3 At approx. 6:29 PM.

4 COMMISSIONER BELL: Good evening. I am  
5 Police Commissioner Willie Bell, I represent  
6 District 4, I serve as Chair of the Board and  
7 will be conducting our meeting today.

8 On behalf of the Board for those in  
9 attendance, thank you for joining us. For people  
10 hearing this meeting on your government cable  
11 channel, thank you for viewing our meeting.

12 I want to welcome back Police  
13 Commissioner Elizabeth Brooks. Commissioner  
14 Brooks' husband William Charles Brooks, better  
15 known as Bill, made his transition on October 1,  
16 2018. While many of us were away at the NACO  
17 Conference at this difficult time our hearts and  
18 prayers remained here in Detroit with  
19 Commissioner Brooks and her family.

20 On behalf of the Board we salute our  
21 long-standing ground-breaking work of William  
22 Brooks better known as Bill Brooks, as a military  
23 man, a corporate leader, community model and a  
24 standard bearer and a father and a grandfather  
25 and just really an outstanding young man who made

1 significant contribution not to just Detroit, but  
2 to the nation in terms of his service, and we  
3 just really want to really keep the Brooks family  
4 in our prayers.

5 And we just want to welcome her back,  
6 this is her family, her extended family, and I  
7 know it's been a difficult time, but we'll  
8 continue to pray for her and her family.

9 Tonight we are meeting at the historic  
10 Hunt Street police station. Some of you might  
11 have had some personal experience or encounter  
12 and I'm one of those. But tonight's meeting is  
13 the 10th community meeting for the Board in this  
14 calendar year.

15 The Hunt Street police station opened  
16 its doors in May of 1897 and I was not around,  
17 and served as the 3rd Precinct for the Detroit  
18 Metropolitan Police Department for 63 years.

19 The station was designed by Edward Van  
20 Leyn, but he also designed the Belle Isle Casino  
21 and both locations remind us of the architectural  
22 beauty within our city.

23 The station was closed in the police  
24 department in January, 1960 when the Hunt and  
25 Chene precincts were merged into the Mack and

1 Gratiot precinct better known as the 7th  
2 Precinct.

3           Since then the station has been  
4 entrusted to a variety of private owners and on  
5 February 29, 1980 it was added to the National  
6 Registry of Historic Places. In early 2017  
7 Detroit's Matthew and Kevin Morren (sp) purchased  
8 the building -- we're going to hear more about  
9 them shortly -- began a historic renovation to  
10 return the Hunt Street Station to its former  
11 glory. You can see the results in the work.

12           I would like Commissioner Willie  
13 Burden, District 5, to welcome us to his  
14 district. Commissioner Burton, would you like to  
15 address the audience at this time?

16           COMMISSIONER BURTON: Sure. Thank you,  
17 Mr. Chairman. Welcome everyone to the mighty 5th  
18 District and anything that we can do as  
19 commissioners to continue to serve the community  
20 we are definitely available and so welcome.

21           COMMISSIONER BELL: Thank you,  
22 Commissioner Burden, District 5. And at this  
23 time we would like to hear from -- or okay.

24           MR. MORREN: Well, I do want to welcome  
25 all of you to the Hunt Street Station, it's

1 pretty cool. I'm Matthew Morren, I'm one of the  
2 co-founders of Hunt Street Station -- sort of  
3 refounders I guess.

4 As the Commissioner said, the building  
5 opened in 1897, so we're just trying to continue  
6 that stewardship. My brother and I purchased  
7 this just a little over a year ago along with my  
8 wife who's too shy of the microphone to get up  
9 and speak.

10 And then Alex is our community manager.  
11 But I want to -- I think this is such a cool  
12 thing when Theresa and her team approached us --  
13 I think -- is it Sgt. Belligen -- he's not in  
14 here right now, but he came by and walked into  
15 the lobby and was so excited just to see this  
16 space he immediately calling back to the  
17 department hey, how can we do this, how can we  
18 put this together, and we welcome all of you, we  
19 welcome you with open arms.

20 I think that we're excited for Hunt  
21 Street Station to become a strong part of the  
22 community again. We think we're already doing  
23 that, but hosting this sort of thing is just  
24 another opportunity to do that.

25 So welcome, Commissioners. Our

1 hospitality, anything we can do to make this  
2 night go well, we offer that and for anyone in  
3 the community, this is a space, we -- so just to  
4 -- we operate this is a co-working space now. On  
5 the second floor is a company that my brother and  
6 I founded 20 years ago that does educational  
7 technology consulting.

8           So we run our offices out of the here,  
9 but on the third floor and the first floor is a  
10 co-working space, so we now have meeting rooms,  
11 if people need an office or need a desk space to  
12 work from, that's available. So we're open  
13 to the community, we're here for that and that's  
14 kind of why we thought the name was so  
15 appropriate.

16           This is obviously a police station, but  
17 now it's just another type of community building  
18 and we want to carry that on, so thank you again,  
19 everyone, for coming and welcome again to the  
20 Hunt Street Station and you don't have to stay in  
21 the back. The cells were back there.

22           (APPLAUSE).

23           COMMISSIONER BELL: I really commend  
24 the 7th Precinct leadership team to make this  
25 type of decision and for us to really have this

1 opportunity and for Mr. Hicks to give us some  
2 background and a history. I'm been driving by  
3 this location for many many years as a young  
4 person and as a teenager and adult. Gratiot  
5 Avenue has been a major artery for me, so I  
6 started my career at Mack and Gratiot 7th  
7 Precinct and -- but the history of this -- you  
8 know, this is the home precinct of Ben Turpin,  
9 the home precinct of Ben Turpin. There are  
10 pictures of a lot of history there and I'm going  
11 to reach out to some of the individuals who might  
12 know a little bit more personal history like  
13 Moses Baldwin who is in his 80s now and come on  
14 in the late '50s, not in that early '50s, but  
15 this is a history-making opportunity here, so I  
16 hope that you appreciate it.

17 And so if we move forward n our agenda,  
18 I'm going to ask the chaplain from the 7th  
19 Precinct Doug -- he's been a long-time chaplain  
20 with the DPD Chaplain Corps and I have interacted  
21 with him over the years and we appreciate you  
22 coming forward for the invocation.

23 (INVOCATION WAS GIVEN).

24 COMMISSIONER BELL: At this time I'm  
25 going to ask the Commissioners to introduce

1 themselves starting to my far right with a west  
2 sider.

3 COMMISSIONER DAVIS: Commissioner  
4 William Davis, District 7, west side.

5 COMMISSIONER BURCH: Good evening,  
6 Commissioners, Shirley Burch, 3rd District.

7 COMMISSIONER BROOKS: Good evening,  
8 Elizabeth Brooks, appointed, so I'm all sides.

9 COMMISSIONER BROWN: Good evening,  
10 Commissioner Brown, District 1 on D West Side.

11 COMMISSIONER CARTER: Good evening,  
12 Lisa Carter, District 6, Southwest Side.

13 COMMISSIONER DEWAELESCHE: Good evening,  
14 Eva Garza Dewaelsche, born and raised on the  
15 southwest side, but appointed.

16 COMMISSIONER HOLLEY: Jim Holley, at  
17 large.

18 COMMISSIONER BURTON: Commissioner  
19 Willie Burton, District 5, your commissioner, the  
20 youngest elected here on the Detroit Board of  
21 Police Commissioners.

22 COMMISSIONER HOLLEY: Oh, why you got  
23 to go through all that?

24 COMMISSIONER BELL: Okay. I'm going to  
25 ask our Board Secretary Gregory Hicks, Mr. Hicks,

1 would you introduce the Board, please.

2 SECRETARY HICKS: Thank you, Mr. Chair.  
3 I should note for the record you do have a quorum  
4 present and I'd also indicate that before  
5 introduction of our staff I do want to point out  
6 that Sgt. Quinn is taping the meeting tonight,  
7 Media Services is providing the audio-visual work  
8 for tonight and Dale Rose is the court reporter  
9 of this evening.

10 And immediately to my right is  
11 Mr. Robert Brown and if we go to -- our attention  
12 would be to the first and second row, the second  
13 row first, Ms. Johnson who is the fiscal and then  
14 in the front row closest to me is Ms. Blossom who  
15 is our Media Outreach and then I just told that  
16 Mr. Warick is the attorney for the Board and then  
17 we'll go to Dr. Polly McAllister who not only  
18 introduces herself but introduces other members  
19 of the Office of the Chief Investigator.

20 CHIEF INV. McALLISTER: Good evening.  
21 I'm Polly McAllister, Chief Investigator and  
22 attending tonight's meeting with me is  
23 Supervising Investigator Akbar, Investigator  
24 Stanton, Investigator Colter, and in his own  
25 district is Supervising Investigator Cornwell.

1           SECRETARY HICKS: The configuration of  
2 the room a little bit different from what we  
3 normally get and typically we do have our staff  
4 on the front row, so when they're out of position  
5 I might miss someone and I'm clearly did not want  
6 to miss Melony White who is the executive manager  
7 for our Policy Section.

8           COMMISSIONER BELL: Thank you,  
9 Mr. Hicks and thank the staff and OCI for their  
10 attendance. And next item would be to -- oh,  
11 okay, I'm looking to my far left, our Deputy  
12 Chief sitting in Chief Craig, Barren, would you  
13 introduce yourself and introduce any other DPD  
14 personnel.

15           DEP. CHIEF BARREN: Yes, I'm Deputy  
16 Chief Elvin Barren, I oversee the operations of  
17 the Neighborhood Police East and Metropolitan  
18 Division which consists of our tactical units.

19           Starting in the back with Comm. Mahone,  
20 could you introduce yourself?

21           (DPD PERSONNEL INTRODUCES THEMSELVES.)

22           COMMISSIONER BELL: Thank you, sir,  
23 thank you for your attendance and representing  
24 the Chief. Commissioners, the Chair would  
25 entertain a motion to approve the agenda for this

1 evening's meeting.

2 COMMISSIONER DAVIS: So moved.

3 COMMISSIONER DEWAELESCHE: Support.

4 COMMISSIONER BELL: It's been properly  
5 moved and supported. Those in favor?

6 COMMISSIONERS: Aye.

7 COMMISSIONER BELL: Those opposed?  
8 Motion carries. The next item of business would  
9 be the approval of the September 27, 2018  
10 minutes.

11 COMMISSIONER DAVIS: So moved.

12 COMMISSIONER CARTER: Support.

13 COMMISSIONER BELL: It's been properly  
14 moved and supported. Discussion? Those in favor  
15 aye?

16 COMMISSIONERS: Aye.

17 COMMISSIONER BELL: Those opposed?  
18 Motion carries. Just to back up a little bit,  
19 I'm so excited about being here.

20 Do we have any elected officials or  
21 representatives of elected officials here this  
22 evening? Do we have any community leaders in any  
23 capacity, would you stand and introduce yourself,  
24 any community leaders?

25 MR. STOKES: Calvin Stokes, president

1 of Citywide.

2 COMMISSIONER BELL: Thank you,  
3 Mr. Stokes, Citywide.

4 MR. BROWN: I'm Calvin Brown,  
5 Children's Center.

6 COMMISSIONER BELL: Thank you for your  
7 attendance. Any others.

8 MS. JACKSON: Kimberly Jackson from  
9 the 11th Precinct.

10 COMMISSIONER BELL: Ah, Ms. Jackson,  
11 good to see you.

12 MR. WILLIAMS: Meko Williams, Chief  
13 director at Hydrick Drake.

14 COMMISSIONER BELL: Thank you, good to  
15 see you and good see all of you this evening. So  
16 as we move forward I guess the next time would be  
17 my report.

18 On behalf of the Board I want to  
19 express our concern and support for fallen and  
20 injured officers. Our concern for offer safety  
21 and citizen protection continues. Our board  
22 receivers a weekly report form the department  
23 listing injured officers. I would ask that the  
24 Deputy Chief report out during his remarks to  
25 advise us of any additional information related

1 to injured or fallen officers.

2 The Board of Police Commissioners meets  
3 every week and most of you know at 3:30 public  
4 safety meeting. On the second Thursday of the  
5 month we meet like this in the community at 6:30  
6 PM throughout the city at various precincts.

7 Under the Detroit City Charter, Article  
8 7, Chapter 8, the Board of Police Commissioners  
9 is empowered to provide civilian oversight and  
10 supervised control of the police department. Our  
11 citizens are justified when asking how does  
12 civilian oversight of law enforcement help you as  
13 a citizen within our community.

14 Our answer is we protect the civil  
15 rights of citizens. Oversight organizations like  
16 the BOPC are at the forefront for investigating,  
17 reviewing and auditing individual cases of  
18 citizen complaints, and patterns of operations by  
19 a police agency to eliminate misconduct,  
20 discriminatory police practices, unnecessary use  
21 of force by police. Mutual trust and respect  
22 between the police and community is critical  
23 toward increasing the quality of life for  
24 residents and visitors to Detroit.

25 The Board of Police Commissioners

1 exists to provide civilian oversight for the work  
2 of the Detroit Police Department. As a board we  
3 receive and investigate non-criminal citizen  
4 complaints, monitor the operation of the  
5 department and work with the Mayor and Chief of  
6 Police to make or modify police policy.

7 Before outlining the order of the  
8 meeting I want to share a few items with the  
9 Board. A few weeks ago the Board approved a  
10 towing program recommended by the Mayor and the  
11 Chief of Police. The program has several items  
12 that would impact operation of the Board.

13 One item was to change the Board's role  
14 by bringing routine hardship cases to the Board.  
15 In response to this concern I directed the staff  
16 to provide the department with the following  
17 statement which I will read in part.

18 The Board would like to maintain a  
19 position of oversight to the department and  
20 therefore would engage in a discussion and  
21 drafting for the department a set of guidelines  
22 for the hardship provision to the new towing  
23 configuration, but will not accept a role as  
24 described by AC James White to half routine  
25 hardship cases heard by the Board.

1           Also, given that this new towing  
2 program is very different from the past towing  
3 program I'm requesting that within 30 days from  
4 today the department report back to the Board on  
5 implementation and progress of the new towing  
6 program.

7           Also transmitted to the department was  
8 a list of reports that I believe would not  
9 overburden the department, but will keep the  
10 Board informed on the operation of both the new  
11 towing program and utilization of the old towing  
12 rotation.

13           I would like to remind the department  
14 that several weeks ago Commissioner Lisa Carter  
15 requested a copy of the existing towing rotation  
16 and to my knowledge we're still waiting on this  
17 information.

18           I want to remind the public that copies  
19 of several proposed directives that would be used  
20 to amend the police manual is posted at our  
21 website. We are hoping that you review and  
22 comment on the recommended changes on the  
23 department. Comments can be submitted at  
24 [www.detroit.gov/bopc](http://www.detroit.gov/bopc).

25           Today we have several resolutions and

1 certificates. The first resolution honors the  
2 life and service of former police officers Stevan  
3 Miller. Officer Miller served in the police  
4 department for 28 years and then joined the Wayne  
5 County office and served an additional 18 years.  
6 I didn't know he did a long history with Wayne  
7 County Sheriff's Department. Deputy Sheriff  
8 Stevan Miller passed away on October 5, 2018.

9           The second resolution is for Ms.  
10 Constance Bailey who is from the 7th Police  
11 Precinct. Is Ms. Bailey here? Not yet.

12           Ms. Bailey has served as a Community  
13 Relations Council president for the past two  
14 years.

15           We also have a certificate of  
16 appreciation that will be handled by Commissioner  
17 Willie Burton for Demeeko Williams and Katherine  
18 Richardson.

19           Tonight we have two re-scheduled  
20 presentations. The first presentation will  
21 outside some of the work of the 7th Precinct,  
22 Comm. Charles Mahone and Capt. Carol Hope will  
23 address the Board representing the Police  
24 Precinct No. 7. We also allocated a 15-minute  
25 block of time for the precinct report.

1           The second presentation is an update  
2    on medical marijuana. Presentation will be  
3    provided by Assistant Corporation Counsel Kim  
4    James representing Corporation Counsel Lawrence  
5    Garzia. We allocated a 20-minute block of time  
6    for the medical marijuana report.

7           Toward the end of the meeting we had  
8    oral communications. Please make sure you print  
9    your name on a speaker card. Cards are located  
10   in the back on the table and if not Mr. Brown  
11   will hold up a card, you can get a card now.

12           He will need your card before the  
13   beginning of the public comments. We will hold  
14   each speaker to the two minutes and we would hope  
15   that you would be respectful of the process  
16   because we respect you to give you that  
17   opportunity and we hear to hear from you.

18           Now I'm going to ask Commissioner  
19   Burton to -- we have resolution for Ms. Bailey  
20   first, right? Well, Ms. Bailey is not here yet,  
21   right? We can do the certificate, Commissioner  
22   Burton will.

23           COMMISSIONER BURTON: Mr. Chairman, we  
24   have one certificate of recognition person that's  
25   here and I think the other one is running a

1 little behind schedule, so I'd like to call up  
2 Demeeke Williams to come up forward, please.

3 Demeeke Williams, many of you all see  
4 him out in the community helping families with  
5 their water shutoffs and a strong advocate.

6 We may see him at the National Action  
7 Network meetings and any other surrounding  
8 community meetings, but today we want to  
9 acknowledge him for the work that he does in the  
10 District 5.

11 You know, Demeeke Williams, he's no  
12 stranger to our community, no stranger to helping  
13 families that are in need. You know, Detroit is  
14 still one of the blackest and poorest cities in  
15 America and many Detroiters' water are being shut  
16 off daily. And when you see this and you hear  
17 this in a city like Detroit, you know, somebody  
18 got to do something and stand up, and that's what  
19 Demeeke Williams is all about.

20 So this is a certificate of  
21 appreciation from the Board of Police  
22 Commissioners, certificate of recognition to  
23 Demeeke Williams, Chief director of Hydrate  
24 Detroit on behalf of our constituents. The Board  
25 of Police Commissioners awards a certificate of

1 recognition for Demeeke Williams. Please accept  
2 our sincere appreciation for helping Detroiters  
3 to maintain access to clean and affordable water.  
4 Thank you for exemplary services your company is  
5 providing here in the city of Detroit.

6 Let's give Demeeke Williams a round of  
7 applause, everybody.

8 (APPLAUSE.)

9 COMMISSIONER BURTON: Appreciate the  
10 hard work you're doing and congratulations. I  
11 know you was out here working hard today. Would  
12 you like to see a few words?

13 MR. WILLIAMS: Sure. First of all, I  
14 just want to thank you so much for giving me this  
15 award and the police commissioners.

16 I'm very honored and very privileged to  
17 serve the city. When I first got into this in  
18 2014 we started as the Detroit Water Brigade. We  
19 started as a community neighborhood network group  
20 that provided emergency water, rapid relief,  
21 consultation advocacy and delivery of water and  
22 also restoration to Detroiters who were in need.

23 There were over 20,000 citizens that  
24 was without water and they had not been  
25 consulted, they don't have the money. We have a

1 problem of affordability.

2 Today is the day of imagine a day  
3 without water and if you could imagine one day of  
4 you being without water it would totally  
5 inconvenience you because water is a human right.  
6 Water is an essential human right. It's life.  
7 And we cannot deny life to anyone is in need.

8 So as you think about being without  
9 water and the stress that it causes, you think  
10 about the families who have children and who have  
11 people that they care for that don't have access  
12 to water.

13 So when they called me after they've  
14 been rejected by the Detroit Water and Sewage  
15 Department, after they've been told they have to  
16 have this type of money and they call me and I  
17 hear this situation and said what can we do to  
18 help, and they're like, "Oh, my God, someone is  
19 finally here" and just to make sure that they  
20 have access to turn the water back on is a joy  
21 and a pleasure that I take and I share that story  
22 of their triumph and success with all of you.

23 We all have one resource to share and  
24 we all share this resource, so don't let them  
25 take it away, don't let them privatize it. Do

1 not let them corporatize the water and sell it  
2 back at a higher price.

3 Let us all keep this in a public common  
4 and let us do whatever we can collectively to  
5 fight for our water. It's not your fault, but  
6 this is now your fight because if they take away  
7 our water and if it happens around the country  
8 and other developing countries we are going to be  
9 in a situation, and we have to make sure that we  
10 retain that access to water.

11 Thank use so much.

12 (APPLAUSE.)

13 COMMISSIONER BELL: Thank you,  
14 Commissioner Burton and Mr. Williams. The next  
15 point of business would be a resolution and our  
16 Vice-Chair Darryl Brown who has affiliation with  
17 the Wayne County Sheriff's Department is going to  
18 address this.

19 COMMISSIONER BROWN: It's a board  
20 resolution honoring Sgt. Stevan Curtis Miller  
21 Posthumously.

22 Stevan C. Miller was appointed to the  
23 Detroit Police Department on October 24, 1997  
24 upon graduating from the Metropolitan Police  
25 Academy. Officer Miller began his career at the

1 11th Precinct and

2 WHEREAS, Officer Miller dutifully  
3 served the 14th Precinct, Special Crimes Unit,  
4 Headquarters Bureau Staff and Headquarters  
5 Surveillance Unit, in 1994 while working in the  
6 Headquarters Bureau Officer Miller was  
7 temporarily assigned to the Violent Crimes Task  
8 Force working with the FBI to take down notorious  
9 burglary gangs. Officer Miller was promoted to  
10 the rank of sergeant on August 23, 1999 and  
11 reassigned to the Headquarters Surveillance Unit.  
12 He also served at the Police Athletic League and  
13 Narcotics Conspiracy Section until his service  
14 retirement on February 18, 2005.

15 After retiring from the Detroit Police  
16 Department he continued to work in law  
17 enforcement by joining his former boss Sheriff  
18 Benny Napoleon in the Wayne County Sheriff's  
19 office as head of security. He was later  
20 promoted to the position of Department Executive  
21 and

22 WHEREAS, Sgt. Miller tirelessly served  
23 the Detroit Police Department and citizens of  
24 Detroit for 28 years and the citizens of Wayne  
25 County neighboring communities for 13 years his

1 professionalism, commitment to public service,  
2 integrity and dedication were a credit to the  
3 Detroit Police Department and Wayne County  
4 Sheriff's Department.

5 He was a community activist and he was  
6 highly respected by the citizens for whom he  
7 served as a consummate professional.

8 NOW THEREFORE BE IT RESOLVED that the  
9 Detroit Board of Police Commissioners speaking  
10 for the citizens of Detroit and the Detroit  
11 Police Department awards this resolution  
12 posthumously in recognition of Sgt. Stevan  
13 Miller's many decades of dedicated diligent  
14 public service.

15 His professionalism, integrity and  
16 standard of commitment to the City of Detroit and  
17 its citizens merit our highest regard.

18 COMMISSIONER BELL: Thank you,  
19 Commissioner Brown. The Chair will entertain a  
20 motion.

21 COMMISSIONER DAVIS: So moved.

22 COMMISSIONER CARTER: Support.

23 COMMISSIONER BELL: It's been properly  
24 moved and supported. Discussion? Those in favor  
25 aye?

1 COMMISSIONERS: Aye.

2 COMMISSIONER BELL: Motion carries.

3 Keep the Miller family in your prayers. He would  
4 be funeralized Saturday morning Greater Grace at  
5 11 o'clock, so we definitely want to pray for the  
6 family and his commitment and service over the  
7 years.

8 COMMISSIONER BROWN: Let me mention  
9 just one more thing about Sgt. Miller, just  
10 worked closely with him and knowing him, he was  
11 also a member of the Peacekeepers which is a  
12 motorcycle unit that a lot of police officers  
13 join. I myself am a member and we work closely  
14 in the community because both of the  
15 organizations are 501(c)(3) organizations  
16 continuing to do community service work and he  
17 was very active in that group.

18 COMMISSIONER BELL: Thank you. I  
19 assume the other two persons haven't arrived yet.  
20 Ms. Bailer, you have a rep for her? Oh, that's  
21 outstanding. Commissioner Burton, would you step  
22 forward for the resolution.

23 COMMISSIONER BURTON: The last time I  
24 seen you we were at the 7th Precinct community  
25 relations meeting, so welcome back to District 5

1 and I have a resolution I'd like to present a  
2 resolution for your mom, but you're here to  
3 accept it in her absence. Okay, cool.

4 So we have a resolution here honoring  
5 Ms. Constance Bailey.

6 WHEREAS Ms. Constance Bailey has been a  
7 resident of the city of Detroit for more than 40  
8 years. She graduated from Mumford High School,  
9 earned an associate's degree in accounting from  
10 Wayne State -- I mean from Wayne County Community  
11 College.

12 She also attended schools where she  
13 received travel certification and

14 WHEREAS Ms. Bailey has been an active  
15 member of the 7th Precinct community serving as  
16 Community Relations Council president for the  
17 past two years. She has been part owner of  
18 Louisiana Creole Gumbo for over 33 years -- it's  
19 some good gumbo y'all -- and owned and operated  
20 Prime Time Travel, both businesses are located  
21 within the 7th Precinct and

22 WHEREAS, Ms. Constance Bailey retired  
23 from the Detroit Public Schools where she was the  
24 custodian supervisor, she's currently a member of  
25 the Gratiot Business Association and Rivertown

1 Detroit Association where she holds the position  
2 of secretary.

3 She also volunteers at the Riverfront  
4 Conservancy and has participated in its annual  
5 Fishing Festival for the ast nine years

6 WHEREAS Ms. Bailey organized activities  
7 and daily trips for senior citizens. One program  
8 is Travel Tuesdays and allows seniors to go  
9 around the world without leaving home.

10 She is currently the secretary of the  
11 Detroit Chapter of the American Association  
12 Retired Persons, AARP, and also volunteers for  
13 the parade company

14 WHEREAS Ms. Bailey volunteers for  
15 community events and other scholarships at King  
16 High School, she participated in feeding the  
17 police throughout the years and constantly puts  
18 on -- put the needs of her fellow citizens ahead  
19 of her own.

20 She has always been interested in  
21 police community relations, always thinking of  
22 new ideas to keep the community involved and  
23 contributing her time and efforts to bring the  
24 police and the community they serve closer.

25 NOW THEREFORE BE IT RESOLVED that the

1 Detroit Board of Police Commissioners speaking  
2 for the citizens of the city of Detroit and the  
3 Detroit Police Department acknowledge,  
4 generosity, giving spirit of Ms. Constance  
5 Bailey. Her commitment and years of dedication  
6 to supporting the community of the 7th Precinct  
7 and the citizens throughout the city of Detroit  
8 merits our highest regards. Detroit Board of  
9 Police Commissioners.

10 (APPLAUSE).

11 COMMISSIONER BURTON: She said thank  
12 you. But, you know, I just want to add Ms.  
13 Bailey and her daughter does so much work right  
14 here in the 7th Precinct community relations. I  
15 know them both for many many years and when I say  
16 that's some good gumbo, that's some good gumbo  
17 and I normally go on Sundays and stop by, so they  
18 got the Sunday specials and all of the other  
19 stuff, so -- when I say it's some good gumbo,  
20 it's some goof gumbo, so --

21 COMMISSIONER BROWN: You forgot about  
22 the red beans and rice.

23 COMMISSIONER BURTON: Yeah, red beans  
24 and rice and the catfish and the cornbread.

25 DEP. CHIEF BARREN: Your mother is

1 revered by the City Council, Detroit Police  
2 Department, this honorable body, so the awards  
3 continue. I'll start with the Spirit of Detroit  
4 Award.

5 As the Commander and Captain of the 7th  
6 Precinct approach, and I read it.

7 Spirit of Detroit Award is presented  
8 herewith as an expression of the gratitude and  
9 esteem of the citizens of Detroit. Ms. Constance  
10 Bailey in recognition of exceptional achievement,  
11 outstanding leadership and dedication of  
12 improving the quality of life. Signed by all  
13 nine councilmembers.

14 (APPLAUSE).

15 DEP. CHIEF BARREN: In addition -- and  
16 the good Commander will present this one.

17 COMM. MAHONE: This is also not for  
18 you, this is also for your mother, Ms. Bailey.  
19 And it says in recognition for the following  
20 outstanding service and cooperation, your  
21 involvement in the community and services to the  
22 city of Detroit demonstrate a spirit and  
23 commitment that's worthy of recognition. We  
24 appreciate everything your mom does from the time  
25 she takes out of her busy schedule to come up and

1 mentor young offices at the 7th Precinct to  
2 feeding us to just being there when we need her.

3 For example, we got our Halloween party  
4 coming up, I know she going to be there.

5 DEP. CHIEF BARREN: Thank you.

6 (APPLAUSE).

7 COMMISSIONER CARTER: Mr. Chair, I  
8 would move for the adoption of the resolution  
9 honoring Ms. Constance Bailey.

10 COMMISSIONER DEWAELESCHE: Support.

11 COMMISSIONER BELL: It's been properly  
12 moved and supported. Discussion? Those in favor  
13 aye.

14 COMMISSIONERS: Aye.

15 COMMISSIONER BELL: Those opposed?  
16 Motion carries. I can personally attest to Ms.  
17 Bailey's efforts in terms of her leadership of  
18 the 7th Precinct and her long-standing efforts  
19 over the years to this community and I would  
20 definitely confirm Commissioner Burton about the  
21 meals they serve, it's been a mainstay for many  
22 many years. I didn't know her involvement, but I  
23 really appreciate that type of business and offer  
24 us, it's the best in Detroit.

25 COMMISSIONER CARTER: They have a food

1 truck too now. We're going to move on to our  
2 Deputy Chief reporting out for Chief Craig.

3 DEP. CHIEF BARREN: Thank you. So  
4 through the Chair, I would like to reflect before  
5 I have my opening remarks as to Sgt. Stevan  
6 Miller again serving the Detroit Police  
7 Department for just under 25 years and then  
8 moving on to Wayne County Sheriff's Department.  
9 His death, again, touched us all, very untimely.  
10 In fact, I was down in Orlando, Florida for a  
11 conference and he was scheduled to come down to  
12 the same conference the day of his untimely  
13 death, was it was a big impact for us down in  
14 Florida.

15 Remembering his wife who's also a  
16 retired sergeant from the Detroit Police  
17 Department, please have your prayers for that  
18 family and the children, to that couple and could  
19 we have a moment of silence, thank you.

20 (MOMENT OF SILENCE.)

21 DEP. CHIEF BARREN: Thank you. Moving  
22 into the remarks I would like to start with the  
23 most recent media story. Many of you have seen  
24 the off-duty officer-involved incident. That  
25 matter is under investigation.

1           It does appear that his actions were  
2 consistent with the law and department policy.  
3 As you know, he will still be reviewed, both  
4 criminal review and an internal review just to  
5 ensure that all of the department policies were  
6 followed as relates to him taking action and,  
7 again, the laws of the state of Michigan.

8           But just for a preliminary look I'm  
9 confident to say that everything does look in a  
10 positive direction. It appears that he did  
11 intervene to assist and save that young woman's  
12 life after he saw this individual standing there  
13 with a gun to her head, so I just want to get  
14 some clarity on that.

15           Tomorrow is the graduation. Detroit  
16 Police Department has a graduation of Recruit  
17 Class 2018-G. Those who are able to attend will  
18 be at 23500 West Seven Mile and it starts at  
19 10:30 AM.

20           Moving into the crime, we'll start with  
21 homicides. We are showing a 7 percent decrease.  
22 In 2017 year to date there were 217 as compared  
23 to 201 in 2018. Sexual assaults, we're showing  
24 an increase and we all discussed that in many of  
25 the meetings as to why the increase happened, but

1 467 compared to 688 compared to this time last  
2 year.

3 Robberies are down 13 percent, 2017 a  
4 total of 2,062, down just under 200 with 1,804  
5 again for 13 percent decrease.

6 Carjackings are up 5 percent, it was  
7 236 compared to 247 this time last year. We did  
8 make some really good arrests recently. We  
9 should see some decreases in that number as we  
10 move forward as we close out this quarter.

11 We look at aggravated assaults, we have  
12 a 5 percent reduction. There were 6,860 in 2017  
13 compared to 6,503 in 2018.

14 Ms. Bridget Lamar couldn't make it, she  
15 was bringing in the list of our officers that  
16 were injured. She had an untimely secondary area  
17 to cover and could not make it, so we're have  
18 that for you at the next board meeting.

19 That's concludes my report.

20 COMMISSIONER BELL: Any questions or  
21 concerns for the Deputy Chief?

22 COMMISSIONER CARTER: Deputy Chief  
23 Barren, since Detroit have been towing -- started  
24 the towing process has there been any backlash  
25 from the towers, and what I mean by that is are

1 there towers out there that are not participating  
2 because of the steps that have been taken by the  
3 City of Detroit.

4 DEP. CHIEF BARREN: And through the  
5 Chair, so I did have a conversation with DC  
6 Bettison today who's having a handle on that type  
7 of matters and he reports that there's been no  
8 backlash. He did report that there have been  
9 city towers that may have had some dirty looks if  
10 you will, but no backlash as of today's date.

11 COMMISSIONER CARTER: And the second  
12 thing, do you know when we're going to be able to  
13 get that list? It has to be available if they  
14 were using the tow rotation it shouldn't be that  
15 hard.

16 DEP. CHIEF BARREN: Yeah, and I do have  
17 that in my notes when I conclude this meeting to  
18 get with DC Bettison, of course our liaison  
19 through the Chair and I'll have him get with Mr.  
20 Hicks and provide that. We should have that  
21 ready to go.

22 COMMISSIONER CARTER: Thank you.

23 COMMISSIONER DAVIS: Deputy Chief, do  
24 you have any more information about -- it's been  
25 reported in the media that it took four and a

1 half days for a response time for the police to  
2 show up?

3 DEP. CHIEF BARREN: Yes and so that  
4 story is not accurate. In fact, the Chief is  
5 scheduled to make some commentary on that issue.  
6 It looks like from the preliminary look when  
7 Comm. Arnold Williams reported out it was  
8 actually a four-hour delay, still some concerns,  
9 but the report of it being a four-day delay, that  
10 was not accurate, and again, the Chief will be  
11 addressing that with that particular news outlet  
12 that put that information out.

13 COMMISSIONER DAVIS: I certainly hope  
14 that's not accurate.

15 COMMISSIONER BELL: Any other  
16 questioning or comments for the Deputy Chief?

17 COMMISSIONER BURTON: I do have a  
18 question. I'd like to know, I guess the citizens  
19 of District 5 would like to know what is the  
20 current police response time overall versus those  
21 at green light locations?

22 DEP. CHIEF BARREN: So the green light  
23 -- and, Commander, you can chime in as far as  
24 your particular area, but the responses are  
25 still within that -- for Priority 1's within

1 that 5 to 7 minute time frame.

2 Commander, you going to chime up on  
3 yours in the precinct?

4 COMM. MAHONE: So your question was  
5 how is the response to green light locations  
6 compared to other Priority 1 locations, is that  
7 your question, Commissioner Burton?

8 COMMISSIONER BURTON: Yes.

9 COMM. MAHONE: Actually there's no  
10 difference. Both are considered Priority 1  
11 issues for the police department and when a call  
12 comes in and you have more than one Priority 1  
13 event to deal with you take a triage approach to  
14 these calls.

15 If there is a shooting that is  
16 occurring, we respond to the shooting first and  
17 then we work our way down the line. Now, I can  
18 tell you that the calls coming into 9-1-1 are  
19 prioritized from 1 through 5.

20 Please understand I don't work at  
21 Dispatch, I never have, but I can tell you that  
22 green light locations are considered Priority 1's  
23 and if we have a group of Priority 1's that come  
24 at one time the Dispatch triages those calls to  
25 ensure that was service those in dire need first.

1 DEP. CHIEF BARREN: Thank you.

2 COMMISSIONER BELL: Thank you. If  
3 there is no further questions or concerns, thank  
4 you Deputy Chief Barren for reporting out.

5 COMMISSIONER BURCH: Mr. Chair, not a  
6 concern, just a comment to DC Barren. I reside  
7 in the 3rd District and we had an issue about  
8 speeding in our neighborhoods, so I want to just  
9 thank DC Barren because he's the core of getting  
10 that done through Chief Craig that we now have an  
11 electronic device that sits on Dequindre Street  
12 that is between Seven Mile and State Fair. It  
13 has been a tremendous response as far as slowing  
14 down, so we want to thank him because a lot of  
15 places are having these problems and all over the  
16 city of Detroit there are now going to be speed  
17 cushions. These cushions are going to be put in  
18 the area of schools and where the children are  
19 going back and forth to school that the  
20 motorists, now the speed cushions are going to be  
21 out there on the street, so we now have them.  
22 One is one Fenlawn, that's by the Mason  
23 Elementary School and that's from Eight Mile to  
24 Outer Drive.

25 So just to thank you personally and

1 thank the Chief and Mr. Chair, may I recognize my  
2 Commander Slappy and the president of the  
3 community relations Ms. Kim Jackson, could you  
4 stand up, it's good to see my people. Thank you  
5 for coming.

6 (APPLAUSE.)

7 COMMISSIONER BELL: Thank you,  
8 Commissioner Burch, for reporting out. I know  
9 it's been dear to your heart a concern, I'm  
10 pleased that they were able to respond to the  
11 issues in the community. And one thing about it,  
12 you do due diligence to stay on topic and stay  
13 focused on the issues.

14 Before we call up the Commander from  
15 the 7th Precinct which is next going to report  
16 out, I think we're on schedule for that, I just  
17 want to, on a sad note, make an announcement that  
18 Chief Rene Hall, Dallas Police Chief, mother  
19 passed Bonny Jean Hall and her body is at Swanson  
20 on Six Mile Road and family hour viewing would be  
21 taking place on Saturday I think like 1 o'clock  
22 to 4 or 5, whatever, but the funeral is going to  
23 be on Monday, October 15 at Triumph Church on  
24 2760 East Grand Boulevard, so keep our retired  
25 Deputy Chief and now Chief of Police in your

1 prayers and reach out and how you've going to  
2 reach out, just want to make notation of that  
3 because she is part of out family, so.

4 Comm. Mahone, did you take your seat?  
5 7th Precinct is going to present out at this  
6 particular time and 7th Precinct is dear to my  
7 heart. I started my career there back in 1971,  
8 '71 to '76.

9 COMM. MAHONE: I won't tell you my age  
10 at that time, sir, but --

11 COMMISSIONER BELL: It's good to see  
12 you're still standing.

13 COMM. MAHONE: So I just want to say  
14 welcome to the 7th Precinct and I really love  
15 this building where we're having this meeting in.  
16 And at the end of this meeting I hope everyone  
17 take an opportunity to go see what's in back, get  
18 your own mugshot like I did before they started.

19 Also, Capt. Hope, my partner, is going  
20 to be reporting out for the 7th Precinct tonight,  
21 so with that being said, Capt. Hope.

22 CAPT. HOPE: Welcome, everybody. I'm  
23 going to make this short. So for our crime  
24 addressing our issues here, n our CSC 1 and 3,  
25 during the past 28 days we have experienced one

1 additional incident of CSC and that's as compared  
2 to the previous 28-day period where we had five  
3 versus the four.

4           The majority of these incidents  
5 involved are with known offenders and family  
6 members. In our categories of robberies during  
7 the past 28 days we've had a steady consistent  
8 flow of nine robberies as compared to the  
9 previous 28-day period which also reflects nine  
10 robberies.

11           In our aggravated assault category  
12 during the past 28 days we've experienced 11  
13 additional incidents of aggravated assault as  
14 compared to the previous 28-day period 48 versus  
15 37. However, year-to-date we only experienced  
16 one incident over that year's period.

17           In our burglary category during the  
18 past 28 days we've experienced four fewer  
19 incidents of burglary as compared to the previous  
20 28 days being 28 compared to 26 -- my apologies,  
21 22 compared to the 26.

22           In our larceny category during the past  
23 28 days we have experienced 15 fewer incidents of  
24 larceny as compared to the previous 28-day period  
25 where there were 106 versus the 121. Here,

1 however, year to date we have experienced an  
2 increase of 18 percent and this is primarily due  
3 to event-driven activities in the 7th Precinct.

4 In our motor vehicle theft, during the  
5 last 28 days we've experienced five fewer  
6 incidents of motor vehicle theft as compared to  
7 the 28-day period 47 versus the 52.

8 Our strategies here at the 7th Precinct  
9 have included our partnerships, Homicide, Gang  
10 Intelligence, Major Violators, Traffic  
11 Enforcement, Tactical Response Units MSP on our  
12 border all come into the 7th Precinct to assist  
13 us, especially with our event-driven activities.

14 We also have weekly deployment plans  
15 and directed patrols. All burglary locations are  
16 processed for prints as well as DNA. We have our  
17 village patrols, we have increased our patrols in  
18 the Eastern Market area as well.

19 We have an east side embedded traffic  
20 NPO who is Cpl. Robins now who is handling your  
21 enforcement complaints if you will.

22 Moving on, we also have our custom  
23 notifications and this is where we visit  
24 individuals we believe may be involved in crime  
25 in the future and we speak to them along with

1 their families. This is our Cease Fire model.

2 We also have Jefferson Beat, Joseph  
3 Campau Atwater flat and Jefferson Corridor beat.  
4 We have our River Walk, Dequindre Cut bicycle  
5 patrol as well.

6 And with these strategies in place this  
7 has resulted with our current double digit or  
8 single digit reductions in the following  
9 categories. N our homicides we're 12 versus 12,  
10 we're even in that category.

11 As it relates to our robberies, we have  
12 a 28 percent reduction year-to-date which  
13 reflects 46 fewer incidents from 118 versus the  
14 164.

15 In our burglary category we have a 21  
16 percent reduction year-to-date which reflects 71  
17 fewer incidents, 341 versus the 270.

18 In our motor vehicle theft we've  
19 experienced a 4 percent reduction year-to-date  
20 which reflects 18 fewer incidents of 443 versus  
21 461.

22 Our neighborhood police officers, they  
23 are deployed seven days a week. They work nights  
24 as well. They perform burglary wrap-arounds  
25 responding to citizens and businesses who

1 experienced a break-in for crime hardening with  
2 options of becoming a green light partner.

3 Our NPO programs include our Seniors  
4 Movie Night, our Captain Senior Safety Tips,  
5 coffee with our cop and Comm. Mahone and our  
6 Captain's Corner where we just kick it.

7 And if I can, our team is here if I can  
8 introduce them at this time. I have our NPO Sgt.  
9 Denmark, thank you. I have NPO Samuel Balogen,  
10 I have NPO Sean Duncan, NPO Del Corbitt, I have  
11 NPO Tonya Stribly and we also have a Cpl. Ursula  
12 Miller who's also been filling in as well.

13 In our recent or upcoming events, we  
14 had scheduled our Harvest Festival which will be  
15 October 31, 2018 and that's going to be held at  
16 the 7th Precinct and that's going to be from ages  
17 up to 10 for 4:30 PM to 7 PM. That's Halloween,  
18 ages up to 10 from 4:30 to 7 PM.

19 Who have our Haunted Garden and that's  
20 going to be really fun. Last year we did it, we  
21 threw it together and it was an overwhelming  
22 response for it so we're going to do it again  
23 this year and we're going to run those dates on  
24 October 30th and the 31st at the 7th Precinct and  
25 it will be open to all of you. And that will be

1 from 7 PM to 10 PM.

2 We're planning for our Turkey Bingo and  
3 that's going to be November 17 and that's going  
4 at Sacred Heart starting at around 11 AM. We  
5 also have up and coming our annual community fall  
6 fest and that's going to be with Grass Roots and  
7 that's scheduled for October 14 at Karen Park and  
8 that's going to be from noon until dark.

9 And then finally we have our Coffee  
10 with the Cop and with Comm. Mahone and that's  
11 going to be October 16 held at 1000 Mack Avenue,  
12 one of your green light locations McDonald's  
13 restaurant.

14 And at this time if I can take the time  
15 to acknowledge some very special members who are  
16 here today and we have a very special award if I  
17 can call the Commander back up here with me.

18 And the first award, you all, this is  
19 really really special. The Commander and I --  
20 well, this is how it's going.

21 Detroit Police 7th Precinct presents  
22 the Distinguished Spirit of Detroit Award to  
23 Ms. Crystal Fields Crystal?

24 (APPLAUSE.)

25 CAPT. HOPE: I tried to get her here

1 without telling her. She said she had to meet a  
2 deadline, I said you need to come now. So  
3 Crystal does a lot for us. She's part of JEI at  
4 Americore, she works at Wayne State University,  
5 she places her people in the gap when we don't  
6 have the necessary resources and you're talking  
7 about without assistance with resources.

8           Your availability, your time, your  
9 energy that you put into everything that you do,  
10 we love you for that, and your award reads: The  
11 Spirit of Detroit is a spirit of grace that lifts  
12 us up enabling us to enjoy all the blessings,  
13 liberty and rights that we have been endowed with  
14 by our Creator. Inasmuch as you have through  
15 your continued support, encouragement,  
16 dedication, compassion and integrity displayed  
17 the embodiment of that type of spirit to the 7th  
18 Precinct.

19           The people of Detroit, the city of  
20 grace, and to the people of Michigan the state of  
21 grace we are compelled to present you this award.  
22 May God's grace continually bless all of your  
23 endeavors making you successful in all the work  
24 of your hands.

25           (APPLAUSE).

1 MS. FIELDS: This is a complete  
2 surprise, I'm honored and humbled actually and  
3 we're very impressed at JEI with the response and  
4 the cooperation that we've had with the Detroit  
5 Police Department and we're working tirelessly to  
6 improve the relationship between civilians and  
7 the police.

8 And so I'm standing on a lot of  
9 shoulders, so it's not just me. Thank you again.

10 (APPLAUSE.)

11 COMM. MAHONE: So this is going to be  
12 our last award. You know, we only get an  
13 opportunity to do once a year, so we want to make  
14 it special for No. 7.

15 So next award we're going to give to --  
16 this is going to be an unsung hero award and  
17 we're going to give this to Officer Fred  
18 Williams.

19 Fred, could you stand up here?

20 (APPLAUSE.)

21 COMM. MAHONE: While Fred is making his  
22 way up here I just want to tell you a little bit  
23 about him. He's a 17-year veteran of the Detroit  
24 Police Department and when I came to No. 7 we had  
25 a number of computer hiccups that I was trying to

1 find a way to work out and what I found out was  
2 that Fred was my resident computer expert and  
3 he's bad, that's all I'll tell you. Anytime that  
4 I have an issue, all I need to do is make a phone  
5 call it could be 9 o'clock, 10 o'clock at night,  
6 and he is on it.

7 All I have to do is ask for it, he  
8 takes care of it. And I've always been  
9 appreciative of that and I know I never come and  
10 told you, I always just say thank you. I'm going  
11 to thank you personally. I always say thank you  
12 to everybody and please and that's just me, but  
13 he's on it. I never have to check behind him,  
14 it's always done.

15 But in addition to that, he refurbishes  
16 computers, and so what he does out of the  
17 goodness of his heart he takes laptops and he  
18 refurbishes these laptops and he gives them to  
19 his fellow officers, so we have a bunch of kids  
20 running around the 7th Precinct right now with  
21 computers he's taking care of with love and that  
22 comes from his heart.

23 And I just want you to know, man, I  
24 appreciate and even when you think I document  
25 know it, I know it because the kids come and tell

1 me and they really really truly appreciate  
2 everything that you've done for them.

3           And the last thing I want to say on a  
4 personal note is that recently I had to buy my  
5 kid a computer and so my kid was going to college  
6 and I was kind of up in the air. I'm not a  
7 computer person, I not a computer -- I guess --  
8 geek or person so I was on the hook to spend a  
9 lot of money for a computer. He convinced me to  
10 get a used computer, saved me \$1,000, my kid is  
11 super happy, so again thank you.

12           (APPLAUSE.)

13           CAPT. HOPE: I'm not going to read it,  
14 the words are similar, but Fred is my unsung hero  
15 because often times the Commander and I, we get  
16 that 2, 3 or 4 o'clock in the morning call from  
17 the officers and some of the things that I did  
18 not know that when some of those calls stopped it  
19 was because he was taking them and that is what  
20 big brothers, uncles or whatever little name that  
21 you want to give him, and I'm so grateful for you  
22 standing in the gap on our behalf, and that's why  
23 you're my unsung hero.

24           (APPLAUSE.)

25           CAPT. HOPE: And that will conclude my

1 presentation, if there's any questions.

2 COMMISSIONER BELL: Commissioners, any  
3 questions or comments? I do have a comment. I  
4 just want to say outstanding, this is excellent  
5 when you recognize civilians and officers who go  
6 beyond the scope of what they do and giving back  
7 and I think this sort -- we lift that up and we  
8 really thank you and I just want to say to Capt.  
9 Hope with the commanding officer when we convened  
10 as commissioners in 2014 and the separation of  
11 have 7th and 11th Precinct, I know you brought  
12 the community together and I know your background  
13 as being the real police too.

14 I appreciate that and I just wish you  
15 the best as you go forward in the 7th Precinct  
16 and the Commander and the 7th Precinct as I  
17 stated is dear to my heart and I'm glad that we  
18 have a location -- you are where now?

19 CAPT. HOPE: 3501 Chene.

20 COMMISSIONER BELL: Chene and Mack,  
21 just outstanding. I know you go from the river  
22 -- it's a very important precinct and you're just  
23 doing outstanding work and we really appreciate  
24 that, so --

25 CAPT. HOPE: Thank you, sir.

1           COMMISSIONER BURTON: Through the  
2 Chair, I just want to also further acknowledge  
3 the work over at No. 7. I remember when I first  
4 came on as a commissioner in 2014 first when I  
5 first heard about all of the community relations  
6 meetings that Capt. Hope and them were doing No.  
7 7 and you show up and I think you showed up to a  
8 few of those as well, it was like 300, 500 people  
9 in the room and you see them out the ballrooming  
10 and like what's really going on. Oh, no, this is  
11 the place to be.

12           But then, again, to also see that the  
13 grand opening of the 7th Precinct in 2016,  
14 something where -- 7th Precinct didn't have a  
15 precinct, a building of their own, for so many  
16 years, and then to see the 7th Precinct opening  
17 up, it was like a birth to this community, and  
18 also looking at 2014 and 2015 maybe Capt. Hope  
19 can help me with those years, but they had to  
20 travel so far from Nevada back down on this end  
21 of their district or of their precinct and they  
22 war still the No. 1 precinct in total reduction  
23 of crime in 2014 and 2015.

24           And then looking at the community  
25 policing, you know, so the work that Comm. Mahone

1 and Capt. Hope is doing at No. 7 is definitely  
2 bringing that balance from the precinct level as  
3 well as to the community.

4 It's just -- we can all look at all the  
5 other precincts. Each precinct is unique, each  
6 precinct has something special, but I like to say  
7 its magic over here in the 7th Precinct, I mean.

8 Some of the things that they can do.  
9 You looking at -- you look at, what you call  
10 that, the King Homes, Capt. Hope and the NPO Sam  
11 Belogin, they go over there and they getting  
12 folks to talk and speak up where they were just  
13 so used to being silent, won't speak up on  
14 anything. Things could be happening in and  
15 around the area, and they just won't speak up.

16 She go over there with something called  
17 Straight Talk. Nobody never heard of Straight  
18 Talk, and then she gets the not only the  
19 community involved and say, "Why don't y'all come  
20 on over here", so she gets the local leadership  
21 and community and everybody goes over and has  
22 Straight Talk.

23 But I want to end it on Sam. Some  
24 little kid got a basketball in his hand and he  
25 looks at Sam and say, "I want to go one on one

1 with you", Sam grabbed the basketball and twirls  
2 it on his finger and hands it back to the young  
3 boy or whatever, but they haven't saw -- they saw  
4 something special that day.

5           When I say it's something magical over  
6 here going on in No. 7 I really mean it  
7 tremendously because you don't see -- when you  
8 turn to the news you hear negativity about law  
9 enforcement, but that young boy was inspired to  
10 say, you know what, I want to be like you and  
11 this is little skinny kid with a basketball in  
12 his hand, he says I want to be like Sam.

13           COMMISSIONER BELL: Thank you,  
14 Commissioner Burton.

15           COMMISSIONER BURTON: That mean my time  
16 is up.

17           COMMISSIONER BELL: Thank you, sir.  
18 Appreciate your remarks. The next item of  
19 business will be -- and thank you 7th Precinct if  
20 I haven't said that before.

21           We want to move on the marijuana update  
22 we have here with us Assistant Corporation  
23 Counsel Ms. Kim James reporting out.

24           Thank you.

25           MS. JAMES: Thank you, good evening,

1 commissioners and good evening to the members of  
2 the public. Thank you so much for having us here  
3 tonight .

4 I'm also a resident of the 5th District  
5 and i just want to start with an apology because  
6 I cannot stay until the end of the meeting  
7 because my son is 16 years old and he is at his  
8 first day of his first job, and so I have to pick  
9 him up from work when I get finished talking to  
10 you all, so if the commissioner permit we can  
11 keep this -- I'm going to try and talk for like  
12 10 minutes and then if you have questions we can  
13 take the questions at that point if that will  
14 work.

15 Next slide. Okay, so my name is Kim  
16 James and I am -- actually my title is  
17 Supervising Assistant Corporation Counsel for the  
18 City of Detroit. I work in the Law Department  
19 and I do a lot of land use policy, and so I've  
20 worked on a team that's put together all of the  
21 medical marijuana ordinances for the City of  
22 Detroit over the past three years.

23 So recently the City Council passed a  
24 new ordinance this year, it was effective July 31  
25 and it's going to go into effect this next

1 Monday, application are going to start to be  
2 taken, so there's going to be a lot of new  
3 activity.

4           What you see in front of you is a  
5 picture -- well, two pictures of the city of  
6 Detroit and you all may recall back when the City  
7 -- the City did not start regulating medical  
8 marijuana until around 2015 when we passed a  
9 licensing ordinance and a zoning ordinance where  
10 these could go.

11           When we got started regulating it  
12 looked like the one on the left where it says  
13 2015, there was almost 300 illegal dispensaries  
14 operating. And so due to the lot of teamwork,  
15 specially with huge help of Detroit's finest DPD  
16 there was -- we were able to get -- start  
17 regulating them and all of the dispensaries that  
18 are operating right now are depicted on the one  
19 on the right-hand side. So it's gone down to --  
20 there are 70 that have been allowed by the City  
21 of Detroit at this point.

22           So feel really proud of that that we  
23 were able to start to reduce the illegal  
24 operations. Next slide.

25           So the city started off with -- the

1 State of Michigan passed a law back in 2008 that  
2 allows the medical use of marijuana and it  
3 created like a caregiver system where caregivers  
4 could grow marijuana for patients and that was  
5 basically about it.

6 In 2016 the legislature of Michigan  
7 passed a law called the Michigan Medical  
8 Marijuana Facilities Licensing Act. It was  
9 signed into law in September of 2016 and it  
10 allowed for retail and commercial locations.

11 And so it allowed states to license  
12 growers, processors, secured transporters which  
13 is truckers that drive marijuana around,  
14 laboratories which is called safety compliance  
15 facilities and what they called provisioning  
16 centers. Some of you may know it as dispensary,  
17 pot shop, but the state law calls it provisioning  
18 center.

19 So the law also authorized the cities  
20 to pass laws about these type of facilities as  
21 long as they don't preempt the state law and so  
22 the city -- you probably remember, does everyone  
23 remembers last year on the ballot, the marijuana  
24 question. So what that did was basically opt  
25 into the State's program on out behalf.

1           The City fought it, but ended up that  
2     the Court ruled that the licensing ordinance that  
3     was passed by the voters was valid and so we had  
4     to also pass a zoning ordinance to regulate where  
5     these facilities could go. And so that's what  
6     the City Council did back in July.

7           So at the time that they passed the  
8     licensing act they also -- this is why I brought  
9     this to you because it's very important to law  
10    enforcement. They also passed the marijuana  
11    tracking act which requires every single facility  
12    that's going to be licensed by the State of  
13    Michigan, that's dispensaries, growers, truckers,  
14    labs and processors, have to use a third-party  
15    electronic tracking system, and so it worked from  
16    both ways. Move to the next slide, please.

17           It's a regulatory compliance tool for  
18    law enforcement and it's also like an inventory  
19    tool for the actual vendors who are using the --  
20    who are running these facilities.

21           So the way that all of the marijuana  
22    plants will be tracked, it's called the  
23    seed-to-sale system and when they are grown and  
24    they're in a clone in a little plant size it gets  
25    what's called a RFID tag and it's technically --

1 they say that it's 90 percent faster than reading  
2 a barcode and they use these gun-type devices,  
3 laser-type devices, to track inventory. So an  
4 owner of like a grow operation for example, if  
5 you have 100 plants in a room they can go in with  
6 their tagging device and count every single plant  
7 from many -- 10 or 15 feet away. They can  
8 determine every single plant and then that RFID  
9 tag stays with that marijuana throughout the  
10 entire process until it's sold to the consumer.

11 So it goes through -- sometimes it goes  
12 through processing where they make certain  
13 products out of it like edibles or brownies or  
14 oils from the skin, capsules, beverages, things  
15 like that and this RFIS tag goes with the product  
16 until it is sold. Next slide, please.

17 So what is a grower, there's three  
18 types of growers that the State is going to  
19 license, Class A, Class B and Class C, 500, 1,000  
20 or 1,500 plants which seems like a lot.

21 And Class C license applicants or  
22 operators are going to be allowed to stack them,  
23 so you could conceivably have a warehouse where  
24 there's multiple Class C licences growing, so  
25 they could have thousands of plants growing.

1           When I get to telling you later about  
2 the City's ordinance it will show how we went  
3 into that, so it's not just an unlimited number  
4 of plants that can be grown.

5           Processors, as I said, are making  
6 product. Basic compliance facilities required to  
7 test of the marijuana that's grown at two stages,  
8 after -- yeah, they send a small sample to the  
9 tester and they don't ever give it back -- no,  
10 so they use scientific methods to test the sample  
11 of marijuana for contaminants, but there's  
12 pesticides, mold, all of those things that would  
13 be dangerous to a sick person with cancer or  
14 something like that who would be using this  
15 medication.

16           And they also test the potency so that  
17 the buyer can -- it's supposed to be on the label  
18 when you buy it so you kind of know how strong is  
19 this or is it going to make me sleepy, is it  
20 going to make me up, excited. So all of those  
21 things are required to be tested.

22           **A secure transporter is required to**  
23 **transport marijuana from -- between facilities,**  
24 **and so if you have -- you're growing all this**  
25 **marijuana and you want to get rid of out and sell**

1 it to a dispensary you have to have a licensed  
2 secure transporter to transport it for you, and  
3 you also have to transport any of the money.

4           As you may be aware, cannabis  
5 businesses are usually cash businesses because  
6 they have difficulty using the banking system  
7 just because of the contradictions between  
8 federal law and what's allowed in the states, so  
9 most banks don't usually allow cannabis money to  
10 be deposited, so it's cash, so it's very --  
11 presents a huge security risk as you can imagine.

12           And then provisioning centers are just  
13 dispensaries where patients can go and I figure  
14 most of you probably know -- because we've had  
15 medical marijuana in this state for a long time  
16 -- so medical marijuana patients are people who  
17 have conditions like cancer, multiple sclerosis,  
18 chronic pain, HIV, various types of condition.  
19 They've actually added some this year like  
20 arthritis, things like that.

21           So if you have one of those conditions,  
22 a doctor can sign a recommendation for you and  
23 then you can register with the State to be  
24 allowed to purchase cannabis products at a  
25 licensed facility. Next slide, please.

1           So our new zoning ordinance that was  
2 just passed, it defines a zoning district in the  
3 city of Detroit where all of these types of  
4 facilities can go. They're all required to have  
5 a public hearing.

6           Has anybody in here ever gone to one of  
7 the public hearings the City has held for a  
8 marijuana facility? Okay, well, when they have  
9 been, these are zoning hearings, lots of people  
10 usually come and there's people on both sides of  
11 the issue, so it becomes sort of controversial at  
12 some point.

13           There's no variances for spacing  
14 restrictions. In the previous program the City  
15 allowed variances from the Board of Zoning  
16 Appeals, but in this case there's not going to be  
17 any variances going forward.

18           Let me just say there's spacing  
19 restrictions. In the city we have what's called  
20 drug-free zones and so no facility can be within  
21 1,000 feet of a drug-free zone, so that includes  
22 schools, libraries, daycare centers, public  
23 housing, those are the main important ones.

24           COMMISSIONER BURCH: Churches?

25           MS. JAMES: Well, churches aren't a

1 drug-free zone, but yes, there also not allowed  
2 to be within 1,000 feet of a church or a  
3 controlled-use which is a liquor store or another  
4 provisioning center. And please go to the next  
5 slide.

6 So does everyone know what the zoning  
7 districts are? No, okay. So basically in zoning  
8 -- I'm a land use attorney, so every time I say  
9 this people are like what are these districts?

10 Well, if you live in a residential  
11 district it's usually defined as an R district,  
12 so R1, R2, R3, R4, R5 and as you get higher in  
13 number it's more intense.

14 So an R1 district would be single  
15 family homes, an R6 would be multi-family  
16 apartments and things like that.

17 A B district is -- what do you think  
18 that would be? Business, right. So B1 is less  
19 intense, B6 is higher intensity. Then we have M  
20 districts which are industrial districts and so  
21 it's the same scheme, M1 is less intense, M6 is  
22 Marathon Petroleum.

23 So these are the districts where these  
24 types of facilities would be allowed. Grower  
25 facilities are only allowed in industrial

1 districts, that's a state law.

2 Processor facilities would be allowed  
3 in B6 and M1 through M5. Provisioning centers  
4 would be allowed in B2, B4, B5, B6 and M1 through  
5 M4 and SD2 -- SD2 is just a special mixed use  
6 district.

7 Safety compliance facilities are  
8 allowed in most of the business districts and the  
9 industrial districts and secure transport  
10 facilities are allowed in B5, B6, and M1 through  
11 M5. Next side, please.

12 So the spacing restrictions I talked  
13 about. They can't be located in drug-free zones  
14 which a 1,000 feet from schools, parks,  
15 libraries, childcare centers, youth activity  
16 centers or public housing.

17 They can't be located within 1,000 feet  
18 of religious institutions and it's a religious  
19 institution that is identified as tax exempt  
20 because there are a lot of churches that pop up,  
21 but they aren't tax exempt and sometimes that's  
22 part-time fish fry or whatever. Trust me, that  
23 has happened.

24 So it's only the ones that have gone  
25 through the process of getting their tax-exempt

1 status are considered a true church and so they  
2 have to be 1,000 feet from those.

3 1,000 feet from liquor stores, pool  
4 halls, arcades and, like I said, another  
5 provisioning center.

6 So the approval process for the  
7 facility -- and is anybody in here going to apply  
8 for a medical marijuana facility? No. So you  
9 probably don't need to know very much about this,  
10 but what you should be is that what the City has  
11 done, and this is part of what I do at work is  
12 putting together a multi-departmental committee  
13 to review all of the applications.

14 So we have -- we just met today and  
15 we're going to be meeting probably all this next  
16 week because the application process is going to  
17 start on Monday, we're going to get a bunch of  
18 applications. So a City rep from Building  
19 Department, Health, DPD, Law, City Planning  
20 Commission, Planning & Development, Fire, DPW and  
21 the Inspector's Office, and also we have some  
22 people from Treasury too just to look at taxes.

23 So the purpose of it is to collect  
24 accurate information in advance of the public  
25 hearings. What we found before in the first

1 program was that often times when we got to the  
2 public hearing stage and there wasn't the right  
3 documentation wasn't in the record, so we  
4 wouldn't have any documentation about a church or  
5 whether it was tax exempt.

6 So then if the applicant got denied and  
7 it went to court we had the difficult time  
8 proving the City's case. So what we're trying to  
9 do now is front load as much of the documents  
10 into the record as possible so that going forward  
11 later we don't have a problem trying to defend  
12 the city's decision. Next slide, please.

13 So what will the -- the committee is  
14 called the MMFRC, the Medical Marijuana Facility  
15 Review Committee, and the things that they will  
16 review would be the site plan, the floor plan of  
17 the interior, a comprehensive business plan that  
18 includes operations, security, their waste  
19 disposal, the impact on the neighborhood, a plan  
20 for hiring Detroiters, all the income taxes, all  
21 the police history, their estimated use of public  
22 services, the types of materials and chemicals  
23 and equipment that they're going to be using.

24 And also another factor that we added  
25 at the end was what community benefits does the

1 applicant intend to provide.

2 So these are the things that the  
3 applicant has to provide that the Review  
4 Committee will look at in considering whether or  
5 not to recommend approval of one of these  
6 facilities. Next slide, please.

7 Once that's complete, once the  
8 committee has reviewed the applicant's package it  
9 will come out with a recommendation that goes to  
10 the hearing officer at the Building Department.

11 And they have a public hearing.  
12 Notices will be sent to surrounding property  
13 owners within 300 feet. So if you live within  
14 300 feet of a proposed location, you're going to  
15 get a notice and you're welcome to come to the  
16 hearing and say how you feel about this business  
17 being in your neighborhood or near where your  
18 house is.

19 And after -- if the applicant is  
20 approved, then they are able to continue their  
21 application and get licensed by the State. And  
22 so that's basically it in a nutshell. I don't  
23 want to talk too much more, but does anyone have  
24 any questions for me about how this will work?

25 Yes, Commissioner.

1 COMMISSIONER BELL: Hold on, please.

2 The Chairman is going to ask for a point of  
3 order. I'm going -- before the commission has an  
4 opportunity to pose questions I want to make sure  
5 that we entertain two or three questions from the  
6 audience at this time and you can talk loudly and  
7 if you would identify yourself, then you can  
8 repeat the questions if we cannot hear it  
9 clearly. Then we move to the commissioners, but  
10 keep in mind, Commissioners, Ms. James is on a  
11 time schedule, so you do have a handout and you  
12 got the PowerPoint, but I'm not going to hold her  
13 up in terms of what she got to do with her son.

14 So if there's any questions that we  
15 cannot entertain in that time frame, you can  
16 always shoot the question to Mr. Hicks and we can  
17 filter that, so she's indicated that she's on a  
18 time slot.

19 Any questions?

20 COMMISSIONER DEWAELESCHE: Mr. Chair,  
21 before we do the questions, I really think that  
22 there's one section that she did not cover that  
23 everybody should know about and that's the tax  
24 benefits to the local government, it's just like  
25 one page.

1 MS. JAMES: Oh, thank you so much for  
2 raising that. We skipped this by accident. So  
3 everybody always says what's the benefit to the  
4 City, why should we do this?

5 And so the reason -- one of the reasons  
6 is because in our previous situation nobody was  
7 regulating the income and, remember what I said,  
8 it's all cash, so for purposes of income tax the  
9 city has no idea how many money a dispensary is  
10 making so until because we have the tracking  
11 system, so every single sale that is made is  
12 recorded and the State has a record of it.

13 So the State is going to know exactly  
14 how much money each of these dispensaries takes  
15 in and so a tax is imposed on each provisioning  
16 center at the rate of 3 percent. That's like an  
17 excise tax. It's in addition to the sales tax.  
18 Actually they don't collect a sales tax for  
19 medical, but when we have recreational which is  
20 coming up, they're going to collect sales tax.

21 So the law requires that the taxes be  
22 put into an excise fund that's administered by  
23 the State Treasurer and the money in the fund has  
24 to be allocated as follows: 25 percent goes to a  
25 municipality which marijuana facility is located,

1 allocated in proportion to the number of  
2 facilities.

3 So guess what city in the state is  
4 probably going to have the most facilities? Us.  
5 So we'll probably going to get a substantial  
6 amount of that 25 percent which is great.

7 Also 30 percent to counties where  
8 marijuana facilities are located and I'm pretty  
9 sure Wayne County is going to be the one with the  
10 most facilities, so we'll probably get a  
11 substantial proportion of that as well.

12 And then 5 percent to counties -- and I  
13 can't see the rest of it, but I know that it's  
14 dedicated specifically to the sheriff, so that's  
15 the extent of the benefits that comes to the City  
16 of Detroit.

17 COMMISSIONER BELL: Thank you,  
18 Commissioner Dewaelsche for pointing that out.  
19 So we have any questions from the audience, would  
20 you stand and speak loudly.

21 MR. BROWN: Calvin Brown, I'm with the  
22 Children's Center. Are there any things in the  
23 provision that keeps the facilities from being  
24 near facilities like ours that offer services for  
25 families and children?

1 MS. JAMES: Absolutely. I'm not  
2 familiar -- you said Children's Center?

3 MR. BROWN: We're a behavioral health  
4 organization.

5 MS. JAMES: So the question was, is  
6 there anything that keeps these types of  
7 facilities away from children, the children's  
8 health organization -- I can't remember what you  
9 said --

10 MR. BROWN: Behavioral health  
11 organization for children.

12 MS. JAMES: I would have to look  
13 specifically to see how that particular  
14 organization is classified, but the law does  
15 require that any of these facilities be 1,000  
16 feet from daycare center, childcare centers,  
17 youth activity centers and schools. So if it can  
18 be classified as one of those, then yes, you  
19 would not have any facilities within 1,000 feet  
20 of you.

21 COMMISSIONER BELL: Any other question  
22 from the audience?

23 UNKNOWN SPEAKER: I know it's early  
24 yet, if the recreational bill referendum passes  
25 do we know yet if new retail centers will be

1 established or if the pharmaceutical dispensaries  
2 will be able to sell the recreational or it may  
3 be too early to tell.

4 MS. JAMES: I can answer part of that.  
5 So the question was will there be new facilities  
6 if the recreational bill passes and will  
7 pharmaceuticals -- you mean like CVS or  
8 something like that, will CVS be able to sell  
9 cannabis.

10 So what I didn't say before to you that  
11 I should have said is that the new zoning  
12 ordinance also limits the number of provisioning  
13 centers to 75, so there's not going to be any new  
14 provisioning centers because we have already  
15 reached that limit, and when recreational, should  
16 it be approved, and I suspect it probably will be  
17 -- should it be approved we will probably have to  
18 do some tweaks to the ordinance to allow those  
19 types to uses to co-exist, but at least at this  
20 point because of federal laws it's not ever going  
21 to be something that's sold at CVS until it's  
22 federally recognized and RJ Reynolds buys  
23 everybody out and starts selling it like  
24 cigarettes. That's what will happen.

25 COMMISSIONER BELL: Commissioner

1 Dewaelsche, I think you have any question?

2 COMMISSIONER DEWAELESCHE: Yes, thank  
3 you. So these medical marijuana facilities are  
4 going to be called -- the ones that distribute  
5 and sell and are retail -- are going to be called  
6 provisioning centers?

7 MS. JAMES: That's correct.

8 COMMISSIONER DEWAELESCHE: On the page  
9 where you talk about the transaction  
10 requirements, it says here that daily and monthly  
11 -- it's going to be limited daily and monthly  
12 purchasing by the Medical Marijuana Licensing  
13 Board is 2.5 ounces. Is that daily or is that  
14 monthly?

15 MS. JAMES: That is the daily and that  
16 is also -- that mirrors the Michigan Medical  
17 Marijuana Act for registered patients who are  
18 allowed to possess marijuana, if they were  
19 stopped by the police in a car that is the amount  
20 they are allowed to have on them. That's a lot  
21 of marijuana, so it's always surprising to me  
22 that they allow that, but, I don't now, in some  
23 situations they may need that amount, so that's  
24 the daily purchasing amount.

25 However, I know that the State --

1 because I participated in the working group for  
2 the State to develop all of these rules. I know  
3 that's a huge concern for the State. Like let's  
4 say someone is going to each dispensary and  
5 buying 2.5 ounces every day and then turning  
6 around and selling it on the street, so that is  
7 one of the State's main concerns and so they're  
8 trying to address that through the tracking  
9 system.

10           You know, and basically just like they  
11 have to be a stop on people if they see that  
12 there's a red flag where someone is buying more  
13 than they are supposed to have. I believe the  
14 limit might be 10 ounces a month, I think that's  
15 what it is.

16           COMMISSIONER DEWAELESCHE: And then as  
17 it relates to the 75 sites, is that -- long term  
18 is there a term for the 75 cap or is that  
19 permanent?

20           MS. JAMES: Well, that is permanent  
21 unless the Honorable City Council decides to  
22 change it.

23           COMMISSIONER DEWAELESCHE: And then  
24 there was a question raised earlier about how far  
25 from a children's center. How far from

1 residential areas are we talking? What is the  
2 threshold, what is the distance?

3 MS. JAMES: Is no restriction from  
4 residential. You know, part of the reason for  
5 that because the City and the State struggled  
6 with this because this is supposed to -- it's  
7 medical, it's medicine, and so a lot of patients  
8 --

9 COMMISSIONER DEWAELESCHE: But we know  
10 the people are going to be buying it are not  
11 coming from Detroit, a lot of them are not.

12 MS. JAMES: The point of the -- it is  
13 supposed to be medicine and so when we went  
14 through the process of developing the ordinances  
15 just as you all here are saying oh, no, there was  
16 the same amount of people came in support and  
17 said I'm a patient with cancer, I don't want to  
18 go into an industrial area or go into a dangerous  
19 area. I want to be able to buy my medicine in a  
20 place where I feel safe and which is close to my  
21 house.

22 So what we've tried to do is just  
23 impose a lot of restrictions that we keep people  
24 safe, basically no loitering in the parking lot,  
25 all of those types of things, they can't let

1 smells migrate, they're supposed to have security  
2 in place, a security plan, all of those types of  
3 things we've tried to put in place to protect the  
4 public.

5 COMMISSIONER DEWAELESCHE: When you have  
6 the spacing restrictions and you have a listing  
7 for the provisioning centers, does that also  
8 apply, do those restrictions also apply to  
9 growers, processors and transporters?

10 MS. JAMES: The spacing restriction  
11 that applies to all of the facilities is the  
12 drug-free zone. They are 1,000 feet from  
13 schools, the daycare centers, parks, libraries.

14 COMMISSIONER DEWAELESCHE: So they don't  
15 all apply to the growers, processors?

16 MS. JAMES: They don't have to be  
17 separate from each other, no.

18 COMMISSIONER DEWAELESCHE: And then you  
19 have TMSO, what does that mean, is that an  
20 acronym?

21 MS. JAMES: Yes, this is a lay terms  
22 what means traditional main street overlay, and  
23 so it's areas like Vernor in Southwest, over in  
24 Rosedale there's an area -- I can't have all the  
25 streets, but I can let you know if you want the

1 exact streets.

2 COMMISSIONER DEWAELESCHE: I will ask. I  
3 have a lot more -- I was just going to ask one  
4 more question because I know you're on a time  
5 restriction.

6 You said --

7 MS. JAMES: I'm sorry, he's at  
8 Lafayette Foods, he's working.

9 COMMISSIONER DEWAELESCHE: You said that  
10 the Advisory Committee was going to review the  
11 applications and the impact that it would have on  
12 the community.

13 What are the thresholds, what impact  
14 are you looking at as it affects the community?

15 MS. JAMES: So what's important to  
16 remember is that the committee is prior to the  
17 conditional land use hearing. So I know you all  
18 don't know zoning, you're not a zoning lawyer,  
19 but a conditional land use hearing is gels when  
20 an applicant want to open a business that is  
21 considered basically detrimental, but there are  
22 conditions that can put in it to make it  
23 acceptable to the community. It's not always  
24 bad, so that's why they're allowed to have a  
25 public hearing so these conditions could come

1 forward.

2           And so the actual law says -- and this  
3 is a zoning concept that has to be a finding in  
4 the conditional land use hearing by the hearing  
5 officer, so a conditional land use has to show  
6 that it does not impede the normal and orderly  
7 development of the surrounding property and it  
8 cannot have the potential to endanger the social,  
9 physical or economic well-being of the area,  
10 including but not limited to health impacts,  
11 truck routes to access the facility and the  
12 blight violation history of the property or  
13 property owners.

14           COMMISSIONER DEWAELESCHE: And then my  
15 final question, on Eight Mile there are 13, 13  
16 provisioning centers currently and there's at  
17 least one or two blocks where two of them are  
18 almost next door to each other and according to  
19 your restrictions here it says two cannot be  
20 within, I don't know, 1,000 or 300 feet.

21           MS. JAMES: 1,000 feet.

22           COMMISSIONER DEWAELESCHE: So how is  
23 that --

24           MS. JAMES: That is a really excellent  
25 question and that is one of the reasons why we

1 took out the waivers for spacing restrictions.  
2 On Eight Mile in the previous version of the  
3 ordinance, and you can thank councilmember Lopez  
4 for this because she's the one who got it out, in  
5 the previous version of the ordinance that was in  
6 place since 2016 in M districts dispensaries were  
7 allowed to cluster next to each other and so  
8 there's a lot of M area on Eight Mile and so  
9 there tended to be -- there ended up being quite  
10 a few on Eight Mile.

11 The ones that weren't on M districts  
12 went to the Board of Zoning Appeals and got  
13 variances so they can be -- to waive the spacing  
14 restrictions from each other.

15 So we took out the ability to cluster  
16 and we took out the ability to get a variance  
17 from each other and you can also take some  
18 comfort in that there won't be any more  
19 provisioning centers approved.

20 COMMISSIONER DEWAELESCHE: Okay, thank  
21 you so much.

22 COMMISSIONER BURCH: Mr. Chair, may be  
23 -- this is a hot topic. Are you familiar with  
24 Eight Mile which you just said from Telegraph say  
25 down to Gratiot or Kelly, if you go count them

1 you have just more than 15 as she said, so do you  
2 go out and survey how close they are?

3 They can be right next door to each  
4 other, so I want to know do you know of the one  
5 that is right at Hoover where Hoover goes over  
6 into the suburbs, but it's right there before  
7 Groesbeck on Eight Mile.

8 MS. JAMES: On the Detroit side?

9 COMMISSIONER BURCH: Yes, ma'am.

10 MS. JAMES: If you can tell me the  
11 address I might know.

12 COMMISSIONER BURCH: No, no, I want to  
13 tell you the name of it. This is what disturbs  
14 us. Who gives the authority for them to name a  
15 building after a district?

16 That marijuana clinic is called  
17 District 3 and we live in District 3. How can  
18 they name that after what -- that does not  
19 identify us, could you tell me that.

20 MS. JAMES: Well, I can't go into all  
21 of the First Amendment issues, that there's  
22 nothing offensive about those words.

23 COMMISSIONER BURTON: You don't think  
24 so? I mean, you are identifying people that we  
25 are a marijuana capital like we're there and

1 that's all we do? You cannot do that to the  
2 people whoever is here. My friends, we're  
3 fighting that. You cannot call a marijuana  
4 clinic District 3? How can you do that, that  
5 doesn't make sense.

6 MS. JAMES: Like I said, there's no  
7 particular ban on any of those words, so I was  
8 aware of that name and that has been brought to  
9 me before by Councilmember Benson. He did not  
10 like that and I don't know why they named it  
11 that.

12 COMMISSIONER BURCH: So we can't do  
13 something about that though, correct?

14 MS. JAMES: No, there's not really  
15 anything we can do.

16 COMMISSIONER BELL: We're getting out  
17 of order here. Commissioner, we cannot go back  
18 and forth with this type of thing.

19 COMMISSIONER BURCH: I apologize for  
20 that.

21 MS. JAMES: That's okay.

22 COMMISSIONER BELL: You asked a  
23 question, you gave an answer and so we want to  
24 try to close that question and answer out, but we  
25 don't want to go back and forth.

1 MS. JAMES: Through the Chair I just  
2 have one other thing to state. When this was  
3 brought to me I did counsel the councilmember's  
4 staff maybe having a conversation with that  
5 business owner might help to help them try to fit  
6 in and be a better corporate citizen.

7 There's not really anything legally  
8 that we could do to stop them from calling it  
9 that.

10 COMMISSIONER HOLLEY: Thank you very  
11 much. Obviously I'm against marijuana, but let  
12 me ask you this.

13 My concern is -- my understanding that  
14 came to me is that there's three or four cartels  
15 that's going to run this city and that basically  
16 when we started out with casinos a number of  
17 years ago we had about 19 minorities in  
18 ownership. We're down to like one.

19 What I'm really concerned about in  
20 terms of the police department and the City, how  
21 you're going to work with making sure that this  
22 thing is run by people outside of the city,  
23 outside of the state, because when you're talking  
24 about this kind of money, and you know we're  
25 talking about money, you have not said about how

1 much money is going to come to the City and then  
2 the State is talking about filling the potholes  
3 up with it, I'm just saying I feel like -- I just  
4 want to lay it to the record that I feel like  
5 some credence ought to be given to the fact of  
6 the possibility that this city will -- all  
7 marijuana medical and recreational will be run by  
8 cartels. This is what's happened in Arizona and  
9 I do feel like as a police commissioner that we  
10 ought to be sensitive with the City in  
11 understanding the possibilities and that indeed  
12 it will not be run by individual dispensers, but  
13 most likely by cartels.

14 Just basically just want to put in the  
15 record, Mr. Chairman. I don't have to -- I know  
16 she's got to go and I don't want to hold her up,  
17 but I do feel like that should be a big concern  
18 to this city and to the police department.

19 COMMISSIONER BELL: You can respond to  
20 -- I don't know if it's a question or concern.

21 MS. JAMES: I don't physically have  
22 any. Appreciate the concern. I don't know that  
23 that's true. I know that Councilmember Tate is  
24 the sponsor of this ordinance and just as a  
25 little bit of a pivot, but one of his main issues

1 was inclusion of Detroiters in this industry  
2 because it's sort of the type of thing where you  
3 need to have some expertise, you can't just start  
4 to grow 1,500 plants.

5           So that's why we included it and we  
6 were basically preempted by the State law from  
7 making it only Detroiters or doing those types of  
8 things, so what we did was included requirements  
9 that they show their plan for hiring Detroiters,  
10 will they do any community benefits such as  
11 apprenticeship programs, training, teaching  
12 people. Those are the applications that are  
13 going to be looked upon favorably and also in the  
14 application review process a criminal background  
15 check will be had on every single person in the  
16 ownership structure.

17           COMMISSIONER BELL: Thank you,  
18 commissioners, we're going to close this sessions  
19 out. Assistant corporation counsel, thank you  
20 for coming before us. As you well know, this is  
21 going to be an ongoing issue. The voting going  
22 to take place in November and so therefore you  
23 have the opportunity to impact and we will  
24 probably ask for updates after November sometime  
25 in December. Thank you once again.

1 MS. JAMES: Thank you so much.

2 (APPLAUSE.)

3 COMMISSIONER BELL: Any standing or ad  
4 hoc committee reports at this time. If not, we  
5 will hear from the Board Secretary.

6 SECRETARY HICKS: Thank you,  
7 Mr. Chair. I will be very brief. I simply want  
8 to call your attention to the seven items that  
9 are listed on the agenda.

10 When we list these items, we list them  
11 as incoming communications to our office. The  
12 ones of substantial note is that we did receive  
13 two requests to change duty status for two police  
14 officers and we have scheduled a closed session  
15 for October 18, so that will be in your next  
16 meeting. Please organize your time to  
17 participate in the closed session.

18 The information supporting that which  
19 is the summary that was provided by the  
20 department has already been provided to the Board  
21 by e-mail.

22 And the other item is, of course, we  
23 have been asked by the Internal Affairs for the  
24 use of our subpoena. We did utilize the subpoena  
25 which has been customary in assistant the

1 department in conducting its internal  
2 investigations.

3 And then the last item that is of a  
4 particular note is that we did receive  
5 information from the Michigan Towers Association  
6 and this is consistent with their objection to  
7 the new towing configuration.

8 With that, unless you have any  
9 particular questions, that would be my report for  
10 this evening.

11 COMMISSIONER BELL: Commissioners, any  
12 questions or concerns to Mr. Hicks. If not,  
13 thank you.

14 The next item of business would be any  
15 old business, Commissioners? If not, I want to  
16 share with the audience that -- as you well know,  
17 on September 30 through October 4 we had an  
18 opportunity to attend the annual conference of  
19 the National Association of Civilian Oversight in  
20 Law Enforcement in St. Petersburg, Florida, and  
21 we set in motion a year ago to seek a seat on the  
22 board and we was able to gain that seat by the  
23 election of your Chair, Willie Bell, through the  
24 efforts of the team of the commissioners and the  
25 staff to really go all out to gain that seat.

1 It's a three-year term and I think Ms. Blossom  
2 did a press release on it and I just wanted to  
3 thank my commissioners, the ones that were in  
4 attendance and not in attendance for their  
5 support and the staff in terms of the efforts  
6 that we rendered at that conference.

7 We're looking forward to hosting the  
8 January meeting at sometime in January the  
9 national board will be coming here, it's an  
10 11-person board. As we move forward to hosting  
11 the conference in September 22 of 2019 and we  
12 looking forward to your involvement in terms of  
13 volunteering and etc.

14 So we're working on that now, so keep  
15 that in mind on that target as we share that  
16 information with NACOLE in terms of that type of  
17 effort.

18 The thank the commissioners and thank  
19 the -- give them a round of applause. They did  
20 an outstanding job.

21 (APPLAUSE.)

22 COMMISSIONER BELL: One of the  
23 highlights, we had an opportunity to spearhead a  
24 workshop with our immediate past Chair, Lisa  
25 Carter and our Deputy Chief Todd Bettison to host

1 one of the first workshops n behalf of the  
2 Detroit Chapter of the BOPC. It was outstanding  
3 and I just really appreciate Ms. Blossom and  
4 Ms. White's work in terms of -- and definite it  
5 was outstanding workshop. I'm really proud.  
6 Maybe we can share some of that video of that  
7 workshop in the future in one of our meeting.

8 It was outstanding, thank you, and  
9 we'll be reporting out on the conference itself  
10 sometime in the next couple of meetings.

11 If we move on to new business and new  
12 business, any new business. I just want to make  
13 an announcement, you probably been following this  
14 in Chicago. There was a historic decision made  
15 by the Chicago jury of a police officer that was  
16 in the line of duty he shot and killed Lewon  
17 McDonald and they came down with a verdict on  
18 October 5, first time in the half century that an  
19 on-duty officer was found guilty of committing  
20 this particular act, so I think that the criminal  
21 justice system worked for all those involved in  
22 terms of issues of the system, so I wanted to  
23 highlight that.

24 COMMISSIONER DEWAELESCHE: Mr. Chair,  
25 could I just make one quick comment. We have

1 offices in Chicago and on that day all of our  
2 staff were required to leave at 1 o'clock because  
3 there was fear that there was going to be a lot  
4 of -- I don't even want to use the word, but  
5 disruption in the community. Everybody was like  
6 on edge and so everybody was contacted to let  
7 their staff go earlier, so thank goodness for the  
8 outcome.

9 COMMISSIONER BELL: The verdict came  
10 down reflect the jury, so who have to live by  
11 that, but I think a historic moment in terms of  
12 the history of accountability.

13 As we move on if there is no other new  
14 business, announcements. Our next meeting will  
15 be on Thursday, October 18, 2018, at 3 PM at  
16 Public Safety Headquarters on Third Street.

17 Our next community meeting will be on  
18 Thursday, November 8, at 6:30 PM, 6th Precinct,  
19 Second Grace United Methodist Church, 18700 Joy  
20 Road, that's on the west side.

21 We're going to move right into or oral  
22 communications from the audience. I'm going to  
23 ask you to give your name and Mr. Brown, he's  
24 already got the cards, because we want to try to  
25 stay on the time frame. You've been very patient

1 in terms of moving the agenda, so Mr. Brown.

2 MR. ROBERT BROWN: Mr. Chair, I have  
3 three cards. First speaker will be Ms. Bernice  
4 Smith followed by Mr. Calvin Brown and then  
5 followed by Ms. Deata Wilcox.

6 MS. SMITH: Good evening to the  
7 Commission and to you, Chief, glad to see you.  
8 I'm going to be brief. What I'd like to say I  
9 wrote it down so I won't take up too much time.  
10 Detroit is in a crisis. Crime is engulfing our  
11 city. We're on the rampage with unnecessary  
12 killings, high-jacking, burglaries and you name  
13 it and stealings.

14 Policemen -- this is something that  
15 came up the other week -- two policemen broke  
16 into a young man's home as most of you read in  
17 the paper and on TV, they were looking for a  
18 burglar and instead they handcuffed the young man  
19 and took him to jail and it was for no reason.  
20 They did not believe that the man told them that  
21 he lived there and he was a resident. His mother  
22 lived across the street from him.

23 And it was just something that was very  
24 upsetting to me knowing that I have sons also and  
25 it could have happened to my sons because they do

1 own property.

2 In the meantime, a white officers, they  
3 did take him to jail and did not believe him.  
4 Then there was the rookie as most of you know  
5 that assaulted the lady down in Greektown and two  
6 gentlemen, they were trying to intervene and that  
7 was at a -- that was intolerable because the  
8 officer being a rookie and not being on the force  
9 no more than about a couple of years and the two  
10 gentlemen did not want to let their names be  
11 known because they were fearful for their lives,  
12 that was something else that come about.

13 And then in regards to the four days --  
14 I'm not going to even mention that because that's  
15 still being an investigation, but I want the  
16 citizens to know that I do favor my police  
17 department. I always try to defend them whenever  
18 they do anything, but I'm getting to a point now  
19 that we having some rookies that are doing wrong  
20 and they haven't even been on the force long  
21 enough, then we have some police that have been  
22 -- I'm going to sit down because I'm going to be  
23 obedient because Brown, he will give me the sign  
24 all the time, but anyway, what does it say for  
25 the police department to change their attitude

1 towards that Detroit citizens. I'm gone.

2 MR. ROBERT BROWN: Thank you. Mr.  
3 Calvin Brown followed by Deata Wilcox.

4 MR. BROWN: Good evening, everyone. My  
5 name is Calvin Brown, I represent the Children's  
6 Center located on Alexandrine between Woodward  
7 and Cass. Let my first say thank you so much to  
8 the commissioners for allowing me this brief time  
9 to speak. I will be very brief.

10 It does my heart good, it's been a long  
11 day today, but I wanted to come to this meeting  
12 and I'm so thankful that I did. It does my heart  
13 very good to see how much community engagement is  
14 coming from the Detroit Police Department and  
15 how much preventative measures are being taken to  
16 engage the community.

17 I just want to briefly tell you about a  
18 program that the Children's Center has for  
19 engaging young people who are aging out of the  
20 foster care system. About 14,000 young people  
21 each year are in the foster care system in the  
22 state of Michigan, about 1,000 of those young  
23 people age out of the foster care system. 25  
24 percent of them instantly become homeless the day  
25 that they age out of the foster care system and

1 that number is ballooning to about 40 percent  
2 after a year.

3 And as you can well imagine they get  
4 into some things that they should not, and so  
5 about 80 percent of those young men who are aging  
6 out are engaged in criminal activities and about  
7 60 percent of those young men are convicted.

8 So this program is a program that helps  
9 young people live independently. Everything that  
10 we do puts them on the path to independent living  
11 and we turn those statistics around with about 85  
12 percent of them graduating from high school, 83  
13 percent of them living independently.

14 We pay a \$300 a month stipend to people  
15 in the community who are willing to open up their  
16 homes and help these young people out.

17 I'll stop there. If anybody is  
18 interested in the program, I have some flyers  
19 here. It's something that can be done that's  
20 preventative and can decrease the crime in the  
21 city of Detroit and help these young people out  
22 at the same time. So if you know anybody who's  
23 interested, please take a flier. Thank you.

24 COMMISSIONER BELL: Thank you, Mr.  
25 Brown. Commissioner Holley?

1 COMMISSIONER HOLLEY: How are you  
2 funded?

3 MR. BROWN: We are funded through the  
4 State of Michigan as well as for private  
5 donations. We have a Philanthropy Department  
6 that raises about \$3 million a year to get into  
7 the gaps that are not met by the State funds.

8 COMMISSIONER HOLLEY: I really admire  
9 you for that.

10 COMMISSIONER BELL: And thank you, Mr.  
11 Brown, and we can have more interaction with you  
12 and sharing the information.

13 MR. BROWN: Absolutely. If there are  
14 any community groups who would like me to come  
15 out and present, I'm available to present at any  
16 community meeting. Please take some information  
17 and let me come out and present.

18 COMMISSIONER BELL: Thank you.

19 MR. ROBERT BROWN: Ms. Deata Wilcox,  
20 that will be your last speaker.

21 MS. WILCOX: Good evening,  
22 commissioners, Detroiters. I'm Deata Wilcox and  
23 I can appreciate the Chair recognizing that the  
24 representative from the Law Department had some  
25 other obligations. The issue of marijuana,

1 however, is a very serious issue. We're looking  
2 at the facts that because it is not recognized at  
3 the federal level we at looking at a cash  
4 business.

5           Criminals follow cash and we have a  
6 very serious concern as it relates to the fact  
7 that this is going to be for all practical  
8 purposes a cash business.

9           In addition to that, we have our young  
10 people who can't find work and if they are  
11 inebriated or if they smell anything like what  
12 I've smelled relative to this new version of  
13 marijuana, I'm an old person so when I was in  
14 college marijuana didn't smell like what I'm  
15 smelling now and it has a lingering effect, so  
16 when we're talking about something as serious as  
17 marijuana, when we're talking about the fact that  
18 the federal government has the ability to use the  
19 commerce clause to regulate everything that we do  
20 down to salt on our tables, so we have a very  
21 serious concern and I would like for this body to  
22 take a particular interest in it because it's  
23 going to affect our community in a very  
24 monumental kind of way.

25           I really came here to say that being a

1 candidate for office I had a bomb threat at my  
2 house last week. Most of you have probably not  
3 seen a Coleman cooler, it's a metal cooler. I  
4 have seen them in museums, but there was one  
5 sitting in my driveway and I ended up having to  
6 call the Detroit Police Department and despite  
7 the fact that I have in the 12th and my precinct  
8 does not rise to the level of being magical, but  
9 they are extremely professional and I just wanted  
10 to thank them for coming out and engaging the  
11 Bomb Squad and making certain that I was safe.

12 I raise my voice objectively I believe  
13 on issues that are of concern to me and my  
14 community and when our public officials do  
15 something right, I want to stand on the side of  
16 right and commend them, so I comment the 12th  
17 Precinct for all that they did. Thank you so  
18 much.

19 (APPLAUSE.)

20 COMMISSIONER BELL: Thank you.

21 MR. ROBERT BROWN: Mr. Chair, that was  
22 your last speaker.

23 COMMISSIONER BROWN: The Commission is  
24 addressing the issues concerning the problems of  
25 rookies out of the academy. We have looked at

1 those numbers and the other thing that you  
2 mentioned we are aware of and we're taking action  
3 against them and that was included in our agenda,  
4 so I just want you to know we are looking at the  
5 issues concerning rookie officers when they're  
6 coming out of the academy.

7 COMMISSIONER BELL: If there's no other  
8 business before this body, okay, there are  
9 refreshments and you have the opportunity take a  
10 look at the facility here, the Hunt Street  
11 Station after we adjourn and I just want to thank  
12 you for your attendance. I think it's been a  
13 good meeting. The issues that we raise is going  
14 to be ongoing, but I want to close on this note.

15 You have the opportunity to vote on  
16 November 6, so that is your right. I will hope  
17 that you encourage yourself, your family, your  
18 extended family and Detroiters to come out and  
19 vote.

20 Things happening in the city of Detroit  
21 because we do not participate in the political  
22 process and we must hold not just the police  
23 department, but we should be accountable to  
24 ourselves and we as commissioners, but we should  
25 be accountable as individuals of this community,

1 whether you live in Detroit or not. This is  
2 Metropolitan Detroit.

3 So on that note, the Chair will  
4 entertain a motion for adjournment.

5 COMMISSIONER BROWN: So moved.

6 MS. BURCH: Support.

7 COMMISSIONER BELL: It's been properly  
8 moved. Those in favor, aye.

9 COMMISSIONERS: Aye.

10 COMMISSIONER BELL: Motion passed.

12 8:31 p.m.)
