DOWNTOWN DETROIT PARTNERSHIP

Advance Detroit by driving engagement, development and programs that benefit businesses, residents and visitors throughout the Downtown's urban core. We strengthen and support Downtown Detroit through strategic initiatives and programs that evolve with the changing needs of the community. DDP convenes business, philanthropic and government partners to ensure that efforts in the creation of a vibrant urban core for Detroit are balanced and all perspectives are considered.

DDP AND DPD SAFETY AND SECURITY

DDP works with the City of Detroit and community stakeholders to support an environment that provides resident and visitor personal safety. DDP provides a private and public strategy and implementation plan to address issues of real and perceived safety for residents, employees, businesses, and visitors throughout the Downtown Area.

Compstat on the fourth Monday of every month.

Next meeting: March 23, 2020 11:30 a.m.

Business Improvement Zone

- The Downtown Detroit Business Improvement Zone (BIZ) was created to keep Downtown Detroit clean, safe and beautiful. The BIZ offers cleaning, safety, hospitality, holiday lighting and landscaping services for residents, visitors, and business and property owners.
- The Downtown Ambassadors are very recognizable as they clean public spaces and serve as an information resource. The Ambassadors maintain 39 miles of sidewalks and cover the equivalent of 15 football fields for landscaping and preservation of parks and green spaces.
- Stationed throughout Downtown Detroit, They serve as concierges, providing assistance with directions, restaurant recommendations and tourist attractions, or even a jump for a stalled vehicle
- While the Ambassadors provide valuable services to the community, individuals residing throughout the City benefit from this employment opportunity. A workforce development initiative at its heart, about 85% of Downtown Ambassadors are Detroit residents, many having experienced barriers to employment. The Ambassadors collectively work well over 100,000 hours, assisting thousands of Downtown visitors and removing hundreds of tons of trash
