

Housing First

Assist homeless people to secure safe, affordable, permanent housing

Connecting Services

Connect homeless people to primary health, behavioral health, and workforce development services

Reducing Panhandling

Reduce the need for clients to rely on panhandling in order to meet their basic needs

Continuum of Care Model

Outreach Teams → Housing Orgs

Human Service Orgs
Street Outreach & Clinics
Community Mental Health Orgs

How?

Trained professionals will work directly with individuals to identify their needs, co-create an appropriate plan and support them through the process to receive services

8 Mile & Woodward Improvement Project

Human Services Design Update

Vision

Provide supportive services in a way that enables clients to secure safe and affordable housing and economic stability

Values

- Client centered approach
- Focus on harm reduction first
- Partners & resources from both sides of 8 Mile
- Data based strategy
