Greetings Corporate Partners,

Once again, we will launch **Motor City Makeover**, our annual citywide, volunteer clean-up initiative. On the first three Saturdays in May – May 4, 11 and 18 – thousands of volunteers across Detroit will come together to clean and beautify neighborhoods, parks, playgrounds and around businesses, schools and places of worship.

In addition to our regular cleanup efforts in May, we will continue to support clean-up, board-up and beautification efforts throughout the summer and fall.

For those who have sponsored Motor City Makeover (MCM) in the past, I extend my heartfelt appreciation. For those who are new to MCM, please accept my invitation to become a sponsor for our 2019 **Motor City Makeover** initiative.

This effort relies solely on in-kind and financial contributions of sponsors like you. Donations are used to provide neighborhood groups with garbage bags, gloves, dumpsters and other supplies to ensure that Motor City Makeover is a success again this year.

**Enclosed you will find a packet of materials containing sponsorship information and a pledge form. Scan and email your completed pledge to: Ray Solomon at [SolomonR@detroitmi.gov](mailto:SolomonR@detroitmi.gov) or send it by mail:**
