Dear City Employees,

As flu season is fast approaching, it is very important that all city employees and their family members get the flu shot and stay healthy this year. While the flu shot will not protect you from COVID-19, it is a highly effective way to protect you and your family during the flu season.

Attached are the schedules and locations where you can get your vaccination with no cost or co-pay under your city health coverage.

Let's do our part in minimizing the spread of the flu in the City of Detroit this winter.

Sincerely,

Mike Duggan,  
Mayor
