25 Hanson Court Reporting.

1                   That completes the introductions.

2                   COMMISSIONER WHITE: Thank you,  
3                   Mr. Secretary. We're certainly happy to be in  
4                   the 4th Precinct today here at the Southwestern  
5                   Church of God. We would ask -- I believe it is  
6                   Pastor Hill who's with us today -- Pastor, if you  
7                   could come and give us a warm greeting on behalf  
8                   of the Southwestern Church of God, please.

9                   PASTOR HILL: I'm Assistant Pastor Fred  
10                  Hill, Sr. On behalf of the Southwestern Church  
11                  of God family, Pastor Perkins is our senior  
12                  pastor, we welcome you here. We thank the Lord  
13                  for you so we welcome you and hope you have a  
14                  very pleasurable time here; God bless you.

15                  COMMISSIONER WHITE: Thank you. At  
16                  this time I'd like to note the presence of  
17                  Commissioner Wendell Byrd who has joined us and  
18                  also Chair of the Board of Police Commissioners  
19                  Commissioner Jessica Taylor.

20                  At this time I'm going to ask if  
21                  Commissioner Moore would read the duties and  
22                  responsibilities of the Board of Police  
23                  Commissioners.

24                  COMMISSIONER MOORE: The Board of  
25                  Police Commissioners is composed of 11 members,

1 seven of whom shall be elected from non-at large  
2 districts, four members appointed by the Mayor  
3 subject to the approval of the City Council.

4 Appointed commissioners serve five-year  
5 terms and may not serve more than five years  
6 consecutively. Meets once a week and may recess  
7 during Thanksgiving, Christmas and New Year  
8 holidays. All meetings are open to the public.

9 The Board of Police Commissioners has  
10 supervisory control and oversight of the police  
11 department as set in the 2012 City Charter  
12 adopted by a vote of the people on November 8,  
13 2011.

14 Our duties are to establish policy,  
15 rules and regulations in consultation with the  
16 Chief and the approval of the Mayor, review and  
17 approve department budget, review and approve  
18 department promotions, receive and resolve  
19 complaints concerning the operations of the  
20 police department, act as a final authority in  
21 imposing or reviewing discipline of employees of  
22 the department, and last but not least prepare an  
23 annual report to the Mayor, the City Council and  
24 the public of the department's activities during  
25 the previous year.

1                   The Board appoints a Board Secretary  
2                   who attends all Board meetings, a Chief  
3                   Investigator and additional investigators, other  
4                   staff as necessary to provide support to the  
5                   Board.

6                   The Police Commission considers itself  
7                   a liaison between the citizens of the city of  
8                   Detroit and the Detroit Police Department.

9                   COMMISSIONER WHITE: Thank you,  
10                  Commissioner. Before we turn it over to our  
11                  Chair for approval of our agenda and minutes  
12                  Pastor, if you wouldn't mind giving us an  
13                  invocation today.

14                  I apologize, during your greetings we  
15                  failed to ask for an invocation today.

16                  Thank you.

17                  PASTOR HILL: Let us look to the Lord.

18                  (INVOCATION GIVEN.)

19                  COMMISSIONER WHITE: And I will now  
20                  turn it over to Madam Chair.

21                  COMMISSIONER TAYLOR: Thank you. Good  
22                  evening, everyone. I apologize for being tardy,  
23                  but couldn't help it, but anyway at this time I'm  
24                  going to call for a motion to approve the agenda  
25                  for today.

1 COMMISSIONER BELL: So moved.

2 COMMISSIONER MOORE: Second.

3 COMMISSIONER TAYLOR: It's been moved  
4 and supported, any discussion? All in favor.

5 BOARD MEMBERS: Aye.

6 COMMISSIONER TAYLOR: Opposed. Agenda  
7 stands approved. At this time I'd like to ask  
8 for approval of the minutes for -- from June 12  
9 -- I'm sorry, June 2 -- I don't have my glasses,  
10 I'm going to quit pretending I can see.

11 So what's June 5, 2014. I'll get it  
12 together in a minute.

13 COMMISSIONER CRAWFORD: So moved.

14 COMMISSIONER SHELBY: Second.

15 COMMISSIONER TAYLOR: It's been moved  
16 and seconded. Are there any discussion?

17 COMMISSIONER WHITE: Madam Chair, under  
18 discussion under roll call I do see my name as  
19 being listed as not present, I do believe I did  
20 arrive for the meeting last week. I would ask  
21 for this to be approved as amended.

22 SECRETARY ANTHONY: I'm sorry, I didn't  
23 hear -- I'm sorry.

24 COMMISSIONER WHITE: The attendance  
25 shows Commissioner White as not present.

1 SECRETARY ANTHONY: Not present for  
2 roll call. It's explained that seven  
3 commissioners were present for the roll call and  
4 the remaining two came and it's acknowledged  
5 further in the minutes your presence.

6 COMMISSIONER TAYLOR: So it's okay, all  
7 right. Then we'll call for a motion to approve  
8 the minutes for June 2 as written -- June 5 as  
9 written.

10 COMMISSIONER CARTER: So moved.

11 COMMISSIONER BELL: Second.

12 COMMISSIONER TAYLOR: It's been moved  
13 and supported so all in favor?

14 BOARD MEMBERS: Aye.

15 COMMISSIONER TAYLOR: All opposed?  
16 Minutes stand approved as written. Under the  
17 officer's report tonight we have -- I guess last  
18 week if you remember Attorney Simpson came before  
19 the board and he had some issues and complaints  
20 with the Mound Road facility or the Detroit  
21 Detention Center and I told him last week that we  
22 would have the answers to the questions that he  
23 was asking, but before he comes up -- is he here,  
24 Warden Stewart? Okay.

25 But before you come up I would like to

1 ask Aliyah Sabree who is the attorney to the  
2 Board to come up and give our summary because we  
3 went over to the Mound facility and toured the  
4 facility and I'm going to have her do a summary  
5 and I believe Capt. Russell -- and also Capt.  
6 Russell Solano, he's going to stand in for --  
7 come up, sir, and take about two minutes and give  
8 Comm. Sims' report.

9 So Ms. Sabree, if you could give a  
10 little summary to the Board.

11 ATTORNEY SABREE: Good evening to the  
12 Board, good evening to the Chief. Briefly on  
13 June 6, last week Commissioner Taylor and I did  
14 visit the Detroit Detention Center on Mound Road  
15 and we met with Warden Stewart. We also met with  
16 several of the staff members and during our visit  
17 we were able to tour the entire grounds and  
18 during our visit we were able to see the  
19 technology that was used there as well as the  
20 surveillance equipment, see the booking area.

21 We were able to watch someone actually  
22 be processed at the time. We saw the LiveScan  
23 stations and we were able to see certain cells  
24 and actually an individual on suicide watch and  
25 how they treated that person and how they dealt

1 with that.

2 We also saw the male and female side  
3 and we observed the nurses' area where they took  
4 care of individuals who had medical issues. So  
5 the main point is when we visited in our  
6 observation the facility was clean and it was  
7 well run and efficient and we thanked Warden  
8 Stewart for opening his doors to us and being  
9 transparent throughout the whole process.

10 Thank you.

11 COMMISSIONER TAYLOR: Capt. Solano?

12 CAPTAIN SOLANO: Yes, ma'am. Comm.  
13 Sims couldn't be here, so she asked me to stand  
14 in for her and verify that she in fact  
15 accompanied the group through the -- our  
16 facility. And the complaints are relatively  
17 unfounded from what she relayed to me.

18 And me working there, that's my  
19 assignment. I visit Building 500 probably twice  
20 a week and Building 500 and 100 are kept  
21 exceptionally clean.

22 Warden Stewart makes sure of that, the  
23 deputy warden, they're constantly asking is there  
24 something you need, something that needs to be  
25 cleaned. If there's any issues, they take care

1 of it right away.

2 COMMISSIONER TAYLOR: Okay, thank you,  
3 sir and I concur with that. I didn't see -- this  
4 is my second time touring that facility and it's  
5 one of the cleanest -- I go to a lot of prisons  
6 and jails and that's the cleanest jail or prison  
7 I've ever seen, it's really nice, and the warden  
8 is very very open and I'm not going to talk, but  
9 I'm going to let him come up, Warden Stewart, if  
10 you would come up now. Also accompanying him is  
11 Russ Marlin who is a spokesperson for the MDOC.

12 WARDEN STEWART: I'd like to thank you  
13 for inviting me. I'd like to say regarding  
14 Detroit Detention Center it's been a pleasure  
15 working with the Detroit Police Department.

16 For those who don't know, we entered  
17 into an inter-agency agreement back in August of  
18 last year for centralized booking and to work  
19 towards getting Detroit out of that Consent  
20 Decree.

21 Specifically our role was that as it  
22 relates to conditions of confinement. So we  
23 looked at sanitation, we looked at having  
24 transparent systems in place.

25 Some of the things we have with regards

1 to currency, nobody handles money. The money  
2 goes in the Kiosk system and that money is then  
3 transferred to a receipt. Once that money is  
4 placed in the receipt DPD command staff then  
5 types in that number, it's swiped on a card,  
6 automatically uploaded and that money -- that  
7 receipt and that debit card is then placed in  
8 evidence.

9 With regards to medical coverage, I  
10 know there was some concerns about our medical  
11 system. The Detroit Detention Center is staffed  
12 with 24/7 RN coverage so our medical nurses take  
13 care of 90 percent of all emergent situations at  
14 Detroit Detention Center.

15 All non-emergent needs are handled  
16 there resulting in only 10 percent going to the  
17 hospital. The benefit in that is we recently had  
18 a meeting with DPD and Wayne County and they were  
19 indicating -- Wayne County indicated that they  
20 was looking at between 800 and 900 medical runs a  
21 month.

22 Last month we had 97 runs, so that's a  
23 tribute to the medical staff at that particular  
24 facility. Those RNs are able to deal with  
25 diabetes, blood pressure and a lot of issues that

1 are typically -- or that were typically  
2 transported to the hospital because DPD didn't  
3 have those medical personnel in those precincts.

4 So I have nothing but good things to  
5 say about our collaboration. I've looked at it  
6 as a great partnership. We're constantly  
7 meeting, we meet weekly. We started off meeting  
8 weekly, then we went monthly, now we're meeting  
9 quarterly and we're constantly looking at how we  
10 can improve our system to make it better for the  
11 staff, the detainees and to reduce any type of  
12 litigation that could come to the City.

13 Russ?

14 MR. MARLIN: Thank you, Ms. Taylor. I  
15 know you have been to a lot of prisons and we  
16 appreciate the good work that you do in our  
17 correctional facilities. I just would echo what  
18 Warden Stewart said that it was a little over a  
19 year ago when DPD and our department began  
20 conversations about the use of this prison that  
21 we closed in January of 2012, came to an  
22 agreement to allow our staff to do what we do  
23 every single day at our 31 prisons across the  
24 state and close five DPD lockups and move police  
25 officers back onto the street.

1           That facility, as Anthony indicated,  
2           opened August 1 of last year and he touched on  
3           the decrease in the emergency room runs, but we  
4           have five RNs that work at that correctional  
5           facility or at the Detroit Detention Facility and  
6           that staffing has allowed for -- since the  
7           facility opened over 4,200 fewer emergency room  
8           runs that was previously the case when the five  
9           lockups were in operation.

10           So we're seeing cost savings, we're  
11           seeing greater efficiency. As you mentioned, the  
12           facility is very clean, run very well and also  
13           having one central lockup I think the Chief will  
14           probably comment on this, it allows more creative  
15           law enforcement techniques, you know, these  
16           sweeps, these large arrest things where five  
17           lockups you couldn't accommodate those types of  
18           operations, and now with one 200-bed central  
19           lockup that is something that we can do.

20           We'd be happy to answer any question  
21           that you have.

22           COMMISSIONER TAYLOR: At this time do  
23           you have any questions, Commissioners? If you  
24           could hold for a minute, I'm going to have the  
25           Chief to come on and do his report because he has

1 to leave, so then you can come back and you can  
2 entertain any questions the Commissioners have.  
3 Thank you.

4 Chief?

5 CHIEF CRAIG: Thank you, Madam Chair,  
6 and I apologize in advance. We had a crisis in  
7 the Detroit Police Department this afternoon and  
8 I'll update you on that situation, but as I begin  
9 my remarks I would ask that we have a moment of  
10 silence for Police Officer Anna Hamilton.

11 (MOMENT OF SILENCE.)

12 CHIEF CRAIG: Thank you. Today we  
13 received notification around 1:30 this morning  
14 that a 16-year veteran police officer Anna  
15 Hamilton assigned to the 6th Precinct was  
16 murdered in her home in what we believe based on  
17 the information we have that her husband was the  
18 suspect.

19 That crime took place in the city of  
20 Redford Township and is currently being  
21 investigated by the State Police, so as you can  
22 imagine being assigned to the 6th Precinct she's  
23 well known throughout the department, many are  
24 grieving.

25 I had an opportunity to go over with

1 City Council President and I went both to the  
2 residence and to the station and met with the  
3 afternoon shift, talked to the officers. We have  
4 clergy present, we have other support personnel  
5 and so I'm planning to when I leave here to  
6 attend the next two roll calls.

7 She was a Platoon 1 officer and so our  
8 plan is to relieve those officers and replace  
9 them with officers from other stations across the  
10 city because as you can imagine there's a lot of  
11 pain associated with this.

12 Before I go into my crime report are  
13 any questions -- again, a news report has some of  
14 this. I think they may have released her name.  
15 We asked the media to hold off as long as they  
16 could and they obliged us, but I think her name  
17 has been released as of now.

18 So thanks to Commissioner Donnell, I  
19 did have a chance to brief him from the scene on  
20 what was occurring. If anybody has any  
21 questions?

22 COMMISSIONER TAYLOR: Commissioners, do  
23 you have any questions for the Chief before he  
24 leaves? If not, thank you, Chief.

25 CHIEF CRAIG: I'll give my crime report

1 and then Chief Darryl Brown will continue on.

2 First of all, I know that Capt.  
3 Chambers is here, he's going to give a crime  
4 report that's encouraging in this specific area.  
5 Before I get into that, I did want to give you an  
6 update.

7 As you also know, there is a very  
8 high-profile crime that occurred in the city. I  
9 want to first acknowledge the men and women of  
10 DPD who worked so diligently on this case and  
11 this is involving the tragic death of a mother of  
12 two children. Our investigators worked around  
13 the clock and based on our investigation we  
14 learned that the suspect left the city and was in  
15 Atlanta, Georgia.

16 Because of our relationship with our  
17 federal partners, certainly Atlanta, Georgia,  
18 Fulton County, we were able to locate the suspect  
19 who is now a suspect, but then was a person of  
20 interest based on his relationship to the mother.

21 During that initial contact our sole  
22 purpose was to try to find out where the children  
23 were located. To date we have not done that.

24 After other information came we  
25 arrested a second -- well, a first suspect who

1 gave us some additional information on the crime.

2 We then got a warrant signed from the  
3 Prosecutor's Office and we responded to Atlanta,  
4 Georgia. And our investigators are there now and  
5 we are making a diligent attempt to try to locate  
6 the children. That has not been done.

7 So the husband has been arrested for  
8 murder and a second suspect has been arrested for  
9 accessory to murder. So this investigation is  
10 still continuing, but our focus continued to be  
11 on locating the children.

12 As you can see, this is a very tragic  
13 situation, but again I certainly applaud the  
14 great work by Detroit Police Department, Michigan  
15 State Police who assisted, the FBI who has been  
16 with us and certainly and not least the Wayne  
17 County Prosecutor's Office because we had a  
18 prosecutor with us from the beginning until  
19 current, and so it's worked out well.

20 Any questions in that case?

21 COMMISSIONER TAYLOR: Chief, if I can,  
22 I don't know if you can answer specifically, but  
23 did the husband say he did have the children or,  
24 you know, did the children leave with him --  
25 because I was assuming that maybe he took the

1 kids when he left Detroit. So he's saying he  
2 doesn't know where the kids are?

3 CHIEF CRAIG: Respectfully, given that  
4 this is a very active investigation I can't go  
5 into details on that. We believe he has  
6 knowledge and so we're continuing to pursue that.

7 COMMISSIONER MOORE: I have a question.  
8 Chief, initially there was a question about an  
9 Amber Alert being issued. Can you kind of  
10 expound upon that?

11 CHIEF CRAIG: I ordered that, in my  
12 judgment it was not an issue. In fact, looking  
13 at the criteria for an Amber Alert it didn't  
14 necessarily meet that. I know that was hard for  
15 some to accept. It certainly didn't undermine or  
16 take away from the investigation.

17 In fact, because we work very closely  
18 with the federal government and certainly the  
19 outside agencies not only did we put out missing  
20 exploited children, in fact we know that our  
21 partners in Atlanta, Georgia were very much aware  
22 of this critical missing case. They had the  
23 information.

24 And based on the investigation -- again  
25 I can't go into details, but it would not have

1 changed the outcome. I think looking back at  
2 this investigation because the mother went  
3 missing several weeks prior to her body, we look  
4 at was there something that would have indicated  
5 there was trouble. Unfortunately it appeared  
6 there was a voluntary absence based on the  
7 discord in her home, but nothing that would have  
8 risen to the level of what we later learned.

9 And so I know there was a lot of  
10 conversation by both the family and certainly the  
11 media and I made a point of advising the media  
12 many times when we have these high-profile cases  
13 and you talk to family members who are rightfully  
14 emotional and who want closure and certainly they  
15 want the children, sometimes erroneous  
16 information is placed out.

17 And our goal and focus is to find and  
18 locate these children. And certainly what we  
19 didn't want to do is really the person who we  
20 believe to be the suspect at the time, we  
21 certainly didn't want to cause alarm to the  
22 suspect. That would have negatively impacted our  
23 investigation, so I'm confident that what we did,  
24 the partnerships and collaboration, that there  
25 was a wholesale effort, certainly the case was

1 solved in a matter of days once we became aware  
2 of her murder which has been consistent on some  
3 of our high-profile cases.

4 But again we don't see where that had a  
5 negative impact based on what I know about this  
6 investigation.

7 COMMISSIONER MOORE: Thank you.

8 COMMISSIONER TAYLOR: Any more  
9 questions for the Chief? Thank you, chief.

10 CHIEF CRAIG: In terms of crime, I  
11 always -- I know that Capt. Chambers is going to  
12 elaborate, in this area that we're physically in  
13 this candidly is viewed as one of the safest  
14 areas in the city of Detroit. Scout Car 4-15  
15 year to date, no homicides, robberies are down,  
16 aggravated assaults, burglaries.

17 And so the area based on in comparison  
18 to other scout car areas in the city, and Capt.  
19 Chambers certainly can elaborate on the issues  
20 that are going on in the community, and his  
21 neighborhood police officers are here, so at the  
22 appropriate time he would like to introduce for  
23 those who may not know.

24 But overall city-wide in the city of  
25 Detroit some good news is that when you look at

1 our violence crimes year-to-date we're down  
2 overall 9 percent.

3 In property crimes year-to-date we're  
4 down 23 percent with an overall reduction of 20  
5 percent Part 1 crimes which includes both violent  
6 and property.

7 Some key points: Homicides are down 20  
8 percent, non-fatal shootings are down 13 percent.  
9 Robbery which is the most significant reduction  
10 and typically robbery is a crime that really  
11 drives our violent crime numbers is down 35  
12 percent.

13 And the sub-category in robbery,  
14 carjacking, and we've talked a lot about  
15 carjackings. First time this year the steepest  
16 reduction, we're sitting on a 25 percent  
17 reduction in carjacking incidents.

18 And so that's great news. The one area  
19 that we are up, we are up very slightly in the  
20 area of aggravated assaults and it's not because  
21 of our non-fatal shootings because as I pointed  
22 out we're down 13 percent in non-fatal shootings,  
23 but domestic violence we're up 13 percent.

24 And so when I started to look at  
25 domestic violence incidents it caused me a lot of

1 concern. You know, one of the things that we try  
2 to look at domestic violence is what we can do in  
3 a proactive way because even when we look at the  
4 two most recent incidents, the tragedy involving  
5 our officer and certainly the tragedy of the  
6 mother, in this case that we're currently working  
7 both are domestic violence incidents.

8 So we're looking for ways to  
9 proactively when there's signs and problems that  
10 we can act sooner than later instead of reacting  
11 to a fatality.

12 But with that said, the other part of  
13 the analysis that really hasn't been talked a lot  
14 about, when I arrived here 10 months ago I was  
15 very candid, we talked about response time being  
16 59 minutes. We talked about clearance rates  
17 about 11 percent. We talked about calls being  
18 held between shifts in some districts.

19 By way of example, I remember vividly  
20 in the Eastern District one day 40 to 60 calls  
21 being held between shifts. And so when you look  
22 at 40 to 60 calls being held between shifts and  
23 on top of that many of these 40 to 60 calls were  
24 never being responded to.

25 Clearly there were a lot of unanswered

1 calls in the city of Detroit. When I came here  
2 many of the community members reported out to me  
3 that, "Why call the police, they don't come?"

4 Even my dad when I was still the police  
5 chief in Cincinnati and his car -- was attempt  
6 vehicle theft, and the first question I had as,  
7 "Well, did you call the police?" My dad said,  
8 "For what?" I thought that was odd.

9 So then later, only two months later I  
10 then become police chief so I remembered that and  
11 so clearly when we talk about 40 to 60 calls, I  
12 can't even tell you what percent of those calls  
13 were unanswered, we were talking about this the  
14 other day at ComStat.

15 Conservatively 30 percent probably got  
16 handled, if that. With that said, how many of  
17 those calls unanswered were domestic violence  
18 incidents? I would suggest that probably a good  
19 number of them, so there was underreporting, and  
20 now that we see this uptick because we go to  
21 every call. Good news is right now year-to-date  
22 we look at our Priority 1 calls for service,  
23 we're sitting on roughly a 10-minute response  
24 time average. Some of our higher priority calls,  
25 shootings in progress, we've seen two to three

1 minute response times.

2 So with fewer officers, and we do have  
3 fewer officers than we had even 10 months ago,  
4 we're more efficient in responding to calls for  
5 service. And so we've seen a drop in crime,  
6 we've seen the response time and really I have to  
7 give credit to many of the men and women we see  
8 here today, the command staff, who really provide  
9 the kind of leadership because they understand  
10 the importance of serving the city of Detroit.

11 So we've seen that reduction, but I  
12 must believe that that uptick in domestic  
13 violence is because now we respond to everything  
14 and we take reports. It doesn't minimize it  
15 because it's still critical and so we will  
16 continue to find solutions to how we can reduce  
17 domestic violence incidents.

18 So that concludes my crime report and  
19 ask if there's any questions?

20 COMMISSIONER TAYLOR: Any questions,  
21 Commissioners?

22 COMMISSIONER CRAWFORD: Yes, through  
23 the Chair. Chief, recall a couple of months  
24 back, might have even been three months ago, you  
25 were concerned you expressed to us about the

1 domestic violence and I think then there was an  
2 uptick then and also there seems to be a national  
3 trend some of the most heinous crimes not only in  
4 Detroit but also across the country are spawned  
5 from domestic violence.

6 Is the department looking at doing a  
7 TSA or anything like that involving counselors or  
8 something of that nature or informational things  
9 to get out to the community in terms of the women  
10 and even the men to make the perpetrating of  
11 domestic violence, disrespect the men you  
12 disrespect the individual, disrespect a women you  
13 disrespect a nation because the women are the  
14 nurturers and the teachers, first teachers of our  
15 children.

16 I was just as an informational piece --  
17 I'm willing to work in any way or bring forth any  
18 information that I'll work with you and the  
19 department on any type of project because it is a  
20 real issue in not only this community, but also  
21 across the country.

22 CHIEF CRAIG: Through the Chair in  
23 response, yes, we are looking to do something  
24 very different and I think it's very key to  
25 remember -- I wish we had accurate statistics to

1 compare last year to this year.

2 I would submit that if we were handing  
3 all the calls of service we would probably see a  
4 reduction also here in domestic violence  
5 incidents, but that doesn't take away from the  
6 importance of it.

7 I have had a conversation with  
8 Councilwoman Saunteel Jenkins who's very  
9 interested in working with the department on  
10 domestic violence in a pro-active way. Wayne  
11 State is going to be part of that dialogue and  
12 we're looking for a pro-active response.

13 I know when I was police chief in  
14 Portland we had social service workers embedded  
15 in the department so anytime it was a call for  
16 service involving a domestic violence incident,  
17 whether it was just an argument, screaming,  
18 social service workers would respond out and  
19 start the intervention at that point, not after  
20 the fact.

21 We know that when the domestic violence  
22 incidents may result in fatalities that is not  
23 the first time the police were called, so we want  
24 to be proactive instead of reactive so we're  
25 going to be rolling out hopefully sooner than

1 later an initiative and we certainly welcome your  
2 involvement in that.

3 COMMISSIONER CRAWFORD: Thank you, sir.

4 COMMISSIONER TAYLOR: Any more  
5 questions, Commissioners?

6 COMMISSIONER BELL: Madam Chair, I just  
7 want to say to the Chief I know your heart is  
8 heavy. Our hearts are heavy in reference to a  
9 loss of a Detroit police officer and also a  
10 high-profile case with the mother and missing  
11 kids and I just want to commend you for coming  
12 out tonight and reporting out to the community  
13 because this is crucial and your professional  
14 demeanor at all times.

15 And I just want to also mention that  
16 your relieving the officers tonight, that is  
17 another positive step because their hearts are  
18 heavy. I've been in that situation working  
19 through that process, it's hard to work, so I  
20 think that is really admirable in terms of your  
21 approach to this matter; thank you.

22 CHIEF CRAIG: Thank you for that.

23 (APPLAUSE.)

24 COMMISSIONER TAYLOR: Are there any  
25 more questions for the Chief? If not, Chief --

1 CHIEF CRAIG: Thank you all.

2 (Chief Craig leaves.)

3 COMMISSIONER TAYLOR: And if you don't  
4 mind, before we do the presentation, 4th Precinct  
5 presentation, I'd like to bring Warden Stewart  
6 and Russ Marlin back up for questions.

7 Board, do you have any questions for  
8 Warden Stewart or Russ Marlin?

9 COMMISSIONER SHELBY: Once a detainee  
10 comes to your facility how long before someone  
11 can call and get a notification of that subject  
12 being in your facility?

13 MR. MARLIN: The actual intake portion  
14 of the DDC is handled by the Detroit Police  
15 Department. We do the holding process which is  
16 the mugshots, LiveScans and then we facilitate  
17 the arraignments, so that's probably a better  
18 question for the Detroit Police Department.

19 CAPT. SOLANO: Excuse me, what was the  
20 question?

21 COMMISSIONER SHELBY: The question was  
22 when a detainee comes into the facility and a  
23 loved one comes into the facility to inquire  
24 about that detainee, how long does it take to get  
25 them into the system so they are able to respond

1 to them?

2 CAPT. SOLANO: Probably within half  
3 hour to an hour, and they can call right away.  
4 We wouldn't be able to tell them a whole lot  
5 except the fact that they were there and maybe  
6 initial charges, but there would be information  
7 available.

8 COMMISSIONER SHELBY: Okay.

9 COMMISSIONER TAYLOR: Just let me just  
10 acknowledge before we go on Commissioner Burton  
11 has arrived earlier, I don't think we  
12 acknowledged him.

13 COMMISSIONER CRAWFORD: Through the  
14 Chair, and this is for the DDC captain, there is  
15 a real communication problem in terms of the  
16 telephoning information. I know for a fact  
17 because I worked for the Wayne County Sheriff's  
18 Department and I worked Wayne County Jail and  
19 I've worked the desk on numerous occasions.

20 The complaints that I get from people  
21 who call the county jail who have called the DDC  
22 is that no one never answers the phone. We  
23 continuously tell them to call and give them the  
24 phone numbers.

25 Also too there is an issue -- and it's

1 not on the part of DPD or Wayne County, and that  
2 is if information is given that the person has  
3 left DDC and they're in transit to the Wayne  
4 County Jail, a lot of citizens don't understand,  
5 they walk in at this very moment to our registry  
6 downstairs in the Wayne County Jail it's probably  
7 two or three hours to book that individual in.

8 So we have no information because it's  
9 not logged into the computer from the time they  
10 walk in for approximately two or three hours,  
11 maybe four hours sometimes.

12 So that's not anything on DPD or Wayne  
13 County, but they seem to sometimes not grasp that  
14 information because they continuously call. But  
15 one of the main complaints were that the phone is  
16 just ringing and ringing.

17 CAPT. SOLANO: Right, absolutely, and  
18 you're right, it does. We get, you know, I want  
19 to say, hundreds of calls daily regarding -- we  
20 process approximately 400 -- over 400 prisoners a  
21 month -- excuse me, detainees a month.

22 This past month we did over 1,800. So  
23 yeah, we get a massive amount of calls. We get  
24 people coming through the door looking for  
25 information for somebody who may have been

1 arrested, who has been arrested and looking for  
2 bond information, so yes, that is a problem.

3 We are very limited as far as people  
4 that can answer these phones, but we do try to  
5 answer as soon as possible and, you know, give  
6 people the best information we have available,  
7 but you're absolutely right, the calls come in.

8 I stand behind that desk and I answer  
9 phones, it just -- it's nonstop.

10 COMMISSIONER CRAWFORD: Yes, sir.

11 DEPUTY CHIEF BROWN: DC LeValley, you  
12 want to add something?

13 DEP. CHIEF LeVALLEY: Yes, sir. David  
14 LeValley, Deputy Chief, Support Services. I know  
15 last week there was some issue brought up about  
16 the Detroit Detention Center and about the  
17 information that was available on the City's  
18 website for people who were trying to figure how  
19 to -- what the process is when their loved one  
20 gets locked up.

21 I did check and the phone numbers are  
22 all listed on the website. They're not really  
23 easy to get to. I talked to Comm. Sims, she's  
24 putting together like a FAQ, frequently asked  
25 questions, where it will go through the process

1 and explain the process and then she's going to  
2 have that information posted on the website so  
3 that it's easily visible to anybody that logs  
4 onto the City's website, they will be able to hit  
5 a link to see the jail information.

6 We can work toward getting information  
7 on the detainees to where they could look  
8 something up, but if that happens that will be  
9 far out, but immediately she's going to be  
10 putting together the FAQs and basically a process  
11 map as to what happens when somebody gets brought  
12 in, what the process is for figuring out what  
13 their bond is, and like you said, the transfer  
14 from Detroit Detention Center to the Wayne County  
15 Jail so that those questions would be able to be  
16 answered on the website if they can't get  
17 somebody on the telephone.

18 COMMISSIONER CRAWFORD: Through the  
19 Chair, I'd like to get a copy of that so I can  
20 distribute that.

21 DEP. CHIEF LeVALLEY: Certainly, we'll  
22 have it soon.

23 MR. MARLIN: Just to put it into  
24 context, since the facility opened we've  
25 processed over 15,000 detainees in and not one

1 single person has been in there more than 72  
2 hours, so they're arraigned, released or  
3 transferred to the Wayne County Jail.

4 COMMISSIONER WHITE: Madam Chair, I  
5 just want to do a follow-up to Dep. Chief  
6 LeValley's comments. I applaud the department  
7 for their forward thinking and information  
8 sharing. If I heard the captain correctly, us  
9 increasing the amount of information into the  
10 public is only going to increase potentially the  
11 number of calls coming in for questions.

12 So if I'm hearing correctly, that we do  
13 not have the manpower to physically answer those  
14 calls, what are some of the solutions that we can  
15 look to in terms of getting those men and women  
16 some support that they can physically respond to  
17 the influx of calls that could be coming in.

18 DEP. CHIEF LeVALLEY: We routinely put  
19 some of our restricted-duty officers onto the  
20 desk at the Detention Center so when officers on  
21 the street have a short-term injury, they hurt  
22 their ankle or something like that, we can take  
23 them, move them to the Detention Center.

24 So we've recently added, I believe, two  
25 on each shift restricted duty officers to solely

1 work the desk. We can increase that a little  
2 bit, but that's -- the idea behind the frequently  
3 asked questions and behind having the information  
4 on the website is so that a lot of those  
5 questions could be answered via the Internet  
6 versus having to call somebody on the phone to  
7 get the answers.

8 So the idea behind the FAQ section  
9 would be that you can answer those questions  
10 without having to have the phone call.

11 COMMISSIONER TAYLOR: Are there any  
12 other questions for any --

13 COMMISSIONER CARTER: The complaint a  
14 couple of weeks ago had to do with medication and  
15 the person not getting their medication upon  
16 arrival at the DDC, so how long does -- if a  
17 person arrives without medication, how long does  
18 it take for that person to get the medication  
19 that they need?

20 WARDEN STEWART: Our nurses have the  
21 ability to, depending on what the medication is,  
22 make that call. If it's something outside their  
23 realm, then they're sent to Detroit Receiving via  
24 DPD and have medication, so there shouldn't be  
25 any case where someone is in need of medication

1 and not getting medication.

2 COMMISSIONER CARTER: Thank you.

3 COMMISSIONER TAYLOR: Any other  
4 questions?

5 COMMISSIONER CRAWFORD: Yes, ma'am. I  
6 have a question for the Warden or basically a  
7 statement. Your facility -- I've been in there,  
8 I agree it is clean.

9 As a matter of fact, often times most  
10 of these detainees when they come in when they  
11 come into the Wayne County Jail they're really  
12 glad to get out of our facility.

13 I've been in every prison in the state  
14 of Michigan including Ojibway which is a half  
15 hour away from Wisconsin. I do know that there  
16 are 43,000 inmates in the correctional system in  
17 the state of Michigan and I do know that there  
18 are 2.4 million people incarcerated in America,  
19 the largest prison population in the world and I  
20 believe it's about 16,000 come through the Wayne  
21 County Jail and they average about 31,000 a year.

22 Yes, your facility is clean. I also  
23 was there when they built Ryan and Mound. I live  
24 in that area, that's my district. I look forward  
25 to having further communication with you.

1 I did work the Ryan 10 escapees and I  
2 think you've had so far two escapes in the last  
3 year or so from your facility.

4 WARDEN STEWART: Actually no, we had  
5 one absconder and that's really a point that  
6 really needs to be made. There's a big  
7 difference between an individual on parole  
8 absconding and a prisoner escaping.

9 What we had was an individual -- got to  
10 remember I'm the warden at Detroit Detention  
11 Center, but also the warden at Detroit Re-Entry  
12 Center and that was an individual at the Detroit  
13 Re-Entry Center where 70 percent of my population  
14 -- actually 90 percent of my population are  
15 parolees; only 10 percent are prisoners, so these  
16 individuals are on gate pass work groups.

17 And that individual walking away from a  
18 gate pass work group is no different than an  
19 individual being on parole on the street and not  
20 showing up to see his parole agent.

21 What we call them is an absconder so  
22 just for clarification, that's what we had at  
23 Detroit Detention Center.

24 COMMISSIONER CRAWFORD: Didn't go over  
25 the wall or cut a hole in the fence?

1                   WARDEN STEWART: Absolutely not, no,  
2                   no. What he did was he got driven out of the  
3                   perimeter, he got sent out to do his yard work  
4                   and he walked away.

5                   COMMISSIONER CRAWFORD: All right.  
6                   Thank you.

7                   WARDEN STEWART: You're very welcome.  
8                   Look forward to talking to you in the future.

9                   COMMISSIONER CRAWFORD: Oh, definitely.  
10                  That community around there, you know, you know  
11                  they have concerns about the security also and  
12                  also to living in the community and also working  
13                  part of the system, there's always concerns about  
14                  as to how the detainees are treated; okay.

15                  WARDEN STEWART: One thing just to  
16                  speak to that, is one of the things when we  
17                  designed Detroit Detention Center and re-purposed  
18                  it from a prison to a detention center is we  
19                  really looked at and what Commissioner Taylor was  
20                  referring to was our camera system. I really  
21                  wanted transparency and that speaks to not only  
22                  the Kiosk system with the money, because also our  
23                  surveillance system.

24                  From the time an individual in a squad  
25                  car pulls up to our side door to the time that we

1 hand them off to Wayne County out the back door,  
2 there's not one portion of the time that  
3 individual is in our area that they're not under  
4 surveillance.

5 COMMISSIONER CRAWFORD: I've been to  
6 your back door numerous times, numerous times.

7 COMMISSIONER TAYLOR: Commissioners, do  
8 you have any other questions of any of these?

9 And let me just say that there was  
10 three questions that Attorney Simpson had. There  
11 were three questions that Attorney Simpson asked  
12 and I do -- if he's here or anyone else here from  
13 the ACLU, I do have a copy of those. The warden  
14 has already answered those so I'm going to give  
15 him a copy of it when you see him, so you do have  
16 that.

17 So Commissioner White, if you think you  
18 should read them because I can't see.

19 COMMISSIONER WHITE: Madam Chair, I do  
20 believe these questions were covered in the  
21 warden's presentation very thoroughly and very  
22 thoroughly followed up by a number of different  
23 Commissioners and put into additional questions  
24 and I don't think there's a need to re-visit  
25 this.

1 COMMISSIONER TAYLOR: Thank you. If  
2 there's no other questions, then we can let the  
3 gentlemen go. Thank you very much.

4 WARDEN STEWART: You're very welcome,  
5 thank you.

6 (APPLAUSE.)

7 COMMISSIONER TAYLOR: Now we will move  
8 to our standing committee reports. If there's no  
9 -- oh, I'm sorry, 4th Precinct.

10 CAPT. CHAMBERS: Good evening. I'm  
11 Capt. Michael Chambers, I've been a captain here  
12 at the 4th Precinct since December. I'm going to  
13 do my presentation.

14 Before I start, I just want to thank  
15 the Southwest Church of God and Pastor Perkins  
16 and Asst. Pastor Hill for the use of their  
17 facilities tonight, we truly appreciate it.

18 The 4th Precinct is located at 4700  
19 West Fort and encompasses approximately 15 square  
20 miles and is bound on the north by Michigan  
21 Avenue, east by 14th Street, south by Detroit  
22 River and west by Outer Drive.

23 According to the 2010 Census the  
24 precinct has a total population of approximately  
25 71,000 people of which 56.3 are Hispanic or

1 Latino, 21.5 percent are black or  
2 African-American and 19.6 are white.

3 The 4th Precinct borders the  
4 neighboring communities of Melvindale, Lincoln  
5 Park, Dearborn and River Rouge. There are 22  
6 schools of various levels in the precinct.

7 Some of the notable locations,  
8 businesses and organizations in the 4th Precinct  
9 include Patton Park, Clark Park, the Detroit Salt  
10 Company, Southwest Solutions, the Detroit  
11 Southwest Business Association and Marathon Oil.

12 At this point I'd like to mention the  
13 outstanding work being done by the 4th Precinct  
14 officers. As the Chief spoke to earlier, we have  
15 over a 10 percent reduction in the 4th Precinct  
16 as compared to last year at this time for violent  
17 and property crimes.

18 Officers at the 4th through yesterday  
19 had actually made 379 felony arrests, 169 adult  
20 misdemeanor arrests, 44 combined juvenile felony  
21 and misdemeanor arrests. They've recovered over  
22 50 guns total this year, investigated over 5,500  
23 vehicles, 15,000 people and issued over 4,400  
24 tickets.

25 They've also boarded over 1,100 buses

1 and responded to over 10,200 calls for service  
2 year-to-date. While the officers are doing an  
3 outstanding job of crime fighting we understand  
4 that additional strides can be gained by  
5 partnering with outside entities.

6 Regular Detroit 1 and Southwest ComStat  
7 meetings meeting are held during the month to  
8 discuss crime trends, strategies and problematic  
9 offenders. These meetings are attended by  
10 representatives from law enforcement like Detroit  
11 Public School Police, Michigan State Police, the  
12 Corrections, FBI, U.S. Customs and the U.S.  
13 Attorney's Office.

14 Additionally non-law enforcement  
15 organizations attend these meetings to share  
16 information and provide additional resources to  
17 combat issues occurring in the 4th Precinct.

18 While not all inclusive, some of these  
19 groups include Wayne State University Center for  
20 Urban Studies, Congress of Communities, Urban  
21 Neighborhood Initiatives, Black Family  
22 Development, the Detroit Hispanic Development  
23 Corporation, and Detroit Southwest Business  
24 Association.

25 Information sharing is occurring on a

1 daily basis between precinct officers and our  
2 stakeholders in the community. In addition to  
3 the outstanding police enforcement being  
4 conducted at the precinct officers are very  
5 engaged in the community. We're very active with  
6 community groups and meet monthly at various  
7 locations throughout the precinct, many of which  
8 I see here this evening.

9 Some of these groups include the  
10 Springdale Block Club, Congress Communities,  
11 Bridging Communities, United Citizens of  
12 Southwest Detroit and Friends of Patton Park.

13 The neighborhood police officers along  
14 with other officers who are assigned to the  
15 precinct meet with them to address different  
16 concerns and issues in the areas.

17 Currently the precinct has three  
18 neighborhood police officers. If you would just  
19 stand when I call your names, the officers are  
20 Officer Juan Lebron, Officer Alfonso Luis and  
21 Officer Thomas Denmark. Officer Lebron's area  
22 consists of the northern part of the precinct  
23 which is from John Kronk to Michigan Avenue.

24 Officer Luis, he covers the middle area  
25 which is between West Fort and John Kronk and

1 Officer Denmark handles the south area which is  
2 south of West Fort.

3 Over the past few months the NPOs and  
4 other officers have participated in a number of  
5 community events. Some of these include the  
6 Urban Safety Program's Board-Up Project around  
7 Harms Elementary, a community leadership  
8 luncheon, a health screening that was held at the  
9 4th Precinct. We also attended some at Cesar  
10 Chavez School for a speaking engagement, Merritt  
11 Street clean-up. I have a long list here, but  
12 we've been doing a number of different things,  
13 pitch, hit and run at Patton Park, Picnic in the  
14 Park at Springdale Greendale Park, Motor City  
15 Makeover and the list goes on.

16 As you can see, the 4th Precinct  
17 understands the importance of collaboration with  
18 community organizations, businesses and  
19 residents. We know that collaboration with  
20 community organizations, business and residents,  
21 we cannot do it alone and we need to partner with  
22 the groups.

23 We feel we have strong partnerships  
24 here in the 4th and we're thankful to have the  
25 opportunity to share information in regards to

1 our community and precinct.

2 I just want to just thank everyone for  
3 coming out and also I wanted to just let you know  
4 at the conclusion when we're all over there is  
5 more refreshments downstairs and I'd like to  
6 thank Marathon and Ms. Robalo for laying it out  
7 downstairs for us as well.

8 So at this point I would just open it  
9 up for questions.

10 COMMISSIONER TAYLOR: Before you have  
11 questions, I just want -- I don't know if you  
12 said it before I got here, Commissioner, but this  
13 district is unique in that both the appointed  
14 Commissioner, that would be me, and Commissioner  
15 Carter, the elected Commissioner from this  
16 district, so that you know that.

17 Okay, are there any questions?

18 Commissioner WHITE: Yes, I did have  
19 one brief question. Thank you, captain, for your  
20 report. Arguably you have the furthest distance  
21 to travel as relates to time to the DDC as we  
22 were talking about.

23 What are your average times for  
24 officers to transport and get back into service?

25 CAPT. CHAMBERS: Well, it would really

1 depend. I guess -- well, the processing there at  
2 the precinct, if there was a backup there was a  
3 number of different arrests that were in the  
4 lobby, but if there's no one in the lobby the  
5 officers convey them over there, they can process  
6 quickly. They should be able to get back out  
7 within an hour.

8 COMMISSIONER WHITE: Thank you.

9 COMMISSIONER TAYLOR: Yes, sir.

10 COMMISSIONER SHELBY: In regards to  
11 safety in the community, how often do you meet  
12 with the officials at Marathon Oil?

13 CAPT. CHAMBERS: How often? Well, we  
14 have representatives come to our ComStat meeting,  
15 I speak with them on a regular basis. We have  
16 different officers that patrol down there,  
17 they're doing some bridge construction. We stop  
18 in and around that bridge construction, do some  
19 different traffic enforcement, different things  
20 like that.

21 We also come down to the original  
22 Southwest Citizens meetings that's down here off  
23 of Beecher, so we're active down here in this  
24 community, in the 48217 community.

25 COMMISSIONER TAYLOR: Let me just

1 acknowledge that.

2 COMMISSIONER CRAWFORD: Yes, ma'am,  
3 through the Chair. My question is to  
4 Commissioner Carter do we have an update on that  
5 evacuation plan for Marathon or that meeting  
6 hasn't taken place yet?

7 COMMISSIONER CARTER: We are in the  
8 process of setting up a date, so everything  
9 hasn't been finalized yet.

10 COMMISSIONER CRAWFORD: Okay, thank  
11 you.

12 COMMISSIONER TAYLOR: Any questions for  
13 the captain? No questions?

14 CAPT. CHAMBERS: Thank you.

15 DEP. CHIEF BROWN: Thank you, captain.

16 (APPLAUSE.)

17 COMMISSIONER TAYLOR: Now we'll move to  
18 new business.

19 COMMISSIONER BELL: Madam, Chair, could  
20 we pause and allow D.C. Brown to introduce the  
21 command officers and other staff present tonight.  
22 We didn't do that initially; thank you.

23 COMMISSIONER TAYLOR: All right, DC  
24 Brown.

25 Q. /PWAUF?

1 DEP. CHIEF BROWN: I'd like to  
2 introduce the other staff members tonight. Dep.  
3 Chief Hall, Captain Nate Kuriosity, Captain  
4 Bliss, Commander Bettison, Commander Barron, and  
5 Captain Donninger.

6 We got Commander Fitzgerald, you guys  
7 met Deputy Chief LeValley earlier. I have  
8 Captain Cox. I believe I have Captain Solano.  
9 Captain Leach, newly promoted captain now with  
10 the 11th Precinct.

11 I'm sorry, that's -- we have Captain  
12 Hope of the 7th Precinct. I have Captain Wilson  
13 -- stepped out. I got Captain Serda and I  
14 thought I seen 2nd Deputy Chief Washington.  
15 Anybody else I've forgot, stand up please.

16 We're all set, thank you.

17 (APPLAUSE.)

18 COMMISSIONER TAYLOR: Anything else  
19 before we move on? If not, we're going the move  
20 to our new business and that gives us a portion  
21 of the program where -- I mean the meeting where  
22 we recognize the outstanding community persons.

23 Tonight we will be recognizing --  
24 honoring Josephine Smith --

25 (APPLAUSE.)

1 COMMISSIONER TAYLOR: -- for  
2 outstanding community service and Ms. Smith,  
3 would you come up and I'm going to ask  
4 Commissioner Carter if she would go there and  
5 read the resolution on behalf of the Board.

6 COMMISSIONER CARTER: Good evening,  
7 Southwest Detroit. We got accused of not turning  
8 out to meetings and functions and events a couple  
9 of weeks ago, so I want everybody to know that  
10 Southwest Detroit does represent.

11 (APPLAUSE.)

12 COMMISSIONER CARTER: And I am honored  
13 to be presenting Ms. Smith with this resolution  
14 from the Board of Police Commissioners.

8 (APPLAUSE.)

9 MS. SMITH: I guess the only thing I  
10 know to say is to say thank you. It is  
11 gratifying to be acknowledged for what you feel  
12 is something that you must do. I believe every  
13 day that the Lord wakes me up and gives me the  
14 strength, the guidance, the direction and  
15 protection to do whatever it is that I can to  
16 make this place a better place.

25 Ms. Smith, for all of your great work that you do

1 in the community.

2 DEP. CHIEF BROWN: Thank you, Comm.  
3 Barron.

4 COMMISSIONER TAYLOR: At this time I'd  
5 like to ask Commissioner White to read the  
6 resolution to honor deceased officer Elaine  
7 Frinkley.

8 COMMISSIONER WHITE: Certainly, Madam  
9 Chair. Commissioners, before us is a resolution  
10 honoring Police Officer Elaine Frinley

22 service Police Office Elaine Frinkley, Badge 0249

24 WHEREAS during her law enforcement  
25 career Officer Frinkley was the deserving

19 dedication were a credit to the Detroit Police  
20 Department.

21 She was highly respected as a  
22 consummate professional throughout the law  
23 enforcement community.

24 NOW THEREFORE BE IT RESOLVED.  
25 that the Detroit Board of Police

1 Commissioners speaking for the citizens of the  
2 city of Detroit and the Detroit Police Department  
3 award this resolution posthumously in recognition  
4 of police officer Elaine Frinkley's 27 years of  
5 dedicated and diligent public service. Her  
6 professionalism, integrity and standard of

8 citizens merit our highest regards.

9 We salute you, Officer Elaine Frinkley,

14 COMMISSIONER WHITE: Madam Chair, I  
15 move for adoption for both resolutions honoring  
16 Ms. Josephine Smith and Police Office Elaine  
17 Frinkley.

18 COMMISSIONER TAYLOR: Commissioners, we  
19 have a motion to adopt resolutions.

20 COMMISSIONER MOORE: Second.

21 COMMISSIONER TAYLOR: It's been moved  
22 and supported to adopt both resolutions of  
23 Ms. Josephine D. Smith and Officer Elaine  
24 Frinkley.

25 Are there any discussion? All in

1 favor?

2 BOARD MEMBERS: Aye.

3 COMMISSIONER TAYLOR: All opposed?  
4 Commission will adopt both resolutions and it  
5 will be added to our archive.

6 Is there any other old business?  
7 Announcements, the next week we'll have our  
8 meeting on Thursday, June 19, 2014 at 3 o'clock  
9 at the Detroit Police Headquarters and that's at  
10 1301 Third Avenue in the Michigan Room.

11 At this time I'm going to ask for oral  
12 communication from the audience, if you would  
13 please when you come forward give your name and  
14 please do two minutes. I think a have a bell up  
15 for you, Mr. Brown.

16 MR. CARTER: Good evening, everyone.  
17 I'm Tyrone Carter, resident and president of the  
18 Original United Citizens of Southwest Detroit, a  
19 frequent visitor to your Board and I want to  
20 thank you all for coming to our community.

21 I want to thank Pastor Perkins and the  
22 Southwest Church of God. First and foremost --  
23 is that Deputy Chief Brown? I'm just curious. I  
24 don't know, Darryl, I want to give you --

25 DEP. CHIEF BROWN: We go way back.

1 MR CARTER: Way back.  
2 Congratulations. And I wanted to do this in  
3 front of the Chief. Could Capt. Chambers and the  
4 neighborhood police officers please stand? I  
5 want to thank them publicly because, you know  
6 what, Capt. Chambers is one of the first guys to  
7 come in our community meeting and say, "You know  
8 what, I know where Edsel and Gleason is. I know  
9 where they selling dope."

10 Officer Lebron has shut down a hot spot  
11 up on Schaefer where they were gambling, shooting  
12 dice, I mean it was just all kind of stuff going  
13 on, so I think they deserve a hand.

14 (APPLAUSE.)

15 MR. CARTER: And the rest of the  
16 community would know that if you came to our  
17 once-a-month meetings every Thursday night, once  
18 every third Thursday at 6 o'clock. We'll be  
19 there next week at St. Andrew and Benedict.

20 The second thing I have -- and I got to  
21 look at my notes -- is the tribute for Ms. Faye  
22 Hines. I know this isn't the right place, but  
23 tomorrow Boynton Elementary now known as Mark  
24 Twain will be dedicating the cafeteria to  
25 Ms. Faye Hines who lived in the community I don't

1 know how many years, but she had 14 children.  
2 All of them went to Boynton, graduated from  
3 Boynton, so -- and she worked there 30 years.

4 So tomorrow at 3 o'clock they're going  
5 to dedicate the lunchroom to her, so if any of  
6 you could be there tomorrow that would be  
7 wonderful in her memory. Thank you all for  
8 coming out tonight.

9 (APPLAUSE.).

10 DR. LEONARD: Good evening, my name is  
11 Dr. Delores Leonard, I'm a member of -- resident  
12 of 48217 zip code community. This is my  
13 community.

14 I don't know how many of the  
15 Commissioners know, but I would like to inform  
16 you that April 12 at Keveny Rec Center we had a  
17 stop and frisk workshop. Officer Luis, he was  
18 present, he assisted. The officers who presented  
19 were retired Detroit police officers. We had  
20 about 10 officers.

21 Commissioner Carter served on the  
22 Organizing Committee and I would like for you to  
23 note that. Thank you.

24 COMMISSIONER TAYLOR: What was the date  
25 again?

1 DR. LEONARD: It was April 12. I can  
2 get that information to you.

3 COMMISSIONER TAYLOR: Okay, thank you,  
4 ma'am.

5 (APPLAUSE.).

6 MS. LANDRUM: Welcome to this  
7 Commission Board. I would like to say thank you  
8 because this is the first time in my lifetime  
9 that we've had the Board of Police Commissioners  
10 come to our community, so it's rare that it  
11 happens and we thank you for that.

12 COMMISSIONER TAYLOR: Ma'am, could I  
13 have your name for the record?

14 MS. LANDRUM: Oh, my name is Theresa  
15 Landrum. I am a resident of 48217 and I would  
16 like to thank the Chief in his absence for coming  
17 down because many times we feel that the  
18 resources are placed on the other side of the  
19 bridge, and a question was brought out about the  
20 other side and my question is if we're part of  
21 Detroit, why do we have to go to the other side?  
22 Sometimes the Board, sometimes the police and  
23 representatives need to come to us, so we really  
24 greatly appreciate you.

25 And I would like to say about several

1 of the officers as well as the Comm. Chambers,  
2 Bullock who's not her I don't think, Ruis who is  
3 here, Officer Denmark.

4 Since they have come and been  
5 participating in our community we feel that the  
6 police presence that we felt we weren't be denied  
7 is bringing a different kind of spirit to the  
8 community and we thank you for that.

9 Also I would like to say one thing that  
10 is a great concern of mine and I've addressed it  
11 to Capt. Chambers and I wanted to address it to  
12 the Police Chief, so now to the Deputy Police  
13 Chief.

14 As I go throughout the Detroit area I  
15 always see the word "POLICE" on every building  
16 except that 4th Precinct. If we can get a sign  
17 that says "POLICE" I think it would be  
18 appreciated because a lot of people don't  
19 understand Southwest District or the Southwest  
20 Mall and I think that this Board can help in that  
21 and I think that it would be a staple for us to  
22 have that word "POLICE" somewhere on the sign in  
23 the yard somewhere; thank you.

24 COMMISSIONER TAYLOR: DC Brown, do you  
25 want to comment?

1 DEP. CHIEF BROWN: I know there was  
2 some signage, might not be on Fort Street, but  
3 might be facing the parking lot.

4 CAPT. CHAMBERS: Exactly right, I just  
5 want to clarify, but from the street I could see  
6 where she wouldn't see it clearly, but it's  
7 actually -- once you actually pull into the lot  
8 it's visible right over the doorway and it says  
9 4th Precinct, but we definitely need to get  
10 something straight in front of there that would  
11 make it a lot clearer for everybody.

12 DEP. CHIEF BROWN: We'll work on that.  
13 DC Hall is here.

14 (APPLAUSE.)

15 COMMISSIONER TAYLOR: All right, thank  
16 you.

17 MS. COPELAND: Good evening, everyone.  
18 My name is Pamela Copeland and first I would like  
19 to thank Commissioner Moore for inviting me to  
20 come to your meeting this evening to tell you a  
21 little bit about what I do.

22 I am the navigator for the Michigan  
23 Legal Help Self-Help Center of Wayne County and  
24 we're located in the Penobscot Building. We've  
25 been operational since November of 2012 and the

1 Self-Help Center is part of the Michigan legal  
2 Help program and we're a grant-funded program  
3 through the Michigan State Bar Foundation, Legal  
4 Services of south Central Michigan and the Legal  
5 Services Corporation.

6 And we are a free legal resource for  
7 area residents who need to represent themselves  
8 in simple civil legal matters. Our website  
9 covers several areas of law, family which  
10 encompasses divorce, custody, child support  
11 issues, parenting time, housing such as  
12 landlord-tenant issues, protection from abuse,  
13 consumer law problems such as garnishment, we can  
14 help with that, expungement.

15 If you know anyone who needs to have a  
16 criminal conviction set aside and we also handle  
17 juvenile adjudication as well. We have  
18 information on income tax issues and public  
19 benefits.

20 Currently we don't cover all areas of  
21 law, but we are adding new content daily or I'll  
22 say regularly and I just wanted to come here this  
23 evening to make you aware.

24 I go to a lot of community meetings and  
25 the purpose of that is to let people know that we

1 exist because a lot of people are spending  
2 unnecessary money to do things that they can come  
3 to us and have done for free. So that's my main  
4 purpose for being here.

5 MR. KELLY: Yes. My name is Lloyd  
6 Kelly. I'm here to basically ask the question  
7 about the police squads, how would you go about  
8 filing a complaint against the police squad, my  
9 car was hit.

10 COMMISSIONER TAYLOR: Okay, sir. I  
11 want you to give the Chief Investigator, she's  
12 right there, she'll take you in the back and get  
13 your information and take care of it?

14 MR. KELLY: All right, thank you very  
15 much.

16 DEP. CHIEF BROWN: Chambers, would you  
17 also follow up because it didn't seem like it was  
18 a complaint against the police, more like a  
19 complaint and an accident complaint.

20 MS. ANDERSON: Good evening. My name  
21 is Maggie Anderson and I've been living where I  
22 am for 60 years and back about two months ago we  
23 had a drug house on our block and I called the  
24 police to set up a four-day sting and they  
25 cleaned it up and I want to thank them for it.

1 (APPLAUSE.)

2 MR. MATHIS: Good evening and I want to  
3 thank the church for allowing us to have this  
4 meeting here today and Commissioner Carter who is  
5 from the neighborhood and very supportive of  
6 things going on and I appreciate you being  
7 involved in bringing -- as Theresa Landrum said,  
8 on this side of the river.

9 I'm born and raised Southwest all my  
10 life at John Kronk Delray, moved out here when I  
11 was 18 years and still live out here. My name is  
12 Otis Mathes, I'm the president and chief  
13 executive officer of Citizens with Challenges.

14 We provide service through education,  
15 social and physical development. I think one of  
16 the questions I have, I know when Marathon  
17 received the tax abatement from the City of  
18 Detroit one of the requirements that they were --  
19 one of the requirements in their application was  
20 that they will provide two squad cars outside I  
21 understood because there was already talk about  
22 replacing Vassar Bridge, the Rouge Bridge, and  
23 the problem there was a backup on I-75.

24 We would be isolated and I wondered  
25 have they provided those cars? I so see the

1 stickers on a couple of the police unit cars out  
2 here with the Marathon emblem on it so I wondered  
3 how long are they out here during the day, how  
4 many days a week as part of that tax abatement  
5 with the City of Detroit.

6 I also want to thank the officers  
7 because lately I've saw it a very friendly group  
8 of officers, even the retired officers that came  
9 out with Dr. Leonard's program I was at. We're  
10 starting to see some positive feedback from  
11 officers out here and that is greatly  
12 appreciated.

13 We had officers like Capt. Serda who  
14 I've been knowing for years who's been very  
15 active and original Southwest Detroiter -- he  
16 happened to be from the other side of the river,  
17 but was always glad to see officers from the  
18 neighborhood coming back to the neighborhood and  
19 participating.

20 Also I want to say the last thing, our  
21 organization, Citizens with Challenges, is part  
22 of the Henry Ford, one of the community partners,  
23 and so to the Commissioners and the community  
24 some have taken advantage of it in the four  
25 years, we provide free tickets to Greenfield

1 Village and the Museum, church groups, families,  
2 small two or three or 50 or more and if they want  
3 to they can contact us at 313-732-3953, that's  
4 313-732-3953, Citizens with Challenges.

5 Thank you very much.

6 COMMISSIONER TAYLOR: I think that  
7 we're going to --

8 CAPT. CHAMBERS: I caught the tail end  
9 of it about I think you were talking about were  
10 there increased patrols because of the bridge  
11 closure. And yes, we did receive some funding  
12 through MDOT and Marathon also to have additional  
13 patrols, so the officers have been down here  
14 throughout the week, they're out working  
15 different shifts so they're giving increased  
16 presence for traffic as well as answering  
17 different police runs that's happening down here,  
18 so it's been a real asset to the precinct having  
19 that additional car down here and it's made a  
20 different I believe in my opinion.

21 COMMISSIONER CRAWFORD: Through the  
22 Chair. Yes, sir captain, I'm starting to run a  
23 bill up for Marathon perhaps we need to talk to  
24 them, gasoline is \$4 a gallon, billion dollar  
25 corporation is this community, they should

1 exercise good corporate citizenship here. They  
2 do have deep pockets.

3 CAPT. CHAMBERS: We do have a good  
4 working relationship with Marathon and they've  
5 reached out and tried to assist us as we needed  
6 help, so I appreciate it. I look forward to  
7 continued partnership with business and the  
8 community down here, so I would hope they will  
9 continue.

10 FROM THE AUDIENCE: We only funded for  
11 two years. What happens after the two years? We  
12 still need police after two years.

13 CAPT. CHAMBERS: I agree and we're  
14 going to be here.

15 COMMISSIONER CRAWFORD: And the price  
16 of gas is still going up, so --

17 MS. PANSELL: Good evening, Board.  
18 Sharon Pannell from 2nd Precinct. I just want to  
19 invite everybody to our Crime Walk which is the  
20 20th of June and the address is 15850 Strathmore.  
21 I didn't have the correct address last week so I  
22 wanted to make sure I had it for you today.

23 I e-mailed it to the people that I have  
24 e-mails for and all those that don't have it,  
25 well, here's a flyer.

1 COMMISSIONER TAYLOR: Thank you, ma'am.

2 MS. ANDERSON: Good evening. My name  
3 is Wanda Lo Anderson. I am a resident of 48217  
4 and also the co-chair of a community organization  
5 called the Boynton Core Group. I just have a  
6 question.

7 If our precincts are short staffed, is  
8 there any way that we could partner with  
9 universities to allow an internship for say  
10 criminal justice students to staff the phones and  
11 things of that nature for like a credit. There's  
12 so many students that are out there that could  
13 use that and it would help with resources and I'm  
14 just wondering if that's something we could look  
15 at.

16 COMMISSIONER TAYLOR: DC Brown, do you  
17 want to talk --

18 DEP. CHIEF BROWN: Yes. Currently we  
19 actually have an internship program where we hire  
20 currently some in excess of about 35, 40  
21 students. Do you want to speak about --

22 DEP. CHIEF LeVALLEY: Actually we had  
23 35 to 40 interns, a paid internship program that  
24 started today and there would be three interns  
25 assigned to each precinct. In addition there

1 would be interns assigned to various  
2 investigative entities throughout the department  
3 and these are all criminal justice students at  
4 universities in the city and in the surrounding  
5 area.

6 So we do have the internship program  
7 going staffing the precincts that way. I don't  
8 know if there was more to the question.

9 COMM. BARRON: I just want to let  
10 everybody know since we're sending out  
11 announcements and letting the community know  
12 about things, basketball game, we have an All  
13 Star Third Annual Safe Summer Basketball Slam and  
14 it's going to be this Saturday at Cass Tech.  
15 It's for youth from Detroit Public Schools  
16 challenge Chief Craig's police officers in a  
17 basketball game to promote safety in our city.

18 We're going to have some celebrities  
19 there as well. Deputy Chief Brown is going to be  
20 a coach going against the youth in the community  
21 and Dr. Darius from FM 107.5, Dustin Fly will be  
22 there, DJBJ, Mr. 35-25, Derek Coleman which is a  
23 NBA legend, also Willie Burton, NBA legend,  
24 they're going to be coaching right, DC Brown?

25 DEP. CHIEF BROWN: Yes, sir.

1           COMM. BARRON: Are we going to beat  
2           them? Well, anyway you're being invited to the  
3           community and it's a free event as well.

4           COMMISSIONER TAYLOR: Are you one of  
5           the players?

6           COMM. BARRON: You know what, I'm not  
7           going to be one of the players this year, but  
8           next year I got to get in shape and we'll make  
9           sure -- it's going to be Saturday, June 14, it's  
10          going to be from 2 PM to 4 PM so admission is  
11          free and I hope to see you all there, okay?  
12          Thank you.

13          COMMISSIONER BELL: Would you address  
14          -- are we still actively recruiting for the  
15          Detroit Police Department?

16          COMM. BARRON: So absolutely we're  
17          aggressively -- absolutely. We are aggressively  
18          recruiting big time, and not only are we  
19          aggressively recruiting police officers, there's  
20          going to be an opportunity for civilian jobs as  
21          well because we are going through a process of  
22          civilianization, and to go back to one of your  
23          questions, Commissioner White, as far as the DDC.

24          It's going to be an opportunity for us  
25          to hire some detention facility officers there,

1 so that's going to give them some relief as far  
2 as answering phones and processing prisoners.

3 So there should be funding available  
4 soon within the next fiscal year, but we're  
5 hiring police officers and will be hiring  
6 civilians also, so it will give folks an  
7 opportunity in this community in the audience to  
8 apply for those jobs too.

9 COMMISSIONER BELL: Thank you.

10 COMMISSIONER TAYLOR: Are there any  
11 other comments?

12 MR. SCOTT: Ron Scott, Commissioners.  
13 I should say the Commission has been in this  
14 district before, but it's a long time ago. I  
15 remember having been in this church, I think it  
16 was maybe two or three years ago, so it's not  
17 none too soon that you came back to this area.

18 But I wanted to just comment on two or  
19 three things. One, the question about the Mound  
20 facility, I want to thank you, Commissioner  
21 Taylor, you and Attorney Sabree for going out to  
22 the Mound facility.

23 We've had in our organization a number  
24 of people as I mentioned come forth and I'd be  
25 more than willing to have them speak to this

1 body, and I think at the last meeting that  
2 precipitated this there was a young woman that  
3 one of the individuals in Southwest Detroit had  
4 referenced.

5 That particular young woman at this  
6 point is incapacitated and can't come, but I'm  
7 sure that there needs to be further evaluation of  
8 what's happening.

9 I raise that because on one occasion I  
10 happened to talk to Capt. Solano at one point  
11 when we were trying to find somebody in the  
12 system and they was lost, he was able to assist  
13 me, but I had to go to a very circuitous route to  
14 fine out where that individual was.

15 Another individual who came to us  
16 specified even though there are many nurses there  
17 that in cases, specifically in his case of police  
18 misconduct that he was asked to take essentially  
19 Valiums or Vicodin or whatever, but was not  
20 conveyed to a hospital facility or an emergency  
21 facility. This was his contention.

22 But I think we need to have a public  
23 hearing or some other discussions and as for the  
24 young woman who can't be here, to question as to  
25 whether or not there is actual adequate sleeping

1 facilities because I've talked to three women  
2 who've come to me who raised questions about  
3 having to sleep on the floor.

4 So while it may be clean, there may be  
5 nurses there, I think the question as to how it's  
6 done and to have individuals who have been  
7 through that process, not for a spot visit, I  
8 think it would be important to hear from them.

9 COMMISSIONER TAYLOR: And Attorney  
10 Ralph Simpson was working on their behalf so I'm  
11 waiting to talk with him and the Board is more  
12 than willing to answer any questions that he has.

13 We're going to do further things, but  
14 I'm hoping that the Board will even allow us  
15 maybe to have a meeting over there when we're in  
16 the district, and maybe have a few people that  
17 got concerns and even tour the facility and find  
18 out these things.

19 The warden is very transparent there.

20 MR. SCOTT: I would think it would be  
21 reasonable to allow since this is the mission of  
22 this body to have individuals who has complaints  
23 or concerns to come before the body to raise the  
24 questions.

25 I'm not trying to cast any aspersions

1 on the warden's mission or desire, but I think we  
2 need to at least have other perspectives from the  
3 individuals who've been adjudicated to see what  
4 their feelings are.

5 COMMISSIONER TAYLOR: They're welcome  
6 to come. We were dealing with Attorney Simpson,  
7 he was the one representing her, but certainly  
8 anyone that you want to bring before the  
9 Commission, you can do that.

10 MR. SCOTT: Okay, I just have one  
11 30-second item to mention. Belle Isle, you had  
12 mentioned the Commission had made reference to  
13 that. This past week I had a meeting with one of  
14 the individuals who's one of the executive staff  
15 of the Belle Isle Conservancy and mentioned to  
16 them about the question of oversight when it  
17 relates to DNR and to the State Police.

18 They said they would like to at least  
19 interact with the Police Commission relative to  
20 oversight and the mission, so I would urge you to  
21 move on that because those of us who have been  
22 cycling on the island have noticed that  
23 especially African-Americans in the city don't  
24 feel that they're welcome there regardless, so we  
25 urge them to make a joint statement to say that

1 we're not discouraging people from coming out and  
2 even in the reports that they've mentioned about  
3 how many people have been stopped, we've made a  
4 FOIA request to find out what the ethnicity was,  
5 what the purpose of the stops were and how that's  
6 being dealt with in terms of sensitivity.

7 So I think the Board of Police  
8 Commissioners could serve a vital role in raising  
9 this question and attempting to deal with some of  
10 the sentiment that has developed in terms of  
11 perceived or actual bias.

12 COMMISSIONER TAYLOR: Ron, if you could  
13 arrange some of that for the Board?

14 MR. SCOTT: Yes, I'd be more than happy  
15 to.

16 COMMISSIONER TAYLOR: From my  
17 understanding they even stopped the Mayor.

18 MR. SCOTT: They stopped the Mayor,  
19 stopped the -- three different branches of  
20 government. They haven't stopped any police  
21 officers yet, but we don't know. And I would be  
22 willing to do that.

23 COMMISSIONER TAYLOR: Thank you.

24 COMMISSIONER CRAWFORD: Madam Chair,  
25 through the chair, I have a question of the

1 warden.

2 COMMISSIONER TAYLOR: Warden Stewart.

3 DEP. CHIEF LeVALLEY: If I could while  
4 we're waiting for the warden, with regard to the  
5 Detroit Detention Center, I'll let the warden  
6 comment on the sleeping situation, but as far as  
7 the medical care is concerned everybody who comes  
8 in as part of the screening process when they  
9 come through the Detroit Police end of the  
10 Detention Center there are a series of questions  
11 that they're asked, probably 40 questions. I  
12 don't know the exact number, but those questions  
13 then trigger certain responses and medical  
14 screenings and as the warden mentioned before,  
15 there's registered nurses on duty 24 hours a day  
16 that are reviewing the medical conditions that  
17 detainees come in with.

18 They are able to dispense certain  
19 medications, not higher level narcotic  
20 medications. Those medications are being  
21 dispensed regularly.

22 Today we send -- we then send anybody  
23 that they can't treat at that level to the  
24 emergency room. As recent as today we had a  
25 meeting where we're working on a process to put

1 Telemedicine in place where the nurses when they  
2 have the discussion with the detainee they're  
3 then able to call a doctor 24 hours a day that's  
4 on duty that can then prescribe certain  
5 medications over the telephone to ensure that  
6 everybody who comes in received their proper  
7 medication.

8 And then any issues that they can't  
9 deal with we will continue to transport people to  
10 the emergency room. That is a win for us and a  
11 win for Wayne County, and this will be done  
12 through Wayne County because the County actually  
13 pays the bill every time we send somebody to the  
14 hospital. So an example we sent somebody in for  
15 an Albuterol when they have asthma, the County  
16 gets a bill for about \$2,200 from Detroit  
17 Receiving Hospital for one person.

18 COMMISSIONER TAYLOR: DC LeValley, we  
19 want you to be thorough and I'm going to -- Mr.  
20 Crawford, if you don't mind, have the gentleman  
21 do his two minutes because I don't want to hold  
22 him up and then I want you to stay because your  
23 information --

24 PASTOR JACKSON: I want to thank you  
25 for being here and thank you for all you do, let

1 you know that we're praying for you. We'd also  
2 like to thank you as part of the Downriver  
3 Interdenominational Ministerial Fellowship  
4 working with Pastor Miles, the international  
5 gospel singer.

6 Pewald Park is now under the  
7 supervision of churches in the area. We thank  
8 God for the presence of the police as we were  
9 there this last Saturday and we're praying that  
10 God will continue to bless this neighborhood and  
11 we're looking forward to great things. We thank  
12 God for the good news about the crime being down  
13 and we thank you and we continue to pray for you.

14 Also I understand somebody lost their  
15 keys. That's why I originally came up.

16 COMMISSIONER TAYLOR: Thank you, sir.  
17 Keys, anybody?

18 PASTOR JACKSON: And so we wanted to  
19 give the keys back to you. May God bless you.

20 COMMISSIONER BELL: Before the pastor  
21 steps away, would you take a seat close to mic.  
22 We in the house of the Lord, three pastors in the  
23 house. We could do a benediction, would that be  
24 appropriate?

25 COMMISSIONER TAYLOR: Yes.

1 DEP. CHIEF LeVALLEY: So to continue  
2 with where I was, the County, we're going to  
3 enter into this agreement with Wayne County where  
4 we contact doctors 24 hours a day to deal with  
5 any of the low to mid-level issues that can be  
6 dealt with over the phone and then everybody else  
7 is transported to Detroit Receiving Hospital.

8 The County's win there for the  
9 taxpayers is that they're not spending \$2,200 to  
10 get an inhaler for somebody who has asthma when  
11 it can be down over the phone.

12 The win for the Detroit Police  
13 Department is that we're then not taking officers  
14 out of service who would be answering radio runs.

15 We right now dispatch them to the  
16 Detention Center to pick up a detainee, take them  
17 to the hospital, sit with them and then come  
18 back, so we keep officers on the street answering  
19 calls, the County gets a lower bill for their  
20 hospital visits and we still ensure that  
21 everybody at the Detention Center gets adequate  
22 medical treatment, quality care.

23 With regard to Mr. Scott's statements,  
24 if there are any particular individuals that had  
25 issues with the Detention Center, we certainly

1 welcome any complaints and we will thoroughly  
2 investigate those. I know that your staff at the  
3 Chief Investigator's office will investigate  
4 those and make recommendations.

5 But I certainly don't think from our  
6 end that it's a systemic problem that we dealt  
7 with years ago when we had detainees dying in our  
8 care. We haven't seen that in a long long time,  
9 so I definitely think that the quality care is  
10 there.

11 But again if there's individual  
12 incidents, we'll investigate them.

13 COMMISSIONER TAYLOR: Thank you.

14 WARDEN STEWART: If I could also  
15 clarify, remember we saw over 15,000 since  
16 August. There's not been one person even in  
17 serious medical distress in that time and you got  
18 to remember there's a big difference between what  
19 an individual may think they need and what the  
20 licensed professional thinks they need.

21 I can assure you that we have a  
22 screening process much like Deputy LeValley said.  
23 They come to our pre-booking station where  
24 they're still with that arresting officer,  
25 whether it's DPD, MSP, Detroit Public Schools, we

1 do a quick assessment right there.

2 If that individual says they've been  
3 abused, we stop. That individual has to go to  
4 Detroit Receiving and be evaluated before they  
5 even get to us in booking. So there's a  
6 pre-booking phase where a lot of these questions  
7 come up.

8 Now, what you got to remember, our  
9 population, as opposed to a prison -- why I keep  
10 saying Detroit Detention Center, because I think  
11 when we say Mound it confuses a Mound prison with  
12 a lockup, and I'm just saying that to speak to  
13 the bedding situation. You don't have beds in a  
14 lockup because you can be there anywhere between  
15 2 hours to 72 hours. That in a prison long term  
16 situation.

17 So I got to keep saying Detroit  
18 Detention Center because we're not Mound  
19 Correctional Facility. With regards to our  
20 medical, 15,000 since August 1, not one individual  
21 in serious medical distress.

22 Whatever that licensed professional  
23 cannot deal with on scene, they're dispatched to  
24 Detroit Receiving Hospital. What we're saying  
25 though is out of 800 and 900 this time last year,

1 the month of May of last year, we're down to 97  
2 because our nurses are dealing with 90 percent of  
3 those needs because a lot of those needs are  
4 non-emergent.

5 Those emergent needs go either via DPD  
6 or via ambulance. So, you know, I hope I've  
7 answered those questions because there's a big  
8 difference one, between a prison and a lockup and  
9 there's also a big difference between an  
10 individual's perception of their medical needs  
11 and a professional's diagnosis of their medical  
12 needs.

13 COMMISSIONER CRAWFORD: I have a  
14 question. So what you're saying, sir, is the  
15 15,000 are sleeping on the floor?

16 WARDEN STEWART: We have --

17 COMMISSIONER CRAWFORD: Not getting a  
18 good night's sleep if they can be there up to 72  
19 hours?

20 WARDEN STEWART: Well, to be honest  
21 with you, we have benches, you know, and that's  
22 consistent with every lockup in the nation.

23 COMMISSIONER CRAWFORD: I understand.  
24 Just for clarity.

25 COMMISSIONER TAYLOR: So there are

1 benches that they would lay on, but I would  
2 imagine they would run out of the benches; they  
3 do.

4 COMMISSIONER CRAWFORD: Because that's  
5 a lockup.

6 WARDEN STEWART: Yeah, it's a lockup  
7 and you're there for two hours to --

8 COMMISSIONER TAYLOR: So all over the  
9 United States if I go to a lockup facility,  
10 that's what I would see?

11 WARDEN STEWART: Exactly. Part of what  
12 I did when I was doing my research in designing  
13 the Detroit Detention Center to take it from a  
14 prison to a lockup is I visited multiple lockups  
15 to get my design and it's consistent nationwide  
16 and actually better.

17 New York has been down to model our  
18 system.

19 COMMISSIONER TAYLOR: Okay, any other  
20 questions while we got the warden in here?

21 WARDEN STEWART: Thank you. Don't  
22 leave, another one might come up.

23 MS. SMITH: Good evening. Bernice  
24 Smith. To the Commissioners and to our Deputy  
25 Chief, I am so glad that you have relieved

1 Southwest Detroit to come over here and visit  
2 with them because I feel the same thing that they  
3 feel.

4 When we did have the former Commission  
5 we did not come near Southwest Detroit, I know  
6 that for a fact so I'm sure the Carters are very  
7 happy and delighted that you have come and  
8 visited with Southwest Detroit neighborhood.

9 COMMISSIONER TAYLOR: They have two  
10 commissioners now, so you can have to worry about  
11 it.

12 MS. SMITH: Oh, I know, I'm going to  
13 take care of you, you know. Yeah, they're going  
14 to come.

15 Now, my problem was -- the Chief is  
16 gone. I was going to ask him about what your  
17 Commissioner asked last week or week before last  
18 in regards to the narcotics that was confiscated  
19 and the Chief taking care of the matter be  
20 transferring various officers to other positions,  
21 but he's not here to give me that response.

22 So are you aware, Deputy? Do you know  
23 anything about that that was -- narcotics that  
24 was discovered in the drawer.

25 DEP. CHIEF BROWN: Are you talking

1 about an internal matter?

2 COMMISSIONER TAYLOR: Address the  
3 Board.

4 MS. SMITH: Yes. Would you give a  
5 reply to that Chairperson.

6 COMMISSIONER TAYLOR: DC Brown, can you  
7 answer?

8 DEP. CHIEF BROWN: I am aware of an  
9 internal matter at the Narcotics Section. There  
10 were some policies and procedures revised. There  
11 has not been any individual from that unit  
12 transferred as of yet.

13 There has been some reallocation as far  
14 as command officers are concerned, but as far as  
15 individuals that have been transferred, the  
16 investigation is still continuing to see if there  
17 were some policies or procedures violated, so  
18 we're still maybe about 20 days away from  
19 Professional Standards completing their report as  
20 it relates to property storage, processing as  
21 property is concerned.

22 A. Are you though?

23 DEP. CHIEF BROWN: Yes, ma'am.

24 MS. SMITH: Chairperson, I believe -- I  
25 know I'm getting old, but I truly believe the

1 Chief stated that the person who was involved was  
2 transferred to another section and he has  
3 somebody else in his place. I'm sure I heard  
4 that when he spoke about that, but --

5 COMMISSIONER TAYLOR: DC, do you  
6 remember any of the --

7 DEP. CHIEF BROWN: I think what she's  
8 referring to is the 11th Precinct and --

9 MS. SMITH; what about the 11th?

10 DEP. CHIEF BROWN: Because as far as  
11 transferred from Narcotics, no individuals were  
12 transferred. Now, Capt. Marvin Wilson from a  
13 command perspective was -- organizationally he  
14 was moved, but he had nothing to do whatsoever  
15 with the -- because the investigation is still  
16 ongoing as it relates to the property issues at  
17 Narcotics.

18 MS. SMITH: All right. I won't debate  
19 you, I'll talk with the Chief. But anyway I  
20 won't discuss that any longer.

21 But as a member of the Chief's Advisory  
22 Committee we're doing quite a few of implementing  
23 things to help the police department. As most of  
24 you know, I'm a staunch supporter of the police  
25 department, but when you're wrong, I'm going to

1           come out and tell you about it. See, I'm not  
2           going to bit my tongue about that and I'll go  
3           into that later.

4                        But the fact is we're doing things at  
5           our advisory meetings to implement some of the  
6           things that we need to give to the public and try  
7           to increase the -- is that Brown?

8                        Anyway, I'm going to get through, but  
9           we just want to let you know, we on the Advisory  
10          Committee -- will you stop?

11                       Good night, let's go downstairs and  
12          eat.

13                       COMMISSIONER TAYLOR: Are you done?

14                       MS. SMITH: I have to be done. I'm  
15          going to leave, I'm going to Chicago now, that's  
16          it, good bye.

17                       COMMISSIONER TAYLOR: Any other  
18          comments? If not, I'll move for adjournment.

19                       COMMISSIONER SHELBY: A quick  
20          announcement. Officer Elaine Frinkley, her  
21          homecoming services tomorrow at Greater Grace  
22          Church, public is invited.

23                       COMMISSIONER TAYLOR: Thank you.

24                       COMMISSIONER WHITE: Madam Chair,  
25          before we have the beneficial, I would just put a

1 motion forward for adjournment and following the  
2 vote we can have our benediction and then be  
3 dismissed.

4 COMMISSIONER TAYLOR: It's been moved  
5 and supported. Any discussion? All in favor?

6 BOARD MEMBERS: Aye.

7 COMMISSIONER TAYLOR: All opposed?  
8 Thank you.

9 (BENEDICTION WAS GIVEN).
