5 And now Chairperson Bell. Thanks you.

6 CHAIRPERSON BELL: Thank you, Ms. White. I apologize for
7 not being on the zoom, in terms of visuals, but I have an
8 on-going issue, but we're going to try to go forward in
9 terms of my cell phone. I'm going to call the meeting to
10 order at this time. Before I called Chaplin Hudson for
11 invocation, I'd like to lift up retired Sergeant Paula
12 Gambrel who passed away. She formally worked at the
13 office of chief investigator. I had the opportunity to
14 work with her during that timeframe and also one of my
15 good friends Lieutenant Herman Perry was deceased this
16 week. So keep them in your prayers and support for their
17 family. Chaplin Hudson.

18 MS. WHITE: Chaplin Hudson, you're muted.

19 CHAPLAIN HUDSON: First of all, I would like to thank
20 you all for allowing me to be here. I want to honor our
21 chairperson Mr. Bell and all his staff. Before we go into
22 prayer this evening or this afternoon, God put on my
23 heart to pray for Mr. Bell. He said to pray for Mr.
24 Brown's healing, our Chief of Police. We're going to pray
25 for the State of Texas. We will continue to pray for the

1 continued love and expression that Detroit is showing.
2 We're going to pray that the continuing of vaccine
3 distribution and COVID-19, those that are in the
4 hospitals, we've got to continue to pray for those that
5 are sick among us. Those that need healing, even in this
6 zoom meeting. We're going to pray for the retired
7 sergeant and their family and Herman Perry. Those are the
8 requests that I literally was listening to as we were
9 talking. We're going to continue to pray that this
10 meeting and what you all are doing will be affective in
11 the community and in the City of Detroit. Let us touch
12 and agree together.

13 CHAPLAIN HUDSON: Father, in the name of Jesus, we
14 come to you this afternoon, first of all, asking for
15 forgiveness of our sins. We ask now God that we will not
16 pray a prayer just to be praying God. When we pray a
17 prayer that will reach heaven. That is for us to
18 reverence who you are and what you have done in this
19 world and even in our life. We thank you for breath to
20 breathe, God. We thank you for life and strength. We ask
21 God today that you will go into the hospitals and look
22 upon those that are sick. Look upon those even on this
23 zoom meeting, oh God. Some are dealing with things that
24 we don't even know nothing about, loneliness, depression,
25 anxiety, frustration, oh God. But we ask God that you

1 will continue to move in our lives. Look at our
2 community. Those that are battling outside in the cold
3 weather, oh God. We ask that you will continue to give us
4 a heart to reach those God.

5 CHAPLAIN HUDSON: We ask now, father, even in this
6 meeting, we bind up the retaliation that there will be no
7 animosity, no jealousy, no envy, and no strife. That
8 there will be peace in this meeting of God. And we pray
9 now God, the angel of wisdom will go into our hearts and
10 bring forth what you need and what you have a desire for
11 this meeting. God, we thank you tonight, and even all
12 today, God, for what you're going to do in this place and
13 in our heart. We give you all the praise all the honor
14 and all the glory in the name of Jesus, we pray. Amen.

15 ALL: Amen.

16 CHAIRPERSON BELL: Thank you, Chaplain Hudson, for
17 that very powerful and meaningful prayer. Because surely
18 we're standing in need of prayer for ourselves and about
19 family in our community. Thank you. Commissioners, the
20 next item would be introduced, Commissioners. As I
21 stated, I am Commissioner Willie Bell, District 4, and
22 Chair of the Board. Next would be Vice-Chair.

23 VICE-CHAIR HOLT: Good afternoon. Thank you, Chair
24 Bell. Yes, good afternoon Board of Police Commissioners
25 and staff, and the citizens of Detroit and the

1 courageous, the courageous men and women in blue. I am
2 Commissioner Annie Holt, At-Large, Vice-Chair.

3 CHAIRPERSON BELL: Thank you. District 1.

4 COMMISSIONER BROWN: Good afternoon, everyone. I am
5 Commissioner Brown and Mr. Chairman, I'll just take, take
6 a second to thank Wayne County sheriffs and Mildred
7 Gaddis of 105.9 today. It was a collaboration when we
8 worked and passed out over 500 blankets to the homeless
9 in the downtown area at several different locations
10 today, and I also participated in a food bank over there
11 on the Eastside. That was a marvelous job to see everyone
12 come together to help those that are struggling in need
13 and it's just a marvelous thing, and I think they should
14 be commended for it, and our DPDs MPOs officers were
15 there too helping with the traffic and making sure
16 everything was taken care of on the outside, where
17 everyone was still there working, and traveling around.
18 It was a great job for everyone coming together today. I
19 really appreciate it.

20 CHAIRPERSON BELL: Thank you. I appreciate that.
21 District 2.

22 COMMISSIONER BERNARD: Attorney Linda Bernard for
23 District 2. I too would commend the department for its
24 effort, actually the city and the Mayor's Office for its
25 efforts, with respect to the homeless population in

1 Detroit. I think you all know that they opened up the TCF
2 center for homeless people to be there so that no one
3 would be out overnight in the cold. So thank you to our
4 entire community, and of course, to the police for the
5 assistance that you are giving to those who are less
6 fortunate, and don't have a roof over their head in this
7 brutal weather. Thank you.

8 CHAIRPERSON BELL: District 3.

9 COMMISSIONER BURCH: District 3. Commissioner Shirley
10 Burch. I will hold my comments until the time that it is
11 a new business so we can move right along. But I am the
12 Commissioner for the 3rd District. Love and respect where
13 you live.

14 CHAIRPERSON BELL: Thank you. District 5.

15 COMMISSIONER BURTON: Commissioner Willie Burton
16 present.

17 CHAIRPERSON BELL: Thank you. District 6 is excused.
18 District 7.

19 COMMISSIONER DAVIS: Good afternoon, everyone. This
20 is police Commissioner, William M. Davis. Love where you
21 work. And also like to give a shout-out to the
22 outstanding neighborhood police officers, who were out
23 there shoveling people's snow, especially seniors over
24 here in the 7th District.

25 CHAIRPERSON BELL: Thank you. Commissioners' At-

1 Large, Commissioner Hernandez.

2 COM HERNANDEZ: Good afternoon. This is Hernandez,
3 At-Large, and I'd like to echo the comments that
4 Commissioner Davis shared. Just driving up and down the
5 city, all the great work that DPD has done and also the
6 Mayor's Office DPW and other areas as well with the snow
7 and the cold weather.

8 CHAIRPERSON BELL: Thank you. Commissioner Jones.

9 COMMISSIONER JONES: Good afternoon. This is
10 Commissioner Martin Jones, At-Large. Also giving our
11 great DPD family a big hello and a big thank you as well
12 as the community members that are listening in to the
13 meeting today. Also, I would like to acknowledge
14 Commander Slappy of the 11th Precinct and our NPO
15 officers, Sergeant Kirkwood, and even Commander Hope for
16 their great, great and brilliant efforts to bring about
17 safety thought community by providing free gun locks and
18 a free gun lock program so that our citizens can take
19 advantage of securing that weapons to help save our
20 children's lives. Thank you.

21 CHAIRPERSON BELL: Thank you, Commissioner Jones, for
22 making that announcement and also participating in that
23 program, which is very much needed, and last but not
24 least Commissioner Holley.

25 COMMISSIONER HOLLEY: Thank you, Mr. Chairman. I'm

1 almost afraid to say anything because everybody doing so
2 much talking here. I only have nothing else to say.

3 COMMISSIONER BURCH: Because everybody already made
4 announcements.

5 COMMISSIONER HOLLEY: Thank you.

6 CHAIRPERSON BELL: Thank you, Commissioner Holley, we
7 appreciate you. The next item would be, Ms. White. I
8 assume we have a quorum. Is that correct?

9 MS. WHITE: Yes, Mr. Chair, you do have a quorum.

10 CHAIRPERSON BELL: Thank you. Approval of the
11 February 18, 2021 agenda.

12 COMMISSIONER HOLLEY: So moved.

13 COMMISSIONER BERNARD: Second.

14 CHAIRPERSON BELL: Properly moved and second.

15 Discussion? Those in favor. Aye.

16 ALL: Aye. Aye.

17 CHAIRPERSON BELL: Those opposed? Motion carries. The
18 next item would be approved, I'm sorry, of the minutes
19 for February 11th, 2021. Are there any corrections?

20 COMMISSIONER HOLLEY: So moved.

21 VICE-CHAIR HOLT: Second.

22 CHAIRPERSON BELL: Thank you. Any correction to the
23 minutes?

24 CHAIRPERSON BELL: Properly moved and second. Those
25 in favor, Aye.

1 ALL: Aye.

2 CHAIRPERSON BELL: Those opposed? Motion carries.

3 Thank you. Moving on to the next item would be, Ms. White

4 MS. WHITE: Through the Chair Honorable Board, the
5 Department of Innovation and Technology is monitoring and
6 recording the Board's meeting today. Our court reporter
7 is Mr. Don Handyside and the following Board staff
8 members are in attendance today, Mr. Robert Brown,
9 Administrative Specialist, Ms. Teresa Blossom, Community
10 Relations Coordinator, Ms. Jonya Underwood Administrative
11 Assistant, Ms. Tiffany Stewart Investigator, Lieutenant
12 James Coles representing police HR and Police Recruitment
13 Division, Interim Chief Investigator Lawrence Akbar,
14 Supervising Investigator Ansley Cromwell, Supervising
15 Investigator LiSonya Sloan, Senior Investigator Rosalia
16 Madrigal and also Assistant Corporation Counsel. Ericka
17 Savage Whitley is on the line and that concludes the
18 staff introductions today, sir.

19 CHAIRPERSON BELL: Thank you, Miss White. The next
20 item would be introduction of, I think that is Assistant
21 Chief David LeValley.

22 MS. WHITE: Yes, sir.

23 ASST. CHIEF LEVALLEY: Good afternoon to the Board.
24 Assistant Chief David LeValley, Office of Support
25 Operations. Thank you for having me.

1 CHAIRPERSON BELL: Thank you. Would you be so kind to
2 introduce any staff that you can see or hear or Ms. White
3 can assist you?

4 ASST. CHIEF LEVALLEY: Yes, sir. Assistant Chief Todd
5 Bettison is on the line Captain Aric Tosqui. I believe
6 NPO Coleman, Captain Tonya Leonard Gilbert, Captain Lena
7 Lyondell, Captain Michael Parrish, Commander Kyra Joy
8 Hope, Commander Sonia Russell, Lieutenant Cheryl Stanley,
9 DPOA Vice-President Police Officer, Ron Thomas, Director
10 Chris Graveline, Lieutenant Coles from police recruiting,
11 Director Reid Branch-Wilson is on the line, Sergeant Glen
12 Anderson from police recruiting. And that's all I see. I
13 may have missed somebody, but it looks like, those are
14 the ones that I saw on the list. Thank you.

15 CHAIRPERSON BELL: I thank you for the names that
16 were called and perhaps the names that were not called. I
17 just want to recognize the DPD family in terms of the
18 executive and the teams throughout the City of Detroit
19 for the work that you've been engaging in. It had been
20 mentioned, not just NPOs, but to those officers who
21 worked those three or four shifts in the clock. I just
22 want to thank you and your family for doing an
23 outstanding job. These are difficult times, the cold
24 weather and the snow, but it's not unusual for DPD to
25 roll out each and every day. So thank you again, Deputy

1 Chief LeValley, I'm sorry, Assistant Chief LeValley, and
2 best regards to Chief Craig.

3 ASST. CHIEF LEVALLEY: Will do. Thank you, sir.

4 CHAIRPERSON BELL: Any elected officials or
5 representatives?

6 MS. WHITE: Through the Chair, Executive Director,
7 Patti Kukula of the Detroit Public Safety Foundation is
8 present in the meeting and Ms. Marie Overall of State
9 Representative Tyrone Carter's office is also present.
10 Thank you.

11 CHAIRPERSON BELL: Thank you, Marie Overall
12 representing State Representative Tyrone Carter, and
13 definitely Patty for the Public Safety Foundation. Thank
14 you. Your annual report was outstanding and other
15 activities that I see that you were involved in. I don't
16 know what we would do without your support. So thank you
17 for coming on the meeting and we appreciate you and could
18 you convey that to your staff. We move on to my report. I
19 just want to share and recognize Ms. White, our Interim
20 Board Secretary. Miss Blossom, community all-around
21 person, Mr. Brown, all-around person and Ms. Stewart,
22 intern and Ms. Underwood for that work on the Board
23 staff. And also when we look at the office of the Chief
24 Investigator Lawrence Akbar, Interim Chief Investigator
25 Ainsley Cromwell, Ms. Sloan, Madrigal, and others who I

1 might not be able to call. I just want to acknowledge
2 your support. Without you, we could not be a Board. You
3 have to have a fantastic staff and you do an excellent
4 job. I know there's been some unfair criticism that came
5 up without any substance, but we have dealt with that and
6 shared that with the Board. I hope you understand this is
7 a disgruntled individual. We went all out. I went
8 personally and I know DPD and all that, but we cannot
9 satisfy this person. But I just want to share that before
10 we make statements about our staff, we should really look
11 into the matter before we make those types of statements
12 and concerns, but that matter has been represented. I
13 cannot say enough in terms of being the Chair of this
14 Board. As Chair, he has a responsibility to represent
15 this Board in terms of the day-to-day staff function and
16 overall. So I just want to say to you, let's be patient
17 with one another.

18 CHAIRPERSON BELL: We heard the prayer and that is
19 our desire. I know people all over the country are
20 looking at us in terms of, when I look at this lineup on
21 this call, we demand a great deal from our police
22 department in terms of DPD. In fact, our theme is
23 accountability to civilian oversight. So we have to have
24 oversight and decorum ourselves in terms of how we've
25 conducted ourselves on these meetings and how we conduct

1 ourselves as commissioners because the eyes and ears are
2 on this body. This Body has been around since 1974 and
3 the electric commission came about in 2014, as you well
4 know. So it's a great history, but the challenge is
5 before us. I'm looking for it. I chair on NACOLES,
6 National Association of Civilian Oversight of Law
7 Enforcement. As I mentioned last week, we receive a
8 \$100,000 grant. We're in the process of working with
9 President Biden and his team and Harris. And we're
10 looking forward to that overall through our summer and on
11 that note, so let's just try to carry on that note. We
12 move right into the Assistant the Chief's report.
13 Assistant Chief.

14 ASST. CHIEF LEVALLEY: All right. Yes, sir. Good
15 afternoon to the Board. I'm going to report first on
16 crime stats. Current, as of today. We have 31 homicides.
17 That's three less than we were at this point last year,
18 77 sexual assaults, which is 22 less than last year.
19 1,260 aggravated assaults, which is 233 more than last
20 year, 101 non-fatal shootings, which is 39, more than
21 last year, 178 robberies, which is 119 less than last
22 year in 28 carjackings, which is 5 more than last year.
23 Right now, our violent crime, part one violent crime is
24 6% higher than it was last year on this day. Burglaries
25 we're at 476, which is 301 less than last year. Larcenies

1 1,158, which is 617, less than last year, and 677 motor
2 vehicle thefts, which is 144 less than last year. Our
3 total property part one crimes are down 31% and total
4 part one crime is down 20% compared to last year. Our
5 priority one response time last week was 12 minutes and
6 35 seconds. Moving on to our current COVID situation is
7 that we have five members that have tested, that are
8 currently testing positive, and a total of 13 that are in
9 quarantine. That is the lowest number of positive tests
10 that we've had since March of last year since we actually
11 started the COVID pandemic. So that's a good sign. We
12 have as of today, one, 137 members that have been
13 vaccinated, which is 39% of the department. We have
14 offered the vaccine and continue to offer the vaccine to
15 the entire police department if they so choose to receive
16 it. A question about facial recognition cases is going to
17 be addressed in the report from Captain Tosqui in a few
18 moments. Arrest and citation data amid protests, there
19 have been no arrests in the recent weeks with regard to
20 protests and also no citations. Critical incidents
21 impacting the department. Most recently there was a fatal
22 accident and I'm pretty sure the Chief commented on that
23 already, but just to keep the Board up to date that
24 investigation is at the prosecutor's office. Our fatal
25 squad is working with the prosecutor's office to supply

1 them with all of the information that they need in order
2 to make a decision. A couple of other topics for the
3 Board. One is that the Chief recently presented awards to
4 5th Precinct officers and communications officers with
5 how well they handled a domestic violence situation that
6 involved an armed individual and children in the home. So
7 that was a very positive situation and a positive
8 outcome. Our community Comstat meetings, we started last
9 week with a new format, and each Precinct actually 2
10 Precincts at a time. I will have community Comstat
11 meetings once a month, and those are held on Tuesday and
12 Wednesday afternoons at 4 o'clock by zoom. So we just
13 started the new format last week and those seem to be
14 going well so far. Also, I know it was already briefly
15 mentioned in the beginning, but yesterday there was a
16 media release that was put out with regard to project
17 child safe which is a program to distribute gun locks at
18 the Detroit police precincts, and that started yesterday.
19 And then with regard to some of the specific questions
20 that were raised by the Board, there was a question about
21 loitering and panhandlers that was brought up at last
22 week's meeting. So there was a court ruling in 2013 that
23 made it so that begging it in and of itself was not
24 against the law. And so when you see individuals that are
25 on the side of the road, they're holding a sign, asking

1 for donations that used to be against the law. It no
2 longer is. I think the court ruled that that's part of a
3 person's free speech. They can stand there and hold a
4 sign if they so choose. So there is a city ordinance that
5 prohibits individuals from becoming aggressive in the way
6 that they panhandle. So if somebody approaches a car and
7 the way the ordinance is worded is that if it would make
8 a reasonable person fearful for their safety. So if
9 somebody is banging on the window, if they're up next to
10 the car and being aggressive, that would be a violation
11 of the city ordinance. So we definitely would enforce
12 that ordinance, anytime that we make an observation of
13 such, or that we get a complaint that that's occurring.
14 But I think most of what we observed are individuals that
15 are standing on the side of the road with a sign.

16 ASST. CHIEF LEVALLEY: And so we don't have anything
17 in place right now that wouldn't be able to prohibit
18 individuals from doing that. Walking in the streets where
19 sidewalks are provided, is a violation of the city
20 ordinance. But officers use a lot of discretion in how
21 they enforce that ordinance. You know, there are certain
22 situations where walking in the street would just be
23 appropriate if the sidewalks aren't cleared or there
24 aren't adequate sidewalks, even though they might be
25 provided. If they're covered in snow or there are other

1 situations that don't allow them to be on the sidewalk
2 and somebody has to walk in the streets. So we try to be
3 real discretionary about how we enforce that ordinance.
4 Obviously, if somebody's walking in traffic and it's
5 becoming a safety concern, then we would enforce the
6 ordinance in that situation. But we don't want to over
7 police individuals by writing a bunch of tickets for
8 people that are walking in the street and they're not
9 committing any kind of other violation.

10 ASST. CHIEF LEVALLEY: The next question had to do
11 with an individual that made a presentation at the 4th
12 Precinct community relations meeting in, originally I was
13 told the name was Jim Collins, but that the individual's
14 name is actually Will Council and he is the community
15 outreach specialist in the public affairs office for the
16 FBI. And he gave a presentation to the 4th Precinct
17 community relations on internet-related crime in
18 cybersecurity. And so I can definitely get his contact
19 information to Ms. White, and I'm sure we can work out a
20 date if the Board wants to have a presentation made here,
21 I'm sure he would be agreeable to that. So I can pass
22 that information along. There was a question about the
23 release of the Nakia Wallace arrest video. At this time
24 there's pending litigation with regard to that. And so
25 that video should be released once the litigation either

1 ends or was directed by the court to release it. There
2 was another question, an inquiry about carjackings and
3 whether violent offenders are prosecuted and routed
4 through the criminal justice system appropriately. Yes is
5 the answer to that question. So every carjacking
6 individual that we identify we actually make a
7 presentation through the FBI, to the US Attorney's Office
8 to make a determination whether or not they want to
9 charge the individuals in federal court because
10 carjacking is a federal offense. So some of our repeat
11 offenders or those that have a violent criminal history,
12 we prosecuted them in federal court where they probably
13 receive more severe sentences. And then all of the others
14 are presented to the Wayne County prosecutor's office and
15 we go through State court to prosecute them. And then the
16 last was information about human trafficking. With regard
17 to that topic, our vice unit is actively addressing human
18 trafficking and they also do a number of community
19 outreach efforts to educate people on signs of human
20 trafficking and what to look for.

21 ASST. CHIEF LEVALLEY: So I don't know if there were
22 more specific questions about that. I'm sure there were.
23 So in light of that, I can schedule our vice unit to make
24 a more formal in-depth presentation on exactly what they
25 do with regard to human trafficking. So I think that

1 concludes my portion of the report. I can take any
2 questions and then we also have a number of reports that
3 will be presented today. One on the ceasefire program
4 from Director Branch-Wilson and Commander Russell, and
5 then also a presentation from our Office of Internal and
6 External Relations from Captain Tonya Leonard-Gilbert,
7 and also an update on the facial recognition report from
8 Captain Tosqui. So I can take questions now if you want,
9 or I can hold them to the end.

10 COMMISSIONER DAVIS: Mr. Chairman.

11 CHAIRPERSON BELL: Thank you.

12 COMMISSIONER DAVIS: Mr. Chairman.

13 COMMISSIONER BERNARD: Me too.

14 CHAIRPERSON BELL: Okay. Just please speak up with
15 your name and I can, because I can't see you, you know
16 that. Okay. Thank you. Commissioner Davis.

17 COMMISSIONER DAVIS: Yes, good afternoon, sir. I was
18 wondering, could you give us some more information? I got
19 a report about a Detroit police department helicopter was
20 taken without authorization. Can you give us some more
21 information on it?

22 ASST. CHIEF LEVALLEY: I can give you some
23 information. The way that was reported is not true. The
24 helicopter was not taken without permission. We're doing
25 an investigation now to determine whether or not the

1 approval should have been granted. But the individual who
2 used the helicopter for some training, with some
3 instrument training that my understanding required the
4 use of the vehicle for the training was a Lieutenant from
5 our air support unit, used the department helicopter for
6 some training that was approved. Part of the issue is
7 that the timing of the approval - it was approved pre-
8 COVID and then the training was put on hold. And then
9 when the training was brought back in place after things
10 got under control with the pandemic the command granted
11 him the authorization to go ahead and go to the training
12 and use the department helicopter for part of the
13 training. So the way that the initial report was put out
14 indicated that the individual stole the helicopter. He
15 didn't steal the helicopter. He used the department's
16 helicopter to go to some approved training, but as I
17 said, the training had been approved, I don't know, 8, 9
18 months ago. And then when the training was put back on
19 the command gave him the authorization to go ahead and
20 attend the training. A little outside our normal approval
21 process, but he did have approval. He didn't just come in
22 and hopped in a helicopter and "steal it."

23 COMMISSIONER DAVIS: So it was a city-related
24 business that he was doing?

25 ASST. CHIEF LEVALLEY: Well, his training. I mean,

1 we go to training all over the place, yes.

2 COMMISSIONER DAVIS: Okay. So it wouldn't have been
3 cheaper for him just to drive the Pontiac?

4 ASST. CHIEF LEVALLEY: Well.

5 CHAIRPERSON BELL: Sir, let's not get into that.
6 Excuse me, excuse me. Let's not get into that first
7 [28:15 inaudible]. And he gave you a response. Let's move
8 on. Thank you.

9 COMMISSIONER DAVIS: Right.

10 COMMISSIONER BERNARD: I just have a comment Chief -
11 Assistant Chief LeValley. First of all, I want to thank
12 you because you answered every question that was raised
13 last week. You reminded us of the question and then you
14 had prepared with the response. I really appreciate that.
15 And I'm sure that my colleagues do as well. An excellent
16 report, just an excellent report. Thank you.

17 VICE-CHAIR HOLT: Through the Chair.

18 CHAIRPERSON BELL: Commissioner Hope.

19 VICE-CHAIR HOLT: I'm going to lend my opportunity to
20 Commissioner Holley because it was he who asked about
21 human trafficking, Chair Bell. So thank you.

22 CHAIRPERSON BELL: Commissioner Holley.

23 COMMISSIONER HOLLEY: Thank you, Mr. Chairman. AC
24 LeValley, I thank you for the report and I really
25 appreciate what Commissioner Bernard said. Thank you for

1 that. My concern is the fact that if a person is hijacked
2 it's supposed to be federal, then why do you have to make
3 up your mind when you can run it through the court
4 system, the lower court, rather than the federal court,
5 either it is federal or it's not federal.

6 ASST. CHIEF LEVALLEY: Yes, sir. So we don't decide.
7 It's the US attorney's office. So we present all of the
8 cases, all carjacking cases, we present to the US
9 Attorney and then they make a determination whether or
10 not they want to prosecute it in the federal court. And
11 so that determination is based on the individual's that
12 is based on the individual's history, criminal history,
13 and then the circumstances surrounding whether or not it
14 qualifies for federal prosecution. So, anyone that they
15 reject, we make sure that those go to the Wayne County
16 prosecutor's office.

17 COMMISSIONER HOLLEY: Right. Thank you.

18 ASST. CHIEF LEVALLEY: Yes, sir.

19 COMMISSIONER BROWN: Mr. Chair.

20 CHAIRPERSON BELL: Commissioner? Yes.

21 COMMISSIONER BROWN: It is Commissioner Brown.

22 CHAIRPERSON BELL: Yes, sir.

23 COMMISSIONER BROWN: AC, as my colleague stated, AC
24 LeValley, thank you for answering those questions. And
25 just my concern about the panhandling in the street. How

1 are we going to proceed with it and how are we going to
2 deal with it? Because they are walking in the street and
3 walking in places that don't have sidewalks and a lot of
4 the citizens are complaining about it. And I just want to
5 know how we're going to proceed to deal with it. Another
6 question I had for you was I saw something today. An
7 officer had a young man handcuffed, standing outside of a
8 vehicle with no coat on and they were inside the vehicle,
9 I guess, conducting the investigation. Is that the
10 prudent thing to do during these winter months, you know,
11 since we have this vortex that is coming down, but would
12 that be the prudent thing to do to shine a bad light on
13 the department to say like, if Detroit News was to ride
14 by and saw the same thing I saw? So, I mean, do we have a
15 policy and a procedure on the humane treatment of
16 prisoners? Because once he's handcuffed the law states
17 that he is defenseless. Am I correct?

18 ASST. CHIEF LEVALLEY: Well, we do have policies
19 and procedures on the treatment of individuals, but
20 without knowing any of the details of that circumstance
21 or that specific incident, it's difficult for me to
22 answer the question as to whether or not that's
23 appropriate. So I think a lot of it would depend on what
24 led up to the detention of the individual, did the
25 individual shed his own coat? Did he come out without a

1 coat? How long did the officers hold them? Why was he
2 being stopped? So, I mean, there's a lot of things that
3 would go into making a determination as to the
4 appropriateness of it that we just don't have available
5 to us right here to be able to answer.

6 COMMISSIONER BROWN: Okay. So would it be possible
7 for us to just send out something reminding us that the
8 humane treatment of prisoners, while they are in our
9 custody?

10 ASST. CHIEF LEVALLEY: Absolutely.

11 COMMISSIONER BROWN: All right. Thank you, sir.
12 Appreciate it.

13 COMMISSIONER BURCH: Mr. Chair it's Commissioner
14 Burch.

15 CHAIRPERSON BELL: Yes ma'am.

16 COMMISSIONER BURCH: Yes. So I just wanted to speak a
17 moment to AC LeValley. I don't know if everything's in
18 your area because you are the assistant chief.
19 Commissioner Holley and I have a concern about far as
20 recruiting. Okay. So if people are recruiting, I thought
21 of the idea of why not utilize chaplains to work with the
22 officers when a person decides they don't want to no
23 longer be in the training. So we never did get back. At
24 least I didn't get back in a positive answer regarding
25 using the chaplains in the training or the assistance of

1 securing people to become police officers. And then the
2 other question regarding people walking in the streets,
3 kids have been, that's a fad. Kids have been walking in
4 the street, regardless if there's a sidewalk or not. To
5 me, that's not so important. I would say because these
6 people, the way they drive, you're putting your own life
7 in jeopardy, but it's something more important because I
8 feel that chaplains play a very important role. Like
9 Chaplain Hudson did a beautiful prayer today. So I
10 recommended through a program which I'll share later, but
11 Commissioner Bell knows about it and Commissioner William
12 knows about it, that we need to have everybody involved,
13 AC LeValley with the church, with the chaplains, with the
14 police, and with the citizens. We have to stop being so
15 separated serving. And when a person has an idea, like
16 I've shared it with Commander Hope, we should go forward
17 with these ideas so we can have better solutions. Do you
18 see what I'm saying, sir?

19 ASST. CHIEF LEVALLEY: Yes. Ma'am.

20 COMMISSIONER BURCH: How do you feel about chaplains
21 working with the recruiters that are trying to get people
22 to become police officers?

23 ASST. CHIEF LEVALLEY: I think it's a great idea. I'm
24 sure they've shed a lot of valuable insights into what's
25 going on and it makes perfect sense to me.

1 COMMISSIONER BURCH: Okay, sir. Thank you. We know
2 it's a good idea. I'm saying move forward in it because
3 of what I found out too and I'm sure every commissioner
4 knows this, chaplains received no stipend, and they
5 receive no pay. Fine, I understand people volunteering,
6 but because I listened to that movie, the Black Church.
7 It shows the importance of chaplains, even back when we
8 were in slavery, but it's a different slavery now. I'm
9 saying that why not pay a stipend to the chaplains. I've
10 spoken to Patti Kukula, you're on the line, Patti, that
11 there should be a way that even if we address this to the
12 churches, it could be out of their ties and their
13 offering. I know Mr. Bell, hold because I didn't say
14 anything in the beginning when everybody commented about
15 what they're doing in their precincts. I thank
16 Commissioner Martin and Ms. Holt, but we have a program
17 going where the churches are involved, the police
18 involved and the citizens addressing the needs of our
19 seniors that's in-home and can't get out. So I'm the type
20 of person we talk to but move in action. So I'm waiting
21 for Commander Hope to get back with me on something we're
22 supposed to do next week to hopefully get this out in the
23 community with every commissioner doing the same thing.
24 We can't be divided, sir. We need to unite when they're
25 good ideas, work on them together. Do you understand

1 where I'm coming from AC?

2 ASST. CHIEF LEVALLEY: Yes, ma'am.

3 COMMISSIONER BURCH: Well, I want to see some action
4 from my other commissioners and Reverend Holley. I love
5 you.

6 COMMISSIONER BERNARD: I love you, I love you.

7 COMMISSIONER JONES: Thank you.

8 COMMISSIONER BERNARD: You have my support. Anything
9 you want me to do.

10 COMMISSIONER BURCH: Okay. Thank you.

11 CHAIRPERSON BELL: Any other question for AC. Thank
12 you, sir. We appreciate you. And as they stated, you
13 responded in a timely manner to those concerns. The issue
14 about the Chaplain Corps, I think that's a matter of
15 Chief Craig to weigh in on and he can get with the
16 chaplain leadership because we have over 100 chaplains
17 and now and so they can entertain any area or what they
18 endeavors are. Okay.

19 COMMISSIONER BURCH: I appreciate that. I'll look to
20 hear from the Chief. He can call me personally.

21 CHAIRPERSON BELL: Well, I won't get into that, but

22 COMMISSIONER BURCH: I know, I know. But Chief Greg,
23 you hear me, call Shirley.

24 CHAIRPERSON BELL: Okay, call Shirley. Thank you. We
25 move on to Ceasefire, Director.

1 MS. WHITE: Mr. Chair, if I may Captain Aric Tosqui
2 is also on the line as part of the presentation on DPD's
3 annual facial recognition report.

4 CHAIRPERSON BELL: I don't see that on our schedule
5 agenda.

6 MS. WHITE: That was part of the Chief's presentation
7 or the Chief's report out.

8 CHAIRPERSON BELL: Okay, yes ma'am, go ahead. I'm
9 sorry. Go ahead.

10 MS. WHITE: Yes, sir. Captain Tosqui?

11 CAPTAIN TOSQUI: Thank you. Aric Tosqui, Captain,
12 Commanding Officer of the Crime Intelligence Unit.
13 Through the Chair, the annual facial recognition report
14 was prepared and provided to the Board so I will go over
15 that, and there were some questions provided to me
16 through the department that I will answer and then take
17 any questions you have if that works for you.

18 CHAIRPERSON BELL: Thank you, sir.

19 CAPTAIN TOSQUI: In 2020 there were 129 searches
20 conducted using facial recognition technology and that
21 those were connected to 117 cases. In cases where a
22 possible match or possible lead was found, there were 82
23 arrests identified. Figure 1 in your report shows the
24 count of crimes. There's approximately 56% of the crimes
25 were aggravated assault. Approximately 30% were for

1 robbery, 10.5% for murder. 1.8% for criminal sexual
2 conduct. 0.9% for home invasion one and 0.9% was for a
3 threat against the police where an individual posted on
4 social media that he was going to shoot up the 2nd
5 Precinct. Figure 2 is about the number of possible
6 matches or leads that are resulting from the
7 investigation. In 2020, there were 65.1 possible leads
8 and 34.9 where there was no match at all. Figure 3
9 includes the demographics of the pro photos used. The
10 race demographic 100% were black. And in the gender
11 demographic 4.7% were female with the remaining 95.3%
12 were male. Figure 4 shows the status of the cases that
13 were connected to searches. Out of the possible matches,
14 29.7% were inactive as of January 27th when we compiled
15 the data, 32.4% were active and 37.8% were cleared. In
16 cases where there are no matches, 44.2% were inactive.
17 27.9% were active, and 27.9% were cleared. Figure 5 shows
18 the cases with, and without arrests that were connected
19 to searches using facial recognition. And the data is
20 accurate as of January 27th where there was a possible
21 match or possible lead. 52.7% had no arrest associated.
22 47.3% had an arrest associated and where there are no
23 matches, 62.8% had no arrests associated and 37.2% had an
24 arrest associated. Moving on to the specific questions
25 provided by the Board. Defining searches conducted versus

1 cases conducted are they're mutually exclusive. And the
2 answer to this is that there's not a one-to-one
3 relationship. The number of cases that were connected to
4 facial recognition searches was 117 as I reported just
5 now. However, the search is conducted is greater due to
6 multiple suspects' search for any particular case.
7 Documenting the source of facial recognition analysis,
8 the questions where please share more information
9 regarding project Green Light cases and median days
10 closed inactive, close warrant regarding case status.

11 CAPTAIN TOSQUI: This answer will require a little
12 bit more time to investigate. We got these questions
13 recently. We'll get back to the Board with the response.
14 And we will also work to include this into the 2021 final
15 report moving forward. There's a question about the
16 location of the cases that were involved. Unfortunately,
17 we cannot provide this because this would be considered a
18 serious violation. There was a question regarding the
19 demographics of DPD employed facial recognition analysts.
20 The current breakdown of DPD employed analysts who are
21 trained to be able to use facial recognition is as
22 follows: their role. One is an executive manager. There
23 are 42 crime analysts, ones and twos. There are 20
24 intelligence specialists and 5 that are sworn, staff. The
25 breakdown is 33 females and 35 males. Race/ethnicity

1 would be 5 that are identifying as Asian, 26 that are
2 identifying as black. One is identified as Hispanic and
3 36 identified as white. Additional questions were
4 provided. Is this report only counting for violent crime?
5 According to the past reports, there was one arson, one
6 damage to property report, and 3 miscellaneous reports
7 that were within the data collection for the last year.
8 The database that captures the information used to
9 develop both the weekly and the final report are
10 frequently used for technical errors in reporting. When
11 we prepared the final report to the Board there were some
12 corrections paid to the previously reported offenses, as
13 well as one report that was deleted due to being a
14 duplicate entry in our database. So the weekly report
15 comes out of the same database. Were there any policy
16 violations or disciplinary actions imposed based upon the
17 use or misuse of technology? And there were no policy
18 violations from the misuse of the software in 2020.

19 CAPTAIN TOSQUI: Were there any requests from outside
20 agencies? There were no requests from outside agencies.
21 Were there any administrative policy changes, best
22 practices, or lessons learned from the use of the
23 technology over the past year? The management team at the
24 Crime Intelligence Unit decided to assign an analyst and
25 a full-time capacity to oversee the facial recognition

1 database. And this is part of what I just mentioned in
2 terms of going through and going through and ensuring
3 that we have the correct defense code listed. And
4 further, the department was asked to be included on
5 several panels. New stories that featured DPD as the
6 agency using facial recognition software and the
7 strongest policies in the country. Was there any
8 information or were there any prosecutions or convictions
9 based on resulting from facial recognition use? That is
10 not a metric that we track in terms of prosecutions or
11 convictions. And then there were three more. The entire
12 report includes all searches conducted using facial
13 recognition, technology, or request made from January 1st
14 to December 31st, 2020, and that's accurate. Figure 4 and
15 figure 5 indicate the date of January 27th. The answer
16 for both of these is the same. In these figures, the
17 timeline is consistent with January 1st to December 31st.
18 However, the data published in this report was finalized
19 on January 27th and therefore was accurate as of that
20 date versus a status that it might have had. For example,
21 on December 31st, it may have had a different status on
22 that date. There could be additional updates to these
23 cases since then as all the cases are fluid. It could
24 have changed the status even now from January 27th. And
25 that concludes the questions that were provided by the

1 Board. Through the Chair. I'm open for any questions that
2 you may have.

3 VICE-CHAIR HOLT: Through the Chair.

4 COMMISSIONER BERNARD: And then me.

5 CHAIRPERSON BELL: Yes, ma'am.

6 VICE-CHAIR HOLT: Commissioner Chair Bell,
7 Commissioner Bernard.

8 CHAIRPERSON BELL: Speak up, go ahead.

9 VICE-CHAIR HOLT: Okay. I'll go. Okay. Commissioner
10 Holt. Thank you, Captain Tosqui. I am always entertained
11 by your presentation as well as the materials that we
12 received in the packet. It amazes me how you can make a
13 presentation that's really powerful and show no
14 expressions one way or the other. Okay. Now I have a
15 question and I don't even know if it's relevant, but I'm
16 going to try it anyway. In the case of facial
17 recognition, is data collected whereby we can determine
18 if the cost of the technology is a positive because of
19 the savings in terms of not needing all of the officers
20 to go through the, what do you call it, those books that
21 you have to go through when you're trying to identify an
22 individual? Is there a cost-saving for us as it relates
23 to the use of technology? Because it's supposed to, I
24 believe eliminate the necessity crime books or something
25 where you take a Snapchat, I'm sorry.

1 COMMISSIONER JONES: Mugshot.

2 VICE-CHAIR HOLT: Right, mugshot. Can we determine if
3 we are saving money in the use of facial technology
4 because we don't have to necessarily rely so heavily on
5 the mugshot process?

6 CAPTAIN TOSQUI: Through the Chair, Commissioner
7 Holt, I will try to smile a bit more for you.

8 COMMISSIONER HOLT: You don't have to.

9 CAPTAIN TOSQUI: But it's arguable, although I don't
10 know if it's necessarily documented, but you would say
11 that we have thousands or more than thousands of mugshots
12 and in any given situation, the technology expedites, the
13 search of those mugshots. Now for a detective to sit down
14 and look through those mugshots, or even a trained
15 analyst to go through page by page or even taken. If you
16 look at, for example, your zoom screen, you may have 46
17 pictures on your zoom screen. So you're looking at that
18 the software accelerates that significantly and rates it.
19 Now that doesn't mean that the first 15 and the rating is
20 going to be the one, but the likelihood that you can look
21 at a hundred pictures versus thousands over thousands of
22 pictures just by its nature is going to save some time.
23 It also saves time because the analysts are doing in this
24 case, the trained analysts, whereas the detective is out
25 on the street, interviewing witnesses, doing the things

1 that detectives were supposed to be doing. And
2 simultaneously at the same time, we're also putting these
3 images up using our media relations and putting it into
4 the news, asking for the public self. So there's, it's a
5 multi-layered approach. Quantifiable, it's difficult to
6 say what that cost is. The way I look at it is that the
7 faster that we can solve the cases, the better
8 opportunity it is to get a violent suspect off the street
9 and to provide the victim some kind of closure.

10 VICE-CHAIR HOLT: Thank you, Captain Tosqui. Through
11 the Chair for those very tangible examples.

12 COMMISSIONER BERNARD: I have a question. Captain,
13 the first question is you said that in the facial
14 recognition unit, there are 68 staff 33 females, 35
15 males, I mean, 68 staff. That's 68 people?

16 CAPTAIN TOSQUI: That's the number that is currently
17 trained in the use of the software. So we've had
18 different analysts come in and go, some come on a hire.
19 We're looking to get the entire Crime Intelligence Unit
20 trained up. So COVID caused a problem with that. But we
21 figured a way to work with the FBI to get some more
22 training, especially for our new hires. So we were asked
23 for the breakdown of the current staff that's trained in
24 the use of the software.

25 COMMISSIONER BERNARD: Can you also, perhaps at the

1 next meeting, give us the budgetary line item for the
2 Crime Intelligence Unit, how much that costs overall? But
3 my comment, my other question to you, I know you don't
4 have that information right now is when you do this data
5 search this deep dive on anybody's face, that's on this
6 call right now, for example, and you determine that there
7 is no match with respect to the crime that was allegedly
8 committed. What do you do with that data that you
9 collected, for example, Commissioner Holley or Linda
10 Bernard, or anybody else? I mean, is that maintained by
11 you? I mean, is all the stuff that you did, what do you
12 do with it?

13 CAPTAIN TOSQUI: Through the Chair. If there's no
14 match, the pro photo is purged from the system. And so
15 assumingly the pro photo comes from a crime scene photo
16 or an evidentiary photo. So that would stay with the
17 detective in the case file. But it is purged through the
18 facial recognition system. So that Crime Intelligence
19 does not keep that photo at all.

20 COMMISSIONER BERNARD: Okay. And when you do the
21 match of the picture with the person, you're pulling up
22 all the data on that person and their family?

23 CAPTAIN TOSQUI: Through the Chair, that's not
24 accurate at all.

25 COMMISSIONER BERNARD: What they do. I'm sorry.

1 COMMISSIONER BERNARD: Through the Chair, I can
2 explain a little bit of the process. We take the pro
3 photo and that gets matched against mugshots. And if the
4 analysts discover a match, then we investigate that
5 match. We'll look at that mugshot we'll look at other
6 mugshots of that person. We'll look at that person's
7 social media. So all we're trying to determine is whether
8 or not that person in the pro photo matches the candidate
9 that this software developed and then the analyst
10 corroborates. So it has nothing to do with the suspect's
11 family or anything like that. There may be some
12 corroborating things that the detective might do to look
13 and determine that the image that was provided by the
14 analyst is accurate. But I'm hoping that I'm answering
15 questioning. It has nothing to do with people's families
16 or anything like that. This is taking an image from a
17 crime scene or a pro photo that's identified by a victim
18 and matching it against the database, the mugshots.

19 COMMISSIONER BERNARD: And you use that for the
20 warrant, that information, for the warrant?

21 COMMISSIONER BERNARD: Through the Chair, that is not
22 sufficient enough for a warrant at all. It is elite only.
23 The detective then has to go out and corroborate
24 everything that's been done, which the detective is
25 probably doing anyway. The detective is probably out

1 there and he or she is working to develop a lead on his
2 or her own. So what this does is it accelerates that
3 process. And once they corroborate that, then they have
4 to go through their different steps, whether it's to have
5 a photo lineup its different things that they might have
6 to do to develop that warrant before they go to the
7 prosecutor's office.

8 COMMISSIONER BERNARD: I see. That's an element of
9 the case, I assume that there was this match.

10 CHAIRPERSON BELL: Commissioner Bernard, I suggest
11 that you read the policy. We want to move on. Read the
12 policy. Ms. White.

13 VICE-CHAIR HOLT: Chair Bell, Chair Bell. This is
14 Vice-Chair Holt.

15 CHAIRPERSON BELL: Yes ma'am.

16 VICE-CHAIR HOLT: One last question to Captain Tosqui
17 as it relates to purging. And how often does that purging
18 happen, Captain Tosqui?

19 CAPTAIN TOSQUI: Through the Chair. It's every time
20 there's no match. So everyone that I articulated that
21 there was no match that pro photo is purged.

22 COMMISSIONER JONES: Through the Chair.

23 COMMISSIONER BURCH: Mr. Chair.

24 COMMISSIONER JONES: Commissioner Jones,

25 COMMISSIONER BERNARD: Thank you, Captain Tosqui.

1 CHAIRPERSON BELL: Commissioner Jones,

2 COMMISSIONER BURCH: Commissioner Jones then

3 Commissioner Burch.

4 COMMISSIONER JONES: Commissioner Burch can go first,
5 it is okay.

6 COMMISSIONER BURCH: All right. Thank you.

7 CHAIRPERSON BELL: Commissioner Burch, go ahead.

8 COMMISSIONER BURCH: Thank you, Commissioner. Mr.
9 Chair to the Captain. My question, could you bring back
10 next week, some data regarding the Green Light, as far as
11 churches, how many churches actually have that Green
12 Light protection? Because as you know, I don't know how
13 old you are, but back in the day, the church was a place
14 that was never touched. It was respected, but I've
15 actually seen with my own eyes, a few churches with the
16 Green Lights. To me, that's a red signal control. Because
17 we need to control the crime? So do you know offhand, how
18 many churches have the Green Light?

19 CAPTAIN TOSQUI: Through the Chair? I don't know,
20 offhand. We do provide the Board a list of every Green
21 Light location at the beginning of the month. However, I
22 can come back and provide you an accurate number of how
23 many of those locations are churches.

24 COMMISSIONER BURCH: I appreciate you bringing that
25 list. I just want to know about the churches. I know

1 about the list they send us. That's too many for my eyes
2 to try and look through. But I thank you, Mr. Bell, and
3 thank you, Captain.

4 CHAIRPERSON BELL: Our staff will do that. We'll take
5 a look at the list and we report out to you as soon as
6 possible. Commission Jones.

7 COMMISSIONER JONES: Well, I like the commander part.
8 Captain Tosqui. I appreciate the report that you've
9 given. Basically, I want to make some clarification for
10 our community members that are listening. With the
11 matches that you came up with for the FRT and one
12 category, they looked in where it says arrest in cases
13 where a possible match was found. I just want to make
14 sure that our public knows that those arrests probably
15 had to be predicated on a subsequent investigation that
16 you normally do before an arrest is actually made. Is
17 that correct?

18 CAPTAIN TOSQUI: Through the Chair, that's correct.
19 And also, if I didn't explain it before, I should explain
20 it now that that arrest does not necessarily mean that
21 that suspect was a person in the pro photo. We're just
22 linking the arrest to the cases where we did searches.
23 And then, like I mentioned that some of the cases had
24 matches and some didn't and some that didn't have matches
25 did end up in arrest, but absolutely an excellent

1 question, sir.

2 COMMISSIONER JONES: Thank you, sir.

3 COMMISSIONER BURTON: Through the Chair.

4 CHAIRPERSON BELL: Yes, sir.

5 COMMISSIONER BURTON: Question. To the gentlemen on
6 the line. Are you aware that Minnesota just recently
7 banned facial recognition? And are you aware that other
8 big cities also ban facial recognition?

9 CAPTAIN TOSQUI: Through the Chair, yes.

10 CHAIRPERSON BELL: Thank you.

11 COMMISSIONER BROWN: Through the Chair, this is
12 Commissioner Brown.

13 CHAIRPERSON BELL: We're going to entertain one more
14 question and then we're going to move on. Thank you.

15 COMMISSIONER BROWN: Yes. Hey captain Tosqui. Great
16 report. Good information. I appreciate it. So I just have
17 a question. We come across the plans where, when you run
18 the searches and we do queries on individuals and their
19 names are into the system. Have we encountered any
20 situations where this could count as any things that may
21 go on a criminal case behavior of any people that may be
22 potential applicants for the Detroit police department?
23 Has this ever come up anywhere that has been something
24 that prevented people from being hired by the department?
25 Would this be considered like police contact, if you ran

1 a person's face through facial recognition and things
2 like that?

3 CAPTAIN TOSQUI: Through the Chair, the best answer
4 to that is no, because there's no name associated with
5 the pro photo, right? So that's the whole reason for
6 using the system is that we lack the name and then the
7 images that are extracted as candidates are mugshots and
8 it's any candidate for the Detroit Police Department
9 that's coming on would have to give notice that they had
10 been arrested in the past and have a mugshot that's still
11 in the system that's not expunged. So if there's anything
12 that would prevent that candidate from moving forward in
13 the system, it may be a previous violent felony as an
14 example, but there's no name attached unless that
15 candidate is identified as the suspect in the pro photo.
16 And if that's the case then that name would be attached
17 to the case, should a warrant be issued, and then that
18 person goes to trial.

19 COMMISSIONER BROWN: All right. Thanks, man.
20 Appreciate it.

21 CHAIRPERSON BELL: Thank you, Captain. Thank you,
22 Captain Tosqui. This was part of the Chief's report out,
23 it's not added to the agenda. This is part of the Chief's
24 report to cover a very, very important subject matter, as
25 you can see how you have responded to the Q&A. I want to

1 thank the Captain. We can move on to Ceasefire, Director
2 Reid Branche-Wilson.

3 MR. BRANCHE-WILSON: Hello everyone. My name is Reid,
4 yes, trying to, yes, you can see me. Excellent. So Reid
5 Branche-Wilson. I'm the Director of Administrative
6 Operations. I'm here today with Commander Russell,
7 Commander.

8 COMMANDER RUSSELL: Commander Sonia Russell, Special
9 Services. Good afternoon, Board.

10 MR. BRANCHE-WILSON: Oh, sorry, Commissioner. So we
11 are here today to talk about a ceasefire. Ceasefire
12 Detroit is really the cornerstone of our focus deterrent
13 models. It is a violence reduction program aimed at the
14 gang and group-related gun violence.

15 It's a partnership and Commander's going to talk
16 more about this, but it's a partnership with other law
17 enforcement agencies and a wide range of community
18 partners. And I like to think of ceasefire as - it's a
19 promise with a coin, right? So, one side of the coin is
20 that we'll promise any individual who is in a group or
21 gang, that if they want to leave that group or gang, we
22 will provide them the services to help them leave that
23 life. Now, on the other side of the coin, if they say,
24 no, I'd like to continue down this path, then we promise
25 to enforce the law to the best of our ability. And so

1 it's really that balanced approach of enforcement and
2 services and outreaching. Commander's going to talk about
3 both of those in a little bit more depth. Before that
4 though, I just wanted to highlight how we've really
5 expanded to be city-wide since we first refreshed the
6 program in 2015. Initially, we were in 5 and 9, and then
7 in 2016, moved to Westside precincts. And then this
8 January really end of December, we moved to the 3rd
9 Precinct, which was the final precinct. And then now our
10 city-wide. So I'm going to hand it off to Commander
11 Russell now to talk a little bit about more about the
12 enforcement side of the coin. Commander.

13 COMMANDER RUSSELL: That Ceasefire enforcement
14 ensures that groups who commit gun violence receive
15 special attention from law enforcement. You know, this is
16 a coordinated effort between DPD local, State, and
17 federal law enforcement, prosecutors, and of course, the
18 Michigan Department of Corrections. The DPD strategy of
19 targeted enforcement is that we monitor all gun violence
20 and weapon offenses involving a group nexus. We have
21 weekly meetings with our precinct ceasefire enforcement
22 units, of course, our gang intelligence team. And
23 basically what we do is we assess every firearm incident
24 for a group nexus. We are responsible for developing
25 community outreach events and call-ins. Some of the

1 community outreach events, just to name a few have been
2 peace walks, areas of hotspots. It could be a barbershop
3 with frequent young individuals where we give out
4 literature about the ceasefire program. And that's a way
5 to kind of prevent retaliation. We've done diaper
6 giveaways, assisting and partnering with the MPOs, of
7 course at our local precincts, and of course, food
8 distribution. Service and outreach connect at-risk
9 individuals with social services and bridge a gap between
10 law enforcement and the community. Our responsibilities
11 include responding at the scenes of support victims of
12 violence, the community, and law enforcement. And so
13 sometimes the ceasefire outreach team can respond to the
14 hospital, and or the after shooting scene. And when they
15 arrive at those scenes, they basically provide counseling
16 and support to the victims and or the family members. And
17 they kind of serve as a peacekeeper between law
18 enforcement and the community because sometimes crime
19 scenes get a little excited. We also conduct custom
20 notifications with the department for individuals
21 involved in crimes and gun violence and a custom
22 notification could basically be performed with either the
23 commander, the captain, or the lieutenant of that
24 particular precinct along with the outreach team.

25 COMMANDER RUSSELL: And so the outreach team has a

1 team leader. It has a faith-based coordinator and it has
2 a team member for that particular precinct of occurrence
3 in that area who is familiar with that community. And
4 basically what they do is two things. It's just like
5 Director Wilson talked about, you know, the first thing
6 we do is to say, Hey, you know, we know that you are an
7 affiliate or we know that you are somebody that's been
8 involved with gun violence and the first thing is, we
9 want to help you, okay. How are we going to help you?
10 Well, we're going to help you with job training, job
11 placement, emergency assistance, clearing your driver's
12 license. It could be removing tattoos. It could be legal
13 aid relocation out of town and just maybe getting your
14 GED or just emergency housing. And then again, as
15 Director Reid Wilson also said, if you don't want to, and
16 you continue to go down a path of gun violence, then
17 we're going to engage you. And with that being said
18 Director Reid has some statistical data.

19 MR. BRANCHE-WILSON: Yes. So I'm just going to talk a
20 little bit about what we did in 2020, and just want to
21 highlight that honestly these numbers are just a credit
22 to the Ceasefire enforcement teams and the outreach teams
23 led by Director Cheryl Jones, who, you know, 2020 had a
24 lot in store for us that we weren't ready for yet the
25 ceasefire team really kept doing their work. So over 400

1 custom notifications were provided before the COVID
2 pandemic. We had 36 individuals attended the call in and
3 given the economic effects of the COVID pandemic, I also
4 want to highlight that 41 individuals obtained new
5 employment and 14 individuals received temporary or
6 permanent housing assistance. On the enforcement side,
7 there were over - well, no, there were exactly 7,250
8 firearms recovered and two gangs, federally indicted. And
9 we all know that 2020 did see an increase in gun
10 violence. But the one thing I'd like to say in
11 Ceasefire's efforts is that the percent of gang or group-
12 related violence actually decreased precipitously. So
13 comparing 2020 to 2018, we saw a 9 percentage point
14 decrease in the percent of basic shootings that were gang
15 or group related. And we just wanted to take a minute to
16 highlight one of our particular programs under Detroit
17 youth violence prevention the brotherhood and sisterhood.
18 And I'm going to swing it back to Commander to talk a
19 little bit about the brotherhood and sisterhood.

20 COMMANDER RUSSELL: So the brotherhood and sisterhood
21 is a program targeted for our young adults' ages 14
22 through 18 years of age. And it's basically to provide
23 positive supportive mentorships or Detroit teams. The
24 program includes weekly discussion sessions with officers
25 and community mentors. Some are development and

1 employment, and the course of city-wide youth summit.
2 Some are youth summits in the past have consisted of, you
3 know, helping high schoolers, you know with financial
4 aid. It could be financial planning, how to set up a bank
5 account things they need to advance as a young adult. We
6 also have educational programs, mentoring sessions, we've
7 done food distribution PPE distribution. We've been
8 attending proms for high school, graduating high school
9 seniors. We've even bought things for people who need
10 them for a primer and or graduation. And we've also
11 helped young adults obtain scholarships for college with
12 the program. So it's been really beneficial. Currently,
13 the brotherhood and sisterhood is the 6 high school
14 within the City of Detroit that would be Denby Osborne,
15 East English Village, Pershing, Cody, and Henry Ford High
16 School. So how are the kids selected? Well, the kids are
17 selected by the school principals and or deans within
18 those particular high schools. These kids are a mixture
19 of what we like to call leaders and challengers and which
20 they are can learn from each other by being a good
21 mixture of all different types of children that's in the
22 program.

23 COMMANDER RUSSELL: So some of our people who have
24 helped benefit the brotherhood and sisterhood, of course,
25 that the Detroit Lions have been a great partner with

1 this program. They attended one of our circle events with
2 the brotherhood and the outreach team and officers in
3 which they discuss the effects of trauma and gun violence
4 while growing up in an inner-city across the country. And
5 then of course you see the trauma intervention circle.
6 And what that is basically, it's a debriefing of
7 counseling and services to members who lost a participant
8 or the brotherhood and our sisterhood. So for instance,
9 we had somebody who participated in a program, a
10 brotherhood program, and lost his life to gun violence,
11 or just lost his life in general. This is a debriefing
12 for the kids to follow up and give them a chance to
13 express themselves. And in closing last but not least, I
14 want to share a success story of the program and which a
15 former member of the brotherhood who attended the Hearing
16 for high school here in Detroit is now I'm happy to say
17 in the Detroit Police Academy. He is 19 years old, he is
18 a black male, and I want to introduce him. He is student
19 police officer Tamari Harper. Tamari can you tell the
20 Board

21 COMMISSIONER BURCH: Bend down, tell him to bend
22 down.

23 COMMANDER RUSSELL: Tell the Board why you wanted to
24 be a Detroit police officer?

25 MR. HARPER: Well, after my junior year of high

1 school at Henry Ford. Sorry, I'm a little nervous. I
2 apologize. Well, during my junior year of high school at
3 Henry Ford, I just find the brotherhood program. I got to
4 build a very strong bond with a few officers out of the
5 precinct. Do a few ride-a-longs and get a lot of great
6 advice from them, and I still communicate with them daily
7 and they helped me throughout my work with the process as
8 well.

9 COMMANDER RUSSELL: I just wanted, through the Chair,
10 just wanted him to meet the Board, also the Board knows
11 that Director Jones, the Ceasefire outreach team even AC
12 Bettison, and Commander Hope, have done a phenomenal job
13 with the program. And now myself and AC LeValley is
14 taking a lead. But, you know, they've done a phenomenal
15 job with bringing in people who want to be Detroit police
16 officers. So we are doing great with recruitment. And at
17 this time I take any questions or concerns the Board may
18 have.

19 COMMISSIONER BURCH: Through the Chair.

20 CHAIRPERSON BELL: Just pause one second, I think
21 that was one of the highlights to bring this young person
22 in the Academy to just acknowledge and appreciate. I
23 think it's a major step in life. So, that's a success.
24 Now open up to the floor.

25 COMMISSIONER BURCH: Mr. Chair.

1 CHAIRPERSON BELL: Yes. Ma'am

2 COMMISSIONER BURCH: Yes. To the Chair and Commander
3 Russell, excellent, excellent report. I congratulate you
4 all on the work that you've done. I have several, just a
5 few questions to enhance your program. You mentioned the
6 schools that were involved in the ceasefire, right?

7 COMMANDER RUSSELL: Yes. Ma'am.

8 COMMISSIONER BURCH: Do you take the schools as young
9 as elementary, and that would be in the 11th Precinct is
10 the Davidson Elementary School. Do you bring
11 presentations to that age level and also middle school?
12 Because I think the younger that we get them to
13 understand violence is not what they should be involved
14 in. The younger, if you agree with that Commander
15 Russell, and you did mention Pershing High School. I'm
16 very glad that you've included that because our Commander
17 Slappy works with the students in Pershing, and I believe
18 it's called a sisterhood or something that she works
19 with. So the more - I'm just a person working together.
20 And so I wanted to actually, this question, is your
21 program involved with the revolving door of the juvenile
22 system?

23 COMMANDER RUSSELL: So the program is not directly
24 involved with a revolving through, I'm sorry, through the
25 Chair. The program is not directly involved with the

1 juvenile system. These kids, as I stated in the
2 presentation are a mixture of leaders and challengers
3 that have been identified by the school principals. So we
4 have a relationship with director Jones does a great job
5 working with the high school principals and they make
6 those recommendations as to who those children should be
7 in the program. We're not looking for a program that's
8 all negative, we're looking for leaders and challengers
9 so they can grow and learn from each other.

10 COMMISSIONER BURCH: Are you saying it comes from the
11 principals themselves to come to you?

12 COMMANDER RUSSELL: So the principals and the deans
13 of the high schools make the recommendations for who
14 should participate in the program.

15 COMMISSIONER BURCH: Okay.

16 MR. BRANCHE-WILSON: And through the Chair, just to
17 build on Commander Russell's point, the brotherhood and
18 sisterhood are about providing mentors and positive life
19 experiences. So it's absolutely not getting people any
20 criminal justice nexus involved or juvenile delinquency
21 things like that. If Commissioner Burch, that was your
22 question.

23 COMMISSIONER BURCH: That's pretty good, sir. But Mr.
24 Chair, one more. What about the issue of mental health?
25 Is that involved in your program to see if some mental

1 health issues might be coming up warranting this, have
2 you checked that Commander Russell?

3 COMMANDER RUSSELL: Through the Chair. So mental
4 health, and as you know, Commissioner Burch, I know that
5 you are probably very knowledgeable or heard about our
6 CIT program, crisis intervention, training, and Director
7 Wilson and Captain Leonard-Gilbert, which - she's coming
8 on next. They're kind of taking that lead as opposed to
9 that. She's also a mentor in the sisterhood and we've had
10 some children that may have had medication. But CIT is a
11 separate program that the department is working on. And
12 it's a really huge program that we're implementing
13 currently in downtown and the 9th Precinct.

14 COMMISSIONER BURCH: Thank you, ma'am. Thank you so
15 very much.

16 CHAIRPERSON BELL: Commissioner Burch, there are
17 other programs that address elementary and middle
18 schools. There are a lot of other programs but not
19 Ceasefire. Thank you.

20 COMMISSIONER BURCH: Thank you, Mr. Bell.

21 CHAIRPERSON BELL: Yes, ma'am. Next speaker.

22 COMMISSIONER JONES: Commissioner Jones.

23 CHAIRPERSON BELL: Commissioner Jones.

24 COMMISSIONER JONES: Yes. I'd like to thank the
25 Commander and also, both the Commanders for their report

1 on this program for Ceasefire. I know a couple of members
2 of Ceasefire that do some of the home visitations and the
3 mentorship and helping people or young people get out of
4 their current situations in a neighborhood. But
5 certainly, your report has offered a lot more in-depth
6 information about how far you will go to give a person a
7 second chance or another opportunity to come out of the
8 life that they're in and they're headed to versus being
9 able to go through let's say like the Academy, like the
10 young man that you bought before. And I definitely want
11 to tell him that I congratulate him. I thank him. I'm
12 proud of him for the effort that he's making to change
13 his life around because he's going to help them make some
14 other individuals just like him be able to come out of
15 this circumstance and show that they can make something
16 of themselves and be productive members of our society.
17 You did mention even housing, you mentioned helping to
18 get them food. You mentioned help with clearing driver's
19 licenses. These have all been challenges that a number of
20 these people have faced because I've talked to some
21 people about it, but they've been able to help or to get
22 help through your program, correct?

23 COMMANDER RUSSELL: Yes, sir. Through the Chair.
24 Absolutely. And that's the goal. Of course, we're always
25 going to be the police department, but part of being a

1 police department is to also offer rehabilitative
2 services to transform members back into our community.

3 COMMISSIONER JONES: Okay. Well, thank you for your
4 proactive response.

5 COMMISSIONER BURTON: Through the Chair.

6 CHAIRPERSON BELL: Yes, sir.

7 COMMISSIONER BURTON: You know question for Commander
8 Russell. You know, you mentioned that 41 individuals
9 through Ceasefire received employment. Was that
10 employment at the rate of \$15 per hour? Here in the City
11 of Detroit, on the local and state, and federal levels,
12 we are all pushing for \$15 an hour to help lift families
13 up out of poverty. Once again, I want to thank you guys
14 for the work you guys are doing with Ceasefire, but we
15 want to know, are they receiving the rate of \$15 an hour
16 because that's what so many of our elected officials are
17 pushing on the ground level to help families up out of
18 poverty to give them a living wage?

19 COMMANDER RUSSELL: Sir, I can look into that and get
20 back to you with that information. I am not aware if it's
21 \$15 an hour or not, but I can get the information and get
22 back to you, sir.

23 CHAIRPERSON BELL: Thank you.

24 COMMISSIONER BERNARD: Hi, this is Linda Bernard,
25 Commander. Thank you for your report. Just a couple of

1 really quick questions. How many people are involved in
2 Ceasefire, both from a department level, be they either
3 civilian or sworn?

4 COMMANDER RUSSELL: Through the Chair? So from a
5 department level, we have several mentors. We have
6 several command officers. We have command officers that
7 are involved in the sisterhood. We have Captain Potts, we
8 have Commander Slappy. We have Captain Leonard-Gilbert,
9 we have Captain Blackwell, and we have Commander Hope.
10 And that's just some of the executive team members. We
11 have sergeants. So the numbers are numerous as far as the
12 department side. But as it relates to the actual outreach
13 team, we have possibly 25 people that work on that team
14 that's out of the kindness of their heart, they go out
15 and they do this. They're on call at night and they
16 respond when needed. And they've done a great job.

17 COMMISSIONER BERNARD: Is your effort funded by the
18 foundation or directly by the department or is it done by
19 two federal grants and how much is it? I'm just
20 wondering?

21 COMMANDER RUSSELL: Director Wilson.

22 MR. BRANCHE-WILSON: Most of it is city funding, but
23 we can give you a breakdown next week that should be
24 pretty easy.

25 COMMISSIONER BERNARD: Thank you.

1 MR. BRANCHE-WILSON: I just was building off of what
2 Commander said earlier. I do want to highlight that
3 Ceasefire truly is a department-wide initiative. Like you
4 just can look through the roster and everyone's involved
5 in some capacity.

6 COMMISSIONER BERNARD: Okay. Thank you.

7 CHAIRPERSON BELL: Thank you. We want to move on. I
8 want to thank Ceasefire commander Russell and Director
9 Wilson. I want to say once they open it up, I would
10 encourage the commissioners to take part in that process.
11 It's opened to you. I have taken part in three and four.
12 This initiative is led by the Mayor of the City of
13 Detroit Mike Duggan and also Chief Craig. They are the
14 main focus speaker that kicked this off. So it's
15 something that's worthwhile. I just want to commend you
16 to continue to work even under these difficult times, but
17 what you're trying to impact and that young man, as
18 Commission Jones said, that was over the top. Thank you.

19 COMMANDER RUSSELL: Thank you.

20 CHAIRPERSON BELL: Let's move on.

21 COMMISSIONER BURCH: Mr. Bell, excuse me. Let's give
22 that young man, put him back on Commander Russell. Let's
23 give him a hand clap to encourage him.

24 CHAIRPERSON BELL: We've got to move on

25 CHAIRPERSON BELL: Thank you. We're moving on. Thank

1 you.

2 MS. WHITE: Yes, we're enabling Captain Tonya
3 Lennard-Gilbert's microphone, Captain Gilbert, your
4 microphone is muted at this time. If staff co-hosts could
5 assist please, thank you.

6 CAPTAIN LEONARD-GILBERT: Thank you. Good afternoon.
7 Honorable Board. I am Captain Tanya Leonard-Gilbert.

8 CHAIRPERSON BELL: Captain.

9 CAPTAIN LEONARD-GILBERT: Good afternoon, sir. I am
10 Captain Tonya Leonard- Gilbert of the Office of Internal
11 External Relations. I'm here to present on our unit.
12 Office of External Relations is a vision that the Chief
13 had that he launched in October of 2020. Our unit is
14 comprised of two components, the internal relations side,
15 as well as the external relations side. On the internal
16 relations side of the house, we have peer support, DPDFIT
17 the committee on race and equality. And on the external
18 relations side of the house, we have procedural justice
19 and police legitimacy, and the mental health core
20 response partnership. Internally, the unit focuses on
21 providing support and resources for our members, making
22 sure they are mentally and physically, and emotionally
23 fit. Our peer support unit provides a listening ear to
24 members in need after traumatic events. Our DPDFIT
25 encourages all of its members to embark on a daily

1 wellness journey. And then our committee on race and
2 quality ensures that equal treatment for all within the
3 department, both sworn and non-sworn. Our peer supports
4 unit helps guide support sworn and non-sworn members
5 through challenges they experienced in both professional
6 and in their personal lives. And I'll highlight a few
7 things that we do. Peer support is available for our
8 members 24 hours a day, 7-days a week. Our peer support
9 unit is happy to report that we are working on obtaining
10 a new facility and are on target. We scheduled to be in
11 there by 2022, it'll be located at 13206 East Jefferson,
12 which is in the 5th Precinct. Peer support traditionally
13 contacted members that are quarantined or isolated that
14 have been impacted by COVID-19. We also provide
15 additional support to their immediate family members who
16 live in their household as well. Peer support assists
17 with families of fallen officers as family liaisons to
18 assist and provide those resources and supports for those
19 members. They provide support and resources to our
20 members who are critically injured or ill as well and
21 conduct various incident stress debriefings. Just to name
22 a few of the things that our peer support unit is
23 designed to do

24 CAPTAIN LEONARD-GILBERT: At DPDFIT empowers members
25 to be at their mental and physical best. Currently,

1 DPDFIT University has an advisory board that consists of
2 14 members, both sworn and non-sworn throughout the
3 entire Detroit police department. We are scheduled to
4 have DPDFIT support liaisons housed in each command
5 within the Detroit Police Department that will coordinate
6 with our DPDFIT coordinator housed here at the Office of
7 Internal External Relations. Some of the historical
8 events that DPDFIT University has participated in are
9 Baker to Vegas, the Detroit free press marathon, Detroit
10 police field day, as well as several other fitness-themed
11 events. DPDFIT University encourages wellness through
12 physical fitness, nutrition, DPDFIT videos, mental
13 fitness, education, and training individual teams and
14 competitions and challenges as well as testimonies of
15 members, fitness and wellness journeys. Our last
16 committee under our internal relations side is the
17 committee on race and equality, which is an advisory
18 committee to the Chief and a resource for all department
19 members, both sworn and non-sworn, or as a resource for
20 members to voice their concerns regarding perceived
21 discriminatory treatment and or practice based on age,
22 gender, gender identity, race, religion, national origin,
23 or sexual orientation. CORE's mission is to increase
24 awareness, safeguard equality, and celebrate the strength
25 of diversity. Promote inclusiveness, provide a safe

1 haven, and encourage positive change within the Detroit
2 Police Department under Chief Craig's leadership.

3 CAPTAIN LEONARD-GILBERT: On our external side of the
4 house, we have the Procedural Justice and Police
5 Legitimacy Unit, as well as the mental health co-response
6 partnership pilot. Externally the unit focuses on
7 bridging the gap, strengthening the relationships, and
8 providing support and resources between the Detroit
9 Police Department and the community. Procedural justice
10 and police legitimacy facilitate courageous conversations
11 to foster mutual understanding. And we hope to strive to
12 repair, strengthen, and nourish relationships between the
13 Detroit Police Department and the community. Under the
14 procedural justice and police legitimacy side of the
15 house. We've had several community engagement
16 initiatives, which I'll talk to them all in just a
17 moment. Our mental health co-response partnership is a
18 mental health co-response pilot program that is just
19 recently launched. It partners with the housing
20 revitalization division, which is HRD and our Detroit
21 Wayne integrated health network, which is the DWIHN to
22 connect individuals suffering from mental health crises
23 to services that they need. Our mental health co-response
24 pilot mental health diversion has a 3-pronged
25 intervention approach consisting of the crisis

1 intervention team, which is the correspondent vehicle
2 that pairs a behavioral health specialist with mental
3 health trained officer to co-respond to those non-violent
4 mental health police rounds that they are dispatched to.
5 We have the 911 integrated response that connects callers
6 to behavioral health specialists embedded within the 911
7 call center to address underlying health needs as those
8 calls come in for service. And then lastly, the third
9 prong is the Detroit homeless outreach team known as HOT,
10 where we partnered the housing revitalization division
11 with members of the Detroit Police Department that either
12 is in the neighborhood police officers or in a patrol
13 function and with the Detroit WIHN integrated health
14 network. And the goal there is homelessness advocates and
15 behavioral health workers to connect the homeless to
16 services and resources and to try to put the sustainable
17 prong in place to assist them with all of their needs.

18 CAPTAIN LEONARD-GILBERT: Lastly, our Procedural
19 Justice and Police Legitimacy Unit build strong
20 relationships between the Detroit Police Department and
21 the community. We host police-community summits, which
22 are safe havens for citizens of Detroit and the
23 department members to acknowledge, evaluate problem-solve
24 and repair the harm that has been done through a
25 restorative practice approach. Currently, we've had one

1 police community summit that was launched out of the 8th
2 Precinct. Historically we've had approximately 12
3 additional police community summits. This was an
4 initiative that started initially in the 5th precinct
5 under Commander Ewing and Captain Williams. The Chief
6 decided to expand it and take a city-wide. And it's now
7 housed under the Office of Internal, External Relations.
8 When we had our first police-community summit in the 8th
9 Precinct, I'm happy to report that Commissioner Holt and
10 Commissioner Brown attended the summit with us. The
11 police community summit also identifies as officers with
12 the highest number of citizen complaints to participate
13 within that Precinct has been selected. We work closely
14 with OCI, we're scheduled to launch in the 2nd, 3rd, and
15 12th Precincts this year in 2021. Unfortunately, due to
16 constraints with the pandemic and being mostly concerned
17 about our members, as well as the community's health and
18 wellness, we had to postpone our complete community
19 summit because they're held in person, cannot really be,
20 they're not effective over zoom. And one last thing to
21 mention our office of internal and external relations
22 plans to expand into each precinct, hopefully by the end
23 of the 4th quarter of 2022. The Office of Internal and
24 External Relations is currently housed out of the 3rd
25 Precinct. We can be reached at (313) 596-5308. And our

1 email address is on the screen is the Office of Internal-
2 ExternalRelations@Detroitmi.gov. We're happy to hear from
3 you and partner with anyone who would like to reach out
4 to us. And our mantra is, We are one, We are all the
5 essence of Detroit. We are all community. Thank you.
6 Through the Chair. I'll take any questions at this time.

7 CHAIRPERSON BELL: Thank you, Commissioners.

8 VICE-CHAIR HOLT: Yes. Through the Chair. Thank you,
9 Captain, for your presentation and your revisit of the
10 history of the program. As you noted Commissioner Brown
11 and I attended the summit that was held at the 8th
12 Precinct and I believe it was Commissioner Brown who
13 suggested that NACOLES be made aware of this opportunity.
14 Now, you know, we're approaching, a maybe convention
15 comes September - a NACOLES convention. Has there been
16 any dialogue between DPD and the leadership of NACOLES,
17 whereby this will be one of the discussion items on their
18 agenda

19 CAPTAIN LEONARD-GILBERT: Through the Chair,
20 Commissioner Holt. No, ma'am not at this time, but I will
21 through the Chair, through Assistant Chief Bettison and
22 the Chief, we will make that connection.

23 VICE-CHAIR HOLT: Thank you so much because we really
24 Commissioner Brown, maybe I'm speaking for him. We became
25 really excited about the opportunity and the obvious

1 learning the hands-on right there, learning that
2 transpired between the civilians and the sworn officers
3 at that event.

4 CAPTAIN LEONARD-GILBERT: To the Chair. Yes ma'am.
5 Thank you.

6 COMMISSIONER BERNARD: You made an excellent report.
7 And I want to thank you very much. It was very clear. I
8 mean, it's easy to understand and easy to read, and easy
9 for us to share with the community. Thank you very, very
10 much.

11 CAPTAIN LEONARD-GILBERT: Through the Chair, thank
12 you, ma'am.

13 COMMISSIONER BERNARD: You're welcome.

14 CHAIRPERSON BELL: Thank you, Captain Gilbert

15 COMMISSIONER BURCH: Through the Chair, I just want
16 to briefly share that there is such a need for a mental
17 health facility and I mean a state of the art. And so
18 you're doing a very good job, but limited, and we are
19 working. There's a core group in the third district that
20 working on trying to get that done. So we're going to
21 reach out to you naturally because you all are a part of
22 this facility. Very, very good report. Thank you, Mr.
23 Chair.

24 CHAIRPERSON BELL: Thank you.

25 CAPTAIN LEONARD-GILBERT: Thank you, ma'am.

1 CHAIRPERSON BELL: Okay. Thank you, Captain.

2 Outstanding, outstanding. Our next reporting out will be
3 towing. Mr. Johnson will be speaking on behalf of that.

4 MS. WHITE: Mr. Johnson.

5 MR. JOHNSON: Yes. Good afternoon.

6 CHAIRPERSON BELL: Good afternoon.

7 MR. JOHNSON: How is everybody? I hope you're having
8 a good day, and it's a pleasure to be here with you. Mr.
9 Chairman, I appreciate the opportunity to be here with
10 you. And before my remarks, I'd like to ask your
11 indulgence at a portion of the opportunity I'm being
12 given to speak. I'd like to yield some time to our legal
13 counsel and attorneys Tom Stiham and Dan McLean so that
14 they might talk to you from the legal side of what we're
15 going to present today. If that's okay.

16 CHAIRPERSON BELL: Yes, sir. We're allotting about 15
17 minutes. So you would have to work that in. Of course, we
18 have, as you know, a long agenda. So we try to bring it
19 home and especially if you want to entertain questions,
20 but that questions are not in your time, right? Thank
21 you.

22 MR. JOHNSON: I think we can handle that. I'm going
23 to go off-screen, but you'll still be able to hear me
24 just so that I can read my prepared remarks. Thank you
25 again for the opportunity to make this presentation

1 before the Honorable Body and the Board of Police
2 Commissioners. My name is Bertrand Johnson. I'm
3 privileged to represent the Detroit Towing Association
4 since 2019. And I will use a portion of the time allotted
5 here, reserve the balance for our legal experts to weigh
6 in. Since coming on board to represent this group of
7 industry-leading professionals, I've undertaken a
8 significant crash course in all things related to towing.
9 I've learned a great deal about towing, its operations,
10 the costs associated, and the businesses in our
11 association. I will attest to you today and this
12 Honorable Body that these experts are the cream of the
13 crop in Detroit towing. Gone are the days of pay to play
14 and corruption wants inherent in towing and not just in
15 Detroit, by the way. What now remains is an outstanding
16 group of towing experts who served the city of Detroit
17 for decades on private property, impounds, and tows. But
18 for the purposes of this conversation, police authorized
19 towing. We're before you today to express our concerns
20 with the proposed towing ordinance being offered by the
21 council, President, Brenda Jones, and I've provided some
22 written testimony for the commissioners previous to this
23 meeting to review at your convenience, President Jones'
24 efforts to regulate the towing industry in Detroit,
25 shouldn't be characterized as anything short of a sincere

1 effort at alignment across the industry. We consider
2 ourselves fortunate in as much, we were at one time,
3 invited to the table to discuss what a new towing
4 ordinance would look like. After our initial discussions
5 on the subject President Jones ordered all interested
6 parties, including Captain Michael Perez, the tow
7 monitor, the city law department, her staff assistants,
8 and the DTA, including our legal counsel, Dan McLean, and
9 then attorney Tom Stiham and the towers into a workgroup
10 aimed at settling our differences. At the repeated
11 requests of Captain Parrish and attorneys, Chuck Raimi,
12 and Tonya Long from the law department, we reluctantly
13 agreed to turn over a document describing an initial list
14 of problems we saw in the ordinance proposal, including a
15 new licensing provision. Our paranoia proved to be
16 accurate. That list was used to shut us out of all
17 meetings. To date, and although President Jones ordered
18 us into a workgroup, subsequent to her initial meeting,
19 my attempts to get us together have been met with a
20 consistent, no. I've since spoken with President Jones's
21 office and I'm relying on her leadership to once again
22 direct the parties to meet with us as was her wish at the
23 beginning of the discussions. To that end, I do remain
24 hopeful, but if the ordinance is adopted, the Board of
25 Police Commissioners will see its authority to resolve

1 disputes between the towers and DPD eliminated, as that
2 power will transfer to the Chief of Police. To be clear,
3 we have no ax to grind with Chief Craig. However, it
4 would be wholly inequitable to see the power to act as
5 judge, jury, and executioner in settling grievances to
6 the Chief of Police instead of the Board of Police
7 Commissioners. After all, we're supposed to be in a
8 partnership with DPD yet, the department is fast becoming
9 a competitor whose business practices and constraints
10 under a new ordinance threaten our very survival. We are
11 far more comfortable with the BOPC shouldering the
12 responsibility of dealing with police authorized towing
13 as promulgated under the current rules. If there is to be
14 more power transferred between the entities, we believe
15 the Board of Police Commissioners should have more
16 authority over towing, but it's clear to me that this
17 Body isn't being consulted either as to what powers will
18 be stripped away by a new towing ordinance. There are
19 several extremely troublesome items in the current draft
20 of the ordinance the DTA has concerns over.

21 MR. JOHNSON: I won't belabor them all, but I'll
22 present just a quick few. Foremost is the duplicative
23 licensing provision. And if adopted and then somehow
24 revoked could borrow a tower from operating in all manner
25 of towing in the City of Detroit and perhaps the State of

1 Michigan for the DTA. That's a poison pill. Presently,
2 all towers must be registered and licensed with the State
3 of Michigan at the commercial vehicle enforcement
4 division or CVED. That license when violated can be
5 revoked at any time. Detroit has relied on that licensure
6 for quite some time. We see no reason at the DTA for
7 change. Second is the idea that towing companies may be
8 held criminally liable for the inadvertent deliberate or
9 otherwise in the performance of duty actions of an
10 employee. That's a prejudicial and targeted way of going
11 after otherwise compliant companies. Don't get me wrong,
12 we do not support, I repeat, we do not support any
13 illegal activity on the part of anyone involved in
14 towing, whatsoever. And we're thankful I have purged that
15 behavior in Detroit, but we already have laws and rules
16 in place that police authorities can use to punish
17 offenders. Third, is the theory that somehow DPD is more
18 able to operate efficiently in the towing industry than
19 are the industry-leading experts I represent? We
20 routinely purchase more costly, higher quality equipment,
21 employ staff at much better wages and benefits, pay more
22 in both income and property taxes and fees. And do so
23 with absolutely no civil liability to the residents of
24 this city, nor in the appropriation for our operations.
25 We've heard time and again, that at the heart of this new

1 proposed ordinance is the health, safety, and welfare of
2 the residents of Detroit. I've yet to determine from my
3 read of the proposal where that can be seen. The DTA
4 simply cannot stand by and watch our spoken partner
5 develop into an existential threat as a competitor by co-
6 opting our trade secrets and learning that the job at
7 such a significant cost to the residents of Detroit.
8 Fourth is the idea we have moving away from permits to
9 contracts, given the subjective nature of how a tower can
10 be stripped of that contract and disempowered, and then
11 forced to wait until the next open contract period, which
12 could be at least five years. Again, without the right
13 impartial arbiter, DTA members could find themselves on
14 the outside of the bubble looking inward.

15 MR. JOHNSON: Lastly, I'll sum up my remarks by
16 saying thank you to the police department for the way
17 it's handled the civil unrest that some were attempting
18 to unleash on Detroit this past summer as saw in other US
19 cities. There's a nexus here to police authorize towing.
20 It's because Detroit has always been first in so many
21 categories, and first out that our Chief and our past
22 chiefs have had a blueprint for tamping down the acrimony
23 that has plagued other departments. The DTA sees
24 burdensome administrative fees, and the constant problems
25 residents are faced with when trying to retrieve vehicles

1 from police lots as adding to the negative perception of
2 towers and the police department. When in all actuality,
3 it really doesn't have anything to do with DTA
4 membership. It is the reason that we're so thankful for
5 not having to collect those administrative fees anymore
6 as a component part of towing fees. Citizens are finally
7 beginning to understand that the more burdensome portions
8 of towing aren't brought about by our towing companies
9 and with that Mr. Chairman, and with your permission
10 again, I'd like to introduce the DTAs legal counsel. We
11 have Dan McLean and we have attorney Tom Stiham present
12 and prepared to present on our behalf as well. Thank you
13 for your time.

14 CHAIRPERSON BELL: Yes, sir. Thank you.

15 MR. MCLEAN: Good afternoon, Dan McLean on behalf of
16 the DTA. Now I work on behalf of the DTA, but I also do
17 work on behalf of tow companies around the State, and I
18 can tell you without a doubt at the tow professionals of
19 the DTA, they are the best you're going to find it
20 anywhere. They invest in the best equipment. They invest
21 in the best training. They know what they're doing,
22 they're safe, and they do it in a prompt manner. They
23 also understand what their role is. They are a partner
24 with the department. On any given day, they are standing
25 alongside your officers working on a daily basis. Now

1 this ordinance, as it is, as a lawyer, I'm going to tell
2 you, I'm going to be brief. I know that's going to cause
3 some eyes to roll. But as it's drafted, it has some real
4 problems. The licensing scheme that's provided in there
5 and the ordinance requirements, they're simply overly
6 broad. They go far beyond what is necessary. And frankly,
7 as it's drafted, it is duplicative of existing
8 regulations and laws that they're already in place.
9 Specifically, the State statute, which is in place
10 governance, the majority of what this is trying to
11 accomplish. It's simply trying to do the same thing
12 twice, which is the very definition of red tape,
13 burdensome, inexpensive for towers to now, all of a
14 sudden, comply with this and that. And there are two sets
15 of guidelines in processes that they now need to follow.
16 Further, there are already regulatory bodies here in
17 place that can do what this is trying to do. They've
18 governed tow companies. They can hold them accountable if
19 they do the wrong thing and they should and frankly it
20 can be as simple as picking up a phone to hold the tow
21 company accountable.

22 MR. MCLEAN: It's reporting them to the proper
23 appropriate Body and that Body does what it needs to do.
24 What I think is most concerning that's really struck us
25 is that our concern related to how this proposed

1 ordinance, appears to remove the authority of the Board
2 of Commissioners to serve as an arbiter of disputes. That
3 is a role that the DTA has long welcomed. It's a role
4 that we understand that this body has a long history.
5 It's been a fair and clear direction to not only the
6 police towing professionals but also giving that
7 direction to the department. We would prefer to see that
8 remain in the ordinance if it's going to go forward and
9 further, what concerns us as well is that it seems to
10 remove entirely the permit process that's already in
11 place, that's been in place for a long time. That permit
12 process works. To remove it entirely and to shift over
13 now to a contract process, simply does not make sense.
14 It's a solution in search of a process. So I do want to
15 echo what Bert has already provided, that we really are
16 looking for an opportunity to sit down with the
17 department and sit down with counsel to work with this
18 Body and along with any other interested individuals or
19 parties, to ensure that this ordinance, as it's proposed,
20 if it's going to go forward, that is tailored in the
21 appropriate way. We simply need to know what issues are
22 in place, and then we can help find a solution that will
23 work. If there aren't any questions I do believe Tom
24 Stiham might have a few things he would like to say as
25 well. But I want to thank this Body for the opportunity

1 to present and to make known some of the issues that we
2 have with this proposal.

3 CHAIRPERSON BELL: Thank you.

4 MR. STIHAM: Through the Chair, if I may Mr. Bell.

5 CHAIRPERSON BELL: Yes, sir. Go ahead.

6 MR. STIHAM: I just have to highlight historically
7 for the commission rather than as Dan McLean said,
8 currently the police authorized towers to operate on a
9 permit basis issued by this Body. And those permits were
10 initially issued in 2011. They were renewed in 2016. They
11 each have a term of five years. So they're up for renewal
12 this coming June, I believe. And in 2017, I don't know if
13 any of the commissioners recall, but the corporation
14 counsel, the prior corporation council, not Mr. Garcia
15 came before this Body and issued a memo to the chief of
16 police and declared that all the towing permits were
17 unlawfully issued that were not proper. And that this
18 Body did not have the authority to select or issue the
19 towing company permits. That was challenged in court, in
20 federal court, by another towing company that's no longer
21 a police authorized tower and in 2018 the Honorable Linda
22 Parker in the US District court determined that the
23 towing permits were properly issued and that this Body,
24 or that the permits did comply with the charter and did
25 not violate State law or any city code. And that's

1 currently what the towers right now, as we operate, we
2 remain under this permit system, which has Dan highlight
3 gives, empowers this Body to d issue the discipline, and
4 here are the disputes related to police authorized
5 towing. Currently, as the tower as both Dan and Bert,
6 excuse me said, that they were searching for a voice to
7 continue our operation under the permit system. We have,
8 as they've highlighted had some conversations with the
9 council. We recognize that this is part of the
10 legislative process, but this commission should recall
11 that the towers, the police authorized towers in Detroit
12 historically have always worked and participated and had
13 been a meaningful voice in the process way back from 2008
14 when there were first discussions involving creating the
15 towing rules, which culminated in the existing rules
16 being promulgated in 2010. We were part of that process,
17 we were part of the process of coming up when the city
18 wanted to monetize towing in order to recoup some costs.
19 We worked with this Body back at that time only five
20 members to come up with the city, to come up with the
21 imposition of the administration fee and throughout the
22 process at every turn, every legal challenge the towers
23 had worked with the police department and the city to
24 come up with a fair solution. We're simply asking again,
25 as we meander down this legislative process path that the

1 towers have a meaningful voice and opportunity to
2 participate in coming to address this proposed ordinance.
3 So, Bert, I'll turn it back to you if there are any
4 questions.

5 MR. JOHNSON: Mr. Chairman.

6 VICE-CHAIR HOLT: Through the Chair.

7 CHAIRPERSON BELL: Just pause for one second, just
8 pause for one second, please. Okay, that ends that part
9 of that. The Chair - we're going to entertain three or
10 four questions. This is going to take some time in terms
11 of research, in terms of these particular issues. I know
12 the cooperation council and Captain Parish has already
13 prepared a letter, but we will not deal with it on this
14 particular agenda item. So Commissioner, is that Holt?

15 VICE-CHAIR HOLT: Yes, it is, and thank you, Chair
16 Bell. Okay. My question relates to the responses that you
17 received from DTA and I'm looking specifically at the
18 document that you share with us on page 2 of 9 pages, and
19 I'm assuming that Mr. Johnson and Mr. McLean, and Mr.
20 Stiham have this document as well, because I need to have
21 an understanding of one bullet item that's here as a
22 response. So do I need

23 CHAIRPERSON BELL: What is your question?

24 VICE-CHAIR HOLT: The item says again, bullet point
25 under B, under item B other DPD enforcement actions

1 bullet point 1 2, 3, in 2020, an employee. No, that's not
2 it.

3 COMMISSIONER BURCH: Can we come back?

4 VICE-CHAIR HOLT: Yes. I'm sorry for the time waste
5 here. Here it is. Okay, well, go on and I'll come back.
6 I'm sorry.

7 CHAIRPERSON BELL: No, you can text your question to
8 Ms. White, and if we don't have an answer now, we can
9 look into that matter. We get an opportunity to respond
10 to the next question.

11 COMMISSIONER BURCH: Mr. Chair.

12 CHAIRPERSON BELL: Yes. Ma'am.

13 COMMISSIONER BURCH: I wanted to share myself and my
14 opinion, I'm looking at all of this from being the
15 perspective of a layman's term, that I'm not
16 understanding all of these things you're saying. All I
17 can say is that I do know Bertram. I've been knowing him
18 for years. But my point is that when we come with all of
19 this information, it's so much to intake. And I'm
20 speaking on behalf of the citizens that they may not know
21 what you're talking about - that we look for tow trucks
22 to be responsible like they treat the suburbs. If there's
23 an accident, do they clean up? And my associates have
24 experienced where tow trucks do not clean up the area
25 after an accident. So I think this is where we would be

1 at an advantage to have a Board attorney to help us to
2 digest all of this, what these lawyers are saying, not
3 just hearing from Mr. Johnson and the two lawyers but we
4 need legal opinion and authority to know what we're
5 listening to and what we're going to vote on, Mr. Chair.
6 That's just my opinion. Thank you.

7 VICE-CHAIR HOLT: This is Commission Holt again. I
8 found the page to which I was trying to,

9 CHAIRPERSON BELL: Commissioner Holt, excuse me,
10 please. I can't see you, but be patient. The concerns of
11 Commissioner Burch are valid. The issue of clean-up is
12 not an issue, but that's why they're coming before you
13 presenting out. And then Captain Parrish also presented
14 out. We have to sort through with the corporation counsel
15 and highlight certain issues. We don't expect you to
16 digest all of this, this is information at this time to
17 give them the opportunity to express their concern.
18 Commissioner Holt, could you make your point?

19 COMMISSIONER HOLT: Is this okay now for Chair Bell,
20 Commissioner Holt, page 4 of 9 the document that we
21 received from you. May I reference this item?

22 CHAIRPERSON BELL: Yes, ma'am. What is your question?

23 VICE-CHAIR HOLT: Well, it's page 4 of page 9, bullet
24 point 3 requiring tow companies to obtain department
25 approval prior to hooking up a vehicle in conjunction

1 with a private property impound. What does that mean? And
2 it's a response from DTA.

3 MR. JOHNSON: Mr. Chairman, through you to Vice-
4 Chair, woman Holt, might I have our legal counsel, Dan
5 McLean, answer that question, please?

6 COMMISSIONER HOLT: Thank you so much.

7 CHAIRPERSON BELL: Thank you.

8 MR. MCLEAN: So what that's referring to is on a
9 private property impound, which is separate from a
10 police-directed tow. This is simply a vehicle that was
11 parked in the wrong place of, of property owners said,
12 No, get it out of here. So the statute on point provides
13 the statute on point provides that yes, the towing
14 operator. So when they show up on the scene, they're
15 there at the direction of the property owner. The
16 property owner tells them, remove this vehicle, that tow
17 operator then contacts as a matter of law, has to contact
18 the police agency where that vehicle sitting. So they
19 contact them, notify them of what the license is, if they
20 can get to the VIN, they identify it. They provide that
21 information to the police agency so that the police
22 agency can check to make sure that that vehicle is not
23 identified as stolen. Obviously, if it's a stolen vehicle
24 and it was parked there, it has to remain. They can't
25 touch it. We wait for the police to show up and do what

1 they need to do. After that notification is provided,
2 then generally, that's the point when a vehicle can then
3 be hooked up, which takes time if the vehicle owner shows
4 up and says, No, I'm sorry, I'm here to move it, and they
5 unhook it and they can remove their vehicle. But at that
6 point, that's when it can be removed

7 VICE-CHAIR HOLT: Through the Chair. Okay. Thank you,
8 Mr. Mclean. You treat this situation as if the owner of
9 the violated space is present. What if this happens at a
10 place where it's posted that this vehicle is subject to
11 be towed. So does this provision still prevail that the
12 tow company has to be identified by the department?

13 MR. MCLEAN: Yes, absolutely. So in response to the
14 question, so here's what we have. In every single
15 business, no matter where they are in the State of
16 Michigan, if they have a prohibition about parking at any
17 point in their lot, they must put signage up identifying
18 not only that, if you're unauthorized, she'll be removed,
19 but also if your vehicle is removed, this is who took it,
20 and here's their phone number. So, you know exactly where
21 it's going. Now as to the notice provision, the tow
22 operator needs to call directly over to the police agency
23 notified them. And once the police agency returns and
24 identifies that this vehicle is not a stolen vehicle,
25 then the property owner who wants it removed, then it can

1 be removed by the tow operator. Obviously, if the person
2 does show up, they can say, no, I want my vehicle back
3 and they have to unhook it. That's the existing law. The
4 ordinance simply goes beyond that.

5 VICE-CHAIR HOLT: Thank you.

6 COMMISSIONER BERNARD: Mr. Chairman, I want to
7 respond in part to your question, Commissioner Holt.
8 There are two fundamental issues here, at least as I see
9 it. And I think that the Board has a really important
10 responsibility to review this ordinance and also all of
11 the documents, but the core issue for us is whether or
12 not we are going to continue to be the body that provides
13 towing contractors a permit, we have done it
14 historically. We have always, and we do it well. When I
15 was your lawyer, when there were lawyers within the
16 department, et cetera, there was a review process. It's
17 done very collegially with the department of DPD, sit
18 down and it's worked out and they bid these contracts and
19 the people are actually selected. There are only a few
20 things that we are responsible for as you know Vice-Chair
21 Holt and also Mr. Chairman, and this is one of them.
22 Secondly, as I said the permit process is clear. There's
23 no real need for the law department and the City of
24 Detroit, which has a five-layer contracting sort of if
25 you will protocol to be involved in this process. This is

1 a DPD Border Police Commissioners process. Secondly, we
2 should remain the arbiter of disputes. I've sat in these
3 meetings, I've represented the BOPC. What happens is that
4 we will decide if, in fact, a tow is no longer
5 legitimate, and if you can no longer be a part of our
6 process. And we do that based on whether or not they paid
7 all of their fees on what complaints we've received, et
8 cetera, our process is excellent and it's very thorough
9 and it's designed to support obviously the community. We
10 can do this. We don't need the law department to do it or
11 the city department, quite frankly. We've been doing it.
12 We do it well. The ordinance says that we do it and any
13 change, I haven't had a chance to read the ordinance yet,
14 Mr. Chairman, but I will, I read everything else. But I
15 know for a fact that this is within our power and within
16 our ability to do this well, and I'm sure Mr. Chairman
17 was here and several other Board members over the last
18 several years, I'm sure - Commissioner Holley was on the
19 Board before as well. So this is not new. It is something
20 that we, unfortunately, Commissioner Holt, are backing
21 off of, I think some of our responsibilities, and I think
22 that's unfortunate. I think it was true with respect to
23 the personnel issue. In the past, the whole Board read
24 resumes and as a committee, we decide we want to
25 interview, et cetera. We now allow the personnel

1 department to do that for us. They don't have our eyes,
2 they don't have our vision and they don't have our
3 connections to the community. So therefore I strongly
4 urge you to review this and seriously consider you know,
5 what is being proposed because it is a power that I think
6 we should not relinquish.

7 CHAIRPERSON BELL: Thank you. We are going to take
8 one more

9 COMMISSIONER BURTON: To the Chair.

10 CHAIRPERSON BELL: Yes, sir.

11 COMMISSIONER BURTON: You know, I have a few
12 questions here. I just want to raise them. When the City
13 of Detroit created the ordinance on towing was the
14 Detroit Board of Police Commissioners aware of it? Did we
15 get anything in writing? And if so, when? In addition to
16 that when we talked about towing here in the City of
17 Detroit, let's have a discussion at some date and time
18 regarding best practices and procedures right here you
19 know, in the State of Michigan. Let's look at the County
20 and the State level of how towing is being conducted, but
21 we need to look at and define best practices and
22 procedures in order to really improve the towing
23 conditions. Question for whoever's reporting out on point
24 today, looking at during this pandemic how are the tow
25 companies holding up since the City of Detroit got

1 involved in towing, how many employees have you guys lost
2 since the city got involved. And we'd like to hear more
3 from all of those towing companies and have them to be,
4 you know, present at a meeting where they can be able to
5 voice their concerns.

6 CHAIRPERSON BELL: Ms. White make a notation of
7 those questions, and concerns. We're not going to ask for
8 a response as it is a little elaborate. Any other
9 questions we make a note of that we would get back with
10 you on that? Any other concerns? Of course, I should say
11 questions with the towers, Mr. Johnson.

12 MR. JOHNSON: Mr. Chairman, just one last point. It's
13 really rhetorical. I would ask and I do appreciate
14 through you Commissioner Linda Bernard. I appreciate the
15 idea that I'm hoping that all the members will have an
16 opportunity to read through the ordinance itself. And I
17 am going to provide post the meeting that we're expecting
18 to get with the council, President, Brenda Jones' office,
19 a more detailed look at what we believe point in the
20 ordinance are the deficiencies, and we will provide as
21 well, a rationale for why we believe something should be
22 stricken or ways in which that it can be improved. We
23 have clean hands here. We want to operate and continue to
24 operate in good faith. And the last thing that I will say
25 is that we operate under an extreme set of circumstances.

1 That is just not the same for our chief partner in DPD,
2 and we'll outline that more when we give you our next
3 document, which I'm hoping will be in the next two weeks
4 to answer more of your questions and provide greater
5 detail. Thank you for your time.

6 CHAIRPERSON BELL: Thank you, Mr. Johnson, and thank
7 you to the lawyers that represent you. We're going to
8 move on. You have documentation and there's going to be a
9 great deal of up concerning this matter. As you stated
10 counsel, President Brenda Jones, the council is deeply
11 involved in this whole process. Hopefully, we have some
12 interactions, but just to get it to the floor, we want to
13 bring it to your attention now. We're going to move on to
14 hearing from Ms. White the Board Secretary.

15 MS. WHITE: Yes. Through the Chair, Honorable Board,
16 please refer to the agenda for the incoming
17 correspondence for this week. And they are as follows.
18 Number one, weekly DPD facial recognition technology
19 report for the week of February 8th, 2021 through
20 February 14th, 2021. Legal correspondence, number two
21 from Nabid Ayad, Ayad Law PLLC Attorneys and Counselors
22 at Law. Number three, the Board received the DPDs
23 response to the DTA's correspondence to the BOPC. And
24 number four, the staff reports were included in your
25 weekly packet, and that concludes the incoming

1 correspondence for this week.

2 CHAIRPERSON BELL: Thank you, Ms. White. The next
3 item is on unfinished business.

4 COMMISSIONER BERNARD: I just have one thing, Mr.
5 Chairman. Again, I have requested that the Board be
6 provided the Inspector General's opinion and the report
7 on the litigation, which I sent you a memo about. I don't
8 try to delay these proceedings by talking a lot about
9 stuff that I think we need, but I would appreciate us
10 getting that material as soon as possible, so we can
11 start thinking about the appropriate way to perhaps
12 attack various communication and other issues that we
13 have.

14 CHAIRPERSON BELL: Yes, ma'am, it's definitely
15 forthcoming and my understanding is the IG will be
16 reporting out soon. I thought was going to be this week,
17 but we will get that before. They were going to report
18 out the concerns that the commission (Audio Distortion)
19 that we thought that was (Audio Distortion).

20 COMMISSIONER BERNARD: I wanted to see the complaint
21 and the answer and the judge's order, in particular,
22 because we are subject to a judicial ruling and we don't
23 know what it is. Thank you.

24 CHAIRPERSON BELL: Well, that is forthcoming. Also,
25 jobs for the Board are been posted by HR and you will

1 receive the hiring policy issue next week.

2 COMMISSIONER BERNARD: Thank you.

3 CHAIRPERSON BELL: And the crime summit is all the
4 participants have consented to take part in that whole
5 process. We are pleased with that. You will hear more
6 about it next week, but that is moving right along in
7 terms of the panelists that we put together. And I know
8 Reverend Holley, Commissioner Holley is involved.

9 COMMISSIONER BERNARD: Great.

10 CHAIRPERSON BELL: Yes. Ma'am.

11 COMMISSIONER BERNARD: I said great. I'm sorry.

12 CHAIRPERSON BELL: Okay. Unfortunately, I can't see
13 you, I definitely have to switch up companies next week.
14 This is just totally ridiculous. Any new business?

15 COMMISSIONER BURCH: New business, yes.

16 CHAIRPERSON BELL: Yes, ma'am, Commissioner Burch.

17 COMMISSIONER BURCH: Mr. Chair. I wanted to give a
18 shout-out to number 9 and number 11. Today, Number 11
19 took by, what we call the senior drive by. The officers
20 from the different Precincts take baskets that were
21 provided by Lomax Temple. What we're trying to do is to
22 show the citizens another side of our police department
23 to have a better relationship. So therefore we are
24 focusing on seniors - I'm talking about 70 plus that is
25 in their homes and the officers just simply drive by.

1 They do not go in unless they were invited, but they stay
2 outside. And I wanted to give a shout-out to Chaplain
3 Marsha Williams. That's the first time we use the
4 chaplain. This is what I mean about unifying with our
5 Board of Police Commissioners, that we all do the same
6 thing within each precinct to show love to our seniors.
7 That's the shout-out I wanted to give to Commander Slappy
8 and Commander McGinnis. Thank you Mr. Chair.

9 COMMISSIONER BERNARD: Congratulations.

10 CHAIRPERSON BELL: Thank you. You have to be 70. Huh?

11 COMMISSIONER BURCH: I beg your pardon?

12 CHAIRPERSON BELL: The age.

13 COMMISSIONER BURCH: No. It's just about, you know,
14 the seniors don't get a chance, Mr. Bell, I'm going to
15 have to talk to you.

16 CHAIRPERSON BELL: I just thought - you said that we
17 have to be 70 and up.

18 COMMISSIONER BURCH: We don't do up. I'm just
19 talking. No, but I thank you all for understanding. It's
20 about unifying our community and love where you live.
21 That's what I'm trying to tell everybody. You have to
22 love where you live.

23 CHAIRPERSON BELL: Yes, ma'am and you've been on that
24 bandwagon, which is really encouraging, and thank you.

25 COMMISSIONER BURCH: I thank you.

1 VICE-CHAIR HOLT: Through the Chair. Is this a good
2 time for announcements?

3 CHAIRPERSON BELL: Announcements. Go ahead.

4 COMMISSIONER HOLLEY: We've been announcing all day.

5 VICE-CHAIR HOLT: Okay. I too would like to send
6 kudos to Precinct 6 with Captain Potts who is maintaining
7 her community closet whereby she continues to ask for
8 donations, diapers, very very gently worn clothing, and
9 also Precinct 6 were highlighted as they shoveled snow
10 for seniors in and out of the 6th Precinct District. So
11 again, kudos to Captain Potts and her working with the
12 community.

13 CHAIRPERSON BELL: Thank you, Mr. Brown.

14 MR. ROB BROWN: Good afternoon, Mr. Chair and this
15 Honorable Board. These are the next meetings for the
16 Board of Police Commissioners virtual meeting February
17 25th at 3:00 pm and March 4th at 3:00 pm. And sir, I'll
18 go right into public comments. Currently, have 10
19 speakers. I'll call them by three. Your first speaker
20 would be Ms. Bernie

21 VICE-CHAIR HOLT: Okay. 10 sec. I'm sorry,

22 COMMISSIONER BURTON: Through the Chair.

23 VICE-CHAIR HOLT: Mr. Brown, but Commissioner Burton
24 is raising his hand. I think he was not aware that he had
25 muted himself.

1 CHAIRPERSON BELL: Well, Commissioner Holt, would you
2 pause and let Mr. Brown continue, please? Mr. Brown, go
3 ahead.

4 MR. ROB BROWN: Yes, sir. Your first speaker would be
5 Ms. Bernie Smith followed by Miss Sharon Parnell,
6 followed by Minister Eric Blunt.

7 MS. SMITH: Okay, Bernie. Commissioners, good
8 evening. I'm going to be very brief because it is late. I
9 just want to thank those police officers that helped that
10 family when they rescued the wife and the mother and the
11 kids. That child was so - he was so, he was really
12 pathetic because of the fact that he thanked the police
13 would come in there to save his mother. It makes anybody
14 want to cry because of the fact that he was so grateful
15 and the police - you're doing such a wonderful job. Oh,
16 and you were at Parnell's house, also shoveling the snow
17 and going on. I mean, some people, they're just being
18 loved by the police department and we just love them
19 also. And you keep up the good work and be safe out there
20 and get your shot. I got my shot. I'm on my second one.
21 So everybody goes on and gets your shot and be over with,
22 but you just be careful and wear a mask. That's all I got
23 to say. Take care. Good night.

24 CHAIRPERSON BELL: Thank you.

25 MR. ROB BROWN: Ms. Parnell.

1 MS. PARNELL: Hi, this is Sharon Parnell. I'm just
2 giving out kudos to my Precinct 2. There were here,
3 channel 4, and channel 2. They were on our hill shoveling
4 my snow the other day and I do appreciate my commander
5 and captain Chambers. And that's all I have to say is
6 thank you. Thank you. Thank you,

7 MR. ROB BROWN: Minister Blunt.

8 MIN ERIC BLUNT: Yes. This is Minister Eric Blunt.
9 Commissioners, please avoid participating in press
10 conferences and public events not related to police
11 misconduct. The performance of Commissioners on this
12 Board must be singular in the sight of the public.
13 Commissioners participating in crime-fighting events
14 distort the public's understanding of the Board, which
15 has the overwhelming purpose of addressing police
16 misconduct. There are more than enough incidences of
17 police misconduct to keep all 11 Commissioners very busy.
18 Case in point, just this week, a Wayne County judge
19 ordered a new trial for a 61-year-old man who spent seven
20 years in prison due to the lies and common scheme of
21 misconduct by a DPD homicide detective who headed the
22 case. If operating effectively, this Board should provide
23 an early warning system of police misconduct, but this
24 Board's deliberate refusal to focus on police misconduct
25 has forced me to yield to the words of wisdom of my

1 priest and a current commissioner who both have said to
2 me, if you are not at the table, then you are on the
3 menu, and we are tired of being on the menu. If there are
4 any others with the same understanding of how this Board
5 can begin to focus on its charter mandated police
6 misconduct, the nomination petitions are on the city's
7 website. And the deadline for submission is April 20th
8 for the August 3rd primary. It is my understanding that
9 300 signatures are needed for a Board of Police
10 Commissioners petition, but know this, win or lose, I
11 will continue to do what I have done for the last five
12 years, which is to pressure this Board to focus on police
13 misconduct.

14 MR. ROB BROWN: Mr. Chair, your next three speakers
15 would be Ms. Maria Overall followed by a caller by the
16 name of Roo and Monica Jones. Ms. Overall.

17 MS. OVERALL: That was a mistake, but I'd like to
18 thank the 4th Precinct for all that they do. And thank
19 you for the police officers as I hold you in my prayers.
20 Thank you. I yield my time.

21 MR. ROB BROWN: Speaker with the name of Roo.

22 ROO: Yes. Can you hear me?

23 MR. ROB BROWN: Yes. You got a little feedback.

24 ROO: Okay. That's going to be settled right now. Can
25 you hear me?

1 MR. ROB BROWN: Yes.

2 ROO: Okay. Dismissing all formalities, Willy Bell
3 you're in the way.

4 COMMISSIONER DAVIS: Was he muted? Was that person
5 muted?

6 MR. ROB BROWN: We'll go on to the next three.

7 ROO: Hello? Can you hear me?

8 COMMISSIONER BERNARD: We'll start all over.

9 ROO: Thank you,

10 CHAIRPERSON BELL: Mr. Brown.

11 MR. ROB BROWN: He went off. Okay. We'll go to Alicia
12 Jones.

13 ROO: I am here. I'm here. I'm here. I'm here.

14 COMMISSIONER BERNARD: What's his name?

15 ROO: Roo, I'm here.

16 COMMISSIONER BERNARD: Okay.

17 ROO: Can you hear me?

18 COMMISSIONER HOLLEY: Yes.

19 ROO: Can I be allowed to speak, please?

20 COMMISSIONER BURCH: Yes.

21 CHAIRPERSON BELL: Speak, sir.

22 ROO: Dismissing all formalities, Willy Bell you're
23 in the way. Move out of the way. Melanie White is
24 entirely complicit in denying Board members
25 correspondence right along with Jonya Underwood.

1 Assistant Chief Todd Bettison is a cold-blooded liar and
2 questioning data, and I dare him to say, otherwise.
3 Lawrence Akbar, I'm still waiting on you to find out if
4 you have permission to take these three complaints I've
5 been trying to file for months now. You don't need any
6 approval to take complaints. All you need to do is ask
7 Willie Bell, he knows the truth. Today, the death of
8 Tanesha Coleman take center stage the direct actions of
9 Detroit police department homicide Captain Derek May in
10 his decision to not rule Tanisha Coleman's murder a
11 homicide, even though he was in possession of the Wayne
12 County medical examiner's findings and rulings, is
13 totally out of pocket and crosses every line of human
14 decency.

15 ROO: The investigation being done by the OCI, it
16 says access and the matter is a shame, simple access, a
17 simple motion be entertained to bequest an outside law
18 enforcement agency to be called in, to assist in DPD
19 homicide case number 20-11112 to demonstrate full
20 transparency in determining the events and circumstances
21 surrounding her murder and the OCI investigation into
22 DPDs handling of the matter. Office of the Chief
23 Investigator Interim Lawrence Akbar's OCI chief
24 demonstrated neglect of duty in unrelated matters is
25 included in this request for promotion. Commissioner

1 Burch, District 3 representative, in order to convey the
2 impartiality, you should recuse yourself from voting on
3 any matter related to myself owing to our telephonic
4 conversations. Thank you.

5 MR. ROB BROWN: Mr. Chair, the next three speakers
6 would be Ms. Tawana Petty, followed by JW, followed by
7 Ms. Michelle George.

8 MS. PETTY: Thank you. Can you hear me?

9 MR. ROB BROWN: Yes, ma'am.

10 MS. PETTY: Thank you, Commissioners. This is the
11 first meeting where I saw a face recognition report
12 thoroughly read through. I'm kind of floored that it took
13 so many requests to ask that folks even be explained what
14 you all are getting every single week when people's lives
15 are on the line. And just based on what I was listening
16 to, I'm pretty confident that there still isn't a
17 thorough understanding of how this technology is being
18 used and the fact that it has been banned in other places
19 and places are continuing to ban it that we're continuing
20 to move forward without that thorough understanding of
21 the impact that it is having on the lives of community
22 members in Detroit Commissioner Bernard, you are a breath
23 of fresh air. I am so deeply grateful that you are on
24 this Board. You ask deep questions that are unfortunately
25 a lot of times squashed and relegated to the margins or

1 behind the scenes. But I encourage you to continue to ask
2 deep questions, to continue to represent the public, to
3 continue to challenge when you are not being met with the
4 responses that we all deserve. This is the only space
5 that the citizens of Detroit have to air grievances to
6 ask for policy clarification regarding law enforcement
7 and to work, to create equity in the relationship. We get
8 two minutes and sometimes less and that's it. And so
9 please continue to be an advocate for the members of
10 Detroit. And there are Detroiters behind you pushing to
11 add other Board members that will support along with
12 William Davis and Willie Burton. Thank you.

13 COMMISSIONER BERNARD: Thank you, Ms. Petty.

14 MR. ROB BROWN: JW. JW?

15 CHAIRPERSON BELL: Next speaker, please.

16 MR. ROB BROWN: Okay. Ms. Michelle George.

17 MS. GEORGE: Hi, Mr. Brown.

18 MR. ROB BROWN: Hi.

19 MS. GEORGE: To Commissioner Bell, and the Honorable
20 Board, good evening. I do want to thank Commander Russell
21 and Director Reid that was a good fresh air to hear. I'm
22 hoping the Ceasefire program - we can utilize more youth
23 and probably in the high schools because we do need to
24 have a diversity of young people of color on DPD. Also
25 the facial recognition report. It is good to hear that

1 report because we know just like Ms. Petty stated other
2 major companies across the country, especially after the
3 lynching and killing of Mr. George Floyd, Amazon removed
4 that technology from cities. What I'm hoping that facial
5 recognition really should have gone into resources for
6 police officers is still a racist system. I understand. I
7 know when we go to the airport, there's a sort of facial
8 recognition, but we're talking about the city denied
9 that, and I'm hoping, they'll see council members that
10 voted for facial recognition will be removed by the
11 people to vote them out. And it is important that when we
12 see black lives matter, that was nominated for the Nobel
13 Peace Prize. That's wonderful because that's what we need
14 to see that the world recognized their fight dealing with
15 injustice, but also to this Board of Police
16 Commissioners, I don't know what your role is, we have to
17 find out about these missing young women. I did write the
18 assistant chief email. I'm not getting any response. I
19 wrote the Mayor. Maybe the Mayor or candidates will
20 address this, but we got missing young people, no Amber
21 alert. I know what I'm going to need to do, that I'm
22 going to have to do, but we have missing young people in
23 the city every week. There was another young lady
24 missing. We don't hear the follow-up if they're runaways.
25 This is important to a city.

1 MR. ROB BROWN: JW. JW. Mr. Chair, it seems like
2 she's having a problem with her audio.

3 CHAIRPERSON BELL: Well, she can call next week.

4 MR. ROB BROWN: Okay, and that was your last speaker.

5 CHAIRPERSON BELL: That was our last speaker before
6 now, the Chair, will entertain a motion for adjournment.

7 COMMISSIONER BURCH: No, wait just a minute, Mr.
8 Chair.

9 COMMISSIONER BURTON: To the Chair.

10 COMMISSIONER BURCH: Mr. Burton, would you allow me
11 to speak then you can speak, sir.

12 COMMISSIONER BURTON: Absolutely.

13 COMMISSIONER BURCH: Thank you. Mr. Chair.

14 CHAIRPERSON BELL: Yes, ma'am.

15 COMMISSIONER BURCH: Last week, we had real
16 difficulty in what one of the call-ins was speaking about
17 the character or whatever with Ms. Melanie White. I made
18 the motion that we table that. Now today, sir, I'm asking
19 you that this keeps coming up. The only way we're going
20 to settle this issue is that we have what they call the
21 inspector general that I understand she listens to our
22 meetings that this is only going to be settled by an
23 investigation from her department so that this citizen
24 can be satisfied and you all be satisfied and we all be
25 on one accord. Could I just make a motion that we have

1 the inspector general investigate what the citizen is
2 saying? Can we do that?

3 CHAIRPERSON BELL: Commissioner Burch hear me out.
4 That is not the role, it's inappropriate. Of the issue
5 that was raised, we are looking into it. Of the person,
6 we gave a detailed report out on this particular matter.
7 So we don't really try this in the motion process. There
8 is a process of dealing with personnel now. And so I will
9 respond, I think we have responded and we would pretty
10 much address that issue of concern. Just because somebody
11 irate makes all types of claims, there is a process. He
12 has been making claims for quite some time. He's not
13 satisfied with the service of DPD, or Office of the Chief
14 Investigator, or the Board. So how much can we do? You
15 know, but there will be closing on any matter

16 COMMISSIONER BURCH: But Mr. Bell, I was just trying
17 to say to you for us to settle this. We as Board members
18 should be on one accord and I don't believe we are
19 because you weren't there when we voted last week, you
20 weren't present.

21 CHAIRPERSON BELL: Ma'am, I looked at the minutes,
22 and

23 COMMISSIONER BURCH: I'll leave it alone. Again, you
24 all like confusion, I don't.

25 CHAIRPERSON BELL: Okay. I'll move on. Commissioner

1 Burton.

2 COMMISSIONER BURTON: Thank you, Mr. Chairman.
3 Citizens of Detroit are reaching out to me saying that
4 they're being pushed out of this meeting. One, in
5 particular, said they've been on the line since 3:45 and
6 have not been able to be called upon. They actually have
7 a timestamp since they've been on the meeting. You know,
8 Mr. Chairman, I just say I'm worn for it. This level of
9 abuse is not acceptable. When citizens of Detroit reach
10 out to participate in this meeting or not being called
11 upon. They actually can validate that they've been on
12 since 3:45, not to mention there has been a couple of
13 people that reached out and steadily reaching out. And so
14 I'd just like that this Board knowledge the process of
15 you have to be on by 4:00 o'clock in order to participate
16 for public comments. I hope that we, as a Board uphold
17 our end.

18 CHAIRPERSON BELL: Commissioner Burton, I hear you.
19 If you help a person who feels as though they've been
20 locked out or blocked out, why don't you get a name and
21 cell number or telephone number and have them contact me?
22 And I would look into it. And that applies to all the
23 Commissioners in terms of any concern that you might
24 have, let me know, and we will look into it. Be specific
25 in terms of your concern. We don't have to continue to

1 talk about it. Let's see if there is any documentation to
2 that whole process. Can we do that?

3 COMMISSIONER JONES: Yes, we can.

4 CHAIRPERSON BELL: Okay. Thank you. Motion for
5 adjournment, please.

6 COMMISSIONER DAVIS: Mr. Chair.

7 CHAIRPERSON BELL: Motion for adjournment.

8 CHAIRPERSON BELL: Commissioner Davis.

9 COMMISSIONER DAVIS: I'd like to raise the point that
10 I raised last week. The fact that we got in our package
11 from yesterday, we got some correspondence from February
12 the 8th. We should be getting our information more
13 timely. I see that it was emailed to you and others, but
14 we never did get a copy of the email, we got a hard copy
15 yesterday. We need our information timely. Everyone
16 should receive all the information on this Board and not
17 just some people, sir.

18 CHAIRPERSON BELL: Well, if you've got a specific
19 concern I will entertain, but some Commissioners did not
20 want information. They wanted it more or less - do not
21 bombard us with information and you know who you are so
22 we can process it. If you have a concern, let me know and
23 I will

24 COMMISSIONER DAVIS: I want all the information.

25 CHAIRPERSON BELL: I know. Hopefully, you get all

1 information. So if there's anything you're not getting,
2 let me know immediately. Can we do that?

3 COMMISSIONER DAVIS: I will attempt to do that more,
4 sir.

5 CHAIRPERSON BELL: Okay, thank you.

6 COMMISSIONER BERNARD: Mr. Chairman, just quickly as
7 a point of order. I don't think the public can hear us
8 right now. Melanie, if you don't mind, please make sure
9 that you include our discussions so they won't appear
10 that we're meeting outside of the open meetings.

11 CHAIRPERSON BELL: Yes, ma'am.

12 COMMISSIONER BERNARD: Thank you. That's my only
13 point.

14 CHAIRPERSON BELL: Motion for adjournment, please.

15 COMMISSIONER BERNARD: So moved.

16 COMMISSIONER BURCH: Second.

17 CHAIRPERSON BELL: The motion has been properly moved
18 and second. Those in favor say, aye.

19 ALL: Aye.

20 CHAIRPERSON BELL: We stand adjourned. Thank you.

21 COMMISSIONER BURCH: Good night.
