think  
14 very clearly here shortly. But just know that no one is  
15 resting on their laurels. No one is, you know, not  
16 planning. There's a great deal of work that's going on  
17 behind the scene to make sure that our citizens remain  
18 safe. We see the stories that are in the news as  
19 relates to, you know, houses that are being broken in,  
20 as relates to individuals unfortunately being murdered  
21 in our streets. And it saddens us as much as it saddens  
22 anyone else.

23 And so, we brain storm often to see how can we  
24 solve and how can we get a handle on this. And I will  
25 say this. And I mean it from the bottom of my heart,

1 and I have said it before. We have some of the best  
2 policing in this country with our men and women in blue.  
3 I'm telling you this from what I know and from what I  
4 have seen first hand. We will do more to reallocate  
5 resources, to get them where they are supposed to be.  
6 But our men and women are doing a phenomenal job under  
7 the strain and under the stress that they are working.  
8 They have not given up. They show up every day and  
9 every night and every shift. They are making those  
10 calls. They are not hiding. They are facing the  
11 challenges before them day in and day out. As a matter  
12 of fact, if you really want to check how committed our  
13 people are, they are showing up more now than they did a  
14 few years ago. And that's a testament to the commitment  
15 of our men and women in blue and the leadership of the  
16 department.

17 So, we encourage them. And when you see  
18 officers, encourage them, pat them on the back because  
19 that matters. It matters a great deal. You know, we  
20 want to stick a camera in their face when the slightest  
21 little thing go wrong. But let us appreciate the ones  
22 who are out there day in and day out, have not given up,  
23 keep on fighting. And it will get better. As bad as it  
24 is now, it will get better. So, we want to thank you  
25 for that. That's all I have to go on right now from my

1 report.

2 What I do want to do, I want to first of all  
3 announce our next meeting. The next meeting of the  
4 Board of Police Commissioners will be January the 17th,  
5 2013, at police headquarters, which is 1300 Beaubien,  
6 Room 328-A, right in beautiful downtown Detroit.

7 Before we open up the floor to oral  
8 communications, I want to give a point of privilege to  
9 one of my favorite council persons -- I'll say it on the  
10 record -- and that is Councilwoman Brenda Jones. Do you  
11 wish to say anything, address us? You may come at this  
12 time, ma'am.

13 COUNCILWOMAN JONES: Thank you. And let me  
14 first of all say happy New Year's to everyone. Thank  
15 you for being here. You're in my district. You're  
16 actually three blocks from where I live. I live on  
17 Rosemont, three blocks down the street. I want to say  
18 to everyone that's here, thank you for caring enough  
19 about the City of Detroit for coming out. I want to say  
20 thank you to Commander Love, Sergeant Bledsoe and all of  
21 the 12th Precinct because that's my precinct. I know  
22 what work they do. I appreciate them. Thank you,  
23 Chief.

24 We are facing some trying times right now.  
25 And one of the things that I hear as I'm in the

1 community all the time is about crime. We have to do  
2 something about the crime. And I can say about this  
3 particular district, we are relatively active when it  
4 comes to community, block club associations, the CB  
5 patrol, radio. And I say to the people that are here --  
6 and I push CB patrol in the area because most of the  
7 time, the criminals that are out there are the ones that  
8 live right in your neighborhood. And if you have a CB  
9 patrol in your neighborhood and they know that you can  
10 identify them, they are less likely to commit that crime  
11 because they know you're watching them and you can  
12 identify them.

13 You know, I have been a victim of home  
14 invasion as well. So I know what it's like. I know  
15 exactly what it's like. So, if you don't have a CB  
16 patrol in your neighborhood, I ask you to look into  
17 starting a CB patrol. Again, thank you all for coming  
18 out. Thank you for being here. And if I can be of any  
19 assistance to anyone, feel free to contact me.

20 I thank our men and women in blue, not just in  
21 this district but throughout the City of Detroit because  
22 they are some hard workers. And I know they don't get  
23 thank you often. So I thank them all. Thank you.

24 CHAIRMAN WARFIELD: Thank you, ma'am.  
25 Appreciate it. At this time, we want to open up the

1 floor for oral communication. If you wish to address  
2 the Board of Police Commissioners, you may come to the  
3 mic in the center. Please state and spell your name for  
4 our recorder so that we make sure we record correctly  
5 your name. And we ask that you will abide by our  
6 two-minute time limit. And we ask that you address the  
7 questions to the Chair, and we will defer the questions  
8 out to the persons necessary to answer those.

9 And when you hear either Mr. Brown say that's  
10 enough or hear his little beeper go off, we ask that you  
11 will please, please, ma'am, please, sir, end your  
12 comments at that time so that we may hear from as many  
13 people as we possibly can. You may come to the mic at  
14 this time.

15 MS. THORNTON: I actually live in the Central  
16 District, but I am here --

17 CHAIRMAN WARFIELD: Your name, ma'am?

18 MS. THORNTON: My name is Marie Thornton. I  
19 live in the Central District. I need to know who is the  
20 deputy chief? Has he been announced? I just need them  
21 to tell me. And who is the commander or if there's a  
22 new commander, for the Central District? I need to know  
23 those questions before if we can -- if we can before  
24 January the 15th.

25 CHAIRMAN WARFIELD: Yes, ma'am. Hold on one

1 second, Ms. Thornton.

2 INTERIM CHIEF LOGAN: Through the Chair,  
3 Interim Chief Logan. The deputy chief in charge of the  
4 Central District, the entire east side, is Deputy Chief  
5 Benjamin Lee. We don't have a commander there right  
6 now. Commander James White was recently elevated to  
7 deputy chief. And that's going to be another -- it's  
8 going to cause another round of promotions or a request  
9 to this Board to approve some promotions.

10 MS. THORNTON: That is what you were asking  
11 earlier about a list?

12 INTERIM CHIEF LOGAN: No, ma'am. This is a  
13 separate one.

14 MS. THORNTON: Okay. So the man name is the  
15 officer or person is Benjamin Wade?

16 INTERIM CHIEF LOGAN: Lee.

17 MS. THORNTON: Lee. Okay. Thanks.

18 CHAIRMAN WARFIELD: Thank you, Ms. Thornton.

19 MR. BERNARD: Good evening. Wadsworth  
20 Community Block Club, Wayne Bernard, W-a-y-n-e,  
21 B-e-r-n-a-r-d. I just left a meeting. I don't know if  
22 this is your area but I think as he mapped it out,  
23 central High School. It is one of those EAA schools.  
24 And they were having a so-called town hall meeting.  
25 People were parked everywhere. I called the police and

1 said you need to come give some tickets out because  
2 these people are parked everywhere.

3 Now, mind you, when we go and park where we  
4 want to park, we get tickets. I think you guys better  
5 get your tickets up when these people come in Detroit  
6 and do what they want to do. Get your money because  
7 they parked everywhere because you giving people tickets  
8 for impeding traffic. Then you impound people's cars  
9 and searching people's cars. I got me a license where  
10 your can't search me any time you want. And I think the  
11 same thing should go for these people because in  
12 Dearborn they are going to give you that ticket. And I  
13 think you should have -- I took the call. I called the  
14 -- I called 267, I think it was 4200. I think I called  
15 that number to say can you come and see this because  
16 they were parked everywhere, all across the way, all  
17 across the grass. But couldn't get a cop out there.  
18 Thank you.

19 CHAIRMAN WARFIELD: Mr. Bernard, before you  
20 leave, was that tonight? Was that meeting tonight?

21 MR. BERNARD: That was earlier at 3:30.

22 CHAIRMAN WARFIELD: You might want to talk to  
23 Sergeant Bledsoe, and she can give you some information  
24 probably how to get that done a little bit more  
25 efficiently.

1 INTERIM CHIEF LOGAN: Actually, that's the  
2 10th Precinct.

3 CHAIRMAN WARFIELD: Kyriacou. He's right back  
4 there.

5 MR. BERNARD: I want to give a shout out to  
6 Officer Sharp.

7 CHAIRMAN WARFIELD: If you see him there  
8 there, Inspector Kyriacou will help you. Thank you,  
9 Mr. Bernard.

10 MS. HINES: Hello. My name is Sandra Hines.  
11 I'm a member of the Detroit Coalition Against Police  
12 Brutality. I haven't been here for a while, and I'm  
13 happy to be back. I just want to make a quick comment.  
14 We are right now in the midst of the takeover by the  
15 state. The State of Michigan is taking over the City of  
16 Detroit. What Mr. Bernard was talking about in terms of  
17 the EAA, they have literally dismantled DPS. We talked  
18 about earlier the policemen having to work for the  
19 12 hours because they busting the unions of all working  
20 class people that's in the union.

21 And so, it's real important they coming back  
22 to City Council. They forced -- they coming back to  
23 City Council to sign a second Consent Agreement along  
24 with the one they already signed where they gave their  
25 power away. They are in the midst of telling people --

1 I lost my thought. I'm sorry. But what I'm trying to  
2 say is that we got a lot to do this year in terms of  
3 saving our city. The police department, I'm finally --  
4 you know, I'm not glad what happened to you. But I'm  
5 kind of glad in a way because it forced you to now  
6 understand where the people is coming from, that they  
7 don't care any more about you than they care about us.

8 And I'm saying in order for us to save this  
9 city -- and that's who we is. And this is not in any  
10 way disrespectful towards anybody in the room. But we  
11 have a black population. That's the majority. And so,  
12 we should be running our own business and taking care of  
13 our own city because we live here.

14 And so, I'm just saying this year that I feel  
15 can be a much happier New Year if we really come  
16 together as Detroiters and go back to the old ways of  
17 loving one another the way black people used to love  
18 black people in the past. We've gotten away from that  
19 to the point where we are -- you will see a mother stab  
20 a child. And so I'm saying that this year can we work  
21 together really as a real community for real and not let  
22 it just be all tongue and cheek, and it will really be  
23 action with us working together as neighbors for real to  
24 try to save our city from the state.

25 CHAIRMAN WARFIELD: Thank you, Ms. Hines. And

1 before you leave, I need to see you after the meeting.

2 Thank you, ma'am.

3 MR. LOWE: Hello. My name is Earnest Lowe.  
4 I'm the president of Central District Police Community  
5 Relations. Marie Thornton is the recording secretary of  
6 Central District Police Community Relations. What  
7 recently happened was I had people come from midtown  
8 where they have heavy policing. We have at least four  
9 different agencies down in midtown. We have Wayne  
10 State, we have the county, we have the Detroit Police  
11 and we have the hospital. And believe it or not we are  
12 actually -- we're going to save that part of the city.  
13 But then we have -- we'll save downtown. But I live in  
14 the north end. That's where me and Marie Thornton live,  
15 on the north end.

16 So what we got to do is we got to start having  
17 our police officers not only engage with our community  
18 but we also have to have them engage with the community  
19 who comes to the meetings. What literally happened last  
20 time was we had a meeting there. And people from  
21 Boston-Edison, midtown, the north end, through the whole  
22 corridor were at the meeting. But we only had one  
23 community officer there, Officer Dorsey. And it was a  
24 shame because when you get people who come, lawyers and  
25 doctors, who run the situation and live in these

1 neighborhoods, that they can't get a mortgage because  
2 they're under \$122,000, because they live 720 feet from  
3 a broken window that's in a house.

4 Now we got -- what we got to do, we got to  
5 start meeting our command staff. And Interim Chief  
6 Logan has to have somebody who is actually at the level  
7 of lieutenant or better at our next meeting which is  
8 going to be Tuesday, at 6:30 at the Central District.  
9 And this Tuesday at Central District at the Boulevard.  
10 You come 7310. So we want someone at the command level  
11 be there at least. But when it comes down to the  
12 police, I think they have done an excellent job in the  
13 Central District because that's one of the most  
14 strongest policed areas in the City of Detroit. And  
15 keep the good work up. And contrary to popular belief,  
16 this Detroit is about to become a melting pot.

17 CHAIRMAN WARFIELD: Thank you, sir.

18 INTERIM CHIEF LOGAN: I just want to let him  
19 know, I will be there.

20 MS. McCANTS: Yolanda McCants from the  
21 Northeastern District. Good afternoon to this Board.  
22 Happy New Year. I just want to know from this Board and  
23 from our Chief, what exactly is our plan as far as  
24 moving us ahead? And when I say us, us as the  
25 community, us as a whole, us as the police department.

1 Do we have something that the community can -- the  
2 community leaders can take back as a whole and say, hey,  
3 look, we got to put our best food forward to go for this  
4 or to go for that, you know? I won't say in all the  
5 changes, but just something for us to grasp hope so --  
6 because right now, we just pulling straws you know. We  
7 hear this, we hear that.

8 So, if we could just have something we can  
9 kind of grasp on to.

10 CHAIRMAN WARFIELD: I'm going to ask the Chief  
11 to answer that for you, Ms. McCants.

12 INTERIM CHIEF LOGAN: Ms. McCants, I'm really  
13 not certain exactly what you're talking about. But you  
14 should know that the Detroit Police Department is big  
15 into community policing. And we are undergoing some  
16 changes right now. We are taking a look at our  
17 staffing. We are taking a look at it from top to  
18 bottom. Today, even on my staff, I had to remove two  
19 sergeants and four police officers, put them back out on  
20 the street because it starts with me. I can't ask  
21 anybody else to make sacrifices if I'm not willing to  
22 make them.

23 One of the things that we looked at is that --  
24 and this is common knowledge -- in the last ten years,  
25 the Detroit Police Department has lost 40 percent of its

1 personnel. I mean, that's the reality of it. And we  
2 are not using that as an excuse. But I think you and  
3 probably everybody in this room demands that we maximize  
4 the resources that we have. And so that's what's  
5 causing some of the flux that you're talking about.  
6 Rest assured that we are going to make sure that we do  
7 all that we can with what we have. We can't ask for  
8 anything more until we properly utilize what we have.  
9 And that's what we are trying to do.

10 So, I ask you to be patient. It's probably  
11 going to be about three or four weeks. But you're going  
12 to start to see some change in our city in our  
13 department. Just be patient.

14 MS. McCANTS: I'm a news watcher. And when I  
15 heard that they are going to take away a unit that to me  
16 our crime is leading from, I just ask you to -- ask you  
17 and this Board to really reconsider. And that is the  
18 narcotics unit. I mean, I understand that there is some  
19 things that has to go. But if we could reconsider --  
20 I'm not saying -- I mean, even if we combine two units  
21 together and call them the bust or the truck or  
22 whatever, just we can't lose those.

23 INTERIM CHIEF LOGAN: Yes, ma'am. And plus  
24 you can't believe everything you see on the news.

25 MS. McCANTS: You're right. And I understand.

1 I did say I'm a news watcher. Okay. Thank you.

2 CHAIRMAN WARFIELD: Thank you, ma'am. Are  
3 there others who wish to address the Board tonight?  
4 Yes, sir.

5 MR. WILKINSON: My name is Ronald Wilkinson.  
6 I have a question regarding the chief, new chief  
7 applicant. At the present time, we have a chief of  
8 police. I would like for this question to be posed to  
9 the new police chief. What is he going to do or what is  
10 she going to do that's going to be different from the  
11 past chiefs that we have had that would curb the crime  
12 in this city?

13 CHAIRMAN WARFIELD: Mr. Wilkinson, I think you  
14 bring up a good point. Unfortunately, we can't answer  
15 that question tonight, only from the standpoint that  
16 throughout in the interviewing process, we will gauge  
17 that information. I want you to know this though, that  
18 on October the 19th, we had a community meeting,  
19 something like this, in which we called citizens  
20 together to ask the citizens what do you want from your  
21 next chief of police. What type of measures do you want  
22 them to undertake? What type of characteristics do you  
23 want them to have? We had a great deal of feedback. So  
24 we are incorporating all of that information into the  
25 interviewing process.

1                   So, if you have some things, very specific  
2                   that you have in mind, you can get with one of our staff  
3                   persons afterwards. We're going to take your  
4                   information down because we're still waiting for the  
5                   search to be done. And we will see if we can  
6                   incorporate that as well.

7                   MR. WILKINSON: My question was really asking  
8                   the applicants what are they going to do that's  
9                   different.

10                  CHAIRMAN WARFIELD: That's definitely part of  
11                  the process, yes, sir. Thank you, Mr. Wilkinson. Good  
12                  to see you, sir. Are there others?

13                  MR. COLEMAN: I thank you very much. Thank  
14                  you very much to the honorable body, certainly the  
15                  commissioners and Chief Logan. It's a pleasure to be  
16                  here. I am Ken Coleman, K-e-n, Coleman, C-o-l-e-m-a-n.  
17                  As some of you know, I am a former member of the Charter  
18                  Revision Commission. And I'm certainly from that  
19                  standpoint as a life-long Detroiter, I'm certainly happy  
20                  and proud of the work that each of you are doing as  
21                  commissioners in our city and living up to the Charter  
22                  mandated responsibility that certainly a clear majority  
23                  of voters supported a little bit more than a year ago.

24                  So, I wanted to publicly say thank you for  
25                  that. I particularly want to say -- to thank you,

1 Chairman Warfield, for your strong leadership. I  
2 certainly have been impressed with you over the years.  
3 And while we don't know each other very well, I have had  
4 an opportunity to work with you over time on a couple of  
5 occasions. And so, I wanted to say I'm very very proud  
6 to have you as the chair of the Board of Police  
7 Commissioners. I just wanted to say that publicly.

8 Secondly, I would just say -- and as some of  
9 you may know, I am a strong supporter of Detroit based  
10 towers, particularly the Detroit authorized towers, men  
11 and women who have businesses in the city, support this  
12 city through taxes, support this city through hiring  
13 employees, very much in support of a plan that they have  
14 to bring new revenue to the city, very similar to the  
15 plan, Chairman Warfield, that you presented before the  
16 Honorable City Council. I would hope that the fathers  
17 and mothers of our city adopt that plan and keep  
18 businesses in the city thriving and keep employing  
19 people paying property taxes and income taxes in the  
20 city so we continue to strive. Again, Ken Coleman.  
21 Thank you so much for your work, and happy New Year in  
22 2013.

23 CHAIRMAN WARFIELD: Thank you, sir.

24 MR. COLEMAN: I live -- if I can just say,  
25 Chairman, I live in Lafayette Park on the lower east

1 side. I grew in up in this district. I'm a Henry Ford  
2 High School graduate, proud to be a northwest sider.  
3 Thank you.

4 CHAIRMAN WARFIELD: Thank you, Mr. Coleman.  
5 And I will say -- I will just say this, Mr. Coleman.  
6 I'm hoping that, you know, very soon and since we have  
7 councilwoman here, we can put this bug in her ear.  
8 Hopefully very soon we will be able to make it through a  
9 subcommittee and be able to present -- because it was  
10 actually councilwoman who asked that we go into a room,  
11 sit down and bring our ideas together so we can come up  
12 with a viable plan. And we believe we have. But we are  
13 waiting for an opportunity to present that in front of  
14 the committee. And we think it would be a tremendous  
15 blessing to the city. So I thank you, sir. Appreciate  
16 your comments.

17 MS. SMITH: Good evening, Bernice Smith,  
18 political activist. I just want to tell Ken, everybody  
19 don't go by the Charter, Ken, as we all know. But  
20 anyway, to you, Chief, I cut out an article. You know,  
21 I'm always reading like the young lady back there said.  
22 It was Saturday on the 5th where you were being  
23 interviewed. You were with the mayor. You were doing a  
24 reconstruction plan. But what I want to say is I was  
25 kind of disheartened because of the fact that you did --

1 well, you -- didn't quote it. But it said the officers  
2 will not be relating to the burglaries any more. I was  
3 kind of upset because as most of us know, the other day  
4 on the TV, we did see a citizen's home that was  
5 burglarized not only one or two times but four times.  
6 And he did report it to the police, and they didn't show  
7 up.

8 Now, most of you know I am supporting this  
9 police department. But when you're wrong, I will tell  
10 you that you're wrong. And in this case, they did not  
11 show up. We had to see it on TV. And I was very upset  
12 about that. That's one thing. Also, we all know, we  
13 are in a -- crime is saturating our city. We know this.  
14 And we have to show more diligence, not only the police  
15 department but the neighborhoods. A lot of the people  
16 in the neighborhoods, you know who the crime people are.  
17 And another thing that upset me was we got a rapist  
18 running around here.

19 Now, when you have a man that do not respect a  
20 senior -- and I am a senior also. When you have his  
21 husband, the wife's husband in the car, and then you're  
22 going to take it upon yourself to rob them and put her  
23 in the back seat and rape her, I was really mad. I  
24 spoke about it on the radio this past week. Then you  
25 have another one that is raping a woman because she is

1 outside shoveling snow. Now, come one, we got to do  
2 something. The neighborhoods have to watch each other.  
3 We cannot stay in our houses and not be involved with  
4 nothing that's going on, the things that are going on in  
5 the street.

6 I am upset. I am upset because of the fact  
7 that the police -- I understand they are on 12 hours and  
8 they are frustrated too. But the fact is we got to be  
9 more observant in what's going on with our neighbors.  
10 And this I am really upset about. I do hope that the  
11 300 -- we not going to be the 300 no more. We call  
12 ourselves something else. We are going to start again.  
13 And I hope that we will not give the police any kind of  
14 competition because we are coming back out. These  
15 rapists cannot continue to do what they are doing to the  
16 seniors, and we cannot tolerate it any longer. And  
17 that's what I am upset about tonight. Thank you.

18 CHAIRMAN WARFIELD: Thank you, Miss Smith.  
19 Appreciate your comments.

20 MS. SEMMA: Good evening. Happy New Year  
21 everybody. Julie Semma, part of DATA, which is Detroit  
22 Authorized Towers Association that currently has several  
23 different tow companies or Detroit authorized towers for  
24 the City of Detroit. And we enjoy and love what we do.  
25 And we are family-owned businesses that work hard in the

1 City of Detroit. We love the men in blue, and we  
2 support everything that you guys do.

3 We currently came to you guys two weeks ago  
4 before you guys went on recess in regards to situations  
5 in regards to the ABAN problem that we are getting ready  
6 to face because we had certain departments saying go  
7 ahead and sign this and then we had certain departments  
8 as you guys set the rules and the guidelines to tell us  
9 not to do it.

10 Well, several of us tow companies did not tow.  
11 And from my understanding, there's 11 tow companies that  
12 did that currently tow for the city. Apparently as of  
13 December 26, 2012, a memo went into effect and put in  
14 effect that all ABAN's now are to go to 6311 Caniff,  
15 which takes away from our business, that holds us from  
16 having any more money being made. And all this is doing  
17 is effecting all of us. We have to abide by certain  
18 rules and regulations that we have done in the past  
19 years and still do. However, here comes the police  
20 department, whoever is in charge. And again, I don't  
21 know if it's you, Chief, or somebody else higher up, but  
22 implements it. And we need to know why because myself  
23 as well as other tow companies that were abandoned tow  
24 company towers when we were issued our permits, is  
25 violating our right to doing our business and taking

1 away our economic impact on our business right now.

2 So, I would like some answers today, please,  
3 because this is effecting not only myself but several  
4 Detroit authorized towers that are currently doing  
5 business in the City of Detroit.

6 INTERIM CHIEF LOGAN: DC Tolbert, could I get  
7 you to step forward? Would you be able to provide both  
8 the Board and Miss Semma an overview of what's going on  
9 with it?

10 DEPUTY CHIEF TOLBERT: Deputy Chief Tolbert,  
11 patrol operations west. What we do know is there was a  
12 meeting with the city officials. We were given a  
13 direction that all vehicles towed will go to the new  
14 Number One Pound. There were meetings set up with  
15 Detroit, the Police Department. The Police Department  
16 will tow the vehicles where we were told to tow the  
17 vehicles. This is basic simple. All we really need is  
18 if we have a vehicle, we call a tow truck. And the tow  
19 truck goes to a certain location. The location for  
20 abandoned vehicles and abandoned vehicles only is in  
21 fact the Number One Pound as we were instructed to do by  
22 the administration. And that's where we stand at this  
23 point.

24 CHAIRMAN WARFIELD: Well, I just want to  
25 reiterate and certainly and for Julie and for Deputy

1 Chief, here is what we understand. And you said it  
2 succinctly and correctly. This is not the department.  
3 This is not the Board of Police Commissioners. As we  
4 said before, we believe that the actions that are being  
5 taken not only break City Charter, it breaks City  
6 Ordinance, and it breaks the rules that bears the  
7 signature of the Mayor of the City of Detroit and the  
8 Chief of Police.

9 We issued a cease and desist order. After we  
10 issued that order, letters kept going out. We at the  
11 last meeting that we came -- that we had before the  
12 break, we asked the towers again for a third time, do  
13 not sign any letters because if you sign the letters,  
14 then you will be in violation of the current rules that  
15 have been promulgated and signed off by the mayor and  
16 the City of Detroit. So, we asked, as we said at the  
17 last meeting, for a facilitation meeting as is  
18 stipulated in the Detroit City Charter that we can sit  
19 down and iron this out before it goes any further.

20 Unfortunately, Julie, we have not heard from  
21 the administration on that point. So, certainly we will  
22 ask our staff to re-send the letter. We will also send  
23 a letter to City Council requesting that meeting because  
24 there are deficiencies and conflicts within City  
25 Ordinance as well as City Charter but not with our rules

1 because our rules are very clear. And the rule says  
2 that our permitted towers are to tow abandoned vehicles,  
3 which is a separate list from the regular rotation, to  
4 the district or the precinct where they are located. It  
5 is very clear in those rules. And again, those rules  
6 were signed off. They were validated. They were --  
7 they went through legal. They were checked off.

8 So, unfortunately we are waiting to hear from  
9 the administration. And again, it is not the  
10 department, it is not this Board. We are literally  
11 following dictates as has already been communicated from  
12 the administration, which we believe are in violation of  
13 our current rules, of City Charter and City Ordinance.

14 And I will say one more thing. And again,  
15 this is not a swipe, I promise, sir. But in that email  
16 that was sent out I believe on the 26th of December as  
17 relates to how ABAN's are to be processed, that's policy  
18 directive. That's setting policy. And whether it came  
19 from the administration or whoever it came from, the  
20 Charter is very clear that this Board sets the policy  
21 for this department. And when policy then comes from  
22 other areas of government and not this particular Board,  
23 then we have significant issues and significant  
24 conflict.

25 And so, we have to sit down with the

1 administration. I'm telling you, our department does an  
2 outstanding job. As you know, they are a para-military  
3 organization, meaning that they respond to the commands  
4 that are above them. And so, we have to sit down and  
5 clear this. It's unfortunate. It is really unfortunate  
6 that this situation is taking place because it does not  
7 have to be the way it is. And so, hopefully that  
8 answers your question. I think there are remedies that  
9 the towers can do themselves to address this issue  
10 themselves legally. And I suggest that you all look  
11 legally into what you can do to help assist in this  
12 situation. We are doing legally what we need to do in  
13 the Charter by following the mandates of the Charter  
14 when it talks about interdepartmental disputes. And I  
15 believe it's section 8 something, right? So, we are  
16 doing everything we can to make sure that we get this  
17 vetted out hopefully in a somewhat expeditious way.  
18 It's unfortunate. We regret it. And we believe there  
19 is a better way to handle this.

20 MS. SEMMA: Julie Semma for the --

21 COMMISSIONER WHITE: Before that --

22 CHAIRMAN WARFIELD: Commissioner White has a  
23 question.

24 COMMISSIONER WHITE: Just as a point of  
25 information, you referenced that the department will tow

1 ABAN vehicles as instructed by the -- as per  
2 instructions by the administration. Just for clarity,  
3 which communication are you referencing or which facet  
4 of the administration were you referencing?

5 DEPUTY CHIEF TOLBERT: Actually, as I said  
6 before, there were meetings that we had which caused the  
7 process to be explained to us as to what we were  
8 supposed to do. And what's that we are following.

9 COMMISSIONER WHITE: Is that a communication  
10 that could be shared with this body that the department  
11 is now acting on?

12 DEPUTY CHIEF TOLBERT: The process which we  
13 are currently using?

14 COMMISSIONER WHITE: Right.

15 DEPUTY CHIEF TOLBERT: I'm sure. I mean, it's  
16 common knowledge what we are doing now. That shouldn't  
17 be an issue.

18 COMMISSIONER WHITE: Okay.

19 DEPUTY CHIEF TOLBERT: We will make sure you  
20 get it.

21 COMMISSIONER WHITE: Okay. The second thing,  
22 Chair, not for you, Deputy Chief. But Chair, I do  
23 believe I heard you say that there are individuals who  
24 are currently violating rules as promulgated by this  
25 body. My next question would be -- and I'm not sure if

1 this is a question for counsel or not. But what are the  
2 parameters of this body? What is within our purview?  
3 What should be our next phase, Chair, to notify  
4 individuals who we believe are in violation of rules as  
5 promulgated by this body?

6 CHAIRMAN WARFIELD: According to the rules  
7 that were signed off on, adopted, when there's a  
8 violation of the rules, notification needs to be sent.  
9 And we need to conduct a hearing. So, a hearing needs  
10 to be conducted for those individuals who are in  
11 violation. And we probably need to start that process.  
12 However, instead of starting that process, sir, I really  
13 would rather -- I really would rather try and sit down  
14 with the administration to see if we can come to a  
15 viable solution because this is one of those things that  
16 I believe there's just so much -- a much better way to  
17 handle this where it would not cause this confusion,  
18 which would not put our towers in jeopardy of losing  
19 their businesses and the city then can gain a heck of a  
20 lot more revenue than it does under this current plan.  
21 So, hopefully we can sit down and do that. If we  
22 cannot, we will follow certainly the legal discourse  
23 that the Charter lays out for us.

24 In addition to that, we may have to have  
25 hearings with the towers as well. But I would hope to

1 give the administration another opportunity to sit down  
2 and meet and try and do this peacefully before we do  
3 that.

4 COMMISSIONER WHITE: Chair, you referenced  
5 prior to the hearing, that notification is required to  
6 be sent. Have we in fact communicated it to towers?

7 CHAIRMAN WARFIELD: We have not communicated  
8 that to towers. And I think we need to begin to think  
9 about how do we send that communication, who will direct  
10 staff to head up that process. I do have a question  
11 too, Deputy Chief. How many officers are assigned to  
12 the Number One Impound?

13 DEPUTY CHIEF TOLBERT: We have got two.

14 CHAIRMAN WARFIELD: Is there any reason why  
15 there would be eight officers over there at one time?

16 DEPUTY CHIEF TOLBERT: It's possible eight  
17 officers could be there. But they might have various  
18 duties that take them over there.

19 CHAIRMAN WARFIELD: Such as? Help us out.

20 DEPUTY CHIEF TOLBERT: The officer's detail  
21 might be going through there, the officers that are  
22 assigned there or officers who are just -- there is  
23 no -- there are only two officers assigned that I'm  
24 aware of at the Number One Pound.

25 CHAIRMAN WARFIELD: Just preliminary

1 reports -- I will be honest because I've seen it too.  
2 At one point this week, there were eight officers over  
3 there at the Number One Impound. Our issue was -- and  
4 we said this before -- is that if we are trying to get  
5 more resources on the ground -- and maybe that was an  
6 aberration. Maybe that was, you know, out of the box  
7 type situation that particular time. But if we are  
8 trying to get more resources -- this is not to you as  
9 much as it is to the administration. If we are trying  
10 to get more boots on the ground, and if we are trying to  
11 get more people to respond to calls to burglaries where  
12 folk are not able to, again, I said it on the record  
13 before, we need officers watching neighborhoods and not  
14 lots. It's just that plain and simple.

15 And so again, we hope we can sit down with the  
16 administration, iron out this inter-departmental  
17 conflict and be able to move forward. So, again, you're  
18 in a tough position. I understand that. And we are not  
19 beating you up at all. You're following records, and we  
20 do get that. We definitely get that.

21 DEPUTY CHIEF TOLBERT: I'd like to say  
22 truthfully speaking there is no reason unless duties  
23 take them over there, there are more than -- there are  
24 unless something has changed in the past five days. And  
25 I recently went over to patrol operations. Unless

1 something has changed in the last five days, there is no  
2 reason for -- there are not eight officers assigned to  
3 Number One Pound, only two.

4 CHAIRMAN WARFIELD: Okay. All right. Thank  
5 you, sir. Ma'am, anything else?

6 MS. SEMMA: Yes. Julie Semma again, co-chair  
7 of DATA. I just wanted to say that we follow the  
8 guidelines. We do everything that the department and  
9 everybody asks us to do including the Board of Police  
10 Commissioners. The one thing we don't understand is why  
11 do business owners in the City of Detroit abide by all  
12 the rules, pay the taxes, pay our Detroit headquarters  
13 based business licenses, pay all of our dues, pay all of  
14 our licenses and fees, yet now the administration comes  
15 in there and does whatever they want to do and take  
16 money out of our businesses? And this is something that  
17 is impacting not one tow company, not two, but several.  
18 And this is a domino effect. And I just want to state  
19 for the record, this is effecting hundreds of people,  
20 not only employees but our vendors because as we don't  
21 make money, we have an impact that pays 7.1 million  
22 dollars to the City of Detroit and that employs city  
23 council people, that employs a lot of other men, people,  
24 and men in blue. We love and do what we wanted.

25 We stated that the City of Detroit wants to

1 make money. We sat down with you guys as well as the  
2 administration. We generated an area of making anywhere  
3 from three to four million dollars. And we don't  
4 understand why the city is now going to take their own  
5 way of doing things, not following and breaking the City  
6 Charter, let alone the rules and not only effecting  
7 what's going on in the city. We talked about turning  
8 the city around. And instead all the administration is  
9 doing is hurting us. And that's the last thing we need.

10 So I suggest to all the people in here right  
11 now, if you guys can help the businesses supporting us,  
12 talk to different people because this is unethical.  
13 This is wrong. And this is taking food off all our  
14 tables. Thank you, guys.

15 CHAIRMAN WARFIELD: Thank you, ma'am. Are  
16 there others who wish to address the Board. Again, I'm  
17 asking if you can just hold with the sidebar  
18 conversations. Are there others who wish to address the  
19 Board? Yes, sir.

20 BOBBY: Yes, sir, Chairman Warfield.  
21 Bobby's Towing, part of DATA. I just hope that you do  
22 something for the ones that violated the City Charter  
23 and signed up with the police department because, as you  
24 know, this Board was formed to keep the playing field  
25 level. And I feel as though those 11 towers that

1           crossed over and agreed to do the towing, the playing  
2           field is not level because we all agreed not to do it,  
3           the ones that's following the Charter. And they are --  
4           so, they are getting capital gain and we are not. So,  
5           the playing field definitely is not level. And if they  
6           broke the rules -- they heard the rules -- then they  
7           should suffer the consequences. Thank you.

8                         CHAIRMAN WARFIELD: Thank you, sir. Are there  
9           others? Are there other comments for the Board? Last  
10          time. Are there others? Hearing or seeing none, I want  
11          to thank you. We will close that part of our meeting.  
12          Again, thank you so very much for coming out tonight.  
13          It's always good to be out in the community at a  
14          meeting. And all the issues that are discussed tonight,  
15          listen, you have committed, dedicated people,  
16          leadership, in this Detroit that do care and that will  
17          see to it that we get to the bottom of some of these  
18          things.

19                        And I want you to go back home to your  
20          communities and say look, as someone said earlier, what  
21          can we do to make sure this thing gets better? We are  
22          always going to work together collaboratively. We're  
23          always going to deal with tough issues. But we are  
24          never going to give up. We are never going to lose  
25          hope. We are never going to stop our righteous

1 indignation of moving forward to getting things done  
2 that needs to be done. Thank you very much for coming  
3 tonight. Have a safe trip home. God bless. I think we  
4 have some treats and some food and some delicious stuff.  
5 So before we eat, if I can get -- did Pastor Powell  
6 leave? Let me say grace over the food real quick, and  
7 then I think we can dig in.

8 Let us pray. Father God, we thank you for  
9 this meeting tonight. We thank you for these concerned  
10 citizens that are here. Bless us, Lord, as we continue  
11 in fellowship. We ask that you will bless the food,  
12 that it will be nourishment for our bodies. Bless the  
13 hands that prepared it and set it up. Now, Lord, let us  
14 fellowship as one. In Christ's name we pray. Amen.

15 God's bless you. Good night.
