13	ATTORNEY BERNARD: Madam Chairwoman, you

15	CHAIRPERSON CARTER: Thank you, Attorney	
16	Bernard.	
17	At this time, I'd like to introduce the	
18	Chief of Police, Chief James Craig.	
19	Thank you for joining us, sir.	
20	CHIEF CRAIG: Thank you. Appreciate it.	
21	CHAIRPERSON CARTER: At this time, Ms.	
22	Bernard, would you please introduce the rest of the	
23	staff.	
24	ATTORNEY BERNARD: Yes, Madam Chairperson	1.
25	Ms. Gail Oxendine is present, the directo	r

	Page 6
1	of police personnel. Ms. Pamela Davis-Drake, the
2	chief investigator, sits to my right. Robert Brown,
3	the administrative assistant to the board. And our
4	recorders for today are Sergeant Alan Quinn and Sheila
5	Rice from the Hanson Court Reporting Services.
6	Also, Madam Chairperson, Delvita Moses (ph)
7	is a senior investigator in the Office of the Chief
8	Investigator. She is present as well.
9	And that completes our introductions.
10	CHAIRPERSON CARTER: Thank you, ma'am.
11	At this time, Chief, you have quite a few
12	people here. Would you like to do introductions of
13	your staff?
14	CHIEF CRAIG: I'm excited to make
15	introductions today. This is a special day, but I
16	certainly want to start with a little bit of a
17	background.
18	As you might recall, several weeks ago
19	during our budget preparation we talked about a
20	restructure of our police agency. A lot of things
21	drove that. Certainly first and foremost our effort
22	to continue to work closely with our neighborhoods is
23	critical. The fact that we just completed a 13-year
24	consent judgment, critical in sustaining that in post

consent judgment. And so a decision was made that we

	Page 7
1	would create what we call the ideal neighborhood
2	precinct.
3	CHAIRPERSON CARTER: So you're going to
4	give us that presentation when you do your report?
5	CHIEF CRAIG: Exactly.
6	CHAIRPERSON CARTER: So is there anybody
7	that you would like to introduce right now?
8	CHIEF CRAIG: If I do it, it would be prior
9	to my report. So if we skip the introductions until
10	we get to
11	CHAIRPERSON CARTER: Okay. Thank you,
12	Chief.
13	CHIEF CRAIG: Okay.
14	CHAIRPERSON CARTER: At this time,
15	commissioners, you have before you the agenda for
16	Thursday, April 7th. Is there a motion for approval?
17	COMMISSIONER MALLETT: So moved.
18	COMMISSIONER SANDERS: Support.
19	CHAIRPERSON CARTER: It's been moved and
20	supported that we approve the agenda.
21	Is there any discussion?
22	Those in favor?
23	COMMISSIONERS: Aye.
24	CHAIRPERSON CARTER: Those opposed?
25	The motion carries.

1	At this time, commissioners, you have
2	before you the minutes from Thursday, March 31st,
3	2016. Is there a motion to approve the minutes?
4	VICE CHAIRPERSON BELL: So moved, Madam
5	Chair.
6	COMMISSIONER CRAWFORD: Second.
7	CHAIRPERSON CARTER: It's been moved and
8	supported that we approve the minutes from Thursday,
9	March 31st, 2016.
10	Is there any discussion?
11	Those in favor?
12	COMMISSIONERS: Aye.
13	CHAIRPERSON CARTER: Those opposed?
14	Motion carries.
15	At this time, for the Chairperson's report
16	the only thing that I have to report this week is that
17	we did receive notification that final notification
18	of the end of this consent decree that, Chief, you
19	were just speaking about, and we're ecstatic that it's
20	finally over after 13 years.
21	This week I today I actually had a
22	meeting with Human Resources director, Director
23	Oxendine, regarding some things that we are going to
24	be doing going forward as far as the hiring process.
25	And that was very I think we all need a class on it

	Page 9
1	to be quite honest with you, because they're a lot of
2	steps that have to happen before someone is hired into
3	the department or to the Board of Police
4	Commissioners. So that was very we gained a lot of
5	information with that.
6	And with that, that's all that I have to
7	report for this week. At this time we're going to
8	have the report from Director Oxendine from the Human
9	Resources Department.
10	MS. OXENDINE: Thank you, Madam Chair.
11	Gail Oxendine for the record, director of police
12	personnel.
13	Reporting on the period of March 2016, our
14	current department staffing we have 2,256 positions
15	filled, which includes 46 police assistants, 343 base
16	civilians and 204 restructuring. You see our vacancy
17	rate here and adding up to our total positions.
18	Sworn recruiting. Since July 1st, 2015,
19	2,842 applicants have made application, initial
20	application. We have 475, which we're awaiting MCOLES
21	scores, 75 are in process, 1,249 lack interest, 428
22	were temporarily disqualified, 486 were permanently
23	disqualified, and we have hired 126 during the course
24	of this fiscal year. We hired an additional 31
25	effective March 28th.

1	With respect to our MCOLES testing process,
2	the written examinations have been delayed until
3	further notice. We're still working out some of our
4	financial kinks with that. The physical agility exam,
5	however, continues. During the month of March we had
6	63 scheduled, 49 appeared, 28 passed and 41 failed.
7	New hires for the month of March.
8	Thirty-one sworn, four civilians, three police
9	assistants, 18 restructuring for a total of 56 new
10	hires. Of those new hires, 10 of the civilian hires
11	are Detroit residents, five of the sworn hires are
12	Detroit residents.
13	With respect to the student internship
14	program, the winter 2016 internship program where 16
15	students completed the internship, it ended just
16	yesterday. Two of the students from this rotation are
17	currently in a recruiting process. The remaining 14
18	all have indicated continued interest. Some have
19	indicated they want to complete their education, some
20	are considering some of our civilian positions, and
21	some are just giving it a little further thought, but
22	they're all still very interested in becoming a part
23	of DPD.
24	Interviews for the summer 2016 program will
25	be conducted later in the month of April.

Page 11 1 With respect to attrition, 22 sworn 2 officers, eight civilians, zero police assistants and 3 five restructuring civilians we lost last month for a 4 total of 35. 5 With respect to our leave and restricted duty categories, you can see the numbers for both 6 sworn and civilian. 7 8 And last, with respect to special projects, 9 we have two that are currently in the hopper. 10 Restricted duty process, interactive process continues. We're just about complete with that. 11 12 have maybe about another 10 officers to speak with. 13 During the process we have had 17 officers that were 14 on long-term restricted duty, which is six months or 15 longer, that returned back to full duty and were 16 redeployed to police operations. 17 The FMLA audit is going pretty well. done audit of 10. The rest of the commands will be 18 19 completed this month with a final report. Our 20 preliminary findings show that there's general 21 compliance with the policy and the law. However, some 2.2 commands do need additional training and better 23 recordkeeping, and we're working with them to ensure

And with that, that completes my report.

that they are more in compliance.

24

1	If you have any questions
2	CHAIRPERSON CARTER: Commissioners, do you
3	have any questions for Director Oxendine?
4	Commissioner Mallett?
5	COMMISSIONER MALLETT: Madam Chair, thank
6	you very much.
7	I'm wondering when you talk about attrition
8	let me just give you what's going on. At the
9	Detroit Medical Center I don't want to give the
10	exact numbers, because it may affect some of the
11	financial reporting, which is not supposed to be
12	disclosed. But let me just say that we work really,
13	really hard on recruiting nurses. And we reached a
14	point last year where literally we were bringing in
15	let's say 30 or 40 a month, and 30 or 40 a month were
16	leaving. We could not get ahead of the curve.
17	MS. OXENDINE: Yes.
18	COMMISSIONER MALLETT: And, you know, it's
19	a very troubling thing, because Sinai-Grace, Detroit
20	Receiving, when you work in those emergency
21	departments you are qualified to work anywhere in the
22	world. And we have not yet taken the step of having
23	anyone sign a contract saying that they will stay two
24	years or anything like that. At the same time,
25	though, we are really, really focused, this year

1	particularly, on retention.
2	So I just wonder how are you managing that?
3	What are we doing and on a monthly basis I see the
4	percentages, but I can't obviously true-up the
5	numbers. I just wonder is the retention as much of an
6	issue as recruitment?
7	MS. OXENDINE: Yes, retention is definitely
8	an issue, a much bigger issue. And what we're seeing
9	is more of an uptick with losing officers to other
10	agencies. And many of them upon their exit interview
11	indicate that they are leaving for better pay and
12	better benefits.
13	So we've been in constant discussions with
1.4	the Mayor about that information and that data, and
15	there has been some recent discussion with him about
16	maybe some additional types of incentives that he
17	could provide that would specifically speak to
18	retention. So we're working with the Mayor's office
19	to try to address some of that.
20	COMMISSIONER MALLETT: Madam Chair, I just
21	wonder if and through you to the Chief with all

22

23

24

Page 14

1	who works with me at the Detroit Medical Center, if we
2	got these human resources experts in the room I think
3	that an exchange of information and experience
4	actually might be helpful. Because what Gail is
5	dealing with is the same thing that Dee Hunt is
6	dealing with. And I don't know, but it might be
7	possible to align the incentives that we're going to
8	provide that perhaps they could interlock or support
9	each other in a way that we're not doing now, because
10	this is a very serious issue for us.

2.2

I mean, if you think about like one of my hospitals I've got the same 26 vacancies that I've had for the last year, but I've hired over a hundred people. And it's just something to behold. And we can't seem to get ahead.

And then conversely, Chief, when you -- and to my fellow commissioners, when you listen to the nurses on the employee surveys what's their highest point of dissatisfaction, staffing. There's never enough people. But this is not Oxendine's place or mine a circumstance where she doesn't have the budgeted positions. We just can't seem to get them filled with enough singularity and people stay long enough for us to get ahead for the patients we serve and for the citizens we serve to feel the difference

1	of all the work that we are putting in.
2	So I wonder if we could at least have, you
3	know, a half day worth of exchange about what we might
4	do differently or perhaps do together.
5	CHIEF CRAIG: Through the Chair, our issues
6	are twofold. Certainly we welcome an opportunity to
7	sit down and talk to others and other professions and
8	see what we can learn and glean from, you know, the
9	issue of retention. But in policing today, talking to
10	my colleagues across America, our big challenge is
11	recruitment. So we look at our attrition rate, which
12	hovers this last month was somewhat high. I think
13	it was 15.
14	UNIDENTIFIED: 22.
15	CHIEF CRAIG: 22. And probably 35 percent
16	of that is individuals who have decided to go on to
17	other departments.
18	But an equal challenge is recruitment,
19	because when I talk to my colleagues in other places,

because when I talk to my colleagues in other places, both here and the state, the FBI director talked about it just recently at a news conference, the big issue is the anti-police rhetoric that's going on today and individuals, especially individuals from the minority communities, are not or no longer interested in a career in law enforcement.

1	Now, the good news for us here in Detroit
2	is that we do have a different kind of relationship.
3	There are things that we are doing. The fact that we
4	have we're working with several high schools to
5	build a bridge from graduation right into the Detroit
6	Police Academy. It's good news for Detroiters, but it
7	is a challenge. And it's not just a challenge that
8	we're seeing here in Detroit.
9	COMMISSIONER MALLETT: Thank you.
10	COMMISSIONER MOORE: Through the Chair.
11	CHAIRPERSON CARTER: Commissioner Moore?
12	COMMISSIONER MOORE: Thank you.
13	Director, can we have a briefing of the
14	assessment center that took place?
15	MS. OXENDINE: Yes. We are still working
16	with Booth Research Group and we're awaiting scores.
17	We've reached out to them again, and we're expecting
18	those scores within a week.
19	COMMISSIONER MOORE: Were there any issues
20	with the scoring or anything of that nature?
21	MS. OXENDINE: No, I don't think so. I
22	think there's been some communication problems with
23	myself and Booth group in terms of the information
24	that they needed from us to proceed. And so I think
25	we have some clarity there and they are proceeding as

1	we have last discussed.
2	COMMISSIONER MOORE: So about another week
3	or so?
4	MS. OXENDINE: About another week.
5	COMMISSIONER MOORE: Okay. And
6	transitioning to EEOC
7	MS. OXENDINE: Yes.
8	COMMISSIONER MOORE: can you give us
9	like a guideline as far as the process a complaint
10	takes with the EEOC?
11	MS. OXENDINE: So it can come in various
12	forms. The complaint comes to us I should say in
13	various forms. It might be that the employee stops in
14	our office and gives that information or there may be
15	a supervisor that would refer information to us. But
16	once we become aware of the complaint we contact who
17	we believe is the complainant, if you will, get their
18	statement, information from them, and then we proceed
19	with the investigation.
20	Depending on the nature of the complaint,
21	you know, we make some determination upfront as to
22	whether or not we believe it might be misconduct as
23	opposed to a typical EEOC complaint. Many times what
24	we find is that those EEOC complaints are not truly
25	FFOC issues but you don't know that until you conduct

1	the investigation.
2	So I have two EEOC investigators and they
3	and we do all EEOC complaints for the department,
4	both sworn and civilian. So we investigate those
5	complaints. Depending on where the complaint comes
6	from, if it comes from an outside agency, we and it
7	could be sent maybe to the human rights department,
8	depending on the nature of the complaint. We respond
9	to the outside agencies. Sometimes it's a citizen
10	that makes the complaint, and those are forwarded to
11	OCI for investigation as well. And then we respond on
12	behalf of the department to the EEOC agency that made
13	the complaint.
14	So it depends on the nature of the
15	complaint. Where it's coming from determines the
16	track in which we investigate and how we respond.
17	COMMISSIONER MOORE: One final question.
18	How many complaints are open currently?
19	MS. OXENDINE: Good question. I'd say
20	probably about 30, maybe 25 to 30. We had an uptick
21	of complaints this year, early this year. So I can
22	get you an accurate number if you need me to.
23	COMMISSIONER MOORE: Thank you.
24	MS. OXENDINE: Sure.
25	CHAIRPERSON CARTER: Any other questions,

1	commissioners?
2	COMMISSIONER CRAWFORD: Excuse me. Through
3	the Chair.
4	Yes, ma'am, Madam Director. In your
5	statement I do understand retention is definitely very
6	difficult, because you have people coming in from all
7	over, even locally in metro Detroit trying to recruit
8	Detroit police officers. And historically I know that
9	that's been an issue, because places I've been across
10	America and others in police agencies all across this
11	country use this term and it was I didn't really
12	understand it after, you know almost well, 30 some
13	over 30 some years of being a police officer. They
14	call Detroit police officers the real police. And
15	that's no slight against anybody else, but that's just
16	a matter of fact.
17	And also, too, in the area of the
18	retention, as you stated, pay and benefits, but also
19	to the work, because they go other places they do less
20	work. I mean, there's less work to do.
21	In terms of the sworn recruiting category
22	here that states disqualify temporary persons,
23	disqualify permanent
24	MS. OXENDINE: Yes.
25	COMMISSIONER CRAWFORD: What does

Page 20 1 disqualify -- you have 428. What's the I guess the 2 definition of --3 MS. OXENDINE: Of temporary? 4 COMMISSIONER CRAWFORD: Temporary 5 disqualified. MS. OXENDINE: It depends on the nature of 6 the disqualification. 7 COMMISSIONER CRAWFORD: Yes, ma'am. 8 9 MS. OXENDINE: The reason for 10 disqualification I should say. So as an example 11 somebody might have a suspended driver's license. 12 That's a temporary disqualification. That's something 13 that they can fix. A person may have some documents 14 that they need to provide. Let's say they are -- they 15 don't have a birth certificate, they need to bring us 16 citizenship papers let's say. You know, so that might 17 be something that would temporarily disqualify them 18 until they bring those papers. 19 And so we allow a certain time period for 20 people to respond, which is 45 days. And we do two or 21 three follow-ups during that 45-day period. And, if 22 they fail to respond, and it's one of those categories 23 where this is something that they can rectify, we put 24 them in the temporary disqualified category. And then

if they appear with -- you know, and have satisfied

Page 21 1 whatever the issue is, we just reactivate them and 2 begin the process. 3 COMMISSIONER CRAWFORD: Yes, ma'am. 4 you. 5 CHAIRPERSON CARTER: Any other questions, commissioners? 6 7 Thank you, Director Oxendine. 8 MS. OXENDINE: Thank you, ma'am. 9 CHAIRPERSON CARTER: Chief Craig? 10 CHIEF CRAIG: Good afternoon. As I indicated in my early remarks, very exciting day. I 11 12 want to talk about several appointments. 13 Normally I ask as we begin to talk about 14 the appointees if I can have Assistant Chief White 15 come up. We should have cued up the new 16 organizational structure of the department. So if he 17 could talk about the structure and then we'll just 18 jump right into ... 19 ASSISTANT CHIEF WHITE: Yes, sir. Good 20 afternoon, board. 21 COMMISSIONERS: Good afternoon. 2.2 ASSISTANT CHIEF WHITE: Assistant Chief 23 James White, for the record. 24 Okay. As the Chief indicated earlier, with 25 the idea of the ideal precinct in mind, this

2.2

organizational chart has been completed. Certainly
clearing up the issues with the consent judgment, the
Chief has identified the need to redesign the precinct
model and kind of merge some of the concepts that we
had in the past with the commander and captain at each
precinct and getting out of the district model and
merging it with some of the new concepts in policing
that we've been doing of recent.

Administrative operations, one of the biggest changes to the organizational flow is administrative operations will become the Office of Support Services and will oversee the Detective Bureau, Crime Intelligence, Administrative Operations, Communications and Resource Management, and that's headed by me.

Also in the organizational chart you'll see that the chief duty officer, the Civil Rights
Integrity Bureau and Planning as well as Training comes into my office directly to my report. That's significant obviously with the completion of the consent judgment. We want to make sure that we maintain the successes that we've had and having that presence not only under the Office of Support
Services, or Support Operations, but having it come in to me is very important.

1	I would also like to highlight the fact
2	that the chief offices, both assistants chiefs'
3	offices, will be offices as delineated in the
4	organizational chart as opposed to operations. So you
5	have my office, which is Office of Support Services,
6	and then you have Assistant Chief Dolunt's office,
7	which is Office of Neighborhood Policing. And then,
8	of course, you have the first assistant chief, which
9	serves in the Chief's office.
_0	Okay. With that, Enforcement Operations
1	will become the Office of Neighborhood Policing, as I
_2	indicated, and they will oversee Neighborhood Policing
L3	Bureau East, Neighborhood Policing Bureau West and the
L 4	Metro Division.
15	Under my command you have the Detective
16	Bureau, which will be headed by Deputy Chief Levalley,
L7	Major Crimes obviously coming in through that. Crime
L8	Intelligence will have a Deputy Chief Levalley will
L 9	have a functional oversight review of the Crime
20	Intelligence Unit. And then we have Administrative
21	Operations, which is a director's position now under
22	civilian Trisha Stein. And in that unit you'll have
23	secondary employment.
24	Communications continues to come in through

Office of Support Operations, headed by a civilian

Page 24 1 director. And Resource Management, headed by a 2 civilian manager, Don Hollins, who is a retired member of the police department. 3 4 Moving over to the Office of Neighborhood 5 Policing you have, as I indicated earlier, 6 Neighborhood Policing East, which is Deputy Chief 7 Renee Hall, Neighborhood Policing Bureau West, which 8 is Deputy Chief Charles Fitzgerald. And those would 9 be the only two names that I add to the org chart, and 10 the Chief will do the honors of the rest of the names. And then the Metro Division, which is 11 12 headed by a commander, and it comes in through a 13 captain's position under the Office of Neighborhood 14 Policing. 15 And with that I'll turn it over to Chief of 16 Police. 17 CHIEF CRAIG: Thank you, Chief White. 18 Commissioners, I just want to say once 19 again, I'm very excited about these appointments today 20 and this new evolution as we're going forward. First 21 as I begin to bring forward the appointees, I want to 22 first give thanks to the executive and command team 23 who participated in discussions over three weeks.

With us today certainly I want to

acknowledge personally first Assistant Chief LaShinda

24

	<u> </u>
1	Stair and her family. If you would stand and be
2	acknowledged.
3	(Applause)
4	CHIEF CRAIG: Certainly we have had many,
5	many conversations over the three weeks, tireless. We
6	got feedback from community, feedback from some of
7	you, police officers, supervisors, peers and union
8	leadership. So I will assure you this was not done in
9	a knee jerk way, but certainly everyone that was being
10	considered, very talented, very skilled and so excited
11	about the future.
12	And just before calling the names and the

And just before calling the names and the individuals up, one of the things that we were very concerned about is stability in the neighborhoods.

You know, since I've been here two and a half years one of the things that I continually hear is that one of the concerns is just movement of command officers in and out of these precincts. And certainly I know that has caused concern for many of you. So that was top on our list.

Diversity, also a key issue for us. I wanted to make sure as we were developing the various neighborhood precincts that we had diversity and that we were matching the commanders and the captains appropriately.

1	And then, as Chief White and I had said
2	earlier, sustainability of the consent judgment post
3	consent decree, very important. And the best way to
4	accomplish that is to make sure that, one, you are
5	holding your management team accountable and that we
6	have the requisite managers and executives in place to
7	facilitate that.
8	So with that, and to kind of eliminate
9	confusion, I'm not going to go through and we can
LO	provide some of the existing captains still remain
11	in their assignments. They did not get promoted. And
_2	so what I'm going to do is call up each of the
L3	commanders, where their current assignment is. And
L 4	certainly we can give you a sheet, or you may have
15	something with the exact structure of who is working
16	in what precinct.
L7	So with that I'm going to start with the
L8	commanders. And so starting with commander of the
19	Seventh Precinct, recently promoted, Commander Arnold
20	Williams, will you please come forward.
21	(Applause)
22	CHIEF CRAIG: Prior to his assignment to
23	the Seventh Precinct he was in Metro Division. So he
24	is a new commanding officer of Seven. In terms of the

Eleventh Precinct, who is a captain at the Eleventh

Page 27 1 Precinct, now commander, Timothy Leach. 2 (Applause) 3 CHIEF CRAIG: Second Precinct, the 4 commanding officer retired. The new commanding officer of the Second Precinct is Commander Brian 5 6 Mounsey. 7 (Applause) 8 CHIEF CRAIG: At the Fourth Precinct who 9 was prior captain commanding officer of the precinct, 10 now commander, Commander Whitney Walton. 11 (Applause) 12 CHIEF CRAIG: At the Sixth Precinct, new 13 commander, Aric Tosqui. 14 (Applause) 15 CHIEF CRAIG: At the Eighth Precinct, 16 former commanding officer and captain, now commander, 17 Jackie Pritchett. 18 (Applause) 19 CHIEF CRAIG: And at the Tenth Precinct, 20 former captain, now commander at number Ten, Nick

22 (Applause)

Kyriacou.

- 23 CHIEF CRAIG: These are your newly
- 24 appointed commanders.
- 25 At this point I will introduce to our

1	newly-appointed captains.
2	At the Eleventh Precinct with Commander
3	Leach, Captain Kelly Fitzgerald.
4	(Applause)
5	CHIEF CRAIG: Assigned to our chief's duty
6	officer, or night chief as it's commonly called,
7	Captain John Svec.
8	(Applause)
9	CHIEF CRAIG: Newly-appointed captain at
10	the Second Precinct, Captain Bilal Muhammad.
11	(Applause)
12	CHIEF CRAIG: Newly-promoted captain at the
13	Sixth Precinct, Captain Tiffany Stewart.
14	(Applause)
15	CHIEF CRAIG: At the Eighth Precinct with
16	Commander Pritchett, Captain Kurt Worboys.
17	(Applause)
18	CHIEF CRAIG: At the Tenth Precinct with
19	Commander Nick Kyriacou, Captain Elaine Miles.
20	(Applause)
21	CHIEF CRAIG: At the Twelfth Precinct,
22	Captain Gary Sroka.
23	(Applause)
24	CHIEF CRAIG: At Training Division,
25	formerly lieutenant, now promoted to captain, Keith

1	Williams.
2	(Applause)
3	CHIEF CRAIG: At our Metro Division, former
4	lieutenant, now captain at Metro Division, Darrell
5	Patterson.
6	(Applause)
7	CHIEF CRAIG: And lastly at Crime Intel
8	Captain Mark Thornton.
9	(Applause)
10	CHIEF CRAIG: This concludes our
11	presentation of all the appointees. And so I'll open
12	it up for any questions you might have. Thank you.
13	COMMISSIONER MALLETT: Congratulations.
14	CHAIRPERSON CARTER: Congratulations.
15	Commissioners, do you have any questions?
16	COMMISSIONER MOORE: Through the Chair.
17	Chief, if a command officer is moved from a bureau to
18	a precinct, is that considered a demotion or
19	CHIEF CRAIG: Through the Chair, it is not.
20	Commander rank it's a higher level than a captain. So
21	certainly some of the commanders under the old
22	structure were working in specialized assignments.
23	Again, this is to reinforce the importance of the
24	what I'm calling the ideal neighborhood precinct.
25	So in essence the commander we removed the

1	layer between deputy chief and two commanders.
2	Commanders who run precincts function in many ways
3	like a small police department. So if that commander
4	is out and that captain is the acting
5	The one thing I don't know if we covered
6	during Assistant Chief White's presentation is that
7	the captains will oversee detectives. As you might
8	recall, early in my tenure detectives were centralized
9	throughout the city. There were no precinct level
10	detectives. That came back. So the captains will
11	oversee precinct detectives, which for me is a service
12	to the community and also our special operations
13	units.
14	COMMISSIONER MOORE: Can I talk to you
15	offline in regards to the Sixth Precinct? I guess
16	some citizens were thinking that their captain was
17	going to get promoted to commander. Some comments
18	were made back in November of 2014. So I would just
19	like to talk to you about it offline if that's
20	possible.
21	CHIEF CRAIG: That's fine.
22	CHAIRPERSON CARTER: Commissioner Bell?
23	VICE CHAIRPERSON BELL: Chief, you just
24	mentioned the rank of detective. Will we see
25	promotions exams for rank of detective versus

appointment of detectives?
CHIEF CRAIG: Through the Chair, yes, that
has changed. In fact, when we first introduced the
rank of detective, it was an appointed position.
Since that time it's now going to be treated like the
lieutenants, sergeants and detectives will also be
civil service. They'll be exams.
The one thing I want to note is that what
Ms. Oxendine didn't reveal in her investigation I am
not personally I am not at all satisfied with the
administration of the exam. I think it took too long
I don't think it's been as organized, and it cost the
city 250,000.
My commitment is that we test when a
list goes live, that we test every two years from that
list goes live, that we test every two years from that point like most agencies. Now, this was the first
point like most agencies. Now, this was the first
point like most agencies. Now, this was the first time that there was a sergeants and lieutenants test
point like most agencies. Now, this was the first time that there was a sergeants and lieutenants test given in eight years. That's not good for the
point like most agencies. Now, this was the first time that there was a sergeants and lieutenants test given in eight years. That's not good for the vibrancy of an organization, especially like a police

point like most agencies. Now, this was the first time that there was a sergeants and lieutenants test given in eight years. That's not good for the vibrancy of an organization, especially like a police department. So our commitment is that we will test

quarter of a million dollars facilitating the exam.

1	VICE CHAIRPERSON BELL: And the second part
2	is that you mentioned stabilization. And I know the
3	Ninth Precinct has been a revolving door for some
4	reason historically. And I would hope that, you know,
5	in this effort that we can stabilize, you know, these
6	commands to give them longevity for a period of time.
7	As you know, communities come before us and that's a
8	concern.
9	And also we had a very popular chief at the
LO	Second Precinct I mean captain at the Second
11	Precinct who just recently retired. He had a great
12	community history and, you know, and you know, you
13	mentioned that you had dialogue with the community in
L 4	reference to that position that I think dialogue, you
L5	know, because once you establish a track record I
16	think that I understand the movement, you know, but
L7	I know that the community felt really bad in reference
L8	to two or three appearances before this board about
L9	that particular situation there. So I would hope that
20	we would weigh in on it in the future in terms of
21	making sure the community have input.
22	And the NPO program is working extremely
23	well. I want to commend you in reference to that
24	particular endeavor.

CHIEF CRAIG: Thank you.

					Page 33			
11 och	+ h o	Chair	т	 	1 1 100	+ ~	~~	

1	Through the Chair, I would just like to say
2	that there are a lot of things that go on in a police
3	department in terms of management that I will not
4	reveal, because they're times there's active
5	investigations. And to air that would be not
6	VICE CHAIRPERSON BELL: I understand.
7	CHIEF CRAIG: not appropriate.
8	Also, as the police chief of the
9	organization I'm responsible for the day-to-day
10	oversight folks, work quality, things that are going
11	on that again I may not reveal to the community.
12	Again, as I pointed out in my early
13	remarks, that I am keenly aware of the importance of
14	stability in the neighborhoods. When you look at the
15	structure, and I can go through, a vast majority of
16	the precincts are stable, but when you look at and
17	they're some decisions that were made in terms of
18	pairing captains with commanders to balance strengths,
19	weaknesses, diversity, the type of community. So a
20	lot of that went into this. So this structure and
21	these selections and who was married up was critical.
22	So I'll go through just for the point of
23	knowing who is working where. At Downtown Services
24	now that captain there was no commander put in

25

Downtown Services. Captain Conway Petty remains in

that location.
At the Third Precinct the commander
position is vacant, because the commander that's
slated for that location is loaned to Tech Resources.
However, Captain Darin Szilagy who was at the Third is
still at the Third.
At the Fifth Precinct a tenured commander,
Eric Ewing, is being assigned to that precinct as you
know one of the newest buildings in the city. The
captain, Mark Bliss, was there and he still remains
there.
At the Seventh Precinct Commander Arnold
Williams is the new commanding officer. However,
Captain Kyra Hope still remains as the second in
command.
At the Ninth Precinct Commander Charles
Mahone has been assigned there. However, Captain Eric
Decker, second in command, was originally there before
the transition.
At the Eleventh Precinct, as pointed out,
Commander Timothy Leach remains, promoted from captain
to commander, and the new second in command, Captain
Kelly Fitzgerald.
At the Second Precinct, which is a new

command structure, Commander Brian Mounsey because of

1	retirement we talked about. And Captain Muhammad as
2	his second.
3	At the Fourth Precinct Commander Whitney
4	Walton. Prior to the promotion she was captain at
5	this same precinct. And her second in command is
6	Captain Russ Solano.
7	At the Sixth Precinct new commanding
8	officer, Commander Aric Tosqui, and new second in
9	command, Tiffany Stewart.
10	At the Eighth Precinct Commander Jackie
11	Pritchett, which was captain at that same location.
12	And her second in command is Captain Kurt Worboys.
13	At the Tenth Precinct Nick Kyriacou was the
14	captain there remains, is now the commander. Second
15	in command is Captain Elaine Miles.
16	Twelfth Precinct, new commanding officer
17	Johnny Thomas, Commander Johnny Thomas, and his second
18	in command, Gary Sroka.
19	So when you look at the overall structure
20	you can see that more than half there's some sort of
21	stability for that very reason.
22	CHAIRPERSON CARTER: Commissioners, any
23	other questions?
24	COMMISSIONER CRAWFORD: Yes, ma'am, through
25	the Chair. I would like to personally congratulate

Page 36 1 all of those who were promoted, and thanks, Chief. 2 However, commission to it -- as a commissioner and 3 also fellow commissioners I would like to again 4 reference the City Charter, that everyone review this, 5 which I think it was last summer I said that, too. It's easy reading. Read the City Charter, read the 6 Police Commission Bylaws, and also read the Michigan 7 Open Meetings Act, too. It's very easy to read, and 8 9 from time to time I review it. So and I presume there's a motion that's 10 11 going to be put on the table to accept this, to accept 12 the promotions that were just done. 13 CHAIRPERSON CARTER: Okay. COMMISSIONER CRAWFORD: There's a motion on 14 15 the table. I'll put the motion on the table. CHAIRPERSON CARTER: Motion on the table. 16 17 COMMISSIONER MOORE: Support. 18 COMMISSIONER CRAWFORD: The promotions that 19 were done. 20 CHAIRPERSON CARTER: It's been moved and 21 supported that we accept the promotions that were just 22 completed for captains and commanders. 23 Is there any discussion? 24 Those in favor of the motion?

COMMISSIONERS: Aye.

4/7/2016

Page 37 1 CHAIRPERSON CARTER: Those opposed? 2 The motion carries. 3 Thank you, Commissioner Crawford. 4 Any other questions for the Chief, 5 commissioners? Thank you, Chief, and congratulations to 6 all those that were promoted. 7 8 CHIEF CRAIG: Thank you. 9 CHAIRPERSON CARTER: Are there -- is there 10 any standing committee reports? Committee reports? Any new business? New business? Old 11 business? 12 13 Under announcements, our next Board of 14 Police Commissioners meeting will be Thursday, April 15 14th at 6:30 p.m. in the Eleventh Precinct. I believe that's Commander Leach now. 16 17 COMMISSIONER CRAWFORD: Yes, ma'am, Third 18 District. 19 CHAIRPERSON CARTER: Third District. 20 sir. At the Second Ebenezer Church hosted by our own 21 commissioner, Edgar Vann, located at 14601 Dequindre 2.2 in the city of Detroit, 48212. Our next regular Board 23 of Police Commissioners meeting -- community meeting, 24 I'm sorry, will be May 12th, 2016 in the Eighth 25 Precinct, and the location is forthcoming.

1	At this time we'll have oral communications
2	from the audience. Please give your name for the
3	record and limit your comments to two minutes, please.
4	MS. SMITH: Good afternoon. Bernice Smith.
5	Chief, congratulations.
6	I just want to remind the commissioners
7	Saturday the important Meet your Chief program that
8	I'm going to be at least my church is. So most of
9	those Conrad was not here last week, so I don't
10	think he was aware of it. But anyway, I would like to
11	extend an invitation again to all the board members,
12	that you will be expected if you have the time, and we
13	will set aside a section for you to be seated.
14	And those that's in the audience that did
15	not know, we're having the Chief speaker at our church
16	Saturday from 10:00 until twelve o'clock. You may
17	come in at 9:00 if you care to come early so you can
18	get a seat. So I just want to let you know seats will
19	be reserved for my commissioners and for the
20	Conrad, what are you laughing about?
21	COMMISSIONER MALLETT: I'm just amazed that
22	there's going to be so many people at your church on
23	Saturday morning that we need to reserve space, but
24	I'm happy that you have reserved space. And if I'm
25	not golfing I'll be there.

1	MS. SMITH: It's raining so you don't have
2	no excuse. I thought it would be a pleasure for the
3	public to know the commissioners. That's what my
4	thoughts were. And the police officers that they're
5	not aware of. You'd be surprised. I talk on the air
6	every day. People don't know who is on this board.
7	They don't come down here. They don't see you. So
8	I'm trying to publicize your occupation. So if I'm
9	doing a bad job then I'll stop.
10	But the fact is this city needs to be aware
11	of their police department and their police
12	commissioners, because you are a vital part to this
13	city, your job is, as far as I'm concerned. So,
14	therefore, I just want to let you know you're welcome
15	to anyplace that I'm affiliated with, and I want the
16	people to know who you are and what you're all about.
17	All right. I thank you for your
18	VICE CHAIRPERSON BELL: Madam Chair.
19	I'm very encouraging that, you know, meet
20	the Chief, but I will reserve my attendance until you
21	have meet the commissioners.
22	MS. SMITH: I wasn't going to tell you. I
23	was going to surprise you. You're coming on
24	VICE CHAIRPERSON BELL: No, no, no. When
25	you feature meet the commissioners, that would be the

Page 40 1 day that we come out in force. Meet the 2 commissioners, the Board of Police Commissioners. I 3 just want to share that with you. 4 MS. SMITH: Well, should I tell him now or 5 wait? VICE CHAIRPERSON BELL: Wait. Don't tell 6 7 us. 8 MS. SMITH: Your date is September the 8th. 9 Now. 10 VICE CHAIRPERSON BELL: There you are --11 there you go. That's our date. MS. SMITH: Thank you very much for your 12 time and your interest. 13 COMMISSIONER CRAWFORD: Madam Chair. 14 Miss Smith? 15 16 MS. SMITH: Yes, dear. 17 COMMISSIONER CRAWFORD: Yes, ma'am. I just 18 want to thank you for promoting the commission. I 19 just want to thank you for promoting --20 MS. SMITH: Thank you, Reggie. Thank you. 2.1 COMMISSIONER CRAWFORD: -- the commission, 2.2 as you have done so for years and moving around the 23 city promoting the commission. 24 MS. SMITH: I have. I have.

COMMISSIONER CRAWFORD: So that's all.

1	Thank you.
2	MS. SMITH: All right. Thank you very
3	much. And I hope to see you Saturday. If not, then
4	on September the 8th at 6:30 p.m. Thank you again.
5	CHAIRPERSON CARTER: Thank you, ma'am.
6	COMMISSIONER BROOKS: Thank you.
7	MS. BUTLER: Good afternoon.
8	COMMISSIONERS: Good afternoon.
9	MS. BUTLER: My name is Verdia Butler (ph),
10	and I'm the secretary for the Second Precinct Police
11	Community Relations Council, and I am a community
12	activist.
13	Since 2012 to 2016 we in the Second
14	Precinct have had Captain Todd Bettison, Inspector
15	Darryl Brown (ph), Lieutenant Christopher Cole,
16	Inspector Renee Hall, Lieutenant Dennis Johnson,
17	Captain Harold Rochon, Lieutenant Gary Sroka and
18	Captain Anthony Topp. I have never been before you to
19	talk about the changes we've been through, but enough
20	is enough. If the Second Precinct were a corporation,
21	the CEO would have been fired before reaching eight
22	personnel changes.
23	I have nothing against Lieutenant Sroka. I
24	don't know him or even know how he has performed as ar
25	officer. But I do know that New Year's Eve was the

1	first time in years that I didn't hear gunfire in my
2	community. I stopped going to the midnight services
3	because of guns being fired. Our crime has been down
4	because of leadership provided by Captain Rochon. Our
5	officers have been doing outstanding work.
6	Being a police officer is very hard work,
7	but they need the support of a leader whom they know
8	is there with and for them. I wonder if they are as
9	frustrated as I am with so many changes in the Second
LO	Precinct. Too many changes can destabilize a
11	department and community.
12	Commissioners, please tell me why we are
13	dealing with this in the Second Precinct?
L 4	CHAIRPERSON CARTER: A.C. White, would you
L5	like to respond to that, sir?
L 6	ASSISTANT CHIEF WHITE: Well, certainly
L7	change in law enforcement and at this level is
L8	inevitable. I mean, we're going to have changes in
L 9	the organization from time to time. That is a
20	significant amount of change.
21	I can tell you that the decisions made
22	recently a lot of thought went into those
23	considerations, went into those decisions, but that
24	doesn't answer your question as to why you lost a

25

commander or a command officer that you like. I will

Page		43
As	the	

tell you that he made a decision to retire. As the
Chief indicated earlier, a lot of thoughts and
decisions went into that decision, and he has to run
the organization.

We will certainly keep in mind the movement that has happened at the Second Precinct. I know he's keenly aware of it. And when you look at some of the decisions we made and some that we didn't make it was with stability in mind, but this decision was made for a number of reasons.

And Captain Rochon did a phenomenal job, and we wish him well in his retirement. But I can't go back in history and tell you why each and every move is made. There are a number of reasons that those moves were made. And I can just assure you that we will be considerate going forward of how that impacts the community, as we have been in the past.

MS. BUTLER: So there was eight, now it will be nine?

20 CHAIRPERSON CARTER: It is nine.

21 ASSISTANT CHIEF WHITE: Yes.

CHAIRPERSON CARTER: It is nine. And going forward we're going to be watching -- as commissioners have spoke up here today, we're aware of the changes that have been made and we're -- you've been before us

1	three or four times now, I believe.
2	MS. BUTLER: Yes.
3	CHAIRPERSON CARTER: And we are aware of
4	what's happening in that community, in your community
5	in the Second Precinct. So going forward we can take
6	a closer look at what's going on and the changes that
7	are coming. And we hope that through the Chief that
8	we're stable for a while. We don't know, but we can
9	only look at what's going forward, what we do going
10	forward.
11	MS. BUTLER: Thank you.
12	COMMISSIONER CRAWFORD: Madam Chair?
13	CHAIRPERSON CARTER: Yes.
14	COMMISSIONER CRAWFORD: I just want to say
15	isn't that Commissioner Moore's district?
16	COMMISSIONER MOORE: That's correct.
17	COMMISSIONER CRAWFORD: And I know that
18	we'll hear from Commissioner Moore and the department
19	will hear from Commissioner Moore and the citizens
20	will hear from Commissioner Moore
21	COMMISSIONER MOORE: Thank you,
22	Commissioner.
23	COMMISSIONER CRAWFORD: on what has
24	occurred, and hopefully yeah, because I hear it all
25	the time from you. That's why I can say that.

1	CHAIRPERSON CARTER: Thank you, ma'am.
2	COMMANDER BETTISON: For the record,
3	Commander Todd Bettison, office of the Chief.
4	I just wanted to invite the board out. I
5	know the Chief did send you formal letters, and also
6	let the community know that next week is National
7	Crime Victims Rights Week, and that's April 10th
8	through the 16th where we're serving victims, building
9	trust, restoring hope. And our first second annual
10	balloon release will be Sunday, April 10th, 2016 at
11	3 p.m. We're urging the community to get out there
12	early. We've going to have a lot of resources there.
13	The Chief will be there. It's Commissioner Willie E.
14	Bell's district. He'll be speaking, run of show, and
15	Prosecutor Worthy is going to be out there. And it's
16	just going to be a great event. So we're encouraging
17	everyone to come out to this event. And it's going to
18	be at the Heilmann Recreation Center at 19601 Crusade.
19	And we have other events throughout the
20	week as well. On Monday we're going to have a skate
21	party at Northland Skating Rink, and it's going to be
22	free admission to the first 200 folks, \$3 skate
23	rental.
24	And Saturday, April the 16th, we're
25	actually going to have an awareness walk and an

4/7/2016

	Page 46
1	awareness fair. And the awareness walk will kick off
2	at Denby High School, which is located at 12800 Kelly
3	Road. And the registration will start at 10 a.m. The
4	walk will start at noon. And we're going to have a
5	great time. We're going to have mothers of murdered
6	children out there with us, our victim advocates. It
7	is just letting the community know that, you know, we
8	support all folks. We know that we have victims of
9	crimes. We know that family members of victims are
10	also victims, too.
11	And with this National Crime Victims Right
12	Week, the department applied for a grant and received
13	this grant. We received a grant last year as well.
14	And this is just a way to honor our community and show
15	our support as well. So thank you.
16	CHAIRPERSON CARTER: Thank you, Commander
17	Bettis.
18	Questions?
19	MS. WILSON: Good afternoon, commission.
20	COMMISSIONERS: Good afternoon.
21	MS. WILSON: My name is Kelly Wilson.
22	First of all, I want to apologize to you,
23	because in 2014 I came to your commission meeting and
24	I didn't act appropriately. I was very upset because
25	the murder of my brother was important to me. And

1	when I have officers that look you in the face and
2	basically try to degrade you or call you a liar in
3	front of everyone, I just went out of the way, and I
4	apologize for that.

My brother's killer is still free roaming the streets of Detroit. This man shot at my brother 14 times, hitting him in the back five times and once in the right thigh. This was justified by the Detroit Police and the prosecutor's office. They denied the warrant saying that my brother possessed a gun and a gas can and attempted to burn down the bar.

The Detroit Police investigation did not --I did not receive the FOIA until two and a half years later. The Detroit Police would not send it out in an appropriate manner. It shows that my brother's prints were not on the gun. It shows that the shooter said he didn't see my brother with a gun. And the gun found on the scene the detective assumed that it belonged to my brother. He wrote in his arrest warrant that my brother was in possession of a stolen weapon when the fact of the case was there was a weapon recovered on the scene ten feet away from a blood stain.

The explanation I got for why they said a weapon ten feet away from a blood stain is in

1	possession of my brother was someone threw a pen next
2	to my foot and said you're in possession of that.
3	That wasn't reasonable enough for me and my family.
4	The lead detective in the case assumed that
5	my brother had a gun. The evidence tech was
6	instructed to take digital photos of all evidence on
7	the scene and any related evidence. If my brother was
8	accused if his killing was justified because he had
9	a gun and
10	VICE CHAIRPERSON BELL: Ma'am, go ahead.
11	CHAIRPERSON CARTER: Ma'am
12	COMMISSIONER CRAWFORD: Go ahead. Yeah.
13	MS. WILSON: If my brother's homicide was
14	justified because he had a gun and he was supposed to
15	be burning the building down, there is no evidence
16	that my brother had a gun and there's no evidence that
17	my brother had a gas can.
18	The shooter said that my brother was in the
19	alley with a gas a Everfresh bottle of gas and a
20	gun and that when he seen my brother my brother shot
21	at him, he returned fire. That was not the case in
22	the FOIA. The FOIA says that he heard some shots, he
23	seen my brother running, and he shot him because he
24	was scared and that my brother did not have a gun in
25	his hand. Now, if the shooter says he didn't have a

1	gun,	his	prints	are	not	on	the	gun,	Ι	can't	understand
2	how	you	can ass	ume 1	he ha	ad a	ı gur	ì.			

Captain Decker of Homicide told me I have no proof your brother had a gun or a gas can, but I'm going to assume it. That's not good enough for me and my family.

The evidence tech also wrote in his report to the prosecutor that Tyrone Birch (ph) and Paul Jones exchanged gunfire. You can't exchange gunfire if two people don't have a gun. He also relayed that to the medical examiner who wrote in my brother's autopsy report that he was involved in a gunfight. Two people have to have a gun.

The detective colored the facts for the prosecutor. There's no evidence in the FOIA stating my brother had a gun or any gas. When the evidence tech did not find this Everfresh bottle with gas in it, he reported that he seen a gas can in my brother's truck. He took no evidence of it, he took no picture of it, and he didn't get the gas can.

I have been fighting since 2011. I have talked to over 30 people within the police commission, Internal Affairs, Detroit Police Department, the prosecutor's office. I can't get any reasonable answers. If he did not have a gun or a gas can, then

1	his	homicide	was	not	justified.

I have statements from in the FOIA that
says that when my brother was inside the bar he did
not bother anybody and he did not cause a commotion.
The police ignored those reports, and they only went
with the reports that was given by the shooter's
family. They didn't give equal weight to all of the
witness statements

The gun that my brother was supposedly had shot wasn't sent to the Michigan State Crime Lab until July 24th. The man who shot my brother, his gun was sent to the crime lab March 24th. Why wasn't the gun my brother was assumed to have not sent to the crime lab until July 28th?

The prosecutor made a decision. I just believe that the officers conspired, because there's five police reports. The first two officers that arrived on the scene do not report seeing a weapon on the ground ten feet away from a blood stain. You've got the evidence techs that come in at four o'clock that says we found a gun. There are two more reports after the evidence report that doesn't report seeing a gun on the scene.

It's too many inconsistencies. And when we ask the questions we can't get reasonable answers. So

	Page 51
1	the police officers and the captains and everybody
2	will talk to you and tell you I'm crazy. Yeah,
3	because it just doesn't make common sense to me. And,
4	if somebody's been calling the Detroit Police for five
5	years trying to understand why would a detective write
6	in their report that this man this dead man was in
7	possession of a stolen weapon, and his supervisor, his
8	captain, Internal Affairs, deputy chiefs, none of them
9	can get the answer, that's strange.
10	CHAIRPERSON CARTER: Ma'am, I'd like to
11	offer my condolences for your loss with your brother.
12	A.C. White, is there someone that can speak
13	with her?
14	ASSISTANT CHIEF WHITE: Yes.
15	My condolences as well, ma'am. And you
16	should be commended for your passion towards this
17	issue, regardless of the outcome. I don't think what
18	you're asking is unreasonable, but I'd like to have
19	some time to look into the matter because I can't
20	really speak on it without being able to research the
21	facts.
22	MS. WILSON: I have the FOIA, the autopsy
23	report. I have everything you need to look at.
24	ASSISTANT CHIEF WHITE: Okay. I'd like to
25	launch an investigation on our end and provide it to

4/7/2016

	Page 52
1	the board with the facts that we know about the case.
2	MS. WILSON: I came to the board before and
3	I gave them everybody packets of parts of the FOIA
4	that was disputable, but
5	ASSISTANT CHIEF WHITE: Sergeant Franklin
6	Hayes from my staff will get your actually,
7	Assistant Chief Dolunt.
8	You want to speak. Go ahead.
9	ASSISTANT CHIEF DOLUNT: Assistant Chief
10	Dolunt, for the record.
11	This case was reopened per the prosecutor's
12	office, and I understand her dismay at the results.
13	However, they do not feel there's enough there to
14	charge excuse me, to charge the individual with the
15	murder. They said it was a shootout. She did provide
16	witnesses. However, I believe that they were offered
17	polygraph exams to come in and talk, and it didn't go
18	very well.
19	So it's been reopened. The prosecutors
20	looked at it a second time and because I've looked
21	at it, so has Decker. And it's not a conspiracy.
22	It's not uncommon to find evidence at a later time.
23	Just the other day we had an individual
24	found at the old Tiger Stadium laying in the field

from a car accident that happened. He was actually

4/7/2016

	Page 53
1	knocked over a fence and we didn't find him that day.
2	He's a lot bigger than a gun.
3	So we try to do our best. I'm sure that
4	this does not bring closure. However, based on the
5	investigations, I've looked at it twice, those appear
6	to be the facts of the case.
7	CHAIRPERSON CARTER: Thank you.
8	ASSISTANT CHIEF WHITE: Thank you. I did
9	not review the case.
LO	CHAIRPERSON CARTER: Thank you, A.C. White.
L1	Any other oral communications from the
12	audience? Any other oral communications?
13	Is there a motion for dismissal?
L 4	VICE CHAIRPERSON BELL: So moved, Madam
15	Chair.
16	COMMISSIONER MOORE: Supported.
L7	CHAIRPERSON CARTER: It's been moved and
L8	supported that we adjourn.
19	All in favor?
20	COMMISSIONERS: Aye.
21	CHAIRPERSON CARTER: Those opposed?
22	Meeting is adjourned. Thank you all for
23	coming out. Thank you.
