

NOF Subrecipients,

If you would like a kick start in learning Oracle you are invited to sit in on an Oracle training session being held for the Homelessness Solutions team. The navigation of Oracle will be applicable to submitting the Public Service RFP. We will be having Public Service Neighborhood Opportunity Fund sessions on navigating Oracle that are yet to be scheduled, but we will let you know when they are. Thank you for your interest.

-Neighborhood Services Team

Hello,

This is a friendly reminder that the City of Detroit will host another Q&A session on July 6th from 3-4pm regarding the Homelessness Solutions RFP. You can register [here](#). This session will solely focus on navigating the Oracle system.

In addition to the webinar you can contact Iva Patterson, 313.670.8160, pattersonni@detroitmi.gov for any issues navigating Oracle.

Information about previous webinars can be found [here](#).

Thank you and have a great day!
