July 8, 2016

Honorable City Council:

Re: Sale to Selkirk Associates, LLC of 41 parcels of DLBA-Owned Real Property at 2125-2129 E. Forest, 4701-4771 Dubois, 4700-4732 St. Aubin, 2125-2151 E. Hancock, 2138 E. Hancock and 2124-2156 E. Warren, Detroit, MI 48207.

The Detroit Land Bank Authority (“DLBA”) has received an offer from Selkirk Associates, LLC, a Michigan Limited liability company (“Offeror”) requesting the conveyance the DLBA of the real property, having a street address of 2125-2129 E. Forest, 4701-4771 Dubois, 4700-4732 St. Aubin, 2125-2151 E. Hancock, 2138 E. Hancock and 2124-2156 E. Warren, Detroit, MI 48207 (the “Property”).

Under the terms of a proposed purchase, the Property would be conveyed to the Offeror by Quit Claim Deed (the “Deed”) for One Hundred One Thousand One Hundred Thirty Five and 51/100 Dollars (\$101,135.51)(the “Purchase Price”).

Offeror intends to use the property as open green space. The proposed use is a by-right use within the designated M3 - General Industrial, B4 - General Business, and R3 - Low Density Residential zoning districts.

We request that your Honorable Body adopt the attached resolution to approve transfer of the referenced properties by the DLBA to Selkirk Associates, LLC.

Respectfully submitted,

MAURICE D. COX

Director, Planning and

Development Department

By Council Member Leland:

Whereas, The Detroit Land Bank Authority (“DLBA”) was created to assemble or dispose of publicly owned properties – currently totaling over 96,000 – in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit; and

Whereas, Pursuant to the Memorandum of Understanding between the City of Detroit and the DLBA, approved by the Detroit City Council on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City of Detroit to the same transferee within any rolling twelve (12)-month period without the prior approval of the Mayor and City Council; and

Whereas, The DLBA requests to convey forty-one (41) parcels to Selkirk Associates, LLC for the purpose of securing and maintaining such property as green space in anticipation of future development.

Now, Therefore, Be It Resolved, that the transfer by the Detroit Land Bank Authority of the forty-one (41) properties described in Exhibit A to Selkirk Associates, LLC, is hereby approved.

**RESOLUTION
TO SUBMIT A PROPOSED
DETROIT COMMUNITY BENEFITS
ORDINANCE FOR ENACTMENT BY
THE VOTERS OF DETROIT IN
ACCORDANCE WITH SECTION 12-110
OF THE 2012 CITY CHARTER**

By Council Member Benson:

Whereas, Section 12-101 of the 2012 City Charter, "Initiative and Referendum", states that:

"Sec. 12-101. - Initiative and Referendum.

The voters of the city reserve the power to enact city ordinances, call the "Initiative", and the power to nullify ordinances enacted by the city, called the "referendum". However, these powers do not extend to the budget or any ordinance for

the appropriation of money; the referendum power does not extend to any emergency ordinance.

The initiative and the referendum may be invoked by petition as provided in this chapter."; and

Whereas, Section 12-110 of the 2012 City Charter, "Submission by Council", states that:

"Sec. 12-110. - Submission by Council.

The City Council may, on its own motion, submit any proposed ordinance or any proposal for the repeal or amendment of any ordinance to the voters in the manner and with the effect provided in this chapter for submission of proposals initiated by petition."; and

Whereas, Section 12-108 of the 2012 City Charter, "Submission to Election Commission and Voters", states in relevant part that:

"[t]he Election Commission shall make a determination as to whether the question can lawfully be placed on the ballot and [if] there is no legal impediment to placing the measure on the ballot, the Election Commission shall place the question on the ballot and submit the measure to the voters in accordance with the applicable requirements of Michigan Election Law, MCL 168.1, et seq.

"If a measure must be submitted to the voters, it shall be submitted:

"1. In the case of an initiative or a referendum, at the next election in the city, or, in the discretion of the City Council, at a special election, subject to applicable provisions of the Michigan Election law, MCL 168.1, et seq. . . ."; and

Whereas, Section 646a of the Michigan Election Law, MCL 168.646a, requires that a ballot question must be certified to the clerk not later than 4:00 p.m. on the twelfth Tuesday (84 days) before the election; and

Whereas, The next scheduled election in the city more than 84 days away is the state general election on November 8, 2016; and

Whereas, The twelfth Tuesday before November 8, 2016 is August 16; and

Whereas, In order for the Detroit Election Commission to have sufficient time to review and certify the ballot question, the City Council desires that this resolution be adopted and forwarded to the Detroit Election Commission before July 26, 2016, which is three weeks before the certification deadline of August 16, 2016; and

Whereas, A petition to enact by initiative a proposed ordinance to add Division XII, "Community Benefits", to Chapter 14 of the Detroit City Code has been submitted to the City Clerk; and

Whereas, On behalf of the City Clerk, the Detroit Department of Elections has,

after reviewing a challenge, certified the petition has sufficient signatures to be placed on the ballot; and

Whereas, The Detroit City Council has concerns about the validity and effect of certain of the provisions in the proposed ordinance submitted by petition; and

Whereas, The Detroit City Council desires to provide the voters of Detroit with the choice to enact an alternative ordinance regarding Community Benefits that would resolve the concerns over certain of the provisions while still achieving the primary substantive objectives of the petition; and

Whereas, The Detroit City Council has considered a proposed ordinance regarding Community Benefits Agreements, attached to this resolution as **EXHIBIT 1**; and

Now, Therefore Be It

Resolved, That the following question shall be submitted to the voters of the City of Detroit at the November 8, 2016 State General Election:

“An initiative to enact the “Detroit Community Benefits Ordinance” proposed by the Detroit City Council to amend Chapter 14 of the City Code to add Division XII, Community Benefits, to require the city to establish and consult with Neighborhood Advisory Councils in conjunction with certain large-scale projects involving city property or tax subsidies, to require development agreements between the city and the developers of such projects to incorporate the concerns of the neighborhood Advisory Councils to the extent feasible, to include certain other related provisions, and to establish that the ordinance is a comprehensive local law on the subject matter.

SHALL THIS ORDINANCE BE ENACTED?

YES (to enact the ordinance) []
NO (to reject the ordinance) []”
and

Be It Further

Resolved, In order to comply with Section 646a of the Michigan Election Law, MCL 168.646a, the City Clerk is directed to transmit a copy of this resolution before the close of business on July 26, 2016, to the City of Detroit Election Commission to certify this question for placement on the November 8, 2016 ballot.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Spivey, and Tate — 6.

Nays — Council Members Castaneda-Lopez, Sheffield, and President Jones — 3.

And the Council then adjourned.

**NOTICE OF AN EMERGENCY
SESSION OF THE
DETROIT CITY COUNCIL**

In accordance with MCL 15.265(5), to call an emergency public meeting that does not comply with the posting requirements, the members of the Detroit City Council call for an Emergency Session of the Detroit City Council on **Friday, July 22, 2016, at 10:45 a.m.** to consider and act upon a resolution addressing and requesting emergency disaster relief related to flooding of Detroit residents' property and homes. This Emergency Session is necessary due to the severe, imminent and ongoing threat to the health, safety, or welfare of the public created by at least three inches of rainfall which occurred on July 8, 2016, and devastated our eastside community, the Jefferson Chalmers neighborhood in particular.

Weeks later, hundreds of households are still negatively impacted by the several feet of contaminated water remaining in their basements. Residents in the affected area continue to battle the aftermath of the flooding which include raw sewage, flooding, and mold conditions. These conditions with lack of running water, electricity, and temperatures in excess of 90 degrees warrant these emergency actions. The cost and magnitude of responding to this ongoing threat to public health and safety exceed the City's available resources. The Mayor of the City is urgently pursuing the filing for Federal Emergency Management Agency (FEMA) disaster declaration for assistance as the conditions in the affected area remain critical. The City of Detroit and her residents urgently need this financial assistance in remedying the cause and accompanying effects, which are ongoing.

The Detroit City Council supports the Mayor's urgent pursuit of a declaration of

a local state of emergency and all efforts to seek additional assistance as expeditiously as possible.

The following process shall be followed, pursuant to MCL 15.265(5):

- 2/3 members serving decide a delay would be detrimental to the efforts to lessen or respond to the threat
- Make paper copies of the public notice for the emergency meeting available to the public at that meeting. Such notice shall include an explanation of the reasons that the public body cannot comply with the posting requirements.
- Within 48 hours after the emergency meeting, public body shall send official correspondence, with a copy of the public notice, to the Board of County Commissioners informing the Commission that an emergency meeting has taken place.

Pursuant to adjournment, the City Council met at 10:45 A.M., and was called to order by the President Brenda Jones.

Present — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 9.

There being a quorum present, the Council was declared to be in session.

**IN THE NAME OF CITY COUNCIL:
RESOLUTION SEEKING DISASTER
RELIEF FROM FLOODING
OCCURRED ON THE EASTSIDE
OF DETROIT**

BY COUNCIL PRESIDENT JONES,
JOINED BY COUNCIL MEMBER
SPIVEY:

Whereas, On July 8, 2016, the City of Detroit experienced an unusually heavy downpour of rain that overwhelmed the City's combined sewerage overflow system and resulted in widespread flooding and the closure of streets and freeways. It also resulted in major drain backup of rain and raw sewerage into hundreds, perhaps thousands, of homes on the eastside of Detroit; and

Whereas, Weeks later, hundreds of households are still being impacted by the several feet of contaminated water that inundated the basements of their homes. Senior citizens and lower income families

have been especially harmed because many of them do not have adequate insurance or the financial means to deal with the aftermath of the flooding; and

Whereas, The cost and magnitude of responding to the flooding issues exceeds the City's available resources; and

Whereas, Health, safety, sanitation and quality of life issues persist in the impacted areas; the City of Detroit and residents need financial assistance in remedying the cause and accompanying effects of the flooding.

Now Therefore, Be It

Resolved, That the Detroit City Council hereby urges the Mayor to declare a local state of emergency and to pursue all efforts to seek additional assistance from the State of Michigan in the City's efforts to address the flooding issues; Be It Further

Resolved, That the City Council urges the State of Michigan to seek additional funding from the Federal Emergency Management Agency (FEMA) if appropriate to address the emergency needs of the City of Detroit; Be It Finally

Resolved, That a copy of this resolution be transmitted Governor Rick Snyder, Mayor Michael Duggan, Michigan's United States Congressional Delegation, the Detroit Delegation in the Michigan Legislature.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 9.

5. Submitting report relative to Report on Gaming Tax Revenue through July 2016. **(For the eleventh year, MGM and Motor City are projected to exceed \$400 million in the calendar year and increase gaming tax collections by \$10.46 million between September and December.)**

6. Submitting report relative to Detroit VEBA’s FY 2015 Audit Reports. **(As noted in the Legislative Policy Division’s report on the Voluntary Employee Beneficiary Association, the audit confirmed that the market value of the bonds issued by the City to the VEBAs were approximately 45% of their face (par) value. This was not sufficient to provide the retirees with the minimal benefits that were promised to them per the Plan of Adjustment.)**

7. Submitting report relative to Risk Management in the City of Detroit. **(Risk Management is a critical function of government. In the FY 2015 CAFR the City reported a total of \$152.6 million in long-term obligation for workers compensation, legal (claims and judgments), disability benefits, and vehicular liabilities for both Governmental and Business-type activities. This was an \$11.7 million increase from the \$140.9 million for FY 2014. The City has a large exposure to claims and judgments for personal injury and property damage. City services such as transportation, street and sidewalk maintenance, police and fire that if not properly developed, maintained and managed could result in accidents and other incidents that the City could be liable for.)**

NEW BUSINESS

Historic Designation Advisory Board
September 1, 2016

Honorable City Council:
Re: 100% Federal Funding — To provide re-roofing services for Scarab Club — Contractor: Detroit Cornice and Slate Company, Location: 1315 Academy St., Ferndale, Michigan 48220 — Contract Period: Upon City Council approval through September 30, 2016 — Total Contract Amount: \$57,500.00. (Amendment to Existing Contract #6000230).

At the request of the State Historic Preservation Office, Michigan State Housing Development Authority, from whom federal pass-through dollars are received for the above-captioned grant-funded project, this amendment (attached) changes certain language within the contract primarily affecting the relationship between the State agency and the Detroit Cornice and Slate Company (contractor).

Respectfully submitted,
MARCELL R. TODD, JR.

Director, City Planning Commission
By Council Member Sheffield:

Resolved, that a contract amendment dated August 26, 2016, with the Detroit Cornice and Slate Company be hereby and is approved.

City of Detroit
Amendment Agreement No. Det-02031
to Contract No. 6000230

This Amendment Agreement No. is entered into by and between the City of Detroit, a Michigan municipal corporation, acting by and through its Department ("City"), and Detroit Cornice and Slate Co., a Michigan Corporation, with its principal place of business located at 1315 Academy Street, Ferndale, Michigan 48220.

Amend Contract Terms and Conditions

WITNESSETH:

Whereas, the City has engaged the Contractor to provide certain services ("Services") to the City: and

Whereas, the City and the Contractor have entered into a Contract reflecting the terms and conditions governing the subject engagement; and

Whereas, Article 18 of the contract permits the parties to amend the contract by mutual agreement; and

Whereas, it is the mutual desire of the parties to amend the contract as set out in detail in the following sections:

Now, therefore, in consideration of the foregoing, and of the benefits to accrue to the parties from this amendment, the parties agree that this Contract is amended as follows:

1. Amendment to Section 3.01

1.01 Section 3.01, which now reads:
To induce the City to enter into this Contract, the Contractor represents and warrants that the Contractor is authorized to do business under the laws of the State of Michigan and is duly qualified to perform the Services as set forth in this Contract, and that the execution of this Contract is within the contractor's authorized powers and is not in contravention of federal, state or local law.

Is amended to read:

to induce the City to enter into this contract, the Contractor represents and warrants that the Contractor is authorized to do business under the laws of the State of Michigan and is duly qualified to perform the Services as set forth in this Contract, and that the execution of this Contract is within the Contractor's authorized powers and is not in contravention of federal, state or local laws. In addition, the Contractor shall neither employ nor subcontract for a service under this Contract a party who is debarred or suspended under state or federal law, including but not limited to suspensions or debarments.

2. Amendment to Section 9.01

2.01 Section 9.01, which now reads:
The Contractor agrees to indemnify, defend, and hold the City harmless against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses (including, without limitations, fees and expenses for attorneys, expert witnesses and other consultants) that may be imposed upon, incurred by, or asserted against the City or its departments, officers, employees, or agents by reason of

any of the following occurring during the term of this Contract:

Is amended to read:

The Contractor agrees to indemnify, defend, and hold the City and any government-grantor agency providing funds harmless against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses (including, without limitation fees and expenses for attorneys, expert witnesses and other consultants) that may be imposed upon, incurred by, or asserted against the City or its departments, officers, employees, or agents by reason of any of the following occurring during the term of this Contract:

3. Amendment to Section 13.01

3.01 Section 13.01, which now reads:

None of the Services covered by this Contract shall be subcontracted without the prior written approval of the City and, if required, any grantor agency. This City reserves the right to withhold approval of subcontracting such portions of the Services where the City determines that such subcontracting is not in the City's best interests.

Is amended to read:

None of the Services covered by this Contract shall be subcontracted without the prior written approval of the City and any grantor agency. The City reserves the right to withhold approval of subcontracting such portions of the Services where the City determines that such subcontracting is not in the City's best interests.

4. Amendment to Section 14.01

4.01 Section 14.01, which now reads:

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the Services under this Contract. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed by it.

Is Amended to read:

The Contractor covenants that it presently has no interest and shall not acquire any interest, direct or indirect, that would conflict in any manner or degree with the performance of the Services under this Contract. The Contractor further covenants that in the performance of this Contract no person having any such interest shall be employed by it. The Services of this Contract shall be accomplished free from bribery, graft, kickbacks, and other corrupt practices as provided in the Copeland "Anti-Kickback" Act, 18 USC 874, and as supplemented by the U.S. Department of Labor Regulations, set forth at 29 CFR Part 3.

5. Amendment to Section 16.02

5.01 Section 16.02, which now reads:

The Contractor shall hold the City harmless with respect to any damages

arising from any violation of law by it or its Associates. The Contractor shall commit no trespass on any public or private property in performing any of the Services encompassed by this Contract. The Contractor shall require as part of any subcontract that the subcontractor comply with all applicable laws and regulations.

Is amended to read:

The Contractor shall hold the City and any government-grantor agency providing funds harmless with respect to any damages arising from any violation of law by it or its Associates. The Contractor shall commit no trespass on any public or private property in performing any of the Services encompassed by this Contract. The Contractor shall require as part of any subcontract that the Subcontractor comply with all applicable laws and regulations.

6. Amendment to Section 14.01

6.01 Section 23.02, which now reads:

This Contract contains the entire agreement between the parties and all prior negotiations and agreements are merged into this Contract. Neither the City nor the City's agents have made any representations except those expressly set forth in this Contract, and no rights or remedies are, or shall be, acquired by the Contractor by implication or otherwise unless expressly set forth in this Contract. The Contractor waives any defense it may have to the validity of the execution of this Contract.

Is amended to read:

This Contract contains the entire agreement between the parties and all prior negotiations and agreements are merged into this Contract. Neither the City nor the City's agents have made any representations except those expressly set forth in this Contract, and no rights or remedies are, or shall be, acquired by the Contractor by implication or otherwise unless expressly set forth in this Contract. The Contractor waives any defense it may have to the validity of the execution of this Contract. If this contract is grant funded, this contract is governed by the terms and conditions of the grant agreement and its amendments, if any (see the full terms and conditions of the grant agreement, including with this contract: CLG Grant Agreement CG15-427 executed 8/21/2015, and its amendment dated March 2, 2016).

7. Effect of Amended Terms on the Remaining Provisions of the Contract

7.01 With the exception of the provisions of the Contract specifically contained in this Amendment, all other terms, conditions and covenants contained in the Contract shall remain in full force and effect and as set forth in the Contract.

8. Amendment Authorization

8.01 This Amendment to the Contract shall not become effective until:

a) The Amendment has been approved by the required City departments;

b) The Amendment has been authorized by resolution of the City Council, if applicable; and

c) The Amendment has been signed by the City's Chief Procurement Officer

The City and the Contractor, by and through their duly authorized officers and representatives, have executed this contract Amendment as follows:

City of Detroit:

Department: Detroit City Council's Historic Designation Advisory Board

By: BRENDA JONES
Council President

This Amendment was approved by the City Council on:

Contractor: Detroit Corniced and Slate Co.

By: MARC D. HESSE
Corp. Treasurer

This Amendment was approved by FRC on:

This Contract Amendment is not valid or authorized until approved by Resolution of the City Council and signed by the Chief Procurement Officer.

Prior to the approvals set forth in this Section, the Chief Procurement Officer shall not authorize any payments to the Contractor pursuant to this Amendment, nor shall the City incur any liability to pay for any services or to reimburse the Contractor for any expenditure authorized by this Amendment.

Honorable City Council:

To your Committee of the Whole was referred Petition of Tent Venue DBA: Porterhouse Presents (#1236), request to host "An Evening to Connect with Community". After consultation with the Mayor's Office and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

SCOTT BENSON

Chairperson

By Council Member Benson:

Resolved, That subject to the approval of the Buildings, Safety Engineering and Environmental, Business License Center, DPW — City Engineering Division, Fire, Municipal Parking and Police Departments, permission be and is hereby granted to Petition of Tent Venue DBA: Porterhouse Presents (#1236), request to host "An Evening to Connect with Community" at the Green Alley between 2nd Avenue and Cass next to Jolly Pumpkin on September 10, 2016 from 5:00 p.m. to 12:00 p.m. with temporary closure on Green Alley between Canfield and West Willis.

Resolved, That the Buildings, Safety Engineering and Environmental Department is hereby authorized to waive the zoning restrictions on said property during the period of the event.

Provided, That the petitioner secures a temporary use of land permit, which includes the erection of any mechanical devices and temporary structures, and further

Provided, That petitioner has an inspection of electrical work prior to opening the facility to the public, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That if tents are to be used, the petitioner shall comply with all sections of Fire Marshal Division Memorandum #3.2 regarding "Use of Tents for Public Assembly," and further

Provided, That the petitioner complies with the provisions of Ordinance 503-H regarding festival permits and carnival licenses, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That permission for the sale of alcoholic beverages is granted contingent upon petitioner obtaining approval of the Michigan Liquor Control Commission and complying with applicable City ordinances in connection with this activity, and further

Provided, That said activity is conducted under the rules and regulations of the concerned departments, and the supervision of the Police Department, (**Granted subject to departmental conditions**), and further

Provided, That such permission is granted with the distinct understanding that petitioners assume full responsibility for any and all claims, damages or expenses that may arise by reason of the granting of said petition, and further

Provided, That site be returned to its original condition at the termination of its use, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

TESTIMONIAL RESOLUTION FOR

DIANA ROSS

By Council President Jones, Joined by Council Member Leland:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon the legendary musical and cultural icon Diana Ross, one of the greatest vocalists in the world, a songwriter, actress, record producer and former lead singer of the well-known vocal group, the Supremes; and

WHEREAS, Born and raised in Detroit, Diana Ross rose to fame as a founding member and lead singer of The Supremes, which during the 1960s, became Motown's most successful act. As lead singer, she helped shape the sound of popular music, changing the landscape and paving the way for contemporary music. The Supremes achieved the unprecedented feat of twelve #1 hit singles in the United States, becoming the most successful American group in history, rivaled only by the Beatles for being the biggest hit makers of that generation. Diana Ross' famed and remarkable career spanning almost five decades is marked by chart and commercial success. Her musical repertoire encompasses R&B, soul, pop, disco and jazz. She is one of the best-selling female

artists of all time and went on to achieve six #1 singles as a solo artist, amassing a total of eighteen #1 hits. In the U.S. alone, to date, Diana has tallied 31 Top Ten Singles and 14 Top Ten albums selling over 100 million records around the globe; and

WHEREAS, Her international achievements were acknowledged in 2007, by the prestigious Kennedy Center in Washington, D.C., as a Kennedy Center Honors recipient. The center celebrated her illustrious career of excellence in music, film, television and theatre, as well as her cultural influences, humanitarian work and contributions to American culture. The National Academy of Recording Arts & Sciences celebrated her remarkable career in 2012 with their highest honor, the Grammys Lifetime Achievement Award. The entertainment industry saluted her portrayal of Billie Holiday in the film *"Lady Sings The Blues"* with top awards and nominations. The Motion Picture Academy of Arts & Sciences bestowed an Oscar nomination for her extraordinary performance as Best Actress and The Golden Globe Awards gave her a trophy for the same role. Diana Ross also starred in two other feature films, *"Mahogany"* and *"The Wiz."* Ross won Broadway's top honor with a Tony Award for her one-woman show, *"An Evening with Diana Ross."* The same show was later broadcast as a special on television; and

WHEREAS, Career milestones include, induction into the Rock & Roll Hall of Fame, the Songwriters Hall of Fame, National Academy of Recording Arts & Sciences Hero Award, NAACP Entertainer Award, Billboard's Female Entertainer of the Century Award, the Soul Train Legend Award and International Lifetime Achievement at the World Music Awards. Her iconic presence is forever cemented in history as one of the few recording artists to have two stars on the Hollywood Walk of Fame — one as a solo artist and the other as a member of The Supremes. *"Stop! In the Name of Love"* and *"You Can't Hurry Love"* are among the Rock & Roll Hall of Fame's 500 Songs that Shaped Rock & Roll. Diana earned a Guinness World Record, due to her success in the United States and United Kingdom for having more hits than any other female artist in the charts; and

WHEREAS, Diana Ross is a consummate performer, as well as one of the most iconic female singers of all time. She is also one of the most prominent women in popular music history and pop culture of the 20th century. Her professional career has resulted in major awards, accolades and music history milestones. Diana also happens to be a supreme mother of five and doting grandmother. Her love of life, never-ending passion and sheer human spirit define the artist that is Diana Ross

and continues to make her one of the most identifiable, unique, beloved and influential artists of our time.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby presents this Testimonial Resolution to Diana Ross, the "Queen of Motown" as a gesture of admiration and respect and in recognition of her outstanding musical achievements.

TESTIMONIAL RESOLUTION FOR

MR. RUDY NELSON "37th Annual Local 600 Retirees Luncheon Honoree"

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and salute Rudy Nelson, for being honored at the 37th Annual Retirees Luncheon for Local 600, that was held on May 11, 2016; and

WHEREAS, Rudy Nelson was born, raised and educated in Detroit, Michigan. After graduating from high school, he joined the United States Army and was deployed overseas to serve in the Occupational Forces of Japan. After World War II, he became a military policeman and served with the "710 Military Policeman Company" in Kobe, Japan. He was honorably discharged in 1947. Mr. Nelson became a UAW Trade Unionist when he was hired by Ford Motor Company in July 1949. He worked at the River Rouge Press Steel Building, which is now named the Dearborn Stamping Plant. After being laid off in 1950, he was called back to work at Ford's Mound Road Plant. He was transferred to Highland Park and then back to Rouge in 1960 to the Dearborn Assembly Plant, where he began his leadership in the union; and

WHEREAS, Mr. Nelson's labor experience carried him through many leadership positions in the union. He was elected to the Unit Executive Board and to the General Council of Local 600 for three consecutive terms. He also served as an Alternate Committeeman, District Committeeman and Bargaining Committeeman. His co-workers at Dearborn Stamping elected him twice as a delegate to the UAW Constitution Convention. Rudy retired from Ford Motor Company in January 1988, after thirty-seven years and joined Local 600 Retired Workers Chapter. He was elected to the Retirees Executive Board in 1990 to represent the Dearborn Assembly Plant retirees and then was elected Sergeant-At-Arms. In

2008, he was elected President of the Retiree Chapter and served in that position until March 2015. In 2010, he was appointed to the UAW International Retired Workers Advisory Council by former UAW President, Ron Gettelfinger, on the recommendation of Rory Gamble, Region 1A Director. In that same year, Mr. Nelson was elected as 2nd Vice President of the UAW Region 1A Retired Workers Council; and

WHEREAS, Since he was a young man, Rudy Nelson has always been involved in his community of Highland Park. He was a Boy Scout Master and Little League Baseball and Basketball Manager. Mr. Nelson tore down the garage in the back of his home and made it into a basketball court for youngsters to play and keep them off the streets. He also served as a PTA President at Willard Elementary School and worked as a part-time Community Agent, for after-school programs. He was elected as a member of the Highland Park Board of Education for three consecutive four-year terms. Rudy Nelson has been married to his lovely wife, Bertha for sixty-five years and they are the proud parents of six wonderful children. He is a faithful member of Grace Christian Methodist "Episcopal Church.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones congratulates Rudy Nelson for his tremendous achievements and dedication to the labor movement.

"31-1/2 Years of Dedicated Service"
City of Detroit**

By Council President Jones:

WHEREAS, On July 8, 2016, Cynthia Lampkin retired from the Treasury Financial Services/Cash Management Division after more than thirty-one years of exemplary service to the citizens of the City of Detroit; and

WHEREAS, Cynthia Lampkin started her employment in 1985 as a Secretary in the Detroit Health Department, where she remained for five years. Cynthia transferred to the Municipal Parking Division and worked as a Bookkeeper for one year; and

WHEREAS, Ms. Lampkin always had an unspoken love for accounting. She decided that her attributes could be better utilized in that field, so she transferred to the City's Finance Department. Her first

position in Finance was as a Semi Senior Accountant in the Debt Management Unit. She maintained this title for three years before being promoted to Senior Principal Accountant in the Finance Accounts - Grants Management Unit, where she worked for eight years. From 2002-2015, Cynthia was the Manager in the Treasury Financial Services/Cash Management Division. She successfully made it through the Office of the Chief Financial Officer (OCFO) reorganization process and her title changed from Manager I to Supervisor Financial Analyst II; and

WHEREAS, Cynthia Lampkin was a stellar employee whose track record has been protecting the City's assets and managing the wire team for the majority of her tenure. She has never been cited in an Audit finding for anything involving the wire process and her unit. She has been promoted eight times during her tenure. Cynthia Lampkin has served the City of Detroit and its citizens with professionalism, integrity and dedication.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, does hereby commend and thank her positive contributions to the City of Detroit and for many years of exemplary service. We wish her a healthy and enjoyable retirement.

MINISTER MARY D. EDWARDS

"She Rocks —

Celebrating 40 Years in Ministry"

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Minister Mary Edwards for forty years of ministerial excellence and service; and

WHEREAS, Minister Mary Edwards is a faithful servant who has demonstrated her civic commitment, through her willingness to serve the citizens and youth of the City of Detroit. This dedication has been expressed through her efforts, alongside her late husband, Rev. Eddie K. Edwards, by way of the Joy of Jesus Ministries. Since its inception, Joy of Jesus has developed programs that enhance academic achievement, build leadership skills and promote self-sufficiency in young people. The Joy of Jesus youth outreach programs and summer camps have impacted the lives of countless youth who live on the east side of Detroit, by completely changing their trajectory; and

WHEREAS, Minister Edwards was the founding director of Camden House, the family life center affiliation of Joy of Jesus. As a result of this successful outreach, she was chosen to serve as a consultant to the advisory team in Washington, DC. which was commissioned by Congressman John Conyers to study the "Root Cause of Substance Abuse." Following the passing of her husband, Minister Mary Edwards founded the Widows with Wisdom Ministry, a support group for widows to help them survive and thrive, while making the adjustment to living alone. She established The Called and Ready Writers, a Christian writer's guild that teaches self-publishing. Minister Edwards has authored five books and released her autobiography, *Born Grown*. For many years, she hosted a weekly radio program and was also a columnist for the Michigan Chronicle newspaper; and

WHEREAS, Minister Mary Edwards has received many honors for her tireless efforts to affect change in the lives of Detroiters. She is the recipient of the *Spirit of Detroit Award* from the Detroit City Council, the *Others Award* from the Salvation Army, *Guiding Spirit Award* from Sigma Gamma Rho Sorority and the Women's Informal Network (W.I.N.) voted her one of the *Most Influential African American Women in Metropolitan Detroit*. Her autobiography appears in the first edition of *Chicken Soup for the African American Soul* and the 2007 edition of *Who's Who in Black Detroit*. Additionally, she is a much-sought after speaker.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby congratulates Minister Mary D. Edwards on this momentous occasion of her 40th Year in Ministry celebration.

TESTIMONIAL RESOLUTION FOR

34th Annual Metro Detroit Youth Day

By Council President Jones:

WHEREAS, The historic 34th Annual Metro Detroit Youth Day, held July 13, 2016, at Belle Isle's Athletic Field in the City of Detroit, is the largest single youth event in Michigan and the Midwest; and

WHEREAS, Metro Detroit Youth Day is a special day of games, fun, sports clinics, entertainment and motivational speakers. It emphasizes the need for physical education and fitness, good sportsmanship, community service, college scholarships, role models and guidance from mentors. Sports stars, government officials, media celebrities and oth-

ers attend the event to provide upbeat messages and encouragement to our youth. Metro Detroit Youth Day began in 1980 to help improve community relations between the private sector and residents, following several altercations between youth and area retailers on Livernois Avenue between Six and Seven Mile Roads. Then Mayor Coleman A. Young, met with community leaders to calm tensions and asked Ed Deeb to "do something" to help resolve the problem. Mr. Deeb met with store owners to urge them to be more sensitive to customers and the youth. As a result of this intervention, the idea for Metro Detroit Youth Day, was born. Since then, the community and businesses have successfully worked together to promote peace, enhance relationships, improve cooperation and inspire our youth to do the most good; and

WHEREAS, Metro Detroit Youth Day has grown annually from some 1,100 youth participants in the first year, to more than 34,000. In addition, more than 1,600 volunteers lend a helping hand to supervise the sports clinics, games, contests, luncheon and various other activities held at this exciting event. The Metro Detroit Youth Day event has received countless honors and proclamations from all areas of our state and nation. Since 1991, more than 950 scholarships have been awarded to graduating high school seniors in metropolitan Detroit; and

WHEREAS, The 2016 Metro Detroit Youth Day is sponsored by SpartanNash Inc., Detroit Free Press, Ford Motor Company, Pepsi Beverages Company, Motor City Casino Hotel, Volkswagen, Fiat Chrysler, Moroun Family Foundation, Sam's Club, MGM Grand Detroit, Michigan Food & Beverage Association, Costco Wholesale, Garden Fresh Salsa, Kroger Company, Detroit Lions, Detroit Pistons, Detroit Tigers, DTE Energy, Michigan Dept. of Natural Resources, Detroit Recreation Dept., Blue Cross and Blue Shield of Michigan, Wayne County Park Systems, Meijer Inc., MASCO Corporation, Aetna Health for a Better Michigan, WDIV-TV, WXYZ-TV7 and TV20, CBS TV, Fox 2-WJBK TV, MEDCIPure Michigan, Comerica Bank., WWJ Newsradio 950, Michigan State University, Charity Motors, Greektown Casino, Walmart, Detroit Public Television, St. John Providence Hospitals, Beaumont Hospitals, tellusdetroit.com, Great Lakes Agricultural Fair, Wolverine Packing, Domino's, Fifth Third Bank, Michigan State Fair, American Axle & Manufacturing, Eastern Michigan University, Oakland University, University of Michigan, Wayne County Community College, Wayne State University, Western Michigan University, International Brotherhood of Electrical Workers, Mechanical Contractors-Detroit, Michigan

Building Trades Council, Detroit Windsor Tunnel LLC, and many others including food and beverage firms; and

WHEREAS, More than 360 community and youth organizations, such as the NAACP, Urban League of Detroit and Southeast MI, Salvation Army, Boys and Girls Clubs, Boy Scouts, Girl Scouts, YMCA, YWCA, Focus HOPE, United Way for SE Michigan, Detroit Police Cadets, The Skillman Foundation, New Detroit Inc., Forgotten Harvest, Detroit Public Schools Foundation, Big Brothers Big Sisters, and many others are participating as co-sponsors. Outstanding and dedicated community leaders such as founder/chairman Ed Deeb, Keith Bennett of Goodwill Industries, Sgt. Curtis Perry of the Detroit Police Cadets, John Ambrose of Michigan State University, Ron Olson of the Michigan Dept. of Natural Resources, Harold Edwards of MichCon (retired), Bruce Ross of Ross & Associates, and Barbara Jean Johnson of the Tireman Center, are co-chairing this event.

NOW, THEREFORE BE IT

**TESTIMONIAL RESOLUTION
FOR
THE WADSWORTH/YOUNG
FAMILY REUNION**

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, extend a warm welcome to your family and friends as you celebrate the Wadsworth/Young Family Reunion. Every year Detroit welcomes many reunion groups to celebrate kinship and enjoy activities together as a family; and

WHEREAS, The Detroit branch of the Wadsworth/Young family and members of the fifth generation residing in Detroit and surrounding cities will host more than eighty relatives at their Biannual Family Reunion. This gathering celebrates the reunion that was held thirty years ago in Detroit. While having fun and strengthening family bonds, Wadsworth/Young relatives from across the United States will gather to celebrate their roots, catch up on all the news, welcome new members to the family and remember those ancestors who are gone; and

WHEREAS, The beginning of the

Wadsworth/Young family was created in Chattanooga, Tennessee, when Mr. Scott Wadsworth, born in 1837 and Miss Harriet Young, born in 1840, were united in holy matrimony in 1857. To this union fifteen children were born and thus, was the beginning of the family tree. The fifteen children are known as branches of the Wadsworth/Young family tree: nine females and six males who gave birth to sixty two children and parented one adopted child. Thus, there were sixty-three grandchildren. The descendants of the sixty-three grandchildren, a kinship family, now numbers more than one hundred and twenty representing seven generations, who reside in fourteen states. The Wadsworth/Young family held six reunions prior to 1980, since then there have been seventeen Biannual Reunions; and

WHEREAS, Family reunions are important rituals that have long contributed to the survival, health and endurance of families, helping to maintain a cultural heritage even in uncertain and turbulent times. As you celebrate the legacy of the Wadsworth/Young family, we hope this gathering of love and unity will be a wonderful, uplifting experience.

NOW, THEREFORE BE IT

That the Detroit City Council and office of Council President Brenda Jones presents this Testimonial Resolution to the Wadsworth/Young Family as a lasting record of acknowledgment and appreciation.

**TESTIMONIAL RESOLUTION
FOR
REV. DR. ELEAZAR MERRIWEATHER
25th Pastoral Anniversary**

By Council President Jones:

WHEREAS, It is with great pleasure and privilege that we the members of the Detroit City Council, recognize and bestow honor upon Rev. Dr. Eleazar Merriweather, the Pastor of Saint Paul African Methodist Episcopal Zion Church, as he celebrates his 25th Anniversary in Pastoral Ministry; and

WHEREAS, Rev. Merriweather was born in Demopolis, Alabama and graduated from John Essex High School. In 1981, he earned a Bachelor of Science degree in Electrical Engineering from Tuskegee University. Rev. Merriweather also received a Master of Arts degree in New Testament Studies and Preaching Exposition from Johnson Bible College and an Honorary Doctorate of Divinity from Livingstone College. He was employed as an electrical engineer at

Lockheed Martin Energy Systems before becoming a full-time pastor and has applied the same skills — patiently experimenting with a process, trusting in teamwork — to involving more people in worship. Rev. Merriweather is very active on all levels of the A.M.E. Zion Church Connection. He has offered himself for service in a number of capacities, including: Administrative Assistant to the Presiding Bishop, Dean of the Rochester-Brown School of Ministry for the Central Africa and Mozambique Annual Conferences, Assistant Dean for the Mid-West Episcopal District Leadership Training Institute, Conference Secretary of the Michigan Annual Conference and as International Director of Discipleship Formation. He also served as the Presiding Elder of the Western Michigan District for one year and currently serves as Presiding Elder of the Trinidad and Tobago Annual Conferences. He was a member of the Southeast Regional Advisory Board for Hospice of Michigan; and

WHEREAS, Rev. Merriweather has held pastorates at Lomax Temple A.M.E. Zion Church and St. Luke A.M.E. Zion Church. Since 2009, he has served as the Pastor of Saint Paul A.M.E. Zion Church. He is married to the love of his life and partner in ministry, Rev. Wanda Merriweather. They have two beautiful daughters, Laquita and Aleisa, and three wonderful grandchildren. Rev. Dr. Merriweather is an anointed teacher, leader and preacher of the Word, who uses his gifts and talents to praise, empower and encourage the people of God.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with friends and family in honoring Rev. Dr. Eleazar Merriweather on this momentous occasion of his 25th Pastoral Anniversary.

**TESTIMONIAL RESOLUTION
FOR
JOHNNIE L. KELLOM
Happy 90th Birthday**

By Council President Jones:

WHEREAS, Johnnie L. Kellom was born in Birmingham, Alabama to Roscoe James, an entrepreneur and Marie James, a schoolteacher, on August 17, 1926. Johnnie was the third oldest of nine children born to this working class family. After high school graduation, she attended State Teachers College, now known as Alabama State University for one year. Johnnie decided that she did not want to become a teacher, so she applied for and was accepted to Grady Nursing School in Atlanta, Georgia; and

WHEREAS, Upon graduation, Johnnie L. Kellom, joined her brothers in Detroit, Michigan in 1949. She was a member of

Ebenezer AME Church in Detroit, where she was an active choir member and later joined the Historic People's Community Church, where she has been a member for 62 years. Johnnie met and married Clarence Kellom, a trailblazer in his own right, in Detroit, Michigan; and

WHEREAS, Johnnie L. Kellom began to accomplish a series of firsts: She was the first Black registered nurse to be hired to supervise at Mercy Hall in Detroit, Michigan. Later, she was hired at Crittenton Hospital in Detroit, where she was one of the first Black registered nurses, the first to be promoted to head nurse, and the first Black nurse to head the Intensive Care Unit. When Crittenton Hospital moved to the suburbs, Mrs. Kellom began her teaching career, focusing on underserved students at local business schools and at the American Red Cross. As a nurse, patients often described "Nurse Kellom" as patient, kind, and knowledgeable, helping them to come to terms with serious and terminal diagnoses; and

WHEREAS, As a teacher, Johnnie L. Kellom was known to spend hours after class breaking down a lesson into simpler terms, so that her students could fully understand the materials. She was also considered a mother figure to many of her nursing assistant students. Mrs. Kellom could be found counseling her students on relationships, time management and other family matters, which might affect their ability to excel in the nursing profession. When Johnnie L. Kellom retired, she continued her role as a caring wife, mother and grandmother. She lovingly cared for her husband until his death in 2011. Johnnie L. Kellom shares her wisdom, laughter and melodious birthday solos with family and friends, and enjoys her role as the family Matriarch.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and Office of Council President Brenda Jones would like to take this time to honor Mrs. Johnnie L. Kellom as she celebrates her 90th Birthday. May the Lord provide her with continued strength and wisdom to lead and encourage others!

**RESOLUTION
IN MEMORIAM
ERNEST LOFTON, JR.**

By Council President Jones:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Ernest Lofton, a devoted companion,

father, grandfather and great-grandfather, brother and highly respected UAW labor leader, who was granted his angel wings on August 4, 2016; and

WHEREAS, Ernest Lofton, Jr., affectionately known as "Ernie" was born on February 25, 1932 in Detroit, Michigan. Ernest was the oldest of three children born to Minnie Lofton and Ernest Lofton. Sr. Lofton began working for Ford Motor Company in 1950 and was a member of UAW Local 600. Shortly afterwards, he was called to serve his country in the United States Army. While on active duty overseas in Europe, he enjoyed playing basketball during the 1951-1952 basketball seasons. Upon discharge from the military, Ernie went back to work at Ford Motor's Dearborn Specialty Foundry. In the late 1960s, he met and married Mary Owens and to this union, two children were born: Penelope and Terrence. After a brief illness, Mary made her transition in 1989; and

WHEREAS, Ernie became very involved in the union and was elected to several union positions, climbing up through the ranks from plant worker to Vice President. Recognizing his activism and leadership skills, Local 600 members voted for Lofton as their Vice President in 1975. He served in that position until 1983. In May 1983, Ernie was elected as Director of UAW Region 1-A. He served as the Director until June 1989, when he was elected as the International Vice President of the UAW. Lofton was the first African-American appointed by UAW President Owen Bieber to serve as Director of the National Ford Department. He served as a Vice President and Director of the Ford Department from 1989 until his retirement in 1998. In this leadership position, Ernie was a voice for thousands of employees and opened doors of opportunity and advancement whenever possible. He led three successful negotiations with Ford Motor Company in 1990, 1993 and 1996. Along with the leadership of UAW Local 600, Ernie was very instrumental in saving the Rouge Complex from closing and bringing the Flat Rock Mazda Plant under the Ford agreement. He also was a member of the Organizing and Reception Committee for the African National Congress Leader, Nelson Mandela's visit to Detroit and the Rouge Complex in 1990; and

WHEREAS, Lofton served in a leadership role for a wide array of organizations including, National Secretary of the Coalition of Black Trade Unionists (CBTU), board member of the NAACP National Board of Directors and the Trade Union Leadership Council (TULC). His generosity and outstanding philanthropic efforts included helping Michigan State University Coach George Perles to launch

the first Motor City Bowl and UAW-Ford sent thousands of children to see that football game. Ernie supported the Old Newsboys' Goodfellow Fund of Detroit organization in many ways and was a member of the board of directors from the late 1990s to 2013. He also worked on the fund's tribute breakfast planning committee for more than twenty-five years. (In 1996, he was selected as "Goodfellow of the Year." During his life and career, Ernie was a true trade unionist and a lifelong champion of economic and social justice. He made tremendous contributions to the auto industry and to our community. Ernest Lofton has left an indelible mark on the Detroit area and beyond and he will be greatly missed!

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its deepest condolences and joins with family and friends in honoring the legacy of Ernest Lofton, a noble man and the finest example of a servant leader.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 7.

Nays — None.

RESOLUTION IN MEMORIAM

CLANTON WIMBERLEY, JR.

By Council President Jones:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Clanton Wimberley Jr., a loving and devoted son, father, grandfather, brother, uncle and friend to many who departed this life unexpectedly on August 20, 2016; and

WHEREAS, Clanton was born on July 7, 1961, in Detroit, Michigan. He was the eldest of six children born to Mary and Clanton Wimberley Sr. Clanton was affectionately called "Junior" by his family. He received his adolescent education in the Detroit Public Schools system, graduating from Mackenzie High School in 1979; and

WHEREAS, Clanton Wimberley worked diligently for the Detroit Board of Education for over twenty-five years. He earned a certification in carpentry and transitioned his passion into a business with his two brothers and best friends, where they were called the "3 Amigos". Clanton operated another business, "Clanton and Ronnie Remodeling," which specialized in home remodeling and provided a great service to customers throughout the city of Detroit. While growing his home remodeling company, he started working at the Marvin and Betty Danto Health Center; and

WHEREAS, Mr. Wimberley was the father of two children, Porshea and Steven. He was a loyal and dedicated family man, who was involved in every aspect of his children's lives. Clanton embodied the role of a big brother to all of his siblings and was a dependable and attentive son to his parents. He loved spending time with his family and enjoyed every opportunity he had to be with his two grandchildren. Clanton was a generous person with a heart of gold. His family always knew they could count on him, no matter the situation. He was a true humanitarian who touched the lives of so many people. Clanton Wimberley Jr. lived a full life of giving and his service to others will always be appreciated. He has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its con-

dolences and joins with family and friends in honoring the memory of Clanton Wimberley Jr.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 7.

Nays — None.

And the Council then adjourned.

Honorable City Council:
Re: Monique Dunlap vs. City of Detroit.
Water and Sewerage Department.
File No. 14639 (PSB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seventy Seven Thousand Dollars (\$77,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seventy Seven Thousand Dollars (\$77,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Monique Dunlap and her attorney, Rick J. Ehrlich to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14639, approved by the Law Department.

July 12, 2016

Honorable City Council:

Re: Proposed Ordinance to Amend Chapter 13 of the 1984 Detroit City

Code, Civil Service and Personnel Regulations, Article V, Vacation, Sick, Department Funeral and Jury Leave.

The Labor Relations Division requested that the Law Department prepare an ordinance to amend Article V of Chapter 13 of the 1984 Detroit City Code to reflect negotiated terms contained in the American Federation of State, county, and Municipal Employees (AFSCME)

Coalition Agreement relation to jury leave. Codification of the Agreement is appropriate as these terms apply to both union and non-union City employees. The amendments provide for paid jury leave for eligible employees, set forth the formula for calculation of jury supplementation,

the requirements for receiving such supplementation, and that jury service shall be considered time worked. A copy of the ordinance, which has been approved as to form, is attached for your consideration.

Respectfully submitted,
MICHAEL A. HALL
Director of Labor Relations

By Council Member Spivey:

AN ORDINANCE to amend Chapter 13 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*; Article V, *Vacation, Sick, Departmental, Funeral, and Jury Leave*; by amending Section 13-5-7 to provide for paid jury leave for eligible employees; to set forth the formula for calculation of jury duty supplementation for employees who serve on jury duty; to establish the calculation of payment for days an employee reports for jury duty but does not serve; to excuse employees who report for jury duty but do not serve for the remainder of that workday; to establish the requirements for receiving jury duty supplementation; to provide that jury duty will be considered time worked and be continued on the payroll; and to authorize the city to deduct the amount received or due from jury duty service from an employee's pay.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 13 of the 1984 Detroit City Code is amended by amending Section 13-5-7, to read as follows:

CHAPTER 13. CIVIL SERVICE AND PERSONNEL REGULATIONS

ARTICLE V. VACATION, SICK, DEPARTMENTAL, FUNERAL AND JURY LEAVE

Sec. 13-5-7. Jury leave; jury duty.

(a) ~~Each City appointee and employee shall be allowed to attend jury duty without pay, provided, that the appointee or employee may elect to use paid leave for any days that he or she serves on jury duty. Jury duty shall not be counted as time worked for the purpose of computing overtime.~~ As used in this section, the phrase "jury duty supplementation" means the difference between an employee's regular pay and compensation paid for jury duty, not including reimbursement for traveling expenses. This section does not apply to special service employees or to individuals who provide services to the City pursuant to contract on a unit, period, service, meeting, or per call basis.

(b) ~~Employees who are required to serve on jury duty will be paid jury duty supplementation. In the event that an~~

~~employee reports for jury duty but does not actually serve on a jury, he or she will be paid jury duty supplementation and is excused from reporting for work for the day.~~

~~(b) (c) In order to use a paid leave day during receive jury duty supplementation, an appointee or employee shall must be have been regularly scheduled to work on a non-overtime basis, must give reasonably prompt prior notice to his or her immediate supervisor or designated authority that he or she has been summoned for jury duty, and upon return to work must furnish satisfactory written proof that he or she reported for, or performed, jury duty on of service for the days for which he or she requests paid leave claims jury duty supplementation.~~

~~(c) Where properly notified by an appointee or employee under subsection (b) of the section, the department or agency shall reschedule, if necessary, the appointee's or employee's work assignment to coincide as closely as possible with the appointee or employee's jury duty.~~

~~(d) The appointee or employee shall notify his or her immediate supervisor or designated authority of his or her desire to use paid leave prior to the first date of jury service. Jury duty will be considered as time worked, provided that the employee provides written proof that he or she served on jury duty. An employee on jury duty will be continued on the payroll and will be paid at his or her straight time hourly rate for his or her normally scheduled hours of work, with a guaranteed eight (8) hours' pay and eight (8) hours towards the threshold for receiving overtime pay.~~

~~(e) Upon return from jury duty and receipt of proof that the employee served on jury duty, the city will pay jury duty supplementation by deducting the amount received or due from such jury duty service from the employee's pay.~~

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. In the event this ordinance is passed by a two-thirds (2/3) majority of the City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

**RESOLUTION
IN SUPPORT OF RAISING THE
MINIMUM WAGE TO FIFTEEN
DOLLARS PER HOUR**

By COUNCIL MEMBERS CUSHINGBERRY, JR. and AYERS

WHEREAS, Although, the United States is one of the wealthiest countries in the world, millions of the country's full-time workers continue to earn wages below the poverty level. These families are faced with health, education and safety concerns linked to their inability to address challenges related to educational disparities, inadequate and/or unsafe housing, and marginalized medical care all of which are directly associated with depressed income levels; and

WHEREAS, According to over 500 economists in an open letter to President Obama, "Research suggests that a minimum wage increase could have a small stimulative effect on the economy as low-wage workers spend their additional earnings, raising demand and job growth, and providing some help on the jobs front." Accordingly, the local economy is likely to

be bolstered by the increase in spending capacity in low-income households when you consider that minimum wage earners are more likely to spend their income locally. The infusion of money circulating within the local economy means more money to pay higher amounts thus mitigating the impact of the wage increases; and

WHEREAS, Currently, many minimum wage paying companies are being subsidized through corporate welfare because of the company's failure to pay its employees a higher wage. The income of these minimum wage workers put them at or below the poverty level, making the use of social welfare programs to subsidize these households necessary and prevalent. If the workers are paid higher wages then reliance on these social programs would decrease releasing federal funds that could be used for other productive purposes. This increase in the federal minimum wage would work to shift the real cost of employees to employers rather than being subsidized by taxpayers through government services; and

WHEREAS, According to the U.S. Department of Labor ("DOL"), research has shown that higher wages sharply reduce employe turnover which can reduce employment and training costs. Increasing the minimum wage would improve the attrition rate thus saving corporate entities money on training costs by reducing the high turnover rate that is associated with minimum wage jobs. Training costs would be reduced providing cost savings which would free up the funds needed to pay the higher wage; and

WHEREAS, Additionally, while many opponents of increasing of the federal minimum wage hypothesize it will decrease the number of job opportunities for lower wage workers DOL, however, indicates "Minimum wage increases have little to no negative effect on employment as shown in independent studies from economists across the country". This is further supported by the economists in their open letter support the increase writing, "In recent years there have been important developments in the academic literature on the effect of increases in the minimum wage on employment, with the weight of evidence now showing that increases in the minimum wage have had little or no negative effect on the employment of minimum-wage workers, even during times of weakness in the labor market." NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council respectfully urges Congress to raise the current federal minimum wage of \$7.25 per hour to \$15.00 per hour; BE IT FINALLY

RESOLVED, A copy of this resolution be forwarded to the Michigan delegations in both houses of the U.S. Congress.

City Planning Commission

July 18, 2016

Honorable City Council:
Re: Request of Mr. Garret Koehler d/b/a Not Community Fellowship, LLC to amend Article XVII, District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, by showing a B2 (Local Business and Residential District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists

on a parcel commonly identified as 2300 17th Street and the request of the City Planning Commission to amend Article XVII, District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, by showing a B2 zoning classification where an R2 and M2 zoning classification currently exists on 19 parcels generally bounded by Michigan Avenue to the north, 16th Street to the east, Rose Street to the south and 17th Street to the west. (RECOMMEND APPROVAL).

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has received a request from Mr. Garret Koehler d/b/a Not Community Fellowship, LLC, petitioning the City of Detroit to amend Article XVII, District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, to show a B2 (Local Business and Residential District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists on a parcel commonly identified as 2300 17th Street generally bounded by Michigan Avenue to the north, 16th Street to the east, Rose Street to the south and 17th Street to the west.

Additionally, the Detroit City Planning Commission, via its staff is requesting to amend Article XVII, District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, by showing a B2 zoning classification where an R2 and M2 zoning classification currently exists on 19 parcels identified as 2324, 2330, 2342, 2348, 2352, 2356, 2364 and 2530 17th Street, 2301, 2307, 2319, 2327, 2333, 2339, 2345, 2351, 2357 and 2363 and 16th Street, generally bounded by Michigan Avenue to the north, 16th Street to the east, Rose Street to the south and 17th Street to the west.

Background

The petitioner, Not Community Fellowship, LLC is in possession of an executed land contract between themselves and Grace-to-Grace Christian Fellowship, a Michigan nonprofit corporation, demonstrating their controlling interest in the subject property. Additionally, the petitioner is currently entertaining options to purchase at least two adjacent properties on 17th Street.

Having consulted the Master Plan of Policies, which reflects a recommended future land use classification of "Mixed Residential/Commercial" for the subject properties, CPC staff conducted a site visit to determine the various types of development already established in the subject area. Given the commercial nature of the current developments in the area, CPC is co-petitioner with the petitioner to rezone the greater area bounded by Michigan Avenue to the north, 16th

Street to the east, Rose Street to the south and 17th Street to the west with the expressed desire to bring the subject area into conformance with the Master Plan by down zoning the M2 frontage of 16th Street B2. Additionally, the intensification in zoning from R2 to B2 on the eastern frontage of 17th Street further brings the area into conformance with the stated purposes of the Zoning Ordinance by embracing the existing conditions as well as the changing nature of the immediate area, i.e., the present religious and residential uses being converted into more of a mixed use characteristic.

Of the 20 parcels being considered for rezoning from R2 and M2, respectively, to B2 four (4) are currently in the City of Detroit's inventory as commercial held land. There are approximately four (4) other property owners who would be directly affected by the proposed rezoning aside from the petitioner. All property tax payers of record have been notified via mail of the proposed rezoning and have had the opportunity to submit their comments.

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

North: B4; developed as Two James Spirits Distillery located at 2415 Michigan Avenue.

East: R2; developed as Roosevelt Park.
South: R2; undeveloped as City of Detroit Department of Recreation green space.

West: TM; developed as single-family residential and a community dog park.

ANALYSIS

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be considered in making recommendations and decisions on rezoning requests.

The current zoning classification of R2 along 17th Street does not allow for a "recording studio." The proposed zoning of B2 does allow for a "recording studio" along with 48 other civic, institutional, retail, service, commercial and other uses on a by-right basis.

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The subject area has undergone a significant transformation over the past several decades, resulting in a decline in population and disinvestment in the community. Within the past few years, new investments have been made in the Corktown area, which has brought new

residents and new industries to the community. The proposed rezoning brings the subject properties into closer alignment with the Master Plan of Policies.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

As indicated by the Planning and Development Department, the subject rezoning is in conformance with the Master Plan of Policies and would be supportive of the future recommended land use of Mixed Residential/Commercial.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

One of the key canons of zoning is to protect the health, safety, and general welfare of the public. The proposed rezoning will allow for mixed use development in the subject area, which may result in an increase of residents and businesses, which is a key factor in deterring crime. By intensifying the zoning along 17th Street to B2 from R2, the aforementioned goal may be achieved. Arguably, the proposed reduction of intensity along 16th Street could achieve the same goal, resulting in a more populated thriving corridor.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will not change as a result of the proposed rezoning. There are already established utility and service lines in the area of the subject property. Considering that the subject area was once more densely populated, the anticipated increase in population from residents and businesses, should not place any undue strain on the current services or utilities.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;

As previously mentioned, the physical characteristics of the subject property will not change as a result of the proposed rezoning. There are no foreseeable impacts to any of the aforementioned environmental aspects.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

As stated in this report, the primary petitioner is in the process of executing a long term lease with adjacent property owners and is exercising the option to purchase other properties in the area. The petitioner's intent is to create a vibrant mixed-use arts community in the Corktown neighborhood, capitalizing off of efforts already underway by different community stakeholders.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing R2 zoning classification along 17th Street is not conducive to the proposed use of a "recording studio." In providing the recommendation for a B2 zoning classification the CPC evaluated all zoning classifications and determined that the B2 zoning classification would allow for the proposed use, with the least amount of impact on the adjacent land uses.

(8) Whether the proposed rezoning will create an illegal "spot zone."

In addition to the CPC co-petitioning to bring the balance of the subject properties into closer compliance with the Master Plan of Policies, the determination was also to avoid the potential of an illegal "spot zone." Had the CPC not co-petitioned the prospect of a lone parcel at the intersection of 17th Street and Rose Street would have likely resulted in a recommendation of denial.

Suitability of the Property

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classifications and proposed zoning classification." Zoning Map No. 42 generally shows a mix of R2, B4, M2 and M4 zoning on the north, south, east and west for several blocks of the subject property. This section of the Corktown subsector is primarily developed with residential and commercial complexes with a variety of uses.

In general, CPC would look favorably on the rezoning of the subject parcels to accommodate the establishment of a recording studio which would bring a previously vacant building online as well as allow the future establishment of mixed use development, which may lead to increased population, employment and tax review for the city.

Land Use

CPC is of the opinion that a B2 (Local business and Residential District) zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of a recording studio on a conditional basis and bring the greater area into conformance with the Master Plan of Policies.

Significant Impact on Other Property

The Commission is of the opinion that the rezoning of this property would add to the stability of the surrounding community by allowing the continuation of a viable business which has served as a stabilizing element along this secondary corridor. The current operation presently provides full-time employment opportunities for two residents in the area.

CITY PLANNING COMMISSION PUBLIC HEARING

On October 15, 2015, the City Planning

Commission held a public hearing on the subject rezoning request. No members of the public were present to speak in support or opposition to the requests. The Commissioners did inquire if staff initiated in-depth conversations with the adjacent property owners who would be directly affected by the proposed rezoning from R2 and M2 respectively to B2. Staff indicated that efforts would be made to hold those conversation with the intention of addressing any and all concerns expressed by effected land owners.

Additionally, Mr. Bruce Evans, formerly of the Planning and Development Department staff was present and stated that the proposed rezoning was in conformance with the Master Plan's future land use classification of Mixed Residential/Commercial rather than the Low-Medium Density Residential classification identified in staff's October 1, 2015 report.

On Friday, October 16, 2015, staff did have a conversation with partners of Two James Spirits distillery and tasting room, providing them with a complete and detailed list of all land uses permitted in the current M2 and proposed B2 zoning classification. No objections were raised, and a letter of support was submitted by the proprietors of that establishment.

MASTER PLAN CONFORMANCE

The subject site is located within the Corktown area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Mixed Residential/Commercial for the subject property. The Planning and Development Department (P&DD) has submitted a letter stating the proposed rezoning's consistency with the City's Master Plan.

RECOMMENDATION

On October 29, 2015 the City Planning Commission voted to recommend approval of the request of Mr. Garret Koehler d/b/a Not Community Fellowship, LLC, to amend District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, to show a B2 (Local Business and Residential District) zoning classification where an R2 (Two-Family Residential District) zoning classification currently exists on a parcel commonly identified as 2300 17th Street generally bounded by Michigan Avenue to the north, 16th Street to the east, Rose Street to the south and 17th Street to the west. Additionally, the CPC voted to recommend approval of the request of the City Planning Commission via its staff to amend Article XVII, District Map No. 42 of Chapter 61 of the 1984 Detroit City Code, Zoning, by showing a B2 zoning classification where an R2 and M2 zoning classification currently exists on 19 parcels generally bounded by Michigan Avenue to the north, 16th Street to the east, Rose Street to the south and 17th Street to the west. The ordinance

effectuating the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

City Planning Commission

September 2, 2016

Honorable City Council:

Re: Second Modified Site Plan—Grand Trunk Crossing Development

At its regular meeting of August 4, 2016, the City Planning Commission (CPC) voted to recommend approval of the second modified site plan for the Grand Trunk Crossing Development to your Honorable Body.

BACKGROUND

Detroit City Council passed Ordinance No. 27-14 at the request of Henry Ford Health System (HFHS) to rezone 26 lots covering 3.28 acres of land in the vicinity of Holden and Sterling Avenues, just south of West Grand Boulevard, from R1 (Single-Family Residential District), R2 (Two-Family Residential District), and B4 (General Business District) zoning classifications to the PD (Planned Development District) zoning classification for the proposed Grand Trunk Crossing mixed-use development. That rezoning went into effect on September 4, 2014.

The original rezoning request from HFHS indicated a two-phase, mixed-income, mixed-use commercial/residential development adjacent to HFHS's "south campus development" on the south side of West Grand Boulevard, which was also recommended for approval by the CPC as part of a companion B5 (Major Business District) rezoning request. HFHS and its developer, The Community Buildings (TCB) indicated Grand Trunk Crossing would involve approximately (154) units across eight buildings — both rehab (3 buildings) and new construction.

With passage of the rezoning ordinance, site plan approval for the first phase was also granted authorizing one hundred three (103) residential units, consistent with the plans and elevations presented by TCB and prepared by Harley Ellis Devereaux, dated 4/21/2014 (4 pages).

First Modified Site Plan

At the CPC meeting of February 4, 2016, the Commission voted to recommend approval of a minor modification to the Grand Trunk Crossing PD and also voted to recommend approval of revised site plans submitted by The Community Buildings (TCB) and prepared by Harley Ellis Devereaux dated 1/26/2016 (9 pages) that indicated the removal of one existing building and reduction of residential units to seventy-seven (77).

Your Honorable Body passed a resolution on March 8, 2016 approving the modified PD and the revised site plan.

Proposed Second Modified Site Plan

In preparation for submitting its request for low income tax credits for the Grand Trunk Crossing development to the Michigan State Housing Development Authority (October 1st), TCB has submitted a revised site plans and elevations for the Commission's consideration, prepared by Harley Ellis Devereaux, dated 7/27/16 (see attached).

The following differences appear between the first modified site plan (1/26/2016) and the proposed site plan (7/27/2016):

- The dwelling unit count for the entire site has decreased from seventy-seven (77) units to seventy-one (71).
- The east/west alley, first north of Holden Avenue on the west side of Sterling Avenue, is no longer shown as vacated; it will be used as access to off-street parking.
- Building 1, new construction (west side of Sterling, north of the east/west alley 1st north of Holden) is proposed to contain twelve (12) units — six (6) 1-bedroom units; three (3) 2-bedroom units; and three (3) 3-bedroom units. (This building replaces a larger building shown on the 1st modified site plan as extending across a vacated east/west alley.)
- Building 2, existing commercial building to be rehabbed (northeast corner of Holden and Sterling Avenues), shows five (5) 2-bedroom units, and 1,211 square feet of office/artist/gallery space on ground floor — unchanged from 1st modified site plan.
- Building 3, existing but unoccupied apartment building (southwest corner of Sterling and Ferry Park Avenues), is proposed to contain nine (9) units: six (6) 1-bedroom units and three (3) 2-bedroom units — unchanged from 1st modified site plan.
- Building 4, new construction, 4 stories (northwest corner of Holden and Sterling), is proposed to reduce residential units from forty-five (45) to twenty-seven (27) units: eighteen (18) 1-bedroom units and nine (9) 2-bedroom units; 1st modified site plan specified twenty-one (21) 1-bedroom units, eighteen (18) 2-

bedroom units, and six (6) 3-bedroom units. (This corner building no longer is proposed to extend across the east/west alley first north of Holden and is smaller than earlier proposed.)

- Buildings 5A and 5B (east side of Sterling, north of the east/west alley) are proposed to be 3-story and to contain eighteen (18) units: twelve (12) 1-bedroom units and six (6) 2-bedroom units; the 1st modified site plan also specified 18 units but all to be contained in one 4-story building.

- Proposed off-street parking spaces total seventy-one (71) providing one (1) space per dwelling unit; the 1st modified site plan had indicated eighty-three (83) spaces for seventy-seven (77) units.

- Fifty-two (52) parking spaces are provided to the rear of Building 5B and extending all the way to Trumbull Avenue and on the south side of east/west alley just north of Building 2 on the land currently occupied by an apartment building that is to be demolished pursuant to the 1st modified site plan; there are twenty-three (23) units on the east side of Sterling in Buildings 2, 5A and 5B.

- Nineteen (19) parking spaces are provided to the rear of Buildings 1 and 4 on the west side of Sterling; there are forty-eight (48) units on the west side of Sterling in Buildings 1, 3 and 4; consequently, off-street parking spaces for twenty-nine (29) of the units on the west side of Sterling will be located across Sterling Avenue closer to Trumbull.

Findings and Recommendations

The CPC finds that TCB's proposed modification to the PD for Grand Trunk Crossing does not constitute a major modification to the PD but rather a minor modification to the rezoning ordinance (Sec. 61-3-97). The CPC also finds that the revised site plan is faithful to the Planned Development as originally approved and is consistent with the site plan approval criteria (Article III, Division 5, Subdivision D) and the PD Design Criteria (Sec. 61-11-15).

At its meeting of August 4, 2016, the CPC voted to recommend approval of the minor PD modification as indicated in the plans and elevations prepared by Harley Ellis Devereaux, dated 7/27/16. A resolution of approval is attached for your consideration.

September 7, 2016

Honorable City Council:

Re: Resolution approving a Commercial Rehabilitation District for Henry Ford Health System and Third & Grand, LLC in the area at the northwest corner of Third Avenue and W. Grand Boulevard (including 2905-2921 West Grand Blvd.), Detroit, Michigan, in accordance with Public Act 210 of 2005.

On September 8, 2016, a public hearing in connection with establishing a Commercial Rehabilitation District was held before your Honorable Body's Planning and Economic Development Committee. No impediments to the approval of the District were presented at the public hearing.

Please find attached, a resolution and legal description which will establish a Commercial Rehabilitation District in the area bounded by the northwest corner of Third Avenue and W. Grand Boulevard, Detroit, Michigan in accordance with Public Act 210 of 2005 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of the property.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

JOHN SAAD

Manager-Development Division
Housing and Revitalization Dept.

By Council Member Leland:

Whereas, pursuant to Public Act No. 210 of 2005 ("Act 210") this City Council has the authority to establish "Commercial Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Henry Ford Health System and Third & Grand, L.L.C., has requested that this City Council establish a Commercial Rehabilitation District in the area generally bonded by the northwest corner of Third Avenue and W. Grand Boulevard, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, the aforesaid property is in a duly designated business area, and is contiguous commercial property or commercial housing property; and

Whereas, Act 210 requires that prior to establishing a Commercial Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem taxes*, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, a public hearing was conducted before City Council on September 8, 2016, for the purpose of considering the establishment of the proposed Commercial Rehabilitation District described in the map and legal description attached hereto; and

Whereas, no impediments to the establishment of the proposed District were presented at the public hearing. Now Therefore Be It

Resolved, that the Commercial Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved

and established by this City Council in accordance with Public Act 210 of 2005.

 Re: Petition No. 1106 — Great Lakes Burger Restaurant to Establish an Outdoor Cafe at 18200 W. McNichols
 The above-named petitioner has requested permission for Outdoor Cafe Service. This service will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED), who has jurisdiction over temporary encroachment on City right-of-ways, has approved this request contingent upon the petitioner's compliance with applicable City ordinance related to outdoor cafe activities, and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED.

The Health Department has approved this petition, sub to the petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Health Department's Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition.

Prior approval from the Central District Precinct does not cover serving liquor in outdoor cafe area until the Detroit Police Liquor License Bureau has given approval.

The Planning & Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is the recommendation of the P&DD that the petitioner's request be granted, subject to the terms and conditions provided in the attached resolution, and that this service will convene every April 1st through November 30th for a period of three years (3) from the date of your Honorable Body's approval.

Respectfully submitted,

JOHN SAAD, P.E.

Engineering Services Coordinator
Planning & Development Dept.

By Council Member Leland:

Resolved, that the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and directed to issue a use-permit to Great Lakes Burger Restaurant, Detroit (permittee), whose address is at 18200 W. McNichols, Detroit, Michigan, to install and maintain an outdoor cafe, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor cafe activities, prior to the issuance of said use-permit: and

Provided, that the cafe meets the regulations set by the "Outdoor Cafe Guidelines" as adopted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, that the petition obtains all necessary licenses and permits every year from Departments having jurisdiction over the Outdoor Cafe process; and

Provided, that the petitioner obtains all necessary permits and Certificate of Occupancy from the Department of Building, Safety, Engineering and Environmental Department (BSEED); and

Provided, that said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, that the sale of food and soft drinks is held under the direction and inspection of the Health Department; and

Provided, that the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, that the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law

Department, saving and protecting the city of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, that the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, that the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of the encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, that no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, that the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, that the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the cafe; and

Provided, that the outline and location of the outdoor cafe is not to be different from the site plan approved by the Planning and Development Department and the Department of Public Works; and

Provided, that if any tent, canopy or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Building, Safety, Engineering & Environmental Department and the Department of Public Works/City Engineering Division; and

Provided, that the outline and location of outdoor cafe is not to be different from previously approved site plan by the Historic District Commission; and

Provided, that all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, that a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense;

Re: Real Property at 11351 and 11503 Hamilton, Detroit, MI 48202

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ivan Alexander, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having street addresses of 11351 and 11503 Hamilton, Detroit, MI 48202 (the "Property").

The P&DD entered into a Purchase Agreement dated July 6, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Eighteen Thousand and no/100 dollars (\$18,000.00) (the "Purchase Price").

Offeror plans to rehab the property for use as a fitness center. The use is permitted as a matter of right in this B-4 (General Business District) zone.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director

By Council Member Leland:

Whereas, the City of Detroit Planning and Development Department ("P&DD") has received an offer from Ivan Alexander, an individual, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having street addresses of 11351 and 11503 Hamilton, Detroit, MI 48202 (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated July 6, 2016, with the Offeror;

Whereas, in furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; nd

Whereas, Offeror plans to rehab the property for use as a fitness center. The use is permitted as matter of right in this B-4 General Business District) zone.

Now, Therefore, Be It Resolved, that the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, that Property may be transferred and conveyed to Offeror, in consideration for its payment of Eighteen

Thousand and 00/100 Dollars (\$18,000.00); and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, that customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of Nine Hundred and 00/100 Dollars (\$900.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, that a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, that the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation counsel as to form.

Re: Resolution Approving an Obsolete
Rehabilitation Exemption Certificate,
on Behalf of AG Selden, LLC at 666
Selden Street, Detroit, MI, in Accord-
ance with Public Act 146 of 2000.
(Related to Petition #885).

On September 8, 2016, a public hear-
ing in connection with approving an Obso-
lete Rehabilitation Exemption Certificate
for the above-captioned property was
held before your Honorable Body. All
interested persons and organizations
were given an opportunity to be heard. No
impediments to the approval of this certi-
ficate were presented during the hearing.

AG Selden, LLC has submitted satis-
factory evidence that they possess the
necessary financial resources required to
develop this property in accordance with
Public Act 146 of 2000 ("the Act") and the
Development Agreement for the project.

Respectfully submitted,

JOHN SAAD

Manager – Development Division

By Council Member Leland:

Whereas, AG Selden, LLC has filed
with the City Clerk an application for an
Obsolete Property Rehabilitation Exem-
ption Certificate, under Public Act 146 of
2000 ("the Act") in City of Detroit Obso-
lete Property Rehabilitation District in the
manner and form prescribed by the
Michigan State Tax Commission; and

Whereas, This City Council is a Quali-
fied Local Governmental Unit as defined
by the Act; and

Whereas, This City Council on Feb-
ruary 9, 2016 established by Resolution
an Obsolete Property Rehabilitation Dis-
trict in the vicinity of 666 Selden Street,
Detroit, Michigan, after a Public Hearing
held, in accordance with the Act; and

Whereas, The Taxable value of the
property proposed to be exempt plus the
aggregate taxable value of property
already exempt under the Act and under
Public Act 146 of 2000 does not exceed
5% of the total taxable value of property in
the City of Detroit; and

Whereas, The Applicant is not delin-
quent in any taxes related to the facility;
and

Whereas, The Application is for obso-
lete property as that term is defined in
Section 2(h) of the Act, which property is
owned by the Applicant; and

Whereas, Commencement of the reha-
bilitation of the subject facility did not
occur before the establishment of the
Obsolete Property Rehabilitation District;
and

Whereas, The Application relates to a
rehabilitation program that when complet-
ed constitutes a rehabilitated facility with-
in the meaning of the Act and which is sit-
uated within the aforesaid City of Detroit
Obsolete Property Rehabilitation District
and

Whereas, Completion of the rehabilita-
tion is calculated to, and will at the time
the Certificate is issued, have the reason-
able likelihood of increasing and/or retain-
ing employment, increasing commercial
activity, revitalizing an urban area, or
increasing the number of residents in the
community in which the facility is located;
and

Whereas, The rehabilitation includes
improvements aggregating 10% or more
of the true cash value of the property at
the commencement of the rehabilitation
as provided by Section 2 (l) of the Act;
and

Whereas, The City Council has granted
until March 31, 2017 for the completion of
the rehabilitation; and

Whereas, On September 8, 2016, in
the City Council Committee Room, 13th
Floor, Coleman A. Young Municipal
Center, Detroit, Michigan, a formal public
hearing was held on aforesaid applica-
tion, at which time the Applicant, the
Assessor, the general public, and repre-
sentatives of the affected taxing units had
an opportunity to be heard; and

Whereas, Notice was given by certified
mail to the Detroit Board of Education, the
City of Detroit Board of Assessors, the
Wayne County Board of Commissioners,
Wayne County Community College, the
Wayne County Intermediate School
District, the Huron-Clinton Metropolitan
Authority, the Applicant, and by publica-
tion to the general public, informing them
of the receipt of the Application, the date
and location of the Public Hearing, and
the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and
determined that the granting of an Obso-
lete Property Rehabilitation Exemption
Certificate, considered together with the

taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of AG Selden, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2028, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than March 31, 2017, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Whereas, commencement of the subject project did not occur before the establishment of the Plant Rehabilitation District; and

Whereas, the Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Industrial Development Rehabilitation District; and

Whereas, completion of the project is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, the project includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the project as provided by the Act; and

Whereas, this City Council has granted until the end of December 31, 2016 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan

Authority, the Applicant and by publication to the general public, informing them of the receipt of the Application, the date and location of the public hearing, and the opportunity to be heard;

Whereas, the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of the Industrial Facilities Tax Exemption Certificate, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Lear Corporation for an Industrial Facilities Tax Exemption Certificate (Plant Rehabilitation) in the area of 119 State Street, Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2028; and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than December 31, 2016, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Industrial Facilities Exemption Certificate Agreement.

Planning & Development Department

September 12, 2016

Honorable City Council:

Re: Amendment: Surplus Property Sale by Development Agreement. Brush Park South Development – RHEAL Capital Management, LLC.

The Planning & Development Department ("P&DD) has received an offer from RHEAL Capital Management, LLC ("Purchaser"), a Delaware Limited Liability Company, to purchase and develop certain City of Detroit properties generally bounded by John R, Division, Brush, Winder and the Chrysler Service Drive ("Properties") for the amount of \$263,201.00. The Properties contain approximately 4.35 acres of vacant land and are more specifically described in Exhibit A of the attached resolution.

The Purchaser will develop the Properties into a mixed-use, mixed-income development in the historic Brush Park Neighborhood ("Project"). The sale shall be subject to a development agreement requiring the development of approximately 280 residential units on the Properties, of which 20% of the units will be dedicated for a 30 year period to individuals that make 80% or less of the area median income. The Project will also consist of approximately 12,000 square feet of commercial and retail space. The Project is expected to create an estimated 360 construction jobs.

We, therefore, request that your Honorable Body approve the attached land sale resolution, and authorize the P&DD Director or his authorized designee, to execute a development agreement, deed to the Properties and such other documents as may be necessary to effectuate the closing of a sale of the Properties to the Purchaser.

Respectfully submitted,

MAURICE COX

Director

By Council Member Leland:

Resolved, That in accordance with the foregoing communication, the city Council hereby approves the sale by development agreement ("Development Agreement") of certain City of Detroit properties generally bounded by John R, Division, Brush, Winder and the Chrysler Service Drive and as further described in the attached Exhibit A ("Properties") to RHEAL Capital Management, LLC ("Purchaser"), a Delaware Limited Liability Company, for the amount of Two Hundred Sixty-Three Thousand Two Hundred One and 00/100 Dollars (\$263,201.00) ("Purchase Price"); and be it further

Resolved, that the Development Agreement shall require the Purchaser to develop the Properties pursuant to a housing program ("Housing Program") that consists of high density, multi-family housing, carriage houses and townhomes

built to the maximum density allowed under applicable zoning and other laws. The Housing Program, at minimum, shall include the following:

1. 4 (Four) Multi-Family housing buildings with approximately 215 units
2. 25 (Twenty-Five) Carriage Houses
3. 46 (Forty-Six) Townhouses
4. Approximately 12,000 square feet of commercial space
5. Parking designation consistent with applicable City zoning
6. Purchaser will ensure that at least 20% of the housing units will be affordable to households earning 80% or less of the area median income for a period of 30 years

However, P&DD and the Purchaser may refine and amend the Housing Program at their discretion prior to the execution of the Development Agreement. Developer will seek City Council approval for any change P&DD determines to be material to the Housing Program described above; and be it further

Resolved, That the City shall not pay any closing costs, broker commissions or payments to the Detroit Building Authority from the sale proceeds for the sale of the Properties pursuant to this resolution; and be it further

Resolved, That the P&DD Director, or his authorized designee, be and is hereby authorized to execute a Development Agreement consistent with this resolution, deed to the Properties and such other documents as may be necessary to effectuate a sale of the Properties to Purchaser; and be it further

Resolved, That the Development Agreement be considered confirmed when signed and executed by the P&DD Director, or his authorized designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Planning and Development Department submitting a resolution on behalf of 751 Griswold Detroit, LLC requesting extension of an Obsolete Property Rehabilitation Exemption Certificate at 751 Griswold, Detroit, MI in accordance with Public Act 146 of 2000. (Petition #118.)

On October 14, 2014, your Honorable Body approved the above referenced Obsolete Rehabilitation Exemption Certificate.

751 Griswold Detroit, LLC, has informed the Housing & Revitalization Development that due to unavoidable circumstances, the project has been delayed and they would like to request an extension to complete the project by June 30, 2017.

We, therefore, request that your Honorable Body adopt the attached resolution, authorizing an extension for completion of the project for the Obsolete Rehabilitation Exemption Certificate June 30, 2017.

Respectfully submitted,

JOHN SAAD

Manager

Development Division

By Council Member Leland:

Whereas, 751 Griswold Detroit, LLC has requested an extension to complete the project by June 30, 2017.

Whereas, 751 Griswold Detroit, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on July 29, 2014 established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 751 Griswold, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial

activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (l) of the Act; and

Whereas, This City Council has granted until of June 30, 2017 for the completion of the rehabilitation; and

Whereas, On October 9, 2014, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 751 Griswold Detroit, LLC for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years from completion of the facility, with the certificate beginning December 31, 2014 and the certificate expiring December 30, 2028, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act, and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than June 30, 2017, unless an extension of

that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Honorable City Council:

Re: Appropriateness of proposed commercial recreation center at Tolan Playfield. (Recommend Approval.)

Per Sec. 61-11-136 of the City Code, the Planning and Development Department (PDD) hereby submits the required recommendation and resolution of appropriateness for the proposed indoor commercial recreation facility at Tolan Playfield, located at 601 Mack Avenue (site plan submitted by Dale Hughes).

Proposed to be constructed at the northeast corner of Tolan Playfield is a 64,000 square foot air-supported structure that will house a velodrome for bicycle racing, as well as a multi-purpose track and a multi-purpose concrete floor infield. Parking is proposed in the 70 space existing parking lot to the west of the structure. During time of peak usage, patrons of the facility are able to use the parking lot of the adjacent Spain junior high school, per an existing arrangement between the school and Recreation Department. The applicant is also negotiating with the property owner to the north, Queen Lillian LLC to use its parking lot when necessary when the medical office building is closed. A lease and operating agreement for the facility has already been reviewed and approved by your Honorable Body.

The requested indoor commercial recreation center use is a matter of right use in the PR (Parks and Recreation) zoning district, and the hearing to that classification on the rezoning of the subject portion of Tolan Playfield is scheduled for September 8, 2016 before the Planning and Economic Development standing committee. A building permit cannot be issued for the facility until the effective date of the rezoning. Additionally, due to the proposed height of the structure exceeding the 35 feet allowed in the PR district, a dimensional variance will be required from

the Board of Zoning Appeals prior to the issuance of the building permit. That hearing is anticipated soon after the effective date of the rezoning, if approved.

Sec. 61-11-136 requires that in the PR zoning district, PDD review the "...appropriateness of commercial recreational facilities, the design, appearance and location of such facilities, and the location and design of signs and parking areas in conjunction therewith... for consistency with the spirit, purpose, and intent of this Zoning Ordinance". "In each case, the City Council shall approve, disapprove, or adjust said recommendations by resolution." To allow the facility to begin construction prior to winter, PDD is submitting this report in anticipation of the rezoning. Additionally, PDD is required to conduct the site plan review for the development, and that site plan review will be presented to the Buildings, Safety Engineering and Environmental Department (BSEED) and to the BZA.

The PDD has reviewed the proposed site plan, and finds that the proposed development is appropriate for the location within Tolan Playfield. The storm water mitigation measures, such as bioswales, reduce the environmental impact of the facility and improve the site. The amount of off-street parking provided is adequate. Improvement to the park outside of the project boundaries will continue to be the responsibility of the Recreation Department.

The PDD also finds that the proposed facility is consistent with the spirit, purpose, and intent of this Zoning Ordinance, with the exception of the proposed height, which will require approval by the BZA. The PDD does support the required dimensional variance.

Attached is a resolution for your Honorable Body's consideration and approval.

Respectfully submitted,
MAURICE D. COX
Director

By Council Member Leland:

Whereas, Sec. 61-11-136 of Detroit's Zoning Ordinance requires that the Planning and Development (PDD) make the finding that a proposed commercial recreation facility located in Parks and Recreation (PR) district conforms with the spirit, purpose, and intent of the Zoning Ordinance; and

Whereas, The above section also requires that the Detroit City Council approve the establishment of a commercial recreation center in a PR district prior to the establishment of that use; and

Whereas, The public hearing to rezone the property to PR is scheduled to be held on September 8, 2016; and

Whereas, PDD has reviewed the indoor commercial recreation center proposed for Tolan Playfield (601 Mack Ave.) and submitted the required report, dated

September 1, 2016, where the findings were made that, with the exception of the proposed height, the proposed facility's design, appearance and location, and the location and design of its signs and parking areas, as shown on the plans dated August 31, 2016 and prepared by Giffels Webster, are consistent with the spirit of the zoning ordinance; and

Whereas, Per Sec. 61-14-72 of the Zoning Ordinance, PDD has found that the amount of off-street parking proposed is adequate, and

Whereas, The facility's proposed height will require a dimensional variance from the Board of Zoning Appeals prior to the issuance of the building permit;

Now Be It

Resolved, That the Detroit City Council hereby approves the proposed indoor recreation facility at 601 Mack Avenue.

Law Department

September 13, 2016

Honorable City Council:

Re: Sergio Love and Robert Cureton vs. City of Detroit. Civil Action Case No. 16-008118 NO.

Representation and indemnification by the City of Detroit of the City employee(s)

or officer(s) listed below is hereby not recommended. We agree with the recommendation of the Head of the Department, and believe that the City Council should find and determine that the suit against the Defendant does not arise out of or involve the performance in good faith of the official duties of such Defendant. This Defendant violated department procedure, the criminal law and was not in the performance of his official duties at the time the acts complained of were committed. We, therefore, recommend a "NO" vote on the attached resolution.

Copies of the relevant documents are submitted under separate cover.

Employee or Officer requesting representation: P.O. David Pomeroy, Badge No. S-480.

Respectfully submitted,
DOUGLAS BAKER
Supervising Assistant
Corporation Counsel

Approved:

MELVIN B. HOLLOWELL
Corporation Counsel

By Council Member Spivey:

**RESOLUTION SETTING
REQUIRED HEARINGS
REGARDING DEFENSE AND
INDEMNIFICATION OF
CERTAIN MEMBERS OF THE
DETROIT POLICE DEPARTMENT**

Whereas, Section 7.5-203, *Civil Litigation*, of the 2012 Detroit City Charter provides, in relevant part, that "[upon request, the Corporation Counsel may represent any officer or employee of the city in any action or proceeding involving official duties;]" and,

Whereas, Section 13-1 1-5 *Civil Service and Personnel Regulations*, of the 1984 Detroit City Code provides, in pertinent part, that "the city council shall consider and determine whether the corporation counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee;]" and,

Whereas, Arbitration awards issued by the voluntary Labor Arbitration Tribunal recognize the past practice of City Council holding hearings for police officers who have been denied representation (see Grievance Nos. 79-237, 82-055, 90-047, and 92-200/92-202); Now Therefore Be It

Resolved, That, pursuant to the above and MCL 15.268(a), closed sessions are to be held on _____ for the purpose of conducting hearings related to the following:

Legal Representation and Indemnification in lawsuit of **Sergio Love and Robert Cureton vs. City of Detroit, Civil Action Number 16-008118-NO for P.O. David Pomeroy**; and Be It Further

Resolved, That the hearings are scheduled at _____; and Be It Finally

Resolved, That a copy of this resolution be timely provided to the Detroit Police Officers Association and the Corporation Counsel.

Honorable City Council:

Re: Request to accept an increase in appropriations for Historic Preservation Fund Certified Local Government Grant

The Belle Isle Conservancy has awarded an increase to the City of Detroit Historic Designation Advisory Board for FY 2015 Historic Preservation Fund Certified Local Government Grant in the amount of \$9,500 bringing their cash match share from \$8,500 to \$18,000. The Historic Designation Advisory Board will allocate an in-kind match of \$7,500. The State share from the Michigan State Housing Development Authority/State Historic Preservation Office is \$24,000 of the approved amount bringing the project total to \$49,500.

The funding allotted to the department will be utilized to hire a contractor to provide plans and specifications detailing the reopening of the Belle Isle building, a construction cost estimate, and color renderings of the proposed pass-through between the Belle Isle Aquarium and the Anna Scripps Whitcomb Conservatory. This is a reimbursement grant.

If approval is granted to accept the increase and appropriate accordingly, the cost center for the matching funds will be 520501 and appropriation number is 14055.

I respectfully ask your approval to accept the increase in appropriations funding in accordance with the attached resolution.

Respectfully submitted,
NICHELLE HUGHLEY
Deputy CFO
Office of Grants Management

Approved:

PAMELA SCALES
Budget Director
JOHN NAGLICK
Finance Director

By Council Member Sheffield:

Whereas, the Historic Designation Advisory Board is requesting authorization to accept an increase in appropria-

tions for Historic Preservation Fund Certified Local Government Grant from Belle Isle Conservancy in the amount of \$9,500 to hire a contractor to provide plans and specifications detailing the reopening of the building, a construction cost estimate, and color renderings of the proposed pass-through between the Belle Isle Aquarium and the Anna Scripps Whitcomb Conservatory.

Therefore, Be It Resolved, that the Director for the Office of Grants Management is hereby authorized to sign the grant agreement on behalf of the City of Detroit, and that the Director or Head of the Department is authorized to execute the modified grant agreement on behalf of the City of Detroit, and

Be It Further Resolved, that the Budget Director is authorized to increase the budget accordingly for appropriations number 14055 in the amount of \$9,500 from the Belle Isle Conservancy for the purpose to hire a contractor to provide plans and specifications detailing the reopening of the building, a construction cost estimate, and color renderings of the proposed pass-through between the Belle Isle Aquarium and the Anna Scripps Whitcomb Conservatory.

UNFINISHED BUSINESS

PRESIDENT'S REPORT ON STANDING COMMITTEE REFERRALS AND OTHER MATTERS

RESOLUTIONS

By ALL COUNCIL MEMBERS:

THE FOLLOWING ITEMS ARE BEING REFERRED TO THE BUDGET, FINANCE AND AUDIT STANDING COMMITTEE:

LAW DEPARTMENT

1. Submitting report relative to Whether the Chief Financial Officer is Properly Involved in the Selection of the auditing Firm to prepare the City's Comprehensive Annual Financial Report (CAFR); whether such Involvement by the CFO is consistent with the Detroit City Charter. **(There is no conflict of interest. While the Charter is silent as it relates to the CAFR, state law is not. Under Uniform Budgeting and Accounting Act and the Home Rule City Act, the City's Chief Financial Officer ("CFO"), with oversight by the Financial Review Commission, has the specific authority to create and maintain the CAFR for the City of Detroit.)**

LEGISLATIVE POLICY DIVISION

2. Submitting report relative to CAFR Auditor Selection. **(This contract under review is to audit the FY 2016 - 2019 CAFRs. While it does not appear that Plante & Moran PLLC is technically in conflict of interest, it is clear the auditor selection process was tainted by participation in the selection process by the Office of the Chief Financial Officer members responsible for the preparation of the City's financial statements to be audited. The Legislative Policy Division recommends that the Inspector General review the auditor selection process to determine any improprieties and ethics violations.)**

3. Submitting report relative to Report on Gaming Tax Revenue through August 2016. **(For the eleventh year, MGM and Motor City are projected to exceed \$400 million in the calendar year and increase gaming tax collections by \$10.46 million between September and December. MGM reached \$400 million in early September and Motor City is projected to reach \$400 million in mid-November.)**

July 18, 2016

Honorable City Council:

Re: Petition No. 872 — Detroit Architect, request to vacate the remaining streets and alleys on the parcels located at the southeasterly corner of St. Jean and Jefferson.

Petition No. 872, Detroit Architect, request for outright vacation of Glover Avenue, 50 feet wide, from Jefferson Avenue, southerly to the dead end, also for the outright vacation of two east-west alleys and two north-south alleys in the blocks bounded by St. Jean Avenue, 87 feet wide,, Glover Avenue, 50 feet wide, Hilger Avenue, 60 feet wide, Edlie Street, 50 feet wide and East Jefferson Avenue, 120 feet wide.

The request is being made in order to consolidate the properties for a future development.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report:

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

The Public Lighting Department (PLD) and Public Lighting Authority (PLA) both report involvement with two street lights. The luminaries and bracket arms must be removed prior to closure. A provision for the PLD/PLA removal has been made a part of the resolution.

AT&T reports being involved. The developer will need to contact AT&T for the relocation and removal of their facilities or grant them an easement.

DTE Energy – Electric reports being involved. The developer will need to contact DTE Energy – Electric for the relocation and removal of their facilities or grant them an easement.

DTE Energy – Gas reports being involved with two gas mains and one service line in the subject area. The developer will need to contact DTE Energy – Gas for the cost of relocating their services.

The Detroit Water and Sewerage Department (DWSD) reports no objection if the petitioner agrees to relocate the sewers and water mains in accordance with the DWSD provisions for relocation at no cost to DWSD. The DWSD provisions are a part of the resolution.

Detroit Fire Department (DFD) reports involvement as there is still one commercial building on Glover Avenue. The developer must maintain DFD vehicular access to the remaining structure.

All other city departments and utilities have reported no objections to the vacations and provisions for all utility relocations have been made a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, All that part of Glover Avenue, 50 feet wide, from the southerly line of East Jefferson Avenue southerly to the dead end and further described as lying easterly of and adjoining the easterly line of Lots 59 through 62, both inclusive, and lying westerly of and adjoining the westerly line of Lots 5 through 8 both inclusive; also the east-west alley 20 feet wide lying northerly of and adjoining Lots 61 and 72, both inclusive and lying southerly of and adjoining the southerly line of Lots 62 through 71, both inclusive; also the north-south alley, 15 feet wide, lying easterly of and adjoining the easterly line of Lots 72, 73 and 74 and lying westerly of and adjoining the westerly line of Lots 59, 60 and 61; also the east-west alley, 20 feet wide lying northerly of and adjoining the northerly line of Lot 6 and lying southerly of and adjoining the southerly line of Lots 1 through 5, both inclusive; also the westerly 6 feet of the north-south public alley lying easterly of and adjoining the easterly line of Lots 6, 7 and 8, all the above in "Henry P. Law Department

September 15, 2016

Honorable City Council:

As requested by the Law Department and the Detroit Police Department, on September 13, 2016 at the Formal Session, your Honorable Body denied a

resolution for representation and indemnification for Sergeant David Pomeroy, Badge Number S480, in the matter of *Sergio Love and Robert Cureton vs City of Detroit*, Civil Action Case No.: 16-008008 NO. The matter was moved from the referral agenda to be voted on at that session due to the exigency of a determination in sufficient time prior to the answer due date of September 28 2016. Inadvertently, my staff attached the incorrect resolution to the Corporation Counsel's letter recommending denial of representation, and this inaccurate resolution was passed out to the Council Members as well as the Committee Clerk.

Attached to this letter is a resolution that comports with the statements made on the record at the Formal Session where I indicated that both the Police Department and the Law Department recommended denial of representation and that the affected union, the Lieutenants and Sergeants Association, through its President, Mark Young, would not be requesting a closed session and would not contest the denial of representation and indemnification.

Therefore, the Law Department requests that you place on the record at the September 20, 2016 Formal Session the attached amended resolution and that the record reflect the new resolution.

Thank you for your time and consideration in this very important matter.

Respectfully submitted,

DOUGLAS BAKER
Chief Corporation Counsel

RESOLUTION

Whereas, Section 7.5-203 of the 2012 Detroit City Charter, *Civil Litigation*, provides in pertinent part, "Upon request, the Corporation Counsel may represent any officer or employee of the City in any action or proceeding involving official duties"; and,

Whereas, Section 13-11-5 of the 1984 Detroit City Code, *Civil Service and Personnel Regulations*, provides, in pertinent part, that "the City Council shall consider and determine whether the Corporation Counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee"; and,

Whereas, The Office of Corporation Counsel has presented its recommendation along with a packet containing information regarding the Legal Representation and Indemnification in the lawsuit of *Sergio Love and Robert Cureton vs City of Detroit*, Civil Action Case No.: 16-008118 NO for Police Officer David Pomeroy, Badge Number S-480, and

Whereas, The Office of Corporation Counsel advised City Council that the

Lieutenants and Sergeants Association indicated, through its President Mark Young, that a challenger to the denial or representation would not be filed; and

Now Therefore Be It

Resolved, That based upon the information provided by the Detroit Policed Department and the City of Detroit Law Department, Legal Representation and Indemnification of Police Officer David Pomeroy,, Badge Number S-480 is **DENIED**;

Now Therefore Be It

Resolved, That a copy of this resolution be timely provided to the Detroit Police Officers Association and the Corporation Counsel.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

**IN MEMORIAM
ROBERT EARL JOHNSON**

By COUNCIL MEMBER TATE:

WHEREAS, the Detroit City Council joins Sharon Guillory and her family in honoring her father, Robert Earl Johnson, for his life-long achievements and service in the United States Coast Guard; and

WHEREAS, Mr. Johnson moved from Gainesville, Alabama to Detroit, Michigan in 1940 to live with his Aunt Bessie Grant. Mr. Johnson later enlisted in the United States Coast Guard on November 1, 1951. He was married to Mary Ella Anderson, from 1957 to 1963, with three children born to this union: Crystal Johnson, Sharon Johnson and Alesia Johnson. After he and his first wife divorced, Mr. Johnson married Frances Johnson in December of 1969 and together they had one child, Barbara F. L. Johnson, along with Robert's three steps-sons: Charles, Aundray and Michael Bedford. Mr. Johnson and his wife Frances remained together until he made his final transition on September 2, 2016 at the age of 84 years; and

WHEREAS, Mr. Johnson served 30 years in the United States Coast Guard and was highly decorated with awards and medals including the Coast Guard Meritorious Unit Commendation with "O" Device, four Coast Guard Good conduct Awards, three Coast Guard Achievement Medals, the Commanding Officer Ashore Insignia, the Officer in Charge Afloat Insignia, the Coast Guard Rifle Ribbon, the Coast Guard Expert Pistol Ribbon, the Letter of Commendation Ribbon, the Letter of Commendation Ribbon with "O" Device, and the National Defense Service Medal with Bronze Star. He lived and worked the last decade of his career in the San Francisco Bay area before retiring; and

WHEREAS, On behalf of the residents of the City of Detroit, we thank Mr. Johnson for 30 distinguished years of service protecting the shorelines, enforcing

immigration and drug laws, and monitoring vessels for safety. Mr. Johnson consistently exhibited a commitment to improving the quality of life of others, as a true role model and civic leader, and we are forever grateful for his contributions to our country; NOW THEREFORE BE IT

RESOLVED, That Council and office of Councilman James E. Tate, Jr., and the entire Detroit City Council, hereby salute Mr. Johnson and present this testimonial resolution as an expression of gratitude and esteem, on behalf of the residents of the City of Detroit, to honor the life and service of Mr. Robert Earl Johnson, CWO4, U.S. Coast Guard (Retired).

TESTIMONIAL RESOLUTION FOR OFFICER UNICE Y. HUNTER

"23 Years of Dedicated Service" DETROIT POLICE DEPARTMENT

By COUNCIL PRESIDENT JONES:

WHEREAS, On September 15, 2016, Officer Unice Hunter, Badge 888, assigned to the Third Precinct, will retire from the Detroit Police Department (DPD) after twenty-three (23) years of exemplary service to the citizens of the City of Detroit; and

WHEREAS, Officer Unice Hunter was born on March 12, 1969, in Saginaw Michigan. She was the fourth child of five children, born to Mrs. Irene Coleman and the late Mr. Roger C. Coleman. She received her adolescent education in the Saginaw Public School system, graduating from Saginaw High School. After graduation, she attended Oakland Community College. Officer Hunter joined the Detroit Police Department in 1994. After completing basic training at the Detroit Metropolitan Police Academy, she was assigned to the Seventh Precinct. During her tenure, Officer Hunter's assignments included the First Precinct, where she worked the Greektown Beat and the Financial Beat, as well as in Detention Administration on the 8th and 9th floors at Police Headquarters. She received an opportunity to work in Crime Analysis and became the most sought-after Crime Analysis Officer throughout the city. After working in Crime Analysis for several years, Officer Hunter was transferred to the Central District (now the Third Precinct). She was assigned to Special Operations, Desk Clerk and Patrol; and

WHEREAS, She was united in holy matrimony with Kevin Hunter on

December 31, 1998. To this union, they raised four children: Carta, Wayne, Kayloni and Kevin, Jr. She is the proudest "Grandma" of her granddaughter, Cali. Officer Hunter's humility, assertiveness, intelligence and most of all, her loyalty and dedication extends beyond her family and friends. Officer Hunter feels that it is absolutely important to give back to the community and is always willing to help others, no matter their circumstances. She has inspired and built positive relationships with so many young people, making a lasting impression; and

WHEREAS, Officer Unice Hunter has served the Detroit Police Department and the citizens of the City of Detroit with loyalty, professionalism, dedication and diligence.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, does hereby commend and thank Officer Unice Y. Hunter for her positive contributions to the Detroit Police Department and for many years of dedicated law enforcement service.

STANDING COMMITTEE REPORTS

Office of the City Clerk

August 16, 2016

DEAR COUNCIL MEMBERS:

Re: Application for 143 Homestead Neighborhood Enterprise Zone Certificates for Various NEZ-H Approved Areas within Phase I and Phase II List #2016-01

On October 21, 1992, your Honorable Body established Homestead Neighborhood Enterprise Zones. I am in receipt of list number 2016-01, which shows one hundred forty three (143) applicants for Homestead Neighborhood Enterprise Zone Certificates. THE APPLICATIONS HAVE BEEN REVIEWED AND RECOMMENDED FOR APPROVAL BY THE FINANCE ASSESSMENTS DIVISION – SPREADSHEET COPY IS ATTACHED. Therefore, the attached Resolution if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration is requested.

Respectfully submitted,
JANICE M. WINFREY
City Clerk

RESOLUTION

By Council Member Cushingberry, Jr.: Whereas, Michigan Public Act 147 of 1992 (“the act”) as amended in 2005, allows the local legislative body to establish Homestead Facilities Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Homestead Facilities Neighborhood Enterprise Zone for the following area(s), in the manner required by and pursuant to Public Act 147 of 1992, (“the act”) as amended in 2005 on July 28, 2006.

Now, Therefore Be It Resolved, That the City Council approve the following addresses to this resolution as receipt of Homestead Facilities Neighborhood Enterprise Zone Certificates for a fifteen (15) year(s) period:

And Be It Further Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey and President Jones — 8.

Nays — None.

City Clerk's Office

August 16, 2016

Honorable City Council:

Re: Applications for 23 Homestead Neighborhood Enterprise Zone Certificates Various NEZ-H Approved Areas within Phase 1 and Phase II List #2016-02.

On October 21, 1992, your Honorable Body established Homestead Neighborhood Enterprise Zones. I am in receipt of list number 2016-2, which shows twenty three (23) applicants for Homestead Neighborhood Enterprise Zone Certificates. THE APPLICATIONS HAVE BEEN REVIEWED AND RECOMMENDED FOR APPROVAL BY THE FINANCE ASSESSMENTS DIVISION — SPREADSHEET COPY IS ATTACHED. Therefore, the attached Resolution, if adopted by your Honorable Body, will approve these applications. A waiver of reconsideration is requested.

Respectfully submitted,

JANICE M. WINFREY

City Clerk

By Council Member Cushingberry, Jr.:

Whereas, Michigan Public Act 147 of 1992 ("the act") as amended in 2005, allows the local legislative body to establish Homestead Facilities Neighborhood Enterprise Zones for the purpose of providing exemption from ad valorem property taxes, and the imposition of specific property tax in lieu of ad valorem taxes; and

Whereas, The Detroit City Council has established a Homestead Facilities Neighborhood Enterprise Zone for the following area(s), in the manner required by and pursuant to Public Act 147 of 1992, ("the act") as amended in 2005 on July 28, 2006.

Now, Therefore, Be It Resolved, That the City Council approve the following addresses attached to this resolution as receipt of Homestead Facilities Neighborhood Enterprise Zone Certificates for a fifteen (15) year(s) period:

And Be It Further, Resolved, That the City Clerk shall forward each tax exemption certificate application to the State Tax Commission.

Re: Willeen Washington vs. City of Detroit; Case No.: 15-011852-NF; File No.: L15-00697.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seven Thousand Five Hundred Dollars and No Cents (\$7,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seven Thousand Five Hundred Dollars and No Cents (\$7,500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Willeen Washington and Daniel Romano, her attorney, to be delivered upon receipt of properly executed

File No.. L16-00561 (EBG).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that it is in the best interest of the City of Detroit to settle the two lawsuits above, under the following terms:

1. That in full resolution of any and all claims the County of Wayne and the Wayne County Building Authority may have against the City of Detroit which were asserted in the case entitled "County of Wayne and Wayne County Building Authority vs. City of Detroit," Wayne County Circuit Court Case No.: 16-006431-CH, the City of Detroit shall execute a Quit Claim Deed transferring title to lots 4, 6, 8, 10, 11, 12 and 14, located in the vicinity of 640 Temple, to the County of Wayne, for the sum of One Dollar (\$1.00);

2. That the Quit Claim Deed described in paragraph 1 be tendered by the City of Detroit to the County of Wayne upon receipt of a properly executed Release and a Stipulation and Order of Dismissal entered in Wayne County Circuit Court Case No.: 16-006431-CH, and upon receipt of the Quit Claim Deed described in paragraph 3 below, transferring title to certain property from the County of Wayne to the City of Detroit, approved by the Law Department.

3. That in full resolution of any and all claims the City of Detroit may have against the County of Wayne which were asserted in the case entitled "City of Detroit vs. County of Wayne," Wayne County Circuit Court Case No.: 16-007718-CH, the County of Wayne shall execute a Quit Claim Deed transferring title to property located at 8689 John C. Lodge to the City of Detroit, for the sum of One Dollar (\$1.00);

4. That the Quit Claim Deed described in paragraph 3 be tendered by the County of Wayne upon receipt by the County of Wayne of a properly executed Release and a Stipulation and Order of Dismissal entered in Wayne County Circuit Court Case No.: 16-007718-CH, and upon receipt of the Quit Claim Deed described in paragraph 1, transferring title to certain property from the City of Detroit to the County of Wayne, approved by the Law Department.

5. That the City of Detroit Law Department and other appropriate City departments or officials be authorized to prepare and execute such documents as may be necessary to effectuate the settlement described above.

We, therefore, request authorization to settle the two lawsuits listed above under the terms described above.

City Planning Commission

September 9, 2016

Honorable City Council:

Re: The request of the Planning and Development Department on behalf of RHEAL Capital Management is also requesting the City Planning Commission to approve the site plan and building elevations for an existing PD (Planned Development) zoning classification on approximately 3.4 acres of adjacent land generally bounded by the east/west alley first south of Alfred Street to the north, Brush Street to the east, Winder Street to the south, and John R. to the west. This portion of the project referred to as West of Brush (W.O.B.) would also allow for a mix of residential housing types and is generally consistent with the provisions of the existing PD and therefore does not require PD modification. (RECOMMEND APPROVAL)

NATURE OF REQUEST

The entirety of this project is being presented in two separate geographical portions. They are being referred to as East of Brush (E.O.B.) and West of Brush (W.O.B.) which are comprised to make up the Brush Park South (BPS) project proper.

P&DD on behalf of RHEAL Capital Management is requesting City Council to approve the site plan and building elevations for an existing PD Planned Development) zoning classification on approximately 3.4 acres of adjacent land generally bounded by the east/west alley first south of Alfred Street to the north, Brush street to the east, Winder Street to the south, and John R. to the west. This portion of the development being referred to as West of Brush (W.O.B.).

It should also be noted that another request is currently before the City Planning Commission from P&DD on the behalf of the developer RHEAL Capital Management, LLC to amend Article XVII, District Map 4, of the 1984 Detroit City Code Chapter 61, Zoning by modifying the provisions of the existing PD-H (Planned Development District Historic) zoning classification established by Ordinance 25-96 which includes approximately 0.945 acres of land generally bounded by Winder Street to the north, Beaubien Street to the east, the Fisher Freeway Service Drive (south bound) to the south and Brush Street to the west. This is the portion of the development denoted as East of Brush (E.O.B.).

The project is essentially one proposal, but **ONLY** the W.O.B. portion is being considered for action by City Council at this

time. The E.O.B. portion of the development requires a major modification from the provisions of the development plan, while the W.O.B. portion is generally consistent with the provisions of the development plan only ²requiring minor modifications from the Plan. The split of the proposal also results from a hopeful Low Income Housing Tax Credit (LIHTC) application that will be applied for and has an October 1st deadline. Since all LIHTC units would be located in the W.O.B. site, it is a time sensitive matter for that portion to proceed on an expedited timeline separate from E.O.B. due to the lengthier process that a PD modification requires. The E.O.B. portion would be coming to this Committee at a later date assuming its approval by the City Planning Commission after further review.

To further clarify; for the purposes of this meeting, site plan review approval is only being requested for the **W.O.B. portion** of the development. The full project area consisting of W.O.B. and E.O.B. is more specifically outlined on the map labeled attachment A.

PROJECT PROPOSAL

The portion of the project, known as East of Brush (E.O.B.) is proposed to allow for a mixed-use residential development with attached neighborhood scale retail, public pocket park green space and supportive parking. More specifically, the E.O.B. portion of the development will contain approximately 90 residential units consisting of mixed-use apartment units supported by 128 above and below grade parking spaces. Of the 128 parking spaces, 35 are designated to serve the W.O.B. residents located across Brush Street to the west.

The portion of the project, known as West of Brush (W.O.B.) is proposed to allow for a mixed-use residential development inclusive of apartment types, town homes and carriage homes. This portion of the development will also feature attached neighborhood scale retail, public pocket park green space and supportive parking. Specifically, this portion of the development would encompass 197 units of residential housing as well as 163 above and below grade parking spaces to support residents. The development will feature landscaped pocket parks, street amenities, indoor community amenities (e.g. workout facility).

Holistically, the development will be comprised of a mix of studio, one-bedroom, live/work, two-bedroom, townhome and carriage-home units. The floor plans will carry a variation of unit sizes ranging from 550-1450 square feet each. Rents are estimated to range from \$1.75-\$2.25 per sq. ft. There will also be an affordable component to a share of the units, allowing for low income subsidized housing rents at \$1.24 per sq. ft. for a sin-

gle-person accommodation. For a two-person unit, the rest per square footage would be \$1.16. There are 57 subsidized units which are planned to be spread across the three W.O.B. buildings. The 57 units would meet the 20% mark that the current City administration has generally mandated for residential development that requests City subsidies.

Background

The Planning and Development Department and RHEAL Capital Management along with the Jobs and Economy Team (JET) and Housing and Revitalization Department approached the City Planning Commission staff with the subject proposal in the summer of 2016. Since that time there was a significant impediment to the development teams' desired review timeline.

In July of this year, a lawsuit was filed against the City of Detroit in connection with the subject properties, resulting in a temporary restraining order (TRO) and subsequent preliminary injunction, on the City owned property dated August 4th. This action was taken in Wayne County Circuit Court in response to the charges of a neighboring Brush Park property owner. This particular action barred the City of Detroit from conducting any business action regarding the subject properties.³The City's Law Department brought the case before the Michigan Court of Appeals on an emergency basis. The Court of Appeals vacated the injunction and ordered that the original lawsuit be dismissed on August 15, 2016. (See attached court order)

The proposed 57 subsidized units would all be spread across the W.O.B. apartment buildings but represent the 20% goal that the City requests.

PLANNING CONSIDERATIONS AND ANALYSIS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the full project subject property are as follows:

North: PD-H; Site of approved Bedrock, Parcel's A+B development

East:PD-H; Unoccupied parcels.

South: PD-H; Unoccupied parcels.

West: PD-H; Several historic structures

Master Plan Consistency

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows Mixed Residential Commercial (W.O.B. portion). The Planning and Development Department has previously concluded that the project is consistent with the Master Plan of Policies.

Detroit Future City Strategic Framework

⁴The Detroit Future City Framework Plan, not an officially recognized docu-

ment of the City, but considered as a reference tool, designates the subject site as a District Center which is characterized as active, medium-to-high density, mixed-use areas that provide an even split of residential and employment uses. They are typically anchored by a major commercial or institutional employer such as a university or medical center. Residential areas incorporate a mix of housing types from multifamily to townhouse to detached single-family.

Urban Renewal Plan and Zoning

The Brush Park South project, inclusive of both the W.O.B. and E.O.B. portions of the development, falls within the Brush Park urban renewal area. Although, there was a Fourth Modified Development Plan for the area that was approved by the City Planning Commission in 2014, the proposed document was never advanced to the City Council for consideration due to intervening action by the Emergency Manager to terminate Citizen District Council's and urban renewal area plans City-wide. For this reason, the subject area with a pre-existing PD designation is still bound to the Third Modified Development Plan for the Brush Park urban renewal area.

West of Brush

The portion of the development to the west of Brush (W.O.B.) in general, is conforming to provisions that are set forth under the Third Modified Development Plan. However, there are certain anomalies within the W.O.B. plans that are not in total alignment with the development plan. Those anomalies include portions of the apartment buildings that are known as A-1, A-2 and A-3 which front Brush Street, where each building has a partial 5th story that exceeds the 50 ft. height limit by 8 ft. on a ⁵small portion of the area which calculates to be a total of only 25% of the floor area.

Secondly, the setbacks that are being proposed for buildings A-1, A-2 and A-3 are not aligned with adjacent residential buildings that currently exist on Winder and Adelaide Streets. However, those buildings frontages are along Brush Street and are oriented towards the north/south thoroughfare even though they carry over to the east/west streets.

Lastly, the parking that is planned to serve the residential units for the development is proposing a reduced parking schedule, in general providing one parking space per unit instead of the 1.25 parking spaces per unit that the development plan specifies. Due to dimensional spacing restraints the proposal also designates some of those parking spaces to be located across the street at the E.O.B. portion of the development.

Staff considered these minor modifications to the development plan based on Sec. 61-3-97 of the Zoning Ordinance.

The rationale for the reduction in parking is also attributed to the reduction that is allowed in other zoning districts such as SD1/2. ⁶The reduction is also allowed in the Brush Park Fourth Modified Development Plan. They are granted 75% of the parking requirement per dwelling unit if located within 0.25 miles of bus rapid transit, street car/trolley or light rail line. The provisions of the PD district give flexibility such as this in the development.

¹The E.O.B. portion of the development is NOT being considered by this Honorable Body at this time. The W.O.B. and E.O.B. portions of the project combine to make up the entirety of the Brush South Park development. However, only W.O.B. is being considered for action separately and was necessary to divide because of an October 1st LIHTC deadline.

²According to the Sec. 61-3-97 is permissible by the City Planning Commission or its staff subject to the determination that it is consistent with 5 (five) criteria.

³Roderica James v. City of Detroit, docket No. 334168, LC No. 16-008844-CK

⁴The Detroit Future City Strategic Framework is a document that is used as a reference, but not legally binding, as the City administration works to adopt a single up-to-date document to outline the vision for development in the City of Detroit.

⁵The partial 5th floor encompasses approximately 9% of the gross square footage of buildings A-1 and A-2. Building A-3's partial 5th floor amounts to 7% of the gross square footage of the building.

⁶The Brush Park 4th Modified Development Plan is a document produced by Brush Park residents and City staff and was recommended for approval by the City Planning Commission in 2014. However, before advancing to the City Council, the then Emergency Manager essentially abolished urban renewal areas, thus halting the advancement of the document.

One of the primary reasons that the W.O.B. could be considered a minor modification and the E.O.B. cannot be considered as such is because of the height of the building and the impact that it will have on the floor area ratio (FAR) increasing the density of the site. The height of the building also may potentially impact adjacent buildings obstructing solar access as well as having other impacts.

Historic District Commission Review

The Historic District Commission took up the BPS proposal on July 27, 2016 to review the project in its conceptual phase. The Commission expressed a generally favorable response to the project. The formal proposal will be presented at HDC's September 14th meeting and is expected

to receive a report and recommendation from staff and a likely vote by the HDC.

Design

This particular project design comes at a very favorable time. Up until recently, there may not have been an immediate acceptance of the proposed contemporary style structures that are present in the BPS plans. This project seeks to build upon the architectural language of the recently approved Brush Park Parcels A+B. For example structures within the project such as the Carriage Home (CH-01) building capitalize upon and knit the fabric between the soon to come Bedrock project to the north with its carriage homes planned across the east/west alley south of Alfred.

The buildings within the entirety of the project contrast with one another creating distinct character for each while being respectful of the Historic District's suggested color palette; incorporating warm browns, manganese iron spot, ash velour as well as others. The approach that was taken with this project has been to incorporate elements of the Brush Park history, while in not attempting to mimic it.

The massing and fenestration seeks to create balance from the existing historic structures where possible, for instance; the W.O.B. Winder Street town homes, relates to the existing adjacent structure through equivalent elevations, the roof profile and middle cornices are designed to be congruent. The rhythm of window openings in Town Home (TH-3) the front facade are also comparative to an extent to its neighboring dwelling. The front porch of the historic home is also carried over to some degree in the stoops that are shown in the BPS design to engage the pedestrian right-of-way. These show examples of where the architects attempted to honor the existing neighborhood where possible.

COMMUNITY ENGAGEMENT

The Planning and Development Department, along with the team representing RHEAL Capital Management and partners have engaged the Brush Park Community Development Corporation during at least three (3) of their regularly held meetings with on-going engagement scheduled for upcoming meetings. CPC staff attended one of those meetings to observe. The presentation that the RHEAL project team delivered seemingly received no opposition. However, questions were raised about particular aesthetic features throughout the development. Concerns were raised about the desire to see the Brush Street frontage of A1, A2 and A3 activated more by addressing its relationship with the pedestrian realm. Possible outdoor seating was suggested for ground floor service and retail venues and the request for

other measures to provide a pleasant and walkable experience for community members utilizing the right-of-ways. A letter was submitted by the CDC with a neutral stance, only stating that the developer had presented to the CDC and the concerns that the community is working with the developer to improve in the project.

Lastly, staff has also received a letter from a property owner (recently before you) that is adjacent to the E.O.B. site requesting consideration for PD modification also due to the impact that the subject project may have on their property

PUBLIC HEARING AND DISCUSSION

On September 8, 2016, the City Planning Commission (CPC) held a public hearing regarding the E.O.B. portion of the development which involved a public discussion for the W.O.B. portion of the development, again because the W.O.B. only requires Site Plan Review which does not hold a public hearing. At that meeting there were two parties from the community that spoke in opposition of the project, one of those challenging the legality of the project due to a master deed issue related to the subject parcels. An attorney from the City's Law Department spoke to that issue assuring the Commission that the matter would not affect them recommending approval for the project.

The chair of the Brush Park CDC spoke in favor of the project at public comment. A letter was also submitted by the Brush Park CDC neither in favor or opposition of the project, but simply stating the results of their meetings regarding the BPS project (Attachment C).

Recommendation

On September 8, 2016 the City

Planning Commission voted to recommend **approval** of the proposed PD for the Brush Park South-West of Brush portion site plan and elevations **ONLY** to be located on District Map No. 4, Article XVII, Chapter 61 of the 1984 Detroit City Code. The recommendation was made with the following conditions:

1. That the development work with the immediately adjacent neighbors to minimize disruption to the neighborhood during construction and address impacts that may arise; and

2. That final site plans, elevations, lighting, landscape and signage plans be submitted by the developer to the staff of the City Planning Commission for review and approval prior to submitting applications for the applicable permits.

3. That the developer work with the community and City Planning Commission staff to ensure that the subject development referred to as Brush Park South, West of Brush, portion be successfully completed with the portion of the development known as East of Brush; that the City Planning Commission staff review and approve final site plans submitted for permits to ensure the entirety of the plans are completed as approved.

A resolution reflecting this recommendation has been prepared and attached for the decided action of this Honorable P&ED Standing committee.

The Court orders that the motion for immediate consideration is GRANTED.

Pursuant to MC 7.205(E)(2), the trial court's August 4, 2016 order is vacated. Plaintiff cannot prevail on the merits of her case because the Offer to Purchase (OTP) is not a valid contract. See *Davis v City of Detroit Fin Review Team*, 296 Mich App 568, 612; 821 NW2d 896 (2012) (an injunction may not issue unless it is likely the party seeking it will prevail on the merits). The OTP clearly provides throughout that it is only an offer and expressly conditions acceptance on formal approval from the City Council. It is undisputed that the City Council never approved the OTP, which, by its own terms, expired February 5, 2014. "A contract is made when both parties have executed or accepted it, and

not before . . . Mere discussion and negotiation, including unaccepted offers, cannot be a substitute for the formal requirements of a contract." *Kamalath v Mercy Memorial Hosp Corp*, 194 Mich App 543, 549; 487 NW2d 499 (1992) (citations omitted, emphasis added). Further, nothing in the OTP or 1945 PA 344 mandates that plaintiff's submission of the OTP triggers a City Council meeting. Thus, regardless of plaintiff's submission of the OTP and a deposit, plaintiff cannot show the breach of any duty. Last, it appears plaintiff otherwise had the opportunity to lease a different area for parking, and, consequently, she cannot demonstrate the irreparable harm also necessary for a preliminary injunction to issue. *Davis*, 296 Mich App at 612. For these reasons, the trial court abused its discretion by entering the preliminary injunction. *Gay v Select Specialty Hosp*, 295 Mich App 284, 292; 813 NW 2d 354, 358 (2012) (citation omitted) ("a trial court necessarily abuses its discretion when it premises its ruling on an erroneous view of the law or on a clearly erroneous assessment of the evidence."). We therefore VACATE the trial court's August 4, 2016 order. Further, because plaintiff cannot prevail on her suit

as a matter of law, we REMAND the matter to the trial court for DISMISSAL of this action.

This order is to have immediate effect. MCR 7.215(F)(2).

Re: Confirmation of Community Meeting for Brush Park South Development

Brush Park Community Development Corporation (the "CDC") forwards this letter to confirm that the Brush Park South Development was presented before the Brush Park Community on July 12, 2016 and August 9, 2016.

The development itself does fit within the 4th Modification to the Brush Park Development Plan. The community generally favored the scale, materials, housing types, open spaces, and compatibility of the development plan, but had several comments for ways they could see the architecture be improved. The following comments were raised:

- Opportunity to create more of a relationship in architectural elements to historic structures, such the playfulness of arches, windows, curves (overall concern with the proposed modularity, boxiness of the building shapes)
- Ensure material durability.
- Provide some level of maintenance of vacant lots and adjacent sidewalks during city approval processes.
- Opportunity for green spaces and rooftops to multi-task to perform storm water and energy functions as well as public or private open space.
- Engineering and other concerns regarding building a new 67 foot structure and underground parking adjacent to the existing building at 2458 Brush.

We thank you for your time and your interest in continuing to revitalize Brush Park. A copy of this letter will be forwarded to the City of Detroit Planning and Development office as well as to the Detroit Historical Commission.

Sincerely,

KARISSA HOLMES

By Council Member Leland:

Whereas, The Planning and Development Department (P&DD) on behalf of RHEAL Capital Management LLC, requested site plan review of preliminary site plans for a development on approximately 3.4 acres of adjacent land generally bounded by the east/west alley first south of Alfred Street to the north, Brush Street to the east, Winder Street to

the south, and John R to the west, and more specifically known as 251 Adelaide, 257 Adelaide, 254 Adelaide, 269 Winder, 281 Winder, 291 Winder, 2621 Brush, 2555 Brush, 2515 Brush. This portion of the development will be a part of a larger project with a second portion being referred to as East of Brush (E.O.B.) which will be developed concurrently with West of Brush. This portion of the project referred to as W.O.B. will allow for a mix of residential housing types inclusive of apartment types, town homes and carriage homes. W.O.B. will also feature attached neighborhood scale retail, public pocket parks and supportive parking. The project will encompass approximately 197 units of residential housing as well as 163 above and below grade parking spaces to support residents. There are 57 subsidized units which are planned to be subtly spread across the three W.O.B. apartment buildings to meet a 20% affordable housing component which will have a life of 30 years.

Whereas, the proposed development is located within an existing PD (Planned Development) District and consequently, subject to the provisions of Article III, Division 5, Subsection C; "authority to Review and Approve Site Plans," (Section 61-3-142) of the Detroit Zoning Ordinance; and

Whereas, the PD district zoning classification requires that site plans be reviewed and approved by the Detroit City Council following the receipt of a written report and recommendation from the City Planning Commission; and

Whereas, the Detroit City Council has reviewed the preliminary site plan and found the proposed development to be in agreement with the applicable site plan review approval criteria described in Article III, Subdivision D of the Zoning Ordinance; and

Whereas, the Planning and Development Department Staff have found the proposed development to be in conformance with the applicable Brush Park Rehabilitation Project Development Plan (Third Modification) dated July 10, 2002;

Now, Therefore, Be It Resolved, that the Detroit City Council approves the preliminary site plans for the Brush Park South: West of Brush portion of development **ONLY**, described in the communication from the City Planning Commission staff, dated September 8, 2016 and as depicted in the "Brush Park South: West of Brush Site Plan" prepared by Hamilton Anderson Associates and dated July 25, 2016 with attached legal descriptions of parcels with the following conditions:

1. That the developer work with the immediately adjacent neighbors to minimize disruption of the neighborhood during construction and address impacts that may arise; and

2. That final site plans, elevations, lighting, landscape and signage plans be submitted by the developer to the staff of the City Planning Commission for review and approval prior to submitting applications for applicable permits.

3. That the developer work with the community and City Planning Commission staff to ensure that the subject development referred to as Brush Park South, West of Brush portion be successfully completed with the portion of the development known as East of Brush; that the City Planning Commission staff review and approve final site plans prior to submitting for permits to ensure the entirety of the plans are completed as approved.

City Planning Commission

September 19, 2016

Honorable City Council:

Re: Request of Mr. Julio Bateau d/b/a Petit Bateau, LLC and the Detroit City Planning Commission to amend

Article XVII, District Map 6 of the Detroit Zoning Ordinance (Chapter 61 of the 1984 Detroit City Code) by showing an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification currently where an R5 (Medium Density Residential District) zoning classification currently exists on seven parcels commonly identified as 503, 511, 525, 541, 555, 561 and 565 Frederick Avenue generally bounded by Kirby Avenue to the north, St. Antoine Street to the east, Frederick Avenue to the south and Beaubien Street to the west. (RECOMMEND APPROVAL)

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has received a request from Mr. Julio Bateau d/b/a Petit Bateau, LLC to amend Article XVII, District Map No.6 of Chapter 61 of the Detroit City Code, 'Zoning,' by showing an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where an R5 (Medium Density Residential District) zoning classification currently exists on six (6) parcels commonly identified as 503, 525, 541, 555, 561 and 565 Frederick Avenue generally bounded by Kirby Avenue to the north, St. Antoine Street to the east, Frederick Avenue to the south and Beaubien Street to the west.

Additionally, the Detroit City Planning Commission, via its staff is requesting to amend Article XVII, District Map No.6 of Chapter 61 of the 1984 Detroit City Code, Zoning, by showing an SD1 zoning classification where an R5 zoning classification currently exists on one parcel commonly identified as 511 Frederick Avenue generally bounded by Kirby Avenue to the north, St. Antoine Street to the east, Frederick Avenue to the south and Beaubien Street to the west.

BACKGROUND

The subject area consists of seven (7) parcels totaling approximately 1.5 acres, which are currently vacant and undeveloped. The developer has site control of a majority of the subject block with the exception of a single parcel located at 511 Frederick Avenue which has necessitated CPC staff to co-petition on behalf of the CPC for this rezoning request in order to maintain contiguous zoning on the Frederick Avenue frontage and to avoid the possibility of several instances of spot zoning. Several efforts have been made over a number of years by both the petitioner, Mr. Bateau, as well as the city's Planning and Development Department to contact the property owner (Mr. Bernard Friedman) of the aforementioned parcel to no avail. The petitioner is currently in the process of executing a development agreement with the City of Detroit's Planning and Development

Department for the development of two multi-story residential towers, one of which will contain ground floor retail. Additionally, the pending development agreement calls for the construction of several townhomes, which will be built on the parcel commonly identified as 503 Frederick Avenue, fronting Beaubien Street; however, before the development agreement can move forward, the appropriate zoning must first be in place.

Proposed mixed use residential development

While the current zoning classification of R5 (Medium Density Residential District) allows for "multiple-family dwelling" (per Sec. 61-8-94(7)) it does not allow for a "Residential uses combined in structures with permitted (first-floor) commercial uses."

The R5 zoning classification does allow for a "Residential use combined in structures with permitted commercial uses" which, as defined by the zoning ordinance are structures with ". . . one or two residential apartments in a commercial building occupied by a use permitted in the given zoning district . . .". The distinction is that the principal structure is commercial in nature and that no more than two residential apartments are permitted in the case of "Residential use combined in structures with permitted commercial uses." In the case of this proposed development the primary function of the building is residential, consisting of up to four (4) floors of residential units and commercial units at the ground level accessible from the public right of way.

The proposed SD1 zoning classification would permit the proposed development on a by-right basis (per Sec. 61-11-164(4)).

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

North: R3; with multi-family residential
 East: PD; University Prep School
 South: PD; with multi-family residential housing development, i.e., Lester Morgan's Cultural Gardens
 West: R5; with Detroit Recreation Department's Peck Park

CITY PLANNING COMMISSION PUBLIC HEARING

On February 18, 2016, the City Planning Commission held a public hearing on the subject rezoning request. Four members of the public who were in attendance expressed a desire to speak to the matter. Two persons spoke in support of the proposed rezoning and two spoke in opposition. The latter cited concerns over increased traffic volumes which might be caused by the addition of a dense residential development including several retail components near the intersection of Frederick and St. Antoine.

Public testimony received during the

hearing revealed that a majority of the concerns regarding traffic congestion expressed by the public speakers presently result from the existing traffic patterns generated by student drop-off and pick-up at the University Preparatory Academy located to the east of the subject site. The Commissioners requested that staff extend an invitation to the administration of University Preparatory Academy to attend CPC's next meeting to further discuss the communities concerns over traffic congestion. While meeting with the administration of the school, staff was able to determine that more than adequate parking is made available on the school site, however, motorist opt not to use the parking provided during drop-off and pick-up times. As it relates to the rezoning presently being considered; the school's administration expressed their support of the proposed rezoning and development citing no concerns over vagrancy, loitering or any of the other deleterious effects stated by the community at the February 18, 2016 public hearing.

MASTER PLAN CONFORMANCE

The subject site is located within the Lower Woodward area of Neighborhood Cluster 4 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Medium Density Residential" for the subject properties. The Detroit Future City 20 Year Land Use Scenario map shows "District Center" as the intended use. CPC staff has submitted a letter to the Planning and Development Department (P&DD) requesting its comments regarding this proposal and is awaiting response.

ANALYSIS

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be considered in making recommendations and decisions on rezoning requests.

The current zoning classification of R5 along Frederick Avenue does not allow for a "residential use combined in structures with permitted (first-floor) commercial uses." The proposed zoning of SD1 does allow for a "residential use combined in structures with permitted (first-floor) commercial uses" along with 5 other residential uses on a by-right basis.

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The general area has undergone a significant transformation over the past several decades. While the area has investment and growth over the past three decades, this site has gone undeveloped despite previous attempts. The subject

block currently sits vacant and undeveloped as it has since Bethel A.M.E. demolished its former church facility in the mid-70s and relocated to E. Warren Avenue. Within the past few years, new investments have been made in the Midtown area, which has brought new residents and new institutions to the community.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

As verified by the Planning and Development Department, the subject rezoning is in conformance with the Master Plan of Policies and would be supportive of the future recommended land use of Institutional.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

One of the key canons of zoning is to protect the health, safety, and general welfare of the public. The proposed rezoning will allow for mixed use development in the subject area, which may result in an increase of residents and businesses, which is a key factor in deterring crime. By modifying the zoning along Frederick Avenue to SD1 from R5, the aforementioned goal may be achieved, resulting in a more populated thriving area adjacent or near to various residential types several institutions which are heavily traveled by pedestrians.

(4) Whether the City and other service provider will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will eventually change as a result of the proposed rezoning. There are already established utility and service lines in the area of the subject property, given that Bethel A.M.E. church was once located on this site. Considering that the subject area was once populated, and the current service needs of the surrounding residents and institutions, the anticipated increase in population from residents and businesses, should not place any undue strain on the current services or utilities.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

As previously mentioned, the physical characteristics of the subject property will ultimately change as a result of the proposed rezoning. One consideration which must be taken into account would be the increase of impervious surfaces due to roof area as well as paved walking paths and parking lots in the rear of the proposed properties and what effect they will have on the city's combined sewer overflow system. There are no other foresee-

able impacts to any of the aforementioned environmental aspects.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

As stated in this report, the primary petitioner is in the process of executing a development agreement with the City of Detroit's Housing and Revitalization Department for the proposed development. The petitioner's intent is to create a vibrant mixed-use residential community in the Midtown neighborhood, capitalizing on efforts already underway by different community stakeholders.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing R5 zoning classification along Frederick Avenue is not conducive to the proposed use of a "Residential use combined in structures with permitted (first floor) commercial uses." In providing the recommendation for a SD1 zoning classification the CPC evaluated all zoning classifications and determined that the SD1 zoning classification would allow for the proposed use, with the least amount of impact on the adjacent land uses. Additionally, consideration was given to the fact that the property has sat vacant and undeveloped for several decades with the current zoning classification.

(8) Whether the proposed rezoning will create an illegal "spot zone."

In addition to the CPC co-petitioning to bring the balance of the subject properties into closer compliance with the Master Plan of Policies, the determination was also to avoid the potential of an illegal "spot zone."

Suitability of the Property

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No.6 generally shows a mix of R3, R5 and PD zoning on the north, south, east and west for several blocks around the subject property. This section of the Lower Woodward subsector is primarily developed with residential and institutional complexes with a variety of uses.

In general, CPC looks favorably on the rezoning of the subject parcels to accommodate the establishment of townhomes, multi-family residential and "Residential uses combined in structures with permitted (first-floor) commercial uses," which would bring this previously vacant block back into productive use through the establishment of a mixed use development, which may lead to increased population, employment and tax review for the city.

Land Use

CPC staff is of the opinion that a SD1 (Special Development District — Small-

Scale, Mixed-Use) zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of the proposed project on a by-right basis, which is consistent with the Master Plan of Policies.

Significant Impact on Other Property

The Commission is of the opinion that the rezoning of this property would add to the stability of the surrounding community by allowing the establishment of a viable business and residential property which might serve as a stabilizing element along this avenue. The proposed development is anticipated to provide part-time and full-time employment opportunities for residents in the area.

RECOMMENDATION

On March 16, 2016 the City Planning Commission voted to recommend approval of the request of Mr. Julio Bateau d/b/a Petit Bateau, LLC and the Detroit City Planning Commission to amend Article XVII, District Map 6 of the Detroit Zoning Ordinance (Chapter 61 of the 1984 Detroit City Code) by showing an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification currently where an R5 (Medium Density Residential District) zoning classification currently exists on seven parcels commonly identified as 503, 511, 525, 541, 555, 561 and 565 Frederick Avenue generally bounded by Kirby Avenue to the north, St. Antoine Street to the east, Frederick Avenue to the south and Beaubien Street to the west. The ordinance effectuating the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Planning & Development Department

September 15, 2016

Honorable City Council:

Re: Request of the Detroit Salt Company, LLC, to amend Article XVII, District Map 52 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing an M4 (Intensive Industrial District) zoning classification where R2 (Two-Family Residential District) and M2 (Restricted Industrial District) zoning classifications, respectively, currently exists on 26 parcels generally bounded by Oakwood Avenue to the north, Sanders Avenue to the east, Dumfries Avenue to the south and the Wabash Railroad to the west.

(RECOMMEND APPROVAL)

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has received a request from the Detroit Salt Company, LLC, requesting the City of Detroit to amend Article XVII, District Map No. 52 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show an M4 (Intensive Industrial District) zoning classification where R2 (Two-Family Residential District) and M2 (Restricted Industrial District) zoning classifications, respectively, currently exists on 26 parcels commonly identified as 744, 741, 736, 732, 708, 702 Dumfries Avenue, 781, 775, 755, 751, 745, 739, 727, 721, 715, 709, 701 Bayside Street, 801, 795, 765, 741, 733, 729, 711, 707 and 701 Oakwood Avenue, generally bounded by Oakwood Avenue to the north, Sanders Avenue to the east, Dumfries Avenue to the south and the Wabash Railroad to the west.

BACKGROUND

The Detroit Salt Company, LLC has successfully acquired all parcels adjacent to its current base of operations as well as those within the footprint of the proposed rezoning. The Detroit Salt Company is planning on incorporating this additional property and expanding their existing salt works operations.

The present zoning of the subject prop-

erties are R2 and M2, respectively. Currently the Detroit Salt Company is operating on land zoned M4. Per Sec. 61-10-83(14), Salt Works is a "Conditional Manufacturing and Industrial" use under the M4 zoning classification. The Detroit Salt Company is seeking to have the subject parcels seamlessly incorporated into their daily operation by bringing their current off-site bagging operations on-site.

Recently Marathon Petroleum, the Detroit Salt Company's corporate neighbor to the west successfully petitioned the City of Detroit to vacate Oakwood Avenue adjacent to the subject property, citing safety and Homeland Security considerations as the primary factors. The recent vacation of Oakwood Avenue has an effect on the trucking traffic for the Detroit Salt Company which until recently utilized routes along Oakwood Avenue. Pending approval of the proposed rezoning the petitioner will establish new trucking routes along Sanders Avenue and Bayside Street where points of ingress and egress will be created in addition to the widening of Bayside Avenue to accommodate the anticipated truck traffic.

Presently there are three existing commercial buildings fronting on Oakwood Avenue, which are proposed to be utilized for the bagging operations for the Detroit Salt Company. There are approximately eight (8) residential and/or commercial structures scattered throughout the site which are slated for demolition as there is no viable nor contributing need for them as it relates to the Detroit Salt Company's current operations. One existing commercial structure located at the southwest corner of the site will be preserved for storage of equipment. The balance of the site will be utilized for out-door storage and the staking of plats, which is permitted as an extension of the "Salt Works" operations, pending a conditional land use hearing before the Buildings, Safety Engineering and Environmental Department.

The current zoning classifications of R2 and M2 will not allow for the proposed development on either a by-right or conditional basis. The proposed M4 zoning classification will allow for the development as presented on a conditional basis Per Sec. 61-10-83(14) "Salt Works."

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

North:

B2 & B4; with an auto shop across Sanders Avenue on the corner of Sanders and Oakwood. Also Marathon Petroleum.

East:

R2; with a mix of vacant and single family residential.

South:

M4; current Detroit Salt Company operations.

West:

M4 & M5; with Marathon Petroleum refinery operations.

CITY PLANNING COMMISSION PUBLIC HEARING

On April 7th and July 7th the City Planning Commission held an informational presentation and a public hearing, respectively, on the subject rezoning request. No members of the public were present to speak in support or opposition to the requests. The Commissioners did inquire if staff initiated in-depth conversations with the adjacent property owners who would be directly affected by the proposed rezoning from R2 and M2 respectively to M4. Staff indicated that efforts had been made to hold conversations with the intention of addressing any and all concerns expressed by effected land owners. Adjacent business owners along Oakwood Avenue have expressed their support for the proposed rezoning. The one residential property owner at the intersection of Sanders Avenue and Bayside Avenue has received written correspondence, however, no verbal communication has been achieved, by either the petitioner, or CPC staff, despite numerous attempts. No public testimony was rendered for or against the rezoning.

MASTER PLAN CONFORMANCE

The subject site is located within the Boynton area of Neighborhood Cluster 5 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows a mixture of "Low-Medium Density Residential" and "Neighborhood Commercial" for the subject properties. In comparison the Detroit Future City 20 Year Land Use Scenario map shows "Heavy Industrial" as the intended use.

In March of this year, the Detroit Salt Company met before the Industrial Review Committee in the Buildings, Safety Engineering and Environmental Department (BSEED), where the issue of the Master Plan was raised. It was stated at that time by a representative of the Planning and Development Department (P&DD) that a Master Plan amendment would be required for the proposed rezoning. In a forthcoming communication from P&DD to your Honorable Body, will be the aforementioned amendment to the Master Plan of Policies for this requested rezoning. P&DD prepared and submitted to CPC a Master Plan map amendment which shows the subject site to be amended in Neighborhood Cluster 5, Boynton Subsector, with a future general land use designation of "IL", Light Industrial.

P&DD's report states in part that the proposed amendment would facilitate the continued expansion of industrial uses

into a small residential area that is surrounded by industry.

ANALYSIS

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be considered in making recommendations and decisions on rezoning requests.

The current zoning classifications of R2 and M2 do not allow for the expansion of "Salt Works" operations. The proposed zoning of M4 does allow for "Salt Works" along with 21 other conditional manufacturing and industrial uses. "Salt Works" is not permitted on a by-right basis in any zoning classification. The proposed M4 zoning classification will permit 120 by-right public, civic, institutional, retail, service, commercial, manufacturing and industrial uses.

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The subject area has undergone a significant transformation over the past several decades, resulting in a decline in population and disinvestment in the community. The character of the neighborhood has changed from that of a residential community which once supplied the workers to both the Marathon refinery and the Detroit Salt Company to one which is largely vacant and blighted. The proposed rezoning brings the subject properties into alignment with the proposed amendment to the Master Plan of Policies for which approval is also being requested of your Honorable Body. At the July 7, 2016 CPC meeting, the Commission held the statutory public hearing for and recommended approval of the proposed amendment to the Master Plan of Policies spoken to above.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

As indicated by the Planning and Development Department, given the change in character of the host community the subject rezoning request necessitates a change in the Master Plan of Policies which better fits with the existing industrial nature of the area. Therefore, pending the approval of the proposed Master Plan of Policies Map amendment the subject rezoning would be in conformance with the Master Plan of Policies as amended and would be supportive of the future recommended land use of Light Industrial.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

One of the key canons of zoning is to protect the health, safety, and general

welfare of the public. The proposed rezoning will allow expansion of a conditional use. All property owners within 300 radial feet have been given the opportunity to voice their concerns as it relates to this proposed expansion. Given that the intended use of the subject property is less intensive than the primary use itself, the Commission is of the opinion that the proposed rezoning will not have an adverse impact on the health, safety and general welfare of the public or surrounding property owners.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The physical characteristics of the subject property will ultimately change as a result of the proposed rezoning. While the subject properties sit within a traditional street grid, there will be no need for city services, such as lights, water, sewer, etc. The existing utility lines within the subject property will be relocated at the expense of the petitioner with the vacation of the rights-of-way. Considering that the subject area was once more densely populated, the use of the property as a non-residential use should not place any undue strain on the current services or utilities.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding storm water management;

As previously mentioned, the physical characteristics of the subject property will ultimately change as a result of the proposed rezoning. The petitioner is required to tarp their current inventory of excavated salt, and the product which will be stored on the contemplated parcels will be bagged and staked for shipment. There are no foreseeable impacts to any of the aforementioned environmental aspects.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

As stated in this report, there is one occupied residential property which is adjacent to the eastern boundary of the proposed expansion at Bayside Street and Sanders Avenue. Visual and sound elements of the daily operations may pose an adverse impact on this property, however, numerous efforts to solicit comment from this property owner have been unsuccessful.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing R2 and M2 zoning classifications are not conducive to the proposed use of "Salt Work." In providing the recommendation for an

M4 zoning classification the CPC evaluated all zoning classifications and determined that the M4 zoning classification would allow for the proposed use, while allowing adjacent property owners to weigh in via the special land uses hearing before BSEED.

(8) Whether the proposed rezoning will create an illegal "spot zone."

Given the continuity of the M4 zoning classification in the subject area, the rezoning of the proposed 26 parcels would not constitute an illegal "spot zone."

Suitability of the Property

One of the aforementioned criteria for rezonings states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 52 generally shows a mix of R2, B2, M4 and M5 zoning for several blocks around the subject property. This section of Oakwood Avenue and Sanders Avenue is primarily developed with industrial complexes with a mix of commercial and residential uses. An M4 (Intensive Industrial District) and M5 (Special Industrial District) zoning classification is generally located to the west and south of the subject property along Oakwood Avenue and Dumfries.

In general, CPC would look favorably on the rezoning of the subject parcels to accommodate the expansion of the Detroit Salt Company's "Salt Works" operations which would bring several previously vacant buildings and parcels online as well as allow for the future and further generation and collection of commercial property taxes for the city.

Land Use

CPC staff is of the opinion that an M4 (Intensive Industrial District) zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the expansion of the petitioner's salt works operations.

Significant Impact on Other Property

CPC is of the opinion that the rezoning of this property would aid in the elimination of blight by putting currently vacant unmaintained land into productive use, and allowing the expansion of a viable business which has served as a stabilizing element along this secondary corridor in southwest Detroit. The current operation presently provides full-time employment opportunities for several dozen residents in the area and metropolitan Detroit in general.

RECOMMENDATION

On July 7, 2016 the City Planning Commission voted to recommend approval of the request of The Detroit Salt Company, LLC, to amend District Map No. 52 of Chapter 61 of the 1984 Detroit City Code, Zoning, to show an M4 (Intensive Industrial District) zoning classification where R2 (Two-Family Residential

District) and M2 (Restricted Industrial District) zoning classifications, respectively, currently exists on 26 parcels commonly identified as 744, 736, 732, 741, 708, 702 Dumfries Avenue, 781, 775, 755, 751, 745, 739, 727, 721, 715, 709, 701 Bayside Street, 801, 795, 765, 741, 733, 729, 711, 707 and 701 Oakwood Avenue, generally bounded by Oakwood Avenue to the north, Sanders Avenue to the east, Dumfries Avenue to the south and the Wabash Railroad to the west. The ordinance effectuating the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Planning & Development Department

August 23, 2016

Honorable City Council:

Re: Real Property at 11371 Schaefer, Detroit, MI 48227.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from On The Level Consulting Group, Inc., a Michigan Corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 11371 Schaefer, Detroit, MI 48227 (the "Property").

The P&DD entered into a Purchase Agreement dated August 20, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Nine Hundred and 00/100 Dollars (\$2,900.00) (the "Purchase Price").

Offeror intends to secure and maintain the property as landscaped green space. The proposed use is a by-right use within the designated M2/Restricted Industrial zoning district, in accordance with Section 61-10-38 of the 2016 City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
 MAURICE COX
 Director
 Detroit Planning and
 Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from On The Level Consulting Group, Inc., a Michigan Corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 11371 Schaefer, Detroit, MI 48227 (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated August 20, 2016, with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to secure and maintain the property as landscaped green space. The proposed use is a by-right use within the designated M2/Restricted Industrial zoning district, in accordance with Section 61-10-38 or the 2016 City of Detroit Zoning Ordinance.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Two Thousand Nine Hundred and 00/100 Dollars (\$2,900.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred Ten Dollars (\$110.00), and broker commissions of One Hundred Forty Five 00/100 Dollars (\$145.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of One Hundred Seventy-Four and 00/100 Dollars (\$174.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular

parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Honorable City Council:
Re: Real Property at 8497 Oakland, Detroit, MI 48202.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from 8497 Oakland, LLC, a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 8497 Oakland, Detroit, MI 48202 (the "Property").

The P&DD entered into a Purchase Agreement dated August 22, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Seven Hundred Seventy and 00/100 Dollars (\$2,770.00) (the "Purchase Price").

Offeror intends improve the property, a vacant lot, into a private parking lot for operable motor vehicles for their adjacent residence. The proposed use is a by-right use within the designated B4/General Business zoning district, as per Section 61-9-76(22) of the City of Detroit Zoning Ordinance.

We request that your Honorable Body

adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE COX
Director
Detroit Planning and
Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from 8497 Oakland, LLC, a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 8497 Oakland, Detroit, MI 48202 (the "Property"), described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated August 22, 2016, with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends improve the property, a vacant lot, into a private parking lot for operable motor vehicles for their adjacent residence. The proposed use is a by-right use within the designated B4/General Business zoning district, as per Section 61-9-76(22) of the City of Detroit Zoning Ordinance.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Two Thousand Seven Hundred Seventy and 00/100 Dollars (\$2,770.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred Ten Dollars (\$110.00), and broker commissions of One Hundred Thirty-Eight and 50/100 Dollars (\$138.50) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of One Hundred Sixty-Six and 20/100 Dollars

(\$166.20) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Central Business District Development — Premier Parking Garage at 1208 Woodward Avenue, Detroit, MI

The City of Detroit Planning and Development Department (“PDD”) has received an offer from the City of Detroit Downtown Development Authority (“DDA”) requesting the conveyance by the City of Detroit (the “City”) of the site of the Premier Parking Garage, located at the site of the former Hudson’s department store. The site of the former Hudson’s department store, located at 1208 Woodward Avenue, was previously converted into a condominium pursuant to Act 59 of 1978, as amended, Unit 1 of which consists of a subterranean parking

garage owned and operated by the City, as more particularly described in **Exhibit A** (the “Garage Unit”), and Unit 2 of which is owned by the DDA and consists of the air rights above the Garage, as more particularly described on **Exhibit B** (the “Air Rights Unit” and collectively with the Garage Unit, the “Project Site”).

In September, 2007, the DDA entered into a Development Agreement (the “Original Development Agreement”) with Rosko Development Company LLC, an affiliate of Bedrock Real Estate (“Developer”), pursuant to which the DDA agreed to convey the Air Rights Unit to Developer for \$1.00 as part of package intended to induce Quicken Loans (“Quicken”) to relocate its corporate headquarters to downtown Detroit. Development rights to the site of the former Statler Hotel, the Lafayette Building, and the Z Block were also included in the Original Development Agreement.

By 2010, the economic downturn called into question the feasibility of the anticipated timeline of developing projects downtown. Quicken was nonetheless anxious to relocate downtown and instead opted to move its employees downtown to leased space in One Campus Martius (formerly known as the Compuware Building). In 2010, the DDA and Developer restructured the Original Development Agreement to adjust the development timeline and development sites. In November, 2010 the DDA and Developer executed a First Amended and Restated Development Agreement (the “Development Agreement”) granting Developer the development rights to the Air Rights Unit, the Z Block, and Monroe Block. In 2014, the Development Agreement was amended to add the former Bates garage site to the Development Agreement.

As Developer reviewed options for developing the Air Rights Unit, it determined that its ability to construct a first-class mixed use development on the Air Rights Unit would be greatly limited unless it also controlled the Garage Unit. Following negotiations with the City’s Finance Department, if Developer develops a project on the Project Site, Developer has agreed to pay \$15.0 Million for the purchase of the Garage Unit. The negotiated purchase price is based upon an appraisal obtained by the City which valued the Garage Unit at \$16.5 Million, but acknowledged that there was at least \$2.0 Million in deferred maintenance costs. Developer agreed to absorb \$1.5 Million in deferred maintenance costs, for a total purchase price of \$15.0 Million. The sale proceeds are required to be used to pay down the City’s outstanding C Notes pursuant to its obligations to its bondholders. Until the DDA’s closing with the Developer occurs, the City will retain ownership and, through the Municipal

Parking Department ("MPD") operational control, of the Garage Unit, thus ensuring that the City will maintain the parking revenue stream associated with the Garage Unit until that time.

Pursuant to an amendment to the Development Agreement approved by the DDA on April 27, 2016, the Garage Unit will be conveyed by the City to the DDA contemporaneously with the closing under the Development Agreement, and then be subsequently conveyed to Developer, together with the Air Rights Unit, for redevelopment pursuant to the terms of the Development Agreement. The Development Agreement requires that the redevelopment of the Project Site consist of a mixed use development consisting of at least: (a) 225,000 square feet of mixed use space (i.e., commercial and/or retail, including integrated, programmed civic space, office, auditorium(s), etc.), (b) 700 subterranean parking spaces, (c) 250 residential units, (d) a building footprint covering at least 75% of the gross acreage of the Project Site at grade, and (e) no grade-level parking other than short term parking for delivery or other uses incidental to the operation of the Project Site. The final development and financing plan will be delivered to the DDA by December 31, 2016; closing will occur by March 1, 2017; construction will commence by April 1, 2017; and substantial completion will occur by April 1, 2020.

Effective as of the closing date under the Development Agreement, MPD seeks to transfer jurisdiction of the Garage Unit to PDD and PDD seeks to convey the Garage Unit to the DDA for redevelopment consistent with the Development Agreement.

We therefore request that your Honorable Body adopt the attached resolution to authorize (a) the transfer of jurisdiction of the Garage Unit from MPD to PDD effective as of the closing date under the Development Agreement and (b) the Director of PDD to execute a Land Transfer Agreement together with a deed to the Garage Unit and such other documents as may be necessary or convenient to effect the transfer of the Garage Unit by the City to the DDA upon the terms therein described.

WHEREAS, The site of the former Hudson's department store, located at 1208 Woodward Avenue, was previously converted into a condominium pursuant to Act 59 of 1978, as amended, Unit 1 of which consists of a subterranean parking garage owned and operated by the City of Detroit (the "City"), by and through its Municipal Parking Department ("MPD"), as more particularly described in **Exhibit A** (the "Garage Unit"), and Unit 2 of which is owned by the City of Detroit Downtown Development Authority (the "DDA") and consists of the air rights above the Gar-

age Unit, as more particularly described on **Exhibit B** (the "Air Rights Unit" and collectively with the Garage Unit, the "Project Site"); and

WHEREAS, The City of Detroit Planning and Development Department ("PDD") has received an offer from the DDA requesting the conveyance by the City of the site of the Garage Unit to effectuate the redevelopment of the Project Site; and

WHEREAS, In November, 2010, the DDA and Rosko Development Company LLC, an affiliate of Bedrock Real Estate ("Developer"), entered into a First Amended and Restated Development Agreement (the "Development Agreement") pursuant to which the DDA granted Developer the development rights to the Air Rights Unit, among other things; and

WHEREAS, In April, 2016, the DDA approved an amendment to the Development Agreement pursuant to which the Garage Unit would be conveyed by the City to the DDA contemporaneously with the closing under the Development Agreement and then be subsequently conveyed to Developer, together with the Air Rights Unit, for redevelopment pursuant to the terms of the Development Agreement; and

WHEREAS, The City, through its Finance Department, has negotiated a sales price for the Garage Unit based upon the City's appraisal of the Garage Unit and proposes to retain ownership and operational control of the Garage Unit, as well as right to parking revenues associated therewith, until the closing occurs under the Development Agreement; and

WHEREAS, MPD has determined that, effective as of the closing date under the Development Agreement (the "Closing Date"), the Garage Unit will be "surplus" to its needs; and

WHEREAS, The Finance Director seeks the approval of Detroit City Council of the transfer of jurisdictional control of the Garage Unit to PDD, effective as of the Closing Date; and

WHEREAS, PDD has investigated current and potential uses of the Garage Unit, has determined that, effective as of the Closing Date, it will not be essential to the City, and, consistent with Section 14-8-4 of the City Code, recommends to the Detroit City Council that the Garage Unit be declared "surplus real property" effective as of the Closing Date; and

WHEREAS, In furtherance of the redevelopment of the Project Site in accordance with the terms of the Development Agreement, it is deemed in the best interests of the City that the Garage Unit be sold without public advertisement or the taking of bids.

NOW, THEREFORE, BE IT RESOLVED, That the Garage Unit is hereby

declared to be surplus real property effective as of the Closing Date; and be it further

RESOLVED, That Garage Unit may be transferred and conveyed to the DDA for Fifteen Million and 00/100 Dollars (\$15,000,000.00), for redevelopment as contemplated by the Development Agreement, payable in accordance with and subject to the terms and conditions of the Land Transfer Agreement; and be it further

RESOLVED, That the sale of the Garage Unit to the DDA in furtherance of the redevelopment of the Site in accordance with the terms of the Development Agreement without public advertisement or the taking of bids is hereby approved; and be it further

RESOLVED, That the Director of PDD is authorized to execute and deliver to the DDA the Land Transfer Agreement, substantially in the form attached hereto as **Exhibit C**, and to execute and deliver such deeds and other instruments as may be necessary or convenient to carry out the intents and purposes hereof; and be it further

RESOLVED, That the Land Transfer Agreement will be considered confirmed when executed by the Director of PDD and approved by the Corporation Counsel; and be it further

RESOLVED, That the Director of PDD is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Land Transfer Agreement (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise during the term of the Land Transfer Agreement, provided that the changes do not materially alter the substance or terms of the Land Transfer Agreement.

EXHIBIT C

**LAND TRANSFER AGREEMENT
Campus Martius Condominium, Unit 1
(1208 Woodward Avenue, Detroit,
Michigan 48226)**

THIS LAND TRANSFER AGREEMENT (hereinafter "Agreement") is made this ___ day of _____, 2016, by and between the CITY OF DETROIT (the "City"), a Michigan public body corporate, acting by and through its Planning and Development Department, the address of which is 2300 Cadillac Tower, Detroit, Michigan 48226, and the CITY OF DETROIT DOWNTOWN DEVELOPMENT AUTHORITY (the "DDA"), a Michigan public authority and body corporate organized and existing under Act No. 197 of the Public Acts of 1975, as amended, the address of which is 500 Griswold Street, Suite 2200, Detroit, Michigan 48226.

WITNESSETH:

WHEREAS, The DDA was organized by the City pursuant to Act 197 of Michigan Public Acts of 1975, as amended, in order to correct and prevent property value deterioration in the Central Business District of the City and to promote the economic growth of the City's Downtown area; and

WHEREAS, In furtherance of its purpose the DDA is empowered by Act 197 to acquire and improve land and to construct, reconstruct, rehabilitate, restore, preserve, improve and equip buildings, and any necessary and desirable appurtenances thereto, within the Downtown district of the City for use in whole or in part by public or private persons, and to finance such projects and facilities through the issuance of revenue bonds or through the use of tax increment financing; and

WHEREAS, DDA has adopted and the City has approved a Restated City of Detroit Downtown Development Authority Tax Increment Financing and Development Plan for Development Area No.1 (the "Restated Development Plan"), which Plan, in Section 407.9.3 thereof, sets forth a program for land assemblage (the "Land Assemblage Program"); and

WHEREAS, The site of the former Hudson's department store, located at 1208 Woodward Avenue, was previously converted into a condominium pursuant to Act 59 of 1978, as amended, Unit 1 of which consists of a subterranean parking garage owned and operated by the City,

as more particularly described in **Exhibit A** (the "Garage Unit"), and Unit 2 of which is owned by the DDA and consists of the air rights above the Garage, as more particularly described on **Exhibit B** (the "Air Rights Unit" and collectively with the Garage Unit, the "Project Site"); and

WHEREAS, The DDA and Rosko Development Company, LLC, a Michigan limited liability company (the "Developer") are parties to that certain First Amended and Restated Development Agreement dated as of September 1, 2010 (as amended, the "Development Agreement"), for the redevelopment by the Developer of the Air Rights Unit and, subject to the approval by the City of this Agreement, the Garage Unit, in furtherance of the goals set forth in the Restated Development Plan for Development Area No.1 (the "Project"); and

WHEREAS, In furtherance of the Development Agreement, the DDA has agreed to purchase the Garage Unit from the City, for subsequent conveyance to and development by the Developer, and the City has agreed to transfer the Garage Unit to the DDA, in accordance with the terms and conditions of this Agreement; and

WHEREAS, the City Council, by resolution dated _____, has authorized entering into this Agreement and the City and the DDA have determined that entering into this Agreement and assisting in the development of the Project are in the best interest of the City, will serve a valid public purpose and will benefit the public by increasing employment and housing opportunities within the City's downtown business district, promoting economic growth, preserving and improving the aesthetic quality and economic health of the City and increasing taxes and other revenues to the City.

NOW, THEREFORE, In consideration of the foregoing premises and the covenants and agreements set forth herein, it is mutually agreed as follows:

ARTICLE I

1.01 Sale. The DDA agrees to purchase the Garage Unit from the City and the City agrees to convey the Garage Unit to the DDA, by quit claim deed in the form attached hereto as **Exhibit C**, for the Purchase Price (as defined below), subject to the terms, covenants and conditions of this Agreement, provided, however that the City's conveyance of the Garage Unit to DDA shall be contemporaneous with the DDA's closing on the Project Site pursuant to the Development Agreement.

1.02 Title Commitment. The DDA may obtain a commitment for an owner's title insurance policy issued by Title Source, Inc. ("Title Commitment") to insure the DDA's title to the Garage Unit, subject only to such conditions and exceptions as

are provided for herein and reasonably acceptable to the DDA. The cost of the Title Commitment and a policy issued pursuant to it shall be paid by the DDA. The City shall use all reasonable efforts to attempt to cure or remove, or cause to be insured over, such defects, liens, encumbrances, adverse claims or other matters appearing in the public records (excluding building and use restrictions and easements, assessments, the lien of taxes not yet due and payable, and zoning ordinances), (i) first appearing in the public records only after the City last obtained fee title, (ii) were created by or through the acts of the City, and (iii) materially impair the marketability of title to the Property ("Defects"). With respect to other matters of record materially negatively affecting the marketability of title to the Property (excluding building and use restrictions and easements, assessments, the lien of taxes not yet due and payable, and zoning ordinances), as are identified in writing by Developer as unacceptable to it (if any) ("Other Defects"), the City shall have the opportunity – but not the obligation – to cure or remove such exceptions to marketable title (if any). The City's failure or inability to do so, or conscious decision not to do so, shall not be deemed a breach of this Agreement or a default hereunder. If the City declines to exercise such opportunity, then the City will reasonably cooperate with Developer's efforts (at no cost or expense to the City) to cure or remove such Other Defects. From and after the date of this Agreement, the City shall not voluntarily encumber title to the Property.

1.03 Payment of Miscellaneous Expenses. The DDA shall be responsible for recording and paying any fees for recording the quit claim deed and any other documents that the City or the DDA determines must be recorded in connection with the transfer of the Garage Unit to the DDA.

1.04 Condition of Property. The DDA shall take the Garage Unit from the City "AS IS" and shall be responsible for any property taxes that may become due or that may result from any proration or assessment of taxes as a consequence of the DDA's acquisition of the Garage Unit and, for any cost or expense associated with Garage Unit remediation, rehabilitation or improvement.

ARTICLE II

2.01 Purchase Price. "Purchase Price" shall mean an amount equal to Fifteen Million and 00/100 Dollars (\$15,000,000.00). The Purchase Price shall be payable in immediately available funds to the City by the DDA or the Developer contemporaneously with the closing contemplated under the Development Agreement.

2.02 Development. The DDA shall

transfer the Garage Unit to the Developer in accordance with the terms of the Development Agreement. The DDA shall obtain the written consent of the City's Director of the Planning and Development Department ("PDD Director") prior to amending the Development Agreement before the Closing, which approval shall not be unreasonably withheld.

2.03 Certificate of Completion. Upon the satisfaction of the terms and conditions of the Development Agreement by the Developer, which obligates the DDA to execute and deliver to Developer a Certificate of Completion, the DDA shall record a certificate of completion acknowledging that the development of the Garage Unit has been completed in accordance with the Development Agreement (the "Certificate of Completion"). Upon the recording of said Certificate of Completion and notice to the City of the same, the DDA's obligations and the Developer's obligations pursuant to this Agreement shall have been deemed satisfied, and the terms and conditions of this Agreement, including but not limited to the provisions of Sections 2.02 and 3.02, shall no longer apply to the Garage Unit.

ARTICLE III

3.01 Termination of Development Agreement Prior to Conveyance. If, prior to the conveyance of the Garage Unit by the City, the Development Agreement is canceled or terminated with regard to the Garage Unit for any reason whatsoever, the City may cancel this Agreement, whereupon the DDA shall have no further rights and the City shall have no further obligations hereunder. Within thirty (30) days after receipt of written notice from the City of such cancellation, the DDA shall acknowledge such cancellation and the termination of the DDA's rights and the City's obligations hereunder. In the event that the DDA fails to acknowledge such cancellation and the termination in accordance with this Section 3.01, the DDA hereby irrevocably appoints the City as its attorney-in-fact with power to execute any and all documents necessary to acknowledge such cancellation and the termination, including but not limited to quit claim deed from the DDA conveying to the City any and all right, title, and interest in and to the Garage Unit.

3.02 Default by the Developer, Subsequent to Conveyance. (a) The Development Agreement shall provide that Developer shall (i) name the City as an additional insured or loss payee on any insurance policy for which the DDA is named as an additional insured or loss payee, and (ii) name the City as a guaranteed party, payee, or beneficiary under any guaranty of completion, performance bond, or other credit enhancement in favor of DDA, if any, upon the same terms and conditions as Developer's obligations

to the DDA with respect thereto (collectively referred to as the "Completion Guaranties"). (b) If, after the City's conveyance of the Garage Unit, the Project site is not developed by the Developer in accordance with the terms of the Development Agreement, then the DDA shall, within thirty (30) days after receipt of written notice from the City, exercise its rights under the Completion Guaranties and thereafter diligently pursue the completion of the Project in accordance with the terms of the Development Agreement. In the event that the DDA fails to exercise its rights under the Completion Guaranties at the direction of the City in accordance with this Section 3.02, the City may exercise its rights under the Completion Guaranties without recourse or any liability or obligation to the DDA.

3.03 Remedies. The remedy provided to the City in Sections 3.01 and 3.02 hereof shall be cumulative of all other remedies at law or in equity, and shall not be the exclusive remedy of the City against the DDA for default by the DDA under this Agreement. In the event of the City breaches any of its obligations under this Agreement, then, after reasonable notice and opportunity to cure, the DDA shall have the right solely to seek injunctive relief, specific performance or other equitable remedies for the City's breach of this Agreement, and in no event and under no circumstances shall the DDA be entitled to monetary damages. No person other than the parties themselves, the City and the DDA, shall have any rights or remedies under this Agreement. For the avoidance of doubt, the Developer shall have no claim, nor shall have the City any liability to the Developer, hereunder or otherwise, in any manner or under any circumstances, if and before or after its payment hereunder, to any portion or all of the Purchase Price, or otherwise.

ARTICLE IV

4.01 Independent Contractors. The relationship between the DDA and the City is and shall continue to be an independent contractor relationship. No liability or benefits such as workers' compensation, pension rights or liabilities, insurance rights or liabilities, or other provisions or liabilities arising out of or relating to a contractor for hire or employer/employee relationship shall arise or accrue to either party or either party's agents or employees with respect to the City as a result of this Agreement.

ARTICLE V

5.01 Mutual Cooperation. The parties acknowledge that mutual cooperation will be required to accomplish the intent and objectives of this Agreement, and therefore agree to cooperate mutually in the development of the Garage Unit in order to best serve the respective interests of the public, the DDA and the City.

ARTICLE VI

6.01 Conflict of Interest. No officer or employee of the DDA or the City shall have any personal interest, direct or indirect, in this Agreement, nor shall any such officer or employee participate in any decision relating to this Agreement that affects his or her personal interest or the interest of any corporation, partnership or association in which he or she is directly or indirectly interested.

6.02 No Individual Liability. No officer or employee of the City shall be personally liable to the DDA or its successor in interest in the event of any default or breach by the City of any term or condition of this Agreement. No officer or employee of the DDA shall be personally liable to the City or its successor in interest in the event of any default or breach by the DDA of any term or condition of this Agreement.

ARTICLE VII

7.01 Fair Employment Practices. In accordance with the United States Constitution and all federal legislation and regulations governing fair employment practices and equal employment opportunity, including, but not limited to, Title VII of the Civil Rights Act of 1964 (P.L. 88-352, 78 STAT. 252) and United States Department of Justice Regulations (28 C.F.R. Part 42) issued pursuant to the title, and in accordance with the Michigan Constitution and all state laws and regulations governing fair employment practices and equal employment opportunity, including, but not limited to, the Michigan Civil Rights Act (1976 PA 220), the DDA agrees that it will not discriminate against any person, employee, consultant or applicant for employment, training, education, or apprenticeship connected directly or indirectly with the performance of this Agreement with respect to his or her hire, promotion, job assignment, tenure, terms, conditions or privileges of employment or hire because of his or her religion, race, color, creed, national origin, age, sex, height, weight, marital status, public benefit status, sexual orientation or handicap that is unrelated to the individual's ability to perform the duties of a particular job or position. The DDA recognizes the right of the United States and the State of Michigan to seek judicial enforcement of the foregoing covenants against discrimination against itself or its subcontractors.

Breach of the terms and conditions of this Article VII may be regarded as a material breach of this Agreement.

ARTICLE VIII

8.01 Notices. When either party desires to give notice to the other in connection with and in accordance with the terms of this Agreement, such notice shall be given by certified mail and shall be deemed given when deposited in the United States mail, postage prepaid,

return receipt requested, and such notice shall be addressed as follows:

or such other address with respect to either such party as that party may, from time to time, designate in writing and forward to the other as provided herein.

8.02 Force Majeure. In the event that either the DDA or the City shall be delayed, hindered in or prevented from the performance of any act required hereunder by reason of strike, lock-outs, labor troubles, inability to procure materials, failure of power, restrictive government laws or regulations, riots, insurrections, default of the other party, or by other reasons beyond its control, then performance of such acts shall be excused for the period of the delay and the period for the performance of any such act shall be extended for a period equivalent to the period of such delay.

8.03 Amendments. The DDA or the City may consider it in their best interest to modify or to extend a term or condition of this Agreement. Any such extension or modification, which is mutually agreed upon by the City and the DDA and approved by the City Council in accordance with City Code §18-5-5(a), shall be incorporated by written amendment into this Agreement. Such amendment shall not invalidate this Agreement, nor relieve or release the DDA or the City from any of their obligations hereunder, unless the amendment specifically so provides. Other than technical amendments made in accordance with Section 25.14 of the Development Agreement, the DDA shall not amend or change the Development Agreement without the prior written consent of the PDD Director and of the City's Corporation Counsel.

8.04 Merger Clause. This Agreement shall constitute the entire agreement and

shall supersede all prior agreements and understandings both written and oral between the parties with respect to the subject matter.

8.05 Binding Effect; Provisions Not Merged with Deed. The terms and conditions of this Agreement are not binding on Developer or its successors and assigns, and shall not encumber the Garage Unit, except as provided in Sections 2.02, 3.02(a) and 8.05. The conveyance of the Garage Unit by the DDA to the Developer shall be subject to the City's rights under Sections 2.02, 3.02(a) and 8.05 at all times prior to the DDA's issuance to the Developer of a "Certificate of Completion" for the Garage Unit in accordance with the Development Agreement. No provision of this Agreement is intended to or shall be merged by reason of any deed transferring title to the Garage Unit from the City to the DDA. Upon the issuance of the Certificate of Completion, this Agreement shall terminate and be of no further force or effect.

8.06 Counterparts. This Agreement may be executed in counterparts, each of which shall be deemed to be an original, and such counterparts shall constitute one and the same agreement.

8.07 Compliance with Applicable Law. The parties agree to comply with all applicable federal, state and local statutes, regulations, rules, ordinances, other laws and requirements now in effect or hereinafter enacted, including, but not limited to, Executive Orders 2014-4 and 2014-5, and if necessary, shall execute and deliver such supplementary documents and agreements as are necessary to meet said requirements. The Developer's obligations with respect to these matters shall be set forth in the Development Agreement.

8.08 Michigan Law. This Agreement is being entered into and executed in the State of Michigan, and all questions with respect to the construction of this Agreement and the rights and liabilities of the parties hereunder shall be construed in accordance with the provisions of the laws of the State of Michigan.

8.09 Time is of the Essence. The purpose of this Agreement is to facilitate completion of the Project by the Developer. Accordingly, time is of the essence with respect to all provisions of this Agreement, including amendment of any provisions herein.

8.10 Non-Waiver. No waiver at any time of any provision or condition of this Agreement shall be construed as a waiver of any of the other provisions or conditions hereof, nor shall any waiver of any provision or condition be construed as a right to subsequent waiver of the same provisions or conditions.

8.11 Further Assurances. Each of the parties covenant and agree to take such

further actions and provide such further assurances as are necessary and appropriate to carry out the intent of this Agreement upon the reasonable request of the other.

8.12 Estoppel Certificate. Upon at least 15 days written notice from the DDA, the PDD Director, on behalf of the City, shall deliver to the DDA, or, if requested by the DDA, Developer's lender, an estoppel certificate in a form reasonably acceptable to the PDD Director, the lender, and such parties' respective legal counsel, certifying (i) whether this Agreement has been terminated, (ii) whether there are any known defaults under this Agreement, and (iii) what obligations of the Developer to the City remain outstanding under this Agreement and the Development Agreement, in each case as of the date of such certificate.

Planning & Development Department
September 26, 2016

Honorable City Council:

Re: Resolution Approving an Industrial Facilities Tax Exemption Certificate, on Behalf of Cedar Investments, LLC (c/o Logistics Insight Corp.) at 6836 Georgia, Detroit, MI (fka 7100 Georgia), in Accordance with Public Act 198 of 1974 as amended. (Related to Petition #723)

On September 22, 2016, a public hearing in connection with approving an Industrial Facilities Tax Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Cedar Investments, LLC (c/o Logistics Insight Corp.) has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 ("the Act") and the Development Agreement for the project.

Respectfully submitted,

JOHN SAAD

Manager — Development Division

By Council Member Leland:

Whereas, Cedar Investments, LLC (c/o Logistics Insight Corp.) has filed with the City Clerk an Application for an Industrial Facilities Tax Exemption Certificate, under Public Act 198 of 1974 ("the Act") in City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on November 15, 2015 established by Resolution an Industrial Development Rehabilitation District in the vicinity of 6836 Georgia, Detroit, Michigan, (fka 7100 Georgia), after a Public Hearing held in accordance with the Act; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Commencement of the subject project did not occur before the establishment of the Plant Rehabilitation District; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Industrial Development Rehabilitation District; and

Whereas, Completion of the project is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the

community in which the facility is located; and

Whereas, The project includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the project as provided by the Act; and

Whereas, This City Council has granted until the end of December 31, 2016 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

WHEREAS, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

Whereas, Cedar Investments, LLC (c/o Logistics Insight Corp.), where necessary, will provide the regular maintenance, repair and/or replacement of any landscaping required by the zoning ordinance as well as continuous maintenance of the site.

Whereas, All trees, shrubs, fences, walls and other landscape features that are depicted on approved site plans shall be considered as elements of the project in the same manner as parking, building materials and other details as elements of the plan.

Whereas, All required landscaping shall be irrigated as necessary to maintain required plant materials in good and healthy condition.

Whereas, All landscaped areas shall be provided with a readily available water supply and the water outlets shall be provided within 100 feet of all required planting material unless a subsurface irrigation system is used.

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of the Industrial Facilities Tax Exemption Certificates, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Cedar Investments, LLC (c/o Logistics Insight

Corp.), for an Industrial Facilities Tax Exemption Certificate, in the area of 6836 Georgia, Detroit, Michigan, (fka 7100 Georgia), Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2028; and be it further

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than December 31, 2016, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable, and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Industrial Facilities Exemption Certificate Agreement.

**Department of Public Works

August 30, 2016

Honorable City Council:

Re: Petition No. 980 — Giffels Webster, request for various encroachments within Griswold Street and Grand River Avenue rights-of-way and the adjacent public alley right-of-way.

Petition No. 980 of Giffels Webster on behalf of 28 W. Grand River LLC, request to install and maintain encroachments with canopies on Griswold Street, 60 feet

wide, between Grand River Avenue, 60 feet wide and Clifford Street, 60 feet wide; also with canopies on Grand River Avenue, between Griswold Street and Woodward Avenue, 120 feet wide. The request also includes installing and maintain bollards in the north-south public alley, 20 feet wide in the block of Grand River Avenue, Clifford Street, Griswold Street and Woodward Avenue.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made for a new development of a micro-loft and mixed use building on the northeast corner of Griswold Street and Grand River Avenue. The proposed canopies are to enhance the building entrances, and the bollards are being installed in the alley to protect building mounted utility meters and door openings.

Detroit Water and Sewerage Department (DWSD) reports having facilities in the encroachment area, but has no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

Traffic Engineering Division — DPW (TED), reports being involved and approves provided certain conditions are met. The TED conditions have been made a part of the attached resolution.

Public Lighting Authority (PLA) report being involved and provisions protecting their facilities are included in the attached resolution.

Planning and Development Department (P&DD) report involvement. P&DD did a site plan review for BZA case #48-15 which provided waivers to construct the new 23,881 square foot mixed use building. HDC Certificate of Appropriateness #15-26B has been obtained by the applicant.

DTE Energy Gas, Comcast and SBC Telecommunications — report involvement; and provisions protecting all utilities and City services in the encroachment area are a part of the resolution.

All other involved City departments and privately owned utility companies reported no objections.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

P.E., City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to "28 W. Grand River LLC" or their assigns for encroachments with canopies on Griswold Street, 60 feet wide, between Grand River Avenue, 60 feet wide and Clifford Street, 60 feet wide; also with

canopies on Grand River Avenue, between Griswold Street and Woodward Avenue, 120 feet wide; also with bollards in the north-south public alley, 20 feet wide in the block of Grand River Avenue, Clifford Street, Griswold Street and Woodward Avenue. All of the encroachments adjoining property described as: Land in the City of Detroit, Wayne County, Michigan being Lots 67 and 68 "Plan of Section Numbered Eight of the Territory of Michigan confirmed unanimously by the Governor and Judges on the 27th day of April, 1807 and ordered to be a record and to be signed by the Governor and attested by the Secretary of the Board" as recorded in Liber 34, Page 543 of Deeds, Wayne County Records. And the encroachments further described as:

1) Two canopies on Grand River lying southerly of and adjoining the southerly line of the above described parcel and each having a clearance of 9 feet and a length of 12 feet and a width of 3 feet. One canopy being 7 feet from the south-westerly property corner and extending to a point being 19 feet from said corner. The other canopy being 12.21 feet from the southeasterly corner and extending to a point being 24.21 feet from said corner.

2) Canopies along the full length of the above described parcel lying westerly of and adjoining the westerly line of the parcel extending 3 feet into Griswold Street and maintaining a clearance of 9 feet.

3) Bollards as needed along the full length of the easterly property line of the above described parcel lying within 2 feet of said easterly line.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That by approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written

notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That the canopies shall have a minimum vertical under clearance of 9 feet; also a clear width of 18 feet shall be maintained in the north-south alley after the installation of the encroaching bollards; and be it further

Provided, That the "28 W. Grand River LLC" or its assigns shall apply to the Buildings, Safety Engineering and Environmental Department for a building permit prior to any construction. Also, if it becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings, Safety Engineering and Environmental Department. The encroachments shall be constructed and maintained under this rules and regulations; also in accord with plans submitted to and approval by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW (if necessary); and further

Provided, That all cost for the construction, maintenance, permits and use

of the encroachments shall be borne by "28 W. Grand River LLC"; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by "28 W. Grand River LLC" or its assigns. Should damages to utilities occur "28 W. Grand River LLC" or its assigns shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installation; and further

Provided, That "28 W. Grand River LLC" shall file with the Finance Department and/or City Engineering Division — DPW an indemnity in form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and the faithful or unfaithful performance by "28 W. Grand River LLC" of the terms thereof. Further, "28 W. Grand River LLC" shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the proposed encroachments; and further

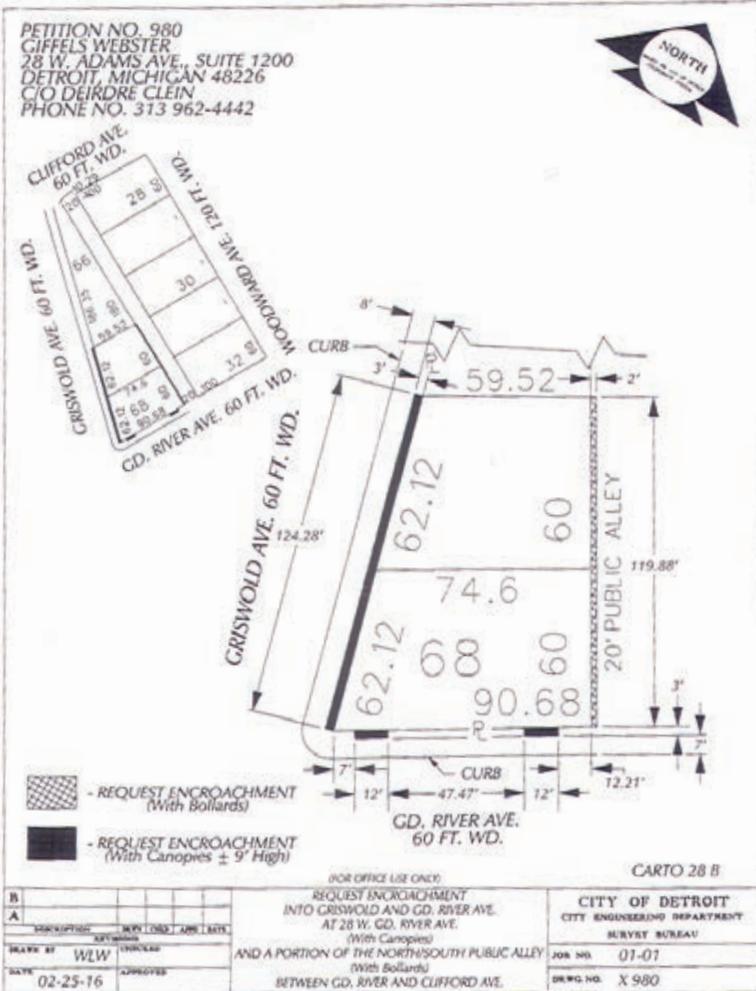

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and "28 W. Grand River LLC" acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, The installation and maintenance of the encroachments referred to herein shall be construed as acceptance of this resolution by the permittee; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 2668 Winner's Chapel, request permission to fence in and close the street at 15330, 15331, 15336, 15345 and 15355 Keibler.

Petition No. 2668 Winner's Chapel, requests conversion of part of Keibler Avenue, 60 feet wide, into a private easement for utilities; Keibler Avenue lying easterly of the public alley, 20 feet wide, first East of Greenfield Avenue and lying

westerly of the public alley, 18 feet wide, first West of Whitcomb Avenue.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request will enable Winner's Chapel to consolidate their properties and to provide secure parking.

All City Departments and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

Provisions protecting utility installations are part of the attached resolution. Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD

provisions for easements are included in the resolution. Public Lighting Department (PLD) has no objection to the conversion to easement. The specific PLD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, All that part of the Keibler Avenue, 60 feet wide, lying North of and adjoining the North line of Lots 36, 37, 38 and 39; also lying South of and adjoining the South line of Lots 41, 42 and 43 "Keibler's Schoolcraft Subdivision, Part of the S.W. 1/4 of Section 19 T.1S. R.11E. City of Detroit, Wayne County, Michigan" as recorded in Liber 60, Page 26 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public street and is hereby converted into a private easement for public utilities of the full width of the street, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public easement or right-of-way over said vacated street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easements, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by the way of illustrations but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants, and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth, and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes, or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points of deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc. shall be built upon or over said easements, or that no grade changes or storage of materials shall be made within said easements without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That the Public Lighting Department requires that no structures or barricades be built over PLD installations or on existing utility easement areas. As

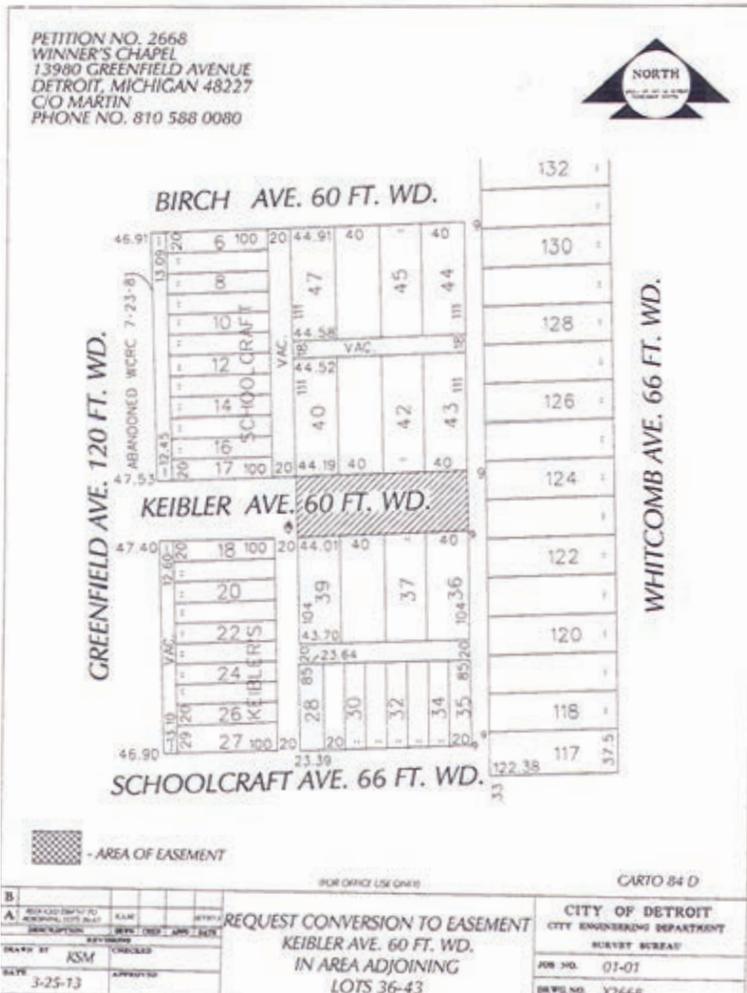

per PLD requirements, any structure proposed to be built shall maintain 10 feet horizontal clearance from the overhead PLD lines and installations also any structure proposed to be built shall maintain a minimum of 3 feet horizontal clearance and 12 inch vertical clearance from the PLD conduit bank and manholes. The contractor should take necessary precautions not to damage PLD utilities, if they plan to use heavy earth moving equipment. The contractor will be liable for any damages to any PLD underground facilities. PLD requires unrestricted easement rights with 24-hour heavy vehicle access in order to maintain their facilities; and be it further

Provided, That if at any time in the future, the owners of any lots abutting on said vacated streets shall request the removal and/or relocation of the aforementioned utilities in said easements

shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all cost incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to perform any work within the open public alleys adjoining the Keibler Avenue easement, such construction shall be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 958 — VG Statler City, LLC, request to vacate alley located interior to the block bounded by Washington Blvd., Clifford St., Bagley Ave. and Park Ave.

Petition No. 958 — VG Statler City, LLC, request for outright vacation of the east-west alley and the north-south alley in the block bounded by Clifford Street, 60 feet wide, Park Avenue, 60 feet wide, Bagley Avenue, 150 feet wide and Washington Boulevard, 195 feet wide.

The request is being made in order to consolidate the properties for a future development. The petitioner has entered into an agreement with the City of Detroit Downtown Development Authority on January 5, 2015 to purchase and develop the land.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

The Public Lighting Department (PLD) and Public Lighting Authority (PLA) both report no involvement with the subject alleys.

AT&T and Comcast report being involved. The developer will need to contact AT&T and Comcast for the relocation and removal of their facilities.

DTE Energy — Electric (DTE-E) reports being involved. The developer will need to grant DTE-E a temporary easement to relocate DTE-E facilities at a later date; cost for the relocation will be provided once the easement has been received.

DTE Energy — Gas reports no involvement.

The Detroit Water and Sewerage Department (DWSD) reports no objection if the petitioner agrees to relocate the sewers and water mains in accordance with the DWSD provisions for relocation at no cost to DWSD. The DWSD provisions are a part of the resolution.

The Detroit Fire Department (DFD) reports involvement. The developer must maintain DFD vehicular access to all businesses and residents.

The Planning and Development Department (P&DD) is involved, but has no objection to the property change. Final project design subject to consultation with P&DD. The project is partially located in a Historic District and HDC Certificate of

Appropriateness #15-4550 has been obtained by the petitioner.

All other City departments and utilities have reported no objections to the vacations and provisions for all utility relocations have been made a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

By Council Member Benson:

Resolved, All of the remaining open public alleys in the block bounded by Clifford Street, 60 feet wide, Park Avenue, 60 feet wide, Bagley Avenue, 150 feet wide and Washington Boulevard, 195 feet wide and being further described as:

1) The north-south public alley, 20 feet wide, and variable width lying easterly of and adjoining the easterly line of Lots 25, 26 and 27 including the southerly 12 feet of Lot 25 deeded as an alley, also lying westerly of and adjoining the westerly line of Lots 67, 17 and 18 including the vacated alley adjoining said Lots 67 and 17 "Governor and Judges Plan of Section No. 10" as recorded in Liber 34, Page 553 of Deeds, Wayne County Records.

2) The east-west public alley, 12 feet wide, being the southerly 12 feet of Lot 25 "Governor and Judges Plan of Section No. 10" as recorded in Liber 34, Page 553 of Deeds, Wayne County Records; also described in the deed to the City of Detroit on July 30, 1912 as "The west 12 feet of the west 1/2 of Lot 25 Governor and Judges Plan of Section No. 10".

Be and the same are hereby vacated (outright) as public rights-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services (if necessary); and further

Provided, That petitioner/property owner make satisfactory arrangements with DTE Energy — Electric for the removal of their facilities and the granting of a temporary easement for DTE until the relocation arrangements are made. DTE Energy — Electric reports being involved in both alleys and for more information contact DTE at 313-235-5172; and further

Provided, That access for Detroit Fire Department Vehicles be maintained for all businesses and residents; and further

Provided, That the petitioner shall design and construct proposed sewers and to make connections to the existing public sewer as required by the Detroit Water and Sewerage Department (DWSD) prior to the construction of the proposed sewers; and further

Provided, That the plans for the sewers

shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and to issue permits for the construction of the sewers; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewer construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

Provided, That the petitioner/property owner shall provide DWSD with as-built

drawings on the proposed sewers; and further

Provided, That the petitioner shall provide a (1) one year warranty for the proposed sewers; and further

Provided, That upon satisfactory completion, the sewers shall become City property and become part of the City system. Any existing sewers that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as removal and construction of new driveways, curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, The Law Department is hereby authorized to cause a quit-claim deed to be issued (if deemed necessary) to VG Statler City, LLC to transfer the above described parcels of land for the fair market value and/or other valuable consideration; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 911 — Professional Contracting & Consulting, Inc., request to vacate alley that lies between Brace St. to the West and Greenview St. to the East to extend the parking lot of the Religious Institute, Tawheed Center of Detroit.

Petition No. 911 — Professional Contracting and Consulting, Inc. on behalf of Tawheed Center of Detroit, request to vacate and convert to easement the east-west public alley, 20 feet wide, first north of West Warren Avenue in the block of West Warren Avenue, 110 feet wide, Sawyer Avenue, 50 feet wide, Brace Avenue, 50 feet wide and Greenview Avenue, 50 feet wide.

The request is being made in order to consolidate the owner's property, to provide secure parking.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

The Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY

P.E., City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, All that part of the east-west public alley, 18 feet wide, in the block of West Warren Avenue, 110 feet wide, Sawyer Avenue, 50 feet wide, Brace Avenue, 50 feet wide and Greenview Avenue, 50 feet wide, and described as: Land in

the City of Detroit, Wayne County, Michigan being the east-west public alley, 18 feet wide, lying northerly of and adjoining the northerly line of Lots 813 through 823, both inclusive; also lying southerly of and adjoining the southerly line of Lot 824 and the easterly 91.04 feet of Lot 811 "Warrendale No. 1 being a Subdivision of part of the S.E. 1/4 of Section 9 T.1S., R.10E. Dearborn Township, Wayne County Michigan" as recorded in Liber 45, Page 14 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public alley and converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots

abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever,

including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be further

Provided, That if any time in the future, the owners or any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be further

Provided, That the Public Lighting Department (PLD) shall have 24-hour unimpeded heavy truck access way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing PLD facilities contained therein, and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrances (into Brace Avenue or Greenview Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Detroit Water and Sewerage Department (DWSD) has no objection provided there is an easement to insure access to their facilities. Provisions for easement including access are a part of the resolution.

DTE Energy Electric and Gas report involvement, but have no objection provided there is an easement to insure access to their facilities. Provisions for easement including access are a part of the resolution.

All other involved City Departments and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

The property adjoining the two subject streets is privately owned by four property owners including the petitioner. The Petitioner has sent certified mail with return receipt to the three other owners requesting support for the street closings. The property owner's addresses were obtained through City of Detroit Assessor's records. Two of the mailed notices were returned as undeliverable; and no response was received from the one that was delivered. The Department of Public Works – City Engineering Division is also mailing a copy of our report to council and to the adjoining property owners.

There is an appropriate resolution, containing the necessary conditions, attached for consideration by your Honorable Body.

Respectfully submitted,
RICHARD DOHERTY, P.E.

Honorable City Council:

Re: Petition No. 1129 – Bodywerks, Inc. request an alley extension of Brace Street which is in an industrial area northwest of Fitzpatrick Street, Detroit, MI 48228.

Petition No. 1129 – Bodywerks Inc., request to vacate and convert to easement Brace Avenue, 60 feet wide from Fitzpatrick Avenue, 80 feet wide to the Chesapeake & Ohio Railroad also part of

the northwest-southeast public alley, 20 feet wide, first northeasterly of and parallel to Fitzpatrick Avenue in the block of Brace Avenue, Fitzpatrick Avenue, the Chesapeake & Ohio Railroad and Faust Avenue.

This request is being made to provide security, and Brace Avenue and the subject alley are already physically closed.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and Traffic Engineering Division – DPW.

Public Lighting Department (PLD) reports are an arc wire in the alley that should be removed. A provision for the required PLD access is included in the resolution. Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific

DWSD provisions for easements are included in the resolution.

All other involved City Departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.
City Engineer

City Engineering Division — DPW
By Council Member Benson:

Resolved, All that part of Brace Avenue, 60 feet wide, from Fitzpatrick Avenue, 80 feet wide to the Chesapeake and Ohio Railroad right-of-way and lying northwesterly of and adjoining the northwesterly line of Lot 582 and lying southeasterly of and adjoining the southeasterly line of Lot 583; also the northwest-southeast public alley, 20 feet wide, lying southwesterly of and adjoining the southwesterly line of the Chesapeake and Ohio Railroad and lying northeasterly of and adjoining the northeasterly line of Lots 559 through 582, both inclusive, and the vacated part of Faust Avenue adjoining said Lot 559, all the above in "Emerson Park, a Subdivision of part of the N.E. 1/4 of Section 35, T.1S.R. 10E. City of Detroit, Wayne County, Michigan" as recorded in Liber 55, Page 45 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public rights-of-way and converted into private easements for public utilities of the full width of the rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public street and alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street or alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or

replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, that if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, that if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by the way of illustrations but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants, and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth, and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes, or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install a suitable permanent main location guide post over its water mains at reasonable intervals and at points of deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc. shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

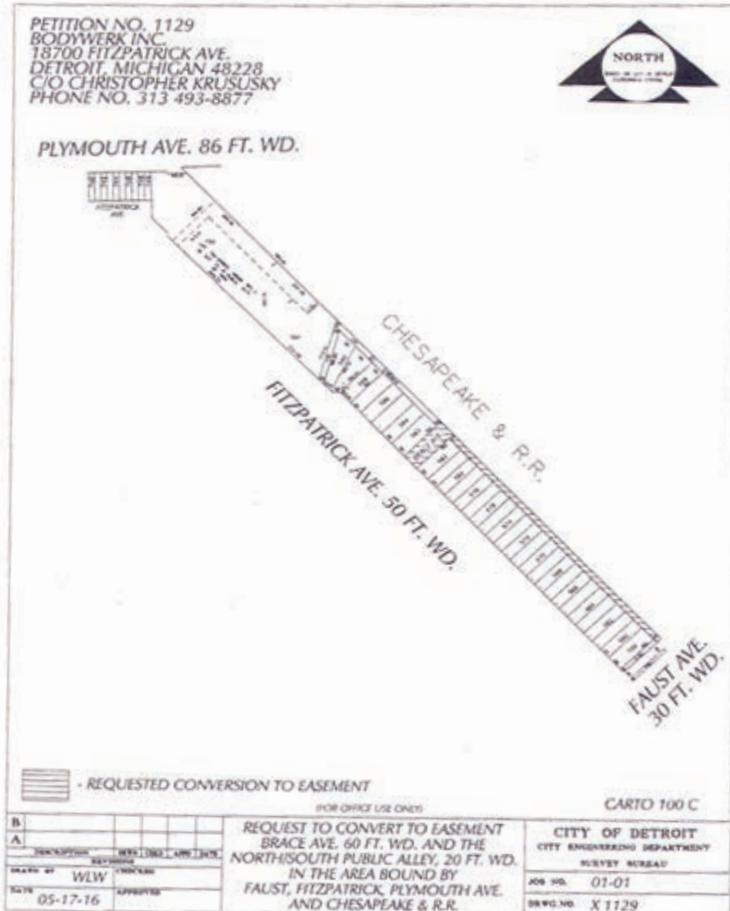

Provided, That if at any time in the future, the owners of any lots abutting on said vacated street or alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and /or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall

also be liable for all claims for damages resulting from his action; and be it further

Provided, That the Public Lighting Department (PLD) shall have 24-hour unimpeded heavy truck access way over said vacated public street and alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing PLD facilities contained therein inclusive of removal of the existing are wire, and be it further

Provided, That if it becomes necessary to remove the paved street return at the entrance (into Fitzpatrick Avenue) or the paved alley return (into Faust Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

RESOLUTION

IN SUPPORT OF DPL AND OTHER PUBLIC LIBRARIES TO BE EXCLUDED FROM TIFTAX CAPTURE

By Council Member Sheffield:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

Whereas, The mission of the Detroit Public Library (DPL) "...enhances the quality of life for the diverse and dynamic community in the City of Detroit. The library enlightens and empowers its citizens to meet their lifelong learning needs through open and equitable access to information, technology, and cultural/educational programs. The Detroit Public Library system will provide easy access to local and global information that will assist all users in the development of a lifetime of enrichment and growth;" and

Whereas, On July 1, 1731, Benjamin Franklin drafted an action plan and rules for the "Library Company." With the financial support of 40 shillings from fifty founding members and an additional 10 shillings annually to allow the library to grow, the Library Company opened to the public. Franklin opened the first public library because books were expensive and most people could not afford them. Franklin, self-taught through reading two hours per day after the age of 10, believed that reading could substitute for the absence of a formal education, thereby bridging a significant gap between the "haves" and "have nots"; and

Whereas, Michigan's first constitution written in 1835 explicitly states "the legislature shall provide for libraries." On March 25, 1865, the Detroit Public Library opened in one room of the old Capitol High School located at State and Griswold streets with a collection of 5,000 books.

Whereas, In 1989, the Detroit Public Library initiated its computer public service program at the Chandler Park Branch. today, computerization exists throughout the DPL system, which on a daily basis provides hundreds of its customers access computers and the Internet; and

Whereas, The "Digital Divide" is the contemporary term to describe the socioeconomic disparity between the people who have resources, opportunities and skills enabling them to benefit from digital resources, in particular computers and the Internet, and those who do not have these resources, opportunities or skills. The term highlights the issue that those who do not have access to such technology, are potentially destined to a future of economic disadvantages; and

Whereas, In 1995, the U.S. Department of Commerce identified public libraries as essential partners in addressing the disparities in computer and Internet access faced by minorities in urban areas and the underprivileged. Traditionally, libraries have served as one of the few institutions

that have provided public resources for local residents in poor, urban, neighborhoods to bridge the digital divide; and

Whereas, Unfortunately however, for decades, the Detroit Public Library has seen its revenues from property taxes decline due primarily to a shrinking tax base causing branches to close and its services have been curtailed. In addition, potential new revenues are not realized due to State Act tax capture authorities, which principally do not provide for opt-out provisions for public libraries for Tax Increment Funding (TIF) tax captures; and

Whereas, On average, libraries in the State of Michigan receive approximately 77% of their funding through special millage rates approved by the local community. As with most Michigan libraries, the Detroit Public Library system is similarly financed; and

Whereas, On March 16, 2016 the Michigan State Senate passed seven bills if subsequently passed by the State House and signed by the Governor, would provide for the exclusion of public libraries from tax capture:

1. Senate Bill 579 (Substitute S-2 as passed by the Senate)
2. Senate Bill 619 (Substitute S-1 as passed by the Senate)
3. Senate Bill 620 (Substitute S-1 as passed by the Senate)
4. Senate Bill 621 (Substitute S-1 as passed by the Senate)
5. Senate Bill 622 (Substitute S-1 as passed by the Senate)
6. Senate Bill 623 (Substitute S-1 as passed by the Senate)
7. Senate Bill 624 (Substitute S-1 as passed by the Senate); and

Whereas, The Detroit City Council as a supporter of the Detroit Public Library, expresses its support of the seven pending bills that would allow for the Detroit Public Library and the rest of the public libraries in the State of Michigan to opt-out of TIF tax captures and realize new sources of revenue derived from the tax revenues generated from new TIF development projects. Thereby calling for the Detroit Delegation in the State House, the House Committee on Tax Policy, the Michigan State House and the Governor to approve the seven bills; Now Therefore Be It

Resolved, That this resolution be forwarded to the City of Detroit's Lansing Lobbyist, the Detroit Delegation in the State House, the House Committee on Tax Policy, the Michigan State House and the Governor.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Sheffield, Spivey, Tate and President Jones — 8.

Honorable City Council:

Re: Request to Amend Funding Agreement between Building, Safety, Engineering and Environmental Department's and Detroit Brownfield Redevelopment Authority for the Brownfield Cleanup Revolving Loan Fund Program granted by Environmental Protection Agency.

The Building, Safety, Engineering and Environment Department (BSEED) is hereby requesting to amend the funding agreement with Detroit Brownfield Redevelopment Authority (DBRA) for the Brownfield Cleanup Revolving Loan Fund (BCRLF). The Environmental Protection Agency (EPA) recently informed both parties that if funding was not obligated by October 15, 2016 that funds will be recaptured. The EPA also provided permission for the BCRLF to be awarded as grant funding.

The objective of the grant is to provide loans to public and private parties for the purposes of cleaning up brownfield sites already assessed and found to be contaminated. However, being able to offer this funding as a grant also will ensure timely obligation and minimize the threat of recapturing.

I respectfully ask your approval amend and sign the funding in accordance with the attached resolution along with a waiver of reconsideration.

Respectfully submitted,
NICHELLE HUGHLEY

Dear Joseph Mutebi:

Subject: Fiscal Year (FY) 2017 Projected Allocations

The following chart is a list of the FY 2017 Local Health Department (Comprehensive) Agreement allocations for your Local Health Department (LHD) for funding administered by the Michigan Department of Health and Human Services (MDHHS) through the Agreement. These allocations are based on FY 2017 Appropriations for MDHHS and are subject to the availability of funds, MDHHS's Appropriation Act for FY 2017, MDHHS approval and State Administrative Board approval.

Please complete the application for these projects. When the individual project application is completed, please have your Authorized Office submit the project. This will facilitate timely processing of your agreement. If you have questions on submitting individual applications, please contact our Grants Section Team Member. All allocations must be budgeted and expended consistent with the requirement contained in the Agreement. The effective date for the executed agreement is based on the Grantee's signature or October 1, 2016 whichever is later.

The following are the projects available for budgeting the MDHHS Essential Local Public Health Services (ELPHS) funds and the Maternal Child Health (MCH) allocations:

**RESOLUTION URGING THE BOARDS
OF THE DETROIT WATER AND
SEWERAGE DEPARTMENT (DWSD)
AND GREAT LAKES WATER
AUTHORITY (GLWA) TO HOLD
MEETINGS AT PUBLICLY
ACCESSIBLE TIMES AND PLACES
AFTER WORKING HOURS**

Whereas, The new drainage fees to be implemented by Detroit Water and Sewerage Department (DWSD) will have significant economic, environmental and public health impacts on every property owner and resident in the City of Detroit; and

Whereas, Under well-established Michigan law and important principles of

public policy, it is absolutely imperative that residents and citizens have an adequate opportunity to attend public meetings of public bodies, such as the board of the Great Lakes Water Authority (GLWA) and DWSD's Board of Water Commissioners, to have the opportunity to observe their deliberations on these issues and to express concerns during legally required opportunities for public comments; and

Whereas, The current practices of both the GLWA board and the Board of Water Commissioners, of holding all their meetings in the middle of the day during the working week, effectively prevents many residents and citizens from participating or even attending their meetings; and

Whereas, There are many other important public issues, including water affordability, shut offs, basements flooded by sewage backups and related infrastructure and investment decisions, that should be more openly available for public attendance and participation at public meetings scheduled during convenient and accessible times after working hours to facilitate more public participation; Now, Therefore, Be It

Resolved, That the Honorable Detroit City Council strongly urges that future meetings of the GLWA board and the Board of Water Commissioners where important issues of public interest on either body's agenda are to be discussed and decided be held after 5:00 p.m., so that they are after normal working hours and at accessible locations to facilitate greater public participation; and Be It Further

Resolved, That each calendar year the Board of Water Commissioners hold at least one community meeting in different rotating locations geographically representative of the entire City, beginning at seven (7) o'clock p.m., and not in conflict with any evening City Council meeting scheduled under section 4-102 of the City Charter, or with any Mayoral meeting scheduled under section 5-110. The meetings shall be published and noticed in the manner set forth in the Michigan Open Meetings Act, and Be It Further

Resolved, That Copies of this Resolution shall be delivered to the members of the Board of Water Commissioners and the GLWA board, the Mayor, County Executives of Macomb, Oakland and Wayne Counties and the Governor, appointing authorities of the GLWA board.

TESTIMONIAL RESOLUTION AND SPECIAL PRIVILEGE FOR

MR. ISHMAIL TERRY

BY: COUNCIL MEMBER JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Ishmail Terry, founder and Chief Executive Officer of All Four One Detroit; and

WHEREAS, After noticing a persistent lump on his neck for two weeks, followed by a severe cough, night sweats, weight loss and overall poor health, Ishmail decided to seek medical treatment. On March 28, 2000, at the age of thirty-nine, he was diagnosed with Hodgkin's disease. What followed was a grueling ordeal

that included low blood counts, blood clots, infection, radiation therapy, anxiety, happy days and sad days. The road to recovery was tremendously hard. On June 8, 2002, it was revealed that his cancer had gone into remission! Today, Ishmail Terry has been cancer-free for over sixteen years; and

WHEREAS, In 2007, Ishmail Terry founded the non-profit organization, All Four One with the mission to empower individuals to reach their full potential as productive, caring, responsible citizens. The organization is committed to helping people build better communities through education, mentoring, civic engagement, cultural enrichment and financial literacy. All Four One has organized efforts to connect people in need with government or charitable agencies that provide support services such as counseling, adequate medical care and free legal assistance. All Four One also offers a Ready to Read program and facilitates annual Youth Council roundtables at schools in Detroit and neighboring communities; and

WHEREAS, Ishmail Terry is a survivor who is passionate about helping people and he exemplifies the spirit of a true community champion.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, recognizes Ishmail Terry for his significant contributions to make a difference in the Detroit community and beyond.

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Kenneth Brian Hollie, a loving and devoted husband, father, son, grandfather, brother, uncle, nephew and friend to many; and

WHEREAS, A native of Highland Park, Michigan, Kenneth Brian Hollie was welcomed into the world on February 28, 1967, by two loving parents, Vivian and Jonnnie Hollie Sr. To this union three other children were born: Yolanda, Johnnie "Bubba" and Keith. He was preceded in death by his eldest brother, Johnnie. Kenneth was affectionately called "Joe" by his family and close friends. He received his adolescent education at Luckett

Christian Academy and Southfield High School. Kenneth was very athletic and played basketball, football and baseball. He continued the pursuit of higher education at Michigan Christian College, now known as Rochester College; and

WHEREAS, Kenneth accepted Christ at an early age and was a faithful member of Wyoming Avenue Church of Christ. He received formal training in music and several of the elders at Wyoming were very instrumental in nurturing his musical talent. Kenneth began leading congregational songs as a young teen. He sang with the Mini Teens, Wyoming Mass Choir and the talented group known as Family. Kenneth was blessed with a mighty voice to sing God's praises. Singing was most definitely his ministry and he touched many souls through his gift of song; and

WHEREAS, Kenneth and his devoted wife, Glenda, were united in marriage for twenty-five years. The couple were blessed with two wonderful sons, Jasmon and Giani. He loved spending time with his family and enjoyed every opportunity he had to be with his four grandchildren: Gabrielle, Jaylen, Giuliana and Carter. Kenneth was a generous, caring and friendly person with a heart of gold. He was a true humanitarian who touched the lives of so many people. Kenneth Brian Hollie lived a full life of giving and his service to others will always be appreciated. He has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in honoring the life and legacy of Kenneth Brian Hollie.

Honorable City Council:
Re: Claudette Haugabook vs. City of Detroit. Case No. 15-006471-NF. File No.: L15-006471-NF (CBO).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Fifty-Nine Thousand Two Hundred Dollars and No Cents (\$59,200.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirty-One Thousand Dollars and No Cents (\$31,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Michael Rowady, Varjabedian and Attorneys, P.C., her attorney, and Claudette Haugabook, in full payment of all claims Plaintiff may have against the City of Detroit and that said amount be paid upon execution of a Release and entry of a Stipulation and Order for the Dismissal of Case No. 15-006471-NF.

We, therefore, request authorization to settle this matter in the amount of Five Thousand Dollars and No Cents (\$5,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Michael Rowady, Varjabedian Attorneys, P.C., her attorney, and Velma Brown in full payment for any and all claims Plaintiff may have against the City of Detroit and that said amount be paid upon execution of a release and stipulation for the dismissal of lawsuit No. 15-006471-NF.

We, therefore, request authorization to settle this matter in the amount of Twenty-Two Thousand Dollars and No Cents (\$22,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Dewnya

A. Bazzi, At The Law Group and Tawana Johnson, in full payment for any and all claims Plaintiff may have against the City of Detroit and that said amount be paid upon execution of a release and stipulation for the dismissal of lawsuit No. 15-006471-NF.

We, therefore, request authorization to settle this matter in the amount of Five Hundred Dollars and No Cents (\$500.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Luckasz Wietrzynski, Buckfire and Buckfire, P.C., and Michigan Pain Management, in full payment for any and all claims Plaintiff may have against the City of Detroit and that said amount be paid upon execution of a release and stipulation for the dismissal of lawsuit 15-006471-NF.

We, therefore, request authorization to settle this matter in the amount of Seven Hundred Dollars and No Cents (\$700.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Monika Carter, KGK & Associates, PLLC and Clear Imaging, in full payment for any and all claims Plaintiff may have against the City of Detroit and that said amount be paid upon execution of a release and stipulation for the dismissal of lawsuit 15-006471-NF.

Office of the Chief Financial Officer Grants Management

July 22, 2016

Honorable City Council:

Re: Request to increase appropriations for 2016 Summer Food Service Program (SFSP) and Commodity Food Distribution Program from Michigan Department of Education

The Michigan Department of Education has awarded an increase in funding to the City of Detroit Recreation Department FY 2016 Summer Food Service Program in the amount of \$41,313.12. This funding will increase appropriation 20266, previously approved in the amount of \$400,000 by council on May 31, 2016, to a total of \$441,313.12.

The objective of the grant is to serve meals without cost to children during the summer months. The additional funding allotted to the department will be utilized to accommodate excess funds received from the state for last year's program that are, per program guidance, to be rolled over for use this season.

If approval is granted to accept the increase and appropriate accordingly, the cost center is 398592 and appropriation number is 20266.

I respectfully ask your approval to accept the increase in appropriations funding in accordance with the attached resolution.

City Planning Commission

September 24, 2016

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of identification signs at four Detroit People Mover stations located at 150 W. Jefferson, 501 Third Ave., 400 W. Fort St. and 325 Michigan Ave.

REQUEST

The City Planning Commission (CPC) has received four permit applications (PRVs 2016-02019, 2016-02020, 2016-02030 and 2016-0202-40) from the Buildings, Safety Engineering and Environmental Department (BSEED) for the installation identification signs at the financial District, Joe Louis, Fort Cass and Michigan Ave. People Mover stations.

Each of these locations is zoned PCA (Public Center Adjacent District), a zoning classification which calls for City Council approval of any exterior of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

REVIEW

The Detroit Transportation Company has developed an 18" x 24" identification sign bearing an icon of the People Mover and letters, "DPM" below it. These signs are to be installed as two-sided projecting signs above the ground level entry ways to each station in order to better denote People Mover access to pedestrians. Please see the attached images depicting the sign and a photo representation of the sign installed at its appointed location.

These are small and simple signs, which will have minimal visual impact on the stations while serving a needed function. They will aid in way-finding for persons not immediately familiar with the location of the stations or the access points to them.

CPC staff has no objection to the addition of these signs to the four stations that fall under PCA zoning. The Planning and Development Department has also reviewed the permit applications and supports the installation of signs.

Attached for your consideration is a resolution authorizing the release of permits for the installation of these signs at the four PCA zoned Detroit People Mover stations.

Respectfully submitted,
DAVID D. WHITAKER
Director, LPD
MARCELL R. TODD, JR.

By Council Member Leland:

Whereas, The City Planning Commission has received a building sign permit application for a placement of identification signs at four Detroit People Mover stations located at 150 W. Jefferson, 501 Third Ave., 400 W. Fort St. and 325 Michigan Ave.; and

Whereas, These stations are located within PCA (Public Center Adjacent) zoning districts and the proposed signs constitute an alteration or improvement to the premises thereof; and

Whereas, Section 61-11-96 of the Detroit Zoning Ordinance requires City Council approval of such work after review by the City Planning Commission and the Planning and Development Department; and

Whereas, Each identification sign is covered under its own permit application corresponding to the following PRV numbers 2016-02019, 2016-02020, 2016-02030 and 2016-0202-40); and

Whereas, The permit application for the proposed signs have been reviewed by the Planning and Development Department and the staff of the City Planning Commission staff and found to be consistent with the spirit and intent of the PCA zoning District Classification and the provisions of Chapter 3 of the Detroit City Code; and

Now, Therefore Be It

Resolved, That the Detroit City Council approves the appearance and installation of the proposed static identification signs for the four People Mover stations located at 150 W. Jefferson, 501 Third Ave., 400 W. Fort St. and 325 Michigan Ave., and as described in the foregoing communication from the City Planning Commission dated September 24, 2016 and depicted in the drawings attached hereto; and

Be It Further

Resolved, That the Buildings, Safety Engineering and Environmental Depart-

ment is hereby authorized to issue permits consistent with this resolution and the applicable procedures, including review and authorization by the City Planning Commission staff of the applicable permit application.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Sheffield, Spivey, Tate and President Jones — 8.

Housing and Revitalization Department

September 25, 2016

Honorable City Council:

Re: Review and Approval of HOME and CDBG Awards, Modifications and Subordinations

The City of Detroit, through the Housing and Revitalization Department (“HRD”), has continued to work closely with the U.S. Department of Housing and Urban Development (“HUD”), in making required obligations and disbursements of City HOME and CDBG Development funds to meet upcoming project closeout, commitment and disbursement deadlines. HRD issued a NOFA in February 2016, to assist in making allocations for “ready to proceed projects” from available HOME and CDBG funding. No respondents received awards during the early submission period for this funding Round. The HOME program is authorized under title II of the Cranston-Gonzalez National Affordable Housing Act, and is designed exclusively to create affordable housing for low-income households. Eligible activities under the HOME program include:

- Providing home purchase or rehabilitation financing assistance to eligible home buyers;
- Building or rehabilitating housing for rent or homeownership; and
- Other reasonable and necessary expenses related to the development of non-luxury housing.

HOME funds are awarded on a formula basis, are included in the annual entitlement award from HUD and are part of the Consolidated Plan.

Each year, HRD issues a Request for Proposals (“RFP”) to solicit projects and development partners to receive HOME and CDBG Development funds. Proposals are ranked according to developer capacity and experience, funding leveraged, “readiness to proceed” and projected impact on Detroit neighborhoods and housing markets.

Consistent with the new process adopted by City Council in 2012 for approving HOME and CDBG Development awards and development partners, the Department is requesting that your Honorable Body review and approve the attached list.

We request approval of the attached resolution with a waiver of reconsideration so additional housing investments and neighborhood reinvestment through the HOME and CDBG programs can continue. Should you have questions or require additional information, please do not hesitate to contact me.

Respectfully submitted,
DARWIN L. HEARD
Manager II

By Council Member Leland:

Whereas, the City of Detroit receives an annual allocation of HOME and CDBG Development funds from the U.S. Department of Housing and Urban Development ("HUD"), through the Housing and Revitalization Department ("HRD"), for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, the City Council authorized the Housing and Revitalization Department's Director to accept and utilize Housing and Urban Development (HUD) HOME and CDBG funds according to HUD regulations during the City's annual Budgeting process; and

Planning & Development Department

August 26, 2016

Honorable City Council:
 Re: Real Property at 3506 Gratiot, Detroit, MI 48207.

The City of Detroit Planning and Development Department (“P&DD”) has received an offer from Andrew Sisley, an individual whose address is 605 E. Kirby street - Apartment 105 (“Offeror”) an offer to purchase from the City of Detroit the real property described on the attached Exhibit A and more commonly known as 3506 Gratiot, Detroit, MI 48207, (the “Property”).

The P&DD entered into a Purchase Agreement dated July 28, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the “Deed”) for Thirty-Five Thousand and 00/100 Dollars (\$35,000.00) (the “Purchase Price”), subject to the approved transaction costs and transaction fee.

The Property is presently zoned as B-2 (General Business District) zoning according to the City of Detroit zoning ordinance. Offeror plans to rehab the property and use it as a café and bookstore. As per section 61-9-63 (21-22) of the City of Detroit zoning ordinance, the Offeror’s intended use of the property for café and bookstore is not a permitted use under the zoning ordinance without the necessity of a rezoning, special exception, use permit, variance, or other approval. The offeror shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

The request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
 MAURICE D. COX
 Director

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department (“P&DD”) has received an offer from Andrew Sisley, an individual, (“Offeror”) requesting the conveyance by the City of Detroit (the “City”) of the real property, having a street address of 3506 Gratiot, Detroit, MI

48207, (the “Property”) more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated July 28, 2016 with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to rehab the property and use it as a café and bookstore which is a conditional use in a B-2 General Business District zone, as per the City of Detroit zoning ordinance.

Whereas, Offeror intends to apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids, is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Thirty Five Thousand and 00/100 Dollars (\$35,000.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute a deed and other documents necessary or convenient for the consummation of the transaction approved hereby; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to deliver a deed and other documents necessary or convenient for the consummation of the transaction approved hereby in accordance with the terms hereof, provided the the intended use of the Property for a café and bookstore is then a permitted use under the zoning ordinance, without the necessity of a rezoning, special exception, use permit, variance, or other approval; and be it further

Resolved, That transaction costs comprised of customary closing costs up to One Hundred Ten Dollars (\$110.00), and broker commissions of One Thousand Five Hundred and 00/100 Dollars (\$1,500.00) be paid from the sale proceeds under the City’s contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department,

or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Exhibit A

The land referred to in this Commitment, situated in the County of Wayne, City of Detroit, State of Michigan, is described as follows:

Honorable City Council:

Re: Real Property at 9106, 9112 and 9120 French Road, Detroit, MI 48213.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from JST Acquisition Company, L.L.C., a Michigan Limited Liability Company ("Offeror") requesting

the conveyance by the City of Detroit (the "City") of the real property, having a street address of 9106/9112/9120 French Road, Detroit, MI 48213 (the "Property").

The P&DD entered into a Purchase Agreement dated August 30, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Three Thousand Three Hundred and Thirty Two and 00/100 Dollars (\$3,332.00) (the "Purchase Price").

Offeror intends to secure and improve the property as landscaped greenspace adjacent to their property. The proposed use is a by-right use within the designated M4/Intensive Industrial zoning district, as per Section 61-10-78 of the 2016 City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Housing & Revitaliation Department

September 29, 2016

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation Exemption Certificate for Henry Ford Health System and Third and Grand, LLC in the area at the northwest corner of Third Avenue and W. Grand Boulevard (including 2905-2921 West Grand Blvd.), Detroit, Michigan, in accordance with Public Act 210 of 2005. (Related to Petition #1189).

On September 29, 2016, a public hearing in connection with establishing a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body's Planning and Economic Development committee. No impediments to the approval of this Certificate were presented during the public hearing.

Henry Ford Health System and Third & Grand, LLC have submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

JOHN SAAD

Manager — Development Division

By Council Member Leland:

Whereas, Henry Ford Health System and Third and Grand, LLC, has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act 210 of 2005 ("the Act") in the City of Detroit Commercial Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined in the Act; and

Whereas, This City Council on September 13, 2016 established by Resolution a Commercial Property Rehabilitation District in the vicinity of 2905-2921 West Grand Blvd. Detroit, Michigan, after a Public Hearing held in accordance with the Act; and

Whereas, the taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of the property in the City of Detroit;

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, the Application is for Commercial property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, commencement of the reha-

bilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, the Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District; and

Whereas, completion of the rehabilitation is calculated to, and will at the time of the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area or increasing the number of residents in the community in which the facility is located; and

Whereas, the rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, this City Council has granted until December 31, 2018 for the completion of the rehabilitation; and

Whereas, on September 29, 2016, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of the Commercial Property Rehabilitations Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Henry Ford Health System and Third and Grand, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2026, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2018, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

September 23, 2016

Honorable City Council:

Re: Proposed Emergency Ordinance to Amend Chapter 33, Minors, Article III, Regulation of Minors in Public Places and Adult Responsibility for Violations, Division 2, Curfew, of the 1984 Detroit City Code, to Provide for a Superseding Curfew in the City of Detroit for Minors on October 29, 2016, October 30, 2016, and October 31, 2016.

At the request of Fire Marshal Gregory Turner, on behalf of the Fire Department we are submitting to Your Honorable Body the above-referenced proposed emergency ordinance for consideration and passage, pursuant to Section 4-116 of the 2012 Detroit City Charter. Due to the rapidly approaching 2016 Halloween Season, we request that the proposed emergency ordinance be introduced at your next Formal Session, with the public hearing and vote to adopt the emergency to be held no later than October 18, 2016, in order to allow for timely publication.

This proposed emergency ordinance provides for a superseding curfew for minors in the City of Detroit on Saturday, October 29, 2016, from 6:00 p.m. through 11:59 p.m. on Sunday, October 30, 2016, from 12:00 a.m. through 6:00 a.m. and from 6:00 p.m. through 11:59 p.m., and on Monday, October 31, 2016, from 12:00 a.m. through 6:00 a.m., subject to the exceptions set forth in City Code Section 33-3-4 applicable to all curfews for minors.

Respectfully submitted, MARK A. TOAZ Assistant Corporation Counsel Municipal Section

By Council Member Benson:

AN EMERGENCY ORDINANCE to amend Chapter 33, Minors, Article III, Regulation of Minors in Public Places and Adult Responsibility for Violations, Division 2, Curfew, of the 1984 Detroit City Code by adding Sections 33-3-14 and 33-3-15 to provide for a superseding curfew in the City of Detroit for all minors on (1) Saturday, October 29, 2016, from 6:00 p.m. through 11:59 p.m., Sunday, October 30, 2016 from 12:00 a.m. through 6:00 a.m. and from 6:00 p.m. through 11:59 p.m., and on Monday, October 31, 2016, from 12:00 a.m. through 6:00 a.m., subject to the exceptions provided for in Section 33-3-4 of the City Code.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. DECLARATION OF EMERGENCY

The Detroit City Council, upon receipt

of testimony and evidence from the Detroit Police Department, the Detroit Fire Department and others, after public hearing and upon due consideration, makes the following findings:

(A) The nights preceding Halloween have been an occasion in previous years for dramatic increases in arson, nuisance, and vandalism within commercial, recreational, and residential areas throughout the City of Detroit;

(B) Numerous acts of arson, nuisance, and vandalism have been committed in previous years on October 29th, 30th, and 31st, which endangered the peace, health, safety, and welfare of the People of the City of Detroit;

(C) These acts of arson, nuisance, and vandalism have been committed, in part, by unsupervised minors before and during the City's regular curfew hours for minors and have endangered the peace, health, safety, and welfare of the People of the City of Detroit;

(D) There exist public peace, health, safety, and welfare needs for effectively governing the conduct of such minors as it pertains to arson, nuisance, and vandalism for the purpose of alleviating and eliminating these problems;

(E) There is a need for effectively governing the conduct of such minors within the City of Detroit for the purpose of enhancing law enforcement and firefighting response activities and alleviating and eliminating these illegal acts;

(F) The 2015 Halloween season witnessed an effective emergency curfew ordinance for minors;

(G) The peace, health, safety, and welfare of the community-at-large will benefit from curfew controls for minors during specified hours on these three days of October 29, 30, and 31;

(H) Due to law enforcement and firefighting considerations, logistics concerns, and the nature of the arson and vandalism problems, a City-wide curfew is necessary to enhance the public peace, health, safety, and welfare;

(I) The regular curfew hours for minors provided for in the City's Curfew Ordinance, codified in Chapter 33, Article III of the Detroit City Code, are not sufficient to alleviate and curtail the criminal arson, nuisance, and vandalism activity by unsupervised minors;

(J) Section 33-3-4 of the 1984 Detroit City Code, provides for reasonable exceptions during the specified curfew period to allow for minors accompanied by their parent, legal guardian, or responsible adult, for minors at or traveling to and from places of employment, education and training facilities, and sponsored activities under adult supervision, for minors involved in emergencies or constitutionally protected activities such as interstate travel or freedom of speech, assembly or exercise of religion, for

minors on the sidewalks in front of their homes, and for minors sent on errands by their parents if the minors have proper written permission.

Section 2. Chapter 33, *Minors*, Article III, *Regulation of Minors in Public Places and Adult Responsibility for Violations*, Division 2, *Curfew*, of the 1984 Detroit City Code is amended by adding Sections 33-3-14 and 33-3-15, to read as follows:

CHAPTER 33. MINORS

ARTICLE III.

**REGULATION OF MINORS IN PUBLIC PLACES AND ADULT RESPONSIBILITY FOR VIOLATIONS
DIVISION 2. CURFEW**

Sec. 33-3-14. Pre-Halloween and Halloween curfew hours.

(a) The provisions of this section shall supersede the curfew hours for minors provided for in section 33-3-11 of this Code.

(b) On Saturday, October 29, 2016, from 6:00 p.m. through 11:59 p.m., and Sunday, October 30, 2016, from 12:00 a.m. through 6:00 a.m. and from 6:00 p.m. through 11:59 p.m., and on Monday, October 31, 2016, from 12:00 a.m. through 6:00 a.m., it shall be unlawful for a minor, as defined in Section 33-3-1 of this Code:

(1) To be on any public street, sidewalk, alley, park, playground, vacant lot, or at any other unsupervised public place; or

(2) To be in any arcade, billiard or pool hall, bowling alley, restaurant, theater, or other place of amusement or entertainment.

Sec. 33-3-15. Exceptions.

Section 33-3-4 of this Code, "Exceptions to article", shall continue to apply.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are suspended on Saturday, October 29, 2016, from 6:00 p.m., through Monday, October 31, 2016, through 6:00 a.m., only.

Section 4. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall be given immediate effect and become effective upon publication.

Section 6. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall expire on the sixty-first (61st) day after enactment unless reenacted as an emergency ordinance.

Approved as to form:

Sec. 19-1-22. Amendments and Changes.**

The NFPA 1, *Fire Prevention Code*, 2000 Edition, is amended and changed as follows:

**Chapter 28 Refueling
28-2.8 Operational Requirements.**

28-2.8.2 Dispensing into Portable Containers. No delivery of any Class I or Class II liquid shall be made into portable containers unless the container is constructed of metal or is approved by the authority having jurisdiction, has a tight closure, and is fitted with a spout or is so designed that the contents can be poured without spilling. (See NFPA 30, *Flammable and Combustible Liquid Code*, 4-2.1, for further information.) (30A:9-2)

28-2.8.2.1 No sale or purchase of any Class 1, Class II, or Class III liquids shall be made in containers unless such containers are clearly marked with the name of the product contained therein. (30A:9-2.1)

28-2.8.2.2 Portable containers of 12 gal (45 L) capacity or less shall not be filled while they are in or on a motor vehicle or marine craft. (30A:9-2.2)

28-2.8.2.3 Emergency regulation of fuel dispensed into portable containers.

28-2.8.2.3.1 Definitions. For purposes of 28-2.8.2.3.2, 28-2.8.2.3.3, and 28-2.8.2.3.4, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Approved container means a container that is constructed of metal, plastic or other materials, has a tight closure, is fitted with a spout or designed so that its contents can be poured without spilling, and is clearly marked with the name of the product contained and has been approved by the Detroit Fire Marshal and manufactured in accordance with American National Standards Institute, American Society of Testing Materials, or Underwriter Laboratories standards for portable fuel containers.

Automotive service station, as defined in 2-1.139.1, means that portion of a prop-

erty where liquids used as motor fuels are stored and dispensed from fixed equipment into the fuel tanks of motor vehicles or approved containers including any facilities for the sale and service of tires, batteries, and accessories.

Fuel means a Class I, II, or III combustible or flammable liquid including, but not limited to, diesel fuels, ethylene, gasoline, and kerosene.

Portable container means an approved container or an unapproved container.

Marine service station, as defined in 2-1.139.2, means that portion of a property where liquids used as fuels are stored and dispensed from equipment on shore, piers, wharves, or floating docks into the fuel tanks of self-propelled craft and includes all facilities used in connection therewith.

Service station, as defined in 2-1.139, means an automotive service station, as defined in this section, or a marine service station, as defined in this section, or a service station located inside buildings, as defined in this section.

Service station located inside buildings, as defined in 2-1.139.3, means the portion of an automotive service station located within the perimeter of a building or building structure that also contains other occupancies, which is permitted to be enclosed or partially enclosed by the building walls, floors, ceilings, or partitions or is permitted to be open to the outside, where a specific area is designated for dispensing of fuels to motor vehicles, but excludes dispensing of fuel at manufacturing, assembly, and testing operations.

Unapproved container means a container that is not an approved container.

28-2.8.2.3.2. Prohibitions.

(a) It shall be unlawful for any owner, supervisor, manager, attendant, or employee of a service station to dispense, or to permit the dispensing of, fuel into any portable container during the following days:

(1) Thursday, October 27, 2016, from 12:00 a.m. through 11:59 p.m.;

(2) Friday, October 28, 2016, from 12:00 a.m. through 11:59 p.m.;

(3) Saturday, October 29, 2016, from 12:00 a.m. through 11:59 p.m.;

(4) Sunday, October 30, 2016, from 12:00 a.m. through 11:59 p.m.; and

(5) Monday, October 31, 2016, from 12:00 a.m. through 11:59 p.m.

(b) During the days delineated in 28-2.8.2.3.2(a), it shall be unlawful for any person to have in his, or in her, possession any portable container that contains fuel.

28-2.8.2.3.3. Exceptions.

(a) The prohibitions contained in 28-2.8.2.3.2 shall not apply where fuel is needed for a stalled motor vehicle, or for the purpose of heating a residence, or for an emergency generator, provided that:

(1) The person requesting fuel under

28.2.8.2.3.3(a) is eighteen (18) years of age or older; and

(2) The owner, supervisor, manager, attendant, or employee of a service station obtains the following information in writing:

(a) The complete name, address, and driver's license, or state identification number, of the person obtaining the fuel;

(b) The amount of fuel obtained;

(c) The date, time, and reason for dispensing of the fuel; and

(d) Where the fuel is being obtained for a stalled motor vehicle, the license plate number and the state of registration for said vehicle, and the specific location of the stalled vehicle.

(b) Upon request, the information that is required in 28-2.8.2.3.3(a)(2) of this section shall be provided to the Detroit Fire Marshal Division. This information shall be maintained by the owner(s), or a designee of the owner(s), of the service station until December 26, 2016, whereupon the information shall be destroyed.

28-2.8.2.3.4. Penalty for violations.

Any person who violates 28-2.8.2.3.2 shall be guilty of a misdemeanor and, upon conviction thereof, shall be punished, for each such offense, by a fine not exceeding five hundred dollars (\$500.00), or by imprisonment for a period not exceeding ninety (90) days, or by both such fine and imprisonment in the discretion of the court.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are suspended from Thursday, October 27, 2016, at 12:00 a.m., through Monday, October 31, 2016, at 11:59 p.m.

Section 4. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 5. This ordinance shall be given immediate effect and become effective upon publication in accordance with Section 4-116 of the 2012 Detroit City Charter.

Section 6. In accordance with Section 4-116 of the 2012 Detroit City Charter, this ordinance shall expire on the sixty-first (61st) day after enactment unless reenacted as an emergency ordinance.

Re: Authorization to submit a grant application to the Corporation for National & Community Service for the AmeriCorps VISTA program to support the 7 designated Department of Neighborhood districts.

The Mayor's Office/Department of Neighborhood is hereby requesting authorization from Detroit City Council to submit a grant application to the Corporation for National & Community Service for the AmeriCorps VISTA program to support the 7 designated Department of Neighborhood districts.

The grant being sought would supply up to 14 VISTA members which results in an in-kind labor cost of up to \$459,345.60. There is no match required.

Being awarded the AmeriCorps VISTA program will enable the department to:

- Help convene and participate in block club and other community meetings
- Work with block clubs to identify potential expansion areas.
- Help train potential new block club captains and radio patrol members

- Provide support for Blight Strike Team activities

We respectfully request your approval to submit the grant application by adopting the attached resolution.

 Re: Norman Hamada vs. City of Detroit and Faarook Abdul-Tyler-Russell Sims-Bey. Case No.: 15-005057 NI. File No.: L15-00498 (JLA).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Two Hundred Thousand Dollars and No Cents (\$200,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Two Hundred Thousand Dollars and No Cents (\$200,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Norman S. Hamada and The Sam Bernstein Law Firm, P.L.L.C., his attorneys, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-005057 NI, approved by the Law Department.

Honorable City Council:

Re: Beverly Wakefield vs City of Detroit.
Case No. 15-005401-NF. File No. L15-00359.

On September 14, 2016, a case evaluation panel evaluated the above-captioned lawsuit and awarded Sixty-Six Thousand Dollars and No Cents (\$66,000.00) in favor of Plaintiff, Beverly Wakefield and Sixteen Thousand Dollars and No Cents (\$16,000.00) in favor of Intervening Plaintiffs Professional Care Transportation, Caring Hearts Attending Care and Selective Care Case Management, LLC. The parties have until October 12, 2016, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Sixty-Six Thousand Dollars and No Cents (\$66,000.00) to Plaintiff, Beverly Wakefield and Sixteen Thousand

Dollars and No Cents (\$16,000.00) to Intervening Plaintiffs Professional Care Transportation, Caring Hearts Attending Care and Selective Care Case Management, LLC, is in the best interests of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event that Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue two drafts in the amount dictated above, payable to Beverly Wakefield and Kepes & Wine, PC, her attorney, and Professional Care Transportation, Caring Hearts Attending Care and Selective Care Case Management, LLC and The Dollar Law Firm, PLLC, their attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-005401-NF, approved by the Law Department.

Honorable City Council:

Re: Tax collection initiative on foreclosed properties – proposed resolution regarding settlement authority.

1. Background

The Mayor’s office recently developed an initiative whereby the City will sue to collect unpaid property taxes after foreclosure. For example, if a property has unpaid taxes of \$50,000, and is sold at foreclosure sale for \$20,000, the City can sue the former owner of the property for the remaining \$30,000.

The initiative is targeting landlords and banks, not homeowners who lost their homes due to foreclosure.

This initiative will not require any out-of-pocket payments by the City. The Corporation Counsel intends to utilize Roosen, Varchetti & Olivier to bring the necessary collection lawsuits. The Roosen firm is currently under contract to the City and has proven extremely effective in collection work for Department of Administrative Hearings. Roosen works on a contingency fee basis and the City will not be paid out-of-pocket for these collection activities.

The City’s share of taxes on any given tax bill is roughly 40%, with the other roughly 60% made up of taxes from Wayne County, WCCC, DPS, Zoo and DIA, HCMP and intermediate school district. The City may, but is not obligated to, use these lawsuits to collect taxes on behalf of these other entities. The City will offer to have the Roosen firm attempt to collect taxes for these entities in connection with these lawsuits – but the City’s taxes will be collected first, and these

other taxing jurisdictions will be required to pay all collection fees attributable to their shares of proceeds.

2. Lawsuit settlement authority

The first “batch” will entail about 600 lawsuits. There likely will be thousands of these lawsuits over the next several years. Because (i) the City will not have to pay anything to pursue these lawsuits, and (ii) due to the number of lawsuits, and the need to settle many because the defendant is not collectible in whole or part, the law department submits that it would be unduly burdensome for the law department to seek, or City Council to review, most lawsuit settlements. The law department proposes the following with respect to settlement authority for lawsuits:

- Law department need not seek prior City Council approval to settle lawsuits if (i) the amount of City tax at issue \$50,000 or less, or (ii) the settlement provides for collection of at least 50% of city tax at issue. Therefore, prior settlement authority would be needed only if the amount of City tax at issue is more than \$50,000 and the settlement results in collection of less than 50% of the city tax at issue.

- Law department will provide City Council will quarterly reports on collections.

A proposed resolution is attached.

By Council Member Spivey:

Resolved, The Law Department shall have the following settlement authority for lawsuits filed in connection with the administration’s efforts to hold prior owners of foreclosed properties personally liable for back taxes:

- The Law Department will need prior City Council approval to settle lawsuits only if the amount of City tax at issue is \$50,000 or more, and if the settlement does not provide for collection of at least 50% of the City tax at issue. Therefore, prior settlement authority would be needed only if the amount of City tax at issue is more than \$50,000 and the settlement results in collection of less than 50% of the city tax at issue; and be it further

Resolved, The Law Department shall provide City Council with reports every other month, beginning December 1, 2016; and be it finally

Resolved, That this resolution shall be in effect for six months, and may be renewed at the discretion of the Detroit City Council.

Re: Jerry Brogdon vs. City of Detroit, Department of Water and Sewerage. File No.: 14890 (CM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of One Hundred Fifteen Thousand Dollars (\$115,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of One Hundred Fifteen Thousand Dollars (\$115,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Jerry Brogdon and his attorney, Mark A. Aiello, to be delivered upon receipt of properly executed Releases and Order of Dismissal in Workers Compensation Claim #14890, approved by the Law Department.

Re: William D. Williams vs. City of Detroit. Department of Transportation. File #: 14775 (CM).

On April 20, 2016, your Honorable Body adopted a resolution authorizing payment of \$135,000.00 to settle the workers compensation claim of William D. Williams. However, Medicare through its CMS contractor has since designated an additional \$6,761.00 to be set aside to compensate their interest in this litigation. After considering Medicare's interest, further negotiations with the plaintiff, and the continuing exposure identified in our initial request, the value of plaintiff's claim against the City has increased by the amount of \$6,761.00.

We, therefore, request that your Honorable Body rescind the resolution of

April 20, 2016 and request authorization to settle this workers compensation claim for the amount of One Hundred and Forty-One Thousand Seven Hundred And Sixty-One Dollars (\$141,761.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount to William D. Re: Resolution Approving an Industrial Facilities Tax Exemption Certificate, on Behalf of Flex-N-Gate, Detroit, LLC, at 7000 Georgia Street, Detroit, MI, in Accordance with Public Act 198 of 1974 as amended. (Related to Petition #1185.)

On September 22, 2016, a public hearing in connection with approving an Industrial Facilities Tax Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Flex-N-Gate Detroit, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
 JOHN SAAD

Manager — Development Division
 By Council Member Leland:

Whereas, Flex-N-Gate Detroit, LLC has filed with the City Clerk an Application for an Industrial Facilities Tax Exemption Certificate, under Public Act 198 of 1974 ("the Act") in City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on July 14, 2016 established by Resolution an Industrial Development District in the vicinity of 7000 Georgia, Detroit, Michigan, after a Public Hearing held in accordance with the Act; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Commencement of the subject project did not occur before the establishment of the Plant Rehabilitation District; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid City of Detroit Industrial Development Rehabilitation District; and

Whereas, Completion of the project is calculated to, and will at the time the Certificate is issued, have the reasonable

likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The project includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the project as provided by the Act; and

Whereas, This City Council has granted until the end of December 31, 2018 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

WHEREAS, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of the Industrial Facilities Tax Exemption Certificates, will not have the effect of

substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

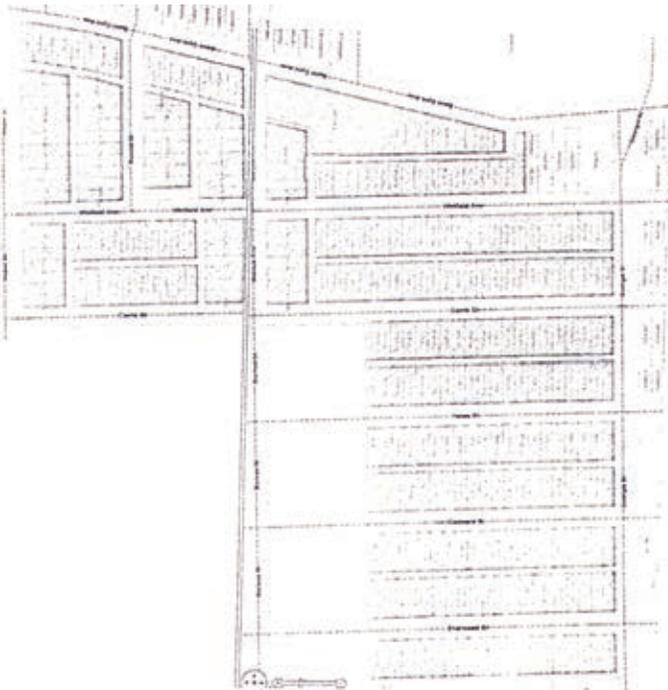

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

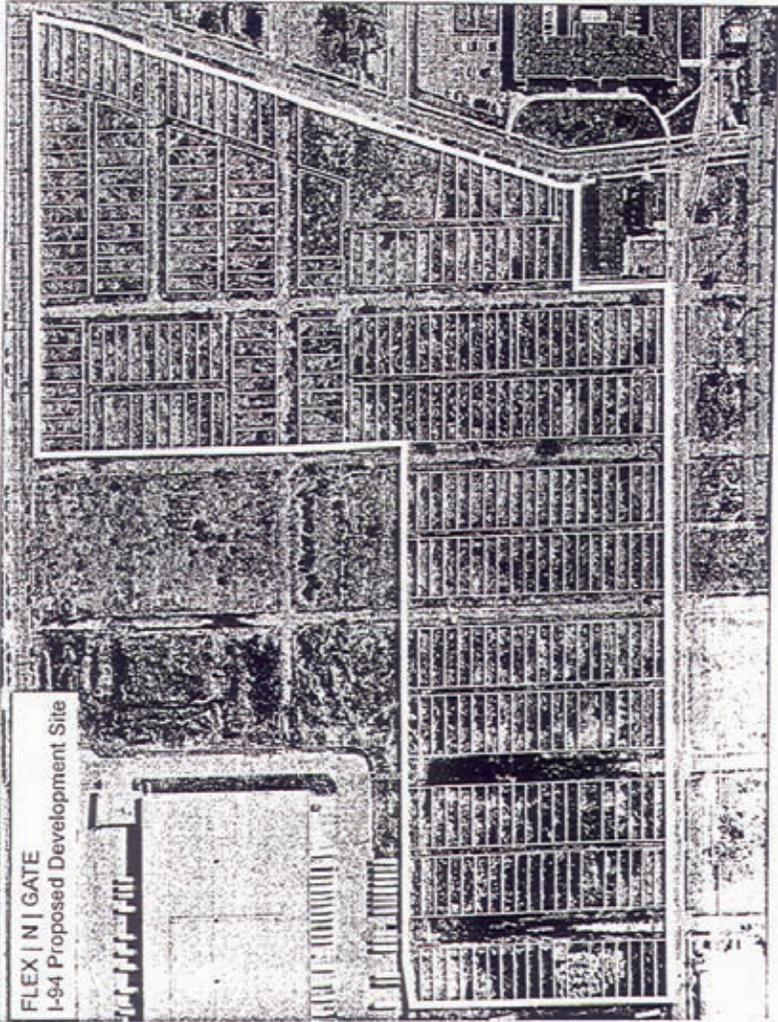

Resolved, That the application of Flex-N-Gate Detroit, LLC, for an Industrial Facilities Tax Exemption Certificate, in the area of 7000 Georgia, Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2028; and be it further

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than the end of December 31, 2018, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable, and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Industrial Facilities Exemption Certificate Agreement.

Re: Proposed Ordinance to Amend Chapter 5 of the 1984 Detroit City Code, *Amusements*, Article IV, *Sexually-Oriented Businesses*; by Amending Division 2, *Business Licenses*

Honorable City Council:

Pursuant to the request of Council Member Scott Benson, the above-referenced ordinance is being submitted to Your Honorable Body for consideration. This proposed ordinance amends Chapter 5 of the 1984 Detroit City Code, *Amusements*, Article IV, *Sexually-Oriented Businesses*; by amending Section 5-15-27, subsection (a) to make technical corrections, and by amending subsection (f) to clarify the conditions upon which a provisional license must remain in effect, to provide that the city may seek injunctive or other appropriate court relief to suspend the provisional business license or otherwise prohibit the applicant or licensee from operating while action is pending in the initial review court, and to clarify the status of the license or provisional business license upon final judgment of the initial review court and during any appeals or further judicial review.

We are available to answer any questions that you may have concerning this proposed ordinance.

By Council Member Benson:

AN ORDINANCE to amend Chapter 5 of the 1984 Detroit City Code, *Amusements*; Article IV, *Sexually-Oriented Businesses*; Division 2, *Business License*; by amending Section 5-15-27, subsection (a) to make technical corrections, and by amending subsection (f) to clarify the conditions upon which a provisional business license must remain in effect, to provide that the city may seek injunctive or other appropriate court relief to suspend the provisional business license or otherwise prohibit the applicant or licensee from operating while action is pending in the initial review court, and to clarify the status of the license or provisional business license upon final judgment of the initial review court and during any appeals or further judicial review.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 5 of the 1984 Detroit City Code, *Amusements*; Article IV, *Sexually-Oriented Businesses*; Division 2, *Business Licenses*; is amended by amending Section 5-15-27 to read as follows:

**CHAPTER 5. AMUSEMENTS.
ARTICLE XV.**

**SEXUALLY-ORIENTED BUSINESSES.
DIVISION 2. BUSINESS LICENSE.**

Sec. 5-15-27. License suspension or revocation; hearing procedure for denial, suspension, or revocation of a license.

(a) In accordance with this article, the Director, or his or her designee, of the Buildings, and Safety Engineering and Environmental Department shall issue a written notice of intent to suspend or revoke a sexually-oriented business license where the Business License Center has information in support of one (1) or more of the following enumerated conditions.

(1) The licensee has knowingly or intentionally provided false information in the application for the sexually-oriented business license; or

(2) The licensee has knowingly or intentionally engaged in or allowed the illegal possession, use, or sale of controlled substances on the premises of the sexually-oriented business; or

(3) The licensee has knowingly or intentionally engaged in or allowed any specified sexual activity of specified criminal activity to occur in or on the premises of the sexually-oriented business; or

(4) The licensee has knowingly or intentionally allowed a person under the age of eighteen (18) years to consume an alcoholic beverage or appear in a state of nudity or semi-nude on the premises of the sexually-oriented business; or

(5) The licensee has knowingly or intentionally operated the sexually-oriented business during a period of time when the license was suspended or revoked; or

(6) The licensee or the licensed establishment is not in compliance with any provisions of this article regulating the interior configurations of the sexually-oriented business premises; or

(7) The licensee knowingly or intentionally allowed the premises to be used, or admitted persons who used, the establishment, trade, business or occupation as their base of operations for engaging in, to permitting, or to allowing illegal gambling or the use, possession or presence of illegal gambling apparatus or paraphernalia; or

(8) The licensee, or an agent or employee of the licensee, has refused to allow an inspection of the public areas of the premises by an authorized person

during regular business hours in accordance with this article; or

(9) The licensee knowingly or intentionally tolerated, on the sexually-oriented premises, multiple violations of this article; or

(10) The licensee knowingly or intentionally violated this article, or knowingly or intentionally allowed a sexually-oriented business employee or any other person to violate this article.

The fact that any relevant conviction is being appealed by the licensee shall not have any effect on the suspension or revocation of the license, provided, that, where any conviction which serves as a basis of a license suspension or revocation is overturned or reversed on appeal, the conviction shall be treated as null and of no effect for license suspension or revocation purposes.

(b) The Business License Center shall send a written notice to the applicant, via first class and certified mail, concerning the City's intent to deny a license pursuant to Section 5-15-23 of this Code, or to suspend or revoke a licensee under this section. The notice shall provide the applicant or licensee with the specific reason, or reasons, for denial, suspension, or revocation and direct that the applicant or licensee attend a hearing before a hearing officer at the Buildings and Safety Engineering Department concerning the notice of intent to deny, suspend, or revoke the license. The notice shall include the date, time and location for the hearing, which shall be scheduled by the hearings officer to occur not less than ten (10) days, nor more than thirty (30) days, from the date that the notice was mailed to the applicant or the licensee.

(c) At the hearing, the applicant or licensee, as the respondent, shall have the opportunity to be represented by counsel, present evidence and witnesses, cross-examine City of Detroit witnesses, and present all arguments. The City of Detroit is entitled to be represented by counsel, and shall bear the burden of proving the grounds for denying, suspending, or revoking the license. In order to ensure a prompt disposition of the status of the business license, and unless the respondent agrees to a different schedule, the hearing shall take place over consecutive business days.

(d) Where there is a hearing concerning the denial, suspension or revocation of a license to operate a sexually-oriented business, the hearing officer shall render his or her written decision no later than five (5) business days following the date the hearing is concluded.

(e) A suspension of the license shall not exceed ninety (90) days and a revocation of the license shall not exceed one (1) year.

(f) Notwithstanding anything to the

contrary in this article, a sexually-oriented business may seek judicial review of any adverse licensing determination through any available equitable remedy.

(1) Where a sexually-oriented business is lawfully operating as a sexually-oriented business on the date on which the completed business application is filed with the Business License Center, upon the filing and service of any action to review, challenge, restrain, or otherwise enjoin the City's enforcement of any denial, suspension, or revocation of a temporary or annual business license, the Business License Center shall immediately issue the applicant or licensee a provisional business license to operate.

(2) The provisional business license shall allow the applicant or licensee to continue operation of the sexually-oriented business pending further action by the initial reviewing court. In appropriate circumstances, the City may seek injunctive or other judicial relief to suspend the license or otherwise prohibit the applicant or licensee from operating pending and shall expire upon the entry of the trial initial reviewing court's judgment in the action.

(3) If the initial reviewing court affirms the adverse licensing determination, the provisional business license shall expire upon the entry of the initial reviewing court's judgment in the action, notwithstanding any subsequent appeals or requests for rehearing or reconsideration by the applicant or licensee.

(4) If the initial reviewing court reverses the adverse licensing determination and the City elects not to appeal or seek further judicial review, the City shall issue a full non-provisional license to the applicant or maintain the pre-existing license of the licensee, as appropriate to the circumstances. If the initial reviewing court reverses the adverse licensing determination and the City elects to appeal the court's decision or seek further judicial review through any available remedy, the provisional license shall continue in effect until the conclusion of such appeal by the City.

(g) Where review of the adverse decision is initiated, the City shall prepare and transmit to the court a transcript of the hearing within the time period required by the court or by the applicable court rules.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118 of the 2012 Detroit

City Charter; if passed by less than a two-thirds (2/3) majority of City Council members serving, it shall become effective no later than thirty (30) days after publication in accordance with Section 4-118 of the 2012 Detroit City Charter.

Office of the CFO
Office of Chief Financial Officer
October 4, 2016

Honorable City Council:

Re: Secondary Naming of Street Fee

The Office of Chief Financial Officer, Department of Financial Services requests authorization to establish a cost center 350121 — "Secondary naming of street" under Appropriation 04739 – Non Departmental General Revenue, for receiving application fee for secondary naming of street in the City of Detroit. Your Honorable Body approved an ordinance establishing a new secondary street name application fee (copy of ordinance is attached). The amended ordinance shows the application fee at \$665.

Pursuant to the ordinance the fee pays for the processing of the secondary street name application by Housing Revitali-

zation Department, Historic Designation Advisory Board, and City Clerk's Office. It has been estimated that the \$665 application fee covers the processing cost of \$300 of Housing Revitalization Department, \$350 of Historic Designation Advisory Board and \$15 of City Clerk's Office. It is estimated that about five secondary street name requests are done annually, will generate \$3,325 per fiscal year.

I am requesting approval from your Honorable Body to adopt the enclosed resolution.

If you have any questions or concerns regarding this matter, please feel free to contact me at 628-0972.

Sincerely,
PAMELA SCALES
Deputy Chief
Financial Officer
Dept. of Financial Services

Approved:

TANYA STOUDEMIRE

Bring note to there being several shootings and murders over the past few days. Most notably, a 13 year old boy was shot. He is not deceased, but he is paralyzed. We need to speak up. President Jones asked any Detroiters that if you see anything or if you know anything, please say something. This unnecessary crime needs to end. Saturday will be the Funeral service of Pastor Wilma Johnson. The viewing will

be on Thursday at Swanson's Funeral Home and on Friday there will be a musical at her church. Please continue to keep the family of Pastor Wilma Johnson in prayers, along with all of the parishioners of New Prospect. President Jones is working on th Testimonial Resolution.

Council President Pro Tem Cushingberry, Jr.: Pastor Wilma Johnson's church is his home church. Pastor Johnson will be sorely missed.

Council Member Spivey: Asked LPD to look into the boards that City Council appoints and others. He is concerned that there were some changes with the BZA that was brought to the attention of City Council that BZA employees will be moved from personal services contracts — City employees to vendors, the actual board members. LPD requested to look into the BZA, the Board of Police Commissioners, and those boards that receive compensation. LPD requested to give Council a report on the changes made.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

TESTIMONIAL RESOLUTION FOR

DETROIT FIRE DEPARTMENT

Fire Prevention Week

October 9-15, 2016

By COUNCIL PRESIDENT JONES:

WHEREAS, The Detroit City Council understands that one of the best ways to protect its residents against the tragedy of fire it to teach them basic fire prevention and fire safety skills. For that reason, the Detroit Fire Department is sponsoring its annual Fire Prevention Week, which runs from October 9-15, 2016. The National Fire Protection Association (NFPA) announced "Don't Wait: Check the Date! Replace Smoke Alarms Every 10 Years" as the official theme for this year's campaign; and

WHEREAS, The National Fire Alarm Code requires smoke alarms be replaced at least every 10 years, but because the public is generally unaware of this requirement, many homes likely have smoke alarms past their expiration date, putting people at increased risk in the event of a home fire. Smoke alarms can make the difference between life and death in a fire by alerting people in time to escape safely. But, they need to be installed in all the required locations, including all bedrooms, and they need to be working; and

WHEREAS, Detroit residents can learn how to prevent fires in their homes and businesses, as well as know what actions to take if a fire does occur, from the dedicated men and women of the Detroit Fire Department. Seven full days of concentrated effort by fire department officials will not only teach many residents fire prevention skills, but will also serve as a reminder to those previously taught by focusing the public's attention on the matter; and

WHEREAS, The mission of the Detroit Fire Department is to provide a safe environment for our citizens through public education, enforcement of fire codes and deployment of efficient emergency response resources. The men and women that make up the Detroit Fire Department are dedicated to serving our community with commitment, courage and compassion.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones, hereby supports the efforts of the Detroit Fire Department during Fire Prevention Week and strongly encourages everyone in the City to get involved in the week's activities from October 9-15, 2016.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

TESTIMONIAL RESOLUTION FOR

MS. LOIS LEE

'Celebrating Your 90th Birthday'

By COUNCIL PRESIDENT JONES:

WHEREAS, On October 7, 2016, Ms. Lois Lee will attain the age of ninety years, a very significant and amazing milestone. The members of the Detroit City Council would like to publicly acknowledge this important event in her life; and

WHEREAS, Ms. Lois Lee was born on October 7, 1926, in Leslie, Georgia, to Lucille Boone and Aberdeen Smith. She was the fifth child of seven. Aberdeen and Lucille migrated north to Detroit, Michigan when their children were young; and

WHEREAS, Lois received her adolescent education in the Detroit Public School system, graduating from Miller High School. While in high school, she played basketball and the trombone. In 1945, Lois was united in marriage to Sammie Lee and their union was blessed with four cherished children, thirteen beloved grandchildren and nineteen precious great-grandchildren, with an additional great-grand on the way; and

WHEREAS, A woman of deep and abiding faith, Lois Lee has been an active member of New Mt. Zion Baptist Church for over eighty-one years, where she has served faithfully. She was employed at Detroit Receiving Hospital and retired after thirty-five years. Ms. Lee is an active member of the National Council of Negro Women and a former member of Northern Lights Court of the Calanthes. She spends her leisure time playing bridge and pinochle card games. She also enjoys cooking and traveling. At ninety years young, Lois still has a lot of life in her! She owes her extraordinary longevity and good spirit to her everlasting faith in God; and

WHEREAS, On October 8, 2016, Ms. Lois Lee will gather with family and friends to commemorate and celebrate her 90th Birthday in Detroit, Michigan. It is abundantly fitting and proper that she be appropriately recognized during this very special and memorable time of her life.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and Council President Brenda Jones, congratulates and honors Ms. Lois Lee upon the grand occasion of her 90th Birthday and extends to her best wishes for continued health and happiness.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate and President Jones — 9.

RESOLUTION IN MEMORIAM

EVA MAE DIGGS COOPER HASTY

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Eva Mae Diggs Cooper Hasty, a beloved mother, grandmother, great-grandmother, sister, aunt, niece, cousin and friend to many who was granted her angel wings on September 6, 2016; and

WHEREAS, Eva was born on June 24, 1933 in Eufaula, Alabama, to the late Hattie and Walter Diggs. She was the sixth of twelve children. At the age of eight, Eva moved to Pittsburgh, Pennsylvania, to live with her maternal aunt and uncle. She attended and graduated from the Pittsburgh Public School system. Eva accepted Christ at an early age and was baptized into fellowship at the Christian and Missionary Alliance Church, where she was a faithful member until she moved to Detroit in 1950; and

WHEREAS, Eva worked at Henry Ford Hospital for several years before relocating to Chicago, where she lived for approximately three years. At that time, Eva decided she wanted to travel to see other states and parts of the world. Her travels took her across the United States, including to Hawaii and abroad to Spain, France, Mexico, Italy, Africa, most of the Caribbean Islands and the Riviera. Throughout her life, Eva experienced a few serious illnesses, which she overcame. She often said, "If life deals you a lemon, make lemonade, drink it and keep moving." This is exactly what she did. Eva kept busy by bowling, swimming, playing bridge and walking around Northland Mall. She was a kind and generous person who would do anything to help someone in need. Eva held dual longtime memberships at West Side Unity and God Land Unity churches; and

WHEREAS, Eva's husband, Lonnie Hasty Sr., her parents, five brothers and two sisters preceded her in death. She leaves to cherish her memory: children, Dr. Angela (Andreas) Hasty Kuehlmann, Lonnie Hasty Jr., Darrel (Cynthia) Hasty; nine grandchildren and two great-grandchildren; two sisters, Lorene Walker and Mamie (Charles) Barker; two brothers,

Eddie Diggs and Arthur (Joan) Diggs; one aunt, Versie Crews and a host of nieces, nephews, cousins and dear friends.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in celebrating the life of Eva Mae Diggs Cooper Hasty.

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate and President Jones — 9.

Nays — None.

TESTIMONIAL RESOLUTION FOR

BARBARA HALLEY-PETERSON

WHEREAS, Ms. Barbara Halley-Peterson began her career in the Federal Government on June 17, 1974 at Wright-Patterson Air Force Base in Dayton, Ohio; and

WHEREAS, Ms. Halley-Peterson later worked at the San Antonio Procurement Center, in San Antonio, Texas, and moved to Detroit in 1979 where she became an employee of the U.S. Department of Housing and Urban Development where she has worked for the past thirty-six years; and

WHEREAS, Ms. Halley-Peterson has served faithfully, dedicating much of her time and life to mentoring programs involving young people, such as the 4H Club and the 12-Together Program, which is an inner city high school drop-out prevention program where she served for numerous years as an adult facilitator. During that time, Ms. Halley-Peterson worked throughout the entire school year with twelve high school students, fostering a caring atmosphere, assisting them in positive conversation, problem resolution and constructive living, and encouraging them to stay in school and exceed the height of their dreams; and

WHEREAS, Ms. Halley-Peterson also dedicated much of her time and effort to civic leadership, serving on several committees in the City of Detroit and the

Grandmont Community where she resides, including as Chairwoman of the Youth Committee for the Grandmont Association, and volunteering for numerous projects including the Angels' Night Volunteer Campaign; and

WHEREAS, Consistent with the teachings of the African proverb, Ms. Halley-Peterson firmly believes that it truly does take "a whole village to raise a child" and declares her continuous lifelong motto to be: "If I can help somebody as I pass along, if I can cheer somebody with a word or song, if I can show somebody how they're traveling wrong, then my living shall not be in vain." She has exhibited these principles and beliefs throughout her life;

NOW THEREFORE BE IT

RESOLVED, That on this day, October 8th, 2016, Councilman James E. Tate, Jr., and the entire Detroit City Council, hereby present this testimonial resolution as an expression of gratitude and esteem, on behalf of the residents of the City of Detroit, to Ms. Barbara A. Re: Clifford Franklin Witting and Northland Radiology, Inc. and Raj & Associates, M.D., P.C. v. City of Detroit, Case No. 15-007744-NI, File No. L15-00523 (SAM).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Ten Thousand Five Hundred Dollars and No Cents (\$10,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter and request that Your Honorable Body direct the Finance Director to issue two (2) separate drafts in the amount payable to Clifford Franklin Witting and Applebaum & Stone, PLC, his attorney, in the amount of Six Thousand Five Hundred Dollars and No Cents (\$6,500.00) and Four Thousand Dollars and No Cents (\$4,000.00) payable to Northland Radiology, Inc. and Raj & Associates, M.D., P.C., and its attorney, Haas & Goldstein, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-007744-NI, approved by the Law Department.

Re: Angela Murphy and Silver Pine Imaging v. City of Detroit, Case No.: 14-014361-NF, File No.: L14-00538.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Thirteen Thousand Six Hundred Dollars and No Cents (\$13,600.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Thirteen Thousand Six Hundred Dollars and No Cents (\$13,600.00) and that Your Honorable Body direct the Finance Director to issue two (2) separate drafts in that amount payable to Angela Murphy and Kevin W. Geer, her attorney, in the amount of Eight Thousand Five Hundred Dollars and No Cents (\$8,500.00) and to Silver Pine Imaging, LLC and Christensen Law, its attorney, in the amount of Five Thousand One Hundred Dollars and No Cents (\$5,100.00) to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 14-014361-NF, approved by the Law Department.

Honorable City Council:

Re: Kevin Pollard v. City of Detroit, Case No: 15-011633-NF, File No: L15-00701.

On September 27, 2016, a case evaluation panel evaluated the above-captioned lawsuit and awarded Fifty Thousand Dollars and No Cents (\$50,000.00) in favor of Plaintiff Kevin Pollard and Ten Thousand Dollars and No Cents (\$10,000) in favor of Intervening Plaintiff Michigan Institute of Pain and Headache PC d/b/a Metro Pain Clinic. The parties have until October 25, 2016, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of Your Honorable Body, it is our considered opinion that a settlement in

the amount of Fifty Thousand Dollars and No Cents (\$50,000.00) to Plaintiff Kevin Pollard and Ten Thousand Dollars and No Cents (\$10,000) to Intervening Plaintiff Michigan Institute of Pain and Headache PC d/b/a Metro Pain Clinic is in the best interests of the City of Detroit.

We, therefore, request Your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff and/or Intervening Plaintiff accept the award, to deem such acceptance as a settlement and to direct the Finance Director to issue two drafts in the amounts indicated above, payable to Kevin Pollard and Varjabedian Attorneys, PC, his attorney, and Michigan Institute of Pain and Headache, PC d/b/a Metro Pain Clinic and Haas & Goldstein, PC, its attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-011633-NI, approved by the Law Department.

Housing & Revitalization Dept.

By Council Member Leland:

Whereas, pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Shoppes on Woodward, LLC has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 6505, 6513, 6531, 6540, 6541, 6544, 6545, 6549, and 6565 Woodward Ave., Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, the aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem taxes*, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, a public hearing was conducted before City Council on October 13, 2016, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, no impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, that Obsolete Property Rehabilitation District, more particularly

described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

Honorable City Council:

Re: Resolution Approving a Commercial Rehabilitation District, in the area generally located at Trumbull, West Elizabeth Street, and Eighth Street, Detroit, Michigan, in Accordance with Public Act 210 of 2005 for Trident-Checker, LLC (Petition #1241)

On October 13, 2016, a public hearing in connection with establishing a Commercial Rehabilitation District was held before your Honorable Body's Planning and Economic Development Committee. No impediments to the establishment of the District were presented at the public hearing.

Please find attached, a resolution and legal description, which will establish a Commercial Rehabilitation District in the area generally located at Trumbull, West Elizabeth Street, and Eighth Street, Detroit, Michigan, in accordance with Public Act 210 of 2005 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the proprietor of the property.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

ARTHUR JEMISON

Director

By Council Member Leland:

Whereas, Pursuant to Public Act No. 210 of Public Acts of 2005 ("Act 210"), this City Council has the authority to establish "Commercial Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Trident-Checker, LLC has requested that this City Council establish a Commercial Rehabilitation District in the area generally located at Trumbull, West Elizabeth Street, and Eighth Street, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, The aforesaid property is in a duly designated business area, and is contiguous commercial property or commercial housing property; and

Whereas, Act 210 requires that, prior to establishing a Commercial Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying ad valorem taxes, or any owner of real property within the proposed District, or any other

resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on October 13, 2016 for the purpose of considering the establishment of the proposed Commercial Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing.

Now Therefore Be It

Resolved, That the Commercial Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Public Act 210 of 2005.

Honorable City Council:
 Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on Behalf of AG Selden, LLC at 644 Selden Street, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #884)

On October 13, 2016, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

AG Selden, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with

Public Act 146 of 2000 (“the Act”) and the Development Agreement for the project.

Respectfully submitted,
 ARTHUR JEMISON
 Director

Housing & Revitalization Dept.

By Council Member Leland:

Whereas, AG Selden, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 (“the Act”) in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, this City Council on July 19, 2016 established by Resolution an Obsolete Property Rehabilitation District in the Vicinity of 634 and 644 Selden Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, the taxable value of the property proposed to be exempt plus the aggregate taxable value of property

already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, the Applicant is not delinquent in any taxes related to the facility; and

Whereas, the Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, the Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District and

Whereas, completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, the rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (1) of the Act; and

Whereas, this City Council has granted until of September 30, 2017 for the completion of the rehabilitation; and

Whereas, on October 13, 2016, in the City Council Committee Room 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public hearing, and the

opportunity to be heard;

Now Therefore Be It

Resolved, that it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of AG Selden, LLC for an Obsolete Property Rehabilitation Exemption Certificate in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of twelve (12) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2028, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than September 30, 2017, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Resolved, That is is hereby found and determined that the granting of an Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Advance Plumbing and Heating Supply Company for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Seven (7) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2026, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further;

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2018, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Honorable City Council:

Re: Real Property at 11919/11925/11929/11933/11937/11941/11945/11949/11953 Pleasant, Detroit, MI 48217

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Michael James Goch, an individual, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 11919/11925/11929/11933/11937/11941/11945/11949/11953 Pleasant, Detroit, MI 48217 (the "Property").

The P&DD entered into a Purchase Agreement dated August 17, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Thirteen Thousand Five Hundred and 00/100 Dollars (\$13,500.00) (the "Purchase Price").

Offeror intends to improve the properties, vacant lots on the south side of Pleasant Street, into a parking lot for operable motor vehicles ancillary to applicant's towing and auto auction facility located on the north side of Pleasant Street. The property will only be used for customer and employee parking and the parking of customer vehicles during auction days and not for the storage of abandoned or towed vehicles. The proposed use is a by-right use within the designated B4 / General Business zoning district, as

per Section 61-9-76 (22) of the city of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director, Planning and
Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ali & Mahmoud Enterprises L.L.C., a Michigan limited liability company, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 11919/11925/11929/11933/11937/11941/11945/11949/11953 Pleasant, Detroit, MI 48217, (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated August 17, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of bids; and

Whereas, Offeror intends to improve the properties, vacant lots on the south side of Pleasant Street, into a parking lot for operable motor vehicles ancillary to applicant's towing and auto auction facility located on the north side of Pleasant Street. The property will only be used for customer and employee parking and the parking of customer vehicles during auction days and not for the storage of abandoned or towed vehicles. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

Now, Therefore,

Be It Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further;

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Thirteen Thousand Five Hundred and 00/100 Dollars (\$13,500.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of Six Hundred Seventy Five and 00/100 Dollars (\$675.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and

Be It Finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Clarification of Legal Description for Conveyance of Real Property at Parcel 611; generally bounded by Chrysler Freeway (I-75), Victor, Dequindre & Modern

By resolution adopted September 9, 2014, your Honorable Body authorized the conveyance of the real property known as Parcel 611; generally bounded by Chrysler Freeway (I-75), Victor, Dequindre & Modern, Detroit, MI 48203; to Caramagno Foods Company, a Michigan Corporation, based on an inaccurate description of the property to be transferred.

For clarification and specificity, we request that your Honorable Body approve the replacement of legal description in Exhibit A of the resolution adopted September 9, 2014 with the attached certified legal description identified as Exhibit A.

Respectfully submitted,
MAURICE D. COX

Director, Planning and Development Department

By Council Member Leland:

Now, Therefore, Be It Resolved, that the resolution adopted September 9, 2014 regarding the conveyance of the real property known as Parcel 611; generally bounded by Chrysler Freeway (I-75), Victor, Dequindre & Modern, Detroit, MI 48203; to Caramagno Foods Company, a Michigan Corporation be amended to replace the existing Exhibit A, with the attached certified legal description identified as Exhibit A; and be it further;

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when exe-

cuted by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Clarification of Legal Description for Conveyance of Real Property at 2130 Bellevue, Detroit, MI 48207.

By resolution adopted May 31, 2016, your Honorable Body authorized the conveyance of the real property, having a street address of 2130 Bellevue, Detroit, MI 48207 to The Maldaver Group LLC, a Michigan Limited Liability Company, based on an inaccurate description of the property to be transferred.

For clarification and specificity, we request that your Honorable Body approve the replacement of legal description in Exhibit A of the resolution adopted May 31, 2016 with the attached certified legal description identified as Exhibit A.

Respectfully submitted,
MAURICE D. COX
Director
Planning & Development Dept.

By Council Member Leland:

Now, Therefore, Be It

Resolved, That the resolution adopted May 31, 2016 regarding the conveyance of the real property, having a street address of 2130 Bellevue, Detroit, MI 48207 to The Maldaver Group, LLC, a Michigan Limited Liability Company be amended to replace the existing Exhibit A, with the attached certified legal description identified as Exhibit A; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Sale to Lawrence A. Muhammad of Surplus Property at 12750 Mansfield, Detroit, MI 48227.

The City of Detroit Planning and Development Department ("P&DD") has received from Lawrence A. Muhammad, an individual, whose address is 8300 E. Jefferson Avenue, Apt. 507, Detroit, MI 48214 ("Offeror"), an offer to purchase from the City of Detroit the real property described on the attached Exhibit A and more commonly known as 12750 Mansfield, Detroit, MI 48227 (the "Property").

The P&DD entered into a Purchase Agreement dated September 14, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by quit claim deed (the "Deed") for Twenty-Six Thousand and 00/100 Dollars (\$26,000.00) (the "Purchase Price"), subject to the approved transaction costs and transaction fee.

The Property is presently zoned M4 / Intensive Industrial District according to the City of Detroit zoning ordinance. As per section 61-10-76 (10) of the City of Detroit zoning ordinance, the Offeror's intended use of the Property as a commercial trade school for the servicing of energy-efficient heating and cooling systems is a by-right use. The Offeror shall apply for and obtain a Certificate of Occupancy for the property within twenty-four (24) months of closing, with a right of reverter, written into the Deed, to be exercised by P&DD in event of default.

The request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed and such other documents as may be

necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director
Planning & Development Dept.

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Lawrence A. Muhammad, an individual, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 12750 Mansfield, Detroit, MI 48227, (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated September 14, 2016, with the Offeror;

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, The Property is presently zoned M4 / Intensive Industrial District according to the City of Detroit zoning ordinance. As per section 61-10-76 (10) of the City of Detroit zoning ordinance, the Offeror's intended use of the Property as a commercial trade school for the servicing of energy-efficient heating and cooling systems is a by-right use. Honorable City Council:

Re: Sale to 20000 Conant Parking LLC of Surplus Property at 19998 Conant, Detroit, MI 48234.

The City of Detroit Planning and Development Department ("P&DD") has received from 20000 Conant Parking LLC, a Michigan Limited Liability Company, whose address is 15115 Greenview, Detroit, MI 48223 ("Offeror"), an offer to purchase from the City of Detroit the real property described on the attached Exhibit A and more commonly known as 19998 Conant, Detroit, MI 48234 (the "Property").

The P&DD entered into a Purchase Agreement dated August 30, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by quit claim deed (the "Deed") for Six Hundred Fifty and 00/100 Dollars (\$650.00) (the "Purchase Price"), subject to the approved transaction costs and transaction fee.

The Property is presently zoned B4 / General Business District according to the City of Detroit zoning ordinance. As per section 61-9-80 (26) of the City of Detroit zoning ordinance, Offeror's intended use of the Property as ancillary parking space for Offeror's adjacent auto repair business is not a permitted use under the zoning ordinance without the necessity of a rezoning, special exception, use permit, variance, or other approval. The Offeror shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

The request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

September 29, 2016

Honorable City Council:

Re: Surplus Property for Sale — Development: (5985 Belvidere, and 5928, 5934, 5940, 5956 Holcomb).

We are in receipt of an offer from The Detroit Catholic Pastoral Alliance, a Michigan Domestic Nonprofit Corporation, to purchase the above-captioned property for the amount of \$500.00, and then develop the property as described below. This property consists of vacant land measuring approximately 16,032 square feet and is zoned R-2 (Two-Family Residential District).

Together with adjacent property that they already own, the Offeror proposes to construct an approximately 67,000 square foot, four (4) story, mixed-use building. The development shall consist of approximately 17,000 square feet of retail space on the first floor, and approximately forty-five (45) affordable residential units on the second through fourth floors, with an adjacent parking lot and appropriate landscaping.

The project area is generally bounded by Holcomb to the West, Chapin to the South, Belvidere to the East and Gratiot to the North. It contains property zoned both B-4 (General Business District) and R-2 (Two-Family Residential). This overall use is permitted conditionally. Zoning approval has been received from the Board of Zoning Appeals (BZA), per grant No. 6-15, April 7, 2015.

The Detroit Catholic Pastoral Alliance possesses the qualifications and has indicated the potential financial resources to complete the project. On February 9, 2016, your Honorable Body approved a resolution to establish a Payment In Lieu of Taxes (PILOT), enacting a service charge of four percent (4%) of the annual net shelter rent obtained from this project. Commitments have been received for loans from the Michigan State Housing Development Authority (MSHDA) and Low Income Housing Tax Credits.

We, therefore, request is that your Honorable Body adopt the sale and authorize the Mayor of the City of Detroit, or his authorized designee, to issue a quit claim deed to the property and such other documents as may be necessary to effectuate the sale 5985 Belvidere, and 5928, 5934, 5940, 5956 Holcomb to The Detroit Catholic Pastoral Alliance, a Michigan Domestic Nonprofit Corporation, for the amount of \$500.00.

City Planning Commission

October 17, 2016

Honorable City Council:

Re: Request of Neumann Smith Architecture on the behalf of their client, Riverfront Holdings Inc., to amend Article XVII, District Map 2, of the 1984 Detroit City Code, Chapter 61, Zoning, and the provisions of the existing PD (Planned Development District) zoning classification established by Ordinance 17-H and subsequently modified by Ordinances 21-89, 21-98, 25-03 and 28-04 for property gener-

ally bounded on the north by E. Jefferson Ave., on the east by Beaubien St., on the south by the Detroit River and on the west by Randolph St. extended south to the River. (RECOMMENDING APPROVAL WITH CONDITIONS).

PROJECT PROPOSAL

The City Planning Commission (CPC) has received and taken action on the request of Neumann Smith Architecture on behalf of their client, Riverfront Holdings Inc., to amend Article XVII, District Map 2, of the 1984 Detroit City Code, Chapter 61, Zoning, and the provisions of the existing PD (Planned Development District) zoning classification to facilitate the addition of a 120,000 sq. ft. expansion to the northeast corner of the Renaissance Center complex at E. Jefferson Ave. and Beaubien St.

The proposed expansion is to be clad in metal and glass complementing the existing façade. The curtain wall on the eastern façade of the structure exposes the interior of the new structure, providing greater transparency to what has long been an insular complex of buildings. The northern façade of the proposal will partially enclose the Detroit People Mover (DPM) station, wrapping the eastern end of it and the track with an approximately 3500 sq. ft. LED video screen, which comprises the north façade of the expansion.

Per the authorization of the City Planning Commission during its October 6th regular meeting, CPC staff has completed its work with the Law Department and the petitioner to finalize the conditions of approval for the above captioned matter and submits this report as a supplement to our October 10th report. Below please find the CPC recommendation with the finalized conditions of approval. Also attached please find a draft copy ordinance to effectuate this PD modification. The approved as to form version from the Law Department is awaiting signature.

RECOMMENDATION

City Planning Commission has completed its review of the above captioned request for PD modification and is recommending approval with conditions. The finalized conditions of approval recommended by the Commission are as follows:

1. In accordance with the report of the Detroit Transportation Corporation prepared pursuant to Section 58-7-23 of the Detroit City Code, none of the proposed modifications may interfere with or create any condition that interferes with or adversely impacts the safety of:

a. The operation of the Detroit People Mover, including its passengers' entry into and egress out of the DPM station located within the PD district;

b. Occupants of any internal or external space within the PD district;

c. Motorists, bicyclists, pedestrians, and other occupants of the rights of way adjacent to this PD district; and

d. The terms of the report of the Detroit Transportation Corporation are incorporated by reference herein.

2. The Detroit People Mover shall be compensated for disruptions to the operation of the People Mover during construction pursuant to the terms agreed upon by the Detroit Transportation Corporation and the owner or operator of the property via amendment of the existing easement agreement between the two parties or other mechanism as the parties may deem appropriate.

3. The digital sign shall be operated solely and exclusively as an "on-premises sign" and shall only display brand names, marks, or images that (a) promote any entity, product or service, whether offered on a for-profit or charitable basis, that are conducted or maintained on the property, or related to the business of General Motors (including its various brands and community messaging) or the owner of the Renaissance Center and is not incidental to the principal activity conducted or maintained on the property, and (b) for which any rental income, tax benefit, other financial benefit, or in-kind benefit, are not provided in any amount.

4. The digital sign shall be limited in operation to the display of a single image or default image, which shall be static or have Minimal Animation (e.g. a digital waterfall, twinkling star, slow motion waving flag, etc.), during "off hours" (11:01 pm to 6:00 am); however, for seven (7) days out of the year of the owner's choosing, which may correspond to holidays and/or special events, the digital sign shall be subject to the operational limits applicable during "regular hours" (6:01 am to 11:00 pm).

5. During "regular hours" of operation the digital sign shall display only static images, each of which shall be displayed for a period of no less than eight (8) seconds at a time, subject solely to the following limited exceptions:

a. Phased transitions between static images, each such transition lasting for a period of not less than one-half (0.5) second and no greater than two (2) seconds; and

b. Minimal Animation.

6. With the exception of Minimal Animation, each digital sign shall not appear to flash, undulate, pulse, blink, move toward or away from the viewer, expand or contract, bounce, rotate, spin, twist, break up into smaller shapes or other similar movement, and shall not depict or portray any images, whether static or moving, of explosions, fireworks, other flashing, undulating, pulsing, or blinking phenomena, nor shall the digital sign emit audio.

7. Each digital sign shall display not more than twelve (12) distinct visual ele-

ments at any one time. A visual element means a (a) single word, (b) initial, (c) logo, (d) abbreviation, (e) symbol or figure. No more than one visual element in the display foreground may be animated; other visual elements shall remain static. Minimal Animation may be permitted in the display background.

8. The digital sign may operate at greater capacity including full motion video, broadcast images and audio in coordination with the City and the Michigan Department of Transportation for special events that include the suspension of vehicular traffic on East Jefferson Ave.

9. The color of any digital sign, or any substantial portion thereof, shall not be white, off-white, or any other color exceeding 6,500 Kelvin.

10. The luminance of each digital sign shall be controlled by ambient light monitors and shall be adjusted continuously based on ambient light conditions so that the luminance shall not exceed 9,000 nits during daylight hours, and 1,000 nits between sunset and sunrise.

11. Each digital sign shall operate at a frequency of no less than thirty (30) hertz and shall cease operation if below this level.

12. The owner of each digital sign shall maintain records of all images and animations displayed by the sign and the times during which each such image and animation is displayed and any other relevant information that the applicable technology has the capacity to record. The data shall be collected on a 12 month basis and shall be made available upon the request of the City Planning Commission.

13. The owner of each digital sign that is constructed and becomes operable on or after October 1, 2016 shall submit a formal report to the City Planning Commission for its review nine (9) months following the date of the digital sign becoming operational. Such report shall include (a) the findings of the Michigan Department of Transportation and the Traffic Engineering Division of the Department of Public Works relative to the sign and relevant traffic data, (b) the records of the operation of the sign, (c) any written complaints regarding the digital sign that have been submitted to the owner or otherwise brought to the owner's attention, and (d) any other information pertaining to the sign that the City Planning Commission may reasonably request.

14. Any violation of the terms of this PD zoning classification shall constitute a blight violation, subject to the remedies and penalties set forth in Article V of the Detroit Zoning Ordinance, being Detroit City Code Section 61-5-1 et seq.

15. Where the owner submits to the City Planning Commission, the City Planning Commission may in consideration of relevant information from the owner revise

the permissible displays, hours of operation, luminance, color temperature, or any other operational standard so as to maintain the peace, health, safety and welfare of the people of the City of Detroit as a minor modification to the provisions of this PD including and subsequent to the nine month look back provision of condition 13.

16. That final site plans, elevations, landscaping lighting and signage plans shall be submitted to the staff of the City Planning Commission for review and approval for consistency with the approved plans prior to application being made for applicable permits.

Additionally, the Commission recommends that the City Council pass a resolution establishing its findings relative to this PD modification prior to the passage of this ordinance.

The petitioner, the Law Department and the Commission have exhausted a number of hours in research of the impacts and regulation of LED signs and lighting. The Health Department is also looking in to the matter in follow-up to a bulletin from the American Medical Association. Even as the City continues its efforts in developing sign regulations with the signage consultant via the Planning and Development Department, it is all the more obvious that City needs additional assistance with outside expertise in the area of lighting.

Unfortunately, neither the Commission nor the Legislative Policy Division has the financial capacity to bring on an outside consultant. Therefore, the Commission also recommends the City expeditiously engage a lighting consultant to assist the City in developing appropriate policy for the regulation of on-site luminance, off-site illumination impacts and other deficits as well as benefits of lighting.

By Council Member Leland:

AN ORDINANCE to amend Chapter 61 of the 1984 Detroit City Code, 'Zoning,' commonly known as the Detroit Zoning Ordinance, by amending Article XVII, District Map 2, of the 1984 Detroit City Code and the provisions of the existing PD (Planned Development District) zoning classification established by Ordinance

No. 17-H and subsequently modified by Ordinances 21-89, 21-98, 25-03, 28-04 and for property generally bounded by East Jefferson Avenue to the north, Beaubien Street extended south to the Detroit River to the east, the Detroit River to the south, and Randolph Street extended south to the Detroit River to the west.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Article XVII, Chapter 61 of the 1984 Detroit City Code, Zoning, is amended as follows:

District Map No. 2 is amended to modify the approved plans for the PD (Planned Development District) zoning classification currently shown on land generally bounded by East Jefferson Avenue to the north, Beaubien Street extended south to the Detroit River to the east, the Detroit River to the south, and Randolph Street extended south to the Detroit River to the west.

The Detroit City Council approves the site plan, elevations, and other components of the development proposals prepared by Neumann Smith and Associates for the General Motors expansion LED sign at the Renaissance Center and dated October , 2016 with the following conditions:

1. In accordance with the report of the Detroit Transportation Corporation prepared pursuant to Section 58-7-23 of the Detroit City Code, none of the proposed modifications may interfere with or create any condition that interferes with or adversely impacts the safety of:

a. The operation of the Detroit People Mover, including its passengers' entry into and egress out of the DPM station located within the PD district;

City Council
Historic Designation Advisory Board
DRAFT FINAL REPORT
B'nai David Cemetery Historic District

By a resolution dated February 23, 2016, the Detroit City Council charged the Historic Designation Advisory Board (HDAB), a study committee, with the official study of the proposed B'nai David Cemetery Historic District in accordance with Chapter 25 of the 1984 Detroit City Code and the Michigan Local Historic Districts Act.

B'nai David Cemetery at 9535 Van Dyke Avenue occupies a large parcel of land on a hill on an almost triangular block bounded by Van Dyke Avenue on the east, Grinnell on the north, St. Cyril on the west, and Marjorie on the south. Its location is approximately 5.5 miles from downtown Detroit. It was established in 1898 by Congregation Beth David, which was, at its last location, at 2201 Elmhurst Street and is now a locally designated historic district (New Mt. Zion Missionary Baptist Church / Beth David Synagogue Historic District). Approximately 1300 interments, the first in 1903 and the last in 2015, took place in the cemetery.

BOUNDARIES:

The boundaries of the proposed B'nai David Cemetery Historic District, shown in bold lines on the attached map, are as follows:

On the north, the centerline of the vacated alley running east-west, between Grinnell and vacated Sheehan;

on the east, the centerline of Van Dyke Avenue;

on the south, the centerline of the vacated alley, as extended, between Marjorie and vacated Sheehan; and

on the west, the centerline of St. Cyril.

Boundary Justification: The boundaries are the same as that property

belonging to the Beth David Cemetery Association.

HISTORY:

The period of significance of B'nai David Cemetery extends from 1903, when a record of the first burial exists, through 2015, with the last.

The history of B'nai David Cemetery Association is inherently entwined with that of Beth David Synagogue, founded as a Jewish orthodox congregation in 1892. Established by a group of fourteen recent immigrants from Russia, the congregation originally met in a rented facility at the northwest corner of Gratiot Avenue and Hastings Street before relocating into its first permanent home at 293 Adelaide Street between Hastings and Rivard, dedicated on September 9, 1900. Under Jewish law, Jews were required to be buried with other Jews, so Beth David, soon after its founding, established a cemetery.

The B'nai David Cemetery is one of Detroit's oldest Jewish cemeteries. It was organized in 1897 as Beth David Cemetery and incorporated on July 7, 1903. One day afterwards, an Article of Agreement was executed between John V. Sheehan and his wife to Beth David Cemetery Association, a Michigan Corporation, for \$1,500, with \$300 paid up front.¹ The property was then in Hamtramck Township, until 1916, when it was incorporated into the City of Detroit. On October 29, 1917, an indenture for fulfillment of the land contract was recorded.²

On September 10, 1903, a lawsuit was brought by plaintiffs Charles F. Liebolt, Therese Huetteyman, Augusta Kabbe and Joseph Nuremberg against Beth David

Cemetery Association to restrain them from using the property for burial purposes. The complainants owned fifty-six acres in the immediate vicinity, valued at \$100,000. They had wells not too far from the cemetery grounds and were worried that, in wet weather, the flow of water from the hill-top cemetery would flow back on their land, infecting their drinking water, polluting the soil, and "rendering it untenable."³ Alleging injury to their property values, the suit also asked the court "to order defendant to remove the body of a child, who was interred July 24, the only body resting in the cemetery at present."⁴ Presumably the lawsuit was settled to allow the cemetery association to continue to use the site for burials.

The cemetery was located on Van Dyke about 5.5 miles from the center of downtown Detroit, among farm land owned by people of German descent. Mt. Olivet (17100 Van Dyke, 1888) and Forest Lawn (11851 Van Dyke, Catholic, 1889) cemeteries were a short distance north on Van Dyke; Gethsemane Cemetery, adjacent to Detroit City Airport, was also in the general area. These cemeteries, called *rural* cemeteries, were reached by horse wagon and then streetcar when they were first established.

The popularization of the automobile in the first few decades of the 20th century led to a need for expansion of the city's major thoroughfares that led into the city. Those roads, including Mt. Elliott, Gratiot, Woodward, Michigan, Fort, Jefferson, Mack and Van Dyke, were first completed as county roads that connected villages and cities. Before 1906, these roads were not paved and, therefore, not suited for motorized vehicles. The Center Line-Harper Streetcar, a Detroit United Railway (DUR) electric interurban line, ran along tracks located on the east side of Van Dyke across from the cemetery. The northern terminus of this line was at a turnaround loop on the southeast corner of Warren Boulevard; its southern end was at the intersection of Van Dyke and Harper Avenues. From there, the southbound traveler would have to transfer to the Harper Line of the Detroit Street Railways (DSR) which ended at Cadillac Square in Downtown Detroit.⁵

As Detroit expanded with industry and commerce in the early 20th century, its population and area spread outward, leading to the establishment of new subdivisions along Van Dyke. By the 1920s, large numbers of automobiles and trucks were being driven on narrow concrete roadways that were 18' wide with a 3' shoulder. In that year, truck traffic had increased twenty-nine times on Van Dyke since 1912; horse drawn vehicles decreased by 3.8%.⁶ A major city-wide street widening program was planned.

Van Dyke was widened in 1932,⁷ perhaps effecting some of the graves closest to the street.

Meanwhile, as membership in Congregation Beth David grew, it moved to the former Shaarey Zedek location at 545 Winder Street, between Beaubien and Hastings, in 1915. The following year, membership included a total of 178 families. The Jewish population in the City increased significantly as more Jews left the shtetls of Eastern Europe and joined other Jews from New York and other cities on the East Coast that were attracted by Detroit's growing automobile industry. The Jewish population followed a north and northwest pattern of movement from its former near-downtown settlement. While many new synagogues were founded, existing ones were expanded. From 1925 to 1928 Congregation Beth David met in a location at Owen Street in the city's North end neighborhood while awaiting the completion of its larger facility nearby at 2201 Elmhurst. The magnificent, 1,600-seat structure is illustrative of the size and prosperity of the community in the 1920s.

However, the prosperity did not last long; the Great Depression in the early 1930s reshaped the economy in Detroit as it did nationwide. In 1933, Rabbi Aishisken retired and Rabbi Joshua Sperka began to serve the Beth David congregation. Around this time, Beth David Synagogue at Elmhurst and 14th Street reorganized itself as it faced financial challenges, creating a new entity with the name of B'nai David. The six cemetery association trustees, likewise, signed a certificate of Disolution of the Congregation Beth David Cemetery Association on June 27, 1933⁸ and transferred the cemetery to Congregation B'nai David, with the understanding that "property hereby conveyed is a cemetery and used solely for burial and cemetery purposes, . . . as long as second party remains the owner thereof, without in any way limiting or restricting the right of Second Party to sell or otherwise dispose of the said property when its use as a cemetery has been discontinued." The quit claim deed was signed on October 11, 1933.⁹

In the late 1940s and early 1950s many of the area's Jewish residents began to move to Northwest Detroit or to suburbs in Oakland County. B'nai David purchased a site on Southfield Road in Southfield Township in 1954 and broke ground on a new building the following year. The congregation moved out of the city in 1958, seeking a buyer for its then-vacant building. Still, the congregation's burials continued at its Detroit location, but eventually tapered off by the 1970s and 80s as more of its members preferred the suburban cemetery locations. Fewer and

fewer burials took place after the closing of B'nai David Synagogue in Southfield in 1994. Many from the former temple joined Congregation Shaarey Zedek in Southfield and chose burials at Clover Hill Park Jewish Cemetery in Birmingham.

Jewish Burial Tradition

The Jewish deceased are laid to rest within twenty-four hours, or as soon after as possible. Jews are not embalmed; the body is washed in a ritual bath, clothed in a simple shroud of linen or muslin, and laid to rest as is or in a pegged wooden box without any metal. The body of the deceased is not displayed. Ostentation, such as flowers, are eschewed. After the body or coffin is lowered to the ground, the mourners help fill the grave. The family and friends sit shiva for seven days, and it is usually a year before the gravestone is set.

Yiddish, the language of Jewish immigrants, was dominant in Jewish communities throughout the United States in the mid-to-late-19th century, as first German, then Eastern European Jews arrived from abroad. The gravestones at B'nai David Cemetery bear words in Hebrew (the ancient language of the Jews), Yiddish (a Germanic language with local dialects), and English, sometimes in combination. Inscriptions on headstones tended to emphasize simplicity, with the English name of the deceased, their Hebrew name, and dates of birth and death. The Hebrew letters, *Tav Gimel Tzadei Beit Khaf Yod*, that are the initials of the words in the phrase, as translated into English, *May his/her soul be bound up in the eternal bond of life*, are often included, as is another Hebrew text abbreviated (*Pe Nun*), for *Here is buried*.

Select Interments at B'nai David Cemetery

Bertha H. Levinson (d. 1906) and Julius H. Levinson (d. 1912)

In the early 1900s, the Levinsons, Julius H. and Bertha H., were active members of Beth David Synagogue. Before moving their family to Detroit in 1900, Julius and Bertha were the earliest Jewish settlers in the Traverse City, MI area, where they settled in 1868 after migrating from Suwalki, Russian Poland as young adults.¹⁰ Julius, who established himself in the mercantile business in Petoskey and then Traverse City, was among the first trustees of the Hebrew Congregation of Traverse City, an organization incorporated in 1882 that built the orthodox Beth El Synagogue in 1885-86.¹¹ Julius' original family name was Danto, but as a son of Levi (the priestly tribe of Israel), he changed it to Levinson when he came to the United States, and later spelled it as Levinson. He and Bertha had nine children, with five living into adulthood.¹²

Soon after arriving in Detroit, Julius Levinson's name began to appear on doc-

uments related to Beth Israel Synagogue and cemetery in Detroit. He was elected cantor of Congregation Beth David in 1904,¹³ was president of the cemetery association in 1905,¹⁴ and president of the congregation, as referenced in his wife's obituary.¹⁵ Mrs. J. H. Levinson (1848-1906) suffered a stroke, and, six months later, gangrene, from which she died in 1906 at age 58. The remains of Bertha Levinson were joined by her husband, Julius (1845-1912), six years later after his death at age 67, marked by a single shared, simple, gray granite headstone in the B'nai David Cemetery. The life expectancy of a white male in 1910 was 49; a white woman 52 — thus the Levinsons had lived full lives.¹⁶

The Levinsons were likely among the older members of the Beth David congregation, arriving in Detroit from Traverse City later in their lives. However, they had much in common with other Ashkenazi Jews who migrated from Eastern Europe between 1880 and 1920, when over two million Jews fled Russia to escape blatant anti-semitism, discrimination, pogroms and forced conscription into the Russian Army.

Like many, the Levinsons were able to bring over other family members from Russia to join them in the 1880's, when pogroms (mass killings) had reached a peak. Also like the Levinsons, many families bore many children but, because of the high child mortality rate, not all survived. Many Jewish immigrants also their names or had their names changed for them upon entering the United States. Many started out as peddlers, leading to success in the mercantile and scrap businesses. And all wanted a better life for their children.

Hyman Kaplan (d. 1917)

Especially tragic were the untimely deaths of children. The broken tree, a symbol of a departed youth is frequently incorporated into their gravestones, such as that of 21 year old Hyman Kaplan. His family's grief is almost dripping off his tombstone, which reads, in both English and Hebrew, *OUR EYES WON'T DRY OF SORROW FOR OUT BELOVED AND UNFORGOTTEN SON, WHOSE YOUNG LIFE WAS UNLIGHTED BY THE DREADFUL LAKE ST. CLAIRE, JULY 21, 1917*. His grave is marked by a gray granite headstone with a broken tree stump, Star of David, and his image.

Bessie Plotnik (d. 1918)

Many of the headstones bear expressions of poignancy and grief, such as the one marking the remains of Bessie Plotnik. Bessie was the young mother of a three-year-old boy that ran into the path of an oncoming streetcar on Hastings Street. Bessie saved his life by pushing him out of the way, but was struck and killed herself. The grief-stricken father

gave his son away, to be raised by a neighbor. This is the story told by Robbie Terman, Director of the Leonard N. Simons Jewish Community Archives:

The woman was my great-grandmother Bessie. And the boy, my grandfather Isadore. My mother and I had heard the story many times, but it was not until after my grandparents passed away that we began to wonder where Bessie was buried.¹⁷

The inscription on her grave, made more difficult to find because of a spelling change to the name, confirmed the family story: MOTHER BESSIE PLOTNIK GAVE LIFE TO SAVE HER SON.

Esther Malka Shibovich (d. 1918)

Esther died during the influenza pandemic of 1918, leaving her son, Benny, orphaned at age six. Esther was the great-great grandmother of Eva Goldman, the thirteen-year old who, with her father, David Goldman, began the effort to clean up and restore B'nai David Cemetery as part of her bat mitzvah project in 2013.¹⁸

The year that Esther died, some forty-eight interments took place at Beth David Cemetery and, although most of the gravestones do no offer information about the deceased beyond their relations, it can be surmised that most deaths were due to the devastating effects of the flu pandemic of 1918-1919. The flu pandemic killed between 20 and 40 million people worldwide, and it was thought that 20% of world population became infected, 28% of all Americans. Differing from most strains, this one was most deadly for people in the 20-40 age bracket. An estimated 675,000 in the U.S. died of the virus or a secondary infection such as pneumonia, ten times as many who died in WWI. The illness that was believed to first arrive in the United States through the port of Boston in September 1918 had a second wave when men returned from war after November 11, 1918.

Isadore Mellen (d. 1919)

Mr. Mellen died after a long illness at age 66 at his residence at 254 E. Hancock. He had been a resident of Detroit for thirty-five years, and made his living in the real estate business. He was a former president of Beth David Synagogue and, as superintendent of Beth David Cemetery, was "greatly harassed by mischievous youngsters who desecrated graves, chipping tombstones and breaking windows of houses."¹⁹

Rabbi Ezekiel Aishiskin (1867-1935)

Rabbi Ezekiel Aishiskin's headstone is carved with a crown and the Star of David atop: *BELOVED FATHER RABBI EZEKIEL AISHISKIN EMINENT SCHOLAR ELOQUENT SPEAKER PASSED AWAY 5TH DAY IN ELUL 5695 (translated September 3, 1935) AGE 69 YEARS.* Prior to his coming to the United States in approximately 1904 and serving as Rabbi

of Beth David, he was a Rabbi in the town of Yashun in the Vilna area of Lithuania. He resided at 293 Adelaide.

Veterans of War

Many new and first generation American Jews fought for their country. Corporal Sidney Gliss was only twenty-one years old when he died in World War I. Peter Bader, a master sergeant with the 449th Bomber Squadron of the United States Army Air Forces, was killed at age 28 on February 28, 1943 in World War II. He was a beloved son and brother. Max Goldberg, a private in the United States Army, "died in the service of his country," on November 25, 1944 at age twenty-seven. He was a son, devoted father and husband. They are buried at B'nai David Cemetery.

Keywell Family (1919, 1963, 1971)

Henry (1888-1971, age 84) and Rose (Benson) Keywell, (d. 1963, age 72) and Henry's father Jacob (1865-1919) are buried at B'nai David). A native of Russian Poland, Henry C. Keywell came to the United States in about 1905 with little money in his pocket, but settled in Detroit and went into the dry goods business. This soon led to manufacturing and then building and contracting. A successful businessman and building contractor, he built fourteen apartment buildings by 1922 and built and owned the Grand Victory Theater, a small, neighborhood movie theater in northwest Detroit that opened in 1921. He married Rose Benson in 1910 and they had three children.²⁰

Hyman and Pearl (Liebergott) Rottenberg (1953, 1958)

Hyman and Pearl (Liebergott) Rottenberg, grandparents of Detroit native Helene Rottenberg, were born in Russia and came to the United States when they were teenagers. Hyman Rottenberg was a pharmacist who had a drugstore on Linwood and Cortland in Detroit. He was also a part-time cantor, perhaps to the small shuls (congregations) along Wisconsin Avenue. Helene's father Coleman was the last of seven children, four girls and three boys. Helene remembers that her grandparents lived in the duplex that her family shared on Wisconsin Avenue; her family lived upstairs and her grandmother lived downstairs.

Hyman Rottenberg died around the time Helene was born, in 1953. Pearl was very active in the Jewish community; she was always working for one Jewish cause or another. Helene remembers that, "she would leave food on the stove for them and then go off and do good work! I was told that I was the apple of her eye. I remember being with her, but I was only five."²¹ After Pearl died (1958), Helene's family moved to Pinehurst in Northwest Detroit.

Soverinsky Family (1934, 1943, 1952, 1970)

Lou Soverinsky's grandparents and

great-grandparents were buried at B'nai David Cemetery. Typical of several families buried at B'nai David Cemetery, the hard working Soverinsky family provided the spark to enable future generations to achieve and develop an ethic to help their community. Morris's grandson Lou serves the community as a physician and is active in the community today.

In 1917, Morris Soverinsky (d. 1970, age 87) came to America from Russia, and went back after two years to return in 1921 with the rest of his family, including his father Harry (d. 1934, age 70) and mother Ann (d. 1952, age 94). He found work in a business that was open to Jews, the junk business. In time Morris purchased a horse and wagon and the family scoured the alleys of Detroit looking for scrap including metal, paper and cloth. He formed a partnership with a Mr. Belinsky, Mr. Molinsky and a third man to create General Mill Supply, a wiping cloth business. Morris eventually owned the business with his sister May's husband, Max Kletter. Located at 8931 Greely near Holbrook, the three-story building had both a paper and metal press, and at one time the business supported twenty to thirty employees. During WWII, due to a shortage of cotton, six Polish women worked on the building's third floor tearing apart old mattresses and recycling the cotton into bales to be used to make new ones.

Morris and his wife, Molly (d. 1943, age 66) lived at 3036 Elmhurst by B'nai David Synagogue. He was an officer of the congregation and president of the cemetery association trustees when it changed its name in 1933. He and Molly raised their six children in the neighborhood and at B'nai David, and everyone helped in the business. When the children married they lived in housing Morris owned. Morris did well enough that he sold Ace Wiping Cloth their first building. Today Ace is a leader in the Detroit region's wiping cloth industry.²²

Atlivaick (Atler) Family (1924, 1950, 1967, 1971, 1977, 1979)

Another extended family united after death at B'nai David Cemetery was the Atlivaick family. Abraham Zuse Atlivaick (1861-1924) and Sara Wolgin Atlivaick (1863-1950) immigrated to the United States from the Russian Federation. Of their ten children, most changed their surname to Atler, and four were buried at B'nai David Cemetery, along with their parents. Among them were two sons who became doctors, Lawrence Roderick Atler (1899-1967) and Leroy H. Atler (1912-1979). Gertrude (1896-1971), bookkeeper at Walker Bros Catering, and Edith (1901-1977), a stenographer, lived with them at 9598 Oakland Avenue, according to Polk's *1924 Detroit City Directory*. Like the Soverinsky family, Atlivaick (Atler)

family members lived together or close by. **Betty (Levine) Weiss (2015)**

The last interment at B'nai David Cemetery was that of Betty Weiss, 89, of Farmington Hills, MI, who died on the 13th of March, 2015. She requested burial aside her deceased husband, Sidney David Weiss (1924-1977), who predeceased her by thirty-eight years.

DESCRIPTION:

B'nai David Cemetery occupies a large parcel of land on a hill on an almost triangular block bounded by Van Dyke Avenue on the east, Grinnell on the north, St. Cyril on the west, and Marjorie on the south. It is situated between a commercial property on the north end and residential property, now mostly cleared, on the south. The raised grade of the cemetery is separated from the public right-of-way by double retaining walls, likely placed there when Van Dyke was widened. It is entered through a high metal, gated driveway off the west side of Van Dyke near the center of the block. The paved driveway forms a loop in and out of the cemetery.

Within the loop is a grassy knoll with a tree and the granite monument "In Everlasting Memory of the Six Million Jews Who Perished in the European Holocaust." An eternal light is positioned in front of the monument and an inscribed resting slab memorial and flagpole forward of it. A concrete bench is also situated near the tree of the grassy knoll.

A slab laid on the ground at the foot of the flagpole, dedicated by the Bader family, is inscribed with the American flag and Israeli flag. Listed are the names of the war veterans buried at B'nai David: Mst. Sgt. Peter Bader (d. 1943); Capt. Arthur I. Shapiro (1944); Capt. Louis Harold Blustein (1952); Capt. Sidney Gliss (1918); Pfc. Nathan Shapiro (1947); and Pvt. Max Goldberg (1944).

Approximately 1300 burial plots are neatly arranged in rows on a grass surface to the west and north of the loop. A patch of grass once occupied by a caretaker's house lies to the south of the loop. The plots are generally arranged very close together and bordered with curbs or frames, creating narrow "beds" to hold flowers. The gravestone is often composed of a rough, unpolished stone base with a standing slab or block on top.

The gravestones themselves range from modest sandstone to polished granite, small to grand, but none too ostentatious, befitting those buried. The most common symbols on the gravestones are the Star of David, a six-pointed star that is a symbol of Judaism; and the menorah, usually with five branches. Other symbols seen on gravestones in Jewish cemeteries and in B'nai David in particular are Cohanim Hands, two hands with outspread fingers that are in the form of a priestly blessing when the deceased is

from priestly stock; open books indicating the presence of a rabbi, official or scholar; candles, especially on the graves of women, who traditionally light the candles; and a broken tree or branch as a sign that the deceased passed away at a young age.

It is generally not Jewish practice to have porcelain pictures of the dead placed on headstones. However, it is mostly in small Orthodox cemeteries such as B'nai David that they are sometimes present. Porcelain pictures are everlasting if not disturbed. Also a feature, if an impermanent one, of Jewish cemeteries are stones left on top of the gravestone by visitors to indicate that their relatives and friends are not forgotten.

Criteria

The proposed historic district meets the first criteria contained in section 25-2-2:

(1) Sites, buildings, structures, or archeological sites where cultural, social, spiritual, economic, political or architectural history of the community, city, state or nation is particularly reflected or exemplified.

Composition of the Historic Designation Advisory Board

The Historic Designation Advisory Board has nine appointed members and three *ex-officio* members, all residents of Detroit. The appointed members are: Kwaku Atara, Melanie A. Bazil, Keith A. Dye, Zené Fogel-Gibson, Theresa Hagood, Calvin Jackson, Victoria Byrd-Olivier and Kari Smith. The *ex-officio* members who may be represented by members of their staff, are Director of Historical Department, the Director of the City Planning Commission, and the director of the Planning and Development Department.

By Council Member Leland:

AN ORDINANCE to amend Chapter 25 Article II of the 1984 Detroit City Code by adding Section 25-2-202, to establish the B'nai David Cemetery Historic District and to define the elements of design for the district.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 25, Article II of the 1984 Detroit City Code is amended by adding Section 25-2-202 to read as follows: **Sec. 25-2-202. B'nai David Cemetery Historic District.**

(a) A historic district to be known as the B'nai David Cemetery Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the B'nai David Cemetery Historic District are as shown on the map on file in the office of the City Clerk, and contain such land as follows: Land in the City of Detroit, County of Wayne, and State of Michigan being Lots 1 through 8, both inclusive and Lots 70 through 81, both inclusive also vacated Sheehan Avenue and vacated alleys adjoining, excepting VanDyke Avenue as widened "Oak Hill, Rose * Sheehan's Subdivision of part of Section 21 T.1S., R.12E., Hamtramck (Now Detroit) Wayne County, Michigan" as recorded in Liber 13, Page 72 of Plats, Wayne County Records; plus easterly 1/2 of St. Cyril Avenue and the westerly 1/2 of VanDyke Avenue adjoining; all bounded as follows: Beginning at the northwesterly corner of said Lot 8; thence easterly along the northerly property line of B'nai David Cemetery being the northerly line of said Lot 8 and the northerly line of said Lot 1 extended to the centerline of Van Dyke Avenue, 106 feet wide; thence southerly along the centerline of Van Dyke Avenue to the extended centerline of the east west vacated alley, 16 feet wide, first north of Marjorie Avenue; thence westerly along the said alley centerline and its extension to the centerline of St. Cyril Avenue, 66 feet wide; thence northerly along said centerline of St. Cyril Avenue to the extended northerly property line of B'nai David Cemetery being the northerly line of said Lot 8; thence easterly along said northerly property line of B'nai David Cemetery and its extension to northwesterly corner of said Lot 8 and the point of beginning.

(d) The defined elements of design, as provided for in Section 25-2-2 of this Code, are as follows:

(1) *Height.* The site of B'nai David Cemetery Historic District is higher in elevation than the ground around it in all directions. Headstones range from low to the ground, approximately one (1) foot

high, to taller, approximately seven (7) feet high, with a feature added on top, such as an urn, for extra height; most are in the middle range. The War Veterans memorial is laid on a slab at the base of the flag pole at ground level.

(2) *Proportion of buildings' front façades.* Most headstones are significantly taller than wide, while a few are square. Where a single headstone marks two (2) graves, the headstone is wider than tall.

(3) *Proportion of openings within the façades.* Not applicable to cemetery district; no openings exist within individual headstones.

(4) *Rhythm of solids to voids in front façades.* Not applicable to cemetery district; individual headstones are solid objects without voids.

(5) *Rhythm of spacing of buildings on streets.* There are no buildings on the cemetery site. A strong rhythm is created by the regular positioning of burial plots, consisting of headstones and grave curbs spaced closely together in narrow rows. Monuments within the entry loop are set off from the regular progression of the rows of headstones.

(6) *Rhythm of entrance and/or porch projections.* Individual grave sites usually consist of a headstone set on a blocky base with a grave curb, or framed bed, extending out in front at ground level. The positioning of regularly placed, masonry grave curbs in front of the headstones provides a regular rhythm.

(7) *Relationship of materials.* The major materials of the headstones are granite, sandstone, and limestone, sometimes contrasted with small metal and porcelain elements. Masonry grave curbs frame burial plots. A metal flagpole, memorial light, and concrete bench are situated near the Holocaust and War memorials. The outer wall at the eastern perimeter is brick; the inner retaining wall is concrete block. The gate and fencing are metal.

(8) *Relationship of textures.* Individual headstones feature a variety of textures, sometimes in combination. Rough, undressed stone bases and surfaces often contrast with dressed, polished stone. Emerging stone, where one portion is fully carved and the other is left undressed, results in a contrasting textural relationship. Deep and shallow carved and inscribed detail also creates textural relationships. Overall, the district is rich in its variety of textural relationships.

(9) *Relationship of colors.* The most common headstone color is light or medium gray; dark gray, white, beige, red, and orange-red headstones are also present, often with a speckled coloristic effect when the material is granite.

(10) *Relationship of architectural details.* Architectural styles, such as Neoclassicism, Art Deco, Gothic and Art Nouveau, are sometimes depicted by the

artistic detail and shape of individual headstones. Architectural details within individual headstones vary and generally consist of Jewish funerary symbols, inscriptions and epitaphs. Sometimes the back of the headstones are inscribed with words as well. Frequently, where there are carved details, they represent naturalistic elements, such as floral borders, rock-like bases, and trunks of trees. Military motifs representing deceased military servicemen are sometimes included. Individual headstones are either level, rounded, curved, peaked, or roughly textured on top. A few have objects extending above the main surface, such as an urn, inscribed cylinder, or finial. Some children's headstones have an animal sculpted on top, some young people's headstones have a tree trunk emerging. Small portraits of the deceased in porcelain are often inset in plain or decorative frames. In general, there is variety in the relationships and expressions of the district's artistic and architectural detail.

(11) *Relationship of roof shapes.* Not applicable to cemetery district.

(12) *Walls of continuity.* The double retaining wall and high metal gates at the eastern perimeter of the site along Van Dyke Avenue, and the chain-link fencing along the rest of its perimeter, create a border that separates the cemetery from its surroundings. Walls of continuity within the cemetery are created by the uniform spacing of the burial plots and the consistent setbacks of headstones within rows.

(13) *Relationship of significant landscape features and surface treatments.* The cemetery's hilltop site is set off from its surroundings by the wall along its Van Dyke Avenue perimeter, the entry gates, and chain link fencing. A paved road goes from the entrance up the slope of the hill and forms a loop surrounding the memorials, tree and bench. The beds within the grave curbs that extend outward from the headstones are planted with yellow lilies.

(14) *Relationship of open space to structures.* The cemetery site consists of one large open space occupied by the regular arrangement of burial plots. The narrowly-spaced burial plots are arranged in rows on a grass lawn to the west and north of the entrance loop. Small, recently placed markers set in the ground identify each row, at its southern end, by number. To the south of the loop is an open, grassy area once occupied by a caretaker's residence.

(15) *Scale of façades and façade elements.* B'nai David Cemetery is comparatively small in scale relative to cemeteries in the surrounding area; grave sites within are situated closely together. Elements and details on individual headstones are generally scaled to the size of the headstone.

(16) *Directional expression of front elevations.* Most headstones are vertical in

directional expression but, where paired burial plots or small headstones exist, are neutral in directional expression.

(17) *Rhythm of building setbacks.* Uniform setbacks of burial plots and close placement of headstones in narrow rows create a strong, consistent rhythm throughout the cemetery.

(18) *Relationship of lot coverages.* Approximately three-quarters of the cemetery site is covered by burial plots. The burial plots are close together, without much space between them, although spacing varies by rows. The area in the southeast of the cemetery, where a building once stood, is not occupied, and the northern perimeter of the site contains some open land.

(19) *Degree of complexity within the façades.* Not applicable to cemetery district.

(20) *Orientation, vistas, overviews.* B'nai David Cemetery is oriented towards the major thoroughfare to its east, Van Dyke Avenue. Burial plots face east, but sometimes have blessings and names of the deceased on the backs, or western sides, as well. The memorials within the looped drive face opposite the entrance, or west. Because of its high elevation, vistas of the areas outside of the cemetery, to the west and north, can be seen from the rear of the cemetery.

(21) *Symmetric or asymmetric appearance.* Not applicable to cemetery district.

(22) *General environmental character.* B'nai David Cemetery is a cohesive landscape whose overall character is defined by the relationship of the features within it. Although it is located on a major thoroughfare, B'nai David Cemetery's sitting on a hill separated from the street by a high retaining wall results in a quiet green space that offers repose.

Section 2. All ordinances or parts of ordinances, or resolutions or parts of resolutions, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118, paragraph 1 of the 2012 Detroit City Charter; otherwise, it shall become effective in accordance with Section 4-118 paragraph 2 of the 2012 Detroit City Charter.

City Planning Commission

October 12, 2016

Honorable City Council:

Re: New request of the UAW Ford via its landscape architecture firm, Grissim Metz Andriese Associates, for PC (Public Center) Special District Review of new exterior changes to the Veterans Memorial Building, located at 151 W. Jefferson Avenue: the creation of a landscaped terrace at the lower level entrance from Civic Center Dr. (Recommending Approval)

REQUEST

The City Planning Commission (CPC) has received an urgent request of Grissim Metz Andriese Associates (GMAA) on the behalf of its client, the UAW Ford, for PC (Public Center) Special District Review of a newly proposed alteration to the premises of 151 W. Jefferson Avenue, the Veterans Memorial Building. On May 5, 2015 your Honorable Body approved the construction of a parking deck and related improvements to the property and subsequently a set of revised plans for the same on July 7, 2015. The UAW Ford has abandoned that plan as a new parking solution is being developed for the area. As result the UAW Ford now desires to redo the lower entry plaza with a heavily landscaped terrace, a smaller vehicular drop-off and rerouted ADA (Americans with Disabilities Act) ramp. This request is

being processed consistent with the provisions of Section 61-3-82 of the Detroit Zoning Ordinance.

The foundation and base of this proposed improvement are to be formed with poured-in-place concrete. The UAW Ford has a limited timeframe to make the pour and is seeking approval at this time. Unfortunately, their need to make the pour within this construction season precedes their own final approval of the plant materials.

PROPOSED ALTERATION

The primary feature being introduced to the space and about which the design is organized, is a roughly 149' x 32' terrace, raised to meet the finished floor of the lower level of the building. It will be paved with a 2' x 4' precast concrete pavers. It will be flanked to the west by deciduous shade trees and planters with shrubs and flowers. The terrace would include furnishings for seating and dining options in clusters; one north and one south of the entrance. The terrace will be defined on the east by the existing building wall and the addition of a living green wall of ivy. The northern extent of the terrace is to be wrapped by an ADA compliant ramp providing access for the physically challenged. The ramp itself would be defined by planter walls with low evergreen shrubbery atop. The southern end of the terrace is open with tiered lawn panels descending to the street grade. To the west would be additional tiered lawn panels of a shorter run depth as well as stairs providing primary pedestrian access to the upper terrace and building entrance. The balance of the design moving west gives way to a sidewalk, a recessed lane for vehicular drop-off and pickup, and lighting fixtures that complement the fixtures at Cobo Center.

REVIEW AND CONCLUSIONS

The proposed change is a welcome departure from the previously approved parking deck. The plaza will serve employees and visitors alike on a day to day basis with an outside amenity that can also serve as an event space with exposure to the riverfront. As valuable as parking is, the proposed terrace is higher and better use of the space.

It appears that the designer is seeking to develop an outdoor room via the type, size and placement of the various vertical components of the design. In addition to what is described above an ornamental metal wall would further define the northern boundary of the space providing screening from the existing stairway just beyond the space. The trees would serve to shade the space for the southern and western exposure to the sun, making space more comfortable during the heat of a summer day. The tiered lawn panels introduce a soft-scape to design that provides a traversable transition down to the street grade and a casual seating option

to the furniture of the upper terrace. The design and treatment of the new entry plaza serves to offer a bit of an oasis in an otherwise hard-pan area that provides ancillary service access to the Cobo Center, Hart Plaza and the Veterans Memorial Building.

The last three pages of the PDF drawing file previously emailed to City Council depict three different design treatments for the area immediately south of the new entry plaza. This work is not included in the set drawings that accompanying this report and will be part of a separate undertaking if and when pursued. The only outstanding matter is the final selection of plant material. Staff suggests that your Honorable Body empower staff to work out these items with the UAW Ford and their agents as part of your action.

RECOMMENDATION

CPC staff recommends approval of the proposed improvements to 151 W. Jefferson Ave. (the Veterans Memorial Building), which is located within this PC district with the following conditions:

1. That the owner work with the Planning and Development Department and the staff of the City Planning Commission to further refine the design of the new entry plaza as it advances through to construction addressing, among other aspects of the plan, final selection of plant material.
2. That final site plans, elevations, landscape, lighting and signage plans be presented to the staff of the City Planning Commission for approval for consistency with the approved plans prior to commencing construction.

Respectfully submitted,
DAVID D. WHITAKER
Director, LPD
MARCELL R. TODD, JR.
Director, CPC

By Council Member Leland:

Whereas, Grissim Metz Andriese Associates on behalf of their client, UAW Ford has prepared and presented to the City a plan for a new plaza and the lower level entrance along Civic Center Dr. at 151 W. Jefferson Ave., the Veterans Memorial Building; and

Whereas, the subject property at 151 W. Jefferson Ave. is located within a PC (Public Center) zoning district and Special District Review is required for the alteration to the premises thereof; and

Whereas, the proposed project includes a terraced plaza, an ADA compliant ramp, a recessed drop-off/pickup lane, with a heavily landscaped scheme featuring a green wall all of which is depicted in the attached drawings; and

Whereas, the project drawings do not include the final selection of plant materials for the project; and

Whereas, the plans previously approved on May 5, 2015 and then on July 7, 2015 for the construction of a park-

ing deck on the this same site have been abandoned; and

Whereas, The City Council has received the CPC report and recommendation dated October 12, 2016;

Now, Therefore, Be it Resolved, that the Detroit City Council hereby approves the proposed terraced plaza at the lower level Civic Center Dr. entrance to 151 W. Jefferson Ave., the Veterans Memorial Building, as depicted in the drawings prepared by Grissim Metz Andries Associates bearing the revised date of October 12, 2016 with the following conditions:

1. That the owner work with the Planning and Development Department and the staff of the City Planning Commission as the final selection of plan materials are made and the finish details of the design are completed.

2. That final site plans, elevations, landscaping, lighting and signage plans be submitted to the staff of the City Planning Commission for review and approval prior to application being made for applicable permits.

Be It Also Resolved, that the Detroit City Council hereby authorizes the Building Safety Engineering and Environmental Department to issue applicable permits for the required work upon satisfaction of the above conditions as required.

TESTIMONIAL RESOLUTION FOR DETROIT UNITY TEMPLE 100th Anniversary Celebration 1916-2016

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon Detroit Unity Temple in observance of their 100th year Anniversary, a very significant milestone; and

WHEREAS, According to Unity's *History of Unity Temple 1916-2012*,

Detroit Unity Temple was formed in 1916 "when a few students gathered around a courageous and deeply spiritual woman, Margaret Wood, in a small office space in the heart of downtown Detroit...By 1925 hundreds of students were working together in the common goal of *Practical Christianity*." On June 24, 1925 Margaret Wood made her transition, leaving a firm foundation of faith for the great work that was to rise in Detroit. After her departure, V.P. Randall was chosen to carry on as leader. On August 14, 1925, the Detroit Unity Center was incorporated as a religious, non-profit corporation. On September 28, 1932, the name was officially changed to the Detroit Unity Association; and

WHEREAS, In 1935, Irwin E. Gregg was appointed to carry the work of Unity forward. In the eight years of his ministry, Unity work grew in consciousness and in membership. In November 1943, Dr. Herbert J. Hunt accepted the call to leadership until he relocated to another state in 1949. Through many years since its inception in Detroit, Unity met in rented halls, offices, or in the main auditorium at the Detroit Institute of Arts. There was a growing dream in the minds of Unity students to have a "home of their own." In December 1949 Eric Butterworth accepted the call to leadership at Detroit Unity. Quickly, plans for a new church home took shape and the dream became a reality. The first services were held in the Fellowship Hall on Thanksgiving in 1955. During the 1960's and 70s, Charles Neal, Stan Hampson, Bud and Carmen Moshier and Glenn Mosley served as senior ministers. In 1975, David Williamson became the new senior minister and served for 18 years. Dr. Williamson led the expansion of programs, services, community outreach and global consciousness. In 1980, the former Christian Science Church across the street from the Temple was acquired to expand the church's ability to serve the community. In 1992, Argentina Glasgow joined the ministerial staff and served as an associate minister. Dr. Williamson retired in 1993, becoming Minister Emeritus. In 1993, Argentina Glasgow created history when she became the first African American and first woman to be appointed to a senior ministerial position at Detroit Unity Temple. Under her leadership, Detroit Unity Temple continued to grow in spiritual consciousness and service to the community; and

WHEREAS, In July 2005, Gregory Guice joined the ministerial staff. Together, Rev. Glasgow and Rev. Guice served as co-ministers where they sought to be a dynamic leadership team that would serve as a model for Unity churches worldwide. In February 2008, Rev. Guice

stepped down as co-minister and became the Senior Minister of Unity in Lake Orion. In March 2008, Rev. Glasgow retired and Unity was led by a series of ministers, including Rev. Emma Lisa Hill and Rev. John Considine. In July 2012, Rev. Gregory Guice returned to Detroit Unity as the Senior Minister. Rev Guice has always been one who views community activism and involvement as an essential ingredient of a worthwhile life. He created a community organization at Detroit Unity Temple that allied together to fight crime within several neighborhoods. His vision is to make Detroit Unity Temple "An Institute of Higher Spiritual Learning," which is a major highlight of his 12-point Enrichment Program. Rev. Carol Ford Amos serves as the Associate Minister and was ordained as a Unity Minister in 1983. Over her 25 year career, she has served at churches in Toronto, Ontario, Asbury Park, New Jersey, Arlington, Texas, Battle Creek and Kalamazoo, Michigan. Through the years, Detroit Unity Temple has engaged in tremendous community and charitable outreach providing financial support to local and national community organizations such as Habitat for Humanity and the United Negro College Fund (UNCF), as well as providing humanitarian aid to victims of Hurricane Katrina and the Indian Ocean Tsunami. Detroit Unity Temple serves as an oasis of hope and had proven itself to be a fine religious institution that fulfills the vital task of ministering and helping to meet the needs of the community. NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, wishes to congratulate Rev. Gregory Guice and the entire congregation of Detroit Unity Temple on this grand occasion of their 100th Year Church Anniversary celebration.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Sheffield, Tate and President Jones — 7.

Nays — None.

And the Council then adjourned.

Human Resources Department Administration

October 3, 2016

Honorable City Council:

Re: Request to Amend the Official Compensation Schedule

Recommendation is submitted to amend 2016-2017 Official Compensation Schedule to include the pay range for the following Buildings, Safety Engineering and Environmental Department classifications:

Class Code	Classification	Current Salary	Recommended Salary	Step Code
09-91-56	Senior Commercial & Residential License Investigator	\$35,000 — \$37,200	\$48,500 — \$59,200	A

The above recommendation was occasioned by a request from Kevin Jones, Manager I — BSEED.

The salary adjustment will align the classification closer to the market, which is essential for recruitment and retention purposes.

Respectfully submitted,
DENISE STARR
Human Resources Director

By Council Member Spivey:

Resolved, That the 2016-2017 Official Compensation Schedule is hereby amended to reflect the following pay ranges, effective upon Council's approval.

Class Code	Classification	Current Salary	Recommended Salary	Step Code
09-91-56	Senior Commercial & Residential License Investigator	\$35,000 — \$37,200	\$48,500 — \$59,200	A

IT Compatability

BCBS has been receiving the electronic enrollment files from our third party benefits enrollment vendor for the past three years. Sample employer reports and have been provided in the BCBS response to the RFP. BCBS has provided requested reports and communication assistance throughout their current contract with the City.

DENCAP has the ability to receive the electronic enrollment files from the third party benefits enrollment vendor. Sample employer reports have been provided in the DENCAP response to the RFP.

Golden Dental has the ability to receive the electronic files from the third party benefits enrollment vendor. Sample employer reports have been provided in the Golden Dental response to the RFP.

Scoring Methodology:

After evaluating each of the responders submittals to the Request for Proposal there is valid reasons for accepting all of the responders. With the higher percentage of City of Detroit employees living in Oakland, Macomb and Wayne counties, it makes sense to provide plans that offer higher coverage limits with networks that have coverage in those counties. While Golden Dental provides the higher coverage limits, DENCAP appears to have a larger number of providers in the three local counties. With benefits being a possible concern while bringing in new employees and keeping current employees and the City expanding its recruiting to the Detroit Metro area and surrounding counties to bring in the best available employees there is a need for a PPO plan like the BCBS plan that has a very large network of providers. It is our opinion that it will be best for the employees of the City of Detroit that we keep the BCBS PPO plan and offer both the DENCAP and the Golden Dental plans to the employees.

City Planning Commission

October 14, 2016

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of exterior changes to 305 Michigan Ave. (Recommend Approval with Conditions)

REQUEST

The City Planning Commission (CPC) has received the request of Thomas Roberts Architect, LLC, for special district review for proposed alterations at 305 Michigan Ave.

The subject property is zoned PCA (Public Center District Adjacent), a classification which calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

Section 7.5 of the City Planning Commission bylaws allows staff to review "minor exterior alterations in the PD, PC, and PCA, zoning districts" and take action on behalf of the Commission. As the CPC staff believes the proposed changes constitute "minor exterior alterations," we have reviewed the proposed work and prepared the following determination.

BACKGROUND

The building at 305 Michigan Ave., historically known as the Gabriel Richard Building, is a ten story terra cotta building at the intersection of Michigan Ave., and Washington Blvd., formerly serving as an office building. The owner, Barbat Holdings, proposes to redevelop the building into a multiple-family dwelling, a by-right use in the PCA district.

The work items described below are the subject of an application presently before the Buildings, Safety Engineering and Environmental Department, bearing the case number PRV2014-02348. The project is also presently under review by the State Historic Preservation Office as a federal historic rehabilitation tax credit project.

PROPOSED WORK

The applicant proposes to replace deteriorated windows, remove an existing fire escape, and add an identification sign at the north entrance of the building. This work is depicted in its entirety in construction drawings by Thomas Roberts Architect, LLC, dated September 9, 2016 (on file at the Buildings, Safety Engineering and Environmental Department).

CPC STAFF REVIEW

Fire Escape

The present exterior fire escape is in disrepair, and proposed interior alterations will create a second interior stairway, rendering the fire escape unnecessary. We do not feel that the removal of

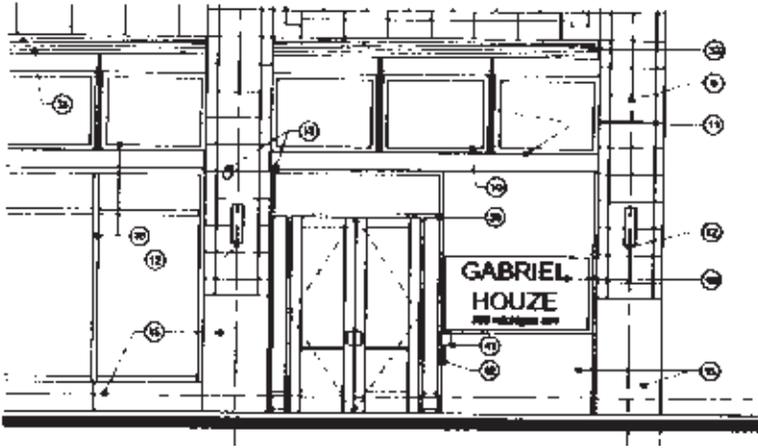

the fire escape will have a negative effect on the appearance of the building.

Window Replacement

As a federal historic tax credit project, the replacement windows will be required to closely match the appearance of the original. The applicant has not yet provided detailed specifications regarding the replacement windows. CPC staff requests the opportunity to review final window specifications.

Identification sign

A backlit, pin-mounted, stainless steel identification sign, located at ground floor level near the north entrance, will read "Gabriel Houze," the future name for the facility. The sign configuration is depicted in the image below.

While pin-mounted signs are generally visually pleasing and unobtrusive, we request the opportunity to review final sign design prior to installation.

RECOMMENDATION

We recommend approval of the proposed alterations, with the following conditions:

1. That final window specifications be submitted to the staff of the City Planning Commission for review and approval prior to window installation.
2. That final signage plans be submitted to the staff of the City Planning Commission for review and approval prior to application being made for applicable permits.

Staff has prepared and attached, for the consideration of your Honorable Body, a resolution for approval.

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of exterior changes to One Griswold St. (Recommend Approval)

REQUEST

The City Planning Commission (CPC) has received the request of Randall Brown (Gensler), for special district review for proposed rooftop mechanical equipment and screen wall at 1 Griswold St.

The subject property is zoned PCA (Public Center District Adjacent), a classification which calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

Section 7.5 of the City Planning Commission bylaws allows staff to review "minor exterior alterations in the PD, PC, and PCA, zoning districts" and take action on behalf of the Commission. As the CPC staff believes the proposed changes constitute "minor exterior alterations," we have reviewed the proposed work and prepared the following determination.

BACKGROUND

The building at 1 Griswold St., historically known as the Standard Savings and Loan Building, is an eight story Neoclassical office building with primary facades on Griswold St. and Jefferson Avenue. Gensler, the architecture firm for the project, is presently preparing alterations to the building, which is to serve as a future Church of Scientology facility.

The work items described below have been reviewed by Planning and Development Department Staff and approved by the Historic District Commission, with a Certificate of

Appropriateness issued at its October 12, 2016, meeting. To our knowledge, application to the Buildings, Safety Engineering and Environmental Department has not yet been made for applicable permits.

PROPOSED WORK

The applicant and architect propose to add several rooftop HVAC units behind a stucco-clad screen wall. Renderings by Gensler of the proposed work are attached. Please note that other alternations to the building, including signage, are not included in this request and will be subject to review by Planning and Development Department, City Planning Commission staff, and your Honorable Body in a separate request.

CPC STAFF REVIEW AND RECOMMENDATION

We feel that the work shown on the attached renderings will not detract from the aesthetic nature of the building. We recommend approval of the proposed alterations. A resolution for the consideration of your Honorable Body is attached.

Honorable City Council:
 Re: Resolution Approving the Transfer of a Commercial Redevelopment Exemption Certificate from Detroit Burgers, Inc. to 1224 Randolph, LLC

at 1224 Randolph Street, Detroit, Michigan, in Accordance with Public Act 255 of 1978 as amended. (Related to Petition #2526 and #2590)

On October 20, 2016, a public hearing in connection with approving the transfer of a Commercial Redevelopment Exemption Certificate to 1224 Randolph, LLC was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this transfer were presented during the hearing.

1224 Randolph, LLC purchased the commercial property located at 1224 Randolph Street on June 8, 2016. As the new owner, 1224 Randolph, LLC has submitted a request to transfer the approved certificate in accordance with Public Act 255 of 1978 as amended

1224 Randolph, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to continue the development of this property in accordance with Public Act 255 of 1978 ("the Act").

Respectfully submitted,
HUNTER KURTZ
Deputy Director

By Council Member Leland:

Whereas, pursuant to PA 255 of 1978, as amended, after a duly noticed public hearing the Detroit City Council by resolution established a Commercial Redevelopment District at 1224 Randolph Street, Detroit, Michigan; and

Whereas, the Detroit City Council approved an application requesting a Commercial Redevelopment Exemption Certificate for real and personal property investments located at 1224 Randolph Street, Detroit, Michigan; and

Whereas, 1224 Randolph, LLC has filed an application for a transfer of a Commercial Redevelopment Exemption Certificate with respect to all real and personal property of an existing new facility located at 1224 Randolph Street, Detroit, Michigan; and

Whereas, 1224 Randolph, LLC has substantially met all the requirements under Public Act 255 of 1978 for the transfer of a Commercial Redevelopment Exemption Certificate; and

Whereas, the aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted; and

Whereas, the restoration includes improvements aggregating 10% or more of the true cash value of the property at commencement of the restoration as provided by section 4(6) of Public Act 255 of 1978;

Now, Therefore, Be It Resolved, the Detroit City Council finds and determines that the granting of the transfer of a Commercial Redevelopment Exemption Certificate considered together with the aggregate amount of certificate previously granted and currently in force under Act No. 255 of the Public Act of 1978, shall not have the effect of substantially impeding the operation of the City of Detroit or impairing the financial soundness of a taxing unit which levies ad valorem property taxes in the City of Detroit.

Resolved, the application from 1224 Randolph, LLC for a transfer of a Commercial Redevelopment Exemption Certificate, with respect to the facility on the parcel (as described in Exhibit A attached) of real property situated within the Commercial Redevelopment District located at 1224 Randolph Street, Detroit, Michigan, be and the same is hereby approved.

Resolved, the Commercial Redevelopment Exemption Certificate when issued shall remain in force for the remaining years approved under the Commercial Redevelopment Exemption Certificate with an end date of December 30, 2024.

Re: Resolution Approving an Obsolete Rehabilitation Exemption Certificate, on behalf of The Plaza Midtown, LLC at 3800 Woodward Avenue, Detroit, Michigan, in Accordance with Public Act 146 of 2000. (Related to Petition #569)

On October 20, 2016, a public hearing in connection with approving an Obsolete Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

The Plaza Midtown, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
HUNTER KURTZ
Deputy Director

By Council Member Leland:

Whereas, The Plaza Midtown, LLC has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, this City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, this City Council on June 11, 2015 established by Resolution an Obsolete Property Rehabilitation District

in the vicinity of 3800 Woodward Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, the taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, the Applicant is not delinquent in any taxes related to the facility; and

Whereas, the Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, the Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District; and

Whereas, completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, the rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2(l) of the Act; and

Whereas, this City Council has granted until of March 31, 2017 for the completion of the rehabilitation; and

Planning & Development Department

September 2, 2016

Honorable City Council:

Re: Real Property at 8326 Mt. Elliott, Detroit, MI 48211.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ahmed Abdullah Abuzaid, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 8326 Mt. Elliott, Detroit, MI 48211 (the "Property").

The P&DD entered into a Purchase Agreement dated August 29, 2016 with the Offeror. Under the terms of the proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Eight Hundred Thirty-One and 00/100 Dollars (\$2,831.00) (the "Purchase Price").

Offeror intends to improve the property, a vacant lot, into a parking lot operable motor vehicles for their adjacent auto repair business. The proposed use is a by-right use within the designated B4/ General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed

and such other documents as may be necessary or convenient to affect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE COX

Director
Detroit Planning and
Development Dept.

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an Offer from Ahmed Abdullah Abuzaid, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 8326 Mt. Elliott, Detroit, Mi 48211, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated August 29, 2016, with Offeror; and

Whereas, in furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to improve the property, a vacant lot, into a parking lot for operable motor vehicles for their adjacent auto repair business. The proposed use is a by-right use within the designated B4/General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

Now, Therefore, Be It Resolved, That the sale of the Property to Offeror more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and be it further

Resolved, that Property may be transferred and conveyed to Offeror, in consideration for its payment of Two Thousand Eight Hundred Thirty-One and 00/100 Dollars (\$2,831.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, that customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Forty-One and 55/100 Dollars (\$141.55) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, that a transaction fee of One Hundred Sixty-Nine and 86/100 Dollars (\$169.86) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the

Planning and Development Department, or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Petition No. 1133 — Giffels Webster, request to vacate the public alley in the area bounded by Trumbull St., 8th Street, Plum Street and W. Elizabeth Street.

Petition No. 1133 — Giffels Webster,

request for outright vacation of the east-west alley, 9 feet wide in the block bounded by Trumbull Avenue, 100 feet wide, 8th Street, 50 feet wide, Plum Street, 50 feet wide, and West Elizabeth Street, 50 feet wide.

The request is being made in order to consolidate the properties.

The petition was referred to the City Engineering Division — DPW for investigation (utility clearance) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and the Traffic Engineering Division — DPW.

DTE Energy — Electric (DTE-E) and AT&T both report being involved. The developer will need to remove or relocate their equipment and install required equipment for service in the area.

The Detroit Water and Sewerage Department (DWSD) and Public Lighting Department (PLD) and Public Lighting Authority (PLA) report no involvement.

All other City departments and utilities have reported no objections to the vacations and provisions for all utility relocations have been made a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERBY

P.E., City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, All of the east-west public alley, 9 feet wide, lying northerly of and adjoining the northerly line of Lots 5 and 6 "Backus Subdivision of part of Out Lot 87 Woodbridge Farm as recorded in Liber 1, Page 275 of Plats, Wayne County Records; and lying southerly of and adjoining the southerly line of the easterly 69.38 feet of the westerly 292.95 feet of the southerly 124 feet of Out Lot 89 "Plat of the Woodbridge Farm as divided by the Comrs.' in part'n P.N. for extension of Trumbull Avenue and Lincoln Avenue" as recorded in Liber 1, Pages 246 and 247 of Plats, Wayne County Records.

Be and the same are hereby vacated (outright) as public right-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services or granting of easements if necessary; and further

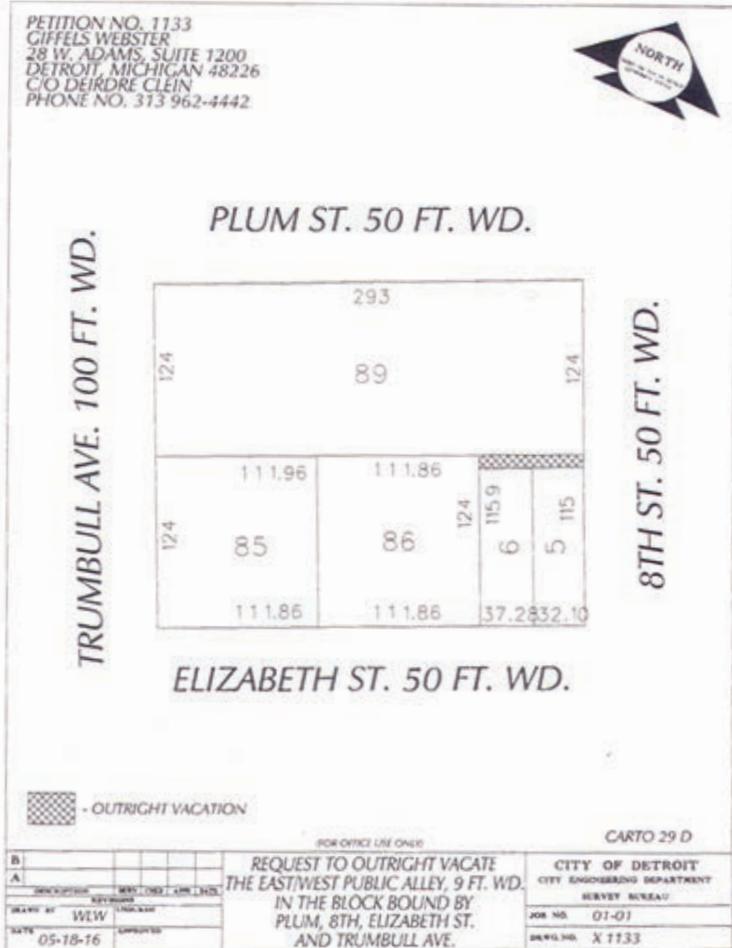

Provided, That petitioner or property owner make satisfactory arrangements with DTE Energy — Electric for the removal or relocation of their facilities with the cost borne by the petitioner or property owner. For more information contact DTE at 313-235-5172; and further

Provided, That the petitioner or owner make satisfactory arrangements with AT&T for the removal or relocation of their facilities with the cost borne by the petitioner or property owner. For more information contact AT&T Engineering at 313-240-5480; and further

Provided, That any construction in the public rights-of-way such as removal and construction of new driveways, curbs

and sidewalks shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:

Re: Petition No. 1065 — Theresa A. Norman, request an easement at 2315 Orleans St., Detroit, MI 48207.

Petition No. 1065 — Theresa A. Norman, request to vacate and convert to easement all remaining alleys in the Block of Jay Street, 50 feet wide, Orleans Street, 50 feet wide and Gratiot Avenue, 120 feet wide.

This request is being made to provide security, and to prevent thru traffic that uses the alley to gain access to Gratiot Avenue from Orleans Street.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

Public Lighting Department (PLD) and Public Lighting Authority (PLA) report no involvement.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

All other involved City departments and privately owned utility companies have reported no objections to the conversion of the public right-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERBY

P.E., City Engineer

City Engineering Division — DPW

By Council Member Benson:

Resolved, All of the remaining alleys in the Block of Jay Street, 50 feet wide, Orleans Street, 50 feet wide and Gratiot Avenue, 120 feet wide and being more particularly described as:

1) The northeast-southwest public alley variable width southerly of and parallel to Gratiot Avenue, 120 feet wide, lying southeasterly of and adjoining the southeasterly line of Lots 4 thru 8 both inclusive and lying northwesterly of and adjoining the northwesterly line of Lot 10 and lying northerly of and adjoining the northerly line of Lot 3 "Subdivision of Lots 41, 42, 43, 44, 45, 46 and 47, Block 25 Dequindre Farm" as recorded in Liber 1, page 242 of Plats, Wayne County Records.

2) The north-south alley, 12 feet wide, westerly of and parallel to Orleans Street, 50 feet wide, lying westerly of and adjoining the westerly line of Lot 10 and lying easterly of and adjoining the easterly line of Lots 2 and 3 "Subdivision of Lots 41, 42, 43, 44, 45, 46 and 47, Block 25 Dequindre Farm" as recorded in Liber 1, Page 242 of Plats, Wayne County Records (said alley platted as a "private" alley and subsequently paved and assessed as a public alley).

Be and the same are hereby vacated as a public rights-of-way, which easements shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said rights-of-way and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alleys herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or

mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alleys herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alleys shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants

NEW BUSINESS

Permit

Honorable City Council:

To your Committee of the Whole was referred Petition of Detroit 300 Conservancy (#1295), to host "2016 Season of Winter Magic." After consultation with the Mayor's Office; Buildings, Safety Engineering and Environmental; Business

License Center and Transportation Departments and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,
MARY SHEFFIELD
Chairperson

By Council Member Sheffield:

Resolved, That subject to approval of the DPW — City Engineering Division, Fire, Municipal Parking and Police Departments, permission be and is hereby granted to Petition of Detroit 300 Conservancy (#1295), to host "2016 Season of Winter Magic" at Campus Martius Park and adjacent public spaces on November 2, 2016 - January 31, 2017 with various times with various street closures.

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department and in compliance with applicable ordinances, and further

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department, and further

Provided, That permission for the sale of alcoholic beverages is granted contingent upon petitioner obtaining approval of the Michigan Liquor Control Commission and complying with applicable City ordinances in connection with this activity, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That the site be returned to its original condition at the termination of its use, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages and expenses that may arise by reason of the granting of said petition, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

Law Department

October 24, 2016

Honorable City Council:

Re: REVISED proposed Ordinance to Amend Chapter 5 of the 1984 Detroit City Code, *Amusements*; Article IV,

Sexually-Oriented Businesses; Division 2, *Business License*; by amending Section 5-15-27.

On October 4, 2016, your Honorable Body received and referred to the Public Health and Standing Committee a proposed ordinance, prepared by the Law Department at Council Member Benson's request, to amend Section 5-15-27 of the 1984 City Code. Section 5-15-27 sets forth the procedures for administrative review and denial, suspension, or revocation of a business license for sexually-oriented businesses. Based on and in compliance with multiple court decisions, Section 5-15-27, subsection (f), requires the city to issue a provisional business license to a sexually-oriented business which seeks judicial review of a denial, suspension, or revocation of its business license. The purpose of the proposed ordinance amendment was to clarify that the language of the City Code regarding issuance of the provisional business license does not preclude the city from seeking other appropriate judicial relief.

Upon further review of the proposed language, the Law Department recommends that the proposed ordinance be revised to further clarify that where the city seeks other appropriate relief, including prohibiting the business from operating where operation of the business is a public nuisance, the relief would not effect a suspension of the provisional business license; which would continue until resolution of the issue by the reviewing court.

Accordingly, a revised ordinance has been prepared, approved as to form, and submitted to your Honorable Body for consideration. The Law Department recommends adoption of the ordinance, as revised.

Respectfully submitted,
MELVIN BUTCH HOLLOWELL
Corporation Counsel

By TIMOTHY A. BECKETT
Supervising Assistant Corporation
Counsel, Municipal Section

BY COUNCIL MEMBER BENSON:

AN ORDINANCE to amend Chapter 5 of the 1984 Detroit City Code, *Amusements*; Article IV, *Sexually-Oriented Businesses*; Division 2, *Business License*; by amending Section 5-15-27, subsection (a) to make technical corrections, and by amending subsection (f) to clarify the conditions upon which a provisional business license must remain in effect, to provide that in appropriate circumstances, including where evidence shows that the business is a public nuisance, the city may seek judicial relief to prohibit the applicant or licensee from operating while action is pending in the initial review court, and to clarify the status of the license or provisional business

license upon final judgment of the initial review court and during any appeals or further judicial review.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 5 of the 1984 Detroit City Code, *Amusements*; Article IV, *Sexually-Oriented Businesses*; Division 2, *Business License*; is amended by amending Section 5-15-27 to read as follows:

CHAPTER 5. AMUSEMENTS.

ARTICLE XV.

SEXUALLY-ORIENTED BUSINESSES.

DIVISION 2. BUSINESS LICENSE.

Sec. 5-15-27. License suspension or revocation; hearing procedure for denial, suspension, or revocation of a license.

(a) In accordance with this article, the Director, or his or her designee, of the Buildings, and Safety Engineering, and Environmental Department shall issue a written notice of intent to suspend or revoke a sexually-oriented business license where the Business License Center has information in support of one (1) or more of the following enumerated conditions:;

(1) The licensee has knowingly or intentionally provided false information in the application for the sexually-oriented business license; or

(2) The licensee has knowingly or intentionally engaged in or allowed the illegal possession, use, or sale of controlled substances on the premises of the sexually-oriented business; or

(3) The licensee has knowingly or intentionally engaged in or allowed any specified sexual activity of specified criminal activity to occur in or on the premises of the sexually-oriented business; or

(4) The licensee has knowingly or intentionally allowed a person under the age of eighteen (18) years to consume an alcoholic beverage or appear in a state of nudity or semi-nude on the premises of the sexually-oriented business; or

(5) The licensee has knowingly or intentionally operated the sexually-oriented business during a period of time when the license was suspended or revoked; or

(6) The licensee or the licensed establishment is not in compliance with any provisions of this article regulating the interior configurations of the sexually-oriented business premises; or

(7) The licensee knowingly or intentionally allowed the premises to be used, or admitted persons who used, the establishment, trade, business or occupation as their base of operations for engaging in, to permitting, or to allowing illegal gambling or the use, possession or presence of illegal gambling apparatus or paraphernalia; or

(8) The licensee, or an agent or employee of the licensee, has refused to allow an inspection of the public areas of the premises by an authorized person during regular business hours in accordance with this article; or

(9) The licensee knowingly or intentionally tolerated, on the sexually-oriented premises, multiple violations of this article; or

(10) The licensee knowingly or intentionally violated this article, or knowingly or intentionally allowed a sexually-oriented business employee or any other person to violate this article.

The fact that any relevant conviction is being appealed by the licensee shall not have any effect on the suspension or revocation of the license, provided, that, where any conviction which serves as a basis of a license suspension or revocation is overturned or reversed on appeal, the conviction shall be treated as null and of no effect for license suspension or revocation purposes.

(b) The Business License Center shall send a written notice to the applicant, via first class and certified mail, concerning the City's intent to deny a license pursuant to Section 5-15-23 of this Code, or to suspend or revoke a licensee under this section. The notice shall provide the applicant or licensee with the specific reason, or reasons, for denial, suspension, or revocation and direct that the applicant or licensee attend a hearing before a hearing officer at the Buildings and Safety Engineering Department concerning the notice of intent to deny, suspend, or revoke the license. The notice shall include the date, time and location for the hearing, which shall be scheduled by the hearings officer to occur not less than a ten (10) days, nor more than thirty (30) days, from the date that the notice was mailed to the applicant or the licensee.

(c) At the hearing, the applicant or licensee, as the respondent, shall have the opportunity to be represented by counsel, present evidence and witnesses, cross-examine City of Detroit witnesses, and present all arguments. The City of Detroit is entitled to be represented by counsel, and shall bear the burden of proving the grounds for denying, suspending, or revoking the license. In order to ensure a prompt disposition of the status of the business license, and unless the respondent agrees to a different schedule, the hearing shall take place over consecutive business days.

(d) Where there is a hearing concerning the denial, suspension or revocation of a license to operate a sexually-oriented business, the hearing officer shall render his or her written decision no later than five (5) business days following the date the hearing is concluded.

(e) A suspension of the license shall not exceed ninety (90) days and a revocation of the license shall not exceed one (1) year.

(f) Notwithstanding anything to the contrary in this article, a sexually-oriented business may seek judicial review of any adverse licensing determination through any available equitable remedy.

(1) Where a sexually-oriented business is lawfully operating as a sexually-oriented business on the date on which the completed business application is filed with the Business License Center, upon the filing and service of any action to review, challenge, restrain, or otherwise enjoin the City's enforcement of any denial, suspension, or revocation of a temporary or annual business license, the Business License Center shall immediately issue the applicant or licensee a provisional business license to operate.

(2) The provisional business license shall allow the applicant or licensee to continue operation of the sexually-oriented business pending further action by the initial reviewing court. In appropriate circumstances, including evidence that the business is a public nuisance, the City may seek judicial relief to prohibit the applicant or licensee from operating pending and shall expire upon the entry of the initial reviewing court's judgment in the action.

(3) If the initial reviewing court affirms the adverse licensing determination, the provisional business license shall expire upon the entry of the initial reviewing court's judgment in the action, notwithstanding any subsequent appeals or requests for rehearing or reconsideration by the applicant or licensee.

(4) If the initial reviewing court reverses the adverse licensing determination and the City elects not to appeal or seek further judicial review, the City shall issue a full non-provisional license to the applicant or maintain the pre-existing license of the licensee, as appropriate to the circumstances. If the initial reviewing court reverses the adverse licensing determination and the City elects to appeal the court's decision or seek further judicial review through any available remedy, the provisional license shall continue in effect until the conclusion of such appeal by the City.

(g) Where review of the adverse decision is initiated, the City shall prepare and transmit to the court a transcript of the hearing within the time period required by the court or by the applicable court rules.

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of City Council members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter; if passed by less than a two-thirds (2/3) majority of City Council members serving, it shall become effective no later than thirty (30) days after publication in accordance with Section 4-118 of the 2012 Detroit City Charter.

September 19, 2016

Honorable City Council:

Re: Authorization to Acquire Real Property / Acceptance of Donation 4369, 4381 and 4385 Three Mile, Detroit, MI 48224.

The Detroit Parks & Recreation Department ("DPRD") is hereby requesting the authorization of your Honorable Body to acquire certain real property at 4369, 4381 and 4385 Three Mile, MI 48224 ("Properties") from S.A.Y. Detroit for purposes of opening a new City park in that location. The properties are comprised of

.33 contiguous acres in the Morningside neighborhood located near the intersection of E. Warren and E. Outer Drive.

The Properties, along with the recent play equipment installed at the site by S.A.Y. Detroit, will be donated to the City of Detroit.

We respectfully request your approval to acquire and accept donation of the Properties from S.A.Y. Detroit by adopting the following resolution with a Waiver of Reconsideration.

Respectfully submitted,
DAVID MILLER
Interim Director

Detroit Parks & Recreation Dept.

Approved:

TANYA STOUDEMIRE
Budget Director

By Council Member Sheffield:

Whereas, The City of Detroit through the Detroit Parks & Recreation Department ("DPRD") wishes to acquire certain real property at 4369, 4381 and 4385 Three Mile, Detroit, MI 48224 ("Properties"), which are more particularly described in the attached Exhibit A, from S.A.Y. Detroit; and

Whereas, S.A.Y. Detroit wishes to donate and PRD wishes to accept the Properties for purposes of opening a new City park at that location; and

Whereas, The Buildings, Safety Engineering and Environmental Department has reviewed the environmental conditions of the Properties; and

Whereas, In accordance with Chapter 2, Article I, Division 2 of the Detroit City Code: (1) the City Council finds that the Properties have received appropriate environmental inquiry in accordance with the review referred to in the preceding paragraph; (2) the environmental inquiry has shown that past use of the Properties for the period investigated has been solely for residential purposes and that the Properties do not pose an adverse environmental impact, therefore the Properties are not a facility; and (3) the City Council finds and declares that the preservation of the promotion of the public health, safety, welfare or good outweighs the cost of the environmental inquiry and therefore waives the requirement that the seller bear the cost of the environmental inquiry;

Now Therefore Be It Resolved, That Detroit City Council hereby approves the acceptance of the donation of Properties from S.A.Y. Detroit to the City of Detroit and authorizes PRD to accept the Properties and such donation on the City's behalf; and be it further

Resolved, That the PRD Director, or his authorized designee, be and is hereby authorized to accept and record a deed to the City of Detroit for the Properties, as well as execute any such other docu-

ments as may be necessary to effectuate transfer of the Properties from S.A.Y. Detroit to the City of Detroit for a purchase price of \$0.00.

RESOLUTION REGARDING PROJECT GREEN LIGHT DETROIT

By COUNCIL PRESIDENT JONES:

Whereas, On January 1, 2016, the Detroit Police Department ("DPD") launched the Project Green Light Detroit, a groundbreaking partnership between the City of Detroit, local businesses and community groups; and

Whereas, Partnering businesses throughout the city are equipped with real-time camera connections to DPD headquarters. Each establishment has external Project Green Light Detroit signage that identifies to customers and community members that these locations participate in the project; and

Whereas, DPD has staff dedicated to receive, monitor and analyze the video feeds from Project partners. According to Detroit Police Chief Craig, the program is helping to dramatically decrease response times for occurrences at participating locations; and

Whereas, Participation in Project Green Light Detroit signifies increased

safety of these establishments, should increase patronage of the community, and therefore, would likely make these businesses more desirable options over their competitors; and

Whereas, City Council received complaints that there are multiple businesses throughout the community that are taking advantage of the increased patronage by falsely advertising participation in the program, deceiving the public regarding the enhanced safety potential.

Now Therefore Be It Resolved, That the Detroit City Council hereby urges the Detroit Police Department survey for businesses falsely advertising participation in Project Green Light Detroit so that it may be stopped and to create a reporting protocol for community to report known offenders;

Be It Finally Resolved, That a copy of this resolution be forwarded to the Detroit Police Department, Project Green Light Detroit and the Mayor's Office.

Permit

Honorable City Council:

To your Committee of the Whole was referred Petition of Detroit Police Department, 11th Precinct (#1297), to hold "11th Precinct Veteran's Day Parade & Luncheon." After consultation with the Mayor's Office and careful consideration of the request, your Committee recommends that same be granted in accordance with the following resolution.

Respectfully submitted,

SCOTT BENSON
Chairperson

By Council Member Benson:

Resolved, That subject to approval of the Buildings, Safety Engineering and Environmental Department, DPW – City Engineering Division, and Transportation Departments, permission be and is hereby granted to Detroit Police Department, 11th Precinct (#1297), to hold "11th Precinct Veteran's Day Parade & Luncheon."

Provided, That said activity is conducted under the rules and regulations of the concerned departments and the supervision of the Police Department, and further

Provided, That the required permits be secured should any tents or temporary installations such as Liquefied Petroleum Gas Systems be used, and further

Provided, That site be returned to its original condition at the termination of its use, and further

Provided, That such permission is granted with the distinct understanding that petitioner assumes full responsibility for any and all claims, damages or

expenses that may arise by reason of the granting of said petitions, and further

Provided, That this resolution is revocable at the will, whim or caprice of the City Council.

**City of Detroit
Office of the Chief Financial Officer
Grants Management**

September 27, 2016

Honorable City Council:

Re: Request to Accept and Appropriate the 2016 Port Security Program Award.

The Federal Emergency Management Agency (FEMA) has awarded the City of Detroit Police Department the 2016 Port Security Program Grant for a total budget of \$814,800.00. The Federal share is 75 percent or \$611,100.00 of the approved amount and a cash match of 25 percent or \$203,700. The grant period is 9/1/16 to 8/31/19.

The objective of the grant is to build and sustain core capabilities through enhanced port security. The funding allotted to the department will be utilized to purchase a 36-foot rapid response vessel and related equipment. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the cost center is 372690 for the award and the cost center is 372691 for the match. The appropriation number for both the award and the match is 20293.

I respectfully ask your approval to accept and appropriate funding in accordance with the attached resolution.

Sincerely
NICHELLE HUGHLEY
Deputy CFO

TESTIMONIAL RESOLUTION IN MEMORIAM RICHARD MILO CASTILLO

By COUNCIL MEMBER TATE:

WHEREAS, Richard Castillo, affectionately known throughout the community as "Rich" was one of two children born to Emilio and Mildred Castillo on March 5, 1949; and

WHEREAS, Born and raised in the City of Detroit, Richard was a man who dedicated his life to being of service to others. In his professional capacity, Richard lived his life hands on. He served his country in the reserves by working as a mechanic during the Vietnam War. Richard later went on to work as a medical photographer for Henry Ford Hospital and later owned his own business, Computer Imaging and Designs; and

WHEREAS, Richard Castillo danced to the beat of his own drum and never passed up an opportunity to learn something new. At the age of 16, he earned his pilot's license and flew small planes recreationally with hopes of one day being a military pilot. Richard was also an avid photographer. He could often be seen behind the camera at community events

documenting life as only he could. It was not until 1975 when he took on a new challenge of deep sea diving that he truly found his passion. After retiring in 2011, Richard spent his retirement traveling the world taking deep sea excursions and photographing marine wild life; and

WHEREAS, In 2003, Richard met the love of his life, Amy. The two wed on October 1, 2005 and spent the next 11 years of their lives together. Both Richard and Amy were mainstays in the North Rosedale Park Community. The two loved to cook and were fan favorites in the Annual Rosedale Park Community Chili Cook Off; and

WHEREAS, Richard was a very generous man who gave of himself freely. He frequently volunteered with the North Rosedale Park Civic Association, where he served as Vice President. Richard's kind heart knew no boundaries and his work as a community service volunteer boarding up abandoned houses, painting and cleaning up neighborhoods spoke volumes to his character; and

WHEREAS, On July 23, 2016, Richard passed away unexpectedly. Recognized and respected as a devoted patriarch who gave his life's efforts to the people and beliefs he most cherished, the legacy Richard Castillo leaves behind will forever be engraved in the hearts and minds of all of those who knew him;

NOW THEREFORE BE IT

RESOLVED, That on this 22nd day of October in the year of 2016, Councilman James E. Tate, Jr. and the entire Detroit City Council recognizes the life of Richard Castillo for his unyielding devotion to his family and community. Because of the lasting impact that he made in the lives of so many, Richard will be missed but surely never forgotten.

The Historic Program and Parade is coming up Bring the children to participate.

Council President Jones: Went to the Community NPO Forum that was held on Saturday at Cobo by the Police Department. Thanked the community for coming out and thanked the Police Department for hosting. Mr. Whitaker gave City Council a privileged and confidential document in regards to City of Detroit employees' expenses report. Asked Mr. Whitaker is there any reason why Council cannot waive the privileged and confidential. Also asked the Law Department to opine on employees receiving the expenses paid (such as those reported by the Media of John Hill, Chief of Staff, and others.) A lot of employees and retirees have asked about the legality of people who work for the City receiving housing paid for, internet, and cable. Issue to be referred to the Law Department Asked Ms. Aliyah Sabree of Mayor's Office to ask Administration to submit information to City Council before they read about it in the newspaper. She has a problem with A. Phillip Randolph Institute School going to close for lack of attendance and misappropriation of funds; asked and encouraged her colleagues to talk to whoever, that may or may not be, on the school

board for a possibility of that school to become a trade school, so that it remains open. **TESTIMONIAL RESOLUTION
FOR
OFFICER TAMIKA GUICE
"20 Years of Dedicated Service"
Detroit Police Department**

By COUNCIL PRESIDENT JONES:

WHEREAS, On July 19, 2016, Officer Tamika Guice, badge 3619, assigned to Traffic Enforcement, retired from the Detroit Police Department (DPD) after twenty (20) years of exemplary service to the citizens of the City of Detroit; and

WHEREAS, Officer Tamika Guice was appointed to the Detroit Police Department on June 24, 1996. In addition to Traffic Enforcement, she was assigned to various commands, including the Fourth, Sixth and Twelfth Precincts, Mobile Support Section, Training and Professional Development, Tactical Mobile Unit, Tactical Support and the Metropolitan Division; and

WHEREAS, During her twenty year career with the Detroit Police Department, Officer Guice was the recipient of numerous departmental awards, which included the Chief's Unit Award, Chief's Merit Award, Perfect Attendance and Lifesaving Awards. In addition, she has received many Commendations and Certificates of Appreciation. Officer Tamika Guice has served the Detroit Police Department and the citizens of the City of Detroit with loyalty, professionalism, integrity, and dedication.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, does hereby commend and thank Officer Tamika Guice for her positive contributions to the Detroit Police Department and for many years of dedicated law enforcement service. We wish her a healthy and enjoyable retirement!

**RESOLUTION
IN MEMORIAM
GEORGIA DELL BRADSHAW**

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Georgia Dell Bradshaw, a beloved wife, mother, daughter, grandmother, great-grandmother, sister, aunt, cousin and friend to many who was granted her angel wings on September 24, 2016; and

WHEREAS, Georgia was born on March 23, 1951, in Inkster, Michigan, to Veldree Holley and the late Louis Charles Holley. She was the youngest of two children. Georgia received her adolescent education in the Inkster and Detroit Public School systems, graduating from MacKenzie High School. Georgia was united in holy matrimony with the love of her life, Corbit Austin Bradshaw, on April 1, 1970. From this union, four daughters were born; and

WHEREAS, Georgia was a woman who loved her family and gave tirelessly to make sure their needs were met. In addition to her unwavering commitment, Georgia was a second mother to many children over the years. She was a kind and generous person who had so much love to give and just wanted to share her knowledge and wisdom with others. Georgia was not only a dedicated stay-at-home mom, she was quite ambitious and for many years operated several home-based businesses. She prepared tax returns and sold Avon and Tupperware products as an independent distributor. Georgia loved to cook and was well-known for making the best cakes, cookies, and banana pudding. She was a straight-talking, no-nonsense, tell-it-like-it-is kind of woman who also liked to read and write; and

WHEREAS, Georgia was raised in the church and, in 2015, she fully committed herself to serve Christ by being baptized on December 12, 2015. She had an intense focus on having a relationship with God. Georgia was a wonderful role model for her children, grandchildren, great-grandchildren and extended family. She was an awesome woman who lived an amazing life. Georgia Dell Bradshaw leaves behind to cherish and celebrate her memory, her devoted husband, Corbit; four daughters, Shalon (Scott) Banks, Nicole Gulley, Stacie (Josh) Bacon and Stephanie Bradshaw; four grandchildren, Ashley, Tashari, Christopher and Stephan; a great-grandson, Lemuel; her mother, Veldree Holley; her sister, Gloria (Harold) Fuller and a host of loving cousins, nieces, nephews, friends and church family.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President

Brenda Jones, hereby expresses its condolences and joins with family and friends in celebrating the life of Georgia Dell Bradshaw.

**TESTIMONIAL RESOLUTION
IN MEMORIAM**

ELEANOR WHITAKER CRAIG

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Eleanor Whitaker Craig, a loving and devoted wife, mother, sister, grandmother, great-grandmother and friend to many who was granted her angel wings on September 15, 2016; and

WHEREAS, A native of Detroit, Michigan, Eleanor Whitaker Craig was born on November 25, 1932, to the late William McKinley and Ruth Reid Whitaker. She was the second eldest of eight children. Eleanor accepted Christ at an early age and was baptized at Hartford Avenue Baptist Church. She enjoyed church and was a member of the Junior Usher Board and the Baptist Young Peoples Union, along with her sister Sallie. Eleanor received her adolescent education in the Detroit Public Schools system, graduating from Northwestern High School in 1951. As a young adult, she enjoyed roller skating at the Arcadia roller rink with her sisters, Madelyn and Sallie on Tuesday nights. They were driven to the rink by her beau, James Craig; and

WHEREAS, Eleanor and James continued to date after high school. When James enlisted for the Korean War, he asked her to wait for him. During this time, Eleanor worked at the Internal Revenue Service. Eleanor and James were united in marriage on November 26, 1955. To this union, the couple were blessed with five children: James E. Craig, Jr., Margaret Patrice, Martin Patrick, Jeanine Annette and Carolyn Lenore. Eleanor enjoyed the rewarding job of being a housewife and raising her children for twenty-one years. Along with caring for her family, Eleanor worked at the Detroit Election Commission for over forty years. She also served as a crossing guard for many years in the 1970s and volunteered at Detroit Open School in the early 80s. At the age of forty-eight, Eleanor decided to go back to school. It was then she started working part-time at J.C. Penney at the Northland Mall to pay for her college education. Eleanor attended Wayne County Community College and Wayne State University. She obtained a Bachelor's degree in 1986 and a Master's degree in Social Work in 1990. Eleanor worked as a

Social Worker with the City of Detroit at Catholic Social Services and then at Herman Kiefer until her retirement; and

WHEREAS, Eleanor and James Craig Sr. were happily married for over sixty years. She was truly an inspiration to her children and they often said that their mother was the smartest person they knew! Eleanor had such a wealth of knowledge and experience, that her name could have been 'Google'; and

WHEREAS, Eleanor was a proud and dedicated member of Hartford's Cathedral Choir for many years. She was a member of the Fred Hart Williams Genealogical Society. Eleanor loved spending time reading, sewing and listening to music. She also enjoyed walking (more sitting and talking) with the Northland Pacers, working in the garden; planting flowers, tomatoes, cucumbers and peppermint leaves for her tea. On September 15, 2016, Eleanor's long journey with illness ended and she received her wings to Heaven. Eleanor Whitaker Craig has been a good servant and ensured that the values and traditions by which she lived would exist in the hearts of those she cherished for years to come.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby joins with family and friends in honoring the life and legacy of Eleanor Whitaker Craig. She will be greatly missed and her contributions and the lessons she taught will live on forever.

Adopted as follows:

CITY COUNCIL

(ADJOURNED SESSION)

(All Action of the City Council appearing herein is subject to reconsideration and/or approval of the Mayor.)

Detroit, Wednesday, October 26, 2016

Pursuant to adjournment, the City Council met at 2:30 P.M., and was called to order by the President Brenda Jones.

Present — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Sheffield, Tate, and President Jones — 7.

There being a quorum present, the City Council was declared to be in session.

RESOLUTION FOR HIRING OUTSIDE COUNSEL TO ADVOCATE CITY COUNCIL AUTHORITY OVER DETROIT WATER AND SEWERAGE DEPARTMENT (DWSD) RATES AND BUDGET

By All Council Members:

Whereas, City Council has received certain legal memoranda regarding corporation counsel's opinion as to Council's authority over DWSD retail rates and departmental budget; and

Whereas, City Council requested and obtained from Corporation Counsel a legal opinion dated September 30, 2016, entitled, "Authority of Detroit Water and Sewerage Department as to Rate-making"; and

Whereas, Said legal opinion of Corporation Counsel fulfills the requirements of City Charter section 7.5-208, "which details which party's position is consistent with the current state of the law", therefore necessitating representation for City Council from an outside law firm or outside attorney; and

Whereas, Pursuant to section 4-121 of the City Charter, City Council is expressly authorized to "obtain the opinion or advice of an outside law firm or outside attorney in any matter pending before it. Where there exists a conflict of interest between the City Council and another branch of government, the City Council has the authority to retain an outside law firm or outside attorney who shall represent the City Council in legal proceedings, in accordance with section 7.5-208;" and

Whereas, On October 25, 2016, Corporation Counsel confirmed that the Law Department is responsible for, and will pay, independent counsel's fees and costs, while management of the legal services contract will be the responsibility of the Legislative Policy Division.

Now, Therefore Be It

Resolved, That the City Council autho-

rizes retention of Valdemar L. Washington as outside counsel to consult and represent Council's interests as to the rights and obligations of Council and other relevant City Government officers with respect to approving DWSD retail rates and budget; and be it further

Resolved, That as confirmed by Corporation Counsel, Judge Washington's fees and costs for representation of City Council will be paid from Law Department appropriations because representations by a Law Department attorney would present a conflict of interest. Management of the legal services contract will be the responsibility of the Legislative Policy Division.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Sheffield, Tate and President Jones — 7.

Nays — None.

*WAIVER OF RECONSIDERATION (No. 1), per motions before adjournment.

Honorable City Council:
Re: Phillip Gauley vs. City of Detroit.
Case No.: 15-009229-NI. File No.: L15-00629.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Four Hundred and Fifty Thousand Dollars and No Cents (\$450,000.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Four Hundred and Fifty Thousand Dollars and No Cents (\$450,000.00) and that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Auto Accident Attorneys, PLLC, and Phillip Gauley to be delivered upon execution of a Release and entry of a Stipulated Order for the Dismissal of Case No. 15-009229-NI.

Respectfully submitted,

City Planning Commission

October 24, 2016

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of exterior changes to Two Washington Boulevard (RECOMMEND APPROVAL).

REQUEST

The City Planning Commission (CPC) has received the request of Stephen Berry Architectural Design, Inc., on behalf of Crowne Plaza Pontchartrain, for special district review for a proposed ballroom/conference room addition to the terrace area at Two Washington Boulevard, located in Downtown Detroit.

The subject property is zoned PCA (Public Center District Adjacent), a classification which calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-186 and 61-11-97 of the Zoning Ordinance).

BACKGROUND

The building at Two Washington Boulevard is owned by Pontchartrain Detroit Hotel, LLC and operates as a 25-story hotel, with 367 guest rooms, including more than 60 suites, as well as an indoor pool, business center, ballroom and 10,000 square feet of meeting space.

The work items described below have been jointly reviewed by Planning and Development Department and City Planning Commission.

PROPOSED WORK

The developer proposes to make exterior alterations to the existing hotel by adding a new one story, 22'6" tall glass, 11,000 square foot, steel and EIFS (exterior insulation finish system) clad structure atop the terrace level. Renderings of the proposed addition are attached for your review.

CPC STAFF REVIEW

Section 61-11-97 of the Detroit Zoning Ordinance, "PCA District review criteria" lists 18 criteria which must be taken into consideration when a proposal is being reviewed for consistency with the spirit, purpose and intent of the PCA district. The site plans as presented meets the criteria as it relates to exterior design, appearance and exterior alterations.

The architect's choice of materials consist of comparable glass which is present in both the existing tower of the Crown Plaza Hotel as well as Cobo Hall and

Arena, both light and dark metals and an identical EIFS, which is present along the terrace area and base of the hotel. The color palate proposed is complementary to the existing façade of the structure.

In February, 2016 the petitioner submitted a varied site plan which consisted of a proposed ballroom addition comprised of a light-weight aluminum frame, polyester fabric membrane and glass windows fronting on W. Jefferson Avenue. Based on the design, appearance and materials proposed at that time the site plan was found to be deficient and did not meet the design standards for the PCA district.

Since that time several meetings have been held between the Planning and Development Department's design staff for the central district, CPC staff and representatives from Crown Plaza Pontchartrain to address the concerns expressed by the Commission and staff as it relates to design and functionality of the proposed space.

In addition to the proposed ballroom, which as presented reflects a more traditional architectural form, the site plans submitted show the addition of a pedestrian stairwell on the eastern exposure of the existing tower. The renderings show the inclusion of a fabric canopy which is intended to not only cover the proposed stairwell, but provide continuity with the pre-existing membrane covering the main entrance off of W. Jefferson Avenue, approved by your Honorable Body in 2012. In reviewing this element of the proposed site plan careful consideration was given to the avoidance of visually isolated public spaces.

During deliberations, consideration was given to several of staff's recommendations in terms of scale, form, massing, density, materiality, general appearance and function to ensure that the proposed expansion would not adversely affect the value of adjacent properties.

The P&DD and CPC believe the proposed site plans meet the PCA District review criteria as listed in Section 61-11-97 and have prepared the following determination.

RECOMMENDATION

The CPC believes that the proposed addition to the terrace area regarding scale, form, massing and density are appropriate to the nature of the project and relate well to the existing and surrounding development. We find the proposal to be compatible with the surrounding development in terms of land use, general appearance and function and that it does not adversely affect the value of adjacent properties. We recommend approval of the proposed design with one condition; that final site plans, elevations, landscaping, lighting and signage plans be submitted to the staff of the City

Planning Commission for review and approval prior to application being made for applicable permits. Staff has prepared and attached, for the consideration of Your Honorable body, a resolution for approval.

Respectfully submitted,

LESLEY CARR-FARROW

By Council Member Leland:

Whereas, Crowne Plaza Pontchartrain proposes to make exterior alterations to the building at Two Washington Boulevard; and

Whereas, The subject property is located within a PCA (Public Center Adjacent) zoning district; and

Whereas, The Planning and Development Department has provided their comments as to the appropriateness of the proposed alterations issued September 18, 2016 by the Central District Design Director; and

Whereas, On Thursday, October 13, 2016 the City Planning Commission voted to recommend approval of the proposed alterations in accordance with the PCA District review criteria as listed in Section 61-11-97 of Chapter 61 of the Detroit City Code, 'Zoning.'

Now, Therefore Be It

Resolved, That the Detroit City Council hereby approves the proposed alterations to Two Washington Boulevard as depicted in the drawings prepared by Stephen Berry / Architectural Design Inc. bearing the date of September 16, 2016, with the following condition:

1. That final site plans, elevations, landscaping, lighting and signage plans be submitted to the staff of the City Planning Commission for review and approval prior to application being made for applicable permits.

City Planning Commission

October 21, 2016

Honorable City Council:

Re: Comprehensive Signage Plan to facilitate ongoing PCA (Public Center Adjacent) Special District Review of signs at First National Building, 660 Woodward Avenue.

REQUEST

As one of the largest buildings in the PCA (Public Center Adjacent) district, the

First National Building is unique in that it features numerous street-level storefronts and a diverse range of retail office tenants. The CPC staff has recently received, via the Buildings, Safety Engineering and Environmental Department application process, two sign applications for review, and we anticipate additional applications in the future as vacant units become occupied or as occupant turnover occurs. In order to facilitate ongoing and future review, and to encourage a comprehensive and cohesive approach to building sign design, CPC staff has requested that Bedrock, the building owner and operator, provide a Comprehensive Signage Plan (dated September 16, 2016; attached) for review by the Honorable City Council.

As the subject property is zoned PCA (Public Center District Adjacent), City Council approval of any exterior change is required, following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

Section 7.5 of the City Planning Commission bylaws allows staff to review "minor exterior alterations in the PD, PC and PCA zoning districts" and take action on behalf of the Commission. Typically, the CPC staff has interpreted as "minor" all signage that is consistent with the provision of Section 3-7-5 of the City Code and is not animated, flashing or otherwise expected to have an undue impact upon the surrounding area. Consequently, CPC staff presents the Comprehensive Signage Plan to the Honorable City Council on behalf of the City Planning Commission.

SUMMARY OF PROPOSAL AND EXISTING CONDITIONS

The subject property presently features a number of internally-illuminated channel letter signs, blade signs, awning signs, and window signs. Several of these signs proceeded previously through the Special District Review process independently of one another, and others appear to have been erected without benefit of Special District Review.

The Comprehensive Signage Plan depicts both existing and proposed signage. The plan shows, on the north elevation, the building topped by a channel letter sign (proposed) for Title Source, the building's signature tenant, as well as featuring a sign band with channel letters for the United Way (proposed) and an unnamed future tenant, a canopy sign (existing) and channel letter sign (existing) for Central Kitchen and Bar, and a channel letter sign (existing) and blade sign (proposed) for the Roasting Plant.

The northwest elevation shows channel letter signs for the Roasting Plant (exist-

ing), Shake Shack (proposed), and Honigman (existing).

The west elevation features a channel letter sign (proposed) for Shake Shack, also underscored by a backlit stainless steel textual element.

The south elevation indicates existing illuminated blade signs for subway, Salon Detroit and Lunchtime Global.

The east elevation depicts a non-illuminated wayfinding sign for the First National Garage.

Existing window signs and street-level identification and wayfinding signs are not specifically depicted in the Comprehensive Signage Plan.

PRIOR SIGN APPLICATIONS

Two building tenants, Shake Shack and United Way, have previously submitted sign applications to the Buildings, Safety Engineering and Environmental Department. CPC staff has deferred review of these applications until review of the Comprehensive Signage Plan is complete.

CPC STAFF REVIEW

The CPC staff has reviewed the September 16, 2016, Comprehensive Signage Plan submitted by Bedrock with respect to the concerns described below.

Area of Signs

In zoning districts that do not require City Council review, allowable sign area is defined by Section 3-7-5 of the City Code. Although the formula provided in that section¹ is not binding in the PCA district, CPC staff nonetheless looks to Section 3-7-5 as a reasonable standard worthy of consideration in the case of Special District Review.

In this case, we estimate the building frontage elevation of the subject property to be 604 feet, yielding an acceptable total sign area of approximately 1,570 feet. The total sign area depicted in the September 16, 2016 Comprehensive Signage Plan provided by Bedrock is 584 feet (including the "Central" awning sign which is not specified in the plan but measures 83 square feet in area), although areas for the three blade signs and the parking garage identification sign are not described in the plan. Small, street-level identification and wayfinding signs, mentioned above, will also add somewhat to the sum. In total, the sign area depicted in the Comprehensive Signage Plan appears to be 700 square feet at most, well within the recommended maximum.

We further note that some signs shown in the Comprehensive Signage Plan are placeholders for yet-to-be-identified tenants; consequently, final signage area will be slightly different than that proposed in the plan once names and logos of tenants are finalized.

Aesthetic Character of Signs

As mentioned above, the largest and most prominent signs proposed will feature vinyl, internally-illuminated channel

letters. This type of sign is common in the Central Business District, and examples have been previously approved by the Honorable City Council for the subject property. Raceways will be entirely concealed, providing an above-average quality of design. Blade signs will be of a scale and design appropriate for the central business district. No signs will be animated or flashing.

Placement of Signs

Section 3-7-3 of the City Code requires that signs be placed in such a manner as to not conceal any architectural feature of a building. The Comprehensive Signage Plan appear to meet this guideline.

Approval Criteria

Approval criteria are provided in Section 61-11-97 of the Zoning Ordinance. Applicable criteria as follows:

(1) The proposed development should reflect applicable policies stated in the Detroit Master Plan;

(2) Scale, form, massing and density should be appropriate to the nature of the project and relate well to surrounding development;

(3) The proposed development should be compatible with surrounding development in terms of land use, general appearance and function and should not adversely affect the value of adjacent properties;

(4) Vehicular and pedestrian circulation facilities should be adequately designed to meet expected demands; disruption of traffic flow in surrounding areas should be minimized; truck traffic should be carefully planned and controlled;

(11) Signage and graphics should be tastefully designed to be visually appealing and in character with surrounding development; they should provide needed information, direction and orientation in a clear and concise manner;

(14) Preservation/restoration of buildings having architectural or historic value should be considered a primary objective;

(15) Urban design elements of form and character should be carefully considered; such elements include, but are not limited to: richness/interest of public areas through the provision of storefronts, window displays, landscaping, and artwork; color, texture and quality of structural materials; enclosure of public spaces; variations in scale, squares, plazas and/or "vest pocket parks" where appropriate; continuity of experience visual activity and interest; articulation and highlighting or important visual features; preservation/enhancement of important views and vistas.

We suggest that the Comprehensive Signage Plan satisfies the approval criteria for the PCA district.

PLANNING AND DEVELOPMENT DEPARTMENT REVIEW

As noted above, Planning and Development Department review is

required prior to City Council action in cases of Special District Review. We have invited the Planning and Development Department staff to provide comment on the Comprehensive Signage Plan.

As the First National Building is located in the Financial District, a historic district, Historic District Commission review is also required for all signage. Due to the provisions of Chapter 25 of the City Code, as well as the Historic District Commission bylaws, the Historic District Commission and its staff will necessarily take separate action on individual sign applications as they are made. This Historic District Commission has already issued a Certificate of Appropriateness each for the aforementioned Shake Shack and United Way signs on July 17, 2016 and October 4, 2016, respectively.

CPC STAFF ACTION ON FUTURE SIGN APPLICATIONS

Should the Honorable City Council favorably review the Comprehensive Signage Plan, we would suggest that your Honorable Body allow the CPC staff to review, and approve as warranted, any future sign applications for the subject building. Should the Honorable City Council elect to take this action, CPC staff review would necessarily consider any future sign application for consistency with the spirit of the Comprehensive Signage Plan. Proposed signs would also be reviewed for compatibility, in term of color, scale, area, and other aesthetic considerations, with previously approved and existing signage installed upon the subject building, in order to ensure a consistent use of signage throughout the building exterior.

For consideration, a resolution is attached.

¹ "Except for businesses within developments that require City Council approval of plans, the maximum total area of all business signs for each business shall be the greater of twenty (20) percent of a business' building frontage elevation or one (1) square foot per each linear foot of business street frontage, not to exceed a total of five hundred (500) square foot . . . the building frontage elevation is calculated by multiplying the length of the front facade of the building of which the signage is to serve by thirteen (13) feet."

City Planner/Historic Planner

By Council Member Leland:

Whereas, 660 Woodward Avenue, the First National Building, is located within a PCA (Public Center Adjacent) zoning district and, therefore, exterior alterations to the subject property are subject to special district review by the City Council; and

Whereas, Bedrock the property manager, has prepared a Comprehensive

Signage Plan dated September 16, 2016, for the building; and

Whereas, The City Planning Commission staff has determined the total sign area depicted in the Comprehensive Signage Plan to be less than seven hundred (700) square feet, well within the total allowable sign area specified by formula in Section 3-7-5 of the City Code for zoning districts not subject to City Council Review, and has recommended this formula as generally appropriate for the PCA district as well; and

Whereas, The City Planning Commission staff, acting on behalf of the City Planning Commission in accordance with Section 7.5 of its bylaws, has suggested that the Comprehensive Signage Plan is consistent with the spirit and intent of the PCA district; and

Whereas, A separate permit application to the Buildings, Safety Engineering and Environmental Department will be required for each individual sign depicted in the Comprehensive Signage Plan and, consistent with Sec. 61-3-182 of the Zoning Ordinance, the City Council approves, by resolution, any such permit application subsequent to receipt of a report and recommendation from the Planning and Development Department and the City Planning Commission; and

Whereas, Final signage is expected to differ somewhat in design, color, and area from that depicted in the Comprehensive Signage Plan in order to accommodate the needs of future building tenants;

Now, Therefore, Be It

Resolved, That the Detroit City Council finds the Comprehensive Signage Plan prepared by Bedrock and dated September 16, 2016, to be consistent with the approval criteria for Special District Review in the PCA district found in Section 61-11-97 of the Zoning Ordinance; and

Now, Therefore, Be It Further

Resolved, The Detroit City Council authorizes the Planning and Development Department and the City Planning Commission to jointly review, approve, approve with conditions, or deny, any future permit applications for signage at 660 Woodward Avenue, the First National Building, provided that such signage is in keeping with the spirit of the Comprehensive Signage Plan and total sign area remains within the allowable sign area described by formula in Section 3-7-5 of the City Code.

October 10, 2016

Honorable City Council:

Re: Jefferson Village Project Area — Storm Water Separation Project.
Property Transfer: 588, 600 Harding and 587 Montclair.

The City of Detroit Planning and Development Department ("P&DD") has received a request from The Neighborhood Development Corporation of the Economic Development Corporation of the City of Detroit ("NDC") for the conveyance by the City of Detroit (the "City") of 588, 600 Harding and 587 Montclair. The property consists of vacant land containing approximately 10,900 square feet and is zoned R-2 (Two Family Residential).

These parcels are located within the NDC Jefferson Village Project area. On March 8, 2003, your Honorable Body approved the Jefferson Village Project Plan. The project area is generally bounded by Harding St. to the west, E. Jefferson to the north, St. Jean St. to the east and on the south by Freud St. The project area is zoned R-2, except for the parcels along E. Jefferson which are zoned B-4 (General Commercial).

The Project Plan contemplates that the City would acquire properties within the project area and subsequently transfer these properties to the NDC for a nominal value. Thereafter, the NDC would cause the redevelopment of such properties through third party developers selected by the NDC. The intent of the project is to assemble land for the development of single family residential market rate homes with supportive commercial development, infrastructure improvements and greenspace.

As part of said infrastructure improvements, the NDC is seeking to acquire 588, 600 Harding and 587 Montclair from the City. Together with other properties under the NDC's ownership, they propose to construct a new storm water management system within the project area. This is allowable in both a R-2 and B-4 zone. The permitting process is to be coordinated through the Department of Public Works (DPW) and the Detroit Water and Sewerage Department (DWSD).

We, therefore, request that your Honorable Body approve the attached resolution and authorize the Mayor of the City of Detroit, or his authorized designee, to execute a Quit Claim Deed to The Neighborhood Development Corporation of the Economic Development Corporation of the City of Detroit, a Michigan Public Body Corporate, for the amount of \$1.00, together with such other documents as may be necessary or convenient to effectuate the transfer of 588, 600 Harding and

587 Montclair to the NDC, in order for the NDC to carry out the intents and purposes of the Project Plan.

By Council Member Leland:

Whereas, On March 8, 2003, the Detroit City Council approved The Neighborhood Development Corporation of the Economic Development Corporation of the City of Detroit's (the "NDC") Project Plan for Jefferson Village; and

Whereas, The Project Plan encompasses that area in the City of Detroit (the "City") generally bounded by Harding St. on the west, E. Jefferson Avenue on the north, St. Jean St. on the east and Freud St. on the south, hereto (the "Project Area"); and

Whereas, The Project Plan contemplates that the City would acquire properties and subsequently transfer such parcels to the NDC for nominal value, and the NDC would cause the redevelopment of such properties through third party developers selected by the NDC; and

Whereas, The NDC seeks conveyance of 588, 600 Harding and 587 Montclair in order to construct a storm water management system within the Project Area, the property is zoned both R-2 (Two Family Residential) and B-4 (General Commercial), such use is permissible; and

Whereas, P&DD has investigated current and potential uses of the parcels, has determined such parcels are not currently used by the City and are not essential to the City; and

Whereas, The Detroit City Council has determined that the transfer of 588, 600 Harding and 587 Montclair to the NDC for \$1.00 (i) is consistent with the objectives set forth in the Project Plan, (ii) is in the best interests of the City, and (iii) will serve a valid public purpose by eliminating blight and enhancing infrastructure within the Project Area, all of which will advance the economic prosperity of the City and its citizens by attracting new or retaining residents and commercial enterprises in the City;

Resolved, That 588, 600 Harding and 587 Montclair, more particularly described in the attached Exhibit A, may be transferred and conveyed to The Neighborhood Development Corporation of the Economic Development Corporation of the City of Detroit, a Michigan Public Body Corporate, for one dollar (\$1.00), for redevelopment as contemplated by the Project Plan; and be it further

Resolved, That the Mayor of the City of Detroit, or his authorized designee, is hereby authorized to execute and deliver to The Neighborhood Development Corporation of the Economic Development Corporation of the City of Detroit, a

Petition No. 686, Steve Leggat request to vacate and convert to easement the north-south alley, 16 feet wide and the east-west alley, 20 feet wide, all in the block bounded by Winchester Avenue, 50 feet wide, East Eight Mile Road, 204 feet wide, Wexford Avenue, 50 feet wide and Binder Avenue, 50 feet wide.

The petition was referred to the City Engineering Division – DPW for investigation (utility review) and report. This is our report.

The request was made to provide security for the business at 3910 E. Eight Mile road.

The Department of Public Works (DPW) requires consent of 100% of abutting property owners. DPW has had all other necessary responses from City departments and utility companies. The petitioner has been unable to obtain the needed signatures for the petition for a period of one year.

DPW will be in contact with the petitioner to try to find an alternative to the requested closure, but will require a new petition if some compromise can be reached.

Whereas, The petitioner Steve Leggat has been unable to provide the necessary consent of the adjoining owners.

Therefore, City Engineering Division – DPW recommends **DENIAL** of this petition request.

**TESTIMONIAL RESOLUTIONS AND
SPECIAL PRIVILEGE
FOR**

**FIRST PROGRESSIVE
MISSIONARY BAPTIST CHURCH
75th Church Anniversary**

By COUNCIL MEMBER BENSON:

Whereas, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon

Whereas, With a deeply rooted commitment to growing the Body of Christ, First Progressive Missionary Baptist Church is celebrating 75 years of service in the City of Detroit; and

Whereas, First Progressive Missionary Baptist Church began in the home of Reverend and Mrs. Claude Moore. They formally organized as a church on July 16, 1941. The church was led by Reverend E. J. Jackson and joined by Deacon and Mrs. Alexander, the Lowreys and the Logans; and

Whereas, First Progressive Missionary Baptist Church purchased the first church building located at 123 Mt. Vernon Avenue along with a twelve room house. Their second home was a storefront on Lyman Street. After steady growth the third place of worship was located at 4119 Lemay Avenue. The congregation was led by Reverend Jackson until his retirement in May, 1951. Afterwards Reverend L. W. White was elected the pastor and remained for three months. Next Reverend O. C. Thomas served as the leader for ten years and retired in 1966; and

Whereas, First Progressive Missionary Baptist Church on May 13, 1967 elected R.W. McClendon as Pastor. Under his leadership the church grew by liquidating the current mortgage and acquiring additional property. The present location at 10103 Gratiot was purchased in November, 1974. The balance was paid off in five years. This beautiful new edifice opened its doors on Sunday, March 2, 1975 with a grand motorcade led by Pastor McClendon, officers and Reverend Cantrell, Sr.

After 44 years of leading God's people Pastor McClendon passed the torch to Reverend James Wheeler; and

Whereas, First Progressive Missionary Baptist Church under the leadership of Pastor James Wheeler has made great strides in the congregation and community. Reverend Wheeler is the founder of the Reverend and Mrs. R. W. McClendon Library and Nan Estelle Children's Church of First Progressive Missionary Baptist Church. He also added an annual Grandparents Day, Healing and Holy Month, monthly birthday celebrations and a Christian Education Ministry. For the community, the congregation has an annual festival and dinner that will soon become quarterly;

Now Therefore Be It

Resolved, That the Office of Detroit City Councilman Scott Benson and the Detroit City Council congratulates First Progressive Missionary Baptist Church on your 75th Church Anniversary. May god continue to bless your endeavors as you work to grow the body of Christ.

**TESTIMONIAL RESOLUTION
FOR
EXODUS MISSIONARY
BAPTIST CHURCH**

45th Church Anniversary

By COUNCIL MEMBER BENSON:

WHEREAS, With humble beginnings and a deeply rooted commitment to growing the body of Christ, Exodus Missionary Baptist Church is celebrating 45 years of service in the City of Detroit; and

WHEREAS, Exodus Missionary Baptist Church was organized on Monday, October 4 1971 at 5112 Hurlbut Street in Detroit, Michigan. The founding members were Morgan and Clara Howze, Levi and Vernita Howze, AC and Doris McDaniel, Jesse Koger and Dorothy Perry. After much deliberation the members voted to name the church Exodus; and

WHEREAS, Exodus Missionary Baptist Church settled at 4708 Cadillac Boulevard and Reverend J.J. Perry was the first Pastor. The first service was on the 3rd Sunday, October 1971. On April 16, 1972 the church moved to 10416 East Warren Avenue. The membership grew from a dedicated few to 56 members. Their current place of worship is located at 8173 Kenny Street. They moved there on March 20, 1977; and

WHEREAS, Exodus Missionary Baptist Church officially organized as "Missionary Baptist Church" on June 11, 1972 according to the Missionary Baptist Doctrine. The Baptist Standard Covenant and Articles of Faith were adopted; and

WHEREAS, Exodus Missionary Baptist Church has a rich history of providing services and support to the surrounding community. The first baptism service was held on Sunday, May 7, 1972 at that time twenty-three souls were saved and baptized. In November 1973 the first Harvest Rally was held. The church also formed the Exodus Gospel Band and Mission Department. The Planning Committee was organized in January 1989 and the Laymen was organized the following year. Over the years they have also provided the community and congregation members with a door to door ministry, utility, housing and tuition assistance programs. The church hosts teen and safe Halloween nights, food baskets for Thanksgiving and Christmas and weekly food baskets for one hundred families;

NOW, THEREFORE BE IT

RESOLVED, That the Office of the Council Member Scott Benson and Detroit City Council congratulates Exodus Missionary Baptist Church on your 45th Church Anniversary. May God continue to bless your endeavors as you work to grow the body of Christ.

FOR**

PASTOR ROBERT E. HUNTER

37th Pastoral Anniversary

By COUNCIL MEMBER BENSON:

Whereas, Pastor Robert E. Hunter was born to the union of Robert Leroy and Mary Hunter on September 12, 1947. His family moved to Detroit, Michigan after his ninth birthday. He attended the Detroit Public Schools and graduated from MacKenzie High School in 1966; and

Whereas, Pastor Robert E. Hunter joined the United States Army. During his career he became a para trooper for the 82nd Airborne Division. He served in the Vietnam War; and

Whereas, Pastor Robert E. Hunter joined in holy matrimony to the love of his life Vivian Annette Hunter in 1968. This union was blessed with four children: Shondra, Corey, Andre, and Crystal. At the age of twenty-five the loving couple accepted Christ as their personal Savior. In 1974 he moved his family to Colorado Springs, Colorado where he received an Associates of Theology degree from Nazarene Bible College; and

Whereas, Pastor Robert E. Hunter served as co-pastor with his mother-in-law, Reverend Rosa Hunter for two years. This was his first experience as a minister. In 1979 he led his family back to Detroit, Michigan. The new Grace Church was organized Sunday, July 1, 1981 by

the district superintendent assisted by Warren A. Rogers with fourteen charter members and associates. This marked the beginning of thirty-seven years of ministry and growing the body of Christ. He also serves as the president of the zone IV Black Strategy Committee; and

Whereas, Pastor Robert E. Hunter is a devoted husband, father, and grandfather. He has dedicated his life to serving the community and spreading the gospel of Christ; and

Therefore Be It

Resolved, That the Office of Councilman Scott Benson and the Detroit City Council congratulates Pastor Robert E. Hunter on his 37th Pastoral Anniversary. May God continue to bless and grow your ministry as you work to further the gospel and spiritual progression of God's children.

TESTIMONIAL RESOLUTION IN MEMORIAM

REVEREND DOCTOR

WILMA ROBENA JOHNSON

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Reverend Dr. Wilma R. Johnson, a loving and devoted pastor, wife, mother, grandmother, daughter, sister, aunt, and a beacon in the community who departed this life and entered into the gates of heaven on September 30, 2016; and

WHEREAS, Wilma Robena Johnson was born December 23, 1951, in Millville, New Jersey. In 1983, she met David, the love of her life at a fraternity party in New Jersey. She was involved in the ministry at the time and, in 1984, Wilma and David united in Holy Matrimony and became one. In 1989, they moved their family to Detroit, Michigan and they made Hartford Memorial Baptist Church their church home, they were under the leadership of Rev. Dr. Charles G. Adams; and

WHEREAS, In 1991, Rev. Dr. Adams recognized Wilma's ministry and her spirit. He hand-picked her to serve as associate pastor at Hartford until 1998. While under Rev. Dr. Adams guidance, Wilma cultivated her style and in 1999, God chose to select, direct and position Wilma as the

pastor of New Prospect Baptist Church on Detroit's Northwest side. Affectionately called "Pastor J" by her congregation, she was the embodiment of the four things she promised: Preaching, Teaching, Loving and Praying! During her 17 years as pastor, she led several changes at the church, creating a new "spiritual landscape." Pastor J implemented a free monthly meal open to all neighborhood residents, sent clothes and shoes to Haiti, supported local businesses with donations and cared for ailing congregants and led a 30 minute worship service with dinner at Orchestra Towers, a low-income housing apartment. She has left a lasting imprint on the church, the community and on the world; and

WHEREAS, Pastor J's educational background helped to equip her to lead her congregation. She held degrees from William Tyndale, Marygrove College, Ecumenical Theological Seminary, American Baptist College and she holds a certificate of completion from the Leadership Institute at Harvard University. She also served as American Baptist college and she holds a certificate of completion from the Leadership Institute at Harvard University. She also served as Congress President of the Michigan District Baptist Association of the B. M. and E. State Convention and National Baptist Convention, Inc. Pastor J was also blessed as a published author of her second book "Unshakable Joy." We all will have an "Unshakable Joy" and an everlasting imprint of Rev. Dr. Wilma Johnson's ministry she shared with her family, her church, the city in which she loved so, "Detroit", along with the community and worldwide.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and the office of Council President Brenda Jones hereby expresses its condolences and joins with family and friends in honoring the memory of Rev. Dr. Wilma R. Johnson.

**TESTIMONIAL RESOLUTION
FOR
HONORABLE JUDGE
LEONIA J. LLOYD**

BY COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow honor upon Judge Leonia J. Lloyd for her outstanding leadership and

illustrious career as a dedicated public servant on the occasion of her retirement from the 36th District Court; and

WHEREAS, A native Detroit, Judge Lloyd is a product of the Detroit Public Schools system and taught at Cass Technical High School. She is a graduate of Wayne State University and Wayne State University Law School. Judge Lloyd was first elected to the 36th District Court on November 3, 1992 and became a Drug Court Judge in 2002. Also in 2002, she was the first Judge in Wayne County, as well as Detroit and the second in the State of Michigan, to preside over a Veterans Treatment Court. Prior to becoming a judge, she was in private practice as a partner in the law firm of "Lloyd and Lloyd," specializing in Entertainment and Civil law. Judge Lloyd and her late sister, the Honorable Leona L. Lloyd, were the country's first twin judges to sit on the bench at the same time. They were affectionately called "Twins for Justiced." In accordance with her commitment to the community, Judge Lloyd has endowed a scholarship foundation, in memory of her late sister, that assists students pursuing a law degree; and

WHEREAS, Because of her compassion and concern for others and, through her ingenuity, Judge Lloyd collaborated with the Wayne County Sheriff's Department, the Detroit Police Department and the Detroit Health Department to initiate "Project Fresh Start." This is a program designed to rehabilitate defendants who are drug addicted and practicing the act of prostitution. The program helps participants remain drug-free, while working diligently to restore their self-respect, acquire permanent housing, higher education and employment. Most importantly, Project Fresh Start helps participants to become productive citizens of the community. Judge Lloyd also participated in the development of 36th District Court's former "Handgun Intervention Program," "Misdemeanor Reality Program," and the "Dose of Reality Tour." These programs were in existence for over ten years at the 36th District Court; and

WHEREAS, Judge Lloyd's professional accomplishments have been publicized in periodicals such as People's Magazine, Jet, Ebony and Women's World. She is listed in Who's Who in Black America, Black Judges in America and Who's Who in Black Detroit. Her program has been featured on the National Geographic Channel and the Arts and Entertainment Channel. Judge Lloyd served as a former board member of the National Association of Drug Court Professionals, Michigan Association of Drug Court Professionals and Alternatives for Girls. She has received numerous awards and

accolades for her work with veterans, including a 2015 Certificate of Appreciation by the Veteran's Commission — City of Southfield, 2014 Certificate of Appreciation from the Veteran's Foundation of Michigan; 2013 Coveted Military Coin from Robert W. Smith — retired Major General U.S. Army; 2013 award from The Emmanuel House Homeless Veteran's Program; 2012 Appreciation Award from the Southeastern Michigan Veteran's Stand Down Inc. Her work in the Drug Treatment Court has been recognized by former Michigan Supreme Court Chief Justice Marilyn Kelly in 2010, Champion of Justice Award by the State Bar of Michigan in 2009. Certificate of Tribute by former Governor Jennifer Granholm in 2009, multiple resolutions and awards from Detroit City Council and the Wayne County Commission. Throughout her career, Judge Lloyd has exhibited the highest standards of competence, independence and intellectual prowess. She has conducted herself in a fair, compassionate and professional manner, treating members of the bar and all before her with fairness and respect. Judge Leonia J. Lloyd is a true Champion of Justice. Her tenacity and dedication to offer a "Hand Up" and a "Way Out" to men and women in recovering communities, inspires us all to excel. NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, do hereby convey its deepest gratitude to Judge Leonia J. Lloyd for twenty-four years of distinguished service to the people of the City of Detroit, County of Wayne and the State of Michigan, and wishes her a very long, healthy and enjoyable retirement.

**TESTIMONIAL RESOLUTION
FOR
CARMEN HARLAN**

"38 Years of Dedicated Service"

BY COUNCIL MEMBER SHEFFIELD:

WHEREAS, Carmen Harlan, a native Detroiter, attended Mumford High School on Detroit's west side and graduated from the University of Michigan. She began her broadcasting career in Detroit radio before joining WDIV-Local 4 in 1978 as a general assignment reporter. Not long after, she was promoted to news anchor with legendary newsman Mort Crim. For more than 20 years, Harlan has been partnered with anchor Devin Schilian for the station's early evening and late news programs, making them Detroit's longest running anchor team.

WHEREAS, When Harlan started at WDIV, she successfully dedicated her entire career to helping Local 4 become one of the most respected and top rated affiliates in the country. Local 4 is the station viewers turn to for the big and important stories. Carmen Harlan helped WDIV maintain its dominance for nearly 4 decades.

WHEREAS, Carmen Harlan, a lifelong champion of Detroit, has hosted many of this region's biggest events like America's Thanksgiving Day Parade, The Ford Fireworks and the NAIAS Charity Preview. She has always had a major role in station campaigns like Walk on the Wild Side, Choice of the Century, Detroit 300, Time to Care, Home 4 the Holidays and two Olympic torch relays. Carmen is known as *"the station's most recognizable face."* As Local 4's senior anchor, she appeared on the news at 5 p.m., 6 p.m. and 11 p.m. daily.

WHEREAS, throughout her career, Carmen Harlan has not only anchored the news but also traveled the world reporting on some of the most notable stories of the day. Harlan covered the historic Michigan visit by Pope John Paul II in 1987, the legendary Detroit arrival of South African President Nelson Mandela in 1990, President Barack Obama's inaugurations in 2009 and 2013 and the 2010 Haitian earthquake relief effort. She has also interviewed countless dignitaries, world, business, and religious leaders as well as entertainers.

WHEREAS, Carmen Harlan will take on an ambassador role with the station which will allow for promotional and special event projects. Harlan and her nightly appearance on Local 4's newscast inspired a City and a Nation to greatness, journalistic excellence and elegance while discussing the daily news stories and events across the world. Carmen's work served as a shining example to which young people, peers and competitors should aspire. Her face to this day is a symbol of grace, intelligence, accuracy, fairness, strength and beauty in the world of reporting. Carmen Harlan has always loved her City and Detroit has always loved her back.

WHEREAS, Carmen has been and will continue to be an important part of the fabric of the City of Detroit. As a devoted wife and mother, she plans on spending more time with her family. Harlan also recognizes the importance as a grandmother of three boys, of spending quality time with them while they are still young.

THEREFORE BE IT RESOLVED, That the Office of City Council Member Mary Sheffield and the Detroit City Council salutes and commends Carmen Harlan for her success as a Broadcast Journalist, role model and philanthropist as well as

being a goodwill ambassador for the city and proudly claiming Detroit as her hometown.

BE IT FURTHER RESOLVED, on this 1st day of November that this resolution endure as a permanent record of respect and admiration, and that a suitably enrolled copy is presented to Carmen Harlan.

Adopted as follows:

Yeas — Council Members Castaneda-Lopez, Leland, Sheffield, Spivey, Tate, and President Jones — 6.

Board of Review

October 25, 2016

Honorable City Council:

Re: 2017 Exemption Guidelines and Application under MCL 211.7u (Homeowners Property Tax Assistance Program).

INTRODUCTION

The Board of Review is a nine (9)-member board appointed by this Honorable Body to act on matters relative to assessments within the jurisdiction of the City of Detroit. The purpose of this communication is to establish adoption by resolution the 2017 exemption guidelines and process for the Board of Review to act under MCL 211.7u.

Please keep in mind that as you review and consider the 2017 amended guidelines, it is crucial to the overall process that this Honorable Body adopt the guidelines prior to December 1, 2016 so that the appropriate time will exist for printing, distribution and the creation of property homeowner access.

A RESOLUTION IS ATTACHED AND A WAIVER OF RECONSIDERATION IS REQUESTED

SUMMARY

Each year the Board of Review is required by state law to establish a new process and guidelines in reviewing and determining property tax exemptions by reason of poverty in accordance with MCL 211.7u. This portion of the General Property Tax Act was created to allow homeowners who own and occupy their real residential property as a primary homestead the opportunity to be exempt of property taxes in whole or in part when the property owner is unable to contribute to the public charges as long as they have met the required guidelines established by the local governing unit and the application approved by the Board of Review as given under MCL 211.7u.

The Board of Review has become closely engaged in the current matters

faced by many homeowners challenged with property tax delinquency and/or at risk of foreclosure. The Board of Review continues to aid the community in considering these challenges when possible to help homeowners maintain their ownership within the City of Detroit by providing a connected and unified relationship with the Assessment Division, City of Detroit Treasury, Wayne County Treasurer and other community based agencies and organizations in order to assist as many homeowners as possible under law.

Therefore, we are presenting to this Honorable Body the 2017 Exemption Guidelines and Application under MCL 211.7u.

CHANGES

• TITLE: “Homeowners Property Tax Assistance Program”

o In 2016 the title “Homeowners Property Tax Assistance Program” was adopted and should continue as such.

o The new title clearly states the overall intent while maintaining and delivering the restored sense of attention, pride and dignity to the community.

• GUIDELINES and FORMS

o 2017 PROCESS FOR REVIEWING HOMEOWNERS PROPERTY TAX ASSISTANCE PROGRAM APPLICATIONS.

• Updated to include the correct tax year.

• Updated title to include the words “Reviewing” and “Application”.

• The word “household” was added in Section 3 to clarify composition.

• Grammatical corrections where necessary.

• Under MCL 211.7u, income guidelines may not fall below the federal poverty guidelines. While household member levels one through four are well above the federal poverty guidelines, five through six have been increased to match the federal poverty guidelines.

• Signatures attached are the current 2016 Board of Review as required.

o REQUEST FORM:

• The application request form simply serves as an additional tool, but not the primary tool in receiving an application, because a homeowner may receive an application over the counter.

• The statement “Homeowners may pick up an application in Room 804 of the Coleman A. Young Municipal Center” was added.

• An email address was added to provide additional opportunity for homeowners to request an application.

• Grammatical corrections where necessary.

• The request form is only one of several options in which a homeowner may receive an application.

• Other options include:

• Over the counter

• By phone

the ability to act on property tax exemptions by reason of poverty.

- Poverty Exemption Yearly Comparison.
 - Historical information since 2006 of applications processed by the Board of Review.
 - Historical information since 2006 of revenue loss to the City of Detroit.
- P.A. 161 — Disabled Veterans Exemption Yearly Comparison.
 - Historical information since 2014 of applications processed by the Board of Review.
 - Historical information since 2014 of revenue loss to the City of Detroit.

The Board of Review carefully and thoughtfully considered the make-up of homeowners within the City of Detroit, average household incomes for those persons who have filed for poverty exemptions in the past, reviewed guidelines and applications from other communities in the State of Michigan and consciously participating in every effort to prevent property tax foreclosure where it can by law.

The Board of Review fully understands and devotes time even outside of its normal duties to assist the community as it relates to educating and providing information to property owners when it comes to understanding property assessments and taxation. This includes providing appropriate information to supporting agencies such as UCHC, U-Snap-BAC, Accounting Aid Society and others. In addition, board members frequently attend community meetings, seminars and workshops to provide assistance and information when requested.

Therefore, we submit to this Honorable Body for your approval and adoption by resolution the 2017 Homeowner Property Tax Assistance Program.

Respectfully submitted,
WILLIE C. DONWELL
Chairman/Administrator
Detroit Board of Review

By Council Member Cushingberry, Jr.:

Whereas, Pursuant to Public Act 206 of 1893, as amended, specifically MCL 211.7u, the principal residence of persons who, by reason of poverty, are unable to contribute toward the public charges is eligible for exemption from taxation; and,

Whereas, Also pursuant to MCL 211.7u this Honorable Body is charged with adopting the policies and guidelines for the granting of said exemptions; and,

Whereas, Pursuant to Section 9-401 of the Charter of the City of Detroit this Honorable Body was appointed a Citizen's Board of Review to hear and determine applications for exemption from taxation by reason of poverty; and,

Whereas, The Citizen's Board of Review has submitted to this Honorable Body the attached proposed amended 2017 Homeowners Property Tax Assistance Program application, policies, procedures and guidelines for approval;

Now, Therefore Be It

Resolved, That it is hereby found and determined that the attached proposed amended 2017 Homeowners Property Tax Assistance Program application, policies, procedures and guidelines provide for the exemption from taxation the principal residence of persons who, by reason of poverty, are unable to contribute toward the public charges; and be it further

Resolved, That the proposed amended 2017 Homeowners Property Tax Assistance Program application, policies, procedures and guidelines are hereby adopted and approved.

Re: Request to Amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2016-2017 Official Compensation Schedule to include the pay ranges for the following classifications:

<u>Class Code</u>	<u>Classification</u>	<u>Salary Range</u>
61-91-21	General Laborer I	\$26,400 - \$27,960
61-91-22	General Laborer II	\$27,960 - \$29,520
61-91-23	General Laborer III	\$29,520 - \$31,080
61-91-24	General Laborer IV	\$31,080 - \$33,640

The above recommendation is at the request of Brad Dick, Director — General Services Department.

The above request and recommendation is based on the need to increase productivity, reduce overtime, provide training opportunities, and replace seasonal staff with full-time positions. These titles will supplant up to 10 titles used to accomplish a number of critical tasks. This will allow for a more nimble workforce that can respond quickly and efficiently to both planned changes and emergencies, and provides for a method of advancement through the ranks.

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

City Planning Commission
 October 28, 2016

Honorable City Council:
 Re: Request of the Material Asset Management, LLC to amend Article XVII, District Map 62 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing a B4 (General Business District) zoning classification where R5 (medium Density Residential District) zoning classifications currently exist on two (2) parcels generally bounded by W. Eight Mile road to the north, Woodward Avenue to the east, Woodstock Drive to the south and Queenston Place to the west (RECOMMENDING DENIAL).

NATURE OF REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) has received a request from Material Asset Management requesting the City of Detroit to amend Article XVII, District Map No. 62 of Chapter 61 of the 1984 Detroit City Code, 'Zoning,' to show a B4 (General Business District) zoning classification where an R5 (Medium Density Residential District) zoning classification currently exists on two (2) parcels commonly identified as 2411 and 2445 W. Eight Mile Road, generally bounded by W. Eight Mile Road to the north, Woodward Avenue to the east, Woodstock Drive to the south and the Queenston Place to the west.

BACKGROUND

The subject property formerly known as Stanley's Other Place Restaurant is located in City Council District 2 and sits within an approximately 1.1 acre site. The subject property, now vacant for the past two years, previously received a Board of Zoning Appeals (BZA) Grant; case no. 717-80, to continue the use on the premises as a restaurant with a Class "C" license (consumption on the premises of alcoholic beverages). The BZA Grant was issued on November 13, 1980 for a period of 5 years.

Proposed Development

Material Asset Management based out of Royal Oak, Michigan has acquired the subject parcels and intends to subdivide the property to allow for a multi-tenant commercial structure, qualified by the Zoning Ordinance as "Stores of a generally recognized retail nature whose primary

business is the sale of new merchandise with or without drive-up or drive-through facilities." This use is permitted on a by-right basis in the B4 district zoning classification.

The petitioner intends to market the subject property to potential tenants and is seeking a B4 zoning classification in order to maximize the potential offerings. The building has an approximate 9,352 square feet gross floor area, 65 off-street parking spaces and is being proposed to be divided into five (5) retail spaces measuring approximately 1,470 square feet to 2,243 square feet.

The present zoning of the subject properties is R5, which only allows for (1) Medical or dental clinic, physical therapy clinic, or massage therapy clinic; (2) Parking lots or parking areas for operable private passenger vehicles as it relates to by-right retail, service, and commercial uses. Conditional retail, service and commercial uses include: (1) Bed and breakfast inn, (2) Hotel, (3) Motel, (4) Parking structure, (5) Private club, lodge, or similar use, non-profit, (6) Retail sales and personal service in multiple-residential structures, (7) School building adaptive reuses – retail, service, and commercial, (8) youth hostel/hostel.

The current zoning classification will not allow for the proposed development on either a by-right or conditional basis. The proposed B4 zoning classification5 will allow for the development as presented on a by-right basis per Sec. 61-9-76(37).

PLANNING CONSIDERATIONS

Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: Across 8 Mile Rd. the City of Ferndale, Michigan.

East: R5 & B3; with vacant land, billboard, Hoover Electric, Plumbing, Heating and Cooling and Shoppes at Gateway.

South: R1; Single-family residential.

West: R1; Single-family residential.

Master Plan Consistency

The subject site is located within the Palmer Park area of Neighborhood Cluster 10 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows "Low Density Residential" for the subject properties. In comparison the Detroit Future City 20 Year Land Use Scenario map shows "Traditional Low Density" as the intended use. CPC has submitted a letter to the Planning and Development Department (P&DD) requesting its comments regarding this proposal.

Community Input

On Wednesday, June 15, 2016, CPC staff attended a meeting of the Green-acres Woodward Civic Association (GWCA), prompted by a letter which was

submitted to Detroit City Council President Brenda Jones' office, expressing a number of concerns and questions related to the proposed rezoning. There were approximately 20 members of the public present at this meeting. Chief among the concerns expressed was that of the billboard near the intersection of Woodward Avenue and W. Eight Mile Road as well as what types of commercial uses would be permitted either by-right or on a conditional basis in the proposed B4 zoning classifications.

At the time of application a billboard was located at the north-east corner of 2411 W. Eight Mile Road (at the lot line adjacent to 2338 Woodstock Drive) with the permit number 2445 95585. BSEED records show that the billboard was legally permitted on April 27, 1990 in the current R5 zoning classification. In July 2016, the petitioner after having met with the GWCA's Stanley's Other Place ad hoc committee, opted to demolish the aforementioned billboard.

The GWCA on June 24, 2016 submitted a letter to the CPC requesting the denial of the proposed rezoning from R5 to B4. The GWCA also requested that the petitioner be advised to submit their current plans to the Buildings Safety, Engineering and Environmental Department for site plan review and the Board of Zoning Appeals for consideration of the change of a nonconforming use to other nonconforming use, which is permissible per Sec. 61-15-20, provided that the BZA determines that the new proposed use will be less injurious to the surrounding area than the previous nonconforming use. The GWCA believes that this proposed course of action would protect the neighborhood from future incompatible land uses, while still providing the developer with business opportunities.

A subsequent GWCA meeting was held on August 17, 2016 at which the petitioner Mr. Carter was in attendance to answer and address any questions or concerns the community may have as it relates to the proposed rezoning. A vast majority of the concerns expressed by the community were in relation to land uses which would be permitted on a by-right basis in the proposed B4 zoning classification. Additional concerns expressed by the host community were regarding traffic flow patterns as they currently exist along W. Eight Mile Road and the effects that additional traffic generated by a multi-tenant commercial establishment might have on the community.

PUBLIC HEARING RESULTS AND COMMUNITY FEEDBACK

A public hearing was held on Thursday, September 22, 2016 on the proposed rezoning. There were 12 members of the public who spoke in opposition to the proposed rezoning. No one present spoke in

support of the request. Additionally, a combination of approximately 50 phone calls, emails and letters of opposition to the proposed rezoning have been received from residents of the Green-acres community. Chiefly among the concerns expressed by the community were the lack of information pertaining to the types of retail, service and commercial uses that were being sought as tenants. Additionally, the community expressed concerns over the inconsistency of the proposed rezoning with the Master Plan of Policies and that the proposed rezoning would result in an illegal "spot zoning." The Commission did raise several questions and concerns pertaining to the proposed land use and its proximity to the remaining R1 single-family residential along W. Eight Mile Road and Woodstock Avenue.

ANALYSIS

Section 61-3-80 of the Zoning Ordinance lists the criteria for consideration when entertaining zoning map amendments. These criteria must be addressed, when determining whether or not to approve a rezoning request.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The proposed amendment does not correct an error nor does it meet the challenge of some changing condition, trend or fact. The subject property is currently zoned R5 (Medium Density Residential), which itself is not consistent with the Low Density Residential future general land use designation illustrated in the Master Plan of Policies. The general area is primarily developed with single-family residential with the exception of a few townhomes developed in the existing R5 fronting on Woodstock Avenue. While the subject property contains an existing structure. The previous commercial use was only permitted through a BZA grant.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The Planning and Development Department has stated that the proposed rezoning does conform to the Master Plan of Policies, however, based on the pending zoning and general land use matrix, the proposed B4 zoning classification does not intersect with the low density residential future general land use. The PDD by practice often finds a proposed use to be consistent with the Master Plan when the property in question is less than ten (10) acres in size as is the case here. A B2 (Local Business and Residential District) zoning classification would be more in line with the Master Plan of Policies future general land use designation and still allow the petitioner to pursue their desired "stores of a generally recognized retail nature whose primary business is

the sale of new merchandise with or without drive-up or drive-through facilities.”

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

Based on comments received from residents immediately adjacent to the subject properties, lack of certainty with the types of uses are being proposed for the site, the broad range of uses available in the B4 classification and the concerns for increased traffic, the safety and general welfare for members of the community is at greater risk.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

The proposed rezoning will not require the vacation of alleys or easements in the proposed project area; therefore there is no reasonable expectation that public facilities and services to the subject property or surrounding properties would be negatively affected.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;

The proposed development does involve the rehabilitation of a single-story commercial structure. The community has expressed concerns over the anticipated increases in traffic and ultimately the noise which may come with a multi-tenant development.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

The proposed development seeks to reactivate a dormant commercial property which has sat vacant for two years. Given the pre-existing traffic flow patterns along both Eight Mile Road and Woodward Avenue, in which motorist utilize Queenston Place and Woodstock Avenue to travel east and south in order to legally navigate W. Eight Mile road heading east, one would have to travel approximately a quarter mile, it is reasonable to anticipate that there will be an increase in the volume of traffic along residential streets once this site is redeveloped.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification.

Staff is of the opinion that neither the existing R5 zoning classification nor the proposed B4 zoning classification are appropriate for the location and configuration of the subject property.

(8) Whether the proposed rezoning will create an illegal “spot zone.”

Taking into consideration that the proposed rezoning would be the only B4 zon-

ing designation on the subject tract of W. Eight Mile Road and buffered by R5 to the east and R1 to the west, the inconsistency with the Master Plan of Policies and that the change is solely for the financial benefit of an individual or entity, staff is of the opinion that the proposed B4 zoning constitute an illegal “spot zone.”

CONCLUSIONS

Suitability of the Property

One of the aforementioned criteria for rezoning states, “The suitability of the subject property for the existing zoning classification and proposed zoning classification.” Zoning Map No. 62 generally shows a contiguous zoning block of R1 zoning to the south of the subject property. R1 zoning also exists on the blocks running west of the site. This section of W. Eight Mile Road is primarily developed with occupied single-family residential structures. An R5 (Medium Density Residential District) zoning classification is located to the east of the subject property on the subject block. Given that the proposed rezoning would disrupt the continuity of zoning along W. Eight Mile Road, resulting in a potential spot zoning and given the proposed rezoning’s inconsistency with the Master Plan of Policies, CPC staff is not in support of the requested rezoning.

Land Use

CPC is of the opinion that a B4 (General Business District) zoning classification is not an appropriate designation and is not consistent with the characteristics in the immediate vicinity.

Significant Impact on Other Property

CPC is of the opinion that while the rezoning of this property may result in the reactivation and rehabilitation of a blighting influence, it could also bring other negative influences to the surrounding community. A direct and immediate impact would likely be felt by the adjacent property owners. Additionally, the use would likely result in further increase of commercial traffic, nonresidential parking and noise.

Based on the above analysis and consistent with CPC review of the approval criteria of Sec. 61-3-80 of the Zoning Ordinance, the CPC recommends denial of the rezoning request.

A Resolution By Council Member Leland: Whereas, Material Asset Management, LLC has petitioned for the rezoning of two (2) parcels commonly identified as 2411 and 2445 W. Eight Mile Road to show a B4 (General Business District) zoning

classification where an R5 (Medium Density Residential District) zoning classification currently exists; and

Whereas, The City Planning Commission took up the rezoning request to amend Chapter 61, Article XVII, District Map No. 62 of the 1984 Detroit City Code in a statutorily mandated public hearing on September 22, 2016; and

Whereas, Upon the advice of the Planning and Development Department, the City Planning Commission has found that the rezoning request was not consistent with the Master Plan "future land use" designation of the 2009 Master Plan of Policies of the City of Detroit; and

Whereas, The City Planning Commission has found that the current R5 zoning district classification already allows for fifty-eight (58) different land uses on either a by-right or conditional basis; and

Whereas, It is reasonable to anticipate that there will be an increase in the volume of traffic along residential streets on this site is redeveloped the request would create an "illegal spot zone;" and

Whereas, The City Planning Commission has found that the rezoning request fails to satisfy the approval criteria specified in Sec. 61-3-80 of the 1984 Detroit City Code; and

Whereas, The City Planning Commission voted at its regular meeting of October 6, 2016 to deny the rezoning request of Material Asset Management, LLC.

Now Therefore Be It

Resolved, The Detroit City Council accepts the findings and recommendations of the City Planning Commission and denies the requested amendment to Chapter 61, Article XVII, District Map No. 62.

Honorable City Council:

Re: Establishment of the Trident-Checker Neighborhood Enterprise Zone

Attached for your consideration please find a resolution and legal description which will establish the Trident-Checker Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on November 3, 2016 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to invest approximately \$43 million to construct a mixed use development with up to 150 residential units, and approximately 13,474 square feet of retail space.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

JOHN SAAD

Manager-Development Division

By Council Member Leland:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, the City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, the Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, the Detroit City Council has found the establishment of the Trident-Checker NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, the Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, the Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, the Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the city of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, a public hearing on the issue of establishing the Trident-Checker NEZ was conducted before the Detroit City Council on November 3, 2016, with notice of the public hearing having been given to the general public and by certified mail to

every taxing authority levying a property tax with the City of Detroit; and

Whereas, no impediments to the establishment of the Trident-Checker NEZ where cited;

Whereas, Trident-Checker, LLC committed to a Twenty Percent (20%) Affordability Housing Component at 80% AMI regarding this project.

Now Therefore Be It Resolved, that the land area described in the attached legal description, and shown on the attached map, is hereby established as the Trident-Checker NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Re: Resolution Approving an Obsolete Property Rehabilitation District, in the area of 1580 East Grand Boulevard,

Detroit, Michigan, in accordance with Public Act 146 of 2000 for Arte Express Detroit, LLC. (Petition #1156).

On November 3, 2016, a public hearing in connection with establishing an Obsolete Property Rehabilitation District was held before your Honorable Body. No impediments to the establishment of the District were presented at the public hearing.

Please find attached a resolution and legal description, which will establish an Obsolete Property Rehabilitation District in the area of 1580 East Grand Boulevard, Detroit, Michigan, in accordance with Public Act 146 of 2000 ("the Act"). Such establishment will materially assist in the development of the site in accordance with the plans of the developer of the property.

Respectfully submitted,

Manager — Development Division
By Council Member Leland:

Whereas, Pursuant to Public Act No. 146 of 2000 ("Act 146"), this City Council has the authority to establish "Obsolete Property Rehabilitation Districts" within the boundaries of the City of Detroit; and

Whereas, Arte Express Detroit, LLC, has requested that this City Council establish an Obsolete Property Rehabilitation District in the area of 1580 East Grand Boulevard, Detroit, Michigan, the area being more particularly described in the map and legal description attached hereto; and

Whereas, the aforesaid property is obsolete property in an area characterized by obsolete commercial property or commercial housing property; and

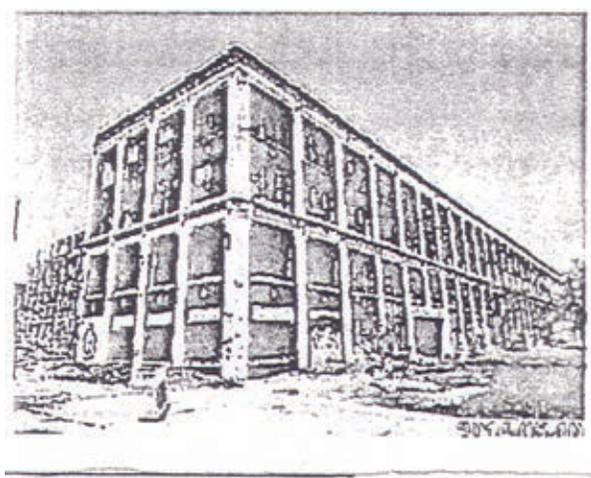

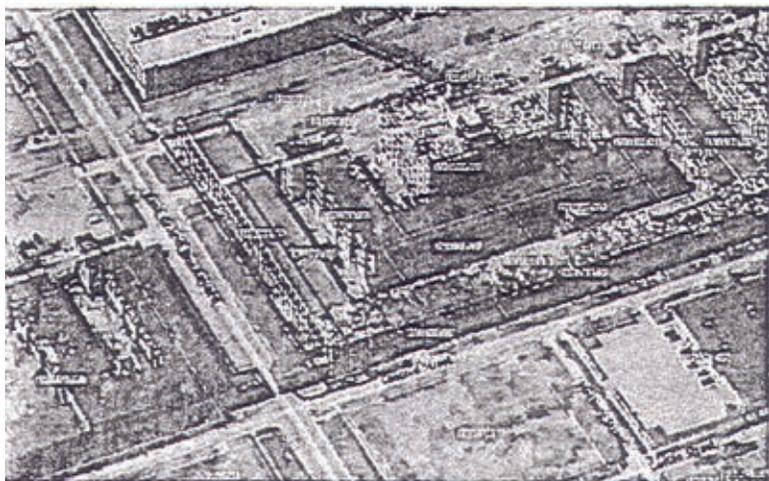

Whereas, Act 146 requires that, prior to establishing an Obsolete Property Rehabilitation District, the City Council shall provide an opportunity for a hearing on the establishment of the District, at which a representative of any jurisdiction levying *ad valorem* taxes, or any owner of real property within the proposed District, or any other resident or taxpayer of the City of Detroit may appear and be heard on the matter; and

Whereas, A public hearing was conducted before City Council on November 3, 2016, for the purpose of considering the establishment of the proposed Obsolete Property Rehabilitation District described in the map and legal description attached hereto; and

Whereas, No impediments to the establishment of the proposed District were presented at the public hearing;

Now Therefore Be It

Resolved, That Obsolete Property Rehabilitation District, more particularly described in the map and legal description attached hereto, is hereby approved and established by this City Council in accordance with Act 146.

MEMORANDUM

In order to ensure that the issuance of a certificate for an Obsolete Property District is in conformance with the City's Master Plan of Policies and will have a reasonable likelihood to increase commercial activity; create, retain or prevent a loss of employment; revitalize an urban area; or increase the number of residents in a community, pursuant to State of Michigan, Public Act 149 of 2002 (section 125.2788), the Planning and Development Department's Planning Division submits the following interpretation.

The proposed Obsolete Property Rehabilitation District is being requested by Arts Express Detroit, LLC to facilitate the renovation of the Administration Building of the Packard Plant at 1580 E. Grand Blvd.

Location

East Grand Boulevard one block south of the Ford Freeway

The proposed Obsolete Property District is located in the Neighborhood Cluster 3, Kettering Neighborhood Area of the Master Plan of Policies and contains the building located at 1580 E. Grand Blvd.

Project Proposal

Future general land use:

"MRI", Mixed-Residential/Industrial

Proposed land and/or building use:

The petitioner, Arte Express Detroit, LLC, is requesting the creation of an Obsolete Property Rehabilitation District (OPRA) to facilitate the restoration and renovation of the Administration Building at 1580 E. Grand Blvd. The four-story, 121,000 square foot building, built in 1911, would be used for economically viable multi-tenant office space where Detroit-based businesses can operate. The scope of the renovation project is to restore the building to its original historic character. The developer hopes to preserve the outer structure and façade of the building to appear as it did when it was constructed in 1911. In addition, the renovation design will also incorporate sustainable redevelopment practices while being sensitive to the economic feasibility of renovating a significantly functionally obsolete building. The proposed mixed-use and office space development is expected to create a total of 180 temporary jobs and 30 to 35 full-time jobs once the project is completed. The estimated cost for this rehabilitation project is \$22,600,000.

Proposed Zoning:

M4 (Intensive Industrial): No Change

Interpretation

Impact on Surrounding Land Use

The proposed Obsolete Property District will provide for the redevelopment of a long vacant and blighted property on Detroit's near east side. The redevelopment of the site would provide impetus for the redevelopment of the surrounding neighborhood. The renovation of the Administration Building would be the first step in that process. In addition, the developer hopes to leverage the site's proximity to Eastern Market by providing office space for several Detroit based companies, including those associated with the market.

Impact on Transportation

No parking plan has been submitted with this application. However, there are numerous existing lots along with vacant land within the area that may provide off-street parking. The proposed renovation project should not create any traffic issues as the surrounding area currently experiences a low volume of traffic. DDOT bus lines servicing this area include the Conant (on Mt. Elliott) and Clairmount (on Harper). SMART does not provide bus service in the area.

Detroit Work Project Analysis

The subject site for the proposed OPRA is located in a primarily industrial area. As such, the Detroit Works

Project does not designate a Market Type for this area because the Market Type data do not properly categorizes areas that are primarily commercial or industrial (due to insufficient residential data). This impact upon residential areas is minimal.

Detroit Future City Analysis

The Detroit Future City document designates this site as lying within an Innovation Ecological area in its 50-Year Land Use Scenario. In addition, the subject site is immediately adjacent to the Mt. Elliott Employment Center.

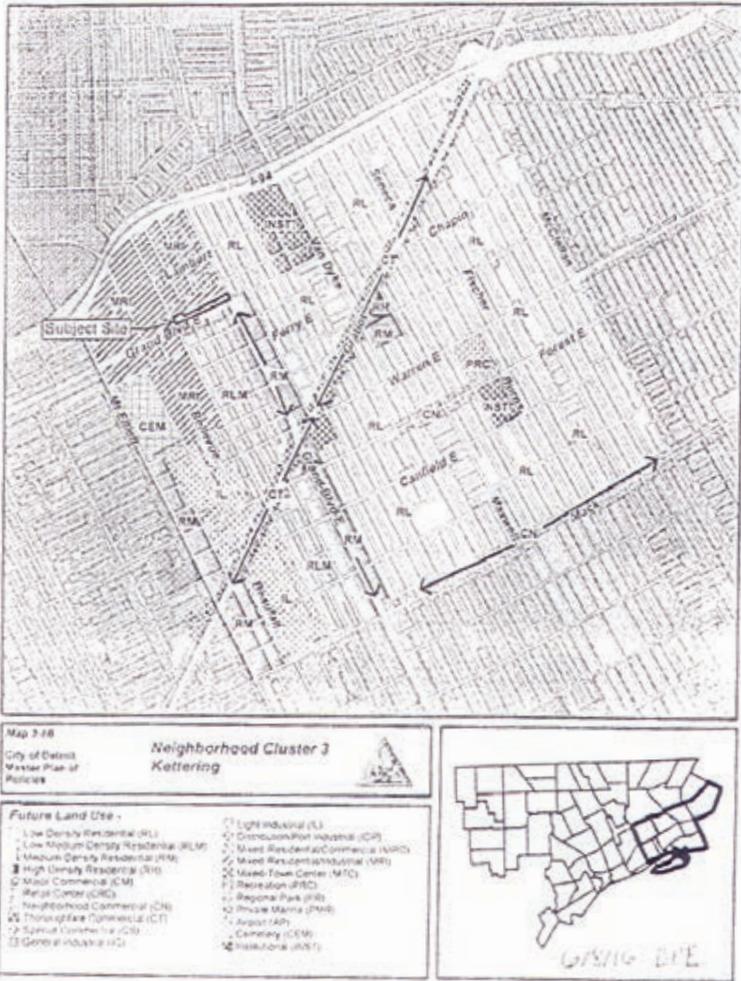

Master Plan Amendment

The proposed Obsolete Property District conforms to the future land use designation of "MRI", Mixed-Residential/Industrial for the subject area in the Master Plan of Policies. In addition, the proposed renovation project will increase commercial activity and contribute to the revitalization of the surrounding area. Therefore, we determine that the proposed renovation project conforms to the Master Plan and meets the required goals of the Michigan Obsolete Property District Act. No Master Plan Amendment will be necessary.

Honorable City Council:

Re: Resolution Approving a Commercial
Rehabilitation Exemption Certificate
for Petition #923, on Behalf of VG
Statler City, LLC in the area of 313
Park Avenue, Detroit, Michigan, in
Accordance with Public Act 210 of
2005.

On November 3, 2016, a public hearing
in connection with approving a
Commercial Rehabilitation Exemption
Certificate for the above-captioned prop-
erty was held before your Honorable

Body. All interested persons and organi-
zations were given an opportunity to be
heard. No impediments to the approval of
this certificate were presented during the
hearings.

VG Statler City, LLC has submitted sat-
isfactory evidence that they possess the
necessary financial resources required to
develop this property in accordance with
Public Act 210 of 2005 (“the Act”) and the
Development Agreement for the project.

Respectfully submitted,

JOHN SAAD

Manager — Development Division

By Council Member Leland:

Whereas, VG Statler City, LLC. has filed
with the City Clerk an Application for a
Commercial Property Rehabilitation
Exemption Certificate, under Public Act
210 of 2005 (“the Act”) in City of Detroit
Commercial Property Rehabilitation
District in the manner and form prescribed
by the Michigan State Tax Commission;
and

Whereas, This City Council is a Qualified
Local Governmental Unit as defined by
the Act; and

Whereas, This City Council on July 12,
2016 established by Resolution a
Commercial Property Rehabilitation
District in the vicinity of Park Avenue,
Washington Boulevard, Clifford and
Bagley, Detroit, Michigan, after a Public
Hearing held, in accordance with the Act;
and

Whereas, The taxable value of the
property proposed to be exempt plus the
aggregate taxable value of property
already exempt under the Act and under
Public Act 210 of 2005 does not exceed
5% of the total taxable value of property in
the City of Detroit; and

Whereas, The Applicant is not delin-
quent in any taxes related to the facility;
and

Whereas, The Application is for
Commercial Property as that term is
defined in Section 2(h) of the Act, which
property is owned by the Applicant; and

Whereas, Commencement of the reha-
bilitation of the subject facility did not
occur before the establishment of the
Commercial Property Rehabilitation
District; and

Whereas, The Application relates to a
rehabilitation program that when completed
constitutes a rehabilitated facility within
the meaning of the Act and which is situ-
ated within the aforesaid City of Detroit
Commercial Property Rehabilitation
District; and

Whereas, Completion of the rehabili-
tation is calculated to, and will at the time
the Certificate is issued, have the reason-
able likelihood of increasing and/or retain-
ing employment, increasing commercial
activity, revitalizing an urban area, or
increasing the number of residents in the
community in which the facility is located;

and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until January 1, 2019 for the completion of the rehabilitation; and

Whereas, On November 3, 2016, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of VG Statler City, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2026, in accordance with the provisions of the Act; and be it further

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than January 1, 2019, unless an extension of

that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable, and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

Housing and Revitalization Department

October 31, 2016

Honorable City Council:

Re: Review and Approval of Revised HOME and CDBG Awards, Modifications and Subordinations.

The City of Detroit, through the Housing and Revitalization Department ("HRD"), has continued to work closely with the U.S. Department of Housing and Urban Development ("HUD"), in making required obligations and disbursements of City HOME and CDBG Development funds to meet upcoming project closeout, commitments and disbursement deadlines. HRD issued a NOFA in February 2016, to assist in making allocations for "ready to proceed projects" from available HOME and CDBG funding. The HOME program is authorized under Title II of the Cranston-Gonzalez National Affordable Housing Act, and is designed exclusively to create affordable housing for low-income households. Eligible activities under the HOME program include:

- Providing home purchase or rehabilitation financing assistance to eligible home buyers;
- Building or rehabilitating housing for rent or homeownership; and
- Other reasonable and necessary expenses related to the development of non-luxury housing.

HOME funds are awarded on a formula basis, included in the annual entitlement award from HUD, and are a part of the Consolidated Plan.

HRD is requesting to increase the allocations for Marwood Apartments (HOME / CDBG). Tuscan Park Apartments (HOME), Treymore Apartments (HOME) and Brightmore Homes (CDBG only). HRD is correcting the previous allocation from \$1 million to \$1.6 million, the amount required to cover the current gap on the MSHDA 4% LIHTC funding for the project. Tuscan Park has been modified with a new owner and we are providing required funding to complete, secure and lease the HOME units in the project. HRD is requesting to provide \$158,548.00 in CDBG funding for Southwest Solutions to do required work to convert the Brightmore Homes rental

units to homeownership units with affordable purchasers. The purchasers must assume the City's Affordability Restriction document (for the balance of the period) which must be modified to accommodate each sale.

No additional allocation is being requested for Newberry Estates at this time. HRD is only requesting additional authority to convert the Newberry Estates properties from rental to homeownership for eligible homebuyers with affordability period restrictions. Finally, HRD requests that a subordination be approved for Westwill Apartments to allow refinancing of the project to make needed repairs (no additional funding requested).

Consistent with the new process adopted by City Council in 2012 for approving HOME and CDBG Development awards and development partners, the Department is requesting that your Honorable Body review and approve the attached list.

We request approval of the attached resolution with a waiver of reconsideration, so additional housing investments and neighborhood reinvestment through the HOME and CDBG programs can continue. Should you have questions or require additional information, please do not hesitate to contact me.

Respectfully submitted,

Honorable City Council:

Re: Amendment and Extension of Development Agreement Development: 503, 525, 541 & 555 Frederick

On July 26, 2006, your Honorable Body authorized the sale of the above-captioned property to Petit Bateau, LLC a Michigan Limited Liability Company. Together with adjacent property already owned, the offeror proposed to construct approximately thirty-four (34) townhouse units. The project area is generally bounded by Kirby Avenue, St. Antoine Street, Frederick Avenue and Beaubien Street.

Due to the previous downturns in the housing market, Petit Bateau was unable to complete the project within the time frame allotted in the present Development Agreement. The developer now desires to modify their original proposal from the construction of townhouse units to a mixed use development. The proposed development shall consist of approximately 20 townhomes, 51 multi-family residential units of which 20% shall be affordable, approximately 4500 square feet of commercial ground floor retail space, with an adjacent parking lot and appropriate landscaping.

The zoning of the site is SD1 (Special Development District — Small Scale, Mixed Use) which permits this type of development as a matter of right. The Developer is requesting a twenty-four (24) month extension of the Development Agreement to initiate and complete construction.

The Planning & Development Department has reviewed the request of Petit Bateau LLC and determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement. Petit Bateau, LLC possesses the qualifications and has indicated the potential financial resources necessary to complete the project.

We, therefore, request that your Honorable Body adopt the attached resolution authorizing an amendment to the Development Agreement with Petit Bateau LLC, a Michigan Limited Liability Company, to construct a mixed use development consisting of townhomes, residential rental units, approximately 4500 square feet of commercial space

and to extend the completion period of the Development Agreement.

Respectfully submitted,

MAURICE D. COX

Director

Planning & Development Dept.

By Council Member Leland:

Resolved, That the agreement, between Petit Bateau, LLC, a Michigan Limited Liability Company and the City of Detroit, to purchase and develop property described on the tax rolls as:

Re: Real Property at 5737/5741/5745 E. Seven Mile, Detroit, MI 48234

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Clora Funeral & Cremation Services, LLC, a Michigan Limited Liability Company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of

the real property, having street addresses of 5737/5741/5745 E. Seven Mile, Detroit, MI 48234, (the "Property").

The P&DD entered into a Purchase Agreement dated September 28, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Ten Thousand and 00/100 Dollars (\$10,000.00) (the "Purchase Price").

Offeror intends to improve the property, a vacant lot, into a parking lot for operable motor vehicles for their adjacent funeral parlor. The property will only be used for customer and employee parking. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX

Director, Planning and

By Council Member Leland:

WHEREAS, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Clora Funeral & Cremation Services, LLC, a Michigan Limited Liability Company, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 5737/5741/5745 E. Seven Mile, Detroit, MI 48234, (the "Property") described in Exhibit A; and

WHEREAS, P&DD entered into a Purchase Agreement dated September 28, 2016, with the Offeror; and

WHEREAS, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

WHEREAS, Offeror intends to improve the property, a vacant lot, into a parking lot for operable motor vehicles for their adjacent funeral parlor. The property will only be used for customer and employee parking. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

NOW, THEREFORE,

BE IT RESOLVED, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of additional bids is hereby approved; and be it further;

RESOLVED, That Property may be

transferred and conveyed to Offeror, in consideration for its payment of Ten Thousand and 00/100 Dollars (\$10,000.00); and be it further

RESOLVED, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

RESOLVED, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of Five Hundred and 00/100 Dollars (\$500.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

RESOLVED, That a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

RESOLVED, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and

BE IT FINALLY RESOLVED, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Real Property at 15017 Flanders, Detroit, MI 48205.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Amina Harris, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 15017 Flanders, Detroit, MI 48205 (the "Property").

The P&DD entered into a Purchase Agreement dated October 12, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Three Thousand Six Hundred and 00/100 Dollars (\$3,600.00) (the "Purchase Price").

Offeror intends to rehabilitate the property, a single-family detached dwelling, into her residence. The proposed use is a by-right use within the designated R2/Two-Family Residential zoning district, in accordance with Section 61-8-34(1) of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,

MAURICE COX

Director

Detroit Planning and

Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Amina Harris, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 15017 Flanders, Detroit, MI 48205 (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated October 12, 2016, with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to rehabilitate the property, a single-family detached dwelling, into her residence. The proposed use is a by-right use within the designated R2/Two-Family Residential zoning district, in accordance with Section 61-8-34(1) of the 2016 City of Detroit Zoning Ordinance.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Three Thousand Six Hundred and 00/100 Dollars (\$3,600.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred Ten Dollars (\$110.00), and broker commissions of One Hundred Eighty 00/100 Dollars (\$180.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Hundred Sixteen and 00/100 Dollars (\$216.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed

will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the the Corporation Counsel as to form.

October 12, 2016

Honorable City Council:

Re: Sale to Caza LLC of Surplus Property at 14094/14098 Gratiot, Detroit, MI 48205.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Caza LLC, a Michigan limited liability company, whose address is 20033 Schoolcraft, Detroit, MI 48223 ("Offeror") an offer to purchase from the City of Detroit the real property described on the attached Exhibit A and more commonly known as 14094/14098 Gratiot, Detroit, MI 48205 (the "Property").

The P&DD entered into a Purchase Agreement dated October 11, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Four Thousand Eight and 00//100 Dollars (\$4,008.00) (the "Purchase Price"), subject to the approved transaction costs and transaction fee.

Offeror intends to use the property as ancillary parking space for their adjacent auto repair business. The property will be used solely for the parking of operable passenger motor vehicles belonging to employees or customers of the business. Offeror shall, in addition, board up and/or secure the property within six (6) months of closing, and demolish the existing structure at 14098 Gratiot within twelve (12) months of closing, with a right of reverter written into the Deed to be exercised by P&DD in the event of default.

The request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

**City of Detroit
City Council
Legislative Policy Division
October 27, 2016**

Honorable City Council:
Re: Developments to submit a storm water management plan.

On October 11, 2016, Council Member Raquel Castaneda-Lopez submitted a memorandum requesting the Legislative Policy Division to draft a resolution urging the administration to require all new developments, regardless of their size, to submit a storm water management land with their site plans.

Attached for your review and consideration is the requested resolution.

Respectfully submitted,
DAVID D. WHITAKER
Director

Legislative Policy Division
By Council Member Castaneda-Lopez:

Whereas, The Detroit Water and Sewerage Department (DWSD), in an effort to implement a more equitable rate structure for the processing and treatment of storm water which is captured by way of the city's combined storm water and sewerage system, has implemented new standardized drainage rates for residential and non-residential properties; and

Whereas, DWSD's rate structure calls

for commercial, institutional and industrial properties within the City of Detroit to be assessed a drainage rate of approximately seven hundred and fifty dollars (\$750) per impervious acre on a monthly basis; and

Whereas, The monthly cost of drainage for impervious multi-acre parcels may prove to be stifling and cost prohibitive to many if not all businesses and institutions within the City of Detroit; with little to no notice; and

Whereas, Drainage fees are inextricably tied to the water rates which both commercial and residential customers incur on a monthly basis; non-payment of which may lead to the termination of water services which may further inhibit DWSD's efforts to collect and generate revenue for an aged and over taxed system; and

Whereas, The City should implement changes to the City Code to allow for such implementation measures as pervious pavers, pervious concrete, rain gardens, water retention systems, etc., which might ultimately mitigate the costs assessed to property owners for drainage and storm water run-off.

Now, therefore, be it

Resolved, That the Detroit City Council urges the administration and the Buildings, Safety Engineering and Environmental Department to require as an element of site plan review for any new development, inclusive of renovations and landscaping projects which require permits to include a comprehensive storm water management plan which may aide in the reduction of assessed fees by minimizing impervious ground cover and allowing for storm water management systems to be implemented.

And be it finally,

Resolved, That a copy of this resolution be forwarded to the Mayor's Office and Director of Buildings, Safety Engineering and Environmental.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 9.

**Department of Public Works
City Engineering Division**

October 17, 2016

Honorable City Council:
Re: Petition No. 1058 — Green Garage, request for a fence to encroach in the Second Avenue right-of-way located at 4111 Second Avenue.

Petition No. 1058 — Green Garage, LLC, request to install and maintain an encroachment with fence on the west side of Second Avenue, 100 feet wide, between Alexandrine Avenue, 100 feet wide, and Willis Avenue, 100 feet wide.

The petition was referred to the City

Engineering Division — DPW for investigation and report. This is our report.

The request is being made as part of a development consisting of a small seasonal retail space, and a large open green space to hold programmed local community events.

Traffic Engineering Division — DPW (TED), reports being involved and approves provided certain conditions are met. The TED conditions have been made a part of the attached resolution. Planning and Development Department reports involvement as the location is in a Historic District. The project has already obtained the necessary Certificate of Appropriateness.

Detroit Water and Sewerage Department (DWSD) reports being involved, but has no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City departments, including the Public Lighting Department and Public Lighting Authority; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division—DPW

By Council Member Benson:

Whereas, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Green Garage to install and maintain an encroachment with a wrought iron fence on the west side of Second Avenue, 100 feet wide, between Alexandrine Avenue, 100 feet wide, and Willis Avenue, 100 feet wide. The encroachment is 139.67 feet in length beginning 3 feet south of the north line of the described property and extending southerly therefrom; and is 8 feet east of the east line of property describes as: Land in the City of Detroit, Wayne County, Michigan, being Lot 15, Block 96 "Subdivision of part of the Cass Farm to be known as Blocks 89 to 96 inclusive" as recorded in Liber 1, Pages 175 176 and 177 of Plats, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That, the petitioner comply with the Certificate of Appropriateness from the Detroit Historical Commission; and be it further

Provided, That the remaining sidewalk being a minimum of 9 feet wide from the

encroachment to the curb be maintained free and clear from obstruction; and be it further

Provided, By approval of this petition the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all times, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after five (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities located within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damages to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That Green Garage, LLC or their assigns shall apply to the Buildings, Safety Engineering and Environmental

Department for a building permit prior to any construction. Also, if its becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings, Safety Engineering and Environmental Department. The encroachments shall be constructed and maintained under their rules and regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW (if necessary), Detroit Historical Commission; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Green Garage, LLC; and further

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located

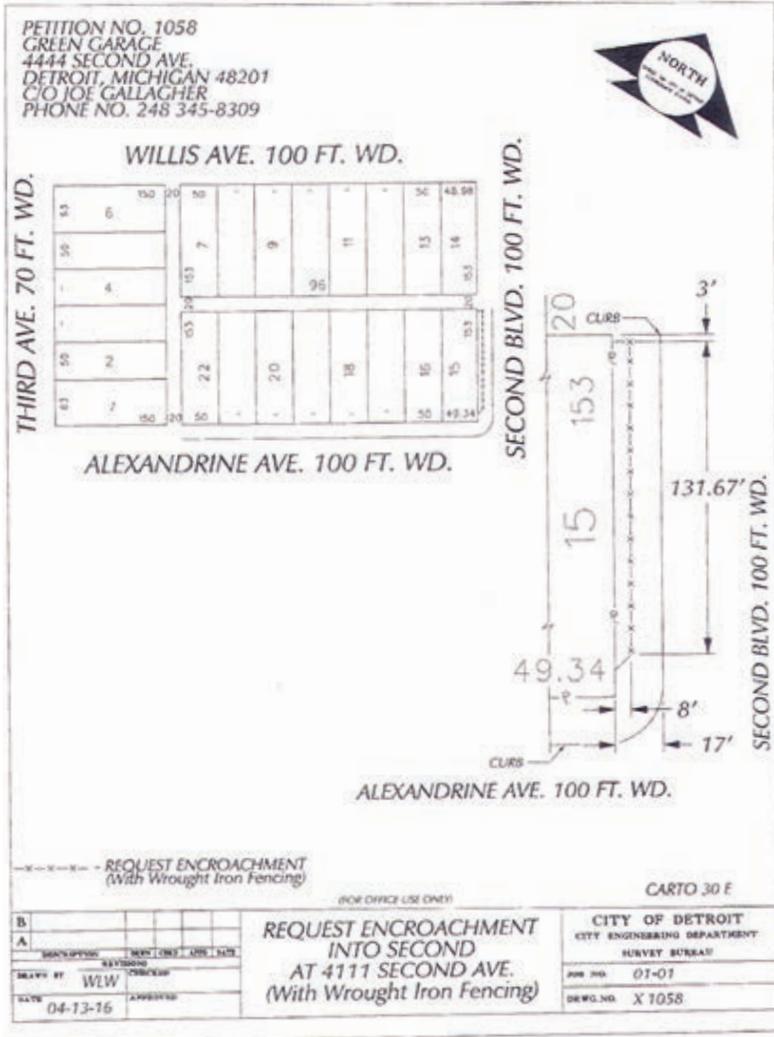

in close proximity to the encroachments shall be borne by Green Garage, LLC or their assigns. Should damages to utilities occur Green Garage, LLC shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Green Garage, LLC acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

October 10, 2016

Honorable City Council:

Re: (1) Proposed ordinance to amend City Code Chapter 58 to add Article IX, to provide regulations for commercial quadricycles, also known as pedal pubs, and

(2) Proposed companion ordinance to amend City Code Section 38-5-1

to provide an exemption for commercial quadricycle passengers from the disorderly conduct ordinance.

Council Member Benson has requested the Law Department to prepare an ordinance to provide for commercial quadricycles to reflect state law so that quadricycles will be able to operate in the city.

Accordingly, submitted for your consideration is a proposed ordinance to amend City Code Chapter 58, *Vehicles for Hire*, to add Article IX, *Commercial Quadricycles*.

Also submitted for your consideration is a proposed companion ordinance to amend City Code Section 38-5-1, *Disorderly Conduct*. The current language of § 38-5-1 makes it a misdemeanor for any person to consume alcoholic beverages on any street or sidewalk; the proposed revision provides an exception as be permitted under Chapter 58, Article IX, the proposed commercial quadricycle ordinance.

TIMOTHY A. BECKETT
Supervising Assistant
Corporation Counsel
Municipal Section

BY COUNCIL MEMBER BENSON:

AN ORDINANCE to amend Chapter 58 of the 1984 Detroit City Code, *Vehicles for Hire*, (a) by amending Article I, *In General*, Section 58-1-1, to add definitions and to move definitions from Section 58-8-1; (b) by amending Article VIII, *Pedal-cabs and Rickshaws*, Division 1, *Generally*, Section 58-8-1, to delete definitions that have been relocated to Section 58-1-1; and (c) by adding, Article IX, *Commercial Quadricycles*, Division 1, *Generally*, consisting of Sections 58-9-1 through 58-9-12; Division 2, *Commercial Quadricycle Business License*, consisting of Sections 58-9-21 through 58-9-27; and Division 3, *Commercial Quadricycle Operating License*, consisting of Sections 58-9-31 through 58-9-36, to provide for the licensing and regulation of commercial quadricycles in the City pursuant to the Michigan Vehicle Code, Public Act 300 of 1949, being MCL 257.1 through MCL 257, particularly those sections added or amended by Public Acts 126 and 127 of 2015, which made provision for commercial quadricycles; to provide rules and regulations for operators and passengers of commercial quadricycles; and to provide license provisions for commercial quadricycle owners and operators.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 58 of the 1984 Detroit City Code, *Vehicles for Hire*, is

amended by amending Article I, *In General*, Section 58-1-1; by amending Article VIII, *Pedal-cabs and Rickshaws*, Division 1, *Generally*, Section 58-8-1; and by adding Article IX, *Commercial Quadricycles*, Division 1, *Generally*, consisting of Sections 58-9-1 through 58-9-12; Division 2, *Commercial Quadricycle Business License*, consisting of Sections 58-9-21 through 58-9-27; and Division 3, *Commercial Quadricycle Operator License*, consisting of Sections 58-9-31 through 58-9-36, to read as follows:

CHAPTER 58. VEHICLES FOR HIRE.

ARTICLE I. IN GENERAL

Sec. 58-1-1. Definitions.

For purposes of this chapter, unless otherwise defined, the following words and phrases shall have the meanings respectively ascribed to them by this section:

Alcoholic liquor means any spirituous, vinous, malt, or fermented liquor, liquids and compounds, whether or not medicated, proprietary, patented or any other designation, which contains one-half (1/2) of one (1) percent or more of alcohol by volume, are fit for use as a beverage, and are defined and classified by the Michigan Liquor Control Commission according to alcoholic content as being beer, wine, spirits, alcohol, sacramental wine, brandy, mixed wine drink, or mixed spirit drink.

ARTICLE IX.

COMMERCIAL QUADRICYCLES.

DIVISION 1. GENERALLY.

Sec. 58-9-1. Authority Under Michigan Vehicle Code.

The provisions of this article are authorized by and adopted pursuant to the Michigan Vehicle Code, particularly those sections amended or added by Public Acts 126 and 127 of 2015 to provide for commercial quadricycles, being Sections 7b, 33, 518a, 624a, 625p, 657, 660, 662, 901, and 907 (MCL 257.7b, 257.33, 257.518a, 257.624a, 257.625p, 257.657, 257.660, 257.662, 257.901 and 257.907).

Sec. 58-9-2. Approved areas of operation; designated street routes; hours of operation; passenger pickup and discharge points; unlawful to act in violation thereof.

(a) The director of the department of public works and the chief of the police department shall jointly approve the designate the street routes where licensed commercial quadricycles may operate and the hours of operation, provided, that commercial quadricycles shall not operate earlier than 9:30 a.m. or later than 11:00 p.m.

(b) The director of the department of transportation and the director of the department of public works shall jointly approve and designate passenger pickup and discharge points on city streets.

(c) The director of the recreation department and the director of the public works department shall jointly approve and designate the street routes, hours of operations, and the passenger pickup and discharge points where licensed commercial quadricycles may operate within city public parks.

(d) It shall be unlawful for any person to operate a commercial quadricycle on a public right-of-way that has not been approved and designated in accordance with this section.

(e) It shall be unlawful for any person to transport a person in a commercial quadricycle in the city during hours that have not been approved in accordance with this section.

(f) It shall be unlawful for any person operating a commercial quadricycle in the city to pick up or discharge passengers at a location that has not been approved in accordance with this section.

Sec. 58-9-3. Temporary suspension of operations by chief of police.

The chief of police shall have the authority to temporarily suspend the operation of commercial quadricycles on city streets or within city public parks where conditions for such operations become unsuitable or unsafe.

Sec. 58-9-4. Rates to be charged by owner.

(a) The amount to be charged and collected for the use of a commercial quadricycle for a specified time, distance, or route by one (1) or more passenger shall be in accordance with a schedule of rates established by the director of the buildings, safety engineering and environmental department and approved by resolution of the city council.

(b) It shall be unlawful for an owner or operator of a commercial quadricycle to charge a rate other than one approved in accordance with this section.

Sec. 58-9-5. Records to be kept by owner.

(a) Every owner shall maintain at the owner's business office complete, accurate, and permanent consecutive daily records, which shall be available at reasonable hours for inspection. The records shall contain the following information:

(1) The operator assigned to and the travel history of each commercial quadricycle;

(2) Payments received from reservations and receipts provided to passengers; and

(3) A list of all articles left or lost in the commercial quadricycle by passengers.

(b) Every owner shall also maintain for inspection at the owner's office complete, accurate, and permanent records of the following information:

(1) Applicable city, state, and federal tax information;

(2) Wage and compensation records for each person hired as an operator of a commercial quadricycle;

(3) A record of accidents incurred and public liability claims paid;

(4) A list of the name, address and driver license number for each person operating a commercial quadricycle in the city; and

(5) Any additional information that the director of the Buildings, Safety Engineering and Environmental Department may require by written notification to the owner relating to any commercial quadricycle operated in the city.

Sec. 58-9-6. Traffic laws and other safety requirements.

(a) Every person who operates a commercial quadricycle on city streets or within city parks shall comply with all traffic laws for vehicles and bicycles and bicycles that are contained in Chapter 55 of this code, except those provisions which by their nature have no application.

(b) No commercial quadricycle shall be operated at a speed more than 25 miles per hour.

(c) No commercial quadricycle shall be operated on a highway or street with a speed limit of more than 45 miles per hour except for the purpose of crossing that highway or street.

(d) No commercial quadricycle shall be operated on a sidewalk constructed for the use of pedestrians.

(e) All commercial quadricycles shall enable the operator to bring it to a controlled stop.

(f) All commercial quadricycles in service between 1/2 hour after sunset and 1/2 hour before sunrise shall be equipped with a lamp on the front that emits a white light visible from a distance of at least 500 feet to the front and with a red reflector on the rear that shall be visible from all distances from 100 feet to 600 feet to the rear when directly in front of lawful lower beams of head lamps on a motor vehicle. A lamp emitting a red light visible from a distance of 500 feet to the rear may be used in addition to the red reflector.

Sec. 58-9-7. Number of commercial quadricycles parked at one stop.

No more than two (2) commercial quadricycles shall be allowed to stand at any one city designated pickup or discharge point at any one time.

Section 58-9-8. Condition and inspections.

(a) No commercial quadricycle shall be operated for hire in the city unless in a reasonably defect-free and safe condition, both inside and outside, so as to not injure passengers, or damage their clothing or possessions. The exterior of a commercial quadricycle shall be reasonably clean and essentially free from cracks, breaks, and major dents.

(b) The police department shall inspect each commercial quadricycle to be licensed by the buildings, safety engineering and environmental department at least once per year. The inspection shall include whether the commercial quadricycle is properly equipped to safely operate on city streets or within city public parks, including inspection of the rear reflector light or lights and other safety equipment.

(c) The date of the police department's inspection and the signature of the person making the inspection shall be recorded upon the inspection card in the spaces provided. The current inspection card shall be displayed on the commercial quadricycle in a protective frame that is readily viewable for inspection.

(d) The director of the buildings, safety engineering and environmental department shall deny a license for, or where already issued shall suspend the license of, any commercial quadricycle determined, after inspection, to be unfit to transport passengers on city streets or within city public parks.

Sec. 58-9-9. Repairs and alterations.

Each owner shall make repairs and alterations to any commercial quadricycle used on city streets or within city public parks as may be required by the police department, or as is necessary to maintain proper standards of comfort and safety.

Sec. 58-9-10. Duties of operators.

Each commercial quadricycle operator shall;

(1) Operate the commercial quadricycle in a safe and prudent manner;

(2) Keep the interior of the commercial quadricycle clean;

(3) Inspect the commercial quadricycle and its equipment at least once daily to ensure mechanical fitness and good-working order;

(4) Report all accidents as required by the Michigan Vehicle Code and by Chapter 55 of this Code and report each accident to the owner of the commercial quadricycle;

(5) Conspicuously post his or her current license in a protective frame attached to the commercial quadricycle;

(6) Thoroughly search the commercial quadricycle after each trip for any article left, or lost, in the commercial quadricycle and deliver such property within twenty-four (24) hours to the buildings, safety engineering and environmental department with a written description of the passenger(s) and the time of transport; and

(7) Be properly attired with a shirt, pants, skirt or shorts, and secure footwear.

Sec. 58-9-11. Prohibitions for operators.

A commercial quadricycle operator shall not;

(1) Transport passengers without a reservation arranged by phone or online;

(2) Promote or recommend transportation to any person or entity operating in violation of law;

(3) Sell, or offer for sale, articles of merchandise or literature to passengers during the course of the trip;

(4) After leaving the starting point, receive additional passengers;

(5) Except in an emergency, abandon the commercial quadricycle or permit anyone without a commercial quadricycle operator's license to operate the commercial quadricycle;

(6) Operate the commercial quadricycle while under the influence of an alcoholic liquor, a controlled substance, or an illegal drug;

(7) Permit more passengers to be carried in a commercial quadricycle than the commercial quadricycle's normal seating capacity.

(8) Refuse to transport any orderly person present at the start of the trip; or

(9) Stop to load or unload passengers in the intersections of any street, in any crosswalk, or in any unsafe location. No operator shall load or unload passengers in any manner that will in any way impede or interfere with the orderly flow of traffic on the streets.

(10) Permit a passenger to violate Section 58-9-12 or continue to transport a passenger who is in violation of Section 58-9-12.

Sec. 58-9-12. Prohibitions for passengers.

A commercial quadricycle passenger shall not:

(1) Possess or transport alcoholic liquor on a commercial quadricycle other than beer, wine, spirits, or a mixed spirits drink;

(2) Possess or transport alcoholic liquor on a commercial quadricycle that was purchased from a commercial establishment after the start of the trip; or

(3) Engage in disorderly conduct.

Secs. 58-9-13 – 58-9-20. Reserved.

DIVISION 2. COMMERCIAL**QUADRICYCLE BUSINESS LICENSE.****Sec. 58-9-21. License for commercial quadricycle required.**

(a) It shall be unlawful to operate, or permit another person to operate, a commercial quadricycle for hire unless the owner has obtained a license from the buildings, safety engineering and environmental department for each commercial quadricycle in accordance with this division.

(b) The license shall specify the number of passengers that may be carried in the commercial quadricycle.

(c) The license shall be displayed on the commercial quadricycle in a protective frame that is viewable for inspection.

(d) The license shall not be issued under this division without the applicant establishing ownership of the commercial quadricycle.

Sec. 58-9-22. Application for license; information required.

(a) An application for a commercial quadricycle license shall be made by the owner on a form that is provided by the buildings, safety engineering and environmental department. At a minimum, the application shall contain the following information:

(1) The name, age, and address of the applicant;

(2) Where the applicant is a corporation:

a. The full and accurate corporate name;

b. When and where such corporation was incorporated; and

c. The full names and addresses of officers, directors, managers, and other persons with authority to bind the corporation;

(3) Where the applicant is a partnership, the names and addresses of the partners;

(4) Where the applicant conducts business under such trade or assumed name:

a. The complete and full trade or assumed name; and

b. The name of the person(s) doing business under such trade or assumed name, and the manager(s) and other person(s) in charge;

(5) The location where the commercial quadricycle is stored; and

(6) The policy promulgated by the quadricycle company regarding training quadricycle operators to identify signs of intoxication and the procedure for assisting those individuals during and at the end of the ride.

(b) Upon receipt of an application for a commercial quadricycle license, the buildings, safety engineering and environmental department shall take action in accordance with Chapter 30 of this Code.

Sec. 58-9-23. License fee.

(a) A non-refundable fee shall be charged for the processing and issuance of a license under this division. In accordance with Chapter 30 of this Code, this fee shall be established by the director of the buildings, safety engineering and environmental department based upon the cost of issuance, enforcement, and administration of licensing, and shall be approved by the city council. The fee shall be posted on a schedule at the buildings, safety engineering and environmental department business license center.

(b) A fee shall be charged to each new applicant and any current licensee who applies to the buildings, safety engineering and environmental department to operate a commercial quadricycle in the city.

(c) Upon the expiration of a current license, each licensee shall pay a non-refundable annual fee for a commercial quadricycle license renewal.

(d) Upon payment of the fee and approval of the license application by the buildings, safety engineering and environmental department, an annual license shall be issued to operate a commercial quadricycle in the city.

Sec. 58-9-24. License plate and date tab.

(a) In the discretion of the director of the buildings, safety engineering and environmental department, the city license plate may be a plate of a permanent nature with a replaceable date tab attached thereto, which indicates the expiration date of the plate during each license year. The issuance of a plate with such date tab to a person in possession of such a plate shall be deemed issuance of a license plate. Such license plate, and the replaceable date tab to be issued from year to year for attachment thereto, shall be of such material, form, design and dimension, and set forth such distinguishing number or other identification marks, as the director shall prescribe.

(b) Upon the payment of the appropriate license fee, the director of the buildings, safety engineering and environmental department shall issue a license to the owner of the commercial quadricycle, together with a city license plate, which contains the license number of such commercial quadricycle, which is securely affixed to a conspicuous and indispensable part of such commercial quadricycle.

(c) Upon renewal of the license hereunder, the director may continue the use of license plate for as many additional license years as he or she may determine. Whether the director issues to the licensee a replaceable date tab as evidence of renewal of a license, the tab shall be attached or affixed in such manner as he or she may prescribe in instructions, which shall accompany the issuance of the tag. The failure to affix or display such date tab in a manner prescribed by the director shall constitute a violation of this section.

(d) In the event of the loss, mutilation or destruction of any license plate or date tab issued in accordance with this section, the owner may file a statement explaining the loss, mutilation or destruction, along with a replacement fee, as determined by the director and approved by city council, with the buildings, safety engineering and environmental department, which shall issue a duplicate or substitute license plate or date tab.

Sec. 58-9-25. Insurance requirements.

(a) Prior to the issuance of a license to operate a commercial quadricycle for hire, the licensee shall file a certificate of insurance that is signed by a duly authorized officer of a company, which is authorized to write insurance in this state, to the effect that a policy of insurance has been issued and is in full force and effect to the licensee and that the premium has been paid as required thereon, together with a true copy of the policy contract or certificate of insurance.

(b) Such policy of insurance shall insure the licensee against loss resulting from liability imposed by law for bodily injury and property damage with a minimum combined single limit of \$2,000,000.00 for all persons injured or for property damage.

(c) The policy of insurance shall name the city as an additional insured party.

(d) The policy of insurance shall contain a provision for a continuing liability thereunder to the full amount thereof, notwithstanding any recovery thereon, and that until the policy is revoked, as provided in subsection (e) of this section, the insurance company shall not be relieved from liability on account of nonpayment of premium, failure of the commercial quadricycle owner to renew the city business license at the end of the term, or any act or omission of the named insured.

(e) Any insurance company whose policy has been so filed pursuant to this section may file a notice with the director of the buildings, safety engineering and environmental department of its intention to terminate and cancel such policy and give notice thereof to the named licensee, whereupon after ten (10) days from filing, the licensee or owner shall cease to oper-

ate, or cause such commercial quadricycle not to be operated, within the city, and the license issued therefor shall be automatically revoked and liability on such policy shall cease and terminate, provided, that the liability of the insurance company therefor for any act or omission of the licensee or owners occurring prior to the effective date of cancellation shall not be discharged or impaired.

Sec. 58-9-26. Expiration and renewal of license.

All licenses issued under this division shall expire on the 31st day of March of the year following the year of issuance and shall be renewable for each year thereafter.

Sec. 58-9-27. License suspension, revocation, or denial of renewal.

A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with Chapter 30 of this Code.

Secs. 58-9-28 – 58-9-30. Reserved.
DIVISION 3. COMMERCIAL QUADRICYCLE OPERATOR LICENSE

Sec. 58-9-31. Operator license required.

(a) It shall be unlawful for any person to operate a commercial quadricycle within the city without having a valid commercial quadricycle operator license from the police department.

(b) Each licensee shall comply with the laws of this state and shall have been certified by the police department as an authorized person to transport passengers in a commercial quadricycle in the city.

Sec. 58-9-32. Qualifications for operator license.

(a) Each applicant for a commercial quadricycle operator license must meet the following requirements:

(1) Have a valid Michigan operator's license or chauffeur's license in accordance with the Michigan Vehicle Code;

(2) Be at least eighteen (18) years of age;

(3) Be able to satisfactorily establish that he or she is currently in sufficient physical condition to master the handling, control, and safe and proper transportation of a fully-occupied commercial quadricycle;

(4) Not be addicted to alcoholic liquor, a controlled substance, or an illegal drug; and

(5) Not be responsible, either criminally or civilly, for more than 4 traffic violations within any 12 month period.

(b) Each applicant for a commercial quadricycle operator license shall have knowledge of the traffic regulations under the Michigan Vehicle Code and the routes, hours of operation, pickup and passenger discharge locations approved and designated by the city; and

(c) Upon a form provided by the police department, complete a statement giving the applicant's full name, residence, place(s) of residence for 5 years previous to moving to his or her present address, age, height, color of eyes and hair, place of birth, length of time he or she has resided within the city, whether he or she is a citizen of the United States, places of previous employment, whether he or she has ever been convicted of a felony or misdemeanor, and, if convicted, the nature of the crime, and the date and place of conviction, whether he or she is licensed as a driver or chauffeur, and, if so, when, where and whether his or her license has ever been revoked and for what cause, which statement shall be signed by the applicant in the presence of a notary public and filed as a permanent record with the police department.

(d) The investigation of all applications for a commercial quadricycle operator license under the provisions of this division shall be conducted by the police department and, when the investigation is completed, the application shall be forwarded by the inspecting police officer to the chief of police, who shall endorse his or her recommendation on the application and forward the same to the officer of the police department who is in charge of licenses.

Sec. 58-9-33. Photograph of operator to accompany application.

Every applicant for a commercial quadricycle operator license must file with his or her application 3 recent, clear passport-type photographs of himself or herself that are of a size that may be attached easily to the license. One photograph shall be affixed to the license when issued, one photograph shall be affixed to the card, and one photograph shall be affixed to the application and filed with the police department. The photograph affixed to the operator license shall be affixed so that it cannot be removed and another photograph substituted without detection.

Sec. 58-9-34. Fees for operator licenses.

(a) A non-refundable fee for commercial quadricycle operator licenses shall be established by the chief of police, with the approval by resolution of city council, and charged for the processing and issuance of the license.

(b) A fee shall be charged each new applicant and any current licensee who applies to the police department for an operator license.

(c) Upon the expiration of a current license, each licensee shall pay the annual fee for a commercial quadricycle operator license renewal.

(d) Upon payment of the fee and approval of the license application by the police department, an annual operator license shall be issued to the applicant.

Sec. 58-9-35. Expiration and renewal of license.

All licenses issued under this division shall expire on the 31st day of March of the year following the year of issuance and shall be renewable for each year thereafter.

Sec. 58-9-36. License suspension, revocation, or denial of renewal.

A license that is issued under this division may be suspended, revoked, or denied renewal in accordance with Chapter 30 of this Code.

Honorable City Council:

Re: Request to accept an increase in appropriation for the MI-57-X015-01 Section 5317 New Freedom.

The Federal Transit Administration has awarded an increase to the City of Detroit Department of Transportation with MI-57-X015-01 Section 5317 New Freedom in the amount of \$433,310 with a state match share of \$433,310, bringing the project total to \$866,620. Please see the attachment for proof of state match. There is no local match required. This funding will increase appropriation 13879, previously approved in the amount of \$3,545,878 by council, to a total of \$4,412,498.

The additional funding allotted to the department will be utilized to implement a centralized Mobility Management Program and purchase miscellaneous support equipment. This is a reimbursement grant.

If approval is granted to accept and appropriate this funding, the cost center is 207041 and appropriation number is 13879.

I respectfully ask your approval to accept the increase in appropriations funding in accordance with the attached resolution.

Respectfully submitted,
NICHELLE HUGHLEY
Deputy CFO
Office of Grants Management

Approved:
PAMELA SCALES
Budget Director

Please make the adjustments to MI-57-X013 and MI-57-X015 to change the van line items to mobility management. We will then start a new project authorization for the match for MI-57-X013 and a revision to 2007-0201/Z20 to add state funding. We will be using \$741,722 of state Transportation to Work funding to match a portion of the operating based on DDOT's indication that this dollar amount will support employment related transportation. It is also our understanding that DDOT will be providing \$1,333,119 of local match for the additional operating and will not be requesting this match from MDOT.

If you have any questions regarding our commitment of state funds, please let us know.

Sincerely,
SHARON L. EDGAR
Administrator

Office of Passenger Transportation
By Council Member Ayers:
Whereas, the Detroit Department of Transportation is requesting authorization to accept an increase in appropriations for

MI-57-X015-01 Section 5317 New Freedom from the Federal Transit Administration (FTA) in the amount of \$433,310 and the state will provide a match share of \$433,310 for a total of \$866,620; and the funding increase will be utilized to implement a centralized Mobility Management Program and purchase miscellaneous support equipment; and this funding will increase appropriation 13879, previously approved in the amount of \$3,545,878 by council, to a total of \$4,412,498.

Therefore, Be It Resolved that the Director for the Office of Grants Management is hereby authorized to sign the grant agreement on behalf of the City of Detroit, and that the Director or Head of the Department is authorized to execute the modified grant agreement on behalf of the City of Detroit, and

Be it Further Resolved, that the Budget Director is authorized to increase the budget accordingly for appropriation number 13879 in the amount of \$433,310 to be provided by the Federal Transit Administration and \$433,310 to be provided by the state as a match share for a total increase of \$866,620 for the purpose of implementing a centralized Mobility Management Program and purchasing miscellaneous support equipment.

RESOLUTION

IN SUPPORT OF SENATE BILL 1009

By COUNCIL PRESIDENT JONES:

WHEREAS, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

WHEREAS, Public Act 499 of 2014 amended the General Property Tax Act to allow a county treasurer to enter into a tax foreclosure avoidance agreement for a term of up to five years with an owner of tax delinquent property that is the owner's principal residence. Under the agreement, the owner is required to make an initial payment of at least 10% of the delinquent taxes owed on the property and timely payments, including timely payment of all non-delinquent taxes on the property. In exchange, the property is withheld or removed from a foreclosure petition; and

WHEREAS, However, Public Act 499 of 2014 has a sunset provision of June 30, 2016, which thereby eliminated Michigan's County treasurers' ability to enter into any new tax foreclosure avoidance agreements beyond that date; and

WHEREAS, On June 1, 2016 in response to this dilemma, Michigan State Senator Bert Johnson introduced Senate Bill 1009 of 2016. The bill if enacted, would amend the General Property Tax Act to allow a county treasurer in Michigan, until June 30, 2019, to enter into a tax foreclosure avoidance agreement with an owner of residential property returned as delinquent or forfeited to the county treasurer; and

WHEREAS, On September 8, 2016 the Michigan State Senate overwhelmingly by a vote of 37-0, passed Senate Bill 1009, and forwarded to the State House Committee on Tax Policy. The bill, if subsequently passed by the State House and signed by the Governor, would provide the County Treasurers in Michigan an additional three years to enter into new tax foreclosure avoidance agreements and keep more residents in their homes; and

WHEREAS, The Detroit City Council believes it is important to mitigate the problem of foreclosure, which results in the homes of its citizens being auctioned

off due to delinquency in tax payments, something that was especially common in the city of Detroit and Wayne County;

WHEREAS, The Detroit City Council strongly urges the Detroit Delegation in the State House, the House Committee on Tax Policy, the Michigan State House and Governor to approve Senate Bill 1009, which involves such an exigent issue, before the end of the year during the current session;

NOW THEREFORE BE IT

RESOLVED, That this resolution be forwarded to the City of Detroit's Lansing Lobbyist, the Detroit Delegation in the State House, the House Committee on Tax Policy, the Michigan State House and the Governor.

Adopted as follows:

Present — Council Members Ayers, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 8.

**RESOLUTION
IN SUPPORT OF THE
MICHIGAN UNDERGRADUATE
HBCU SYNDICATE'S INITIATIVE TO
CREATE A COURSE CONSORTIUM
AND NEW HIGHER EDUCATION
AGREEMENTS BETWEEN MICHIGAN
INSTITUTIONS AND HBCU'S EXPAND
THE TRANSFER OPPORTUNITIES
TO HISTORICALLY BLACK
COLLEGES AND UNIVERSITIES**

By COUNCIL PRESIDENT JONES:

WHEREAS, In 1980, President Jimmy Carter signed Executive Order 12232 creating a federal program established "... to overcome the effects of discriminatory treatment and to strengthen and expand the capacity of historically black colleges and universities ["HBCU"] to provide quality education." This program has been sustained by multiple presidential administrations and is currently known as the White House Initiative on Historically Black Colleges and Universities ("HBCU Initiative"); and

WHEREAS, The HBCU All-Star Student Program has been established within the HBCU Initiative whereby participating HBCU undergraduate and graduate students, act as ambassadors within communities around the nation to provide and increase awareness of the greater educational value and amplified educational opportunities at our Nation's Historically Black Colleges; and

WHEREAS, Tiffany Brockington, an HBCU All-Star Ambassador and representing Howard University, has founded the non-profit organization, The Michigan Undergraduate HBCU Syndicate. The mission of the non-profit is to make the HBCU college experience more accessible to Metro-Detroit students by providing interactive programming, mentor relation-

ships between HBCU students and Metro-Detroit high school students, and active partnerships with various HBCUs in addition to the anchor academic initiative itself; and

WHEREAS, Currently, Public Act 160 of 1996 ensures that qualifying students can choose dual enrollment at a local college, community college, or university in Michigan to earn credits towards an Associate's Degree while concurrently enrolled in high school. Miss Brockington's plan is to ensure that the credits earned at these institutions will transfer successfully to participating HBCUs by creating new academic agreements between Michigan institutions and HBCUs. This plan is a step towards high school credit equity, expanding student access, and granting the student and his or her parent(s) greater control over the student's educational trajectory; and

WHEREAS, Additionally, the creation of a consortium would contain a compilation of various college, universities and community college courses that would be transferable to participating HBCUs similar to the Michigan Transfer Network;

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council supports the Michigan Undergraduate HBCU Syndicate's initiative to create a course consortium and new higher education agreements between Michigan institutions and participating Historically Black Colleges and Universities.

TESTIMONIAL RESOLUTION FOR

ZETA PHI BETA SORORITY, INC. SIGMA PHI ZETA CHAPTER

By COUNCIL MEMBER TATE:

WHEREAS, On January 16, 1920, Zeta Phi Beta Sorority, Incorporated was founded on the campus of Howard University by five collegiate women: Arizona Cleaver Stemons Pearl Anna Neal, Myrtle Tyler Faithful, Viola Tyler Goings and Fannie Pettie Watts. For ninety-six years, Zeta Phi Beta Sorority, Incorporated has upheld the legacy of its founders by providing dedicated service through its four principles: Sisterhood, Finer Womanhood, Scholarship and Service; and

WHEREAS, Zeta Phi Beta Sorority, Inc., Sigma Phi Zeta Chapter recognized that community partnerships are important and necessary to effectively serve clients living in metro Detroit communities to acquire proper education, adequate healthcare, elder care, veteran care, and understand the importance of having a civil and legislative voice along with understanding the importance of protecting and preserving the environment. Therefore, on September 8, 2016, the Sigma Phi Zeta Chapter was reactivated to provide like-minded women the platform they needed to combine their talents, skills and resources to seek out collaborative partnerships to carry out these programs and initiatives; and

WHEREAS, Zeta Phi Beta Sorority, Inc., has national programs and initiatives that include Adopt-A-School, Elder Care, Fish and Wild Life, Scholarship, Veteran Women Rock and Z Hope (Zeta Helping Other People Excel) that focus on taking Zeta's services to the community to meet the needs of people. Sigma Pi Zeta aims to build lasting partnerships with non-profit and for-profit organizations to successfully provide services in these areas. Currently, Sigma Pi Zeta provides community service through the donation of wigs to the National Cancer Foundation for women living with cancer; the donation of over five hundred personal hygiene items to

homeless veterans and a collection of baby items to veteran women with children at the John D. Dingell Veterans Affairs Medical Center; the donation of backpacks, school supplies, monetary and in-kind donations of its time in tutoring and mentoring to three elementary schools under the Adopt-A-School Program and to the St. John Lodge No. 44 and Leigh Chapter No. 43 O.E.S. Prince Hall Affiliated; and the donation of coats, hats and gloves to the Collaborative Outreach Board. In addition, Sigma Pi Zeta has worked with the Detroit Chapter League of Women Voters to register voters in Wayne County, has participated in the Temple I Am Pre-Halloween Health Fair to provide cancer awareness information, and has participated in the City of Detroit's Angels' Nights Patrol; and

WHEREAS, The reactivation of the Sigma Pi Zeta Chapter provided twenty-three like-minded women the opportunity to align themselves under a sisterhood bond to carry out the Zeta Phi Beta Sorority, Inc. ZHope initiative of providing service affecting the recipient's mind, body and spirit. These twenty-three like-minded women who have sisterly bound themselves together; include: Karen Arnold, Cheryl Austin, Cynthia Bias-Emanuel, Patricia Barnes, Cheryl Birks, Crystal Brown, Latrice Bryant, Veronica Fuller-Stewart, Deondra Hale-King, Angela Hardison, Jerry Jones-Davis, Jacquelyn LaNaier-Ingram, Brigitte Lee, Regenia Lewis, Dr. Alexandria Marshall, Cheryl McPherson, Yolande Moore, Yvonne Murray, Judy Price, Cylestine M. **TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION
FOR
MRS. DOROTHY SIMPSON
Founder and Owner —
Simpson's Record Shop**

By COUNCIL PRESIDENT JONES:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Mrs. Dorothy Simpson, the Founder and Owner of the world famous Simpson's Record Shop for fifty years of exceptional community service; and

WHEREAS, Dorothy was born in Cooksville, Mississippi and grew up in Birmingham, Alabama. She and her late husband, Calvin Simpson, were married for sixty years. To this union six children were born: Calvin Jr., Harry, Delores, Donnie, Lonnie and Reginald. In the early 1960's, Mr. Simpson worked for General Motors and operated a security patrol company in a commercial building on Joseph Campau Street. Mrs. Simpson helped him with the bookkeeping. As a young wife and mother raising six children, she wanted to open a family business that their children could be part of. So, a record store was born. In 1966, Mrs. Simpson took over half of her husband's storefront to open Simpson's Record Shop. Students would come, hang out after school and listen to music. She would help them with their homework, ask them to bring her their report cards or lecture them if they got into trouble. Mrs. Simpson hired dozens of young people

from the neighborhood over the years; and

WHEREAS, In 1993, Simpson's relocated to a building on East McNichols near Joseph Campau in Detroit. The shop is two places in one. Most of the space is devoted to music, but along one of the walls is a candy counter filled with a kaleidoscopic array of old-fashioned candies, bursting out of bowls and overflowing from boxes. The store is an important part of the neighborhood. Even after her own children grew up, Mrs. Simpson realized the store was still for the children. Even now, many adults who grew up in the area come back sometimes only for a handful of sweets, often with their own children in tow. A back wall is covered with a collage of hundreds of photos, featuring loyal customers who have come to the store through the years, relatives and celebrities. The photographs tell the story of the evolution and history of the store, her family and the surrounding community. The store holds over a half-century of grandmotherly charm with houseplants on the window ledge and little paper signs on the wall declaring that God is watching out for the store and those in it. A loud speaker outside saturates the community with melodies. Mrs. Simpson's most precious memories in the store are of her late husband, Calvin. Everywhere she looks in the store, there is a piece of him or one of her children; and

WHEREAS, Mrs. Simpson is a regular churchgoer and has been a faithful member of Greater Burnette Baptist Church since 1954. She believes that opening Simpson's Record Shop was God's plan for her family and several careers came out of that decision. It also went a long way in teaching work ethics and responsibilities to her children and the children from the neighborhood. Over the years, Mrs. Simpson has put her heart and soul into Simpson's Record Shop and she has done a lot of good around the neighborhood. Her commitment to helping her neighborhood has grown stronger as it has experienced economic decline. Everybody knows and loves Mrs. Dorothy Simpson and, she is a legend in the community. After 50 years in business, Simpson's Record Shop might just be the oldest record store in Detroit.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby congratulates Mrs. Dorothy Simpson for being a "Community Legend" honoree and for making a tremendous difference in countless lives.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

And the Council then adjourned.

Honorable City Council:

Re: Neighborhood Enterprise Zone Certificate Application for 287 units of rental housing in the VG Statler City NEZ at 313 Park Ave. **(RECOMMEND APPROVAL.)**

The staff to the City Planning Commission (CPC) has received a single application for 287 Neighborhood Enterprise Zone (NEZ) certificates forwarded from the office of the City Clerk. This application corresponds to the construction of new rental housing proposed at 313 Park Ave. The estimated cost per unit is \$210,000.00 each.

The subject property has been confirmed as being within the boundaries of the VG Statler City NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. CPC staff has reviewed the applications and recommends approval.

Please contact our office should you have any questions.

Honorable City Council:

Re: Address: 741 E. McNichols. Name: SKMM LLC. Date ordered removed: February 14, 2012 (J.C.C. Pages 249-255).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on October 14, 2016 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Honorable City Council:

Re: Petition No. 1030, Detroit Salt Company, request to vacate a small strip of land in the area between parcel #2005732-3 and the Detroit Salt Company site, 12841 Sanders.

Petition No. 1030, Detroit Salt Company request for outright vacation of an alley in the block of Oakwood Boulevard, 86 feet wide, Bayside Avenue, 60 feet wide, Sanders Avenue, variable width and the Wabash Railroad right-of-way. Petition 1030 amended to outright vacate a portion of Dunkirk Avenue, 60 feet wide, and to vacate and convert to easement a portion of Dunkirk Avenue, all lying westerly of Sanders Avenue, and easterly of the Wabash Railroad right-of-way.

The request is being made in order to consolidate the properties for a future development.

The petition was referred to the City Engineering Division – DPW for investiga-

tion (utility clearance) and report. This is our report.

The request was approved by the Solid Waste Division – DPW, and the Traffic Engineering Division – DPW.

AT&T reports being involved. The developer will need to contact AT&T for the relocation and removal of their facilities.

DTE Energy – Electric (DTE-E) reports being involved. The developer will need to remove or relocate their equipment and install required equipment for service.

DTE Energy – Gas reports that there are existing gas mains that will need to be relocated at the developer's expense.

The Detroit Water and Sewerage (DWSD) reports no objection if the petitioner agrees to relocate the sewers and water mains in accordance with the DWSD provisions for relocation at no cost to DWSD. The DWSD provisions are a part of the resolution.

The Planning and Development Department (P&DD) is involved, but has no objection to the property change. The entire site is in the process for re-zoning from Commercial and Residential to Industrial.

The Public Lighting Department and the Public Lighting Authority both report that they have no involvement in the petition.

All other city departments and utilities have reported no objections to the vacations and provisions for all utility relocations have been made a part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY

First, said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division – DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by the way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if at any time in the future, the owners of any lots abutting on said vacated street shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved street return (into Sanders Avenue) such removal and construction of new curb and sidewalk shall

be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Be It Also Resolved, all of Dunkirk Avenue, 60 feet wide, north of the north-easterly line of the Wabash Railroad right-of-way and south of the south line extended of the east-west public alley, 20 feet wide in the block of Dunkirk Avenue, Dumfries Avenue, 60 feet wide, Sanders Avenue, and the Wabash Railroad right-of-way, all in the City of Detroit, Wayne County, Michigan and being further described as: lying westerly of and adjoining the westerly line of Lots 230 thru 241, both inclusive and part of Lot 229, also lying easterly of and adjoining the easterly line of Lots 242 thru 246, both inclusive; also bounded on the north by the extended southerly line of the public alley, 20 feet wide in the block of Dunkirk Avenue, Dumfries Avenue, 60 feet wide, Sanders Avenue, variable width and the Wabash Railroad right-of-way, also bounded on the south by the northeasterly line of the Wabash Railroad right-of-way, all the above in "Irvine's and Wise's Addition to Oakwood on P.C.'s 50, 524, and 119 T.2S-R.11E Ecorse Township (Now Detroit) Wayne County, Michigan" as recorded in Liber 18, Page 52-1/2 of Plats, Wayne County Records.

Be and the same are hereby vacated (outright) as public right-of-way to become part and parcel of the abutting property, subject to the following provisions:

Provided, That petitioner/property owner make satisfactory arrangements with any and all utility companies for cost and arrangements for the removing and/or relocating of the utility companies and city departments services or granting of easements if necessary, and further

Provided, That the petitioner contact AT&T at (888) 901-2779 for the cost of removal of their facilities; and further

Provided, That the petitioner/property owner make satisfactory arrangements with DTE Energy – Electric for the removal of their facilities. The developer will need to remove or relocate their equipment and install required equipment for service, and for more information contact DTE at 313-235-5172; and further

Provided, That the petitioner contact DTE Energy Gas Company Public Improvement Department: Michael Fedele at 313-389-7211 (Supervisor) or Laura Forrester at 313-389-7261 (Gas Planner) for the estimated cost of abandoning/removing and/or relocating/rerouting, including the survey, design and drawing of the gas utilities; and further

Provided, That the petitioner shall design and construct proposed sewers and water mains to make connections to the existing public sewers and water mains as required by the Detroit Water and Sewerage Department (DWSD) prior to the construction of the proposed sewers and water mains; and further

Provided, that the plans for the sewers and water mains shall be prepared by a registered engineer; and further

Provided, That DWSD be and is hereby authorized to review the drawings for the proposed sewers and water mains and to issue permits for the construction of the sewers and water mains; and further

Provided, That the entire work is to be performed in accordance with plans and specifications approved by DWSD and constructed under the inspection and approval of DWSD; and further

Provided, That the entire cost of the proposed sewers and water mains construction, including inspection, survey and engineering shall be borne by the petitioner; and further

Provided, That the petitioner shall deposit with DWSD, in advance of engineering, inspection and survey, such amounts as the department deems necessary to cover the costs of these services; and further

Provided, That the petitioner shall grant to the City a satisfactory easement for the sewers and water mains; and further

Provided, That the Board of Water Commissioners shall accept and execute the easement grant on behalf of the City; and further

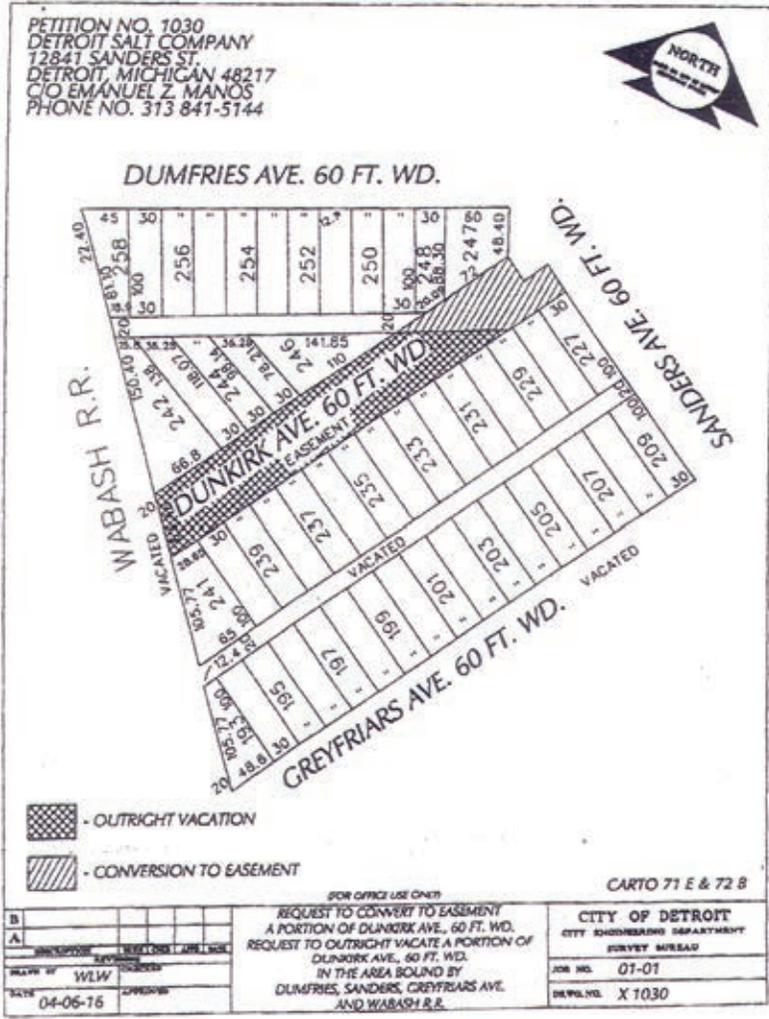

Provided, That the petitioner/property owner shall provide DWSD with as-built drawings on the proposed sewers and water mains; and further

Provided, That the petitioner shall provide a (1) one year warranty for the proposed sewers and water mains; and further

Provided, That upon satisfactory completion, the sewers and water mains shall become City property and become part of the City system. Any existing sewers and water mains that were abandoned shall belong to the petitioner and will no longer be the responsibility of the City; and further

Provided, That any construction in the public rights-of-way such as removal and construction of new driveways, curbs and sidewalks shall be done under city permit and inspection according to City Engineering Division – DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds

**City of Detroit
City Planning Commission**

November 14, 2016

Honorable City Council:

Re: Companion resolution relative to the request of Neumann Smith Architecture on the behalf of their client, Riverfront Holdings Inc., to amend Article XVII, District Map 2, of the 1984 Detroit City Code, Chapter 61, Zoning, and the provisions of the existing PD (Planned Development District) zoning classification established by Ordinance 17-H and subsequently modified by Ordinances 21-89, 21-98, 25-03 and 28-04 for property generally bounded on the north by E. Jefferson Ave., on the east by Beaubien St., on the south by the Detroit River and on the west by Randolph St. extended south to the River. **(RECOMMENDING APPROVAL.)**

During last Thursday's public hearing on the above captioned matter the Planning and Economic Development Standing Committee, consistent with a recommendation of the City Planning Commission, directed staff to prepare a companion resolution to be acted upon prior to taking action on the ordinance for the requested PD modification. The resolution supports the PD modification, but qualifies that support relative to the digital animated sign, which is a component of the PD modification. Given the unique nature of the proposed sign and the City's ongoing review of its signage regulations the Commission felt this qualification was warranted and the Committee concurred.

Respectfully submitted,

**PROPOSED PD MODIFICATION
FOR THE GM WORLD
HEADQUARTERS AT THE
RENAISSANCE CENTER**

A resolution supporting the adoption of an ordinance to modify the existing PD (Planned Development District) Zoning Classification that encompasses the Renaissance Center and clarifies the City Council's position relative to digital animated signs, one of which is a component of the proposed PD modification.

By Council Member Leland:

WHEREAS, Neumann Smith Architecture on behalf of its client, Riverfront Holdings Inc., has petitioned the Detroit City Council to amend Article XVII, District Map 2, of the 1984 Detroit City Code, Chapter 61, Zoning, and the provisions of the existing PD (Planned Development District) zoning classification encompassing the Renaissance Center, which contains the world headquarters of the General Motors Corporation (GM); and

WHEREAS, The proposed PD modification would allow for the expansion of the northeast quadrant of the Renaissance Center complex in order to develop a new attraction in the form of an expanded and reconfigured exhibit space, currently referred to as GM World, across four levels of the Renaissance Center Complex and encompassing 110,000 square feet of floor area; and

WHEREAS, The proposed PD modification would also allow for the construction and operation of an approximately 3500 square foot digital (LED) animated sign, measuring approximately 67 feet wide by 50 feet tall, along the southern frontage of East Jefferson Ave., partially enclosing the Detroit People Mover station; and

WHEREAS, The City is a collection of many distinct contexts and conditions from the downtown riverfront to the many neighborhoods composing the city and those along the City's borders; and

WHEREAS, Per the provisions of the Zoning Ordinance animated signs must be reviewed on a case by case basis; and

WHEREAS, The petitioner intends to use the LED animated sign as an on-premises business sign; and

WHEREAS, The City Planning Commission finds the maximum permissible amount of on-premises business signage for the Renaissance Center to be 10,657 square feet and that the proposed LED animated sign will not create an excess of the permissible square footage of signage as regulated by Section 3-7-5(a) of the Detroit City Code; and

WHEREAS, The City Planning Commission, upon consideration of information provided by its staff, the Michigan Department of Transportation, the Plan-

ning and Development Department, the Detroit Transportation Corporation (Detroit People Mover), the Traffic Engineering Division of the Department of Public Works, the Health Department and the Law Department has recommended conditional approval of the PD modification including the LED animated sign; and

WHEREAS, The City Planning Commission has recommended certain conditions of approval that relate to the construction and operation of the LED animated sign, and are intended to safeguard pedestrian and vehicular traffic, public health, and environmental aesthetics and to minimize impacts upon adjacent properties; and

WHEREAS, These conditions of approval provide limitations and restrictions on the sign's hours of operation, animated display, visual effects, and technical operation; and

WHEREAS, The potential negative impacts of the LED animated sign remain to be fully understood, the City will have the right to evaluate the sign and its impacts, and the owner/operator of the sign has agreed to a look-back and evaluation of the sign nine months after the sign has become operational at which time the City may require additional restrictions on the operation of the sign as may be necessary; and

WHEREAS, The City is currently engage in an in-depth review of it's regulation of signage, including digital signs, and this review is expected to culminate in the development and adoption of amendments to the City Code in 2017; and

WHEREAS, Granting the petitioner's requested PD modification does not constitute any indication of support for the installation and operation of digital animated signs in other locations around the City, nor for the creation of a sign intensive environment anywhere within the City at this time;

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council supports the adoption of Ordinance # _____, which grants a conditional PD (Planned Development District) modification which includes the erection and operation of an LED animated sign proposed for the GM World Headquarters at the Renaissance Center.

September 27, 2016

Honorable City Council:

Re: Real Property at 6101 Ranspach

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Magni-Industries, Inc., a Michigan corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of real property, having street address of 6101 Ranspach, Detroit, MI 48209 (the "Property").

The P&DD entered into a Purchase Agreement dated September 27, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Three Thousand Nine Hundred Fifty Four and 00/100 Dollars (\$3,954.00) (the "Purchase Price").

Offeror intends to develop and improve property for the purpose of Industrial Manufacturing. The proposed use is a by-right use within the designated M4 / Intensive Industrial zoning district.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,

MAURICE D. COX

Director, Planning and

Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Magni-Industries, Inc., a Michigan corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address 6101 Ranspach, Detroit, MI 48209 (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a

Purchase Agreement dated September 27, 2016, with the Offeror; and

Whereas, In Furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to use the Property for Industrial Manufacturing, which is a by-right use within the designated M4/Intensive Industrial, as per the City of Detroit zoning ordinance, Section 61-10-77(14).

Whereas, Offeror intends to apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of the sale

Now, Therefore,

Be It Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further;

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Three Thousand Nine Hundred Fifty Four and 00/100 Dollars (\$3,954.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Ninety Seven and 70/100 Dollars (\$197.70) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Hundred Thirty Seven and 24/100 Dollars (\$237.24) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or

terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

November 8, 2016

Honorable City Council:

Re: Resolution Approving an Obsolete Property Rehabilitation Exemption Certificate, on Behalf of Danish Brotherhood Apartments, LLC at 1775 West Forest, Detroit, MI, in Accordance with Public Act 146 of 2000. (Related to Petition #430.)

On November 10, 2016, a public hearing in connection with approving an Obsolete Property Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Danish Brotherhood Apartments, LLC, has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
JOHN SAAD
Manager —
Development Division

By Council Member Leland:

Whereas, Danish Brotherhood Apartments, LLC, has filed with the City Clerk

an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on May 12, 2015, established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 1775 West Forest, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (l) of the Act; and

Whereas, This City Council has granted until December 31, 2017 for the completion of the rehabilitation; and

Whereas, On November 10, 2016, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Danish Brotherhood Apartments, LLC, for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2028, in accordance with the provisions of the Act; and be it further

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act, and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than December 31, 2017, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 8.

Nays — None.

6402 Woodward Ave., LLC, has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 146 of 2000 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
JOHN SAAD
Manager —
Development Division

By Council Member Leland:

Whereas, 6402 Woodward Ave., LLC, has filed with the City Clerk an Application for an Obsolete Property Rehabilitation Exemption Certificate, under Public Act 146 of 2000 ("the Act") in City of Detroit Obsolete Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on October 14, 2014, established by Resolution an Obsolete Property Rehabilitation District in the vicinity of 6402 Woodward Avenue, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 146 of 2000 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for obsolete property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Obsolete Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Obsolete Property Rehabilitation District; and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by Section 2 (l) of the Act; and

Whereas, This City Council has granted until July 31, 2018 for the completion of the rehabilitation; and

Whereas, On November 10, 2016, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal hearing was held on aforesaid application, at which time the Applicant, the Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of an Obsolete Property Rehabilitation Exemption Certificate, considered together with the taxable value of Obsolete Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax within the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of 6402 Woodward Ave., LLC, for an Obsolete Property Rehabilitation Exemption Certificate, in the City of Detroit Obsolete Property Rehabilitation District is hereby approved for a period of Twelve (12) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2028, in accordance with the provisions of the Act; and be it further

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act, and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than July 31, 2018, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Obsolete Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificates.

RESOLUTION

By Council Member Leland:

WHEREAS, Dr. Kim of Lawrence Tech University and the West Grand Boulevard Collaborative (WGBC), have requested the historic designation of 2764 West Grand Boulevard, the historic church known as Redeemer Presbyterian Church/Sweet Home Missionary Baptist Church and Day Care Center as an historic district; and

WHEREAS, The Historic Designation Advisory Board determined that the buildings requested for designation are architecturally and historically significant, with one of those structures being the work of George D. Mason, and both buildings being approximately a century old and also having significance related to African American civil rights events; and

WHEREAS, The matter has been considered for a study at the Planning and Economic Development Standing Committee over the course of several months; and

WHEREAS, During the Planning and Economic Development (P&ED) Standing Committee meeting of November 10, 2016 the petitioner, WGBC and representatives of Henry Ford Health System (HFHS) who are the owner of the buildings, presented their opposing views as it relates to the proposed historic designation study of the buildings at 2764 West Grand Blvd.; and

WHEREAS, The P&ED Standing Committee members decided that the alternative presented by HFHS for the adaptive re-use of materials to be incorporated into HFHS' newly proposed cancer center would be an appropriate compromise between the two parties representing WGBC and HFHS; and

WHEREAS, Planning and Economic Development Committee voted as its regular meeting of November 10, 2016 to deny the Historic Designation request of the West Grand boulevard Collaborative and Dr. Kim of Lawrence Tech University with the understanding that upon denial of the designation request, an alternative plan for the materials resulting from the demolition of the subject churches will be incorporated into an adaptive re-use of the proposed cancer center on the subject site; to be adhered to by HFHS in a voluntary legally binding agreement; NOW, THEREFORE BE IT

RESOLVED, The Detroit City Council accepts the recommendation of the Planning and Economic Development Standing Committee for DENIAL of the petition #1069 for the request of historic designation of 2764 West Grand Boulevard, the historic church known as Redeemer Presbyterian Church/Sweet Home Missionary Baptist Church and Day Care Center as an historic district and the appointment of ad hoc representatives in connection with this matter. BE IT FURTHER

RESOLVED, The Detroit City Council accepts the commitment of Henry Ford Health Systems to honor the additional commitments that the organization has described in Attachment A, a letter to City Council entitled, "Community Commitment Plan" dated November 10, 2016 and expects this commitment to the community to be fulfilled (see Attachment A)

ATTACHMENT A

HENRY FORD HEALTH SYSTEM Hospital Administration

November 10, 2016

To: Honorable City Council:

From: John Popovich, Jr., President and CEO, Henry Ford Hospital, Steven Kalkanis, MD, physician leader, Henry Ford Cancer Institute, Wright Lassiter, III, President, Henry Ford Health System.

Re: Community Commitment Plan
Dear Honorable Council Members:

As you know, various members of the Henry Ford Health System team have worked closely with the West Grand Boulevard Collaborative and other community groups for a number of years. As a founding member of the West Grand Boulevard, Henry Ford has supported many community programs and initiatives including the: WGBC Workforce Pipeline, No Trash Left Behind and adopting Martin Luther King Park.

In 2015, we partnered with UAW Ford, Midtown Detroit and the City of Detroit on the West Grand Blvd. improvement project, which included a much needed underground sprinkling system, trees and updated landscaping to West Grand Boulevard. In the spirit of this existing partnership, **and in response to community-identified priorities**, Henry Ford commits to the following as a result of the cancer center project:

- **Economic Development:**

- o Work in partnership with the West Grand Boulevard Collaborative and other community groups on the construction of a welcome center.
- o In collaboration with UAW Ford and Midtown Detroit and community groups, identify locations and provide up to 4 covered bus shelters along West Grand Blvd.

- **Beautification:**

- o Partner with UAW Ford and Midtown Detroit to extend West Grand Blvd. beautification and maintenance to Grand River.
- o Provide 10 beautification mini grants to local community groups and businesses.

- **Jobs/Workforce Readiness:**

- o The cancer center project with its parking deck will bring approximately 260 permanent and quality new jobs to Detroit. It is also estimated to produce over 500 construction jobs, 30% of the value of construction contracts will be awarded to minority firms. As a result, **HFHS will utilize the WGBC employment pipeline as a main source to hire local residents for these new jobs.**
- o In an effort to support local businesses along W. Grand Blvd. and the local community, Henry Ford will

host community vendor fairs in 2016 and early 2017 to educate local residents and businesses about upcoming contract opportunities.

• **Deconstruction and Church Recognition:**

- Memorialize Sweet Home Baptist Church by carefully deconstructing the stone church and incorporating as much of the useable stone as possible into the cancer center project, or for other acceptable community use.
- Work with the WGBC and other community organizations for input on stone usage.
- In order to appropriately recognize Sweet Home Baptist Church, HFHS will work with WGBC and other community groups on designing a plaque that will detail the church's history. The plaque will be prominently displayed outside of the HFHS cancer center.

• **Communication:**

- Per our 2014 signed LOU with the WGBC, HFHS will continue to meet on a bi-weekly basis to communicate cancer center construction project updates and hear community ideas and concerns.
- During these meetings, we will identify other areas of mutual interest where we will partner for the benefit of the community.

The Henry Ford cancer center is a catalyst for future development projects and partnerships in this neighborhood. We look forward to a continued partnership with the WGBC and other community groups to create a walkable, sustainable and safe neighborhood.

Additional already existing commitments:

- The Henry Ford south campus plan envisions three additional major medical facilities; collectively their economic impact will exceed that of the cancer center.
- The Grand Trunk Crossing project will introduce 50 new, quality units of mostly affordable rental housing. It rehabilitates two vacant buildings in the area, and will be designed in a traditional urban style.
- HFHS has announced the ambition to work with the City of Detroit and neighborhood partners on a state grant for walkability and bike facility enhancements to West Grand Boulevard.
- HFHS is maintaining over 100 vacant lots in the neighborhood through a contract with higher Ground Lawn Care, a community development business managed and staffed by returning citizens. We have employed a crew to collect hundreds of yards of illegally dumped materials neighborhood properties, regardless of who owns the properties.

- The Holden Block project is the adaptive reuse of a vacant industrial building one block from the cancer center that is being sponsored by HFHS for the express purpose of restoring a historic building, activating the street life around the site, and providing a local employment boost.

LETTER OF COMMITMENT

From Henry Ford Health System
For Deconstruction of
2764 West Grand Boulevard

RECITALS

1. Henry Ford Health Systems (HFHS) intends to construct and operate a state-of-the-art comprehensive cancer center at 2764 West Grand Blvd. and surrounding properties. This major project is the catalyst for several other development projects that are expected to drive economic growth in the immediate area.

2. The construction project is expected to require the complete and full use of the land at 2764 West Grand Blvd. (above and below ground), where two buildings formerly used as churches are still standing. The primary building is the larger building, built by George D. Mason in 1924 with stone construction ("Primary Building"), and the secondary building is the smaller building with brick construction ("Secondary Building").

3. Detroit City Council, through the Planning and Economic Development Committee at its meeting on November 10, 2016, has formally requested a plan and commitment for the preservation and future re-use of the Primary Building's exterior stone material, to be used in the construction of the planned cancer center project, which will be erected to replace the existing church buildings.

COMMITMENTS

1. HFHS through its contractors will systematically dismantle the Primary Building using customary preservation methods and standards, and will use reasonable best efforts to retain 90% of the fieldstone material on the north and east elevations of the Primary Building. The recovered materials will be cleaned free of mortar, transported and stored offsite for re-use in the cancer center. HFHS' contractor for the process will provide the city's Historic Designation Advisory Board staff with a detailed report of the deconstruction process and an analysis of the materials that are determined to be preservable as well as those that must be discarded as wasted material.

Exclusions:

a. The fieldstone projected to be recovered does not include the west elevation which is compromised by the presence of a partially above-ground tunnel connecting it to the secondary building.

The south elevation is not stone material, and therefore is also excluded.

b. The fieldstone is embedded with mortar rather than clips, so some breakage during the dismantling process is anticipated. The goal of 90% for recovered materials (measured by exterior square footage) is based on calculations after subtracting from the square footage fieldstone that is wasted as a result of the dismantling process.

Wasted material shall be defined as stone that cannot be immediately reused without additional restoration.

c. The Primary Building has approximately two feet of starter stone around its base, and stone below grade. These materials are excluded from the deconstruction and preservation requirement and square footage calculation.

d. The Primary Building has ornamental and coping stones at its wall edges and around its window and door openings. HFHS desires to deconstruct, preserve, and reuse these materials provided it is financially and functionally feasible. This will occur at the option of HFHS; the ornamental and coping stones are excluded from the 90% deconstruction and preservation calculation.

e. The Secondary Building is excluded from this commitment in its entirety and may be demolished using customary demolition standards.

2. For the safety of the preservation team, selective demolition and re-bracing will be implemented prior to and during the deconstruction activities.

3. The reclaimed stone will be used as part of the cancer center project in a prominent location other than the exterior facade. HFHS commits to using a substantial amount of the reclaimed material as part of this new feature, but not necessarily 100% since the feature has not yet been designed. HFHS shall have full and complete control over the process and design of the reuse of the stone as part of the cancer center project.

4. A commemorative plaque or historical marker noting the original location of the church will be installed in a visible location on the exterior of the cancer center building. HFHS will develop the plaque/marker's concept, and consult with the City's Historic Designation Advisory Board staff for approval of its historical description content.

5. The City of Detroit may at its expense monitor the deconstruction process and its materials manifests, but not HFHS' contractors or contracts including its scope of work and schedule.

6. The parties acknowledge and agree that this letter of Commitment is intended to be a legally binding contract, and legally enforceable by the City of Detroit. HFHS waives and expressly agrees not to raise

any lack of consideration or standing as a defense to enforcement of this Letter of Commitment.

**RESOLUTION
IN SUPPORT OF SENATE BILL 1138
TO ALLOW MUNICIPALITIES TO
INCREASE THE SUPPLY OF
MODERATE AND LOW-COST
HOUSING THROUGH INCENTIVES**

November 14, 2016

By Council Member Sheffield:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through charter-mandated legislative functions; and

Whereas, On October 20, 2016, Michigan State Senator Wayne Schmidt introduced Senate Bill 1138, which would allow a local unit of government to implement a plan by resolution or ordinance, to implement a policy to increase the amount of moderate and or low cost housing residential property available for lease through incentives; and

Whereas, This bill is intended to address restrictions of Michigan Public Act 226 of 1988, Leasing of Private Residential Property, found at MCL 123.411, which provides that: "A local governmental unit shall not enact, maintain, or enforce an ordinance or resolution that would have the effect of controlling the amount of rent charged for leasing private residential property." This language effectively prevents the City of Detroit from enacting an Inclusionary Housing Ordinance that would serve to create and preserve affordable rental residential housing in the City; and

Whereas, Overall, in 50 largest cities, nearly twenty percent (20%) of neighborhoods with lower incomes and home values have experienced gentrification since 2000, compared to only nine percent (9%) during the 1990s. There is some evidence that select neighborhoods in the City of Detroit are experiencing evidence of undue gentrification and steps should be taken to ameliorate the negative consequences going forward; and

Whereas, Currently in the City of Detroit, the Detroit City Council and the Duggan Administration have worked col-

laboratively to develop and implement an ordinance that would require affordable housing set asides in exchange for incentives such as tax abatements, discounted land, reduced zoning requirements, etc. for housing development projects; and

Whereas, Senate Bill 1138 would facilitate the City's Inclusionary Housing efforts, which would allow the City elected leaders to play an important role in determining the course of development in the City of Detroit by providing a reasonable mechanism achieve an affordable component in City supported housing products and at the same time, continuing to support the renewed development and investment in Detroit; and

Whereas, The Detroit City Council is a supporter of Inclusionary Housing and renewed investment in the City of Detroit, and is thereby calling for the Detroit Delegation in the State Senate and House of Representatives, the Senate Committee on Local Government, the Michigan State Senate, the Michigan State House of Representatives and the Governor to approve Senate Bill 1138.

Now, Therefore Be It

Resolved, That this resolution be forwarded to the City of Detroit's Lansing Lobbyist, the Detroit Delegation in the Michigan State Senate and House of Representatives, the Senate Committee on Local Government, the Michigan State Senate, the Michigan State House of Representatives and the Governor.

**MS. ANNA PEARL KEMPER HUGHES
'Celebrating Your Centennial
100th Birthday'**

By COUNCIL PRESIDENT JONES:

WHEREAS, On November 12, 2016, Ms. Anna Pearl Kemper Hughes will attain the age of one hundred years, a very significant milestone reserved for very few. The Detroit City Council would like to publicly acknowledge this important event in her life; and

WHEREAS, Ms. Anna Pearl Kemper Hughes, one of our newest centenarian citizens, has lived a rich and blessed life, having experienced, first-hand, 100 of the most eventful and productive years in American and world history. Anna was born on November 12, 1916, in Sparta,

Kentucky. She was welcomed into the world by her loving parents, Maude and George Kemper. Her parents decided to give up the farm life and migrated north, in hopes of the children having a better life and education; and

WHEREAS, Anna married Smerdis Hughes (deceased) and to this union two children were born, Smerdis Jr. and Karen. In her professional career as a Registered Nurse, Ms. Hughes worked at Detroit Receiving Hospital for ten years and at Herman Kiefer Hospital for twenty years. Mr. Hughes worked on the assembly line at Ford Motor Company for thirty years before retiring; and

WHEREAS, Ms. Anna Pearl Kemper Hughes has been a resident of the City of Detroit since 1947. She was a faithful member of Second Baptist Church for more than forty years, before it became too difficult to drive every Sunday from her home in the University District to downtown. Anna continued to attend weekly Sunday services at Hartford Memorial Baptist Church for a number of years. During her leisure time, Ms. Hughes enjoyed many activities offered to senior citizens at the Northwest Activities Center. She participated in exercise classes, meetings, field trips and social affairs; and

WHEREAS, At age 100, Anna is truly young at heart! She is full of life and wisdom. Ms. Hughes is celebrating her 100th birthday with fond remembrances of the past, thankfulness for the present, and eager anticipation of the future, while surrounded by her family and friends.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, wishes to grasp this golden opportunity to honor and recognize one of Detroit's most outstanding citizens, Ms. Ann Pearl Kemper Hughes on the special celebration of her 100th Birthday.

TESTIMONIAL RESOLUTION FOR

PHI BETA SIGMA FRATERNITY INC. Nu Alpha Sigma Chapter – Detroit

By COUNCIL PRESIDENT JONES:

WHEREAS, In 1950 Phi Beta Sigma Fraternity became the first Greek letter organization to develop a youth auxiliary group. Under the direction of Dr. Parlett L. Moore, the Sigma Beta Club was founded. Brother Moore, a proactive visionary was concerned about the changing needs in our communities and recognized the important role that men of Sigma could play in the lives of our youth; and

WHEREAS, Understanding the need to fill voids in the lives of our African American males, Phi Beta Sigma was proactive in building a village around our young men of color. Some 66 years later, Phi Beta Sigma has created an avenue that meets the social, academic and professional needs of our youth. The Sigma Beta Club programs are geared towards meeting the needs of its members ranging from 8 to 18 years of age, but at the same time, provides them with a well-rounded outlook that is needed to cope with the social ills of today's society; and

WHEREAS, In a time when young minority males seem to be losing their voice and lives, Phi Beta Sigma has empowered our young men to focus their actions in a positive manner by addressing the six core areas of: Academic Achievement, Social and Professional Etiquette, Understanding Free Enterprise, Community Service, Leadership Development and Building Self Esteem; and

WHEREAS, Since 2006, Phi Beta Sigma Fraternity, Inc. – Nu Alpha Sigma Chapter of Detroit, Michigan has hosted its Minority Male Leadership Academy Conference for minority males of color from the ages of 12 to 18 to address many of the issues that are affecting our youth. At the same time, they recognize academic achievement, by providing participants with financial scholarships to help assist with the strenuous financial cost of attending college. The 2016 conference will convene in downtown Detroit on November 11-13th, for the ten year anniversary. This year's conference theme "I Am My Brother's Keeper," delivers on the promise and work to keep our future's dreams alive.

NOW, THEREFORE BE IT

RESOLVED, That the Phi Beta Sigma Fraternity, Inc. – Nu Alpha Sigma Chapter of Detroit be awarded this Testimonial Resolution from the Detroit City Council and office of Council President Brenda Jones in recognition of the ten-year anniversary of the Minority Male Leadership Academy Conference.

TESTIMONIAL RESOLUTION IN MEMORIAM

CORPORAL MYRON A. JARRETT Detroit Police Department

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Corporal Myron A. Jarrett, a beloved husband, father, son, brother, friend, col-

league and member of the Detroit Police Department, who was granted his angel wings on October 28, 2016; and

WHEREAS, Myron Jarrett was a devoted and loving family man to his wife, Sacha and his four children: Christian, Caitlin, Cameron and Cassidy. The couple met while attending Southeastern High School and were teen sweethearts. He ran track and played basketball in high school. Myron and Sacha both worked at the International House of Pancakes and graduated from Southeastern in 1994. Myron briefly attended Wayne State University; and

WHEREAS, Corporal Jarrett, affectionately called "Salt and Pepper," by his fellow officers, began his career with the Detroit Police Department on November 21, 2008. After successful completion of the Detroit Metropolitan Police Academy, he was assigned to the Sixth Precinct. An eight-year veteran of the department, Corporal Jarrett was a professional police officer who served the citizens of the City of Detroit with distinction. During his tenure, he was assigned to the Sixth Precinct, Detroit Detention Center and Twelfth Precinct. Jarrett liked to write tickets and was very proud of his leather-bound ticket book. He was rarely seen without it. Whenever he pulled someone over for a traffic violation, he used the traffic stop as a teaching moment. He would talk to the people he stopped and counsel them. That's the kind of police officer he was; and

WHEREAS, Corporal Jarrett had a tremendously positive impact in the community. He loved serving the citizens and neighborhoods of the Twelfth Precinct. Throughout his career, he received numerous departmental awards and letters of commendation for his exemplary service. Jarrett was an outstanding law enforcement officer, who really wanted to make a difference. His service to the community was important. He was respected not only by the people he worked with, but also the people he served. Corporal Myron A. Jarrett gave the ultimate sacrifice to make the city of Detroit and this world, a better and safer place. He has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council president Brenda Jones, in recognition of his heroism, selfless attitude and courageous service, hereby extends our deepest sympathy and joins with family and friends in honoring the life and legacy of Corporal Myron A. Jarrett. He will be greatly missed.

**Office of the Chief Financial Officer
Office of Budget**

November 7, 2016

Honorable City Council:

Re: Authorization to Amend the FY 2016-17 City of Detroit Budget.

The Office of the Chief Financial Officer ("OCFO") requests authorization to amend the City's Fiscal Year 2016-17 Budget. The Office of Financial Planning

and Analysis (“OPF&A”) has been working closely with the City’s bond counsel and has determined that 21 new appropriations are needed in order to re-program \$49,897,236.63 available from prior years’ General Obligation (“GO”) bond bank accounts.

This is a one-time effort that will allow for tracking of future GO bond appropriations to be consistent with the Voter Authorized Purpose for each relevant issuance. New bank accounts will be opened for each fund allowing for more efficient bank account reconciliations.

Previously approved GO Bond funds totaling \$43,257,329.77 had been appropriated; however, over the years, the carry forward process allowed balances to be brought forward year after year without sufficient reconciliation. Additionally, bond balances earned interest and the \$6.6 million was never properly recorded by appropriation. Consequently, these funds no longer reflect actual bond bank account balances. Therefore, this one-time adjustment is needed to the prior appropriations so they can be closed out and new GO bond appropriations can be established and aligned to coincide with

bank statement balances and prior Voter Authorized Purposes.

Per Bond Counsel, all existing GO bond issuances noted in this communication, except for the 2010 Build America Bonds (“BABs”) in Fund 4513 have been subjected to the IRS Voluntary Closing Agreement Program (“VCAP”) which officially resolves any Federal compliance issues. Given this circumstance, Bond Counsel recommends the BABs remain segregated in their current fund and bank account. The application of bond proceeds to particular projects will be done on a case-by-case basis and, if warranted, in consultation with Bond Counsel.

The table in Exhibit A identifies the 21 new appropriations totaling \$49.9 million which are necessary in order to comply with bond counsel’s recommendation. The table in Exhibit B identifies \$43,257,329.77 in previous appropriations that will be closed out and replaced with the 21 new appropriations in the Fiscal Year 2016-17 Budget.

A waiver of reconsideration is requested.

Respectfully submitted,

TANYA STOUDEMIRE, J.D.

Deputy CFO/Budget Director

Re: City Council Recess from: Tuesday, November 22, 2016 — Tuesday, January 3, 2017.

Ordinance No. 15-00, Chapter 21 Article 3, requires the approval of your Honorable Body for the purchase of goods and services over the value of \$25,000, all contracts for personal services renewals or extensions of contracts, or the exercise of an option to renew or extend a contract. Based upon the above scheduled recess, there will be a delay in obtaining your approval for needed goods and services. As a result, I will be unable to meet my obligation to obtain needed goods and services for the user agencies,

and they, in return, will be unable to meet their obligations to supply mandated services to the people of the City of Detroit.

Therefore, during the Recess, I request that your Honorable Body approve our purchase of Goods and Services requiring your Approval under Ordinance No. 15-00 under provisions as follows:

1. Weekly list of Contract Agenda Items, which are distributed by the Office of the City Clerk to Members of the City Council each Thursday, will be held through Wednesday of the following week. In the event any Council Member objects to the contract or purchase, the contract or purchase will be held either until formal action by the City Council or withdrawal of the objection by the objecting Council Member.

2. No Contract or Purchase Order shall be issued if a Protest has been filed, or if a Vendor has not obtained required Insurance, Tax, or other adequate Clearances or Affidavits.

The first list under the Recess procedures will be prepared by the Office of Contracting and Procurement on **Wednesday, November 23, 2016.**

Respectfully submitted,

Honorable City Council:

Re: OneWest Bank, N.A. vs. Goldfarb Bonding Agency, LLC et al. Case No.: 16-000170-CH. File No.: L16-00012 (JDN).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement by a consent judgment quieting title as to any ownership claim by the City of Detroit in real property commonly known as 5758 Coplin (parcel no. 21051474), and payment of Five Thousand Dollars and No

Cents (\$5,000.00) by OneWest Bank, N.A. to the City of Detroit, is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter by acceptance of payment by OneWest Bank, N.A. to the City of Detroit of Five Thousand Dollars and No Cents (\$5,000.00), and entry of a consent judgment quieting title as to any ownership claim by the City of Detroit in property commonly known as 5758 Coplin (parcel no. 21051474), approved by the Law Department.

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Global Medical Transportation, LLC vs. City of Detroit, Wayne County Circuit Court Case No. 15-010007-NF on the following terms and conditions:

- A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.
- 2. The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Seventy-Four Thousand Dollars (\$174,000.00).
- 3. Any award in excess of \$174,000.00 shall be interpreted to be in the amount of \$174,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incidents which occurred between January 1, 2013 and December 31, 2015 in the City of Detroit; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have

announced a decision requiring the City to pay part or all \$174,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Global Medical Transportation, LLC, and its attorney, Mark L. Menczer, in the amount of the arbitrators' award, but said draft may not exceed One Hundred Seventy-Four Thousand Dollars (\$174,000.00).

Re: Dorothy McCoy vs. City of Detroit.
 Case No.: 15-002766-NI/14-012538-
 NF. File No.: L15-00167/L14-00302.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that the City should agree to the entry of an Order of Dismissal and enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution.

We, therefore, request authorization to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate on the terms and conditions set forth in the following resolution and, upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay a designated sum to the Plaintiff, that your Honorable Body direct the Finance Director to issue a draft payable to Dorothy McCoy and her attorney, Mike Morse Law Firm, PC in the amount the City is to pay the Plaintiff pursuant to the arbitrators' decision, but said draft may not exceed One Hundred Ten Thousand Dollars (\$110,000.00).

Resolved, That:

The Law Department is authorized to agree to entry of an Order of Dismissal

and to enter into an Agreement to Arbitrate in the case of Dorothy McCoy vs. City of Detroit, Wayne County Circuit Court Case No. 15-002766-NI/14-012538-NF on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiff shall not exceed the amount of One Hundred Ten Thousand Dollars (\$110,000.00).

3. Any award in excess of \$110,000.00 shall be interpreted to be in the amount of \$110,000.00.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiff for any and all claims arising out of the incident which occurred on or about October 1, 2013 at or near Trumbull & Leverette; however, limited judicial review may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

Neither the "high low" amounts, nor the mediation award shall be disclosed to the arbitrators. Disclosure of the "high low" amounts or the mediation award to the arbitrators shall render the arbitration agreement voidable by any non-disclosing party.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$110,000.00 to the Plaintiff, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Dorothy McCoy and her attorney, Mike Morse Law firm, PC, in the amount of the arbitrators' award, but said draft may not exceed One Hundred Ten Thousand Dollars (\$110,000.00).

Honorable City Council:
 Re: Kevin Pollard vs. City of Detroit. Case No. 15-011633-NF. File No: L15-00701.

On October 18, 2016, your Honorable Body approved authority to accept a case evaluation award and settle the above-captioned lawsuit in the amount of Fifty Thousand Dollars and No Cents (\$50,000.00) in favor of Plaintiff Kevin Pollard. Plaintiff Kevin Pollard rejected the case evaluation award. The parties have since participated in a settlement conference, with resulted in Plaintiff Kevin Pollard agreeing to settle the above-captioned lawsuit for the original case evaluation award amount of \$50,000.00.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that settlement in the amount of Fifty Thousand Dollars and No Cents (\$50,000.00) to Plaintiff Kevin Pollard is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body rescind the original resolution, adopt the amended resolution submitted herewith and direct the Finance Director to issue a draft in the amount of Fifty Thousand Dollars and No Cents (\$50,000.00) payable to Kevin Pollard and Varjabedian Attorneys, PC, his attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-011633-NI, approved by the Law Department.

City of Detroit

County of Wayne, Michigan

By Council Member Benson:

Whereas, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority (the

“Authority”) has been established by resolution of the City Council of the City of Detroit (the “City Council”) for the purpose of promoting the revitalization of eligible properties (as this term is defined in Act 381) in the City of Detroit (the “City”); and

Whereas, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

Whereas, Section 16(8)(b) of Act 381 provides that the City may terminate a brownfield plan or plan amendment for an eligible property if the project for which eligible activities were identified in the brownfield plan or plan amendment fails to occur with respect to the eligible property for at least five (5) years following the date of the resolution approving the brownfield plan or plan amendment; and

Whereas, On November 7, 2001, City Council approved the Brownfield Plan for the Paper Plas Redevelopment Project; and

Whereas, On February 26, 2003, City Council approved the Brownfield Plan for the Sparetime Redevelopment Project; and

Whereas, On August 1, 2003, City Council approved the Brownfield Plan for the Stough Development Redevelopment Project; and

Whereas, On November 14, 2003, City Council approved the Brownfield Plan and on November 17, 2006 City Council approved an Amended Plan for the Amended East Village Redevelopment Project; and

Whereas, April 21, 2004, City Council approved the Brownfield Plan for the Jefferson Chalmers Redevelopment Project; and

Whereas, On June 22, 2005, City Council approved the Brownfield Plan for the A&S Hospitality Plaza Redevelopment Project; and

Whereas, On July 12, 2006, City Council approved the Brownfield Plan for the Grand Van Dyke Redevelopment Project; and

Whereas, On January 15, 2008, City Council approved the Brownfield Plan for the Metro Plaza Redevelopment Project; and

Whereas, All twelve (12) of the above-referenced brownfield plans are hereinafter referred to collectively as the “Plans”; and

Whereas, Subsequently, the projects described in the Plans became financially unviable; and

Whereas, The Authority’s staff has confirmed that the eligible activities and projects identified in each of the Plans have failed to occur; and

Whereas, On May 25, 2016, the Board of Directors of the Authority adopted a resolution recommending the termination of the Plans; and

Whereas, Pursuant to Section 16(8)(b) of Act 381, termination of the Plans requires a resolution of the City Council.

Now, Therefore, Be It Resolved, That the City Council hereby terminates the Plans.

The City Clerk is requested to submit one (1) certified copy of this Resolution to the City of Detroit Brownfield Redevelopment Authority, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Honorable City Council:

Re: Real Property at 10223 Oakland, Detroit, MI 48211.

The City of Detroit Planning and Development Department (“P&DD”) has received an offer from NRT Investment Holdings, LLC a New York limited liability company (“Offeror”) requesting the con-

veyance by the City of Detroit (the "City") of the real property, having a street address of 10223 Oakland, Detroit, MI 48211 (the "Property").

The P&DD entered into a Purchase Agreement dated October 5, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Five Hundred Seventy and 00/100 Dollars (\$2,570.00) (the "Purchase Price").

Offeror intends to secure the property and maintain it as green space. The proposed use is a by-right use within the designated B4 / General Business zoning district, in accordance with Section 61-9-78 of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,

MAURICE D. COX

Director, Planning and Development Department

By Council Member Benson:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from NRT Investment holdings LLC, a New York limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 10223 Oakland, Detroit, MI 48211, (the "Property") described in Exhibit A; and

Whereas, The P&DD entered into a Purchase Agreement dated October 5, 2016, with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to secure the property and maintain it as green space. The proposed use is a by-right use within the designated B4 / General Business zoning district, in accordance with Section 61-9-78 of the City of Detroit Zoning Ordinance.

Now, Therefore, Be It Resolved, that the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and be it further

Resolved, that Property may be transferred and conveyed to Offeror, in consideration for its payment of Two Thousand Five Hundred Seventy and 00/100 Dollars (\$2,570.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, that customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Twenty-Eight and 50/100 dollars (\$128.50) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, that a transaction fee of One Hundred Fifty-Four and 20/100 dollars (\$154.20) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, that the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Re: Amendment to Sales Resolution Surplus Property Sale: 16608 Santa Rosa.

On June 10, 2014, your Honorable Body authorized the sale of the above captioned property to Lynn Frances Burns for the amount of \$1,800. The property consisted of a single family residential structure on an area of land measuring approximately 3311 square feet and zoned R-2 (Two Family Residential District). The dwelling was in need of substantial repair but Ms. Burns proposed to renovate the home.

Ms. Burns has been out of town due to personal reasons. She has returned and brought it to our attention that the house was demolished. Per Building, Safety, Engineering and Environmental Department (BSEED) records, the property was declared unsound and demolished in August 2013, prior to the land sale authorization. Ms. Burns still wishes to retain the now vacant lot.

We, therefore, request that your Honorable Body adopt the attached resolution to authorizing an amendment to the sales resolution to reflect an adjustment in the sales price from \$1800 to \$300 and a refund to Ms. Burns in the amount of \$1500.

Respectfully submitted,

MAURICE D. COX

Director, Planning and Development Department

By Council Member Benson:

Whereas, on June 10, 2014, Your Honorable Body authorized the sale of 16608 Santa Rosa (the "Property"), a single family dwelling, more particularly described in the attached Exhibit A, to Lynn Frances Burns for the amount of \$1,800; and

Whereas, Offeror intended to renovate the structure for use as a single family residential dwelling, which is permitted as a matter of right in an R-2 (Two Family Residential District) zone. However, the property was declared structurally unsound and demolished in August 2013, prior to the approval for sale; and

Resolved, That in accordance with the foregoing communication, the authority to sell 16608 Santa Rosa, the Property, to Lynn Frances Burns be amended to reflect an adjustment in the sales price from \$1800 to \$300 and a refund in the amount of \$1500 to Lynn Frances Burns is hereby authorized.

Honorable City Council:

Re: Surplus Property For Sale 3435, 3441, 3447, 3473 Mack.

We are in receipt of an offer from Bethel Church of Apostolic Faith, a Michigan Domestic Nonprofit Corporation, to purchase the above-captioned property for the amount of \$1200 and to develop such property. This property consists of vacant land, measuring approximately 12960 square feet and zoned B-2 (General Commercial).

The Offeror proposes to use this property to create greenspace, remove the blight within the surrounding neighborhood and enhance the appearance of their neighboring worship facility located at 3381 Mack. This use is permitted as a matter of right in a B-2 Zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Mayor of the City of Detroit, or his authorized designee, to issue a quit claim deed to the property and such other documents as may be necessary to effectuate the sale, with Bethel Church of the Apostolic Faith, a Michigan Domestic Nonprofit Corporation for the amount of \$1200.

Honorable City Council:

Re: Real Property at 2102/2112/2120 Lawndale, Detroit, MI 48209.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Urban Neighborhood Initiatives, Inc., a Michigan Corporation, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 2102/2112/2120 Lawndale, Detroit, MI 48209 (the "Property").

The P&DD entered into a Purchase Agreement dated November 4, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Three Thousand Seven Hundred and 00/100 Dollars (\$3,700.00) (the "Purchase Price").

Offeror intends to improve the property into a parking lot for operable motor vehicles for their adjacent community center. The property will only be used for customer and employee parking. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

We, request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX

Director

Planning & Development Dept.

By Council Member Benson:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Urban Neighborhood Initiatives, Inc., a Michigan Corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 2102/2112/2120 Lawndale, Detroit, MI 48209, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated November 4, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the city it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to improve the property into a parking lot for operable motor vehicles for their adjacent community center. The property will only be used for customer and employee parking. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the city of Detroit Zoning Ordinance.

Now, Therefore, Be It Resolved, that the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Three Thousand Seven Hundred and 00/100 Dollars (\$3,700.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Eighty-Five and 00/100 Dollars (\$185.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Hundred Twenty-Two and 00/100 Dollars (\$222.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Re: Sale to Abdullah Alsaïdy of Surplus Property at 8324/8348 Joy Road, Detroit, MI 48204.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Abdullah Alsaïdy, an individual, whose address is 8060 Ward, Detroit, MI 48228 ("Offeror"), an offer to purchase from the City of Detroit the real property described on the

attached Exhibit A and more commonly known as 8324/8348 Joy Road, Detroit, MI 48204 (the "Property").

The P&DD entered into a Purchase Agreement dated September 14, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by quit claim deed (the "Deed") for Eleven Thousand and 00/100 Dollars (\$11,000.00) (the "Purchase Price"), subject to the approved transaction costs and transaction fee.

Offeror intends to rehabilitate the property, a vacant commercial structure, into a storefront for retail sales. The proposed use is a by-right use within a B2 / Local Business and Residential District as per Section 61-9-36 (22) of the 2016 City of Detroit Zoning Ordinance. Offeror shall, in addition, board up and/or secure the property within six (6) months of closing, with a right of reverter written into the Deed to be exercised by P&DD in event of default.

The request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

**Brownfield Redevelopment Authority
EXHIBIT E
RESOLUTION APPROVING
BROWNFIELD PLAN OF THE
CITY OF DETROIT BROWNFIELD
REDEVELOPMENT AUTHORITY FOR
THE UNION AT MIDTOWN PHASE II
REDEVELOPMENT PROJECT**

City of Detroit
County of Wayne, Michigan

By Council Member Benson:

Whereas, Pursuant to 381 PA 1996, as amended, ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

Whereas, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

Whereas, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Union at Midtown Phase II Redevelopment Project (the "Plan"); and

Whereas, The Authority submitted the Plan to the Community Advisory Com-

mittee for consideration on February 10, 2016, per the provisions of the resolution establishing the Authority, and a public hearing was conducted by the Authority on February 16, 2016 to solicit comments on the proposed Plan; and

Whereas, The Community Advisory Committee recommended approval of the Plan on February 10, 2016; and

Whereas, The Authority approved the Plan on October 26, 2016 and forwarded it to the City Council with a request for its approval of the Plan; and

Whereas, The required notice of the public hearing on the Plan was given in accordance with Section 13 of Act 381; and

Whereas, The City Council held a public hearing on the proposed Plan on November 17, 2016.

Now, Therefore, Be It Resolved, That:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) The property designated in the Plan meets the definition of Eligible Property, as described in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is

hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual base Year Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the Initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by an in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381.

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the determinations of the appropriate state officials regarding the ability of the owner, developer or lessor to qualify for a Michigan Business Tax Act credit (or assignment thereof) pursuant to Act 36, Public Acts of Michigan, 2007, as amended, or as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to submit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

Historic Designation Advisory Board
November 18, 2016

Honorable City Council:

Re: Petition #1345: Requesting interim designation of the historic conductor Protective Association Building (CPA Building) located at 2238 Michigan Avenue as a local historic district and the appointment of ad hoc representatives in connection to this matter.

Resolution by Council Member Benson:

Requesting the Buildings Safety Engineering & Environmental Department, the Law Department and the Detroit Land Bank provide regular demolition lists and notifications to the Detroit City Council and other city departments and agencies.

At the November 15, 2016 at City Council formal session the Historic Designation Advisory Board (HDAB) was directed to draft a resolution for an interim designation for the proposed Conductor Protective Association Building (CPA Building) Local Historic District. The request was made by Council Member Castaneda-Lopez, District 6.

A provision in the local designation ordinance, Sec. 25-2-4(c), states, "Upon receipt of substantial evidence demonstrating definite ... significance in a proposed historic district, the city council may, at its discretion, adopt a resolution of interim historic designation, requiring that all applications for permits for work within the proposed historic district be referred to [Historic District] commission as provided for in section 25-2-18 et seq." Interim designation would require that, for a period of up to one year, the Historic District Commission would have the same powers as it would if the CPA Building were a designated local historic district.

The proposed Conductor Protective Association Building (CPA Building) local historic district consist of a single building located at 2238 Michigan Avenue. Reasonable grounds for the study have been provided. A resolution directing the Historic Designation Advisory Board to conduct a study is attached.

Should Your Honorable Body adopt that resolution, you must appoint two persons to serve as ad hoc members of the Advisory Board in connection with the matter.

Staff is available to answer any questions you may have in regards to this proposed designation.

Respectfully submitted,
JANESE CHAPMAN
Senior Historic Planner

By Council Member Benson:

WHEREAS, The City Council has received a petition to designate the property located at 2238 Michigan

Avenue (commonly known as the Conductors Protective Association Building, of CPA Building), as a historic district; and

WHEREAS, The boundaries of the proposed district are described in a petition before the City Clerk, and are: on the east, the centerline of 14th Street; on the south, the centerline of Michigan Avenue; on the west, the west line, as extended north and south, of Lot 3 of the Subdivision of Part of Godfroy Farm, Liber 1, Page 293, Wayne County Records; and on the north, the centerline of the east-west alley first north of Michigan Avenue; and

WHEREAS, The City Council is in receipt of evidence demonstrating definite historical and architectural value regarding the proposed historic district; and

NOW THEREFORE BE IT RESOLVED, That the Detroit City Council hereby directs the Historic Designation Advisory Board, to conduct study committee to determine whether the Conductors Protective Association Building (CPA Building) meets the criteria for historic designation and to issue appropriate reports in accordance with the Michigan Local Historic District Act and Chapter 25, Article II of the 1985 Detroit City Code.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Sheffield, Spivey, Tate and President Jones — 8.

By Council Member Benson:

WHEREAS, The City Council has adopted a resolution directing study of the proposed interim historic designation of the Conductors Protective Association Building (CPA Building); and

WHEREAS, The Historic District Ordinance (Chapter 25-2) requires the appointment of ad hoc members to the Historic Designation Advisory Board to represent the interest of property owners and those having a demonstrated interest in the preservation of this historic resource,

NOW THEREFORE BE IT RESOLVED, That the Detroit City Council appoints, BFD Corktown LLC, the owner, or their representative; and, Mark Wallace resident of Corktown neighborhood to serve as ad hoc members of the Historic Designation Advisory Board in connection with the study for the proposed Conductors Protective Association Building (CPA Building) Historic District.

On November 17, 2016, a public hearing in connection with approving a Commercial Rehabilitation Exemption Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Coe Van Dyke, LLC has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 210 of 2005 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
JOHN SAAD

Manager – Development Division

By Council Member Benson:

Whereas, Coe Van Dyke, LLC has filed with the City Clerk an Application for a Commercial Property Rehabilitation Exemption Certificate, under Public Act No. 210 of 2005 ("the Act"), in City of Detroit Commercial Property Rehabilitation District in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council on November 9, 2016 established by Resolution a Commercial Property Rehabilitation District in the vicinity of Van Dyke between Agnes Street and Coe Street, Detroit, Michigan, after a Public Hearing held, in accordance with the Act; and

Whereas, The taxable value of the property proposed to be exempt plus the aggregate taxable value of property already exempt under the Act and under Public Act 210 of 2005 does not exceed 5% of the total taxable value of property in the City of Detroit; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, The Application is for Commercial property as that term is defined in Section 2(h) of the Act, which property is owned by the Applicant; and

Whereas, Commencement of the rehabilitation of the subject facility did not occur before the establishment of the Commercial Property Rehabilitation District; and

Whereas, The Application relates to a rehabilitation program that when completed constitutes a rehabilitated facility within the meaning of the Act and which is situated within the aforesaid City of Detroit Commercial Property Rehabilitation District and

Whereas, Completion of the rehabilitation is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The rehabilitation includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the rehabilitation as provided by the Act; and

Whereas, This City Council has granted until January 31, 2018 for the completion of the rehabilitation; and

Whereas, on November 17, 2016, in the City Council Committee Room, 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan, a formal public hearing was held on aforesaid application, at which time the Applicant, the

Assessor, the general public, and representatives of the affected taxing units had an opportunity to be heard; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Now Therefore Be It

Resolved, that is is hereby found and determined that the granting of a Commercial Property Rehabilitation Exemption Certificate, considered together with the taxable value of Commercial Property Rehabilitation Exemption Certificates and Industrial Facilities Exemption Certificates if previously granted and currently in force, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

Resolved, That the application of Coe Van Dyke, LLC, for a Commercial Property Rehabilitation Exemption Certificate, in the City of Detroit Commercial Property Rehabilitation District is hereby approved for a period of Ten (10) years from completion of the facility, with the certificate beginning December 31, 2016 and the certificate expiring December 31, 2026, in accordance with the provisions of the Act; and be it finally

Resolved, That the City Clerk shall forward said application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the rehabilitation of the facility shall be completed no later than January 31, 2018, unless an extension of that time period is granted by this City Council, which extension shall be granted if this City Council determines that the rehabilitation of the facility is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, a Commercial Property Rehabilitation Exemption Certificate Agreement and attached Summary of Procedures for the purpose of establishing the operating procedures for and implementing the aforesaid Certificate.

November 16, 2016

Honorable City Council:

Re: Tavira E. Hardge, et al. vs. City of Detroit, et al. Case No.: 15-014338-NO (SLdeJ). Matter No.: L16-00597.

On November 14, 2016, a Wayne County Circuit Court Case Evaluation Panel awarded the plaintiffs the total sum of Thirty-Seven Thousand Five Hundred Dollars (\$37,500.00) as discussed below. The deadline to accept case evaluation is within 28 days or December 9, 2016.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that the acceptance of the case evaluation for this lawsuit is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize the settlement and to direct the Finance Director to issue a draft in the amount of Thirty-Seven Thousand Five Hundred Dollars (\$37,500.00) payable to Tavira E. Hardge, Kaylah McGee by and through her next friend Tavira E. Hardge and Jaren Bryson by and through her Next friend Shantelle Bryson and their attorneys, Law Office of J.L. Hawkins PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 15-014338-NO, approved by the Law Department.

Respectfully submitted,
STANLEY L. DE JONGH
Supervising Assistant
Corporation Counsel

Approved:

MELVIN B. HOLLOWELL

By Council Member Spivey:

Resolved, That the Law Department is hereby authorized to agree to entry of an Order of Dismissal and to enter into an acceptance of case evaluation in the case of Tavira E. Hardge, Kaylah McGee by and through her next friend Tavira E. Hardge and Jaren Bryson by and through her Next friend Shantelle Bryson vs. City of Detroit, a Municipal Corporation, et al.,

Wayne County Circuit Court Case No.: 15-014338-NO,

Promptly after the approval by the City Council, if the plaintiffs also accept case evaluation, then the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Tavira E. Hardge, Kaylah McGee by and through her next friend Tavira E. Hardge and Jaren Bryson by and through her Next friend Shantelle Bryson and their attorneys, Law Office of J.L. Hawkins PLLC, in the amount of Thirty-Seven Thousand Five Hundred Dollars (\$37,500.00) as a complete and final settlement of the aforementioned lawsuit.

Law Department

November 10, 2016

Honorable City Council:

Re: Robert Keith Allen vs. City of Detroit. Case No.: 15-016622-NF. File No.: L16-00010.

On November 9, 2016, a case evaluation panel evaluated the above-captioned lawsuit and awarded Five Thousand Dollars and No Cents (\$5,000.00) in favor of Plaintiff. The parties have until December 8, 2016, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that a settlement in the amount of Five Thousand Dollars and No Cents (\$5,000.00), if both parties accept case evaluation, is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in that amount payable to Robert Keith Allen and Radner Legal Services, PLC, his attorney, to be delivered upon receipt of properly executed Release and Stipulation and Order of Dismissal entered in Lawsuit No. 15-016622-NF, approved by the Law Department.

Respectfully submitted,
JACOB M. SATIN
Assistant Corporation Counsel

Approved:
 MELVIN B. HOLLOWELL

 Corporation Counsel
 By Council Member Spivey:
 Resolved, That in the event Plaintiff accepts the case evaluation award, that such acceptance is deemed a settlement, and that the Finance Director be and is hereby authorized and directed to draw a warrant upon the proper account in favor of the following: Robert Keith Allen and Radner Legal Services, PLC, his attorney, in the amount of Five Thousand Dollars and No Cents (\$5,000.00).

Such payments shall be in full payment for any and all claims which any of the above-identified individual(s) may have against the City of Detroit by reason of claims alleged in Robert Keith Allen vs. City of Detroit, Wayne County Circuit Court No.: 15-016622-NF, for injuries sustained on or about December 22, 2014. Said amounts shall be paid upon receipt of properly executed Releases, Stipulation and Order of Dismissal entered in the above-captioned lawsuit, approved by the Law Department.

Honorable City Council:
 Re: Request to Appropriate NSP-1 Program Income.

In 2013, program income associated with the Fire Insurance Escrow demolition program was transferred by the Buildings, Safety Engineering and Environmental Department (BSEED) to what was then Planning and Development Department (PDD), now the Housing and Revitalization Department (HRD). As part of the process to close out U.S. Department of Housing and Urban Development (HUD) Office of the Inspector General (OIG) Audit Report 2014-CH-1002 concerning the use of Neighborhood Stabilization Program (NSP) funds and Fire Insurance Escrow funds, as is required by HUD, we determined that the transfer of program income was not properly credited in the ERP (then DRMS) system.

Therefore, HRD respectfully request the authorization of your Honorable Body to appropriate the NSP-1 program income held in the bank account pursuant to HUD requirements. The amounts listed on this appropriation request are subject to

change as research continues. Thus far we have determined that \$131,993 requires immediate transfer to avoid future penalties as assessed by HUD. For questions regarding this matter, please contact my office at (313) 224-6380.

City Planning Commission

November 15, 2016

Honorable City Council:

Re: Proposed amendments relative to sign provision — Chapter 61, Chapter 3, Chapter 50 (Request Further Extension of Review Period)

On April 7, 2016, the Planning and Economic Development standing committee took up the report and recommendation of the City Planning Commission (CPC) to amend the sign ordinances of the City of Detroit.

The Detroit Zoning Ordinance specifies in Sec. 61-3-17, "Where a petition for a proposed Zoning Ordinance text or map amendment is not voted upon by the City Council within one hundred twenty (120) days of the time of receipt of the City Planning Commission's report, it shall be deemed to have been denied, unless extended by the City Council."

The specified 120-day review period expired on Friday, August 5th and was extended by Your Honorable Body's resolution until December 3, 2016. The Administration-convened interdepartmental group to review the CPC-approved ordinance has been conferring with Interboro Partners, the sign consultant engaged by the Planning Development Department toward offering ordinance revisions in light of nationwide best practices and in light of the 2015 U.S. Supreme Court decision, *Reed vs. Gilbert*.

Consequently, the CPC requests a further 120-day review period to be extended to avoid having to restart the ordinance revision process all over at the Planning Commission. A resolution toward that effect is attached.

Respectfully submitted,
MARCELL R. TODD, JR.
Director
M. RORY BOLGER
Zoning Specialist

By Council Member Benson:

Whereas, The City Planning Commis-

sion voted to recommend approval of sign ordinance amendments on June 18, 2015; and

Whereas, The U.S. Supreme Court issued its ruling in the signage-related case, *Reed v. Town of Gilbert* on June 18, 2015; and

Whereas, The March 31, 2016 report and recommendation of the City Planning Commission was taken up by the Planning and Economic Development standing committee on April 7, 2016; and

Whereas, The Planning and Development Department and the Law Department have determined it to be appropriate to further review and research planning/design, aesthetics, and constitutional issues related to signage with outside counsel; and

Whereas, Interboro Partners has been retained to assist in the review of existing ordinances and draft ordinances toward securing sign ordinances that reflect national best practices; and

Whereas, The Detroit Zoning Ordinance specifies in Sec. 61-3-17 that "Where a petition for a proposed Zoning Ordinance text or map amendment is not voted upon by the City Council within one hundred twenty (120) days of the time of receipt of the City Planning Commission's report, it shall be deemed to have been denied, unless extended by the City Council;" and

Whereas, Detroit City Council voted by resolution to extend the original 120-day review period beyond its August 5, 2016 expiration date so as to allow further consideration; and

Whereas, it is the intent of the Detroit City Council that the Planning Commission-recommended sign amendments not be denied due to expiration of the current 120-day review period on December 3, 2016;

Now Therefore Be It Resolved, the Detroit City Council hereby extends its period of review of the City Planning Commission-recommended sign amendments for an additional 120 days, to expire on April 2, 2017.

City Planning Commission

November 17, 2016

Honorable City Council:

Re: Delegation of City Council Special District Review and approval of building permit applications during fall holiday recess 2016 (Recommend Approval).

According to the City of Detroit Zoning Ordinance the Detroit City Council approves by resolution any work under-

taken by permit on land zoned PC or PCA after receiving recommendation from the Planning and Development Department and the City Planning Commission. It has become the practice of Your Honorable to delegate this responsibility to the staff of the City Planning Commission during periods of recess when permit applications of this sort are anticipated. The Council's delegation of this responsibility allows work compliant with the City Code to advance during recess and/or when the body is not conducting business in the context of Your regular meetings.

Attached for Your consideration You will find a resolution effectuating the delegation of Special District Review and action jointly to the Planning and Development Department and the City Planning Commission staff for Your fall holiday recess 2016.

Respectfully submitted,
MARCEL R. TODD, JR.

Director

A Resolution By Council Member Benson:

Whereas, The Detroit Zoning Ordinance requires that any permit application submitted to the Building and Safety Engineering and Environmental Department related to the Exterior design, location and appearance of work within the Public Center (PC) District and the Public Center Adjacent / Restricted Central Business (PCA) District must be reviewed by the City Planning Commission (CPC) and the Planning and Development Department (P&DD); and

Whereas, Consistent with Sec. 61-3-182 of the Zoning Ordinance, the City Council approves by resolution, any such permit application subsequent to receipt of a report and recommendation from the Planning and Development Department and the City Planning Commission; and

Whereas, The Detroit City Council will be on recess November 23, 2016 through January 3, 2017, by the City Council is not currently scheduled to hold its first meeting post recess until Tuesday, January 9; and

Whereas, Time sensitive permit requests for work in these districts may be received by the City; and

Whereas, It is the desire of the Detroit City Council to facilitate such requests and not unnecessarily delay the issuance of building permits.

Now Therefore Be It Resolved, the Detroit City Council authorizes the Planning and Development Department and the City Planning Commission staff to jointly review, approve, approve with conditions or deny any permit applications zoned PC or PCA submitted between November 23, 2016 and January 6, 2016, and to do so in consultation with other City agencies as may be appropriate.

Office of the Chief Financial Officer
Grants Management

October 13, 2016

Honorable City Council:

Re: Request to accept an increase in

appropriations for MI-2016-006-01 Section 5307 Urbanized Area Formula FY 2013 Grant.

The Federal Transit Administration has awarded an increase to the City of Detroit Department of Transportation FY 2017 with the MI-2016-006-01 Section 5307 Urbanized Area Formula FY 2013 Grant in the amount of \$24,494,706. The Federal share from the Federal Transit Authority is 80 percent or \$19,595,765 of the approved amount with a state match of 20 percent or \$4,898,941 of the approved total. This funding will increase appropriation 20287, previously approved in the amount of \$24,127,544 by council on September 20, 2016 to a total of \$48,622,250.

The additional funding allotted to the department will be utilized to implement preventive maintenance, employee education/training, and general development/comprehensive planning. This is a reimbursement grant.

If approval is granted to accept the increase and appropriate accordingly, the appropriation number is 20287.

I respectfully ask your approval to accept the increase in appropriation funding in accordance with the attached resolution.

Sincerely,

NICHELLE HUGHLEY

Deputy CFO

Office of Grants Management

RESOLUTION REQUESTING THE BUILDING, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT, THE LAW DEPARTMENT AND THE DETROIT LAND BANK PROVIDE REGULAR DEMOLITION LISTS AND NOTIFICATIONS TO THE DETROIT CITY COUNCIL AND OTHER CITY DEPARTMENTS AND AGENCIES

By: Council Member Benson:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

Whereas, The mission of the Historic Designation Advisory Board is to advise City Council on matters relating to historic preservation of significant structures within the city; and

Whereas, Historians from all over the world have argued that demolishing a historic property is typically not the right thing to do. Even if the property has been abandoned or left unused for a number of years. In many cases, restoration can be a viable solution. In addition, structures of historical importance often enhance the prestige of a city by helping to shape its cultural identity. Establishing a sense of place will be lost if demolition occurs; and

Whereas, The famous "French Quarter" buildings in New Orleans, which were saved from demolition in 1925, led to the adoption of the United States Historic Preservation Ordinance. Historic properties that are restored are quite often local attractions, which appeal to tourists worldwide and the residents of a city. Demolition does not offer this incentive. Once a property is destroyed, it's gone forever; and

Whereas, Many preservationists believe that demolishing a building or structure of historic significance is no different than destroying a piece of history; and

Whereas, In past years, demolition officials in the City of Detroit notified the City Planning Commission, the Historic Designation Advisory Board and the Planning and Development Department of the City of impending demolitions by providing a dangerous building list on a monthly basis., This process allowed the City's subject matter experts of Historic Preservation of these respective entities, to provide advice and recommendations to the Mayor and City Council for structures of historic significance recommended for demolition in a timely manner; and

Whereas, The City's current demolition process is a multi-layered process. The Buildings, Safety Engineering and Environmental Department (BSEED) provides a weekly demolition list to Council, in addition to issuing emergency demolition orders. The Law Department (LAW) has a Consent Agreement process, of which it is able to secure demolition orders for certain blighted properties. Finally, the Detroit Land Bank Authority (DLBA) occasionally seeks the demolition of the properties it owns or manages. The Detroit City Council, a supporter preserving Structures of historic significance in the City of Detroit, believes a renewed process of review of the demolition status of both publicly and privately owned structures on a regular basis, is a sound preservation tool that can ensure that buildings are not demolished prematurely; Now, Therefore Be It

Resolved, That the Detroit City Council is hereby requesting that the appropriate departments and agencies in the City of Detroit provide the following:

1. **BSEED:**
Provide a weekly list of dangerous buildings
2. **BSEED:**
Immediate notice of emergency demolition declarations
3. **Law:**
Monthly List of Consent Agreement demolition orders
4. **DLBA:**
Monthly list of residential and commercial demolition requests

The reports above are to be submitted to the Detroit City Council, the City Planning Commission (CPC), the Historic Designation Advisory Board (HDAB) and the Planning and Development Department (PDD);

Now, Therefore Be It Further

Resolved, That this resolution be forwarded to the Mayor, the Buildings, Safety Engineering and Environmental Department (BSEED), the Law Department (LAW), and the Detroit Land Bank authority (DLBA) with a request for this policy to be implemented in January 2017 or as soon as it is practicable.

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 7.

RESOLUTION

By Council Member Benson; Joined by Council Member Tate:

Whereas, In 2008 the Michigan Legislature enacted the Michigan Medical Marihuana Act Initiated Law of 2008 (MMMA), following the successful passage of a statewide citizen initiative, which allows under state law the medical use of marihuana; to provide protections

for the medical use of marihuana; to provide for a system of registry identification cards for qualifying patients and primary caregivers; to impose a fee for registry application and renewal; to provide for the promulgation of rules; to provide for the administration of the act; to provide for enforcement of the act; to provide for affirmative defenses; and to provide for penalties for violations of the act; and

Whereas, The passage of the MMMA did not include language allowing or disallowing the establishment of commercial dispensaries for the purpose of licensed caregivers administering medical cannabis to qualifying patients; and

Whereas, Since the passage of the MMMA until recently, an over saturation of medical cannabis facilities has cropped up within the City of Detroit resulting in as many as 200 medical cannabis facilities, ten (10) times the number of Walgreens, Rite Aids and CVS drug stores combined within the City of Detroit; and

Whereas, In December of 2015 the Detroit City Council adopted Ordinances 30-15 and 31-15 amending Chapters 24, 'Licensing' and 'Zoning' promulgating procedures and regulations for the lawful establishment of commercial facilities engaging in permissible acts under the MMMA; and

Whereas, Since the enactment of the licensing and zoning provisions in the Detroit City Code on March 1, 2016, the City of Detroit has taken action against numerous violators of the City Code, primarily those located in Drug Free Zones, within 1,000 radial feet of an SDD or SDM establishment licensed to sell beer, wine or liquor, within 1,000 radial feet of a church, or within 1,000 radial feet of another licensed Medical Marihuana Caregiver Center; and

Whereas, The Honorable State Representative Leslie Love, joined by Honorable Representatives Garrett and Byrd of the Michigan House of Representatives, have referred to the House Committee on Judiciary House Bill No. 5445, which, if passed, would preclude the courts from granting either injunctive relief against enforcement of an ordinance, or damages incurred because of enforcement of an ordinance, if a business that dispenses marihuana for medical use is operating in violation of a state law which regulates marihuana and the business brings an action against a local unit of government based on an ordinance, including a zoning ordinance, that prohibits or regulates that business.

Now, Therefore Be It

Resolved, That the Detroit City Council supports this spirit and intent of House Bill No. 5445 and urges the passage of the House Bill out of the House Committee on Judiciary.

Be It Finally

Resolved That a copy of this resolution be sent to the Michigan House Detroit Delegation as well as all members of the House Committee on Judiciary.

HOUSE BILL NO. 5445

March 9, 2016, Introduced by Reps. Love, Garrett and Byrd and referred to the Committee on Judiciary.

A bill to amend 2008 IL 1, entitled "Michigan medical marihuana act," (MCL 333.26421 to 333.26430) by adding section 9a.

The People of the State of Michigan enact: Sec. 9A. If a business that dispense marihuana for medical use is operating in violation of State Law regulating marihuana and the business brings an action against a local unit of government based on an ordinance, including a zoning ordinance, that prohibits or regulates the business, the court shall not grant either of the following:

(A) Injunctive relief against enforcement of the ordinance.

(B) Damages incurred because of enforcement of the ordinance.

Enacting section 1. This amendatory act takes effect 90 days after the date it is enacted into Law.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 7.

Nays — None.

**RESOLUTION
IN SUPPORT OF
SENATE BILL 1127**

By Council Member Cushingberry, Jr.:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through charter-mandated legislative functions; and

Whereas, The City Income Tax Act (CITA) (Public Act 284 of 1964), when enacted, the majority of Michigan residents worked within their own city limits. However, demographic and census data indicate that a majority of Michigan residents of income tax-levying cities, now work outside their home city; and

Whereas, CITA does not require employers located outside of income tax-levying cities to withhold local tax from the paychecks of their employees who live in those cities and send said withholdings to the appropriate tax-levying jurisdictions; and

Whereas, Senate Bill 1127 would allow a city to adopt a uniform city income tax ordinance that imposes a tax on the income of residents of the city, on the earnings of nonresidents related to work or business activities conducted in the city and on a corporation's Federal taxable income earned in the city; and

Whereas, Withholding is the most effective mechanism for income tax collections. There is data that indicates that the city income tax collection rate is about 98 percent among taxpayers who are subject to withholding. Federal and state agencies have experienced similar results; and

Whereas, Employers can help their respective employees pay their taxes through the process of withholding. Residents working outside municipalities that withhold taxes often fail to file income tax returns because they cannot pay the lump sum tax owed at the end of the year; employees would benefit from their employer withholding directly so they do not become delinquent and incur added penalty and interest; and

Whereas, The majority of the 22 Michigan cities that levy an income tax agree that employers with annual payrolls of at least \$500,000 and 10 or more employees should be required to withhold local income tax for employees residing in jurisdictions imposing a tax; and

Whereas, The proposed changes to state law would not raise income tax rates in any of the 22 cities with such a levy, but only seek to enhance overall collections and yield the locals' payment for services from residents who used them; and

Whereas, The proposed amendment to CITA would provide millions in additional income tax revenue for cities to expend on basic city services, including police and fire protection; and

Whereas, The Michigan Department of Treasury supports this public policy endeavor, as well as the Michigan Municipal League;

Now, Therefore Be It

Resolved, That the Detroit City Council strongly urges that the Michigan Legislature pass Senate Bill 1127 to help all income tax-levying cities enhance their collection rates;

Be It Further

Resolved That Governor Rick Snyder expeditiously approve said legislation once it is presented to him for his signature into law;

And Be It Finally

Resolved That copies of this resolution be sent to Governor Snyder; legislative caucus leaders; members of the House and Senate Local Government committees; members of the House and Senate Government Operations committees; members of the House Tax Policy Committee; and members of the Senate Finance Committee.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Sheffield, Spivey, Tate and President Jones — 7.

Nays — None.

**RESOLUTION
IN SUPPORT OF
THE PEOPLE WITH DISABILITIES
ECONOMIC OPPORTUNITY ACT**

By Council President Jones, joined by Council Members Ayers and Castaneda-Lopez:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's citizens through Charter-mandated legislative functions; and

Whereas, The People with Disabilities Economic Opportunity Act will allow individuals with disabilities to earn up to \$10,000 per year and not lose their eligibility for disability benefits from Medicare and Medicaid; and

Whereas, Currently, in order to maintain their benefits from Medicare and Medicaid, the annual maximum income limit for disabled individuals is only \$1,500 per year. Any excess of this limit will result in a loss of eligibility for benefits from Medicare and Medicaid by disabled individuals; and

Whereas, Many people with disabilities are able to work in a host of occupations or fields of work including education, child care small businesses, retail and sales, nonprofit organizations, nursing and healthcare, engineering, warehousing, manufacturing, custodial services, food service and culinary arts, computer science and information technology, accounting and finance and work has been proven to add significantly to their quality of life and fortifying their mental outlook on life.

Now, Therefore Be It

Resolved, That the Detroit City Council supports the People with Disabilities Economic Opportunity Act, which seeks to increase the earned income opportunities of the disabled population, without requiring them to forfeit their healthcare entitlements;

And Be It Finally

Resolved That a copy of this resolution be forwarded to the Mayor of the City of Detroit and the Michigan Delegation in the United States Congress.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Sheffield, Spivey, Tate and President Jones — 7.

Nays — None.

**RESOLUTION
IN SUPPORT OF
THE HOMELESSNESS
NUTRITION ACT**

By Council President Jones, joined by Council Member Castaneda-Lopez:

Whereas, The mission of the Detroit City Council is to promote the economic, cultural and physical welfare of Detroit's

citizens through Charter-mandated legislative functions; and

Whereas, Homeless people at homeless shelters in the United States need to know how to eat healthy to keep lower blood pressure and sugar. In particular, homeless children and youth at homeless shelters need to learn to eat healthy to prevent the development of high cholesterol, high blood pressure and diabetes and other chronic issues that are directly associated with diet and poor nutritional choices in the food they consume; and

Whereas, Homelessness Nutrition Act will help eliminate trans-fats at homeless shelters and supportive housing facilities in the United States. This legislation will help address and possibly prevent obesity at homeless shelters, churches and social service organizations in the United States of America over ten years. Churches and organizations will be allowed to receive less trans-fat food items because over ten years, thereby helping to curtail the retention of high sugar in homeless individuals and help to prevent heart attacks; and

Whereas, Social service organizations will be allowed to serve less trans-fats to homelessness and needy in the United States of America to prevent high blood pressure, cholesterol and diabetes;

Now, Therefore Be It

Resolved, That the Detroit City Council supports the Homelessness Nutrition Act and its benefits to the health and welfare of homeless individuals and families;

And Be It Finally

Resolved That a copy of this resolution be forwarded to the Mayor of the City of Detroit and the Michigan Delegation in the United States Congress.
