Dear Neighbors

This letter gives me the opportunity to reflect on all the accomplishments that Detroit Parks & Recreation has achieved in the past year. There are so many great events and programs including: Summer Camps, Fun Centers, Senior Friendship Day, Senior Olympics, Spirit Plaza, the spectacular appearance of our parks, and the youth sports that always focus on fundamentals and sportsmanship.

The dedication and creative thinking of our talented employees, under the leadership of Mayor Duggan, is the only way we can accomplish so much with so little. I am tremendously proud of the efforts of the department, especially their flexibility in accomplishing the goal of making Detroit a unique and wonderful place.

In reading through this Spring brochure, I am certain you will agree that the Detroit Parks & Recreation programming is second to none in Wayne County. From our beautiful community and regional parks, to Spirit Plaza and Detroit Exploration & Nature Center - we are so fortunate to have so many tranquil places to unplug and rejuvenate in the City. So, whether you are a new family that has just moved in with a toddler or have lived here for generations, I am sure that Detroit Parks & Recreation will have offerings that will make you proud to call Detroit home.

I look forward to seeing you at our events in the near future!

**BRAD DICK**
