Law Department

March 2, 2016

Honorable City Council:

Re: Deshon M. Doughrity vs. City of Detroit Department of Transportation. File #: 14803 (PSB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Twenty-Four Thousand Dollars (\$24,000.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Twenty-Four Thousand Dollars (\$24,000.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to Deshon M. Doughrity and his attorney, John P. Charters, to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14803, approved by the Law Department.

Respectfully submitted,
PHILLIP S. BROWN
Assistant Corporation Counsel

Approved:

CHARLES RAIMI
Deputy Corporation Counsel

RESOLUTION

By Council Member Cushingberry, Jr.:

RESOLVED, That settlement of the above matter be and is hereby authorized in the amount of Twenty-Four Thousand Dollars (\$24,000.00); and be it further

RESOLVED, That the Finance Director be and is authorized and directed to draw a warrant upon the proper fund in favor of Deshon M. Doughrity and his attorney, John P. Charters, in the sum of Twenty-Four Thousand Dollars (\$24,000.00) in full payment of any and all claims which they may have against the City of Detroit by reason of any injuries or occupational diseases and their resultant disabilities incurred or sustained as the result of his past employment with the City of Detroit and that said amount be paid upon presentation by the Law Department of a redemption order approved by the Workers Compensation Department of the State of Michigan.

Re: David M. McGee vs. City of Detroit Department of Public Lighting. File #: 14764 (PSB).

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential attorney-client privileged memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Fifty-Three Thousand Five Hundred Dollars (\$53,500.00) is in the best interests of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Fifty-Three Thousand Five Hundred Dollars (\$53,500.00) and that your Honorable Body authorize and direct the Finance Director to issue a draft in that amount payable to David M. McGee and his attorney, Barry D. Adler, to be delivered upon receipt of properly executed releases and order of dismissal in Workers Compensation Claim #14764, approved by the Law Department.

March 9, 2016

Honorable City Council:
Re: Michael Porterfield vs. Officer Brandon Lee Pierce and City of Detroit. Case No.: 15-0001224-NI. File No.: L15-00105.

On March 1, 2016, your Honorable Body authorized settlement in the amount of Twenty Thousand Five Hundred Dollars and No Cents (\$20,500.00) to Michael Porterfield, and his attorneys, Wigod & Falzon, PC, in the above captioned lawsuit. The settlement proceeds have not yet been paid. Due to a typographical error in the City's case evaluation acceptance memorandum, the attorneys for Defendants, City of Detroit and Officer Brandon Pierce, are recommending that the settlement be voided.

We, therefore, request your Honorable Body to rescind the original resolution and adopt the amended resolution disapproving the proposed settlement in the amount of Twenty Thousand Five Hundred Dollars and No Cents (\$20,500.00) in Lawsuit No. 15-001224-NI. Waiver of reconsideration.

 AN ORDINANCE to amend Chapter 15 of the Detroit City Code, *Elections*, by adding Article III, *Election Procedures*, which consists of Sections 15-3-1 through 15-3-10, to define certain terms, to require the immediate and periodic posting of tabulator results, and to provide penalties for violations.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 15 of the 1984 Detroit City Code, *Elections*, is amended by adding Article III, *Election Procedures*, which consists of Sections 15-3-1 through 15-3-10, to read as follows:

**CHAPTER 15. ELECTIONS
 ARTICLE III. ELECTION
 PROCEDURES**

Sec. 15-3-1. Definitions.

Ballot container means a container that is used for transporting and storing voted ballots.

Electronic tabulating equipment means a device which accepts voted ballots during an election and makes a count of votes cast for particular candidates, initiatives, or referenda.

Tabulator tape means the printed report of electronic tabulating equipment used to determine the unofficial results of an election.

Unofficial results means any results of a precinct or absent voter counting board reported prior to delivery pursuant to section 809 of the Michigan Election Law, 1954 PA 116, being MCL 168.809.

Zero tape means a tabulator tape printed at all precincts or absent voter counting boards that indicates that electronic tabulating equipment has been reset for the date and time of the election and that no votes have been recorded prior to the opening of the polls.

Sec. 15-3-2. Election Procedures Generally.

Except as otherwise specified in this article, the City of Detroit's procedures for calling, administering, and supervising public elections shall be in direct conformity with the Michigan Election Law, 1954 PA 116, MCL 168.1 et seq., and any associated rules and regulations.

Sec. 15-3-3. Immediate Posting of Unofficial Election Results.

(a) In every precinct and absent voter counting board within the City of Detroit, whenever a tabulator tape is printed from electronic tabulating equipment, the precinct inspector or other person responsible for supervising the electronic tabulating

equipment at that location shall perform each of the following:

(1) Print a second, identical tabulator tape from the same device;

(2) Affix or transcribe onto both copies of the tabulator tapes the precinct number from which the tabulator tape was printed;

(3) Affix or transcribe onto both copies of the tabulator tapes his or her initials or signature;

(4) Post for public inspection the second tabulator tape in a publicly accessible location at the precinct or absent voter counting board in accordance with subsection (a) of section 15-3-4; and

(5) Take reasonable precautions to assure that the posted tabulator tapes are both available for public inspection and secure from tampering.

Sec. 15-3-4. Location and Duration of Posting; Care and Delivery of Posted Tabulator Tapes.

(a) All tabulator tapes that are printed for public inspection under this article shall be posted in a conspicuous designated area free from the elements and within ten feet of the ballot box of any precinct or absent voter counting board location for the duration stated in this section.

(b) All zero tapes that have been printed for public inspection under this article shall be posted before the polls are opened.

(c) All tabulator tapes printed after the zero tape is printed shall be posted within a reasonable time after printing and shall remain posted until the conclusion of the canvass of the ballots at that location.

Sec. 15-3-5. Violations and Penalties.

(a) It shall be unlawful for any person to violate any provision of this article, or aid and abet another to violate any provision of this article.

(b) Any person who is found guilty of violating this article shall be convicted of a misdemeanor for each ordinance violation that is issued, and, in the discretion of the court, may be fined up to five hundred dollars (\$500) and sentenced up to ten (10) days in jail, or both, for each ordinance violation that is issued.

Sec. 15-3-6 to 15-3-10. Reserved.

Section 2. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 3. All ordinances or parts of ordinances, in conflict with this ordinance are repealed.

Section 4. If this ordinance is passed by a two-thirds (2/3) majority of the City Council members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter; if passed by less than a two-thirds (2/3) majority of City Council members serving, it shall become effective no

later than thirty (30) days after publication in accordance with Section 4-118 of the 2012 Detroit City Charter; if this ordinance specifies a certain date to become effective, it shall become effective in accordance with the date specified therein, subject to the publication requirement in Section 4-118 of the 2012 Detroit City Charter.

Approved as to form:

Nays — None.

RESOLUTION TO REPORT TO CITY COUNCIL THE CONCLUSIONS OF ELECTION COMMISSION REVIEW OF CITIZENS FOR DETROIT'S FUTURE INITIATIVE

By Commissioner Hollowell:

WHEREAS, Pursuant to Section 12-107 of the 2012 Detroit City Charter a properly canvassed initiative, titled "Initiative to Provide for the Immediate Posting of Detroit Election Results" was brought before City Council and no action was taken to adopt it; and

WHEREAS, Pursuant to Section 12-108 of the 2012 Detroit City Charter, City Council forwarded the initiative to the Election Commission for a determination as to whether the question could lawfully be placed on the ballot; and

WHEREAS, Pursuant to Section 12-108 of the 2012 Detroit City Charter, the Detroit Election Commission received and reviewed the initiative before it, titled, "Initiative to Provide for the Immediate Posting of Detroit Election Results" for all legal impediments; and

WHEREAS, Based upon review of the findings and analysis of a privileged and confidential report prepared by the City of Detroit Law Department titled, *Whether the question brought by Citizens for Detroit's Future in its "Initiative to Provide for the Immediate Posting of Election Results" can*

be lawfully placed on the ballot by the Election Commission to be considered by the People of the City of Detroit, the Election Commission has determined the initiative to be legally insufficient; and

WHEREAS, The Election Commission has waived its attorney-client privilege for the specific purposes of distribution and publication of the Law Department opinion on the subject of the legal sufficiency of the initiative; therefore be it

RESOLVED, That pursuant to Section 12-108 of the 2012 Detroit City Charter, the Election Commission hereby reports to the City Council that for the reasons articulated in the attached opinion, the Detroit Election Commission determined this "Initiative to Provide for the Immediate Posting of Detroit Election Results" to be legally insufficient for placement on the ballot and that it shall not submit the question to the voters.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Tate, and President Jones — 7.

Nays — None.

RESOLUTION TO DENY PLACEMENT OF CITIZENS FOR DETROIT'S FUTURE INITIATIVE ON THE NEXT AVAILABLE BALLOT IN THE CITY OF DETROIT

By Commissioner Hollowell:

WHEREAS, Pursuant to Section 12-101 of the 2012 Detroit City Charter, the voters of the city reserve the power to enact city ordinances through the initiative process; and

WHEREAS, Pursuant to Section 12-102 of the 2012 Detroit City Charter, in order for an initiative to be brought for a vote, the sponsors must collect petitions signed by at least three percent (3%) of all votes cast for the office of the Mayor at the preceding regular city election; and

WHEREAS, Pursuant to Section 12-107 of the 2012 Detroit City Charter, upon confirmation of sufficient signed petitions by the City of Detroit Department of Elections, City Council may elect to adopt an initiative as written into an ordinance within 60 days, or it must be forwarded to the City Election Commission; and

WHEREAS, Pursuant to Section 12-108 of the 2012 Detroit City Charter, if the City fails to enact the ordinance brought before it and forwards the initiative to the Election Commission, the Election Commission shall make a determination as to whether the question can lawfully be placed on the ballot; and

WHEREAS, On May 28th, 2015, the City of Detroit Department of Elections certified that sponsors of an initiative titled "An Initiative to Provide for the Immediate Posting of Detroit Election Results" collected adequate signed petitions for the initiative to be considered by voters; and

WHEREAS, City Council did not act to adopt the initiative into an ordinance within the sixty day time period allotted and forwarded the proposed initiative petition to the Election Commission; and

WHEREAS, The Detroit Election Commission has received and reviewed the initiative before it, titled, "Initiative to Provide for the Immediate Posting of Detroit Election Results" for all legal impediments; and

WHEREAS, There exist legal impediments to the underlying ordinance the initiative aims to enact, including penalty provisions beyond the scope of those permitted within the Home Rule City Act and preemption by Michigan Election Law; now therefore be it

RESOLVED, That the Detroit Election Commission has determined the "Initiative to Provide for the Immediate Posting of Detroit Election Results" is legally insufficient for placement on the ballot and therefore shall not certify placement of the initiative on the ballot.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Tate, and President Jones — 7.

Nays — None.

RESOLUTION TO WAIVE PRIVILEGE OF ATTORNEY-CLIENT COMMUNICATION

By Commissioner Jones:

WHEREAS, Pursuant to MCL 15.268 (h) the Detroit Election Commission has consulted with its attorney, the City of Detroit Law Department, in a properly noticed closed session on the subject of the Law Department's privileged and confidential legal opinion, *Whether the question brought by Citizens for Detroit's Future in its "Initiative to Provide for the Immediate Posting of Detroit Election Results" can be lawfully placed on the ballot by the Election Commission to be considered by the People of the City of Detroit*, dated December 9, 2015; and

WHEREAS, The Election Commission has made a determination in a properly noticed open meeting relying upon information and analysis provided in the privileged and confidential opinion; now therefore be it

RESOLVED, That the Detroit Election Commission hereby waives the attorney-client privilege between itself and the City of Detroit Law Department for the specific purposes of distribution and publication of the Law Department opinion on the subject of the legal sufficiency of an initiative petition to enact an ordinance "to Provide for the Immediate Posting of Detroit Election Results", as a means of explanation of its decision on the matter.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Cushingberry, Jr., Leland, Tate, and President Jones — 7.

Honorable City Council:

Re: Petition No. 437 — Midtown Detroit Inc. request to convert West

Alexandrine and Second Avenue rights-of-way adjacent to 4128 Second into an easement or an outright vacation.

Petition No. 437 — Midtown Detroit Inc., request to vacate and convert to easement the easterly 10 feet of Second Avenue, 100 feet wide, between Alexandrine Avenue, 100 feet wide, and the east-west public alley, 20 feet wide, first north of Alexandrine Avenue. The request for vacation and conversion to easement of Alexandrine Avenue has been already done by the previous petition number 381 approved on July 21, 2015.

This request is being made to make certain improvements to the Second Avenue Market LLC a subsidiary of Midtown Detroit Inc. The area of the request is currently a parking lot along Alexandrine Ave.; and a sheltered shopping cart corral along Second Avenue.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City Departments, including the Public Lighting Department, the Public Lighting Authority, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,
RICHARD DOHERTY
P.E., City Engineer

City Engineering Division — DPW
By Council Member Benson:

RESOLVED, That the easterly 10 feet of Second Avenue, 100 feet wide lying westerly of and adjoining the westerly line of Lot 15, Block 95 and that part lying westerly of and adjoining the northerly 20 feet of Alexandrine Avenue, 100 feet wide, said part of Alexandrine Avenue vacated and converted to easement "Subdivision of part of the Cass Farm to be known as Blocks 89 to 96 inclusive" as recorded in Liber 1, page 175 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public street and converted into a private easement for public utilities, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abut-

ting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is

reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated right-of-way shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That a minimum 6 feet clear unobstructed sidewalk shall be maintained at all times in the remaining portion of the open public right-of-way adjoining the easement; and be it further

Provided, That any work in the public right-of-way such as removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

Honorable City Council:
 Re: Petition No. 241 — Faygo Beverages Inc. request to renew the vacation (Temporary Closure) of Superior Street due to the location of their docks which creates a high volume of traffic located at 3579 Gratiot Avenue.
 Petition No. 241 — Faygo Beverages Inc., request to temporary close and later

amended to vacate and convert to easement the westerly 508 feet of Superior Street, 50 feet wide, between Moran Avenue, 50 feet wide, and Gratiot Avenue, 120 feet wide.

This request is being made because a long standing temporary closure has expired. Faygo Beverages Inc. had approved by your Honorable Body to close a portion of Superior Street. The petition 3897 approved on February 5, 1986 allowed the temporary closure. The original rationale for the closure, the location of the loading docks and the high volume of truck traffic in the area of the closure still exists.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW (TED). TED has certain conditions that have been made a part of the resolution.

All involved City Departments, including the Public Lighting Department, the Public Lighting Authority, and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

The bearings used in the above description are the record bearings from "Harriet L. Haworth's Subdivision of the North Part of Out Lots 1 & 2 P.C. 182, Maurice Moran Farm, Detroit, Wayne County Mich." as recorded in Liber 8, Page 63 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public street and converted into a private easement for public utilities, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said street and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public street herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public street in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated street herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated street shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That a 40 foot by 60 foot turn around shall be provided for vehicles turn-

ing onto Superior Street from Gratiot Avenue so as to avoid a dead-end situation to those vehicles; and that any turn around area is subject to the approval by the Department of Public Works — Traffic Engineering Division, and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated right-of-way shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incidental to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That any work in the public right-of-way such as removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works
 City Engineering Division**

February 22, 2016

Honorable City Council:
 Re: Petition No. 154 — Hussein Hamdan, request to close alley located at 8835 Mark Twain Avenue.

Petition No. 154 — Hussein Hamdan, request to vacate and convert to easement the east half of the east-west public alley, 20 feet wide, first north of Joy Road, 66 feet wide, between Strathmoor Avenue, 60 feet wide, and Mark Twain Avenue, 60 feet wide.

This request is being made to provide security and to consolidate the properties.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the Solid Waste Division — DPW, and Traffic Engineering Division — DPW.

All involved City Departments, including, Public Lighting Authority and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into a private easement for public utilities. Provisions protecting utility installations are part of the attached resolution.

Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific

DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution

Respectfully submitted,
 RICHARD DOHERTY, P.E.
 City Engineer

City Engineering Division — DPW
 By Council Member Benson:

RESOLVED, That all that part of the east-west public alley, 20 feet wide, first north of Joy Road, 66 feet wide, between Strathmoor Avenue, 60 feet wide, and Mark Twain Avenue, 60 feet wide and described as: Land in the City of Detroit, Wayne County, Michigan being that part of the east-west public alley, 20 feet wide, lying northerly of and adjoining the northerly line of Lots 27 through 32, both inclusive and the easterly one foot of Lot 26, also lying southerly of and adjoining the southerly line of Lot 53 "Karnatz Bonaparte Subdivision of Lot 4 of Beahmers Subdivision of Section 31, T.1S,R.11E. Greenfield Twp. Wayne Co. Mich." as recorded in Liber 55, Page 29 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public alley and converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public an easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and

that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, concrete slabs or driveways, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement; such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to, and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide post over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, that the Public Lighting

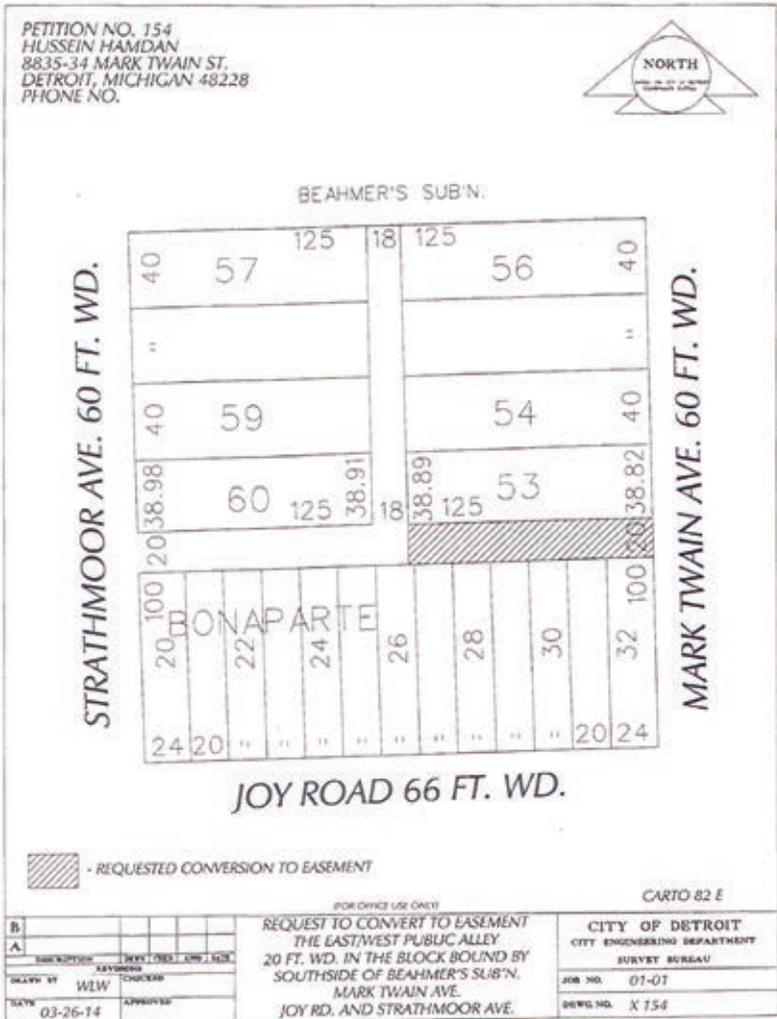

Department (PLD) shall have 24-hour unimpeded heavy truck access way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing, or replacing PLD facilities contained therein, and be it further

Provided, That if any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or

assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Mark Twain Avenue) such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**DETROIT MASTER PLAN OF POLICIES
MASTER PLAN CHANGE # TWELVE**

**A RESOLUTION TO AMEND THE
DETROIT MASTER PLAN OF POLICIES
FOR A PORTION OF THE
BRUSH PARK NEIGHBORHOOD TO
ACCOMMODATE NEW MULTI-FAMILY
RESIDENTIAL AND MIXED-USE
DEVELOPMENT**

By Council Member Leland:

Whereas, The Detroit Master Plan of Policies, approved July 28, 2009, consists of policies and methods for improving the City of Detroit as a place for people to live and work based upon their needs and desires; and

Whereas, The Detroit Master Plan of Policies, is approved and adopted as a major reference for evaluating proposed development activities and/or action programs such as neighborhood plans, urban renewal plans, zoning amendments, property acquisitions or disposition and construction of public or private facilities; and

Whereas, The Detroit Master Plan of Policies, is continuously studied and amended as needed to reflect the desires of residents, businesses, and industries of the City of Detroit; and

Whereas, The Planning & Development Department requests that the future general land use in the Master Plan of Policies, be amended for an approximately 39-acre portion of the Brush Park neighborhood bounded by Mack Avenue, Brush Street, the Fisher Freeway and John R. Street; and

Whereas, The proposed Amendment will permit an increase in the density of residential development in the aforementioned portion of Brush Park and facilitate mixed-use development; and

Whereas, The proposed Amendment will promote the redevelopment of the Brush Park into a dense mixed-use neighborhood, reflecting the desire of community stakeholders; and

Whereas, The proposed Amendment has been reviewed and heard by the City Planning Commission and the same has provided recommendation to the City Council via report date March 28, 2016;

Now, Therefore, Be It

Resolved, That the Detroit Master Plan of Policies is amended to reflect the following changes:

Map 4-5B, which depicts the proposed future land use of Neighborhood Cluster 4, Lower Woodward Neighborhood, is modified accordingly:

A. The area bounded by the alley south of Mack, Brush Street, the Fisher Freeway Service Drive and John R. Street, which is presently shown as "RM" Medium Density Residential, is changed to show "MRC", Mixed-Residential/Commercial.

B. The area bounded by Mack Avenue, Brush Street, the alley south of Mack Avenue, and John R. Street, which is presently shown as "INST", Institutional, is changed to show "MRC", Mixed-Residential/Commercial.

City Planning Commission

March 18, 2016

Honorable City Council:

Re: Zoning Ordinance Map Amendment (Chapter 61, Article XVII, Map No. 46 of the 1984 Detroit City Code) — Request of Self Help Addiction

Reorientation (SHAR House, Inc.) for the rezoning of the property at 5675 Maybury Grand Avenue from R2 to B4; In addition, the request of the City Planning Commission, as a co-applicant, to rezone the properties known as 3121 Stanley Avenue and 5699 Maybury Grand Avenue from R2 to B4. Also, the properties known as 5600, 5634, 5642, 5648 Jeffries Freeway, and 2944 and 2950 Hudson Avenue from R2 to B4. (RECOMMEND APPROVAL).

The City Planning Commission (CPC) has received the rezoning request of Shar House Inc. to amend District Map No. 46 of the Detroit Zoning Ordinance to show a B4 (General Business District) zoning classification where an R2 (Two-Family Residential District) zoning classification is currently shown for the property at 5675 Maybury Grand Avenue, located at the southwest corner of Maybury Grand Avenue and Stanley Avenue.

Additionally, the CPC staff is requesting to amend District Map No. 46 of the Detroit Zoning Ordinance to show a B4 zoning classification where an R2 zoning classification is currently shown for the properties on the block bounded by Stanley Avenue, Maybury Grand Avenue, and the Jeffries Freeway with addresses including 3121 Stanley Avenue and 5699 Maybury Grand Avenue. Also, the properties on the block bounded by the east/west alley first south of Grand River, Hudson Avenue and Maybury Grand Avenue with addresses including 5600, 5634, 5642, 5648 Jeffries Freeway and also 2944 and 2950 Hudson.

BACKGROUND

In April 2013, SHAR House, Inc. requested the rezoning of the property located at 5675 Maybury Grand Avenue. The petitioner proposes to use this property as a residential substance abuse facility to provide treatment for persons with drug or alcohol abuse problems. The facility would provide 28 beds and house individuals for the purpose of receiving treatment for a minimum of 90 days and not more than 6 months. The proposed rezoning would facilitate bringing this existing substance abuse facility, which has been at this location for more than 20 years, into conformance with the City's Zoning Ordinance.

The CPC as co-petitioner has requested that the additional above-mentioned parcels be rezoned in order to increase their marketability. The proposed rezoning would also bring the property into conformance with the City's Master Plan, which is discussed in more detail later in report.

It should be noted that this proposal was considered by the City Planning Commission in 2013 which concluded with a recommendation for approval being made at that time. During the period of the

City's placement under emergency management, there was a consequent reorganization of the legislative branch. During that time this matter was under review at Law Department and was apparently returned to CPC during our relocation and subsequently lost. The current request before this Honorable Body is being presented to complete the rezoning request of the petitioner.

Please see attachment for a map showing the location of the property.

**PLANNING CONSIDERATIONS
Surrounding Zoning and Land Use**

The zoning classifications and land uses surrounding the subject area are as follows:

- North: B4; unoccupied parcels, unoccupied CITGO gas station
- South: R2; the Jeffries Freeway
- East: R2 and B4; unoccupied parcels, two unoccupied residential homes, and the Carousel Laundromat
- West: R2; unoccupied building

It should also be noted that the proposed rezoning would allow for 127 more *by-right* or *conditional* land uses on the subject properties than are currently allowed.

Additionally, there is a 2,000 radial ft. spacing requirement for residential substance abuse facilities. However, no facilities were found in the area that would interfere with the subject request.

Scope and Impact of Proposal

According to Sec. 61-3-80 of the Detroit Zoning Ordinance there are eight criteria that must be taken into consideration in approving a rezoning request. The current R2 zoning classification does not allow for the residential substance abuse service facility, leading the petitioner to request a B4 zoning classification, which would bring the currently operating facility into conformance with the City's zoning ordinance pending the results of a conditional use hearing¹.

Suitability of the Property

One of the aforementioned criteria for rezoning's states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 46 generally shows a mix of R2 and B4 zoning on the north and south sides for several blocks and east and west of the subject property. This section of Maybury Grand and Grand River is primarily developed with one- and two-family homes with several unoccupied residential and commercial lots and a dry cleaners to the southeast. The proposed rezoning for the subject parcels would bring the parcels into conformance with the vision that the City's Master Plan outlines, making it a suitable classification.

Land Use

The Buildings, Safety Engineering and Environmental Department staff is of the

Business District) zoning classification where an R2 (Two-Family Residential District) zoning classification is currently shown on the property located at 5675 and 5699 Maybury Grand Avenue, 3121 Stanley Avenue, 5600, 5634, 5642, 5648 Jeffries Freeway, and 2944 and 2950 Hudson. **City of Detroit
Housing and Revitalization Department**

March 18, 2016

Honorable City Council:

Re: Amendments to the 2015-16 CDBG Budget and Consolidated Action Plan.

The Housing & Revitalization Department (H&RD) is requesting that changes be made to the City's 2015-16 CDBG Budget and Annual Consolidated Action Plan consistent with meeting the City's CDBG Timeliness Test on May 2, 2016.

The City has previously had significant challenges meeting its timeliness test, which requires that the City have no more than 1.5 times its CDBG allocation on hand at any time. A test of this metric is made sixty (60) days before the end of the program year for all CDBG recipients. This test is one of the primary ways in which the City's performance is measured by HUD.

Over the past three years, the Department has gone from \$13 million dollars over its threshold in 2014 and \$6 million dollars over its threshold in 2015. This year, we believe that through a series of moves and expenditure increases the Department can meet this test on May 2, 2016.

To do so however, a series of budget amendments are required to expend funding. The major categories of funding will change as follows:

Line Items to be Reprogrammed:

• Economic Development Small Business Development	\$1,000,000.00
• Public Park Improvements	\$ 99,044.00
• CDBG Housing Rehab Loan Program	\$2,184,089.00
Total	\$3,283,133.00

Line Items for Funding Additions:

• Economic Development	\$ 250,000.00
• Section 108 Loan Defeasance	\$3,033,133.00
Total	\$3,283,133.00

The changes do not affect any public service or homeless public service recipients, and are primarily focused on expending funds allocated to home repair which have not yet been expended. The reason for this is the City shift from a lump sum draw agreement for the 0% Interest Home Repair Loans to a standard disbursement agreement of funds that are drawn on a reimbursement basis, which prolong the time for which the funds are drawn resulting in the City holding more cash than is necessary.

In future years, the resolution has been to use unexpended funds to defease Section 108 notes through allocation of the funds to a different agent. This approach draws the funding out of our accounts to meet the timeliness test while creating new budget author-

ity in the next fiscal year. These funds are shown as available in the City's 2016-17 budget request.

We ask that the Council approve this series of amendments to enable the City to meet timelines and create future budget authority. We seek your Honorable Body's approval of the attached resolution. A budget amendment showing the prior approval and the amendment is on file at the City Clerk's Office.

The above named Petitioner has requested permission for Outdoor Café Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on City right-of-ways has approved this request contingent upon the petitioners compliance with applicable City ordinance related to outdoor café activities and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED.

The Institute for Population Health (IPH) has approved this petition, subject

to petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Institute of Population Health Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. In addition, this petition is subject to the approval of the Detroit Police Department and any prior approval from the Central District Precinct does not cover serving liquor in outdoor café area until the Detroit Police Liquor License Bureau has given approval.

The Historic District Commission has issued the Certificate of Appropriateness for this location as of March 11, 2016.

The Planning and Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is the recommendation of the P&DD that the petitioner's request be granted subject to the terms and conditions provided in the attached Resolution and that this service will convene every April 1st through November 30th for a period of three (3) years from the date of your Honorable Body's approval.

Respectfully submitted,

By Council Member Leland:

Resolved, That the Department of Public Works – City Engineering Division (DPW/CED) is hereby authorized and directed to issue a Use-permit to 313 Entertainment Group, LLC, Detroit "permittee", whose address is at 1456 Woodward, Detroit, Michigan 48226, to install and maintain an outdoor café, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor café activities, prior to the issuance of said use permit; and

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adapted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over Outdoor Café process; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Institute of Population Health; and

Provided, That the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the café; and

Provided, That the outline and location of the outdoor café is not to be different from the site plan approved by the Planning and Development Department and the Department of Public Works; and

Provided, That if any tent, canopy or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Building, Safety Engineering & Environmental Department and the Department of Public Works/City Engineering Division; and

Provided, that the outline and location of outdoor café is not to be different from previously approved site plan by the Historic District Commission; and

Provided, That all railing equipment

and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense;

Honorable City Council:

Re: Real Property at 64 Watson, Detroit, MI 48201

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Devon Renewal LLC, a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 64 Watson, Detroit, MI (the "Property").

The P&DD entered into a Development Agreement dated March 9, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Forty-Six Thousand and 00/100 Dollars (\$46,000.00) (the "Purchase Price").

Offeror intends to develop the property into multi-family housing which is permitted as a matter of right in a PD-H (Planned Development) Zone.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX

Director, Planning and Development Department

By Council Member Leland:

Whereas, the City of Detroit Planning and Development Department ("P&DD") has received an offer from Devon Renewal LLC, a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 64 Watson, Detroit, MI, (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Development Agreement dated March 9, 2016, with the Offeror; and

Whereas, in furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to redevelop the property into multi-family housing which is permitted as a matter of right in a PD-H (Planned Development) Zone

Now, Therefore, Be It Resolved, that the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, that Property may be transferred and conveyed to Offeror, in consideration for its payment of Forty Six Thousand and 00/100 Dollars (\$46,000.00); and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, that customary closing costs up to Two Hundred and Fifty Dollars (\$250.00), and broker commissions of Two Thousand Three Hundred and 00/100 dollars (\$2,300.00) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, that a transaction fee of Two Thousand Seven Hundred Sixty and 00/100 Dollars (\$2,760.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, that the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, that the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Permission to Accept an Increase in the Proposed Initiative for Marathon Petroleum Company (MPC) to Provide Funds to Pay for Work Zone Traffic Enforcement for the M-85 (Fort Street) Bascule Bridge Replacement Over The Rouge River.

On May 1, 2015, the Marathon Petroleum Company (MPC) had funds available to pay overtime costs up to **\$750,000.00, with no cash match** for Detroit Police Department (DPD) Officers to provide traffic enforcement in the vicinity of the M-85 (Fort Street) during the Bascule Bridge Replacement. The period is from January 1, 2016 through June 30, 2016. In addition, the Detroit Police Department received an increase of \$250,000.00. with the total amount award being **\$1,000,000.00.**

The MPC anticipates that the closure of the Bascule Bridge will hamper response times for emergency services and proposes to assist by funding additional police patrols in the 48217 area code adjacent to the MPC Detroit Refinery. These patrols will consist of two DPD officers working an eight hour shift, at varying times of the day, seven days a week. The duration of the project may vary. These patrols would be on overtime and would not exceed the budgeted allowance.

Approval of this proposal will be a benefit to the City of Detroit in that it will allow for a visible increase in patrol presence in the area without impacting the city's budget. This increase in presence and visibility can be expected to impact not only traffic violations, but criminal activity as well. In addition, the safety of workers and residents in the construction area and the nearby vicinity will be enhanced by targeted traffic enforcement. Finally, be provid-

ing a closer working relationship between the MPC and the Detroit Police Department.

Participation requires the approval of your Honorable Body, via adoption of the attached resolution.

If you have any questions or concerns regarding this matter, please feel free to contact me at 596-1800, Monday through Friday, 9:00 A.M. to 5:00 P.M.

Sincerely,
 JAMES E. CRAIG
 Chief of Police

Resolved, That the Detroit Police Department be and is hereby authorized to accept an increase in the amount of **\$250,000.00, with no cash match** from "M-85 (Fort Street) Bascule Bridge Replacement Work Zone — Traffic Enforcement" funding (Appropriation #10082, Object code #449125) from the Marathon Petroleum Company, and

Be it further

Resolved, That the Finance Director be and is hereby authorized to establish the necessary cost centers and appropriations, transfer funds, honor payrolls and vouchers when presented, as necessary, for the operation of the program as outlined in the foregoing communication.

**RESOLUTION
 URGING THE STATE DEPARTMENT
 OF ENVIRONMENTAL QUALITY AND
 THE GOVERNOR TO COMPLETE THE
 REQUIRED STATE IMPLEMENTATION
 PLAN (SIP) FOR ATTAINMENT OF THE
 2010 1-HOUR PRIMARY SULFUR
 DIOXIDE NATIONAL AMBIENT AIR
 QUALITY STANDARD (NAAQS)**

By Council Member Castaneda-Lopez:

Whereas, The Clean Air Act requires United States Environmental Protection Agency (EPA) to set national ambient air quality standards (NAAQS) for sulfur dioxide and five other pollutants considered harmful to public health and the environment (the other pollutants are ozone, particulate matter, nitrogen dioxide, carbon monoxide and lead). The law also requires EPA to periodically review the standards to ensure that they provide adequate health and environmental protection, and to update those standards as necessary, as more fully explained in the attached EPA Fact Sheet; and

Whereas, In June 2010, the EPA promulgated a new 1-hour primary Sulfur

Dioxide (SO₂) NAAQS of 75 parts per billion (ppb), which is met when the 3-year average of the annual 99th percentile of 1-hour daily maximum concentrations does not exceed 75 ppb, as determined in accordance with Appendix T of 40 Code of Federal Regulations (CFR) part 50. See 40 CFR 50.17(a)-(b); and

Whereas, On August 5, 2013, the EPA, as part of a first round of area designations, initially designated 29 areas in 16 states as nonattainment for the 2010 SO₂ NAAQS. 78 FR 47191, codified at 40 CFR part 81, subpart C. These initial area designations had an effective date of October 4, 2013; and

Whereas, On March 10, 2016, EPA Acting Assistant Administrator for Air and Radiation, Janet G. McCabe, signed a formal official notice, pursuant to 40 CFR PART 52: [EPA-HQ-OAR-2016-0098; FRL-], "Findings of 'Failure to Submit State Implementation Plans (SIPs) Required for Attainment of the 2010 1-Hour Primary Sulfur Dioxide National Ambient Air Quality Standard (NAAQS)'"¹; and

Whereas, This essentially establishes new deadlines for the EPA to impose sanctions or to develop a federal Implementation plan if the state continues to fail to submit their own; and

Whereas, Wayne County in the State of Michigan is one of the communities with an SO₂ Nonattainment Area affected by EPA's findings of failure to timely submit a SIP in accordance with the above notice; and

Whereas, Residents of the City of Detroit deserve relief from the air pollution that adversely affects their daily lives — from asthma to the respiratory conditions like Chronic Obstructive Pulmonary Disease (COPD). EPA's recent finding of failure to timely file a SIP and notification is definitely a step in the right direction. It is extremely disappointing that the Michigan Department of Environmental Quality still has not submitted a plan to the EPA to come into attainment with the sulfur dioxide standard; and

Now, Therefore Be It

Resolved, That the Detroit City Council strongly urges the State of Michigan and its Department of Environmental Quality to submit the required SIP for Wayne County forthwith, in order to do its part to meet environmental quality and public health standards in Wayne County required by the Clean Air Act, and all other applicable laws and regulations; and

Be It Further

Resolved, That if the DEQ fails to file and implement such as SIP, the US EPA should do so; and

Be It Further

Resolved, That copies of this resolution shall be provided forthwith to Governor Snyder, the acting director of the DEQ,

Mayor Duggan, the members of Detroit's state legislative delegation, the City's lobbyist in Lansing, and the Director of EPA.

**RESOLUTION
ESTABLISHING THE DATES TO
FLY THE PURPLE HEART FLAG
AND THE FLAGS OF THE UNITED
STATES ARMED SERVICES IN
FRONT OF THE COLEMAN A. YOUNG
MUNICIPAL CENTER**

By Council President Jones, Joined by Council Member Benson:

Whereas, The City of Detroit recognizes its sons and daughters who have spilt their blood in the name of freedom and democracy, in a collaborative effort between the City Council and City Administration became a "Purple Heart City" on May 19, 2015; and

Whereas, The Detroit City Council by resolution on September 22, 2015 commemorated the reputation of the city as "The Arsenal of Democracy"; and

Whereas, It is the desire of the Detroit City Council Military and Veterans Affairs Taskforce to fly the Purple Heart Flag on specific dates and fly each Armed Service's flag on its anniversary below our nation's flag on the flagpole located in front of the Coleman A. Young Municipal Center near the corner of Jefferson Avenue and Woodward Avenue; and

Whereas, The City of Detroit City Council recognizes the responsibility and authority of the Detroit-Wayne Joint Building Authority to oversee the welfare of the CAYMC and all its assets.

Now, Therefore Be It

Resolved, That the Detroit City Council on behalf of its Military and Veterans Affairs Taskforce approves the annual flying of the Purple Heart Flag on Memorial Day — (last Monday of May), Independence Day — July 4th, National Purple Heart Day — August 7th and Veterans Day — November 11th; and

Be It Further

Resolved, That the Detroit City Council on behalf of its Military and Veterans Affairs Taskforce approves the flying of each military service flag on its anniversary: United States Army established June 14, 1775 to be flown annually on June 14th, United States Navy established October 13th, 1775 to be flown

annually on October 13th, United States Marine Corps established November 10th, 1775 to be flown annually on November 10th, United States Coast Guard established August 4th, 1790 to be flown annually on August 4th, and the United States Air Force established September 18th, 1947 to be flown annually on September 18th; and

Be It Further

Resolved, That the Detroit City Council's Military and Veterans Affairs Taskforce will provide and will be responsible for the continued provision of the Purple Heart Flag and all military service flags to the Detroit Wayne Joint Building Authority; and

Be It Finally

Resolved, That the Detroit City Council on behalf of its Military and Veterans Affairs Taskforce requests the support of the Detroit-Wayne Joint Building Authority Board of Commissioners to fly the Purple Heart Flag and all the military services flags as stated herein.

RESOLUTION
URGING THE CITY OF DETROIT AND DTE TO CONTINUE COMMUNITY ENGAGEMENT AND ACTIVITIES DESIGNED TO IMPROVE O'SHEA PARK DURING THE SOLAR PV SYSTEM LEASE PERIOD

By Council Member Leland:
Whereas, The City of Detroit and DTE Electric Company (DTE) desire to enter into a lease agreement for use of O'Shea Park located at 15810 Capital Avenue, Detroit, Michigan, for the purpose of installing, operating and maintaining a solar power generating system (PV System); and

Whereas, O'Shea Park has not been a functioning park with the City of Detroit for several years and it is anticipated that DTE's solar PV System will allow the park area to be placed back into productive use; and

Whereas, The current proposed Lease Agreement is for a term of 20 years with an option to extend the lease an additional 10 years and provide a lump sum rent payment of \$25,000.00 in addition to the PV System improvements to the land whereby the assessed property value is anticipated to be approximately \$4 million of which the first year in property taxes to the City will be \$100,000 with additional tax revenue in subsequent years; and

Whereas, The agreement will bring about major changes to the park area including but not limited to the installation of photovoltaic (Solar) panels instituting a dramatic change and impact to the surrounding community; and

Whereas, The installation of solar panels occupying a large swath of O'Shea's land area located in an urban environment is unique in the City of Detroit and one of few in the nation in which a neighborhood community is directly adjacent to a solar energy project; and

Whereas, Strategically engaging the surrounding community is critical to the overall success of the project for both the City of Detroit and DTE by way of ongoing communication with the area community groups, area businesses and surrounding residents to determine that best practices are developed in an effort to ensure the welfare of all parties is maintained throughout the term of the agreement; and

Whereas, DTE has made assurances that as part of its agreement and good will as a corporate citizen, it will work with the Motor City Makeover to assist in the elimination of blight and boarding of abandoned dwellings in the immediate area surrounding the Park, as well as making the solar PV System area accessible to schools and organizations that wish to tour the facilities as part of their educational activities; and

Whereas, The Erb Foundation has committed to providing \$100,000 to urban design cost and workforce development training associated with the project, this Honorable Body urges the City of Detroit to provide workforce development training and job opportunities to local residents within the surrounding community; and

Whereas, There are a number of elementary, middle and high schools in the area, this Honorable Body encourages DTE and the City of Detroit to create youth education opportunities by allowing the elementary, middle, and high schools to schedule facility tours as well as to create a youth apprenticeship program in collaboration with educational institutions within the surrounding community that would allow students the access to education enhancement in the environmental and energy career fields; and

Whereas, In order to ensure that all parties and the community are aware of the obligations, benefits and promises that were set forth at the time the Lease Agreement was being considered, all obligations, benefits and promises should be placed in writing; and

Be It Therefore

Resolved, That the City Administration agrees to host a minimum of 4 community meetings related to the planning process of O'Shea Park.

Resolved, That the City Administration agrees to form a Standing Citizen Advisory Group for the continued input on the O'Shea Project.

Resolved, That this Honorable Body urges the City Administration and DTE to place as terms in the body of the lease agreement or addendum thereto, language that requires DTE and the City of Detroit to continue community engagement by way of ongoing communication with the area community groups, area businesses and surrounding residents of O'Shea Park to determine the best practices that will ensure the welfare of the entire community is maintained throughout the life of the agreement, or shall do so by way of language that operates as condition precedent to the issuance of any permit or license by the Building Safety, Engineering and Environmental Department; and

Be It Further

Resolved, That a copy of this resolution be provided to Mayor Duggan and DTE Electric Company.

RESOLUTION TO SET AND PROVIDE NOTICE OF THE PUBLIC HEARING ON THE EXECUTIVE ORGANIZATION PLAN SUBMITTED MARCH 1, 2016

By Council Member Cushingberry, Jr.:

Whereas, In accordance with Section 7-102 of the 2012 Detroit City Charter, the Mayor submitted an Executive Organization Plan (EOP) on March 1, 2016, which was filed with the City Clerk and distributed to City Council; and

Whereas, The proposed EOP focuses on staff and operating departments and functions under Articles 6 and 7 or the 2012 Charter, with a total of twenty-five (25) Sections (10 through 250), and integrates the 2012 Charter, applicable state law (including provisions of the Home Rule City Act), and preserves certain Emergency Manager (EM) Orders; and

Whereas, Section 7-102 of the Charter provides that the EOP shall be made public, that the City Council shall study and conduct hearings on the EOP, and that the City Council may request the Mayor to make modifications to the EOP; and

Whereas, Pursuant to Section 7-102 of the Charter, sixty (60) business days after the filing of the EOP, which is Wednesday, May 25, 2016, the EOP shall become effective, with such modifications as are accepted by the Mayor, unless it is disap-

proved by a resolution adopted by a two-thirds majority of City Council members serving.

Now, Therefore Be It Resolved, That:

(1) The Executive Organization Plan (EOP) submitted to the City Council on March 1, 2016, shall be made available by the City Clerk for reference by all interested persons and shall be posted on the City's website; and

(2) The City Clerk is hereby authorized and directed to publish notice of the filing of the EOP in a daily newspaper of general circulation in the City of Detroit and by posting notice of filing on the City's website; and

(3) A public hearing on the EOP shall be held on _____, 2016, at _____, in the [Erma Henderson Auditorium] [City Council Committee of the Whole Room], 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan; and

(4) The notice of the filing of the EOP shall be substantially in the following form:

NOTICE OF FILING OF PROPOSED EXECUTIVE ORGANIZATION PLAN SUBMITTED MARCH 1, 2016, AND NOTICE OF CITY COUNCIL PUBLIC HEARING ON THE PROPOSED EXECUTIVE ORGANIZATION PLAN

To All Interested Persons:

PLEASE TAKE NOTICE that pursuant to Section 7-102 of the 2012 Detroit City Charter, Mayor Mike Duggan has prepared an Executive Organization Plan, which was filed with the City Clerk and submitted to City Council on March 1, 2016, summarized as follows:

(1) The EOP sets forth the office of the Mayor as well as staff and operating departments and functions contained in Articles 6 and 7 of the 2012 Detroit City Charter; and

(2) The EOP contains a total of twenty-five (25) Sections as follows: Mayor's Office (Sec. 10); Department of Administrative Hearings (Sec. 20); Airport (Sec. 30); Arts (Sec. 40); Budget (Sec. 50); Buildings, Safety Engineering and Environmental (Sec. 60); Office of the Chief Financial Officer (Sec. 70); Department of Civil Rights, Inclusion and Opportunity (Sec. 80); Finance (Sec. 90); Fire (Sec. 100); General Services (Sec. 110); Detroit Health Department (Sec. 120); Historical (Sec. 130); Housing and Revitalization (Sec. 140); Human Resources (Sec. 150); Department of Innovation and Technology (Sec. 160); Municipal Parking (Sec. 170); Detroit Parks and Recreation Department (Sec. 180); Planning and Development (Sec. 190); Detroit Police Department (Sec. 200); Public Lighting (Sec. 210); Public Works (Sec. 220); Transportation (Sec. 230); Water and Sewerage (Sec. 240); Zoo (Sec. 250); and

(3) For each Section listed in subpart (2), the EOP contains a summary of departmental purposes, the administration of the department, and the location of administrative offices, as well as major functional areas.

Section 7-102 of the Charter requires that the EOP be made public and that the City Council study and conduct hearings on the EOP.

Section 7-102 of the Charter provides that the City Council may request the Mayor to make modifications to the proposed EOP and sixty (60) business days after the filing of the EOP, which is Wednesday, May 25, 2016, the EOP shall become effective with such modifications as are accepted by the Mayor, unless it is disapproved by a resolution adopted by a two-thirds majority of City Council members service.

Copies of the proposed EOP are on file in the Office of the Detroit City Clerk, 200 Coleman A. Young Municipal Center, and are also available on the City's website, www.detroitmi.gov.

A public hearing on the proposed EOP shall be held on _____, 2016, at _____, in the [Erma Henderson Auditorium] [City Council Committee of the Whole Room], 13th Floor, Coleman A. Young Municipal Center, Detroit, Michigan.

THIS NOTICE is given by Order of the Detroit City Council. Further information concerning the proposed EOP may be obtained through the Office of the City Clerk.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Tate, and President Jones — 5.

Honorable City Council:
Re: Taylor Campbell v City of Detroit and Marissa Nix. Case No: 14-015564-NI. File No.: L14-00666.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body. From this review, it is our considered opinion that a settlement in the amount of Seventeen Thousand Five Hundred Dollars and No Cents (\$17,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Seventeen Thousand Five Hundred Dollars and No Cents (\$17,500.00) and

that your Honorable Body direct the Finance Director to issue a draft in that amount payable to Jeff C. Kerby, his attorney, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in Lawsuit No. 14-015564-NI, approved by the Law Department.

City Planning Commission

March 28, 2016

Honorable City Council:

Re: Site plan review in a PD (Planned Development) District for Patterson Terrace in Brush Park (RECOMMEND APPROVAL WITH CONDITIONS).

In accordance with Article III, Division 5, Subsection C; "Authority to Review and Approve Site Plans." (Section 61-3-142) of the Detroit Zoning Ordinance, proposed development within a Planned Development district (PD) shall be subject to site plan review and approval by the City Council, after receiving recommendation from the City Planning Commission (CPC).

Proposed Development

Almass Downtown Real Estate, LLC, proposes to develop Patterson Terrace, consisting of nine dwelling units in an existing row of historic townhouses at 3412 John R, with eleven associated parking spaces on an adjacent parcel at 221 Erskine. This property is located within a Planned Development district (PD) subject to *Brush Park Modified Development Plan (Third Modification)* dated April 20, 2001.

The proposed development does not alter the character of the townhouse buildings; therefore, this review focuses exclusively on the associated parking lot (see attached drawings).

Review

The proposed parking lot has been reviewed by Planning and Development Department staff. The Historic District Commission provided a Certificate of Appropriateness for the proposed development, which is located within the Brush Park Historic District, on August 12, 2015.

The City Planning Commission, reviewing the proposed site plan at its March 24, 2016 meeting, has identified the following areas of concern:

¹A fourth modification to the plan was more recently reviewed by the City Planning Commission, with a recommendation for approval, but ultimately not adopted by the City Council.

Parking Deficiency

The proposed parking lot features eleven spaces. However, the six single-family attached dwelling units, and the three multi-family dwelling units, of the proposed development would generally require a total of thirteen² spaces. However, as this proposed development is located in a PD greater than three acres, the City Council may, at its discretion, apply a parking reduction to 80%.³

This would yield a requirement of 11 spaces.

An overall reduction in parking requirements in the Brush Park area was previously contemplated by the City Planning Commission. A uniform requirement of 1.25 spaces per dwelling unit, contained in the Brush Park Modified Development Plan (Fourth Modification) was recommended by the CPC, even though the fourth modification of the plan was ultimately not adopted by the City Council. This requirement, had it been enacted, would have mandated 11 spaces for the proposed development. The CPC, based on its prior analysis, suggests that this parking reduction is appropriate for the proposed development.

Setback Requirements

A ten foot landscaped setback would typically be required between a parking lot and adjacent residential development. In this case, however, the setback between the proposed parking lot and an adjacent single-family lot to the east is approximately six feet.

In a PD district, the City Council may approve a site plan with a setback of less than ten feet when justified by other factors. In this case, due to the site constraints imposed by adjacent historic buildings which predate the designation of the PD district, the City Planning Commission feels that the setback is appropriate.

Screening Requirements

Section 61-14-222 also requires an opaque wall screening a parking lot from an adjacent residential parcel. The proposed screen wall, however, consists of an intermittent concrete masonry unit wall that is opaque only in some sections.

The entirety of the wall on the eastern end of the site should consist of opaque concrete masonry units.

²1.5 for each single-family unit and 1.25 for each multi-family unit, according to requirements the Brush Park Modified Development Plan (Third Modification), rounded to the next whole number in accordance with Section 61-14-10 of the Zoning Ordinance.

³Section 61-14-103 and Section 61-4-10.

Site Plan Review Approval Criteria

The proposed development appears to satisfy the site plan review approval criteria described in Article III, Division 5, Subdivision D of the Zoning Ordinance. The townhouse structures proposed for redevelopment already exist and are consistent with the applicable development plan.

The proposed parking lot appears to satisfy the following sections: 61-3-155 (traffic); 61-3-156 (pedestrian circulation); 61-3-157 (surroundings); 61-3-159 (lighting); 61-3-160 (aesthetics); 61-3-161

(exterior color); 61-3-162 (utilities); Section 61-3-164 (natural features) and 61-3-166 (soil).

The following sections are not applicable to this development: 61-3-154 (conformance with design guidelines); 61-3-163 (equipment and fixtures); 61-3-165 (hazards); and 61-3-167 (operational performance standards).

Section 61-3-153 (conformance with Zoning Ordinance) and Section 61-3-158 (open spaces, landscaping screening, and buffering) would be satisfied by the erection of a continuous and opaque wall on the eastern end of the site.

Recommendation

The CPC recommends approval of the proposed site plan with the following conditions:

1. That an opaque and continuous concrete masonry wall be constructed to screen the parking area from the adjacent single-family home to the east.

2. That final site plans, elevations, landscaping, lighting and signage plans be submitted to the staff of the City Planning Commission for review and approval prior to application being made for applicable permits.

By Council Member Leland:

WHEREAS, Almass Downtown Real Estate, LLC, has requested site plan review of preliminary site plans for the Patterson Terrace project, consisting of an existing row of historic townhouses on John R Street with parking on an adjacent parcel on Erskine Street; and

WHEREAS, The proposed development is located within an existing PD (Planned Development) District and consequently, subject to the provisions of Article III, Division 5, Subsection C; "Authority to Review and Approve Site Plans," (Section 61-3-142) of the Detroit Zoning Ordinance; and

WHEREAS, The PD district zoning classification requires that site plans be reviewed and approved by the Detroit City Council following the receipt of a written report and recommendation from the City Planning Commission; and

WHEREAS, The Detroit City Council has reviewed the preliminary site plans and found the proposed development, with one condition, to be in agreement with the applicable site plan review approval criteria described in Article III, Division 5, Subdivision D of the Zoning Ordinance;

NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council approves the preliminary site

plans for the Patterson Terrace project, described in the communication from the City Planning Commission, dated March 28, 2016, and as depicted in the "Patterson Terrace Parking Lot" drawings prepared by Steven C. Flum, Inc. and dated February 23, 2015, with the following conditions:

1. That an opaque and continuous concrete masonry wall be constructed to screen the parking area from the adjacent single-family home to the east.

2. That final site plans, elevations, landscaping, lighting and signage plans be submitted to the staff of the City Planning Commission for review and approval prior to application being made for applicable permits.

RESOLUTION URGING THE CITY OF DETROIT ALONG WITH MHT HOUSING INC. AND RESURRECTION CDC TO CONTINUE COMMUNITY ENGAGEMENT FOR THE PARK MEADOWS VILLAGE HOUSING PROJECT

By COUNCIL MEMBER LELAND:

WHEREAS, The City of Detroit City Council is scheduled to take voting action on a rezoning map amendment petition submitted by MHF LDHA LLC, also known as MHT Housing Inc. in partnership with Resurrection CDC, to amend Chapter 61 of the 1984 Detroit City Code, Zoning (Detroit Zoning Ordinance) by amending Article XVII, District Map No. 65 to show an R3 (Low Density Residential) district classification where an (R1 Single-Family Residential) district classification currently exists at properties between West Outer Drive and Thatcher Street ranging in general from 17530 to 17607 Biltmore, 17530 to 17607 Gilchrist, 7736 to 7690 West Outer Drive, and 17530 to 17608 Lindsay in order to establish a low-moderate income town-house community to be known as Park Meadows Village; and

WHEREAS, The Planning and Economic Development Standing Committee, based upon testimony given at the Charter-required public hearing held on Thursday, March 24, 2016, City Council acknowledges that more extensive community engagement is necessary in order to address the concerns of community members that spoke at the March 24, 2016 public hearing; and

WHEREAS, The statutorily required notice of the City Planning Commission public hearing was issued to all occupants and taxpayers of record within 300 radial feet of the subject properties. The

broader community, which is inclusive of community organizations and block clubs, voiced a desire to be involved in continued discussions between the developer and City of Detroit agencies, which include the City Planning Commission, Planning and Development Department and the Buildings, Safety Engineering and Environmental Department;

NOW THEREFORE BE IT

RESOLVED, That in order to retain the continued support of this Honorable Body for said [project, Detroit City Council urges the petitioner, MHT Housing Inc. and Resurrection CDC, along with said City agencies, to engage in continued public discussion with the community, beginning with the evening of Wednesday, April 20, 2016 at the 6PM community meeting for the purpose of allowing the community to give input on said project;

and BE IT FURTHER

RESOLVED, That a copy of this resolution be forwarded to the Planning and Development Department.

By Council Member Leland:

Whereas, The City of Detroit ("City") has entered into that certain Lease Agreement ("Lease Agreement") with DTE Electric Company ("DTE") to construct a new solar power generating system project in Detroit on a portion of

O'Shea Playfield located at 15810 Capitol Street, Detroit, MI; and

Whereas, The Lease Agreement requires DTE to make a lump sum rent payment to the City in the amount of Twenty Five Thousand and 00/100 Dollars (\$25,000.00)("Rent Payment"); and

Resolved, The City wishes to establish Appropriation No. 20269 in the Planning & Development Department's budget for the purposes of accepting the Rent Payment and to allow for the expenditure of said Rent Payment by the Planning & Development Department for renovations at O'Shea Playfield;

Now Therefore Be It

Resolved, That the 2015-2016 Budget is amended for the Planning & Development Department, who is hereby authorized to accept, appropriate and establish Appropriation No. 20269 into which an amount up to Twenty Five Thousand and 00/100 Dollars (\$25,000.00) shall be accepted pursuant to the Lease Agreement;

And be It Further

Resolved, That the Planning & Development Department is hereby authorized to make expenditures for renovations at O'Shea Playfield from Appropriation No. 20269 up to the amount of the Rent Payment made by DTE to the City under the Lease Agreement;

And Be It Further

Resolved, That the Finance Director be and is hereby authorized to increase the necessary accounts and honor expenditures, vouchers and payrolls when presented in accordance with the foregoing communication and standard City procedures.

Planning & Development Department

March 18, 2016

Honorable City Council:

Re: Modification, Assignment, Assumption and Consent Agreement Development: 73, 81 Peterboro.

On January 24, 2001, your Honorable Body authorized the sale of 3136-3148 Park and 81 Peterboro now combined and known as 81 Peterboro), to Landy Cass Avenue Development, Inc., a Michigan Corporation, for the purpose of renovating the structure at 81 Peterboro into eight (8) lofts, with parking and landscaping.

Due to various downturns in the economy, Landy Cass Avenue has been unable to proceed and the property remains undeveloped.

The Planning and Development Department is now in receipt of a request by Scott Mansion, LLC, a Michigan Limited

Liability Company, to assume the interest of Landy Cass Development, Inc. in 81 Peterboro. The property consists of a 3-1/2 story building in need of extensive repair, containing approximately 20,103 square feet and zoned R-6 (High Density Residential District). It is located in the Cass Corridor, in the Peterboro-Charlotte Historic District on the east side of Park Avenue at the corner of Peterboro.

Under the terms and conditions of a Modification, Assignment, Assumption and Consent Agreement, Scott Mansion, LLC wishes to forego the construction of the eight (8) lofts. Scott Mansion proposes to include the adjacent property owned by its affiliate located at 73 Peterboro and to develop 73 and 81 Peterboro into twenty-seven (27) rental units with landscaping and accompanying parking. In addition, Scott Mansion, LLC requests to extend the development period for this project to December 31, 2018.

The Planning and Development Department has reviewed the request of Scott Mansion, LLC and determined it to be reasonable and consistent with the terms and conditions set forth in the Development Agreement. Scott Mansion, LLC possesses the qualifications and has indicated the potential financial resources necessary to develop the land. The proposed changes to the project were reviewed and supported by the Detroit Historic District Commission. The renovation of the building shall comply with all regulations mandated by the Detroit Historic Commission and any other regulatory agencies which oversee renovations of historic structures.

We, therefore, request that your Honorable Body adopt the attached resolution, extending the development period, authorizing and approving a Modification, Assignment, Assumption and Consent Agreement between Landy Cass Avenue Development, Inc., a Michigan Corporation, Scott Mansion, LLC, a Michigan Limited Liability and the City of Detroit, a Michigan Public Body Corporate.

Respectfully submitted,

MAURICE COX

Director

Planning & Development Department
By Council Member Leland:

Resolved, That in accordance with the foregoing communication, the agreement to purchase and develop property, more particularly described in the attached Exhibit A, be amended to include 73 Peterboro, as more particularly described in the attached Exhibit B, to reflect the construction of twenty-seven (27) rental units and to extend the completion of construction to December 31, 2018.

And Be It Further,

Resolved, That the Mayor of the City of Detroit, or his authorized designee, be and is hereby authorized to execute a

Modification, Assignment, Assumption and Consent Agreement for the property more particularly described in the attached Exhibit B, between Landy Cass Avenue Development, Inc., a Michigan Corporation, Scott Mansion, LLC, a Michigan Limited Liability Company and the City of Detroit, a Michigan Public Body Corporate;

**THE BLACK CAUCUS
FOUNDATION OF MICHIGAN**

March 18, 2016

Honorable City Council:

Re: Detroit Land Bank Authority (DLBA)
Transfer of Property to the Black
Caucus Foundation of Michigan, Inc.
for the Bridges to Homeownership
Program

Decades of disinvestment, high levels of foreclosures and intentional abuse of non-occupant investors in exploiting the Wayne County Property Tax Foreclosure Auction System has devastated Detroit neighborhoods. The "promise" of family financial security that was once afforded by homeownership had been broken. Importantly, for many Detroit families, the home they purchased and paid for that had substantially risen in worth; the home that was their largest financial asset, had now been significantly reduced in value.

Once well-established communities are now plagued by thousands of vacant and occupied DLBA owned homes in need of extensive repair. Occupants of DLBA Homes ("Occupants") typically have no right to continued possession of DLBA homes. In addition, they also have limited access to bank financing required to purchase and rehabilitate the DLBA properties in which they reside.

To address these challenges the Black Caucus Foundation of Michigan, a 501-c3 nonprofit corporation dedicated to public policy analysis, program develop and direct service that focuses on life quality advances for urban, disadvantaged, poor and minority constituencies; created the African American Commerce Initiative (AACI) as a community based economic construct after three years of research and refinement; that contains course correction advances through the creation of bridges to entrepreneurship, work and homeownership.

The AACI Bridges to Homeownership Program ("BTHO") proposes to purchase 200 occupied single family homes, in batches of 20, from the DLBA. BTHO will then at its expense, rehabilitate and affordably sell the fully renovated homes by land contract to the properties' qualified occupants. The program is designed to provide occupant families with "wrap around" services to help them improve their circumstance and own their home. Those services include but are not limited to financial literacy, homeownership counseling and skill/wage advancement. In those rare instances where an occupant does not qualify, that particular property may be sold to a third party that may include but not be limited to non-home owning skilled craftsman and first responders seeking primary home residency in Detroit.

The BTHO's design incorporates the following assumptions to stabilize targeted neighborhoods and increase property values.

- I. Increased population density directly benefits schools, attracts family service small businesses, improves efficient public service delivery and public safety.
- II. People move to neighborhoods with better schools and increased city services.
- III. Population density stabilizes a neighborhood's housing stock and increases housing prices.
- IV. Stopping the creation of newly blighted structures is as important as demolition to community stability.
- V. Properties are more likely to become blighted if not owner occupied.
- VI. Neighborhoods are more likely to resist blight as the percentage of owner occupied homes increases.
- VII. Homeowners who occupy their home are more engaged in their neighborhoods than non-occupant owners.

VIII. Most Occupants do not have access to the financing required to rehabilitate their homes.

IX. Most Occupants are not eligible for traditional mortgage financing.

The BTHO Program's major design elements which promote Occupants' homeownership include:

I. Seller financing will be provided to qualified Occupants through the use of affordable land contracts.

II. Occupants' monthly land contract payments of principal, interest, tax and insurance escrows, will be at, or less than the rental rate a landlord would charge for the home.

III. All Occupants must go through a credit review and attend a HUD certified Homebuyers' Readiness Course before becoming land contract eligible.

IV. BTHO will finance and supervise the rehabilitation of homes sold to Occupants.

V. Program homes will be sold with quieted title and title insurance by warranty deed.

The major benefits of the Program to the City include:

I. Unlike any other existing program, the eviction of occupants is minimized.

II. Occupants of BTHO homes can become homeowners and participate in the City's recovery.

III. Occupants will create personal wealth as the value of their homes increase.

IV. Occupants become educated homeowners after attending the required HUD certified courses.

V. The City will receive timely payment of escrowed Property Taxes.

VI. City based craftsmen and apprentices are hired to rehabilitate the Program's homes.

VII. Learn and Earn Labs will afford DPS Career Technical Education students with actual work experience that aligns with their school-based instruction.

VIII. Opportunities for corporate employers of laborers, craft and tradespersons to participate in helping their workers become City homeowners to maximize local workforce participation on public contracts.

Pursuant to the Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority, approved by the Detroit City Council on May 5, 2015, the Detroit Land Bank Authority may not transfer ten (10) or more parcels of property received from the City to the same transferee within any rolling 12 month period without the prior approval of the Mayor and City Council.

The Black Caucus Foundation of Michigan, Inc., therefore in consideration of the aforementioned, that your Honorable Body approves the attached

resolution authorizing the Detroit Land Bank Authority to sell up to 200 properties to the Black Caucus Foundation of Michigan, Inc., a Michigan nonprofit corporation, under the terms set forth in proposed resolution.

Respectfully submitted,
MICHAEL AARON
President
Black Caucus
Foundation of Michigan

By Council President Jones:

WHEREAS, Decades of disinvestment and high levels of foreclosures have devastated Detroit's neighborhoods and once well-established communities are plagued by thousands of vacant and vandalized homes in need of extensive repair; and

WHEREAS, The Detroit Land Bank Authority was created to assemble or dispose of publicly owned properties – currently totaling over 90,000 – in a coordinated manner to foster the development of that property and to promote economic growth in the City of Detroit; and

WHEREAS, The Detroit Land Bank Authority created the Community Partner Program to encourage faith- and community-based organizations to join the Land Bank in transforming the neighborhoods in which they serve; and

WHEREAS, The Detroit Land Bank Authority created the Occupied Property Non-Profit Program to engage Community Partners in assisting certain existing occupants of homes owned by the Detroit Land Bank Authority to transition to home ownership, by transferring title to those homes to the Community Partner, which will then provide services that include renovation, supportive services, lease and purchase options.

BE IT RESOLVED, That the Detroit Land Bank Authority is authorized to sell up to two hundred (200) additional properties to the Black Caucus Foundation of Michigan, Inc. or its wholly Non-Profit title holding entity, Bridges to Homeownership, Inc., in bundles of no more than twenty (20) properties at a time, provided that before any property Bundle is released, the Detroit Land Bank Authority's Executive Director is satisfied that the Black Caucus Foundation of Michigan has demonstrated that it has funds immediately available to carry out its obligations with respect to that Property Bundle, and provided further that the Black Caucus Foundation shall not be permitted to place a hold on more than twenty (20) properties at a time in the inventory of the Detroit Land Bank Authority.

Re: 16180 Wyoming. Date ordered removed: October 21, 2014 (J.C.C. pages 2169 - 2176).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on February 8, 2016 revealed that the property did not meet the requirements of the application to defer. The property continues to be open to trespass and not maintained.

Therefore, we respectfully recommend that the request for a deferral be denied. We will proceed to have the building demolished as originally ordered with the cost of demolition assessed against the property.

Respectfully submitted,
DAVID BELL

Re: Address: 108-114 E. Euclid. Name: Russell Rhea. Date ordered removed: April 1, 2014 (J.C.C. pages 576 - 583).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on January 29, 2016 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.
2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:
 - Certificate of Acceptance related to building permits
 - Certificate of Approval as a result of a Housing Inspection
 - Certificate of Inspection, required for all residential rental properties.
3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).
4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Honorable City Council:
Re: Address: 1215 Junction. Name: Guadalupe & Elizabeth Luna. Date ordered removed: March 19, 2013 (J.C.C. pages 468 - 477).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on November 30,

2015 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

RESOLUTION IN SUPPORT OF HOUSE BILL 5508:

To Allocate Funding For Career Technical Education Within The Detroit Public Schools

By COUNCIL PRESIDENT JONES:

WHEREAS, Technological advances and global competition have transformed the nature of work in today's economy. tomorrow's jobs will require more knowledge, better skills, and more flexible workers than ever before. To prepare today's students for tomorrow, career and technical training ("CTE") is essential; and

WHEREAS, The rebuilding of Detroit neighborhoods (an estimated 40,000 properties in public inventories alone) represents a substantial local entrepreneurial and employment opportunity; however, there are insufficient number of public education programs within the city to properly prepare students for work-readiness, employment or careers in the design and construction sector.

WHEREAS, Although Detroit Public Schools ("DPS") is tasked with preparing students in the district with the skills necessary to compete, the fiscal challenges of DPS have resulted in poor facility and classroom maintenance of all its CTE schools. Each school district in the State of Michigan is required to provide students with access to career and technical education (CTE) for all students regardless of physical or intellectual level; however, the district currently does not have any CTE programming available to special needs children. Nor does the district have a strongly defined curricula work readiness alignment relationship with a community college unlike most other school districts within the State; and

WHEREAS, As Detroit moves aggressively to extend the revitalization and rehabilitation from Downtown and Midtown to the neighborhoods, it has become apparent that there exists a significant skills gap in the available and potential labor from Detroit residents in the areas of design and construction crafts. The slated infrastructure projects in Detroit provide a substantial opportunity to improve local employment and the local tax base. But to optimize the opportunity, Detroit students must be provided with a skill prep and craft readiness path that aligns appropriately; and

WHEREAS, The high demand and short supply of skilled labor has significantly raised the cost of rehabilitation making it difficult to obtain financing for most households and prospective purchasers. Without the ability to cost effectively rehabilitate the housing stock, it will be difficult to elevate the appraisal value of property within the neighborhoods necessary to stimulate the kind of "boom" in Detroit neighborhoods that is occurring. This also creates difficulty for developers and contracting organizations who are required by to maintain a representative local workforce content on publicly funded projects to find drug-free, trained candidates to be compliant with hiring requirements; and

WHEREAS, As a start to closing this educational gap, representatives in the Michigan House of Representatives have introduced H.B. 5508 which, if passed, will allow a one-time allocation of \$2 million of excess earnings in the convention facility development fund to be used to finance career technical education and school

based behavioral health programs exclusively within DPS; and

WHEREAS, If approved, the funds will be used to improve programming at the Randolph Career Technical Education School. Currently, DPS has design and construction industry partners with high interest in providing financial support, instruction augmentation and employment matching; however, that commitment is contingent on assurance that financial support provided is used ONLY for the prescribed purposes associated with upgrades at Randolph Career Technical Education School, and that their investment is supported by a sustainability strategy to expand enrollment

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council strongly supports H.B. 5508 and any educational bill that would assist in the improvement of career and technical educational programming within the city of Detroit;

and BE IT FINALLY

RESOLVED, A copy of this resolution be transmitted to the Education Committees in both houses of the Michigan Legislature, the sponsors of H.B. 5508, the Governor's Office, the Detroit Public Schools and the Mayor's Office.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 7.

Nays — None.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

TESTIMONIAL RESOLUTION FOR

CLAYOLA BROWN "2016 APRI Midwest Region Education Conference"

By Council President Jones, joined by Council Members Cushingberry, Jr., Ayers and Leland:

Whereas, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and salute Clayola Brown, APRI National President and President of the A. Philip Randolph Institute at the *2016 APRI Midwest Region Education Conference*, being held March 31 - April 3, 2016 in the City of Detroit; and

Whereas, Clayola Brown has dedicated her life to labor activism. Her commitment and involvement in the labor movement began in her hometown of Charleston, South Caroline, where she worked as a sewing machine operator. Clayola — alongside her activist mother — campaigned to organize the Manhattan Shirt Factory. After choosing the pursue a career in labor, she began working in 1970 for the Textile Workers Union of America, in the claims department. Ms. Brown moved up through the ranks, working as a trainer/organizer for the J. P. Stephens campaign in the South. She eventually became Education Director for the newly-merged Amalgamated Clothing and Textile Workers Union (ACTWU), then later was appointed Civil Rights Director. Ms. Brown was elected Manager for ACTUW's laundry division affiliate, serving for more than thirteen years. In 1991, she was elected International Vice President and continues to serve in that capacity. She also serves as the Civil Rights Director under the repositioned union - Workers United. In 1995, Clayola Brown was elected to the AFL-CIO Executive Council, where she served for ten years as a Vice President; and

Whereas, Ms. Brown's tremendous commitment to the community and her fellow man is apparent through the many boards and organizations on which she currently serves. Her affiliations include: America's Agenda — Healthcare for All, the National Board of the NAACP (chair-

ing both the NAACP Image Awards Committee and co-chairing the Labor Ad-Hoc Committee). She is a member of the United Nations Advisory Council, the Louis and Irene Simon Scholarship Fund, Executive Committee for the Workers Defense League, Board of Governors for the United Way of the Tri-State, Board of Directors of the Southern Christian Leadership Conference - Women's Inc. and the Sidney Hill Foundation; and

Whereas, Clayola Brown was appointed to the National Commission on Employment Policy by former President Bill Clinton. George Pataki, former Governor of New York, appointed her as a member of the New York State Workforce Investment Board. Ms. Brown is a graduate of Florida A&M University in Tallahassee, Florida. She has done post-graduate work at the American University in Washington, D.C., and at Queens College and York University in New York City. She is a lecturer at Cornell University in Ithaca, New York and consults regularly with Trinity College in Washington, D.C. on African American affairs. Ms Brown is the recipient of many awards and honors which include, The Rainbow/PUSH Jackie Vaughn Award, Bill Lucy Award from the Coalition for Black Trade Unionists, NAACP Freedom Leadership Award, Southern Christian Leadership Conference (SCLC) Drum Major for Justice Award, APRI Rosina Tucker Award, the YWCA Academy of Women Achievers and many more. She is also an inductee into the History Makers, and African American history archive. Clayola Brown believes that Labor Rights, Civil Rights and International Human Rights are bridges which cross the broad expanse of disparities in this country and abroad. Not only has she excelled in her respected field and career, Clayola Brown continues to serve the greater community with just as much of an impact.

Now Therefore Be It

Resolved, That the Detroit City Council and office of Council President Brenda Jones congratulates Clayola Brown for the tremendous achievements and lifelong commitment to strong labor rights, voting rights, civil rights and human rights.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 7.

Nays — None.

**TESTIMONIAL RESOLUTION
A. PHILIP RANDOLPH INSTITUTE
“2016 APRI Midwest Region
Education Conference”**

By COUNCIL PRESIDENT JONES,
JOINED BY CUSHINGBERRY, JR.,
AYERS AND LELAND:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and

bestow honor upon the A. Philip Randolph Institute (APRI), an organization of black trade unionists co-founded by civil rights leaders, A. Philip Randolph and Bayard Rustin; and

WHEREAS, To A. Philip Randolph and Bayard Rustin, the fight for workers' rights and civil rights were inseparable. For 51 years, APRI's mission has been to create change while fighting for racial equality and economic justice. Randolph (1889-1979), was one of the most influential African-American leaders of the twentieth century and the father of the modern American civil rights movement. He worked as a labor organizer, a journalist and a civil rights leader. Throughout his long career, Randolph consistently kept the interests of black workers at the forefront of the racial agenda; and

WHEREAS, Rustin (1912-1987), a leading civil rights, labor activist and master strategist, was the chief organizer of the historic 1963 March on Washington, one of the largest nonviolent protests ever held in the United States. Rustin was Randolph's greatest protégé. He brought Gandhi's protest techniques to the civil rights movement and helped mold Martin Luther King, Jr. into an international symbol of peace and nonviolence. His focus on civil and economic rights and his belief in peace, human rights and the dignity of all people remain as relevant today as they were in the 1950s and 60s; and

WHEREAS, Randolph and Rustin forged an alliance between the civil rights movement and the labor movement. They recognized that blacks and working people of all colors share the same goals: political, social and economic justice. This black-labor alliance helped the civil rights movement achieve one of its greatest victories — passage of the Voting Rights Act, which removed the last remaining legal barriers to broad black political participation; and

WHEREAS, Inspired by this success, Randolph and Rustin founded the A. Philip Randolph Institute in 1965 to continue the struggle for social, political and economic justice for all working Americans. Today, APRI is led by President Clayola Brown, whose vision and energy has sparked a new beginning for the organization and for the movement as a whole.

NOW, THEREFORE BE IT

RESOLVED, That A. Philip Randolph Institute be awarded this Testimonial Resolution from the Detroit City Council and office of Council President Brenda Jones in recognition of celebrating 51 years of creating change and its 2016 APRI Midwest Region Education Conference.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 7.

**TESTIMONIAL RESOLUTION
FOR
DENNIS WILLIAMS
"2016 APRI MIDWEST REGION
EDUCATION CONFERENCE"**

By Council President Jones, joined by Council Members Cushingberry, Jr., Ayers and Leland:

Whereas, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and salute Dennis Williams, President of the United Auto Workers union (UAW) at the *2016 APRI Midwest Region Education Conference*, being held March 31 - April 3, 2016 in the City of Detroit; and

Whereas, Dennis Williams was elected UAW President in June of 2014 at the union's 36th Constitutional Convention. A marine veteran, he joined the UAW in 1977 as a salvage welder at a J. I. Case factory, represented by UAW Local 806. He was elected to the bargaining committee and then as Chairman. Williams, who comes out of the agricultural part of the union, previously served for four years as Secretary-Treasurer. He is a rare UAW executive, one who did not come from an automotive manufacturing assembly or parts plant. As Secretary-Treasurer, Williams was part of developing a long-term strategy for the union, supporting the membership and organizing the foreign-owned automakers in the United States. He was instrumental in turning around the relationship with Navistar Inc. and bringing major investments into UAW facilities, as well as organizing the Tulsa Bus plant in Oklahoma; and

Whereas, Mr. Williams' labor experience has carried him through the many diverse sectors of the UAW, giving him broad knowledge and understanding that few ever have a chance to receive. In 1988, he was appointed as an international Representative and assigned to the National Organizing Department. Besides organizing his assignments include negotiating the first contract at Mitsubishi Motors North America in Bloomington, Illinois. He also assisted in organizing Indiana state employees. Williams spent 2-1/2 years assisting members of Local 844 in Vermont, Illinois to obtain their first contract. This worker justice campaign involved legal action and extensive mobilization of union members and community allies; and

Whereas, In 1992, Williams was assigned to service locals in various sectors throughout the region. He also assisted in the negotiation and servicing of several national agreements. In June 1995, he was appointed as the Assistant Director of Region 4 which includes Illinois, Iowa, Minnesota, Montana, Nebraska, North Dakota, South Dakota, Wisconsin and Wyoming, where he served until he was elected as Director in

2001 at a special convention. He was re-elected in 2002 and 2006.

Now Therefore Be It

Resolved, That the Detroit City Council and office of Council President Brenda Jones congratulates Dennis Williams for his tremendous achievements, dedication to the labor movement, and for being a major voice in advocating for national policies that will improve the lives of union members and non-union workers to achieve equality in the workforce.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Sheffield, Spivey, Tate, and President Jones — 7.

**TESTIMONIAL RESOLUTION
In Memoriam**

HELEN JEAN ANDERSON

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to extend our sympathies, respect and to honor the memory of the late HELEN JEAN ANDERSON, beloved mother, grandmother, great-grandmother, sister, aunt and friend to many, who was granted her angel wings on March 25, 2016; and

WHEREAS, Helen was born on October 21, 1950, in St. Louis, Missouri to Maggie and William Cannon. She graduated from Madison High School in 1968. Shortly afterwards, HELEN was united in marriage with James Russell Anderson and moved to Detroit, Michigan. They lovingly raised two daughters, Chamayne Nicole and Carla Pleshette, and later welcomed three grandchildren and two great-grandchildren; and

WHEREAS, HELEN began styling the hair of friends and family at the age of 14 in her kitchen. The budding stylist discovered an extraordinary artistic ability within. HELEN used business skills and savvy in an entrepreneurial endeavor to establish her first hair salon in 1979. Subsequently, HELEN built clientele and opened two more salons. One of the most joyous times in her life was opening HELEN'S Hair Clinic and working with Yvonne, Linda and other stylists. Clients were always a major priority for her and the salon provided top quality service in a professional, inviting atmosphere. The relationships she developed with clients have lasted for years and many of them became part of her extended family. MRS. ANDERSON specialized in "Press and Curls." She continued to make her clients feel beautiful for 36 years; and

WHEREAS, MRS. ANDERSON was a devoted and active member of Greater Progressive Missionary Baptist Church, where she served as a Sunday school teacher and chairperson of various mini-

stries. HELEN ANDERSON was an amazing role model for her daughters and their spouses, grandchildren, great-grandchildren and extended family. Recognized and respected as a devoted matriarch, she ensured that the values and traditions by which she lived would exist in the hearts of those she cherished for years to come.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in celebrating the life and legacy of HELEN JEAN ANDERSON. She will be greatly missed and her contributions and the lessons she taught will live on forever.

MR. ALVIN LERUN MARSH

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late ALVIN LERUN MARSH, a loving and devoted husband, father, grandfather, great-grandfather, and friend to many who departed this life on March 15, 2016; and

WHEREAS, Born on June 26, 1931, in Muskogee, Oklahoma, ALVIN MARSH welcomed into the world by two loving parents, Alberta Allison and B. George Goree Marsh, Sr. He was the youngest of four siblings. ALVIN received his adolescent education in the Muskogee Public Schools system, graduating from Manual Training High School in 1948. He excelled as a student-athlete in varsity track and football. In 1949, he met the love of his life, Billye Louise Lewis and they married three years later. Mr. and Mrs. Marsh spent nearly sixty-four years of their lives together. To this union eight children were born: Trena (deceased), Vicki, Terence, Victor, Tyrone, Vincent, Triza and Vidal; and

WHEREAS, ALVIN joined the United States Army and served his country during the Korean War. He received the Purple Heart medal for his courageous service. MR. MARSH was a proud veteran who also served in the Michigan National Guard and the Air Force Reserves. He was an esteemed member of UAW Local 600 and worked for thirty-four years at Ford Motor Company's Dearborn Stamping Plant. In 2000, he and his wife, Louise relocated to Las Vegas, Nevada, where they built their dream home in the prestigious Summerlin gated community. ALVIN MARSH was a Patriot of the highest order and raised his American flag

every day at the family home on Montgomery Street in Detroit and on Adamson Avenue in Las Vegas; and

WHEREAS, MR. MARSH was a loving and devoted family man who was closely involved in community life. In addition to his wife and children, his family legacy includes nine grandchildren and eight great-grandchildren. Recognized and respected as a devoted patriarch, ALVIN MARSH has left an indelible mark on the Detroit area and beyond. He has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in honoring the memory of MR. ALVIN LERUN MARSH.

TESTIMONIAL RESOLUTION FOR

DEBORAH A. WILKERSON Assistant Executive Director

City of Detroit Retirement Systems

By Council Member Benson joined by Council President Jones:

Whereas, Deborah A. Wilkerson was born November 14, 1958. She was the youngest of five children. She is a dedicated and devoted mother, grandmother and public servant to the City of Detroit; and

Whereas, Deborah A. Wilkerson began her career with the City of Detroit in March of 1986. Realizing that education can expand her occupational opportunities, she earned a Bachelor's in Business Administration. Within the Finance Department she was able to gain experience by advancing from one department to another. She held positions in Income Tax, Purchasing, Treasury and finally the Retirement Systems. Those positions included Office Assistant I, Office Assistant II, Senior Clerk, Principle Clerk,

Head Clerk, Manager and Assistant Executive Director for Retirement Systems; and

Whereas, Deborah A. Wilkerson spear-headed the creation of a brochure to accurately explain to members steps to retire. The brochure is called, "I Want to Retire" and became a one pamphlet hub for new retirees. As the Assistant Executive Director she played a vital role interpreting and implementing the City's Plan of Adjustment; and

Whereas, Deborah A. Wilkerson has served the City of Detroit well for thirty years. Her expertise and willingness to thoroughly explain procedures with clarity will be missed by employees and retirees;

Now Therefore Be It

Resolved, That the Office of Councilman Scott Benson and the Detroit City Council would like to congratulate Deborah A. Wilkerson on your retirement from the City of Detroit after thirty years of service.

Detroit Public Library

February 29, 2016

Honorable City Council:

Re: Authorization to Amend the FY 2015-16 Budget for the Detroit Public Library.

The Detroit Public Library (DPL) is requesting authorization to amend its Fiscal Year 2015-16 Adopted Budget to increase projected revenues and offsetting appropriations by \$2,712,077. The current budget dated February 26, 2015 total appropriation is \$30,522,363. Revenue is expected to increase by \$1,224,221 and Fund Balance by \$1,487,856. A budget amendment for \$2,712,077 is requested.

The Library will increase total expenses by \$2,712,077: salaries and benefits \$50,300, legal fees \$50,000, contract services \$208,104, supplies \$67,298, repairs and maintenance \$149,111, advertising and printing \$3,228, insurance premium \$37,890, rental office equipment \$2,188, dues and miscellaneous \$7,400, utilities \$195,471, security \$49,507, purchased computer service \$100,000, equipment acquisition \$205,000, library materials acquisitions \$843,948, building repairs \$166,000, litigation \$100,000, VEBA \$282,585, library programs \$237,825, tax captures \$90,466. Expenses will decrease for telecommunications \$45,544, employee mileage \$20,000, and miscellaneous expenses \$68,700. The budgeted Prior Year Surplus would be amended by \$1,487,856. DPL requests to increase its FY 2015-16 Department Appropriation 10454 from \$17,344,137 to \$20,056,214, an increase of \$2,712,077.

Increase Revenue Appropriation
No. 10454 DPL - Administrative
Management \$2,712,077
Increase Appropriation
No. 10454 DPL - Administrative

Re: Michigan Head and Spine Institute (Marlese Rushing) vs. City of Detroit. Case No. 12-014197-NI. File No.: LE-006990-LI (KAJ) — Reassigned post-Bankruptcy to GBP.

We have reviewed the above-captioned

lawsuit, the facts and particulars of which are set forth in a confidential memorandum attached hereto. From this review, it is our considered opinion that a settlement in the amount of Nineteen Thousand Dollars and no Cents (\$19,000.00) is in the best interest of City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Nineteen Thousand Dollars and No Cents (\$19,000.00) and that you direct the Finance Director to issue a draft in that amount payable to Michigan Head and Spine Institute and Miller & Tischler, P.C., its attorney, to be delivered upon receipt of an Order of Dismissal entered in Lawsuit No.: 12-014197 -NI, approved by the Law Department.

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

Council Member Cushingberry, Jr. left his seat.

City Planning Commission

March 30, 2016

Honorable City Council:

Re: Request of Mr. Badrul Choudhury to amend Article XVII District Map No. 16, of the 1984 Detroit Code Chapter 61, Zoning, to show a B6 (General Services) district classification where a B4 (General Business) district classification currently exists at the property commonly known as 4314 E. McNichols, located on the southeast corner of E. McNichols at Sunset. (RECOMMEND DENIAL)

BACKGROUND

Mr. Badrul Choudhury is seeking rezoning of the B4 property in order to establish a facility for poultry slaughter and processing (see attached application). The existing B4 zoning classification does not allow for the proposed use. Presently, storage or killing of poultry is only allowed within the B6 (General Services District) zoning classification.

The subject property consist of one 10,193 square foot lot located on the southeast corner of E. McNichols and Sunset, just east of Ryan Road. The frontage, on E. McNichols is approximately 102 feet, and the depth of the property, along Sunset, is approximately 99 feet. There is one vacant 1,820 square foot structure on the lot, formerly used for auto repair. Mr. Badrul Choudhury is the taxpayer of record for the subject property.

PLANNING CONSIDERATIONS Surrounding Zoning and Land Use

The zoning classification and land uses surrounding the subject area are as follows:

North: B4 (General Business District) — commercial and institutional uses, with some vacant land in the general vicinity; more specifically Knight Drugs, and North Central Health Center.

East: B4 (General Business District) — vacant and blighted structure (also

owned by the petitioner) adjacent to the subject property; gated parking lot for the North Central Health Center; vacant land.

South: R2 (Two-Family Residential District) — primarily vacant land and blighted residential structures, with a few occupied houses along Sunset.

West: B4 (General Business District) — warehouse and office building.

Zoning Considerations

CPC contends that this request constitutes spot zoning, the definition most frequently cited by Michigan courts (according to the attached Public Policy Brief, January 2004) is:

“A zoning ordinance or amendment . . . creating a small zone of inconsistent use within a larger zone is commonly designated as spot zoning . . .”

The subject property for the requested rezoning is small and discrete (involving one parcel) as compared to the zoning classification in the surrounding area along E. McNichols, which is zoned B4 for several blocks and beyond in either direction. As well, the proposed use, that being slaughter, processing, and wholesale distribution of chickens (of between 500 to 750 per day) is inconsistent with surrounding uses and what is allowed under the currently zoning classification.

The description for the B6 zoning classification in Sec. 61-9-111 of the Zoning Ordinance is as follows:

“This district provides for wholesaling, transport, food services, and similar activities essential to the commerce and health of the City. Office, retail, service, and other uses normally desiring to locate in this type of district are also permitted.”

While a B4 zoning classification allows for a variety of what could be considered intensive commercial uses, the most intensive of those are conditional uses, requiring site plan review and a special land use hearing in order to assess relative impact. The B6 district allows uses that are conditional under B4 as by-right uses, as well as a number of manufacturing and industrial uses by-right.

Staff reviewed and explained these concerns to the petitioner; but, it was the desire of the petitioner to proceed with the proposed rezoning request.

Master Plan Consistency and Detroit Future City

The Master Plan of Policies places the subject property within the Davison subsector of Neighborhood Cluster 1. The “future land use” on the Master Plan map is identified as “Neighborhood Commercial.” The Detroit Future City (not an adopted plan of the City of Detroit) “20 Year Land Use Scenario” map indicates “Innovation Ecological” for this general area. The Planning and Development Department (PDD) has determined that the proposed rezoning does not conform to the future land use designation of

Neighborhood Commercial. PDD further notes that the proposed rezoning would permit "an extremely abrasive use;" the proposed use would "likely produce smells that would negatively impact the quality of life for neighborhood residents;" and, the subject property "would create an island of B6 zoning where no other B6 zoning district exist." Their report is attached.

Land Use Considerations

While all uses allowed within a specific zoning classification must be considered, staff has done research on the relative impact of poultry slaughter and processing facilities, in particular. There is increased demand for such facilities, particularly as a segment of the community desiring Halal poultry and other animal products increases. Other municipalities in which this is the case include Hamtramck and Dearborn. Staff has been in contact with planning/zoning professionals in both communities, as well as a representative from the division of the Michigan Department of Agriculture and Rural Development (MDARD) responsible for licensing and enforcement of such facilities. All parties expressed serious concern about the impact of such facilities in commercial areas and/or recommend they only be allowed within industrial districts. The zoning ordinances for both Dearborn and Hamtramck allow such facilities only within their industrial zoned districts.

It should be noted that CPC is working on a proposed text amendment to also allow these types of facilities under industrial zoning classifications, as has been recommended and done in other municipalities.

REZONING CRITERIA AND ANALYSIS

Of the eight rezoning criteria specified below in Sec. 61-3-80, Criteria #1, 2, 3, 6, 7 and 8 would seem to be most worthy of scrutiny for this specific rezoning request. Note staff comments regarding the abovementioned specific criteria.

Sec. 61-3-80. Approval criteria.

Recommendations and decisions on an amendment of a zoning map in ARTICLE XVII of this Chapter shall be based on consideration of all of the following criteria:

1) *Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend, or fact.* The current zoning district of B4 is consistent with the zoning along E. McNichols in this general area with no observed conditions or trends indicating an intensification of land use.

2) *Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance.* The current Master Plan designation is a "Neighborhood Commercial" district, defined, in part, as districts that "... generally consist of a large collection of contiguous storefronts along a street or

streets. This commercial type is pedestrian-oriented with wide sidewalks and landscaping . . ."

3) *Whether the proposed amendment will protect the health, safety, and general welfare of the public.* According to MDARD and planning/zoning staff from the city of Dearborn, due to the nature of the storage, slaughter, and disposal activities, there is proven ample opportunity for these types of facilities to cause nuisances that may have impacts with regard to odors and attraction of rodents and other vermin.

4) *Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;*

5) *Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;*

6) *Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity or the subject tract.* Due to the intense nature of a poultry slaughter, processing, and wholesale distribution facility (see #3), as well as the intensity of uses allowed within a B6 zoning classification (which also includes certain industrial uses), there could be substantial increase in truck traffic, as well as industrial uses that may be incompatible with commercial uses allowed within the current B4 zoning classification and adjacent R2 districts.

7) *The suitability of the subject property for the existing zoning classification and proposed zoning classification.* The subject property is currently vacant for which the current legal use is auto repair. The proposed use is not allowed in the current zoning classification, but would be allowed within the proposed zoning classification.

8) *Whether the proposed rezoning will create an illegal "spot zone".* As stated above under "Zoning Considerations", this proposed request meets the definition of "spot zoning", it would be up to a court proceeding to determine the legality of same. See attachment.

The proposed rezoning request is generally problematic due to the intensification of uses allowed within a B6 zoning classification which could negatively impact both the existing commercial uses within the general area on E. McNichols, as well as current occupied homes and any redevelopment of the adjacent residentially zoned area, even though the residential area is mostly vacant and blighted. Further, there is no apparent trend of intensification of uses in this area. More specifically, poultry slaughter, processing, and wholesale distribution has a great

potential for creating nuisances and even possibly creating a public health concern. Even though the general area has a considerable amount of blight, the commercial area within a two block distance on either side of E. McNichols is stable and well maintained, with the exception of the properties owned by the petitioner. The subject property is not well maintained with tires, litter, and overgrown vegetation persistent on the lot; and the petitioner's adjacent property is blighted. Lastly, it is the opinion of CPC that the proposed rezoning could create an illegal spot zone.

CITY PLANNING COMMISSION PUBLIC HEARING

A public hearing was held on Thursday, February 4, 2016 on the proposed rezoning. There were no members of the public present to speak in support or opposition to the proposed rezoning. Commissioners raised questions about the current condition of the subject property and adjoining property owned by the petitioner (the subject property is not well-maintained, with overgrown weeds, debris and tires; the adjoining property is in a blighted condition). As well, in response to Commissioners' inquiry, the petitioner stated that he had no prior experience with the proposed type of operation.

RECOMMENDATION

On February 4, 2016, the City Planning Commission voted to recommend DENIAL of the rezoning request to amend Article XVII District Map No. 16, of the 1984 Detroit Code Chapter 61, Zoning, to show a B6 (General Services) district classification where a B4 (General Business) district classification currently exists at the property commonly known as 4314 E. McNichols, located on the southeast corner of E. McNichols at Sunset. A resolution to this effect is attached for your consideration.

Sincerely,
 LESLEY CARR FAIRROW, Esq.
 Chairperson

 City Planner

By Council Member Leland:

Whereas, Badrul Choudhury has petitioned for the rezoning of 4314 E. McNichols from a B4 (General Business) zoning district classification to a B6 (General Services) zoning district classification; and

Whereas, The City Planning Commission took up the rezoning request to amend Chapter 61, Article XVII, District Map No. 16 of the 1984 Detroit Code in a statutorily mandated public hearing on February 4, 2016; and

Whereas, Upon the advice of the Planning and Development Department, the City Planning Commission has found that the rezoning request was not consis-

tent with the Master Plan "future land use" designation of the 2009 Master Plan of Policies of the City of Detroit; and

Whereas, The City Planning Commission has found that the current B4 already allows for a variety of commercial uses, the most intensive of those being conditional uses, requiring site plan review and a special land use hearing to assess relative impact; and

Whereas, The B6 district allows uses that are conditional under B4 as by-right, as well as some manufacturing and industrial uses by-right; and

Whereas, It is likely that the proposed request meets the definition of a spot zoning; that being creating a small zone of inconsistent use within a larger zone; and

Whereas, The City Planning Commission has found that the rezoning request fails to satisfy the approval criteria specified in Sec. 61-3-80 of the 1984 Detroit City Code; and

Whereas, The City Planning Commission voted at its regular meeting of February 4, 2016 to deny the rezoning request of Badrul Choudhury;

Now therefore, be it Resolved, The Detroit City Council accepts the findings and recommendation of the City Planning Commission and denies the requested amendment to Chapter 61, Article XVII, District Map No. 16.

FAILED.

RESOLUTION RECOGNIZING THE ESTABLISHMENT OF THE "I-94 INDUSTRIAL PARK COMMUNITY ADVISORY BOARD (HPCAB)," AND ENCOURAGING THE DETROIT ECONOMIC GROWTH CORPORATION (DEGC), U.S. ECOLOGY, ALL CITY OF DETROIT DEPARTMENTS AND LINC LOGISTICS WORK TO PROTECT THE COMMUNITY AS THESE BUSINESSES EXPAND OPERATIONS

By Council Member Leland:

Whereas, The Detroit City Council is aware of an uneasy relationship between the hazardous waste processing facility, U.S. Ecology, located and operating in the 48211 zip code on the northeast side of the city, and the surrounding community; and

Whereas, The U.S. Ecology location at 6520 Georgia Street is in the process of expanding its operations, with plans to increase its storage capacity of industrial waste products including toxic chemicals and low-level radioactive byproducts of hydraulic fracturing, by as much as ten-fold; and

Whereas, The Michigan Department of

Environmental Quality (MDEQ) will be responsible for determining whether or not US Ecology's expansion plans are permitted to go forward; and

Whereas, Community engagement is imperative where known toxins are processed, stored and transported in and through the city's neighborhoods; and

Whereas, City Council is aware that Mark Covington, who chairs the Georgia Street Community Collective, whose long-standing community activism has its origins on Georgia Street in the very shadow of U.S. Ecology's hazardous waste processing operations has stepped forward to lead the IIPCAB. This organization is made up of volunteers who live in the community, which directly abuts the industrial park, and will be recognized as the first line of communication between the local residents and those entities whose activities will undoubtedly impact the quality of life for the neighborhood.

Now Therefore Be It

Resolved, That the Detroit City Council strongly urges U.S. Ecology, the MDEQ, the Detroit Economic Growth Corporation, the City of Detroit, LINC Logistics, and any other entities involved in the expansion of the industrial park, work cooperatively with IIPCAB towards establishing a clear line of communication between the business community, government and the local residents in the area surrounding the industrial park. And where appropriate, ultimately reaching agreement that serves the needs of all parties and protects the community; and

Be It Further

Resolved, That the Detroit City Council hereby urges the City's Administration to direct the Buildings, Safety Engineering and Environmental Department (BSEED) and the Detroit Health Department to fully participate in both evaluation of U.S. Ecology's permitting process and the community engagement process to ensure the continued safety of the area's residents; and BE IT FINALLY

RESOLVED That a copy of this resolution be forwarded to Mayor Mike Duggan, the DEGC, the MDEQ, U.S. Ecology and LINC Logistics.

Re: Earl Robinson vs City of Detroit. Case No. 13-000969-NF. File No.: LE-007039 (CVK).

On March 28, 2016, a case evaluation panel evaluated the above-captioned lawsuit and awarded Six Thousand Dollars and No Cents (\$6,000.00) in favor of Plaintiff, Earl Robinson. The parties have until April 26, 2016, to either accept or reject the case evaluation. Failure to file a written acceptance or rejection within this period constitutes a rejection.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that settlement in the amount of Six Thousand Dollars and No Cents (\$6,000.00) to Plaintiff, Earl Robinson is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to authorize acceptance of the case evaluation award; and, in the event Plaintiff accepts the award, to deem such acceptance as a settlement and to direct the Finance Director to issue a draft in the amount indicated above, payable to Earl Robinson and Andreopoulos & Hill, PLLC, his attorney, to be delivered upon receipt of properly executed Agreement Resolving Claim of Earl Robinson and Stipulation and Order of Dismissal entered in Lawsuit 13-000969-NF, approved by the Law Department.

Resolved, That The Law Department is authorized to agree to entry of an Order of Dismissal and to enter into an Agreement to Arbitrate in the case of Mendelson Orthopedics, P.C. and Synergy Spine and Orthopedic Surgery Center, LLC (Juan Cook) vs. City of Detroit, Wayne County Circuit Court Case No. 13-008691-NF on the following terms and conditions:

A. 1. The parties shall submit to arbitration all matters in controversy raised in the above-named lawsuit.

2. The maximum amount of any award to the Plaintiffs shall not exceed the amount of Sixty One Thousand Nine Hundred Seventy Two Dollars and Eighty Cents (\$61,972.80).

3. Any award in excess of \$61,972.80 shall be interpreted to be in the full amount of \$61,972.80.

There shall be no costs, fees, attorney fees or interest taxable with respect to the award rendered by the arbitrators.

The award of the arbitrators shall represent a full and final settlement of any amounts due and owing to Plaintiffs for any and all claims arising out of the incident which occurred on or about January 27, 2011 at or near Six Mile & Joseph Campau; however, limited judicial review

may be obtained in a Michigan Federal District Court or Michigan Circuit Court of competent jurisdiction (a) in accordance with the standards for review of arbitration awards as established by law; or (b) on the ground that the arbitrators committed an error of law.

B. Promptly after the arbitrators announce their decision, the Law Department shall inform City Council in writing of that decision.

C. Upon certification by the Law Department that the arbitrators have announced a decision requiring the City to pay part or all \$61,972.80 to the Plaintiffs, the Finance Director is authorized to issue a draft drawn upon the proper account in favor of Mendelson Orthopedics, P.C. and Synergy Spine and Orthopedic Surgery Center, LLC (Juan Cook) and its attorney, Bruce K. Housing and Revitalization Department

April 8, 2016

Honorable City Council:

Re: Reprogramming – Neighborhood Service Organization Homeless Public Service Program Amendment to the HUD Consolidation Plan

The Housing and Revitalization Department (H&RD) hereby requests to amend HUD Consolidated Plan. Effective Alternative Community 2012-13, Care First Community 2012-13 and Catholic Social Services 2011-12 were unable to fully implement their CDBG/NOF Public

Service allocations. Consequently, these accounts are now closed and the remaining balances in the amount of \$76,442.76 (Effective Alternative Community), \$34,784.72 (Care First Community) and \$15,502.80 (Catholic Social Services of Wayne County) are now being reprogrammed. Therefore, we are requesting to reprogram these funds to Neighborhood Service Organization for a total of \$126,730.28, to support their Homeless Public Service program for the 2015-16 fiscal year.

We request that your Honorable Body approve the attached resolution authorizing an Amendment to the HUD Consolidated Plan for the stated purpose. This reprogramming was advertised in the Michigan Chronicle and will be transmitted to the U.S. Department of Housing and Urban Development (HUD) for final approval.

Respectfully submitted,
 ARTHUR JEMISON
 Director
 Housing & Revitalization

Housing and Revitalization Department

April 11, 2016

Honorable City Council:

Re: 2nd Amendment to the 2015-16 CDBG Budget and Consolidated Action Plan

The Housing & Revitalization Department (H&RD) is requesting that changes be made to the City's 2015-16 CDBG Budget and Annual Consolidated Action Plan consistent with meeting the City's CDBG Timeliness Test on May 2, 2016.

The City has previously had significant challenges meeting its timeliness test, which requires that the City have no more than 1.5 times its CDBG allocation on hand at any time. A test of this metric is made sixty (60) days before the end of the program year for all CDBG recipients. This test is one of the primary ways in which the City's performance is measured by HUD.

Over the past three years, the Department has gone from \$13 million dollars over its threshold in 2014 and \$6 million dollars over its threshold in 2015. This year, we believe that through a series of moves and expenditure increases, the Department can meet this test on May 2, 2016.

To do so however, a series of budget amendments are required to expend funding. The funds targeted for reprogramming consist of unused funds, balances for programs that no longer exist, or are funds unlikely to be used in a timely manner. The major categories of funding will change as follows:

Line Items to be reprogrammed:

• Public/Homeless Public Service	\$413,580.62
• Substantial Rehab Publicly/ Privately Owned Housing	\$244,850.60
• Economic Development	\$50,000.00
	Total \$708,431.22

Line Items for Funding Additions:

Section 108 Loans	
Defeasance	Total \$708,431.22

In future years, the resolution has been to use unexpected funds to defease Section 108 notes through allocation of the funds to a different agent. This approach draws the funding out of our accounts to meet the timeliness test while creating new budget authority in the next fiscal year. These funds are shown as available in the City's 2016-17 budget request.

We ask that the Council approve this series of amendments to enable the City to meet timeliness and create future budget authority. We seek your Honorable Body's approval of the attached resolution.

ARTHUR JEMISON
Director
Housing & Revitalization Dept.

Planning & Development Department
 March 31, 2016

Honorable City Council:
 Re: Establishment of the Yesre Realty Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Yesre Realty Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on March 31, 2016, as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to invest approximately \$6 million to construct thir-

ty-nine (39) market rate apartments and approximately 475 square feet of office or retail space.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,

JOHN SAAD

Manager - Development Division
Planning & Development Department
By Council Member Leland:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from *ad valorem* taxes, and the imposition of a specific property tax in lieu of *ad valorem* real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Yesre Realty NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Yesre Realty NEZ was conducted before the Detroit City Council on March 31, 2016, with notice of the public hearing having been given to the

general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Yesre Realty NEZ were cited;

Now Therefore Be It

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Yesre Realty NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

AN ORDINANCE to amend Chapter 61 (Zoning) of the 1984 Detroit City Code by amending Sec. 61-6-42 to remove the prohibition of roof signs on land zoned PCA.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 61 (*Zoning*) of the 1984 Detroit City Code is amended by amending Sec. 61-6-42 as follows:

**CHAPTER 61. ZONING
ARTICLE VI. SIGNS**

**DIVISION 2. REGULATIONS OF
GENERAL APPLICABILITY**

Sec. 61-6-42. Roof signs.

Roof signs shall be prohibited in all areas zoned in a residential district classification, and in all B1, B2, SD1, SD2, ~~PCA~~ Districts, and Traditional Main Street Overlay areas.

(Ord. No. 11-05, §1, 5-28-05; Ord. No. 23-13, §1, 8-28-13.)

Section 2. All ordinances or parts of ordinances in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. This ordinance shall

become effective on the eighth (8th) day after publication in accordance with Section 401(6) of Public Act 110 of 2006, as amended, Michigan Compiled Laws 125.3401(6), and Section 4-118, paragraph 3, of the 2012 Detroit City Charter. Approved as to Form:

Planning & Development Department
March 29, 2016

Honorable City Council:
Re: Real Property at 16432/16436/16442 Plymouth, Detroit, MI 48227.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ali & Mahmoud Enterprises L.L.C., a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having street addresses of 16432/16436/16442 Plymouth, Detroit, MI 48227 (the "Property").

The P&DD entered into a Purchase Agreement dated March 23, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Twelve Thousand and 00/100 Dollars (\$12,000.00) (the "Purchase Price").

Offeror intends to improve the properties, vacant lots, into a parking lot operable motor vehicles for their adjacent auto repair business. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be

necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director
Planning & Development Dept.

By Council Member Leland:
Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ali & Mahmoud Enterprises L.L.C., a Michigan limited liability company ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having street addresses of 16432/16436/16442 Plymouth, Detroit, MI 48227, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated March 23, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to improve the properties, vacant lots, into a parking lot for operable motor vehicles for their adjacent auto repair business. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 of the City of Detroit Zoning Ordinance.

Honorable City Council:
Re: Real Property at 11815 Linwood, Detroit, MI 48206.

The City of Detroit Planning and Development Department (“P&DD”) has received an offer from Elmhurst Home, Inc., a Michigan domestic nonprofit corporation (“Offeror”) requesting the conveyance by the City of Detroit (the “City”) of the real property, having a street address of 11815 Linwood, Detroit, MI 48206 (the “Property”).

The P&DD entered into a Purchase Agreement dated March 4, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim

Deed (the “Deed”) for Twelve Thousand and Eighty-Three and 00/100 Dollars (\$12,083.00) (the “Purchase Price”).

Offeror intends to improve the property, a vacant lot, into a parking lot for the employees of Elmhurst Home, an adult rest home facility. The proposed use is a by-right use within the designated B4 / General Business zoning district, in accordance with Section 61-9-76 of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

 March 21, 2016

Honorable City Council:
 Re: Surplus Property For Sale. 2629 McDougall.

We are in receipt of an offer from Sandra Williams to purchase the above-captioned property for the amount of \$333.00 and to develop such property. This property consists of vacant land, measuring approximately 4,125 square feet and zoned R-2 (Medium Density Residential).

The Offeror proposes to use this property to create greenspace, remove the blight within the surrounding neighborhood and enhance the appearance of their neighboring home located at 2615 McDougall. This use is permitted as a matter of right in a R-2 Zone.

We, therefore, request that your Honorable Body adopt the sale and authorize the Mayor of the City of Detroit, or his authorized designee, to issue a quit claim deed to the property and such other documents as may be necessary to effect the sale, with Sandra Williams for the amount of \$333.00 on a cash basis.

Respectfully submitted,

Honorable City Council:

Re: 1215 Junction. Name: Guadalupe & Elizabeth Lunda. Date ordered removed: March 19, 2013 (J.C.C. pages 468-477).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on November 30, 2015 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owners' use and occupancy. This is the 1st deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that the utility disconnect actions and cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

Honorable City Council:

Re: 14405 W. McNichols. Name: Alba Construction Inc. Date ordered removed: October 11, 2011 (J.C.C. pages 2279-2286).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection conducted on December 8, 2015 revealed the building is secured and appears to be sound and repairable. The owner has paid all taxes and is current. The proposed use of the property is owners' use and occupancy. This is the 1st deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period

of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that the utility disconnect actions and cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the the deferral have been maintained and that there has been substantial progress toward rehabilitation. RESOLUTION

DIRECTING THE CITY PLANNING COMMISSION TO CONSIDER ADOPTING A TEXT AMENDMENT TO THE SD1 (SPECIAL DEVELOPMENT DISTRICT, SMALL-SCALE MIXED USE) AND SD2 (SPECIAL DEVELOPMENT DISTRICT, MIXED USE) ZONING CLASSIFICATIONS

By Council Member Benson:

Whereas, The City of Detroit is scheduled to take voting action on a zoning map amendment petition submitted by Midtown Detroit Inc. with the City Planning Commission as co-petitioner to amend Chapter 61, Article XVII, Map Nos. 3 and 5 of the 1984 Detroit City Code, 'Zoning,' to show SD1 (Special Development District, Small-Scale Mixed Use) and SD2 (Special Development District, Mixed Use) zoning classifications where B4 (General Business District), R2, (Two-Family Residential), R5 (Medium Density Residential District) and R6 (High Density Residential District) zoning classifications currently exist on certain properties in the area generally bounded by Woodward Avenue, Charlotte Avenue, the John C. Lodge Freeway and West Hancock Avenue; and

Whereas, The Planning and Economic Development Standing Committee, based upon testimony given at the Charter-required public hearing held on Thursday, April 7, 2016, and the continued public hearing held on Thursday, April 14, 2016, finds that the SD1 (Special Development District, Small-Scale Mixed Use) and SD2 (Special Development District, Mixed Use) zoning classifications would restrict or prohibit the future establishment of some land uses, for example, certain social service-related uses; and

Whereas, The City Planning and Economic Commission, as described in its report dated March 4, 2016, suggested that a text amendment to the list of permitted, conditional, and prohibited uses in the SD1 and SD2 zoning classifications may be warranted; and

Whereas, The City Council also recognizes the need to reevaluate the list of permitted, conditional and prohibited uses in the SD1 and SD2 zoning classifications;

Now, Therefore Be It

Resolved, That the City Planning Commission is directed to research and make recommendation regarding a possible text amendment to the SD1 and SD2 to consider, among other issues, greater inclusion social service related uses.'

Be It Further

Resolved, That the City Planning Commission will prepare language incorporating its recommendation to be included in its 5th General Text Amendment to be drafted during the Summer of 2016;

Be It Finally

Resolved, That a copy of this resolution be forwarded to the Planning and Development Department.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 7.

Nays — None.

**RESOLUTION
URGING THE CITY OF DETROIT
BUILDINGS, SAFETY ENGINEERING &
ENVIRONMENTAL DEPARTMENT TO
INCLUDE CERTAIN CONDITIONS FOR
THE PROPOSED DEVELOPMENT
KNOWN AS THE DETROIT SHIPYARD**

By Council Member Benson:

Whereas, The City of Detroit is scheduled to take voting action on a zoning map amendment petition submitted by Midtown Detroit Inc. with the City Planning Commission as co-petitioner to amend Chapter 61, Article XVII, Map Nos. 3 and 5 of the 1984 Detroit City Code, 'Zoning,' to show SD1 (Special Development District, Small-Scale Mixed Use) and SD2 (Special Development District, Mixed Use) zoning classifications where B4 (General Business District), R2, (Two-Family Residential), R5 (Medium Density Residential District) and R6 (High Density Residential District) zoning classifications currently exist on certain properties in the area generally bounded by Woodward Avenue, Charlotte Avenue, the John C. Lodge freeway and West Hancock Avenue; and

Whereas, The aforementioned map amendment, if enacted, would facilitate a proposed development, known as the Detroit ShipYard, at 474 Peterboro Avenue; and

Whereas, The Planning and Economic Development Standing Committee, based upon spoken and written testimony provided at the Charter-mandated public hearing regarding the proposed zoning amendment held on Thursday, April 7, 2016, and continued on Thursday, April 14, 2016, has identified several concerns regarding the ShipYard development as it related to potential deleterious effects on the existing and adjacent residential property located at 486 Peterboro Avenue with respect to noise, traffic, parking, air quality and litter; and

Whereas, The developer of the Detroit ShipYard has expressed to the Planning and Economic Development Standing Committee on April 14, 2016, a willingness to take specific actions, as follows, to mitigate any deleterious effects upon the adjacent residential property:

1. The cessation of outdoor music and amplified noise between the hours of 10:00 P.M. and 7:00 a.m., along with conducting an ongoing study of the auditory impacts upon adjacent properties;

2. The erection of an aesthetically pleasing green wall or screen between the ShipYard development and the residential property located at 486 Peterboro avenue;

3. The provision of two off-street parking spaces for the owners or residents of 486 Peterboro Avenue;

4. The vertical, rather than horizontal, venting of kitchen exhaust, in conjunction

with an enhanced parapet wall to shield the residential property located at 486 Peterboro Avenue from said exhaust, along with the use of a qualified independent consultant to review the design;

5. The use of unique and innovative approaches to containing waste, such as dumpster enclosures that are elevated or capable of sealing so as to exclude pests;

6. Contracting for security services and regular litter pickup on the property and in the adjacent street and alley;

7. The use, to the extent possible, of off-street parking spaces leased by Midtown Detroit Inc., such as those located at the Burton Building at 4126 Third Avenue;

Now, Therefore Be It

Resolved, That the Detroit City Council strongly urges the Buildings, Safety Engineering and Environmental Department to, in good faith, incorporate the above items as conditions, to the fullest extent possible, should it issue a zoning grant for the proposed ShipYard development; and

Resolved, That the City Council directs the Legislative Policy staff serving the City Planning Commission to attend the Conditional Use hearing for the proposed ShipYard development in order to present this resolution and encourage and facilitate incorporation of the above conditions.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 7.

Nays — None.

RESOLUTION URGING THE LEGISLATIVE POLICY DIVISION, MUNICIPAL PARKING DEPARTMENT, DEPARTMENT OF PUBLIC WORKS, PLANNING AND DEVELOPMENT DEPARTMENT, LAW DEPARTMENT AND OTHER RELATED CITY AGENCIES TO FORM A WORKING GROUP TO FACILITATE THE PROCESS FOR A PERMITTED PARKING PROGRAM FOR IMPLEMENTATION IN CITY NEIGHBORHOODS

By Council Member Benson:

Whereas, The City of Detroit City Council is scheduled to take voting action on a zoning map amendment petition submitted by Midtown Detroit Inc. with the City Planning Commission as co-petitioner to amend Chapter 61, Article XVII, Map Nos. 3 and 5 of the 1984 Detroit City Code, Zoning, to show SD1 (Special Development District, Small-Scale Mixed Use) and SD2 (Special Development District, Mixed Use) zoning classifications where B4 (General Business District), R2, (Two-Family Residential), and R5 (Medium Density Residential District) zoning classifications currently exist on certain properties in the area generally

bounded by Woodward Avenue, Charlotte Avenue, the John C. Lodge Freeway and West Hancock Avenue; and

Whereas, The Planning and Economic Development Standing Committee based upon input from the public and also staff's survey of the Midtown area have concluded that a study of the City's current parking ordinance is necessary in order to facilitate the implementation of residential permitted parking within the Midtown area and also other areas of need within the City of Detroit; and

Whereas, The City of Detroit currently allows for residents to request that their neighborhood be designated as a residential parking permit area pursuant to Section 55-2-21 through 55-2-26 of the eCity Code; and

Whereas, Although the process for residential permitted parking does exist, it has experienced problems in execution or implementation due to perceived issues that need to be addressed through an interdepartmental effort; and

Whereas, The rezoning under consideration by City Council will reduce parking development requirements for developers and facilitate increased activity in the area; the residential permitted parking program is vital for Midtown as well as other Detroit neighborhoods.

Now Therefore Be It

Resolved, That City Council urges the Legislative Policy Division, Municipal Parking Department, Department of Public Works, Planning and Development Department, Law Department and other related City agencies to form a working group to develop a revised residential permitted parking process to be implemented immediately following adoption.

Be It Further

Resolved, That the working group report to City Council by June 13, 2016 with final recommendation or a status report.

Be It Finally

Resolved, that a copy of this resolution be forwarded to the Mayor, Municipal Parking Department, Department of Public Works, Planning and Development Department and Law Department.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Castaneda-Lopez, Leland, Spivey, Tate, and President Jones — 7.

Nays — None.

RESOLUTION APPROVING THE ALLOCATION OF COMMUNITY DEVELOPMENT BLOCK GRANT BUDGET FOR FISCAL YEAR 2016-2017

By Council Member Benson:

Whereas, Each year the Administration and City Council collectively evaluate proposals for the allocation of Community Development Block Grant (CDBG) funds

from the U.S. Department of Housing and Urban Development (HUD) through the City of Detroit Neighborhood Opportunity Fund (NOF); and

Whereas, Under the federal guidelines, CDBG funds may be used to support programs operated by organizations that serve low- to moderate-income families and other vulnerable populations within our community. Given the serious challenges in our community, the City of Detroit uses CDBG funding to provide the necessary public service programs to address the vast needs of the vulnerable in our community; and

Whereas, While the critical need for these types of services within the City has not diminished, the resources available from HUD to address those needs is consistently being reduced; and

Whereas, The need for increased operational efficiencies within CDBG funded organizations could be achieved through greater interagency collaboration such as merger of groups with compatible missions or consolidation of administrative fiduciary functions to increase service capacity. These expressions of encouragement are offered in recognition of the funding trends and the need for even stronger service delivery groups in these times; and

Whereas, A review team which included Housing and Revitalization Department representatives, Legislative Policy Division (LPD) and the Office of Contracts and Procurement (OCP) reviewed the various proposals received of the program and HRD prepared recommendations to the Mayor; and

Whereas, The Mayor subsequently prepared recommendations which were submitted to the City Planning Commission (CPC). CPC then recommended five (5) adjustments, inclusive of the deletion of one (1) funding recommendation as well as the corresponding addition of a funding recommendation for another Homeless Prevention organization; and

Whereas, City Council having subsequently received the recommendations of the Mayor and the CPC, has reviewed those recommendations, held an appeals hearing regarding the organizations that were not initially recommended to receive 2016-2017 CDBG NOF funds as well as a public hearing on the overall CDBG program; and

Whereas, In addition to the sixty-five (65) organizations initially recommended by the Manor to receive CDBG funding, City Council and the administration through deliberations at the council table have expanded the list to include the following sixteen (16) groups that provide unique, high impact, or critical services to our community: Immanuel Lutheran (proposal #81), Ser Metro (proposal #62), St. Vincent and Sarah Fisher Center (proposal

#83), Wellspring (proposal #85), Greening of Detroit (proposal #76), Project Seed (proposal #94), Coleman A. Young Foundation (proposal #64), Siena Literacy Center (proposal #84), The Youth Connection (proposal #80), Operation Get Down (proposal #36), The Heat and Warmth Fund (THAW) (proposal #45), Black Family Development (proposal #48), Bridging Communities (proposal #21), Community Home and Support (proposal #49), Detroit Rescue Mission Street Out Reach (proposal #29E) and Liberty Temple Baptist Church Senior Center (proposal #3); and

Whereas, Given the historic and very public role in the vetting of CDBG applicants as well as its unique knowledge of the residents of the City as their locally-elected representatives, City Council's involvement in the CDBG process is not only mandated by law but critical to the appropriate distribution of these funds.

Now Therefore Be It

Resolved, That the Detroit City Council hereby approves the appeals of ten (10) of the seventeen (17) appellants, the ten being: Immanuel Lutheran (proposal #81), St. Vincent and Sarah Fisher Center (proposal #83), Wellspring (proposal #85), Greening of Detroit (proposal #76), Siena Literacy Center (proposal #84), Operation Get Down (proposal #36), The Heat and Warmth Fund (THAW) (proposal #45), Bridging Communities (proposal #21), Community Home and Support (proposal #49) and Liberty (Temple Baptist Church Senior Center (proposal #3); and

Be It Further

Resolved, The Detroit City Council hereby approves the allocation of Community Development Block Grant Neighborhood Opportunity Fund awards for FY 2016-17 as set forth in the attached CDBG/NOF allocation chart; and

Be It Finally

Resolved, That a copy of this resolution be sent to Financial Review Commission, Mayor Mike Duggan, HRD Director Arthur Jemison and the CPC.

FREDERICK DOUGLAS ROBINSON

By Council Member Jones:

WHEREAS, Frederick Douglas Robinson (named after abolitionist Frederick Dou-

lass) was born in Memphis, Tennessee on March 26, 1925, notably as one of the first African-American babies to be born in a hospital. He was raised in Kansas City, Kansas by his single mother, Connie Mae Robinson a licensed cosmetologist; and

WHEREAS, Fred was loved and nurtured by an extended family of entrepreneurs including his grandmother Ellen Robinson, aunt Helen Robinson and his uncle, Francis Robinson. His uncle owned and operated an auto repair/collision shop employing Fred as a teenager, which enabled him to purchase his first automobile at the age of 15. Fred was the first person in his family to achieve academic success. In 1944, he graduated from Summer High School in Kansas City. Following graduation, Fred was drafted into the Naval Air Division and served during World War II from 1944 to 1946. As one of the few African-Americans serving in the Air Division, Fred received specialized training in aviation structural engineering. As a minority draftee, the Navy benefitted from his prowess as a boxer and his winning strategy on the football field. After discharge from the military, he subsequently matriculated to the University of Kansas, where he majored in Pharmacy from 1946 to 1948. He decided to become a licensed barber in 1949, following in the entrepreneurial spirit of his family. Mr. Robinson was the owner and operator of Fred's Barber Shop from 1950 to 1970. In addition to being a business owner, Fred's employment history included various jobs; (1946-1948) Kansas City government, (1949-1952) Chrysler Corporation, Kaiser Corporation and the U.S. Postal Service, (1952-1991) City of Detroit, (1970-1980) Licensed Real Estate Agent; and

WHEREAS, In 1950, Fred Robinson married Bertha Phillips and to this union, a daughter, Sharon Yvonne Robinson was born. After the passing of his wife, he subsequently united with Helen Norris and gained a son, Fred Robinson, Jr. and another daughter, Ericka Robinson. He also became the father to five step-children: Bruce, Terry, Steve, Michele and Phyllis; and

WHEREAS, Mr. Robinson has been a member of Detroit Unity Church since 1975. He is active in all aspects of secular responsibilities including former member of the Board of Directors, assisted in organizing the Detroit Unity Optimist Chapter, coordinator of the Detroit Unity Boy Scouts, and he has served as an instructor for various church classes. Mr. Robinson is affiliated with several professional and cultural organizations which include serving as the Commander of the American Legion 'Joe Louis' Post from 2007-2015, member of Friends Committee for the Charles H. Wright Museum of African American History and Optimist International. In his leisure time he enjoys playing golf and bowling.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones congratulates Mr. Frederick Douglas Robinson on the momentous occasion of his 90th Birthday celebration. We wish him many more years of good health, overwhelming happiness and perfect peace of mind!

**TESTIMONIAL RESOLUTION
FOR
HELEN TALBERT FELTON**

By Council Member Spivey:

WHEREAS, On March 29, 2016, Mrs. Helen Talbert Felton will attain the age of ninety-five years, a very significant milestone birthday. The Detroit City Council would like to publicly acknowledge this most-important event in her life; and

WHEREAS, Helen Talbert Felton, a well-known and respected Detroit educator, was born on March 29, 1921 in Auburn, Alabama. She was one of six children born to Ada Spencer Talbert. Helen was raised in Cleveland, Ohio with her mother's brother, Addison Spencer, a lawyer. He introduced her to the world of sports. She was inspired to learn the history (schools attended, positions played, etc.) for most professional athletes. Mr. Spencer also nurtured her keen sense of learning, especially poetry. Helen was a childhood friend of her late husband, Otis Felton. They knew each other for thirteen years prior to their marriage on June 23, 1946. The couple moved to Detroit, Michigan that same year. To this union, a daughter, Paulette was born. Dr. Paulette C. Walker is the current National President of Delta Sigma Theta Sorority Inc. The Feltons were blessed to share over 60 years together, before his death. Mrs. Felton is known as "Gran Gran" to her only grandson, Derek Fitzhugh and two great-grandchildren, Kendal and Shane. Her family has lived in the Oak Grove community since 1969 and were charter members of the Oak Grove Community Council. In the past, Mr. Felton served as the Treasurer and Mrs. Felton was the secretary. She continues to maintain her membership in the council and the Roselawn Block Club Association; and

WHEREAS, Helen Felton possesses a walking, talking encyclopedia of students and people she has known for only a few minutes or for many years. She has a phenomenal memory and a sense of numbers and logic that can only be described as, "Einstein-Like." Helen

earned a Bachelor of Arts degree from Livingston College in North Carolina and college credits from Talladega College in Alabama. She earned a Master's Degree from Wayne State University in 1961. An educator for over 54 years, she began her first assignment at Second Baptist Church Pre-school, which was a satellite of Detroit Public Schools in the 1950's. After the pre-school program closed, she was assigned to Brady Elementary School as a first grade teacher. Mrs. Felton was selected to be a teacher in the Neighborhood Education Center (NEC) Federal Project, a skill-based curriculum learning community. She was assigned to Field Elementary School, one of four NEC elementary schools, each of which received commendations from the United States government. She also taught at Lillibridge Elementary and Hampton Elementary Schools. Mrs. Felton retired in 1986, after fifty-four years of teaching. Many of her former students, far and wide, often refer to her at ceremonies as their "favorite teacher" and some have quoted her "gems of wisdom" in their literary work. Upon retirement in 1987, she received recognition as a *Michigan Teacher of the Year, Supervising Teacher of Wayne State University and Merit Teacher of the Detroit Board of Education*; and

WHEREAS, Mrs. FELTON HAS been a faithful member of St. Stephen A.M.E. Church in Detroit, Michigan since 1946. She served as a Sunday school teacher in the Junior Church and was active with the Stewardess Board #1, Emily Vernon Missionary Society and the Matrons Club. Currently she is Stewardess Emeritus and continues to make visits to the sick and shut-in members. Helen's community involvement and professional affiliation include: past president of Phi Delta Kappa Sorority, past president and Silver Star member of the Eta Iota Omega chapter of the Alpha Kappa Alpha Society, undergraduate advisor to XI Chapter at Eastern Michigan University, rituals chairperson, and treasurer for annual Service Builders fundraiser events. For 20 years, she also served as the treasurer of the Detroit Chapter of NPHC (Inter-Greek Council).

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones wishes to take this opportunity to honor and recognize one of Detroit's most outstanding citizens, Ms. Helen Talbert Felton on the special celebration of her 95th Birthday.

**TESTIMONIAL RESOLUTION
FOR
BISHOP CORLETTA J. VAUGHN**

By Council Member Ayers:

WHEREAS, It is with great pleasure and privilege that we, the members of the Detroit City Council, recognize and bestow due honor upon Bishop Dr. Corletta J. Vaughn, a dynamic Preacher, Leader and anointed Woman of God, celebrating thirty years as the Pastor of Holy Ghost Cathedral Church; and

WHEREAS, Born to Christian parents, Mother Jessie and Rev. Henry Lewis, she learned of Jesus Christ and his love at an early age. Her initial call at age 4 to worship and minister began under their tutelage and was nurtured at Green Grove Missionary Baptist Church in Detroit, Michigan. She was ordained in 1979 at the Holy Ghost Missionary Baptist Church, under the pastorate of her father, Rev Lewis. Bishop Corletta Vaughn has been a trailblazer and forerunner among women in ministry for the last 41 years. She is the Senior Pastor of the Holy Ghost Cathedral Church and Apostle of Go Tell It Evangelistic Ministry, Worldwide. Over the years, she has poured herself into the lives of congregations and constituents as a musician, worship leader and by the uncompromised powerful preaching of the word;

WHEREAS, Dr. Vaughn has acquired credentials from an impressive record of academic and ecclesiastical service. These include both Bachelor's and Master's degrees from Wayne State University, William, Tyndale Bible College and Oral Roberts University. In 1994, she was conferred with an Honorary Doctor of Practical Ministry and Theology degree by All Nations Institute International in Benin City, Nigeria and a Doctor of Divinity in 1998 by the Christian Faith University in Brooklyn, New York. She is currently a PhD candidate at the School of Psychology at North Central University. On December 18, 1985, Bishop Vaughn was ordained into leadership of the Church of God Mission and then consecrated to the office of bishop on November 5, 1995, in the West African country of Nigeria by Archbishop Benson Idahosa. She has ministered in more than 28 nations of the world and foreign countries.. In 1999, Dr. Vaughn was elected and elevated into the office of Presiding Bishop over the Go Tell It Ministry Worldwide Network of Churches, an Apostolic Reformation of churches and ministries throughout the United States; and

WHEREAS, Dr. Vaughn is the founder of Chancellor of Kingdom and Faith Bible College in Detroit, President of the International Institute of Expansion, facilitator of Women Who Soar leadership and development conferences, and Dean at

Destiny School of Ministry — Holy Spirit Institute. Through the Corletta J. Vaughn Foundation, she works diligently to provide coaching, mentoring, health counseling, scholarships, attire, preparation for job interviews and entrepreneurial training to women and girls who are unemployed, financially challenged and victims of sex trafficking. In 2015, Bishop Vaughn was part of the cast on Oxygen's reality show, Preachers of Detroit. She is a proud mother and grandmother and has thousands of sons and daughters in the body to Christ that know her as a Mother in Zion. Bishop Corletta Vaughn has assured that her voice will long be embedded in the practices and teachings of the region's spiritual institutions for years to come.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, and office of Council President Brenda Jones, congratulates Bishop Corletta J. Vaughn on her Life of Honor and the commemoration of her 30th Anniversary as Pastor of Holy Ghost Cathedral Church.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 8.

**TESTIMONIAL RESOLUTION
FOR
PEACE BAPTIST CHURCH**

“Where the Spirit of Love Abides”

By Council President Jones, Joined by Council Member Benson:

WHEREAS, On Sunday, April 10, 2016, Peace Baptist Church will commence its 95th Church Anniversary with a celebratory worship service; and

WHEREAS, The Peace Baptist Sunday school was established in 1913 by Rev. Henry Smith, before the church was formally organized. Worshipers met in homes within the community, north of Davison Street. In these small but adequate homes, the Word of God provided light to guide their path and love to inspire fellowship. In 1918, Bro. Oscar Harris held Sunday school classes in the Greenfield Union Elementary School. On January 9, 1921, Peace Baptist Church was officially established by Rev. Freeman Boyd Banks. At that time it was the only black church in the community! The two Sunday schools were merged with the church. Rev. Banks served as the Pastor until the spring of 1924; and

WHEREAS, Rev. Lee T. Clay was installed as the new pastor in 1924. On July 24, 1927, the first unit of the church building was erected at 13450 Goddard Avenue and named as the Lee T. Clay Fellowship Hall. On March 23, 1958, after

the edifice was completed, the congregation marched into the sanctuary — debt-free — singing "We're Marching to Zion." On July 1, 1965 Rev. Clay was called home to be with the Lord. Rev. Dr. Stacy Williams was called to the pastorate on February 4, 1966. He had been baptized by Rev. Clay in 1937. Rev. Williams was a historian and focused on the black church and black preachers. After twenty-two years of pastoring, Rev. Williams was also called home after preaching a sermon titled "What Evangelism Is." On May 9, 1989, the call to serve was extended to Rev. Ronald F. Turner. He loved to preach, teach and sing. After sixteen years of leadership, Rev. Turner was called to birth a new ministry and preached his last sermon at Peace Baptist Church on August 28, 2005. From September 2005 until December 2006, Rev. Maxine Early and Deacon Roosevelt led the church while the congregation sought the Lord's guidance for a new pastor; and

WHEREAS, On December 9, 2006, Rev. David L. Jefferson was called to serve as Senior Pastor of Peace Baptist Church. He was formerly a member of Third New Hope Baptist Church, where he served as Assistant to the Pastor in Ministry Development and as Ministry Leader for the Better Way Prison Ministry. Rev. Jefferson was licensed in 1979 and ordained in 1991. In May 2000, he obtained a Diploma of Theology (Black Church Studies) from the Heritage Center for African American Religious Studies — Ashland Theological Seminary and is pursuing a Masters of Divinity degree at Heritage College and Seminary in Cambridge, Ontario. Under his leadership, the membership of Peace Baptist Church is steadily increasing and the congregation is experiencing enormous spiritual growth. Rev. Jefferson has established many new ministries and is working to develop a stronger church structure. He is a member of the Council of Baptist Pastors of Detroit and Vicinity and the Kingdom Building Pastors International Conference. Rev. Jefferson is the proud husband of Roxanne Jefferson and father to sons, Kyle and David II.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones congratulate Peace Baptist Church on this special celebration commemorating its 95th Anniversary. May God continue to bless everyone in abundance!.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 8.

TESTIMONIAL RESOLUTION

FOR

VERNICE DAVIS ANTHONY

Honoring our

**Michigan Pillar of Public Health
2016 National Public Health Week**

By Council President Jones:

WHEREAS, Vernice Davis Anthony, formerly as the Director and Public Health Officer of the City of Detroit Department of Health and Wellness Promotion, provided leadership to restore the Department of Health and Wellness Promotion to a function of city government. This involved the transitioning of public health programs budgeted at \$21 million dollars, including state and federal dollars; and

Vernice Davis Anthony served as the President and CEO of the Greater Detroit Area Health Council, Inc., where she repositioned this entity as the most influential healthcare collaborative in Southeastern Michigan and a national health coalition leader. Furthermore, as a Health Officer for the Assistant County Executive, Health & Community Services, she led the re-design of indigent care funding in Wayne County, Michigan with state and local legislative changes, resulting in the sale of a hospital replaced by a locally managed capital system, saving the County millions of dollars annually; and

Vernice Davis Anthony also served as the Director of the Michigan Department of Public Health, where she was appointed by Governor John Engler to head an agency with a budget of over \$600 million dollars and a staff of 1,400 employees. Her leadership helped to prevent disease, prolong life and promote health through organized community programs to address sanitation, and control of communicable and/or chronic diseases. Other key areas of interest included: infant mortality reduction, violence prevention, teen pregnancy prevention and the survival of the African American male. Her leadership of infant mortality programs resulted in the lowest infant mortality rate in Michigan history.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones would like to take this time to extend Congratulations to Vernice Davis Anthony for being honored as the 2016 National Public Health Week, Michigan Pillar of Public Health for her unwavering dedication to enhancing the quality of health in the City of Detroit, Wayne County, as well as throughout the State of Michigan. Her commitment as a servant leader should be emulated by all health care and public health specialists, as they attend to the welfare of the com-

munities in which they serve. May the Lord provide her with continued strength and wisdom to lead and encourage others!

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 8.

**RESOLUTION
IN MEMORIAM**

MR. HOWARD FRANCIS SIMS

By Council President Jones:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Mr. Howard Francis Sims, a husband, father, grandfather, great-grandfather, noted architect, mentor and philanthropist, who made his transition to heaven on March 31, 2016; and

WHEREAS, A native of Detroit, Michigan, Howard F. Sims was welcomed into the world on July 25, 1933 by two loving parents, Anne and Joseph Sims. He graduated from Northwestern High School and joined the military, serving as a Navy Seabee. During this time, his interest in architecture was sparked. He continued a pursuit of higher education, earning Bachelor's and Master's degrees in Architecture from the University of Michigan. Sims was very focused and determined, opening his first design firm in Ann Arbor while he was still in college. In 1964, he founded the architectural firm, Sims and Associates, which today is known as SDG Associates. It is Michigan's oldest black-owned architectural firm. In 1968, Mr. Sims co-founded the Detroit firm, Sims-Varner and Associates with Harold Varner; and

WHEREAS, Howard R. Sims was known for both his iconic Detroit buildings and his trailblazing efforts to diversify the fields of architecture, planning and design. Some of his notable projects include the Charles H. Wright Museum of African American History, the Cobo Convention Center expansions and renovations, the Millender Center Apartments, Detroit Wayne County Port Authority Terminal and Public Dock, the downtown campus of Wayne County Community College, the School of Social Work at the University of Michigan and facilities at the Detroit Metropolitan Airport. He was also involved in writing the state's first construction code. Mr. Sims valued education and was keenly aware of the importance of a pathway to college for disadvantaged youth. He and his wife Judith (a Detroit public school teacher), established several scholarships intended for students of color to pursue architecture and planning careers at the University of Michigan, Lawrence Technological University,

Michigan State University, Wayne State University and Oakland University; and

WHEREAS, Sims was the recipient of many accolades and awards, including the Silver Beaver Award in 1987 from the Boy Scouts of America and in 1988 he was awarded a Gold Medal from the American Institute of Architecture. He was a Trustee for the Founder's Society, Detroit Institute of Arts, W.K. Kellogg Foundation and Oakland University. His board involvement included the Citizens Research Council, Civic Searchlight, Comerica Bank, DTE Energy, United Foundation, Detroit Economic Growth Corporation, Michigan Consolidated Gas Company, Federal Reserve Detroit Branch and St. John Hospital. Mr. Sims and his wife of over 57 years, Judith, had four children: Frances, Gregory, Laurence and Wesley. He was an amazing role model for his grandchildren, great-granddaughter, and extended family. Howard Francis Sims has left an indelible mark on the Detroit area and beyond. He has ensured that his impact would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in honoring the life and legacy of Mr. Howard Francis Sims. He will be greatly missed and his contributions and the lessons he taught will live on forever.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 8.

Nays — None.

**RESOLUTION
IN MEMORIAM
MR. ROBERT L. GLENN**

By Council President Jones:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Robert L. Glenn, a loving and devoted husband, father, grandfather and friend to many who departed this life on April 3, 2016; and

WHEREAS, Robert L. Glenn was born on July 5, 1926 in Crockett County, Tennessee to Robert L. Glenn Sr. and Mammie Cole. Robert attended Central High School in Alamo, Tennessee before moving to Detroit, Michigan in 1947. Robert served in the United States Army and fought in both World War II and the Korean War. During World War II, he was among the few African American troops who saw combat, serving under General George Patton. He was employed at the General Motors Pontiac Truck & Bus facility for more than 30 years. Robert was elected

to the position of union representative in 1974 and 1978. In 1983, the United Auto Workers recognized his artful negotiation skills and named him to the National Bargaining Committee. He retired from General Motors as a union representative for UAW Local 658; and

WHEREAS, Robert L. Glenn was instrumental in resurrecting the Blackstone Park Association from inactivity, serving as its President for 28 years. He spearheaded the restoration and renovation of Hardstein, which had fallen into serious decay prior to the intervention of the Blackstone Park Association. He fearlessly represented this community on numerous occasions before the Board of Zoning Appeals to seek enforcement of zoning codes. Glenn's love for the City of Detroit led to his appointment to serve as a Commissioner on the City of Detroit Planning Commission until June of 2009. In this capacity, he played an important role in helping to draft ordinances and zoning regulations that govern the city; and

WHEREAS, Robert L. Glenn and his lovely wife, Anna Glenn, were united in marriage for 46 years. To this union two children were born and six grandchildren. He had been an active member of New Prospect Missionary Baptist Church for more than 40 years. Throughout his life, Robert had never been content to merely observe and complain about challenges. Rather, he always responded with energy, courage and wisdom. He exemplified the individual who responds to difficulties with two questions: "If not now, when? If not me, who?" One man on a mission can make a difference. Mr. Robert L. Glenn has been and remained such a man. Detroit would be forever embedded in the hearts of those he cherished for years to come.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones, hereby expresses its condolences and joins with family and friends in honoring the memory of Mr. Robert L. Glenn.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Spivey, Tate, and President Jones — 8.

MARIE ROLAND THOMPSON
(March 9, 1936 — March 28, 2016)**

By Council Member Benson:

WHEREAS, Marie Roland Thompson was born March 9, 1936 in Detroit, Michigan to the union of Frances and Mamie Solomon. She was the youngest of six children; and

WHEREAS, Marie Roland Thompson was educated in the Ferndale School System and was promoted to graduate early. She continued her education earning a Bachelor Degree in Education and a Masters in English and Math from Wayne State University; and

WHEREAS, Marie Roland Thompson was a dedicated wife, mother and grandmother. She fell in love and married her high school sweetheart Arthur R. Roland Jr. in 1953. This union was blessed with two children; Sharinese and Lenora. Later she found love again and married Dr. John W. Thompson; and

WHEREAS, Marie Roland Thompson received Christ at an early age and was a faithful member of Oak Grove African Methodist Episcopal Church. She realized she had a special calling on her life. Not only did she have a desire to serve Christ but also the community. As a member of Oak Grove she served as a Sunday School Teacher, member of the Senior Usher Board, a Torch Light Member of the Nancy Marsh Missionary Society and a member of the Scholarship Committee. She also served on the Come Home for Christmas committee and was ordained as a Deaconess of the church. She directed the summer youth academy and after school tutoring programs, traveled to New Orleans to assist victims of Hurricane Katrina, and was a missionary in Southern Africa. For seventy years of Christian service she was honored by Pastor Brumfield; and

WHEREAS, Marie Roland Thompson developed a love for children and teaching. As an educator she was employed with the Detroit Public School System until retirement. She taught at the primary level; and

WHEREAS, It being the will of our Lord to call our beloved home after a long life of service, Marie Roland Thompson transitioned from this life, from labor to reward on March 28, 2016;

THEREFORE BEIT

RESOLVED, That the Office of Councilman Scott Benson and Detroit City Council expresses their deepest condolences and share the sympathy in the loss of your loved one, Marie Roland Thompson. Your loss is heaven's gain. May God bless you and comfort you during this time and always.

Christopher Humphrey, Michael Pili Simanga, Holly Hasina Murphy and Leesa Vivian Humphrey; and

WHEREAS, A leading scholar and master teacher for over forty years, Mrs. Humphrey focused on African centered education to meet the unique learning needs of Detroit children and in training a new generation of educators. As her reputation being an organizer, educator and mentor grew, Imani Humphrey became affectionately known in the community as "Mama Imani" She taught in Detroit Public Schools, Wayne County Community College and Wayne State University before founding the Aisha Shule and W.E.B. DuBois Academy. Mama Imani and a circle of family and friends became engaged in the building of African centered institutions. With the Reverend Kwasi Thornell and others, they founded the Alexander Crummell Center in Highland Park. While teaching at Martin Luther King, Jr. High School, she wrote the first Black literature curriculum for the Detroit Public Schools. After leaving the public school system, she dedicated her life to developing a model of education for Black children. Aisha Shule (School of Life) was founded in 1974 by a group of parents led by Imani A. Humphrey and her life-long friend Enowoyi Hill. Later, she founded the W.E.B. DuBois Preparatory Academy. Mama Imani also developed a pedagogy called the "Affirmative Learning Method," for educating Black children by honoring their dignity and genius. This method is designed to empower children in their learning so they can make real life connections and garner true understanding of what they have learned; and

WHEREAS, Mama Imani was an integral member of Detroit's Council of Elders from its earliest conception. She also served on the Boards of Timbuktu Academy and Operation Get Down. Her professional, community and religious affiliations included membership in a wide array of organizations, such as: Fellowship Chapel, Black Women Aware, the African Liberation Day Committee, Council of independent Black

Organizations, National Black Political Assembly and Black Women's United Front. Mama Imani was an advocate for the rights and empowerment of women and self-determination for African people; and

WHEREAS, Most notably revered for her devotion to her loved ones, Mama Imani created a family legacy to admire. As the mother of four children, grandmother of fourteen, great-grandmother of fourteen and wife of an adoring husband, the late Mr. Richard Humphrey, Mama Imani Humphrey ensured that the values and traditions by which she lived would be forever embedded in the hearts of those she cherished for years to come.

Cities of Service

March 17, 2016

The Honorable Mike Duggan
Mayor, City of Detroit
Two Woodward Avenue, Suite 1126
Detroit, MI 48226

Dear Mayor Duggan:

Congratulations! After a rigorous review of the competitive applications we received, Cities of Service is pleased to inform you that the City of Detroit has been selected for the Cities of Service Leadership Grant program with generous support from JPMorgan Chase & Co.

The award includes:

- \$90,000 towards the salary of a Chief Service Officer
- Technical support and training from Cities of Serviced valued at over \$50,000
- Opportunity for in-market JPMorgan Chase & Co. (JPMC) Executives to join local service committees or other advisory groups assembled by the Mayor and Chief Serviced Officer to support these efforts

- Opportunity for local JPMC employees to contribute as skilled-based volunteers during landscape analysis of challenges, resources, opportunities, and areas of possible collaboration around mayoral priorities and serviced plan development
- Opportunity for JPMC employees in participating cities to activate and implement an impact volunteering initiative

With this new cohort of Chief Service Officers in three major US cities, Cities of Serviced aims to generate a greater movement where relationships between city halls and residents are strengthened and a dynamic, flexible, resilient structure is built to take on future challenges.

Congratulations again on this accomplishment We look forward to working with your city.

Sincerely

Honorable City Council:

Re: Detroit Land Bank Authority (DLBA) Transfer of Property to Southwest Housing Solutions.

Southwest Housing Solutions is an experienced and successful affordable housing developer that primarily focuses on developing projects within the City of Detroit. Southwest Housing Solutions, a Michigan Nonprofit, through its development partner Mack Ashland II Limited Dividend Housing Association Limited Partnership, a Michigan limited partnership, is developing the second phase of its Mack-Ashland project. The first phase of the Mack-Ashland project ("Mack-Ashland I") is currently 100% occupied. Mack-Ashland I consists of 39 apartments and 6,000 square feet of commercial space.

The second phase of the Mack-Ashland project ("Mack-Ashland II"), consists of 80 parcels comprised of approximately 7 acres. Located in east Detroit, it is generally bounded by Mack Avenue, Alter Road, Lozier Road and Manistique. Southwest Housing Solutions currently owns 9 of 80 parcels in the Mack-Ashland footprint and intends to purchase the other 71 parcels (the "Property") from the DLBA. The Property is described more specifically in Exhibit "A". Southwest Housing Solutions will develop the Property into 20 affordable residential units available to residents earning 60% or less of the area median income and 8 units of permanent supportive housing. In addition, Mack-Ashland II will also feature a property manager's home and community center.

Pursuant to the Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority, approved by the Detroit City Council on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City of Detroit to the same transferee within any rolling 12-month period, without prior approval of the Mayor and the Detroit City Council. The DLBA requests to convey the Property to Southwest Housing Solutions for the amount of Seventeen Thousand Seven Hundred and Fifty Dollars (\$17,750.00), on the condition that the DLBA receives authorization from the Detroit City Council to do so.

We, therefore, request that your Honorable Body authorize the Detroit Land Bank Authority to transfer the Property and enter into other such docu-

ments as may be necessary to effectuate the sale to Southwest Housing Solutions. Respectfully submitted,

ARTHUR JEMISON
Director

Housing & Revitalization Dept.

By Council Member Leland:

Whereas, Pursuant to the Memorandum of Understanding ("MOU") between the City of Detroit and the Detroit Land Bank Authority, approved by the Detroit City Council on May 5, 2015, the DLBA may not transfer ten (10) or more parcels of property received from the City of Detroit to the same transferee within any rolling 12-month period, without prior approval of the Mayor and the Detroit City Council; and

Whereas, In accordance with the foregoing communication, the DLBA requests to convey 71 parcels to Southwest Housing Solutions, a Michigan Nonprofit, for the construction of the "Mack-Ashland II" project.

Now Therefore Be It

Resolved, That the Detroit City Council authorizes the Detroit Land Bank Authority to transfer 71 properties, as described more specifically in the attached Exhibit "A", to Southwest Housing Solutions, a Michigan Nonprofit for the amount of \$17,750.00.

Honorable City Council:

Re: Submission of the 2016-2017 HUD
Action Plan.

Honorable City Council:

In conformance with the requirements of the U.S. Department of Housing and Urban Development (HUD), the Housing & Revitalization Department respectfully requests that Your Honorable Body authorize the submission of the 2016-2017 HUD Action Plan. It is also requested that you designate the Mayor, or his designee, to be the authorized representative to act in connection with the Plan. The Plan reflects the 2016-2017 CDBG/NOF narrative and proposal recommendations.

It is respectfully requested that you approve the attached resolution with a waiver of reconsideration, to ensure HUD's approval and funding availability in a timely manner. If you have any questions regarding the attached document, you may call Fern Clement of my staff at (313) 224-3532.

Respectfully submitted,
ARTHUR JEMISON
DIRECTOR

Detroit Historic District Commission
By Council Member Leland:

RESOLVED, that the Mayor of the City of Detroit, Michael E. Duggan or his designee, is hereby authorized to submit the 2016-2017 Action Plan including all understandings and assurances contained therein, to the U.S. Department of Housing and Urban Development (HUD) in accordance with the foregoing communication; and,

RESOLVED, that the Mayor of the City of Detroit, Michael E. Duggan, or his designee, is hereby designated to act in connection with the aforesaid submission, and provide the U.S. Department of Housing and Urban Development (HUD) such additional information as may be required. Adopted as follows:

Executive Summary

AP-05 Executive Summary — 24 CFR 91.200(c), 91.220(b)

1. Introduction

The U.S. Department of Housing and Urban Development (HUD) Consolidated Plan is a collaborative process establishing unified community development actions. The plan provides a comprehensive housing and community development vision that includes affordable housing, non-housing community development (public facilities, public improvements, infrastructure, public services, and economic development) fair housing, protection of the environment, and an avenue for citizen involvement.

According to HUD guidance the overall goal of community planning and development programs is to develop viable urban communities by providing decent housing, a suitable living environment, and expanding economic opportunities principally for low-and moderate-income persons. This is achieved by extending and strengthening partnerships among all levels of government and the private sector, including for-profit and non-profit organizations, in the production and operation of affordable housing. It also describes community development, homeless, non-homeless special needs/supportive housing needs, and strategies for a five year period. The plan is also designed to improve program accountability and support results oriented management.

The Annual Action Plan implements the strategies, goals, and objectives established in the Five Year Consolidated Plan. The Annual Action Plan is also the annual funding application for the Community Development Block Grant (CDBG), Emergency Solutions Grant, HOME Investment Partnership, and Housing

Opportunities for Persons With AIDS (HOPWA) programs.

Consolidated Plan funding totaling \$41,630,760 will be used to make:

- Decent housing available and affordable to low and moderate income citizens
- Suitable living environments available and/or sustainable in low and moderate Income areas
- Economic opportunities available for businesses in the City of Detroit

The City of Detroit applied for and received a Neighborhood Revitalization Strategy Area (NRSA) designation from HUD. The designation also makes housing rehabilitation accessible to all Detroit citizens regardless of income. The City of Detroit also established three Slum/Blight areas. These areas will take advantage of activities that aid in the prevention or elimination of blight.

On March 31,2015 it was announced that the Detroit Housing Commission (DHC) would return to local control. The DHC is Detroit's Public Housing Agency (PHA). The change was effective March 16, 2015. The DHC was under Department of Housing and Urban Development (HUD) oversight for almost 10 years.

2. Summarize the objectives and outcomes identified in the Plan

This could be a restatement of items or a table listed elsewhere in the plan or a reference to another location. It may also contain any essential items from the housing and homeless needs assessment, the housing market analysis or the strategic plan.

An accomplishment summary of outcomes and objectives the City expects to achieve in 2016 (for HUD-funded programs benefiting extremely low, very low, and low income residents) is shown below:

2016 Draft Accomplishment Summary			
	Outcome 1 Availability/ Accessibility	Outcome 2 Affordability	Outcome 3 Sustainability
Objective 1 Decent Housing	\$3,069,260 125 Units	\$6,943,331 1,950 Units	N/A
Objective 2 Suitable Living Environment	\$5,075,556 156,732 Beneficiaries	N/A	\$6,294,135 2,260 Units
Objective 3 Economic Opportunities	\$330,000 35 Businesses	N/A	N/A

2016 Draft Accomplishment Summary

An accomplishment summary of outcomes and objectives the City expects to achieve in 2016 (for HUD-funded programs benefiting extremely low, very low, and low income residents) is shown below:

Objectives and outcomes for each funded activity are shown in the attached activity chart (See Attachment A, 2016-2017 Action Plan Activity Spreadsheet).

3. Evaluation of past performance

This is an evaluation of past performance that helped lead the grantee to choose its goals or projects.

During the past year the City of Detroit's performance was evaluated, by staff, noting the following accomplishments and challenges:

- The City of Detroit stayed within the statutory CDBG expenditure limitations for administration and public services.
- Over 70 percent of the City of Detroit's CDBG funds were expended on activities benefiting low and moderate-income residents (Primary Objective).
- Financed the rehabilitation or development of over 275 housing units over the last year
 - Continued addressing lead poisoning issues in housing rehabilitation
 - Currently creating city-wide housing policy to set strategies for the City's future grant funding allocations
 - As part of its economic development efforts, the City provided technical assistance, direct financial assistance, rehabilitation assistance, and infrastructure improvements to businesses and non-profits in Detroit.
 - The Emergency Solutions Grant (ESG) provided 1541 homeless families and individuals with shelter and meals
 - ESG provided a wide variety of services to the homeless, including, housing placement, clothing and food distribution, health care, case management, legal assistance, recreation, counseling, social service advocacy, education and job training and placement and homeless prevention
 - HOPWA provided 224 eligible house-

holds with rental assistance or long-term housing

- HOPWA provided a wide range of services such as, housing placement, short-term emergency assistance, transportation, case management, life skills classes, health advocacy, clothing, and light housekeeping to 297 eligible households
- The City of Detroit met HUD's CDBG 1.5 spending requirement as of May 2016, significant changes were implemented to help the City achieve the requirement.

Recommendations to Improve Performance

In addition to the City of Detroit's accomplishments and challenges, the following suggestions would improve performance:

- Reconcile the accounting problems between HUD's Integrated Disbursement and Information System (IDIS) and the City's new Enterprise Resource Planning (ERP) financial system
- Discontinue partial public facility rehabilitation funding. The City of Detroit should fund the complete rehabilitation needs of fewer facilities each year
 - Fund public service organizations at amounts consistent with proposed project needs and ability to spend in a timely manner
 - Continue to explore institutional structure available to provide small grants to neighborhood organizations (for targeted improvements and/or services without undue burden to staff productivity)

4. Summary of Citizen Participation Process and consultation process

Summary from citizen participation section of plan.

During the development of the 2016-2017 Annual Action Plan at least two public hearings must be held. One hearing is held at the beginning of the Consolidated Plan process and one is held later in the process (Draft Action Plan development).

The City of Detroit conducted its first public hearing in November 2015. The hearing was used to gain feedback into the 2016-2017 Action Plan process. The

H&RD public hearing also focused on end of year accomplishment reporting (Consolidated Annual Performance and Evaluation Report (CAPER) for CDBG, ESG, HOME and HOPWA programs.

Hearing comments centered on the City's implementation of the "BidSync" system. The City's Office of Contracts and Procurement phased in the use of the City's electronic bid system. The BidSync system allowed the City of Detroit to offer an electronic bid, evaluation and subsequently an electronic contract process.

Annual accomplishments were also discussed along with other federal fund-

ing such as Declared Disaster Recovery (DDR), Hardest Hit Funds (HHF) and local initiatives through foundations such as Skillman, United Way and W.K. Kellogg.

During 2016-2017 two City Planning Commission meetings were held on March 17, 2016 and March 24, 2016. These meetings allowed commissioners to review CDBG proposals and the Mayor's recommendations. The Commission recommended 57 of 93 submitted proposals as shown below:

No citizens or community organization representatives attended the meeting.

Activity	Number Of Recommended Organizations
Public Service activities	25
Homeless Public Service activities	26
Public Facility Rehabilitation activities	13
Commercial Rehabilitation activities	1
Total	65

Agencies

In addition, during the consultation process HRD staff spoke with key stakeholders to gain perspective on community needs. During the consultation process we contacted the following agencies and organizations or gathered information from their website.

Government Agencies:

- Detroit Department of Transportation
- Department of Health and Wellness Promotion
- Detroit Public Schools
- Downtown Building Authority
- H&RD Neighborhood Support Services Division

5. Summary of public comments

This could be a brief narrative summary or reference an attached document from the Citizen Participation section of the Con Plan.

The first 2016-2017 Action Plan public hearing covered the process for the upcoming year. The hearing also covered prior year accomplishments. The hearing was held November 12, 2015. Four individuals were in attendance. Comments focused on the use of the City's new BidSync procurement process. Specific BidSync questions were referred to the Office of Contacts and Procurement. Additional questions regarding the contract process and billing were referred to the Neighborhood Support Services Division.

The second 2016-2017 Action Plan public hearing was held April 13, 2016. The hearing focused on the 2016-2017 Draft Action Plan Narrative and budget. One individual attended the hearing. Questions centered on draft action plan goals for the HOME program. The attendee was interested in the Notice of Funding Availability and when it would be

published. The attendee was told the HOME program NOFA would be published later in 2016. A representative from H&RD familiar with the HOME program was brought into the meeting to discuss HOME matters. See Attachment B for detailed responses from hearings 1 and 2.

6. Summary of comments or views not accepted and the reasons for not accepting them

All comments or views were accepted.

7. Summary

Despite going through a financial bankruptcy, a new Mayor and City Council continue to revitalize the City of Detroit. Federal funding will play an important role in that revitalization. Consolidated Plan funding totaling 541,630,760 will be used to make:

- Decent housing available and affordable to low and moderate income citizens
- Suitable living environments available and/or sustainable in low and moderate income areas

- Economic opportunities available for businesses operating in the City of Detroit

The consultation process with stakeholders was key to establishing goals and strategies for the 2016-2017 Action Plan. In addition to input from the Mayor and City Council, actions during the consultation process included the following:

- Two public hearings
- Two City Planning Commission meetings
- Review of pertinent documents
- Interviews with agencies and government officials
- A consensus review of CDBG NOFA submissions

ESG Administrator	Detroit	Housing and Revitalization Department

Table 1 -Responsible Agencies

Narrative (optional)

The Housing and Revitalization Department (formerly the Planning and Development Department) is now the responsible entity within the City of Detroit for the Consolidated Plan. This change occurred pursuant to “City of Detroit Emergency Manager Order Number 38: Order modifying the Planning and Development Department and establishing the Housing and Revitalization Department (H&RD) on September 25,2014”.

In addition, to being the lead agency for the Consolidated Plan, H&RD also manages HOME, ESG and much of the CDBG program. The HOPWA program is managed by the Department of Health and Wellness Promotion.

AP-10 Consultation — 91.100, 91.200(b), 91.215(1)

1. Introduction

H&RD has been working with the DHC

on an application to HUD for consideration in the Choice Neighborhoods program. H&RD staff and the Homeless Action Network of Detroit (HAND) met throughout 2013 to develop a strategy for the allocation of ESG and other homeless funds to be used throughout the City of Detroit. H&RD, as an ESG grantee, also works with HAND to develop performance standards, evaluate provider proposals, and help determine homeless community needs. In addition to working with the DHC on Choice Neighborhoods, H&RD will work with DHC and federal partners to bring more assisted housing units to Detroit.

Provide a concise summary of the jurisdiction’s activities to enhance coordination between public and assisted housing providers and private and governmental health, mental health and service agencies 91.215(1).

H&RD has been working with the DHC on an application to HUD for consideration in the Choice Neighborhoods program. This program supports locally driven strategies to address struggling neighborhoods with distressed public or HUD-assisted housing through a compre-

hensive approach to neighborhood transformation. Choice Neighborhoods is focused on three core goals:

1. **Housing:** Replace distressed public and assisted housing with high-quality mixed-income housing that is well-managed and responsive to the needs of the surrounding neighborhood:

2. **People:** Improve educational outcomes and intergenerational mobility for youth which support services delivered to youth and their families; and

Neighborhoods: Create the conditions necessary for public and private reinvestment in distressed neighborhoods to offer the kinds of amenities and assets, including safety, good schools, and commercial activity, that are important to families' choices about their community.

In addition to working with the DHC on Choice Neighborhoods, H&RD will work with DHC and federal partners to bring more assisted housing units to Detroit. These units will be located in both mixed-income and affordable-only development sites. These assisted housing units will benefit households eligible to receive public housing assistance. During the summer of 2016 the City of Detroit and DHC will release a joint RFP for the first of these assisted units.

Assigning priorities for public services is essential since there is a desperate need for many types of services within the City of Detroit. Prioritizing public services is also necessary since CDBG public service funds are capped at 15 percent of the total CDBO allocation. During 2016-2017 24 organizations are slated to provide the following priority services:

- Educational Services
- Senior Services
- Health Services
- Public Safety Services
- Recreational Services

These priority services were determined necessary through hearings, a prior survey instrument, agency input, and government input. CDBG funds are made available to community organizations to provide partial support for these priority services. These funds also help grantees leverage additional funding from other public and private funders. CDBG public service funds will also be used to provide employment for Detroit Youth in the City's designated NRSAs. The Summer Jobs for Youth training program was developed in partnership with private businesses and non-profit organizations. CDBO funds will be leveraged with a corporate match to provide services for youth outside the NRSAs.

Since the City funds many public services it is in the interest of the City to make sure these services are provided in facilities that are up to code and Americans with Disabilities Act (ADA) compliant. Under the Public Facility

Rehabilitation activity the City provided funds to 13 different public service organizations. These facilities are typically:

- Neighborhood facilities
- Parks and recreational facilities
- Youth facilities
- Senior facilities

Describe coordination with the Continuum of Care and efforts to address the needs of homeless persons (particularly chronically homeless individuals and families, families with children, veterans, and unaccompanied youth) and persons at risk of homelessness.

HAND serves as lead agency for the Detroit Continuum of Care (Co C). The CoC is a community plan to organize and deliver housing and services to meet the specific needs of people who are homeless as they move to stable housing and maximum self-sufficiency. H&RD, as an ESG grantee, has worked with HAND to develop performance standards, evaluate provider proposals, and help determine homeless community needs.

H&RD and HAND are currently working together to develop and implement a coordinated assessment system in Detroit. CAM will match homeless needs with available resources to ensure homeless individuals and families obtain the services needed.

Funds have also been provided to develop the Homeless Management Information System (HMIS). HMIS will enhance reporting and monitoring capabilities. In addition, H&RD has also worked with HAND to plan and develop policies and procedures for street outreach and emergency shelter providers throughout Detroit.

H&RD also works with HAND to develop homeless procurement instruments and participate in provider evaluations through the CDBG and ESG request for proposal processes. This collaborative process ensures homeless providers are delivering needed quality services.

Describe consultation with the Continuum(s) of Care that serves the jurisdiction's area in determining how to allocate ESG funds, develop performance standards for and evaluate outcomes of projects and activities assisted by ESG funds, and develop funding, policies and procedures for the operation and administration of HMIS

H&RD staff and the Homeless Action Network of Detroit (HAND) met throughout 2013 to develop an allocation strategy for ESG funding use throughout the City of Detroit. Over the course of the coming year, the Detroit Continuum of Care anticipates receiving approximately \$24 million in HUD Continuum of Care funding (formerly known as the Supportive Housing and Shelter + Care programs). This funding will be used to support a range of city-

wide programs, including permanent supportive housing, transitional housing, and supportive services needed to help people access and maintain their housing.

H&RD and HAND have created draft program standards for all ESG and CoC funded activities. This draft will be vetted through the CoC board and will be open to public comment. The draft is scheduled to be finalized in 2016. In addition, the CoC lead agency participates in development of H&RD's CDBG and ESG Request for Proposals. HAND staff also participate in proposal review to ensure the two entities:

- Align their efforts
- Fund quality providers that serve HUD priority populations (as outlined in the United States Interagency Council on Homelessness (USICH) program Opening Doors),
- Are in agreement regarding local community needs.

2. Describe Agencies, groups, organizations and others who participated in the process and describe the jurisdiction's consultations with housing, social service agencies and other entities

Explain how federal funds will leverage those additional resources (private, state and local funds), including a description of how matching requirements will be satisfied

The City of Detroit uses Community Development Block Grant (CDBG) funds to partially meet federal match requirements for the Emergency Solutions Grant Program (ESG). CDBG allocations awarded to homeless community organizations are applied to the match. The remaining ESG match is met by ESG recipients through in-kind contributions and other funding commitments.

If appropriate, describe publically owned land or property located within the jurisdiction that may be used to address the needs identified in the plan

Vacant land and buildings present both challenges and opportunities to address needs identified in the Annual Action Plan. A significant amount of land is held by various public and private entities, all of which are collaborating to devise policies for the acquisition, disposition, and maintenance of publicly held land assets. The City has worked closely with the Detroit Land Bank Authority, the Michigan Fast Track Land Bank Authority, Detroit

Public Schools, Detroit Housing Commission, Detroit Building Authority, and the Wayne County Treasurer to align decision-making regarding the sale, maintenance and demolition of publicly/owned parcels. All decisions regarding acquisition, disposition, maintenance and demolition of publicly-owned parcels will be consistent with the City's overall Investment Strategy including blight control. The Collaboration and coordination needed to manage vacant parcels is critical to neighborhood stabilization and enhanced quality of life for Detroit's stakeholders.

Discussion

Detroit benefits from data-driven decision making. Data is now becoming readily accessible and shared across agencies and partners so evidence-based decisions can be made. While there is much work ahead to implement the vision for a revitalized Detroit, incremental progress is being made. Aligning resources to leverage other public, private and philanthropic investments will enhance impact and return on investment. The programs and activities as outlined in the Annual Action Plan move us closer to this reality.

Goal Descriptions

1	Goal Name	Reduce homelessness in City of Detroit
	Goal Description	Homeless programs that address the needs of individuals are homeless or at risk of becoming homeless through financial, natural, emergency, or other homeless prevention, rental assistance, and supportive housing. These funds will be coordinated, collaborative, and community-driven in allocating resources throughout the City of Detroit.
2	Goal Name	Revitalize use of Existing Housing Units
	Goal Description	Leasing rehabilitation includes emergency home repairs, conventional home repairs and the use of asset-based rehabilitation loan program. This program will take place in walk and wheel designated Neighborhood Revitalization Strategy Areas and designated Core and Edge areas.
3	Goal Name	Sustain Infrastructure and Public Improvements
	Goal Description	Public improvements and infrastructure work.
4	Goal Name	Attractive Housing
	Goal Description	HOME funds used to support middle-class family housing development.
5	Goal Name	Econ Dev./Creation of Jobs/Small Business
	Goal Description	Small business help and creation of jobs.
6	Goal Name	Public Service Activities for Clerics of Detroit
	Goal Description	Public Services for low-income income persons and families as well as VASA public service activities not subject to the cap.

7	Goal Name	Public Facilities and Improvements
	Goal Description	Public facility rehabilitation for organizations offering public services.
8	Goal Name	24hr Dev/Commercial Rehab
	Goal Description	Financial assistance to property owners and business owners seeking to renovate their exterior signage, or commercial building facades. Program objectives include enhancing the physical appearance of small businesses and commercial districts.
9	Goal Name	Blight removal and Demolition
	Goal Description	The program objective is to eliminate blight and stabilize neighborhoods through the removal of dangerous and abandoned structures.
10	Goal Name	Senior 134 Repayment
	Goal Description	Repayment of Section 108 Section Loans for development projects
11	Goal Name	Help those with special needs (non-homeless)
	Goal Description	Providing housing and other services for individuals and families affected by the HIV/AIDS virus, the elderly, and survivors of domestic violence.
12	Goal Name	CEBC Declared Disaster Recovery Grant
	Goal Description	In 2015 Detroit was awarded \$8.5 million to reduce weaknesses in Detroit's aging sewer/water management system that contributed to the 2014 flood. Proposed projects will establish a more resilient cost-effective and innovative infrastructure. Proposed projects are under design to enhance quality of life by using natural systems to first manage storm water and reduce flooding, second spur economic development and neighborhood vitality, and third to decrease blight through vacant land use and strategic demolition.

Table 7 – Goal Descriptions

Estimate the number of extremely low-income, low-income, and moderate-income families to whom the jurisdiction will provide affordable housing as defined by HOME 91.215(b):

Affordable housing services are provided to extremely low-income, low-income, and moderate-income families living in the City of Detroit, with priority given to strategic areas identified by Detroit Future City and Investment Strategy initiatives. These initiatives draw on the market information and physical conditions analysis embedded in Detroit Future City's Framework Zones to help guide investment of limited resources and identify areas with the greatest potential for sustainability and reinvestment.

H&RD's overall housing objectives include lead hazard reduction, home repair, new housing units, and rental units. Under the HOME Investor Rental program we anticipate 86 rental units will be available and the 27 new rental units will be built for low and moderate income families. All of H&RD's housing rehabilitation programs together could make repairs to 579 homes over the next year. In addition to housing rehabilitation, 40 low to moderate-income persons will receive help through the CDBG Homebuyer Assistance Program.

In addition to the CDBG and HOME programs listed above. H&RD will continue to use approximately \$750,000 in program income generated through the Neighborhood Stabilization Three Program (NSP3). Developers used NSP3 funds to undertake rehabilitation for both rental and homeownership projects. Leveraged funding with NSP3 program income funds will produce 20 rental housing units.

In addition, the Detroit Housing Commission (DHC) is committed to providing quality, affordable housing for low and moderate income persons. DHC will issue about 6,000 Housing Choice Vouchers through the Section 8 Program over the next year and provide approximately 3,600 units for low and moderate income families and the elderly.

AP-35 Projects — 91.220(d)

Introduction

The City of Detroit will use 2016 Action Plan funds to provide activities primarily benefiting low and moderate income individuals and families. CDBG funds totaling \$1.7 million will be used to provide many activities including housing, development, public improvements, education, senior services, public safety, health, and recreation. CDBG funds totaling over \$2.5 million will act as a partial match for ESG funds benefiting the homeless. HOPWA funds totaling \$2,695,671 will primarily provide housing for individuals and families affected by an HIV/AIDS diagnosis. HOME program funds (including program

income) totaling \$4,724,369 will help provide affordable housing for low and moderate income households.

Table 8 — Project Information
Describe the reasons for allocation priorities and any obstacles to addressing underserved needs

Analyses of consultations, evaluations, hearings, plans, studies and surveys were used to establish priorities. These priorities were also based on projects submitted during the City's CDBG proposal process, department recommendations, on-going and new development activities in the City, as well as priorities developed and considered during the review process. In addition, other Consolidated Plan programs (HOME, ESG and HOPWA) prioritized investment based on a combination of needs, development activities, and the ability to carry out projects.

As discussed in the 2015-2019 Consolidated Plan, lack of resources is a primary obstacle to meeting underserved needs in the City of Detroit. The City has used federal grants to address the obstacle of decreasing resources and will continue seeking grant funds to meet underserved needs. The City has also committed its grant funds to areas with active, effective community organizations and community development corporations in the belief that local community efforts will increase the effectiveness of City activities in improving neighborhoods.

In addition, there were other challenges addressing underserved needs such as declining population and the cost of providing services with a decreasing tax base.

Annual 2016-2017, priorities are listed below:

- Housing Rehabilitation & Development:
 - 0% interest loan program
 - Emergency home repair
 - Housing Pre-Development
 - Multi-Family Housing Public Service

Discussion

Consolidated Plan and Public Housing assistance is targeted to low and moderate income people. Geographic allocations will be targeted using a plan based on the Detroit Future Cities strategic plan, NRSA plan, and Slum and Blight designations whenever possible. In Detroit, the demand for services exceeds available resources in almost all Census tracts due in part to the high percentage of census tracts with 51 percent or more low/moderate income residents. Accordingly, resources available in this Action Plan and DHC resources will be geographically targeted whenever possible to benefit as many low and moderate income residents as possible. Some of the CDBG funding in this plan is allocated City-wide, to NRSA's and to Slum and Blighted areas. ESG funding is allocated on a City-wide basis. HOPWA funding is allocated to eligible residents City-wide. HOME projects will be targeted geographically according to the HOME Notice of Funding Availability (NOF A). The HOME NOFA is scheduled for completion later this year.

Affordable Housing

AP-55 Affordable Housing -91.220(g) Introduction

Providing decent, safe, and affordable housing is a critical step to revitalizing many of Detroit's neighborhoods. It is also an important anti-poverty strategy. The City is committed to ensuring that existing housing is in good condition and new housing is built in areas targeted for growth, and that a path to housing is available for individuals and families who are homeless or at risk of homelessness, or are low to moderate income. By doing so, the City can help keep at-risk populations from becoming homeless and prevent housing costs from becoming an overwhelming burden to low and moderate income households.

The City uses a combination of Community Development Block Grant (CDBG), HOME Investment Partnership Program (HOME), Emergency Solutions Grants (ESG), and Housing Opportunities for Persons with AIDS (HOPWA) funds to assist the most vulnerable populations in our community including homeless and low/moderate income housing needs. CDBG and ESG funds help prevent homelessness and assist those that are already homeless with shelter and supportive services. HOPWA funding addresses affordable housing needs faced by those struggling with an HIV/AIDS diagnosis. HOME and CDBG funds are used to build rental housing, help with down payments and rehabilitate homes for low and moderate income persons/families in Detroit. In addition, community partner funds are used with CDBG funds to provide Zero Percent Home Repair Loans to City of Detroit homeowners. The City also received a Lead Hazard Demonstration Grant totaling \$3,367,000 covering the period 12/1114 to 11/30/17. The Lead Grant, with matching funds from CDBG, will help abate lead in Detroit homes.

In 2016-2017 the City will continue to refine the process used to select housing rehabilitation and new construction projects (for example in geographically targeted areas of the City). H&RD will continue to consider the Detroit Future City land use typologies used in the 2016 HOME NOFA investment decisions. The City will seek to significantly leverage HOME funds with a clear, consistent, and

updatable procedure including investing in stable communities where other services are provided.

Goals for investing in rehabilitated and newly constructed housing in 2016-2017 include:

- Promoting and supporting sustainable, safe, and healthy homes and neighborhoods in the City of Detroit through housing rehabilitation and lead hazard control services
- Reducing distressed housing conditions and supporting blight reduction in neighborhoods
- Establishing formal criteria that can be used to make informed geographically targeted investment decisions

Other long term plans are underway to select the most appropriate grant subrecipients for target area work. Matching subrecipient strengths with priority rehabilitation and strategic goals may soon increase housing output.

Discussion

1. HOME: In the 2016 HOME Notice of Funding Availability (NOFA), funds will be targeted to strategic areas in the City. In addition to targeting, discussed in the Geographic Distribution section above, HOME funds will also be prioritized for projects in areas with lower vacancy, market strength or are located near local employment districts or transit. New construction will be limited to areas where there is clear demand and long term housing viability. Under the HOME Investor Rental Program H&RD expects to rehabilitate 86 units and build another 27 rental units for low/moderate income individuals.

2. CDBG Rehabilitation: H&RD's 2016-2017 Housing Rehabilitation Program will focus on the following:

- Eliminating lead-based paint hazards
- Repairing deteriorated building com-

ponents affecting occupant's health and safety

- Reducing home energy losses

Detroit is making progress against residential blight by repairing homes in both "NRSA" and "Slum and Blight" designated areas. In 2016-2017 the City of Detroit's Emergency Home Repair Program, currently administered by H&RD, continues to assist low and moderate income residents with emergency home repair grants. In addition, using CDBG funds, the City will leverage private capital investment to increase home repair dollars to residents of the City of Detroit. The following methods will serve low and moderate income homeowners:

- **Emergency Home Repair Grant** - These CDBG funds are targeted to low and moderate income Detroit homeowners. The grant is used to provide emergency replacement and repair of roofs, furnaces, porches, plumbing, and electrical concerns affecting the immediate health and safety of occupants. An estimated 133 homeowners will be assisted with a maximum expenditure of \$15,000 per home.

- **Zero Percent Home Repair Loan Program**—These privately leveraged CDBG funds will provide zero percent interest home repair loans and credit enhancements, to low and moderate income residents. The program will also provide loan guarantees to lenders, making these high risk loans attractive to investors in Detroit' future. In addition, those areas designated NRS areas and Slum and Blight areas will allow residents who are above 80 percent of area median income to participate in the program. An estimated 250 homes will be assisted with an average CDBG expenditures of \$8,000, with a match of leveraged private capital, per home.

These improvements will be made in areas with market viability, density, and future housing demand.

3. Under the CDBG Homebuyer Assistance Program 40 low to moderate-income persons will be helped with down payment and closing costs assistance.

4. Lead Hazard Demonstration Grant: H&RD plans to abate lead in 110 housing units under this program.

5. Neighborhood Stabilization Program 3 (NSP3): Although this program has closed, program income from NSP3 projects could leverage enough funding for 20 rental units in 2016-2017.

AP-60 Public Housing — 91.220(h) Introduction

The basic need of public housing residents is for decent, safe, affordable housing. To meet this need, the Detroit Housing Commission (DHC) does the following:

- Owns and operates 13 family and elderly public housing developments totaling approximately 3,700 units
- Oversees development activities for Four (4) federally funded HOPE VI revitalization projects (Woodbridge Estates, Cornerstone Estates, The Villages at Parkside (off-site component Emerald Springs) and Gardenvue Estates that provide rental and homeowner opportunities
- Administers approximately 6,000 Housing Choice Vouchers under the Assisted Housing Program
- Encourages homeownership through a number of different programs

Actions planned during the next year to address the needs to public housing

The Detroit Housing Commission's (DHC) planned efforts to comprehensively and effectively address the needs of public housing will be executed in the following manner:

- DHC has created a comprehensive Capital Improvement Plan that addresses the needs of our properties based on the guidance received from Physical Needs Assessments, input from DHC staff and input from DHC residents. The Plan is created and executed in accordance with HUD guidance and regulations. DHC has effectively expended and administered CFP funds received to improve and preserve DHC properties. DHC will continue to develop and implement the Capital Improvement Plan to improve the quality of life for DHC's residents.
- The Detroit Housing Commission applied for and was awarded an Emergency Safety and Security Grant to make upgrades to security systems at two large senior developments. The award will be utilized to make upgrades to front and rear entry doors of designated buildings as well as to the camera systems, access control systems, building alarm and other security related items to further ensure safety and effective crime deterrent tools already used to assist in resident's safety
- DHC will explore opportunities to collaborate with governmental agencies, non-profit community organizations, and developer partners to further the development & preservation of affordable housing in the City of Detroit
- DHC will continue to pursue the disposal and/or demolition of blighted properties in its inventory
- DHC will identify sources of financing to leverage its ability to increase affordable housing with the goal of increasing the total Annual Contributions Contract (ACC)

Inventory to reach the PHA limits set in The Faircloth Amendment

- DHC will explore acquiring and rehabilitating viable multi-family properties for sale in the city of Detroit as properties and funds become available

Actions to encourage public housing residents to become more involved in management and participate in homeownership

The Resident Advisory Board (RAB) provides the PHA and its residents with a forum for sharing information about the Agency's Annual Plan. In compliance with Section 511 of the United States Housing Act and regulations in 24 CFR part 903, the DHC has an established Resident Advisory Board (RAB) that is a part of the PHA Annual Plan process. The DHC's RAB membership is comprised of individuals who reflect and represent the residents assisted by the PHA. The role of the RAB is to assist the PHA in developing the PHA Plan and in making any significant amendment or modification to the Plan which include but is not limited to Capital Improvement plans, Development plans, and policy or process changes to both the Low Income Public Housing and Housing Choice Voucher programs.

DHC presented its draft annual action plan to the public in a February of 2016 meeting. DHC has encouraged the public to comment on the draft throughout the 45-day comment period. At the conclusion of the comment period DHC's Board of Commissioners will hold a public hearing to seek feedback and input from the public. At the conclusion of the comment period and public hearing, DHC's Board of Commissioners will finalize the plan. Submission to HUD will be on April 15th, 2016.

The Detroit Housing Commission has partnered with several HUD certified non-profit organizations to assist in the preparation of residents to become Home Ownership ready. These programs and services include but are not limited to credit counseling, basic home maintenance, financial assistance and education. Additionally, the Detroit Housing Commission offers two homeownership programs exclusive to DHC residents

If the PHA is designated as troubled, describe the manner in which financial assistance will be provided or other assistance

The Detroit Housing Commission is designated as a standard performer.

Discussion

H&RD will be working the DHC on a Transformation Plan as a part of the Choice Neighborhoods program. The Transformation Plan will become the guiding document for the revitalization of public, private, and assisted housing units in the neighborhood between Eastern Market and the Brush Park

Neighborhood. This program is designed to catalyze critical improvements in neighborhood assets, including vacant property, housing, services, and schools.

AP-65 Homeless and Other Special Needs Activities — 91.220(i) Introduction

The City of Detroit addresses the needs of its most vulnerable citizens by working with local partners to fund and/or implement CDBG, ESG, and other activities to prevent homelessness, provide shelter, and supportive services. Homeless funding is also used to support the Coordinated Access Model (CAM) and the Homeless Management Information System (HMIS). The CAM system is used to match homeless needs to resources and HMIS coordinates homeless service and activity statistical reports.

Homeless strategies and initiatives were developed to help solve the most urgent needs of the homeless and still help as many individuals and families as possible. Homeless strategies and initiatives include the “Zero: 2016” national initiative. Zero: 2016 is an initiative to end veteran’s homelessness by the end of 2015 and chronic homelessness by the end of 2016.

Describe the jurisdictions one-year goals and actions for reducing and ending homelessness including

Reaching out to homeless persons (especially unsheltered persons) and assessing their individual needs

During the 2016-2017 term, Detroit will continue to implement the coordinated assessment process that has been in place since early 2014. This coordinated assessment process reaches out to and assesses persons experiencing homelessness, and is required per the HEARTH Act. Locally, this system is referred to as the Coordinated Assessment Model (CAM). The intent of CAM is to provide a streamlined process by which people who are homeless or at-risk of homelessness are assessed for the most appropriate intervention to meet their needs, and able to access those resources.

Through the CAM, homeless households, who are either residing in shelters or are unsheltered, will receive an assessment using our community’s common assessment tool—the Service Prioritization Decision Assistance Tool (SPDAT). The SPDAT assigns a numeric value to help determine what type of intervention a household is best suited for: either that the person will be able to end his/her homelessness on their own; short-term assistance such as Rapid Re-Housing (RRH); or longer-term, more intensive assistance such as permanent supportive housing. Once the assessment has been made, the household will

be referred to a service provider to provide the assistance.

These assessments will be conducted within emergency shelter settings by both shelter and CAM staff. The assessments will also include persons who are unsheltered, as many of the street outreach program staff have been trained on the assessment tool (street outreach staff complete assessments on persons they encounter on the street). These street outreach teams will canvass the streets and other unsheltered locations where persons are known to be; they will visit soup kitchens and other drop-in programs where persons who are unsheltered may obtain a meal or shower.

The CAM will also coordinate placement into emergency shelter for persons seeking this service. This coordination will help ensure persons are placed into the shelter best suited for their needs.

Addressing the emergency shelter and transitional housing needs of homeless persons

Addressing emergency shelter needs

In the 2016-2017 term, Detroit will address the emergency housing needs of homeless persons in the following ways:

- **Emergency Shelter:** There are approximately 20 different emergency shelter providers. Some of these shelters are specifically targeted to youth, veterans, or victims of domestic violence. These projects are expected to continue operations in 2016-2017.
- **Warming Centers:** During the winter additional seasonal emergency shelter programs opened to provide shelter space for persons during the cold weather months. It is estimated there will be two or three Warming Centers operating during the winter of 2016-2017.
- **In early 2016,** the City of Detroit will pilot a shelter diversion program. The intent of this program is to identify persons seeking emergency shelter but could be diverted to an alternative housing setting. Planning for this diversion program is currently underway.
- **In 2016,** the City of Detroit will continue to work with The Cloudburst Group and Focus Strategies (HUD technical assistance providers) to provide a technical assistance training series to emergency shelter providers in Detroit. This training series will address such topics as operating low-barrier shelters, implementing a Housing First philosophy within the shelter, and assisting persons with quickly exiting to permanent housing. Additionally, the City will continue moving towards placing greater emphasis on housing outcomes for shelter providers.

Addressing transitional housing needs

Over the past year, the Continuum of Care (CoC) made a decision to remove CoC funding from 10 transitional housing programs in Detroit. The funding that is being removed from these programs is being allocated to several new Permanent Supportive Housing and RRH programs. In 2016-2017, there will be nine remaining CoC funded transitional housing programs in Detroit. These programs will serve! youth, families, persons fleeing domestic violence, and persons seeking substance abuse treatment.

Helping homeless persons (especially chronically homeless individuals and families, families with children, veterans and their families, and unaccompanied youth) make the transition to permanent housing and independent living, including shortening the period of time that individuals and families experience homelessness, facilitating access for homeless individuals and families to affordable housing units, and preventing individuals and families who were recently homeless from becoming homeless again

Chronically Homeless Individuals and Families — Permanent Supportive Housing (PSH) provides a permanent rental subsidy and wrap-around services for persons who have significant barriers to housing. The Detroit CoC currently has approximately 2,000 units of PSH, approximately 800 units are specifically dedicated to persons who are chronically homeless. By early 2016 a new PSH project will begin leasing up, and will provide approximately 40 to 50 additional units for chronically homeless individuals. In the recent FY 2015 CoC competition, the Detroit CoC submitted five new project applications for PSH that, if funded, will provide approximately 148 new units of PSH for chronically homeless individuals. If funded it is expected these projects will begin leasing up in late 2016 or early 2017.

Veterans and Their Families — *Detroit is a Zero 2016 Community*, which is an initiative to end veteran's homelessness by the end of 2015. Detroit has been making great strides to this end including having a targeted list of homeless veterans in our community and housing persons off that list. In the 2016-2017 term it is anticipated that the number of veterans who are homeless in our community will be very small and that our community's efforts will instead shift to focusing on how to prevent veterans from becoming homeless. The resources that will be available include:

- Supportive Services for Veteran Families (SSVF): SSVF will provide both RRH and prevention assistance for veterans (both single veterans and veterans with a family). RRH pro-

vides short-to medium-term rental assistance and services to quickly move people from a homeless situation back into housing. Prevention assistance provides assistance to persons at-risk of homelessness by using funds to pay rental or utility arrearages, or security deposits and limited rental assistance going forward for persons who need to move to a new housing unit. There are currently three SSVF programs in Detroit.

- HUD-VASH: HUD-VASH is a permanent supportive housing program funded by both HUD and the Veterans Administration (V A). There are currently over 300 HUD-VASH vouchers in Detroit.
- Grant Per Diem Transitional Housing (GPDTH): GPDTH beds provide transitional housing assistance to homeless veterans, the majority of whom are single individuals.

The intent of the GPDTH programs is to move these individuals into permanent housing.

Families with Children — The needs of families with children will be addressed by:

- A portion of the emergency shelter and transitional housing beds in Detroit will be specifically targeted to families with children
- Families with children will be eligible for ESG-funded RRH
- A new CoC funded RRH program for families is expected to begin leasing up by early 2016. This program will provide approximately 60 units of RRH for homeless families.
- In the recent FY 2015 CoC competition, the Detroit CoC submitted three new project applications for RRH that, if funded, will provide approximately 123 new units of RRH for individuals or families. If funded, it is expected these projects will begin leasing up in late 2016 or early 2017.
- Families with children will also be served by the community's prevention dollars.

Unaccompanied Youth — In the 2016-2017 term, the needs of unaccompanied youth will be addressed by:

- There will be three emergency shelters that are specifically for youth
- There will be four transitional housing programs specifically targeted to youth; three are able to serve pregnant/parenting teens
- There will be an organization that specifically provides outreach, counseling, and supportive services to homeless youth who identify as Lesbian, Gay, Bisexual, Transgender, or Questioning (LGBTQ).

Helping low-income individuals and families avoid becoming homeless, especially extremely low-income indi-

viduals and families and those who are: being discharged from publicly funded institutions and systems of care (such as health care facilities, mental health facilities, foster care and other youth facilities, and corrections programs and institutions); or, receiving assistance from public or private agencies that address housing, health, social services, employment, education, or youth needs.

Providing Financial Assistance — One key strategy for the 2016-2017 term will be to provide short-term leasing assistance and utility and/or rental arrears payments. Detroit will do this using Emergency Solutions Grant (ESG) funds via RRH or Prevention.

Preventing discharges into homelessness: Within the Detroit CoC, there are State mandated policies that prevent a person from being discharged from one of these institutions of care into homelessness:

- Foster care
- Mental health care
- Correctional facilities

Additionally, providers within the COC actively coordinate with these systems to help ensure that persons who have resided in each of them for longer than 90 days are not discharged into homelessness.

Providing supportive services: Through the ESG-funded programs, persons who are at-risk of homelessness will be able to access an array of supportive services to help stabilize a person experiencing a housing crisis, including mediation of landlord/tenant disputes, other legal assistance, and case management.

Expanding affordable housing opportunities: Detroit works to increase the availability of rental subsidies for low-income individuals and families and expand the use of Housing Choice Vouchers for those at risk of homelessness. When these opportunities are unavailable case managers often attempt to negotiate with landlords to make rents affordable.

Discussion

Homeless strategies and initiatives are covered in the report entitled "25 Cities". This report, led by the Department of Veterans Affairs, the Department of Housing & Urban Development, and the U.S Interagency Council on Homelessness, gives technical assistance to 25 communities throughout the country to assist in housing homeless veterans and the chronically homeless. The report helped develop the Zero: 2016 initiative. Supporting the belief that homelessness is a solvable community problem, the Detroit Continuum of Care (CoC) participates in the Zero: 2016 initiative. The Zero 2016 initiative involves 71 Communities across the country.

During 2016-2017 CDBG funds totaling \$2,537,147 will support the following homeless activities:

- Street Outreach
- Emergency Shelter Services (Shelter and Essential Services)
- Rapid Re-housing (Financial Assistance Short Term Case Management, Housing Navigation, & Housing relocation stabilization Services)
- Homeless Prevention Services (Housing Navigation/relocation services & Foreclosure Prevention)

CDBG homeless funds are also used to meet the 2016-2017 ESG match. ESG regulations require a 100 percent match for every dollar received from HUD. During 2016-2017 CDBG funds will match 89 percent of the 2016 ESG award (\$2,838,335). The remaining 11 percent match will be met by community organizations receiving ESG funding. Community organizations traditionally meet the match through in-kind contributions and other award commitments. The match is documented in their contracts. In 2014 the amount of contracted ESG match from community organizations far exceeded the required match (approximately \$3,685,089). We expect a similar occurrence with the 2015 and 2016 ESG match.

AP-75 Barriers to affordable housing – 91.220(j)
Introduction

Housing problems in Detroit are more a result of low-incomes rather than high housing costs. According to 2010 Census data 33 percent of the City's residents are at or below the poverty line. The latest economic downturn resulted in significant job losses and housing foreclosures. Today a city that was built and supported by a population of nearly two million is now under 720,000 people. As a result Detroit's housing supply exceeds the demand.

Neighborhood assets and overall quality of life also play a critical role in the city's

growth. The Detroit Future City Framework notes that open space, educational institutions, and arts/culture institutions all serve to make the city more attractive and marketable. These non-housing factors play a role in decisions to reside in Detroit.

Factors limiting Detroit's population growth include:

- Higher tax rates
- Higher insurance costs compared to nearby suburban areas
- Problems with Detroit Public Schools
- Predatory lending
- Lack of city services
- Crime/perceived crime

The following also impact housing affordability:

- A large segment of Detroit citizens are in poverty or are low/moderate income due to unemployment, under-employment or age related income issues (i.e. insufficient retirement income).
- Decreased funding in Housing Choice Vouchers (Section 8)
- Decreased funding in CDBG/HOME and other federal funds
- Aging housing stock requiring costly renovation or maintenance
- Lack of homeownership knowledge regarding home maintenance
- Resource/referral agency needed for homeowners
- Insufficient coordination between housing related entities in the Detroit area
- Lack of foreclosure prevention activities

Actions it planned to remove or ameliorate the negative effects of public policies that serve as barriers to affordable housing such as land use controls, tax policies affecting land, zoning ordinances, building codes, fees and charges, growth limitations, and policies OMB Control No: 2506-0117 (exp. 07/31/2015) affecting the return on residential investment

The City of Detroit is implementing policies aimed at ameliorating the negative effects of some public policies. In its Revised Master Plan of Policies, last updated in 2009, the City outlines the following strategic goals:

- Strategically target financing and tax incentives
- Ensure fair lending for low-income and minority homebuyers by encouraging the federal government to review and enforce the Community Reinvestment Act
- Increase and improve rental properties
- Provide supportive housing
- Coordinate community development efforts and work with local governments and housing professionals to coordinate housing and transportation opportunities

- Increase the diversity of transportation options and provide and maintain sufficient infrastructure to support multiple modes transportation including greenways, sidewalks, and bike paths

Discussion

Detroit's 2009 Analysis of Impediments to Fair Housing Choice states: "While low-income individuals do not represent a protected class in themselves, many of the protected classes are low-income individuals and families. Study findings illustrate worsening economic conditions for many Detroiters. The shortage of subsidized or affordable quality housing options was identified as a major concern of focus group participants. These two issues, together, present a challenge for the City of Detroit with respect to retaining residents, stabilizing neighborhoods, and providing quality affordable housing options for residents."

Wayne State University has been selected to provide a new Analysis of Impediments to Fair Housing Choice report. Report completion is expected by September of 20 16.

AP-85 Other Actions — 91.220(k)

Introduction

A variety of collaborations, programs and initiatives that encourage job growth and provide services to those in need take place within the City of Detroit. Detroit has been hit hard by the foreclosure crisis, the 2008 economic downturn, population loss, bankruptcy, and other challenges experienced by older industrial cities. As such, demand for services, programs, and activities supported by federal funds have increased significantly thus the need for coordination, leveraging funds, collaborating on projects, and strategically targeting funds is imperative.

Actions planned to address obstacles to meeting underserved needs

The City of Detroit has used Federal Grants to address the obstacle of decreasing funding. As our funding has decreased over the past few years it has become imperative to leverage our funding with other government funding streams and private resources. For example, the City of Detroit will work with our federal, state, and local partners to develop new housing options for poverty level families through such programs as Choice Neighborhoods and Low-Income Housing Tax Credits (LIHTC). While Choice Neighborhoods is a federal program we will also work with the Michigan State Housing Development Authority to fund LIHTC projects in the Choice Neighborhood and other target areas.

Detroit has suffered from population loss over the last sixty years but still has an infrastructure that at one time supported 2 million people. With a declining tax

base it has been hard for the City to keep up with infrastructure investment. H&RD will use CDBG-Declared Disaster Recovery (DDR) funds to reduce weaknesses in Detroit's aging stormwater management system that contributed to the 2014 flood.

Of particular concern is the problem of vacant or substandard homes that are contributing to the overall problem of blight and decay. The City will aggressively remove blight through coordinated initiatives initially targeting the neighborhoods where they are likely to have the greatest impact, and then progressively expanding across the City. Our commercial demolition program uses CDBG funding to target dangerous commercial and industrial buildings in low to moderate income areas and to remove blight. The residential demolition program is primarily contained within the Hardest Hit Fund (HHF) designated areas, though some demolitions take place outside of HHF are when non-HHF dollars are used.

Actions planned to foster and maintain affordable housing

The City of Detroit has organized its affordable housing policy around three priorities: transformation, preservation, and supportive housing. We have designated targeted multifamily development areas within which implementation of these priorities will be focused. We believe these target areas are within neighborhoods of strength and are closely aligned with those places in the city where we have directed much of our demolition funding.

1. Transformation — new housing developments, whether rehabilitation or new construction, positively impact the surrounding neighborhood and contribute to an increased quality of life for its residents and neighbors. Transformation occurs through aesthetically pleasing developments that increase walkability and are part of a larger vision for a neighborhood.

2. Preservation — existing affordable housing units must be preserved beyond their initial term of affordability. Threats to affordable housing in Detroit comes from increased market housing demand in limited areas of Detroit and obsolescence of aging units across the city. The City aims to preserve those units that are under the most pressure to cease operation as affordable units.

3. Supportive Housing — we aim to facilitate the development of supportive housing units to reduce the number of people experiencing homelessness in Detroit.

During 2016 the City of Detroit is funding the Zero Interest Loan Program at \$3,000,000, lead grants at \$1,500,000 and the Conventional Home Repair Program at \$500,000.00.

Actions planned to reduce lead-based paint hazards

Based on the American Community Survey (ACS) 2012 approximately 93 percent of Detroit's housing was built before 1978 with 32 percent being built before 1940, therefore the City's housing stock can contain lead based paint hazards. Lead-based paint was banned for residential use in the U.S. in 1978 but lead based paint continues to be an issue contributing to learning disabilities and other significant health issues among children living in affected homes. The City of Detroit, through H&RD, is committed to seeking funding in reducing lead hazards and providing prevention information and educational awareness with the various lead partners throughout the City.

H&RD applied and received funding from HUD's Office of Healthy Homes and Lead Hazard Control. This is the 4th **Lead Hazard Reduction Demonstration Grant received by the City of Detroit**. This grant covers a 36-month period that began December 1, 2014 and ends November 30, 2017. The target population is households with children under the age of six (6) years or where a pregnant woman resides. The eligible properties are single family structures and rental property that contain no more than four (4) dwelling units. In addition, the grant will also identify and address, where feasible, other health and safety issues through the Healthy Homes Rating System. This system "rates hazards for their potential to harm residents and enables those risks to be removed or minimized." One of the goals of the grant is to complete a total of 240 units of housing by the grant's expiration date in November, 2017 through abatement or interim control thereby increasing the number of lead-safe residential units in the City of Detroit. H&RD plans to address 110 units housing units with this grant during the 16-17 year.

The Detroit Department of Health and Wellness Promotion (DWHP), administers the Childhood Lead Poisoning Prevention Program (CLPPP). The program's mission is:

- the prevention of childhood lead poisoning with the identification and
- case management of children with elevated blood lead levels, and
- facilitating the remediation of lead hazards in the home.

In order to successfully achieve their mission CLPPP:

- Provides capillary testing to children younger than 7 years of age and provides coordinated, comprehensive nursing case management services in the child's home
- Maintains a data and surveillance system to track trends and better coordinate services throughout the city
- Distributes lead prevention education

material and provides presentations to parents, health care professionals, and rental property owners

The Detroit Lead Partnership meets on a monthly basis with multiple partners across the city and the Southeast Michigan region to work on a variety of lead prevention issues including, but not limited to, enforcement, service delivery, lead education, and lead-safe housing.

Actions planned to reduce the number of poverty-level families

Housing, education, transportation, and job opportunities are all important aspects of Detroit's anti-poverty strategy.

Housing: See the Affordable Housing section at AP 55 for detail on H&RD's efforts to reduce the number of poverty level families by making decent, safe, and affordable housing available for those in need.

Education: Educational attainment is one key to bringing individuals out of poverty. According to the Winter 2015, Michigan Economic and Workforce Indicators and Insights, "The effects of increased levels of educational attainment are evident when looking at the labor force participation and unemployment rates for the population 25 and over. There is a clear negative relationship between educational attainment and the jobless rate. It is also apparent that additional education enhances workforce participation."

To date, Detroit Public Schools (DPS) has been managed by four state appointed emergency managers to solve its financial and educational troubles. A new DPS administrator has been named to steer DPS reforms. While Retired U.S. bankruptcy judge Steven Rhodes (Rhodes presided over the Detroit bankruptcy), is not an emergency manager he will execute Governor Rick Snyder's DPS education plan. According to Rhodes a strong school system is key to Detroit's long-term success.

In addition, CDBG funding for educational programs continues to be a City priority. During the 2016-2017 program year the City of Detroit will provide approximately \$700,000 for literacy, math, science, and job training programs.

Transportation: Transportation to employment opportunities is important to combat the City's high jobless rate. The Detroit Department of Transportation (DDOT) operates 36 fixed transit routes in Detroit. Services operate 24 hours a day, 7-days a week, with 85,000 rides provided on a typical weekday. Transportation priorities include:

- Improving cross-town transportation and options to get from the city to surrounding suburbs.
- Ensuring special needs groups (blind, deaf, disabled, and seniors) access to reliable transportation.

- Supporting the new Regional Transit Authority (RTA) in developing a master transit plan, including bus rapid transit.
- Continuing work on the 3.3 mile M-I Woodward Streetcar project. It is scheduled to start running in 2017.
- Acquiring property in Delray where a new bridge between the U.S. and Canada will be located.

Employment: A significant cause of poverty is the lack of employment opportunities. The Detroit Employment Solutions Corporation (DESC) is a non-profit agency dedicated to training and opportunities to match Detroiters to jobs. DESC provides services to over 23,000 job seekers and over 1,500 Metro-Detroit businesses a year. Its services include:

A number of programs designed specifically to address particular populations such as veterans and those recently released from prison.

- A Detroit Registered Apprentice Program (D-RAP) assisting Detroiters eager to acquire the technical skills needed to build a career.
- Engaging with M-I Rail and Olympia Development management teams to provide a pipeline of workers for both M-I Rail and new hockey arena.

H&RD will continue providing its Summer Youth Employment Program. In addition to support from local businesses, the City of Detroit has provided CDBG funds specifically for youth within the five designated Neighborhood Revitalization Strategy Areas. The program provides job training, skill building, and employment opportunities for at risk and low-income youth helping them gain valuable workplace experience.

Actions planned to develop institutional structure

Institutional structure for H&RD housing programs begins with program administration and oversight by H&RD staff. H&RD staff then procure qualified subrecipients to carry out the following programs:

- Zero Percent Interest Loan Program
- CDBG Rehabilitation Grant Program
- HOME program

H&RD continues to implement the Zero percent interest housing rehabilitation loan program with the help of Local Initiatives Support Corporation (LISC). When a Detroit homeowner applies for a home loan LISC does a preliminary review of the application. If LISC deems the application viable then it is forwarded to a local banking institution for underwriting and approval. The application is then forwarded to H&RD for inspection, approval, and loan closing. H&RD then oversees the rehabilitation of the home (carried out by contractors).

H&RD staff continue to refine the application process for the grant rehabilitation

programs. Applications can be received from the Department of Health and Wellness Promotion, H&RD walk-ins, or at community events. H&RD staff members then review applications for compliance with program requirements. If the applications are approved, they are forwarded to a rehabilitation specialist who then inspects the home and develops specifications. When the homeowner and H&RD approve of the specifications then work can begin. Approved contractors then perform the rehabilitation work.

The H&RD system in place for the HOME program begins with H&RD staff selecting a qualified Community Housing Development Organization (CHDO) through a Notice of Funding Availability (NOFA). The NOFA is advertised and interested parties apply through the City's online procurement processing system. If a development project is deemed feasible by H&RD staff, HOME funds are committed to the project as gap financing. In return for this gap financing a developer must reserve a certain number of units for low to moderate income residents. The developer can use their own staff or contractors to carry out the project.

The City of Detroit has been coordinating with the State of Michigan Department of Health and Human Services (MDHHS) and MSHDA to align funding and performance priorities for organizations delivering ESG eligible activities. This work includes training for providers to improve program performance and reducing the length of time families and individuals are homeless. In addition, the City of Detroit is launching a homelessness diversion pilot program that includes financial and service support from MDHHS and Wayne Metropolitan Community Action Agency. The City of Detroit is also represented on the newly established Continuum of Care board that brings together a diverse group of stakeholders focused on homelessness.

Actions planned to enhance coordination between public and private housing and social service agencies

In addition to working with the DHC on Choice Neighborhoods, H&RD will work with the DHC and federal partners to bring more housing units into the inventory. These units will be in both mixed-income and affordable-only developments and H&RD and DHC intend to release a request for proposals for the first developments of this program this summer.

HAND serves as the lead agency for the Detroit CoC. H&RD consistently works with HAND to develop performance standards, evaluate proposals, and help determine homeless community needs.

This coming year H&RD will commit \$660,000 in CDBG funding for programs that help seniors and run health programs to those who qualify. To leverage the impact of HOPWA funds and to assist with

continuity in housing and in care, HOPWA services are coordinated with Ryan White funded HIV/AIDS agencies and other non-Ryan White service providers in the Detroit area. Ryan White Part A services are coordinated by the Southeast Michigan HIV/AIDS Council (SEM HAC), which is the planning council for funds allocated for Ryan White services.

The Summer Jobs for Youth training program is entering its second year and was developed in partnership with private businesses and non-profit agencies.

Discussion

The City of Detroit encourages citizen involvement and participation and supports cooperative activities. The City of Detroit supports various task forces and other collaborative efforts such as meetings with the Homeless Action Network of Detroit (HAND), Housing Task Force, Detroit Lead Partnership, Detroit-Wayne County Green and Healthy Homes Initiative as well as many others.

Along with the collaborations listed above the City has worked closely with the Detroit Land Bank Authority, Michigan Fast Track Land Bank Authority, Detroit Public Schools, Detroit

Housing Commission, Detroit Building Authority, and Wayne County Treasurer to align decision-making regarding the sale, maintenance and demolition of publically-owned parcels.

**Program Specific Requirements
AP-90 Program Specific Requirements
— 91.220(1)(1,2,4)**

Introduction

While it is not possible to address all the housing and non-housing needs identified in this Action Plan H&RD will do its best to strategically invest funding from the four federally funded programs. CDBG funds will be used to benefit low-and-moderate income persons through various social and economic programs. HOME funds will be used to provide affordable housing including new construction of multi-family rental units. HOPWA program funds will be used to serve homeless and non-homeless persons residents infected and/or affected by HIV/AIDS through Tenant based Rental Assistance (TBRA) and Community Residential Programs while providing information and supportive services. Finally ESG funds will be used for emergency shelters, warming centers, homeless prevention, rapid re-housing and street outreach.

Community Development Block Grant Program (CDBG) Reference 24

CFR 91.220(1)(1)

Projects planned with all CDBG funds expected to be available during the year are identified in the Projects Table. The following identifies program income that is available for use that is included in projects to be carried out.

1. The total amount of program income that will have been received before the start of the next program year and that has not yet been reprogrammed. 0

2. The amount of proceeds from section 108 loan guarantees that will be used during the year to address the priority needs and specific objectives identified in the grantee's strategic plan. 0

3. The amount of surplus funds from urban renewal settlements. 0

4. The amount of any grant funds returned to the line of credit for which the planned use has not been included in a prior statement or plan 0

5. The amount of income from float-funded activities 0

Total Program Income: 0

No Program Income is expected in 2016.

Other CDBG Requirements

1. The amount of urgent need activities 0

No urgent need activities have been identified or anticipated.

2. The estimated percentage of CDBG funds that will be used for activities that benefit persons of low and moderate income. Overall Benefit -A consecutive period of one, two or three years may be used to determine that a minimum overall benefit of 70 percent of CDBG funds is used to benefit persons of low and moderate income. Specify the years covered that include this Annual Action Plan. 90.00%

The 2015-2019 Consolidated Plan certifications indicate 2015, 2016, and 2017 as the three year period covered to attain the primary objective (70 percent of CDBG funds must be used to benefit persons of low and moderate income). We are projecting 90 percent low and moderate income benefit with 2016 CDBG funds. Ninety percent was also estimated for 2015 CDBG funds. Actual 2015 benefit will be calculated at the end of the 2015 program year.

**HOME Investment Partnership Program (HOME) Reference 24
CFR 91.220(1)(2)**

1. A description of other forms of investment being used beyond those identified in Section 92.205 is as follows:

Low Income Housing Tax Credits (LIHTC), FHA Insured Mortgages, Historic Tax Credits (HTC), developer equity, foundation grants, private investment from other banks and lenders, and Community Reinvestment Fund Program (CRP).

2. A description of the guidelines that will be used for resale or recapture of HOME funds when used for home-buyer activities as required in 92.254, is as follows:

- The recapture provisions will be met by the recapture of some or the entire

HOME subsidy at the time of sale for use in another eligible HOME activity.

- The City of Detroit requires a minimum of \$1,000.00 relative to recapture.
- The City of Detroit may permit sale of the property during the affordability period to a noneligible homebuyer with full or reduced repayment of the HOME assistance.

Scenario #1

If the sale results in sufficient funds to repay both the HOME subsidy and the developer's investment, the City of Detroit may choose to recapture the entire HOME subsidy or may reduce the amount to be repaid based upon the time the homebuyer owned and occupied the property.

Example: The homebuyer receives \$20,000 in HOME assistance which requires a minimum of 10-year affordability period. The City decides to forgive 1/10, or \$2,000, of the subsidy each year the homebuyer owns and lives in the property. Any funds remaining following repayment of private debt, closing costs, etc., the HOME subsidy may be retained by the City, or distributed to the developer.

Scenario #2

If the sale results in insufficient proceeds to repay all debt and the developer's investment, the City of Detroit may permit the seller to repay an amount less than the full HOME assistance. HOME funds subject to recapture include any development subsidy or direct assistance to the homebuyer that reduced the purchase price from fair market value (FMV) to an affordable price, but excludes any difference between the cost to the developer of producing the unit and the FMV of the property.

Example: The developer acquires a vacant single family home for \$20,000. It rehabilitates the property to meet code standards for \$15,000. The developer's total investment of HOME funds is \$35,000. An appraisal finds that the property's FMV after rehab is only \$30,000. Assuming the property is sold or \$30,000 the \$5,000 difference between the developer's total investment of HOME funds and FMV sales price is not subject to recapture from the developer.

The amount subject to recapture is the amount used to determine the affordability period.

3. A description of the guidelines for resale or recapture that ensures the affordability of units acquired with HOME funds. See 24 CFR 92.254(a)(4) are as follows:

The City of Detroit may use any of the following methods of recapture as provided by HOME Regulations:

- Recapture the entire amount of the HOME subsidy; (Not a part of the City of Detroit's Program)
- Prorate the amount recaptured

based on the time the homeowner has owned and occupied the units measured against the required affordability period;

- The HOME subsidy to be repaid may be based on the percentage of the affordability period that has expired;
- If the net proceeds (that is, the sales price minus repayment of non-HOME loan funds and closing costs) are not sufficient to recapture the full (or prorated amount) of HOME funds, the City of Detroit may allow the developer to share the net proceeds (allowing for the developer to recover some or all of the down payment and capital improvement investments). Furthermore methods 2 and 3 above (proration and proportional distribution) may be combined to maximize the funds returned to the City. Alternatively, the City of Detroit may also allow the developer to recover any remaining funds towards his/her investment (down payment and capital improvements) first, before recapturing the HOME subsidy.

4. Plans for using HOME funds to refinance existing debt secured by multifamily housing that is rehabilitated with HOME funds along with a description of the refinancing guidelines required that will be used under 24 CFR 92.206(b), are as follows:

None.

**Emergency Solutions Grant (ESG)
Reference 91.220(1)(4)**

1. Include written standards for providing ESG assistance (may include as attachment)

In concert with HAND, Detroit's Continuum of Care lead agency, the City of Detroit created draft program standards for all ESG and CoC funded programs. This draft will be vetted through the Continuum of Care board, open to public comment and will be finalized in 2016.

2. If the Continuum of Care has established centralized or coordinated assessment system that meets HUD requirements, describe that centralized or coordinated assessment system.

Detroit has established a coordinated assessment system known as CAM. CAM was implemented in a phased approach beginning in 2014. Key system components include the following:

- Access to shelter placement via a call center
- A standardized assessment tool (the VI-SPDAT and full SPDAT)
- A coordinated process (providing access to rapid re-housing and permanent supportive housing)

The City of Detroit is providing \$1.1 million in ESG funds to support the CAM system over the next four years.

3. Identify the process for making

sub-awards and describe how the ESG allocation available to private nonprofit organizations (including community and faith-based organizations).

The City continues to use its CDBG funds as a match for the annual ESG allocation. The City of Detroit uses an RFP process each year to select the best qualified organizations to implement ESG activities. All organizations are required to provide any needed match to the funds awarded. Matching sources may include cash contributions expended for allowable costs, and non-cash contributions including, but not limited to, the value of any real property, equipment, goods, or services provided that the costs would have been allowable.

4. If the jurisdiction is unable to meet the homeless participation requirement in 24 CFR 576.405(a), the jurisdiction must specify its plan for reaching out to and consulting with homeless or formerly homeless individuals in considering policies and funding decisions regarding facilities and services funded under ESG.

The City of Detroit adheres to homeless participation requirements at 24 CFR 576.405(a). The City of Detroit has required that all sub grantee organizations appoint one homeless or formerly homeless individual to its board of directors in order to be considered for ESG funding. Our purpose is to ensure the needs of homeless individuals are taken into consideration as organizations make policy decisions.

5. Describe performance standards for evaluating ESG.

Over the course of 2015, the City of Detroit worked closely with the Continuum of Care and ESG provider agencies to better understand metrics of success related to ESG program types. The City of Detroit has enlisted the support of Priority Community technical assistance providers to ensure the entire request for proposal, contracting and sub grantee monitoring process work together to encourage continuous improvement from sub grantees. Over the course of the next two years, the City of Detroit hopes to

move to a performance based contracting system that will encourage the most effective use of federal funds and help establish a more effective homelessness response system with an emphasis on exits to permanent housing (for households accessing an ESG funded service program or agency).

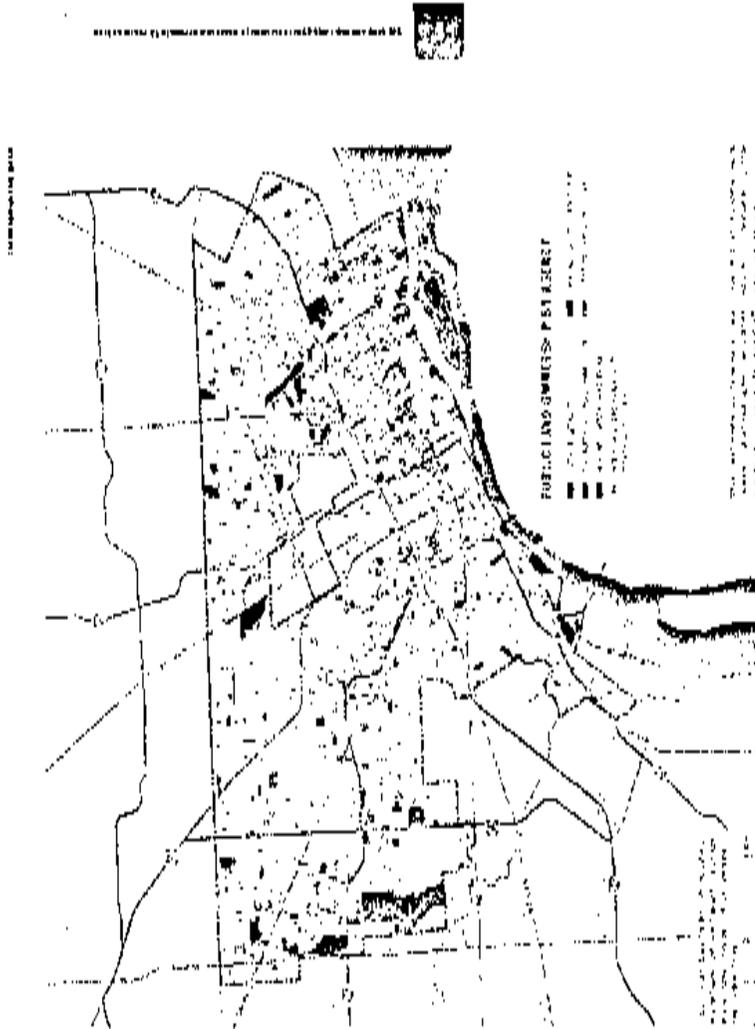

Discussion

Each year Detroit manages to spend over 70 percent of its CDBG funds on activities that benefit low to moderate income residents. This upcoming year will be no different. Under the HOME Program H&RD hopes to provide another 86 rehabilitated rental units and another 27 new rental units for low to moderate income families. The Department of Health and Wellness Promotion (DHWP) will provide 190 individuals and families with HIV/AIDS with rental assistance through the HOPW A program. DHWP will also provide 20 permanent housing units for people infected with HIV/AIDS. Under the ESG program H&RD will provide nearly 4,000 individuals and families with housing.

Date & Time:

Summary:

HRD staff conducted the hearing. Mr. Duncan began the meeting by introducing himself and Mr. Raschke. Mr. Duncan provided a brief overview and the purpose of the meeting. Also, information regarding the Community Development Block Grant proposal application in BidSync was discussed.

There were 3 Community Organizations that had questions/comments.

Question/Comment 1:

Regarding transparency, it would be helpful to have a process map of the entire CDBG/NOF process starting w/the submission of the 5-year Consolidated plan, the submission of 1-year Action Plan, the bidding process, evaluation process, selection process, announcements, appeal process, City Council approval, contract approval and billing.

Response to Question/Comment 1:

Timeline of the Consolidated/Action Plan are available, however, due to unforeseen events regarding City Council's schedule, dates are often change. City Council's meetings are open to the public and broadcast online. Also, any information on the contracting and billing process can contact Chidi Nyeche of Neighborhood Support Services Division.

Question/Comment 2:

Are bidders required to complete and upload Income tax clearance with the accounts receivable clearance? Formal City of Detroit "approvals" on the clearances in order to qualify to submit an eligible bid.

Response to Question/Comment 2:

All BidSync related questions were referred to Elizabeth Johnson of the Office of Contracting and Procurement. Her office number was given out at the meeting.

Question/Comment 3:

Given that the new system for submitting the proposals in a new method completely, it appears the timing is terrible. The RFP is available on 11/16/15, its due 12/11/15 which also runs through the holiday. So my point is this is a very short period of time to learn the online system of completing the proposal timely.

Response to Question/Comment 3:

Ms. Elizabeth Johnson and staff members from BidSync will be available to offer technical assistance to assist with any problems submitting the proposals through BidSync.

No additional comments were made in the public forum. Mr. Raschke adjourned the hearing.

Comments:

Staff from the Housing and Revitalization Department conducted the meeting.

A summary of the presentation is summarized below (presentation package is attached).

One individual attended the hearing (Mr. Samuel Tumer). The attendee was interested in the HOME Investment Partnerships (HOME) program's Notice of Funding Availability (NOFA) and when it would be published. The attendee was told the HOME program NOFA would be published later in 2016. A representative from H&RD familiar with the HOME program (Mr. Anthony Smith) was brought in to discuss HOME matters. Mr. Turner was mainly concerned that his proposed project was outside of a designated target area. Mr. Turner was told that while the City was interested in targeting, his proposal would ultimately be judged on how strong his application was.

Ms. Sheryl Gray then conducted a presentation on the 5 Year Consolidated Plan and Annual Action Plan as well as fast facts about the CDBG program. She discussed the review and approval process of this year's Action Plan as well as the funding programs in the plan: Community Development Block Grant, HOME, Housing Opportunities for Persons With AIDS, and Emergency Solutions Grant (the Declared Disaster Recovery (DDR) program amended the Action Plan in 2015). Mr. Turner was told this year's Annual Action Plan will be submitted to HUD on May 13, 2016.

Staff adjourned the hearing at 7:00 p.m.

CERTIFICATIONS

In accordance with the applicable statutes and the regulations governing the consolidated plan regulations, the jurisdiction certifies that:

Affirmatively Further Fair Housing — The jurisdiction will affirmatively further fair housing, which means it will conduct an analysis of impediments to fair housing choice within the jurisdiction, take appropriate actions to overcome the effects of any impediments identified through that analysis, and maintain records reflecting that analysis and actions in this regard.

Anti-displacement and Relocation Plan — It will comply with the acquisition and relocation requirements of the Uniform Relocation Assistance and Real Property Acquisition Policies Act of 1970, as amended, and implementing regulations at 49 CFR 24; and it has in effect and is following a residential antidisplacement and relocation assistance plan required under section 104(d) of the Housing and Community Development Act of 1974, as amended, in connection with any activity assisted with funding under the CDBG or HOME programs.

Anti-Lobbying — To the best of the jurisdiction's knowledge and belief:

1. No Federal appropriated funds have been paid or will be paid, by or on behalf of it, to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with the awarding of any Federal contract, the making of any Federal grant, the making of any Federal loan, the entering into of any cooperative agreement, and the extension, continuation, renewal, amendment, or modification of any Federal contract, grant, loan, or cooperative agreement;

2. If any funds other than Federal appropriated funds have been paid or will be paid to any person for influencing or attempting to influence an officer or employee of any agency, a Member of Congress, an officer or employee of Congress, or an employee of a Member of Congress in connection with this Federal

contract, grant, loan, or cooperative agreement, it will complete and submit Standard Form-LLL, "Disclosure Form to Report Lobbying," in accordance with its instructions; and

3. It will require that the language of paragraph 1 and 2 of this anti-lobbying certification be included in the award documents for all subawards at all tiers (including subcontracts, subgrants, and contracts under grants, loans, and cooperative agreements) and that all subrecipients shall certify and disclose accordingly.

Authority of Jurisdiction — The consolidated plan is authorized under State and local law (as applicable) and the jurisdiction possesses the legal authority to carry out the programs for which it is seeking funding, in accordance with applicable HUD regulations.

Consistency with plan — The housing activities to be undertaken with CDBG, HOME, ESG, and HOPWA funds are consistent with the strategic plan.

Section 3 — it will comply with section 3 of the Housing and Urban Development Act of 1968, and implementing regulations at 24 CFR Part 135.

The Entitlement Community certifies that:

Citizen Participation — It is in full compliance and following a detailed citizen participation plan that satisfies the requirements of 24 CFR 91.105.

Community Development Plan — Its consolidated housing and community development plan identifies community development and housing needs and specifies both short-term and long-term community development objectives that provide decent housing, expand economic opportunities primarily for persons of low and moderate income. (See CFR 24 570.2 and CFR 24 part 570)

Following a Plan — It is following a current consolidated plan (or Comprehensive Housing Affordability Strategy) that has been approved by HUD.

Use of Funds — It has complied with the following criteria:

1. Maximum Feasible Priority. With respect to activities expected to be assisted with CDBG funds, it certifies that it has developed its Action Plan so as to give maximum feasible priority to activities which benefit low and moderate income families or aid in the prevention or elimination of slums or blight. The Action Plan may also include activities which the grantee certifies are described to meet other community development needs having a particular urgency because existing

conditions pose a serious and immediate threat to the health or welfare of the community, and other financial resources are not available);

2. Overall Benefit. The aggregate use of CDBG funds including section 108 guaranteed loans during program year(s) 2015, 2016, 2017, (a period specified by the grantee consisting of one, two, or three specific consecutive program years), shall principally benefit persons of low and moderate income in a manner that ensures that at least 70 percent of the amount is expended for activities that benefit such persons during the designated period;

3. Special Assessments. It will not attempt to recover any capital costs of public improvements assisted with CDBG funds including Section 108 loan guaranteed funds by assessing any amount against properties owned and occupied by persons of low and moderate income, including any fee charged or assessment made as a condition of obtaining access to such public improvements.

However, if CDBG funds are used to pay the proportion of a fee or assessment that relates to the capital costs of public improvements (assisted in part with CDBG funds) financed from other revenue sources, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds.

The jurisdiction will not attempt to recover any capital costs of public improvements assisted with CDBG funds, including Section 108, unless CDBG; funds are used to pay the proportion of fee or assessment attributable to the capital costs of public improvements financed from other revenue sources. In this case, an assessment or charge may be made against the property with respect to the public improvements financed by a source other than CDBG funds. Also, in the case of properties owned and occupied by moderate-income (not low-income) families, an assessment or charge may be made against the property for public improvements financed by a source other than CDBG funds if the jurisdiction certifies that it lacks CDBG funds to cover the assessment.

Excessive Force It has adopted and is enforcing:

1. A policy prohibiting the use of excessive force by law enforcement agencies within its jurisdiction against any individuals engaged in non-violent civil rights demonstrations; and

2. A policy of enforcing applicable State and local laws against physically barring entrance to or exit from a facility or location which is the subject of such non-violent civil rights demonstrations within its jurisdiction;

Compliance with Anti-discrimination Laws — The grant will be conducted and administered in conformity with title VI of the Civil Rights Act of 1964 (42 USC 2000d), the Fair Housing Act (42 USC 3601-3619), and implementing regulations.

Lead-Based Paint — Its activities concerning lead-based paint will comply with the requirements of 24 CFR Part 35, subparts A, B, J, K and R;

Compliance with Laws — It will comply with applicable laws.

ESG Certifications

The Emergency Solutions Grants Program Recipient certifies that:

Major rehabilitation/conversion — If an emergency shelter's rehabilitation costs exceed 75 percent of the value of the building before rehabilitation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed rehabilitation. If the cost to convert a building into an emergency shelter exceeds 75 percent of the value of the building after conversion, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 10 years after the date the building is first occupied by a homeless individual or family after the completed conversion. In all other cases where ESG funds are used for renovation, the jurisdiction will maintain the building as a shelter for homeless individuals and families for a minimum of 3 years after the date the building is first occupied by a homeless individual or family after the completed renovation.

Essential Services and Operating Costs — In the case of assistance involving shelter operations or essential services related to street outreach or emergency shelter, the jurisdiction will provide services or shelter to homeless individuals and families for the period during which the ESG assistance is provided, without regard to a particular site or structure, so long the jurisdiction serves the same type of persons (e.g., families with children, unaccompanied youth, disabled individuals, or victims of domestic violence) or persons in the same geographic area.

Renovation — Any renovation carried out with ESG assistance shall be sufficient to ensure that the building involved is safe and sanitary.

Supportive Services — The jurisdiction will assist homeless individuals in obtaining permanent housing, appropriate supportive services (including medical and mental health treatment, victim services, counseling, supervision, and other services essential for achieving independent living), and other Federal State, local, and private assistance available for such individuals.

Matching Funds — The jurisdiction will obtain matching amounts required under 24 CFR 576.201.

Confidentiality — The jurisdiction has established and is implementing procedures to ensure the confidentiality of records pertaining to any individual provided family violence prevention or treatment services under any project assisted under the ESG program, including protection against the release of the address or location of any family violence shelter project, except with the written authorization of the person responsible for the operation of that shelter.

Homeless Persons Involvement — To the maximum extent practicable, the jurisdiction will involve, through employment, volunteer services, or otherwise, homeless individuals and families in constructing, renovating, maintaining, and operating facilities assisted under the ESG program, in providing services assisted under the ESG program, and in providing services for occupants of facilities assisted under the program.

Consolidated Plan — All activities the jurisdiction undertakes with assistance under ESG are consistent with the jurisdiction's consolidated plan.

Discharge Policy — The jurisdiction will establish and implement, to the maximum extent practicable and where appropriate policies and protocols for the discharge of persons from publicly funded institutions or systems of care (such as health care facilities, mental health facilities, foster care or other youth facilities, or correction programs and institutions) in order to prevent this discharge from immediately resulting in homelessness for these persons.

APPENDIX TO CERTIFICATIONS

Instructions Concerning Lobbying and Drug-Free Workplace Requirements Lobbying Certification

This certification is a material representation of fact upon which reliance was placed when this transaction was made or entered into. Submission of this certification is a prerequisite for making or entering into this transaction imposed by section 1352, title 31, U.S. Code. Any person who fails to file the required certification shall be subject to a civil penalty of not less than \$10,000 and not more than \$100,000 for each such failure.

Drug-Free Workplace Certification

1. By signing and/or submitting this application or grant agreement, the grantee is providing the certification.

2. The certification is a material representation of fact upon which reliance is placed when the agency awards the grant. If it is later determined that the grantee knowingly rendered a false certification, or otherwise violates the requirements of the Drug-Free Workplace Act, HUD, in addition to any other remedies available to the Federal Government, may take action authorized under the Drug-Free Workplace Act.

3. Workplaces under grants, for grantees other than individuals, need not be identified on the certification. If known, they may be identified in the grant application. If the grantee does not identify the workplaces at the time of application, or upon award, if there is no application, the grantee must keep the identity of the workplace(s) on file in its office and make the information available for Federal inspection. Failure to identify all known workplaces constitutes a violation of the grantee's drug-free workplace requirements.

4. Workplace β must include the actual address of buildings (or parts of buildings) or other sites where work under the grant takes place. Categorical descriptions may be used (e.g., all vehicles of a mass transit authority or State highway department while in operation, State employees in each local unemployment office, performers in concert halls or radio stations).

5. If the workplace identified to the agency changes during the performance of the grant, the grantee shall inform the agency of the change(s), if it previously identified the workplaces in question (see paragraph three).

6. The grantee may insert in the space provided below the site(s) for the performance of work done in connection with the specific grant: Place of Performance (Street address, city, county, state, zip code).

Check if there are workplaces on file that are not identified here X. The certification with regard to the drug-free workplace is required by 24 CFR part 21.

7. Definitions of terms in the Nonprocurement Suspension and Debarment common rule and Drug-Free Workplace common rule apply to this certification. Grantees' attention is called, in particular, to the following definitions from these rules: "Controlled substance" means a controlled substance in Schedules I through V of the Controlled Substances Act (21 U.S.C. 812) and as further defined by regulation (21 CFR 1308.11 through 1308.15); "Conviction" means a finding of guilt (including a plea of nolo contendere) or imposition of sentence, or both, by any judicial body

charged with the responsibility to determine violations of the Federal or State criminal Drug statutes; "Criminal Drug statute" means a Federal or non-Federal criminal statute involving the manufacture, distribution, dispensing, use, or possession of any controlled substance; "Employee" means the employee of a grantee directly engaged in the performance of work under a grant, including:

- a. All "direct charge" employees;
- b. All "indirect charge" employees unless their impact or involvement is insignificant to the performance of the grant; and
- c. Temporary personnel and consultants who are directly engaged in the performance of work under the grant and who are on the grantee's payroll. This definition does not include workers not on the payroll of the grantee (e.g., volunteers, even if used to meet a matching requirement; consultants or independent contractors not on the grantee's payroll; or employees of subrecipients or subcontractors in covered workplaces).

Note: that by signing these certifications, certain documents must be completed, in use, and on file for verification. These documents include:

- 1. Analysis of Impediments to Fair Housing
- 2. Citizen Participation Plan
- 3. Anti-displacement and Relocation Plan

Planning & Development Department
 March 28, 2016

Honorable City Council:
 Re: Real Property at 6316 Willette, Detroit, MI 48210.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Mullane Industries, Inc., a Michigan Corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 6316 Willette, Detroit, MI, (the "Property").

The P&DD entered into a Purchase Agreement dated March 12, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for One Thousand Six

Hundred Fifty-Five and 50/100 (\$1,655.50) (the "Purchase Price").

Offeror intends to maintain and use the vacant property as greenspace to beautify the area surrounding his business, which is a by right use in a B4 (General Business District) Zone, as per the City of Detroit zoning ordinance, Section 61-12-27.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
 MAURICE COX
 Director
 Detroit Planning and
 Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Mullane Industries, Inc., A Michigan Corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 6316 Willette, Detroit, MI 48210, (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated March 12, 2016, with the Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to use the vacant property as greenspace to beautify the area surrounding his business, which is a by right use in a B4 (General Business District) Zone, as per the City of Detroit zoning ordinance, Section 61-12-27.

Now, Therefore, Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of One Thousand Six Hundred Fifty-Five and 50/100 (\$1,655.50); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred Fifty Dollars

(\$150.00), and broker commissions of Eighty Two and 78/100 (\$82.78) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Ninety Nine and 33/100 Dollars (\$99.33) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee, and approved by the Corporation Counsel as to form.

RESOLUTION OF DETROIT CITY COUNCIL AUTHORIZING THE FORMATION OF A NEXT MICHIGAN DEVELOPMENT CORPORATION

By Council Member Leland:

Whereas, The City of Detroit faces economic challenges resulting from a decline in employment in the areas of manufacturing and multi-modal commerce; and

Whereas, The residents of Detroit suffer from widespread unemployment and underemployment; and

Whereas, The City of Detroit seeks to foster economic opportunities in the city and prevent conditions of unemployment and underemployment and to promote economic growth; and

Whereas, The City of Detroit seeks to promote the growth of manufacturing and supply chain employment in the City of Detroit by attracting companies engaged in multi-modal commerce to locate in the City of Detroit; and

Whereas, Through the authorization and formation of a Next Michigan Devel-

opment Corporation, the City of Detroit may make Renaissance Zone benefits available to eligible Next Michigan Businesses that engage in job producing, multi-modal and commercial activities; and

Whereas, The Formation of a Next Michigan Development Corporation enables the City of Detroit to enhance its incentive tools for the purpose of promoting the growth of manufacturing and supply chain employment in the city of Detroit; and

Whereas, The purpose of forming a Next Michigan Development Corporation is to “foster economic opportunities in this state and prevent conditions of unemployment and underemployment and to promote economic growth”; and

Whereas, The Economic Development Corporation of the City of Detroit (“EDC”) was formed, pursuant to Michigan Public Act 338 of 1974, to encourage and assist “industrial and commercial enterprises, including employee-owned corporations, in locating, purchasing, constructing, reconstructing, modernizing, improving, maintaining, repairing, furnishing, equipping, and expanding in this state and in its municipalities”; and

Whereas, The EDC board is composed of nine members appointed by the Mayor of Detroit and approved by the Detroit City Council; and

Whereas, The purpose of a Next Michigan Development Corporation and the purpose of the EDC are substantially similar; and

Whereas, Under State of Michigan Public Act 275 of 2010, an “eligible urban entity” is authorized to expressly designate an instrumentality of the City to file an application to the Michigan Strategic Fund for the purpose of forming a Next Michigan Development Corporation. MCL 125.2954(4)(1); and

Whereas, The City of Detroit is an “eligible urban entity” under MCL 125.2593(3)(c), and the EDC is an instrumentality of the city of Detroit; and

Now Therefore, Be It

Resolved, That the City of Detroit hereby authorizes the EDC, as an instrumentality of the City of Detroit, to prepare and submit to the Michigan Strategic Fund (hereinafter “MSF”) an application for designation as a Next Michigan Development Corporation; and that following approval from the MSF, the EDC shall have the authority to act as the Detroit Next Michigan Development Corporation (hereinafter “NMDC”) on behalf of the City of Detroit as authorized by MCL 125.2954(4)(1); and be it further

Resolved, That to the extent possible, the NMDC shall be named and referred to as the “Detroit Next Michigan Development Corporation”; and be it further

Resolved, That among the governing documents of the NMDC shall be corpo-

ration bylaws in the form of the Bylaws of the Next Michigan Development Corporation (“NMDC Bylaws”) attached hereto as Attachment A; and be it further

Resolved, That Detroit City Council hereby approves the NMDC Bylaws; and be it further

Resolved, That, upon designation as a Next Michigan Development Corporation, the EDC Board of Directors shall also serve as the Board of Directors of the NMDC, holding meetings separate and distinct from the business of the EDC; and be it further

Resolved, That the EDC shall designate one or more persons to act as the authorized individual for filing the application to the MSF; and be it further

Resolved, That the NMDC Board shall take all necessary steps to produce, or cause to be produced, governing documents for the NMDC and its proceedings; and be it further

Resolved, That the NMDC shall be responsible for submitting guidelines to the MSF for the issuance of benefits authorized by the Next Michigan Development Act and other relevant law; and be it further

Resolved, That following the submission of the Next Michigan Development Corporation application to the MSF, the EDC shall deliver a full copy of the application to the City Clerk and the office of each Detroit City Council Member; and that following the creation of governing documents for the NMDC, the NMDC shall deliver a full copy of all governing documents to the City Clerk and the office of each Detroit City Council Member; and that following the NMDC’s submission to the MSF of guidelines for the issuance of benefits through the NMDC, the NMDC shall deliver a full copy of the guidelines to the City Clerk and the office of each Detroit City Council Member; and be it further

Resolved, That upon designation as a Next Michigan Development Corporation, the NMDC shall have the authority to exercise all of the powers, privileges, and responsibilities granted to it under state law in the Next Michigan Development Act. MCL 125.2956(6)(1); provided, however, that (a) any exercise of the power (i) to draw boundaries for Next Michigan Renaissance Zone for marketing purposes, or (ii) to authorize applications to the MSF for (A) eligible Next Michigan Businesses to become Qualified Eligible Next Michigan Businesses and (B) Next Michigan Renaissance Zones for Eligible Next Michigan Businesses, are expressly subject to the prior approval of the City Council and the Mayor; and that (b) any exercise of the power to: (i) authorize Tax Increment Financing Districts under the Local Development Financing Act to support the growth of Eligible Next Michigan

Businesses in the city of Detroit; (ii) authorize tax abatements under the General Property Tax Act to Eligible Next Michigan Businesses; or (iii) authorize, issue or recommend other incentives or benefits to Eligible Next Michigan Businesses as otherwise allowed by relevant state law, are expressly subject to the prior approval of the City Council and the Mayor; and be it further

Resolved, That the NMDC may act as an advocate for Eligible Next Michigan Businesses seeking to locate, construct, reconstruct, modernize, improve, maintain, repair, furnish, equip, or expand in the City of Detroit for the purpose of streamlining the City's licensing and permitting processes; and be it further

Resolved, That the NMDC may request the presence of officials from relevant agencies of city government at its public meetings in order to simplify the licensing and permitting processes for Eligible Next Michigan Businesses or to streamline the process for obtaining benefits authorized hereby; and be it further

Resolved, That the business of the NMDC shall be conducted as public meetings held in compliance with the open meetings act; and be it further

Resolved, That any writing prepared, owned, used, in possession of, or retained by the NMDC in the performance of an official function shall be a public record and shall be made available to the public in compliance with the Freedom of Information Act; and be it finally

Resolved, That the Mayor, or his designee, is authorized to execute and deliver such documents as may be necessary or convenient to carry out the intents and purposes hereof.

NMDC BYLAWS**

**BYLAWS OF THE DETROIT NEXT
MICHIGAN DEVELOPMENT
CORPORATION**

_____ , 2016

These Bylaws are hereby adopted subject to and in conformance with the authority and power given to the Next Michigan Development Corporation by Act No. 275 of Michigan Public Acts of 2010, as amended.

**ARTICLE I
Offices**

Section 1. Registered Office. The Detroit Next Michigan Development Corporation (the "Corporation") shall have and continuously maintain in the State of Michigan a registered office, and a registered agent whose office is identical to such registered office, as required by the statutes of the State of Michigan. The reg-

istered office may be, but need not be, identical with the Corporation's principal office in the State of Michigan, and the address of the registered office and registered agent may be changed from time to time by the Board of Directors by a duly adopted resolution. Unless and until so changed, the registered office of the Corporation is: 500 Griswold Street, Suite 2200, Detroit, Michigan 48226.

Section 2. Other Offices. The Corporation may have such other offices as the Board of Directors (the "Board") may determine, or the affairs of the Corporation may require from time to time.

ARTICLE II

Board of Directors

Section 1. General Powers. The affairs of the Corporation shall be managed by its Board in conformance with the provisions of Act 275 of 2010, as amended.

Section 2. Composition of the Board of Directors. The composition of the Board and the duration of each Board member's tenure shall be the same as, or proportionately equivalent to that of, the Board of Directors of The Economic Development Corporation of the City of Detroit (the "EDC Board"), as the EDC Board may be amended from time to time. Board members shall serve without salary, but may be reimbursed for their actual and necessary expenses incurred in the performance of their official duties.

Section 3. Regular Meetings. Regular meetings of the Board shall be held on the second Tuesday of each month at eight-thirty (8:30) AM, or at such other time and place as the Board shall designate. Said meetings may be adjourned by action of the Board from time to time to a definite fixed place, date and time. There shall be posted within ten (10) days after the first meeting of the Board in each calendar or fiscal year a public notice stating the dates, times and places of its regular meetings. If there is a change in the schedule of regular meetings, there shall be posted, as herein provided, within three (3) days after the meeting at which the change is made, a public notice stating the new dates and times of its regular meetings.

Except as provided in Section 8 (Closed Sessions), the Corporation shall keep minutes of each meeting showing the date, time, places members present, members absent, any decisions made at a meeting open to the public and the purpose or purposes for which a closed session is held. The minutes shall include all roll call votes taken at the meeting. Corrections in the minutes shall be made not later than the next meeting after the meeting to which the minutes refer. Corrected minutes shall be available no later than the next subsequent meeting after correction. The corrected minutes shall show both the original entry and the

correction. Minutes shall be public records open to public inspection and shall be available at the address designated on posted public notices pursuant to Section 6 herein. Copies of the minutes shall be available to the public at the reasonable estimated cost for printing and copying. Proposed minutes shall be available for public inspection not more than eight (8) business days after the meeting to which the minutes refer. Approved minutes shall be available for public inspection no later than five (5) business days after the meeting at which the minutes are approved by the public body.

Section 4. Special Meetings. Special meetings of the Board may be called by or at the request of the Chairman, or any three members of the Board. The Secretary shall give notice of the time and place of such meeting and said notice is to be posted pursuant to Section 6.

Section 5. Notice of Special Meetings. Written notice of special meetings of the Board shall be either:

(a) served personally on each member of the Board or left at his or her usual place of employment or residence not less than eighteen (18) hours prior to the time of the Special Meeting;

(b) given personally by telephonic communication or electronic transmission to each member of the Board not less than eighteen (18) hours prior to the time of the Special Meeting; however, in every case where telephone notice is given, an affidavit shall be filed with the secretary of the Authority, signed by the person giving said notice, that notice was given to the Board member by such means.

Section 6. Public Notice. Public notice of all regular, special or rescheduled regular or Special Meetings of the Authority, shall be given pursuant to the applicable provisions of Act 267 of the Public Acts of Michigan, 1976, MCLA §15.264, as amended (the "Open Meetings Act").

Section 7. Waiver. Any Board member may waive notice of any meeting either before or after such meeting. Attendance of a Board member at a meeting constitutes waiver of notice of the meeting except where a Board member attends a meeting for the express purpose of objecting to the transaction of any business because the meeting is not lawfully called or convened. Neither the business to be transacted at, nor the purpose of, any regular or special meeting of the Board need be specified in the notice or waiver of notice of such meeting, unless otherwise required by these Bylaws.

Section 8. Closed Sessions. The Corporation may meet in a closed session only for the purposes designated in the Open Meetings Act. A two-thirds (2/3) roll call vote of Board members elected or appointed and serving shall be required to call a closed session, except for the

closed sessions permitted under Section 8(a), (b), (c), (g), (i) and (j) of the Open Meetings Act.

When a closed session of the Corporation Board is held in accordance with the provisions of the Open Meetings Act, a separate set of minutes shall be taken by a clerk or secretary of the Corporation at a closed session. These minutes shall be retained by the Corporation, and shall not be available to the public. These minutes shall not be made available to the public. These minutes shall only be disclosed to the public if required under Sections 10, 11 or 13 of the Open Meetings Act. These minutes may be destroyed one (1) year and one (1) day after approval of the minutes of the regular meeting at which the closed session was approved.

Section 9. Quorum. A majority of the members of the Board shall constitute a quorum and all proceedings of the Board shall require a vote of a majority of the quorum for favorable action, unless the vote of a larger number of members is required herein or by law. In determining the number of Board members required for a quorum, any Board seats which are vacant shall not be counted in determining the number of members required for a quorum, however, in no circumstances shall the number of Board members required for a quorum ever be less than five (5). Any meeting at which all members of the Board are present shall be a legal meeting for the conduct of the Corporation's business, notwithstanding the fact that notice of the meeting was not given in the manner set forth above; provided, however, that notice of such meeting was given in accordance with the provisions of the Open Meetings Act.

Section 10. Open "Public" Meetings. All meetings, proceedings and actions of the Authority, except as otherwise provided in Section 8 hereof, shall comply with the Open Meetings Act, shall be open to the public and shall be held in the Main Conference Room of the Detroit Economic Growth Corporation, 500 Griswold Street, Suite 2200, Detroit, Michigan, or at such other place or places as the Board thereof or its authorized agents may from time to time designate. All persons shall be permitted to attend any meeting except as otherwise provided in Section 8 herein.

Section 11. Procedure. The order of business and all other matters of procedure at every Board meeting may be determined by the Chairperson or other presiding member. However, the Board shall act by resolution or motion only. Roberts Rules of Procedure may be employed by the Chairperson or other presiding member in the conduct of any meeting.

Section 12. Offices. The position of

Chairperson. Vice Chairperson, Secretary and Treasurer. shall be held by the same individuals who hold such positions on the EDC Board, as such officers may be amended from time. Officers may be re-elected.

(a) The Chairperson shall have and exercise general charge and supervision of the affairs of the Corporation. and shall perform such other duties as may be assigned to him or her by the Board. The Chairperson may designate an alternate to act in his or her stead in his or her absence or disability, and such designated alternate may exercise the duties and responsibilities of the Chairperson during the Chairperson's absence or disability.

(b) The Vice Chairperson shall perform those duties as may be assigned to him or her by the Board and may be designated by such title or titles as the Board may determine.

(c) The Secretary shall maintain custody of the official seal and of records, books, documents, or other papers not required to be maintained by the Treasurer. The Secretary shall keep a record of its proceedings, and shall perform such other duties delegated by the Board (the Board may employ and fix the compensation of a secretary; that is, this position need not be filled by a Board member. In such case, the secretary would be a staff person of the Corporation, and not an Officer of the Corporation) .

(d) The Treasurer shall keep the financial records of the Corporation and, together with the Director of the Corporation, if any, shall approve all vouchers for the expenditure of funds of the Corporation. The Treasurer shall perform such other duties as may be delegated to him or her, and shall furnish a bond in an amount as prescribed by the Board. (The Board may employ and fix the compensation of a treasurer; that is, this position need not be filled by a Board member. In such case, the treasurer would be a staff person of the Corporation and not an Officer of the Corporation).

Section 13. Indemnification. The Board or any person executing any revenue bond or revenue note on behalf of the Corporation shall not be liable personally on the revenue bond or revenue note, or be subject to any personal liability or accountability by reason of the issuance of the revenue bond or revenue note, by reason of acquisition, construction, ownership, or operation of a project, or by reason of any action taken or omitted by the Board. The Corporation, to the full extent permitted by law, at its expense, shall indemnify and save harmless, of, from and against, any and all claims, damages, demands, expenses to include all attorney fees and legal costs, liabilities and losses any person made, or threatened to be made, a party to any pending, threat-

ened or completed civil, criminal, administrative or arbitratative action, suite or proceeding and any appeal therein (and any injury or investigation which could lead to such action, suit or proceeding) by reason of the fact that he or she is or was a Board member, Officer or employee of the Corporation, except in relation to matters as to which it shall be finally adjudged in such action, suit or proceeding that such person is liable for negligence or misconduct in the performance of his or her duties or acted in an unreasonable manner or not in good faith. Such right of indemnification shall inure to the benefit of the legal representative of such person in any such action.

ARTICLE III

Director of the Authority

The Board may employ and fix the compensation of a Director, subject to the approval of the Detroit City Council. The Director shall serve at the pleasure of the Board. A member of the Board is not eligible to hold the position of Director.

Subject to the approval of the Board, the Director shall supervise, and be responsible for the preparation of plans and the performance of the functions of the Corporation in the manner authorized by Act 275 of 2010, as amended. The Director shall attend the meetings of the Board, and shall render to the Board and to the Detroit City Council a regular report covering the activities and financial condition of the Corporation. If the Director is absent or disabled, the Board may designate a qualified person as acting Director to perform the duties of the office. Before entering upon the duties of his or her office the acting person shall take and subscribe to the oath, and furnish bond, as required by the Board. The Director shall furnish the Board with information or reports governing the operation of the Corporation as the Board requires.

ARTICLE IV

Committee of Members

The Board, by resolution adopted by a majority of the members present at any meeting, may designate and appoint one or more committees to assist the Board in the discharge of its duties, each of which shall consist of at least two (2) but less than five (5) members, which committees shall exercise such authority as shall be granted to them by such resolution; provided such committees shall not have any power or authority reserved to the Board by these Bylaws, relevant statutes, or other laws; provided, further, that said committees shall not adopt an agreement or merger or consolidation or an agreement for the sale, lease or exchange of, any of the Corporation's property and assets, dissolve the Corporation or amend these Bylaws. All actions by the committees shall be subject to approval by the Board, and, if required as set forth

herein, the Detroit City Council. The resolution establishing an advisory committee shall state the names of the committee members, their terms of office and the committee's function.

**ARTICLE V
Contracts, Checks,
Deposits and Funds**

Section 1. Contracts. The Board may authorize any Officer or Officers, agent or agents of the Corporation to enter into any contract or execute and deliver any instrument in the name of and on behalf of the Corporation, and such Corporation may be general or confined to specific instances. In the absence of such specific authorization by the Board, such contract(s) or instrument(s) as are authorized for execution by the Board shall be signed by the Chairman and counter-signed by the Secretary or the Treasurer of the Corporation, or if such Officers have not been elected by any other Board member.

Section 2. Checks, Drafts and Bonds. All checks, drafts or orders for the payment of money, bonds, notes or other evidences of indebtedness issued in the name of the Corporation, shall be signed by such Officer or Officers, agent or agents of the Corporation and in such manner as shall from time to time be determined by resolution of the Board. In the absence of such determination by the Board, such instrument shall be signed by the Board member holding the office of Treasurer, but if no such officer has been elected, then by the person employed by the Board to act as treasurer, or other member designated by the Board.

Section 3. Deposits. All funds of the Corporation shall be deposited from time to time to the credit of the Corporation in such banks, trust companies or other depositories as the Board may select.

Section 4. Gifts. The Board may accept on behalf of the Corporation any contribution, gift, bequest, or devise for the general purposes or for any special purpose of the Authority, as authorized by law.

Section 5. The Board shall have an annual audit performed by a public accounting firm.

**ARTICLE VI
Books and Records**

The Corporation shall keep accurate and complete books and records of accounts and shall also keep minutes of the proceedings of the Board and committees having any of the authority of the Board, and shall keep at the registered or principal office a record giving the names and addresses of the Board members entitled to vote. All books and records of the Corporation may be inspected by any Board member, or his or her agent or attorney for any proper purpose at any reasonable time.

**ARTICLE VII
Fiscal Year**

The fiscal year of the Corporation shall begin on the first day of July and end on the last day of June of each year.

**ARTICLE VIII
Seal**

The Board shall provide a seal, which shall be the official seal of the Corporation.

**ARTICLE IX
Conflicts of Interest and Disclosure**

Section 1. Except as provided in Section 2 and 3 of this Article IX and in accordance with Act No. 317 of 1968, as amended, a member, Officer, or employee of the Corporation shall not:

(a) Be a party, directly or indirectly, to any contract between himself or herself and the Corporation; or

(b) Directly or indirectly solicit any contract between the Corporation and

(1) himself or herself; (2) any firm (meaning a co-partnership or other unincorporated association) of which he or she is a partner, member or employee; (3) any private corporation in which he or she is a stockholder owning more than one percent of the total outstanding stock of any class where such stock is not listed on a stock exchange or stock with a present total market value in excess of \$25,000 where such stock is listed on a stock exchange or of which he or she is a director, officer or employee; or (4) any trust of which he or she is a beneficiary or trustee; nor shall he or she take any part in the negotiation for such contract or renegotiation thereof or amendment thereto for the approval thereof; nor shall he or she represent either party in the transaction.

Section 2. The restrictions of Section 1 of this Article shall not apply to a member, Officer or employee of the Corporation who is paid for working an average of twenty-five (25) hours per week or less for a public entity, as that term is defined in MCLA 15.321.

Section 3. A contract involving the Corporation and a Board member, Officer or employee of the Corporation described in Section 1 (a) of this Article IX shall meet all of the following requirements:

(a) The Board member, Officer or employee shall promptly disclose any pecuniary interest in the contract to the Corporation, which disclosure shall be made a matter of record in its official proceedings;

(b) The contract is approved by a vote of not less than two-thirds (2/3) of the full Board of the Corporation in open session, where the interested party is a Board member, said approval must be by a two-thirds (2/3) vote of the full Board excluding the said interested Board member; and

(c) The official body discloses the following summary information in its official minutes:

(i) The name of each party involved in the contract.

(ii) The terms of the contract, including duration, financial entity included in the contract, and the nature and degree of assignment of employees of the public entity for fulfillment of the contract.

(iii) The nature of any pecuniary interest.

This Section 3 and Section 1 hereof shall not prevent a Board member from making or participating in making a Board decision to the extent that the Board member's participation is required by law. If two-thirds (2/3) of the Board members are not eligible under this section to vote on a contract or to constitute a quorum, a Board member may be counted for purposes of a quorum and may vote on the contract if the Board member will directly benefit from the contract in an amount less than \$250.00 and less than 5% of the public cost of the contract and the Board member files a sworn affidavit to that effect with the Corporation. The affidavit shall be made a part of the public record of the official proceedings.

Section 4. Pursuant to Section 4 of P.A. No. 317 of 1968, the prohibitions of this Article shall not apply to:

- (a) contracts between public entities;
- (b) contracts awarded to the lowest qualified bidder, other than a public servant, pursuant to notice of letting of the contract and receipt of sealed bids therefor; or
- (c) contracts for public utility service where the rates therefore are regulated by the State or Federal government

ARTICLE X

Reporting, Public Access to Records

Section 1. The Corporation shall prepare and submit an annual report NOT MORE THAN 120 DAYS AFTER THE CONCLUSION OF THE FISCAL YEAR OF THE CORPORATION to the Detroit City Council which report shall fully describe the activities of the Corporation including a statement of all revenues and expenditures since the previous report.

Section 2. The financial records, accounting, audit reports, and other reports of public monies under the control of the Corporation shall be public records and open to inspection.

Section 3. The Corporation shall publish in a newspaper of general circulation in the City of Detroit, not more than 120 days after the conclusion of the Corporation's fiscal year a statement of all its revenue and expenditures for the year and shall distribute copies of the report upon request.

ARTICLE XI

Amendments to Bylaws

The Board shall have the power to amend, revise, or repeal these Bylaws of the Corporation, in whole or in part, by a majority vote of the members of the Board

then in office at any regular or special meeting, provided that at least five (5) days written notice of such amendment, revision or repeal is given to members of the Board, along with a copy of the amendment, revision, or repeal. These Bylaws and every amendment, revision, or repeal of these Bylaws that are adopted by the Board shall not become effective until they are also approved by resolution of Detroit City Council in each such instance.

ARTICLE XII

Actions by Board Requiring Detroit City Council Approval

Notwithstanding anything to the contrary in these Bylaws, the Board, on behalf of the Corporation, shall have the authority to take such action necessary to exercise all of the powers, privileges, and responsibilities granted to the Corporation under applicable law; provided, however, that all actions, resolutions and approvals of the Board in connection with the following events shall be subject to the approval of the Detroit City Council and the Mayor of Detroit

- (a) any exercise of power to establish the boundaries for Next Michigan Renaissance Zones (as this term is defined in P.A. No. 376 of 1998, as amended ("Act 376" for marketing purposes; and
- (b) any exercise of power to submit recommendations to the Michigan Strategic Fund to certify an Eligible Next Michigan Business as a Qualified Next Michigan Business (as defined by Act 376); and
- (c) any exercise of power to authorize applications to the Michigan Strategic Fund for Next Michigan Renaissance Zones for Eligible Next Michigan Businesses (as defined by Act 376); and
- (d) any exercise of power to authorize tax increment financing districts under the Local Development Financing Act, P.A. No. 281 of 1986, as amended, to support the growth of Eligible Next Michigan Businesses in the City of Detroit; and
- (e) any exercise of power to authorize tax abatements under Section 9(f) of the General Property Tax Act, P.A. No. 206 of 1893, as amended; and
- (f) any exercise of power to authorize, issue, or recommend other incentives or benefits to Eligible Next Michigan Businesses in the City of Detroit.

**Department of Public Works
City Engineering Division**

March 31, 2016

Honorable City Council:

Re: Petition No. 809 — Detroit Pastoral Alliance, request permission for the conversion of an alley vacation/easement in the area of Gratiot Avenue, Belvidere Avenue and Lambert Avenue.

Petition No. 809 — Detroit Pastoral Alliance, request to vacate and convert to

easement the north-south alley, 20 feet wide, in the block of Gratiot Avenue, 120 feet wide, Edsel Ford Freeway, Lambert Avenue, 60 feet wide and Belvidere Avenue, 60 feet wide.

This request is being made to provide security and to consolidate the properties.

The petition was referred to the City Engineering Division — DPW for investigation (utility review) and report. This is our report.

The request was approved by the DPW — Solid Waste Division and Traffic Engineering Division.

All involved City Departments, including the Public Lighting Department and privately owned utility companies have reported no objections to the conversion of the public rights-of-way into private easement for public utilities. Provisions protecting utility installations are part of this resolution.

Public Lighting Department (PLD) reports that they need 24-hour unimpeded heavy truck access. A provision for the required PLD access is included in the resolution.

Detroit Water and Sewerage Department (DWSD) has no objection to the conversion to easement. The specific DWSD provisions for easements are included in the resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Benson:

Resolved, All that part of the north-south alley, 20 feet wide in the block bounded by Gratiot Avenue, 120 feet wide, Edsel Ford Freeway, Lambert Avenue, 60 feet wide and Belvidere Avenue, 60 feet wide, and being more particularly described as lying easterly of and adjoining the easterly line of Lot 15 and lying westerly of and adjoining the westerly line of Lots 6 through 14, both inclusive, “Christy’s Subdivision of a part of P.C. 10, North of Gratiot Avenue, City of Detroit, Wayne County, Michigan” as recorded in Liber 16, Page 86 of Plats, Wayne County Records.

Be and the same is hereby vacated as a public alley and converted into a private easement for public utilities of the full width of the alley, which easement shall be subject to the following covenants and agreements, uses, reservations and regulations, which shall be observed by the owners of the lots abutting on said alley and by their heirs, executors, administrators and assigns, forever to wit:

First, Said owners hereby grant to and for the use of the public easement or right-of-way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing,

removing, or replacing public utilities such as water mains, sewers, gas lines or mains, telephone, electric light conduits or poles or things usually placed or installed in a public alley in the City of Detroit, with the right to ingress and egress at any time to and over said easement for the purpose above set forth,

Second, Said utility easement or right-of-way in and over said vacated alley herein above described shall be forever accessible to the maintenance and inspection forces of the utility companies, or those specifically authorized by them, for the purpose of inspecting, installing, maintaining, repairing, removing, or replacing any sewer, conduit, water main, gas line or main, telephone or light pole or any utility facility placed or installed in the utility easement or right-of-way. The utility companies shall have the right to cross or use the driveways and yards of the adjoining properties for ingress and egress at any time to and over said utility easement with any necessary equipment to perform the above mentioned task, with the understanding that the utility companies shall use due care in such crossing or use, and that any property damaged by the utility companies, other than that specifically prohibited by this resolution, shall be restored to a satisfactory condition,

Third, Said owners for their heirs and assigns further agree that no buildings or structures of any nature whatsoever including, but not limited to, retaining or partition walls, shall be built or placed upon said easement, nor change of surface grade made, without prior approval of the City Engineering Division — DPW,

Fourth, That if the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of any existing poles or other utilities in said easement, such owners shall pay all costs incidental to such removal and/or relocation, unless such charges are waived by the utility owners,

Fifth, That if any utility located in said property shall break or be damaged as a result of any action on the part of said owners or assigns (by way of illustration but not limitation) such as storage of excessive weights of materials or construction not in accordance with Section 3, mentioned above, then in such event said owners or assigns shall be liable for all costs incidental to the repair of such broken or damaged utility; and further

Provided, That an easement, the full width of the existing right-of-way, is reserved for the Detroit Water and Sewerage Department for the purpose of installing, maintaining, repairing, removing, or replacing any sewers, water mains, fire hydrants and appurtenances, with the right of ingress and egress at any time to,

and over said easement for the purpose above set forth; and be it further

Provided, That free and easy access to the sewers, water mains, fire hydrants and appurtenances within the easement is required for Detroit Water and Sewerage Department equipment, including the use of backhoes, bull dozers, cranes or pipe trucks, and other heavy construction equipment, as necessary for the alteration or repair of the sewer or water main facilities; and be it further

Provided, That the Detroit Water and Sewerage Department retains the right to install suitable permanent main location guide posts over its water mains at reasonable intervals and at points deflection; and be it further

Provided, That said owners of the adjoining property, for themselves, their heirs and assigns, agree that no building or structure of any nature whatsoever, including porches, patios, balconies, etc., shall be built upon or over said easement, or that no grade changes or storage of materials shall be made within said easement without prior written approval and agreement with the Detroit Water and Sewerage Department; and be it further

Provided, That if at any time in the future, the owners of any lots abutting on said vacated alley shall request the removal and/or relocation of the aforementioned utilities in said easement, such owners shall pay all costs incident to such removal and/or relocation. It is further provided that if sewers, water mains, and/or appurtenances in said easement shall break or be damaged as a result of any action on the part of the owner, or assigns, then in such event, the owner or assigns shall be liable for all costs incident to the repair of such broken or damaged sewers and water mains, and shall also be liable for all claims for damages resulting from his action; and be it further

Provided, That the Public Lighting Department (PLD) shall have 24-hour unimpeded heavy truck access way over said vacated public alley herein above described for the purposes of maintaining, installing, repairing, removing or replacing PLD facilities contained therein, and be it further

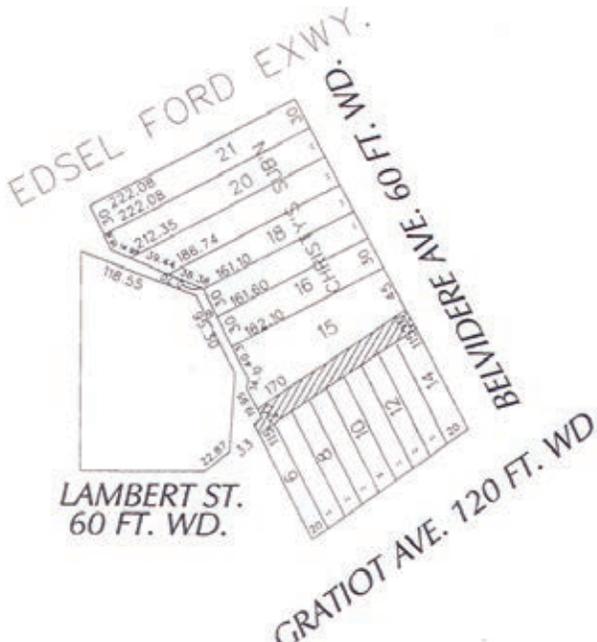

Provided, That if it becomes necessary to remove the paved alley return at the entrance (into Belvidere Avenue), such removal and construction of new curb and sidewalk shall be done under city permit and inspection according to City Engineering Division — DPW specifications with all costs borne by the abutting owner(s), their heir or assigns; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**City of Detroit
Historic Designation Advisory Board**

April 18, 2016

Honorable City Council:

Re: Request for approval of resolution authorizing the submittal of an application to the State Historic Preservation Office for a federal grant regarding Fort Wayne.
Attached hereto for your Honorable

Body's consideration is a resolution authorizing the Legislative Policy Division: Historic Designation Advisory Board (HDAB) staff to submit an application to the State Historic Preservation Office (SHPO) a federal grant — *Fort Wayne Historic, Architectural and Archeological Survey and National Register of Historic Places Additional Documentation*.

The purpose of the grant proposal is to identify and document historically and culturally significant resources at Fort Wayne. The grant of \$15,560, if awarded, will fund additional staff hours as well as hire a consultant to conduct archeological testing. The final product will be National Register of Historic Places documentation acceptable to the State Historic Preservation Office and the National Park Service, which will prove invaluable as we seek to integrate historic and cultural resources at Fort Wayne into future planning efforts.

Staff of the HDAB will provide in-kind services in administration, research and editing, valued at \$10,388, making up a portion of a 40% match requirement for this grant. The remaining portion, consisting of \$9,500 for the services of an archaeological consultant, may be drawn from General Fund dollars, to be reimbursed upon SHPO acceptance of final work products. We have received letters of support from the Recreation Department and the Historic Fort Wayne Coalition regarding this effort.

Our office has been actively encouraged by SHPO to submit this application and we are confident that we will be awarded funding.

Respectfully submitted,

David D. Whitaker

Director

Legislative Policy Division

By Council Member Sheffield:

Whereas, The State Historic Preservation Office (SHPO), Michigan State Housing Development Authority (MSHDA), has invited certified local governments to apply for federal historic preservation grants, and

WHEREAS, The application for *Fort Wayne Historic, Architectural and Archeological Survey and National Register of Historic Places Additional Documentation* has been prepared by the Legislative Policy Division staff serving Historic Designation Advisory Board (HDAB) for submission to the SHPO to be considered for a federal historic preservation grant, and

Whereas, The historic extent of Fort Wayne consists of a 96-acre complex, 83 acres of which are owned by the City of Detroit and operation by the Recreation Department, the remaining acres being owned by the federal government and operated by the United States Army Corps of Engineers, and

Whereas, The City of Detroit acknowledges that the Certified Local Government program is an expense reimbursement program, and

Whereas, Should the grant be awarded, the City of Detroit authorizes expenditures in the amount of \$25,948.40 (including staff services and mileage provided by HDAB as an in-kind match, valued at \$10,388.40) with the understanding that eligible expenditures up to the approved grant amount of \$15,560 will be reimbursed (including \$6,000 for additional staff hours and \$9,500 for an archaeological consultant subject to contract, and \$60 for photo processing) upon SHPO acceptance of final project work, SHPO acceptance of the final completion report, and SHPO audit and acceptance of final documentation for eligible costs;

Now, Therefore, Be It

Resolved, That the staff of HDAB is authorized and directed to submit the above mentioned application totaling not more than \$15,560 to the SHPO, MSHDA, for consideration of funding, and that upon approval of the above mentioned application by the SHPO, MSHDA, the Director of the Legislative Policy Division shall be authorized to sign the contract and any necessary amendment to the contract.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 9.

Nays — None.

**City of Detroit
Legislative Policy Division**

April 13, 2016

Honorable City Council:

Re: Resolution Urging the Michigan Legislature to Amend the Limousine Transportation Act Relative to Limousines for Hire.

The Legislative Policy Division was requested to draft a resolution urging the Michigan Legislature to enact legislation to allow the City of Detroit to continue its regulation of limousines for hire. The resolution is attached for your consideration.

**RESOLUTION URGING
THE MICHIGAN LEGISLATURE
TO AMEND THE LIMOUSINE
TRANSPORTATION ACT RELATIVE
TO LIMOUSINES FOR HIRE**

By Council Member Cushingberry, Jr.

Whereas, The City of Detroit has regulated vehicles for hire since the 1930's — including taxi cabs, luxury sedans, limousines, and vans with fewer than 15 seats — under its own local ordinance. Under that ordinance, all vehicles for hire were required to carry a Detroit bond plate. However in 1990, the Limousine Transportation Act, Public Act 271 of 1990, MCL 257.1901-1939, was enacted,

separating the regulation of limousines, luxury sedans and vans (collectively "limousines") from that of taxicabs. The City of Detroit was given the authority to continue to regulate these vehicles for hire under this Act and to require all vehicles for hire under the Act to carry a Detroit bond plate; and

Whereas, The City's authority to regulate vehicles for hire pursuant to the Limousine Transportation Act is contingent upon a specified population threshold of 750,000 residents. The last official U.S. Census in 2010, brought the City's population below the 750,000 threshold. However, Senate bill 0077 has been introduced that would, if enacted, reduce the required population threshold to 500,000 persons; and

Whereas, In order to ensure that all kinds of vehicles for hire incur similar business costs, the legislation that would continue to require regulation of limousine carriers by both state statute and local ordinance; and

Whereas, Because limousines do not require a bond plate from the City of Detroit due to the loss of population, limousine operators in the city have lower business costs than cab companies, and the cab companies argue this gives the luxury car businesses an unfair advantage as the two kinds of cars-for-hire compete for riders who pay their fares.

Now Therefore Be It

Resolved, That the Detroit City Council hereby urges the Michigan Legislature to amend the population threshold contained in the Limousine Transportation Act to allow the City of Detroit to continue to regulate all vehicles for hire operating therein;

Be it Finally

Whereas, That a copy of this resolution be transmitted to the Michigan Legislature's Committee on Regulatory Reform in both Houses and the Mayor's Office.

Adopted as follows:

Yeas — Council Members Ayers, Benson, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 9.

Reading of "A Personal Letter to the Citizens of Detroit," because something needs to be done, pertaining to drive-by-murders happening within the last 2 weeks.

A PERSONAL LETTER TO THE CITIZENS OF DETROIT

The recent drive-by murders of a three year old girl, a six-month old infant and the shooting of a four year old boy have left our community stunned, saddened, angry and outraged. We must work together to stop this senseless violence that touches us all so deeply.

The men and women of the Detroit Police Department are doing everything they can do to try to bring peace and safety to our community , , , but, it is not enough. As members of the community, we all must do our parts to ensure safer neighborhoods for everyone.

I am appealing to all members of our community. If you know someone who is engaged in criminal or illegal activity, as much as it hurts, you must do the right thing and turn them in! This violence not only brings pain to the victim and their family, but also to the family of the perpetrator. Some of our young men and women, stifled by a lack of education, poor nutritional options, mental issues, no job opportunities or a loss of hope, turn to crime as an outlet. However, I am urging everyone to come together to address this situation.

To that end, I am calling for One Day of Peace. No crime. No violence. For 24 hours. This may not seem like much, but we must start somewhere. I'm also looking for suggestions from the community on what THEY ARE WILLING to do to help. I will be pulling together a coalition of committed citizens to plan and implement a strategy.

Finally, I will not rest until our city and our streets are safe for all who live, work and play in Detroit. So, I am asking you to get involved too. If you see something, say something. We need to develop a zero-tolerance mindset toward crime, before, we often say, it is too late. Well, it is too late.

Best Regards,
BRENDA JONES
Council President
City of Detroit

TESTIMONIAL RESOLUTION FOR DETROIT BLACK COMMUNITY FOOD SECURITY NETWORK

By Council Member Leland, Joined by Council Members Castaneda-Lopez, Cushingberry, Jr and President Jones:

WHEREAS, Detroit Black Community Food Security Network (DBCFSN) has worked to build self-reliance, food security, and justice in Detroit's African American Community since 2006. The organization was instrumental in writing the City of Detroit's African American Community since 2006. The organization was instrumental in writing the city of Detroit's Food Security Policy, and establishing the Detroit Food Policy Council. In its ten years of existence, DBCFSN has become a strong voice for racial justice and equity in the food system. It has become an influential organization locally and nationally; and

WHEREAS, Detroit Black Community Food Security Network operates Detroit's largest agricultural project, D-Town Farm on seven acres in the City of Detroit's Rouge Park. D-Town Farm staff and volunteers grow more than 30 different fruits, vegetables and herbs during the course of the year. Additionally, the farm raises bees for pollination and honey production, operated a large-scale composting operation and houses two unique projects that demonstrate environmental sustainability, an 8 kilowatt off-grid solar power generation station and a rainwater catchment pond that uses solar power to pump the water into two 1,200 gallon storage containers that are used to water crops. Currently in its fifth year, the D-Town Farm

Urban Agricultural Internship Program, has trained more than 35 new urban farmers. Each September nearly 1,000 Detroiters attend the Annual D-Town Farm Harvest Festival that features speakers, music, vendors and "learn-shops"; and

WHEREAS, Detroit Black Community Food Security Network operates two youth programs: The Food Warriors Youth Development Program operates at three Detroit sites, Timbuktu Academy of Science and Technology on the city's eastside, Bethune Elementary/Middle School on the westside, and the Shrine of the Black Madonna's National Training Center in the New Center Area. The Food Warriors Youth Development Program serves children ages 7-12 and teaches them how to build and maintain raised garden beds, food justice, and the importance of exercise. This program has benefited hundreds of Detroit children. The Food N' Flava Program serves young people between the ages of 14 to 16 who live in the 48238 zip code. The program combines instructional gardening with the development of entrepreneurial skills.

NOW, THEREFORE BE IT

STANDING COMMITTEE REPORTS:

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

Planning & Development Department
April 13, 2016

Honorable City Council:

Re: Establishment of the Stapler Industries Neighborhood Enterprise Zone.

Attached for your consideration please find a resolution and legal description which will establish the Stapler Industries Neighborhood Enterprise Zone (NEZ) in accordance with Public Act 147 of 1992 ("the Act").

Your Honorable Body conducted a public hearing on this matter on April 14, 2016 as required by the Act. No impediments to the establishment of the NEZ were presented at the public hearing.

The developer proposes to invest approximately \$34.2 million to construct a multi-family, mixed use development with up to 218 rental units. and approximately 5,000 square feet of first floor retail space.

We request your Honorable Body's approval of the resolution.

Respectfully submitted,
JOHN SAAD

Manager — Development Division
Planning & Development Department
By Council Member Benson:

Whereas, Michigan's Public Act 147 of 1992, the Neighborhood Enterprise Zone Act ("the Act"), provides for the establishment of Neighborhood Enterprise Zones (NEZs), the exemption from ad valorem taxes, and the imposition of a specific property tax in lieu of ad valorem real property taxes within NEZs; and

Whereas, The City of Detroit meets all the distress criteria set forth within the Act; and

Whereas, The Detroit City Council finds that designation of certain areas as NEZs is consistent with the adopted Master Plan, as amended, and will further the economic and physical development goals and objectives of the City by encouraging new housing starts and housing rehabilitation, thereby aiding in the preservation of existing neighborhoods and preventing further decay in others; and

Whereas, The Detroit City Council has found the establishment of the Stapler Industries NEZ to be consistent with the Detroit Master Plan of Policies and the neighborhood preservation and development goals of the City; and

Whereas, The Detroit City Council has adopted a statement of goals, objectives and policies relative to the maintenance, preservation, improvement, and development of housing for all persons regardless of income level living within proposed NEZs; and

Whereas, The Detroit City Council has enacted a housing inspection ordinance requiring that before the sale of a unit in a new or rehabilitated facility for which an NEZ Certificate is in effect, an inspection is to be made of the unit to determine compliance with Chapter 26 of the Code of the City of Detroit; and

Whereas, The Act requires that the designation of NEZs must be approved by a resolution adopted by the local governmental unit subsequent to a public hearing at which any taxpayer or resident, or representative of any taxing authority levying a property tax in the City of Detroit, was given the opportunity to address the requested establishment of an NEZ; and

Whereas, A public hearing on the issue of establishing the Stapler Industries NEZ was conducted before the Detroit City Council on April 14, 2016, with notice of the public hearing having been given to the general public and by certified mail to every taxing authority levying a property tax with the City of Detroit; and

Whereas, No impediments to the establishment of the Stapler Industries NEZ where cited;

Now therefore be it

Resolved, That the land area described in the attached legal description, and shown on the attached map, is hereby established as the Stapler Industries NEZ pursuant to Public Act 147 of 1992, the Neighborhood Enterprise Zone Act.

Honorable City Council:

Re: Address: 601 Horton; Name: Fortress Studios LLC; Date ordered removed: 1/1/08 JCC pages 21-25

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 4, 2016 revealed the building is secured and appears to be sound and repairable. The owner is exempt from the current taxes due. The proposed use of the property is owner occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL
Interim Director

- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

March 28, 2016

Honorable City Council:

Re: Address: 7290 Artesian; Name:
Unlimited Holdings LLC; Date
ordered removed: 2/25/2014 JCC
pages 223-229

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on March 14, 2016 revealed the building is secured and appears to be sound and repairable. The owner is exempt from the current taxes due. The proposed use of the property is owner occupancy. This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection
- Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been met or that substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

Respectfully submitted,

DAVID BELL
Interim Director

By Council Member Benson:

Resolved, that resolutions adopted January 8, 2008 (JCC pgs. 21-125), July 7, 2010 (JCC pgs. 1704-1712), July 14, 2015 (JCC pgs. 1233-1240), and February 25, 2014 (JCC pgs. 223-229), for the removal of dangerous structures at various locations, be and the same are hereby amended for the purpose of deferring the removal orders for dangerous structures, only at 601 Horton, 10380 Somerset, 14300 W. Law Department

April, 2011

Honorable City Council:

Re: Requested Ordinance to Establish a Municipal Identification Card Program.

Council Member Raquel Castaneda-Lopez, through the Public Health and Safety (PHS) Standing Committee, requested that the Law Department prepare an ordinance to establish a Municipal Identification Card Program. A copy of the ordinance, which has been approved as to form, is attached for your consideration.

It is my understanding that this ordinance will be a line item on the Monday, April 25th PHS Committee agenda.

I look forward to discussing this important legislation with this Honorable Body.

Respectfully Submitted,

JULIANNE V. PASTULA
Assistant Corporation Counsel
Municipal Law Section

By Council Member Benson:
AN ORDINANCE to amend Chapter 27, Human Rights, of the 1984 Detroit City Code, by adding Article X, Municipal Identification Card Program, by adding Sections 27-10-1 through 27-10-20 to set forth the purpose of the Article and relevant definitions; to provide for the application, issuance and surrender of municipal identification cards; to establish eligibility and point system requirements for obtaining municipal identification cards; to set forth provisions regarding minors; to provide for the setting of fees; to set forth implementation and confidentiality provisions; to require acceptance of municipal identification cards by City departments and set forth exceptions to acceptance; to specify that the City's undertaking in issuing municipal identification cards is limited to the promotion of the general welfare; to set forth criminal penalties for counterfeit or fraudulent activities in the use or application for municipal identification cards; and to set forth annual reporting requirements.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 27, *Human Rights*, of the 1984 Detroit City Code, is amended by adding Article X, *Municipal Identification Card Program*, by adding Sections 27-10-1 through 27-10-20, to read as follows:

ARTICLE X. MUNICIPAL IDENTIFICATION CARD PROGRAM
Sec. 27-10-1. Purpose.

It is the City's intent that municipal identification cards will provide residents with an additional means of proving their residency in the City for purposes of accessing City programs, services, and activities, and providing identification to law enforcement. Possession of a municipal identification card is not a pre-requisite to obtaining any City program, service, or activity for residents otherwise eligible for such program, service, or activity.

Sec. 27-10-2. Definitions.

For the purposes of this Article, the following words and phrases shall have the meaning respectively ascribed to them by this section:

Administering agency means the Mayor's Office or such other City Department or agency as the Mayor may designate to administer the City of Detroit municipal identification card program.

Municipal identification cards means an individual resident's identification card that is issued by the City pursuant to this Article that shall display, at minimum, the cardholder's name, photograph, address, date of birth, signature, identification card

number and an expiration date. The card shall not display gender.

Resident means an individual who can establish proof of identity and proof of residency pursuant to the requirements set forth in Sec. 27-10-4 of this code.

Sec. 27-10-3. Issuance and surrender of municipal identification cards.

(a) Upon request, the administering agency shall issue a municipal identification card to any resident who meets the application requirements set forth in Sec. 27-10-4 and pays the applicable fee.

(b) The card shall bear the seal of the City. The administering agency shall cause the card to be produced in a form intended to thwart replication or counterfeiting.

(c) Cards shall be valid for a maximum of two years and expire the earlier of two years from the date of issuance or when the cardholder is no longer a resident of the City of Detroit.

(d) Card holders shall surrender their municipal identification card to the administering agency upon moving residence outside of the City.

(e) In the event a municipal identification card is stolen, lost or destroyed the applicant must re-apply and pay the application fee for a replacement card. Replacement card applications shall be treated as new applications and the replacement card shall be valid for a maximum of two years from the date of issuance so long as residency in the City is maintained during that time.

Sec. 27-10-4. Application; Eligibility and point system requirements.

(a) To obtain a municipal identification card, a resident shall complete an application, under penalty of perjury, requiring proof of identity and proof of residency within the City. Such forms of proof shall be (1) issued by a governmental entity or (2) issued by an entity that takes reasonable steps to verify the identity and/or residency of the individual to whom it is issued or (3) of a type that is normally accepted as proof of identity and/or residency in the ordinary course of business. The administering agency shall establish a list of such documents in accordance with Section 27-10-6.

(b) The administering agency shall retain the original application and copies of an applicant's supporting documentation, including all proof of identity and proof of residency credentials, pursuant to an approved records retention and disposal schedule. The administering agency shall develop and submit to the State of Michigan for approval an agency-specific retention and disposal schedule setting forth a retention period of two years from the date of issuance.

(c) Documentation of an applicant's proof of identity and proof of residency shall include:

- (1) A minimum of one identity credential from Category A containing a photograph and date of birth of the applicant; and
- (2) Any combination of items from

- Categories A or B, totaling at least 300 points; and
- (3) One item from Category C showing proof of City residency within the previous 30 days; and

(d) Any documentation in a language other than English must be accompanied by a certified English translation. Acceptance of such translated documentation is at the discretion of the administering agency. The administering agency may obtain independent translation if it deems it necessary in its discretion.

(e) The administering agency shall not accept any credentials which have been expired more than 10 years prior to the date of application for a municipal identification card.

(f) The administering agency shall issue a municipal identification card to the applicant upon receipt and verification of all of the following:

- (1) Completed application;
- (2) Proof of identity documentation;
- (3) Proof of residency documentation; and
- (4) Payment of applicable fees.

Sec. 27-10-5. Minors.

For purposes of this Article, a minor is an individual aged at least fourteen years but not yet eighteen. An application submitted on behalf of a minor must be completed by such minor's parent or legal guardian. The parent or legal guardian may verify the minor applicant's residency, provided that the parent or legal guardian with whom the minor resides would meet the proof of residency criteria set forth in Sec 27-10-4.

Sec. 27-10-6. Implementation; language assistance services.

(a) The administering agency shall promulgate rules necessary to effectuate the purpose of this Article. The City shall require applicants to declare the information provided in their applications under penalty of perjury.

(b) The administering agency shall identify and implement measures, including but not limited to staff training, community outreach, and language assistance tools, to address the needs of individuals with limited English proficiency in the administration and implementation of the municipal identification card program.

Sec. 27-10-7. Fees.

The City shall charge a fee not to exceed \$25.00 for each application submitted. Such fees shall not exceed the costs reasonably associated with the pro-

duction of municipal identification cards and administration of the program. The fee charged to minors aged at least fourteen years but not yet eighteen or senior citizens aged 62 or older shall not exceed \$10.00.

Sec. 27-10-8. Acceptance by City departments.

(a) When requiring members of the public to provide identification or proof of residency in the City, each City department or agency shall accept a municipal identification card issued pursuant to this Article as valid identification and as valid proof of residency in the City, unless such City department or agency has reasonable grounds for determining that the card is counterfeit, altered, or improperly issued to the card holder, or that the individual presenting the card is not the individual to whom it was issued. In such cases, the card shall be confiscated and returned to the administering agency with a transmittal letter documenting the circumstances surrounding the confiscation. The administering agency may, after review, revoke the card or return it to the individual.

(b) Other than requiring the City to accept the municipal identification card as proof of identification and City residency, this section is not intended to replace, preempt or supersede any other requirements for production of other forms of identification in connection with the administration of City benefits and services. The requirements of this section do not apply under circumstances where:

(1) A federal or state statute, administrative regulation, or directive, or court decision requires the City to obtain different identification or proof of residency;

(2) A federal or state statute, administrative regulation, or directive preempts local regulation of identification or residency requirements; or

(3) The City would be unable to comply with a condition imposed by a funding source which would imperil the City's access to funds from that source or other sources.

Sec. 27-10-9. Confidentiality.

The City shall keep confidential to the extent permitted by applicable laws, any

identifying information or other data supporting the applications of persons applying for and receiving municipal identification cards.

Sec. 27-10-10. City undertaking limited to promotion of general welfare.

In undertaking the adoption and enforcement of this Article, the City is assuming an undertaking only to promote the general welfare. It is not assuming, nor is it imposing on its officers and employees, an obligation for breach of which it is liable in money damages to any person who claims that such breach proximately caused injury.

Sec. 27-10-11. Counterfeit and fraudulent municipal identification cards.

(a) It is a misdemeanor violation of this Code, as specified in Sec. 1-1-9, for any person or entity to do any of the following acts:

(1) To knowingly present false information to the City in the course of applying for a municipal identification card.

(2) To alter, copy or replicate a municipal identification card without the authority of the City.

(3) To use the municipal identification card issued to another person, with the intent to cause a third person or entity to believe that the holder of the card is the person to whom the card was issued.

(4) To fail to surrender a municipal identification card when ordered to do so by the administering agency or by a City department or agency under Section 27-10-8(a).

Sec. 27-10-12. Annual reporting.

(a) The administering agency shall prepare and submit an annual report to the Mayor and City Council that includes, at a minimum, the following information:

(1) The number of applications received by the City for a municipal identification card, disaggregated by City Council district of residency of each applicant.

(2) The number of municipal identification cards issued during the preceding year to adults, senior citizens and minors.

(3) The number of applications denied.

(4) The number of occurrences, if any, of fraud or other criminal activity related to issuance or use of a municipal identification card.

(5) The costs associated with the implementation and administration of the municipal identification card program.

(6) The total amount of fees collected.

(7) The number of training sessions held for City staff regarding the municipal identification card program.

(8) The City's efforts to conduct outreach to prospective applicants regarding the municipal identification card program.

(9) The City's efforts to promote acceptance of municipal identification cards by banks and other private and public institutions and organizations.

(10) Efforts regarding language profi-

ciency accommodations and other measures implemented pursuant to Section 27-10-6(b).

Secs. 27-10-13 – 27-10-20. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 3. All ordinances or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. This ordinance shall become effective six (6) months after publication in accordance with paragraph 3 of Section 4-118 of the 2012 Detroit City Charter.

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE**

**TESTIMONIAL RESOLUTION
FOR
SAMELLA SANDERS LEWIS
African-American Artist**

By COUNCIL PRESIDENT JONES:

WHEREAS, Samella Sanders Lewis (born February 27, 1924 in New Orleans) is an African-American artist, working primarily as a printmaker and painter. As an artist, art historian, educator, scholar, author, publisher, filmmaker, museum founder, arts administrator, curator and

major collector, she has maintained the traditions of research and scholarship with an activist's approach to artistic expression through the years. She forwarded the concepts and later the reality of African American art as a major thrust in African American life as did her teachers, colleagues and scholars before her including Elizabeth Catlett, James Porter, Ruth Waddy, John Biggers and others; and

WHEREAS, Widely exhibited and collected as an artist herself, Lewis has completed four degrees. five films, seven books and a substantial body of artworks which have received critical respect. She pursued an art degree starting off at Dillard University in 1941, but left Dillard for Hampton Institute in Virginia, (now, Hampton University) where she earned her Bachelor of Arts Degree, followed by a master's degree in 1947. Lewis continued on to earn and receive a master's and doctorate in art history and cultural anthropology at the Ohio State University in 1951; and

WHEREAS, Lewis became Chair of the Fine Arts Department at Florida A&M University in 1952. She was a professor at the State University of New York and at Scripps College in Claremont, California. She co-founded, with Bernie Casey, the Contemporary Crafts Gallery in Los Angeles in 1970. In 1973. she served on the selection committee for the exhibition BLACK U.S.A: 1973, held at the New York Cultural Center. Lewis is the founder of the International Review of African American Art in 1975. She founded the Museum of African-American Arts in 1986. In the 1960s-1970s her work reflected humanity and freedom. She produced lithographs, linocuts, and serigraphs. She is an NAACP member and a collector of art with her collection including African, Chinese, Asian, South American and other art; and

WHEREAS, The magnitude of the career of Samella Lewis and its impact on contemporary African American art and ultimately American art is remarkable. Lewis as a painter and printmaker has explored the images and subjects that reflect the experiences of her youth in New Orleans and the revolutionary movements of Civil Rights and beyond, Her paintings of rural interiors, didactic works showing figures reading by lamplight, eating a humble meal, landscapes, and field workers are included in the repertoire of striking commentary of the early years. The Charles H. Wright Museum of African American History in partnership with the National Conference of Artists Michigan, are honored to share Samella Lewis in Detroit at the opening of her exhibition in her name: *SAMELLA LEWIS: AN AMERICAN ICON*;

THEREFORE, BE IT

RESOLVED, That Councilwoman Janee' L. Ayers and the entire Detroit City Council hereby joins the celebration of and congratulates Samella Sanders Lewis on her accomplishments and contributions to the art world as a gifted African-American artist. May God continue to bless you in all of your endeavors in the years to come.

RESOLUTION

In Memoriam

LAVADA CONERLY

By COUNCIL PRESIDENT JONES:

WHEREAS, We, members of the Detroit City Council solemnly pause today to honor the memory of the late LAVADA CONERLY, a loving and devoted mother, grandmother, great-grandmother, sister and community trailblazer who departed this life quietly on April 10, 2016; and

WHEREAS, Born in Detroit, Michigan on February 12, 1934, LAVADA CONERLY was welcomed into the world by two loving parents, the late Resteen and Katie Woods. She received her education from the Detroit Public School System and, in

1969, LAVADA enrolled in a two-year Labor School course at Wayne State University. She received a Certificate of Completion in 1971. Willing to fulfill her desire for knowledge, LAVADA enrolled in Montith College at Wayne State University and later transferred to Wayne State University – College of Lifelong Learning (WSU-CLL) in 1975; and

WHEREAS, MS. CONERLY worked for Ford Motor Company for 34 years until her retirement in 1987. During her career, she held many local union offices such as Chair of the Education and Recreation Committees. She was a Discussion Leader on the Strike Committee and very active on the Local 228 By-Law Committee. She served as Recording Secretary on the Women's Community Committee and as Chair of the Women's Council (which she co-founded in 1953). LAVADA was elected State Vice President of the Coalition of Labor Union of Women and was elected the first African American to become Recording Secretary of UAW Local 228. She served one term from 1977-1980. In 2010, LAVADA received the "Walter P. Reuther Distinguished Service Award" for being a UAW Region 1A founding member of the Women's Council. She loved the: City of Detroit and politics! She took great pride in being a Lifetime Member of the NAACP (National Association for the Advancement of Colored People) and she organized the Schulze Community and Economic Development Council that represented 3,000 homeowners in Northwest Detroit. She was affiliated with many other community organizations throughout the city. In 1996, LAVADA completed a Certification of Completion with the Detroit City Planning Commission's Developing Organizations Capacity to Operate Resourcefully (D.O.C.T.O.R.S.) Program; and

WHEREAS, During LAVADA'S spare time she loved to sing. In earlier years, she performed with the House of Diggs Radio Choir and a small group known as the Acapells. When she wasn't being a trailblazer for her community, LAVADA often shared her delectable culinary skills with her family and friends. She enjoyed entertaining and sharing home-cooked peach cobbler, banana pudding, pound cake, and dressing, just to name a few. LAVADA was blessed with four loving children: Pamela Green, Michael Green (Deceased), Anthony Green (Deceased) and Arcell Conerly III, from two unions of marriage to Richard Green and Arcell Conerly Jr., both preceding her in death. LAVADA kept a positive attitude and continued being a good and faithful servant throughout her illness, until the Lord quietly took her by the hand to serve in her new home of eternity. **TESTIMONIAL RESOLUTION
FOR
REVEREND JOHN CHALMERS
WILLIAMS**

By Council Member Spivey:

WHEREAS, Brother John C. Williams at the age of 19 returned to the U.S.A with his parents and older brother Robert F. Jr. Prior to this they lived in forced exile outside of the U.S.A. for eight years. For three of these years, John lived and attended school in Cuba, as well as the People's Republic of China for five years. In 1969 upon returning to the States, John furthered his formal education at Michigan State University where he received a B. A. Degree in Chinese Studies. He continued his educational pursuits at Indiana University, School of Law in Indianapolis from which he graduated with a Juris Doctorate degree; and

WHEREAS, At the tender age of eight and ten John and his brother, Robert, Jr., were actively involved in the struggle for civil and human rights lead by their parents, Mabel R. and Robert F. Sr., in their home town of Monroe, North Carolina. The Union County branch of the NAACP organized by the Williamses was considered by many as the most militant branch of the national organization. The militant struggle waged by their branch put them on a collision course with local, state and national racists and governmental entities who had a vested interest in maintaining the Jim Crow status in the South; and

WHEREAS, By 1961 several threats and attempts had been made on Robert Sr.'s life and the entire family lived with constant threats of violence against them. The collaboration between the racists and law enforcement forced the Williams family to flee for their lives and eventually live in exile in Cuba and The People's Republic of China for a total of eight years. While in exile in Cuba and China John and his brother, Robert Jr., lived and mingled freely among the Cuban and Chinese population. Both boys attended boarding schools with their Cuban and Chinese school mates. In 1969 the Williams family returned to the U.S. and

established their home base in Detroit, Michigan; and

WHEREAS, The family tradition of loving and caring for their community has been a life-long honored tradition by Minister, John C. Williams, who has been a resident of Detroit for 30 years. Of those years, 29 of them have been committed to ministering the Gospel of Jesus Christ to those who desire God's mercy. During this period John has also worked with Detroit Public Schools, other regional Public Schools, Life Directions, Inc., Joy of Jesus Ministries, Inc., People's Community Services, Inc., Focus Hope, Inc. and a host of other youth and human development entities. Since 2003 he has served as Pastor of Cass Park Baptist Church located in the Cass Corridor of Detroit;

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council joins in with Cass Park Baptist Church, family and friends as they celebrate Reverend John Chalmers Williams.

**TESTIMONIAL RESOLUTION
FOR**

GREATER ST. STEPHEN M.B.C.

By Council Member Spivey:

WHEREAS, In 1965, sixteen persons gathered prayerfully at the home of the late mother Fannie Finner, a devoted and dedicated Christian woman, who envisioned the birth of a church. Through much prayer and faithfulness, the Greater St. Stephen Missionary Baptist Church was organized and the charge of pastordship was bequeathed to Dr. Nathaniel Howard. The organization of the church was overseen by the late Reverend J.S. Williams, Sr. of the New Zion Baptist Church. The church was named after St. Stephen Church of Kansas City, Missouri where Pastor Howard spent his early childhood and received much of his spiritual instruction. Our first location was at 4226 Cadillac; and

WHEREAS, In 1957 the church moved from the Cadillac location to a larger edifice located at 9600 Woodlawn Street. The building was formerly a union hall. It was converted into a neat and beautiful edifice for God, through the hard work and dedication of its members. We were aided in the work by the Reverend Herman Yarber, Jr. and his family. He served as assistant to Pastor Howard along with Minister Melvin Massey. who united with us some-time later; and

WHEREAS, In 1961 Pastor Howard pursued an evangelistic ministry. Worship services were held by guest ministers and evangelists. The church voted unani-

mously for the pastoral duties to be assumed by Reverend Herman Yarber, Jr. He served dutifully for one year. In 1962 Dr. Howard was reinstated as Pastor. Our sanctuary was remodeled both inside and out. In June of 1966, Greater St. Stephens had their first Mortgage Burning. They added our baptismal pool along with new pews and the renovation of the kitchen and restroom facilities. Two hundred families migrated to our new location. They sponsored a special building fund drive and raised \$25,000 and in May of this same year and moved to our present location; and

WHEREAS, Later a Federal grant was approved for their Head Start Program. The Head Start Program was leased to the Children Palace Program. During this time the status of the former Head Start Program changed it's name to Greater St. Stephen Day Care and Learning Center, with a grand opening in Fall of 1991; and

WHEREAS, In November 27, 1982 Dr. Howard resigned as pastor of the church. Greater St. Stephens was placed under the watch and care of Reverend. James L. Bryant, Pastor of Emeritus of Bethesda Missionary Baptist Church and Reverend Larry Robinson. The congregation voted unanimously to call the Reverend Larry Robinson to pastor this great church. He was installed on December 22, 1984 with Dr. William R. Matthews officiating. Reverend Earl Lee, Pastor of 12th St. Missionary Baptist Church preached the installation message; and

WHEREAS, The Greater St. Stephen's church family has been through many struggles and encountered many hardships. With God's strong hand and watchful eye they have persevered. The church has been blessed with various renovations, improvements and additions to the building. These improvements and additions include mime, praise dance, praise teams, women, men and hospitality ministries. Greater St. Stephens trusts in His Holy Word, for in it he tells us, "not by might, nor by power but by my spirit saith the Lord".

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council joins in with Greater St. Stephens Missionary Baptist Church as they celebrate their excellence at the 60th Annual Anniversary Banquet.

**TESTIMONIAL RESOLUTION
FOR**

DR. LESLIE HENRY STOKES

By Council Member Spivey:

WHEREAS, Dr. Leslie Henry Stokes

(Les) was born the fourth child of six siblings to Alice and Luther Stokes in Farmville, VA. His siblings, Clinton, Clem and Carrie Stokes all predeceased him. Les' walk with God began at the age of 12 when he confessed Christ at Zion Hill Baptist Church; and

WHEREAS: Upon graduation from high school, Les found employment as a farm hand on a formal plantation plowing with a mule. Les quickly realized that God had more for him and he moved to Silver Spring, MD where he worked as a butler. He was subsequently drafted into the Army where he served until the end of WWII; and

WHEREAS: Les enrolled in Livingstone College and received his BA degree in Economics and Social Studies. While at Livingstone. Les met the love of his life, Mildred Siler. They married in 1953 and spent the next 62 years loving God and each other while sharing life to its fullest. From their love were two children, Leslie Clinton and Joelynn Towanda. In addition, to creating a home filled with love and laughter, Les and Millie traveled the world; and

WHEREAS: Les' commitment to education continued as he obtained a Master of Arts in Economics from the University of Connecticut. Sadly, in 1953 the only job available to him as a Black man with a Master's degree was digging ditches. He persevered and acquired employment with the US Army Comptroller's office. His first position was a clerk typist, a job he got only because the hiring manager thought 'Leslie' was a white female with Veterans preference; and

WHEREAS: The lesson his parents instilled in him of having faith and being the best he can be, whatever the task, took him from his humble beginnings as a clerk typist, to an honorable position as a retired Chief of Statistics for the Maritime Administration of the U.S. Commerce Department. And, upon the recommendation of his superiors, he received the prestigious Bronze Medal, the highest award given by the Commerce Department. He was the third African American to receive the award, proving his parents were right – with faith, a humble heart and hard work, all things are possible with God.

LES' WALK WITH GOD STRENGTHENED HIM; and

Re: City of Detroit Eight Mile/ Woodward Corridor Improvement Authority Budget for Fiscal Year 2016-17

Dear Honorable Body:

Enclosed please find a copy of the City of Detroit Eight Mile/Woodward Corridor Improvement Authority (the "EMWCIA") budget for Fiscal Year 2016-17. Under the provisions of Act 270, Public Acts of Michigan, 2005, as amended, the EMWCIA shall prepare and submit to the City Council a budget for the operation of the EMWCIA for each fiscal year prior to such budget being adopted by the EMWCIA Board of Directors.

The enclosed budget for the EMWCIA's Fiscal Year 2016-17 is forwarded to your Honorable Body. EMWCIA respectfully requests that you review and approve the proposed budget in the form submitted, with waiver of reconsideration.

Sincerely,
ART PAPAPANOS
Authorized Agent

RESOLUTION OF THE DETROIT CITY COUNCIL APPROVING THE CITY OF DETROIT EIGHT MILE/WOODWARD CORRIDOR IMPROVEMENT AUTHORITY BUDGET FOR FY 2016-17

WHEREAS, Act 270, Public Acts of Michigan, 2005 ("Act 270"), provides that the Director of the City of Detroit Eight Mile/Woodward Corridor Improvement Authority (the "EMWCIA") shall prepare and submit a budget for the operation of the EMWCIA for each ensuing fiscal year to the City Council of the City of Detroit ("City Council") before such budget is adopted by the EMWCIA Board; and

WHEREAS, the EMWCIA has submitted the budget attached hereto as Exhibit A for its fiscal year 2016-17 for the review and approval by the City Council and the City Council has reviewed same.

NOW THEREFORE BE IT RESOLVED THAT:

The budget of the EMWCIA for its fiscal year 2016-17 is hereby approved by the City Council in the form attached hereto as Exhibit A.

Re: Donna Weatherspoon vs City of Detroit. Case No. 12-014180-NF (SLdeJ), Matter No.: A20000.003539.

On April 25, 2016, a Case Evaluation Panel thoroughly evaluated this lawsuit and recommended an award in the amount of Thirty-Nine Thousand Five Hundred Dollars (\$39,500.00) to resolve this First Party No Fault lawsuit. The City of Detroit Law Department recommends the acceptance of this case evaluation award. The deadline to accept the case evaluation award is May 23, 2016.

Based upon our review of the facts and particulars of this lawsuit, which are set forth in a confidential memorandum that is being separately hand-delivered to each member of your Honorable Body, it is our considered opinion that acceptance of the case evaluation award is in the best interest of the City of Detroit.

We, therefore, request your Honorable Body to approve the case evaluation award, and if the Plaintiff accepts the case evaluation award, to direct the Financed Director to issue a draft in the amount of Thirty-Nine Thousand Five Hundred Dollars (\$39,500.00) payable to Donna Weatherspoon and her attorneys, Romano Law, PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in the Lawsuit No. 12-014180-NF, approved by the Law Department.

Re: Anthony and Elaine McCallum vs. City of Detroit. Civil Action Case No.: 14-009697 NO.

Representation and indemnification by the City of Detroit for all the officers involved in the above referenced lawsuit was approved on October 13, 2015. The lawsuit itself is based upon a search warrant execution at the plaintiffs home on April 27, 2013 that resulted in the seizure of drugs and a firearm. Lt. David Hansberry and P.O. Bryan Watson were members of the raid team. Those two officers have been indicted and are awaiting trial in U.S. District Court on conspiracy and drug violation charges. Officer Arthur Leavell is scheduled to testify against them. Last week it became certain that Hansberry and Watson are invoking the 5th Amendment and will not testify at the deposition hearing in the civil case. It is, therefore, impossible for the Law Department to evaluate whether Hansberry and Watson were performing their official duties in good faith at the time of the search warrant execution.

We recommend that Council revisit the issue of representation and indemnification for Lt. David Hansberry and P.O. Bryan Watson and further recommend a "NO" vote on the attached resolution.

As such, pursuant to Section 13-11-5 of the 1984 Detroit City Code, City Council shall hold a hearing for police officers who have been denied representation. A request for such a hearing is being made at this time.

Copies of the relevant documents are submitted under separate cover.

RESOLUTION SETTING REQUIRED HEARINGS REGARDING DEFENSE AND INDEMNIFICATION OF CERTAIN MEMBERS OF THE DETROIT POLICE DEPARTMENT

Whereas, Section 7.5-203, *Civil Litigation*, of the 2012 Detroit City Charter provides, in relevant part, that “[upon request, the Corporation Counsel may represent any officer or employee of the city in any action or proceeding involving official duties;]” and,

Whereas, Section 13-11-5, *Civil Service and Personnel Regulations*, of the 1984 Detroit City Code provides, in pertinent part, that “the city council shall consider and determine whether the corporation counsel shall represent the officer or employee in the matter and find and determine whether or not the claim, demand or suit arises out of or involves the performance in good faith of the official duties of such officer or employee [;]” and,

Whereas, Arbitration awards issued by the Voluntary Labor Arbitration Tribunal recognize the past practice of City Council holding hearings for police officers who have been denied representation (see Grievance Nos. 79-237, 82-055, 90-047, and 92-200/92-202);

Now Therefore Be It

LEGISLATIVE POLICY DIVISION RESOLUTION

TO: The Honorable Detroit City Council
FROM: David Whitaker, Director
Legislative Policy Division Staff

DATE: April 26, 2016

Re: Resolution in Support of HB 5179

The Legislative Policy Division (LPD) was asked to prepare a resolution in support of House Bill 5179. The proposed bill seeks to amend Michigan’s General Property Tax Act, specifically MCL 211.7u, to permit local property tax boards of review to consider granting multi-year poverty exemptions for good cause shown. A proposed resolution is attached for City Council review.

Should the council have further questions, LPD will respond.

RESOLUTION IN SUPPORT OF HOUSE BILL 5179, AS INTRODUCED IN THE MICHIGAN LEGISLATURE ON DECEMBER 17, 2015

By Council Member Spivey:

Whereas, Michigan’s General Property Tax Act, Public Act 206 of 1893, authorizes the City to grant poverty related property tax exemptions to resident property owners who are unable by reason of poverty to pay the taxes assessed on their residences; and

Whereas, The City’s Board of Review, appointed by City Council, is the entity charged with the task of reviewing citizens’ requests for exemptions. The Board reviews applications for completeness, notifies applicants if additional information is required, applies the eligibility criteria dictated by both state law as well as the local guidelines adopted by City Council, and ultimately determines eligibility for the exemptions sought; and

Whereas, State law, specifically MCL 211.7u, currently requires an applicant for a poverty exemption to re-apply each year for a property tax exemption; and

Whereas, Often, many individuals applying for a poverty exemption are without income and precariously close to serious financial hardship, including mortgage or tax foreclosure on their property, yet have only recently become aware of the availability of the exemption; and

Whereas, To ease this situation, members of the Detroit delegation to the Michigan Legislature and others have proposed House Bill 5179 to amend MCL 211.7u(5) to permit local boards of review to consider granting a multi-year exemption under certain circumstances. Specifically, when determining that an exemption is warranted, for good cause shown, an additional exemption for the immediately preceding three (3) years may be granted as well; and

Whereas, The ability to grant an additional exemption where it is otherwise merited could be the factor allowing a senior citizen or other citizen enduring an

extended period of poverty to maintain ownership of a lifetime residence; and

Whereas, The Detroit City Council recognizes the preservation of its residents' homes, shelter, and security as of paramount importance for the well-being of both the citizenry of the City and the City as a whole.

Now Therefore Be It

Resolved, That the Detroit City Council supports the efforts of the Michigan Legislature to add a mechanism by which Detroiters' homes can be protected, and specifically supports House Bill 5179.

And Be It Further,

Resolved, That a copy of this resolution shall be transmitted to the Detroit delegation of the Michigan Legislature, Mayor Mike Duggan, and Governor Rick Snyder.

Re: Resolution Approving an Industrial Facilities Tax Exemption Certificate, on behalf of Sakthi Automotive Group USA, Inc., at 201 Waterman, Detroit, MI, in Accordance with Public Act 198 of 1974 as amended. (Related to Petition # 2753)

Honorable City Council:

On May 5, 2016, a public hearing in connection with approving an Industrial Facilities Tax Certificate for the above-captioned property was held before your Honorable Body. All interested persons and organizations were given an opportunity to be heard. No impediments to the approval of this certificate were presented during the hearing.

Sakthi Automotive Group USA, Inc. has submitted satisfactory evidence that they possess the necessary financial resources required to develop this property in accordance with Public Act 198 of 1974 ("the Act") and the Development Agreement for the project.

Respectfully submitted,
JOHN SAAD

Manager – Development Division
By Council Member Benson:

Whereas, Sakthi Automotive Group USA, Inc. has filed with the City Clerk an Application for an Industrial Facilities Tax Exemption Certificate, under Public Act 198 of 1974 ("the Act") in City of Detroit, in the manner and form prescribed by the Michigan State Tax Commission; and

Whereas, This City Council is a Qualified Local Governmental Unit as defined by the Act; and

Whereas, This City Council has on January 21, 2016 established by Resolution an Industrial Development Rehabilitation District in the vicinity of 6401 West Fort Street, Detroit, Michigan, after a Public Hearing held in accordance with the Act; and

Whereas, The Applicant is not delinquent in any taxes related to the facility; and

Whereas, Commencement of the of the subject project did not occur before the establishment of the Plant Rehabilitation District; and

Whereas, The Application relates to a program that when completed constitutes a project within the meaning of the Act and which is situated within the aforesaid

City of Detroit Industrial Development Rehabilitation District; and

Whereas, Completion of the project is calculated to, and will at the time the Certificate is issued, have the reasonable likelihood of increasing and/or retaining employment, increasing commercial activity, revitalizing an urban area, or increasing the number of residents in the community in which the facility is located; and

Whereas, The project includes improvements aggregating 10% or more of the true cash value of the property at the commencement of the project as provided by the Act; and

Whereas, This City Council has granted until the end of December 31, 2016 for the completion of the improvements; and

Whereas, Notice was given by certified mail to the Detroit Board of Education, the City of Detroit Board of Assessors, the Wayne County Board of Commissioners, Wayne County Community College, the Wayne County Intermediate School District, the Huron-Clinton Metropolitan Authority, the Applicant, and by publication to the general public, informing them of the receipt of the Application, the date and location of the Public Hearing, and the opportunity to be heard;

Whereas, The aggregate SEV of real and personal property exempt from ad valorem taxes within the City of Detroit, after granting this certificate, will not exceed 5% of an amount equal to the sum of the SEV of the unit, plus the SEV of personal and real property thus exempted.

Now Therefore Be It

Resolved, That it is hereby found and determined that the granting of the Industrial Facilities Tax Exemption Certificates, will not have the effect of substantially impeding the operation of the local governmental unit or impairing the financial soundness of any other taxing unit which levies an ad valorem property tax with the City of Detroit; and be it further

Resolved, That it is hereby found and determined that the Applicant has complied with the requirements of the Act; and be it further

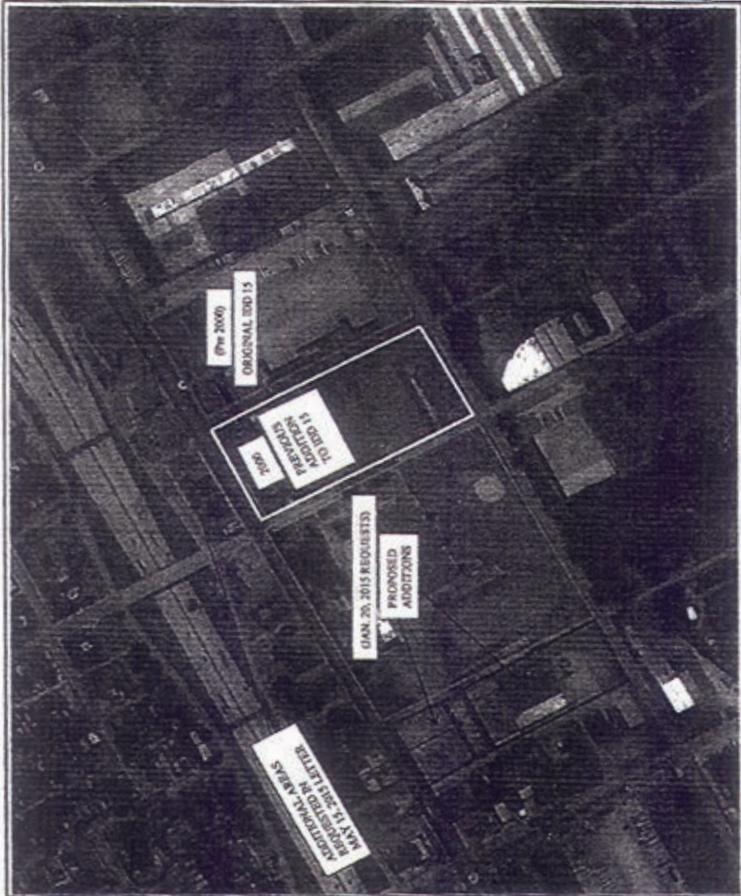

Resolved, That the application of Sakthi Automotive Group USA, Inc. for an Industrial Facilities Tax Exemption Certificate in the area of 201 Waterman, Detroit, Michigan is hereby approved for a period of twelve (12) years in accordance with the provisions of the Act, expiring no later than December 31, 2028; and be it finally

Resolved, That the City Clerk shall forward said Application to the Michigan State Tax Commission as provided by the Act; and be it further

Resolved, That the improvements shall be completed no later than December 31, 2016, unless an extension of that time

period is granted by this City Council, which extension shall be granted if this City Council determines that the project is proceeding in good faith and the proposed extension is reasonable; and be it finally

Resolved, That the City of Detroit's Planning and Development Department and City Assessor's Office are hereby authorized to enter into, substantially in the form attached hereto, an Industrial Facilities Exemption Certificate Agreement.

Honorable City Council:
Re: Real Property at 7824 Oakland,
Detroit, MI 48211.

The City of Detroit Planning and Development Department (“P&DD”) has received an offer from Northend Neighborhood Patrol, a Michigan non-profit corporation (“Offeror”) requesting the conveyance by the City of Detroit (the “City”) of the real property, having a street address of 7824 Oakland, Detroit, MI 48211 (the “Property”).

The P&DD entered into a Purchase Agreement dated April 18, 2016 with the

Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the “Deed”) for two Thousand Seven Hundred Seventy-Seven and 00/100 Dollars (\$2,777.00) (the “Purchase Price”).

Offeror intends to improve the property into a parking lot for operable private passenger vehicles, ancillary to Offeror’s adjacent outdoor recreation facility. The proposed use is a by-right use within the designated B4 / General Business zoning district, in accordance with Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director
Detroit Planning and
Development Department

By Council Member Benson:
Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Northend Neighborhood Patrol, a Michigan non-profit corporation ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 7824 Oakland, Detroit, MI 48211, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated April 18, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to improve the property into a parking lot for operable private passenger vehicles, ancillary to Offeror's adjacent outdoor recreation facility. The proposed use is a by-right use within the designated B4 / General Business zoning district, in accordance with Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.

Now, therefore, be it

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Two Thousand Seven Hundred Seventy-Seven and 00/100 Dollars (\$2,777.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and be it further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Thirty-Eight and 85/100 Dollars (\$138.85) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of One Hundred Sixty-Six and 62/100 Dollars (\$166.62) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the

Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approved by the Corporation Counsel as to form.

Honorable City Council:

Re: Petition No. 1050 — Small Plates to Establish an Outdoor Cafe at 1521 Broadway.

The above named petitioner has requested permission for Outdoor Cafe Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on City right-of-ways has approved this request contingent upon the petitioner's compliance with applicable City ordinance related to outdoor cafe activities and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED. In addition, all tables, chairs, planters and rails must be removed at the end of the season.

The Health Department has approved this petition, subject to petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Health Department's Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor cafe area until the Detroit Police Liquor License Bureau has given approval.

The Planning & Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is, therefore, the recommendation of the P&DD that the petitioner's request be granted subject to the approval of the Historic District Commission, the terms and conditions provided in the attached Resolution, and that this service will convene every April 1st through November 30th for a period of three years (3) from the date of your Honorable Body's approval.

Resolved, That the Department of Public Works - City Engineering Division (DPW/CED) is hereby authorized and directed to issue a Use-permit to Small Plates, Detroit "permittee", whose address is at 1521 Broadway, Detroit, Michigan 48226, to install and maintain an outdoor cafe, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor cafe activities, prior to the issuance of said use permit; and

Provided, That the cafe meets the regulations set by the "Outdoor Cafe Guidelines" as adapted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over Outdoor Cafe process; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and inspection of the Health Department; and

Provided, That the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law

Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the cafe; and

Provided, That the outline and location of the outdoor cafe is not to be different from the site plan approved by the Planning and Development Department and the Department of Public Works; and

Provided, That if any tent, canopy or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Building, Safety Engineering & Environmental Department and the Department of Public Works/City Engineering Division; and

Provided, That the outline and location of outdoor cafe is not to be different from previously approved site plan by the Historic District Commission; and

Provided, That all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense;

Honorable City Council:

Re: Petition No. 986 - Rub BBQ Pub to Establish an Outdoor Cafe at 18 W. Adams .

The above named petitioner has requested permission for Outdoor Cafe Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on City right-of-ways has approved this request contingent upon the petitioner's compliance with applicable City ordinance related to outdoor cafe activities and the remittance of the annual use-permit fee to the Permit Section of the DPW/CED. In addition, no object, including the feet of the railway, may obstruct the sidewalk at any time.

The Health Department has approved this petition, subject to petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Health Department's Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor cafe area until the Detroit Police Liquor License Bureau has given approval.

The Planning & Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is, therefore, the recommendation of the P&DD that the petitioner's request be granted subject to the approval of the Historic District Commission, the terms and conditions provided in the attached Resolution, and that this service will convene every April 1st through November 30th for a period of three years (3) from the date of your Honorable Body's approval.

JOHN SAAD, P.E.

**RESOLUTION
AUTHORIZING EXECUTION OF
WAYNE COUNTY PERMITS**

By Council Member Tate:

Whereas The City of Detroit (hereinafter the "City") periodically applies to the County of Wayne Department of Public Services, Engineering Permit Office (hereinafter the "County") for permits to conduct emergency repairs, annual maintenance work, and for other purposes on local and County roads located entirely within the boundaries of the City, as needed from time to time to maintain the roads in a condition reasonably safe and convenient for public travel;

Whereas, Pursuant to Act 51 of 1951, being MCL 247.651 et seq., the County permits and regulates such activities noted above and related temporary road closures.

Now therefore be it

Resolved, In consideration of the County granting such permit (hereinafter the "Permit"), the City agrees and resolves that:

Any work performed for the City by a contractor or subcontractor will be solely as a contractor the City and not as a contractor or agents of the County, Any claims by any contractor or subcontractor will be the sole responsibility of the City. The County shall not be subject to any obligations or liability by vendors and contractors of the City, or their subcontractors.

The City shall take no unlawful action or conduct, while arises either directly or indirectly out of its obligations, responsibilities, and duties under the Permit which results in claims being asserted against or judgment being imposed against the County, and all officers, agents and employees thereof pursuant to a maintenance contract. In the event that same occurs, for the purposes of the Permit, it will be considered a breach of the Permit thereby giving the County a right to seek and obtain any necessary relief or remedy, including, but not by way of limitation, a judgment for money damages.

With respect to any activities authorized by Permit, when the City requires insurance on its own or its contractor's behalf, it shall also require that such policy include as named insured the County of Wayne and all officers, agents and employees thereof; and

The incorporation by the County of this Resolution as part of a permit does not prevent the County from requiring addi-

tional performance security or insurance before issuance of a Permit; and

This Resolution stipulates that the requesting City shall, at no expense of the County of Wayne, provide necessary police supervision, establish detours and post all necessary signs and other traffic control devices in accordance with the Michigan Manual of Uniform Traffic Control Devices; and

This Resolution stipulates that the requesting City shall assume full responsibility for the cost of repairing damage done to the County road during the period of road closure or partial closure; and This Resolution shall continue in force from the date of execution until cancelled by the City or the County with no less than thirty (30) days prior written notice to the other party. It will not be cancelled or otherwise terminated by the City with regard to any Permit which has already been issued or activity which has already been undertaken; and

The City stipulates that it agrees to the terms of the County of Wayne permit at the time a permit is signed by the City's authorized representative;

Be it further

Resolved, That the following individual is authorized in their official capacity as the City's authorized representative to sign and so bind the City to the provisions of any and all permits applied for the County of Wayne, Department of Public Services Engineering Division Permit Office for necessary permits from time to work within County road right-of-way or local roads on behalf of the City.

Honorable City Council:

Re: Petition No. 454 — Titan Coatings request for a five year extension temporary closing of the alley located at the northerly part of the north-south alley in the block bounded by Canton, Helen, Palmer and E. Grand Blvd.

Petition No. 454 — Titan Coatings International LLC. request for a renewal of a temporary closure for the north part of

the north-south alley, 18 feet wide, and revised to also include all of the remaining open public alleys in the block bounded by Palmer Avenue, 60 feet wide, East Grand Boulevard, 150 feet wide, Canton Avenue, 60 feet wide and Helen Avenue, 60 feet wide.

The petition was referred to the City Engineering Division - DPW for investigation (utility review) and report. This is our report.

The request is being made to maintain security and to prevent illegal dumping for the property owners adjoining the alley. The northerly part of the north-south alley was previously approved as a temporary closure by petition no. 3881 on February 5, 1986 on J.C.C. pages 198 -199.

All involved City departments and privately owned utility companies have reported no objections to the proposal, provided they have the right to ingress and egress at all times to their facilities. Provisions protecting the rights of the utilities and the City are a part of this resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Ayers:

Whereas, Titan Coatings International, LLC. has complied with the terms, conditions and restrictions of the Detroit City Council resolution of Petition number 3881, to temporarily close the north part of the north-south alley, approved by your Honorable Body on February 5, 1986 (Journal of City Council pages 198 and 199), now therefore be it

Resolved, The City Engineering Division - DPW is hereby authorized and directed to issue permits to Titan Coatings International, LLC. at 1497 East Grand Boulevard, Detroit, Michigan 48211 to close the north south alley, 18 feet wide and the east-west alley, 20 feet wide in the block bounded by Palmer Avenue, 60 feet wide, East Grand Boulevard, 150 feet wide, Canton Avenue, 60 feet wide and Helen Avenue, 60 feet wide and being more particularly described as: north-south alley, 18 feet wide lying easterly of and adjoining the easterly line of Lots 38 through 43, both inclusive and Lot C, also lying westerly of and adjoining the westerly line of Lot D and Lots 8 through 13, both inclusive, plus the east-west alley, 20 feet wide lying northerly of and adjoining the northerly line of Lot D and lying southerly of and adjoining the southerly line of Lots 5, 6, 7 and the easterly 25 feet of Lot 4 "James Gambles Subdivision of part of Lot 9 and 10 Private Claim 573, North of Gratiot Avenue, Detroit, Wayne County, Michigan" as recorded in Liber 14, Page 67 of Plats, Wayne County Records; on a

temporary basis (for a period of Five (5) years) to expire on May 1, 2021;

Provided, That the petitioner shall file with the Finance Department and/or City Engineering Division - DPW an indemnity agreement in form approved by the Law Department. The agreement shall save and protect the City of Detroit harmless from all claims, damages or expenses that may arise by reason of the issuance of permits and the faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the temporary public alley closing; and

Provided, the property owned by the petitioner and adjoining the temporary public alley closing shall be subject to the proper zoning or regulated use (Board of Zoning Appeals Grant) over the total width and length of the alley; and

Provided, the petitioner shall agree to pay all claims, damages or expenses that may arise out of the maintenance of the temporary public alley closing, and

Provided, No buildings or other structures of any nature whatsoever (except necessary line fence), shall be constructed on or over the public rights-of-way. The petitioner shall observe the rules and regulations of the City Engineering Division - DPW. The City of Detroit retains all rights and interests in the temporarily closed public right-of-way. The City and all utility companies retain their rights to service, inspect, maintain, repair, install, remove or replace utilities in the temporarily closed public rights-of-way. Further, the petitioner shall comply with all specific conditions imposed to ensure unimpeded 24-hour-per-day access to the City and utility companies; and

Provided, the petitioner's fence, gate and barricade installations shall provide

13 feet horizontal and 15 feet vertical clearance(s) for utility maintenance vehicles and must only be installed in such a way to not prohibit pedestrian traffic within the sidewalk space; and

Provided, this resolution does not permit the storage of materials, displays of merchandise, or signs within the temporarily closed public rights-of-way. Further, the placement of materials, merchandise, or signs on any adjacent temporary area is prohibited; and

Provided, that if there is still a need for access from any of the abutting property owners to said temporary closed alley, access shall and must be maintained for those properties; and

Provided, that at the expiration of the permit, all obstructions shall be removed at the petitioner's expense. The public property shall be restored to a condition satisfactory to the City Engineering Division - DPW by the petitioner at the petitioner's expense; and

Provided, that this resolution is revocable at the will, whim or caprice of the Detroit City Council without cause. The petitioner waives the right to claim damages or compensation for removal of encroachments. Further, the permittee acquires no implied or other privileges hereunder not expressly stated herein. If this permit is continued for the five (5) year period, the City Council may (upon written request and if the circumstances justify accordingly) grant an extension thereto; and

Provided, that this permit shall not be assigned or transferred without the written approval of the Detroit City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

**Department of Public Works
 City Engineering Division**
 April 14, 2016

Honorable City Council:
 Re: Petition No. 649 — The 18000 Greeley Street Block Club, request to put up a sign on the corners of Greeley and 7 mile Rd. and Greeley and Nevada this summer to bring awareness to the existing block club.
 Petition No. 649 - The 18000 Greeley Street Block Club request for an encroachment with two block club signs and revised to

one block club sign in the berm area on the northeast corner of Greeley Avenue, 75 feet wide and Nevada Avenue, 70 feet wide.
 The requested encroachment with a block club sign is to raise public awareness of the existing block club.
 The petition was referred to the City Engineering Division - DPW for investigation (utility clearance and review) and report. This is our report.
 The request was approved by the Solid Waste Division - DPW. The Traffic Engineering Division - DPW (TED) and City Engineering Division - DPW.
 Detroit Water and Sewerage Department (DWSD) reports no objection to the encroachment provided that the provisions for encroachments are strictly followed.
 All other City Departments and privately owned utility companies have reported no

objections. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,

RICHARD DOHERTY, P.E.

City Engineer

City Engineering Division — DPW

By Council Member Ayers:

Resolved, The City Engineering Division - DPW is hereby authorized and directed to issue permits to "The 18000 Greeley Street Block Club" and/or their assigns, to install and maintain an encroachment with a block club sign, being 5 feet in height and 3 feet in width, in the berm area 17.5 feet west of the east line of Greeley Avenue, 75 feet wide, and 32 feet north of the north line of Nevada Avenue, 70 feet wide adjoining property described as: Land in the City of Detroit, Wayne County, Michigan being the east 29.10 feet of Lot 46, Block 1 "Jerome Park Subdivision of part of the S.E. 1/4 of Section 12 & Lots 22 & 23 of Wilcox's Subdivision of West part of Section 13 & East part of Section 14, T.1S.,R.11E, Greenfield Twp., Wayne County Michigan" as recorded in Liber 12, Page 52 of Plats, Wayne County Records.

Provided, that by approval of this petition/request the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the street, and at all time, DWSD its agent or employees, shall have the right to enter upon the street to maintain, repair, alter, service, inspect, or install its facilities. All cost incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD's facilities for maintenance, repairing, alteration, servicing or inspection by DWSD shall be borne by the petitioner. All cost associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the street shall be borne by DWSD; and further

Provided, that all construction performed under this petition shall not be commence until after (5) days written notice to DWSD. Seventy-two hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the MISS DIG one call system; and further

Provided, that construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and further

Provided, that if DWSD facilities located within the street shall break or be damaged as the result of any action on the part of the petitioner, then in such event

the petitioner agrees to be liable for all cost incident to the repair, replacement, or relocation of such broken or damaged DWSD facilities; and further

Provided, the petition shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition, which may be caused by the failure of DWSD's facilities; and further

Provided, that if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the street being encroached upon the petitioner agrees to pay all cost for such removal and/or relocation; and further

Provided, That the petitioner shall file with the Finance Department and/or City Engineering Division - DPW an indemnity agreement in a form approved by the Law Department. The agreement shall save and protect the City of Detroit from any and all claims, damages or expenses that may arise by reason of the issuance of the permits and faithful or unfaithful performance by the petitioner of the terms thereof. Further, the petitioner shall agree to pay all claims, damages, or expenses that may arise out of the maintenance of the proposed encroachments; and further

Provided, all costs for the construction, maintenance, permits, and use of the project encroachment(s) within the said public right-of-way shall be borne by the petitioner. The installation and maintenance of said encroachment(s) shall comply with the rules and regulations of the City Engineering Division - DPW (in conjunction with Buildings and Safety Engineering Department, if necessary), and Traffic Engineering Division - DPW; and further

Provided, If it becomes necessary to repair or replace the utilities located or to be located in the public right-of-way, by the acceptance of this permission, the project encroachment(s) owners for themselves, their heirs or assigns, waive claims for any damages to the encroaching installations and agree to pay the costs incurred in their removal, if their removal becomes necessary, and to restore the property affected to a condition satisfactory to the City Engineering Division - DPW (in conjunction with Buildings and Safety Engineering Department, if necessary) at the encroachment owner's expense; and further

Provided, That no rights in the public streets, alleys or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division - DPW; and further

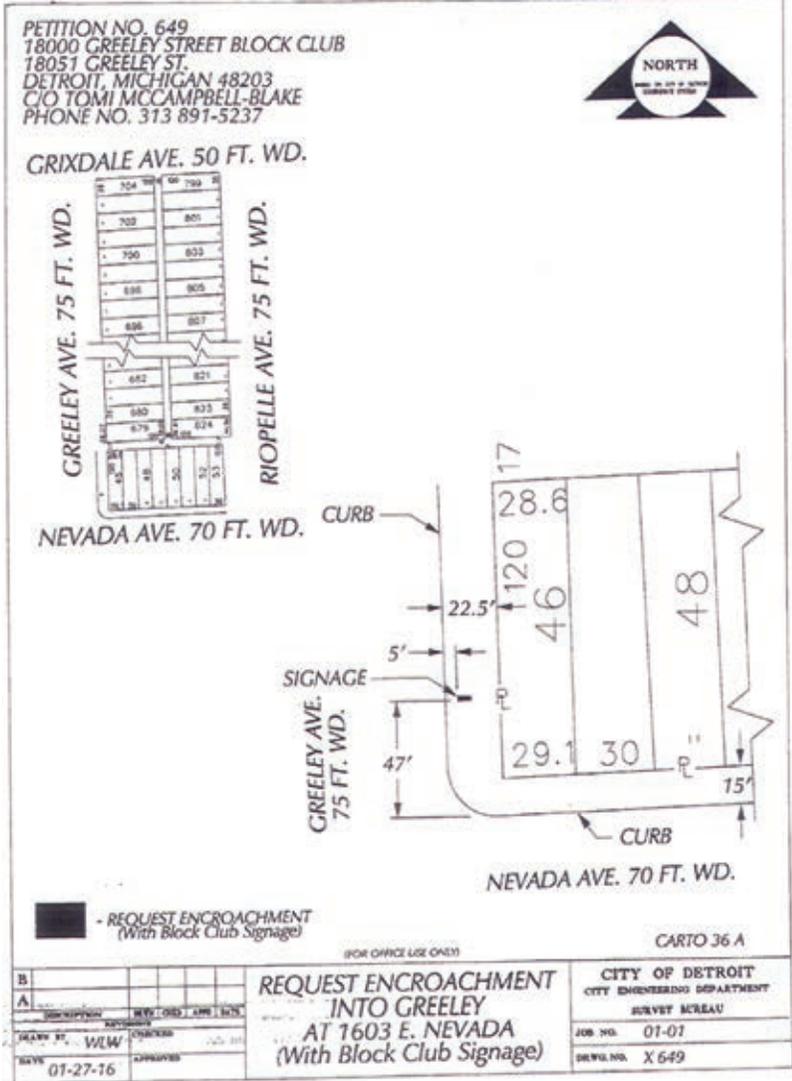

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and permittee hereby waives any right to claim damages or compensation for removal of encroachment(s), and further, that the permittee acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, the installation and maintenance of encroachment with the block club sign lying within said area referred to herein shall be construed as acceptance

of this resolution by "The 18000 Greeley Street Block Club" and/or their assigns; and further

Provided, that the project encroachment(s) permit shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution and indemnity agreement (if attached) with the Wayne County Register of Deeds.

Honorable City Council:

Re: Address: 18254 St. Marys. Name: Safe Haven Properties, LLC. Date ordered removed: April 13, 2015 (J.C.C. pages _____).

In response to the request for a deferral of the demolition order on the property noted above, we submit the following information:

A special inspection on April 11, 2016 revealed the building is secured and appears to be sound and repairable.

The owner has paid all taxes and is current.

The proposed use of the property is owner's use and occupancy.

This is the first deferral request for this property.

Therefore, it is recommended that the demolition order be deferred for a period of six months subject to the following conditions:

1. A permit for rehabilitation work shall be obtained within 30 days.

2. The building shall be maintained securely barricaded until rehabilitation is complete. Rehabilitation is to be complete within six months, at which time the owner will obtain one of the following from this department:

- Certificate of Acceptance related to building permits
- Certificate of Approval as a result of a Housing Inspection

• Certificate of Inspection, required for all residential rental properties.

3. The owner shall not occupy or allow occupancy of the structure without a certificate (as outlined above).

4. The yards shall be maintained clear of weeds, junk and debris at all times.

We recommend that utility disconnect actions cease to allow the progress of the rehabilitation.

At the end of the deferral period, the owner must contact this department to arrange an inspection to evidence that conditions of the deferral have been maintained and that there has been substantial progress toward rehabilitation. If the building becomes open to trespass or if conditions of the deferral are not maintained, we may proceed with demolition without further hearings. And, pursuant to the Property Maintenance Code we will issue a Blight Violation Notice.

A request for deferral exceeding four must be made by petition to City Council through the office of the City Clerk.

**RESOLUTION
IN MEMORIAM
DEBORAH VIRGILES**

By Council President Jones:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Deborah Virgiles. A loving and devoted mother, sister, aunt, owner-operator, entrepreneur and civic service trailblazer who departed the golden arches and entered into the golden gates of heaven on April 27, 2016; and

WHEREAS, Deborah Virgiles was a native Detroit! She was one of twelve children born to Bertha and Johnnie Green, who preceded her in death. She attended Detroit Public Schools, graduating from Chadsey High School in 1972, furthering her education as an entrepreneur; and

WHEREAS, In 1972, Deborah's journey with McDonald's Restaurant began as a teenager. She worked as an employee for twenty-four years, when she was offered the opportunity to buy her own store. In 1995, Deborah fulfilled her dream of becoming an owner/operator. She opened her first McDonald's in Dearborn, Michigan at the Fairlane Town Center Mall. She owned and operated several other stores throughout her career. She had two remaining McDonald's Restaurants at the time of her transition, on Grand River Avenue near Southfield Freeway and Woodward Avenue at Willis in Midtown. Deborah provided a positive workplace, which was something that she took pride in for her employees and customers. Because of this, she was able to accomplish her goals. She mentioned in a magazine article, "Ultimately, I feel like my heart has reached its goals. Knowing that I have touched the lives of so many kids and employees, it takes me to a different level." Deborah believed in cultivating the next generation of entrepreneurs. Her daughter, Dominique, had the chance to not only have a loving relationship with

her mother, but she also had a business relationship. learning how to become an entrepreneur like her beloved mom; and

WHEREAS, Deborah served Detroit and its citizens passionately, supporting the Ronald McDonald House of Detroit. She volunteered by making meals, attending their events and frequently inviting guests and other supporters. In 2005, Deborah served on the Detroit nonprofit's board and was president for four years. She played an integral role in helping to transition Ronald McDonald House of Detroit to its new home. Under her leadership as board president, Ronald McDonald House of Detroit was named a finalist in Crain's Detroit 2013 Best Managed Nonprofit Contest. She was named as one of the Michigan Chronicle's "Women of Excellence" in 2011 and as "Business Woman of the Year" by the Women's Informal Network in 2010. In 2014, Deborah was recognized as a distinguished volunteer by the Association of Fundraising Professionals Greater Detroit Chapter, during its National Philanthropy Day dinner. She was a member of Women's Informal Network, Detroit Branch NAACP, National Association of Professional Women and the Deaconess Club of Tabernacle Missionary Baptist Church,, where she worshiped and praised the Lord! Deborah's zeal for life, love for people and the community will be sorely missed. She gave us her all and now God has carried her through the golden gates of heaven.

NOW, THEREFORE BE IT

RESOLVED, That the Detroit City Council and the office of Council President Brenda Jones hereby expresses its condolences and joins with family and friends in honoring the memory of Deborah Virgiles.

BUILDINGS, SAFETY ENGINEERING AND ENVIRONMENTAL DEPARTMENT

7. Submitting report relative to **DEFERRAL OF DEMOLITION ORDER** on property located at 16316 Plymouth. **(A Special Inspection on May 2, 2016 revealed the building is secured and appears to be sound and repairable. Therefore, it is recommended that the demolition order be deferred for a period of six months subject to conditions of the order.)**

8. Submitting report relative to **DEFERRAL OF DEMOLITION ORDER**

on property located at 15892 Rosemont. (A Special Inspection on May 6, 2016 revealed the building is secured and appears to be sound and repairable. Therefore, it is recommended that the demolition order be deferred for a period of six months subject to conditions of the order.)

9. Submitting report relative to Status of Abandon Homes in the Fenelon, Conley, and Keystone Block Club.

LEGISLATIVE POLICY DIVISION

10. Submitting report relative to Self-Driving Cars. (The Legislative Policy Division’s preliminary research indicates that at this time operation of self-driving cars by private citizens is not legal. Moreover, before it becomes legal, if ever, significant technological, legal regulatory and other barriers will have to be overcome.)

11. Submitting report relative to Railroad Grade Crossings. (Council Members Benson and Castaneda-Lopez, as members of the standing committee on Public Health and Safety, followed up on a previous report by the Legislative Policy Division regarding regulation of railroads, dated February 22, 2016, by requesting that the Legislative Policy Division obtain a list of railway grade crossings in the City of Detroit, and identify the owners of the right-of-way for each of them.)

12. Submitting report relative to Great Lakes Water Authority (GLWA) and Detroit Water and Sewerage Department (DWSD) issues. (The Legislative Policy Division (LPD) was asked to address the impact of the launch of the Great Lakes Water Authority (GLWA) on the City. As the Legislative Policy Division previously stated at the outset of the GLWA process in September 2014, the operational beginning of the GLWA in January 2016 as regional substitute for the Detroit Water and Sewerage Department (DWSD) system, in control of the region’s water and sewer infrastructure, raises many complex issues.)

OFFICE OF THE CHIEF FINANCIAL OFFICER/GRANTS MANAGEMENT

13. Submitting reso. autho. Request to Accept and Appropriate for 2016 Summer Food Service Program (SFSP) and Commodity Food Distribution Program from Michigan Department of Education. (The Michigan Department of Education has awarded a grant to the City of Detroit Recreation Department for 2016 with Summer Food Service Program and Commodity Food Distribution Program grant in the amount of \$400,000. If approval is granted to accept the increase and appropriate accordingly, Katerli Bounds Program

Analysis Officer, will be fiduciary agent for the grant. The cost center is 398585 and appropriation number is 20266.)

PUBLIC WORKS DEPARTMENT/ADMINISTRATION DIVISION

14. Submitting reso. autho. Application for Local Bridge Program — for Bridge Replacement and Preventative Maintenance. (The Department of Public Works (DPW) will provide necessary funding from the street fund for the design and construction engineering as well as construction match requirements for the following bridge structures: Bagley Ave. over Conrail; Structure #12393, Plymouth Road over Rouge River; Structure #12443 and Sixth Street over Jefferson Ave.; Structure #12464. DPW requests a resolution from your Honorable Body stating that it is actively seeking participation in the repairs of the above referenced bridge structures, an action necessary to complete the MDOT Local Bridge Program application requirements.)

PUBLIC WORKS DEPARTMENT/ENGINEERING DIVISION

15. Submitting reso. autho. Petition of Bargain Furniture, LLC (#486), request for BERM parking at 12700 East Eight Mile Road, Detroit, MI 48205. (The City Engineering Department — DPW recommends DENIAL of this petition request.)

16. Submitting reso. autho. Petition of Mario’s Auto Sales, Inc. (#580), request permission for a berm permit for 12444 E. 8 Mile Rd., Detroit, MI 48225. (The City Engineering Department — DPW recommends DENIAL of this petition request.)

Re: Lieutenant Joe L. Tucker, Jr. vs. City of Detroit, et al. Wayne County Circuit Court Case No.: 15-004707-CD. File #W15-00069.

On April 25, 2016 this matter was submitted to case evaluation and the panel issued an award of \$25,000 in favor of the plaintiff and against the defendants Detroit Police Department d/b/a City of Detroit, Chief of Police James L. Craig, Assistant Chief Stephen Dolunt, Deputy Chief Charles Fitzgerald, Lieutenant Kelly Fitzgerald individually and as employees of the City of Detroit. The parties have until May 23, 2016 to either accept or reject the case evaluation. The failure to file a written acceptance or rejection within this period constitutes a rejection. If all parties accept the case evaluation, judgment will be entered in that amount, which includes all fees, costs and interest to the date of judgment. If a party rejects the evaluation, the case proceeds to trial, however the party rejecting the case evaluation must pay additional sanctions if the trial results are not favorable.

Legislative Policy Division

May 11, 2016

Honorable City Council:

Re: Revision of Emergency Manager Orders.

The Legislative Policy Division (LPD) was asked to provide draft resolution revising Emergency Manager Order No. 38. The attached proposed resolution was submitted to the Council in March and April of this year and is summarized below.

EM Order No. 38 grants the Mayor authority to establish the Housing and Revitalization Department (HRD) to, among other things, perform certain functions previously performed by the Planning and Development Department (PDD). As the Mayor's appointment of the PDD Director is subject to City Council confirmation, pursuant to Charter Section 4-111, the proposed resolution grants City Council confirmation authority of the HRD Director.

Attached is the draft resolution for your consideration. LPD looks forward to discussing these matters more fully with the Council.

RESOLUTION TO REVISE EMERGENCY MANAGER ORDER NO. 38, MODIFYING PLANNING AND DEVELOPMENT DEPARTMENT AND ESTABLISHING HOUSING AND REVITALIZATION DEPARTMENT

By Council Member Spivey:

Whereas, In September 2014, as the Emergency Manager prepared to transition from his position (and as the City's bankruptcy proceedings were drawing to a close), he issued Emergency Manager Order No. 42 restoring much of the power to the executive and legislative branches of City government, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

Whereas, Emergency Manager Order No. 38, *Order Modifying Planning and Development Department and Establishing Housing and Revitalization Department*; "determined that it is appropriate to

establish a new Housing and Revitalization Department (the 'HRD') to perform certain functions previously performed by the Planning and Development Department (PDD)"; and

Whereas, EM Order No. 38 grants the Mayor authority to establish the HRD and appoint a Director. As specified in paragraphs 4 through 7 of the order, HRD "shall strategically manage the City's Federal entitlement and related resources", "lead initiatives to attract public and private investment in city neighborhoods using public land and financing", "invest the City's entitlement funds in affordable, mixed income and mixed-use housing developments and, related public improvements in addition to leading the planning associated with Community Development Block Grants, Emergency Solutions Grant Program, HOME funds and Neighborhood Opportunity Fund" — that is, "the PDD and the PDD Director shall no longer perform the functions set forth in paragraphs 4, 5, 6, and 7 of this Order"; and

Whereas, Public Act 436 of 2012, specifically MCL 141.1561(2), provides "[a]fter the completion of the emergency manager's term and the termination of receivership, the governing body of the local government shall not amend the 2-year budget adopted under subsection (1) without the approval of the state treasurer, and shall not revise any order or ordinance implemented by the emergency manager during his or her term prior to one year after the termination of receivership." With the City having passed the one year mark since its exit from bankruptcy (December 10, 2014) and emergency management, and as the Mayor and City Council work effectively to advance the City's recovery, including implementation of the Plan of Adjustment, it is time to restore essential checks and balances to the operations of City government, as contemplated by the City Charter, through full implementation of Council's confirmation authority as provided by Charter section 4-111; and

Whereas, Section 4-111 of the 2012 Detroit City Charter provides that the "Mayoral appointment of the Chief of Police, Fire Commissioner, Director of Planning and Development, Director of Human Resources and Corporation Counsel, is subject to approval by City Council". As delineated by EM Order No. 38, HRD's core functions are extracted from PDD. Thus, HRD's Director should likewise be subject to confirmation by City Council; and

Whereas, The surgical revision of EM Order No. 38 to restore City Council's full confirmation authority — as mandated by the citizens through adoption of the Charter, will not impact the success of the Plan of Adjustment and will have no fiscal impact on the City;

Now Therefore Be It

Resolved, Notwithstanding any contrary provisions of Emergency Manager Order No. 38, the Detroit City Council's authority to confirm the Mayor's appointment of the Director HRD, as clearly contemplated by the 2012 Detroit City Charter is hereby ratified; and

Be It Further

Resolved, That a copy of this resolution shall be transmitted to Mayor Mike Duggan.

Honorable City Council:

Re: Revision of Emergency Manager Orders.

The Legislative Policy Division (LPD) was asked to provide draft resolution revising Emergency Manager Order No. 41. The attached proposed resolution was submitted to the Council in March and April of this year and is summarized below.

EM Order No. 41 provides the mechanism for establishing the Office of the Chief Financial Officer (OCFO). LPD has provided two alternative resolutions with respect to EM Order No. 41 intended to restore some authority to City Council with respect to writing off certain City debt and approval of contracts. Both versions address accounts receivable, but one includes specific restoration of contract approval. Note that Chief Financial Officer John Hill issued two letters to City Council in December 2015 indicating his willingness to follow City policies with respect to accounts receivable write-offs, as well as City procurement practices. Copies of the letters are also attached for your review.

Attached is the draft resolution for your consideration. LPD looks forward to discussing these matters more fully with the Council.

**RESOLUTION TO REVISE
EMERGENCY MANAGER ORDER
NO. 41, ESTABLISHING CENTRALIZED
FINANCIAL MANAGEMENT
ORGANIZATIONAL STRUCTURE**

By Council Member Spivey:

Whereas, In September 2014, as the Emergency Manager prepared to transition from his position (and as the City's bankruptcy proceedings were drawing to a close), he issued Emergency Manager Order No. 42 restoring much of the power to the executive and legislative branches of City government, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

Whereas, Emergency Manager Order

No. 41, *Order Establishing Centralized Financial Management Organizational Structure*, consistent with the dictates of Michigan Public Act 181 of 2014, amending the Home Rule City Act (specifically, MCL 117.4s), granted sweeping powers to the City's Chief Financial Officer (CFO) establishing a centralized financial management organizational structure, called the Office of the Chief Financial Officer to provide "management oversight, control, and direction to the existing Budget Department, Finance Department and all their subordinate components, and all finance, budget, and grant related components of other City departments, divisions, and agencies"; and

Whereas, EM Order No. 41 grants the CFO "all of the authority and responsibilities of the Finance Director under Section 6-301 and 6-302 of the City Charter and Budget Director under Section 6-101", as well as creating "Divisions" of the Office of the CFO comprised of the former Offices of the Assessor, Treasury, Controller, Contracting and Procurement, Grants Management, Budget, and Financial Planning & Analysis; and

Whereas, With the City having passed the one year mark since its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to advance the City's recovery, including implementation of the Plan of Adjustment, it is time to restore essential checks and balances and transparency to the operations of City government through restoration of Council's contract approval authority as provided by Charter section 4-122 and Detroit City Code section 18-5-21; and

Whereas, Despite the specific requirement of City Code section 18-6-6 requiring Council approval for any adjustment or cancellation of accounts, EM Order No. 41 also grants the CFO authority (with written approval of the Mayor) to write off accounts receivable without City Council approval if the accounts are older than the statute of limitations, have been absolved by a legal proceeding such as the confirmed Plan of Adjustment, or are older than one year. Restoration of Council approval of these actions will similarly serve to shine needed light on the City's fiscal workings; and

Whereas, The surgical revision of EM Order No. 41 to restore City Council's contract approval authority and specific accounts receivable write-offs will not impair the CEO's ability to expeditiously pursue and complete restructuring of the financial functions of the City as mandated by MCL 117.4s, will not impact implementation of the Plan of Adjustment, will not require a budget amendment and will have no fiscal impact on the City; and

Whereas, The City of Detroit's receivership status was terminated upon the completion of the City's bankruptcy case on

the effective date of the Plan of Adjustment, December 10, 2014. Pursuant to Public Act 436 of 2012, City Council may amend orders implemented by the emergency manager one (1) year after the termination of receivership;

Now Therefore Be It

Resolved, Notwithstanding and contrary provisions of Emergency Manager Order No. 41, the Detroit City Council's contract approval as contemplated by the 2012 Detroit City Charter and the City Code is **fully** restored, particularly as related to contracts over \$25,000.00, personal services contracts, and professional services contracts; and

Be It Further

Resolved, City Council's authority to approve the write-off of accounts receivable shall be restored in full; and

Be It Finally

Resolved, That a copy of this resolution shall be transmitted to the Chief Financial Officer and the Mayor's Office.

Adopted as follows:

Yeas — Council Members Ayers, Castaneda-Lopez, Leland, Sheffield, Spivey, Tate, and President Jones — 7.

Honorable City Council:

Re: Revision of Emergency Manager Orders.

The Legislative Policy Division (LPD) was asked to provide draft resolution revising Emergency Manager Order No. 42. The attached proposed resolution was submitted to the Council in March and April of this year and is summarized below.

EM Order No. 42, *Order Addressing Issues Relating to the Conclusion of the Emergency Manager's Tenure and Transition of City Operations to the Mayor and City Council*, like the other final EM Orders, addresses issues of executive branch reorganization. It allows the Mayor to deviate from City Charter directives with respect to the organization and submission of the Executive Organization Plan, and it effectively undermines the independence of the Corporation Counsel, contrary to the 2012 Charter of the City of Detroit. LPD prepared a proposed resolution addressing these issues only.

Attached is the draft resolution for your consideration. LPD looks forward to discussing these matters more fully with the Council.

**RESOLUTION TO REVISE
EMERGENCY MANAGER ORDER
NO. 42, ADDRESSING ISSUES
RELATING TO THE CONCLUSION OF
THE EMERGENCY MANAGER'S
TENURE AND TRANSITION OF CITY
OPERATIONS TO THE MAYOR
AND CITY COUNCIL**

By Council Member Spivey:

Whereas, In September 2014, as the Emergency Manager prepared to transition from his position and the City's bankruptcy proceedings were drawing to a close, he issued Emergency Manager Order No. 42, as well as Emergency Manager Orders No. 38, 39, 40 and 41 to expedite the restructuring of various City departments; and

Whereas, Emergency Manager Order No. 42, *Order Addressing Issues Relating to the Conclusion of the Emergency Manager's Tenure and Transition of City Operations to the Mayor and City Council*, modifies, revokes, or supplements provisions of previous orders and addresses responsibilities of the Mayor and City Council post-bankruptcy/emergency management by restoring the powers of the Legislative Branch and enhancing the powers of the Executive Branch — both of which were usurped by the emergency manager, as provided by PA 436 of 2012¹; and

Whereas, With the City now past the one year mark since its exit from bankruptcy and emergency management, and as the Mayor and City Council work effectively to continue the City's recovery, a number of the EM Orders require modification or rescission to restore essential checks and balances to the operations of City government; and

Whereas, EM Order No. 42, at paragraph 6, grants authority to the Mayor beyond the dictates of the voter-adopted Charter of the City of Detroit, to restructure the Executive Branch through submission of an Executive Organization Plan to City Council for consideration and action within 45 days. The Order effectively eliminates the organizational constraints imposed by sections 7-102 through 7-104 of the Charter that prohibit reassignment or combination of "staff" departments (Budget, Planning and Development, Finance, Human Resources, and Buildings, Safety Engineering and Environmental); and

Whereas, Although Michigan Public Act 181 of 2014, amending the Home Rule City Act (specifically, MCL 117.4s), granted authority for the establishment of a centralized financial structure (created through EM Order No. 41) allowing the "Office of the Chief Financial Officer" oversight of the existing Budget and Finance Departments, granting free reign to the Mayor to reorganize the **non-financial aspects** of the Executive Branch, contrary to the Charter, is not necessary for implementation of the Plan of Adjustment; and

Whereas, EM Order No. 42 also grants the Mayor authority to include the Law Department in the Executive Branch through a reorganization plan, **contrary** to the authoritative vote of the citizenry in adopting the 2012 City Charter that creat-

ed *Article 7.5. Independent Departments and Offices*, intended to insulate the Auditor General, Law Department, Office of Inspector General, and Ombudsperson from undue influence and to allow them to serve the City in as independent a manner as possible. Corporation Counsel's independence, pursuant to the Charter, enables the Office to perform specific functions, including representing the City's branches with the requisite independence and fairness, mediating intra-governmental disputes as required by Charter Section 7.5-208, and enforcing violations of the Charter as required by section 7.5-209; and

Whereas, EM Order No. 42, at paragraph 6, further diverges from the provisions of the 2012 City Charter by specifically providing that the Corporation Counsel "shall be appointed by and serve at the pleasure of the Mayor," contrary to the language of Charter Section 7.5-201, which created a more balanced division of power between the Executive and Legislative Branches with respect to appointment and removal of the Corporation Counsel, with the goal of enhanced independence of the position; and

Whereas, The City of Detroit's receivership status was terminated upon the completion of the City's bankruptcy case on the effective date of the Plan of Adjustment, December 10, 2014. Pursuant to Public Act 436 of 2012, City Council may amend orders implemented by the emergency manager at any time more than one (1) year after the termination of receivership; and

Whereas, Surgical revision of EM Order No. 42 to restore the balance contemplated by the 2012 City Charter will have no fiscal impact on the City;

Now therefore be it

Resolved, Notwithstanding any contrary provisions of Emergency Manager Order No. 42 or Emergency Manager Order No. 44, at paragraph 17, the provisions of EM Order No. 42, paragraph 6, granting the Mayor expanded reorganizational authority contrary to the provisions of City Charter Sections 7-102 through 7-104 (with the exception of those powers of the Office of Chief Financial Officer granted pursuant to Public Act 181 of 2014) are revoked, and the provisions of the City Charter, including time for consideration of a proposed Executive Organization Plan, are fully restored; and

Be it further

Resolved, The provisions of EM Order No. 42, paragraph 6(b) and (c), pertaining to the Law Department are revoked and the Law Department shall remain, pursuant to the mandate of Article 7.5 of the City Charter, an Independent Department subject to the terms and requirements of Charter Sections 7.5-201 through 7.5-211; and

Be it finally

Resolved, That a copy of this resolution shall be transmitted to the Corporation Counsel and the Mayor's Office.

¹ MCL 141.1552 provides, in pertinent part, "(2) Except as otherwise provided in this act, during the pendency of the receivership, the authority of the chief administrative officer and governing body to exercise power for and on behalf of the local government under law, charter, and ordinance shall be suspended and vested in the emergency manager."

PLANNING AND ECONOMIC DEVELOPMENT STANDING COMMITTEE

City Planning Commission

May 8, 2016

Honorable City Council:

Re: Request of the City of Detroit Housing and Revitalization Department to amend Chapter 61, *Zoning*, Article XVII, Map No. 43 for the rezoning of 39 lots in the general area bounded by West Grand Boulevard, Vinewood Avenue, Michigan Avenue and the Michigan Central railroad (including the former Detroit fire station located at 3396 Vinewood Avenue) to show an SD2 (Special Development District, Mixed-Use) where the land is currently zoned R2 (Two-Family Residential District), M2 (Restricted Industrial District), and M-4 (Intensive Industrial District) — (RECOMMEND APPROVAL).

NATURE OF THE REQUEST

The City's Housing and Revitalization Department has requested the rezoning of 39 lots with addresses on West Grand Boulevard, Vinewood Avenue, Michigan Avenue, and Hubbard Avenue to the SD2 (Special Development District, Mixed-Use) zoning classification. Twenty-one (21) of the 39 lots are currently zoned R2, 11 are zoned M2, and seven are zoned M4.

One of the 39 lots contains the former Detroit fire station on land zoned R2 at 3396 Vinewood for which the City has identified a developer to adaptively re-use the site. Great Lakes Coffee Roasting Company proposes to convert the fire house to living and office space on the upper level and to establish coffee roasting, a commercial kitchen, a bar and tasting room on the lower level — a mixture of

residential, commercial, and light industrial uses. Such a combination of uses would be prohibited under the current R2 zoning but permitted under the proposed SD2.

The fire station is immediately across the street from a multi-block area containing the other 38 lots designated in the city's Master Plan of Policies as "Mixed Residential-Industrial" — a future land use classification determined by the Planning and Development Department to support the proposed SD2.

PUBLIC HEARING AND PUBLIC ENGAGEMENT

The Administration convened a neighborhood meeting on March 8, 2016 at the nearby Hygrade Deli to provide a preview to interested parties of the purpose and parameters of the proposed rezoning. City Planning Commission (CPC) staff was also present. Fifteen individuals, including some city staff, signed-in at the meeting. None opposed or favored the firehouse redevelopment. One suggested a broader area be rezoned to SD2. Another indicated interest in establishing a used car sales operations — permissible under current zoning, but prohibited under SD2. Most attendees gathered information, asked questions, and received clarification.

The statutory public hearing was held by the CPC on March 24, 2016. Four members of the public spoke at the hearing. Discussion revolved around how the rezoning would affect existing business and potential environmental impacts from the rezoning. The Southwest Detroit Business Association voiced its support for the proposed text amendment.

IMPACTS AND ENVIRONMENTAL CONCERNS

Nonconformities

It was noted that the rezoning of the 39 lots, while opening the door to a variety of uses heretofore prohibited, will likely render some existing operations nonconforming. As explained at the hearing, if a use is legally established, it can continue indefinitely and can be sold with the land use rights accruing to the new owner.

Any expansion of a nonconforming use, however, is subject to review and approval by the Board of Zoning Appeals, which notifies the nearby public of the proposed expansion and conducts a public hearing before voting on the issue. It is the clear policy of the city that nonconforming uses eventually disappear (*Sec. 61-15-2*).

Certain uses in the subject area, for which permits are on file at the Buildings, Safety Engineering and Environmental Department (BSEED), would be prohibited under SD2 and would become nonconforming — towing service, abandoned vehicle storage yard, auto dismantling. Some lots already are linked to permits for uses that are already nonconforming, such as repair garage; their status would be unchanged by the proposed rezoning.

The use of some other lots in the subject area may have changed over the years without benefit of a permit. It should be noted that if a use is not legal on the date that a rezoning takes effect, that use does not enjoy legal nonconforming status.

Environment

As pointed out by one of the speakers from the community, southwest Detroit has experienced environmental pollution and air quality issues more than the city in general. Since industrial uses would be allowed under the proposed SD2 zoning, concern was raised over negative impacts from those uses.

The CPC found that the kinds of industrial uses that would be permitted under SD2 zoning are markedly less abrasive than those permitted in the existing M2 and M4 zoning classifications. For example, the M2 District allows 72 manufacturing/industrial uses; the M4 District allows 142 manufacturing/industrial uses including those identified in the Zoning Ordinance as "high-impact" and "very high-impact" industrial uses. SD2, on the other hand, limits industrial uses to 17 uses, all of which fall into the categories of "low-impact" or "low/medium-impact" uses. Further, any of the SD2 industrial uses would be limited to 5,000 square feet in area and be connected to an on-site retail operation.

Prior to its vote, the Commission sent out letters to nine properties in the M2/M4 part of the subject area explaining the ramifications of the proposed rezoning and the implications of nonconforming use status.

ANALYSIS

The CPC observes that the current R2, M2, and M4 zoning classifications have not brought in new uses, explaining, in part, the preponderance of vacant lots and vacant buildings in the subject area. The SD2 list of uses should guarantee fewer air quality issues and eyesores than the current M2 and M4 zoning. Further, the recent and forthcoming redevelopment initiatives straddling Michigan Avenue within and to the west of Corktown make the subject area more attractive for future development. The SD2 District is clearly a more mixed-use-friendly zoning classification.

By rezoning this 39-lot, multi-block area to SD2 to be consistent with the City's Master Plan, it seemed to the Commission more likely that the highest and best use of the land would be achieved.

RECOMMENDATION

The City Planning Commission finds that the proposed rezoning satisfies the rezoning approval criteria specified in Sec. 61-3-80 of the Detroit Zoning Ordinance and recommends approval of the proposed amendment of Article XVII, Map No. 43:

- To show an SD2 zoning district classification where an R2 zoning district classification is currently indicated for 3237 through 3387 Vinewood (west side); 3396 Vinewood (east side, former fire station); and 1021 West Grand Boulevard.
- To show an SD2 zoning district classification where an M2 (Restricted Industrial District) zoning classification is currently indicated for 1033 and 1041 West Grand Boulevard; and 3230 through 3316 Hubbard Avenue (east side).
- To show an SD2 zoning district classification where an M4 (Intensive Industrial District) zoning classification is currently indicated for 1059 West Grand Boulevard; 4000 through 4016 Michigan Avenue (north side); and 3245 and 3297 Hubbard Avenue (west side).

City Planning Commission
 April 28, 2016

Honorable City Council:
 Re: Request of the Planning and Development Department and Puritan Place, LLC to amend Article XVII, District Map No. 60 of the 1984 Detroit City Code Chapter 61, 'Zoning' by showing an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where R2 (Single-Family Residential District), B2 (Local Business Residential District) and B4 (General Business District) zoning classifications, respectively, currently exists on 83 parcels generally bounded by W. Florence Avenue to the north, Dexter Avenue to the east, Puritan Avenue to

the south and Livernois Avenue to the west. (RECOMMEND APPROVAL).
NATURE OF THE REQUEST AND PROJECT PROPOSAL

The City Planning Commission (CPC) recommends approval of the request of the Planning and Development Department and Puritan Place, LLC to amend Article XVII, District Map No. 60 of the Detroit Zoning Ordinance (Chapter 61 of the 1984 Detroit City Code) by showing an SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification where R2 (Two-Family Residential District) and B2 (Local Business and Residential District) zoning classifications currently exist on eighty-three (83) parcels generally bounded by Florence Avenue to the north, Dexter Avenue to the east, Puritan Avenue to the south and Livernois Avenue to the west.

BACKGROUND

The subject property located in District 2 sits within an approximately four acre site. It is located between the University of

Detroit Mercy (UDM) campus to the north and Puritan Avenue to the south. In concert with the petitioner, the City of Detroit's Housing and Revitalization Department proposes to develop a mixed use student housing development on the subject property to serve the UDM campus and student body. The total parcel count for this proposed rezoning is seventy-nine (79). The proposed \$21 million dollar development will take place over two phases. Phase I will result in the creation of sixty-eight (68) apartments plus sixteen (16) affordable apartments, for a total of eighty-four (84) units and provide 272 beds. Phase II will result in the creation of an additional 48 apartments with 192 beds. The apartments will be a mix of affordable and market rate housing. It is the petitioner's desire in working with the Housing and Revitalization department to utilize HOME funds¹ for this development.

Proposed Development

As depicted in the attached site plan, phase I of the development will consist of Building A which is a two-story building with sixteen (16) "affordable" residential units; two buildings identified as Building B, each of which is a three-story building containing twelve residential units and finally two buildings identified as Building C, each of which is a three-story building containing twenty-two residential units. The proposed plan will include parking, landscaping and open green space. The petitioner also anticipates that the development will have some mixed-use elements, such as a coffee shop, café or restaurant.

The request would rezone all properties generally bounded by the UDM campus to the north, Dexter Avenue to the east, Puritan Avenue to the south and Livernois Avenue to the west. However, the proposed development will only take place on the subject properties presently owned by the developer, Detroit Land Bank Authority or City of Detroit. The subject properties identified respectively as 4130 Puritan (Church's Chicken) and 3800 Puritan (North Star Community Center) will remain as currently developed, however, the current operations at 4130 Puritan will be not be included in the proposed boundaries of the rezoning as a result of Commissions actions.

The current zoning classifications will not allow for the proposed development on either a by-right or conditional basis. The proposed SD1 zoning classification will allow for the development as presented on a by-right basis as "Residential uses combined in structures with permitted (first-floor) commercial uses."

SURROUNDING LAND USE AND ZONING

The zoning classification and land uses surrounding the subject area are as follows:

North: R6; with the University of Detroit Mercy campus and U of D Coney Island Restaurant.

East: R2 & B2; with single-family residential and the Church of the New Covenant Baptist of Detroit.

South: B2 & PD; with Berea Church & the Pilgrim Meadows & Pilgrim Village Townhouse Developments and The College Liquor Shoppe.

West: B2 & B4; vacant undeveloped land on the western frontage of Livernois Avenue.

MASTER PLAN CONFORMANCE

The subject site is located within the McNichols area of Neighborhood Cluster 10 of the Detroit Master Plan of Policies. The Future Land Use map for this area shows a combination of "Low-Medium Residential," "Neighborhood Commercial," and "Institutional" for the subject properties. The Detroit Future City 20 Year Land Use Scenario map shows "District Center" as the intended use. The Planning and Development Department (P&DD) has submitted a report dated March 15, 2016 with its comments regarding this proposal, which indicates that the proposed development is not consistent with the Master Plan of Policies given the proposed density of this development which ranges from 33 to 40 dwelling units per acre. The density range for Low-Medium Residential areas in the Master Plan is eight (8) to sixteen (16) dwelling units per acre. However, because the proposed rezoning would not significantly alter the general land use characteristics of the surrounding area, which includes student housing and a mix of uses, a Master Plan amendment will be not be necessary.

CITY PLANNING COMMISSION PUBLIC HEARING

On March 17, 2016, the City Planning Commission held a public hearing on the subject rezoning request. There were no members of the public present.

An initial community meeting was held on the proposed rezoning and university housing development in January of 2016. A subsequent meeting was held on February 9, 2016 at the North Star Community Center where approximately sixteen (16) members of the public were in attendance along with the developer, Prime Development and the project architect, Newman Smith, as well as representatives of the Housing and Revitalization Department, the Planning and Development Department and City Planning Commission staff. A vast majority of the residents in attendance expressed their support for the proposed rezoning and expressed a desire to be involved in future conversations about this project and the Fitzgerald community.

ANALYSIS

Section 61-3-80 of the Detroit Zoning Ordinance lists eight criteria that must be

considered in making recommendations and decisions on rezoning requests.

The following analysis details how the proposed rezoning either meets or fails to meet the eight approval criteria which must be considered in making recommendations and decisions on rezoning requests.

(1) Whether the proposed amendment corrects an error or meets the challenge of some changing condition, trend or fact;

The proposed rezoning will meet the challenge of changing conditions in the vicinity of the subject property. Under the current zoning scheme, the subject property constitutes an assemblage of properties that contain blighted, unoccupied residences and vacant lots. The rezoning will facilitate the proposed development, which is designed to meet the housing needs of the adjacent UDM. The applicant intends to demolish the existing structures on the subject property and construct a mixed use residential and commercial development containing modern improvements, landscaping and green space.

(2) Whether the proposed amendment is consistent with the Master Plan and the stated purposes of this Zoning Ordinance;

The proposed amendment is generally consistent with the Master Plan. Most of the subject property has been identified as "institutional" under the Master Plan, which includes educational uses. This development is expressly designed and intended to provide student housing for the adjacent UDM, which is consistent with the institutional designation illustrated under the Master Plan.

The proposed development will also accomplish several of the core goals established for the McNichols neighborhood cluster under the Master Plan. Stated goal number 2 for McNichols is the "revitalize neighborhoods with poor housing conditions." The proposed development is anticipated to result in the demolition of a number of blighted homes and the redevelopment of vacant lots.

(3) Whether the proposed amendment will protect the health, safety, and general welfare of the public;

The proposed development would result in the elimination of blighted, unoccupied houses and vacant land which could lead to a mixed-use development resulting in increased population and traffic. This could greatly enhance the safety, appearance and use of the subject property.

(4) Whether the City and other service providers will be able to provide adequate public facilities and services to the subject property, while maintaining adequate levels of service to existing development;

There are already established utility and service lines in the area of the subject property. Considering that the subject area was once more densely populated,

the anticipated increase in population from residents and businesses, should not place any undue strain on the current services or utilities.

(5) Whether the proposed rezoning will have significant adverse impacts on the natural environment, including air, water, soil, wildlife, and vegetation and with respect to anticipated changes in noise and regarding stormwater management;

There are no foreseeable impacts to any of the aforementioned environmental aspects.

(6) Whether the proposed amendment will have significant adverse impacts on other property that is in the vicinity of the subject tract;

The proposed map amendment will not have significant adverse impacts on other property in the vicinity of the subject tract. The subject property is bounded by UDM to the north, Puritan Avenue to the south and commercial uses to the west and east.

(7) The suitability of the subject property for the existing zoning classification and proposed zoning classification; and

As noted previously, the existing B2 and R2 zoning classifications along Puritan Avenue are not conducive for the proposed use of a "Residential uses combined in structures with permitted (first-floor) commercial uses." In providing the recommendation for an SD1 zoning classification the CPC evaluated all zoning classifications and determined that the SD1 zoning classification would allow for the proposed use, with the least amount of impact on the adjacent land uses.

(8) Whether the proposed rezoning will create an illegal "spot zone."

The proposed rezoning would not constitute an illegal "spot zone" considering the subject property is composed of numerous contiguous parcels and is a compatible like land use on the zoning map.

Suitability of the Property

One of the aforementioned criteria for rezoning states, "The suitability of the subject property for the existing zoning classification and proposed zoning classification." Zoning Map No. 60 generally shows a mix of R2, R6, B2 and B4 zoning on the north, south, east and west for several blocks around the subject property. This section of the McNichols subsector is primarily developed with residential and institutional complexes with a variety of uses.

In general, the CPC would look favorably on the rezoning of the subject parcels to accommodate the establishment of mixed-use, student housing and "Residential uses combined in structures with permitted (first-floor) commercial uses," which would bring a previously vacant block back into productive use through the establishment of a mixed use

development, which should lead to increased population, employment and tax revenue for the City.

Land Use

CPC has determined that a SD1 (Special Development District — Small-Scale, Mixed-Use) zoning classification is an appropriate designation consistent with the characteristics of the adjacent properties, which will allow for the establishment of the aforementioned uses on a by-right basis, uses which aside from the increased density considerations would be consistent with the Master Plan of Policies.

Significant Impact on Other Property

CPC has determined that the rezoning of these properties, with modified boundaries, would add to the sustainability of the surrounding community by allowing the establishment of viable and needed housing stock as well as revenue generating businesses.

RECOMMENDATION

On April 7, 2016 the City Planning Commission voted to recommend approval of the request of the Planning and Development Department and Puritan Place, LLC to amend Article XVII, District Map No. 60 of the Detroit City Code, 'Zoning' by showing an SD1 (Special Development District — Small-Scale, Mixed Use) zoning classification where R2 (Two-Family Residential District) and B2 (Local Business and Residential District) zoning classifications currently exist on seventy-nine (79) parcels generally bounded by Florence Avenue to the north, Dexter Avenue to the east, Puritan Avenue to the south and Livernois Avenue to the west. The ordinance effectuating the map amendment has been reviewed and approved as to form by the Law Department and is attached for your consideration.

Housing and Revitalization Department

May 6, 2016

Honorable City Council:
Re: Revision to the 2015-16 CDBG Award.

The City of Detroit, through the Housing and Revitalization Department ("H&RD"), has continued to work closely with the U.S. Department of Housing and Urban Development ("HUD"), in making required allocation decisions for City HOME and CDBG funds to fully expend

required funding to meet the City's HOME Commitment and Disbursement deadlines, and CDBG timeliness test (for expenditures). The City Council recently approved (March 22, 2016) revisions for an agreement between Southwest Solutions and AFL/CIO to repair and sell twenty-five homes from funds reallocated to assist CDBG timeliness. The two revisions were approved to provide a larger limit for homebuyer assistance (up to \$39,000 per home) and flexibility to replace infeasible homes (pre-construction) from the Detroit Land Bank's inventory. The revisions were planned with no change in the allocation to the project. H&RD is requesting a final revision to the authorizations for the project agreement to allow the payment of eligible

development subsidy as a project development cost.

The inclusion of development subsidy is important to lending partners, because it ensures funds advanced for the repair of homes can be fully reimbursed when the home is sold. Development subsidy is the difference between the total cost of home repairs and the value the home can be sold (appraised value). The reimbursement of eligible homebuyer assistance could still leave project lenders with a project funding gap. The provision of development subsidy will minimize the risk that some budgeted items advanced will not be reimbursed.

H&RD and its development partners are not requesting an increase in the allocation for the project (\$925,000) or the amount of City-CDBG assistance per home (\$39,000). The current revision to the program cost structure ensures funding will be available to finance repairs and still keep the cost of homes to individual homebuyers affordable. Consistent with the new process adopted by City Council for approving HOME and CDBG awards and development partners, the Department is requesting that your Honorable Body review and approve the revision described in Exhibit 1.

We request approval of the attached resolution with a Waiver of Reconsideration so additional housing investment and neighborhood reinvestment through the CDBG program, in conjunction with HOME projects, can continue. Should you have questions or require additional information, please do not hesitate to contact me.

By Council Member Leland:

Whereas, The City of Detroit receives an annual allocation of HOME funds and issues a Notice of Funding Availability

(NOFA) from the U.S. Department of Housing and Urban Development ("HUD") through the Housing and Revitalization Department for the purpose of creating affordable housing opportunities in Detroit neighborhoods; and

Whereas, The City Council authorized the Housing and Revitalization Director to accept and utilize HUD HOME, CDBG and other NOFA funds according to HUD regulations during the City's annual Budgeting process; and

Whereas, The City Council also authorized the Budget Director to appropriate HUD HOME and CDBG funds, and establish appropriation numbers; and

Whereas, The Finance Director was authorized to establish necessary accounts, honor vouchers and payrolls, in accordance with Housing and Revitalization Department requests and HUD regulations.

Now Therefore Be It

Resolved, That the City Council approve revisions to HOME and/or CDBG Loans and Grants for the Developer Partners listed in Exhibit 1 for the amounts indicated, provided that loan and or grant amounts may vary by not more or less than 10%; and

Resolved, That the Housing and Revitalization Department Director, or his designee, is authorized to process, prepare and execute all loan and grant documents required to close, secure, and use NOFA funding from HOME and/or CDBG funds according to HUD regulations, for the development partners listed in Exhibit 1; and

Finally

Resolved, That the Housing and Revitalization Department Director, or his designee, is authorized to process, prepare, and execute all loan and grant documents required to modify CDBG Loans, Grants, Mortgages and subordinate HOME and/or CDBG fund according to HUD regulations, for the development partners listed in Exhibit 1.

We are in receipt of an offer from Joeann Cooper to purchase the above-

captioned property for the amount of \$533 and to develop such property. This property consists of a total area of land measuring approximately 5,777 square feet and zoned R-1 (Single Family Residential District).

The Offeror proposes to use this property to create greenspace, remove the blight within the surrounding neighborhood and enhance the appearance of their neighboring residence located at 3566 Theodore. This use is permitted as a matter of right in a R-1 Zone.

We, therefore, request that your Honorable Body adopt the sale and

authorize the Mayor of the City of Detroit, or his authorized designee, to issue a quit claim deed to the property and such other documents as may be necessary to effectuate the sale, with Joemann Cooper.

Respectfully submitted,

MAURICE D. COX

Director

Planning & Development Dept.

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Joemann Cooper, an individual ("Offeror") requesting the conveyance by the City of Detroit of real property having a street address of 3578 and 3584 Theodore (the "Property"), more particularly described in Exhibit A; and

Whereas, Offeror intends to clean and secure the property for use as green-space to enhance the appearance of her neighboring property located at 3566 Theodore, which is permitted as a matter of right in a R-1 (Single Family Residential) Zone.

Now, Therefore Be It

Resolved, That in accordance with the Offer to Purchase and the foregoing communication, the Mayor of the City of Detroit or his authorized designee, be and is hereby authorized to issue a quit claim deed to 3578 and 3584 Theodore, the property more particularly described in the attached Exhibit A, and such other documents as may be necessary, to effectuate the sale to Joemann Cooper for the amount of \$533,000.

Re: Correction of Legal Description Development: Brush Park A & B.

On November 17, 2015, your Honorable Body authorized the sale of the above captioned property to Brush Park Development Company Phase I LLC, a Michigan Limited Liability Company, for the purpose of developing 8.4 acres located in Detroit's Brush Park neighborhood, and generally bounded by Edmund, Brush, Alfred, and John R. The 8.4 acres consists of 47 parcels.

It has come to our attention that two of the 47 parcel legal descriptions were issued in error.

We, therefore, request that your Honorable Body adopt the attached resolution, authorizing and amendment to the sales resolution to reflect a correction in the legal description for 218 Edmund Pl. and 2821 Brush.

Respectfully submitted,

Re: Real Property at 12901 Kelly Rd.,
Detroit, MI 48224.

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Nicole Morgan, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 12901 Kelly Rd., Detroit, MI 48224 (the "Property").

The P&DD entered into a Purchase Agreement dated April 28, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Three Hundred Ninety-Six and 00/100 Dollars (\$2,396.00) (the "Purchase Price").

Offeror intends to rehabilitate the property into a candy store, a by-right use in a B4 / General Business District Zone as per the City of Detroit zoning ordinance, Section 61-9-76.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director
Planning & Development Dept.

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Nicole Morgan, an individual ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 12901 Kelly Rd., Detroit, MI 48224, (the "Property") described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated April 28, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to rehabilitate the property into a candy store, a by-right use in a B4 / General Business District Zone as per the City of Detroit zoning ordinance, Section 61-9-76.

Now, Therefore Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and

Be It Further

Resolved, That Property may be trans-

ferred and conveyed to Offeror, in consideration for its payment of Two Thousand Three Hundred Ninety-Six and 00/100 Dollars (\$2,396.00); and

Be It Further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and

Be It Further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of One Hundred Nineteen and 80/100 Dollars (\$119.80) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and

Be Further

Resolved, That a transaction fee of One Hundred Forty-Three and 76/100 Dollars (\$143.76) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and

Be It Further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and

Be It Finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approval by the Corporation Counsel as to form.

The P&DD entered into a Purchase Agreement dated April 18, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the “Deed”) for Six Thousand Two Hundred and 00/100 Dollars (\$6,200.00) (the “Purchase Price”).

Offeror intends to maintain the properties as landscaped open green space. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-78 of the City of Detroit Zoning Ordinance.

We request that your Honorable Body adopt the attached resolution to authorize the Director of P&DD to execute a deed and such other documents as may be

necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director

Planning & Development Dept.

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department (“P&DD”) has received an offer from Mosha LLC, a Michigan limited liability company (“Offeror”) requesting the conveyance by the City of Detroit (the “City”) of the real property, having a street address of 2733/2741/2747 S Schaefer, Detroit, MI 48217, (the “Property”) described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated April 18, 2016, with Offeror; and

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without public advertisement or the taking of bids; and

Whereas, Offeror intends to maintain the properties as landscaped open green space. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-78 of the City of Detroit Zoning Ordinance.

Now, Therefore Be It

Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without public advertisement or the taking of bids is hereby approved; and

Be It Further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Six Thousand Two Hundred and 00/100 Dollars (\$6,200.00); and

Be It Further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute deeds and other documents necessary or convenient for the consummation of the transaction pursuant to and in accordance with the Purchase Agreement; and

Be It Further

Resolved, That customary closing costs up to One Hundred and Ten Dollars (\$110.00), and broker commissions of Three Hundred Ten and 00/100 Dollars (\$310.00) be paid from the sale proceeds under the City’s contract with the Detroit Building Authority; and

Be It Further

Resolved, That a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and

Be It Further

Resolved, That the Director of the

Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and

Be It Finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development Department, or his or her designee and approval by the Corporation Counsel as to form.

**RESOLUTION FOR THE
ASSIGNMENT OF A SECONDARY
STREET NAME TO ST. ANTOINE
STREET FROM MACK AVENUE TO
CANFIELD STREET TO "REVEREND
NICHOLS HOOD SR. STREET"**

By COUNCIL MEMBER LELAND:

WHEREAS, Rev. Dr. Nicholas Hood, Sr. (born June 21, 1923) spent his lifetime in service to the community both through his activities in the Christian ministry and through his political endeavors; and

WHEREAS, After a distinguished academic career at Purdue University, North Central College and Yale University, in 1949 Rev. Hood, Sr. became an ordained Congregational Minister, and accepted an invitation to become the pastor of the Central Congregational Church of New Orleans, Louisiana; and

WHEREAS, Rev. Hood was honored for the civil rights leadership he had given in the City of New Orleans during his eight years of service there. During this period, he alongside other clergymen including Dr. Martin Luther King, Jr., founded the distinguished Southern Leadership Conference (SCLC); and

WHEREAS, In 1958, Rev. Hood, Sr. was called to become the Senior Minister of Plymouth Congregational Church of Detroit. Under his leadership, the Fellowship of Urban Renewal Churches (the "Fellowship") was formed to fight against the condemnation of multiple churches to make way for the construction of the Detroit Medical Center campus; and

WHEREAS, The City Administration's in office at the time of the announcement refused to the honor the request of the Fellowship to allow the churches to remain or relocate within the Medical Center area, so Rev. Hood, Sr. led an organized campaign for the next election unseating the Mayor; and

WHEREAS, In 1965, Rev. Hood Sr. was elected to the Detroit City Council and became the second Black City Councilmember elected in the City's history. He served the City in that capacity for eighteen years, with twelve of those years as President Pro-Tempore. During his tenure, he led the effort to allow Blacks to become employees of the Fire Department; and

WHEREAS, Rev. Nicholas Hood, Sr., served on the following boards: The City of Detroit Human Rights Departments; First national chairman of the Commission on Race Relations, of the United Church of Christ; Chairman, National Non-Profit Housing Association, Washington, D.C.; Board Member, Minister's Life and Casualty Insurance Company, Minneapolis, Minn. and Chairman of Board for two years. He served two years as a member of the Advisory Board of the Federal National Mortgage Association, Washington, D.C.

NOW THEREFORE BE IT

RESOLVED, That St. Antoine Street from Mack Avenue to Canfield Street be assigned the secondary street name "Reverend Nicholas Hood Sr. Street" in celebration of his noteworthy achievements;

THEREFORE BE IT FURTHER

RESOLVED, That the projected cost of designing, producing, erecting, replacing, and removing the necessary signs and markers shall be paid, in advance, to the

street fund by the petitioner requesting the secondary name;

THEREFORE BE IT FINALLY

RESOLVED, A certified copy of the resolution shall be transmitted by the city clerk to the fire department, historical department, police department, department of public works and its city engineering and traffic engineering divisions, recreation department, department of transportation, and the United States Postal Service.

City Planning Commission

May 3, 2016

Honorable City Council:

Re: Site Plan Review for 2458 Brush Street and 219 and 229 E. Fisher service drive. (RECOMMEND APPROVAL).

The Detroit Zoning Ordinance (Sec. 61-3-142) provides that City Council holds the responsibility to review and approve site plans for developments on land zoned PD (Planned Development District).

City Planning Commission (CPC) staff has received and reviewed PRV Case No.

2016-00492 (application dated March 8, 2016) from the Buildings, Safety Engineering and Environmental Department related to three parcels in the Brush Park development plan area on land zoned PD-H, commonly known as 2458 Brush Street and 219 and 229 E. Fisher service drive. The Brush street lot contains a single-story commercial building, formerly a dry cleaners; the two lots on the East Fisher service drive are vacant.

The building at 2458 Brush Street is to be redeveloped as a community building, available for neighborhood meetings and gatherings including parties and events for Brush Park residents and their guests. The vacant lots on the service drive will become a paved, plumbed, lit, landscaped, and fenced parking lot.

The use of land is governed by the development plan associated with the Brush Park PD. While it prohibits commercial uses, such as a rental hall, the "Medium Density Residential" designation for the subject block does allow for a "community facility" — hence, the limited scope of the property's use. The Planning and Development Department, in a letter dated January 29, 2016, finds that the use of the building as a "community hall" is consistent with the development plan. The Historic District Commission provided a Certificate of Appropriateness for the proposed development, which is located within the Brush Park Historic District, in March 2016.

CITY PLANNING COMMISSION ANALYSIS

The proposed development was discussed by the City Planning Commission at its April 7, 2016 meeting. The applicant, Mona Ross, attended meeting and provided further clarity regarding the proposed use. As discussed by the applicant, the facility would serve as a community center and assembly area for residents of the Brush vicinity and their guests. The applicant also noted that the sale of alcohol is not intended for this facility.¹

The proposed parking lot is not large enough to provide sufficient off-street parking for the associated 4,000 square foot building — 40 spaces required, 29 spaces provided — but CPC staff notes that the space proposed is likely to be sufficient for community gatherings largely drawing attendance from those in walking distance. So as not to further reduce the number of parking spaces that can be provided, much of the perimeter landscaping is proposed to be slightly shrunk from five feet² to four feet along the front lot line and to three feet along the interior lot lines.

Following the aforementioned meeting, CPC staff has continued to work with the applicant and her architect, TK Architecture Design of Warren, Michigan, to improve the proposed site plan.

RECOMMENDATION

The City Planning Commission is pleased to recommend approval of the revised site plan, dated 4/22/2016. Attached, please find a resolution approving the plans and referencing the various limitations associated with the Brush Park PD development plan.

- 1 The Brush Park development plan precludes the sale of alcohol at any facility other than a restaurant.
- 2 As specified in Section 61-14-221 of the Zoning Ordinance.

Whereas, Among the non-residential uses permitted in areas designated for "Medium Density Residential" is the use, "Community facilities, Recreation, Open Space;" and

Whereas, Other, similar uses oriented to the general public, such as "rental halls," are not authorized for areas designated for "Medium Density Residential;" and

Whereas, "Community facilities" are understood to include community centers or community assembly areas, or neighborhood centers (similar to those described in Sec. 61-16-141 of the Detroit Zoning Ordinance); and

Whereas, It is the intention of the applicant, Mona Ross, to operate the proposed community facility (as a private, rather than non-profit enterprise) to provide a gathering place for members of the Brush

Park community and their guests for events scheduled by Brush Park residents; and

Whereas, The Brush Park plan makes no allowance for a principal land use to operate with a license from the Michigan Liquor Control Commission for consumption of alcohol on the premises, except as part of a sit-down restaurant in areas of Brush Park designated as "Commercial" rather than "Medium Density Residential;" and

Whereas, The proposed community facility does not intend to seek licensure from the Michigan Liquor Control Commission (MLCC), except as may be permitted by the MLCC for temporary permits obtained by non-profit organizations; and

Whereas, The Brush Park plan seeks to protect the community from the invasion of commercial parking lots oriented to events occurring outside of Brush Park, such as nearby sporting events; and

Whereas, The proposed community facility will offer free, gated, accessory parking adjacent to the building; and

Whereas, The Detroit Zoning Ordinance, requires forty (40) off-street parking spaces for the proposed 4,000 square foot facility; and

Whereas, The community facility is only able to provide twenty-nine (29) off-street parking spaces given the available space and the provision of required landscaping and screening; and

Whereas, As a community facility, past experience in Brush Park indicates that many users of the facility are likely to walk or use non-motorized transportation to events at the facility; and

Whereas, The applicant for the proposed community facility indicates the ability and willingness to rent off-street parking spaces from nearby commercial parking lots for heavily attended scheduled events; and

Whereas, Plans (6 pages) for the proposed community facility ("Mona Hall"), dated 4/22/2016, have been prepared and revised by TK Architecture Design of Warren, Michigan, (PRV Case No. 2016 00492); and

Whereas, City Planning Commission staff has reviewed PRV Case No. 2016 00492 and finds the to be appropriate for the site; and

Whereas, The Historic District Commission has issued a Certificate of Appropriateness, dated March 24, 2016, for this project;

Now Therefore Be It

Resolved, Detroit City Council approves the revised site plan dated 4/22/2016, prepared and revised by TK Architecture Design of Warren, Michigan, PRV Case No. 2016 00492, and

Be It Further

Resolved, These plans are approved,

acknowledging the deficiency of off-street parking spaces in light of the community's past experience with parking demand for community facilities, the proximity of nearby public transportation, the availability of on-street parking in the vicinity, and the availability of nearby commercial parking spaces, and

Be It Further

Resolved, This approval authorizes the proposed off-street parking to be provided as accessory and not as commercial as defined in Sec. 61-16-151 of the Detroit Zoning Ordinance; and

Be It Further

Resolved, The Detroit City Council finds the proposed community facility, to be operated by a private party and limited to events for which Brush Park residents

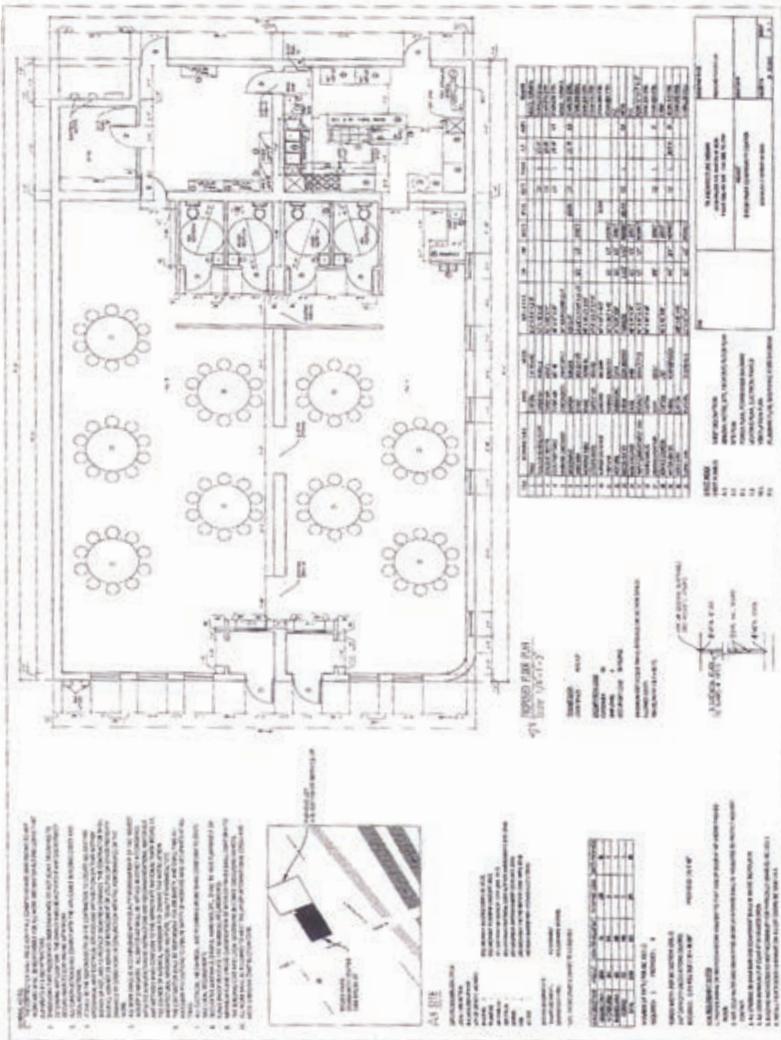

are responsible, to be consistent with the Brush Park development plan as it will not operate as a rental hall oriented to the general public; and

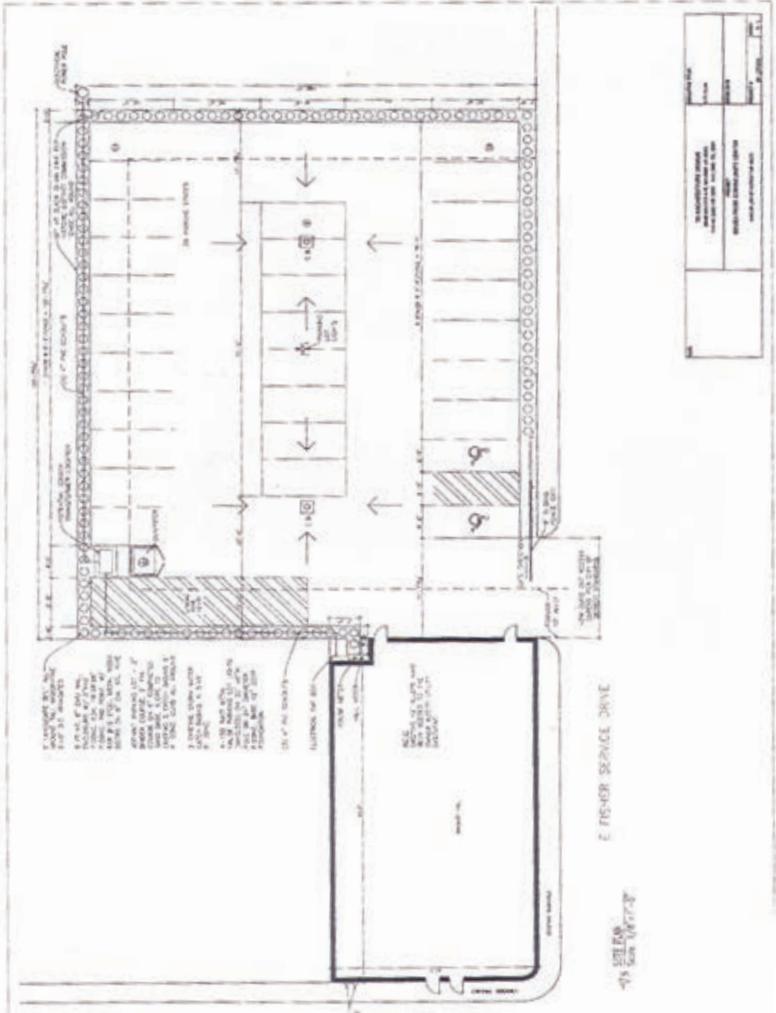

Be It Further

Resolved, This approval in no way authorizes a land use operating pursuant to a Michigan Liquor Control Commission license (except for events where a non-profit organization has obtained the appropriate temporary MLCC license); and

Be It Finally

Resolved, The City Planning Commission staff is authorized to review and approve final site plans consistent with this resolution as to guarantee high quality landscaping and screening and relative to signage and lighting.

**TESTIMONIAL RESOLUTIONS
AND SPECIAL PRIVILEGE:**

Council Member Ayers, on behalf of Council President Jones, moved for adoption of the following resolution:

**TESTIMONIAL RESOLUTION
FOR**

**ALICIA C. BRADFORD, DIRECTOR
City of Detroit Parks and Recreation**
By COUNCIL PRESIDENT JONES; Joined
By COUNCIL MEMBER AYERS:

WHEREAS, We, the members of the Detroit City Council, salute Alicia C. Bradford on her retirement from the City of Detroit after dedicating 27 years of service! You have provided the city with an outstanding and authentic leadership, integrity and service in our parks and recreation department; and

WHEREAS, Alicia C. Bradford was born and raised in Detroit, Michigan to the late Arthur Sr. and Patricia Minter. She received her formal education in the Detroit Public School system, graduating from Renaissance High School. Alicia matriculated to Wayne State University, where she earned a Bachelor of Arts degree in Political Science with a minor in Public Administration in 1996. During her enrollment, she was inducted as a member of Pi Sigma Alpha Political Science National Honor Society; and

WHEREAS, In 1989, Alicia began her career with the City of Detroit. During her tenure, she has held several titles in the Recreation Department, Department of Public Works and Human Resources (HR). Alicia worked her way through the ranks and, in 1996, she became a Human Resource Officer where she worked tirelessly and efficiently. Her resolve led to a promotion in Management within the first four-years of her employment in HR. While leading the department with impeccable integrity, it was of no surprise that the city sought out Alicia's leadership to join the Detroit Recreation Department as the Manager of Belle Isle Park. She and her team took Belle Isle Park under their wings and restored its reputation, as well as improving the appearance. Alicia worked with organizations and established public and private partnerships that helped provide the proper environment for Belle Isle to flourish. After receiving much recognition from her leadership, she was promoted to General Manager — Operations in 2007. Under the Mayor's admini-

stration. Alicia was also appointed Deputy Director in 2008 and Director in June 2010 of the Parks and Recreation Department. As Director, she was responsible for 215 supervisory and part-time staff in the areas of customer service, programming and employee development. She used strong financial methods to look for ways to improve our city parks and recreational programs for the citizens of Detroit; and

WHEREAS, Alicia represents the City of Detroit well! She is well respected in the community, by her peers, City Council and all affiliates. She is a faithful servant to the community through diverse efforts, including, but not limited to, her support for youth scholarships and programs. She accomplished these goals by working closely with the Booker T. Washington Business Association and Church of Our Father Missionary Baptist Church, where she is a faithful member, serving as a Trustee and Choir Directress. Alicia's professional and board association involvement includes: Michigan Recreation Parks Association, National Recreation Parks Association Ethnic Minority Society Chair Elect, Detroit Riverfront Conservancy, Eastern Market Corporation, Northwest Activities Program Inc. and the Belle Isle Advisory Board. As Alicia retires from her position, but never from the citizens of Detroit, she leaves her mantra, "Live right and treat people fairly and you will receive all that the Lord has in store for you."

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and Office of Council President Brenda Jones, hereby joins with the Citizens of Detroit along with the employees of Parks and Recreation in honoring Alicia C. Bradford on her retirement. Thank you for your service and commitment to our great City of Detroit. May God continue to bless your new endeavors.

AND SPECIAL PRIVILEGE:**

In the absence of Council Member Benson, Council Member Ayers moved for adoption of the following two (2) resolutions:

**TESTIMONIAL RESOLUTION
FOR**

**PASTOR CHARLES J. JOHNSON III
9th Pastoral Anniversary**

By COUNCIL MEMBER BENSON:

WHEREAS, Charles J. Johnson III was born the only son to the union of Charles and Terry Johnson. He is a graduate of Grand Blanc Public Schools. Later he continued his education and attended Northwood University where his major was business management; and

WHEREAS, Charles J. Johnson III answered the call to the ministry at the age of eighteen. He was licensed under the leadership of Bishop Walter E. Bogan, Sr. He was later ordained as an Elder under Bishop C.L. Anderson, Jr. and served as Associate Pastor of Harris Memorial Church of God in Christ of Burton, Michigan; and

WHEREAS, Charles J. Johnson III founded Bethesda Fellowship Church of God in Christ located in Pontiac, Michigan. He later moved and was appointed to "The Church On The Rock," Anderson Memorial Church of God in Christ in Detroit, Michigan. January 2000 he was appointed the Superintendent of the Progressive District in Great Lakes First Ecclesiastical Jurisdiction. Currently he serves as Administrative Assistant to Bishop Michael E. Hill, Sr. He coordinates all operational aspects of the jurisdictional workers' meetings and convocations; and

WHEREAS, Charles J. Johnson III is a dedicated husband, father and pastor. He married the love of his life First Lady Kelli Wells Johnson. This union has been blessed with five children; four daughters and one son. As the pastor of Anderson Memorial Church of God in Christ it is his priority to ensure the church is committed to worshipping God, serving the community, and impacting the world. This is done through teaching, music, bible study, active ministries, and missionary work in various locations around the globe. Through his leadership the church hosts an annual back to school backpack give-away, holiday baskets for Thanksgiving and Christmas to approximately 60 families, a monthly feeding program, and door to door evangelism;

NOW THEREFORE BE IT

RESOLVED, That the Office of Councilman Scott Benson and The Detroit City Council congratulates Pastor Charles J. Johnson III on his 9th Pastoral Anniversary. May God continue to bless and grow your ministry as you work to further the gospel and spiritual progression of God's children.

**TESTIMONIAL RESOLUTION
BETTY LOU EDWARDS**

In Memoriam

March 30, 1923 – May 4, 2016

By COUNCIL MEMBER BENSON:

WHEREAS, Betty Lou Edwards was born March 30, 1923 in Nashville, Tennessee to the union of Robert and Pearl Hayes Ewing. She was one of four daughters. In 1927 the family migrated to Detroit, Michigan. She received her education from the Detroit Public School System and graduated from Dwyer Elementary and Northern High School. During her senior year she proudly served as the class vice-president. After graduation she attended Wayne State University; and

WHEREAS, Betty Lou Edwards married the love of her life William Oliver Edwards on April 21, 1947. This union

was blessed with two children; Karen Lynne and Pamela Joy. They spent 67 years in holy matrimony. She retired from the City of Detroit's Health Department in 1984 after dedicating 39 years of service; and

WHEREAS, Betty Lou Edwards was a dedicated wife, mother and grandmother. She enjoyed spending holidays with loved ones and traveled often. She visited the Caribbean, Las Vegas, and Atlantic City to name a few destinations. Her weekends were occupied with bridge club meetings, dancing and entertaining. She enjoyed life to the fullest. On any given day she could be found relaxing before an episode of Jeopardy, working a cross word puzzle, cooking for relatives or playing the piano; and

WHEREAS, It being the will of our Lord to call our beloved home after a long life of service, Betty Lou Edwards transitioned from this life, from labor to reward on May 4, 2016;

NOW THEREFORE BE IT

RESOLVED, That the Office of Councilman Scott Benson and Detroit City Council expresses their deepest condolences and share their sympathy in the loss of your loved one, Betty Lou Edwards. Your loss is heaven's gain. May God bless you and comfort you during this time and always.

WHEREAS, Elder Golden Ferguson heard a call from the Lord and organized the Missionary Church of God In Christ. He opened the doors at a storefront at 11828 Grand River, on April 24, 1966. The first service was attended by his wife Ruth Ella Mae Caldwell Ferguson, three daughters Ramona, Phyllis and Karen and former pastor, Elder James Taylor; and

WHEREAS, Pastor Ferguson diligently reached out to the unchurched throughout the community and God began to bless the ministry by adding souls. The congregation outgrew the storefront and moved to 16194 Wyoming in 1969. The name was then changed to Missionary Temple C.O.G.I.C.; and

WHEREAS, Superintendent Ferguson fervently prayed for what he envisioned as a more convenient facility for the growth of

the congregation. His vision was realized in 1990, when the current location, 16217 Wyoming was purchased and paid off within five years; and

WHEREAS, In February of 1991 Elder Eric Ferguson was installed by Bishop John Sheard as Co-Pastor. After the passing of Missionary Ruth Ferguson, Superintendent Ferguson married Missionary Osteen Brummell. Elders Wilfred Matthews and Roy Walters were appointed Assistant Pastors; and

WHEREAS, Superintendent Golden Clay Ferguson was called home to be with God November 10, 2002. Bishop John Sheard served as interim pastor until the appointment of Elder Wilfred Matthews in February of 2003; and

WHEREAS, Pastor Matthew a gentle giant and Missionary Sheleta Matthews are leading and teaching the growing congregation to reach higher heights with new fortitude to reach all of God's children;

NOW THEREFORE BE IT

RESOLVED, That President Pro Tem George Cushingberry, Jr. and the Honorable Members of the Detroit City Council hereby praise and commend Missionary Temple Church of God In Christ for your work in the body of Christ. Congratulations on your Fiftieth Anniversary!

**TESTIMONIAL RESOLUTION
FOR
VERNOR'S 150TH ANNIVERSARY
'Detroit's Drink'**

By COUNCIL PRESIDENT JONES:

WHEREAS, On June 11, 2016, the Detroit Historical Society and the Vernor's Ginger Ale Collectors Club are celebrating the 150th anniversary of Vernor's Ginger Ale. This anniversary is significant, as no other American-made soda pop has been around for 150 years; and

WHEREAS, Vernor's Ginger Ale is the oldest continuously-produced soda pop in America and a true Detroit original. In 1866, James Vernor opened a drugstore on Woodward Avenue, at the southwest corner of Clifford Street. For thirty years, the pharmacist sold his distinct ginger ale at the store's soda fountain, advertising it as Vernor's Ginger Ale. In 1896, Mr. Vernor closed the drugstore and moved the ginger ale business to Woodward and Atwater. Initially, Vernor's was only sold via soda fountain franchises. By 1940, Vernor's operated a 12-story manufacturing and bottling plant, encompassing an entire city block. It was called the most modern bottling plant in the world. It soon made the

famous beverage available for distribution across the Midwestern United States. In the late 1950's, when the City of Detroit proposed construction of Cobo Hall and other riverfront projects, a land-swap was negotiated and Vernor's moved its bottling plant and headquarters to 4501 Woodward Avenue. In 1966, the family sold the business to the first of a succession of owners. Vernor's was bottled in Detroit for more than one hundred years, finally ending local production in 1985. Today, the soda is made by the Dr. Pepper Snapple Group, so it has a much larger realm of distribution than ever before; and

WHEREAS, James Vernor, Sr. was not just a successful businessman. He was one of the original members of the Michigan Board of Pharmacy, serving on the board for eight years. Mr. Vernor was also involved in city government, serving on the Detroit City Council for twenty-five years. He ran as a candidate for the office of mayor; and

WHEREAS, Now, 150 years later, we celebrate the anniversary of a Detroit institution: Vernor's Ginger Ale. The celebration is a coordinated effort by the Detroit Historical Society, Dr. Pepper Snapple Group, the Vernor's Club, Bedrock Realty and others. Vernor's Week will commence with a week of activities from June 5-11, 2016, that will unite the City of Detroit in a fun, nostalgic celebration of an iconic drink.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones recognizes the historical significance of Vernor's Ginger Ale to the City of Detroit and provides this Testimonial Resolution in support of celebrating the week of June 5-11, 2016 as Vernor's Week.

**TESTIMONIAL RESOLUTION
FOR
THE DETROIT STUDY CLUB
"118th Year Anniversary"**

By COUNCIL PRESIDENT JONES:

WHEREAS, The Detroit Study Club Inc. will receive a "Michigan Milestone" award from the Historical Society of Michigan on Sunday, May 15, 2016, to commemorate its 118th Year Anniversary and the club's strong contributions to Michigan history; and

WHEREAS, The Detroit Study Club is one of the oldest existing, if not the remaining African-American Women literary clubs in the state. Due to The Detroit Study Club's rich legacy, it is being designated as a historic Michigan organization and being bestowed with a centennial his-

torical plaque. In the late 1800s, Detroit had fairly sizable Black professional class of attorneys, doctors and educators. However, it was nearly impossible to find suitable places for Black women to gather together and discuss intellectual or political topics of the day. In 1898, Detroit resident and socialite Gabrielle Lewis Pelham invited five of her friends into her home to discuss Robert Browning's poetry. The group blossomed into a club that focused not only on intellectual pursuits, but also philanthropic and civil rights activities. They also provided scholarships and grants to various organizations dedicated to the betterment of life for Black people; and

WHEREAS, The club's constitution read "the object of this club shall be to study the works of any author or subject that will contribute to the literacy, civic, social and cultural growth of its members." One hundred eighteen years later, the organization's purpose remains essentially the same. Current topics of study include: contemporary literature, art, music, history, world politics, travel, religion, parliamentary law and subjects of interest to 21st Century professional women. During its 118 years, The Detroit Study Club membership has participated in the life of the Detroit community through its civic affiliation. In 1900, the club became one of two Black women's groups to hold membership in the Detroit Federation of Women's Clubs. In 1921, it became one of the founding member clubs of the City Association of Colored Women's Clubs. The Detroit Study Club was organized as a non-profit corporation in 1993; and

WHEREAS, Throughout the years, The Detroit Study Club has continued on its original mission of intellectual enrichment of its membership while maintaining an intimate size. It provides a forum for the "exchange of ideas, stimulating thought and broadening of concepts." Currently, the club has grown to forty members. Today's membership spans several generations of Detroit women, including descendants of the club's founders and early members. The Detroit Study Club represents the vitality of change within the securing confines of continuity.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones congratulates The Detroit Study Club on commemoration of its 118th Year Anniversary and for its strong contributions to the City of Detroit and the State of Michigan's history.

**TESTIMONIAL RESOLUTION
FOR
NATIONAL OLDER
AMERICAN MONTHS**

“BLAZE A TRAIL — May 2016”

By COUNCIL PRESIDENT JONES:

WHEREAS, Each year, the month of May is proclaimed Older Americans Month throughout the nation. The Detroit City Council recognizes that older adults are trailblazers — advocating for themselves, their peers, and their communities — paving the way for future generations. We take this opportunity to celebrate our elders and publicly acknowledge the contributions of older adults in our city and nation; and

WHEREAS, When Older Americans Month was established in 1963, only 17 million living Americans had reached their 65th birthday. About a third of older Americans lived in poverty and there were few programs to meet their needs. Interest in older Americans and their concerns was growing. A meeting in April 1963 between President John F. Kennedy and members of the National Council of Senior Citizens led to designating May as “Senior Citizens Month,” the prelude to “Older Americans Month.” Every President since Kennedy has issued a formal proclamation during or before the month of May asking that the entire nation pay tribute in some way to older persons in their communities; and

WHEREAS, The City of Detroit Recreation Department has been in the forefront of developing creative approaches to recreation that address the changing needs of our older adult population. The department hosts a number of recreational and educational programs that are designed to improve the quality of life for Detroit’s seniors and will enhance their understanding of personal safety, physical health and computer literacy. Additionally, programs like hustle line dance, square dance, swimming, ceramics, sewing classes, guitar lessons, card games, and playing pool also provide attractive leisure time options for seniors. In 2010, then Councilwoman Brenda Jones launched the Annual Senior Summit event to provide a day of fun, entertainment, food and recreation, specifically for Detroit’s senior population. Council President Brenda Jones and the Recreation Department appreciates the value of inclusion and support in helping older adults successfully contribute to and benefit from their communities.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones declares support for Older Americans Month and encourages every resident to take time this month to acknowledge older adults and the people

who serve them as powerful and vital individuals who greatly contribute to our city.

Adopted as follows:

Present — Council Members Ayers, Castaneda-Lopez, Leland, Sheffield, Spivey, Tate, and President Jones — 7.

**TESTIMONIAL RESOLUTION
FOR
APOSTLE**

EVELYN WILLIAMS-BLACKSHER

By COUNCIL PRESIDENT JONES:

WHEREAS, In 1998, Apostle Evelyn Williams-Blacksher founded the “Woman of War Ministries” in Detroit, Michigan. In 2006, she was led to establish another work “Woman of War Radio Hour Ministries”, on Detroit Radio Station 1440 AM located at 2664 E. Grand Blvd. Apostle Blacksher stood steadfast in her resolve that this great city could and would be revitalized and become a true renaissance city, a global beacon of hope. She lifts her voice, along with others, who dare to stand out and utilized a radio broadcast on Detroit Radio Station 1440 AM as a platform to encourage her listening audience to maintain hope for this great city this date, she continues to do so; and

WHEREAS, Apostle Evelyn Williams-Blacksher is a life-long resident of the city of Detroit and has a tenacious “never say quit” attitude regarding this great city and its residents. She is a proud graduate of the Detroit Public School System and a college graduate. Also, her son, Dustin and daughter, Ebony matriculated through the Detroit Public School System. Her ever-present and unabashedly committed husband, Rev. J. Blacksher, gives her neverending support; and

WHEREAS, Apostle Evelyn Williams-Blacksher flagship outreach, “woman of War Ministries”, brings deliverance through the Word, Love, Prayer and Deeds. This is accomplished by utilizing crusades, revivals (indoor and out), conferences, seminars, mentoring, workshops and radio. She takes this message of hope to drug and alcohol treatment centers while collaborating with local and national agencies, ministries, and civic organizations to feed the hungry and house the homeless.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones along with family and friends would like to take this time to honor Apostle Evelyn Williams-Blacksher, and join her in celebrating the 10th Anniversary of uninterrupted and continuous radio broadcasting with the theme “Victory Through The Fire”. May the Lord provide her with continued strength and wisdom to lead and encourage others!

**TESTIMONIAL RESOLUTION
 FOR**

ANNETTE L. DAY

Honoring your Retirement

By COUNCIL PRESIDENT JONES:

WHEREAS, Annette L. Day retired on January 4, 2016, as an Emergency Service Operator after thirty-four years of outstanding and meritorious service with the City of Detroit. She began her career with the Detroit City Council from 1981 to 1986, as Special Project Assistant for Council President Erma Henderson. As a result of her diligent work and with increasing responsibility, Annette L. Day was appointed to Administrative Assistant; and

WHEREAS, On December 1, 1986, Annette L. Day continued her career growth, transitioning to the Detroit Police Department, Civilian Personnel Unit, as a typist. She was transferred to the Gang Enforcement Unit, Administrative Office, in June 1997. Her code name was “Sweetie”, and she was promoted to Office Assistant II. In recognition of her outstanding work ethic and professionalism, Annette L. Day was awarded the “Civilian of the Quarter Award” five times, received numerous “Perfect Attendance Awards” and a Spirit of Detroit Award; and

WHEREAS, Annette L. Day was promoted to Emergency Services Operator (911) on July 7, 2007. She was later transferred to the Communications Operations Section, where she worked until her retirement. She served 29 years with the Detroit Police Department. Throughout her many years of service, Annette L. Day has served the citizens of Detroit with fairness, compassion, dedication and a willingness to help and volunteer her services. She has earned the respect and admiration of management and co-workers.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council, Office of Council President Brenda Jones along with the Detroit Police Department, family and friends would like to take this time to extend Congratulations to Annette L. Day on her well-earned retirement. May the Lord provides her and her family with continued success, happiness and good health in the years to come.

 In Memoriam**

BEATRICE ALMA THOMAS

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Beatrice Alma Thomas, a beloved mother, grandmother, great-grandmother, great-great grandmother and friend to many who was granted her angel wings on April 30, 2016; and

WHEREAS, Beatrice was born on June 9, 1924 in Memphis, Tennessee, to the late Mary and Aaron Macklin. She was the third of four children raised by her grandmother, Sarah Warr. As a young woman, armed with her strong belief in God and her Christian upbringing, she made her way to Chicago, Illinois. Beatrice relocated to Detroit, Michigan, where she raised her six children. She was a loving and devoted mother to her children, Gloria Jean Salie, Delores Littlejohn, Gerald Thomas, Dwayne Thomas, Felicia Thomas and Dwight Thomas (both preceding her in death). Beatrice continued her education and was gainfully employed by Detroit Public Schools for many years. She was a dedicated employee who was very involved with the students and always willing to help. Even after retirement, she unselfishly shared her time, love and wisdom; and

WHEREAS, Beatrice Alma Thomas was the matriarch of the family in every sense of the word. She had a special way of making each and every person feel important and worthy of her time. Ms. Thomas loved to tell her family stories of their cultural roots and ancestry. She also enjoyed having long conversations on a variety of subjects including politics and decision making. Beatrice was a figure of profound wisdom and always spoke her mind. In her teaching and sharing, she never hesitated to tell you “how it is.” Part of her philosophy of life was the importance of networking, finishing what you started and being the best in whatever you put your mind to. If she had a problem or wanted to get something done, she would pick up the phone and make a direct call to congressman, John Conyers or council president, Brenda Jones; and

WHEREAS, In addition to her children, Beatrice leaves a family legacy of thirty grandchildren, fifty-one great grandchildren and fifteen great-great grandchildren. Recognized and respected as a devoted matriarch, Beatrice Alma Thomas ensured that the values and traditions by which she lived would exist in the hearts of those she cherished for years to come.

NOW THEREFORE BE IT

RESOLVED, That the Detroit City Council and the office of Council President

Brenda Jones hereby expresses its condolences and joins with family and friends in celebrating the life of Beatrice Alma Thomas. She will be greatly missed and her contributions and the lessons she taught will live on forever.

**RESOLUTION
IN MEMORIAM
CLIMASTEAN “CLIMA”
INGRAM FIELDS**

**Wife, Mother, Grandmother and
World-Class Educator**

May 15, 1947 – April 24, 2016

By COUNCIL MEMBER TATE:

WHEREAS, Climastean “Clima” Ingram was born on May 15, 1947 in Rogersville, Alabama. She was one of six children born to the late Leonard and the late Ruby Mae Ingram. She received her education from the Florence Public Schools and graduated from Burrell Slater High School in 1965. She was accepted to Tennessee State University and was initiated into Alpha Kappa Alpha Sorority, Incorporated Alpha Psi Chapter during her sophomore year. In 1969, she graduated with high honors from Tennessee State University with a Bachelor of Arts in Psychology. She later obtained a Master of Arts in Psychology from Marygrove College and the University of Michigan — with a focus on Early Childhood Education; and

WHEREAS, Clima’s love for children was evitable and impressing the lives of the future was her passion. Therefore, she decided to advance into a career in education with specialization in the Montessori Method. During the 70’s and the 80’s, she was an educator at Candy Castle Montessori. Later, she became the Montessori Director and St. Brigid School. Due to her outstanding work, she was asked to travel as a United States Ambassador to China to teach the American Montessori techniques of education. Her career trajectory rose as she became the first African American principal at St. Luke/St. Brigid until her retirement in 2004. Lovingly referred to students and parents as “Ms. Fields”, she dedicated over two decades to the Archdiocese of Detroit. After retirement, she became the first African American Montessori owner when she opened Detroit Montessori School serving the medical, law and professional population in metro Detroit; and

WHEREAS, Clima was united in holy matrimony to the love of her life, Arthur David Fields. Their blissful and fruitful union spanned forty-six years and pro-

duced two biological children — daughter, Karen and son, Kyle — and an adopted son, Khari. Together, the Fields called Detroit Home — although she always remained a country girl at heart; and

WHEREAS, Clima was a committed member of Oak Grove African Methodist Episcopal Church. She served as a stewardess, member of the Scholarship Fund, chairperson of Come Home for Christmas and past chairwoman for Women’s Day. Her hobbies included spending time with her granddaughter, London, traveling with her husband, David, going to church and spending time with her family in her home town of Florence, Alabama. She embodied the motto — “be the change that you wish to see in the world” and was a beacon of sunshine and love to those that knew Clima; and

WHEREAS, On April 24, 2016, Climastean Ingram Fields transitioned from this temporal life to eternal life. She was preceded in death by her parents, Leonard and Ruby Mae Ingram and siblings Leonard Ingram and Jessie Haney. The legacy of Climastean Ingram Fields lives on through her husband: David, children: Dr. Karen Fields-Lever (Dejuan) and Kyle Fields (Danielle), 2 grandchildren: London Climastean Lever and a future grandchild arriving August 2016, siblings, Mary Underwood (Curtis) of Oklahoma, Judge Ingram (Debra) of Canton, MI and Denise Ross (Carlton) of Montgomery, AL, and a host of extended family and friends that she influenced and inspired.

NOW THEREFORE BE IT

RESOLVED, That on this, the 2nd day of May, in the year 2016, the Hon. James E. Tate, Jr., and the entire Detroit City Council honors the memory of Climastean Ingram Fields — a woman who truly represented the Spirit of Detroit.

April 8, 2016

Madame President:

Re: City Council Confirmation of Housing and Urban Revitalization Director

At its April 5, 2016 Formal Session, the City Council undertook a thorough review of each of the 44 Orders implemented by former Emergency Manager Kevyn D. Orr, including Order No. 38, "Order Modifying Planning and Development Department and Establishing Housing and Revitalization Department." Among other things, Order 38 places a number of the Planning and Development Department ("PDD") Director's Charter (Sections 6-201-6-205) responsibilities under the newly created Housing and Revitalization Department ("HRD").

My appointment of the PDD Director is subject to confirmation by the Council under Charter Section 4-111. The Council discussed whether the HRD Director should also be submitted to Council for its approval in light of his oversight of former PDD functions.

On the advice of the Corporation Counsel, I am submitting my appointment of HRD Director Arthur Jemison to City Council for its approval.

Sincerely,
MIKE DUGGAN
Mayor

By Council Member Spivey:

Resolved, That the appointment, by His Honor the Mayor, of Arthur Jemison to serve as the Housing and Revitalization Director, is hereby approved by City Council.

Re: Brian Humphrey vs. City of Detroit. Case No. 015-012776-NO. File No. L15-00729.

We have reviewed the above-captioned lawsuit, the facts and particulars of which are set forth in a confidential memorandum that is being separately hand-delivered to each member of Your Honorable body. From this review, it is our considered opinion that a settlement in the amount of

Eighteen Thousand Five Hundred Dollars (\$18,500.00) is in the best interest of the City of Detroit.

We, therefore, request authorization to settle this matter in the amount of Eighteen Thousand Five Hundred Dollars (\$18,500.00) and that Your Honorable Body direct the Finance Director to issue a draft in that amount payable to Brian Humphrey and Romano Law PLLC, to be delivered upon receipt of properly executed Releases and Stipulation and Order of Dismissal entered in the Wayne County Circuit Court Case No. 15-012776-NO, approved by the Law Department.

Re: Roy Robinson vs. City of Detroit, et al. Civil Action Case No. 15-CV-10019.

Representation by the officers listed below was denied by City Council on November 24, 2015 based on the recommendation, at the time, of the Law Department and the chief of Police. Recently the Chief of Police amended his recommendation and is approving representation explaining that the earlier recommendation was made before all the information had been gathered. The case involves police officers observing the plaintiff with what they believed to be a handgun getting into a car at a gas station. The plaintiff looked at the officers and sped away resulting in a high speed chase through the City. When the plaintiff was stopped, he struggled with officers placing him under arrest.

The Law Department has reviewed all the information supplied and is of the

opinion the officers were acting in good faith. We recommend the City Council revisit this matter and vote "yes" on the attached resolution.

Honorable City Council:

Re: Request to Amend the Official Compensation Schedule.

Recommendation is submitted to amend the 2016-2017 Official Compensation Schedule to increase the pay range for the class of Senior Investigator — Police Commission.

Title

Senior Investigator — Police Commission (93-25-10)

Current

\$36,000 - \$53,900

New

\$41,300 - \$62,000

Step Code

K

The rate adjustment is requested to maintain parity with the subordinate unionized staff that report to the Senior Investigator — Police Commission. The ability to attract and retain essential personnel performing such work of comparable scope and complexity is critical to the impact of operations and customer service.

Respectfully submitted,
DENISE STARR
Director

May 23, 2016

Honorable City Council:

Re: Executive Organization Plan.

During the May 17th public hearing in the Committee of the Whole, two (2) additional modifications to the Executive

Organization Plan (EOP) were requested relative to establishing additional stand-alone departments. The Law Department referred those questions to the Administration and has received the following response.

Because services to our seniors are so vital to the progress of the City, these services will be coordinated by the Mayor's office, across applicable City departments.

Unfortunately, funding for separate departments does not exist in the current budget that was just adopted by this Honorable Body and approved by the Financial Review Commission. However, the Mayor remains committed to working with City Council to enhance and coordinate the consumer affairs services that are already being performed by the City.

Therefore, the revised EOP and corresponding resolution submitted May 5, 2016, are the documents which are being presented to this Honorable Body for consideration.

Lastly, a copy of the updated Executive Organization Plan is attached.

Respectfully submitted,
MELVIN B. HOLLOWELL
Corporation Counsel

Descriptions of Mayor's Office, and City Departments

Division I. INTRODUCTION

This document is intended to set forth all departments of the executive branch of City government including outlines of their administrative organization and the programs, services and activities assigned to each as of January 1, 2016. Article 7, Chapter 1, of the 2012 City Charter specifies those features which must be included in an Executive Organization Plan. This document also comports with applicable state laws, including the Home Rule City Act, MCL 117.1 *et seq.*

Division II. ARTICLE 7, CHAPTER 1, OF THE 2012 CHARTER OF THE CITY OF DETROIT

As Adopted by Vote of the People on November 8, 2011; Effective January 1, 2012

ARTICLE 7. THE EXECUTIVE BRANCH: PROGRAMS, SERVICES AND ACTIVITIES

Sec. 7-101. Existing programs, services and activities.

When this Charter takes effect, all executive and administrative agencies and functions existing under article 7 of the 1997 Charter or by ordinance or resolution and not superseded by this Charter shall continue with the force and effect of ordinance until superseded by action taken under sections 7-102 or 7-104.

Sec. 7-102. Assignment of authorized functions.

The Mayor shall prepare an executive organization plan, which, consistent with law and this Charter, sets forth all agencies of the executive branch and assigns authorized programs, services and activities to each agency.

The plan as proposed by the mayor shall be filed with the city council and made public. The city council shall study and conduct hearings on the plan and may request the mayor to make modifications in it. Sixty business days after filing of the plan with the city council, it shall become effective, with such modifications as are accepted by the Mayor, unless disapproved by a resolution adopted by a 2/3 majority of city council members serving. All amendments to the plan must originate with the Mayor and are subject to the same procedure in taking effect.

The plan shall include the office of Mayor, the five departments created by Article 6, and all departments or functions created by Article 7 or continued by sections 7-101. However, the plan may not provide for more than thirty-six (36) departments, exclusive of any department organized under specific statutory authority, unless authority for a greater number is granted under Section 7-104.

The Mayor may not reassign or combine the functions of staff departments, but may, except as to departments created under Chapters 3, 6, 7, 8, 12 and 13 of this Article, assign any of the functions of an operating department to a staff department, reassign the functions of one (1) operating department to another operating department or combine operating departments.

Sec. 7-103. Advisory commissions.

The Mayor may establish by executive order, any commission of members of the public to advise the Mayor or any Director of an Executive Branch department, in the determination of its policies and budgets and the implementation of its programs, services and activities. Appointments to all advisory commissions shall be made by, and members serve at the pleasure of, the Mayor.

The Mayor shall endeavor to make City-wide commissions as representative of the entire City as possible and any commission established to advise the Mayor or

any department Director shall be as representative of the people being served as possible. All members of advisory commissions shall be residents of the City of Detroit unless the Mayor expressly states in the executive order reasons for allowing non-residents to serve.

The executive order may provide for the advisory commission to complete its work within a specified period of time. In the event that the executive order does not do so, the Mayor may terminate the advisory commission through recession of the

executive order that established the commission.

Sec. 7-104. Change in number of authorized functions.

Subject to the general provisions of this Charter, the city may, by ordinance, increase the number of departments of the executive branch beyond the number contemplated by this Charter.

The city may, by ordinance, authorize additional programs, services, or activities; or discontinue authorized programs, services or activities.

City Planning Commission

May 16, 2016

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of sign changes to 328 West Congress Avenue.

REQUEST

The City Planning Commission (CPC) has received the request of Sterling Group, owner of the Downtown Garage at 328 West Congress Avenue, for special district review to facilitate sign replacement and installation.

The subject property is zoned PCA (Public Center District Adjacent), a classification which calls for City Council approval of any exterior changes following

the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

BACKGROUND

The downtown garage is an operating five-story parking garage facing south onto West Congress Avenue, spanning the block between Cass Avenue and Washington Boulevard directly across from Cobo Center. Phillips Sign and Lighting Company, client of the property owner, has submitted application PRV 2016-00428 to the Buildings, Safety Engineering and Environmental Department to replace two existing internally illuminated signs in-kind and replace an internally-illuminated awning with an LED electronic messaging center of comparable size.

PROJECT PROPOSAL

Replacement of Existing Signs

Two internally illuminated acrylic signs exist on the building, one affixed to the south facade at the second floor level, and one projecting as a blade sign at the Cass/Congress intersection. These signs are proposed for replacement. Although the proposed signs are largely similar in message and construction, they also feature a minor blue neon element, as shown in the attached images and further described on the associated permit application.

Unclear if this is a simple re-face or is the sign face and structure being replaced?

Replacement of Awning with LED Message Center

An internally illuminated awning, reading "DOWNTOWN GARAGE" exists above the primary vehicle entrance on the south façade. This is a proposed for removal, and replacement with an LED message center, capable of displaying text and graphics that extend beyond the limits of static signage and thereby potentially inconsistent with on premises regulations.

CPC staff and the Planning and Development Department are still in review of this proposal and hope to have a complete review and recommendation this Thursday.

Respectfully submitted,

City Planning Commission

May 13, 2016

Honorable City Council:

Re: PCA (Public Center Adjacent) Special District Review of Exterior changes to 600 Woodward Avenue (RECOMMEND APPROVAL).

REQUEST

The City Planning Commission (CPC) has received the request of 600 Webward Avenue LLC for special district review to facilitate exterior alterations at 600 Woodward Ave.

The subject property is zoned PCA (Public Center District Adjacent), a classification which calls for City Council approval of any exterior changes following the review and recommendation of the City Planning Commission and the Planning and Development Department (Sections 61-3-181 and 61-11-81 of the Zoning Ordinance).

BACKGROUND

The property owner, 600 Webward LLC, is in the process of repairing and renovating the building, formerly an office building, and intends to create twenty-one rental dwelling units with a restaurant tenant on the ground floor (the proposed use is permitted on a by-right basis in the PCA zoning district). Kraemer Design Group is architect for the project.

This building was originally constructed in 1917 to provide office space for the Vinton Company. It is located in the Historic Detroit Financial District, a historic district, as well as the Vinton Building Historic District. The work items described below have been reviewed by the Planning and Development Department,

with Certificates of Appropriateness by the Historic District Commission issued on April 9, 2015 and May 11, 2016. The proposed work is also subject of a Part Two Historic Preservation Certification Application presently under review by the National Park Service, and has received favorable comment from the Michigan State Historic Preservation Office.

Attached is a letter, dated May 10, 2016, from the applicant to the Planning and Development Department describing the proposed work items and including graphics depicting the proposed work. Full construction documents are on file with the Buildings, Safety Engineering and Environmental Department as PRV 2015-00344.

PROJECT PROPOSAL

The proposed project includes the following items:

Woodward Storefront Design

The existing storefront is proposed to be reconstructed to an appearance compatible with the historic nature of the building, with reference to historic photographs. Work items will include a revised canopy, granite paving, and revisions to architectural detailing surrounding storefront windows. Final colors and lighting are subject to Historic District Commission staff approval.

Revision to Historic Replica Façade Elements

Decorative architectural details at the second floor and parapet levels are proposed to be replicated based on historic photographs.

Pedestrian Bridge to Adjacent Parking Garage

The proposed work includes a fifth floor pedestrian connection to the adjacent First National Building parking garage. The work follows the Secretary of the Interior's Standards regarding compatible additions to historic buildings, and is designed such that its aesthetic impact is minimized.

Rooftop Modifications

The project proposes to modify a utility penthouse accommodate residential use. A rooftop deck will be added.

Alley Storefront

A storefront entrance is proposed for the alley façade, using an opening created in 2005 for a planned vehicle lift that was not installed. The entrance will access the first floor restaurant and interface with an alley that has been redesigned to encourage pedestrian use.

CPC STAFF REVIEW

Section 7.5 of the City Planning Commission bylaws allow staff to review "minor exterior alterations in the PD, PC, and PCA zoning districts" and take action on behalf of the Commission. As the CPC staff believes the proposed changes constitute "minor exterior alterations," we have reviewed the proposed work and prepared the following determination.

RECOMMENDATION

The CPC staff believes that the proposed changes to the buildings are modest in scope and that the Historic District Commission review process has served to ensure a high-quality design which enhances the aesthetic characteristics of the PCA district. We recommend approval of the proposed design. Attached, for the consideration of the Honorable City Council, is a resolution authorizing the proposed work.

City Planning Commission

May 15, 2016

Honorable City Council:

Re: Proposed amendment to Articles IX and XIII of Chapter 61 of the 1984 Detroit City Code, Zoning, to permit certain multi-family dwellings on land zoned B6 in the Eastern Market area. (RECOMMEND APPROVAL.)

Recommendation

The City Planning Commission recom-

mends approval of a proposed text amendment to permit multiple-family dwellings having ground-floor retail uses on land zoned B6 (General Services District) in the Eastern Market.

Background

On Thursday, May 5, 2016, the City Planning Commission (CPC) held a public hearing upon the request of the Planning and Development Department (P&DD) relative to its federal Choice Neighborhoods grant application. One of two Zoning Ordinance amendments needed to qualify as a Choice Neighborhoods grant applicant is a text amendment — the other is a map amendment referenced under separate cover.

The federal Choice Neighborhoods grant is available to communities like Detroit for areas where mixed-use development is possible. One of the two areas targeted by P&DD for further development under the hoped-for Choice Neighborhoods dollars is the Eastern Market — the other is Brush Park.

The Eastern Market Area is part of the Wholesale Distribution Center, which, until recently, was represented by a Citizens' District Council under PA 344 of 1945, the Blight Areas Rehabilitation Act. The Eastern Market is zoned B6 (General Services District) and M3 (General Industrial District) — neither of which zoning districts permits new residential construction, although loft conversions and one or two apartments are allowed in conjunction with permitted commercial uses.

Scope of the Ordinance

The proposed text amendment would newly list "multiple-family dwellings" as a conditional use on land zoned B6 where located in a multi-story building and integrated into a mixed-use or multi-tenant development having ground-floor, pedestrian-oriented "Retail, Service, or Commercial use" permitted in the B6 District.

Multiple-family dwellings are defined as "A structure, located on a single lot, containing three (3) or more dwelling units, each of which is designed for or occupied by one (1) family only, with separate housekeeping and cooking facilities for each." (Sec. 61-16-134)

The proposed ordinance would also clarify that the land use, "Residential use, combined in structures with permitted commercial uses," requires the commercial use to be located on the ground floor.

Sec. 61-16-162 discusses "Residential structures with permitted commercial uses, as follows: "This land use allows for one or two residential apartments in a commercial building occupied by a use permitted in the given zoning district as indicated in the Use Table in Article XII, Division 1, Subdivision D. For example, a doctors office in an R5 or R6 District may also include a resi-

dential unit on a by-right basis; a hardware store in a B2, B3, B4, B5 or B6 District may rent out two apartments on its second floor. Three or more residential units in a single building, however, constitute a multiple-family dwelling.”

Lastly, the proposed ordinance would specify an eighty (80) foot height restriction on R6 Multiple-family dwellings, consistent with the general B6 height standard. Unlike multiple-family dwellings on land zoned B4 (General Business District), no setbacks are required so as to facilitate pedestrian-friendly, walkable development for the ground-floor retail.

Numerous Zoning Ordinance provisions related to the Eastern Market area were originally explored by the CPC in 2012 at the request of the Eastern Market Corporation, including the provisions in this text amendment for limited, new residential construction. The Choice Neighborhoods grant application makes your Honorable Body’s consideration of this Zoning ordinance text amendment very timely.

Results of the public hearing

At the May 5th CPC public hearing, two members of the public spoke. One questioned whether the B6 District would allow sufficient height for the kind of mixed-use development as was envisioned. The other speaker urged a greater discussion on “green space.”

Because the B6 District’s height limitation is 80 feet, compared to 35 feet in a B4 (General Business) district, medium-rise buildings (up to 7 stories) would be permitted without need for a height variance from the Board of Zoning Appeals.

Findings and Conclusion

The City Planning Commission finds that the proposed text amendment satisfies the approval criteria of Secs. 61-3-59, 61-3-60 and 61--3-61 of the Detroit Zoning Ordinance. At its regular meeting of May 5, 2016, the CPC voted to recommend approval of the proposed text amendment to your Honorable Body.

City Planning Commission

May 15, 2016

Honorable City Council:
 Re: Request of the City of Detroit Planning and Development Department to amend Chapter 61, *Zoning*, Article XVII, Map No. 4 for the rezoning of a 5-acre site in the Eastern Market area from the M3 (General Industrial District) zoning classification to the B6 (General Services District) Zoning classification and for the rezoning of the approximately 30-acre former Detroit Housing Commission/Brewster housing site from the R6 (High

Density Residential District) zoning classification to the SD2 (Special Development District, Mixed-Use) zoning classification. (RECOMMEND APPROVAL.)

Background

On Thursday, May 5, 2016, the City Planning Commission (CPC) held a public hearing upon the request of the Planning and Development Department (P&DD) relative to its federal Choice Neighborhoods grant application. One of two Zoning Ordinance amendments needed to qualify as a Choice Neighborhoods grant applicant is a Zoning Ordinance map amendment — the other is a text amendment submitted to your Honorable Body under separate cover.

The federal Choice Neighborhoods grant is available to communities like Detroit for areas where mixed-use development is possible. Two areas targeted by P&DD for further development under the hoped-for Choice Neighborhoods dollars are in the Eastern Market on land currently zoned M3 (General Industrial District) and at the Detroit Housing Commission's Brewster housing site, currently zoned R6 (High Density Residential District).

Neither the M3 nor the R6 zoning district classifications support the kind of mixed-use development proposed for these two areas. The proposed map amendments would rezone the land in question to facilitate mixed-use development.

Eastern Market Site

The City of Detroit owns approximately five (5) acres of land zoned M3 in the Eastern Market along the east side of Russell Street between Erskine Avenue and Mack Avenue, north of the Fire House loft development and south of Milano Bakery (3480 Russell). The city's holdings extend east from there to include property on both sides of vacated Riopelle Street (part of 3500 Riopelle). The land is currently vacant.

The City seeks to allow mixed-use residential development that would include food-related ground floor retail and/or light food processing space with residential above. The B6 District would allow for such development, provided the proposed text amendment, submitted under separate cover is adopted.

Former Brewster housing site bounded by Wilkins, Chrysler, Winder and Beaubien

The Detroit Housing Commission owns approximately thirty (30) acres of land zoned R6 (High Density Residential District) at the northwest corner of the intersection of the Chrysler and Fisher Freeways, just west of the Eastern Market. The subject property is bounded by Wilkins Avenue on the north, the Chrysler Freeway on the east, Winder Street on the south, and Beaubien Street

on the west. The land is vacant with the exception of the former Brewster Wheeler Recreation Center.

The proposed Brewster-site rezoning would allow a city-authorized development team to provide a mix of building topologies of varied architectural styles aimed to attract a mix of incomes and a diverse range of household sizes.

Results of the public hearing

At the May 5th CPC public hearing, five members of the public spoke. Two speakers spoke to the importance of including park/recreational space in any proposed development. One Brush Park representative spoke in support of the rezonings and urged adoption of the 4th Modified Brush Park Development Plan. Another speaker urged the addition of Brush Park to the rezoning area. A final speaker questioned how water retention and runoff would be approached.

Master Plan

The *Master Plan of Policies* places the 5-acre Eastern Market site within the Middle East Central subsector of Neighborhood Cluster 4. The "existing land use" on the Master Plan map is identified as "School — Other" and "Institutional"; the "future land use" is indicated as "Distribution/Port Industrial." P&DD reported to the CPC that the proposed rezoning would not change the characteristics of the area and that no amendment to the Master Plan would be necessary.

The *Master Plan of Policies* places the 30-acre former Brewster site within the Lower Woodward subsection of Neighborhood Cluster 4. The "existing land use" on the Master Plan map is identified as "Residential" and "Recreation/Open Space"; the "future land use" is indicated as "High Density Residential." P&DD reported to the CPC that the proposed rezoning would fit with the current Master Plan designation but that the department is looking at the broader area surrounding the Brewster site for possible Master Plan amendment in addition to the recently submitted Master Plan amendment for a portion of nearby Brush Park.

Analysis

The CPC finds that neither the current M3 (Eastern Market) nor R6 (Brewster) zoning classification would permit the kind of mixed-use development anticipated for these sites and finds that B6 (as proposed to be amended) and SD2 would be appropriate for the sites in light of the proposed development and Master Plan designations. The CPC also finds that the proposed rezonings would not create any nonconforming use and would be consistent with the rezoning criteria specified in Sec. 61-3-80 of the Detroit Zoning ordinance.

Recommendation

At its regular meeting of May 5, 2016,

the City Planning voted to recommend that Chapter 61, Article XVII, District Map No. 4 be amended as follows:

- To show a **B6** (General Services District) zoning classification where an **M3** (General Industrial District) zoning classification is currently shown for the 5-acre site commonly known as 3480 Russell Street and a portion of 3500 Riopelle Street; and

- To show an **SD2** (Special Development District, Mixed-Use) zoning classification where an **R6** (High Density Residential District) zoning classification is currently shown for the approximately 30-acre, former Brewster public housing site, generally bounded by Wilkins Avenue on the north, the Chrysler Freeway service drive on the east, Winder Avenue on the south, and Beaubien Street on the west.

Housing and Revitalization Department

May 13, 2016

Honorable City Council:

Re: Request for Authorization to Apply for the "Choice Neighborhoods Implementation (CNI) Grant" from the U.S. Department of Housing & Urban Development (HUD).

The Housing and Revitalization Department (H&RD) and Planning &

Development (P&DD) Departments request authorization, pursuant to Section 18-4-2 of the Detroit City Charter, to submit a Choice Neighborhoods Implementation (CNI) grant application to the U.S. Department of Housing & Urban Development (HUD), in response to a Notice of Funding Availability (NOFA) announced on March 31, 2016. The amount of the available grant is Thirty Million Dollars (\$30,000,000.00).

H&RD and P&DD, in partnership with the Detroit Housing Commission (DHC), intend to submit a CNI grant application to HUD on or before June 28, 2016. The NOFA is a competitive grant and if awarded, the City to leverage up to \$30,000,000 in federal grant funding to support the transformation of a locally planned and defined geographic area that contains a severely distressed public housing site (the "Detroit Choice Neighborhood"), into a mixed-income, and mixed-use community.

The Frederick Douglass homes site, located in Brush Park, is the selected distressed public housing site to be revitalized. H&RD and P&DD have also selected two additional sites to be revitalized. Descriptions and locations of all three revitalization sites are as follows:

- Frederick Douglass Homes – DHC-owned and generally bounded by Wilkins Street to the north, Beaubien Street to the west, and Chrysler Service Drive (I-375) to the south and east.
- 3480 Russell Street – City-owned and generally bounded by Russell Street to the west, Eliot Street to the north, Riopelle Street to the east, and Division Street to the south.
- Eastern Market Shed 4 Project – City-owned and generally bounded by Russell Street to the west, Alfred Street to the north, Riopelle Street to the east, and Division Street to the south; and

The CNI grant also funds the development of affordable housing, early education programs, infrastructure improvements, health and safety initiatives, and workforce programs. All of these initiatives will take place within the Detroit Choice Neighborhood boundary. The Detroit Choice Neighborhood is generally bounded by Woodward Avenue, Mack Avenue, St. Aubin, Gratiot and Chrysler Freeway (see Exhibit "A").

In addition, the Housing & Revitalization and Planning & Development Departments will be requesting additional approvals for a P.A. 210 District, \$3.1 million dollar allocation, and zoning change for the Detroit Choice Neighborhood. H&RD and P&DD request your Honorable Body's authorization to apply for the CNI grant. If awarded, we will formally request authorization to accept these funds.

Respectfully submitted,
ARTHUR JEMISON
Director
Housing & Revitalization

By Council Member Leland:

Whereas, The U.S. Department of Housing and Urban Development (HUD) has established the Choice Neighborhoods Implementation ("CNI") Grant, which is a competitive grant that allows local communities to leverage up to \$30,000,000 in federal grant funding to support the transformation of a locally planned and geographic area inclusive of a severely distressed housing site into a vibrant, mixed-income, and mixed-use community; and,

Whereas, The City of Detroit's Housing & Revitalization (H&RD) and Planning & Development (P&DD) Departments, pursuant to Section 18-4-2 of the Detroit City Charter, are required to obtain authorization from the Detroit City Council to pursue federal grants; and

Whereas, The City has selected the area located within the boundary of Woodward, Mack Avenue, St. Aubin, Gratiot and the Chrysler Fisher Freeway ("Detroit Choice Neighborhood"), more specifically described in the attached Exhibit "A" as the area that will be revitalized; and

Whereas, H&RD and P&DD have selected three sites within the Detroit Choice Neighborhood to develop mixed-income and mixed-use housing:

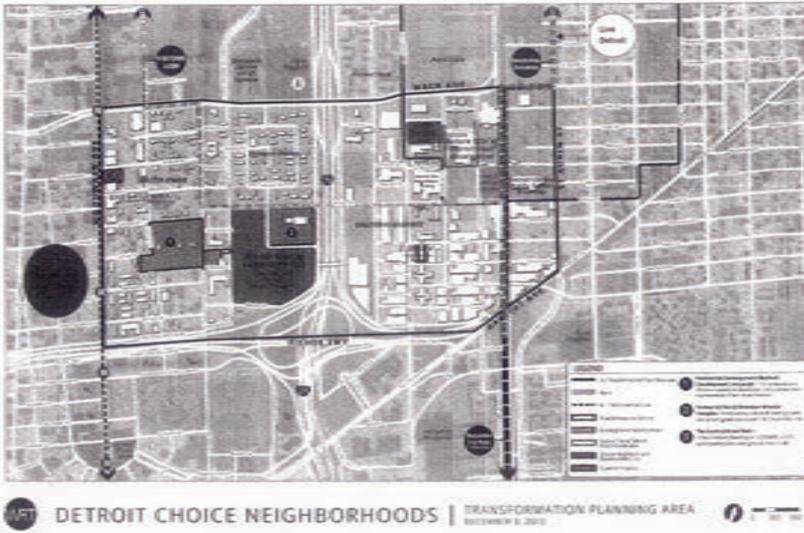

- Frederick Douglass Homes – DHC-owned and generally bounded by Wilkins Street to the north, Beaubien Street to the west, and Chrysler Service Drive (I-375) to the south and east.
- 3480 Russell Street – City-owned and generally bounded by Russell Street to the west, Elliott Street to the north, Riopelle Street to the east, and Erskine Street to the south.
- Eastern Market Shed 4 Project — City-owned and generally bounded by Russell Street to the west, Alfred Street to the north, Riopelle Street to the east, and Division Street to the south; and

Whereas, the Revitalization of Detroit Choice Neighborhoods would be essential in the planning and development of the greater downtown area, and the CNI grant award would be essential in the development of highly needed affordable housing; and

Whereas, The Detroit City Council gives authorization to H&RD and P&DD to apply for a CNI grant.

NOW, THEREFORE, BE IT

RESOLVED, That the Detroit City Council authorizes the Housing & Revitalization and Planning & Development Departments to enter into documentation necessary to submit an application for a CNI grant award, and upon receipt of the award, HRD and PDD will formally seek approval from Detroit City Council to accept these funds.

Housing and Revitalization Department

May 4, 2016

Honorable City Council:
 Re: (Revision) Wayne County Tax Foreclosures Right of Refusal 2015
 Pursuant to MCL 211.78 (1) a city, village or township may purchase tax foreclosed property located within its community, if the State of Michigan does not exercise its first position to acquire said property. Such purchase shall be by payment of the minimum bid. On July 28, 2015, the City of Detroit exercised its right of refusal to select and acquire a total of 231 properties from Wayne County (“ROR Properties”), thereby excluding these properties from Wayne County’s tax foreclosure bid sale.

These ROR properties were acquired for the public purpose of encouraging development and avoiding speculation in defined strategic areas within the City of Detroit. In furtherance of this strategy, the City was contacted by and accepted funds from six non-profit entities (“City Partners”) for the purchase of sixty-six (66) ROR Properties located in their service areas. Each City Partner has a history or is partnered with an entity with significant development experience and successful neighborhood initiatives. All City Partners were advised that the ROR Properties they selected would be transferred to them for the acquisition cost,

subject to final approval of the transfers by Detroit City Council.

Funds were also received from the Economic Development Corporation (EDC) to acquire forty-four (44) properties for the EDC and Neighborhood Development Corporation (NDC), in accordance with the I-94 Industrial and Jefferson Village Project Plans previously approved by City Council. Seventeen (17) of these properties will be retained by the Planning and Development Department to conduct a further review of title, prior to requesting authorization to transfer to the NDC.

An additional one hundred twenty-one (121) residential and commercial properties were also acquired. Thirty (30) of these properties are earmarked for transfer of jurisdiction to the Coleman A. Young International Airport for inclusion in the Federal Aviation Administration (FAA) buffer zone and one (1) to the Detroit Water and Sewerage Department.

The remaining ninety (90) properties are located within strategic development areas. They are to be retained by the City of Detroit, under the jurisdiction of the Planning and Development Department and sold to the individuals or development entities subject to normal review, policy and procedure.

For your review, attached please find a summary, Exhibit B, identifying each City Partner, City department and/or agency, including a breakdown of the cost of property acquisition.

We, therefore, request that your Honorable Body approve the attached resolution authorizing the City of Detroit to accept funds from the City Partners for the purchase of sixty-six (66) ROR Properties. We, further, request that your Honorable

Body approve the attached resolution authorizing the transfer of jurisdiction of thirty (30) ROR Properties from the Planning and Development Department to the Coleman A. Young Municipal Airport and one (1) to the Detroit Water and Sewerage Department. We also request that your Honorable Body authorize the transfer of seventeen (17) ROR Properties to the Economic Development Corporation and ten (10) ROR Properties to the Neighborhood Development Corporation, in accordance with the I-94 Industrial and Jefferson Village Project Plans.

Further, we request that your Honorable Body authorize the Mayor of Detroit or his authorized designee, to issue quit claim deed to sixty-six (66) ROR Properties and such other documents as may be necessary to effectuate the sales to the various City Partners, for the acquisition cost as outlined in the attached summary.

Respectfully submitted,
 ARTHUR JEMISON
 Director

By Council Member Leland:

Whereas, In accordance with the foregoing communication pursuant to the provisions of MCL 211.78, the City of Detroit exercised its right of refusal to select and acquire 231 properties from Wayne County ("ROR Properties"), thereby excluding these properties from Wayne County's 2015 tax foreclosure bid sale;

Whereas, The City was contacted by six non-profit entities ("City Partners") and requested to purchase sixty-six (66) ROR Properties within their respective service areas. Each City Partner having a history of being partnered with an entity with significant development experience and successful neighborhood initiatives.

Now, Therefore, Be It

Planning & Development Department

May 12, 2016

Honorable City Council:

Re: Petition No. 1019 — Bert's Marketplace & Jazz Club to Establish an Outdoor Café Permit at 2727-2739 Russell.

The above named petitioner has requested permission for Outdoor Café Service. This service will convene every April 1st through November 30th, for a period of three (3) years, from the date of your Honorable Body's approval.

The Department of Public Works/City Engineering Division (DPW/CED) who has jurisdiction over temporary encroachment on city right-of-ways has approved this request contingent upon the petitioners compliance with applicable City ordinance related to outdoor café activities and the

remittance of the annual use-permit fee to the Permit Section of the DPW/CED.

The Health Department has approved this petition, subject to petitioner's strict adherence to the 1999 Food Code, Food Law of 2000 and City Ordinance, Chapter 21. No outdoor grilling is permitted without approval from the Health Department's Food Safety Division.

Approval from the Detroit Police Liquor License Bureau is contingent upon the final action given by the City Council towards the above-referenced petition. Prior approval from the Central District Precinct does not cover serving liquor in outdoor café area until the Detroit Police Liquor License Bureau has given approval.

The Planning and Development Department (P&DD) is not aware of any objections from any other City Agencies involved. It is the recommendation of the P&DD that the petitioner's request be granted subject to the terms and conditions provided in the attached Resolution and that this service will convene every April 1st through November 30th for a period of three (3) years, from the date of your Honorable Body's approval.

Respectfully submitted,
JOHN SAAD, P.E.

Engineering Services Coordinator
Planning & Development Department
By Council Member Leland:

Resolved, That the Department of Public Works — City Engineering Division (DPW/CED) is hereby authorized and directed to issue a Use-permit to Bert's Marketplace & Jazz Club, Detroit "permittee", whose address is at 2727-2739 Russell, Detroit, Michigan 48207 to install and maintain an outdoor café, which will convene every April 1st through November 30th, for a period of three (3) years from the date of your Honorable Body's approval, contingent upon licensee of such premises obtaining approval of the Michigan Liquor Control Commission, if necessary, and compliance with applicable City Ordinance in connection with outdoor café activities, prior to the issuance of said use permit; and

Provided, That the café meets the regulations set by the "Outdoor Café Guidelines" as adapted by the City Council and guided by Chapter 58, Section 50-2-8.1 of the City Code; and

Provided, That the petitioner obtains all necessary licenses and permits every year from Departments having jurisdiction over Outdoor Café process; and

Provided, That said activities are conducted under the rules and regulations of the Department of Transportation, Department of Public Works and the supervision of the Police Department; and

Provided, That the sale of food and soft drinks is held under the direction and

inspection of the Health Department; and

Provided, That the "permittee" remit the required annual fee(s) to DPW/CED for issuance of a use-permit and confirm license of the establishment in compliance with the City Code; and

Provided, That the "permittee", prior to obtaining said permit, file an indemnity agreement in a form approved by the Law Department, saving and protecting the City of Detroit harmless from any or all claims, damages or expenses that may arise by reason of the issuance of said permit and the faithful performance by the "permittee" of the terms thereof; and in addition, to pay all claims, damages or expenses that may arise out of the maintenance of said encroachments; and

Provided, That the filing of said indemnity agreement for this current year shall be construed as acceptance of this Resolution by the "permittee"; and

Provided, That the permit is revocable at the will, whim and caprice of the City Council; and hereby expressly waives any right to claim damages or compensation for removal of encroachment, and further, that "permittee" acquires no implied or other privileges hereunder not expressly stated herein; and

Provided, That no other rights in the public streets, alley or other public places shall be considered waived by this permission which is granted expressly on the condition that said encroachment shall be removed at the expense of the "permittee" at any time when so directed by City Council, and that the public property so affected shall be restored to a condition satisfactory to the DPW/CED by said "permittee" at its expense; and

Provided, That the permit shall not be assigned or transferred without a written approval of the City Council; and

Provided, That the designated outdoor seating area shall be properly identified through the use of railings in order to regulate and control the serving of liquor within the perimeter of the café; and

Provided, That the outline and location of the outdoor café is not to be different from the site plan approved by the Planning and Development Department and the Department of Public Works; and

Provided, That if any tent, canopy or other enclosure is to be utilized on the subject site, the applicant shall secure prior approval from Buildings, Safety Engineering and Environmental Department and the Department of Public Works/City Engineering Division; and

Provided, That all railing equipment and fixtures shall be removed from the public right-of-way during the months of non-operation and placed in storage; and

Provided, That a certified copy of this Resolution shall be recorded with the Office of the Register of Deeds for Wayne County at the "permittee's" expense.

Honorable City Council:

Re: Petition No. 552 — Ray's B. Collision Inc. request permission to use the berm/concrete slab as a parking area for the business located at 14516 Joy Road.

Petition No. 552 — Ray B's Collision, Inc. request to install and maintain an encroachment with berm parking on Joy Road, 120 feet wide, between Hubbell Avenue, 86 feet wide, and Strathmoor Avenue, 60 feet wide.

The petition was referred to the City Engineering Division — DPW for investigation and report. This is our report.

The request is being made because the business needs an area for customer parking, and the berm area between the sidewalk and the curb is concrete pavement 29 feet wide.

Traffic Engineering Division — DPW (TED), reports being involved and approves provided certain conditions are met. The TED conditions have been made a part of the attached resolution.

Detroit Water and Sewerage Department (DWSD) reports being involved, but has no objection provided the DWSD encroachment provisions are followed. The DWSD provisions have been made a part of the resolution.

All other involved City departments, including the Public Lighting Department and Public Lighting authority; also privately owned utility companies have reported no objections to the encroachment. Provisions protecting utility installations are part of the attached resolution.

I am recommending adoption of the attached resolution.

Respectfully submitted,
RICHARD DOHERTY, P.E.

City Engineer
City Engineering Division — DPW
By Council Member Ayers:

Resolved, That the Department of Public Works, City Engineering Division is hereby authorized and directed to issue permits to Ray's B. Collision Inc., for encroachment with berm parking on the north side of Joy Road, 120 feet wide, between Hubbell Avenue, 86 feet wide and Strathmoor Avenue, 60 feet wide. The encroachment area being 25.03 feet west of the west line of Strathmoor Avenue and extending west 63.25 feet; also being 6.67 feet south of the north line of Joy Road

and extending south 29.5 feet. The encroachment is in Joy Road, 120 feet wide, lying south of and adjacent to south line of property described as: Land in the City of Detroit, Wayne County Michigan, being Lots 16, 17, 18 and 19 of "Karnatz Bonaparte Subdivision of Lot 4 of Beahmer's Subdivision of Section 31, T.1S., R.11E. "Greenfield Township, Wayne County, Michigan" as recorded in Liber 55, Page 29 of Plats, Wayne County Records.

Provided, That if there is any cost for the removing and/or rerouting of any utility facilities, it shall be done at the expense of the petitioner and/or property owner; and be it further

Provided, That in order to delineate the parking area and to make it safe for pedestrian and vehicular traffic adjacent to it, the petitioner shall be responsible to maintain the required continuous concrete stoppers that they have installed along the edge of the concrete berm adjacent to the grassy area just west of it, along the edge of the sidewalk, just north of it, and along the edge of the paved roadway just south of it; and be it further

Provided, That the petitioner shall maintain at all times, a minimum 6 feet wide clear sidewalk in front of 14516 Joy Road; and be it further

Provided, By approval of this petition, the Detroit Water and Sewerage Department (DWSD) does not waive any of its rights to its facilities located in the right-of-way, and at all time, DWSD, its agents or employees, shall have the right to enter upon the right-of-way to maintain, repair, alter, service, inspect, or install its facilities. All costs incident to the damaging, dismantling, demolishing, removal and replacement of structures or other improvements herein permitted and incurred in gaining access to DWSD'S facilities for maintenance, repairing, alteration, servicing or inspection caused by the encroachment shall be borne by the petitioner. All costs associated with gaining access to DWSD's facilities, which could normally be expected had the petitioner not encroached into the right-of-way, shall be borne by DWSD; and be it further

Provided, That all construction performed under this petition shall not be commenced until after (5) days written notice to DWSD. Seventy-two (72) hours notice shall also be provided in accordance with P.A. 53 1974, as amended, utilizing the Miss Dig one call system; and be it further

Provided, That construction under this petition is subject to inspection and approval by DWSD forces. The cost of such inspection shall, at the discretion of DWSD, be borne by the petitioner; and be it further

Provided, That if DWSD facilities locat-

ed within the right-of-way shall break or be damaged as the result of any action on the part of the petitioner, then in such event the petitioner agrees to be liable for all costs incident to the repair, replacement or relocation of such broken or damaged DWSD Facilities; and be it further

Provided, That the petitioner shall hold DWSD harmless for any damage to the encroaching device constructed or installed under this petition which may be caused by the failure of DWSD's Facilities; and be it further

Provided, That if at any time in the future the petitioner shall request removal and/or relocation of DWSD's facilities in the right-of-way being encroached upon the petitioner agrees to pay all costs for such removal and/or relocation; and be it further

Provided, That the contractor call MISS DIG 72 hours prior to starting any underground construction where they plan the underground encroachment; and be it further

Provided, That Ray's B. Collision Inc., or their assigns shall apply to the Buildings, Safety Engineering and Environmental Department for a building permit prior to any construction. Also, if its becomes necessary to open cut public streets, bore, jack, occupy or barricade city rights-of-way for maintenance of encroachments such work shall be according to detail permit application drawings submitted to the City Engineering Division — DPW prior to any public right-of-way construction; and further

Provided, That the necessary permits shall be obtained from the City Engineering Division — DPW and the Buildings, Safety Engineering and Environmental Department (if necessary). The encroachments shall be constructed and maintained under their rules and

regulations; also in accord with plans submitted to and approved by these departments; including the Public Lighting Department (if necessary), and the Traffic Engineering Division — DPW; and further

Provided, That all cost for the construction, maintenance, permits and use of the encroachments shall be borne by Ray's B. Collision, Inc.; and further

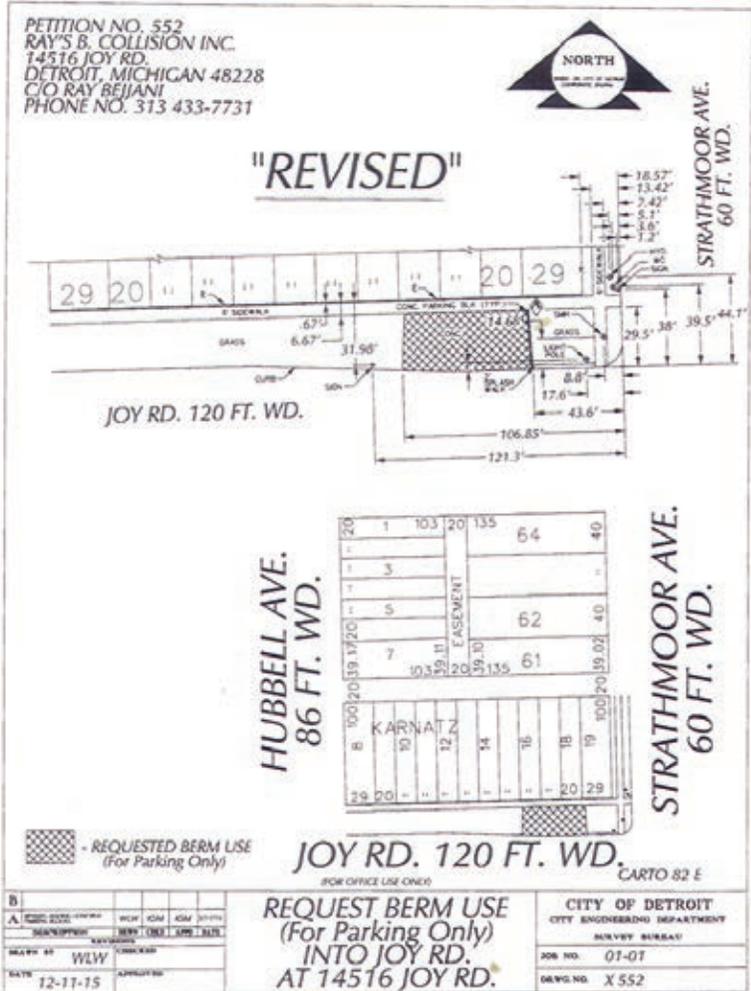

Provided, That all costs incurred by privately owned utility companies and/or city departments to alter, adjust, and/or relocate their existing utility facilities located in close proximity to the encroachments shall be borne by Ray's B. Collision, Inc. or their assigns. Should damages to utilities occur Ray's B. Collision, Inc. shall be liable for all incidental repair costs and waives all claims for damages to the encroaching installations; and further

Provided, That no other rights in the public streets, alleys or other public place shall be considered waived by this permission which is granted expressly on the condition that said encroachments shall be removed at any time when so directed by the City Council, and the public property affected shall be restored to a condition satisfactory to the City Engineering Division — DPW; and further

Provided, This resolution is revocable at the will, whim or caprice of the City Council, and Ray's B. Collision, Inc. acquires no implied or other privileges hereunder not expressly stated herein; and further

Provided, That the encroachment permits shall not be assigned or transferred without the written approval of the City Council; and further

Provided, That the City Clerk shall within 30 days record a certified copy of this resolution with the Wayne County Register of Deeds.

TESTIMONIAL RESOLUTIONS AND SPECIAL PRIVILEGE

TESTIMONIAL RESOLUTION FOR ANDRE L. JOHNSON Detroit Recovery Project

By COUNCIL MEMBER AYERS:

WHEREAS, Andre L. Johnson was born September 4th, 1969 in Detroit, Michigan. He is currently the President/ CEO Founder of the Detroit Recovery Project — a multi-service agency that provides a wide spectrum of support services to the city's recovery community. Such services include: recovery coaching, GED

preparation, twelve step support groups, housing assistance, job readiness and employment assistance, HIV prevention, testing and counseling services; and

WHEREAS, Andre Johnson has consulted on behalf of the United States President Emergency Plan Against AIDS Abroad to the Department of Ministry of Health, in Dar Es Salaam, Zanzibar and Tanzania. Mr. Johnson was recently appointed by Kathleen Sebelius, former Secretary of Health and Human Services, to serve a three-year term as a national Advisory Council member for the Center for Substance Abuse Treatment/Substance Abuse Mental Health Administration. He is an active member of the Third Judicial Circuit Court Family Division Drug Court Team. Andre is also a board member of the Wayne Center — an agency that provides services for the mentally ill and the developmentally disabled; and

WHEREAS, Andre Johnson holds a Bachelor of Arts in psychology from Morehouse College (Atlanta, Georgia) and a Masters of Arts in organizational management from the University of Phoenix. He is currently pursuing his Doctorate in clinical psychology at California Southern University. Andre Johnson has overcome the obstacle of being mentally and physically incarcerated. He is the proud father to his daughter, Ayanna Johnson;

NOW THEREFORE, LET IT BE

RESOLVED, That Councilwoman Janeé L. Ayers and the entire Detroit City Council congratulate Andre L. Johnson on his accomplishments, celebrate his achievements and recognize him for his outstanding work. May God continue to bless you.

**TESTIMONIAL RESOLUTION
FOR
FIRST LATIN AMERICAN
BAPTIST CHURCH
86th Anniversary**

**Theme Verse: Matthew 16:18b –
“I will build my church, and the gates
of hell shall not prevail against it.”
Slogan: “Christ’s Promise and the
Revitalization of His Church
in the 21st Century”**

By COUNCIL MEMBER CASTANEDA-LOPEZ:

WHEREAS, The roots of the congregation we honor today extend to the 1920’s when a group of immigrant families from Mexico united to worship as Spanish-speaking Baptists in Detroit. With the help of the Historic Woodward Baptist Church the congregation organized in 1930 as the

“First Mexican Baptist Church” now the “First Latin American Baptist Church.” the church bears the historical import as one of Michigan’s first, ongoing Protestant, Spanish-speaking ministry; and

WHEREAS, Throughout its 86-year history it has embraced Spanish-speaking immigrant families and supported them as they established their lives in our nation providing a place of refuge, hope and a space to express their identity and faith. Children who have grown up worshiping with their families here and attending Sunday School classes now service as leaders of community nonprofits, thriving business owners, union leaders, school teachers, health care providers, engineers, police officers among other public servants; and

WHEREAS, First Latin American Baptist has been a platform for the beginning of gifted artists who have blessed our community with their rich musical talents. The church has had a long history of serving their community guided by their faith which teaches, “love their neighbor as themselves.”; and

WHEREAS, On May 21 and 22, 2016 the Church will celebrate its 86th Church Anniversary. This year’s Anniversary milestone is underscored with an even greater significance. First Latin American Baptist Church will vacate its current 110-year old building before the end of the year to make way for the construction of the new Gordie Howe International Bridge project; and

WHEREAS, The Church will move into a new existing church building located in the heart of the Hispanic community, within a block of Clark Park, near a chain of thriving businesses, and in the midst of a fertile evangelistic mission field.

NOW THEREFORE, BE IT

RESOLVED, Council Member Raquel Castaneda-Lopez and the Detroit City Council recognize First Latin American Baptist Church with their legacy of faith and love for others contribute an invaluable asset to our city, and for this reason we want to congratulate the congregation on the occasion of their 86th Anniversary and acknowledge the important role they serve in our city.

**TESTIMONIAL RESOLUTION
FOR
MATRIX THEATRE COMPANY
25th Anniversary Extravaganza**

By COUNCIL PRESIDENT JONES:

WHEREAS, Matrix Theatre Company builds communities, improves lives, and fosters social justice. Matrix teaches, cre-

ates, and shares theatre as an instrument of transformation. As a cultural anchor of southwest Detroit, Matrix Theatre Company has, for 25 years, created outstanding, affordable, and inclusive professional and educational theatre that address issues of community concern; and

WHEREAS, Through a socially-engaged and collaborative artistic process, Matrix Theatre Company empowers its participants and audiences to think critically, act collectively, and serve a common purpose. Its work offers artists and audiences opportunities to participate in powerful artistic exchanges that stimulate meaningful dialogue and foster empathy and equity for all. Matrix inspires people of all ages and backgrounds through theatre to create positive change in their own lives and communities; and

WHEREAS, Founded in 1991 by Dr. Shaun Nethercott and Wes Nethercott, Matrix Theatre Company is a leader in the southwest Detroit arts and culture sector. Over the 25 years of its existence, Matrix has touched over 100,000 lives and countless communities. Through its artistic programming and tireless advocacy, Matrix has transformed the acts of creating and experiencing theatre so that everyone, regardless of circumstance or background, can participate.

NOW THEREFORE, BE IT

RESOLVED, The Detroit City Council and the Office of Council Member Castaneda-Lopez congratulates the Matrix Theatre Company on their 25th Anniversary. Thank you for your quarter century commitment to cultural enrichment in Southwest Detroit.

TESTIMONIAL RESOLUTION FOR COMMEMORATION OF THE 50TH ANNIVERSARY OF THE VIETNAM WAR

By Council President Jones:

WHEREAS, As we observe the 50th anniversary of the Vietnam War, it is with great pleasure and privilege that we, the members of the Detroit City Council, remember, recognize and thank our Vietnam Veterans for their service and sacrifice on behalf of the United States during one of America's longest wars; and

WHEREAS, We pay tribute to the men and women who served bravely, while facing extraordinary and unprecedented dangers. For more than a decade of fighting in the challenging terrains of Southeast Asia, these proud American upheld the highest traditions of our Armed Forces; and

WHEREAS, In 2008, the National Defense Authorization Act empowered the Secretary of Defense to create a program on behalf of the nation that honors Vietnam Veterans and commemorates the 50th Anniversary of the Vietnam War. A presidential proclamation in 2012, signed by President Barack Obama, extends the Commemoration of the 50th Anniversary of the Vietnam War from May 28, 2012, through November 11, 2025. The Commemoration is a 13-year program to honor and give thanks to a generation of proud Americans who saw our country through one of the most challenging missions we have ever faced; and

WHEREAS, Congress articulated five objectives for this Commemoration: 1) To thank and honor veterans of the Vietnam War, including personnel who were held as prisoners of war, or listed as missing in action, for their service and sacrifice on behalf of the United States and to thank and honor the families of these veterans 2) to highlight the service of the Armed Forces during the Vietnam War and the contributions of federal agencies and governmental and non-governmental organizations that served with, or in support of, the Armed Forces. 3) to pay tribute to the contributions made on the home front by the people of the United States during the Vietnam War. 4) To highlight advances in technology, science and medicine, related to military research, conducted during the Vietnam War. 5) To recognize the contributions and sacrifices made by the allies of the United States during the Vietnam War. According to the Department of Veterans Affairs, nine million Americans served active duty in the U.S. Armed Forces during the period of the Vietnam War; approximately seven million are living today. Let us remember that it is never too late to pay tribute to the men and women who answered the call of duty with courage and valor. We will never forget their sacrifices in the name of freedom.

NOW THEREFORE, BE IT

RESOLVED, That the Detroit City Council and office of Council President Brenda Jones declares support for the Commemoration of the 50th Anniversary of the Vietnam War. We encourage every citizen of the City of Detroit and the United States to honor our Vietnam Veterans, our fallen, our wounded, those unaccounted for, our former prisoners of war, their families and all who served.

**RESOLUTION
IN MEMORIAM
BARBARA SCHARFENBERG**

By COUNCIL PRESIDENT JONES:

WHEREAS, We, the members of the Detroit City Council, solemnly pause today to honor the memory of the late Barbara (Bradow) Scharfenberg, a beloved mother, grandmother, sister, gifted teacher and friend to many who was granted her angel wings on April 6, 2016; and

WHEREAS, Barbara Scharfenberg was born on June 2, 1934. She was a longtime resident of Detroit, Michigan and a faithful member of Outer Drive Faith Lutheran Church. A graduate of Cooley High School and Wayne State University, Barbara was a gifted teacher. Known as “The Great Leader,” she was passionate about inspiring the minds of students and motivating them to always give their best effort. Ms. Scharfenberg loved her students dearly and when necessary, “went to bat” for them. She taught in the Detroit Public Schools including Post Junior High, before teaching over 30 years at Greenfield Peace Lutheran School; and

WHEREAS, Ms. Scharfenberg retired in 1999 and moved to Warren, Michigan. She enjoyed leisure activities such as reading and gardening, in addition to spending time with family. The lessons she taught, the example she set, the wisdom she imparted made a significant impact in the lives of others; and

WHEREAS, Barbara Scharfenberg is predeceased by her brother, Richard Bradow. She is survived by her children, Tom (Lesley) Scharfenberg and Karen (David) McLennan, sister Sandra (Ron) Ratcliff and sister-in-law Alice Bradow. She was a loving grandmother to four grandchildren, who affectionately called her “Granny the Great.” Recognized as a devoted matriarch and teacher, Barbara Scharfenberg helped to make this world a better place. She ensured that her impact would be forever embedded in the hearts of those she cherished for years to come.

NOW THEREFORE BE IT

RESOLVED, The Detroit City Council

and the Office of Council President Brenda Jones hereby expresses its condolences and joins with family and friends in celebrating the life of Barbara Scharfenberg.

Adopted as follows:

Yeas — Council Members Ayers, Cushingberry, Jr., Leland, Castaneda-Lopez, Sheffield, Spivey, Tate, and President Jones — 8.

**TESTIMONIAL RESOLUTION
FOR**

JUSTIN WARREN BLACKWELL

By Council Member Sheffield:

WHEREAS, Justin Warren Blackwell, an articulate, intelligent, loving, passionate, funny, and handsome young man entered this world on October 24, 1984 in Southfield, Michigan to the union of Darryl and Dr. Tina Walker-Blackwell; and

WHEREAS, Justin received his formal education from Detroit Public Schools, graduating from Mackenzie High School in June, 2002, then followed in his mother’s footsteps to educate Detroit’s future leaders, which led him to serve as a Corps Member for City Year Detroit where his loving and infectious personality left a mark on the entire organization; and

WHEREAS, Justin continued his educational journey and completed his Associate’s Degree in Arts at Henry Ford Community College and worked many years at Motor City Casino and Hotel, proudly maintaining his career through extremely adverse situations, which spoke to his strength and manhood; and

WHEREAS, Justin was charismatic, kind, with a gentle spirit, and a smile that could stop traffic. Justin was meticulous by nature, with a love for music, with an amazing ability to sing, which he did every morning before his feet could even touch the ground; and

WHEREAS, Justin was the center of his family, as he would move the world for his mother and two brothers, and he had a deep, unexplainable love for each and every family member; and

WHEREAS, Justin Warren Blackwell passed away on April 18, 2016, and is preceded in death by his father, Darryl Blackwell, who shares the same sunset date of April 18th, his paternal and maternal grandparents, uncle, Warren Walker Sr., and cousin, David Walker. He leaves to cherish his memory his mother, Dr. Tina Walker-Blackwell, brothers, Darryl Blackwell and Barry M. Blackwell, and a host of family and friends.

NOW THEREFORE, BE IT

RESOLVED, That the Office of Council Member Mary Sheffield and the Detroit City Council, hereby celebrate the rich life and legacy of Mr. Justin Warren Blackwell, a vessel of manhood in the City of Detroit. We pause today to honor his memory.

BUDGET, FINANCE, AND AUDIT STANDING COMMITTEE

Finance Department Board of Assessors

May 16, 2016

Honorable City Council:

Re: Special Assessment Hearing — Sherwood Forest Special Assessment District

The Office of the Chief Financial Officer – Assessors has prepared a Special Assessment Roll for the Sherwood Forest Assessment District, a designated neighborhood improvement organization created by this Honorable Body in accordance with the Home Rule Act, Act 279 of 1909. In accordance with Public Act 162, Section 211.741 the Office of the Chief Financial Officer – Assessors respectfully request that this Honorable Body set a date for a Public Hearing for the purpose of assessing a fee for this Special Assessment District.

Respectfully submitted,

ALVIN F. HORHN

Deputy CFO/Assessor

By Council Member Leland:

Whereas, Pursuant to the provisions of the Home Rule City Act, Act 279 of 1909, as amended, being MCL 117.Si (the act) a request to create a Special Assessment District (SAD) has been received; and

Whereas, A city with a population of more than 600,000 may provide by ordinance a procedure to finance by special assessments the provision by private contractors of snow removal from streets, mosquito abatement, and security services. The ordinance shall authorize the use of petitions to initiate the establishment of a special assessment district. The record owners of not less than 51% of the land comprising the actual SAD must have signed the petitions.

Whereas, The City of Detroit has amended Chapter 18, Article XII of the 1984 Detroit City Code, by adding Division 7, "Special Assessments for Snow Removal, Mosquito Abatement, and Security Services".

Subdivision A, "General Matters", Sections 18-12-120 to 18-12-123, Subdivision B, "Petition".

Sections 18-12-125 to 18-12-128, Subdivision C, "Establishment of District and Assessment", Sections 18-12-130 to 18-12-142, and Subdivision D, "Contracting for Provision of Services",.

Sections 18-12-145 to 18-12-146, to specifically implement the provisions of Section Si of the Home Rule City Act, MCL 117.Si, which grants the power to "provide by ordinance a procedure to finance by special assessments the provision by private contractors of snow

removal from streets, mosquito abatement, and security services [and] authorize the use of petitions to initiate the establishment of a special assessment district.”; and

Whereas, The Sherwood Forest Designated Neighborhood Improvement Organization, acting as the Designated Neighborhood Improvement Organization (DNIO), is proposing to create a SAD for the benefit of all Tax Parcels for which a Tax Parcel Share is assessed the services of:

- 1. Snow removal from streets, which may include the portion designed for vehicular travel, the portion designed for pedestrian travel, or both;
- 2. Mosquito abatement; and
- 3. Security Services; and

Whereas, The Office of the Chief Financial Officer – Assessment Division, as the Administering Department, certifies that the Sherwood Forest Designated Neighborhood Improvement Organization has submitted petitions in compliance with MCL 117.5i, containing the signatures of at least 51 % of the property owners in the designate area in support of the creation of a SAD, and

By Council Member Spivey:

AN ORDINANCE to amend Chapter 9 of the 1984 Detroit City Code, *Buildings and Building Regulations*; Article II, *Building Code*, by adding Section 9-2-5; to provide that persons delinquent in payment of fines, fees or costs imposed by the Department of Administrative Hearings are not eligible to apply for a building permit, a certificate of use and occupancy or a variance, with exceptions.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 9 of the 1984 Detroit City Code, is amended by adding Sections 9-2-5, to read as follows:

**CHAPTER 9.
 BUILDINGS AND
 BUILDING REGULATIONS
 ARTICLE II. BUILDING CODE**

Sec. 9-2-5. Persons ineligible to apply for building permit, certificate of use and occupancy or variance; exceptions.

(a) A person is not eligible to apply for a building permit, a certificate of use and occupancy, certificate of compliance, or a variance if the persons or the owner of the affected or proposed building or structure is delinquent in paying a civil fine, costs, or a justice system assessment imposed by the Department of Administrative Hearings.

(b) Subsection (a) does not apply to an application for a building permit if the work authorized under the building permit will correct, in whole or in part, the blight violation that was the subject of the delinquent payment referred to in subsection (a).

(c) Subsection (a) does not apply to an applicant if the applicant became the owner of the property by foreclosure or by taking a deed in lieu of foreclosure and is one of the following:

(1) A government-sponsored enterprise as defined in 2 USC 622(8), or the Michigan State Housing Development Authority created under the state housing development authority act of 1966, 1966 PA 346, MCL 125.1401 to 125.1499c; or

(2) A financial institution as defined in section 4(c) of the Michigan strategic fund act, 1984 PA 270, MCL 125.2004; or

(3) A mortgage servicer as defined in section 1a of the mortgage brokers, lender and servicers licensing act, 1987 PA 173, MCL 445.1651a, that is subject to the mortgage brokers, lenders, and servicers licensing act, 1987 PA 173, MCL 445.1651 to 445.1684.

(4) A credit union service organization that is organized under the laws of this state or the United States.

Sec. 9-2-56 — 9-2-10. Reserved.

Section 2. This ordinance is hereby declared necessary to preserve the public peace, health, safety, and welfare of the people of the City of Detroit.

Section 3. All ordinances, or parts of ordinances, that conflict with this ordinance are repealed.

Section 4. In the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

 County of Wayne, Michigan
 By Council Member Leland:

WHEREAS, Pursuant to 381 PA 1996, as amended ("Act 381"), the City of Detroit Brownfield Redevelopment Authority ("Authority") has been established by resolution of the City Council of the City of Detroit (the "City") for the purpose of promoting the revitalization of eligible properties in the City; and

WHEREAS, Under Act 381 the Authority is authorized to develop and propose for adoption by City Council a brownfield plan for one (1) or more parcels of eligible property; and

WHEREAS, Pursuant to the resolution establishing the Authority and the bylaws of the Authority, the Authority has submitted a proposed brownfield plan for the Brush Park Parcels A+B Redevelopment Project (the "Plan"); and

WHEREAS, The Authority submitted the Plan to the Community Advisory Committee for consideration on April 13, 2016, per the provisions of the Authority Guidelines, and a public hearing was conducted by the Authority on April 18, 2016, to solicit comments on the proposed Plan; and

WHEREAS, The Community Advisory Committee recommended approval of the Plan on April 18, 2016; and

WHEREAS, The Authority approved the Plan on April 27, 2016 and forwarded in to the City Council with a request for its approval of the Plan; and

WHEREAS, City Council has published the required notice of the public hearing on the Plan; and

WHEREAS, The City Council held a public hearing on the proposed Plan on May 19, 2016 at 10:05 a.m.

NOW, THEREFORE, BE IT RESOLVED, THAT:

1. Definitions. Where used in this Resolution the terms set forth below shall have the following meaning unless the context clearly requires otherwise:

"Eligible Activities" or "eligible activity" shall have the meaning described in Act 381.

"Eligible Property" means the property designated in the Plan as the Eligible Property, as described in Act 381.

"Plan" means the Plan prepared by the Authority, as transmitted to the City Council by the Authority for approval, copies of which Plan are on file in the office of the City Clerk.

"Taxing Jurisdiction" shall mean each unit of government levying an ad valorem property tax on the Eligible Property.

2. Public Purpose. The City Council

hereby determines that the Plan constitutes a public purpose.

3. Best Interest of the Public. The City Council hereby determines that it is in the best interests of the public to promote the revitalization of environmentally distressed areas in the City to proceed with the Plan.

4. Review Considerations. As required by Act 381, the City Council has in reviewing the Plan taken into account the following considerations:

(a) Portions of the property designated in the Plan meets the definition of Eligible Property, as described in Act 381, including consideration of the criteria of "blighted" as defined in Act 381;

(b) The Plan meets the requirements set forth in section 13 of Act 381.

(c) The proposed method of financing the costs of eligible activities is feasible and the Authority has the ability to arrange the financing.

(d) The costs of eligible activities proposed are reasonable and necessary to carry out the purposes of Act 381.

(e) The amount of captured taxable value estimated to result from the adoption of the Plan is reasonable.

5. Approval and Adoption of Plan. The Plan as submitted by the Authority is hereby approved and adopted. A copy of the Plan and all amendments thereto shall be maintained on file in the City Clerk's office.

The City of Detroit Planning Commission has determined (see Attachment D), and with the approval of the Plan, the City Council concurs, that portions of the Property qualify as "blighted" under the definition in Act 381.

6. Preparation of Base Year Assessment Roll for the Eligible Property.

(a) Within 60 days of the adoption of this Resolution, the City Assessor shall prepare the initial Base Year Assessment Roll for the Eligible Property in the Plan. The initial Base Year Assessment Roll shall list each Taxing Jurisdiction levying taxes on the Eligible Property on the effective date of this Resolution and the amount of tax revenue derived by each Taxing Jurisdiction from ad valorem taxes on the Eligible Property, excluding millage specifically levied for the payment of principal and interest of obligations approved by the electors or obligations pledging the unlimited taxing power of the local governmental unit.

(b) The City Assessor shall transmit copies of the initial Base Year Assessment Roll to the City Treasurer, County Treasurer, Authority and each Taxing Jurisdiction which will have Tax Increment Revenues captured by the Authority, together with a notice that the Base Year Assessment Roll has been prepared in accordance with this Resolution and the Plan approved by this Resolution.

7. Preparation of Annual Base Year

Assessment Roll. Each year within 15 days following the final equalization of the Eligible Property, the City Assessor shall prepare an updated Base Year Assessment Roll. The updated Base Year Assessment Roll shall show the information required in the initial Base Year Assessment Roll and, in addition, the Tax Increment Revenues for each Eligible Property for that year. Copies of the annual Base Year Assessment Roll shall be transmitted by the Assessor to the same persons as the initial Base Year Assessment Roll, together with a notice that it has been prepared in accordance with the Plan.

8. Establishment of Project Fund; Approval of Depository. The Authority shall establish a separate fund for the Eligible Property subject to this Plan, which shall be kept in a depository bank account or accounts in a bank or banks approved by the Treasurer of the City. All moneys received by the Authority pursuant to the Plan shall be deposited in the Project Fund for the Eligible Property. All moneys in the Project Fund and earnings thereon shall be used only in accordance with the Plan and Act 381.

9. Use of Moneys in the Project Fund. The moneys credited to the Project Fund and on hand therein from time to time shall be used annually to first make those payments authorized by and in accordance with the Plan and any development agreement governing such payments and then to the Local Site Remediation Revolving Fund, as authorized by Act 381:

10. Return of Surplus Funds to Taxing Jurisdictions. The Authority shall return all surplus funds not deposited in the Local Site Remediation Revolving Fund proportionately to the Taxing Jurisdictions.

11. Payment of Tax Increment Revenues to Authority. The municipal and the county treasurers shall, as ad valorem and specific local taxes are collected on the Eligible Property, pay the Tax Increment Revenues to the Authority for deposit in the Project Fund. The payments shall be made not more than 30 days after the Tax Increment Revenues are collected.

12. Disclaimer. By adoption of this Resolution and approval of the Plan, the City assumes no obligation or liability to the owner, developer, lessee or lessor of the Eligible Property for any loss or damage that may result to such persons from the adoption of this Resolution and Plan. The City makes no guarantees or representations as to the ability of the Authority to capture tax increment revenues from the State and local school district taxes for the Plan.

13. Repealer. All resolutions and parts of resolutions insofar as they conflict with the provisions of this resolution be and the same hereby are rescinded.

14. The City Clerk is requested to sub-

mit four (4) certified copies of this Resolution to the DBRA, 500 Griswold Street, Suite 2200, Detroit, MI 48226.

JANICE WINFREY
City Clerk
City of Detroit
County of Wayne, Michigan

I hereby certify that the foregoing is a true and complete copy of a resolution adopted by the City Council of the City of Detroit, County of Wayne, State of Michigan, at a regular meeting held on Thursday, May 26, 2016, and that said meeting was conducted and public notice of said meeting was given pursuant to and in full compliance with the Open Meetings Act, being Act 267, Public Acts of Michigan, 1976, as amended, and that the minutes of said meeting were kept and will be or have been made available as required by said Act.

JANICE WINFREY
City Clerk
City of Detroit

AN ORDINANCE to amend Chapter 25 Article II of the 1984 Detroit City Code by adding Section 25-2-200 to establish the Fort Wayne Historic District and to define the elements of design for the district.

IT IS HEREBY ORDAINED BY THE PEOPLE OF THE CITY OF DETROIT THAT:

Section 1. Chapter 25, Article II of the 1984 Detroit City Code is amended by adding Section 25-2-200 to read as follows: **Sec. 25-2-200. Fort Wayne Historic District.**

(a) A historic district to be known as the Fort Wayne Historic District is established in accordance with the provisions of this article.

(b) This historic district designation is certified as being consistent with the Detroit Master Plan.

(c) The boundaries of the Fort Wayne Historic District are as shown on the map on file in the office of the City Clerk, and shall be: Beginning at a point, that point being the intersection of the centerline of Jefferson Avenue with the eastern boundary line, as extended, of Private Claim 32; thence southeasterly along said eastern boundary line, as extended, to its intersection, with the United States Harbor Line, established by the Secretary of War on September 24, 1892; thence southwesterly along said Harbor Line to its intersection with the western boundary line, as extended, of Private Claim 268; thence northwesterly along said western

boundary line to its intersection with the centerline of Jefferson Avenue; thence northeasterly along the centerline of Jefferson Avenue to the point of beginning.

(d) The defined elements of design, as provided for in Sec. 25-2-2 of this Code, are as follows:

(1) *Height.* All but one building in the district range from one (1) to two and one-half (2-1/2) stories tall, the latter having fenestrated attics. The tallest building is Building 507 (also known as the "Old Barracks" (building names in this section reference the Proposed Fort Wayne Historic District Final Report prepared by the Historic Designation Advisory Board and dated March 10, 2016), which is three and one-half (3-1/2) stories tall. Residential buildings are two (2) or two and one-half (2-1/2) stories in height, while nonresidential structures are one (1) or one and one-half (1-1/2) stories; the lone exception to this rule is the Post Headquarters, which is two and one-half (2-1/2) stories tall. The scarp wall is tall, but generally shielded from view behind surrounding earthworks; Building 507 stands visible above the walls of the fort from a distance.

(2) *Proportion of Buildings' Front Façades.* All contributing buildings and structures within the district are wider than tall; nonresidential structures are typically significantly wider than tall. Building 507 is also significantly wider than tall. Elements above the eaves, such as gable roofs, slope chimneys and end chimneys, dormers and air vents, increase the appearance of height where they exist.

(3) *Proportion of Openings within the Façade.* Areas of voids generally constitute between fifteen (15) percent and thirty-five (35) percent of the front façades, excluding the roof. Many buildings have window openings within the roof, in dormers, or gables or towers, adding to the number of voids. All window openings, are taller than wide, although they are occasionally grouped together horizontally and divided by mullions on Georgian Revival-style buildings constructed or modified in the 1930s. Windows are mostly rectangular, but some have arched openings. Most windows of Warehouses 2A, 2B, and 2C have been bricked in or otherwise altered.

(4) *Rhythm of Solids to Voids in the Front Façade.* All buildings have a regular rhythm of solids to voids.

(5) *Rhythm of Spacing of Buildings on Streets.* Residential buildings along Officer's Row and NCO Row are generally spaced regularly, although there is a small degree of variation in front and side setbacks from one building to the next. Buildings 2A, 2B, and 2C share common walls. Other buildings are irregularly arranged and spaced, though generally oriented to face paved streets.

(6) *Rhythm of Entrance and/or Porch Projections.* Steps with porches exist on all of the buildings on Officer's Row and NCO Row in the district, as well as on nonresidential buildings 109, 205, 207, 302, 303, 311, 312, and 314. The positions of porches are a significant design feature, clearly identifying many of the buildings as duplexes when they are paired on the center of the façade, or situated at opposite ends of the façade. When present, a consistent progression of porches contributes to the streetscape. Porches of several duplex buildings on NCO Row feature enclosed brick vestibules. Rear porches, where they exist, create a rhythm. Sunrooms were added to sides of many residential buildings during the 1930s, though some are now missing. Extensive verandas on the rear of building 507 are a significant feature. On Buildings 201 and 202, concrete slab porches and concrete steps reflect the historic use of these buildings, and are a significant feature; however, they do not contribute to a rhythm with other structures. No rhythm of entrances is created on the star fort, as the structure contains minimal openings as a result of its defensive function.

(7) *Relationship of Materials.* Façade materials are somewhat consistent throughout the district, due to extensive remodeling during the 1930s. Red brick with red-tinted mortar is dominant, and reflects the 1860s scarp wall of the star fort. Within the fort, brick walls contrast with limestone-framed openings, such as embrasures, and three limestone structures: a postern, powder magazine, and Building 507. On limestone buildings, minor brick elements are a significant contrast. Wood is a common element, comprising most doors, and historic window sashes, which remain on most buildings (although windows on some nonresidential buildings are metal, and windows on the mule stables have been replaced with glass block) as well as porches; Building 110 has been restored to its original appearance, with wood clapboards idling. Parging exists on the porches of several buildings on Officer's Row. Roof materials are generally asphalt, although slate remains on Building 215. Star fort embankments, as well as the burial mound, are composed of earth covered with grass. Warehouses 2A, 2B, and 2C are made of concrete block; poured concrete is used for foundations, as well as replacements for original limestone lintels in some cases, as on Building 507.

(8) *Relationship of Textures.* On most buildings, textural effects are fairly even, with slightly more textured brick and limestone contracting slightly with somewhat more smooth wooden features. Brick or limestone with mortar joints is the most common textured effect. The greatest tex-

ture exists where provided by architectural details such as roof brackets on Buildings 110 and 205, dentils on Building 207, and brick quoins on Buildings 303 and 312. Coursed ashlar creates significant textural interest on Building 507, the postern, and the powder magazine. Asphalt shingled roofs generally do not contribute to textural interest.

(9) *Relationship of Colors.* Near-ubiquitous use of red brick lends a unifying appearance to the buildings at Fort Wayne, which otherwise reflect a diversity of styles, functions, and time periods; however, brick colors do vary slightly from one building to the next by time period, and some buildings feature mottled red brickwork. On limestone buildings, small red brick elements provide contrast; conversely, on brick buildings, white or gray elements such as painted window sashes, porches, and limestone trim provide an inverse relationship. The restored Building 110 has white siding and red-brown trim. Foundations are gray stone or concrete. Roofs are gray. On some buildings, copper flashing is green. Existing paint and mortar colors reflect the historical evolution of Fort Wayne and should not be changed unless substantiated by physical or documentary evidence, such as primary sources or a professional paint analysis.

(10) *Relationship of Architectural Details.* Architectural details generally relate to style. A variety of architectural styles are represented in the district, including Federal, Italianate, Queen Anne, Georgian Revival; however, architectural details tend to be somewhat restrained. Classical detail is found on window and door surrounds, including transoms, fan lights, and side lights, and in porches and pediments. Cornices are a distinct feature on buildings of various architectural styles. Storage buildings such as the powder magazine and Buildings 201, 202, 222 and Warehouse 2A, 2B, and 2C feature minimal architectural detail.

(11) *Relationship of Roof Shapes.* There is a great diversity in roof shapes in the district. Gable roofs are most common, and many buildings have cross gables or gable dormers. Hip roofs exist on some buildings, including several duplexes, Building 311, and Building 312. Warehouse buildings and Building 213 have flat roofs. Buildings on NCO Row have flat-roofed sunrooms or end bays. Building 222 has a monitor roof. The chapel/workshop has an arched roof.

(12) *Walls of Continuity.* Significant walls of continuity are created by residential buildings on Officer's Row and NCO Row, although setbacks do vary somewhat. Elsewhere in the district, buildings do not create walls of continuity. Mature trees contribute to secondary walls of

continuity, especially along the Parade Ground and along NCO Row where rows of trees likely date from the 1930s. The scarp wall and earthworks create a wall of continuity.

(13) *Relationship of Significant Landscape Features and Surface Treatments.* The designed landscape of Fort Wayne is highly significant. The original star fort is situated on a gentle rise in the landscape and overlooks the Detroit River. Linear streets and sidewalks provide circulation throughout the districts; street widths are relatively narrow. Although residential buildings are surrounded by open spaces, the open spaces do not read as individual lawns. Streets are asphalt and sidewalk are concrete. Existing parking lots are generally created by building demolitions, and therefore, not significant landscape features. Chain link fences surround the district on three sides (excluding the Detroit River side). Although these may have historically been wrought iron and may have featured brick piers. Buildings 108, 109, 110, and 111 are connected by a picket fence. Shrubbery, foundation plantings, and ornamental trees are not common, but exist around some buildings, including Buildings 110, 207, 303, 311, and 312. The burial mound is a significant landscape feature, situated between the sidewalk and street on Officer's Row.

(14) *Relationship of Open Space to Structures.* Open spaces, reflecting the historic military function of the district, are highly significant and should not be compromised by inappropriate new construction. The star fort creates open space at its center, housing Building 507, and is surrounded by open space on all sides. Open spaces separate Officer's Row from NCO Row. The largest open space in the district is the Parade Ground, which extends along the Detroit River from the star fort to the earthen berm which stands just east of Warehouses 2A, 2B, and 2C. presently, this space is appropriately used for outdoor gatherings and events. Open spaces such as the parade ground are likely to contain significant archaeological resources. Smaller side setbacks, and larger rear setbacks, surrounding the buildings on Officer's Row and NCO Row would serve as yards, though are not delineated as such. The former location of historic gardens, between Jefferson Avenue and Meigs Road, is a significant open space. Roads and concrete walkways throughout the district create significant spaces.

(15) *Scale of Façades and Façade Elements.* Scale ranges from the relatively small duplexes of NCO Row to the very large barracks, Buildings 311 and 507, and the Recreation Center, Building 312. Scale of façade elements is greatest on Building 110, and lesser on other residen-

tial buildings. Some buildings have large, central cross gables.

(16) *Directional Expression of Front Elevations.* Directional expression often relates to architectural style and building function. The majority of building façades display a balance between horizontal and vertical expression. Residential buildings of any style are usually wider than tall, but vertical projections above the eaves, such as gables, dormers, and chimneys, add a degree of vertical expression, exceptions are utilitarian buildings such as Buildings 201, 202, 205, 222, Warehouses 2A, 2B, and 2C, and the chapel/workshop and mule stables, which are a single story and feature a horizontal expression. The star fort and associated earthworks, demilune and scarp wall are profoundly horizontal in expression; while within the fort Building 507 and the powder magazine display a balanced composition.

(17) *Rhythm of Building Setbacks.* Although there is slight variation, setbacks are mostly consistent within each grouping of similar buildings. Buildings on Officer's Row are set back from the street by a broad lawn, bifurcated by a concrete sidewalk running east-west in front of each building. Other structures, including buildings on NCO Row, are situated closer to the streets. Buildings on Officer's Row and NCO Row therefore create a regular rhythm of building setbacks. There is no setback rhythm among Warehouses 2A, 2B and 2C, on the star fort, or on Army Corps of Engineers buildings due to inconsistent orientation.

(18) *Relationship of Lot Coverages.* The district is a cohesive complex of structures, and buildings are not situated on individual lots. Buildings are spaced to provide moderate front, side and rear setbacks.

(19) *Degree of Complexity within the Façades.* Buildings in the district feature a restrained degree of stylistic detail. Massing is more complex on Queen Anne style structures such as Building 103, 104, and 207. The restored Commanding Officer's House (Building 110) is somewhat more complex, indicating that the complexity of façades was reduced by 1930s alterations to other buildings in the district.

(20) *Orientation, Vistas, Overviews.* Orientation, vistas, and overviews are an essential feature of the district, reflecting the history of the facility as a military installation, and its prehistory as a burial location. The demilune, a defensive feature, provides a particularly significant vista. Fort Wayne is situated on a gentle slope with a commanding view of the Detroit River. From the earthen embankments of the star fort are broad views of the remainder of the district and of the river. Residential buildings of Officer's Row, as well as the burial mound, take advantage of river views. Residential

buildings of NCO Row, run parallel to Jefferson Avenue, forming a visual edge to the district. In general, orientation of buildings contributes to a sense of place, with buildings of Officer's Row facing the river, buildings of NCO Row facing Jefferson Avenue, and buildings clustered around the star fort facing inwards towards the fort. Buildings of the Army Corps of Engineers boat yard feature no cohesive orientation.

(21) *Symmetric or Asymmetric Appearance.* Buildings in the district are highly symmetrical, although utility and storage buildings may display a slight degree of asymmetry due to the placement of openings. The symmetrical nature of resources throughout the district, and especially within the star fort, should be retained. The overall landscape plan is asymmetrical, with buildings and structures arranged in groupings by function.

(22) *General Environmental Character.* Fort Wayne is a 96-acre district of structures various scales and functions which, due to orientation, design, and historic use, exist visually as a cohesive unit. Although some buildings on the Parade Ground were demolished in the 1970s, buildings known as Officer's Row and NCO Row form an intact streetscape. Generally, infill construction would be inappropriate, as open spaces, landscaping, and roadways are significant to the history of Fort Wayne and sense of place in the district. Visually, Fort Wayne is distinct from its surroundings, which consist of the Detroit River and adjacent industrial areas.

Section 2. All ordinances or parts of ordinances, or resolutions or parts of resolutions, in conflict with this ordinance are repealed.

Section 3. This ordinance is declared necessary for the preservation of the public peace, health, safety, and welfare of the People of the City of Detroit.

Section 4. If the event this ordinance is passed by two-thirds (2/3) majority of City Council Members serving, it shall be given immediate effect and shall become effective upon publication in accordance with Section 4-118 of the 2012 Detroit City Charter. Where this ordinance is passed by less than a two-thirds (2/3) majority of City Council Members serving, it shall become effective on the thirtieth (30) day after enactment, or on the first business day thereafter, in accordance with Section 4-118 of the 2012 Detroit City Charter.

Honorable City Council:

Re: Sale to Philomena Realty, Corp. of Surplus Property at 12934/13004/13018/ 13124 Grand River, Detroit, MI 48227.

The City of Detroit Planning and Development Department ("P&DD") has received from Philomena Realty Corp., a New York Corporation, whose address is 525 E 72nd St., Ste. 20A, New York, NY 10021 ("Offeror"), an offer to purchase from the City of Detroit the real property described on the attached Exhibit A and more commonly known as 12934/13004/13018/13124 Grand River, Detroit, MI 48227 (the "Property").

The P&DD entered into a Purchase Agreement dated March 16, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by quit claim deed (the "Deed") for Eighteen Thousand Thirty-Six and 00/100 Dollars (\$18,036.00) (the "Purchase Price"), subject to the approved transaction costs and transaction fee.

The Property is presently zoned B4 / General Business District according to the City of Detroit zoning ordinance. As per section 61-9-82 (26) of the City of Detroit zoning ordinance, the Offeror's intended use of the Property for ancillary parking and expansion space for Offeror's fleet vehicle repair and maintenance facility at 13055 Grand River is not a permitted use under the zoning ordinance without the necessity of a rezoning, special exception, use permit, variance, or other approval. The Offeror shall apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of this sale.

This request is hereby made that your Honorable Body adopt the attached resolution to approve the sale of the Property in accordance herewith and to authorize the Director of P&DD to execute a deed

and such other documents as may be necessary or convenient to effect the transfer of the Property by the City to the Offeror.

Respectfully submitted,
MAURICE D. COX
Director
Detroit Planning and
Development Department

By Council Member Leland:

Whereas, The City of Detroit Planning and Development Department ("P&DD") has received an offer from Philomena Realty Corp., a New York Corporation, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 12934/13004/13018/13124 Grand River, Detroit, MI 48227, (the "Property") more particularly described in Exhibit A; and

Whereas, P&DD entered into a Purchase Agreement dated March 16, 2016, with the Offeror;

Whereas, In furtherance of the redevelopment of the City it is deemed in the best interests of the City that the Property be sold without further public advertisement or the taking of additional bids; and

Whereas, Offeror intends to use the Property for ancillary parking and expansion space for Offeror's fleet vehicle repair and maintenance facility at 13055 Grand River, which is a conditional/non-conforming use in a B4 / General Business District Zone, as per the City of Detroit zoning ordinance, Section 61-9-82 (26).

Whereas, Offeror intends to use the Property for ancillary parking and expansion space for Offeror's fleet vehicle repair and maintenance facility at 13055 Grand River, which is a conditional/non-conforming use in a B4 / General Business District Zone, as per the City of Detroit zoning ordinance, Section 61-9-82 (26).

Whereas, Offeror intends to apply for and obtain rezoning of the Property or a special or conditional use permit or variance regarding the Property prior to closing and the consummation of the sale.

Now, Therefore, Be It Resolved, That the sale of Property to Offeror, more particularly described in the attached Exhibit A, in furtherance of the redevelopment of the City without further public advertisement or the taking of additional bids, is hereby approved; and be it further

Resolved, That Property may be transferred and conveyed to Offeror, in consideration for its payment of Eighteen Thousand and Thirty-Six and 00/100 Dollars (\$18,036.00); and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee, is authorized to execute a deed and other documents necessary or convenient for the consummation of the transaction approved hereby; and be it further

Resolved, That the Director of the

Planning and Development Department, or his or he designee, is authorized to deliver a deed and other documents necessary or convenient for the consummation of the transaction approved hereby in accordance with the terms hereof, provided that the intended use of the Property for ancillary parking and expansion space for Offeror's fleet vehicle repair and maintenance facility at 13055 Grand River is then a permitted use under the zoning ordinance, without the necessity of a rezoning, special exception, use permit, variance, or other approval; and be it further

Resolved, That transaction costs comprised of customary closing costs up to One Hundred Ten Dollars (\$110.00), and broker commissions of Nine Hundred One and 80/100 Dollars (\$901.80) be paid from the sale proceeds under the City's contract with the Detroit Building Authority; and be it further

Resolved, That a transaction fee of Two Thousand Five Hundred and 00/100 Dollars (\$2,500.00) be paid to the Detroit Building Authority from the sale proceeds pursuant to its contract with the City; and be it further

Resolved, That the Director of the Planning and Development Department, or his or her designee is authorized to execute any required instruments to make and incorporate technical amendments or changes to the Quit Claim Deed (including but not limited to corrections to or confirmations of legal descriptions, or timing of tender of possession of particular parcels) in the event that changes are required to correct minor inaccuracies or are required due to unforeseen circumstances or technical matters that may arise prior to the conveyance of the Property, provided that the changes do not materially alter the substance or terms of the transfer and sale; and be it finally

Resolved, That the Quit Claim Deed will be considered confirmed when executed by the Director of the Planning and Development, or his or her designee and approved by the Corporation Counsel as to form.

Re: Real Property at 8314 Mt. Elliott, Detroit, MI 48211

The City of Detroit Planning and Development Department ("P&DD") has received an offer from Ahmed Abdullah Abuzaid, an individual, ("Offeror") requesting the conveyance by the City of Detroit (the "City") of the real property, having a street address of 8314 Mt. Elliott, Detroit, MI 48211 (the "Property").

The P&DD entered into a Purchase Agreement dated May 4, 2016 with the Offeror. Under the terms of a proposed Purchase Agreement, the Property would be conveyed to the Offeror by Quit Claim Deed (the "Deed") for Two Thousand Eight Hundred Thirty-One and 00/100 Dollars (\$2,831.00) (the "Purchase Price").

Offeror intends to improve the property, a vacant lot, into a parking lot operable motor vehicles for their adjacent auto repair business. The proposed use is a by-right use within the designated B4 / General Business zoning district, as per Section 61-9-76 (22) of the City of Detroit Zoning Ordinance.
