

2021-2022 Warming Centers

City of Detroit Warming Centers

With frigid temperatures already here, the City of Detroit is reminding residents that day center respite locations are open to provide relief from the cold. For more information about the warming and respite centers, call the Detroit Health Department at (313) 876-4000.

The City has four warming centers, in conjunction with two local nonprofit homeless service providers, open from now through March 31. The City of Detroit is contracting with Cass Community Social Services and Detroit Rescue Mission Ministries (four locations) to provide temporary relief to persons who are homeless when year-round shelters may be at capacity. A fifth day center has opened at the TCF Center operated by the Pope Francis Center.

Detroit utilizes a coordinated entry process to access emergency shelters and overnight warming centers. Those seeking shelter or warming center placements should call the [Coordinated Assessment Model \(CAM\)](#) to explore available shelter options.

Due to COVID-19, the CAM access points have moved from in-person to a call line. Please contact CAM at (313) 305-0311 Monday, Tuesday, Thursday, and Friday 9 a.m. - 6 p.m. and Wednesday 11 a.m. – 5 p.m. CAM staff will explore alternatives to shelters or make a shelter placement referral.
