15 I'm going to move in next to me and ask for members of

11 would you like to introduce your staff, please.

12 CHIEF CRAIG: Yes, Madam Chair. With me  
13 starting with Assistant Chief David LeValley and  
14 Assistant Chief White. We will go around.

15 (Other names introduced.)

16 VICE CHAIR DEWAELESCHE: Thank you all for  
17 being here. Do we have any elected officials that have  
18 joined us today? Civic leaders or their  
19 representatives? Okay then I'll go ahead and start with  
20 my report. On behalf of the board I want to express our  
21 concern and support for fallen and injured officers and  
22 families. Our concerns for officer safety and citizen  
23 protection are the two most important priorities of the  
24 board. We receive a weekly report of injured officers  
25 and I ask the Chief to provide us with additional

1 information during his report. The board of police  
2 commissioners meets every week at 3 p.m. at DPD  
3 headquarters except for Thanksgiving and Christmas  
4 holiday weeks. We also meeting in the community every  
5 second Thursday of the month at 6:30. Under the Detroit  
6 city charter Article 7, Chapter 8 the board of police  
7 commissioners is empowered to provide civilian oversight  
8 and supervisory control of the police department. Our  
9 board investigates noncriminal citizens' complaints,  
10 monitors the department for compliance with all laws and  
11 reviews and modifies police policy to eliminate  
12 misconduct, discriminatory police practices and  
13 unnecessary use of force by police.

14 As a civilian oversight agency we protect  
15 the civil rights of citizens. Our objective is to  
16 increase the quality of life for residents and visitors  
17 to Detroit. I want to point to several important items  
18 for your consideration and information. The office will  
19 be closed Monday, November the 11th in observance of  
20 Veteran's Day. During Veteran's Day we acknowledge the  
21 contributions and sacrifices of all veterans during war  
22 and in peacetime. Veteran's Day is also a reminder that  
23 all Americans contribute to active service duty.  
24 According to the Pew Research Center in 2015 a report on  
25 active duty personnel in the military 40 percent of the

1 defense department's active duty military were minority  
2 servicemen and women. The Latino share of this figure  
3 is 12 percent. African American figure is 17 percent.  
4 And the Asian figure is 4 percent. Each of these ethnic  
5 and racial minority groups have and continue to  
6 participate in the defense of our country.

7           Again, this acknowledgement is for veterans  
8 who contributed to military operations during war as  
9 well as peacetime. Just a reminder the board does not  
10 require anyone to identify themselves as a precondition  
11 to participate in our meetings. I also want to remind  
12 the board that we have confirmed the Michigan Municipal  
13 League's board training on parliamentary procedures and  
14 the Open Meetings Act to be held on Monday, December  
15 9th, 2019 at 6 p.m. in the BOPC conference room.  
16 Included in your board packet, which was e-mailed to you  
17 on Tuesday and is provided in a hard copy today, is the  
18 meeting agenda minutes, various reports and a second  
19 report on facial recognition from DPD's crime  
20 intelligence unit, Captain Aric Tosqui. We plan to  
21 share with the chief our written revisions to the facial  
22 recognition report that we believe will enhance the  
23 communications and reporting process and ensure that the  
24 report conforms to the policy directive on facial  
25 recognition.

1 Today we have one resolution for Corporal  
2 Sidney C. Bragg, a 42 year veteran of the Detroit Police  
3 Department which will read into the record to honor  
4 Corporal Bragg's many years of dedicated service. We  
5 also have one presentation on CompStat, which in law  
6 enforcement stands for Computer Statistics dealing  
7 specifically with crime. It was developed in the 1990s  
8 by New York Police Department to help understand the  
9 geographic location of crime and to incorporate  
10 important information on time, methods and other factors  
11 used to better deploy police personnel to fight crime.  
12 Our goal is to better understand how CompStat is  
13 currently utilized by the department. Captain John Svec  
14 of investigative operations will be presenting. Under  
15 the chief's report I'm requesting an update on our city  
16 wide crime statistics and any critical issues facing the  
17 department. At the end of the meeting we will have  
18 public comments, so please make sure you print your name  
19 on a speaker's card located on the back table or  
20 obtained from Mr. Robert Brown. We need your card to be  
21 submitted before the end of the chief's report. And  
22 each speaker will be allotted two minutes to speak.  
23 Please place your cell phones and other electronic  
24 devices on vibrate to avoid disruptions to our meeting.

25 Finally, I would like to encourage

1 cooperation and order at our meeting. As discussed in  
2 the past we need to treat each other with respect and  
3 professionalism. Commissioners must be recognized by  
4 the chair in order to speak and I ask that commissioners  
5 restrict their comments to issues that are relevant to  
6 the agenda and to be brief to allow ample time for  
7 public comments. For the attending audience please note  
8 that there is a time on the agenda for citizens' input  
9 and feedback. We want to run an orderly meeting,  
10 including public comments and adjourn by 4:30. Now I'd  
11 like to go to the resolution, if I may ask commissioner  
12 Brooks.

13 COMMISSIONER BROOKS: Thank you. This  
14 resolution is honoring retiring Corporal Sidney Bragg.  
15 Whereas Sidney C. Bragg was appointed to the Detroit  
16 Police Department on December the 19th, 1977. Upon  
17 graduating from Detroit Metropolitan Police Academy,  
18 Police Officer Bragg began his career at the first  
19 precinct control operation section. And whereas he  
20 dutifully served the first precinct patrol operations  
21 section, 12th precinct and traffic enforcement. Police  
22 Officer Bragg displayed tremendous diligence, aptitude  
23 in his assignments.

24 On October the 18th, 2018 he was promoted to  
25 rank of corporal, and continued to serve as traffic

1 enforcement until his retirement. And whereas during  
2 the law enforcement career Corporal Bragg along with the  
3 another officer were the first certified motorcycle  
4 instructors for the department. He was deserving  
5 recipient of a Chief Merit Award, Perfect Attendance  
6 Award, Perfect Driving Award, both Consent Judgment  
7 Awards and the Major League Basketball All Star  
8 recognition award, the Rosa Parks Funeral Recognition  
9 Award, the Super Bowl Recognition Award and Harvey  
10 Relief Award as well as commendations from supervisors  
11 and numerous letters of appreciation from citizenry; and  
12 whereas, Corporal Bragg has tirelessly served the  
13 Detroit Police Department, the citizens of Detroit and  
14 its neighboring communities for 42 years, a remarkable  
15 milestone in his career. Four decades of law  
16 enforcement dually merit special appreciation for  
17 Corporal Bragg. His professionalism, commitment to  
18 public service, integrity and dedication have been a  
19 credit to the police department. He is highly respected  
20 as a consummate professional. Now, therefore, let it be  
21 resolved that the Detroit Board of Police Commissioners  
22 speaking for the citizens of Detroit and Detroit Police  
23 Department awards this resolution in recognition of  
24 Corporal Sidney Bragg, 42 years of dedication and  
25 diligence public service. His professionalism,

1 integrity and life long commitment to the city of  
2 Detroit and its citizens merit our highest regard.

3 VICE CHAIR DEWAEELSCHE: Thank you,  
4 Commissioner. Before we take a vote I want to recognize  
5 two commissioners that just came in a few minutes ago.  
6 Would you please introduce yourselves?

7 COMMISSIONER BROWN: Commissioner Darryl  
8 Brown, District 1.

9 COMMISSIONER BURTON: Commissioner Willie E.  
10 Burton, District 5.

11 COMMISSIONER DAVIS: Police Commissioner  
12 William Davis, District 7.

13 MR. HICKS: Madam Chair, you have a quorum.

14 VICE CHAIR DEWAEELSCHE: Thank you. Now that  
15 we have a quorum I'm going to go back to approval of the  
16 agenda for today. Is there a motion?

17 COMMISSIONER BELL: So moved.

18 COMMISSIONER HOLLEY: Second.

19 VICE CHAIR DEWAEELSCHE: It's been moved and  
20 seconded. All those in favor indicate by saying aye.

21 MOST COMMISSIONERS: Aye.

22 VICE CHAIR DEWAEELSCHE: Opposed?

23 COMMISSIONER BROWN: Nay.

24 COMMISSIONER BURTON: Nay.

25 VICE CHAIR DEWAEELSCHE: Abstentions? Okay,

1 motion carries. And then I'd also like to go back to  
2 approval of the minutes for October 31st. Is there a  
3 motion?

4 COMMISSIONER BURCH: So moved.

5 COMMISSIONER HOLLEY: Support.

6 VICE CHAIR DEWAEELSCHE: It's been moved and  
7 seconded. All those in favor indicate by saying aye.

8 MOST COMMISSIONERS: Aye.

9 VICE CHAIR DEWAEELSCHE: Opposed?

10 COMMISSIONER BURTON: Nay.

11 COMMISSIONER BROWN: Nay.

12 VICE CHAIR DEWAEELSCHE: Motion carries. Now  
13 I'd like to go back on the agenda to the chief's report.

14 COMMISSIONER BROOKS: Are we going to make a  
15 motion for...

16 VICE CHAIR DEWAEELSCHE: Oh I'm sorry, chief  
17 excuse me. We do need a motion to approve.

18 COMMISSIONER BROOKS: We thank and  
19 congratulate you Corporal Sidney C. Bragg.

20 COMMISSIONER BURCH: I move for approval.

21 COMMISSIONER DAVIS: Support.

22 VICE CHAIR DEWAEELSCHE: It's been moved and  
23 seconded that we approve the resolution honoring  
24 Corporal Sidney C. Bragg. All those in favor indicate  
25 by saying aye.

1 ALL: Aye.

2 VICE CHAIR DEWAEELSCHE: Opposed? Thank you.  
3 Motion is approved. Now, Chief, we can go to your  
4 report. Thank you.

5 CHIEF CRAIG: Thank you. Good afternoon  
6 Board. For my crime report overall violent crime we're  
7 down 3 percent. Couple of areas of a concern we're up 7  
8 homicides as of today's date. We're down 19 sexual  
9 assaults. We're down 404 aggravated assaults. We're up  
10 18 nonfatal shootings. We're up 61 robberies and down  
11 58 carjackings. Again, an overall 3 percent reduction  
12 in violent crime. Property crime we're down 2 percent.  
13 And so when we look at starting with homicide one of the  
14 things that we've noticed a recent trend is a lot of the  
15 shootings are involving arguments that quickly erupt  
16 into violence. One such case is a homicide that  
17 occurred on the first of the month at a bar called Club  
18 Celebrity. It's a Green Light location. This instance  
19 it was a fist fight. A suspect produced a gun and shot  
20 the victim. This suspect was identified, probable  
21 identification due to facial rec and then subsequent  
22 photo line up and a warrant has been submitted to the  
23 Wayne County prosecutor's office on that suspect.

24 A second incident, which is becoming a  
25 common occurrence. Again, another fight. This was over

1 at Dice Game. A suspect began firing shots after he  
2 pulled out a gun. And so we have a fatal homicide  
3 victim in that one. So again that's becoming more and  
4 more of a trend. We're seeing fewer gang or  
5 group-related shootings. It could be we believe through  
6 the work we're doing with cease fire and some of the  
7 intervention work that we're doing. Robberies for the  
8 first time this quarter as I indicated we're seeing 61  
9 more robberies, although carjackings are fewer by 58.  
10 Precincts that are leading the 8th precinct is leading,  
11 followed by the 10th precinct and the 7th precinct.  
12 Concerning the 7th and 10th precincts over the last few  
13 years have been lower in robberies, so I'm going to ask  
14 the assistant chief and deputy chiefs of respective  
15 bureaus to provide me information as to robbery patterns  
16 in those three areas. That's really all I have to  
17 report, so if you have any questions, I'll take  
18 questions.

19 VICE CHAIR DEWAELSCHKE: Thank you, Chief.  
20 Are there any questions? Commissioner.

21 COMMISSIONER DAVIS: Chief. I know like  
22 every week since like you reporting the carjackings and  
23 the vehicle thefts are down do you anticipate if this is  
24 true and if it continues that our auto rates will go  
25 down?

1 CHIEF CRAIG: I don't really understand the  
2 question. The insurance, you're talking about auto  
3 insurance rates?

4 COMMISSIONER DAVIS: Yes.

5 CHIEF CRAIG: I don't understand the  
6 question because there's a lot of issues that are very  
7 complex. I wish I could tell you very simply that, you  
8 know, the fewer cars stolen it's more complex than that.  
9 It's a state issue. Detroit's directly impacted, has  
10 been for many years and has something to do with the  
11 medical. I'm not the expert on understanding rates but  
12 it's not solely on vehicle theft. We have a lot of  
13 unlicensed drivers, no-fault. So we have a lot of  
14 issues involved in that. I wish I could tell you if we  
15 zero'd out the number of auto thefts in the city of  
16 Detroit, rates would dramatically fall. I just don't  
17 think that's the sole answer to that.

18 COMMISSIONER DAVIS: Okay.

19 COMMISSIONER BROWN: Through the chair,  
20 point of information for Commissioner Davis. State  
21 representative Sherry Gay-Dagnogo did a town hall  
22 meeting on insurance rates and it was a lot of  
23 information that talked about why our rates are high and  
24 it is because of the personal injury protection and how  
25 lawsuits are filed and also has something to do with the

1 UCR reports and how the FBI receiving information of  
2 where vehicles that are stolen end up and that's one of  
3 the issues. Chief, you said the 8th precinct is  
4 leading. When you say number eight, you get my  
5 attention. I see that we just up a little bit with  
6 aggravated assaults and nonfatal shootings. Those are  
7 the only areas you're speaking of?

8 CHIEF CRAIG: No, I actually talked about --  
9 when I talk about violent crime -- I know this is one of  
10 your fellow commissioners, generally, I would focus on  
11 homicides and nonfatal shootings. Factually, all you  
12 often hear our robberies have been down up until the  
13 last month or ago, now we're seeing an uptick in  
14 robberies, which hasn't been the case for the entire  
15 year. So I need to understand why and why is it  
16 happening in particular the 7th and 10th precinct. The  
17 8th precinct it's no secret it has the most -- the  
18 highest population, the highest crime probably  
19 comparable to number 9 but the 7th and the 10th  
20 generally are not but they're the highest in robberies.

21 COMMISSIONER BROWN: So, Chief, just how are  
22 the Amazon robberies like people taking packages off  
23 porches are those like -- are they tagged in the robbery  
24 category?

25 CHIEF CRAIG: No, that's a larceny. That's

1 a property crime.

2 COMMISSIONER BROWN: Okay cool.

3 CHIEF CRAIG: Many times people get  
4 larcenies and robberies confused. In fact when you look  
5 specifically at our larcenies year-to-date we're down  
6 343 incidents, which is a 3 percent reduction. We are  
7 up in auto thefts whereas last year, throughout last  
8 year and maybe the first two quarters of this year we  
9 were down in auto thefts but that would be larceny.

10 COMMISSIONER BROWN: Thank you.

11 VICE CHAIR DEWAELESCHE: Thank you.

12 Commissioner Bell.

13 COMMISSIONER BELL: Yes, Madam Chair. I  
14 just want to give kudos to Chief Craig and DPD but  
15 mainly I guess the Public Safety Foundation for  
16 sponsoring and hosting above and beyond the celebration  
17 last night. As always it was outstanding. This year  
18 was rather unique in my experience, our experience. We  
19 had the opportunity at our table to interact with a  
20 seven month probation officer who was one of the  
21 officers of number nine and that responded to the fire  
22 on Mack as we well know in number five. In talking to  
23 his mom she was so proud of him. I said, seven month; I  
24 said, yeah, I remember he spoke at my academy class  
25 march, you know. I just want to say that was really a

1 blessing to witness that type of hero police and fire  
2 that we recognize. I think if not the media -- all the  
3 media should have been there to highlight that  
4 particular opportunity to focus on these officers,  
5 'cause there's so many stories of doing a great job.  
6 And once a year we come together. We all know they out  
7 there every day around the clock serving the public and  
8 when you have a young officer who take on the challenge  
9 of a firefighter, as you well know my respond is watch  
10 the hose but they did not hesitate to go into that  
11 building. And I say personally 'cause my sister and  
12 first cousin were in that building and they witness that  
13 type, so they still talking about how they responded and  
14 thank you. I just want to acknowledge that.

15 VICE CHAIR DEWAELESCHE: Thank you.

16 CHIEF CRAIG: Through the chair I just want  
17 to acknowledge Commissioner for coming out and  
18 supporting the heroic work. As you pointed out,  
19 Commissioner Bell, that was a very unique incident. For  
20 those who don't know the first responder on the scene  
21 was a police sergeant. When he saw the building on fire  
22 he immediately went in without protective gear that  
23 firefighters wear and shortly after he went into the  
24 location while it was on fire, then several other DPD  
25 officers responded and also went into the location. And

1 during the presentation yesterday, as you know, it  
2 showed the body worn camera of the actual rescue. In  
3 fact the moderator who was giving the award literally  
4 got very emotional during the giving of the award 'cause  
5 she's a district manager. It was her area. So you're  
6 right exceptional work by police officers.

7 VICE CHAIR DEWAELSCHE: Thank you, Chief.  
8 And I also want to recognize one of our commissioners,  
9 Commissioner Betty Brooks who sits on the foundation  
10 board and has a lot to do with the success of the  
11 program as well and yes, Chief, it was very, very  
12 emotional to watch that and I thought it was a great  
13 experience for commissioners and even the public to  
14 actually witness what the body cameras are showing while  
15 they're, you know, in action. So that was very, very  
16 interesting. Thank you.

17 COMMISSIONER BROOKS: I just have a couple  
18 of things to say. Everything has been said. I just  
19 wish that communities could have been out there because  
20 our police officers work hard. It's a thankless job and  
21 I just wish that people could have been there to have  
22 seen this and to watch all of our police officers  
23 walking around in uniforms protecting us. And I just  
24 want to say we have the best police. We have the best  
25 chief and last night was proof of it when you saw all of

1 the commendations and medals that were given out. So,  
2 Chief, thank you very much.

3 VICE CHAIR DEWAELESCHE: Thanks you. Any  
4 other commissioners?

5 COMMISSIONER BURCH: Yes, Chief Craig I  
6 would just like to commend D.C. Bettison. On October  
7 21st is when we had the joint meeting of number 9 and  
8 number 11 at the Pleasant Road Baptist Church. Sorry  
9 you could not make that meeting.

10 CHIEF CRAIG: I had a conflict, sorry.

11 COMMISSIONER BURCH: Yes, sir. That's okay.  
12 I understand; they told us. We thank you but anyway the  
13 meeting went very well. Our purpose was to bring both  
14 precincts together to share the different issues that we  
15 have in common, so that came up as you always say the  
16 commissioner speaks about speeding, so these are the  
17 three ordinance that we spoke about that six pastors  
18 that agreed to go into having CB patrol to be trained.  
19 So D.C. Bettison brought in I think she was a former  
20 police officer. What's her name? Mara Gracie. So now  
21 Ms. Gracie is going to go to different precincts, she's  
22 coming to us first. Next Tuesday she's going to come to  
23 the 11th precinct and speak about how we can start CB  
24 patrol. We need to get that back in to support our  
25 officers as Ms. Brooks, Commissioners Brooks said. We

1 appreciate the police but they need help so therefore,  
2 you can join and sign up, learn how to have CB patrol in  
3 your neighborhood. So I want to thank D.C. Bettison for  
4 that, bringing that to the table. The meeting was  
5 excellent and then, Chief, we had a meeting that  
6 previous after the 21st we had a meeting on the 30th so  
7 now we're ready to go out and address to size with DPW,  
8 the ordinances coming into the city of Detroit.

9 CHIEF CRAIG: Thank you. Through the chair  
10 I wanted to add one more thing and we'll be prepared to  
11 make a presentation to the board. We've all read and  
12 heard about the number of suicides particularly among  
13 NYPD in New York this past week for facial recognition.  
14 I had a chance to meet with and talk to a number of NYPD  
15 to try to understand what's going on. My take away from  
16 my conversations with at least five different members of  
17 that department is they don't feel supported. They  
18 don't feel supported at all levels through the elected.  
19 They were careful not to say much about the police  
20 chief, but they did mention the Mayor in a big way and  
21 so for that my take away is, you know, these police  
22 officers go out and they do this tough work and we have  
23 to be willing -- and I'm not saying support bad behavior  
24 but when you talk about the things they do each and  
25 every day and a testament of what went on last night, we

1 have to constantly make sure that we're giving them the  
2 kind of support because if not, there may be the  
3 residual of other things happening.

4           So that said, you know, we started our peer  
5 support effort. It's gone real well and so now we have  
6 a permanent part. We have assigned members a few.  
7 We're starting with three; that will be their full-time  
8 job. Because the ones that have been doing the  
9 part-time they're overwhelmed and there are a lot of  
10 officers, more than I know, that reach out to peer  
11 support and express some of the issues they're having  
12 personally. And so this is a thing that we have to do.  
13 And so we've identified a location preliminarily on the  
14 east side, a former mini station that we will use as a  
15 location where officers or civilian employees who are in  
16 trauma can go confidentially and talk to someone.  
17 Because one of the issues, and this is coming out in New  
18 York to a lesser degree in Chicago, is that officers are  
19 concerned about the stigma that when they're involved in  
20 a crisis situation they don't want to say that they're  
21 in a crisis. So they hold it in and that's another  
22 thing that started happening. So we are working -- Todd  
23 has -- D.C. Bettison is doing a great job coordinating  
24 that piece so as soon as we get closer, especially when  
25 it's time to cut a ribbon on that location, I want to

1 make sure you're invited, because I think that's a very  
2 important part because if our cops are not healthy, they  
3 can't serve.

4 VICE CHAIR DEWAELESCHE: Thank you, Chief.  
5 And I would just like to add among that support, and I  
6 know it's something that the commissioners are always  
7 looking at, is the support and pay; the support and  
8 tools to do their jobs safely and effectively, and  
9 health benefits so that they can take advantage of, you  
10 know, those medical services. So we would want to look  
11 at all of that, you know, when you give that  
12 presentation. So thank you so much. And is there --  
13 are there any other questions? If not, does that  
14 conclude your report?

15 CHIEF CRAIG: That's my report.

16 VICE CHAIR DEWAELESCHE: Thank you. Thank  
17 you kindly. So we're having a presentation to the board  
18 on CompStat as I mentioned and we have Captain John  
19 Svec.

20 CAPTAIN SVEC: Good afternoon commissioners.  
21 I'm Captain Svec on behalf of the CompStat unit. So the  
22 CompStat Unit we are a direct report to the detective  
23 bureau, deputy chief. It's made up of one captain.  
24 Sergeant Hall is my partner in the CompStat unit. He's  
25 also responsible for the NIBIN unit. And we have three

1 police officers assigned to us. Like the commissioner  
2 stated CompStat stands for computer statistics dealing  
3 specifically with crime. It was developed in the '90s  
4 in the New York Police Department to help reduce crime.  
5 It was found to be an effective way to accurately track  
6 crime and use the information to deploy officers to  
7 address it in a timely manner.

8           DPD's focus in CompStat, we hold the  
9 meetings on a biweekly basis. Executives from all  
10 precincts and specialized commands are present. The  
11 process is constantly evolving to keep the information  
12 fresh and timely. We focus on timely and accurate  
13 information, rapid deployment of resources, effective  
14 tactics and relentless follow-up. We focus on overall  
15 crime trends including patterns and alerts. We focus on  
16 one or two specific part one crimes we look for  
17 patterns, what precincts are leading in those areas.  
18 Two commands are specifically investigated for  
19 investigative supervising and patrol management. We  
20 look at Project Green Light statistics and risk policy  
21 review, including training, citizen complaints, use of  
22 force, body worn camera and accidents. I've included a  
23 couple of examples of slides we include in our  
24 presentation. This is city wide robberies. We look for  
25 patterns, clusters. As you can see there's a cluster in

1 the southwest portion of the 11th precinct. We look at  
2 those cases, look for similarities and follow-up with  
3 the OIC on those.

4 Here's a BOLO that was put out on a suspect  
5 that was committing numerous larcenies in the third  
6 precinct. This information is put out while we have all  
7 commands in the room so they can push that out to the  
8 commands and speak to their officers about it. This is  
9 a city wide and as you can see it's spread to the  
10 suburbs, robbery, larceny pattern. The officer in  
11 charge of this case would be there to brief executives  
12 on the progress.

13 Here's a sample of our Green Lights. The  
14 Green Light indicates how many each command has and the  
15 two bottom line indicate a review of the special  
16 attentions to those locations over the past several  
17 months. So I know I went kind of quick but if you have  
18 any questions or anything you want me to elaborate on,  
19 feel free to ask questions.

20 VICE CHAIR DEWAELSCHE: Commissioners, are  
21 there any questions?

22 COMMISSIONER BROWN: Yes, Madam Chair just  
23 one.

24 VICE CHAIR DEWAELSCHE: Yes.

25 COMMISSIONER BROWN: Is the site for the

1 city view for the citizens that go on the website to  
2 view this information?

3 CAPTAIN SVEC: Yes, sir.

4 CHIEF CRAIG: Through the chair I wanted to  
5 add something, and I should have talked about this in my  
6 remarks, which is in direct correlation with our  
7 CompStat and certainly making sure the community's  
8 aware. Detroit has just received this app called  
9 Citizens. And it's in New York, LA I think and a few  
10 other major cities and it just came to Detroit. And  
11 basically as a community member you sign on you get this  
12 app but the beauty of it so if you live anywhere in the  
13 city, so the east side you know in real time what crimes  
14 are occurring; so for example, if there's a shooting in  
15 progress a block from where you reside, you'll get that  
16 notification. And so community members can then put  
17 additional information like let's say we saw a vehicle  
18 leaving, firing from a vehicle, the vehicle's described.  
19 So for law enforcement and for the community it  
20 potentially can be a great tool. So at the appropriate  
21 time I'd like to have someone come in who can really  
22 talk about this app but I encourage you in the meantime  
23 maybe look at it because wherever you're at like right  
24 now I can tell you within the last, so in East English  
25 one hour ago there was a fire. It reports fires,

1 traffic collisions, any kind of crimes and it's directly  
2 connected into our 9-1-1. So it's almost like you have  
3 and know what's going on in your neighborhood. It works  
4 very similar to the -- many of you may be familiar with  
5 the Waze app. It's a traffic app, tells you if there's  
6 a traffic obstruction or... but this is just involving  
7 with 9-1-1 calls and it's selective about what those  
8 calls are.

9 VICE CHAIR DEWAEELSCHE: That's very  
10 interesting. I was just going to ask the question but  
11 Commissioner Brown kind of asked it about the citizen  
12 access to this CompStat program because I know that in  
13 certain neighborhoods there are groups, neighborhood  
14 groups that get together with the community relations  
15 meeting -- within the meeting and I guess they go over  
16 some of those CompStat reports, which is really helpful,  
17 you know, to the community groups as well. So I think  
18 that would be really, really important to train and to  
19 teach them, you know, how to utilize this information.  
20 Any other comments?

21 COMMISSIONER BROOKS:

22 VICE CHAIR DEWAEELSCHE: Yes. Go ahead.

23 COMMISSIONER BROOKS: Yeah, I have a  
24 question. On Sunday one of my neighborhoods at mass --  
25 not my neighbor but the woman at mass said that there's

1 a car, and I'm not going to give out the information  
2 because she doesn't want her name out. There's a car  
3 that sits on her street, just sits, and they're afraid.  
4 The guy lives on the street but they're afraid to say  
5 anything and if I knew what she could do; and I know  
6 this is not the time to bring this up but is there a law  
7 against cars just parking in driveways where they're not  
8 supposed to be parked or just parking on the street all  
9 day all night or whatever? Is there a rule?

10 CHIEF CRAIG: Through the chair, it depends  
11 on what the issue. I mean, if the car's parked legally  
12 on the street. Are you talking occupied vehicle or  
13 unoccupied vehicle?

14 COMMISSIONER BROOKS: No, no one's in it.

15 CHIEF CRAIG: Oh I mean, certainly your NPO  
16 or that person's NPO can come out and investigate, see  
17 if the car's a stolen vehicle. Has it been there for a  
18 long time?

19 COMMISSIONER BROOKS: Okay.

20 CHIEF CRAIG: Been there for a while?

21 COMMISSIONER BROOKS: Yes.

22 CHIEF CRAIG: Could be a stolen vehicle. If  
23 you know the location, maybe we can get a look into it.

24 DEPUTY CHIEF BETTISON: Yep.

25 COMMISSIONER BROOKS: Thank you.

1 VICE CHAIR DEWAELESCHE: Any other  
2 commissioners?

3 COMMISSIONER HOLLEY: On page four B-O-L-O  
4 what does that stand for?

5 CAPTAIN SVEC: Be on the look out.

6 COMMISSIONER HOLLEY: I was afraid it was  
7 going to be something like that. Why not just say that.

8 VICE CHAIR DEWAELESCHE: Acronyms. Any other  
9 questions or comments?

10 COMMISSIONER BURCH: Yes, I do, Madam Chair.  
11 I'm sorry. Chief Craig, just give us some clarity  
12 because this happened on Dequindre. It was a bad car  
13 accident and the person that did the hitting they ran;  
14 got out of the car and ran away, okay, so you call that  
15 a hit and run, right? So when the officers came there  
16 was only one squad to come. Are all officers trained of  
17 when there's an accident that they know to go above the  
18 street where the accident is to block off where traffic  
19 won't try to come through when the street is blocked?  
20 Are all officers trained to do that to contact somebody  
21 to come and assist them because it was only one squad  
22 car that came to that accident?

23 CHIEF CRAIG: Through the chair I mean each  
24 accident investigation is treated differently. I don't  
25 know what -- if it's a pretty significant accident; it's

1 disrupting traffic.

2 COMMISSIONER BURCH: It was.

3 CHIEF CRAIG: If the supervisor comes to  
4 help, direct other officers but officers can request  
5 assistance. I'm not familiar with that one on  
6 Dequindre.

7 COMMISSIONER BURCH: Yeah, Dequindre. Yes,  
8 it was pretty bad. So in other words, people couldn't  
9 come from the north or the south because he was blocking  
10 all across the street but people kept coming through  
11 because they didn't know and they kept trying to zigzag,  
12 go through the accident. It wasn't handled properly.

13 CHIEF CRAIG: Okay. Do you know what date?

14 COMMISSIONER BURCH: The date I can get it  
15 later.

16 CHIEF CRAIG: Okay, thank you.

17 VICE CHAIR DEWAEELSCHE: Any other  
18 commissioners? If not, thank you very much Captain.  
19 We'll hear now from the board secretary.

20 MR. HICKS: Thank you, Madam Chair. I  
21 simply want to draw your attention to the four items  
22 that are listed on the agenda. Again, these items are  
23 listed informationally for the board so in a lot of  
24 cases the information has already been included in the  
25 chair's report but I did want to point out that we did

1 receive a second of the facial recognition report. We  
2 received a letter from corporation counsel and notes  
3 from the -- or minutes from the Elected Officers  
4 Compensation Commission and then Director Graveline sent  
5 communications from Professional Standards and this was  
6 the request that we had made some time ago relative to  
7 some disciplinary information and he essentially assured  
8 us that information was forthcoming. He had already  
9 began to give information to the Office of the Chief  
10 Investigator relative to OCI complaints but our request  
11 also expanded beyond this OCI and he just assured us  
12 that they're putting together the information and we  
13 expect that to be coming soon.

14 And then of course we received and we  
15 duplicated in your packet several citizen requests to  
16 have an NPO officer return to his assignment and that is  
17 the item number for this listed on the incoming  
18 communications. Unless you have a particular concern or  
19 question, that would conclude my report today.

20 COMMISSIONER BROWN: Madam Chair.

21 VICE CHAIR DEWAELESCHE: Yes.

22 COMMISSIONER BROWN: I just have a question.  
23 I noticed that the information on his report was not  
24 attached to the agenda that went out in the Tuesday  
25 packet. When did that change and why wasn't it -- it's

1 here now and there's no amendments to the agenda that  
2 went out. This went out city wide, so what's the  
3 difference in the change of procedure; why this  
4 information not coming out in the Tuesday packet like it  
5 had been?

6 MR. HICKS: First of all, what we do on  
7 Tuesday is we put out a tentative agenda. Between  
8 Tuesday and the Thursday meeting there are a number of  
9 pieces of information that come into the office. We are  
10 committed to getting that information to you as soon as  
11 we receive it, so that really reflects that the  
12 information came in really after that period of time and  
13 that is the reason why I list out in the agenda all of  
14 the things that are incoming.

15 VICE CHAIR DEWAELSCHE: Any other questions?

16 COMMISSIONER DAVIS: I have a question.

17 VICE CHAIR DEWAELSCHE: Go ahead.

18 COMMISSIONER DAVIS: You got some  
19 correspondence from the corporate counsel?

20 MR. HICKS: Yes.

21 COMMISSIONER DAVIS: Are we going to get a  
22 copy of it?

23 MR. HICKS: It is inside your packet.

24 COMMISSIONER DAVIS: I didn't see it. Okay.

25 VICE CHAIR DEWAELSCHE: Any other questions?

1 MR. HICKS: And Madam Chair, the  
2 correspondence from corporation counsel has to do with  
3 corporation counsel notifying elected officials of the  
4 work of the elected compensation commission, so you may  
5 have seen it in your packet but, you know, the subject  
6 may have thrown you but that was the communication.

7 COMMISSIONER DAVIS: Okay.

8 VICE CHAIR DEWAELSCHÉ: So Mr. Hicks, so  
9 then the information that we're discussing that would be  
10 listed under your report will be reflected in the next  
11 week's meetings, am I correct -- minutes?

12 MR. HICKS: Well, the facial recognition  
13 report for example it's come to the office; it was  
14 distributed. The elected -- the other items they're not  
15 -- we're reporting that they're in; they may or may not  
16 be necessary for you to take any particular action. For  
17 example, the elected compensation boards owed  
18 commission, they simply reported out that they had made  
19 a decision on adjusting the salaries for elected  
20 officials and we supplied you with a copy of their  
21 minutes where that was done and a copy of the letter  
22 from corporation counsel who cited their authority to do  
23 that but that's not something -- that's information for  
24 you but it's not something that would come on your  
25 agenda because there's no action item necessarily for

1 you to take.

2 VICE CHAIR DEWAEELSCHE: All right, thank  
3 you. Is there any unfinished business that needs to  
4 come before the board?

5 COMMISSIONER HOLLEY: Ma'am.

6 VICE CHAIR DEWAEELSCHE: Yes, Reverend  
7 Holley.

8 COMMISSIONER HOLLEY: I asked last week to  
9 honor Don Connors (sic), and so I just don't understand  
10 why; you promised me you would do something at this  
11 meeting and now I'm asking that if you don't mind if you  
12 need help with it, I don't mind helping you with it but  
13 also want to make sure also if it's (inaudible) we did  
14 other like this, can there be some presentation from the  
15 chair to the family letting them know (inaudible).

16 VICE CHAIR DEWAEELSCHE: Yes, we've done that  
17 in the past where we've invited the family to give a  
18 resolution of some sort.

19 MR. HICKS: Yes, we'll prepare a resolution  
20 and reach out to the family and work out a convenient  
21 time for them to come before the board so that such a  
22 presentation can be made to them. Yes, we'll do that.

23 VICE CHAIR DEWAEELSCHE: Commissioner?

24 COMMISSIONER BELL: Madam Chair, I think it  
25 would be very timely in reference to Commissioner Holley

1 respond to help us out on that that we push for our next  
2 community meeting. I think that would be appropriate  
3 and a good time before our community if they can  
4 accommodate us; if not, we'll go forward to do it in a  
5 timely manner.

6 MR. HICKS: Commissioner, I'm sure we can  
7 have the resolution; I don't know what the schedule will  
8 be for the family but we'll have the resolution for that  
9 meeting. We will make a request.

10 COMMISSIONER BELL: Okay.

11 VICE CHAIR DEWAEELSCHE: Thank you. Any  
12 other unfinished business? Hearing none is there any  
13 new business?

14 COMMISSIONER BROWN: Yeah, Madam Chair, I  
15 just had a question.

16 VICE CHAIR DEWAEELSCHE: Commissioner.

17 COMMISSIONER BROWN: Last week I had to  
18 leave because again the information about the agenda was  
19 not posted on the closed session; it was the same issue.  
20 But I watched the video and it spoke of we took a motion  
21 to rescind a resolution and it just gave a number and  
22 I'm just trying to be clear on that resolution, was that  
23 the one rescinding the delegated authority given to  
24 board secretary?

25 VICE CHAIR DEWAEELSCHE: I'm sorry, go ahead.

1 Do you know what resolution?

2 MR. HICKS: Yes, that was one of the items;  
3 there were I believe five items in which you voted on.  
4 They essentially appointed the staff that was hired  
5 under the delegated authority. It also rescinded the  
6 delegated authority and there was one other item but it  
7 is listed in your -- on the back part of your minutes,  
8 all five or six of those items.

9 VICE CHAIR DEWAELSCHKE: Okay, page four did  
10 you say?

11 MR. WYRICK: Page four. Through the chair.

12 COMMISSIONER BROWN: So Madam Chair, also  
13 concerning that section of the charter with hiring I  
14 would just like to request a legal opinion through  
15 corporate counsel. It speaks on the board can appoint a  
16 board secretary. The board can appoint a chief  
17 investigator and all other staff are hired according to  
18 the section of the charter governing human resources;  
19 and the articles and the resolutions that I saw in the  
20 minutes said that we appointed; we appointed and  
21 reappointed these people, so if the charter is saying  
22 that our charter-mandated responsibilities say that we  
23 can only appoint two positions, what's the clarification  
24 of the appointment of all these other people? And if we  
25 did appoint them, then do those jobs have to be reposted

1 to go through the HR process? I just want an opinion on  
2 it, that's all I'm asking.

3 VICE CHAIR DEWAELSCHÉ: Commissioner Bell.

4 COMMISSIONER BELL: Madam Chair, we already  
5 have the opinion. In the closed session corporation  
6 counsel addressed the issue. And therefore, that's why  
7 we came out and took the steps and corporation counsel  
8 was present so we followed the recommendation of the  
9 charter. Corporation counsel was very thorough in terms  
10 of the IG report, so we followed the corporation counsel  
11 guidance in reference to this matter and I think the  
12 director of personnel in compliance. The bottom line is  
13 that we have opportunity by charter to appoint without  
14 going through a process. They're all appointed, so  
15 we've gone over that but basically, I think you review  
16 the process in terms of the whole report of corporation  
17 counsel. He was very thorough; it was -- the meeting  
18 was about an hour long in reference to all those issues  
19 about what we have undergone, so we already have that  
20 opinion.

21 COMMISSIONER BROWN: Madam Chair, we did not  
22 discuss that particular section of the charter. I just  
23 want an opinion on that particular section of the  
24 charter. Based on those three facts about the  
25 appointment of the board secretary, appointment of the

1 chief investigator and how it reads to all of the staff  
2 are hired, so the charter clearly says in there we can  
3 only appoint those two positions. I just wanted clarity  
4 on it. That's all I'm asking.

5 VICE CHAIR DEWAELSCHE: So Mr. Secretary,  
6 will you prepare a question to be asked?

7 MR. HICKS: Yeah, Madam Chair. Yes. We do  
8 have a board attorney and I think that given the history  
9 and the practice, which the corporation counsel may not  
10 immediately know, it might make sense to go to our board  
11 attorney and have our board attorney to generate either  
12 a response or something in answer to the board's  
13 concern. That would be my suggestion, 'cause I think  
14 that he has given this information on that in the past  
15 and we can update the information and so forth and  
16 circulate that.

17 VICE CHAIR DEWAELSCHE: So could Attorney  
18 Wyrick prepare something and then we can present it to  
19 the board and if Commission Brown still has a question,  
20 then we can go from there to the corporation counsel.  
21 Thank you. Any other questions?

22 COMMISSIONER BURTON: Through the chair.

23 VICE CHAIR DEWAELSCHE: Commissioner.

24 COMMISSIONER BURTON: Hi. So, you know,  
25 based off of the city inspector general's report and for

1 the integrity of the board of police commission what  
2 actions are -- is going to be taken by this board  
3 regarding Gregory Hicks our board secretary?

4 VICE CHAIR DEWAELSCHE: My understanding is  
5 we have 145 days to make --

6 MR. WYRICK: 45 days.

7 VICE CHAIR DEWAELSCHE: Oh I thought -- did  
8 I say 145? Okay, we have 45 days.

9 MR. WYRICK: Correct.

10 VICE CHAIR DEWAELSCHE: To make that  
11 decision so we will discuss and make that decision  
12 within that period.

13 MR. WYRICK: Which would be early December.

14 VICE CHAIR DEWAELSCHE: So we have several  
15 weeks.

16 COMMISSIONER HOLLEY: Madam Chairperson.

17 VICE CHAIR DEWAELSCHE: Yes, Commissioner.

18 COMMISSIONER HOLLEY: Just a point of  
19 (inaudible).

20 VICE CHAIR DEWAELSCHE: Can you put your mic  
21 down?

22 COMMISSIONER HOLLEY: That if everybody's  
23 notified so that everybody can be there and have the  
24 questions asked and so forth so that all the information  
25 that any board member would want can be notified that's

1 when they're going to be there. I think it's important  
2 that we do that rather than trying to second guess after  
3 we meet. With all respect to the commissioner, which I  
4 think deserves the answer. Is it okay?

5 COMMISSIONER BROWN: Yeah, Commissioner it's  
6 okay.

7 VICE CHAIR DEWAEELSCHE: Thank you. Any  
8 other questions or comments? Hearing none -- oh  
9 Commissioner.

10 COMMISSIONER BROOKS: I don't have a  
11 question but since we are not allowed to have committee  
12 meetings I am still working with recruiting; I will do  
13 it alone. Anyone out there that knows any place; we  
14 need police officers. When you all talk about wanting  
15 them in your communities, we got to go get them, so they  
16 can get training. So anyone out there that will help me  
17 I would appreciate it. You can give me names of places  
18 where we can put recruiting tables up and not having  
19 meetings is not going to stop me. Thank you.

20 COMMISSIONER DAVIS: Point of information.

21 VICE CHAIR DEWAEELSCHE: Commissioner Davis.

22 COMMISSIONER DAVIS: Was there a vote saying  
23 that we're not going to have subcommittee meetings?

24 COMMISSIONER BROOKS: Yes. Yeah, you were  
25 there.

1 COMMISSIONER DAVIS: No, when was the vote?

2 MR. WYRICK: There's actually been a  
3 proposed amendment to the bylaws which there's a 30 day  
4 notice in there.

5 COMMISSIONER DAVIS: Right, that's what I  
6 thought.

7 VICE CHAIR DEWAELSCHÉ: Any other new  
8 business? Hearing none --

9 COMMISSIONER BURTON: Through the chair.

10 VICE CHAIR DEWAELSCHÉ: Oh commissioner?

11 COMMISSIONER BURTON: I move that we suspend  
12 board secretary Gregory Hicks without pay until the  
13 board of police commissioners investigate whether or not  
14 to terminate or not terminate to be effective  
15 immediately.

16 COMMISSIONER BROWN: I second the motion.

17 VICE CHAIR DEWAELSCHÉ: There's a motion  
18 that has been moved and seconded. All those in favor  
19 indicate by saying aye.

20 COMMISSIONER BURTON: Aye.

21 COMMISSIONER BROWN: Aye.

22 VICE CHAIR DEWAELSCHÉ: Opposed?

23 OTHER COMMISSIONERS: Nay.

24 COMMISSIONER BURTON: Can we have a record  
25 rollcall vote, Madam Chair? Apparently, there is a few

1 commissioners have was pretty silent on the vote.

2 VICE CHAIR DEWAELSCHÉ: Commissioner, in my  
3 opinion the motion did not pass based upon the number  
4 that I did hear say nay.

5 COMMISSIONER BURTON: Well, can we call for  
6 a record rollcall?

7 VICE CHAIR DEWAELSCHÉ: It's not necessary I  
8 don't think. Thank you. The motion failed. So any  
9 other questions? Okay, I have announcements. The next  
10 meeting is November 14th at 6:30 p.m. at the 6th  
11 precinct Second Grace United Methodist Church, 18700 Joy  
12 Road in Detroit. Our next community meeting is  
13 Thursday, December 12th, 6:30 p.m. third precinct  
14 Historic Little Rock Baptist Church 9000 Woodward  
15 Avenue. And now we're at oral communications and public  
16 comments. Mr. Brown, how many?

17 MR. BROWN: Madam Chair, I currently have  
18 two cards. Ms. Karen Gordon and Mrs. Faith.

19 VICE CHAIR DEWAELSCHÉ: Okay, thank you.

20 MS. GORDON: Hi, my name is Karen Gordon.  
21 Chief, on the Detroit News on October the 17th your  
22 words was exactly, I'm going on record here stating that  
23 any officers who found untruthfully will be terminated.  
24 I was arrested and the police officer lied on his police  
25 report.

1 (Audio recording played.)

2 MS. GORDON: The police officer said this to  
3 the prosecutor.

4 (Audio recording played.)

5 MS. GORDON: That was a lie. This is what I  
6 said.

7 (Audio recording played.)

8 MS. GORDON: But still the investigator  
9 Felix -- that was Dennis Smith and Marshall Brown on  
10 their police report. Dennis Smith was training Marshall  
11 Brown, so I hold him accountable for the report being  
12 lie -- the lie that was put in the report. And still  
13 today Felix from this department said he didn't see  
14 anything wrong when he watched the video, when he read  
15 the police report. Chief Craig, I'm asking you these  
16 were your words that you told just less than a month  
17 ago. The video show that they lied in their police  
18 report. The prosecutor wouldn't have never went through  
19 with it had they not lied on me and he never should have  
20 arrested me. The woman down the street, the kids on the  
21 street they went to them and asked them, did you see  
22 that lady do anything? They told them no.

23 (Audio recording played.)

24 MS. GORDON: But why didn't he put this in  
25 his police report? Why didn't he put in the police

1 report the kids they talked to said I didn't do nothing,  
2 that was on the street. He just wanted to arrest me to  
3 show his ride-alongs that he was the man. They bumped  
4 each other five.

5 VICE CHAIR DEWAELSCHE: Thank you, ma'am.  
6 Your time is up. Chief.

7 MS. GORDON: Please watch them videos,  
8 that's all I ask.

9 CHIEF CRAIG: Through the chair. Commander  
10 McGuinnis who works internal affairs do you have any  
11 insights in that investigation? Director Graveline, I  
12 mean.

13 VICE CHAIR DEWAELSCHE: Thank you. Thank  
14 you. Mrs. Faith -- oh I'm sorry. Go ahead. Come on.

15 DIRECTOR GRAVELINE: Through the chair,  
16 we've looked into this claim. The officer who wrote  
17 that report is no longer with the department any longer  
18 and so it's been administratively closed because the  
19 officer is no longer with the department. We took that  
20 statement.

21 CHIEF CRAIG: Well, through the chair and  
22 did we predetermine that there was a false statement?

23 DIRECTOR GRAVELINE: We did not. And so  
24 what happened was a warrant request was given to Wayne  
25 County for both the juvenile and Ms. Gordon. They

1 signed on Ms. Gordon. There was a trial. She was found  
2 not guilty. Juvenile they did not sign on and since the  
3 officer left the department we did not see a blatant  
4 clear false statement. And so we administratively  
5 closed that report.

6 CHIEF CRAIG: And there was no issues  
7 involving the department?

8 DIRECTOR GRAVELINE: No.

9 CHIEF CRAIG: Thank you.

10 MR. BROWN: Mrs. Faith.

11 VICE CHAIR DEWAELESCHE: Okay, Mrs. Faith,  
12 yeah, is coming up. Thank you.

13 MRS. FAITH: Welcome to this honorable  
14 board. My name is Mrs. Faith for the record. And I am  
15 glad for how things -- are taking care of so  
16 expeditiously. As soon as the woman come, the young  
17 lady they immediately stepped to take care of her  
18 grievance. And I tell you I often wonder what would our  
19 nation be like if our female and male officers and  
20 officer responds decided to go on a vacation for half or  
21 a year and never come back. We need to appreciate as we  
22 were saying or I heard you all saying earlier our  
23 responders, because they sacrificially go out and they  
24 watch for us and they watch for themselves; and as I  
25 remember certain times they were watching for me when I

1 couldn't watch for myself. And as I see the officers  
2 stand up all the time; they're never cowering. They're  
3 always straight up and down and the chief always takes  
4 care of everything, you know, that happens in the  
5 department and even when he's on vacation he's taking  
6 care of his business he needs to do as a chief.

7           And then the commissioners always stand up  
8 and take care of what they're to do. And whether the  
9 person is homeless, whether the person is injured, they  
10 have a grievance against the commissioners, I've watched  
11 how y'all conduct yourselves when people are talking.  
12 Whenever there's sensitive matters discussed in any  
13 meeting it's always the same thing straight across.  
14 Straight across. And no one is dishonored or  
15 disregarded. Somebody's talking to them when they come  
16 up to them even when you go out in the community and  
17 they have the meal afterwards they're talking with them  
18 and they're treating them with respect as if they said  
19 nothing. Nothing happened. I say that's continual  
20 respect in regard for our community and our nation  
21 everywhere that we have. Even when you all go to New  
22 York it's the same report. Respect and dignity for the  
23 citizens and civilians as well as the responders. Chief  
24 Bettison he's always been that way since he came. And  
25 he represents you very well when you're in your absence

1 chief all the time. And I commend you all very highly  
2 for standing up and doing your job --

3 VICE CHAIR DEWAELSCHE: Thank you very much  
4 Mrs. Faith. We appreciate it. Thank you.

5 COMMISSIONER HOLLEY: Madam Chairperson, may  
6 I have a point of privilege?

7 VICE CHAIR DEWAELSCHE: Yes, of course.

8 COMMISSIONER HOLLEY: Chief, I know your  
9 heart and I know how you -- I mean, help me to  
10 understand for example the lady -- 'cause we on  
11 television and I want to make sure I know that you and  
12 the police officer understood each other. And I'm  
13 satisfied with the spirit of it. But in terms of the  
14 letter of the law what can this lady do? In other  
15 words, it must be going on some time. Do we owe her an  
16 apology or she was not found guilty? The police officer  
17 been dismissed so what is her recourse of action so that  
18 we can bring closure to this 'cause I know that you  
19 would want that? Am I making sense to you?

20 CHIEF CRAIG: Yes. Through the chair  
21 because a person makes an allegation doesn't necessarily  
22 mean it's true. We conduct the investigation. You  
23 know, certainly when you talk about the officer being  
24 dismissed it sounds like the officer left the department  
25 not because of this investigation, which doesn't suggest

1 -- many times officers will resign under charges and so  
2 we have spent countless hours with the citizen to try to  
3 get to the truth and so I've not gotten -- I know Chris  
4 Graveline has dealt with it probably as much or more  
5 than anyone else. We've had sergeants in my office,  
6 internal affairs and the conclusion is we haven't found  
7 any wrongdoing.

8 COMMISSIONER HOLLEY: Now let me ask you.

9 CHIEF CRAIG: If we don't find any  
10 wrongdoing, there's nothing I can do.

11 COMMISSIONER HOLLEY: As a minister can you  
12 advise what I need to say to her to give her comfort  
13 that this is -- that it's over?

14 CHIEF CRAIG: I don't think that that's  
15 going to be the answer. You can pray but I just don't  
16 know if that's going to be the answer.

17 COMMISSIONER HOLLEY: Okay, gotcha.

18 VICE CHAIR DEWAELSCHÉ: Thank you,  
19 Commissioner.

20 COMMISSIONER BELL: Madam Chair, if there's  
21 no other business I move for adjournment.

22 COMMISSIONER BROWN: Second.

23 VICE CHAIR DEWAELSCHÉ: It's been moved and  
24 seconded. All those in favor indicate by saying aye.

25 ALL: Aye.

1 VICE CHAIR DEWAELESCHE: Opposed? Thank you.

2 Thank you for being here everyone.
