DETROIT POLICE DEPARTMENT COMMAND STAFF:

DEPUTY CHIEF JAMES W. TOLBERT

1 Detroit, Michigan
2 Thursday, June 20, 2013
3 About 3:09 p.m.

4 COMMISSIONER WARFIELD: Good afternoon
5 everybody, welcome to the Board of Police
6 Commissioners meeting. My name is Jerome
7 Warfield, Chairman of the Board. I don't have
8 nobody with me as Ms. Smith said, but they're on
9 their way. There's some that are on their way.

10 I just wanted to respect your time and
11 get started as quickly as possible. Certainly
12 good to see all of you here.

13 Representing the Chief's Office at the
14 table with me today is the Deputy Chief James
15 Tolbert.

16 Deputy Chief Tolbert, good to see you,
17 sir.

18 DEPUTY CHIEF TOLBERT: Good afternoon,
19 sir.

20 COMMISSIONER WARFIELD: And also
21 sitting at the table is the Secretary to our
22 board, Mr. George Anthony. I'm going to ask if
23 Attorney Anthony could introduce all of our staff
24 that's here present.

25 SECRETARY ANTHONY: Thank you,

1 Mr. Chair. For the record, George Anthony,
2 Secretary to the Board. We have seated in the
3 front Ms. Pamela Davis-Drake, our Chief
4 Investigator at the Office of the Chief
5 Investigator; Ms. Loletha Porter-Coleman who is
6 our Director of Police Personnel; Ms. Celia Banks
7 Washington, the attorney to the Board; Mr. Robert
8 Brown standing in the back who is our office
9 manager.

10 We have Sgt. Alan Quinn who is
11 recording our proceedings and Mr. Dale Rose from
12 Hanson Court Reporting Service and that completes
13 the introductions, sir.

14 COMMISSIONER WARFIELD: Thank you, sir.
15 We appreciate that. At this time I'm going to
16 ask if Pastor Maya chaplain for the Detroit Police
17 Department could come and give us our invocation
18 to today's meeting.

19 PASTOR MAYA: Thank you, sir.

20 (INVOCATION WAS GIVEN.)

21 COMMISSIONER WARFIELD: Thank you,
22 Pastor, appreciate that. No Chairperson's report
23 right now -- well, no, no Chairperson's report
24 today, we'll defer that until next week.

25 We'll also defer the Secretary's report

1 if that's okay to next week as well. If we get
2 quorum we'll come back and vote on the items that
3 we need to vote on.

4 At this time we'll turn it over to the
5 Chief's Office.

6 DEPUTY CHIEF TOLBERT: Good afternoon.
7 Today from the Chief's Office we have a
8 presentation from Public Information, our own
9 lovely Sgt. Erin Stephens.

10 SGT. STEPHENS: Thank you, DC. To the
11 Chair, to the members of the Board of Police
12 Commissioners, to our guests and community
13 partners, thank you.

14 I'm Sgt. Stephens, at this time the
15 acting commanding officer for the Office of
16 Public Information and we will just give you a
17 brief overview of what our office do daily.

18 Before I begin I would like to
19 introduce members of my staff. I have the
20 civilian Ms. Yvette Walker, Police Officer
21 Christine Rozier, Police Officer Phillip Cook
22 and two members who are not present today would
23 be Police Officer Donald Donakowski and Police
24 Officer Cassandra Lewis.

25 Okay, now we have Chester L. Logan.

1 The Public Information Office, areas of
2 responsibility and service. Citizens'
3 information, we issue, for example, missing
4 alerts. Media relations, we will put together
5 press briefings and conferences. The web
6 Internet-based communication, that's our Sgt.
7 Alan Quinn and Officer Cook who pretty much will
8 be the overseer on that and Sgt. Quinn also
9 handles our video production.

10 The Public Information Office consists
11 of two sergeants, myself and Sgt. Quinn, four
12 police officers and one civilian. Citizens'
13 requests for information. Our PIO staff responds
14 to approximately 500 calls and e-mails per week,
15 that's 26,000 per year and we operate Monday
16 through Friday 9 AM to 6:30 PM, but I am on call
17 24/7 except for vacation.

18 The general information, we receive our
19 requests, FOIA, Freedom of Information Act
20 inquiries, referrals to various Detroit Police
21 Department units and our mission is to provide
22 professional service and reliable information.

23 Media relations, our core values would
24 be, we try to be direct -- we are direct and
25 honest with the media and members of the public

1 and provide reliable and courteous service, even
2 though it's sometimes hard when we're dealing
3 with individuals like Charlie LeDuff, but we will
4 try.

5 Working on building public confidence
6 in Detroit Police Department and its officers by
7 providing positive stories to media. Keep in
8 mind that the media when we provide them positive
9 stories if it's not happening like right then and
10 there, they pretty much won't air it.

11 A lot of times it takes time to process
12 a case and once the case has been -- come in to
13 the prosecutors the warrant has been signed, if
14 it's -- we submit it to the media. They probably
15 won't air if it didn't take place right then and
16 there.

17 (Commissioner Taylor arrives.)

18 SGT. STEPHENS: We also aim to be part
19 of Detroit Police Department's overall crime
20 reduction effort, whereas promoted CrimeStoppers,
21 educating the public on crime issues. We now
22 post our 24-hour major crime summaries letting
23 the citizens know about crime that's happened
24 within the last 24 hours. We share information
25 with our community partners via e-mails and

1 posting or our Facebook page.

2 Media relations. Renewed focus on
3 promoting Detroit Police Department successes and
4 initiatives. Our major law enforcement partners
5 were now we have Detroit 1 which is a violent
6 crime reduction initiative, homicide reductions
7 which -- the homicide reduction I believe is a
8 credit to the work of our officers and our law
9 enforcement partners and our investigators.

10 As you know, the business community has
11 stepped up where we're going to receive
12 approximately 100 new police cars and the new
13 basic recruit class to begin in the near future
14 where we're going to have officers who are going
15 to be signing up to become Detroit's finest in
16 the future.

17 The website. Responsible for updating
18 all content and information on the internal
19 Detroit Police Department website. This is not
20 the City of Detroit web which is open to the
21 public. This is just an in-house website for our
22 police officers.

23 Video production is Sgt. Quinn. He has
24 pretty much recorded our Board of Police
25 Commissioners community meetings, special

1 projects, requests for department units. Our
2 success stories, videos are aired on our YouTube,
3 videos for DPD Academy, events, officer award
4 program and crime prevention safety tips which we
5 do post.

6 The YouTube channel promotes the
7 department. Videos of recent successes and
8 community initiatives give viewers a chance to
9 see more than just what makes the news, a look
10 inside aspects of DPD.

11 Thank you and do you have any
12 questions?

13 COMMISSIONER WARFIELD: For the record,
14 I just want to state for the record that
15 Commissioner Taylor has joined us.

16 COMMISSIONER TAYLOR: Hi. I just have
17 one. Are any of these videos available and if
18 so, how can you get them?

19 SGT. STEPHENS: Sgt. Quinn, our YouTube
20 videos?

21 SGT. QUINN: Well, they're all
22 available on the web and I think YouTube -- Sgt.
23 Quinn for the record, I'm sorry.

24 I think they have a feature where you
25 can download them from YouTube, but if anybody

1 wants specific ones, we can make them available.

2 Additionally, all media conferences
3 that we have for the police department that we're
4 involved in, we put them in their entirety on
5 YouTube, so you don't just get the two seconds or
6 five-second snippet, but we can see the whole
7 picture, you can understand the context of the
8 conversation.

9 COMMISSIONER TAYLOR: Okay, thank you.

10 COMMISSIONER WARFIELD: Just a couple
11 of questions, Sgt. Stephens. As you know, I
12 think you do a very good job, so thank you for
13 all of your hard work. You've been in some
14 stressful situations and I think you've pulled it
15 off very very well, so kudos to you and to your
16 staff for what you do.

17 SGT. STEPHENS: Thank you.

18 COMMISSIONER WARFIELD: A couple of
19 questions I have though. Let me just -- I can't
20 remember the first one, so I'll go to the second
21 one. A few weeks ago there was a story that was
22 out regarding an operation that was going on at a
23 gas station with a purse snatching.

24 SGT. STEPHENS: Yes.

25 COMMISSIONER WARFIELD: Whose idea was

1 it to put the media at that scene, Channel 4?

2 SGT. STEPHENS: Yes, it was Channel 4's
3 idea who came to us and asked if they could use
4 two of our officers to play role. One officer
5 was going to be the suspect and another member --
6 no, just one officer and you had another member
7 who was just going to give an overview of what it
8 would take for a citizen to be a great witness.

9 And they've done them in the past and
10 we've had no problems. By this chance there was
11 just an FBI agent who was there. He never pulled
12 his gun. He was in motion to go towards the
13 purse snatcher, the officer, but then we had a
14 plainclothes -- I mean we had a uniformed officer
15 who was there who said, "Hold on, we're play
16 rolling", so now we know if we more in the future
17 that we're just going to have to have a tighter
18 hold on our scenario compared to what happened in
19 the past.

20 Because the thing is, they want to
21 catch the citizens' reaction. They didn't want
22 to plant the seed, they didn't want to do
23 anything to let the citizens know that this is
24 occurring, and so we saw what can happen in real
25 life whereas if you're planning something and a

1 crime occurs, even though we know that hopefully
2 the officer wouldn't have been shot just for a
3 purse snatching, but you never know.

4 COMMISSIONER WARFIELD: You never know.

5 SGT. STEPHENS: So it was a learning
6 experience for us and we'll know what to do as we
7 move forward if this should occur again.

8 COMMISSIONER WARFIELD: I would just
9 ask and I'm sure this Chief and the new Chief
10 will have a policy in place as a result of that
11 that we think probably two or three times before
12 we put forth scenarios with TV camera news crews
13 as relates to either actual criminal activity or,
14 you know, staged criminal activity in the midst
15 of a public setting because, as you I think
16 appropriately said in your press release you just
17 don't know who's watching, you don't know who's
18 standing around and anything could jump off.

19 So I would just hope that in the future
20 moving forward we will be very careful about
21 allowing news crews, whether it's a staged event
22 in the public or whether it's a criminal event
23 like the 48 Hours which we know don't happen any
24 more, move forward.

25 SGT. STEPHENS: And just let me say in

1 the past we have not had a problem and if the FBI
2 agent wasn't there it would have went off smooth,
3 so I believe -- and taking in what you're saying,
4 I just believe that next time we're just going to
5 have -- identify the individuals, block off the
6 scene so no one can go in and out to make sure
7 that you're going to be participating as a player
8 in this skit and they're just going to have to
9 have knowledge to know that it's going down.

10 COMMISSIONER WARFIELD: All right.

11 SGT. STEPHENS: So yes, most definitely
12 as we move forward we probably would have more
13 perimeters intact to ensure that doesn't happen
14 again.

15 COMMISSIONER WARFIELD: Okay. The
16 other question, I do remember what it was.
17 Obviously, with the fireworks coming upon us on
18 Monday and we expect a number of people to be
19 here in the city of Detroit and as I think I sent
20 you an e-mail that the tow rates have changed and
21 I think it would be beneficial if somehow mass
22 communication could go out to all of the media,
23 print and video if that's a term, and alert
24 citizens that they need to park properly or they
25 will spend bare minimum \$215 to get their car

1 from a towed situation.

2 SGT. STEPHENS: Yes.

3 COMMISSIONER WARFIELD: And so I mean
4 that needs to be spread out across the city,
5 across the suburbs that it's going to cost you
6 \$215 if your car is towed because of it being
7 illegally parked on fireworks night.

8 So if we can put that press release out
9 I think it may save some frustration of those who
10 watch some of the local news channels and media.

11 SGT. STEPHENS: Yes, and just so you
12 know, the Mayor's Office, they've issued a
13 release and they're going to be setting up some
14 interviews from now probably beginning tomorrow
15 through the weekend and so the areas will be the
16 tow, where there will be an emergency curfew and
17 also that Belle Isle will not officially open
18 until 2.

19 COMMISSIONER WARFIELD: Right.

20 SGT. STEPHENS: And then also in Hart
21 Plaza you won't be able to begin to set up until
22 2.

23 COMMISSIONER WARFIELD: Right.

24 SGT. STEPHENS: So those are key things
25 that we will be pushing and the River Walk will

1 not be open either to the public.

2 COMMISSIONER WARFIELD: Right, exactly.

3 SGT. STEPHENS: So yes, sir, we will.

4 COMMISSIONER WARFIELD: Okay, great. I
5 just -- the sticker price needs to be out there
6 so people can know it. We don't need to be hiding
7 that because we will face the burden of that if
8 we try to hide it and sweep the sticker price
9 under the rug.

10 SGT. STEPHENS: Oh, yeah, I agree.

11 COMMISSIONER WARFIELD: Anything else,
12 ma'am?

13 COMMISSIONER TAYLOR: No, I don't have
14 anything.

15 COMMISSIONER WARFIELD: Thank you so
16 very much. Again, I do appreciate your job
17 because we are not the most benign city as
18 relates to worthiness. We kind of busy, we jump
19 all over the place and you're called into action
20 often, be it while you're here or you have to
21 come through somewhere and get here and I thank
22 you for your due diligence in what you do.

23 SGT. STEPHENS: I just stay prayed up.

24 COMMISSIONER WARFIELD: Yes, ma'am, I
25 know you do. Thank you. Sir, anything else?

1 DEPUTY CHIEF TOLBERT: No, not at this
2 time.

3 COMMISSIONER WARFIELD: Thank you. At
4 this time because we don't have quorum right now,
5 the directives, Lt. Bliss, we'll hold over to
6 next meeting we will tackle those issues then.

7 I did ask for -- and I'd rather do this
8 now, then we have comment on it later or Comm.
9 Love, you might want to help me with this if you
10 want to do this now or later during the oral
11 communication or do it now. Well, we can do it
12 now. Let's start doing it now.

13 Certainly a couple of meetings ago
14 there was an issue brought up as it relates to
15 forfeiture and -- what was the other -- evidence
16 vehicles, and with the new tow rate in place that
17 was passed and voted on by the Detroit City
18 Council and the Tow Rate Commission, how does
19 that impact forfeiture and evidence vehicles.

20 And so we just need some guidance and
21 some understanding what we can and can't do and
22 then I'll give you what I believe, you know,
23 where we should or should not be.

24 CMDR. LOVE: Cmdr. Love, Resource
25 Management, for the record. Actually, Chair, the

1 tow rates of course we know was increased May
2 1st. Evidence and forfeiture vehicles were never
3 addressed with that increase.

4 Officer Clark and Lt. Adams had drafted
5 some proposals that we were going to talk to the
6 City about to address the evidence vehicles and
7 the forfeiture vehicles. We had a meeting
8 scheduled for that today, but that didn't
9 transpire.

10 The City came out -- Andre Duberry came
11 out with a letter that I received in e-mail form
12 and I guess it went out to the editorials as well
13 that stated until they come up with a new
14 protocol or a new fee for evidence and forfeiture
15 vehicles everything will remain status quo, so
16 right now the way it was in the past is the way
17 it is right now.

18 COMMISSIONER WARFIELD: I talked with
19 him as well and basically he did tell me the
20 exact same thing, that it was not addressed, so
21 one of the things that I think we have to do is
22 -- and I know one of the reasons they put a tower
23 on the Tow Rate Commission hopefully they can
24 vet that stuff out before we're in the position
25 we are right now.

1 So we probably need to talk to the Tow
2 Rate Commission. Maybe we can have Jack Morton
3 or somebody from the Tow Rate Commission to come
4 and address the issue if it was addressed in
5 their deliberations and if that was part of their
6 deal or not, and we can go from there.

7 My only thing is -- and we've talked
8 privately about this so you know --

9 CMDR. LOVE: Yes, sir.

10 (Commissioner Stewart arrives.)

11 COMMISSIONER WARFIELD: -- I'm very
12 cautious about changing fees and formulas that an
13 elected body like the Detroit City Council
14 passed. I do think there's precedent and
15 protocol that is in place and Andre -- I'm sorry,
16 Director of Purchasing, Mr. Duberry, did say that
17 this was something that we would do from now
18 until we can get this straightened out.

19 So -- and if that's the position that
20 you all take, certainly we can support that.
21 However, I do want us probably sooner than later
22 to hear from the Tow Rate Commission as well as
23 Purchasing and we can move forward with this so
24 that everybody is on the same page.

25 I know there's a bunch of towers here

1 who want to comment on this as well and we want
2 to hear from them, so if you could just hang
3 loose and we can -- if there's some questions we
4 may have of them as well.

5 Anything else you'd like to say about
6 that?

7 CMDR. LOVE: No, sir, that's it.

8 COMMISSIONER WARFIELD: Again, for the
9 record I want to say that Commissioner Stewart
10 has joined us as well. Sir, good to see you.

11 COMMISSIONER STEWART: Good to see you
12 too, sir.

13 COMMISSIONER WARFIELD: Any questions
14 for Comm. Love before we move forward?

15 COMMISSIONER TAYLOR: No, no questions.

16 COMMISSIONER WARFIELD: So we'll
17 probably get back to you. Thank you, sir.

18 I want to make an announcement that our
19 next meeting is going to be Thursday, June 27th,
20 2013 at 3 o'clock PM, Central District, right,
21 7310 Woodward, Detroit 48202.

22 I want to, for the record, declare that
23 we do have quorum and I'm going to go back and
24 ask that we have a motion to approve today's
25 agenda.

1 COMMISSIONER TAYLOR: So moved.

2 COMMISSIONER STEWART: Second.

3 COMMISSIONER WARFIELD: It's been
4 properly moved and supported without objection.
5 All those in favor?

6 COMMISSIONERS: Aye.

7 COMMISSIONER WARFIELD: Motion carries.
8 Also a motion to approve today's -- I'm sorry,
9 Thursday, June 13, 2013 minutes.

10 COMMISSIONER TAYLOR: So moved.

11 COMMISSIONER STEWART: Support.

12 COMMISSIONER WARFIELD: Without
13 objection, all those in favor?

14 COMMISSIONERS: Aye.

15 COMMISSIONER WARFIELD: All right.
16 Unfortunately I think Lt. Bliss left so that's
17 okay -- oh, no, he's still here. Well, come on
18 up, let's do this. Let's handle this real quick.

19 LT. BLISS: Yes, sir. Commissioners
20 and Deputy Chief, today for your approval is --

21 COMMISSIONER WARFIELD: Your name for
22 the record, sir.

23 LT. BLISS: Lt. Mark Bliss, Planning
24 and Accreditation. Today for your approval is
25 Manual Directive 401.2 Transfers and Directive

1 203.7 Organized Crime, Vice and Narcotics.

2 Commissioner, at our last meeting
3 regarding transfers I stated the only major
4 change was just the implementation of the MAS
5 procedures and then regarding 203.7, the
6 Organized Crime, Vice and Narcotics, it's
7 essentially the same. We took out some old
8 paperwork references that are no longer being
9 used, but the core of the directive, the core
10 policies, are exactly the same.

11 COMMISSIONER WARFIELD: Okay, thank
12 you, sir. Any questions or comments for Lt.
13 Bliss?

14 COMMISSIONER TAYLOR: None.

15 COMMISSIONER STEWART: None.

16 COMMISSIONER WARFIELD: All those in --
17 I'm sorry, I will entertain a motion to adopt
18 Directives 203.7 and 401.2.

19 COMMISSIONER STEWART: So moved.

20 COMMISSIONER TAYLOR: Support.

21 COMMISSIONER WARFIELD: Any discussion?
22 Hearing or seeing none, thank you, sir. All
23 those in favor?

24 COMMISSIONERS: Aye.

25 COMMISSIONER WARFIELD: All those

1 opposed? Motion carries. Appreciate it, thank
2 you.

3 LT. BLISS: Thank you.

4 COMMISSIONER WARFIELD: Appreciate you
5 sticking around. All right. At this point we
6 will open up the floor for oral communication.

7 If you wish to address the Board of
8 Police Commissioners we ask that you come at this
9 time, give us your name and we ask that you abide
10 by our two-minute time limit so that we may hear
11 from as many folks as possible.

12 You may come at this time.

13 MS. ROBINSON: Good afternoon. I am
14 Katrice Robinson, president of Midwest Civil
15 Council Block Club.

16 I had just a couple of questions that
17 concerns -- one in regards to the Powerpoint. I
18 noticed that -- I wanted to know how often do you
19 recruit new officers, and my other concern is I
20 heard her mention that the River Walk is going to
21 be closed during the fireworks and if we're going
22 to have tourism during that time, then how will
23 we generate revenue if all the activities are not
24 going to be available to them.

25 COMMISSIONER WARFIELD: Thank you,

1 Ms. Robinson. I think I can address both of
2 those concerns, and Director Porter, you help me
3 if I get messed up.

4 As far as the recruiting phase, we
5 recruit all the time. Our doors are always open
6 to receive those who are interested in Detroit
7 Police Department and there are members of the
8 department that go out to recruit as well.

9 So that's an ongoing thing for us, so
10 it's not just like in these months.

11 MS. ROBINSON: A seasonal.

12 COMMISSIONER WARFIELD: Right, exactly,
13 it's ongoing. On the second thing, that's the
14 Mayor's decision. I think it's going to be open
15 up to a certain point and I think after a certain
16 point, and you can correct me, sir, that they're
17 going to close it down, that no new traffic can
18 go on the River Walk, but that's a mayoral
19 decision that comes pretty much from that office.

20 I know they confer with us as well
21 because -- here's the issue. The issue is how do
22 you, to the very best of your ability, in light
23 of what has happened in Boston and other areas,
24 make sure that if there's 700,000 or a million
25 people downtown how do you do the very best you

1 can to prevent any potential acts that might mar
2 that event.

3 We have layers of security that the
4 public will never see. However, we do know that
5 there are some things that we can do as relates
6 to crowd control that helps even further enhance
7 security. And so that was one of the measures
8 that was being taken. Now, Deputy Chief might
9 have a little bit more to say about it.

10 DEPUTY CHIEF TOLBERT: And you're
11 absolutely right. Through the Chair, you're
12 absolutely right, Commissioner.

13 Our concern is being able to manage the
14 people in a way that we can safely do so for the
15 sake of the people and the sake of the officers.

16 When you have more area to cover, you
17 have to spread it out more, so if we can -- and
18 then a couple other things. Obviously if you've
19 been down by the River Walk during the time of
20 the fireworks there's a lot of debris that falls
21 too.

22 So you have to be careful, you can't
23 have it open in certain areas of the River Walk
24 anyway because of the debris that falls from the
25 fireworks, so that's a concern.

1 And also the coverage of the area, all
2 of the River Walk. So -- and it will be open
3 prior to the day so that we're not interrupting
4 anybody who wants to go down there and enjoy it
5 during the day, but just at some point after
6 approximately -- right after working hours it
7 will be closed down, we'll clear it out and then
8 we will go forward with the fireworks and then
9 after the fireworks it will open back up.

10 MS. ROBINSON: Well, see, I understand
11 that, but -- and I understand the safety as well
12 but when you have crowds of people I think as a
13 deterrent that you should allow some type of
14 activity, especially when there's a lot of
15 children for they to do something other than just
16 running around and bothering other people and
17 disturbing people that are down there to enjoy
18 the fireworks, so there needs to be some type of
19 activity.

20 And every time we have a convention or
21 something and people go out to eat as you said
22 after business hours, then everything is closed
23 down, so how do we generate revenue if everything
24 is closed?

25 COMMISSIONER WARFIELD: Well, I'm sorry

1 if I gave that indication that everything is
2 closed down.

3 MS. ROBINSON: Well, no, I'm not saying
4 that everything will be closed for the fireworks,
5 but with special attention you're saying about
6 the River Walk, and I understand that it would
7 have to be closed during the fireworks session,
8 but from 2 o'clock until that time are you saying
9 that it's going to be open?

10 COMMISSIONER WARFIELD: Yes, it would
11 be open, if I'm not mistaken, up through I think
12 right after -- is it 4?

13 DEPUTY CHIEF TOLBERT: 4 o'clock we
14 start closing. It will be open all day long.

15 MS. ROBINSON: But see, people can't
16 come down until 2 o'clock, they can't set up shop
17 until 2.

18 DEPUTY CHIEF TOLBERT: They can't set
19 up shop on the River Walk, but they can -- what
20 you want during the daytime when people come to
21 Hart Plaza and enjoy themselves and to come for
22 lunch, we don't want to stop that.

23 We don't want people setting up at 10
24 o'clock in the morning at Hart Plaza and
25 therefore people who come there and try and enjoy

1 the day, they can't do that.

2 So we're going to limit the time
3 individuals can set up, and plus once you set up
4 in Hart Plaza we still have the safety concerns,
5 so once it's cleared out, then we have people who
6 want to bring packages in, we want to inspect
7 those packages.

8 If we have people setting up all day,
9 we won't have a clean zone and we want to start
10 off with a clean zone and keep it clean once we
11 close the plaza and inspect packages coming up
12 because people will be set up, we'll have
13 hundreds of thousands of people set up in Hart
14 Plaza.

15 So we want to make sure the zone is
16 clean and it's clean as we go forward for the
17 fireworks.

18 MS. ROBINSON: Okay, and I understand
19 that, but along with your media person when you
20 go to mention those hours, can you also mention
21 the hours that the River Walk would be available
22 so that people can plan and have things to do
23 other than disturbing, you know.

24 COMMISSIONER WARFIELD: Yes, ma'am.
25 We'll send that note over as well.

1 MS. ROBINSON: Thank you.

2 COMMISSIONER WARFIELD: Thank you, good
3 points, thank you, ma'am.

4 MR STIDHAM: Good afternoon, Mr. Chair,
5 Commissioners, Mr. Secretary and Deputy Chief.
6 Tom Stidham and I'm here to address two distinct
7 issues.

8 One, Commissioner Warfield, with
9 respect to the proposed tow rate changes that are
10 being bandied about by the Administration, I just
11 want to be clear.

12 I attended every single Tow Rate
13 Commission meeting and evidence and forfeiture
14 vehicles certainly were discussed, deliberated
15 and considered. In fact, the plain language of
16 the resolution that was passed by the Tow Rate
17 Commission and the Detroit City Council clearly
18 states that these rates apply to each tow to any
19 -- any private or city-owned storage lot.

20 So -- and I think the effort by whoever
21 -- I don't know if it's coming from the
22 Administration or perhaps within the department
23 or elsewhere -- to adjust the rates, it has to
24 simply go through the Tow Rate Commission and the
25 City Council.

1 And until that happens, I think that
2 the memo that was written is clearly in error.

3 Secondly, about a month ago I believe
4 someone -- I forget precisely who it was that
5 came before this Board to discuss and celebrate
6 the success that a specific narcotics program had
7 been making in the community.

8 As part of that -- and Deputy Chief, I
9 can't remember the name of that.

10 DEPUTY CHIEF TOLBERT: NIP-IT.

11 MR. STIDHAM: NIP-IT, yes, thank you.
12 As part of that report they discussed about 1,800
13 -- approximately 1,800 cars have been towed as
14 part of that program over a 10-week period. I
15 have clients here that have towed one car a day
16 for a prolonged period of time and that program
17 was occurring in some of their areas, the hot
18 spots.

19 I'm simply trying to wonder if -- or
20 ask if this board can assist us in getting some
21 idea of who towed all those vehicles --

22 COMMISSIONER WARFIELD: Sure.

23 MR. STIDHAM: -- pursuant to the NIP-IT
24 program and who's continuing to tow those
25 vehicles and how long -- or how many have they

1 towed in the last 10 to 20 weeks. Thank you.

2 COMMISSIONER WARFIELD: Stay there for
3 a second. Let's do the second one first.

4 Do you think it's possible to get that
5 information who towed?

6 DEPUTY CHIEF TOLBERT: Absolutely, sir.

7 COMMISSIONER WARFIELD: We'll get that,
8 we'll get that information for you. That's not a
9 problem.

10 And your information certainly on the
11 tow rate discussion is very timely and certainly
12 I was not at all of those meetings so I just flat
13 out did not know and that certainly was one of my
14 concerns is that if this was brought up in that
15 discussion and if they had bantered this topic
16 about and decided and deliberated that it's going
17 to be for every tow, then we need to know that so
18 that, you know, the practices of the past will be
19 understood in light of what this new tow rate is,
20 and so if possible, do you know if they kept
21 minutes?

22 MR. STIDHAM: I believe some minutes
23 were kept. I'm not certain.

24 COMMISSIONER WARFIELD: So here's what
25 we're going to ask. We want to either ask to see

1 some minutes or to invite somebody here from the
2 Tow Rate Commission next week, see if we can get
3 somebody to come next week, to give us some
4 understanding because I think that will settle
5 the argument right there and I think -- and then
6 of course the question then will be what to do
7 with those fees that either were or were not paid
8 since the new rate has been in force.

9 And so we will cross that bridge when
10 we get to it obviously, but we definitely need to
11 have someone from the Tow Rate Commission because
12 Mr. Duberry wants the same information.

13 Our question is, who has the authority
14 to change what an elected voting body has done
15 and was this topic broached in their
16 deliberations, and apparently according to you,
17 sir, certainly they have been, so thank you
18 because your information is very helpful.

19 MR. STIDHAM: I would submit not only
20 was it, but I think if one just reviews the plain
21 language of the resolution that was passed by the
22 Towing Commission and Council, again it says any
23 city lot or privately owned lot.

24 COMMISSIONER WARFIELD: Okay.

25 MR. STIDHAM: Also I just want to know

1 what -- with respect to the memo that was
2 circulated by -- dated June 8 by Cheryl Johnson
3 and distributed by Mr. Duberry will the Board
4 issue some guidance to the towers because the
5 fireworks are Monday obviously and --

6 COMMISSIONER WARFIELD: Is that the
7 memo regarding the fee for the fireworks?

8 MR. STIDHAM: Well, it covers --
9 appears to cover more than just fireworks, but it
10 addresses the evidence and forfeiture vehicles.

11 COMMISSIONER WARFIELD: For that,
12 again, we'll discover that. I mean, we'll take
13 this issue up and probably make a definitive
14 decision next week once we hear from those who
15 actually did the deliberating on that matter as
16 relates to the forfeiture and evidence vehicles.
17 So we can do that next week.

18 As far as the fireworks, I'm not sure
19 what you're referencing.

20 MR. STIDHAM: Well, is there any --
21 first of all, is there any special detail for the
22 fireworks or are they doing any in a rotation
23 system? I don't know, I haven't heard of
24 anything.

25 COMMISSIONER WARFIELD: I think they're

1 doing rotation unless there's something special.

2 Commander?

3 MR. STIDHAM: Thank you.

4 COMMISSIONER WARFIELD: Thank you, sir.

5 CMDR. LOVE: Cmdr. Love, Resource
6 Management again for the record. I'm going to
7 bring Officer Roland Clark up and defer this
8 question to him because he's my tow expert in my
9 office.

10 COMMISSIONER WARFIELD: Plus he hasn't
11 been up to the mic in a long time.

12 CMDR. LOVE: Absolutely.

13 OFFICER CLARK: Good afternoon,
14 Commissioner. Officer Roland Clark for the
15 record. We are having a tow program for the
16 fireworks. We're going to have -- there will be
17 two locations. There will be one operating from
18 2121 West Fort Street and the other one will be
19 on Belle Isle.

20 All towers were invited, if you will,
21 to participate. Of the 24 companies I believe we
22 had -- I want to say -- eight that agreed to
23 participate. I believe what Mr. Stidham is
24 referring to is the rates.

25 We sent out a letter describing the

1 rates based upon what happened in previous years.
2 However, we met with some resistance, so we
3 changed it. The rate will be \$125. The rate is
4 supposed to be \$125 plus a \$75 administrative
5 cost plus \$15 a day which is \$215. That's the
6 rate, that's what we'll pay the towers and that's
7 what we'll collect.

8 COMMISSIONER WARFIELD: Question, sir.
9 In the letter that you had sent out inviting
10 towers to participate, was a revised rate in that
11 letter?

12 OFFICER CLARK: The second letter, the
13 revised rate was in the second letter.

14 COMMISSIONER WARFIELD: Which probably
15 is why some towers opted not to participate?

16 OFFICER CLARK: Yes, sir.

17 COMMISSIONER WARFIELD: And I don't
18 know how it was done in the past so I'm not
19 trying to throw any resistance in, but I do know
20 that -- well, I think it would be fair if an
21 invitation went out to all the towers again.

22 OFFICER CLARK: It has, sir.

23 COMMISSIONER WARFIELD: Did you give
24 them a deadline to respond?

25 OFFICER CLARK: I give them a deadline

1 of tomorrow?

2 COMMISSIONER WARFIELD: When did the
3 letter go out?

4 OFFICER CLARK: The letter went out day
5 before yesterday I believe, it was faxed to all
6 the towers.

7 COMMISSIONER WARFIELD: That's Tuesday
8 or Wednesday -- Tuesday. So it went out Tuesday
9 and we asked them to respond by Friday?

10 OFFICER CLARK: Yes, sir.

11 COMMISSIONER WARFIELD: Okay, cool.

12 All right, so just for the record so we're clear
13 then a revised letter went out basically saying
14 that the rate is going to be \$125 for the two,
15 \$75 administrative fee and \$15 for storage.

16 The \$15 for storage -- now, what's
17 interesting where is the \$15 for storage going to
18 go to? Is that going to the City?

19 OFFICER CLARK: It's going to the City.

20 COMMISSIONER WARFIELD: Because it's
21 going to be towed to basically city property.

22 OFFICER CLARK: Yes.

23 COMMISSIONER WARFIELD: Not a problem
24 with that. So the towers will get their \$125 tow
25 fee?

1 OFFICER CLARK: Yes, they will. They
2 will make out a bill per tow. Every tow that
3 they drop at either location they will present us
4 with an invoice and we will go through the normal
5 process to get them paid.

6 COMMISSIONER WARFIELD: And the City
7 will receive \$90?

8 OFFICER CLARK: Yes.

9 COMMISSIONER WARFIELD: Okay, all
10 right. So again, hear ye, hear ye, to dispel any
11 rumors or myth a letter did go out to all of the
12 towers inviting all of the towers to be part of
13 the fireworks towing.

14 Now, my question is how do you rotate
15 them? Say if all 27 towers say, "Count me
16 in" --

17 OFFICER CLARK: Well, every tower --
18 every officer is assigned one or two towers and
19 so one officer may tow 10 cars, and one officer
20 may tow five cars, but we try to make it as fair
21 as possible.

22 But when you have -- when you have that
23 many people in a tow operation, it's almost
24 impossible to line up every tower and say you get
25 this one, you get the next one, you get the next

1 one and so on and so forth.

2 It's almost possible to do that.

3 COMMISSIONER WARFIELD: All right. You
4 say every officer will be assigned two towers?

5 OFFICER CLARK: At least two towers.

6 COMMISSIONER WARFIELD: And I'm not
7 going over -- I certainly don't want to get into
8 security numbers, but I'm throwing a figure out,
9 all right.

10 I'm just throwing this out top of my
11 head. 1,000 officers are downtown, I'm just
12 throwing this out. I know it's not 1,000. I'm
13 just throwing this out. I'm just telling you
14 what I heard.

15 OFFICER CLARK: I don't mean like every
16 officer that's assigned to the fireworks detail.
17 Every officer that's assigned to the tow detail
18 will be assigned a number of trucks because we
19 don't know -- we didn't know how many people --
20 how many tow trucks or companies had signed up,
21 so once we get a number, then we can assign those
22 trucks per officer that's assigned to the detail.

23 COMMISSIONER WARFIELD: How many tow
24 detail officers do you have -- are you going to
25 have I should say?

1 OFFICER CLARK: We have approximately
2 six per location.

3 COMMISSIONER WARFIELD: So the location
4 on Belle Isle and the location at Fort?

5 OFFICER CLARK: Yes.

6 COMMISSIONER WARFIELD: Can we get
7 together on this because that sounds confusing to
8 me?

9 OFFICER CLARK: Sure.

10 COMMISSIONER WARFIELD: Can we get
11 together with staff like tomorrow --

12 OFFICER CLARK: Sure.

13 COMMISSIONER WARFIELD: -- and sit down
14 and go over some logistics because just from a
15 logistics standpoint because here's what I don't
16 want to deal with.

17 I don't want to deal with -- or I don't
18 want us -- I don't want us as a department to put
19 something out there where the detail, the tow
20 detail, seems to be not fair. I know it's not
21 nobody's intent, that's not anybody's intent.

22 I just want to make sure that it's
23 clear that towers know this is the process and if
24 we have to line them up in alphabetical order, if
25 we have to give them tow numbers to tow cars,

1 whatever we have to do, I want to make sure that
2 we go the extra mile to make sure that there is a
3 rotation, you know, an equal distribution of
4 rotation.

5 Now, I'm not saying you criss-cross
6 lots, so if you're assigned to this area, then
7 that's where you're going to tow from.

8 OFFICER CLARK: Right.

9 COMMISSIONER WARFIELD: If you're
10 assigned to this area, that's where you're going
11 to tow from.

12 And then there is a distribution
13 because you know who will be at those lots. And
14 so if there's three officers over here and three
15 officers over here, somehow or another in the
16 calling of those towers there ought to be a list
17 or something, a check-off, that says okay, ABC
18 got this one, XYZ gets the next one and LMN gets
19 the next one, if that makes sense.

20 OFFICER CLARK: It does.

21 CMDR. LOVE: And I just want to chime
22 in. Cmdr. Love again for the record. It makes
23 total sense to me, so we can talk tomorrow with
24 your staff and I understand we don't want any
25 towers to be left out of a rotation and if we can

1 do it by area, then that should be sufficient
2 enough to send them out in a certain order.

3 COMMISSIONER WARFIELD: Yeah and how do
4 you split them up by area? I mean, I just want
5 them to be equal, because our charge -- as you
6 know, Commander, our charge as a board is to make
7 sure there's equalized distribution of tows and I
8 just want to make sure that that happens somehow.

9 CMDR. LOVE: I agree and two things I
10 want to clarify. Officer Clark, his resistance
11 come from me, not this body.

12 You know, in the past they did things a
13 certain way. I changed it this time, so the
14 resistance came from me, not the body.

15 Second of all, the letter that went out
16 to the towers, it indicated the amount they would
17 get. It didn't indicate the whole tow fee
18 amount, because it said you will get \$125 for
19 this particular detail per tow, so it didn't
20 specify the storage fee, the maintenance fee and
21 all that in the letter.

22 COMMISSIONER WARFIELD: Okay, sure.
23 This is why I love members of this department
24 like you because you were so politically correct.
25 "No, the resistance came from me." That's the

1 truth, the resistance came from me.

2 CMDR. LOVE: On this level it came from
3 me.

4 COMMISSIONER WARFIELD: Absolutely and
5 I thank you, Sgt. Clark, because again we just
6 sat down and had a conversation and that's how
7 it's resolved, they just had a conversation.
8 Officer Clark had a conversation about, you know,
9 what we needed to talk about and it was done, so
10 that's why I thank you all very much for just the
11 hard work that you put in.

12 I know what you and Adams do is not
13 easy and I know you all get pulled on from
14 everybody and I know you guys do the very best
15 you can with what you have to work with and
16 certainly I thank you all for being
17 accommodating, it means a lot, and I just want to
18 make sure that on Thursday, next Thursday, you
19 know, the towers are pleased, the citizens of the
20 city are pleased about what happened that day,
21 and that's why it's going to be critical for you
22 all too that we get that out there that it's
23 going to cost you \$215 if you park illegally and
24 get towed, so thank you.

25 There may be some more from towers, so

1 if you could stick around a little longer.

2 Next.

3 MS. FELDER: Hello. My name is Temia
4 Felder. I was here approximately 90 days ago
5 February 28 and I addressed the board pertaining
6 to an incident that took place in my home
7 involving my children and the Detroit Police
8 Department.

9 As I stand here today I'm still waiting
10 on some information to find out what took place.
11 I tried to call yesterday to try to get some
12 information. There's a letter that's coming in
13 the mail for the last four weeks, so as a parent,
14 my son is here, I will like to know what is the
15 protocol.

16 COMMISSIONER WARFIELD: Yes, ma'am.
17 And we know that your complaint is in the Office
18 of the Chief Investigator. That is our Chief
19 Investigator right there, Ms. Pamela Davis-Drake.

20 MS. FELDER: I tried to call her.

21 COMMISSIONER WARFIELD: She will get
22 with you immediately to give you an update so you
23 will know before you leave out those doors what
24 that update is.

25 MS. FELDER: Thank you very much.

1 COMMISSIONER WARFIELD: And then you
2 and I can talk afterwards too.

3 MS. FELDER: That would be great.
4 Thank you.

5 COMMISSIONER WARFIELD: Thank you,
6 ma'am. Thank you, sir, for being here and if you
7 have anything you want to say, you can -- you
8 sure? It's not a problem.

9 All right. Thank you, thank you,
10 ma'am.

11 MR. SCOTT: Ron Scott for the record.
12 I wanted to ascertain if I could relative to so
13 that as we speak to individuals in the community
14 given the either perceived or actual restrictive
15 nature of what's happening on Belle Isle with the
16 citizens of the City of Detroit and the political
17 football that that is in terms of who's going to
18 own it and control it.

19 What is the nature and the reasoning
20 for a later opening of Belle Isle, and secondly
21 does that later opening also apply to members of
22 the Detroit Yacht Club and other private entities
23 who would use the island, so that's the first
24 question. I gave two others.

25 COMMISSIONER WARFIELD: Do you want to

1 ask all of them now?

2 MR. SCOTT: The other one is what are
3 the provisions that are being made security-wise
4 for the Walk to Freedom? I may have missed that
5 in other previous meetings. I'd just like to
6 know for the Saturday march what things are being
7 done both ordinary and extraordinary in
8 relationship to that.

9 You know, obviously you can't go into
10 all of them, but I'd like to know to some degree
11 where they apply.

12 And then finally there was one other
13 point I wanted to make and that was, is there at
14 this particular point a plan to clarify all of
15 the different agencies who are going to be
16 involved in the security activities at both of
17 these events, at the march and also at the
18 fireworks because I know there were several
19 agencies both in terms of outside of the realm of
20 Detroit in terms of the suburban entities and
21 also maybe national and local security agencies,
22 police agencies, so I wanted to know how that was
23 configured.

24 COMMISSIONER WARFIELD: Thank you.
25 Deputy Chief?

1 DEPUTY CHIEF TOLBERT: For the record,
2 Deputy Chief Tolbert. On your first question,
3 why the 2 PM closure -- closure until 2 PM on
4 Belle Isle. Obviously our -- again, our biggest
5 thing is to make sure we have enough manpower to
6 adequately provide services that we need to for
7 all the citizens and visitors, so therefore when
8 you know at the amount of manpower we use in
9 Bells Isle when it's closed, we decided to keep
10 it closed once we close it until 2 o'clock so
11 that we can take that manpower and have that
12 manpower available when we open the island and
13 therefore we'll have more people there.

14 As for the people who have -- who
15 require access because of the yacht club, we're
16 not going to deny them access. They will be able
17 to come on because they're going to the yacht
18 club. What we will not allow is anybody in the
19 area of the viewing area on the east end of the
20 island to set up prior to 2 o'clock.

21 There will be nobody setting up on the
22 east side of the island prior to 2 o'clock and
23 that's why we will have the manpower there at 2
24 o'clock to ensure that people can come on, they
25 can set up and they can get set up for the

1 fireworks and enjoy the fireworks.

2 For your other events, we're in the
3 process of -- we have multiple units or multiple
4 agencies that will be assisting the department.
5 This year is unique. In fact, last year if you
6 recall we actually reimbursed some of the other
7 agencies that assisted in the fireworks. We're
8 not doing that this year, so obviously that
9 participation is down.

10 But, again, in the spirit of
11 cooperation with a lot of other agencies,
12 federal, local and state agencies, they're coming
13 together without charging us and they're going to
14 assist us with providing the services and
15 security for the fireworks and I think we're
16 going to have a very nice event.

17 MR. SCOTT: Can I ask just a couple
18 follow-up questions? One is, are not some of the
19 agencies who will be involved required or would
20 naturally make it their concern, i.e. Homeland
21 Security, in terms of their involvement so
22 therefore we wouldn't be paying them anyway if it
23 were Border Patrol. I mean, we would be paying
24 them twice. Technically that's their
25 responsibility.

1 DEPUTY CHIEF TOLBERT: And I'm not
2 going to go into the specifics of who we paid and
3 who we didn't pay, but rest assured it costs
4 everybody to deploy manpower anywhere, no matter
5 what agency, so -- and we can't force them to
6 come and help.

7 Everyone that's going to be there is
8 helping on their own volition and we're not
9 paying anybody, so that's really a mute point,
10 but --

11 So we're satisfied with our partners,
12 we applaud their participation and we look
13 forward to working with them.

14 MR. SCOTT: Just a final question.
15 It's always been -- it's been a sore point of
16 mine in terms of potential 14th Amendment
17 violation in relationship to individuals who are
18 members of private clubs and who have access to
19 where citizens wouldn't have in terms of equal
20 protection and disparate treatment, so that's
21 always been my question.

22 I understand what you're saying, that
23 the yacht club members can come on, but I think
24 what's fair for the goose is fair for the gander.

25 I mean, if they want to come on the

1 island, they should come when everybody else
2 comes and they should leave when security
3 dictates that they leave.

4 I'm just stating that for the record
5 because I think that it has been far too long and
6 I was thinking about becoming a member of the
7 yacht club, but I would not want to have other
8 considerations ironically enough on the eve of
9 the civil rights march that other citizens didn't
10 have.

11 DEPUTY CHIEF TOLBERT: Well, and you
12 have to understand that's a private entity on the
13 club and if they have -- they're going to a
14 private area of the island and we just can't
15 control or deny them access to their -- basically
16 their property or their club.

17 MR. SCOTT: That's why Mayor Young
18 wanted to sue the Detroit Golf Club because he
19 was denied the opportunity to become involved in
20 the Detroit Golf Club because it was presumed to
21 be private and subsequently they had to allow him
22 to join as a members, so maybe we should ask if
23 the citizens of Detroit can become members of the
24 yacht club.

25 DEPUTY CHIEF TOLBERT: I'm pretty sure

1 if you apply, you probably --

2 MR. SCOTT: What I'm saying is it
3 shouldn't be disparate treatment. That's all I'm
4 saying.

5 COMMISSIONER WARFIELD: Let me ask a
6 clarifying question. Approximately how many
7 people do we get on the island in years past that
8 watch, you know, the --

9 DEPUTY CHIEF TOLBERT: Oh, thousands.

10 COMMISSIONER WARFIELD: Like 2,000,
11 5,000?

12 DEPUTY CHIEF TOLBERT: It can go
13 anywhere to 5,000 to 7,000.

14 COMMISSIONER WARFIELD: I think that's
15 Mr. Scott's point. If typically we get 5,000 to
16 7,000 people -- and this is my commentary by the
17 way -- if typically we get 5,000 to 7,000 people
18 on the island to watch Belle Isle nobody decided
19 to close Belle Isle when there were 40,000
20 rockers --

21 MR. SCOTT: Yes, last week, that's
22 right.

23 COMMISSIONER WARFIELD: -- just a few
24 weeks ago. Nobody said let's close it down and
25 open it up at a certain time. And my thing is,

1 and just as a citizen, that -- and I've been on
2 the island for fireworks and I know the crowds
3 that's there for fireworks and certainly there
4 are minor incidents wherever you go I guess, but
5 I've never known any major incidents that
6 occurred on the island.

7 And so I just think -- and this is the
8 Mayor, not to the department, I think more so to
9 the Mayor, whoever else made the decision that we
10 got to be careful -- and let me just get on my
11 little soapbox and get off -- where we treat
12 ourselves differently than what we treat other
13 folk at the end of the day.

14 I mean it's just -- I think it's worth
15 noting and I think part of this board's history
16 is steeped in the fact that we have to treat
17 everybody equally and so I just hope moving
18 forward in the future that we consider that
19 moving forward in the future.

20 As relates to the security for the
21 Freedom Walk, I don't know if you got your answer
22 to that. Did you get your answer to that?

23 MR. SCOTT: Yes, I did. He -- it was a
24 generic, but it was fine.

25 COMMISSIONER WARFIELD: And I know in

1 years past -- and I don't know if this is an
2 issue or not, but I know in years past we almost
3 had a press conference with different agencies
4 there to show who was going to be there.

5 Do you know if that's going to happen
6 this year, just so we know? We don't know?
7 Okay. It's not going to happen or we don't know?
8 It won't happen, okay, all right.

9 I just think it's helpful for the
10 citizens of the city to know, especially if
11 you're living down that way, who's patrolling and
12 who's faking it.

13 MR. SCOTT: That's right.

14 COMMISSIONER WARFIELD: Okay, thank
15 you, sir.

16 MR. SCOTT: I'd just like to say too on
17 the Walk to Freedom, given the tenor of our times
18 where you have people who are engaging in acts of
19 threats against the President and other folks, I
20 think this March has a very specific political
21 agenda and so I think we should be aware of that
22 in terms of how we take precautions on it.

23 COMMISSIONER WARFIELD: Thank you, sir.

24 MS. SMITH: Good afternoon, Bernice
25 Smith, political activist. First of all, I would

1 like to find out how many of the towers got
2 letters. He said eight.

3 COMMISSIONER WARFIELD: No, ma'am, no,
4 ma'am, it was eight that responded back to the
5 initial letter that went out.

6 MS SMITH: But they do have a list of
7 all of the towers that are involved with the city
8 towing, right?

9 COMMISSIONER WARFIELD: Yes, ma'am.

10 MS. SMITH: There's 24 but only eight
11 responded?

12 COMMISSIONER WARFIELD: 27. Yes,
13 ma'am.

14 MS. SMITH: All right, I'll remember
15 that.

16 COMMISSIONER WARFIELD: But that was
17 something different. It was a reason why.

18 MS. SMITH: That the eight responded?

19 COMMISSIONER WARFIELD: Yeah because of
20 what they saw in the letter.

21 MS. SMITH: Oh, I see, okay, the letter
22 had something to do with it.

23 COMMISSIONER WARFIELD: Yes, ma'am.

24 MS. SMITH: Now, as far as -- and
25 as a matter of fact and I was going to join the

1 club over there, but they expensive for their
2 dues, but anyway it will be set up where the
3 people will not be able to go until 2 o'clock on
4 the island?

5 COMMISSIONER WARFIELD: Correct.

6 MS. SMITH: All right. Now, the next
7 thing is you're going to be going down to a
8 certain area on the riverfront that they will be
9 permitted to be in the area of -- like Hart Plaza
10 and the end where your police officers there at
11 Atwater, so in other words, Hart Plaza is here
12 and then it's going to be where the police outfit
13 is, their office there on the River Walk?

14 DEPUTY CHIEF TOLBERT: I don't
15 understand your question. Are you asking if that
16 area is going to be open?

17 MS. SMITH: You said you're not going
18 to be on the River Walk because of the fireworks,
19 right, in a certain area?

20 DEPUTY CHIEF TOLBERT: No, no, the
21 whole River Walk will be closed at some point.

22 MS. SMITH: Oh, all the way down to
23 where Cobo Hall is?

24 DEPUTY CHIEF TOLBERT: Yes, ma'am.

25 MS. SMITH: Oh, I didn't understand

1 that. So you can't even go -- say Joe Louis
2 Arena, even in that area they won't be able to --

3 DEPUTY CHIEF TOLBERT: There will be
4 access up to a certain point and then you will
5 not be able to go -- we'll close it down and
6 there will be nobody on the River Walk.

7 MS. SMITH: Period, all the way down to
8 Joe Louis Arena?

9 DEPUTY CHIEF TOLBERT: Period, yes,
10 ma'am.

11 MS. SMITH: And how far going past the
12 Renaissance?

13 DEPUTY CHIEF TOLBERT: All the way
14 down.

15 MS. SMITH: Isn't that kind of unfair?
16 What about the people that made reservations in
17 that little area where the activity is right
18 behind the Renaissance?

19 DEPUTY CHIEF TOLBERT: That's private
20 property, that's private property.

21 MS. SMITH: Because they're having a
22 show, you know -- well, maybe they won't have it
23 that night, I don't know.

24 DEPUTY CHIEF TOLBERT: They will not.

25 MS. SMITH: You know what I'm speaking

1 about?

2 DEPUTY CHIEF TOLBERT: The Riverfront
3 Conservancy, GM, all those areas, they will be
4 closed also.

5 MS. SMITH: All right, thank you for
6 that. Now, getting back to our most important
7 thing that should be stated here, we all know
8 there's going to be a march Saturday and I want
9 to let you know know that I had the privilege of
10 marching in that march in '63. I was young then.

11 But anyway I was told today by Jimmy
12 Settles that I will have me a little cart so I
13 won't have to worry about walking, and those --
14 the seniors, they will be provided if they put
15 their names on a list.

16 And another most important thing,
17 you're going to be right in front of my house,
18 can you imagine that, and right -- because I live
19 in the tall spiral building.

20 In the meantime I want to let you know
21 behind the sheriff's office there will be areas
22 for you to park free. I know this for a fact, so
23 I just wanted to let you know if you were going
24 to participate in the march and you're looking
25 for a parking space go behind Sheriff Napoleon's

1 office right there at Forest and Hancock and you
2 can park your cars right there and you won't have
3 to hurry about any fee or anything unless they do
4 it today or anything, but that's where I think
5 most of the people will be able to park because
6 that lot is not owned by anybody.

7 Most of the sheriff people park there
8 when they don't park within the gate, but I just
9 want to let you know that and hope to see all of
10 you down there, and don't get too tired.

11 Tomorrow is the workshop where they're
12 going to have a lot of the guests that's going to
13 be coming in. I plan on attending, but this is
14 going to be an important weekend and that's all I
15 wanted to say and I just hope most of us attend.

16 Now, I participated in the Chief's
17 wife's demise. The funeral was beautiful and I'm
18 glad most of you were able to attend. The
19 ceremony went on wonderful and Stephens, you did
20 a heck of a job, you and chief's aide, and I just
21 want to let you know you guys, you missed it,
22 Brown, you didn't show, because I was looking for
23 most of you so I could give you an obituary.

24 But in the meantime, I think the Chief
25 did a wonderful job and I'm sure he truly and

1 truly loved his wife. You could see it because
2 he went so far as to sing, guys, and that was
3 something. I wish we could have him here today
4 so he could sing a little chorus, but it was a
5 wonderful service, and I'm sure most of us
6 appreciate it.

7 I think you for listening to me.

8 COMMISSIONER WARFIELD: Thank you,
9 ma'am.

10 MS. SMITH: Take care.

11 COMMISSIONER WARFIELD: You too. Are
12 there others who wish to address the Board this
13 afternoon? Are there others?

14 Hearing or seeing none, we will close
15 that section of our meeting. Thank you so very
16 much for your attention. Again, our next meeting
17 is going to be held on Thursday, June 27, 2013, 3
18 o'clock PM at the Central District because
19 there's a game that day, so we'll be at the
20 Central District, 7310 Woodward 48202.

21 At this time we'll entertain a motion
22 to adjourn. Oh, stop, wait a minute, hold on one
23 second.

24 Yes, ma'am, Attorney Washington, I'm
25 sorry, Attorney Washington.

1 ATTORNEY WASHINGTON: Mr. Chair, Celia
2 Washington, attorney for the Board. As
3 Commissioner Stewart indicated a couple of weeks
4 ago there was a disciplinary appeal of Police
5 Officer Rhonda Moore, BPC 12-006D.

6 At that time the Board voted to reduce
7 the recommendation of -- reduce my recommendation
8 and to reduce the Trial Board decision. At this
9 time I believe Commissioner Stewart has had an
10 opportunity to review and will either vote to
11 follow the recommendation of the majority of the
12 Commissioners or to make a vote in opposition.

13 COMMISSIONER STEWART: Recommendation
14 to follow, this is my recommendation.

15 COMMISSIONER WARFIELD: Okay.

16 ATTORNEY WASHINGTON: Thank you, sir.
17 And we'll make sure that we get that to the
18 Disciplinary Section.

19 COMMISSIONER WARFIELD: Thank you,
20 ma'am. At this time we'll entertain a motion to
21 adjourn.

22 COMMISSIONER TAYLOR: So moved.

23 COMMISSIONER STEWART: Second.

24 COMMISSIONER WARFIELD: It's been
25 property moved and supported. All those in

1 favor?

2 COMMISSIONERS: Aye.

3 COMMISSIONER WARFIELD: Thank you, we
4 are adjourned. Thank you, ladies and gentlemen.
5 We'll see you next week.
