4 CHIEF CRAIG: How you doin'?

5 CHAIRPERSON CARTER: Good afternoon, and
6 thank you for joining us.

7 CHIEF CRAIG: Thank you.

8 CHAIRPERSON CARTER: And, Mr. Anthony,
9 would you at this time please introduce any staff
10 that's present.

11 SECRETARY ANTHONY: Thank you, ma'am. We
12 have present Ms. Pamela Davis-Drake, our chief
13 investigator, seated in front, Ms. Linda Bernard who
14 is our attorney to the Board also seated in front,
15 Mr. Robert Brown, our administrative assistant is in
16 the back, and Sergeant Alan Quinn is recording our
17 proceedings. And Ms. Sheila Rice from Hanson Court
18 Reporting Service is taking the transcript.

19 That completes the introduction.

20 CHAIRPERSON CARTER: Thank you. At this
21 time, I'm going to move for approval of the agenda.

22 VICE CHAIR BELL: So moved, Madam Chair.

23 COMMISSIONER DEWAELESCHE: Support.

24 CHAIRPERSON CARTER: It's been moved and
25 supported that the agenda for August 20th be accepted.

1 Is there any discussion? Those in favor?

2 COMMISSIONERS: Aye.

3 CHAIRPERSON CARTER: Those opposed?

4 Motion carries. At this time I will
5 entertain a motion for the approval of the minutes for
6 Thursday, August 13th.

7 COMMISSIONER CRAWFORD: So moved.

8 VICE CHAIR BELL: Support.

9 CHAIRPERSON CARTER: It's been moved and
10 supported that the minutes be accepted for August
11 13th.

12 Is there any discussion?

13 Those in favor?

14 COMMISSIONERS: Aye.

15 CHAIRPERSON CARTER: Those opposed?

16 The motion carries.

17 At this time I do have something to report,
18 the Chairman's report. This week I was able to meet
19 with Mayor Duggan briefly, and we had a few things
20 that we discussed that we're going to work on.

21 One of the things that I discussed with him
22 was the control of our budget. At this time we do not
23 have complete control over our budget. So the Mayor
24 agreed to look into looking -- he agreed to look into
25 us being able to control our budget.

1 (At 3:08 p.m., Commissioner Burton entered
2 the meeting room.)

3 CHAIRPERSON CARTER: Another thing that was
4 heavy on my heart was the lack of communication
5 between the Mayor's office and the Board of Police
6 Commission. And the Mayor did agree that there has
7 been little communication, and he agreed to work on
8 that as well.

9 Another thing that we talked about was
10 protocol at different events out in the community.
11 Last year when we attended -- or year before last when
12 we attended the State of the City Address we went to
13 get seated, and the seats that had been assigned to
14 the Board of Police Commissioners were -- there were
15 other people seated in those seats. And we had been
16 there sitting -- I mean waiting for the program to
17 begin, and our seats were taken before we could be
18 seated. So the Mayor agreed to look into that as well
19 and as to recognizing the Board of Police
20 Commissioners out in the community, period.

21 So that was -- it was a great meeting, and
22 I think that going forward there will be more
23 communication between both of the offices, and I'm
24 looking forward to that.

25 And with that, I think that that's all that

1 I have at this time.

2 VICE CHAIR BELL: Madam Chair, I'd like to
3 respond to your reporting out in terms of
4 communication. I would pray that this is a
5 breakthrough in reference to Mayor Duggan in terms of
6 this particular Board. Since we've been seated in
7 2014, there's been a really tremendous gap. So I
8 thank you for initiating that type of meeting and the
9 Mayor interaction. And so as we go forth I just hope
10 that seriously that we have a meaningful ongoing
11 dialogue and there's no gap, whether it be monthly,
12 quarterly or whatever that is. I think it's crucial.

13 And I also want to say at this time that we
14 have met with several council people in the last
15 several months. We are, Michigan United, in reference
16 to -- we have a scheduled date. And I will be
17 communicating to all the commissioners in writing in
18 reference to that. And the target date is Tuesday,
19 September the 15th, and it's called "We Are One."
20 It's Detroit City Council, clergy, community leaders
21 united. And behind the Board of Police Commissioners
22 be reinstated in December, we're working on a
23 resolution in reference to support from the council
24 and also our state -- our elected representative who
25 have come together. We've been lobbying strongly.

1 So that target date would be on Tuesday,
2 September 15th at Pleasant Grove Missionary Baptist
3 Church at 6:30 p.m. But I will be communicating to
4 all concerned parties, including, you know, community
5 and et cetera. We're going to do a great deal of PR.
6 And we have support from Congressman John Conyers and
7 others in terms of this type of massive effort to have
8 a target date in September prior to -- the vote is
9 going to take place in December.

10 So I just want to share that with you and
11 with the rest of the commissioners, with the audience,
12 to put it on record so they can be totally aware of
13 that type of promotion and that type of program in
14 terms of we're going to be sponsoring with Michigan
15 United Pastoral Alliance for Change in terms of "We
16 Are One," in terms of the community, in terms of our
17 role in this community. Thank you.

18 CHAIRPERSON CARTER: Thank you,
19 Commissioner Bell.

20 And speaking on the note of "We Are One," I
21 did speak to the Mayor about the unity within the
22 Board, and I committed to him that I would work on our
23 unifying this Board as one.

24 (At 3:12 p.m., Commission Mallett entered
25 the meeting room.)

1 CHAIRPERSON CARTER: One thing that I just
2 have to say, I mean, whether we're elected or
3 appointed, we are all citizens of the city of Detroit,
4 and I think that we want the same things. So I
5 promised the Mayor that I would work on unifying this
6 Board as one, and I'm committed to doing that. So I
7 just wanted to put that out there as well.

8 At this time, if there are no other -- at
9 this time, Chief, if you would introduce your staff
10 that's here and then give us any report that you might
11 have.

12 CHIEF CRAIG: Yes. If we would go around
13 starting with Celia Washington, our legal advisor.

14 D.C. LEVALLEY: David LeValley, Deputy
15 Chief.

16 SERGEANT BRANNOCK: Sergeant Edward
17 Brannock, Detroit Police Department Gang Intelligence.

18 CAPTAIN HOPE: Captain Kyra Joy Hope,
19 Seventh Precinct.

20 COMMANDER SIMS: DeShaune Sims, Commander
21 of (Inaudible).

22 CHIEF CRAIG: Thank you. Our report on
23 recent crime, and I say this very carefully, this is
24 probably the first time in probably three months --
25 David's our crime czar, so he can correct me if I'm

1 wrong, but we're seeing a four-percent or a
2 two-percent reduction in criminal homicides
3 year-to-date, which translates into four fewer. I
4 know we're talking about small numbers, but when you
5 look at the trend across the country homicide is up in
6 a lot of places.

7 There was a recent article coming out of
8 D.C. I think they're up 38 percent. A lot of places
9 reporting between 33 and 50 percent increases in
10 homicide. So we're working very hard to continue to
11 reduce that number.

12 When you look at our overall violent crime,
13 we're still down four percent. The area that we are
14 up in is nonfatal shootings, which compared to -- and
15 let me go back to homicide for a minute so I can put
16 it in some perspective.

17 So when you compare where we are
18 year-to-date, we're down two percent, but when you
19 look at our comparison to 2013 we're down 14 percent.
20 So the actual numbers of homicides year-to-date we're
21 sitting at 174 and we're approaching the -- we're in
22 the third quarter.

23 The area that we are challenged is in
24 aggravated assaults and nonfatal shootings in
25 particular. We're up four percent, but compared to

1 2013 we're down 12 percent. Overall violence down
2 four percent. Overall property crime for the year is
3 down 16 percent with an overall reduction of part one
4 offenses we're down 12 percent.

5 So we're still trending in the right
6 direction. And when Sergeant Brannock gives his
7 presentation on the work that he's doing, a lot of it
8 has to do with what we're seeing in terms of
9 reductions.

10 Some other areas that I want to --
11 certainly I just want to say I attended with many from
12 DPD, and I know that George Hunter was in attendance,
13 I'm not certain I did acknowledge the Commission
14 during my remarks at the late Sergeant Joe Abdella who
15 died suddenly from a heart attack, a well attended,
16 very solemn event, as you can imagine. Behind he
17 leaves two daughters, one 16, I think the other one's
18 21, and a wife and a sister, well attended.

19 We have tonight, which has been advertised,
20 Mothers of Murdered Children. It will be held here at
21 six o'clock. This will be the first time we're having
22 a meeting with this organization. We're excited about
23 it, but we do want to expand that effort.

24 One of the things that I've been extremely
25 concerned about is our continued relationship with the

1 family members of homicide victims. I think it goes a
2 long way at maintaining that relationship. So I think
3 this is a great start.

4 Lastly, as you probably know, we had our --
5 probably our second LGBT forum in Palmer Park by the
6 duck pond, a well attended -- and from that meeting
7 we're going to have monthly advisory meetings with the
8 key stakeholders from that community.

9 On Saturday we have our recruitment fair
10 right here at Public Safety.

11 And then the last thing that I have, and
12 I'm open for any questions the Board might have, is
13 our Integrity Unit. You heard me report out some
14 months ago that we were launching an Integrity Unit
15 inside of Internal Affairs.

16 As you know, highly publicized, an officer
17 was arrested this past week, charged with not being
18 honest during a violent crime investigation, i.e.
19 homicide. This was the combined work of both our
20 integrity team and our homicide unit. And so I'm very
21 excited about the work and how it was handled.

22 We are on the brink of another
23 investigation that unit is working on now. Part of
24 what that unit does in addition to responding and
25 addressing serious allegations, criminal allegations,

1 they also conduct what we call integrity audits. And
2 integrity audits are based on wherever we see trends
3 or patterns say coming out of a precinct, it could be
4 allegations of -- it's courtesy. It could be
5 allegations of theft that maybe we couldn't prove.
6 And so we use that as a basis for going in and
7 conducting integrity audits.

8 So we're in the midst of conducting several
9 of them right now. We'll probably in the next three,
10 maybe four weeks have a report to you on one that
11 we're working on that's pretty substantial.

12 So with that I'll open up for questions you
13 have.

14 CHAIRPERSON CARTER: Thank you, Chief.
15 Before we take questions, I'd like to acknowledge the
16 presence of Commissioners Burton and Mallett.

17 Commissioners do you have any questions for
18 the Chief?

19 VICE CHAIR BELL: I just have a comment,
20 Madam Chair, that I'm pleased that the Chief is
21 working with the mothers in terms of their lost loved
22 ones, you know. I think that's a giant step. It
23 seems as though that list is growing. You go back to
24 SOSAD, you know, and here we are today we're still
25 dealing with the same issues.

1 And I know that as far as homicide we can't
2 -- I mean, basically the issues we're dealing with is
3 something that we respond to. I wish there was a
4 prevention process how you prevent that, but it's a
5 difficult task.

6 So I just want to appreciate the Chief of
7 Police and the department responding over and over
8 again to homicide. We had a young man killed in our
9 neighborhood, and we don't really know what happened
10 to him, you know. So it's on everybody's mind in
11 reference to when you see mom and speak out, you know,
12 in Detroit, you know, the whole issue that we just
13 need to be more engaging and come forward to deal with
14 these issues. So this is really a sad commentary in
15 terms of what we're dealing with in terms of homicide
16 and domestic violence and aggravated assault. So I
17 just want to commend the Chief in terms of continuing
18 to work with the moms and parents.

19 CHIEF CRAIG: Thank you.

20 (At 3:21 p.m., Commissioner Vann entered
21 the meeting room.)

22 CHAIRPERSON CARTER: Are there any other
23 questions?

24 Before we take your question, acknowledge
25 the presence of Commissioner Vann.

1 Thank you for joining us, sir.

2 And, Commissioner White?

3 COMMISSIONER WHITE: Thank you, Madam
4 Chair.

5 Chief, if you could, is there a difference
6 between new integrity -- I think you deemed it the
7 team versus the CRIB, and if so is CRIB still
8 functioning?

9 CHIEF CRAIG: Yes. And that is a good
10 question, because CRIB is still functioning. The
11 Integrity Unit was a add-on. It's certainly a best
12 practice in terms of how you prevent and reduce
13 incidents of corruption. I was very familiar with it
14 in LA having worked significant amount of time in
15 Internal Affairs, understanding how an Integrity
16 Unit --

17 An Integrity Unit is a unit of
18 investigators that are undercover and they interact
19 again in response to allegations of criminal
20 misconduct. They will engage say a police officer
21 alleged to have been involved in criminal misconduct.
22 And they set up a scenario, we videotape it, we
23 audiotape it. We work very closely with the
24 Prosecutor's office. So that in the event the
25 officer, in fact, does engage in misconduct with our

1 undercover officer we'll make the arrest and the
2 Prosecutor is already online.

3 Again, it's fairly new. I think we've been
4 in operation what, two and a half months, DeShaune?
5 Since March. And so this was our first arrest. That
6 arrest was made in conjunction with our homicide team.

7 And we hope just by the fact that we have
8 such a unit in place that it will act as a deterrent.
9 Sometimes it happens. Any LAPD officer knows and is
10 aware that there is an Integrity Unit and they know
11 that people are watching. And so that, in fact,
12 really did reduce serious acts of misconduct,
13 especially in the aftermath of LA's most notable
14 corruption scandal, the Rampart incident.

15 So I'm confident that we will see dramatic
16 change from it, but it is a work in progress.

17 CHAIRPERSON CARTER: Are there any other
18 questions, Commissioners?

19 AUDIENCE MEMBER: Excuse me. It's just for
20 commissioners to ask questions?

21 CHAIRPERSON CARTER: Yes, ma'am.

22 AUDIENCE MEMBER: Thank you.

23 CHAIRPERSON CARTER: Thank you, Chief.

24 CHIEF CRAIG: Thank you.

25 CHAIRPERSON CARTER: At this time, we will

1 have the Gang Intelligence Report from the police
2 department.

3 SERGEANT BRANNOCK: Hello.

4 COMMISSIONERS: Hello.

5 SERGEANT BRANNOCK: Good afternoon,
6 everybody. I am Sergeant Edward Brannock. I'm the
7 officer in charge of the Gang Intelligence Team that
8 was created by Chief Craig in October of 2013. We are
9 formed -- as you know, the Gang Squad was disbanded
10 several years ago. And we noticed that we have a gang
11 problem in our city. And that's why the Gang
12 Intelligence Team was created to combat that, take
13 enforcement, also to log and keep a criminal database
14 of gang members operating in our city.

15 Like I said, the Gang Intelligence Team is
16 comprised of -- now it's two sergeants, two
17 detectives, and now it is nine police officers. I
18 know we have up there 10 police officers, but
19 unfortunately recently one of my officers had a severe
20 stroke and has been in the hospital. He's doing much
21 better now.

22 In 2014, the Gang Intelligence Team was --
23 just at that time was one sergeant and 10 police
24 officers. We made 272 arrests, most of them of gang
25 members or gang-affiliated members. We confiscated 84

1 firearms. A lot of those were in conjunction with
2 homicides. This year so far we've made 175 arrests
3 and confiscated 44 firearms.

4 I'm sorry. Let me switch the slides for
5 you.

6 The Gang Intelligence Team's primary
7 responsibility is to gather and maintain criminal gang
8 intelligence and to suppress gang activity and
9 organized crime in the city of Detroit through
10 aggressive investigation and enforcement of crimes
11 committed by gang, organized crime members and their
12 associates.

13 To enhance the effectiveness of our
14 investigations, the Gang Intelligence Team is
15 comprised of local, state and federal agencies working
16 in conjunction with designated gang prosecutors from
17 the Wayne County Prosecutor's Office as well as the
18 AUSA's office to maximize sentences for gang members
19 that are charged federally and on a state level.

20 When I talk about the state and federal
21 agencies that work in conjunction with the Gang
22 Intelligence Team, I also have two Border Patrol
23 agents that are assigned to the Gang Intelligence
24 Team, an FBI agent that's assigned, an ATF agent
25 that's assigned part time and a Michigan Department of

1 Corrections. So all of those entities are pulled
2 together within the Gang Intelligence Team.

3 A particular focus -- I'm sorry. Let me
4 switch our slide. Particular focus will be placed on
5 serious offenses impacting the safety of the citizens
6 in the community as well as quality of life issues
7 surrounding gang and organized crime activities. This
8 speaks to we know that criminal gangs in the
9 neighborhood, basically for the citizens of Detroit,
10 that's a quality of life issue. You know, they're
11 committing crimes in your neighborhood, selling
12 narcotics at your gas station, your party store. Our
13 focus is to deal with those quality of life issues,
14 whether they're criminal gangs stealing vehicles in
15 the neighborhood, breaking into cars, stealing radios,
16 selling narcotics at the party store, stuff like that.
17 That's -- we focus on the most serious offenses and
18 move from there.

19 The Gang Intelligence Team will provide
20 up-to-date gang intelligence to any law enforcement
21 officer, agency or court systems to assist in their
22 investigation and prosecution. This relates to
23 outside agencies. We are seeing a lot of our gangs
24 are spreading into the suburbs, Harper Woods,
25 Eastpointe, Redford, Southfield. And we assist them

1 on if they have a shooting investigation or any kind
2 of criminal gang. Basically they stem from the city
3 of Detroit and go outward.

4 We have gang members that are operating in
5 Lansing, Flint, Battle Creek, Kentucky, West Virginia,
6 Ohio. And we work closely with all these agencies
7 providing criminal intelligence to assist with their
8 core cases.

9 The Gang Intelligence Team additional
10 responsibilities, we are to assist with any
11 gang-related crime. My two detectives, any
12 gang-related shooting, we will review and decide
13 whether we're going to handle that case. We assist
14 with gang-related school incidents. Any threats that
15 come through social media of shootings at schools we
16 will respond to and address that issue as need be,
17 whether we identify the kid that's making the threats.
18 If there's school fights, stuff like that, we try to
19 identify which groups it's between, work with DPS, the
20 principal of the school and the parents of the
21 individuals that attend the school.

22 We maintain a central information base
23 through several different projects that we're working
24 on. We use Michigan State University as one of them
25 to collection of gang information and criminal gang

1 intelligence. We use several other databases.
2 Michigan State Police houses one along with -- we
3 house a separate one in our case tracks
4 investigations.

5 We're involved in the Cease Fire Youth
6 Violence Prevention Program. I'll speak on that a
7 little bit later. And we assist during any major
8 events, anything in the downtown area. Gang
9 Intelligence Team provides any information that might
10 come through social media, any threats to any events
11 such as the fireworks. We work closely with trying to
12 get a curfew in place for the fireworks, because we
13 saw a lot of criminal intelligence that was coming
14 through Instagram, Facebook and social media, threats
15 of gang violence, shootings that were going to take
16 place. We did not get the curfew that we fought for,
17 but -- and we had some incidents downtown involving
18 that. And that was some of the things that we are
19 looking at. When we had the shooting in Greektown of
20 the female and the shooting the very next night, Gang
21 Intelligence Team responded to that and assisted with
22 both of those investigations.

23 Like I said, for any major event we can
24 come in, disseminate all that criminal intelligence,
25 anything that we pull from social media and get it

1 down to the patrol officers to respond to anything
2 that's going on.

3 The members of the Gang Intelligence Team,
4 like I said, the nine police officers, two detectives
5 and two sergeants, are all veteran officers. We got
6 some young kids recently with four or five years on
7 the job, but most of them have 15 plus years on the
8 job. They're narcotic-raid trained. They're trained
9 by SRT for execution of search warrants. Three of us
10 are homicide, came from homicide investigations,
11 interrogation trained, long-term investigation
12 trained, complex investigations. All my officers are
13 social media trained, surveillance trained,
14 counter-surveillance training, executive protection
15 training. Most of them have had executive protection
16 training. And the youth violence reduction training,
17 which is the cease fire training. And one, myself, is
18 certified as a gang expert in Third Circuit Court.

19 I know I'm running out of time. So just
20 real quickly, we have identified -- this is a gang map
21 that we created through all our local partners,
22 through the precincts, also through the individuals
23 that work out of the HYTA building, the Violent Crime
24 Task Force, the Violent Gang Task Force, DFAT, CVRP.
25 All the units that were criminal gangs sat down and we

1 put this together. It's basically our gang map of the
2 city. It's posted on the DPD home page if you want to
3 study it more. I know it's kind of small up there.
4 But we have approximately 230 separate gangs that are
5 operating in the city of Detroit that we have
6 identified. Now, in that 230 that are not all
7 operating at one time. There's gangs and then there's
8 sets of these gangs. Like Brightmoor has different
9 sets of individuals that claim different names, YNS or
10 Bentler Chapel Burgess, BCB, but they're all part of
11 Brightmoor. Seven Mile Bloods have sets that claim
12 Bounty Hunter Bloods, different sets. So out of that
13 200 -- over 200 gangs they switch names. That stuff
14 changes weekly. So our gang map basically is the core
15 of how the gangs have been operating in the past
16 couple years, and then we try to adjust it and go from
17 there.

18 Our last slide is the Cease Fire piece that
19 the Gang Intelligence Team is greatly involved in.
20 Basically Cease Fire, a quick overview, is we identify
21 gang members that are on probation or parole or group
22 members that are involved in gang violence, and we
23 issue them a letter and have them in what we call a
24 call-in. Our next call-in is the 27th of this month.
25 They are surrounded by law enforcement from MSP, ATF,

1 DEA, all of our Wayne County, all of our federal
2 partners, and they're delivered a message. If you
3 don't stop the violence and continue your criminal
4 activity, we're going to use all the leverage of law
5 enforcement to come after you and your associates in
6 your gang.

7 That message is supposed to be carried from
8 them out to their members of their gang to stop the
9 violence. From that point in time, if they don't,
10 gang intelligence is part of the enforcement arm that
11 goes after these individuals.

12 I like the Cease Fire model, because it
13 forces our precincts. It's out of the Ninth and Fifth
14 Precincts right now, just the Ninth and Fifth
15 Precinct. It's a grant. And it forces our officers,
16 our captains of our precincts, to focus targeted
17 enforcement on the guys that are committing crimes in
18 their precincts, gun crimes, the individuals that keep
19 coming up in gun events that are happening, gun
20 incidences.

21 The best part about Cease Fire I feel is it
22 also delivers -- has the advantage of delivering
23 services to individuals that we call in to the call-in
24 meeting. They're given one phone number and told if
25 you want to get out of the gang, if you want to better

1 your life, if you need help, whether it's a place to
2 stay, a driver's license, a GED, getting back into the
3 school, they're given that number. And when they
4 leave there they have that option. It's a 24-hour
5 number to call and take advantage of those services.
6 And there's mentorship that goes along with that and
7 just getting some of these guys back on track.

8 And I feel that's the most powerful part of
9 Cease Fire and one of the things I know my guys on the
10 Gang Intelligence Team they love having that with them
11 when they're out on the street taking enforcement,
12 hey, if you need help, we have another option for you
13 and here's this number to call.

14 And with that, are there any questions for
15 myself?

16 COMMISSIONER VANN: Yes, Madam Chair. I
17 have some -- I probably need to talk with you offline
18 about Cease Fire. I was involved in the very
19 beginning with the grant piece.

20 SERGEANT BRANNOCK: Yes, sir.

21 COMMISSIONER VANN: I went to Washington
22 three times, met with the DOJ to make sure that we got
23 it here in Detroit.

24 Cease Fire was supposed to be a
25 community-driven program, not a law enforcement-driven

1 program.

2 SERGEANT BRANNOCK: Correct.

3 COMMISSIONER VANN: And that's not what it
4 is. It's not a community-driven program. And so --
5 and I'm very happy that there is a great concern and
6 emphasis on gangs, because for many, many years
7 Detroit Police Department prior to this administration
8 was in denial about gang activity in Detroit. I mean,
9 we were always told -- Eva's here and she knows. We
10 were on the commission for many years and told we
11 don't have a drug program, we don't have a drug
12 problem -- I mean a gang problem, for many, many
13 years. Now we see that there's over 200 gangs at
14 least that are there.

15 But it's just the Cease Fire piece I was
16 involved in it very intimately, and then when it
17 veered off into another direction I got away from it,
18 because it got away from its original plan and
19 purpose.

20 So how effective do you think it's been in
21 the back end?

22 SERGEANT BRANNOCK: Well, I've been with
23 Cease Fire from the implementation stage for the
24 police department. So, of course, my background with
25 it is the law enforcement side, heavier side on law

1 enforcement. But the part that I see with the
2 community is the meetings that take place. Right now
3 there's a all group meeting, which is involved with
4 CAS, Flip the Script, Black Family Development. And
5 the community as a whole there are offered to attend
6 any of the Cease Fire call-in meetings.

7 That is the services side of Cease Fire.
8 We're involved in that, but I have to keep a law
9 enforcement side of Cease Fire. That's what we have
10 to focus on, because we're so busy with all the gang
11 activity.

12 So with the public side that is a part of
13 the Cease Fire grant, and that is done through Ray
14 Wynans and now the new director, Dwayne Love. And
15 Cease Fire has taken on a couple different faces since
16 we've got it.

17 As I explained to everybody, this Cease
18 Fire program it's a government grant, and it's done in
19 different cities such as Baltimore, Washington, but
20 this is our Cease Fire. This is Detroit's Cease Fire.
21 And Detroit is a different city than all those other
22 cities. So we had to adapt our -- it's basically a
23 model, and we had to take that model and mold it to
24 our criminal enterprises that are operating in the
25 city. We're different than Chicago. We're different

1 than LA. The gang model is different than those
2 cities. So we're dealing with a whole different
3 animal in Detroit. So we have to mold the Cease Fire,
4 that model, to fit Detroit and to deal with the
5 criminal aspect as relates to our city. So I mean the
6 community is definitely involved in it.

7 COMMISSIONER VANN: Well, I don't mean the
8 agencies that are contracted to do -- I don't mean
9 that. I mean the community at large is supposed to
10 drive it. I mean, that was the way it was done from
11 the beginning. That's the way it's been done
12 nationally.

13 Now, you know, you may say that Detroit is
14 different. We always say that Detroit is different.
15 But, you know, Detroit, Boston, all the places where
16 Cease Fire actually really got started, and Dr.
17 Kennedy and all the other meetings that I've been in
18 from the very, very beginning, that is not the way
19 Cease Fire was supposed to go. But, if that's the way
20 it's going, fine, but, you know, that's -- the
21 community is kind of --

22 SERGEANT BRANNOCK: I mean, our faith-based
23 community is heavy involvement. I don't know, Chief,
24 if --

25 CHIEF CRAIG: Through the Chair?

1 CHAIRPERSON CARTER: Yes.

2 CHIEF CRAIG: I do -- Mr. Vann, I do agree
3 in part, probably in a large part. I've been probably
4 one of the more critical ones of how ineffective Cease
5 Fire was coming in the door. I'll just be very
6 candid. There were things about this Cease Fire I did
7 not like. I'm certainly very public about the absence
8 or lack of leadership in driving it. And so we have
9 just recently kind of taken a new direction. I mean,
10 I have worked in different cities where Cease Fire was
11 deployed. One that comes in mind that was very
12 effective was Cincinnati. I saw Cease Fire deployed
13 -- the model deployed in different neighborhoods, in
14 two neighborhoods in Cincinnati. And those select
15 neighborhoods where we seeing gang violence we would
16 go in and after deploying and doing the work with the
17 community and the families of the people in the
18 call-in were involved in that effort, which wasn't
19 here in Detroit, but it's coming now with this new
20 iteration of how we're deploying it. It worked very
21 effectively, so much so that I remember seeing
22 double-digit reduction in violence in this community
23 not weeks later, but immediately.

24 So I knew that the Detroit Cease Fire --
25 and I do agree. Sometimes in Detroit we believe we're

1 on this island. And having worked in different
2 cities, there are some consistencies.

3 This thing you talk about with Detroit's
4 denial of gangs, you're absolutely correct. Detroit
5 should learn from LA, because in Los Angeles I
6 remember very vividly early '80s when I left here and
7 joined -- I was part of the gang unit there. The gang
8 thing, the city was in denial. They didn't talk much
9 about it. They say, well, it's in south LA,
10 predominantly African-American and Hispanic community,
11 they're just kind of killing each other. And then in
12 1983 or '84 gang members were making lots of money
13 through the sale of crack cocaine, bought cars and
14 started to travel outside of South Central and found
15 themselves on the west side of LA. And those who are
16 familiar with Los Angeles, UCLA, Westwood area, and
17 there was a tragic shooting where two gangs got into a
18 shootout with one another and an Asian student was
19 murdered, that's when LA declared we have a gang
20 problem. But it was too late, because LA took the
21 posture that these were mischievous kids, not to worry
22 about it.

23 So LA today is a city that has -- I don't
24 want to use the word "embraced," but it adopted the
25 gang culture so much so that school districts are now

1 drawn by gangs.

2 I had a precinct that I ran, or an area
3 that had three high schools in it. One was a Blood
4 school, one was a Crips school, and the third was a
5 Hispanic gang school, but they couldn't integrate. So
6 now the gang culture has now defined what LA has been.

7 Certainly LA's violence is certainly
8 dramatically declined compared to what it was in the
9 late '80s and '90s where the city saw 1,200, 1,300
10 murders annually. I think last year something like
11 275. For a city of four million, pretty remarkable.

12 But you're right. So Detroit should not
13 want to become an LA. So, yes, we talked candid.
14 There are 200 gangs. There are gangs that --
15 Cincinnati was the same way. I don't know if it's a
16 Midwest thing. Cincinnati did not want to say it had
17 gangs. Cincinnati had gangs.

18 So the best way to deal with this issue is
19 to call it what it is, address it, be very strategic
20 about focusing on those who are involved in the
21 activity, help them if you can and arrest those who
22 are most violent, take them out of the equation in
23 terms of getting them out of the neighborhoods and
24 rehabilitating them.

25 So you're right, that's the difference

1 today, because I am told and heard even though we had
2 a Gang Squad here nobody wanted to talk about the
3 dirty little secret of gangs.

4 CHAIRPERSON CARTER: Commissioner Crawford?

5 COMMISSIONER CRAWFORD: Excuse me, through
6 the Chair. I just want to say, too, I've heard that
7 for years about the denial of gangs. I'll commend
8 you, Sergeant, because at the very beginning of your
9 presentation you said we had a gang problem. That was
10 your statement.

11 SERGEANT BRANNOCK: Sure.

12 COMMISSIONER CRAWFORD: I mean, you're very
13 honest about that. Also, too, I'm so glad we moved
14 from the Gang Squad to Gang Intelligence. And I do
15 like your Cease Fire.

16 I do agree with Bishop Vann, though, in
17 somewhat -- in terms of it should be more of a
18 holistic piece in terms of the community. And perhaps
19 they will come on board, you know, in some way in the
20 future. And more so I'm sure there's things going on
21 now in terms of community leadership perhaps helping,
22 you know, assisting you with that.

23 But I like the ultimatum of Gang
24 Intelligence that's given to the gang members. It's
25 either you get out of the gang or do what's right or

1 else, and these are the consequences. So I like that
2 stern, straightforward approach in just letting them
3 know that some of the activities that have occurred
4 and that they're engaging in will not be tolerated,
5 so ...

6 SERGEANT BRANNOCK: Yes. It's a give and
7 take for us. We have to work with the gangs to fight
8 the gang problem. So we have to work identifying the
9 gang members and then coming and letting them know
10 that we know what their criminal activity is, that
11 they're in a gang, what they're doing, what they're
12 disrupting. And with the Cease Fire piece, you know,
13 giving them a chance to change their life, you know.

14 COMMISSIONER CRAWFORD: Well, that's really
15 the intelligence of it is is you warn the individual
16 not to go there. That's intelligence. And, you know,
17 from a different perspective, though, and hopefully
18 that they'll see the light and get out of the gangs
19 and, you know, be more productive in the community.

20 SERGEANT BRANNOCK: Yes. And from the
21 community piece, we're having a call-in the August
22 27th, six o'clock. Several gang members, we have 31
23 now, that are going to be attendees for that Cease
24 Fire call-in. And I urge you all if you can attend
25 that will be great. There's a lot of members from the

1 community.

2 CHIEF CRAIG: Family, family.

3 SERGEANT BRANNOCK: Family, yeah, to get
4 the gang members themselves. We have changed the
5 letter up. Like I said, Cease Fire is always changing
6 and evolving. The Chief wanted us to include the gang
7 member's family, mother, father, brother, sister, to
8 get them in and engage them, to encourage them to get
9 these individuals, basically to save their lives.
10 Because some of these kids are out here and it's
11 either prison or a casket, and that's the message
12 that's relayed to them. So Chief Craig wanted --

13 The family now, that's not something in the
14 Cease Fire model. That's looked upon as don't use
15 that so -- but --

16 CHIEF CRAIG: But, through the Chair, I
17 just want to talk about the family piece. I know
18 that's not the Cease Fire model, and we're not on an
19 island, and I know David Kennedy doesn't like that
20 aspect. I like it for one reason, because having been
21 in Cincinnati we always called in family, because
22 family -- it's one thing for us to get up and talk
23 about the promises that we will keep if you commit any
24 act of violence, but when you have family members
25 there, encouraging them to do right, and they have

1 their children there, that makes the difference. And
2 that's why I believe -- when I look at the Cincinnati
3 effort, any time we would go into a neighborhood and
4 you've got gang members and you've got, you know,
5 girlfriends, their children, mother, father, that has
6 a dramatic impact on that individual sitting there in
7 that seat listening to the presentation. And so
8 that's why I'm a firm believer on it.

9 I think you will see going forward a
10 dramatic change. Just that one component is going to
11 make a world of difference, I believe.

12 CHAIRPERSON CARTER: Commissioners, any
13 other questions?

14 COMMISSIONER DEWAEELSCHÉ: Yes, Madam Chair.

15 I guess when I saw the number 230 gangs, it
16 seemed so large, the number. How do you determine
17 which are the most violent -- how do you prioritize?
18 Because you only have 14 people that are assigned to
19 this unit. How do you prioritize which gangs are the
20 most violent?

21 And the other thing is how many members are
22 we talking about? If it's 230 gangs, how many people?

23 SERGEANT BRANNOCK: Thousands.

24 COMMISSIONER DEWAEELSCHÉ: Thousands. So
25 how do you handle? It just seems overwhelming to me

1 for a unit.

2 SERGEANT BRANNOCK: To be honest with you,
3 it's technology that helps us. Our records management
4 system going back to 2004 our CRISNET system, it's the
5 documentation that officers have done for the past 11
6 years now that greatly help us, seeing the same people
7 arrested together, seeing them -- tattoos that are
8 documented, their criminal activity together, what
9 they're doing, whether they're selling cars, whether
10 they're -- the East Side Jack Boys, which they commit
11 carjackings, that we have a group of them identified.
12 And then it's a generational thing also. Seeing their
13 parents' criminal activity and their gang affiliation,
14 it's usually passed down.

15 Detroit Public Schools give a lot of gang
16 information also. As schools close, different schools
17 -- like the Chief was talking about how in LA the
18 Bloods and the Crips their schools were outlined by
19 those neighborhoods. Detroit kind of has that also
20 where in the Ninth Precinct, Denby is more of a Blood
21 school, Seven Mile Bloods. East Warren -- East
22 English Village Preparatory Academy is more of a Blood
23 school that's controlled by the East Warren gangs.

24 So there's all kinds of -- and as these
25 kids get locked up, that criminal intelligence is

1 housed in databases from their pictures, the intake in
2 who they're arrested with, the tattoos that they have.
3 Some gang members tell us, hey, I'm a Blood gang
4 member. Some when they get caught are not so outright
5 with their affiliation, but a lot of them are proud of
6 the colors that they wear and the gang that they're
7 affiliated with.

8 So that's -- and just gathering all that
9 and cross-referencing all that, we've just recently --
10 D.C. LeValley has stood up the Criminal Intelligence
11 Bureau, which pools from a lot of different agencies,
12 whether it's Michigan Department of Corrections, the
13 Violent Crimes Task Force, CVRP. It's many different
14 units pooling all of this information together and
15 then getting it to the new Crime Intelligence Bureau
16 and getting that out to the officers on the street.
17 So it's years of documentation.

18 COMMISSIONER DEWAELSCHÉ: So you're -- I'm
19 sorry, Madam Chair. So when somebody self-identifies
20 as a gang member you would verify that; right? I
21 mean, I'm just imagining maybe young boys or girls
22 saying they're a part of a gang when maybe they really
23 aren't.

24 SERGEANT BRANNOCK: It's not a process
25 where we come in and we see a kid in the neighborhood

1 and he's wearing a red T-shirt and we call him a
2 Blood. That's the mistake that has been made over the
3 years from different police departments across this
4 country, misidentifying young, Black males,
5 African-American males or young Latinos and putting
6 them in gangs. That's why we're Gang Intelligence.
7 We go a step further than what Gang Squad did. We dig
8 into all that, their tattoos. We do surveillance on
9 individuals. We check their family background, the
10 schools they go to, what we can pool from Detroit
11 Public School System. All those go into identifying a
12 gang member, not just that they're wearing a hat to
13 one side or a NBA team or something to that effect.
14 It goes more into -- we're very careful when we are
15 identifying our gang members.

16 COMMISSIONER DEWAELSCHÉ: Just one last
17 question. Do you have a age group that we're looking
18 at that are more involved in gangs? Is there a
19 typical age group or range?

20 SERGEANT BRANNOCK: We have 13-year-olds
21 that are involved in gangs all the way up to
22 individuals in their 40s. The older guys, who they
23 call the big homies or the hierarchy of the gang, the
24 guys that are probably bringing in large quantity of
25 narcotics, the older guys that kind of run the gang,

1 call the shots and all the way down to the recruitment
2 of kids that are in middle school and high school.

3 COMMISSIONER DEWAEELSCHÉ: Okay.

4 VICE CHAIR BELL: Madam Chair. I just want
5 to say you haven't convinced me that 230 gangs -- I
6 think you've got a whole lot of young people who want
7 to be involved block to block, whatever that is. But
8 when we talk about gangs, traditionally gangs in terms
9 of Chicago, LA, major hardcore gang members, it's
10 clearly that they are hardcore gang members. Detroit,
11 we haven't been in that mold. That's why when we
12 talking about Gang Squad and gang activities it
13 revolves around high schools, territory, neighborhood
14 to some extent.

15 We identified years ago when the first
16 narcotics started that was like a gang, but that was
17 more like a drug ring. So when you use that number
18 and you use it very loosely in terms of --
19 Commissioner Dewaelsche, in terms of there was
20 hardcore gang members somewhere in southwest Detroit,
21 you know, they clearly identified.

22 Gang issues is not a issue in Detroit with
23 the people. You don't hear people talk about I'm
24 afraid if I move from neighborhood to neighborhood the
25 gang is going to get me, you know. That's not the

1 mentality that we have been dealing with to some
2 extent, but I understand that we do have issues of
3 people want to be, there's some affiliation and all
4 that.

5 And I think that's why I'm glad to hear the
6 change in Cease Fire, because it has to be community
7 driven in terms of the community identify certain
8 neighborhoods, certain activities going on. Because
9 people, with our park and recreation activity,
10 baseball club, basketball league, they come together.
11 You know, and you can call that a gang, you know, to
12 some extent but they congregate. We used to do the
13 same thing. We'd come together and hang out in that
14 neighborhood.

15 But I think that issue -- I would like to
16 have a little bit more dialogue. When you talking
17 about can you identify really -- like motorcycle gang,
18 you know, you name them, you can identify them, the
19 Outlaws or whatever it is. So I think that's why when
20 we talk about the officers that are working city
21 streets did not see those issues being so glaring in
22 terms of the role of the Gang Squad -- in fact, the
23 Gang Squad became a gang. With the identification
24 everybody knew, you know, it was Gang Squad now.

25 So your intelligence I think is more

1 enhanced in terms of being involved, but I think
2 that's why the curfew issue did not sell well with a
3 whole lot of people that was engaging in terms of the
4 council and others and myself did not see, you know,
5 that type of dialogue, you know. I just hopefully --
6 maybe we can have more meaningful dialogue to identify
7 hardcore gang members, you know --

8 CHIEF CRAIG: Through the Chair ...

9 CHAIRPERSON CARTER: Yes, Chief.

10 CHIEF CRAIG: Let me just say yes, we do
11 have a gang problem. I'm just going to be candid.
12 I've been doing this 38 years now, and of that number
13 probably 36 of it's been in gang enforcement. And you
14 are right on this note, it is nothing like LA.

15 So when the Sergeant throws out 233, what
16 he didn't say is not all 233 gangs are active. We
17 know that. They are not active. These are gangs that
18 have been -- we've identified gangs in neighborhoods.
19 Some may have one member, and that person may not be
20 engaged. But we do have gang issues.

21 And when you look at -- the one thing that
22 has driven crime in this city this year, even though
23 I'm reporting out on a reduction, we have had multiple
24 incidents of violence. When I talk about multiple,
25 any time an individual or individuals shoot into a

1 group of people, three or more people are struck by
2 gunfire, generally those are gangs.

3 The Dexter and Webb is a great example, 12
4 people shot, the incident over on Gratiot at the car
5 wash, gangs. We can tell you the most active gangs.
6 What I typically will not do, for this group certainly
7 I'll tell you, Seven Mile Bloods is probably the most
8 active gang in Detroit right now. They're the ones
9 that are driving a lot of the violence. But -- so I
10 don't want us to get caught up on the 233 and one
11 thousand gang members, because it's kind of
12 misleading.

13 The other thing I will never do, and I've
14 asked my staff not to do is if we have to report out
15 publicly in terms of a news conference or interview
16 that we not mention these individuals by their gang
17 set. It's like free advertisement for them. It
18 inspires them. So, yeah, if it's a gang situation,
19 it's a gang situation, but I am not going to say on
20 television it's the Seven Mile Bloods. To do that is
21 free advertisement. We learned that very clearly in
22 LA.

23 So in part I do agree with you, but we do
24 have a gang problem.

25 VICE CHAIR BELL: Sir, I recognize that,

1 and I appreciate when you just spoke in terms of
2 identifying -- you know, you can clarify, you know, in
3 terms of that approach, because your experience -- I
4 have 32 years experience of working the city streets,
5 too, in terms of those issues. So we're on the same
6 page. We do have a problem, but it's not as
7 significant that people are being intimidated like in
8 other cities. It's not -- that's not the case, but we
9 do have a problem. I just want to make sure that you
10 understand my position.

11 SERGEANT BRANNOCK: And out of those 200
12 some gangs we keep historical information on gangs. A
13 perfect example is the Runyon Boys, Seven Mile and
14 Runyon. That gang is not operating anymore, but it's
15 in our best interest to keep that criminal information
16 in case they have -- gangs start and pop back up.
17 Their kids might start. You know, these individuals
18 have been shot and killed or indicted by the feds or
19 whatever, they're locked up. Sometimes a group like
20 that will spark back up again. So we keep that
21 historical data.

22 So by any means am I saying there's over
23 200 gangs operating in the city of Detroit right now,
24 no. But we keep that historical knowledge, because
25 who knows what's going to happen. And then the

1 southwest Detroit thing is a whole nother animal that
2 we have to keep that historical information.

3 VICE CHAIR BELL: Thank you, sir.

4 SERGEANT BRANNOCK: Yes, sir.

5 COMMISSIONER MALLETT: Madam Chair?

6 CHAIRPERSON CARTER: Yes, sir.

7 COMMISSIONER MALLETT: So the Chief and to
8 the sergeant here, the activity that these people
9 involve in goes far beyond just whatever violence
10 they're perpetrating on each other. So I'm wondering
11 the coordination between whatever group of people you
12 have who have managed the narcotics issues, whatever
13 group of people that you have who manage the gun
14 issues. I am focused more on the activity that these
15 people are involved in that sustains them.

16 So how does this operate in terms of
17 narcotics? How does this operate in terms of guns? I
18 know that we did the arrests. We got 74 guns in '14,
19 44 so far in '15. But this is an organized effort;
20 right? I mean, there's narcotics coming from
21 somewhere. They're guns coming from North Carolina,
22 South Carolina. There's truckloads -- not truckloads,
23 but carloads, you know, five here, ten there, whatever
24 the number.

25 I'm wondering, Chief, how all of this --

1 the intelligence coming out of the gang unit gets used
2 to suppress the crime that these people benefit from?

3 CHIEF CRAIG: Yeah, through the Chair.

4 That's a great point. First of all, what we do very
5 well today and, you know, we work with the FBI, we're
6 in a task force with the FBI. It's a Violent Crimes
7 Task Force. You might as well call it a gang task
8 force, because that's their primary focus.

9 So when you look at these different task
10 forces, whether it's with the DEA, ATF, we are working
11 and focusing on gangs. It may not be the sole thing,
12 but gangs are tied into it.

13 So as it was asked and answered, you know,
14 when you look at the number of Gang Intelligence
15 officers that work in this unit, certainly in and of
16 itself you're right, it would appear to be
17 overwhelming. They're the primary, and not the only,
18 repository for gathering intelligence. You know, we
19 have our Special Ops Unit, we have our Tactical
20 Services. And certainly under leadership of Deputy
21 Chief LeValley, he is coordinating all the internal
22 and, in some instances, external responses to how we
23 abate violence, which we know that gang members play a
24 key role.

25 So we do work very closely. Again, we've

1 had -- one example, we talked about the activity in
2 southwest Detroit recently involving the Latin Kings,
3 a great example. I think there were 25 or so
4 indictments. That was an FBI/DPD collaborative. And,
5 in fact, that area, because of those very strategic,
6 focused indictments in that area, we've seen dramatic
7 reductions in violence, but that wasn't just a sole
8 DPD.

9 So there are a lot of different entities,
10 because they are -- you know, different gang members
11 have say specialties. Some are involved in robberies,
12 carjackings. So, you know, our CATS unit would tend
13 to focus on these carjacking rings, which are gang
14 members. Then we have those gang members that are
15 involved in the sale of narcotics, but are also
16 involved in shootings because they're fighting over
17 narcotic territory.

18 So then we have all the other entities, our
19 DEAs, FBI Violence Crimes Task Force. So there is a
20 lot of collaboration. And working with State Police
21 works -- you know, comes in and provides visible
22 uniform support, like when we saw a spade of violence
23 in the Ninth Precinct, again focussed on gangs that
24 are in that area committing street robberies, drive-by
25 shootings and such.

1 CHAIRPERSON CARTER: Thank you. Sergeant,
2 if there are no other questions --

3 VICE CHAIR BELL: I just have one brief
4 question, Madam Chair. Are we able to infiltrate
5 these gangs, young people, I mean to get a idea, you
6 know? Do we have that type of approach to the issues?

7 SERGEANT BRANNOCK: You said infiltrate?

8 VICE CHAIR BELL: Yes, sir. I assume that
9 you cannot be that person, you know, quite obvious,
10 you know, but I'm saying do we -- the one uniqueness
11 in terms of --

12 COMMISSIONER MALLETT: Both of us,
13 Commissioner, we've aged out.

14 VICE CHAIR BELL: Yeah, yeah. Right,
15 right. That's what I meant by that. I just think do
16 we have that type of engagement, you know?

17 One of the concepts, you mentioned young
18 officers are able to get down and able to have that
19 type of interaction?

20 SERGEANT BRANNOCK: Yes. Not so much like
21 back in the narcotics days when we would buy dope back
22 20 years -- the department has phased out of that.

23 VICE CHAIR BELL: Okay.

24 SERGEANT BRANNOCK: But, no, we develop
25 sources of information.

1 VICE CHAIR BELL: That's enough for me.

2 SERGEANT BRANNOCK: Like I said, working
3 with gangs is a give and take. So they need
4 something, I need something, and we work together and
5 that's how we are able to infiltrate into these gangs.

6 VICE CHAIR BELL: Thank you.

7 CHAIRPERSON CARTER: Any other questions,
8 Commissioners?

9 I have one last question, sir.

10 SERGEANT BRANNOCK: Yes, ma'am.

11 CHAIRPERSON CARTER: And it goes back to
12 the effectiveness of the Cease Fire program. The
13 call-in, you said that 30, 31 probationers and
14 parolees are called in?

15 SERGEANT BRANNOCK: Correct.

16 CHAIRPERSON CARTER: And they're --
17 whatever happens, happens. Do you have stats on --
18 they're given resources and some other things happen.
19 Do you have stats on how many actually take advantage
20 of the resources, how many are re-arrested, how many
21 commit crimes after the call-in?

22 SERGEANT BRANNOCK: That's all housed
23 through Children's Aid Society, I believe. They keep
24 a database. And that's separate from the police
25 department. Obviously we see some of the things that

1 go on behind the scenes, but some of those -- some of
2 that stuff is kept from the police department, if they
3 need psychological help or, you know, personal issues.
4 So they keep that on their side and we keep our
5 enforcement stuff on our side.

6 CHAIRPERSON CARTER: But you would know who
7 was re-arrested --

8 SERGEANT BRANNOCK: Yes, they do --

9 CHAIRPERSON CARTER: -- was re-arrested or
10 committed another crime?

11 SERGEANT BRANNOCK: Yes, yes. We monitor
12 that on a weekly basis. We have a Cease Fire
13 enforcement meeting every Thursday where we come down
14 and review all the gun crime that happens. And there
15 are 107, I believe, that have been called in. There's
16 a list of the Cease Fire participants that are in the
17 call-ins. And we -- every day that list is scrubbed
18 to see if any of them have been arrested or if any of
19 them, you know, re-offend or they violate their
20 probation. That way we go after those individuals
21 right way, because they're the ones that we have
22 identified that are driving the crime in the Ninth and
23 Fifth Precinct.

24 So, yes, we monitor them vigorously to make
25 sure that they don't re-offend, because they're the

1 ones that are supposed to be spreading the message to
2 stop the violence.

3 CHAIRPERSON CARTER: All right. Thank you.

4 COMMISSIONER MALLETT: So, Sergeant, what
5 the Chairman was asking was of the 107 how many have
6 been re-arrested?

7 SERGEANT BRANNOCK: Offhand, I couldn't
8 give you that number. I know we do have that
9 information. We track that weekly.

10 COMMISSIONER MALLETT: That's what she --

11 CHAIRPERSON CARTER: Can you get that
12 information to us, please?

13 SERGEANT BRANNOCK: Yes.

14 CHAIRPERSON CARTER: Okay. Any other
15 questions, Commissioners?

16 Thank you.

17 COMMISSIONER MALLETT: Thank you very much.

18 SERGEANT BRANNOCK: And thank you for all
19 of your questions.

20 COMMISSIONER DEWAELESCHE: Thank you.

21 CHAIRPERSON CARTER: Next item on the
22 agenda is the disciplinary appeal for Lanetha
23 Coleman-Malone. And it's my understanding that the
24 hearing is going to be postponed for two weeks.

25 MS. BERNARD: Two weeks.

1 SECRETARY ANTHONY: Two weeks.

2 CHAIRPERSON CARTER: Two weeks. Under new
3 business, we have resolutions for Sergeant Joseph
4 Abdella that's going to be read by -- the resolution
5 is going to be read by Commissioner Bell.

6 VICE CHAIR BELL: We already heard that we
7 funeralized Sergeant Joe Abdella this morning at St.
8 John on west side of Detroit, I think in Grosse
9 Pointe. I'm just going to highlight the resolution in
10 certain areas.

11 "Whereas Joseph J. Abdella was appointed to
12 Detroit Police Department on November 28, 1994. Upon
13 graduating from Metropolitan Police Academy, Abdella
14 began his career at Eleventh Precinct."

15 In fact, I was assigned at that precinct at
16 the time that Officer Moore -- I mean Commissioner
17 Moore made me aware that he worked another shift.

18 From there he dutifully served the First
19 Precinct, and the homicide section, in various
20 capacities. On June the 4, 2001 he was promoted to
21 the rank of sergeant, immediately assigned to the
22 homicide section. "The other assignments he served in
23 as a Sergeant included the Fugitive Apprehension Team,
24 the Detroit Police Major Crimes Division, the
25 Southwestern District Narcotics Section and the

1 Eastern District. On Saturday, August 15, 2015, after
2 21 years of loyal and devoted service, Joseph Abdella,
3 badge number S-125, passed away.

4 "During his law enforcement career,
5 Sergeant Abdella was the deserving recipient of one
6 Lifesaving Citation, three perfect attendance awards,
7 Major League Baseball All-Star Recognition Award, the
8 Rosa Parks Funeral Recognition Award, and the
9 Superbowl Recognition Award. He was also the
10 recipient of numerous letters of commendation from
11 citizens and superiors.

12 "Sergeant Abdella tirelessly served the
13 Police Department, the citizens of Detroit and its
14 neighboring communities. His professionalism,
15 commitment to public service, integrity and dedication
16 were a credit to the Police Department."

17 From there, "Be it resolved that the
18 Detroit Board of Police Commissioners, speaking for
19 the citizens of Detroit and the Police Department,
20 award this resolution in recognition of Sergeant
21 Abdella's 21 years of dedicated public service. His
22 professionalism, integrity, and standard of commitment
23 to the city of Detroit and its citizens merit our
24 highest regards. We salute and thank you, Sergeant
25 Joseph Abdella for a job well done."

1 And we add a prayerful note to his family
2 and loved ones and fellow officers that served with
3 this sergeant over the years. In my opinion, he was a
4 great soldier, and the good Lord has called him on to
5 a higher duty and higher service. So his legacy will
6 be part of our history in terms of the DPD and the
7 Board of Police Commissioners.

8 It's not on the resolution. I just wanted
9 to add this personal note for someone that I think,
10 that I know, has served this department in active
11 duty. So that's why we salute him and his family.
12 Thank you.

13 Madam Chair, I move we accept the
14 resolution in terms of archiving records.

15 COMMISSIONER MALLETT: Support.

16 CHAIRPERSON CARTER: It's been moved been
17 supported that we accept the resolution for Sergeant
18 Joseph Abdella.

19 Is there any discussion? Those in favor?

20 COMMISSIONERS: Aye.

21 CHAIRPERSON CARTER: Those opposed?

22 The motion carries, and the resolution will
23 be placed in the Board of Police Commissioners
24 archive.

25 At this time, I'm going to ask that

1 Commissioner White read the resolution for Lieutenant
2 Arthur Green.

3 COMMISSIONER WHITE: Commissioners, before
4 us is a resolution honoring Lieutenant Arthur A.
5 Green, III posthumously.

6 "Whereas Arthur A. Green, III was born on
7 August 15, 1956. He was a proud graduate of Henry
8 Ford High School in Detroit and continued his studies
9 at Eastern Michigan University as well as Wayne State
10 University. In 1976, Green joined the United States
11 Air Force, and later became a Detroit police officer
12 in 1986. He proudly served the Detroit Police
13 Department for ten years with assignments at the
14 Second Precinct, the Recruiting Section and the Ninth
15 Precinct. In 1996, he left the police department to
16 join the Law Enforcement Division of the Michigan
17 Department of Natural Resources. As a conservation
18 officer, Green served the State of Michigan for 19
19 years and rose through the ranks to become a first
20 lieutenant. He was the recipient of numerous letters
21 of commendation and awards.

22 "And whereas Lieutenant Green's patriotism
23 and love of country led him to extend his service in
24 the military. Following his enlistment in the U.S.
25 Air Force, Lieutenant Green served as a military

1 police officer in the Michigan National Guard at the
2 Selfridge Air National Guard Base. He was activated
3 from 1990 to 1991 under Operation Desert Shield and
4 Operation Desert Storm, and completed a tour of duty
5 in Kuwait in 2002. He retired from the military as a
6 Master Sergeant Marksman in 2004.

7 "And whereas Lieutenant Green's love for
8 flying led him to become a member of the famed
9 Tuskegee Airmen. He volunteered in many of the
10 group's activities, including being a pilot in the
11 Young Eagles Program where he introduced Detroit and
12 Metro Detroit youth to their first airplane rides. In
13 addition to flying, the program exposed these youths
14 to opportunities and careers in the field of aviation.
15 Lieutenant Green is credited with giving plane rides
16 to over 400 youth in the Young Eagles Program. He was
17 the current President of the Detroit Chapter of
18 Tuskegee Airmen as well as secretary for the Tuskegee
19 Airmen National Museum.

20 "And whereas Lieutenant Green was a devoted
21 family man and is survived by his wife, Karla
22 Cole-Green, his sons, Antonio and Brice, three
23 grandchildren, three sisters and a host of family,
24 friends and colleagues. Lieutenant Green died on
25 August 9, 2015.

1 "Now, therefore be it resolved that the
2 Detroit Board of Police Commissioners, speaking on
3 behalf of the citizens of the great City of Detroit
4 and the Detroit Police Department, honor and salute
5 Lieutenant Arthur A. Green, III for his unswerving
6 dedication to public service. He leaves behind an
7 outstanding legacy, and will always be remembered for
8 his dedication, passion and never ending love for our
9 city and youth."

10 Signed this day by the Detroit Board of
11 Police Commissioners. Move for adoption.

12 COMMISSIONER DEWAELSCHÉ: Support.

13 COMMISSIONER BURTON: Supported.

14 CHAIRPERSON CARTER: It's been moved and
15 supported that the resolution for Lieutenant Arthur
16 Green be accepted.

17 Is there any discussion?

18 COMMISSIONER VANN: Just one, Madam Chair.
19 I've noticed since I've been back on the Police
20 Commission we don't sign these anymore. I don't
21 believe that I've ever signed one.

22 CHAIRPERSON CARTER: They're signed.

23 COMMISSIONER VANN: Oh. They're signed
24 electronically, my signature?

25 COMMISSIONER CRAWFORD: We went a little

1 high tech since you left.

2 CHAIRPERSON CARTER: Yes.

3 COMMISSIONER VANN: I'm saying with my
4 signature?

5 CHAIRPERSON CARTER: With your signature.

6 SECRETARY ANTHONY: It's an electronic
7 signature. It's not necessarily your signature, sir,
8 but it's an electronic signature generated by the
9 computer.

10 COMMISSIONER VANN: I've just been
11 informed.

12 CHAIRPERSON CARTER: Is there any other
13 discussion? Those in favor?

14 COMMISSIONERS: Aye.

15 CHAIRPERSON CARTER: Those opposed?

16 COMMISSIONER VANN: It's just that I know
17 the family. I just kind of thought that --

18 VICE CHAIR BELL: It was signed.

19 COMMISSIONER VANN: I understand.

20 VICE CHAIR BELL: Madam Chair, I just want
21 to say that these were two brave young men who served
22 this community. And I just pray that we can continue
23 to recruit the caliber person who would not fill their
24 shoes, but will continue their legacy and that with
25 our goal in terms of our recruiting process with

1 Detroit Police Department, identify that person or
2 persons that could really carry on, which when you
3 read, you know, you just look at these individuals
4 really being outstanding and died rather young, you
5 know, in terms of service. So I just want to once
6 again salute and thank them and their families for
7 servicing our community.

8 CHAIRPERSON CARTER: Thank you.

9 Commissioner Bell, the motion carries.

10 At this time, announcements. Our next
11 Board of Police Commissioners meeting will be next
12 Thursday -- I'm sorry. Thursday, August 27 at 3 p.m.
13 here at the Detroit Public Safety Headquarters at
14 3 p.m. Our next Board of Police Commissioners
15 community meeting will be at the Third Precinct at the
16 Boy Scouts of American located at 1776 West Warren at
17 Rosa Parks Boulevard, September 10th, 2015 at 6:30
18 p.m.

19 At this time, we will have oral
20 communications from the audience. I'm going to ask
21 that Mr. John Hill, if he's here --

22 Mr. John Hill?

23 SECRETARY ANTHONY: Madam Chair, he had to
24 leave. So he won't be here --

25 MR. HILL: No, I'm still here.

1 SECRETARY ANTHONY: Oh, you're still here.

2 Okay.

3 CHAIRPERSON CARTER: Come to the podium.

4 SECRETARY ANTHONY: You threw me under the
5 bus.

6 MR. HILL: I'm sorry about that, George.

7 Hello, Commissioners. How are you doing
8 today?

9 A lot of times people think -- I'm here to
10 talk about Allstate voluntary benefits, just a brief
11 summary. And a lot of people think of Allstate as a
12 company that insures your auto or your home policies,
13 but they also have very valuable benefits, and I think
14 they would be very important to the police officers.
15 These benefits -- you know, it's ironic that Combined
16 is out there today, but these benefits are kind of the
17 same as Combined. So there's accident, critical
18 illness, hospital and also -- Aaron, you can hold
19 on and -- there's hospital and there's also
20 disability, which is paycheck protection.

21 Something that's interesting about our
22 disability policies is that we also have Family
23 Medical Leave Act. So if one of the officers has to
24 take time out to care about their family that's
25 covered. That's not offered on a lot of policies.

1 And we also offer stress. And so if a officer has a
2 mental disorder, nervous or stress, he can actually
3 take time out, and that counts just like a disability,
4 as a disability.

5 I don't want to take up too much of your
6 time here, because I realize this meeting ran a little
7 bit long, but it came to my attention from
8 Commissioner Burton that there might be some plans
9 that the officers need to look at. So I wanted to
10 present it to the Board just to let you know, or
11 commissioners, just to let you know what's going on
12 with these policies, but also to find out avenues that
13 we can possibly present these benefits to the
14 officers. You know, you have Combined, and we like to
15 say that, you know, competition brings out the best in
16 everybody.

17 I brought with me Aaron Vance here who has
18 been in insurance for 30 years. I worked for the City
19 as most of you know, or some of you know, for about 25
20 years, so I don't have all of the knowledge about
21 insurance that Mr. Vance has, but if there's any
22 questions we'll be happy to answer them.

23 CHAIRPERSON CARTER: Any questions from the
24 Commissioners?

25 CHIEF CRAIG: Through the Chair?

1 CHAIRPERSON CARTER: Yes.

2 CHIEF CRAIG: I would just ask you if you
3 could direct the gentlemen to Aaron Stephens and our
4 medical liaison that will assist you.

5 MR. HILL: Okay, absolutely.

6 I also want to say in addition, and this is
7 just in my background of, you know, video and
8 television. I was the media director for the City
9 Council. And these meetings -- every time I come here
10 -- this is about my fourth meeting coming to -- I
11 learn so much from what's going on in the city, what's
12 going on with the police commissioners and also what's
13 going on with the officers. And even though you're
14 not taping right now, it might be something that you
15 can just play the recording, because you have it on
16 MP4 already on the government access channel, and then
17 you can actually show different, if you will, things
18 that the police officers are doing, community events,
19 show a picture of the Board every once in awhile just
20 to educate the citizens. But I can see -- they have a
21 lot of music playing when they have the banners up and
22 things like this, but I can see this being a way that
23 you can get the word out to the citizens of Detroit of
24 all that you're doing.

25 VICE CHAIR BELL: Madam Chair?

1 CHAIRPERSON CARTER: Yes.

2 VICE CHAIR BELL: I just want to say that
3 we can take advantage of Mr. Hill's service in terms
4 of what he just offered. I think that would really
5 help us in terms of communicating and reaching a
6 broader audience in terms of his background and his
7 commitment.

8 And I also want to say that, you know, you
9 mentioned about stress and officers having -- I think
10 that's a crucial part. I'm glad that the Chief is
11 reaching out to you. I think that we can't do enough
12 in those areas of trying to sustain officers in terms
13 of dealing with personal issues, professional issues,
14 just issues that's a little bit different than what we
15 were accustomed to, you know.

16 MR. HILL: Yes.

17 VICE CHAIR BELL: And I think it's a
18 different day and age in terms of trying to make sure
19 they get the proper treatment and coverage, even in
20 terms of working out, you know, but how do you relieve
21 that, you know. One time it was not too popular to
22 say you have a problem or you got a issue, but, you
23 know, it's a difference day and age where people are
24 now trying to assist you. So hopefully that will go a
25 long way.

1 And I want to thank you for taking time out
2 and being persistent, coming before this body, and
3 continue to share that dialogue with us.

4 MR. HILL: Yeah. Thank you very much. And
5 working for the City and the City Council
6 administration for 23 years, if I would have had a
7 stress policy I think might have took it a couple
8 times. But thank you very much.

9 CHAIRPERSON CARTER: Thank you, Mr. Hill.

10 COMMISSIONER BURTON: Through the Chair,
11 I'd just like to add, too, in relation to what
12 Commissioner Bell said, you know, John Hill, you know,
13 he works very hard and he works, you know, tremendous
14 wonders with Council over the years. And he would
15 definitely be, you know, great as far as helping us,
16 you know, communicate our message, you know, further
17 through the community as well. So he does great work.

18 MR. HILL: Thank you very much.

19 CHAIRPERSON CARTER: Thank you.

20 Any other oral communications from the
21 audience? Please give your name for the record and
22 limit your comments to two minutes.

23 MS. CARTER: My name is star Ellen Carter,
24 and I came here, Commissioners, for your assistance.

25 I've tried several times to -- at Seven

1 Mile and Woodward precinct. I've had two daughters
2 raped in the last 30 days. I've went -- my
3 16-year-old, the same group or gang of guys that first
4 hit the news that raped that woman in front of her
5 husband. Okay. I gave information. They didn't act
6 on it. Right now my 16 -- they dumped my 16-year-old
7 off three weeks ago in her panties and bra.

8 And the description that my daughter gave
9 goes past our home. The plate number is . It's
10 a black car with black, tinted windows. These people
11 were watching my home, because when they took her --
12 she went to the store. I stay on Greenlawn, a couple
13 blocks from Marygrove, and I just moved back to the
14 city February 11th of this year. She went to the
15 store, which is a block and a half, and she didn't
16 return. She was gone all night.

17 An officer did help circulate the
18 neighborhood all night. Well, they dumped her off in
19 her panties and bra. She was very frightened. When I
20 took her into the precinct, she was saying she
21 couldn't tell. They had called her phone. She was
22 like, "I don't know nothing." Right now she's in
23 Hawthorne's Center for Children. It's a psychiatric
24 hospital.

25 Okay. And these folks are still watching

1 my house. They were at . And then
2 they also hang out at , which is down
3 the street from me. The gold Trailblazer is ,
4 and that's a plate number. Okay. She's been in
5 Hawthorne for a week and a half so she's not been
6 home. She's hiding. But still there was a couple
7 days ago I've stopped officers up in there three times
8 up there at Seven Mile and Woodward to that precinct.

9 There's a red truck that went past my
10 house. I don't know what this motion is to my house
11 and they pass. They kept going. Same time it's a
12 white truck. I followed the white truck. That number
13 is . Now, I don't know what that gang sign is,
14 but they pointed at my house. They're watching my
15 house. And I brought my son's pit bull, I've brought
16 people who have CCWs to my home. Still I can't rest.
17 I have to leave. We're going to have to leave
18 Detroit.

19 What can I do? Because my daughter is 16
20 years old. She is frightened. I've offered to go to
21 the hospital. She is cognizant enough to give a
22 report. I will sign whatever waivers for you all to
23 interview her to get this information.

24 They took her clothes off at
25 . That's right near Wyoming and West

1 McNichols. It's also attached to . You'll see
2 that home, and you'll see . You'll see
3 they go to different vacant homes.

4 Okay. She did have the privilege of
5 hearing. They took her somewhere on Southfield and
6 Warren. They took her on Southfield and Warren, and
7 she heard them -- the only thing she is telling us now
8 is that every time somebody touched her she woke up.

9 Now, they dumped her on the street, because
10 I sent her a text message. I said we know where you
11 are, your 13 brothers is -- the cops is coming in,
12 come out. And it was that first location that we went
13 to.

14 CHAIRPERSON CARTER: Ma'am --

15 MS. CARTER: There is a guy --

16 CHAIRPERSON CARTER: Ma'am --

17 MS. CARTER: -- his name is Damian,
18 a/k/a --

19 CHAIRPERSON CARTER: Ma'am, if it's a open
20 investigation, we don't want you to --

21 MS. CARTER: It's not, and that's why I'm
22 here, ma'am. I'm here because --

23 CHAIRPERSON CARTER: We're going to have
24 you to take your --

25 MS. CARTER: -- they have not did anything.

1 If I bring my 16-year-old, they're going to kill her,
2 because she heard them talking about rape -- what they
3 were raping that woman in front of her husband.

4 CHAIRPERSON CARTER: Okay. So you're
5 saying that the police did not take your complaint?

6 MS. CARTER: They did not. And I talked to
7 Officer Mason yesterday evening in the Sex Crimes
8 Unit. He said he can't find it. I said, well, I
9 talked to Commander Balinski (ph), and we sat down and
10 I gave them all this information and they didn't take
11 a report.

12 So I'm here to ask your help. So, like a
13 kid, we don't die.

14 CHAIRPERSON CARTER: We are going to have
15 someone speak to you.

16 Chief, can we ...

17 CHIEF CRAIG: Yes. In fact, is Deputy
18 Chief LeValley --

19 MS. CARTER: Because right now I have to
20 leave home every night, and then you talking about my
21 other -- they've got something going on. I've got two
22 kids --

23 CHAIRPERSON CARTER: Okay. Just have a
24 seat. We're going to have someone --

25 MS. CARTER: -- 16 and 19 that's raped.

1 And then my 21-year-old she was just raped. And then
2 we have to wait all the way until Wednesday, okay. We
3 being harassed.

4 CHAIRPERSON CARTER: Right. So just have a
5 seat. We're going to have someone come down and speak
6 to you, and I'm so sorry.

7 CHIEF CRAIG: We'll get the information
8 from you and we'll follow up.

9 MS. CARTER: Right. You know, I did ask
10 for special attention. But, like I say, I can't sleep
11 at home. I've had friends with CCWs and everything at
12 my house. I still cannot sleep. So now I just moved
13 back to the city. It cost thousands. You know, this
14 land bank, you know, I've heard what they said. Put
15 these officers back in the community.

16 CHAIRPERSON CARTER: Thank you, ma'am.

17 MS. CARTER: That's what we need --

18 CHAIRPERSON CARTER: Just have a seat.

19 We're going to have someone talk to you.

20 Are there any other oral communications?

21 UNIDENTIFIED SPEAKER: Good afternoon,
22 everyone.

23 COMMISSIONERS: Good afternoon.

24 MR. SCOTT: I unfortunately did not get
25 here for the beginning of the Gang Intelligence

1 presentation. However, I'd like to raise this point.
2 I'd like to know, having been a victim of the Red
3 Squad file some years ago that was maintained for over
4 50 years in the city of Detroit on the intelligence of
5 individuals who were in gangs and active political
6 activity. I think Commissioner Mallett and many
7 others will remember that.

8 I want to know how long this information
9 that is amass on people is retained, and what is it
10 being used for, and can they get it if they need it,
11 and are they identified infinitum and forever as a
12 gang member? And I'd like to know that, because the
13 whole question of discovery and the Fourth Amendment
14 is important.

15 Secondly, I'd like to know how the
16 individuals in the Gang Intelligence Unit are chosen
17 and what is their esprit de corps and how does that
18 change? Because, as you suggested, Commissioner Bell,
19 the Gang Squad became a gang of its own because of the
20 culture that it established. So I want to know how
21 the culture is from time to time managed so in effect
22 it does not become that which it seeks to eliminate or
23 change?

24 And then finally, I think that the
25 framework of how this situation is evolving -- and I

1 was at a meeting over at -- over on the east side, so
2 I know a little bit about this. I know a whole lot of
3 folks, a lot of the folks in rap gang and others.
4 We've actually minimized disputes quietly, not
5 publicly. And I think in this context -- and I know,
6 Chief, you say we have a gang problem. I just have a
7 problem with using a term that is perforative and that
8 designates.

9 And we have a problem with criminal
10 activity in terms of units of people. When you say
11 gang, you automatically identify. I want to know --
12 and I deal in the area of my background in media of
13 words, define that to me, explain it to me, quantify
14 it, qualify it, explain what it is, and then we deal
15 with it in that sense. But to throw it out there in a
16 pejorative fashion you criminalize our youth without
17 giving the option. Deal with the problem, but don't
18 create the problem.

19 That's what I have to say.

20 CHAIRPERSON CARTER: Thank you, Mr. Scott.

21 Chief, do you have anything you want to add
22 to ...

23 CHIEF CRAIG: No response to that. Thank
24 you.

25 CHAIRPERSON CARTER: Thank you.

1 MS. BIRCH: Good afternoon --

2 CHAIRPERSON CARTER: Good afternoon.

3 MS. BIRCH: -- Commissioners and to
4 everybody here. The name is Shirley Birch from
5 District 3. This is --

6 Danielle.

7 MS. GREEN: Danielle Green.

8 MS. BIRCH: District 3.

9 MS. GREEN: District 3.

10 MS. C. GREEN: Carolyn Green, District 3.

11 MS. BIRCH: We came up to commend this
12 young lady first, but far more important is when you
13 mention, Chief Craig, about gangs, we know about gangs
14 because they're prevalent at gas stations.

15 We had a plan, our organization, Community
16 United For Progress, with the Dequindre Block Club
17 that we put together a plan to go to gas station
18 owners to make them more accountable for how their
19 exterior of the building looked. Most of the gas
20 stations in Detroit are ugly, over-trashed. There's
21 no beauty. The windows are full -- like you can look
22 out your windows, you can't in a gas station. So
23 Chief Craig has helped us through the officers of our
24 NPOs to make these gas station owners accountable. So
25 when we went to the owner and saw all the graffiti all

1 over the building we began -- we asked the owner if
2 you buy the paint we will paint the graffiti off. We
3 did that.

4 Five times, Commissioners, I want you to
5 know, five times gangs came, because it was their gang
6 writings, whatever, I don't know the interpretation,
7 but we were determined to keep painting over the
8 graffiti. It took five paint times and they stopped.

9 Now, I want Chief Craig to answer me. Was
10 that a gang? They kept on painting over it, Chief
11 Craig, but we kept repainting. So was that a gang
12 doing that?

13 CHIEF CRAIG: Through the Chair?

14 CHAIRPERSON CARTER: Yes.

15 CHIEF CRAIG: Based on what you're
16 describing, it's a possibility. I know that gang
17 members do communicate via graffiti. That's the way
18 they communicate to an opposing gang that there's
19 going to be violence, particularly if there's a --
20 let's say the Rollin 60s, which is a gang here in
21 Detroit that originated in Los Angeles. They cross
22 out "Rollin 60s," the rival gang. It's a message that
23 says that they're going to take that gang out.

24 MS. BIRCH: Okay.

25 CHIEF CRAIG: So I don't know if you saw a

1 cross-out. You know, I can't tell you how adept my
2 staff is at reading gang graffiti, but it could be
3 that or it could just be graffiti. I'm not certain.

4 MS. BIRCH: But my point is we weren't
5 afraid as a community. We're not going to allow gangs
6 or anybody else to come take over. I want to commend
7 the Chief, because he can't help that he doesn't have
8 enough law enforcement. That falls under the heading
9 of your Mayor and your Governor.

10 So we have written a letter to the
11 President of the United States that although our
12 immediate supervisors, our government fall under the
13 inheritance of the city being in financial problems,
14 that should not fall on us. Chief Craig needs more
15 police. We need police to be in our neighborhoods.
16 So whatever you can do as commissioners, I want you to
17 do that. We need foot patrol, not just downtown.

18 This young girl here, Danielle Green, is a
19 potential Olympic star. We don't want anything to
20 happen to her. She's in the Detroit News. So I know
21 you all read the news, but did you read the good part
22 about Danielle at Belle Isle?

23 So we need to commend our kids. We need to
24 make Detroit safer, but this gentleman cannot with the
25 officers he has. So I implore you, whatever you can

1 do, definitely we can do. We've written to the
2 President. He can bring money here. Our Congressmen
3 can bring money here.

4 So we need to -- and I'm really
5 disappointed when you said as a commission you didn't
6 have a seat reserved at the State of the Address.
7 That's a lack of communication. That's what's wrong
8 with the City, too. I would figure the Mayor and
9 Chief Craig talk all the time. I mean, you've got to
10 work together. How in the world the Mayor and Chief
11 of Police not go work together knowing everything.

12 I'm go stop preaching.

13 CHAIRPERSON CARTER: Thank you.

14 VICE CHAIR BELL: Madam Chair. I just want
15 to commend you, because the only way that -- it's fine
16 to write letters, but you taking the initiative block
17 by block, neighborhood by neighborhood, approaching a
18 business and other neighbors that's doing bad things
19 to address the situation. That's how we're going to
20 really coin community involvement. It's that type of
21 approach, because we can't wait on downtown or
22 Washington, D.C. We have to address our own
23 neighborhoods. And you have taken your gang and
24 addressed a significant gang problem, you know,
25 graffiti, whatever in your neighborhood. So just do

1 diligent and try to encourage your other neighbors.
2 That is crucial. And that's what we're doing in my
3 neighborhood and I'm pretty sure in other
4 neighborhoods how we should be approaching it, because
5 we can't just point fingers. We have to do our part.

6 I just want to commend you and our swimmer,
7 because we would hopefully -- I know we supported you
8 somewhat in terms of getting you where you need to be,
9 and I just want to wish you and other young people the
10 best.

11 MS. C. GREEN: And we did make them take
12 all that down so they can see the people when they
13 come get their gas.

14 VICE CHAIR BELL: Yes, ma'am.

15 CHAIRPERSON CARTER: Ma'am, I just want to
16 say thank you for coming down and giving me an idea to
17 take back to my neighborhood --

18 MS. BIRCH: Yes, ma'am.

19 CHAIRPERSON CARTER: -- where I'm going to
20 go in and -- because we've had a graffiti problem.

21 MS. BIRCH: Yes.

22 CHAIRPERSON CARTER: And offer to the gas
23 stations, just like you did --

24 MS. BIRCH: Yes.

25 CHAIRPERSON CARTER: -- buy the paint and

1 we'll paint it. So I really like that. So thank you.

2 MS. BIRCH: You're welcome. And let me
3 just say the NPO sergeant -- I mean, Chief Craig, the
4 NPOs are excellent. We have three Board of
5 Commissioners that are excellent under Captain Timothy
6 Leach. They are only human. There's no way they can
7 take care of all the territory, they're supposed to
8 make us safe. That's my reasoning of not -- lacking
9 the police. The NPOs are tired, underpaid,
10 unappreciated. And what else -- our Detroit Police
11 Department has lost respect of the citizens. They got
12 to get back loving them like we love them. It used to
13 be you know you respecting an officer, but now
14 criminals look at Detroit Police and say they're not
15 coming. Although he's doing a excellent job, they
16 are, they still don't respect them. It takes respect
17 for you to do the law.

18 And there are other things I can say, but
19 it's too long. Thank you.

20 CHAIRPERSON CARTER: Thank you, ma'am.

21 MS. GREEN: Good afternoon, everyone.

22 COMMISSIONERS: Good afternoon.

23 MS. GREEN: I'm here representing the
24 Detroit Recreational Swim Team once again and -- oh.
25 And in swimming in that event, to me it wasn't just

1 swimming in the Detroit River just to like raise money
2 and stuff like that. It was for the whole Wounded
3 Warriors and supporting people and stuff like that.

4 And that's all I wanted to say. Thank you
5 again.

6 CHAIRPERSON CARTER: Congratulations,
7 Danielle.

8 COMMISSIONERS: Thank you.

9 COMMISSIONER BURTON: Congratulations.

10 COMMISSIONER DEWAELESCHE: Congratulations.

11 CHIEF CRAIG: Congratulations.

12 CHIEF CRAWFORD: Congratulations.

13 CHAIRPERSON CARTER: Captain Hope? Yes,
14 ma'am.

15 CAPTAIN HOPE: Hello to all. For the
16 record, Kyra Joy Hope, captain of the Seventh
17 Precinct. And hopefully I'm bringing good tidings
18 with everyone here today.

19 I would like to personally invite the Board
20 of Police Commissioners to come out on September the
21 25th, which is next Friday. It is our first annual
22 community walk --

23 SECRETARY ANTHONY: September?

24 CHAIRPERSON CARTER: You said September.
25 Did you mean August?

1 CAPTAIN HOPE: I'm so sorry. I mean
2 August. That would be terribly mistaken. That's
3 going to be August, next Friday, the 28th. Starting
4 at six o'clock, we're going to have our first
5 community walk. This is going to be a mystery walk,
6 along with our bike ride. And we are encouraging our
7 citizens to really participate in these types of
8 events, because what we do is we stress about
9 community partnerships and working with the police.

10 And so often when we report a crime we
11 really don't know how to do it. And working in
12 partnership with Detective Brian Fountain and the
13 hundreds of members that do come out monthly, it's
14 very rewarding and they're getting it. They're coming
15 out by the hundreds at the meetings.

16 And by this being our first annual walk,
17 it's actually a mystery walk and training, what is out
18 of place, what are you really looking at when you're
19 walking. So this is going to be a training component
20 that we're going to have at Sacred Heart, and that's
21 located at 1 -- I'm sorry, 3451 Rivard, which is Mack
22 and 75 right behind the McDonald's.

23 And, once again, that particular component
24 is from 6:00 to 7:00, and we go right into our
25 training component for the rest of the evening. We do

1 feed you a little something, but we do not put that on
2 the flyers. But everyone is encouraged to attend. If
3 you ride a bike, please come out with your head gear
4 on. If you're unable to ride a bike, please come out
5 for the mystery walk. Thank you.

6 CHAIRPERSON CARTER: Thank you, Captain
7 Hope. I'll be there in my walking shoes.

8 MS. DENNIS: Good afternoon, Commissioners.
9 I'm Shelby Dennis with Combined Insurance, and I just
10 wanted to come in and introduce myself and thank you
11 guys for welcoming our company into Detroit. We've
12 been here for years, but we now have a specific unit
13 and task force that handle our police and law
14 enforcement here in the city. And we appreciate the
15 Chief for inviting us in.

16 And I also want to make sure that you guys
17 knew that we wanted to be of support to the local
18 economy. So I've offered up some jobs and opened up
19 some job opportunities here. So I have been talking
20 with the lieutenant as well as some of the sergeants,
21 because I wanted to make sure that our company not
22 only provides benefits if the officers get sick, if
23 they get injured or if people get cancer, any of that
24 kind of stuff, but we wanted to also make sure we
25 brought some jobs with us, and so my boss has

1 committed to that.

2 And just so that you guys will know, we've
3 been ranked the number one military-friendly company
4 in the nation by GI Jobs. So we believe in supporting
5 our veterans, but we also believe in supporting our
6 law enforcement. So I know we have some retired law
7 enforcement that I'm actually opening up doors for
8 employment. And we are a full employment company,
9 which is nice, because they'll have full benefits,
10 everything.

11 And we do a lot within the community, but
12 specifically for me I'm targeting law enforcement,
13 because we appreciate the job, the thankless job that
14 you guys do. Know that somebody does appreciate
15 everything that our law enforcement does for us within
16 our community.

17 And last, but not least, the young lady
18 that stood up and she spoke so eloquently that's a
19 swimmer, I also want to let you guys know I do
20 scholarship programs, too. So, if you guys have
21 programs, I don't know if she's in need of anything,
22 but I want to make sure that I give the ladies that
23 brought her my business card so that if we can support
24 her in what she's doing, we want to make sure that
25 Combined Insurance is at the table and you guys know

1 we're here.

2 Thank you, guys. Have a great afternoon.

3 CHAIRPERSON CARTER: Thank you.

4 COMMISSIONER DEWAELSCHÉ: Thank you.

5 COMMISSIONER CRAWFORD: Thank you.

6 MS. LACY: Good afternoon. My name is Mary
7 Lacy. I'm a retiree, and I work on the Ninth Precinct
8 board and also I'm a elected precinct delegator.

9 My concern today is by gentrification.
10 Now, Webster and Google calls it urban renewal.
11 However, currently Detroit is going through a
12 gentrification with other urban areas. In the senior
13 buildings, 55, 62 and over, there's no background
14 check, quite a few home invasions, stalking,
15 harassment and other illegal activity.

16 Also, many of the senior buildings have
17 security guards 24/7, have video cameras 24/7, yet no
18 one's seen nothing, hear nothing and know nothing.
19 And this tome is known as gentrification called
20 removal by any means necessary from downtown, midtown,
21 Corktown. Thank you.

22 CHAIRPERSON CARTER: Thank you, ma'am.

23 MR. BROOKS: Good afternoon.

24 COMMISSIONERS: Good afternoon.

25 MR. BROOKS: My name is Michael Brooks.

1 I'd like to direct this to you, Chief. This is
2 actually my second time here. The first time you was
3 in Lansing, but I was told after I finished that I
4 would be contacted.

5 I'm here speaking for the people of
6 Detroit. I was involved in a trial. Three of your
7 officers lied under oath. Can you imagine the impact
8 that that had on the jury?

9 Now, what would make three of your officers
10 -- as a matter of fact, one of them was a detective --
11 to lie under oath in court?

12 CHAIRPERSON CARTER: Sir, let me just --
13 you direct your comments to the Chair.

14 MR. BROOKS: I'm sorry. Kym Worthy.
15 Nothing but Kym Worthy would make officers lie under
16 oath like that. This is the reason why people do not
17 want to testify or be a witness. They don't trust the
18 police force. They don't trust the DA office.

19 We have a issue here, Chief. And it's
20 something that needs to be resolved, because if you
21 expecting for the people to cooperate and be part of
22 the community and want to give back, they have to be
23 able to trust who's leading. Something needs to be
24 done, and I hope that we can address this issue real
25 soon. Thank you.

1 CHIEF CRAIG: Through the Chair?

2 CHAIRPERSON CARTER: Yes, Chief. Go ahead,
3 Chief.

4 CHIEF CRAIG: It's interesting you bring
5 that up. We had a conversation before the meeting,
6 and it certainly was -- the conversation was very
7 different.

8 MR. BROOKS: Thank you.

9 CHIEF CRAIG: That's fine. So what I would
10 like to do -- certainly making allegations of
11 misconduct, one avenue I have our commander from
12 Professional Standards Section will we more than
13 willing to get your information. We can open an
14 investigation. But certainly you have the avenue of
15 the commission investigation division that can do it
16 as well. So whatever your choice is, but we're
17 available to take that information.

18 MR. BROOKS: Thank you.

19 CHAIRPERSON CARTER: Commissioner Crawford?

20 COMMISSIONER CRAWFORD: Pardon me. Through
21 the Chair.

22 Sir, I just take offense to something you
23 said and real exception to that you said something and
24 you invoked the name of Kym Worthy, the Wayne County
25 Prosecutor. And, on a personal note, I know her.

1 I've known her for years. And I just take exception
2 to that statement to what you said in terms of the
3 Prosecutor being involved in something in what you had
4 alleged before us. That's all.

5 MR. BROOKS: I know her as well, too.

6 COMMISSIONER CRAWFORD: Okay, sir.

7 CHAIRPERSON CARTER: Sir, you're going to
8 see her.

9 MR. BROOKS: Thank you.

10 CHAIRPERSON CARTER: Thank you.

11 MS. FARMER: Good afternoon, Board, Chief
12 Craig.

13 COMMISSIONERS: Good afternoon.

14 CHIEF CRAIG: How you doin'?

15 MS. FARMER: My is Alexis Farmer. Tomorrow
16 is my last day of my internship, but I wanted to thank
17 you all for your support in listening to me. It's not
18 often that young people and interns are often taken
19 seriously in their efforts to work. So I appreciate
20 the professionalism that this board has had.

21 Unfortunately, I haven't had the chance to
22 meet with the Chief, but since you're here I'll
23 introduce the initiative as-is.

24 So I'm hoping that Detroit can join the
25 police data initiative, which is borne out of the

1 White House. Currently 24 cities are a part of it,
2 part of two different tracks, one being internal
3 accountability and the other being open data. And I'm
4 hoping Detroit can join the open data portion. And
5 that would require that the department release three
6 data sets that aren't currently open to the public
7 now. So that could be assaults on officers, resisting
8 arrest, use of force, officer-involved shootings,
9 pursuits, a number of different data sets. And so
10 that way we could compile with national effort to be
11 transparent in the department.

12 So I do hope to meet with you soon to
13 hopefully get your feedback on that initiative, and
14 hopefully we can join, because I know there's people
15 at the White House would be very excited to see
16 Detroit become a part of this.

17 And so I just also wanted to thank Chief
18 Investigator Drake for being willing to work with me,
19 to have at least complaints hopefully up soon, which
20 is going to be really exciting to see.

21 Yes. I just wanted to thank you all for
22 that. Thank you all for your time.

23 COMMISSIONER MALLETT: Madam Chair?

24 CHAIRPERSON CARTER: Yes.

25 COMMISSIONER MALLETT: Listen, however this

1 turns out, I just want to say on behalf of the Board
2 you've been remarkable. We appreciate your poise. We
3 appreciate the intelligence you brought to this
4 process. I don't know where you're going to go from
5 here or where you're going back to, but I hope to
6 remember your name because you're going to be
7 something. We're all very, very proud of you. You've
8 done a fabulous job. You've presented very well. And
9 I'm just really, really -- I want to say to you thank
10 you very much for having the courage and the
11 persistence. And really you presented yourself in a
12 very, very wonderful manner. Your parents should be
13 very proud of you.

14 MS. FARMER: Thank you. I really
15 appreciate that.

16 VICE CHAIR BELL: Madam Chair, I just want
17 to second Commissioner Mallett's comments, too, on
18 behalf of the Board and myself. Personally, I would
19 hope that in some form or another that you will stay
20 in contact with us, you know, and -- if not with Chief
21 Craig. And I would hope that the Chief will have an
22 opportunity to talk with you. I think he would find
23 it very interesting that a young person who's just
24 trailblazing in terms of researching information.
25 I've been reading your material. You've sort of

1 opened my eyes to several different issues. So I
2 think that initiative at the White House is crucial at
3 this particular time.

4 And, once again, thank you for your
5 service. I'm looking forward to more interaction with
6 you in some form.

7 COMMISSIONER CRAWFORD: And through the
8 Chair also, too, Miss Farmer I would like to thank
9 you, and definitely stay in touch with the Commission.
10 And I do know that you're going to go somewhere and be
11 somebody. Thank you.

12 MS. FARMER: You're welcome.

13 CHAIRPERSON CARTER: Any other comments?
14 Thank you, Miss Farmer.

15 COMMISSIONER DEWAELESCHE: Thank you.

16 COMMISSIONER BURTON: Through the Chair, I
17 just want to acknowledge a couple people in the
18 audience that came out from District 5, Ms. Lacy and
19 Mary Waters, the President of Sisters Network Breast
20 Cancer Survivors.

21 CHAIRPERSON CARTER: Thank you.

22 Any other comments? Are there any other
23 comments? Any other comments?
