19 Reverend Dr. Holly, please do the invocation.
20 Thank you.

21 (Whereupon Reverend Holly conducted
22 the Invocation.)

10 (None responded.)

11 CHAIRPERSON CARTER: Those opposed?

12 (None responded.)

13 CHAIRPERSON CARTER: The motion carries.
14 At this time, Mr. Hicks, would you please
15 introduce the Board of Police Commissioner staff.

16 MR. HICKS: Thank you, Madame Chair. I
17 do want to indicate just before making those
18 introductions that Sergeant Quinn is taping from
19 Media Services and Shay Coleman is the court
20 reporter for today. I do want to make sure, it's
21 a little out of order, but make sure I don't
22 forget that Brian Tanel (ph) is here representing
23 the Personnel Department today. Brian is located
24 over here on the side here. He is the interim
25 Personnel Director while Ms. Lamar is away from

1 the office.

2 Again, next to me is, of course, as an
3 executive manager is Robert Brown and if we could
4 turn our attention to the first row on the right
5 side Mr. Warwick, who is the legal advisor, Ms.
6 Johnson is Fiscal, Ms. Blossom who is Media
7 Outreach and of course we'll go to Polly
8 Johnson -- I mean, Polly McAllister, who is the
9 chief -- Office of the Chief Investigator.

10 MS. MCALLISTER: Good afternoon. I'm
11 Polly McAllister, Chief Investigator, and
12 attending the meeting with me today is
13 supervising Investigator Webb, Senior
14 Investigator Jones, Investigator Banks,
15 Investigator Nichols and Investigator James and
16 Investigator Calloway.

17 MR. HICKS: Madame Chair, I just want to
18 -- there's a Polly Johnson. She is an activist.
19 She was around with the Coleman Young
20 Administration and really is a great, great
21 person. So every time I think of Polly I think
22 of Polly Johnson.

23 CHAIRPERSON CARTER: At this time
24 sitting in for the Chief is Deputy Chief Barren.
25 Good afternoon, sir. Would you like to introduce

1 any staff?

2 DEPUTY CHIEF BARREN: Yes. We'll start
3 with Deputy Chief LaValley.

4 (Whereupon several sworn officers
5 introduced themselves.)

6 DEPUTY CHIEF BARREN: That concludes our
7 introductions.

8 CHAIRPERSON CARTER: Elected officials
9 or representatives.

10 MS. SLAUGHTER: Good afternoon. James
11 Slaughter, representing Congresswoman Brenda
12 Lawrence.

13 CHAIRPERSON CARTER: Thank you for
14 attending today's meeting, sir. Thank you.
15 Please give our regards to the Congresswoman. On
16 behalf the Board I want to express our concern
17 and support for fallen and injured officers and
18 their families. Our Board receives a weekly
19 report from the Department listing injured
20 officers. I would ask that Deputy Chief
21 Barren during your remarks to please provide us
22 with any additional information related to the
23 injured or fallen officers.

24 The Board of Police Commissioners meet
25 every week except for Thanksgiving Day and

1 Christmas Holiday periods. We meet at Police
2 Headquarters in regular session three weeks in
3 the month on Thursdays at 3 p.m. We also meet in
4 the community every second Thursday of the month
5 at 6:30 p.m. The Board of Police Commissioners
6 exists to provide civilian oversight for the work
7 of the Detroit Police Department.

8 As a board, we receive and investigate
9 non-criminal citizens complaints, monitor the
10 operations of the Department and work with the
11 mayor and the Chief of Police to make or modify
12 police policy. Our objective is the same as the
13 City of Detroit; to provide the best use of your
14 tax dollars, to improve on the quality of life
15 within our City.

16 As a board, we bring a unique
17 perspective to policing, the eye and viewpoint of
18 civilians. The principle of civilian oversight
19 is as old and and important as all of the
20 founding principles in our democracy. Separation
21 of powers between and within the Government
22 allows for accountability, transparency, rights
23 to appeal and citizen control. These principles
24 are important nationally as well as locally.

25 I would also like to call your attention

1 to several important items. The Board expresses
2 its support to the family and the residents of
3 the City of River Rouge in the recent death of
4 its Police Chief Deborah Hayes-Price. Chief
5 Deborah Hayes-Price served the City of River
6 Rouge for three years and was among the many
7 black women who have made their mark in law
8 enforcement and policing. She also served with
9 me while I was at the Wayne County Sheriff's
10 Office as well. As additional information
11 becomes available on arrangements for Police
12 Chief Hayes-Price I will share it with the Board.
13 Again, our hearts go out to the family and the
14 City of River Rouge.

15 The Board registers -- the Board
16 registers our concerns on the recent uptake and
17 the rash of shootings over the Memorial Day
18 weekend. Collectively we believe that the
19 overwhelming majority of the shooting and deaths
20 are a result of inappropriate resolutions to
21 conflict between families, people in loving
22 relationships and in a minor number of cases
23 randomized crime. We remain perplexed by the way
24 we oftentimes handle conflict.

25 We also know that a measurable segment

1 of our City operates under substantial stress and
2 that we are in a great need for additional mental
3 health services. We also know that the
4 proliferation of guns in the hands of our
5 residents and visitors help to multiply the
6 shooting and death in our City. Detroit is often
7 thrust into the news because of the violence in
8 our streets. While we are an 80 percent African
9 American City we should not confuse this with the
10 presumption that blacks are more violent than
11 others. The reality in Detroit is that our
12 unemployment numbers in the black community are
13 higher than the rest of the State and the nation.
14 These factors contribute to hopelessness, lost
15 opportunities and apathy, the lack of a steady
16 income and economic mobility leads to
17 desperation.

18 Our society cannot continue to create
19 despair and turn a cold shoulder when we need
20 jobs, education and economic health. As
21 individuals we must figure out ways to rise above
22 the immediate distraction of the day. We have to
23 invest in our children and ourselves. To this
24 end I want to note that June is gun violence
25 awareness month and the Detroit City Council

1 members, Mayor Sheffield is heading a march
2 Friday, June 1st the 10 a.m. in front of the
3 Spirit of Detroit. I encourage you to attend the
4 march. I also encourage you to double down and
5 engage with your family and neighbors. Talk to
6 your children and young adults about current
7 situations. A nurturing home environment is a
8 major predictor of success. Read to your
9 children, help them with their homework. Seek
10 help for yourselves if you are unable to help
11 with your children's homework. Set an example of
12 involvement and good citizenship.

13 Also, work together with the community.
14 Join a block club, a CV patrol, literacy and
15 tutoring programs sponsored by the public
16 library, churches and other civic organizations.
17 Time involved in productive activity is time away
18 from guns and violence. Remember, while we are
19 concerned with the recent rash of violence in the
20 City, we are more concerned with the direction of
21 our City and the opportunity for its people.

22 Again, as a reminder, on Friday, June
23 8th and Saturday June 9th, Commissioners, the
24 Board will convene its annual training session.
25 The training session is an opportunity for the

1 Board to fellowship and address operational
2 issues and measure our progress over the years.
3 This session will focus on the Board's charter
4 mandate and responsibilities and how they
5 intersect with the police department.

6 We will also have a special session on
7 police authorized towing. This session will be
8 organized to give background information to
9 some of our new board members and will track
10 significant actions by the Board on police
11 authorized towing. The training program will
12 start at 12 noon on Friday June 8th for a half
13 day session. We will have a full day session on
14 Saturday. I would ask that each member of the
15 Board to mark your calendar and plan on
16 attending. I'm sure that the session will be
17 productive and informative as the session was
18 last year.

19 On our Agenda today we have two
20 presentations. Our OCI monthly report and our
21 financial report on the third quarter. The
22 OCI report will be provided by Chief Investigator
23 Dr. Polly McAllister. Our third quarter
24 financial report will be provided by DPD agency
25 CFO Officer Lisa Jones. Annually the Board is

1 asked to review and approve a yearly budget
2 before it is presented to the mayor. The annual
3 budget is our spending plan to achieve public
4 safety goals. Financial reports are one way to
5 check to see if we are within our spending plan.

6 The City is in its last months of the
7 current fiscal year. The fiscal report
8 reflecting the activity of the Department are
9 recorded monthly; however, most organizations
10 review quarterly financial information to help in
11 understanding trends and financial transactions
12 and to monitor their budgetary obligations.

13 The quarterly report are a deeper dive
14 into the finances of the organization and in the
15 past the Board has expressed concerns of the
16 management of police overtime and grants within
17 the Department. The Chief has indicated he is
18 closely watching overtime. I recall former
19 Commissioner Edward Vann who repeatedly made
20 compassionate and forceful demands the Department
21 notify the Board when it seeks and receives
22 grants.

23 Grants supplement our police and
24 operations. A watchful eye on grants should be
25 -- should help us not only meet our grant

1 commitment, but also alleviate need to return
2 grant funds to granting organizations because we
3 have not properly administered the grants.
4 Therefore, it is my hope that the third quarter
5 presentation is more than a simple gazing over of
6 our financial situation. I'm hoping for a
7 detailed discussion highlighting problem areas in
8 our budget and recommendations to resolve these
9 problem areas.

10 Later in the meeting we will have oral
11 communications from the audience. I remind you
12 if you'd like to speak to the Board please make
13 sure you print your name on the speaker's card.
14 The cards are located on the back table or can be
15 obtained by seeing Mr. Brown who is seated here
16 in the front. Mr. Brown will need your card
17 before the beginning of public comments. I will
18 caution everyone we will be enforcing the two
19 minute speaking privilege and ask for your
20 cooperation in making our meeting timely and
21 productive. Thank you, Commissioners. Thank you
22 all. At this time we will have the Chief's
23 report from Deputy Chief Barren.

24 DEPUTY CHIEF BARREN: Through the Chair,
25 I definitely appreciate the report that you just

1 read in particular speaking of the rash of
2 violence, particularly this week. What you
3 pointed out is a lot of the violence occurs
4 between individuals who are either in
5 relationships, acquaintances or have business to
6 be with one another unfortunately unable to
7 resolve their disputes and resorts to guns.

8 I'm going to speak more specific later
9 in my report, but I do appreciate that opening.
10 We'll start with the injured officers and we'll
11 start with Officer Waldis Janison (ph) who
12 suffered a gunshot wound. He's currently in a
13 long-term care facility. Officer Anthony Brown
14 was struck by a vehicle, recuperating at home.
15 Officer James Kisselberg (ph), gunshot wound
16 recuperating at home. Officer Eric Smith,
17 gunshot wound, recuperating at home. Sergeant
18 Eric Busey suffered a broken ankle while out on
19 patrol, recuperating at home. Officer Justice
20 Plinfin (ph) received trauma to the head,
21 recuperating at home.

22 Officer Christopher Bush, stitches to
23 the right hand, recuperating at home. We do
24 expect him to return shortly. There's no change
25 in the status for the next group of individuals

1 as Robert Kovak (ph), motorcycle accident, still
2 restricted duty. Officer Benjamin Atkinson,
3 gunshot wound; was able to be restored to full
4 duty as of April 11th. It's fortunate he was
5 able to recover from his injuries. Officer
6 Matthew Winquest (ph), gunshot wound, full duty.
7 Another positive note, April 4th of this note and
8 Officer Titus returned to full duty March 12,
9 2018.

10 Wayne State University, who is also a
11 partner with Detroit Police Department and this
12 community wanted to add that they're having a
13 Wayne State University Police Department
14 Leadership Academy graduation. That's scheduled
15 for Friday June 8, 2018 from 10 a.m. to
16 12 noon. It will be located at the McGregor
17 Memorial Conference Center on the campus of Wayne
18 State University 4095 Gilmore Hall, 495 Gilmore
19 Hall. That concludes the report on the injured
20 officers.

21 Moving into crime. And the Department
22 still continues to see a decline in violent
23 crime. As we start with homicide, a 14 percent
24 decrease. I know the Board likes to hear numbers
25 specific, so what that equates to is current year

1 2018 we're sitting at 92 homicides as compared
2 to 107 in 2017. With our sexual assaults there's
3 an update as reported earlier in other meetings.
4 The result is we expanded the ability to report
5 crimes and therefore more crimes came through the
6 system.

7 We're in the 39 percent increase. What
8 that equates to current year 329 and the last
9 year 236. When we look at armed robbery we have
10 a 16 percent reduction. What that compares to
11 this current year 861 as compared to 1,022 in
12 2017. Carjacking is down five percent; current
13 year, 110; last year, 116. Aggravated assaults
14 down five percent; 3,062 current year; 3,228,
15 2017. Non-fatal shootings 25 percent reduction;
16 241, 2018 as compared to 320, 2017.

17 So I want to spend a little time
18 discussing a lot of the news coverage this week
19 particularly focused a lot of attention downtown
20 Greektown area. As we spoke earlier and
21 referenced how these arguments transpire and
22 there was a particular bar in one of these
23 instances in the Beaubien Lafayette area. I'll
24 let the bar name remain nameless. The incident
25 occurred. There was an argument between some

1 patrons of that bar or potential patrons got into
2 an argument with an employee of that
3 establishment.

4 It happened around 10 p.m. where that
5 individual decided to pull a weapon, fired shots.
6 None took effect. Fortunately our Detroit police
7 officers in that area in fact when the shots ran
8 out saw the individuals running down the street.
9 They were able to quickly make that move on them,
10 make those arrests. Two individuals, two guns
11 were also confiscated. That has made its way to
12 the Prosecutor's Office. Out of the two shooters
13 has been identified. That person has been
14 charged with two counts. Like at the other high
15 profile incident it occurred on Sunday night into
16 Monday morning. That was in the area of
17 Greektown reported four people shot.

18 I'll give you a little background on
19 that. Again, I think it's important to see how
20 these things play out. When Detroit is looked
21 at as a place of lawlessness it's not like you
22 come down to Detroit and then you have a
23 potential possibility to get injured. Again,
24 these folks know each other. These individuals
25 all were together. Actually, they came down

1 together in two separate cars having a good time.
2 At some point they got into conflict with each
3 other in the area of Greektown on Monroe Street.

4 Knowing we have police officers in place
5 and knowing there's potential witnesses in place,
6 one of the individuals who challenged his friends
7 pulled this argument into an alley, a dark alley.
8 They began to argue as I saw the video myself.
9 One of them struck the other and from there two
10 individuals in his group began shooting at each
11 other and that's how we got four people shot.
12 What I tell you, zero response time. Why is
13 that? Because again, on the other side of the
14 alley there's Detroit Police officers who made
15 their way around the corner due to the nature of
16 the injuries of some of the victims and shooters;
17 they needed medical attention.

18 So our officers were able to do two
19 things; identify who the shooter was, give
20 medical aide to all of them and then we
21 coordinated with our crime intelligence because,
22 again, we do have technology downtown where we're
23 able to see that one of the suspects placed his
24 gun in the dumpster and he took off. But I'll
25 tell you, we caught up with him but I'll get to

1 that in a minute. We talk about response time.
2 We talk about the ability of the Detroit Police
3 Department to do their jobs.

4 Again, these individuals took this fight
5 into an alley, turned it into a gun battle and we
6 made those arrests, and again, tended to their
7 wounds. Investigation moved forward, revealed we
8 do know who the two shooters are. Again, one is
9 in custody and as recently as yesterday
10 apprehended, the second individual, so we will be
11 looking forward to some prosecutions.

12 Again, I thought it was important,
13 again, to discuss this to the community.
14 Downtown is a safe place to be. The City of
15 Detroit is a safe place to be. You will be
16 surprised the number of incidents that folks
17 know each other, have daily dealings with one
18 another but then can't resolve their conflict. I
19 do have DY LaValley here to talk more
20 specifically about neighborhood crimes if the
21 Board wants to hear that, but I do know the
22 emphasis on the news because I know downtown is
23 very high profile. I get it.

24 Downtown at times can set the tone for
25 the City, meaning incidents happen downtown they

1 become national news versus things that happen in
2 the neighborhood don't necessarily become
3 national depending on what it is. I know how
4 and why they want to spin those stories.

5 Moving forward, we're going to ensure
6 that we still have our plans in place for
7 downtown. What does that look like? Bars we
8 know are problematic, such as the one we
9 mentioned. We already had discussions with those
10 owners. What came out of those discussions for
11 some of these areas that individuals lured off
12 the path so they can hide their presence have
13 some of these areas hit. We talked with some of
14 the Greektown partners, particularly the area of
15 the incident Saturday, Sunday into Monday, and it
16 was very dark. The plan to move forward to light
17 that area up with sufficient lighting and also
18 put more cameras in those areas.

19 We do have a strategy in place. I don't
20 want to get into that piece of it without giving
21 strategies in place but we will have plans in
22 place to ensure that if individuals come down for
23 that type of behavior we'll do just what we did
24 this past weekend; make those apprehensions and
25 hold people accountable for those crimes. So I

1 rest through the Chair.

2 CHAIRPERSON CARTER: Thank you for that
3 very detailed report, but it was important that
4 you said what you said. Commissioners, do you
5 have any questions for Deputy Chief Barren?

6 COMMISSIONER BELL: Just that it was
7 very thorough. Deputy Chief, I appreciate you
8 elaborating on downtown activities. They know
9 one another. We know that's not unusual and they
10 take it downtown and encounter one another. But
11 I'm also concerned about when I look at the
12 report here on Patton street a young lady 45,
13 young man 48, was shot and killed by a mass
14 gunman and there was also another couple on the
15 eastside, I think, on Oakland. Perhaps you could
16 elaborate to some extent, whatever you might want
17 to share, because these are incidents happening
18 in the neighborhoods.

19 I know downtown is high profile. We've
20 got cameras and you do an excellent job, but I'm
21 concerned about these two couples who have
22 encountered some type of activity. Could you
23 just elaborate to the best of your ability.

24 DEPUTY CHIEF BARREN: I will be
25 cautious. I would ask Deputy Chief LaValley to

1 answer that. But as you know, there's still an
2 investigation.

3 COMMISSIONER BELL: I understand.

4 DEPUTY CHIEF LAVALLEY: So the incident
5 on the west side, two individuals the other
6 night, male and female, obviously both of these
7 investigations are still ongoing so I don't want
8 to share a whole lot of details but I do want to
9 indicate that initially that investigation
10 certainly leads us to believe that they were
11 targeted by someone who knew both of them.
12 Captain McGinnis from Homicide is here so maybe
13 he can add a little more.

14 CAPTAIN MCGINNIS: No, I'd rather not,
15 but that was a correct statement.

16 DEPUTY CHIEF LAVALLEY: We're kind of in
17 a pickle as to how much we can elaborate on.

18 COMMISSIONER BELL: That's fine.

19 DEPUTY CHIEF LAVALLEY: I guess in the
20 end the feeling is individuals were randomly
21 targeted or someone broke in their house. So,
22 the community is in fear or something like that,
23 that's not the case in either of those instances.
24 They definitely knew who their attackers were.

25 CHAIRPERSON CARTER: I think that's

1 what's important to know and that's what we want
2 to know.

3 DEPUTY CHIEF LAVALLEY: That's all of
4 the incident we had over the weekend and the
5 early part of this week were those types of
6 situations where it was either someone was
7 targeted because of maybe business activities
8 they were engaged in; that type of stuff, met up
9 with an individual who they knew. We didn't have
10 any of the homicide incidents over the weekend or
11 the early part of this week that were somebody
12 that wasn't known to the attacker.

13 REVEREND HOLLY: When people are
14 hijacking (sic) a car, what's the normal penalty
15 -- what's the normal person that hijack a car and
16 is found guilty, how much time do they usually
17 get?

18 DEPUTY CHIEF BARREN: It depends on the
19 system they're under. Sometimes they're
20 prosecuted federally. Sometimes they're
21 prosecuted through the State. If I threw a
22 number out at you, depending on the crime, if a
23 weapon was used, maybe a ten-year sentence on
24 average if I just threw a number at you but it
25 does vary.

1 REVEREND HOLLY: I know everything is
2 gone down. Is there anything that the police
3 -- information are where you can do CPSAs to
4 basically every now and then let the community
5 know what the penalty is for this act? In other
6 words, sometimes I just think our community
7 forgets that there is penalties on these things,
8 you know.

9 And if we got -- I'm in PR, and it
10 seems if sometimes we can do a little bit more
11 on the offense we might get the numbers down. Am
12 I making sense?

13 DEPUTY CHIEF BARREN: It does. So the
14 practice with our cease fire program, that is
15 part of that whole script, if you will, laying
16 down penalties. To give an example of specific
17 individuals what their crimes were and what their
18 punishment was, but what you're looking for is
19 something broader city wide. I definitely will
20 look into that.

21 REVEREND HOLLY: Are there any grants?
22 Are we able to get any grants for those types of
23 PSAs or anything that can be done with the
24 business community, regional commerce, to talk
25 about rather than -- all of us ought to be

1 involved in this whole operation of trying to get
2 things under control. But as the report said
3 by the Chairman in terms of our profile in terms
4 of poverty and joblessness and all of that, but
5 it still seems to me that if there's any possible
6 way we can do more in terms of letting people
7 know that this is not going to be tolerated and
8 if it does this is what's going to happen.

9 DEPUTY CHIEF BARREN: It's a great idea.
10 And what I'll do, Mr. Bettison is returning from
11 vacation in a days. He's in charge of community
12 outreach and media. We'll have that discussion
13 and see if we can push that broader message out
14 into the community.

15 COMMISSIONER BELL: Madame Chair, I do
16 have one more comment. Could you at some point
17 in time -- I know we do interrogation on these
18 young -- we had a great report from Cease Fire
19 identifying it's ongoing -- but I think we need
20 to know -- and it's great that Councilwoman Mary
21 Sheffield is doing these. We have them all the
22 time throughout the City, the prayer vigils and
23 all that.

24 But I don't know if we're getting to the
25 core of what we're trying to address with guns,

1 drugs and the family break down, the lack of
2 education. Could we see a profile perhaps of
3 these individuals? Who are we talking about?
4 Are they high school drop outs? Are they high
5 school grads? Are they from the eastside, west
6 side. Could we get at some point in time that we
7 get a profile identifying --

8 I know years ago teachers talked about
9 they could tell early on in terms of, even in
10 middle school, potential problems with young
11 people in terms of their behavior and their
12 attitude and lack of family support. I think
13 that would help us in trying to look at -- I know
14 we have social worker's, domestic violence, we're
15 doing everything possible, but I don't think it's
16 a police issue to some extent.

17 I think we have a side issue that we
18 really need to deal with but I think we need to
19 know. We profile them. I found in my background
20 in terms of narcotic cases a whole lot of them
21 was unchurched. They don't want to talk about
22 their father because they didn't know their
23 father. So that type of profile might help us
24 help other folks and help us also. Would that be
25 something we could possibly work up?

1 DEPUTY CHIEF BARREN: I'll definitely
2 look into that.

3 COMMISSIONER BROOKS: I think a lot of
4 it has to do with mental illness. And, until we
5 approach that and do something about that, along
6 with the guns, we're going to continue to have, I
7 think. So we need to get to the beginning of
8 that to do something about mental illness not
9 only in our city but in the State of Michigan.

10 DEPUTY CHIEF BARREN: Through the Chair,
11 great point. As you know, the Chief has been on
12 this campaign regarding awareness and having
13 these local politicians and State and Federal to
14 pay attention to that. In fact, I sat in on a
15 board meeting for the Chief and there were three
16 candidates for Governor who came to speak. And
17 one of questions that I asked was what is your
18 plan for sustained mental illness. And to be
19 fair to them I specified severe; schizophrenia,
20 bi-polar, severe, what is your plan?

21 And so a couple candidates gave some
22 decent -- still need to verify. I don't know if
23 they're trying to spin me, but they gave some
24 remarks what they would do, but that's something
25 we need to do is hold our politicians

1 accountable. When they say they're going to help
2 us out, what are you doing to get the funding? I
3 know it's not cheap. It's an expensive process.
4 When you say it in a meeting for your election,
5 so what are you doing to further that process; so
6 absolutely.

7 CHAIRPERSON CARTER: Any other
8 questions, comments, Commissioners?

9 COMMISSIONER BURCH: Just a comment,
10 Madame Chair, to Deputy Chief, regarding what
11 Commissioner Holly was speaking on of people
12 being aware of the crimes when they do them do
13 they know the punishment they receive? And I'm
14 speaking specifically of signs that say the speed
15 limit in this in this neighborhood. It might be
16 a sign that says no littering, right. But do the
17 actual person that does that know that litters or
18 noise abatement running up and down the street,
19 do they know the penalty?

20 Is there a way you can advertise what
21 you were saying before? Let them know it's a
22 thousand dollar fine. It's a five hundred -- but
23 the problem is we don't enforce it. You all have
24 signs all over the City of Detroit; don't do
25 this, don't do that, but who's actually enforcing

1 it? That's something you need to kind of check
2 out for us, please.

3 DEPUTY CHIEF BARREN: Yes, ma'am.

4 CHAIRPERSON CARTER: Anything else,
5 Commissioners?

6 (None responded.)

7 CHAIRPERSON CARTER: Thank you, sir. At
8 this time we'll have our presentation from
9 Dr. McAllister.

10 MS. MCALLISTER: Good afternoon, Board.
11 So this is our April report. Every month we talk
12 about who we are and what we do and why we do
13 what we do. This month we're going to talk about
14 the benefits. Civilian oversight can benefit not
15 only the individual complaining, but also the
16 larger community police departments; even elected
17 and appointed officials. The actual benefit that
18 occurs is how well we actually work together.

19 One, it creates a larger team concept,
20 provides a voice for citizens and allows the
21 Police Department to become proactive. So what
22 myself and Assistant Chief Williams has decided
23 to do is we meet every month and we go over not
24 only the good videos, but we go over the bad
25 ones. So we made a commitment to try to move

1 away from always talking about discipline and
2 moving into prevention. Because if we only focus
3 on discipline then we have a lot of very unhappy
4 citizens and that's what we really want to move
5 away from.

6 So we found several videos where we want
7 to use them as training videos where it displays
8 how important it is to wear their body cameras.
9 A police officer was accused of saying certain
10 things. We watched the video. It never
11 happened. So that's a plus plus for us. We take
12 that back. Police Department shows this to their
13 officers. This is how important these body
14 cameras can actually be.

15 So for April, April 2017 to April 2018,
16 we saw a 25 percent decrease in citizen
17 complaints, which is excellent. We're really
18 working toward prevention. Our motto for 2018 is
19 really about prevention. This is our standard
20 unit receiving citizen complaints. As always, we
21 receive the most. 2nd Precinct comes in second
22 and Internal Affairs. What we're working to do
23 is for next month is to show who actually had the
24 complaints. So here we're talking about who
25 actually received them for us to investigate.

1 Next month we're going to show you how many that
2 the 2nd Precinct actually received, how many the
3 3rd Precinct actually received so that we can
4 start monitoring if this relationship is actually
5 working.

6 So, for the closed citizen complaints
7 for demeanor, this month we had -- for April we
8 had 34, March we had 35, not a big drop. For
9 procedure, which is our top, top complaint, we
10 had 41 for April but for March we had 57. For
11 service we're actually up. For March we only had
12 18. This month we actually have 25. So we're
13 really working towards reducing all those
14 numbers.

15 This one stemmed from when Commissioner
16 Bell, we had discussions about profanity. So
17 we're going to start tracking data that actually
18 depicts our progress as far as are we doing what
19 we need to really be doing. So out of the nine
20 complaints, six were sustained and three were
21 not, four actually used profanity and then two
22 actually used the actual "F" word, which you were
23 concerned about. So moving forward, this will be
24 part of our presentation. We will track this
25 until you say different or until it kind of like

1 comes to zero.

2 For the body worn cameras, out of the 72
3 complaints 43 were actually captured involved
4 with the body cameras and 38 were actually
5 captured. Five were not captured and one was not
6 sustained. The not captured could be that maybe
7 they turned it off, maybe they weren't equipped
8 that day, and then we kind of like furthered the
9 investigation to determine what actually happened
10 with that.

11 For the in-car video, out of the 72, 8
12 actually involved in-cameras. We captured 7.
13 One incident was not captured and one was not
14 sustained. For the members that were identified
15 that were actually involved in complaints, out of
16 1,861 for our male members only 88 received
17 complaints. Out of our female 614 only 21
18 received complaints. For our white members 926
19 only 38 and for our black members 1,402 only 66
20 and for our others out of 147 only five. Out of
21 the whole Department members we actually had 109.

22 So this is the complaint relating to
23 seniority and rank. I kind of like really
24 enjoyed watching this, because when I first
25 started our members 10 to 19 years were extremely

1 high. We're up nine for this month. So trying
2 to figure out what we need to do there to reduce
3 those. For our police officers we're actually
4 down 8 so the 75 has come down to 8. Our two
5 year officers that normally receive complaints
6 we're actually down five. Not a big jump but we
7 are making some progress. And for our seniors 20
8 to 29 years we're actually down three.

9 And as always we talk about our goals.
10 So we're going to continue to increase the
11 public confidence; going to different community
12 groups and building a positive relationship with
13 DPD. I think it's important not just for the
14 Department to have a positive working
15 relationship, but like our Law Department, our
16 politicians, we all have to kind of come
17 together and work together. That's what makes it
18 successful.

19 To continue to review and monitor our
20 trends, the demeanor complaints that you started
21 addressing a couple months ago has really kind of
22 like focused in. A lot of the investigators, and
23 I have to give them a lot of credit, they do an
24 excellent job on these investigations and they're
25 also taking a personal issue to it in looking for

1 the things that you discussed. And if any Board
2 member, you read a complaint and you see that
3 there's a trend, you know, bring it to our
4 attention and we'll start monitoring that as
5 well.

6 Continue to monitor the demeanor
7 complaints but also follow up with the Citizen
8 Complaint Committee. I think we need to meet and
9 really talk about the complaints and what we're
10 actually seeing. And I gave you a break down so
11 we had 34 for April, 35 for March and 44 for
12 February. So we are seeing a decline but I think
13 we can do a little bit better. We're going to
14 continue to request that the Department and on
15 duty roll calls talk about service demeanor and
16 procedure because those are the top three.

17 And then me and Assistant Chief Williams
18 will continue to meet every month. And our main
19 focus, like I said earlier, to really stop
20 talking about discipline and move into
21 prevention. Because our focus needs to be on
22 providing excellent service for our citizens of
23 Detroit and continue to meet the graduating
24 classes and talk about excellence and things
25 which we are set for June 11th so mark your

1 calendar. So we will be there.

2 I actually found this photo on a
3 sergeant, he's on the Department, his social
4 media site, because this is what we talked about
5 to our Academy students about last time. Yes,
6 you have the authority to do a lot of things, but
7 your behavior gives you the respect. I think
8 we'll use this motto when we talk to the Academy
9 class because it does speak volumes for who you
10 are and what we represent. So are there any
11 questions?

12 CHAIRPERSON CARTER: Commissioners, any
13 questions?

14 COMMISSIONER BURCH: Yes, ma'am, Madame
15 Chair. Ms. McAllister, as we've been discussing,
16 and when my dear colleague right here and Ms. Eva
17 and Commissioner Bell, we went to one of the
18 Academy training. At that time we have discussed
19 as far as what you said it takes a team to better
20 any organization. I'm just asking you like the
21 most cases that police officers are called to by
22 the 9/1/1 usually is domestic violence.

23 MS. MCALLISTER: Right.

24 COMMISSIONER BURCH: Now, when we send
25 our officers into territory they may not be aware

1 of what they're entering into, is there a way
2 that when they get that call to go to a home
3 where there's domestic violence, is there a way
4 you would form a team, say, that's in social work
5 or mental health to see if this call to that home
6 has been more than once. Before those officers
7 go there could that team be on the sideline or
8 either speak to those officers to better address
9 them how they need to address that certain case?
10 Is there something like that already in place?

11 MS. MCALLISTER: It may be, and I think
12 Deputy Chief could probably address that better.

13 DEPUTY CHIEF BARREN: Our Communication
14 Section, there are certain locations that are
15 flagged. An incident may occur to -- and what
16 happens if we get a call to that particular
17 location communication will dispatch a minimum of
18 two units to respond for the safety of the
19 officers.

20 COMMISSIONER BURCH: You're just saying
21 you send other officers.

22 DEPUTY CHIEF BARREN: Yes. Additional
23 officers, but they are notified on the history of
24 the location. So additional officers will be
25 deployed for their safety.

1 COMMISSIONER BURCH: My question is do
2 you have a team that's been frequent to that
3 home, do you contact the Mental Department and
4 the Social Service to see how you can better
5 address it than just sending back-up of police.
6 You see what I'm saying?

7 DEPUTY CHIEF BARREN: Yes, through the
8 investigation and domestic violence our advocates
9 do have those relationships and make those
10 contacts for those purposes.

11 COMMISSIONER BURCH: I think
12 Investigator McAllister understands more of what
13 I'm saying.

14 MS. MCALLISTER: You're talking about a
15 follow-up at the scene?

16 COMMISSIONER BURCH: Yes.

17 MS. MCALLISTER: I think in a perfect
18 word if we had social workers that could ride
19 with the police officers and kind of like resolve
20 those issues there that would be wonderful. I
21 don't think that we really have that capacity but
22 I think that would be great.

23 REVEREND HOLLY: We don't have social
24 workers-

25 MS. MCALLISTER: To ride in the scout

1 cars, no.

2 REVEREND HOLLY: In the precincts-

3 CHAIRPERSON CARTER: So you finish yours
4 and then I will let-

5 REVEREND HOLLY: I apologize. I yield
6 to the lady commissioner.

7 COMMISSIONER BURCH: You were on the
8 right track. I'm not saying they're sitting
9 there in the precinct. I'm saying is there a
10 phone call. Just like you call 9/1/1, if this
11 has been a repeat of going to this home with
12 domestic violence, can that call go over to the
13 social services or mental health that they have a
14 record of this address. That's what I'm saying.

15 MS. MCALLISTER: I think he said that.
16 They all communicate. During the investigative
17 part they start notifying each other and try to
18 render the services to the people that need them.
19 But I think he spoke earlier about how, like
20 downtown, we don't know how to talk and we don't
21 know how to get along and that creates a lot of
22 our violent issues and takes up a lot of our
23 police officer response time.

24 As far as that, what I think he's
25 talking about the investigation. You are

1 speaking of when the officers make the scene when
2 they leave are they notifying the right police
3 officers to provide assistance so we won't have
4 to go back?

5 COMMISSIONER BURCH: Correct.

6 MS. MCALLISTER: Yes, he said they do
7 that.

8 DEPUTY CHIEF BARREN: Through the
9 investigative process and our advocates those
10 calls are made.

11 REVEREND HOLLY: Madame Chair, please
12 bear with me and be patient with me. I'm new.
13 Is the "N" word a curse word?

14 MS. MCALLISTER: Since I've been here I
15 have not heard the "N" word.

16 REVEREND HOLLY: I'm not asking you
17 that.

18 MS. MCALLISTER: It's part of the
19 demeanor complaint, yes.

20 REVEREND HOLLY: That's on all
21 officers?

22 MS. MCALLISTER: Yes.

23 REVEREND HOLLY: The other thing, I see
24 the investigators standing up. Are there any
25 vacancies that you have now?

1 MS. MCALLISTER: Yes, we have one.

2 REVEREND HOLLY: Based upon diversity,
3 you don't have to do it now, but maybe the next
4 time I see you, we see you, like how many are
5 Arab Americans, how many are Hispanic Americans.

6 MS. MCALLISTER: I can definitely give
7 you a break down.

8 REVEREND HOLLY: So that we can -- you
9 know, 50 years ago we were working hard for
10 African Americans just to be a part of this. I
11 think we have an obligation to work just as hard
12 to make sure other communities are part of this
13 now. I can tell by your demeanor that you're on
14 top of it so I will leave it alone.

15 MS. MCALLISTER: I'm trying. I will
16 definitely give you the stats as far as the
17 ethnic breakdown.

18 REVEREND HOLLY: So you do have and they
19 go on-line to apply for that?

20 MS. MCALLISTER: Actually, it just
21 closed. We're in the process of doing interviews
22 starting next week Holly. So when you close them
23 are you basically deny -- how do denial letters
24 go out?

25 MS. MCALLISTER: Well, HR does that.

1 REVEREND HOLLY: It's not you?

2 MS. MCALLISTER: No.

3 REVEREND HOLLY: I won't bother you with
4 that then. Be patient with me. I'm okay. Thank
5 you.

6 COMMISSIONER BELL: Madame Chair, I
7 really appreciate you addressing that. And Chief
8 Craig spoke to this issue three weeks ago and AC
9 Williams is going to follow up as far as
10 demeanor. My observations in the last four
11 years, the "N" word is not commonly used. It's
12 not commonly used. I can't recall -- you know,
13 that's something that's not the case in this day
14 and age that the "N" word is being utilized, so I
15 want to commend these officers and respond to
16 that. I know it's used in the street but often
17 not utilized.

18 REVEREND HOLLY: Is that for my purpose?

19 COMMISSIONER BELL: Yes.

20 REVEREND HOLLY: You're talking to her
21 but you're talking to me too?

22 COMMISSIONER BELL: Yes. I want to
23 clarify this because I know in four years reading
24 those cases it's not commonly used in this day
25 and age and we're glad about that. I ask the

1 question for DC Barren, do we still have
2 performance ratings? How do that qualify with
3 our citizen complaints? Can you give us some
4 background, because we end up promoting officers.
5 They get points for their service. Does that
6 factor into -- I probably know the answer, but I
7 just want to kind of get an idea especially as it
8 impacts patrol. I know they filter everything
9 because they're on patrol. I just want to say
10 that this report reflects that majority of
11 officers are doing an outstanding job. The
12 volume of interaction and what they have to deal
13 with, I'm pleased when we go into the Academy. I
14 know the average student police officer has two
15 or three years of college. That was not the
16 case. And diverse as possible in terms as the 61
17 officers that graduated just last week. And we
18 look at the Academy and identify themselves.

19 Those areas, how do we clash with
20 performance ratings, service ratings? Does it
21 have an impact that's another area we can take a
22 look at and say this guy is giving outstanding
23 service rating but he got a terrible interaction
24 with the public and how is that so.

25 DEPUTY CHIEF BARREN: Through the Chair,

1 as you know, service ratings are bi-annually and
2 the process should be, and like you said, take a
3 deeper dive, if the individual has sustained
4 misconduct that reflects on the service rating.
5 So the commanders, supervisor are tasked with the
6 responsibility of ensuring that they network and
7 balance that out but an officer has sustained
8 misconduct shouldn't see any areas of this
9 performance that it would be perfect service
10 rating to ensure that we're paying attention to
11 these reports and ensure they reflect on the
12 service ratings.

13 CHAIRPERSON CARTER: Any other
14 questions, comments, Commissioners?

15 (None responded.)

16 CHAIRPERSON CARTER: Thank you, ma'am.
17 At this time we'll have our budget report by CFO
18 Ms. Jones.

19 MS. JONES: Good afternoon. I am Lisa
20 Jones, Agency CFO for the Police Department, and
21 I am here to present on 3rd quarter budget
22 activity. I don't have a Power Point today
23 mainly because the third quarter is generally one
24 of our slowest quarters in terms of budget
25 activity. I know I did provide some reports and

1 there are some more detailed reports forthcoming
2 per your request. So in the 3rd quarter, which
3 is January 2018 to March 2018-

4 CHAIRPERSON CARTER: I'm sorry. You
5 said you provided some reports?

6 MS. JONES: I did provide some reports.
7 The budget reports for January, February, March.

8 MR. HICKS: Yes, Madame Chair. Excuse
9 me. Madame Chair, we were provided the other day
10 with three reports. These were the reports in
11 which I shared with you during the Chairman's
12 briefings yesterday which was the one-page report
13 that is executive level, and part of your
14 reaction to the report was to encourage us to go
15 back and ask for more detailed information, which
16 is what we did.

17 CHAIRPERSON CARTER: Okay. So the three
18 pages was the executive summary?

19 MS. JONES: Yes. Those are the reports
20 we go over monthly with the executives in the
21 Department, Chief, the Deputy CFO of Budget, and
22 those reports also go to the Mayor. But I will
23 provide the more detailed reports for you.

24 CHAIRPERSON CARTER: Thank you. So in
25 the 3rd quarter the FY 19 budget was approved by

1 City Council in the amount of 321 million. This
2 is inclusive of the BOPC's budget, so that is
3 effective July 1st that will begin spending. We
4 also completed the February revenue conference
5 with the clean up that we did. In preparing for
6 the FY 19 budget we cleaned up the Department's
7 revenues. They have not really been evaluated in
8 some time, so during the budget preparation
9 process last fall we took the time to kind of
10 clean up the revenues, look at what we actually
11 ran and we presented that at the February
12 revenue conference.

13 In addition to that, the overtime
14 declined month over month in the third quarter
15 with the defendant so it's steadily decreasing.
16 And, as far as the year end, which is where we
17 are now, DPD does not anticipate a surplus nor a
18 deficit to end the fiscal year as of the 3rd
19 quarter. We didn't have any grant activity
20 during that time. We didn't have any forfeiture
21 activity during that time and the capitol plans
22 continued with improvements to all the precincts
23 during the 3rd quarter.

24 Commissioner Carter mentioned earlier
25 discussing some of the challenges we have. We

1 have ongoing challenges with reporting in terms
2 of being able to pull accurate data that reflects
3 the actual activity that goes on in the
4 Department. So we're still kind of in a
5 situation where we're piece milling reports to
6 get that data. I do know there was a major
7 system issue that effected all of us and it
8 wasn't corrected until late April.

9 So we were effected by that in the third
10 quarter whereas our reports weren't reflecting
11 actual spending and they showed deficits that
12 weren't actual deficits. So, in addition to
13 that, we have procurement challenges that's been
14 a major challenge, I would say, for us. We don't
15 have payment challenges anymore but we do have
16 procurement challenges and I do know that the
17 Chief has been vocal about making sure that those
18 get resolved.

19 So I've been working with, you know,
20 other deputy CFOs and the office of the CFO to
21 make sure that we really can work on improving
22 our process because it has -- its affected our
23 spending, if you will. For the most part the
24 spending in the 3rd quarter was operational
25 spending as usual but again, we get towards year

1 end and the 4th quarter where we are now and we
2 have deadlines that we're up against and we're
3 taking a hard look at where we spent our money
4 and where we still have money left to spend.

5 But we do feel like because we are done
6 spending in FY 18 in terms of anything new so
7 we'll continue to pay our vendors until the end
8 of the fiscal year and we do feel like we've done
9 a great job at spending our budget pretty much in
10 its entirety. That's pretty much it, but I'm
11 happy to answer any questions that you all have.

12 CHAIRPERSON CARTER: Commissioners,
13 questions?

14 COMMISSIONER DAVIS: I think it would be
15 very, very helpful for us to have some physical
16 documentation on a regular basis that clearly
17 outlines what's going on and what's not going on.
18 I find it troubling that we do not have that and
19 we should have it. So, in terms of what's going
20 on and what's not going on, I can provide
21 reports. And I'm asking because I can pull a
22 report out of the system and I can give it to you
23 but you may not know what's going on and what's
24 not going on.

25 MS. JONES: If you would like for me to

1 dissect those reports and explain that these are
2 operational spending transactions, things that
3 we're budgeted for, I can do that but I'm not
4 clear as to what is missing outside of providing
5 you guys with the detailed reports.

6 COMMISSIONER DAVIS: Well, we're a month
7 away from the end of the 4th quarter so I would
8 think we should be able to have some more
9 detailed information to compare with what went on
10 in the 1st quarter, 2nd quarter and at 3rd
11 quarter since we're about to go into the new
12 fiscal year.

13 MS. JONES: Yes, sir. So in my last
14 presentation I did provide the information for
15 the first half of the year. I can work with
16 Ms. Johnson. I'm not sure, like I said, to kind
17 of get you all the information that you need. I
18 certainly want to be able to do that. If I can
19 assist her with also being able to share that
20 information with you as well.

21 COMMISSIONER DAVIS: It will be good to
22 have some more hard information and if we need
23 further clarifications we can always ask.

24 MR. HICKS: Thank you, Madame Chair.
25 Just to reiterate, our previous request -- and I

1 thought the agreement that we had is that the
2 executive summary, which was provided to us a
3 couple of days ago for three months, that we
4 would get that each month. That executive
5 summary is a very quick and dirty look at the
6 Department and that would be we would put that in
7 your package upon receiving that.

8 We hadn't received it for several months
9 therefore it has not been in there. It just got
10 received the other day. We then raised the
11 details of that at the Chairman's briefing, and
12 quite frankly, where we are at the close of the
13 3rd quarter, those executive summaries do not
14 give you adequate information in terms of what
15 was going on. We expressed that. The staff --
16 we expressed that to the Chair and the Chairman's
17 brief -- chairperson's briefing -- and the Chair
18 then encouraged us to go back and seek additional
19 information, so that's one way we were trying to
20 do that.

21 In the past, however, there was also
22 commitment that was made that a more detailed
23 report would be provided to you all in written
24 form each quarter. We did not receive the
25 detailed this quarter. I then responded to the

1 CFO with a note specifically identifying a
2 particular report and I don't remember the name
3 of the report, it's a financial analysis. It's
4 drawn by cost center and so on and so forth but
5 it's a very specific report that does exist and
6 we were asking for that report and our
7 expectation is that we receive that one on a
8 quarterly basis. That is the report that you can
9 take and you can look down the specific aligned
10 items in the Department and you can tell, for
11 example, that the Department is running high or
12 low on overtime. Whether or not the Department
13 is where we're running in terms of salaries,
14 where are we running on any number of things,
15 that make up the specifics of that line item.

16 That's the productive information in
17 which I think you need as an organization to see
18 where we are and then the real test to that is
19 actually how those figures look over time. You
20 can be in one month -- you can be really great
21 in one month and the next few months it may not
22 be as great. Or you can be great in one quarter
23 and then the next few quarters you may not be as
24 great.

25 So you're looking at information over

1 time, which is the more valuable way of doing
2 that. So again, we have made that request. I
3 also -- and this was included in the Chairman's
4 notes, the Commissioner Edgar Vann, when he sat
5 as a commissioner, one of the things in which he
6 continued to raise, because if you look at the
7 budget, one of the things that impacts that
8 budget is new revenues when they come in and that
9 tends to be things like grants. It also could be
10 other things, but most likely it's grants. So
11 when we get a grant in, we've indicated we wanted
12 to be notified of that grant so that we can make
13 the adjustment in terms of what our budget is.
14 If you're at 300 -- grant a million, for example,
15 and you get a grant in for 10 million then your
16 actual budget is 310. And you'd have to look at
17 it through that 310 viewpoint as opposed to the
18 300.

19 So Commissioner -- Former Commissioner
20 Vann continued to harp on that question. We have
21 not been receiving on a regular basis the
22 notifications relative to the grants. How do we
23 know we've not been receiving these things?
24 We've not been receiving them because we've also
25 monitored the calendar for the Detroit City

1 Council. So we see a number of these things
2 being taken to the Detroit City Council but not
3 coming to us.

4 And so if you look at a good amount of
5 the feedback that we've had with the Department
6 on a number of subjects in the last period has
7 been our monitoring the Detroit City Council
8 Agenda and seeing information that is police
9 related that is going to the Council, as it
10 should go, but not necessarily coming to us. So
11 that's a part of the kind of dilemma we're in.
12 And then the last thing that this came up before
13 but did not make a specific request but I do want
14 to suggest that we make this request is that we
15 start getting copies of the revenue conference
16 reports.

17 So that everyone knows what a revenue
18 conference report is, by charter, basically one
19 of the changes in the 2012 charter is that the
20 Government had to come in and they had to talk to
21 each other, different elements of the Government
22 and said this is the money we're getting in. And
23 before they would just say well it's coming in
24 and nobody would really check. Then at the end
25 of the fiscal year you find out the money never

1 really came in. You've got these deficits.

2 So now what they have to do is they have
3 a revenue conference and the beauty of the
4 revenue conference is that you will look at the
5 specific periods of time as to what that revenue
6 picture is so that you're not high on the
7 revenue projection all year. You're high on
8 revenue projection maybe for one quarter and then
9 you see that it's not coming in or whatever
10 adjustment, you can make an adjustment down or up
11 depending on -- so your revenues tend to then be
12 in line with your spending expectations. In
13 essence, revenue does a number of things, but in
14 essence, that's what the design is, is to compare
15 your revenues and your expenditures so that you
16 feel that you have enough to cover it as opposed
17 to just having a bloated budget and finding
18 yourself in trouble along the way.

19 So if we could receive copies of the
20 revenue conference report that would also help us
21 in terms of just generally monitoring the
22 financial health of the Department as well. So
23 again, I did want to take the -- I wanted to
24 summarize what we have already asked for and also
25 add the specific question of the revenue report

1 this time.

2 COMMISSIONER DAVIS: Do you have any
3 indication as to when you may possibly be able to
4 receive the requested information?

5 MR. HICKS: That's not a question that
6 necessarily should be directed to me. We can
7 assume that monthly reports are generated
8 monthly. Quarterly reports are generated every
9 three months because they're in a quarterly
10 basis. Revenue forecast probably is quarterly
11 although I'm not sure.

12 MS. JONES: It's twice a year.

13 MR. HICKS: So revenue reports are twice
14 a year.

15 MS. JONES: So three times a year. I'm
16 sorry. And the revenue conference information is
17 public information. I can forward you the report
18 but it's public information that you can access
19 at any time. You can also attend the revenue
20 conference when it happens. We're in the process
21 of May right now, so I can let you know when that
22 comes and you're welcome to attend.

23 MR. HICKS: We'd appreciate that.

24 MS. JONES: In response to the grants,
25 so yes you've seen grants on Council's Agenda in

1 the 4th quarter. My question is do you want to
2 receive the grant information in real time versus
3 me waiting to do the quarter presentation because
4 we didn't apply for any grants in the 3rd
5 quarter. We've been applying for them in the
6 4th quarter. So if you want to receive them in
7 real time are executive managers Charice Ferris
8 (ph) is here and I can make sure she sends that
9 information real time. I think that's just a
10 miscommunication on when you want to receive the
11 updates there. In terms of the-

12 MR. HICKS: Just for clarification,
13 because I don't want to walk away from that
14 without clarification. Real time is best for us,

15 CHAIRPERSON CARTER: Okay. Okay. In
16 terms of a cumulative report, there is not a
17 report in the system that will give you a
18 cumulative look at the finances. If you, for
19 example, if you would like to know what the
20 finances look like for the 1st, 2nd and 3rd
21 quarters, what it is is it's a report for March
22 and it will tell you, you know, where we are as
23 of March. But it's not going to say, you know,
24 July, August, September, October, November. So
25 it doesn't show you the data in that way.

1 So the detailed reports we're pulling
2 for you now per your request the reason why it's
3 taking so long is because we have to pull them
4 for January, February, March and it's several
5 hundred pages for you to review because you
6 wanted it by cost center. Quite frankly, my
7 understanding was that Ms. Johnson could pull
8 this information for you whenever you needed it,
9 which is why we requested access for her to have
10 in the system so I can give you -- I have to give
11 you the report by month so that you can actually
12 see where we were at that point at January, at
13 February, at March.

14 In terms of the detailed information I
15 know you use the overtime as an example; that's a
16 great example. We're still working with the
17 Office of Budget to clean up the cost centers
18 so when you request information by cost center
19 probably not the most accurate way to see kind of
20 where the defendant stands on their spending,
21 which is why many of us use the overall reports
22 because the cost center information could throw
23 things off and you may see trends that may be
24 impacted because expenses hit improper commodity
25 codes or there are personnel sitting in the wrong

1 call centers.

2 So I'm happy to provide that
3 information. I just get concerned that it could
4 be misleading for that reason. So when you look
5 at things by call center you'll get that level of
6 detail. You'll be able to identify the overtime
7 but there are other line items that may be a
8 little bit more difficult for you to identify
9 what department is spending there. So the object
10 code name may be something that's a little bit
11 more ambiguous. So if you're looking for
12 something more detailed than that then it would
13 require me to kind of add some verbiage to
14 explain. So I think that's, again, helpful for
15 me to know if that's exactly what you're looking
16 for.

17 CHAIRPERSON CARTER: So I think that you
18 all should meet and find out exactly what
19 information you can provide. And it needs to be
20 in a way that's digestible for all the
21 commissioners.

22 MR. HICKS: Madame Chair, if I could
23 suggest; we know that the system generates
24 certain reports. If we could, first of all, get
25 a list of the reports in a sense of the details

1 of the reports, then we could pick from the
2 reports that are currently generated. And then I
3 think if a report is generated and it's one that
4 we picked from and it requires some additional
5 explanation then I would think since it's a
6 written report then all the Department would have
7 to do is make the notation on the report advising
8 us of the inaccuracy or whatever of the report
9 and so forth. Then if we don't understand that
10 we of course have the capability of calling the
11 CFO in to give the explanation. So I guess what
12 I'm arguing for is it's difficult to understand
13 the array of reports without having the written
14 information.

15 If we're continuing to have issues of
16 accuracy in the reporting system this is an issue
17 that we have been discussing and debating for
18 better than a couple years now and at some point
19 even if someone were to tell us of what the
20 progress has been made in cleaning up things in
21 the system, you know, because we can't believe
22 that the same error rates and the same issues
23 with one cost center reporting to the wrong place
24 it's always the same every time, you know.

25 Something has to change on that so it

1 would be, I think, important in relying the
2 concerns of this Board if we had a better
3 understanding of what was going on. And the last
4 point I want to make is that after we get a
5 description of the reports what we can do -- and
6 one of the things I would work with the Board
7 members to do is actually for us to design a
8 report for the Board itself that captures the
9 Board's concerns. You know, because the system
10 has essentially what they generally refer to as a
11 report writer and the report writer you tell the
12 system what you want to pull out of it. So we
13 can design a specific report to meet the needs
14 and the concerns of this Board.

15 So I would suggest that kind of
16 interactive process where you kind of describe to
17 us what reports are in the system. We take a
18 look at them and then we feed back either in the
19 sense of this is the kind of report that we want
20 or that we generate a specific type of report
21 specifically for the Board. That seems to be a
22 reasonable middle ground to, I think, get the
23 information. And then there's always whenever
24 there's a disparity or an accuracy on the report
25 the Department can simply indicate to us that

1 this figure is inaccurate and give us the reason
2 why. Because we're not only concerned that it is
3 inaccurate; we're also concerned about why it is
4 inaccurate.

5 MS. JONES: And, in response, I would
6 say I can provide that. It becomes extremely
7 time consuming if I have to do it by call center
8 because we have so many call centers and you will
9 see the deficiencies by call center versus if
10 it's multiple call centers and it's the same line
11 item. So, for example, I use professional --
12 personal and professional contracts, right.
13 There is money in multiple call centers for that
14 same purpose.

15 So if I'm just explaining why the
16 personal and professional contract line may have
17 a deficit versus if I go through by call center
18 and say well this particular case -- I'm just
19 saying it becomes very time consuming to do it by
20 call center.

21 MS. JOHNSON: Through the Chair, I am
22 the financial person for the Board.

23 CHAIRPERSON CARTER: What's your name?

24 MS. JOHNSON: Faye Johnson, Executive
25 Manager, Fiscal for the Board Police

1 Commissioners. Part of the problem I do have
2 access; it's very limited, though. I don't get
3 access to all the reports that Ms. Jones does.
4 When I do need some information I have to call
5 downstairs and request the information on how to
6 get to the report. Because recently they just
7 changed it over again. Nobody told me. So now
8 you have to go in a different way and try to
9 search and find whatever you need. Its just been
10 difficult. The report by cost center that Ms.
11 Jones is speaking of, for me it would be much
12 more beneficial than giving me an executive
13 summary. Because for me I can look beyond the
14 summary and find out additional information
15 that's needed, but with limited access to the
16 reports its not always possible.

17 So, there's a number of issues in
18 regards to the reports that are in the system,
19 the information that's provided by finance. It's
20 going to take a while for all of us to come to
21 some type of agreement in regards to that at this
22 point, I believe.

23 CHAIRPERSON CARTER: Thank you, Ms.
24 Johnson. So are you requesting or do you need
25 read only access to other areas? Is that what

1 you're saying?

2 MS. JOHNSON: I need read only access to
3 anything I typically would look at as an
4 accountant. For instance, like the general
5 ledger I don't have access. They won't give me
6 access to the general ledger. That would show me
7 all the details for any particular line item.
8 Why I don't know, because it's only read only.
9 It's not like I'm going in there changing any
10 information. So I don't know why it's like that,
11 but that's one example of the rapport that I hope
12 to look at on a monthly basis but are unable to
13 until I request it from Finance and who knows how
14 many more reports I don't have access to.

15 COMMISSIONER BELL: Madame Chair, I feel
16 like Commissioner Holly, that I just got here,
17 and I would hope this would be the last public
18 discussion on these matters. This issue has to
19 be resolved; not at a 30 minute dialogue going
20 back and forth. We have to resolve this issue.
21 It's not fair to the audience. It's not fair
22 to the Board. It's not a healthy situation. So
23 let us try to resolve. If we have to put
24 something in writing and try to mediate; whatever
25 we need to do. I would hope, Ms. Jones, that we

1 can resolve these issues where we do not have
2 this type of discussion.

3 MS. JONES: Agreed, sir.

4 COMMISSIONER BELL: I would hope we do
5 not have another Agenda item until we resolve it.
6 Either behind closed doors, the people who have
7 the knowledge, but whoever we need to do, we need
8 to resolve it. In terms of what we can't
9 resolve, fine, but we need to agree on something
10 on how to approach it.

11 Commissioner Davis raised a valid
12 question. It's difficult to come before the
13 Board with no documentation. You might as well
14 not come in a way. I respect you. We just need
15 to resolve this issue where we don't have this
16 discussion. We have had them before and we're
17 not moving the can at all. I think we can do
18 better and I would encourage us to try to resolve
19 it, Madame Chair. You echo the same concerns.

20 CHAIRPERSON CARTER: Right.

21 COMMISSIONER BELL: We all do. We can
22 get together to resolve it; whether it take 30
23 days, 45 days, two months or the whole year.
24 Let's not have this type of discussion.

25 CHAIRPERSON CARTER: Thank you. We look

1 forward to setting up a meeting with you, Ms.
2 Jones.

3 MS. JONES: Yes, ma'am.

4 CHAIRPERSON CARTER: And if our budget
5 committee needs to be a part of it.

6 MR. HICKS: Sure.

7 CHAIRPERSON CARTER: Thank you.

8 COMMISSIONER BURCH: Madame Chair, if I
9 may speak. I just want to say to the audience,
10 I'm not going to say like -- well, I'm going to
11 just get to the point. Outside is a poster that
12 shares really what I've been involved with this
13 commission since January. There are a lot of
14 things that I'm not understanding but that will
15 come. One issue I have is why there's no
16 representation.

17 Sometimes the questions that come up at
18 this meeting, there's no representation from the
19 Mayor's office. There's no representation from
20 City Council except for Mr. McAllister that comes
21 quite often. I wonder if there's a way that this
22 Board can request someone from the Mayor's
23 office, when we have all these questions that
24 involves his office, can they attend these
25 meetings. I asked the chief, Deputy Chief over

1 here, that Chief Craig, is he the Deputy Mayor of
2 the City of Detroit?

3 I just want to know this because I'm
4 wondering. I never heard of it since I've been
5 around that it should be a person separate
6 because the Chief already has his hands full.
7 And I'm coming to the point of the recent
8 graduation that I was very proud of to share
9 with some of my fellow commissioners to see two
10 classes graduate. My question publically is to
11 ask why Mayor Duggan was not there. So I feel
12 like with all goes on with our Police Department
13 that he speaks about how we support them, how he
14 supports them, so how could you miss such a
15 dramatic occasion ceremony like those young men
16 and women getting ready to go on the streets of
17 Detroit to save our lives.

18 So I just want to know where that
19 support is. And I'm asking you to go back,
20 please, sir, to ask the mayor or Chief Craig why
21 wasn't he there. I'd just like to know why.
22 That's my personal feeling. How can you miss an
23 occasion like that? And, again, the request is
24 someone comes from the Mayor's Office to attend
25 our meetings. Someone besides Mr. Slaughter

1 from the Council to address some of these issues
2 that you all seem to not resolve as a Board.

3 So I believe in working together. You
4 can't work in closed doors and nobody knows
5 what's going on like this lady here, the
6 accountant. I would like to just put that on
7 the record; invite these people to the meetings.
8 Thank you.

9 CHAIRPERSON CARTER: Thank you,
10 Commissioner Burch.

11 COMMISSIONER BELL: Madame Chair, I
12 just think we have to be aware. Ms. Burch, I
13 take this very seriously what you said, but
14 basically the Mayor is very supportive of the
15 Detroit Police Department. And other Council
16 people have attended over the years; from the
17 Council President and staff and other council
18 members that we can name, and we don't really
19 monitor that. But I don't know the Mayor's
20 schedule, but I know he's very supportive of DPD.

21 And other Council people have attended
22 our ceremonies over the years of the four years
23 that I've been here and this is the fifth year.
24 Perhaps others can attest to that but your
25 concern is valid but I think we must also put on

1 the record that the Mayor is very supportive of
2 DPD, very supportive of the Board. We have a
3 working relationship. We meet quite often and
4 DPD perhaps you just witnessed a short period of
5 time. But the Mayor has come to some of the
6 ceremonies, graduations, and others have come
7 too. And I appreciate as you named the Council
8 has attended a couple meetings since you've been
9 elected but others have attended our graduation,
10 other ceremonies and activities that DPD.

11 COMMISSIONER BURCH: Commissioner Bell,
12 I'm going to address you as Commissioner Bell and
13 I'm Commissioner Burch. You don't supposed to
14 call me Shirley Burch or Mrs. Burch.

15 CHAIRPERSON CARTER: Commissioner Burch,
16 we're going to move on with the Agenda.

17 COMMISSIONER BURCH: Well, can I just
18 say-

19 CHAIRPERSON CARTER: Nope. We're going
20 to move on with the Agenda. At this time,
21 Commissioners, do you have any standing committee
22 reports or any ad hoc committee reports?

23 COMMISSIONER BROOKS: I don't have a
24 report, but again, I want to thank our attorney.
25 I have a package here to give to the recruiting;

1 there are ten. He e-mails me a lot with possible
2 places where we can recruit. So thank you again
3 and again. We really appreciate it.

4 And I'm also very excited -- this is not
5 a report. This is just an acknowledgement. And
6 I'm very excited about the recruiting table at
7 the Grand Prix. So let's hope we get what the
8 Mayor wants us to get back to 40 a month without
9 having two classes together. So I just want to
10 say I'm happy about the recruiting staff who's
11 going to be at the Grand Prix with the recruiting
12 able.

13 CHAIRPERSON CARTER: Thank you,
14 Commissioner Brooks. Any other reports,
15 Commissioners?

16 (None responded.)

17 CHAIRPERSON CARTER: At this time we'll
18 have our report from our Board Secretary, Mr.
19 Hicks.

20 MR. HICKS: Thank you, Madame Chair. I
21 did want to indicate that since the last meeting
22 you received two requests from the Chief of
23 Police of suspensions without pay. One involved
24 Lieutenant Leach (ph). The other is Detective
25 Pearson and that we have sent out the

1 communications to the lieutenants and sergeant
2 association notifying them that we received the
3 suspensions without pay.

4 We've also notified the Department that
5 we are scheduling a closed session for June, I
6 believe it's June 7th for that suspension without
7 pay, which we will take both of those up at the
8 same time. The other item in which I want to
9 call your attention is that we put in the package
10 just so you'd have more information on the work
11 that council member Mary Sheffield is doing.
12 It's a copy of that in your packet and then
13 finally there was a press release. I should have
14 mentioned this a little earlier, but there's a
15 press release from the Wayne County Prosecutor's
16 Office in connection with Lieutenant Leach and
17 Detective Pearson (ph).

18 Having said those two things and with
19 the remarks I made earlier, unless you have a
20 specific set of questions for me, that's all that
21 I intend on sharing with you this evening and I'm
22 hoping to entertain any questions.

23 CHAIRPERSON CARTER: Commissioners, do
24 you have any questions for Mr. Hicks?

25 (None responded.)

1 CHAIRPERSON CARTER: Thank you,
2 Mr. Hicks. At this time, Commissioners, any old
3 business?

4 (None responded.)

5 CHAIRPERSON CARTER: New business?

6 (None responded.)

7 CHAIRPERSON CARTER: Announcements. Our
8 next meeting will be Thursday, June 7, 2018 at 3
9 p.m. here at the Detroit Public Safety
10 Headquarters located at 1301-3rd Street. Our
11 next community meeting will be Thursday, June 14,
12 6:30 p.m. at the 2nd Precinct at the Adams Butzel
13 Recreation Center located at 10500 Lyndon.
14 That's 10500 Lyndon. At this time we'll have
15 oral communications from the audience. Please
16 give your name and limit your comments to two
17 minutes, please.

18 MR. BROWN: Madame Chair, currently we
19 have three cards. The first speaker will be
20 Ms. Faith followed by Ms. Sandra Howard.

21 CHAIRPERSON CARTER: Who is the third
22 person?

23 MR. BROWN: Mr. Eric Blount.

24 MS. FAITH: My name is Ms. Faye. I've
25 been coming to the meetings for almost two years,

1 about a year and a half now. As I say, I've been
2 noticing a lot of good work that has been done in
3 the Department and by the commissioners, the
4 officers, the investigators, the secretaries and
5 it never ceases to amaze me how you all are able
6 to do that consistently and diligently every time
7 I come. I see your faults and I see your face.
8 I know you're human. I also see the astounding
9 work you do and that's what I want to concentrate
10 on every time you do speak.

11 I can talk about the bad part or the
12 faults, but we want to hear some good news too
13 about what's going on in the Department and the
14 headquarters. There's a lot of good things. I
15 say to some people I have a walker and I have a
16 cane. If you want more energy to be able to do
17 what you do take your -- I take my eyes off the
18 walker and the cane and then I have more energy
19 to do what I need to do. It creates a better
20 atmosphere, more strength and more vigor and
21 vitality, quality of life and that's what I see
22 being done here.

23 Everybody has a job to do and they do it
24 very well. And that's all I have to say that you
25 do your job very well. You interaction with one

1 another to get the job done. Everybody has their
2 differences. Everybody is going to have their
3 differences but they're going to work and they're
4 going to do a good job. Good job. Well done.
5 Keep up the good work. Everyone up here I
6 appreciate you so very much.

7 MR. BROWN: Ms. Howard.

8 MS. HOWARD: I hope you haven't already
9 started counting my two minutes. I'm Sandra
10 Howard. I'm a life-long member of Detroit. I
11 love my city and I live in the neighborhood and
12 my issue today is the traffic. As a senior I
13 guess I'm maybe too slow. People are whizzing
14 past me and it's frightening. So traffic on the
15 Lodge is like 55 minutes per hour. People are
16 zooming by at 80.

17 I would like to see more police traffic
18 officers out here. And I'm really afraid. My
19 security is very important of course and I am
20 afraid. Now, I live on Coyle right there at
21 Puritan and my whole street, my whole street is,
22 just traffic up and down, speeding. I think it's
23 a nuisance because we have children. We have
24 animals and I would like to see maybe the speed
25 bumps put in higher if possible. I know they do

1 that in parts of Chicago. On the corner there is
2 a store. We need either a light, a stop light or
3 a sign.

4 So these are things that I would like to
5 see because quality of life is very important.
6 So did I stay within the two minutes? I really
7 hope that somebody could address this.

8 CHAIRPERSON CARTER: Deputy Chief Barren
9 is going to address that, ma'am, and thank you
10 for coming down.

11 DEPUTY CHIEF BARREN: Ma'am, through the
12 Chair, we're going to have Sergeant Jackson, he's
13 going to come up. He's going to get all your
14 information. We're going to put some structure
15 to your concerns and he will detail memorandum to
16 the commander at your precinct and we will
17 contact you and work on those issues. But
18 Sergeant Jackson will take your complaints and
19 get back to you.

20 MR. BROWN: Mr. Blount.

21 DEPUTY CHIEF BARREN: Because I don't
22 see you have the specific language that the
23 commander or captain is to contact her directly
24 and from there can funnel it to the traffic
25 officers. I want the captain to have a specific

1 conversation with her.

2 MR. BLOUNT: Good afternoon, Board. For
3 the record, my name is Eric Blount. I'm a life
4 long Detroiter. I have three issues and I will
5 save the most concerning to last. The first
6 issue is really this oracle software. It's just
7 bizarre not being able to report things on a
8 cumulative basis and all the other issues that
9 are brought up. I'll leave that to someone else.

10 The second issue I have is with the
11 OCI Report. There was some incidences that were
12 -- five of them to be exact, that were not
13 captured by the body worn camera. I'd like an
14 update on when it's permissible to turn off a
15 camera. We've seen incidences nationwide where
16 it's been convenient for those who do not want
17 to be exposed to turn off their cameras.

18 Third and more importantly is how does
19 the Detroit Police Department do this dance with
20 the State Troopers? I say that on a policing
21 point, because one of the very concerning issues
22 that happened over the holidays was that the
23 State Troopers shut down Belle Isle when they
24 thought the number was too high. They didn't
25 have an exact number but they said it was too

1 many people on Belle Isle and therefore they shut
2 it down.

3 Many people said hey wait a minute.
4 There's going to be close to a million people on
5 the island for the Grand Prix, but yet tax
6 paying, long tax paying residents, have been
7 denied access to Belle Isle. So can you please
8 give some clarification on how Detroit residents
9 in particular can maneuver our way around, if you
10 will, how we can enjoy a park that we've paid for
11 for many decades.

12 CHAIRPERSON CARTER: It is a State park
13 now so we -- Detroit doesn't have any control
14 over what the State does. You can voice your
15 complaints to the State but we have no control
16 over what they do. Deputy Chief Barren, is
17 there anything you want to add?

18 DEPUTY CHIEF BARREN: Through the Chair,
19 you spelled it out.

20 REVEREND HOLLY: We used to close it
21 down when he was in high school. We used to
22 close it down. If it's just too many people it's
23 not unusual, but I think you're right. You have
24 to go through the State to complain. We used to
25 do it. The City used to do it all the time.

1 DEPUTY CHIEF BARREN: Through the Chair,
2 again, the State has that oversight since the
3 restructuring of the park, but there was a case
4 even when we managed it that we shut it down when
5 it was at capacity, too many people on the
6 island. We did do that for a number of years.
7 It wasn't something we did regularly, but it came
8 a time where we had this -- these long back-ups
9 to extend all the way to the bridge where the
10 lines would to get on and we have to shut it down
11 for safety purposes.

12 MR. BLOUNT: Thank you.

13 MR. BROWN: Madame Chair, that was your
14 last speaker.

15 COMMISSIONER BELL: Madame Chair, if
16 there's no other business I move for adjournment.

17 COMMISSIONER DAVIS: Second.

18 CHAIRPERSON CARTER: Its been moved and
19 supported that we adjourn. Those in favor?

20 (Several Commissioners voted in the
21 affirmative.)

22 CHAIRPERSON CARTER: The meeting is
23 adjourned. Thank you all for coming.

25 p.m.)
