Developer acknowledges that the City has not made, and by execution of this Agreement or any Deed does not make, any representations or warranties whatsoever with respect to title to the Property.

ARTICLE 5. TAXES AND ASSESSMENTS

5.01 Property on Tax Rolls at Closing. In the event that the Property is on the tax rolls at the date of Closing, all taxes and assessments which have become a lien upon the Property at the date of Closing shall be paid by the City provided that current City and County taxes shall be prorated and adjusted to the date of Closing or transfer of possession, whichever is earlier, on a due date basis.

5.02 Property Not on Tax Rolls at Closing. In the event that the Property is not on the tax rolls at the date of Closing, Developer agrees to pay to the City at Closing an amount equal to the *ad valorem* taxes and assessments which would have been levied had the Property been on the tax rolls, prorated from the

date of Closing or transfer of possession, whichever is earlier, to the dates when the next tax bills are issued after the date the Property is placed back on the tax rolls. The value of the Property for purposes of calculating the tax proration shall be equal to and presumed to be the true cash value of the Property as determined by the City's Assessor. The Property will be placed back on the tax rolls as of December 31 of the year in which the Closing or transfer of possession takes place. For example, if the date of Closing or transfer of possession is on or before December 31, 2022, the Property would be placed back on the tax rolls effective December 31, 2022, and the next tax bills issued would be July 1, 2023 for the summer taxes and December 1, 2023 for the winter taxes. - a. **Organization and Qualification.** It is a duly organized corporation, partnership, limited liability company, joint venture, or sole proprietorship *[as applicable]*, validly existing and in good standing under the laws of the State of Michigan, and has full power and authority to carry on its business as it is now being conducted.
- b. **Power to make Agreement.** It has the power to make, deliver and perform this Agreement and finance the Improvements in accordance with the terms and conditions of this Agreement and has taken all necessary action to authorize the foregoing and to authorize the execution, delivery and performance of this Agreement.
- c. **Lack of Legal Impediments.** The execution, delivery and performance of this Agreement will not violate any provision of any existing law, regulation, order or decree of any court or governmental entity, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement, or any provision of Developer's organizational documents (*e.g.*, charter, articles of incorporation, articles of organization, partnership agreement, bylaws or operating agreement) and will not violate any provision of, or constitute a default under, any agreement or contract to which it is a party, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement. Developer has paid all income, personal and property taxes, and inspection or license fees heretofore due, payable, and owing to the City. Developer is not in default to the City.
- d. **Legal Operation.** It is, to the best of its knowledge, in compliance with all existing laws and regulations applicable to it, the violation of which would or could materially adversely affect its operations or would or could materially adversely affect its ability to fulfill its obligations under this Agreement.
- e. **Litigation.** As of the date of this Agreement, no litigation or administrative proceeding of or before any court or administrative body is presently pending, nor, to its knowledge, is any such litigation or proceeding presently threatened, against it or any of its property, by the City, or that, if adversely determined, would or could materially affect its ability to fulfill its obligations under this Agreement, or by it against the City.

f. Financial Statements. The financial statements previously submitted to the City in connection with this Agreement (i) are complete and correct in all material respects, (ii) accurately present its financial condition as of the dates, and the results of its operations for the periods, for which same have been furnished, and (iii) have been prepared in accordance with generally accepted accounting principles consistently followed throughout the periods covered thereby.

g. Other Information. To the best of its knowledge, all other written information, reports, papers, and data given to the City by Developer with respect to it are accurate and correct in all material respects and substantially complete insofar as completeness may be necessary to give the City a true and accurate knowledge of the subject matter and all projections of future results are, in its opinion, reasonable.

h. Other Agreements. To the best of its knowledge, it is not a party to any agreement or instrument materially and adversely affecting its present or proposed business, properties or assets, operation or condition, financial or otherwise, not disclosed to the City in writing; and it is not in default in the performance, observance, or fulfillment of any of the material obligations, covenants, or conditions set forth in any agreement or instrument to which it is a party, the violation of which would or could materially affect its ability to fulfill its obligations under this Agreement.

i. Brokerage and Finder's Fees and Commissions. It will indemnify the City and hold it harmless with respect to any commissions, fees, judgments, or expenses of any nature and kind which it may become liable to pay by reason of any claims by or on behalf of brokers, finders or agents incident to this Agreement and the transaction contemplated hereby resulting from any acts by Developer or any litigation or similar proceeding arising therefrom unless the City has by separate agreement provided for such payment.

j. Security Ownership. The listing of the record owners owning ten percent (10%) or more of the securities or membership interests issued by Developer and Affiliates as of the date of this Agreement which indicates the names of such record owners, their percentage ownership thereof, the type of security or interest owned thereby, the number of shares or units of such security or interest and the issuer thereof, is true and complete in all respects. It has no knowledge of any persons or entities other than the record owners of said securities or interests having any beneficial or other interest therein.

6.02 Survival. All of the representations and warranties contained in this Article 6 or pursuant hereto shall survive the delivery of the Deed and shall remain in full force and effect until the Certificate of Completion is issued. If the Property is to be acquired in phases, the City may, in its discretion, require Developer to execute a document reaffirming the continuing validity of these representations and warranties as a condition to closing on each phase. Developer shall indemnify and hold the City harmless from and against, and shall be obligated to pay and reimburse the City for, any and all loss and damage (including reasonable attorneys' fees, whether inside or outside counsel) which the City may sustain or incur as a result of any misrepresentation or breach of warranty on the part of Developer due to the City's reliance thereon.

ARTICLE 7. TESTS AND SURVEYS; CONDITION OF PROPERTY

7.01 Surveying and Testing. The City will, prior to the transfer of possession or title, authorize Developer through and in accordance with a fully executed Right-of-Entry, to make soil boring and

bearing tests and undertake such surveying and environmental and other due diligence activities as Developer deems appropriate, provided such does not interfere with the use (including demolition or site improvement activities) of the City or the use of any tenant in possession, if any, and subject to the Developer's compliance with the requirements of this Article 7 and elsewhere in this Agreement. All such testing shall be done at Developer's risk and expense. Subject to the terms of the aforementioned Right of Entry, Developer shall give prior notice to the City to inspect and investigate the condition of the Property, including its environmental condition and shall conduct such inspection and investigation as Developer desires during normal business hours. Prior to entering onto the Property for such purposes, Developer shall (i) request authorization from the Building, Safety, Engineering and Environmental Department and provide details of the intended activities and other documentation deemed necessary by the City, (ii) obtain a Right-of-Entry letter from City, (iii) execute said letter, and (iv) comply with all conditions and requirements stated therein. Developer shall use all reasonable efforts to minimize damage to the Property in connection with such entry and shall fully restore the Property to the condition existing prior to such entry. Developer shall indemnify, defend and hold the City harmless from and against, any and all loss, cost, liability and expense, including reasonable attorneys' fees and litigation costs, suffered or incurred by the City as a result of the Developer's activities in accordance with the Right-of-Entry. Developer shall submit to the City a copy of each survey or report generated as a result of such activities.

7.02 Condition of Property. Developer takes the Property as it finds it, "AS IS", and the City makes no implied or express representations or warranties as to its fitness for absolutely any purpose whatsoever, including but not limited to the proposed use(s) set forth in this Agreement in Article 13, Exhibit B, or otherwise, any warranty that the Property is fit for the Developer's purpose or regarding the presence or absence of Hazardous Materials at, on, in, under, about or from the Property and compliance of the Property with Environmental Laws, or otherwise. Developer acknowledges that neither the City or any agent of the City has made any warranty, representation or agreement, either express or implied, and that Developer has not relied on any representation, warranty or agreement of any kind made by the City or any agent or employee of the City concerning (a) the physical or environmental condition of the Property; or (b) the presence or absence of any condition, substance or material, including but not limited to any waste material, equipment or device at, in, on, about, under, or from the Property. Developer agrees that the disclosures of the City concerning the Property and its condition are intended to satisfy any duties the City may have under the law, including but not limited to statutes, Environmental Laws and common law. Developer shall rely solely on its own due diligence with respect to such inquires, investigations and assessments. By executing this Agreement, Developer acknowledges that it is satisfied with the condition of the Property, subject only to inspection of the Property, review of title, and the results of the tests, investigations, and surveys permitted under Section 7.01, above. Developer deems to have waived any right to object to the condition of the Property and hereby declares its full satisfaction therewith.

7.03 Release of City from Liability; Indemnification. Developer hereby releases the City and its officials, employees, and agents (but not any third party) from any and all liability for any defects in or conditions of the Property, including but not limited to any surface, subsurface, latent or patent conditions whether naturally occurring or by action of any party, or conditions currently existing thereon, including but not limited to conditions described in Section 19.05, but subject to Section 19.05. Subject to Section 19.05, Developer hereby expressly agrees to and shall indemnify and hold the City harmless from any claims by it or any other party for any personal injury or other loss resulting from any such Property conditions that occur or accrue after the date of possession or Closing, whichever is earlier.

It shall be within P&DD's sole and reasonable determination to approve or reject such change.

If P&DD rejects the Construction Plans in whole or in part as not being in conformity with this Agreement, Developer shall submit new or corrected Construction Plans which are in conformity therewith within thirty (30) days after written notification to Developer of such rejection.

The provisions herein provided relative to approval, rejection and resubmission of corrected Construction Plans with respect to the original Construction Plans shall continue to apply until the Construction Plans have been approved by Pⅅ provided, however, that in any event, Developer is required to submit Construction Plans which are in conformity with this Agreement, as determined by P&DD, no later than

ninety (90) days after the date P&DD provides notice to Developer of P&DD's first rejection of the original Construction Plans submitted to it by Developer.

10.03 Other Approvals. Approval by P&DD of the Construction Plans is in addition to any approvals by the City's Buildings & Safety Engineering Department (or other agencies or departments) for building permits, use permits, certificates of occupancy, zoning approvals and variances, and other permits whether required by other City departments and/or agencies or otherwise. Developer shall be responsible for applying for all permits and zoning approvals and/or variances to allow for the uses it will make of the Property and the Improvements it will construct on the Property. Execution of this Agreement by the City shall not be deemed a grant of such permits, approvals, or variances, or a waiver of any of the procedural or substantive requirements of the departments and/or agencies responsible for issuing the permits, approvals and/or variances.

ARTICLE 11. PERFORMANCE OF CONSTRUCTION

11.01 Commencement and Completion. Developer shall promptly begin and diligently complete the development of the Property throughout the construction of the Improvements thereon, and shall begin such construction by **January 1, 2025**. Construction shall be completed by **June 30, 2027**. The Developer may request an extension of time to complete construction of the Improvements and the City may approve such request in the City's sole discretion by providing the Developer with a written approval.

11.02 Certificate of Completion.

a. Upon Substantial Completion of the Improvements in accordance with the provisions of this Agreement, the City shall furnish Developer with an instrument certifying such completion (herein called the "**Certificate of Completion**"). Upon written request by Developer, the Property may be divided into parts or parcels, provided that such subdivision, in the reasonable opinion of the City, is not inconsistent with the Development Plan or this Agreement. At its sole discretion, the City may furnish Developer with individual Certificates of Completion upon proper completion of the Improvements relating to any such part or parcel.

b. When Developer considers all Project work required hereunder to be complete, in conformance with this Agreement, and ready for final inspection, it shall so notify the Director of P&DD (herein called the "**Director**"). Within thirty (30) days of such written notification, the Director will thereafter make or cause to be made such inspection. If, upon such inspection, the Director finds the entire work not fully completed or portions not acceptable under the terms and conditions of this Agreement, the Director will so notify Developer in writing indicating in detail in what respects Developer has failed to complete the Improvements in accordance with this Agreement or is otherwise in Default, and what measures and acts Developer must take or perform in order to cure such nonconformity or Default. Developer shall thereafter promptly complete the Improvements in accordance with such directive so as to conform the construction of the Improvements as required by this Agreement.

c. Upon the Director's determination that the Project is complete and in conformance with all provisions and requirements of this Agreement, the Director shall issue the Certificate of Completion.

d. Except as may be stated therein, the Certificate of Completion shall be a conclusive acknowledgment by P&DD of satisfaction by Developer of its obligations under this Agreement for the portion of the Property addressed by the Certificate of Completion. The Certificate of Completion shall not, however, constitute evidence of compliance with or satisfaction of (i) any obligation of Developer to any holder of a mortgage, or any insurer of a mortgage, securing money loaned to finance the Improvements, or any part thereof, or (ii) the requirements of any department, agency or entity with respect to any building, occupancy, or other permits.

e. The Certificate of Completion shall be in such form as can be recorded against the Property. The cost of recording the Certificate of Completion shall be the responsibility of Developer. The Certificate of Completion is subject to the Affordable Housing Requirement as defined in Exhibit B and shall include a thirty (30) year Affordable Housing Requirement that runs with the land and that is applicable to all successors and assigns. Such thirty (30) year period shall begin on the date of such Certificate of Completion.

f. The Certificate of Completion shall be in such form as can be recorded against the Property. The cost of recording the Certificate of Completion shall be the responsibility of City.

g. For purposes of this Agreement, “**Substantial Completion**” means when the Improvements are sufficiently complete in accordance with the Construction Plans such that the Property may be used by the Developer and the public for the intended uses contemplated by this Agreement.

ARTICLE 12. COST OF CONSTRUCTION

Developer shall be solely responsible for and shall pay in a timely manner all costs and expenses of whatsoever kind or nature constituting the cost of construction of the Improvements and development of the Project.

ARTICLE 13. RESTRICTIONS ON USE

13.01 Covenants Regarding Use of Property. Developer covenants for itself and its successors and assigns and every successor in interest to the property, or any part thereof, that Developer and its successors and assigns shall:

a. Devote the Property only to and in accordance with the uses specified in this Agreement. This covenant shall be construed to run with the Property until the issuance of the Certificate of Completion.

b. Not discriminate upon the basis of race, religion, sex, creed or national origin in the sale, lease or rental or in the use or occupancy of the Property or any Improvements erected or to be erected thereon, or any part thereof. This covenant shall be construed to run with the Property in perpetuity, without limitation as to time.

ARTICLE 14. INABILITY TO OBTAIN FINANCING OR PERMITS

14.01 Inability to Obtain Financing. In the event that, prior to the Closing, Developer shall be unable, after diligent effort, to obtain financing to construct the Improvements, as determined within the

reasonable discretion of the City, on terms that would generally be considered satisfactory by builders or contractors for Improvements of the nature and type provided in the Construction Plans, then Developer and the City shall each have the right to cancel this Agreement.

14.02 Inability to Obtain Permits, Zoning Variances. If prior to the Closing Developer notifies the City that it has been or will be unable, after diligent effort, to obtain permits to allow for the uses it intends to make of the Property or the construction of Improvements or that under the zoning ordinances the Property cannot be used for the purposes and/or uses set forth in this Agreement and Developer, after diligent effort, has been unable to obtain the necessary zoning variances or approvals, then this Agreement shall be canceled in accordance with Section 14.03.

14.03 Cancellation. In the event of cancellation of all or any part of this Agreement as specified above, the City shall refund the Advance, without interest, less any costs incurred by the City or any damages the City sustains to return the Property to the condition before Developer's entry upon the Property. Upon such cancellation the Developer shall have no further rights in or to this Agreement or the Property, and no claim against the City under this Agreement with respect to conveyancing or development of the Property.

ARTICLE 15. DEFAULTS AND EVENTS OF DEFAULT

15.01 Default by Developer. The occurrence of any one or more of the following events shall constitute a Default of this Agreement by Developer:

- a. Developer violates its obligation with respect to the commencement or completion of the construction of the Improvements, as specified in this Agreement.
- b. Developer fails to pay, when due, real estate taxes or assessments on the Property or any part thereof or places thereon any Encumbrance unauthorized by this Agreement, or suffers any levy or attachment to be made or any materialman's, mechanic's, or construction lien or any other unauthorized Encumbrance to attach.
- c. Developer violates any of the terms and conditions of the Fair Employment Practices Provision, Article 23 herein.
- d. There is any transfer of all or any part of the Property or of any right or interest in all or any part of the Property; or, in violation of Section 18.02 hereunder, there is any change in excess of ten percent (10%) or more in the or distribution of Developer's ownership interests or stock or with respect to the identity of the parties in control of Developer or the degree thereof.
- e. Developer admits in writing its inability to pay its debts generally as they become due, or Developer ceases to conduct business in the normal course by reason of any of the following: (i) The making by Developer of any general arrangement or general assignment for the benefit of creditors; (ii) Developer becoming a "debtor" as defined in 11 USC § 101 or any successor statute thereto (unless, in the case of a petition filed against Developer, the same is dismissed within sixty (60) days); (iii) the appointment of a trustee or receiver to take possession of substantially all of Developer's assets located at the Property or

of Developer's interest in this Agreement, where possession is not restored to Developer within sixty (60) days; (iv) the attachment, execution or other judicial seizure of substantially all of Developer's assets located at the Property or of Developer's interest in this Agreement, where such seizure is not discharged within sixty (60) days; or (v) its voluntary or involuntary dissolution. In the event that any provision of this subsection is contrary to any applicable law, such provision shall be of no force or effect.

f. Developer violates any of the terms and conditions of this Agreement and, except as otherwise provided in this, Developer fails to cure the same after receipt of written notice by the City to cure said Default.

g. Developer does not acquire the Property pursuant to a Closing in accordance with this Agreement.

15.02 Failure to Cure Default. Any such Default on the part of Developer as set forth in Section 15.01 and the failure of Developer to cure such Default within thirty (30) days after written notice and demand by the City to cure said Default shall be deemed to constitute an **Event of Default**, provided, however, that if the nature of Developer's Default is such that more than the cure period provided is reasonably required for its cure, then Developer shall not be deemed to be in default if Developer, with the City's acknowledgment and consent, commences such cure within said period and thereafter diligently pursues such cure to completion. If Developer is in good faith contesting any amount due under Subsection 15.01b, Developer may, in lieu of paying said amount, deposit said amount in an escrow account which shall be disbursed upon the resolution of the dispute, or if the amount relates to a construction lien, Developer may bond over the lien in the manner prescribed by law. Defaults pursuant to Subsections 15.01d, 15.01e, and 15.01g are hereby deemed to be material, non-curable Events of Default without the necessity of any notice by the City to Developer thereof. The City may, in its sole discretion, waive in writing any Default or Event of Default by Developer.

15.03 Default by the City. The City shall not be in default unless the City fails to perform obligations required of the City within a reasonable time, but in no event later than ninety (90) days, after written notice by Developer to the City, specifying wherein the City has failed to perform such obligation, provided, however, that if the nature of the City's obligation is such that more than ninety (90) days are reasonably required for performance then the City shall not be in default if the City commences performance within such ninety (90) day period and thereafter diligently pursues such performance to completion.

ARTICLE 16. REMEDIES

16.01 Prior to Conveyance. Upon an Event of Default prior to conveyance of the Property, this Agreement and any rights of Developer arising hereunder or otherwise with respect to the City or the Property, may, at the option of the City, be terminated by the City, except as to parcels previously conveyed where a Certificate of Completion has been issued by the City. In the event of such termination, the Advance may be retained by the City as its property without any deduction, offset, or recoupment whatsoever.

16.02 Subsequent to Conveyance. It is expressly understood and agreed between the parties hereto that during the Agreement Term the conveyance of the Property to Developer shall be construed and

interpreted as the conveyance of a fee simple determinable until issuance of the Certificate of Completion, and that such conveyance shall endure only so long as subsequent to the conveyance and prior to the issuance of the Certificate of Completion there has been no Event of Default. Upon an Event of Default and the City's recording of a notice thereof, title to the Property shall automatically revert in the City, except for parcels previously conveyed where a Certificate of Completion has been issued by the City. Upon such reversion of title, the City shall have the right to re-enter and take immediate possession of the Property. Upon an Event of Default, this Agreement and any rights of Developer arising hereunder or otherwise with respect to the City or the Property, may, at the option of the City, be terminated by the City, except as to parcels previously conveyed where a Certificate of Completion has been issued by the City. Developer shall execute and deliver to the City at Closing a deed for the Property for the purpose of conclusively evidencing the reversion of title to the Property in the City upon termination in connection with an Event of Default. In the event of such termination, the Advance may be retained by the City as its property without any deduction, offset, or recoupment whatsoever.

16.03 Appointment of Attorney-in-Fact. Pursuant thereto, Developer hereby irrevocably constitutes and appoints the City, upon an Event of Default, to act as its true and lawful agent and attorney-in-fact, and grants the City full power and authority, upon an Event of Default, to execute in its name and on its behalf one or more consents, acknowledgments, judgments, or deeds effecting, evidencing, or perfecting the conveyance of the Property to the City, together with all of Developer's rights, title, and interest therein. Developer shall be bound thereby as if an authorized officer of Developer had personally executed same. Developer shall execute simultaneously with this Agreement an “**Irrevocable Power of Attorney**” (in substantially the form of Exhibit D attached hereto and made a part hereof) granting such authority to the City.

16.04 Vacation of Property. Developer further acknowledges that any delay or failure to immediately vacate the Property after title to the Property has vested back in the City will cause irreparable injury to the City not adequately compensable in damages and for which the City has no adequate remedy at law. Developer accordingly agrees that the City may in such event seek and obtain injunctive relief in a court of competent jurisdiction to compel Developer to vacate and abandon such Property, as well as liquidated damages in the amount of 150% of the rental rate for similar properties per day for each day of such failure or delay.

16.05 Remedies Cumulative. The rights and remedies of the City, whether provided by law or by this Agreement, shall be cumulative, and the exercise by the City of any one or more of such remedies shall not preclude the exercise by it, at the same or different times, of any other such remedies for the same default or breach. No waiver made by the City shall apply to obligations beyond those expressly waived in writing.

16.06 Waiver of Defense. Developer, for itself and its successors and assigns, and all other persons who are or who shall become, whether by express or implied assumption or otherwise, liable upon or subject to any obligation or burden under this Agreement, hereby waives, to the fullest extent permitted by law

and equity, all claims or defenses otherwise available on the ground of its or their being or having become a person in the position of a surety, whether real, personal, or otherwise, or whether by agreement or operation of law. Such waiver shall include, but shall not be limited to all claims and defenses based upon extensions of time, indulgence, or modification of terms of this Agreement.

16.07 Reimbursement of Costs. Developer shall reimburse the City for its expenses, including reasonable attorney fees (whether inside or outside counsel), incurred by the City in connection with the enforcement of or the preservation of any rights under this Agreement including, but not limited to, any costs, damages, and expenses related to the recapture, management and resale of the Property.

16.08 Resale of Reacquired Property; Disposition of Proceeds. Upon the reversion in the City of title to the Property or any part thereof as provided in Section 16.02, the City shall, pursuant to its responsibilities under the State law, use its best efforts to resell the Property or part thereof (subject to such mortgage liens and leasehold interests as in Section 18 set forth and provided) as soon and in such manner as the City shall find feasible and consistent with the objectives of such law, the Development Plan and this Agreement, to a qualified and responsible party or parties (as determined by the City) who will assume the obligation of making or completing the Improvements or such other improvements in their stead as shall be satisfactory to the City and in accordance with the uses specified for such Property or part thereof in the Development Plan and this Agreement. Upon such resale of the Property, the proceeds thereof shall be applied as follows:

- a. First, to reimburse the City for all costs and expenses incurred by the City (including, but not limited to, attorneys' fees and salaries of personnel) in connection with the recapture, management, and resale of the Property or part thereof (but less any income derived by the City from the Property or part thereof in connection with such management); all insurance premiums, taxes, assessments, and water and sewer charges with respect to the Property or part thereof; any payments made or necessary to be made to discharge any Encumbrances existing on the Property or part thereof at the time of reversion of title thereto in the City or to discharge or prevent from attaching or being made any subsequent Encumbrances due to obligations, defaults, or acts of Developer, its successors or transferees; any expenditures made or obligations incurred with respect to the making or completion of the Improvements or any part thereof on the Property or part thereof; and any amounts otherwise owing the City by Developer and its successor or transferee.
- b. Second, to reimburse Developer, its successor or transferee, up to the amount equal to lesser of: (i) the Purchase Price paid by it for the Property (or allocable to the part thereof), plus the lesser of (A) the cash actually expended by it for labor and materials in performing the construction of the Improvements on the Property or (B) the value of the Improvements, measured by the increase (if any) in the fair market value of the Property attributable solely to the Improvements; or (ii) the fair market value of the Property as determined by the City's Assessor; and less any gains or income withdrawn or made by Developer, its successor or transferee, from this Agreement or the Property.
- c. Any balance remaining after such reimbursements shall be retained by the City as its property.

16.09 Estate Conveyed. Notwithstanding anything contained in this Agreement to the contrary, the estate conveyed hereby shall be deemed to be a determinable fee during the Agreement Term, and upon the issuance of the Certificate of Completion the possibility of reverter retained by the City shall automatically expire as to that part of the Property described therein.

ARTICLE 17. COVENANTS TO RUN WITH LAND

Except as provided for in Article 13 hereunder, each and all of the covenants, restrictions, reservations, conditions, and provisions contained in this Agreement are made for the direct, mutual, and reciprocal benefit of the Property and the community, and during the Agreement Term will be construed and interpreted by the parties hereto as covenants running with the land. Pursuant hereto Developer, by accepting the Deed to the Property, accepts same subject to such covenants, restrictions, reservations, conditions, and provisions and agrees for itself, its successors and assigns to be bound by each of such covenants, restrictions, reservations, conditions and provisions. The City shall have the right to enforce such covenants, restrictions, reservations, conditions and provisions against Developer, its successors and assigns to or of the Property or any part thereof or any interest therein.

ARTICLE 18. RESTRICTION UPON SPECULATION AND ASSIGNMENT

18.01 No Speculation. Developer represents that its purchase of the Property and its other undertakings pursuant to this Agreement are for the purpose of development of the Property in accordance herewith and not for speculation.

18.02 Stock Transfers or Other Transfers of Ownership Interests. Prior to completion of the Improvements as certified by the City there shall be no transfer by any party owning ten percent (10%) or more of the shares or other ownership interests in Developer without the prior written approval of the City. There shall not be, without prior written approval of the City, any other similarly significant change in the ownership of such stock or other interests or in the relative distribution thereof or with respect to the identity of the parties in control of Developer by other means, whether by increased capitalization, merger with or acquisition by another legal entity, or by amendment of organizational documents or issuance of additional or new ownership or membership interests, shares or classifications thereof, or otherwise. Notwithstanding anything contained in this Section 18.02 or elsewhere in this Agreement, the owners of interests in Developer shall be permitted to transfer such ownership interests to (i) other existing owners of such interests or (ii) member(s) of their immediate family, or (iii) trusts in connection with estate planning, or (iv) entities owned by any of the foregoing, provided that such a permitted transfer does not constitute or cause a significant change in the identity of parties in control of Developer.

Notwithstanding anything contained in this Agreement to the contrary, this provision 18.02 does not affect the Developer's rights: (1) to enter into agreements with lenders, institutional partners, tax credit partners or other quasi-governmental partners with respect to the Project or (2) to transfer the Property and assign this Agreement to a single purpose entity managed and controlled by Developer. Such transfers allowed or approved pursuant to this Section 18.02 are "**Permitted Transfers**". Any such assignment of the Agreement shall be approved in writing by the P&DD Director, or his authorized designee.

18.03 Prior Approval of Assignment. Developer will not, prior to the issuance of the Certification of Completion, make any sale, assignment, conveyance or lease of any trust or power, or transfer in any other form with respect to this Agreement or the Property, without the prior written approval of the City. Any proposed transferee shall have the qualifications and financial responsibility, as determined by the City, necessary and adequate to fulfill the obligations undertaken in this Agreement by Developer, and if the proposed transfer relates to a part of the Property, such obligations to the extent that they relate to such part. Any proposed transferee shall, by instrument in writing, for itself and its successors and assigns, and expressly for the benefit of the City, assume all of the obligations of Developer under this Agreement and agree to be subject to all the conditions and restrictions to which Developer is subject (or, in the event the transfer is of or relates to part of the Property, such obligations, conditions and restrictions to the extent that they relate to such part). The consent of the City to an assignment or transfer in any one case shall not relieve Developer or the transferee of the obligation to obtain the consent of the City for any additional assignments or transfers.

18.04 Consideration for Assignment. Prior to the City's approval of any assignment pursuant to Section 18.03, Developer shall certify to the City that the consideration paid for the transfer of any of Developer's interest in this Agreement or the Property does not exceed an amount representing the actual cost (including carrying charges) incurred by Developer for the purchase of the Property and the construction of any Improvements on the Property (or allocable to the part or interest transferred); it being the intent of this Section to preclude assignment of this Agreement or transfer of the Property for profit prior to the issuance of the Certificate of Completion. In the event Developer transfers any such interest at a profit, said profit shall belong to and forthwith be paid to the City.

18.05 Limitation Upon Encumbrance of Property. Prior to the completion of the Improvements, as certified by the City, neither Developer nor any successor in interest to the Property or any part thereof shall engage in any financing or any other transaction creating any mortgage or other Encumbrance upon the Property, whether by express agreement or operation of law, or suffer any Encumbrance to be made on or attach to the Property, except for the purposes of obtaining funds only to the extent necessary to purchase the Property and make the Improvements. Developer (or successor in interest) shall notify the City in advance of any financing, secured by mortgage or other similar lien instrument, it proposes to enter into with respect to the Property or any part thereof and shall promptly notify the City of any Encumbrance that has been created on or attached to the Property, whether by voluntary act of Developer or otherwise.

18.06 Mortgagee Not Obligated to Construct. Notwithstanding any of the provisions of this Agreement, including, but not limited to, those which are or are intended to be covenants running with the land, the holder of any mortgage authorized by this Agreement (including any such holder who obtains title to the Property or any part thereof as a result of foreclosure proceedings, or action in lieu thereof, but not including any other party who thereafter obtains title to the Property or such part from or through such holder or any other purchaser at foreclosure sale other than the holder of the mortgage itself) shall not be obligated by the provisions of this Agreement to construct or complete the Improvements or to guarantee such construction or completion; nor shall any covenant or any other provision in the Deed be construed

to so obligate such holder; provided, that nothing in this Section or any other Section or provision of this Agreement shall be deemed or construed to permit or authorize any such holder to devote the Property or any part thereof to any uses, or to construct any improvements thereon, other than those uses or improvements provided or permitted in the Development Plan and this Agreement.

18.07 Copy of Notice of Default to Mortgagee. Whenever the City shall deliver any notice or demand to Developer with respect to any Default by Developer in its obligations or covenants under this Agreement, the City shall at the same time forward a copy of such notice or demand to each holder of any mortgage authorized by this Agreement at the last address of such holder shown in the records of the City.

18.08 Mortgagee's Option to Cure Default. After any Default referred to in Article 15 hereof, each such holder shall (insofar as the rights of the City are concerned) have the right, at its option, to cure or remedy such Default (or such Default to the extent that it relates to the part of the Property covered by its mortgage) and to add the cost thereof to the mortgage debt and the lien of its mortgage; provided, that if the Default is with respect to construction of the Improvements, nothing contained in this Section or any other Section of this Agreement shall be deemed to permit or authorize such holder, either before or after foreclosure or action in lieu thereof, to undertake or continue the construction or completion of the Improvements (beyond emergency measures necessary to conserve or protect Improvements or construction already made) without first having expressly assumed the obligation to the City, by written agreement satisfactory to the City, to complete, in the manner provided in this Agreement, the Improvements on the Property or the part thereof to which the lien or title of such holder relates. Any such holder who shall properly complete the Improvements relating to the Property or applicable part thereof shall be entitled, upon written request made to the City, to a Certificate of Completion with respect thereto.

18.09 City's Option to Pay Mortgage Debt or Purchase Property. In any case where, subsequent to the Default by Developer (or successor in interest) under this Agreement, the holder of any mortgage on the Property or part thereof: (i) has, but does not exercise, the option to construct or complete the Improvements relating to the Property or part thereof covered by its mortgage or to which it has obtained title, and such failure continues for a period of sixty (60) days after the holder has been notified or informed of the Default; or (ii) undertakes construction or completion of the Improvements but does not complete such construction within the period as agreed upon between the City and such holder (which period shall in any event be at least as long as the period prescribed for such construction or completion in this Agreement), and such Default shall not have been cured within sixty (60) days after written demand by the City so to do, then the City shall (and every mortgage instrument made prior to completion of the Improvements with respect to the Property by Developer or successor in interest shall so provide) have the option of paying to the holder the amount of the mortgage debt and securing an assignment of the mortgage and the debt secured thereby, or, in the event ownership of the Property (or part thereof) has vested in such holder by way of foreclosure or action in lieu thereof, the City shall be entitled, at its option, to a conveyance to it of the Property or part thereof (as the case may be) upon payment to such holder of an amount equal to the sum of: (i) the mortgage debt at the time of foreclosure or action in lieu thereof (less all appropriate credits, including those resulting from collection and application of rentals and other

income received during foreclosure proceedings); (ii) all expenses with respect to the foreclosure; (iii) the net expense, if any (exclusive of general overhead), incurred by such holder in and as a direct result of the subsequent management of the Property; (iv) the costs of any Improvements made by such holder; and (v) an amount equivalent to the interest that would have accrued on the aggregate of such amounts had all such amounts become part of the mortgage debt and such debt had continued in existence.

18.10 City's Option to Cure Mortgage Default. In the event of a default or breach during the Agreement Term by Developer, or any successor in interest, in or of any of its obligations under, and to the holder of, any mortgage or other instrument creating an Encumbrance upon the Property or part thereof, the City may at its option cure such default or breach, in which case the City shall be entitled, in addition to and without limitation upon any other rights or remedies to which it shall be entitled by this Agreement, operation of law, or otherwise, to reimbursement from Developer or successor in interest of all costs and expenses incurred by the City in curing such default or breach and to a lien upon the Property (or the part thereof to which the mortgage or Encumbrance relates) for such reimbursement; provided, that any such lien shall be subject always to the lien of (including any lien contemplated because of advances yet to be made) any then existing mortgages on the Property authorized by this Agreement.

18.11 Mortgage and Holder. For the purposes of this Agreement, the term “**mortgage**” shall include a deed of trust or other instrument creating an encumbrance or lien upon the Property, or any part thereof, as security for a loan. The term “**holder**” in reference to a mortgage shall include any insurer or guarantor of any obligation or condition secured by such mortgage or deed of trust, including, but not limited to, the Federal Housing Commission, the Administrator of Veterans Affairs, and any successor in office of either such official.

18.12 Subordination by City. The City hereby acknowledges that its rights under 16.02 hereof will be, if exercised, subordinate to the interest of a holder of a mortgage authorized by this Agreement that include senior loans and subordinate mezzanine financing used as purchase money for the Property and/or for construction of the Improvements (“**Authorized Mortgage**”). Any reversion of title in the City pursuant to its rights to a reverter or its right to repurchase the Property or portions thereof shall be subject to and limited by, and shall not defeat, render invalid, or limit in any way (i) the lien of any Authorized Mortgage or (ii) any rights or interests provided in this Agreement for the protection of the holder of such Authorized Mortgage. Upon the request of Developer, the City shall deliver to the holder of the Authorized Mortgage at the Closing an instrument in recordable form, whereby the City's rights and interests and Developer's covenants under this Agreement are subordinated to the lien of the Authorized Mortgage in the event that Developer ceases to hold title to the Property or a portion thereof as a result of the exercise by the holder of an Authorized Mortgage of a remedy for the Developer’s default under such Authorized Mortgage.

ARTICLE 19. INDEMNITY

19.01 Developer Indemnifications. Developer agrees to and shall indemnify and save harmless the City, its agents and employees against and from any and all liabilities, obligations, damages, penalties, claims, costs, charges, losses and expenses (including without limitation, fees and expenses of attorneys, whether

inside or outside counsel, expert witnesses and other consultants) that may be imposed upon, incurred by or asserted against the City by reason of any of the following occurring during the term of this Agreement:

- a. any negligent or tortious act or omission of Developer or its Associates resulting in personal injury, bodily injury, sickness, disease or death, or injury to or destruction of tangible property including the loss of use therefrom; or
- b. any failure by Developer or its Associates to perform their obligations either implied or expressed under this Agreement.

Developer also agrees to hold the City harmless from any and all injury to the person or damage to the property of, or any loss or expense incurred by, an employee of the City which arises out of or pursuant to Developer's activities under this Agreement or any contract entered into by Developer in connection therewith unless such loss or injury is caused by the City's gross negligence or willful misconduct.

19.02 Defense of Claims. In the event any action or proceeding shall be brought against the City by reason of any claim covered hereunder, Developer, upon notice from the City, will at its sole cost and expense, resist and defend the same, using legal counsel reasonably acceptable to the City.

19.03 Safeguarding Property. Developer agrees that it is its responsibility and/or that of its Associates and not the responsibility of the City to safeguard the property and materials that Developer or its Associates use or have in their possession while performing under this Agreement. Further, Developer agrees to hold the City harmless for any loss of such property and materials used by any such persons pursuant to the performance of this Agreement or which is in their possession.

19.04 Non-Liability of the City. From and after the date of Closing, the City shall not be responsible or liable to Developer, and Developer hereby releases the City from liability, for any loss or damage that may be occasioned by or through the acts or omissions of persons occupying any part of the Property. From or after the date of Closing or the date Developer takes possession of the Property, whichever is earlier, Developer shall be solely responsible for all injuries to persons and property resulting from any accident, explosion, leak or other cause arising in or about the use of the Property and its appurtenances, as hereinbefore stated. The City shall not be responsible for any loss or damage resulting to Developer or its property or to any other person or persons on their property which may be caused by the bursting, stopping, or leaking of water, gas, sewer or steam pipes or from overflow or backing up of any sewer or water main, unless caused by the City's gross negligence or willful misconduct.

19.05 Hazardous Materials.

a. Representations and Warranties. Notwithstanding anything to the contrary which may be contained in this Agreement, Developer represents, warrants and covenants to the City as follows:

- 1. Developer shall not directly or indirectly use the Property for the purpose of storing Hazardous Materials, nor shall Developer directly or indirectly use the Property in a manner which will cause or increase the likelihood of causing the release of Hazardous Materials onto the Property, other than those

Hazardous Materials which are necessary and commercially reasonable for the conduct of Developer's business operated on the Property and which Hazardous Materials have been at all times prior to the date hereof, and at all times hereafter shall be, handled and disposed of in compliance with all Relevant Environmental Laws (as defined in Subsection 19.05b1 below) and industry standards and in a commercially reasonable manner by Developer.

2. Developer is not aware of any claims or litigation, and has not received any communication from any person (including any governmental authority), concerning the presence or possible presence of Hazardous Materials at the Property or concerning any violation or alleged violation of the Relevant Environmental Laws respecting the Property, other than as disclosed to Developer by the City or as disclosed in or as a result of the tests, surveys and investigations performed under Section 7.01 above. Developer shall promptly notify the City of any such claims and shall furnish City with a copy of any such communications received by Developer. To the best of Developer's knowledge, there are no underground storage tanks located on the Property, other than as disclosed in or as a result of the tests, surveys and investigations performed under Section 7.01.

3. Developer shall notify the City promptly and in reasonable detail in the event that Developer becomes aware of or suspects the presence of Hazardous Materials or a violation of the Relevant Environmental Laws at the Property.

4. From and after the date of Closing, Developer shall ensure that the Property complies and continues to comply in all respects with the Relevant Environmental Laws.

5. If the Property is used or maintained so as to subject Developer, the City or the user(s) of the Property to a claim of violation of the Relevant Environmental Laws (unless contested in good faith by appropriate proceedings), Developer shall immediately cease or cause a cessation of those aspects of the use or operations causing the violation and shall remedy and cure in compliance with the Relevant Environmental Laws any conditions arising therefrom at its own cost and expense.

b. Definitions.

1. “**Relevant Environmental Laws,**” as referred to herein, shall mean all applicable federal, state, and local laws, rules, regulations, orders, judicial determinations, and decisions or determinations by any judicial, legislative or executive body of any governmental or quasi-governmental entity, whether in the past, the present or the future, with respect to:

(a) the installation, existence, or removal of, or exposure to, Asbestos on the Property.

(b) the existence on, discharge from, or removal from the Property of Hazardous Materials.

(c) the effects on the environment of the Property or of any activity now, previously, or hereafter conducted on the Property.

Relevant Environmental Laws shall include, but are not limited to, the following: (i) the Comprehensive Environmental Response, Compensation, and Liability Act, 42 USC Sections 9601, *et seq.*; the Superfund Amendments and Reauthorization Act, Public Law 99-499, 100 Stat. 1613; the Resource Conservation

2. “**Asbestos**,” as referred to herein, shall have the meanings provided under the Relevant Environmental Laws and shall include, but not be limited to, asbestos fibers and friable asbestos as such terms are defined under the Relevant Environmental Laws.³ “**Hazardous Materials**,” as referred to herein, shall mean any of the following as defined by the Relevant Environmental Laws: Asbestos; hazardous wastes; solid wastes; toxic or hazardous substances, wastes, or contaminants (including, but not limited to, polychlorinated biphenyls (PCB's), paint containing lead, and urea formaldehyde foam insulation), and discharges of sewage or effluent.

c. Developer's Obligations. At its sole cost and expense, Developer shall:

1. Pay immediately when due the cost of compliance with the Relevant Environmental Laws resulting directly or indirectly out of Developer's use, possession, or development of the Property.
2. Keep the Property free of any lien imposed pursuant to the Relevant Environmental Laws resulting directly or indirectly out of Developer's use, possession, or development of the Property.

d. City's Options. If Developer fails to comply with the requirements of this Section after notice to Developer and the earlier of the expiration of any applicable cure period hereunder, the expiration of the cure period permitted under the Relevant Environmental Laws, if any, or such earlier time if the City determines that life, person or property is in jeopardy, the City may, but shall not be obligated to, exercise its right to: (i) declare that such failure constitutes an Event of Default under Article 15 herein; and/or (ii) take any and all actions, at Developer's expense, that the City deems necessary or desirable to cure said failure of compliance.

e. Release and Indemnity. The City shall give Developer the opportunity to inspect the Property and conduct such environmental assessments and testing as Developer has deemed appropriate. The City shall not be liable to Developer for, and Developer, for itself and its successors and assigns, hereby releases the City from, any and all liability for any violation or alleged violation of the Relevant Environmental Laws respecting the Property, whether such alleged violation occurred before or after Closing and the transfer of possession to Developer. The City shall not be liable for, and Developer shall immediately pay to the City when incurred and shall indemnify, defend and hold the City harmless from and against, all loss, cost, liability, damage and expense (including, but not limited to, attorneys' fees and costs incurred in the investigation, defense and settlement of claims) that the City may suffer or incur as a result of or in connection in any way with any violation of the Relevant Environmental Laws occurring after the Closing or the date of transfer of possession, whichever is earlier, any environmental assessment or study from time to time undertaken or requested by Developer or City, or breach of any covenant or undertaking by

Developer in this Section; provided, however, Developer shall have no obligation to the City with respect to: (i) indemnified liabilities arising solely from the gross negligence or willful misconduct of the City; or (ii) conditions or Hazardous Materials existing at the earlier of the time of Closing or the date of transfer of possession. Developer shall bear the burden of proof regarding the date that any alleged violation of the Relevant Environmental Laws occurred or any condition existed.

f. Survival. The provisions of this Section shall survive the termination of this Agreement.

g. Breach. Breach of any of the representations, warranties and/or covenants contained in this Article shall be a default under this Agreement; provided, however, that no breach shall be deemed to have occurred so long as, upon becoming aware of a possible breach, Developer proceeds to reasonably investigate and remedy in compliance with the Relevant Environmental Laws the matter giving rise to the possible breach.

h. Assignment of Cause of Action. The City shall, upon request of Developer, convey, assign and transfer to Developer any claim or cause of action the City may have against others in connection with any liability against which Developer has fully indemnified the City (including payment) under this Agreement.

ARTICLE 20. ADMINISTRATION

20.01 Developer Personnel. Developer represents and warrants that all Developer personnel and agents and the personnel and agents of its Associates are fully qualified and authorized to perform the functions and duties assigned them under Federal, State and Local laws and governing professional association rules, if any, where such persons are employed.

20.02 Inspection by City. The City may in its sole discretion assign City employees to go on the Property to inspect the work performed by Developer or on Developer's behalf upon reasonable notice to Developer. Developer and any Associates shall cooperate fully with any City employee designated to conduct any on-site inspection or who is assigned to review relevant documents concerning the Project or construction of the Improvements.

20.03 Independent Contractor Relationship. The relationship of Developer to the City is and shall continue to be that of an independent contractor relationship, and no liability or benefits, such as worker's compensation, pension rights or liabilities, insurance rights or liabilities or other provisions or liabilities, arising out of or related to a contract for hire or employer/employee relationship, shall arise or accrue to either party or either party's agent or employee with respect to the City as a result of the performance of this Agreement, unless expressly stated in this Agreement. Nothing contained herein shall be deemed or construed by the parties hereto, nor by any third party, as creating the relationship of principal and agent or of partnership or of joint venture between the parties hereto; it being understood and agreed that none of the provisions contained herein, nor any acts of the parties herein, shall be deemed to create any such relationship between the parties.

20.04 Waiver. Developer shall not hold the City liable for any personal injury incurred by an employee, agent or consultant of itself, its Affiliates or its Associates which is not held in a court of competent jurisdiction to be directly attributable to the gross negligence of the City or any employee of the City

acting within the scope of his or her employment. Developer hereby agrees to and shall hold the City harmless from any such claim by Developer, its employees, agents, or consultants and/or those of its Associates and Affiliates.

ARTICLE 21. COMPLIANCE WITH LAWS AND REGULATIONS

21.01 Compliance. Developer shall comply with, and shall require in all its contracts with Associates that Associates comply with, all applicable laws, ordinances or other regulations imposed by any properly constituted governmental authority, including without limitation Executive Orders as applicable. Developer shall require as part of any contracts issued pursuant to this Agreement that any Associate engaged by Developer shall comply with all such applicable laws, ordinances and regulations.

21.02 Intellectual Property. Developer represents and warrants that any products sold or processes used in the performance of this Agreement do not infringe upon or violate any patent, copyright, trademark, trade secret or any other proprietary rights of any third party. In the event of any claim by any third party against the City, the City shall promptly notify Developer and Developer shall defend such claims in the City's name, but at Developer's expense, using legal counsel reasonably acceptable to the City, and shall indemnify the City against any loss, costs, expense or liability arising out of such claim, whether or not such claim is successful.

21.03 Right To Examine Books. Nothing contained herein shall be construed or permitted to operate as any restriction upon the power granted to the City Council by the City Charter to audit all accounts chargeable against the City. Pursuant hereto the City shall have the right to examine and audit all books, records, documents, and other such supporting data of Developer with respect to the Project as the City may deem necessary.

ARTICLE 22. AMENDMENTS

22.01 Form. Any change, addition, deletion or modification of this Agreement (including assignments, but excluding extensions) that is mutually agreed upon by and between the City and Developer shall be incorporated in a written amendment (herein called “**Amendment**”) to this Agreement. Such Amendment shall not invalidate this Agreement nor relieve or release Developer of any of its obligations under this Agreement unless stated therein. Notwithstanding anything to the contrary contained herein, (1) P&DD approval is required for material changes in the Construction Plans pursuant to Section 10.02 of this Agreement and (2) P&DD may extend any deadline given in this Agreement at the P&DD Director’s sole discretion and without the need for an Amendment by the P&DD Director, or his authorized designee, providing written notice to Developer of any such extension.

22.02 Binding Effect. No Amendment to this Agreement shall be effective and binding upon the parties unless it expressly makes reference to this Agreement, is in writing, is signed and acknowledged by duly authorized representatives of both parties. To be effective against the City, the Amendment must be authorized as set forth in Section 25.16 of this Agreement.

ARTICLE 23. FAIR EMPLOYMENT PRACTICES

23.01 Compliance. Developer shall comply with, and shall require in all its contracts with Associates that Associates comply with, all applicable laws, ordinances or other regulations imposed by any properly constituted governmental authority, including without limitation by virtue of this enumeration: (a) Americans with Disabilities Act (“ADA”) and Michigan Department of Transportation (“MDOT”) accessibility and construction requirements for sidewalks and curb cuts and ramps, and (b) City of Detroit Executive Order No. 2016-1 and Executive Order No. 2014-5. Developer shall require, as part of any contracts issued pursuant to this Agreement, that any Associate engaged by Developer shall comply with all such applicable laws, ordinances and regulations.

23.02 Non-Discrimination. Developer covenants that it shall not discriminate against any employee or applicant for employment, training, education, or apprenticeship connected directly or indirectly with the performance of this Agreement, with respect to his or her hire, promotion, job assignment, tenure, terms, conditions or privileges of employment because of religion, race, color, creed, national origin, age, marital status, handicap, public benefit status, sex, or sexual orientation. This provision shall not apply if it is determined by the City Human Rights Department that such requirements are *bona fide* occupational qualifications reasonably necessary to performance of the duties required for employment. The burden of proof that the occupational qualifications are bona fide is upon Developer. Developer shall promptly furnish any information required by the City or its Human Rights Department pursuant to this Section 23.02.

23.03 Associate Notification. Developer further agrees that it shall notify any Associate of its obligations relative to non-discrimination under this Agreement when soliciting same and shall include the provisions of this Article 23 in any subcontract as well as provide the City a copy of any such subcontract upon request. Developer further agrees to take such action with respect to any such subcontract as the City may direct as a means of enforcing the provisions of this Article 23 and Article 21.

23.04 Breach. Breach of the terms and conditions of this Article shall be regarded as a material breach of this Agreement.

23.05 Remedies upon Breach. If Developer fails to comply with the preceding section and/or with any of the rules, regulations or orders as issued by the City’s Human Rights Department, the City, at its option, may:

- a. Cancel, terminate or suspend this Agreement in whole or in part.
- b. Recover from Developer an amount of \$100.00 per day, as liquidated damages and not as a penalty, for each day that Developer fails to comply with the preceding section as determined by the City’s Human Rights Department in accordance with its rules and regulations; said sum being fixed as negotiated and agreed upon by and between the City and Developer because of the impracticability and extreme difficulty of fixing and ascertaining the actual damages that the City would sustain in the event of such a breach of contract, and agreed to be the amount of damages that the City would sustain.
- c. Utilize such other remedies as may be provided by law.

ARTICLE 24. NOTICES

24.01 Addresses. Except as otherwise specified herein, all notices, consents, approvals, requests and other communications (herein collectively called “Notices”) required or permitted under this Agreement shall be given in writing and personally delivered with receipt obtained, or mailed by registered or certified first-class mail, return receipt requested, addressed as follows:

Either party to this Agreement may change its address for the receipt of Notices at any time by giving notice thereof to the other as provided in Section 24.01. Any Notice given by a party hereunder must be signed by an authorized representative of such party.

ARTICLE 25. MISCELLANEOUS

25.01 Standard of Performance. This Agreement shall be conscientiously performed by Developer in all particulars, and in accordance with the highest professional and legal standards, including, but not limited to, architectural and engineering standards and construction safety standards, municipal and federal fair employment practice standards, etc. Developer shall not perform any act directly or indirectly that would act to subvert or otherwise circumvent any of the terms and conditions contained herein. If there is any dispute between the parties with regard to the requirements of the Development Plan or the terms and conditions of this Agreement, the reasonable interpretation and determination of the City shall govern.

25.02 Conferences. Developer hereby agrees to meet at reasonable times with duly authorized City representatives, upon the City's request to discuss any aspect of this Agreement during the term of this Agreement.

25.03 Severability. If any one or more provisions of this Agreement or in any instrument or other document delivered pursuant to this Agreement or the application thereof to any person or circumstance

shall to any extent be declared or determined to be invalid or unenforceable, the validity, legality and enforceability of the remainder of this Agreement, or the application of such provision to persons or circumstances other than those as to which it is invalid or unenforceable, shall not be affected or impaired thereby, and each provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

25.04 Entire Agreement. This instrument, including the exhibits listed in Section 1.03 which are attached hereto and which are made a part of this Agreement, contains the entire agreement between the parties and all prior negotiations and agreements are merged herein. Developer acknowledges that neither the City nor the City's agents have made any representations except those expressly set forth herein, and no rights or remedies are or shall be acquired by Developer by implication or otherwise unless expressly set forth herein.

25.05 Terminology. Unless the context otherwise expressly requires, the words “herein”, “hereof”, and “hereunder”, and other words of similar import refer to this Agreement as a whole and not to any particular Article, Section, or other subdivision.

25.06 Covenants and Conditions. All the terms and provisions of this Agreement shall be deemed and construed to be “covenants” and “conditions” as though the words specifically expressing or imparting covenants and conditions were used in each separate term and provision.

25.07 Captions. The headings of the Articles, Sections and other subdivisions in this Agreement are for convenience only and shall not be used to construe or interpret the scope or intent of this Agreement or in any way affect the same.

25.08 Cumulative Remedies; Jurisdiction; Venue. The rights and remedies of the City set forth herein are not exclusive and are in addition to any of the rights and remedies provided by law or equity; provided, however, that if the City breaches any of its obligations under this Agreement, then, after reasonable notice and opportunity to cure, Developer shall have the right solely to seek injunctive relief, specific performance or other equitable remedies for the City’s breach of this Agreement, and in no event shall Developer be entitled to monetary damages, except for the return of the Advance, as a result of the City’s breach of this Agreement. All actions arising under this Agreement shall be governed by, subject to, and construed according to the laws of the State of Michigan. Developer agrees, consents and submits to the personal jurisdiction of any competent court in Wayne County, Michigan for any action brought against it arising out of this Agreement. Developer agrees that service of process at the address and in the manner specified in Article 24 will be sufficient to put Developer on notice. Developer also agrees that it will not commence any action against the City because of any matter whatsoever arising out of or relating to the validity, construction interpretation and enforcement of this Agreement, in any courts other than those in the County of Wayne, State of Michigan. Developer agrees to obtain a similar covenant from any Associate with respect to any contracts issued in pursuance of this Agreement.

25.09 Affiliates. If any Affiliate of Developer shall take any action which, if done by Developer would constitute a breach of this Agreement, the same shall be deemed a breach by Developer, subject to the notice and cure provisions of this Agreement.

25.10 Force Majeure. In the event of enforced delay in the performance by either party of obligations under this Agreement due to unforeseeable causes beyond its control and without its fault or negligence, including, but not restricted to, acts of God or of the public enemy, acts of the government, acts of the other party, fires, floods, epidemics, or severe weather, the time for performance of such obligations shall be extended for the period of the enforced delays; provided that the party seeking the benefit of the provisions of this Section shall within thirty (30) days after the beginning of such enforced delay, have first notified the other party in writing of the causes thereof and requested an extension for the period of the enforced delay. In the event that there is any dispute as to what constitutes such *force majeure* event, the determination of the City shall be controlling.

25.11 Provisions Not Merged With Deed. No provision of this Agreement is intended to or shall be merged by reason of any Deed transferring title to the Property from the City to Developer or any successor in interest, and any such Deed shall not be deemed to affect or impair the provisions and covenants of this Agreement.

25.12 Residential Construction. If the Improvements to be constructed by Developer involves residential construction, the following provisions shall apply:

a. Developer agrees to comply with the regulations issued by the Secretary of Housing and Urban Development set forth in 37 CFR Parts 227-323 and all applicable rules and orders issued thereunder which prohibit the use of lead-based paint in residential structures undergoing federally assisted construction or rehabilitation and require the elimination of lead-based paint hazards.

b. Developer agrees that if the Property is situated in an area identified by HUD as subject to special flood hazards, and in which the sale of flood insurance has been authorized under the National Flood Insurance Act of 1968 (unless the Improvements to be constructed on the Property will be covered under an adequate State policy of self-insurance satisfactory to the Secretary of HUD), Developer and its successors and assigns shall keep the Improvements now existing or hereafter erected on the Property insured, during their anticipated economic or useful life, under the national flood insurance program in an amount at least equal to the development cost of the Property (less estimated land cost) or to the maximum limit of coverage made available with respect to the particular type of Property under the National Flood Insurance Act of 1968, whichever is less. Prior to conveyance of the Property to Developer by the City, Developer shall furnish the City a copy of a flood insurance policy specifying such coverage or a binding commitment to provide such a policy; provided, that if such coverage is not available to Developer at the time of conveyance, Developer shall furnish such evidence of insurance within fifteen (15) days of the date it becomes available.

25.13 Counterparts. This Agreement may be executed in counterparts each of which shall be deemed to be an original document but together shall constitute one instrument.

25.14 Singular and Plural, etc.. As used herein, the singular include the plural, the plural the singular, and the use of any gender shall be applicable to all genders.

25.15 Time of the Essence. Time is of the essence of this Agreement.

25.16 Authority of City. Notwithstanding anything in this Agreement, in law, in equity, or otherwise to the contrary, this Agreement shall be of no force or effect and may not in any way be enforced against the City, and the City shall not be authorized or obligated to sell the Property to Developer, unless and until this Agreement has been fully executed by the duly authorized representative of the City pursuant to the resolution of the Detroit City Council as approved by the Mayor of the City of Detroit, and approved by the City of Detroit Law Department. Any amendments or modifications must likewise be duly authorized by resolution of the City Council as approved by the Mayor, and be approved by the Law Department.
