- 5 COMMISSIONER CARTER: Good afternoon.
- 6 ATTENDEES: Good afternoon.
- 7 COMMISSIONER CARTER: Welcome to the weekly Board
- 8 of Commissioners Meeting. My name is Lisa Carter, Chair of
- 9 this Commission. I represent District Six, and I will be
- 10 conducting today's meeting. On behalf of the Board, for
- 11 those in attendance, thank you for joining us today. For
- 12 people viewing the meeting on your government cable
- channel, thank you for viewing. Commissioners Eva
- Dewaelsche and Willie Burton are excused from today's
- 15 meeting.
- 16 Today I want to start by acknowledging the
- death of Elijah Eugene Cummings, U.S. House
- Representative of Maryland's Seventh Congressional
- 19 District. Representative Cummings was recognized by all
- as a champion of human and civil rights. I ask for a
- 21 moment of silence to reflect in his honor.
- 22 (At 3:04 p.m., moment of silence observed)
- 23 COMMISSIONER CARTER: Thank you. Today we have
- 24 invited Chaplain Leonard Jackson to provide the invocation.
- 25 (At 3:04 p.m., invocation given)

- 1 COMMISSIONER CARTER: Thank you, Chaplain
- 2 Jackson.
- 3 At this time we're going to start with
- 4 introductions beginning to my far right. Commissioner
- 5 Holt.
- 6 COMMISSIONER HOLT: Good afternoon. Annie Holt,
- 7 At-Large.
- 8 COMMISSIONER DAVIS: Good afternoon. William
- 9 Davis, District Seven.
- 10 COMMISSIONER BURCH: Good afternoon. Shirley
- 11 Burch, District Three.
- 12 COMMISSIONER BROOKS: Good afternoon. Elizabeth,
- 13 Brooks At-Large.
- 14 COMMISSIONER BELL: Good afternoon. Willie Bell,
- 15 District Four.
- MR. BROWN: Good afternoon. Darryl Brown,
- 17 District One.
- 18 MR. HICKS: Madam Chair, we have a quorum.
- 19 COMMISSIONER CARTER: Thank you, Mr. Hicks.
- 20 Commissioners, you have before you the agenda for
- 21 October 24, 2019.
- 22 COMMISSIONER BELL: So moved.
- 23 COMMISSIONER DAVIS: Support.
- 24 COMMISSIONER CARTER: It's been moved that we
- 25 approve the agenda for October 24, 2019. Is there any

- 1 discussion?
- 2 (No response)
- 3 COMMISSIONER CARTER: Those in favor?
- 4 THE BOARD: Aye.
- 5 COMMISSIONER CARTER: Those opposed?
- 6 (No response)
- 7 COMMISSIONER CARTER: The motion carries.
- At this time, Commissioners, you have before you
- 9 the minutes from October 17, 2019.
- 10 COMMISSIONER HOLT: So moved.
- 11 COMMISSIONER DAVIS: Support.
- 12 COMMISSIONER CARTER: It's been moved and
- 13 supported that we approve the minutes from October 17,
- 14 2019. Is there any discussion?
- 15 (No response)
- 16 COMMISSIONER CARTER: Those in favor.
- 17 THE BOARD: Aye.
- 18 COMMISSIONER CARTER: Those opposed?
- MR. BROWN: Nay.
- 20 COMMISSIONER CARTER: Motion carries. Thank you.
- 21 Mr. Hicks, would you at this time introduce the
- 22 BOPC staff.
- 23 MR. HICKS: Thank you, Madam Chair. Just prior
- 24 to making the introductions of the staff, I indicate that
- 25 Sergeant Quinn is taping the meeting; Media Services is

- 1 providing the audio/visual work, and Donna Williams is the
- 2 court reporter.
- 3 So immediately to my right, I'm going to move and
- 4 ask for members of the BOPC staff to stand and introduce
- 5 themselves. And then when we get over to the Office of the
- 6 Chief Investigator, Dr. McAllister will not only introduce
- 7 herself but also the balance of the investigators who are
- 8 here from OIC. And with the only exception to that, of
- 9 course, would be I believe Dr. Anderson, who is sitting
- 10 over --
- 11 Dr. Anderson, if you would stand.
- 12 DR. ANDERSON: Dr. Anderson. Police Personnel.
- 13 MR. WYRICK: Jermain Wyrick, Board attorney.
- MR. BROWN: Robert Brown, Board staff.
- 15 (Self-introduction of remaining Board staff)
- DR. MCALLISTER: Good afternoon, Board. I'm Dr.
- 17 Polly McAllister, and attending today's meeting with me is
- 18 Supervising Investigator Cromwell, Senior Investigator
- 19 Jones, Senior Investigator Garrett Rivera. Investigator
- 20 Banks probably couldn't find a parking spot. Investigator
- 21 Callaway, and Investigator Washington.
- 22 COMMISSIONER CARTER: Thank you. At this time,
- 23 sitting in for Chief Craig is Deputy Chief Fitzgerald.
- 24 Good afternoon, sir.
- DC FITZGERALD: Good afternoon, ma'am.

- 1 COMMISSIONER CARTER: Any staff available?
- DC FITZGERALD: Yeah. You know, I'll start here
- 3 with Sergeant Warner on the second row. They can stand up
- 4 and introduce themselves.
- 5 (Self-introduction of Chief's staff)
- 6 DC FITZGERALD: All right.
- 7 COMMISSIONER CARTER: Thank you. At this time
- 8 any elected officials or representatives of elected
- 9 officials, civic leaders or their representatives? You can
- 10 stand at this time and give your name for the record,
- 11 please.
- 12 (No response)
- 13 COMMISSIONER CARTER: There are none. We will
- 14 move on to the agenda with my report.
- On behalf of the Board, I want to express our
- 16 concern and support for fallen and injured officers. Our
- 17 concerns for officer safety and citizen protection is
- 18 ranked as two of the most important priorities of the
- 19 Board. Our Board receives a weekly report from the
- 20 Department listing injured officers. I would ask that
- 21 Deputy Chief Fitzgerald during your remarks please
- 22 provide us with any additional information related to
- 23 injured and fallen officers.
- The Board of Commissioners meets every week
- 25 except for Thanksgiving and Christmas holiday week. We

- 1 meet at the Police Headquarters three weeks in a month on
- 2 Thursdays at 3:00 p.m. We also meet in the community
- 3 every second Thursday of the month at 6:30 p.m.
- 4 Under the Detroit City Charter, Article 7,
- 5 Chapter 8, the Board of Police Commissioner is empowered
- 6 to provide civilian oversight and supervisory control of
- 7 the police department. Our board investigates
- 8 noncriminal citizen complaints, monitors the department
- 9 for compliance with all laws, and reviews and modifies
- 10 police policy to eliminate misconduct, discriminatory
- 11 police practices, and unnecessary use of force by police.
- 12 As a civilian oversight agency, we protect the civil
- 13 rights of our citizens. Our objective is to increase the
- 14 quality of life for our residents and visitors to
- 15 Detroit.
- I want to point to several items for your
- 17 consideration and information, commissioners. I also want
- 18 to repeat some information that I shared with you at our
- 19 last two meetings. In several meetings issues have been
- 20 raised about provisions of the Open Meetings Act. The
- 21 Board does not require anyone to identify themselves as a
- 22 precondition to participate in our meetings. Our board
- 23 meets weekly. Our schedule is very demanding.
- 24 Our practice has been to meet in one convenient
- 25 location so that the public is aware of our meetings and

- 1 can get to the Board at any time. We also make it every
- 2 effort with our community meetings to meet in every police
- 3 precinct across the city. This too is an outreach effort
- 4 to connect citizens with police services. Given some of
- 5 the concerns to spread our meetings beyond Police
- 6 Headquarters, we are inquiring into the utilization of
- 7 other spaces to hold our meetings. This process will take
- 8 time. Meetings dates and locations are scheduled well in
- 9 advance of the actual meeting dates.
- 10 In the board package today you have received
- 11 copies of the agenda, minutes from the last meeting, and
- 12 various reports. Also in the package is a report from
- 13 the Policy Division on a proposed directive. Executive
- 14 Manager Melanie White will be using these directives in
- 15 her presentation later in the meeting. She will
- 16 introduce the directives and ask you to release two of
- 17 the directives, returning them to the chief of police as
- 18 they require only minimal changes. Ms. White will also
- 19 review six other directives that will be scheduled for
- 20 discussion within the next few weeks.
- 21 Also in your package under "Unfinished Business"
- 22 you have the resubmission of a request for disqualified
- 23 appeal of Antar Otis. This item was tabled last week.
- 24 Attorney Wyrick will present this matter at the appropriate
- 25 time on our agenda.

- 1 Also in your package is a copy of the Chair's
- 2 briefing agenda. Through the past several references
- 3 have been made to the Board's leadership. It has been
- 4 made that the Board's leadership is involved in secrete
- 5 meetings in violation of the Open Meetings Act. The
- 6 Board is a volunteer board made up of elected and
- 7 appointed people who are not employees of the City who
- 8 have agreed to do this work part-time.
- 9 As I indicated last week, to manage this effort,
- 10 better than a year ago we began the process where the Chair
- 11 receives a briefing from the staff each Wednesday. I ask
- 12 you also to look at the administrative briefing agenda.
- 13 This information contained in that agenda is a direct
- 14 reflection of the information that is transmitted to the
- 15 full Board in your Tuesday package and is repackaged for
- 16 you on Thursday. We take this extra measure to share this
- information with you so the Board can effectively move
- 18 through the business of the organization. Again, I bring
- 19 this to your attention because of the false suggestion that
- 20 we have secret meetings.
- 21 Additionally, I had staff follow up with our
- 22 request for additional training on parliamentary
- 23 procedures and information on the Open Meetings Act. We
- 24 are attempting to organize an evening training session,
- 25 and Mr. Wyrick will canvas the Board for any -- for

- 1 available times for the training.
- 2 Today we have two resolutions from retiring
- 3 Sergeants Deborah Fears a 42-year veteran, and Nancy
- 4 Foster, a 22-year veteran. At the appropriate point on
- 5 the agenda we will read into the record some of the many
- 6 accomplishments of these two outstanding sergeants.
- 7 Finally, last week the chief of police made
- 8 several alarming remarks about a report authored by an
- 9 Office of the Inspector General critical of the Board and
- 10 some of our staff. While three members of our Board
- 11 immediately spoke registering their opinions, one
- 12 supported the Chief's remarks and two against the Chief
- 13 remarks. There is a need for more forceful comment on
- 14 the same subject.
- 15 As you recall, the Board called a closed session
- 16 meeting to hear from our attorney on the personnel items
- 17 related to the report. The overwhelmingly majority of the
- 18 Board expressed their concerns about the Chiefs premature
- 19 comments. The Board has always held to a policy to wait
- 20 until all appeals and other remedies have come to an end
- 21 before publicly commenting on any situation wherein a
- 22 person's reputation is at question.
- The allegations are administrative not criminal.
- 24 Due process, even in administrative review, is a critical
- 25 guarantee for all personnel including the BOPC and staff.

- 1 But most concerning to the Board is a pattern that
- 2 continues to emerge wherein efforts are made to curtail the
- 3 powers of this Board.
- 4 The differences between the Board and the chief
- 5 are real and sometimes creates friction between our two
- 6 operations. The Chief has day-to-day operational
- 7 responsibilities, and the Board has oversight authority.
- 8 The friction that automatically flows from these two
- 9 operations should be handled with the required
- 10 professionalism, respect, and decorum due to any public
- 11 body or chief of police. The chief and his staff have
- 12 repeatedly attempted to reduce the power of the Board in.
- 13 Its narrow readings of the City Charter under the proposed
- 14 Department Rank and Structure Directive 101.2, we have been
- 15 at odds for better than a year in defining the limits of
- the chief's power and the beginning of the Board's
- 17 authority. We're also at odds with the OIG in our
- 18 interpretations in applying the charter. Until these items
- 19 are flushed out, the Board and I hope the chief would
- 20 refrain from such alarming premature language and that we
- 21 work collectively to interpret and apply the requirements
- 22 under the City Charter in the best interest of the citizens
- 23 of the city of Detroit.
- 24 I will conclude here indicating that words are
- 25 important. I can recall the chief of police indicating

- 1 that the Detroit City Council had passed the facial
- 2 recognition contract with DataWorks Plus unanimously.
- 3 This is, in fact, untrue. The council was split on the
- 4 vote. So does that make the Chief a blatant liar? No,
- 5 it does not. It does not. It makes him human. We're
- 6 all human. So I ask that everyone refrain from jumping
- 7 to conclusions until all appeals have been resolved.
- 8 Thank you.
- 9 Today we will have two presentations; a report
- 10 from commander Tiffany Steward on Hit-and-Run
- 11 Investigations and a report from BOPC's Executive Manager
- 12 Melanie White on a proposed directives from the chief.
- 13 Under the chief's report, I am requesting an
- 14 update on our city crime statistics and any other critical
- issues facing the police department.
- 16 At the end of the meeting we will have public
- 17 comments from the audience. Please make sure you print
- 18 your name on the speaker's card. Cards are located in the
- 19 back on the table or can be obtained from Mr. Brown who's
- 20 sitting here at the front. He will need your card before
- 21 the end of the chief's report. We will hold each speaker
- 22 to the allotted two minutes. I ask that everyone place
- 23 their cell phones and other electronic devices on vibrate
- 24 to make sure that they are not interrupting the meeting.
- As a final matter, I would encourage cooperation

- 1 and order at our meetings. We have discussed in the past
- 2 the need to treat each other with respect and to control
- 3 our behavior within the limits of professionalism.
- 4 Commissioners do not have the floor and should not speak
- 5 until they are recognized by the Chair. I am asking
- 6 commissioners to restrict their comments to issues that are
- 7 relevant to the agenda and to be brief so that we have
- 8 ample time for public comments.
- 9 For the attending audience, please make sure
- 10 there is -- I'm sorry -- please note that there is a time
- on the agenda for citizen's input and feedback. My
- 12 objective today is to run an orderly meeting, including
- 13 public comments, and have us out of this meeting by 4:30.
- 14 And at this time I'd like to recognize
- 15 Commissioner Griffie who came in, oh, a while ago. Thank
- 16 you for joining us, ma'am.
- 17 COMMISSIONER GRIFFIE: Thank you.
- 18 COMMISSIONER CARTER: At this time we'll go to
- 19 the resolution honoring Sergeant Nancy Foster which is
- 20 going to be read by Commissioner Brooks.
- 21 COMMISSIONER BROOKS: Foster was appointed to the
- 22 Detroit Police Department on May 12, 1997. Upon graduating
- 23 from Detroit Metropolitan Police Academy, Officer Foster
- 24 began her career at the Seventh Precinct; and
- 25 WHEREAS Officer Foster's assignments with the Detroit

22	COMMISSIONER CARTER: Those in favor?
23	THE BOARD: Aye.
24	COMMISSIONER CARTER: Those opposed?
25	(No verbal response)

- 1 COMMISSIONER CARTER: Motion carries. Thank you
- 2 commissioners.
- 3 At this time we'll have the Chiefs report by
- 4 Deputy Chief Fitzgerald.
- 5 DC FITZGERALD: Thank you. My report will be
- 6 brief. Just running through the crime data, criminal
- 7 homicides are up five over last year. We have 214 this
- 8 year as opposed to 209 last year. It's about a 2%
- 9 increase. Nonfatal shootings are up nine; 633 versus 624
- 10 last year, which is a 1% increase. And robbery in recent
- 11 time has seen a little uptick. We're up twenty-one; 1,904
- 12 versus 1,883.
- 13 All the rest of the Part One Category: Sexual
- 14 assaults; Agg Assaults are down. Carjacking still trending
- 15 down. Still down 24% which is great. Again, a slight
- 16 uptick in our motor vehicle theft in recent months. We're
- 17 up about 184 over same time last year, which is about a 3%
- 18 increase.
- 19 As far as the update to our officers, Officers
- 20 Waldis Johnson, as you all know, is still in a long-term
- 21 care facility. Christopher Thurston, who was injured on a
- 22 motorcycle, still recovering at home. Officer Rodriguez
- 23 and Reyes Morales both wounded in the same incident. One
- 24 took a gunshot wound; one was pinned between vehicles.
- 25 Both recovering at home. But Officer Reyes Morales is set

- 1 to come back actually the end of last week. I'm just not
- 2 sure if he came back. I'll have to double check. And
- 3 Officer Dayton Wade was injured in a motor vehicle
- 4 accident. He's recovering at home.
- 5 For some good news, we have tomorrow night the
- 6 Peer Support Masquerade Ball at Burton Manor. Anyone who's
- 7 interested, 27777 Schoolcraft out in Livonia.
- 8 October 30th, Chief Craig will be making a PSA with Greater
- 9 Detroit, 11:30 a.m. regarding Men Have Breast Cancer Too.
- 10 And even more fun for next week, every precinct,
- 11 as you know, will be doing -- having a Trunk-or-Treat at
- 12 their precinct. On the 31st all the precincts will have it
- 13 starting from 5:00 to 8:00. Let's see real quick. The
- 14 Training Center has Halloween Monster Mash October 25th
- 15 from 5:00 to 9:00 at 6050 Linwood. Number Eleven has a
- 16 haunted house all next week, starting tomorrow night, from
- 17 the 25th through the 31st, from dusk till about 10:00 p.m.
- 18 And there's also a Halloween party scheduled from 4:00 to
- 19 6:00 at the 12th Precinct on October 30; 14441 West Seven
- 20 Mile. And that's all I have for now.
- 21 COMMISSIONER CARTER: Thank you. Commissioners,
- 22 questions?
- 23 COMMISSIONER GRIFFIE: Are the precincts
- 24 accepting donations of candy? Or how can the community be
- 25 involved?

- 1 THE CLERK: Absolutely. We would love to take
- 2 whatever you want to have dropped off at the precincts, and
- 3 then we'll add them to the trunk. As you all know, the
- 4 parking lot gets full. So as much candy as we can get for
- 5 the kids would be great.
- 6 COMMISSIONER GRIFFIE: Through the Chair, if I
- 7 could provide a solution. I'm going to ask that someone
- 8 here on our staff work so that we get the fliers so that we
- 9 can help with that.
- 10 COMMISSIONER CARTER: Absolutely.
- 11 COMMISSIONER HOLT: Through the Chair.
- 12 COMMISSIONER CARTER: Yes, ma'am.
- 13 COMMISSIONER HOLT: It was shared with
- 14 Commissioner Burch and I when we were coming into the room
- 15 that October 26th is the day for folks to drop off their
- 16 unused drugs at the various precincts. So, again, you
- 17 know, we want to put that on folk's radar.
- 18 COMMISSIONER CARTER: Like cocaine or --
- 19 COMMISSIONER HOLT: Opiates.
- 20 COMMISSIONER CARTER: Prescription drugs.
- 21 COMMISSIONER HOLT: Prescription drugs.
- 22 COMMISSIONER CARTER: Old prescription drugs.
- 23 COMMISSIONER HOLT: Old prescription drugs.
- 24 COMMISSIONER CARTER: Thank you.
- 25 COMMISSIONER HOLT: Okay.

- 1 COMMISSIONER CARTER: Thank you, commissioners.
- 2 COMMISSIONER BROWN: Madam Chair.
- 3 COMMISSIONER CARTER: Commissioner Brown.
- 4 COMMISSIONER BROWN: Two things. First, Deputy
- 5 Chief, I just want to commend the department on the job
- 6 they did in cracking down on the chop shop on the west
- 7 side.
- 8 COMMISSIONER CARTER: They can't hear you.
- 9 COMMISSIONER BROWN: That was a great job they
- 10 did with the cracking down with the chop shop that was
- 11 discovered on the west side of Detroit. I know there's
- 12 been a rash of car thefts and break-ins and things like
- 13 that. And it was good to see that. It was an ongoing
- 14 investigation which finally came to fruition; and we took a
- 15 major part out of that industry that's going on.
- And, secondly, I received a complaint, well,
- 17 asking to inquire about -- and I'll talk with whoever I
- 18 need to talk with afterwards. This is with Amtrak, the
- 19 railroad station. Allegedly they called 9-1-1 for an
- 20 unruly person that they had detained -- and they gave me an
- 21 outline of it -- and no one ever showed up.
- DC FITZGERALD: Okay.
- COMMISSIONER BROWN: They also made a statement
- 24 that they called the precinct around the corner, and no one
- 25 ever showed up. And eventually after about -- this

- 1 happened at 6:30 a.m. At around 5:30 one of the security
- 2 officers saw a car at the traffic light flag him down to
- 3 come over and deal with this person. So when talking with
- 4 them, they said this is not the first time they've had an
- 5 issue with officers not responding to 9-1-1 calls.
- 6 And I also had another call from a constituent,
- 7 which I think is going to turn into an investigation and
- 8 look at that. His house was broken into. He called
- 9 9-1-1 for a car, and he was being told that he had no
- 10 such address. And eventually the 9-1-1 operator hung up
- on him and they never sent a car. So we need to look
- 12 into these things.
- 13 Is there a problem with training or anything like
- 14 that? Or how are we determining what causes them to
- 15 receive some type of service or anything like that? And
- 16 I'll give you this information so you can give it to
- 17 whoever you need to give it to to contact Amtrak. I guess
- 18 she's the head of Security Department over there.
- DC FITZGERALD: I'll happily take both of them
- 20 from you.
- 21 COMMISSIONER CARTER: Any other questions or
- 22 concerns?
- 23 COMMISSIONER BURCH: Yes. Thank you, Madam
- 24 Chair.
- 25 Thank you so much for your service. Haven't

- 1 seen you in a while.
- DC FITZGERALD: Good to see you. Yes, ma'am.
- 3 COMMISSIONER BURCH: Yes. I just wanted to
- 4 comment on the forum that we had this past Monday at Number
- 5 Eleven.
- 6 (Phone interruption)
- 7 DC FITZGERALD: Didn't catch it.
- 8 COMMISSIONER BURCH: That was my partner over
- 9 here (Indicating).
- 10 Anyway, in District Three, we had what we call
- 11 9-1-1. That was two precincts that came together trying to
- 12 understand what solutions there are for the speeding
- 13 reckless. I've said it since I've been a commissioner, and
- 14 still there seems not be an answer. So we did work on
- 15 Monday that we think we have something working with the
- 16 signage. I know that you are aware of the ordinances, the
- 17 three ordinances that are for the city of Detroit. Don't
- 18 you think that would help if they were posted? I'm talking
- 19 about the busy intersections. I want you to comment on
- 20 that.
- 21 DC FITZGERALD: Absolutely, ma'am. Any help we
- 22 can get to curtail the speeding and the reckless driving,
- 23 I'm all for it.
- 24 COMMISSIONER BURCH: Yes. Well that's what we're
- 25 going to do. Just letting you know. Nine and Eleven

- 1 working together.
- DC FITZGERALD: Bring it to the westside too
- 3 then.
- 4 COMMISSIONER BURCH: Well we got to start on the
- 5 east then travel over to you.
- 6 DC FITZGERALD: All right.
- 7 COMMISSIONER BURCH: Thank you.
- 8 COMMISSIONER CARTER: Any other questions?
- 9 COMMISSIONER BROOKS: Yes, I would just like to
- 10 commend on the event that you had. I was there, and I
- 11 learned a lot. And it made me feel so good to see so many
- 12 community people out. Everyone wants to pitch in and help
- 13 and make their community a better community. And that was
- 14 the best example I have ever seen to have so many people
- 15 come out. So thank you for putting all that together. And
- 16 I might not have a community, but the whole city of Detroit
- 17 is mine. So I'm going to try to make everything that I can
- 18 go to so I can learn more and more and more about what you
- 19 all -- we all are doing in the community.
- 20 COMMISSIONER BURCH: Thank you. Madam Chair,
- 21 could I answer what to what she just said?
- 22 COMMISSIONER CARTER: Yes, ma'am.
- 23 COMMISSIONER BURCH: I just want to thank you.
- 24 And Commissioner Holt came; Commissioner Williams came;
- 25 Davis, and Commissioner Brooks. And she also brought the

- 1 recruiters. That's what she offered to the table.
- 2 So, again, we have seven new pastors that we've
- 3 never met before that we've come together as an
- 4 organization and a determined group to make a difference in
- 5 the community. It was very inspiring. So you're going to
- 6 hear more about what we're doing in District Three that's
- 7 positive. Thank you.
- 8 COMMISSIONER CARTER: Thank you. Commissioners?
- 9 Commissioner Bell.
- 10 COMMISSIONER BELL: Yeah. Madam Chair, thank
- 11 you. First of all, I would just remind any commissioner,
- 12 if there's a complaint concerning service that is in the
- 13 area of Board of Police Commissioners, I would hope you
- 14 would encourage the citizen or you to contact the Office of
- 15 the Chief Investigator, Dr. Polly McAllister. That is not
- 16 -- complaints of that nature should go to that office and
- 17 not to the chief of police. So just, Board, remind you of
- 18 our charter mandated responses. We handle all complaints.
- 19 We definitely want to make sure Office of the Chief
- 20 Investigator is involved in that process to resolve or
- 21 intervene. It's okay to talk about it with DPD, but that
- 22 is our role. And I know they're waiting patiently to
- 23 intervene in that particular matter and making sure they
- 24 get the proper service.
- DR. MCALLISTER: We did.

- 1 COMMISSIONER BELL: And that may have already
- 2 been taken care of.
- 3 Secondly, we have a history of making sure we
- 4 recognize any city officials that attend our meetings. We
- 5 do have the IG Office and staff in attendance. I just want
- 6 the record to reflect that they didn't identify themselves.
- 7 I think we need to acknowledge their presence.
- 8 Third, the good news is that we had police
- 9 graduation Friday, seventeen new officers. We had the
- 10 Chaplain Ceremony on Monday. We added to it.
- 11 Could you speak to those two matters, please?
- DC FITZGERALD: Yeah, seventeen that graduated
- 13 from the police academy. We're very, very happy to have
- 14 them out. I'm not as familiar with the chaplain. Maybe
- 15 Captain, you answer the Chaplain's graduation.
- DPD CAPTAIN: I was not able to attend, but I
- 17 understand that it was a phenomenal ceremony.
- 18 COMMISSIONER BELL: Perhaps we can get a report
- 19 next week on it.
- 20 DC FITZGERALD: Certainly.
- 21 COMMISSIONER BELL: I think they had a ceremony
- 22 here on St. Matthew at Pleasant Grove. And they had a
- 23 promotion of a new chaplain chief too. So I think we need
- 24 to be aware of that. We want to have a great relationship
- 25 with the chaplain and definitely identify the new chaplain.

- 1 Because one of members mentioned; said, my pastor is now a
- 2 member of the Chaplain Corp. So I just think we just need
- 3 to be aware of that.
- 4 Other than that, I want to thank Madam Chair for
- 5 speaking to the issue that transpired last week with the
- 6 chief of police. I think it reflects the majority opinion
- 7 of the Board.
- 8 COMMISSIONER CARTER: Thank you. Are there any
- 9 other commissioners?
- 10 Lastly, Deputy Chief Fitzgerald, I believe that
- 11 our Facial Recognition Policy calls for a weekly
- 12 report --
- 13 COMMISSIONER HOLT: Right.
- 14 COMMISSIONER CARTER: -- of uses, any inquiries,
- 15 that kind of thing. I can't recall exactly what.
- 16 DC FITZGERALD: I'm going to have Captain Toski
- 17 come forward, ma'am, if that's okay. He can report out.
- 18 COMMISSIONER CARTER: Okay. So we're expecting
- 19 this report weekly.
- 20 DC FITZGERALD: Weekly?
- 21 COMMISSIONER CARTER: Yes.
- DC FITZGERALD: Okay.
- 23 COMMISSIONER CARTER: That's what the policy
- 24 calls for.
- DC FITZGERALD: All right.

- 1 COMMISSIONER GRIFFIE: Through the Chair, I'd
- 2 like to make sure that we get it in writing as well.
- 3 COMMISSIONER CARTER: Yes, absolutely.
- 4 CAPT. TOSKI: Good afternoon. Eric Toski, Crime
- 5 Intelligence. So we have that report ready to go. We were
- 6 figuring out the protocol about how to get it to the office
- 7 properly. We've created a dashboard that will allow us to
- 8 automate the report. And so it was set up; it's just the
- 9 manner in which we go through channels to get to the Board
- 10 properly; having to go through the deputy chief of the
- 11 Detective Bureau, and then both assistant chiefs, and the
- 12 chief prior to signing it off. So they're going to sign
- off on it every week prior to the Board getting it.
- 14 So creating that protocol is what I've been
- 15 dealing with the last several weeks. But the report itself
- 16 is done, and it's formatted. So we just want to wait to
- 17 deliver it properly and figure out what best mechanics to
- 18 deliver it. But it is -- clearly I understand the policy:
- 19 The number of the facial recognition requests; the date
- 20 that the request happened; the crimes that it was for, and
- 21 whether the lead was generated.
- We are going to have a third category in that
- 23 lead, so not only positive or negative. Because some of
- the leads are in process, I made a condition that we'll
- 25 have three things pop up. It will either be a negative

- 1 lead, a positive lead, or a lead that's still in progress
- 2 at the time. So you'll capture things that we haven't
- 3 finished working on yet.
- 4 COMMISSIONER CARTER: Okay. And follow-up
- 5 question for me -- and I don't know if any other
- 6 commissioners have questions -- would be when you give us
- 7 that paper copy of the report, will it include weeks
- 8 leading up to the week that we're in.
- 9 CAPT. TOSKI: I can --
- 10 COMMISSIONER CARTER: Well that's what I want.
- 11 So I'm not -- I quess it's not a -- it's not a --
- 12 CAPT. TOSKI: No. Through the Chair, I can go
- 13 back. Without question, I'll go back to the beginning of
- 14 the policy. It's not a problem.
- 15 COMMISSIONER CARTER: Okay.
- 16 POLICE OFFICER: All the data is there. It was
- just the matter of getting the mechanics and the protocol
- 18 together to actually make this document, because it's
- 19 captured on a spreadsheet. I don't want to just hand you a
- 20 spreadsheet without having like the data extracted. And I
- 21 was trying our best to automate it so we don't have to
- 22 actually download a spreadsheet every week and create it
- 23 into what's called a tabloid dashboard. So we had our data
- 24 scientist make that dashboard for us just automated.
- 25 Because we know it's going to be weekly and it's going to

- 1 be -- make it as easy as possible to get it to the Board
- 2 and make it as expedient as possible. Because we want the
- 3 to make sure that you have it well in advance of your
- 4 meeting.
- 5 COMMISSIONER CARTER: So are we saying next week,
- 6 or are we saying the week after? So when will we actually
- 7 have a report?
- 8 CAPT. TOSKI: I asked the Board to let me confer
- 9 with the bosses. I know the chief is out of town for ISCP.
- 10 It's ready to go. I don't know if he can speak to that.
- 11 But it's ready to go. I'd hate to give you something
- 12 without the chief signing off on it, but it is there. And
- 13 either way, all the data is there all the way back until
- 14 September 12th to when the policy was enacted.
- 15 COMMISSIONER CARTER: Thank you, sir. Any
- 16 questions, commissioners?
- 17 COMMISSIONER GRIFFIE: Yes. So I know that there
- 18 were certain fields that were asked for directly in the
- 19 directive. But I think in light of maybe not having it
- 20 next week, it would be good to look at what fields we
- 21 should be expecting to see. Because I don't know how your
- 22 dashboards work, whether it's -- Unintelligible -- But
- 23 before you get too deep in that process, it might be a good
- 24 idea to make sure there's no additional information that
- 25 this body is going to be wanting to see every week before

- 1 you finalize it and it gets too far throughout the process.
- 2 CAPT. TOSKI: Sure. Through the Chair, the
- 3 policy demands that we show the date that the request was
- 4 submitted, the crimes that the request was submitted for,
- 5 and whether or not lead was generated. So that's what the
- 6 dashboard was created to show.
- 7 COMMISSIONER GRIFFIE: Yeah, but at any --
- 8 through the Chair. Sorry. At any moment we can request
- 9 additional information. I'm just trying to save you time
- 10 from upon getting a report and then asking then for
- 11 followup information that would then need to be provided
- 12 weekly. But it's your call how you want to do it. I just
- 13 know how this body works. If I get a report and I have a
- 14 lot of questions, it's just going to require you to go back
- 15 and make an ad hoc report from. So it's up to the
- 16 department. But I would advise that we kind of just get an
- idea of what we're going to be looking at every week, then
- 18 we can provide feedback before the final --
- 19 COMMISSIONER BELL: The final.
- 20 COMMISSIONER GRIFFIE: Especially since it's
- 21 taken so long, over a month, for them to -- which I think
- 22 is personally unacceptable. I mean, as much work as we
- 23 went through trying to get that policy in place, we need to
- 24 make sure that we're enforcing it. I get that it has to go
- 25 through an approval process. I think that should be a

- 1 priority of the department to get that to us, because it's
- 2 been --
- And now that we're talking about it, I would
- 4 actually like to see -- since we've used the software, you
- 5 know, I think we're going through September 12th. But the
- 6 software has been used since last year. So it might
- 7 behoove the department to provide a list of what's occurred
- 8 even before September 12th so we have working knowledge of
- 9 what's happened.
- 10 COMMISSIONER CARTER: Is that doable?
- 11 CAPT. TOSKI: Through the Chair, in part it's
- 12 doable. So we haven't -- since the inception of the
- 13 software, we weren't tracking everything in the beginning
- of the time that we got the software. I can assure you
- 15 that since the last few months that we've been talking
- 16 about this, we've gone back as far as we can to update our
- 17 spreadsheets to accurately track all the information and go
- 18 back on all the cases. I'm very confident that we have a
- 19 significant amount of data. We have all of the -- all of
- 20 this year properly tracked in terms of our cases and what
- 21 -- in terms of our positive leads. We don't have a lot of
- 22 data on our negative -- on the leads that were not
- 23 generated. So anything that came up with a negative lead,
- 24 we did not go back and update a lot of our spreadsheets on,
- 25 because it was a considerable volume of cases.

- So we have over 200 positive leads in 2019. All
- 2 those have been -- we got data on that from the start of
- 3 the case to what the status of the case was as of
- 4 September 12th, because we were -- we had to go in manually
- 5 in RMS and look up every case. We don't have a way to
- 6 automate whether the case is active or closed, or closed by
- 7 arrest, or exceptionally closed or anything like that. So
- 8 a lot of the extraneous information about any particular
- 9 case or any particular lead can be data mined, but it's not
- 10 automated.
- 11 The information that is automated is information
- 12 that's set in the policy. I'd be happy to give you any
- information outside of that, but it would have to be
- 14 something that we would have to look up manually, and I
- 15 would have to tag somebody with that.
- 16 COMMISSIONER CARTER: So tell me again what's
- 17 going to be -- because you're speaking on that. I would be
- 18 interested in knowing how many arrests were made as a
- 19 result of the software -- I mean the technology. So you
- 20 said you're going to track the date --
- 21 CAPT. TOSKI: The date -- through the Chair, the
- 22 date that the request was made, what the crimes we're
- 23 trying to solve, and whether or not the lead was -- what
- 24 happened with the lead, if it was a positive lead or a
- 25 negative lead.

- 1 COMMISSIONER CARTER: Okay.
- 2 CAPT. TOSKI: I can tell you that as of
- 3 September 12th -- and I haven't checked since
- 4 September 12th. But as of September 12th we had fourteen
- 5 cases that were closed but fully adjudicated cases that we
- 6 either closed by guilty by trial, guilty by plea, or guilty
- 7 by bench. But we would have to go back and look at every
- 8 case, the ones that had positive leads, and see.
- 9 So some of the cases have multiple defendants in
- 10 it. There might be a positive lead for one defendant and
- 11 the case could be opened for other defendants. There could
- 12 be multiple crimes, and then the case would be open for one
- 13 crime, closed for other crimes. So there's a lot of
- 14 variables for every case. But like I said, that all could
- 15 be mined. I would just ask time on anything that you want
- 16 us to mine, because we have to do it manually.
- 17 COMMISSIONER GRIFFIE: Through the Chair, I have
- 18 one thing to add.
- 19 COMMISSIONER CARTER: Commissioner Griffie.
- 20 COMMISSIONER GRIFFIE: And I quess this is -- to
- 21 get back to the chief, I think what we need --
- 22 Unintelligible -- key pieces of data that I heard. What
- 23 are we going to use to evaluate the success of the program?
- 24 At any moment this body could decide that we want to halt
- 25 the program. That's part of our authority. So I just want

- 1 to know -- for me those four things are great -- are good
- 2 in terms of evaluating what's happening operationally, but
- 3 for -- I'm thinking about metric. I say, are we helping
- 4 us, or hurting us, or doing nothing at all? I think we
- 5 need to start thinking about what that looks like.
- 6 So are we solving cases faster? I want to see
- 7 some metrics behind this program, especially if we're going
- 8 to making an investment in the millions of dollars per year
- 9 number. And so maybe the body and the chief can consider
- 10 what that looks like and come back to us with
- 11 recommendations around what types of metrics you want to
- 12 see resolved by the investment we made and the allowable --
- and the approval that this body has been given to enact or
- 14 seize the software.
- DC FITZGERALD: Through the Chair, I'll work
- 16 really hard to get you your draft data by next Thursday. I
- 17 know the chief's out town. I'd have to get back to you
- 18 early next week. But we can get him on the phone and we
- 19 can work through whatever we can. At least --
- 20 Unintelligible -- you guys can decide whether you want it,
- 21 don't want it, want changes, and we'll work through that.
- 22 Is that fair?
- 23 COMMISSIONER GRIFFIE: Yes.
- 24 COMMISSIONER CARTER: That's fair.
- MR. HICKS: Excuse me, Madam Chair.

- 1 COMMISSIONER CARTER: Commissioner. I mean, not
- 2 commissioner. Mr. Hicks, yes.
- 3 MR. HICKS: Just so we're clear, the report is
- 4 talked about as a weekly report. We're also saying weekly
- 5 data and then cumulative data as well?
- 6 COMMISSIONER CARTER: Yes.
- 7 MR. HICKS: Okay. Okay.
- 8 COMMISSIONER CARTER: Any other questions,
- 9 comments, commissioners?
- 10 COMMISSIONER HOLT: No.
- 11 COMMISSIONER CARTER: Commissioner Bell?
- 12 COMMISSIONER BELL: Yeah. Briefly, Madam Chair.
- 13 There was a major incident on the east side of Detroit, I
- 14 think Cadieux and Warren area, where a young man was
- 15 sitting on the bench waiting on the bus, and he was
- 16 attacked by three young men.
- 17 At some point in time, I know you're on top of
- 18 this, could you report out to the Board as you make
- 19 progress in terms of whatever that is. I think that is
- 20 something that is alarming to all of us when a person's
- 21 sitting there and all of a sudden he's attacked and kicked.
- 22 You know, any incident is major, but I think that instance
- 23 of -- we're all concerned, you know, when a --
- 24 Unintelligible --
- 25 COMMISSIONER HOLT: Yes.

- 1 DC FITZGERALD: Yes, sir.
- 2 COMMISSIONER BELL: Thank you.
- 3 COMMISSIONER CARTER: Thank you, commissioners.
- 4 Thank you, sir.
- 5 COMMISSIONER HOLT: Thank you, sir. And thank
- 6 you Chair.
- 7 COMMISSIONER CARTER: At this time, we'll have
- 8 the presentation, the Hit-and-Run Investigations, by
- 9 Commander Tiffany Steward.
- 10 CMDR. STEWARD: Good afternoon. Through the
- 11 Chair, my name is Tiffany Steward. I'm the commander of
- 12 the Major Crimes Division, Detroit Police Department.
- 13 Within that division falls the Fatal Squad which handles a
- 14 number of accidents within the city of Detroit. Sergeant
- 15 Paul Warner leads the Fatal Squad. Today he will be giving
- 16 the presentation on hit-and-runs for you.
- 17 SGT. WARNER: Thank you. Good afternoon.
- 18 Through the Chair, good afternoon.
- 19 COMMISSIONER CARTER: Speak right -- pull the mic
- 20 down.
- 21 SGT. WARNER: Sure will.
- 22 COMMISSIONER CARTER: Okay, thank you.
- 23 SGT. WARNER: Can we start my presentation. So
- 24 it's a Hit-and-Run Investigation. My true members consist
- 25 of two sergeants and five investigators.

- 1 We as a team investigate all critical, all fatal
- 2 crashes. All critical by age crashes that involve serious
- 3 injuries and all operating while intoxicated drug offenses.
- 4 We are notified on numerous other types of crashes that
- 5 result in like police vehicles involved, city vehicles
- 6 involved. Like for hit-and-runs I was going to give you
- 7 this presentation based on it.
- 8 Crash investigations are conducted to properly
- 9 determine -- the reason why we do it is to properly
- 10 determine factors involved in motor crashes and utilize
- 11 these factors to develop enforcement that will reduce
- 12 crash incidents. The Detroit Police performs a variety
- 13 of traffic functions, including but not limited to
- 14 providing emergency services to the injured, protecting
- 15 the crash scene so we have evidence, and conducting the
- 16 crash investigation. That's the follow-up portion of our
- 17 investigation.
- 18 We do have accident trained officers throughout
- 19 the city. They respond to accidents that do not fall
- 20 under the criteria of critical or fatal. They
- 21 investigate those within their precinct and do follow-up
- 22 investigations. And then we also have our traffic
- 23 enforcement units, we have our motor units that's within
- 24 the precinct to do the enforcement to try to reduce
- 25 accidents.

- 1 The duties of the investigation is confined to
- 2 criminal aspects. That's what we look at is criminal. We
- 3 do not give conclusions on civil as a law enforcement body.
- 4 Our techniques that I use and that have been
- 5 instructed to precinct personnel are these but not limit
- 6 to these. We obtained -- on hit-and-runs these have
- 7 helped us. Vehicle cars that are left at the scene. We
- 8 can identify cars from the parts numbers that are on the
- 9 back. We can get lists of registered vehicles based on
- 10 ZIP Codes within counties which assist us in identifying
- 11 the car that left that park.
- 12 Obviously we have DNA from airbags if the car is
- 13 left at the scene, which is crucial for identifying the
- 14 driver of the car. We may find the car but not the driver.
- 15 So the DNA is crucial. Other evidence within the vehicles
- 16 we can identify through investigative techniques on who was
- 17 in that car at the time of the crash.
- 18 Crucial on our hit-and-run is Green Light
- 19 video, closed caption TV on businesses and homes. The
- 20 license plate readers that we have on mobile have helped
- 21 in cases identifying -- once we've identified the car to
- 22 see if they were in our area prior to the crash. Our
- 23 biggest help is Crime Stoppers and citizens. They're the
- ones that give us the information. When people don't
- 25 want to talk to us directly, we get tips all the time on

- 1 our cases which help us tremendously. So those would be
- 2 the most important things in our crashes.
- We do have limitations. If you have a
- 4 hit-and-run and you come out of your house and you have a
- 5 damaged mirror, car, and you have no witnesses, no video,
- 6 no car parts left, we have limitations. We need something
- 7 to go on. So if we don't have any of it, that may be a
- 8 case that is never solved unless we get citizen assistance
- 9 in that -- or witnesses coming forward to help us.
- I put up some stats here. The pie chart for
- 11 2018; the light shade is reported crashes. For the city
- of Detroit, there were 19,137 crashes. Out of those
- crashes that year, we had 7,157 hit-and-runs; 37% of the
- 14 crashes that were reported. Out of those crashes that
- 15 year, my team handled 189 of them that were fatal or
- 16 critical. Out of those fatals, we had eleven
- 17 hit-and-runs, okay. Our closure rating that year was 65%
- 18 overall for the cases that Fatal Squad investigated.
- 19 This year, year-to-date as of September 30th of
- 20 this year, we've had 14,433 reported crashes. Out of
- 21 those 5,457. Again right around the 38%. Thirty-eight
- 22 percent. The prior years 37%.
- Out of those, this year so far we've had 22 hit
- 24 and runs out of 78 fatals. And our closure rating right
- 25 now out of the fatals is 60%. And overall for the year

- 1 at the time of this report for 9/30 was 154 cases
- 2 critical and fatal together.
- 3 The technology is helpful. I showed the
- 4 limitations that we have. I'd like to tell you a success
- 5 story that we had this year. We had a gentleman that was
- 6 struck on the east side, the Ninth Precinct. Just
- 7 walking across street was struck by a car. Citizens gave
- 8 us a description of a dark SUV. There were no car parts
- 9 left. My team was able to go out and find the closed
- 10 caption TV from a business. Just prior to the crash, we
- 11 identified a dark-colored van. We entered that
- 12 information into the State. We were able to get a list
- of cars. We focused on the area, because the vehicle had
- 14 turned into a neighborhood. We ran all the plates that
- 15 were registered in that area, and one minute prior to the
- 16 crash it was caught on a Mobile License Plate Reader from
- 17 a scout car five blocks from the crash. Just prior to
- 18 the crash. We were able to identify that registered
- 19 owner's address. We found the car with the damage, and
- 20 we subsequently got a confession from the driver, and a
- 21 warrant was signed by the prosecutor.
- 22 Any questions?
- 23 COMMISSIONER CARTER: Great job.
- 24 COMMISSIONER HOLT: Through the Chair.
- 25 COMMISSIONER CARTER: Commissioner Holt.

- 1 COMMISSIONER HOLT: Okay. When you compare your
- 2 stats from 2018 and then again 2019, it appears that the
- 3 incidents did in fact decline even though your percentage
- 4 maintained itself as it relates to the total hit-and-run
- 5 incidents. Again, it appears that the incidents overall
- 6 declined. And my question; what do you attribute to the
- 7 decline as compared to the stats from 2018 and the stats up
- 8 to September 2019?
- 9 SGT. WARNER: Through the Chair, the stats for
- 10 current year is to date, to September 30th. The stats that
- 11 are on 2018 are for year-to-date; from January 1st to
- 12 December 31st. So that's the difference. So we still have
- 13 three months to account for for this year.
- 14 COMMISSIONER HOLT: Oh. Oh, okay. All right.
- 15 Through the Chair, at Commissioner Burch's event over at
- 16 Pleasant Grove a number of the citizens came to the mic and
- 17 complained about the speeding that occurs in and around
- 18 Dequindre. Is that correct?
- 19 COMMISSIONER BURCH: Yes, ma'am.
- 20 COMMISSIONER HOLT: So my question is, do we ever
- 21 consider a serious discussion about installing bump-ups?
- 22 Obviously on those streets whereby it's obvious that all of
- 23 the other signage, and perhaps if we have the resources in
- terms of a police officer standing by, do we ever take on
- 25 the serious discussion between I imagine the City of

- 1 Detroit and the Detroit Police Department to install in
- 2 bump-ups?
- 3 DC FITZGERALD: Through the Chair, we have a lot
- 4 of different discussions. A lot of different issues come
- 5 up as to a state road, a county road, a city road. That
- 6 kind of falls into play as well. We don't have a lot of
- 7 resources. We don't have a lot to have an officer standing
- 8 by waiting.
- 9 COMMISSIONER HOLT: Right.
- 10 DC FITZGERALD: And the ones that we can, we will
- 11 do our best to put a speed bump in place to slow some of
- 12 that traffic down. But some of those are state roads, so
- 13 we have no authority to do it.
- 14 COMMISSIONER HOLT: So do we. The Detroit Police
- 15 Department or the City of Detroit?
- 16 DC FITZGERALD: Both.
- 17 COMMISSIONER CARTER: Commissioner Bell.
- 18 COMMISSIONER BELL: Yes, Madam Chair, we have had
- 19 those serious discussions about speed bumps. And they are
- 20 available. It's a maximum in terms of budget, but they're
- 21 out in the city of Detroit. Every block would love to have
- 22 one of those, but unfortunately, as you well know, it's not
- 23 feasible.
- I just want to speak to that type of report to
- 25 our so-called critics out there. I think we don't have

- 1 that type of audience, but they've been attacking Green
- 2 Light and the technology that's available. And this is
- 3 21st century. Back in the day we would not have been able
- 4 to solve that particular hit-and-run. But with the
- 5 technology that's available on the market and with the
- 6 Green Light Program over five hundred source of --
- 7 Unintelligible -- are they a success?
- 8 Well come on now. We know that people are
- 9 mobile. They move around. But you just cited a classic
- 10 reminder of the technology, that we want to take advantage
- 11 of solving crime. And it's not just being casually used.
- 12 But I'm pretty sure that family appreciates that type of
- investigation that we try to undergo with the technology
- 14 that's available to us. So I just wanted to share that.
- 15 Thank you for that.
- 16 COMMISSIONER GRIFFIE: Through the Chair.
- 17 COMMISSIONER CARTER: Commissioner Burch, and
- 18 then Commissioner Griffie.
- 19 COMMISSIONER BROOKS: Yes. Thanks through the
- 20 Chair. I just wanted to share; thank you so much
- 21 Commissioner Holt. Everybody knows Dequindre in the city
- 22 of Detroit. They use the street as a freeway. Everybody
- 23 knows. But guess what; it's residential. There are homes
- 24 on both sides of the street. We've tried and asked Mr.
- 25 Fitzgerald about speed cushions. They said it cannot be

- 1 because it's a city road. We understand all that. But
- 2 we're still trying to figure out just like the constant
- 3 accidents that happen. And cars can be parked, and they
- 4 hit it. Just like you just said, hit-and-run.
- 5 What happens to people that car is parked? Why
- 6 are -- and please answer this question if you can. Why is
- 7 it that the responsibility to pay for towing is the
- 8 person's car that was sitting there? Why would that be
- 9 their responsibility to pay for the towing?
- 10 SGT. WARNER: Through the Chair, I don't believe
- 11 I can answer that one.
- 12 CMDR. STEWARD: Through the Chair, Commissioner
- 13 Burch. Someone to pay for the towing on a hit-and-run
- 14 vehicle of a parked car?
- 15 COMMISSIONER BURCH: Yes, that's what I'm saying.
- 16 So the owner of the car that was hit parked.
- 17 CMDR. STEWARD: Unfortunately, it's a service.
- 18 Somebody's got to pay for towing. Unfortunately, the cost
- 19 probably would fall on the person whose vehicle was towed.
- 20 Somebody has to pay it. The city doesn't have those
- 21 resources to just tow vehicles and nobody pays for it.
- 22 COMMISSIONER BROOKS: I understand that. I was
- 23 just saying that the responsibility should be on the person
- 24 that did the accident. The person that did it, they should
- 25 be paying for it.

- 1 CMDR. STEWARD: Oh, I thought you were talking
- 2 about a hit-and-run. If we have a hit-and-run for parked
- 3 vehicles we don't oftentimes find those drivers,
- 4 unfortunately.
- 5 COMMISSIONER CARTER: All right, thank you.
- 6 Commissioner Griffie.
- 7 COMMISSIONER GRIFFIE: Yes. One of -- this
- 8 conversation is bringing me back to a conversation I had
- 9 with Officer Star Gonzalez at the beginning of this year
- 10 around the need for programs really and at public schools
- 11 within Detroit for high school students. Because as I'm
- 12 thinking about 40% of people who are committing accidents
- and running away, I'm sure part of it has to do with lack
- 14 of license, lack of insurance, lack of all the
- 15 qualifications they need to drive.
- In my conversation with Star earlier this year,
- 17 there was a candidate that I wanted to apply to the police
- 18 department who was really interested but had no license.
- 19 And had no license not because they hadn't tried, but for
- 20 lack of resources. Their parent couldn't afford to send
- 21 them to Driver's Ed. There were all these hurdles. We
- 22 ended up helping her get there. But I think in talking
- 23 with Star, we probably -- it would be I think a great
- 24 project for us to work on or at least some of us figure out
- 25 how we can develop some kind of program to get Detroit

- 1 school kids what they need. You know, they've taken
- 2 Driver's Ed classes away, and I'm sure that creates a lot
- 3 of undue burden on them.
- 4 COMMISSIONER CARTER: There is funding.
- 5 COMMISSIONER GRIFFIE: I know there's funding but
- 6 with limitations. I talked with Star.
- 7 COMMISSIONER BELL: Supplemental.
- 8 COMMISSIONER GRIFFIE: Supplemental or some
- 9 additional -- whether it's us kind of trying to help put
- 10 more support behind that program. I do think that it is
- 11 causing some undue stress in the police department.
- 12 And also from our recruitment perspective, a lot
- of the officers that want to apply don't have ID or
- 14 licenses. You know, so in order to be a police officer you
- 15 have to have a license. So I think it might behoove us
- 16 just watching these statistics -- Unintelligible --
- 17 conversation to try to think about what we can do as a
- 18 third party to the police department to try to push that
- 19 program. And hopefully it will trickle down some of this
- 20 statistics we're seeing today around getting a proper
- 21 education of how to drive and what to do if you get into a
- 22 car accident.
- These numbers are alarming, 40%. I imagine that
- they're much higher than any other municipality around
- 25 town. Like even urban areas. But 40% is pretty high.

- 1 CMDR. STEWARD: Probably. But probably obviously
- 2 within Michigan. Other large Metropolitan areas probably
- 3 comparable. I think Detroit's been on the upswing. A lot
- 4 more people. One of the things you see when you go to
- 5 major metropolitan cities is they have a major amount of
- 6 accidents; fatal, criticals. I think it's just because of
- 7 the number of people that you have in the city.
- 8 COMMISSIONER GRIFFIE: I'm just saying, do you
- 9 believe the same number of people are hitting and running?
- 10 So I think you have an accident composite.
- 11 CMDR. STEWARD: That we would be interesting. I
- 12 don't really know about that.
- 13 COMMISSIONER GRIFFIE: Yeah. So that's the --
- 14 the fact that we got 40% of people getting in accidents
- 15 that are not taking --
- 16 CMDR. STEWARD: Won't stop and acknowledge.
- 17 COMMISSIONER GRIFFIE: And acknowledging, yes.
- 18 And insurance rates and all that comes back to citizens.
- 19 COMMISSIONER CARTER: Thank you.
- 20 COMMISSIONER HOLT: Thank you.
- 21 COMMISSIONER CARTER: At this time are there any
- 22 standing committee or ad hoc committee reports?
- COMMISSIONER BROOKS: I don't have a report, but
- 24 I'd like to respond to commissioner over there. We started
- 25 several years ago at one of the high schools Driving for

- 1 Success. It's still going on. It's going strong. Anyone
- 2 out there would like to contribute, our fiduciary person
- 3 that handles the checks is the Safety Foundation here in
- 4 the building. So we want all children, even if they don't
- 5 apply to be a police officer, to have some sort of ID. So
- 6 that's still going on. Thank you.
- 7 COMMISSIONER CARTER: Thank you. Any other
- 8 committee reports?
- 9 And at this time we'll have the secretary's
- 10 report.
- 11 MR. HICKS: Thank you, Madam Chair. I do want to
- 12 draw your attention to six items that are listed on the
- 13 agenda. Again, as always, these are the items that are
- 14 listed on the agenda. They really reflect incoming
- 15 activity into -- or letters, reports, and things of that
- 16 nature into the office. As they sit at this portion on the
- 17 agenda, they're not on that agenda for action. They may be
- 18 on the agenda elsewhere for action, however. But at least
- 19 under this report it's really just a compilation of the
- 20 flow of information in and out of our office.
- 21 I do want to indicate that the Budget
- 22 Instructions for the 2020/2021 budget year has arrived.
- 23 We have a responsibility to have a draft budget to the
- 24 agency CFO by November 27th. We've also been invited to
- 25 participate in a panel discussion at Wayne State

- 1 University with the Wayne State University College
- 2 Republicans. And this is a panel discussion. I believe
- 3 it was on facial recognition.
- 4 There's also a request in the office which we
- 5 discussed with the Chair, and this is a request for legal
- 6 representation for one of our investigators. In reviewing
- 7 that request, it does not appear that the request is out of
- 8 the ordinary. This is simply whenever a person who's
- 9 employed with the city is named in a lawsuit that the city
- 10 provides legal representation for them. So that would be
- 11 the case in this one.
- 12 And number four, the eight directives that --
- 13 I'm not going to spend any time on those eight
- 14 directives, because that's the subject of the report on
- 15 the new business. And then I'd also note that in the
- 16 packet following the referral that was made from
- 17 Commissioner Dewaelsche last week that there is a copy of
- 18 the proposed amendment for the bylaws. And today would
- 19 start your thirty day clock in connection with that
- 20 amendment.
- 21 And then the final item is that we received a
- 22 request from the chief of police for the promotion of an
- 23 officer to the position of sergeant. And that we're in the
- 24 process of reviewing, and we'll be making the
- 25 recommendation and probably adding it to the other

- 1 recommendations in which we have received thus far, or the
- 2 other request that we've received so far. We're still
- 3 awaiting, I would say, on those other requests.
- 4 Last week you asked that we prepare a set of
- 5 questions for the chief. This has to do with the four
- 6 lieutenants and some fifteen sergeants who he had requested
- 7 promotions. We drafted those questions, transmitted those
- 8 to the chief. You all have seen copies of it. They were
- 9 included in your packet, I believe, last week, and we're
- 10 awaiting the response from the chief's office. When we get
- 11 the response from the chief's office we'll schedule that
- 12 discussion for those promotions in front of the Board
- 13 immediately. And unless you have any particular questions,
- 14 Madam Chair, that would be my report.
- 15 COMMISSIONER CARTER: Thank you, Mr. Hicks.
- 16 Questions, commissioners.
- 17 COMMISSIONER DAVIS: Question. Was there going
- 18 to be something on policy update or just the package we
- 19 have?
- 20 COMMISSIONER CARTER: It's under new business.
- 21 COMMISSIONER DAVIS: Okay.
- 22 COMMISSIONER CARTER: Under unfinished -- thank
- 23 you, Mr. Hicks.
- 24 Under unfinished business, we have the hearing
- 25 request regarding disqualification from Antar Otis. And

- 1 Mr. Wyrick, this is something that is from last week.
- 2 MR. WYRICK: Correct, Chair.
- 3 COMMISSIONER CARTER: We put it over today for
- 4 corrections to the summary.
- 5 MR. WYRICK: Yes. There was one typo on the last
- 6 name last week, so that has been corrected. We have a more
- 7 extensive report as well.
- 8 COMMISSIONER CARTER: Okay. So --
- 9 MR. WYRICK: If I may.
- 10 COMMISSIONER CARTER: Yes.
- 11 MR. WYRICK: Through the Chair, very
- 12 specifically, this is a hearing request to determine
- 13 whether or not a candidate can be reinstated into the
- 14 application process for the Detroit Police Department.
- 15 Candidate Antar Otis was permanently disqualified
- 16 based upon his arrest history, moral character, and
- 17 falsification of documents, which included unfavorable
- 18 police contacts stemming from disputes with his brothers,
- 19 and animal control complaints, and street fights. He's
- 20 currently twenty-five years of age. If you go to the page
- 21 beyond the cover page, you will see there's actually three
- 22 pages.
- Our recommendation, our staff recommendation, is
- 24 to uphold the denial of his request. Very specifically, he
- 25 filled out an employee interest card in 2014. He was first

- 1 notified of his disqualification in 2017, and then most
- 2 recently February 4, 2019. His police contacts stem from
- 3 reports from both Southfield and the Farmington Hills
- 4 Police Department.
- 5 Many of these contacts were juvenile contacts
- 6 beginning in 2007 when he was actually thirteen. It was a
- 7 domestic dispute. 2008 he had an altercation with his
- 8 brother. Another 2009 situation where his brother alleges
- 9 that he punched him in the face and stole his phone. The
- 10 animal control complaint was in 2009. There was another
- 11 situation in 2009 at a YMCA involving a fight. There's
- 12 also some concern about his overall demeanor and attitude;
- 13 that he was yelling and cursing and belligerent when trying
- 14 to request records from Southfield Police Department.
- Based upon his negative aggressive behavior, his
- 16 favor failure to disclose his complete arrest, we believe
- 17 he has insufficient integrity or moral character to adhere
- 18 to the standards. Very specifically under the Charter, the
- 19 Board is empowered to hear this. This is in Section 78-13.
- 20 So our recommendation is to deny his request. But, of
- 21 course, that's subject to the Board vote.
- 22 COMMISSIONER BELL: Madam Chair.
- 23 COMMISSIONER CARTER: Commissioner Bell.
- 24 COMMISSIONER BELL: I support the recommendation
- 25 to deny appeal.

- 1 COMMISSIONER HOLT: So moved.
- 2 COMMISSIONER GRIFFIE: Second.
- 3 COMMISSIONER HOLT: Second.
- 4 COMMISSIONER CARTER: It's been moved and
- 5 supported that we deny the appeal for Antar Otis. Is there
- 6 any discussion?
- 7 COMMISSIONER BROWN: Just one comment, Madam
- 8 Chair.
- 9 COMMISSIONER CARTER: Yes, sir.
- 10 COMMISSIONER BROWN: This is the type of
- 11 information that we needed on all the other candidates that
- we've been talking about; going over all everything
- 13 specifically that happened that we did not receive. And we
- 14 made those blind votes on those candidates, so --
- 15 COMMISSIONER CARTER: We received the
- 16 information.
- 17 COMMISSIONER BROWN: But we didn't receive it.
- 18 COMMISSIONER CARTER: Yes, we did.
- 19 COMMISSIONER BROWN: I didn't receive it.
- 20 COMMISSIONER CARTER: Okay.
- 21 COMMISSIONER BROWN: That's what I'm saying. As
- 22 a commissioner when this is put before me, this is what I
- 23 would like to see, is this type of information so I can
- 24 make a competent decision.
- 25 COMMISSIONER BELL: Madam Chair.

- 1 COMMISSIONER CARTER: Commissioner Bell.
- 2 COMMISSIONER BELL: I would direct the staff to
- 3 give confirmation when they make a home delivery to a
- 4 commissioner's house of information that's provided by
- 5 email to report out the last meeting. It has been a
- 6 standard practice for quite some time, but I think they
- 7 need to get confirmation to the Chair that they have made
- 8 that type of delivery; then we can resolve this issue of
- 9 indicating they don't get email or don't get home delivery.
- 10 We can get confirmation on that prior to our meeting. This
- 11 information was provided to all, so I just direct the staff
- 12 to be supportive of that.
- 13 MR. WYRICK: And it was provided even before it
- 14 was actually given a summary format last week as well.
- 15 COMMISSIONER CARTER: Any other discussions?
- MR. WYRICK: And the details were attached.
- 17 COMMISSIONER BROWN: Just one more thing, Madam
- 18 Chair. I would appreciate it going forward that you stop
- 19 home deliveries to my house. When you send things in the
- 20 mail send it through certified mail. And when it's
- 21 received, I pick it up then it's confirmation that I have
- 22 it; not based on what someone saying they dropped a package
- 23 off to my house. That's what I think -- that's where the
- 24 minutes and everything have been coming from; through the
- 25 mail, through U.S. mail. It should continue to do that and

- 1 not drop things at someone's house.
- 2 COMMISSIONER CARTER: We'll make note of that.
- 3 Any other discussion?
- 4 (No response)
- 5 COMMISSIONER CARTER: Those in favor of the
- 6 motion?
- 7 THE BOARD: Aye.
- 8 COMMISSIONER CARTER: Those opposed?
- 9 (No response)
- 10 COMMISSIONER CARTER: Motion carries. Thank you,
- 11 commissioners.
- 12 At this time under new business we'll have the
- 13 report from the executive policy manager. Before you get
- 14 started, Commissioner Holley has joined us. Thank you
- 15 for joining us.
- 16 COMMISSIONER HOLLEY: Sorry I'm late.
- 17 COMMISSIONER CARTER: That's okay.
- 18 MS. WHITE: Good afternoon, Honorable Board of
- 19 Police Commissioners. My name is Melanie White, and I am
- 20 executive manager of policy for the Board of Police
- 21 Commissioners. Today I am providing a policy update,
- 22 policy presentation on the policy directives within the
- 23 Board of Police Commissioners jurisdiction at this time.
- I will just go ahead and speak from the
- 25 PowerPoint presentation. And you should have the policy

- 1 packet in front of you. It includes the following: You
- 2 have the presentation in front of you along with the
- 3 Department's Proposed Directives. It's a pretty big
- 4 packet. Then you also have a policy of the Policy
- 5 Division Report that goes through each directive and
- 6 summarizes a directive, the revision, and also the
- 7 Board's recommendation where it's applicable. So you
- 8 should have three main items in front of you at this
- 9 time.
- 10 So speaking from the PowerPoint presentation,
- 11 the chief of police, Chief Craig, via Detroit Police
- 12 Department presented eight manual directives for the
- 13 Detroit Police Commissioners consideration and approval.
- 14 One of those manual and directives -- and I'm on page two
- 15 of the PowerPoint presentation. One of the manual
- 16 directive is a brand new policy directive entitled Mobile
- 17 Fingerprint Reader, Manual Directive 304.8. There are
- 18 seven revised manual directives. Just for your
- 19 information, six manual directives require policy
- 20 recommendations, and two manual directives are ready for
- 21 transmission to the Department today with no policy
- 22 recommendations.
- On page three of the PowerPoint presentation,
- 24 you have a full listing of each directive that was
- 25 presented. And I would just go ahead and walk through

- 1 that list. The first two directives, Department Internet
- 2 Uses, Will Pages, and Social Networking, 102.8, is a
- 3 revised policy. And Missing Or Lost Persons, 203.4, is
- 4 also a revised policy that does not require policy
- 5 recommendations at this time. And then the remaining six
- 6 policy directives require recommendations. The Mobile
- 7 Fingerprint Reader, as I just mentioned; Telephone Crime
- 8 Reporting; Nonemergency Calls for Service, 301.3;
- 9 Mobilization 205.3; Crime Scene Investigation, 203.1;
- 10 Drivers License and Permits, 204.5, and Towing and
- 11 Impound Procedures, 204.4.
- On page four of your PowerPoint presentation
- 13 Entitled Notes and Considerations, just to give you an
- idea of how to -- just information to walk through the
- 15 packet. Again, you have your recommendations, a chart at
- 16 a glance of the policy recommendations, a summary of
- 17 DPD's policy revision.
- So, again, when they submitted these policy
- 19 directives for your consideration, they are revised
- 20 directives. And so the Department went in and made its
- 21 annual -- or sometimes they make policy revisions every
- 22 three years. It depends on the policy. So they went each
- 23 particular unit that the policy pertains to, made
- 24 recommendations, and they presented it to the Board for
- 25 your approval.

- 1 Also in your packet, we are requesting to post
- 2 the Board's policy recommendations to the Board's website
- 3 once it's approved. You should also note that the
- 4 current post there -- the policy directives that you have
- 5 in front of you are currently posted to the Board's
- 6 website as well as DPD's website. The policy review and
- 7 evaluation spans over the last two quarters, and please
- 8 see the appropriate dates embedded within your package.
- 9 And also after this presentation, you will have a two
- 10 week review period before rendering a final decision on
- 11 the policy recommendations.
- 12 So the only policies that we are asking for your
- 13 approval today includes Department Internet Usage and
- 14 Missing Or Lost Persons. But the remaining six, you have
- 15 two weeks to review those policy recommendations.
- So at this time the following -- again, the
- 17 following manual directives require no policy directives;
- 18 and we are, therefore, asking the honorable board for a
- 19 motion to approve those recommendations as transmitted by
- 20 the department. And they include the following: Department
- 21 Internet Usage Web Pages Social Networking, 102.8; and
- 22 Missing or Lost Persons, 203.4. So at this time we're
- 23 requesting a motion to approve those two policy directives
- 24 as no policy recommendations are needed at this time.
- 25 COMMISSIONER CARTER: Commissioners?

- 1 COMMISSIONER GRIFFIE: Through the Chair.
- 2 COMMISSIONER CARTER: Commissioner Griffie.
- 3 COMMISSIONER GRIFFIE: I'd like to move that we
- 4 accept the recommended changes to the -- well I'm just
- 5 going to say the numbers -- 102.8-3 and 102.8-10 of the
- 6 Internet Uses and Web Pages Social Media Networking
- 7 Directive.
- 8 COMMISSIONER BELL: Second.
- 9 COMMISSIONER CARTER: It's been moved and
- 10 supported that we approve the submitted recommendations,
- 11 policy recommendations, for Policy 102.8; Internet Usage
- 12 Web Pages Social Networking.
- 13 Is there any discussion?
- 14 (No response)
- 15 COMMISSIONER CARTER: Those in favor.
- 16 THE BOARD: Aye.
- 17 COMMISSIONER CARTER: Those opposed?
- 18 (No response)
- 19 COMMISSIONER CARTER: The motion carries.
- 20 MS. WHITE: And then the second directive,
- 21 Missing Or Lost Persons.
- 22 COMMISSIONER GRIFFIE: That's 304 -- I just don't
- 23 know --
- 24 MS. WHITE: That's 203.4.
- 25 COMMISSIONER GRIFFIE: Okay. Just one second,

- 1 Commissioners. Through the Chair.
- 2 COMMISSIONER CARTER: Commissioner Griffie.
- 3 COMMISSIONER GRIFFIE: I'd also like to -- I move
- 4 that we accept the changes to Directive For Missing Or Lost
- 5 Persons, 203.4.
- 6 COMMISSIONER BELL: Second.
- 7 COMMISSIONER CARTER: It's been moved and
- 8 supported that we approve the recommended policy changes to
- 9 Missing Or Lost Persons, Directive 203.4. Is there any
- 10 discussion.
- 11 (No response)
- 12 COMMISSIONER CARTER: Those in favor.
- THE BOARD: Aye.
- 14 COMMISSIONER CARTER: Those opposed?
- 15 (No response)
- 16 COMMISSIONER CARTER: The motion carries. Thank
- 17 you, Commissioner Griffie.
- MS. WHITE: Okay, so the next, remaining policy
- 19 directives entail the following. And I'm on page eight of
- 20 your PowerPoint presentation, and we do have it working at
- 21 this time.
- 22 So Mobile Fingerprint Reader, Manual Directive
- 23 304.8, we identified the following recommendations for
- 24 your consideration. And they are as follows.
- 25 And just explaining what the Mobile Fingerprint

- 1 Reader is, it is a tool used to identify alleged criminal
- 2 suspects when there is no other identification available or
- 3 the like. The purpose of this directive provides guidance,
- 4 training, and appropriate use of the mobile fingerprint
- 5 reader. The recommendations that we identify are as
- 6 follows:
- 7 Certified department training should be required
- 8 before members are allowed to use the mobile fingerprint
- 9 device. Maintenance and care of the mobile fingerprint
- 10 reader should also be included within the policy directive.
- 11 Number three, utilizing the mobile fingerprint reader for
- 12 persons suffering from a mental disorder should be
- 13 addressed within the policy. And, again, all of these
- 14 recommendations are recommendations that we identified that
- 15 should either be addressed -- that should be addressed
- 16 within the policy. Number four, detectives and plain
- 17 clothes officers requesting assistance of the mobile device
- 18 from patrol officers. Number five, a recommendation for
- 19 the prohibition against the use of force when using the
- 20 mobile fingerprint reader. Number six, Board approval is
- 21 required prior to system or policy changes to this
- 22 particular policy. Number seven, a review of Civil Rights
- 23 Divisions findings should also be included within the
- 24 policy directives where the Office of Support Operations
- 25 reviews those findings after an audit is conducted. And

- 1 then the last policy recommendation includes an annual
- 2 reporting much like the facial recognition policy that we
- 3 just enacted requires annual reporting to the Board of
- 4 Police Commissioners on the use of this device. And,
- 5 again, please note that all of the details, the synopsis,
- 6 the summary is included in your written report. But for
- 7 the purposes of this presentation and in the interest of
- 8 time, I'm just simply highlighting the recommendations.
- 9 The next recommendation or the next policy
- 10 directive is Telephone Crime Reporting Nonemergency Calls
- 11 for Service on page nine, Manual Directive 301.3. And
- 12 the main policy recommendations that we identified
- 13 include the following:
- 14 Clarifying communication procedures to contact
- 15 the Telephone Crime Reporting Unit once the motor vehicle
- 16 theft report is approved by the precinct watch commander.
- 17 So basically streamlining the communication procedures.
- 18 The second recommendation is regarding the appropriate
- 19 handling of non-TCRU calls where a caller calls in and they
- 20 may state a civil matter over the phone, and the TCRU
- 21 operator says, well this is a civil matter; we do not
- 22 handle civil concerns. We are recommending that the
- 23 operators refer the caller to the appropriate entity as
- 24 opposed to just saying we don't handle civil matters. And
- 25 then you see the other recommendations listed there.

- 1 The next policy directive, Mobilization, 205.3.
- 2 We have a recommendation to add the requirement for
- 3 members both sworn and nonsworn to respond and comply
- 4 with the mobilization request, and also defining terms
- 5 for operational clarity.
- 6 The next policy directive, Crime Scene
- 7 Investigation, 203.1. We have identified policy
- 8 recommendations from the International Association of
- 9 Chiefs of Police who makes several recommendations
- 10 regarding release of the crime scene. And you see the
- 11 items or the recommendations listed in front of you. They
- 12 also make recommendations regarding members and detectives
- 13 following up with witnesses after a few days for additional
- 14 details.
- The second to last policy directive, Driver's
- 16 License and Permits, 204.5. Under 204.5-15 Unqualified
- 17 Operators, we are asking the Department to consider
- 18 whether there are any additional or other specific
- 19 actions besides completing a state form when observing a
- 20 motorist who might be unqualified to drive. So
- 21 department policy currently addresses this issue, but
- 22 we're asking that the Department consider additional
- 23 items that should be within the policy for consideration.
- 24 COMMISSIONER HOLLEY: Like what?
- 25 MS. WHITE: So currently department policy

- 1 requires department members who observe an unqualified
- 2 operator to complete a State Form OC88, which is noted in
- 3 your PowerPoint presentation. And that form is basically
- 4 sent to the Secretary of State regarding re-examining a
- 5 driver. We're also suggesting that the department take
- 6 additional action when observing a motorist who might be
- 7 unqualified to drive, such as continued monitoring,
- 8 contacting a family member or associate to transport that
- 9 individual.
- 10 So, again, these are recommendations for
- 11 consideration. And if you have any changes or revisions we
- 12 are, of course, welcoming that, because you have a two week
- 13 review period.
- 14 COMMISSIONER HOLLEY: Forgive me for not
- 15 recognizing you. I'm sorry.
- 16 COMMISSIONER GRIFFIE: Through the Chair.
- 17 COMMISSIONER CARTER: Uh-hmm.
- 18 COMMISSIONER GRIFFIE: So this driver's license,
- 19 the 204.5, I recall in the wintertime we had an issue; an
- 20 officer had a young lady walk in the cold. Would these
- 21 changes have assisted the officer in having -- well the
- 22 Department in having a policy that's going to what should
- 23 have happened?
- 24 MS. WHITE: We believe -- so we believe, through
- 25 the Chair, that this policy directive is applicable to

- 1 that -- to a scenario such as you just explained, and also
- 2 the next policy directive on Towing and Impound
- 3 Procedures --
- 4 COMMISSIONER GRIFFIE: Got it.
- 5 MS. WHITE: -- where some of the recommendations
- 6 is to incorporate reasonableness, legitimacy, and
- 7 appropriateness when impounding and towing vehicles. So
- 8 those two policy directives do address that item.
- 9 COMMISSIONER GRIFFIE: Okay, thank you.
- 10 MS. WHITE: And then the last recommendation for
- 11 Towing and Impound Procedures also recommends mandatory
- 12 annual reporting to the Board of Police Commissioners on
- 13 operations complaints as it relates to the tow operation.
- And your last item just includes some of the
- 15 references pertaining to these various policy directives.
- 16 A full listing of references is included in your written
- 17 report, and you have all of the items for your review for
- 18 the next two weeks in front of you with those three main
- 19 documents. And that concludes my presentation.
- 20 COMMISSIONER CARTER: Thank you, Ms. White.
- 21 Commissioners, you have any questions?
- 22 COMMISSIONER HOLLEY: Madam Chairperson.
- 23 COMMISSIONER CARTER: Commissioner Holley.
- 24 COMMISSIONER HOLLEY: Can she just take a moment
- or two and explain to the audience and to the people that's

- 1 viewing this session what we've just done? I mean, can you
- 2 just take an introduction of what we just done for the
- 3 audience and especially for the people who are viewing
- 4 this?
- 5 MS. WHITE: Sure.
- 6 COMMISSIONER HOLLEY: We just went into it. If
- 7 you don't mind, Madam Chairperson.
- 8 COMMISSIONER CARTER: No. That's perfectly fine.
- 9 MS. WHITE: So through the Chair, the Board of
- 10 Police Commissioners has the charter mandated authority
- 11 through Section 7-802, 7-803, and 7-806 to review and
- 12 approve Detroit Police Department policies and procedures.
- 13 And so we just walked through a number of policies that the
- 14 Department submitted to the Board for your review and your
- 15 approval.
- The process is generally when the policies are
- 17 transmitted to the Board of Police Commissioners, the
- 18 Honorable Board, those policies are also posted on the
- 19 public website for public feedback and for recommendations
- 20 from the public as well as recommendations from the
- 21 Honorable Body. And then in the interim, the Board's
- 22 Policy Division conducts a review and evaluation. That's
- 23 national best practices and practical approaches to the
- 24 policy directives. And then we present all of that
- 25 information to you for your consideration.

- 1 COMMISSIONER HOLLEY: And where does it go?
- 2 MS. WRIGHT: And once the Board of Police
- 3 Commissioners reviews the recommendations and adds any
- 4 revisions or what have you, then the information is
- 5 transmitted back to the Department for their consideration
- 6 as well. And then they'll -- it goes back and forth
- 7 through a process; then they transfer it back to the Board
- 8 for final approval.
- 9 COMMISSIONER HOLLEY: Thank you, Madam
- 10 Chairperson.
- 11 COMMISSIONER CARTER: You're welcome.
- 12 Commissioner Griffie and the Commissioner Davis.
- 13 COMMISSIONER GRIFFIE: Through the Chair, I just
- 14 want to commend Melanie White. She's done a fantastic job
- 15 since I've been on the commission helping us demystify a
- 16 lot of policies. She knows her stuff every time she comes
- 17 before us. And a lot of times the things I'm thinking
- 18 about end up in recommendations that we haven't even
- 19 submitted because she's just that thorough. So I just want
- 20 to say thank you for all your hard work.
- 21 COMMISSIONER CARTER: Thank you.
- 22 Commissioner Davis.
- 23 COMMISSIONER DAVIS: Question. Normally we only
- 24 have two weeks to approve or disapprove these when we get
- 25 them?

- 1 MS. WRIGHT: Typically you have -- that's the
- 2 general timeline. We have a 90-day review period to review
- 3 all of the policies. And so, yes, the two week period
- 4 gives you the time that you need to complete your review.
- 5 If you have any additional questions, you can always feel
- 6 free to contact the Board of Police Commissioners and staff
- 7 for additional information.
- 8 COMMISSIONER DAVIS: Okay. I just wanted the
- 9 audience to hear that.
- 10 COMMISSIONER CARTER: And this is a book.
- 11 COMMISSIONER DAVIS: Yes.
- 12 COMMISSIONER CARTER: A novel.
- 13 Commissioner Bell.
- 14 COMMISSIONER BELL: Yes. Madam Chair, I just
- 15 want to remind the Board and the audience that it's not a
- 16 board policy, it is a charter mandate of the policy
- 17 established with the chief of police and the mayor of
- 18 Detroit. It is a three prong attack in reference to
- 19 dealing with policies. And the reason why that we try to
- 20 impact the timeline, we've been accused of dragging our
- 21 feet in reference of not handling these matters timely.
- 22 Commissioner Griffie I appreciate your
- 23 acknowledgement of Melanie White. That is a motion that we
- 24 made. She's a very experienced investigator, and had other
- 25 background in terms of law, you know, moving towards that

- 1 area. So it's good to promote within someone who
- 2 understands the system. We didn't have to do a little
- 3 search, but we promote within.
- 4 We have received some criticism in reference to
- 5 this young lady working in that area, but I think most jobs
- 6 -- we witness it in DPD all the time -- they promote
- 7 within. They recognize talent, and they give recognition
- 8 to that person of higher rank or authority. So this is
- 9 rather unique in terms of the Board of Police Commissioners
- 10 taking those step. So I just want to commend this board
- 11 for having that type of initiative to look at talent. And
- 12 I think it's also rewarding that people work for us. They
- 13 know that there is potential; it's not a bottom line type
- 14 position. So thank you.
- I do have one other issue to raise quickly. And
- 16 you already started working. I think the Department needs
- 17 to be aware. I read two complaints this week in reference
- 18 to officers taking on their cell phone photo ID of
- 19 citizen's driver's license. And you cited them as being
- 20 proper, because there was nothing in the guidelines.
- We need you to serve a notice on the department
- 22 for Mr. Ha in terms of the lawyer for the chief and for our
- 23 staff, the chief investigators, look back on that. I think
- 24 there's going to be -- because that's a common trend --
- MS. WHITE: Yes.

- 1 COMMISSIONER BELL: -- to use their own cell
- 2 phone. But with all this issue about ID, identity, I think
- 3 we really need to see if we're in violation. If not we
- 4 need to have a policy, because they're using their own
- 5 personnel cell phone. Well I deleted it. Well we don't
- 6 know that. The citizen's don't know that. I don't know
- 7 that. I think that's a practice that started because cell
- 8 phones is in place. Even if they use department cell
- 9 phones, there's some concern about that whole process. So
- 10 we need to weigh in on that as soon as possible; reach some
- 11 type of conclusion. I think that -- I don't know how many
- 12 complaints we have had, but I think it's a valid concern.
- 13 Thank you.
- 14 MS. WHITE: Through the Chair. Just to add to
- 15 your point, Commissioner Bell, we did submit a memorandum
- 16 to the Department some time ago on that very issue of
- 17 officers utilizing their personal cell phones during
- 18 official duty. And so we would be glad to retransmit that
- 19 memorandum.
- 20 COMMISSIONER BELL: Thank you.
- 21 COMMISSIONER CARTER: Thank you. Any other
- 22 comments, questions, commissioners?
- 23 COMMISSIONER DAVIS: No.
- 24 COMMISSIONER CARTER: Thank you, Ms. White.
- 25 Outstanding job. Thank you.

- 1 COMMISSIONER HOLT: As always.
- 2 COMMISSIONER CARTER: Commissioners, just remind
- 3 you, you have two weeks. You have all the information in
- 4 this packet right here that was distributed to you today
- 5 (Indicating). For those commissioners that are not in
- 6 attendance, we'll send a certified copy of this book to
- 7 them and make sure that they sign off on it.
- 8 Mr. Brown, thank you. And while I'm on that, is
- 9 there any other commissioner who wants a certified copy of
- 10 any reports, or are you fine with the U.S. mail?
- 11 COMMISSIONER GRIFFIE: I'm okay with home
- 12 delivery.
- 13 COMMISSIONER CARTER: Okay, home delivery. Is
- 14 there anybody else?
- 15 COMMISSIONER DAVIS: I have no problem with home
- 16 delivers also.
- 17 COMMISSIONER CARTER: Thank you. Thank you,
- 18 commissioners.
- 19 At this time we'll move on to announcements.
- Our next meeting with be Thursday, October 31,
- 21 2019, at 3:00 p.m. here at the Detroit Public Safety
- 22 Headquarters located at 1301 Third Street. Our next
- 23 community meeting will be November 14, 2019, at 6:30 p.m.
- 24 in the Sixth Precinct, Commissioner Davis, at the Second
- 25 Grace United Methodist Church, located at 18700 Joy Road.

- 1 At this time we will have oral communications
- 2 from the audience. Please give your name, and limit your
- 3 comments to two minutes.
- 4 MR. BROWN: Madam Chair, I currently have five
- 5 cards. The first speaker will be Ms. Fredia Butler;
- 6 followed by Mr. Eric Blount; followed by Ms. Teddy Ragland,
- 7 Mr. Dewayne Adams; and your last speaker will be Ms. Faith.
- 8 MS. BUTLER: Good afternoon.
- 9 ATTENDEES: Good afternoon.
- 10 MS. BUTLER: My name is Fredia Butler, and I am a
- 11 community activist. Last week it was reported on the
- 12 evening news about a \$25,000 salary increase paid for Mr.
- 13 Robert Brown without meeting the requirements for the
- 14 position, another report of a person being offered
- 15 employment without knowing the position she was applying
- 16 for. You are the oversight Board for wrongdoing by our
- 17 officers and the citizens.
- 18 Commissioners, there are eleven of you, each with
- 19 one vote. And if the report is correct, you voted in favor
- 20 of this corruption. As a commissioner you took an oath.
- 21 How are you going to gain the trust of the people? It
- 22 seems as if too many have taken positions in name only and
- 23 for not doing the work you campaigned or were appointed to
- 24 do. I have observed a commissioner not knowing the names
- of the Neighborhood Police Officers or the commander in the

- 1 precinct.
- 2 Some issues have been brought to Chief James
- 3 Craig when they should have been addressed in the precinct.
- 4 Is it fair for you to be an oversight board and not meet
- 5 the standards? As a community activist, I will not remain
- 6 silent on issues I believe to be disrespectful or corrupt.
- 7 I have addressed the Board before when Commissioner Willie
- 8 Burton disrespected Chief James Craig.
- 9 We all see some issues differently, but I hope
- 10 when you see corruption that you have the courage to speak
- 11 up and work to resolve the issue before it becomes public.
- 12 Your position is not to be popular, but be a commissioner
- 13 who will stand on truth and fulfill your duties for our
- 14 officers and the citizens in our city. Thank you.
- MR. BROWN: Mr. Blount.
- MR. BLOUNT: Good afternoon, Board, and Assistant
- 17 Chief. For the record, my name is Eric Blount. Let me get
- 18 this through in two minutes.
- Just to give you a little background, I've been a
- 20 minister at Sacred Heart Catholic Church for over 30 years,
- 21 and I have participated in our mail mentoring program for
- 22 over twenty years, the Men to Be -- Unintelligible -- Male
- 23 Mentoring Program. And this past weekend our discussion
- 24 was on male responsibility. The discussion moved from
- 25 personal responsibility to community responsibility. And

- 1 one of the facilitator turned to me in my function here as
- 2 a self-proclaimed watch dog.
- I brought up further details to this group that
- 4 I'm not sure everyone here on the commission knows. It was
- 5 a critical point of detail that Chief Craig shared with me
- 6 and us when we viewed the second video of Corporal Jones.
- 7 That critical piece of information is that Corporal Jones
- 8 did not follow standard procedures when apprehending a
- 9 mentally ill patient.
- 10 Police policy requires that officers handcuff
- 11 mentally ill people as they apprehend them. If Corporal
- 12 Jones had done this critical standard piece of information
- or standard procedure, he would have had no reason to ball
- 14 up his fist and beat this woman. I just want to know --
- 15 because Attorney Wyrick brought up his support of
- 16 suspension without pay, citing that Corporal Jones punched
- 17 her, beat her while her back was turned. He may have known
- 18 this information; I don't know. But I just want to know,
- 19 did you guys have -- did you commissioners have this piece
- 20 of what I think is critical information, that Corporal
- 21 Jones did not follow standard procedures when dealing with
- 22 mentally ill people that are being apprehended? Seven
- 23 minutes, six seconds for your response. Three. Two. One.
- 24 No response. Okay.
- 25 COMMISSIONER CARTER: I don't know if we had that

- 1 information. You can go ahead and have a seat --
- 2 MR. BLOUNT: Okay.
- 3 COMMISSIONER CARTER: -- because it's not going
- 4 to be a back and forth.
- 5 MR. BLOUNT: Okay.
- 6 COMMISSIONER CARTER: But I don't know that we
- 7 had that information about the video.
- 8 MR. BLOUNT: No, no, no. About the fact that
- 9 standard procedures says you must -- when you're
- 10 apprehending a mentally ill person you must handcuff them
- 11 first.
- 12 COMMISSIONER CARTER: Okay. I don't know if we
- 13 had that information when we had our schedule on those --
- 14 Unintelligible --
- MR. WYRICK: Through the Chair, I believe that
- 16 was part of a prior discussion that we had. I do remember
- 17 talking with commissioners about having some discussion
- 18 about that previously.
- 19 COMMISSIONER CARTER: Okay. So there you have
- 20 it. We had the information.
- 21 MR. BLOUNT: Okay. I didn't have it, and I just
- 22 learned about it at the second video meeting. Thank you.
- MR. BROWN: Ms. Ragland.
- MS. RAGLAND: Good afternoon, commissioners.
- 25 It's great to see you again, especially since the last time

- 1 I saw you during the July 11th meeting.
- I'm here in an official capacity as the finance
- 3 director with the Tenth Precinct Community Relations
- 4 Organization. And what I'm doing now is inviting all of
- 5 you to support our senior ball that we have each year.
- 6 It's for all of the precinct. The Tenth and the Twelfth
- 7 Precinct, we alternate having it. This year we'll be
- 8 having it on Friday, November 8th, from 5:00 p.m. until
- 9 10:00 p.m. It will be at the Durfee Innovation Society
- 10 Cafetorium; And that's at 2470 Collingwood, Detroit,
- 11 Michigan.
- 12 It's a dressy affair, And what we're asking for
- is each and every commissioner support us. If you cannot
- 14 attend, to sponsor a senior who may not be able to afford
- 15 to come. And we're asking for your support, because what
- it does as a fundraiser for the Tenth and the Twelfth
- 17 Precinct is it get funds in for things like our
- 18 Trunk-or-Treat and other things we have throughout the
- 19 year.
- 20 COMMISSIONER CARTER: What is the cost to
- 21 sponsor?
- MS. RAGLAND: Oh, I'm sorry. It's \$20. I have
- 23 tickets for you today. And I'll be here after the meeting
- 24 if you would like to give a donation or your support.
- 25 COMMISSIONER CARTER: Thank you.

- 1 COMMISSIONER GRIFFIE: I'll do it.
- 2 MS. RAGLAND: Thank you.
- 3 COMMISSIONER HOLT: Are there fliers? Did you
- 4 bring fliers?
- 5 MS. RAGLAND: No.
- 6 COMMISSIONER HOLT: Okay. You did good.
- 7 MS. RAGLAND: Thank you.
- 8 MR. BROWN: Mr. Adams.
- 9 MR. ADAMS: Hello, Police Board. How would I say
- 10 it, commissioners? Good evening.
- 11 Forgive me for my last appearance. I just wanted
- 12 to say, the heavenly father says his children shall live in
- 13 peace. Now there's two things I heard last week when I was
- 14 here. One of them, I didn't hear anything about the rape.
- 15 The second one was, wrongful incarceration.
- Now that second one, that wrongful incarceration,
- 17 I got evidence that this take place all the time -- I've
- 18 been a career working fellow owning a company that I was
- 19 building -- just because someone said something that wasn't
- 20 true by a book they got out here talking about for the
- 21 reason why that they should destroy black families. Well
- 22 thank you. There is a book out here to destroy black
- 23 families; "For the Reason Why." Okay?
- Now, for thirty-seven years I was building a
- 25 business to take care of my family as well as someone

- 1 else's family, because we was in partnership. Well once I
- 2 was hit by a car for something someone said that wasn't
- 3 true just from the use of that book that this would all
- 4 take place [sic].
- 5 Ladies and gentlemen, please, our families are
- 6 hurting. Black mothers are crying. Fathers are even
- 7 weeping because of their children perishing for no reason
- 8 because of a book that you done gave these foolish
- 9 individuals. But I just want to thank my Lord Jesus Christ
- 10 and God the Father both.
- 11 COMMISSIONER CARTER: Thank you, sir.
- MR. BROWN: Ms. Faith.
- 13 MS. FAITH: Welcome to this Honorable Board. For
- 14 the record, my name is Ms. Faith, and I wanted to come --
- 15 sorry to come in late, and I wasn't prepared. I wanted to
- 16 say something, and I'm still not prepared. But it was
- 17 pertaining to to throwaway or not to throwaway persons,
- 18 because there are no throwaway persons.
- 19 I've been listening to the comments that have
- 20 been made to you all. I really don't like what they've
- 21 been saying about ya'll, because it's not true. You've
- 22 been stable. You've been balanced. You've been across the
- 23 board. You've been fair with me, and you have not had any
- 24 picks and pets on me as far as treating me above any other
- 25 civilian or citizen. And you've always just given me

- 1 resources that I needed to help me with whatever questions
- 2 that I've had pertaining to my needs as a civilian or
- 3 citizen of Detroit. And, Commissioner Brooks, she was one.
- 4 Commissioner Dewaelsche, Commissioner Burch, Commissioner
- 5 Carter and Commissioner Holt and the rest of the
- 6 commissioners have always been straightforward and always
- 7 straightforward to whatever their job purview was. And so
- 8 these are not throwaway persons. These are very valuable
- 9 persons. And I really appreciate each and every one of
- 10 ya'll for the hard work that ya'll have done; the
- 11 investigators, the officers, all responders, everyone that
- 12 works for the City of Detroit in the departments.
- One in particular, I saw her yesterday, Officer
- 14 Pasture (Phonetic). She stuck with the policy. She stuck
- 15 with the procedures. She did everything that she was
- 16 trained to do whenever I called. She always had time to
- 17 speak with me and give me direction and clear guidance on
- 18 anything that I've called about pertaining to the
- 19 department and anything that I needed as a civilian. She
- 20 took time and so I just wanted to say that I appreciate her
- 21 so much. And that was from Number Five police department.
- 22 Thank ya'll so very much for down through the years being
- 23 exactly excellence. Thank you for letting me speak.
- 24 COMMISSIONER CARTER: Thank you.
- MR. BROWN: Madam Chair, that was your last

- 1 speaker.
- 2 COMMISSIONER CARTER: Thank you, Mr. Brown.
- If there's no other business before this body,
- 4 I'll entertain a motion to adjourn.
- 5 COMMISSIONER BELL: So moved.
- 6 COMMISSIONER HOLLEY: Madam Chairman, I have a
- 7 question.
- 8 COMMISSIONER CARTER: Yes.
- 9 COMMISSIONER HOLLEY: I was trying to get in. I
- 10 didn't know everybody was trying to get out of here. But I
- 11 was late. And Madam Chair, in your remarks in the
- 12 beginning, did you say anything about the report about the
- agenda and how we're going to respond to that?
- 14 COMMISSIONER CARTER: Yes.
- 15 COMMISSIONER HOLT: She did. She responded.
- 16 COMMISSIONER HOLLEY: Okay. But I was late.
- 17 COMMISSIONER CARTER: But there's a motion on the
- 18 floor. We can talk about that.
- 19 COMMISSIONER HOLLEY: Okay.
- 20 COMMISSIONER CARTER: It's been moved and
- 21 seconded.
- 22 COMMISSIONER HOLT: She responded.
- 23 COMMISSIONER CARTER: All in favor?
- THE BOARD: Aye.
- 25 COMMISSIONER CARTER: Those opposed?

Τ	(No response)	
2	COMMISSIONER CARTER: Motion carries.	Meeting is
3	adjourned. Thank you.
