19 and Sheila Rice is the court reporter who has joined us
20 today.

7 CHIEF CRAIG: That's correct.

8 CHAIRPERSON BELL: Okay. Thank you. And
9 joining us is Commissioner Jim Holley, At-Large. Good
10 to see you this afternoon, sir.

11 COMMISSIONER HOLLEY: Thank you so much.
12 Thank you.

13 CHAIRPERSON BELL: Do we have any elected
14 officials or representatives of officials?

15 I see our good friend who needs no
16 introduction, but I'm going to introduce him anyway.
17 The chief of staff for Council President Brenda Jones,
18 Steve Grady. And he will be speaking after the Chief
19 in terms of remarks concerning issues that the council
20 president wants to bring to our attention in terms of
21 support. So when Chief Craig finishes he will be the
22 next person on the agenda if the commissioners will
23 allow that in terms of modifying. Thank you.

24 Any other -- yes, sir.

25 MR. CORBETT: Paul Corbett here on behalf of

1 Councilman Roy McCalister's office.

2 CHAIRPERSON BELL: Thank you for your
3 attendance.

4 End of the introductions, and the next item
5 will be the Chairman's report. On behalf of the board,
6 I want to express our concern and support for fallen
7 and injured officers, including the recent death of
8 Sergeant Elaine Williams. Our concerns for officer
9 safety and citizen protection is ranked as two of the
10 most important priorities of the board. Our board
11 receives a weekly report from the department listing
12 injured officers. I would ask the Chief of Police
13 during his remarks to provide us with any additional
14 information related to injured and fallen officers.

15 The Board of Police Commissioners meets every
16 week except for Thanksgiving and Christmas holiday
17 periods. We meet at Police Headquarters three weeks in
18 the month on Thursday at 3 p.m. We also meet in the
19 community every second Thursday of the month at 6:30
20 p.m.

21 Under the Detroit City Charter, Article 7,
22 Chapter 8, the Board of Police Commissioners is
23 empowered to provide civilian oversight and supervisory
24 control of the police department. Our citizens are
25 justified in asking how does civilian oversight of law

1 enforcement help you as a citizen in our community.
2 Our answer is we protect the civil rights of citizens.
3 Oversight organizations like the BOPC are at the
4 forefront of investigating, reviewing and auditing
5 individual cases of citizen complaints and patterns of
6 operations by police agencies to eliminate misconduct,
7 discriminatory police practices and unnecessary use of
8 force by police.

9 Our work is based on developing and
10 supporting effective policing. Mutual trust and
11 respect between the police and the community is
12 critical towards increasing the quality of life for
13 residents and visitors to Detroit.

14 The Board of Police Commissioners exist to
15 provide civilian oversight for the work of the Detroit
16 Police Department. As a board, we receive and
17 investigate noncriminal citizen complaints, monitor the
18 operations of the department and work with the Mayor
19 and the Chief of Police to make or modify police
20 policy.

21 I want to point to several important items
22 for your consideration and information. The Board of
23 Police Commissioners will have its annual board
24 training on Friday, June the 28th and June the 29th,
25 2019. Please mark your schedules and plan to attend

1 this annual training. We will be reviewing the mission
2 and goals of the board as well as a few of our
3 operation procedures. The training session is
4 scheduled to start on Friday, June the 28th at 12 noon
5 and conclude at 5 p.m. We will return to the training
6 session Saturday, June the 29th at 8:30 and work until
7 5 p.m. Within the next week, staff will release a
8 detailed schedule for the training session.

9 Again, I remind the board, we are continuing
10 to work with NACOLE, the National Association for
11 Civilian Oversight of Law Enforcement, to host the
12 National Conference on September the 22nd through the
13 26th in 2019 in Detroit. During the same time, Detroit
14 will be celebrating our 45th year as a civilian
15 oversight organization on July the 22, 2019. We are
16 inviting law enforcement and other civic-minded
17 individuals and organizations to join us at the
18 conference. The planning process is well underway, and
19 again we invite your participation.

20 I will be traveling this weekend to attend
21 the national board meeting of NACOLE. We will be
22 discussing the latest arrangements for the upcoming
23 conference. I can report that NACOLE has accepted our
24 recommendation to have the former federal attorney of
25 Michigan, Barbara McQuade, as one of our keynote

1 speakers. This is one recommendation we made early in
2 the process of planning the conference. We are happy
3 to see that Professor Barbara McQuade will be joining
4 us. And I want to say that she's enthused about coming
5 forward to alter her calendar to make sure that she can
6 attend.

7 Typically, I provide some historic facts
8 about the importance of the day in history. These
9 facts give context to our work and reminds us of the
10 contributions made by others. I am inspired by the
11 work of many others who have come before me. One
12 example of this spirit is 75 years ago today 155,000
13 Allied Troops, largely made up of American, British and
14 Canadian soldiers, stormed the beaches at Normandy to
15 free France from the evils of Nazi Germany.

16 In the same tradition of bravery and the
17 commitment to work toward justice and greater social
18 goals, in the mid '60s former United States Air Force
19 member James Meredith was shot while marching against
20 fear in Memphis, Tennessee. Well, that should be in
21 Mississippi really. It's Mississippi, because
22 historically it happened in DeSoto County. I know it
23 well, because I was born in DeSoto County, not from my
24 town. And James Meredith spirit of resistance, but it
25 was reference to the civil rights movement. So it's

1 just a little snippet and correction on that. James
2 Meredith's spirit of resistance was picked up by other
3 civil rights leaders, including the Reverend Martin
4 Luther King, Jr. and Stokely Carmichael. James
5 Meredith would recover from the sniper's bullet and
6 later rejoined the March Against Fear demonstrating his
7 commitment to justice and equal rights.

8 I also want to acknowledge the recent death
9 of Loren Monroe, Michigan's first African-American
10 appointed state treasurer and later became Detroit's
11 auditor general. Mr. Monroe died on Wednesday. His
12 contribution to financial oversight and management is a
13 credit to the work of state and local government.

14 Today we have two action items on the agenda.
15 The first is a resolution honoring the life and service
16 of Sergeant Elaine Williams. We will read the
17 resolution into the record at the appropriate time for
18 Sergeant Williams.

19 The second resolution is for Karen Swift who
20 is retiring from the department after 15 plus years of
21 service. We will read Officer Swift's retirement
22 resolution into the record at the appropriate time.

23 We have one presentation today. We have
24 asked Alvin Stokes, president of the City-Wide Police
25 Community Relations Council, to join us and discuss the

1 work of the City-Wide Police Community Relations
2 Council. I understand that the department will also be
3 joining Mr. Stokes in his presentation. The citywide
4 network of Police Community Relations Organizations are
5 a vital part of policing and support to law
6 enforcement. On behalf of the board, I want to thank
7 Mr. Stokes in advance of his presentation. I also hope
8 the City-Wide Police Community Relations Organization
9 will help us mobilize for our June 13 public hearing on
10 police surveillance at St. John Lutheran Church located
11 at 4950 Oakman Boulevard in northwest Detroit in the
12 Second Precinct.

13 And I see Ms. Butler smiling. That is she is
14 the president of the Second Precinct Police Community
15 Relations. As you well know, she attends a majority of
16 our meetings, and we're looking forward to that
17 interaction next week.

18 We will be receiving input from the citizens
19 in connection with the traffic-mounted cameras and the
20 facial recognition technology currently under review by
21 the board.

22 I also want to report that the Chief of
23 Police has transmitted to the board a request to
24 suspend Officer Rochelle Mayberry. Our office has
25 notified the DPOA of a tentative hearing scheduled for

1 June the 20th, 2019. Officer Mayberry has been charged
2 by the Wayne County Prosector with a one-count
3 misdemeanor. Officer Mayberry was arraigned on June
4 the 3rd, 2019 in 36th District Court. The Chief's
5 transmittal letter in connection with Officer Mayberry
6 also notes extensive history of misconduct on the part
7 of this officer. The Chief's request is for a change
8 of duty status without pay, but with continuing medical
9 benefits.

10 Under the Chief's report, I am requesting an
11 update on our crime stats and any critical issues
12 facing the police department. I ask for an update on
13 the recent announcement of a serial killer operating on
14 the east side of Detroit. At a recent Community
15 Relations Council meeting in District 4, several
16 concerns were raised about the announcement. Citizens
17 encouraged the department to prioritize this matter and
18 to share accurate information on the incident and the
19 and the histories of the female victims.

20 I guess there's some concern about how we
21 approach in terms of we don't use a certain word
22 anymore. There's a new concept of how we approach it.
23 And the Chief perhaps is going to elaborate that. They
24 want us to be specific, but I guess in this day and age
25 we have to be more in kind to be responsible in terms

1 of how we label people. And that was some of the
2 concern that we met at the Fifth Precinct police
3 community relations meeting last night. And we
4 featured the Board of Police Commissioners along with
5 Mr. Hicks and Mr. Brown.

6 Additionally, I would ask the Chief of Police
7 to provide information on what appears to be a higher
8 than normal rate of shootings in the city. As a board,
9 we stand with the department to eradicate the
10 unnecessary use of guns and the violence that it brings
11 to a community.

12 I also ask the Chief to report on the recent
13 vehicle pursuit involving the Michigan State Police and
14 DPD that resulted in a fatal shooting of one of the
15 suspects.

16 At the end of the meeting we will have public
17 comments from the audience. Please make sure you print
18 your name on a speaker's card. Cards are located in
19 the back on the table or can be obtained by seeing
20 Mr. Brown. He will need your card before the beginning
21 of public comments. We hold each speaker to the
22 allotted two minutes.

23 I ask that everyone turn off your cell phone.
24 I know I'm holding mine up. I've been guilty. I
25 didn't need a response there. Except for DPD. They're

1 on emergency standby. So let us try to abide by that.

2 Now we're going to go to the resolution for
3 Sergeant Elaine Williams. If one of the commissioners
4 would be so kind if they have that before them to
5 volunteer. I didn't get a chance to designate.

6 VICE CHAIRPERSON BROWN: I'll read it.

7 CHAIRPERSON BELL: Yes, sir. Go ahead.

8 Thank you.

9 VICE CHAIRPERSON BROWN: "Resolution honoring
10 Sergeant Elaine Williams, posthumously.

19 graduate of Northwestern High School. She later went
20 on to further her education and graduated from the
21 University of Detroit-Mercy with a Bachelor of Science
22 degree in accounting. She also maintained annual
23 training from the Institute of Internal Auditors.

24 "And whereas Senior Analyst Karen Swift was a
25 2013 recipient of the Chief Merit Award and was

1 recognized for valuable service to the department. She
2 was instrumental in the Detroit Police Department
3 achieving, maintaining and compliance with the
4 Department of Justice Consent Decree Judgment.

5 "And whereas Senior Analyst Karen Swift has

11 "Now, therefore, be it resolved that the
12 Detroit Board of Police Commissioners, speaking for the
13 citizens of Detroit and the Detroit Police Department,
14 award this resolution to Senior Analyst Karen Swift for
15 her 15 plus years of dedicated and diligent public

19 success.

20 "We salute and congratulate you, Senior
21 Performance and Compliance Analyst Karen Swift.
22 Detroit Board of Police Commissioners," this day.

23 CHAIRPERSON BELL: Thank you, Commissioner
24 Davis. I assume that Ms. Swift is not here, she's not
25 present.

1 COMMISSIONER DAVIS: I didn't see her.

2 CHAIRPERSON BELL: The Chair would entertain
3 a motion.

4 COMMISSIONER DEWAELESCHE: So moved.

5 VICE CHAIRPERSON BROWN: Support.

6 CHAIRPERSON BELL: It's been properly moved
7 and supported.

8 Discussion?

9 Those in favor, aye?

10 COMMISSIONERS: Aye.

11 CHAIRPERSON BELL: Those opposed?

12 Motion carries. We wish her the best. Thank
13 you.

14 Chief Craig is next on the agenda.

15 First of all, Chief Craig, I want to on
16 behalf of the board express our sincere condolence and
17 support for Sergeant Williams and her family, DPD
18 family.

19 CHIEF CRAIG: Thank you.

20 CHAIRPERSON BELL: As we go forward, you have
21 our prayers and support.

22 CHIEF CRAIG: Thank you.

23 CHAIRPERSON BELL: I know you have been very
24 supportive of these families. I have witnessed that
25 over and over again. And by all means we are here to

1 support you in any way that we possibly can and pass
2 that to the family also.

3 CHIEF CRAIG: Thank you. And through the
4 Chair and to the board, we appreciate your support. As
5 you know, much has been said about Sergeant Williams.
6 Certainly she was a rising star in the Detroit Police
7 Department, someone who was well respected and loved by
8 many. I know I had a chance to speak with colleagues
9 in her current assignment. It wasn't a dry eye in the
10 room. She touched everybody. I had a chance to meet
11 with -- they call themselves the Fab 5. It's five
12 young ladies in the department. They were very close
13 friends. They had a chance to share with me some of
14 the stories with Elaine and what she meant. So they're
15 very upset. So we appreciate your thoughts and
16 prayers.

17 Starting with crime, as of today at Homicide
18 we're down 13 percent, which is 13 fewer homicides this
19 time last year.

20 And I wanted to take a moment just to do a
21 comparison. So we're at year-to-date 91 homicides.
22 Last year-to-date we were at 104. And this sheet's a
23 little off, but in 2017 we were up above 114 homicides.
24 So, you know, we're continuing to move in the right
25 direction, but again one homicide is one too many.

1 In terms of nonfatal shootings, we're down
2 two percent, which equates to six, six fewer homicides
3 in this time last year.

4 We're up nine percent in sex assaults, total
5 of 31 more than we did this time last year. Aggravated
6 assaults we're down 184 aggravated assaults with a
7 five-percent reduction. Overall violent crime is down
8 five percent. Looking at property crime, we're down
9 seven percent.

10 I know there was a question relative to a
11 spike of shootings. I know the week of 5-31 through
12 June 3rd we saw an increase. We had a total of 15
13 nonfatal shootings, no homicides during that weekend.

14 And so we did an analysis on those shooting
15 incidents, and breaking it down by size of the city
16 there were nine nonfatal shootings on the west side,
17 four on the east side. And taking it a step further we
18 look at factors involving those shootings. Six of --
19 well, 11 of the shootings had a unknown motive, but six
20 of the 11 there was a vehicle nexus, which is a little
21 different than what we've seen where a vehicle drives
22 by and shoots. Two involved verbal arguments, one
23 involved a robbery. Again, there were no homicides
24 during that busy weekend. And then one of the
25 shootings was a self-inflicted gunshot wound.

1 But I want to take a moment to acknowledge
2 the phenomenal work by our investigators, particularly
3 our Homicide team that has been stretched. And I'm
4 going to go into a minute about this most recent serial
5 case that we're working now and then the fact that last
6 night there was a shooting involving a Wayne State
7 officer, that they were involved in that investigation
8 as well.

9 Just an example of some of the key arrests
10 that they've made, there was a -- on May 29th a
11 35-year-old suspect was taken in custody in connection
12 with the fatal shooting of a cab driver. That suspect
13 was arrested in that case.

14 Another notable case during that period was a
15 Army veteran. This was a news story. He was
16 carjacked, and because of our Green Light we were able
17 to identify that suspect. He was taken into custody.

18 There was the other high profile case
19 involving a young man who was involved in a -- who wore
20 designer glasses, and that suspect was taken into
21 custody.

22 And then you know about the amount of work
23 that we did in the disappearance of the five-year-old.
24 The department, both our federal and local, did
25 significant work in trying to identify and locate this

1 young man. We did that, and we also did arrest a
2 suspect. And at this point, unless Assistant Chief
3 LeValley has updated information, we're still waiting
4 on a decision from the Wayne County prosecutor as to
5 the status of that warrant.

6 So going into the crime I reported out on
7 yesterday, I know I had a conversation with the
8 Chairman kind of giving you a timeline. So on March
9 19th of this year in the Eleventh Precinct, the
10 Eleventh Precinct on the east side, 2000 block of
11 Coventry, we get a report of a decomposed body inside
12 of a abandoned residence. Initially we thought based
13 on preliminary -- I want to say a preliminary report by
14 the ME that this was a drug OD because it was a drug
15 area. But then on May 20th the medical examiner came
16 out with a report indicating that it was, in fact, a
17 murder and not a drug OD and that the cause of death
18 was blunt force trauma.

19 And then four days, five days later in the
20 Ninth Precinct from when we got that report there was
21 another victim, female victim, found in an abandoned
22 location. That body also was decomposing, and at this
23 point the medical examiner has not caused a ruling.

24 But what's interesting about the March 19th
25 and this case there was what I've been saying a very

1 similar signature left by the suspect.

2 And then June 5th, the most recent one, 3000
3 block of Mack in the Seventh Precinct, a person
4 reported that a body was in a location. We arrived at
5 the location, and once again we saw a female victim
6 partially clothed like in the other two incidents.

7 And that's where we're at. Now, because of
8 the similarities, and by design I am talking in
9 somewhat of a cryptic way because we have an active
10 investigation, and when I talk about signature
11 typically you talk about a serial murder there are
12 things that the murderer will leave at the scene, and
13 so it tends to suggest that it's the same suspect.

14 And so one of the -- so we did a victimology,
15 but in terms of pattern or similarities. So all the
16 crimes, the three, have occurred on the east side.
17 Each location where the crime was committed was in a
18 vacant dwelling. And -- but when you talk about
19 victims all three were female. Of the two that we have
20 identified, one was African-American, one was
21 Caucasian, and the ages of both victims were 52 and 53.
22 And based on interviews with family members, both of
23 these victims were identified as sex workers.

24 And to your specific point, recognizing that
25 when you talk about a crime like this and you have

1 loved ones that are dealing with the loss, you know,
2 it's very difficult when you say prostitute, street
3 walking prostitute. "Sex worker" seems to be the --
4 what can I say -- politically correct way today.

5 We had a meeting, the Mayor and I, recently
6 with a member of the LBGTQ community who is concerned
7 about recent activities, and she referred to "sex
8 workers." And that's becoming more and more common.
9 And that can apply to whether it's a woman or someone
10 who is part of the LBGTQ community as what I have seen
11 has been widely accepted.

12 The reason why it was important as far as the
13 victimology to identify the victim as a sex worker, as
14 you know the challenge in this case is as follows.
15 We're talking about abandoned residents, number one.
16 Many crimes have occurred, as many of you know, in
17 neighborhoods that will go undetected. And so as we've
18 seen in these cases these victims have been in these
19 locations for a period of time. This is not a typical
20 homicide where shots are heard, police are notified, we
21 respond out and start an investigation. Very, very
22 different. And so now we're dealing with how long had
23 the body been there.

24 And, generally speaking, if a neighbor say
25 next door to a vacant house sees someone going into a

1 house, a vacant house, it may not cause him alarm, or
2 maybe it's been a complained of location, maybe there's
3 been drug use there. We all know that there have been
4 instances where dead bodies have been found and drug
5 use is going on in these locations. And so it makes
6 investigating this case somewhat more challenging.

7 And so the other part that's challenging is
8 when you talk about sex workers. I had a conversation
9 with People Magazine earlier today. Someone wrote a
10 book about the Grim Sleeper in Los Angeles, a case that
11 I was remotely involved in as a new officer. And this
12 was a serial murderer who was a suspect in excess of 20
13 years. It took the LAPD well over 20 years to identify
14 this suspect who killed 25 -- I believe it was 25 sex
15 workers in south Los Angeles and how this suspect was
16 to go undetected. And so when you talk about a serial
17 murder it's a very challenging thing.

18 But one thing that we did very different that
19 I am encouraged about, because we are talking about a
20 segment of our community, and I'm talking about members
21 of our community who are engaged in sex work, we needed
22 to touch that community, open the door for dialogue so
23 that we can find out who this violent predator suspect
24 is. And the way to do that -- or one of the things
25 that we did and I want to applaud Deputy Chief Bettison

1 who is not here today, he was part of a meeting
2 yesterday with some of our local activists who wanted
3 to get involved and find a way, what could they do to
4 assist us in bringing some closure. And so we believe
5 that one of the best things to do is make contact with
6 these sex workers. We don't want to arrest you. We're
7 more concerned in trying to find out if you know
8 anything and can give us information relative to the
9 suspect responsible.

10 And so that process is starting. We have a
11 meeting with local clergy on tomorrow, because they
12 want to get involved and do something to assist us as
13 well. So we're committed to getting and solving this
14 crime quickly, but there are some signatures left at
15 each scene that's consistent. And so when I say serial
16 I'm very careful not to call a crime a serial crime
17 unless there's certain markers that I'm comfortable
18 with.

19 Digressing for a moment, the rumor that was
20 circulating through social media and around the city
21 that in some way there was a series of young women
22 being murdered by a serial killer and dumped into a
23 dumpster was not accurate. I reported that out. In
24 fact, there was one such murder. The suspect in that
25 case has also been arrested.

1 So the other idea of getting this information
2 out so we can target those in that industry so that our
3 police officers, our neighborhood police officers, the
4 activists can reach out and meet with the women who are
5 engaging in this activity so we can get information.
6 That was the sole purpose of it, not to wait. And also
7 to remind them that they are absolutely a part of our
8 community. And the other thing is we want to prevent
9 any future crimes.

10 And so our investigation is continuing.
11 Since we've done that we've got a number of tips that
12 our investigators are working as we speak. So that's
13 where we're at. So I'll take any questions on that.
14 And I think there was one other thing.

15 Oh. This was the Michigan State/DPD pursuit.
16 There was a shooting, nonfatal shooting, several weeks
17 ago. And from that the investigators followed up, and
18 in following up they identified a suspect that was
19 involved in that shooting. They were able to identify
20 a vehicle. They were able to locate that vehicle.
21 They set up on the location where the vehicle was at.

22 Subsequent to that they saw two suspects
23 leave the residence in that vehicle that resulted in a
24 pursuit. The pursuit ended up on the freeway. State
25 Police were notified. At some point they took the lead

1 in the pursuit, and they deployed what they call a
2 pursuit intervention tactic, or a PIT maneuver, which
3 after several attempts finally brought the vehicle to a
4 stop, but without as officers began to approach that
5 vehicle the suspect made an effort to try to run the
6 officers over.

7 Also during the pursuit the officers took
8 note of the fact that both suspects appeared -- or at
9 least one appeared to be trying to conceal what they
10 believed to be a handgun.

11 If you will just bear with me one minute.
12 This is an important call.

13 CHAIRPERSON BELL: I just want to pause to
14 acknowledge the presence of Commissioner Willie Burton
15 from District 5 and also the councilman from District
16 2, Roy McCalister, in attendance. And thank you for
17 your attendance.

18 CHIEF CRAIG: And so as they were at the
19 conclusion they deployed this PIT maneuver. The
20 suspects tried to hit an officer. Detroit officers
21 then fired rounds believing that this officer was
22 facing an imminent threat to his life. And they knew
23 that they were dealing with dangerous suspects. They
24 were able to safely get both suspects out. As you
25 know, one expired. The other one was -- is still being

1 treated.

2 And as they began to conduct the
3 investigation the vehicle had two weapons inside of it.
4 One of the weapons they believe could be the same
5 weapon that was used in a nonfatal shooting from days
6 prior. The one suspect that was in the vehicle they
7 believe was the same suspect that was in the vehicle at
8 the time of the nonfatal shooting.

9 Today I have something every time we have an
10 officer-involved shooting incident that results in
11 injury we have what's called a 72-hour briefing. That
12 briefing was conducted this morning. We invited MSP to
13 attend that briefing since they were involved in the
14 response to the shooting. And during the briefing we
15 had some concerns about some of the tactics that were
16 used. And as we do when we look at the tactics we
17 follow up with the concerned members and provide
18 additional training.

19 And so at this point I'll take any questions
20 that you might have.

21 COMMISSIONER DAVIS: I have a couple.

22 VICE CHAIRPERSON BROWN: I have one.

23 CHAIRPERSON BELL: Yes, sir.

24 VICE CHAIRPERSON BROWN: Get in line.

25 COMMISSIONER DAVIS: Question. The women

1 that was found in those abandoned houses, was those
2 Land Bank properties?

3 CHIEF CRAIG: Through the Chair, I'm not
4 certain about them being Land Bank, unless anybody else
5 might know. I don't know.

6 COMMISSIONER DAVIS: Okay. Also, as it
7 relates to the two sergeants who was involved in the
8 incident in Greektown, do either one of them have a lot
9 of citizen complaints or are involved in any lawsuits
10 already?

11 CHIEF CRAIG: Through the Chair, I know the
12 one initial sergeant it was reported that he has some
13 pending lawsuits, or some that have been settled. I'm
14 unaware of any issues with the second one.

15 Typically when I look at those issues I look
16 at whether or not the officer's actions in that
17 incident were appropriate or not. That does become a
18 subsequent part of my review. I certainly made
19 comments publicly on what I felt, and I stand behind
20 those comments. I believe that there was overcharging.
21 I'm not saying that charging would not have been
22 appropriate in one instance.

23 I had a chance to personally look at the
24 video. I understood what the officers were dealing
25 with. I was also very critical of a ranking member who

1 was at the scene who I thought could have asserted more
2 control of the situation involving the one supervisor.
3 But relative to the charging it is in my judgment that
4 I felt they were overcharged.

5 COMMISSIONER DAVIS: Was there multiple
6 videos available and was one of the videos a Green
7 Light video?

8 CHIEF CRAIG: There wasn't. This was inside
9 of a location. There was video from a hotel. One of
10 the videos was a body-worn camera. I believe that was
11 the one where the sergeant was pinned down by the
12 involved suspect.

13 COMMISSIONER DAVIS: I was just curious. I
14 know I was told that there was a video outside and at
15 least three or four videos involved.

16 CHIEF CRAIG: Yeah. There -- through the
17 Chair, there may be outside videos showing. I was more
18 focused on where the encounter took place and that was
19 the inside of the -- it appeared to be the lobby of the
20 hotel.

21 COMMISSIONER DAVIS: That's all for now.

22 CHAIRPERSON BELL: Commissioner Brown, then
23 Commissioner Burton.

24 VICE CHAIRPERSON BROWN: Chief, thank you for
25 the report and the work that's going on with the

1 department. With everything that we're involved in, I
2 know you're going to be on top of the issue with the
3 serial matter that's going on.

4 Just two questions. I just want to thank the
5 men and the officers, the men and women in the Eighth
6 Precinct and all of those agencies that was involved
7 with looking for the young man that was kidnapped. I
8 was out there. I was there. And I just looked at the
9 concern in their faces as if he was a grandson, a
10 brother, a nephew, a kid, and they were really
11 wholeheartedly searching for this young man. And it
12 was -- I was just very relieved that he was found in
13 good health and he was okay. But I just want to just
14 take the time to thank the department and everyone that
15 was involved and the agencies that were out there.
16 There was a lot that were out there that was poured
17 into searching for this young man, and I was just glad
18 that it was a happy ending.

19 The other thing I have is that one of the
20 trends I'm noticing is that the population area of the
21 Eighth Precinct is growing, or it has grown, and it's
22 one of the more heavily populated areas in the city.
23 Is there anything that we can look at to maybe go over
24 these numbers and maybe add additional resources to the
25 Eighth Precinct?

1 Because I know we -- our commander was
2 promoted or moved, but -- and I know these shoes will
3 be filled by the oncoming commander. But I'd just like
4 to take -- it's a concern for me. I know it's a
5 heavily populated area. There's a lot of things going
6 on, and I've seen a couple of the crime trends
7 increasing in the Eighth Precinct area.

8 CHIEF CRAIG: Through the Chair, we take all
9 of that in consideration. We take crime, calls for
10 service, emergency calls for service. And we're keenly
11 aware that the Eighth Precinct is the most dense
12 populated area of the city, and as such we deploy more
13 police officers in that area.

14 In terms of my moving the commander from the
15 Eighth Precinct, she's one of the more tenured
16 commanding officers. The Eighth Precinct is a tough
17 precinct. And at some point it's appropriate for
18 someone to move. She was eager and excited to move on
19 to her new assignment. And so we think that the
20 Commander Nick Giaquinto will do a great job in
21 continuing to manage that precinct.

22 But we do play close attention to crimes. In
23 fact, in my report, I didn't break it down
24 specifically, but the Eighth Precinct relative to -- if
25 we just talk about homicide, year-to-date the Eighth

1 Precinct is down 53 percent, and their homicides are
2 almost half of what they were this time last year. As
3 it relates to nonfatal shootings, they are up. And
4 nonfatal shootings this year they have had 40 compared
5 to this time last year it was at 27.

6 So we have a cease fire deployed in the
7 Eighth Precinct, but we are constantly evaluating under
8 the leadership of Assistant Chief LeValley how we
9 deploy.

10 VICE CHAIRPERSON BROWN: Thank you.

11 CHAIRPERSON BELL: Commissioner Burton.

12 COMMISSIONER BURTON: Thank you. Question to
13 the Chief. Right now we've got members of the
14 community are out doing -- canvassing or something of
15 that nature. I think it's Joanna Underwood and her
16 group.

17 What is the best way that community activists
18 and leaders can get involved to help bring this
19 criminal to justice as far as the support and DPD? And
20 follow-up question would be is the department still
21 utilizing the app, I believe it's called DPD Connect,
22 as far as anonymous tips and things of that nature?

23 CHIEF CRAIG: Yeah. We're certainly
24 extremely appreciative of all community members that,
25 you know, certainly want to get involved. If they're

1 encouraged by the meeting that took place last night,
2 what we're recommending that -- I mentioned in my
3 remarks relative to this serial murder, sexual assault
4 suspect, that we need to build bridges into the sex
5 worker community. And we think that many of our local
6 community leaders, our activists, our clergy, have
7 relationships with that particular community that we
8 don't necessarily have. Most of our relationships in
9 that community have been primarily, as you know,
10 enforcement. But we care about that community. We
11 want to keep that community safe. And the best way to
12 do that is we need a conversation, dialogue with that
13 community. And we know that some of the members of
14 that community will be able to get information.

15 Now, conversely what will not work for me --
16 and recently Ms. Underwood posted some very
17 inflammatory information. I understand it was at last
18 night's meeting, very disruptive. That is not what
19 this city needs. You know, using profanity and
20 shouting and screaming is not going to help us in a
21 unified way identify and work to make this city safer.
22 That doesn't work for me, and I think I speak for many.

23 And I think when Stephen Grady makes his
24 remarks he may address it. He was at that meeting last
25 night. That will not work. And frankly, I have a zero

1 tolerance for that kind of behavior.

2 But anybody who wants to work we have work
3 for you to do. I believe if Joanna wants to do
4 something proactive, get out on the ground, meet with
5 these ladies, try to get information and work with the
6 police department. I truly believe that we get
7 information from these women we are going to identify
8 this suspect.

9 I don't want to see this becoming LA. It
10 took in excess of 20 years to identify this violent
11 predator after 25 women were killed in south Los
12 Angeles, 25. So thank you.

13 COMMISSIONER BURTON: Thank you. I actually
14 agree with you as well, Chief. We don't need that type
15 of behavior, things of that nature. And I was not in
16 attendance at that meeting, but I definitely agree with
17 you.

18 I do have one last question. Would DPD be
19 creating some type of joint task force or task force on
20 this matter, and would it be something posted in the
21 near future how community groups can come and receive
22 some type of training and working in conjunction with
23 DPD or ...

24 CHIEF CRAIG: Through the Chair. Yeah, we're
25 certainly open for any and everything. We've been

1 moving very quickly, as you can see. I know that last
2 night I'm told a very productive meeting as a
3 beginning. Tomorrow I'm meeting with a group of clergy
4 who want to get involved, who are looking for direction
5 as what should be the next steps. I know that our
6 detectives are thinking out the box on ways we need to
7 move forward.

8 I've got to tell you, and I said it in a news
9 report today, this suspect -- we're going to find this
10 suspect. I'm convinced of it. Again, it's really
11 interesting when you start looking into serial murders.
12 And I'm very cautious, because the last thing I want to
13 create is an overabundance of fear in the community,
14 but we have to call it what it is. I mean, the
15 signature's clear is what we have seen, but we need to
16 get that information out to the women who are engaged
17 in this kind of activity that is drawing this suspect's
18 attention. And so as we -- the key is as we get more
19 information we want to make sure that we're very timely
20 about getting that information out to the community so
21 we can bring some closure to this very quickly.

22 Again, our challenge is abandoned homes. I
23 know even before this happened one of the things that
24 the Mayor and I talked -- the Mayor and myself and the
25 rest of the DPD team, we were talking about abandoned

1 homes and looking at -- and this is during the time
2 when we were seeing a little spike in violence -- and
3 looking in those neighborhoods where abandoned homes
4 are located, because it's as simple as broken windows.
5 If you have abandoned homes in an area, those are
6 breeding grounds for criminal activity. So if we can
7 board those homes.

8 As you know, we have returning citizens who
9 are working with the city who have been doing a
10 wonderful job in boarding up some of these houses. So
11 we want to be strategic about how we do that. And so
12 given what we've seen recently with this crime we want
13 to start focusing in on the east side and then we'll
14 move out from there.

15 CHAIRPERSON BELL: Thank you, Chief.

16 Commissioner Burch.

17 COMMISSIONER BURCH: Thank you, Mr. Chair.

18 The Chief, thank you so much for your
19 service.

20 CHIEF CRAIG: Thank you.

21 COMMISSIONER BURCH: I just wanted to share
22 with you when you mentioned abandoned houses that
23 really hit me, because as we took -- Mayor Duggan, he
24 allowed us to give him a tour. In that have he noticed
25 the abandoned houses that were burned down. And the

1 idea hit him to say why don't we concentrate on
2 demolishing the half burnt, it would be less money,
3 right.

4 So the same thing I want to refer to you if
5 you would think it's a good idea with these abandoned
6 houses or garages that are open for the predator to be
7 able to take people in to kill them or either put a
8 body in it, why not demolish these buildings that are
9 near churches if those churches have a concern I'm sure
10 about something that dangerous next to their property.
11 What do you think of demolishing these houses or
12 garages?

13 CHIEF CRAIG: Through the Chair, I think it's
14 a great idea, and I know that's part of the strategy
15 that's been already deployed. I wish I had the exact
16 number of those type of homes, but I don't have it at
17 my fingertip.

18 But again, I'm very excited about a strategic
19 response in looking at those areas where we're seeing
20 crime, particularly violent crime, in addressing those
21 abandoned homes that are accessible that criminal
22 activity can occur.

23 COMMISSIONER BURCH: Question. So you said
24 the east side. I know you can't give it to me, but
25 maybe privately you can. I would like to know who --

1 CHIEF CRAIG: I don't do private. Through
2 the Chair.

3 COMMISSIONER BURCH: What --

4 CHIEF CRAIG: I'm police chief for the entire
5 city. That includes the Eleventh Precinct, citywide.
6 But I'm just saying I'm going to go right now, because
7 obviously with -- as I reported out, we had one
8 incident in number 11, one in 9 and one in 7. And so
9 we're taking a look at that footprint, because -- I
10 don't want to give too much out. I just know that it's
11 important to harden a target, and I understand some
12 aspects of why serial killers leave signatures. I'll
13 leave it at that.

14 COMMISSIONER BURCH: No. I was just saying
15 clergy, when you mentioned you're meeting with clergy.

16 CHIEF CRAIG: Meeting with clergy tomorrow.

17 COMMISSIONER BURCH: Tomorrow. I just wanted
18 to know because -- I'm not talking about me. I'm just
19 saying the fact I know many. I just wanted to know
20 later if you can tell me who's sitting at the table or
21 may I --

22 CHIEF CRAIG: You want to know who's at the
23 table?

24 COMMISSIONER BURCH: What?

25 CHIEF CRAIG: You want to know the clergy

1 that's in attendance?

2 COMMISSIONER BURCH: Yes, yes.

3 CHIEF CRAIG: I know DeeDee Coleman is kind
4 of leading. And maybe Stephen Grady can elaborate
5 further on who's going to be at that meeting. And
6 certainly anybody here is welcome to attend.

7 COMMISSIONER BURCH: Welcome to attend, okay.

8 CHIEF CRAIG: At 1:30? And the location?

9 MR. GRADY: Russell Street Baptist.

10 CHIEF CRAIG: Russell Street Baptist. Thank
11 you for that.

12 COMMISSIONER BURCH: Thank you.

13 CHAIRPERSON BELL: Commissioner Holley.

14 COMMISSIONER HOLLEY: Mr. Chairman, thank you
15 very much.

16 They need to know, Chief, that you're invited
17 to the meeting. It's not your meeting. You're invited
18 to that meeting.

19 CHIEF CRAIG: Yeah. It's not my meeting.

20 COMMISSIONER HOLLEY: Right. They need to
21 know that.

22 COMMISSIONER BURCH: Thank you.

23 CHIEF CRAIG: It's not my meeting.

24 COMMISSIONER HOLLEY: Mr. Chairman, I had an
25 opportunity to have a briefing from the Mayor's office,

1 not him, but from the Mayor's office. And the Chief,
2 I'm sure you've been busy, but they have started
3 boarding up houses in the -- assessing the area where
4 the crimes are taking place. They have started
5 boarding up houses in response to -- in terms of the
6 reaction so that indeed that -- so that it's not
7 accessible for crimes. So it's going on as we -- all
8 this week, and it's going on as we speak.

9 The other thing, Chief, now if -- if the --
10 Mr. Chairman, if the correct political word for "street
11 workers" --

12 CHIEF CRAIG: Sex workers.

13 COMMISSIONER HOLLEY: "Sex workers" for
14 women, what's for the men?

15 CHIEF CRAIG: They're sex workers, too.

16 COMMISSIONER HOLLEY: So if -- you're not a
17 John anymore?

18 CHIEF CRAIG: Through the Chair, and let me
19 try to be as helpful as possible. I think when you
20 talk about sex workers they're the individuals
21 performing the service. And, as we know, there have
22 been a number of issues emanating out of the
23 Woodward/John R area where a lot of LBGTQ members and
24 the sex worker community. And so it's just it
25 doesn't -- it doesn't give to what gender or

1 orientation. So "sex worker" just covers all.

2 And so to -- again to those -- I apologize if
3 it sounds offensive, but I'm trying to be as sensitive.
4 I come probably from one of the most politically
5 correct places in the world. And when I lived in Los
6 Angeles you didn't refer to someone who is Spanish as
7 Mexican. You said Hispanic.

8 And so now after meeting, the Mayor and I,
9 like I said, met with a member of the LGBTQ community,
10 and they continue to use the word "sex worker." And so
11 I just said, well -- and I asked before we had our
12 celebration down at CAYMAC yesterday is this the widely
13 accepted term, because I don't want to offend anyone.
14 And I also knew that again we're talking to family
15 members and loved ones who may have been part of that
16 industry.

17 COMMISSIONER HOLLEY: Thank you, Mr. Chair.

18 CHAIRPERSON BELL: Okay. Commissioners --

19 COMMISSIONER BROOKS: I have one, one last
20 one. Is there a problem with who owns the property,
21 who owns the home before you tear it down? Because I
22 think that has been a problem in this city before of
23 ownership.

24 CHIEF CRAIG: Through the Chair, there's been
25 a robust strategy in addressing that --

1 COMMISSIONER BROOKS: Thank you, Chief.

2 CHIEF CRAIG: -- whether it's Land Bank. And
3 so again we're shifting our focus now to look at those
4 houses that need to be secured that are in those places
5 where crimes are -- particularly violent crimes are
6 more likely to occur.

7 COMMISSIONER BROOKS: Thank you.

8 CHAIRPERSON BELL: Thank you, Chief. We're
9 going to move on to the Chief of Staff, Steve Grady,
10 from Councilman Brenda Jones, council president's
11 office.

12 I just want to say to the community it's been
13 a longstanding issue with abandoned houses, vacant
14 houses. And, if you have a community association,
15 there's something you can do and the City will assist
16 you in terms of boarding up. That's longstanding.
17 This is nothing new in terms of the initiative.

18 You have each district manager, council
19 people, who have assisted the organization if you have
20 any in your neighborhood organized. And it's not about
21 east and west. It's about the city of Detroit. Then
22 you can step up to address that issue. And we know
23 about all -- they know about all the issues of dealing
24 with that issue. It's longstanding. And as you heard
25 the Mayor's statement in Mackinac, he can take certain

1 steps. When certain funds are ending, we have to take
2 another step.

3 And, Mr. Grady, go ahead, sir.

4 MR. GRADY: To Chair Bell and to your
5 honorable body, I bring you greetings from yourself and
6 from your Detroit City Council President Brenda Jones.

7 Chief Craig, and to your team as well, I want
8 to thank you for your leadership. Thank you for
9 everything that you've been doing. And also we want to
10 offer condolences for Sergeant Williams. I knew her
11 myself. She was the type of person that when she
12 walked into a room the room started to sparkle because
13 of her. So we're truly missing her presence.

14 And I just wanted to share some of the
15 activities that have been going on over the last few
16 days. About ten days ago I received a request from
17 several community activists who were doing things out
18 in the community, and they wanted to know if the things
19 that they were doing were going to clash with other
20 things that were happening from the police department.
21 So through Deputy Chief Bettison, I reached out to the
22 Chief's office. Their request was to have a meeting so
23 that they could review some of the data and share some
24 of their plans for street deployments and CB patrols
25 that they wanted to do and make sure they did not clash

1 with what the police department was doing. So we set
2 that meeting up.

3 Oh. Also, we wanted to along with that see
4 if we could raise some funds or get some equipment,
5 material, supplies for those that would be out in the
6 street, things like paying for gas, water, granola
7 bars, things like that just so that people are not
8 coming out of their pockets, because they're
9 volunteering and doing this, you know, out of the
10 kindness of their heart. So we wanted to support them
11 as much as possible.

12 We had the meeting last night. There were
13 over 60 participants there. Of course, Deputy Chief
14 Bettison led a crew from the Detroit Police Department.
15 There were folks from Homicide, folks from Gang, Intel
16 and others, and they provided information, as much
17 information as they could to the activist community.

18 I'm going to give a short list of some of the
19 activist organizations. I already know I'm going to
20 miss some. So charge it to the head and not to the
21 heart. Detroit 300 was in the house, Pastor Moe with
22 LIP, the Nation of Islam, the Moorish Science Temple,
23 the People's Action Committee, National Action Network
24 as well, as well as others. There were three council
25 officers that were represented. Of course I was there

1 for Council President Jones. Member McCalister was in
2 the audience as well as a representative from President
3 Pro Tem Mary Sheffield's office. There were also two
4 charter commissioners that were in the audience, Nicole
5 Small and Joanna Underwood.

6 I'm going to put a pin in this just for a
7 moment. When we began the meeting, we had an agenda.
8 And what we talked about was everybody in the room you
9 might have an issue with someone, but what we asked
10 everyone to do was to put your personal issues aside
11 for a moment and let's work together to solve this
12 common problem.

13 There were two people that had somewhat
14 negative comments. They actually came after we went
15 through the ground rules. So they didn't know that
16 that was the protocol of the room. But when we had the
17 outburst, and I'll call it that because that's what it
18 was, when we had the outburst members of the community
19 put the outburst in check. And not only did they put
20 the outburst in check, but our facilitator, Teferi
21 Brent, requested that members of the community also
22 minister to Joanna Underwood, because if you've seen
23 her video you know that she's in pain as well.

24 So we put the personal beefs aside. DPD did
25 their review and then we talked about some of the

1 things we're doing. We broke into subgroups to start
2 to plan what do the street deployments look like, what
3 do the CB patrols look like.

4 I'm going to be honest with you. I've never
5 seen anything like this in my years and years of
6 community activism a group of diverse people like that
7 coming together. Let me tell you some of the things
8 that they thought about.

9 They thought about, okay, while we're
10 searching in these houses can we get some cadaver dogs
11 to do a sweep of the house before we board it up and
12 see if there's any other evidence. I think we're
13 working through that process now. Also, some of the
14 women on the -- in the group said, look, we're going to
15 do an outreach to -- we'll call them the ladies that
16 are working the streets, men, ladies, whatever they are
17 working the streets. We're going to do an outreach.
18 We're going to prepare toiletry bags. We're going to
19 get some clothes and things like that.

20 I was on a conference call late last night
21 with Council President Jones, Alexis Wiley, Terra DeFoe
22 and Reverend DeeDee Coleman and we said, okay, as we're
23 touching folks in the street and if we're able to get
24 them to stop working in the street we have to do
25 something. So we reached out to Dr. Chad Audi, and

1 he's prepared that if we identify folks he's prepared
2 to offer space in his facilities, to offer drug
3 counseling.

4 So this is a holistic approach that we're
5 doing, and it's going to be bigger than the area that
6 we're in right now. We're working, according to the
7 data that we've been given by the police department,
8 three target areas. So we're having operations there.
9 There was an operation last night after the meeting,
10 Detroit 300, and other folks went out. There was a lot
11 of energy in the room. I've never seen anything like
12 it.

13 We have another deployment tonight at 6 p.m.
14 at the corner of East Seven Mile and Schoenherr.
15 That's the second target area. We'll be doing another
16 one tomorrow. So we're doing two areas tonight.
17 Tomorrow we'll be doing three. And we're just going to
18 continue to rotate.

19 BC. The BC department is taking those three
20 areas and they're running a GIS report of all the
21 abandoned properties in a one-mile radius so we'll know
22 the terrain of what we're dealing with.

23 As the Chief mentioned, there's a meeting
24 tomorrow that he's been invited to amongst the
25 religious community. And primarily it is the Council

1 of Baptist Pastors and Vicinity.

2 I will put one correction on that. This
3 meeting is a closed meeting. It's for clergy only to
4 interact with the Chief. And what the clergy wants to
5 do, they want to know how can they participate. So
6 what message should they have on Sunday, what
7 information can they put in their church bulletins.
8 And we're also making plans to have some form of a
9 citywide prayer as well. Still working those details
10 out.

11 As I close, I'll let you know that somebody
12 has donated a thousand dollars worth of gas cards.
13 Pepsi Company has offered to give us cases of water and
14 granola bars. We've been getting various toiletry
15 donations. There's a lot of moving parts with this.

16 And I really want to thank the Chief. I want
17 to thank specifically Deputy Chief Bettison, but I also
18 want to thank the citizens of the city of Detroit,
19 because Detroit comes together when there's a problem,
20 and that's what we're doing with this situation.

21 CHAIRPERSON BELL: Thank you.

22 MR. GRADY: Thank you.

23 CHAIRPERSON BELL: You've brought us up to
24 date. I think we covered all the bases so we can move
25 on. And I just really have a great deal of confidence

1 in the Chief and the community. And he's broken it
2 down. There's nothing else to be said, but you can
3 join in however you want to help.

4 Thank you, Chief Craig.

5 CHIEF CRAIG: Thank you, sir.

6 (At 4:08 p.m., Chief Craig left the meeting
7 and Assistant Chief LeValley is now sitting
8 in for him.)

9 CHAIRPERSON BELL: We're going to move on to
10 City-Wide Police Community Relations with Mr. Stokes
11 and DPD representatives.

12 SGT. HALL: Good afternoon, honorable board
13 and commissioners. My name is Jordan Hall. I'm a
14 sergeant for Chief's Neighborhood Liaison. I want to
15 introduce Mr. Stokes.

16 MR. STOKES: Alvin Stokes, president of
17 City-Wide Citizens Police Community Relations.

18 SGT. HALL: Great. We're here today to
19 continue our transparency with the police department as
20 well as the community. So we put together a couple of
21 slides, a brief presentation, to make sure everyone is
22 aware of their community relations organization
23 presidents as well as events that are happening in the
24 city of Detroit.

25 The mission of the City-Wide Community

1 Relations Organization oversees the individual
2 precincts, community relations boards and bylaws. They
3 develop and implement proactive community-oriented
4 policing with crime awareness and develop prevention
5 programs.

6 As you guys met Mr. Alvin Stokes, he's the
7 president. Also through the Chair I'd like to
8 recognize Mr. Don Johnson that's in the audience.

9 CHAIRPERSON BELL: Mr. Johnson.

10 MR. JOHNSON: Thank you.

11 SGT. HALL: Also, Ms. Alicia Hicks is in the
12 audience, Ruth Barton, Ms. Ruth Barton, Treasurer, and
13 Bill Willborn, Sergeant-At-Arms.

14 Also, in addition each precinct has a
15 president if the community is not aware of it. So if
16 any of the presidents are in audience, through the
17 Chair, if they could just stand up. I'm going to read
18 it off.

19 MR. JOHNSON: Twelfth Precinct.

20 MS. MCGEE: Sixth Precinct.

21 MR. STOKES: Tenth Precinct.

22 SGT. HALL: Then I'll read the names off.
23 Second precinct is Ms. Fredia Butler; Third Precinct,
24 Mr. Earnest Little; Fourth Precinct is Ms. Mini
25 Ramirez; Fifth Precinct, Mr. Jay Henderson; Sixth

1 Precinct, Ms. Mary McGee; Seventh Precinct, Mr. Damian
2 Benson. He's the interim. Eighth Precinct,
3 Mr. Maurice Gholston; Ninth Precinct, Ms. Sandra
4 Turner-Handy; Tenth Precinct, Mr. Alvin Stokes;
5 Eleventh Precinct, Ms. Kim Jackson; and the Twelfth
6 Precinct, of course, Mr. Don Johnson.

7 The City-Wide Community Relations
8 Organization meetings are held on the third Thursday of
9 each month. Actually, if you start getting there at
10 six o'clock, you're on time, but it starts at 6:30.
11 It's located at 8675 Rosa Parks in the Virginia Park
12 Community Plaza Shopping Center. Some of you guys are
13 familiar with the mini station there. So that's where
14 we have it at.

15 Also a couple other -- going forward, the
16 Second Precinct has their Community Relations
17 Organization meetings the second Tuesday at 13530
18 Lesure. That's at six o'clock. And that's at Schaefer
19 and Grand River area.

20 Third Precinct it's going to be a third
21 Tuesday of every month, 2875 West Grand Boulevard at
22 6:30.

23 Fourth Precinct it's the second Tuesday at
24 4700 West Fort. That's Fort and Clark area.

25 Fifth Precinct it's going to be the first

1 Wednesday at 5555 Connor. That's at 7 p.m.

2 Sixth Precinct it's the fourth Monday at
3 17567 Hubbell. It's at seven o'clock.

4 Seventh Precinct is at third Wednesday at
5 1000 Elliott, 6 p.m.

6 Eighth Precinct is the last Monday at 21555
7 West McNichols at seven o'clock.

8 The Ninth Precinct it's the first Thursday at
9 19601 Crusade. That's 7 p.m.

10 The Tenth Precinct is the first Thursday,
11 which is today, at 8675 Rosa Parks, the mini station,
12 at 6:30.

13 Eleventh Precinct it's the second Tuesday at
14 5100 East Nevada at 6 p.m.

15 And the Twelfth Precinct is also first
16 Thursday at 1441 West Seven Mile at 7 p.m.

17 AUDIENCE MEMBER: Excuse me, sir.
18 Correction. 6 p.m.

19 SGT. HALL: Thank you. 6 p.m. for the
20 Twelfth Precinct.

21 I'm sure a lot of people are aware, I know
22 the Board of Police Commissioners are aware of the
23 neighborhood police officers. They're our direct link
24 to the community. We're unique with the Detroit Police
25 Department having approximately 57 neighborhood police

1 officers where the community can actually contact them
2 via cell phone for any quality of life issues. So we
3 have a unique program that's implemented.

4 Each neighborhood police officer is actually
5 in a designated area. However, if you've seen them all
6 together, they work together to get a task done. So
7 any questions, even if it's not necessarily a police
8 matter, you guys can feel free to contact the
9 neighborhood police officer. And they work well with
10 the Community Relations Organization members as well as
11 the district managers and anyone else to get you guys
12 whatever you need.

13 So a couple events will be partnered with
14 City-Wide Community Relations Organization. The
15 Chief's Senior Cupid Dance. We do bowling fundraisers,
16 Cars and Coffee, Showdown in Motown Car and Bike Show,
17 the Field Day, that's Police Olympics. We have the
18 Fourth Annual LGBTQ Community Chat. That's Corporal
19 Dani Woods. That's the liaison for all LGBTQ. Best
20 for Vets Clothing Drive. We have Heros and Helpers,
21 back to school shopping, Shop With a Cop, Target, and
22 also our Fallen Officers Memorial Picnic. These are
23 past events.

24 Our upcoming event is going to be one here in
25 front of headquarters tomorrow morning at 9 a.m. It's

1 going to be Mr. Matt Garbarino. He's actually a
2 reserve deputy sheriff out of Kent County. He's going
3 to be traveling -- we're actually going to escort him
4 to Dearborn Police Department. He's going to be
5 running. He's headed at a five-mile-per-hour pace. So
6 we'll be out here. It's actually all the proceeds are
7 going to the fallen officers. And he's going to be
8 running four days approximately 170 miles.

9 And our Showdown in Motown Car and Bike Show
10 we're going to be partnered with the community. That's
11 going to be June 15th. It's going to be Saturday
12 downtown on Atwater Street, Atwater and Rivard. So
13 anybody listening definitely bring your cars. It's
14 free to the community.

15 Of course you guys are familiar with the Ford
16 Fireworks. It's June 24th. The Junior Police Cadet
17 Program we're going to have that starting July 1st.
18 It's going to be approximately 1,200 or so youth. So
19 Sergeant Perry's going to be in charge of that. Also,
20 Detroit Police Field Day it's going to be tentatively
21 July 20th. And, of course, the National Night Out that
22 bridges the gap between the community and police, it's
23 going to be August 6, 2019.

24 Any questions, board?

25 COMMISSIONER DAVIS: Yes.

1 CHAIRPERSON BELL: Commissioners?

2 COMMISSIONER DAVIS: Yes. Question. You
3 said it's 57 neighborhood police officers. Was there a
4 reduction? I thought there was 59 budgeted positions.

5 SGT. HALL: So I said approximately. And I
6 would have to talk to -- well, I'll get the
7 information, but it was approximately 57 neighborhood
8 police officers when I checked with personnel, but it
9 may have changed.

10 COMMISSIONER BURCH: Mr. Chair?

11 CHAIRPERSON BELL: Yes, ma'am.

12 COMMISSIONER BURCH: I'd like to know when
13 activities are going on downtown does that take the
14 NPOs from the neighborhood?

15 SGT. HALL: So, no. Actually, deputy chief
16 and I we were speaking about that. It is very
17 important to have our neighborhood police officers in
18 the community, not just downtown, but everywhere in the
19 community. So it was actually a situation that came up
20 and Deputy Chief Bettison said, no, you want your
21 neighborhood police officer at this event they're going
22 to be there. So any type of issues where you want your
23 neighborhood police officer give our office a call and
24 we'll try to make it happen.

25 COMMISSIONER BURCH: So you don't take any

1 service away from the neighbors and the community;
2 right?

3 SGT. HALL: No. What I'm saying is that as
4 the Chief mentioned, you know, we are -- we have to go
5 anywhere we're told, but the deputy chief did say, you
6 know, if we need a neighborhood police officer in the
7 area where you're at they'll be there.

8 CHAIRPERSON BELL: Commissioner Burch, you
9 have to understand that they are police officers for
10 the City of Detroit Police Department and sometimes the
11 Chief of police requires them to respond. It might be
12 a situation like this. But whatever that is, it's up
13 to the Chief of Police for them to have that freedom to
14 deploy. You just can't say they're exempt. No one is
15 exempt.

16 Is that -- Assistant Chief?

17 DEPUTY CHIEF LEVALLEY: Through the Chair.
18 That is true. It would be rare. There are instances
19 such as fireworks night where the entire department is
20 restricted. Nobody is allowed to take the day off.
21 And we run the normal deployment in the precinct, but
22 every other person is assigned to the fireworks.

23 So rare instances like that, maybe the Free
24 Press Marathon, something like that, we might have to
25 pull the NPOs, but it would only be a couple times a

1 year. It's not a normal occurrence.

2 COMMISSIONER BURCH: Thank you.

3 CHAIRPERSON BELL: Thank you, Chief. I
4 understand -- I think we have five per precinct.
5 That's normally the ratio of how we --

6 DEPUTY CHIEF LEVALLEY: Yeah. They run four
7 to six --

8 CHAIRPERSON BELL: Four --

9 DEPUTY CHIEF LEVALLEY: -- per precinct.

10 CHAIRPERSON BELL: -- depending on, you know,
11 whatever that is, but basically, as you well know, they
12 do a outstanding job. I know any time you call them
13 you have whatever you want them there, in fact, they
14 call 24/7. We know that from our experience.

15 Yes, sir. Go ahead. Any other questions or
16 concerns?

17 I just want to share this with all of -- I
18 think there's got to be a clear message to all the
19 police community relations. That's what they are.
20 They are not a political entity. And sometimes I think
21 they need -- we need to convey that message to them.
22 That is one forum -- it's public safety only. They're
23 under the DPD banner. It's not politics, it's not
24 private business. They under that banner. Because
25 sometimes I see those gender they want to distort it

1 and be involved. That is not the role. I see -- as
2 you well know, some of our officials are elected people
3 and that process, but we understand that, but that is
4 not the role of City-Wide or each precinct. You under
5 that banner. And sometimes I think the change of
6 leadership or change of commission they need to have a
7 clear message that it's strictly public safety.

8 Am I right or wrong?

9 MR. STOKES: You're absolutely right.

10 CHAIRPERSON BELL: We need to make sure we're
11 under that banner and they don't get distorted, and I
12 think that happens sometimes. They get off into this,
13 off into that, but that is not their role. It's
14 strictly public safety.

15 SGT. HALL: Absolutely.

16 CHAIRPERSON BELL: Thank you. Thank you.
17 Outstanding.

18 Mr. Stokes, go ahead. I'm sorry. I cut you
19 off.

20 MR. STOKES: Thank you, Chair. The purpose
21 of City-Wide, it says this organization shall provide a
22 voluntary forum, A, for the exchange of ideas and
23 solicitation of the cooperation between the Detroit
24 Police precincts and their community relations. We're
25 really the go-between between all the police community

1 relations and the police department. We're the
2 umbrella.

3 We've had issues where people will go down
4 and register their name to open up a bank account,
5 which is not necessary because we're under the umbrella
6 of City-Wide and we're already registered.

7 But going back to the NPOs, NPOs are great.
8 I've went to every precinct there is. And every word
9 that I've gotten from the citizens and the presidents
10 are the NPOs are great. My only thing with the NPOs
11 is, and I've said it here before, it's unfair to them
12 to go to 50 different meetings when those 50 different
13 presidents can come to the community relations meeting
14 at the precinct.

15 We need to build up our precincts community
16 relations. We're the ones who are supposed to educate
17 the citizen as far as the dos and the don'ts, the help.

18 I went to a forum for Wayne County Treasurer.
19 I volunteered that we will be the voice. There's not a
20 person in the city of Detroit that should be losing
21 their home to taxes right now. So we're going to be
22 the voice to get that word out to the citizens of
23 Detroit on how to keep their homes.

24 Just like with the police department,
25 anything that the police department need from us we are

1 available. I mean, that's what we're here for. And I
2 want to thank the board for giving us this opportunity
3 to come before you, and if there's anything that we can
4 do we truly appreciate you.

5 CHAIRPERSON BELL: And we thank you for your
6 leadership for many, many years. I know it's not a
7 easy task to be --

8 MR. STOKES: I would volunteer.

9 CHAIRPERSON BELL: -- and Willborn and you
10 have stayed the course, and we really appreciate you.

11 MR. STOKES: I want to thank Don Johnson,
12 because I'm really following in his footsteps. And he
13 has taught me a lot and I truly appreciate that. And
14 I'm trying to carry on the banner.

15 CHAIRPERSON BELL: Thank you.

16 MR. STOKES: Thank you.

17 CHAIRPERSON BELL: I guess we're okay.
18 Outstanding.

19 COMMISSIONER DEWAELESCHE: Thank you.

20 CHAIRPERSON BELL: Any standing or ad hoc
21 committee reports?

22 Mr. Hicks, board secretary.

23 MR. HICKS: Thank you, Mr. Chair. I do want
24 to call your attention to the four items listed on the
25 agenda. Again, we list these items on the agenda as

1 either internal or external communications that flow
2 through the office. They're not set on the agenda for
3 action for the particular meeting, but this really is a
4 good place for you to anticipate, for example, some of
5 the activity that's coming up in the next couple of
6 weeks or so forth.

7 That will bring me directly to item number
8 one, for example, which is a GIS crime mapping report,
9 which we prepared for you. And this is really in
10 preparation for your next week's meeting when you go
11 into that particular precinct. You will have a
12 geographic look at where -- how crime is actually
13 occurring inside of the precinct.

14 In addition to that, we've -- we're trying to
15 prepare the board for the discussion that's going to
16 take place with reference to the police surveillance,
17 broadly police surveillance issue. Specifically, it's
18 for the directive in which the Chief has already
19 transmitted and is currently under review that has to
20 do with the traffic-mounted cameras and the facial
21 recognition technology. What you have said to the
22 community in advance is that they will be given an
23 opportunity to come in and talk to you about their
24 particular concerns relative to that type of advanced
25 technology.

1 So in that regard we have been sending
2 varying articles and things like that to your
3 attention. Some of them have been generated by us.
4 Others have been generated by board members who have
5 asked us as they go through their readings to share
6 things with the balance of the board.

7 And then the last item that I really want to
8 just indicate, it was sent out I believe yesterday,
9 because we just received it yesterday, and that was a
10 request by the Chief of Police, which was referenced in
11 the Chairperson's report earlier and that is a change
12 of duty status for Police Officer Rochelle Mayberry.

13 And with that, commissioners, that would be
14 the items which I wanted to flag for your attention
15 this evening. If there is any questions that you have,
16 we stand ready to respond.

17 CHAIRPERSON BELL: On that note, old
18 business?

19 New business?

20 Announcements. The next meeting will be on
21 Thursday, June the 13th, 2019 at 6:30 p.m., Second
22 Precinct, St. John Lutheran Court at 4950 Oakman
23 Boulevard. And our next community meeting will be on
24 Thursday, July 11th, 6:30 p.m. Tenth Precinct, Durfee
25 Innovation Center at 2470 Collingwood Street.

1 Now we move on to public comments. You have
2 two minutes, and please give your name and respect the
3 process. Thank you.

4 MR. BROWN: Mr. Chair, I currently have one
5 card for Ms. Bernice Smith. That will be your only
6 speaker.

7 CHAIRPERSON BELL: Ms. Smith.

8 MR. HICKS: Mr. Chair, Mr. Chair. While Ms.
9 Smith is approaching, if any of the commissioners are
10 still having any difficulty with their E-mail, can they
11 simply communicate that to us. We've been trying to
12 resolve this E-mail issue for some period of time.

13 So I did see Commissioner Dewaelsche.

14 COMMISSIONER HOLLEY: I'm still having
15 problems.

16 MR. HICKS: Did I hear a third?

17 COMMISSIONER CARTER: Through the Chair, I
18 just can't change the password.

19 COMMISSIONER BURTON: I want to thank the
20 Vice Chair Darryl Brown for helping me get into the
21 E-mails, but I haven't been into my E-mail since we I
22 guess switched over to Outlook or something of that
23 nature.

24 CHAIRPERSON BELL: A month now, I think.

25 COMMISSIONER BURTON: I tried to get into

1 Outlook a few -- I think a few days ago, but for some
2 reason it's still got the --

3 CHAIRPERSON BELL: See Mr. Brown. He helped
4 me get into the process with my -- everything. So see
5 Mr. Brown and he will help with --

6 COMMISSIONER HOLLEY: That Brown.

7 CHAIRPERSON BELL: Yeah. I'm sorry.
8 Mr. Brown, Commissioner Brown. Yes, no problem. He
9 will help you also. So let's try to get that resolved,
10 okay. Let's try to get that resolved this month.

11 Okay. I'm sorry.

12 MS. SMITH: I don't have any -- Bernice
13 Smith. I am so filled right now I can hardly even
14 talk, because Commander Hope gave me the best news that
15 anybody can get. As you all know, I was bringing in
16 complaints about West Grand Boulevard and the action
17 that was there with the car being repaired and the
18 squatters taking over property. I'm the most happiest
19 woman in the world, because she gave me the best news
20 that any woman can get because of the fact -- why I'm
21 interested in that area, my children still live there,
22 and I raised them in that area, West Boulevard there
23 between Hancock and Warren. And my daughter has the
24 most beautiful home in the next block down the street
25 from where all this incidents happening and my son is

1 in the next block. So I am very thrilled and happy
2 with the news she gave me. They're going to make up --
3 they're going to take care of it. And I'm so proud of
4 my police department, and whatever I ask them to do
5 they will take care of it.

6 And you must forgive me. I had a birthday
7 Friday. So I'm very happy to be here again to see all
8 you guys. Everybody can't say they 87 years old. I'm
9 just delighted. I'm just a happy woman today.

10 COMMISSIONER HOLLEY: You go, girl. You go.
11 You go, girl.

12 MS. SMITH: Thank you so much for everything
13 that you've done for my children, not only me but my
14 children.

15 (Applause.)

16 MS. SMITH: And I'm very happy and I thank
17 you so much.

18 COMMISSIONER DAVIS: Happy belated birthday.

19 MS. SMITH: Thank all of you guys. Thank you
20 again.

21 CHAIRPERSON BELL: On that note, before the
22 Chair will entertain a motion for adjournment --

23 COMMISSIONER HOLLEY: So moved.

24 CHAIRPERSON BELL: -- I would hope that you
25 keep Sergeant Williams' family in your prayers and

1 support the DPD family. We must be prayerful and be
2 thankful for her service and as we go forward and for
3 other officers, you know, that's dealing with
4 bereavement or illness, whatever that is, because as we
5 celebrate D-Day and we recognize that the -- what we
6 have achieved in this country, we should be thankful
7 that we have this opportunity.

8 Commissioners, it's been properly moved and
9 seconded for adjournment.

10 COMMISSIONER DAVIS: Support.

11 CHAIRPERSON BELL: Discussion?

12 Those in favor, aye?

13 COMMISSIONERS: Aye.

14 CHAIRPERSON BELL: Motion carries. Thank
15 you.

16 (The meeting was adjourned at 4:29 p.m.)
