Attached are a resolution and chart regarding the recommendations under the 2022-23 CDBG/NOF program for the Public Service category for Your Honorable Body's consideration. On February 24, 2022 the City Planning Commission held a special meeting to consider, among other things, the recommendations for the 2022-23 CDBG NOF program. A RESOLUTION BY THE DETROIT CITY COUNCIL

**RESOLUTION APPROVING THE PUBLIC SERVICE ALLOCATIONS OF THE
NEIGHBORHOOD OPPORTUNITY FUND/COMMUNITY DEVELOPMENT BLOCK
GRANT BUDGET FOR FISCAL YEAR 2022-2023**

WHEREAS Each year the Administration and City Council collectively evaluate proposals for the allocation of Community Development Block Grant (CDBG) funds from the U.S. Department of Housing and Urban Development (HUD) through the City of Detroit Neighborhood Opportunity Fund (NOF) program; and

WHEREAS Under the federal guidelines, CDBG funds may be used to support programs operated by organizations that service low-to moderate-income individuals and other vulnerable populations within our community. Given the serious challenges in our community, the City of Detroit uses CDBG funding to provide the necessary public service programs and facilities to address the vast needs of the vulnerable in our community; and

WHEREAS While the critical need for these types of services within the City has not diminished, the resources available from HUD to address those needs is consistently being reduced; and

WHEREAS The need for increased operational efficiencies within CDBG funded organizations could be achieved through greater interagency collaboration such as the merger of groups with compatible missions or consolidation of administrative fiduciary functions to increase service capacity. These expressions of encouragement are offered in recognition of the funding trends and the need for even stronger service delivery groups in these times; and

WHEREAS A review team which included representatives of the Housing and Revitalization Department (HRD), Legislative Policy Division (LPD), City Planning Commission (CPC), the Office of Contracts and Procurement (OCP), and the Office of Development and Grants (ODG) reviewed the various proposals received for the program and HRD prepared recommendations to the Mayor; and

WHEREAS The Mayor subsequently prepared recommendations which were submitted to the City Planning Commission (CPC) and City Council; and

WHEREAS At the February 24, 2022 Special meeting of the City Planning Commission (CPC), the Commission vote to recommend approval of the proposed allocations chart for Public Service Activities; and

WHEREAS City Council has reviewed those recommendations, held an appeals hearing regarding the organizations that were not initially recommended to receive 2022-23 NOF/CDBG funds, as well as a public hearing on the overall NOF/CDBG program; and

WHEREAS Given the historic and very public role in the vetting of CDBG applicants as well as its unique knowledge of the residents of the City as their locally-elected representatives, City Council's involvement in the CDBG process is not only mandated by law but critical to the appropriate distribution of these funds.
NOW THEREFORE BE IT

RESOLVED The Detroit City Council hereby approves the allocation of Community Development Block Grant / Neighborhood Opportunity Fund awards for FY 2022-23 as set forth in the attached CDBG/NOF allocation chart for Public Service Activities, and **BE IT FINALLY**

RESOLVED That a copy of this resolution be sent to Mayor Mike Duggan, HRD, OCP, ODG, and the CPC.
