Dear Angels' Night and Halloween In The D Sponsor:

Over the last 30 years, the City of Detroit has solicited donations and recruited volunteers for our traditional anti-arson campaign, Angels Night. This year marks a major shift in our focus. From now on, Halloween in Detroit isn't going to be about fear, it's going to be about fun.

Welcome to our **First Annual "Halloween In The D"**, a family friendly celebration of Halloween.

After three straight years of decline in the number of fires during October 29-31, the City of Detroit Department of Neighborhoods will instead organize Halloween activities during these three days at police precincts, fire stations and City recreation centers. This year will also feature 4 haunted parks, including at Spirit Plaza downtown, and 7 community meals, one in each district, to celebrate and recruit volunteers for year-round neighborhood radio patrols.

Your sponsorship this year will go toward our effort to give Halloween back to Detroit kids, supporting trunk or treat at police and fire stations, adopting one of our haunted parks, sponsoring one of the district community meals, or providing support for neighborhood radio patrols. Enclosed you will find a pledge form and information on various sponsorship levels and activities.

If you have any questions, please contact Chelsea Neblett, Volunteer Coordinator neblettc@detroitmi.gov or call: (313) 224-9008.

Thank you for your commitment to the City of Detroit and to our first **Halloween In The D 2018**. Your support will help us celebrate this new chapter in Detroit's history and contribute to making Detroit's neighborhoods great places to live.

Sincerely,

A handwritten signature in black ink that reads 'Michael E. Duggan'.
