21 reporter.

22 Immediately to my right is Robert
23 Brown. If we turn our attention to the first row
24 we would have Ms. Blossom who is over our Media
25 Outreach, Ms. White who is in our Policy area.

1 And if we go to the second row we have
2 Ms. Johnson who's in our Fiscal area and then
3 next to Ms. Johnson of course is our HR Director
4 Dr. Anderson.

5 Then as we always do, we go to Dr.
6 Polly McAllister who is the Chief Investigator

9 here present.

10 DR. McALLISTER: Good evening, Board.

21 DEPUTY CHIEF BETTISON: Good evening,
22 I'm Deputy Chief Todd Bettison and at this point
23 I would ask that our command officers and other
24 uniformed personnel introduce themselves and
25 we'll start with Capt. Holt.

1 (DPD PERSONNEL INTRODUCED THEMSELVES).

2 DEPUTY CHIEF BETTISON: Thank you.

3 COMMISSIONER BELL: Thank you. Good to
4 see all of you this evening. Tonight's meeting
5 is the fourth community meeting of the Board of
6 Police Commissioners for 2019 calendar year.

7 We will have nine additional community
8 meetings this calendar year. We hope to visit
9 every district within the city.

10 I want to thank Second Baptist Church
11 for the use of this facility for tonight's
12 meeting. Many of us know the church as being one
13 of the most famous stations in the Underground
14 Railroad which facilitated some 5,000 slave
15 movements from Deep South to freedom.

16 The mission of Second Baptist was
17 crafted in March, 1836 by 13 former slaves who
18 left the First Baptist Church due to racial
19 discrimination.

20 Second Baptist has also stood in the
21 forefront of service to the African-American
22 community through its work as part of the
23 Underground Railroad System to educating black
24 children in 1839 when it was against the law to
25 educate black children.

1 And to fighting for negro suffrage in
2 1843 by hosting a state convention of colored
3 citizens and down through the ages with community
4 and spiritual leadership that speaks to the heart
5 of the black community.

6 Representing Second Baptist Church
7 tonight is Second Baptist historian Bobby Davis.
8 We would like to ask historian Bobby Davis to
9 come forward and address the Board and give us
10 some highlights on the work of the church.

11 I think we have a young man filling in.
12 That's Mr. Brown.

13 MR ROBERT G. BROWN: I'm Robert G.
14 Brown, I'm the chairman of the Historical
15 Committee and we have two Bobby's. Most of them
16 call me Bobby Brown and also the bookstore and
17 chairman of the tour at Second Baptist Church is
18 Bobby Davis.

19 Welcome to Second Baptist. We will
20 celebrate 183 years of Sunday. This is the
21 oldest black Baptist church in the Midwest.

22 (APPLAUSE.)

23 MR. ROBERT G. BROWN: We have a long
24 history of firsts. Ralph Bunch who was able to
25 receive the Nobel Peace Prize in 1950 was a

1 member and baptized at Second Baptist Church.

2 When Dr. King graduated from Boston
3 University he preached one of his first sermons
4 and when the Montgomery Bus Boycott was the
5 project, Second Baptist received a letter from
6 Dr. King stating that we had given more money
7 that any other church.

8 So Dr. Francis Carnegie was a member of
9 Second Baptist Church, the executive director of
10 the Urban League.

11 Ed Davis, the very first
12 African-American auto dealer was a member of
13 Second Baptist Church. The list goes on and on
14 and on.

15 Rev. Holley has been here many times to
16 speak and my personal friend is Todd Bettison,
17 I've invited him so many times to come and then
18 Mr. Davis, so welcome and we appreciate you
19 coming and everything. Thank you very much.

20 COMMISSIONER BELL: Thank you, sir.

21 (APPLAUSE.)

22 COMMISSIONER BELL: Do we have any
23 elected officials, representatives of elected
24 officials in attendance this evening.

25 (A representative introduced himself).

1 COMMISSIONER BELL: Any others? Any
2 young people in the audience this evening? Stand
3 up and be acknowledged. Thank all of us for
4 coming out for our weekly meeting and what a
5 history here that we all should be appreciative
6 of and understand that history.

7 If you haven't had the opportunity to
8 visit historically the church or the Underground
9 Railroad, you're missing an opportunity. You
10 really should know your history and this has been
11 really part of the Freedom Train how we arrived
12 and some folks don't know how we arrived, but
13 they should really take time to understand our
14 history.

15 COMMISSIONER HOLLEY: This church was a
16 church before the city was a city, so this church
17 is older than the city.

18 COMMISSIONER BELL: Wow, that's
19 awesome.

20 (COMMISSIONER BURTON ARRIVES.)

21 COMMISSIONER BELL: We will pause. I'm
22 going to give Commissioner Willie Burton,
23 District 5, an opportunity to render a welcome to
24 the audience here this evening. Commissioner
25 Burton.

1 COMMISSIONER BURTON: Thank you, Mr.
2 Chairman, I want to say -- you know, thank
3 everybody for coming out to attend a Board of
4 Police Commissioners meeting in Downtown
5 Services.

6 The Board of Police Commissioners has
7 been around since 1974, so just want to thank you
8 all for coming out to the Board meeting and I'll
9 pass it back to you, Mr. Chairman.

10 COMMISSIONER BELL: Thank you, sir.
11 We'll move on to the Chairman's report. On
12 behalf of the Board I want to express our concern
13 and support for fallen and injured officers.

14 Our concern for officer safety and
15 citizen protection is ranked as two of the most
16 important priorities of the Board.

17 Our Board receives a weekly report from
18 the department listing injured officers. I would
19 ask the Deputy Chief during his remarks to
20 provide us with any additional information
21 related to injured and fallen officers.

22 The Board of Police Commissioners meet
23 every week except for Thanksgiving and Christmas
24 holidays. We meet at Police Headquarters three
25 weeks in the month on Thursday at 3 PM.

1 We also meet in the community every
2 second Thursday of the month 6:30 PM, which is
3 the second Thursday of the month, that's why
4 we're here. Under the Detroit City Charter,
5 Article 7, Chapter 8, the Board of Police
6 Commissioners is given power to provide civilian
7 oversight and supervised control of the police
8 department. Our citizens are justified in asking
9 how does civilian oversight in law enforcement
10 help you as a citizen within our community.

11 Our answer is we protect the civil
12 rights of citizens. Oversight organizations like
13 the Board of Police Commissioners are at the
14 forefront of investigating, reviewing and
15 auditing individual cases of citizen complaints
16 and patterns of operation by police agencies to
17 eliminate misconduct, discriminatory police
18 practices and unnecessary use of force by police.

19 Our work is based on involvement and
20 supporting effective policing. Mutual trust and
21 respect between the police and the community is
22 critical towards increasing the quality of life
23 for residents and businesses to Detroit.

24 The Board of Police Commissioners
25 exists to provide civilian oversight to the work

1 of the Detroit Police Department. As a Board we
2 receive and investigate non-criminal citizen
3 complaints, monitor of operations of the
4 department, work with the Mayor and the Chief of
5 Police to make or modify police policies.

6 I want to point to seven important
7 items for your consideration.

8 The Board is continuing to work with
9 NACOLE, the National Association for Civilian
10 Oversight of Law Enforcement to host in Detroit
11 the national conference September 22 through 26,
12 2019.

13 During the same time Detroit will be
14 celebrating our 45th year as a civilian oversight
15 organization on July 22, 2019. I'll repeat this
16 message several time as we approach the September
17 conference inviting law enforcement and other
18 civic-minded individuals and organizations to
19 join us at the conference. The planning process
20 is well underway and, again, we invite your
21 participation.

22 I want to acknowledge the month of
23 March as Women's History Month. According to the
24 Library of Congress Women's History Month had its
25 origin as a national celebration in 1981 when

1 Congress passed Public Law 97-28 which authorized
2 and requested the President to proclaim the week
3 beginning March 7, 1982 as Women in History Week.

4 This celebration expanded in 1987 to
5 include the entire month of March.

6 According to population estimates by
7 the United States Census Bureau our nation has
8 325 million people. Of this 50.8 percent are
9 female. Women play a leading role in every
10 aspect or life within the United States.

11 Here in the Detroit Police Department
12 we have outstanding leadership in the person of
13 1st Assistant Chief Lashinda Stair, Personnel
14 Director Dr. Marcella Anderson and our Chief
15 Investigator Dr. Polly McAllister.

16 Women made up about 35 percent of the
17 Detroit Police Department. And our sworn ranks
18 women make up 25 percent of our workforce. You
19 look around, you will see the faces of many women
20 who hold critical roles in all ranks of the
21 department from commanders, captains, lieutenants
22 and sergeants.

23 On our Board six of the 11 Board
24 members are female. Given these contributions, I
25 hope that throughout the month we all will look

1 for ways to acknowledge the contributions that
2 women make in the work force as well as mothers,
3 grandmothers, aunts and sisters.

4 And we know the historic role they play
5 in the African-American community. Without them,
6 we would not be who we are today because they are
7 really the focal point in terms of motherhood and
8 love and all that guidance that has served us
9 well over the years.

10 Finally I want to acknowledge the April
11 4, Women in Blue celebration at the MGM Grand in
12 Detroit. The celebration is sponsored by the
13 Public Safety Foundation and will highlight the
14 contributions that women make to public service
15 in our area.

16 Today on our agenda we will take up an
17 outstanding community service award for Father
18 Timothy McCabe, nominated by Downtown Services.

19 Commissioner Willie Burton also asked
20 the Board to acknowledge three people from
21 District 5, Greg Dunmore, Tom Shouski and Barry
22 Blackwell. At the appropriate point in the agenda
23 each will be asked to come and receive a
24 certificate of recognition from Commissioner
25 Burden.

1 We also have two presentations to the
2 Board. The first will be from DPD Personnel
3 Director Dr. Marcella Anderson. The personnel
4 report was distributed this past Tuesday to each
5 commissioner as part of the package.

6 The second presentation will come from
7 Downtown Services Capt. Franklin Hayes. My hope
8 is that Capt. Hayes will discuss with the Board
9 some of the hot spots and -- Downtown Services
10 fight against crime.

11 We also will have our regular report
12 from the Deputy Chief on behalf of the Chief of
13 Police. The Deputy Chief will review some of our
14 current crime stats and update us on any
15 additional police personnel with injuries in the
16 line of duty.

17 I would also ask the Deputy Chief to
18 update us on any critical issues facing the
19 department. Specifically I think the audit is
20 going to be forthcoming, but the Deputy Chief
21 might want to make comments in terms of the
22 second officer that was discharged by the Chief
23 this week.

24 Towards the end of the meeting we will
25 have oral communication from the audience.

1 Please make sure you print your name on a
2 speaker's card. Cards are located in the back on
3 the table, could be obtained by seeing Mr. Robert
4 Brown to my far right. We will need your card
5 before the beginning of public comments. We will
6 hold each speaker to an allotted two minutes.
7 Without a card when we announce that there will
8 be no other speakers because we want to have our
9 meeting in a timely manner as we move forward.

10 At this time, I'll going to ask
11 Commissioner Willie Burton for the resolution for
12 Father Timothy McCabe.

13 COMMISSIONER BURTON: Sure. Where is
14 Father Timothy McCabe. Where is he at?

15 COMMISSIONER BELL: Please come
16 forward.

17 COMMISSIONER BURTON: Please come
18 forward, father. So the resolution honoring
19 Father Timothy McCabe.

20 WHEREAS, Father Timothy McCabe, SJ
21 Society of Jesus graduated from University of
22 Detroit, received a master's philosophy from
23 Loyola University in Chicago and a masters in

2 executive director of the Pope Francis Center

10 only shelter, but service programs and services
11 to ensure the dignity and quality of life for
12 whom the center serves.

1 same caring.

2 WHEREAS Father McCabe is on the Presume
3 of Care Board as well as sa member of St. Peter
4 St. Paul Jesuit Church described as having a
5 caring and intimate personality Father McCabe
6 enjoys running 10 K and half marathons.

7 THEREFORE BE IT RESOLVED that the Board
8 of Police Commissioners speaking for the citizens
9 of the city of Detroit and the Detroit Police
10 Department acknowledges the dedicated diligent
11 commitment and support of Father Timothy McCabe,
12 his service and devotion to improving the quality
13 of life for the citizens in Downtown Detroit
14 Services and throughout the city of Detroit
15 merits our highest regards.

16 Detroit Board of Police Commissioners
17 therefore be it resolved and this belongs to you.

18 (APPLAUSE).

19 COMMISSIONER BURTON: I just want to
20 say this is my first time actually meeting Father
21 Timothy McCabe, but just looking at how many
22 people they have serviced throughout the city of
23 Detroit right here in downtown Detroit, you know
24 Detroit has still one of those most impoverished
25 cities in America.

1 They're doing something over here with
2 Father Timothy McCabe. Downtown Services, our
3 police officers on the beat, they doing something
4 right here in the City of Detroit right here
5 dealing with our community.

6 You all in the community that comes
7 down to the Board of Police Commissioners, you
8 are doing something. This is what service is all
9 about. Let's give Father Timothy McCabe a round
10 of applause; thank you.

11 (APPLAUSE).

12 DEPUTY CHIEF BETTISON: Stay right here
13 because we have more awards for you, all the
14 stunning great work that you do.

15 So in my hand right here is a Spirit of
16 Detroit award from your Detroit City Council
17 signed by all nine councilmembers, so at this
18 point because Mary Sheffield's office is
19 represented, I'm going to ask you to step up,
20 Barry, and represent the good councilwoman.

21 And at some point I plan to get a
22 Spirit of Detroit Award too, but today is your
23 day, Father McCabe.

24 So Spirit of Detroit Award is presented
25 herewith as an expression of the gratitude and

1 esteem of the citizens of Detroit to Father
2 Timothy McCabe in recognition of exceptional
3 achievement, outstanding leadership and
4 dedication to improving the quality of life
5 signed by the City Council of Detroit, Michigan,
6 the prestigious award Spirit of Detroit.

7 (APPLAUSE)

8 DEPUTY CHIEF BETTISON: And from Chief
9 Craig, your Detroit Police Department. The
10 Detroit Police Department Certificate of
11 Recognition to Father Timothy McCabe, city of
12 Detroit in recognition for the following
13 outstanding service and cooperation, your
14 involvement in the community and services to the
15 city of Detroit demonstrate a spirit and
16 commitment that is worthy of recognition.

17 Signed by your Chief of Police James E.
18 Craig and at this point I would ask that Capt.
19 Hayes come to the front as well because your
20 Downtown Services folks, the neighborhood police
21 officers, Capt. Hayes, the 3rd Precinct, we
22 thought that you were worthy of this award and
23 they made recommendations to the Chief, so --

24 (APPLAUSE.)

25 DEPUTY CHIEF BETTISON: Now we'd be

1 honored if you would allow us to take a group
2 photo with you.

3 FATHER McCABE: I am truly humbled. I
4 had no idea what this actually was about, so I'm
5 kind of speechless but I would say this. I would
6 accept these awards only on behalf of the over
7 700 volunteers that come and help us serve
8 Detroit's most vulnerable citizens and I also
9 accept this on behalf of two of the finest
10 officers I've ever known, Officer Steven Shay and
11 Officer Steve E.

12 They are the most compassionate loving
13 men to the downtown homeless population and they
14 go above and beyond the line of duty to make sure
15 that they're safe and taken care of, so thank you
16 very much for these awards, but really the heroes
17 are the police that put themselves out there on
18 the line and the people that come on a daily
19 basis to make sure that the homeless are fed and
20 taken care of, so thank you all very much.

21 (APPLAUSE).

22 COMMISSIONER BELL: Commissioner
23 Burton, would you rise to give a certificate of
24 recognition to the individuals you've been
25 designated, Dr. Dunmore, Barry Blackwell and Tom

1 Shouski, are they here? Would you please come
2 forward. Commissioner Burton, would you come
3 forward?

4 COMMISSIONER BURTON: I want to
5 acknowledge -- is Greg Dunmore here as well?

6 So I'd like to acknowledge two
7 individuals that's present with us. To my right
8 is Tom Shouski, community activist. Also guest
9 host on 910 AM radio station. He's a community
10 activist, very outspoken in the community,
11 standing up for what's right, standing up to
12 social justice, social issues.

13 He was also very instrumental in
14 organizing, doing some things with D-15, the race
15 to win the minimum wage here in the state of
16 Michigan along with so many other things, but
17 more importantly he's also an entrepreneur and
18 his business is right here in the city of
19 Detroit.

20 So today the Board of Police
21 Commissioners would like to present a certificate
22 of recognition presented to Tom Shouski. We
23 hereby award this acknowledgment, this
24 acknowledges you for your exemplary service to
25 our community and I want to say keep up the good

1 work that you are doing and I remember 2016 we
2 were out there in the struggle, now we got our
3 sleeves rolled up for 2020, right?

4 MR. SHOUSKI: The fight never stopped.

5 COMMISSIONER BURTON: So you still
6 feeling the burn?

7 MR. SHOUSKI: Still feeling the burn
8 and I just wanted to say that I thank you very
9 much, entire commission, Mr. Chairman, for this
10 recognition.

11 This is double an honor to receive this
12 here in a place that symbolizes the spirit of
13 Detroit. As Rev. Holley said before Detroit was
14 Detroit.

15 This spirit of standing up and fighting
16 for justice, fighting against discrimination,
17 finding against criminality, is something that
18 this place, this church, embodies and this is
19 exactly what the commission embodies, this is
20 exactly what Detroit Police embodies.

21 And even though we do disagree
22 sometimes, we're all here coming together because
23 we have that same spirit and we all want to make
24 our city and our police department better.

25 So thank you very much, Commissioner,

1 for the recommendation. I'm just humbled to be a
2 part of it.

3 (APPLAUSE.)

4 COMMISSIONER BURTON: The next one is
5 for -- I want -- this is a very special one as
6 well. They all are. Barry Blackwell, he is no
7 stranger to our community in District 5. He's
8 very hard working in our community, works for the
9 Hon. Council Pro Tem Mary Sheffield's office.

10 What he does in the community as far as
11 community outreach is impeccable. Let's give
12 Barry Blackwell a round of applause everybody.

13 (APPLAUSE).

14 COMMISSIONER BURTON: I'm delighted to
15 know him. He reminds me of so many great leaders
16 that organize and demonstrate and do things to a
17 whole 'nother level. I mean, before there was a
18 Martin Luther King, you know, the man was very
19 remarkable as far as speaking and a symbol and
20 organizing in the community, but what I see on
21 the ground level here today in the city of
22 Detroit in these community meetings and community
23 groups and how the communities come together in
24 District 5. District 5 knows of Barry
25 Blackwell.

1 (APPLAUSE).

2 MR. BLACKWELL: So good evening
3 everybody. I want to thank Commissioner Burton
4 for his leadership in District 5 and I also want
5 to thank this honorable body for the work that
6 you do every single day for the citizens that
7 look like me, and who are often times
8 marginalized. I want to thank you for that work.
9 I'll be honest, I was not expecting this,
10 Commissioner Burton, and so I am shocked in a
11 good way.

12 Angela Bassett once said when she was
13 receiving an Emmy or some type of an award, "I
14 thought I had to be dead to receive this", so I
15 am honored that I am able to receive my roses
16 today, but I'm more honored for receive roses in
17 a city that made me, right. I'm a Detroit boy
18 from Joy Road. My mom is a teacher, I grew up in
19 the city and so this is where I belong.

20 And so it's special to receive things
21 in a city all of you in this room, you raised me,
22 and so I'm honored and I appropriate it every
23 single day and I don't take the work that I do
24 for granted.

25 And so thank you, thank you, thank you,

1 thank you, thank you.

2 (APPLAUSE).

3 COMMISSIONER BURTON: Thank you for the
4 hard work you're doing in the community and I'm
5 glad you were able to attend with us.

6 MR. BLACKWELL: And I have to go, I
7 have to go to another community meeting.

8 COMMISSIONER BURTON: Her actually has
9 four meetings scheduled in this time frame but
10 the fact he was able to attend this meeting, I
11 mean that says a lot about his leadership,
12 because he wasn't expecting an award, but he is
13 running, so let's give him another round of
14 applause, everybody. Thank you.

15 (APPLAUSE) .

16 COMMISSIONER BURTON: Do we have Greg
17 Dunmore? So the next award was going to Greg
18 Dunmore.

19 COMMISSIONER BELL: Can you hold it in
20 abeyance since he's not here.

21 COMMISSIONER BURTON: So I guess the
22 Board will hold onto this until we connect back
23 with Greg Dunmore; thank you.

24 COMMISSIONER BELL: Thank you. Let's
25 give the recipients, the two that were here,

1 another round of applause.

2 (APPLAUSE) .

3 COMMISSIONER BELL: We're going to move
4 on to the Chief's report by Deputy Chief
5 Bettison, please.

6 DEPUTY CHIEF BETTISON: Thank you
7 Chairperson Bell. Just want to say thank you for
8 never forgetting, Board, in each and every
9 Thursday that we're here you always ask about our
10 critically injured officers and we always take a
11 pledge we will never forget, so I appreciate
12 that.

13 Update on our critically injured
14 officers, Officer Walter Johnson who suffered a
15 gunshot wound in the line of duty, he's still
16 recuperating in a long-term care facility.

17 Officer Kittelberg who's from the 3rd
18 Precinct suffered from a gunshot wound is also
19 recuperating at home.

20 Officer Christopher Thurston who had a
21 motorcycle accident is recuperating at home and
22 receiving occupational therapy.

23 In regards to an update on our crime,
24 we're still in the first quarter, so if Chief
25 Craig was here he would say that in the first

1 quarter we don't get overly excited either
2 whether it's going up or down. Of course we are
3 trending down in most categories, but this is
4 still the first quarter of the year.

5 So in the category of homicide at this
6 particular point in time we're sitting on a 33
7 percent reduction, and just for the audience to
8 give you whole numbers last year at this time
9 2018 we had 45 homicides. 2019 we're sitting at
10 30 homicides.

11 Sexual assault, that category we are
12 up, we're up 19 percent and I'll circle back
13 around and talk about that, but with sexual
14 assaults those are not -- we don't have an
15 individual out there as far as stranger on
16 stranger. These -- the majority of those CSCs,
17 sexual assaults, fall in the category of known
18 offender. We're talking about folks in the
19 households, relatives, things of that nature.

20 And then also receive many reports that
21 we get from social service agencies, schools, we
22 call those law enforcement notifications LENSs, so
23 that has created an uptick in the way that we
24 categorize our sexual assaults as well.

25 The category of robbery, we're down 11

1 percent on robberies. To give you an idea 2018
2 we had 387, 2019 344. With the category of
3 robbery which of course is a violent crime, a
4 crime of opportunity, I'll circle around and talk
5 about one exciting event where we hit our 500th
6 Green Light location, we just celebrated that
7 this week with a press conference.

8 And with Green Light the way the
9 cameras are positioned it's decreasing the
10 opportunity for robbers to be able to rob folks
11 because it's cutting into their space also giving
12 criminal only one bite at the apple if they do
13 decide to commit a robbery because with video
14 footage we're able to solicit the community's
15 help and easily identify folks, get them into
16 custody and on the prosecution end it works very
17 well because you got them on HD video and it's
18 them and they plead out pretty quickly to that,
19 there's no defense.

20 Carjackings which is a sub-category of
21 robbery, 61 percent down which is significant
22 because that's the reason that Chief Craig
23 actually created the Green Light program because
24 when he arrived here in 2013 he said that -- and
25 of course carjackings was at a all-time high,

1 they were of course occurring at gas stations,
2 fast food places, they were occurring at spots
3 where customers typically go and businesses that
4 stayed open late at night.

5 Our aggravated assault we're up 5
6 percent. To give you an idea of whole numbers
7 1,353 in 2018, 1,427 in 2019. The category of
8 aggravated assault falls into the any time
9 someone is assaulted with a weapon, it could be
10 somebody pulling a gun on an individual, it could
11 also include our category of non-fatal shootings.

12 In the category of non-fatal shootings
13 this year we're down 15 percent which is
14 significant. Last year at this time we had 447
15 persons shot that were not fatally injured, this
16 year we're sitting at 104. Not waving a white
17 flag of success, still much work to do.

18 Total violent offenses, we're up 2
19 percent. As a crime of property offenses,
20 burglaries we're down 6 percent, larcenies which
21 is the theft of your property, meaning somebody
22 stole your purse, somebody took something from
23 you, not physically but swiped it. We're down 18
24 percent in that category.

25 Stolen vehicles we're down 8 percent.

1 Last year at this time we had 1,132. This year
2 we have 1,037. Last year at this time -- and
3 often times we'll hear us say we're fighting our
4 numbers, fighting success. What that means is
5 we've been reducing crime year after year after
6 year.

7 Some folks will say it doesn't feel
8 like it. However, what I will say to you is, our
9 crime rate is still too high, but we are making
10 progress and we will continue working hard and
11 working in a smarter fashion to do so.

12 Total Part 1 offenses we're down 8
13 percent. Also, Commissioner Bell, in regards to
14 the other topics that you had asked me to speak
15 on, this Tuesday the Chief had a press conference
16 where we announced the termination of Michael
17 Garrison and if anyone is familiar with the
18 racist Snapchat post that was posted about a
19 month and a half ago where we had two Detroit
20 police officers in a vehicle with the
21 African-American young lady where her car was
22 towed and they recorded it on their cell phones
23 and they tweeted out or put on social media with
24 her walking. I think everybody has seen that in
25 the news, so a couple of weeks ago the officer

1 that actually put it out on social media, he was
2 terminated and his partner was terminated this
3 week.

4 Many folks came out and asked Chief
5 Craig immediately because it created a lot of
6 community outcry and the response was they wanted
7 those officers terminated immediately.

8 But officers are afforded due process
9 just like any other citizen is afforded due
10 process and we definitely allowed a full and
11 thorough investigation looking at all the facts,
12 interviewing all the witnesses, looking at all
13 the evidence and based off that Internal Affairs
14 investigation administratively the Chief
15 exercised his power to terminate.

16 Also the Chief has submitted
17 information, warrant request, over to the Wayne
18 County Prosecutor's Office in regards to that and
19 she's reviewing evidence as well to see whether
20 or not any criminal laws were broken in regards
21 to that.

22 I've touched on the fact that we
23 celebrated our 500th Green Light location in the
24 Avenue of Fashion, it's a minority-owned
25 business, a fashion store called 313 and I was

1 there celebrating there as well.

2 And I will tell you -- I'm not doing a
3 plug for them, I have no ownership in the
4 business, but there's some very very nice clothes
5 there, I was very impressed with the young man
6 and I will be going back purchasing some
7 merchandise.

8 So when you see me on my 313 and
9 looking very fashionable, you can go to the
10 Avenue of Fashion and get you some of that gear
11 also.

12 With that, Commissioner Bell, I'll
13 entertain any questions from the Board.

14 COMMISSIONER GRIFFIE: I just want to
15 say that I love seeing the carjacking numbers
16 come down because I do recall a few years ago
17 there being a lot of noise around the number of
18 carjackings and people not feeling safe in their
19 own neighborhoods when they go get gas and I
20 think -- I do think the Green Light effort has
21 helped in that area and I just want to highlight
22 that success.

23 DEPUTY CHIEF BETTISON: Thank you.

24 COMMISSIONER BELL: Any other
25 commissioners?

1 COMMISSIONER BURTON: Through the
2 Chair, my question is for Deputy Chief Bettison.
3 As you know, we've seen a lot of growth with
4 Project Green Light.

5 What should we expect in the future?

6 DEPUTY CHIEF BETTISON: We're going to
7 continue. We have business owners and we have a
8 pipeline of folks that want to become part of
9 Project Green Light and we started out with eight
10 gas stations and that was back in 2015. And I
11 was a part of the original talking and meeting
12 with the gas station owners and never expected it
13 to get here, but just by popular demand various
14 businesses wanted to be a part of it, churches
15 want to be a part of it because it was originally
16 meant for gas stations, liquor stores and
17 restaurants that stayed open late because, like
18 Commissioner Griffie alluded to, it was started
19 to abate the carjacking problem.

20 So right now community members just
21 that overall sense of security -- and I will tell
22 you this too. Project Green Light, the way the
23 cameras are positioned, there's positioned for
24 the benefit of the community. Those are our
25 audio-visual extraction team goes out and works

1 with the owners not just to protect their
2 property, but to protect the customers.

3 And we make sure that the cameras are
4 positioned so that they can see onto the streets
5 as well, meaning like a bus stop or something
6 that is adjacent because we know that
7 perpetrators who commit robberies, we've studied
8 that and we know that when you go to the side of
9 the business, that's where they're going to
10 attempt to rob you.

11 We know that by the air pump, so we
12 want to make sure that we had coverage of that
13 area and the owners that work with us.

14 So with that being said, we're
15 expanding. We have members that want to sign up
16 and I will say by next year at this time we may
17 have 600, but here's the thing. The City of
18 Detroit, the Mayor's office, the City Council,
19 we're making an investment so that we're hearing
20 more analysts and that with Project Green Light
21 with our Realtime Crime Center that's at
22 headquarters the Mayor announced in his State of
23 the City that we're going to have a Mini Realtime
24 Crime Center over at the 8th Precinct and we're
25 going to put another one at the 9th Precinct so

1 that the citizens and business owners can be
2 assured that as more folks come online with Green
3 Light that we have the capacity to be able to
4 deliver the promise that we promised with Green
5 Light.

6 COMMISSIONER BELL: Thank you, Deputy
7 Chief. Yes, ma'am.

8 COMMISSIONER BUNCH: DC Bettison, could
9 you share with the people regarding the Mayor's
10 comments on the Green Light how it would have
11 affect traffic lights? He did bring that up in
12 his speech.

13 DEPUTY CHIEF BETTISON: I'll do my best
14 to recant that. The Mayor because we've been
15 successful at Project Green Light, one of the
16 things that we're doing is with our traffic
17 lights, we connected the existing camera systems
18 to our Realtime Crime Center, so along Warren
19 Avenue we got quite a few cameras that have --
20 that are at traffic lights.

21 So we are connecting those to our
22 Realtime Crime Center but in the year 2020, by
23 2020 I forget the exact number, but I believe
24 it's somewhere -- and I'm going to say
25 approximate so you can't hold me to it, but I

1 believe it's going to be over 1,000 cameras that
2 will be at various traffic lights within the city
3 of Detroit to help us be able to reduce crime
4 within the city.

5 So that's going to be very exciting
6 because our officers are already working as hard
7 as we can, but we have to utilize technology so
8 that we can work in a smarter fashion and our
9 citizens deserve it. Thank you, Commissioner
10 Burch.

11 COMMISSIONER BURCH: Thank you. You
12 know, DC, I just want to say to you it does take
13 everybody to help the police, they can't do it
14 alone, so when you do see something, they ask you
15 to report it, is that correct?

16 We can only do what -- you have an
17 awesome job, but the community has to raise and
18 tell -- see what you see, thank you.

19 And I also just wanted to just share
20 with you, DC Bettison, you all are doing a
21 fantastic job. I happen to visit Number 9
22 Precinct No. 9 and Comm. Decker is here.

23 I wanted to acknowledge him and also
24 our 11th Precinct how the community just rises
25 together and what they're going to come up with

1 in No. 11 is what they call Coffee with a Cop.
2 This is going to bring more of an interesting and
3 different avenue for citizens to speak, DC
4 Bettison, so I want to commend Comm. Slappy, No.
5 9 and NO. 11, I know you all think I'm
6 prejudiced, but that is my precinct.

7 DEPUTY CHIEF BETTISON: Thank you,
8 Commissioner Burch.

9 COMMISSIONER BELL: Thank you. If
10 there's no other remarks, we're going to move
11 on to our HR report, Dr. Anderson, please.

12 DR. ANDERSON: Good evening, honorable
13 Board and the community. I want to bring to you
14 our monthly report for the month of February.

15 The report will provide a summary of
16 our HR activities for February, 2019. For our
17 sworn employment we are budgeted for 2,639
18 positions. We have 2,460 of those positions
19 filed, leaving us with 179 vacancies.

20 We are budgeted for 683 civilian
21 positions. We have 600 filled leaving us with 83
22 vacancies.

23 As we go through to our sworn
24 recruiting numbers, the numbers are for the
25 fiscal year starting July 1, 2018. We've had

1 2,578 applicants, 375 are awaiting MCOLES
2 testing, 46 are in process, we've hired 73, we
3 have 305 listed as a lack of interest, we have
4 1,326 listed as temporary disqualified and 453 as
5 permanently disqualified.

6 On Page 2 of the report our numbers for
7 our written and physical ability are as such. We
8 had 39 applicants scheduled for the written, 33
9 appeared, 26 passed, seven failed and six were no
10 shows. We had 97 applicants scheduled for the
11 physical agility, 70 appeared, 26 passed, 44
12 failed and 27 were no shows.

13 We had zero applicants graduate from
14 the Police Academy for the month of February. We
15 have 27 new hires, seven civilian new hires, one
16 police assistant which gave us a total of 35 new
17 hires for the month of February.

18 For our residency numbers, we have 575
19 sworn members who live in the city of Detroit, we
20 have 1,826 members who are non-Detroiters. We
21 have 350 civilians who live in the city and 250
22 non-Detroiters. Of our police assistants, 33
23 live in the city, 26 do not.

24 Our student intern program, we are in
25 the process of planning with Wayne State. We

1 have an upcoming meeting with them. When I say
2 "we", the HR team and myself. Our attrition for
3 the month of February, we lost 18 sworn, eight
4 civilians, one police assistant with a total loss
5 of 27.

6 Our leave of absence and restricted
7 duty at the bottom of Page 2, for sworn officers
8 we have 15 on continuous FMLA, 90 on intermittent
9 FMLA, one on medical, two on military, zero on
10 personal/educational leave, 148 restricted, 34
11 disabled.

12 For our civilians we have four on
13 continuous FMLA, 87 on intermittent FMLA, five on
14 medical, zero military, zero educational leave,
15 zero restricted, zero disability.

16 Going to our final page, our sworn
17 officers suspension we have 13 police officers
18 that are suspended, one detective, one sergeant,
19 one commander or command staff for a total of 16.

20 Our monthly separations are listed
21 below. We lost 10 to retirement, five to
22 resignation, one to death, two dismissal for a
23 total of 18. We also have listed here the number
24 that are in our drop program, and that's 529.
25 That's the end of my report.

1 I want to bring your attention to the
2 monthly separation report and it's the last
3 section of your attrition tab. I added the last
4 names of those that are being separated monthly.
5 If you also go to the suspension tab we have the
6 last names. I thought this would be a good way
7 to see kind of who was suspended, who resigned.
8 Sometimes we have people that will resign under
9 charges and we have people who will resign or
10 people who are terminated, and this way we can
11 kind of correlate the names by using the last
12 names.

13 COMMISSIONER BELL: Commissioners, any
14 questions or concerns?

15 COMMISSIONER BROOKS: Yes, I have a
16 question. I heard you say this before, lack of
17 interest. This time you had 305.

18 DR. ANDERSON: Yes.

19 COMMISSIONER BROOKS: Do these
20 applicants decide after they've taken the test
21 that they have no lack of interest?

22 DR. ANDERSON: Sometimes they don't get
23 to that part. We try to contact them, they don't
24 return our calls, we send e-mails, things like
25 that. They don't follow up with us, so then we

1 assume that they're no longer interested.

2 COMMISSIONER BROOKS: Thank you.

3 COMMISSIONER BELL: Any other
4 commissioners?

5 COMMISSIONER DAVIS: Does it look like
6 the trend is more and more outside Detroiters as
7 being sworn or is it staying the same or how does
8 the trend look to you?

9 DR. ANDERSON: It's just kind of
10 staying the same. I think it's staying the same.
11 We are trying our best to recruit more
12 Detroiters. This week I went to a school
13 actually and I spent time at a high school that
14 had a criminal justice program.

15 We're trying to implement additional
16 initiatives so that we can recruit more
17 Detroiters.

18 COMMISSIONER GRIFFIE: I just wanted to
19 say as I was walking in -- I was just talking to
20 DC Bettison about this -- as I was walking in I
21 parked outside and a gentleman approached me with
22 his son and he said, "Hey, somebody told me
23 you're with the police department" and he said,
24 "I really want to be a police officer."

25 He mentioned that he had some kind of a

1 legal issue and had questions about whether he
2 was eligible it being a misdemeanor and so I came
3 in, I got his information and I came in and I
4 talked to the DC Bettison, so I think based on
5 that interaction he was in the military, I don't
6 know whether he's actually going to be eligible,
7 but it does appear that there is a stigma out
8 there for some people about what qualifies or
9 disqualifies them from being eligible.

10 So I'm sure that you -- I know you guys
11 all do great work working with some of my
12 colleagues at the table, but I think that's one
13 of the challenges is that people aren't aware if
14 they have some background what is permissible and
15 what is not permissible in order to be eligible
16 to be a police officer.

17 DR. ANDERSON: Thanks for bringing that
18 to our attention. I think that we could possibly
19 try to do some additional marketing to make
20 people aware because we may be missing a huge
21 number of people.

22 COMMISSIONER HOLLEY: Thank you for the
23 report. To the questions that the Commissioner
24 asked a few minutes ago about the lack of
25 interest after they passed the tests, my question

1 is this.

2 I wanted to make sure you knew what i
3 was talking about. Do you know what I'm talking
4 about, the commissioner meant the fact that
5 there's several people that basically no interest
6 because you called them and they didn't return
7 the call or if they has passed the test?

8 DR. ANDERSON: In some cases yes, and
9 in some cases no.

10 COMMISSIONER HOLLEY: So do you feel
11 like based on the fact we're trying so hard is it
12 possible that -- and I'm still looking for an
13 investigation to help and I'm willing to do
14 whatever I can.

15 If I could go and talk to the person
16 that basically has did all this and then we just
17 basically -- and I just want to know why you
18 decided not to continue.

19 Is that possible, is that going beyond
20 the pale?

21 LT. COLES: Through the Chair, Lt.
22 James Coles, Recruiting. Sir, it would be
23 entirely possible, but we can't get them on the
24 line. When we reach out to them, they don't
25 respond to it. When we e-mail them, they don't

1 come back to us. So yes, that would be wonderful
2 if we could, but we don't have the opportunity to
3 talk to them.

4 COMMISSIONER HOLLEY: So if you could
5 pick me up, we go to the house and if he and she
6 is not there, we leave a letter. In other words,
7 I'm asking, can we just go based on the fact of
8 what we're really trying to do to make sure that
9 we just do everything we can.

10 If we could -- I'm willing to do that.
11 The second thing I -- and I thank you for the
12 report. I just want you to think about it,
13 because all of us here are trying so hard from
14 one end to the other to help you.

15 I still want to help and God has given
16 me a gift of persuasion and so if you could let
17 me use that.

18 The other thing, I see where you have a
19 relationship with Wayne State in your report and
20 I'm okay with that, I'm a graduate of Wayne
21 State, I love Mr. Hope and all the people there,
22 but I'm also partial a little bit now with Wayne
23 County Community College, so is there anything I
24 can do to help you to have a program in there
25 with -- we got a lot of young people that

1 basically just really need direction.

2 And so could you think about how we can
3 develop a relationship and I can help you with
4 that as well.

5 DR. ANDERSON: Absolutely, thank you.

6 COMMISSIONER HOLLEY: Thank you for
7 allowing me those remarks, Mr. Chairman.

8 COMMISSIONER BELL: I think what the
9 Commissioner is asking that perhaps you get that
10 no contact, perhaps you can give us a list of some
11 of the individuals by name, address, whatever
12 that is and maybe we can intervene and try to
13 make that effort on your behalf, on our behalf.

14 COMMISSIONER HOLLEY: I want you to go
15 with me though.

16 COMMISSIONER BELL: But I'm willing to
17 make some telephone calls. I'm not willing to go
18 door to door, but I'm willing to make some
19 telephone calls. The Commissioner is asking that
20 maybe he can work with two or three or whatever
21 that is in terms of reaching out.

22 I think that's something that we all
23 might want to do in terms of a name, telephone
24 number, contacts, but we appreciate that effort.
25 So Commissioner Brooks.

1 COMMISSIONER BROOKS: I just want to
2 say we have a very strong relationship with the
3 college. We started, we've done -- oh, by gosh,
4 we've done all their campuses and it's time for
5 us to start again, but we have a very strong
6 relationship there.

7 So anyone you want to know there, and
8 you can sit on the board. I know everyone --
9 most of the people there. We started out when we
10 got a recruiting committee we started out at
11 Wayne County Community College.

12 DEPUTY CHIEF BETTISON: Through the
13 Chair, I just want to say one of the things that
14 could be causing a lack of interest is we have to
15 figure out a way to concentrate on the secondary
16 support system which are the families and the
17 friends, the dream killers.

18 So what will happen is I may be
19 interested and I'll apply and then I'll tell
20 everybody and then when I get home and tell my
21 mom, she's like, "I don't want you to do that. I
22 don't want you to go get killed".

23 And I'm speaking from experience
24 because this is the conversation that I had when
25 I went home and told my family, so we all want --

1 African-American, we want police officers that's
2 reflective of the community, but we have to
3 change the narrative also in the community that
4 yes, your son, yes, your daughter, yes, we need
5 them to step up as well.

6 It's honorable, it's a great
7 profession, and you can make a decent living with
8 it so I want to definitely get more involved and
9 help out with that.

10 I was a student and somebody reached
11 out to me and I didn't understand salary because
12 I came from a household where I was making \$3.35
13 per hour but when they told me I could make \$13
14 an hour, I got interested real fast, so mom
15 couldn't talk me out of it at that point. So I
16 definitely want to help out too, Commissioner
17 Holley.

18 COMMISSIONER GRIFFIE: Two thoughts
19 came to mind while we're sitting at the table and
20 I'm not sure if you have already worked on this,
21 but one, is there a referral program in the
22 Detroit Police Department, so do officers get
23 financial benefits?

24 DR. ANDERSON: It's \$350 stipend.

25 COMMISSIONER GRIFFIE: Has that been

1 successful or a good draw?

2 LT. COLES: Through the Chair, yes, it
3 has. They are very excited about bringing people
4 in. The only thing is they have -- the candidate
5 has to make it through the academy so they have
6 to actually start the academy.

7 So sometimes you have somebody that
8 they say shows the interest up front and then
9 when they start getting to the process they might
10 slack off. But most of the time if you have that
11 officer who's supporting you, they're kind of
12 making sure that you go through.

13 COMMISSIONER GRIFFIE: I'm wondering if
14 we might consider increasing that to \$500 if it's
15 already something, that might be something we
16 might consider investing in.

17 LT. COLES: And I did want to add too,
18 in a lot of instances when we talk to the
19 officers they actually use that money for the
20 candidates when they graduate. So like they'll
21 buy them supplies and equipment after they
22 graduate so they will have it.

23 COMMISSIONER GRIFFIE: That's awesome,
24 that's very honorable. The second thing that I
25 wrote down was because of my conversation just

1 three minutes ago was this gentleman was
2 ex-military.

3 And I asked him why do you want to be
4 in the police department and he said because
5 there's no place I can get that brotherhood from
6 -- like I had in the military, so it just dawned
7 on me that people think that -- to your point,
8 you know, mom and dad may say why do you want to
9 be in the police department, but someone who has
10 a military background may be more likely to
11 overcome those kind of obstacles.

12 And I'm not sure if there is a pipeline
13 that we have with some with the local military,
14 but that might be another avenue.

15 DR. ANDERSON: Our field recruiter,
16 Sgt. Gonzales, she works with our local military
17 base.

18 COMMISSIONER GRIFFIE: Have you been
19 successful there.

20 SGT. GONZALES: Good evening, Board.
21 Sgt. Gonzales. Actually we are implementing with
22 the direction of the director and AC Stair we are
23 going to start a program, it's called Pays
24 Program. Another big city started it.

25 It's when the military are getting out.

1 60 days prior we are going to start a connection
2 with them, start an application process, do the
3 interview process to try to get them on board
4 before they even exit out of the military where
5 there won't o gap in-between.

6 On top of that, I do visit -- not just
7 me, my field recruiting unit, we visit -- we go
8 at 5:30 in the morning. There's been a couple of
9 command staff that come along with us that are
10 prior military and visit all the reserve units
11 when they're doing their weekend warrior to all
12 the different bases.

13 We just had a veterans hiring event
14 last weekends and anything that has to do with
15 the military, that's a program we're doing. We
16 also ask just touch bases with the Hiring Our
17 Heroes component. We're trying to collaborate
18 with them to see if there's something we could
19 do.

20 Even though it's based out of Chicago,
21 there's still a lot of military members that have
22 to go to Chicago to get exited out of active duty
23 that we are going to start with that program.

24 We might have to go down there once a
25 month to get this connection going, but it's

1 something that we're looking into to bring all
2 the members that's close to our area that's going
3 to be willing to join our program.

4 And that's actually -- the Hiring Our
5 Heroes is for all the branches, unlike that Pays
6 systems is just the Army, they're the only ones
7 that actually have something like that so far.

8 COMMISSIONER BURCH: Mr. Chair, I'd
9 like to ask the other lady something. Have you
10 ever thought like -- could you share briefly what
11 process is it when you're recruiting at that
12 particular place, could you just briefly tell us
13 the questions that you ask and then my thought is
14 why not try a buddy system.

15 Like if you're getting that person's
16 name and address and phone number ask them do you
17 have a friend or somebody that encourages you
18 because like Bettison said many times family can
19 discourage you.

20 Have you ever thought of maybe using
21 some buddy that if you can't reach that
22 particular person that loses interest, you can
23 call that other person maybe to encourage them to
24 at least answer the phone.

25 Have you ever thought about a buddy

1 system?

2 DR. ANDERSON: We have not utilized a
3 buddy system.

4 COMMISSIONER BURCH: But why not huh?

5 DR. ANDERSON: I think it's a good idea
6 to ask them when they come in when they're
7 interested if they no someone else that's
8 interested and get that person's information that
9 we can follow up with that person as well.

10 I think that's a good idea.

11 COMMISSIONER BURCH: And like I'm
12 asking you, what particular place are you, the
13 location, when you're recruiting? Like I spoke
14 to St. Gonzales, it may be in a supermarket.

15 I just want you to briefly share just a
16 few of the questions, what do you ask?

17 DR. ANDERSON: Sgt. Gonzales actually
18 does still recruiting. Lt. Coles does our
19 recruiting. They can answer those questions
20 better for you.

21 COMMISSIONER BELL: We're going to try
22 to wrap this up. Recruiting is a critical
23 ongoing matter. Each meeting we spend a lot of
24 time. This department, this Board is going all
25 out to try to recruit.

1 It's a difficult task. It's not the
2 most attractive job in Detroit or this nation,
3 but we are spending 110 percent trying to
4 recruit, that is clear since I've been on board
5 of this Board since 2014.

6 So we just need to do our part
7 aggressively, so can we sort of close it out
8 somewhat?

9 DR. ANDERSON: Yes. Just for a point
10 of clarification, I do want to make clear that
11 those that are listed as lack of interest have
12 not necessarily completed the entire process and
13 all of a sudden decided they're no longer
14 interested.

15 They may have applied, but not uploaded
16 their proper documentation, for example their
17 driver's license and things like that. They may
18 have applied, but not went through with
19 completing and passing their MCOLES exam and
20 that's when we shift them also into that lack of
21 interest.

22 So when you do seek out and try to go
23 knocking on the doors and getting -- we want to
24 do that for those who have at least gone halfway
25 through the process so that we don't waste the

1 Commissioners' time as well.

2 Also I want to thank you all for
3 recommending Wayne County Community College and
4 also sharing that you have those points of
5 contact. We reached out to Wayne State just to
6 get the process back rolling because for some
7 reason they discontinued the internship program,
8 but I will reach out to you so that you can put
9 me in contact with their contacts so that we can
10 incorporate Wayne County Community College and
11 local universities.

12 COMMISSIONER BELL: And thank you. We
13 have a great relationship with Wayne County
14 Community College. Our former director James
15 Jackson is head of Public Safety and there are
16 several former police officers in all ranks that
17 teach in Wayne County Community College so we
18 have had two meetings there, we have ongoing
19 fairs, so there is a bonding there with Wayne
20 County.

21 Dr. Ivy and their team are committed to
22 providing public safety in terms of different
23 areas of not just policing, EMT and etc, etc, so
24 we have a working relationship.

25 Thank you, Dr. Anderson.

1 COMMISSIONER HOLLEY: I got to hook up
2 though.

3 COMMISSIONER BELL: Rev. Holley got to
4 hook up. He going to report out next month.
5 We're going to move on to Downtown Services.

6 CAPT. HAYES: Good evening, esteemed
7 Board, colleagues, my Downtown Services team,
8 community members and guests.

9 I'm Franklin Hayes, Detroit Police
10 Department Captain, commanding officer of
11 Downtown Services.

12 Downtown Services is a Detroit Police
13 Department entity that provides police services
14 to the 2 square miles of downtown Detroit. Our
15 boundaries or the Fisher Freeway to the north,
16 I-375 Freeway to the east, Rosa Parks Boulevard
17 to the west and the Detroit River to the south.

18 Organizationally we fall under the
19 Chief's Neighborhood Liaison. Under the
20 leadership of Deputy Chief Todd Bettison Downtown
21 Services, Gaming, Special Events, and the 3rd
22 Precinct make up that cluster of entities under
23 -- we call it C&L.

24 Downtown Services touts a very diverse
25 composition of personnel assigned to complete its

1 mission. As sworn officers civilian traffic
2 controllers, neighborhood police officers, sworn
3 police officers, police assistants as well as
4 officers specialized training and utilize
5 specialized tools such as mountain bikes.

6 Some of our functions includes traffic
7 management, again mountain bike patrols, foot
8 beats, response vehicles and patrol beats as well
9 as motorcycles and scooters.

10 Traffic control is a large function of
11 what it is that we do. Both vehicular and
12 pedestrian, our officers successfully ensure the
13 safe and orderly flow of traffic and adequate
14 safety for each spectator in downtown. Whether
15 it be they live, work or play that is our
16 mission.

17 This uniform presence in traffic
18 coordination along with crime suppression is also
19 utilized in the event of we have any protests or
20 demonstrations. Downtown Services is also unique
21 because we are the gateway to the U.S.

22 On our southern border we have the
23 Detroit-Windsor Tunnel that estimates show that
24 over 13,000 daily use that to both exit and enter
25 the U.S. That encompasses passenger vehicles,

1 tour buses as well as commercial vehicles.

2 High visibility, and again, crime
3 suppression around some of the venues in downtown
4 Detroit is also an essential function. Some of
5 these venues include Comerica Park, Fox Theatre,
6 St. Andrews Hall, the TCF Exhibition Center or
7 formerly known as Cobo Center, Ford Field, the
8 Music Hall, the Gem Theatre, Masonic Temple,
9 Filmore, Orchestra Hall, Detroit Opera Hall and
10 we even assist with Chene Park.

11 In this very corridor we're in
12 currently is Greektown. I'd like to acknowledge
13 two of the Greektown merchants that are in
14 attendance today, Mr. Spiro Vanvacus, owner of
15 Pappi's as well as Mr. Yani Dianasapoulos, owner
16 of Golden Fleece and Exodus, two very very
17 responsible business owners in the Downtown
18 Services footprint.

19 As I mentioned, some of the venues that
20 we police, there's been conversation, I was
21 actually looking in the crowd for Mr. Peter
22 Rhodes who had a grave concern that the resources
23 and the taxpayers' dollars is costing the City
24 for these for-profit venues.

25 I'm very happy to report that the City

1 of Detroit has recouped those tax dollar funds.
2 From 2007 from the stadiums alone we recouped
3 \$700,348.87 and in 2018 we recouped \$1,297,227.20
4 for a grand total of \$2,003,576.07.

5 (APPLAUSE.)

6 CAPT. HAYES: I'd like to bring up the
7 second in command, 1st Lt. Pride Henry to address
8 year-to-date statistics and our crime-fighting
9 strategies.

10 1st LT. HENRY: Good evening, Board
11 members. My name is Lt. Pride Henry, I work
12 Downtown Services up under Capt. Hayes. So what
13 I'm going to report out tonight is our crime
14 data, our crime trends and our crime strategies.

15 We talk about our crime data, we talk
16 about our weekly comparables, our 28-day
17 comparables and our year-to-date comparables.

18 I'm happy to report that we are
19 actually trending down in all categories with the
20 exception of one. Now, we know our biggest
21 thorn, there are larcenies and motor vehicle
22 thefts, but I'll go through these real quickly.

23 So when we go across the board, weekly
24 comparables, 28-day comparables and year-to-date
25 comparables murder we're zero across the board.

1 We talk about CSC. Weekly comparables
2 100 percent decrease. Talk about same category,
3 28-day comparables, 75 percent decrease.

4 Year-to-date comparables 25 percent decrease.

5 Talk about robberies. We look at
6 comparables, zero. We talk about 28-day
7 comparables 100 percent decrease. We talk about
8 year-to-date comparables 43 percent decrease.

9 Aggravated assault, weekly comparables
10 50 percent decrease, 28-day comparables, 53
11 percent decrease and year-to-date comparables 35
12 decrease, overall total for crime victims 37
13 percent decrease.

14 Now, we drop down to our property
15 crimes. Weekly comparables 0 percent. 28-day
16 comparables -- I'm, burglary, forgive me.

17 28-day comparables, 33 percent
18 decrease. Year-to-date comparables 11 percent
19 decrease. Larcenies as I spoke of, one of our
20 problematic areas, weekly comparables.

21 We have a slight uptake 73 percent.
22 Now, I'm going to circle back around to that.
23 28-day comparable, 34 percent decrease.

24 Your year-to-date comparables 28
25 percent decrease.

1 Motor vehicle theft, we had a spike in
2 that, 20 percent increase for the weekly
3 comparable. 28-day comparable is 78 percent
4 increase. Our year-to-date comparables represent
5 a 13 percent increase, but I'm going to circle
6 around to that number, it's actually a decrease.

7 For total offenses, weekly comparables
8 63 percent increase, 28-day comparables 25
9 percent decrease and year-to-date comparables 23
10 percent decrease.

11 For overall year-to-date increase of 25
12 percent. So as I stated before, one of our
13 problematic things that we have to address are
14 our larcenies. As of March 12, 2019, we show a
15 28 percent decrease. We went from 252 cases in
16 2018 to 182 cases in 2019.

17 How were we able to do that? We
18 partnered with Commercial Auto Theft on
19 surveillance operations and apprehended those
20 that are breaking to vehicles. We continue with
21 our current deployment strategies of pro-activity
22 and high visibility and sustain the current
23 trends.

24 We do pro-active enforcement and
25 apprehension of those that illegally park. We

1 partner with 3rd Precinct on tow details and
2 Municipal Parking on illegal parked vehicles.

3 When I talk about our current trend as
4 far as motor vehicle thefts, I stated before that
5 we had a 13 percent increase. The last 28 days
6 we show a 7 percent increase of motor vehicle
7 thefts from 15 to 16.

8 Our strategies are to continue our
9 collaborative efforts with Commercial Auto Theft
10 to covertly monitor our hot spots, but as also
11 stated that number is actually a 20 percent
12 decrease.

13 We've had a significant arrest of an
14 individual that was responsible for 10 of the 36
15 vehicles that were stolen which is representative
16 of a 20 percent decrease. This individual alone
17 we were able to get a five-count warrant and he's
18 currently in custody awaiting trial.

19 Our ongoing strategies to address our
20 motor vehicle thefts as well as our larcenies or
21 that we have great communication with our key
22 stakeholders. We talk to them on a regular basis
23 about educating their employees as well as
24 patrons on securing their valuables and
25 importance of legal parking and secured parking.

1 We have great community programs and
2 with that I'd like to introduce Sgt. Steven
3 Shank.

4 SGT. SHANK: I'm neighborhood police
5 officer Steven Shank and it's my pleasure to be
6 called a neighborhood police officer. Being a
7 kid who grew up in Southwest Detroit, went to
8 Detroit Holy Redeemer, growing up on Rathbone and
9 Springwells, still have our house there.

10 When Chief Craig brought this
11 neighborhood police officer position here, I'm
12 like wow I just get to go around the community
13 and hang out with folks and sit on the porch with
14 them, have something to drink and talk about
15 what's going on, what their needs are.

16 We begged for that when I was growing
17 up. When I was growing up Latin Counts were
18 running heavy through that area and we were
19 stretched out a lot by maybe you, Commissioner
20 Burton.

21 But anyhow, let me not get off track
22 here. My captain was very specific, stick with
23 the bullet points and I'm already off the bullet
24 point.

25 But no, I just really enjoy it and

1 working with a fine crew that I have,
2 neighborhood police officer Steve Englebretson,
3 and Officer Denise Wallet.

4 She was out directing traffic to make
5 sure you guys got in here safe. She might be
6 watching the parking lot. They're always
7 working. It's a neighborhood thing. It's just in
8 our blood.

9 But some of the tasks that we do as
10 neighborhood police officers, we get petitions
11 through the City Clerk's office and we have to
12 make sure that that how -- we look at how that
13 affects our community. You just can't put up a
14 tent next to the Holiday Inn when people --
15 guests are flying in from other states.

16 We go in and investigation those things
17 and see if it fits in with what we're trying to
18 do in our community. So those are the petitions
19 for the City Clerk's office. We go and do
20 investigations on those.

21 We work in partnership with our beat
22 officers, businesses, community groups and
23 clergy. Father Tim deserves another round of
24 applause, Commissioner Willie Burton.

25 (APPLAUSE).

1 SGT. SHANK: Because what he's been
2 able to do with the homeless community -- you
3 know, people, like I said, I'm from Southwest
4 Detroit. I did not see as many panhandlers in
5 Southwest as I do downtown and someone says well,
6 that's the honey pot, that's where the money is
7 at and you ain't joking.

8 People are coming down there in droves,
9 especially the Mayor was walking around the other
10 day and his team asked I've been seeing a lot
11 more Caucasian males and females panhandling
12 downtown and it's just something -- there's
13 someone at the tunnel, there's someone everywhere
14 and it's this big heroin epidemic. It does not
15 culturally, ethically, it hits us all. It's like
16 a cancer.

17 And he's been strategic, Father Tim, in
18 getting them the help they need. They come in,
19 they can shower and get fed, but also we try to
20 get them the help they need through substance
21 abuse programs and full wrap-around services,
22 nurses and give them a chance.

23 And we always hit them with the
24 question of why can't today by the day. And it's
25 a beautiful program and we support that. Officer

1 Englebreckson was just part of a major major drug
2 arrest. I can't get too much into it, but it's
3 ongoing, but took a lot -- thousands of dollars
4 or heroin off the street just this past Friday,
5 beautiful thing.

6 (APPLAUSE).

7 SGT. SHANK: We participate in these
8 services. I do a seniors -- we got a couple of
9 senior apartment buildings downtown. We do a
10 program called Seniors Scam and Cinema where we
11 take the seniors to the movies, but we also --
12 Chief Bettison, it's not just a time for me to go
13 watch a good flick, but we educate our senior
14 population on the new scams that are plaguing
15 them.

16 We educate communities in crime
17 prevention, all the new companies coming downtown
18 and we answer, of course, calls of service to
19 help out as facilitator and a support component
20 to our officers that are out here answering runs.

21 So I'm privileged, I'm honored, thank
22 you for having me today.

23 (APPLAUSE.)

24 CAPT. HAYES: So within this downtown
25 footprint there is I call them three small cities

1 as well in which you can go and enjoy just about
2 any amenity you want and not have to come out for
3 about a week, those are the casinos.

4 The casinos responsibilities, again, of
5 the Gaming Unit which is a function of Downtown
6 Services to monitor the safety and welfare of the
7 patrons, both the interior and exterior as well
8 as the parking areas again, those larcenies from
9 autos.

10 As I say, those that have it, or that
11 honey pot, most people are going to the casino
12 with it. So we definitely want to be mindful of
13 that and again with the special events that are
14 hosted, the traffic control and congestion there.

15 I'm happy to have to commanding officer
16 of Gaming here, Lt. Tonya Wilson-Golson who's in
17 attendance today and she oversees that function
18 ot Downtown Services.

19 Our 2019 initiatives include a
20 continued deployment of pro-active enforcement
21 and strategically doing so to combat the heroin
22 issue that we have down here.

23 As Sgt. Shank eluded to, we are
24 aggressively monitoring that. It's -- the opioid
25 epidemic is touching too close to home to too

1 many.

2 Our Green Light, this Greektown
3 corridor that we're in, this was a first Green
4 Light corridor so we monitor that in addition to
5 the other 24 locations that are in the Downtown
6 Services footprint, as well as liquor and vice
7 inspections.

8 Again, our homeless initiatives, and to
9 sustain the relationships that we have with not
10 only our private but public sector partners.

11 The 2019 strategic plan of Downtown
12 Services is one of consistency, sustainability
13 and evolution. We know how downtown is rapidly
14 changing and as being the Detroit police
15 Department entity to ensure that all those that
16 live, work and play in this area that we stay out
17 in front of it, stay abreast of emerging crime
18 trends and once we do find those we hold them
19 accountable and set a tone of responsible
20 enjoyment of downtown Detroit.

21 That concludes the Downtown Services
22 presentation, Mr. Chair and I'll gladly field any
23 questions that you have.

24 COMMISSIONER BELL: Thank you, Captain.

25 COMMISSIONER BURCH: Mr. Chair, I just

1 want to commend you, excellent what you all are
2 doing, just superb, especially that young man
3 that spoke about neighborhoods. He put the
4 neighborhood first as far as saying when the
5 visitors come, their heart was just into making
6 sure that their neighborhood is safe and doing
7 well.

8 And just one correction. If I made a
9 mistake, forgive me, but when you mentioned Chene
10 Park, am I wrong in remembering that Mayor Duggan
11 said it's called now Aretha Franklin, so I just
12 want you to put that they changed it, am I right
13 or wrong.

14 COMMISSIONER BELL: Not officially yet.

15 CAPT. HAYES: Through the Chair, we
16 haven't staffed Aretha Franklin Park yet because
17 it happened after, we've only staffed Chene Park,
18 but Aretha Franklin Park, we look forward to
19 working there as well again.

20 COMMISSIONER BELL: Commission Brown
21 and then Commissioner Holley.

22 COMMISSIONER BROWN: Captain, excellent
23 report, appreciate all the work you guys are.
24 Yes, I've seen the drop in everything because I
25 hang out downtown a lot, particularly over there

1 of Paradise Valley and I've seen the drop in the
2 issues with the B&Es and autos and excellent job
3 on rolling out with cats and everybody. You guys
4 do an excellent job down here with containing a
5 lot of the problems and ridding a lot of the
6 problems that are down here.

7 The other thing I want to know is, it's
8 getting warm, somebody has already asked me where
9 are those guys at that's going to be on them
10 bikes. They want to know how many people you all
11 going to have on bike patrol, are you still going
12 to have the officers riding around and how many
13 -- one of them asked me how can they be selected?

14 CAPT. HAYES: Well, through the Chair,
15 we just equipped 27 officers in Downtown Services
16 with bike gear and through our charitable
17 partners and philanthropical arms of some of our
18 partners downtown we received over 40 bikes that
19 were donated to that for just that.

20 So we've got 40 bikes. Don't be
21 surprised, commissioner, if you see me out there
22 on one as well. And by all means, anyone who
23 would like to be a part of that, they can e-mail
24 me or just connect with me on GroupWise of
25 anything and we could use all the good help we

1 can get.

2 COMMISSIONER BROWN: Maybe we can get
3 the commission out there riding out there ne day.

4 COMMISSIONER BELL: Commissioner
5 Holley?

6 COMMISSIONER HOLLEY: I should know
7 this and I thank you for the report. When it
8 comes down to the people on the street, I come
9 down Nick's -- the street where Nick's on that
10 street right by -- behind the casino, I come down
11 that street every day taking my daughter to work
12 and then when you see 14,000 people coming
13 through the tunnel, what's the attitude to the
14 ordinance in terms of how can I help the father
15 in terms of people sleeping on -- if you're
16 talking about coming to downtown Detroit and to
17 see people sleeping on the street and I don't
18 know how to say this, but I'm -- obviously as a
19 preacher I'm very much concerned about the people
20 panhandling coming out of the tunnel with 14,000
21 people coming in and seeing -- that's the first
22 thing you see when you come out of the tunnel is
23 somebody asking you -- got a sign up.

24 I guess what I'm asking, what's the --
25 the Mayor came through the town. What's the

1 attitude or the ordinance or is there anything
2 that can be done?

3 For example, I usually give a little
4 bit extra money to ask them to leave. If I give
5 you this amount of money would you leave, and
6 obviously I know that doesn't work, but I try to
7 think -- tell myself that it does, but what is
8 the attitude and then I'll leave you alone?

9 CAPT. HAYES: Through the chair, so you
10 touched on two different things. First of all
11 the homeless as well as those that are
12 panhandling.

13 COMMISSIONER HOLLEY: I mean, these
14 guys are sleeping every night.

15 SGT. HAYES: So just to the sleeping
16 portion, we cannot criminalize being homeless, so
17 we can't arrest our way out of that. Through
18 some of the initiatives that we worked with
19 through the Department of Neighborhoods, Tara
20 Defo from the Mayor's Office, when we had the
21 polar vortex we went out, our team went and found
22 those that were out and that were homeless and to
23 bring them shelter. Some of them won't go, they
24 will stay out there.

25 That element, they don't want to come

1 into a shelter. That's why Father Tim is so
2 instrumental because they may come in and take a
3 shower, have a meal, wash their clothes, but they
4 don't want the help.

5 We constantly try to bring the
6 resources to them.

7 COMMISSIONER BELL: Yes, ma'am.

8 COMMISSIONER BROOKS: I just want to
9 thank you. I walk the River Walk and I thank you
10 all. You all do great service and I look forward
11 to seeing you as soon as the weather gets a
12 little warmer, but truly thank you, you all -- I
13 watch you tell people to turn down their music, I
14 watch you tell guys about their pants hanging,
15 and you all -- you do it very politely, so thank
16 you very much, for keeping the River Walk safe.

17 COMMISSIONER BELL: Thank you, Captain,
18 outstanding report, outstanding ongoing
19 involvement Downtown Services.

20 DEPUTY CHIEF BETTISON: Through the
21 Chair, if I may, I just want to say publically
22 Capt. Hayes, thank you. Since you've been
23 assigned to Downtown Services you've been very
24 innovative, creative in managing traffic,
25 fighting crime and doing it all and also you were

1 the creator of -- what is it -- block the block,
2 is that it, or don't block the box?

3 CAPT. HAYES: Yeah, don't block the box
4 campaign. If I can get into that --

5 DEPUTY CHIEF BETTISON: Very briefly.

6 CAPT. HAYES: Traffic management is
7 huge and the downtown that we have today wasn't
8 the same downtown two years ago. People are
9 coming downtown now that have never been and one
10 of the issues that we found was keeping
11 intersections clear when the lights change.

12 Often times people believe that the
13 green light means that it's their turn to go, but
14 it doesn't mean that it's safe to go.

15 So they would pull up in the
16 intersection and then the light would turn red
17 and then they're stuck, so then opposing traffic
18 couldn't get through.

19 For those that are going to a concert,
20 it may be a headache or a nuisance, but to those
21 that are in need of service, whether it be a
22 police officer, whether it be a fire truck,
23 whether it be an EMS, those intersections are
24 blocked and there's no place go and we can't get
25 there.

1 That was one of the mandates that
2 Deputy Chief and the Chief tasked me with and
3 said you better fix it, so got a chance to see
4 what other cities were doing. We adopted a
5 program that came out of Baltimore as well as
6 Washington, D.C where at each intersection where
7 we have those issues there are signs right up on
8 the light pole "Do not block the intersection".

9 We piloted that here in Detroit, we
10 started on Larned between Washington Boulevard
11 and Randolph. It was extremely successful. From
12 there we branched up to Congress and it will be
13 branching out and that truly has been one of the
14 many successes that the Downtown Services team
15 has had to help manage the traffic.

16 DEPUTY CHIEF BETTISON: Thank you.

17 (APPLAUSE.)

18 COMMISSIONER BELL: We going to move on
19 to committee report. I know Commissioner Brooks
20 wants to speak.

21 COMMISSIONER BROOKS: No, I'm going to
22 save my report because we spent so much time on
23 recruiting. I will let you know that I had the
24 opportunity to speak with the Department of
25 Neighborhoods, the general manager Raymond

1 Solomon let me speak. They were carried away
2 with recruiting.

3 I left fliers, I didn't have enough; I
4 left cards, I didn't have enough. But they have
5 been calling me. Now, the person that works with
6 Raymond Solomon wants to see a video for all the
7 districts and they wants my report because I
8 spoke from my heart about how important it is
9 that we recruit, and they wanted my report.

10 And of course I just spoke, so I did
11 put it together, but I'm not going to do it at
12 this particular meeting, I will do it next week.

13 COMMISSIONER BELL: Thank you,
14 Commissioner Brooks. Any other committee reports
15 at this time? If not, we're going to move on to
16 the Board Secretary.

17 I just want to remind the commissioners
18 that Item 3, 4 and 5 is strictly when the
19 commissioners that was not going to be discussed,
20 so we're going to move on to the Board Secretary
21 reporting.

22 COMMISSIONER BROOKS: May i say one
23 thing. For the Commissioners that are on the
24 Recruiting Committee, get ready, we're going to
25 have one, so I just wanted to let you all know;

1 thank you.

2 COMMISSIONER BELL: Thank you. Mr.
3 Hicks.

4 SECRETARY HICKS: Yes, Mr. Chair. I
5 simple want to call your attention to the six
6 items that are listed on the agenda. These are
7 incoming communications and they're not listed on
8 the agenda for action today, they really
9 represent transmissions largely from the Chief.

10 They would be directives that are
11 transmitted to us for our review. There will be
12 other letters that relate to graduation
13 ceremonies and things of that sort.

14 And then there's, of course,
15 promotional appointment recommendations which we
16 are currently reviewing and we'd hope to finish
17 that review inside the next couple of weeks and a
18 report will come to the Board in connection with
19 that.

20 As a final item, I would like to
21 indicate that earlier in the agenda Father McCabe
22 resolution was not voted upon, so it would be
23 necessarily for someone to put a motion on the
24 floor.

25 COMMISSIONER DEWAELESCHE: Motion to

1 approve.

2 COMMISSIONER BROWN: Second.

3 COMMISSIONER BELL: It's been properly
4 moved and supported. Discussion? Those in
5 favor, aye?

6 COMMISSIONERS: Aye.

7 COMMISSIONER BELL: Those opposed?
8 Motion carries.

9 SECRETARY HICKS: That conclude my
10 report for tonight.

11 COMMISSIONER BELL: Thank you. Any old
12 business?

13 COMMISSIONER DEWAELESCHE: Yes,
14 Mr. Chair. I just wanted to remind the Board
15 Secretary that we indicated that we would be
16 having a quarterly update about the medical
17 marijuana situation in Detroit.

18 It was brought up that we are now being
19 touched by the opioid crisis. Maybe that could
20 be added to that agenda item, but I don't see it
21 on our schedule and I think it's a very
22 important issue because, as you know, I want us
23 to keep the number to 75 that are located in
24 Detroit and I will bring that up every chance
25 that I have, but I do -- I would like to have

1 them come and give us an update on medical
2 marijuana and how it's affecting Detroit.

3 And I would like to be in an evening
4 community meeting if at all possible; thank you.

5 COMMISSIONER BELL: Thank you,
6 Commissioner.

7 COMMISSIONER BURTON: I have something
8 for old business. You know, I want to move that
9 we allow committee meetings to be open to any
10 commissioner as well as open to any member of the
11 public that attend Board of Police Commissioners
12 committee meeting, so my motion is I move that we
13 allow committee meetings to be open to any
14 commissioner as well as open to the public.

15 Do I have a second from anyone?

16 COMMISSIONER HOLLEY: I'm not quite
17 sure I understand what he's asking.

18 COMMISSIONER BURTON: For clarify, so
19 we have different subcommittees, whether it's the
20 Budget Subcommittee or -- I want to put a motion
21 on the table where any commissioner is able to
22 sit in on those committee meetings as well at any
23 member of the public as far as good transparency.

24 COMMISSIONER BELL: Sir, we can table
25 this suggestion. There are an Open Meetings Act

1 that we have to abide by in terms of how many
2 commissioners can attend any forum. As far as
3 the public issue, that is not in the realm of who
4 we conduct ourselves.

5 COMMISSIONER BURTON: Mr. Chairman, if
6 you take a look at City Council and any other
7 elected branch of body they allow their committee
8 meetings to be open to the public just like City
9 Council as well as the County Commission.

10 COMMISSIONER GRIFFIE: Mr. Chair, I
11 don't believe there was a second to the motion on
12 the floor.

13 COMMISSIONER BURTON: Well, I had
14 Commissioner Brown's support on that motion
15 before as well as --

16 COMMISSIONER GRIFFIE: I didn't hear a
17 motion, so without a motion.

18 COMMISSIONER BELL: Commission is
19 calling for an order of the day, so we're going
20 to move on. Any other new business?

21 COMMISSIONER BURCH: Yes, Mr. Chair.
22 In the 3rd District we're going to have a
23 transformation of the Highland Park Reservoir,
24 the water reservoir. It belongs to Highland
25 Park, but it sits in Detroit. There's going to

1 be a transformation from blight to beauty between
2 two cities.

3 If you want to know about it, see me
4 after but we're going to tell the story from the
5 1930s to the 1960s what went on in that area, the
6 North End, before the Davison Freeway and before
7 I-75.

8 If you're interested, please see me
9 after; thank you.

10 COMMISSIONER BELL: Thank you.
11 Commissioner Holley?

12 COMMISSIONER HOLLEY: Mr. Chairman,
13 according to my notes we did approve the March
14 14th agenda but according to my notes we did not
15 have a motion for the February 28.

16 COMMISSIONER BELL: We addressed the
17 February 28, we did not address the last meeting,
18 but we can do that at our next meeting.

19 We did call the meeting to order, so we
20 must have something to that effect, so we'll make
21 had correction at the next meeting.

22 SECRETARY HICKS: Mr. Chair you acted
23 on, of course, the agenda and the last full set
24 of meetings which would be the 28th. The meeting
25 for the Youth Forum which was largely a program

1 as opposed to a traditional meeting, that has not
2 been prepared as of yet.

3 COMMISSIONER BELL: Thank you.
4 Announcements. Our next meeting will be on
5 Thursday, March 21, 2019 at 3 PM at Detroit
6 Public Safety Headquarters.

7 Our next community meeting with be on
8 April 11, 2019, at 6:30 PM in the 11th Precinct
9 The Wellness Plan, 4909 East Outer Drive.

10 Oral communication from the audience.
11 You're going to have two minutes to speak.
12 Please give your name and Mr. Brown is going to
13 designate how many speakers that we have at this
14 time.

15 MR. ROBERT BROWN: Mr. Chair, two
16 speakers. The first speaker will be Diana
17 Wilcoxin followed by Mr. Mack Betts.

18 MS. WILCOXIN: Good evening, honorable
19 Board. I came before this Board at your last
20 community meeting and I praised the Chief of
21 Police and I praised this Board for not acting as
22 I and many in the community regarded as hastily
23 as it related to the Snapchat situation.

24 I also want to praise the Chief, the
25 Department of Police and this Board again for not

1 acting hastily as it related to the second
2 firing. Due process is a cornerstone of our
3 democracy and it should be adhered to at all
4 times, and often times when we're dealing with
5 issues that are sensitive, we often jump the gun
6 and when we do, there are severe consequences that
7 has to be made, go again, I applaud you.

8 I want to ask this Board to, on behalf
9 of the community, to take a very cautious and
10 considered approach when it comes to connecting
11 our camera systems in the city of Detroit with
12 realtime cameras, 1,000 plus has been reported
13 tonight.

14 Detroiters, like all Americans, have a
15 right to privacy. When we park on the streets in
16 the city of Detroit we have to input our license
17 plate number in order to pay for parking. Now we
18 will be surveilled by cameras all over the city.

19 There are privacy issues to be
20 considered and I would ask this Board and the
21 police department to take a very careful and
22 cautious look at it.

23 We don't want to be sued by people who
24 feel they have been aggrieved. We also don't
25 want our citizens to feel that they have to use

1 us in order to have their privacy rights
2 enforced. Thank you so much.

3 COMMISSIONER BELL: Thank you of
4 reminding us of due process and we will take the
5 item up in reference to what you just mentioned
6 about expanding the Green Light to the traffic
7 light. I think it's something we should do on
8 the agenda and we will schedule that in the near
9 future to have type discussion and have community
10 input too before we make a formal process of how
11 we're going to approach that. Thank you.

12 Yes, sir.

13 MR. BETTS: Yes, my name is Mack Betts.
14 I feel privileged and honored to be here at this
15 honorable committee of honorable Board or
16 commissioners.

17 But I got a problem and that problem is
18 with parking and, believe it or not, several
19 times I've got a parking ticket when the money
20 was already in the meter. I mean, you know, the
21 ticket was before the time was up.

22 And then I got -- I went to court --
23 asked to go to court. I didn't get no notice and
24 they, I mean you don't know if you don't pay,
25 then it's more and I'll tell you, it's unlawful.

1 It's a lot of white collar crime going on with
2 the average worker, whether they're under orders
3 or whether they just hate us, I don't know.

4 And I ain't throwing no dirt on the
5 City. I hope everybody can understand how I feel
6 and this just ain't happening to me, it's
7 happening to people that visit Detroit just as
8 well and they ain't got time to respond and all
9 that.

10 And I would also like to say what
11 happened to the neighborhood precincts, I forgot
12 what they call them, there's a proper name for
13 them. The mini station.

14 I was told once when I attended a
15 meeting that they ain't got the known for it.
16 Somebody got to front it, all these billionaires.

17 Make your all requests, please.

18 COMMISSIONER BELL: Well, sir, just
19 update with you, I come out of the mini station
20 era. The neighborhood police officer totally
21 exceeded the expectation of a mini station, n
22 just a building, and I come out of that era of
23 mini stations.

24 It's nothing like a neighborhood police
25 officers throughout the city of Detroit, so you

1 need to get to know them, work with them.

2 The first item you raised about
3 parking, that is not in the area -- Municipal
4 Parking Department could address those concerns
5 about tickets, etc, they are the ones that
6 enforce that.

7 MR. BETTS: Thank for your direction,
8 but I'm going to contact the Department of
9 Justice in Washington.

10 COMMISSIONER BELL: Okay, thank you,
11 sir. If there's no other business before this
12 body, I want to thank all of you for your
13 attendance evening. It's been a great dialog,
14 we're looking forward to more.

15 Board?

16 COMMISSIONER DEWAELESCHE: Motion to
17 adjourn.

18 COMMISSIONER GRIFFIE: Second.

19 COMMISSIONER BELL: It's been properly
20 moved and supported. Those in favor, aye?

21 COMMISSIONERS: Aye.

22 COMMISSIONER BELL: Those opposed"
23 motion carried, we stand adjourned. Thank you.
