3 or oral communications on the agenda. To make a request  
4 without Smartsheet, meeting participants may use the  
5 "raise hand" icon on the website, or they may press star  
6 nine (\*9) on the telephone.

7       Regarding important reminders for public comments.  
8 Upon joining the meeting, participants will join the

14 may use the Zoom controls on your computer screen "raise  
15 hand," or you may dial star nine (\*9) from a mobile  
16 device. You may use any one of these options by 4:00 PM  
17 to be acknowledged for public comments.

18       And finally, regarding public comments, each speaker  
19 will have two minutes to speak. The BOPC staff will  
20 acknowledge each speaker. We ask that you remain  
21 respectful and professional and refrain from violating  
22 the Board's Bylaws, zoom's terms of services, and other  
23 relevant laws and ordinances, which are posted on all  
24 meeting access forums.

25       At this time, please silence your phones and other

1 background sounds to prevent interrupting the meeting.  
2 And also just as a reminder to the honorable board,  
3 please also note that the board and panelists have the  
4 option to self-mute, mute their microphones, and to  
5 unmute their microphones at any time during the meeting.  
6 And additionally, please also note that when joining the  
7 meeting, you join as an attendee and then we move  
8 panelists and speakers to the panel gallery. So please  
9 allow for a time lag to make that transfer and to send a  
10 message to unmute your microphones and to access and  
11 operate your videos. So at this time, now, Chairperson  
12 Bell.

13 CHAIRPERSON BELL: Ms. White, would you unmute the  
14 Chaplain, please?

15 MS. WHITE: Yes, sir.

16 CHAIRPERSON BELL: And video.

17 MS. WHITE: Yes, sir. If staff could please  
18 facilitate that. Okay and, please note Chaplain Bailey,  
19 we can enable it, and then from there you can adjust it,  
20 but we can enable it for you right now.

21 CHAIRPERSON BELL: Okay. Thank you, Ms. White. I want  
22 to make sure the Chaplain hears my brief remarks opening  
23 the meeting. I'm going to call the meeting to order. We  
24 have two excused absences, Commissioner Lisa Carter and  
25 Commissioner Griffie at this time. And I'm going to ask

1 the Chaplain to lift up Commissioner Carter, as she goes  
2 forth to funeralize her father on Saturday morning. He  
3 was also a retired Wayne County sheriff deputy. I didn't  
4 know that. And I just want to say, we pray for the  
5 family, I hope that we can be supportive in terms of  
6 sympathy cards and calls and any other form of  
7 condolences. So, definitely do that. And I had the  
8 opportunity last Thursday evening to meet with the  
9 Chaplain at the Police Academy, about 30 plus in terms of  
10 the Academy, I appreciate, the Chaplain that's joining  
11 our ranks in the near, near future and those who invited  
12 me in terms of the team leadership.

13 So, Chaplain Bailey is also a graduate of  
14 Northeastern High School. He came out in 68 and I came  
15 out in 1963, so I'm pleased. We haven't talked over the  
16 period of time, so I'm glad he introduced himself. In the  
17 future, we can have some chats on the side or when I see  
18 him in person. And it's good to see you AC David LeValley  
19 with us, representing Chief Craig. I'm going to ask you  
20 at this time and thank the good Lord for His grace and  
21 mercy that we survived this national election and  
22 democracy in America so we'll go forward. On that note,  
23 Chaplain Bailey, the invocation, please.

24 MS. WHITE: Excuse me, Mr. Chairperson. We are still  
25 trying to enable Chaplain Bailey's microphone and video.

1 For some reason, we are having difficulties at this time.

2 CHAIRPERSON BELL: There he is. Chaplain Bailey. Can  
3 you hear me now?

4 CHAPLAIN BAILEY: Yes, I can, sir.

5 CHAIRPERSON BELL: Did you hear me prior to?

6 CHAPLAIN BAILEY: No.

7 CHAIRPERSON BELL: Okay. Pray for Commissioner Lisa  
8 Carter. She's funeralizing her father this coming  
9 Saturday. And we definitely want to lift her up in  
10 prayers and any others who might need prayer from this  
11 board or the city of Detroit. Thank you for the  
12 opportunity so you could come before this board. Thank  
13 you.

14 CHAPLAIN BAILEY: Father we come to you as we know-  
15 how. We come to You to ask You, Lord Jesus, to hear us.  
16 Father, we just ask You the touch the family. Touch the  
17 family, Lord Jesus, in a mighty way. Let them know Lord  
18 Jesus, that You are the healer of the broken heart and  
19 that You are the deliverer, Lord. And that all the pains  
20 that they're going through right now, Lord, that You will  
21 see them, that they can look to the Hills from which  
22 cometh their help and their help comes from You, in the  
23 mighty name of Jesus. And Father, as we go through this  
24 meeting, we just thank You, Father, that You allowed each  
25 and every one that's attending this meeting to be able to

1 go through all of the things that they're going through  
2 that we can look back and see who's carrying us and we  
3 know that You're carrying us through, Lord. And we just  
4 thank You so much. And Father, if there's anything that's  
5 not like You, that is in this meeting, we ask You right  
6 now to remove it right now. And Lord Jesus we thank You,  
7 thank You, thank You for everything that You're going to  
8 do and things that you have done, in the name of Jesus we  
9 pray. Amen.

10 CHAIRPERSON BELL: Thank you, Chaplain Bailey. Amen.

11 COMMISSIONER BURCH: Amen. Mr. Chair?

12 CHAIRPERSON BELL: Yes, ma'am.

13 COMMISSIONER BURCH: I'm sorry to interrupt you, but  
14 I just wanted to say this, thank you to Chaplain Bailey  
15 that came from the 11th precinct. He and Cedric Wyckoff  
16 are very dedicated Chaplains to the city of Detroit. I  
17 just wanted people to know that. And that we appreciate  
18 him so much. And Mr. Bell, if you'd be so kind to allow  
19 me to read, the resolution for Martha Goldman if you'd be  
20 so kind of whoever you assigned it to.

21 CHAIRPERSON BELL: Granted to you. You have the  
22 assignment.

23 COMMISSIONER BURCH: Thank you.

24 CHAIRPERSON BELL: Thank you. Chaplain Bailey, thank  
25 you. I hope that we keep that in mind in terms of the

1 spirit of our meeting. We've normally been sending out  
2 the rules of decorum and debate at the board meeting. I  
3 hope that we have order and decorum. That's all I ask in  
4 terms of this board that we have that type of respect for  
5 one another and our community. We have about 54 people on  
6 the call at this time, I'm going to conduct an  
7 introduction of the commissioners starting with district  
8 one.

9 COMMISSIONER BROWN: Good afternoon, everyone.  
10 District one, Commissioner Darryl Brown.

11 CHAIRPERSON BELL: Thank you. District two. Oh, I  
12 forgot. Griffie is excused. District Three.

13 COMMISSIONER BURCH: Good afternoon, everyone. My  
14 name is Shirley Burch. I am the Commissioner for district  
15 three. May God bless everyone out there today that is  
16 going through it, but just give it over to Jesus. Thank  
17 you.

18 CHAIRPERSON BELL: Thank you. District four. Bell,  
19 present. District five?

20 COMMISSIONER BURTON: Commissioner Burton, present.

21 CHAIRPERSON BELL: Thank you. District six is  
22 excused. District seven.

23 COMMISSIONER DAVIS: Hello, everyone. Police  
24 Commissioner William M. Davis, Commissioner of district  
25 seven. Love where you work.

1 CHAIRPERSON BELL: Thank you. Commissioners At-Large.  
2 Commissioner Hernandez.

3 COMMISSIONER HERNANDEZ: Good afternoon, everyone.  
4 Jesus Hernandez, At-Large.

5 CHAIRPERSON BELL: Thank you. Commissioner Jones.

6 COMMISSIONER JONES: Hi. Good afternoon, everyone.  
7 Commissioner Jones, At-Large.

8 CHAIRPERSON BELL: Thank you. Commissioner Holley.

9 COMMISSIONER HOLLEY: Good afternoon, present.

10 CHAIRPERSON BELL: Thank you. Last but not least, our  
11 vice-chair, At-Large.

12 VICE-CHAIR HOLT: Thank you, Chairman Bell. Good  
13 afternoon, everyone. Annie Holt, At-Large.

14 CHAIRPERSON BELL: Thank you. Ms. White?

15 MS. WHITE: Yes, sir. You have a quorum.

16 CHAIRPERSON BELL: Thank you. And we have two excused  
17 absences, that's correct?

18 MS. WHITE: Yes, sir.

19 CHAIRPERSON BELL: Okay. We move on to the approval  
20 of the November 5th, 2020 agenda. I'm going to approach  
21 it in this manner. You have the agenda there before you,  
22 we can do it in this manner. Are any commissioners in  
23 opposition to the agenda by stating no, at this time?

24 COMMISSIONER DAVIS: No.

25 CHAIRPERSON BELL: Commissioner Davis. Do I hear

1 another voice?

2 COMMISSIONER BURTON: Commissioner Burton, no.

3 CHAIRPERSON BELL: Commissioner Burton, no. So I  
4 assume the rest of the Commissioners are for the agenda's  
5 approval. Thank you. The next item is to approve the  
6 minutes for October 29th, 2020. Is any Commissioner in  
7 opposition to the minutes for October the 29th? Any  
8 correction in addition to the minutes?

9 COMMISSIONER BURCH: Yes, sir.

10 CHAIRPERSON BELL: Yes, ma'am. Go ahead.

11 COMMISSIONER BURCH: Yes, sir. I'm sorry. Yes, but I  
12 just have an addition to the minutes from last week. I  
13 did mention having a rotating speed limit sign put back  
14 into district three. I did ask that but I didn't see it  
15 in the minutes.

16 CHAIRPERSON BELL: Ms. White, what you make a  
17 notation on that item?

18 MS. WHITE: Yes, sir.

19 CHAIRPERSON BELL: Any other additional corrections?

20 COMMISSIONER BROWN: Yeah, the correction for, the  
21 vote concerning, Commissioner Burton, gag order at the  
22 meeting before that was not corrected in these minutes.  
23 And let the record reflect that I wasn't saying that the  
24 corporate counsel said that an abstention vote was yes, I  
25 was making the point that the vote counted as a no vote

1 and that's where we said the motion would have failed and  
2 that was not reflected in the minutes.

3 CHAIRPERSON BELL: Ms. White, would you make a  
4 notation on that?

5 MS. WHITE: Yes, sir.

6 CHAIRPERSON BELL: Any other corrections in addition  
7 to the minutes? Any Commissioner in reference to no on  
8 the minutes, could you voice your concerns now voting no?  
9 I see no, nos. The minutes pass then. Thank you. Ms.  
10 White, would you introduce the board staff, please?

11 MS. WHITE: Yes, sir. Through the chair. The  
12 Department of Innovation and Technology is monitoring and  
13 recording the board's meeting today. Our court reporter  
14 is Mr. Don Handyside and the following board staff  
15 numbers are in attendance today. Mr. Robert Brown, Ms.  
16 Teresa Blossom, Community Relations Coordinator, and Ms.  
17 Jonya Underwood Administrative Assistant. Investigator  
18 Tiffany Stewart. Lieutenant James Coles representing  
19 Police HR Division and Police Recruitment, Interim Chief  
20 Investigator Lawrence Akbar, Supervising Investigator  
21 Ainsley Cromwell, Supervising Investigator LiSonya Sloan,  
22 and Senior Investigator Rosalia Madrigal are all in  
23 attendance today, sir.

24 CHAIRPERSON BELL: Thank you. Ms. White. Representing  
25 the Chief of Police is Assistant Chief David LeValley.

1 Would you introduce yourself and any other staff, et  
2 cetera?

3

4 AC LEVALLEY: Yes. Good afternoon to the board. David  
5 LeValley, Assistant Chief, sitting in for Chief Craig  
6 today. Other department members that I see are Captain  
7 Aric Tosqui of Crime Intel, Captain Lena Ladelle of  
8 Professional Standards, Director Chris Graveline from  
9 Professional Standards, Commander Kyra Hope - Chief's  
10 Neighborhood Liaison, Ron Thomas, Vice-President of the  
11 DPOA. I see Lieutenant Usden, Lieutenant Kozloff, Mark  
12 Young, President of the LSA, Manager Reid Branch Wilson,  
13 from planning. Director Trisha Stein from Administrative  
14 Operations and there may be some others that I missed but  
15 unintentional.

16 CHAIRPERSON BELL: Thank you, AC LeValley and I  
17 welcome all the DPD members of staff and union  
18 leadership. We appreciate your attendance. Any elected  
19 officials or representatives of elected officials Ms.  
20 White?

21 MS. WHITE: No, sir. Not at this time. I would also  
22 like to mention that, the introductions for Lieutenant  
23 Mark Young President of the Lieutenants and Sergeants  
24 Association, and Vice President Ron Thomas were indicated  
25 earlier and also Chief Legal Counsel of Special Projects

1 Megan Moslimani from the city's law department is also  
2 present in attendance today, sir.

3 CHAIRPERSON BELL: Thank you for their attendance.  
4 We're going to move right on into, a brief report. I just  
5 want to inform the board, that I had the opportunity to  
6 meet by Zoom, with the OCI staff on Wednesday morning at  
7 10 o'clock. Vice-Chair Holt could not join us because of  
8 her extensive duty with the election committee, but it  
9 was a good meeting and forum. I haven't spoken to them in  
10 quite some time. I just wanted to appreciate their hard  
11 work and dedication to their mission and carrying out the  
12 goals and the objectives of the charter mandated duties  
13 in terms of handling the complaints and et cetera. So it  
14 was a good dialogue, was short and brief, but I just  
15 wanted to thank them and acknowledge their work on behalf  
16 of this board and we appreciate that. That's basically  
17 it. I'm going to move right into, the next item which  
18 would be, the SOP for the Board of Police Commissioners.  
19 The draft that we've submitted to you for approval. Ms.  
20 White, would you share that? Then we'll entertain a  
21 motion after you speak.

22 MS. WHITE: Yes, sir. Through the chair. Honorable  
23 board, you received the draft the board has completed  
24 last week and all of the information was contained in  
25 this week's packet as well. And, this is, primarily the

1 first draft of the Standard Operating Procedures that  
2 cover some of the same items that were included in the  
3 OCIs SOP concerning personnel and description of primary  
4 functions of the board's administrative staff, training,  
5 office operations and protocol, administrative matters,  
6 preparation of the board meeting, progressive  
7 disciplinary policy, and other governing documents and  
8 city of Detroit, policies that are applicable. And so all  
9 of that information was transmitted, for your review and  
10 feedback and now a vote for today.

11 VICE-CHAIR HOLT: Through the chair.

12 CHAIRPERSON BELL: Yes, ma'am.

13 VICE-CHAIR HOLT: I move that we approve the SOP  
14 report as presented and as we received in the email.

15 COMMISSIONER HERNANDEZ: Support.

16 CHAIRPERSON BELL: It's been property moved and  
17 supported. Discussion. Commissioner Davis.

18 COMMISSIONER DAVIS: I was wondering, was this  
19 proposal submitted so that the people could see it on our  
20 website or Facebook so that people will know what we're  
21 talking about?

22 CHAIRPERSON BELL: Well, after we've, approved it. We  
23 can't submit something the board hasn't approved. So we  
24 would entertain that after we approve our SOP. And we  
25 haven't had an SOP, as you well know. When we look at the

1 department operation, we have amendments and adjustments  
2 all the time. So I hope I answered your question. Not at  
3 this time, this is a board internal matter.

4 COMMISSIONER BURTON: Through the Chair.

5 CHAIRPERSON BELL: Commissioner Burton.

6 COMMISSIONER BURTON: Question to the secretary,  
7 Melanie White, when was it sent out?

8 MS. WHITE: Through the chair, the draft SOP was sent  
9 out last Tuesday, for the honorable board's review. And,  
10 also, we requested any feedback or recommendations, or  
11 adjustments to the draft SOP as well.

12 COMMISSIONER BURTON: Okay. Have we had the  
13 corporation council to look at this since we don't have a  
14 board attorney at this time?

15 CHAIRPERSON BELL: Sir, this is an internal document  
16 of the board. We make the decision in terms of how we  
17 operate. So, yes and you also received a hard copy of  
18 this document.

19 COMMISSIONER BURTON: This is the first time,  
20 Chairman Bell that we have been operating without a legal  
21 attorney for the body for quite some time. So I think it  
22 will be really good to have either corporate counsel or  
23 this board to hire an attorney when we're making these  
24 types of matters going forward. So, I would like to call  
25 for a legal opinion next week.

1 CHAIRPERSON BELL: Any other discussions? Roll call  
2 vote. District one.

3 COMMISSIONER BROWN: No.

4 CHAIRPERSON BELL: District three.

5 COMMISSIONER BURCH: Yes.

6 CHAIRPERSON BELL: District four. Yes. District five.

7 COMMISSIONER BURTON: No.

8 CHAIRPERSON BELL: District six, excused. District  
9 seven.

10 COMMISSIONER DAVIS: No.

11 CHAIRPERSON BELL: At-large Commissioner Hernandez.

12 COMMISSIONER HERNANDEZ: Yes.

13 CHAIRPERSON BELL: Commissioner Jones.

14 COMMISSIONER JONES: Yes.

15 CHAIRPERSON BELL: Commissioner Holley.

16 COMMISSIONER HOLLEY: Yes.

17 CHAIRPERSON BELL: Vice-Chair Holt.

18 VICE-CHAIR HOLT: Yes.

19 CHAIRPERSON BELL: Ms. White?

20 MS. WHITE: Through the chair. There were six yes  
21 votes and three no votes.

22 CHAIRPERSON BELL: Six, yes, and three, no votes. The  
23 motion passed.

24 VICE-CHAIR HOLT: Through the chair.

25 CHAIRPERSON BELL: Yes, ma'am. Vice-Chair Holt.

1 VICE-CHAIR HOLT: I move that we accept the amendment  
2 to the board's, removal of the chair and the vice-chair  
3 and accept the version that is a paraphrase of the bylaws  
4 that you will find on the NACOLE website and the  
5 amendment reads as the board may by an affirmative vote  
6 of two-thirds and that's seven members remove the  
7 Chairperson.

8 CHAIRPERSON BELL: Excuse me, Vice-Chair. Its eight  
9 members, two-thirds is eight members. That's the  
10 correction on that.

11 VICE-CHAIR HOLT: I'm sorry. I saw it through the  
12 email Ms. White sent. I'm sorry. I'm sorry, Ms. White.  
13 You sure sent it up. Two-thirds, eight members, remove  
14 the chairperson, vice-chairperson for a cause. Prior to  
15 any such removal, at least three members of the board  
16 shall have filed a request in writing that the  
17 chairperson or when the proceedings involving the  
18 chairperson, the vice-chairperson scheduled such action  
19 at a regular or special board meeting. The chairperson or  
20 when the proceedings involve the chairperson, the vice-  
21 chairperson may at his or her discretion approve or  
22 reject the requests. If the chairperson or the vice-  
23 chairperson approves the request, the person subject to  
24 removal shall be notified and shall be re provided an  
25 opportunity to address the board prior to the vote.

1 COMMISSIONER BURTON: Point of order, Mr. Chairman,  
2 about a month ago, approximately, I did call for a legal  
3 opinion in this meeting based on the fact that Annie  
4 Holt, Commissioner Holt, was not present to read her  
5 amendment recommendation to the bylaws. A staff person  
6 cannot implement any changes to the bylaws. That has to  
7 be raised by a Commissioner in a motion to amend.  
8 Commissioner Holt was not present to make that, amendment  
9 change and so that was improper and I did call for a  
10 legal opinion at this meeting, and I guess we're still  
11 waiting for a legal opinion when it comes to, this right  
12 here today.

13 CHAIRPERSON BELL: We will get that opinion if it  
14 hits the floor. Do we have a second to the motion?

15 COMMISSIONER JONES: Second.

16 COMMISSIONER HERNANDEZ: Support.

17 CHAIRPERSON BELL: It's been properly moved and  
18 supported. Discussion.

19 COMMISSIONER DAVIS: Discussion.

20 COMMISSIONER BROWN: Mr. Chair.

21 CHAIRPERSON BELL: Ms. White, do you want to have  
22 corporation counsel respond?

23 MS. WHITE: Yes, sir. We are locating Council  
24 Moslimani, Chief Legal Counsel Moslimani to enable her  
25 microphone.

1 CHAIRPERSON BELL: Oh, okay. I'll go ahead. And once  
2 you get her-- Commissioner Davis was first.

3 COMMISSIONER BROWN: It's Brown.

4 CHAIRPERSON BELL: Brown. Commissioner Brown.

5 COMMISSIONER BROWN: Yeah. I'd like to move to table  
6 this motion.

7 COMMISSIONER DAVIS: Second.

8 CHAIRPERSON BELL: It's been properly moved and  
9 seconded to table this motion. At this time...

10 COMMISSIONER BROWN: Mr. Chairman, if we're going to  
11 have a discussion, I'd like to speak last.

12 CHAIRPERSON BELL: Well, normally a person who makes  
13 the motion has the opportunity to speak first, but we  
14 will allow that. Any discussion on the motion, to table?  
15 Davis.

16 COMMISSIONER DAVIS: Well, I think it would be most  
17 appropriate for us to wait since we just had the election  
18 in district two with 34,000 people voting for police  
19 commissioner for district two. We should at least give  
20 that district an opportunity to have representation and,  
21 I don't think it's appropriate to move forward. I think  
22 we should table it until the new commissioner is  
23 seated.

24 CHAIRPERSON BELL: Any other discussion? Commissioner  
25 Brown?

1 COMMISSIONER BROWN: I'm making a motion to table  
2 based on the fact that there were some inaccuracies and  
3 you just can't make the changes while you're reading the  
4 motion. The language that went out was wrong about the  
5 number of votes. I raised the question. I sent an email  
6 out. Is it two-thirds of the vote of the members of the  
7 board or is it two-thirds of the votes of the members  
8 that are present? Also, I thought we needed some- The  
9 other part I put in an amendment was to strike the part  
10 about the Vice-Chair or Chair making a decision to go  
11 ahead and accept the motion from a commissioner. I think  
12 that's a conflict of interest of our bylaws and it takes  
13 the power from the board itself to recommend and make  
14 changes to our bylaws from the board based on someone  
15 having the authority to reject that person's, motion. So  
16 I move to table. I meant that's why my motion to table  
17 this until we can get a legal opinion on both those items  
18 and we understand exactly what we're voting on and be  
19 clear about it.

20 CHAIRPERSON BELL: Ms. White, the attorney, is she  
21 ready?

22 MS. WHITE: Yes, sir.

23 CHAIRPERSON BELL: I'm present. Good afternoon,  
24 everyone.

25 ALL: Good afternoon.

1 ATTORNEY MOSLIMANI: I've heard Commissioner Brown's  
2 requests regarding the, and I just want to be clear that  
3 I'm hearing the requests. The first question is, is it a  
4 two-thirds vote of the members present or a two-thirds  
5 vote of the entire board, is that correct?

6 COMMISSIONER BROWN: That is correct.

7 ATTORNEY MOSLIMANI: And then number two is, is it  
8 improper for the vice-chair or the chair making the  
9 decision after the board has voted?

10 COMMISSIONER BROWN: Correct. Well, in making a  
11 decision to reject the motion to remove either one of  
12 them from a position. And I think that's a conflict of  
13 interest because I believe that they would reject it and  
14 it takes away the power from the board to recognize a  
15 commissioner putting forth. Now, I'm okay with the  
16 letters that they're asking the people who send out the  
17 requests that part of it. But for them to make a decision  
18 of whether or not a commissioner can recommend that they  
19 be removed from the position I think as a conflict of  
20 interest and it takes away the power and the authority of  
21 the board.

22 ATTORNEY MOSLIMANI: Okay, I do--

23 COMMISSIONER BURTON: I have a point too.

24 ATTORNEY MOSLIMANI: Go ahead. I'm sorry, I didn't  
25 hear you.

1           COMMISSIONER BURTON: Corporation Council, this is  
2 Commissioner Burton, district five. About a month ago,  
3 approximately I did call for a legal opinion at this  
4 table. Apparently, the board secretary, Ms. Melanie  
5 White, basically read a statement or something basically  
6 saying it was coming from Commissioner Annie Holt, for an  
7 amendment to the bylaws change when I was getting ready  
8 to place a vote to call for the chair at the time's  
9 resignation as chair. To amend the bylaws, a staff person  
10 cannot make that argument at the table. It has to be  
11 raised by a commissioner in a form of a motion or  
12 amendment change not read or submitted by a staff person  
13 and so I did call for a legal opinion based on that.  
14 Because basically in our bylaws, once there's a motion  
15 for amendment, for change, it takes 30 days before you  
16 bring it up. And so, you know, it was never raised by,  
17 Vice-Chair Annie Holt. It was raised by Ms. Melanie  
18 White, the secretary, speaking for Annie Holt. And so we  
19 don't acknowledge proxy votes or anything of that nature  
20 for this body.

21           ATTORNEY MOSLIMANI: Commissioner Burton, I apologize  
22 if you asked for, a legal opinion with regard to that  
23 specific issue. A lot goes on during these meetings so I  
24 always appreciate if you guys send requests and writing.  
25 There's a lot being said and sometimes the meetings get a

1 little contentious, so it's hard to follow who is saying  
2 what and who's requesting what, and I do want to be clear  
3 that I am always here to help all of you. I'm a neutral  
4 party. However, not every issue brought to the board  
5 requires a written legal opinion. I think we can get a  
6 lot more done and we can work efficiently if I'm able to  
7 just answer questions. My opinion is not going to change  
8 whether it's on paper or whether I say it here verbally.  
9 And I think that we can be an efficient board moving  
10 forward if we're able to have these positive, respectful  
11 discussions, and I'm able to give my legal opinion. And  
12 I've always been a lawyer since I started. If I don't  
13 know the answer, I will ask for time to research that  
14 answer. I will never speak if I don't know the answer,  
15 but when I am sure about certain matters and I give my  
16 legal opinion, I would hope that we could use that  
17 opinion and move forward rather than request that every  
18 issue that comes to the table for the board is a legal  
19 opinion in writing. With regards to what's been proposed  
20 today on the bylaw and the amendment to the bylaws, I've  
21 had a chance to review the way that that happens and to  
22 review the proposed bylaw. It was my understanding that  
23 vice-chairperson Holt was the one bringing this to the  
24 table, not Ms. White, have I misunderstood that?

25 COMMISSIONER BROWN: Yes.

1 ATTORNEY MOSLIMANI: Ms. White, I can't hear you.

2 MS. WHITE: Yes, through the chair. Just for clarity,  
3 the board's bylaws reads as follows, as it relates to  
4 amendments revision to the bylaws. An amendment to the  
5 bylaws may be proposed by any board member. The changes  
6 to the bylaws will be handled via distribution of the  
7 proposed language change to all board members. So as far  
8 as the facts, I simply read the proposed bylaw from Madam  
9 Vice-Chairperson into the record, due to her having to  
10 leave the meeting due to any emergencies. So I did not  
11 propose the bylaw. I simply read it and then distributed  
12 the bylaws as required by the amendment or by the bylaw  
13 provision. So I did not propose any bylaw. I simply read  
14 it into the record on behalf of Vice-Chairperson Holt,  
15 and then I distributed the bylaw amendment as required by  
16 the bylaws.

17 ATTORNEY MOSLIMANI: So, it seems to me as if that  
18 the only issue would then be the count of the amounts of  
19 days that have passed since Vice-Chairperson Holt read it  
20 today on the record.

21 COMMISSIONER BURTON: So basically, so she just read  
22 something on--

23 CHAIRPERSON BELL: Commissioner Burton, you do not  
24 have the floor at this time. It has been 30 days. What  
25 day did we initiate it? That's the question.

1 MS. WHITE: October 1st.

2 CHAIRPERSON BELL: Thank you.

3 ATTORNEY MOSLIMANI: Oh, that was my question. So if  
4 it was initiated on October 1st, it's been 30 days and I  
5 understand Commissioner Brown has two issues with this,  
6 and I think that those issues are properly raised and  
7 that those issues can be discussed today. And as the  
8 board has a discussion and decides how they decide to  
9 vote on the issue, that is what discussion is for. So if  
10 someone is making a motion to pass this amendment to the  
11 bylaw, the chair will ask, is there any discussion? And  
12 we should have a discussion as a board on what issues we  
13 see with the language. If we're not okay with the  
14 language if we'd like to amend the language and come  
15 together as a board for something that works for  
16 everyone. And I'm hoping that we can- Commissioner  
17 Burton, may I finish, please? And I'm hoping that we can  
18 just get together and discuss these issues and then if  
19 there are changes, we can make them together and take a  
20 vote. And I, after reading the open meetings act, the  
21 bylaws for this organization, as well as the Attorney  
22 General's opinion on the open meetings act, it is my  
23 legal opinion that two-thirds vote of the members present  
24 to pass this bylaw amendment.

25 CHAIRPERSON BELL: Thank you Madam Attorney. We were-

1 ATTORNEY MOSLIMANI: Thank you and I'll be here all  
2 meeting if any other questions pop up. I'm here.

3 COMMISSIONER BURTON: Madam Attorney--

4 VICE-CHAIR HOLT: Through the chair.

5 CHAIRPERSON BELL: Commissioner Burton. Commissioner  
6 Burton, you do not have the floor. Who--

7 VICE-CHAIR HOLT: Through the chair.

8 CHAIRPERSON BELL: Vice-Chair Holt.

9 VICE-CHAIR HOLT: Again, this paraphrased bylaw  
10 suggested amendment, again, came from the best practices  
11 of NACOLE, which to some degree is the, well, we know who  
12 NACOLE is. And then again, the comment was made that the  
13 person was in objection to the fact that the chair or the  
14 vice-chair has the yay or nay on the complaints that were  
15 delivered to the board, suggesting the behavior of the  
16 chair or the vice-chair was inappropriate. And the one  
17 thing that I'd like to say about that, yes, the vice-  
18 chair or chair can agree and or they could disagree. Now,  
19 to draw the assumption that the chair or the vice-chair  
20 would side against a board member then that is not  
21 necessarily, a contention that the, that the Commissioner  
22 can make.

23 CHAIRPERSON BELL: Okay. I think we have had a  
24 discussion on the matter. We're going to just go into--

25 COMMISSIONER DAVIS: Question for the attorney, sir.

1 Question for the attorney.

2 CHAIRPERSON BELL: Commissioner Davis.

3 COMMISSIONER DAVIS: Attorney, looking at our bylaws,  
4 article 10, the last paragraph states that two-thirds of  
5 the board is required, not those present. I suggest  
6 perhaps you should revisit that.

7 CHAIRPERSON BELL: Well, two-thirds of the board, I  
8 think that would be appropriate, but the attorney  
9 indicated what she said, and then we can also do a little  
10 bit further research, but I think it speaks to the board,  
11 but perhaps we can clarify that in the future. A motion  
12 has been seconded to table this matter. Vice-Chair Holt,  
13 how do you vote?

14 VICE-CHAIR HOLT: No.

15 CHAIRPERSON BELL: District one.

16 COMMISSIONER BROWN: Yes.

17 CHAIRPERSON BELL: District three.

18 COMMISSIONER BURCH: Table it. Yes.

19 CHAIRPERSON BELL: District four, no. District five.

20 COMMISSIONER BURTON: Yes.

21 CHAIRPERSON BELL: District seven.

22 COMMISSIONER DAVIS: Table. Yes.

23 CHAIRPERSON BELL: Commissioner Hernandez?

24 COMMISSIONER HERNANDEZ: No.

25 CHAIRPERSON BELL: Commissioner Jones?

1 COMMISSIONER JONES: No.

2 CHAIRPERSON BELL: Commissioner Holley?

3 COMMISSIONER HOLLEY: Because of the confusion, yes.

4 CHAIRPERSON BELL: Ms. White?

5 MS. WHITE: There were five yes votes and four no  
6 votes.

7 CHAIRPERSON BELL: The motion passed, I mean, failed.  
8 I'm sorry. The motion failed, right?

9 COMMISSIONER BROWN: The motion passed.

10 CHAIRPERSON BELL: I'm sorry. I'm sorry.

11 VICE-CHAIR HOLT: Commissioner Brown's motion passed.

12 CHAIRPERSON BELL: Okay. It passed. I'm sorry. We  
13 table this. Okay, thank you.

14 COMMISSIONER BROWN: Thank you, Commissioner.

15 CHAIRPERSON BELL: We'll move on to, the chief's  
16 report.

17 AC LEVALLEY: Good afternoon, board. Through the  
18 chair.

19 VICE-CHAIR HOLT: Afternoon.

20 AC LEVALLEY: Thank you. I'm going to start first  
21 with crime stats. Criminal homicides this year, we're at  
22 268. This is today's stat report. 268, which is up 19%  
23 from last year. Rapes, we're at 548, which is down 27%  
24 from last year. Aggravated assaults are 10,175, which is  
25 25% up from last year. Non-fatal shootings, 995, which is

1 up 55% from last year. Robberies, 1,584, which is down  
2 20% from last year, and car jackings, 193, which is down  
3 4%. We've seen a 14% increase in violent crime, part one  
4 violent crime over last year's number on this day. A 24%  
5 property crime decrease, and total part one crime is down  
6 12%. As far as priority one response time for the prior  
7 week, we were at 11 minutes and 53 seconds on average.  
8 Moving on to our current COVID situation, we have seen a  
9 spike in the number of members who have tested positive.  
10 We currently have 27 members that are positive and we  
11 have 52 members that are currently quarantined. Of those  
12 52 members, 12 are non-sworn and 40 are sworn members.  
13 The command that is most heavily impacted in the  
14 department is the eighth precinct with seven members out  
15 at this current time.

16 I'll move on to our current protest situation. Last  
17 night we did have a number of individuals that appeared  
18 at the TCF center. There were about 80 to a hundred  
19 people who were out in front of the location, demanding  
20 to be allowed entry into the location to observe ballot  
21 counting. The staff at TCF Center actually locked the  
22 front doors of the building. The location where the  
23 ballots were being counted was on the lower level of the  
24 building. We had department members that were present.  
25 There were also about 50 individuals who were actually at

1 the lower level, which is inside the building in the  
2 lobby area right outside where the counting room was who  
3 were also trying to gain entry into the counting room.  
4 And what was taking place inside the room is that there  
5 were 400 individuals who were credentialed from a variety  
6 of different political parties that were authorized to be  
7 inside the location to observe and monitor and  
8 potentially challenge the counting of the ballots.

9 And so as individuals were leaving from that group,  
10 individuals who were out in the hallway were being  
11 allowed in so that they maintain the number of people in  
12 the room for social distancing, to keep it at 400. And so  
13 some of the individuals who were outside in the lobby  
14 area were upset that they weren't allowed entry. A few of  
15 those individuals they began chanting, stop the vote. A  
16 few of the individuals out there started banging on the  
17 windows that caused some confusion inside the room as to  
18 what was going on outside because people inside couldn't  
19 see what was going on and all they could hear was the  
20 banging on the glass. Officers were able to put a stop to  
21 that right away and that was pretty much the extent of  
22 what occurred last night.

23 I know there were a lot of maybe social media or  
24 media reporting that there was chaos at TCF center. It  
25 wasn't chaos. There was like I said, some banging on the

1 glass that may have caused some individuals that were  
2 inside the room to be fearful of what was going on but  
3 there was no point at which, we weren't able to keep  
4 control of what was going on at the location. We do have  
5 some information that there's going to be planned  
6 protests in front of the TCF center tomorrow at 9:30 in  
7 the morning. we're staffing ourselves appropriately for  
8 that, and we will be on location to monitor the situation  
9 and, we will continue to operate in a similar manner as  
10 we have in the past, respecting everybody's right to free  
11 speech and their ability to protest. And if the situation  
12 warrants us to take action or make arrests, we'll be  
13 prepared to do that if needs be. An update on the  
14 complaints from prior protests. There's no change from  
15 last week's report on Journal Affairs or Professional  
16 Standards Investigations with regard to that situation.

17 I'll move on to the injured officer's report. We  
18 currently have police officer Mark Robbins from Traffic  
19 Enforcement who was involved in a traffic crash. The car  
20 was actually rear-ended while he was on a traffic stop.  
21 He's been placed off disabled and he's recovering at  
22 home. And then we also have Sergeant Mark Bailey that has  
23 been out for several months with a leg injury from the  
24 seventh precinct.

25 Moving on to some of our recent officer-involved

1 shooting incidents. About a week ago, we had a barricaded  
2 person who officers responded to the location for an  
3 individual who was having a mental episode where they  
4 needed potentially some treatment. The individual ended  
5 up taking his girlfriend hostage inside the house. When  
6 officers approached, he had a gun in his hand, the  
7 responding officers were able to retreat from the  
8 location, take cover, and they radioed for assistance.  
9 After several hours of the individual, keeping his  
10 girlfriend hostage inside the location negotiations with  
11 the individual had broken down. He actually came to the  
12 front door, opened the front door, and he was armed with  
13 a weapon was holding the girlfriend hostage after making  
14 several threats to kill her. He pointed the gun at her  
15 and one of our snipers, who was assigned to the scene,  
16 fired a shot, and ended the situation.

17 The next one we'll talk about is an off-duty  
18 Lieutenant from Detroit Police last week who was in the  
19 city of Dearborn Heights. He was in a 7/11 making a  
20 purchase and he made an observation of an individual who  
21 entered the location and produced a handgun, committed an  
22 armed robbery of the cash register robbing two female  
23 clerks who were in the location. The off-duty Lieutenant  
24 followed the individual outside identified himself as a  
25 police officer told the individual he was under arrest

1 the individual turned and fired multiple shots at the  
2 off-duty officer. The off-duty officer returned fire  
3 striking the individual. He survived the shooting but he  
4 was taken into custody at that location that shooting  
5 because it didn't happen in Detroit is actually being  
6 investigated by Dearborn Heights and the Michigan State  
7 Police. But they are in constant contact with our  
8 Professional Standards Unit to make sure that department  
9 policy and procedures were followed.

10 The next officer-involved shooting incident we had  
11 happened two nights ago in the fourth precinct in the  
12 Southwest part of the city there was a report three  
13 nights ago of some shots that were fired into a  
14 residence. Officers responded that night, the individual  
15 had left the location. They found a number of casings out  
16 in front and bullet holes in the front of the house. So  
17 the following night, which was two nights ago, police run  
18 comes out to the location again for shots fired into the  
19 residence. Officers responded they were able to get a  
20 description of the vehicle. Officers located a vehicle.

21 There was a lengthy police chase that ensued,  
22 actually, at one point they made a decision to not pursue  
23 the vehicle anymore after it went over to the Eastside of  
24 the city. The officers returned to the fourth precinct.  
25 They went back checking on the location where the victims

1 were and they spotted the vehicle again. Another police  
2 chase took place at that point. During that chase, the  
3 individual in the car fired shots at some of our  
4 officers, from the vehicle.

5 The incident came to a stop on Central Street, where  
6 officers exited their vehicle. They were, again, fired  
7 upon by the individual in the car. They returned fire and  
8 he was able to drive half a block away, crashed the car  
9 and he succumbed to his injuries. That individual,  
10 yesterday, the Chief did a press conference where he  
11 spoke about that incident. And that individual was also  
12 suffering from mental illness. And he actually, the day  
13 prior had approached or taken himself to the Detroit  
14 Receiving Crisis Center, seeking some treatment. He was  
15 at the crisis center for a couple of hours. He ended up  
16 being discharged and then ultimately went back to this  
17 location, firing shots into this house So we're not sure  
18 why he didn't receive the treatment he needed, but, he  
19 definitely sought treatment and wasn't able to receive it  
20 so unfortunate that the police had to get involved wasn't  
21 necessary.

22 The last incident I want to talk about happened last  
23 night. This was in the sixth precinct. We had an off-  
24 duty, detective from our auto theft unit, who arrived  
25 home in his driveway. He was approached by three

1 individuals who announced a robbery and tried to rob him  
2 in his driveway. He identified himself and produced his  
3 weapon and he fired shots and shot one of the  
4 individuals. That person was taken to the hospital,  
5 dropped off by the other two individuals who fled the  
6 hospital. We actually took him into custody at the  
7 hospital and we're currently looking for the other two  
8 individuals. I think that wraps up the officer-involved  
9 shooting portion.

10 The last thing I wanted to talk about was a major  
11 violator's investigation, but actually, if you could  
12 allow Chris Graveline, Director of Professional Standards  
13 in, he's in a better position to give an update on that  
14 incident.

15 CHAIRPERSON BELL: Thank you.

16 AC LEVALLEY: I can take- Oh, he's in. Okay. I was  
17 going to say I can take questions while we're waiting,  
18 but I can do it after.

19 MR. GRAVELINE: Through the chair.

20 CHAIRPERSON BELL: Yes, sir.

21 MR. GRAVELINE: So, Chief Craig gave an update to the  
22 media approximately two weeks ago about the state of our  
23 operation clean sweep investigation. To date, we have  
24 been focusing on the years of 2017 to 2019, taking a look  
25 at, search warrants, time slips, all of the practices at

1 the major violator's section for those three years.

2 Well, we have found, unfortunately, multiple search  
3 warrants, that were false, false in either bolstering the  
4 history that the officers had with particular  
5 confidential informants or people they termed as  
6 confidential informants. This grew directly from the  
7 problematic practice of doing a raid at a house and  
8 instead of arresting an individual where they found drugs  
9 instead "flipping" that person to become and give  
10 information about the next house.

11 And so then in the next search warrant, they would  
12 say, well, I've worked with this person five times in the  
13 past and they've given quality information when really,  
14 that was just not accurate. We found a number of these  
15 search warrants, and we are investigating, dozens of,  
16 problematic and or false search warrants. The other,  
17 well, there are several struggling things as well. We  
18 also saw a good number of our arrest rates go down in  
19 2018 and 2019. One of the big concerns, when you talk  
20 about false affidavits, are people who are improperly or  
21 unlawfully arrested and incarcerated. And so we've been,  
22 very much taking a look at that. The practice of flipping  
23 though, not many people were arrested. So, in that sense,  
24 there aren't that many people who were either convicted  
25 and or incarcerated based upon these practices, because

1 they were more interested in just going to the next house  
2 and raiding the next house.

3 Now you might ask yourself why the officers would be  
4 interested in that. One of the main things we've been  
5 finding is the motive for a lot of this misconduct is,  
6 quite frankly, just greed, because if you go get another  
7 search warrant and you presented it, to the prosecutor,  
8 on overtime, you get four and a half more hours that day  
9 because you get to claim three hours of overtime. You get  
10 to go to court more and you get paid court time. And then  
11 one of the very problematic things that we saw was  
12 overtime fraud through 2019. We have found one crew in  
13 particular probably stole over 200 hours of overtime  
14 through the spring and fall of 2019.

15 The way we were able to ascertain that as we  
16 compared their cell site location data, we went and  
17 applied for search warrants for the cell phone data.  
18 We're able to find out that they were actually at home  
19 when they were claiming to be doing surveillance in the  
20 city of Detroit. That's obviously criminal as well as  
21 administrative. We have been working with the FBI, the US  
22 Attorney's Office, and the Wayne County Prosecutor's  
23 Office on this. We also found one Sergeant who, we took a  
24 look at his practices of applying for court overtime in a  
25 five-year time period where we examined approximately 282

1 of his court slips. We found problems with 171 of them,  
2 with a tune of over \$20,000 of what we believe to be ill-  
3 gotten salary. And so that has already been submitted to  
4 the Wayne County Prosecutor's Office for their  
5 consideration.

6 We have also submitted another, warrant, request for  
7 another officer for perjury, and testimony on a case as  
8 well as on an affidavit. To date, 12, individuals have  
9 left the department who, used to be major violators,  
10 personnel. One was fired. 11 others have resigned and or  
11 retired, pending investigation and or, administrative  
12 charges within, DPD to include three sergeants or three  
13 supervisors who were major violator's personnel. We've  
14 also taken a number of steps to address a lot of the  
15 concerns that we have already seen. First and foremost,  
16 every search warrant and the major violator section has  
17 to go up to the Deputy Chief of Organized Crime for his  
18 approval prior to being submitted to the Wayne County  
19 Prosecutor's Office for their approval. It's no longer  
20 just enough to show your Sergeant. It has to go up  
21 through the chain. Sergeant, Captain, Commander, and  
22 Deputy Chief.

23 Also, there must be at least a Lieutenant on the  
24 scene on the ground for every narcotic trade that we are  
25 currently doing in the city as well. If not, a Captain

1 based upon the complexity and or danger associated with  
2 that particular search warrant. So once again, before  
3 where it would just be a Sergeant and their crew now, we  
4 are relying on command members to also be out there as  
5 well. Anyone who had been in the Major Violators Unit for  
6 more than five years has been moved out of the major  
7 violators unit. And the new rule going forward is no more  
8 than three years in the Major Violators Unit and then you  
9 must be transferred out. So we have taken a number of  
10 steps already. Chief is considering other structural  
11 reforms, to the major violators unit. And we will be  
12 addressing those in the next weeks and months ahead. We  
13 still have some considerable work to do, going back a  
14 little bit further. But we thought that it was important  
15 to focus on these three years because we could still have  
16 an opportunity to obtain evidence such as cell phone  
17 records which have helped us really advance these  
18 investigations. So subject to any questions, that's our  
19 update on our Major Violators Unit's investigation.

20 COMMISSIONER BURCH: Yes, sir. Through the chair.

21 CHAIRPERSON BELL: Thank you. Commissioner Burch.

22 COMMISSIONER BURCH: Yes. Thank you so much. A very  
23 thorough report. I just wanted to ask you with all of the  
24 paces that some were fatal, did you find that marijuana  
25 somehow was connected and maybe perhaps it was mental

1 health also? How many cases do you have where you have  
2 the marijuana and the mental health-connected or  
3 associated with each other? And then I wanted to ask you  
4 that the former AC White is over I think civil rights, is  
5 he the one too that dealing with mental health also, sir?

6 MR. GRAVELINE: For my understanding, is that  
7 question for myself or for the Assistant Chief? I wasn't  
8 sure.

9 COMMISSIONER BURCH: Whoever can answer it. I don't  
10 know who it's supposed to go to.

11 AC LEVALLEY: This is AC LeValley. I'm guessing that  
12 you were talking about officer-involved shooting  
13 incidents?

14 COMMISSIONER BURCH: Yes.

15 AC LEVALLEY: Oh, okay. We haven't seen marijuana as  
16 being involved in any of the recent officer-involved  
17 shootings, but definitely, mental health issues are a  
18 problem. At least, two of the four that I spoke about  
19 today involved individuals that had mental health issues  
20 and needed treatment. So I can tell you, I don't know  
21 about AC White's current position, that that's the  
22 appropriate place to deal with mental health treatment. I  
23 know that we do a lot of work with the Detroit Wayne  
24 Integrated Health Network so DWIHN and we actually have a  
25 program that, we recently implemented in the police

1 department. It's like a three-pronged program. We have it  
2 implemented, currently in downtown services. We're  
3 expanding it to the ninth precinct. But the three-prongs  
4 are that we have a Crisis Intervention Team response. So  
5 we train officers. In downtown services, we've done this  
6 so far so that when they respond to situations that  
7 they're able to deal with, mentally ill individuals and  
8 get them appropriate, treatment. As I said, we're  
9 expanding it to the ninth precinct. The second prong of  
10 it is that we are embedding mental health professionals  
11 into our 911 call center. So we've found that we get a  
12 lot of calls from individuals that are suffering from  
13 mental illness, some of them end up becoming repeat  
14 callers. We actually have a list of numbers of  
15 individuals that call 911 hundreds of times every single  
16 day. And so we feel like if we can keep them connected  
17 with, mental health treatment on the front end we can  
18 probably prevent some problems that would occur later on.  
19 And then the third part is a homeless outreach team that  
20 is operating in the downtown services area and we are  
21 working to expand that to the rest of the city.

22 COMMISSIONER BURCH: Thank you. AC LeValley, I just  
23 wanted to say regarding the protesters that are  
24 protesting over at the TCF building, do you identify  
25 those protestors as residents of Detroit? Or if you do,

1 how do you do that? Do you know if they are out-of-  
2 towners or are they Detroit residents that are causing  
3 the disruption? How does the police find that out? If you  
4 can say it because somebody might be listening, AC  
5 LeValley. I'm just saying, I know you'll say things that  
6 you shouldn't but just to help us as commissioners.

7 AC LEVALLEY: Yeah. I won't reveal anything that's  
8 classified, but mostly through either our observations at  
9 the scene. When we make arrests, we do know, obviously  
10 we've identified all of the individuals when we arrest  
11 them so we're able to give ourselves an idea of how many  
12 are from Detroit, how many are from out of state, how  
13 many are from cities other than Detroit and Michigan, and  
14 then also, through social media individuals identify  
15 themselves. So we identify events that are taking place.  
16 And a lot of times on social media, somebody a lot of  
17 people indicates that they're attending an event like on  
18 Facebook, it tells you how many people are going to show  
19 up and how many are interested. So it's not very  
20 difficult for us to figure out the breakdown of people  
21 that are attending the events. And we find that most of  
22 the people that are attending these events downtown,  
23 protest events do not live in the city of Detroit.

24 COMMISSIONER BURCH: That's what I figured.

25 AC LEVALLEY: The overwhelming majority, correct.

1 COMMISSIONER BURCH: Well, thank you. Be safe. Thank  
2 you.

3 CHAIRPERSON BELL: Commissioner Davis? Did I hear  
4 Commissioner Holley then Commissioner Davis?

5 COMMISSIONER HOLLEY: Who do you want first?

6 CHAIRPERSON BELL: Commissioner Holley, go ahead.

7 COMMISSIONER HOLLEY: Okay. I'm sorry. Through the  
8 chair and help me with this, if you would, because of  
9 articulation, AC, when you get a call like these two, the  
10 situation you just said, do you know they are mental  
11 before you get there or do you know the knowledge of  
12 their mind after you get there? And if you know before  
13 you get there, do you treat it a little bit differently  
14 so that you have a mechanism and where with all so that  
15 it does not come out being fatal? Secondly, Mr. Chairman  
16 helped me with this. In light of all the shootings that  
17 going on around the country and now, here, we've got  
18 quite a few here in Detroit, not necessarily the same,  
19 I'd like to know what does the Chief say in orientation?  
20 I asked this question a couple of weeks ago. Tried to get  
21 it to you, Mr. Chairman, so I apologize. You can delay  
22 this if you want to. I want to know what is the  
23 orientation, if we can get a presentation from the Chief,  
24 about 10 minutes of what he says to the orientation at  
25 the Police Academy in regards to how to deal with a city

1 like Detroit, in lieu of all the other stuff that goes on  
2 or around the country. Am I making sense to you?

3 CHAIRPERSON BELL: Commissioner Holley, I would hope  
4 that we have an opportunity to respond at a later date  
5 and time. So if we could do that, then I think it would  
6 be more appropriate to give you a proper response to that  
7 concern.

8 COMMISSIONER HOLLEY: All right. Okay. What about my  
9 first question?

10 CHAIRPERSON BELL: Yes, sir. AC LeValley.

11 AC LEVALLEY: Yes. With regard to the first question,  
12 the answer is both. So sometimes when people call 911,  
13 they'll tell us upfront that the individual has, mental  
14 health issues so officers know when they're going into  
15 that situation. In the two officer-involved shooting  
16 incidents, I just talked about, one of them where the  
17 person was barricaded in the house when officers arrived  
18 on scene they were told by individuals at the location  
19 that's what the situation was. And then on the other one,  
20 that happened in Southwest Detroit in the fourth  
21 precinct, we didn't find that information out until after  
22 the fact because all the officers were responding to  
23 shots fired into a house. So they didn't know who was in  
24 that vehicle that they were chasing or what the state of  
25 the individual that was shooting at them was. And so with

1 this new program with the Crisis Intervention Teams, we  
2 will be in a much better position to dispatch officers  
3 that have advanced training or that are actually paired  
4 up with mental health professionals in order to be able  
5 to respond to those situations better. We do provide all  
6 officers in the department, some level of training on  
7 their dealing with mental illness. But certainly, these  
8 individuals that are part of the program, these officers  
9 will have advanced training.

10 COMMISSIONER HOLLEY: Okay. Thank you so much.

11 AC LEVALLEY: Yes, sir.

12 CHAIRPERSON BELL: Thank you. Commissioner Davis.

13 COMMISSIONER DAVIS: Question. Do we have very many  
14 officers that are still on the force that has been  
15 involved in falsifying official documentation, be it for  
16 court, warrants, or their payroll?

17 MR. GRAVELINE: Through the chair.

18 CHAIRPERSON BELL: Yes, sir.

19 MR. GRAVELINE: So if it's a new act or something  
20 that we are finding out, Chief put forward a teletype in  
21 the fall of 2018, so approximately two years ago, that if  
22 you were found to have sustained misconduct for a false  
23 report, false affidavit, that would be grounds for  
24 termination. And the department has taken a very strong  
25 line with employees if you are found to have a false

1 statement. And so the answer to your question right now,  
2 if someone is found to have that, that normally is a  
3 career termination case, right then and there. In terms  
4 of certain individuals who might have that in their past  
5 so, for example, that was not always the department's  
6 policy. And so someone might've been found to have as  
7 part of misconduct of false official statement, let's say  
8 back in 2008, and they were disciplined at that time for  
9 it we cannot take any measures at this point. All we can  
10 do is ensure that the prosecutor offices have that  
11 information and disclose that information through the  
12 court process. And so we are in constant contact with the  
13 Wayne County Prosecutor's Office and the US Attorney's  
14 Office on this very issue. As we've been identifying it  
15 specifically towards operation clean sweep, no, those  
16 individuals who we are finding with false affidavits, and  
17 it was one crew, in particular, no members of that crew,  
18 who were in that crew in 2018 through 2019 are with the  
19 department any longer.

20 COMMISSIONER DAVIS: Also, separately, I'm hearing  
21 that, people are being picked up with guns or weapons and  
22 sometimes you don't even have to be bailed out, they  
23 could just be released, is that true?

24 AC LEVALLEY: Yes. Through the chair. That is true.  
25 We track all individuals who we arrest for, carrying

1 concealed weapons in the city. And approximately,  
2 currently, two to 3% of them have to post any kind of  
3 cash bond to get out. The other 97% are released on  
4 personal bond.

5 CHAIRPERSON BELL: Thank you. Any other questions? We  
6 want to really move on.

7 COMMISSIONER BROWN: Yes. Through the chair. Just  
8 very quickly, AC LeValley. I just want to thank everyone  
9 for their service and just my heart goes out to the  
10 officers that were involved in the shoot the other day. I  
11 did see some of the pictures and they were really  
12 horrific to me regarding the officer that had the  
13 accident, I know that AC white was working on changing  
14 out the lights on the vehicles to all blue, do you know  
15 if that officer's car had those lights on there? Because  
16 I know we did some studies on the effect that red lights  
17 enact during the day that's causing people to just drive  
18 to them. It was part of an advanced program going on that  
19 he was working on to change to blue lights.

20 AC LEVALLEY: On that particular crash, I don't know  
21 if that vehicle was equipped with blue lights but I did  
22 have a recent conversation, as recent as two weeks ago  
23 with Art Thompson, our IT Director who actually,  
24 purchases all of the equipment to outfit vehicles, and  
25 the plan is to still switch all of our cars to blue.

1 COMMISSIONER BROWN: Okay. All right. Thank you, sir.

2 CHAIRPERSON BELL: Thank you, AC LeValley. We're  
3 going to move on to, any unfinished business. Any new  
4 business?

5 COMMISSIONER HOLLEY: Mr. Chairman, Reverend Holley.

6 CHAIRPERSON BELL: Yes, Reverend Holley.

7 COMMISSIONER HOLLEY: Okay. Can we get something  
8 quickly, something that offers our condolences to  
9 Commissioner Carter from all of us?

10 CHAIRPERSON BELL: Yes, we are responding to that.  
11 Ms. White sent out an email to that effect of what we  
12 want to do to honor their family requests, so hopefully,  
13 you received that information. We're undergoing that now,  
14 so hopefully, talk to Ms. White in reference to that  
15 item. Yes, we are responding.

16 COMMISSIONER HOLLEY: All right. Thank you, sir.

17 CHAIRPERSON BELL: Thank you.

18 COMMISSIONER BURTON: Through the chair.

19 CHAIRPERSON BELL: Yes.

20 COMMISSIONER BURTON: Under new business, I move  
21 that, we as the board moved to have a parliamentarian for  
22 this board. Someone that's proficient and Robert's Rules  
23 of Orders.

24 CHAIRPERSON BELL: Commissioner Burton, I already  
25 responded to it. We are doing research on that now in

1 terms of staffing and budget and sector. So, we hope to  
2 report back soon on that particular matter. It's a  
3 staffing issue. So we are responding to research on that  
4 particular matter. Yes, sir.

5 COMMISSIONER BROWN: Through the chair.

6 CHAIRPERSON BELL: Yes, sir.

7 COMMISSIONER BROWN: Is it possible that we can get  
8 an update of where we are at with the budget? To look and  
9 see if there are dollars in because we've got a lot of  
10 vacant seats up here in the board room upstairs.

11 CHAIRPERSON BELL: The budget is underway now. We will  
12 hopefully have Mr. George reporting out I'll receive the  
13 budget issue with the DPD and our budget too. So that is  
14 underway.

15 COMMISSIONER BROWN: And also just very quickly  
16 through you, to the board secretary. Can we get an update  
17 on how we're looking with the applicants for the, HR  
18 Director position?

19 CHAIRPERSON BELL: We will take a look at that and  
20 see and get an update soon. We want to move on. Thank  
21 you. The next item would be the CompStat report.

22 MS. WHITE: Kozloff?

23 LT. KOZLOFF: Good afternoon to the board.

24 CHAIRPERSON BELL: Good afternoon, Lieutenant.

25 COMMISSIONER BURCH: Good afternoon.

1 LT. KOZLOFF: I'm Lieutenant Kozloff, I'm assigned to  
2 the CompStat Unit. I'm going to attempt to share my  
3 screen here. Oh, it says disabled. So I'm going to give  
4 you an overview of the CompStat Unit. CompStat, it's  
5 shortened from Compare Statistics, which is the original  
6 name of the software that was designed in the 1990s,  
7 thank you, at the New York Police Department and the idea  
8 behind it is to help reduce crime. It was found to be an  
9 effective way to accurately track crime and use the  
10 information to deploy officers, to address it in a timely  
11 manner. DPD's CompStat the meetings are held on a bi-  
12 weekly basis which is every other Thursday. Executives  
13 from all precincts and specialized commands are present.

14 The process is constantly evolving in an attempt to  
15 keep the reviews relevant and timely. The focus is on  
16 timely and accurate intelligence, rapid deployment of  
17 resources, effective tactics, and relentless follow-up.  
18 The focus currently at the CompStat Unit is overall city  
19 crime trends, patterns, and alerts. We determine the  
20 patterns and alerts using the Crime Intelligence Unit and  
21 the Crime Mapping Unit. We also use crime analysts and  
22 then we have five police officers and a Sergeant that are  
23 assigned to the CompStat Unit that reviews the precinct  
24 crime on a regular basis. All that, crime feed is, comes

25

1 from other reports that are taken by the officers. We  
2 also review the investigative follow up on it.

3 The current focus is on gun-related and violent  
4 crime. At each meeting, two commands are examined. We  
5 report to the Assistant Chief and the Assistant Chiefs  
6 and the Chief of Police are the ones that head the  
7 meeting. They're the ones that ask the questions. So they  
8 have the command staff from each precinct. So we usually  
9 choose two commands then they're questioned on their  
10 investigative management, their supervisory management,  
11 their patrol management, and their known-offender  
12 apprehension. On the risk-assessment side, there's  
13 Project Greenlight, which is examined for compliance.

14 Then there's a risk policy review, which involves  
15 each precinct's participation in training, their handling  
16 of citizen complaints, their investigation of the use of  
17 force, body-worn camera compliance, which is usually  
18 really high, officer-involved, traffic accidents, the  
19 handling by the command staff of those. Here's a sample  
20 of some robberies that we may break down and examine with  
21 the particular precincts that are up, the commands that  
22 are out. This is just an overview and a sample. We would  
23 break down the scout car areas and see if there are any  
24 patterns or what's being done by the commands to address  
25 arise in this particular crime. Here's an example of a

1 pattern. This is just a sample. If the Crime Intelligence  
2 Unit, the crime analyst at the precincts, or the CompStat  
3 Unit identifies a pattern, we don't sit on it and wait  
4 for the CompStat meeting. We'll let the affected commands  
5 know so that they can re-deploy their resources  
6 effectively and their investigative follow-up.

7 Then the commanders will report back at the CompStat  
8 meeting to the Assistant Chiefs and the Chief, what the  
9 response was. So as you can see, this is just an example.  
10 Here's an example of the statistics for the Greenlight  
11 compliance or for the special attention given by the  
12 police officers. I think that's the last slide. I know it  
13 was a quick overview. So if anyone from the board has any  
14 questions, I'm happy to answer.

15 CHAIRPERSON BELL: Yes, ma'am. Thank you.  
16 Commissioners?

17 COMMISSIONER BROWN: Yes. Through the chair. Just a  
18 brief question. Just clarity on when your meetings were  
19 again?

20 LT. KOZLOFF: They're alternating Thursdays and  
21 they're at 10:30 AM and they last until about noon. So  
22 every other Thursday and they're via Zoom. I'm sorry?

23 COMMISSIONER BROWN: Is it next Thursday that you're  
24 having it or you had one today?

25 LT. KOZLOFF: It's next Thursday.

1 COMMISSIONER BROWN: Next Thursday. Okay. And what  
2 time are they?

3 LT. KOZLOFF: 10:30 AM.

4 COMMISSIONER BROWN: All right, thank you.

5 LT. KOZLOFF: You're welcome.

6 VICE-CHAIR HOLT: Through the chair.

7 CHAIRPERSON BELL: Yes ma'am.

8 VICE-CHAIR HOLT: Thank you, Lieutenant. Now,  
9 Commissioner Brown was asking about your particular  
10 CompStat meeting or the community relations CompStat  
11 meeting? I imagine you're apparently offering stats for  
12 the Attorney of the city, as opposed to a district.

13 LT. KOZLOFF: Correct. We do an overview for the  
14 entire city, all the precincts, but every other week,  
15 there are two commands that are up for CompStat, which is  
16 what we call it. So that's when we do the deep dive into  
17 the two precincts, and then they answer the questions  
18 that the assistant chiefs present.

19 VICE-CHAIR HOLT: Again, for example, in the  
20 district, well, it's really district one, we received an  
21 invite to their CompStat meeting. Now your CompStat  
22 meeting, I being a commissioner, how could I get an  
23 invite to your meeting?

24 LT. KOZLOFF: Oh, I can certainly send you one.  
25

1 VICE-CHAIR HOLT: Okay, I'd appreciate that, and  
2 thank you.

3 CHAIRPERSON BELL: We will share with the entire  
4 board in terms of their meeting. Do I hear another voice?

5 VICE-CHAIR HOLT: Thank you, Chair Bell.

6 AC LEVALLEY: Yeah, that was AC LeValley.

7 CHAIRPERSON BELL: Yes, sir. Go ahead.

8 AC LEVALLEY: I was just going to try to provide some  
9 clarity that what Lieutenant Kozloff was referring to was  
10 our internal. How we hold officers accountable for a  
11 crime that has gone on in their area, but every precinct  
12 also has a community CompStat meeting and that's what  
13 you'd normally get the invite to where the precinct  
14 commander shares information with the community.

15 VICE-CHAIR HOLT: Community, right. Thank you.

16 CHAIRPERSON BELL: Yeah, I'm glad you cleared that  
17 up.

18 COMMISSIONER BURCH: Mr. Chair.

19 CHAIRPERSON BELL: Yes, ma'am.

20 COMMISSIONER BURCH: Yeah, this is Commissioner  
21 Burch. Thank you, VC Holt. That's exactly what I was  
22 going to say. That we at number 11, our CompStat meetings  
23 are on Fridays. So when she said that, was she speaking  
24 of just her specific, evidently CompStat meeting? We  
25 wouldn't be able to go unless it was up in the day

1 because we have our meetings at three o'clock for  
2 commissioners. That's all I wanted to say. Thank you.

3 CHAIRPERSON BELL: I think the Lieutenant is speaking  
4 to the Chief CompStat meeting, which is an internal  
5 meeting. Each precinct has the opportunity to have a  
6 CompStat meeting that's ongoing. So you should be  
7 familiar with your district in terms of you have an open  
8 invitation to take part in that. So any other questions  
9 or concerns?

10 COMMISSIONER BURCH: Yes, we got it.

11 CHAIRPERSON BELL: Okay, thank you. Can we move on?  
12 Thank you, Lieutenant.

13 LT. KOZLOFF: Thank you.

14 CHAIRPERSON BELL: Thank you. Outstanding. The  
15 resolution, Commissioner Burch.

16 COMMISSIONER BURCH: Yes, sir. I just wanted to say  
17 briefly about Ms. Martha, when I first became a Police  
18 Commissioner, Martha, as you will see as I read the  
19 resolution was an expert at taking photos and many times  
20 the others don't know this, but Mr. Bell does and Mr.  
21 Davis, Mr. Brown, I would have my own camera and she  
22 would take it many times knowing that I wanted it on my  
23 old-fashioned camera. So I had wondered about Martha. I'm  
24 going to miss her. She's an excellent lady to know and  
25 she was just a nice, wonderful person.

1 With that being said, I will read the resolution  
2 honoring retired Police Photographer, Martha Goldman.  
3 Whereas photographer, Martha Goldman was appointed to the  
4 Detroit Police Department on October 22nd, 1987, where  
5 she was assigned to the Graphics Arts Central Photo Unit.  
6 And whereas, Police Photographer Martha Goldman was one  
7 of only two civilian females hired by the Detroit Police  
8 Department at that time. Police Photographer Goldman with  
9 the challenges and the difficulties of later being the  
10 only woman remaining in that dynamic work environment at  
11 that time. Whereas, Police Photographer Martha Goldman is  
12 known for her charismatic and creative personality, which  
13 translates into the beautiful photographs that she  
14 captures of the Board of Police Commissioners, the  
15 Detroit Police Department, and the community alike during  
16 special momentous occasions, providing exceptional  
17 service to the department and the community.

18 Whereas, Police Photographer Martha Goldman was  
19 given a Civilian of the Quarter Award and Chief's Unit  
20 Award in 2018 while assigned to the Central Photo Unit.  
21 Further, she was able to develop a photo database that  
22 retains key historic photos of our fallen officers. Ms.  
23 Goldman was the go-to person for any photo assignment,  
24 and whereas, Police Photographer Martha Goldman had  
25 served the Detroit Police Department with great

1 dedication for 33 years. Her commitment and integrity  
2 have been tremendous assets to the Detroit Police  
3 Department where she is highly respected by all as a  
4 consummate professional. Therefore, let it be resolved  
5 that the Detroit Board of Police Commissioners speaking  
6 for the citizens of Detroit and the Detroit Police  
7 Department award this resolution to Police Photographer  
8 Martha Goldman for her 33 years of dedicated and diligent  
9 public service. Her professionalism, integrity, and  
10 standard of commitment to the city of Detroit and its  
11 citizens merit our highest regards. We send best wishes  
12 to you, Martha, for continued success. We salute and  
13 congratulate you, Police Photographer Martha Goldman,  
14 from the Board of Police Commissioners. We will miss you,  
15 dear. God bless you. So moved.

16 COMMISSIONER BROWN: Mr. Chairman?

17 COMMISSIONER DAVIS: Support.

18 CHAIRPERSON BELL: It's been properly moved and  
19 supported. Discussion? All in favor, aye?

20 ALL: Aye.

21 CHAIRPERSON BELL: I assume there are no, nos. I and  
22 Ms. White had the opportunity to present the resolution  
23 to her in person at her coffee and cake celebration. On  
24 Monday, I received a call and by all means, I had to make  
25 an adjustment to attend her well-earned retirement,

1 because she always entertained this board in different  
2 activities. Whether it be a community meeting or  
3 graduation. Commissioner Burch indicated how helpful she  
4 was and how friendly she was to assist them. Even with  
5 your Kodak camera, she took pictures.

6 COMMISSIONER BURCH: And Mr. Chair, I'd like to say  
7 this so it will be on the record with Ms. White. I  
8 recommend that in the future, we do have a room dedicated  
9 in her honor with as many photos we can put up of her  
10 professionalism of so many communities and for our  
11 officers that graduated. She was at all occasions and I  
12 think it should be a room dedicated to the photos with  
13 her name in that room. I put that on the recommendation.  
14 Thank you.

15 CHAIRPERSON BELL: We can't entertain a room, but I  
16 think we can display some of her work, especially  
17 relating to the board in our conference room. I don't  
18 think we have the ability to do a room. If anyone is  
19 deserving of a room, that would come through some heavy  
20 lifting as you well know. But I think we can honor that  
21 request by posting some of her work. It could be a roving  
22 type, activity on our conference room, wall since there's  
23 nothing there of that nature. So can we take that under  
24 advisement?

25 COMMISSIONER BURCH: Thank you. I appreciate that.

1 CHAIRPERSON BELL: Thank you. Announcements, I'm  
2 sorry. Ms. White.

3 MS. WHITE: Yes, sir. Through the chair. Honorable  
4 board, item number 13 on the agenda lists all of the  
5 incoming correspondence for this week, as well as various  
6 staff reports that were transmitted to your email and  
7 included in the board's weekly packet. And also as a  
8 reminder, this evening, council member James Tate, and  
9 the city's law department are hosting a discussion, via  
10 Zoom regarding the adult use of recreational marijuana  
11 and the proposed ordinance. So that meeting is taking  
12 place this evening at 6:00 PM and also next Thursday at  
13 6:00 PM. And the access information was also transferred  
14 to your email for your reference. And additionally,  
15 please note that the city has rolled out its employee  
16 engagement survey, today. And it is distributed to all  
17 employees citywide for their feedback and consideration  
18 for completion. So that concludes the incoming  
19 correspondence for this week.

20 CHAIRPERSON BELL: Thank you, Ms. White.  
21 Announcement. Our next meeting will be on Thursday,  
22 November 12th and thereafter, the next meeting would be  
23 December 10th and we will respond through November 12th.  
24 Perhaps we will begin that holiday break at that time,  
25 but November 12th is our next scheduled meeting. Now we

1 move on to oral communication from the audience. Mr.  
2 Brown.

3 MR. BROWN: Good afternoon, Mr. Chair, and this  
4 honorable board. You currently have four speakers and  
5 I'll call all four. LSA President, Lieutenant Mark Young.  
6 Ms. Bernice Smith followed by Ms. Sharon Panelli followed  
7 by CA Councilman Bowman.

8 LT. YOUNG: Can you hear me, sir?

9 MR. BROWN: Yes, sir.

10 LT. YOUNG: I want to thank the men and women of the  
11 Detroit Police Department. I'm very proud of my  
12 colleagues, their dedication, and their commitment. I too  
13 am a citizen of the city of Detroit. I see them backing  
14 each other up, supporting each other, watching out for  
15 each other, and taking care of each other. These are  
16 dangerous times. We've also got daylight savings times to  
17 deal with. We got seven members quarantined, freeway  
18 shootings, multiple barricaded government over the last  
19 few months, police shootings, RA off-duty or armed  
20 robbery of an off-duty officer in his own driveway, these  
21 are very tough times. The situation out there in Dearborn  
22 Heights with the Lieutenant, he did a masterful job and  
23 he saved lives, not only, he made that community in  
24 Detroit a safer community. I want to make a couple of  
25 comments real quick. The men and women of the Detroit

1 Police Department do an excellent job. They have stress.  
2 They have the normal everyday stress of everybody else,  
3 but these are stressful situations for them too dealing  
4 with some of these incidents and situations. They become  
5 extra-long days for them. Yes, they are compensated with  
6 overtime, but it's also draining and exhausting for them.  
7 And while it may be a right and people may think that  
8 these protests are great, they're taking valuable and  
9 much-needed resources away from our communities, which is  
10 causing that extended response time and money and other  
11 resources that could be diverted elsewhere. I want you to  
12 understand what these men and women are dealing with  
13 every day. 2020 has been a tough year for them and they  
14 need all the support and the wrap around and love and  
15 respect that they can get. Thank you.

16 MS. SMITH: Yes?

17 MR. BROWN: Go Bernice.

18 MS. SMITH: Good afternoon, commissioners. I cannot  
19 say enough of what he just got through saying but I will  
20 say this, Detroit was a great day for Michigan and  
21 especially Detroiters. We turned out like never before.  
22 The TV stations worked hours informing the public of the  
23 results of the candidates in the election. And I do want  
24 to emphasize that I am so proud of my police department.  
25 I cannot say enough about them. They did a hell of a good

1 job there at the, what is it? The TCF because those  
2 people were acting ignorantly. Why in the world would you  
3 come down and try and break in on an organization that's  
4 doing their work? It's not necessary. And then you hang  
5 around and you make all these kinds of accusations and  
6 slamming on the glass. Come on! What's wrong with these  
7 people nowadays? Something needs to be done. I hope that  
8 the next time they put barricades up, so they won't come  
9 close to the building because that is their safety. The  
10 people that are in there working, doing the counting of  
11 the ballots. We don't need all of this confusion. We're  
12 not like other cities. We are calm people. And these are  
13 people that come outside of our city and I know it is.  
14 You can't tell me all the people that were down there the  
15 other day they were all from Detroit. We know how to act.  
16 We're decent and respectful people, even though we have  
17 crime, I'm not putting away that we don't have crime.  
18 Yes, we have crime, but enough is enough. The police have  
19 enough to do, to take care of, and for their safety, I  
20 love them all and I hope the best for all of them. And  
21 Chief, you keep on doing a good job. Damn these people  
22 that are coming in from out of town, talking about  
23 resigning and all that. We don't need to hear all of  
24 that. We need good policemen and we got them. Thank you  
25 for listening to me. Take care. Bye-bye.

1 MR. BROWN: Ms. Panelli.

2 MS. PANELLI: Hello, Sharon Panelli. Congratulations  
3 to Martha. She is such a lovely person. My problem is  
4 this freeway shooting. I'm afraid to even drive on the  
5 freeway now. I was wondering, what are you doing about  
6 it? And to all the people that are miserable on these  
7 phone calls, why don't you run for the Office of  
8 Commissioner if you are so dissatisfied? Thank you.

9 MR. BROWN: CA Councilman Bowman.

10 MR. BOWMAN: I humbly extend my gratitude to the  
11 20,305 District four residents who have chosen to make me  
12 their voice on their Community Advisory Council. I will  
13 continue to speak out on their concerns. I applaud this  
14 board for tabling these absurd bylaws changes that would  
15 let a chair decide if commissioners could remove him or  
16 her. Imagine if the House of Representatives needed  
17 Trump's permission to impeach him. This is especially  
18 absurd. When the majority of commissioners don't even  
19 follow the current bylaws. I congratulate district two  
20 Commissioner-elect Linda D. Bernard on her victory. And I  
21 hope Deborah Burke will continue her activism to improve  
22 civilian oversight from the outside. I am impressed by  
23 Chris Graveline's candor and thoroughness in  
24 investigating the major violators, better known as  
25 Narcotics Unit. This quixotean task may never be complete

1 until the legislators stop giving our officers such  
2 poorly conceived laws to enforce. Finally, it has been  
3 over a year since the mayor's declaration of mission  
4 accomplished by those fighting devil's night related  
5 arson. So why have I heard more fire trucks driving  
6 around my neighborhood with sirens blaring this past week  
7 than any other week in my life? Oh, I have time left.  
8 Well, I'll leave that for I yield.

9 MR. BROWN: Mr. Chair that was your last speaker.

10 CHAIRPERSON BELL: Thank you, Mr. Brown. The chair  
11 would entertain the motion to adjourn our meeting at this  
12 time. I just want to thank the board for the proper  
13 decorum for this meeting here. It's been a long time and  
14 I really appreciate that decorum that we conducted  
15 ourselves with this afternoon. And hopefully, you can  
16 tune in to Councilman Tate's Zoom meeting. It's in  
17 reference to a very, very important sector. The Chair  
18 would entertain a motion for an adjournment.

19 COMMISSIONER DAVIS: Move for adjournment.

20 VICE-CHAIR HOLT: We move, Chair. See you guys next  
21 Thursday. Fantastic meeting.

22 COMMISSIONER JONES: Support.

23 CHAIRPERSON BELL: It's been properly moved and  
24 supported. Those in favor, aye?

25 ALL: Aye.

1 CHAIRPERSON BELL: Thank you. See you next week.
