RE: Proposed Time Period for Council Budget Hearings and Deliberations

Last week, Council met with the Clerk's office to discuss various chapters of the City's Code currently being updated and recodified. The proposed Chapter 17 – FINANCE, includes the timing details of the budget process. Councilmembers had questions about the length of time proposed for Council to review the budget, March 7 through April 7, basically 4 weeks. This does double the available time for Council deliberations compared with the past four budget seasons.

Since 2014, due to the City's bankruptcy, Public Acts 181/182 of 2014 (Attachment I) added strict and tight deadlines which enabled the Financial Review Commission (FRC) to receive the budget no later than April 30 to complete a thorough analysis of the budget, which then had to be forwarded to the Governor for review and approval. Because of this, the time the Budget staff had to prepare the budget was drastically shortened and the time the Council had to review it and vote was also significantly shortened to 2 weeks plus one day.

Prior to this legislation, Council for the last couple decades, had passed an ordinance and scheduled 6 weeks from the time the Mayor presented the budget on April 12 to the last day Council could vote on the budget, which was May 24. The time used for budget hearings was closer to 4 weeks, as a complete week was used for budget review and a complete week was used for budget deliberation in the "Executive Sessions". From 1964 to the mid 1990's, Council had five weeks, from April 12 to May 17.

Please find a suggested rough draft (Attachment II) of the budget calendar during this new four-week period that the FRC is still part of the budget process. Attachment III is a copy of the resolution authorized by the FRC, note specifically section 3.c.ii, that directs the City to provide the adopted Budget and 4-year Financial Plan by April 30<sup>th</sup> annually. These two documents plus the receipt of many other financial documents from the City are necessary for the FRC's review to determine an extension of its waiver for the subsequent fiscal year.

The budget calendar proposes a private budget review time of about 2 days (plus the weekend) prior to the start of budget hearings on Monday, March 11. As shown in the attached calendar, it is proposed to return to a full complement of 42 departmental and general fund subsidized agencies budget hearings during the three weeks. There have only been 26 budget hearings during the last four budget seasons. In prior years there were up to 52 hearings, but some departments have been eliminated and combined. Then there are up to five days for the purpose of Executive Sessions for the purpose of budget deliberations. Because April 7 falls on a Sunday this year, the Council has through Monday April 8, to complete the vote of the budget. It will be necessary closer to the date to set a Special Session to accommodate Council's budget vote on a Monday.

Council will notice that the committee hearings are proposed to begin an hour earlier at 9 a.m. for the three weeks of budget hearings and the assumption is that committee meetings will only last one hour. It is also assumed there will not be dangerous building hearings during this four week period. Additionally, nothing budget related has been scheduled on Tuesdays due to the varying length of Formal Session. All of these decisions along with an updated calendar will be presented to Council in late January to be voted on and authorized as they annually are.

We believe that once the city satisfies the requirements of PA 181/182 of 2014 over a ten-year period and the FRC dissolves and no longer needs to additionally review the budget, there will be an opportunity to review the budget timeline and determine how the ordinance should be amended at that time.

Please let us know if there are any questions or additional information needed.

**MICHIGAN FINANCIAL REVIEW COMMISSION ACT**  
**Act 181 of 2014**

AN ACT to create the Michigan financial review commission act; to provide for the operation of certain commissions; to create funds and accounts; to prescribe the powers and duties of certain commissions, the state treasurer, certain other state officials and state employees, and certain local officials; to provide for the dissolution of certain commissions; and to make certain appropriations.

History: 2014, Act 181, Imd. Eff. June 20, 2014.

*The People of the State of Michigan enact:*

**141.1631 Short title.**

Sec. 1. This act shall be known and may be cited as the "Michigan financial review commission act".

History: 2014, Act 181, Imd. Eff. June 20, 2014.

**141.1632 Legislative findings and declarations.**

Sec. 2. The legislature finds and declares the following:

(a) It is the public policy of this state to exercise its sovereign powers with regard to debt issuance and matters of statewide concern in a manner calculated to foster the fiscal integrity of all municipal governments and school districts to assure that those municipalities and school districts provide for the health, safety, and welfare of their residents; pay principal and interest owed on debt obligations when due; meet financial obligations to their existing and former employees, vendors, and suppliers; and provide for proper financial planning procedures and budgeting practices. The inability of a municipal government to provide essential services to its citizens or a school district to provide public education services to its residents as a result of fiscal emergencies is determined to affect adversely the health, safety, and welfare of not only that municipality's citizens and a school district's residents, but also other citizens of this state.

(b) The police and fire retirement system of certain qualified cities and the general retirement system of certain qualified cities are currently underfunded, causing communities across the state to face higher costs to borrow and invest funds, and have caused bondholders, bond insurers, and financial institutions anxiety over the financial health of not only certain qualified cities, but communities across this state.

(c) Absent prospective state oversight over qualified cities and school districts, there exists a threat of increased costs in borrowing, reductions in credit or bond ratings, reduced faith from existing creditors of municipalities or school districts and of this state, and dire financial circumstances from which this state and its political subdivisions may never fully recover.

(d) Qualified cities and school districts have complex budgetary and fiscal needs, significant and complicated debt management issues, and financial assets and liabilities that impact, both positively and negatively, every unit of local government and school district in this state and this state itself such that reasonable and balanced state oversight over qualified cities and school districts is required as a reasonable exercise of this state's power for the benefit of residents throughout this state.

(e) There are numerous residents of this state who have accrued pension benefits from a qualified city's pension systems, and those pensioners may reside throughout this state. The settlement of bankruptcy cases involving qualified cities is likely to have a substantial positive impact statewide.

(f) Establishing a commission and execution by the commission of its powers granted under this act fulfill in all respects a public and governmental purpose for the benefit of the people of this state.

(g) Ongoing fiscal oversight over qualified cities and school districts is a reasonable and sufficiently narrow regulation and serves a significant and legitimate public purpose because it inures to the benefit of all of this state's residents and aids in the remedy of a broad and general social problem.

(h) Fiscal oversight over qualified cities and over school districts will ensure that those qualified cities and school districts do not engage in the financial practices that led to financial emergencies and insolvency, and ultimately, entry into receivership and bankruptcy, which will ensure that those cities can provide basic and essential municipal services to their residents and that those school districts can provide public education services to their residents.

A 4-year financial plan described in this subsection shall be submitted at least 100 days prior to the commencement of a qualified city's fiscal year. The commission shall approve or disapprove the 4-year financial plan within 30 days of receipt. If disapproved, the commission shall provide rationale in writing for disapproval and a qualified city shall submit a revised plan within 15 days that comports with the commission's rationale for rejection. The commission shall approve or disapprove that revised plan within 15 days. The commission may also require adjustments to the financial plan to modify expenditures to satisfy debt service, adjust projected revenues to comply with financial controls or accounting practices, and reduce expenditures to conform to consensus revenue estimates if required in section 7 to comply with the provisions of section 4t of the home rule city act, 1909 PA 279, MCL 117.4t. If the qualified city fails to submit an acceptable financial plan, the commission may adopt and impose upon the qualified city a financial plan satisfying the requirements of this act and section 4t of the home rule city act, 1909 PA 279, MCL 117.4t, until that time as the qualified city submits an acceptable financial plan.

(5) Subject to a plan for adjustment and any collective bargaining agreements still in effect, the commission shall establish and maintain programs and requirements for the responsible fiscal management of that qualified city or qualified school district. The commission's programs and requirements shall include all of the following:

(a) Increased managerial accountability.  
(b) The streamlining of the provision of city or qualified school district services.  
(c) Improved collection of outstanding tax revenues.  
(d) Review of the compensation and benefits of city or qualified school district employees and recommendation of adjustments where necessary.

(6) Notwithstanding any charter provision or local ordinance to the contrary, all applicable contracts are subject to review and approval by the commission. The commission may consider a number of factors when

reviewing an applicable contract, including whether the applicable contract was subject to a competitive bid process. Only applicable contracts that are first approved by the governing body and mayor or chief executive officer of a qualified city or qualified school district as required by law, charter, ordinance, or policy are subject to review by the commission. If an applicable contract is not rejected by the commission within 30 days of its submission, that applicable contract shall be considered approved by the commission.

(7) A qualified city or qualified school district, when required by the commission, shall present written reports regarding its financial stability and shall permit the commission to audit or inspect financial statements, actuarial reports, revenue estimates, and any and all other documents, data, reports, or findings that the commission considers necessary to carry out its purpose under this act. The commission may require that qualified city's or qualified school district's chief financial officer to certify in writing the accuracy of any documents the commission requests.

(8) The commission shall, on June 1 and December 1 of each year in which the commission has oversight over a qualified city or a qualified school district, file a written report with the governor. A copy of the report shall be submitted to the senate majority leader and the speaker of the house of representatives and posted on the department of treasury website. A copy of the report shall be sent to the mayor or chief executive officer and governing body of the qualified city or qualified school district.

(9) Except as otherwise provided in this subsection, the commission shall approve all collective bargaining agreements, including any addendums to those agreements, to which that qualified city or qualified school district is a party after approval by the governing body and mayor or chief executive officer of the qualified city or qualified school district as required by charter or law. Collective bargaining agreements submitted to the commission shall not be executed unless and until the commission approves those agreements. Collective bargaining agreements approved by an emergency manager appointed under section 12 of the local financial stability and choice act, 2012 PA 436, MCL 141.1552, shall not be subject to commission approval under this subsection.

(10) For a qualified city, the commission may file supplementary information relating to the financial condition of the qualified city with an arbitration panel in arbitration proceedings in which the qualified city is a party pursuant to 1969 PA 312, MCL 423.231 to 423.247.

(h) Approve the appointment of the qualified school district's chief financial officer. # **ENROLLED HOUSE BILL No. 5567**

AN ACT to amend 1909 PA 279, entitled "An act to provide for the incorporation of cities and for revising and amending their charters; to provide for certain powers and duties; to provide for the levy and collection of taxes by cities, borrowing of money, and issuance of bonds or other evidences of indebtedness; to validate actions taken, bonds issued, and obligations heretofore incurred; to prescribe penalties and provide remedies; and to repeal acts and parts of acts on specific dates," (MCL 117.1 to 117.38) by adding sections 4s and 4t.

*The People of the State of Michigan enact:*

Sec. 4s. (1) Notwithstanding a charter provision or ordinance to the contrary, a city with a population of more than 600,000 shall establish the position of chief financial officer. The mayor of the city shall appoint the chief financial officer subject to the approval of the governing body of the city, and, if applicable, the financial review commission created in the Michigan financial review commission act. The chief financial officer shall have substantial experience with sophisticated municipal financial transactions, complex multidimensional governmental restructurings, governmental labor relations, health care benefits or pension matters, and local government management with governmental units having aggregate revenues of \$250,000,000.00 or more. Nothing in this section shall be construed to prevent a city with a population of more than 600,000 from adopting a charter provision or ordinance providing the responsibilities for a chief financial officer that are not inconsistent with this section.

(2) The chief financial officer appointed under subsection (1) shall report to the mayor and do all of the following:

(a) Supervise all financial and budget activities of the city.

(b) Coordinate the city's activities relating to budgets, financial plans, financial management, financial reporting, financial analysis, and compliance with the budget and financial plan of the city. If applicable, the functions and responsibilities of the chief financial officer shall be subject to approval by the financial review commission created in the Michigan financial review commission act.

(c) Certify that the city's annual budget complies with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a, and, if applicable, submit that certification to the financial review commission created in the Michigan financial review commission act.

(d) Submit in writing to the mayor and the governing body of the city his or her opinion on the effect that policy or budgetary decisions made by the mayor or the governing body of the city will have on the city's annual budget and its 4-year financial plan described in section 4t.

(3) The local elected and appointed officials and employees of the city shall promptly and fully provide financial information requested by the chief financial officer.

Sec. 4t. (1) Notwithstanding a charter provision or ordinance to the contrary, for a city with a population of more than 600,000, all of the following apply:

(a) The city and its officers, employees, agents, and contractors shall comply with the Michigan financial review commission act, if applicable.

(b) For each fiscal year beginning after the effective date of the amendatory act that added this section, the city shall adopt a financial plan covering that fiscal year and the next 3 fiscal years. If a 2-year budget is in effect for the city under section 21 of the local financial stability and choice act, 2012 PA 436, MCL 141.1561, the financial plan must be consistent with the 2-year budget. The financial plan shall be proposed by the mayor and approved by the governing body of the city. If applicable, a financial plan must be approved by the financial review commission created in the Michigan financial review commission act before it takes effect. A financial plan shall include, but not be limited to, all of the following information for each of the 4 fiscal years covered by the financial plan:

(i) A projection of all revenues and expenditures of the city for each fiscal year, including debt service.

(ii) A projection of cash flow for each fiscal year.

(iii) A schedule of projected capital commitments for each fiscal year.

(iv) Measures to assure that projected employment levels, collective bargaining agreements, and other employee costs are consistent with projected expenditures and available revenue.

(v) Measures to assure compliance with mandates under state and federal law consistent with projected expenditures and available revenue.

(vi) Measures to assure adequate reserves for mandated and other essential programs and activities in the event of an overestimation of revenue, an underestimation of expenditures, or both.

(vii) A statement of significant assumptions and methods of estimation used for projections included in the financial plan.

(viii) Any other information the mayor, governing body, or chief financial officer of the city considers appropriate.

(c) A financial plan adopted under subdivision (b) shall comply with all of the following requirements:

(i) Projected revenues and expenditures for each fiscal year covered by the financial plan shall result in a balanced budget according to generally accepted accounting principles, including compliance with the uniform budgeting and accounting act, 1968 PA 2, MCL 141.421 to 141.440a.

(ii) Include contributions necessary to assure that pension systems for employees and retirees of the city are adequately funded.

(iii) Provide for the issuance of or incurring of debt by the city only in compliance with the revised municipal finance act, 2001 PA 34, MCL 141.2101 to 141.2821, and the Michigan financial review commission act, if applicable.

(iv) Provide for the payment in full of debt service on all debt issued or incurred by or on behalf of the city.

(v) Provide for operations of the city to be conducted with projected cash resources based upon projected cash flow for each fiscal year.

(vi) Include a general reserve fund for each fiscal year to cover potential reductions in projected revenues or increases in projected expenditures equal to not less than 5% of the projected expenditures for the fiscal year.

(vii) For each fiscal year, provide for the elimination of any deficit incurred in the prior fiscal year according to generally accepted accounting principles.

(viii) Rely upon revenue and expenditure projections based upon reasonable and appropriate assumptions and methods of estimation.

(ix) Rely upon cash flow projections based upon reasonable and appropriate assumptions as to sources and uses of cash, including timing.

(d) The city shall hold a revenue estimating conference in the second week of September and in the third week of February of each year. A revenue estimating conference shall be subject to all of the following:

(i) The principals of a conference shall be the chief financial officer of the city, the state treasurer or his or her designee from within the department of treasury, and a person affiliated with another public entity, including a state institution of higher education, with experience in economic forecasting and revenue projection selected by the chief financial officer of the city and the state treasurer.

(ii) A conference shall establish an official economic forecast of major variables of the national, state, and local economies. A conference also shall establish a forecast of anticipated revenues of the city as the conference determines.

(iii) The official forecast of economic and revenue variables of the conference shall be determined by consensus among the conference principals and shall be for the fiscal year in which the conference is being held and the succeeding 2 fiscal years. The conference also shall forecast general fund revenue trendline projections for the city for an additional 2 fiscal years. Conference forecasts of revenues and expenditures shall be based upon the assumption that current law and administrative procedures will remain in effect for the forecast period.

(iv) The conference may request and shall receive from officers, departments, agencies, and authorities of the city the assistance and data needed to enable the conference to fulfill its duties.

(v) The principals of the conference shall determine procedures to be used by the conference including procedures for conference sessions and presentations by persons, except that any final action establishing an official forecast shall require the unanimous support of all principals. A conference shall complete its work within a period of not more than 5 days unless extended by consensus of the principals.

(vi) Meetings of a conference are subject to the open meetings act, 1976 PA 267, MCL 15.261 to 15.275.

(vii) A principal shall preside over conference sessions, convene conference sessions, and specify topics to be included on the conference agenda. The responsibility of presiding over sessions of the conference shall be rotated annually among the principals, with the initial chairperson being elected by the principals. The chairperson presiding over a conference is responsible for setting the conference date and preparing and distributing the necessary documents before the conference, including comparisons between alternative information where a comparison is warranted. Upon the written request of a principal, a conference shall be convened by the chairperson.

(viii) A writing prepared, owned, used, in the possession of, or retained by the conference in the performance of an official function is subject to the freedom of information act, 1976 PA 442, MCL 15.231 to 15.246.

(ix) A conference shall distribute its economic and revenue forecasts to the mayor of the city, the governing body of the city, and, if subject to the Michigan financial review commission act, the financial review commission. The city shall publish the forecasts on its website.

(x) If the city is subject to the Michigan financial review commission act, the city may be required to amend its revenue estimates pursuant to an order or directive of the financial review commission created in the Michigan financial review commission act.

(e) The mayor of the city may veto a line item appropriating money in an appropriations ordinance. The portion of the appropriation approved is effective. The item disapproved is void unless reauthorized according to the procedures prescribed in charter or law for the adoption of ordinances over a veto.

(f) If, during a fiscal year, expenditures for the city exceed revenues, the mayor may, subject to the approval of the governing body of the city, authorize by executive order the reduction of line-item expenditures during that fiscal year.

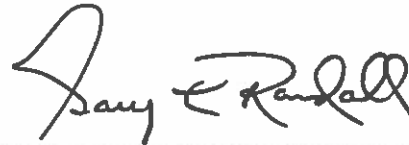

(g) Beginning on the effective date of the amendatory act that added this subdivision, the city shall post on its website copies of both of the following:

(i) Within 30 days of the contract award, each contract entered into by the city during each fiscal year.

(ii) All contracts in which the city is a party that are in effect during each fiscal year.

(2) For the fiscal year ending September 30, 2015, \$100,000.00 is appropriated from the general fund/general purpose to the department of treasury to administer the provisions of this section and section 4s.

This act is ordered to take immediate effect.

**DETROIT FINANCIAL REVIEW COMMISSION**

**RESOLUTION 2018-13**

**GRANTING WAIVER PURSUANT TO SECTION 8  
OF THE MICHIGAN FINANCIAL REVIEW COMMISSION ACT**

WHEREAS, Public Act 181 of 2014, as amended, the Michigan Financial Review Commission Act (the "Act") created the Detroit Financial Review Commission (the "Commission") to provide specified supervision of certain activities and actions of the City of Detroit (the "City") beginning on December 10, 2014; and

WHEREAS, the Act charges the Commission with, among other things, (a) ensuring that the City is meeting certain statutory requirements, (b) reviewing and approving the City's budgets and certain contracts, and (c) establishing processes to ensure effective prudent fiscal management; and

WHEREAS, Section 8 of the Act provides a mechanism whereby the Commission waives the duties and obligations of the City to the Commission enumerated in Sections 6 and 7 of the Act if and when the conditions enumerated in Section 8 have been satisfied; and

WHEREAS, at the Commission meeting on April 30, 2018, documentation that the City has satisfied the conditions enumerated in Section 8, attached as **Exhibit A** to this Resolution, was presented for consideration.

WHEREAS, Section 8 of the Act further requires the Commission to continue to monitor the City's financial condition and performance, and to determine on an annual basis whether to continue to provide a waiver of the City's duties and obligations under Sections 6 and 7 of the Act,

using the same assessment as used for granting the initial waiver, including whether the City “has sufficient ability to borrow in the municipal securities market,” MCL 141.1638(2)(d); and

WHEREAS, the Act requires the City to continue to submit a 4-year financial plan, even after an initial waiver is granted, on an annual basis, “in a form and manner the Commission considers appropriate,” MCL 141.1637(b); and

WHEREAS, the Act also requires the Commission to monitor whether financial distress exists or there is a substantial likelihood of financial distress imminently occurring that would cause the Commission to rescind its waiver; and

WHEREAS, to adequately discharge its duties under the Act after granting the initial waiver, and to satisfy the Commission that the City will, among other things, remain able to “borrow in the municipal securities market,” MCL 141.1638(2)(d), the Commission will continue to need certain reports and information from the City after the initial waiver is granted; and

WHEREAS, the Mayor and Chief Financial Officer of the City have consulted with the Commission and support this resolution;

**NOW THEREFORE**, be it **RESOLVED** by the Detroit Financial Review Commission as follows:

1. That the conditions set forth in Section 8(2) have been satisfied and therefore, the City’s duties and obligations to the Commission under Sections 6 and 7 of the Act are waived through and including June 30, 2019, subject to the terms and conditions of the Act, including Section 8.
2. That pursuant to its statutory obligations, the Commission will review the waiver annually and, by July 1 of each year, make a determination as to whether to renew the waiver for the subsequent year.

3. That this waiver, and any subsequent waivers, will be reviewed and acted upon by the Commission upon timely submission of the following information and reports to the Commission:

a. Within 45 days after the end of each month:

i. Current fiscal year-to-date actuals to budget and annualized projections, in the form provided to the Commission by the City during the twelve months prior to the commencement of the waiver period, as may be modified after consultation and approval by the Commission's Executive Director and the City's Chief Financial Officer.

ii. Monthly headcount analysis, in the form provided to the Commission by the City during the twelve months prior to the commencement of the waiver period, as may be modified after consultation and approval by the Commission's Executive Director and the City's Chief Financial Officer.

iii. Current fiscal year-to-date net cash flows, including a current ratio analysis, in the form provided to the Commission by the City during the twelve months prior to the commencement of the waiver period, as may be modified after consultation and approval by the Commission's Executive Director and the City's Chief Financial Officer.

b. Within 45 days of the end of each quarter, a report on the current status of bond debt, payments made to the City's pension plans, and payments made to the City's Section 115 Trust for its legacy pension obligations.

c. On an annual basis:

i. By March 31st of each year, (A) analysis and forecasts for the legacy pension plans in the form substantially similar to those previously provided to the Commission by the City prior to the waiver period, as may be

modified after consultation and approval by the Commission's Executive Director and the City's Chief Financial Officer; and (B) analysis that confirms the City's ability to pay its debt obligations through the period of time the City is subject to the Commission's oversight.

ii. By April 30th of each year, the City's adopted Budget and 4-Year Financial Plan.

4. That during any waiver period, the Commission will continue to meet monthly. At these monthly meetings, the Commission's Executive Director will make a presentation to the Commission addressing whether financial distress has or is about to occur as provided in the Act. If financial distress is detected, the Commission's Executive Director will recommend the waiver be rescinded. At the second regularly scheduled meeting after each quarter end, the City will provide a financial update to the Commission which shall include, at a minimum, the reporting requirements stated in Section 3(a) of this Resolution.

5. That the minutes of the Detroit Financial Review Commission meeting at which this Resolution is adopted take notice of the adoption of this Resolution

6. That this Resolution shall have immediate effect and the terms of this Resolution will remain in effect until the earliest of (i) the rescission of a waiver pursuant to Section 8(3) of the Act; (ii) the expiration of the initial waiver or any subsequent waiver and no renewal of the waiver is granted under Section 8(2) of the Act; (iii) the release of the City from oversight of the Commission after 10 consecutive years of waivers pursuant to Section 12(3) of the Act; or (iv) the Commission's dissolution after 10 consecutive years of waivers pursuant to Section 12(1) of the Act.

IN WITNESS WHEREOF, the members of the Commission, or their designees, have signed and adopted this Resolution.
