5 CHAIRPERSON CARTER: Good afternoon.

6 Welcome to the weekly Board of Police Commissioners
7 meeting. My name is Lisa Carter, I represent
8 District 6, and I will be conducting our meeting
9 today. On behalf of the Board for those in
10 attendance, thank you for joining us; and for people
11 viewing the meeting on your government cable
12 channel, thank you for viewing our meeting.

13 Today we have invited Chaplain Carl Green
14 to provide the invocation.

15 CHAPLAIN GREEN: Get ready for the Word
16 of God, please. Our Heavenly Father, we come once
17 again saying thank you. You've been so good to us,
18 dear Father. You woke us up this morning and, Lord
19 Jesus, just thank you. And, Lord Jesus, touch this
20 Board of Commissioners, dear Father. Strengthen
21 them and guide them and be with them, dear Father,
22 and hold them fast. So many need you, dear Father
23 and Lord Jesus; touch Craig, the chief of police,
24 strengthen him and guide him. Not only him, dear
25 Father, but the department, dear Father. Give us

1 peace, dear Father, but most of all, dear Father,
2 teach us how to love one another. And Lord Jesus,
3 just thank you, thank you, thank you. You've
4 brought us from a mighty long way, all these
5 blessings I ask in Jesus' name. Amen.

6 CHAIRPERSON CARTER: Thank you, sir. At
7 this time, thank you commissioners. We'll start
8 with introductions with Commissioner Brown.

9 COMMISSIONER BROWN: Commissioner Darryl
10 Brown, District 1.

11 COMMISSIONER HOLLEY: Jim Holley,
12 appointee at large.

13 COMMISSIONER GRIFFIE: Evette Griffie
14 District 2.

15 COMMISSIONER BELL: Willie Bell,
16 District 4.

17 COMMISSIONER DEWAELSCHE: Eva Garza
18 Dewaelsche, Vice Chair, at large.

19 COMMISSIONER BROOKS: Elizabeth Brooks,
20 at large.

21 COMMISSIONER BURCH: Good afternoon,
22 Shirley Burch, District 3.

23 COMMISSIONER DAVIS: Good afternoon,
24 William Davis, District 7.

25 COMMISSIONER HOLT: Good afternoon, Annie

1 Holt, appointee at large.

2 SECRETARY HICKS: Madam Chair, you have a
3 quorum.

4 COMMISSIONER CARTER: Thank you Mr.
5 Hicks, thank you commissioners and it's good to see
6 all of you. At this time, commissioners, you have
7 before you the agenda for Thursday.

8 COMMISSIONER BROWN: So moved.

9 UNIDENTIFIED SPEAKER: Second.

10 CHAIRPERSON CARTER: Approval for
11 September 19th agenda has been moved and seconded;
12 is there any discussion? Those in favor?

13 THE BOARD: Aye.

14 CHAIRPERSON CARTER: Those opposed?

15 The motion carries. At this time,
16 commissioners, you have before you the minutes from
17 September 12, 2019. Is there a motion for approval?

18 COMMISSIONER GRIFFIE: So moved.

19 UNIDENTIFIED SPEAKER: Support.

20 CHAIRPERSON CARTER: It's been moved and
21 supported that we approve the minutes from September
22 12, 2019; is there any discussion?

23 COMMISSIONER BROWN: Madam Chair, I just
24 have a question. Through you or the board
25 secretary, are these minutes, are they a direct

1 reflection of the transcript that is usually taken
2 at the minutes -- at the meetings word for word or
3 is this something that's just summarized?

4 CHAIRPERSON CARTER: This is a summary.
5 This is not the transcript that the stenographer
6 takes.

7 Any other discussion? I have two
8 corrections, Mr. Hicks. I apologize. The 5th
9 Police Precinct report from Commander Slone, it was
10 the 4th Precinct.

11 SECRETARY HICKS: Thank you.

12 CHAIRPERSON CARTER: And then there's
13 something that needs to be taken out. It's not
14 worded right where you have Commissioner Burton at
15 the end of the meeting. So I think that you need to
16 take out or add something to that. So could you
17 tell us what it should say and then maybe we can
18 vote on that, the corrections.

19 SECRETARY HICKS: As it currently reads,
20 it says Commissioner Willie Burton led a call to
21 shut down police use of facial recognition. The
22 meeting became unruly and the chair struggled to
23 regain control over the loud voices in the audience.

24 CHAIRPERSON CARTER: Keep reading.

25 SECRETARY HICKS: Yes.

1 THE CHAIRPERSON CARTER: The meeting
2 because unruly.

3 SECRETARY HICKS: Became.

4 CHAIRPERSON CARTER: Okay.

5 SECRETARY HICKS: Oh, yes, became.

6 CHAIRPERSON CARTER: Thank you, with
7 those corrections, commissioners.

8 UNIDENTIFIED SPEAKER: So moved.

9 UNIDENTIFIED SPEAKER: Support.

10 CHAIRPERSON CARTER: Is there any
11 discussion on the minutes? Those in favor of
12 approval with corrections?

13 UNIDENTIFIED SPEAKER: Aye.

14 CHAIRPERSON CARTER: Those opposed.

15 UNIDENTIFIED SPEAKER: No.

16 CHAIRPERSON CARTER: Motion carries.

17 Thank you, commissioners. At this time Mr. Hicks
18 would you please introduce the BOPC staff.

19 SECRETARY HICKS: Yes, Madam Chair. Just
20 prior to doing that, I do want to indicate for the
21 record that Sergeant Quinn is taping the session
22 today. Media Services provided the audio/visual
23 work. The -- Theresa Roberts is the court reporter
24 today and immediately to my right is Board Attorney

1 right, that the members of the BOPC staff stand and

9 CHAIRPERSON CARTER: Thank you. We will
10 move right on to the agenda. We have a loaded
11 agenda today. On behalf of the Board, I want to
12 express our concern and support for fallen and
13 injured officers. Our concerns for officer safety
14 and citizen protection is two of the most important
15 priorities of the Board. Our Board receives a
16 weekly report from the department listing injured
17 officers, and I would ask that the chief of police,
18 during your remarks, please provide us with any
19 additional information related to injured and fallen
20 officers.

21 The Board of Police Commissioners meets
22 every week except Thanksgiving and Christmas holiday
23 periods. We meet at public police headquarters
24 three weeks in the month on Thursdays at 3 P.M. We
25 also meet in the community every second Thursday of

1 the month at 6:30 P.M. Under the Detroit City
2 Charter article 7, chapter 8 the Board of Police
3 Commissioners is empowered to provide civilian
4 oversight and supervisory control of the police
5 department.

6 Our Board investigates noncriminal
7 citizens complaints, monitors the department for
8 compliance with all laws and reviews and modifies
9 police policy to eliminate misconduct,
10 discriminatory police practices and unnecessary use
11 of force by police. As a civilian oversight agency
12 we protect the civil rights of citizens. Our
13 objective is to increase the quality of life for
14 residents and visitors to Detroit.

15 The Board of Police Commissioners will
16 not be meeting September 26th. That's next
17 Thursday. The board will be attending the last day
18 of the NACOLE conference on police oversight here in
19 Detroit. Later, on our agenda we will receive --
20 no, we won't be doing the presentation. I've asked
21 that the -- in interest of time I've asked that the
22 information be put into your packets for you to
23 review, commissioners.

24 Immediately following my report I will
25 take up an important item, the chief of police

1 request to promote Captain Patterson and Lieutenant
2 May. At our last meeting I announced that the Board
3 would take a vote on DPD proposed directive 307.5
4 facial recognition. My expectation is that we will
5 have a yes or a no vote. The first draft directive
6 on facial recognition was transmitted to the Board
7 on January 18, 2019. The Board conducted its
8 analysis and the proposed directive. On June 27,
9 2019, the chief of police pulled back the directive
10 from the table to make technical changes. On August
11 1, 2019, the current directive was transmitted to
12 the Board for review.

13 The Board has held a public hearing
14 exclusively devoted to facial recognition on June
15 13, 2019, at St. John's Lutheran Church. For the
16 last six months the Board has heard from citizens
17 and other law enforcement stakeholders wherein over
18 200 individual speakers have explained their
19 oppositions and support for facial recognition
20 technology. The Board has received 90-plus emails
21 and written statements, also voicing support or
22 rejection of facial recognition technology.

23 The Board charged its staff with
24 analyzing the chief's directive and to identify best
25 practices in relationship to facial recognition.

1 Our staff generated some 23 recommendations from its
2 review of both revisions of the proposals submitted
3 by the chief of police. The Detroit Police
4 Department has accepted each of the Board's
5 recommendations. Monday, Mr. Hicks transmitted to
6 the Board a report summarizing the department's
7 acceptance and reactions to the 23 recommendations
8 related to directive DPD directive 307.5, facial
9 recognition. As many of you may recall, I
10 registered my concerns about the racial bias
11 contained in reports about facial recognition. This
12 issue has not fully been explored or resolved. Many
13 of the companies, who have created and sell the
14 technology openly, admit to problems in the
15 technology's accuracy in the identification of women
16 and people of color. This notwithstanding, I want
17 to list a few areas wherein the community, this
18 Board, the chief of police are in agreement in the
19 final draft of directive 307.5 facial recognition.

20 The Board's recommendations, and the
21 community agrees, that citizens collectively have an
22 expectation that the Detroit Police Department fight
23 and solve crime utilizing the best interest of the
24 people in mind. Citizens feel that the police
25 department is an asset, not a liability, to civil

1 society. The Board's recommendations and the
2 community opposed the use of facial recognition in
3 real time or live stream surveillance via cameras,
4 mobile devices and other items like drones and other
5 fixed wing equipment used by the department.

6 The engagement of facial recognition
7 technology as an investigative tool starts with a
8 still image, not static image. The policy expressly
9 prohibits scanning of crowds or groups in public
10 places to profile or identify suspects. The Board's
11 recommendations and the community opposed
12 constitutional violations in the use of facial
13 recognition technology; specifically, protections
14 afforded by the 1st, 4th and 14th amendments of the
15 U.S. Constitution. We strongly object to violations
16 that are currently used by ICE and its employees,
17 advanced -- as it employs advanced technology like
18 facial recognition to profile and identify people of
19 color as part of their immigration enforcement
20 strategy.

21 The Board's recommendations prohibits
22 sharing information utilizing this technology with
23 private companies and potential employers of
24 residents of our city. We agree that the best use
25 of any public dollars is to work to elevate our

1 citizens through strong educational and employment
2 opportunities and to eliminate the long-term
3 problems of unemployment and economic
4 discrimination. We know past practices; wherein,
5 law enforcement information has been used to profile
6 protesters and worked against black citizens who are
7 denied employment opportunities.

8 The Board's recommendation and the
9 community have already voiced our disagreement on
10 the original contracting of the technology and one
11 and a half year use of facial recognition
12 technology. The directive requires several
13 notifications when the technology is used and when
14 the department seeks an extension or modification on
15 facial recognition technology contracts with
16 vendors. The directive also requires several audits
17 of the technology describing its use, frequency and
18 content. These audits by policy are to be regularly
19 provided to oversight agencies, including the BOPC
20 and command personnel for rigorous review.

21 I hope that we will have an orderly
22 public comment section today. The purpose of this
23 session is not for us or the community to outshout
24 each other. The purpose is to hear informed
25 comments from the public. I anticipate a large

1 number of residents to participate in the public
2 comments on this matter. If we can have a
3 cooperative, the cooperation of everyone, we can
4 manage this session without the need to impose any
5 extra parliamentary restrictions on this session.
6 The revised directive was posted on the city's
7 website last week immediately following its
8 transmission to the Board and distributed to close
9 to 4,000 new subscribers of the BOPC information. I
10 urge each of you to review the actual revised
11 directive, explore its contents and determine if
12 some of the hard fought issues that many of us have
13 voiced concerns about have been resolved.

14 I believe the prohibitions contained in
15 the revised directives address many of the concerns
16 raised by the public. The revised directive is not
17 a complete ban on the use of facial recognition.
18 The revised directive gives clear direction and
19 lines of authority to the department as to when and
20 how such technology can and cannot be used.

21 I would also note the strong disciplinary
22 policy within this directive. Those who violate the
23 policy can be subject to internal discipline,
24 separations from the department and potentially
25 criminal charges for violation of the policy.

1 Today we have one resolution for retiring
2 Detective Dalanda Rutledge, a 23-year veteran of the
3 department. Also today, after public comments, we
4 have a request from the chief of police to change
5 the duty status of Sergeant Raytheon Martin, badge
6 S157. The department is asking that Sergeant Martin
7 be suspended without pay but with medical benefits.
8 This matter will be taken up under new business, the
9 Lieutenants and Sergeants Association have been
10 notified, and Sergeant Martin has requested a closed
11 session. We will return to our open session and
12 take a vote, if required. Under the chief's report,
13 I am requesting an update on our crime statistics
14 and any critical issues facing the police
15 department.

16 Again, at the end of the meeting we will
17 have public comments from the audience. Please make
18 sure you print your name on the speaker's card
19 located on the back table or here in front of
20 Mr. Brown, and give your cards to Mr. Brown. He
21 will need your card before the end of the chief of
22 police report. I also would like to acknowledge
23 Commissioner Burton, who came in, I think, as I
24 started. We will hold each speaker to the allotted
25 two minutes. I ask that everyone place your cell

1 phones or other electronic devices on vibrate to
2 make sure you are not interrupting the meeting. At
3 this time we'll go to the chief's report. I'm
4 sorry.

5 COMMISSIONER DEWAELSCHE: Madam Chair, I
6 have a motion regarding the appointment of
7 promotions request.

8 CHAIRPERSON CARTER: Yes, ma'am.

9 COMMISSIONER DEWAELSCHE: I move that the
10 appointment promotions of Captain Darrell L.
11 Patterson to the rank of Commander and Lieutenant
12 Derrick May to the rank of Captain, as per the
13 request of the Chief of Police on September 5, 2019.
14 The information related to this request was shared
15 with the Board on Monday, September 9, 2019. The
16 motion is consistent with the powers and duties as
17 outlined in the 2012 Detroit city charter section
18 7-814; and I so move.

19 COMMISSIONER BROWN: Second.

20 CHAIRPERSON CARTER: It's been moved.
21 Approve the promotions for Commander Patterson and
22 Captain May. Is there any discussion? Those in
23 favor?

24 THE BOARD: Aye.

25 CHAIRPERSON CARTER: Those opposed?

1 The motion carries. Are Captain
2 Patterson -- Commander Patterson (applause).

3 COMMANDER PATTERSON: To the Board, thank
4 you very much. I appreciate this opportunity --

5 CHAIRPERSON CARTER: You are.

6 COMMANDER PATTERSON: I am captain -- I'm
7 sorry, I'm Commander Darrell Patterson of the 8th
8 Precinct. To Chief of Police James E Craig, we've
9 had a lot of conversations inside your office,
10 outside your office. Some of them -- most of them
11 good conversations, some of them weren't so good.
12 But each conversation was a cycle -- each
13 conversation I left your office and took a look at
14 the person in the mirror, and I think I came out a
15 better leader with those conversations, so I thank
16 you, sir. First, Assistant Chief Stair, I know you
17 had some background conversations about me. You've
18 always been pleasant and helpful to me. I
19 appreciate your support; and I mean, who knew back
20 in 2000 when we both got promoted to sergeant that
21 we'd be in these positions, so thank you very much.
22 Assistant Chief White, you gave me a lot of advice
23 concerning this process. I don't know if I followed
24 that to a T. But I really appreciate your
25 mentorship. Thank you very much, sir. Assistant

1 Chief LeValley, I remember you from when you rode
2 along with me back when I was at Western Precinct
3 support a long time ago. You were a young man, and
4 I was a little younger, so I appreciate your
5 support. Deputy Chief Fitzgerald, this all started
6 in your office, me asking you what do I need to do
7 to get promoted to Commander. You know, I'm
8 thinking I'm doing the right things, but what do I
9 need to do. That conversation led to a lot of
10 mentoring from you, a lot of advice from you; and I
11 truly appreciate your support. And any other
12 command staff that may have had a word, a kind word
13 or two to help me with this promotion, I appreciate
14 you all. Thank you all, again.

15 CHAIRPERSON CARTER: Thank you. Captain
16 May.

17 CAPTAIN MAY: Good afternoon.

18 THE BOARD: Good afternoon.

19 CAPTAIN MAY: My name is Derrick May. I
20 have approximately 22 years on the job. Before I
21 was promoted to captain today, I was currently
22 assigned to the 11th Precinct. I just want to say,
23 thank you to Chief Craig and this honorable Board of
24 Police Commissioners for giving me another
25 opportunity to be a leader for the Detroit Police

1 Department. I accept this challenge and I look
2 forward to it, as I continue my journey servicing
3 the citizens of the city of Detroit. When I look
4 out here, some people I know and I've worked with
5 and you've had a huge impact on my career. When I
6 look at D.C. Bryant, D.C. Williams and of course my
7 current boss is here, Commander Constance Slappey, I
8 just want to say it was a pleasure. Thank you for
9 your guidance and unwavering support, I'll never
10 forget it. And some of you who I haven't worked
11 with, I just watched the way how you do things and
12 how you did it. That's very important to me,
13 professionalism is very important to me. I just
14 want to say, thanks again. I embrace this
15 opportunity. Thank you.

16 CHAIRPERSON CARTER: Thank you.

17 COMMISSIONER BELL: Madam Chair.

18 COMMISSIONER DEWAELSCHÉ: Madam Chair, I
19 have a resolution, if I may. It is my honor to read
20 this resolution in honor of Detective Dalanda
21 Rutledge. Whereas, Dalanda Rutledge was appointed
22 to the Detroit Police Department on May 6, 1996 upon
23 graduating from the Detroit Metropolitan Police
24 Academy. Officer Rutledge was assigned to the 11th
25 Precinct.

1 And whereas, Officer Rutledge's
2 assignments with the Detroit Police Department
3 included the 11th Precinct and the sex crimes unit.
4 And, whereas, Detective Rutledge has tirelessly
5 served the Detroit Police Department, the citizens
6 of Detroit and it's neighboring communities for 23
7 plus years. Her professionalism, commitment to
8 public service, integrity and dedication has been a
9 credit to the Detroit Police Department.

10 Now, therefore, be it resolved with the
11 Detroit Board of Police Commissioners speaking for
12 the citizens of Detroit and the Detroit Police
13 Department, awards this resolution and recognition
14 of Detective Dalanda Rutledge, 23-plus years of
15 dedicated and diligent public service. Her
16 professionalism, integrity and lifelong commitment
17 to the City of Detroit and its citizens merit our
18 highest regards.

19 We thank and congratulate Detective
20 Dalanda Rutledge, and I so move.

21 UNIDENTIFIED SPEAKER: Support.

22 CHAIRPERSON CARTER: It's been moved and
23 supported that we adopt the resolution honoring
24 Detective Dalanda Rutledge. Is there any
25 discussion? Those in favor?

1 THE BOARD: Aye.

2 CHAIRPERSON CARTER: Those opposed?

3 The motion carries and congratulations to
4 Detective Rutledge.

5 COMMISSIONER DEWAELESCHE: Thank you,
6 Madam Chair, thank you.

7 COMMISSIONER BELL: Madam Chair.

8 CHAIRPERSON CARTER: Commissioner Bell.

9 COMMISSIONER BELL: I move that the vote
10 on department use of facial recognition, DPD
11 proposed directive 307.5 listed under old business,
12 be immediately brought to the table and placed for
13 immediate vote as the chair here has already
14 acknowledged that the original directive was
15 transmitted to the Board on January 18, 2019.

16 The final revised proposed directive was
17 transmitted to the Board on August 1, 2019. The
18 Board has had at least six months of open discussion
19 on this matter. The Board policy, BOPC policy
20 staff, reviewed the proposed directive and
21 recommended 23 changes to the proposed policy, 23
22 recommendations have been incorporated into the
23 final version of the final directive. Therefore, I
24 move that the adoption of the final version included
25 in your Board package and predistributed to the

1 Board Monday September 16, 2019, post at the BOPC
2 web site for public review.

3 COMMISSIONER DEWAELSCHÉ: Second.

4 CHAIRPERSON CARTER: It's been moved and
5 supported that we adopt the manual directive 307.5
6 on facial recognition. Is there any discussion?

7 COMMISSIONER BROWN: Madam Chair, move to
8 table this motion.

9 COMMISSIONER DAVIS: Support.

10 COMMISSIONER BURTON: Support.

11 CHAIRPERSON CARTER: Mr. Wyrick.

12 MR. WYRICK: In terms of the --

5 SECRETARY HICKS: Member Carter?

6 CHAIRPERSON CARTER: Yes.

7 CHAIRPERSON CARTER: The ayes have it,
8 the motion carries. At this time, commissioners,
9 we're going to the chief's report.

10 CHIEF CRAIG: Good afternoon. Once
11 again, Madam Chair, let me first by thanking the
12 Board for a vote and support of facial recognition.
13 I know I speak on behalf of every person, working
14 man and woman in the department, on how we've used
15 the technology very effectively in working hard to
16 keep our community safe. So on behalf of them, I
17 support the vote and thank you for that.

18 I want to also thank you for unanimous
19 support of the promotions of Commander Patterson and
20 Captain May, two fine young men who will do a
21 phenomenal job in assisting and leading this
22 department. Thank you for that.

23 Before I take any questions, I want to
24 talk about crime. And as of today's date, we are up
25 two homicides; which is up one percent. Sex

1 assaults, we're up nine. Aggravated assaults, we're
2 down 234. Nonfatal shootings as of today, we're up
3 11. Robberies, we're down 29. Car jackings, we're
4 down 55 with an overall three percent reduction in
5 violent crime. As it relates to property crime, we
6 are down three percent. So with that, I'll take any
7 questions you might have.

8 CHAIRPERSON CARTER: Thank you, Chief.
9 Commissioners, questions?

10 COMMISSIONER BROWN: Madam Chair.

11 CHAIRPERSON CARTER: Commissioner Brown.

12 COMMISSIONER BROWN: Chief, I was
13 listening at a radio show, I think it was Saturday
14 night. And this was not the first time I've heard
15 this, but there was a concern over the number of
16 cars that are out in each precinct, and some
17 precincts that the number was three. Can you
18 elaborate on whether or not that's true and how many
19 cars do we have servicing the precincts on the
20 midnight shift?

21 CHIEF CRAIG: I'm not aware. I have
22 heard spotty complaints from DPOA. I've talked to
23 Assistant Chief LeValley. We're very conscious
24 whether we go below deployment. Each precinct and
25 the number of cars deployed are based on cost of

1 service and crime. That said, the 9th Precinct and
2 the 8th Precinct has the most cars deployed. But I
3 don't know if, David, you can give a more robust
4 response, or should we table it for a time when we
5 give a full presentation on how we do deployment,
6 which is usually every 28 days.

7 ASSISTANT CHIEF LeVALLEY: Good
8 afternoon, Board, Assistant Chief David LeValley.
9 We do have a deployment plan that takes into account
10 calls for service, crime in each precinct; and then
11 we issue every 28 days a minimum deployment strategy
12 to the precincts, and they have to run at least to
13 that minimum on every shift. So there are instances
14 in some of the precincts in the city where that
15 number could be three. And that would be the
16 minimum deployment that they would run on that day
17 barring sick calls, emergency days and, again,
18 that's based on calls for service that we anticipate
19 knowing the history of what takes place in each
20 precinct and the crime in those precincts.

21 The larger precincts, as the chief said,
22 sometimes their minimums are upwards of ten cars and
23 that's all based on what we anticipate the calls for
24 service and crime. So when you take all of the
25 precincts together, we do cross dispatch. If there

1 was an issue in one precinct, we would go to a
2 neighboring precinct, get a car from that precinct
3 and send it to the precinct that has a shortage. We
4 also deploy tactical service section units, traffic
5 enforcement units, parks details units. So we have
6 a number of metropolitan division assets that are
7 all throughout the city that we deploy as needed.
8 So the chief duty officer that's on duty at night,
9 which is a ranking member that's captain or above,
10 they're constantly monitoring the situation of the
11 city, and they'll redeploy units as they see fit.

12 CHIEF CRAIG: Through the chair, it
13 should also be noted that in addition to the minimum
14 deployment needs that every precinct has special
15 operations units. They have gang units and, when
16 necessary, those units will also be put in service.
17 They're also, when they're out doing the proactive
18 work that they are doing, invading gang violence or
19 addressing other proactive crime issues. They,
20 again, can be called in to handle emergency calls
21 for service.

22 COMMISSIONER BROWN: So, Chief, are the
23 number of cars deployed during the day and afternoon
24 shift substantially different than the midnight
25 shift?

1 CHIEF CRAIG: Through the chair,
2 typically the midnight shifts have a fewer number of
3 calls for service, and so it's reasonable that the
4 afternoon shift would have more calls for service.
5 We can certainly provide you and the Board a
6 document that delineates our full deployment, but
7 it's not unusual -- I will tell you, having worked
8 in other places, sometimes when there's three units
9 working on a shift, it does feel like we're
10 understaffed. But when you look at the calls
11 handled -- I remember a time in my career handling
12 25 to 30 calls on a shift, an eight-hour shift. And
13 we average here in Detroit, and David please correct
14 me if I'm wrong, between six and ten calls, it just
15 depends. So we base it on a formula, we're very
16 conscious of it. And when we don't meet the
17 minimums because there are people that call in sick
18 or people who are off injured. Sometimes we have to
19 put officers in on overtime. We try to make our
20 minimums; and, again, that's based on the evaluation
21 of crimes and calls for service.

22 COMMISSIONER BROWN: Okay, thank you.

23 CHAIRPERSON CARTER: Commissioner Holley.

24 COMMISSIONER HOLLEY: Chief, is there
25 anything that's been said, that you know of; where

1 basically, we are -- we're satisfied -- I know the
2 word is not good to say satisfied, but we're
3 comfortable with 250 homicides a year, we're like 60
4 something from being that number. Is there
5 anything that -- has that been said? And it's been
6 brought to my attention that it was, that it has
7 been, not by you. But, also my concern is, is there
8 anything we can do or that you can say or in terms
9 of preventive measures in terms of crime prevention
10 that basically can get this number of 250 people
11 homicides down?

12 CHIEF CRAIG: Through the chair, there's
13 a lot for me to say about that. There are a lot of
14 factors involved. When you look at abating violence
15 in the city and having worked in different cities
16 and, I guess, I always use this analogy when I look
17 at a city like Los Angeles that's four times the
18 size of Chicago. L.A. has 10,000 police, Chicago
19 has something like 13 or 14,000 -- I think it's
20 13,000 police officers in a city half the size of
21 L.A., where L.A. is much safer in terms of lower
22 violence. And so it begs the question, why? So
23 there are a lot of factors involved. So let's talk
24 about the work that we do as a police department.

25 This police department engages in a very

1 relentless fashion in reducing crime, very proud of
2 the work they do. And certainly when you solve
3 crimes, it does have the effect of reducing the
4 number of homicides.

5 However, let's not forget when we talk
6 about reducing violence in any city, a lot of it has
7 to do with prosecutors and the courts. And I know
8 that's a conversation that we don't oftentimes have,
9 but I'm going to have it again because when people
10 ask me about Los Angeles, why is Los Angeles, with
11 so many more people, with structured street gangs,
12 have fewer homicides?

13 Now I also reported last year we had the
14 lowest number of homicides in 50 years. Clearly, I
15 am not excited about the number because I came from
16 a city where per capita homicides were much lower.
17 But why it works and why it works in both L.A., why
18 it works in New York, because suspects know if you
19 illegally carry a firearm and you are a felon,
20 there's a certainty of some sort of response, jail
21 time.

22 When suspects know there's a certainty of
23 punishment, they tend not to break the law. We
24 know, and you can ask any of my colleagues here in
25 the Detroit Police Department, there are those who

1 get arrested who mock, who laugh and make comments
2 along the lines of, well, I know I'm going to be out
3 of jail. So it's just not a police issue.

4 And then let's talk about poverty; is
5 there a correlation between poverty and crime?
6 Absolutely, it is. So the things that we're doing
7 in terms of creating opportunities for young people,
8 certainly returning citizens a second chance, those
9 things do matter. So we are heading in the right
10 direction. Even the fact that we're fighting
11 against last year's statistics, and at one point a
12 month or so ago we were up maybe 15 homicides and
13 now we're up two. I'm not excited, but we're moving
14 in the right direction.

15 But there are other things that must
16 happen if we're going to start making a sustained
17 difference realistically in reducing violence. When
18 you look at Chicago, again, another city that
19 struggles with violence, here's what I know and I
20 know the chief of police in Chicago, and what he
21 says is the same thing I say. There's an issue with
22 the certainty of prosecution of those felons or
23 those individuals illegally carrying guns; same
24 issue, just a different city. But L.A. and New
25 York, if you want to look at those two cities, why

1 they're successful, it's that simple.

2 CHAIRPERSON CARTER: Any other questions
3 for the chief? Commissioner Davis?

4 COMMISSIONER DAVIS: Chief, two things.
5 One, I get a lot of complaints about the scooters
6 around town, do you hear -- and about accidents.
7 Are you hearing anything or doing anything about
8 that?

9 CHIEF CRAIG: Through the chair, when we
10 receive complaints, we are responsive to them,
11 whether scooters. I personally have not received --
12 I think you brought that same issue up a meeting
13 ago.

14 COMMISSIONER DAVIS: A couple meetings
15 ago.

16 CHIEF CRAIG: Okay, a couple meetings.
17 If I'm wrong by a meeting, I apologize. But I don't
18 know if anyone on my team has heard any complaints.
19 I know our neighborhood police officers deal with a
20 lot of quality of life issues. Deputy Chief
21 Bettison, have you heard any of those type of
22 complaints?

23 DEPUTY CHIEF BETTISON: No.

24 CHIEF CRAIG: Now, I will tell you, I
25 don't like the appearance of scooters traveling at

1 high rates of speed down a sidewalk. I think that
2 is a recipe for an accident. In terms of community
3 members, now of course, our commissioner from the
4 11th Precinct --

5 COMMISSIONER BURCH: Yes, yes.

6 CHIEF CRAIG: -- routinely brings up, and
7 I embrace it, the issues with speeders. Traffic
8 issues and so, I don't know if any of the community
9 members are here, I know there're speed bumps being
10 placed strategically throughout our city. And early
11 reports I'm getting, people are seeing a difference
12 in behaviors. And so, I don't know if anybody else
13 is realizing the same response. But speed bumps do
14 work. And so, I don't know if there was a city
15 ordinance that said no, you can't drive those
16 scooters -- Excuse me, I'm talking right now.

17 UNIDENTIFIED SPEAKER: I'm asking.

18 CHAIRPERSON CARTER: No, ma'am, you
19 cannot ask --

20 CHIEF CRAIG: Going back through the
21 chair, I'm distracted now. But at any rate, speed
22 bumps do work. I believe in them and certainly
23 those who like to speed don't like them, but they
24 are working. But in terms of the scooters, we're
25 paying attention to them. We're just not getting

1 the complaints coming in.

2 COMMISSIONER DAVIS: Since the last time
3 I talked to you about it, I've got like eight
4 different complaints on it. Secondly, my next
5 concern is the fact that Oakman by Elmhurst,
6 actually between Elmhurst and the Jeffries service
7 drive, like on the weekends like from around 10 to
8 2 A.M., there's a lot of drag racing over there. Is
9 anybody doing anything about that? We had like
10 three complaints on that this week.

11 CHIEF CRAIG: Well, through the chair we
12 only respond to what we're told. And, Commissioner,
13 I would only ask that if you become aware of these
14 issues in a real time way, is you need to call me.
15 Or if you're talking about the commanding officer of
16 the 10th Precinct where that location is, we
17 shouldn't wait for a meeting, if you let me know in
18 advance so that one of the Deputy Chiefs, Todd
19 Bettison certainly provides a functional oversight
20 to all the neighborhood police officers.

21 It's a quality of life issue, we'll jump
22 on it. Deputy Chief Fitzgerald has done a
23 phenomenal job in managing complaints of drag
24 racing. And compared to -- I want to say compared
25 to last year and the year before that, I have not

1 heard much about drag racing except when we had the
2 engineers go out on the Lodge Freeway and start
3 doing 360s. When we took an appropriate response to
4 that and certainly with the help of the Michigan
5 State Police, we have not gotten any additional
6 complaints.

7 But we're very sensitive as we get
8 complaints about drag racing, speeders, we will
9 respond to it but we've got to know in advance.

10 COMMISSIONER DAVIS: Okay. That's all I
11 have for now.

12 COMMISSIONER BURCH: Madam Chair.

13 CHAIRPERSON CARTER: Commissioner Burch.

14 COMMISSIONER BURCH: Thank you. Chief
15 Craig, as you know, I'm very interested in it, just
16 urks me about the speeding. I'm like this, I try to
17 do something about it to help instead of just
18 complaining. So, again, I talked to Chief Bettison,
19 I talked to the engineer department and that's
20 Mr. Brundage and Patel. When we see these speeders
21 that are drag racing, I call them myself and let
22 them know to come out and do a survey, because right
23 on Dequindre where the reservoir is for the Highland
24 Park and Detroit mural, they actually sit there in
25 their cars and they rev the motor and they zoom.

1 So I called Mr. Patel to ask him could he
2 put up some signs to say slow down. It might help
3 them, I don't know, but at least try to help your
4 police and try to help your community yourself. I
5 don't call everybody, I call department heads where
6 they can go out and help the situation, okay, chief,
7 so I can't call you. I call Bettison.

8 CHIEF CRAIG: Through the chair, I
9 appreciate that, inundated. However, if you call
10 me, I will certainly put the appropriate command
11 officer -- I know Commissioner Griffie had a concern
12 recently in her neighborhood. And Commander Sims, I
13 don't know if Commander Sims is present, but I know
14 the 12th Precinct responded appropriately, and I
15 hope that that problem has been solved.

16 And not just -- not because you're
17 commissioners, but anybody in the community, I'd
18 like to know that we are responsive. One thing that
19 I have noticed, and I think DC Bettison will attest
20 to this, is that when I'm not getting complaints in
21 my office on the work of the neighborhood police
22 officers, it means that they're being responsive. I
23 know they've been tied up for a good part with the
24 Board-up Program. We want to make sure and want to
25 hear from the community to make sure that that work

1 that they're doing with the board-ups is not taking
2 away from addressing quality of life issues in the
3 neighborhood. And that goes for whether those
4 quality of life issues are in the middle of the
5 night. If you've got reports of quality of life
6 issues in the middle of the night, my expectation is
7 that those neighborhood police officers solve those
8 problems, they adjust their schedules to deal with
9 it.

10 COMMISSIONER BURCH: Part two, Chief, we
11 also had a random robbing on one block in number 11.
12 One of the citizens did go to number 11, and I want
13 to see how they're going to address that. It was
14 five houses broken into, in 11 on the same street.

15 CHIEF CRAIG: Through the chair, I know
16 that Commander Slappey is here. I don't know if she
17 has intimate knowledge of that crime spree, but if
18 not, do you know now?

19 COMMANDER SLAPPEY: This is the first
20 that I'm hearing about it, but we'll talk about it
21 after the Commissioner and I will discuss the issue.

22 CHIEF CRAIG: Thank you.

23 CHAIRPERSON CARTER: Thank you. Any
24 other questions? Commissioner Bell.

25 COMMISSIONER BELL: Madam Chair, I think

1 it's important that the chief make an announcement
2 that we are having a class graduation tomorrow on
3 Friday. So if you could respond to that, I think we
4 need to let people know that we are graduating a
5 class.

6 Also the question came up a couple of
7 times at one of our monthly meetings, why do we have
8 DPD present. It's a simple answer that you can know
9 the command person that's in charge of these
10 precincts. You interact with the chief and his
11 executive team, you will get to know them and
12 interact. This is a police community meeting, it
13 should be simple. But the question gets asked two
14 or three times. That's why they're here to
15 entertain your concern and address, not just the
16 Board, but you. So we filter that through the
17 process. That is why they come out, same way as the
18 mayor rolled out their meetings. They have
19 department heads there, you name it. Same thing
20 with the council, they have department people there
21 to respond to your concerns. I hope that we can
22 communicate that to you. That's why Chief Craig, if
23 not an assistant chief or deputy chief is here at
24 all times, not just to entertain us but to deal with
25 the business at hand for the Board. We've been

1 doing that for 45 years. Hopefully, with your
2 cooperation, we can continue that type of format.

3 CHIEF CRAIG: Through the chair, and
4 you're absolutely correct on the latter. They're
5 here because many times, many of you have seen this
6 happen, whether it's in this meeting or out in
7 community, that as community members bring issues, I
8 want our folks to address them immediately, not a
9 week, not two weeks. Sometimes they know and if I
10 find out and learn that we knew about something and
11 we just were slow to act, that's a problem for me.

12 And so it doesn't matter whether you're a
13 sitting commissioner or a member of the community,
14 we expect an immediate response. And if it's
15 something that we can't do, we should say that we
16 can't do it and say why we can't do it or at least
17 give the community periodic updates to hear that you
18 had a burglary spree on the block in the 11th
19 Precinct and the Commander not know, there's a
20 communication void. That's something that needs to
21 be -- especially with your relationships with the
22 11th Precinct, I think you got your own office over
23 there. I know you have the commander on speed dial
24 because she tells me.

25 COMMISSIONER BURCH: Yes.

1 CHIEF CRAIG: Please let her know that
2 sooner than later, because the sooner we can jump on
3 a crime like that, we can solve it. I just don't
4 like the delay, I like it now.

5 And I think everybody who is here who
6 lives in the City of Detroit can appreciate
7 immediate response. I live in the City of Detroit,
8 and if I have an issue, the expectation is there's a
9 need for an immediate response, not being treated
10 any different than anyone else, because I would want
11 the same thing for anybody who's here.

12 To our class graduation tomorrow, I
13 believe there's 20 graduating tomorrow.

14 COMMISSIONER BELL: Location?

15 CHIEF CRAIG: Tabernacle Church.

16 CHAIRPERSON CARTER: Commissioner
17 Griffie.

18 COMMISSIONER GRIFFIE: So, I just want to
19 address what you said. Thank you so much. My
20 community's a little bit better because I believe
21 they did apprehend someone during another rash of
22 robberies in our neighborhood. But I want to just
23 make a comment to the public that one of the things
24 that we uncovered is that many people don't make
25 police reports. While we have this information,

1 because we talk to our neighbors or we are on
2 Nextdoor or whatever social media app there is or
3 just talking to people in the community, we know
4 about them.

5 But a lot of people, you'd be surprised
6 how many people I found in my community who are
7 complaining about these things happening to them who
8 aren't filing police reports. And so what that does
9 is it precludes the detective to be able to piece
10 all those different disparate data points together
11 to go and find whoever is doing this and learn about
12 their patterns of behavior.

13 And so one of the things that I've been
14 doing, and I would implore my colleagues to do the
15 same also, is to encourage highly encourage people
16 to file police reports. That information is how we
17 catch criminals. That's all I have.

18 CHAIRPERSON CARTER: Thank you. Any
19 other questions, comments?

20 COMMISSIONER BURTON: Through the chair.

21 CHAIRPERSON CARTER: Commissioner Burton.

22 COMMISSIONER BURTON: You know, I'd like
23 for the chief to compile a list of officers hours
24 that are spent in the Board of Police Commissioner's
25 meetings. And can he come up with a staffing plan

1 to reduce the hours to just needed personnel.

2 Also I move that any officers that are in
3 this meeting today that's not on the agenda to move
4 them out of the Board of Police Commissioners
5 meeting. This meeting ought to be for the people
6 that comes down to this Board. This Board should
7 not be --

8 COMMISSIONER GRIFFIE: Point of order.
9 Point of order. Point of order. When a motion is
10 placed.

11 COMMISSIONER BURTON: -- an appendage to
12 the Detroit Police Department. Our officers should
13 be on patrol. We've got more officers in a Board
14 meeting that we actually have on patrol in a single
15 precinct.

16 COMMISSIONER GRIFFIE: Point of order,
17 I'm sorry it's out of line. Through the chair, when
18 a motion is placed I believe that you're supposed to
19 state the motion, not go into discussion at the time
20 that the motion is then supported. We can then have
21 discussion, but that was out of order.

22 CHAIRPERSON CARTER: Thank you. So
23 there's a motion on the floor.

24 COMMISSIONER GRIFFIE: There's no second.

25 CHAIRPERSON CARTER: So we will move on

1 to --

2 UNIDENTIFIED SPEAKER: Now what was your
3 discussion?

4 CHAIRPERSON CARTER: The ad hoc -- Chief,
5 thank you for your report.

6 CHIEF CRAIG: Thank you, Madam Chair.

7 CHAIRPERSON CARTER: Standing and ad hoc
8 committee reports. At this time we'll have the
9 report from the board secretary.

10 SECRETARY HICKS: Thank you, Madam Chair.
11 Again in the interest of time you have a list of
12 four items that were incoming to the BOPC office and
13 they're listed on the agenda. They include such
14 things as an update on the green light locations and
15 other information, including responses or emails
16 from varying individuals who had sent information
17 and relative to some of the items that are on the
18 agenda. Unless you have a particular question for
19 me, those items are on the agenda and presented to
20 the Board.

21 CHAIRPERSON CARTER: Thank you. Old
22 business, commissioners.

23 COMMISSIONER BURTON: Through the chair.

24 UNIDENTIFIED SPEAKER: You got something
25 to say, Willie.

1 COMMISSIONER BURTON: Under old business,
2 am I recognized, Madam Chair?

3 CHAIRPERSON CARTER: Yes, Commissioner.

4 COMMISSIONER BURTON: Under old business,
5 I move that we move all the BOPC meetings out of
6 police headquarters into the community, because a
7 number of citizens have been coming to the Board
8 meetings each week have to, you know, have to show
9 ID. We also have to be there for our undocumented
10 citizens --

11 CHAIRPERSON CARTER: Please put your
12 motion on the floor, and then we'll have discussion.

13 COMMISSIONER BURTON: I move that we move
14 the Board of Police Commissioner meetings out of
15 police headquarters back in the communities where
16 they belong.

17 CHAIRPERSON CARTER: Moved and supported
18 that we move the BOPC meetings out of public safety
19 headquarters. Is there any discussion?

20 COMMISSIONER BURTON: You know, Madam
21 Chair.

22 MS. THORNTON: Chair --

23 CHIEF CRAIG: You don't have the floor
24 ma'am.

25 COMMISSIONER GRIFFIE: Through the chair.

1 I'd like to make a secondary motion that we suspend
2 this indefinitely, we've brought -- this has been
3 brought up multiple times.

4 MS. THORNTON: He could do it as many
5 times as he wants.

6 CHAIRPERSON CARTER: Mrs. Thornton, this
7 is your first warning.

8 MS. THORNTON: I hear you.

9 CHAIRPERSON CARTER: And I'm not going to
10 warn you again.

11 UNIDENTIFIED SPEAKER: You've got to let
12 her --

13 CHAIRPERSON CARTER: No, I don't.

14 UNIDENTIFIED SPEAKER: Madam Chair, this
15 is a former elected official from the --

16 CHAIRPERSON CARTER: No, I don't. No, I
17 don't, and I am speaking. You don't have the floor.
18 Can we have a peaceful meeting, please?

19 UNIDENTIFIED SPEAKER: Stop fighting in
20 front of us.

21 CHAIRPERSON CARTER: Stop being
22 disrespectful.

23 UNIDENTIFIED SPEAKER: Stop fighting in
24 front of us.

25 CHAIRPERSON CARTER: Stop being

1 disrespectful, that's it.

2 UNIDENTIFIED SPEAKER: Stop fighting in
3 front of us.

4 CHAIRPERSON CARTER: The secondary motion
5 is that we postpone the motion indefinitely. Is
6 there a second?

7 COMMISSIONER BELL: Second.

8 COMMISSIONER GRIFFIE: Second.

9 CHAIRPERSON CARTER: Is there any
10 discussion? Those in favor?

11 THE BOARD: Aye.

12 CHAIRPERSON CARTER: Those opposed? The
13 motion carries.

14 At this time we will move on to new
15 business.

16 COMMISSIONER BURCH: New business.

17 COMMISSIONER BURTON: To the public, are
18 y'all seeing this. They are shutting down
19 democracy.

20 COMMISSIONER DAVIS: As a point of
21 information, you have to ask is there any
22 opposition, Madam Chair.

23 CHAIRPERSON CARTER: Any opposition?

24 COMMISSIONER DAVIS: You said all in
25 favor and then you said motion passed.

1 CHAIRPERSON CARTER: I said all those
2 opposed, didn't I?

3 COMMISSIONER DAVIS: No.

4 CHAIRPERSON CARTER: Oh, I'm sorry, I'm
5 sorry. Okay, if I didn't have so many distractions,
6 I would be on point. I'm usually am on point.

7 Those opposed?

8 COMMISSIONER DAVIS: Opposed.

9 COMMISSIONER BURTON: Opposed.

10 CHAIRPERSON CARTER: The motion carries.
11 Thank you, thank you for that. New business. Yes,
12 ma'am.

13 COMMISSIONER BURCH: Madam Chair, may I
14 speak?

15 CHAIRPERSON CARTER: Yes, Commissioner
16 Burch.

17 COMMISSIONER BURCH: I just wanted to say
18 this last Monday there was a press conference with
19 Mayor Duggan speaking about the homes being
20 demolished, and we were very happy to hear that
21 because he did say it would not be on the backs of
22 the taxpayers. Therefore, if those homes are tore
23 down, we now can build up. And I think if we would
24 concentrate more on our youth and to get jobs for
25 them and to perhaps -- I'm trying to speak, lady, so

1 you'll hear me.

2 So if we would build these renovated --
3 renovate these old schools that are closed and make
4 them into centers, facilities to teach our boys and
5 girls so they don't have to go to jail, that's the
6 problem is that we need to band together for peace
7 in the United States, not just Detroit. Thank you,
8 Madam Chair.

9 COMMISSIONER DEWAELSCHÉ: Madam Chair,
10 you have motion to go into closed session to discuss
11 the request by Chief of Police Craig regarding the
12 suspension without pay but with medical benefits
13 changed duty status for Sergeant Raytheon Martin,
14 badge number S157 assigned to the commercial auto
15 theft unit.

16 COMMISSIONER GRIFFIE: Second.

17 THE CHAIRPERSON CARTER: It's been moved
18 and supported that we go into closed session.

19 COMMISSIONER DAVIS: Point of order,
20 guys, are we amending the agenda?

21 CHAIRPERSON CARTER: It's on the agenda.

22 COMMISSIONER DEWAELSCHÉ: It's under new
23 business.

24 COMMISSIONER BELL: Madam Chair,
25 discussion on that, could we bring forth the young

1 man from Japan before we go into session? I don't
2 think he's going to be here for the duration. Is he
3 still here?

4 CHAIRPERSON CARTER: Let's do the motion.

5 UNIDENTIFIED SPEAKER: Got a motion on
6 the floor.

7 CHAIRPERSON CARTER: Any discussion?
8 Those in favor?

9 THE BOARD: Aye.

10 CHAIRPERSON CARTER: Those opposed?
11 Motion carries. We'll reconvene after the closed
12 session is completed. Thank you.

13 Mr. Isocki, from Japan, we met with you
14 yesterday.

15 (A brief recess was taken.)

16 COMMISSIONER GRIFFIE: Madam Chair, I
17 move that we go to open session.

18 THE CHAIRPERSON CARTER: It's been moved
19 and supported that we go back into session. Is
20 there any discussion? Those in favor?

21 THE BOARD: Aye.

22 CHAIRPERSON CARTER: Those opposed?
23 Motion carries. Thank you.

24 At this time I'm going to go to
25 Mr. Wyrick for the -- regarding the closed session

1 motion regarding Sergeant Martin.

2 MR. WYRICK: This was based upon there's
3 a potential motion regarding a change in duty status
4 for Sergeant Raytheon Martin, badge S157 assigned to
5 the commercial auto section that the closed session
6 discussed. Is there a motion?

7 CHAIRPERSON CARTER: The motion is, I'm
8 sorry is there a motion for --

9 COMMISSIONER GRIFFIE: Madam Chair, I
10 move that we support the recommendation of the Chief
11 of Police and suspend Sergeant Raytheon Martin
12 without pay but with benefits.

13 MR. WYRICK: It's actually an
14 administrative leave, my way of correction.

15 COMMISSIONER GRIFFIE: I amend my motion
16 to suspend him with administrative leave.

17 MR, WYRICK: Right.

18 COMMISSIONER GRIFFIE: Is there a second?

19 COMMISSIONER DEWAELSCHÉ: Support.

20 CHAIRPERSON CARTER: It's been moved and
21 supported that we follow the Chief's recommendation
22 to suspend Sergeant Martin. Is there any
23 discussion?

24 COMMISSIONER BROWN: Madam Chair, I think
25 with all the information that was brought before us

1 in light of the entire situation, I just feel that
2 at this point in time, given the information we
3 received since it's so close to everything going to
4 court or trial and everything, I believe that we
5 should weigh or postpone this vote because of the
6 situation and how everything happened.

7 It seems like the citizens were just as
8 responsible for the escalation of everything that
9 happened as opposed to everything that Sergeant
10 Martin gave response to. So I think that we should
11 wait until after the trial, and this will not be the
12 first time we've made that decision. That's my
13 comment.

14 COMMISSIONER GRIFFIE: Through the chair.

15 CHAIRPERSON CARTER: Commissioner
16 Griffie.

17 COMMISSIONER GRIFFIE: I just want to
18 reiterate that I believe that the police should be
19 held to a higher standard and that we have a duty to
20 protect the community and ensure them that this
21 department does the same. And I don't believe that
22 this impasse we have necessarily needs the trial
23 date to be the litmus test to whether we suspend
24 officers.

25 We have done both before, but given what

1 we learned in that room and the lack of
2 de-escalation that happened that I think we
3 witnessed, and I know I witnessed, I'm in support of
4 the chief's recommendation to suspend or
5 administrative leave.

6 CHAIRPERSON CARTER: Any other
7 discussion, commissioners? Those in favor of the
8 motion?

9 MULTIPLE BOARD MEMBERS: Aye.

10 THE CHAIRPERSON CARTER: Those opposed?

11 TWO BOARD MEMBERS: Nay.

12 CHAIRPERSON CARTER: The motion carries.
13 At this time we will move on to announcements. Our
14 next meeting will be Thursday, October 3, 2019 at
15 6:30 P.M. at the Detroit Public Safety Headquarters
16 located at 1301 3rd Street. Our next community
17 meeting will be Thursday, October 10, 2019 at
18 6:30P.M. in the 7th Precinct at the St. John
19 Presbyterian Church located at 1961 East Lafayette.

20 At this time we'll have oral
21 communications from the audience. Please give your
22 name for the record and limit your comments to two
23 minutes, please. Mr. Brown.

24 MR. BROWN: Madam Chair, I currently have
25 28 cards. Can I call them as a slot of 10 and

1 before that ten persons speak, I'll call the next
2 ten?

3 Ms. Bernice Smith, Ms. Faith, Mr. Gary
4 Wagaman, Mr. Reginald Crawford, Ms. Deborah Martin,
5 Mr. Eric Blount, Ms. Marie Thornton, Ms. D. Etta
6 Wilcoxon, Ms. Sarana Tyler and Ms. Brenda Hill will
7 be your first ten.

8 MS. SMITH: Bernice Smith, good
9 afternoon, counselor, chief. I'm not going to
10 discuss what the subject is at hand right now. I
11 think the most important thing I can tell all of you
12 here sitting in this audience, we have a strike
13 going on with the workers in the factory. And I
14 think it would be the best interest for most of them
15 that's working in the factory, and you know they're
16 only getting 250 for a salary, and I think it would
17 be nice for us to contribute water or any
18 necessities that they need. And I hope you come out
19 good in regards to your meeting tonight, because I
20 don't want to stay here and listen to it. Take care
21 and God bless all of you.

22 MS. FAITH: Welcome to this honorable
23 Board, and for the record my name is Ms. Faith.
24 First of all, I would like to say something about
25 Chief Craig. I don't say anything about him all the

1 time, but there was a gentleman in my life as a
2 brother in the Lord Christ that was just like Chief
3 Craig, straight up and down all the time; and I
4 respected him to the utmost. And these gentlemen
5 here are just like that, straight up and down and
6 respectable all the time.

7 And whenever y'all are presented with
8 very, very sensitive matters -- I know I repeat
9 myself, but it needs to be repeated because I
10 appreciate y'all so very much for being that way.
11 And also, Commissioner Holley, you might be comical,
12 but you get your point across. You make us laugh.
13 Laughter is good for the heart, and I'm thankful
14 that you're like that and appreciate you for it,
15 commissioner.

16 And for all of y'all working together as
17 a well oiled machine, there might be certain things
18 that come up, concerns, but there's going to be a
19 rift in life, isn't there. But there's always a
20 balance in the end.

21 And I see them working together all of
22 the time. I've been coming to these meetings for
23 about five years. I've seen nothing less than
24 balance all the time. These are appreciable people
25 all the time, respectable people, upstanding people.

1 They're always abiding by the law and sticking with
2 the restricted hearings of the law and the rules of
3 the law. I'm honored that they are my leaders in
4 this city of Detroit.

5 I'm so proud to be a citizen here because
6 of these great people here, and I support y'all 100
7 percent and all the work that you endeavor to do in
8 every district and community that y'all serve.

9 And I'm not deifying these people, I know
10 they're not gods, they're not perfect, they're human
11 as I am. But I also see the wonderful things that
12 they're doing, and these are the things that I want
13 to exalt more than anything else. If I tear them
14 down, I'm also tearing myself down.

15 CHAIRPERSON CARTER: Thank you Ms. Faith.

16 MR. BROWN: Mr. Wagner, Mr. Crawford.

17 MR. CRAWFORD: Good evening everyone. My
18 name is Reggie Crawford, a retired Detroit police
19 officer, former resident of the City of Detroit,
20 Definitely I still live in the city, resident of the
21 city of Detroit and former police commissioner.

22 I want to start by saying, Commissioner
23 Burton, you were right; these meetings do not belong
24 in this building. As I sat there three years ago,
25 we said the same thing. These meetings should not

1 be in this building. The police should not be in
2 these meetings except for the chief, the support
3 staff, and officers who are here doing a
4 presentation.

5 With all the policing of these meetings,
6 what do you have to fear, commissioners, the people?
7 I mean that's what is demonstrated here by obviously
8 seeing them.

9 It's really a disgrace that on today's
10 date, September 19, 2019 that you voted yes on some
11 high tech racism that's going to be used by the
12 Detroit Police Department against the citizens in
13 this city, which is an 80 percent black city and you
14 yourselves have all stated this technology is
15 flawed. It's racially bias, and we all know we've
16 done the research and also read what this technology
17 is -- the flaw is in it and it misidentifies people
18 of color.

19 So I'm opposed to the technology and
20 will advocate when and wherever for its ban, and
21 it's really a sad day in the City of Detroit. Those
22 who support this high tech racist technology, if the
23 mayor supports this technology, I believe he does,
24 that makes him a racist. Those of you who voted for
25 this technology today, that makes you a sellout to

1 the community. And anyone else who's -- people of
2 color who support this technology, you have some
3 issues and you really have sold out the community on
4 this. Thank you.

5 COMMISSIONER BURTON: Thank you,
6 Commissioner Crawford, you're a true voice for the
7 people.

8 MR. BROWN: Ms. Martin.

9 MS. MARTIN: Good afternoon, my name is
10 Deborah Martin and I lived in the City of Detroit
11 all my life; but I have an issue with the 9th
12 Precinct. Every time I file a police report there,
13 they spin it around on me. They always
14 condescending and disrespectful. Can you channel
15 somebody in my place to help me through that
16 precinct?

17 CHIEF CRAIG: Through the chair, Todd
18 Bettison, can you --

19 UNIDENTIFIED SPEAKER: Chief, I'm not
20 from the 9th, but I'll speak to her.

21 2ND UNIDENTIFIED SPEAKER: Chief, I'm
22 from number 9, I can talk to her.

23 CHIEF CRAIG: Well, I need a command
24 officer, too. But, you know, could you join her so
25 you can take the issue back, too? Thank you.

1 MS. MARTIN: Thank you.

2 MR. BROWN: Mr. Blount.

3 MR. BLOUNT: For the record my name is
4 Eric Blount and those of us who are against facial
5 recognition have tried logic and reasoning, facts
6 and figures in order to help this board make the
7 right decision, but it still can't help. So I'll
8 use the words of one of the great prophets, who
9 answered the question, how long, how long will
10 prejudice blind the visions of men and drive bright
11 eyed wisdom from her sacred throne? How long will
12 wounded justice, lying prostrate in the streets of
13 our cities be lifted from this dust of shame to
14 reign supreme among the visions of men.

15 I can only answer this evening not long.
16 How long? Not long. Because William Cullen Bryant
17 is right, truth crushed to earth will rise again.
18 How long? Not long because Carlyle was right. No
19 lie can live forever. How long, not long because
20 James Russell Lowell was right. Truth forever on
21 the scaffold, wrong forever on the throne, yet that
22 scaffold sways the future behind the dim unknown
23 standeth God within the shadows keeping watch above
24 his own.

25 How long? Not long because mine eyes

1 have seen the glory of the coming of the Lord; He is
2 trampling out the vintage where the grapes of wrath
3 are stored; He has loosed the fateful lightening of
4 His terrible swift sword; His truth is marching on.
5 He has sounded forth the trumpet that shall never
6 call retreat; He is sifting out the hearts of men
7 before His judgment seat; oh, be swift, my soul, and
8 answer Him; be jubilant my feet! Our God is
9 marching on, glory hallelujah, glory hallelujah,
10 glory hallelujah, His truth is marching on.

11 MR. BROWN: Ms. Thornton.

12 MS. THORNTON: For the record my name is
13 Marie Thornton, a long time activist. I think I
14 break the record of being thrown out of public
15 meetings, never was afraid. Always went to court,
16 always had a lawyer and always won under the open
17 meeting act. So I don't like the fact when I come
18 to these meetings and you disrespect one of our
19 elected officials and I tell you you're wrong the
20 way you treat him in front of the public, that's a
21 form of disrespect to me. But I just want you to
22 know for the record I have never, in my 30 or 40
23 years activist been afraid to go to jail.

24 I'm no better than Martin Luther King,
25 I'm no better than Malcolm X, I'm no better than

1 Jesus Christ. Arrest me if you may, but I will
2 speak up when you disrespect me in public by
3 disrespecting my elected official. I don't like the
4 way you all do. You cut up up there and then you
5 turn and blame it on the audience. It is not us.
6 Check yourself what you are doing.

7 I am opposed to facial recognition, but
8 Lisa Carter I want you to understand, some of you
9 already know me, never been afraid. Throw me out
10 this meeting and I will be with the media on every
11 radio station and every newspaper because I have a
12 history of standing up for what is right at all
13 costs. Stop this nonsense that you doing with
14 Willie Burton. And if you and Willie Burton don't
15 agree, get behind closed doors and argue that, but
16 don't do it in front of me. I just want you to know
17 that and I may go down and file some recalls. Might
18 not win, but you'll be embarrassed.

19 MR. BROWN: Ms. Wilcoxon.

20 COMMISSIONER BURTON: Thank you honorable
21 Marie Thornton, thank you.

22 MS. WILCOXON: Honorable board, I am
23 D. Etta Wilcoxon and I am here today because what I
24 witnessed and what the city of Detroit is witnessing
25 by way of a vote in favor of a policy that sanctions

1 facial recognition is an affront to democracy. You
2 all are a bright people. You are studied, you have
3 had, as one of our commenter's indicated, data
4 before you and you voted in defiance of all of it.

5 Every elected official in America takes
6 an oath of office to uphold the U.S. Constitution.
7 The U.S. Constitution demands that we have a
8 presumption of innocence in our country. You all
9 have voted in opposition to that presumption of
10 innocence. The City of Detroit can ill afford to be
11 sued, but you do not seem to care.

12 We have babies in this town that go to
13 bed without water. We have senior citizens who
14 cannot ingest their medications because they do not
15 have water. We have residents in our city who are
16 carjacked, who are robbed, who are stabbed, who are
17 shot, daily. There are uses that we can put our
18 monies to that would better serve our public, but
19 you all have chosen not to do that. You have chosen
20 to send this measure to the Detroit City Council for
21 them to rubber stamp you so that the residents of
22 the City of Detroit will be ill protected against an
23 onslaught of litigation that is sure to come with
24 the passage of facial recognition across this
25 country. You all owe us better.

1 MR. BROWN: Ms. Tyler.

2 MS. TYLER: Hello, commissioners. My
3 name is Sarana Tyler and I'm here opposing facial
4 recognition, and the reason because you guys have no
5 clue of the dark side of it.

6 UNIDENTIFIED SPEAKER: They do.

7 MS. TYLER: They don't, because I'm going
8 to tell them why they don't. In 2003 I called out
9 corruption against former Detroit City Council
10 member Sheila Cockrel and Ken Cockrel. The first
11 complaint in 2003 talks about surveillance, talked
12 about drones, it talked about high tech technology.
13 As Mr. Bell said last week, this stuff has been
14 around. I still have today folks walking around
15 with mobile devices, scanners. Why? Because the
16 Cockrels don't want to be exposed. This is a public
17 record and if any of them believe I'm lying on them,
18 they can sue. The officers that were involved when
19 I made the complaint because none of my complaints
20 were investigated, I would lose my home, my career,
21 my valuables, relationships with families. Here are
22 the officers for the record, all retired. Sergeant
23 Terrence Randolph, Investigator Maurice McClure,
24 Sergeant Mike Donnelley, supposed to be on the
25 fugitive apprehension team. Sergeant Jane Mays.

1 These are officers, false arrest, intelligent abuse.

2 Chief Craig, thank you for straightening
3 up the 6th precinct because it was a problem for a
4 very long time, and I'm going to tell you Sheila
5 Cockrel and Ken Cockrel as well as Investigator
6 Maurice McClure, have their hands in not only your
7 criminal center but the fugitive center as well as
8 the department of homeland security.

9 CHAIRPERSON CARTER: Thank you, ma'am
10 your time is up.

11 MR. BROWN: Ms. Hill, and Madam Chair
12 before Ms. Hill speaks, your next ten will be
13 Ms. Karen Gordon, Mr. Thomas Wilson, Mr. Rodd Monts,
14 Ms. Sundra Jennings, Councilman Roy McCalister, Doug
15 Russell, Dez Squire, Ms. Deborah Walker and
16 Ms. Cindy Darrah. Ms. Hill.

17 MS. HILL: Yes, my name is Brenda Hill
18 and I'm formally requesting freedom of information
19 act asking for copies of any police reports, police
20 complaints and all other forms of correspondence
21 that has anything to do with the charter commission
22 2018. And I'll give you that before I leave.

23 This is not only a sad day in this city,
24 it's a historically sad day. We have a pastor who
25 is supposed to care for the least of these and he

1 just sentenced my grandson to all kinds of hell. If
2 the mistake is made and I'm not worried about Chief
3 Craig. I'm worried about LeValley if he gets to be
4 chief, any other white guy that gets to be chief
5 over black folks and we had a whole host of black
6 and brown people to do what the slave owners wanted
7 them to do, run through and catch Negroes trying to
8 be free and hang them in the public square, and
9 that's what you just did.

10 You had the opportunity to say no until
11 the technology is right. You can't find one report
12 that says that that technology is right. Why can't
13 we wait? Why must we be rushed through? If they
14 get it wrong one time, that's one too many and you
15 all could have said no and cared for the people who
16 show up here week after week. Who are you working
17 for? Some ghosts that don't come to these meetings?
18 We are the citizens. We come everyday. We do the
19 work every week. We do the work and you just
20 disregarded everything we had to say.

21 CHAIRPERSON CARTER: Thank you Ms. Hill.

22 MS. HILL: I don't let people disrespect
23 me. I don't let people disrespect my people.

24 THE CHAIRPERSON CARTER: Thank you
25 Ms. Hill.

1 MS. HILL: I don't do that and you all
2 just signed your warrant never to be elected to
3 anything else. Even y'all who was appointed, y'all
4 out of here.

5 MR. BROWN: Ms. Gordon.

6 MS. GORDON: Once again, I was told that
7 they did a police investigation. I don't understand
8 what kind of investigation that's done. I asked to
9 see copies of the answer that they came up with
10 because I know what I said. But I asked one
11 question. So it's okay for police to lie on their
12 police report.

13 (Inaudible recording playing in
14 background.)

15 COMMISSIONER BURTON: Madam Chair, I'd
16 like if we could pause the time.

17 (Inaudible recording continues
18 intermittently.)

19 MS. GORDON: Dennis Smith lied on his
20 police report along with Marshall Brown that he was
21 training. He taught him how to lie. So it's okay
22 to lie on your police report, that's all I asked, is
23 that what it is, the investigation? Didn't nobody
24 observed it, nobody observed it he said long as
25 somebody observed it. The police lied on this

1 police report. All I asked when I called, all I
2 want too know, is it okay to lie on the police
3 report? If it is, I'll leave it alone. If it's not
4 against the law for them to lie, then tell me that.

5 If I -- just because they don't like me
6 or they want to lie on me and send me to jail, just
7 tell me it's okay. They cost me money, the proof
8 that I was innocent. They lied and then you say you
9 don't have anything on the investigation. Is it
10 clear? Come on now, what is this? I'm asking you,
11 please, Chief Craig, you said on the news if a
12 police officer lie, you would do something about it.
13 And still it's been past thrown out. Every step I
14 have went, every step, you know how this hurt me to
15 my heart, just think if that was your momma, your
16 sister, your loved one to be lied and then have to
17 pay out money to prove that you innocent because the
18 police officer lied. The police officer lied.

19 CHAIRPERSON CARTER: Can you have someone
20 speak with her? I'm not sure --

21 MS. GORDON: And they said the
22 investigation came that he was okay that he lied on
23 me. Where do I go next.

24 CHIEF CRAIG: Through the chair, we've
25 had someone talk to her and we'll have him do it

1 again --

2 MS. GORDON: Where do I go next?

3 CHIEF CRAIG: -- So someone from your
4 professional standards.

5 MR. BROWN: Mr. Wilson.

6 MS. GORDON: Who cares? Who do I go when
7 the police won't do nothing and they pass it on.

8 MR. BROWN: Mr. Monts, Ms. Jennings.

9 MS. JENNINGS: To Chief Craig and to the
10 board, my name is Sundra Leslie Jennings and I am a
11 CEO and founder of Iam Multimedia Productions and I
12 have been at the meetings this year and I have
13 written letters to several ones of you on the board
14 and I want to say that I put some detailed
15 information in the letters and I really need to be
16 able to go further into what the letters entail. I
17 need a private meeting with you Chief Craig where we
18 can go over some information regarding the proposal.

19 I wrote a proposal to Mayor Duggan and
20 one to Chief Craig and to the board. And I just
21 wanted to put a face to the letters and so that you
22 will know who I am and hopefully I have just ten
23 minutes of your time, Chief, ten minutes of your
24 time is what I'm asking for from you. And if we can
25 arrange that so that we can sit down and forward

1 movement, I would appreciate it. Thank you.

2 CHIEF CRAIG: Through the chair, have we
3 found out what the proposal brings us?

4 MR. BROWN: Mr. Monts.

5 MR. MONTS: Good Afternoon, my name is
6 Rodd Monts. I'm with the ACLU of Michigan. While
7 we are pleased with the work that the board, the
8 Chief and the department put into this policy that
9 you voted on today, we are profoundly disappointed
10 in your decision. We sent a letter to the board
11 this week indicating our submission of a FOIA
12 request for information related to what has been
13 done with the facial recognition technology software
14 since 2017 and asked that the board postpone a vote.

15 You decided to go ahead and I'd just like
16 to say on behalf of our organization, our coalition
17 partners, there were 17 listed in the letter that we
18 sent to you. We're concerned about the use of this
19 technology in the city, that we're going to continue
20 to work to make sure that the residents demand that
21 the board hold the department accountable to the
22 guidelines that you have now put in place and expect
23 that that reporting that should be done on a regular
24 basis gets done and that those results are known
25 publicly and if there are any acts that need to be

1 taken as a result of what's uncovered, that that get
2 done. I just wanted to put that on the record,
3 thank you.

4 MR. BROWN: Councilman Roy McCalister.

5 COUNCILMAN McCALISTER: Thank you, thank
6 you honorable board for this. One of the things I
7 want to say is that there are still some issues and
8 concerns regarding the people. So what we are doing
9 is we are putting together a city wide forum for
10 facial recognition and that will be on October 17th
11 and I'm asking everyone to come out. We're going to
12 have to panel of pros and a panel of cons regarding
13 this issue as well as have an answer in question and
14 really have concerns regarding this issue. Again
15 it's going to be October the 17th, from 6 to 8, at
16 the International Brotherhood of Electrical Workers
17 hall, which has plenty of parking, plenty of room.
18 And we're also going -- that's going to be from 6 to
19 8.

20 So I'm asking everyone to come out so
21 that we can, because as you well know now, this will
22 be coming before council. So we've been working
23 with the chief's office on this as well as some
24 others to make sure that we have some good
25 representation on both sides so that we could look

1 and hear and continue to move forward on this.

2 Thank you so much.

3 MR. BROWN: Mr. Doug Russell.

4 MR. RUSSELL: I'll keep it as brief as to
5 say that having the vote prior to public comment on
6 the latest version is cowardice.

7 MR. BROWN: Ms. Squire. Ms. Deborah
8 Walker.

9 MS. SQUIRE: Good afternoon, my name is
10 Dez Squire, I work with Michigan Roundtable for
11 Diversity and Inclusion. We are one such
12 organization actually partnering with the ACLU in
13 the FOIA request in regards to the facial
14 recognition software. We are, on behalf of the
15 roundtable, we are disappointed to see that this
16 vote happened without additional community
17 conversation and that several of our community
18 partners have talked about and have reached out
19 asking for a delay on this vote or even a complete
20 ban on the use of the software because of the
21 heightened surveillance it's going to put on black
22 and brown communities.

23 The implications and the chilling effect
24 that can result in having increased software when we
25 look at the history of racist use with this, in that

1 looking at Plantel Pro looking at the Muslim mapping
2 act that happened with New York City, even some of
3 the stuff that you guys cited in that with ICE
4 policies and that is kind of concerning and
5 disappointing to see that you guys voted even though
6 you have your own concerns in regards to this use of
7 software especially when it's not ready and we know
8 that the inherent bias and racism that is built into
9 the software.

10 We understand that some of the movements
11 being done to correct that but it's not ready and
12 unfortunately it puts our communities in this area
13 under scrutiny and it's going to continue to create
14 a divide between police and community. Community
15 partnership and community policing would be a better
16 alternative than what is being proposed today.

17 Thank you.

18 MR. BROWN: Ms. Walker.

19 MS. WALKER: Good afternoon. My name is
20 Debra Walker and just a few things. On your
21 letterhead it says accountability through civilian
22 oversight, that's what it says. While I don't have
23 the technical expertise about facial recognition, my
24 concern is facial recognition would not have done
25 anything to stop the man who robbed me at gunpoint

1 going into my home. Would not do anything to stop
2 all the people who have been getting shot, whether
3 they're unintentional or intentional. What I don't
4 understand is why you spent so much time and energy
5 trying to catch criminals as opposed to trying to
6 stop criminals.

7 When you first started green light, it
8 was a little bit effective because people thought
9 that it was real time, they thought that. So the
10 criminals kind of said let's stay away from that.
11 Then they realized there's still no police officers
12 out here, so I can go ahead and do this crime, you
13 take my picture, but I still have time to get away.
14 So the priority should be getting police officers on
15 the street. You tell us to do patrols, you tell us
16 to activate our neighborhoods, have people on the
17 street because boots on the ground are what deter
18 crime. Put your own boots on the ground, that's
19 where the money should be spent because that is
20 proven deterrent for crime.

21 I heard the chief talk about Chicago and
22 all of its police officers and he talked about the
23 criminal justice system. There are issues with
24 that. But that's for those people who have
25 committed the crime, who may get in jail and get

1 back out. I don't want them to commit any crimes.
2 So the priority should be get the people to not
3 commit the crimes so they at least think if I do
4 this, I might get caught because there might be a
5 police officer around the corner. Now they know
6 there isn't one. So you made the vote, but still
7 put your money where your mouth is and show that you
8 really do care about the people. Thank you.

9 MR. BROWN: Ms. Cindy Darrah. Before she
10 speaks, the next ten will be Ms. Joanne Warwick,
11 Ms. Alicia Jones, Ms. Valerie Glenn, Mr. Bill
12 Kellermann, Mr. Theo Broughton, Ms. Amanda Hill,
13 Mr. Thomas Kalish, Mr. John Doe and Ms. Keysha Wall.
14 Ms. Darrah.

15 MS. DARRAH: The young woman that was
16 complaining about the police lying, well, I've got a
17 friend who was recently hurt by the police and then
18 charged with, what was it, something, disorderly
19 conduct, right, when it was the police that were
20 disorderly but I think they were off duty police, so
21 that was my question about, Mr. Craig, how much are
22 these off duty people allowed to go and work in the
23 CAYMC building and be Duggan's thuggins?

24 And I just object to it but I want to
25 tell you guys look at article 12 in the 2012

1 charter. We can recall this, have a referendum and
2 recall what they did and if the city council passes
3 it, we can put that on the petition too and maybe in
4 the same petition say that we will never allow a
5 board to decide anything this important without
6 letting it come to the vote of all the people, just
7 like the Headlee Amendment was supposed to guarantee
8 that, when you had things coming to the people to
9 vote on, not let some appointed board, and this is
10 ridiculous.

11 So we got 30 days from the time, I think
12 that they publish and then you got -- they have ten
13 days to tell you if they got enough signatures -- if
14 we got enough and then we've got 15 more days to get
15 the rest of the signatures and there are people who
16 will help us get them. But we can do this and
17 really I'd like to do something about the charter
18 commission at the same time because this is
19 ridiculous that we have to put up with a charter
20 commission 6 to 3 who just represents corporate
21 versus the people.

22 It's not right and it's going to be
23 mediocre, where we could just start over and try and
24 talk about it before we even vote on it to try and
25 figure out what the hell we are going to do so solve

1 our problems, then we might know who to vote for
2 after we determine that.

3 MR. BROWN: Ms. Warwick.

4 MS. DARRAH: We got 30 days and we can do
5 a referendum and then we might want to put something
6 -- it might be that we can only have one topic, we
7 might have to have two petitions but maybe we can
8 put it in the same petition.

9 MS. WARWICK: First of all, I have a
10 question because there's always a court reporter
11 here. I forget which date, the minutes were
12 summaries of what people said, not verbatim. Why
13 was that? So let's see, wow, why couldn't there
14 have been like a 60-day public comment period to put
15 this out on the web, not just a week, and then let
16 people vote on it. So for the charter commission I
17 believe that all police commissioners should be
18 elected, not selected.

19 I filed a police report on somebody who
20 hit me with a throat strike and nothing ever
21 happened. So -- and then I want to talk about some
22 integrity insufficiencies currently here. I've
23 stated this before. I don't trust the police -- I
24 don't trust the police with facial recognition
25 technology because I can't even trust the police

1 right now with bodycam technology. The police
2 officer who threw me down and then didn't even write
3 a report, it was the guy that showed up later and
4 then lied on me in a report, his camera
5 malfunctioned.

6 And then I'm not being given the reason
7 why. I'm told that if they're on secondary when
8 they do a rent a cop, pick up an extra shift, they
9 don't have to follow a body worn camera policy, that
10 couldn't possibly be. So yes, Police Chief Craig,
11 you talk about certainty of punishment. If there
12 were certainty of punishment for a police officer if
13 their camera didn't work and they took some pay, the
14 cameras might work all the time or a lot more of the
15 time.

16 And you're darn right after I got thrown
17 down by that cop and forcibly stripped in violation
18 of Michigan department of correction policy in jail,
19 I've been very distracted, Mr. Police Chief Craig,
20 I've been very distracted. It's very hard to trust
21 the police. And I literally went back to my house
22 to get a necklace that wears the heart because I
23 want to come from a place of love. I don't dislike
24 all police officers but when they misbehave and
25 nobody does anything about the misbehaving officers,

1 it's hard to have faith in you all and the
2 commission.

3 MR. BROWN: Ms. Jones.

4 MS. JONES: Good evening, my name is
5 Alicia Jones and I'm a retired executive for AT&T
6 commercial markets. I was a global internet
7 consultant for them in IT. I have 7 certifications
8 from the Georgia Institute of Technology. I trained
9 over 1,600 Detroiters in IT careers. My firm is
10 certified by the FBI and to train cyber security
11 professionals. I'm extremely concerned about this
12 racial -- this facial identity technology.

13 My biggest concern is this: Are you
14 aware in 2018 the Trump administration enacted into
15 law a new category of direct domestic terrorists,
16 racial identity extremists. African-American, black
17 protesters are now classified by the Trump
18 administration, using the technology that you
19 approved as domestic terrorism, not the Klan, not
20 these other extremists that have killed, but blacks
21 and Latinas who protest are now classified as
22 domestic terrorists.

23 What you did today is you grandfathered
24 that federal standard into the streets of Detroit.
25 I beg you to please do your due diligence and find

1 out what you have done is unconscionable. It
2 violates the first amendment rights of free speech
3 to protest. You brought in Trump's crazy
4 administration racist policies today into the City
5 of Detroit, a city where it's 82 percent
6 African-American. Google extreme identity race --
7 please Google this. I'm so nervous, I came all the
8 way from the city of Troy because I want you to
9 understand I am a technologist, I train
10 technologists and I'm telling you today you're not
11 ready Detroit, because you have a demon in
12 Washington.

13 CHAIRPERSON CARTER: Thank you ma'am.

14 MS. JONES: And now is not the time. I
15 finally, in closing, I would just like --

16 CHAIRPERSON CARTER: No, your time is up,
17 ma'am.

18 MS. JONES: Those of you who voted for
19 this parliamentary procedure said -- one of you who
20 said yes can rescind this vote, can make a motion to
21 rescind. Please do that. Thank you.

22 MR. BROWN: Ms. Glenn.

23 MS. GLENN: Good afternoon honorable
24 police commissioners, police officers and police
25 chief. My name is Valerie Glenn and I am obviously

1 disturbed about your vote, no need to repeat
2 anything. I am a black female. The only thing I
3 have going for me is I don't wear makeup, so that's
4 it. Chairperson Lisa Carter, you stated publicly in
5 this room that you were opposed to police -- facial
6 recognition. Obviously your puppet master got to
7 you and I hope they paid you very well.

8 At the last community meeting that you
9 had at the community rec center, Ms. Bernice Smith
10 was allowed to talk about over and over and over
11 again the public as well as Commissioner Willie
12 Burton. She is allowed to do this and each and
13 every one of you allowed this to happen. She is way
14 out of order and when you take her out of the room,
15 she goes somewhere and sits down because when we get
16 out she's still in the parking lot. So she is
17 allowed and encouraged to do this.

18 I'm very disturbed she not only talked
19 about Burton, she also attempted to hit him with her
20 cane. And Bettison saw it, he's on the video that
21 we have, there were Facebook video that shows her
22 swaying this cane. That should have -- she should
23 have been corrected at that point. Ms. Smith is
24 allowed to disrespect everyone, Burton as well as
25 the public and you treat the public like we are

1 slaves and you are our overseers. I'm very
2 disappointed, each and every one of you with the
3 exception of Brown and Burton.

4 MR. BROWN: Mr. Kellermann.

5 MR. KELLERMANN: Good afternoon. Bill
6 Wylie-Kellermann, I'm a retired pastor of Saint
7 Peter's Episcopal just a few blocks away. I'm so
8 grateful for the community that speaks so clearly on
9 this issue and how frustrating it is to speak to you
10 after your vote.

11 I want to do two things. One is and I
12 briefly, one is to set this decision in the context
13 of the ubiquity, the constancy of surveillance in
14 this culture, whether we're talking about drones or
15 global positioning systems or computers that are
16 looking back at you or phones that are broadcasting,
17 everywhere people -- for cheap groceries people sell
18 their list of what they're buying. They pay
19 corporations to hand over their DNA codes, never
20 mind what law enforcement takes legally or
21 illegally, and all of this stuff is being
22 integrated.

23 Whether facial recognition is integrated
24 with SNAP is one question, it's a racist
25 structure -- it's a racist technology. The public

1 policy that you have passed and recommended is a
2 coverup, not just a rubber stamp, but a coverup for
3 two years of impunity of secrecy by the Mayor and
4 the Chief of Police on this matter. The fact that
5 people in this audience and around this city are
6 speaking out so clearly, we have to make the police
7 accountable ourselves because it doesn't seem like
8 the commission is going to do that. Thank you.

9 MR. BROWN: Ms. Grove.

10 MS. GROVE: Thank you. Good afternoon,
11 commission, good afternoon community. You know, two
12 people are missing, maybe we would have had, I'm
13 sure we would have had a better turn out. One is
14 Reggie Crawford and the other one is Ricardo Moore.
15 It seemed that the police commission had more
16 integrity when they were members and it's sad that
17 that integrity did not rub off on all of you. You
18 know, when we had a right to work on the ballot, it
19 was a trick to make people vote for something that
20 did not exist.

21 Facial recognition is another trick to
22 make people think it's for your safety. It's not
23 about facial recognition. What has been proposed is
24 community surveillance, community surveillance,
25 that's what is being promoted. Just as someone said

1 earlier, she was robbed and this so-called facial
2 recognition would not have helped her. Someone
3 broke into my home with me in it, and this
4 technology would never have helped me. We need
5 officers in the community. We need officers in this
6 community.

7 Now the question to ask is all of the
8 money that you want to spend on technology should be
9 and could be spent on bodies walking around our
10 community, officers who could respond when they were
11 needed. A camera is not going to jump down out of a
12 traffic light and come help. They'll have cameras
13 in the traffic lights, in the trees, in the trash
14 cans, in the buildings, none of that is going to
15 help. It's a waste of money, particularly if the
16 federal government bans it and I hear they're
17 discussing it as well. I'm glad to hear the
18 councilman say that there's going to be a community
19 meeting, town hall meeting in October.

20 CHAIRPERSON CARTER: Your time is up
21 ma'am.

22 MS. GROVE: And I hope nobody tries that
23 trick let's vote now and have a town hall meeting
24 later.

25 MR. BROWN: Ms. Hill.

1 MS. HILL: Okay, Amanda Hill, BYP100 and
2 I am disgusted but not surprised that this facial
3 recognition policy passed. I was a little bit
4 surprised that it was passed in such a way as to
5 obviously go around hearing from the community first
6 which would probably put a bad spin on the video.
7 When you hear from people repeatedly saying we do
8 not want this technology and you go ahead and pass
9 it anyway, the question is who are you serving.

10 So yeah, project green light does not
11 keep us safe. Facial recognition technology does
12 not keep us safe. The city has spent millions of
13 dollars on technology that has been proven to
14 misidentify black people and healthy communities
15 require investment, not over policing, not
16 surveillance. So the green light black future's
17 coalition, a group of all sorts of different
18 organizations and individuals who care about our
19 freedom and our rights and our safety. Vote, well,
20 we demand a ban on project green light and on facial
21 recognition technology as well as transparency
22 around the records, regulations and uses of project
23 green light.

24 Why is our information, our property,
25 our bodies floating around in the cloud somewhere

1 and we don't even know where this technology is, who
2 has access to it. We know that people get the
3 hacked all the time. I would have no surprise if
4 Detroit were to be hacked and our private
5 information is just floating about with people who
6 have been proven to not be able to keep us safe and
7 not care about actually representing our rights. So
8 again join the coalition to green light black
9 futures as we work to blackout green light. Some of
10 us are back here and can get information on our
11 campaign.

12 MR. BROWN: Mr. Kalish.

13 MR. KALISH: Good afternoon, engaged
14 citizens. Commissioners this is truly a shameful
15 day not only for the decision which was made
16 repeatedly in opposition to the will of the people
17 that you repeatedly claim to represent but rather
18 also the pitiful tactics of excluding the people
19 from this decision, in the location of this meeting,
20 the manner which this meeting was held, the tactics
21 of filling the room with police officers. But make
22 your pick. There's a half dozen, a dozen, a hundred
23 tactics that you've utilized to ignore the people.

24 And so the only question that I have to
25 ask now is, what does this board serve, what purpose

1 does it exist for? There's the fiction in the back
2 of the room to put on the bulletin to say it's a
3 civilian oversight of the police department but I
4 can't imagine how many times you'd have to go up to
5 here from the community who don't want this and
6 still make this same decision in a way that makes it
7 very clear that you disregard the interest of the
8 people that didn't elect you but charged you with a
9 responsibility, a duty to us above nothing else,
10 above all else rather, sorry, that was a little
11 misleading.

12 But the good news is that this does not
13 end with you. It will be banned at the state level
14 if not at the federal level and if not, the people
15 will stop it in the streets if they have to. We
16 will not stand for this, we will not stand for this,
17 and we will not stand for this. All that you did
18 today, all that you did today is tell us what side
19 you're on. So thank you for telling us that you are
20 against us. As far as the rest of this goes, all I
21 ask is that you stop claiming to speak for the
22 people when you produce statements because it is no
23 longer true, if it ever was true and I leave my
24 comments at that.

25 MR. BROWN: Mr. John Doe. And, Madam

1 Chair, your last speaker will be Ms. Keysha Wall.

2 MS. WALL: Project green light does not
3 keep black Detroiters safe. Y'all apparently have
4 no problem with the horrific rate of water shutoffs
5 and foreclosures in this city, don't want to talk
6 about that, but want to pass project green light,
7 want to pass faulty facial recognition technology
8 that so many other cities and states have banned,
9 technology which is known to misidentify black
10 people.

11 How much did it cost to turn Detroit into
12 an open air prison. How much did the humanity of
13 your constituents go for. We know it's already cost
14 millions of dollars. I bet all of you here can
15 think about better ways, hundreds of better ways to
16 take care of your communities with millions of
17 dollars. Thank you. And to say there's a
18 correlation between poverty and crime, more like
19 when your communities are poor and your city
20 officials are doing nothing to improve your quality
21 of life, people have fewer options and fewer ways to
22 holistically keep themselves and their communities
23 safe.

24 What about millions for block clubs,
25 millions for community centers, millions for public

1 education, millions to bail community members out of
2 foreclosures, millions to forgive water shutoffs,
3 millions to feed people and take care of your
4 citizens and help us take care of each other. I am
5 a member of green light black futures, a coalition
6 to get dedicated to fighting hyper surveillance and
7 facial recognition technology like project green
8 light which punishes black people and black bodies
9 for existing.

10 We believe in taking care of our
11 communities, not policing them. We are demanding a
12 divestment from over policing and hyper surveillance
13 and investment and community resources. If you're
14 interested in this kind of work, link-up, green
15 light black futures, hyper surveillance does not
16 keep us safe. We keep us safe and that's all I got
17 to say to y'all.

18 MR. BROWN: Mr. John Doe. Madam Chair,
19 that will be your last speaker.

20 MR. DOE: I don't know if anybody has
21 actually read the open meetings act to the record,
22 but let me make sure that that happens right now.
23 Act 267 of 1976, open meetings act excerpt, I need
24 to read off item number 4, it says a person shall
25 not be required as a condition of attendance of a

1 meeting of a public body to register or otherwise
2 provide his or her name or other information or
3 otherwise to fulfill a condition precedent to
4 attendance.

5 This building requires you to submit your
6 identification to enter. I'm not saying this body
7 has required it. However, you've located yourself
8 in a facility that violates the open meetings act.
9 You need to consider this. It also is a violation
10 of the ADA compliance. There are insufficient
11 number of parking spaces for handicapped persons in
12 this parking lot. Now IBEW location actually has
13 enough parking for handicapped people to go to a
14 meeting there. Perhaps you want to consider open
15 meetings act there. It's fairly local to this
16 location.

17 I'm not going to just talk about
18 problems, but then again there's an awful lot of
19 problems. I'm going to try to give you solutions.
20 Northwest Activity Center, there's another
21 possibility. Start getting into the neighborhood
22 maybe you'll start learning what the issues are
23 there, granular to each neighborhood because it
24 really does matter.

25 I was also going to say that the failure

1 rate on this is just appalling and I know that it's
2 progressing. But my situation I also want to call
3 is the fact that we're breaking up elders in their
4 visitations with young people by surveying the elder
5 community locations. How many grandmothers are
6 having this conversation with their young one and he
7 says, grandma, I can't come see you, they got
8 surveillance on all the time. I can't do that.

9 CHAIRPERSON CARTER: Thank you for your
10 comments, sir.

11 MR. BROWN: That's the last speaker Madam
12 Chair.

13 COMMISSIONER DEWAELESCHE: Madam Chair,
14 move for adjournment.

15 UNIDENTIFIED SPEAKER: Second.

16 CHAIRPERSON CARTER: It's been moved and
17 supported for adjournment. Those in favor?

18 THE BOARD: Aye.

19 CHAIRPERSON CARTER: Those opposed?
20 Thank you. The meeting is adjourned.

21 (Hearing concluded about 5:40 P.M.)

1 CERTIFICATE OF NOTARY PUBLIC - COURT REPORTER

3 I do certify that the attached
4 proceedings were taken before me in the
5 above-entitled matter; that the proceedings
6 contained herein was by me reduced to writing by
