4 — — —

5 CHAIRMAN BELL: Good evening. Thank you.  
6 I am Commissioner Willie Bell. I represent District  
7 4. I am the meeting past Chair Board. I am  
8 conducting the first part of the meeting. Later in  
9 the meeting we will have installation of new  
10 officers, and I will turn over control of the  
11 meeting to the new chair. Board required to change  
12 In our June 13 -- in our June 13 meeting the Board  
13 elected Alicia Carter, District 6, to my right  
14 position chair and to my far right, Eva Dewaelsch,  
15 Member of our Vice Chair. I note tonight  
16 Commissioner Jim Holly has been asked to be excused.  
17 Reverend Holly, is in recovery. I ask each our  
18 Commissioners to find a way to express our support  
19 to Reverend Holly. Also to the community.  
20 Commissioner Andy Cohill has already been filed to  
21 return in testimony and support.

22 After that, today's agenda and approval  
23 of the minutes, we will have an installation of new  
24 officers and have invited Wayne County District  
25 Court Judge, Craig Strong to convene over

1 installation process. Again, after the installation  
2 of new officer, I will turn the meeting over to Lisa  
3 Carter, who will assume control over the meeting. I  
4 want to speak to control. I want to speak to the  
5 issue of control. We have a public comments session  
6 at the end of the meeting and you have two minutes.  
7 And we hope that you respect the process because we  
8 are not going to tolerate any out of order. You  
9 will get one warning. You will get one warning and  
10 after that, we will respond in kind to you being out  
11 of order. So please conduct yourself properly as  
12 you will note democracy only works if we give all  
13 parties the opportunity to be heard and be listened  
14 to and we want the Commissioners to abide by the  
15 same rules as the public would be in order to do  
16 that. Do we understand the ground rules? And I  
17 appreciate your cooperation.

18 On behalf of the Board for those in  
19 attendance, thank you for joining us. For people  
20 viewing this meeting on your government cable  
21 channel, thank you for viewing our meeting. Today  
22 we have invited Chaplain James Powell to provide  
23 invocation. Chaplain Powell.

24 CHAPLAIN POWELL: Again, good afternoon.  
25 Let's look to the Lord. Lord God of Grace in the

1 name of Jesus, we thank and praise you for your  
2 keeping power and your blessed power. Lord God, we  
3 thank you for this Board of Commission and, Lord, we  
4 ask you to bless them, strengthen them and let your  
5 blessings be upon them. Look down upon our Mayor  
6 and our Chief of Police. I ask you, Lord, to look  
7 down upon the command staff. Let your blessing be  
8 upon them, Lord God, give them clarity of mind, give  
9 them the strength that they need. Let your  
10 blessings be upon our officers, Lord God and upon  
11 our citizens. I ask you, Lord, just to bless, touch  
12 and anoint. Let your blessings, Lord God,  
13 overshadow us and give them that that we need.  
14 Lord, we ask you just to bless us all, help us to  
15 love one another and help us to respect one another.  
16 Give us that that we need and, Lord God, we will  
17 give you the praise, honor and glory and the victory  
18 shall be yours. In Jesus' name, Amen.

1 (Introductions.)

2 CHAIRMAN BELL: Thank you. Good to see  
3 you. If not, we can move on to the next item.  
4 Since this is my last meeting to chair, I want to  
5 thank several people who have contributed to the  
6 work of the Board. I want to thank my colleagues  
7 for the opportunity to serve as the Board Chair.  
8 The Board, we have discharged many of our  
9 responsibilities outlined by the Charter. Attention  
10 to detail of hard work on the part of the Commission  
11 is what makes a difference for an effective mission  
12 and effective civil rights. I want to thank the  
13 board staff and staff. I also want to thank the  
14 Chief of Police and his command staff for the effort  
15 to fight crime while respecting the rights of our  
16 citizens. But most important I want to acknowledge  
17 the lower ranks of our patrol officers, corporate  
18 and the front line leadership. Finally, I want to  
19 thank Aaron Stokes and the city-wide and precinct  
20 community, I want to thank command support for help  
21 and support law enforcement through our city of  
22 Detroit.

23 Now, we move to a very important part of  
24 the program, the installation for the newly elected  
25 officer. I think I see Judge Craig Strong. Judge

1 Craig Strong, good to see you again. As you know  
2 you're one of my favorite judges in the city of  
3 Detroit longstanding.

4 JUDGE STRONG: Thank you so much.

5 CHAIRMAN BELL: And I always want to say  
6 "Here come the Judge. Judge Strong, we all know and  
7 love.

8 JUDGE STRONG: First of all, I just want  
9 to say how proud I am to conduct the swearing in.  
10 As a judge for over 30 years conducting criminal  
11 trials, I know the importance of police work and I'm  
12 very proud of each of you. I'm proud of this  
13 process with the chairperson first.

14 After I state your name, repeat after me.  
15 I do solemnly swear that I will support the  
16 constitution of the United States and the  
17 Constitution of the Laws of the state of Michigan,  
18 of the city of Detroit and that I will faithfully  
19 and impartially perform and discharge the duties of  
20 the office as chairperson of Detroit Board of Police  
21 Commissioners, according to the law in the best of  
22 my ability. Congratulations.

23 (Lisa Carter sworn in and repeated after  
24 the Judge.)

25 JUDGE STRONG: After I say the letter "I

1 do solemnly swear that I will support the  
2 Constitution of the United States and the  
3 Constitution and Laws of the state of Michigan and  
4 the charter of the city of Detroit, and I will  
5 faithfully and impartially perform and discharge the  
6 duties of office as Vice chairperson of Detroit  
7 Board of Police Commissioners according to the law  
8 and to the best of my ability. Congratulations, to  
9 you as well.

10 (Eva Dewaelsch was sworn in and she  
11 repeated after the Judge.)

12 (Photo taken.)

13 CHAIRMAN BELL: Congratulations to the  
14 newly elected Chair and Vice-chair. Thank you.

15 It is my pleasure to turn the meeting  
16 over to Chair, Lisa Carter.

17 CHAIRMAN CARTER: Thank you, Mr. Bell,  
18 and I just want to say thank you for your leadership  
19 over the past year, and I hope to serve you well.  
20 Thank you. On behalf of the Board I want to express  
21 our concern and support for fallen and injured  
22 officers. Our concerns for our officers' safety and  
23 citizen protection is ranked as two of the most  
24 important priorities of the Board. Our Board  
25 receives a weekly report from the Department listing

1 injured officers. I would ask that the Assistant  
2 Chief during his remarks please provide us with any  
3 additional information related to injured and fallen  
4 officers. The Board of Police Commissioner meets  
5 every two weeks except for Thanksgiving and  
6 Christmas holidays. We meet at the Police  
7 Headquarter three weeks of the month on Thursdays at  
8 three P.M. We also meet in the community every  
9 second Thursday of the month at 6:30 P.M. Tonight's  
10 meeting is the eighth meeting that we have held in  
11 the community this year. We have and will continue  
12 to meet in every district in Detroit. If you and  
13 your facility would like to be added to our list of  
14 community meeting locations, please contact us so we  
15 can make any necessary arrangements to meet in your  
16 community.

17 Under the Detroit City Charter, Article  
18 7, Chapter 8, the Board of Police Commissioners is  
19 empowered to provide civilians stability and  
20 oversight and supervisory control of the Police  
21 Department. Our citizens are justified in asking  
22 how the civilian oversight of law enforcement helps  
23 you as a citizen of our community. Our answer is we  
24 protect the rights of citizens. Oversight  
25 organizations like the BOPC are at the forefront of

1 investigating, reviewing and auditing individual  
2 cases of citizen complaints and patterns of  
3 operation by police force agencies to eliminate  
4 misconduct, discriminatory police practices and  
5 unnecessary use of force by police. Our work is  
6 based on developing and supporting effective  
7 policing. Mutual trust and respect between the  
8 police and the community -- in the community is  
9 critical towards increasing the quality of life for  
10 residents and visitors to Detroit. The Board of  
11 Police Commissioners exists to provide civilian  
12 oversight for the work of the Detroit Police  
13 Department. As a board, we receive and investigate  
14 noncriminal citizen's complaints, monitor the  
15 operations of the Department and work with the mayor  
16 and the chief to make or modify police policy. As  
17 the new chair, I will continue to use this weekly  
18 report to highlight the work of the Board. I will  
19 also detail our attendees -- to our attendees and  
20 the viewing audience the order of the meeting and  
21 pose critical questions about the Department to the  
22 Chief of Police and his command staff. I will also  
23 continue to point to special events that require the  
24 attention of the Board or our interest to the  
25 community. I want to point to several important

1 items for your consideration and information.  
2 Recently the Board Police Commissioner had its  
3 annual board training. Among many of the  
4 high-caliber discussions held in the training, I  
5 want to note the work of Dr. Marilyn French Hubbard  
6 who joined us on Friday. Dr. Hubbard and his  
7 facilitator challenged us by asking a simple  
8 question: What motivates us as a Police  
9 Commissioner? We also received a presentation from  
10 Professor Richard Friedman of the University of  
11 Michigan Law School. Dr. Friedman discussed his  
12 experience in police oversight with the University  
13 of Michigan and the city of Ann Arbor. Both  
14 exchanges with Dr. Hubbard and Professor Friedman  
15 provided food for thought for commissioners  
16 attending the training session. We also had several  
17 discussions on administrative and procedural issues  
18 that will be scheduled for board discussion and  
19 action within the next few weeks. Again, I remind  
20 the board we are continuing the work of NACOLE, the  
21 National Association for Civilian Oversight of Law  
22 Enforcement to host the National Conference on  
23 September 22 through 26, 2019 in Detroit. During  
24 the Board's training we reviewed many of our  
25 responsibilities related to the NACOLE conference.

1 During the same time we discussed Detroit's  
2 celebration of our 45th year as a civilian oversight  
3 organization. Our anniversary date is July 22,  
4 2019. We discussed the need to organize and recruit  
5 volunteers for our anniversary dinner to be held the  
6 week of the NACOLE conference.

7 We also discussed other volunteer needs  
8 for the BOPC anniversary dinner. At the back -- at  
9 the back on the table are volunteer sign-up sheets  
10 that I encourage you to read and consider  
11 volunteering for these two special events. Also on  
12 the back table is our 45th anniversary celebration  
13 brochure. This brochure has a brief history of the  
14 BOPC and a list of the official and honorary host of  
15 the conference. Again, we are asking -- inviting  
16 law enforcement and other civic-minded individuals  
17 and organizations to join us at the conference. The  
18 planning process is well underway and again we  
19 invite your participation.

20 Today we have a full agenda. So I ask  
21 for your cooperation as we make it through the  
22 agenda. We have one resolution for presentation.  
23 The Command Staff at the 10th Precinct selected  
24 Ms. Theodora Bradley to honor. We will take up the  
25 resolution with Ms. Bradley under resolution on our

1 agenda. Originally, we had planned for two  
2 resolutions, the second to honor the life and  
3 contribution of former Police Commissioner, Richard  
4 P. Kung. Commissioner Kung served as a commissioner  
5 from 1982 to 1987. He passed a resolution -- we  
6 passed a resolution honoring Commissioner Kung at  
7 our June 20, 2019 meeting. Mr. Kung's family hoped  
8 to join us tonight for the presentation, but unable  
9 to do so. The Kung family requested that we -- that  
10 the following statement be read: "Dear Board of  
11 Police Commissioners, I had planned to attend,  
12 however things are such that I will not be able to.  
13 My sisters and I appreciate and thank all of you on  
14 behalf of our father for this very kind recognition.  
15 I remember when dad served as a police commissioner  
16 and the honor he felt to be able to serve Detroit, a  
17 city he truly loved. Please extend our thanks to  
18 the police department and all who serve daily for  
19 your service to a wonderful city and especially  
20 during a time of such resurgence and vitality.  
21 Pretty exciting. And to you, Theresa, thank you.  
22 Very dear words -- for your very dear words during  
23 this time, and all the best regards, fair [RAOE]  
24 Kung."

25 Also during today's meeting we will have

1 two presentations. The first presentation is our  
2 monthly Human Resources report. The report will be  
3 given by Dr. Marcella Anderson, Director of Police  
4 Personnel. The second presentation will be on crime  
5 statistics and crime fighting strategies in the  
6 police precinct. That police presentation will be  
7 given by Commander Nick care [KWROBG] and Captain  
8 Jonathan Parnell. At our last meeting Chief James  
9 Craig pulled back the proposed director on facial  
10 recognition. I understand that he is making some  
11 technical changes to the proposed director. The  
12 Board will consider this director after it is  
13 returned from the Chief's office. I will also make  
14 every accommodation to the request from Police  
15 Commissioner, Jim Holly, who has requested that we  
16 take up this item upon his return.

17           Additionally, I want to acknowledge that  
18 Michigan State Representative, Isaac Robinson, House  
19 Districts 4 and Sherry day day [TPHAEUG] go, House  
20 District 8, have introduced in the Michigan  
21 Legislature House Bill 4810. The bill seeks to  
22 place a five-year moratorium on facial recognition  
23 technology. Should this bill pass, it would become  
24 state law and preempt local law. Under the Chief's  
25 report I am requesting an update on our crime

1 statistics and any critical issues facing the police  
2 department. At the end of the meeting we will have  
3 public comments from the audience. Please make sure  
4 you print your name on a speaker's card. They are  
5 located on the back table and can be obtained by  
6 seeing Mr. Brown, who is seated up here to my right.  
7 He will need your card before the beginning of  
8 public comments. Again, he will need your card  
9 before the beginning of public comments. We will  
10 hold each speaker to the allotted two minutes. I  
11 ask that everyone turn off their cell phones and  
12 other electronic devices. This request does not  
13 include the devices held by DPD personnel. If any  
14 of you are on emergency stand-by, I ask that DPD  
15 personnel put their phones on vibrate so that  
16 ringing phones will not interrupt our meeting.

17 At this time we will go to the resolution  
18 for Ms. Theodora Bradley and it's going to be  
19 read by --

20 COMMISSIONER BURTON: Madam Chair.

21 CHAIRMAN CARTER: By Commissioner Annie  
22 Holt.

23 COMMISSIONER BURTON: I have a question:  
24 What are you going to do differently as Chair when  
25 you the chair before; what are you going to do

1 differently that you didn't do before? The citizens  
2 would like to know Commissioners had office space  
3 where they could meet with their constituents.  
4 Today we can't. So what are you going to do  
5 differently today because the Commissioner's Office  
6 must represent the people.

7 CHAIRMAN CARTER: Commissioner Burton,  
8 your comment is out of order. We're going to the  
9 resolution in initiating Holt. And Commissioner  
10 Burton, I'm going to say for the first time you're  
11 out of order. I'm going to warn you again.

12 COMMISSIONER BURTON: We don't have the  
13 resources for a good legal defense.

14 (Interruption from audience.)

15 CHAIRMAN CARTER: The cameras will not --

16 ASSISTANT CHIEF LEVALLEY: If you  
17 continue to be out of order, we will take action.  
18 That's one warning.

19 (Interruption from audience.)

20 ASSISTANT CHIEF LEVALLEY: It's not a  
21 threat.

22 CHAIRMAN CARTER: It's called Robert's  
23 Rules of Order.

24 ASSISTANT CHIEF LEVALLEY: The chair  
25 called you out of order. You're out of order.

1 COMMISSIONER BURTON: I wasn't out of  
2 order.

3 CHAIRMAN CARTER: Commission Earl Burton  
4 for the second time you are out of order.  
5 Commissioner Burton for the third time you're out of  
6 order and I'm going to ask that Commissioner Burton  
7 please be removed from the meeting so that we can  
8 have an ordinary meeting. Please remove  
9 Commissioner Burton so that we can have a --

10 COMMISSIONER BURTON: Commissioner tries  
11 to silence me.

12 (Interruption from audience.)

13 CHAIRMAN CARTER: Assistance Chief,  
14 please remove him from the table.

15 (Outbursts from audience.)

16 COMMISSIONER BURTON: I'm an elected  
17 official representing the 5th precinct.

18 (Interruptions from audience.)

19 COMMISSIONER BURTON: You do not have  
20 permission to touch me. You do not touch me. You  
21 don't have permission to touch me.

22 Chairman CARTER: Is Ms. theodora Bradley  
23 present?

24 (Commissioner Burton removed.)

25 ASSISTANT CHIEF LEVALLEY: Quiet down or

1 we will have to start removing you. The meeting has  
2 been called to order. There's a time and place to  
3 make the statements.

4 (Chaos in proceedings.)

5 CHAIRMAN CARTER: The meeting is called  
6 back to order.

7 (Continuing chaos.)

8 CHAIRMAN CARTER: Please read the  
9 resolution. Thank you, Chairperson. Is Ms.  
10 Theodora Bradley present?

11 CHAIRMAN CARTER: We're ready. Ms.  
12 Theodora Bradley is a resident of the 6th precinct.  
13 For the majority of her life, she has been an active  
14 member of the 10th precinct for the majority of her  
15 life. She has been an active member of the 10th

19 believer that learning and sharing information with  
20 each other helps us grow and build as a community.

21 Now, therefore, be it resolved that the  
22 Detroit Board of Police Commissioners, speaking for  
23 the citizens of the city of Detroit and the Detroit  
24 Police Department, acknowledges the loyal support of  
25 Ms. Theodora Bradley. Her service and years of

1 dedication to supporting the community of the 10th  
2 Precinct and the citizens throughout the city of  
3 Detroit merit our highest regards, board of Police  
4 Commissioners, accountability through civilian  
5 oversight adopted by the Board of Police  
6 Commissioners. Congratulations.

7 ASSISTANT CHIEF LEVALLEY: We also have  
8 a certificate of recognition for Ms. Theodora  
9 Bradley in recognition for outstanding service and

15 Spirit of Detroit award and signed by all

16 MS. BRADLEY: Thank you. Resolution was  
17 accepted, the other items were not. I want to say  
18 thank you to the Board of Police Commissioners,  
19 absolutely, the 10th precinct, Commander Kay. The  
20 best NPOs of any precinct, Barber and Parker, thank  
21 you, guys. Thank you all. Even though you're  
22 downtown now, I want to thank you all. I would also  
23 like to thank the at the present time Precinct  
24 Community Placement Organization and last, but not  
25 least, my mother for inspiring me and instilling a

1 spirit of giving back to the community. Community  
2 involvement is paramount for us. We're going to  
3 make a difference in Detroit. So I want everyone to  
4 know that we do have 2067 sewer, please come out.  
5 We can always use a helping hand and the reason why  
6 I'm wearing green today is because I envy people who  
7 know how to say no. I don't know how to say no when  
8 it comes helping others and I hope more of us are  
9 like that. Thank you.

10 COMMISSIONER DEWAELSCH: Madam Chairman,  
11 move for the adoption of the resolution.

12 CHAIRMAN BELL: Second.

13 CHAIRMAN CARTER: Support honoring the  
14 resolution of Ms. Theodora Bradley. Is there any  
15 discussion?

16 Those in favor, Aye.

17 CHAIRMAN CARTER: Those opposed.

18 The motion carries. At this time we will  
19 have the presentation from Assistant Chief Levalley.

20 ASSISTANT CHIEF LEVALLEY: Thank you,  
21 ma'am. Chair. I'll start out with the crime stats  
22 so far this year as of today. We're at 122  
23 homicides, that's five less than we were this day  
24 last year, 491 sexual assaults, that's 37 more than  
25 last year, 4,8557 aggravated assaults. That's 73

1 less than last year, 356 nonfatal shootings. That's  
2 nineteen more than last year And 1,090 robberies  
3 which is 101 less than we were last year. Right now  
4 violent crime is at 2 percent than last year and  
5 property crime is at 5 percent less than last year.

6 With regard to the requests for updates  
7 on officers that are injured, currently Police  
8 Officer Wallace Johnson suffered a gunshot wound to  
9 the head. He's in a long-term care facility where  
10 he's been for a considerable amount of time now.  
11 Police Officer Christopher Tourson was in a  
12 motorcycle accident and is receiving occupational  
13 home therapy. Police Officer Mario Rodriguez  
14 suffering from a gunshot wound at home, recovering  
15 at home. Police Christopher Bush was pinned between  
16 two vehicles. He's at home recovering. Police  
17 Officer Michael Morales was pinned between two  
18 vehicles. He's also recovering at home. Police  
19 Officer Darius Colbert was involved in a motor  
20 vehicle accident and is recovering at home after  
21 surgery on his right arm. And also very recently,  
22 Engelwood Police Officer Michael Gordon from the 6th  
23 precinct injured in searches of abandoned homes for  
24 borders, he was bitten by probably a spider on his  
25 lip and ended up being admitted to the hospital in

1 critical condition. He's now improving his  
2 condition, but he's still in the hospital.

3 Couple of announcements: One is that this  
4 weekend on Saturday and Sunday the Department will  
5 be offering promotional exams to the ranks of  
6 detective, sergeant and lieutenant. Those will be  
7 done at Cobo Hall and we have close to a thousand  
8 members that are participating in that. And then  
9 also on July 25, 2019 we will have a celebration for  
10 Deputy Chief Elderbearing. That will be at Comerica  
11 Park from 5 P.M. to 10 P.M. Department to take on  
12 the position as Chief of Police in the city of  
13 Southfield. So that concludes my report. Thank  
14 you.

15 CHAIRMAN CARTER: Thank you. Any  
16 questions for the Assistant Chief?

17 COMMISSIONER DAVIS: I have a couple of  
18 questions. One is as it relates to the most recent  
19 Charter Commission meeting, the amount of police  
20 officers that was there I think was inflammatory and  
21 likely agitated the crowd. Are we paying for  
22 excessive police THERE or is the Charter Commission  
23 paying for that? Who's paying for all those  
24 officers at the Charter Police Commission?

25 ASSISTANT CHIEF LEVALLEY: They're paid

1 out of the police budget.

2 COMMISSIONER DAVIS: They're paid

3 overtime to be there?

4 ASSISTANT CHIEF LEVALLEY: Not overtime,  
5 no. That is regular duty.

6 CHAIRMAN CARTER: Any other questions?

7 COMMISSIONER DAVIS: I have a another  
8 number of questions. To the Chair, I was wondering  
9 was both or resolution passed that I missed that  
10 indicated that we can throw people out of the  
11 meeting, especially a commissioner?

12 CHAIRMAN CARTER: It's called Robert's  
13 Rules of Order. If I hear another word -- Assistant  
14 Chief, if I hear another word, they are to be put  
15 out. I've already warned you. Robert's Rules of  
16 Order state that I have to warn a person three times  
17 if they're out of order. Please, ma'am.

18 COMMISSIONER DAVIS: I asked a question.

19 CHAIRMAN CARTER: Please, ma'am, please,  
20 ma'am. No, you can't ask a question. Respect the  
21 process. Please respect the process. That's all  
22 I'm asking, respect the process.

23 SPEAKER: Which one, when our  
24 commissioner was dragged out of here?

25 CHAIRMAN CARTER: Any other questions?

1 COMMISSIONER DAVIS: No.

2 CHAIRMAN CARTER: Next on our agenda --  
3 thank you, Assistant Chief. Next on our agenda, we  
4 have the presentation from the Human Resources  
5 Department by Dr. Marcella Anderson.

6 DR. ANDERSON: Good evening, Honorable  
7 Board. I am Dr. Marcella Anderson, and I'm here to  
8 give you the Human Resources monthly report. Please  
9 note that this is our last report for the end of the  
10 fiscal year. This monthly report is provided as a  
11 summary of the Human Resources activities for the  
12 month of June. Also provided are documents which  
13 contain more detailed information with respect to  
14 staffing, hiring and manpower by sex, race,  
15 specifically for sworn members. We have a total of  
16 two thousand six hundred and forty sworn positions,  
17 one hundred seventy-five are vacant, 2,465 are  
18 filled. We have a total of 701 civilian positions,  
19 seventy-five are vacant, 626 are filled. For the  
20 fiscal year, July 1, 2018 to June 30, 2019, we've  
21 had 3,792 applicants for the position of police  
22 officer. Currently we have 182 awaiting impose  
23 testing, 67 in process, 143 hired, 510 placed on  
24 hold for lack of interest, 2,165 listed as temporary  
25 disqualified and 725 listed as permanently

1 disqualified.

2 For the month of June we had 70 recruits  
3 sign up for the written impose exam. Out of the 70,  
4 49 passed, 9 failed, 12 were no-shows. We had one  
5 hundred and fifty-two scheduled for the physical  
6 agility, 43 passed, 55 failed and 54 were no shows.  
7 We had a total of 14 hires, 12 civilians and two  
8 police assistants.

9 Our Detroit residency numbers are as  
10 follows: Of our sworn, we have 569 sworn officers  
11 living in the city of Detroit, 353 civilians living  
12 in the city of Detroit and 31 police assistants.  
13 Our attrition rate was at the number of 25 for the  
14 month of June, 13 sworn, 12 civilian, zero police  
15 assistants. For our leave of absence for sworn, we  
16 have 11 sworn members on continuous FMLA, 73 on  
17 intermittent FMLA, one on medical, three on  
18 military, zero on educational leave, 99 are listed  
19 as restricted and 44 disabled, 28 are sick.

20 Sworn personnel suspension, we have a  
21 total of 15 officers that are suspended. We lost a  
22 total of 13 officers in the month of June. We have  
23 five hundred sixty-nine officers that are in the  
24 drug program. As Assistant Chief Levalley stated,  
25 we are in the promotional exam this weekend. We

1 have over a thousand officers testing for detective,  
2 sergeant and lieutenant. That is my report.

3 CHAIRMAN CARTER: Thank you, Dr.  
4 Anderson. Questions for Dr. Anderson?

5 DR. ANDERSON: Thank you.

6 CHAIRMAN CARTER: Thank you. At this  
7 time we'll have the 10th precinct report from  
8 Commander Karakey.

9 COMMANDER KAROKIE: Good evening, Board,  
10 Assistance Chief, ladies and gentlemen, Commander  
11 Karakey of the 10th precinct. It's my pleasure to  
12 give you a report on the state of crime in the  
13 community events in the 10th precinct. I have with  
14 me today, my new partner, in the 10th precinct,  
15 Parnell. As far as crime in the 10th precinct,  
16 overall, we're down in every category of crime with  
17 the exception of our auto theft, we're up 11 percent  
18 year to date. We have a plan to address that,  
19 additionally for up-coming initiatives that we have  
20 going in the 10th precinct, we're very happy to say  
21 we're the next precinct slated to get the cease fire  
22 initiative. My new partner, Captain Parnell, is  
23 very familiar with it. He's going to speak on the  
24 cease fire initiative.

25 CAPTAIN PARNELL: The cease fire program

1 is going to start up in September of 2019. I will  
2 admit, first no later than the second week of  
3 September starting that program up. The cease fire  
4 initiative is a Detroit youth violence prevention  
5 initiative which means crime reduction partnership.  
6 We also partnership with our clergy as well as other  
7 law enforcement. The emphasis behind this program  
8 will be the prevention and the aggressive  
9 investigations of nonfatal shootings, specifically  
10 those involving groups and/or gangs. That's our  
11 targeted area. Additionally, we will have an  
12 emphasis on gun prevention and proactive directed  
13 patrols in specific areas identified to be  
14 gang-group related. The reason behind this is  
15 there's a small percentage that's driving the crime  
16 and within the city of Detroit and our focus to the  
17 cease fire program is to identify those groups  
18 and/or gangs that are driving that crime and  
19 focusing in on them as opposed to working on a  
20 widespread basis, we're going to narrow our targets  
21 down to specific people, specific groups, specific  
22 gangs. The program started out in the 9th precinct  
23 and has expanded throughout to the west side. We're  
24 seeing a small uptake in nonfatal shootings within  
25 the precinct and those nonfatal shootings have to do

1 with specific groups and/or gangs that we are  
2 currently identifying.

3           Additionally the cease fire program, we  
4 have a community quote-unquote, outreach program, to  
5 where we'll reach out to the community, identify  
6 problem areas and work together with the community  
7 to focus on solutions. Additionally, with the cease  
8 fire program, we're going to have call-in programs  
9 where we're able to identify probationers and  
10 parolees that we've identified as driving the crime  
11 in particular areas. We going to bring those people  
12 in and sit down with them, we offer them services  
13 through clergy, through different means of  
14 resources. If they're in need of clearing up  
15 warrants, we want to help them with that. If  
16 they're in need of obtaining a driver's license, we  
17 would help them with that. If they're in need of  
18 obtaining GED's, jobs, we want to work with them and  
19 help them obtain those and drive them away from the  
20 groups and/or gangs that are driving the violence.

21           Additionally, we're going to also have  
22 a patient program where myself and Captain will work  
23 and identify different people who are driving the  
24 crime, go out to them, speak to them directly and  
25 offer them different services that will help them

1 change their lives around. I also want to do  
2 something a little different because the cease fire  
3 program mainly deals with 18 years and up. I also  
4 want to work at our younger group, youth through the  
5 Brotherhood and Sisterhood program. Both of those  
6 programs started, one in the 9th precinct and one in  
7 the 8th precinct. And what we want to do is reach  
8 out to those youth especially high school age and  
9 give them some direction, give them some guidance  
10 and lead them away from the groups and/or gangs. So  
11 those are initial ideas and our initial programs  
12 that's going to approach the cease fire program,  
13 we're going to be kicking that off in september.  
14 Right now, I'm organizing things within our  
15 precinct, getting our personnel together, getting  
16 them trained so we can hit the ground right.

17 COMMANDER KAROKIE: I mentioned early we  
18 have had 11 update in the auto theft in the 10th  
19 precinct and through that we've had several local  
20 enforcement operations with virtual auto theft who  
21 have helped us out through the saturation  
22 enforcement aiding the area where most of the uptake  
23 in car theft had occurred. Additionally, we've done  
24 a lot of target hardening outreach at all our  
25 community meetings to try to get people to

1 understand the things they need to do to make their  
2 car less likely to be stolen, less stolen should  
3 somebody pick their car. And you need to know that  
4 one of the primary driving factors behind theft is  
5 to push wheels so you can get tires off a car. So  
6 if you happen to have vehicles, which in all my  
7 community meetings, if you happen to have a vehicle  
8 with very expensive and valuable tires and rims, you  
9 need to make sure you put the lug nut on, lock them  
10 up \*\* and also make sure you put a good alarm on it.  
11 And this is particularly important for me to reach  
12 out to you on this because four days ago my wife's  
13 brand new Explorer was push stolen from in front of  
14 my house and they took all the tires. So I feel it  
15 from the heart. You need to make sure you turn --  
16 you harden your car if you have a car with nice rims  
17 and wheels. Additional things that we're doing in  
18 the 10th precinct is an immediate outreach. We have  
19 the here anti-bullies classes. We engage in  
20 conflict resolution classes at the various schools.  
21 We engage in the gun safety program, and engage in  
22 not to play with guns. We do the stranger-danger  
23 program. The program that you need on Number 10  
24 that the partnership with Mr. Mitchum. Mr. Mitchum  
25 operates out of Durfee Intervention center here --

1 I'm sorry, innovation center, several years, several  
2 summers in a row. Mr. Mitchum has partnered with us  
3 in getting young men to engage in positive  
4 activities, learning how to run a small business and  
5 how to, you know, engage in positive community  
6 outreach by helping older citizens that don't have  
7 the means to cut their own grass. A lot of  
8 volunteer work is done by these young man and they  
9 learn how to run a small business, we for the movie,  
10 Bingo, River Walk, Senior lunch and bowling to the  
11 bank. We also have our neighborhood citizens  
12 organization. We have a in practice; we have coffee  
13 with a cop at Ellio's coffee house at Dexter and  
14 Duane on the second Tuesday of the month at 9 A.M.  
15 We have been doing this for an informal interaction  
16 with the police. We have our neighborhood clean-up  
17 events. We have a police explorer group that we run  
18 out of the 10th precinct and then as far as upcoming  
19 community events, we have a National Night Out that  
20 we're all doing on August 6th. Then Our next Coffee  
21 with a Cop is August 13th. And then the germane of  
22 this location, we're in Life Remodel 6th day  
23 project, August 6th through the 10, we're helping  
24 them out significantly with that project. That ends  
25 my report.

1 CHAIRMAN CARTER: Thank you, Commander  
2 and Captain. Commissioners, any questions.

3 COMMISSIONER DAVIS: I have a question.

4 CHAIRMAN CARTER: Yes, sir.

5 COMMISSIONER DAVIS: Question, I know the  
6 10th precinct is divided up by a lot of the  
7 different districts, so is the auto theft uptake, is  
8 that like more so in the 6th or 7th of the.

9 CAPTAIN PARNELL: Particularly in our  
10 stockpile areas are by the Boston Edison area.  
11 We've see year to date the largest uptake in and  
12 that's the area we've focused our enforcement.

13 COMMISSIONER DAVIS: That would be in the  
14 5th.

15 CAPTAIN PARNELL: The 5th, as far as our  
16 district. I know Scarborough is one of those  
17 districts.

18 COMMISSIONER DAVIS: Well, I know them  
19 all. Thank you.

20 CHAIRMAN CARTER: Any other questions?

21 COMMISSIONER BELL: Madam Chair, I just  
22 have a comment. Thank you for the work of the  
23 chairperson on that. I say it with some reluctance,  
24 in reference to those precincts, I know the 10th  
25 precinct has always been the southern edge of police

1 interventions.

2 CHAIRMAN CARTER: Thank you.

3 COMMISSIONER BELL: And also you're very  
4 fortunate you probably know gaining in terms of  
5 being assigned. I apologize for your He's been  
6 very aggressive in terms of fighting crime in this  
7 area, as you well know.

8 CAPTAIN PARSELL: We're very lucky and  
9 happy to have him. We've talked about the problems.  
10 Has spent a lot of his career in virtual auto theft  
11 and we expect some good results out of this. We  
12 should be able to knock that back, curb that.

13 CHAIRMAN CARTER: Any other questions?

14 COMMISSIONER BURCH: Commander, I notice  
15 when I drove up to this building the maintenance of  
16 the exterior outside by the park was very well kept.  
17 Do you have an issue in the summer when people  
18 utilize the parks, do they trash them or do they  
19 clean them up?

20 CAPTAIN PARSELL: I believe Life  
21 Remodeled and the volunteer district do a good job  
22 in keeping the premises up. I've never noticed a  
23 big problem around Durfee at their high school with  
24 it being shoddy at all.

25 COMMISSIONER BURCH: The reason I asked

1 you that is because some of the children do not have  
2 anything to do during the summer. I think it would  
3 sometimes be a good program to teach them. Somehow  
4 I know in some districts that they go out and clean  
5 the park. So they'll understand it's about where  
6 they live that you should care. And then the other  
7 question I'd like to ask you: Do you have a  
8 speeding problem in your precinct as far as  
9 speeders?

10 CAPTAIN PARSELL: We have sporadic  
11 problems. I think our biggest speeding issue is on  
12 Davison, between, you know, 96 or where it becomes a  
13 freeway surface. A portion on Dade, there's been a  
14 crime problem for that reason. We spend a lot of  
15 traffic reports with effort there to try to slow  
16 people down. As far as kids helping out in that  
17 program I talked about, Mr. Mitchum engaged young  
18 men to do what you're saying in aiding community  
19 service. It's a twofold project where they learn  
20 how to give back to the community and also learn a  
21 viable skill of running a small business.

22 COMMISSIONER HOLT: Thank you.  
23 Commissioner Burch, Shirley Burch, you're suggesting  
24 that young people come out and help cleaning up the  
25 area in their neighborhood. I believe the Detroit

1 Public School and the Detroit Community District is  
2 creating a unit whereby young people will start like  
3 kindergarten on learning how to pick up a piece of  
4 trash that's on the sidewalk in front of their homes  
5 and therefore creating a pride in your community.  
6 So that is a very good suggestion.

7 COMMISSIONER BURCH: Thank you.

8 CHAIRMAN CARTER: Any other questions,  
9 Commissioners? Commander, I just wanted to make one  
10 comment: Through my work at Wayne State, we give  
11 out free car clubs and free wheel locks to  
12 residents -- in residents that lives in the city of  
13 Detroit.

14 COMMANDER KAROKIE: We need to hook one  
15 up in that area. We'll get to that.

16 CHAIRMAN CARTER: Absolutely, Thank you,  
17 sir. Thank you for your report. At this time our  
18 Ad Hoc Committee reports. We're going to hear now  
19 from the Board Secretary, Mr. Hicks.

20 MR. HICKS: Thank up, Madam Chair. As  
21 typical in every one of our meetings, our report to  
22 you, incoming information that is coming into the  
23 Board or Communications that are leaving the Board.  
24 On the commission agenda, we have four items listed.  
25 One of them was, of course, a letter from an

1 individual who the Department had requested a  
2 subpoena, which we honored. As you know, we handle  
3 issuing subpoenas for the Department in some of  
4 their internal investigations. This was rejected by  
5 the prosecutor's office and we're in the process  
6 right now of determining why that rejection took  
7 place. We think it's more technical than  
8 substantive, but we will resolve that problem.  
9 Secondly, you had in your packages the 10th  
10 precinct's GIS crime map report and that was a  
11 report that was done by an individual who is a  
12 part-time on our staff and that's Briana Lockhart.  
13 That's in your package and it gives you a visual  
14 illustration of the crime and how it's distributed  
15 throughout the 10th precinct. You also have that  
16 copy and have received a recommendation from the  
17 Human Resources Director, Dr. Anderson, so I won't  
18 spend any particular time on that. The last item  
19 that I will bring to your attention was something  
20 that you already mentioned in your opening remarks,  
21 and that was House Bill 4810 that was introduced by  
22 Representative Robinson and gay [TKAOE] as well as  
23 Representative Jones and that was a bill that would  
24 seek to impose a five-year moratorium on facial  
25 recognition. Given those items, those are the items

1 that have come into the organization or that we  
2 needed to highlight for the meeting. Unless you  
3 have any questions, that concludes our report.

4 CHAIRMAN CARTER: Questions for  
5 Commissioner Hicks? Thank you.

6 Is there any old business, Commissioners?  
7 New business?

8 Under announcements, we have our next  
9 meeting, that will be July 18, 2019 at three P.M. at  
10 the Detroit Public Safety Headquarters located at  
11 1301 Third Street. Our next community meeting will  
12 be Thursday, August 9 -- I'm sorry, August 8, 2019  
13 at 6:30 P.M. in the 5th Precinct at the Samaritan  
14 Center in the \*Carolyn Cheeks Kilpatrick room.  
15 That's located at 5555 Connor Street.

16 At this time we will hear oral  
17 communications from the audience. Please give your  
18 name for the record and your comments are limited to  
19 two minutes. Thank you. Mr. Brown.

20 COMMISSIONER BROWN: Madam chair, I  
21 currently have 25 cards and I'll call them by fives  
22 Your. First speaker will be Mary McKinzie, followed  
23 by Mr. Barry Blunt, followed by Mr. Floyd, followed  
24 by Mr. Jerry Williams. And the fifth person will be  
25 Ms. Wanda Petty.

1 COMMISSIONER BROWN: Ms. McKinzie, MR.  
2 Blunt, Mr. Floyd, Mr. Williams and Ms. Petty.

3 MS. MCKENZIE: My name is Mary McKinzie.  
4 I'm the former president of the Detroit Citizens  
5 Police Academy Alumni Association, but I'm here to  
6 talk on behalf of the 10th precinct Senior  
7 Activities Group which I'm very proud to be a part  
8 of. And I came to say thank you because remember  
9 those days when I kept begging for a van so the  
10 police could take us to activities? Now we have  
11 access to two vans. We didn't get a replacement,  
12 but at least we have access to two or three and I  
13 just came to say thank you on behalf of our Board.

14 CHAIRPERSON CARTER: Well, you're  
15 welcome.

16 MR. BLUNT: Good afternoon, Board. For  
17 the record my name is Barry Blunt, I'm a life-long  
18 Detroiter. I have asked this Board for many years  
19 to consider the seriousness of your job here. Your  
20 continual downward spiral of relevance is evidenced  
21 more and more after each and each meeting. I ask  
22 that you, for the Police Department, as you list the  
23 fallen and injured officers, I have asked before and  
24 I ask again to also detail out the suspended  
25 officers, the reason why and if they have returned

1 to service. Specifically, I have been here on  
2 various occasions asking about an update on Corporal  
3 Jones, the officer that brutally beat a naked woman  
4 in the hospital.

5 (Response from audience.)

6 MR. BLUNT: Please let me continue.

7 Thirdly, for the precincts and all precincts,  
8 operation cease fire sounds like a good idea, but  
9 it's another program designed just to lock them up.  
10 We need employment; we need liveable wages. You  
11 will continue to chase criminals as long as people  
12 cannot adequately supply what they need for their  
13 families. Lastly, I am delighted to hear that House  
14 Bill 4810 is being introduced. I ask you to  
15 seriously consider it. It is a national issue and  
16 it is nothing more than some type of system to lock  
17 up people of color. Thank you.

18 MR. FLOYD: Good evening, my name is Eric  
19 Floyd. So as an initial matter and I could be wrong  
20 on this, but I actually think the removal of  
21 Commissioner Burton was improper even under Robert's  
22 Rules of Order.

23 (Response from audience.)

24 MR. WILLIAMS: I may be wrong but in the  
25 interest of assuaging fears of, you know, the

1 public, it would be good if you could verify that  
2 and bring back the cite at the next meeting and if  
3 it turns out that that was appropriate, that's fine,  
4 but if not, I think you owe both Commissioner Burton  
5 and the people he represents an apology. So that's  
6 the first thing.

7           The second thing is I have concerns  
8 because this Board's job is oversight of the Police  
9 Department, but it's kind of what is typically  
10 referred to as a Captive Oversight Group. Everybody  
11 applauds and thanks the police officers. I have no  
12 problem with the police. In fact, my father, Amos  
13 Lloyd, told me to tell you, Commissioner Bell,  
14 hello. You know, I have no problem with the police,  
15 but the way you rolled your eyes, like half of you,  
16 any time somebody criticizes the police, I mean,  
17 it's if as through you really seem to think all of  
18 the problems are rooted in the people. And respect  
19 has to go both ways and the real issues as far as  
20 disclosure and transparency with our police  
21 department, we have been promised for over a year  
22 that we would get evidence, for example, that  
23 Project Green Light, in fact, worked. Right? There  
24 was a study apparently commissioned from Michigan  
25 State. We haven't seen the results. Preliminary

1 results show that if there is any benefit to Project  
2 Green Light at all, it's not coming from the  
3 cameras. So we'd like to see the evidence. The  
4 lack of transparency, the clear sort of utter  
5 disregard for the public and it's been kind of  
6 condescending when you look over the public. It's  
7 not a good look. And I think it's kind of  
8 inappropriate. But I thank you for your time.

9 MS. PETTY: Hello, my name is Wanda  
10 Petty. I represent Detroit Community Technology  
11 Project. I want to introduce the fact that this is  
12 a bipartisan issue, to resistance to make a  
13 recognition technology. You should know that in  
14 addition to HB 4810, there is also Lacedo's bill in  
15 the senate, which is SB 342 that offers a total ban  
16 on police image facial recognition technology. So  
17 this is one of the few bipartisan's of resistance  
18 that you all should be aware of.

19 Secondly, I understand that the mayor's  
20 argument, let me get my words together here. The  
21 argument right now by the Mayor and the Chief of  
22 Police is they won't be using live-stream video,  
23 they will be using still photos. However, racial  
24 bias issues were first detected using still photos.  
25 So facial recognition technology performing worse on

1 darker-skin tones, women, black and brown people  
2 will persist on still photos. And also why would  
3 the mayor and the chief say that they're not using  
4 something that they paid one million forty-five  
5 dollars, eight hundred -- one million twenty-five  
6 hundred and forty-three dollars and 20 cents to  
7 contract for the use of real-time screening  
8 application software, which monitors 100 concurrent  
9 video feeds in addition to multiple facial  
10 recognition licenses for unlimited users. So you're  
11 not just talking about the live-stream cameras.  
12 You're not just talking about driver's license  
13 photos. You're not just talking about third party.  
14 You're also talking about cell phone photos at an  
15 unlimited option to have officers walking around  
16 with this technology and the capability of  
17 prevailing and profiling residents until they find  
18 what they're looking for on faulty technology. I am  
19 going to plead with you until you make the right  
20 decision on this. We'll take it as far as we have  
21 to go. This is wrong, and I don't know why you want  
22 to experiment on 700,000 black and brown people  
23 You've (indiscernible) that's proven to be faulty,  
24 and proven faulty work. Don't do this to  
25 Detroiters. You say you represent Detroiters.

1 Don't do this to Detroiters.

2 COMMISSIONER BROWN: The next, Madam  
3 Chair, will be Ms. Hill, Tonya Ellison, \*\*Williams  
4 and Scottie Bowman.

5 MS. ELLISON: Good afternoon, I'm talking  
6 loudly because you can't hear much below the first  
7 three rows here. This is horrible. This is  
8 absolutely horrible. All of you that are sitting  
9 there and did not get up to protect Willie Burton,  
10 none of you need to be reelected or appointed again.  
11 You can sit there and look stupid, at least William  
12 Davis asked the question. You have treated us as  
13 though we don't even count. I lived through the '67  
14 riots and I can tell you we're headed for another  
15 one. The way you treated us at the Police  
16 Commissioner's meeting with the -- not police, at  
17 the Charter Commissioner Meeting, you over-killed us  
18 with police officers. You didn't need 30 plus top  
19 red-necked police officers at that meeting. How  
20 much did it cost us as taxpayers? The lowest  
21 officer I saw was a lieutenant and all of you, I  
22 know many of you personally. This is really bad.  
23 I'm very disappointed in each and every one of you.  
24 I'm very disappointed -- no, I'm disappointed. You  
25 all are terrible and you treat us like we don't even

1 count. You don't follow any rules. You don't  
2 follow the -- you don't follow the Charter. We know  
3 that. You don't follow nothing else. I'm really  
4 very, very disappointed. We are going to have to  
5 reconsider everything. This is worse than stress  
6 and I grew up with stress.

7 MS. HILL: My name is Brenda Hill and I  
8 came here to talk to y'all all with the problem with  
9 the Police Department and now I find out that I  
10 can't even come to you. The way that -- can you  
11 hear me? My name is Brenda Hill and I came here to  
12 voice my concerns about what happened at the Charter  
13 Commission with the Police Department, and this was  
14 the place I was supposed to come to make my  
15 complaints and tell you my concern. And what  
16 happened to the people at the Charter Commission  
17 just happened here with Willie Burton. And I'm  
18 going to tell you, I don't agree with Willie Burton  
19 most of the time, but for an elected official or  
20 anybody who's a citizen of this city, to be thrown  
21 upon the floor, they just turned this meeting into a  
22 free state. So it's not just the Charter  
23 Commission, it's the people in the power and we need  
24 to have more power in the people. I don't know who  
25 the blue guys in the blue, he pushed the door, he

1 does not have the right to do that. It's against  
2 the law to bar entrance and egress, that's against  
3 the rules. Allowing -- it is not, I spent all day  
4 looking up the fact, the fact it is not illegal to  
5 voice your concern, it's not, that's not. And that  
6 is not concern and for another commissioner because  
7 they don't like what the people want, we come to  
8 these meetings all the time, not the people on  
9 Twitter, not the people on Facebook, we take our  
10 time and we come to these meetings and address you.  
11 And to be treated like we're being treated and no  
12 one is saying anything. We built up a relationship  
13 with the police and now we don't have it. We are  
14 now afraid of the police. This was overkill and  
15 there was overkill at the Charter Commission. You  
16 all need to do something and check yourself. The  
17 Chief said you need to check yourself and put down  
18 your guns. Y'all need to check yourself and maybe  
19 even get out of office.

20 COMMISSIONER BROWN: Ms. Carter,  
21 Mr. Williams, Ms. Goldman.

22 MS. CARTER: Hi, I'm Patricia Carter with  
23 Oakland Boulevard Community Association. Our  
24 organization represents 700 households in this way.  
25 Williams asked about the district, we represent

1 District 2, 5 and 7. The 10th precinct has been my  
2 precinct for most of my life. I was brought up in  
3 the 3rd precinct. I've only lived in two precincts.  
4 I would like to congratulate our Commander today,  
5 he's there for the community, he comes to our  
6 association meetings. Sergeant Hall decided to  
7 leave us, but he had 50 something green lights  
8 installed in the area before he left. Officer Hill  
9 is the traffic patrol officer. I have been on the  
10 street and he has stopped two cars, gave one a  
11 ticket and he's got another one stopped just like  
12 that. He's excellent with his traffic enforcement.  
13 Unfortunately, we need it quite badly. I'm a half  
14 block from I 96. The state took over West Davison.  
15 There was -- had a traffic study done a few years  
16 ago, it was 1500 cars per hour making a connection  
17 with the lodge, the Davison and Chrysler. Accidents  
18 are there all the time because they're running the  
19 red light. I have sat there on Ewald Circle to get  
20 across. Three people have run the red light. I  
21 mentioned it to our organization last month. The  
22 next morning a lady ran the red light, hit a man who  
23 was taking his child to school. Unfortunately,  
24 there was an air bag injury.

25 I would also like to compliment our

1 neighborhood patrol officers. We have Officer  
2 Berry, Officer Barber, Officer Carter, Officer  
3 Sumpter who has been off for a couple months. She's  
4 got a new baby boy, but she's coming back soon.

5 COMMISSIONER BROWN: Your time is up.

6 MS. CARTER: I just want to welcome  
7 Captain Pilgrim. Thank you.

8 COMMISSIONER BROWN: Mr. Bowman,  
9 Ms. Underwood, Ms. Laurie Parks, Ms. and Ms. Noble  
10 and Maryland Jordan.

11 MR. BOWMAN: You know, by the way, first  
12 of all, I filled out my comment card but obviously a  
13 lot of people recognize me and the reason I did this  
14 is because it came to my attention at a previous  
15 meeting that the Open Meetings Acts specifically, if  
16 I can read the law, it says, "A person shall not be  
17 required as a condition of attendance at a meeting  
18 of a public body to register or otherwise provide  
19 his or her name or other information that otherwise  
20 the precedent of attendance to . So that's why I've  
21 been doing that and the other part, the mask.  
22 What's that about? So what is a solution of a  
23 high-tech problem. A high tech problem that the  
24 Board of Police Commissioners has failed to rectify  
25 and has, in fact, it's helped embolden. That motion

1 to table and the vote to table the facial  
2 recognition part of the policy was a joke because  
3 that part of the policy was really only a couple  
4 paragraphs. Meanwhile, approving the expansion of  
5 the Green Light technology of the traffic cameras  
6 and that policy which it turns out as you've heard  
7 from other people tonight is already implemented.  
8 It's basically what we have right now is a  
9 surveillance state in the city of Detroit without  
10 the existence of the policy to fully address it.  
11 The fact that the facial recognition technology is  
12 stated to only be used for criminal investigations  
13 for legitimate purposes, only cites intent, not  
14 capability. It only takes one person to do  
15 something wrong. Edward Snowden found people using  
16 DNSA database of all our phone calls and so forth  
17 and e-mails and watching what they were doing, and  
18 who they were talking to, even though that was  
19 supposed to require a warrant. So once the ability  
20 to use is made available, people will abuse it.  
21 Another abuse, big one tonight, the arrest of  
22 Commissioner Burton, when he was speaking after  
23 being recognized by the Chair because apparently  
24 what he said was not liked by the Chair, and that is  
25 using the police, who you're supposed to oversee, to

1 prevent abuse of the chair by the police, using the  
2 police to instead --

3 CHAIRMAN CARTER: Thank you.

4 CAPTAIN PARNELL: Using the police to  
5 arrest a fellow commissioner and go against a fellow  
6 commissioner is much as a civil war people using a  
7 paramilitary, that's another policy.

8 MR. WILLIAMS: The board of police  
9 commissioners are legally required to abide with the  
10 Meetings Act. All meetings shall be held in  
11 according with the Michigan Open Meetings Act  
12 Detroit City Charter Article 7, Section 8 dash 802.  
13 My face is my identification. You can't require me  
14 to show it. Any person shall not be required as to  
15 meeting of a public body to register or otherwise  
16 provide his or her name or any information otherwise  
17 to fill a condition precedent to attendance.  
18 Opening Meetings Act 267 of 1976, Section 15-263,  
19 Section 3-4. I have a right to record any  
20 interaction that happens in the city concerning a  
21 public meeting. The right to a person to attend the  
22 meeting of a public body includes the right to  
23 tape-record, videotape or broadcast live on radio  
24 and broadcast on live TV the private proceedings of  
25 a public body at a meeting. That's Section 15-263,

1 Section 3-1. I cannot be excluded out of any  
2 meeting for attending the charter meeting which I  
3 was wrongfully arrested, I was wrongfully accused of  
4 disorderly conduct. I have done nothing wrong. I  
5 proclaim my innocence and to be here as this Police  
6 Commissioner meeting where I just watched you as a  
7 constituent of commission of Willie Burton, of my  
8 district, the 5th District, you wrongfully removed  
9 him. That is not an Open Meetings Act. That's a  
10 violation of Open Meetings Act. That is not  
11 Robert's Rules of Order; that's not Robert's Rules  
12 of order to put your hands on anybody in this room  
13 and all these police officers that could have been  
14 in the community fighting murderers, serial killers,  
15 are rapist are attacking members of the our  
16 community. I will say this one more time that you  
17 cannot move me. I am a taxpayer, citizen of the  
18 city of Detroit all my life. I am active, I am  
19 involved, I am proactive and come with a my  
20 solutions and you cannot move me or anybody else of  
21 the public. And I sign off by saying Acting Chief  
22 and Chief Craig must resign or he'll be removed.

23 MS. UNDERWOOD: Hi, My name is Joanna  
24 Underwood. I'm a Commissioner of the Detroit  
25 Charter Commission. Unlike some members on the

1 Board I was a elected with 60,000 votes. I was.  
2 You need to respect elected officials. You would  
3 never get 60,000 people to vote for you. I got  
4 60,000 people to vote for me. Regardless whether  
5 you respect me or not, what you did was a violation  
6 because I also trained and I also know what the Open  
7 Meetings Rules Act and the Open Meetings Rules act,  
8 Robert's Rules of Order, which is not a legal  
9 binding documentation. It's a document and it don't  
10 trump state law, which it says that the Police  
11 Commission operates all public meetings under Open  
12 Meetings Act. The conduct of this officer right  
13 here shows another, but I recommend that all  
14 citizens go file a citizen complaint form of what  
15 happened. Go to the local police department and  
16 file a citizen's complaint form against every  
17 officer in this room and especially that David guy.

18 I also want to say we got missing black  
19 children in the city of Detroit. We got black women  
20 being raped and kidnapped and I have not seen a  
21 report. He hasn't talked about the missing black  
22 children. I find it very disgusting that we got two  
23 thousand two hundred police officers and only 539  
24 live in the city of Detroit. What are you guys  
25 doing to Detroit residents about becoming officers

1 in the city of Detroit. You guys are operating as  
2 the cosigner of the mayor. You are supposed to  
3 represent the residents of the city of Detroit. You  
4 not supposed to cosign everything the police  
5 department does. We pay for the police department.  
6 Sixty percent of our budget go to Public Safety.  
7 Why are you represent some of you and I vow to you  
8 and as God is my witness every last one of you will  
9 be elected officials, not appointees.

10 MS. PARKS: All right, my name is  
11 Laurie Parks. Listen, I asked a couple of questions  
12 the last couple meetings that I was at. One of them  
13 was: I want to know how many police officers were  
14 hired here from the south and how many police  
15 officers were hired here in the city of Detroit from  
16 other cities. I have not gotten that report yet. I  
17 need to know that tonight. Also, what else? I was  
18 very, very upset about the police officer who beat  
19 the woman in the hospital. So one of your  
20 commissioners told me the reason he voted that way,  
21 which was Mr. -- Yes. He said the reason he voted  
22 that way was because the officer was a small man. I  
23 see that has nothing to do with why that police  
24 officer beat that woman 13 times and he's still on  
25 the job right now. He never lost one penny of his

1 pay. Also Willie Bell told me at the last meeting  
2 the reason -- with Coleman Young, he made sure that  
3 we had police commissioners in our city so that we  
4 could have police commissioners who were not  
5 ex-police officers, nor were Wayne County sheriffs.  
6 We needed people who were from the community, not  
7 ex-police officers or ex-Wayne County Sheriffs.  
8 Why? Because we all know that police officers and  
9 everybody have this certain code that they go by,  
10 they stick together whether they on the force or off  
11 the force. Is that correct, citizens? So that's my  
12 comment for today. Thank you.

13 MS. My name is Raven \*\* I'm 17  
14 years old. I'm currently, I just finished high  
15 school. I live on the west side of Seven Mile in  
16 Detroit and the Gang Intelligence Unit pulled me  
17 over for no reason at all. They pulled me over and  
18 they said that my headlights wasn't working, which I  
19 flipped them and they were. It was four cars, it  
20 was four different police [TRURBGS], they pulled me  
21 over for no reason at all; they towed my car for no  
22 reason and I told them I could have my parents come  
23 get my car. They towed me anyway and they gave me  
24 two tickets for \$500 for no reason. Also they had  
25 me handcuffed in the middle of Seven Mile for 30

1 minutes. They made me stick my chest out and she  
2 searched me down for weapons. We were standing  
3 there for 30 minutes. They didn't even allow me to  
4 call my parents. I went to get my car at the pound  
5 the next morning, we had the money and everything.  
6 They put a hold on my car for no reason at all. It  
7 was \$250. Also the officer personally gave me his  
8 number to get it removed, but he only pulled me over  
9 because somebody that was involved in something else  
10 that didn't have anything to do with me, we had no  
11 weapons, they searched my car. When we got to the  
12 pound, they didn't let me get my registration out of  
13 the car.

14 CHAIRMAN CARTER: I'm going to have you  
15 talk to the chief investigator to get information to  
16 the investigator preferable now, right there.

17 ms. First of all I want to take the  
18 time to introduce who I am and also it's very  
19 important to what I'm getting ready to say to  
20 everybody in this audience, especially you,  
21 Commissioner. I am a minister of the gospel and  
22 I've never seen the travesty of leadership among the  
23 civil to restrain and to regulate the force. I'm  
24 going to have a woman stand, her name is  
25 Mrs. Harris, please Ms. Harris, stand, please. This

1 senior was at the charter meeting and she was  
2 expressing her constitutional right for this  
3 pleasure of the process. She was pulled out of the  
4 meeting and surrounded at least by ten to 12 bigger  
5 officers. Now, she would have had an arrest, let me  
6 tell you something. You've been dealing with all  
7 the citizens of men who have said you're dealing  
8 with my momma, my aunt, my sister and my daughter.  
9 Know that too much is given, it is required and know  
10 that we going to demand the type of leadership that  
11 will allow our citizens to live in peace, and we  
12 will not have this type of unregulated policies and  
13 being able not to live peacefully in our meetings.  
14 We have the right to cultural express without  
15 intimidation. Know that because if you don't know  
16 it, there's one that sits high, he will make sure  
17 you know it. Thank you, thank you very MR.  
18 JORDAN: First of all, I want to take the time to  
19 introduce and also name I'm hearing is the same \*\*  
20 especially Maryland Jordan, what I'm hearing is the  
21 same for everybody, I missed all the \*\* especially  
22 you, Commissioner, I am a minister of a gossip and  
23 I've never seen the travesty of leadership among the  
24 civil to restrain them into regulating the force.  
25 I'm going never going to want to restrain just was

1 and she was expressing her Constitutional right for  
2 this of the process. She was at a meeting. And so  
3 provident at least by 10 to 12 bigger officers.  
4 Now, she wouldn't have a let me tell you something.  
5 You've been dealing with all the citizens of the  
6 meeting dealing with my momma, my papa, my sister  
7 and my daughter. It is required. And because  
8 leadership will allow the citizens to live in peace  
9 and when I have this type of unregulated policies  
10 and let you live peacefully in our meeting. Would  
11 like to express, because if you people make sure  
12 you don't. Thank you very much.

13 MS. JORDON: My name is Marilyn Jordon.  
14 I came in disguise this evening, but I'm going to  
15 remove my glasses so that you can see my face. You  
16 come in with the Chair, but I'm going to let you  
17 know something, you have to give us our respect.  
18 You can come in real bulldoggish, but we know how to  
19 bark as well. You can call out whoever you want to  
20 call out. You were appointed or elected and I said  
21 this before. You think your group here is  
22 something, you don't know us very well. We will get  
23 you out one way or another and we will be respected  
24 at these meetings and you will not turn our police  
25 officers against us because they will get it one way

1 or another, these Detroit people's task force.

2 MS. BONNER: Hi, my name is Crystal  
3 Bonner, a retired Detroit public school teacher,  
4 current employee with the Department of Health and  
5 Human Services as a special ed teacher. This is my  
6 first time coming to this meeting and I was  
7 disgusted, absolutely disgusted. How dare a  
8 commissioner that was elected be pulled out of here  
9 in that kind of disgraceful way. I thought the  
10 Commissioner's job was to serve the people. Am I  
11 mistaken? It doesn't seem like any regard is given  
12 to the citizens. And then for you, lady in the red  
13 there, threatening to throw me out? Yeah, she  
14 threatened to throw me out. How dare you and I was  
15 mistaken to say that Willie Burton was my  
16 representative. It's actually you, Mr. William  
17 Bell. I did not know this is how you operated.  
18 This is my first time coming to this meeting and  
19 this is rather disgusting. I came here to talk  
20 about how the police officers were guarding, these  
21 not mean people, marching during the prizes.

22 That is a violation -- that is not a  
23 violation of the First Amendment right to remove  
24 them. Okay? Because that organization is guilty of  
25 killing millions of Jews in Germany and they're

1 guilty of killing millions of black people right  
2 here in the United States. Whenever they try to  
3 march, you need to get the little van out there and  
4 you need to put their ass in there, that's what you  
5 should do. Don't you dare ever in this country,  
6 especially in the black city of Detroit, you going  
7 to let these racist dogs who are responsible for  
8 lynching people, some of our relatives? March. How  
9 dare you, how dare you? It's a disrespect. That's  
10 what I came here to talk about. Seeing this display  
11 of this man being dragged out of here is crazy. And  
12 then being threatened to be thrown out by you, how  
13 dare you? You guys are supposed to serve us. You  
14 can have that look on your face if you want to,  
15 lady, but you are wrong as two left shoes. And I am  
16 ashamed of you, Mr. Bell. I actually voted for your  
17 ass.

18 MS. ELLIS: I'm Tonya Ellis and I was  
19 here before when this nice lady was in here about  
20 when they just approached me and took my car for no  
21 reason at all. This is total disrespect to us. You  
22 didn't come here to protect and serve us. You came  
23 here to nail us as black people, people of color,  
24 jail us and veil us, that's what your mission is.  
25 That's why you don't live in this city because you

1 don't give a rat's ass about us. You came to push  
2 us back to the plantation, that prison. You came  
3 after you came in our neighbor, you already got  
4 cameras, you got them on your badge, on your body  
5 and you got them on your car. You go by any of  
6 these police station and all the cars are sitting up  
7 in the lots. Get your tail feathers in those cars  
8 and start patrolling our neighborhood where our  
9 houses are to be safe. Your intention is not for us  
10 to be safe. Your intention is to kill us every  
11 single day and put us a bag and it's all good.  
12 That's the intention for these people because it's  
13 the colonial liberty for us. Peace.

14 COMMISSIONER BROWN: Madam Chair, your  
15 next speakers will be Ms. Winder, Mr. Kenny  
16 Holloway, Malek Shelton, Mr. Hall and Ms. Small:

17 MS. WINDER: Good afternoon, my name is  
18 Barbara Winder. I'm a member of the Detroit Charter  
19 Commission and I'm really must say here most of your  
20 faces seem to reflect that you're at least  
21 comparable to my age or if you're not, you're  
22 certainly are old enough to remember the  
23 establishment of this commission. And this  
24 commission was established because of grievance like  
25 the police exercised early tonight in taking this

1 commissioner out. I am incensed that a board that  
2 represents the people would treat their comrades  
3 that way, your colleague that way, simply because he  
4 was articulating what he thinks is his right to  
5 express. If the idea is to control the room and I  
6 know that several of you know what controlled room  
7 means because I know several of you who were sitting  
8 there and you know me, I would not say who you are,  
9 but if the idea is to control the room, then just  
10 bring the person out and control the room. You  
11 don't have to drag people out and arrest them. That  
12 is so demeaning and humiliating. Shame on you. The  
13 next thing that I want to say and I'll be conscious  
14 of my time is that I came here this afternoon to  
15 advise you to be alert because at the Charter  
16 Commission Meeting, the rules of the Constitution  
17 have been suspended. But I see that they've been  
18 suspended here as well. So you must already know  
19 about it. I'm not bringing you any news. I would  
20 like, however, to piggyback on what Brother Eric had  
21 to say about the real problem. The real problems  
22 that nobody seems to want to solve is that people  
23 need jobs, people need work. I know findings jobs  
24 is not your position, but you need to talk to the  
25 people who are in your ear and let them know that

1 that is what the need is. The need is jobs. If  
2 people are employed and going to work everyday as  
3 you know from the history of your parents, my  
4 parents and your grandparents, you know that people  
5 who are busy and working everyday don't have time  
6 for crime and they don't commit crimes. Thank you  
7 very much.

8 MR. HOLLOWAY: My name is Kenny  
9 Holloway. I'm very ashamed of all you guys because  
10 you in the position that you in because of Coleman  
11 A. Young. Y'all got these jobs because of Coleman.  
12 Willie Bell, you know what it was like back in the  
13 60s with stress and big four was out there whooping  
14 those black folks. And you guys turn around and  
15 turn your back on us. You just as bad as they were.  
16 The lady in the red, I was up there talking, she  
17 rolling her eyes. I just don't you. I want y'all  
18 to know just because you have a title or diploma,  
19 because we got a lot of educated fools out there.  
20 So don't think you more than what we is because  
21 today you could be working and tomorrow you'll be  
22 like the rest of us out here. Much as black folks  
23 been through, y'all know you go out there -- still  
24 going through it. Y'all turn your backs on us like  
25 we're nobody. You know, how can you go home and

1 live with y'all self. You must don't have  
2 conscious. It's sad that y'all like that, it's very  
3 sad that y'all do that. You treat your own people  
4 like that. Let it be one of your kids. I lost a  
5 daughter, you guys know what I'm talking about.  
6 That could be one of your kids out there. We got  
7 all these officers in here when they should be out  
8 there. I don't even see them in our neighborhood.  
9 They don't even ride through there unless they  
10 chasing somebody and the precinct right around the  
11 corner. Y'all sad, y'all really are. I'm ashamed  
12 how they treated us at the Charter Commissioner  
13 Meeting and y'all act like it was nothing. We have  
14 all those officers over there, they tell us we can't  
15 talk. We ain't kids. We should be able to speak  
16 our mind. It's sad that y'all like that and I know  
17 y'all might not pay me no attention, but y'all  
18 better pay God's attention because we is here too.  
19 You all better watch because what y'all are doing is  
20 wrong and it's going back on you. You started  
21 something, these young folks don't care about the  
22 street. That's why they did what they did on the  
23 lodge. Y'all fueled it up. Y'all fueling all this  
24 up. We don't want another '67 riot. We don't want  
25 our young folks. Y'all better --

1 (Interruption from audience.)

2 MR. SHELTON: My name is Malek Shelton  
3 and I'm a journalist with Telegram newspaper. I'd  
4 just like to say that in all the years I've lived in  
5 Detroit I've never seen something so egregious. I  
6 mean, it's like watching an old-time movie or  
7 something. You know what I'm saying? How can the  
8 people of the city of Detroit have confidence in the  
9 Board of Police Commissioners when you sit there and  
10 allow one of your own members to be bum-rushed and  
11 dragged out simply because they were speaking that  
12 their mind. But at the same time you allowed  
13 Neo-Nazis to march downtown while they make threats  
14 and actually do assault people. One of them  
15 assaulted a woman, pushed her on the ground. This  
16 goes hand in hand with the facial recognition  
17 technology. When I was in high school I read a book  
18 1984, by George O. Well and I was terrified by that.  
19 What's going on right now in this city in many  
20 respects is far worse than what's happened in 1984.  
21 All of you sitting up here in your positions, if you  
22 allow it to happen to other people, what makes you  
23 think it's not going to happen to you when you begin  
24 to and they going to give you the power and  
25 authority and don't like what you say. You could

1 get dragged out of here and dragged to jail also.  
2 I've been through several administrations in the  
3 city of Detroit, under several mayors. Mayor Young,  
4 Mayor Archer, Major Guam me Kilpatrick and Mayor  
5 Binge, but I have not seen even under none of those  
6 mayors some of the outrageous acts that's been  
7 occurring lately in terms of assaulting the citizens  
8 of the city of Detroit. Could it be -- could it be,  
9 could it have something to do with the current  
10 mayor? I'll let the people answer that question  
11 because ever since Douglas has been in office, I've  
12 been seeing some bad things going on in the city of  
13 Detroit.

14 COMMISSIONER BROWN: The time is up.

15 MS. HALL: My name is Andrea Hall. I  
16 live in the 5th district. I am taking off my  
17 disguise. That is in protest of facial recognition.  
18 We all know that Project Green Light was the  
19 implementation of the facial recognition program.  
20 It has been running, other people have shown  
21 evidence right here at this podium. I would like to  
22 continue with the gentleman who was talking about  
23 it. My friend, Jessica, was the young lady who was  
24 pushed to the ground by the leader of the National  
25 Socialist Movement. The police did not arrest her

1 for assault, but they just arrested Willie Bell  
2 after he was duly recognized by the chair. She  
3 didn't like what he was saying, so she had him  
4 arrested. Just like, just like the what Mecos was  
5 saying just the other day at the Charter Commission  
6 meeting. Nothing were allowed in the city of  
7 Detroit even after thorough investigation by the FBI  
8 because there was clear and present imminent danger  
9 posted all over social media by the National  
10 Socialist Movement. They said they were coming in  
11 to shoot up . Craig did not share that information  
12 with the city council. He did not share that  
13 information with the public. He had every reason to  
14 say, no, you are not allowed in our city. But he is  
15 following Dungan's rules that let's let the Nazi  
16 come in and shoot up pride. That's my statement. I  
17 am a community activist. I live in Lafayette park  
18 and I have watched the police not, not arrest people  
19 speeding down Lafayette. It's been like a race  
20 track.

21 CHAIRMAN CARTER: Thank you, your time  
22 is up.

23 MS. SMALL: My name is Nicole Small and  
24 I came here today in opposition of facial  
25 recognition. But what has happened today I'm quite

1 sure you don't really care about my opinion about  
2 facial recognition. I look at this Board right now  
3 and I know a few of you who were a part of the Civil  
4 Rights movement and you turn around instead of  
5 standing on the you're let the sacrifices that go  
6 before you. You want to sacrifice your own. And  
7 each and every one of you who sat here around and  
8 watched one of your colleagues being removed, thrown  
9 on the floor and arrested, how dare you? I have  
10 zero respect for that, zero respect for that, each  
11 and every one of you. All the time I hear about the  
12 Charter Commission, they need to work together, you  
13 need to work together. You could have taken a  
14 recess, there were several other options, but  
15 instead you had him removed. We had several members  
16 of the community in attendance at that Charter  
17 Commission meeting being removed the other day, one  
18 not only being Mecó Williams, but another being You  
19 talking about a woman who is standing maybe five  
20 foot one, five foot two, less than 120 pounds and  
21 you had over 12 police officers surrounding her and  
22 about to handcuff her. And even when they decided  
23 to escort her downstairs, there were three large men  
24 in the elevator with her alone. They wouldn't even  
25 let another senior citizen get in the elevator. You

1 think about if that was your mother and your  
2 grandmother, how would you feel about that?  
3 Something needs to be done. If you don't do  
4 something about it, the people going to do something  
5 about it and I can tell you that right now, because  
6 your recruiting rate is not the best. You don't  
7 have enough police officers. We are not going to  
8 allow you to come into our community and tear us  
9 apart. And I have never seen you and I have never  
10 seen all the police in any of those crimes having  
11 officers come out. It's always about somebody  
12 driving and coming to the community meetings  
13 stripping us of our rights.

14 COMMISSIONER BROWN: Madam Chair, her  
15 time is up.

16 MS. SMALL: This is deplorable behavior  
17 and shame on you. This is your first meeting and  
18 this is what you do.

19 COMMISSIONER BROWN: The next set of  
20 speakers will Michelle George, Mr. Jordan, Ms.  
21 Wilcoxsin and Peter Rhodes. Peter Rhodes will be  
22 the last speaker -- Ms. Beulah Walker will be the  
23 last speaker.

24 MS. GEORGE: My name is Michelle George  
25 and I was at the charter meeting tonight. I felt

1 victimized and humanized because I had -- I was  
2 trying to voice my opinion and my disapproval of the  
3 way things were going with the -- with commission,  
4 the chair. I was escorted out. She say this is  
5 your second time, she pointed, directly personal.  
6 That's implorable, that means get her out, you know.  
7 This is your second time. I'm a property owner  
8 here, I pay taxes, I'm a citizen of Detroit, I'm a  
9 teacher, I do volunteer teaching for my students,  
10 trying to raise the third grade scores but yet still  
11 I'm thrown out as a citizen to express my opinion.  
12 This is what I get. I felt very, very -- I feel  
13 like I'm going to get pulled. Because I was so  
14 traumatized, I did not start to come today because  
15 the police officer all around me, blue, I was trying  
16 to -- I can't sleep at night. All surrounded is  
17 blue, blue, blue all around. Would not allow me to  
18 even get my friend, the person who was riding with  
19 me, to give her the keys. Other police officer cuff  
20 my hands, you're under arrest; give me your arm.  
21 All this? What did I do? What did I do? Because I  
22 disagreed with the chairperson and you allow me --  
23 COMMISSIONER BROWN: You're time is up.  
24 MS. GEORGE: One more thing, I'm going to  
25 talk --

1 CHAIRMAN CARTER: No, Ma'am, two minutes  
2 is the allotted time. We have a lot of people who  
3 are going to speak as well. Thank you, ma'am, thank  
4 you. Thank you for your comments, ma'am. Your time  
5 is up. I'm sorry, your time is up. Thank you.  
6 Ms. Jordan?

7 No, ma'am, your time is up.

8 MS. JORDAN: Good evening to Chairwoman.  
9 This meeting really is because we see -- I think we  
10 are in a partied system right now. And so I'm going  
11 to -- but to the Chair, Carter and to the Commission  
12 and to Deputy Chief Levalley, I just want to say  
13 that the issue is with the facial recognition, I  
14 would like a yes or no answer is this Board going to  
15 decide to have facial recognition? Yes or no?

16 CHAIRMAN CARTER: There is no yes or no  
17 answer right now. There is nothing before us to say  
18 yes or no to.

19 MS. JORDAN: And the reason I ask that is  
20 because I was at a City Council meeting, and they in  
21 the state of Michigan legislature is backing facial  
22 recognition in the state of Michigan. If you have  
23 face recognition, we're going to have to file a  
24 Civil Rights lawsuit against you because of that  
25 disparity. So if the legislature did that, I ask

1 you not to do that. Also I want to talk about the  
2 law enforcement program that I hope that it will  
3 continue because the young man I mentioned before  
4 spoke at the school board meeting. There is money  
5 out there. We will just have to talk with Dr.  
6 Venie to make sure that program continues, not just  
7 at one school, all schools. Also I want to talk  
8 about the investigation. Is there an investigation  
9 where the 14-year old veteran, the African-American  
10 was accosted by his colleague and was in handcuffs.  
11 Is that case being investigated?

12 CHAIRMAN CARTER: You can give us  
13 everything because you only have two minutes and  
14 then we'll answer your question.

15 MS. JORDAN: Okay. The reason I said  
16 that is because at the last Police Commissioner's  
17 meeting there was a presentation on the integrity  
18 dealing with police and drugs and I just felt that  
19 was a cover up, not to bring up the case, what is  
20 happening with this officer. But what I'm trying to  
21 say to you, Detroiters right now under an a partied  
22 system. We're in a Constitutional crisis because at  
23 that Charter Commission you have people with  
24 emergency management, the tentacles are across the  
25 city. So as a citizen, you're seeing civil unrest.

1 Dr. King talked about that and citizens are not  
2 going to stand by and allow you to discriminate. So  
3 we will move with that civil rights complaint.

4 Ms. Good evening, my name is \*\* and I  
5 am protesting the facial recognition, so I'm wearing  
6 a mask that I created and I'll be making many more  
7 especially if you pass this illegal unconstitutional  
8 law. I am disgusted, First Lady here for the Board  
9 of Police Commissioners and I watched you wrestle or  
10 watched the police wrestle Willie Burton down and  
11 drag him out in handcuffs. This is disgusting,  
12 ma'am, and I'm telling you we represent new  
13 [SHEUFPL] in Detroit named by Mike Duggan and his  
14 co-authority. I'd like to let Police Chief Craig  
15 know that your time is up. You were appointed by  
16 the Emergency Manager, Kevin and you have been  
17 acting just like Kevin wants you to act. You have  
18 not been supervising your police officers. There's  
19 been incident after incident in which police  
20 officers were fighting each other on the undercover  
21 issue. There's another incident where two people  
22 died because the police officers were chasing them  
23 and they broke the chase off and watched them crash  
24 into a tree and never gave them, got them medical  
25 care. I am disgusted because this is the new police

1 state and what we're going to do is have civil  
2 disobedience in this city. I grew up down in  
3 Detroit on Elmhurst and Linwood in 1967 when we got  
4 invaded by the police and the army in which they  
5 began shooting through our house. We lived on the  
6 top floor and we had to sleep with the TV on on the  
7 floor as little kids. It was no different than that  
8 time. I am saying to all my citizens and fellow  
9 citizens, we will start civil disobedience this  
10 year, in 2019, to represent our disgust and take  
11 over our city again.

12 MR. WALKER: Hello, good evening,  
13 everyone, my name is Beulah Walker. I am the Chief  
14 Coordinator of Hydrate Detroit. And what we do in  
15 Hydrate Detroit, since 2014, we wrestle with the  
16 Detroit Water Sewage Department about the high-ass  
17 water rates. And I came here today to let all of  
18 you know that I am very disgusted for the arrest of  
19 my colleague and my brother, Domeco Williams, at the  
20 charter meeting where he had founded Hydrate  
21 Detroit, we all use the water, everybody up there  
22 uses the water. And my friend, my brother, who has  
23 been there for me since 2014 was arrested for  
24 speaking out against the comradery here in the city  
25 of Detroit, here at Hydrate Detroit, we have

1 witnessed death and destruction of people living now  
2 without running water. So I tell you everyone on  
3 this Board, you want to police my brother, Domeco  
4 Williams, you keep policing him, who is going to go  
5 down and tell Gary Brown to stop going up on the  
6 high-ass water rates. And if I was there, you  
7 probably would have took me too. Because him and me  
8 is like salt and pepper. So again I say to you, you  
9 come down to the charter meetings, you got Hydrate  
10 Detroit and a lot of other organizations who are  
11 fighting them high-ass water rates. We can have  
12 your accounts to the water rates keep going on. And  
13 if you lock Beulah Walker up and Domeco Williams,  
14 who is going to fight for you to take a fucking bath  
15 because ain't nobody else going to do that. So I  
16 beg you to be mindful of who you locking up and  
17 arresting because once you lock up all the  
18 grass-roots activist, I just want you to know I am  
19 highly disgusted with you locking my brother, Domeco  
20 Williams up. He is my friend.

21 COMMISSIONER BROWN: Your time is up.

22 MS. WILCOXIN: Board of Police  
23 Commissioners, I'm Danielle Wilcoxsin. I've gone on  
24 record indicating that I am diametrically opposed to  
25 facial recognition. I told you in the past why I

1 was opposed to it. One, we, as Americans, are  
2 entitled to the presumption of innocence. We are  
3 not required to prove that we are innocent. The  
4 government is required to prove that we are guilty.  
5 And if facial recognition is in place in the city of  
6 Detroit, it means that our constitutional rights are  
7 being violated. Secondarily, research indicates  
8 that facial recognition has a very high probability  
9 of inaccuracy as it relates to African-Americans in  
10 particular. I'm here this evening to ask a question  
11 of the Police Department and I'm really talking to  
12 the record because I think the record needs to  
13 reflect that there were conscious reporters at this  
14 particular point in our history who raised what we  
15 regard as relevant issues. One, if there is no  
16 policy that has been approved by this Board for  
17 facial recognition for the Police Department and the  
18 city council has not approved monies for facial  
19 recognition, how is it, how is it according to the  
20 reports that facial recognition has been in place in  
21 the city of Detroit for more than a year? How is  
22 that? I also understand, based on the research,  
23 that there are reports indicating that our city  
24 received a grant for facial recognition purposes.  
25 You cannot involve a grant on the people without it

1 going through proper procedures. And proper  
2 procedures, as it has been laid out by this Board is  
3 for you all to approve the policy and then pass it  
4 on to the city council. You have not done that.  
5 The record needs to reflect that you have a job to  
6 do and we expect you to do it according to the  
7 dictates of your service.

8 COMMISSIONER BROWN: Madam Chair,  
9 Mr. Rhodes be the last speaker.

10 MR. RHODES: My name is Peter Rhodes,  
11 apparently I'm the last speaker. Last time I was  
12 here about six months ago I got a homework  
13 assignment about recreational marijuana use and I  
14 turned in my homework assignment, answered questions  
15 and I had an update. The Greenacres Civic  
16 Association still wants overlay zoning in the Eight  
17 Mile, we want a hardcap of 28 facilities city wide,  
18 we want strong licensing, we want a strong police  
19 unit to supervise it and then we also want community  
20 benefits. If you had 28 recreational marijuana  
21 facilities, each chipping in at least \$50,000 to  
22 community benefits to solve the problems that the  
23 people in the townhall meeting decided they want to  
24 address by a church or non-profit, that they choose,  
25 you would have \$1.4 million to solve that problem.

1 That's a good thing.

2 Now, the state of Michigan has new  
3 emergency rules that just came out. They take  
4 effect November 1st. City council has to act before  
5 November 1st and have everything in place or it's  
6 going to be too late. If the Detroit Police  
7 Department and the Board of Police Commissioners  
8 want to add and chip in their comments about  
9 recreational marijuana, now is the time. Don't wait  
10 until October because then will be too late. Also  
11 City Council Member Teet, a former police officer,  
12 is truly an obstructionist concerning everything  
13 concerning the marijuana industry. Good luck. But  
14 I finished within two minutes, so that means I get a  
15 slice of cake. Thank you very much.

16 COMMISSIONER BROWN: That was your last  
17 speaker.

18 CHAIRMAN CARTER: No, ma'am, you didn't  
19 submit a card.

20 SPEAKER: I tried to find a card.

21 CHAIRMAN CARTER: At this time the  
22 Commission will entertain a motion to adjourn?

23 CHAIRMAN CARTER: Moved and supported  
24 that we adjourn. Those in favor.

25 Those opposed.

1 Motion carries. Have a good evening  
2 everyone.
