5 COMMISSIONER BELL: Good afternoon.

6 ATTENDEES: Good afternoon.

7 COMMISSIONER BELL: Thank you. Welcome to our
8 weekly afternoon meeting. I'm Police Commissioner Willie
9 Bell. I represent District Four. I serve as Chair of the
10 Board when we conduct our meeting today. On behalf of the
11 Board, for those in attendance, thank you for joining us.
12 For people viewing this meeting on your government cable
13 channel, thank you for viewing our meeting. Commissioner
14 Elizabeth Brooks asked to be excused.

15 Today is another day of sadness for the Detroit
16 Police Department and the City of Detroit. Retired Detroit
17 Police Officer Hugh Burrell, better known as...The Blue
18 Pigs. Come on now, some of you are well aware of this
19 brother and the Blue Pigs. They had historic involvement
20 with community and with children all over the city of
21 Detroit, Metropolitan Detroit, and so many years. And he
22 was the lead person singer. Just a great person.

23 Badge Number 1416 passed away on September 17,
24 2018. He graduated from Northern High School in 1962. He
25 joined the army, 101st Airborne, which is an elite unit.

1 You military persons know that, right.

2 UNKNOWN SPEAKER: Yes, sir.

3 COMMISSIONER BELL: There you go. He joined the
4 police department in 1969. And one of the most celebrated
5 contributions that he made to the Police Department was the
6 formation of The Blue Pigs. He was one of the founding
7 members. That's my understanding. It was band, but it was
8 more than just a band. It really was a community effort in
9 terms of them bringing and interacting, especially with
10 young people. It was one of the most popular communication
11 arms of the department. The Blue Pigs performed in every
12 community in Detroit and Southeast Michigan. After
13 retiring from the department in 1981 Hugh took on a second
14 law enforcement career as a security office at the U.S.
15 District Court.

16 On behalf of the Board and the Department we send
17 our support and fellowship to the family of Hugh Burrell.
18 Visitation will take place on September 21st, at 4:00 p.m.
19 at Kim Funeral Home, 24585 Evergreen, Southfield, Michigan.
20 Funeral service will be on Saturday, September 22, 2018
21 starting at 11:00 a.m. at Plymouth United Church of Christ,
22 600 East Warren. I ask for a moment of silence for
23 Officer Burrell.

24 (At 3:06 p.m., moment of silence observed)

25 COMMISSIONER BELL: Thank you. Invocation will

1 be given by Police Chaplain Sam Wilson. Would you come to
2 the mic, please? And thank you.

3 CHAPLAIN WILSON: I invite you to bow your heads
4 in prayer.

5 (At 3:06 p.m., invocation given)

6 COMMISSIONER BELL: Thank you, Chaplain.

7 COMMISSIONER HOLLEY: Very nicely done.

8 COMMISSIONER BELL: I like the that oversight and
9 insight. The Lord impressed. Really appreciate, and we
10 thank you.

11 CHAPLAIN WILSON: You're welcome.

12 COMMISSIONER BELL: I'm going to ask the
13 commissioners to introduce themselves starting to my right.

14 COMMISSIONER DAVIS: Good evening. My name is
15 William Davis, District 7.

16 COMMISSIONER BURCH: Good afternoon. My name is
17 Commissioner Shirley Burch, District 3.

18 COMMISSIONER BROWN: Good afternoon. I'm
19 Commissioner Darryl Brown, District 1.

20 COMMISSIONER CARTER: Good afternoon. Lisa
21 Carter, District 6.

22 COMMISSIONER HOLLEY: Jim Holley. Good
23 afternoon. And I'm At-Large.

24 COMMISSIONER DEWAELSCHE: Eva Dewaelsche,
25 At-Large.

1 COMMISSIONER BELL: Thank you, commissioners.

2 Mr. Hicks, would you introduce staff. Before
3 that I just want to introduce Chief James Craig to my far
4 left table. Thank you.

5 Mr. Hicks.

6 MR. HICKS: Thank you, Mr. Chair. I do want to
7 indicate that you do have a quorum present.

8 COMMISSIONER BELL: Thank you, sir.

9 MR. HICKS: And secondly, that there is an error
10 on the agenda. Under the resolution sections we have A, B,
11 and C. A is actually taken up as part of the presentation
12 on towing. So that resolution will not be taken up until
13 after that particular presentation. So if you can just
14 make that correction. And with that, I do want to indicate
15 that Sergeant Quinn is recording today's meeting. Media
16 Services is providing the audio visual work, and Donna
17 Williams is the court reporter for the day. And then I
18 look immediately to my right. Robert Brown, who is with
19 our office, is sitting on the first row. Mr. Wyrick, who
20 is Legal; Ms. Johnson, who is physical; Ms. Blossom, who is
21 Media; and Ms. White who is Policy. And I was looking at
22 Ms. Bridget Lamar, who's on the opposite side of the room
23 in the second row, who is the interim director for the DPD
24 Personnel. And then we'll go to Dr. Polly McCalister who
25 will introduce herself as well as the other members who are

1 employed by the Office of the Chief Investigator.

2 MS. MCALLISTER: Good afternoon, board. I'm
3 Polly McCalister, chief investigator. And attending
4 today's meeting is Supervising Investigator Lawrence Akbar,
5 Senior Investigator Madrigal, Investigator Coleman,
6 Investigator Stanton, Investigator Coulter, Investigator
7 Stewart, and Investigator James.

8 COMMISSIONER BELL: Thank you, chief
9 investigator.

10 Chief, Craig, would you introduce DPD?

11 CHIEF CRAIG: Starting with Assistant Chief James
12 White, and you can go around, please.

13 (At 3:11 p.m. self-introduction of DPD Chief's
14 Office staff)

15 COMMISSIONER BELL: Thank you. You paused.

16 (Continuation of self-introduction of DPD
17 chief's Office staff)

18 COMMISSIONER BELL: Thank you. Is that it?
19 Commissioner Burch said you didn't say where you was from,
20 young -- Nicholson. Can you stand up. You're from the
21 11th Precinct?

22 POLICE OFFICER: Yes, sir.

23 COMMISSIONER BELL: Okay.

24 COMMISSIONER BURCH: There you go.

25 COMMISSIONER BELL: Thank you for all your

1 attendance DPD staff.

2 Do we have any elected officials in attendance?

3 I see a young man from District 2.

4 COUNCILMAN MCALLISTER: Councilman Roy

5 McAllister. Detroit City County, District 2.

6 COMMISSIONER BELL: Thank you for your

7 attendance.

8 COUNCILMAN MCALLISTER: Thank you.

9 COMMISSIONER BELL: Any others? Any
10 representatives of any elected officials?

11 CITIZEN: Albert Martin. I'm with Councilman
12 McAllister.

13 COMMISSIONER BELL: Thank you.

14 So we finished introduction. Thank you for all
15 your attendance. And to my left is Commissioner Willie
16 Burton from District 5.

17 COMMISSIONER BURTON: How you doing, Mr.
18 Chairman.

19 COMMISSIONER BELL: Good to see you this
20 afternoon. Thank you.

21 I'm going to ask the commissioners to approve the
22 agenda for this afternoon's meeting, September 20th.

23 COMMISSIONER BROWN: So moved.

24 COMMISSIONER DAVIS: Second.

25 COMMISSIONER BELL: It's been properly moved and

1 supported.

2 Discussion? Those in favor aye.

3 THE BOARD: Aye.

4 COMMISSIONER BELL: Those opposed? Motion
5 carried.

6 The next item would be approval of September 6,
7 2018 minutes.

8 COMMISSIONER DAVIS: So moved.

9 COMMISSIONER HOLLEY: Support.

10 COMMISSIONER BELL: Been properly moved and
11 supported.

12 Discussion? Those in favor aye.

13 THE BOARD: Aye.

14 COMMISSIONER BELL: Those opposed? Motion
15 carried.

16 The next item will be approval of September 13,
17 2018 minutes.

18 COMMISSIONER BROWN: So moved.

19 COMMISSIONER BELL: It's been properly moved.

20 Discussion? Those in favor aye.

21 THE BOARD: Aye.

22 COMMISSIONER BELL: Those opposed? Motion
23 carried. Thank you.

24 Next item on the agenda is for the chairman's
25 remarks.

1 On behalf of the Board I want to express our
2 concern and support for fallen and injured officers. Our
3 concern for officer safety and citizen protection
4 continues. Our Board receives a weekly report from the
5 department listing injured officers. I would ask the chief
6 of police during his remarks to provide us with any
7 additional information related to injured and fallen
8 officers.

9 The Board of Police Commissioners meet every week
10 except for the Thanksgiving and Christmas holiday period.
11 We meet at police headquarters in a regular session three
12 weeks in a month on Thursday at 3:00 p.m. We also meet in
13 the community every second Thursday of the month at 6:30
14 p.m.

15 Under the Detroit City Charter, Article 7,
16 Chapter 8, the Board of Police Commission is empowered to
17 provide civilian oversight and supervised control of the
18 police department. Our citizens are justified in asking,
19 how does civilian oversight or law enforcement help you as
20 a citizen within our community? Our answer is, we protect
21 the civil rights of citizens. Oversight organization like
22 The Board of Police Commissioners are in the forefront of
23 investigating, reviewing, and auditing individual cases of
24 citizen complaints and pattern of operations by police
25 agency to eliminate misconduct, discriminatory police

1 practices, or unnecessary use of force by police. Our work
2 is based on your voting and supporting effective policing.
3 Mutual trust and respect between the police and community
4 is critical toward increasing the quality of life for
5 residents and businesses to Detroit.

6 The Board of Police Commissioner exist to provide
7 civilian oversight for the work of the Detroit Police
8 Department. As a board we receive and investigate
9 noncriminal citizen complaints, monitor operations of the
10 department, and work with the mayor and the chief of police
11 to make or modify police policy.

12 Before outlining the order of the meeting, I also
13 want to indicate that we will be acknowledging the heroic
14 work of Chaplain Cedric Wyckoff who saved the life of a
15 citizen in an incident occurring on the Detroit Princess.
16 We'll also have a resolution for Officer Burrell. These
17 two resolutions will be taken up under resolutions.

18 I would like to share several concerns and
19 issues. The chief of police launched a special partnership
20 with Kiefer Foundation. Kiefer Foundation was organized
21 under the life of Michael Kiefer who was tragically killed
22 in the automobile accident of 2016. The accident was
23 caused by another driver who was distracted while driving.
24 I ask the chief to expand on activities and purpose of this
25 partnership during the chief's remarks.

1 Additionally I would like the chief to provide
2 some information on investigation into the death of a
3 five-year-old girl and the shooting of her mother, Dejiza
4 Coleman, on Lyndon Street. And we know it's an ongoing
5 investigation. If you just share whatever that you can
6 possibly share.

7 According to the newspaper count, trial
8 investigation from the shooting of five-year-old girl and
9 her mother on Lyndon led to a surveillance operation, a
10 breach of home in another part of the city where DPD
11 officer-involved shooting occurred. Still this incident
12 led to additional operation where arrest occurred.

13 The press is reporting that two of the suspects
14 in this case have been released. I would ask the chief to
15 provide whatever update he can perhaps provide at this
16 time.

17 Today we have a resolution, I mentioned, for the
18 chaplain and Officer Burrell.

19 And first presentation will be about a program
20 initiated by the chief of police to address several issues
21 related to police towing. The chief proposed operation of
22 Detroit Police Department control civilian tow program.
23 The chief has drafted a resolution that was circulated in
24 advance for your review and consideration, commissioners.
25 Assistant chief James white will present the program and

1 discuss any concerns the Board might have in creating this
2 program.

3 I should also note that after briefing on the
4 program by Chief Craig, I asked staff to grab some
5 questions on the program. It is my expectation that these
6 questions will be incorporated into Assistant Chief White's
7 presentation. The Board has also asked that the answers to
8 these questions be provided to the Board in writing within
9 30 days. The second presentation is Detroit identification
10 card. This will take place made by Dr. Paula -- Cash
11 [sic]?

12 Toward the end of the meeting we will have oral
13 communication. Please make sure you print your name on a
14 speaker card. Cards are located in the back of the table
15 or can be obtained by seeing Mr. Brown. He needs your card
16 before beginning of public comments.

17 And now we're going to go to the resolution. And
18 I'm going to ask Commissioner Burch to address the chaplain
19 of the 11th Precinct resolution. So if you would call him
20 up and --

21 COMMISSIONER BURCH: Chaplain Wyckoff, where are
22 you? Do I go out there?

23 COMMISSIONER BELL: Yes, ma'am, if you can go out
24 there, please.

25 COMMISSIONER CARTER: The cards go up here.

1 CITIZEN: We need more cards.

2 MR. HICKS: The resolution -- it's actually an
3 appreciation. And apparently it's upstairs, and it's
4 coming down. So if we could move to the -- just to the
5 next one, and then we can come immediately back.

6 COMMISSIONER BELL: Thank you. We're going to
7 have the vice chair speak to the resolution. And chaplain
8 is going to receive a Certificate of Appreciation. Sorry
9 about the miscommunication on that. We should be with you
10 momentarily.

11 COMMISSIONER BROWN: Resolution Honoring Retired
12 Police Officer Hugh Lawrence Burrell (Posthumously).

13 WHEREAS Mr. Hugh Burrell graduated from Detroit Northern
14 High School in 1962. He was appointed to the
15 Detroit Police on February 17, 1969, after
16 serving a tour of duty in the United States Army
17 with the 101st Airborne Division. Upon
18 graduating from the Detroit Metropolitan Police
19 Academy he began his career at the Fifth
20 Precinct.

21 WHEREAS Officer Burrell was assigned to the Western
22 Division Mobile Unit Community Relations Section
23 (P.A.L.), 15th Precinct, Crime Prevention
24 Section, Public Information Office which was
25 later changed to the Detroit and other cities

1 around the country. He helped organize the group
2 and served as a musician, lead vocalist and
3 spokesperson. The Blue Pigs became a community
4 relations icon among children and educators; and

5 WHEREAS Officer Burrell has shown dedication to the
6 offices and duties as a public servant, as
7 evidenced by the awards he received, which
8 include (1) GOP Commemorative Award, (1)
9 Presidential Letter of Appreciation from former
10 United States President Ronald Reagan, (4)
11 Chief's Unit Awards, (1) Citation, (1) Lifesaving
12 Citation and Medal, (1) Departmental Citation and
13 Medal, several Perfect Attendance Awards, Letters
14 of Appreciation from supervisors and other law
15 enforcement agencies and citizens; and

16 WHEREAS Officer Burrell has willingly served the Detroit
17 Police Department, the citizens of Detroit and
18 its communities for over 29 years. His
19 professionalism, community beliefs, and high
20 standards of service has been a credit to the
21 department and the community.

22 NOW, THEREFORE, BE IT

23 RESOLVED That the Detroit Board of Commissioners,
24 speaking on behalf of the citizens of Detroit,
25 awards this resolution in recognition of Officer

1 Hugh Burrell's 29 years of outstanding service.
2 His commitment to protect and serve the citizen
3 says of the City of Detroit and the Detroit
4 Police Department merits our highest regards and
5 best wishes for a long, happy --

6 We salute and congratulate Police Officer
7 Hugh Lawrence Burrell's service to the City of
8 Detroit, Badge 1416.

9 Detroit Board of Police Commissioners.

10 COMMISSIONER CARTER: Mr. Chair, move adoption of
11 the resolution honoring retired Police Officer Hugh
12 Lawrence Burrell (posthumously).

13 COMMISSIONER DAVIS: And I support that.

14 COMMISSIONER BELL: It's been properly moved and
15 seconded.

16 Discussion? Those in favor, aye.

17 THE BOARD: Aye.

18 COMMISSIONER BELL: Those opposed? Motion
19 carried.

20 Thank you, vice chair. We definitely will be
21 presenting that on Saturday morning for the Burrell family,
22 so you can keep.

23 I was going to turn next to Chief Craig, but he
24 stepped out for a moment. If not, we will move to -- I'll
25 see if he's going to step back. If not we can move to AC

1 White. Thank you, Chief. You have the mic.

2 CHIEF CRAIG: Good afternoon.

3 ATTENDEES: Good afternoon.

4 CHIEF CRAIG: As I indicated, I'll talk first
5 about crime, and I'll move into some of the concerns with
6 the Kiefer Foundation five-year-old shooting. And I'm
7 going to let Commissioner Lamar deal with the BOPC
8 Officers' Report.

9 As of today we're down seven homicides. We're
10 down seventy-nine fatal shootings. Overall violent crime
11 year-to-date is down 3%. Overall property crime is down
12 10%, with a part one reduction of 8%. So they're not the
13 numbers we were looking for. We're still down in
14 homicides. And even though we ended last year in the
15 lowest number in 50 years, still only being down seven. So
16 the work continues. Progress, yes. A success, I'm not
17 claiming success. But I have to applaud the great work by
18 the men and women of the police department. We had what I
19 consider a very successful Cease Fire Call-in on a couple
20 weeks back. And I think those have a profound impact on
21 reducing gang and group violence.

22 The Kiefer Foundation and distracted driving. I
23 had a chance several weeks ago to sit with an individual
24 who owns a company in Southwest Detroit. During that
25 conversation we started talking about Mr. Kiefer, and I

1 think it was already -- talked about his son. His son's
2 death was two years ago, I think it was, yesterday. And so
3 he started a campaign, started a foundation with lots of
4 support to educate the community on distracted driving.

5 We in the police department know it's a big
6 issue. Unfortunately, here in the state of Michigan,
7 unlike other states -- when I came from California there
8 was no hands free law. It probably should be given that
9 even just talking on a handset can be construed as
10 distraction. And then you add on to that individuals who
11 want to text. I cited during my press the situation
12 happened earlier in the month outside the state where an
13 eight-year-old child and mother were killed because of a
14 distracted driver. In this instance the driver did admit
15 to rear-ending that family and tragically, again, the
16 mother and the daughter was killed. So it's a problem.

17 Our reason for partnering is just that, you know,
18 in a very unified way to let the public know that we take
19 it seriously. We take the whole issue of traffic very
20 seriously in this city. In fact, ironically we had been in
21 conversations over the last month. We all respect and
22 understand the impact that the Neighborhood Police Officer
23 initiative has had. So we thought with the number of
24 traffic complaints that we get, we're going to have two
25 traffic NPOs assigned to our Traffic Enforcement Unit. One

1 will handle all traffic complaints on the eastside. The
2 other will handle all complaints on the west side. I know
3 Commissioner Burch is probably happy to hear that.

4 COMMISSIONER BURCH: Yes, sir.

5 CHIEF CRAIG: You will have a traffic NPO --

6 COMMISSIONER BURCH: Thank you.

7 CHIEF CRAIG: -- that will facilitate and work
8 with our precinct level NPOs in dealing with traffic
9 complaints. You know, it's a quality of life issue, and we
10 take it very seriously. And I'll be more than happy to
11 take questions on that at the appropriate time.

12 And then certainly an update on the tragic
13 shooting of the five-year-old and critically injured mother
14 that was there. Let me start my comments on the list by
15 saying our heart and prayers go out to that family. Even
16 though there are times where the police department, in this
17 case the Detroit Police Departments, has to use deadly
18 force we certainly -- our thoughts and prayers go out to
19 the family. This was tragic. Certainly our officers don't
20 wake up in the morning looking to use deadly force.

21 Let me clarify a few points that have emerged
22 over the last few days. What's been said is that we went
23 to the wrong house. Factually, not true. We did go to the
24 right house.

25 I will at this point want to commend our homicide

1 team for their relentless, and I do mean relentless
2 follow-up, on this matter on the shooting death of the
3 five-year-old. As they continued very aggressively in
4 their investigation, we got a vehicle description. A
5 vehicle left the scene of the homicide of the
6 five-year-old, and we followed that evidence. And it took
7 us to a location where we got a search warrant signed by a
8 judge.

9 We also had information of a suspect who would be
10 at that location. We executed that search warrant. We
11 were at the right location. We recovered the vehicle. We
12 did arrest the person that -- of interest that we were
13 looking for at that location. Unfortunately, as we
14 executed -- and as I pointed out in my initial remarks, on
15 that day, the first -- the first events that took place
16 once our SRT team converged on the location -- I also
17 indicated that this was a high risk warrant search.

18 Any time we executed warrants involving a murder
19 suspect it becomes high risk. So as our officers respond
20 to a location and before, not after, before deploying a
21 distraction device they announce their presence. They
22 announce search warrant. And after several repeated times
23 of saying that, they deploy the distraction device. Soon
24 after the deployment of the distraction device, the
25 officers breached the door. And as they entered you could

1 hear the point officer, the one who used deadly force,
2 saying get down or something to the effect, get down
3 several times, and then there was shots fired.

4 Some of the criticism was we went to the wrong
5 house; we got the wrong suspect. In fact, while this
6 person that we ended up using deadly force on was not
7 identified as part of this investigation; however, I cannot
8 conclusively say that he's not involved in it, because that
9 investigation is still ongoing. What I can say, as I
10 indicated, I saw the video involving the announcements of
11 get down, search warrant, Detroit Police Department. What
12 I also say -- what I also saw, as did my team, that this
13 suspect prior to the shooting was in fact holding the gun.
14 I saw it. My team saw it. But I don't want to go into
15 much more detail than that because, as the chairman pointed
16 out, this is still a very active investigation.

17 And I want to also point out that on last week
18 the Wayne County Prosecutor contacted our investigators and
19 expressed some concern on the Detroit Police Department
20 doing this investigation. And the one concern they had is
21 they cited something called res gestae, which means
22 witness.

23 Our homicide investigator team -- as you know,
24 because we were investigating the homicide of the
25 five-year-old, we also prepared the warrant at the location

1 where the officer involved shooting occurred, we could not,
2 should not do the subsequent officer involved shooting
3 investigation.

4 The argument was made, I did agree with the
5 prosecutor's office, that we shouldn't -- we turn this
6 investigation specific to the officer involved shooting
7 over to the Michigan State Police. Michigan State Police
8 has the investigation as of, I want to say, last Saturday.
9 They was a detailed dispatch from the Flint office [sic].
10 So they are doing that investigation. I respect the fact
11 that they are doing the officer involved shooting.

12 And the one reason I wanted to share with you the
13 fact that this suspect was holding a weapon, is because I
14 think it's important in the interest of transparency the
15 fact that there are some in the community suggesting, one,
16 we hit the wrong house; suspect was unarmed, which he was
17 armed, and he was not the suspect we were looking for. We
18 were, again, at the right location. The person that we
19 were looking for was at that location and was detained and
20 arrest, and released.

21 As you pointed out in your earlier remarks,
22 both -- the two suspects we did arrest we did release.
23 There's a requirement of 48 hours. It was not enough to
24 charge either suspect. But that does not mean that at some
25 point they will not be charged. So that investigation

1 continues. And that concludes my report. And I'm eager to
2 take any questions you might have.

3 COMMISSIONER BELL: Commissioners, any questions
4 for the chief?

5 COMMISSIONER DAVIS: Yes.

6 COMMISSIONER BELL: Yes, sir. To my right.

7 COMMISSIONER DAVIS: A few things, young man.

8 CHIEF CRAIG: Did you say young man?

9 COMMISSIONER DAVIS: I said young man.

10 CHIEF CRAIG: I appreciate that, seeing as I just
11 had a birthday.

12 COMMISSIONER DAVIS: I know. Question about the
13 Green Lights. I know a station owner that's thinking about
14 getting that called and asked me about one today. And do
15 they have the ability to review or look back on anything in
16 it that that's being filmed.

17 CHIEF CRAIG: They do. And if I stand in error,
18 they have the ability as we do. We have a live feed that
19 comes into our Real Time Crime Center. We have the ability
20 to extract. They also have the ability to review.

21 COMMISSIONER DAVIS: Okay, good. I'll let the
22 station owner know that.

23 CHIEF CRAIG: And if the station owner has any
24 questions please contact Trisha Stein in our office or
25 Assistant Chief White. They'll be more than happy to walk

1 them through how that works.

2 COMMISSIONER DAVIS: Also I was at a Board of
3 Water Commissioner's meeting yesterday. And one of the
4 commissioners and a number of people was sort of alarmed
5 about the massive number of police officers that was there.
6 Is there a reason why you have like ten or twelve police
7 officers that are going to the Board of Water Commissioner
8 meeting.

9 CHIEF CRAIG: I'm unaware of any Detroit Police
10 officers being at the Water Board meeting. If anyone on my
11 staff is aware of it. I do know that the water board does
12 have a security team.

13 COMMISSIONER DAVIS: Yes.

14 CHIEF CRAIG: Uniformed officers. There was an
15 incident at a prior meeting, and I think there was some
16 type of interaction. It didn't go very well. Detroit
17 Police were accused for it, but we weren't even present.
18 Now we may have had a request to be present. I don't think
19 we would have twelve.

20 COMMISSIONER DAVIS: It was quite a few. In fact
21 --

22 CHIEF OF POLICE: Do we know factually they were
23 Detroit Police officers?

24 COMMISSIONER DAVIS: We know factually. I seen
25 them myself.

1 CHIEF CRAIG: You seen badges. Okay.

2 COMMISSIONER DAVIS: And also even one of the
3 Board of Water Commissioners complained to me about the
4 fact of being so many there that she felt it discouraged
5 some people from coming to the meeting.

6 CHIEF CRAIG: Yeah, we certainly wouldn't want to
7 do that. I will tell you that given the mayor's last
8 meeting and the anger, even I found myself pinned against
9 the wall to explain the differences of drainage fees. I
10 mean, I didn't come up in the water department, but I've
11 gotten a lesson that those businesses that have Green Space
12 certainly there's an opportunity for that water, as you
13 know. I know you know it very well.

14 Does anyone on my team aware of this request for
15 Detroit Police officers?

16 DC BARREN: Deputy Chief Barren. So I'm not
17 aware of that either. I know that the water department has
18 reached out to us for assistance next week. They expect
19 protestors to be at one of their facilities. For this one
20 let's get that information to them.

21 CHIEF CRAIG: Are you aware of it, Todd?

22 DC BETTISON: Yeah, I got a call about council
23 member Ayers; said that it appears to be some police
24 officers in the area. So I called Communications and was
25 informed that they were at the water board. And then I

1 followed up with the commander, and it was a request that
2 was made to have police presence there.

3 COMMISSIONER DAVIS: That many though?

4 DC BETTISON: I didn't know it was twelve police
5 officers there.

6 CHIEF CRAIG: Who's the commander?

7 DC BETTISON: Commander of the Eight Precinct,
8 Commander Pritchett.

9 CHIEF CRAIG: Okay, I'm going to follow up with
10 that. Because, I mean, I understand some of the tension
11 associated. But before somebody makes a unilateral
12 decision to deploy twelve Detroit police officers they got
13 to come from somewhere.

14 COMMISSIONER DAVIS: I can see two, but twelve?
15 That's crazy.

16 CHIEF CRAIG: Yeah, unless there's a specific
17 request.

18 COMMISSIONER DAVIS: I think that's a waste of
19 resources.

20 CHIEF CRAIG: I concur. What we would do if
21 there was some information -- and certainly Deputy Chief
22 Barren is very aware, we get a lot of request, particularly
23 if there's going to be problems, we will go to a location
24 and just be present. But twelve police officers at the
25 water board when I get concerns and complaints from police

1 officers saying we don't have enough officers to go out in
2 the field to handle calls for service --

3 COMMISSIONER DAVIS: Because this is not the
4 first time I got complaints about the large number of
5 police officers at the Board of Water Commissioners
6 meeting. So I go to quite a few of them.

7 CHIEF CRAIG: So Deputy Chief --

8 COMMISSIONER DAVIS: But this is the first time
9 I've seen so many at one meeting.

10 CHIEF CRAIG: Yeah, well I have a concern.
11 Deputy Chief Fitzgerald.

12 DC FITZGERALD: I'm checking on it.

13 CHIEF CRAIG: You're checking?

14 DC FITZGERALD: Uh-hmm.

15 CHIEF CRAIG: Can you update us as the meeting
16 goes on?

17 DC FITZGERALD: Yes, sir.

18 CHIEF CRAIG: Thank you.

19 COMMISSIONER DAVIS: My last thing. I received a
20 number of complaints Saturday about the bikers. You know,
21 there's a large number of bikes touring the city. In fact,
22 a number of residents was complaining about why they have
23 to wait long periods of time for many of our suburban
24 friends riding around throughout the city and tying up
25 traffic and making a number of people late, and the fact

1 that it was a number of police cars and EMS vehicles with
2 them.

3 CHIEF CRAIG: I'm unaware of that. I have heard
4 last year, the year before that a bike group -- I want to
5 call them the Slow Rollers. What do they call them?

6 UNIDENTIFIED SPEAKER: Slow Rollers.

7 CHIEF CRAIG: Slow Rollers. And they draw
8 hundreds of bicyclist. Usually it was on a Monday night.
9 And during that time -- so Detroit Police Department has
10 tried to facilitate --

11 COMMISSIONER DAVIS: This was Saturday over a
12 thousand bikes.

13 CHIEF CRAIG: You heard about this too?

14 DC BETTISON: This is an annual event. So this
15 is Tour de Troit. And they had probably about 10,000
16 bicyclist out there. So it has grown.

17 COMMISSIONER BELL: DC, would you give your name
18 for the record.

19 DC BETTISON: Deputy Chief Bettison. Chief
20 Neighborhood Liaison.

21 COMMISSIONER BELL: Thank you.

22 DC FITZGERALD: So that right there was a plan
23 that as they pulled the city petition and then all of the
24 police resources that participated to make sure that it was
25 safe we'd get reimbursed for that. So they pay for those

1 resources --

2 COMMISSIONER DAVIS: I hope so.

3 DC FITZGERALD: -- and EMS resources as well.

4 And every year they pay timely. So zero balance with them.

5 COMMISSIONER DAVIS: Okay.

6 DC BETTISON: Yes, sir.

7 COMMISSIONER DAVIS: That's it.

8 COMMISSIONER BELL: Thank you. Any other

9 commissioners?

10 COMMISSIONER BURCH: Yes.

11 COMMISSIONER BELL: Yes, ma'am.

12 COMMISSIONER BURCH: I'd just like to commend you
13 personally for taking charge of the speeding in our city,
14 because I think it really causes a lot of lives. And I
15 commend you, because you got right on it with DC Bettison
16 that when the citizens through my office were complaining
17 about they completely ignore. And so I thank you for that.
18 Because people have to learn that when you see a speed
19 limit sign if it says 30 miles an hour, underneath it it
20 should say something strictly enforced. Maybe that would
21 help them to understand you're not on a race track.

22 And then, Chief, I wanted to bring this up to
23 you, sir. The meeting that was held in the third district
24 with the mayor there at Second Ebenezer, it was a
25 disruption there. So I know you're very capable and

1 professional to handle hecklers. I wish you would just
2 share with me, because they're asking me, why wasn't it
3 handled a different way; you know, what happened there.
4 They had to stop the whole meeting because of only three
5 people. And so I know you have some system of how you
6 handle those people. Could you share with us, please?

7 CHIEF CRAIG: I thought it was handled very
8 appropriate. I think the mayor -- absolutely he certainly
9 has the patience of Job. He probably handled it better
10 than I would. I'll just say it again; he handled it better
11 than I would. Because the disrespect that was shown was
12 disruptive. And I understand the anger, but there's an
13 opportunity to have a discussion.

14 COMMISSIONER BURCH: Correct.

15 CHIEF CRAIG: And when you allow folks to disrupt
16 a meeting, there is no meeting. And so those folks should
17 be accountable. Now did they violate a law? No. But does
18 that mean that we should continue? No, we shouldn't. So I
19 thought the mayor did the absolute correct thing by
20 creating an opportunity for people that still had questions
21 to meet off in smaller groups to try to deescalate what had
22 gotten out of hand. And so that's the first time I seen it
23 done that way.

24 COMMISSIONER BURCH: Right.

25 CHIEF CRAIG: There have been other instances

1 because of disruption that the meeting was shut down
2 totally.

3 COMMISSIONER BURCH: Right.

4 CHIEF CRAIG: But the mayor was intent on
5 continuing to address community concern. And as I was
6 pointing out to Commissioner Davis -- he was with me at one
7 point where someone had a water question, and so I had to
8 address the water question because that was the focus
9 primarily of that meeting. I just had to deal with the
10 water in the schools. And so there were some angry people
11 there, and it got very disruptive.

12 COMMISSIONER BURCH: Right.

13 CHIEF CRAIG: So I was fine with the way it was
14 handled.

15 COMMISSIONER BURCH: Okay, thank you.

16 COMMISSIONER BELL: Any other commissioners?

17 COMMISSIONER BROWN: Yeah, I got one question.

18 COMMISSIONER BELL: Yes, sir.

19 COMMISSIONER BROWN: Chief, thank you for all you
20 do. And as always, I applaud the men and women of the
21 Detroit Police Department for the job well done they do.

22 The two additional NPOs, is that going to -- are
23 they going to be an addition, or are we taking them from
24 other duties of the NPOs we already have?

25 CHIEF CRAIG: Through the Chair, existing --

1 preliminarily, existing police officers that are assigned
2 to Traffic Enforcement Unit. So it's really an enhancement
3 to the community. It really enhances the work that our
4 precinct level Neighborhood Police Officers do. Because
5 some of them are barraged with a number of traffic related
6 complaints.

7 We thought given the number of complaints that we
8 get on traffic why not dedicate specific officers that can
9 do it, solve it. If it requires mobilizing NPOs in the
10 precinct, like the Eleventh Precinct because of speeders,
11 that traffic NPO will do that. So we're going to try it
12 out to see if it's added benefit. If it doesn't, we will
13 go back to business as usual. But I'm optimistic that this
14 will enhance our ability to address traffic complaints.

15 COMMISSIONER BROWN: Okay. In addition, it just
16 leads into my next question I was going to ask you about
17 talking with the NPOs on the great west side of Detroit.

18 Eight Precinct, it's kind of stretched with the
19 NPOs. Do we have a plan in place to increase their
20 numbers? Because, you know, the Eight Precinct area is
21 probably one of the largest populated area in the city of
22 Detroit, and they're stretched. And I can see a lot of
23 things they're doing looking at their calendars and the
24 complaints I get from community groups. They don't
25 complain; they just want the presence of officers at their

1 meetings to talk about community issues. And I know they
2 can't make all of them, but I'm just thinking if we can
3 increase their numbers, the NPOs, it would be a great help
4 to them in those areas of two -- the Second Precinct, Six,
5 and Number Eight.

6 CHIEF CRAIG: Now through the Chair, as you may
7 know, before your election to this Board, we did increase
8 number of NPOs city-wide for the very reason that you cite.
9 I think -- I don't care where I go in this city, that's one
10 initiative that many in the community applaud. I
11 anticipate as we continue to see success from the NPOs --
12 and that's why this strategy with the -- this is going to
13 alleviate some of the pressure from the NPOs in the
14 precinct, this traffic. I will tell you, and Shirley
15 Burch -- I think Commissioner Burch will attest that
16 traffic is probably one of her number one complaints.

17 COMMISSIONER BURCH: Yes, sir.

18 CHIEF CRAIG: And it's not just Eleven. As I go
19 around this city --

20 COMMISSIONER BROWN: It's everywhere.

21 CHIEF CRAIG: So to have dedicated NPOs that do
22 nothing but traffic, that's going to free the NPOs at the
23 precinct level to focus on those other quality of life
24 issues. That's why we want to study it, watch it and see
25 if we're going to get benefit. Deputy Chief -- both

1 Fitzgerald, Barren have embraced it.

2 And how soon do we think we're going to launch
3 this initiative? A week?

4 UNIDENTIFIED SPEAKER: Yes, sir.

5 CHIEF CRAIG: About a week? You know what, I got
6 to tell you. I got to tell you. I love the team, because
7 whatever I ask for, even if it's bizarre --

8 COMMISSIONER MALLET: It's a week.

9 CHIEF CRAIG: -- it's a week.

10 DC FITZGERALD: Just for the Board, Deputy Chief
11 Fitzgerald, we had three NPOs assigned to that water board
12 hearing.

13 CHIEF CRAIG: Three.

14 DC FITZGERALD: Parks and True (Phonetic) were in
15 the Eighth Precinct. So it did seem like we had a lot
16 more, but it was the three NPOs: Coleman, Williams, and
17 Cocks I have it.

18 CHIEF CRAIG: And that was a request that came
19 in?

20 DC FITZGERALD: A request came through the water
21 board.

22 COMMISSIONER BROWN: Thank you.

23 COMMISSIONER CARTER: Through the Chair.

24 COMMISSIONER BELL: Yes, ma'am. Just first of
25 all, I want to just pause. I want to recognize the great

1 commissioner from District 2. Conrad Mallett has joined
2 us.

3 COMMISSIONER MALLET: Chairman, I appreciate
4 that. Thank you very much. It's always something going on
5 at Sinai-Grace, and today was no different, but I got here.

6 COMMISSIONER BELL: You're saving lives.

7 COMMISSIONER MALLET: Thank you.

8 COMMISSIONER BELL: Commissioner Carter.

9 COMMISSIONER CARTER: Thank you, Mr. Chair.
10 Chief, you said three NPOs will be assigned to
11 the pilot program?

12 CHIEF CRAIG: Two.

13 COMMISSIONER CARTER: Two. East and west, right?

14 CHIEF CRAIG: East and west.

15 COMMISSIONER CARTER: So --

16 CHIEF CRAIG: You want one for Southwest Detroit.
17 And how did I know that?

18 Through the Chair, preemptively --

19 COMMISSIONER CARTER: Okay.

20 CHIEF CRAIG: -- I guess there are leaks in the
21 police department. Because initially our conversation was
22 one for southwest, one for east, and one for west. And so
23 I said, let's be practical. Because these are budgeted
24 positions. I'm not opposed to a southwest traffic NPO -- I
25 very much support that -- but I want to see what the east

1 and west looks like. And if it works -- because we don't
2 know if we're going to sustain -- as to Commissioner
3 Brown's statement, can we truly say we can sustain it and
4 we're getting what we need out of it? And so in the coming
5 months we certainly would want to report out to you the
6 effectiveness of the program. And if so, I have every
7 intention on trying to create a Southwest NPO. Traffic
8 NPO.

9 COMMISSIONER CARTER: Thank you. Thank you,
10 Chief.

11 COMMISSIONER BELL: Commissioner Dewaelsche.

12 COMMISSIONER DEWAELSCHE: And I just want to --
13 thank you. I just want to piggy back on that question.
14 Because what is the rational for choosing east and west?
15 Is it just geographic? Or is it population? Or is it main
16 streets with a lot of traffic? I mean, what is the
17 rational? Because southwest would meet that criteria.

18 CHIEF CRAIG: Yes. Through the Chair, it's a
19 beginning, not an end. And so the city, if you just divide
20 it in half is east and west, not to take out southwest. I
21 understand southwest is a neighborhood all of its own. And
22 we certainly -- we had a discussion about southwest. But
23 in order to facilitate a third traffic NPO would mean that
24 I would have to take maybe an existing NPO from Four or
25 maybe take one from Eight and move it over to Four --

1 COMMISSIONER BROWN: Nope.

2 CHIEF CRAIG: -- just to do traffic. So that
3 said, every precinct has it's own traffic card. And in
4 theory, the traffic card should be handling complaints.
5 The NPOs -- as it stands now, Four has NPOs. They should
6 be handling it. But our idea is that the west side traffic
7 NPO will handle traffic complaints in southwest.

8 Now let's say we find that there's an inordinate
9 number of complaints emanating out of southwest and the
10 program is really working, then my commitment is we will
11 have a southwest traffic NPO. And again, a lot of it is
12 budgetary too. So we're stretching to do this. But I just
13 really believe that this is something the community will
14 embrace. And again, my commitment to you is in the coming
15 months if this turns out to be something that we want to do
16 then we will have a specific traffic NPO for Southwest
17 Detroit.

18 COMMISSIONER DEWAELESCHE: Thank you.

19 COMMISSIONER CARTER: Through the Chair, I'm
20 sorry.

21 One last question, Chief. So southwest is a part
22 of west? So will we be included in the trial period?

23 CHIEF CRAIG: Through the Chair, absolutely.

24 COMMISSIONER CARTER: Okay.

25 CHIEF CRAIG: Absolutely. And if during this

1 trial period Deputy Chief Fitzgerald comes to me and say,
2 you do know that southwest gets 35% of all the traffic
3 complaints on the west side, then for me that's a
4 no-brainer. And so we would want to move very quickly to
5 facilitate that.

6 COMMISSIONER CARTER: Thank you.

7 CHIEF CRAIG: Isn't that right, Deputy Chief
8 Fitzgerald?

9 DC FITZGERALD: Yes, sir.

10 COMMISSIONER BELL: Commissioner Holley.

11 COMMISSIONER HOLLEY: To the chair, for those
12 that are listening by way of television and for someone
13 that's new and just in case I need one of those NPOs, what
14 is an NPO?

15 CHIEF CRAIG: Through the Chair, I'm not going to
16 assign you your own special NPO, if that's what you're
17 asking for.

18 COMMISSIONER HOLLEY: No.

19 CHIEF CRAIG: But --

20 COMMISSIONER HOLLEY: I think the point I'm
21 trying to make --

22 CHIEF CRAIG: We have 62 --

23 COMMISSIONER HOLLEY: -- when we use these
24 acronyms --

25 CHIEF CRAIG: Well I will tell if --

1 COMMISSIONER BELL: They know.

2 CHIEF CRAIG: -- everybody in this city -- if I
3 was to ask the audience right now, have you ever -- do you
4 know who your NPO is, probably at least half
5 conservatively --

6 COMMISSIONER HOLLEY: Chief, make me look like
7 I'm -- make me look like I'm --

8 CHIEF CRAIG: Okay, I'm going to go over it
9 again.

10 COMMISSIONER HOLLEY: Try not to embarrass me in
11 front of everybody since everybody knows. Just give me the
12 what it is --

13 CHIEF CRAIG: Neighborhood Police Officer.

14 COMMISSIONER HOLLEY: -- and let's move on.
15 That's all. I'm sorry. I'm just -- and I do live in the
16 city.

17 CHIEF CRAIG: Do you know your NPO?

18 COMMISSIONER HOLLEY: I don't, but --

19 CHIEF CRAIG: What precinct do you live in?

20 COMMISSIONER HOLLEY: I'm downtown.

21 CHIEF CRAIG: Okay, Deputy Chief Barren, before
22 this meeting can you make sure we identify --

23 COMMISSIONER HOLLEY: If I have my own.

24 CHIEF CRAIG: You won't have your own. I know
25 who my NPO is.

1 COMMISSIONER HOLLEY: As far as I'm concerned
2 you're my NPO.

3 CHIEF CRAIG: I'm your NPO?

4 COMMISSIONER HOLLEY: Thank you very much, Mr.
5 Chairman.

6 COMMISSIONER BELL: Are we okay now?

7 COMMISSIONER DAVIS: Yes.

8 COMMISSIONER BELL: Before Ms. Lamar report out
9 about the fallen officer, I would hope the chief share the
10 outdoor activities in front of headquarters here from 12:00
11 to 7:00.

12 Could you share that type of involvement? That
13 sort of leads into your remarks too in a way. But this
14 dealing with the fallen officers and their families; is
15 that correct?

16 CHIEF CRAIG: Yes, sir. Through the Chair,
17 you're absolutely correct. This is yet another effort,
18 opportunity by the Detroit Police Department with our
19 stakeholders, Therapy -- what was it 411? Someone help me
20 out.

21 UNIDENTIFIED SPEAKER: 411 Therapy.

22 CHIEF CRAIG: -- 411 Therapy who's been an ardent
23 support of this department and the families of fallen
24 officers. It was an opportunity to recognize various
25 organizations. You know, we have chaplains that have given

1 back. Certainly several churches. First Ebenezer. I want
2 to say Bishop Blake. I'm thinking of another city. But
3 just so many people have helped us over the past several
4 years that this was a time to recognize them for their
5 charitable donations, and that was the effort for it.

6 COMMISSIONER BELL: Thank you for that.

7 CHIEF CRAIG: Okay.

8 MS. LAMAR: Through the Chair, good afternoon.
9 My name is Bridget Lamar, interim personnel director,
10 reporting on behalf of Chief James E. Craig, the officers
11 critically injured in the line of duty.

12 Officer James Kisselburg, injured from a gunshot
13 wound, is recuperating at home. Officer Waldis Johnson,
14 critically injured from a gunshot wound, recuperating at a
15 long-term care facility. We ask for continued prayers for
16 Officer Johnson as well as all of the officers listed.
17 Officer Eric Smith, recuperating at home from a gunshot
18 wound. Sergeant Eric Bussi, recuperating at home from an
19 ankle injury. Police Officer Justin Marroquin,
20 recuperating at home from a blunt force trauma to the head.
21 Officer Christopher Thurston, involved in a motor vehicle
22 accident, recuperating at home. And Officer Lemuel Sims,
23 recuperating at home. He was injured in a foot pursuit.
24 And we ask that the Board and our citizens continue to have
25 our critically injured officers in your thoughts and

1 prayers.

2 COMMISSIONER BELL: Thank you. And before we
3 move on to Assistant Chief White in terms of reporting out
4 on the towing issue, I just wanted to commend our Homicide
5 Section for ongoing tremendous tasks in the city of Detroit
6 in terms of working a scene and responding, investigation.
7 It's at a certain level that most police officers are not
8 aware of how intense it is in terms of going out doing that
9 type of investigation and the special unit, I think SRT, in
10 terms of hitting those doors not knowing what's on the
11 other side.

12 Sometimes the media, you know, people just go
13 back and forth, but basically it's a difficult job. And
14 officers responding to the scene of a five-year-old child
15 and rushing that child to Sinai-Grace or Receiving
16 Hospital, that's drama for that officer. It's something
17 that you don't know until you have experienced that. That
18 is something that why we appreciate and lift these officers
19 up who do 24/7 and have their own families to deal with
20 what's happening in our city. When you're talking about
21 the homicides, it just really does not make sense with the
22 domestic part of it.

23 I just want to make one other statement, and I'll
24 move on. When we're talking about speeding, it appears
25 that when we hit Mack Avenue from Alter to Cadieux we slow

1 down. Because we know that Grosse Pointe's going to be
2 there to monitor, we slow down. In a lot of areas on
3 Telegraph we slow down.

4 Perhaps we need to not look at enforcement. We
5 need more education about traffic and education. Perhaps
6 the counsel or somebody can come out here, a Wayne County
7 commissioner, to deal with traffic education, whatever it
8 takes, to make people aware that they're endangering all of
9 us. So enforcement is not going to be the solution,
10 because people still speeding. We're doing our best with
11 what we have on this job. And we know that. Everybody
12 wants speeders. But who are you talking about? Your
13 neighbors. Your friends. So we need to do a better job of
14 slowing down. So if we can get that education message out
15 there maybe that might have an impact.

16 The chief is stretched thin in terms of manpower.
17 We want the homicide investigation, then we want the
18 traffic enforcement. We want to complain about the garbage
19 can not picked up you call the police. It don't make
20 sense. I'm getting off the soapbox. But we have to look
21 at ourselves of how are we conducting ourselves in the city
22 of Detroit. So we have to convey that message. Can we do
23 that?

24 ATTENDEES: Yes, sir.

25 COMMISSIONER BELL: We need to do more of that,

1 really. Because you're putting a whole lot of burden on
2 the police department, you know. But we can move on to --

3 CHIEF CRAIG: I wanted to comment on something.

4 COMMISSIONER BELL: Go ahead.

5 CHIEF CRAIG: Very quickly. As I indicated, I
6 applaud some of your relentless follow-up of the Homicide
7 Task Force in the aftermath of that fatal shooting with the
8 five-year-old. But again, I'm going to stress -- and I
9 said this during the press remarks, about the work of SRT
10 (Special Response Team).

11 COMMISSIONER BELL: Yes, sir.

12 CHIEF CRAIG: They since 2016 have handled in
13 excess of 200 high risk incidents, from barricaded suspects
14 to high risk warrants. Not one shooting since 2016. And
15 they have in many instances a deescalated situation with
16 armed suspects. The last shooting incident before this one
17 was in 2015. And you remember when there was a barricaded
18 suspect. The suspect made a bad decision to exit his
19 residence shooting at SRT officers, striking one, and he
20 was mortally wounded. That was the last time -- I think it
21 was May of 2015.

22 So they do tremendous work. They train, they're
23 disciplined, and they probably go to more high risk
24 locations than many other SRT teams. But they do it, and
25 they do it professionally. This was no different. That's

1 all. I'll conclude on that.

2 COMMISSIONER BELL: Thank you.

3 COMMISSIONER MALLET: Chief --

4 COMMISSIONER BELL: Yes, sir.

5 COMMISSIONER MALLET: Chief, I had brought this
6 up before. Working particularly with my emergency
7 department staff, Chief, we do a lot of increasingly
8 intervention on the mental health side, particularly with
9 my nurses, Mr. Chairman, to encounter some of the comments
10 that comes into DPD. And, Chief, I know that you have a
11 very robust program around your officers mental health.
12 But I think, Mr. Chairman, at some point, not today, but
13 that we would like to learn more about that. Because
14 there's maybe things that the police department is doing
15 that the health systems could duplicate or vice versa.

16 This is an especially difficult circumstance.
17 And the after affects are profound for the caregivers and
18 the ongoing -- and the family management. So it's a --
19 everything that you said about the officers, I'm sure
20 everybody on the Board completely support you 100%.

21 COMMISSIONER BELL: Thank you. Certificate of
22 Recognition. Commissioner Burch, you can come forward now.
23 And I'm also going to ask Mr. James Wales, community
24 liaison for Wayne County Commissioner Irma Clark Coleman.
25 Is he here?

1 MR. WALES: Yes.

2 COMMISSIONER BELL: Okay, would you please come
3 after our commissioner, and you can present the resolution.

4 COMMISSIONER BURCH: Chaplain Wyckoff, could you
5 please --

6 Chair, is it okay if I ask the 11th Precinct to
7 come up with me?

8 COMMISSIONER BELL: You're the commissioner.

9 COMMISSIONER BURCH: Would anybody from the 11th
10 Precinct please come up. Everybody from Number 11,
11 especially NPOs and the guest. We want to all give this to
12 him because he's ours.

13 COMMISSIONER DAVIS: I think his wife is there
14 too.

15 COMMISSIONER BURCH: Mrs. Wyckoff. Everybody
16 here from Number 11? See how much we're loved. This is
17 Number 11 everybody. This is our family.

18 COMMISSIONER BROWN: You got to come in a little
19 bit.

20 COMMISSIONER BURCH: Councilman McCalister, would
21 you come up please? That's a request of Chaplain Wyckoff,
22 because you were there.

23 Before I -- everybody I just first want to
24 introduce you to our NPOs. We have four, and I believe all
25 are present. Correct? They're all here. Five. There she

1 is. Hi baby. So we're just happy at Number 11.

2 Sometimes -- I just want to say this. When I
3 speak to Chief Bettison, DC Bettison, the ideas just come
4 to me of unity. So I'm going to share again on behalf of
5 my dear Commissioner Lisa Carter that thought they were
6 left out because they're trying to speed things. But see,
7 what the chief is doing is he has to do pilots. He can't
8 go all over the city. Because I want to share with you
9 when I had the experience of going out to Southwest
10 Detroit, I thought I was in another world. And then I made
11 the people laugh because I said, do you all know Chief
12 Bettison? And everybody laughed.

13 Now my point is, if we have like over 2,000
14 police officers, maybe that, to take care of this whole
15 city we need to clap, clap, clap for Chief Craig and clap,
16 clap, clap for Mayor Duggan. But here's my point; no one
17 person can do it. We must learn to unite. So Chief Craig,
18 I have another idea. Where are you?

19 CHIEF CRAIG: I'm over here.

20 COMMISSIONER BURCH: You listening?

21 CHIEF CRAIG: I'm listening loud and clear.

22 COMMISSIONER BURCH: Yeah, I have another idea
23 that we need to meet so we can just share how we can take
24 that burden off the officers. There's no way you can be
25 everywhere. There's no way any of us can be everywhere.

1 We're not God. So I'm going to stop talking.

2 UNIDENTIFIED SPEAKER: Take your time.

3 COMMISSIONER BURCH: We just want to say we love
4 this gentleman right here. This is Cedric Wyckoff who goes
5 beyond the duty of even being a chaplain. So we weren't
6 surprised when we heard he saved a man's life. And we want
7 to give him the love from the community of the Eleventh
8 Precinct. Not just the police, but the community love you,
9 and they wanted me to express how much they appreciate
10 being in your presence. So I'm going to read this
11 certificate. This is from the Board of Police
12 Commissioners. When I heard what you did I asked the Chair
13 could we honor you also. He said no problem. So I just
14 want to read this.

15 From the Board of Police Commissioners,
16 Certificate of Recognition, Chaplain Cedric Wyckoff
17 from your selfless service and expedient decisiveness
18 to render aid to an individual experiencing an medical
19 emergency. The exemplary skill and composure you
20 exhibited during this life saving crisis is heroic.
21 So your meritorious actions saved a man's life.
22 And may God bless you, and God bless your beautiful
23 wife.

24 (Applause)

25 (Photo shoot)

1 COMMISSIONER BELL: Just stay in place. There's
2 another resolution coming from Wayne County.

3 MR. WALES: My name is James W. Wales from Wayne
4 County Commissioner Irma Clark Coleman. She's sorry she
5 can't be here tonight, but we honor you and we certainly
6 appreciate you for your service. Thank you very much.

7 (Photo shoot)

8 COMMISSIONER BURCH: And our commander is
9 Commander Slappey. She's on vacation, but we have Captain
10 Walton who's here. God bless you.

11 (Applause)

12 CHAPLAIN WYCKOFF: Each one of us who work in the
13 city, reside in the city, or visit the city frequently are
14 all part of Detroit. We are Detroiters. We're not just
15 known for being the vehicle capital or Motown Music, we're
16 known for being resilient. When our back is against the
17 wall and the world is watching we always bounce back,
18 because we are Detroit.

19 The Joe Louis fist defines our city's ability to
20 persevere, not by force but by pressing our way through by
21 faith that we shall overcome any obstacle that stands in
22 our way. This paves the way of having the spirit of
23 Detroit within us, because we are Detroit. We are
24 committed to having the same vision for the city, which is
25 safety first, growth and development, because we are

1 Detroit. When we see people in need we assist. That's
2 what makes us so unique. The only time we look down on
3 somebody is when we're helping them up off the ground,
4 because we are Detroit. We are Detroit. We have the
5 spirit of Detroit. We serve each and every person that
6 visits this city in a humane and intelligent manner,
7 because we are Detroit.

8 COMMISSIONER BELL: Thank you.

9 (Applause)

10 COMMISSIONER BELL: We're going to move the
11 agenda forward at this time. Next item with DPD towing,
12 Assistant Chief White, James White, is going to come
13 forward.

14 AC WHITE: Good afternoon esteemed Board.

15 THE BOARD: Good afternoon.

16 AC WHITE: Chief. I'll be joined by Lieutenant
17 Parish over --Unintelligible-- and like some things to
18 present to the Board some information about towing.

19 Chief, did you want to start off?

20 CHIEF CRAIG: No. Just go ahead.

21 AC WHITE: Assistant Chief James white for the
22 record. I'll be presenting today to the Board issues
23 regard towing and the city's intention on acquiring its own
24 tow operation.

25 Our running theory in the administrative

1 operation section of the department is what are we solving
2 for? We typically try to start that for the purpose of the
3 presentation to the Board so we can present a more succinct
4 presentation.

5 So frankly, one of the main reasons is it's a
6 best practice from around the country. The Detroit Police
7 Department surveyed twenty-three of the largest cities in
8 the United States. Of the twenty-three surveyed, twenty
9 operated a police city lot. Accountability: Bringing
10 police towing closer to city and bringing control close to
11 the department under access and licensing enables us to
12 audit more efficiently, and also enables us to get greater
13 accessibility to the citizen's vehicle for release and
14 other issues that could come up. And then finally, a more
15 transparent process. Oversight will be supervised by the
16 police department and the BOPC (The Board of Police
17 Commissioners) will have oversight over the process as
18 well.

19 LT. PARISH: For the record, Lieutenant Michael
20 Parish. I can speak to some of the logistics pertaining to
21 the operation of the tow lots.

22 First, there will be four sites across the city.
23 Essentially we will have one on the west side, two in a
24 somewhat central location. If I had to pick east or west,
25 probably close to the eastside. And then we have a site

1 that is on the -- in the 9000 block of Granel, which is on
2 the eastside of where the eastside more gravitate towards.

3 These sites present a lot of opportunity with
4 respect to space and a lot of opportunity with respect to
5 storage. For example, the facility over at Granel has an
6 extremely large garage which will help provide interior
7 storage for vehicles that require it.

8 With respect to the equipment, the city has
9 purchased six tow trucks. These tow trucks along with the
10 tow trucks that the Detroit Police Department already owns
11 will be operational before September 30th. In fact,
12 training will begin next week. All of towing will be
13 operated under the Police Towing and Impound Unit. The
14 acronym for this will be PTIU. This will be headed by
15 myself. As the CEO over Access and Licensing I will
16 provide day-to-day supervision to the police towing impound
17 unit. As indicated before, DPD will be tasked will
18 providing day-to-day supervisory control over this tow
19 program, but the BOPC shall have oversight.

20 These tow trucks will be staffed by civilian VO1s
21 (Vehicle Operators). They all hold commercial driver's
22 licenses with air breaking endorsements. That makes the
23 operation of these trucks inline with policy. The training
24 that the department will hold for these 15 VO1s will begin
25 on Monday.

1 The department plans on using it's current RMS
2 system to track all vehicles and all tows. Okay. The
3 department has modules and applications inside of it's RMS
4 system that are created specifically to contain vehicle
5 information. We also have a receipt module inside of the
6 department's current record management system. And this
7 system will be used to track financial information
8 pertaining to these tows.

9 Witness information: We'll be able to construct
10 orderly reports for the BOPC and submit them to the BOPC
11 following close of each fiscal quarter and containing all
12 of the information that the Board request of the department
13 and the most response on supposition. That covers the
14 logistical sides. I can answer any questions with respect
15 to the logistics.

16 AC WHITE: Prior to the questions on logistics,
17 I'm going to address a number of questions to the Board.
18 And some of those answers to many of your questions will
19 probably be contained within those answers. If not, I will
20 also be available for questions.

21 The department reaffirms that the Detroit Police
22 Department will have day-to-day supervisory control over
23 the department's tow program. The Board of Police
24 Commissioners will have oversight on the program as well.

25 Michigan law does in fact authorize police

1 officers to tow vehicles to a place of safekeeping at the
2 owner's expense. In a number of circumstances, including
3 subsequent to an accident for evidentiary reasons or where
4 the vehicle constitutes evidence of a crime, the official
5 policy of the Detroit Police Department will include the
6 following:

7 When a member of the department request a tow,
8 the call will dispatched to a police tower. The vehicle
9 will then be towed to one of the Detroit Police
10 Department's tow lots, as indicated by the lieutenant
11 earlier. If a police tower is not available,
12 communications will resort to the department's tow
13 rotation. And that'll be the current rotation that's in
14 effect currently.

15 Using this example, Detroit Police will only
16 tow -- or correction -- Detroit Police towers, civilian
17 towers, will only tow to tow lots. They will not tow to
18 private residences and they will not tow to dealerships.
19 We felt --Unintelligible-- will continue to be held to the
20 same standards as before. And the city is in fact
21 self-insured as it relates to liability.

22 The Detroit Police Department will continue to
23 utilize the tow rotation, as I indicated. And it will be
24 the process that is currently developed utilizing the
25 permits unless or until contracts are put into place.

1 All civilian drivers have commercial driver's
2 licenses with an air break endorsement. And all will be
3 introduced to the tow trucks and will undergo any necessary
4 training by current DPD tow truck drivers. And that
5 training will commence on Monday, as the lieutenant
6 indicated.

7 This training, of course, will be conducted
8 before being field deployed. All drivers will be required
9 to move vehicles in various conditions under controlled
10 circumstances. That includes evidentiary vehicles,
11 forfeiture vehicles. And it also involves moving disabled
12 police vehicles, police cars.

13 Payments will be made to the city's cashier's
14 office. No cash will be accepted by tow lots, or towers,
15 or police officers. Unless in fact that police officer is
16 assigned to the cashier's office. The lots will remain
17 open to citizens between the hours of 7:00 a.m. and 10:00
18 p.m.

19 The Detroit Police Department will not require a
20 victim to pay a retrievable of evidence vehicle. So pay a
21 fee to retrieve an evidence vehicle. Simply put, if you
22 are a victim of a crime you will not have to pay if we put
23 your vehicle in evidence to retrieve your vehicle. In
24 addition nonvictims will have an opportunity to file a
25 hardship application.

1 At this point our intention is to bring that
2 before the Board, But we have not had that opportunity to
3 present that recommendation to the Board at this time. But
4 simply put, if a citizen of the city of Detroit's car has
5 been impounded, they have a hardship in their family, they
6 cannot afford, it is our intention that that information be
7 brought to the Board, and the Board would rule on whether
8 or not they should have a fee waiver.

9 The RFP issue as it relates to towing is again on
10 hold due to litigation. The department will be guided by
11 the city's Law Department on this issue of whether pursuing
12 contracts at this time is a viable option. All tow
13 vehicles will be entered into LEIN and in the department's
14 RMS system. Should a citizen inquire, any police officer
15 on the street will be able -- or any police officer in
16 general who has a computer will have the opportunity to
17 identify the location of the vehicle and tell a citizen how
18 to go about the business of obtaining their vehicle.

19 Detroit Police Department administration is
20 burdened with the same issue at each case. Meaning, we
21 continue to have the requirement of the administrative rule
22 as it relates to impound vehicles. And that includes
23 paperwork, lien, processing for evidence, and keeping
24 vehicles on safe keeping.

25 It must be understood that Detroit Police

1 Department will not just be towing the vehicles and storing
2 them, resources such as Personnel, Records Management
3 System has indicated LEIN and police facilities are used to
4 ensure a well functioning tow operation. These are
5 expenses not typically programmed into towing and storage
6 rate, which are aimed and providing reasonable compensation
7 for the towing and storage services rendered. That
8 includes wages, of course, for the employees that we're
9 hiring, and then security measures to maintain the
10 vehicles. And that will certainly include, but will not be
11 limited to, surveillance cameras and items such as that.

12 The Department will use the City Council approved
13 tow rate to set fees. The tow rate commission has set and
14 recommended fees. At this time there's no intention to
15 change those fees. And those rates are set and arrived by
16 the Board.

17 All members of the Detroit Police Impound and
18 Towing Unit will be subject to quarterly inspections.
19 Furthermore, all employees will be required to report to
20 management any issue that may impact their ability to
21 operate as a tower.

22 The Department agrees to provide a report on all
23 topics listed in the Board's questions. The Department
24 will provide it's first quarterly report to the Board of
25 Police Commissioners within two weeks of the close of the

1 next fiscal quarter that begins October 1, 2018.

2 No formal report was prepared. The Department
3 has been investigating the possibility for many months.
4 And let me go back a little bit. The answer to this
5 particular question is regarding a report relative to the
6 implementation of this process. And to that answer, no
7 formal report was prepared. The Department has been
8 investigating the possibility for many months. And
9 certainly, as indicated, twenty-three of the largest cities
10 in the country conducted a site visit with the Toledo
11 Police Department.

12 Out of the twenty-three surveyed, as I indicated
13 earlier, twenty operated their own municipal tow lot. It
14 just appears to be a best practice. And we look at best
15 practice because we always want to be in line as a major
16 police city department with best practices around the
17 country.

18 The Department would ask that the Board of Police
19 Commission forward all complaints to the commanding officer
20 of the Department's Access and Licensing Unit as it relates
21 to towing issues.

22 Going forward, it will be the Department's
23 commitment to the Board that all towing complaints,
24 investigations, and any evidence or rule violations will be
25 transmitted to the Board in a manner consistent with the

1 Department's current practices and procedures.

2 That concludes the Q&A; the earlier questions I
3 received and the answers to those, and I'm available now to
4 answer any other questions.

5 COMMISSIONER BELL: Before we open it up to
6 questions -- and I would ask that the commissioners,
7 hopefully you'd ask questions if you entertain it. But I
8 want to inform you that the past Chair, the past Vice
9 Chair, and the immediate Vice Chair and Chair have had
10 ongoing discussion about this issue with the mayor and the
11 chief all year long, and this is the conclusion. Then we
12 had a briefing by Chief Craig and his team just the other
13 day in reference to this particular matter. So that's why
14 we -- the question that materialized that we circulated to
15 you to that effect. And after you finish your questions,
16 the Vice Chair will address a resolution to that effect.

17 So I just want to -- if we could just conform
18 ourselves to questions at this time that you might have,
19 then assistant chief, or Lieutenant Parish, or the chief
20 will respond to questions. So I would open it up. I think
21 you --

22 Yes, I'm sorry. Commissioner Brown -- Davis.
23 You look alike.

24 COMMISSIONER BROWN: No, we don't.

25 COMMISSIONER BELL: Commissioner Davis. I'm

1 sorry.

2 COMMISSIONER DAVIS: Question. Since I know you
3 planned to do this presentation, why did you feel it wasn't
4 needed to give us no hard informational package related to
5 this?

6 AC WHITE: The request I received was to be
7 prepared to report out at this presentation and to provide
8 the Board with a hard copy within 30 days.

9 COMMISSIONER DAVIS: Okay.

10 COMMISSIONER DEWAELSCHÉ: I do have a question.
11 Go ahead. I want to be next.

12 COMMISSIONER BELL: Yes, ma'am.

13 COMMISSIONER HOLLEY: Just a point of procedure.

14 COMMISSIONER BELL: Yes, sir.

15 COMMISSIONER HOLLEY: You said, so we have
16 questions here about this.

17 COMMISSIONER BELL: Yes.

18 COMMISSIONER HOLLEY: Then we have to go through
19 preliminary --

20 COMMISSIONER BELL: A resolution's forthcoming.

21 COMMISSIONER HOLLEY: So there's no -- there's no
22 -- nothing from the audience with regards to this proposal?

23 COMMISSIONER BELL: The only audience
24 participation --

25 COMMISSIONER HOLLEY: I'm not trying to ask for

1 nothing.

2 COMMISSIONER BELL: No. It would be in the two
3 minutes that they have to appear before the Board.

4 COMMISSIONER HOLLEY: But by that time we've
5 already gone on with the resolution.

6 COMMISSIONER BELL: That is correct.

7 COMMISSIONER HOLLEY: Okay.

8 COMMISSIONER BELL: Yes, sir.

9 Yes, ma'am?

10 COMMISSIONER DEWAELSCHE: And my question --
11 thank you, Mr. Chair -- just has to do with the fact that
12 you surveyed twenty-three cities and you visited Toledo.
13 And I just wonder, did you also -- and I know -- I
14 recognize that you're seeking best practices in this towing
15 activity that we'll be doing. Did you also take a look at
16 maybe their technology and how they -- their reporting and
17 kind of tried to get best practices? And the reason I ask
18 that question, is because it seems like the most complaints
19 that we've gotten over the years about towing is the length
20 of time; not being able to locate, you know, the tow place;
21 how long it takes; you know, why the cars are kept -- and
22 maybe just the reporting and the tracking I guess. And so
23 I just wondered if you also surveyed best practices in that
24 area?

25 AC WHITE: We did. We looked at a number of

1 technological solutions, and we found that the one that we
2 have with RMS is more than sufficient. In fact, it's
3 probably one of the better softwares out there as it
4 relates to towing.

5 One of the things that I like about it is the
6 fact that you'll have an actual picture of the vehicle as
7 it was towed, so it eliminates the dispute of what the
8 vehicle looked like. And by policy, some of the things
9 that the lieutenant and I are talking about is, when we tow
10 the vehicle I'd like to see a landmark in the picture to
11 show we picked the car up from here; here's what it looked
12 like when we picked it up. Any damages that are displayed
13 on the vehicle are evident, and then that's uploaded to our
14 records management system and the report is completed
15 online.

16 So when we audit the process, we'll literally go
17 to the computer, pull up how many tows we did today, of
18 those vehicles how many of them had damage. And if a
19 citizen were to come in to any police officer and say, hey,
20 where's my car located? we can tell them, your car is over
21 here at one of those four locations, and to go as far as to
22 show them the car to tell them right then it's not drivable
23 when you go pick it up; it was stolen. And so we look at a
24 lot of solutions coming out of the ability to have a more
25 efficient process.

1 COMMISSIONER DEWAELSCHE: Thank you. If I could
2 just very quickly one more question. With regard to the
3 people that you'll be hiring to do the towing, correct, you
4 said civilians? Civilian individuals? So we're going to
5 really try to -- I know that we're going to want Detroiters
6 to be recruited for those positions.

7 CHIEF CRAIG: Through the Chair, not just
8 absolutely that, but we're also considering return citizens
9 as well.

10 COMMISSIONER BURCH: Oh, return citizens.

11 COMMISSIONER DEWAELSCHE: Thank you. Thank you
12 very much. And one last question. You said you have six
13 trucks. Those are new trucks. In addition to those that
14 you have, how many do you have total?

15 AC WHITE: Nine.

16 COMMISSIONER DEWAELSCHE: Okay, thank you.

17 AC WHITE: And to answer your question, ten of
18 the twelve we've hired thus far are Detroiters.

19 COMMISSIONER DEWAELSCHE: Thank you.

20 COMMISSIONER BELL: Commissioner Carter.

21 COMMISSIONER CARTER: Through the Chair, can we
22 get a copy of the updated tow rotation? Because I haven't
23 seen it in awhile. And I'm not sure of who's on it or --
24 can we just get a copy of the updated tow rotation?

25 AC WHITE: Through the Chair. Absolutely, ma'am,

1 I will make sure that happens.

2 COMMISSIONER CARTER: And one other question.
3 Going back to technology. Will there be some sort of
4 technology where a person might be able to go online and
5 put in a VIN number or a license plate number in order to
6 see where their vehicle is? Has there been any --

7 AC WHITE: Well I'm smiling about that, because
8 we had a meeting about that last night.

9 COMMISSIONER CARTER: Okay.

10 AC WHITE: One of the that things we want to do
11 is implement or identify software where a citizen would be
12 able to from their phone punch in their VIN number,
13 identify where the vehicle is and pay the storage fees. So
14 we don't even have to have the money, real dollars exchange
15 hand using VISA, Master Card, or PayPal. We're in the
16 exploratory phase of that now. But it's a possibility that
17 can happen without much difficulty.

18 COMMISSIONER CARTER: Thank you. That's
19 wonderful to hear.

20 AC WHITE: We're not there. I don't want to
21 overcommit to the Board, but we are talking through that.
22 We will be talking to Ms. Beth Niplocker (Phonetic), CIO
23 --Unintelligible-- opportunity.

24 COMMISSIONER CARTER: Thank you.

25 COMMISSIONER BELL: Commissioner Holley.

1 COMMISSIONER HOLLEY: Thank you so much, Mr.
2 Chairman.

3 I tried -- and I appreciate the presentation, and
4 I tried so hard to follow you, so just bear with me. In a
5 short, fast example, with this new procedure that you're --
6 this recommendation you're making, what's happening to the
7 towers that's there now in relation to the police
8 department and what they're doing? If you can help me with
9 that. You don't have to be long. I tried so hard to
10 follow you. It's just me; it's not you. But help me with
11 that; the situation between what's going to happen to the
12 towers based upon the fact that the police department is
13 taking this over?

14 AC WHITE: Through the Chair. It certainly will
15 have an impact. We anticipate anywhere from 30% to 50% of
16 the current tows in the city right now being done by our
17 tow operation. It could be more. So I really can't put a
18 number to that. However, if it comes to a point where we
19 are unable to tow a vehicle, our policy dictates that we
20 will use the tow rotation, as I indicated earlier. And
21 simply put, if we've got five tows but we need to do six,
22 that one tow would go through the tow rotation, and we
23 would utilize whatever tower is up next.

24 COMMISSIONER HOLLEY: So the towers that's there
25 now, do they go away or it's rearranged in terms of how

1 they're going to interact with the police department?

2 AC WHITE: Well, they will not go away. We will
3 continue to utilize the tow rotation as it sits today. As
4 it's constructed today, the tow rotation will be utilized.
5 I guess the use will be different based on the needs of the
6 department.

7 COMMISSIONER HOLLEY: Got you. And then finally,
8 and I appreciate your patience with me, how do we fit in?
9 You came up -- in the beginning you talked about it, but
10 you sort of meshed it with something else. How do the
11 police commissioners in terms of our responsibility or
12 accountability, in terms of how we respond to the
13 community, how do we -- just take a moment out. How do we
14 fit in?

15 AC WHITE: Through the Chair. Oversight. And
16 our reporting process is through --

17 COMMISSIONER HOLLEY: Okay.

18 AC WHITE: -- the Board. We will provide
19 quarterly reports. We will provide quarterly reports. We
20 will respond to any information and request. I think
21 that -- currently the Board has oversight, but I think the
22 oversight of the process will probably be much more
23 engaged. We will provide quarterly audits, quarterly
24 reports, financial reports.

25 COMMISSIONER HOLLEY: So when citizens -- I'm

1 sorry. Please forgive me. When citizens have complaints,
2 do they come -- where do they go?

3 AC WHITE: Well, sir, I think the report process
4 and the complaint process will remain relatively the same.
5 But certainly if any complaints are brought before this
6 body, myself, Lieutenant Parish, or any member of our team
7 will be present to respond.

8 COMMISSIONER HOLLEY: And ferret it over to you
9 as we do the other complaints we do?

10 AC WHITE: Yes, sir.

11 COMMISSIONER HOLLEY: Okay, got it.

12 AC WHITE: One significant change, however, is
13 the waiver that we're talking about where there's a
14 hardship in your family.

15 COMMISSIONER HOLLEY: Right.

16 AC WHITE: You know, oftentimes we have
17 situations where just bad things happen to good people, and
18 they can't afford to get their car out for a number of
19 reasons. They can't get their car out, so they can't go to
20 work. They can't make money from going to work. You know,
21 it just creates a myriad of problems. So what we thought
22 would be a good opportunity to fix something that we know
23 is broken is to give the Board the authority to say --
24 well, correct, we don't give the Board authority -- to
25 submit to the Board the opportunity to waive fees in those

1 instances. And I don't think it would be appropriate for
2 the police department to get in the business of analyzing
3 that. I think that the Board will be able to look at that
4 and make that determination.

5 COMMISSIONER HOLLEY: And through the chairman,
6 is it okay -- is it possible, or will it be necessary that
7 they will give us a organizational chart as to how this is
8 going to work in terms of who's responsible for what? If
9 we can have an organizational chart that basically we will
10 view before it's implemented? Is that something you'd be
11 able to implement --Unintelligible--

12 COMMISSIONER BELL: We can.

13 COMMISSIONER HOLLEY: If you feel it's not
14 necessary, just tell me. I'm okay.

15 COMMISSIONER BELL: We can't do it at this time.

16 COMMISSIONER HOLLEY: I'm not asking now.

17 COMMISSIONER BELL: Yes.

18 COMMISSIONER HOLLEY: I'm asking at some point?

19 COMMISSIONER BELL: Yes, sir, we can do that. We
20 can do that.

21 COMMISSIONER HOLLEY: So people like me can
22 understand --

23 COMMISSIONER BELL: Yes, sir.

24 COMMISSIONER HOLLEY: -- the line of demarcation.

25 COMMISSIONER BELL: We can do that.

1 COMMISSIONER HOLLEY: Thank you very much.

2 COMMISSIONER MALLETT: Mr. Chairman, my only
3 observation is -- I fully support the resolution. I would
4 ask through your office that there be some investigation by
5 the staff as to the criteria to determine hardship that we
6 could publish then to the general public, so that people
7 could have a predictable basis to figure out how it is that
8 we arrived at the decision. If each case is going to be
9 brand new, we're going to be here all day and all night.
10 So I do think we need to have a standard.

11 I don't know what the water department does, Mr.
12 Chairman; I don't know what other agencies in the city do
13 to determine hardship, but we need to collect that
14 information and try to determine what the best path forward
15 is and then publicize what that criteria would be so that
16 people would understand how it is that we came to the
17 decision in any number of cases.

18 COMMISSIONER BELL: Yes, sir, we can entertain
19 that. Definitely. I'm glad to have that process in place,
20 because that's been an issue in the past.

21 COMMISSIONER BROWN: Mr. Chairman, I just have a
22 --

23 COMMISSIONER BELL: Yes, sir.

24 COMMISSIONER BROWN: Chief, thank you for putting
25 this together in such a short time. I appreciate the

1 information and everything that you brought back. Also
2 more importantly, that earlier on we had questions where
3 Commissioner Holley had asked a lot of questions about
4 location of vehicles and how many. And I believe you
5 really addressed that, hit that out the ballpark with
6 putting those vehicles in the LIEN system, and we'd be able
7 to track them. And I appreciate the RMS system that will
8 really delineate where these cars are, and the new portion
9 about the hardship issue.

10 Just one other thing we needed to be mindful of:
11 If the complaint is about an officer then that still has to
12 be turned over to the Office of the Chief Investigator.

13 And to your point, Commissioner Mallett, with the
14 same thing, with the guidelines for hardship. I think the
15 Office of Chief Investigator should be able to handle that.
16 It's the same thing. I mean, because they're already
17 equipped to do most of that work. And it can just go to
18 them, and that information can come back to you.

19 But the main thing I'm just concerned about is
20 how people pay. I would like to see it where we alleviate
21 the cash option totally if we can do that and go to -- if
22 we have to have those little VISA cards that people can
23 purchase out of the vending machine or something, and get
24 it from those machines and put in that amount that they can
25 then pay with those cards. I'd like to see if we have a

1 plan for just eliminating the cash option totally.

2 AC WHITE: Through the Chair. That is certainly
3 something that we've talked about. We will not be prepared
4 to do that by next week.

5 COMMISSIONER BROWN: Of course.

6 AC WHITE: But that is a strategy that we're
7 looking at going forward. I don't like dealing with cash.
8 I don't want officers dealing with cash. But right now we
9 will utilize what the city's already using, and that is
10 Municipal Parking's Cash Office. So this is not something
11 that we're going to stand up with police officers taking
12 money to release vehicles or new employees or anything like
13 that. So it'll be a process. And the process that's
14 currently in place right now at Municipal Parking if your
15 car is booted and that type of the thing.

16 COMMISSIONER BROWN: Thank you.

17 COMMISSIONER BELL: At this time I'm just going
18 to ask the Vice Chair Darryl Brown to come forward with a
19 resolution.

20 COMMISSIONER BROWN: This resolution authorizing
21 the Detroit Police Department to operate motor vehicles
22 storage facilities and towing operations.

23 WHEREAS, the Detroit Police Department has
24 advised The Board of Police Commissioners that DPD has
25 extensively studied the feasibility of and benefits to the

1 City of Detroit that would arise from DPD operating its own
2 vehicle storage facilities and towing operations,

3 WHEREAS, DPD has concluded that operating its own
4 vehicle storage facility and towing vehicles is feasible
5 and that the substantial benefits will flow to DPD, the
6 City of Detroit, and its citizens from such operations,

7 WHEREAS, DPD has taken steps to acquire and
8 operate vehicle storage facilities and towing operations
9 with full City Wide operation to commence on or before
10 September 30, 2018,

11 NOW THEREFORE BE IT RESOLVED that the Detroit
12 Police Department is hereby authorized to operate its own
13 motor vehicle storage facilities and towing operations.
14 When DPD towing is unavailable, private towers shall
15 continue to be used in accordance with existing laws,
16 ordinances and regulations.

17 BE IT IT FURTHER RESOLVED that the Detroit Police
18 Department will carry out and supervise the day-to-day
19 operation of the motor vehicle storage facility and towing
20 operations, and that the Detroit Board of Police
21 Commissioners shall have oversight of the operation.

22 BE IT FURTHER RESOLVED that this resolution is
23 given immediate effect. The Chief of the Detroit Police
24 Department is hereby authorized to take all steps necessary
25 and appropriate to carry out this resolution. This

1 resolution was adopted by the Board of Police
2 Commissioners -- going to do it today?

3 COMMISSIONER DEWAELESCHE: Move to approve.

4 COMMISSIONER MALLETT: Support.

5 COMMISSIONER BELL: It's been properly moved,
6 seconded, and supported. Discussion?

7 COMMISSIONER BURTON: Through the department -- I
8 mean through the Chair.

9 COMMISSIONER BELL: Yes, sir.

10 COMMISSIONER BURTON: You know, I think that, you
11 know, this is premature for us to vote on this today
12 knowing the fact that we received an email yesterday
13 evening about this was going to be on the agenda. I think
14 that we as an oversight board and body, we should take on
15 our own due diligence to look at best practices and
16 procedures as well since the department has already looked
17 into it on their end. I think that -- you know, I think
18 there's -- I think we should set this aside for at least 30
19 days so we can go back and we can review and see what the
20 cost and the savings is going to be for the city of Detroit
21 and this is a good move to go along with.

22 I think that we have not been properly prepared
23 on taking on towing issues. I know very little I about
24 towing. I understand that this is a big -- it's been a big
25 ongoing problem. And I think that we should -- from an

1 oversight standpoint, we should do our own due diligence to
2 investigate this further to see if this would be the right
3 move.

4 COMMISSIONER BELL: Those in favor of the motion?

5 THE BOARD: Aye.

6 COMMISSIONER BELL: Those opposed?

7 COMMISSIONER BURTON: Nay.

8 COMMISSIONER DAVIS: Nay.

9 COMMISSIONER BELL: Mr. Hicks, did we hear a
10 sound yeah?

11 MR. HICKS: It appears that, yes, you have -- if
12 all members are voting, I have two members who are voting
13 against, and the balance would give you enough to carry the
14 motion.

15 COMMISSIONER BELL: As clarity, the Chair is
16 going to request a roll call vote, and that will clarify
17 that the particular matter. The Chair is going to start to
18 my right. Commissioners?

19 COMMISSIONER DAVIS: No.

20 COMMISSIONER BURCH: Yes.

21 COMMISSIONER BROWN: Yes.

22 COMMISSIONER BELL: Chair vote yes.

23 COMMISSIONER CARTER: Yes.

24 COMMISSIONER HOLLEY: Yes.

25 COMMISSIONER DEWAELSCHÉ: Yes.

1 COMMISSIONER MALLETT: Yes.

2 COMMISSIONER BURTON: No.

3 COMMISSIONER BELL: Motion passed. Thank you.

4 The next item would be -- thank you, Assistant
5 Chief White, and thank you Chief Craig and Lieutenant
6 Parish.

7 CHIEF CRAIG: I thank you, Chair. I just want to
8 also thank our team, Assistant Chief White, Lieutenant
9 Paris, for the work they put into this. Again, as is was
10 pointed out by Chief White during his presentation, this
11 didn't just start yesterday. The discussions really
12 started on looking at best practice late 2017, and it's
13 come to fruition. So I just want to thank them for a great
14 job.

15 MR. HICKS: Mr. Chair, if I may. I also want to
16 indicate or suggest that the question in answer to
17 Commissioner Mallett's concern, in terms of developing
18 criteria for hardship, that that actually be subjected to
19 the policy section of the organization.

20 COMMISSIONER BELL: We will take that item at a
21 later time. I follow you. Yes, we're going to take that
22 item up. Definitely. Definitely we will take that up.

23 The next item on the agenda would be Detroit ID,
24 and Dr. Paula Takash. Please.

25 DR. TAKASH: Cruz Takash.

1 COMMISSIONER BELL: Thank you for coming.

2 DR. TAKASH: If I could have your tech person
3 start this, because it's a scrolling presentation. So if
4 he could come and do that.

5 COMMISSIONER BELL: Ms. Blossom is going to help
6 you. Thank you. Thank you very much.

7 And one last request. I'd like to approach the
8 Board and give you my City of Detroit ID card so you
9 actually see a real one while I'm speaking about it.

10 COMMISSIONER BELL: Yes, ma'am.

11 Well good afternoon commissioners, Chief Craig,
12 all the officers here, the commission staff -- I know how
13 hard you all must be working -- and also the members of the
14 public who are in attendance today.

15 Chair, Commissioner Bell, I would also like to
16 thank -- on behalf of the City of Detroit Municipal ID Card
17 Program, I would also like to especially thank Commissioner
18 Burch and also Commissioner Brooks. Brooks who invited us
19 here in person, and also Commissioner Burch who has several
20 times had us out at her events that she's organized for the
21 commission and which has allowed us -- given us the
22 opportunity to present to the public what this program is
23 all about and why every single person here who lives in the
24 city of Detroit should also have a applied for the Detroit
25 ID card if you haven't already. And that includes the

1 commissioners. And I'm going to let you know why.

2 The City of Detroit decided -- the council, the
3 mayor decided over two years ago that they, like other
4 cities and other counties in these United States, would
5 implement a municipal ID card on behalf of the thousands of
6 residents here in Detroit, same for other cities that do
7 not have an accepted government ID.

8 So here in Detroit we already have -- we're less
9 than two years into the program. It will be two years in
10 December of this year. But we have already over 4,400
11 folks who now carry this municipal ID card. I have said to
12 other folks that behind -- for about 3,500 of these card
13 holders, you're talking about not just the card holder
14 being a beneficiary but every one of their families --
15 okay, families like my own -- who may have had a homeless
16 sibling, a homeless family member. These programs are a
17 benefit for us, the family, in addition to that person that
18 is getting that card as well.

19 So you want to multiply the number, the 4,000, or
20 to be modest, the 3,500 persons who hold that card whose
21 family members are also benefited by having this card.

22 What does this card do?

23 The Municipal ID Card Program, again it is a
24 government -- a valid government ID with all the built in
25 features such as passports have, driver's license have,

1 state ID cards have. We want to make sure that the ID that
2 is issued to an individual the issued to that person; that
3 that person is who they say they are. So the card also
4 goes through a verification process, such as a verification
5 process that you go through for bank loans that banks use
6 for credit, etc. So this is a valid and verified ID card
7 that is issued.

8 So the card then provides a person access to
9 resources that they otherwise would not be able to get; as
10 basic as some food resources. Because some pantries, some
11 food banks require that -- and their funders require that
12 they be able to identify who they're providing the food to
13 for funding purposes. We're about to work with the
14 Presbyterian -- the Fort Street Presbyterian Church, their
15 Open Doors Program that's been going on for over 50 years
16 now. Every Thursday they feed 200 people. And we're going
17 to be going there onsite with our mobile unit to enroll
18 more folks there.

19 We work very closely with numerous homeless
20 shelters. We have recently signed up over 89 gentlemen,
21 some of them coming out of prison and some of them
22 homeless, who will be residing at the Oasis Detroit Rescue
23 Mission Shelter. And we are working very closely with that
24 organization to also now begin to do the enrollment for
25 women and their children in these shelters as well at the

1 Genesis House and other facilities.

2 So, again, this card has been a major benefit for
3 folks who are homeless, for at risk youth. On Tuesday my
4 colleague, Mr. Suriano, and also members of our Detroit
5 Mobile Team, we were out at the Covenant House, Covenant
6 House Academy East, on the eastside. We're going to go to
7 the southwest one as well. And we've already enrolled
8 Covenant House Shelter residents as well as the academies
9 there in the central part of the city.

10 We've already enrolled those young kids sixteen
11 to twenty-some, twenty-two, who can't go back home. They
12 may have had ID, but they can't go back home easily. And
13 when you leave your home at sixteen in the back seat of a
14 police car perhaps or on your own, you don't necessarily
15 stop and ask an officers, can I please wait and get my
16 birth certificate and my other ID, you know. So these are
17 young people, again, born and raised here usually here in
18 Detroit that don't have ID. So we've done enrollment of
19 those youth as well.

20 Again, I was just at the agency for aging, and
21 we're going to be working systemically with the seniors.
22 We already have had many, many seniors coming into our
23 offices, some on canes, some on walkers, okay, who cannot
24 get their operations scheduled, okay, until they have a
25 government ID. They cannot pick up some medicines. One of

1 our gentlemen was going all the way to Hamtramck, having to
2 take two buses, because only one pharmacist would give him
3 his medicine without having a government ID. When he got
4 his Detroit ID he was able to get his medicine in his
5 neighborhood. Okay, so it saved him time and money, and he
6 was ecstatic about it.

7 We had a woman recently come into our office in a
8 wheelchair with her caretakers who could not go to her pain
9 clinic appointment because she did not have ID. So we were
10 able to able to very quickly help her get her in the
11 process. And acknowledging that process, the pain center
12 then allowed her to have her appointment.

13 So there are many, many reasons why people do not
14 have their ID even though they may have had it at one
15 point. And, again, like I'm saying -- what I'm saying is
16 we're not talking about a handful, we're not talking about
17 hundreds, we're talking about thousands of folks that do
18 not have their ID.

19 So again we have here scrolling a few slides for
20 you all. And that is to -- that we have a total of over
21 4,400 folks who now carry -- who now have the ID. And that
22 increases every single week.

23 We also -- within our first year -- before the
24 end of our first year we were awarded the Faith Brooks
25 Honoree by the State Registry, Organ and Tissue Registry,

1 and MOTTEP (Minority Organ and Tissue Education Program).
2 We were awarded that -- given that recognition, because
3 through this vehicle of the municipal ID card we have been
4 able to register over 1,600 ID card holders who have
5 voluntarily decided that they want to be donors.

6 For many folks, the only way that you register is
7 through the Secretary of State when you get a new driver's
8 license. Once in awhile a person will go online and
9 register, but not very many. So this has become a major
10 vehicle for the state registry to be able to get more
11 volunteer donors. We're very, very -- we were very excited
12 to be able to get that award even before the end of our
13 first year.

14 The pictures that you see here scrolling through
15 are examples of the onsite enrollments that we have done.
16 Again, I mentioned the homeless shelters. I mentioned the
17 academies for the Covenant House. We've also done
18 enrollments at schools. We've done enrollments for the
19 GDYT students. In order to get that summer youth
20 employment job, you have to have an ID; and a lot of those
21 fourteen-year-olds do not have that.

22 The Michigan Works, Detroit At Work, Employment
23 Solutions, they all accept and they send us folks to come
24 and get the ID cards so that their clients can participate
25 in job training so they can actually get that job as a

1 result of that job training.

2 We've had people call us because they're going
3 get kicked out of that job training program without an ID,
4 or who are employed but their employer's say, you have to
5 give us an ID or else I'm going to have to let you go. And
6 so we've been able to service those folks as well.

7 The other -- let's see. The other slide that you
8 see on there --

9 Am I missing anything, Mr. Suriano? All right,
10 thank you.

11 I've also pulled up there slides in terms of
12 some of the other benefits. For those of us who have IDs,
13 we get this question all the time. People will say to us,
14 I have ID, or I have ID up the kazoo, they'll say; why do I
15 need this ID? We say, you may not need this ID, but this
16 is why you may want the ID. We have over 140, 150
17 merchants, local merchants, okay -- so this is also to
18 support the local merchants -- over 140, 150 local
19 merchants who also give benefits if you carry the ID card.

20 So many of you gentlemen here will know Hot Sams
21 Men's Retail Shop, okay, because he's been around forever,
22 has very nice clothing. And he gives you 30% off when you
23 show the Detroit ID card. You can show your state ID. You
24 can show your driver's license. He's going to pat you on
25 the back and say, yeah, but you don't get the 30% discount

1 that you get when you show the Detroit ID card.

2 We have numbers of partners here. Some of the
3 partners that we have who aren't the merchants but they
4 they are institutions include the police department. Very
5 important. Chief Craig was at the press conference at the
6 Charles Wright Museum when we launched this program in
7 December of 2016. But the police department is mandated by
8 city ordinance to accept this ID as proof of ID should they
9 stop a resident and ask for ID. Every department that
10 requires an ID, every city department that requires ID, is
11 required to accept this as proof of ID.

12 The Sheriff's Department -- I know some of you
13 were also working with the sheriffs on the Board here. The
14 Sheriff's Department, over a year ago Sheriff Napoleon
15 elected to have all his officers also accept this as proof
16 of ID for Wayne County. So even though this is a municipal
17 ID card, this is -- you know there are state institutions
18 like the Michigan Department of Corrections, like the Gift
19 of Life Registry, like the Wayne County Sheriff's that have
20 also said this ID issue is a huge issue for all of us, and
21 so we're going to recognize the Detroit ID.

22 Again, I would direct your attention, all of you,
23 you can go on your cell phones and you can just Google
24 Detroit ID. Our website pops up. You just go down to
25 "Benefits." You hit "Benefits", and you will see that 140,

1 150 different merchants and exactly what discount they give
2 or that they accept the ID for different purposes.

3 Some of you serve on hospital boards or run
4 hospitals and medical facilities. You want to know that
5 the Detroit Medical Center, the Chass (Phonetic) in the
6 southwest area, other clinics also accept this as ID that
7 you need to show before you can get medical services.

8 We're hoping that -- I think it's Sinai that one
9 of the commissioners sits on or is a member of. We're
10 hoping to be able to add that hospital and any other
11 clinics and hospitals in the area that would be able to
12 benefit our residents who are needing medical care.

13 So, again, you will look on here. And I know
14 that some of you are also with the water and sewerage, City
15 Water and Sewerage or DTE, they are all our partners in
16 this.

17 For the DTE; in the very first month that we
18 opened up, we had a woman, old woman. She said, I'm an old
19 woman. She says, and I'm freezing to death in my house.
20 And she did not have her heat, and she did not have an ID.
21 So with the Detroit ID she was able to -- and we rushed
22 that emergency to her and to DTE -- we were able to have
23 her utilities turned on and get her some heat in her house
24 in that cold, cold winter.

25 So again, I'm going to leave the rest of the time

1 perhaps for some questions. We're here to take your
2 questions, but also to take any recommendations that you
3 all have.

4 If you are members -- I know some of you are
5 members of your churches, your other faith-based
6 organizations, community based organizations. We've worked
7 with the all City Police Community Relations Council as
8 well. Your three top officers there have their Detroit ID
9 card, and we're looking for ways to do onsite enrollments
10 in their precinct, in their neighborhoods. But we're here
11 also to listen to any recommendations and entertain any of
12 your questions. So keep it up.

13 COMMISSIONER BELL: Thank you.

14 Commissioners, any questions.

15 COMMISSIONER DEWAELSCHE: No question, just a
16 comment.

17 COMMISSIONER BELL: Yes, ma'am.

18 COMMISSIONER DEWAELSCHE: Yes. I want to thank
19 you for all that you're doing. You mentioned the GDYT
20 (Grow Detroit's Young Talent). And that is every summer
21 where over 8,000 young Detroiters are given job
22 opportunities. And it's very important that they do have
23 an ID. I hope that you get as many as possible to register
24 for that. Because not only do they need it for the program
25 possibly or for the activities, but to cash their checks

1 when they get employed. Or, you know I mean, it helps in
2 many other respects. And they are younger and don't tend
3 to have, you know, ID's other than that.

4 DR TAKASH: Exactly.

5 COMMISSIONER DEWAELSCHE: Congratulations. I
6 think that's a wonderful program.

7 DR TAKASH: We have this summer and we continue
8 to. So if you know any GDYT students or student workers --
9 they're just not working right now, but they can sent to
10 one of our two offices. We have one office in the Patton
11 Recreation Center on the southwest side. We have one on
12 the eastside in the Samaritan Center as well. But they can
13 be sent to our office.

14 The City allocated funds to give the GDYT
15 students a free Detroit ID card. So we're still doing
16 that. We're about to enroll another bunch of GDYT students
17 who are working with the NSO. And their supervisor is
18 bringing them to our Samaritan office. But very important.

19 I'm hoping that next year, and what I've already
20 recommended and provided slides for, is that the directors
21 of GDYT will put on their website where the page is for the
22 parents and with the kids when they're signing up February
23 and March, where it says, "You must have an ID" that they
24 will include right there the City of Detroit ID, so that
25 they know that they can get that ID and then they can get

1 that job.

2 COMMISSIONER DEWAELSCHE: That's a good idea.

3 Yes. Thank you.

4 COMMISSIONER BELL: Any other questions? Yes,
5 sir.

6 COMMISSIONER BROWN: Thank you for bringing the
7 information forward to us. What's your plan for when these
8 ID's expire? Do you have a plan in place to reach a lot of
9 the homeless people that may have had them and --

10 DR TAKASH: Yes. Well in general -- and of
11 course this was before the program was launched, right. So
12 the card is good for two years. So prior to the card being
13 expired then a letter will go out to those card holders to
14 let them know that they should come in or they can come in
15 if they wish. Sometimes this card is a bridge for them
16 being able to get their state ID, which is great if they
17 can do that. This program in all the other cities and
18 counties where it exist would not exist if it was a simple
19 matter of being able to get your state ID. It's not a
20 simple matter for so many people.

21 So I don't know, Mr. Suriano, if you want to
22 address this question in more detail.

23 MR. SURIANO: Yes. Also one of the efforts is to
24 develop the ongoing relationship with service providers
25 whose main attention is to service that -- you know, to

1 serve populations, in the case homeless. People are
2 affected by homelessness. So, you know, we have over the
3 last twelve months been working on an ongoing effort to
4 develop and imbed the program within the service providers
5 to their homes population, service providers to return
6 citizens, which obviously are populations that -- do are
7 mostly affected by this issue of lacking a formal
8 government ID.

9 I think it's an issue for -- that we're all aware
10 that has an impact in terms of both public safety. You
11 know, because obviously you're going around with no ID puts
12 both the person affected by lack of ID in danger, and also
13 taxes the police department who has most of the time have
14 to take this person, you know, into jail until they figure
15 out who this individual is.

16 And the other issue I also address that's
17 addressed by this program is quality of life. I mean, I
18 think that we all have one instance or another being at the
19 bank trying to cash our check and getting angry because we
20 can't cash our check, you know, that is our money because
21 you don't have an ID. So, you know, you -- we put that
22 exponentially in how people that don't have ID obviously
23 endure, you know, the ongoing challenge of surviving. So
24 it's a quality of life issue, and it's obviously a public
25 safety issue.

1 The effort has been to imbed this program
2 institutionally to women and work in a partnership with all
3 those agencies and institutions that are servicing on an
4 ongoing basis on their certain --Unintelligible-- I guess
5 the homeless community, obviously, you know, that's one of
6 the main targets for this program. I mean, we are aware
7 that everyday there's 15,000 people in Detroit that are at
8 a homeless shelter. And you know, obviously we all can say
9 that, you know, a great number of those individuals, you
10 know, lack a formal government ID that allows them to
11 improve the standard of living.

12 COMMISSIONER BROWN: And how are you tracking and
13 securing the information that people are inputting? Like
14 are they using a date of birth, social security number?
15 Who tracks and stores and secures that information?

16 MR. SURIANO: We have a database that is --

17 COMMISSIONER BROWN: Who is we?

18 MR. SURIANO: Yeah, the organization that
19 oversees the program for the City. The program has defined
20 that all the information, you know, is stored. We don't
21 keep track of social security numbers. The only
22 information that is stored is the address of the
23 individual, the name of the person, the date of birth, you
24 know. And in the case of the individual has provided a
25 driver's license or a passport then a copy of those

1 documents is stored, you know, with the application.

2 Now all this data is automatically deleted once
3 the card expires. So every two years, once the card
4 expires then the information of that individual gets
5 expunged from the system, and the person will then need to
6 reapply for the card. And once that person is going to
7 reapply, the only document that will be required will be
8 the original Detroit ID that was given when that person
9 first applied and a new proof of residency in the city of
10 Detroit.

11 You know, so you have to consider this process
12 once an individual that has gone through, you know, the
13 data verification to prove the identity of that individual,
14 then the second time around it will be a easier process to
15 facilitate that person to renew his or her card.

16 COMMISSIONER BROWN: Thank you.

17 DR. TAKASH: All of those decisions about what
18 documents would be scanned and retained and which ones
19 would not be but that we could still use them as proof of
20 ID or proof of residency, all of those decision were taken
21 by the City and run through your Law Department -- the
22 City's Law Department, and so that is how the program was
23 developed.

24 COMMISSIONER DAVIS: I have a question.

25 COMMISSIONER BELL: Commissioner Davis.

1 COMMISSIONER DAVIS: Does the U.S. Census Bureau
2 recognize this as an official ID?

3 DR. TAKASH: They do not, nor does the Social
4 Security Department, nor can you get on an airplane with
5 it. However, people -- a lot of folks will apply,
6 because -- for other reasons. But they also are trying to
7 get a copy of their social security card. Because
8 increasingly programs require the hard copy of your card.
9 I haven't had mine for thirty years. But most people can
10 tell you their numbers backwards and forwards. Well that's
11 not good enough in some programs right now.

12 However, in speaking to the regional director for
13 social security here in this area, she did tell us about an
14 online process that people can try to do; "My Social
15 Security Account" where you can then -- if you input your
16 information you can then in the menu ask for a replacement
17 card. That sometimes works, and it sometimes does not if
18 you did not have your name on a phone bill or your name on
19 a rental agreement, etc. It works for some but not for
20 others.

21 But what people actually do is they take this ID
22 and anything else they do to a social security office or to
23 any other kind of office -- not flying yet. And we would
24 discourage that. But they do do this because they have to.
25 And so what we do know -- because we ask folks to report

1 back to us about the use of their card, we know that i some
2 social security offices that they have in fact accepted the
3 Detroit ID card. Another person can go into that same
4 place that same day, and they'll be turned down. And
5 people have been doing this before this Detroit ID card.
6 That's why they carry bags full, gym bags full and satchels
7 full of every piece of ID that they have or any kind of
8 form of paper they have because they're having to prove
9 their ID somehow.

10 So the census does not -- however, this program
11 does not only exist in the City of Detroit, okay. This has
12 -- this first began over ten years ago. The City of New
13 Haven, Conneticut was the first city. The Yale Law
14 Department did all the research as to whether or not a
15 municipality can actually issue a municipal ID card, and
16 they can. San Francisco is the second city. Our other two
17 cities where we have the program is Oakland and also --

18 COMMISSIONER BELL: I don't mean to interrupt
19 you --

20 DR. TAKASH: Yes, sir.

21 COMMISSIONER BELL: -- but we're going to have to
22 close this out. I think --

23 DR. TAKASH: All right.

24 COMMISSIONER BELL: I think you did a great job.

25 DR. TAKASH: I would just say that this program

1 exist in many other cities. We know that over a million
2 New Yorkers carry this card. We're hoping that this has
3 that kind of service put in for citizens of residents --
4 the residents of Detroit.

5 And, again, if I could encourage each and every
6 one of you who do live in the city of Detroit to please
7 come to our Samaritan or Patton office or give me a call so
8 that we can get you your Detroit ID card. Thank you so
9 much.

10 COMMISSIONER BELL: Thank you. Very
11 enlightening. We appreciate that.

12 We're going to -- any standing or ad hoc
13 committee reports.

14 COMMISSIONER DEWAELSCHE: Yes, Mr. Chair.

15 COMMISSIONER BELL: Yes, ma'am.

16 COMMISSIONER DEWAELSCHE: Thank you. The
17 Personnel Committee, or September 19th, received an OCI
18 personnel recommendation from Chief Investigator Dr. Polly
19 McCalister to hire Ms. Keisha Washington for the position
20 of police commission investigator with the office of the
21 OCI.

22 Human Resources received and screened
23 thirty-eight applicant resumes with their credentials.
24 Ms. Washington holds a Master of Science degree in
25 business, a Bachelor of Science in criminal justice. Her

1 prior experience is as an intelligence specialist, special
2 investigator detective over fraud and forgery, and her
3 expertise with technology.

4 The Personnel Subcommittee approved the Personnel
5 recommendation and now recommends to the full Board to
6 accept and approve the Personnel Subcommittee's
7 recommendation to hire Ms. Washington to the position of
8 police commission investigator with the Office of the Chief
9 Investigator.

10 COMMISSIONER MALLETT: Support.

11 COMMISSIONER BELL: It's been properly moved and
12 supported.

13 Discussion?

14 Those in --

15 COMMISSIONER BURTON: Mr. --

16 COMMISSIONER BELL: Yes, sir.

17 COMMISSIONER BURTON: Mr. Chairman, I stepped
18 out, and I just stepped back in. Could we -- can you resay
19 what we're voting on real quick? Because I stepped out I
20 didn't hear it. I'm just coming in again.

21 COMMISSIONER BELL: I'm going to ask not to read
22 the entire report --

23 COMMISSIONER DEWAELSCHÉ: Right.

24 COMMISSIONER BELL: -- but just give the summary
25 of what you just said.

1 COMMISSIONER DEWAELSCHÉ: Very briefly, the OCI
2 chief investigator has reviewed applications that were
3 received for police investigator position, and she is
4 recommending that we hire Ms. Keisha Washington, who is
5 very experienced and knowledgeable and has an extensive
6 background. And the Personnel Committee has accepted that
7 recommendation, and we're moving that the full board
8 approve the recommendation of the Personnel Committee.

9 COMMISSIONER BELL: Those in favor aye.

10 THE BOARD: Aye.

11 COMMISSIONER BELL: Those opposed? Motion
12 carried.

13 COMMISSIONER DEWAELSCHÉ: Thank you.

14 COMMISSIONER BELL: Thank you.

15 COMMISSIONER BURTON: Mr. Chairman.

16 COMMISSIONER BELL: Yes, sir.

17 COMMISSIONER BURTON: I don't know all of the
18 candidates that applied for the position, nor have I seen
19 any resumes or anything or know who was interviewed. There
20 was no selection that was presented to me, so I'm going to
21 vote nay for right now.

22 COMMISSIONER BELL: Sir -- okay. Thank you.

23 Old business. We have two resolutions: Ideal
24 Group, and Venegas Family resolution, and Ms. Sylvia
25 Gucken. Certificate of Recognition.

1 COMMISSIONER DEWAELSCHÉ: Motion to approve.

2 COMMISSIONER MALLETT: Support.

3 COMMISSIONER BELL: It's been properly moved and
4 it's been properly moved and supported. Those --
5 Discussion. I'm sorry. Discussion? Those in favor, aye.

6 THE BOARD: Aye.

7 COMMISSIONER BELL: Opposed? Motion carried.

8 Thank you.

9 Any new business?

10 Announcement: Our next meeting will be Thursday,
11 September 27, 2018, at 3:00 p.m., at Public Safety
12 Headquarters. I want to make note of it, there will be no
13 meeting on October 4th. October 4th there will be no
14 meeting of the Board due to the NACo Conference. The next
15 commissioners meeting will be on Thursday, October 11,
16 2018, at 6:30 p.m., 7th Precinct, at Hunts Creek Station,
17 2200 Hunt Street on the eastside of Detroit.

18 Next item will be oral communication from the
19 public. You have -- could you please give your name. You
20 have two minutes. And Mr. Brown is going to start the
21 process.

22 MR. BROWN: Mr. Chair, I have seven cards. First
23 speaker will be Ms. Fredia Butler.

24 COMMISSIONER BELL: Would you call others.

25 MR. BROWN: After Ms. Butler, Mr. Bobby Legion,

1 Ms. JoAnn Warwick, Mr. Russ Ballot, Mr. Terrance Nykoriak.

2 And Ms. Michelle George will be your last speaker.

3 COMMISSIONER BELL: Thank you.

4 MS. BUTLER: Good afternoon.

5 THE BOARD: Good afternoon.

6 MS. BUTLER: My name is Fredia Young Butler. I'm
7 a community activist.

8 Board members, are we the citizens in District
9 Six and Seven less deserving of having a clean and safe
10 community?

11 Our communities in District Six and Seven are
12 inundated with used cars and repair places. When I
13 addressed the mayor about this issue, he said that the
14 people purchased the land. But as elected officials, isn't
15 it your responsibility to regulate and enforce ordinances
16 to maintain communities? Do citizens have a say about what
17 they want in their community?

18 This is a democracy. Elections are held for us
19 to select people to serve the communities. They are to
20 address the needs of the citizens, I believe, by listening
21 and being actively involved in working to resolve issues.
22 I believe too many of us have been duped in voting for
23 people who do not have the skills or the desire to do what
24 leadership calls for. Or is it fear of displeasing someone
25 about their activity in their district?

1 An elected official should have meetings to
2 educate and inform constituents whom they were elected to
3 serve. Our police officers, and especially our NPOs, are
4 performing their jobs, and we need you to do yours. If all
5 of us are doing what is required as citizens, we would have
6 more clean and safe communities.

7 In addressing all elected officials, I will quote
8 Judge Matthis when Ms. Aretha Franklin was speaking to him
9 about the Flint water problem. She mentioned his
10 television show. Knowing how vindictive producers and
11 sponsors can be when speaking out about a political issue,
12 she asked if he was "scared." Are any of you afraid to
13 speak up and take part in any issue concerning your
14 community? Each of us only has one vote. Our collective
15 votes elected you to office. Thank you.

16 COMMISSIONER BELL: Thank you.

17 MR. BROWN: Mr. Bobby Legion (Phonetic).

18 MR. LEGION: Good afternoon everyone.

19 THE BOARD: Good afternoon.

20 MR. LEGION: My name is Bobby Legion. I'm the
21 chief steward of Teamsters 214. I've been employed with
22 the city for thirty years. I've been with Teamsters as a
23 steward and chief steward for about fifteen years. I just
24 came in support and to thank you for passing the
25 legislation, or what not, to have the City of Detroit

1 employees do the towing. I represent those people. I
2 represent several departments: You know, Animal Control,
3 Parking Enforcement, and a few other departments.

4 We used to actually do the towing in the city of
5 Detroit, the Teamsters and the 01 drivers. So I just want
6 to thank you guys again for allowing us to do it. By
7 passing this you're allowing some people to not be laid
8 off; to be able to get transferred into this department to
9 do the work. And I'm sure you guys will be pleased with
10 the work that our people will do. Thank you.

11 COMMISSIONER BELL: Thank you.

12 MR. BROWN: Ms. JoAnn Warwick.

13 MS. WARWICK: Is it possible to wait for Chief
14 Craig to come back? I was hoping he would hear what I have
15 to say.

16 COMMISSIONER BELL: We can if he comes back. If
17 not, we can --

18 You can call the net person.

19 You can take a seat on the front row, ma'am.

20 MR. BROWN: The Mr. Russ Ballot.

21 COMMISSIONER DAVIS: Russ Balini (Phonetic) left.

22 MR. BROWN: Okay. Mr. Terrance -- I don't quite
23 know. Nowicki?

24 MR. NYKORIAK: I would like the chief present as
25 well if possible, please.

1 COMMISSIONER BELL: I'll just call him up here in
2 case.

3 MR. BROWN: Ms. Michelle George.

4 MS. GEORGE: Good evening. I would like Chief
5 Craig present too, but I know Deputy Chief --

6 COMMISSIONER BELL: Okay, okay --

7 MS. GEORGE: All right.

8 COMMISSIONER BELL: We're going to -- hold on,
9 we're going to pause.

10 MS. GEORGE: Yes, sir.

11 COMMISSIONER BELL: We're going to pause. We're
12 going to call the speakers up. We're going to continue on.
13 The Chief has his commitment. The deputy chief is
14 representing the chief as always, so we cannot hold up our
15 agenda. But that's okay.

16 MS. GEORGE: Oh, right. Thank you.

17 COMMISSIONER BELL: Because if you want to speak
18 you have an opportunity to speak.

19 MS. GEORGE: Thank you.

20 COMMISSIONER BELL: I'm speaking to the other
21 speakers too. So we're not going to invite --

22 MS. GEORGE: I was just making a comment. I know
23 Deputy Chief Bettison --

24 COMMISSIONER BELL: Yes, ma'am, he does an
25 excellent job.

1 MS. GEORGE: Yes, sir. Thank you, Chair.

2 COMMISSIONER BELL: Thank you, ma'am.

3 MS. GEORGE: I wanted to -- well first of all,
4 good afternoon Chief Craig -- to Chief Deputy Bettison in
5 Chief Craig's presence [sic] and to the Board of
6 Commissioners, as well as to Chairman Bell.

7 I want to make a comment on the -- I was at
8 Bishop Edgar Vann's church when the young lady did the
9 heckling. And I was on to radio program talking about
10 anger, and I addressed that issue. I tried to reach out to
11 her. I gave her my phone number. Because it was uncalled
12 for and it was disrespectful. I know a lot of people were
13 angry about the water, because we were coming from Mumford
14 High School dealing with the water in the schools. But
15 like I told her, that's not the way to handle it. He's
16 still the mayor, and he has a security team. And I think
17 when she moved her body over she was escalating. And I
18 told her I didn't want to see her in danger or anyone else.
19 So I'm hoping she'll reach out to me.

20 But he was right about that. The mayor did reach
21 out to the young people, because that was our concern.
22 Because the kids in the high school were kind of crying,
23 because they felt they weren't going to get their issues
24 addressed. But I'm hoping the young lady -- she did say
25 she would reach out to me, so I'm hoping to kind of counsel

1 her on that, you know, with that issue.

2 Also I wanted to -- and I wanted Deputy Chief
3 Bettison to make sure the mayor gets this information. I
4 was on an urban information network internet TV show, and I
5 was talking about racism and how racism impacts your
6 health. But I was on there last week. We were addressing
7 some issues. And I was a guest panel, and an attorney was
8 a guest panel. This was the attorney from the ACOU that's
9 suing the Detroit Police Department about the racism with
10 the officer that I guess he was the subordinate, and there
11 was some issues.

12 But I wanted to reach out to -- I hope -- I
13 wanted to reach out, because I was kind of disturbed by
14 that. I saw the press conference with the officer and for
15 him to still be working. But I hope the Board of
16 Commissioners and Chief Craig would deal with that issue,
17 the lawsuit. Because as an officer, the officers deal with
18 a lot every week, every day with the trauma, with the kids
19 -- people getting their heads blown off. But I just hope
20 that racism that that officer has experienced allegedly
21 that that's not occurring. So I'd like to deal with that.
22 Because I'm dealing a lot with racism and how it impacts
23 your health. I just wanted to comment on that issue, that
24 officers should not have to deal with this with his skin
25 color. So I'm going to be on top of that as well. Thank

1 you.

2 COMMISSIONER BELL: Thank you.

3 DC BETTISON: I'd like to comment. The key word,
4 Ms. George, was allegedly. And, you know, I'm so glad that
5 you said that allegedly word. When it comes to racism, you
6 know, I feel free to speak for the chief in this regard,
7 that we don't tolerate that within our department. We
8 investigate it vigorously.

9 MS. GEORGE: Okay.

10 DC BETTISON: We still do have a core committee
11 that is up active. And as a matter of fact, I'm a liaison
12 for that committee.

13 MS. GEORGE: Okay.

14 DC BETTISON: So we do not have a culture of
15 systemic racism within the Detroit Police Department. And
16 I will definitely --

17 MS. GEORGE: So they are addressing that with
18 Officer Strickland?

19 DC BETTISON: Absolutely it has been addressed.

20 MS. GEORGE: Okay.

21 DC BETTISON: And those other issues due to Human
22 Resources issues that I'm not free to go into --

23 MS. GEORGE: Okay.

24 DC BETTISON: -- but it is definitely --

25 MS. GEORGE: Thank you. Because I met Attorney

1 Mark on the show. We were talking about something else,
2 and he brought it up on the TV show. Thank you.

3 COMMISSIONER BELL: Thank you.

4 MR. BROWN: Ms. JoAnn Warwick.

5 MS. WARWICK: Yes, hello. Good afternoon. My
6 name is JoAnn Warwick.

7 THE BOARD: Good afternoon.

8 MS. WARWICK: I wasn't planning on coming today.
9 I would have put a jacket on or something so I look a
10 little better. I rode my bike here. But I felt pretty
11 strongly about some things that I have seen happening.

12 I have very deep concerns that Detroit Police
13 Department officers are not trained very well in the First
14 and Fourteenth Amendment issues. I have a concern that
15 they're not trained very well about dealing with people
16 with trauma and post-traumatic stress disorder.

17 I'd like to comment on the mayor's meeting
18 Saturday at Second Ebenezer Church. What I saw were
19 residents who didn't want to stand for evasive answers; and
20 then the meeting was shut down, and they were called
21 disruptive. Well I would invite anybody here to take a
22 look at the British Parliament and see how they spar with
23 one another. And, you know, so I would say, grow a little
24 more thick skin, and that's the whole idea of public
25 service.

1 If people are coming down there, that's probably
2 because they're upset. There are a lot of unfair things
3 going on in this city for people to be upset about. And so
4 I think that officers should seek to figure out why
5 somebody might be upset and seek to diffuse it.

6 I had an officer violate my civil rights at the
7 CAYMC Building yesterday. He stood -- he was in plain
8 clothes. He stood in the elevator and refused to let me go
9 up to the 13th floor. I was trying to find out when there
10 was going to be a hearing on a neighborhood enterprise down
11 in my neighborhood so that the developers in my
12 neighborhood, in a very, very, very tiny piece of area
13 where they want to sell expensive housing where all those
14 people would get a fifteen year tax break but the rest of
15 us don't. But that officer somehow took it upon himself
16 because some other misguided person thought that there was
17 a somehow legitimate order that I couldn't go to the
18 thirteenth floor. And he stood in that elevator and
19 blocked my way until finally at least the Ombudsman came
20 in, and he diffused the situation and went up with me.

21 So, you know, I'm a white girl. But guess what?
22 I've been falsely arrested before, mistreated by police,
23 pushed over my bike, mistreated in jail, lied about, a
24 coverup lasting over thirteen years by not these law
25 enforcement officers. And so, you know, when citizens are

1 upset and they come to speak, there's a reason for it. So
2 the mayor should have listened.

3 And the people down at city hall at the CAYMC
4 Building I think deserve -- should get some training about
5 the First Amendment, the Fourteenth Amendment diffusing
6 situations and that if somebody's upset maybe there's a
7 reason for it. Don't just discount them and don't hear
8 what they have to say because, oh, my God, they're upset.

9 Do you know how many times that I'm talking with
10 sick people in the CAYMC Building and they don't answer my
11 question which I believe are very legitimate --

12 COMMISSIONER BELL: Thank you, ma'am. The time
13 is up.

14 MS. WARWICK: -- and they say, I'm not here to
15 argue.

16 COMMISSIONER BELL: Thank you ma'am.

17 MS. WARWICK: So it doesn't bring a lot of
18 respect for police officers when they're not respecting our
19 rights. Thank you.

20 Oh, last thing, and I think it's very important.
21 This whole police procedure when you file a complaint, it's
22 so unsatisfactory. I've filed a couple of complaints
23 and --

24 COMMISSIONER BELL: Thank you, ma'am.

25 MS. WARWICK: Okay. I was told that it is

1 possible -- when you get the report it doesn't even say the
2 name of the police officers. It doesn't say the facts. It
3 doesn't say the reasoning any findings were made.

4 COMMISSIONER BELL: Ma'am --

5 MS. WARWICK: I mean, it just doesn't help at
6 all.

7 COMMISSIONER BELL: Ma'am, we speak about
8 respect. Your time is up.

9 MS. WARWICK: Okay, thank you.

10 COMMISSIONER BELL: Thank you.

11 MR. BROWN: Terrance. Can you say your last name
12 and spell it, sir?

13 MR. NYKORIAK: Nykoriak, sir. N-y-k-o-r-i-a-k.

14 MR. BROWN: Thank you.

15 MR. NYKORIAK: I stand before the Board as an
16 elected official and as a private citizen.

17 I was held up at gunpoint on my porch at Lawley
18 and Dequindre over the weekend. It took forty minutes for
19 one car with two officers to arrive. The suspect is still
20 loose. He's still loose with a glock handgun. He will or
21 might rob somebody or kill somebody if DPD doesn't do
22 anything about it. The federal government is aware of this
23 situation, and they're closely monitoring it as well.

24 There is daily drug activity on the next block.
25 I've seen the suspect in the area. I pointed him out to

1 officers, and they did nothing to see that he was put into
2 custody. No evidence techs have been out to the residence.

3 I would like the Board to see that the police
4 chief, who for some reason left without explanation, target
5 the area of Davidson and Dequindre to -- and that evidence
6 techs are called to the scene to take prints.

7 And in 2008, or 2012 Chief Baron said to somebody
8 on the west side that he would send some guys to the area
9 that aren't scared. And I wanted to ask the chief that, if
10 he could do the same. But obviously he doesn't want to
11 hear what the public has to say, because he decided to dip.

12 I would also ask the chief to contact the Mayor's
13 Office with regard to three abandoned buildings in the
14 vicinity that are a concern for public safety. That's all
15 I have.

16 DC BETTISON: I'd like to respond to that since
17 I'm representing the chief. The chief is attending to some
18 matters, so it's not that that he he just dipped. I'm a
19 deputy chief right out of his office, and I will definitely
20 ensure -- you mentioned Chief Baron, we have the Deputy
21 Chief Baron who runs our entire eastside. And Deputy Chief
22 Baron will assist you. As soon as you step away from the
23 podium, he'll make sure that he gets that information so we
24 can work on getting the violent perpetrator who assaulted
25 you into custody.

1 COMMISSIONER BELL: And lastly, you wanted -- you
2 have a desire to file a complaint? You made mention you
3 was not satis -- you know, do you have that desire? If
4 not, just talk to chief investigator right here in the
5 front row.

6 MR. NYKORIAK: Okay.

7 COMMISSIONER BELL: Thank you, sir.

8 MR. NYKORIAK: Thank you.

9 MR. BROWN: Mr. Chair, that was your last
10 speaker.

11 COMMISSIONER BELL: If there's no other business
12 before this body, I want to thank all of you for coming out
13 this afternoon. Have a great weekend. The Chair will
14 entertain a motion for adjournment.

15 COMMISSIONER DAVIS: So moved.

16 COMMISSIONER DEWAELESCHE: Support.

17 COMMISSIONER BELL: It's been properly moved and
18 supported.

19 Discussion? Those in favor, aye.

20 THE BOARD: Aye.

21 COMMISSIONER BELL: Motion passed. Thank
