COMMISSIONERS:

- GEORGE ANTHONY, Secretary
- JESSICA TAYLOR, Chairperson
- DONNELL R. WHITE, Vice-Chairperson

DETROIT POLICE DEPARTMENT COMMAND STAFF:

- ASST. CHIEF OF POLICE JAMES WHITE

1 Detroit, Michigan  
2 Thursday, August 8, 2013  
3 About 6:37 p.m.

4 COMMISSIONER TAYLOR: Good afternoon  
5 and welcome to the Board of Police Commissioners  
6 meeting. My name is Jessica Taylor, I'm the  
7 Chairperson and to my left is Commissioner  
8 Donnell White who's the Vice-Chairman, and we  
9 also have with us AC James White from the Chief's  
10 office.

11 And at this time I'm going to ask the  
12 Secretary to introduce the rest of the staff.

13 SECRETARY ANTHONY: Thank you, Madam  
14 Chair. For the record, George Anthony,  
15 Secretary to the Board.

16 We have present from our staff  
17 Ms. Pamela Davis-Drake who is seated in the  
18 front. She is our Chief Investigator.

19 Our recorders today is Mr. Robert  
20 Brown, our office manager, Sgt. Alan Quinn and  
21 Mr. Dale Rose from Hanson Court Reporting  
22 Service.

23 That's completes the introductions,  
24 ma'am.

25 COMMISSIONER TAYLOR: Is Pastor Darrell

1 Reed here? Can you come up, sir, give us the --

2 PASTOR REED: Let us bow our heads as I  
3 pray.

4 (INVOCATION WAS GIVEN.)

5 COMMISSIONER TAYLOR: Okay, we're happy  
6 to be here at the UAW/Chrysler Local 7. Is there  
7 a representative here? There's no representative  
8 here? Okay, well, we'd just like to give our  
9 thanks for their hospitality.

10 At this time I'm going to ask  
11 Commissioner White if he could read the duties  
12 and responsibilities.

13 COMMISSIONER WHITE: Yes, ma'am.

14 Currently the composition of the Board  
15 of Police Commissioners consists of five members  
16 appointed by the Mayor and confirmed by City  
17 Council.

18 Commissioners serve five-year terms and  
19 may not serve more than five years consecutively.  
20 The Commissioners meet once a week and may recess  
21 during Thanksgiving, Christmas and New Years  
22 holidays. All meetings are open to the public.

23 The duties of the Board of Police  
24 Commissioners are to establish policy, rules and  
25 regulations in consultation with the Chief and

1 the approval of the Mayor, to review and approve  
2 department's budget, to review and approve  
3 department promotions, to receive and resolve  
4 complaints concerning the operation of the police  
5 department, and to act as final authority to  
6 impose and review discipline of Detroit Police  
7 Department employees, also to appoint the  
8 civilian personnel director, to prepare an annual  
9 report of department activities for the public,  
10 the Mayor and City Council.

11 Its staff includes an Executive  
12 Secretary who serves as Secretary to the Board  
13 and attends all meetings, the Chief Investigator  
14 and additional investigators and other staff as  
15 necessary to provide support to the Board.

16 The Police Commission considers itself  
17 a liaison between the citizens of the city of  
18 Detroit and the Detroit Police Department.

19 COMMISSIONER TAYLOR: Thank you,  
20 Commissioner and I'd just like to say at this  
21 time that Commissioner Jerome Warfield will not  
22 be present tonight, so we don't have a quorum and  
23 we can't approve anything, so we're going to go  
24 -- I'm going to turn this over to AC White for  
25 the Eastern District presentation.

1 ASST. CHIEF WHITE: All right. Good  
2 afternoon or actually good evening everybody. I  
3 just want to take a minute to thank the command  
4 officers and all the officers for that matter for  
5 being here this evening.

6 Commander Duane McKissic, Inspector  
7 Denny Allen, Deputy Chief James Tolbert, Interim  
8 Commander Eric Jones, Interim Inspector Harold  
9 Rochon, Interim Inspector Costello Williams,  
10 Chief of Staff -- you know, when you're up here  
11 you forget names of people you see every day -- ,  
12 Charles Wilson, whatever you are.

13 Interim Inspector Barren and anybody  
14 else who I forgot or name I forgot -- and  
15 Inspector Duane Blackman. Thank you all for  
16 being there.

17 I know these are very busy times in the  
18 department and we are all doing a very good job  
19 and also a special thank you once again to the  
20 Northeastern District. We have launched our DDC,  
21 Detroit Detention Center. They have worked  
22 diligently, hard, extreme professionalism in  
23 mastering that program over there, so again thank  
24 you for getting that off the ground. It's going  
25 to free up a lot of our officers to go to the

1 street.

2 I bring greetings from the Chief who  
3 couldn't be here tonight, but wanted to be, but  
4 other matters called to his attention tonight, so  
5 he wanted to make sure that I let you all know  
6 that he did want to be here tonight.

7 With that, I will turn the mic over to  
8 Interim Commander Jones for the presentation.

9 COMMANDER JONES: Good afternoon. May  
10 it please this Honorable Board, Inspector Eric  
11 Jones, commanding officer of the Eastern  
12 District.

13 When we last met in February I informed  
14 you that we were in the process of moving toward  
15 implementation of Operation Cease Fire.

16 Operation Cease Fire is a group  
17 violence reduction strategy which leverages the  
18 community first and foremost, law enforcement and  
19 social services to deliver the message that the  
20 violence must stop.

21 Since we last met we have made  
22 significant progress. On June 11 and 12 the  
23 Eastern District Special Operations, the Homicide  
24 Unit and our federal partners and University of  
25 Cincinnati held a group member review session and

1 a homicide review session.

2 At that session we identified  
3 problematic groups and gangs and reviewed  
4 homicides that potentially had a group or gang  
5 nexus. After the review sessions were complete  
6 the University of Cincinnati staff returned to  
7 their offices to compile and analyze the data.

8 The analysis revealed that the Eastern  
9 District has 26 violent groups or gangs, 16 in  
10 the 5th Precinct and 10 in the 9th Precinct with  
11 approximately 400 members.

12 Further, the data revealed that of the  
13 400 members, 35 of them are impact players and on  
14 probation and parole. Our colleagues at the  
15 Michigan Department of Corrections and the Courts  
16 have prepared invite letters for the 35 impact  
17 players to our first call-in session to be held  
18 August 28 at the Matrix Center.

19 At the call-in the community, law  
20 enforcement and social service entities will  
21 present the message that the violence must stop  
22 and that we will help you turn toward a positive  
23 lifestyle.

24 Thank you.

25 COMMISSIONER TAYLOR: Any questions?

1 COMMISSIONER WHITE: Not at this time.

2 COMMISSIONER TAYLOR: Thank you, sir.

3 COMMANDER JONES: Thank you.

4 ASST. CHIEF WHITE: I guess we have a  
5 presentation.

6 COMMISSIONER TAYLOR: Yes, sir.

7 ASST. CHIEF WHITE: Presentation for  
8 the Eastern District regarding the citizen.

9 COMMISSIONER WHITE: We'll start with  
10 this resolution. I think the Asst. Chief was  
11 saying that he has some accolades that he would  
12 like to pass on to Mr. Jim Grenwick.

13 COMMISSIONER TAYLOR: Okay, so we'll  
14 do it after.

15 ASST. CHIEF WHITE: Okay.

16 COMMISSIONER TAYLOR: At this time  
17 we're going to -- we have -- under new business  
18 we have a resolution for Mr. Jim Grenwick and I'm  
19 going to ask Commissioner White if he would do us  
20 the honor.

21 COMMISSIONER WHITE: Is Mr. Grenwick  
22 with us this evening? How are you, sir?

23 (APPLAUSE.)

24 COMMISSIONER WHITE: Before us this  
25 evening is a resolution honoring Mr. Jim

1 Grenwick.

2 WHEREAS, Mr. Jim Grenwick is a proud  
3 lifelong resident of the city of Detroit who is  
4 active within the Eastern District. Mr. Grenwick  
5 graduated from Cass Technical High School in  
6 Detroit, attended Wayne State University and  
7 later joined the United States Air Force.

8 After 20 years of living in several  
9 states he chose to move back to Detroit and move  
10 his family to Cornerstone Village neighborhood a  
11 few blocks away from his childhood home, and

12 WHEREAS, Mr. Grenwick's desire to help  
13 others prompted him to get involved with the  
14 community and to empower others to improve their  
15 own situations. The accomplishments have worked  
16 to improve the quality of life for everyone  
17 living or working in Cornerstone Village. For  
18 the last 18 months he has served as president of  
19 Cornerstone Village Community Organization.  
20 During his presidency Cornerstone had maintained  
21 a monthly information flyer getting the youth  
22 involved by delivering the newsletters, and

23 WHEREAS, Mr. Grenwick continues to  
24 involve the youth by creating a collaborative  
25 called Lawn Academy. The Lawn Academy unites the

1 business community with the kids of the  
2 neighborhood to achieve the common goal of  
3 maintaining Cornerstone Village's overgrown lots.  
4 The youth earn a wage as well as a sense of  
5 community belonging with immediate results. The  
6 Cornerstone Village is proud of its success with  
7 the academy under Mr. Grenwick's leadership and  
8 is considering forming a college scholarship fund  
9 for the youth who live in Cornerstone Village.

10 In April of this year Cornerstone  
11 Village created their community garden by turning  
12 a vacant lot into a productive neighborhood  
13 meeting spot. The garden produces lettuce,  
14 tomatoes, peppers and flowers, and

15 WHEREAS, Mr. Grenwick has been  
16 instrumental in building a common ground,  
17 information sharing, relationship and partnership  
18 between the community, the Detroit Police  
19 Department and other city agencies he and his  
20 organization realize that grass root effort has  
21 been tried and true in making our communities a  
22 safer better place for all involved.

23 As a result of this collaborative  
24 effort there has been a reduction in crime and  
25 better quality of life for the Cornerstone

1 Village community.

2 NOW THEREFORE BE IT RESOLVED, that the  
3 Detroit Board of Police Commissioners speaking on  
4 behalf of the citizens of the city of Detroit and  
5 the Detroit Police Department acknowledge the  
6 dedication and persistence of Mr. Jim Grenwick.  
7 His highly displayed commitment to community  
8 service and his ability to build sustainable  
9 community partnerships merit our highest regards.

10 We thank and congratulate you, Mr. Jim  
11 Grenwick, signed the Detroit Board of Police  
12 Commissioners adopted this day, August 8, 2013.  
13 Congratulations.

14 (APPLAUSE.)

15 COMMANDER JONES: Spirit of Detroit  
16 Award is presented herewith as an expression of  
17 the gratitude and esteem of the citizens of  
18 Detroit to Mr. Jim Grenwick in recognition of  
19 exceptional achievement, outstanding leadership  
20 and dedication to improving the quality of life.

21 (APPLAUSE.)

22 COMMANDER JONES: The Detroit Police  
23 Department presents the Certificate of  
24 Recognition to Mr. Jim Grenwick, resident of the  
25 city of Detroit in appreciation of your

1 contribution. Your involvement in the community  
2 and service to the city of Detroit demonstrate a  
3 spirit and commitment that is worthy of  
4 recognition.

5 (APPLAUSE.)

6 MR. GRENWICK: None of us in public  
7 service seek to be honored, but when it happens  
8 it feels good, so thank you.

9 MR. CHOPSKY: You know, I could hardly  
10 wait to come up here to be a part of the Jim  
11 Grenwick Show. First and foremost let me say can  
12 I got an amen now?

13 COMMISSIONER TAYLOR: Sir, can you  
14 state your name for the record?

15 MR. CHOPSKY: Oh, I'm sorry, I tried to  
16 be anonymous. My name is Steven Chopsky, I'm the  
17 captain of Cadieux Road in Detroit and I have red  
18 geraniums so when you come by and you need to be  
19 honked up, just honk and I'll wave back at you.

20 But what I want to do is just make  
21 light of his beautiful occasion, these wonderful  
22 officers and public servants, and I've been  
23 thinking about what I could do, and so I wanted  
24 to sing Jim a song if I could. He doesn't know  
25 about this, but I want you to join me and the

1 song is, "For He's a Jolly good Fellow."

2 Now, here we go. I'm leading this now.  
3 All right, we got a presentation for you. We're  
4 looking at you, Jim.

5 (SONG IS SUNG - APPLAUSE).

6 MR. CHOPSKY: I'm done.

7 COMMISSIONER TAYLOR: There is no old  
8 business, so announcements, Thursday, August 15,  
9 2013 at 3 PM we'll have our next meeting and that  
10 will be at the Detroit Public Safety Headquarters  
11 at 1301 Third Avenue in the Media Room.

12 At this time we're going to ask for  
13 oral communications from the audience and we're  
14 just going to remind you to state your name and  
15 please limit your comments to two minutes.

16 MR. DAVIS: Good afternoon. My name is  
17 Elder Anthony Davis, Sr. I'm from AC Towing and  
18 I -- since May 1st that the City ask us to pay  
19 \$75 per car that comes into our yard and they  
20 told us we have 30 days, they give us like seven  
21 days or five days grace to make sure that money  
22 is there every single month when they want us to  
23 pay our money to them, but they not paying our  
24 money to us.

25 They want us to be timely fashion, but

1 they do what they want to do when it comes to  
2 paying us. We have a problem. I turn all my  
3 slips in. I have not received any money. Now, I  
4 done gave the City almost \$20,000 within the last  
5 two months and I have not got one penny from  
6 them.

7 Now, we take cars to forfeiture, 2121  
8 Fort Street, we take them to 7800 Dix. Gene's  
9 Towing has not paid us. The money, they sent me  
10 a check for \$600 and they owe me about \$3,000.  
11 They have not paid my money. I want to know what  
12 can be done about it.

13 The City wants their money, I paid it  
14 but they not paying me. Now, is that fair? I'm  
15 not robbing Peter to pay Paul, I'm not stealing  
16 from the City. I pay all my taxes, I live and I  
17 worship right in the city of Detroit.

18 All my dues, everything, all my  
19 inspections, all my money is paid up but what  
20 about the small people. I know a lot of these  
21 billionaires, they don't even go after them.  
22 They owe millions and they won't give a couple  
23 thousand dollars that they owe me. They ready to  
24 take me off the list if I don't pay them.

25 You know some of these billionaires owe

1 \$80 million in taxes, don't even pay they rent.  
2 They don't go after them, but they go after the  
3 small man. I want to know what can that be done.  
4 I need a response. Thank you.

5 COMMISSIONER TAYLOR: Okay, you're  
6 welcome. Just a minute. AC, is there anything  
7 you want to say to the gentleman, to Mr. Davis?

8 ASST. CHIEF WHITE: We can get his  
9 information and unfortunately we're going to have  
10 to turn them over to City Budget.

11 MR. DAVIS: Not only City Budget, what  
12 about the Gene's Towing. They owe me money. I'm  
13 taking cars, they supposed to pay us and they're  
14 not paying us.

15 ASST. CHIEF WHITE: Unfortunately, sir,  
16 Gene's Towing is not --

17 MR. DAVIS: You say that we got to take  
18 them cars to them and they supposed to pay us.  
19 Now I paid my money every month. I just gave  
20 almost \$7,300.

21 ASST. CHIEF WHITE: Can I respond?

22 MR. DAVIS: Yes, sir.

23 ASST. CHIEF WHITE: Gene's Towing is  
24 not an entity of the police department. They  
25 don't work -- they've not a part of the police

1 department so at that point it becomes a civil  
2 matter, but what we can do is get your  
3 information and get it to the right people in  
4 City Budget.

5 MR. DAVIS: But also I have a building  
6 myself. I don't have to take the prints to their  
7 place. I can bring them to my place and I don't  
8 have to worry about getting a penny from them.

9 COMMISSIONER TAYLOR: Thank you, okay.  
10 Ms. McCant.

11 MS. McCANT: My name is Yolanda McCant  
12 and I reside in the Northeastern District. I  
13 have some issues and I understand that we're just  
14 changing over hands and we do have a new  
15 commander.

16 I'm having problems with young people.  
17 I was up to 3 AM this morning. Someone died and  
18 they want to do a candlelight vigil. When they  
19 get through with the vigil they stays out there  
20 from 6 o'clock yesterday afternoon or before  
21 until 3 AM in the morning. I called -- they say  
22 call 9-1-1, I called 9-1-1, I called the station.

23 I mean, I work in the community, I do a  
24 lot of stuff in the community and all I'm asking  
25 for if I have a problem in my community where I

1 reside why is it that I cannot get a scout car.  
2 You call 9-1-1, they say, "We'll send it."

3 I understand all the protocols, I  
4 understand that we have priority runs that's over  
5 others, but when there's more than one call made  
6 to 9-1-1 it has to be a problem. That's one of  
7 my problems.

8 The other problem is October 1 starts  
9 the -- what is it -- breast cancer awareness and  
10 we would like to put up some ribbons that was  
11 down at the old 1300, if possible could we find  
12 out if we could post them up at the new location  
13 also.

14 COMMISSIONER TAYLOR: AC?

15 ASST. CHIEF WHITE: Yeah, we can help  
16 you with both those matters, ma'am. If you would  
17 though start with Comm. McKissic in the back of  
18 the room, he's going to help you out with the  
19 problem with the kids, and DC Tolbert will get  
20 with you on the issue with the building.

21 MS. McCANT: Okay, thank you.

22 ASST. CHIEF WHITE: Thank you.

23 MS. WOODS: Actually I'm here to say  
24 something good -- he doesn't say it, but Lt.  
25 Rochon. We attend the Eastern District meetings

1 that we have with him and I want to commend him  
2 how he goes the extra mile for us. He gives us  
3 his number to call him personally and when we  
4 call, he gets things done.

5 COMMISSIONER TAYLOR: Ma'am, state your  
6 name.

7 MS. WOODS: Oh, I'm sorry, my name is  
8 Gwen Woods and I just really -- also his staff,  
9 Officer Robins, Officer Curtis, they have been  
10 such a blessing to us. And one of the things  
11 that more people -- the meetings are not packed  
12 out, there's not a lot of people attending and he  
13 wants more people to come.

14 So what I want to say that we need to  
15 attend those meetings because he has made himself  
16 available to us and I have seen an impact in the  
17 neighborhood. And like I said, he may not be  
18 able to answer me at that moment, but I guarantee  
19 he does get back with us and he does follow up,  
20 so I just want to thank you for that, and thank  
21 you for giving us a little peace of mind in the  
22 neighborhood.

23 COMMISSIONER TAYLOR: All right, thank  
24 you, ma'am.

25 (APPLAUSE.)

1 MS. THOMPSON: Hi, my name is Mary  
2 Thompson and my son Jeremy Thompson was murdered  
3 on May 1st and it actually was in the Northeast  
4 District, I've been hearing that tonight.

5 I have never thought I would be in this  
6 position or know anything about the city of  
7 Detroit's police department, but I know too much  
8 now and I just feel like the police officers  
9 should call you back in the Homicide Department.  
10 It's impossible to get a police officer to call  
11 you back.

12 Every question I've ever had answered  
13 has had to have gone through the Crimestoppers or  
14 I wouldn't have it answered. When I finally get  
15 ahold of a police officer which I had to -- it  
16 was hard -- he wanted to know why I was asking  
17 these questions that I was asking and he seemed  
18 to be quite annoyed that I was calling him.

19 And even the police station in the area  
20 that this crime happened, they didn't even seem  
21 to know about it at all and that worries me  
22 because this guy could get brought in for  
23 anything.

24 This was not his first crime and he  
25 obviously lives in that area. I do understand

1 that the police officers have -- especially  
2 Homicide -- way more cases that they can handle.  
3 I honestly don't even know how they can function  
4 as normal people when they go home at night with  
5 what they deal with during the day.

6 But I asked three things of the police.  
7 I asked them if they would share information with  
8 a private investigator so I could get someone to  
9 look at my case; they said no.

10 I asked them if the one witness that  
11 says she can identify this guy could look at  
12 mugshots, they said no. I asked them if they  
13 tested the shell casing for fingerprints, they  
14 said no, they do not do that.

15 However, I do know that they do in  
16 Oakland County and I offered to pay for that to  
17 be done myself, and they said no. And I just  
18 want to ask the Police Chief to make them let me  
19 have that shell casing tested. I can leave these  
20 with you.

21 COMMISSIONER TAYLOR: Thank you, ma'am.  
22 First we want to offer our condolences to you and  
23 then I'm going to have AC White to see if he can  
24 help you with that.

25 MS. THOMPSON: Thank you.

1 ASST. CHIEF WHITE: Yes, ma'am.

2 COMMISSIONER TAYLOR: And also I want  
3 you to see our Chief Investigator, she's right  
4 here. You can come back up to the mic.

5 MS. THOMPSON: I'm sorry, I don't know  
6 the protocol.

7 ASST. CHIEF WHITE: Yes, ma'am. First  
8 and foremost, I'm so sorry for your loss.

9 MS. THOMPSON: Thank you.

10 ASST. CHIEF WHITE: It is not  
11 unreasonable for you to expect a return phone  
12 call. With regard to the issues that you bring  
13 forward today, as you have been told they're very  
14 complex issues, but we're here to attempt to help  
15 you.

16 Insp. Blackman is the commanding  
17 officer -- will you raise your hand -- of  
18 Homicide. He's here tonight, he'll be able to  
19 talk to you through some of these issues, okay?

20 MS. THOMPSON: Oh, thank you very much,  
21 I appreciate that.

22 ASST. CHIEF WHITE: But you can start  
23 with the Chief Investigator.

24 COMMISSIONER WHITE: Madam Chair, if I  
25 could through the Chair, and Chief, this has been

1 a -- I wouldn't say the norm, probably more so  
2 not the case, but is there a mechanism where we  
3 track the number of calls that are coming into  
4 particularly Homicide seeking questions and is it  
5 tracked in terms of a time frame that individuals  
6 are being responded to or how do we -- is there a  
7 measurement, is there a standard that is in place  
8 that an individual should expect a phone call  
9 back within 24 or 48-hour time period, so what  
10 can we say to individuals that is a standard in  
11 terms of what they can expect back then in the  
12 form of a response?

13 INSP. BLACKMAN: This is Insp. Duane  
14 Blackman, Homicide. A couple of the comments  
15 that you made, there would not be a mechanism to  
16 track other than the fact that they would call  
17 and leave a message with the investigator, but  
18 one of the things I would encourage anyone when  
19 they do call the investigator, if that is not --  
20 they're not receiving a phone call back that they  
21 would call a supervisor so that that supervisor  
22 can make sure that whatever information they need  
23 is given back to them; that's Number 1.

24 But Number 2 -- and understanding that  
25 there is -- this is a complex and a continuous

1 problem and it's based on the fact that my  
2 investigators are normally not sitting at their  
3 desks and fielding phone calls because, as  
4 stated, there are several cases they're  
5 investigating.

6 But we are attempting to rectify that  
7 by having a liaison be in place and hopefully it  
8 should be started sooner than later, and that's  
9 utilizing some of the individuals from the  
10 Citizens Police Academy to be able to be that  
11 liaison so that there is someone that they can  
12 speak to so that they're not just receiving  
13 either a busy signal or receiving a voice  
14 message.

15 And so that's something that's going to  
16 be implemented shortly, very shortly. And from  
17 the information I'm hearing that is being  
18 indicated, that she just has not received any  
19 information and she does not have any direct  
20 contact with this investigator.

21 I will address the issues about what  
22 was told to her, but not receiving those phone  
23 calls back after a message is sent to the  
24 investigator is something I'm dealing with right  
25 now.

1                   COMMISSIONER WHITE:  If I could through  
2                   the Chair, Insp. Blackman, when individuals make  
3                   contact with the community, is that within an  
4                   investigator's log or should it be reflected that  
5                   they have made contact?

6                   INSP. BLACKMAN:  Yes, sir.

7                   COMMISSIONER WHITE:  Okay, thank you.

8                   COMMISSIONER TAYLOR:  Thank you.

9                   PASTOR IRVIN:  Good evening.  My name  
10                  is pastor Gerald Irvin.  I have had a couple of  
11                  issues on my block.  We started Faircrest Block  
12                  Club and we was having people squatting in the  
13                  houses and tearing down the awnings off the  
14                  houses, taking the license plates off they cars  
15                  and having a lot of drug guys trying to get into  
16                  the house.

17                  We had one incident on the corner where  
18                  we had the drug dealers was taking over this  
19                  house and I went to the community affair meeting  
20                  and I met Officer Rochon and he gave me his  
21                  telephone number so he told me to let him know if  
22                  any activity goes on in the neighborhood.

23                  So I dialed the number and a lot of  
24                  cleaning up had taken place after I had called  
25                  him, so the precinct came through the

1 neighborhood and cleaned up the area where the  
2 drug dealers was in there with guns and Uzi's and  
3 stuff and they had a house party right directly  
4 in front of my house and I called them again, and  
5 the officers came and cleaned up the  
6 neighborhood.

7 So the issue -- I think if we can get  
8 more contact with the police officers we can get  
9 the area cleaned up, so it's been a job because  
10 we started our block club and it was like they  
11 was coming taking over the block. We've got two  
12 houses, squatters are there now, and one directly  
13 across from my house they were selling drugs,  
14 trying to take over the house, so I called the  
15 City. They said they couldn't do anything about  
16 it.

17 I asked them could they board it up.  
18 They couldn't do anything about it. So I met  
19 Officer Rochon and he sent the police over there  
20 and they kind of cleaned up the area. So the  
21 tactics that he uses, it works, you know, and I  
22 think if there are more officers that would  
23 probably agree with that, if you have a contact  
24 with someone that can directly get to the  
25 problem.

1                   Because I call 9-1-1 it was like a  
2                   joke. I called -- called a bunch of numbers, but  
3                   the response was second to none, I didn't get  
4                   anything, but when I called Officer Rochon I want  
5                   to commend him and the precinct for taking care  
6                   of the Faircrest Block Club. Thank you.

7                   COMMISSIONER TAYLOR: All right, thank  
8                   you.

9                   (APPLAUSE.)

10                  MS. HATCHER: My name is Evangelist  
11                  Dora Hatcher. I am not here to bash our  
12                  officers. I know we're short. I'm here to say  
13                  thank you. I may be one in a 100 that can get a  
14                  response and I know that there are people that  
15                  don't and I know that you're short.

16                  But I know I thank God for a new Chief  
17                  that I do believe is going to help get this  
18                  straightened out with God's help.

19                  I was at the Board of Police  
20                  Commissioners meetings at Focus Hope and the next  
21                  morning our doors were open to our precinct, yes.  
22                  They weren't locked at 4 o'clock any more and I  
23                  want to say -- I can't say this enough.

24                  If you don't come to a meeting until  
25                  you have a problem, you don't know who to

1 contact. I want to say to the preacher that just  
2 sat down, there is a Building & Safety  
3 Department. I don't like to throw out names, but  
4 Arthur Edge is one of them, and sometimes you  
5 just have to step out and do what you have to do.

6 I had a drug problem on the corner of  
7 Emery and Hawthorn. I learned a lot from Rochon  
8 over there. And I went over to help the young  
9 man clean up where they had dumped behind his  
10 house, but I knew he was allowing this boy to do  
11 drugs because I'm watching my neighbor do it  
12 every day, all of us are.

13 I'm the second oldest on my block and  
14 we keep it clean and I went over and I said, "You  
15 know, young man, I knew your dad and your  
16 grandma. Now, I know you don't want to go to  
17 jail so you need to keep yourself a little clean,  
18 you know." He wasn't doing it, but he was  
19 allowing this young man to use his home. He just  
20 opened up to me.

21 He said, "You're right, Ms. Hatcher.  
22 He will stop being on my porch" and I broke it  
23 up. And they know I don't play. I'm not saying  
24 put yourself out there in harm's way, but you got  
25 to let these people know you are not playing.

1                   And I want to commend -- is it Lt.  
2                   Rochon or Insp. Rochon? Okay. When he was in  
3                   Northeastern there's not one of us that couldn't  
4                   call and he didn't take care of business and we  
5                   lost him I'd say a little bit, but I still bugs  
6                   him. Thank you all.

7                   ASST. CHIEF WHITE: Thank you.

8                   MS. BROWN: Hi, my name is Beverly  
9                   Brown. I'm the vice-president of the Eastern  
10                  District Community Relations Council. And excuse  
11                  me if I'm shaking because I don't do this well.

12                  On the piggyback of what the other  
13                  people just got through saying, the person that  
14                  was supposed to present this is not here so I  
15                  have the special honor or honoring Lt. Rochon.

16                  (APPLAUSE.)

17                  MS. BROWN: This is not how he acts at  
18                  the Eastern District meetings.

19                  Certificate of Congratulations, Wayne  
20                  County Commission, Inspector Harold Rochon.

21                  WHEREAS, we are pleased to honor you  
22                  for your outstanding service to Wayne County  
23                  Third District Community as inspector of Eastern  
24                  District Police -- Detroit Police Department,  
25                  excuse me. Providing 20 years of dedicated

1 service to the safety of Detroit residents.

2 Your numerous accomplishments will  
3 undoubtedly serve as a role model for others to  
4 emulate and we extend our sincerest wishes for an  
5 even brighter future abundant with success.

6 "We make a living by what we get, but  
7 we make a life by what we give", Winston  
8 Churchill. We present this certificate as an  
9 expression of celebration and as a record of our  
10 respect on this 27th of July, 2013. Martha Jean  
11 Scott, Wayne County Commissioner, District 3.

12 (APPLAUSE.)

13 MS. BROWN: I just want to say, he  
14 does what he says he's going to do, and not only  
15 that you get a feeling of comfort, you know what  
16 I'm saying, because a lot of times you feel like  
17 there's no use, there's no reason to take the  
18 next breath, but he encourages us to keep taking  
19 that next step and keep taking that next breath.

20 Thank you.

21 (APPLAUSE.)

22 ASST. CHIEF WHITE: Anyone else for  
23 Harold Rochon, anyone else?

24 MR. WOODS: To the Commissioners, my  
25 name is Gene Woods. My wife was up a few minutes

1 ago. Our neighborhood association is Lasalle.  
2 We're on roughly Connor and Six Mile area right  
3 by the airport and I raised my hand when you  
4 asked.

5 I too have to commend Lt. Rochon and  
6 his -- those that work with him because he  
7 encourages us at the meetings that we have once a  
8 month and we see action. And like the lady that  
9 was here before me, that makes a difference.  
10 We've been in the neighborhood and in our area  
11 for almost 30 years and we've seen some come and  
12 go on behalf of the community relations, the  
13 police and they get up and read a report and  
14 that's basically what it is, a few this and that.

15 But when we come to meetings  
16 Lt. Rochon, he gives us advice and encourages us  
17 and lets us know that we can depend on him.

18 So to him and all of the police in  
19 Detroit -- and we realize what they're going  
20 through at this time is strenuous, it's a  
21 challenge and it is very demanding, so we try to  
22 let them know that we appreciate them; thank you.

23 COMMISSIONER TAYLOR: And I think you  
24 should all stand and give Lt. Rochon a hand.

25 (APPLAUSE.)

1 MS. PANNELL: Good evening, my name is  
2 Sharon Pannell. I just want to thank the Chief  
3 for opening back up Gang Squad. My other problem  
4 is he keeps planning meetings for the community,  
5 but he's not keeping them.

6 We need to know when he's going to have  
7 a meeting with us, the community because he had  
8 one scheduled for Monday and I got a call  
9 Saturday afternoon saying it was cancelled again.

10 ASST. CHIEF WHITE: Okay.

11 MS. PANNELL: That's all I need to  
12 know.

13 FROM THE AUDIENCE: It will be on the  
14 19th at AM.

15 MR. SCOTT: Good evening,  
16 Commissioners. I'm Ron Scott, Detroit Coalition  
17 Against Police Brutality.

18 I'm coming before you tonight to  
19 mention -- I know Ms. Pannell is a friend of mine  
20 and I can understand her fervor in mentioning  
21 Gang Squad coming back.

22 We opposed it and we opposed it for a  
23 reason. I'm asking the Commission to go back  
24 into the Civil Rights Integrity Bureau and find  
25 out how many officers in this unit in fact were

1 involved in issues related to use of force,  
2 because that was the main thing.

3 30 percent of the use of force  
4 complaints that were rendered when they were in  
5 existence, 30 percent of those came from that  
6 unit, that unit alone.

7 In addition to the fact, I just want to  
8 raise one that I know of where there was an  
9 incident in Sherwood Forest where there was a  
10 lawsuit filed where there was an 11 year old girl  
11 that was thrown against the wall and an 8 year  
12 old that was hit. Now, that's not policing, that  
13 is not policing, that's brutality.

14 And so the reality is I'm in favor of  
15 policing like anyone else, but I'm in favor of it  
16 like Dora Hatcher said where the community comes  
17 together with the police, not in favor of a  
18 military solution to a larger social issue.  
19 That's public safety.

20 And so within that context the Chief  
21 needs to bring his proposal to this body before  
22 he takes them to the Crime Commission.

23 COMMISSIONER TAYLOR: Okay, and AC, you  
24 want to maybe talk to him about what the Chief  
25 said about the Gang Squad at the press conference

1 this morning?

2 ASST. CHIEF WHITE: Yes. First, thank  
3 you for your concerns. The media has reported  
4 that the Gang Squad is coming back. That is not  
5 correct. The Chief is looking at -- and we meet  
6 on these issues daily. He's looking at a gang  
7 component to attach to the new TSS once the new  
8 TSS gets off the ground from an intelligence  
9 standpoint, but Gang Squad as we know it, the  
10 iteration that we saw of Gang Squad, at this  
11 stage there's no intentions of bringing that  
12 back.

13 MR. SCOTT: Is there going to be any  
14 evaluation per the Consent Decrees as to the  
15 civil rights integrity issues of individuals who  
16 might be assigned to those units?

17 ASST. CHIEF WHITE: Oh, absolutely, and  
18 that's with every assignment that's made in the  
19 police department by policy as well as by consent  
20 judgment. We do a risk assessment of literally  
21 every officer in the police department.

22 MR. SCOTT: And I want to say to  
23 Inspector -- I want to say Jones, my brother over  
24 there, and I know -- I didn't challenge his  
25 research, but maybe we can look at it, but he and

1 I have done something and talked about something  
2 I think is a harbinger for the future.

3 I told him about our Peace Zones for  
4 Life program. He said anything you can do to  
5 save life, come and meet with us. And therefore  
6 I'm willing to do that and we're willing to do  
7 that and that's what's going to resolve the  
8 outstanding issues in this community.

9 I offered to talk to him, he offered to  
10 talk to me and we're going to take it further.

11 ASST. CHIEF WHITE: All right, thank  
12 you and we appreciate that. And also with  
13 regards to the Eastern District and the Harold  
14 Rochon Show tonight, we are very proud -- in all  
15 seriousness, we're very proud of the work that  
16 the Eastern District and Harold Rochon -- the  
17 entire staff, Insp. Jones, Insp. Williams, the  
18 work that they do under extremely trying  
19 circumstances at the Eastern District.

20 So thank you, and you guys do deserve a  
21 big hand.

22 (APPLAUSE.)

23 MS. ROMANO: Good evening, Anna Romano.  
24 Madam Chairwoman. I just heard a comment. When  
25 there was a reorg -- the reorg that went through

1 on March 4th, prior to that there was meetings  
2 that a lot of the students from Denby High School  
3 attended concerning Gang Squad.

4 Those students went out into the  
5 community and they obtained over 500 signatures  
6 because they were upset that Gang Squad was being  
7 disbanded, also with Tact Mobile, and their  
8 issues were that they said that on their way to  
9 school they were afraid.

10 We've had parents that came in and said  
11 their kids were robbed, beaten and they were  
12 concerned. So now that the Chief is relooking at  
13 this for Tact Mobile and Gang Squad coming back,  
14 I think that's great because we need them.

15 If the kids are telling us, if the  
16 children of Detroit are saying we have a gang  
17 problem and we need Tact Mobile and Gang Squad,  
18 we need to listen to them.

19 They're in the streets, they're the  
20 ones that walk to school every day. They're the  
21 ones that go to the corner store and live in  
22 these neighborhood.

23 COMMISSIONER TAYLOR: And I do think  
24 that I'm going to let AC White, if you want to  
25 speak to the Tactical Mobile Unit and the Gang --

1           how that's going to be arranged. I don't think  
2           it's going to be the same, but you can address  
3           that.

4                        ASST. CHIEF WHITE: Well, it's still in  
5           the planning stages to be frank. We're looking  
6           at a lot of different components, but to say that  
7           Gang Squad is really the only avenue for getting  
8           a child to school safely, to say that's kind of a  
9           -- I don't ascribe to that, let me just say that.

10                      There were a lot of different things  
11           that we're looking at. You know, Safe Passage,  
12           we're working with DPS, and we're getting ready  
13           to roll out a few other initiatives with regards  
14           to Safe Passage, Safe Walk, the walking school  
15           bus, a lot of different things that we're looking  
16           at doing with kids this fall.

17                      When we initially eliminated the Gang  
18           Squad Unit the impression was given to the  
19           community that we had no gang response and that's  
20           certainly -- nothing could be further from the  
21           truth on that.

22                      Each precinct has a Special Ops. Each  
23           precinct has a response to gang problems. Each  
24           precinct has officers dedicated to the schools,  
25           so we're still very active in the schools. We're

1 still working with DPS. We're still -- our 30  
2 Series is still engaged with the gang members in  
3 the various communities, but that individual unit  
4 was disbanded.

5 Our response to gangs was not  
6 disbanded, if that makes any sense.

7 MS. ROMANO: Yeah, it does make sense  
8 and I understand that because when the units were  
9 out there from listening to the children that did  
10 come to the meetings they just expressed their  
11 concerns.

12 And a lot of them had a good rapport  
13 with the members from Gang Squad and a lot of  
14 them also had rapport with some from Tact Mobile  
15 because when they were hanging out on the gas  
16 stations after 7 or 8 o'clock at night just  
17 hanging there, the officers would ask them to go  
18 home, what are you doing here and things like  
19 that.

20 So that was understandable that  
21 eventually they knew not to hang out at gas  
22 stations and party stores at night when Tact  
23 Mobile was out there because Tact Mobile doesn't  
24 respond to runs, so they had that liberty to go  
25 city-wide and back up districts when they were in

1 need.

2 And Gang Squad, I understand that the  
3 kids did have a good rapport with them and I know  
4 there was an issue at Pershing High School and  
5 there was numerous arrests prior to Gang Squad  
6 being disbanded.

7 COMMISSIONER TAYLOR: And from what I  
8 heard the Chief say this morning, I think that  
9 will be explained later and it will be fine, he  
10 has a good plan and I'm sure --

11 MS. ROMANO: I trust he does. It just  
12 hurts me when I hear people saying that there was  
13 so much conflict and things when there was a lot  
14 of good that came from that unit.

15 COMMISSIONER TAYLOR: We're going to  
16 let the lady -- thank you.

17 ASST. CHIEF WHITE: Thank you.

18 MS. JOINER: Good evening. My name is  
19 Rhonda Joiner, I'm a Detroit DPS teacher, I teach  
20 at a K-8 school on the west side and I'm also a  
21 Detroit Police reserve officer.

22 And I do support the Gang Squad. If  
23 you all can recall the movie "Lean on Me", that's  
24 what this school is about. These kids, the Joy  
25 Road Boys, take over the school. You need Gang

1 Squad to come knock them down, yes, we do.

2 (APPLAUSE.)

3 MR. CURTIS: Hello, Police  
4 Commissioners, my name is Wayne Curtis and I live  
5 on Manistique. We have a garden/farm there and  
6 we do more than just grow food. We have several  
7 programs with the young people in the  
8 neighborhood from two to eight and teenagers from  
9 11 to 15.

10 With the teenagers from 11 to 15 this  
11 is our fifth season and they give neighborhood  
12 round tables discussions, they lead them and they  
13 bring up the topics, and this seems to be working  
14 quite well in the neighborhood.

15 I mean, there's a lot of other problems  
16 that have been going on for a long period of  
17 time, but the results are very good as far as  
18 getting a small amount of participation in the  
19 neighborhood. I guess we're creating a Peace  
20 Zone for Life there where everyone participates.

21 The next meeting round table discussion  
22 that the youth will be handling is -- it will be  
23 on marginalization, not marginalization within  
24 the system, but marginalization within their own  
25 neighborhoods where they can start bringing

1 response and having discussions with people in  
2 the neighborhood about certain problems that they  
3 may be having.

4 Okay, thank you.

5 COMMISSIONER TAYLOR: Thank you. Is  
6 there any information on when you meet, sir? You  
7 say you have these meetings. Can anybody attend  
8 those meetings?

9 MR. CURTIS: Yes, we have meetings on  
10 Saturday. My number is 313-898-5978 and we have  
11 art in the garden program, we have live fresh,  
12 eat fresh program also.

13 COMMISSIONER TAYLOR: All right, thank  
14 you.

15 L.V.: Hi, my name is L.V. and I just  
16 want to briefly thank the commanding officer  
17 Rochon for inviting us here. I'm with an  
18 organization which Mr. Al Brassy (sp) is the  
19 executive director and what we want to do is  
20 bridge the gap between the community and the  
21 officers by showing the officers that we care  
22 because we know they have to deal with a lot of  
23 issues around morale and it's hard in these  
24 difficult situations to help with a difficult  
25 situation.

1                   And I have seen these meetings -- you  
2                   know, I was born and raised in Detroit. I've  
3                   been out of Detroit a few years now, but I've  
4                   seen these meetings on TV, you look at it and you  
5                   don't really realize what's going on.

6                   So, you know, we were supposed to have  
7                   a meeting with him earlier today and then he said  
8                   he would be here, so we came here and we're both  
9                   sitting there saying how happy we are and how  
10                  thankful we are that we came here today because  
11                  we needed to be at this meeting.

12                  And I don't know why it's not all the  
13                  way back there to the wall with the situation  
14                  that's in the city right now. So one of the  
15                  things we want to do as we engage more fully with  
16                  Officer Rochon and the Chief is really being a  
17                  liaison between the officers and the community  
18                  and really do something to help the situation  
19                  that the officers are dealing with so they will  
20                  able to be more empowered to do the work to  
21                  protect the community.

22                  I grew up in Detroit. I was one of  
23                  those children who were scared. The reason I  
24                  worked real hard and went to Cass was because I  
25                  didn't want to go to school in the neighborhood

1 because I didn't know who was going to beat me up  
2 going to the store.

3 So I feel for the kids. So I just  
4 thank you all, thank you Officer Rochon, I'm glad  
5 we came tonight and I'm just looking forward to  
6 what we all do together and moving forward.  
7 Thank you.

8 (APPLAUSE.)

9 COMMISSIONER TAYLOR: Are there any  
10 more communications?

11 MS. SMITH: Good evening, Commissioner.  
12 And welcome.

13 ASST. CHIEF WHITE: Thank you.

14 MS. SMITH: Good to see you. I'm  
15 Bernice Smith, political activist. My concern is  
16 not so much too seriously, but I do want to  
17 congratulate that young man. I didn't know that  
18 he was world famous here in the Eastern District.

19 So we're going to have to get  
20 acquainted with him and see what all he can do.  
21 In the meantime, I went to the Meijers store out  
22 at Eight Mile there and Woodward because I live  
23 in Midtown and I was quite surprised to see city  
24 cars out there patrolling the area.

25 And my concern was why was the city

1 police cars patrolling Meijers. After  
2 investigating, you know I did, I asked one of the  
3 officers, I said, "Is it standard procedure for  
4 you to have city cars out here?" because one was  
5 parked and then the other one was surrounding  
6 the parking lot.

7 So he did state that we're assigned  
8 there. In the meantime when I went inside the  
9 store I saw a young man, he wasn't in uniform but  
10 he was in blues and he had his city badge right  
11 here on his -- I said, "Wait a minute, are you  
12 Detroit police?" and so he stated, "Yes."

13 It was two of them in there along with  
14 the private security that I imagine that the  
15 Meijers have hired because I understand that  
16 Chief McKinnon, he had something to do with the  
17 contract with Meijers and having security.

18 Now, my concern is as most other people  
19 will be concerned, I know we look out for the  
20 robberies and everything and it's visible for the  
21 cars to be out there and we do contain it in that  
22 respect, but are they being paid to be out there  
23 other than their regular city duties?

24 I mean, is it a second job for them to  
25 be out there because I think they deserve it

1           instead of being on city time and I would like  
2           the Chief whenever I see him again to answer that  
3           if you can't tonight.

4                       ASST. CHIEF WHITE: Oh, I can answer  
5           it.

6                       MS. SMITH: Okay, fine.

7                       ASST. CHIEF WHITE: Through the Chair,  
8           yes, they are being paid and you'll be happy to  
9           know that that is our secondary employment  
10          program --

11                      MS. SMITH: Good, good.

12                      ASST. CHIEF WHITE: -- which allows  
13          them to utilize the department vehicle which is  
14          being paid for by Meijers. The officers are off  
15          duty with regard to their assignment and  
16          responsibilities with the police department and  
17          they're working on their own time the secondary  
18          employment.

19                      MS. SMITH: Wonderful because they need  
20          the money. You know it and I know it. In the  
21          meantime I would like to know what happened with  
22          the contract with Fox Theatre. Are they being  
23          paid for that to be out there because last night,  
24          Tuesday night it was a madhouse down Woodward and  
25          you only had two squad cars handling that traffic

1 and, you know, Z was down at Ford Field and the  
2 people were at the baseball game and then they  
3 will going down there to the celebration, so I'd  
4 just like to know are they going to be paid also  
5 because, you know, they been working a long time  
6 and you know it and I know it, maybe the public  
7 don't know it. They need to be paid also working  
8 for Ilitch and them.

9 ASST. CHIEF WHITE: Thank you.

10 MS. SMITH: No answer?

11 ASST. CHIEF WHITE: I don't know the  
12 answer if we were utilizing secondary employment  
13 at Fox. I can give you an answer, but I don't  
14 know what's factual, so I'd like to get back with  
15 you on that. I got your number.

16 MS. SMITH: Next Sunday or -- I mean  
17 next Thursday?

18 ASST. CHIEF WHITE: Next Thursday.

19 MS. SMITH: Brown, you look mighty nice  
20 coming back from Florida with all them colors on.

21 COMMISSIONER TAYLOR: Are there any  
22 other communications? Are there any other  
23 communications? Are there any other  
24 communications?

25 I move for adjournment. All right.
