Instructions to Create and Upload a ZIP File

Goal: create a ZIP file in order to upload more than the maximum 10 documents to Smartsheet for your marijuana business license application.

1. Save all of the documents that you would like to include in the ZIP file and upload to the application in a single folder on your Desktop or in the "My Documents" section of your computer. <u>Include all documents you want to submit in a single folder</u>.

2. Right click the folder and select "Send to" and then select the "Compressed (zipped) folder" option. Your documents will be compressed into a single ZIP file with a Zipper in the image.

3. To upload this file to the application, you have two options:

Option A: Drag and drop the file from your desktop to the application.
