NEW BUSINESS

**City of Detroit
Mayor's Office**

July 23, 2014

Honorable City Council:

Re: Petition to Detroit City Council regarding obtaining grant funding for the Returning Manufacturing/Mt. Elliott Employment District Project, Detroit, Michigan.

The staff of the Mayor's Office and the Detroit Economic Growth Association (DEGA), would like to pursue a project called the Returning Manufacturing/ Mount Elliott Employment District Project (the "Project"). The Project will develop a comprehensive strategy for revitalizing the Mt. Elliott Employment District as the center for a rejuvenated manufacturing cluster for Detroit. The Mt. Elliott Employment District (Exhibit A) runs from

I-94 generally along Van Dyke (M-53) and Mt. Elliott Roads north to the city limits at Eight Mile, lies in the heart of the region's automotive manufacturing corridor, and its potential is bolstered by its proximity to major infrastructure assets such as Coleman A. Young Airport, freight rail and rail yards, and direct access to I-94. The Mt. Elliott Employment District is particularly strong in the automotive, metals, and transportation, distribution and logistics clusters with significant employers like GM Detroit Hamtramck Assembly Plant, Detroit Chassis, and Chrysler Tool & Die, and according to the Detroit Future City strategic framework, is the single largest industrial corridor in the city by employment — and the third largest industrial or non-industrial employment district in Detroit — with an estimated 15,000 employees within its boundaries as of 2010.

In order to capitalize on these opportunities, the City and the DEGA would like to undertake a comprehensive action strategy that prioritizes (1) infrastructure improvements, (2) land assembly and site development opportunities, (3) transportation and other amenities needed to attract workforce, (4) marketing, and (5) the maintenance and upkeep of the district at-large over time. The City and the DEGA have been in discussions with the U.S. Department of Commerce Economic Development Administration (EDA) about the project, its goals and objectives and the budgetary needs to undertake the Project. The EDA has identified a grant opportunity through its Economic Assistance Program, and has recently encouraged the City and DEGA to apply as co-applicants. The City and DEGA have undertaken the application process. As part of the application process, the EDA requires the City of Detroit formally acknowledge the DEGA as lead applicant to the EDA in order to obtain grant funding from its grant program.

In order to meet the local match requirements for the Economic Assistance Program, the DEGA has committed to the City of Detroit that as its partner, it will contribute One Hundred Twenty Five Thousand and 00/100 (\$125,000.00) Dollars in in-kind contributions and cash towards the EDA's 20% local match requirement, and the City of Detroit Airport Department has agreed to contribute Twenty Five Thousand and 00/100 (\$25,000.00) Dollars towards the 20% local match requirement, in order to attract the remaining 80% federal share or Six Hundred Thousand and 00/100 (\$600,000.00) Dollars in grants from the EDA.

The Mayor's Office respectfully requests referral of this petition to the Planning and Economic Development Standing Committee and adoption of

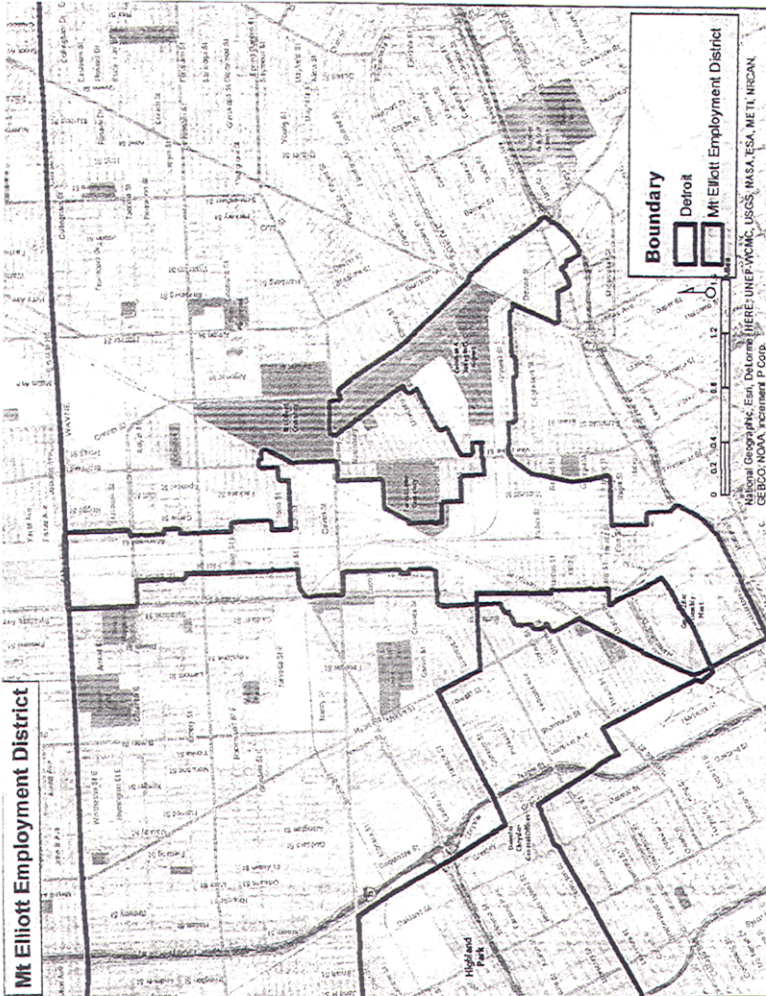

the attached resolution (Exhibit B) that acknowledges the roles and the partnership between the City of Detroit and the DEGA to pursue funding from the EDA.

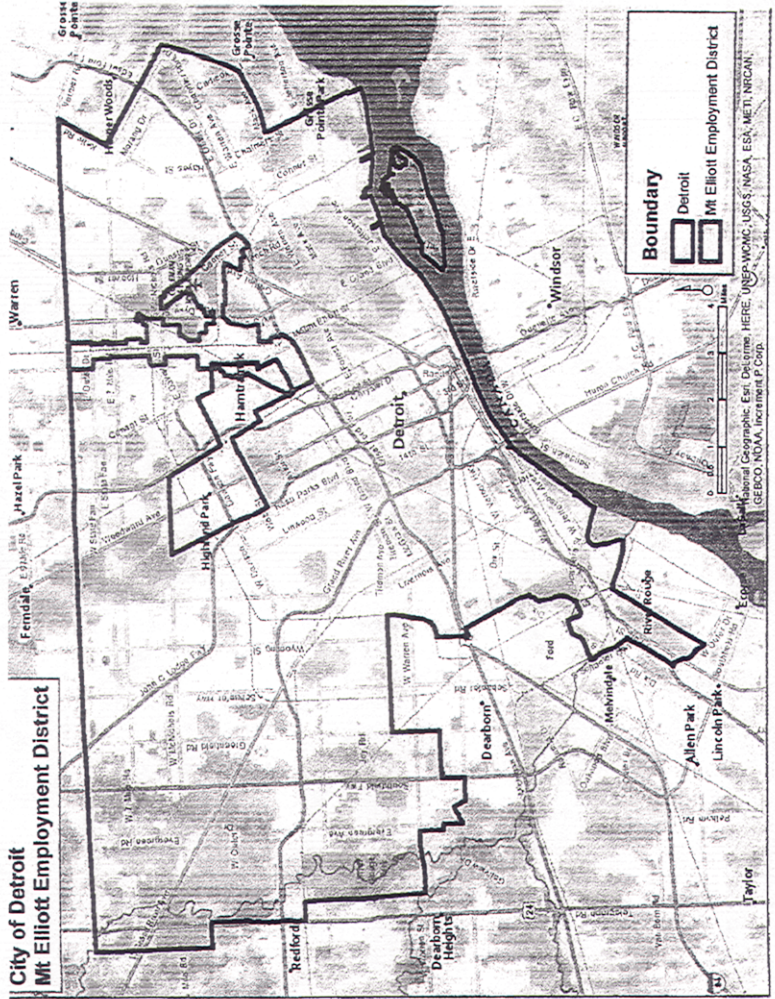

If you have any questions, please contact me at (313) 224-3400; lewandt@detroit-

CITY COUNCIL RESOLUTION**

**APPROVING PARTNERSHIP BETWEEN

DETROIT ECONOMIC GROWTH
ASSOCIATION TO PURSUE FUNDING
FROM THE U.S. DEPARTMENT OF
COMMERCE ECONOMIC
DEVELOPMENT ADMINISTRATION**

By Council Member Leland:

Whereas, Detroit's many problems related to land use, neighborhood stability, high unemployment, and weak fiscal forecasts can be traced back to the severe and persistent historical decline in its employment and tax base; and

Whereas, Growing the number and strength of businesses, as well as their

employment levels, is a critical element of Detroit's future success and stability; and

Whereas, The 2012 Detroit Future City (DFC) strategic framework lays out economic growth strategies that are integrated with other aspects of strategic action, and recommends focusing on efforts that create competitive employment districts, grow specific clusters for which Detroit is rich in existing assets, cultivate talent pipelines amongst Detroiters, and leverage entrepreneurial opportunities; and

Whereas, The City of Detroit and the Detroit Economic Growth Association, would like to pursue a project that will maximize the intersection of these sets of strategies, which is The Returning Manufacturing/Mount Elliott Employment District Project (the "Project"); and

Whereas, The Project will develop a

comprehensive strategy for revitalizing the Mt. Elliott Employment District as the center for a rejuvenated manufacturing cluster for Detroit; and

Whereas, The Mt. Elliott Employment District (Attachment 1 to this Resolution) runs from I-94 generally along Van Dyke (M-53) and Mt. Elliott Roads north to the city limits to Eight Mile, lies in the heart of the region's automotive manufacturing corridor, and its potential is bolstered by its proximity to major infrastructure assets such as Coleman A. Young Airport, freight rail and rail yards, and direct access to I-94; and

Whereas, In order to capitalize on these opportunities, the City and the DEGA must undertake a comprehensive action strategy that prioritizes (1) infrastructure improvements, (2) land assembly and site development, (3) transportation and other amenities needed to attract workforce, (4) marketing, and (5) sustainability; and

Whereas, The City of Detroit Mayors Office recognizes the role of the DEGA as its partner and recognizes its importance to the success of the Project, and desires to have the Detroit City Council formally acknowledge the DEGA as lead applicant to the U.S. Department of Commerce Economic Development Administration (EDA) in order to obtain grant funding from its Economic Adjustment Assistance Program, acting in cooperation with City of Detroit officials; and

Whereas, The DEGA has committed to the City of Detroit that as its partner, it will contribute One Hundred Twenty Five Thousand and 00/100 (\$125,000.00) Dollars in in-kind contributions and cash towards the 20% local match requirement, and the City of Detroit Airport Department has agreed to contribute Twenty Five Thousand and 00/100 (\$25,000.00) Dollars towards the 20% local match requirement, in order to attract the remaining 80% federal share or Six Hundred Thousand and 00/100 (\$600,000.00) Dollars in grants from the EDA.

Now, Therefore, Be It Resolved by the City Council of the City of Detroit, as Follows:

1. The City of Detroit does hereby acknowledge its role as co-applicant and the role of the DEGA as its partner,

and lead applicant to the U.S. Department of Commerce Economic Development Administration in order to obtain grant funding from its Economic Adjustment Assistance Program to support the project, that DEGA will provide One Hundred Thousand and 00/100 (\$100,000.00) Dollars in in-kind contributions and Twenty Five Thousand and 00/100 (\$25,000.00) dollars cash towards the 20% local match requirement, and the City of Detroit Airport Department has agreed to contribute Twenty Five Thousand and 00/100 (\$25,000.00) Dollars towards the 20% local match requirement, in order to attract the remaining 80% federal share or Six Hundred Thousand and 00/100 (\$600,000.00) Dollars in grants from the EDA.

2. The City of Detroit authorizes the Mayor to serve as the Authorized Representative for the City of Detroit for the purpose of signing and executing all related documents and agreements pertaining to the grant award from the EDA.

3. The City Clerk is hereby directed to provide five (5) certified copies of this Resolution to the Secretary of the EDC Board.

4. All resolutions and parts thereof insofar as they conflict with the provisions of this Resolution are hereby repealed, but only to the extent of such conflict.

Honorable City Council:

Re: Lease of 9200 Olivet, Detroit, MI from the School District of the City of Detroit.

The Recreation Department (“Recreation”) is hereby requesting authorization of your Honorable Body to lease the property at 9200 Olivet, Detroit, MI (“Property”) from the School district of the City of Detroit (“District”) for a period of

twenty five (25) years to develop and utilize as a public playfield.

The 2.2 acre property is the site of the former Higgins Elementary School, which consists of three buildings totaling roughly 52,000 square feet. The District has closed the elementary school and the building has sat vacant for quite some time in an otherwise vibrant southwest Detroit Springwells neighborhood.

This blighted Property makes for an ideal playfield in the southwest Detroit community and for several years now the General Services Department (“GSD”) has sought funding to tear down the structures and develop the Property as a public playfield. With the assistance of NSP3 funds through the Planning and Development Department, demolition of the property’s blighted structures can take

place. GSD has earmarked funding for construction of a new soccer field and other playfield improvements to take place upon approval of the lease. The demolition work and playfield improvements would be made in lieu of paying rent to DPS on the Property.

We respectfully request your approval and grant of authority to Recreation to enter into and execute a twenty five (25) year lease pursuant to the above referenced terms and for the benefit of the City of Detroit by adopting the attached resolution with a Waiver of Reconsideration.

Respectfully submitted,
ALICIA C. MINTER
Director

**RESOLUTION TO RECONVENE THE
VEHICLE FOR HIRE COMMISSION**

By COUNCIL MEMBER CASTANEDA-LOPEZ, Joined By COUNCIL MEMBER CUSHINGBERRY, JR.:

WHEREAS, Section 9-301 of the 1974 Detroit City Charter created the Vehicle for Hire Commission, which was codified as section 58-2-5 of the City Code and consists of nine members including four appointed by the Mayor, to provide a process by which vehicle for hire rates are established; and

WHEREAS, The City of Detroit has recently seen the development of a new unregulated private car transportation service business model, such as Uber Technologies and Lyft. These services have created financial stress on taxi cabs and also skirts the City's regulatory and licensing scheme which adversely impacts the financial viability of the taxi industry; and

WHEREAS, The Vehicle for Hire Commission has not met to review rates in several years and rates have, therefore, not been raised in 15 years while gas prices have gone up substantially; thus, there is a great need for the Commission to reconvene for the purpose of reviewing the current vehicle for hire rates. NOW THEREFORE BE IT

RESOLVED, That The Detroit City Council hereby requests that the Mayor appoint the following representatives to the Vehicle for Hire Commission: taxicab and luxury sedan owners, limousine owners, commuter van owners, and a representative of the public; and BE IT FURTHER

RESOLVED, That the Detroit City Council requests that the Auditor General, under the authority of City Code section 58-2-6, reconvene the Vehicle for Hire Commission.

Yeas — Council Members Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Spivey, Tate, and President Jones — 7.

Nays — None.

RESOLUTION IN SUPPORT OF WAYNE COUNTY EDUCATION ENHANCEMENT MILLAGE

By COUNCIL MEMBER CASTANEDA-LOPEZ:

WHEREAS, Detroit voters are being asked on the August 5, 2014 primary election ballot to approve a countywide two-mill, six year education enhancement millage; and

WHEREAS, The current per-pupil foundation grant allocated to each Wayne County school district has been greatly reduced over the past several years in every district, and despite substantial reductions in expenditures, schools continue to struggle to balance budgets without cutting programs essential to prepare graduates for college or career; and

WHEREAS, The future of Southeast Michigan depends on high quality schools, enabled by the ability to attract and retain the best teachers to lead every classroom, the provision of exceptional, well-rounded educational and enrichment experiences for every student, as well as safe and secure environments in school and in transit to and from school; and

WHEREAS, As indicated by Detroit Public Schools administration, a countywide education enhancement millage, if approved by the voters, will be distributed on a per pupil basis to each public school district (not including charter, private, or Education Achievement Authority schools) in Wayne County. Based on current pupil populations, the proposed millage would result in an additional \$18.5

million to support the Detroit Public Schools. NOW THEREFORE BE IT

RESOLVED, That The Detroit City Council supports and endorses the passage of the Wayne County Education Enhancement Millage to assist our professional educators in providing exceptional educational services to the students of the Detroit Public Schools and all public school students in Wayne County, regardless of economic condition; and BE IT FINALLY

RESOLVED, That this resolution be forwarded to Mayor Mike Duggan, Detroit Emergency Manager Kevyn Orr, Wayne County Executive Robert Ficano, Members of the Wayne County Commission, Members of the Detroit Board of Education, and Detroit Public Schools Emergency Manager Jack Martin, and the municipalities of Wayne County.

Adopted as follows:

Yeas — Council Members Castaneda-Lopez, Cushingberry, Jr., Jenkins, Leland, Spivey, Tate, and President Jones — 7.

Nays — None.

The subject properties have been confirmed as being within the boundaries of the NEZ and should be eligible for NEZ certificates under State Act 147 of 1992 as currently written. The specific properties to receive certificates are 2654 Woodward, 2656 Woodward, 2660 Woodward, 2662 Woodward, 2664 Woodward and 2666 Woodward. The NEZ certificate applications appear to have

been submitted prior to the issuance of any applicable building permits.

Please contact our office should you have any questions.

Respectfully submitted,

City Planning Commission

July 16, 2014

Honorable City Council:

Re: Proposed 2014 Zoning Ordinance Text Amendment.

TEXT AMENDMENTS

Text amendments to the Zoning Ordinance are considered and processed pursuant to Article III, Division of the Detroit Zoning Ordinance. From time to time as directives, initiatives, opportunities and needs arise as well as the result of regular maintenance, staff to City Planning Commission (CPC) will prepare amendments to the text of the Zoning Ordinance. Below you find the Proposed 2014 Zoning Ordinance Text Amendment.

Initially 17 items were prepared and

presented to the Commission following discussions with staff from the Planning and Development Department (P&DD), the Building Safety Engineering and Environmental Department (BSEED), the Board of Zoning Appeals (BZA) and the Law Department. Following the Commission's public hearing and deliberations it determined to advance 13 of those items for City Council's consideration plus three additional items that were added at the time of the public hearing.

SCOPE OF THE 2014 TEXT AMENDMENT

This amendment revises regulations and procedures relative to 1 issues, labeled A through Q, and described below. The proposed 2014 Zoning Ordinance Text amendment is an assortment of provisions — some substantive and significant land use regulations; some substantive, procedural provisions; and some non-substantive or "housekeeping" provisions. Several are related to actions by the state legislature or votes of the people. Numerous are proposed by the Law Department or Buildings, Safety Engineering and Environmental Department or City Planning Commission staff. The draft ordinance (to be provided by email) shows the corresponding letter label in a box in the right hand margin.

A — 2012 Charter

The Zoning Ordinance currently makes reference to the "1997 Charter" in seventeen (17) different sections. The 1997 Charter was replaced by a vote of the people in 2012. All references to 1997 are corrected to specify "2012 Charter." (Secs. 61-2-12, 61-2-21, 61-3-7, 61-3-12, 61-3-20, 61-3-21, 61-3-23, 61-3-24, 61-3-54, 61-3-58, 61-3-75, 61-3-172, 61-11-361, 61-11-372, 61-11-373, 61-12-85, 61-15-55)

B — Michigan Zoning Enabling Act

Earlier this year, the Law Department alerted City Planning Commission staff of numerous new statutes passed by the legislature and approved by the governor, including a revision to the Michigan Zoning Enabling Act. The state has empowered its municipalities to decline to process applications for various zoning authorizations in cases where the applicant is delinquent in paying fines assessed for blight violations. This new authority is recited in twelve (12) appropriate sections. (Secs. 61-3-5, 61-3-73, 61-3-94, 61-3-122, 61-3-212, 61-3-261, 61-3-301, 61-4-85, 61-4-89, 61-4-104, 61-5-32, 61-15-7)

C — Crematories

In recent years, permit applicants have noted that crematories are prohibited except where they are accessory to cemeteries. Cemeteries are only permitted on land zoned R1, R2, and R3. CPC staff understands that current technology is such that crematories can operate with-

out off-site impacts. Many more people are opting for cremation for cultural, religious, and economic reasons. In fourteen (14) sections throughout the Zoning Ordinance, wherever the land use, "Mortuary or Funeral home" is mentioned, it is amended to read: "Mortuary or funeral home, including those containing a crematory." Crematories would now be allowed as accessory uses to both cemeteries and mortuaries/funeral homes; however, they would remain prohibited as stand-alone, principal uses of the land. (Secs. 61-9-42, 61-9-62, 61-9-76, 61-9-96, 61-9-116, 61-10-16, 61-10-36, 61-10-56, 61-10-76, 61-11-106, 61-12-51, 61-12-175, Appendix A, Divisions 3 and 13)

D — Signs

As a First Amendment-sensitive use, signs enjoy constitutional protection that most other land uses lack. As such, court rulings have clarified that a clear "statement of purpose" is needed where a municipality places limitations on signage. In Detroit, signs are regulated in two different chapters of the City Code — Chapter 3, Advertising and Signs and Chapter 61, Zoning. This amendment recites in both chapters the city's longstanding public safety and environmental aesthetics rationale for reasonable regulation.

Additionally, sign ordinance enforcement has become more complicated with the widespread use of digital signage for on-premises business signs. The Chapter 3 provision for sign operation presently specifies that at least 75% of the area of a business sign must speak to the principal business on the premises; this means that 25% of the area of the business sign could display incidental information such as the specific items that might be on sale at a grocery store. The proposed amendment would allow an electronic message board to display such incidental or product-specific information as much as 25% of the time in a ten minute period, as long as for 75% of the time in that ten minute period the sign's display related to the principal business on the premises. Seven (7) sections are amended to reflect these changes. (Secs. 3-7-1, 3-7-2, 3-7-3, 61-6-1, 61-6-7, 61-6-14, 61-16-173)

E — Delegation of Authority to CPC staff

CPC Bylaws (Section 7.5) identifies eleven matters where the Commission has delegated staff to take action on its behalf. However, the Law Department brought to CC staff's attention that the longstanding practice of CPC staff signing off on minor modifications of plans approved by the Planning Commission, such as for Planned Developments (PDs), was not explicitly authorized in the Zoning Ordinance. The proposed amendment expands the wording in seven (7) sections to authorize action by CPC staff where it

would be consistent with the Commission's bylaws. (Secs. 61-2-11, 61-3-97, 61-3-121, 61-3-141, 61-3-142, 61-11-242, 61-11-276)

F — Bars, Brewpubs, Microbreweries and Small Distilleries

Stadiums, theaters, and restaurants have been significant in enhancing the city as a destination for residents and visitors. Many of the city's new restaurants have pointed out the difficulty of obtaining approval because of the inclusion of bars ("consumption on the premises") in the list of Regulated Uses. The Zoning Ordinance prescribed that not more than two Regulated Uses be concentrated within a 1,000-foot radius. Regulated Uses include brewpubs/microbreweries/small distilleries, cabarets, public dance halls, bars, hotels, public lodging houses, motels, pawnshops, plasma donation centers, and secondhand stores/secondhand jewelry stores. A concentration of these uses in a given area was viewed as fostering a "skid row" atmosphere on a commercial strip.

Standard, sit-down restaurants have generally not proven to be deleterious, but are often the engine of revival for an area. The proposed amendment would keep bars, brewpubs, microbreweries, and small distilleries on the list of Regulated Uses, but only where they do not operate in conjunction with a standard restaurant. Bars, brewpubs, microbreweries, and small distilleries that operate in conjunction with a standard restaurant would no longer be a Regulated Use and would not be subject to the over-concentration provisions and would not have to go to the Board of Zoning Appeals to seek a waiver of the spacing provisions. Twenty-nine (29) sections of the ordinance are amended to reflect this change. (Secs. 61-3-253, 61-9-56, 61-9-62, 61-9-76, 61-9-82, 61-9-96, 61-9-102, 61-9-116, 61-9-122, 61-10-16, 61-10-22, 61-10-36, 61-10-42, 61-10-56, 61-10-62, 61-10-76, 61-10-82, 61-11-86, 61-11-92, 61-11-106, 61-11-112, 61-11-166, 61-11-172, 61-11-222, 61-11-228, 61-12-43, 61-12-94, 61-12-158, 61-16-162)

G — Hotels

One of several items communicated to the CPC staff by a former director of the Buildings, Safety Engineering and Environmental Department (BSEED), was the fact that "hotels," as distinct from "motels," are a desirable use for the city and should be removed from the list of Regulated Uses. Staff notes that hotel development has mainly occurred downtown and has been significant in attracting additional convention business to the city. The proposed amendment is reflected in three (3) sections. (Secs. 61-3-253, 61-12-46, 61-12-94)

H — Carry-out/Fast-food Restaurants

BSEED staff has noted that carry-out/

fast-food restaurants without drive-up or drive-through facilities come up regularly in special land use hearings but that the public typically doesn't appear to testify. Generally, where a conditional land use is never denied, it merits consideration as a by-right use. Although, such restaurants raise some concerns over littering and loitering, staff notes that these are enforcement issues better addressed by management and the police. Eight (8) sections are revised to reflect that allowance of carry-out/fast-food restaurants without drive-up or drive-through facilities as a by-right use in the B2, B3, and B4 Districts where they are currently conditional uses. Such restaurants in gas stations, however, would remain a conditional use. (Secs. 61-9-36, 61-9-42, 61-9-56, 61-9-76, 61-9-82, 61-10-16, 61-12-228, 61-12-401)

I — Urban agriculture

After adoption of the "Urban Ag" provisions last year in Ord. No. 10-13, growers noted that existing setback provisions would leave little usable land on a typical, small lot for a green house or hoop house. The proposed ordinance amends eleven (11) sections to reduce the rear setback requirement from 30 feet to 5 feet — the same setback as applies for crop areas. (Secs. 61-3-121, 61-3-141, 61-13-2, 61-13-3, 61-13-4, 61-13-5, 61-13-6, 61-13-7, 61-13-22, 61-13-69, 61-13-71)

J — Residential parking lots

The Zoning Ordinance currently permits small parking lots on land zoned R1, R2, or R3 but only where it would provide surplus or overflow parking to a principal use; it expressly prevents BSEED from consideration requests from a principal use to provide its required off-street parking on nearby residential lots. The rationale for this longstanding limitation is not at all clear and seems contrary to common sense. One (1) section is amended to allow BSEED to conduct special land use hearings for small accessory parking lots in R1, R2, and R3 regardless of the parking lot's purpose, be it for required or overflow parking. (Sec. 61-12-219)

K — Secondhand stores/Secondhand jewelry stores

Another of the items recommend by BSEED is removal of "Secondhand Stores/Secondhand Jewelry Stores" from the list of Regulated Uses where they are on land zoned M1, M2, M3, or M4. Elsewhere, they would remain a Regulated Use, subject to the over-concentration rule and spacing provisions. This change is reflected in fourteen (14) sections. (Secs. 61-3-253, 61-10-16, 61-10-22, 61-10-36, 61-10-42, 61-10-56, 61-10-62, 61-10-76, 61-10-82, 61-11-86, 61-11-92, 61-11-106, 61-11-112, 61-12-43)

L — Tattoo and/or Piercing Parlors

Also on BSEED's list of uses whose permissibility merited reconsideration are

Tattoo and/or Piercing Parlors. Currently, a special land use hearing is required in a B4 District. Public apathy over the use at BSEED hearings prompts the proposed change in three (3) sections to make them a by-right use in B4. (Secs. 61-9-76, 61-9-82, 61-12-51)

M — Convalescent, Nursing, or Rest Home

BSEED has suggested that, rather than a conditional use, Convalescent, Nursing, or Rest Homes should be a by-right use in the R4 District, just as it is in the other higher intensity residential districts. Three (3) sections are amended to reflect this change. (Sec. 61-8-74, 61-8-80, 61-12-11)

N — Indoor commercial recreation/health clubs

BSEED has noted the public's increased interest in health and fitness — yoga studios, health clubs, boxing. The B2 District requires a special land use hearing. As a way to encourage such businesses, three (3) sections are proposed to be changed to allow them on a by-right basis on land zoned B2. (Secs. 61-9-36, 61-9-42, 61-12-47)

O — Lawn Parking

Council Member James Tate has noted to CPC staff the difficulty for the Detroit Police Department (DPD) to enforce the existing Zoning prohibition of parking cars on residential lawns. The numerous parking provisions of Chapter 55 of the City Code, Traffic and Motor Vehicles, are routinely enforced by DPD. Since an existing section, Sec. 55-6-17, already deals with "parking on private property," that section is expanded to echo the provisions in Chapter 61, Zoning, prohibiting Zoning, prohibiting parking on a single- or two-family dwelling's lawns or other unpaved areas. Importantly, it expresses the presumption that the vehicle owner is responsible for the violation, whereas a zoning violation is typically written against the land owner. Three (3) sections in two different chapters are proposed to be amended. (Secs. 55-6-17, 61-8-26, 61-14-176)

P — B&E

In every instance where a section that is already being revised refers to the "Buildings and Safety Engineering Department," it is corrected to read, "Buildings, Safety Engineering and Environmental Department. This correction is made ten (10) times in two different chapters. (Secs. 3-7-3, 61-2-21, 61-3-7, 61-3-73, 61-3-172, 61-3-212, 61-3-301, 61-5-32, 61-11-242, 61-12-85)

Q — Scrivener's error

The SD1/SD2 ordinance, recently approved by the CPC, contained a scrivener's error in one (1) section, which is corrected. (Sec. 61-11-186)

R — Educational institutions

The Law Department to clarify the per-

missibility of “educational institutions” on land zoned PC and PCA. (1) section, which is corrected. (*Sec. 61-12-134*)

S — SD1/SD2 addition

Per CPC staff observation, funeral homes were omitted from the list of permitted uses on land zoned SD2 in the recently approved SD1/SD2 text amendment. (*Sec. 61-11-186*)

T — Banquet hall

Per the re-codification of the 1984 Detroit City Code (Clerk’s office), define the term “banquet hall” consistent with the definition to be included with the forthcoming licensing provisions for banquet halls (BSEED, Business License Center) and expand the land use label, “rental hall,” to specify “rental hall or banquet hall.” (*Secs. 61-16-33, 61-16-41, and 61-16-212 and expand the use lists in Secs. 61-9-82(37), 61-9-96(35), 61-9-116(38), 61-10-16(40), 61-10-37(41), 61-10-56(41), 61-10-76(41), 61-11-92(13), 61-11-106(40), 61-12-42, 61-12-85, 61-12-91, 61-12-224, 61-12-227.*)

RESULTS OF THE PUBLIC HEARING

On May 22, 2014 the Commission held a public hearing on the proposed amendment. There was little discussion or concern voiced over the provisions of a procedural nature or that were non-substantive. Both provisions that would enhance the City’s ability to enforce existing law were heartily endorsed by the public, especially the provision that would facilitate Detroit Police enforcement of the “lawn parking” prohibition.

Greater discussion ensued on those items where the permissibility of a specific land use was proposed to be changed from conditional — where a public hearing at the Buildings, Safety Engineering and Environmental Department (BSEED) is required — to by right, where a land use is legislatively pre-determined to be appropriate for a given zoning district classification. Proposed changes to the Regulated Use list prompted much discussion.

Compelling testimony from the public with regard to tattoo parlors and carry-out/fast-food restaurants (without drive-up or drive-through facilities) prompting the Commission to consider removal of these provisions from the draft ordinance and to defer them for further consideration at a later date when more empirical evidence is available to support the appropriateness of those uses being permitted city-wide on a by-right basis.

ANALYSIS

Strong statements were made for and against removing bars, brewpubs, micro-breweries and small distilleries from the list of Regulated Uses if they operate in conjunction with a standard restaurant. Staff notes that establishment of a “standard restaurant” typically signifies a considerable investment in a business — a

wait-staff is required to provide table service; unlike fast-food restaurants, food is not presented in disposable containers.

Throughout the Zoning Ordinance, standard restaurants (without drive-up/drive-through facilities) are largely permitted on a by-right basis. Much of the commercial revitalization of Downtown and Midtown and their nearby neighborhoods has been driven by standard restaurants. A seemingly universal complaint of restaurateurs has been over the difficulty in obtaining city approval for the “bar” portion of their standard restaurant, since “consumption on the premises” places any restaurant into the category of a Regulated Use.

Staff indicated that the Regulated Use category is a valid one — that too many bars, secondhand stores, pawnshops, motels, plasma donation centers, public lodging houses, and dance halls in a given area (1,000 foot radius) can have a deleterious effect on a commercial strip and the adjacent residential neighborhood. However, observation of recently established bars that operate in conjunction with standard restaurants supports the conclusion that these are not the kinds of uses likely to promote a “skid row.” To the contrary, they can give vitality to an area and, when in close proximity to each other, can create or support a viable restaurant or entertainment district.

Removing “bars-with-standard-restaurants” from the list of Regulated Uses would typically spare the developer from having to go through two public hearings — the first at BSEED for the special land use hearing, the second at the Board of Zoning Appeals to waive the over-concentration rule. The time and expense of the hearings are, of course, a cost of doing business; the fact that such bars-with-standard-restaurants are typically approved suggests that the additional procedural burden is misplaced.

It was the position of staff the proposed provision is both business-friendly and supportive of neighborhood vitality: rather than requiring the dispersal of bars-with-standard-restaurants (as mandated by Regulated Use provisions), staff noted that it has been the concentration of these uses along a particular corridor or within a given district that has helped revive a street or a neighborhood. There was much debate among Commissioners over this item and they determined to bring it back at a later date for further discussion.

Indoor commercial recreation was generally supported by the Commission. However, concerns for the size of the given development and spacing from one to another caused the Commission to direct staff to given further thought to those two areas and revise the provision accordingly for future discussion.

CONCLUSION AND RECOMMENDATIONS

The Commission elected to eliminate a couple of proposals (items H and L) and parts of another (Item D) from consideration and retained two others (items F and N) for further review and future consideration by the Commission. The Commission also included items added at the time of the public hearing. Attached is a summary of the items the Commission is recommending for adoption.

ARTICLE VI. SIGNS

DIVISION 1. GENERAL; DEFINITIONS
Sec. 61-6-1. Purpose; Overview.

(a) The sign regulations of this article are intended to balance public and private interests. The purpose of this article is to promote a safe, well-maintained, vibrant and attractive City while accommodating the need for signs to inform, direct, identify, advertise, advocate, promote, endorse and otherwise communicate information. While these regulations allow for a variety of sign types and sizes, they do not necessarily ensure every property owner or business owner's desired level of visibility. It is not the intent or purpose of this Chapter to regulate the message displayed on any sign or the content. The objectives of this article are to:

(1) General: Ensure that signs are located, designed, constructed, installed

and maintained in a way that protects life, health, morals, property and the public welfare;

(2) Public Safety: Protect public safety by prohibiting signs that are structurally unsafe or poorly maintained; that cause unsafe traffic conditions through distraction of motorists, confusion with traffic signs, or hindrance of vision; and that impede safe movement of pedestrians or safe ingress and egress from buildings or sites;

(3) Protect Aesthetic Quality of Neighborhoods: Prevent blight and protect aesthetic qualities by preventing visual clutter and protecting views and preventing intrusion of commercial messages into noncommercial areas;

(4) Free Speech: Ensure that the constitutionally guaranteed right of free speech is protected and to allow signs as a means of communication;

(5) Reduce Conflict: Reduce conflict among signs and light, and between public and private information systems;

(6) Business Identification: Allow for adequate and effective signage for business identification and other commercial speech, non-commercial speech, and dissemination of public information, including but not limited to, public safety information and notification as may be required by law.

(b) Sign controls have been written for each district and placed in this article for ease of use and administration. All signs have been divided into four (4) major categories: advertising; business, including identification and institutional bulletin; directional; and real estate. These are further divided according to structure type, viz., double-face, flashing, illuminated, roof, ground, and wall. As an aid to the user of the Zoning Ordinance, definitions that pertain to signs have been restated in this division. In addition all relevant sign terms are defined in Sec. 61-16-173 of this Code.

On approved driveways as defined in Sec. 61-16-62 of this Code, in only one (1) side yard and the continuation of that side yard into the front yard to the property line. There shall be not more than one (1) driveway per residential dwelling unit, except as provided for in Sec. 61-14-176(5) of this Code; or

On semicircular drives, as specified in Sec. 61-14-176(5) of this Code;

(2) In R1 and R2 Districts, off-street parking on the site of an allowed nonresidential use shall not be allowed within required front or side setbacks;

(3) In R1 and R2 Districts, where dwelling units are built without an attached garage, a solid paved access shall be required from the street or alley to a garage or paved parking area and the solid paved access shall follow the most direct route from the street to any garage or paved parking area on the lot. Where no garage is provided, the paved parking area shall be located completely within the rear yard area and shall have maximum dimensions of twenty (20) feet by thirty (30) feet and shall not cover more than fifty percent (50%) of the rear yard. No parking shall be permitted on lawns or other unpaved areas on residential lots. The required parking area and access shall be paved with an asphaltic or Portland cement binder or solid paver;

(4) In R1 and R2 Districts, where dwelling units are built with an attached garage, a solid paved access shall be provided from the street, or, where applicable, the alley, to the attached garage. The access shall be paved with an asphaltic or Portland cement binder or solid paver;

(5) In R1 and R2 Districts, semicircular drives, or other drives with more than one (1) point of access to a street shall be permitted only on zoning lots having a lot width of at least sixty (60) feet and a front yard having at least two thousand one hundred (2,100) square feet.

(7) Off-street parking on the site of an allowed multiple-family dwelling or non-residential use shall be allowed only in the rear yard or in not more than one (1) of the side yards. (See also Sec. 61-13-15.)

ARTICLE XV. NONCONFORMITIES

DIVISION 1. IN GENERAL

Sec. 61-15-7. Board of Zoning Appeals.

The Board of Zoning Appeals shall have the authority to hold hearings and render decisions with respect to nonconforming uses, buildings, and structures.

Pursuant to MCL 125.3406(2), a person is not eligible to apply for a decision with respect to nonconforming uses, buildings, and structures if the person is delinquent in paying a civil fine, costs, or a justice system assessment imposed by an administrative hearings bureau established pursuant to section 4q of the Home Rule City Act, 1909 PA 279, MCL 117.4q. This ineligibility does not apply to an applicant for a zoning authorization if the applicant became the owner of the property by foreclosure or by taking a deed in lieu of foreclosure as provided in MCL 125.3406(3). Further, this ineligibility does not apply if the zoning authorization will correct, in whole or in part, the blight violation that was the subject of the delinquent payment.

DIVISION 5. PUBLIC ACQUISITION OF NONCONFORMITIES

Sec. 61-15-55. Disposition of property.

Upon the transfer of title of property to the City of Detroit, the City Council shall cause the discontinuance or removal of the nonconformity. Thereafter, the City Council may elect to retain all or part of acquired property for municipal purposes, other than public housing. Where acquisition costs are to be assessed against a special district, the amount to be assessed shall be reduced by the market value of the property which is retained for public use. Thereafter, the City Council shall order such portion of the property not retained for municipal purposes to be sold, or otherwise disposed of, but only for a conforming use, and not public housing. The City Council shall confirm the cost of such project and report any assessable cost to the Board of Assessors, which shall then prepare an assessment roll in the manner provided for in the ~~1997~~ 2012 Detroit City Charter and this Code. At the discretion of the City council, such an assessment may be paid in one or more, but not to exceed ten (10), annual installments.

**Office of the Emergency Manager
Memorandum**

August 11, 2014

To: All City Council Members

Re: Emergency Manager's Order No. 5
Approval of Financial Recovery Bonds (B Notes).

Pursuant to Section 12(1)(u) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 ("Act 436") the Emergency Manager has proposed to seek approval from the Detroit City Council and the State Local Emergency Financial Assistance Loan Board to issue Financial Recovery Bonds, Series 2014B (the "Bonds"), in an aggregate principal amount not to exceed \$632,000,000, in one or more series, pursuant to Section 36a of the Home Rule City Act, Act No. 279, Public Acts of Michigan 1909, as amended, to provide for a portion of the Bankruptcy Plan of Adjustment financing for the City of Detroit (the "Financing").

The proceeds of the Bonds will be used to satisfy certain unsecured claims as provided in the City's Plan of Adjustment. The Bonds will be secured by a pledge of the City's limited tax full faith and credit, and payable as a first budget obligation of the City from its general fund and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property in the City, subject to applicable constitutional, statutory and charter tax rates limitations.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits his Order No. 5 approving the issuance of the Bonds (the "Order") and describing the terms and conditions and parameters for the Financing to the Detroit City Council for consideration. Under Section 19(1) of Act 436, the City Council has 10

days from the date of submission of the Order (*i.e.* August 21, 2014) to approve or disapprove the Financing. If the City Council does not act within this period, the Financing will be considered approved by the City Council and the Emergency Manager may proceed to obtain approval of the Financing from the State Local Emergency Financial Assistance Loan Board. If the City Council disapproves the Financing within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the State Local Emergency Financial Assistance Loan Board within seven (7) days of such disapproval, which such alternative proposal shall "yield substantially the same financial result as the" Financing. Pursuant to Section 19(2) of Act 436, the State Local Emergency Financial Assistance Loan Board would then choose between the City Council's alternative proposal and the Financing.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely,
 KEVYN D. ORR
 Emergency Manager
 City of Detroit

The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Section 302. Designations, Date, Interest, Maturity and Other Terms of the Bonds to Satisfy the Claims. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all

cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

of this Bond at the designated corporate trust office of _____, _____, _____, as registrar, transfer agent and paying agent under the Order (such bank and any successor as paying agent, the "Paying Agent"). Interest on this Bond is payable in like money by check or draft drawn on the Paying Agent and mailed to the Registered Owner entitled thereto, as provided above, by first class mail or, upon the written request of a Registered Owner of at least \$1,000,000 in aggregate principal amount of Bonds (with complete wiring instructions no later than the Regular Record Date for such Interest Payment Date), by wire transfer by the Paying Agent to such Registered Owner, and such request may provide that it will remain in effect with respect to subsequent Interest Payment Dates unless and until changed or revoked at any time prior to a Regular Record Date by subsequent written notice to the Paying Agent. Interest shall be computed on the basis of a 360-day year consisting of twelve 30 day months. For prompt payment of this Bond, both principal and interest, the full faith, credit and resources of the City are hereby irrevocably pledged.

This bond is one of a series of bonds aggregating the principal sum of \$ _____, issued under and in full compliance with the Constitution and statutes of the State of Michigan, and particularly Section 36a of Act No. 279, Public Acts of Michigan, 1909, as amended ("Act 279"), for the purpose of satisfying certain Claims, as defined in the Order. Pursuant to the Order, the bonds of this series (the "Bonds") are limited tax general obligations of the City, and the City is obligated to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The "Order" is an Order of the Emergency Manager issued on _____, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on _____, 2014, authorizing the issuance of the Bonds.

The bonds of this series shall be subject to redemption prior to maturity as follows:

(a) *Optional Redemption.* Bonds or portions of bonds in Authorized Denominations of multiples of \$1,000 or integral multiples of \$1.00 in excess thereof are subject to redemption prior to maturity, at the option of the Issuer, in such order as the Issuer may determine, and by lot within a maturity on any date after the Date of Original Issue, at a redemption price of par plus accrued interest to the date fixed for redemption.

(b) *Mandatory Redemption.* [TO BE DETERMINED]

General Redemption Provisions. In case less than the full amount of an outstanding bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the Resolution upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any person until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, The City of Detroit, by its Emergency Manager, has caused this bond to be signed in the name of the City by the facsimile signatures of its Emergency Manager and Financial Director of the City, and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Ownership interests in Bonds held under such book-entry-only system shall be determined pursuant to the procedures of the Security Depository and Article 8 of the applicable Uniform Commercial Code (such persons having such interests, "Beneficial Owners").

(b) If (i) the City and the Paying Agent receive written notice from the Security Depository to the effect that the Security Depository is unable or unwilling to discharge its responsibilities with respect to the Bonds under the book-entry-only system maintained by it or (ii) the Authorized Officer determines that it is in the best interests of the Beneficial Owners that they be able to obtain Bonds in certificated form, then the City may so notify the Security Depository and the Paying Agent and, in either event, the City and the Paying Agent shall take appropriate steps to provide the Beneficial Owners with Bonds in certificated form to evidence their respective ownership interests in the Bonds. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds

shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

**Office of the Emergency Manager
Memorandum**

August 11, 2014

To: All City Council Members

Re: Emergency Manager’s Order No. 4 Approval of Distributable State Aid Bonds (UTGO).

Pursuant to Section 12(1)(u) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 (“Act 436”) the Emergency Manager has proposed to seek approval from the Detroit City Council and the State Local Emergency Financial Assistance Loan Board to issue Distributable State Aid Fourth Lien Restructured Bonds (Unlimited Tax General Obligation), Series 2014 (the “Bonds”), in an aggregate principal amount not to exceed \$287,560,790, in one or more series, pursuant to the Revised Municipal Finance Act, Act No. 34, Public Acts of Michigan 2001, as amended, to provide for a portion of the Bankruptcy Plan of Adjustment financing related to the settlement of certain unlimited tax general obligation bond claims for the City of Detroit (the “Financing”).

The proceeds of the Bonds will be used to refund a portion of the City’s outstanding unlimited tax general obligation bonds. The Bonds will be secured by money received or to be received by the City derived from the imposition of tax by the State of Michigan and returned or to be returned to the City as provided by law (Distributable State Aid), and in addition, a pledge of the City’s unlimited tax full faith and credit.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits his Order No. 4 approving the issuance of the Bonds (the “Order”) and describing the terms and conditions and parameters for the Financing to the Detroit City Council for consideration. Under Section 19(1) of Act 436, the City Council has 10 days from the date of submission of the Order (i.e. August 21, 2014) to approve or disapprove the Financing. If the City Council

does not act within this period, the Financing will be considered approved by the City Council and the Emergency Manager may proceed to obtain approval of the Financing from the State Local Emergency Financial Assistance Loan Board. If the City Council disapproves the Financing within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the State Local Emergency Financial Assistance Loan Board within seven (7) days of such disapproval, which such alternative proposal shall “yield substantially the same financial result as the” Financing. Pursuant to Section 19(2) of Act 436, the State Local Emergency Financial Assistance Loan Board would then choose between the City Council’s alternative proposal and the Financing.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely,
KEVYN D. ORR
Emergency Manager
City of Detroit

Each series of Municipal Obligations shall be further subdivided into two subseries with one subseries equal to 84.5% of the outstanding principal amount of each maturity of the related series of Prior UTGO Bonds, in Authorized Denominations, and the second subseries equal to 2.4% of the outstanding principal amount of each maturity of the related series of Prior UTGO Bonds, in Authorized Denominations.

(c) The Bonds and the Stub UTGO Bonds shall bear interest from _____, 201____, at the same interest rate per annum as the related Prior UTGO Bonds; be subject to amortization on the same schedule as the related Prior UTGO Bonds; mature on the same dates; and be subject to redemption in the same manner as the related Prior UTGO Bonds. Unless otherwise provided by the Authorized Officer in the Supplemental Order, interest on the Bonds shall be calculated on the basis of a 360 day year consisting of twelve, 30 day months. In the event that a calculation of interest is not an integral multiple of \$0.01, the Paying Agent shall round all amounts less than or equal to \$0.0049 down to the nearest \$0.01 and round all amounts greater than \$0.0049 up to the nearest \$0.01. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(1) Each subseries of Municipal Obligations shall be in the form of a single

fully-registered, nonconvertible bond in the denomination of the full principal amount thereof, dated as of the date of delivery of the Municipal Obligations, payable in principal installments serially shown on Exhibit B and approved by the MFA and the Authorized Officer. The obligation to deliver the Municipal Obligations to the MFA shall be evidenced by execution of a Purchase Contract (the "Purchase Contract") between the City and the MFA providing for the transfer of the Municipal Obligations to the MFA in consideration for the MFA Bonds, and an Authorized Officer is authorized and directed to execute and deliver the Purchase Contract when it is in final form and to make the determinations set forth above. An Authorized Officer is authorized and directed to approve of a series designation with respect to each series of Municipal Obligations.

(2) Each subseries of the Municipal Obligations shall not be convertible or exchangeable into more than one fully-registered bond. Principal of and interest on the Municipal Obligations shall be payable as provided in the Bond form in this Order as the same may be amended to conform to MFA requirements.

(3) The Master Trustee shall record on the registration books payment by the City of each installment of principal or interest or both when made and the cancelled checks or other records evidencing such payments shall be returned to and retained by the City Treasurer.

(4) Upon payment by the City of all outstanding principal of and interest on a Municipal Obligation, the MFA shall deliver the respective Municipal Obligation to the City for cancellation.

(e) Concurrently with the restructuring of a portion of the Prior UTGO Bonds and issuance of the MFA Bonds, the Stub UTGO Bonds, in Authorized Denominations as provided in Section 201(a), will be reinstated and remain Outstanding and will be payable from the UTGO Bond Tax Levy, provided that the Assigned UTGO Bond Tax proceeds as assigned by the Plan of Adjustment shall be paid by the Debt Millage Escrow Trustee to the Plan Assignees and such proceeds shall not be paid to the paying agent for the Stub UTGO Bonds.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Mayor and the Finance Director and authenticated by the manual signature of the Finance Director and the seal of the City (or facsimile thereof) shall be imprinted on the Bonds. After the Bonds have been executed and authenticated for delivery, they shall be delivered by the Finance Direct to the MFA in consideration for the issuance of the MFA bonds.

Section 304. Authentication of the Bonds. Anything in this order to the contrary notwithstanding, the Bonds bearing the manual or facsimile signatures of the Mayor and the Finance Director shall require no further authorization.

Section 305. The MFA's Depository. Notwithstanding any other provision herein to the contrary, as long as the MFA is the owner of the Bonds, the Bonds are payable as to principal, premium, if any, and interest at the corporate trust office of U.S. Bank National Association, Detroit, Michigan, or such other qualified bank or financial institution as shall be designated in writing to the City by the MFA (the "Authority's Depository"). The City will deposit, or cause the Master Trustee, to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on the Bonds in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise. Written notice of any redemption of the Bonds shall be given by the City and received by the MFA's Depository at least 40 days prior to the date on which such redemption is to be made.

Section 306. Mutilated, Destroyed, Stolen or Lost Bonds. Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the City, and the City receives evidence to its satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City such security or indemnity as may be required by it to save the City harmless, then, in the absence of notice to the City that such Bond has been acquired by a bona fide purchaser, the City shall execute and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(b) If any such mutilated, destroyed, lost or stolen Bond has become or is about to become due and payable, the City in its discretion may, instead of issuing a new Bond, pay such Bond.

(c) Any new bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds of like tenor issued under this Order.

Section 307. Form of the Bonds. The Bonds shall be in substantially the following form with such insertions, omissions, substitutions and other variations as shall not be inconsistent with this Order or

required by the Michigan Attorney General and the MFA or permitted by the Supplemental order or as approved by an Authorized Officer and Bond Council:

The City of Detroit, County of Wayne, State of Michigan (the "City"), for value received, hereby promises to pay to the Michigan Finance Authority (the "Authority"), or registered assigns, the Principal Amount shown above, in lawful money of the United States of America, unless prepaid prior thereto as hereinafter provided. Capitalized terms used herein, but not defined herein, shall have the meanings ascribed to them in the Order as hereinafter defined.

The Principal Amount shall be payable on the dates and in the annual principal installment amounts set forth in Schedule A attached hereto and made a part hereof, or if a portion of the Principal Amount is prepaid as provided below, with interest on said principal installments from the [Date of Original Issue] shown above, until paid at the rate [of interest as set forth on the attached schedule] [of _____% per annum]. Interest is first payable on _____ 1, 20____, and semiannually thereafter on the first day of _____ and _____ of each year, as set forth in the Purchase Contract.

Notwithstanding any other provision of this bond, as long as the MFA is the owner of this bond, (a) this bond is payable as to principal, premium, if any, and interest at the corporate trust office of _____, _____, or at such other place as shall be designated in writing to the City by the MFA (the "Authority's Depository"); (b) the city agrees that it will cause the master Trustee to deposit with the MFA's Depository payments of the principal of, premium, if any, and interest on this bond in immediately available funds at least five business days prior to the date on which any such payment is due whether by maturity, redemption or otherwise; and (c) written notice of any redemption of this bond shall be given by

[In the event of a default in the payment of principal or interest hereon when due, whether at maturity, by redemption or otherwise, the amount of such default shall bear interest (the "additional interest") at a rate equal to the rate of interest which is two percent above the MFA's cost of providing funds (as determined by the MFA) to make payment on the bonds of the MFA issued to provide funds to purchase this bond but in no event in excess of the maximum rate of interest permitted by law. The additional interest shall continue to accrue until the MFA has been fully reimbursed for all costs incurred by the MFA (as determined by the MFA) as a consequence of the City's default. Such additional interest shall be payable on the interest payment date following demand of the MFA. In the event that (for reasons other than the default in the payment of any municipal obligation purchased by the MFA) the investment of amounts in the reserve account established by the MFA for the bonds of the MFA issued to provide funds to purchase this bond fails to provide sufficient available funds (together with any other funds which may be made available for such purpose) to pay the interest on outstanding bonds of the MFA issued to fund such account, the City shall and hereby agrees to pay on demand only the City's pro rata share (as determined by the MFA) of such deficiency as additional interest on this bond.]

This bond is a single, fully-registered, non-convertible bond in the principal sum of \$____,000, issued pursuant to and in accordance with Act 34, Public Acts of Michigan, 2001, as amended, and Act 279, Public Acts of Michigan, 1909, as amended, Act 227, Public Acts of Michigan, 1985, as amended ("Act 227") and pursuant to and in accordance with an Order duly adopted by the Emergency Manager of the City on _____, _____ [and a Supplemental Order of the Authorized Officer of the City issued on _____, _____ (together) the "Order"]. The Bonds are issued for the purpose of restructuring certain unlimited tax general obligation bonds of the City as described in the order, pursuant to the City's Plan of Adjustment under the Bankruptcy Case.

[Optional and/or Mandatory Redemption Provisions]

This Bond is payable out of the City's Debt Retirement Fund for this issue (which will be held by the Master Trustee), and the City is obligated to levy annually sufficient taxes to provide for the payment

of the principal of and interest on the bonds of this issue as they mature on all taxable property in the City without limitation as to rate or amount (the revenues of such levy, the "Debt Millage Revenues").

The Bonds shall be payable from and secured, to the extent permitted by applicable law, including without limitation, Section 12(1)(x) of Act 436, by a lien on the Debt Millage Revenues.

The Debt Millage Revenues as pledged by the City to secure payment of the Bonds, shall constitute "special revenues" as defined in Section 902 of the Bankruptcy Code and "pledged special revenues," as the term is used in Section 922(d) of the Bankruptcy Code.

As additional security for the City's obligation to pay the Bonds, pursuant to Act 227 the City has pledged the payments that the City is eligible to receive from the State of Michigan under Act 140, Public Acts of Michigan, 1971, as amended ("Distributable Aid"), and certain monies in the funds and accounts established by the City with U.S. Bank National Association, as master trustee (the "Trustee"), pursuant to the terms and conditions of a Master Debt Retirement Trust Indenture dated as of March 1, 2010, as supplemented, by (i) the First Supplemental Debt Retirement Trust Indenture dated as of March 1, 2010; (ii) the Second Supplemental Debt Retirement Trust Indenture dated as of December 1, 2010; (iii) the Third Supplemental Debt Retirement Trust Indenture dated as of March 1, 2012; (iv) the Fourth Supplemental Debt Retirement Trust Indenture dated as of August 1, 2012; and (v) The Fifth Supplemental Debt Retirement Trust Indenture dated as of _____, 2014, by and between The City and the Master Trustee (collectively, the "Trust Indenture"). The pledge and lien on Distributable Aid securing the Bonds is on a fourth lien basis to a lien on Distributable Aid securing the City's outstanding Prior DSA Bonds. The City has reserved the right to make additional pledges or assignments of Distributable Aid on a prior, parity or subordinate basis with the pledge of Distributable Aid securing the Prior DSA Bonds and the Bonds as security for future bonds or obligations of the City, subject to the requirements for the issuance of additional bonds and obligation as provided in the Trust Indenture.

This Bond is transferable only upon the registration books of the City by the registered owner of record in person, or by the registered owner's attorney duly authorized in writing, upon the surrender of this bond together with a written instrument of transfer satisfactory to the City duly executed by the registered owner or the registered owner's attorney duly authorized in writing, and thereupon a new registered bond or

bonds in the same aggregate principal amount and of the same maturity shall be issued to the transferee in exchange therefor as provided in the resolution authorizing this bond and upon the payment of the charges, if any, therein prescribed.

It is hereby certified and recited that all acts, conditions and things required by law to be done, precedent to and in the issuance of this bond and the series of bonds of which this is one, exist and have been performed in regular and due form and time as required by law, and that the total indebtedness of the City, including this bond and the series of bonds of which this is one, does not exceed any constitutional, statutory or charter debt limitation.

Section 402. Arbitrage Covenant. (a) The City will not directly or indirectly (1) use or permit the use of any proceeds of any Tax-Exempt Bonds or other funds of the City or (2) take or omit to take any action required by Section 148(a) of the Code in order to maintain the exclusion from gross income of the interest on any Tax-Exempt Bonds for federal income tax purposes. (c) Notwithstanding any provision of this Section, if the City obtains an opinion of Bond Counsel to the effect that any action required under this Section is no longer required, or that some further action is required, to maintain the exclusion from gross income of the interest of any Tax-Exempt Bonds for federal income tax purposes pursuant to Section 103 of the Code, the City may conclusively rely on such opinion in complying with the provisions hereof.

- A. Debt Retirement Fund; and
- B. Series 2014 Escrow Fund.

(b) Pursuant to Section 201(b) of the Fifth Supplemental Indenture, the Master Trustee shall establish within the Series 2014 Escrow Fund, the separate and segregated sub-accounts designated the "Distributable Aid Account," the "Series 2014 Tax Levy Account" and the "General Account," the deposits into which and withdrawals from which shall be governed by Article II of the Fifth Supplemental Indenture.

ments and Actions. The Mayor, the Finance Director, the Treasurer and the City Clerk are hereby authorized and directed on behalf of the City to take any and all other actions, perform any and all acts and execute any and all documents that shall be required, necessary or desirable to implement this Order.

The Finance Director is authorized to file applications with and to pay the related fees, if any, to the Michigan Department of Treasury at his discretion under Act 34 for an Order or Orders of Approval to issue all or a portion of the Bonds, and apply for such waivers or other Treasury approvals as necessary to implement the issuance, delivery and security for the Bonds, and as required by the Michigan Department of Treasury and Act 34. The Finance Director is authorized and directed to apply for ratings on the Bonds, if necessary, and pay any post closing filing fees required by Act 34 to the Michigan Department of Treasury or other specified agency, from legally available funds.

Section 902. Continuing Disclosure Undertaking. The City shall enter into a continuing disclosure undertaking pursuant to Rule 15c2-12 promulgated by the Securities and Exchange Commission (the "Rule") for the benefit of the MFA and the holders and beneficial owners of the MFA Bonds in connection with the delivery of the Bonds as to which the Rule is applicable, as more specifically set forth in Exhibit D hereto (the "Undertaking"); provided, however, that the terms of the Undertaking are subject to completion and modification prior to delivery of the Bonds by the Finance Director to such extent as the Finance Director shall deem necessary to comply with law or market requirements. The Finance Director is authorized to execute and deliver the Undertaking after completion and modification as provided in this Order and the Supplemental Order.

Section 903. Delegation of City to, and Authorization of Actions of the Mayor and the Finance Director. (a) Prior to the delivery date for the Bonds, the Finance Director may cause the preparation and approve the form and distribution of City disclosure, if necessary, for any Preliminary Official Statement or Official Statement of the MFA and offering materials to be used in conjunction with the transfer of the Municipal Obligations to the MFA in form and substance reasonably acceptable to the Bond Insurers, and the issuance of the MFA Bonds, and the Mayor or Finance Director shall deem the City's disclosure "final" for purposes of Rule 15c2-12 of the Securities and Exchange Commission.

(b) The Finance Director is hereby authorized and directed to do and perform any and all acts and things with respect to

the Bonds which are necessary and appropriate to carry into effect, consistent with this Order, the authorizations therein and herein contained, including without limitation, the securing of ratings by bond rating agencies, if cost effective the negotiation for and acquisition of bond insurance and/or other credit enhancement, if any, to further secure the Bonds or any portions thereof, the acquisition of an irrevocable surety bond to fulfill the City's obligation to fund any reserve account, the printing of the Bonds and the incurring and paying of reasonable fees, costs and expenses incidental to the foregoing and other costs of issuance of the Bonds including, but not limited to fees and expenses of bond counsel, financial advisors, accountants and others, from Bond proceeds or other available funds, for and on behalf of the City.

(c) Except as otherwise provided herein, all determinations and decisions of the Finance Director with respect to the issuance and sale of the Bonds as permitted or required by this Order shall be confirmed by this Authorized Officer in a Supplemental Order or Supplemental Orders, and such confirmations shall constitute determinations that any conditions precedent to such determinations and decisions of the Authorized Officer have been fulfilled.

Section 904. Act 34 Approval of the Bonds. The Bonds shall neither be issued nor delivered unless and only so long as the issuance of the Bonds as provided herein shall have been authorized and approved in accordance with the applicable provisions of Act 34.

Section 905. Approving Legal Opinions with Respect to the Bonds. Transfer of the Bonds to the MFA shall be conditioned upon receiving, at the time of delivery, the approving opinion of Bond Counsel, approving legality of the Bonds and, with respect to Bonds determined by the Finance Director to be issued on a tax-exempt basis, the exclusion from gross income of the interest paid thereon from federal and State income taxation only.

Section 906. Negotiated Transaction. The reason for choosing a negotiated transaction instead of a competitive sale is that the terms of the Plan of Adjustment and the UTGO Settlement Agreement require the City to secure the payment of the Bonds with Distributable Aid under the terms of Act 227 which may only be accomplished by a delivery of the

Bonds to the MFA. The negotiated transaction will allow the Municipal Obligations to be transferred to the MFA in consideration for the MFA Bonds to successfully implement a portion of the Plan of Adjustment.

(b) Subject to the foregoing, the Purchase Contract shall be dated the date of delivery of the Bonds. The Finance Director is hereby authorized and directed to execute the Purchase Contract for and on behalf of the City.

Section 907. Delivery of Bonds. Subject to the approval of the Supplemental Order, the Finance Director is hereby authorized to deliver the Municipal Obligations to the MFA upon the issuance and delivery of the MFA Bonds in consideration therefor.

Section 908. Official Statement. The Finance Director is hereby authorized to execute the Official Statement or other offering materials with respect to the Bonds in the form approved by him with such changes as the Finance Director may authorize. Circulation of the Preliminary Official Statement, if any, or other preliminary offering materials is hereby approved.

Section 909. Appointment of Bond Counsel; Engagement of Other Parties. The appointment by the Emergency Manager of the law firm of Miller, Canfield, Paddock and Stone, P.L.C. of Detroit, Michigan, as Bond Counsel for the Bonds is hereby ratified and confirmed, notwithstanding the periodic representation by Miller, Canfield, Paddock and Stone, P.L.C., in unrelated matters of other parties and potential parties to the issuance of the Bonds. The fees and expenses of Miller, Canfield, Paddock and Stone, P.L.C. as Bond Counsel and other accumulated bond related fees and expenses shall be payable as a cost of issuance from available funds in accordance with the agreement of such firm on file with the Emergency Manager.

Section 910. Parties in Interest. officer or employee of the City in his or her individual capacity, and no recourse shall be had for the payment of the principal of or interest on the Bonds or for any claim based thereon or on this Order against any councilperson, member, officer or employee of the City or any person executing the Bonds in his or her official individual capacity.

**Office of the Emergency Manager
Memorandum**

August 11, 2014

To: All City Council Members
Re: Emergency Manager's Order No. 6
Approval of Financial Recovery
Bonds (Limited Tax General
Obligation).

Pursuant to Section 12(1)(u) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 ("Act 436") the Emergency Manager has proposed to seek approval from the Detroit City Council and the State Local Emergency Financial Assistance Loan Board to issue Financial Recovery Bonds (Limited Tax General Obligation), Series 2014 (the "Bonds"), in an aggregate principal amount not to exceed \$55,000,000, in one or more series, pursuant to Section 36a of the Home Rule City Act, Act No. 279, Public Acts of Michigan 1909, as amended, to provide for a portion of the Bankruptcy Plan of Adjustment financing for the City of Detroit (the "Financing").

The proceeds of the Bonds will be used to finance the City's settlement of certain claims of the holders and insurer of certain City limited tax general obliga-

tions bonds as provided in the Plan of Adjustment. The Bonds will be secured by a pledge of the City's limited tax full faith and credit, and payable as a first budget obligation of the City from its general fund and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property in the City, subject to applicable constitutional, statutory and charter tax rate limitations.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits his Order No. 6 approving the issuance of the Bonds (the "Order") and describing the terms and conditions and parameters for the Financing to the Detroit City Council for consideration. Under Section 19(1) of Act 436, the City Council has 10 days from the date of submission of the Order (i.e. August 21, 2014) to approve or disapprove the Financing. If the City Council does not act within this period, the Financing will be considered approved by the City Council and the Emergency Manager may proceed to obtain approval of the Financing from the State Local Emergency Financial Assistance Loan Board. If the City Council disapproves the Financing within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the State Local Emergency Financial Assistance Loan Board within 7 days of such disapproval, which such alternative proposal shall "yield substantially the same financial result as the" Financing. Pursuant to Section 19(2) of Act 436, the State Local Emergency Financial Assistance Loan Board would then choose between the City Council's alternative proposal and the Financing.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely,
KEVYN D. ORR
Emergency Manager
City of Detroit

The principal of and interest on the Bonds shall hereby be secured by the limited tax full faith and credit pledge of the City. The City pledges to pay the principal of and interest on the Bonds as a first budget obligation from its general funds and in case of insufficiency thereof, from the proceeds of an annual levy of ad valorem taxes on all taxable property of the City, subject to applicable constitutional, statutory and charter tax rate limitations.

(a) The Bonds shall be designated “FINANCIAL RECOVERY BONDS (LIMITED TAX GENERAL OBLIGATION), SERIES 2014” and may bear such later or earlier dates and additional or alternative designations, series or subseries as the Authorized Officer may determine in the Supplemental Order, shall be issued in fully registered form and shall be consecutively numbered from “R-1” upwards, unless otherwise provided by the Authorized Officer in the Supplemental Order. at the Interest Rate on a taxable or tax exempt basis, payable on the Interest Payment Dates, all as shall be determined and confirmed by the Authorized Officer in the Supplemental Order. The Bonds shall be payable, as to principal and interest, in lawful money of the United States of America.

(e) Interest on Bonds not punctually paid or duly provided for on an Interest Payment Date shall forthwith cease to be payable to the Registered Owners on the Regular Record Date established for such Interest Payment Date, and may be paid to the Registered Owners as of the close of business on a date fixed by the Paying Agent (a "Special Record Date") with respect to the payment of such defaulted interest to be fixed by the Paying Agent, or may be paid at any time in any other lawful manner. The Paying Agent shall give notice to the Registered Owners at least

seven days before any such Special Record Date.

(g) The Bonds shall be subject to redemption prior to maturity or shall not be subject thereto, upon such terms and conditions as shall be determined by the Authorized Officer and confirmed in the Supplemental Order, provided, however, that redemption at the option of the City prior to maturity may occur on any Interest Payment Date for which notice is given as provided herein and such redemption shall be in whole.

In addition, further notice shall be given by the Paying Agent in such manner as may be required or suggested by regulations or market practice at the applicable time, but no defect in such further notice nor any failure to give all or any portion of such further notice shall in any manner defeat the effectiveness of a call for redemption if notice thereof is given as prescribed herein.

Section 303. Execution, Authentication and Delivery of Bonds. The Bonds shall be executed in the name of the City by the manual or facsimile signatures of the Emergency Manager and the Finance Director of the City and authenticated by the manual signature of the Finance Director or an authorized representative of the Paying Agent, as the case may be, and a facsimile of the seal of the City shall be imprinted on the Bonds. Additional Bonds bearing the manual or facsimile signatures of the Emergency Manager or Mayor of the City and the Finance Director, and upon which the facsimile of the seal of the City is imprinted may be delivered to the Paying Agent for authentication and delivery in connection with the exchange or transfer of Bonds. The Paying Agent shall indicate on each Bond the date of its authentication.

Section 304. Authentication of the Bonds. (a) No Bond shall be entitled to

any benefit under this Order or be valid or obligatory for any purpose unless there appears on such Bond a Certificate of Authentication substantially in the form provided for in Section 307 of this Order, executed by the manual or facsimile signature of the Finance Director or by an authorized signatory of the Paying Agent by manual signature, and such certificate upon any Bond shall be conclusive evidence, and the only evidence, that such Bond has been duly authenticated and delivered hereunder.

(b) The Paying Agent shall manually execute the Certificate of Authentication on each Bond upon receipt of a written direction of the Authorized Officer of the City to authenticate such Bond.

Section 305. Transfer of Registration and Exchanges on the Bonds. (a) The registration of each Bond is transferable only upon the Bond Registry by the Registered Owner thereof, or by his attorney duly authorized in writing, upon the presentation and surrender thereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner thereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor.

(b) Each Bond may be exchanged for one or more Bonds in equal aggregate principal amount of like maturity and tenor in one or more authorized denominations, upon the presentation and surrender thereof at the principal corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing.

Section 306. Regulations with Respect to Exchanges and Transfers. (a) In all cases in which the privilege of exchanging Bonds or transferring the registration of Bonds is exercised, the City shall execute and the Paying Agent shall authenticate and deliver Bonds in accordance with the provisions of this Order. All Bonds surrendered in any such exchanges or transfers shall be forthwith canceled by the Paying Agent.

(b) For every exchange or transfer of Bonds, the City or the Paying Agent may make a charge sufficient to reimburse it for any tax, fee or other governmental charge required to be paid with respect to such exchange or transfer and, except as otherwise provided in this Order, may charge a sum sufficient to pay the costs of preparing each new Bond issued upon such exchange or transfer, which shall be

paid by the person requesting such exchange or transfer as a condition precedent to the exercise of the privilege of making such exchange or transfer.

(c) The Paying Agent shall not be required (i) to issue, register the transfer of or exchange any Bond during a period beginning at the opening of business 15 days before the day of the giving of a notice of redemption of Bonds selected for redemption as described in the form of Bonds contained in Section 307 of this Order and ending at the close of business on the day of that giving of notice, or (ii) to register the transfer of or exchange any Bond so selected for redemption in whole or in part, except the unredeemed portion of Bonds being redeemed in part. The City shall give the Paying Agent notice of call for redemption at least 20 days prior to the date notice of redemption is to be given.

to levy annually ad valorem taxes on all taxable property in the Issuer, subject to applicable constitutional, statutory and charter tax rate limitations.

The "Order" is an Order of the Emergency Manager issued on _____, 2014, supplemented by a Supplemental Order of an Authorized Officer of the City issued on _____, 2014, authorizing the issuance of the Bonds.

The Accretion Value of the Bonds to be redeemed on the dates set forth above shall be reduced by the Accretion Value of Term Bonds that has been redeemed (other than by mandatory sinking fund redemption) or otherwise acquired by the City and delivered to the Paying Agent prior to giving the notice of redemption described below. The City may satisfy any mandatory redemption requirement by the purchase and surrender of Term Bonds of the same maturity and interest rate in lieu of calling such Term Bonds for mandatory redemption.

General Redemption Provisions. In case less than the full amount of an out-

standing bond is called for redemption, the Paying Agent, upon presentation of the bond called for redemption, shall register, authenticate and deliver to the registered owner of record a new bond in the principal amount of the portion of the original bond not called for redemption.

Notice of redemption shall be given to the registered owners of Bonds or portions thereof called for redemption by mailing of such notice not less than thirty (30) days but not more than sixty (60) days prior to the date fixed for redemption to the registered address of the registered owner of record. Bonds or portions thereof so called for redemption shall not bear interest after the date fixed for redemption, whether presented for redemption or not, provided funds are on hand with the Paying Agent to redeem such Bonds.

Reference is hereby made to the Order for the provisions with respect to the nature and extent of the security for the Bonds, the manner and enforcement of such security, the rights, duties and obligations of the City, and the rights of the Paying Agent and the Registered Owners of the Bonds. As therein provided, the Order may be amended in certain respects without the consent of the Registered Owners of the Bonds. A copy of the Order is on file and available for inspection at the office of the Finance Director and at the principal corporate trust office of the Paying Agent.

The City and the Paying Agent may treat and consider the person in whose name this Bond is registered on the Bond Registry as the absolute owner hereof, whether this Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal hereof and interest hereon and for all other purposes whatsoever, and all such payments so made to such person or upon his order shall be valid and effectual to satisfy and discharge the liability hereon to the extent of the sum or sums so paid.

The registration of this Bond is transferable only upon the Bond Registry by the Registered Owner hereof or by his attorney duly authorized in writing upon the presentation and surrender hereof at the designated corporate trust office of the Paying Agent together with a written instrument of transfer satisfactory to the Paying Agent, duly executed by the Registered Owner hereof or his attorney duly authorized in writing, and thereupon one or more fully executed and authenticated Bonds in any authorized denominations of like maturity and tenor, in equal aggregate principal amount shall be issued to the transferee in exchange therefor as provided in the order upon the payment of the charges, if any, therein prescribed.

It is hereby certified, recited and declared that all acts, conditions and

things required by law to exist, happen and to be performed, precedent to and in the issuance of the Bonds do exist, have happened and have been performed in due time, form and manner as required by the Constitution and statutes of the State of Michigan, and that the total indebtedness of the City, including the Bonds does not exceed any constitutional, statutory or charter limitation.

This Bond is not valid or obligatory for any purpose until the Paying Agent's Certificate of Authentication on this Bond has been executed by the Paying Agent.

IN WITNESS WHEREOF, The City of Detroit, by its Emergency Manager, has caused this bond to be signed in the name of the City by the facsimile signatures of its Emergency Manager and Financial Director of the City, and a facsimile of its corporate seal to be printed hereon, all as of the Date of Original Issue.

Section 308. Registration. The City and the Paying Agent may treat and consider the Registered Owner of any Bond as the absolute owner of such Bond, whether such Bond shall be overdue or not, for the purpose of receiving payment of, or on account of, the principal (and premium, if any) thereof and interest thereon and for all other purposes whatsoever, and all such payments so made to such Bondowner or upon his order shall be valid and effectual to satisfy and discharge the liability upon such Bond to the extent of the sum or sums so paid.

Section 309. Mutilated, Destroyed, Stolen or Lost Bonds. (a) Subject to the provisions of Act 354, Public Acts of Michigan, 1972, as amended and any other applicable law, if (i) any mutilated Bond is surrendered to the Paying Agent or the City and the Paying Agent and the City receive evidence to their satisfaction of the destruction, loss or theft of any Bond and (ii) there is delivered to the City and the Paying Agent such security or indemnity as may be required by them to save each of them harmless, then, in the absence of notice to the City or the Paying Agent that such Bond has been acquired by a bona fide purchaser, the City shall execute and the Paying Agent shall authenticate and deliver in exchange for or in lieu of any such mutilated, destroyed, lost or stolen Bond, a new Bond of like tenor and principal amount, bearing a number not contemporaneously outstanding.

(c) Any new Bond issued pursuant to this Section in substitution for a Bond alleged to be mutilated, destroyed, stolen or lost shall constitute an original additional contractual obligation on the part of the City, and shall be equally secured by and entitled to equal proportionate benefits with all other Bonds issued under this Order.

Section 310. Book-Entry-Only System Permitted. (a) If determined by the Authorized Officer in the Supplemental Order, the Bonds or portions of the Bonds shall be issued to a securities depository selected by the Authorized Officer (the "Security Depository") to be held pursuant to the book-entry-only system maintained by the Security Depository and registered in the name of the Security Depository or its nominee. Whenever the Security Depository requests the City and the Paying Agent to do so, the Authorized Officer on behalf of the City and the Paying Agent will cooperate with the Security Depository in taking appropriate action after reasonable notice to make available Bonds registered in whatever name or names the Beneficial Owners transferring or exchanging Bonds shall designate.

(c) Notwithstanding any other provision of the Order to the contrary, so long as the Bonds are held pursuant to the book-entry-only system maintained by the Security Depository:

(i) all payments with respect to the principal and interest on such Bonds and all notices with respect to such Bonds shall be made and given, respectively, to the Security Depository as provided in the representation letter from the City and the

Paying Agent to the Security Depository with respect to such Bonds; and

(ii) all payments with respect to principal of the Bonds and interest on the Bonds shall be made in such manner as shall be prescribed by the Security Depository.

Memorandum**

August 11, 2014

To: All City Council Members

Re: Emergency Manager’s Order No. 8
Water Supply System Revenue and Refunding Bonds.

Pursuant to Section 12(1)(u) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 (“Act 436”) the Emergency Manager has proposed to seek approval from the Detroit City Council to issue Water Supply System Revenue Refunding Senior Lien Bonds of the City of Detroit (the “City”) and Water Supply System Revenue Refunding Second Lien Bonds of the City (collectively, the “Bonds”), in one or more series, pursuant to the Revenue Bond Act of 1933, Act No. 94, Public Acts of Michigan, 1933, as amended, to provide for a portion of the Bankruptcy Plan of Adjustment financing of the water supply bond tender transaction (the “Financing”).

The proceeds of the Bonds will be used to refund a portion of the City’s outstanding water supply system bonds. The Bonds will be secured by a pledge of the net revenues and other pledged assets of the water supply system of the City.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits his Order No. 7 approving the issuance of the Bonds (the “Order”) and describing the terms and conditions and parameters for the Financing to the Detroit City Council for consideration. Under Section 19(1) of Act 436, the City Council has 10 days from the date of submission of the Order (i.e. August 21, 2014) to approve or disapprove the Financing. If the City Council does not act within this period, the Financing will be considered approved by the City Council and the Emergency Manager may proceed to obtain approval of the Financing from the State Local Emergency Financial Assistance Loan Board. If the City Council disapproves the Financing within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the State Local Emergency Financial Assistance Loan Board within 7 days of such disapproval, which such alternative proposal shall “yield substantially the same financial result as the” Financing. Pursuant to Section 19(2) of Act 436, the State Local Emergency Financial Assistance Loan Board would then choose between the City Council’s alternative proposal and the Financing.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely,
KEVYN D. ORR
Emergency Manager
City of Detroit

Summary of the Material Terms of the Financing

A. Public Offering

1. The pricing of the DWSD Revenue and Revenue Refunding Financing will be established at the time the financing is taken to market, and is not known at this time.

2. Citigroup Global Markets Inc. ("Citi") has been hired by DWSD to act as Underwriter for the transaction. Citi and DWSD have agreed to a fee structure whereby Citi will be paid a fee of 0.1% of the issue amount to act as the dealer manager for the issuance in connection with the Tender Transaction and an additional fee of 0.3% to 0.4% of the issue amount as an underwriting fee.

3. The New DWSD Bonds would be sold by DWSD to the MFA, and the MFA in turn would sell its bonds to the public market and use the proceeds thereof to purchase the New DWSD Bonds.

4. Citi has advised the Department that interest rates on the New DWSD Bonds will not exceed 5.75% (the "Indicative Refunding Interest Rate"), but will likely be lower in light of the public nature of the offering and the bond insurance credit enhancement commitment.

Office of the Emergency Manager Memorandum

August 11, 2014

To: All City Council Members
 Re: Emergency Manager's Order No. 7 Approval of Sewerage Disposal

System Revenue and Revenue Refunding Bonds.

Pursuant to Section 12(1)(u) of the Local Financial Stability and Choice Act, Act No. 436, Public Acts of Michigan, 2012 ("Act 436") the Emergency Manager has proposed to seek approval from the Detroit City Council to issue Sewage Disposal System Revenue and Revenue Refunding Senior Lien Bonds of the City of Detroit (the "City"), Sewage Disposal System Revenue Refunding Second Lien Bonds of the City and/or Sewage Disposal System Revenue SRF Junior

Lien Bonds of the City (collectively, the "Bonds"), in one or more series, pursuant to the Revenue Bond Act of 1933, Act No. 94, Public Acts of Michigan, 1933, as amended, to provide for a portion of the Bankruptcy Plan of Adjustment financing and sewerage disposal system bond tender financing (the "Financing").

The proceeds of the Bonds will be used to refund a portion of the City's outstanding sewerage disposal system bonds and to provide funds for additional system improvements. The Bonds will be secured by a pledge of the net revenues and other pledged assets of the sewerage disposal system of the City.

Pursuant to Section 19 of Act 436, the Emergency Manager hereby submits his Order No. 7 approving the issuance of the Bonds (the "Order") and describing the terms and conditions and parameters for the Financing to the Detroit City Council for consideration. Under Section 19(1) of Act 436, the City Council has 10 days from the date of submission of the Order (i.e. August 21, 2014) to approve or disapprove the Financing. If the City Council does not act within this period, the Financing will be considered approved by the City Council and the Emergency Manager may proceed to obtain approval of the Financing from the State Local Emergency Financial Assistance Loan Board. If the City Council disapproves the Financing within the period provided under Section 19(1) of Act 436 as described above, the City Council is required, pursuant to Section 19(2) of Act 436, to submit an alternative proposal to the State Local Emergency Financial Assistance Loan Board within 7 days of such disapproval, which such alternative proposal shall "yield substantially the same financial result as the" Financing. Pursuant to Section 19(2) of Act 436, the State Local Emergency Financial Assistance Loan Board would then choose between the City Council's alternative proposal and the Financing.

Please do not hesitate to contact my office with any questions or concerns regarding the matters addressed herein. We look forward to your prompt response to this matter.

Sincerely,
KEVYN D. ORR
Emergency Manager
City of Detroit

Therefore, it is recommended that the demolition order be deferred for a period of three months subject to the following conditions:
