21 introducing the board staff, the Department of

22 Innovation & Technology is also present during the

23 board's meeting today, and our court reporter this

24 afternoon is also on the line. I believe it is

25 Ms. Coleman, and I can reflect the record to

1 correct -- to include the correct name. As far as the  
2 board staff present during the meeting today is as  
3 follows: the attorney to the board, Attorney Jermaine  
4 Wyrick; Mr. Robert Brown; Ms. Teresa Blossom,  
5 community relations coordinator; Ms. Jonya Underwood,  
6 administrative assistant; Ms. D'Layne Richards, legal  
7 assistant; and Interim Chief Investigator Lawrence  
8 Akbar; Supervising Investigator Lasonya Sloan;  
9 Supervising Investigator Ainsley Cromwell; Senior  
10 Investigator Rosalia Madrigal; and Investigator  
11 Tiffany Stewart. And I believe Lieutenant James Coles

14 at this time, Madam Chairperson.

15 COMMISSIONER HOLT: Thank you, Ms. White.

16 May we have Deputy Chief Marlon Wilson to

1 Lieutenant Mark Young from the Lieutenants & Sergeants  
2 Association, and we have, if I didn't say it already,  
3 Captain Liddell from professional standards. And that  
4 will conclude my introductions.

5 COMMISSIONER HOLT: Thank you.

6 Ms. White, would you introduce the elected  
7 officials, VIPs, civic leaders, or any attendees --  
8 any individuals in the participants list?

9 MS. WHITE: Yes. Madam Chairperson Holt,  
10 at this time we have received information that a  
11 former commissioner Ricardo Moore is present on the  
12 line, and also the court reporter for today is  
13 Ms. Susanne Gorman.

14 COMMISSIONER HOLT: Thank you.

15 Again, thank you for joining us this  
16 afternoon for our virtual board meeting. As a  
17 reminder, please adhere to the board's policies and  
18 Zoom's policies of using this forum appropriately. By  
19 attending the board's meeting and participating on the  
20 Zoom platform, you have agreed to uphold all policies  
21 and procedures with respect to decorum and  
22 professionalism outlined by the board's bylaws and  
23 Zoom policies. Failure to adhere to the policies will  
24 result in your dismissal from the meeting.

25 Additionally, attendees do not need to

1 identify themselves unless they want to make a  
2 comment. Attendees can phone in to the meeting.  
3 Phone numbers will be masked. If attendees join in by  
4 computer without a Zoom account, they may be prompted  
5 for a name and e-mail. The e-mail is not visible to  
6 the panelists or attendees. This is a prompt from  
7 Zoom, not the City of Detroit. Additionally, the  
8 e-mail does not need to be the person's true e-mail  
9 address. Non@non.com or anything similar would be  
10 fine for logging in. Accessing Zoom platform requires  
11 that adherence to all policies.

12 As the supervising oversight authority of  
13 the Detroit Police Department, the board of police  
14 commissioners meet every week except for the  
15 Thanksgiving and Christmas holiday periods. Please  
16 note the board continues to accept citizens' feedback  
17 by telephone, e-mail, fax, and mail and will respond  
18 accordingly. The telephone number to the board's  
19 office is 313-596-1830, and the office of the chief  
20 investigator's number is 313-596-2499 should you like  
21 to file a citizen's complaint regarding alleged police  
22 misconduct.

23 Commissioners, there are several important  
24 items for your consideration and information in your  
25 board packet e-mailed to you on Tuesday of this week

1 and in your packet today.

2 Resolutions, today we have three  
3 resolutions. Today is Commissioner Brooks's last  
4 board meeting, and we are grateful for her tremendous  
5 work, contributions, and wisdom provided to police  
6 oversight. We will have a resolution honoring her  
7 work later on the agenda. We received a resolution  
8 package from Commissioner Jewel Ware adopted by the  
9 Wayne County Commission urging immediate police  
10 reform, and I think Ms. White will highlight that  
11 resolution sometime later in the meeting. We thank  
12 Commissioner Ware for her work on this matter.

13 And Resolution 3, resolution for the  
14 board -- resolution from the board for Detroit's  
15 leadership and community success on President Obama's  
16 guide to 21st century community policing. I will ask  
17 for the resolution reading at the appropriate time.

18 From the chief's office, I am asking -- I  
19 am requesting updates on citywide crime statistics and  
20 any other critical issues or incidents facing the  
21 Detroit Police Department and the community. I'm also  
22 requesting updates on the following: critical  
23 incidents impacting the department amid COVID-19,  
24 recent protests, and, in general, updates regarding  
25 the department's COVID-19 data, arrest and citation

1 data, updates regarding the board's use of force  
2 recommendation, citizens' complaints stemming from  
3 recent protests and the status, and an update on the  
4 department's use of military-grade equipment  
5 discussion.

6 Today we will have one presentation,  
7 domestic violence, presented by Captain Stacy Cavin,  
8 Detroit Police Department. Interim Secretary  
9 Ms. White will also provide us with various policy  
10 updates and incoming weekly correspondence. We will  
11 take up any votes on any policies at the appropriate  
12 time. We will discuss charter recommendation --  
13 recommendations for board approval regarding the  
14 upcoming presentation to the charter revision  
15 commission.

16 Next Thursday, July 2, 2020, the board's  
17 meeting will be canceled due to the holiday period.  
18 The next board meeting will resume July the 9th, 2020.  
19 Please note a few housekeeping rules. We have  
20 distributed instructions on how to access the virtual  
21 meeting and information on participating during the  
22 public comments section of the agenda. Please note  
23 the following: Upon joining the meeting, participants  
24 will join the meeting muted. Please do not start your  
25 video unless invited to do so by the host. Video

1 images or unprotected speech deemed inappropriate by  
2 the chair will result in your dismissal from the  
3 meeting. To make a public comment, please complete  
4 the Smartsheet form referenced on the board's agenda.  
5 You may raise your hand by clicking on participants in  
6 the attendee controls at the bottom of your computer  
7 screen. You will then see "raise hand" at the bottom  
8 of the participants list, or you may dial star 9 if  
9 you are participating by mobile device. You may use  
10 any one of these options by 4:30 p.m. to be  
11 acknowledged for public comments.

12 During the public comments section of the  
13 agenda, each speaker will have two minutes to speak.  
14 Mr. Brown will acknowledge each speaker. We ask that  
15 you remain respectful and professional and refrain  
16 from violating the board's bylaws, Zoom's terms of  
17 service, and other relevant laws and ordinances, which  
18 are posted on all meeting access forums. Again,  
19 failure to adhere to the board's or Zoom's policies or  
20 guidelines will result in your dismissal from the  
21 meeting.

22 At this time please silence your cell  
23 phones, other electronic devices, and other background  
24 sounds to prevent interrupting this meeting. Finally,  
25 my objective is to run an orderly meeting and conclude

1 without a -- within a reasonable time. Thank you.

2 Okay. Ms. White, may we have the reading  
3 of the resolution for Police Commissioner Elizabeth  
4 Brooks? And I believe Mr. -- Commissioner Davis has  
5 agreed to read the resolution.

6 MS. WHITE: Yes, Madam Chairperson. And we  
7 are posting that through the shared-screen feature.

8 COMMISSIONER HOLT: Thank you.

9 COMMISSIONER DAVIS: Okay.

10 "Resolution honoring Police Commissioner  
11 Elizabeth Betty Brooks.

12 "Whereas Elizabeth Brooks has etched a  
13 lasting mark on the city of the Detroit, its  
14 residents, and its institutions during more than  
15 22 years of philanthropy, civic leadership, and  
16 community service, including most recently as an  
17 at-large member of the board of police commissioners;  
18 and

19 "Whereas Police Commissioner Brooks was  
20 appointed by -- to the board by Mayor Mike Duggan  
21 during her term. She has been an enthusiastic booster  
22 of the Detroit Police Department, police recruiting,  
23 civilian oversight, and her leadership helped spread  
24 recruiting to churches, street fairs, and other  
25 community events."

1 It disappeared. I can't see it now.

2 MS. WHITE: Can you see it now,  
3 Commissioner Davis?

4 COMMISSIONER DAVIS: No. It went dead on  
5 my screen.

6 COMMISSIONER GRIFFIE: Do you want me to  
7 finish it?

8 COMMISSIONER DAVIS: Please.

9 COMMISSIONER HOLT: Thank you, Commissioner  
10 Griffie.

11 COMMISSIONER GRIFFIE: No problem.

12 "During her term" --

13 Can you scroll back up, Melanie?

14 Ms. White. I'm sorry. That's good.

15 "Her leadership helped spread recruiting to  
16 churches, street fairs, and other community events.  
17 At weekly meetings and at any social gathering, she  
18 implores everyone to remember Detroit needs the best  
19 people to become police officers. Her evident pride  
20 in the city and the police department even inspired  
21 her grandson to pursue a career in law enforcement;  
22 and

23 "Whereas in 2019, Commissioner Brooks led a  
24 successful effort by the board to host for the first  
25 time the annual conference for the National

1 Association for Civilian Oversight of Law Enforcement,  
2 along with the 45th Anniversary Celebration of the  
3 Board of Police Commissioners. Her work resulted in  
4 civic partnerships and sponsorships that made the  
5 event surpass tourism at projections by the Detroit  
6 Metro Convention & Visitors Bureau; and

7               "Whereas Detroit is fortunate that  
8 Elizabeth Brooks adopted the city as her own. A  
9 native of North Carolina, she settled in Michigan in  
10 1998 when her late husband, renowned U.S. leader and  
11 business pioneer William "Bill" Brooks, served as vice  
12 president of General Motors. She became known for her  
13 volunteer work and remains active today. Her service  
14 spans the boards of the Detroit Historical Museum,  
15 Motown Museum, Detroit Jazz Festival, the Charles  
16 H. Wright Museum, the Michigan Opera Theatre, Reading  
17 Works, Neighborhood Legal Services of Michigan, and  
18 Detroit Institute of Arts, and more. Whether  
19 attending presidential events, hosting celebrity  
20 galas, worshipping at Sacred Heart Church, or walking  
21 along the Detroit River, she is known for greeting  
22 everyone with the same warm and welcoming manner, and  
23 a "Just call me Betty" smile. A caring mother and  
24 grandmother, she is greatly respected and beloved by  
25 many across Detroit and the nation.

1 "Now, therefore, be it resolved that  
2 Detroit Board of Police Commissioners, speaking for  
3 the citizens of Detroit and the Detroit Police  
4 Department, award this resolution in recognition of  
5 the dedication and diligent service by the police  
6 commissioner, Elizabeth Brooks. Her dedication and  
7 commitment to civilian oversight, the city of Detroit,  
8 and its citizens merits our highest regards. We thank  
9 and congratulate you, Commissioner Elizabeth Brooks."

10 COMMISSIONER BROWN: Madam Chair, I move  
11 for adoption of this resolution.

12 COMMISSIONER DAVIS: Support.

13 COMMISSIONER HOLT: Thank you. It has been  
14 moved and supported. All in favor?

15 THE BOARD: Aye.

16 COMMISSIONER HOLT: Thank you. The motion  
17 passes.

18 MS. WHITE: Madam Chairperson Holt, I also  
19 wanted to just mention that Commissioner Burton has  
20 also joined the line as well.

21 COMMISSIONER HOLT: Thank you so much for  
22 sharing.

23 Good afternoon, Commissioner Burton.

24 Now, may we please have the resolution for  
25 Detroit's leadership and community success, President

1 Obama's goals for 21 -- for the 21st century community  
2 policing?

3 Commissioner Griffie, are you -- you're  
4 going to read that one?

5 COMMISSIONER GRIFFIE: Yes, I can read it.

6 "Whereas the Detroit Board of Police  
7 Commissioners is responsible for civilian oversight  
8 and supervision of the Detroit Police Department under  
9 the Chapter 7 of the city charter. Detroit residents  
10 created the board in 1974 in the aftermath of protests  
11 and reforms stemming from the 1967 civil uprising.  
12 The people of Detroit expanded the board's powers in  
13 2012 to address a new era of police brutality and  
14 abuses showing that continuous improvement is vital to  
15 ensure accountability, transparency, and effectiveness  
16 in policing and law enforcement as times and  
17 circumstances change; and

18 "Whereas President Barack Obama established  
19 the President's Task Force on 21st Century Policing in  
20 2014. After extensive research, study, and dialogue,  
21 the panel released a final report, 21st Century  
22 Policing, in May of 2015, to provide a national road  
23 map for systemic change in law enforcement for a safer  
24 community in six pillars. Pillar 1 is building trust  
25 and legitimacy. Pillar 2 is policy and oversight.

1 Pillar 3 is technology and social media. Pillar 4 is  
2 community policing and crime reduction. Pillar 5 is  
3 training and education, and Pillar 6 is officer  
4 wellness and safety; and

5 "Whereas the Detroit community and the  
6 board strongly supported President Obama's task force  
7 and has continued to support the reported -- report's  
8 pillars. Most recently, local and national events  
9 have underscored the need to ensure greater progress  
10 in adhering to the task force findings and  
11 recommendations from Detroit and in all communities.

12 "Therefore, be it resolved, the board will  
13 work with the community and the police department for  
14 a comprehensive analysis of the police department's  
15 adherence to President Obama's report on 21st Century  
16 Policing to ensure all possible measures, policies,  
17 procedures, and activities to support community  
18 policing, which emphasizes working with the  
19 neighborhood residents and essential partners to  
20 coproduce public safety; and

21 "Be it further resolved for the remainder  
22 of 2020, we'll work together to provide and improve on  
23 the following: an assessment by the human resources  
24 bureau and the department's training academy of the  
25 type and effectiveness of the current training in

1 police recruiting and evaluation process,  
2 interpersonal relations and sensitivity, implicit  
3 bias, restorative practices, and procedural justice,  
4 21st century policing goals, and other disciplines  
5 that can affect police encounters with the public.  
6 The assessment will involve, among other things, a  
7 comprehensive review of all our current academy and  
8 in-service training, a survey of different sets of  
9 sworn and civilian personnel to gauge effectiveness of  
10 training and retraining, and recommendations for new  
11 or modified training to address gaps or deficiencies  
12 and competency.

13 "An annual report from the DPD of such  
14 training review evaluations shall be applied to the  
15 board each August for review and consideration; an  
16 assessment by DPD of precinct, command, and operations  
17 to ensure the delivery of efficient, effective, and  
18 fair policing that appropriately reflects the needs of  
19 the community; surveys of the community to begin  
20 capturing an annual empirical assessment of public  
21 opinion about local law enforcement and civilian  
22 oversight; an annual written update from DPD on its  
23 compliance and achievements based on clear and defined  
24 methods related to the goals and guidelines of the six  
25 pillars of 21st Century Policing. DPD will submit the

1 update each August to the board, and will be posted  
2 online by the board for 30 days to allow public  
3 comment, after which the board will compile and issue  
4 a final report to the community; modifications and  
5 additions or open data portals for public use and  
6 education of standard reports, including but not  
7 limited to the annual uniform crime report, use of  
8 force report, facial recognition technology use and  
9 outcomes report, stability and complaints reports, and  
10 disciplinary reports to boost public access and  
11 transparency; recommendations for DPD to seek out and  
12 form collaborative relationships through an awareness  
13 of understanding and other agreements with business,  
14 civic, and community organizations that can address  
15 holistically the roots of crime and economic, social,  
16 health, and cultural factors such as poverty, poor  
17 education, and drug addiction; comprehensive studies  
18 for determination of whether the police department  
19 will benefit from a national accreditation to serve  
20 the needs of our residents, department, and city; and,  
21 finally, federal and other government changes that  
22 will help prevent dangerous or incompetent officers  
23 from staying in the law enforcement profession,  
24 whether through arbitration rules and the lack of  
25 defined and consistent professional standards across

1 some 18,000 departments in the United States."

2 COMMISSIONER HOLT: Thank you, Commissioner  
3 Griffie.

4 Is there a motion to approve this  
5 resolution?

6 COMMISSIONER DAVIS: So moved.

7 UNIDENTIFIED COMMISSIONER: Second.

8 COMMISSIONER HOLT: Thank you. It has been  
9 moved and seconded. Is there discussion? Those in  
10 favor?

11 THE BOARD: Aye.

12 COMMISSIONER HOLT: Those opposed? Thank  
13 you. This resolution had been approved.

14 Thank you, commissioners.

15 Now we'll have a report from Deputy Chief  
16 Marlon Wilson, attending for Chief Craig -- designee  
17 for Chief Craig.

18 DC WILSON: Thank you. Through the chair.

19 COMMISSIONER HOLT: Sure.

20 DC WILSON: I'll start out with an update  
21 of injured officers. We have Officer Christopher  
22 Thurston, who is recovering at home due to a  
23 motorcycle accident. We have Officer Mark Robbins,  
24 who is recovering at home as well due to a motorcycle  
25 accident. Detective Henry Beckham is recovering at

1 home due to a gunshot wound. Sergeant Michael Bailey  
2 is currently at DRH. He was injured during the  
3 protest. Officer Curtis Hall is recovering at home  
4 due to a motor vehicle accident.

5 Next I'll go to crime. I'll start with our  
6 violent crime overview, starting with homicides.  
7 We're currently at 137, which is a 32 percent increase  
8 from last year. Sexual assaults, we have 311, which  
9 is -- was a decrease of 29 percent. Aggravated  
10 assaults, we're currently at 4,786, which is an  
11 increase of 13 percent. Nonfatal shootings, we're  
12 currently showing 444, which is an increase of  
13 54 percent from last year. Robberies, we're currently  
14 at 918, which is a decrease of 3 percent; and  
15 carjackings, we're currently at 90, which is an  
16 increase of 6 percent. So overall Part 1 violent  
17 crime is up by 8 percent.

18 Next, property crime, burglaries are  
19 currently at 2,284, which is a decrease of 26 percent.  
20 Larcenies are at 5,559, which is a decrease of  
21 16 percent. Motor vehicle thefts are down as well,  
22 5 percent. We currently show 2,794, and that gives us  
23 a overall decrease in property crime of 16 percent.  
24 As it relates to COVID and the current state of our  
25 department, we currently have 21 members who are

1     quarantined. Ten of those members are currently in a  
2     state of positive for COVID. We've returned 1,173  
3     members back to duty. Totally, we have 327 members  
4     that tested positive throughout our testing process.

5             Next there was a question regarding  
6     military-grade equipment. It's my understanding that  
7     a letter was sent to First Assistant Chief Stair, and  
8     she is in the process of providing a response for the  
9     board, so at the conclusion of this meeting, I'll make  
10    sure I make contact with AC's office and get the  
11    status and update the board tomorrow. Requests for a  
12    status update on the board's policy recommendations, I  
13    talked to DC Grant Ha. He advised me that his  
14    response was given to the board today, I believe, to  
15    Interim Secretary Melanie White.

16            Lastly, a question regarding citizen  
17    complaints alleging use of force during a protest, I  
18    know there was one member that was recently suspended  
19    due to allegation of excessive force, and I believe we  
20    might have ten additional allegations that are  
21    currently assigned to internal affairs, but Director  
22    Christopher Graveline could probably add a little bit  
23    more to that if I'm incorrect.

24            Director Graveline, can you add anything to  
25    that?

1 MS. WHITE: I'm locating him in the panel  
2 list.

3 DIRECTOR GRAVELINE: Through the chair.

4 Thank you, DC Wilson.

5 Through the chair, so currently what we  
6 have in terms of numbers are the department had -- on  
7 Tuesday had received -- we had 14 open investigations  
8 involving 18 complaints. We have coordinated with  
9 OCI, and on Tuesday they had 16 incidents they were  
10 investigating through 18 complaints. Of those 16  
11 incidents, 4 of which we were already investigating --  
12 so we were able to back those out. Of -- so that left  
13 12 with OCI. Of those 12, 6 of them involved injury  
14 and/or a member of the press, and we asked OCI that  
15 the department take those over. Being more under the  
16 umbrella of IA, they agreed, and so we currently have  
17 20 open investigations, and OCI currently has 6 open  
18 investigations concerning complaints of force used  
19 during the protests.

20 COMMISSIONER HOLT: Thank you. Does that  
21 complete your report, Deputy Chief Marlon Wilson?

22 DC WILSON: Yes, ma'am.

23 COMMISSIONER HOLT: Commissioners, do you  
24 have questions?

25 COMMISSIONER DAVIS: Yes.

1 UNIDENTIFIED COMMISSIONER: Yes, Madam  
2 Chair.

3 UNIDENTIFIED COMMISSIONER: Through the  
4 chair.

5 COMMISSIONER HOLT: Okay. Let's see.  
6 Commissioner Burch --

7 Well, Commissioner Davis, I believe I heard  
8 you first.

9 COMMISSIONER DAVIS: Thank you, Madam  
10 Chair.

11 COMMISSIONER HOLT: I'm sorry. Not  
12 Commissioner Davis, Commissioner Brown. Right,  
13 Commissioner Brown?

14 COMMISSIONER BROWN: That's correct but --

15 COMMISSIONER HOLT: Okay. Would you  
16 please -- go on. I'm sorry.

17 COMMISSIONER BROWN: I just have a few  
18 things that I wanted to ask DC. Regarding our  
19 recruits, I've been following a couple applicants  
20 coming in, and at this point they have been  
21 disqualified. And one was for that famous word again,  
22 "integrity." And I watched everything this person  
23 did, and I'm trying to figure this out, so I really  
24 want to talk to you-all to understand what is this all  
25 about. This person did everything they were supposed

1 to do and disclosed information. Who is making  
2 this -- this -- this thing up?

3 And, also, I found out that another -- the  
4 other recruit was told at the last minute, just before  
5 the start date of the class on Monday, that they  
6 failed a written psychological evaluation. So I would  
7 like to see that, see what it entails, 'cause I  
8 understand it's a 300-question test. Because I'm  
9 trying to figure out exactly -- who exactly does the  
10 department want here. I mean, these are two young  
11 black men that live in the city of Detroit that I --  
12 for some unforeseen reason, I can't see why they were  
13 disqualified, and I'll call you later with that  
14 information.

15 Also, we're getting a lot of complaints  
16 about fireworks. And I understand that it's going to  
17 tie the hands of the department. And what are we  
18 going to, you know -- I looked at the law. I looked  
19 at -- there's really no ordinance about it. How are  
20 we going to address this? And I know there were some  
21 times and stuff concerning when fireworks would be  
22 discharged. My thing is I don't think we've done a  
23 good job with informing the public of when they can do  
24 these things. What are we going to do about that?

25 And the last thing right now is -- two

1 things -- PAL. What's our involvement with the Police  
2 Athletic League? You know, what are we doing with  
3 that? Is it still funded? Because I don't recall  
4 seeing anything in the budget about it. How do we get  
5 that back on track? I think it went over to Think  
6 Detroit. I would like to know why it went.

7 And, also, the number of arrests of the  
8 protesters that has happened during the last few  
9 weeks, do we know if any of them have been felony  
10 arrests, misdemeanor arrests, or just regular things  
11 that could have been cited and we're just holding  
12 people that could have gotten a ticket for disorderly  
13 conduct? That's it.

14 DC WILSON: I'll start kind of working from  
15 the last question that you asked. Most of the arrests  
16 that we made were -- these individuals were cited and  
17 given tickets for disorderly conduct. Without having  
18 the data right in front of me, I do know there were  
19 five cases that were of a felony nature, and those  
20 involve one case where -- an allegation that an  
21 individual drove his vehicle towards two officers that  
22 were riding a bike. One involved an individual  
23 shooting fireworks towards the direction of one of our  
24 lieutenants. The next one was someone was carrying a  
25 Taser and was in a crowd, shooting fireworks, and the

1 fourth one was damage to -- MVP -- over a thousand in  
2 damage to a squad car.

3 If you look at PAL, it's my understanding  
4 we still have an investment in PAL. It's not as  
5 robust as it was, obviously, when I was on the job ten  
6 years ago. I can kind of get an update, but it's my  
7 understanding that we still do have numbers that are  
8 exclusively assigned to PAL. I just don't have that  
9 number.

10 COMMISSIONER BROWN: What about financial  
11 support?

12 DC WILSON: That, I don't know. That is  
13 something I would have to research and get back with  
14 you.

15 COMMISSIONER BROWN: Okay.

16 DC WILSON: And, also, if you can -- first  
17 question, if you give me the information relative to  
18 the two candidates that were excluded, I can take a  
19 look at that with First Assistant Chief Stair and get  
20 you a response back. Last question was relative to  
21 fireworks, and, obviously, I'll wait for  
22 (indiscernible) follow-up, but to fireworks,  
23 obviously, that's an issue every year around this  
24 time. We do have city ordinances that, you know, set  
25 times that -- that you can utilize fireworks. So I

1 don't recall if we -- if I've seen any PR regarding  
2 that on the news, so that's something I'll take back  
3 to the team in the mayor's office and make sure we get  
4 out because, definitely, we're going to receive  
5 complaints and calls from citizens relative to  
6 fireworks.

7 COMMISSIONER BROWN: We've been receiving a  
8 lot of them.

9 COMMISSIONER HOLT: I believe Commissioner  
10 Burch --

11 COMMISSIONER BURCH: Yes, ma'am. Yes, I  
12 do. Thank you, Ms. Commissioner.

13 To the commander, I want to share I'm the  
14 police commissioner in District 3. There are many  
15 issues in No. 3 that -- I do not know where all of the  
16 other commissioners live, but, in other words, I feel  
17 the pain and the hurt of the people. I'm asking  
18 you -- after I finish my other question, I want you to  
19 go back to Chief Craig and to Mayor Duggan, and we  
20 would like a conference call with him so that I  
21 understand -- so you tell me if I'm right on this,  
22 that they denied speaking to the protestors downtown.  
23 They wanted a meeting with the mayor and with Craig,  
24 and they denied it. So was that a yes or no? Sir?

25 DC WILSON: So if you're talking about a

1 meeting that took place with the (audio dropped).

2 Through the chair, to answer that  
3 question --

4 COMMISSIONER BURCH: Yeah, the protesters  
5 wanted a meeting. They said (inaudible). So do you  
6 know?

7 DC WILSON: I know a meeting took place  
8 between an organizer -- I believe his name is  
9 Tristan -- and the mayor and the chief. I don't know  
10 how many people were in attendance, but the meeting  
11 did take place. It took place --

12 COMMISSIONER BURCH: Okay. Let me get back  
13 to my point. My point is is what I just asked you  
14 and -- asked you to have Chief Craig and the mayor to  
15 speak to the people. You know, we're always saying  
16 "police reform." Well, it needs to be a citizen  
17 reform going along with the police. We have peaceful  
18 suggestions, and I want to ask you this, sir: Do you  
19 know if there are any police mini-stations opened in  
20 the city of Detroit? Do you know of any?

21 DC WILSON: At the present moment, I don't  
22 know of any police -- mini police stations that are  
23 actually being staffed.

24 COMMISSIONER BURCH: Okay. So you said no.  
25 So here's the other point that, like -- again, I

1     reside in District 3. So we have been under many,  
2     many commanders starting from Commander Chester Logan,  
3     her dad, Dante, Dunlap, Ewing, Leach, and now Slappey.  
4     It seems to be that we always have these profound  
5     gentlemen that really enforce over District 3, so  
6     that's why we want to speak with Chief Craig to share  
7     our concerns because all the protesting all over the  
8     world, they think they can solve things by fire. We  
9     don't believe in that. Okay? All we want is a  
10    conversation, and then we'll decide what -- Detroit  
11    can be a beacon instead of being called the crime city  
12    of the world. Okay, sir?

13                 DC WILSON: Yes, ma'am.

14                 COMMISSIONER BURCH: So that's one request  
15    (inaudible). Yes. Now, here's the other one.

16                 DC WILSON: Okay.

17                 COMMISSIONER BURCH: Just what Commissioner  
18    Brown said regarding fireworks, they do the fireworks  
19    up till 3:00, 4:00 o'clock in the morning. Okay? So  
20    with this cancellation of downtown fireworks -- is  
21    that correct? It's canceled?

22                 DC WILSON: It's my understanding that  
23    they're trying to find a way to still have the  
24    fireworks. So it's canceled in its original version,  
25    but they're still trying to accomplish that, obviously

1 in a safe manner.

2 COMMISSIONER BURCH: Okay. But my point  
3 is -- like Commissioner Brown -- how are you  
4 regulating the people in the neighborhood, where they  
5 used to go to Bell Isle and do what they do; but when  
6 the state police took over, they brought all of that  
7 noise in the neighborhoods. So how are you going to  
8 control the fireworks in the neighborhoods?

9 DC WILSON: I think it's important. Like  
10 Commissioner Brown said, first, I think we need to  
11 ensure that the public understands the ordinance and  
12 what they can and cannot do.

13 COMMISSIONER BURCH: Yes.

14 DC WILSON: We're going to have to,  
15 obviously -- like I said, every year we respond to  
16 calls for service, so we'll have to enforce it that  
17 way through education, training, utilize our  
18 neighborhood police officers to kind of get out there  
19 and be proactive, to -- to educate the public to know  
20 what they can and cannot do.

21 COMMISSIONER BURCH: Ms. Commissioner,  
22 please be patient with me.

23 Now, here's the other thing. I speak to  
24 people in Flint, and I asked them how do they control  
25 the crime in their area. We know they have a very

1 small population, where Detroit is over 700,000 or  
2 more. My question is -- in Flint they patrol  
3 together, the sheriff department and the police  
4 department -- what happened to Benny Napoleon that  
5 used to be, you know, going through the neighborhoods?  
6 And I know that for a fact because out of the Belmar  
7 Shopping Center, we had the mini-station that was --  
8 the state police used it, the sheriffs used it, and  
9 Detroit used it. Why would that be taken away when we  
10 were in such a prevalent location, Eight Mile and  
11 Dequindre?

12 DC WILSON: I can't really speak to why  
13 Sheriff Napoleon has or has not increased his patrol  
14 inside the city. Obviously, he controls the entire  
15 County, so he has responsibilities throughout the  
16 county.

17 COMMISSIONER BURCH: That's correct.

18 DC WILSON: But there are partnerships, and  
19 there are times that we do work together, whether it's  
20 through apprehension efforts or things of that nature  
21 or if it's just -- it's selective collaboration at  
22 this point.

23 COMMISSIONER BURCH: Yes. But all I  
24 want -- Ms. Holt -- Commander Holt -- I'm sorry.

25 Chairperson Holt, all I wanted is to be

1 recorded that I requested a meeting with Chief Craig  
2 and with Mayor Duggan and with other leaders in  
3 District 3 because I live here, so I experience it  
4 every day.

5 I want that recording, Ms. Melanie.

6 MS. WHITE: Yes, ma'am.

7 COMMISSIONER BURCH: I thank you, Ms. Holt.

8 And thank you, sir, for your service.

9 Thank you for your service.

10 DC WILSON: Yes, Commissioner Burch.

11 COMMISSIONER HOLT: Thank you, Commissioner  
12 Burch.

13 Commissioner Davis. Then, I believe,  
14 Commissioner Griffie.

15 COMMISSIONER DAVIS: Yes. Thank you, Madam  
16 Chair.

17 I have a couple of things. One, just  
18 looking at the crime stats, especially as it relates  
19 to homicide and nonfatal, like, as it relates to  
20 homicide, I see every single precinct but one,  
21 homicides are up, and I see, as it relates to nonfatal  
22 shooting, every precinct but two is up. Is there --  
23 shouldn't there be a greater effort to do more in the  
24 community and the neighborhoods? It seems like all  
25 the major presence is downtown. If you could respond

1 to that, then I'll have my. . .

2 DC WILSON: So, obviously, there was a  
3 point in time where we did have to increase our  
4 efforts downtown during the protest, but we still made  
5 sure that we had adequate resources in the precincts  
6 and the neighborhoods. If you could really look,  
7 probably since April 1st, even before the protests but  
8 during the pandemic, is when we started to really see  
9 increases in violent crime. We started seeing  
10 reductions in property crime. Honestly, we have  
11 people at home. We anticipated seeing increases in  
12 domestic violence. We didn't see that; however,  
13 nonfatal shootings and criminal homicides, we have  
14 continuously seen an increase week after week.

15 Homicide is one of the units that falls up  
16 under me, so I have to review the homicides every  
17 single day as well as the nonfatal shootings. Our  
18 last analysis -- what we're seeing is really a lot of  
19 argument-based shootings. We've had probably -- last  
20 weekend alone we probably had five or six shootings  
21 that were associated to block parties. We had four  
22 homicides over the weekend. Two of those were  
23 associated with known individuals who just had a  
24 simple argument over -- one was a parking spot. The  
25 other one was over the possession of a motorcycle. So

1 we're seeing a lot of that -- non-gang-related, not a  
2 lot of robberies, but a lot of argument-based  
3 shootings. There are a lot of simple arguments that  
4 are escalating very quickly to the use of a handgun.

5 COMMISSIONER DAVIS: Right. Because I see  
6 just in the 8th Precinct, homicides are up 90 percent,  
7 and just in the 2nd Precinct, nonfatal shooting is up  
8 165 percent from year to date. These numbers are  
9 horrible, I mean horrible.

10 DC WILSON: And if you look throughout --  
11 not taking anything away from the city, but if you  
12 look, this has been a growing trend in a lot of urban  
13 communities, whether it's Chicago, you know,  
14 St. Louis, New York. They're seeing spikes in  
15 shootings as well. So, I mean, obviously, this is  
16 something that we pay attention to, and we're trying  
17 to do everything we can to reduce violence.

18 COMMISSIONER DAVIS: Also, by the way, just  
19 general information in case you are unaware, I know  
20 under normal circumstances in the 10th Precinct --  
21 that's one of my three precincts -- I know that they  
22 have a mini-station they utilize, especially for  
23 community meetings and for citywide police-community  
24 relations. So there are some mini-stations that are  
25 still being utilized in one way or another.

1           Also, can you give us more information  
2   about this horrible case, I mean horrible case, about  
3   a black man being arrested and falsely identified with  
4   facial recognition? That's been my main concern about  
5   facial recognition. It's, like, a 21st century  
6   electronic lynching of black people, and it's  
7   continuing. Something has to be done.

8           DC WILSON: Yes, sir. I can speak on that.  
9   Obviously, this matter is going through some type of  
10  litigation that the ACLU has presented, but what we  
11  have -- what we know thus far, the chief has taken an  
12  exhaustive look at this thus far, and we have not  
13  found any issues relative to how facial recognition  
14  was used at the time of this incident, but what we  
15  have uncovered is that there was a lack of a thorough  
16  investigation, and a lack of a thorough investigation  
17  was brought on by really a lack of managerial  
18  oversight. So the chief, as of today, has officially  
19  announced that we will be doing an investigation  
20  regarding the lack of managerial oversight.

21           COMMISSIONER DAVIS: That was the one  
22  reason, I think, some of my colleagues voted for  
23  facial recognition because they was ensured by the  
24  department that there was going to be investigations  
25  before you-all go out, you know, and -- arresting

1 people, you know. And a black should not have to be  
2 arrested in front of his spouse and his kids and  
3 spend, you know, 30 hours in jail or, you know, even  
4 30 minutes. This is horrible.

5 COMMISSIONER HOLT: Are you through,  
6 Commissioner Davis?

7 COMMISSIONER DAVIS: Yes, I'm through.

8 COMMISSIONER HOLT: Commissioner Griffie,  
9 please.

10 COMMISSIONER GRIFFIE: So I want to echo  
11 the sentiments of my colleague Commissioner Davis, and  
12 I'm disappointed that it was not brought up in your  
13 initial report and that we had to even ask for it  
14 because, frankly, when you sat down in that chair this  
15 evening, you should have been prepared to respond to  
16 those questions immediately with a lot more detail  
17 than you provided today. I am extremely disappointed  
18 with DPD. I have asked numerous times -- numerous  
19 times -- dating back to January, most recent being  
20 January (indiscernible). You had six months -- for  
21 detailed and regular reports in addition to quarterly  
22 reports on facial recognition.

23 I have asked for information that would  
24 have provided visibility and oversight of the program.  
25 I have also asked for data which would detail the

1 effectiveness of the program, of which I have not yet  
2 received. The boards should not be finding out about  
3 these events via Free Press and the New York Times or  
4 on CNN in the morning while I was watching TV. That's  
5 not how we expect to find out about what's happening  
6 in the community and what's happening in the  
7 department.

8           The communication between Detroit Police  
9 Department and the community at large needs to  
10 great- -- and the BOPC needs to greatly improve.  
11 Something has to be done. The department owes this  
12 board and the community a very transparent  
13 explanation. And let me be very clear: One mistake  
14 is too many.

15           DC WILSON: Yes.

16           COMMISSIONER GRIFFIE: And so because of  
17 this, I would like to move that DPD perform a full  
18 investigation of the incident involving Mr. Williams  
19 to be presented to the board at the next BOPC meeting,  
20 and at that time, the board will reevaluate the use  
21 of -- the continued use of facial recognition  
22 technology in the Detroit Police Department. The  
23 investigation should include the following: a complete  
24 and thorough timeline of events; an evaluation of how  
25 DPD's conduct compares to the use of force -- to the

1 use of force -- I'm sorry -- to the facial recognition  
2 policy approved by the board; an evaluation of how  
3 Detroit Police Department's conduct compares to other  
4 relevant policies regarding the handling of  
5 investigations and the oversight of those  
6 investigations; and, finally, an understanding of any  
7 discipline being led beyond the staff that was  
8 involved in this incident. And that's a motion.

9 COMMISSIONER BURCH: I support that motion.  
10 Commissioner Burch.

11 COMMISSIONER HOLT: Thank you. The motion  
12 has been moved and seconded. Discussion?

13 COMMISSIONER DAVIS: Call the question.

14 COMMISSIONER HOLT: Ms. White? Hello?

15 MS. WHITE: Yes.

16 Commissioner Bell?

17 COMMISSIONER BELL: Yea.

18 MS. WHITE: Commissioner Brooks?

19 Commissioner Brown?

20 COMMISSIONER BROWN: Yes.

21 MS. WHITE: Commissioner Burch?

22 COMMISSIONER BURCH: Yes.

23 MS. WHITE: Commissioner Burton?

24 COMMISSIONER HOLT: He's claiming that he's  
25 muted, Ms. White.

1 MS. WHITE: I can come back.

2 And, staff, please ensure that Commissioner  
3 Burton's mic is unmuted.

4 Commissioner Davis?

5 COMMISSIONER DAVIS: Yes.

6 MS. WHITE: Commissioner Griffie?

7 COMMISSIONER GRIFFIE: Yes.

8 MS. WHITE: Commissioner Hernandez?

9 COMMISSIONER HERNANDEZ: Yes.

10 MS. WHITE: Commissioner Holley?

11 Madam Chairperson?

12 COMMISSIONER HOLT: Yes.

13 MS. WHITE: Commissioner Burton?

14 COMMISSIONER BURTON: Madam Chair?

15 MS. WHITE: Commissioner Burton?

16 COMMISSIONER HOLT: We can hear you,  
17 Commissioner Burton.

18 COMMISSIONER BURTON: Oh, thank you. I was  
19 muted, like I've been muted for a lot of times when we  
20 have these discussions but --

21 COMMISSIONER HOLT: Commissioner Burton,  
22 we're taking a vote.

23 COMMISSIONER BURTON: You know, like I said  
24 before, you know, we cannot --

25 COMMISSIONER HOLT: Point of order.

1 COMMISSIONER BURTON: -- (inaudible) to  
2 enforce a single -- to misidentify a single person of  
3 color that doesn't have the resources for a really  
4 good defense and criminalize those that wake up every  
5 day --

6 COMMISSIONER GRIFFIE: Madam Chair, this is  
7 out of order.

8 COMMISSIONER HOLT: Okay.

9 Commissioner Burton, do -- we need to move  
10 on with the vote. We're voting. We're not  
11 discussing. We're voting.

12 COMMISSIONER BURTON: I said, for the  
13 record, I'm a yes vote.

14 COMMISSIONER HOLT: Oh, thank you.

15 MS. WHITE: Madam Chairperson, the motion  
16 passed.

17 COMMISSIONER HOLT: Thank you.

18 COMMISSIONER GRIFFIE: Madam Chair, may I  
19 speak one more time?

20 COMMISSIONER HOLT: Yes, Commissioner  
21 Griffie.

22 COMMISSIONER GRIFFIE: I want to be very  
23 clear about what I expect, crystal clear, and I will  
24 be sending an e-mail following this meeting with  
25 exactly what I want, and it needs to be at the next

1 meeting, the meeting after next week, 'cause we're not  
2 meeting in a week, so two weeks from today. And I  
3 (audio dropped) have any holes in this information. I  
4 want a full report, and I also want the data that I  
5 requested back in January. (Inaudible.) If I cannot  
6 right now in front of everybody attest to the  
7 effectiveness of this program, that's a problem, and  
8 if I cannot attest to the effectiveness of the  
9 program, I will shut it down. I will shut it down. I  
10 will work with my colleagues, and we will not allow  
11 you (inaudible) anymore. I am fed up because it has  
12 been over six months.

13 COMMISSIONER HOLT: Thank you, Commissioner  
14 Griffie.

15 COMMISSIONER BURTON: Madam Chair?

16 COMMISSIONER HOLT: We're going to --

17 COMMISSIONER BURTON: Madam Chair?

18 COMMISSIONER HOLT: Okay. We're going to  
19 move on to the next item.

20 COMMISSIONER BURTON: Madam Chair?

21 COMMISSIONER HOLT: You're out of order,  
22 Commissioner Burton.

23 COMMISSIONER BURTON: How am I out of  
24 order?

25 COMMISSIONER HOLT: Well, because we're

1 going to follow the agenda, and the issue is closed.

2 COMMISSIONER BURTON: I don't think --

3 MS. WHITE: Madam Chairperson.

4 COMMISSIONER HOLT: Thank you. We're going  
5 to have a presentation to the board by the domestic  
6 violence unit.

7 MS. WHITE: Madam Chairperson Holt, I also  
8 wanted to mention that Commissioner Holley has joined  
9 the line, and we are attempting to located Captain  
10 Cavin for the domestic violence presentation.

11 COMMISSIONER HOLT: Okay.

12 COMMISSIONER HOLLEY: You going to say good  
13 afternoon to me? You gonna say hello to me?

14 COMMISSIONER HOLT: Oh, good afternoon,  
15 Commissioner Holley.

16 COMMISSIONER HOLLEY: Thank you.

17 COMMISSIONER HOLT: You missed your Jewel  
18 earlier today. The resolution was beautiful.

19 COMMISSIONER HOLLEY: Thank you so much.

20 COMMISSIONER HOLT: You're welcome. Thank  
21 you.

22 MS. WHITE: Madam Chairperson, we're still  
23 attempting to locate Captain Cavin.

24 COMMISSIONER DAVIS: Madam Chair?

25 COMMISSIONER HOLT: Commissioner Davis?

1 COMMISSIONER DAVIS: If we're still looking  
2 for someone, perhaps you could allow Commissioner  
3 Burton to finish his statements.

4 COMMISSIONER HOLT: No. We're not going to  
5 go back to that discussion. It's already resolved.  
6 Commissioner Griffie did an excellent presentation of  
7 the motion. She gave all the details, which -- we  
8 voted on it. No, we're not going to go back to that  
9 discussion. We're going to follow the agenda. Thank  
10 you.

11 MS. WHITE: Madam Chairperson Holt, Captain  
12 Cavin is not on the line at this time. I'm not sure  
13 if Deputy Chief Wilson has any information regarding  
14 Captain Cavin at this time. We're still attempting to  
15 look for her on the panelist link.

16 DC WILSON: Through the --

17 COMMISSIONER HOLT: Oh, I'm sorry. Go on.

18 DC WILSON: Through the chair, I just  
19 received a message from Captain Cavin that Sergeant  
20 Kyla Williams, the officer in charge of the domestic  
21 violence unit, is on the line and ready to do the  
22 presentation.

23 COMMISSIONER HOLT: Thank you so much,  
24 Deputy Chief Marlon Wilson. Are we still going to  
25 look forward to the discussion of the 1033 regarding

1 First Assistant Chief Stair?

2 DC WILSON: Yes, ma'am.

3 COMMISSIONER HOLT: Okay. Thank you.

4 We're ready for the domestic violence  
5 presentation, Ms. White.

6 MS. WHITE: Yes. Thank you.

7 Deputy Chief Wilson, would you please  
8 repeat the name once more?

9 DC WILSON: It's going to be Sergeant Kyla  
10 Williams.

11 MS. WHITE: Would the host please unmute  
12 Ms. Williams's microphone?

13 SERGEANT WILLIAMS: Hello? Can everyone  
14 hear me?

15 COMMISSIONER HOLT: Yes, we can hear you  
16 real well.

17 SERGEANT WILLIAMS: Okay. Good afternoon  
18 to the board.

19 THE BOARD: Good afternoon.

20 SERGEANT WILLIAMS: Through the chair, I'm  
21 not sure if there was a PowerPoint sent to you-all,  
22 but we did get an approved PowerPoint. Yep. Okay.  
23 Yep. It's on the screen. Okay. So can we go to the  
24 next slide, or do I have control of the next slide?

25 MS. WHITE: We can move to the next slide.

1 SERGEANT WILLIAMS: Okay. Next slide,  
2 please. Thank you. Okay. So I am Sergeant Kyla  
3 Williams, the officer in charge of the domestic  
4 violence unit here with DPD, and this is just a basic  
5 overview of our unit and what we do here. We are the  
6 investigating unit of all intimate partner violence  
7 within the city of Detroit. The goal of our unit is  
8 to stop intimate partner violence in our community,  
9 and we serve as an epicenter of multidisciplinary  
10 criminal justice efforts. We also use these efforts  
11 to prevent what has been identified the most  
12 frequently and least reported crime across the nation,  
13 which we know as intimate partner violence. We have  
14 specially trained detectives, police officers,  
15 corporals within our unit who do detailed  
16 investigations and use referrals (indiscernible)  
17 source network. Not only do we do our investigations,  
18 we also have networks with various agencies around the  
19 city and the Metro Detroit area where we can use as  
20 referrals for victims, survivors of intimate partner  
21 violence.

22 Our current personnel in the Detroit Police  
23 Department's domestic violence unit consists of one  
24 lieutenant, who is over the entire special victim's  
25 unit. We have four sergeants, and one sergeant is

1 currently on extended leave, so we only have,  
2 technically, three sergeants active. We have two  
3 investigator ranks, nine detective ranks, six corporal  
4 ranks, three police officer ranks, and one civilian  
5 rank.

6           The objectives for the domestic violence  
7 unit is to send a message that domestic violence is a  
8 crime and it's a crime that, if you commit it, you  
9 will be prosecuted. We provide equal protection under  
10 the law regardless of who is a victim of intimate  
11 partner violence and/or offender of intimate partner  
12 violence.

13           We also provide resources and referral  
14 information to victims, maintain and improve  
15 partnerships with other agencies such as the  
16 prosecutors's office, social workers, shelters, other  
17 advocates that are doing the work around the Metro  
18 Detroit area for intimate partner violence. We also  
19 educate the public and the police on laws, procedures,  
20 and policies for processing domestic violence cases.  
21 October is domestic violence awareness month, so we  
22 try to do prevention and awareness throughout the  
23 community for domestic violence to let the community  
24 know, one, what domestic violence is, what it is not,  
25 what it looks like, and where they can go for services

1 if needed.

2 This particular unit of the Detroit Police  
3 Department, we handle the relationship of domestic  
4 violence, slash, intimate partner violence for spouses  
5 and former spouses, couples who reside together or  
6 formerly resided together, couples who have a child or  
7 children in common, and elder abuse cases where the  
8 victim is 65 years of age and has been the victim of  
9 some type of crime by someone who has care, custody,  
10 and control over them, be it a family member or a  
11 nursing home facility. And we also handle malicious  
12 destruction of property, where an assault has occurred  
13 and there is a personal protection order in place.

14 A few of your partners here within the unit  
15 are the STOP grant and STOP stance for Services,  
16 Training, Officers, and Prosecution [sic]. That is a  
17 federal grant that is awarded to the state board,  
18 Michigan Domestic Violence and Sexual Assault and  
19 Prevention and Treatment Board. They are awarded the  
20 monies from the Office on Violence Against Women, and  
21 they choose which entities under their authority will  
22 get the grant funding. So our unit is one of the  
23 jurisdictions who receives that grant's funds, and  
24 that basically provides the salary of one officer in  
25 our unit to do investigations for intimate partner

1 violence.

2           We also partner with our victim's  
3 assistants, who are our social workers and advocates  
4 that are the police department employees, so we work  
5 with them on a daily basis to provide whatever  
6 services and resources a victim may need outside of  
7 the criminal investigation. It could be anything from  
8 crisis intervention to assisting with transitional  
9 housing. We also have a good working relationship  
10 with the Wayne County Prosecutor's Office, where they  
11 have a dedicated domestic violence unit who reviews  
12 our warrants on a daily basis, and we are in constant  
13 communication with them for the investigation and  
14 prosecution of our cases. There are precinct social  
15 workers at the precincts that we work with, too, on a  
16 daily basis. They fall under the Victim's Assistance  
17 Program, so the same thing that we do with the  
18 Victim's Assistance, we do with the precinct social  
19 workers.

20           I am also a part of the Wayne County  
21 Domestic Violence Fatality Review Team. We meet once  
22 a month, approximately -- give or take a couple of  
23 months off in the summer -- where we discuss  
24 adjudicated domestic violence homicides, and we review  
25 everything from the police action, maybe Department of

1 Corrections actions, and anything that is available to  
2 the public. We review the case, and we do an annual  
3 report of our findings and recommendations to try to  
4 improve the system to prevent future domestic violence  
5 homicides.

6           This is just information on our STOP grant.  
7 Again, it covers one police officer's salary  
8 (indiscernible) signs of domestic violence, and it  
9 should be coming to an end this year in September, but  
10 I am pretty confident that it will get reviewed or  
11 renewed again for several more years. These are the  
12 current cases assigned to the domestic violence unit.  
13 It's broken down by 2018, 2019, 2020 from the months  
14 of January to May. The total number of cases we had  
15 from January to May in 2018, as you can see, is  
16 3,103 cases. Of that 3,103 cases, 1,025 were  
17 felonies, and 2,078 were misdemeanors.

18           In 2019, from January to May, we were  
19 assigned a total of 3,878 cases. Of those cases in  
20 2019, 2,993 were misdemeanors, and 878 were felonies.  
21 This year, from January to May, we have a total of  
22 3,648 cases that were assigned for investigation to  
23 this unit alone. 787 were felonies, and 2,861 were  
24 misdemeanors.

25           Next slide, please.

1           This is just a case of -- a PowerPoint of  
2   our case, slash, workload averages. In 2018, from  
3   January to May, we had approximately 13 investigators  
4   who took cases here, so doing the math, the average of  
5   cases per investigator for 2018 was 239. The average  
6   of cases per investigator, which was 12 in 2019 from  
7   January to May, was 323, and this year, 2020, from  
8   January to May, we have 14 investigators here in the  
9   unit who take cases, and they're averaging  
10   approximately 261 cases thus far. We type all felony  
11   warrants for in-custody -- actually, we type on all  
12   in-custody arrests, and we type on all felony  
13   non-in-custody arrests.

14           When I say "type," I mean warrants  
15   submitted to the prosecutor's office. So the average  
16   number of warrants submitted in 2015 for the first  
17   five months of the -- I'm sorry -- 2018 for the first  
18   five months of the year was 115 warrants. In 2019,  
19   approximately 160 warrants were submitted, and in  
20   2020, approximately 116 warrants have been submitted  
21   per investigator here in our unit.

22           These are just some of the resources that  
23   we have here in the unit. That's our phone number  
24   here, our main line, and we do have a department  
25   e-mail. Victim's Assistance, again, is our social

1 worker's number, 833-1660. It is a 24-hour, 7-day  
2 operation phone line where anyone can call. People  
3 from the department, first responders, investigations  
4 can call that number if they're seeking someone who  
5 needs assistance with intimate partner violence,  
6 sexual assault, secondary victims of homicide for  
7 immediate crisis intervention, and/or assistance with  
8 shelter placement. And, also, we get a lot of phone  
9 calls for people needing assistance with personal  
10 protection orders, so that's the Wayne County Clerk's  
11 office for personal protection orders.

12 And my last slide, I believe, are  
13 questions, if there are any.

14 COMMISSIONER HOLT: Are there any  
15 questions, commissioners?

16 COMMISSIONER GRIFFIE: Through the chair.

17 COMMISSIONER HOLT: Yes, Commissioner  
18 Griffie.

19 COMMISSIONER GRIFFIE: Hi. Thank you,  
20 Chair.

21 So there's been a lot of talk across the  
22 nation with the pandemic that domestic violence  
23 assaults have increased, and I just want to understand  
24 what your take is (audio dropped) having, in fact,  
25 seen an increase in domestic violence incidents. What

1 have we done to try to (audio dropped)? Have we done  
2 anything to try to offer crisis counseling or social  
3 work-type assistance to some of our (audio dropped)?

4 SERGEANT WILLIAMS: Yes, ma'am. Through  
5 the chair, you broke up in some of your questions, but  
6 I think I got the gist of what you were asking. You  
7 were asking have we seen an increase since the  
8 COVID-19 incident, and what are we doing as it relates  
9 to addressing any of those issues that may have come  
10 up during COVID-19 for intimate partner violence?

11 COMMISSIONER GRIFFIE: Well, I also want to  
12 understand if you're working with the community to get  
13 the (indiscernible) crisis intervention programs, et  
14 cetera, that are proven to be helpful to people who  
15 may be in a home with their spouse and can't seek  
16 normal channels of support.

17 SERGEANT WILLIAMS: Okay. Yes, I am aware  
18 that on a national level, that the incidences of  
19 intimate partner violence have gone up as it relates  
20 to COVID-19; however, for our numbers that we're  
21 seeing here for our unit, they have not gone up.  
22 There's actually a slight decrease in them. No victim  
23 that we have come in contact with for -- during this  
24 COVID-19 pandemic has gone without any services or  
25 resources. What we do here, and what we have always

1 done here, is every report that we come across or  
2 that's assigned to investigators here in the domestic  
3 violence unit, those reports are given to our  
4 advocates and social workers in Victim's Assistance.  
5 Victim's Assistance contacts each one of those victims  
6 on the report for services and resources.

7           Also, when people call who may not have  
8 gotten -- who a social worker may not have reached or  
9 contacted and they'll call the office, I personally  
10 have put them in touch with our advocate. We have an  
11 advocate here in our office pretty much throughout the  
12 week from 6:00 a.m. to 2:00 p.m., and when she's gone,  
13 we call the main number of -- the 833-1660. So  
14 whenever someone comes forth and asks for assistance,  
15 if we cannot give it to them, we refer them to  
16 Victim's Assistance, who has the networking of all the  
17 resources for prevention and awareness, shelters,  
18 transitional housing. Some of them, they just need  
19 individual or group counseling, so they offer that  
20 through our Victim's Assistance Program. But each  
21 report that we get assigned here in our unit, the  
22 victim is contacted at least twice -- once by the  
23 officer who handles the case and twice by the social  
24 worker or advocate who is going to receive a copy of  
25 the report, and they get that on a daily basis.

1 COMMISSIONER HOLT: Thank you. Are there  
2 other (inaudible)?

3 Yes, Commissioner Burch.

4 COMMISSIONER BURCH: Yes, ma'am.

5 Thank you.

6 Sergeant Williams is your name; correct?

7 SERGEANT WILLIAMS: Yes, ma'am.

8 COMMISSIONER BURCH: Okay. I just wanted  
9 to -- this is Commissioner Shirley Burch. I wanted to  
10 share because I've spoken to this before. In your  
11 domestic violence, do you also include mental health  
12 regarding whatever is going on in the situation? Is  
13 that a part of your responsibility, to see if anybody  
14 in that violence is affected by the mental health? Do  
15 they have a mental health problem?

16 SERGEANT WILLIAMS: Yes, ma'am. Through  
17 the chair, I spoke to the program manager today with  
18 Victim's Assistance, and we talked about victims who  
19 have -- may have mental health illness. So Victim's  
20 Assistance is in contact with agencies and resources  
21 for mental health concerns. She talked to a victim  
22 on -- yesterday who needed some assistance with mental  
23 health, so we do provide any services or resources and  
24 referrals for anyone that needs assistance with mental  
25 health. I hope that answers your question.

1 COMMISSIONER BURCH: It does a little bit.  
2 Sergeant, what I'm trying to say is that that's very,  
3 very prevalent in the African-American community, is  
4 mental health. Our police department has to deal with  
5 the people with mental health issues, which they're  
6 not trained to address. So the deputy mayor, who is  
7 now Conrad Mallett, is over mental health. We're  
8 trying to see what is he going to do as far as helping  
9 our police officers and our citizens to get the proper  
10 care because we see it all the time throughout the  
11 communities where they let them back out, the people  
12 with mental issues. They only slap them on the wrist  
13 a little bit, give them some medicine, and they go  
14 back on the street and do the same thing. My next  
15 question to you is that -- do they actually -- when  
16 you're doing your domestic violence, do you find it  
17 more in the women complaining or the men? You know,  
18 men can be abused, too.

19 SERGEANT WILLIAMS: Yes, ma'am. I totally  
20 agree with you, and, yes, the same resources and  
21 services that we offer for women, we also offer for  
22 men. You are correct when you say that women are more  
23 so victims of domestic abuse than men are,  
24 statistically speaking, but we do have male victims  
25 who will come forth and move with us through the

1 process of prosecution as well as receiving services  
2 and resources for intimate partner violence. And we  
3 also have a couple of male social workers on board, so  
4 if they aren't comfortable in talking with a female  
5 social worker or advocate, we have male social workers  
6 and advocates as well.

7 COMMISSIONER BURCH: Because we've got to  
8 end --

9 Ms. Chair, thank you.

10 We've got to end that whole (inaudible) or  
11 what we're saying, that women are weak. The man is  
12 strong, so he's not supposed to touch that woman, but  
13 a woman can cause it. That's what I taught my three  
14 sons. Whenever there's a disagreement, you're the  
15 man. Leave the house and cool off. You don't engage  
16 in an argument. Okay? So this is what I'm saying.  
17 Women draw violence sometimes to themselves. But I  
18 think -- and I've asked this before to Melanie. How  
19 can we get in touch with Conrad Mallett, who is  
20 supposed to be assigned to mental health and the  
21 COVID?

22 Ms. Melanie, would you please -- I'm still  
23 trying to get in touch with him.

24 I thank you, Sergeant.

25 SERGEANT WILLIAMS: You're quite welcome,

1 ma'am.

2 COMMISSIONER HOLT: Thank you, Sergeant  
3 Kyla Williams. Any there other questions for the  
4 sergeant?

5 COMMISSIONER DAVIS: Yes.

6 COMMISSIONER BROWN: Madam Chair, just one  
7 question.

8 COMMISSIONER HOLT: I think Commissioner  
9 Davis jumped on before you this time, Commissioner  
10 (inaudible).

11 COMMISSIONER BROWN: All right.

12 COMMISSIONER HOLT: Thank you.

13 COMMISSIONER DAVIS: I have a quick  
14 question, Sergeant Williams.

15 SERGEANT WILLIAMS: Yes, sir.

16 COMMISSIONER DAVIS: Do you-all have a  
17 theory as to why our numbers haven't gone up like most  
18 places throughout the country as it relates to  
19 domestic violence, especially during the COVID?

20 SERGEANT WILLIAMS: Oh, man. That's a good  
21 question, sir. Through the chair, I don't really have  
22 a theory, per se. I think it's just maybe the hard  
23 work that we do here in the domestic violence unit,  
24 and we are -- I personally am really big on prevention  
25 and awareness, so as much as I can, I try to talk and

1 get the word out there, but I don't have a direct  
2 theory.

3 COMMISSIONER DAVIS: Also, have you-all  
4 done more mental health referrals than before, than  
5 normal?

6 SERGEANT WILLIAMS: We don't do mental  
7 health referrals as far as the investigation is  
8 concerned. That would be done from our Victim's  
9 Assistance aspect, the social workers. What we do is  
10 we talk to the victims as -- and find out if they're  
11 going to cooperate with a criminal investigation, and  
12 then if not, we will also extend the services and  
13 resources to them through Victim's Assistance. So  
14 Victim's Assistance will reach out to them, and I'm  
15 sure, as licensed social workers, if they see a need  
16 for some type of mental health intervention, they will  
17 do such.

18 COMMISSIONER DAVIS: Thank you.

19 COMMISSIONER HOLT: Thank you.

20 Commissioner Brown?

21 COMMISSIONER BROWN: Sergeant Williams,  
22 thank you for the report. There's a lot of valuable  
23 information in there.

24 SERGEANT WILLIAMS: You're welcome, sir.

25 COMMISSIONER BROWN: Just very quickly, the

1 phone numbers that the NPOs give out with their  
2 numbers on it to -- I didn't think -- from the Crime  
3 Stoppers handout, the door knocker, is your number and  
4 contact information on the back of there as well? I  
5 don't have one in front of me.

6 SERGEANT WILLIAMS: Are you talking about  
7 the -- there's a victim's notification card that's  
8 given out by first responders to every victim of  
9 domestic and sexual assault that has our number on it  
10 and some more resources for intimate partner violence,  
11 but I'm not sure if the door knocker from Crime  
12 Stoppers -- 'cause I haven't seen that -- has the  
13 phone number on it for domestic violence.

14 COMMISSIONER BROWN: Yeah, the NPOs have  
15 them, and we -- they have all that contact information  
16 for that precinct, and I just don't remember seeing  
17 it. It would probably be nice, a good thing, if we  
18 could get the domestic violence contact information on  
19 there also if it's not there. I'll look at it, and  
20 I'll follow up with DC Williams.

21 SERGEANT WILLIAMS: Yes, sir. And if any  
22 NPO needs copies of the victim's notification cards,  
23 we have them here in our office. It's just a matter  
24 of getting them out. We distributed them to the  
25 precincts when we first received them, so some of them

1 have come back and asked for additional copies, and we  
2 have them in Spanish, Arabic, and English.

3 COMMISSIONER HOLT: Are there any other  
4 questions to Sergeant Williams?

5 Commissioner Burton?

6 COMMISSIONER BURTON: You know, I just want  
7 to know are there any data out there to show where  
8 someone that was falsely arrested, like -- such as  
9 Robert Williams, where being falsely arrested,  
10 spending 30 hours, approximately, in jail --

11 COMMISSIONER HOLT: Commissioner Burton --

12 COMMISSIONER BURTON: -- how does this  
13 affect their mental health going forward? Knowing  
14 that Brother Williams had a wife, a family, a child,  
15 and that was also loved in his community, how does it  
16 affect those that are wrongfully arrested by Detroit  
17 Police or any other agency? How did this affect their  
18 mental health? Are there any statistics or data out  
19 there that. . .

20 SERGEANT WILLIAMS: Yes, sir. Through the  
21 chair, I'm not sure of any data on mental health as  
22 far as how it affects -- I'm not sure --

23 (Simultaneous speakers.)

24 COMMISSIONER BURTON: As far as those that  
25 are falsely arrested, though.

1 COMMISSIONER HOLT: Commissioner Burton --

2 SERGEANT WILLIAMS: Well, I handle domestic  
3 violence --

4 COMMISSIONER HOLT: I'm sorry, Sergeant  
5 Williams.

6 SERGEANT WILLIAMS: -- so I'm not sure.

7 COMMISSIONER HOLT: I'm interrupting you,  
8 Commissioner Burton.

9 Could you go back to the beginning of your  
10 statement, please? And I'm sorry.

11 SERGEANT WILLIAMS: Yes, ma'am.

12 I was just saying we don't handle that  
13 here. We handle intimate partner violence, so I'm not  
14 sure. Are you referring to false arrests of people  
15 who are charged with intimate partner violence? I  
16 don't have any data on that, and I don't have any  
17 specific data on the false arrest or alleged false  
18 arrest of Mr. Williams, sir.

19 COMMISSIONER HOLT: Thank you so much,  
20 Sergeant Williams.

21 SERGEANT WILLIAMS: You're welcome.

22 COMMISSIONER HOLT: If we have no more  
23 questions to the sergeant regarding our domestic  
24 violence, we're going to move on the -- continue with  
25 the agenda.

1 Ms. White, Deputy Chief Marlon Wilson is  
2 still here, so we're -- are the commissioners supposed  
3 to read the report that we received in our mailbox  
4 about the 1033?

5 MS. WHITE: Madam Chairperson, I did just  
6 want to thank you for mentioning that. The report  
7 that Deputy Chief Wilson mentioned earlier, the  
8 honorable board has already received that written  
9 report.

10 And so, Deputy Chief Wilson, if you have  
11 any information or any additional information from the  
12 department or from First AC Stair --

13 But the honorable board did receive that  
14 written report.

15 COMMISSIONER HOLT: Okay. Thank you,  
16 Ms. White.

17 Thank you, Deputy Chief Marlon Wilson.

18 DC WILSON: No problem.

19 COMMISSIONER HOLT: The next item on the  
20 agenda is the interim secretary's report.

21 MS. WHITE: Thank you, Madam Chairperson  
22 Holt.

23 Honorable board, if you refer to your  
24 agenda, the following incoming information was  
25 received into the board's office this week, and they

1 are as follows: No. 1, DPD Facial Recognition Report  
2 No. 33; No. 2, community letters concerning police  
3 brutality and Black Lives Matter; No. 3,  
4 correspondence from Ms. Fredia Butler, dated June 10,  
5 2020; No. 4, correspondence from Mr. Cecil Coston,  
6 dated June 14, 2020; No. 5, correspondence regarding  
7 board of police commissioners bylaws; No. 6,  
8 correspondence from Attorney Phil Mayor from the ACLU  
9 fund of Michigan, dated June 24, 2020; No. 7, Wayne  
10 County Commission Resolution 2020-347 regarding the  
11 Justice in Policing Act of 2020 and supporting  
12 materials -- and this information was submitted from  
13 the Wayne County Commission and the Wayne County  
14 Commissioner, Jewel Ware -- No. 8, the board received  
15 the domestic violence presentation that was just  
16 presented; No. 9, the board received the department's  
17 response regarding the board's use of force  
18 recommendations; No. 10, the department's response  
19 regarding the department's participation in the 1033  
20 program with the Department of Defense; No. 11, facial  
21 recognition e-mail correspondence report regarding  
22 recent articles, including the press statement from  
23 the Wayne County Prosecutor's Office; No. 12,  
24 correspondence from Chief of Police, James E. Craig  
25 regarding recommendations for executive appointments

1 to the rank of commander and captain. And that  
2 concludes the incoming correspondence for this week,  
3 honorable board.

4 COMMISSIONER HOLT: Thank you, Ms. White.  
5 The next item --

6 COMMISSIONER BROWN: Madam Chair, before we  
7 go on, I have a question for Ms. White.

8 COMMISSIONER HOLT: Sure, Commissioner  
9 Brown.

10 COMMISSIONER BROWN: The letter concerning  
11 the arrest of Robert Williams, to my understanding,  
12 that went to the office of the chief investigator a  
13 few months ago. Is that true?

14 MS. WHITE: Through the chair, Commissioner  
15 Brown, to my understanding, the letter just came in  
16 yesterday, and it was immediately forwarded to the  
17 office of the chief investigator, and they are  
18 currently reviewing and evaluating the facts and  
19 circumstances to determine if the office of the chief  
20 investigator is the appropriate venue to investigate  
21 that complaint. But, to my understanding, it just  
22 came in yesterday.

23 COMMISSIONER BROWN: Okay. But I must have  
24 been told that Mr. Williams tried to file a complaint.  
25 Can we find out if that's something he did early on

1 and it was overlooked and this board didn't know  
2 anything about it?

3 MS. WHITE: Yes, sir, we can.

4 COMMISSIONER BROWN: That's very -- that's  
5 very alarming. It's like my colleague Commissioner  
6 Griffie was stating, this doesn't fall on the ears of  
7 DPD, but if the OCI staff had received this  
8 information, we could have gotten on top of this and  
9 not hear about this through the news and hear this  
10 alarming situation here. So I would really like to  
11 find out, and I would reach out to maybe the attorney  
12 to find out or have our attorney reach out to him and  
13 find out if a complaint was lodged or tried to lodge  
14 with the office of the chief investigator.

15 MS. WHITE: Yes. Through the chair, yes,  
16 Commissioner Brown, I will double-check on that. And  
17 I will say that the office of the chief investigator  
18 and, of course, the board of police commissioners, any  
19 complaints that we receive, we immediately review and  
20 evaluate the circumstances and contact the citizen  
21 regarding their complaints, so we do not turn any  
22 complaints away. However, I will follow up on that  
23 item, sir.

24 COMMISSIONER BROWN: Okay. Thank you.

25 Thank you, Madam Chair.

1 COMMISSIONER HOLT: And thank you,  
2 Commissioner Brown.

3 Are there other questions or concerns?  
4 Okay. We're dealing with unfinished business and the  
5 charter amendment.

6 Ms. White?

7 MS. WHITE: Yes. Attorney Wyrick is also  
8 on the line.

9 COMMISSIONER HOLT: Thank you.  
10 Attorney Wyrick?

11 MR. WYRICK: Good afternoon, honorable  
12 board.

13 Through the chair, there is a meeting  
14 scheduled for the board's presentation on charter  
15 amendments this Saturday at 12:00 o'clock, Saturday,  
16 June 27th. This is basically what you have before  
17 you -- the recommendations that were actually voted on  
18 by this honorable board back on February 13th of 2020.  
19 So it's just a matter of how you-all want to present  
20 to the charter commission at this time.

21 COMMISSIONER HOLT: I guess I don't  
22 understand your question. Please, could you clarify?  
23 You said how?

24 MR. WYRICK: I said it doesn't matter how  
25 the honorable board wants to make the presentation of

1 the charter recommendations to the charter commission.

2 COMMISSIONER BROWN: Do we have a  
3 PowerPoint prepared? I mean through the chair.

4 MS. WHITE: Madam Chairperson and honorable  
5 board, Attorney Wyrick, the report -- the honorable  
6 board received the written report of all of the  
7 recommendations that were previously approved by the  
8 honorable board back in January of 2020, and so if you  
9 can just walk through each one of those  
10 recommendations for the honorable board's remembrance?

11 And, honorable board, you also received a  
12 copy of that written report today, this week, so you  
13 should have a copy of that right in your e-mail inbox,  
14 and it lists all of the recommendations that the full  
15 board approved.

16 So, Attorney Wyrick, if you can just walk  
17 through one of those recommendations, please.

18 MR. WYRICK: Yes. To go point by point,  
19 then, the first recommendation was that the board of  
20 police commission must approve all appointments and  
21 promotions by the chief of police of the Detroit  
22 Police Department. Just to explain, now there's a  
23 controversy in that regard in terms of whether or not  
24 the board has authority over appointments as opposed  
25 to appointments and promotions. So it would more or

1 less clarify that the board does have authority, not  
2 only for promotions but appointments as well. That  
3 would be the first point. Are there any questions  
4 regarding --

5 COMMISSIONER GRIFFIE: Are we reviewing a  
6 document? Madam Chair, are we reviewing a document,  
7 or are we just having a conversation?

8 COMMISSIONER BROWN: I think we're just  
9 having --

10 COMMISSIONER HOLT: Well, I believe  
11 Attorney Wyrick is going over the recommendations that  
12 we submitted a long time ago to the charter.

13 COMMISSIONER GRIFFIE: Madam Chair, I  
14 recommend that he -- that Attorney Wyrick put (audio  
15 dropped) so we can have a conversation rather than  
16 listening (audio dropped). I need to (audio dropped).  
17 That's the appropriate way to review this kind of a  
18 (audio dropped).

19 COMMISSIONER HOLT: Commissioner Griffie,  
20 I'm sorry. We lost your speech. Could you repeat?

21 COMMISSIONER GRIFFIE: Sorry. Yeah. My  
22 apologies. I hope you can hear me now. What I'm  
23 suggesting is that Attorney Wyrick submit  
24 documentation that we can then review and discuss at  
25 the next meeting because having a conversation about

1 how it's worded and how it looks is difficult to do  
2 verbally.

3 MR. WYRICK: Well, we don't have time to do  
4 that at this point because the actual meeting is  
5 scheduled this Saturday, so this is actually just more  
6 or less solidifying what was already voted on back in  
7 February --

8 COMMISSIONER HOLT: Right.

9 MR. WYRICK: -- with any additions that you  
10 would want to make last minute.

11 MS. WHITE: Excuse me. Through the chair.

12 COMMISSIONER HOLT: Yes, Ms. White.

13 MS. WHITE: Yes. Yes, ma'am. We are in  
14 the process of pulling that up on the shared-screen  
15 paneling so that the honorable board can see all of  
16 the recommendations, and then Attorney Wyrick can just  
17 walk through and just explain what the recommendations  
18 are. And then if there's any additional feedback or  
19 any editing or so forth from the honorable board, we  
20 can receive that information up until Saturday's  
21 presentation if that is your pleasure, honorable  
22 board.

23 COMMISSIONER BURTON: Madam Chair? Madam  
24 Chair?

25 COMMISSIONER HOLT: Yes, Commissioner

1 Burton.

2 COMMISSIONER BURTON: You know, I recommend  
3 that we set this aside for at least one or two weeks  
4 to give us an opportunity to not rush in making these  
5 type of matters -- these decision -- matters, but to  
6 take our time and to look at these concerns prior to  
7 going forward. Once again, I mean, right now this is  
8 like a -- this is so much urgency, but that don't mean  
9 we have to be able to buy into this right now today.  
10 We have to do our (indiscernible) responsibility and  
11 get back in a timely manner, and I think the  
12 appropriate time would be either -- I think July  
13 the 2nd meeting's been postponed till the 9th. I  
14 think we should get back on the 9th.

15 COMMISSIONER HOLT: Thank you, Commissioner  
16 Burton.

17 Commissioner Griffie?

18 COMMISSIONER GRIFFIE: Madam Chair, can we  
19 understand what's happening at the meeting on Saturday  
20 that we are (audio dropped)?

21 COMMISSIONER HOLT: Thank you, Commissioner  
22 Griffie.

23 Attorney Wyrick, so when you said -- I  
24 thought you came in and you said you wanted the board  
25 to instruct you on how we wanted our recommendations

1 presented. Did I understand that as your question?

2 MR. WYRICK: Yes, Chairperson Holt.

3 COMMISSIONER HOLT: Okay. So -- and I  
4 recall us going through a very rigorous presentation  
5 as it relates to these amendments to the charter  
6 related to the board, and -- and it has to be  
7 submitted by Saturday. Correct?

8 MR. WYRICK: It's already been submitted,  
9 Chairperson Holt, based upon the vote that the board  
10 had back on 4-13. So these have already been  
11 submitted. The only thing that's going on Saturday is  
12 that they're actually being presented at a public  
13 meeting Saturday at the charter commission.

14 COMMISSIONER HOLT: Okay. So -- so you're  
15 asking of us what, please?

16 MR. WYRICK: Just in terms of presentation.

17 COMMISSIONER HOLT: Who is going to do the  
18 presentation? That's what you're asking, Attorney  
19 Wyrick? Who will do the presentation on Saturday?

20 MS. WHITE: Madam Chair.

21 COMMISSIONER BURCH: No. Madam Chair.

22 COMMISSIONER HOLT: Okay. Wait. Wait.  
23 Commissioner Bell?

24 COMMISSIONER BELL: Madam Chairperson,  
25 (indiscernible) board's responsibility, how she's

1 going to manage this board and body. What we have  
2 is -- Commissioner Burton and Commissioner Griffie --  
3 we still have an opportunity. That is not a drop-dead  
4 date. It's an opportunity to go forward, and other  
5 concerns, but that is a target date that the chair  
6 will normally represent the board or designate in  
7 terms of how we officially operate. So we don't have  
8 to really weigh in back and forth but read off -- I  
9 mean, you're going to have to read. You've got copies  
10 of what we voted on. Just share that with the board,  
11 as Commissioner Griffie indicated, and any other  
12 changes, you've got ample opportunity to make those  
13 changes, or you can testify individually how you want  
14 to respond to that body.

15 COMMISSIONER HOLT: Okay. Thank you,  
16 Commissioner Bell.

17 Okay. Ms. White, you --  
18 Commissioner Burch?

19 COMMISSIONER BURCH: Madam Chair, I just  
20 need to be clear on what Mr. Wyrick said. What I  
21 thought he said, he was only going to read points of  
22 the charter that has already been approved by us, and  
23 the first thing he said is that we do have authority  
24 as far as when the chief makes recommendations. We  
25 have the authority to say no or yea. That was the

1 first thing I heard him say, and he's only reading  
2 what we already said back in January.

3 Mr. Wyrick, is that kind of right?

4 MR. WYRICK: Well, yeah. The board  
5 actually voted on these recommendations back on  
6 February 13th at a meeting, so these recommendations  
7 are based upon what the board has already voted on.

8 COMMISSIONER BURCH: Yes. I want to hear  
9 it.

10 Why should we prolong it, Madam Chair? Let  
11 him read it.

12 COMMISSIONER GRIFFIE: Through the chair.

13 COMMISSIONER HOLT: Yes, Commissioner  
14 Griffie.

15 COMMISSIONER GRIFFIE: I just wonder if we  
16 should take a little bit more time and re-examine what  
17 we -- so I remember, to your point, (inaudible) body  
18 over the course of a couple of meetings, and we did  
19 vote on things that we have discussed so far, but  
20 there have also been a number of other changes that we  
21 have discussed potentially adding in in light of some  
22 things that are happening now and that we think are  
23 relevant and appropriate for us to make. I think the  
24 best course of action is for us to re-examine what  
25 have (inaudible). I'd look at my e-mail. I'd see

1 that a note was sent to the entire commission staff,  
2 to all the commissioners, with the recommendation that  
3 we should review them, consider if this is our  
4 (indiscernible) list, and then come back at a later  
5 date and present the entire list at one time.

6 COMMISSIONER HOLT: Thank you, Commissioner  
7 Griffie.

8 So then do I understand you to say,  
9 Attorney Wyrick, Saturday is not the drop day? We do  
10 have more time for this?

11 MR. WYRICK: Yeah, but the only thing I  
12 would -- the caveat and the caution I would add to  
13 that is that there's not enough time after Saturday.  
14 Saturday is when they actually have a schedule to make  
15 a presentation. They have actually moved the deadline  
16 up. The drop-dead deadline was in September. Now  
17 it's the end of July, and we're looking at July next  
18 week.

19 COMMISSIONER HOLT: Okay. Thank you,  
20 Attorney Wyrick.

21 Well, is this a discussion that we need to  
22 pose a vote to say that we do want --

23 COMMISSIONER GRIFFIE: Madam Chair?

24 COMMISSIONER HOLT: Yes, Commissioner  
25 Griffie.

1 COMMISSIONER GRIFFIE: I move that we bring  
2 it back up for discussion, our recommendations for the  
3 Detroit Charter Commission to the charter, and that  
4 we -- that any potential changes are submitted to our  
5 director by the board by this body, and that all  
6 potential (indiscernible) at the next meeting and  
7 voted up or down.

8 COMMISSIONER HOLLEY: Second.

9 COMMISSIONER HOLT: It has been moved and  
10 seconded. Is there discussion?

11 COMMISSIONER BURCH: Yes, ma'am,  
12 discussion.

13 COMMISSIONER HOLT: Yes, ma'am.

14 COMMISSIONER BURCH: I just wanted to say,  
15 when Melanie and Commissioner Griffie put together the  
16 reformed, like, over the weekend and brought it to us  
17 as a board, that we accepted what they said in just a  
18 weekend what they did together. The only thing I  
19 added on to that was about the body cams, that the  
20 police officers had to have it on any time they're on  
21 duty. So we went ahead and okayed what Commissioner  
22 Griffie and Melanie put together, so that's the same  
23 thing as what we've done with the charter. So why do  
24 we keep going back over things? That's all.

25 COMMISSIONER HOLT: Thank you,

1 Commissioner Burch.

2 Commissioner Griffie?

3 COMMISSIONER GRIFFIE: I just wanted to  
4 respond to Commissioner Burch.

5 So I think the difference here is that that  
6 process is going to be a back-and-forth, where the  
7 final is not going to be (audio dropped) there. The  
8 (audio dropped). We want one submission of everything  
9 to the charter. This is our last chance at this, and  
10 I think it's important that we get it right, and so  
11 that's why I am pushing back is that we don't get  
12 another chance on this. But the policy, as I had  
13 mentioned in my speech, my passionate speech a couple  
14 weeks ago, we can revise it at any time. This is an  
15 (indiscernible) process. This is not an  
16 (indiscernible) process. We have one moment to make  
17 all of our changes and submit this to the (audio  
18 dropped), and I think we should do that in a more  
19 thoughtful approach.

20 COMMISSIONER HOLT: Okay. Any more --

21 Thank you, Commissioner Griffie.

22 Any more discussion? Okay.

23 The question? Ms. White, would you call  
24 the roll call?

25 MS. WHITE: Commissioner Bell?

1 COMMISSIONER BELL: Yea.

2 MS. WHITE: Commissioner Brooks?

3 Commissioner Brown?

4 COMMISSIONER BROWN: Yea.

5 MS. WHITE: Commissioner Burch?

6 COMMISSIONER BURCH: Reluctantly, yes.

7 MS. WHITE: Commissioner Burton?

8 COMMISSIONER BURTON: Nay.

9 MS. WHITE: Commissioner Davis?

10 COMMISSIONER DAVIS: Yea.

11 MS. WHITE: Commissioner Griffie?

12 COMMISSIONER GRIFFIE: Yes.

13 MS. WHITE: Commissioner Hernandez?

14 COMMISSIONER HERNANDEZ: Yes.

15 MS. WHITE: Commissioner Holley?

16 COMMISSIONER HOLLEY: Yes.

17 MS. WHITE: Chairperson Holt?

18 COMMISSIONER HOLT: Yes.

19 MS. WHITE: The motion passed.

20 COMMISSIONER HOLT: Thank you so much.

21 Now, new business, it needs to be

22 reiterated that the board of police commissioners

23 meeting --

24 COMMISSIONER BURTON: Madam Chair?

25 COMMISSIONER HOLT: New business?

1 COMMISSIONER BURTON: Madam Chair?

2 COMMISSIONER HOLT: Ten seconds,  
3 Commissioner Burton.

4 New business, the board of police  
5 commissioners meeting scheduled for July the 2nd is  
6 canceled in observance of the 4th of July holiday, and  
7 I think it was -- so we know that our next meeting  
8 instead will be July the 9th.

9 Yes, Commissioner Burton. Under new  
10 business?

11 COMMISSIONER BELL: Madam Chair, just an  
12 action item. I move that we cancel the July 2nd  
13 meeting due to the observation of (inaudible).

14 COMMISSIONER GRIFFIE: So moved.

15 UNIDENTIFIED COMMISSIONER: Support.

16 COMMISSIONER HOLT: It has been moved and  
17 supported that we not come to the meet- -- have a  
18 meeting next Thursday, July the 2nd. Those in favor  
19 of that motion?

20 THE BOARD: Aye.

21 COMMISSIONER HOLT: Those opposed? Okay.  
22 The motion has passed.

23 Thank you, Commissioner Bell.

24 Now, Commissioner Burton?

25 COMMISSIONER BURTON: Madam Chair, I have,

1 actually, a few motions. Okay. So, you know, I speak  
2 for the 700,000 citizens that live in the city of  
3 Detroit and the hundred thousand people that live in  
4 the 5th District, you know, just -- I just wanted  
5 to -- I just want to put this motion out there to -- I  
6 move to end Detroit Police Department's use of facial  
7 recognition.

8 COMMISSIONER GRIFFIE: Point of order.

9 COMMISSIONER BROWN: Support.

10 COMMISSIONER DAVIS: Support.

11 COMMISSIONER GRIFFIE: Point of order. We  
12 can't reconsider a motion. We already have a motion  
13 on the table to (audio dropped).

14 COMMISSIONER HOLT: I'm sorry, Commissioner  
15 Griffie. I can't understand everything you're saying.

16 COMMISSIONER BURTON: Point of order.

17 COMMISSIONER GRIFFIE: The motion is --

18 COMMISSIONER HOLT: Excuse me, Commissioner  
19 Burton.

20 COMMISSIONER GRIFFIE: -- out of order.

21 The motion is out of order because we already have a  
22 motion on the table that was made by me to reconsider  
23 the use after the pending (audio dropped).

24 COMMISSIONER HOLT: Thank you.

25 Commissioner Brown.

1 COMMISSIONER BROWN: The motion was not out  
2 of order. It's something totally different that -- I  
3 believe what Commissioner Burton is (inaudible) is  
4 just disbanding with it altogether. As we heard, the  
5 motion was (indiscernible) evaluation of gathered  
6 information. His is stopping the use of it.

7 COMMISSIONER GRIFFIE: No. My motion in  
8 verbatim -- I have it written down -- was that we  
9 re- -- that the DPD perform a full investigation of  
10 the incident involving Mr. Williams and present it to  
11 the board of the BOPC, and then at that time, the  
12 board would reevaluate the continuation (audio  
13 dropped). That is the same motion that we just voted  
14 on.

15 COMMISSIONER BROWN: I don't think so.

16 COMMISSIONER HOLT: Okay. Thank you,  
17 Commissioner Brown.

18 Okay. Commissioner Burton, you can express  
19 your motion.

20 COMMISSIONER BURTON: So it's two different  
21 motions, and I actually --

22 (Interruption.)

23 COMMISSIONER HOLT: Can we have one at a  
24 time?

25 COMMISSIONER BURTON: So I did say point of

1 order to Evette Griffie.

2 COMMISSIONER HOLT: Commissioner Burton,  
3 may we please have your motion? May we please have  
4 your motion?

5 COMMISSIONER BURTON: Okay. My motion,  
6 once again, is I move to end Detroit Police  
7 Department's use of facial recognition.

8 COMMISSIONER BROWN: And I second the  
9 motion.

10 COMMISSIONER BELL: Madam Chair, point of  
11 order.

12 COMMISSIONER HOLT: Yes, sir.

13 COMMISSIONER BELL: I think Commissioner  
14 Griffie did a clear job of stating that this motion's  
15 out of order. We have already addressed the matter,  
16 and you must rule that this is out of order, and we  
17 can move on.

18 COMMISSIONER HOLT: Thank you.

19 COMMISSIONER DAVIS: I call the question,  
20 Madam Chair. I call the question.

21 COMMISSIONER BELL: The question would be  
22 supporting the chair.

23 COMMISSIONER DAVIS: No.

24 COMMISSIONER HOLT: Okay. Well, what we're  
25 going to do is move on.

1 And, Commissioner Burton, you said you had  
2 a second motion?

3 COMMISSIONER BURTON: Point of order, Madam  
4 Chair. You are not following Robert's Rules of Order.

5 COMMISSIONER HOLT: Commissioner Burton,  
6 we're going to move on.

7 COMMISSIONER BURTON: The motion was  
8 properly supported, and it was seconded.

9 COMMISSIONER HOLT: Commissioner Burton --

10 COMMISSIONER BURTON: You are not following  
11 the Robert's Rules of Order. You --

12 COMMISSIONER HOLT: Commissioner Burton --

13 COMMISSIONER BURTON: And you are  
14 prohibited from debating as the chair --

15 COMMISSIONER HOLT: Yes, sir. Do you have  
16 a second -- do you have a second motion?

17 COMMISSIONER BURTON: -- according to  
18 Robert's Rules of Order.

19 COMMISSIONER HOLT: Do you have a second  
20 motion?

21 COMMISSIONER BROWN: His motion was --

22 COMMISSIONER BURTON: We're still on that  
23 same motion, Madam Chair, and it was properly seconded  
24 and supported, for the record.

25 COMMISSIONER HOLT: We're going to move on.

1 COMMISSIONER BURTON: We're not going to  
2 move on. Point of order. No other business can come  
3 forward.

4 COMMISSIONER HOLT: We have announcements.  
5 We have announcements.

6 COMMISSIONER BURTON: Madam Chair --

7 COMMISSIONER HOLT: Commissioner Burton --

8 COMMISSIONER BURTON: -- I would like to  
9 call for the board attorney -- through the chair, I'd  
10 like to call for the board of charter attorney to  
11 weigh in on the motion, on the two motions. My motion  
12 was not out of order. I would like for the -- since  
13 we don't have a (indiscernible), I'd like to call on  
14 the board of attorney, who is hired by the Detroit  
15 Board of Police Commissioners, to weigh in on the  
16 motion.

17 COMMISSIONER HOLT: Attorney Wyrick, would  
18 you please weigh in so that we can move on?

19 MR. WYRICK: Yeah. I would agree with  
20 Commissioner Burton on this. It is two different  
21 motions.

22 (Cross talk.)

23 COMMISSIONER HOLT: Okay. So your first  
24 motion was to suspend facial recognition. We had a  
25 second motion. Is there a discussion?

1 COMMISSIONER GRIFFIE: Madam Chair?

2 COMMISSIONER HOLT: Yes, Commissioner  
3 Griffie.

4 COMMISSIONER GRIFFIE: I am not saying that  
5 I am, you know -- I am not necessarily in -- I do not  
6 necessarily not support Commissioner Burton's motion.  
7 (Audio dropped) tell what's happened so that we can  
8 evaluate it (audio dropped) program, and that's why I  
9 made the motion I did earlier today. I would inform  
10 my colleagues to give it (audio dropped) so we can  
11 make a vote with that (inaudible).

12 COMMISSIONER HOLT: I'm sorry, Commissioner  
13 Griffie. We're losing the meaning because of --

14 COMMISSIONER GRIFFIE: I'd just -- I'd like  
15 for us to have more information by the next meeting  
16 for my earlier motion, and I believe that at that  
17 time, we'll be in the position to decide whether we  
18 should (audio dropped) or not. I'm not saying I  
19 completely disagree with Commissioner Burton, but I  
20 would like for us to just hold off till the next  
21 meeting and give the DPD (audio dropped) what happened  
22 and why and evaluate it against the policy that was  
23 put in place, that was voted earlier at some point  
24 last year.

25 COMMISSIONER HOLT: Thank you.

1 (Cross talk.)

2 COMMISSIONER HOLLEY: Madam Chairperson?

3 Reverend Holley.

4 COMMISSIONER HOLT: Yes, Reverend Holley.

5 COMMISSIONER HOLLEY: Madam Chairperson,  
6 just to the -- I don't have a problem with the motion  
7 that Mr. -- Commissioner Burton -- the problem is that  
8 it's -- it's -- as important as this motion is, that  
9 the chief of police is not there to -- to defend this  
10 and the president of the -- president's not there, I  
11 think the motion can be voted up and down at the right  
12 time, but because the chief is not there, who -- who  
13 basically is -- is responsible for this, and the  
14 chairman of the commission is not there, I just feel  
15 like it's too important for us to just -- to do this  
16 without these principal players in this.

17 COMMISSIONER HOLT: Thank you, Commissioner  
18 Holley.

19 COMMISSIONER BURTON: Madam Chair?

20 COMMISSIONER BELL: Madam Chair?

21 Commissioner Bell speaking. The attorney is not  
22 binding on the chair of this board. You can still  
23 state that it's out of order. And I think  
24 Commissioner Holley raised two very important points  
25 in reference to the chair is not here, Chief Craig is

1 not here, and Commissioner Griffie's motion has  
2 already spoken to that. So we don't have to abide by  
3 Attorney Wyrick. We as an independent chair can make  
4 that decision that this (indiscernible) is out of  
5 order.

6 COMMISSIONER BURTON: Through the chair.  
7 We're on discussions?

8 COMMISSIONER HOLT: Let's -- let's --

9 COMMISSIONER BURTON: Through the chair,  
10 we're on discussions; right? So I want to -- before I  
11 go into my discussion, I want to say happy belated  
12 birthday to Commissioner Darryl Brown out of  
13 District 1, by the way. And, secondly, going to --

14 COMMISSIONER BELL: Madam Chair, point of  
15 order.

16 COMMISSIONER HOLT: Okay. Point of order.

17 (Cross talk.)

18 Commissioner Burton --

19 COMMISSIONER BURTON: Going to  
20 discussion --

21 COMMISSIONER HOLT: You've been warned.  
22 You've been warned. You've been warned.

23 COMMISSIONER BURTON: Under discussion,  
24 Madam Chair -- you did call on me, so under  
25 discussion --

1 COMMISSIONER BELL: There's no discussion.  
2 We're still dealing with the chair ruling.

3 COMMISSIONER BURTON: The board attorney  
4 already weighed in, so we must follow the direction of  
5 our attorney that represents the Detroit Board of  
6 Police Commissioners.

7 (Cross talk.)

8 COMMISSIONER DAVIS: The question has been  
9 called, Madam Chair.

10 COMMISSIONER HOLT: Thank you. Thank you  
11 so much.

12 Ms. White, may we have a roll call vote?

13 MS. WHITE: Yes, Madam Chairperson.

14 Commissioner Bell?

15 COMMISSIONER BELL: Nay.

16 MS. WHITE: Commissioner Brooks?

17 Commissioner Brown?

18 COMMISSIONER BROWN: Yes.

19 MS. WHITE: Commissioner Burch?

20 COMMISSIONER BURCH: I don't know.

21 MS. WHITE: Commissioner Burton?

22 COMMISSIONER BURTON: Yes.

23 MS. WHITE: Commissioner Davis?

24 COMMISSIONER DAVIS: Yes.

25 MS. WHITE: Commissioner Griffie?

1 COMMISSIONER GRIFFIE: No.

2 MS. WHITE: Commissioner Hernandez?

3 COMMISSIONER HERNANDEZ: No.

4 MS. WHITE: Commissioner Holley?

5 COMMISSIONER HOLLEY: No.

6 MS. WHITE: Chairperson Holt?

7 COMMISSIONER HOLT: No.

8 MS. WHITE: The motion failed.

9 COMMISSIONER HOLT: Thank you.

10 Now, the next item on the agenda --

11 COMMISSIONER BURTON: I did have another  
12 motion, Madam Chair. I did state that I had a few  
13 motions, Madam Chair, in the beginning.

14 COMMISSIONER HOLT: Commissioner Burton,  
15 we're going to move on.

16 COMMISSIONER BURTON: Madam Chair --

17 COMMISSIONER HOLT: The next item on the  
18 agenda --

19 COMMISSIONER BURTON: Point of order, Madam  
20 Chair. I did state that in the beginning I had a  
21 couple of motions. I did state that in the beginning,  
22 Madam Chair. I do represent a hundred thousand people  
23 that live in the --

24 COMMISSIONER HOLT: Commissioner Burton,  
25 what's your second motion?

1 COMMISSIONER BURTON: My second motion, I  
2 am ready -- actually, I am ready to present out on the  
3 1033 program with the Department of Defense that the  
4 Detroit Police Department's part of. Since they were  
5 not prepared, I want on the record to speak that I am  
6 properly prepared to speak out on it, and I still  
7 call -- I still come forth today with my motion to --  
8 to prohibit the Detroit Police Department from  
9 participating in the 1033 program with the Department  
10 of Defense.

11 COMMISSIONER HOLT: Okay. So what was your  
12 motion? I'm sorry.

13 COMMISSIONER BELL: Madam Chair, we already  
14 have a ruling. The chair must take charge of this  
15 meeting here. We already have a ruling that --

16 COMMISSIONER BURTON: Madam Chair, it was  
17 on the agenda for today's meeting for discussion. The  
18 Detroit Police Department was not prepared to speak  
19 out on it. I am prepared, but I still put the motion  
20 on the table. I move to prohibit the Detroit Police  
21 Department from participating in a 1033 program with  
22 the Department of Defense.

23 COMMISSIONER HOLT: Is there a second?

24 COMMISSIONER DAVIS: Second.

25 COMMISSIONER HOLT: Discussion?

1 COMMISSIONER BROWN: Madam Chair, I think  
2 we should be mindful of the fact that --

3 Commissioner Burton, they did -- they  
4 weren't prepared to speak, but we did get a  
5 correspondence from AC Stair about all of the  
6 equipment and everything we had, and we just -- I  
7 think it would be pertinent for us to take time to  
8 read and digest what we have received and communicate  
9 our questions back to the DPD, if any, that we have,  
10 because I saw some things on there that I would have  
11 some questions about. Rather than jumping into a  
12 motion, an issue like this, to just stop -- because I  
13 think the 1033 program, it is a valuable resource for  
14 the police department.

15 Let's not forget that we are on a border  
16 city, and the first responders to handle anything on  
17 this border city is going to be the Detroit Police  
18 Department, Detroit Fire Department. So I would just  
19 like to just, if we can -- we can vote the motion up  
20 and down, but I need just more information and digest  
21 what they have and how they're using the program and  
22 the equipment and materials that they're getting from  
23 the military.

24 COMMISSIONER HOLT: Thank you, Commissioner  
25 Brown.

1 Are there discussions?

2 COMMISSIONER GRIFFIE: Through the chair.

3 COMMISSIONER HOLT: Yes, Commissioner  
4 Griffie.

5 COMMISSIONER GRIFFIE: At the last meeting,  
6 I believe Commissioner Burch made a request to the  
7 department and asked that he follow up via e-mail in  
8 writing with all the questions that he (audio dropped)  
9 so we could come back and discuss it and have a full  
10 discussion with (inaudible) about what this program is  
11 and how it's being used in the Detroit Police  
12 Department. I'm not sure if there was (inaudible) or  
13 on DPD's side, but I would either urge one of the two  
14 parties, either Commissioner Burch, who has  
15 (indiscernible) posing the question, or the DPD to  
16 follow through.

17 COMMISSIONER HOLT: Okay. Thank you,  
18 Commissioner Griffie. And I think earlier Deputy  
19 Chief Marlon Wilson did allude to the fact that First  
20 Assistant Chief Stair might, but --

21 COMMISSIONER BURTON: Through the chair.

22 COMMISSIONER HOLT: -- it has been noted.  
23 We all have the response to the questions in our  
24 e-mail.

25 So call the question.

1 COMMISSIONER BURTON: Through the chair.

2 COMMISSIONER HOLT: Call the question.

3 COMMISSIONER BURTON: Under discussion,  
4 Madam Chair.

5 COMMISSIONER HOLT: Call the question.

6 COMMISSIONER BURTON: Madam Chair, we were  
7 still on the discussion. I would like to add -- weigh  
8 in on the discussion. I have not been properly -- I  
9 have not been -- I have not weighed in on the  
10 discussion. I would like to weigh in on the  
11 discussion representing the 5th District of a hundred  
12 thousand people that live in my district, Madam Chair.

13 COMMISSIONER HOLT: Ms. White, may we have  
14 a roll call vote?

15 MS. WHITE: Commissioner Bell?

16 COMMISSIONER BELL: Nay.

17 COMMISSIONER BURTON: Point of order, Madam  
18 Chair.

19 MS. WHITE: Commissioner Brooks?

20 Commissioner Brown?

21 COMMISSIONER BROWN: Yes.

22 MS. WHITE: Commissioner Burch?

23 COMMISSIONER BURCH: No.

24 MS. WHITE: Commissioner Burton?

25 COMMISSIONER BURTON: I support my motion,

1 Madam Chair.

2 MS. WHITE: Commissioner Davis?

3 COMMISSIONER DAVIS: Yes.

4 MS. WHITE: Commissioner Griffie?

5 COMMISSIONER GRIFFIE: No.

6 MS. WHITE: Commissioner Hernandez?

7 COMMISSIONER HERNANDEZ: No.

8 MS. WHITE: Commissioner Holley?

9 COMMISSIONER HOLLEY: No.

10 MS. WHITE: Madam Chairperson Holt.

11 COMMISSIONER HOLT: No. Okay. The motion

12 failed.

13 We're going to go on with the next item on  
14 the agenda, which has to deal with when do we have our  
15 next meeting, which is Thursday, July the 9th, at  
16 3:00 p.m., and it will be a virtual meeting. Our next  
17 community meeting is Thursday, August the 13th, at  
18 3:00 p.m. It, too, will be a -- it will be a virtual  
19 meeting.

20 So at this time, we'll have -- oh, I'm  
21 sorry.

22 Commissioner Burch?

23 COMMISSIONER BURCH: Yeah, I'm sorry, too,  
24 but you did say new business. I just wanted to --

25 COMMISSIONER HOLT: Well, we're on

1 announcements. We're on announcements.

2 COMMISSIONER BURCH: Oh, so it's proper  
3 now?

4 COMMISSIONER HOLT: Yes, please.

5 COMMISSIONER BURCH: Okay. Thank you. I  
6 just wanted to announce there will be a peaceful March  
7 on this side of Ferndale, Eight Mile and Dequindre, on  
8 this Saturday at 1:00 o'clock, for Black Lives Matter.  
9 So I just want people to understand this is peaceful,  
10 and if you would like to come with us, you can carry  
11 our sign that says "Love Where You Live." And, again,  
12 I'm waiting for the meeting with Mayor Duggan and  
13 Chief Craig. Thank you.

14 COMMISSIONER BURTON: Madam Chair. Madam  
15 Chair.

16 COMMISSIONER HOLT: Thank you, Commissioner  
17 Burch.

18 COMMISSIONER BURTON: Madam Chair.

19 COMMISSIONER HOLT: Commissioner Griffie?

20 COMMISSIONER BURTON: Madam Chair. Madam  
21 Chair.

22 COMMISSIONER HOLT: Do you have an  
23 announcement, Commissioner Burton?

24 COMMISSIONER BURTON: Before we get to  
25 announcements, I want to -- I want to appeal your

1 ruling.

2 COMMISSIONER HOLT: This is out of order,  
3 Commissioner Burton.

4 All right. We're going to move on, please.  
5 The next item on the agenda is oral communication.

6 Ms. White, Mr. Brown is going to conduct  
7 the oral communication?

8 MS. WHITE: Yes. We are preparing.

9 MR. BROWN: Yes, ma'am. Madam Chair, I  
10 currently have 18 speakers, and I'll call them by  
11 threes. Your first speaker will be Mr. Eric Blount,  
12 followed by Ms. Diana Feeley (phonetic), followed by  
13 Ms. Fredia Butler.

14 Mr. Blount?

15 (Pause in meeting.)

16 COMMISSIONER HOLT: Can we come back to  
17 Mr. Blount?

18 MR. BROWN: Ms. Feeley?

19 MR. BLOUNT: Hello, board. Can you hear  
20 me?

21 COMMISSIONER HOLT: Who are we speaking --  
22 oh, Mr. Blount? Yes, we can.

23 MR. BLOUNT: This is Mr. Blount. Thank  
24 you.

25 COMMISSIONER HOLT: We can hear you.

1 MR. BLOUNT: Thank you, board. For the  
2 record, my name is Mr. Eric Blount from Sacred Heart  
3 Catholic Church in Detroit, where our peak pastor is  
4 Father Norman Paul Thomas. This board's support of  
5 facial recognition technology is a clear measure of  
6 the outside influence this board is under. A no vote  
7 is just plain and simple common sense, especially in  
8 people of color. Today's news article of a black man  
9 misidentified by DPD using facial recognition  
10 technology is no surprise to the community. For a  
11 year before this board voted to approve facial  
12 recognition technology, the community, joined with  
13 experts from around the country, cried out in a loud  
14 voice at these weekly board of police commissioners  
15 meetings. The board still voted yes.

16 We, the citizens of Detroit, are demanding  
17 that each board member who voted yes on facial  
18 recognition technology resign immediately.

19 Do not act upset now, Commissioner Griffie.  
20 The research and results of other cities using this  
21 system should have been demanded before the  
22 commissioners voted.

23 Next, we are demanding the board of police  
24 commissioners who are remaining demand the complete  
25 shutdown of Real Time Crime Center now, henceforth,

1 and forevermore, not just another report, motion,  
2 resolution, and discussion.

3 I yield my time. Thank you.

4 COMMISSIONER HOLT: Thank you.

5 MR. BROWN: Madam Chair, I don't see  
6 Ms. Feeley, so we're going to go to Ms. Fredia Butler.

7 COMMISSIONER HOLT: Thank you.

8 MR. BROWN: Ms. Butler?

9 MS. BUTLER: Good afternoon. I'm Fredia  
10 Butler, a community activist. Commissioners, your  
11 meeting June 11th was a disappointment. These are  
12 solemn times, and I believe more work should and can  
13 be done to make improvements in our community. The  
14 issues that are in the news aren't new to us, but the  
15 world is seeing what our country has been promoting as  
16 democracy has not been realized for all of its  
17 citizens, specifically people of color.

18 Policing is only one part of addressing  
19 justice and liberty for all. You cannot change a  
20 man's heart, but laws can be made that govern a man's  
21 behavior. Think about it. I believe a former slave  
22 owner will never accept a former slave as being his  
23 equal. Commissioners, I have spoken to several  
24 members about behavior during these meetings.

25 Commissioner Willie Burton, you have been

1 disruptive and made many, I believe, unnecessary  
2 motions, and now it seems that others who have never  
3 attended these meetings are encouraging you to make  
4 even more.

5 Commissioner Holley, your statement and  
6 laughter weren't helpful.

7 Commissioner Burch, we cannot meet as a  
8 group because of the virus, but work is still being  
9 done in the 2nd Precinct. Now is the time we need all  
10 of our officials, in whatever capacity they are in, to  
11 work and help to make a difference in our community.  
12 The people need to know your initiatives and the  
13 results of your efforts. We all can do something.  
14 Thank you.

15 COMMISSIONER HOLT: Thank you.

16 MR. BROWN: Madam Chair, your next three  
17 speakers will be Ms. Cindy Darrah, Ms. Liza Bielby,  
18 Mr. Noah Greco.

19 Ms. Darrah?

20 COMMISSIONER HOLT: Thank you.

21 MR. BROWN: I don't see Ms. Darrah. Let's  
22 go to Ms. Liza Bielby.

23 MS. BIELBY: Hello. Can you hear me?

24 COMMISSIONER HOLT: Yes, we can very well.

25 MS. BIELBY: Hello. My name is Liza

1     Bielby. I'm in District 3. I want to talk about the  
2     Robert Williams case of mistaken identification  
3     through facial recognition technology. I echo  
4     Mr. Blount's statement. Shame on you for reacting to  
5     a New York Times article, ignoring the people. Like  
6     Mr. Blount and Tawana Petty and the BYP100 folks who  
7     have come on for years and said this facial  
8     recognition software is racist and will lead to false  
9     arrests, this further indicates that you do not care  
10    about the citizens of this city whom you are bound to  
11    represent.

12                 So there are issues with the technology.  
13    It matched fuzzy surveillance camera pictures with his  
14    driver's license photo. Black faces are misidentified  
15    on top facial recognition software five to ten times  
16    more than white faces. I've heard that number as big  
17    as 10 to 100 times more. Concern over this major flaw  
18    of facial recognition software was even brought up by  
19    Assistant Chief James White, and according to the New  
20    York Times, DataWorks, with whom we have our contract,  
21    does not formally measure the facial recognition  
22    tool's accuracy or bias created by outside vendors.

23                 There's issues with how to use the  
24    technology, and it was not used in the way that it was  
25    supposed to be used, but -- but what I'm asking for

1 you is to stop using this bias to surveil our  
2 community. Suspend the use of this technology today,  
3 right now, at this meeting because DPD officers do not  
4 know how to properly use it. And for your next  
5 meeting, sure, bring in Chief Craig, if you want, but  
6 you need to bring in someone who makes the software.  
7 You need to bring in someone who studies the software,  
8 and you as a board need to issue a written formal  
9 apology from the board of police commissioners on  
10 behalf of the City of Detroit to Mr. Williams.

11 And for Commissioner Burch, you have some  
12 weird ideas about protestors and protesting, and as my  
13 district rep, I would like you to come down to the  
14 protests and see what's up or call the meeting with  
15 the protestors from District 3 --

16 MR. BROWN: I believe we lost the speaker,  
17 Ms. Chair.

18 COMMISSIONER HOLT: Thank you.

19 MR. BROWN: Your next speaker will be  
20 Mr. Noah Greco.

21 Mr. Greco?

22 Mr. Greco? Mr. Greco?

23 MR. GRECO: All right. Can you hear me?

24 COMMISSIONER HOLT: Yes, we can.

25 MR. GRECO: Thank you. Good afternoon,

1 commissioners, specifically Davis, Burton, and Brown.  
2 First of all, I would like to echo the comments said  
3 about Commissioners Holt, Griffie, and Holley. Your  
4 behavior on this board is both disgusting and  
5 unprofessional. I can't believe people pay taxes for  
6 this. Second, I want to show my support for  
7 Commissioner Burton's motion to disallow the DPD from  
8 participating in the 1033 program. We don't need  
9 military-grade equipment on our streets. He thinks  
10 they need military equipment. It means that they view  
11 Detroit, and us people who live in Detroit, as a war  
12 zone, as insurgents, as a force to be destroyed. The  
13 city is not a war zone. It's beautiful, and it has a  
14 remarkable history. The use of military equipment by  
15 officers will change the way that they see the people  
16 that they are supposed to be protecting. In the eyes  
17 of the DPD, we're not civilians going about our lives;  
18 we're not people walking to our jobs; we're enemy  
19 combatants. The continuation of the 1033 program  
20 makes our streets less safe, and participation in this  
21 program cannot continue.

22 I would like to continue my previous  
23 statements in support of Commissioner Willie Burton  
24 and his two motions. Commissioners Burton, Davis, and  
25 Brown seem to be the only ones that -- the only

1 commissioners on this board that actually know what  
2 the people want, and, you know, maybe that has  
3 something to do -- that the rest of you have been  
4 given your jobs by a man from Livonia. Maybe that has  
5 something to do with it. Maybe the fact that your  
6 political careers ride on a man from Livonia and a  
7 police chief who doesn't really care about the people  
8 in the city. Maybe if you listen to the people in the  
9 city, people would be happier with your board and we  
10 wouldn't have to come on here for an hour every week  
11 to yell at you-all.

12 I yield my time.

13 MR. BROWN: Madam Chair, your next three  
14 speakers will be Mr. Anthony Dellicolli, JW, and  
15 Brenda.

16 COMMISSIONER HOLT: Thank you.

17 MR. BROWN: Mr. Dellicolli? Okay. Not  
18 seeing Mr. Dellicolli. Let's go to JW.

19 MR. DELLICOLLI: Hello? I'm here. Sorry.  
20 My computer was having (indiscernible). Can you hear  
21 me?

22 COMMISSIONER HOLT: Yes, we can.

23 MR. DELLICOLLI: Okay. Thank you. So I  
24 said it last week, and I'm going to say it again this  
25 week, 'cause I was glad to hear Commissioner Davis

1 bring it up after DC Wilson didn't do so himself. It  
2 is time to end the Project Green Light and ban facial  
3 recognition technology. As Commissioner Griffie said,  
4 "One mistake is too many," but this is a reactionary  
5 statement. Don't let DPD make excuses for their  
6 mistakes. I'm with Commissioner Burton on this.  
7 There's no need to reevaluate it. Ban it now. Do  
8 your duty as the citizens' police oversight board.

9 This week we found out that a faulty facial  
10 recognition match led to the arrest of Robert Williams  
11 outside his home. This case may be the first known  
12 account of an American being wrongfully arrested based  
13 on a flawed match from a facial recognition algorithm,  
14 but, certainly, there will be more. He spent 30 hours  
15 in jail because of this error. James White, an  
16 assistant police chief in charge of the Detroit Police  
17 Department's technology, previously said, quote, "On  
18 the question of false positives, that is absolutely  
19 factual, and it's well documented," end quote.

20 (Inaudible) from this police chief have been elected  
21 to provide oversight (indiscernible).

22 Robert Williams's five-year-old daughter  
23 has since taken to playing cops and robbers and  
24 accuses her father of stealing things, insisting on  
25 locking him up in the living room -- his five-year-old

1 daughter. Imagine the scenario in which Robert  
2 Williams was brutalized or even killed by the police  
3 as they attempted to arrest a completely innocent man  
4 in front of his wife and young daughters. Stop  
5 wasting taxpayer dollars on Project Green Light and  
6 facial recognition technology. This money could be  
7 invested in black and brown communities through health  
8 care, housing, and education in ways that directly  
9 target the problems of public safety. I second  
10 Mr. Blount's demand that any commissioners that voted  
11 in support of using facial recognition technology  
12 resign immediately.

13 Thanks. I yield my time.

14 MR. BROWN: Madam Chair, your next speaker  
15 will be JW.

16 COMMISSIONER HOLT: Thank you.

17 JW: Yes. Hello. May I be heard?

18 COMMISSIONER HOLT: Yes, we can hear you.

19 JW: Okay. Thank you. First of all,  
20 I'm -- I -- I hope that maybe the members of this  
21 board can reach out maybe with -- city council got a  
22 lot of complaints about the fireworks. There were so  
23 many fireworks I had to go inside from my house  
24 because of the amount of smoke. The next day the news  
25 reported it was a very hot day and poor air quality,

1 and fireworks add to poor air quality, and I don't  
2 like them for July 4th, Juneteenth, or Dogcatcher Day  
3 or Santa Claus Day. They're militaristic. I think we  
4 should make it a day of music instead.

5 I also agree that there are issues with  
6 Green Light. I know someone, and she has to put  
7 something to block the green light from blinking in  
8 her window all night.

9 The next thing I'd like to know regarding  
10 the -- and, yes, I agree that we should not have voted  
11 for racial -- facial/racial recognition technology  
12 with all the evidence of the problems that could  
13 happen, but maybe this error, unfortunate as it was,  
14 will put an end to this. I would like to know did  
15 anyone ever get any fingerprints on the railroad  
16 spikes? And, also, Ms. Darrah is on the -- was  
17 waiting to make her public comment, and maybe she's  
18 back on the line. That's what that call was about.

19 In terms of -- I watched some of the film  
20 about the protest when they were attempting to enforce  
21 the curfew. That looked like a completely unnecessary  
22 snatch-and-grab operation that will bring upon  
23 litigation for the City that -- you can't have -- just  
24 reinforce it one night, another not. Just because  
25 there are a few bad actors that could have been

1 provocateurs is not a good reason to suppress people's  
2 constitutional rights. Also --

3 MR. BROWN: Madam Chair, the speaker time  
4 is up.

5 COMMISSIONER HOLT: Thank you.

6 MR. BROWN: Your next speaker will be  
7 Brenda.

8 COMMISSIONER HOLT: Thank you.

9 MR. BROWN: Brenda?

10 COMMISSIONER DAVIS: Looks like she's  
11 muted.

12 MR. BROWN: Brenda? Brenda?

13 BRENDA: Hello? Can you hear me?

14 COMMISSIONER HOLT: Yes, we can hear you.  
15 It's sort of staticky.

16 BRENDA: I'm unmuted? Can you hear me now?

17 COMMISSIONER HOLT: Yes, we can.

18 BRENDA: Yes. I think that all appointed  
19 board members should resign right now. There was  
20 never a reason for there to be more appointments on  
21 this board than elected officials, and at that point,  
22 our (audio dropped) is the citizens' rights have been  
23 violated, and our voice cannot be heard. Every time  
24 that Willie Burton spoke, it was to help the citizens,  
25 and you-all have -- and that's just disrespectful for

1 Willie Bell to be reading the paper while we're  
2 speaking, but that's okay. That's more of the same.  
3 He should resign as well.

4 Willie Burton has always been for the  
5 people. Every motion he's made is to help the  
6 citizens. We told you that facial recognition was  
7 flawed up to 90 percent for black and brown folks.  
8 You didn't listen. Now you have the evidence, and  
9 this should be suspended right now, and let law  
10 enforcement convince you-all to put it back as a  
11 service.

12 This right here is the highest form of  
13 disrespect to the -- to the voting public in the city,  
14 a man -- and we don't know how many cases that this  
15 institution of facial recognition has falsely  
16 identified. He was handcuffed. He was arrested. He  
17 was placed in jail. He can't get that time back.  
18 But, also, that means that we have done something to  
19 the citizen, made him equivocable [sic] to the  
20 worst --

21 (Brenda was muted.)

22 MR. BROWN: Madam Chair, your next three  
23 speakers will be Ms. Ashley Smith, followed by  
24 Mr. John Doe, followed by Mr. Gavin Buckley.

25 COMMISSIONER HOLT: Thank you.

1 MR. BROWN: Ms. Smith.

2 COMMISSIONER HOLT: Thank you.

3 Ms. Smith, can you unmute yourself?

4 She's still muted.

5 MS. SMITH: Yes, ma'am. Can you hear me?

6 COMMISSIONER HOLT: Yes, we can.

7 MS. SMITH: All right. Thank you very  
8 much.

9 COMMISSIONER HOLT: Sure.

10 MS. SMITH: Riddle me this, riddle me that.  
11 How do you get promoted to sergeant in Detroit? You  
12 commit criminal assault, AKA police brutality. I'm  
13 Ashley Smith, the sister of Detroit Police Department  
14 police brutality victim Shelby Smith. It's been  
15 several months at this point. In all seriousness, we  
16 have to stop ignoring the issue at hand of police  
17 brutality being promoted in Detroit. Citizens of  
18 Detroit have spoken up, and we're just asking you to  
19 commit to what you said you would do. One, show us  
20 the proper promotion documentation and give us an  
21 update on your promise of obtaining legal counsel to  
22 see what your next appropriate move would be to see  
23 what we'll do. Please be on the right side of  
24 history. If nothing else, please fire Officer Jones.  
25 Again, show us proper documentation, and please stop

1 ignoring us also.

2 I yield my time.

3 COMMISSIONER HOLT: Thank you, Ms. Smith.

4 The next person, please.

5 MR. BROWN: Mr. John Doe. Mr. John Doe.

6 MR. DOE: A person shall be permitted to  
7 address a meeting of a public body under rules  
8 established and recorded by the public body. A person  
9 shall not be excluded from a meeting otherwise open to  
10 the public except for a breach of the peace actually  
11 committed at the meeting. I have not committed a  
12 breach of peace. I gave my name as John Doe because a  
13 person shall not be required as a condition of  
14 attendance at a meeting of a public body to register  
15 or otherwise provide his or her name or other  
16 information or otherwise fulfill a condition precedent  
17 to attendance.

18 Once again, the Open Meetings Act was  
19 violated, and this time no one can plead ignorance  
20 because the topic came up last week about having to  
21 provide e-mail or a phone number to participate and  
22 only under the new format in the last couple weeks.  
23 Secondly, today there were two motions put forth by  
24 Commissioner Burton, and there were motion to -- to  
25 call the question. At that point there is a vote on

1 ending debate. Both times the motion to end debate  
2 failed; yet you never voted on the main motion. So,  
3 currently, both those motions are still on the table.

4 This board does not know Robert's Rules of  
5 Order. They need to get a parliamentarian, or they  
6 choose to willfully ignore it under the strong-arm  
7 tactics of Willie Bell. I'm talking about the man  
8 from the 4th District, not to be confused with the  
9 other person who has the first name.

10 I yield.

11 MR. BROWN: Mr. Buckley.

12 MR. BUCKLEY: Yes. Hello. Can you hear  
13 me?

14 COMMISSIONER HOLT: Yes, we can.

15 MR. BUCKLEY: Okay. Thank you. I would  
16 just like to say that I find it extremely upsetting  
17 that this board, because of the high-profile press  
18 around the wrongful arrest on the basis of facial  
19 recognition, would suddenly change its tune about  
20 facial recognition and pretend that it has been  
21 against this or pushing back against Project Green  
22 Light from the beginning. Anybody who has had any  
23 experience, both with this board and with the culture  
24 of policing, in support of policing in this city,  
25 would know that that's not true.

1           So I'm curious, also, given the vote and  
2     the horrible discussion, I would add, about the --  
3     Commissioner Burton's request to -- a motion to end  
4     the 1033 contract, what if a citizen had been  
5     wrongfully attacked, brutalized, possibly murdered by  
6     DPD using Department of Defense equipment? Would then  
7     we be suddenly jumping to the moment of ending the  
8     militarization of the police? It's so much easier to  
9     just say, both facially recognizing people wrongfully  
10    based on software, that even people that make this  
11    software acknowledge that it does not work for this  
12    intended purpose. So we are violating anybody's  
13    rights -- right? -- who is doing it.

14           On top of that, I agree with other people  
15    who have said that militarizing a police force and  
16    accepting the militarization of a police force is also  
17    acknowledging that you see your own citizens as enemy  
18    combatants in a war zone. Right? So that, again, is  
19    another reason why we should absolutely vote to end  
20    the 1033 contract. It's an unnecessary contract and  
21    misuse of public funds. You should also end the  
22    Project Green Light contract, which is coming up, and  
23    your -- you as a group of commissioners should stand  
24    up and say no to it or -- I agree with Mr. Blount and  
25    Mr. Dellicolli -- you should resign immediately. And

1 especially those appointed by the mayor and especially  
2 those who are said --

3 (Mr. Buckley was muted.)

4 MR. BROWN: Madam Chair, your next three  
5 speakers would be Tawana, Becca Coop, and Michelle  
6 George.

7 COMMISSIONER HOLT: Thank you.

8 MR. BROWN: Tawana?

9 TAWANA: Can you hear me?

10 COMMISSIONER HOLT: Yes, we can.

11 TAWANA: Okay. Since the last BOPC  
12 meeting, we have not only learned of -- not only  
13 learned of the false arrest of Detroit Robert  
14 Williams due to facial recognition misidentification  
15 in front of his children, but we have also learned  
16 that Boston City Council just voted to ban police use  
17 of facial recognition, the second largest city to do  
18 so. We also learned today that legislators have  
19 introduced the Facial Recognition and Biometric  
20 Moratorium Act, which, if it passes, will effectively  
21 ban all law enforcement use of facial recognition in  
22 the United States.

23 The motion for an investigation is a good  
24 first step, but what happened to Robert Williams  
25 should be enough to ban it immediately. Join the

1 national call, and ban DPD's use of facial  
2 recognition, and end Project Green Light today. Don't  
3 wait for Detroit to become another national news story  
4 because there is guaranteed to be more cases like this  
5 one. We are literally the first in the nation to be  
6 identified for misidentification, and that should be  
7 embarrassing.

8 Please also move back to allowing public  
9 comment before you make votes on policies that will  
10 impact the residents of this city, and move -- and  
11 also please move out of DPD headquarters.

12 I yield my time.

13 MR. BROWN: Ms. Becca Coop.

14 MS. COOP: Hi, you guys. I just wanted to  
15 say, as a new resident of Detroit, it's abundantly  
16 obvious that you don't know Robert's Rules whatsoever,  
17 and it's so embarrassing. It's, like, how can you  
18 even pass any motions if your decorum is so far from  
19 professional? And I think Willie Bell's conduct  
20 throughout these meetings is rude. It's so rude. And  
21 what's even more shocking to me is that Commissioner  
22 Burton has presented the motion to ban facial  
23 recognition before, and do you remember what you other  
24 commissioners did, with the exception of a couple?  
25 You laughed. You laughed in his face. How dare you?

1 How dare you? You should all resign.

2 You had an opportunity to rectify this,  
3 but, no. You chose to laugh and spit on the face of  
4 Detroit residents. You're in the wrong. History's  
5 not on your side, and I'll let you know there are more  
6 people participating in these meetings 'cause the  
7 world is paying attention, and the time that these  
8 appointed folks -- your job's going to be over soon.  
9 Your job is going to be over soon. Do your job. Get  
10 it together. Stop embarrassing the city of Detroit.  
11 Stop embarrassing the American citizens.

12 Thank you, Commissioner Davis.

13 Thank you, Commissioner Burton.

14 Thank you, Commissioner Brown.

15 Evette, it's so great to see you changing  
16 that energy this week, when you laughed at  
17 Commissioner Burton last week. How dare you? How  
18 dare you? Shameful.

19 But thank you for those that are here  
20 working and doing their due diligence. We appreciate  
21 you. We see you. Keep going. We're going to be  
22 showing up to these meetings every single week.

23 And I yield my time.

24 MR. BROWN: Madam Chair, your next three  
25 speakers -- I don't see Ms. Susan Steigerwalt, so you

1 have two speakers left, Ms. Kasey Miller and  
2 Ms. Cindy Darrah.

3 COMMISSIONER HOLT: Thank you.

4 MR. BROWN: Ms. Miller?

5 COMMISSIONER HOLT: Can we pull someone  
6 else in, Mr. Brown?

7 MR. BROWN: Okay. Let me see.

8 COMMISSIONER BROWN: Steigerwalt is still  
9 on the line.

10

11 MS. MILLER: Hello? Can you hear me?

12 COMMISSIONER HOLT: Yes.

13 MS. MILLER: Hi. Hello. First, I would  
14 like to make a comment on how upset I am with -- the  
15 chair and other board members seem to want to not only  
16 silence my elected official, Commissioner Burton, but  
17 disrespect him. I, along with several thousands of  
18 other people, voted for him to be there, unlike some  
19 of y'all. Your disrespect in silencing, that's not  
20 only directed towards him but other commissioners who  
21 join in on his cries of injustice, is disgusting.

22 Second, I would like there to be more  
23 respect shown to the public when they voice their  
24 concerns in these meetings. Week after week, all I  
25 see is laughing at public comments, eye-rollers,

1 commissioners and police officers having off-camera  
2 conversations, reading newspapers, and members playing  
3 on their phones. I'm sorry our concerns on police  
4 brutality, injustice, and disdain for the Project  
5 Green Light are not as entertaining as your game of  
6 Candy Crush. If you would like for us to show you  
7 some respect, I expect that same respect in return.  
8 Remember, you-all work for us, the people.

9 Third, I want to know what this board plans  
10 on doing if the police department, yet again, does not  
11 come back with their involvement in the 1033 program  
12 by next week. Time and time again I keep hearing  
13 these reports will be made available next week, and  
14 nothing happens. Fourth, I do not want to be any  
15 clearer when I say end the Project Green Light right  
16 now. If you disagree with this motion, resign now.  
17 Lastly, stop trying to feed into the idea that we, the  
18 protestors, are going to set the city on fire just  
19 because. The only reason other cities burn is because  
20 nobody's listening to their citizens. Start listening  
21 to us, and start acting on our concerns.

22 I yield my time.

23 MR. BROWN: Ms. Susan Steigerwalt.

24 MS. STEIGERWALT: There we go. Hi. My  
25 name is Susan Steigerwalt. I'm a retired physician.

1 I've lived in the city of Detroit since 1975. I have  
2 three requests: Number one, immediately stop facial  
3 recognition immediately. There's no reason, if you  
4 still aren't sure about it, that you can't stop it  
5 and then -- and then -- until the -- until the studies  
6 are done. But I agree with the person who said there  
7 have been plenty of studies done in other cities, and  
8 cities like Los Angeles have pulled facial recognition  
9 because it's so inaccurate and it discriminates  
10 against people of color. That's number one.

11           Number two, defund Project Green Light --  
12 which is, essentially, facial recognition but has  
13 additional portions to it -- and get rid of it. There  
14 is no data that says that it increases -- or decreases  
15 crime. There's been no systematic study of that.  
16 Lastly, demilitarize police. People -- as someone  
17 said earlier, people who are, you know, dressed up in  
18 body armor and soldier -- feel like soldiers are going  
19 to act like soldiers, and we're the victims of those  
20 soldiers. I think that I also concur with what people  
21 have said about the general behavior of the board, and  
22 I think that you are here to serve all of us, not to  
23 serve the police department. This shouldn't be a  
24 rubber stamp for whatever the police department wants,  
25 and we need a lot more services than we have, and

1 moving some of the money from the police to other  
2 services would undoubtedly be better for the people  
3 than having to worry when you get up in the morning  
4 that your son or daughter is going to be shot by the  
5 end of the day. Thank you.

6 I yield my time.

7 MR. BROWN: Ms. Cindy Darrah.

8 And, Madam Chair, Ms. Michelle George will  
9 be your last speaker.

10 COMMISSIONER HOLT: Thank you.

11 MR. BROWN: Ms. Darrah?

12 MS. DARRAH: I attended the virtual charter  
13 meeting -- committee meeting yesterday, and the  
14 person -- and I'm so bad on names. I googled his name  
15 when he was on screen, and he was fired by you. He  
16 was working for the police commission and created a  
17 special job for his buddy that paid \$25,000 more or  
18 something, and yet the actual -- what he had to do was  
19 about the same as what he did before in his earlier  
20 job, and so he was caught lying by Inspector General  
21 Ha, and it's documented on the Internet what happened.  
22 So I -- I didn't get a chance to tell the charter  
23 commission, but they're going to be voting on these  
24 people on Saturday at 12:00 o'clock if you go to  
25 detroitcharter2018.com. I wish you would alert them.

1           You also had another employee that's still  
2   an employee that works for, I think, Precinct 10  
3   that's applying for the same administrative assistant  
4   job, and she actually sounded like a real person.  
5   Wasn't too -- bragging or anything. So she's one of  
6   the people still in consideration for that job. Now,  
7   I asked my friend Casey, who used to be in the Navy  
8   for more than just four years, and he said -- I said,  
9   "Is there anything you would want me to say about the  
10  police?" He said, "Fire them all. Get rid of the  
11  whole department and start out hiring people with a  
12  four-year professional degree."

13           Actually, when they laid off a lot of  
14  police in Flint, the crime rate went down. Another  
15  thing is the -- the safety. You're selling guns --  
16  according to Casey -- he told me this a couple years  
17  ago. If you sell your Glocks when you want to buy new  
18  guns, sell them to the -- they get sold to the public,  
19  so you put guns out in the public, but those Glocks  
20  don't even have a good safety on them.

21           (Ms. Darrah was muted.)

22           MR. BROWN: Madam Chair, Ms. Michelle  
23  George -- she will be your last speaker.

24           COMMISSIONER HOLT: Thank you.

25           MR. BROWN: Ms. George?

1 COMMISSIONER DAVIS: Looks like she's still  
2 muted.

3 MR. BROWN: Okay.

4 MS. GEORGE: Can you hear me?

5 COMMISSIONER HOLT: Yes, we can now.

6 MS. GEORGE: Okay. Thank you, Chairman  
7 Holt.

8 And, to the board of police commissioners,  
9 I wanted to comment on, also, Mr. -- and also to  
10 Deputy Chief Wilson -- to comment on the --  
11 Mr. Williams. Last year, the U.S. Congress had a  
12 hearing at the time the former -- late Elijah Cummings  
13 had shared the oversight committee about facial  
14 recognition, and even in the Congress they were  
15 talking about the disparity among people of color,  
16 especially African-American women. Why is Chief  
17 Craig -- and I do agree we have to vote that mayor out  
18 of Livonia, Mayor Duggan. I'm gonna say his name. We  
19 have to vote him out. That way we will vote out the  
20 people that he appoints for this facial recognition.  
21 It's a system of oppression that continues to be on  
22 people of color, and I think, like the gentleman said  
23 before me, I'm glad it did not wind up with  
24 Mr. Williams getting killed.

25 So the issue is that -- of course, Chief

1 Craig gonna be on there, on the -- probably in two  
2 weeks, but we have to vote out Mayor Duggan. If it  
3 starts with Mayor Duggan, it takes care of the  
4 appointees. So the issue is that they continue to  
5 inspect us with that facial recognition. Even  
6 Microsoft Corporation took it away. So what's the  
7 problem with the City of Detroit, with this -- with  
8 the contract?

9 And, Ms. Griffie, I'm going to say this to  
10 you -- Commissioner Griffie. The reason they're  
11 disrespecting you, 'cause you're a black woman.  
12 You're African-American. They don't care about you  
13 having the report. That's what the citizens tried to  
14 tell you-all from the beginning, in all due respect.  
15 So you didn't get that report because they didn't want  
16 to give you that report. And so Chief Craig gonna  
17 come in about two weeks, but the issue -- is this all  
18 from city council? We need a whole makeover. This is  
19 ridiculous. And my thing is filing a civil rights  
20 department against the DPD.

21 Sorry, Chief Craig, but to you, too,  
22 because you're disenfranchising our rights. You see  
23 what's going on, and you got the blackest city with  
24 black commissioners -- not all of you -- just going  
25 against what we're saying.

1 MR. BROWN: Madam Chair, that was your last  
2 speaker.

3 COMMISSIONER HOLT: Thank you.

4 Is there a motion to adjourn?

5 COMMISSIONER GRIFFIE: So moved, Madam  
6 Chair.

7 COMMISSIONER HOLT: Thank you. Second.

8 We're outie. Thank you. See you July the 9th.
