5 And at this time now Chair Holt.

6 VICE CHAIRPERSON HOLT: Thank you. Ms. White. May I
7 first share that Chair Bell is unable to attend today's
8 meeting. Good afternoon, Honorable Board of Police
9 Commissioners, citizens of the City of Detroit, and the
10 men and women in blue. May we please have our invocation?
11 And I believe the Chaplain was on earlier, Ms. White.

12 MS. WHITE: Yes. Chaplin Yolanda Stinson.

13 VICE CHAIRPERSON HOLT: Yes. Good afternoon Chaplain.

14 CHAPLAIN STINSON: Good afternoon, Vice-Chair Holt
15 and all of your Commissioners. Thank you very much for
16 this opportunity. Let us pray for those who wish. Father
17 God, we thank you and we praise you for today. We thank
18 you for this awesome opportunity for the gathering
19 together of these great and awesome people. God, we thank
20 you so much that your word says that the fear of the Lord
21 is the beginning of knowledge. And we ask right now that
22 you would grant these your wisdom. That you would grant
23 them the strength to continue to lead and to guide
24 throughout the city, throughout the Police Department.
25 Over every matter that comes before them. We thank you

1 for your leadership. We thank you for their commitment,
2 their faithfulness, and their dedication. We pray Lord
3 for the continuation of growth and transparency in our
4 Detroit Police Department. We thank you for Chief Craig
5 for his wisdom, for the vision that you've given unto
6 him. We thank you for every Detroit Police Officer. We
7 thank you for our Wayne County Sheriff Washington, and
8 all of the leadership that he now provides to the
9 Sheriff's Department. We ask that you would continue to
10 grant you divine grace and mercy over the entire City of
11 Detroit. Bless these Commissioners and bless these
12 leaders as we gather together to seek wisdom, but most of
13 all, to lay out the plans and purposes that you have for
14 this great city. We asked for your hand of mercy to
15 continue to be upon us to see, to continue to be upon us,
16 strengthen and encourage them to continue to lead and
17 guide them. And we thank you for victory in every area of
18 this meeting in Jesus' name, we pray. Amen.

19 ALL: Amen. Amen. Amen. Amen.

20 VICE CHAIRPERSON HOLT: Thank you, Chaplain Yolanda
21 Stinson.

22 CHAPLAIN STINSON: Thank you.

23 VICE CHAIRPERSON HOLT: Now we'll have the individual
24 introduction of our Commissioners. We'll start with
25 District 1.

1 COMMISSIONER BROWN: Good afternoon, everyone.

2 Welcome to our panelists. This is Commissioner Brown for
3 District 1. Thank you.

4 VICE CHAIRPERSON HOLT: District 2. District 3.

5 COMMISSIONER BURCH: Good afternoon, everyone, and to
6 our special guests. This is Commissioner Shirley Birch,
7 District 3, where we respect and love where we live.
8 Thank you.

9 VICE CHAIRPERSON HOLT: Thank you.

10 MS. WHITE: Madam Chair.

11 VICE CHAIRPERSON HOLT: Yes, ma'am.

12 MS. WHITE: District 2, Commissioner Linda Bernard is
13 on the line. I believe her microphone was disabled.

14 COMMISSIONER BERNARD: I apologize. Hello to all our
15 guests and hello to my colleagues on the Commission.

16 VICE CHAIRPERSON HOLT: Thank you, Commissioner,
17 Bernard. District 5.

18 COMMISSIONER BURTON: Commissioner Willie Burton,
19 present.

20 VICE CHAIRPERSON HOLT: Thank you. District 6.

21 COMMISSIONER CARTER: Good afternoon, everyone. Lisa
22 Carter, district six, and hello to the invited panelists.
23 Thank you.

24 VICE CHAIRPERSON HOLT: Very good. District 7.

25 COMMISSIONER DAVIS: Good afternoon, everyone. Please

1 Commissioner William M. Davis, District 7. Love where you
2 work offices. And I like to say good afternoon to our
3 distinguished panelists.

4 VICE CHAIRPERSON HOLT: Thank you. Now next on the
5 agenda. Is there a motion to approve the agenda?

6 COMMISSIONER CARTER: So moved.

7 COMMISSIONER DAVIS: No, you forgot the At-large
8 Commissioners.

9 VICE CHAIRPERSON HOLT: I'm sorry. I'm so sorry.
10 Commissioner At Large. Commissioner Hernandez.

11 COMMISSIONER HERNANDEZ: Sorry. Good afternoon,
12 everyone. Jesus Hernandez, present At-Large and welcome
13 to our guests.

14 VICE CHAIRPERSON HOLT: Thank you a lot. Ms. Blossom,
15 how are we doing with accessing Commissioner Holley?

16 MS. WHITE: We're still working with Commissioner
17 Holley's technology.

18 VICE CHAIRPERSON HOLT: Thank you, Ms. White.

19 MS. BLOSSOM: Commissioner Holley is here.

20 COMMISSIONER HOLLEY: Can you hear me?

21 VICE CHAIRPERSON HOLT: Yes sir. We can hear you.

22 COMMISSIONER HOLLEY: I'm present and thank each and
23 every one of you for being here, especially to our
24 guests.

25 VICE CHAIRPERSON HOLT: Good. Very good. Very good.

1 Okay. Now next on the agenda is the approval of the
2 agenda. Is there a motion?

3 COMMISSIONER CARTER: So moved.

4 COMMISSIONER DAVIS: Discussion.

5 COMMISSIONER HERNANDEZ: Support.

6 VICE CHAIRPERSON HOLT: What is the discussion,
7 Commissioner Brown?

8 COMMISSIONER DAVIS: No. I'm Commissioner Davis I'm
9 taller.

10 COMMISSIONER BROWN: The other light skinned guy.

11 VICE CHAIRPERSON HOLT: Come on guys.

12 COMMISSIONER DAVIS: I have a couple of issues with
13 the agenda Madam present. Well, the agenda does not
14 adhere to our bylaws. There's no new business. There's no
15 unfinished business on the agenda and those should be
16 added.

17 VICE CHAIRPERSON HOLT: Okay. So now ---

18 COMMISSIONER DAVIS: Also, this agenda is in conflict
19 with what we voted on. We voted on the schedule. The
20 schedule shows March 4th was the Chief of Police annual
21 report.

22 VICE CHAIRPERSON HOLT: Okay. So are you then
23 agreeing that we can move on the agenda with the changes?

24 COMMISSIONER DAVIS: Oh, we can move on with the
25 necessary corrections to adhere to our bylaws.

1 MS. WHITE: Excuse me. Madam Chairperson.

2 VICE CHAIRPERSON HOLT: Yes. Ms. White.

3 MS. WHITE: Yes, ma'am. I know that this is the
4 discussion. But again, the motion has been moved and
5 properly seconded. And so this is discussion approving
6 the agenda as it is. So just wanted to indicate that.

7 VICE CHAIRPERSON HOLT: So, are we going to vote on
8 the motion to approve the agenda?

9 COMMISSIONER HERNANDEZ: Please?

10 VICE CHAIRPERSON HOLT: Those in favor.

11 COMMISSIONER DAVIS: No.

12 COMMISSIONER CARTER: Aye.

13 COMMISSIONER BERNARD: Aye.

14 VICE CHAIRPERSON HOLT: Those opposed?

15 COMMISSIONER BURCH: Do we do roll calls?

16 VICE CHAIRPERSON HOLT: Those oppose.

17 COMMISSIONER DAVIS: You probably need to do a roll
18 call so we can see who's violating the bylaws.

19 MS. WHITE: Madam Chairperson. Madam Chairperson.

20 VICE CHAIRPERSON HOLT: Okay. Thank you. Thank you,
21 Ms. White. Okay, we'll take a roll call vote. Vice-Chair
22 Holt.

23 VICE-CHAIR HOLT: Yes.

24 VICE CHAIRPERSON HOLT: Commissioner Hernandez.

25 COMMISSIONER HERNANDEZ: Yes.

1 VICE CHAIRPERSON HOLT: Commissioner Burch.

2 COMMISSIONER BURCH: Yes, with the changes.

3 VICE CHAIRPERSON HOLT: Thank you. Commissioner
4 Davis.

5 COMMISSIONER DAVIS: No, unless there are changes
6 made to it.

7 VICE CHAIRPERSON HOLT: Thank you.

8 VICE CHAIRPERSON HOLT: Commissioner Carter.

9 COMMISSIONER CARTER: Yes.

10 VICE CHAIRPERSON HOLT: Thank you. Commissioner
11 Burton.

12 COMMISSIONER BURTON: No, unless there are changes
13 amended.

14 VICE CHAIRPERSON HOLT: Thank you. Commissioner
15 Bernard. I'm sorry. Commissioner Bernard.

16 COMMISSIONER BERNARD: Yes.

17 VICE CHAIRPERSON HOLT: Commissioner Bernard.

18 COMMISSIONER BERNARD: Oh, I'm sorry, yes ---

19 MS. WHITE: Madam Chair. If I may indicate on the
20 record, please mute all background noises so that we can
21 hear all of the votes and the voices during this call.
22 Thank you.

23 VICE CHAIRPERSON HOLT: Thank you, Miss. White. Did
24 you hear Commissioner Burton?

25 COMMISSIONER BERNARD: Yes.

1 VICE CHAIRPERSON HOLT: Thank you. Commissioner
2 Brown.

3 COMMISSIONER BROWN: Commissioner Brown.

4 COMMISSIONER BROWN: Yes, with the changes.

5 VICE CHAIRPERSON HOLT: Thank you. Commissioner
6 Holley.

7 COMMISSIONER HOLLEY: Yes.

8 VICE CHAIRPERSON HOLT: Thank you. So I imagine we
9 can move on now to approve the minutes for February 25th,
10 2021.

11 COMMISSIONER HOLLEY: So moved.

12 VICE CHAIRPERSON HOLT: Thank you. Is there a
13 question?

14 COMMISSIONER CARTER: Second?

15 VICE CHAIRPERSON HOLT: Thank you. So roll call vote.
16 Commissioner Holt, yes.

17 VICE CHAIRPERSON HOLT: Commissioner Burch.

18 COMMISSIONER BURCH: Yes.

19 VICE CHAIRPERSON HOLT: Commissioner Davis.

20 COMMISSIONER DAVIS: Yes.

21 VICE CHAIRPERSON HOLT: Commissioner Carter.

22 COMMISSIONER CARTER: Yes.

23 VICE CHAIRPERSON HOLT: Commissioner Hernandez.

24 COMMISSIONER HERNANDEZ: Yes.

25 VICE CHAIRPERSON HOLT: Commissioner Burton.

1 COMMISSIONER BURTON: No.

2 VICE CHAIRPERSON HOLT: Thank you. Commissioner
3 Bernard.

4 COMMISSIONER BERNARD: Yes.

5 VICE CHAIRPERSON HOLT: Thank you. Commissioner
6 Brown.

7 COMMISSIONER BROWN: Yes.

8 VICE CHAIRPERSON HOLT: Thank you. Commissioner
9 Holley.

10 COMMISSIONER HOLLEY: Yes.

11 VICE CHAIRPERSON HOLT: So, I believe Ms. White does
12 the motion pass?

13 MS. WHITE: Yes ma'am, the motion pass.

14 VICE CHAIRPERSON HOLT: Thank you a lot. Okay. The
15 next item on the agenda is the introduction of the BOPC
16 staff, people, police, and elected officials or
17 representatives. Ms. White.

18 MS. WHITE: Yes. Through the Chair, I will give the
19 BOPC staff introductions. The Department of Innovation
20 and Technology is monitoring and recording the Board's
21 meeting today. Our court reporter is Mr. Don Handyside
22 and the following Board staff members are in attendance
23 today, Mr. Robert Brown, Administrative Specialist, Ms.
24 Teresa Blossom, Community Relations Coordinator, Ms.
25 Jonya Underwood, Administrative Assistant, Ms. Tiffany

1 Steward, Investigator, Lieutenant James Coles,
2 representing Police Recruitment Division and Police HR
3 Division, Interim Chief Investigator Lawrence Akbar,
4 Supervising Investigator Ansley Cromwell, Supervising
5 Investigator LiSonya Sloan, Senior Investigator Rosalia
6 magical and also Assistant Corporation Counsel, Erica
7 Savage Whitely are all in attendance today regarding the
8 Board staff members.

9 VICE CHAIRPERSON HOLT: Thank you, Ms. White. Good
10 afternoon, Chief Craig. May we have you introduce your
11 staff people?

12 CHIEF CRAIG: Good afternoon, Honorable Board, and
13 certainly those on the panel discussion with me. Thank
14 you, and as I've indicated, Melanie, I can't see all of
15 my staff. So you're in a better position to roll call
16 them because I don't know who's on.

17 MS. WHITE: Yes sir. Through the Chair, I see on the
18 list at this time, Captain Tanya Leonard Gilbert, Captain
19 Jerry Johnson, Captain Lena Liddell, Deputy Chief Charles
20 Fitzgerald DPOA, Vice President, Ron Thomas, Sergeant
21 Jerry Gerald Hewitt, Director, Christopher Graveline,
22 Deputy Chief Grant Ha, Deputy Chief Mark Bliss, Commander
23 Michael McGinnis, and Director Reid Branch-Wilson. And
24 those are all of the names that I see at this time, sir,

25 CHIEF CRAIG: Assistant Chief Todd Bettison should be

1 on as well. He should activate his camera.

2 MS. WHITE: Yes, sir. Thank you. I do see his name at
3 this time. Thank you.

4 CHIEF CRAIG: You're welcome.

5 VICE CHAIRPERSON HOLT: Okay. Thank you. Ms. White,
6 are there any elected officials or their representatives
7 please?

8 MS. WHITE: Yes. Madam Chairperson, we do have
9 numerous special invited guests this afternoon and their
10 formal introductions will be made later on during the
11 panel discussion. And so I just want to note that for the
12 record, but there are numerous special invited guests,
13 representatives, and attendees this afternoon. Thank you.

14 VICE CHAIRPERSON HOLT: Thank you, Ms. White. Next on
15 the agenda is the Chairs report. First. I want to
16 acknowledge my fellow Board members and the Board staff
17 in supporting the round table and to especially thank
18 Police Commissioner Holley for his constant voice and
19 guidance and for urging us to discuss the issue of deadly
20 violence in a meaningful way that would lead to immediate
21 action. I especially want to thank the leaders joining us
22 today. These hands-on experts and community champions for
23 participating in the Boards round table on criminal
24 homicide and non-fatal shootings. I know Chief Craig,
25 Prosecutor Worthy, Judge Kenny, Sheriff Washington,

1 Reverend Forsythe, Mr. Knight, and Sergeant Williams will
2 agree. In fact, we all agree that we see too much deadly
3 violence as a city and a community. The pain and loss are
4 never with us. As a Board, we focus on public safety and
5 the Police Department. We hear crime stats all the time.
6 We know the important role that each person has as an
7 individual to be a law-abiding responsible member of
8 society. We also know what life experience and the
9 academics in sociology and criminology have told us for
10 decades. Poverty and poor education are overwhelmingly at
11 the root of crime activity. Racism and poverty are key
12 factors in criminal justice in America. Guns have a
13 special grip on American culture and the gun lobby is
14 powerful against safety regulations and public health
15 study into gun violence.

16 VICE CHAIRPERSON HOLT: We have discussed those and
17 other factors. We will continue to discuss and work on
18 doing the educating, mentoring, job training, real long
19 employment, healthcare connections, and more to help
20 ensure our residents have a bright future and success in
21 life. That work is constant and never easy, but I do
22 believe we were seeing progress before COVID-19 pandemic
23 and we will see progress again, as we all work together
24 for a responsible, thriving, fillable and safe city.
25 However, our focus today is specific to the unacceptable

1 number of shootings, criminal homicides, and attempted
2 homicides and the measures available to keep the public
3 safe from someone who decides to pick up a gun and kill
4 another person. Board members often express the need to
5 hear directly from experts so we can better see and
6 understand issues and to use opportunities and lessons to
7 make a difference for Detroit. We want the round table to
8 share information and provide insights that only the
9 people here today can. We want our speakers to share what
10 their experience tells them will be an action that can
11 make a difference. To guide the discussion, the Board
12 invited Bishop Daryl Harris to serve as Moderator. A City
13 of Detroit human rights commissioner, Bishop Harris is
14 the faith-based coordinator in Ceasefire Detroit, a law
15 enforcement community partnership that tries to divert
16 people from gang group violence by offering them
17 employment and other services to turn around their lives.

18 VICE CHAIRPERSON HOLT: Bishop Harris, thank you for
19 your great work and for agreeing to moderate, but before
20 we began your moderation Commissioner, Holley has
21 requested to share some comments. Commissioner Holley.

22 COMMISSIONER HOLLEY: Thank you so much. I don't want
23 to take any more time. We did a lot of talking and so
24 forth. I just want to thank all of you. I think we owe
25 this to the community. I have so much respect for each

1 and every one of you, we have some of the best minds, the
2 best spirits, and we owe this to the community. How are
3 we going to basically turn these stacks around? Thank you
4 so much for being here. I thank God for each and every
5 one of you. Thank you for the opportunity just to say
6 that.

7 VICE CHAIRPERSON HOLT: And thank you, Commissioner
8 Holley, for your insight. And now Bishop Harris, the
9 floor is yours.

10 MS. WHITE: Excuse me, Madam Chairperson, if I may,
11 before Bishop Harris begins Commissioner Martin Jones has
12 rejoined the meeting. And I would also like to make
13 mention that Sergeant Nicole Kirkwood, Corporal Daniel
14 Donnakowsky, Police Officer Holley Lance, civilian Janae
15 Gordon are also on the line from media services. So I
16 just wanted to make note of that on the record. Thank
17 you.

18 VICE CHAIRPERSON HOLT: And thank you Ms. White for
19 making those various needed alerts. Now, Bishop Harris.

20 BISHOP HARRIS: Thank you so much for such a
21 wonderful introduction. I feel so good being a part of
22 this. And I most certainly want to say to all of the
23 Commissioners and all of law enforcement and just
24 everyone who is so deeply involved in such meaningful
25 work in the City of Detroit that has been an honor

1 serving with you. And hopefully, there is a continuation
2 of that service as we move forward. So deeply, we all, I
3 think, can follow Commissioner Holley's words and that we
4 care about the city and we care about communities.
5 Whenever we get to a commission that does not have a care
6 for people, then of course we're in trouble. So it's just
7 very grateful and I'm very grateful to be a part of such
8 a prestigious opportunity and event that's taking place
9 today. And thank you all so much for allowing me to be a
10 part of it. I'm going to do my absolute best to follow
11 everything that everyone gave to me in terms of
12 moderating this particular meeting. I've been a part
13 before and of course, my number one word has always been
14 the rule of empathy.

15 BISHOP HARRIS: If you know that there is something
16 that you don't like said to you, or that you don't like
17 done to you, then be careful before you actually do that
18 to someone else. And I believe that when that empathy
19 goes forth, then everyone shows respect to everyone else.
20 And we can have the kinds of meaningful conversations
21 that are so important for us to have in the City of
22 Detroit. So I've been asked as the Moderator to begin by
23 personally thanking those who are also guests at this
24 moment coming into this round table, a special round
25 table. And I was asked to ask each one of you if you

1 would take just two minutes to kind of give us an
2 overview, just a small overview. I know some of you do so
3 many things that it's very difficult to fit a lot of that
4 in two minutes, but if you could just give us an overview
5 of your role in law enforcement and the criminal justice
6 system. And you know, obviously, we want to start with
7 our special guests who are present right now.

8 MS. WHITE: Bishop Harris.

9 BISHOP HARRIS: Yes. Vice-Chair Holt, I think that
10 you're muted or I can't hear you.

11 VICE CHAIRPERSON HOLT: Okay. I'm sorry. It appeared
12 to me that you were opening up the floor to have the
13 various guests introduce themselves as I understand.

14 BISHOP HARRIS: Yes, ma'am.

15 VICE CHAIRPERSON HOLT: Okay, and we'll start with
16 Chief Craig.

17 CHIEF CRAIG: Thank you for that. Again, I just want
18 to say welcome to our guests. Certainly, the esteem
19 colleagues that are joining this panel discussion with
20 me, Honorable Board of Police Commissioners, let me just
21 start. You know, I've had the good fortune to lead what I
22 believe to be one of the greatest Police Departments in
23 this country. We all know that 2020 was a challenge for,
24 not just the city, but across this country. So as I
25 deliver my remarks about violence, I'll be talking

1 exclusively about some of the common issues that we see
2 here in Detroit and other major cities across this
3 country. But just a little overview as you know, I've
4 been now the Chief here in Detroit coming up on my eighth
5 year. In addition to that, I was a Chief of Police
6 serving in both Portland Maine, Cincinnati Ohio, and then
7 the lion's share of my career was in Los Angeles where I
8 served and rose through the ranks for 28 years. Again, I
9 am a Detroiter. I started here in the Detroit Police
10 Department in 1977, and I like to always make the
11 distinction that was just 10 short years after the
12 infamous 1967 civil unrest. So I'll shut down at that,
13 but I look forward to the conversation this afternoon.

14 VICE CHAIRPERSON HOLT: Thank you, Chief Craig. The
15 next guest who we are asking to introduce herself is
16 Prosecutor Worthy.

17 PROSECUTOR WORTHY: Yes. My name is Kim worthy. I
18 hope you can understand me through this mask. I'm in my
19 office. I always wear my mask in the office. And I have
20 been involved in the criminal justice arena for my entire
21 career. I started out after law school in the juvenile
22 division of the Wayne County Prosecutor's Office. I then
23 rose through the ranks and was in the Office for almost
24 12 years, spending the last six years of my career doing
25 exclusively homicides, high profile cases, and serial

1 killers and serial rapists. I ran and won a seat on the
2 Detroit Recorder's Court. Some of us are old enough to
3 remember that. I think most of us on this call. That was
4 then merged in 1997 into the Wayne County Circuit Court.
5 We won't get into the story why, but I'm still salty
6 about that.

7 PROSECUTOR WORTHY: And then I stayed on the Bench
8 for almost nine years. I left the Bench to run for Wayne
9 County Prosecutor and was appointed Prosecutor in January
10 of 2004. I've had three or four elections. I can't
11 remember which at this point; eight in my entire career
12 and have been the Prosecutor since 2004. I have a lot to
13 say, mainly about the changes that COVID has brought on
14 us all, the repercussions and the remnants, and where
15 it's going to leave us in criminal justice for a long
16 time to come. So I'm pleased to be here and I'm happy to
17 take your questions.

18 VICE CHAIRPERSON HOLT: Thank you so much for that
19 introduction Prosecutor Worthy and next, may we please
20 ask Chief Judge Kenney to introduce himself.

21 CHIEF JUDGE KENNY: Good afternoon, Vice-Chair Holt.
22 Good afternoon also Bishop Harris, as well as all of the
23 Commissioners and my fellow panelists. Thank you very
24 much for the invitation and the opportunity to be here
25 today to talk about this very timely topic. A little bit

1 about my background. I spent 20 years as an Assistant
2 Wayne County prosecuting attorney. I spent three years
3 assigned to be the Prosecutor for the felony murder squad
4 of the Detroit Homicide Department. And I have been a
5 colleague of Prosecutor Worthy both in the Prosecutor's
6 Office, as well as on the Bench. In addition to spending
7 a considerable amount of time, 20 years as an Assistant
8 Prosecutor, I've spent 24 years on Wayne County Circuit
9 Court Bench. And I'm very proud of the fact that I was
10 the founding judge and for 10 years was the judge who
11 coordinated and ran our mental health court program. And
12 for 12 years, also served as a drug court judge. So I am
13 delighted to be here this afternoon and look forward to
14 the discussion. Thank you.

15 VICE CHAIRPERSON HOLT: Thank you, Chief Judge Kenny,
16 and next, may we please have an introduction from Sheriff
17 Washington?

18 SHERIFF WASHINGTON: Good afternoon, everyone. I'm
19 Sheriff Washington, Wayne County. I appreciate you all
20 inviting me to be here today. Just a quick introduction
21 to who I am and what I've done. I'm actually 38 years of
22 law enforcement. I actually started my career in law
23 enforcement in 1983. I know I don't look that old, but I
24 am. And I did that for two years, until 1985, and then I
25 went to the Detroit Police Department where I served for

1 24 years up until the point where Sheriff Napoleon was
2 appointed Sheriff in 2009, and he asked me to retire and
3 walk into the Sheriff's office with him to help him lead
4 that Agency. And I did that in 2009 up until present. And
5 so about 12 years now. So about 38 years in law
6 enforcement I'm not tired yet.

7 SHERIFF WASHINGTON: I have the energy to keep going
8 and I'm excited to be here, unfortunately under the
9 circumstances that I am. But I think this is the way that
10 - I am a religious person. I think this was predestined.
11 We don't know when things are going to happen, but when
12 they do happen, we need to be prepared for that
13 opportunity. I think I am. I know that I am, and I'm just
14 happy to be here to serve the people of Wayne County and
15 those that come to visit. So looking forward to a long
16 career, still in the Sheriff's office sitting in this
17 position. Thank you.

18 VICE CHAIRPERSON HOLT: And thank you to Sheriff
19 Washington for that introduction. Reverend Forsythe,
20 please.

21 REVEREND FORSYTHE: Yes. Thank you, Vice-Chair Holt,
22 and thank you also, Bishop, for allowing us to be a part
23 of this meeting today. I feel very honored to be here and
24 to be a part of this. My name is Louis Forsythe. I serve
25 currently as the senior pastor of Pleasant Grove Baptist

1 Church, a church where many of you probably remember or
2 recall where Dr. Odell Jones served as pastor for many,
3 many years. And I was fortunate to serve under him as his
4 associate pastor for many years before his passing. And
5 so I'm honored to be here. I'm maybe one of the few
6 pastors who have not really any law enforcement
7 background or history, but then I was reminded that for
8 almost 17, almost 18 years, I served as the Chairman of
9 the Board of the Juvenile Assessment Center for Wayne
10 County when they began, I was the first Chairman of the
11 Board, and worked very closely with Cindy Smith and many
12 other Board members to help shape some of the policies
13 and practices to help deter our juveniles from furthering
14 and themselves in the crime and other areas that would
15 lead them down to the wrong road.

16 REVEREND FORSYTHE: And so that was a great
17 experience for me. And now I'm proud to be still on the
18 Board, but now is known as the Shared Family Services.
19 And so that is my background. But also as a pastor, I
20 certainly have not only just welfare for the souls of men
21 and women but also concerned about the welfare of our
22 communities. And so I'm just glad to be here and glad to
23 be a part of this symposium this afternoon.

24 VICE CHAIRPERSON HOLT: Thank you, Reverend Forsythe.
25 And next, we asked Mr. Knight to introduce himself.

1 MR. KNIGHT: Good afternoon. It's definitely a
2 pleasure to be here with all these honored guests. My
3 name is Toson Knight and when I was younger, I got kicked
4 out of a lot of different schools and I almost got, you
5 know, involved in the criminal justice system in the
6 wrong way. So thank God. I was able to go to a school
7 called Oakwood University, which was the HBCU in Alabama.
8 And there, you know, have this passion to come back to
9 Detroit, to work with young people, and to try to, you
10 know, help change the trajectory of their lives. So I
11 started off working at a school. I currently work as the
12 Dean of Culture at Western International High School. I
13 started a mentoring program called Caught Up, and we're
14 hoping not to get them caught up in the wrong way, but
15 caught up in them right away.

16 MR. KNIGHT: And so we started that program where we
17 mentor a lot of kids on the East side of Detroit. And so
18 we have over a hundred kids that go through our program
19 each year. And also we go to a juvenile center in
20 Highland Park, Michigan, where we help kids transition
21 back into the community so that they don't get into any
22 more trouble. We try to help them each and every step of
23 the way. And last year, I had an opportunity to work in
24 District 4 for the Mayor's Office. And there, I worked
25 closely with the Police on different issues and trying to

1 make sure that we keep the youths out of trouble as well.
2 So I'm happy to be here. I'm happy to join these great
3 guests as well.

4 VICE CHAIRPERSON HOLT: Thank you for that
5 introduction. Mr. Toson Knight. Next, we'll have Sergeant
6 Williams, introduce herself, please. Sergeant Williams,
7 Kyla.

8 SERGEANT WILLIAMS: I'm here. Good afternoon,
9 everyone. And thank you for the opportunity. I am
10 Sergeant Kyla Williams. I am with the Domestic Violence
11 Unit. I've been with the Department for 24 and a half
12 years. I've been at the Domestic Violence Unit since
13 2010. And I've been sitting in the row of officer in
14 charge of the unit since 2013. Fall of 2013. Domestic
15 Violence Unit is the investigative hook for the Police
16 Department for intimate partner violence investigations,
17 and I too look forward to the conversation today.

18 VICE CHAIRPERSON HOLT: Thank you, Sergeant William.
19 And I believe that's the last person that we have here as
20 guest panelists. And again, thank you so very much for
21 agreeing to participate in this round table discussion.
22 At this point, we will - Bishop Harris,

23 BISHOP HARRIS: Yes, ma'am.

24 VICE CHAIRPERSON HOLT: You're going to identify the
25 questions and to whom that question is addressed.

1 BISHOP HARRIS: Yes. Ma'am. We will be doing that.

2 VICE CHAIRPERSON HOLT: Thank you.

3 BISHOP HARRIS: Thank you so much. Vice-Chair
4 Commissioner. So we have several areas of perspective
5 that we'd love to put on the table for discussion. And
6 I'm going to do my absolute best to try to make sure that
7 we stay on task because I know that we've used it
8 sometimes, but these are such great questions that we
9 need to discuss. So the first is to ask for evidence-
10 based information on arrest, charges, bail bond
11 sentences, jail releases, and other core factors related
12 to instances and trends of criminal homicides and non-
13 fatal shootings in 2017, 2018, 2019, 2020, and so far in
14 2021. So again, we just want to ask if this could be
15 handled by our special guests, if you could just address
16 some of those and I'll repeat it again, if you could
17 address the evidence-based information on arrest charges,
18 bail bond sentences, jail releases, and other core
19 factors related to instances and trends of criminal
20 homicides and non-fatal shootings in 2017 through 2021
21 thus far. And if you all don't mind, I would like to
22 direct that primarily if Chief James Craig could lead us
23 out in that conversation,

24 CHIEF CRAIG: I can understand a part of your
25 question, but I'll do my very best. So when we look at

1 our crime trends, starting back from 2016, when we look
2 at homicides, we saw a steady decline. For example 2016,
3 114 well 42 homicides, correct that, annual up, 305
4 homicides in 2016, 267 in 2017, 261 in 2018, 275 in 2019.
5 And then, of course, last year 327. When I talk about
6 violent crime as the prosecutor indicated in her opening
7 remarks, certainly the pandemic has created substantial
8 challenges for, not only here in Detroit, but across this
9 country. And I think it's fitting right now because I
10 can't talk in isolation about Detroit without talking
11 about some of the other major cities. So for example,
12 Chicago, Illinois, last year experienced 771 homicides as
13 compared to 495 the year prior. Houston, 413 homicides as
14 compared to 290 the year prior. My old home Los Angeles,
15 356 homicides last year as compared to 258.

16 CHIEF CRAIG: And when I look across the country,
17 every major city with the exception of Baltimore still
18 had well over 300 homicides, saw an increase. So why,
19 what does COVID have to do with that? Well, first of all,
20 the pandemic certainly has created a lot of challenges
21 for law enforcement. One, when I look at this department,
22 the fact that at one point during 2020, we were ravaged
23 by COVID. We had at one point roughly 650 members of our
24 department that were quarantine. Since the start of the
25 pandemic, we have myself included, have had 500 who've

1 tested positive. So when you look at just those sheer
2 numbers, clearly that was an impact at one point during
3 last year. We had to make a very quick decision to
4 redeploy our assets from my support units back into
5 patrol so that we could continue to handle emergency
6 response calls for service. Did that have an impact on
7 violence? Yes, of course, it did. The second issue that's
8 equally important, just the pandemic itself. What impact
9 has that had on the mental health of so many of our
10 residents? Significant loss of jobs, dealing with this
11 unknown enemy. And so, and then it translates into how
12 disputes were handled. What we do know that a good
13 majority of our disputes were argument-based. And so some
14 were acquaintances and some were - some might have had a
15 dispute with someone on a public street and it quickly
16 escalated into violence with a handgun. And then the
17 other part of it is what we call compassionate releases
18 or COVID releases. I believe in some instances, some of
19 the individuals that have been released were violent,
20 should not have been reintroduced into our community that
21 certainly caused a concern. And then I've been very vocal
22 about the issue called bail reform. And when I talk about
23 bail reform, I'm not suggesting bail shouldn't be
24 reformed. I absolutely agree that that's an opportunity,
25 but when you start and for example, and I have to use

1 Statin, and I want to certainly thank Prosecutor Worthy's
2 team because her team was challenged during the pandemic
3 as well as us. But one of the things that we focused on
4 to eradicate violence is we started to arrest and focused
5 on those who were illegally carrying handguns. So we
6 average anywhere between, I'd say, at a low of 60 to 110
7 a week, because we wanted to focus on getting the hands
8 out of individuals illegally carrying weapons.

9 CHIEF CRAIG: So, roughly 75% of those arrested
10 illegally carrying handguns, Prosecutor Worthy's shop
11 would issue warrants. It would then go into the
12 arraignment, low bond, low bond, and these individuals
13 would be back out in our communities. I mean, I have so
14 many stories I can tell. I know that I don't have time to
15 tell the stories, but that's not working. For example, my
16 colleague out in Houston, Texas, the Chief of Police will
17 show you the lack of effectiveness on how bail reform is
18 being used in Houston, Texas. The suspect who was charged
19 with murder was released until his trial. We haven't seen
20 that here in Detroit, but I use carrying concealed
21 weapons because if we can't get weapons off of the
22 street, what are we doing? We're incentivizing those who
23 carry weapons illegally that ultimately end in violence,
24 and I close on that note.

25 BISHOP HARRIS: Thank you very much, Chief Craig. I

1 believe I want to give, if there is anyone else on the
2 distinguished panel who would like to take the
3 opportunity also to add to that?

4 PROSECUTOR WORTHY: Yes, I will jump in here. The
5 other things that we're saying besides the things that
6 Chief Craig expounds are, and this is I'm sure to be
7 backed up by Sergeant Williams, and this is one example.
8 Our office usually sees anywhere from 6,000 to 8,000
9 cases of domestic violence. And this is all of Wayne
10 County. And in 2019, we hit 8,880, in 2020 that jumped up
11 to over 10,000. And right now, just in the first week of
12 March, we are on track to hit more than that. On top of
13 that, we usually every year, we usually see, and again,
14 what might be Wayne County numbers not broken down by
15 city. We continue to see anywhere from eight to 10
16 domestic violence homicides. We had 24 last year during
17 the year of COVID. We're on track now to even go higher
18 than that. And we all expected in some of these cases and
19 again, just domestic violence and child abuse, for
20 example, that we were going to see higher numbers because
21 the abused are now being forced to spend 24 seven with
22 their abuser.

23 PROSECUTOR WORTHY: The kids are not in school,
24 people have lost their jobs. And so you have people 24
25 seven who are living with usual women, but not all with

1 their abuser. You have children that cannot report child
2 abuse in the normal way. They would normally report to a
3 school teacher, a family member. And of course, during
4 the statement, the necessary stay-at-home orders, they
5 weren't able to do so. And so we have seen just a
6 complete ravishing of the numbers of cases. And on top of
7 that, we haven't done a trial docket in almost a year.
8 And Judge Kenny can give me the exact numbers, but we've
9 been done three or four jury trials, if that many. And so
10 we have all the trials from the previous year plus all
11 the cases that came in this year and we are at a really
12 all-time high for most crimes.

13 PROSECUTOR WORTHY: The last kind of thing I want to
14 talk about in this question is we have seen a huge uptick
15 in drag racing and criminal fatal cases. We saw over 150
16 of them to our normal, about 20 fatal criminal cases.
17 That means people were driving on the open roads because
18 people were at home either they were drunk or on drugs,
19 or they just decided to weave in and out of traffic on
20 Telegraph going a hundred miles an hour. Drag racing
21 cases. Again, open roads, I guess it gave license to
22 people to drive as fast as they can often with unbelted
23 young children in the car, they crashed the car either
24 into the person they're drag racing with or into somebody
25 else or something else. And of course, the children are

1 the ones that are deceased and we are seeing those all
2 the time. I've been doing this work for a long time,
3 either as an assistant prosecutor, a criminal court
4 judge, or in my current role for the last 16 years. And
5 I've never seen anything like what's going on right now.

6 BISHOP HARRIS: Yes, ma'am. And, you know, I do also
7 want to give an opportunity to Chief Judge Kenny to also
8 play into this. But I want to say that I can only imagine
9 how difficult it is because we're, you know, a lot of
10 this is brought about just because of the changes that
11 are so necessary and uncontrollable because of the
12 pandemic that we're in now. Chief Judge Kenny, if you
13 would.

14 CHIEF JUDGE KENNY: Yes. Thank you, Bishop and I'd
15 like to address a number of the comments that have been
16 made not only by Chief Craig but also by Prosecutor
17 Worthy. One of the things that are of great concern for
18 us is dealing with what I refer to as the sort of
19 Matterhorn of cases that have backed up because
20 defendants have the right to have an in-person hearing in
21 court and at the 36 District Court, many, many of the
22 defendants who were charged with carrying a gun illegally
23 and were able to get released and be out on bond, have
24 insisted on those in-person hearings when the 36th
25 District Court and other District Courts throughout the

1 County have been unable to accommodate doing in-person
2 hearings. So those cases are backing up and we have those
3 individuals who are still out on the street.

4 CHIEF JUDGE KENNY: And back in late March of 2020,
5 there was an executive order that came down from the
6 governor that indicated that courts were certainly
7 strongly encouraged to deal with the issue of
8 administrative releases from the jail. And we did that in
9 the third circuit court. I was the one ultimately who had
10 to make the decision as the chief judge and the one who
11 was supervising the jail consent order back in 1972. But
12 we did it in what I thought was as responsible a way as
13 we possibly could. There was a committee that was put
14 together. Prosecutor Worthy was at each and every one of
15 those meetings as were representatives of the inmates,
16 the Sheriff's department personnel was there, and the
17 jail medical personnel were there because what drove the
18 early decision-making was the CDCs claims of what were
19 the vulnerability criteria, what people who were in the
20 jail on non-violent offenses who had compromised immune
21 system, women who were pregnant.

22 CHIEF JUDGE KENNY: Those were individuals that we
23 identified and ultimately ended up releasing. And in fact
24 between March the 16th and September the 30th, there were
25 205 who were released. Statistics that I got from the

1 Sheriff's Department this morning indicated that of the
2 205 who were released administratively three, were
3 returned to the jail. Because of their early release,
4 they went out and committed other offenses. They were
5 non-violent offenses, but three out of that 205. But I
6 just wanted to take a moment to indicate that the number
7 of administrative releases had dropped off
8 astronomically. And the reason for that is that because
9 of some outstanding work that's been done by Sheriff
10 Washington's personnel and other individuals, the COVID
11 positivity rate for inmates at the Wayne County jail as
12 of two weeks ago, was 0.2%. In other words, you're more
13 likely to catch COVID at Meijers than you are at the
14 jail.

15 CHIEF JUDGE KENNY: So that has enabled us to take a
16 much tougher stance on those who needed to have those
17 kinds of emergency kind of releases. And in mid-February,
18 I sent a directive to all of the people in our committee
19 indicating the types of crimes charged, for which I will
20 not even consider an administrative release. And to just
21 quickly tell you it's all capital offenses, manslaughter,
22 criminal sexual conduct first, second, and third-degree,
23 assault with intent to do great bodily harm, home
24 invasion, first or second degree, any felony involving
25 the discharge of a firearm, domestic violence, stalking,

1 drag racing, leaving the scene of an accident involving
2 personal injury and operating a motor vehicle while
3 intoxicated third offense. Those individuals who are in
4 jail will not even be considered for any kind of
5 administrative early release as of February the 18th. So
6 we are going to try to adjust this particular issue. I've
7 met with Chief Judge McConico of the 36th District Court.
8 We're working on a plan to deal with special targeting of
9 moving the cases of those who have been charged with
10 carrying a gun illegally. And hopefully, that's going to
11 start the week of March 22nd.

12 BISHOP HARRIS: Thank you so much. Chief Judge Kenny.
13 You know, we've talked a lot already about just the
14 unusual challenges that the pandemic has brought forth.
15 And many people on the outside of law enforcement didn't
16 really understand how those things would impact those of
17 you who are law enforcement, those of you who are part of
18 the judicial system, the prosecution system, a lot of
19 what's going on today has caused you guys to have to
20 think about things and do things, reshape the way that
21 you do things. And so the next perspective or question
22 that I wanted to ask is that since most of you in the law
23 enforcement and the judicial and prosecution end of it,
24 you are not necessarily representing social services,
25 right. But you appreciate and have a lot of programs and

1 agencies that you work with to kind of provide these
2 social services.

3 BISHOP HARRIS: So with that being said you know,
4 what does it look like to each of you that have these
5 kinds of programs that may be, can fill in the gaps and
6 help kind of answer these unique challenges that the
7 pandemic has caused you all to begin to kind of reshape
8 the way that you do things in the judicial system,
9 prosecution, law enforcement, and how much does that you
10 know, from social services really play a role in your
11 reshaping, what it is that you do to provide that kind of
12 public safety and let's start, I kind of want to make
13 sure that we get some of our other distinguished guests
14 in as well to answer, but this question is so directly
15 syndicated at Chief James Craig. I know that there are a
16 lot of things that go on with DPD. And so let's try to as
17 briefly as we can because I really want to get our other,
18 Pastor Forsythe, and others in on this conversation as
19 well. Chief James Craig.

20 CHIEF CRAIG: Well, I wanted to comment on the
21 Honorable Judge Kenny's, I think it's important to say,
22 and I appreciate the direction that we're going in now
23 relative to these compassionate releases, but I have to
24 mention because it makes our jobs so difficult when we
25 know back in November, four men were released who was

1 convicted of criminal sexual conduct four, and one of
2 those sex offenders is back in jail because he got out
3 and predictably did what - he raped a woman at
4 knifepoint. So when we talk about compassion what about
5 the victims? And I know I continue to harp on the
6 victims, the families that people who live in Detroit.
7 Look, I get it. You know, if somebody is incarcerated it
8 shouldn't be a death sentence because of COVID. But I
9 just think being thoughtful is important. Now I
10 transitioned really quickly in short on the whole issue
11 of the importance of working with other partners such as
12 - I've been very vocal about addressing the needs of
13 those suffering from mental illness.

14 CHIEF CRAIG: That's been a passion of mine for all
15 time. I'm very excited about the work we're starting to
16 do both in the 3rd and the 9th Precinct relative to
17 working with DWIHN, the Detroit Wayne Integrated, well
18 DWIHN. So we're doing a joint effort together now with
19 our response officers, social service workers
20 preliminarily, I can tell you is moving in the right
21 direction. I'm optimistic that as we continue to move
22 forward that we're going to have a tremendous impact
23 because when I look at when you talk about violence and
24 those suffering from a mental illness we've had a
25 substantial increase in the number of calls that our SRT

1 unit responds to. I'm talking about barricaded, armed
2 barricaded suspects. Almost half or more than half are
3 suffering from mental illness. So this is a real
4 opportunity to be proactive instead of reactive, because
5 why the time we get involved with someone who's suffering
6 and he's become violent, that can't be addressed by a
7 social worker. And unfortunately, sometimes there are
8 outcomes that are not good. But I really applaud the work
9 of our SRT who gets it right? I'm going to stop on that
10 note.

11 PROSECUTOR WORTHY: I need to correct something that
12 was just said, this is Kym and for some reason, I want to
13 show my video, but it's not letting me. So that's just
14 not accurate that four people that were charged with
15 criminal sexual conduct were released, and we have to be
16 clear to make sure that we don't confuse a judge who is
17 lowering a bond with the administrative jail release
18 committee. It's not the same thing. So maybe there were
19 people that were released by judges who made individual
20 decisions to release somebody charged with CSC, but I'm
21 on that committee. And I have to tell you, and I've been
22 to every meeting and I have to tell you, there's only one
23 person that was released as far as I know, and Judge
24 Kenny, you can correct me if I'm wrong, for criminal
25 sexual conduct in the first degree.

1 PROSECUTOR WORTHY: And there had been a court
2 hearing and there was evidence taken that this man was
3 terminal. And so that's the only one that we agreed on
4 and he left on house arrest and he did not commit another
5 crime. So I don't know Chief, whether you're confusing

6 CHIEF CRAIG: No, I'm not.

7 PROSECUTOR WORTHY: The administrative jail release,
8 because that's just not accurate. And so let me just
9 finish by saying this. I really would like to applaud it
10 again. I don't want to put Judge Kenny in the hot spot,
11 maybe he can think of four people. I can only think of
12 one and that person did not commit another crime. The
13 other thing I wanted to mention is the, and I'll turn
14 this over to other people, the mental health aspect is
15 something that we also are very passionate about when it
16 comes to these AJRs.

17 PROSECUTOR WORTHY: And this is what our work with
18 the committee and the Sheriff's Department who have been
19 tedious in making sure that when someone is released
20 appropriately if they're homeless if they have mental
21 illness issues if they have drug issues if they have
22 alcohol issues that they're not just put on the street.
23 That doesn't do anybody any good, at least they're
24 getting care in the jail. And if we think that the judge
25 makes the ultimate decision that they should be released.

1 The Sheriff's department spends a lot of time finding a
2 place for them to be released into. If they are
3 completely incapacitated because of their health then
4 they are sent to a nursing home. We find shelter for
5 them, if they are homeless, they go into alcohol programs
6 if they have drug issues, I mean if they have alcohol or
7 drug issues, drug treatment centers, and mental health
8 facilities. There's always a mental health assessment
9 that's done before they're released. And then the
10 appropriate mental health facility is found for them. So
11 as a 30-year advocate for mental health, with my work
12 with my family and my father, we're very, very
13 knowledgeable of that. And we've been working with the
14 Wayne County Sheriff's Department on that for a very long
15 time. So, again I'll turn it over to other people. I
16 could talk longer, but I don't want to take more of
17 anybody else's time.

18 CHIEF CRAIG: Bishop Harris?

19 BISHOP HARRIS: Yes, sir.

20 CHIEF CRAIG: I just, you know, I want this fact
21 check, but there was an article written November 26,
22 2020. It clearly articulated that four men convicted of
23 criminal sexual assault and 14 others convicted of
24 assault were released. And one of those convicted is back
25 in jail. And this is according to the article after

1 prosecutors say he got out and raped three women at
2 knifepoint. So this is not something I got wrong unless
3 the article misstated the facts. It breaks news on
4 November 26, 2020.

5 BISHOP HARRIS: Yes, sir. What I would like to do,
6 and I'm so sorry, Chief Judge, Kenny, I didn't want to
7 detract. We've got so many good questions, I really want
8 to make sure to get to some of our other guests who have
9 not yet had an opportunity to chime in. I want to go and
10 make sure to just reiterate that one question because I
11 think that there is - what's being discussed right now, I
12 think is so important to note that some of this
13 responsibility may lie as both Chief Craig and also
14 Prosecutor Worthy are saying, there seems to still maybe
15 be a component from the communities end, or from some of
16 the programming ends that may if we can facilitate more
17 of that to kind of fill in those gaps, even the more
18 because the general consensus on, you know, who should be
19 let go, and how should they be let go, and what types of
20 programs that Prosecutor Worthy is saying, is so
21 important that they become involved in and how do we
22 monitor to make sure that those persons are actually
23 going to those programs and so on and so forth?

24 BISHOP HARRIS: So why don't we go really quickly to
25 Sheriff Washington and then right after I would like to

1 go to Pastor Forsythe in just the portion of, you know,
2 we represent a lot of that community programming, a lot
3 of those responses on the outside of law enforcement or
4 whatnot, and what things can we do maybe to even maybe
5 make that a lot more of a light lift for persons to make
6 sure that they're actually getting the services that they
7 need, and also to Mr. Knight as well. So let's start with
8 Sheriff Washington if you will.

9 SHERIFF WASHINGTON: Thank you, Bishop Harris, and I
10 thank you again, for the opportunity. I just wanted to
11 piggyback on what you are saying about the jail releases
12 and programming and being able to make sure that those
13 that are being released outside, even outside of the
14 mental health portion of it that they are receiving the
15 services that the social services that they need to be
16 productive, even while we were release them. Under Chief
17 Judge Kenny, and retired Judge Corrigan, there's a new
18 initiative. Well, I don't know how new it is. It's fairly
19 new for us, even in the Sheriff's Office that there's a
20 program where we are setting a pathway for those that are
21 being released to make sure that they are getting the
22 social services and the clothing and the various things
23 that they need when we administratively jail release
24 people.

25 SHERIFF WASHINGTON: And even when people are

1 released, period, they've done their time and they're
2 being released from the Wayne County Sheriff's Office
3 that we set up some conditions that they can receive the
4 things that they need. So they're not repeat offenders
5 coming back into our jails because they just don't have
6 the things that they need to survive in society. So
7 there's a program in Wayne County jail ministry. I may
8 not be saying that correctly. We kind of changed the name
9 a little bit. Judge, Kenny can jump in on that, but I
10 think it's a huge piece that we're working with them on
11 to make sure that we identify those people that we can
12 direct them to that location where they can receive the
13 help. And I think that helps recidivism, as well as them
14 just getting the attention and things that they need
15 clothing.

16 SHERIFF WASHINGTON: I just gave a bag of clothing to
17 the initiative to make sure that they have clothing,
18 inmates have clothing when they leave our facility and
19 they get dental treatment and they get social services
20 treatment as it relates to social workers who are there
21 to help them. So I think programs like that, help us all
22 because if we know that if people receive primarily if
23 they get what they need when they're released from the
24 jail, we probably hopefully will not see them again. So I
25 think social services and things like that are very

1 important so that we could help those that we do release.
2 We're not just releasing them administratively, we're
3 releasing them to programs that will help them.

4 BISHOP HARRIS: Yes, sir. And I so appreciate you
5 Sheriff Washington in mentioning, and I think again just
6 to not, you know, in that one realm of the mental health,
7 but there are so many other things that Chief Craig
8 mentioned. So many other things that Prosecutor Worthy
9 mentioned along the lines of domestic violence, along the
10 lines of you know, just people being stuck at home. And,
11 you know, when you relate those types of services or
12 whatnot, I think is so important because those are the
13 gap fillers. Pastor Louis Forsythe, if you will, how can
14 we help? What can we do?

15 REVEREND FORSYTHE: Thank you, Bishop Harris. Let me
16 say, this is no question. We live in some unprecedented
17 times. I don't think any of us could ever imagine that we
18 will be in a time as such as this, with this pandemic and
19 certainly this has kind of aspirated crime within the
20 City of Detroit. And I commend the Prosecutor and the
21 Chief Judge and Chief Craig for their work. And I know
22 it's a difficult task that they all have to do and is not
23 an easy thing as well as Sheriff Washington. I think that
24 we have to find ways to be as, I think as Chief Craig
25 said, be proactive, to find proactive ways to truly

1 engage, try to help people from going back into crime
2 criminal activity, and find a way to provide support
3 systems.

4 REVEREND FORSYTHE: You know, I don't think there's
5 one solid answer, one solid solution to this issue. I
6 think it's going to take several entities working
7 together, coming together, communicating, sitting at the
8 table, and finding ways that we can constructively find
9 something positive that can help make a difference. And
10 as always, as you know, Bishop Harris the black church
11 has been such a very important part of the community.
12 But, it seems like it has lost some of that importance
13 during this millennial. And it doesn't have that kind of
14 credibility as it used to. And so we have to learn how do
15 we gain some of that? How does a black church regain some
16 of that importance in the lives of people and help shift
17 and change the narrative of those who create such havoc
18 and criminal activity in our communities?

19 BISHOP HARRIS: Yes, sir. And I think that the
20 predominant power there that the church has always had is
21 a voice of mentorship and guidance, and sounded like from
22 Sheriff Washington's standpoint that, you know, a lot of
23 it is sometimes just turning a person over to someone
24 that can give them hope. You know, you give a man a piece
25 of bread, he can eat one day, but you give him hope he'll

1 feed himself and everyone else in the village for the
2 rest of the life, right. So I think that's very
3 important. Brother Knight, let's talk about you and your
4 concentration with what you do and filling that gap area
5 as relates to young people. I know that Prosecutor Worthy
6 spoke earlier about the troubles of those who are
7 increasing in the drag racing or whatnot. And we know for
8 the most part that that's been facilitated by a lot of
9 our youth, you know, parks closed down during the
10 pandemic, other things, you know, basketball, taken away,
11 recreation centers, schools closed, and young people have
12 nothing to do. So what do they do? They go to things
13 that, you know, are so easy to do, but unfortunately so
14 harmful. So let's talk about that. What do you think in
15 terms of filling those gaps with some of the social
16 services?

17 MR. KNIGHT: No, for sure. You know, one of the
18 things that a lot of people were like frustrated with me
19 and got upset, but I really encouraged the Mayor and
20 other people's like to keep some of these places open for
21 kids, because I'm like, they're going to be out on the
22 streets. We know if you work with youth, they're not
23 going to be staying home all day. They're not going to be
24 stuck inside. So they need something, an outlet. And one
25 of the things that I'm proud of is that we didn't close

1 down our doors as Caught Up Mentoring. We have a center
2 where your kids come to, we've never closed our doors.
3 And I think that's important because, you know, if you
4 see what these kids are going through, sometimes it's
5 like torture to be in the house every day. So I know like
6 they just can't be there. But I think it's important to
7 have programs that are out there that can help out our
8 youth. If you have programs where they can come to, and
9 they can have, where they can blow off some of that
10 energy, where they're not getting like, you know, for
11 example, you can close the recreation centers, you can
12 take down the basketball hoops, but what you can't do is
13 take them away from those bad environments and what
14 they're doing, unless those places are open.

15 MR. KNIGHT: So what do they do? They ended up going
16 to the wrong environment. They ended up going to the
17 wrong house and something else happens. And so I think
18 that it's important that we make sure that we provide
19 these types of services for youth. And I'm proud to be a
20 part of that. I'm proud to work for Ceasefire as we try
21 to reach out to youth, to help them find, you know,
22 different jobs so that they'll be able to take care of
23 themselves when they get older. And it's just different
24 things that you can do. And I believe it is so important.
25 I'm not going to take up your time because I know we

1 don't have a lot of time. It's just that we need to make
2 sure that we provide more programs to help youth and give
3 them more opportunities to do things instead of just
4 like, hey, we have to shut it down.

5 SHERIFF WASHINGTON: Bishop, if I can just piggyback
6 on that just for a minute because I've heard drag racing
7 mentioned a few times, and since we've been on this call
8 and coming from a place where I was really from officer
9 to lead the unit, which was traffic enforcement unit,
10 motorcycle unit in the Detroit Police Department, I'm
11 very passionate about traffic and how that affects and
12 harms all of us, puts us all in harm's way when those
13 things are not addressed. And I just got a call last week
14 from one of the commissioners in the same area that we've
15 been talking about drag racing. And I know from my time
16 on the job for at least 25 years in the same specific
17 area in the State of Detroit and that is that Livernois
18 and Tireman and Joy Road area. I mean, I've worked a gang
19 squad back in the early eighties when we were dealing
20 with that.

21 SHERIFF WASHINGTON: I think last year when I wasn't
22 in this position, obviously we had a taskforce out
23 assisting the Detroit Police Department as well with the
24 drag racing and the whole quality of life issue that is
25 going on in that area. And we'll be out there again this

1 year, this summer. You know, I think when you even give
2 the idea that it's probably allowable and you put that in
3 a certain area, it's going to stretch out to an area
4 that's not, and it's never, in my opinion, allowed in a
5 community where people have to go back and forth and get
6 to their homes and travel the streets of Detroit. So
7 we're going to be out there in full force again working
8 with Detroit Police Department as well in addressing
9 those qualities of life issues, which turns into a death
10 sentence if it's not addressed and that's from innocent
11 people to those that even participate. So I just wanted
12 to let you know because I've heard that several times and
13 that we're going as a Wayne County Sheriff's Office and
14 be out there doing what it is that we need to do to help
15 curb that violence. And I call it violence because when
16 someone is killed it is, and we just all saw that two
17 weeks ago, or two days ago, that young lady killed, her
18 twins saved, because someone was doing 90 miles an hour
19 from what the report says, on Davidson Livernois,
20 crossing Davidson, going into the 96 Freeway at 90 miles
21 an hour. Unconscionable. I'm on the Freeway all the time
22 going to work and people and I might be doing 70, 75
23 miles an hour. People are blowing by me at 90 miles an
24 hour and it shakes me. And I've been doing this for 38
25 years. So I think those things have to be addressed and

1 we will be out there addressing those issues.

2 BISHOP HARRIS: Thank you so much, Sheriff
3 Washington. And I know that you know, again, Chief James
4 Craig and some of his team in their response to show you
5 how social service programs and law enforcement can work
6 together. I remember I want to say 2019, 2020, Chief
7 James Craig, going to the Detroit youth violence
8 prevention initiative and starting helping us really
9 start and found a program there, a Drive to Thrive
10 working with officers, as well as, some of our driving
11 agencies here and really getting in there. I was
12 fortunate to be a part of that. And that's just one
13 thing. And I most certainly want to come back to that
14 with Chief Craig, but I wanted to give Sergeant Kyla
15 Williams also an opportunity to speak because something
16 else that did come up and it's kind of been predominating
17 this, is the effect of domestic violence and how some of
18 the pandemics, what it has actually done, you know, in
19 terms of now people are at home, they're together. So
20 you're trapped so to speak. And I know that I can't speak
21 for a Pastor Forsythe but I know that even in my own
22 church, our church was impacted by that kind of thing
23 coming out of 2020. So, you know, I would love to hear
24 just how you think and the gap fillers that you think can
25 be done. There were social services merging with law

1 enforcement and the judicial system to kind of respond to
2 that.

3 SERGEANT WILLIAMS: Thank you, Bishop Harris. I would
4 just like to add that it is true what Prosecutor Worthy
5 has said as it relates to victims of domestic violence,
6 being in the home with their abuser and not having
7 anywhere to go, children witnessing the intimate partner
8 violence, and not being able to go to school, they're all
9 confined into that home. So the odds or the chances go up
10 for them to be abused, but what we have done, is been
11 quite challenging because victims of intimate partner
12 violence, they typically do not want to cooperate with
13 the criminal investigation. What we find, they typically
14 just want the abuse to end and they want to stay with
15 their spouse or their significant other. So sometimes
16 it's challenging from the criminal aspect unless we have
17 that independent evidence, which we work hard every day
18 in the domestic violence unit to get the independent
19 evidence, to be able to present warrant request to the
20 Prosecutor's Office. So what we do is we try to also
21 encourage the domestic violence victims to take advantage
22 of our victim assistance program within the Police
23 Department, it's for the social workers and advocates.
24 They are City of Detroit employees, and they work in a
25 hub in the Detroit Medical Center and we have social

1 workers. Chief Craig brought social workers into the
2 Precinct a couple of years ago. So we have social workers
3 in the Precincts now. So when victims of intimate partner
4 violence come across our desks or in our office, we refer
5 them to our advocate and our social worker. We have an
6 advocate embedded into the domestic violence unit. So we
7 refer them to the advocate or the social worker, and then
8 the social workers will provide services or resources for
9 the victim, as well as any children may be concerned. It
10 could be anything from safety planning with them. It
11 could be helping them with a personal protection order.
12 It could be just individual or group counseling. I talked
13 to victims on a daily basis who aren't strong enough to
14 leave an abusive relationship because he or she knows
15 when they get ready to leave that abusive relationship,
16 their chances of lethality research has shown increases.
17 So when they're ready to leave that abusive relationship,
18 we have to be ready to meet them where they are and
19 provide them whatever services that they may need. It
20 could be somewhere for transitional housing or something
21 of that nature. So we try to just meet the victims of
22 intimate partner violence, where they are, and give them
23 the services that they may need financial assistance
24 through the Michigan crime. I think it's the Michigan
25 Crime Commission. They assist victims financially for

1 crime. And then we also have individual and group
2 counseling that they do, but because of COVID, it's done
3 on Zoom, but then you have to maintain your
4 confidentiality when you're speaking with victims of
5 intimate partner violence. We also work well with our
6 Domestic Violence Unit in the Prosecutor's Office.

7 SERGEANT WILLIAMS: The lead prosecutor, Trish
8 Gerrard, she and I have an excellent relationship where
9 we try to address the victim's needs. And then now we're
10 in talks too, to try and address the offender needs,
11 where it talks about an intimate partner violence
12 initiative, where we address the needs of the offender
13 because a lot of times they need assistance too. So we
14 want to hold the offender accountable, but we also want
15 to be able to give them the resources that they need. As
16 Sheriff Washington said, when they walk out of the jail,
17 we want to be able to give them some of the resources
18 that they may need. And hopefully, they won't re-offend
19 or abuse their significant other anymore after that,
20 because we know intimate partner violence, it is love or
21 they think it is love and they want to stay together.

22 SERGEANT WILLIAMS: Maybe they just don't understand.
23 So that's what we do in our Domestic Violence Unit, and
24 we have partnerships with other agencies around Detroit
25 and the Metro Detroit area that if we can't provide the

1 services for them, then we refer them out. But yet we
2 still move forward with our criminal investigations.

3 PROSECUTOR WORTHY: And I just have to give a big
4 shout out to Sergeant Williams and her work with our
5 Office. And especially since her boss here, Chief
6 Craig's, she's wonderful. She does a fantastic job and
7 she's absolutely right. The most dangerous time for a
8 domestic violence victim is when he or she is getting
9 ready to leave. And that is when the defemdant becomes
10 most dangerous. And I have to say during this COVID
11 times, it's been very difficult because defendants are
12 playing the waiting game. They think because the courts
13 aren't open and because they can't open safely, and
14 hopefully, that will happen very soon they will drag it
15 out and drag it out and drag it out and hope that they
16 are going to wait out the victim and that these cases
17 will go forward. And we were just talking in my office
18 about the big staggering statistic. We think about 40% of
19 our domestic violence victims who have been waiting for
20 them to go to court are not going to participate anymore
21 for many reasons. And so this is something that we're
22 taking a harsh look at, but I have to say that this is
23 one of our most dangerous crimes in the City of Detroit
24 and the entirety of Wayne County. But I love the way that
25 the Detroit Police Department attacks this issue with us.

1 BISHOP HARRIS: I was going to personally say, thank
2 you, Prosecutor Worthy. I was personally going to say,
3 thank you. We've worked with Ceasefire. We've worked with
4 Sergeant Williams and we've worked with domestic
5 violence. As again, I spoke, we had a situation at our
6 very church just last year, where we were able to reach
7 out to Precinct number 9, which is our church area. And
8 they were able to apprehend and do some other things. And
9 it was just fortunate because whom it happened with was a
10 member of our church. So our church obviously was able to
11 fold around them. But you think about so many others that
12 don't get that fold around that don't get that hand in
13 hand. And so my time here is just about - there are so
14 many other things, there are so many questions that I've
15 got on paper, and then there are questions, so many of
16 them that I have that aren't anywhere on the paper. I
17 wanted to get more with Chief Craig to talk about some of
18 the innovations and what they're doing in the Department.
19 I wanted to hear more from Prosecutor Worthy on some of
20 the things that they're doing. That's just innovative.
21 Chief Judge, Kenny, things that I know that we're forced
22 to have to think about now because of the unique
23 challenge of the pandemic and also social justice issues
24 that are rising up all around us right now. And so I
25 would just like to thank all of you for this opportunity

1 and before turning it back over to our distinguished
2 Chair, acting Chair today, I want to say that the thing
3 about working together is so very vital and so very
4 important. And I know we're having a lot of tough
5 conversations and it's a lot of pressure because all of
6 us are under pressure to do the thing that we're all
7 trying to do, which is to make the City safer, which is
8 to make our residents safer.

9 BISHOP HARRIS: And so I just commend all of you and
10 your individual work. And I would love to see, I thank
11 Commissioner Holley for even recommending and pushing
12 that something like this to be done. And I think that
13 something like this should be done on a wider scale
14 because a lot of us in the community, we just simply
15 don't know how you all operate. We don't know how you all
16 function. And we know that some of the responsibility is
17 on us to get to know how, but just, you know, it makes so
18 much more sense when we're invited into these types of
19 conversations and given the opportunity to get this
20 information. So I would like to open up and give back to
21 Commissioner Holt. But before doing that, please, if
22 there are any Commissioners, if you have questions for
23 our distinguished panelists here, we most certainly want
24 to open up the floor for you to do that. And then we'll
25 place it back into the hands, our acting Chair,

1 COMMISSIONER JONES: Madam Chair.

2 VICE CHAIRPERSON HOLT: Yes, Commissioner Jones.

3 COMMISSIONER JONES: I would like to be able to put
4 something on the table if I could. This is the proper
5 time. I didn't know if you had an announcement you wanted
6 to make beforehand.

7 VICE CHAIRPERSON HOLT: Commissioner Jones, will you
8 please uplift your question?

9 COMMISSIONER JONES: Okay, good. First of all, I'd
10 like to definitely thank the distinguished panelists that
11 we have for this forum that we had here today. It was
12 very, very informative. And as I would say, this is
13 something that needs to take place more often. Now, the
14 community's been listening and I'm pretty sure they have
15 a lot of questions and comments that they probably want
16 to make. But one of the things that I would like to do is
17 see the same forum take place. But what I would like to
18 hear more about is solutions, you know, this is the
19 problem, and here's what we've done about it. I think
20 we've done an excellent job of at least acknowledging the
21 different issues that have come about, especially with
22 COVID-19. What I would really like to focus on at our
23 next forum is the solutions that we have, or at least
24 have come up with up to this particular point so that we
25 can share those solutions with our listening community

1 and community audience.

2 COMMISSIONER BURCH: Madam Chair.

3 VICE CHAIRPERSON HOLT: Yes, Commissioner Burch.

4 COMMISSIONER BURCH: Are they going to answer or he
5 just made a comment, my former Commissioner? Okay, that's
6 okay.

7 VICE CHAIRPERSON HOLT: Commissioner Jones, what was
8 your last comment? What were you asking?

9 COMMISSIONER JONES: Yeah. That was basically it. It
10 was just a statement and I really did appreciate the
11 forum. I was really looking forward to it. And I read a
12 lot of this information. I was just making a comment
13 about what we need to about what the urgency is for us to
14 do this again, and to also bring the solutions to the
15 table.

16 SHERIFF WASHINGTON: Madam Chair, Madam Chair, if I
17 may. I can address the Commissioner right quick. Sir,
18 we've got a lot of things on our site that we're doing
19 and that we're going to be doing solution-based things as
20 we address the pandemic and any other things that may
21 come up now that I'm here, sitting here. We're revising
22 our sheriffconnect. And I want to give everyone an
23 opportunity to write this down so they can go on our site
24 and they can see what we're doing, and they can contact
25 me through the site as well. And we'll be able to address

1 some of those solution-based things that you're talking
2 about. And that's simply www.Sheriffconnect.com, [www dot](http://www.dot)
3 [Sheriff, S H E R I F F connect, C O N N E C T.com](http://Sheriff.SHERIFFconnect.CONNECT.com). And
4 you'll be able to get some of those questions answered
5 Commissioner, and if you can't, you can always call me at
6 my telephone number, which is 313-224-7491. Thank you.

7 PROSECUTOR WORTHY: And there's not enough time here,
8 but if you are interested I'm happy to come back and talk
9 about our diversion programs or specialty courts and
10 mental health court. I know Judge Kenny has been
11 intimately involved with that as he said. We have a
12 homeless court, we have a sobriety court, we have a
13 mental health court also in the juvenile division. So
14 there are 24, actually the specialty courts in Wayne
15 County that are solution-based.

16 COMMISSIONER JONES: Great. Thank you,

17 BISHOP HARRIS: Madam Chair, thank you so much.

18 COMMISSIONER DAVIS: Madam Chair.

19 COMMISSIONER BURCH: Madam Chair.

20 VICE CHAIRPERSON HOLT: Can we slow down so that I
21 may identify the person who is speaking.

22 COMMISSIONER BURCH: Madam Chair, it is Commissioner
23 Burch.

24 VICE CHAIRPERSON HOLT: I believe we wanted to open
25 up this part of the program so that Commissioners can

1 pose their questions. Commissioner Burch.

2 COMMISSIONER BURCH: Yes ma'am. I thank you and to
3 Bishop Harris and everybody, I've had associations with
4 about everybody on this Zoom panel. And so, you know, my
5 work and you know my service. The only thing is I want to
6 say is that we must learn to communicate. We must hold
7 every Department accountable. We must make sure that we
8 are not letting out the criminals with less than what
9 they should be charged for. In other words, they get
10 right out and go back and do it again. My dear friend,
11 Raphael, excuse me for calling you by that, but that's
12 all I know.

13 SHERRIF WASHINGTON: That's my name.

14 COMMISSIONER BURCH: What you have there at the -
15 what do you call that? The juvenile system. It's like a
16 revolving door. We cannot allow our children to keep
17 getting into difficulties and they go right back in Chief
18 Raphael, Sheriff Raphael.

19 SHERIFF WASHINGTON: So the juvenile, if you're
20 talking about our juvenile detention facility, that's
21 operated by the County executive's office. We just
22 provide security there.

23 COMMISSIONER BURCH: I understand. Whichever
24 department it is, you get my point. Like my colleague was
25 saying, we must-have solutions. We get so many concerns

1 from my constituents that they don't understand what's
2 going on. All I'm asking you all as a panel that you're
3 here, that you listen, not saying you don't, but listen
4 to the ideas we have, that we can help these young people
5 not to be in prison, but to give them training and to
6 stop them before they start them at five years old, how
7 to become a qualified citizen. I thank you, Ms.
8 Commissioner. I won't take up time.

9 VICE CHAIRPERSON HOLT: Well, thank you, Commissioner
10 Burch. I believe Commissioner Davis wants to pose a
11 question and then, thank you, Commissioner Bernard.

12 COMMISSIONER DAVIS: Yes. My question goes to either
13 Chief Judge Kenny or Wayne County Prosecutor. Could you
14 give us a little bit more about the mental health court?
15 Because I'm one of those people that I love data, as we
16 know, we should be using data more and less opinions.
17 Thank you.

18 CHIEF JUDGE KENNY: Certainly, we'll be happy to
19 gather the data on our third circuit court, mental health
20 court program and share it with the Commissioner. Sure.

21 VICE CHAIRPERSON HOLT: Thank you Judge Kenny and
22 then Commissioner Brown. Commissioner Bernard?

23 COMMISSIONER BERNARD: Hello. I just want to say
24 again, thank you to everyone that's on the panel. I know
25 most of you. I have great respect and regard for you and

1 I'm happy to see you and that everyone has come through
2 this COVID crisis. (Background Noise) My comment is
3 actually that the focus has been, in terms of our
4 discussion today, in terms of the law enforcement
5 perspective, there is also a defense perspective with
6 respect to these issues. We all agree with the police
7 prosecutors and certainly what Judge Kenny does is very,
8 very important, but there's a defense perspective to this
9 in terms of how to address criminal justice issues within
10 the system. And I would also just remind everybody that
11 everybody that's in jail generally, unless they have been
12 sentenced is only presumed guilty. They are guilty by
13 virtue of the fact that they are in jail because any of
14 us could be arrested at any time and be wrongfully
15 accused. So I would just keep that in mind. And I think
16 that Judge Kenny, you and certainly Prosecutor Worthy,
17 were mindful of that in terms of your discussion about
18 how you treat visitors and also use share and what's
19 going on because we've all had people that were
20 incarcerated or charged with things that just proved to
21 be false. So I'd just like to keep that perspective in
22 mind, perhaps one of our speakers in the future can do
23 that as well.

24 VICE CHAIRPERSON HOLT: Thank you, Commissioner
25 Bernard. Commissioner Brown.

1 COMMISSIONER BROWN: Yes. Thank you, Vice-Chair.
2 Thank you to this distinguished panel and Board for
3 coming to speak with us and to the public today. I have
4 my question is basically for the Judge and maybe Sheriff
5 Washington. Detroit Police and a lot of officers are
6 frustrated with the fact that they're writing a lot of
7 tickets on these COVID violations of not wearing masks
8 and overcrowding of businesses things. And we're finding
9 out that these tickets are getting dismissed. Should the
10 departments still engage in writing these tickets? Is it
11 a waste of time and also Sheriff, there's a number of
12 things that are going on concerning the squatter issues
13 and landlord/ tenant issues? Do you have any plans or
14 what are your plans to engage the bailiffs and the
15 sheriffs to be more active with assisting with these
16 evictions or landlord/ tenant issues where Detroit Police
17 would not have to handle those and be involved in it?

18 SHERIFF WASHINGTON: I can, oh, go ahead, Chief
19 Judge, please.

20 CHIEF JUDGE KENNY: Thank you. Just briefly,
21 Commissioner Brown. I think your questions regarding how
22 the judiciary would respond are better directed to Chief
23 Judge McConico who's the chief judge of the 36 District
24 Court because the issues that you have raised are not
25 ones that would come to the Third Circuit Court.

1 VICE CHAIRPERSON HOLT: Thank you, Chief Judge,
2 Kenny. Commissioner Carter.

3 COMMISSIONER CARTER: Yes. Good afternoon again and
4 thank you for this distinguished panel. My question is
5 about a bond. I'm sure the audience has been hearing how
6 the bond system needs to be changed and it needs to be
7 changed and probably don't understand what exactly the
8 issue is. So can you explain what the issue is and what
9 you're trying to change? Thank you

10 VICE CHAIRPERSON HOLT: To whom are you addressing?

11 COMMISSIONER CARTER: Madam Prosecutor or the Chief
12 Judge.

13 PROSECUTOR WORTHY: I can tell you that there are a
14 number of bond measures in the legislature now. This is
15 not anything new. This is something that's being worked
16 on for over two years. And so I don't know the current
17 iteration, but this is what my position is, has always
18 been very clear. I believe that there should be no cash
19 bail for civil infractions, for most traffic offenses,
20 exempting drunk driving, for some lower-level
21 misdemeanors. And certainly, I'm not talking about the
22 violent misdemeanors like stalking or domestic violence
23 and for some lower-level felonies. But again, it's easy
24 to get caught up in that catchphrase of no cash bail,
25 because geberally, when you talk about that, people are

1 not being honest and they're not talking about the fact
2 that they're not talking about for violet villains.

3 PROSECUTOR WORTHY: I am in favor of cash bail for
4 violent felonies. However, I feel that no one should be
5 in jail because they can afford it. They should be
6 treated the same. So that means that a judge, and I was a
7 judge for almost nine years or over nine years. A judge
8 should have the ability to make those informed decisions
9 based on all of the relevant information that they have.
10 And one consideration should be whether they can afford
11 to pay, but not the only consideration. So if someone is,
12 and I guess the best example I can give you if someone is
13 charged with - two people are charged with the same
14 offense, one can afford to pay and the other cannot, but
15 then that's a consideration a judge has to make. So
16 again, I believe there should be no cash bail for civil
17 infractions, for tickets, some tickets, lower level
18 tickets for some of the lower-level misdemeanors, and
19 again, and for traffic offenses. But I would not add
20 drunk driving into the mix, but again, every bond bail
21 decision has to be made by, I think a judge, a prosecutor
22 can recommend, a defense attorney can argue, but a
23 prosecutor cannot say I'm going to ask for cash bail for
24 everyone. The prosecutor is not the one that makes the
25 ultimate decision

1 CHIEF JUDGE KENNY: Vice-Chair Holt, if I might just
2 piggyback on that just very briefly.

3 VICE CHAIRPERSON HOLT: Yes, sir.

4 CHIEF JUDGE KENNY: Back in 2018, through the
5 assistance of the Wayne County Sheriff's Department, we
6 took a look, our court, and the Sheriff's Department. We
7 took a look at who's in the jail and took a look at
8 everybody during the calendar year, 2018. And
9 interestingly enough, the number one offense that brought
10 people to the Wayne County jail was driving while their
11 license was suspended. And so that means, to a great
12 extent if you're poor, you're going to jail. I think that
13 much of the discussion that is going on with the two-year
14 study that has been going on about pretrial release
15 that's been led by the Chief Justice of the Michigan
16 Supreme Court and the Lieutenant Governor is trying to
17 address that in that any quality, you know, that you
18 shouldn't be in jail because you're poor, but by the same
19 token, we want to be, there should be certainly the
20 opportunity for judges to set bail with regards to
21 certain misdemeanors and certain felonies.

22 CHIEF JUDGE KENNY: Obviously, if the judge has
23 reason to believe that someone either isn't going to come
24 back for their next court appearance, or they're going to
25 pose a danger to the community. So I think that we're

1 trying to reach that happy medium, but I agree with
2 Prosecutor Worthy that sometimes the buzzword of no cash
3 bail when it gets thrown out there in either in the
4 media, in talk radio discussions, or whatever leads
5 people to think that, Oh my gosh, somebody who's charged
6 with carjacking, isn't going to have any bail or assault
7 with intent to murder. And I don't think that certainly
8 none of the panelists here.

9 SHERIFF WASHINGTON: Madam Chair, if I may as well
10 just piggyback on Judge and Prosecutor Worthy's comments
11 concerning that as it relates to that study in 2018, I
12 think it would even be safe to say that oftentimes, while
13 those that are in our facilities for driving without a
14 license and license suspended and things like that, it
15 may be coming a lot from and it just is what it is more
16 out of County enforcing then even in the city, because
17 oftentimes having done that before 14 years, again,
18 traffic's specifically and things might've changed, but
19 we were writing tickets for those unless there was some
20 kind of a warrant attached to it that that person needed
21 to be arrested because there was a warrant that they
22 didn't, they skipped bail or whatever happened and we had
23 to arrest them. But we're very sensitive in the City of
24 Detroit at that time to be aware of that. So you're not
25 putting, as we talked about poor people in jail

1 necessarily, but I just wanted to make that clear and I'm
2 not, and again, I don't know what the exact data is
3 probably safe to say, if you looked at it, a lot of that
4 might've been coming from out of County and that, and
5 that just is what it is. Agencies have to enforce how
6 they see, what they need to enforce. But I just wanted to
7 make that part of that known.

8 BISHOP HARRIS: Well Madam Chair, if I could just and
9 I'll be very brief just from a community standpoint,
10 there was in 2019, we had a family reunion and there were
11 37 people in my family that were suffering from this very
12 discussion that's being had right now. 37 people in my
13 family who were jeopardizing and risking jail time or
14 whatnot because they had jobs and continued to drive,
15 even though their driver's license was not valid. So this
16 is a very important conversation. I'm glad to be a part
17 of it and looking forward to everything that everyone's
18 going to do in order to bring real solutions. So, thank
19 you.

20 VICE CHAIRPERSON HOLT: Okay. Thank you. Thank you
21 all, to the panelists, and the Board of Police.

22 COMMISSIONER BURTON: To the Chair.

23 VICE CHAIRPERSON HOLT: Oh, Commissioner Burton.

24 COMMISSIONER BURTON: Madam Chair. I have a few
25 questions real quick and I'll be brief. These questions

1 were on behalf of the Detroit Grass Roots. Are police
2 officers, known to have lied repeatedly in court, still
3 called as witnesses by the Wayne County Prosecutor's
4 office? That's one question, an additional question. Do
5 you believe in a one-person grand jury for fairness and
6 transparency, and when it comes to racist technology like
7 facial recognition and ShotSpotter, do you feel that law
8 enforcement should be using facial recognition or should
9 they pull the plug on it, knowing that two black males
10 from the Detroit metropolitan area were misidentified.
11 Thank you.

12 VICE CHAIRPERSON HOLT: Thank you, Commissioner
13 Burton.

14 PROSECUTOR WORTHY: Those are three questions that
15 I'll try my best to answer, but they're not short answer
16 questions. One was facial recognition. What were the
17 other two? I'm sorry?

18 COMMISSIONER BURTON: The other two---

19 VICE CHAIRPERSON HOLT: One-person jury.

20 COMMISSIONER BURTON: One person grand jury for
21 fairness and transparency. And last question. Are police
22 officers who are known to have lied repeatedly in court
23 are still called as witnesses?

24 PROSECUTOR WORTHY: Yes. Okay. So first the Giglio
25 Brady is the law. And I'm sure that you're aware that we

1 recently began releasing lists of officers who fell under
2 that particular rule. And that's important to realize
3 that the Brady Giglio list has to do with untruthfulness
4 like perjury, bribery. If you're convicted of stealing
5 from a drug dealer. For example, we have a number of
6 police officers who have been convicted for false
7 affidavits and things like that. And those are the ones
8 we put on the Brady Giglio list. We have released it and
9 it's on our website if you want to look at that, we have
10 released two separate lists. We do it quarterly and very
11 quickly we contact each and every law enforcement
12 official Chief that we deal with in our 43 communities
13 and the federal government and the Sheriff's Department
14 and the Michigan State Police.

15 PROSECUTOR WORTHY: And we asked for a list of
16 officers that have been disciplined in any way. We'd go
17 through that list. And according to the law, we again
18 create the list and we have released it to the public. We
19 also let the Police Chiefs know prior to releasing it if
20 they have any officers on the list and we've worked with
21 a number of them. We get the information from the various
22 Police Departments. So yes, not only do we have to let
23 the defense and the judges know in court, but we also
24 have released those lists to the public. And you can find
25 those lists on our website. As to facial recognition. I

1 will never be in a position to say that no facial
2 recognition technology would ever be used. That
3 technology has been used very, very well. In many cases,
4 we've identified murderers of children, et cetera but
5 again, it's important to realize it is an investigative
6 tool. It is not evidence. It is an investigative tool
7 just like DNA or any forensic evidence or forensic
8 evidence, which is evidence, but are like the polygraph,
9 for example, that we might use as an investigative tool,
10 it is not evidence. So again, I am very well aware of the
11 studies that have been done, the multiple studies that
12 have been done, but there are issues with that technology
13 with people of color. So again, the policy in my office
14 is, now is that if in fact, you have a case where facial
15 recognition was used as an investigative tool by any
16 police department, it has to be noted on the report that
17 they bring us for a warrant. And also we have to make
18 sure that there's corroborative or supporting evidence to
19 support those charges. So again, I will never say we
20 should never use it because it is a good investigative
21 tool. It is not evidence.

22 PROSECUTOR WORTHY: The other thing with a one-man
23 grand jury. Yes, I do believe it's a useful tool. And
24 I'll tell you why. We have so many homicides and non-
25 fatal shootings that we've been able to close in certain

1 areas of the city very, very successfully and bring down
2 non-fatal shootings and homicides like great percentages.
3 I don't have those exact numbers before me using the one-
4 man grand jury. And we use it when we have witnesses that
5 have been intimidated and don't want to come forward. So
6 it's a tool that we use in certain homicides and non-
7 fatal shooting cases. If you do it properly, it's a very
8 useful tool. Another investigative tool again.

9 VICE CHAIRPERSON HOLT: Thank you. Yes, Reverend
10 Holley.

11 COMMISSIONER HOLLEY: I just want to thank everybody,
12 that's all. I just want to thank each and every one of
13 you from the top to the bottom. I just want to thank you
14 for being here and taking time out. I know all of you are
15 so busy, very busy and I hope that we are able to do
16 another one that basically we'll do more talking about
17 solutions. But I just want to thank you so much for
18 taking time out. We owe this to the community, and I
19 think that the community really respects what we've done
20 today. And I want to thank you.

21 VICE CHAIRPERSON HOLT: Thank you, Commissioner
22 Holley. That would have been on a note as I attempt to
23 Chair this meeting. The Board of Police Commissioners, we
24 extend a most hearty thank you to our panelists. Chief of
25 Police, James E. Craig, Detroit Police Department, Chief

1 Judge Timothy Kenny, Third Judicial Circuit Court for
2 Wayne County prosecuting attorney Kim Worthy, Wayne
3 County, Sheriff Raphael Washington, Louis Forsythe,
4 Pleasant Grove Baptist Church. Pastor Forsythe, I used to
5 hang out over there with Reverend Jones years ago. So
6 it's a pleasure to see that you are here and you're
7 representing the Pleasant Grove Baptist Church community.
8 Mr. Toson Knight, Western High School Dean of Students,
9 Sergeant Kyla William's, Domestic Violence, and our great
10 Moderator Bishop Daryl Harris, Ceasefire. We again,
11 extend our most heartfelt thank you. Really one of the
12 issues too, that I believe Commissioner Holley was hoping
13 that would surface was implicit bias, but that can be a
14 topic for a future discussion. So again, thank you. And
15 we appreciate your contributions. And now Ms. White, we
16 will go to announcements.

17 MS. WHITE: Yes, Chair. Mr. Brown.

18 MR. ROB BROWN: Good afternoon.

19 VICE CHAIRPERSON HOLT: Announcements.

20 COMMISSIONER BURCH: You mean from the Commissioners?

21 VICE CHAIRPERSON HOLT: Yes.

22 COMMISSIONER BURCH: Yes, Madam Chair, I'm ready.

23 VICE CHAIRPERSON HOLT: Yes. Commissioner Burch.

24 COMMISSIONER BURCH: I would like to say thank you to
25 everybody that's on the panel also. But the announcement

1 I have is in 3rd District and number 9. The 9th Precinct
2 and 11th Precinct. We started a program where we call it
3 the Senior Drive-By. They go to this church, which is
4 Lomax Temple, Pastor Peterson. Food boxes are prepared,
5 our NPOs and our Chaplain go to the church, pick up these
6 items and they take them to seniors. We have been to the
7 home of people are 101 years old, 90 years old, 99 years
8 old. The purpose of doing this program is to make the
9 senior citizens feel more comfortable and aware that the
10 police are watching out for their homes. So therefore
11 we've been doing this since the month of February. It's
12 going very well under our Commanders, McGinnis and
13 Slappy. So we just want to say, thank you. And this is
14 how we need to communicate with our seniors. And guess
15 what? When the police cars, Madam Chair are in the area,
16 they may notice an ordinance that's been broken, where
17 they usually wouldn't be on that particular street. So
18 again, I thank you for allowing me to make the
19 announcement and love and respect where you live.

20 VICE CHAIRPERSON HOLT: Thank you.

21 COMMISSIONER DAVIS: Madam Chair.

22 VICE CHAIRPERSON HOLT: Commissioner Davis.

23 COMMISSIONER DAVIS: For my announcement, I hope
24 everyone that joined us that wants to speak is able to
25 speak. Because last week we had problems with some people

1 and the week before that wanting to speak, but they were
2 not able to speak and it is wrong for people not be able
3 to speak. And that's a violation of the Open Meetings
4 Act.

5 VICE CHAIRPERSON HOLT: Thank you, Commissioner
6 Davis. Commissioner Holley.

7 COMMISSIONER HOLLEY: Yes.

8 VICE CHAIRPERSON HOLT: Oh, I thought you wanted to
9 make an announcement. I believe now we will go into
10 public comments.

11 MR. ROB BROWN: Just before that Commissioner Vice-
12 Chair.

13 VICE CHAIRPERSON HOLT: Yes. Mr. Brown.

14 MR. ROB BROWN: To our Honorable Board, our next
15 Board meeting, next community meeting would be March
16 11th, 2021 with downtown services presenting. Then our
17 next regular meeting would be March 18th, 2021. And going
18 into public comments, Madam Chair, I currently have 14
19 speakers. Your first speakers would be Ms. Bernie Smith
20 followed by Ms. Sharon Parnell followed by Minister Eric
21 Blunt.

22 MS. SMITH: Good afternoon to the guests that we have
23 present and to the Commissioners. I am very delighted. It
24 was a wonderful meeting. And before my time is up Chief
25 Craig, you can take your dad down there, to the Cobo TCF

1 and get his shot. If he hasn't got it yet, I got mine.
2 Yesterday was no problem at all. If you don't have the
3 time, have your sisters take them down there. Also Kim
4 Worthy. I am so proud of you my baby. I have come a long
5 way over 20 years with you when you first -- I cannot
6 forget how you took care of that trial. You were very
7 intelligent and they couldn't keep you away from making
8 sure that you convicted those two policemen. And it's
9 just wonderful. I'm so proud of you. You have come a long
10 way, baby. In other words, I would like very much to say
11 congratulations to Reverend Holley, for him presenting
12 this meeting today. It was wonderful. And I appreciate it
13 very much. It didn't argue or anything. You were very
14 intelligent today. So again, take care of yourself and
15 get that shot because you never know what's going to
16 happen. Take care.

17 MR. ROB BROWN: Ms. Parnell.

18 MS. PARNELL: Hi, I don't have anything to say today.
19 Thank you,

20 MR. ROB BROWN: Minister Eric Blunt.

21 MINISTER BLUNT: Yes. Can you hear me, Board?

22 VICE CHAIRPERSON HOLT: Yes, we can hear you.

23 MINISTER BLUNT: This is Minister Eric Blunt from
24 Sacred Heart Catholic Church. This round table discussion
25 on basically crime analysis and prevention is great, but

1 it's in the wrong docket to use legal terms. This Board
2 of Police Commissioners has the purpose and authority to
3 address police misconduct but once again, this Board uses
4 its resources, especially this meeting directed far away
5 from civilian oversight. Many participants in this round
6 table could have easily been included in a police
7 misconduct round table. Wayne County Prosecutor, Kim
8 Worthy. I do honor and respect you for all that you've
9 done, especially in releasing the Giglio Bradley lists,
10 something I had been on Chief Craig on for years, but
11 couldn't get anywhere. Chief Craig could have
12 participated in providing details of how many DPD
13 officers not yet discovered have been assisting landlords
14 in illegally evicting tenants using the false statement
15 of squatters to circumvent the legal system.

16 MINISTER BLUNT: What are the names of the officers
17 and their chain of command and a deep dive on resources
18 that may have been provided to the officers and their
19 chain of command that would have encouraged them to help
20 these landlords perform illegal evictions? This leads to
21 a very disturbing insight from last week's discussion on
22 warrants. One of the Commissioners clearly stated that
23 the police word is golden and whatever the police state
24 is taken as facts by the Commissioners. Lastly, this
25 week's photograph and fingerprinting of citizens not

1 charged with a crime will be heard by the Michigan
2 Supreme court and each and every person here needs to
3 publicly condemn this practice. I yield my time.

4 MR. ROB BROWN: Madam Chair, your next three speakers
5 would be Miss Jeanetta Hope, followed by Kaytea Moreno
6 Eist, followed by Blake Sams. Miss Hope?

7 VICE CHAIRPERSON HOLT: Is she muted Mr. Brown, can
8 you make that determination.

9 MR. ROB BROWN: I'm asking for her to unmute herself?

10 VICE CHAIRPERSON HOLT: Okay. Can we please go to the
11 next person and perhaps allow that person to stay in the

12 MS HOPE: Can you hear me, Jeanetta Hope?

13 VICE CHAIRPERSON HOLT: Yes, we can hear you.

14 MS HOPE: Okay. I stay on the East Side of Detroit
15 and off East Warren and Forrest. My complaint is with the
16 cars. They're coming down the one-way street. I have a
17 one-way street. They go down there the wrong way and
18 they're speeding. And it looks like it's getting a little
19 bit better, you know, but it's just a lot going on with
20 the cars. I was hoping maybe, you know, I get speed bumps
21 on the block, but they're just really, it's like a drag
22 race or something, you know, especially East Warren as
23 they really going fast down there. And then it'd be
24 uneasy with some things on three-wheelers. You know, I'm
25 a senior citizen, you know, I'll be at home a lot and

1 it's just getting bad. And I could see as the weather
2 gets a little bit better, it progresses with these people
3 driving recklessly. And that's my complaint.

4 MR. ROB BROWN: Ms. Eist.

5 MS. EIST: Hello. Can you hear me?

6 VICE CHAIRPERSON HOLT: Yes, we can hear you.

7 MS. EIST: Hi my name's Katie Moreno Eist. This is
8 the first meeting I've ever been on. I am speaking up for
9 my neighborhood of Pingree Park. Tell me what I can do to
10 keep our kids, neighbors, innocent drivers, and property
11 safe. These drag racing, speeding, and donuts are
12 happening all the time around me. We are all feeling
13 very, very helpless and unsafe as I'm sure you all are as
14 well. We have to do something. Anything. I will do
15 anything. I invite you all to sit on my porch on Burns
16 and Warren and witness first hand in Pingree Park, how
17 bad it is on Warren. Both sides of Pingree Park, mayhem
18 all day and all night. My kids are not allowed to play on
19 the sidewalk. You have to make a new policy, give our
20 officers stop sticks, impound cars, and get them off the
21 street. Mr. Knight is correct.

22 MS. EIST: There is not a lot to do for our youth,
23 but we got creative. We made an ice rink on Fisher with a
24 fire department and 18 kids skated for their first time.
25 But while they're doing that, cars were flying by them

1 and racing down the street. Sheriff Washington. Why wait
2 to be out there in full force until summer. It is
3 happening now, yesterday and today. We need a new policy.
4 What are you going to do? You can't chase them. Are you
5 going to use stop sticks. Commissioner Jones, finally
6 someone said it solutions. We want policy change. We want
7 stop sticks. We want these cars off the road. We are sick
8 of cars taking over our streets. We will in Pingree Park,
9 take our streets back over. We will shut them down
10 ourselves, trust me. They're doing donuts in our junior
11 block club lots. They're doing donuts across the street
12 from our greatly missed Jewel Ware's home in Pingree
13 Park. An orange Camaro was doing donuts in the
14 intersection in front of her NPOs. We have accidents
15 every day. This has to stop you guys. Please make a
16 policy.

17 COMMISSIONER HOLLEY: Madam Chairperson.

18 VICE CHAIRPERSON HOLT: Yes, Commissioner Holley.

19 COMMISSIONER HOLLEY: Can you assign someone, can you
20 help her. Can the police department look into that for
21 her?

22 CHIEF CRAIG: Through the Chair.

23 VICE CHAIRPERSON HOLT: Chief Craig. Thank you.

24 CHIEF CRAIG: Well I know this has been a big
25 priority for us and certainly we take it very seriously.

1 I want to applaud the work by Deputy Chief Fitzgerald who
2 has led the effort. Last year we used our air support
3 work. So I'll be having a conversation with Assistant
4 Chief Bettison following this meeting because this is
5 about the time that we launched our weekly detail. One
6 thing I didn't do too much of, Commissioner Holley is
7 despite the days and weeks of protests, even on the
8 weekend, we still had a very robust effort to eradicate
9 this kind of behavior. We take it very seriously. And so
10 we're going to do the same this year.

11 COMMISSIONER HOLLEY: Thank you so much. Thank you.

12 CHIEF CRAIG: Thank you.

13 MR. ROB BROWN: Blake Sams.

14 MR. SAMS: Can you hear me?

15 VICE CHAIRPERSON HOLT: Yes, sir. We can hear you.

16 MR. SAMS: Oh, okay. Last week I tried to come on and
17 then even though I was on three devices, I couldn't get
18 there. My name is Rubin Crowley.

19 MR. ROB BROWN: Madam Chair, your next three speakers
20 would be Lisa renea2@yahoo.com followed by Erin Roar and
21 Nicole Key.

22 VICE CHAIRPERSON HOLT: Thank you, Mr. Brown.

23 COMMISSIONER DAVIS: Did they cut off that guy?

24 VICE CHAIRPERSON HOLT: Excuse me, Commissioner
25 Davis. Can we proceed in public comments?

1 COMMISSIONER DAVIS: Did they cut that guy?

2 VICE CHAIRPERSON HOLT: Thank you, Commissioner
3 Davis.

4 COMMISSIONER BROWN?: I believe he was cut off ---

5 VICE CHAIRPERSON HOLT: Are we going to interfere
6 with the other citizens.

7 MR. SAMS: Hey, can you guys still hear me. Can you
8 all hear me?

9 MR. SAMS: Hello? Can I be heard?

10 COMMISSIONER DAVIS: He should be heard. That would
11 violate the Open Meetings Act.

12 COMMISSIONER HOLLEY: Let us hear, let him speak.

13 MR. SAMS: Hello? Can you hear me?

14 COMMISSIONER DAVIS: Yes. Go right ahead, sir.

15 MR. SAMS: Somebody keeps turning my mic off every
16 time I say something. I got to keep hitting the button.
17 Okay.

18 VICE CHAIRPERSON HOLT: Mr. Blake Sams, are you going
19 to speak?

20 MR. SAMS: Can you hear me? Yes.

21 VICE CHAIRPERSON HOLT: Mr. Blake Sams, are you
22 speaking?

23 MR. SAMS: Can you hear me? Hello. Okay. Last week I
24 was logged in on three devices. I didn't get a chance to
25 speak. This goes to Chief James Craig. The Detroit Police

1 department cannot produce anyone that says that they
2 investigated that case that Todd Bettison referenced last
3 week. Now, in 1997, I investigated the whole SRT team and
4 his command staff. And I found out that the Chief of
5 Police had lied in a federal deposition, in a federal
6 case when under oath. Now I kept that information to
7 myself for 24 years. I'm pulling it up now for
8 Commissioner Martin Jones, who thinks it's my life's
9 mission to terms or reputation of the good, fine
10 individual.

11 MR. SAMS: No, that's not the case at all right now
12 on the way to the OCI is a cover-up of an investigation
13 concerning captain homicide, Captain Derek May. The
14 investigation went over the 90 day time period. And he
15 just did his initial investigation interview last week.
16 There's a reason that's being done. An outside law
17 enforcement agency needs to be called in to look at all
18 the files that the OCI and Melanie White's actions that
19 of Lawrence Akbar and of course, Chairman Willie Bell who
20 keeps all the information from the other Board members
21 who are trying to do the job that they're assigned or
22 their duties. Now, Todd Bettison you are on the live. I
23 asked you the question on the phone, you never asked me.
24 Who investigated the matter at the DPD and who deemed it
25 a civil matter? Please ask me that before you leave from

1 today's meeting. Thank you.

2 VICE CHAIRPERSON HOLT: Mr. Brown.

3 MR. BROWN: Madam, your next speaker would be
4 Aliciarenea2@yahoo.Com.

5 MS RENE: Hello, my name is Alicia and I'm calling
6 regarding (Distorted Audio) of the Police Special Forces
7 unit for DPD has terrorized my family. He lives now
8 across the street from my 87-year-old mother. He
9 threatened to beat her ass, and please forgive me for
10 using his language, but I'm saying at this point he did
11 it for no good reason. And he is now continuing to
12 terrorize my family. He's lied to the Old Park Police
13 department. We have copies of the Police video cams that
14 have audio on them. When they interviewed him that night,
15 we are being terrorized continually by this person and
16 he's doing it because he can. We filed complaints with
17 the Office of Police Investigation, and we've not heard
18 anything. Now today, I just want to say to everyone to
19 Chief Craig and everyone. Today, a law was passed. The
20 George Floyd Police Enforcement Act. We will take this to
21 the attorney general, but we'll take it also because he
22 has been lying and criminal. We have evidence of him
23 lying, and we asked you to help protect my family. It is
24 unconscionable that this man and we have continued
25 (Distorted Audio) getting these acts and we have audio of

1 him lying to the Old Park police,

2 MS. RENE: What are you going to do about it? I need
3 to know that, but we will take it to the federal
4 authority because this Act was just passed today. The
5 George Floyd Police Enforcement Act.

6 COMMISSIONER BERNARD: Madam Chairperson. Can we ask
7 that the Office of the Chief Investigator contact her?
8 Her email is on the screen.

9 MS. WHITE: Yes. Through the Chair. We will follow
10 up. Thank you.

11 COMMISSIONER DAVIS: Thank you.

12 VICE CHAIRPERSON HOLT: Commissioner Bernard, you
13 were asking if we should ask her to contact the.

14 COMMISSIONER BERNARD: No, if we could ask Mr. Akbar
15 to contact her. Her email is on the screen. So, we can
16 get the facts from the department as well as from her.
17 And so we can follow up on her concerns.

18 VICE CHAIRPERSON HOLT: Thank you, Commissioner
19 Bernard. Ms. White, I believe you heard the suggestion
20 made by Commissioner Bernard. We will follow up. Yes,
21 ma'am.

22 VICE CHAIRPERSON HOLT: Thank you a lot. Okay. May we
23 go onto the other public speakers?

24 MR. ROB BROWN: Yes, ma'am. The next speaker will be
25 Ms. Aron Rowe and I'm trying to ask her to unmute herself

1 but she's not.

2 VICE CHAIRPERSON HOLT: Can we hold her in position
3 and go to the next speaker? Mr. Brown.

4 MR. ROB BROWN: Yes, ma'am.

5 VICE CHAIRPERSON HOLT: Thank you.

6 MR. ROB BROWN: I don't see Ms. Nicole Key. So we'll
7 go to the next three speakers would be Mac Farr, followed
8 by Yolanda, followed by Bryce Hoffman.

9 VICE CHAIRPERSON HOLT: Thank you, Mr. Brown.

10 MAC FARR: Hello? Can you hear me?

11 VICE CHAIRPERSON HOLT: Yes, we can.

12 MAC FARR: Perfect, thank you. So, my name is Mac
13 Farr. I'm the President of the Pingree Park Association.
14 And I wanted to thank you guys for allowing us the
15 opportunity to speak about the problems that we've had
16 with drag racing on the East Side. Over the course of the
17 past couple of years, we had problems with speeding in
18 our neighborhoods. Last year, the drag racing was out of
19 control and as we've witnessed warmer weather in
20 February, the problem also appears to be spinning out of
21 control, even more, this year. Let me be clear. My issue
22 is not with the Detroit Police Department. My issue is
23 with the fact that the Detroit Police Department does not
24 have adequate tools in their toolkit in order to help
25 bring this problem under control. I urge the Board of

1 Police Commissioners to allow the Detroit Police
2 Department to use stop sticks, a tactical immobilization
3 device that can help crackdown on the worst parts of drag
4 racing.

5 MAC FARR: Right now, everyone feels kind of hopeless
6 about drag racing. What can we do to make it better? The
7 answer is to get involved and to make it obvious to our
8 elected officials on the Board of Police Commissioners
9 that you need to set policies, is that the neighborhoods
10 up for success. This isn't just a quality of life issue.
11 Drag racing in Detroit has led to an increase in the
12 number of assaults, both physical and sexual, drug
13 trafficking, gun violence, auto theft, and vehicle
14 crashes. It is even responsible for a handful of deaths
15 in Detroit over the course of the past year. Since the
16 weather has been getting warmer over the course of the
17 past couple of weeks, and our roads are now clear of ice
18 and snow, drag racing is exploding exponentially. I can
19 hear it as I speak right now, I live on Seneca between
20 Mach and Sylvester and the race track that is East Warren
21 and East Forest Avenue. I can hear trucks and cars racing
22 as we speak. When our neighbor Katie has stayed stated.

23 MR. ROB BROWN: Yolanda.

24 COMMISSIONER BURCH: Madam Chair, Madam Chair,

25 VICE CHAIRPERSON HOLT: Yes, Commissioner Burch. That

1 caller is still on. I would like for Ms. Melonie to let
2 me know who is the Commissioner in the area of where that
3 person just called about, so that I can speak to the
4 Commissioner to help that citizen out. Would you be so
5 kind to find out which Commissioner?

6 VICE CHAIRPERSON HOLT: Yes, thank you, Commissioner
7 Burch and I'm sure Ms. White heard your request,

8 MS. WHITE: We will get that information to you.
9 Thank you.

10 MR. ROB BROWN: Your next speaker is Yolanda.

11 MS. KRAFT: Hello everyone. My name is Yolanda Kraft.
12 I'm also with the Pingree Park communication, I mean
13 community. I've been living over here for 50 years. The
14 speed racing thing is really just out of hand. I lay on
15 my bed in the middle of the night and I just cringe. Cars
16 zoom up and down the street. I know for a fact that they
17 do not stop at any of the stop signs because I could just
18 hear how fast they are going. We have speed bumps over
19 here. They're not helping. The little kids, I sit on my
20 porch so I can make sure that the little kid that is
21 playing on the block, is safe and not going back and
22 forth across the street to visit their little friends. We
23 must do something about this over here. I will hate for
24 one I little children or adults to get hurt. Sometimes
25 when I'm getting my groceries out of my they're just

1 coming down. I literally have to pin myself inside the
2 car door to not get hit or ran over. They're on 4-wheel
3 drive, riders. They just all over. We need help over here
4 and we need it soon and fast.

5 MR. ROB BROWN: Madam Chair, the next speaker would
6 be Mr. Brice Hoffman.

7 MR. HOFFMAN: Hello? Can you hear me? Yes, sir.

8 MR. HOFFMAN: I apologize. I actually, wasn't trying
9 to ask a question with the hand raise button. That was a
10 mistake you can move on to the next person. So you're not
11 making - go on Mr. White, I mean, Mr. Brown.

12 MR. ROB BROWN: Okay. Madam Chair, your next two
13 speakers would be Ms. Michelle, George followed by Ms.
14 Tawana Petty. Miss George.

15 MS. GEORGE: Yes. Can you hear me, Mr. Brown? Hello?

16 MR. ROB BROWN: Yes, ma'am.

17 MS. GEORGE: I just wanted to Chair Holt and this
18 Honorable Board. I wanted to also let Chief Craig know
19 you know, thank you. I'm glad that people are talking
20 about the drag race thing. It was so good to hear,
21 especially in the memory of Sheriff Napoleon. Sheriff
22 Washington, we are going to miss Sheriff Napoleon very
23 much. Livernois and Joy Road and Tireman must be dealt
24 with; just like the speakers are talking about their
25 side, the drag racing. I was driving on Livernois last

1 summer and we were cornered by the bikes, but it stops at
2 the leadership with the Mayor. I'm going to say it, it is
3 the Mayor. If you have to come out of the press
4 conferences and he's not doing his job. I'm going to just
5 put it that way. I want to thank the Lord for AC Todd
6 Bettison.

7 MS. GEORGE: He's working with us because there is a
8 group in that area. You're pushing us out. I still work
9 with Detroit, but you push us to another city because all
10 of this shooting, nothing is being done. We got to deal
11 with this ShotSpotter. If you would look at the second
12 police briefing, looking at all the 911 calls called over
13 the weekend for just gunshots. Also the missing children,
14 I had to call the State police to ask about these missing
15 young girls. Chief Craig, maybe you could check the
16 email. I've asked where these missing young girls are. I
17 did have to call the missing children list in the State
18 of Michigan. Get the Chaplain Corps involved, the
19 Chaplain Corp needs to be involved with the DPD. They
20 need a stipend, they go out and risk their lives, and
21 need to carry weapons. Also, I wanted to say thank you,
22 Prosecutor Worthy for explaining about facial
23 recognition. Sheriff Washington, we going to need you at
24 Livernois. They do what they do because they feel there
25 are no consequences. There needs to be a felony law. Yes,

1 there is a role the community can play, but the Mayor is
2 not doing his job as a leader. This crime is crazy. So,
3 hopefully,

4 MR. ROB BROWN: Ms. Tawana Petty.

5 MS. PETTY: Thank you, Commissioners. Can you hear
6 me?

7 VICE CHAIRPERSON HOLT: Yes, we can.

8 MS. PETTY: It was enlightening to hear law
9 enforcement officers on the panel earlier thinking about
10 things other than criminalizing folks in poverty. I know
11 it's not equitably infused within the system at this
12 point, but it was good to hear that there's the intent
13 there. In addition to the response around facial
14 recognition technology, it took misidentification cases
15 for there to be scrutiny through the Prosecutor's Office.
16 In addition to that, if DNA were 96% inaccurate, we
17 wouldn't be using DNA. So it's kind of disingenuous to
18 make that comparison. So if, if we thought that folks
19 with their DNA prints would be misidentified 96% of the
20 time fingerprints would not be an adequate investigative
21 tool. In addition to that, the culture of the Board of
22 Police Commissioners meetings has been as such that is
23 such an extension of law enforcement, that community
24 members don't go to the city council for these issues.
25 They come here to talk to the police and I want you all

1 to reevaluate that this is the civilian oversight body,
2 which is supposed to be hearing issues about law
3 enforcement or ways that law enforcement can, can work
4 more equitably with the community and less about hearing
5 a bunch of complaints about other community members. This
6 isn't the space for that. And there isn't an opportunity
7 or space where community members are taken seriously when
8 they do have issues with law enforcement. And so if this
9 isn't the body for that, then what body is the body for
10 that? And so I yield my time. I'd like you all to think
11 about that. Thank you.

12 MR. ROB BROWN: Madam Vice-Chair that was your last
13 speaker.

14 VICE CHAIRPERSON HOLT: Okay. Thank you.

15 COMMISSIONER CARTER: Through the Chair.

16 VICE CHAIRPERSON HOLT: Yes, Commissioner Carter.

17 COMMISSIONER CARTER: I move for adjournment.

18 COMMISSIONER DAVIS: Second.

19 COMMISSIONER JONES: Support.

20 COMMISSIONER BERNARD: Second.

21 COMMISSIONER BURCH: I just want to say you did a
22 beautiful job.

23 COMMISSIONER BERNARD: You did a great job.

24 VICE CHAIRPERSON HOLT: I did it because of you. Oh,
25 well, we're going to adjourn and we'll see everyone next

1 Thursday.

2 COMMISSIONER BURCH: Good night. Have a good one.
