RE: Hart Plaza National Register Nomination Grant

Colleagues,

The City of Detroit, Historic Designation Advisory Board (HDAB) received a grant from the National Park Service, Historic Preservation Fund, through the Michigan State Historic Preservation Office, to identify historic features of Hart Plaza in the Detroit Civic Center. Our consultant, Quinn Evans Architects, has surveyed all of the resources on the plaza, including buildings, structures, objects, and intentional landscapes, and has completed the Hart Plaza National Register nomination. The project is now in its final phase, which consists of gathering input, from the public and interested parties, at the local and state level before submission to the National Park Service for official listing on the National Register of Historic Places.

You are receiving this notification because of your interest in Hart Plaza and this project. We encourage comments directed to both the Historic Designation Advisory Board and the State Historic Preservation Office by September 13, 2018 for the public record.

The Hart Plaza National Register Nomination form can be accessed at [www.detroitmi.gov/Government//Boards/Historic-Designation-Advisory-Board-Information](http://www.detroitmi.gov/Government//Boards/Historic-Designation-Advisory-Board-Information) beginning on August 10, 2018.
