4 board that you do have the capability to self-mute or

6 meeting. And that option is also available for all  
7 panelists in the gallery. At this time, please silence  
8 your cell phones and other background sounds to prevent  
9 interrupting the meeting. Thank you and now chairperson,  
10 Bell.

11 WILLIE BELL: Thank you, Ms. White. Before we do the  
12 implication, I'm just going to ask for a moment of  
13 silence and after we finish that, chaplain Wilson would  
14 offer implication for the board. But I think we need to  
15 acknowledge Justice Ruth Bader Ginsburg in terms of her  
16 passing and her legacy to have an impact on civil rights,  
17 women's rights and so many issues that we want to lift  
18 her up, lift her family in supreme court justice, and all  
19 those who have been impacted by this amazing young lady  
20 in terms of her career. A moment of silence. Thank you,  
21 chaplain.

22 SAM WILSON: God bless you. Let us pray. Eternal God, our  
23 father, we thank you for this meeting. We thank you for  
24 making us co-laborers with you and kingdom building and  
25 bettering the city of Detroit. We pray now for chairman

1 Bell, for Chief Craig and all of the staff that comprise  
2 of this great audience. And we pray now, Lord, that you  
3 would give us wisdom, understanding, open our hearts and  
4 our minds to have unity of the spirit and the bonds of  
5 peace that the city of Detroit may be better. We thank  
6 you for this entire board, give them the wisdom and the  
7 understanding that we need, that everyone would be lifted  
8 up and that the city would be edified as a result of this  
9 meeting. We thank you now for it and we give you the  
10 praise in Jesus name, amen.

11 WILLIE BELL: Thank you Chaplin, and before we do an  
12 introduction of the commissioner, I just want to lift up  
13 the two officers who were in Kentucky that were shot in  
14 the line of duty. It appears they're not critical. They  
15 are going to survive. We lift them up and we pray for  
16 them and their family and the police department and in  
17 the Kentucky area. This has impact on a nation. I just  
18 hope that we can maintain the peace, for action like this  
19 should not be tolerated. It is something that is not part  
20 of the protesting, is not part of the civil rights  
21 movement, is not part of police reform. That is a serious  
22 hideous act on reference to law enforcement. So, we  
23 condemn that trifle behavior and that psycho activity.  
24 So, I hope they will have justice soon in reference to  
25 that particular matter and notwithstanding, what they are

1 dealing with, we know the circumstance, but we know the  
2 system has responded and we have to respond in time  
3 properly. On that note, I'm going to flip the script a  
4 little bit. I'm going to start out with commissioner  
5 Jesus at large Commissioner Hernandez.

6 JESUS HERNANDEZ: Hi, Jesus Hernandez at large, good  
7 afternoon to everyone.

11 WILLIE BELL: Thank you, Ms. White and I just want to  
12 relay our concern, commissioner Carter used to the  
13 information yesterday or today in reference to what  
14 happened to her resident. Thank God, the Carter family is  
15 okay and she's able to attend to meeting, but that was  
16 quite devastating. I missed that, we get so many texts or  
17 email. When I talked to her, I was in shock that  
18 transpired in her house. So, good to hear you this  
19 afternoon, I should say.

20 LISA CARTER: Thank you.

11 board staff members in attendance today.

12 WILLIE BELL: Welcome to the staff. DC Wilson.

13 DEPUTY CHIEF WILSON: Good afternoon, sir.

14 WILLIE BELL: Good afternoon.

15 DEPUTY CHIEF WILSON: Deputy Chief Wilson sitting in for  
16 Chief Craig, with me, we have Director Christopher  
17 Grabland, and Captain Lena Ladelle from professional  
18 standards. We have Katherine Eric Toskey from the Crime  
19 Intelligence Bureau. We have captain Michael Parish from  
20 Support Operations, Executive Manager, Reed Wilson from  
21 Planning and Development and we also have Lieutenant  
22 Parkin.

23 WILLIE BELL: Thank you, sir.

24 WILLIE BURTON: Good afternoon chair.

25 WILLIE BELL: Yes.

1 WILLIE BURTON: When we were doing a vote on approving the  
2 minutes, you did not do a roll call book, which is the  
3 governor's department of her executive orders. But I did  
4 vote no on the minutes and I just want the record to have  
5 that recorded.

6 WILLIE BELL: Thank you, commissioner Burton. A no for the  
7 minutes for commissioner Burton. I think we recorded the  
8 others. .

9 WILLIE BURTON: ON the agenda but not in the minutes.

10 WILLIE BELL: Okay. Thank you. It has been clarified.

11 Thank you, sir. Ms. White, where are we?

12 MELANIE WHITE: Yes, the special VIP guests.

13 WILLIE BELL: Yes ma'am.

14 MELANIE WHITE: And yes, they are, as I received it,  
15 Lieutenant Mark Young the president of the lieutenants  
16 and sergeants association and that is all that I have  
17 right now.

18 WILLIE BELL: Thank you Ms. White. The next item would be  
19 my report and I have a brief report. I have asked that  
20 young lady from district two commissioner Griffie, hope  
21 she got the text. But she did an outstanding job this  
22 afternoon on that form. I'm not going to say any more,  
23 but she's going to get opportunity to elaborate when I  
24 have my brief report, I thought that form was excellent,  
25 right on time. And she represented extremely well. When

1 you look back on the TV interview in June, the attorney  
2 general William Barr said, I don't think that the law  
3 enforcement system is systematic racist. The justice  
4 probably will investigate jury or store death.

5 But Barr said he doesn't think a large pattern or  
6 practice investigation currently warranted in  
7 Minneapolis. Then there was some other dialogue with a  
8 former person, I can't think of his name right now. From  
9 1994 to 2017, there was 69 investigations and pattern or  
10 practice in police department under both, Republican and  
11 democratic president, which resulted in 40 consent  
12 agreements of settlement agreement was adjusted properly  
13 during the Trump administration to abandon this work. So,  
14 you can see where we are today. But chief Craig has done  
15 several interviews in reference to mental illness. And I  
16 just wanted to enlighten the commission and enlighten the  
17 public that, new recruits, training for new recruits is  
18 the state standard. And Michigan is training in how to  
19 respond to those and mentally crisis. It's only a three-  
20 hour certification the standard is above and beyond. They  
21 recruited a certified in mental health first aid prior to  
22 graduation, at least eight hours of training, I think  
23 that is pretty important and we need to understand that.  
24 And we have a partnership with the Mental Health  
25 Authority and ongoing training for department members.

1           They train yearly on mental health, by the Community  
2 and Police Partnership averages, CAAPA physical, is a  
3 mandatory two hour block of instruction, instructional  
4 techniques on how to deal with community mental illness  
5 and homeless, yearly nearly mental health symposiums.  
6 Effective communication skills when dealing with  
7 families. We know the impact in terms of the community  
8 and we know the impact on the criminal justice system. We  
9 know the impact in terms of housing encountering them on  
10 a public street. We know the impact in the jail that  
11 sheriff Napoleon has recorded a significant number of  
12 people in there because of mental illness. So, that's my  
13 report, commissioner Griffie over to you.

14 EVETTE GRIFFIE: Thank you, Mr. Chair. I just wanted to  
15 say that it was an honor to represent the board today.  
16 The Center partnered with the Damon Keith Centre at Wayne  
17 State Law School to host a panel on the past present and  
18 future of Detroit Board of Police Commissioners. It was a  
19 very enlightening discussion myself, in addition to  
20 Senator Carl Levin, judge Ed Cohn and Tawana Petty,  
21 member of the community that comes to our meeting and is  
22 very vocal. We were all on the panel. It was I think, a  
23 very robust discussion. I think that it was a lot of  
24 insight about the history of the commission. There were  
25 differences of opinion. The usefulness of the commission

1 and what some of our roles are in the community and the  
2 charter and what it mandates.

3       There were some robust discussions about some of the  
4 decisions that this commission has made. But I really  
5 sought to highlight some of the positive things that  
6 we've done and contributed namely our recent policy  
7 changes that we've been implementing. And the importance  
8 really stressing the importance of civilian oversight,  
9 especially to what's happening in our world today. And I  
10 think that the importance of us all working together, you  
11 know, even though we are on different sides of a lot of  
12 issues for one comical. And although it was a very  
13 riveting discussion at times, and a lot of back and  
14 forth. I think at the end of the day, what brings me hope  
15 is that I think all of us, although we had different  
16 opinions really want the same thing, which is fair,  
17 unbiased, effective policing. We just all differ on maybe  
18 what that looks like and how to get there. But I think  
19 when we keep working at it, and I think one thing that I  
20 just want to remind everyone is that Detroit does have a  
21 model police framework. Is it perfect? No, there probably  
22 is no such thing as perfect. But I think we have led the  
23 way and he will continue to do so in the partnership with  
24 the community and the police department. So, I thank the  
25 board for allowing me to represent you today and

1 hopefully you felt like you were well represented.  
2 WILLIE BELL: Thank you, commissioner Griffie. I think  
3 that form, perhaps you might have an opportunity to see  
4 it. They might post it. Commissioner Griffie is nodding  
5 her head. You might be able pull up and Ms. White might  
6 be to share that with you in terms of how that process  
7 worked. I thought that was very interesting in terms of  
8 the dialogue. Especially when you have a former chair of  
9 the board serving now as a retired federal judge and  
10 Avrin Cohn he had some very interesting remarks. I'm not  
11 going to elaborate, but you need to tune in for yourself  
12 to him directly. But he has made some observation, very  
13 strong, one of the issues, that's how do eleven people  
14 manage a paramilitary operation. That is interesting, but  
15 the only way you could impact it is the authority has to  
16 change.

17 And so we recognize that that is how you bring about  
18 a structure change. So, at this point to leave it at that  
19 and Paco and National Oversight Board is in the process  
20 of voting. There were some glitches you should have  
21 received the email to the checkout your department email.  
22 You should have a link in terms of voting that voting  
23 will last up into midnight tonight. Once you get the link  
24 it only takes a couple of minutes to vote, so there are  
25 four candidates. So, I will leave that there. There's a

1 returning young lady that's there. So, perhaps you didn't  
2 get a chance to see. But cease that opportunity, vote  
3 open until midnight tonight. So, you have to go to your  
4 department email system in terms of pulling that up, if  
5 you need any help Ms. White might be able to help you out  
6 in terms of trying to make that happen. But it's 11-  
7 person board, I think three coming off, one wants to  
8 return for another three-year term. So, the next item  
9 would be the Chief of Police James E. Craig  
10 recommendation to promote to the rank of detective. Ms.  
11 White.

12 MELANIE WHITE: Yes, sir. Through the chair, honorable  
13 board, you receive the package from Chief of Police,  
14 James E. Craig regarding the recommendations to promote  
15 26 candidates to the rank of detective. All of that  
16 information was transmitted on last Thursday. The board  
17 staff completed a summary evaluation report for your  
18 review, which basically reviewed all of the departments,  
19 submitted materials and just place it in an Excel sheet  
20 for your easy reference and review. And so at this time,  
21 if you would also take a look at your chair report, you  
22 would see the items listed out in detail in terms of the  
23 promotional candidates' names. And of course, again, they  
24 are being recommended to the rank of detective. And so  
25 that information is contained in your chair report. Mr.

1 Chair.

2 WILLIE BELL: Ms. White. I think we have a format to  
3 allow ten names for a vote and then we do 10 more and  
4 then we do the final names. Is that correct?

5 MELANIE WHITE: Yes, sir. That is correct and all of  
6 those names are listed.

7 WILLIE BELL: Okay. If we would make the roll call of  
8 those names and then we'll entertain a motion after that.

9 MELANIE WHITE: Okay. So, the first set of names includes  
10 the following; officer Steven L. Pierce, NPO Romel A.  
11 Randolph, Police Officer Eric P. Bromley, Police Officer

19 Craig's recommendation for those officers whose names Ms.

9 MELANIE WHITE: The motion passed.

10 WILLIE BELL: Thank you, Ms. White. We want to  
11 congratulate all those that were molded to the rank of  
12 detective. We wish them the best in terms of their  
13 academy training, in two weeks or three weeks, they'll be  
14 graduating and we're looking forward to the work.  
15 There're openings there, so there's a need for detectives  
16 and I want to thank the board for addressing this in a  
17 timely manner. We move on to a position of police  
18 personnel, Ms. White.

19 MELANIE WHITE: Yes. Through the chair, honorable board.  
20 Again, staff transmitted the job specifications for the  
21 position of Director of Police Personnel, a thorough and  
22 extensive review of the job specifications took place.  
23 And that was completed by first Assistant Chief Stair,  
24 the director of HR. And now it has also been transmitted  
25 for your review and evaluation and at this time that is

1 on the agenda.

2 WILLIE BELL: Ms. White it's also ready for posting.

3 MELANIE WHITE: Yes, sir.

4 WILLIE BELL: Could you include that in your remarks?

5 MELANIE WHITE: Yes. The job specifications after that  
6 thorough review and evaluation has taken place and given  
7 the city's new HR policies for posting and formatting the  
8 job specifications, it is now ready for posting.

9 WILLIE BELL: The chair will entertain a motion. It has  
10 been properly moved and supported. Discussion.

11 JIM HOLLEY: Mr. Chairman, who is the personnel head of  
12 personnel now?

13 WILLIE BELL: We do not have a head, mostly AC Stair  
14 first AC, and she has Lieutenant Cox. They've been doing  
15 a really outstanding job. We haven't missed a beat  
16 especially in term of impacting recruiting. We've been  
17 hitting our mark. It's amazing that we've been hitting 30  
18 plus 30, 35 people every month. That is a mayor mandate  
19 with an empowerment. And they have really been filling  
20 that gap in all the other details I can't really speak  
21 to, but I know we're closing is significant. End of  
22 discussion.

23 JIM HOLLEY: Thank you, sir.

24 WILLIE BELL: Thank you. Roll call Commissioner  
25 Hernandez.

1 JESUS HERNANDEZ: Yes.

2 WILLIE BELL: Commissioner Jones.

3 MARTIN JONES: Yes.

4 ANNIE HOLT: Commissioner Holley.

5 JIM HOLLEY: Yeah.

6 WILLIE BELL: Vice chair Holt.

7 ANNIE HOLT: Yes.

8 WILLIE BELL: District one.

9 DARRYL BROWN: Yes.

10 WILLIE BELL: District two.

11 EVETTE GRIFFIE: Yes.

12 WILLIE BELL: District three.

13 SHIRLEY BURCH: Yes.

14 WILLIE BELL: District four, yes. District five.

15 WILLIE BURTON: Yes.

16 WILLIE BELL: District six.

17 LISA CARTER: Yes.

18 WILLIE BELL: District seven.

19 WILLIAM DAVIS: Yes.

20 MELANIE WHITE: The motion passed.

21 WILLIE BELL: Thank you, Ms. White, the next item would

22 be positioning from interim secretary to the board and

23 interim chief investigator to the board, Ms. White.

24 MELANIE WHITE: Yes, sir. The honorable board received in

25 their Tuesday packet information regarding the position

1 extension for the two interim positions and it is now  
2 placed on the agenda for your final vote. But those  
3 interim positions take into account the boards  
4 restructuring in terms of ensuring that policies and  
5 procedures are correctly in place and research and  
6 evaluation of the city's HR is currently taking place.  
7 Again, as I indicated earlier, there is extensive  
8 policies and procedures that the board is attempting to  
9 bring within its personnel structure and organization.  
10 And so that is in consideration of this eight month  
11 extension timeframe.

12 WILLIE BELL: And we also have a vacation time coming up,  
13 Ms. White?

14 MELANIE WHITE: Yes, sir. We are, we are attempting to  
15 work that time. I should note that the Thanksgiving  
16 holiday is coming up as well as the December, Christmas  
17 holidays are also fast approaching and so the interim  
18 position extension takes into account those holiday  
19 periods in terms of making sure that the, that the  
20 board's operations is continuing effectively and  
21 efficiently, but also ensuring that we are making sure  
22 that again, policies and procedures are accurately in  
23 place and is properly adhered to.

24 WILLIE BELL: The chair will entertain the motion.6].

25 UNKNOWN SPEAKER: A point of information.

1 WILLIE BELL: Wait till we get discussion, sir. Okay.

2 You go ahead and then properly move and second all  
3 discussion.

4 WILLIE BURTON: Mr. Chairman, motion to amend. I need her  
5 to state what the motion is because I want to amend the  
6 motion. Can you just state what the motion is?

7 ANNIE HOLT: The motion is to accept the extended time  
8 that is being given before we move on posting the  
9 positions Ms. White.

10 MELANIE WHITE: So, through the chair, the motion is to  
11 place an eight month extension on the position of interim  
12 secretary to the board and interim chief investigator.

13 WILLIE BURTON: Okay Mr. Chairman, I would like to amend  
14 that motion to also include that the job positions be  
15 posted as well during this time that we began our search.  
16 I like to move that those positions be posted, as an  
17 amendment.

18 WILLIAM DAVIS: Second his amendment.

19 JESUS HERNANDEZ: Second.

20 WILLIE BURTON: Mr. Chairman, we voted last week and my  
21 motion actually passed that I brought up with his board  
22 to begin posting the OCI position immediately, so we can  
23 have that position filled the first of the year of the  
24 year before this year it's out. And so this right here is  
25 really out of order today is to first in relation to

1 tying the two positions together and trying to drag us  
2 out another eight months. We talk about interim  
3 positions, most incidents are interim positions, usually  
4 don't last no longer than a year. And so when you talk  
5 about adding on to another eight months and you're  
6 talking about pretty close to two years. And so that's  
7 not fair, to this community that we serve.

8 EVETTE GRIFFIE: Mr. Chair?

9 WILLIE BELL: Yes, Commissioner Griffie.

10 EVETTE GRIFFIE: Just want to make a correction to the  
11 record, in terms of parliamentary procedure. We are  
12 allowed as I think my colleague knows because he's used  
13 this privilege many times, we were allowed to bring  
14 things back to meetings that have already been decided on  
15 in previous meetings. And so I think as well within our  
16 right to reconsider and I would like to just comment that  
17 I do believe that the current situation that we are in,  
18 as it relates to COVID-19 and our ability to properly  
19 search for candidates and meet in person is limited  
20 because of the environment that we are in. And therefore  
21 I do think that it is make sense for us to have this  
22 discussion. So, I believe before this conversation  
23 proceeded, there was a motion and a second, and an  
24 amendment and then a second and so I think we should get  
25 back to that.

1 WILLIE BELL: I agree T.

2 WILLIAM DAVIS: I still have a point of information.

3 WILLIE BELL: Commissioner Davis.

4 WILLIAM DAVIS: It appears as if this board is trying to  
5 bypass the city charter by putting these people in place  
6 and like they're trying to set aside the charter. We have  
7 vacancies and we've had for some time we should post for  
8 it and we should not arbitrarily give them eight months  
9 because they're your buddies.

10 WILLIE BELL: Commissioner Davis I want to say that first  
11 of all, Commissioner Burton's motion did not pass. We got  
12 a ruling on that, the board, information from the  
13 corporation counsel, staff went out. Also as Commissioner  
14 Griffie indicated that it has been a tremendous task to  
15 even break up ----. I'm not going to debate you,  
16 basically it's been a very difficult task to deal with  
17 Director of Personnel. This board has a history, people  
18 have served interim over two years Board Secretary and  
19 Chief Investigator. You're going back to in the past, but  
20 basically, I guess we can take a vote on the amendments  
21 at this time.

22 DARRYL BROWN: Mr. Chairman before we do that, just one  
23 more comment on to my colleague Commissioner Griffie's  
24 point. She's correct with what she's saying, but also  
25 take in mind that this board does not have to follow.

1 EVETTE GRIFFIE: This is not discussion. This is not  
2 discussion on the motion. This is out of order. We  
3 haven't even called the motion. Could we please follow  
4 parliamentary procedure?

5 DARRYL BROWN: We did call the motion.

6 EVETTE GRIFFIE: No, I didn't hear the chair acknowledge  
7 the motion nor the second.

8 WILLIE BURTON: You did not get permission from the Chair.

9 WILLIE BELL: Please, let us have some order. We will  
10 call the motion toward amendment to order. It's been  
11 properly moved. So, now we have discussion, I guess we  
12 have had discussion on it. Are we ready to vote?

13 DARRYL BROWN: No, I still want to continue my discussion.

14 WILLIE BELL: Make it brief sir.

15 DARRYL BROWN: It was put on notice of my candor. But  
16 nevertheless, this board does not have to follow the  
17 regular HR rules. This board is authorized and has the  
18 authority to appoint people. So, going out, having to  
19 meet people and do all these types of things is kind of  
20 really unnecessary for us to do if that's what we're  
21 going with. But we do not have to do that. According to  
22 the rules of the charter, we can appoint, we don't have  
23 to interview 30 or 50 million candidates. I can put a  
24 motion on the floor to appoint Evette Griffie as the  
25 Director of Personnel and if its second then motion

1 passed, then that that's what we do. So, we don't have to  
2 go out here and do all these national searches and  
3 different things like that. That's my understanding of  
4 the process and the language in the charter.

5 EVETTE GRIFFIE: Through the chair.

6 WILLIE BELL: Yes ma'am

7 EVETTE GRIFFIE: My response is that you're absolutely  
8 right. The charter does not prohibit us from following a  
9 certain process in terms of recruiting or any of that.  
10 However, given the circumstances of our last executive  
11 secretary and how the departure went and the  
12 unprofessionalism that has been exhibited throughout many  
13 of our hires. I think we need to take a step back and  
14 make sure that we're not making the same mistake twice.  
15 Just to remind everyone in the public who's listening,  
16 that we had to let him go for ethical reasons based on  
17 the whole thing that went down with some of the decisions  
18 that were made. And so I think that it is in our best  
19 interests to take our time and make sure that we don't  
20 make the mistake twice. That we have someone come in and  
21 that we review candidates and make sure you pick the  
22 right one. I don't want to have a revolving door of  
23 executive directors that is not stable and it's not best  
24 for the community. So with that, hopefully we can go  
25 ahead and vote.

1 WILLIE BELL: Okay. Roll call.

2 ANNIE HOLT: Through the chair, I need to understand what  
3 is the motion please.

4 WILLIE BELL: Ms. White would you state the motion?

5 MELANIE WHITE: Yes. The amended motion at this time,  
6 includes the following; so, it says the motion, the  
7 initial motion was to place in an eight month extension  
8 for the positions of interim secretary to the board and  
9 interim chief investigator and the amended motion  
10 includes the following that the positions also be posted.

11 WILLIE BELL: Oh, so we're voting on the amendment, yes  
12 or no and I'm going to kick it off in terms of the roll  
13 call with district four. No. Okay. District one.

14 DARRYL BROWN: Yes.

15 WILLIE BELL: District two.

16 EVETTE GRIFFIE: No.

17 WILLIE BELL: Okay. Thank you. We're voting on amendments  
18 okay. District three.

19 SHIRLEY BURCH: Yes. I'm with the amendment.

20 WILLIE BELL: District five.

21 WILLIE BURTON: Yes.

22 WILLIE BELL: District six.

23 LISA CARTER: No.

24 WILLIE BELL: District seven.

25 WILLIAM DAVIS: Yes.

1 WILLIE BELL: At-Large Commissioner Hernandez.  
2 JESUS HERNANDEZ: No.  
3 WILLIE BELL: Commissioner Jones.  
4 MARTIN JONES: Nope.  
5 WILLIE BELL: Commissioner Holt.  
6 ANNIE HOLT: No.  
7 WILLIE BELL: Commissioner Holley.  
8 JIM HOLLEY: Yes.  
9 WILLIE BELL: Ms. White.  
10 MELANIE WHITE: The motion failed.  
11 WILLIE BELL: Thank you. Now we vote on posting the list.  
12 I'm not posting. Ms. White why don't you properly state  
13 it?  
14 MELANIE WHITE: Yes. So, now the motion is to place an  
15 eight month extension for the positions of interim  
16 Secretary to the board and Interim Chief Investigator.  
17 WILLIE BELL: Thank you. Commissioner Hernandez.  
18 WILLIE BURTON: Discussion.  
19 WILLIE BELL: I'm sorry, write discussion on the motion,  
20 discussion on the motion.  
21 WILLIE BURTON: I think I was recognized, but to the  
22 chair no disrespect here. But we have not had an  
23 evaluation of the individuals that's already in these two  
24 positions. There's no need to extend eight months to the  
25 term, when they already been in these positions going on

1 going on a year. It would be a year pretty soon. We have  
2 not had an evaluation. We have not looked at competence  
3 or any other evaluations pertaining to work performance,  
4 educational. And I think those things are very important  
5 when you're talking about a standard someone's turn in a  
6 position and we haven't had that discussion here. My  
7 colleagues, I urge you to think about what it is you're  
8 about to do next because we have not interviewed anyone  
9 for these positions. We have not posted anything for this  
10 position. But more importantly, we have to do our  
11 fiduciary responsibility and we have to look at the  
12 process and these positions and we have to do evaluation.  
13 And that goes with any professional work performance.

14 WILLIE BELL: Thank you Commissioner Burton.

15 EVETTE GRIFFIE: I just want to state what I already  
16 stated that we have to recognize that this is an  
17 unprecedented, I mean, that word has been used so much  
18 lately, but it is an unprecedented time. This is not  
19 normal business operations, we're in a global pandemic,  
20 the likes of which we have to now meet online, which has  
21 never happened before., The governor had to make an  
22 unprecedented move to allow us to have this new reform  
23 that we're having today. So, I think we are well within  
24 our rights to hold off on having a rushed decision. I  
25 also, reject the statement that we have not had an

1 opportunity with either performance. We interact with  
2 both interim secretary, Melanie White and Akbar every  
3 single day. And I have not yet -- Let me remind everyone  
4 that Thursday's and as I said earlier today, this is not  
5 the only time we conduct business. We can't vote on  
6 things when we're not in this meeting, but we can conduct  
7 business outside of this meeting, which means that if  
8 there is anyone who has feelings about staff or their  
9 competence or their evaluation, they are welcome to email  
10 and put those things on records that we can all talk  
11 about them and scheduled sessions to do. But that has not  
12 happened. So, now I find it interesting when we come into  
13 these meetings and everybody wants to bring things out of  
14 left and right field, that have never been brought up  
15 before. So, I would encourage my colleagues to also  
16 consider the alternative. We are in a global pandemic and  
17 there has never been anyone's competence has been called  
18 to question since we have put these two interim positions  
19 in place.

20 WILLIAM DAVIS: Discussion.

21 WILLIE BELL: Yes, sir.

22 WILLIAM DAVIS: I see no reason why we need to vote on  
23 continuing them for an extension. We've already voted to  
24 put them in place for the time being, and they should  
25 stay in place and we should be posting and looking at

1 potential candidates. This looks like this is just an  
2 attempt to bypass the city charter.

3 EVETTE GRIFFIE: Not true.

4 WILLIE BELL: Okay. I think we're ready for the vote. I  
5 want to say about the question about qualification. These  
6 are highly qualified individuals, as commissioned Griffie  
7 indicated that they have been working with you daily,  
8 reporting quite often. I can't think of anyone more  
9 qualified than these two individuals who have served in  
10 this capacity, has worked for the board 15 and some 20  
11 some years. So, we're ready for the vote.

12 WILLIE BURTON: Discussion Mr. Chairman.

13 WILLIE BELL: Commissioner.

14 WILLIE BURTON: I think the word unprecedented times is  
15 really just being overused as an excuse. Businesses have  
16 conducted video conferences and video interviews for the  
17 longest, that's why Microsoft has perfected their  
18 software uses. So, I disagree with my colleague Griffie.  
19 And then it goes back to the thing that I say every day,  
20 who is the "we" that talk with these people every day?  
21 Because I certainly don't, I talk to them maybe one or  
22 two times a week, or if I need something I call. But I  
23 don't interact with these people every day. So, I just  
24 like to say, who is the "we"? And it's not a suspicion of  
25 anything. It's just, I agree with my colleague

1 Commissioner Davis, this motion is a moot point because  
2 they're already in the position. So, we didn't have to  
3 justify leaving them in any lengthy period of time. It's  
4 a moot point for us to have to vote on this motion  
5 because they're already in the interim positions.

6 ANNIE HOLT: A call for legal opinion.

7 WILLIE BELL: Commissioner Hernandez.

8 JESUS HERNANDEZ: Yes.

9 WILLIE BELL: Commissioner Jones.

10 MARTIN JONES: Yes.

11 WILLIE BELL: Commissioner Holley.

12 JIM HOLLEY: Yes.

13 WILLIE BELL: Vice chair Holt.

14 ANNIE HOLT: Yes.

15 WILLIE BELL: Thank you. We move on to district one.

16 DARRYL BROWN: No.

17 WILLIE BELL: District two.

18 EVETTE GRIFFIE: Yes.

19 WILLIE BELL: District three.

20 SHIRLEY BURCH: Yes.

21 WILLIE BELL: District four, Bell yes.

22 WILLIE BELL: District five.

23 WILLIE BURTON: No. This is preposterous.

24 WILLIE BELL: District six.

25 ANNIE HOLT: She's on mute, Commissioner.

1 LISA CARTER: I'm sorry. Yes.

2 WILLIE BELL: Thank you. District seven.

3 WILLIAM DAVIS: No.

4 WILLIE BELL: Ms. White.

5 MELANIE WHITE: The motion passed.

6 WILLIE BELL: Thank you, Commissioners. Now we move on to  
7 deputy chief Martin Wilson, reporting now for chief  
8 Craig. Thank you, sir. Thank you for your patience.

9 MARTIN WILSON: Alright, thank you through the chair. I  
10 will start off with critically injured officers. We  
11 currently have three officers at home recovering due to  
12 critical injuries. Let's start with the first one officer  
13 Mark Robbins. He's currently recovering at home due to a  
14 car accident. It was a result of someone striking his  
15 vehicle in the rear. So, he's at home recovering.

16 Sergeant Michael Bailey suffered injuries to his legs.  
17 His injuries were obtained during the recent protest. So,  
18 he's currently recovering at home. And lastly, we have  
19 officer Keith Anthony. He also suffered injuries to his  
20 legs and he's currently recovering at home. I'll give our  
21 year today crime stats, start with criminal homicides  
22 we're currently at 230, which is a 23% increase from last  
23 year. Sexual assaults are 461, which is a decrease of  
24 31%. Aggravated assaults, we're currently at 7,087, which  
25 is an increase of 22%. Non-fatal shootings we're

1 currently at 845, which is a 52% increase. Robberies year  
2 to date we're currently at 1,382, which is a decrease of  
3 18%. Car jackings where at one 161, which is a decrease  
4 of 9% compared to last year. With the overall part, one  
5 violent crime increase of 11%. Next, I'll go to property  
6 crime. Burglaries we're currently at 3,296, which is a  
7 decrease of 33%. Larcenies we're at 8,322, which is a  
8 decrease of 22%. Auto thefts we are at 4,179 that's a  
9 decrease of 14%. For overall, property, crime decreased  
10 by 23%. Next go to COVID update. We currently only have  
11 16 members that are currently quarantined due to COVID-19  
12 twelve being sworn four being civilians. The department  
13 has returned 1,236 members to full duty from being  
14 quarantine. I believe the board had a question regarding  
15 that, or they wanted an update from the department  
16 regarding the investigations into the recent protest. So,  
17 I have director Gravel on the line, he will provide that  
18 update. Director Graveline can be unmuted.

19 CHRISTOPHER GRAVELINE: Thank you. The chair, my name is  
20 director, Christopher Graveline professional standard,  
21 Detroit Police Department in terms of an update on  
22 investigations, dealing with the use of force during  
23 protests, from the beginning, we have initiated 32  
24 investigations into allegations of excessive force. There  
25 are 23 investigations that are still open at this time.

1 Two have been sustained, four misconducts, one is a  
2 criminal matter that has been referred to the Wayne  
3 County prosecutor's office and resulted in felony  
4 charges. There have been two that have been closed as  
5 exonerated. One closed, is not sustained. One is  
6 unfounded. There've been two administrative closures due  
7 to lack of contact with the complainant, which leaves 23  
8 investigations still open at this time.

9 WILLIE BELL: Thank you sir,

10 MARTIN WILSON: And with that, that'll conclude the  
11 chief's presentation. And at this point, I'll take any  
12 questions.

13 EVETTE GRIFFIE: I have a question.

14 WILLIE BELL: Yes. Ma'am.

15 EVETTE GRIFFIE: I just wanted to say that my comment has  
16 nothing to do with what has been said in your report. But  
17 in light of what happened yesterday in Kentucky with  
18 Brianna Taylor, I really feel that we need to take a look  
19 at our no knock warrant policy. And I am just curious to  
20 understand, to receive information, I want to make  
21 informed decisions and I think the commission, we could  
22 have a report of how many times the no knock warrants  
23 have been executed in Detroit over the last 12 months. It  
24 could help us come to some conclusions about next steps  
25 that we might need to take as it relates to policy and so

1 I would request that information within a week's time.

2 WILLIE BELL: DC Wilson.

3 MARTIN WILSON: Through the chair, we can provide that.

4 EVETTE GRIFFIE: Thank you.

5 WILLIE BELL: DC Wilson, we have a no know warrant  
6 request.

7 MARTIN WILSON: Go ahead. I'm sorry.

8 EVETTE GRIFFIE: No, go ahead.

9 MARTIN WILSON: Yeah. I can speak for the units that work  
10 for me and majority of the units are that work for me are  
11 the high profile units. We do not currently do any no  
12 knock warrants. There was a recent administrative message  
13 that was put out that in order to do a no knock warrant,  
14 it would call for approval from the Chief of Police.

15 EVETTE GRIFFIE: So, through the chair, if I may so  
16 there's a difference between what's policy and what's in  
17 practice, right? And so I think in practice, it sounds  
18 like the department has made a decision to put elevated  
19 procedures in place when the door knock warrants should  
20 be executed. However, I think that this body should  
21 consider whether we should even be allowing, by policy,  
22 the use of no knock warrants. And so whether the judge  
23 can write one or not, it's not our domain we have no  
24 jurisdiction over that. Whether this department will  
25 execute them, we have every right to draft and work with

1 the department on policy and that's where I think our  
2 effort should be placed next. And I think we should do  
3 this in Brianna Taylor's honor and her memory,

4 WILLIAM DAVIS: Mr. Chairman.

5 WILLIE BELL: I'll take Commissioner Davis then  
6 Commissioner Holley. Go ahead.

7 WILLIAM DAVIS: Okay. DC Wilson were you going to mention  
8 anything about Corporal Cynthia Gale of the 10th precinct  
9 about what's going on Friday?

10 MARTIN WILSON: I'm sorry, I don't have that information.  
11 I don't know if anybody from my team has that  
12 information.

13 WILLIAM DAVIS: Because she was the corporate director to  
14 the 10th precinct, a mini station and they have something  
15 going on tomorrow.

16 WILLIE BELL: Commissioner Davis, why don't you  
17 communicate that to DC offline, I think would be more  
18 appropriate.

19 WILLIAM DAVIS: My question after that is also, is there  
20 any update on chief Craig's town hall who is involved in  
21 with Fox?

22 MARTIN WILSON: I personally don't have any update,  
23 director Graveline do you have an update on that?

24 CHRISTOPHER GRAVELINE: I'm not aware of that event, so I  
25 don't have an update now.

1 WILLIE BELL: Okay. Thank you, Commissioner Holley.

2 JIM HOLLEY: Thank you, Mr. Chairman, when I asked the  
3 question DC last week about the no knock madam chair  
4 indicated like it was like it was just a matter of being  
5 talked about rather than, than what Mrs. Commissioner  
6 Griffie is saying. So, I'm just saying, I'm confused what  
7 y'all told me last week, based on what she's asking me  
8 today. The other thing I'm asking too, should we not be  
9 concerned about overtime based upon the protesting that's  
10 been going on for months to accept that this will be  
11 concerned about that our should the police department  
12 concerned about overtime, or if it's a really new thing.

13 MARTIN WILSON: Through the chair, I'll take the latter  
14 question first off obviously overtime is something that  
15 we manage and look at every day through AC LA Valley's  
16 shop officer, neighborhood police, and now support  
17 operation. He has put, put in the gap. He has put  
18 together a very robust program where we look at overtime  
19 on a daily basis. It has to go up to the actually  
20 commanded commanding officer. And they review every  
21 overtime that is, that is done on a daily basis. And they  
22 make a determination if the overtime was adequate or not.  
23 So, that process things to be working so overtime, it was  
24 always an issue that the department looks into. And I  
25 believe Commissioner Griffie is asking for not only just

1 policy, but she wants to know like just the practice of  
2 it for the last 12 months. How many times have we done a  
3 note knock warrants? So, she wants specific numbers.

4 JIM HOLLEY: I don't get it.

5 EVETTE GRIFFIE: I'm sorry.

6 JIM HOLLEY: Mr. Chairman?

7 WILLIE BELL: Yes, sir.

8 JIM HOLLEY: Do you remember my question last week?

9 WILLIE BELL: Yes sir I remember your question.

10 JIM HOLLEY: Can you help me?

11 WILLIE BELL: Yes, sir. You are correct, sir. I think we  
12 need to reach out to the Assistant Chief or the chief as  
13 soon as possible to get a response. Because my  
14 understanding deputy do not do not do not knock warrants,  
15 all warrants are announced. But as DC Wilson indicated we  
16 would get clarity on that issue. If so, then we would  
17 weigh in as Commissioner Griffie indicated in reference  
18 to what is the policy and how it take place. We will  
19 weigh in on that and hopefully we get a response probably  
20 this evening, how that's going to be approached. Okay.  
21 Thank you.

22 EVETTE GRIFFIE: Through the chair.

23 WILLIE BELL: Yes. Ma'am.

24 EVETTE GRIFFIE: I just want to add when we get that  
25 information, can you, can we detail what the allegation

1 was that the no knock warrant was being executed against  
2 so that we can understand the severity of which they're  
3 being used if they're being used at all?

4 WILLIE BELL: We will weigh into whatever they share with  
5 us if that's the case. So this is an eye opener so we  
6 want to make sure we clear on that. Okay. Any other  
7 questions?

8 SHIRLEY BURCH: Mr. Chair.

9 WILLIE BELL: Commissioner Davis then Commissioner Burch.  
10 New Speaker: That was Brown.

11 WILLIE BELL: Commissioner Burch go ahead.

12 SHIRLEY BURCH: Oh, okay. Thank you. DC Wilson added like  
13 an update as far as it has calmed down a little bit, the  
14 speeding in the donuts, but could you tell me  
15 specifically, what are you doing to put decoys in the  
16 hotspots to catch the people that seem to still do it  
17 randomly? Could you just share to the public and to us,  
18 what are you doing to really catch the ones that  
19 continually do this at late and wee hours of the morning?  
20 How are you capturing them, sir?

21 MARTIN WILSON: Through the chair. Obviously one of the  
22 most problematic days is Friday, Saturday, and Sunday.  
23 So, we do have a very robust approach to dealing with the  
24 drifting community. We've been doing that through the  
25 leadership of now Assistant Chief Bedson probably for the

1 last three, four months that has seemed to work. We  
2 haven't had really any issues, but I can't get go too  
3 much into our tactics, but there are things that we do  
4 look at and we do have undercover officers that we  
5 utilize as well based on the data regarding where some of  
6 this activity is popping up. So, we do use undercover  
7 officers when we do our operations.

8 SHIRLEY BURCH: All right. DC Wilson again. I'm just  
9 trying to get some numbers as to actually when you  
10 capture these criminals, what is their punishment when  
11 they're captured with doing the speeding and donut, what  
12 do you do to them as a punishment?

13 MARTIN WILSON: Through this year, typically the charge  
14 that is used as is reckless driving. If they're just  
15 speeding and doing donuts that also a mis-demeanor then  
16 also gives us the ability to if approved by the judge to  
17 forfeit for vehicles. But there are some occasions when  
18 we make our traffic stops that we do encounter  
19 individuals who have weapons illegally have weapons in  
20 their vehicle.

21 SHIRLEY BURCH: I want to thank you DC Wilson and tell  
22 that chief also it has decreased, but it still needs  
23 improvement. And I want to say to DTE energy, they have  
24 been in our area quite a bit and they almost act like  
25 police because they are naturally, nobody's going to do

1 that around a DTE truck. So I'd say, and they're not  
2 really watching us, but they're doing so much good work  
3 in district three at these over here in our area  
4 Northeast. And I wanted to commend them for that. Thank  
5 you, sir.

6 MARTIN WILSON: Thank you. Ma'am I'll let the chief know  
7 it.

8 WILLIE BELL: Brown.

9 DARRYL BROWN: DC as always just thank you for your  
10 service and all the men and women out there. I know that  
11 they are having a tough time. I couldn't get out last  
12 night, but also want to thank Assistant Chief Bedson for  
13 his help with one of the issues I'm going to ask about.  
14 It has been conveyed to me that a number of the NPOs out  
15 there having problems, getting parking tickets. So  
16 they're writing the tickets as the bike lanes and  
17 everything get installed. There's a growing number of  
18 people that are parking in these lanes and it's creating  
19 some havoc in certain areas of the city. So, one question  
20 is that in this day and age, and I know that the parking  
21 enforcement have them, how can we reach get those,  
22 electronic handheld, parking, ticketing units? Is that  
23 something that we get from the parking enforcement or is  
24 that something that we need to consider putting in his  
25 line item budget, just for the NPOs who are out there,

1 writing these tickets and dealing with this issue. And  
2 then, the other day there was a robbery over in the  
3 district, one area at the park. At Stoepel of a young  
4 man. And my main concern was that the thought that I know  
5 that we had pulled options out for the parks detail,  
6 what, what happened to them. What happened to those  
7 officers and what parks are they going to? And then if  
8 they were reassigned, where are they now?

9 MARLON WILSON: Through the Chair? I'll start with the  
10 handheld device. And I'm sure we have it as a department,  
11 we have a line item that we can purchase that type of IT  
12 upgrade. As you know, we did put some of the mobile  
13 ticker readers or printers inside of some of our Traffic  
14 Officers vehicles. So, that is one modification that we  
15 did add. So, I'll get with AC LaValley and see if that's  
16 a possibility as well as far as getting the handheld. And  
17 typically, with the park detail, I don't oversee them,  
18 but typically the park detail runs all through the summer  
19 months. Those officers tend to come in from different  
20 places in the department, but I think currently most of  
21 those officers remain within the Metro division, which is  
22 where the park details sits if you will. So those, people  
23 are still there. So, they still monitor the parks, but  
24 the park detail itself normally is up and running during  
25 the summer months.

1 DARRYL BROWN: Okay. Thank you.

2 WILLIE BELL: We'll move on, thank you DC Wilson.

3 WILLIE BURTON: Through the Chair.

4 WILLIE BELL: Yes, sir.

5 WILLIE BURTON: I have a question for DC. I'd like to know  
6 what equipment have the Detroit Police Department  
7 purchased through the 1122 initiative programs over the  
8 years?

9 MARLON WILSON: Through the Chair, I'm not familiar with  
10 the 1122. Are you referring to Commissioner Burton, the  
11 1033 program?

12 WILLIE BURTON: Well, the 1033 program was where we  
13 received hand me downs from the Federal government, from  
14 the Department of Defence. But the 1122 program has  
15 allowed law enforcement agencies to purchase new  
16 equipment from the Pentagon.

17 MARLON WILSON: So, through the chair, I would have to  
18 take that back to commanders --

19 WILLIE BURTON: I think somebody tried to mute my mic  
20 again, I guess.

21 EVETTE GRIFFIE: Nope. We can hear you.

22 MARLON WILSON: Through the Chair if I can respond, I'll  
23 make a notation. I'm making a notation now. I'll get with  
24 my partner at the Metropolitan Division and we will get  
25 those answers over to Melanie White.

1 WILLIE BELL: Thank you. We're going to move on to OCI  
2 Interim Investigating Chief Lawrence Akbar report now.  
3 Thank you.

4 WILLIAM DAVIS: Cant' hear him.

5 MELANIE WHITE: We are working to unmute his microphone.  
6 Interim Chief Investigator Akbar?

7 LAWRENCE AKBAR: Yes. Can you hear me?

8 MELANIE WHITE: Yes, now.

9 LAWRENCE AKBAR: Okay. They have the wrong presentation  
10 though. They can take that down.

11 MELANIE WHITE: Okay. Thank you.

12 LAWRENCE AKBAR: Okay. Again, good afternoon, honorable  
13 board. I send greetings from my staff from OCI. I am  
14 Lawrence Akbar, Interim Chief Investigator. I'm going to  
15 present to you my presentation covering the periods of  
16 August, regarding OCI operations during the COVID-19  
17 crisis. The office of Chief Investigators currently  
18 working on a rotation basis to ensure safety measures.  
19 All employees are required to wear masks, sanitize their  
20 work area and utilize other safety protocols as mandated  
21 by the Center for Disease Control and Prevention and the  
22 city of Detroit guidelines. As a reminder to all the  
23 listeners now, the Office of Chief Investigator  
24 investigates all non-criminal complaints involving  
25 department members, sworn and civilian. The City Charter

1 of the City of Detroit Section 7-803, Duties of the Board  
2 of Police Commissioners States and Parks.

3 The board shall receive and resolve everybody in this  
4 chapter. Any complaints concerning the operation of the  
5 Detroit Police Department and forward all allegations of  
6 criminality to the appropriate internal/external law  
7 enforcement agency for further investigation.

8 Now we'll speak a little bit on these protests. There was  
9 one protest complaint filed September 8th, concerning the  
10 protest that happened on May 29th, 2020. That complaint  
11 was transferred to Professional Standards Bureau for  
12 further investigation. The board has previously received  
13 all other statistics relating to previous protest  
14 activity.

15 Now yesterday on Wednesday, September 23rd at 7:00 PM,  
16 there was a peaceful protest at Michigan and Third. The  
17 protest was concerning the death of Ms. Brianna Taylor by  
18 police in Kentucky. There was no reported incidents  
19 between Detroit Police Officers and protesters. No  
20 complaints were called into our office or generated on  
21 the OCI/BOPC, online complaint website.

22 I'll give you some information on body worn cameras. From  
23 January 1st 2020 to September 23rd 2020, OCI has closed  
24 528 complaints filed during 2020. 219 were captured on  
25 our body worn camera system. The board will receive a

1 report detailing year to year comparison regarding BOPC  
2 for your information and reference. And we'll talk to you  
3 a little bit about OCI cases and our stats. As of  
4 September 23rd, OCI has received 828 complaints. During  
5 the same time in 2019, OCI received 895 complaints.  
6 That's 67 less cases, 7% decrease. There was one  
7 investigation filed in September associated with a  
8 violation of the Governor's Executive Order.  
9 Currently, there are 300 cases under investigation and  
10 are opened. We have 10 cases that over 90 days. From  
11 March 16th 2020 to this date, during the COVID-19 period,  
12 the office of the Chief Investigator has received 600  
13 complaints and will close 511 of them.  
14 In closing, the honorable board received the following;  
15 updates on my activities for the month of August and  
16 September, updates on OCI staff, operations, information  
17 regarding OCI complaint case summary statistics, and all  
18 the reports that I've submitted to the board will be made  
19 available on the board's website for more detailed  
20 information. And that information is for the general  
21 public, so you can know what's going on and how we're  
22 dealing with things that at OCI statistic wise.  
23 The office of the Chief Investigator is located at 900  
24 Merrill Plaisance, inside the beautiful landscape  
25 property of Highland Park during this COVID-19 pandemic,

1 for your safety, I appreciate it that you call the Office  
2 of Chief Investigator at (313) 596-2499 to file your  
3 complaint seven days a week, day or night. Please leave  
4 your name, your telephone number on our answering machine  
5 system and my staff will call you back to take your  
6 complaint, answer questions, make referrals to assist you  
7 to address your concerns. You can also file a complaint  
8 online at the City of Detroit's website,  
9 detroitmi.gov/bopc. You can also call any precinct,  
10 Bureau section within the department to file your  
11 complaint. However, make sure you ask for a supervisor,  
12 he or she will take your complaint. I thank you for your  
13 time and support and at this time I can take any  
14 questions from the honorable board.

15 WILLIE BELL: Question.

16 WILLIAM DAVIS: Sir, do you still have Commissioners  
17 reading cases, and if so how many Commissioners are  
18 reading cases? I know I used to read cases, but I haven't  
19 received any in months.

20 LAWRENCE AKBAR: Okay, look, we are televised and I don't  
21 want to really get nothing personal because that's that  
22 part kind of semi upsets me. Commissioner Bell has been  
23 reading all of the cases. He's been working very closely  
24 with OCI and we've been getting those cases. And as you  
25 well know, cases have to be returned back to this office

1 in 45 days. We've been getting them back much sooner and  
2 keeping in compliance with DOJ has asked us to do. So, at  
3 this point during this pandemic situation, Commissioner  
4 Bell has been reading all the cases. However, I'm hoping  
5 though, in the future, when we get better control of this  
6 pandemic situation, that I'll be able to have some  
7 Commissioners come in and I can train them or retrain  
8 them to read and review cases.

9 WILLIE BELL: Commissioner Davis, are you prepared to read  
10 cases and respond appropriately. I'll just leave it at  
11 that.

12 WILLIAM DAVIS: I've always been available to read cases.  
13 I just raised concerns before in the past about why some  
14 Commissioners, like myself was getting eight and twelve  
15 cases and some of our Commissioners did volunteer,  
16 especially the appointees, wasn't doing anything.

17 WILLIE BELL: Well, we are in the process of hopefully  
18 getting those Commissioners trained going into October,  
19 no later than October. But if you're willing to step up,  
20 we have no problem.

21 WILLIAM DAVIS: I've always been.

22 EVETTE GRIFFIE: Through the Chair. I just want to clarify  
23 things for the record.

24 WILLIE BELL: Yes.

25 EVETTE GRIFFIE: Because we all have taken cases, the

1 decisions made in the past, in the last year and a half,  
2 that we would have a committee that was going to be  
3 focused on this process. Then at some recent time, we  
4 disbanded ---

5 WILLIE BURTON: Point of Order. You didn't get permission  
6 from the Chair.

7 EVETTE GRIFFIE: We disbanded committees completely, at  
8 which point we decided that certain select commissioners  
9 would then take cases. But happy to make sure that we all  
10 need to do cases if that's the process. It's actually a  
11 very enlightening thing to do and I appreciate to do it  
12 again if we can develop a process around that.

13 WILLIE BELL: Yeah. We had a problem with COVID and now we  
14 seem to be working out all of that process. So, we hope  
15 to start training with the Commissioner next month. And  
16 if any Commissioner who has set training awareness like  
17 yourself, we'll make sure you get some cases. We're just  
18 trying to make sure that we stay on top of the process.  
19 Any other questions?

20 ANNIE HOLT: Through the Chair.

21 WILLIE BELL: Commissioner Holt, go ahead.

22 ANNIE HOLT: Thank you Commissioner Brown. Through the  
23 Chair, I too would like to be one of the Commissioners  
24 who reviews some of the cases. The last time ---

25 WILLIE BELL: Duly noted and we will make sure you get

1 your training.

2 ANNIE HOLT: The last time I did, Interim Akbar came to my  
3 house to pick up the package.

4 WILLIE BELL: Well, we'll work that out. Definitely, thank  
5 you.

6 DARRYL BROWN: Mr. Chairman.

7 WILLIE BELL: Commissioner Brown.

8 DARRYL BROWN: I just have a question for Investigator  
9 Akbar.

10 WILLIE BELL: Yes, sir.

11 DARRYL BROWN: Investigator Akbar, in looking at the MAS  
12 reports, when we get this information concerning the  
13 promotional employees, I've noticed that the disposition  
14 of a lot of these issues surrounding the OCI are still  
15 pending. Dates like 2013, 2012 and dates like that. Is it  
16 not the responsibility of OCI that when you say these  
17 cases have been closed out, to go in the system and make  
18 sure they're properly dispositioned if they're placed in  
19 there?

20 LAWRENCE AKBAR: Through the Chair. As you're well aware  
21 Commissioner Brown, I've just only been in this position.  
22 I have cleared up all the pending cases that are listed  
23 on MAS that come to my attention. And right now what I am  
24 about to do anyway, I was getting a person together,  
25 another analyst, to dedicate themselves to clean up that

1 entire process that I inherited. But I appreciate you  
2 bringing it to my attention.

3 DARRYL BROWN: Okay, but you said since you've been in a  
4 position. You just recently put out the promotion of why  
5 don't we just promote total in the last few months, over  
6 maybe 60, maybe 70 people to different positions and in  
7 all the cases, the positions, the information was pulled  
8 by you, by your office and it's still the same  
9 information. I'm just asking a concern that ---

10 LAWRENCE AKBAR: Through the Chair. It's a priority. We're  
11 working on it, but understand something, that prior to me  
12 sitting in this seat, all that stuff that you're talking  
13 about when you were working very closely with the last  
14 person who was sitting in the seat was going on. I'm  
15 working on trying to clear it up as it is brought to my  
16 attention.

17 DARRYL BROWN: I'm not here to debate it with you. I don't  
18 want to talk about the past. I'm talking about while  
19 you're there. You just send out information.

20 LAWRENCE AKBAR: You're talking about the past. That's  
21 what's there. I will clean it up.

22 WILLIE BELL: Why don't we do this Commissioner Brown and  
23 Akbar. We don't want to get into a debate. I have duly  
24 noted your concern. Your concern is what now? Be specific  
25 and we can address that. Not in terms of dialogue.

1 DARRYL BROWN: When we're getting this information  
2 Chairman Bell---

3 WILLIE BELL: Yes, sir.

4 DARRYL BROWN: --- all these information with these cases  
5 cause alarm that when we're looking at the behavior of  
6 some of the officers that are being promoted, and when I  
7 look at it, things are still pending, I don't know. I  
8 don't understand the outcome of what's going on with  
9 these charges and things that have been investigated. And  
10 that's my question. If some of these things are still in  
11 there that he just put out, there are pending charges  
12 since 2013. There's no way a case could be pending since  
13 2013, if we're saying the case have been closed. All my  
14 question is to him. What's his plan to further thoroughly  
15 go through this information and bed it? Because they're  
16 pulling the information from MAS, not Commissioner Brown,  
17 and they've given - and it weighs on the decision of how  
18 we will look at promoting these officers, that's why I  
19 ask.

20 WILLIE BELL: Okay. Thank you.

21 SHIRLEY BURCH: Mr. Chair.

22 WILLIE BELL: Ms. White then Commissioner Burch. Ms.  
23 White, do you want to weigh in on this?

24 MELANIE WHITE: Yes sir. Through the Chair. Honorable  
25 board, the information that is contained in the

1 promotional packet, any promotional packet is received  
2 from the Detroit Police Department and a lot of that  
3 information that I believe Commissioner Brown is  
4 referring to comes directly from the department's  
5 management awareness system in which they capture all of  
6 the member's personnel file and history, as it relates to  
7 citizen complaints, use of force, reports and so forth.  
8 And we've sent numerous emails and correspondences trying  
9 to explain or explaining what each one of those  
10 categories means. We are in the process of working with  
11 the department to ensure that the department's Management  
12 Awareness System, the MAS system is up to date and  
13 accurate as it relates to citizen complaint,  
14 investigations, the findings and the like. But as  
15 previously indicated during the OCI's report, all of the  
16 investigations, any investigation from 2013 and so forth  
17 is closed. Those investigations are not open and you've  
18 just heard the most recent and most up to date stats as  
19 far as OCI citizen complaint investigations. But again,  
20 we are working with the department to ensure that the MAS  
21 system is up to date and accurate.

22 WILLIE BELL: Thank you Ms. White. Commissioner Burch.

23 SHIRLEY BURCH: Yes, sir. I thank you Mr. Bell. I just  
24 want to be perfectly clear in sharing about the citizens  
25 of the complaints that we used to fill out. I've had my

1 share of doing that, truly enjoyed it. But like you're  
2 saying that this is now back open, that was brought up,  
3 the new Commissioners Hernandez and Jones will have the  
4 opportunity to do catch up, because you do not need, I'm  
5 just saying, don't share it with me. I've had enough  
6 complaints and I've done a very good job. But now we can  
7 pass it on to AC Holt and the others will never have the  
8 opportunity. That's all I'm saying, sir, I thank you.

9 WILLIE BELL: That we will be activating in next month and  
10 we'll be reporting out at the end of the month where we  
11 are with that. It don't come too much --- It's not heavy  
12 lifting in terms of getting on the stand. If a  
13 Commissioner has a problem with a promotion candidate,  
14 you should indicate that to us and Ms. White, and then we  
15 can make sure we can clear that up. We'll give you some  
16 fact finding on that particular matter.

17 WILLIE BURTON: Through the Chair. I got a question for  
18 you.

19 SHIRLEY BURCH: Mr. Bell. No, no. Wait Mr. Burton. Wait a  
20 minute. When he said, listen to what I'm saying. When we  
21 were doing the complaint form ---

22 WILLIE BELL: Oh, you're talking about something  
23 different. I'm talking about the master one. Go ahead.

24 SHIRLEY BURCH: No, I'm not. I am. I'm getting to it if  
25 you let me get to it.

1 WILLIE BELL: Yes ma'am.

2 SHIRLEY BURCH: Gollie. If you would understand what I'm  
3 saying, that it was always an extra sheet of paper in the  
4 complaint form that if we had a disappointment or  
5 suggestion about the officer's conduct, is that we were  
6 allowed to write that on that separate piece of paper. I  
7 was always reached back by somebody from OCI to share  
8 with me what happened to that Officer. So it was real  
9 open communication back when I was filling out those  
10 complaints. Just want to say that. Okay. That's all.

11 WILLIE BELL: Thank you.

12 WILLIE BURTON: Through the Chair?

13 WILLIE BELL: Yes, sir.

14 WILLIE BURTON: Is it true that you and Lawrence Akbar  
15 worked together before?

16 WILLIE BELL: Is it true what now?

17 LAWRENCE AKBAR: What now?

18 WILLIE BURTON: Is it true that you two worked together  
19 before?

20 WILLIE BELL: I was his supervisor when I worked for  
21 Office of the Chief Investigator. That is correct.

22 WILLIE BURTON: Did you also work together with Detroit  
23 Police Department when you both were officers at one  
24 point in time?

25 WILLIE BELL: Sir, I was a Sergeant, Lieutenant police and

1 Akbar --- I did not --- Why are we going down that path?

2 Yes, he was an Officer and I was an Officer. Yes, sir.

3 What's your point, sir? What is your point? I worked with

4 some other Officers and that might be happening in this

5 department. Yes, there's not that many, but he is one of

6 them and that's why I know his track record. If there's

7 no other questions we can move on.

8 MELANIE WHITE: Through the Chair. Honorable board, please

9 refer to the agenda for the incoming correspondence and

10 communication for this week. And they are as follows:

11 number one, the board received the weekly DPD facial

12 recognition report for the week of September 14, 2020

13 through September 20th, 2020. Second item the board

14 received was the Chief of Police letter of recommendation

15 to promote to the ranks of detective 26 and the support

16 material which was covered previously. The third item

17 includes the Detroit free press article entitled Detroit

18 Police Black Lives Matter protesters reach agreement on

19 rules of engagement dated September 18, 2020. The fourth

20 item consisted of facial recognition technology support

21 material, which came from the department the

22 administration section and the Crime Intelligence Unit

23 shared the meeting video link from city councils, public

24 health and safety committee that included the discussion

25 regarding the most recent facial recognition item on the

1 city council's agenda. And so you've received all of that  
2 support material along with the meeting link for your  
3 review and later reference. Number five, the item  
4 includes the Amnesty International Report on police  
5 abuses of BLM peaceful protestors, August, 2020. Number  
6 six, you received BOPC staff updates, which include but  
7 is not limited to the projected timeline for the  
8 fall/winter newsletter. That item is again contained in  
9 your Tuesday packet and your packet that was sent out  
10 today that outlines the timeline for the fall/winter  
11 newsletter. And it also gives the date in which we are  
12 asking for the honorable board to submit any articles  
13 that they would like to include in the upcoming BOPC  
14 newsletter and all of the details and specifications are  
15 included in that memo. And please contact Ms. Theresa  
16 Blossom, community relations coordinator should you have  
17 any further questions on that item.

18 Number seven, the board received the city law  
19 department's legal opinion on abstentions, which is a  
20 privileged and confidential document. Number eight, we've  
21 just discussed the Director of Police Personnel job  
22 specifications. Number nine, Chairman Bell went over the  
23 220 annual NACOLE meeting confirmation and information.  
24 That meeting took place on yesterday and that was a wrap  
25 up meeting. And also please note that you will receive a

1 NACOLE summary report that will contain again relevant  
2 summaries of all of the webinars, all of the relevant  
3 webinars that we participated in and attended for your  
4 later reference. And then also you will have access to  
5 those meeting webinars to view for your later viewing.  
6 And the last item contained the information regarding the  
7 Wayne State University's Levin and Keith Center's special  
8 panel discussion, which was highlighted earlier during  
9 chairperson Bell's remarks and Commissioner Griffie's  
10 remarks and that panel discussion took place today. And  
11 that concludes the incoming correspondence for this week.

12 WILLIE BELL: Thank you, Ms. White. Unfinished business.

13 WILLIAM DAVIS: Mr. Chairman, I have a question for the  
14 Board secretary.

15 WILLIE BELL: Yes sir.

16 DARRYL BROWN: And I'm going to urge all the Commissioners  
17 to do the same. Our radios are outdated and I would  
18 encourage all of you to get a radio and listen at that  
19 radio so you can understand what's going on out here in  
20 the streets. But Ms. White, the radios we have are  
21 outdated. I'm having problems with getting updated  
22 batteries and things like that. And I want to reach out  
23 to Linear Radio and get us the current model radios that  
24 we have. Because I know I listen to mine and I use it, I  
25 don't know about the other Commissioners, I'm out there

1 with it. But I would encourage all of you to do the same,  
2 but we probably need to change out this equipment, since  
3 it's not being stocked in the house and in the precincts  
4 anymore.

5 MELANIE WHITE: Okay. Through the Chair. I can look into  
6 that matter and we will make sure that you have updated  
7 resources.

8 WILLIAM DAVIS: Okay. Thank you. Mr. Bell.

9 WILLIE BELL: Yes, sir.

10 WILLIAM DAVIS: Do we actually have a report that we can  
11 receive on Amnesty International Report on police abuse  
12 on the Black Lives Matters?

13 WILLIE BELL: I think we can work it out. Ms. White can we  
14 work that up?

15 MELANIE WHITE: Yes sir.

16 WILLIAM DAVIS: Okay. I would like that.

17 WILLIE BELL: I think we're trying to impact any media  
18 source that we might have in terms of the issue that  
19 we're dealing with. So, you're point well taken. We want  
20 to say abreast. So let's say, I know NACOLE is monitoring  
21 on the national level, so definitely. Unfinished  
22 business?

23 SHIRLEY BURCH: No, wait, I wanted to say something. Thank  
24 you. I wanted to just say to Commissioner Griffie, I'm  
25 sorry I was unable to listen to your panel discussion,

1 but I wanted that we'll discuss it later. But one point I  
2 wanted to be on record. It would be very interesting to  
3 see how the panel felt about facial recognition. I know  
4 that came up probably. So you're going to send it out to  
5 us so we can hear what the panellists had to say about  
6 facial recognition. Will you do that please?

7 EVETTE GRIFFIE: Through you Chair. Yes. I can. There's a  
8 YouTube video with a full panel that's online, so we can  
9 make sure that gets sent out to all the Commissioners.  
10 But the person that was on the panel with me, Ms. Tawana  
11 Petty has been to this meeting multiple times. And I  
12 think we all know her stance on facial recognition  
13 technology, so it was not new. But we did have a good  
14 discussion and further understood both sides of that  
15 issue.

16 SHIRLEY BURCH: Right because you had told me that's what  
17 she said. So I just want to get what they had to say.

18 EVETTE GRIFFIE: Yeah.

19 SHIRLEY BURCH: Thank you.

20 WILLIE BURTON: Through the Chair.

21 WILLIE BELL: Yes, sir.

22 WILLIE BURTON: I call for the removal of your  
23 chairmanship.

24 WILLIAM DAVIS: Second.

25 WILLIE BELL: Chair to be removed. That motion is out of

1 order.

2 WILLIE BURTON: Point of order Mr. Chairman. The motion  
3 was proper. You said today, when I asked you a question  
4 about have you worked with Lawrence Akbar, you said you  
5 have with OCI and you also stated that you work with him  
6 at DPD at one point in time. We looked at the hiring  
7 practices and things of that nature, how people were  
8 being hired by this Board. Some of the hiring practices  
9 has been unethical. We saw what happened when the City of  
10 Detroit Inspector General ruled in one of those cases not  
11 long ago, and Mr. Chairman, to call for an extension of  
12 the Board's Secretary and the Board's OCR person to be  
13 extended for another eight months without us having any  
14 discussions about this and about posting those positions  
15 and to use COVID as an excuse, when many companies have  
16 been doing things through Microsoft online for many  
17 years, it's just not going to work. To shut down  
18 protestors for speaking up, we want public comments,  
19 citizens for speaking up during public comments. Shutting  
20 down, muting my microphone, doing session, is out of  
21 order.

22 WILLIE BELL: Any new business, any new business?

23 WILLIE BURTON: Point of order Mr. Chairman.

24 WILLIE BELL: Any new business?

25 WILLIE BURTON: The motion was put on the floor, it was

1 properly seconded and it was called for discussion and --

2 -

3 WILLIE BELL: I ruled on the motion, sir, already. Any new  
4 business?

5 DARRYL BROWN: I have some new business. Yes, sir. I just  
6 want to state for the record that you're out of order  
7 with your motion. Despite me moving to second it, and I  
8 could see the conflict and you not wanting to let it go  
9 through. I understand that there's a conflict of interest  
10 for you to rule that motion out of order. But  
11 nevertheless, I moved that this Board draft a resolution  
12 to City Council opposing the renewal of the Data Works  
13 contract.

14 WILLIAM DAVIS: Second.

15 WILLIE BELL: We have the motion on the floor. Ms. White,  
16 could you restate the motion?

17 MELANIE WHITE: Yes, sir. The question was for the Board  
18 to draft a resolution to City Council opposing the  
19 renewal of the Data Works contract.

20 UNKNOWN SPEAKER: What is Data Works?

21 SHIRLEY BURCH: Explain, explain.

22 DARRYL BROWN: Data Works, if I may, Mr. Chairman, we are  
23 in a discussion?

24 WILLIE BELL: Discussion.

25 DARRYL BROWN: Data Works is the company that oversees the

1 operation and the money that the city is paying for  
2 facial recognition program and technology. That contract  
3 is coming up for renewal and in wake of everything that's  
4 been going on with the two misidentifications, and  
5 looking at the Ordinance that has been drafted, that I  
6 hope this Council takes on. The Ordinance has been  
7 drafted in Portland, Oregon to ban the use of facial  
8 recognition technology publicly and privately. And we  
9 looked at a lot of people, like Amazon for one sunked  
10 \$24,000 into opposition of the Ordinance passed in  
11 Portland. Cities across the country, as most of you may  
12 know or may not know, are banning the use of facial  
13 recognition technology. And the part about it that I  
14 really don't understand and have a problem with is that,  
15 it's in the private sector in the downtown area as well,  
16 and it's being used without your permission, without your  
17 knowledge as well. People based it on the premise that  
18 you're on private property.

19 Well, if I'm on a public street, I'm not on private  
20 property. I still have the ability to use that  
21 technology. And that's why I think that we need to draft  
22 a resolution because that's the power that we have  
23 through resolutions, it's the power that we have is to  
24 work through resolutions, and oppose the renewal of the  
25 Data Works contract and that they are the people that the

1 city has contracted to use the facial recognition  
2 technology. And just keep in mind, that this has been  
3 abandoned in cities, in several cities, several large  
4 cities with the same demographics as the City of Detroit  
5 across this country, that they abandoned the use of this  
6 technology. And they are not even using this technology  
7 because of the rate at which even DPD is even going on  
8 record saying that this technology has misidentified  
9 black and brown people at a rate of 70%, has been  
10 inaccurate at 70%. And with the recent two  
11 misidentifications we had, is proof of point of that. And  
12 that's---

13 EVETTE GRIFFIE: Mr. Chair?

14 WILLIE BELL: Commissioner Griffie.

15 EVETTE GRIFFIE: I just want to say to my colleagues, a  
16 couple of things, one is I just want to remind everyone  
17 that the two incidents that were in question were  
18 incidents that happened before the policy and we did a  
19 thorough review and it was revealed that had our policy  
20 been in place sooner in fact, that those incidents would  
21 not have happened. So I think that further validated the  
22 efficacy of the policy that we put in place. The second  
23 thing that I want to say is that, I find it just very  
24 interesting, I don't know about you, but I do, that some  
25 of the same Commissioners who want to talk about facial

1 recognition over and over again, were the same  
2 Commissioners who did not vote for our use of force  
3 policy. And so what I want to think about is how many  
4 Detroiters, when we talk about the communities that we  
5 represent and our collective citizens, we think about how  
6 many of the citizens are impacted by the facial  
7 recognition technology policy.

8 WILLIAM DAVIS: Call the question.

9 EVETTE GRIFFIE: I'm sorry, I'm not done.

10 WILLIAM DAVIS: Call the question.

11 EVETTE GRIFFIE: There's only been---

12 WILLIAM DAVIS: Unrelated.

13 EVETTE GRIFFIE: There's only been, I'm sorry. I'm not  
14 done.

15 WILLIAM DAVIS: It's unrelated what you're saying.

16 WILLIE BELL: Commissioner Davis, Commissioner Davis,  
17 please.

18 EVETTE GRIFFIE: The facial recognition policy has only  
19 been --- the amount of Detroiters that have been  
20 impacted, who have actually gone through that system is  
21 next to nothing. And yet, when you think about all the  
22 other policy changes that we've made, like use of force  
23 where you have how many people are arrested every day in  
24 Detroit, many more people. And so I just want us to be  
25 conscious of when we have people who claim to be on the

1 side of the community, they want to cherry pick the  
2 policies that they want to support, and not support,  
3 let's all remember this moment right here. So I just want  
4 to remind you of that as we go into this vote. Thank you.

5 WILLIE BELL: Commissioned Brown, would you clarify what  
6 you were trying to get on the floor?

7 DARRYL BROWN: The motion is to draft a resolution to City  
8 Council in opposition of the renewal of the Data Works  
9 contract.

10 WILLIE BELL: Okay.

11 WILLIE BELL: We have to wrap up discussion. I just want  
12 to say--- We're on discussion sir. I gave everybody an  
13 opportunity and I have the opportunity to speak too. But  
14 on the issue of crime in the City of Detroit, of course,  
15 Council make their decision that people are making  
16 inquiries every day in terms of investigating case. Where  
17 are we with that? Too many families, too many Chairs and  
18 we have ongoing as you monitor your radio, your  
19 department radio, I get my texts about what's happening  
20 in the City of Detroit. It's really disturbing. It's  
21 really disturbing that we want to take away a technology  
22 that address those concerns. But on that note, I guess  
23 when you're ready for the roll call vote. We're ready?

24 WILLIE BELL: Yes, sir, make your point.

25 DARRYL BROWN: A few minutes to rebut that. In the

1 beginning when this all came about, this Board's  
2 authority was usurped in the beginning.  
3 WILLIE BELL: Sir, we call for the roll call vote.  
4 Commissioner Hernandez.  
5 JESUS HERNANDEZ: No.  
6 WILLIE BELL: Commissioner Jones.  
7 MARTIN JONES: Commissioner Jones, no.  
8 WILLIE BELL: Commissioner Holley.  
9 JIM HOLLEY: No.  
10 WILLIE BELL: Commissioner Holt.  
11 ANNIE HOLT: No.  
12 WILLIE BELL: District 1.  
13 DARRYL BROWN: Yes.  
14 WILLIE BROWN: District 2.  
15 EVETTE GRIFFIE: No.  
16 WILLIE BROWN: District 3, District 3. District 4, no.  
17 District 5.  
18 WILLIE BURTON: Yes.  
19 WILLIE BROWN: District 6.  
20 LISA CARTER: No.  
21 WILLIE BELL: Thank you and district 7.  
22 WILLIAM DAVIS: yes.  
23 WILLIE BELL: I'll go back to District 3. Ms. White.  
24 MELANIE WHITE: The motion failed.  
25 WILLIE BELL: Thank you. Announcement. Our next meeting

1 will be on Thursday October 1, 2020 at 3:00 PM. Our next  
2 community meeting would be following that on Thursday,  
3 October 8, 2020. And I'm going to ask the Vice Co-Chair  
4 Holt to make a public service announcement on the census.  
5 Thank you. Make it brief and to the point.

6 WILLIE BURTON: Chairman, I got something for new business  
7 Mr. Chairman.

8 WILLIE BELL: Thank you. We've closed. We've move on.

9 ANNIE HOLT: I do. I will.

10 WILLIE BELL: You called unfinished business. You never  
11 said new business. And then on top of that, you never say  
12 any other new business or unfinished business.

13 WILLIE BELL: Vice-Chair Holt, go ahead.

14 ANNIE HOLT: Thank you, Mr. Chair Bell. The US censurs is  
15 indicating that the State of Michigan has responded to  
16 the census, 97%. Unfortunately, the City of Detroit is  
17 the fifth lowest of cities with more than 200,000 people.  
18 The census will come to a close September 30th, which is  
19 next week, and it is projected that with the enumerators  
20 coming to the homes and knocking on the doors, that  
21 200,000 resident count should raise to 300,000 but again,  
22 lower than the 52% that we were projected in order to be  
23 successful.

24 Now, let me say something about Lieutenant Mark Young. He  
25 did post on Facebook that the City of Detroit is less

1 than 50% response and that is a very sad commentary from  
2 us, when we need those federal dollars. Thank you, Chair  
3 Bell. And I believe if Commissioner Burch is still here,  
4 she wanted to talk about a campaign that she is rallying  
5 in her neighborhood, but I don't know. I don't see her,  
6 but thank you again. Chair Bell.

7 DARRYL BROWN: Through the Chair.

8 WILLIE BELL: Thank you. Mr. Brown, we are going to move  
9 on to Oral Communication/Public Comments.

10 WILLIE BURTON: To the Chair, you didn't call any other --

11 WILLIE BURTON: We're moving on to all Oral Communication,  
12 please. .

13 OLIVER BOYD: Good afternoon Mr. Chair. This is Oliver  
14 Boyd. We currently have 10 speakers. The first speaker  
15 will be Lieutenant Mark Young, President of LSA, Miss  
16 Bernie Smith and Minister Eric Blunt.

17 WILLIE BURTON: Mr. Chairman, you did not call for any  
18 other unfinished business. So under unfinished business,  
19 I'm going to put out here on the floor today, is to raise  
20 public comments up from two minutes to three minutes.

21 WILLIAM DAVIS: Aye.

22 WILLIE BELL: We have two minutes sir, go ahead.

23 WILLIE BURTON: And I have a second by Commissioner Davis.  
24 He just second the motion.

25 WILLIE BELL: Commissioner Burton, if we don't stop

1 talking then I'm going to have to mute you. I'll give the  
2 audience opportunity to thank you.

3 MARK YOUNG: I'm sorry, can you hear me? Some may think is  
4 not a good time to be the police, but my colleagues, they  
5 step up and they do it anyway. They're highly visible,  
6 responding to incidents in progress, situations during  
7 and after the fact. They do it because victims matter,  
8 (VM - victims matter). 20 to 22 barricaded gunmen  
9 recently, 18 freeway shooting, 14 of those in Detroit,  
10 242 plus names listed on the National Memorial Wall. I  
11 want to thank my colleagues for their commitment, their  
12 courage, their dedication, their professionalism. Victims  
13 matter. We must never forget or fail to understand the  
14 challenges and dangerous that these men and women, these  
15 awesome men and women face every day. And about the  
16 census, if we don't step up over the next seven or eight  
17 days, it won't matter. That is embarrassing and  
18 insulting. When people talk about protestors, protest and  
19 challenges, that should be the rally call. All this other  
20 stuff is not going to matter. You're not going to have  
21 money for your therapist. You're not going to have money  
22 for your social workers or law enforcement if we don't  
23 get that census count up. We need every dollar that's  
24 available. I just want to thank the men and women of the  
25 Detroit Police Department for fighting COVID, for

1 fighting protestors for stepping up and showing out. They  
2 are the national model long before COVID, long before  
3 protests, they have been the national model and I'm proud  
4 of them and I'm proud of what they're doing. Thank you. I  
5 yield the rest of my time.

6 ROB BROWN: Ms. Burnie Smith. Ms. Smith? I'm going to  
7 Minister Eric Blunt. Sir.

8 WILLIE BELL: Thank you.

9 BERNISE SMITH: As long as you're on the Board and it's  
10 sad, it is really sad. I love my police department.  
11 They're doing a wonderful job with all what they have to  
12 go through, they deserve even a raise, but we are so  
13 busy, fighting and going on on the police Board and it's  
14 a disgrace and I hope, and I'm going to pray to God that  
15 we can do something about it and that he can do something  
16 about it because this is not the Detroit that I know.  
17 I've lived here for over 48 years, and this is the worst  
18 I've ever come. And it's every week that I hear the same  
19 thing between the two of them, you argue all the time and  
20 you need to just be calm and sit down and be able to  
21 agree and start negotiating with each other. This  
22 battering back and forth is silly. It's silly and  
23 disgraceful for grown men. I want the police department  
24 to continue to be where they are and they have been doing  
25 a hell of a good job. And these people talking about

1 getting rid of the Chief, they better not say nothing  
2 about getting rid of our Chief. He's going to do the best  
3 he can, and he's doing the best he can. And Wilson, you  
4 continue to be behind him and Beddison, you continue to  
5 be behind him because I know both your history and it's a  
6 damn good history. But the people that's on that Board,  
7 you are a disgrace. You need to be off the Board. And I'm  
8 glad Martin that you are on, so you can see what's going  
9 on because you are 300, just like I was. So you keep up  
10 the good work Martin and do your chance, do your best to  
11 keep up and not let those people turn your head because  
12 it's the devil that's in them and it's sad. And I'm going  
13 to pray for them, that they'd be off the Board soon,  
14 because we don't need that argument and that ignorance  
15 because that's exactly what it is, ignorance. And people  
16 are sitting there, decent people won't stand for it. They  
17 want to know what the Board is all about. And I'm  
18 through. I don't even want to talk no more. It's sad. I  
19 wish I can be there so I can look them in the face and  
20 tell them "you are a disgrace to our race and not only  
21 the police department, you need to get off the  
22 Commission." When I was on the Commission under Coleman  
23 in '73, we didn't have none of that BS. And that's what  
24 we're having now and it's not getting any better. So may  
25 the good Lord bless all of you that's doing the right

1 thing and keep up the good work. But you need to get rid  
2 of them two. We don't need them.

3 SHIRLEY BURCH: Amen.

4 ROB BROWN: Minister Eric Blunt.

5 ERIC BLUNT: Can you hear me Board?

6 ROB BROWN: Yes sir.

7 ERIC BLUNT: Previous caller got well over two minutes,  
8 but today's meeting proves once again that the  
9 appointee's beholden to the Mayor to decide winners and  
10 losers. Thank you, Commissioner Brown for following up on  
11 the resolution power of this Board. It can be done for  
12 facial recognition as well. On the issue of "no knock  
13 warrants," Commissioners, stop asking and demand.  
14 Frederick Douglas said, and I quote "power concedes  
15 nothing without demands." Commissioner Holley's question  
16 on "no knock warrants," last week was just brushed off  
17 and they went on to another topic. When I demanded  
18 answers, they just went on to the next speaker.  
19 So, on the issue of "no knock warrants," and other  
20 warrants, I am demanding that this must be added. We need  
21 to know who can request a warrant and that what level of  
22 approval it needs to have before it gets to a judge and  
23 who has the right to approve submitted police reports in  
24 situations, especially in warrants. As we have discovered  
25 with the Brianna Taylor murder, the submitted police

1 reports of the situation never mentioned anyone being  
2 injured, let alone shot or dead. Appointee Griffie, if my  
3 demands, your request and Appointee Holley's question  
4 reveals disturbing facts, you must have more than a one  
5 meeting fit, similar to the one meeting fit you had when  
6 you found out that facial recognition technology  
7 practices were not what you voted 'yes' for. I yield my  
8 time.

9 ROB BROWN: Mr. Chair, the next three speakers would be  
10 Loving Neighbors, followed by Anthony Dellicolli and  
11 Richard Newman.

12 LOVING NEIGHBORS: Hi, can someone unmute? There we go. I  
13 love where I live in District 3. I'm in District 3. I got  
14 the news about Brianna Taylor and actually I thought  
15 about Shelby Smith and the Smith family who continues to  
16 wait for justice. And I ask you, are you doing all that  
17 you can do? So I read your lamentations in the Free  
18 Press, but actually the time for hand-wringing is over.  
19 Can you change your policies? I mean, I was shocked to  
20 hear today that the police only have eight hours of  
21 training to deal with mental health. That seems like a  
22 big problem.

23 I have an utter and complete lack of confidence in DPD's  
24 ability to tell the truth. This blaming the protests for  
25 police being tired is very 'curious' to use Commissioner

1 Griffie's words, the sporting and cultural events that  
2 regularly take place that require police assistance are  
3 canceled. The protests are much smaller than those  
4 events. And it's odd that obviously untrue things are  
5 being said by the DCs and by the Chief about the protest,  
6 things I've been at and nobody calls them out on it. So I  
7 find it weird and uncomfortable and I find it  
8 frightening, especially what Chief Craig is saying on  
9 right-wing TV about paid protestors, because we know  
10 that's not a real thing. You know, in your heart that  
11 it's not possible. It's not real. And yes, there's the  
12 anti-capitalist talk at the protest, but that's neither  
13 here nor there. But none of you are speaking out about  
14 these lies, which range from fibs to straight up tall  
15 tales, which leads me to not believe the police about  
16 other things. And so I'm going to return to facial  
17 recognition. I don't trust that DPD is telling the truth  
18 about their usage of FRT. Policy goes out the window in a  
19 blink of the eye.

20 So, I want you to all know that I'm praying for you and  
21 I'm sure this isn't an easy time to be on the Board. I  
22 pray that you have the courage to speak up for what you  
23 know is right. Especially your Commissioner Burch and  
24 Commissioner Holley. I know your true believers and may  
25 God have mercy on your soul.

1 WILLIE BELL: Mr. Dellicolli.

2 ANTHONY DELLICOLLI: Yes. Hello. This is Anthony

3 Dellicolli from Detroit Democratic Socialists. First, I'm

4 very shocked to hear that Commissioner Griffie is now

5 suddenly satisfied with DPDs use of facial recognition

6 technology despite throwing a fit about it back in June

7 and demanding a report on the policy, which I mean, this

8 policy doesn't make the facial recognition technology get

9 any more accurate. I mean, it's still likely that we're

10 going to find future cases similar to Robert Williams and

11 Michael Oliver's. And this Board is going to be complicit

12 for whatever happens in the future. I'm troubled by the

13 fact that our Police Chief continues to appear on Fox

14 News to give interviews to the likes of Tucker Carlson,

15 who spouts a white supremacist beliefs on a nightly

16 basis. He was back on Fox News this morning to share

17 right wing conspiracy theories that protests are financed

18 by Marxist outsiders who are trying to undermine our

19 government. Trump has even commented on Craig, calling

20 him terrific.

21 Yesterday, Craig applauded how Kentucky's Attorney

22 General handled the Brianna Taylor case. This Board so

23 frequently invokes John Lewis's name regarding the

24 current protest that demand justice for George Floyd and

25 Brianna Taylor. But President Trump hated John Lewis,

1 going so far as to claim that he himself had done more  
2 for African Americans than John Lewis ever did. So I  
3 asked the members of this Board, which side are you on,  
4 the side of Trump and Chief Craig or the one of the late  
5 John Lewis and the protestors seeking justice for Brianna  
6 Taylor who was murdered in her bed by police? Thank you.

7 WILLIE BELL: Mr. Richard Newman.

8 RICHARD NEWMAN: Hello. My name is Richard Newman. I live  
9 in District 3 in the Conant Davis neighborhood. And I  
10 went on a walk earlier today, and decided to talk to some  
11 of my neighbors as I was walking by, about some of these  
12 issues: about facial recognition technology, about the  
13 polices use of military equipment, and not a single one  
14 of my neighbors who were out believed that facial  
15 recognition technology was helping them. I mean, some of  
16 them didn't know what it was to be fair, but once I  
17 explained what the technology was, how it surveilled  
18 people, how that data was used in ways that we  
19 understand, no one wanted that technology to be in the  
20 hands of the police. And I just really encourage you  
21 Commissioners to take some time to try to talk to people  
22 in your district.

23 You know, my neighborhood is a large immigrant, a large  
24 refugee population who are seriously over surveilled and  
25 whose status as American citizens is constantly under

1 question, under threat. And I would really appreciate it  
2 if you would take the time to try to talk to some people  
3 who are outside of your social circle, outside of your  
4 immediate circle of the people that you know, outside of  
5 the police officers that you know, and the government  
6 officials that you know. Maybe outside of your church,  
7 try to talk to a different congregation if you are a  
8 church going person. Because I think you'll find that  
9 this is not technology that people want and these are not  
10 powers that we want the police to have. Thank you.

11 ROB BROWN: Mr. Chair, your next three speakers would be  
12 Ms. Susan Steigerwalt followed by Ms. Maceo George  
13 followed by JW.

14 SUSAN STEIGERWALT: Can you hear me?

15 BROWNROB: Yes, ma'am.

16 SUSAN STEIGERWALT: Terrific. So I just want to applaud  
17 and concur with Commissioner Brown regarding his  
18 resolution to defeat the Data Works and thus facial  
19 recognition. I think there are two reasons for that. One  
20 is because facial recognition misidentifies a significant  
21 percentage of people and we'll get to that in a moment,  
22 but the other issue you're giving away your power. You  
23 have the power to control this and you're choosing to let  
24 it go and let City Council take care of this. I'm really  
25 surprised. You said, "there are a lot of crime in

1 Detroit." But misidentifying people does not solve the  
2 crime. It does not solve the crime problem.  
3 In addition, due to our miss identification of people,  
4 the City of Detroit is facing two huge lawsuits. Can we  
5 really afford to lose 3 or \$4 million? I don't think so.  
6 Lastly, I want to concur again with Commissioner Brown  
7 about surveillance, not just by the police, but also by  
8 our billionaire cronies of Duggan who are developing the  
9 downtown and destroying the neighborhoods. I yield my  
10 time.

11 ROB BROWN: Miss Maceo George?

12 MACEO GEORGE: Can you hear me now Mr. Brown?

13 ROB BROWN: Yes.

14 MACEO GEORGE: Okay. Somebody controlling that button, who  
15 is that? I noticed some people are speaking, you can hear  
16 me, I'm saying hello and somebody got the control of that  
17 button, but I'm going to be respectful on that one. Good  
18 afternoon Commissioner Bell and to the Board of Police  
19 Commissioners to Deputy Chief Wilson. So I'm going start  
20 where I left off, where I was cut off because I noticed  
21 that you keeping people on for two minutes as well, but I  
22 wanted to say Commissioner Bell, you need to share that  
23 work with what the Board of Police Commissioners were  
24 talking about. You are controlling that situation and the  
25 Board, not all of them, I do think, you know, for

1 Commissioner Brown and Commissioner Burch and  
2 Commissioners Davis and Burton that you're fighting for  
3 what is right. I'm glad Commissioner Griffie is talking.  
4 You know, I don't agree with her on that facial  
5 recognition because I thought they shut you down. So at  
6 least you had some comments, even though it's opposite of  
7 what you said about facial recognition, but you should  
8 have a right to speak. But the issue is the facial  
9 recognition, it's going to be knocked down. If it goes  
10 back to City Council, the people in the City of Detroit  
11 will have to vote them out. Hopefully we'll have a new  
12 Mayor. I respect Mayor Duggan. Chief Craig offered me to  
13 come downtown to look at the recognition system. I'm  
14 still going to come down there. I'm still going to see  
15 it. But Portland like Commissioner Brown stated, and I  
16 stated before too, these companies shut it down because  
17 of the racism of black and brown people and you African  
18 Americans that's on that Board, you're perpetuating that  
19 race, racism on black people, some of you, but that's  
20 okay. We will vote Mayor Duggan out, respectfully vote  
21 him out. New everybody. And then that way we can have a  
22 new Mayor appoint a police commissioner that's for the  
23 people. It's got to get knocked down. Now we get a new  
24 administration, Tucker Carlson is a liar, that's another  
25 subject. Chief Craig is a nice person, but Tucker Carlson

1 is a liar. So that's why Trump said that about him.

2 That's why he go against our Governor, but ---

3 ROB BROWN: Wow! Racial recognition. JW.

4 JW: Yes. Hello? Can you hear me?

5 BROWNROB: Yes.

6 JW: Can you hear me? Okay. I'm sorry. My apologies. First  
7 of all, just say no to facial recognition technology.  
8 Please don't give us the taint of being one of the few  
9 major cities with it. Regarding the policies, I believe  
10 Commissioner Griffie, some of the people voted no on the  
11 use of force policy because it hadn't been fully  
12 discussed in these meetings that I'm aware of. And some  
13 of these policies are not up on your website, like the  
14 body cam policy. I don't see it up there. Also I'm  
15 noticing that the minutes that you have for the meetings,  
16 sometimes they're transcribed, sometimes they're not. And  
17 I'm wondering why? I've always appreciated that this  
18 Board did have a court reporter and tried to take stuff  
19 down verbatim that said, but now I'm noticing that is not  
20 what is happening.

21 I agree that the officers need way more than eight hours  
22 of mental health training, not only for themselves, but  
23 for understanding the people that they're dealing with,  
24 since the people with COVID and many other situations  
25 are under a lot of constraints. And maybe I didn't make

1 myself clear that I wanted an investigation into the  
2 forced stripping of me in a cell with a camera in it,  
3 that happened last summer. I mentioned it before, I was  
4 looking for it in the minutes. That should be of concern  
5 to all people, given the Michigan Department of  
6 Correction's bad past and abusing females. I do agree we  
7 should have all elected members on the Board, say no to  
8 the state fair ground deal, and say no on proposition.

9 And I believe all the members on this Board should be---  
10 ROB BROWNB: Mr. Chair. That was the last speaker. JW and  
11 the phone number are the thing. So that was your last  
12 speaker.

13 WILLIE BELL: Thank you, Mr. Brown

14 SHIRLEY BURCH: Mr. Bell?

15 WILLIE BELL: Mr. Burch, Commissioner Burch?

16 SHIRLEY BURCH: Yes sir. I want to understand something  
17 because my phone was completely cut off. So I would like  
18 to know, did you all vote for what Commissioner Brown put  
19 it on the table? Did you have a vote?

20 WILLIE BELL: We had a vote and the vote was no.

21 SHIRLEY BURCH: No, no, no. You're going to have to resend  
22 that because I was cut off. My phone just went dead. The  
23 last thing I heard was that AC Holt said, Ms. Burch had  
24 something to say about voting. So that's not fair. I know  
25 that is not fair. Whatever you all did, I did not get an

1 opportunity to vote Mr. Bell.

2 WILLIE BELL: Well, unfortunate technology, but the vote  
3 is taken and it's not ---

4 SHIRLEY BURCH: No. I'm recommending we revote. We have to  
5 redo that.

6 WILLIE BELL: We cannot recall the vote. The vote is  
7 taken. We moved on.

8 SHIRLEY BURCH: How can you move on, if I said, I'm a  
9 commissioner and I wasn't allowed to vote. How can you  
10 move on, sir?

11 WILLIE BELL: Unfortunately, at the roll call time the  
12 technicality was there or whatever, I don't know, but I  
13 called you on two different occasions for voting.

14 SHIRLEY BURCH: But I'm telling you what happened to my  
15 phone. I was really cut off all the way and I wanted to  
16 come in. I wanted to say to Ms. Griffie, I know that  
17 Commissioner Griffie in the beginning, you had said, in  
18 all due respect to you, Commissioner Griffie, you said  
19 "I'll shut it down." You were very angry when that second  
20 case came about the illegal, the misuse of facial  
21 recognition, you said that, so I really don't understand  
22 you as much respect as I have for you. Why would you now  
23 turn the table? I just want to know that Ms. Griffie, you  
24 never did that before. This Board cannot be a one sided  
25 Board. We must do things in prayer, but we must do things

1 for the citizens and I'm not against Chief Craig. I am  
2 against anybody discriminating against black people  
3 because that's what's going on in the world. Racism, Mr.  
4 Bell, and we can't be a part of racism. That's all I want  
5 to say. I'm saying to you, please do not do this. Don't  
6 take those minutes? Don't take those minutes. The minutes  
7 are out of order. Mr. Commissioner Brown, would you say  
8 something, now is your opportunity?

9 DARRYL BROWN: On a point, Mr. Bell, she does have right,  
10 if we are backing this argument on extensions and not  
11 voting, she is on the prevailing side and she does have a  
12 right to put a motion on the floor to reconsider the  
13 vote. Probably the proper thing to do is probably to get  
14 a legal opinion on it. The way I understand it, since she  
15 was cut off and she didn't have an opportunity to vote, I  
16 think that the prudent thing for us would be to get the  
17 opinions and if we have to revisit this topic next week,  
18 we should. But she does have the right if she's  
19 considered to be on the prevailing side to motion to  
20 reconsider a vote. That is a proper motion.

21 WILLIE BELL: Thank you Commission Brown.

22 SHIRLEY BURCH: I appreciate that.

23 WILLIE BELL: Thank you, Commissioner. The Chair will take  
24 a motion for adjournment.

25 ANNIE HOLT: So move.

1 WILLIE BELL: Proper move.

2 SHIRLEY BURCH: Now wait a minute. No, no. Take that away.

3 WILLIE BELL: Moved and supported.

4 WILLIE BURTON: Mr. Chairman, Mr. Chairman! Somebody just  
5 reached out --- Bob Cormack had his hand up and nobody  
6 called on him for public comment. Robert Cormack had his  
7 hand up right now for public times and nobody called on  
8 him.

9 WILLIE BELL: We have rectified that and he would have an  
10 opportunity next week.

11 WILLIE BURTON: His hand is up right now. This is not  
12 fair. I got two people telling me right now that their  
13 hands are up and no one from the Board called on them.  
14 And one of them is Robert Cormack.

15 WILLIE BELL: We do it several time, sir.

16 DARRYL BROWN: Chairman Bell, your actions are a neglect  
17 of duty and a neglect of your office, I just want you to  
18 understand that.

19 WILLIAM DAVIS: He doesn't care.

20 ANNIE HOLT: Recording has stopped.

21 MELANIE WHITE: I believe the meeting has been adjourned  
22 based on the vote that was just taken and the  
23 Commissioner is no longer on the call.

24 Meeting Concluded at: 5:15p.m.
